Item 1.01. Entry into a Material Definitive Agreement.

On February 13, 2023, Albertsons Companies, Inc. (the “Company”), together with its subsidiaries, Safeway Inc., New Albertsons L.P., Albertsons’s LLC and Albertsons Safeway LLC (collectively, the “Subsidiary Co-Issuers” and together with the Company, the “Co-Issuers”), issued \$750 million in aggregate principal amount of new 6.500% senior notes due 2028 (the “Notes”). The Notes were sold in the United States to persons reasonably believed to be qualified institutional buyers in reliance on Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and outside the United States to non-U.S. persons in reliance on Regulation S under the Securities Act. The Notes have not been registered under the Securities Act or any state securities laws and, unless so registered, may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws.

The Company intends to use the net proceeds from the offering, together with cash on hand, to (i) repay in full all \$750 million outstanding of its 3.500% senior notes due 2023 which are scheduled to mature on February 15, 2023 (the “Refinancing”) and (ii) pay fees and expenses related to the Refinancing and issuance of the Notes.

The Notes

The Notes were issued pursuant to an indenture, dated February 13, 2023 (the “Indenture”), by and among the Co-Issuers, the subsidiary guarantors party thereto and Wilmington Trust, National Association, as trustee. The Notes will mature on February 15, 2028.

Interest. Interest on the Notes will be payable semi-annually on February 15 and August 15 of each year, beginning on August 15, 2023.

Guarantees. The Notes will be guaranteed on a senior unsecured basis by all of the Company’s existing and future direct and indirect domestic subsidiaries (other than the Subsidiary Co-Issuers) that are obligors under the Company’s asset-based revolving credit facility.

Security. The Notes are unsecured.

Specified Change of Control Redemption. In the event a “Specified Change of Control” transaction involving a merger, consolidation or sale of the Company with an unaffiliated third party that occurs on or prior to February 15, 2025, the Co-Issuers, or a third party in lieu of the Co-Issuers, may redeem, in whole or in part, the Notes within 120 days after such Specified Change of Control at the following redemption prices: (i) 101.500% if such Notes are redeemed on or prior to February 14, 2024 and (ii) 100.750% if such Notes are redeemed on or after February 15, 2024 and on or prior to February 15, 2025 (including the 120-day period thereafter) plus, in each case, accrued and unpaid interest to (but excluding) the redemption date.

Optional Redemption. Prior to February 15, 2025, the Notes may be redeemed in whole or in part at a redemption price equal to 100% of the principal amount thereof plus accrued and unpaid interest thereon, plus an applicable make-whole premium equal to the greater of (i) 1.0% and (ii) the excess of the sum of the present value of 106.500% of the principal amount being redeemed, plus all required interest payments due thereon through February 15, 2025 (exclusive of interest accrued to the date of redemption), discounted to the date of redemption at a rate equal to the then-current interest rate on U.S. Treasury securities of comparable maturities plus 50 basis points and, for the avoidance of doubt, assuming that the interest rate in effect on the date of redemption is the interest rate that will be in effect through February 15, 2025, over the principal amount being redeemed. In addition, subject to certain conditions, the Co-Issuers may redeem up to 40% of the Notes on or before February 15, 2025, with the net cash proceeds from certain equity offerings at a redemption price equal to 106.500% of the principal amount of the Notes redeemed, plus accrued and unpaid interest to (but excluding) the redemption date.

On or after February 15, 2025, the Notes may be redeemed in whole or in part at the following redemption prices: (i) 103.250% if such Notes are redeemed on or prior to February 14, 2026, (ii) 101.625% if such Notes are redeemed on or after February 15, 2026 and on or prior to February 14, 2027, and (iii) at par thereafter.

Mandatory Redemption. The Notes do not require the making of any mandatory redemption or sinking fund payments.

Repurchase of the Notes at the Option of Holders. Upon a “change of control” transaction (which includes, subject to certain exceptions, including a redemption in connection with a Specified Change of Control, (i) the sale, lease or transfer, in one or a series of related transactions, of all or substantially all the assets of the Company and its restricted subsidiaries, taken as a whole, to a person other than certain existing direct and indirect stockholders of the Company, and their affiliates, related funds and managed accounts (together, the “Equity Investors”) or (ii) the Company becoming aware of the acquisition by any person or group, other than any of the Equity Investors, of more than 50% of the voting power of the Company or any of its direct or indirect parent companies and as a result thereof, a “ratings event” occurs (i.e., the Notes rating is lowered by certain of the rating agencies then rating the Notes due to such change of control by one more gradations within 60 days after the change of control or announcement of an intention to effect a change of control)), the Co-Issuers are required to offer to purchase all of the Notes from the holders thereof at a price equal to 101% of the principal amount outstanding plus all accrued interest thereon.

Covenants. The Indenture contains various affirmative and negative covenants (subject to customary exceptions), including, but not limited to, restrictions on the ability of the Company and its restricted subsidiaries to: (i) dispose of assets; (ii) incur additional indebtedness, issue preferred stock and guarantee obligations; (iii) make certain restricted payments, investments and payments in respect of subordinated indebtedness; (iv) create liens on assets or agree to restrictions on the creation of liens on assets; (v) engage in mergers or consolidations; and (vi) engage in certain transactions with affiliates.

Events of Default. The Indenture contains events of default (subject to customary exceptions, thresholds and grace periods), including, without limitation: (i) nonpayment of principal, interest or premium; (ii) failure to perform or observe covenants; (iii) cross-acceleration with certain other indebtedness; (iv) certain judgments; and (v) certain bankruptcy related events.

The foregoing is a summary of the material provisions of the Indenture. It does not include all of the provisions of the Indenture, does not purport to be complete and is qualified in its entirety by reference to the full text of the Indenture, which is filed herewith as Exhibit 4.1 and incorporated herein by reference.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP) that have been made by the Company or any of its Restricted Subsidiaries during the four-quarter reference period or subsequent to such reference

period and on or prior to or simultaneously with the Interest Coverage Ratio Calculation Date shall be calculated on a pro forma basis assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (and the change in any associated Consolidated Interest Expense and the change in EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Company or any of its Restricted Subsidiaries since the beginning of such period shall have made any Investment, acquisition, disposition, merger, amalgamation, consolidation or discontinued operation that would have required adjustment pursuant to this definition, then the Interest Coverage Ratio shall be calculated on a pro forma basis giving effect thereto for such period as if such Investment, acquisition, disposition, merger, amalgamation, consolidation or discontinued operation had occurred at the beginning of the applicable four-quarter period.

Notwithstanding anything in this definition or anything else to the contrary, when calculating the Total Leverage Ratio, the Consolidated Secured Net Leverage Ratio or the Interest Coverage Ratio, as applicable, in each case in connection with a Limited Condition Acquisition, the date of determination of such ratio and of any Default or Event of Default blocker shall, at the option of the Company, be the date the definitive agreements for such Limited Condition Acquisition are entered into and such ratios shall be calculated on a pro forma basis after giving effect to such Limited Condition Acquisition and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) as if they occurred at the beginning of the four-quarter reference period, and, for the avoidance of doubt, (x) if any such ratios are exceeded as a result of fluctuations in such ratio (including due to fluctuations in EBITDA of the Company or the target company) at or prior to the consummation of the relevant Limited Condition Acquisition, such ratios will not be deemed to have been exceeded as a result of such fluctuations solely for purposes of determining whether the Limited Condition Acquisition is permitted hereunder and (y) such ratios shall not be tested at the time of consummation of such Limited Condition Acquisition or related transactions; *provided further*, that if the Company elects to have such determinations occur at the time of entry into such definitive agreement, any such transaction (including the related transactions to be entered into in connection therewith) shall be deemed to have occurred on the date the definitive agreements are entered and outstanding thereafter for purposes of subsequently calculating any ratios under this Indenture after the date of such agreement and before the consummation of such Limited Condition Acquisition and to the extent baskets were utilized in satisfying any covenants, such baskets shall be deemed utilized, but any calculation of Total Assets or Consolidated Net Income for purposes of other incurrences of Indebtedness or Liens or making of Restricted Payments (not related to such Limited Condition Acquisition) shall not reflect such Limited Condition Acquisition until it is closed.

For purposes of this definition, whenever pro forma effect is to be given to a transaction, the pro forma calculations shall be made in good faith by a responsible financial or chief accounting officer of the Company. If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Interest Coverage Ratio Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness). Interest on a Finance Lease Obligation shall be deemed to accrue at an interest rate reasonably

determined by a responsible financial or accounting officer of the Company to be the rate of interest implicit in such Finance Lease Obligation in accordance with GAAP, as in effect on the date hereof. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed with a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period except as set forth in the first paragraph of this definition. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a London interbank offered rate, or other rate, shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Company may designate.

ARTICLE 2

THE SECURITIES

SECTION 2.01. Amount of Securities; Issuable in Series. The aggregate principal amount of Original Securities which may be authenticated and delivered under this Indenture on the Issue Date is \$750,000,000. The Securities may be issued in one or more series. All Securities of any one series shall be substantially identical except as to denomination.

The Issuers may from time to time after the Issue Date issue Additional Securities under this Indenture in an unlimited principal amount, so long as (i) the Incurrence of the Indebtedness represented by such Additional Securities is at such time permitted by Section 4.03 and (ii) such Additional Securities are issued in compliance with the other applicable provisions of this Indenture. With respect to any Additional Securities issued after the Issue Date (except for Securities authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Securities pursuant to Sections 2.07, 2.08, 2.09, 2.10, 3.08, 4.06(g), 4.08(c) or the Appendix), there shall be (a) established in or pursuant to a resolution of the Board of Directors of the Company and (b) (i) set forth or determined in the manner provided in an Officer’s Certificate or (ii) established in one or more indentures supplemental hereto, prior to the issuance of such Additional Securities:

(1) whether such Additional Securities shall be issued as part of a new or existing series of Securities and the title of such Additional Securities (which shall distinguish the Additional Securities of the series from Securities of any other series);

(2) the aggregate principal amount of such Additional Securities which may be authenticated and delivered under this Indenture;

(3) the issue price and issuance date of such Additional Securities, including the date from which interest on such Additional Securities shall accrue; and

(4) if applicable, that such Additional Securities shall be issuable in whole or in part in the form of one or more Global Securities and, in such case, the respective depositaries for such Global Securities, the form of any legend or legends which shall be borne by such Global Securities in addition to or in lieu of those set forth in Exhibit A hereto and any circumstances in addition to or in lieu of those set forth in Section 2.2 of the Appendix in which any such Global Security may be exchanged in whole or in part for Additional Securities registered, or any transfer of such Global Security in whole or in part may be registered, in the name or names of Persons other than the depositary for such Global Security or a nominee thereof.

If any of the terms of any Additional Securities are established by action taken pursuant to a resolution of the Board of Directors of the Company, a copy of an appropriate record of such action shall be certified by the Secretary or any Assistant Secretary of the Company and delivered to the Trustee at or prior to the delivery of the Officer's Certificate or the indenture supplemental hereto setting forth the terms of the Additional Securities.

SECTION 2.02. Form and Dating. Provisions relating to the Securities are set forth in the Appendix, which is hereby incorporated in and expressly made a part of this Indenture. The Securities and the Trustee's certificate of authentication, and any Additional Securities and the Trustee's certificate of authentication, shall each be substantially in the form of Exhibit A hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Securities may have notations, legends or endorsements required by law, stock exchange rule, agreements to which any Issuer or any Guarantor is subject, if any, or usage (*provided* that any such notation, legend or endorsement is in a form acceptable to the Issuers). Each Security shall be dated the date of its authentication. The Securities shall be issuable only in registered form without interest coupons and only in minimum denominations of \$2,000 and any integral multiples of \$1,000 in excess thereof.

SECTION 2.03. Execution and Authentication. The Trustee shall authenticate and make available for delivery upon a written order of the Issuers signed by one Officer of each Issuer (a) Original Securities for original issue on the date hereof in an aggregate principal amount of \$750,000,000 and (b) subject to the terms of this Indenture, Additional Securities in an aggregate principal amount to be determined at the time of issuance and specified therein. Such order shall specify the amount of the Securities to be authenticated and the date on which the original issue of Securities is to be authenticated. Notwithstanding anything to the contrary in this Indenture or the Appendix, any issuance of Additional Securities after the Issue Date shall be in a principal amount of at least \$2,000 and any integral multiples of \$1,000 in excess thereof, whether such Additional Securities are of the same or a different series than the Original Securities.

One Officer of each Issuer shall sign the Securities for the Issuers by manual, electronic or facsimile signature.

If an Officer whose signature is on a Security no longer holds that office at the time the Trustee authenticates the Security, the Security shall be valid nevertheless.

A Security shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Security. The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

The Trustee may appoint one or more authenticating agents reasonably acceptable to the Issuers to authenticate the Securities. Any such appointment shall be evidenced by an instrument signed by a Trust Officer, a copy of which shall be furnished to the Issuers. Unless limited by the terms of such appointment, an authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

SECTION 2.04. Registrar and Paying Agent.

(a) The Issuers shall maintain (i) an office or agency where Securities may be presented for registration of transfer or for exchange (the “Registrar”) and (ii) an office or agency in the United States where Securities may be presented for payment (the “Paying Agent”). The Registrar shall keep a register of the Securities and of their transfer and exchange. The Issuers may have one or more co-registrars and one or more additional paying agents. The term “Registrar” includes any co-registrars. The term “Paying Agent” includes the Paying Agent and any additional paying agents. The Issuers initially appoint the Trustee as (i) Registrar and Paying Agent in connection with the Securities and (ii) the Securities Custodian with respect to the Global Securities.

(b) The Issuers shall enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Company shall notify the Trustee in writing of the name and address of any such agent. If the Issuers fail to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Company or any of its domestically organized Wholly Owned Subsidiaries may act as Paying Agent or Registrar.

(c) The Issuers may remove any Registrar or Paying Agent upon written notice to such Registrar or Paying Agent and to the Trustee; *provided, however,* that no such removal shall become effective until (i) if applicable, acceptance of an appointment by a successor as evidenced by an appropriate agreement entered into by the Issuers and such successor Registrar or Paying Agent, as the case may be, and delivered to the Trustee or (ii) notification to the Trustee that the Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with clause (i) above. The Registrar or Paying Agent may resign at any time upon written notice to the Issuers and the Trustee; *provided, however,* that the Trustee may resign as Paying Agent or Registrar only if the Trustee also resigns as Trustee in accordance with Section 7.08.

SECTION 2.05. Paying Agent to Hold Money in Trust. Prior to 12:00 noon, New York City time, on each due date of the principal of and interest on any Security, the Issuers shall deposit with each Paying Agent (or if the Company or a Wholly Owned Subsidiary is acting as Paying Agent, segregate and hold in trust for the benefit of the Persons entitled thereto) a sum sufficient to pay such principal and interest when so becoming due. The Issuers shall require each Paying Agent (other than the Trustee) to agree in writing that a Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by a Paying Agent for the payment of principal of and interest on the Securities, and shall notify the Trustee in writing of any default by the Issuers in making any such payment. If the Company or a Wholly Owned

Subsidiary of the Company acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it in trust for the benefit of the Persons entitled thereto. The Issuers at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by such Paying Agent. During the continuance of a Default under this Indenture, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. Upon any bankruptcy or reorganization proceedings relating to either of the Issuers, the Trustee will serve as Paying Agent. Upon complying with this Section 2.05, a Paying Agent shall have no further liability for the money delivered to the Trustee.

