## **Item 1.01      Entry into a Material Definitive Agreement.**

### *Overview*

On June 28, 2021, Hilton Grand Vacations Borrower Escrow, LLC (the “Escrow Issuer”), Hilton Grand Vacations Borrower Escrow, Inc. (the “Escrow Co-Issuer” and, together with the Escrow Issuer, the “Escrow Issuers”) and Hilton Grand Vacations Borrower LLC (the “Escrow Guarantor”), in its capacity as guarantor of the HGV Escrow Guarantee (as defined below), each a wholly-owned subsidiary of Hilton Grand Vacations Inc. (the “Company”) and Wilmington Trust, National Association, as trustee (the “Trustee”), entered into an indenture, (the “Indenture”), in connection with the issuance and sale (the “Offering”) of \$500,000,000 aggregate principal amount of 4.875% senior notes due 2031 (the “Notes”) to Deutsche Bank Securities, Inc. and certain other initial purchasers (collectively, the “Initial Purchasers”).

Upon the closing of the Company’s proposed acquisition (the “Merger”) of Dakota Holdings Inc. (“Diamond”), the Escrow Issuer and the Escrow Co-Issuer will merge with and into the Escrow Guarantor and Hilton Grand Vacations Borrower Inc., respectively, each a wholly-owned subsidiary of the Company, and the escrow proceeds will be released as described below. The Escrow Guarantor and Hilton Grand Vacations Borrower Inc. (together with the Escrow Guarantor, the “Surviving Issuers”) will thereupon assume the obligations under the Notes. Upon the closing of the Merger, the Notes will be guaranteed by the Company, Hilton Grand Vacations Parent LLC, also a wholly-owned subsidiary of the Company, and certain of the Escrow Guarantor’s existing and future subsidiaries, including certain subsidiaries of Diamond.

The Escrow Issuers, which were created solely to issue the Notes and the Escrow Issuers’ outstanding 5.000% Senior Notes due 2029, will deposit the gross proceeds of the Offering into a segregated escrow account until the date that certain escrow release conditions (the “Escrow Release Conditions”) are satisfied and the Escrow Guarantor will agree to pay (the “HGV Escrow Guarantee”) an amount up to the amount necessary to fund the interest due on the Notes in connection with a special mandatory redemption of the Notes, if the Escrow Release Conditions have not been satisfied by December 13, 2021 (the “Escrow End Date”) or prior to the Escrow End Date if the merger agreement with Diamond is terminated or the Escrow Issuers notify the trustee under the Notes that the Company is no longer pursuing the Merger.

Upon the closing of the Merger and release of the net proceeds of the Offering from the escrow account (if applicable, the “Escrow Release Date”), the Company intends to use the net proceeds from the Offering to finance the repayment of certain indebtedness in connection with the Merger (together with the Merger, the “Transactions”).

### *Interest; Ranking; Guarantees*

The Notes bear interest at a rate of 4.875% per year payable semi-annually in arrears on January 1 and July 1 of each year, commencing January 1, 2022. Prior to the closing of the Merger, the Notes will be senior secured obligations of the Escrow Issuers secured only by the escrow proceeds until the earlier of the Escrow End Date and the date of any special mandatory redemption and will not be guaranteed (other than in respect of the limited HGV Escrow Guarantee). Upon the closing of the Merger, the Notes will be guaranteed by the Company, Hilton Grand Vacations Parent LLC, also a wholly-owned subsidiary of the Company, and certain of the Escrow Guarantor’s existing and future subsidiaries, including certain subsidiaries of Diamond. The Notes will be senior unsecured obligations and the Notes and the related guarantees will rank equally in right of payment with all of the Surviving Issuers’ existing and future senior indebtedness. The Notes and the related guarantees will be effectively subordinated to any of the Surviving Issuers’ and the guarantors’ existing and future secured indebtedness to the extent of the value of the collateral securing such indebtedness. In addition, the Notes and the guarantees will rank senior in right of payment to all of the Surviving Issuers’ and guarantors’ future subordinated indebtedness and other obligations that expressly provide for their subordination to the Notes and the related guarantees and will be structurally subordinated to the existing and future indebtedness, claims of holders of preferred stock and other liabilities of any subsidiary of the Escrow Guarantor that is not a guarantor or co-issuer of the notes.

