**PROXY STATEMENT FOR
2023 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 16, 2023**

This proxy statement is being furnished by and on behalf of the board of directors of TPG RE Finance Trust, Inc., a Maryland corporation (the “Company,” “we,” “us” or “our”), in connection with the solicitation of proxies to be voted at the 2023 Annual Meeting of Stockholders (the “Annual Meeting”). As used in this proxy statement, the following terms have the meanings set forth below:

- the term “Manager” refers to our external manager, TPG RE Finance Trust Management, L.P., a Delaware limited partnership; and
- the term “TPG” refers to TPG, Inc., a Delaware corporation (previously, TPG Global, LLC, a Delaware limited liability company), and its affiliates.

**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE
ANNUAL MEETING TO BE HELD ON MAY 16, 2023**

We are furnishing the proxy materials for the Annual Meeting electronically using the Internet through the mailing to our stockholders of a Notice of Internet Availability of Proxy Materials (the “Notice and Access Card”). The Notice and Access Card will be mailed to stockholders of record on or before April 6, 2023. Please visit the website www.proxyvote.com to view electronic versions of our proxy materials and our 2022 annual report to stockholders, and to request electronic delivery of future proxy materials.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

In this section of the proxy statement, we answer some common questions regarding the Annual Meeting and the voting of shares at the Annual Meeting.

Where and when will the Annual Meeting be held?

The Annual Meeting will be held at 11:00 a.m., Eastern Time, on Tuesday, May 16, 2023. The Annual Meeting will be held in a virtual meeting format only. You will be able to attend the Annual Meeting virtually and vote and submit questions during the Annual Meeting by visiting www.virtualshareholdermeeting.com/TRTX2023.

Why did I receive a notice in the mail regarding the Internet availability of the proxy materials instead of a paper copy of the proxy materials?

The United States Securities and Exchange Commission (the “SEC”) has approved “Notice and Access” rules relating to the delivery of proxy materials over the Internet. These rules permit us to furnish proxy materials, including this proxy statement and our annual report, to our stockholders by providing access to such

documents on the Internet instead of mailing printed copies. Most stockholders will not receive paper copies of the proxy materials unless they request them. Instead, the Notice and Access Card, which will be mailed to our stockholders, provides instructions regarding how you may access and review all of the proxy materials on the Internet. The Notice and Access Card also instructs you as to how you may authorize a proxy to vote your shares via the Internet or by telephone. If you would like to receive a paper or email copy of our proxy materials, you should follow the instructions for requesting such materials printed on the Notice and Access Card.

Can I vote my shares by filling out and returning the Notice and Access Card?

No. The Notice and Access Card identifies the items to be voted on at the Annual Meeting, but you cannot vote by marking the Notice and Access Card and returning it. The Notice and Access Card provides instructions on how to authorize a proxy to vote your shares via the Internet or by telephone or vote during the Annual Meeting or to request a paper proxy card, which will contain instructions for authorizing a proxy by the Internet, by telephone or by returning a signed paper proxy card.

Why are you holding the Annual Meeting in a virtual format?

In accordance with our recent practice and to maintain ease of access for our stockholders, this year's Annual Meeting will be held in a virtual meeting format only. We have designed our virtual format to enhance, rather than constrain, stockholder access, participation and communication. For example, the virtual format allows stockholders to communicate with us in advance of, and during, the Annual Meeting so they can ask questions of our board of directors or management. During the live Q&A session of the Annual Meeting, we may answer questions as they come in and address those asked in advance, to the extent relevant to the business of the Annual Meeting, as time permits.

How do I vote my shares during the Annual Meeting?

You may vote your shares during the Annual Meeting until such time as the chairman declares the polls closed by visiting www.virtualshareholdermeeting.com/TRTX2023 and following the instructions. You will need the 16-digit control number included in your proxy card, voting instruction form or Notice and Access Card.

Even if you plan to attend the live webcast of the Annual Meeting, we encourage you to vote in advance by Internet, telephone or mail so that your vote will be counted even if you later decide not to attend the Annual Meeting. We will provide a physical location to view the webcast if requested by a stockholder in writing by contacting the Secretary at TPG RE Finance Trust, Inc., 888 Seventh Avenue, 35th Floor, New York, New York 10106. Please note that no members of management or our board of directors will be in attendance at the physical location.

What am I voting on?

There are three proposals scheduled to be considered and voted on at the Annual Meeting. At the Annual Meeting, stockholders are being asked to consider and vote on:

- **Proposal 1:** The election of eight directors, each to hold office until the Company's annual meeting of stockholders in 2024 and until his or her successor is duly elected and qualifies;
- **Proposal 2:** The ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for 2023; and
- **Proposal 3:** A proposal to approve, on a non-binding, advisory basis, the compensation of the Company's named executive officers (the "Say-on-Pay Proposal").

Who can vote?

Holders of record of our common stock as of the close of business on March 27, 2023, the record date fixed by the board of directors for determining the stockholders who are entitled to vote at the Annual Meeting, are the

only stockholders who are entitled to vote at the Annual Meeting. As of March 27, 2023, there were a total of 77,275,761 shares of our common stock outstanding and entitled to vote at the Annual Meeting. You have one vote for each share of common stock that you own.

What constitutes a quorum?

We will convene the Annual Meeting if stockholders representing the required quorum of shares of common stock entitled to vote either sign and return their paper proxy cards, authorize a proxy to vote their shares electronically or telephonically or attend the Annual Meeting. The presence in person or by proxy of stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting on any matter will constitute a quorum. If you sign and return your paper proxy card or authorize a proxy to vote your shares electronically or telephonically, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote as indicated in the proxy materials. Broker non-votes and abstentions will also be considered present for the purpose of determining whether we have a quorum.

How many votes are needed to approve each of the proposals assuming a quorum is present at the Annual Meeting?

Proposal 1: Election of Directors. The election of a director nominee must be approved by a plurality of the votes cast in the election of directors. Plurality voting simply means that the number of candidates getting the highest number of votes cast “for” their election at the Annual Meeting will be elected. Proxies marked “Withhold Authority” and “broker non-votes” are not considered votes cast for the foregoing purpose, and will not affect the outcome of this proposal.

Proposal 2: Ratification of Independent Registered Public Accounting Firm for 2023. A majority of the votes cast is required for the approval of the auditor ratification proposal (meaning the number of shares voted “for” the proposal must exceed the number of shares voted “against” such proposal). Abstentions and “broker non-votes” are not considered votes cast for the foregoing purpose, and will not affect the outcome of this proposal. As described below, brokerage firms can vote your uninstructed shares on this proposal.

Proposal 3: Say-on-Pay Proposal. A majority of the votes cast is required to approve the Say-on-Pay Proposal. Abstentions and “broker non-votes” are not considered votes cast for the foregoing purpose and will not affect the outcome of this proposal.

What is a “broker non-vote”?

A “broker non-vote” occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Your shares may be voted on the auditor ratification proposal (Proposal 2) if they are held in the name of a brokerage firm, even if you do not provide the brokerage firm with voting instructions. Brokerage firms have the authority under the rules of the New York Stock Exchange (the “NYSE”) to cast votes on certain “routine” matters if they do not receive instructions from their customers. The auditor ratification proposal (Proposal 2) is considered a “routine” matter for which brokerage firms may vote shares for which they did not receive instructions from beneficial owners. All other proposals being considered and voted on by stockholders at the Annual Meeting are “non-routine” matters under the NYSE rules for which brokers may not vote absent voting instructions from the beneficial owner.

How do I authorize a proxy to vote my shares?

Follow the instructions on the Notice and Access Card to authorize a proxy to vote your shares electronically via the Internet or by telephone. If you request a paper copy of our proxy materials, follow the instructions printed on the paper proxy card to authorize a proxy to vote via the Internet, by telephone or by completing and returning the paper proxy card by mail. The individuals named and designated as proxies will vote your shares as you instruct.

[Table of Contents](#)

If you submit a signed proxy without indicating your vote on any matter, the designated proxies will vote to elect all eight nominees as directors, to approve the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2023 and to approve, on a non-binding, advisory basis, the compensation of our named executive officers.

How can I authorize a proxy to vote my shares over the Internet or by telephone?

To authorize a proxy to vote your shares electronically via the Internet, go to www.proxyvote.com and follow the instructions. Please have your Notice and Access Card in hand when accessing the website, as it contains a 16-digit control number required to authorize a proxy to vote your shares.

If you have access to a touch-tone telephone, you may authorize a proxy to vote your shares by dialing **(800) 690-6903** and following the recorded instructions. You will need the **16-digit control number** included on your Notice and Access Card in order to authorize a proxy to vote your shares by telephone.

If you requested a paper copy of our proxy materials, in order to authorize a proxy to vote your shares by telephone or over the Internet, you must either call the toll-free number reflected on the paper proxy card or go to www.proxyvote.com and follow the instructions. Please have your paper proxy card in hand when calling the toll-free number or accessing the website as it contains a **16-digit control number** required to authorize a proxy to vote your shares.

You can authorize a proxy to vote your shares via the Internet or by telephone at any time prior to 11:59 p.m., Eastern Time, on May 15, 2023, the day before the Annual Meeting.

What do I do if my shares are held in “street name”?

If your shares are held in a brokerage account or by a bank or other holder of record, you are considered the “beneficial owner” of shares held in “street name.” The Notice and Access Card or proxy materials, if you elected to receive a hard copy, has been forwarded to you by your broker, bank or other holder of record who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record on how to vote your shares by following their instructions for voting.

What if other matters come up at the Annual Meeting?

At the date this proxy statement went to press, we did not know of any matters to be properly presented at the Annual Meeting other than those referred to in this proxy statement. If other matters are properly presented at the Annual Meeting or any adjournment or postponement thereof for consideration, and you are a stockholder of record and have authorized a proxy to vote your shares, the persons named in the proxy card will have the discretion to vote on those matters for you.