SECTION 2.06. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Company shall furnish, or cause the Registrar to furnish, to the Trustee, in writing at least five Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

SECTION 2.07. Transfer and Exchange. The Securities shall be issued in registered form and shall be transferable only upon the surrender of a Security for registration of transfer and in compliance with Appendix A. When a Security is presented to the Registrar with a request to register a transfer, the Registrar shall register the transfer as requested if its requirements therefor are met. When Securities are presented to the Registrar with a request to exchange them for an equal principal amount of Securities of other denominations, the Registrar shall make the exchange as requested if the same requirements are met. To permit registration of transfers and exchanges, the Company shall execute, and upon written request the Trustee shall authenticate such Securities. The Issuers may require payment of a sum sufficient to pay all taxes, assessments or other governmental charges in connection with any transfer or exchange pursuant to this Section 2.07. The Issuers shall not be required to make, and the Registrar need not register, transfers or exchanges of Securities selected for redemption (except, in the case of Securities to be redeemed in part, the portion thereof not to be redeemed) or of any Securities for a period of 15 days before a selection of Securities to be redeemed.

Prior to the due presentation for registration of transfer of any Security, the Issuers, the Guarantors, the Trustee, each Paying Agent and the Registrar may deem and treat the Person in whose name a Security is registered as the absolute owner of such Security for the purpose of receiving payment of principal of and interest, if any, on such Security and for all other purposes whatsoever, whether or not such Security is overdue, and none of the Issuers, any Guarantor, the Trustee, a Paying Agent or the Registrar shall be affected by notice to the contrary.

Any Holder of a beneficial interest in a Global Security shall, by acceptance of such beneficial interest, agree that transfers of beneficial interests in such Global Security may be effected only through a book-entry system maintained by (a) the Holder of such Global Security (or its agent) or (b) any Holder of a beneficial interest in such Global Security, and that ownership of a beneficial interest in such Global Security shall be required to be reflected in a book entry.

All Securities issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Securities surrendered upon such transfer or exchange.

SECTION 2.08. Replacement Securities. If a mutilated Security is surrendered to the Registrar or if the Holder of a Security claims that the Security has been lost, destroyed or wrongfully taken, the Issuers shall issue and, upon written request, the Trustee shall authenticate a replacement Security if the requirements of Section 8-405 of the Uniform Commercial Code are met, such that the Holder (a) satisfies the Issuers or the Trustee within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Issuers or the Trustee prior to the Security being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a “protected purchaser”) and (c) satisfies any other reasonable requirements of the Trustee. If required by the Trustee or the Issuers, such Holder shall furnish an indemnity bond sufficient in the judgment of (i) the Trustee to protect the Trustee or (ii) the Issuers, to protect the Issuers, the Trustee, a Paying Agent and the Registrar, from any loss that any of them may suffer if a Security is replaced. The Issuers and the Trustee may charge the Holder for their expenses in replacing a Security (including, without limitation, attorneys’ fees and disbursements in replacing such Security). In the event any such mutilated, lost, destroyed or wrongfully taken Security has become or is about to become due and payable, the Issuers in their discretion may pay such Security instead of issuing a new Security in replacement thereof.

Every replacement Security is an additional obligation of the Issuers.

The provisions of this Section 2.08 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Securities.

SECTION 2.09. Outstanding Securities. Securities outstanding at any time are all Securities authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.09 as not outstanding. Subject to Section 11.06, a Security does not cease to be outstanding because an Issuer or an Affiliate of an Issuer holds the Security.

If a Security is replaced pursuant to Section 2.08 (other than a mutilated Security surrendered for replacement), it ceases to be outstanding unless the Trustee and the Issuers receive proof satisfactory to them that the replaced Security is held by a protected purchaser. A mutilated Security ceases to be outstanding upon surrender of such Security and replacement thereof pursuant to Section 2.08.

If a Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Securities (or portions thereof) to be redeemed or maturing, as the case may be, and no Paying Agent is prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Securities (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.10. Temporary Securities. In the event that Definitive Securities are to be issued under the terms of this Indenture, until such Definitive Securities are ready for delivery, the Issuers may prepare and, upon written request, the Trustee shall authenticate temporary Securities. Temporary Securities shall be substantially in the form of Definitive Securities but may have variations that the Issuers consider appropriate for temporary Securities. Without unreasonable delay, the Issuers shall prepare and the Trustee shall authenticate Definitive Securities and make them available for delivery in exchange for temporary Securities upon surrender of such temporary Securities at the office or agency of the Company, without charge to the Holder. Until such exchange, temporary Securities shall be entitled to the same rights, benefits and privileges as Definitive Securities.

SECTION 2.11. Cancellation. The Issuers at any time may deliver Securities to the Trustee for cancellation. The Registrar and each Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Securities surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of canceled Securities in accordance with its customary procedures or deliver copies of canceled Securities to the Issuers pursuant to written direction by an Officer of each Issuer. The Issuers may not issue new Securities to replace Securities they have redeemed, paid or delivered to the Trustee for cancellation. The Trustee shall not authenticate Securities in place of canceled Securities other than pursuant to the terms of this Indenture.

SECTION 2.12. Defaulted Interest. If the Issuers default in a payment of interest on the Securities, the Issuers shall pay the defaulted interest then borne by the Securities (plus interest on such defaulted interest to the extent lawful), in any lawful manner. The Issuers may pay the defaulted interest to the Persons who are Holders on a subsequent special record date. The Issuers shall fix or cause to be fixed any such special record date and payment date to the reasonable satisfaction of the Trustee and shall promptly mail or cause to be mailed to each affected Holder a notice that states the special record date, the payment date and the amount of defaulted interest to be paid.

SECTION 2.13. CUSIP Numbers, ISINs, etc. The Issuers in issuing the Securities may use CUSIP numbers, ISINs and “Common Code” numbers (if then generally in use) and, if so, the Trustee shall use CUSIP numbers, ISINs and “Common Code” numbers in notices of redemption as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers, either as printed on the Securities or as contained in any notice of a redemption, that reliance may be placed only on the other identification numbers printed on the Securities and that any such redemption shall not be affected by any defect in or omission of such numbers. The Issuers shall advise the Trustee in writing of any change in the CUSIP numbers, ISINs and “Common Code” numbers.

SECTION 2.14. Calculation of Specified Percentage of Securities. With respect to any matter requiring consent, waiver, approval or other action of the Holders of a specified percentage of the principal amount of all the Securities, such percentage shall be calculated, on the relevant date of determination, by dividing (a) the principal amount, as of such date of determination, of Securities, the Holders of which have so consented by (b) the aggregate principal amount, as of such date of determination, of the Securities then outstanding, in each case, as determined in accordance with Section 2.09 and Section 11.06 of this Indenture. Any such calculation made pursuant to this Section 2.14 shall be made by the Issuers and delivered to the Trustee pursuant to an Officer’s Certificate.

ARTICLE 3

REDEMPTION

SECTION 3.01. Redemption.

(a) The Securities may be redeemed at the Issuers' option, in whole, or from time to time in part, subject to the conditions and at the redemption prices set forth in Paragraph 5 of the form of Securities set forth in Exhibit A hereto, which are hereby incorporated by reference and made a part of this Indenture, together with accrued and unpaid interest to (but not including) the redemption date.

(b) The Issuers shall not be required to make any mandatory redemption or sinking fund payments with respect to the Securities.

SECTION 3.02. Applicability of Article. Redemption of Securities at the election of the Issuers or otherwise, as permitted or required by any provision of this Indenture or the Securities, shall be made in accordance with such provision and this Article 3.

SECTION 3.03. Notices to Trustee. If the Issuers, or any third-party in lieu of the Issuers, elect to redeem Securities pursuant to the optional redemption provisions of Paragraph 5 of the applicable Security, they shall notify the Trustee in writing of (i) the Section of this Indenture and the Security pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of Securities to be redeemed and (iv) the redemption price. The Issuers or such other applicable party shall give notice to the Trustee provided for in this paragraph at least 30 days but not more than 60 days before a redemption date if the redemption is pursuant to Paragraph 5 of the applicable Security, unless a shorter period is acceptable to the Trustee. Such notice shall be accompanied by an Officer's Certificate and Opinion of Counsel from the Issuers to the effect that such redemption will comply with the conditions herein. Any such notice may be canceled at any time prior to notice of such redemption being sent to any Holder and shall thereby be void and of no effect.

SECTION 3.04. Selection of Securities to Be Redeemed. In the case of any partial redemption, selection of the Securities for redemption will be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which such Securities are listed (if such listing is known to the Trustee), or if such Securities are not so listed, by lot or by such other method as the Trustee shall deem fair and appropriate (and in such manner as complies with applicable requirements of the Depository); *provided*, that the Trustee shall not select Securities for redemption which would result in a Holder of Securities with a principal amount of Securities less than the minimum denomination. The Trustee shall make the selection from outstanding Securities not previously called for redemption. The Trustee may select for redemption portions of the principal of Securities that have denominations larger than \$2,000. Securities and portions of them the Trustee selects shall be in amounts of \$2,000 or a whole multiple of \$1,000 in excess thereof. Provisions of this Indenture that apply to Securities called for redemption also apply to portions of Securities called for redemption. The Trustee shall notify the Issuers promptly of the Securities or portions of Securities to be redeemed.

SECTION 3.05. Notice of Optional Redemption.

(a) At least 30 days but not more than 60 days before a redemption date pursuant to Paragraph 5 of the applicable Security, the Issuers shall mail or cause to be mailed by first-class mail a notice of redemption to each Holder whose Securities are to be redeemed to such Holder's registered address or otherwise in accordance with the procedures of the Depository, except that redemption notices may be delivered more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Securities or a satisfaction and discharge of this Indenture pursuant to Article 8 hereof. Additionally, any notice with respect to a Specified Change of Control Redemption may be sent prior to the occurrence of a Specified Change of Control and may be conditioned upon one or more conditions precedent, including the occurrence of the Specified Change of Control.

Any such notice shall identify the Securities to be redeemed and shall state:

- (i) the redemption date;
- (ii) the redemption price and the amount of accrued interest to the redemption date;
- (iii) the name and address of a Paying Agent;
- (iv) that Securities called for redemption must be surrendered to a Paying Agent to collect the redemption price, plus accrued interest;
- (v) if fewer than all the outstanding Securities are to be redeemed, the certificate numbers and principal amounts of the particular Securities to be redeemed, the aggregate principal amount of Securities to be redeemed and the aggregate principal amount of Securities to be outstanding after such partial redemption;
- (vi) that, unless there is a default in making such redemption payment or any Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Securities (or portion thereof) called for redemption ceases to accrue on and after the redemption date;
- (vii) the CUSIP number, ISIN and/or "Common Code" number, if any, printed on the Securities being redeemed; and
- (viii) that no representation is made as to the correctness or accuracy of the CUSIP number or ISIN and/or "Common Code" number, if any, listed in such notice or printed on the Securities.

In addition, if such redemption is subject to satisfaction of one or more conditions precedent, such notice of redemption shall describe each such condition, and if applicable, shall state that, in the Issuers' discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the stated redemption date, or by the redemption date as so delayed.

(b) At the Issuers' request, the Trustee shall give the notice of redemption specified in this Section 3.05 in the Issuers' names and at the Issuers' expense; *provided, however*, that the Issuers have delivered to the Trustee, at least 45 days (unless a shorter period is acceptable to the Trustee) prior to the redemption date, an Officer's Certificate requesting that the Trustee give such notice. In such event, the Issuers shall provide the Trustee in writing with the information required by this Section 3.05.

SECTION 3.06. Effect of Notice of Redemption. Once notice of redemption is mailed in accordance with Section 3.05, Securities called for redemption become due and payable on the redemption date and at the redemption price stated in the notice (except to the extent such redemption is conditional as set forth in Section 3.05). Upon surrender to any Paying Agent, such Securities shall be paid at the redemption price stated in the notice, plus accrued interest to the redemption date. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice.

SECTION 3.07. Deposit of Redemption Price. Prior to 12:00 noon, New York City time, on the redemption date, the Issuers shall deposit with the Paying Agent (or, if the Company or a Wholly Owned Subsidiary is a Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued interest on all Securities or portions thereof to be redeemed on that date other than Securities or portions of Securities called for redemption that have been delivered by the Issuers to the Trustee for cancellation. On and after the redemption date, interest shall cease to accrue on Securities or portions thereof called for redemption so long as the Issuers have deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest on, the Securities to be redeemed, unless a Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture.

SECTION 3.08. Securities Redeemed in Part. Upon surrender of a Security that is redeemed in part, the Issuers shall execute and the Trustee shall authenticate for the Holder (at the Issuers' expense) a new Security equal in principal amount to the unredeemed portion of the Security surrendered.

ARTICLE 4

COVENANTS

SECTION 4.01. Payment of Securities. The Issuers shall promptly pay the principal of and interest, on the Securities on the dates and in the manner provided in the Securities and in this Indenture. An installment of principal of or interest shall be considered paid on the date due if by the applicable time on such date the Trustee or any Paying Agent holds in accordance with this Indenture money sufficient to pay all principal and interest then due and the Trustee or any Paying Agent, as the case may be, are not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Issuers shall pay interest on overdue principal at the rate specified therefor in the Securities, and they shall pay interest on overdue installments of interest at the same rate borne by the Securities to the extent lawful.

SECTION 4.02. Reports.