#### *Optional Redemption*

The Notes are redeemable at any time prior to July 1, 2026, in whole or in part, at the Surviving Issuers' option, at a redemption price equal to 100% of the principal amount of the Notes being redeemed plus a "make-whole" price specified in the Indenture and the Notes, plus accrued and unpaid interest, if any, on the principal amount of the Notes being redeemed to, but excluding, the redemption date.

The Notes are redeemable at any time on or after July 1, 2026, in whole or in part, at the Surviving Issuers' option, at the applicable redemption prices set forth in the Indenture, plus accrued and unpaid interest, if any, on the principal amount of the Notes being redeemed to, but excluding, the redemption date. In addition, subject to certain conditions, at any time prior to July 1, 2026, the Surviving Issuers may redeem up to 40% of the aggregate principal amount of the Notes with an amount not to exceed the net cash proceeds from certain equity offerings at the applicable redemption prices set forth in the Indenture, plus accrued and unpaid interest, if any, on the principal amount of the Notes being redeemed to, but excluding, the redemption date.

#### *Change of Control*

Subject to certain limitations, in the event of a Change of Control Triggering Event (as defined in the Indenture), the Surviving Issuers will be required to offer to repurchase the Notes at a price of 101% of their principal amount plus accrued and unpaid interest, if any, to, but excluding, the date of repurchase.

#### *Covenants; Events of Default*

The Indenture contains certain covenants, including, among others, covenants that restrict the ability of the Escrow Guarantor and certain of its subsidiaries to (i) incur or guarantee additional indebtedness or issue disqualified stock or certain preferred stock; (ii) pay dividends and make other distributions or repurchase stock; (iii) make certain investments; (iv) create or incur certain liens; (v) transfer or sell certain assets; (vi) enter into restrictions affecting the ability of certain restricted subsidiaries to make distributions, loans or advances or transfer assets to the Surviving Issuers or the guarantors; (vii) enter into certain transactions with affiliates; (viii) designate restricted subsidiaries as unrestricted subsidiaries; and (ix) merge, consolidate or transfer or sell all or substantially all of the Escrow Guarantor's or the guarantors' assets. The Indenture also contains customary provisions for events of default including for failure to pay principal or interest when due and payable, failure to comply with covenants or agreements in the Indenture or the Notes and failure to cure or obtain a waiver of such default upon notice, a default under other indebtedness of the Escrow Guarantor or certain of its subsidiaries such that the principal amount of such indebtedness, together with the principal amount of any other such indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate the greater of (i) \$100.0 million and (ii) 2.0% of Total Assets (as defined in the Indenture) or more outstanding, and events of bankruptcy, insolvency or reorganization affecting the Escrow Guarantor and certain of its subsidiaries. In the case of an event of default, the principal amount of the Notes plus accrued and unpaid interest may be accelerated.

#### *Other Relationships*

The Initial Purchasers and their respective affiliates have, from time to time performed, and may in the future perform, various financial advisory, investment banking and commercial banking services for the Company, and its affiliates, for which they received or will receive customary fees and expenses.

Additionally, certain of the Initial Purchasers or their affiliates have acted as financial advisors to us in connection with the Transactions and may receive fees in connection therewith. Certain affiliates of the Initial Purchasers act as lenders and agents under our the Company's and Diamond's existing credit facilities and may act as lenders and agents under the Company's senior secured credit facilities to be entered into in connection with the Merger and receive and will receive, respectively, customary fees in connection with such roles. In addition, certain of the Initial Purchasers and/or their respective affiliates may be lenders or noteholders, as applicable, under the Company's and Diamond's existing credit facilities, the outstanding 7.750% First-Priority Senior Secured Notes due 2023 issued by Diamond Resorts International, Inc., the 10.750% Senior Notes due 2024 issued by Diamond Resorts International, Inc. or the Surviving Issuers' outstanding 6.125% Senior Notes due 2024 and may therefore receive a portion of the net proceeds from the offering used to repay any such indebtedness.

The description of the Notes and the Indenture in this Current Report on Form 8-K (this “Current Report”) are summaries, and are qualified in their entirety by reference to the complete terms of the Indenture and the form of Note included therein. The Indenture and the form of Note are filed hereto as Exhibits 4.1 and 4.2, respectively, and are incorporated by reference herein.