Can I revoke my proxy after I authorize a proxy to vote my shares?

Yes. You can revoke your proxy either by:

- executing or authorizing, dating and delivering to us a new proxy with a later date that is received no later than May 15, 2023;
- voting again via the Internet or by telephone at a later time before the closing of those voting facilities at 11:59 p.m., Eastern Time, on May 15, 2023;
- sending a written statement revoking your proxy card to our Secretary or any corporate officer of the Company, provided such statement is received no later than May 15, 2023; or

[Table of Contents](#)

- by attending the Annual Meeting, revoking your proxy and voting your shares online during the Annual Meeting.

Your attendance at the Annual Meeting will not, by itself, revoke a proxy previously authorized by you. We will honor the proxy card or authorization with the latest date.

Proxy revocation notices should be sent to TPG RE Finance Trust, Inc., 888 Seventh Avenue, 35th Floor, New York, New York 10106, Attention: Secretary. New paper proxy cards should be sent to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717.

Who will count the votes?

Representatives of The Carideo Group, Inc. will count the votes and will serve as the independent inspector of election.

Who pays for this proxy solicitation?

We do. In addition to sending or making available to you these proxy materials, some of the employees of an affiliate of our Manager may contact you by telephone, by mail or in person. None of these employees will receive any extra compensation for doing this.

While at Bank of America Merrill Lynch, Mr. Smith was the lead equity advisor on more than three hundred equity offerings, which raised in excess of \$100 billion. Mr. Smith began his career at Lehman Brothers in 1989 and worked there prior to joining Bank of America Merrill Lynch in 2000. Mr. Smith served in a variety of investment banking and equity capital markets positions both in New York and in London while at Lehman Brothers, including acting as the co-head of U.S. Equity syndicate. Mr. Smith earned his B.S. in finance, magna cum laude, from The Wharton School of the University of Pennsylvania. Mr. Smith's deep knowledge and relationships in the real estate sector, including over 15 years of experience working with companies in the real estate finance sector, and extensive capital markets experience lead to our conclusion that Mr. Smith should serve on our board of directors.

Gregory White has served as one of our directors since July 2017. Since January 2003, Mr. White has served as a Managing Director and Chief Executive Officer of Prima Capital Advisors LLC ("Prima"), an investment advisory firm that specializes in commercial mortgage investments. At Prima, Mr. White's responsibilities include loan origination, structuring securitizations and the development and maintenance of client relationships. Prima is the successor entity to Conning Asset Management, which purchased Schroder Mortgage Associates, LP

(“Schroder”) in 1998. Mr. White founded Schroder in 1992. Prior to forming Schroder, Mr. White was a Managing Director at Salomon Brothers Inc (“Salomon”) and co-head of the firm’s real estate finance, sales and advisory businesses. While at Salomon, Mr. White was responsible for the origination, negotiation and closing of real estate financings, joint ventures and property sales, as well as commercial mortgage securitizations and assisting with the development of the rating process for commercial mortgages. Prior to his work at Salomon, Mr. White was an Assistant Treasurer in the Real Estate Finance Department of the Chase Manhattan Bank. Mr. White holds a B.S. in Civil Engineering from Tufts University and earned an M.B.A. in Finance and Real Estate from The Wharton Graduate School of Business Administration, University of Pennsylvania. Mr. White previously was a director of New Plan Excel Realty Trust (NYSE: NXL) and Acadia Realty Trust (NYSE: AKR), two NYSE-listed REITs that specialized in retail real estate. Mr. White is a member of the Pension Real Estate Association and the Commercial Real Estate Finance Council. He serves on the Board of Advisors of Tufts University’s College of Engineering. Mr. White is a former Adjunct Professor of Real Estate Finance at New York University. Mr. White’s extensive experience in commercial real estate loan originations and financings allows Mr. White to provide valuable insight to us and our board of directors, including with respect to our investing activities, which leads to our conclusion that Mr. White should serve on our board of directors.

Voting Recommendation

Our board of directors unanimously recommends that you vote “for” the election of each of the director nominees named above.

CORPORATE GOVERNANCE

The Board of Directors; Committees

Our business is managed by our Manager, subject to the oversight and direction of our board of directors. As of the date of this proxy statement, our board of directors has eight members, comprised of Mr. Banyasz, Mr. Bouquard, Ms. Hong, Mr. Gillmore, Mr. Schuster, Ms. Silverstein, Mr. Smith and Mr. White.

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics that applies to all of our officers, directors and employees (if any), and to all of the officers and employees of our Manager and any of its affiliates who provide services to us. Our code of business conduct and ethics is designed to comply with SEC regulations and NYSE listing standards relating to codes of conduct and ethics. Our code of business conduct and ethics is available on our website, www.tpgrefinance.com, under the “Investor Relations” tab by selecting “Governance Documents.”

Any waiver of the code of business conduct and ethics may be made only by our nominating and corporate governance committee and will be promptly disclosed as required by law or stock exchange regulations. Any modifications to the code of business conduct and ethics will be reflected on our website.

Corporate Governance Guidelines

We have also adopted corporate governance guidelines to advance the functioning of our board of directors and its committees and to set forth our board of directors’ expectations as to how it and its committees should perform its and their respective functions. Our corporate governance guidelines are available on our website, www.tpgrefinance.com, under the “Investor Relations” tab by selecting “Governance Documents.”

Director Independence

Under our corporate governance guidelines and NYSE rules, the board of directors must be comprised of at least a majority of directors who qualify as “independent” directors. A director is not independent unless the board of directors affirmatively determines that he or she does not have a “material relationship” with us. In addition, the director must meet the bright-line test for independence set forth by the NYSE rules. Our corporate governance guidelines also require all members of the audit committee, the compensation committee and the nominating and corporate governance committee to be “independent” directors. Based upon its review, the board of directors has affirmatively determined that each of Mr. Gillmore, Mr. Schuster, Ms. Silverstein, Mr. Smith and Mr. White is independent under all applicable criteria for independence set forth in the listing standards of the NYSE, including with respect to committee service.

Board of Directors Composition

The board of directors seeks to ensure that it is composed of members whose particular experience, qualifications, attributes and skills, when taken together, will allow it to satisfy its oversight responsibilities effectively. In that regard, the nominating and corporate governance committee is responsible for recommending candidates for all directorships to be filled by the board of directors or by the stockholders at an annual or special meeting. In identifying candidates, the nominating and corporate governance committee will review each candidate’s experience, integrity, competence, diversity, skills and dedication in the context of the needs of the board of directors, assess whether the candidate’s qualifications meet the minimum criteria contained in the corporate governance guidelines and recommend that the board of directors select those nominees whose attributes the nominating and corporate governance committee believes would be most beneficial to us. In identifying candidates for membership on the board of directors, the nominating and corporate governance committee takes into account (i) minimum individual qualifications, such as personal integrity and moral

character, willingness to apply sound business judgment, industry knowledge or experience and an ability to work collegially with the other members of the board of directors and (ii) all other factors it considers appropriate. While our corporate governance guidelines do not contain an express diversity policy, we believe that a board of directors with the right mix of skills and backgrounds provides the most effective oversight over the Company and its strategies. Accordingly, we seek diversity of thought and perspective in the board room, and we believe this comes from a mix of gender, geographic location, cultural background, skill set, tenure and experience.

Our board of directors currently has three standing committees: an audit committee, a compensation committee and a nominating and corporate governance committee. The current written charters for each of the audit committee, compensation committee and nominating and corporate governance committee are available on our website, www.tpgrefinance.com, under the “Investor Relations” tab by selecting “Governance Documents.”

Audit Committee

The audit committee is currently comprised of Mr. Gillmore, Ms. Silverstein, Mr. Smith and Mr. White, with Mr. Gillmore serving as the committee’s chairperson. All audit committee members meet the independence criteria and have the qualifications set forth in the listing standards of the NYSE and Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended, or the Exchange Act. Our board of directors has determined that Mr. Gillmore qualifies as an “audit committee financial expert” within the meaning of Item 407(d)(5) of Regulation S-K under the Exchange Act, and that Mr. Gillmore has accounting and related financial management expertise within the meaning of the listing standards of the NYSE. Item 407(d)(5) of Regulation S-K under the Exchange Act provides that the designation or identification of a person as an audit committee financial expert does not impose on such person any duties, obligations or liability that are greater than the duties, obligations and liability imposed on such person as a member of the audit committee and board of directors in the absence of such designation or identification. Our audit committee, pursuant to its written charter, among other matters, oversees:

- our financial reporting, auditing and internal control activities, including the integrity of our financial statements;
- our compliance with legal and regulatory requirements;
- our independent registered public accounting firm’s qualifications and independence;
- the performance of our internal audit function and independent registered public accounting firm; and
- our overall risk exposure and management.

Our audit committee is also responsible for engaging our independent registered public accounting firm, reviewing with our independent registered public accounting firm the plans and results of the audit engagement, approving professional services provided by our independent registered public accounting firm, reviewing the independence of our independent registered public accounting firm, considering the range of audit and non-audit fees earned by our independent registered public accounting firm and reviewing the adequacy of our internal accounting controls.

Our board of directors has adopted procedures for the submission of complaints or concerns regarding financial statement disclosures, accounting, internal accounting controls or auditing matters in accordance with Rule 10A-3 under the Exchange Act. The audit committee is responsible for administering the foregoing procedures and for reviewing and addressing any complaints submitted pursuant to its complaint procedures for accounting and other matters, as well as any whistleblower complaints subject to Section 21F of the Exchange Act.

Compensation Committee

The compensation committee is currently comprised of Mr. Gillmore, Mr. Schuster, Ms. Silverstein, Mr. Smith and Mr. White, with Ms. Silverstein serving as the committee's chairperson. All compensation committee members meet the independence criteria set forth in the listing standards of the NYSE.