So long as any Securities are outstanding:

(i) the Company shall provide the Trustee and Holders of Securities with annual consolidated financial statements for each fiscal year audited by an internationally recognized firm of independent public accountants within 120 days after the end of the Company's fiscal year and unaudited quarterly financial statements (including a balance sheet, statement of operations and statement of cash flows for the fiscal quarter and year-to-date period then ended and the corresponding fiscal quarter and year-to-date period from the prior year) within 60 days after the end of each of the first three fiscal quarters of each fiscal year. Such annual and quarterly financial statements will (i) be prepared in accordance with GAAP (with the exception of the absence of year-end adjustments and footnotes in the case of quarterly financial statements) and (ii) be accompanied by a "management discussion and analysis" of the results of operations of the Company and its Subsidiaries on a consolidated basis for the periods presented in a level of detail comparable (in the reasonable judgment of the Company) to the management discussion and analysis of the results of operations of the Company contained in or otherwise incorporated by reference in the Offering Memorandum. Unless otherwise publicly available, such financial statements and related discussion shall be made available to Holders of Securities and prospective investors in the Securities by posting on a password protected website accessible by all such persons, which shall announce when such items have been posted (it being understood that the Company may require a certification and customary non-disclosure agreement to access such site); and

(ii) the Company shall furnish to the Trustee and Holders of Securities all information that would be required to be contained in filings with the SEC on Form 8-K under Items 1.01, 1.02, 1.03, 2.01, 2.05, 2.06, 4.01, 4.02 and 5.01 (but excluding, for the avoidance of doubt, financial statements and exhibits that would be required pursuant to Item 9.01 of Form 8-K, other than financial statements and pro forma financial information required pursuant to clauses (a) and (b) of Item 9.01 of Form 8-K (in each case relating to transactions required to be reported pursuant to Item 2.01 of Form 8-K) to the extent available (as determined by the Company in good faith, which determination shall be conclusive)) if the Company had been a reporting company under the Exchange Act; *provided, however*, that no such report will be required to be furnished if the Company determines in its good faith judgment (which determination shall be conclusive) that such event is not material to Holders of the Securities or the business, assets, operations, financial position or prospects of the Company and its Subsidiaries, taken as a whole, or if the Company determines in its good faith judgment (which determination shall be conclusive) that such disclosure would otherwise cause material

competitive or other material harm to the business, assets, operations, financial position or prospects of the Company and its Subsidiaries, taken as a whole; *provided* that such nondisclosure shall be limited only to those specific provisions that would cause material competitive or other material harm and not the occurrence of the event itself; *provided, further*, that no such report will be required to include a summary of the terms of any employment or compensatory arrangement, agreement, plan or understanding between the Company (or any of its Subsidiaries) and any director, manager or executive officer, of the Company (or any of its Subsidiaries). All information to be furnished pursuant to this clause (ii) shall be furnished within the time periods specified in the SEC's rules and regulations for non-accelerated filer reporting companies under the Exchange Act. Information to be furnished pursuant to this clause (ii) shall be made by posting on the website referred to in clause (i) above.

If after the Issue Date the Company has designated any of its Subsidiaries as Unrestricted Subsidiaries, then the quarterly and annual financial information required by clauses (i) and (ii) above shall include a reasonably detailed presentation (which may be consistent with the non-guarantor information provided in the Offering Memorandum), either on the face of the financial statements or in the footnotes to the financial statements and in "Management's Discussion and Analysis of Financial Condition and Results of Operations" or comparable section, of the financial condition and results of operations of the Company and its Restricted Subsidiaries.

So long as any Securities are outstanding, the Company shall also issue a notification (which can be a notification through the website described above or by email to registered Holders of Securities) upon the posting of the information required by clauses (i) and (ii) above.

The Company shall hold a conference call for the Holders of Securities to discuss such financial information described in clause (i) above no later than 10 calendar days after delivering the annual financial information and the quarterly financial information described in clause (i) above (it being understood that such conference call may be prior to the delivery of such financial information described above and may be the same conference call as with the Company's equity or debt investors and analysts at the time of its earnings release). The Company will issue a notification (which can be a notification through the website described above or by email to registered Holders of Securities) of any such conference call at least one Business Day in advance.

In addition, for so long as the Securities are not freely transferable under the Securities Act, the Issuers and the Subsidiary Guarantors shall furnish to the Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

In the event that any direct or indirect parent of the Company is or becomes a guarantor (a "Parent Guarantor") of the Securities, the Company may satisfy its obligations under this Section 4.02 with respect to financial information relating to the Company by furnishing financial information relating to such Parent Guarantor; *provided* that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such Parent Guarantor and any of its Subsidiaries other than the Company and its Subsidiaries, on the one hand, and the information relating to the Company and the Subsidiaries of the Company on a standalone basis, on the other hand.

Notwithstanding anything to the contrary set forth above, if the Company, a Parent Guarantor or any Parent Entity has provided the reports described in the preceding paragraphs with respect to the Company, such Parent Guarantor or any Parent Entity, in each case, the Company shall be deemed to be in compliance with the provisions of this Section 4.02.

To the extent any such information, reports or other documents are filed electronically on the SEC's Electronic Data Gathering and Retrieval System (or any successor system), such filing shall be deemed to be delivered to the holders of the Securities and the Trustee.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuers' compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on an Officer's Certificate).

SECTION 4.03. Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock

(a) (i) The Company shall not, and shall not permit any of the Restricted Subsidiaries to, directly or indirectly, Incur any Indebtedness (including Acquired Indebtedness) or issue any shares of Disqualified Stock; and (ii) the Company shall not permit any of the Restricted Subsidiaries to issue any shares of Preferred Stock; *provided, however*, that the Company and any Restricted Subsidiary may Incur Indebtedness (including Acquired Indebtedness) or issue shares of Disqualified Stock and any Restricted Subsidiary may issue shares of Preferred Stock, in each case if the Interest Coverage Ratio of the Company for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is Incurred or such Disqualified Stock or Preferred Stock is issued would have been at least 2.00 to 1.00 determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been Incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such four-quarter period; *provided, further*, that Restricted Subsidiaries that are not Guarantors may not Incur Indebtedness or issue shares of Disqualified Stock or Preferred Stock pursuant to this Section 4.03(a) if, after giving pro forma effect to such Incurrence or issuance (including the pro forma application of the net proceeds therefrom), the aggregate principal amount of Indebtedness or Disqualified Stock or Preferred Stock then outstanding of Restricted Subsidiaries that are not Guarantors pursuant to this Section 4.03(a) exceeds the greater of \$1,250 million and 5.0% of Total Assets (the "Non-Guarantor Exception").

(b) The limitations set forth in Section 4.03(a) shall not apply to (collectively, "Permitted Debt");

(i) the Incurrence by the Company or any Restricted Subsidiary of Indebtedness under the ABL Facility in an aggregate principal amount not to exceed the greater of (x) \$5,500 million and (y) the Borrowing Base;

(ii) the Incurrence by the Company or the Restricted Subsidiaries of Indebtedness under the Term Loan Facility in an aggregate principal amount not to exceed \$8,000 million plus an unlimited amount of additional Indebtedness under the Term Loan Facility as long as, at the time of Incurrence and after giving pro forma effect thereto (including the use of proceeds therefrom), the Consolidated Secured Net Leverage Ratio would not exceed 3.75 to 1.00 (assuming, to the extent incurred pursuant to this Section 4.03(b)(ii), that all such Indebtedness is secured whether or not so secured);

(iii) the Incurrence by the (i) Issuers of Indebtedness represented by the Securities issued on the Issue Date and (ii) Subsidiary Guarantors of Indebtedness represented by the Subsidiary Guarantees issued on the Issue Date;

(iv) Indebtedness, Disqualified Stock and Preferred Stock existing on the Issue Date (other than Indebtedness described in clauses (i), (ii) and (iii) of this Section 4.03(b));

(v) Indebtedness (including, without limitation, Finance Lease Obligations, and purchase money Indebtedness), Disqualified Stock and Preferred Stock Incurred by the Company or any of the Restricted Subsidiaries to finance the acquisition, purchase, lease, construction, design, installation or improvement of property (real or personal), equipment or other asset that is used or useful in a Similar Business (whether through the direct purchase of assets or the Capital Stock of any Person owning such assets) and related taxes and transaction costs in an aggregate principal amount which, when aggregated with the principal amount of all other Indebtedness then outstanding that was Incurred pursuant to this clause (v), does not exceed the greater of (x) \$1,250 million and (y) 5.0% of Total Assets at the time of Incurrence;

(vi) Indebtedness with respect to all obligations and liabilities, contingent or otherwise, in respect of letters of credit, acceptances and similar facilities incurred in the ordinary course of business, including, without limitation, letters of credit and bank guarantees issued in the ordinary course of business, including, without limitation, letters of credit in respect of workers' compensation claims, health, disability or other employee benefits (whether current or former) or property, casualty or liability insurance, or other Indebtedness with respect to reimbursement-type obligations regarding workers' compensation claims; *provided, however*, that upon the drawing of such letters of credit, such obligations are reimbursed within 30 days following such drawing;

(vii) Indebtedness arising from agreements of the Company or a Restricted Subsidiary providing for indemnification, adjustment of purchase price, earn-out or similar obligations, in each case, Incurred in connection with any acquisition or disposition of any business, assets or a Subsidiary of the Company or assumed, other than guarantees of Indebtedness Incurred by any Person acquiring all or any portion of such business, assets or Subsidiary for the purpose of financing such acquisition;

(viii) Indebtedness of the Company to a Restricted Subsidiary; *provided* that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the Company or another Restricted Subsidiary) shall be deemed, in each case to be an Incurrence of such Indebtedness;

(ix) shares of Preferred Stock of a Restricted Subsidiary issued to the Company or another Restricted Subsidiary; *provided* that any subsequent issuance or transfer of any Capital Stock or any other event that results in any Restricted Subsidiary that holds such shares of Preferred Stock of another Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such shares of Preferred Stock (except to the Company or another Restricted Subsidiary) shall be deemed, in each case, to be an issuance of shares of Preferred Stock;

(x) Indebtedness of a Restricted Subsidiary to the Company or another Restricted Subsidiary; *provided* that if a Subsidiary Guarantor Incurs such Indebtedness to a Restricted Subsidiary that is not a Subsidiary Guarantor such Indebtedness is subordinated in right of payment to the Subsidiary Guarantee of such Subsidiary Guarantor; *provided, further*, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any Restricted Subsidiary lending such Indebtedness ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the Company or another Restricted Subsidiary) shall be deemed, in each case, to be an Incurrence of such Indebtedness;

(xi) [reserved];

(xii) obligations in respect of self-insurance and obligations (including reimbursement obligations with respect to letters of credit and bank guarantees) in respect of performance, bid, appeal and surety bonds and similar instruments and performance and completion guarantees and similar obligations provided by the Company or any Restricted Subsidiary, in each case, incurred in the ordinary course of business;

(xiii) Indebtedness or Disqualified Stock of the Company or any Restricted Subsidiary of the Company and Preferred Stock of any Restricted Subsidiary of the Company in an aggregate principal amount which, when aggregated with the principal amount or liquidation preference of all other Indebtedness, Disqualified Stock and Preferred Stock then outstanding and Incurred pursuant to this clause (xiii) (and any refinancing, refunding, extension, renewal or replacement (or successive refinancings, refundings, extensions, renewals or replacements) as a whole, or in part, of any such obligations), does not exceed the greater of (x) \$1,500 million and (y) 6.0% of Total Assets at the time of Incurrence; provided, however, that notwithstanding the foregoing, nothing contained herein shall prevent the Company or any Restricted Subsidiary from refinancing, refunding, extending, renewing or replacing any obligations Incurred under this clause (whether or not such obligations could be newly Incurred under this clause on the date of such refinancing, refunding, extension, renewal or replacement), so long as the obligations resulting from such refinancing, refunding, extension, renewal or

replacement do not exceed the sum of (A) the outstanding principal amount or, if greater, committed amount of such obligations at the time such obligations became Permitted Debt under this Indenture, plus accretion of original issue discount, and (B) an amount necessary to pay any fees and expenses, including premiums, related to such refinancing, refunding, extension, renewal or replacement (it being understood that any Indebtedness, Disqualified Stock or Preferred Stock Incurred or issued under this clause (xiii) shall cease to be deemed Incurred or outstanding for purposes of this clause (xiii) but shall be deemed Incurred for purposes of Section 4.03(a) from and after the first date on which the Company or the Restricted Subsidiary, as the case may be, could have Incurred or issued such Indebtedness, Disqualified Stock or Preferred Stock under Section 4.03(a) without reliance upon this clause (xiii));

(xiv) any guarantee or co-issuance by the Company or a Restricted Subsidiary of Indebtedness or other obligations of the Company or any of its Restricted Subsidiaries so long as the Incurrence of such Indebtedness or other obligations by the Company or such Restricted Subsidiary is not prohibited under the terms of this Indenture; *provided* that if such Indebtedness is by its express terms subordinated in right of payment to the Securities or the Subsidiary Guarantee of such Restricted Subsidiary, as applicable, any such guarantee or co-issuance of such Subsidiary Guarantor with respect to such Indebtedness shall be subordinated in right of payment to such Subsidiary Guarantor's Subsidiary Guarantee with respect to the Securities substantially to the same extent as such Indebtedness is subordinated to the Securities or the Subsidiary Guarantee of such Restricted Subsidiary, as applicable;

(xv) the Incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness or Disqualified Stock or Preferred Stock of a Restricted Subsidiary of the Company which serves to refund, refinance, replace, renew, extend or defease any Indebtedness, Disqualified Stock or Preferred Stock Incurred as permitted under Section 4.03(a) and clauses (iii), (iv), (v), (xv) and (xvi) of this Section 4.03(b) or any Indebtedness, Disqualified Stock or Preferred Stock Incurred to so refund or refinance such Indebtedness, Disqualified Stock or Preferred Stock, including any Indebtedness, Disqualified Stock or Preferred Stock Incurred to pay premiums (including lender premiums), defeasance costs, accrued interest, fees and expenses in connection therewith (subject to the following proviso, "Refinancing Indebtedness") prior to its respective maturity; *provided, however*, that such Refinancing Indebtedness:

(1) other than with respect to the Legacy Notes, has a Weighted Average Life to Maturity at the time such Refinancing Indebtedness is Incurred which is not less than the remaining Weighted Average Life to Maturity of the Indebtedness, Disqualified Stock or Preferred Stock being refunded or refinanced, replaced, renewed, extended or defeased;

(4) is Incurred in an aggregate principal amount (or if issued with original issue discount, an aggregate issue price) that is equal to or less than the aggregate principal amount (or if issued with original issue discount, the aggregate accreted value) then outstanding of the Indebtedness being refinanced plus premium and fees Incurred in connection with such refinancing; and

(5) shall not include (x) Indebtedness of a Restricted Subsidiary of the Company that is not a Subsidiary Guarantor that refinances Indebtedness of an Issuer or a Subsidiary Guarantor, or (y) Indebtedness of the Company or a Restricted Subsidiary that refinances Indebtedness of an Unrestricted Subsidiary;

(xvi) Indebtedness, Disqualified Stock or Preferred Stock of (i) the Company or any Restricted Subsidiary incurred or issued to finance an acquisition and (ii) Persons that are acquired by the Company or any of its Restricted Subsidiaries or merged into the Company or a Restricted Subsidiary in accordance with the terms of this Indenture; *provided, however*, that after giving effect to such acquisition and the Incurrence of such Indebtedness either:

(b) For purposes of determining compliance with this Section 4.03, in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock meets the criteria of more than one of the categories of Permitted Debt or is entitled to be Incurred pursuant to Section 4.03(a), the Issuers shall, in their sole discretion, divide, classify or reclassify, or later divide, classify or reclassify, such item of Indebtedness, Disqualified Stock or Preferred Stock in any manner that complies with this Section 4.03 and such item of Indebtedness, Disqualified Stock or Preferred Stock shall be treated as having been Incurred pursuant to only one of the clauses in Section 4.03(b) or pursuant to Section 4.03(a), but may be Incurred partially under one clause and partially under one or more other clauses; *provided* that all Indebtedness under the ABL Facility which is in existence or committed to on or prior to the Issue Date shall be deemed

to have been incurred on the Issue Date pursuant to clause (i) of Section 4.03(b) and the Issuers shall not be permitted to reclassify all or any portion of such Indebtedness. Accrual of interest, the accretion of accreted value, the amortization or accretion of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms, the payment of dividends on Preferred Stock in the form of additional shares of Preferred Stock of the same class, the accretion of liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies shall not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.03 or Section 4.12. Any Indebtedness under a revolving credit or similar facility shall only be deemed to be Incurred at the time funds are borrowed. Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or similar instruments relating to, or Liens securing, Indebtedness which are otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; *provided* that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this Section 4.03. Indebtedness that is cash collateralized shall not be deemed to be Indebtedness hereunder to the extent of such cash collateralization. The principal amount of any Disqualified Stock or Preferred Stock will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof.

