### **Pyxis Tankers Announces Receipt of NASDAQ Notice**

Maroussi, Greece, April 24, 2020 – Pyxis Tankers Inc. (the “Company”) (NASDAQ Cap Mkts: PXS), a growth-oriented pure play product tanker company, announced today that it received a deficiency notice from The NASDAQ Stock Market, Inc. (“Nasdaq”), on April 21, 2020 stating that, for a period of 30 consecutive business days, the Company’s common shares closed below the minimum bid price of \$1.00 per share as required for continued listing on Nasdaq (the “Minimum Bid Price Requirement”). The notice explained that due to the extraordinary market conditions caused by COVID-19, Nasdaq is providing temporary relief and tolling the compliance period until June 30, 2020. The Company has until December 28, 2020 to regain compliance with the Minimum Bid Price Requirement.

If at any time during this period, the closing bid price of the Company’s common shares is at least \$1 for a minimum of 10 consecutive business days, Nasdaq will provide confirmation of the Company’s compliance with the Minimum Bid Price Requirement and the matter will be closed. If the Company does not regain compliance during the initial compliance period, it may be eligible for an additional 180 calendar day compliance period. In order to qualify for this additional compliance period, the Company will be required to meet the continued listing requirement for market value of publicly held shares and all other initial listing standards for the Nasdaq, with the exception of the bid price requirement, and will need to provide written notice of its intention to cure the deficiency during such compliance period, including by effecting a reverse stock split, if necessary. If the Nasdaq staff concludes that the Company will not be able to cure the deficiency or if the Company is otherwise not eligible, the Company’s common shares will be subject to delisting by Nasdaq.

The Company is currently reviewing options to meet the requirements for continued listing on Nasdaq. This notice will have no effect on the operations of the Company’s business, and the Company will take all reasonable measures to regain compliance with the exchange. During this time, the Company’s common shares will continue to be listed and trade on the Nasdaq.