We are externally managed by our Manager pursuant to our management agreement with our Manager, or our Management Agreement, and as of the date hereof we have no employees. Our executive officers have not received any cash compensation from us or any of our subsidiaries for serving as executive officers. However, we are required by our Management Agreement to reimburse our Manager for the allocable share of the compensation (including, without limitation, annual base salary, bonus, any related tax withholdings, and employee benefits) paid to Mr. Foley, our chief financial officer, who dedicates a substantial portion of his time to us, based on the percentage of his time spent managing our affairs. To the extent that we become responsible for paying the compensation and/or any other employee benefits of our executive officers and senior management, the compensation committee oversees such compensation, including plans and programs relating to incentive compensation, equity-based awards and other benefits and perquisites, and administers any such plans or programs as required by the terms thereof.

Our compensation committee, pursuant to its written charter, among other matters:

- reviews our Management Agreement on an annual basis;
- evaluates on an annual basis the performance of our Manager in light of our goals and objectives and the terms of our Management Agreement;
- reviews and approves on an annual basis the corporate goals and objectives relevant to chief executive officer compensation, if any, evaluates our chief executive officer's performance in light of such goals and objectives and our financial performance and, either as a committee or together with our independent directors (as directed by our board of directors), determines and approves the compensation, if applicable, of our chief executive officer based on such evaluation;
- reviews and approves on an annual basis the compensation of our executive officers, if applicable;
- oversees the annual review of our compensation plans, including our equity incentive plan;
- once required, will prepare and recommend to our board of directors for adoption a clawback policy that complies with applicable rules and regulations, including the rules and regulations of the SEC and the listing standards of the NYSE;
- once NYSE listing standards have been adopted and our clawback policy has been implemented, review and consider whether an accounting restatement, if applicable, requires recoupment of incentive-based compensation paid by us and received by current or former executive officers;
- assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking;
- evaluates and reviews our financial performance measures used to link executive compensation actually paid, if any, to our chief executive officer and other executive officers for the last completed fiscal year to our performance;
- oversees the preparation of the disclosures to be included in response to the "pay versus performance" disclosure requirements as they relate to executive compensation, if applicable;
- assists our board of directors and the chairman in overseeing the development of executive succession plans; and
- determines from time to time the compensation for our non-management directors.

The compensation committee has the resources and authority appropriate to discharge its duties and responsibilities, including the sole authority to retain, on terms it deems appropriate, legal counsel and other

experts, consultants or advisers as it deems appropriate, without obtaining the approval of our board of directors or management. The compensation committee also has the sole authority to select and retain a compensation consultant to assist in the evaluation of compensation, if any, of our chief executive officer or other executives.

The compensation committee may, in its discretion, delegate all or a portion of its duties and responsibilities to a subcommittee of the committee composed of two or more of its members for any purpose that it deems appropriate. In particular, the committee may delegate the approval of certain transactions to a subcommittee consisting solely of members of the compensation committee who are “Non-Employee Directors” within the meaning of Rule 16b-3 under the Exchange Act, as in effect from time to time.

Compensation Committee Interlocks and Insider Participation

The compensation committee is currently comprised of Mr. Gillmore, Mr. Schuster, Ms. Silverstein, Mr. Smith and Mr. White, none of whom is, or has ever been, an officer or employee of the Company or any of its affiliates, and none of whom has any relationship requiring disclosure by the Company under Item 404 of Regulation S-K under the Exchange Act. None of our executive officers serves, or in the past has served, as a member of the board of directors or compensation committee, or other committee serving an equivalent function, of any entity that has one or more executive officers who served as members of our board of directors or our compensation committee during the fiscal year ended December 31, 2022.

Nominating and Corporate Governance Committee

The nominating and corporate governance committee is currently comprised of Mr. Gillmore, Mr. Schuster, Ms. Silverstein, Mr. Smith and Mr. White, with Mr. Smith serving as the committee’s chairperson. All nominating and corporate governance committee members meet the independence criteria set forth in the listing standards of the NYSE.

Our nominating and corporate governance committee, pursuant to its written charter, among other matters:

- provides counsel to our board of directors with respect to the organization, function and composition of our board of directors and its committees;
- oversees the self-evaluation of our board of directors;
- periodically reviews and, if appropriate, recommends to our board of directors changes to, our corporate governance policies and procedures, and monitors the effectiveness of such guidelines, including whether such guidelines are successful in preventing illegal or improper liability-creating conduct; and
- identifies and recommends to our board of directors potential director candidates for nomination.

More specifically, the nominating and corporate governance committee is responsible for reviewing, on an annual basis, the requisite skills and characteristics of individual members of the board of directors, as well as the composition of the board as a whole, in the context of our needs. The nominating and corporate governance committee will recommend prospective candidates to the board of directors for nomination at each annual meeting of stockholders, or any special meeting of the stockholders at which directors are to be elected. The nominating and corporate governance committee will review all nominees for director, including those recommended by stockholders, in accordance with criteria established by the nominating and corporate governance committee and the requirements and qualifications contained in our corporate governance guidelines and will recommend that the board of directors nominate or elect those nominees whose attributes it believes would be most beneficial to us. This review involves an assessment of the personal qualities and characteristics, accomplishments and business reputation of director candidates. The nominating and corporate governance

[Table of Contents](#)

committee will assess candidates' qualifications based on the following minimum criteria, which may be modified from time to time by the nominating and corporate governance committee:

- demonstrated personal integrity and moral character;
- willingness to apply sound and independent business judgment for the long-term interests of stockholders;
- relevant business or professional experience, technical expertise or specialized skills;
- personality traits and background that appear to fit with those of the other directors to produce a collegial and cooperative board responsive to the Company's needs; and
- ability to commit sufficient time to effectively carry out the substantial duties of a director.

Meetings

Directors are expected to attend board meetings and meetings of the committees on which they serve, to spend the time needed and to meet as frequently as necessary, in order to properly discharge their responsibilities. Our board of directors and committees conduct their business through formal and informal meetings, as well as actions taken by written or electronic consent in lieu of meetings. During the fiscal year ended December 31, 2022, (i) the board of directors held eight formal meetings, (ii) the audit committee held five formal meetings, (iii) the compensation committee held four formal meetings, and (iv) the nominating and corporate governance committee did not meet, as the duties and responsibilities of the nominating and corporate governance committee were carried out by our full board of directors and by written consent. Each director attended at least 75% of the combined number of meetings of the board of directors and meetings of committees on which he or she served during the period in 2022 in which he or she served as a director or member of such committee, as applicable.

We do not have a formal policy regarding attendance by directors at our annual meeting of stockholders but invite and encourage all directors to attend. We make every effort to schedule our annual meeting of stockholders at a time and date to permit attendance by directors, taking into account the directors' schedules and the timing requirements of applicable law. All of our seven directors then in office attended our last annual meeting of stockholders, which was held on May 17, 2022.

Executive Sessions

In accordance with applicable NYSE listing requirements, our non-management directors periodically hold executive sessions at which management is not present. Our corporate governance guidelines provide that the chairperson of the nominating and corporate governance committee, or if he or she is not present, any non-management independent director, shall serve as chairperson for any executive session.

Board Leadership Structure

Our board of directors benefits from the service of Mr. Banyasz, who is a partner at TPG and co-heads TPG Real Estate. Our board of directors also benefits from the service of Mr. Bouquard, who is a partner of TPG and TPG Real Estate and brings a wealth of commercial real estate debt investment experience to our board of directors, and Ms. Hong, who is also a partner at TPG and brings deep knowledge and capital markets experience to our board of directors.

We believe separating the chairman of the board of directors and the chief executive officer positions is appropriate as it helps the board of directors meet its responsibilities of overseeing management and setting our strategic direction as well as fostering the long-term value of the Company. Mr. Banyasz does not qualify as an independent director under the applicable criteria for independence set forth in the listing standards of the NYSE.

However, the board of directors has designated Mr. Smith, one of our independent directors, to serve as our lead independent director. The lead independent director serves as the liaison between management and the independent directors. The lead independent director's duties include facilitating communication with the board of directors and presiding over regularly conducted executive sessions of the independent directors. It is the role of the lead independent director to review matters such as board meeting agendas, meeting schedule sufficiency and, where appropriate, other information provided to the directors; however, all directors are encouraged to, and in fact do, consult with management on each of the above topics. The lead independent director and each of the other directors communicate regularly with the chairman of the board of directors and our principal executive officer regarding appropriate agenda topics and other matters related to the board of directors.

Our Board's Role in Risk Oversight

As with every business, we confront and must manage various risks, including financial and economic risks, related to the performance of our portfolio and how our investments have been financed. Pursuant to our charter and bylaws and the Maryland General Corporation Law, our business and affairs are managed under the direction of our board of directors. Our Manager, subject to the oversight of our board of directors, is responsible for the day-to-day management of risks we face, while our board of directors, as a whole and through its committees, has responsibility for establishing broad corporate policies for our overall performance and for the direction and oversight of our risk management. Members of our board of directors keep informed of our business by participating in meetings of our board of directors and its committees, by reviewing analyses, reports and other materials provided to them, and by and through discussions with our executive officers and other TPG personnel provided to us through our Manager. In particular, we believe that our board of directors benefits from the valuable insights to developments in our industry provided by Mr. Banyasz, Mr. Bouquard and Ms. Hong as a result of their active involvement at TPG Real Estate and TPG.

One of the key functions of our board of directors is informed oversight of our risk management process. Our board of directors administers this oversight function directly, with support from our audit committee, our compensation committee and our nominating and corporate governance committee, each of which addresses risks specific to its area of oversight. In particular, our audit committee has the responsibility to consider and discuss our major financial risk exposures and the steps our Manager takes, or is required to take, to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. Our audit committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function. Our compensation committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. Our nominating and corporate governance committee provides oversight with respect to corporate governance and ethical conduct and monitors the effectiveness of our corporate governance guidelines, including whether such guidelines are successful in preventing reputational harm and illegal or improper liability-creating conduct.