(c) For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term debt, or first committed or first Incurred (whichever yields the lower U.S. dollar equivalent), in the case of revolving credit debt; *provided* that if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced.

Such designation shall only be permitted if a Restricted Payment or Permitted Investment in such amount would be permitted at such time and if such Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. Unrestricted Subsidiaries shall not be subject to any of the restrictive covenants set forth in this Indenture.

(d) For purposes of this Section 4.04, if any Investment or Restricted Payment would be permitted pursuant to one or more provisions described above and/or one or more of the exceptions contained in the definition of "Permitted Investments," the Issuers may classify such Investment or Restricted Payment in any manner that complies with this covenant and may later reclassify any such Investment or Restricted Payment so long as such Investment or Restricted Payment (as so reclassified) would be permitted to be made in reliance on the applicable exception as of the date of such reclassification.

SECTION 4.05. [Reserved].

SECTION 4.06. Asset Sales.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, cause or make an Asset Sale, unless:

(1) the Company or any of its Restricted Subsidiaries, as the case may be, receives consideration (including by way of relief or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at the time of such Asset Sale at least equal to the Fair Market Value (as determined on the date the contractual obligation is entered into) of the assets sold or otherwise disposed of; and

(2) except in the case of a Permitted Asset Swap, at least 75% of the consideration therefor received by the Company or such Restricted Subsidiary, as the case may be, is in the form of Cash Equivalents; *provided* that the amount of:

(i) any liabilities (as shown on the Company's or such Restricted Subsidiary's most recent balance sheet or in the notes thereto) of the Company or any Restricted Subsidiary of the Company (other than liabilities that are by their terms subordinated to the Securities) that are assumed by the transferee of any such assets;

(ii) any notes or other obligations or other securities or assets received by the Company or such Restricted Subsidiary of the Company from such transferee that are converted by the Company or such Restricted Subsidiary of the Company into cash within 180 days of the receipt thereof (to the extent of the cash received); and

(iii) any Designated Non-cash Consideration received by the Company or any of its Restricted Subsidiaries in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (iii) that is at that time outstanding, not to exceed the greater of (x) \$1,000 million and (y) 4.0% of Total Assets at the time of the receipt of such Designated Non-cash Consideration (with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value)

shall each be deemed to be Cash Equivalents for the purposes of this Section 4.06(a).

(b) Within 365 days after the Company's or any Restricted Subsidiary of the Company's receipt of the Net Cash Proceeds of any Asset Sale, the Company or such Restricted Subsidiary of the Company may apply the Net Cash Proceeds from such Asset Sale, at its option:

(iv) to repay Obligations under the Credit Facilities that are secured by a Lien (and in the case of revolving obligations, to correspondingly permanently reduce commitments with respect thereto);

(v) to repay either (A) Obligations under the Securities or (B) Obligations under any other Pari Passu Indebtedness (and in the case of revolving obligations, to correspondingly permanently reduce commitments with respect thereto); *provided* that in the case of any repayment pursuant to clause (B), the Company or such Restricted Subsidiary will reduce Obligations under the Securities on an equal or ratable basis with the Pari Passu Indebtedness repaid pursuant to clause (B) (1) on a pro rata basis as provided under Article 3 hereof, (2) through open-market purchases (to the extent such purchases are at or above 100% of the principal amount thereof) or (3) by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase their Securities at 100% of the principal amount thereof, plus the amount of accrued but unpaid interest, if any, on the amount of Securities that would otherwise be prepaid (which offer shall be deemed to be an Asset Sale Offer for purposes hereof); and/or

(vi) to acquire Additional Assets;

provided that in the case of clause (iii) above, a binding commitment (whether or not subject to conditions) shall be treated as a permitted application of the Net Cash Proceeds from the date of such commitment and, in the event such binding commitment is later canceled or terminated for any reason before such Net Cash Proceeds are so applied, the Company or such Restricted Subsidiary enters into another binding commitment (whether or not subject to conditions) within six months of such cancellation or termination of the prior binding commitment.

Pending the final application of any such Net Cash Proceeds, the Company or such Restricted Subsidiary of the Company may temporarily reduce Indebtedness under a revolving credit facility, if any, or otherwise use such Net Cash Proceeds for any purpose not prohibited by this Indenture. Any Net Cash Proceeds from any Asset Sale that are not applied as provided and within the time period set forth in the first sentence of this Section 4.06(b) shall be deemed to constitute “Excess Proceeds.” When the aggregate amount of Excess Proceeds exceeds (i) \$150.0 million, in the case of a single transaction or a series of related transactions, or (ii) \$300.0 million aggregate amount in any fiscal year, the Issuers shall make an offer (an “Asset Sale Offer”) to all Holders of Securities and to all holders of any Pari Passu Indebtedness containing provisions similar to those set forth in this Indenture with respect to Asset Sales, to purchase the maximum principal amount of such Securities and such Pari Passu Indebtedness, as appropriate, that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof (or in the event such Pari Passu Indebtedness was issued with original issue discount, 100% of the principal amount thereof), plus accrued and unpaid interest, if any (or such lesser price, if any, as may be provided by the terms of such Pari Passu Indebtedness), to the date fixed for the closing of such offer, in accordance with the procedures set forth in this Section 4.06 and, in the case of Securities, is in a minimum amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. The Issuers shall commence an Asset Sale Offer with respect to Excess Proceeds within ten Business Days after the date that Excess Proceeds exceed (i) \$150.0 million, in the case of a single transaction or a series of related transactions, or (ii) \$300.0 million aggregate amount in any fiscal year by sending the notice required pursuant to the terms of Section 4.06(f), with a copy to the Trustee. If the aggregate principal amount of Securities or the other Pari Passu Indebtedness surrendered by such Holders and holders thereof exceeds the amount of Excess Proceeds, the Issuers shall select the Securities and such other Pari Passu Indebtedness to be purchased on a pro rata basis based on the principal amount of the Securities or such other Pari Passu Indebtedness tendered. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero, and in the case of an Asset Sale Offer being effected in advance of being required to do so by this Indenture, the amount of Net Cash Proceeds the Issuers are offering to apply in such Asset Sale Offer shall be excluded in subsequent calculations of Excess Proceeds.

(c) The Issuers shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws or regulations are applicable in connection with the repurchase of the Securities pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuers shall comply with the applicable securities laws and regulations and shall not be deemed to have breached their obligations described in this Indenture by virtue thereof.

(d) Not later than the date upon which written notice of an Asset Sale Offer is delivered to the Trustee as provided above, the Company shall deliver to the Trustee an Officer’s Certificate as to (i) the amount of the Excess Proceeds, (ii) the allocation of the Net Cash Proceeds from the Asset Sale (or Asset Sales) pursuant to which such Asset Sale Offer is being made and (iii) the compliance of such allocation with the provisions of Section 4.06(b). Upon the expiration of the period for which the Asset Sale Offer remains open (the “Offer Period”), the Company shall deliver to the Trustee for cancellation the Securities or portions thereof that have been properly tendered to and are to be accepted by the Company. On such date, the Company

shall also irrevocably deposit with the Paying Agent (or, if the Company or a Wholly Owned Restricted Subsidiary is acting as a Paying Agent, segregate and hold in trust) a sum sufficient to pay the purchase price for the Securities or portions thereof that have been properly tendered to and are to be accepted by the Company pursuant to such Asset Sale Offer. The Trustee (or a Paying Agent, if not the Trustee) shall, on the date of purchase, mail or deliver payment to each tendering Holder in the amount of the purchase price for such Securities. In the event that the Excess Proceeds delivered by the Company to the Paying Agent is greater than the purchase price of the Securities tendered, the Trustee shall deliver the excess to the Company on the Business Day following the expiration of the Offer Period.

(e) Holders electing to have a Security purchased shall be required to surrender the Security, with an appropriate form duly completed, to the Company at the address specified in the notice of an Asset Sale Offer at least three Business Days prior to the purchase date. Holders shall be entitled to withdraw their election if the Trustee or the Company receives, not later than two Business Days prior to the purchase date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Security which was delivered by the Holder for purchase and a statement that such Holder is withdrawing his election to have such Security purchased. If at the end of the Offer Period more Securities are tendered pursuant to an Asset Sale Offer than the Issuers are required to purchase, selection of such Securities for purchase shall be made by the Issuers in compliance with the requirements of the principal national securities exchange, if any, on which such Securities are listed, or if such Securities are not listed, by lot or such other method as the Issuers shall deem fair and appropriate (and in such manner as complies with applicable requirements of the Depository); *provided* that the Issuers shall not select Securities for purchase which would result in a Holder with a principal amount of Securities less than the minimum denomination to the extent practicable.

(f) Notices of an Asset Sale Offer shall be mailed by first class mail, postage prepaid, at least 30 but not more than 60 days before the purchase date to each Holder of Securities (with a copy to the Trustee) at such Holder's registered address (or otherwise in accordance with the Depository's procedures). If any Security is to be purchased in part only, any notice of purchase that relates to such Security shall state the portion of the principal amount thereof that has been or is to be purchased.

(g) A new Security in principal amount equal to the unpurchased portion of any Security purchased in part shall be issued in the name of the Holder thereof upon cancellation of the original Security; *provided* that global Securities will be reduced in accordance with the applicable procedures of The Depository Trust Company to reflect the unpurchased portion of any such Security. On and after the purchase date, unless the Issuers default in payment of the purchase price, interest shall cease to accrue on Securities or portions thereof purchased.

SECTION 4.07. Transactions with Affiliates.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction or series of transactions, contract, agreement, loan, advance or guarantee with any Affiliate of the Company (each of the foregoing, an “Affiliate Transaction”) involving aggregate consideration in excess of \$50 million, unless:

(i) such Affiliate Transaction is on terms, taken as a whole, that are not materially less favorable to the Company or the relevant Restricted Subsidiary than those that could reasonably have been obtained in a comparable transaction at the time of such transaction (or if earlier, the date on which such transaction is contractually agreed) by the Company or such Restricted Subsidiary with an unrelated Person; and

(ii) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$75 million, the Company delivers to the Trustee a resolution adopted in good faith by the majority of the Board of Directors of the Company or any direct or indirect parent of the Company, approving such Affiliate Transaction and set forth in an Officer’s Certificate certifying that such Affiliate Transaction complies with clause (i) above (which resolution, if adopted by a majority of the Disinterested Directors shall be conclusive evidence of compliance with clause (i) above).

(b) The provisions of Section 4.07(a) shall not apply to the following:

(i) (A) transactions between or among the Company, the Co-Issuers and/or any of the Restricted Subsidiaries or any Person that becomes a Restricted Subsidiary as a result of the applicable transactions and (B) any merger of the Company and any direct parent of the Company; *provided* that such direct parent shall have no material liabilities and no material assets other than cash, Cash Equivalents and the Capital Stock of the Company (if applicable) and such merger is otherwise in compliance with the terms of this Indenture and effected for a bona fide business purpose;

(iv) transactions in which the Company or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or meets the requirements of clause (i) of Section 4.07(a);

(v) payments or loans (or cancellation of loans) to employees or consultants in the ordinary course of business which are approved by a majority of the Board of Directors of the Company in good faith;

(vi) any agreement as in effect as of the Issue Date or any amendment thereto (so long as any such agreement together with all amendments thereto, taken as a whole, is not more disadvantageous to the Holders of the Securities in any material respect than the original agreement as in effect on the Issue Date) or any transaction contemplated thereby;

(vii) the existence of, or the performance by the Company or any of its Restricted Subsidiaries of its obligations under the terms of, any stockholders agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date and any amendment thereto or similar agreements which it may enter into thereafter; *provided, however*, that the existence of, or the performance by the Company or any of its Restricted Subsidiaries of its obligations under, any future amendment to any such existing agreement or under any similar agreement entered into after the Issue Date shall only be permitted by this clause (vii) to the extent that the terms of any such existing agreement together with all amendments thereto, taken as a whole, or new agreement are not otherwise more disadvantageous to the Holders of the Securities in any material respect than the original agreement as in effect on the Issue Date;

(viii) (A) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture, which are fair to the Company and its Restricted Subsidiaries in the reasonable determination of the Board of Directors or the senior management of the Company, and are on terms at least as favorable that could reasonably have been obtained at such time from an unaffiliated party (determined at the time such transaction is entered into, or, if earlier, the date such transaction is contractually agreed) or (B) transactions with joint ventures or Unrestricted Subsidiaries entered into in the ordinary course of business;

(ix) any transaction effected as part of a Qualified Receivables Financing, including dispositions and repurchases of assets;

(x) the issuance of Equity Interests (other than Disqualified Stock) of the Company and the granting of registration rights and other customary rights in connection therewith or any contribution to capital of the Company or any Restricted Subsidiary;

(xi) (A) the entering into of any agreement (and any amendment or modification of any such agreement) to pay, and the payment of, annual management, consulting, monitoring and advisory fees to the Equity Investors in an aggregate amount in any fiscal year not to exceed the greater of (1) \$75 million and (2) 3.0% of EBITDA for such fiscal year, plus all out-of-pocket reasonable expenses incurred by the Equity Investors or any of their Affiliates in connection with the performance of management, consulting, monitoring, advisory or other services with respect to the Company and its Restricted Subsidiaries and (B) the payment to the Equity Investors or an Affiliate of the Equity Investors for the reasonable out-of-pocket costs of actual and necessary reasonable out-of-pocket legal, accounting, insurance, marketing, financial and similar types of services paid for by the Equity Investors or such Affiliate on behalf of the Company or any Restricted Subsidiary of the Company;

(xii) payments by the Company or any of its Restricted Subsidiaries to the Equity Investors made for any financial advisory, financing, consulting, underwriting or placement services or in respect of other investment banking or advisory activities, including, without limitation, in connection with operations, management, acquisitions, divestitures or other financing arrangements, which payments are approved by a majority of the Board of Directors of the Company or any direct or indirect parent of the Company in good faith;

(xvii) any employment agreements, pension plans or other employee benefit plans or arrangements entered into by the Company or any of its Restricted Subsidiaries in the ordinary course of business;

(xix) in the case of Section 4.04(b)(xix), the entering into any tax sharing agreement or arrangement with respect to such payments;

(xx) transactions entered into in good faith which provide for shared employees, services and/or facilities arrangements and which provide cost savings and/or other operational efficiencies;

(xxiv) transactions contractually agreed to between an Unrestricted Subsidiary with an Affiliate prior to the day such Unrestricted Subsidiary is redesignated as a Restricted Subsidiary.