For purposes of this definition, whenever pro forma effect is to be given to an Investment, acquisition, disposition, merger, amalgamation, consolidation or discontinued operation (including the Transactions), the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Issuer or its Restricted Subsidiaries (and may include, for the avoidance of doubt, cost savings, operating expense reductions and synergies resulting from such Investment, acquisition, disposition, merger, amalgamation, consolidation or discontinued operation (including the Transactions) which is being given pro forma effect calculated in accordance with and permitted by clause (a)(viii) of the definition of EBITDA. If any Indebtedness bears a floating or formula rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Fixed Charge Coverage Ratio Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness). Interest on a Financing Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Financing Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period except as set forth in the first paragraph of this definition. *Section 1.05. Acts of Holders.*

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing. Except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers). Proof of execution of any such instrument or of a writing appointing any such agent, or the holding by any Person of a Note, shall be sufficient for any purpose of this Indenture and (subject to Section 7.01 hereof) conclusive in favor of the Trustee and the Escrow Issuers (and, prior to the Escrow Release Date, the Escrow Issuers), if made in the manner provided in this Section 1.05.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by or on behalf of any legal entity other than an individual, such certificate or affidavit shall also constitute proof of the authority of the Person executing the same. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner that the Trustee deems sufficient.

(c) The ownership of Notes shall be proved by the Note Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Note shall bind every future Holder of the same Note and the Holder of every Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, in respect of any action taken, suffered or omitted by the Trustee or the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) in reliance thereon, whether or not notation of such action is made upon such Note.

(e) The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) may set a record date for purposes of determining the identity of Holders entitled to give any request, demand, authorization, direction, notice, consent, waiver or take any other act, or to vote or consent to any action by vote or consent authorized or permitted to be given or taken by Holders. Unless otherwise specified, if not set by the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) prior to the first solicitation of a Holder made by any Person in respect of any such action, or in the case of any such vote, prior to such vote, any such record date shall be the later of 10 days prior to the first solicitation of such consent or, if the Trustee is not then also the Registrar, the date of the most recent list of Holders furnished to the Trustee prior to such solicitation.

(f) Without limiting the foregoing, a Holder entitled to take any action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents, each of which may do so pursuant to such appointment with regard to all or any part of such principal amount. Any notice given or action taken by a Holder or its agents with regard to different parts of such principal amount pursuant to this Section 1.05(f) shall have the same effect as if given or taken by separate Holders of each such different part.

(g) Without limiting the generality of the foregoing, a Holder, including DTC, that is a Holder of a Global Note, may make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders, and any Person, that is a Holder of a Global Note, including DTC, may provide its proxy or proxies to the beneficial owners of interests in any such Global Note through such Depositary's standing instructions and customary practices.

(h) The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) may fix a record date for the purpose of determining the Persons who are beneficial owners of interests in any Global Note held by The Depository Trust Company, its nominees and successors ("DTC") entitled under the procedures of such Depositary to make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders. If such a record date is fixed, the Holders on such record date or their duly appointed proxy or proxies, and only such Persons, shall be entitled to make, give or take such request, demand, authorization, direction, notice, consent, waiver or other action, whether or not such Holders remain Holders after such record date. No such request, demand, authorization, direction, notice, consent, waiver or other action shall be valid or effective if made, given or taken more than 120 days after such record date.

Section 1.06. *Timing of Payment.* Notwithstanding anything herein to the contrary, if the date on which any payment is to be made pursuant to this Indenture or the Notes is not a Business Day, the payment otherwise payable on such date shall be payable on the next succeeding Business Day with the same force and effect as if made on such scheduled date and (*provided* such payment is made on such succeeding Business Day) no interest shall accrue on the amount of such payment from and after such scheduled date to the time of such payment on such next succeeding Business Day and the amount of any such payment that is an interest payment will reflect accrual only through the original payment date and not through the next succeeding Business Day.

Section 1.07. *Co-Issuers and Escrow Co-Issuers.* At any time at which the "Issuer" or the "Co-Issuer", respectively, as defined in Section 1.01 hereof, includes one or more escrow co-issuer or co-issuer, respectively, each issuer and co-issuer shall be jointly and severally liable for all obligations of the Issuer and Escrow Issuer, respectively, under or related to, or arising in connection with, this Indenture and the Notes, and any document to be executed by the "Issuer" or the "Escrow Issuer" hereunder during such time shall be executed by each such issuer and co-issuer, or escrow issuer and co-issuer, as applicable.