With respect to cybersecurity risk oversight, our audit committee receives periodic reports and/or updates from management on the primary cybersecurity risks facing us and our Manager and the measures we and our Manager are taking to mitigate such risks. In addition to such periodic reports, our audit committee periodically meets with TPG's information technology staff for a discussion of updates around emerging risks and TPG's procedures and defenses.

Our board of directors reviewed with the compensation committee its compensation policies and practices applicable to our Manager that could affect our assessment of risk and risk management. Following such review, our board of directors determined that our compensation policies and practices, pursuant to which we pay no cash compensation to officers and employees of our Manager or affiliates of our Manager since they are compensated by our Manager or its affiliates, do not create risks that are reasonably likely to have a material adverse effect on us.

Our board of directors also considered that while we may grant our officers, our Manager and affiliates of our Manager's employees equity awards, such grants align their interests with our interests and do not create risks that are reasonably likely to have a material adverse effect on us.

Stockholder Nominations and Communications Policy

Our board of directors has adopted policies with respect to the consideration of candidates recommended by stockholders for election as directors and stockholder and interested party communications with the board of directors.

Stockholders may recommend director nominees for consideration by the nominating and corporate governance committee by submitting the names and the following supporting information to our secretary at: Secretary, Stockholder Nominations, TPG RE Finance Trust, Inc., 888 Seventh Avenue, 35th Floor, New York, New York 10106. The submission should include all information relating to the proposed nominee that would be required to be disclosed in connection with the solicitation of proxies for the election of the proposed nominee as a director in an election contest (even if an election contest is not involved), or would otherwise be required in connection with such solicitation, in each case pursuant to Regulation 14A (or any successor provision) under the Exchange Act.

Additionally, the submission must adhere to the content requirements set forth in our bylaws. For example, the submissions should include a current resume and curriculum vitae of the candidate and a statement describing the candidate's qualifications and contact information for personal and professional references. The submission should also include, among other requirements, the name and address of the stockholder who is submitting the nominee, the number of shares that are owned of record or beneficially by the submitting stockholder and a description of any substantial interest, direct or indirect of such stockholder and the candidate in the Company or any affiliate thereof. Director nominees may be nominated by our stockholders in accordance with our bylaws and in accordance with the advance notice requirements contained in our bylaws. See "Stockholder Proposals For the 2024 Annual Meeting" for more information regarding the advance notice requirements contained in our bylaws.

Stockholders and other interested parties may communicate directly with our board of directors or the non-management directors. Any interested parties, including stockholders of the Company, desiring to communicate with the chairman of our board of directors, the other non-management directors or an individual director regarding the Company may directly contact such directors by delivering such correspondence to the Company at the following: TPG RE Finance Trust, Inc. 888 Seventh Avenue, 35th Floor, New York, New York 10106, Attention: Secretary. The sender should indicate in the address whether it is intended for the entire board of directors, the non-management directors as a group or an individual director. Each communication intended for the board of directors or non-management directors received by the secretary will be forwarded to the intended recipients in accordance with the existing instructions.

Director Stock Ownership Guidelines

Our directors are encouraged to own shares of our common stock in order to better align their personal interests with the interests of our stockholders. In furtherance of this objective, our directors' stock ownership guidelines require each director to own at least \$200,000 in shares of our common stock within five years of the later of March 5, 2019 and the date such director is first elected to our board of directors and thereafter so long as such person continues to serve as a director. Shares of common stock granted in respect of annual director fees are counted toward achieving these stock ownership guidelines.

Anti-Hedging Policy

Our board of directors has adopted a policy prohibiting all of the directors, officers, employees, agents, advisors and consultants, and certain "related persons" (as defined in the policy) of such persons of (i) the

Company and its subsidiaries and affiliates, (ii) our Manager, and (iii) any affiliates of our Manager from engaging in hedging or monetization transactions and other speculative transactions involving the Company's securities.

Under the policy, a covered person may not, directly or indirectly, engage in any kind of hedging or monetization transaction against future declines in the market value of any equity-based securities of the Company that could reduce or limit such person's economic risk with respect to holdings, ownership or interest in or to the Company's common stock or other securities of the Company, including without limitation outstanding stock options, restricted stock or other compensation awards the value of which are derived from, referenced to or based on the value or market price of the Company's common stock or other securities of the Company. Pursuant to the policy, a "short sale," or sale of securities that the seller does not own at the time of sale or, if owned, that will not be delivered within 20 days of the sale, is an example of a prohibited hedging transaction. Prohibited transactions under the policy also include the purchase by a covered person of financial instruments, including, without limitation, prepaid variable forward contracts, equity swaps, collars, puts, calls, exchange funds, or other derivative securities that are designed to hedge or offset a decrease in market value of equity securities of the Company. The policy does not, however, restrict holding, exercising, or settling awards such as options, restricted stock, restricted stock units, deferred stock units, or other derivative securities granted under the Company's equity incentive plans.

Persons who violate our anti-hedging policy may be subject to disciplinary action by the Company, our Manager or one of their respective affiliates, as applicable. Such disciplinary action may include, but is not limited to, termination of employment and/or restrictions on future participation in incentive plans.

Stockholder Engagement

We believe that regular, transparent stockholder engagement is essential to our long-term success. In 2022, we continued our practice of engaging with stockholders to understand their perspectives on corporate governance, executive compensation, sustainability and other matters. We made presentations at financial and industry conferences, met with financial analysts and investment firms, held in-person and virtual meetings with institutional stockholders and responded to inquiries from our stockholders.

Since our last annual meeting in May 2022, we have engaged with most of our largest stockholders. We believe that all of these stockholders understood that we are an externally managed company and as such our named executive officers are not employed by us, but instead are employed by TPG. In addition, they understood that, except for discretionary grants under our equity incentive plan, we do not determine the compensation received by any of our named executive officers, we do not pay any of the compensation of our executive officers and we only reimburse our Manager or its affiliates for our allocable share of the compensation (including, without limitation, annual base salary, bonus, any related tax withholdings, and employee benefits) paid to our chief financial officer, who dedicates a substantial portion of his time to us, based on the percentage of his time spent managing our affairs. None of the stockholders we contacted expressed any disagreement or objection with our compensation or corporate governance practices.

Environmental, Social and Governance Action

We are a commercial real estate finance company externally managed by our Manager and sponsored by TPG. As an externally managed company, our day-to-day operations are managed by our Manager and our executive officers under the oversight of our board of directors. Our executive officers are TPG Real Estate professionals who are employed by affiliates of our Manager. Accordingly, many of the corporate responsibility initiatives undertaken by TPG impact our business and the commercial decisions made on our behalf by employees of affiliates of our Manager.

TPG has a longstanding commitment to fostering strong ESG performance as a firm and in its investment practices. TPG first adopted its Global ESG Performance Policy in 2012, became a signatory to the UN

Principles for Responsible Investment in 2013, became a supporter of the Taskforce on Climate-Related Financial Disclosures in 2019 and is a supporter of the Sustainability Accounting Standards Board (SASB, now part of IFRS Foundation). Each year, each of TPG and TRTX actively seek to continue to strengthen and deepen the integration of ESG performance throughout their firms in various ways.

In 2018, TPG established an impact assessment and ESG performance arm called Y Analytics, whose mission is to increase the amount and improve the effectiveness of capital allocation for the greater good. In support of this mission, Y Analytics provides leadership and support to our investment professionals on ESG topics throughout the lifecycle of investments. TPG's goal in conducting ESG assessments is to use material, investment-specific sustainability risk and performance factors and indicators to determine the potential for ESG-related risk and value creation, and to support a holistic understanding and appropriate discussion of these findings during investment decision-making and post-closing.

In addition to investment-specific support, Y Analytics leads TPG's ESG Strategy Council, which is comprised of senior members from multiple TPG functions that touch ESG issues, including legal and compliance, human capital and operations. TPG's ESG Strategy Council reviews progress, activities, risks and opportunities related to the environmental and social impacts of TPG's deployed capital.

Environmental

With respect to our real estate debt investments, a key part of our Manager's due diligence process is a review of environmental considerations associated with the underlying collateral. Our Manager obtains a Phase I environmental assessment for each asset, and to the extent any issue is identified, will perform any required follow-up and/or remediation prior to closing a loan investment. In addition, our Manager's due diligence process may include:

- A consideration of physical climate risks, such as risk of fire or flood, and the mitigants to such risks;
- An evaluation of energy or water efficiency measures undertaken by the owner of the real property;
- A review of the approach undertaken by the owner of the real property to measuring and improving sustainability impacts of tenants at the property; and
- A consideration of whether a property qualifies as LEED-certified or for any other "green" certifications.

Each underlying property is visited by a senior member of our Manager's investment team, to the extent reasonably practicable, to physically inspect the asset, conduct an assessment of the foregoing factors and confirm the required scope of work, if any remediation is required.

Additionally, TPG offers support to our Manager regarding climate resilience and decarbonization aligned with our business strategies—either through direct advisory support or through reference to TPG's external network of advisors and consultants.

As a commercial real estate finance company, we believe that we can play an important role in providing capital to facilitate the energy transition in the real estate industry. We may proceed with closing a loan investment even if our Manager's due diligence reveals environmental considerations with the underlying collateral that require remediation. In such an event, we would adopt and implement a remediation plan and rigorously monitor compliance with the plan throughout the lifecycle of our investment. We believe that these types of investments provide us with the opportunity to provide capital to individual property owners and sponsors that intend to make their buildings and projects more sustainable.

Social

Talent Development and Retention

As of December 31, 2022, TPG employed approximately 1,110 full-time employees, including over 380 investment and operations professionals, over 500 non-investment and fundraising professionals, and more than 170 support staff, located in offices across Asia, Australia, Europe and North America. TPG aims to foster a welcoming and inclusive work environment with opportunities for growth and development to attract and retain a high-performing team.