SECTION 4.08. Change of Control Triggering Event.

(a) Upon the occurrence of a Change of Control Triggering Event, each Holder shall have the right to require the Issuers to repurchase all or any part of such Holder's Securities at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the date of repurchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date occurring on or prior to the redemption date), in accordance with the terms contemplated in this Section 4.08; *provided, however,* that notwithstanding the occurrence of a Change of Control Triggering Event, the Issuers shall not be obligated to purchase any Securities pursuant to this Section 4.08 in the event that they have exercised (by sending notice of or completing such redemption) their right to redeem such Securities in accordance with Article 3 of this Indenture.

(b) Within 30 days following any Change of Control Triggering Event, except to the extent that the Issuers have exercised (by sending notice of or completing such redemption) their right to redeem the Securities in accordance with Article 3 of this Indenture, the Issuers shall send a notice (a "Change of Control Offer") to each Holder with a copy to the Trustee stating:

(i) that a Change of Control Triggering Event has occurred and that such Holder has the right to require the Issuers to purchase all or a portion of such Holder's Securities at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the date of purchase (subject to the right of Holders of record on a record date to receive interest on the relevant interest payment date);

(ii) the circumstances and relevant facts and information regarding such Change of Control Triggering Event;

(iii) the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is sent); and

(iv) the instructions determined by the Issuers, consistent with this Section 4.08, that a Holder must follow in order to have its Securities purchased.

(c) Holders electing to have a Security purchased shall be required to surrender the Security, with an appropriate form duly completed, to the Issuers at the address specified in the Change of Control Offer at least three Business Days prior to the purchase date. The Holders shall be entitled to withdraw their election if the Trustee or the Issuers receive not later than two Business Days prior to the purchase date a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Security which was delivered for purchase by the Holder and a statement that such Holder is withdrawing its election to have such Security purchased. Holders whose Securities are purchased only in part shall be issued new Securities equal in principal amount to the unpurchased portion of the Securities surrendered.

(d) On the purchase date, all Securities purchased by the Issuers under this Section 4.08 shall be delivered to the Trustee for cancellation, and the Issuers shall pay the purchase price plus accrued and unpaid interest to the Holders entitled thereto.

(e) Notwithstanding the foregoing provisions of this Section 4.08, the Issuers shall not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in Section 4.08(b) applicable to a Change of Control Offer made by the Issuers and purchases all Securities validly tendered and not withdrawn under such Change of Control Offer.

(f) At the time the Issuers deliver Securities to the Trustee that are to be accepted for purchase, the Issuers shall also deliver an Officer's Certificate stating that such Securities are to be accepted by the Issuers pursuant to and in accordance with the terms of this Section 4.08. A Security shall be deemed to have been accepted for purchase at the time the Trustee or the Paying Agent, directly or through an agent, mails or delivers payment therefor to the surrendering Holder.

(g) Prior to any Change of Control Offer, the Issuers shall deliver to the Trustee an Officer's Certificate stating that all conditions precedent contained herein to the right of the Issuers to make such offer have been complied with.

(h) The Issuers shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Securities pursuant to this Section 4.08. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.08, the Issuers shall comply with the applicable securities laws and regulations and shall not be deemed to have breached their obligations under this Section 4.08 by virtue thereof.

(i) A Change of Control Offer may be made in advance of a Change of Control Triggering Event, and conditioned upon such Change of Control Triggering Event (subject to any extensions to the extent set forth in the notice of such Change of Control Offer).

(j) If Holders of not less than 90% in aggregate principal amount of the outstanding Securities validly tender and do not withdraw such Securities in a Change of Control Offer and the Issuers, or any third party making a Change of Control Offer in lieu of the Issuers, purchase all of the Securities validly tendered and not withdrawn by such Holders, the Issuers or such third party shall have the right, upon not less than 30 nor more than 60 days' prior notice, which notice must be given not more than 30 days following such purchase pursuant to the Change of Control Offer, to redeem all Securities that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of redemption.

SECTION 4.09. Compliance Certificate. Commencing with the Company's 2022 fiscal year, the Issuers shall deliver to the Trustee within 120 days after the end of each fiscal year of the Company an Officer's Certificate stating that in the course of the performance by the signers of their duties as Officers of the Issuers they would normally have knowledge of any Default and whether or not the signers know of any Default that occurred during such period. If they do, the certificate shall describe the Default, its status and what action the Issuers are taking or propose to take with respect thereto.

SECTION 4.10. [Reserved].

SECTION 4.11. Subsidiary Guarantees. The Company shall cause each Restricted Subsidiary that is a wholly owned Domestic Subsidiary other than the Co-Issuers (unless such Subsidiary is not required to guarantee the Credit Facilities or is already a Subsidiary Guarantor) that:

- (a) guarantees any Indebtedness of the Company or any of their Restricted Subsidiaries; or
- (b) Incurs any Indebtedness or issues any shares of Disqualified Stock,

in each case, other than (i) Indebtedness Incurred pursuant to the Non-Guarantor Exception and (ii) any Permitted Debt referred to in Section 4.03(b), to execute and deliver to the Trustee, a supplemental indenture in the form of Exhibit C hereto pursuant to which such Subsidiary shall guarantee payment of the Securities. The Indebtedness and Disqualified Stock referenced in clauses (a) and (b) of this Section 4.11 shall be referred to as "Reference Indebtedness."

SECTION 4.12. Limitation on Liens.

(a) Neither the Company nor any of its Restricted Subsidiaries may issue, assume or guarantee any Indebtedness secured by a Lien (other than a Permitted Lien) upon any asset or property of the Company or such Restricted Subsidiary or on any evidences of Indebtedness or shares of Capital Stock of, or other ownership interests in, any Restricted Subsidiary (regardless of whether the asset, property, Indebtedness, Capital Stock or ownership interests were acquired before or after the date hereof) without effectively providing that all of the Securities or Guarantees then outstanding, as the case may be, shall be secured equally and ratably with (or prior to) the Indebtedness so long as such Indebtedness shall be so secured.

This Section 4.12(a) will not require the Company or any Restricted Subsidiary to secure the Securities if the relevant Lien consists of a Permitted Lien. Any Lien which is granted to secure the Securities or such Subsidiary Guarantee under this Section 4.12(a) shall be automatically released and discharged at the same time as the release of the Lien that gave rise to the obligation to secure the Securities or such Subsidiary Guarantee under this Section 4.12(a).

(b) Notwithstanding the foregoing, in the event that Rule 3-16 of Regulation S-X under the Securities Act requires (or is replaced with another rule or regulation or any other law, rule or regulation is adopted, which would require) the filing with the SEC (or any other governmental agency) of separate financial statements of any Restricted Subsidiary of the Company due to the fact that such Restricted Subsidiary's Capital Stock secures the Securities, then the Capital Stock of such Restricted Subsidiary shall at such time automatically be deemed not to be part of the collateral that would secure the Securities pursuant to this covenant, but only to the extent necessary to not be subject to such requirement.

(c) For purposes of this Section 4.12, if any Lien would be permitted pursuant to one or more of the exceptions contained in the definition of "Permitted Lien," the Company may classify such Lien in any manner that complies with this covenant and may later reclassify any such Lien so long as such Lien (as so reclassified) would be permitted to be made in reliance on the applicable exception as of the date of such reclassification.

SECTION 4.13. Maintenance of Office or Agency.

(a) The Company shall maintain in the United States, an office or agency (which may be an office of the Trustee or an affiliate of the Trustee or Registrar) where Securities may be surrendered for registration of transfer or for exchange. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency (in each case, if not the office of the Trustee). If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the corporate trust office of the Trustee as set forth in Section 11.02; *provided, however*, no service of legal process may be made on the Issuers at an office of the Trustee.

(b) The Company may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Issuers hereby designate the corporate trust office of the Trustee or its agent, as such office or agency of the Issuers in accordance with Section 2.04.

SECTION 4.14. Applicability and Discharge of Covenants.

(a) If on any date following the Issue Date (i) the Securities have Investment Grade Ratings from both Rating Agencies, and (ii) no Default or Event of Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "Covenant Termination Event"), Section 4.03, Section 4.04, Section 4.06 and Section 4.07 shall not at any time thereafter be applicable to such Securities.

(b) The Issuers shall provide written notice to the Trustee of the occurrence of any Covenant Termination Event, but no Default or Event of Default shall occur as a result of the failure to provide such notice. The Trustee shall have no obligation to (1) independently determine or verify if such events have occurred or (2) notify the Holders of the Securities of the occurrence of a Covenant Termination Event.

ARTICLE 5

CONSOLIDATION, MERGER, CONVEYANCE, TRANSFER OR LEASE

SECTION 5.01. Company May Consolidate, Etc., Only on Certain Terms.

No Issuer shall (1) consolidate or merge with or into another Person or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Company and its Subsidiaries, taken as a whole, in one or more related transactions, to another Person, unless:

(a) either (i) an Issuer is the surviving Person, in the case of a merger or consolidation or (ii) the successor or transferee (the “Successor Issuer”) is a corporation, partnership or limited liability company organized and existing under the laws of the United States, any State thereof or the District of Columbia and the Successor Issuer shall expressly assume, by an indenture supplemental hereto or other agreement, executed and delivered to the Trustee, all of the obligations of such Issuer under the Securities and this Indenture; *provided* if the Successor Issuer is not a corporation, a co-obligor of the Securities shall be a corporation;

(b) no Default or Event of Default exists immediately after such transaction; and

(c) the Issuers have delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel conforming to the provisions of Section 11.04 hereof and each stating that such consolidation, merger, or transfer and such supplemental indenture and other agreement (if any) comply with this provision and that all conditions precedent herein provided for relating to such transaction have been complied with.

SECTION 5.02. Successor Issuer Substituted.

The Successor Issuer shall succeed to, and be substituted for, and may exercise every right and power of, an Issuer under this Indenture, with the same effect as if the Successor Issuer had been an original party to this Indenture, and such Issuer shall be released from all its liabilities and obligations under this Indenture and the Securities.

SECTION 5.03. Subsidiary Guarantors May Consolidate, Etc., Only on Certain Terms.

No Subsidiary Guarantor shall consolidate with or merge with or into (whether or not such Subsidiary Guarantor is the surviving Person) another corporation or other Person, whether or not affiliated with such Subsidiary Guarantor unless:

(i) subject to Section 10.08, the Person formed by or surviving any such consolidation or merger (if other than such Subsidiary Guarantor) assumes all the obligations of such Subsidiary Guarantor under the Subsidiary Guarantee and this Indenture pursuant to a supplemental indenture;

(ii) immediately after giving effect to such transaction, no Default or Event of Default exists; and

(iii) the Issuers shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture comply with this Indenture and that all conditions precedent herein provided that relate to such transaction have been complied with.

ARTICLE 6

DEFAULTS AND REMEDIES

SECTION 6.01. Events of Default. "Event of Default" wherever used herein with respect to the Securities means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law, pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) default in the payment of any interest upon the Securities when it becomes due and payable, and continuance of such default for a period of 30 calendar days,

(b) default in the payment of principal of (or premium, if any, on) the Securities at their Stated Maturity (upon acceleration, optional or mandatory redemption, upon declaration or otherwise),

(c) [reserved],

(d) the acceleration of the maturity of any Indebtedness of an Issuer or any Subsidiary Guarantor (other than Non-recourse Indebtedness), at any one time, in an amount in excess of \$150 million; *provided* that in the event of any Event of Default specified in this clause (d), such Event of Default and all consequences thereof (excluding, however, any resulting payment default, other than as a result of the acceleration of the Securities) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders of the Securities, if within 30 days after such Event of Default arose the Issuers deliver an Officer's Certificate to the Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged or (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the Default that is the basis for such Event of Default has been cured,

(e) failure by an Issuer or any Subsidiary Guarantor to pay final and non-appealable judgments aggregating in excess of \$150 million or its foreign currency equivalent (net of any amounts which are covered by indemnities or insurance policies issued by solvent carriers), which judgments are not discharged, waived or stayed for a period of 60 days,

(f) default in the performance, or breach, of any covenant or warranty of the Company or any of its Restricted Subsidiaries in this Indenture (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section specifically dealt with), and continuance of such default or breach for a period of 60 calendar days (or, in the case of the failure to comply with Section 4.02, 90 days) after there has been given, by registered or certified mail, to the Issuers by the Trustee or to the Issuers and the Trustee by the Holders of at least 30% in principal amount of the outstanding Securities, a written notice specifying such Default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder,

(g) the Company or any Significant Subsidiary of the Company (including any Co-Issuer) pursuant to or within the meaning of any Bankruptcy Law:

(i) commences a voluntary case;

(ii) consents to the entry of an order for relief against it in an involuntary case;

(iii) consents to the appointment of a Custodian of it or for any substantial part of its property; or

(iv) makes a general assignment for the benefit of its creditors or takes any comparable action under any foreign laws relating to insolvency, or

(h) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(i) is for relief against the Company or any Significant Subsidiary of the Company (including any Co-Issuer) in an involuntary case;

(ii) appoints a Custodian of the Company or any Significant Subsidiary of the Company (including any Co-Issuer) or for any substantial part of its property; or

(iii) orders the winding up or liquidation of the Company or any Significant Subsidiary of the Company (including any Co-Issuer);

or any similar relief is granted under any foreign laws and, in each such case, the order or decree remains unstayed and in effect for 90 days.

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

The term "Custodian" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

SECTION 6.02. Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.01(g) or (h) with respect to an Issuer) occurs and is continuing, the Trustee by written notice to the Issuers or the Holders of at least 30% in principal amount of outstanding Securities by written notice to the Issuers and the Trustee, may declare the principal of, premium, if any, and accrued but unpaid interest on all the Securities to be due and payable. Upon such a declaration, such principal, premium and interest shall be due and payable immediately. If an Event of Default specified in Section 6.01(g) or (h) with respect to an Issuer occurs, the principal of, premium, if any, and interest on all the Securities shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

At any time after such a declaration of acceleration with respect to the Securities has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article 6 provided, the Holders of a majority in aggregate principal amount of the Securities, by written notice to the Issuers and the Trustee, may rescind and annul such declaration and its consequences if:

(1) the Issuers have paid or deposited with the Trustee a sum sufficient to pay:

(A) all overdue interest on the Securities,

(B) the principal of and premium, if any, on the Securities which have become due otherwise than by such declaration of acceleration and any interest thereon at the rate or rates prescribed therefor in the Securities,

(C) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate or rates prescribed therefor in the Securities, and

(D) all sums paid or advanced by the Trustee hereunder and the compensation, reasonable expenses, disbursements and advances of the Trustee, its agents and counsel; and

(2) all Events of Default with respect to the Securities, other than the non-payment of the principal of and premium, if any, on the Securities which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 6.04.

No such rescission shall affect any subsequent Default or impair any right consequent thereto.