Section 1.08. *Financial Calculations for Limited Condition Transactions.* For purposes of calculating the availability under any basket, test or ratio under this Indenture or compliance with any provision of this Indenture in connection with any Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness, Disqualified Stock or Preferred Stock and the use of proceeds thereof, the incurrence or assumption of Liens, repayments, Restricted Payments, the designation of any Restricted Subsidiaries or Unrestricted Subsidiaries, and Asset Sales or any disposition, issuance or other transaction excluded from the definition of “Asset Sale”), in each case, at the option of the Issuer (the Issuer’s election to exercise such option, an “**LCT Election**”), the date of determination for availability under any such basket, test or ratio or whether any such action or transaction is permitted (or any requirement or condition therefor is complied with or satisfied (including as to the absence of any continuing Default or Event of Default)) under this Indenture shall be deemed to be the date (the “**LCT Test Date**”) either (a) the definitive agreements for such Limited Condition Transaction are entered into (or, if applicable, the date of delivery of a notice, declaration or making of a Restricted Payment or similar event), or (b) solely in connection with an acquisition to which the United Kingdom City Code on Takeovers and Mergers or similar law or practices in other jurisdictions apply, the date on which a “Rule 2.7 announcement” of a firm intention to make an offer or similar announcement or determination in another jurisdiction subject to similar laws in respect of a target of a Limited Condition Transaction and, in each case, if, after giving pro forma effect to the Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness, Disqualified Stock or Preferred Stock and the use of proceeds thereof, the incurrence or assumption of Liens, repayments, Restricted Payments, the designation of any Restricted Subsidiaries or Unrestricted Subsidiaries, and Asset Sales or any disposition, issuance or other transaction excluded from the definition of “Asset Sale”) and any related pro forma adjustments), as if they had occurred at the beginning of the most recent four consecutive fiscal quarters ending prior to the LCT Test Date for which internal consolidated financial statements of the Issuer are available, the Issuer or any of its Restricted Subsidiaries would have been permitted to take such actions or consummate such transactions on the relevant LCT Test Date in compliance with such ratio, test or basket (and any related requirements and conditions), such ratio, test or basket (and any related requirements and conditions) shall be deemed to have been complied with (or satisfied) for all purposes (in the case of Indebtedness, for example, whether such Indebtedness is committed, issued or incurred at the LCT Test Date or at any time thereafter); *provided* that (i) if financial statements for one or more subsequent fiscal quarters shall have become available, the Issuer may elect, in its sole discretion, to re-determine all such ratios, tests or baskets on the basis of such financial statements, in which case, such date of redetermination shall thereafter be deemed to be the applicable LCT Test Date for purposes of such ratios, tests or baskets, (ii) except as contemplated in the foregoing clause (i), compliance with such ratios, tests or baskets (and any related requirements and conditions) shall not be determined or tested at any time after the applicable LCT Test Date for such Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness, Disqualified Stock or Preferred Stock and the use of proceeds thereof, the incurrence or assumption of Liens, repayments, Restricted Payments, the designation of any Restricted Subsidiaries or Unrestricted Subsidiaries, and Asset Sales or any disposition, issuance or other transaction excluded from the definition of “Asset Sale”) and (iii) Consolidated Interest Expense for purposes of the Fixed Charge Coverage Ratio will be calculated using an assumed interest rate based on the indicative interest margin contained in any financing commitment documentation with respect to such Indebtedness or, if no such indicative interest margin exists, as reasonably determined by the Issuer in good faith.

For the avoidance of doubt, if the Issuer has made an LCT Election, (1) if any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would at any time after the LCT Test Date have been exceeded or otherwise failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in EBITDA or total assets of the Issuer or the Person subject to such Limited Condition Transaction at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have been exceeded or failed to have been complied with as a result of such fluctuations; *provided*, that if such ratios, tests or baskets improve as a result of such fluctuations, such improved ratios, tests and/or baskets may be utilized; (2) if any related requirements and conditions (including as to the absence of any continuing Default or Event of Default) for which compliance or satisfaction was determined or tested as of the LCT Test Date would at any time after the LCT Test Date not have been complied with or satisfied (including due to the occurrence or continuation of a Default or an Event of Default), such requirements and conditions will not be deemed to have been failed to be complied with or satisfied (and such Default or Event of Default shall be deemed not to have occurred or be continuing); and (3) in calculating the availability under any ratio, test or basket in connection with any action or transaction unrelated to such Limited Condition Transaction following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement, the date of notice or offer or date for redemption, purchase or repayment specified in a notice for such Limited Condition Transaction is terminated, expires or passes, as applicable, without consummation of such Limited Condition Transaction, any such ratio, test or basket shall be determined or tested giving pro forma effect to such Limited Condition Transaction and any actions or transactions related thereto.