Promoting diversity, equity and inclusion (“DEI”) is one of TPG’s core values. TPG’s DEI strategy is driven by a council of the firm’s most senior leadership representing every business unit and region. This council works together and in partnership with TPG’s human resources team to develop and implement strategies to recruit diverse early-career and senior talent; establish benefits and policies that support the retention and success of diverse talent; and offer initiatives that foster an inclusive environment for all.

TPG believes that its culture, the breadth of TPG’s platforms and TPG’s track record for strong investment performance helps TPG attract, develop and retain the best talent in TPG’s sectors. TPG regularly reviews and evaluates its internal processes for ways to improve employee engagement, productivity and efficiency. Recognizing that feedback is critical to driving career development and growth, as well as overall employee engagement, TPG developed a robust feedback framework, which includes opportunities for all employees to both provide and receive feedback through TPG’s annual 360 degree review process. In addition, TPG’s employees set goals at the beginning of the year in partnership with their managers and receive feedback throughout the year.

Compensation and Benefits

TPG believes that it provides a competitive compensation, benefits and total rewards framework and that its compensation and incentive programs support TPG’s culture and long-term strategic business objectives while mitigating excessive risk-taking. Compensation generally is comprised of a base salary (or hourly rate) and a discretionary annual incentive that is determined based on a number of performance considerations, including firm, platform, product, department and individual performance. To further align the interests of TPG employees with stakeholders and to cultivate a strong sense of ownership and commitment, certain TPG employees also are eligible to receive equity awards and/or participate in other long-term incentive programs. Additionally, certain TPG employees are eligible to make co-investments in or alongside TPG funds and other vehicles TPG manages. TPG offers gender-neutral parental leave, and TPG’s employee benefits cover same-sex and opposite-sex domestic partners and transgender health care.

Education and Engagement

In furtherance of TPG’s goal of developing an inclusive workforce, over the past few years TPG has held firmwide training on unconscious bias, allyship, harassment awareness and prevention. TPG believes that external learning opportunities also benefit its employees and foster TPG’s culture of continuous learning. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview

The following individuals were our named executive officers for the year ended December 31, 2022:

- Doug Bouquard, our chief executive officer and director;
- Matthew Coleman, our president;
- Robert Foley, our chief financial officer;
- Peter Smith, our chief investment officer and vice president; and
- Deborah Ginsberg, our general counsel, secretary and vice president.

Mr. Bouquard was appointed as chief executive officer and a director of the Company, effective April 25, 2022. Prior to that date, Mr. Coleman served as our principal executive officer. None of our named executive officers are employees of the Company. We do not have any employees, and we are managed by our Manager, TPG RE Finance Trust Management, L.P., pursuant to our Management Agreement. Our Manager is an affiliate of TPG Real Estate. Our named executive officers are TPG Real Estate professionals who are employed by affiliates of our Manager. TPG makes our named executive officers available to our Manager, and our Manager provides them to us pursuant to our Management Agreement. Because our Management Agreement provides that our Manager is responsible for managing our affairs, our executive officers do not receive cash compensation from us or any of our subsidiaries for serving as our executive officers. Instead, we pay our Manager a base management fee equal to the greater of \$250,000 per annum and 1.50% per annum of our “equity,” as such term is defined in our Management Agreement. Our Manager may also be entitled to certain incentive compensation, in an amount determined pursuant to our Management Agreement and based on our “core earnings” and “equity,” as such terms are defined in our Management Agreement. No portion of the base management fee or any incentive compensation paid to our Manager is specifically allocated to compensation paid by our Manager or its affiliates to our named executive officers. For further details regarding the payments to our Manager, see “Certain Relationships and Related Person Transactions.”

We do not have agreements with any of our executive officers regarding their cash compensation, nor do we make any decisions regarding their cash compensation, employee benefits, or other types of compensation paid to the executives by our Manager and its affiliates. Additionally, our Management Agreement does not require that our named executive officers devote a specific percentage of their time to our business. Notwithstanding the foregoing, we are required by our Management Agreement to reimburse our Manager for the allocable share of the compensation (including, without limitation, annual base salary, bonus, any related tax withholdings, and employee benefits) paid to Mr. Foley, our chief financial officer, who dedicates a substantial portion of his time to us, based on the percentage of his time spent managing our affairs.

TPG’s compensation program for our named executive officers is principally comprised of the following elements of compensation, which compensate the named executive officers not only for their service to our business, but also to other interests of our Manager: (a) a fixed annual base salary, (b) an annual cash bonus payment tied to the performance of the named executive officer and the applicable business functions for which the named executive officer is primarily responsible and (c) participation in various employee benefit plans and programs, including equity grants of TPG, Inc. For context of our named executive officers’ compensation, we estimate that the aggregate cash compensation paid by TPG to our named executive officers that may reasonably be associated with their management of us for the year ended December 31, 2022 totaled approximately \$12.6 million. This aggregate amount represents approximately 54% of the \$23.5 million of base management fees incurred by us to our Manager for the year ended December 31, 2022. During the year ended December 31, 2022, our Manager earned an incentive management fee of approximately \$5.2 million. Of the aggregate cash

compensation paid by TPG to our named executive officers in 2022 that was reasonably associated with their management of our company, approximately 17% represents fixed pay (e.g., base salary) and approximately 83% represents variable or incentive pay (e.g., annual cash bonus). Our Manager did not utilize any fixed performance metrics to determine the amount of variable compensation payable to our named executive officers in 2022, but rather considered in a subjective assessment a range of various factors, including but not limited to, the performance of the named executive officers, the performance of the applicable business functions for which the named executive officers are primarily responsible, the overall performance of our common stock, market conditions, growth in our business and the credit quality of our loan investment portfolio.

Equity-Based Compensation

In the discretion of our compensation committee, we may also grant equity-based awards pursuant to our 2017 Equity Incentive Plan to our and our affiliates' directors, officers, employees (if any) and consultants, and the members, officers, directors, employees and consultants of our Manager or its affiliates. Our 2017 Equity Incentive Plan provides for the grant of equity-based awards relating to our common stock, including options to purchase shares of common stock, stock appreciation rights, common stock, restricted stock, restricted stock units, performance awards, substitute awards and other equity-based awards (including LTIP Units (as defined in the 2017 Equity Incentive Plan)) to our and our affiliates' directors, officers, employees (if any) and consultants, and the members, officers, directors, employees and consultants of our Manager or its affiliates, as well as to our Manager, other entities that provide services to us and our affiliates, and the employees of such entities. These awards are intended to align the recipients' interests with those of our stockholders. Our compensation committee, in consultation with our compensation consultant, Ferguson Partners Consulting, determines the types and amounts of any equity-based compensation awards to be granted to our named executive officers under our 2017 Equity Incentive Plan. This determination is not based on any fixed performance metrics, but rather is a subjective determination based on a number of factors, such as the overall financial health of the Company in the previous fiscal year, risk management policies of the Company, progress towards achieving the Company's strategic goals, state of assets, the performance of our common stock, the performance of each named executive officer, and market conditions. In December 2022, our compensation committee made grants of restricted stock units to our named executive officers pursuant to our 2017 Equity Incentive Plan, which generally vest ratably in four annual installments beginning on June 30, 2023 and include tandem rights to dividend equivalent amounts. In addition to these restricted stock units granted on the annual grant cycle, our compensation committee approved an initial grant of restricted stock units to Mr. Bouquard as a sign-on award in connection with his assumption of the role of our chief executive officer, which is subject to the same ratable vesting schedule that applies to the grants made pursuant to our annual grant cycle. The compensation committee's decision to make these grants was based on the process and factors described above, but was also informed by discussions with human capital experts from TPG. These grants are described in more detail below under "Executive Compensation – Grants of Plan-Based Awards for 2022."

Say-on-Pay Vote and Say-on-Frequency

At our 2022 annual meeting of stockholders (the "2022 Annual Meeting"), we provided our stockholders with the opportunity to approve, on a non-binding, advisory basis, the compensation of our named executive officers, as disclosed in our proxy statement for the 2022 Annual Meeting. More than 97.7% of the votes cast at the 2022 Annual Meeting voted to approve our executive compensation. Our compensation committee reviewed the results of this advisory say-on-pay vote and considered it in making grants of equity-based compensation awards to our named executive officers in 2022.

At our 2018 annual meeting of stockholders (the "2018 Annual Meeting"), we provided our stockholders with the opportunity to indicate whether we should hold an advisory vote on our named executive officers' compensation every one, two, or three years. Based on the preference expressed by our stockholders, as well as other factors, our board of directors decided to conduct an advisory vote on executive compensation annually.

(1) Amounts reported in this column represent the aggregate grant date fair value, determined in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718 (“FASB ASC Topic 718”), of restricted stock units awarded in 2020, 2021 and 2022 under our 2017 Equity Incentive Plan to our named executive officers. For purposes of this disclosure, it was assumed that 100% percent of these awards are for compensation for services rendered to us, although the actual aggregate services rendered to us by each named executive officer may vary from year to year. The amounts in this column do not correspond to the actual value that will be recognized by the named executive officers. See “Note 2 — Summary of Significant Accounting Policies” and “Note 13 — Stock-based Compensation” to the consolidated financial statements in our 2022 Annual Report on Form 10-K filed with the SEC on February 21, 2023 for additional details regarding assumptions underlying the value of these awards. Pursuant to SEC rules, the amounts shown in the table above exclude the effect of estimated forfeitures.

(2) In addition to the grants from the Company reported in this column, in February and March 2020, our Manager granted to Mr. Coleman an aggregate of 5,373 restricted shares of our common stock pursuant to its own equity incentive plan. These awards began vesting ratably in four annual installments beginning on June 30, 2020 and were granted by our Manager to compensate Mr. Coleman for services to our Manager and its affiliates, including services benefitting the Company. The vesting of these restricted shares accelerated and such shares became fully vested in December 2021.