SECTION 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy at law or in equity to collect the payment of principal of or interest on the Securities or to enforce the performance of any provision of the Securities or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Securities or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

SECTION 6.04. Waiver of Past Defaults. The Holders of a majority in principal amount of the Securities by notice to the Trustee may waive an existing Default or Event of Default and its consequences except (1) in the payment of the principal of or premium, if any, or interest on the Securities, or (2) a Default or Event of Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each Holder affected, in which case each Holder so affected must waive such Default or Event of Default (but excluding, for the avoidance of doubt, a payment Event of Default occurring as a result of the acceleration of the Securities, which may be rescinded pursuant to Section 6.02). When a Default or Event of Default is waived, such Default or Event of Default shall cease to exist, and any such Default or Event of Default shall be deemed to have been cured for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

SECTION 6.05. Control by Majority. The Holders of a majority in principal amount of the Securities then outstanding may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability; *provided, however*, that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. Prior to taking any action under this Indenture, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses, liabilities and expenses caused by taking or not taking such action.

SECTION 6.06. Limitation on Suits.

(a) No Holder shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver, assignee, trustee, liquidator or sequestrator (or similar official) or for any other remedy hereunder, unless:

- (i) the Holder gives to the Trustee written notice stating that an Event of Default is continuing;
- (ii) the Holders of at least 30% in principal amount of the Securities then outstanding make a written request to the Trustee to pursue the remedy;
- (iii) such Holder or Holders offer to the Trustee security or indemnity satisfactory to it against any loss, liability or expense;
- (iv) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of security or indemnity; and
- (v) the Holders of a majority in principal amount of the Securities do not give the Trustee a written direction inconsistent with the request prior to the expiration of such 60-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

SECTION 6.07. Right of the Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of and interest on the Securities held by such Holder, on or after the respective due dates expressed or provided for in the Securities, or to bring suit for the enforcement of any such payment on or after such respective dates, shall be absolute and unconditional, and such right shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuers or any other obligor on the Securities for the whole amount then due and owing (together with interest on overdue principal and (to the extent lawful) on any unpaid interest at the rate provided for in the Securities) and the amounts provided for in Section 7.07.

SECTION 6.09. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation, expenses disbursements and advances of the Trustee (including counsel, accountants, experts or such other professionals as the Trustee deems reasonably necessary, advisable or appropriate)) and the Holders allowed in any judicial proceedings relative to the Issuers or any Guarantor, their creditors or their property, shall be entitled to participate as a member, voting or otherwise, of any official committee of creditors appointed in such matters and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.07. Nothing in this Indenture will be deemed to empower the Trustee to authorize or consent to, or accept or adopt on behalf of any Holder, any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.10. Priorities. If the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money or property in the following order:

FIRST: to the Trustee for amounts due under Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Securities for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for principal and interest, respectively; and

THIRD: to the Company or, to the extent the Trustee collects any amount for any Subsidiary Guarantor, to such Subsidiary Guarantor.

The Trustee, upon prior written notice to the Issuers and the Subsidiary Guarantors, may fix a record date and payment date for any payment to the Holders pursuant to this Section 6.10. At least 15 days before such record date, the Trustee shall send to each Holder and the Company a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by an Issuer, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Securities then outstanding.

ARTICLE 7

TRUSTEE

SECTION 7.01. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of certificates or opinions required by any provision hereof to be provided to it, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to this Section 7.01 and Section 7.02.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuers.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

SECTION 7.02. Rights of Trustee.

(a) The Trustee may conclusively rely on any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel.

(c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it reasonably believes to be authorized or within its rights or powers; *provided, however*, that the Trustee's conduct does not constitute willful misconduct or negligence.

(e) The Trustee may consult with counsel of its own selection and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Securities shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in reliance on the advice or opinion of such counsel.

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, debenture, note or other paper or document unless requested (and subject to clause (g) below) in writing to do so by the Holders of not less than a majority in principal amount of the Securities at the time outstanding, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuers, personally or by agent or attorney, at the expense of the Issuers and shall incur no liability of any kind by reason of such inquiry or investigation.

(g) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense which might be incurred by it in compliance with such request or direction.

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(i) [Reserved].

(j) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit), irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(k) The permissive rights of the Trustee enumerated herein shall not be construed as duties.

(l) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage; epidemics; riots; interruptions; loss or malfunction of utilities, computer (hardware or software) or communication services; accidents; labor disputes; and acts of civil or military authorities and governmental action.

(m) The Trustee shall be under no obligation to effect or maintain insurance or to renew any policies of insurance or to inquire as to the sufficiency of any policies of insurance carried by the Issuers or any Guarantor, or to report, or make or file claims or proof of loss for, any loss or damage insured against or that may occur, or to keep itself informed or advised as to the payment of any taxes or assessments, or to require any such payment to be made.

(n) The Trustee may reasonably request that the Issuers deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any Person authorized to sign an Officer's Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(o) Neither the Trustee nor any of its directors, officers, employees, agents or affiliates shall be responsible for nor have any duty to monitor the performance or any action of the Issuers or any Guarantor, or any of their respective directors, members, officers, agents, affiliates or employee, nor shall it have any liability in connection with the malfeasance or nonfeasance by such party. The Trustee shall not be responsible for any inaccuracy in the information obtained from the Issuers or any Guarantor or for any inaccuracy or omission in the records which may result from such information or any failure by the Trustee to perform its duties as set forth herein as a result of any inaccuracy or incompleteness.

(p) The Trustee shall be entitled to request and receive written instructions from the Issuers (prior to an Event of Default) or the Holders of a majority in principal amount of the Securities (after an Event of Default) and shall have no responsibility or liability for any losses or damages of any nature that may arise from any action taken or not taken by the Trustee in accordance with the written direction of such Person(s).

SECTION 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Issuers or their Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent or Registrar may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

SECTION 7.04. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, any Guarantee or the Securities, it shall not be accountable for the Issuers' use of the proceeds from the Securities, and it shall not be responsible for any statement of the Issuers or any Guarantor in this Indenture or in any document issued in connection with the sale of the Securities or in the Securities other than the Trustee's certificate of authentication. The Trustee shall not be charged with knowledge of any Default or Event of Default under Sections 6.01(d), (e), (f), (g) or (h) of the identity of any Significant Subsidiary unless either (a) a Trust Officer shall have actual knowledge thereof or (b) the Trustee shall have received notice thereof in accordance with Section 11.02 from the Issuers, any Guarantor or any Holder.

SECTION 7.05. Notice of Defaults. If a Default occurs and is continuing and if it is actually known to a Trust Officer, the Trustee shall send to each Holder notice of the Default within the later of 90 days after it occurs and 30 days after it is actually known to a Trust Officer or written notice of it is received by the Trustee. Except in the case of a Default in the payment of principal of, premium (if any) or interest on any Security, the Trustee may withhold the notice if and so long as a committee of its Trust Officers in good faith determines that withholding the notice is in the interests of the Holders.

SECTION 7.06. [Reserved].

SECTION 7.07. Compensation and Indemnity. The Company shall pay to the Trustee, as agreed upon in writing, from time to time reasonable compensation for its services. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee promptly following receipt of written request therefor upon request for all reasonable and documented out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the compensation and reasonable and documented out-of-pocket expenses, disbursements and advances of the Trustee's agents, counsel (limited to

one law firm and one local counsel), accountants and experts. The Issuers and each Guarantor, jointly and severally, shall indemnify and hold harmless the Trustee against any and all loss, liability, claim, damage or expense (including reasonable attorneys' fees and expenses) incurred by or in connection with the acceptance or administration of this trust and the performance of its duties hereunder, including the costs and expenses of enforcing this Indenture or Guarantee against the Issuers or a Guarantor (including this Section 7.07) and defending itself against or investigating any claim (whether asserted by any Issuer, any Guarantor, any Holder or any other Person). The Trustee shall notify the Issuers of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof; *provided, however*, that any failure so to notify the Issuers shall not relieve any Issuer or any Guarantor of its indemnity obligations hereunder. The Issuers shall defend the claim and the indemnified party shall provide reasonable good faith cooperation at the Issuers' reasonable expense in the defense. The Trustee may have separate counsel and the Issuers and the Guarantors, as applicable, shall pay the fees and reasonable and documented out-of-pocket expenses of such counsel; *provided, however*, that the Issuers shall not be required to pay such fees and expenses if they assume the Trustee's defense and, in the reasonable judgment of outside counsel to the Trustee, there is no actual or potential legal conflict of interest between the Issuers and the Guarantors, on the one hand, and the Trustee on the other hand, in connection with such defense. Neither the Issuers nor the Guarantors shall be required to reimburse any expense or indemnify against any loss, liability or expense (a) incurred by an indemnified party through such party's own willful misconduct or negligence or (b) if it is the result of the settlement of a claim for which indemnification may be sought hereunder and the Trustee shall have settled such claim without the Issuers' consent (such consent not to be unreasonably withheld).

To secure the Issuers' and the Guarantors' payment obligations in this Section 7.07, the Trustee shall have a Lien prior to the Securities on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Securities.

The Issuers' and the Guarantors' payment obligations pursuant to this Section 7.07 shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any bankruptcy law or the resignation or removal of the Trustee. Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(g) or (h) with respect to the Issuers, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

SECTION 7.08. Replacement of Trustee.

(a) The Trustee may resign at any time by so notifying the Issuers. The Holders of a majority in principal amount of the Securities may remove the Trustee by so notifying the Trustee in writing and may appoint a successor Trustee, with the Issuers' written consent, which consent will not be unreasonably withheld. The Issuers may remove the Trustee if:

- (i) the Trustee fails to comply with Section 7.10;

- (ii) the Trustee is adjudged bankrupt or insolvent;
- (iii) a receiver or other public officer takes charge of the Trustee or its property; or
- (iv) the Trustee otherwise becomes incapable of acting.

If the Trustee has or shall acquire a conflicting interest within the meaning of the TIA, the Trustee shall either eliminate such interest or resign, to the extent and in the manner provided by, and subject to the provisions of, the TIA and this Indenture.

(b) If the Trustee resigns, is removed by the Issuers or by the Holders of a majority in principal amount of the Securities and such Holders do not reasonably promptly appoint a successor Trustee with the Issuers' written consent, which consent will not be unreasonably withheld, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuers shall promptly appoint a successor Trustee.

(c) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to the Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the Lien provided for in Section 7.07.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in principal amount of the Securities may petition at the expense of the Issuers any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee fails to comply with Section 7.10, unless the Trustee's duty to resign is stayed as provided in Section 310(b) of the TIA, any Holder who has been a bona fide holder of a Security for at least six months may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) Notwithstanding the replacement of the Trustee pursuant to this Section, the Issuers' obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Securities shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Securities so authenticated; and in case at that time any of the Securities shall not have been authenticated, any successor to the Trustee may authenticate such Securities either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Securities or in this Indenture provided that the certificate of the Trustee shall have.

SECTION 7.10. Eligibility; Disqualification. The Trustee shall at all times satisfy the requirements of Section 310(a) of the TIA. The Trustee shall have a combined capital and surplus of at least \$100,000,000 as set forth in its most recent published annual report of condition. The Trustee shall comply with Section 310(b) of the TIA, subject to its right to apply for a stay of its duty to resign under the penultimate paragraph of Section 310(b) of the TIA; *provided, however*, that there shall be excluded from the operation of Section 310(b)(1) of the TIA any series of securities issued under this Indenture and any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Issuers are outstanding if the requirements for such exclusion set forth in Section 310(b)(1) of the TIA are met.

SECTION 7.11. Preferential Collection of Claims Against the Issuers. The Trustee shall comply with Section 311(a) of the TIA, excluding any creditor relationship listed in Section 311(b) of the TIA. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the TIA to the extent indicated.

ARTICLE 8

DISCHARGE OF INDENTURE; DEFEASANCE

SECTION 8.01. Satisfaction and Discharge of Indenture.

This Indenture shall, upon Issuers Request, terminate and cease to be of further effect with respect to the Securities (except as to any surviving rights of registration of transfer or exchange of the Securities herein expressly provided for and rights to receive payments of principal (and premium, if any) and interest on the Securities) and the Trustee, at the expense of the Issuers, shall execute such instruments acknowledging satisfaction and discharge of this Indenture, when:

(a) either

(i) all Securities theretofore authenticated and delivered (other than (i) Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.08, and (ii) Securities the payment for which money has theretofore been deposited in trust or segregated and held in trust by the Issuers and thereafter repaid to the Issuers or discharged from such trust) have been delivered to the Trustee for cancellation; or

(ii) all Securities not theretofore delivered to the Trustee for cancellation,

(1) have become due and payable, or

(2) will become due and payable at their Stated Maturity within one year, or

(3) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice by the Trustee in the name, and at the expense, of the Issuers;

(b) the Issuers, in the case of subclause (2) or (3) of clause (a)(ii) of this Section 8.01, have irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust for such purpose an amount sufficient to pay and discharge the entire Indebtedness on such Securities for principal (and premium, if any) and interest (and, for the avoidance of doubt, such interest amount shall be calculated based on the interest rate in effect on the date of such deposit) to the date of such deposit (in the case of Securities which have become due and payable) or to the Stated Maturity or redemption date, as the case may be; *provided, however*, in the event a petition for relief under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, is filed with respect to any Issuer within 91 days after the deposit and the Trustee is required to return the deposited money to such Issuer, the obligations of the Issuers under this Indenture with respect to such Securities shall not be deemed terminated or discharged;

(c) the Issuers have paid or caused to be paid all other sums payable hereunder by the Issuers; and

(d) the Issuers have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Issuers to the Trustee under Section 7.07, the obligations of the Issuers under Section 4.01, and, if money shall have been deposited with the Trustee pursuant to clause (b) of this Section 8.01, the obligations of the Trustee under Section 8.02 (until payments are made by the Trustee thereunder), shall survive.

SECTION 8.02. Application of Trust Money. All money deposited with the Trustee pursuant to Section 8.01 shall be held in trust and applied by it, in accordance with the provisions of the Securities, and this Indenture, to the payment, either directly or through any Paying Agent (including an Issuer acting as Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee.

SECTION 8.03. Applicability of Article. Except as otherwise provided in Section 8.04, the Issuers may terminate their obligations under the Securities and this Indenture as set forth in Section 8.04.