- (3) Mr. Foley is an employee of an affiliate of our Manager and is not paid compensation by us. Amounts in the columns entitled “Salary,” “Bonus,” and “All Other Compensation” are based on a ratio of Mr. Foley’s compensation paid by an affiliate of our Manager to the total compensation expenses incurred by an affiliate of our Manager for services rendered to us. The amount in the column entitled “All Other Compensation” includes our allocable share of the expenses associated with employer-paid insurance premiums and healthcare benefits in the amount of \$10,973, \$11,449 and \$7,835 for the fiscal years ended December 31, 2020, December 31, 2021 and December 31, 2022, respectively.

- (3) Mr. Bouquard has served as our chief executive officer and one of our directors since April 2022. Pension Benefits

Our named executive officers received no benefits in the 2022 fiscal year from us under any defined benefit or defined contribution plans.

Nonqualified Deferred Compensation

The Company does not have a nonqualified deferred compensation plan that provides for deferral of compensation on a basis that is not tax-qualified for our named executive officers.

Potential Payments Upon Termination or Change in Control

Since our named executive officers are employees of our Manager or its affiliates, we generally do not have any obligation to make any payments to any of our named executive officers upon a termination of employment or upon a change of control. However, pursuant to the restricted stock unit award agreements that the Company entered into with certain of our named executive officers in 2019, upon a qualifying termination of employment, the holder of the restricted stock unit award will either become 100% vested or be allowed to continue to vest in such award throughout the original vesting schedule (depending on the nature of the termination), subject to the named executive officer's compliance with certain restrictive covenants. More specifically, pursuant to the 2019 award agreements, if the executive's termination is under circumstances characterizing him or her as a "Type I Leaver" (which is defined as a termination (i) due to the executive's death, disability, or qualifying retirement or (ii) by the Company or our Manager or any of their respective subsidiaries or affiliates for any reason other than for "cause," a breach of restrictive covenants, or as a result of a "constructive departure"), the executive will be permitted to continue to vest in the restricted stock units granted by us pursuant to our 2017 Equity Incentive Plan, subject to the executive's compliance with certain confidentiality, non-solicitation, non-competition, and other restrictive covenants, except in the case of the executive's death or disability occurring during his or her employment or following retirement, in which case vesting will be immediately accelerated. Starting in 2020, we entered into new restricted stock unit award agreements with certain of our named executive officers that narrowed the scope of a qualifying termination such that if the awardee incurs a disability or upon the cessation of the awardee's services as a result of awardee's death, the restricted stock unit award will become 100% vested immediately. Assuming that a qualifying termination had occurred on December 31, 2022, the value for each of our named executive officers of the number of the restricted stock units granted by us pursuant to our 2017 Equity Incentive Plan that would be eligible for the accelerated or continued vesting described in this paragraph is the value reported above in the "Outstanding Equity Awards at 2022 Fiscal Year End" table.

For purposes of the foregoing, "cause" means (i) an indictment of a felony or other crime involving moral turpitude; (ii) a material breach of any employment agreement, offer letter, or similar agreement governing the executive's services with our Manager or its affiliates, (iii) a material failure to perform the duties reasonably assigned to the executive (other than as a result of death or disability), (iv) any misconduct, fraud, embezzlement, theft or misappropriation, or (v) gross negligence in connection with the executive's services. A "constructive departure" occurs when there is a material and sustained dereliction of duties or other egregious conduct that would customarily result in a termination of services. "Disability" means an individual is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or be expected to last for a continuous period of not less than 12 months. An executive will be eligible for "retirement" after reaching age 65 with at least five years of service.

As of December 31, 2022, the number of restricted stock units granted by us pursuant to our 2017 Equity Incentive Plan that are subject to these provisions is as follows: Mr. Bouquard (381,972), Mr. Coleman (249,845), Mr. Foley (192,171), Mr. Smith (225,517), and Ms. Ginsberg (97,449).

We are not obligated to make any payments or accelerate vesting of any outstanding equity-based compensation awards upon a change in control.

Pay Ratio Disclosure

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Regulation S-K, we are providing the following information about the relationship of the annual total compensation of Doug Bouquard, our chief executive officer, to the median annual total compensation of other employees providing services to us. As disclosed in the "Compensation Discussion and Analysis" section above, Mr. Bouquard did not receive any direct cash compensation from us or our Manager allocated solely for services as our chief executive officer, and we did not reimburse our Manager or any of its affiliates for the compensation paid to Mr. Bouquard. Because we did not pay or provide reimbursement of any direct

compensation provided to Mr. Bouquard, nor to all other employees providing services to us, we are unable to calculate and provide a ratio of the median employee's annual total compensation to the total annual compensation of Mr. Bouquard.

Pay Versus Performance Disclosure

As required by Item 402(v) of Regulation S-K, we are providing the following information regarding the relationship between executive compensation and our financial performance for each of the last three completed calendar years. The following disclosure does not include a "Company-Selected Measure," as outlined by Item 402(v)(2)(vi), or a discussion of any other financial measures that are used to link executive compensation actually paid, as outlined by Item 402(v)(6), as executive compensation decisions are made based on a holistic look of the overall health of the Company and are not based on any fixed performance metrics.

* As previously noted, the Summary Compensation Table totals include only the amounts of compensation that we are able to quantify for services rendered to us during the fiscal year. As such, for all PEOs, it includes only the grant date fair value of the equity compensation awards granted by us, while for the non-PEOs, it also includes amounts (including base salary and bonus) based on a ratio of Mr. Foley's compensation paid by an affiliate of our Manager to the total compensation expenses incurred by an affiliate of our Manager for services rendered to us. Due to Mr. Foley being the only individual whose compensation numbers include cash compensation, the non-PEO compensation amounts appear higher in certain years than the PEO compensation amounts. Throughout this table, parentheses denote negative numbers.

** For years in which more than one individual served as PEO for different portions of the year, this column represents disclosure for the individual who served as PEO as of January 1 of such year.

DIRECTOR COMPENSATION**2022 Director Compensation**

Our director compensation program was updated in 2022 to increase the annual base director's fee for each of our non-management directors from \$125,000 to \$175,000. This increase took effect starting with the second quarterly director fee payment. After this increase became effective, during the fiscal year ended December 31, 2022 our director compensation program consisted of an annual base director's fee of \$175,000 for each of our non-management directors. These annual base director's fees were paid half in cash and half in equity-based awards under our 2017 Equity Incentive Plan. In addition, each non-management director who chaired the audit, compensation, and nominating and corporate governance committees received an additional annual cash payment of \$15,000, \$10,000 and \$10,000, respectively. Members of the audit, compensation, and nominating and corporate governance committees also received an additional annual cash payment of \$10,000, \$5,000 and \$2,500, respectively. We also reimbursed all members of our board of directors for their travel expenses incurred in connection with their attendance at full board and committee meetings. Our directors are also eligible to receive equity-based awards under our 2017 Equity Incentive Plan. Our lead independent director also received an additional annual cash payment of \$10,000.

Stock Awards

With respect to Mr. Gillmore, Mr. Schuster, Ms. Silverstein, Mr. Smith and Mr. White, the amounts reflected in the “Stock Awards” column of the 2022 Director Compensation Table are the aggregate grant date fair value of deferred stock units granted to such directors during 2022 and calculated pursuant to FASB ASC Topic 718, disregarding any potential forfeitures. See “Note 2—Summary of Significant Accounting Policies” and “Note 13—Stock-based Compensation” to the consolidated financial statements in our 2022 Annual Report on Form 10-K filed with the SEC on February 21, 2023 for additional details regarding assumptions underlying the value of these awards.

These grants were 100% vested on the grant date, but are subject to the restrictions set forth in the award agreements for the deferred stock units. Subject to the terms of the award agreements, the shares of common stock underlying the deferred stock units will be delivered to each of these directors on the date of such director’s “Separation from Service” (as defined in the award agreements). As of December 31, 2022, each of these directors held 42,892 outstanding deferred stock units, which includes dividends paid in the form of 6,017 additional deferred stock units (other than Mr. Schuster, who held 20,218 outstanding deferred stock units). The dividends paid in the form of additional deferred stock units are not included in the deferred stock unit award values reflected in the “Stock Awards” column of the 2022 Director Compensation Table.

DELINQUENT SECTION 16(a) REPORTS

Section 16(a) of the Exchange Act requires our directors and executive officers and persons who beneficially own more than 10% of our common stock to timely file with the SEC initial reports of ownership and reports of changes in their ownership of our common stock.

To our knowledge, based solely on a review of the reports we filed on behalf of our directors and executive officers, as well as written representations from these persons that no other reports were required, and all other Section 16(a) reports provided to us, we believe that during fiscal year 2022 our directors, executive officers and holders of more than 10% of our common stock filed the required reports on a timely basis under Section 16(a), with the exception of: (i) one initial statement of beneficial ownership of securities that was filed late on behalf of Julie Hong and (ii) one report covering one transaction was filed late on behalf of each of (a) Avi Banyasz, (b) Peter Smith and (c) Brandon Fox.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Registration Rights Agreement

In December 2014, we entered into a registration rights agreement with registration rights agreement with TPG Operating Group III, L.P. (formerly known as TPG Holdings III, L.P.) and certain of our pre-IPO stockholders. Our Manager is not a party to the registration rights agreement. The registration rights agreement provides these stockholders, to the extent they hold registrable securities, with certain demand, shelf and piggyback registration rights.

Pursuant to the registration rights agreement, each of the holders may make up to three requests that we register the resale of all or any part of such holder's registrable securities under the Securities Act of 1933, as amended, or the Securities Act, at any time. The registration rights agreement also provides the holders with certain shelf registration rights. Accordingly, at any time, a holder may request that we file a shelf registration statement pursuant to Rule 415 under the Securities Act relating to the resale of the registrable securities held by such holder from time to time in accordance with the methods of distribution elected by such holder. In any demand or shelf registration, subject to certain exceptions, the other holders will have the right to participate in the registration on a pro rata basis, subject to certain conditions. By exercising these rights, and selling a significant number of shares of our common stock, the market price of our common stock could decline significantly.

The registration rights agreement provides the holders with piggyback registration rights that require us to register the resale of shares of our common stock held by the holders in the event we register for sale, either for our own account or for the account of others, shares of our common stock in future offerings. The holders will be able to participate in such registration on a pro rata basis, subject to certain terms and conditions.

We are required to bear the registration expenses, other than underwriting discounts and commissions and transfer taxes, associated with any registration of shares by the holders. We are required to indemnify each holder who includes registrable securities in any registration and any person who is or might be deemed a controlling person of such holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act against certain liabilities incurred in connection with the registration of such holder's registrable securities.

Management Agreement

On July 25, 2017, we entered into our current management agreement with our Manager. Pursuant to our Management Agreement, our Manager manages our investments and our day-to-day business and affairs in conformity with our investment guidelines and other policies that are approved and monitored by our board of directors. Our Manager's role as investment manager is under the supervision and direction of our board of directors. Our Management Agreement has an initial three-year term and will be automatically renewed for a one-year term each anniversary thereafter unless earlier terminated. Under our Management Agreement, our Manager is entitled to receive from us a base management fee and incentive compensation, as well as the reimbursement of certain expenses incurred by our Manager.

Pursuant to the terms of our Management Agreement, we pay our Manager a base management fee in an amount equal to the greater of \$250,000 per annum (\$62,500 per quarter) and 1.50% per annum (0.375% per quarter) of our "Equity" (as defined in our Management Agreement), and, if earned, certain quarterly incentive compensation. On May 2, 2018, we entered into Amendment No. 1 to our Management Agreement between us and our Manager solely for the purpose of amending the definitions of "Equity," "Core Earnings" and "Incentive Compensation" in our Management Agreement. In addition, for as long as any shares of our Series B Preferred Stock remained issued and outstanding, our Manager had agreed to reduce by 50% the base management fee attributable to the inclusion of the Series B Preferred Stock in our Equity, such that the base management fee rate applicable to the Series B Preferred Stock included in the equity base will equal 0.75% per annum, instead of

1.50% per annum as provided in our Management Agreement. In June 2021, we redeemed all of our outstanding shares of Series B Preferred Stock; accordingly, the agreement referred to in the immediately preceding sentence is no longer in effect.

We are also required to reimburse our Manager or its affiliates for certain documented costs and expenses incurred by it and its affiliates on our behalf during any given year. For as long as any shares of our Series B Preferred Stock remained issued and outstanding, our Manager had agreed that it would not seek reimbursement for reimbursable expenses in excess of the greater of (x) \$1.0 million per fiscal year and (y) 20% of our allocable share of such reimbursable expenses pursuant to our Management Agreement per fiscal year. If the product of 20% multiplied by eligible reimbursable expenses is expected to exceed \$1.0 million annually, our Manager is obligated to inform and review with our board of directors, the methodology and rationale for such an increase in advance of the delivery to us of a written request for reimbursement reflecting such increase. No such notice was received by us prior to the redemption of our Series B Preferred Stock in June 2021. Given that we redeemed all of our outstanding Series B Preferred Stock in June 2021, the agreement of our Manager not to seek reimbursement for certain reimbursable expenses described above is no longer in effect.

So long as our Management Agreement remains in effect, we are required to continue to make quarterly payments of the base management fee and, if applicable, incentive compensation to the Manager and to reimburse the Manager for certain expenses. See Note 10 to our consolidated financial statements in our 2022 Annual Report on Form 10-K filed with the SEC on February 21, 2023 for additional details.

As of December 31, 2022, our consolidated balance sheet included approximately \$6.0 million of accrued management and incentive fees payable to our Manager. During the year ended December 31, 2022, we paid an aggregate of approximately \$28.3 million of management and incentive fees to our Manager pursuant to our Management Agreement. In addition, during the year ended December 31, 2022, we reimbursed our Manager for an aggregate of approximately \$1.0 million of expenses incurred on our behalf pursuant to our Management Agreement, and our Manager elected not to seek reimbursement for reimbursable amounts in excess thereof. There can be no assurance that our Manager will not seek reimbursement of such expenses in future quarters.

Trademark License Agreement

On July 19, 2017, we entered into a trademark license agreement with an affiliate of TPG pursuant to which it has granted us a fully paid-up, royalty-free, non-exclusive, non-transferable, non-sublicensable license to use the name “TPG RE Finance Trust, Inc.” and the ticker symbol “TRTX.” Under this agreement, we have a right to use this name for so long as our Manager (or another TPG affiliate that serves as our manager) remains an affiliate of the licensor under the trademark license agreement. The trademark license agreement may be terminated by either party as a result of certain breaches or upon 90 days’ prior written notice; provided that upon notification of such termination by us, the licensor may elect to effect termination of the trademark license agreement immediately at any time after 30 days from the date of such notification. The licensor will retain the right to continue using the “TPG” name. The trademark license agreement does not permit us to preclude the licensor from licensing or transferring the ownership of the “TPG” name to third parties, some of whom may compete with us.

Indemnification Agreements with Directors and Officers

We have entered into customary indemnification agreements with each of our directors and officers that obligate us to indemnify them to the maximum extent permitted under Maryland law. The agreements require us to indemnify the director or officer, or the indemnitee, against all judgments, penalties, fines and amounts paid in settlement and all expenses actually and reasonably incurred by the indemnitee or on his or her behalf in connection with a proceeding other than one initiated by or on our behalf and in which the indemnitee is determined in a final adjudication to be liable to us. The indemnitee will not be entitled to indemnification if it is established that one of certain prohibitions on indemnification under Maryland law exists.

In addition, each indemnification agreement requires us to advance reasonable expenses incurred by the indemnitee within ten days of the receipt by us of a statement from the indemnitee requesting the advance, provided that the statement evidences the expenses and is accompanied by:

- a written affirmation of the indemnitee's good faith belief that he or she has met the standard of conduct necessary for indemnification; and
- a written undertaking by or on behalf of the indemnitee to repay the amount if it is ultimately determined that the standard of conduct necessary for indemnification was not met.

Each indemnification agreement also provides for procedures for the determination of entitlement to indemnification, including requiring that such determination be made by independent counsel after a change in control of us.

Related Party Transaction Policies

Our board of directors recognizes the fact that transactions with related persons may present risks of conflicts or the appearance of conflicts of interest. Our board of directors has adopted a written policy on transactions with related persons that is in conformity with the requirements upon issuers having publicly-held common stock that is listed on the NYSE. Under the policy, a committee of our board of directors composed solely of independent directors who are disinterested or the disinterested members of our board of directors must review and approve or ratify (i) any "interested transaction" (defined as any transaction, arrangement or relationship or series of similar transactions, arrangements or relationships (including any indebtedness or guarantee of indebtedness) in which: (a) the aggregate amount involved will or may be expected to exceed \$120,000 in any calendar year; (b) we or any of our subsidiaries is a participant; and (c) any "related person" (which includes our directors, director nominees, certain officers, stockholders owning more than 5% of our company or our controlled affiliates and certain affiliates of the foregoing) has or will have a direct or indirect material interest (other than solely as a result of being a director or a less than 10% beneficial owner of another entity)) and (ii) all material facts with respect thereto. Other than certain pre-approved transactions (including transactions related to director compensation, certain transactions with other companies, certain charitable contributions, transactions where all holders of our common stock receive proportional benefits, transactions involving competitive bids, certain regulated transactions, certain banking-related services and indemnification), no interested transaction will be executed without the approval or ratification of a committee of our board of directors composed solely of independent directors who are disinterested or by the disinterested members of our board of directors.

In addition, the related person transaction policy provides that the committee or disinterested directors, as applicable, in connection with any approval or ratification of an interested transaction involving a non-management director or director nominee should consider whether such transaction would compromise the director or director nominee's status as an "independent" or "non-employee" director, as applicable, under the rules and regulations of the SEC and the NYSE.

Pursuant to our code of business conduct and ethics, our audit committee is required to review on a quarterly basis all material related party transactions involving our Manager and/or its affiliates.

PROPOSAL 2—RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee of the board of directors has appointed Deloitte & Touche LLP, or Deloitte, to be our independent registered public accounting firm for the fiscal year ending December 31, 2023, and our board of directors has ratified the appointment of such independent registered public accounting firm and directed that such appointment be submitted for ratification by our stockholders at the Annual Meeting.

We have been advised by Deloitte that neither Deloitte nor any of its associates has any relationship with us or our subsidiaries other than the usual relationship that exists between an independent registered public accounting firm and its clients.

We expect that representatives of Deloitte will be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions. If the appointment of Deloitte is not ratified, our board of directors will reconsider the appointment.

Stockholder ratification of the appointment of Deloitte as our independent registered public accounting firm is not required by our charter or otherwise. However, our board of directors is submitting the appointment of Deloitte to the stockholders for ratification as a matter of what it considers to be good corporate practice. Even if the appointment is ratified, our audit committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interests.

Audit and Non-Audit Fees

Aggregate fees that we were billed for the fiscal years ended December 31, 2022 and 2021 by our independent registered public accounting firm, Deloitte, were as follows:

	Fiscal Year ended December 31,	
	2022	2021
Audit fees ⁽¹⁾	\$ 968,500	\$ 848,335
Audit-related fees	—	—
Total audit and audit-related fees	968,500	848,335
Tax fees ⁽²⁾	628,508	475,382
All other fees	—	277,295 ⁽³⁾
Total	\$1,597,008	\$1,601,012

(1) Audit fees include amounts related to annual financial statement audit work and quarterly financial statement reviews.