SECTION 8.04. Defeasance Upon Deposit of Money or U.S. Government Obligations. At the Issuers' option, either (1) the Issuers shall be deemed to have been Discharged (as defined below) from their obligations with respect to Securities and the Subsidiary Guarantors shall be deemed to have been discharged from their obligations under

their Guarantees in respect of the Securities (“legal defeasance option”) or (2) the Issuers shall cease to be under any obligation to comply with any term, provision or condition set forth in Sections 4.02, 4.03, 4.04, 4.06, 4.07, 4.08, 4.11 and 4.12 and the operation of Article 5 and Section 6.01(d), 6.01(f) (with respect to any Default under Sections 4.02, 4.03, 4.04, 4.06, 4.07, 4.08, 4.11 and 4.12), 6.01(g) (with respect to Significant Subsidiaries of the Company only) and 6.01(h) (with respect to Significant Subsidiaries of the Company only), in respect of the Securities (“covenant defeasance option”) at any time after the applicable conditions set forth below have been satisfied:

(a) the Issuers shall have deposited or caused to be deposited irrevocably with the Trustee as trust funds in trust for, and dedicated solely to, the benefit of the Holders of the Securities (i) money in an amount, or (ii) U.S. Government Obligations which through the payment of interest and principal in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, money in an amount, or (iii) a combination of (i) and (ii), sufficient, in the opinion (with respect to clauses (i) and (ii)) of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge each installment of principal (including any mandatory sinking fund payments) of and premium, if any, and interest (and, for the avoidance of doubt, such interest amount shall be calculated based on the interest rate in effect on the date of such deposit) on, the outstanding Securities on the dates such installments of interest or principal and premium are due;

(b) [reserved];

(c) such deposit will not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which any Issuer or any Subsidiary Guarantor is a party or by which it is bound;

(d) if the Securities are then listed on any national securities exchange, the Issuers shall have delivered to the Trustee an Opinion of Counsel or a letter or other document from such exchange to the effect that the Issuers’ exercise of their option under this Section 8.04 would not cause such Securities to be delisted;

(e) no Event of Default or Default shall have occurred and be continuing on the date of such deposit and, with respect to the legal defeasance option only, no Event of Default under Section 6.01(g) or Section 6.01(h) or event which with the giving of notice or lapse of time, or both, would become an Event of Default under Section 6.01(g) or Section 6.01(h) shall have occurred and be continuing on the 91st day after such date;

(f) with respect to the legal defeasance option, the Issuers shall have delivered to the Trustee an Opinion of Counsel or a ruling from the Internal Revenue Service to the effect that the Holders of the Securities will not recognize income, gain or loss for United States federal income tax purposes as a result of such deposit, defeasance or Discharge. Notwithstanding the foregoing, if the Issuers exercise their covenant defeasance option and an Event of Default under Section 6.01(g) or Section 6.01(h) or event which, with the giving of notice or lapse of time, or both, would become an Event of Default under Section 6.01(g) or Section 6.01(h) shall have occurred and be continuing on the 91st day after the date of such deposit, the obligations of the Issuers and the Subsidiary Guarantors referred to under the definition of “covenant defeasance option” with respect to such Securities shall be reinstated;

(g) the Issuers shall have delivered to the Trustee an Officer's Certificate certifying the conditions set forth in clauses (a) through (f) of this Section 8.04 have been satisfied; and

(h) the Issuers shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the legal defeasance or the covenant defeasance, as the case may be, have been complied with.

"Discharged" means that the Issuers and the Subsidiary Guarantors shall be deemed to have paid and discharged the entire indebtedness represented by, and obligations under, the Securities and the Guarantees in respect of the Securities and to have satisfied all the obligations under this Indenture in respect of the Securities (and the Trustee, at the expense of the Issuers, shall execute such instruments acknowledging the same), except (i) the rights of Holders of Securities to receive, from the trust fund described in clause (a) above, payment of the principal of (and premium, if any) and interest on such Securities when such payments are due, (ii) the Issuers' obligations with respect to the Securities under Sections 2.07, 2.08, 2.10 and 8.05 and (c) the rights, powers, trusts, duties and immunities of the Trustee hereunder.

SECTION 8.05. Deposited Moneys and U.S. Government Obligations To Be Held in Trust. All moneys and U.S. Government Obligations deposited with the Trustee pursuant to Section 8.04 in respect of Securities shall be held in trust and applied by it, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any Paying Agent (including any Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Securities, of all sums due and to become due thereon for principal (and premium, if any) and interest, if any, but such money need not be segregated from other funds except to the extent required by law.

The Issuers shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the U.S. Government Obligations deposited pursuant to Section 8.04 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the Securities.

SECTION 8.06. Repayment to Issuers. The Trustee and any Paying Agent shall promptly pay or return to the Issuers upon Issuers Request any moneys or U.S. Government Obligations held by them at any time that are not required for the payment of the principal of (and premium, if any) and interest on the Securities for which money or U.S. Government Obligations have been deposited pursuant to Section 8.04.

ARTICLE 9

AMENDMENTS AND WAIVERS

SECTION 9.01. Without Consent of the Holders. Without the consent of any Holders, the Issuers, when authorized by a resolution of the Board of Directors of the Company, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto or amendments to this Indenture to add any provisions to or changing in any manner or eliminating any of the provisions of this Indenture, the Securities or the Guarantees, in each case, in form reasonably satisfactory to the Trustee, for any of the following purposes:

- (i) to permit a Successor Issuer to assume the Issuers' covenants and obligations under this Indenture and in the Securities in accordance with the terms of this Indenture;
- (ii) to add to the Issuers' covenants for the benefit of the Holders of the Securities;
- (iii) to surrender any of the Issuers' rights or powers conferred in this Indenture;
- (iv) to add any additional Events of Default;
- (v) to supplement any of the provisions of this Indenture to the extent needed to permit or facilitate the defeasance and discharge of the Securities in a manner that will not adversely affect the interests of the Holders of the Securities in any material respect;
- (vi) to provide for the acceptance of appointment by a successor Trustee and to add to or change any of the provisions of this Indenture as is necessary to provide for the administration of the trust by more than one trustee;
- (vii) to cure any ambiguity;
- (viii) to provide for the issuance of Additional Securities in accordance with the terms hereof, which shall have terms substantially identical in all material respects to the Original Securities, and which shall be treated, together with any outstanding Securities, as a single issue of securities;
- (ix) to correct or supplement any provision herein which may be defective or inconsistent with any other provision herein;
- (x) to add additional Guarantees or to release any Subsidiary Guarantors from Guarantees as provided by the terms of this Indenture;
- (xi) to (A) secure the Securities with collateral and (B) release collateral (if any) from the Lien when permitted or required by the terms of the applicable security documents (if any have been entered into), the intercreditor agreement (if one has been entered into) or this Indenture;
- (xii) to conform the text of this Indenture or the Securities to the "Description of Notes" section of the Offering Memorandum; or

(xiii) to make any other provisions with respect to matters or questions arising under this Indenture which shall not be inconsistent with any provision of this Indenture as long as the new provisions do not adversely affect in any material respect the interests of the Holders of the Securities.

Upon the request of the Issuers, and upon receipt by the Trustee of the documents described in Section 9.07, the Trustee shall join with the Issuers and, if applicable, the Guarantors in the execution of such supplemental indenture. After an amendment under this Section 9.01 becomes effective, the Issuers shall mail to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.01.

SECTION 9.02. With Consent of the Holders.

With the written consent of the Holders of not less than at least a majority in principal amount of the Securities delivered to the Issuers and the Trustee, the Issuers, when authorized by a resolution of the Board of Directors of the Company, and the Trustee may enter into an indenture or indentures supplemental hereto or amendments to this Indenture for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture, the Securities or the Guarantees or of modifying in any manner the rights of the Holders under this Indenture, the Securities or the Guarantees; provided, however, that no such supplemental indenture shall, without the consent of each Holder affected thereby:

(i) change the Stated Maturity or reduce the principal amount or the rate of interest, or extend the time for payment of interest of the Securities or any premium payable upon the redemption of the Securities, or impair the right to institute suit for the enforcement of any payment on or after the due date thereof (including, in the case of redemption, on or after the redemption date), or alter any redemption provisions in a manner adverse to the Holders of the Securities or release any Subsidiary Guarantor under any Subsidiary Guarantee (except in accordance with the terms of this Indenture or the Subsidiary Guarantee);

(ii) reduce the percentage in principal amount of the Securities where the consent of the Holder is required for any such amendment, supplemental indenture or waiver as provided for in this Indenture; or

(iii) modify any of the waiver provisions of this Indenture, except to increase any required percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each outstanding Security which would be affected.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

SECTION 9.03. [Reserved].

SECTION 9.04. [Reserved].

SECTION 9.05. Revocation and Effect of Consents and Waivers.

(a) A consent to an amendment or a waiver by a Holder of a Security shall bind the Holder and every subsequent Holder of that Security or portion of the Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent or waiver is not made on the Security. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Security or portion of the Security if the Trustee receives the notice of revocation before the date on which the Trustee receives an Officer's Certificate from the Issuers certifying that the requisite principal amount of Securities have consented. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the (i) receipt by the Issuers or the Trustee of consents by the Holders of the requisite principal amount of Securities, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or supplemental indenture) by the Issuers, the Guarantors and the Trustee.

(b) The Issuers may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.06. Notation on or Exchange of Securities. If an amendment, supplement or waiver changes the terms of a Security, the Issuers may require the Holder of the Security to deliver it to the Trustee. The Trustee may place an appropriate notation on the Security regarding the changed terms and return it to the Holder. Alternatively, if the Issuers or the Trustee so determine, the Issuers in exchange for the Security shall issue and the Trustee shall authenticate a new Security that reflects the changed terms. Failure to make the appropriate notation or to issue a new Security shall not affect the validity of such amendment, supplement or waiver.

SECTION 9.07. Trustee to Sign Amendments. The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may but need not sign it. In signing any amendment, supplement or waiver, the Trustee shall be entitled to receive indemnity reasonably satisfactory to it and shall be provided with, and (subject to Section 7.01) shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel stating that such amendment, supplement or waiver is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuers and the Guarantors, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof.

SECTION 9.08. Additional Voting Terms; Calculation of Principal Amount. All Securities issued under this Indenture shall vote and consent together on all matters (as to which any of such Securities may vote) as one class and no series of Securities will have the right to vote or consent as a separate class on any matter. Determinations as to whether Holders of the requisite aggregate principal amount of Securities have concurred in any direction, waiver or consent shall be made in accordance with this Article 9 and Section 2.14.

ARTICLE 10

GUARANTEES

SECTION 10.01. Guarantees.

(a) Each Guarantor hereby jointly and severally, irrevocably and unconditionally guarantees on a senior unsecured basis, as a primary obligor and not merely as a surety, to each Holder and to the Trustee and its successors and assigns (i) the full and punctual payment when due, whether at Stated Maturity, by acceleration, by redemption or otherwise, of all obligations of the Issuers under this Indenture (including obligations to the Trustee) and the Securities, whether for payment of principal of, premium, if any, or interest on in respect of the Securities and all other monetary obligations of the Issuers under this Indenture and the Securities and (ii) the full and punctual performance within applicable grace periods of all other obligations of the Issuers whether for fees, expenses, indemnification or otherwise under this Indenture and the Securities (all the foregoing being hereinafter collectively called the “Guaranteed Obligations”). Each Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Guarantor, and that each such Guarantor shall remain bound under this Article 10 notwithstanding any extension or renewal of any Guaranteed Obligation.

(b) Each Guarantor waives presentation to, demand of payment from and protest to the Issuers of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Guarantor waives notice of any default under the Securities or the Guaranteed Obligations. The obligations of each Guarantor hereunder shall not be affected by (i) the failure of any Holder or the Trustee to assert any claim or demand or to enforce any right or remedy against the Issuers or any other Person under this Indenture, the Securities or any other agreement or otherwise; (ii) any extension or renewal of this Indenture, the Securities or any other agreement; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities or any other agreement; (iv) the release of any security held by any Holder or the Trustee for the Guaranteed Obligations or any Guarantor; (v) the failure of any Holder or Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (vi) any change in the ownership of such Guarantor, except as provided in Section 10.08.

(c) Each Guarantor hereby waives any right to which it may be entitled to have its obligations hereunder divided among the Guarantors, such that such Guarantor’s obligations would be less than the full amount claimed. Each Guarantor hereby waives any right to which it may be entitled to have the assets of the Company first be used and depleted as payment of the Issuers’ or such Guarantor’s obligations hereunder prior to any amounts being claimed from or paid by such Guarantor hereunder. Each Guarantor hereby waives any right to which it may be entitled to require that the Issuers be sued prior to an action being initiated against such Guarantor.

(d) Each Guarantor further agrees that its Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder or the Trustee to any security held for payment of the Guaranteed Obligations.

(e) Except as expressly set forth in Sections 8.01, 8.04, 10.02 and 10.06, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Securities or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of any Guarantor as a matter of law or equity.

(f) Except as set forth in Sections 8.01, 8.04 and 10.02, each Guarantor agrees that its Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Except as set forth in Sections 8.01, 8.04 and 10.02, each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Company or otherwise.

(g) In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuers to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by applicable law) and (iii) all other monetary obligations of the Issuers to the Holders and the Trustee in respect of the Guaranteed Obligations.

(h) Each Guarantor agrees that it shall not be entitled to exercise any right of subrogation in relation to the Holders in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Each Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article 6 for

the purposes of any Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article 6, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Guarantor for the purposes of this Section 10.01.

(i) Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

(j) Upon request of the Trustee, each Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 10.02. Limitation on Liability.

Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Subsidiary Guarantor shall not exceed the maximum amount that can be hereby guaranteed without rendering this Indenture or the Subsidiary Guarantee, as each relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

SECTION 10.03. Successors and Assigns. This Article 10 shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Securities shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 10.04. No Waiver. Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article 10 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 10 at law, in equity, by statute or otherwise.

SECTION 10.05. Modification. No modification, amendment or waiver of any provision of this Article 10, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstances.

SECTION 10.06. Execution of Supplemental Indenture for Future Guarantors. Each Subsidiary and each other Person that is required to become a Guarantor pursuant to Section 4.11 shall promptly execute and deliver to the Trustee a supplemental indenture in the form of Exhibit C hereto pursuant to which such Subsidiary or other Person shall become a Guarantor under this Article 10 and shall guarantee the Guaranteed Obligations. Concurrently with the execution and delivery of such supplemental indenture, the Issuers shall deliver to the Trustee an Opinion of Counsel and an Officer's Certificate to the effect that such supplemental indenture has been duly authorized, executed and delivered by such Subsidiary or other Person and that, subject to the application of bankruptcy, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws relating to creditors' rights generally and to the principles of equity, whether considered in a proceeding at law or in equity, the Guarantee of such Guarantor is a legal, valid and binding obligation of such Guarantor, enforceable against such Guarantor in accordance with its terms.

SECTION 10.07. Non-Impairment. The failure to endorse a Guarantee on any Security shall not affect or impair the validity thereof

SECTION 10.08. Release of a Subsidiary Guarantor.

(a) Notwithstanding anything to the contrary in this Indenture, a Subsidiary Guarantee as to any Subsidiary Guarantor shall automatically terminate and be of no further force or effect and such Subsidiary Guarantor shall be deemed to be released and discharged from all obligations under this Article 10 upon:

- (i) a sale or other disposition of all or substantially all of the assets of any Subsidiary Guarantor, by way of merger, consolidation or otherwise permitted under this Indenture;
- (ii) a sale or other disposition of all of the capital stock of any Subsidiary Guarantor permitted under this Indenture;

- (iv) such Person is the parent holding company of a Real Estate Subsidiary party to a Qualified Real Estate Financing Facility if such guaranty is prohibited by the terms of such Qualified Real Estate Financing Facility;
- (v) the Issuers designating such Subsidiary Guarantor to be an Unrestricted Subsidiary in accordance with the provisions set forth under Section 4.04 and the definition of "Unrestricted Subsidiary";
- (vi) if any such Subsidiary Guarantor no longer guarantees any Reference Indebtedness or any Reference Indebtedness of such Subsidiary Guarantor is no longer outstanding; or
- (vii) the applicable Subsidiary ceasing to be a Subsidiary as a result of any foreclosure of any pledge or security interest securing Obligations under the Credit Facilities or other exercise of remedies in respect thereof.