(2) Tax fees include tax return preparation and REIT compliance work.

(3) All other fees include fees related to (i) the collateralized loan obligation that we entered into in March 2021, (ii) an underwritten public offering of our Series C preferred stock completed in June 2021 and (iii) the review of our registration statement on Form S-3ASR, filed in August 2021.

The audit committee of our board of directors was advised that there were no services provided by Deloitte that could impair Deloitte from maintaining its independence as our independent registered public accounting firm, and the audit committee concluded that Deloitte was independent.

Audit Committee Pre-Approval Policy

In accordance with our audit committee pre-approval policy, all audit and non-audit services performed for us by our independent registered public accounting firm were pre-approved by the audit committee of our board of directors, which concluded that the provision of such services by Deloitte was compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

[Table of Contents](#)

The pre-approval policy provides for general pre-approval of specified audit and permissible non-audit services. Services to be provided by the independent registered public accounting firm that are not within the category of pre-approved services must be approved by the audit committee prior to engagement.

With respect to each proposed pre-approved service, the independent registered public accounting firm will provide an engagement letter, which will be provided to the audit committee, regarding the specific services to be provided. Requests or applications for services that require separate approval by the audit committee will be submitted to the audit committee by our chief financial officer, and must include a statement as to whether, in his view, the request or application is consistent with the SEC's rules on auditor independence.

Voting Recommendation

Our board of directors unanimously recommends that you vote “for” the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2023.

AUDIT COMMITTEE REPORT

Our board of directors' audit committee carries out oversight functions with respect to the preparation, review and audit of our financial statements and the qualifications, independence and performance of our internal auditors and independent registered public accounting firm, and operates under a written charter adopted by the board of directors. The charter can be viewed, together with any future changes that may occur, on our website at www.tpgrefinance.com. The audit committee has the sole authority and responsibility to select, evaluate and, as appropriate, replace our independent registered public accounting firm. The audit committee members are independent within the meaning of the applicable New York Stock Exchange listing standards and Rule 10A-3 under the Securities Exchange Act of 1934, as amended.

Our management is responsible for our financial reporting system, the maintenance of appropriate accounting and financial reporting principles or policies and the preparation, presentation and integrity of our financial statements. Our independent registered public accounting firm is responsible for auditing our consolidated financial statements in accordance with U.S. generally accepted auditing standards and expressing an opinion as to their conformity with U.S. generally accepted accounting principles. The audit committee's responsibility is to monitor and oversee the foregoing functions.

The audit committee reviews our financial reporting process on behalf of the board of directors. In performance of its oversight function, the audit committee has met and held discussions with management and our independent registered public accounting firm with respect to our audited consolidated financial statements for fiscal year 2022 and related matters. Management advised the audit committee that our consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the audit committee has reviewed and discussed the consolidated financial statements with management and our independent registered public accounting firm, Deloitte & Touche LLP. Our independent registered public accounting firm presented to and reviewed with the audit committee the matters required to be discussed by the applicable standards adopted by the Public Company Accounting Oversight Board. Our independent registered public accounting firm also provided to the audit committee the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the audit committee concerning independence, and, in connection therewith, the audit committee discussed with the independent registered public accounting firm their views as to their independence. The audit committee also reviewed, among other things, the audit and non-audit services performed by, and the amount of fees paid for such services to, Deloitte & Touche LLP. The audit committee meetings regularly include executive sessions with our independent registered public accounting firm without the presence of our management.

In undertaking its oversight function, the audit committee relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States and on the representations of the independent registered public accounting firm included in their report on our financial statements. The audit committee is not, however, professionally engaged in the practice of accounting or auditing and does not provide any expert or other special assurance or professional opinion as to the sufficiency of the external or internal audits or whether the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles.

Based on the audit committee's considerations, discussions with management and discussion with the independent registered public accounting firm as described above, the audit committee recommended to the board of directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2022 filed with the SEC.

PROPOSAL 3—ADVISORY VOTE ON EXECUTIVE COMPENSATION

Pursuant to Section 14A of the Exchange Act, we are providing stockholders with an opportunity to vote, on a non-binding advisory basis, on the compensation of our named executive officers as disclosed in this proxy statement in accordance with SEC rules. The advisory vote on executive compensation described in this proposal is commonly referred to as a “say-on-pay vote.” More than 97.7% of the votes cast at the 2022 Annual Meeting voted to approve our executive compensation. At the 2018 Annual Meeting, we asked our stockholders to indicate if we should hold an advisory vote on the compensation of our named executive officers every one, two or three years. Because at the 2018 Annual Meeting our stockholders voted in favor of an annual advisory vote, we again are asking our stockholders to approve the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC’s rules.

As described under “Executive Compensation — Compensation Discussion and Analysis” elsewhere in this proxy statement, we are externally managed and advised by our Manager pursuant to our Management Agreement. Our named executive officers for fiscal year 2022 are employees of affiliates of our Manager, and we have no employees. Because our Management Agreement provides that our Manager is responsible for managing our affairs, our named executive officers for fiscal year 2022 do not receive any cash compensation from us or any of our subsidiaries for serving as our executive officers. Additionally, we do not have any agreements with any of our named executive officers with respect to their cash compensation and do not intend to directly pay any cash compensation to them. Notwithstanding the foregoing, we are required by our Management Agreement to reimburse our Manager or an affiliate of our Manager for the allocable share of the salary and other compensation paid by our Manager or an affiliate of our Manager to Mr. Foley, our chief financial officer, who dedicates a substantial portion of his time to us, based on the percentage of his time spent on our affairs. However, we did not and do not determine the compensation payable to Mr. Foley by our Manager or any of its affiliates.

We may, from time to time, grant our named executive officers and our Manager equity-based awards pursuant to our equity incentive plans, which we believe serve to align the interests of our named executive officers and our Manager with the interests of our stockholders in receiving attractive risk-adjusted dividends and growth.

We do not determine the cash compensation payable by our Manager or any of its affiliates to our named executive officers. Our Manager and its affiliates determine the salaries, bonuses and other wages earned by our named executive officers from our Manager and its affiliates. Our Manager and its affiliates also determine whether and to what extent our named executive officers will be provided with employee benefit plans.

This proposal gives our stockholders the opportunity to express their views on the overall compensation of our named executive officers provided by us and the philosophy, policies and practices described in this proxy statement. For the reasons discussed above, we are asking our stockholders to indicate their support for the compensation of our named executive officers by voting “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed pursuant to the compensation disclosure rules of the SEC (which disclosure includes the Compensation Discussion and Analysis, compensation tables and any related material disclosed in this proxy statement).”

The say-on-pay vote is advisory only, and therefore it will not bind the Company or our board of directors. However, our board of directors and the compensation committee of our board of directors will consider the voting results as appropriate when making future decisions regarding executive compensation.

Voting Recommendation

Our board of directors unanimously recommends that you vote “for” the approval of the advisory resolution relating to the compensation of our named executive officers as disclosed in this proxy statement.

ANNUAL REPORT

Our annual report to stockholders for the year ended December 31, 2022 is being concurrently made available for distribution to our stockholders.

Copies of our annual report to stockholders for the year ended December 31, 2022, including financial statements and schedules thereto, filed with the SEC, are also available without charge to stockholders upon written request addressed to TPG RE Finance Trust, Inc., 888 Seventh Avenue, 35th Floor, New York, New York 10106, Attention: Secretary.

OTHER MATTERS

Our management does not know of any other matters to come before the Annual Meeting. If, however, any other matters do come before the Annual Meeting, it is the intention of the persons designated as proxies to vote in accordance with their discretion on such matters.

STOCKHOLDER PROPOSALS FOR THE 2024 ANNUAL MEETING

If you wish to submit a stockholder proposal pursuant to Rule 14a-8 under the Exchange Act for inclusion in our proxy statement and proxy card for our 2024 annual meeting of stockholders (the “2024 Annual Meeting”), your proposal must be received by our Secretary on or before December 7, 2023. Your proposal should be mailed by certified mail return receipt requested to our Secretary at TPG RE Finance Trust, Inc., 888 Seventh Avenue, 35th Floor, New York, New York 10106, Attention: Secretary. Failure to deliver a proposal in accordance with this procedure may result in it not being deemed timely received. In addition, if you desire to bring business (including director nominations) before the 2024 Annual Meeting, you must comply with our bylaws, which currently require that you provide written notice of such business to our Secretary no earlier than November 7, 2023 and no later than 5:00 p.m. (Eastern Time) on December 7, 2023. For additional requirements, stockholders should refer to our bylaws, Article II, Section 11, “Advance Notice of Stockholder Nominees for Director and Other Stockholder Proposals,” a current copy of which may be obtained from our Secretary. In addition, to comply with the universal proxy rules, stockholders who intend to solicit proxies in support of director nominees other than Company nominees must provide notice that sets forth the additional information required by Rule 14a-19(b) under the Exchange Act no later than March 18, 2024.

HOUSEHOLDING OF PROXY MATERIALS

SEC rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and notices with respect to two or more stockholders sharing the same address by delivering a single proxy statement or a single notice addressed to those stockholders. This process, which is commonly referred to as “householding”, provides cost savings for companies. Some brokers household proxy materials, delivering a single proxy statement or notice to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding materials to your address, householding will generally continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement or notice, or if you are receiving duplicate copies of these materials and wish to have householding apply, please notify your broker. You may also call (800) 579-1639 or write to: Household Department, 51 Mercedes Way, Edgewood, New York 11717, and include your name, the name of your broker or other nominee and your account number(s). You can also request prompt delivery of a copy of the proxy statement and annual report by contacting TPG RE Finance Trust, Inc., 888 Seventh Avenue, 35th Floor, New York, New York 10106, Attention: Secretary, (212) 601-7400.