Notwithstanding the foregoing, any Subsidiary Guarantor will automatically be released from all obligations under its Subsidiary Guarantee, and such Subsidiary Guarantee shall thereupon terminate and be discharged and of no further force and effect, upon the merger or consolidation of any Subsidiary Guarantor with and into an Issuer or another Subsidiary Guarantor that is the surviving Person in such merger or consolidation, or upon the liquidation or dissolution of such Subsidiary Guarantor following the transfer of all of its assets to an Issuer or another Subsidiary Guarantor.

(b) Global Securities. (i) Rule 144A Securities initially shall be represented by one or more Securities in fully registered, global form without interest coupons (collectively, the “Rule 144A Global Securities”). Regulation S Securities initially shall be represented by one or more Securities in fully registered, global form without interest coupons (collectively, the “Regulation S Global Securities”). Members of, or direct or indirect participants in, the Depository, Euroclear or Clearstream (“Agent Members”) shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depository or under the Global Securities. Notwithstanding the foregoing, nothing herein shall prevent the Issuers, the Trustee or any agent of the Issuers or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository, Euroclear or Clearstream, as the case may be, and their respective Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Security.

In addition, a Global Security shall be exchangeable for Definitive Securities if (i) the Depository (x) notifies the Issuers that it is unwilling or unable to continue as depository for such Global Security and the Issuers thereupon fail to appoint a successor depository or (y) has ceased to be a clearing agency registered under the Exchange Act, or (ii) there shall have occurred and be continuing an Event of Default with respect to such Global Security and the Depository or the Issuers request the issuance of such Definitive Securities. In all cases, Definitive Securities delivered in exchange for any Global Security or beneficial interests therein shall be registered in the names, and issued in any approved denominations, requested in writing by or on behalf of the Depository, in accordance with its customary procedures.

(iii) In connection with the transfer of a Global Security as an entirety to beneficial owners pursuant to subsection (i) of this Section 2.1(b), such Global Security shall be deemed to be surrendered to the Trustee for cancellation, and the Issuers shall execute, and the Trustee shall authenticate and make available for delivery, to each beneficial owner identified by the Depository in writing in exchange for its beneficial interest in such Global Security, an equal aggregate principal amount of Definitive Securities of authorized denominations.

(iv) Any Transfer Restricted Definitive Security delivered in exchange for an interest in a Global Security pursuant to Section 2.2 of this Appendix A shall, except as otherwise provided in Section 2.2 of this Appendix A, bear the Restricted Securities Legend.

(v) Notwithstanding the foregoing, through the Restricted Period, a beneficial interest in such Regulation S Global Security may be held only through Euroclear or Clearstream unless delivery is made in accordance with the applicable provisions of Section 2.2 of this Appendix A.

(vi) The Holder of any Global Security may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Securities.

6.500% Senior Note due 2028

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. Interest

ALBERTSONS COMPANIES, INC., a Delaware corporation (the “Company”), NEW ALBERTSONS L.P., a Delaware limited partnership (“NALP”), SAFEWAY INC., a Delaware corporation (“Safeway”), ALBERTSON’S LLC, a Delaware limited liability company (“Albertson’s”), and ALBERTSONS SAFEWAY LLC, a Delaware limited liability company, (“ASL” together with the Company, NALP, Safeway, and Albertsons, each a “Co-Issuer”, and collectively “Co-Issuers”, and together with the Company, each an “Issuer” and collectively, the “Issuers”), promise to pay interest on the principal amount of this Security at the rate per annum shown above. The Issuers shall pay interest semiannually on February 15 and August 15 of each year, commencing August 15, 2023.¹ Interest on the Securities shall accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from February 13, 2023 until the principal hereof is due. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The Issuers shall pay interest on overdue principal at the rate borne by the Securities, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

2. Method of Payment

The Issuers shall pay interest on the Securities (except defaulted interest) to the Persons who are registered Holders at the close of business on the February 1 or August 1 next preceding the interest payment date even if Securities are canceled after the record date and on or before the interest payment date (whether or not a Business Day). The Holders must surrender Securities to a Paying Agent to collect principal payments. The Issuers shall pay principal, premium, if any, and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Securities represented by a Global Security (including principal, premium, if any, and interest) shall be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company or any successor depository. The Issuers will make all payments in respect of a certificated Security (including principal, premium, if any, and interest), at the office of each Paying Agent, except that, at the option of the Issuers, payment of interest may be made by sending a check to the registered address of each Holder thereof; *provided, however*, that payments on the Securities may also be made, in the case of a Holder of at least \$1,000,000 aggregate principal amount of Securities, by wire transfer to a U.S. Dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or a Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

¹ With respect to Securities issued on the Issue Date.

3. Paying Agent and Registrar

Initially, Wilmington Trust, National Association (the “Trustee”) will act as Paying Agent and Registrar. The Issuers may appoint and change any Paying Agent or Registrar without notice. The Issuers or any of their domestically incorporated Wholly Owned Subsidiaries may act as Paying Agent or Registrar.

4. Indenture

The Issuers issued the Securities under an Indenture dated as of February 13, 2023 (the “Indenture”), among the Issuers, the Guarantors and the Trustee. Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Securities are subject to all terms and provisions of the Indenture, and the Holders are referred to the Indenture for a statement of such terms and provisions. To the extent any provision of this Security conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

The Securities are senior unsecured obligations of the Issuers. This Security is one of the Securities referred to in the Indenture. On and after the Issue Date, the Indenture imposes certain limitations on the ability of the Company and its Restricted Subsidiaries to, among other things, make certain Investments and other Restricted Payments, pay dividends and other distributions, incur Indebtedness, issue or sell shares of capital stock of the Company and such Restricted Subsidiaries, enter into or permit certain transactions with Affiliates, create or incur Liens and make asset sales. The Indenture also imposes limitations on the ability of the Company and each Guarantor to consolidate or merge with or into any other Person or convey, transfer or lease all or substantially all of its property.

To guarantee the due and punctual payment of the principal and interest on the Securities and all other amounts payable by the Issuers under the Indenture and the Securities when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Securities and the Indenture, the Guarantors have, jointly and severally, unconditionally guaranteed the Guaranteed Obligations on a senior basis pursuant to the terms of the Indenture.

5. Optional Redemption; Special Redemption

Except as set forth in this Section 5, the Securities shall not be redeemable at the option of the Issuers prior to February 15, 2025.

Upon a Specified Change of Control that occurs on or before February 15, 2025, the Securities shall be redeemable on or within 120 days of the consummation of such Specified Change of Control, at the option of the Issuers or any third-party in lieu of the Issuers, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days’ prior notice mailed by first-class mail to each Holder’s registered address or otherwise in accordance with the procedures of the DTC (except that notices of redemption may be sent more than 60

days prior to a redemption date if the notice is delivered in connection with a defeasance of the Securities or the satisfaction and discharge of the Indenture and any notice of redemption with respect to a Specified Change of Control may be sent prior to the occurrence of a Specified Change of Control and may be conditioned upon one or more conditions precedent, including the occurrence of the Specified Change of Control), at the following redemption prices (expressed as a percentage of principal amount), plus accrued and unpaid interest to, but not including, the redemption date (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date occurring on or prior to the redemption date), if redeemed during the 12-month period commencing on February 15 of the years set forth below, *provided* that a redemption pursuant to this paragraph may occur at the following redemption prices up to 120 days following February 15, 2025:

<u>Year</u>	<u>Redemption Price</u>
2023	101.500%
2024	100.750%

In addition, at any time prior to February 15, 2025, if the Securities shall not have been redeemed pursuant the preceding paragraph, the Issuers may redeem the Securities at their option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days' prior notice (except that notices of redemption may be sent more than 60 days prior to a redemption date if the notice is delivered in connection with a defeasance of the Securities or the satisfaction and discharge of the Indenture), at a redemption price equal to 100% of the principal amount of the Securities redeemed plus the Applicable Premium as of, and accrued and unpaid interest to, the applicable redemption date (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date occurring on or prior to the redemption date).

On or after February 15, 2025, the Securities shall be redeemable at the option of the Issuers, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days' prior notice (except that notices of redemption may be sent more than 60 days prior to a redemption date if the notice is delivered in connection with a defeasance of the Securities or the satisfaction and discharge of the Indenture), at the following redemption prices (expressed as a percentage of principal amount), plus accrued and unpaid interest to, but not including, the redemption date (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date occurring on or prior to the redemption date), if redeemed during the 12-month period commencing on February 15 of the years set forth below:

<u>Year</u>	<u>Redemption Price</u>
2025	103.250%
2026	101.625%
2027 and thereafter	100.000%

Notwithstanding the foregoing, at any time and from time to time on or prior to February 15, 2025, the Issuers may redeem in the aggregate up to 40% of the original aggregate principal amount of the Securities (calculated after giving effect to any issuance of Additional Securities) with the net cash proceeds of one or more Equity Offerings (1) by the Company or (2) by any direct or indirect parent of the Company, in each case, to the extent the net cash proceeds thereof are contributed to the common equity capital of the Company or used to purchase Capital Stock (other than Disqualified Stock) of the Company from it, at a redemption price (expressed as a percentage of principal amount thereof) equal to 106.500% plus accrued and unpaid interest, if any, to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date occurring on or prior to the redemption date); *provided, however*, that at least 50% of the original aggregate principal amount of the Securities (calculated after giving effect to any issuance of Additional Securities) must remain outstanding after each such redemption; and *provided, further*, that such redemption shall occur within 180 days after the date on which any such Equity Offering is consummated upon not less than 30 nor more than 60 days' notice mailed to each Holder of Securities being redeemed or otherwise in accordance with the procedures of The Depository Trust Company and otherwise in accordance with the procedures set forth in the Indenture.

In addition, if such redemption is subject to satisfaction of one or more conditions precedent, such notice of redemption shall describe each such condition, and if applicable, shall state that, in the Issuers' discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the stated redemption date, or by the redemption date as so delayed.

Notice of any redemption in respect of an Equity Offering may be given prior to the completion thereof.

6. Mandatory Redemption and Sinking Fund.

The Securities are not subject to mandatory redemption or any sinking fund payments.

7. Notice of Redemption

Notice of redemption will be mailed by first-class mail at least 30 days but not more than 60 days before the redemption date to each Holder of Securities to be redeemed at his, her or its registered address or otherwise in accordance with the procedures of The Depository Trust Company. Securities in denominations larger than \$2,000 may be redeemed in part but only in whole multiples of \$1,000 to the extent practicable. If money sufficient to pay the redemption price of and accrued and unpaid interest on all Securities (or portions thereof) to be redeemed on the redemption date is deposited with a Paying Agent on or before the redemption date and certain other conditions are satisfied, on and after such date, interest ceases to accrue on such Securities (or such portions thereof) called for redemption.

8. Repurchase of Securities at the Option of Holders upon Change of Control Triggering Event and Asset Sales

Upon the occurrence of a Change of Control Triggering Event, each Holder shall have the right, subject to certain conditions specified in the Indenture, to cause the Issuers to repurchase all or any part of such Holder's Securities at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, but not including, to the date of repurchase (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date occurring on or prior to the redemption date), as provided in, and subject to the terms of, the Indenture.

In accordance with Section 4.06 of the Indenture, the Issuers will be required to offer to purchase Securities upon the occurrence of certain events.

9. Denominations; Transfer; Exchange

The Securities are in registered form, without coupons, in minimum denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof. A Holder shall register the transfer of or exchange of Securities in accordance with the Indenture. Upon any registration of transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Securities selected for redemption (except, in the case of a Security to be redeemed in part, the portion of the Security not to be redeemed) or to transfer or exchange any Securities for a period of 15 days prior to a selection of Securities to be redeemed.

10. Persons Deemed Owners

The registered Holder of this Security shall be treated as the owner of it for all purposes.

11. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee and a Paying Agent shall pay the money back to the Issuers at their written request. After any such payment, the Holders entitled to the money must look to the Issuers for payment as general creditors and the Trustee and a Paying Agent shall have no further liability with respect to such monies.

12. Discharge and Defeasance

Subject to certain conditions, the Issuers at any time may terminate some of or all their obligations under the Securities and the Indenture if the Issuers deposit with the Trustee money or U.S. Government Obligations for the payment of principal of, and interest on, the Securities to redemption or maturity, as the case may be.

13. Amendment, Waiver

The Indenture and the Securities may be amended or supplemented or a Default thereunder may be waived, in each case, as provided in the Indenture.

14. Defaults and Remedies

If an Event of Default (other than an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of an Issuer) occurs and is continuing, the Trustee or the Holders of at least 30% in principal amount of the outstanding Securities, in each case, by notice to the Issuers, may declare the principal of, premium, if any, and accrued but unpaid interest on all the Securities to be due and payable. If an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of an Issuer occurs, the principal of, premium, if any, and interest on all the Securities shall become immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. Under certain circumstances, the Holders of a majority in principal amount of the outstanding Securities may rescind any such acceleration with respect to the Securities and its consequences.

If an Event of Default occurs and is continuing, the Trustee shall be under no obligation to exercise any of the rights or powers under the Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense and certain other conditions are complied with. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder shall have any right to institute any proceeding, judicial or otherwise, with respect to the Indenture, or for the appointment of a receiver, assignee, trustee, liquidator or sequestrator (or similar official) or for any other remedy under the Indenture, unless (i) such Holder has previously given the Trustee written notice that an Event of Default is continuing, (ii) the Holders of at least 30% in principal amount of the outstanding Securities have requested the Trustee in writing to pursue the remedy, (iii) such Holders have offered the Trustee security or indemnity satisfactory to it against any loss, liability or expense, (iv) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity and (v) the Holders of a majority in principal amount of the outstanding Securities have not given the Trustee a written direction inconsistent with such request prior to the expiration of such 60-day period. The Holders of a majority in principal amount of the outstanding Securities are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or the Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Prior to taking any action under the Indenture, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

15. Trustee Dealings with the Issuers

Subject to certain limitations imposed by the TIA, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with and collect obligations owed to it by the Issuers or their Affiliates and may otherwise deal with the Issuers or their Affiliates with the same rights it would have if it were not Trustee.

16. No Recourse Against Others

No past, present or future director, officer, employee, stockholder or incorporator, as such, of the Issuers or any successor corporation shall have any liability for any obligations of the Issuers under the Securities or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. Each Holder by accepting a Security waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Securities.

17. Authentication

This Security shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Security.

18. Abbreviations

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

19. Governing Law

THIS SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

20. CUSIP Numbers, ISINs and Common Codes

The Issuers have caused CUSIP numbers and ISINs to be printed on the Securities and have directed the Trustee to use CUSIP numbers and ISINs. No representation is made as to the accuracy of such numbers either as printed on the Securities or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Issuers will furnish to any Holder of Securities upon written request and without charge to the Holder a copy of the Indenture which has in it the text of this Security.