In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of determining compliance with any provision of this Indenture which requires that no Default, Event of Default or specified Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of the Issuer, be deemed satisfied, so long as no Default, Event of Default or specified Event of Default, as applicable, exists on the date of the definitive agreement, the date of notice or offer or date for redemption, purchase or repayment for such Limited Condition Transaction, as applicable. For the avoidance of doubt, if the Issuer has exercised an LCT Election, and any Default, Event of Default or specified Event of Default occurs following the date the definitive agreements (or, if applicable, the date of delivery of a notice, declaration or making of a Restricted Payment or similar event) for the applicable Limited Condition Transaction were entered into and prior to the consummation of such Limited Condition Transaction, any such Default, Event of Default or specified Event of Default shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted under this Indenture.

**Section 1.09. Certain Compliance Calculations.** Notwithstanding anything to the contrary in this Indenture, in the event an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is incurred, assumed or issued, any Lien is incurred or assumed, any Restricted Payment is made or other transaction is undertaken (including a Limited Condition Transaction) in reliance on a ratio basket based on the Fixed Charge Coverage Ratio, Consolidated Secured Debt Ratio or Consolidated Total Debt Ratio, such ratio(s) shall be calculated with respect to such incurrence, issuance or other transaction without giving effect to amounts being utilized under any other non-ratio-based basket substantially concurrently. Each item of Indebtedness, Disqualified Stock or Preferred Stock that is incurred, assumed or issued, each Lien incurred and each other transaction undertaken will be deemed to have been incurred, assumed, issued or taken first, to the extent available, pursuant to the relevant Fixed Charge Coverage Ratio, Consolidated Secured Debt Ratio or Consolidated Total Debt Ratio test. For the avoidance of doubt, when testing the availability under a ratio basket for purposes of making a Restricted Payment, Indebtedness (or any portion thereof) incurred, assumed or issued the proceeds of which are being utilized to make a Restricted Payment utilizing a non-ratio basket shall not be given effect.

If a proposed action, matter, transaction or amount (or a portion thereof) meets the criteria of more than one applicable basket, permission or threshold under this Indenture, the Issuer shall be entitled to divide or classify or later divide or reclassify (based on circumstances existing on the date of such reclassification) such action, matter, transaction or amount (or a portion thereof) between such baskets, permission or thresholds as it shall elect from time to time.

Any calculation, test or measure that is determined with reference to the Issuer's financial statements (including, without limitation, EBITDA, Consolidated Interest Expense, Consolidated Net Income, Consolidated Secured Debt Ratio, Consolidated Total Debt Ratio, Fixed Charge Coverage Ratio, Fixed Charges, and clause (C)(1) of Section 4.07(a) hereof may be determined with reference to the financial statements of a direct or indirect parent entity of the Issuer instead, so long as such calculation, test or measure would not differ by more than an immaterial amount when using the financial statements of such direct or indirect parent entity of the Issuer as compared to if such calculation, test or measure were made using the Issuer's financial statements (as determined in good faith by the Issuer).

Any ratios, tests or baskets required to be satisfied in order for a specific action permitted under this Indenture shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding up if there is no nearest number).

If the Issuer or any Restricted Subsidiary takes an action which at the time of the taking of such action would in the good faith determination of the Issuer be permitted under the applicable provisions of the Indenture based on the financial statements available at such time, such action shall be deemed to have been made in compliance with this Indenture notwithstanding any subsequent adjustments, modifications or restatements made in good faith to such financial statements affecting Consolidated Net Income, EBITDA or other applicable financial metric.

(c) *Temporary Global Notes.* Notes offered and sold in reliance on Regulation S shall be issued initially in the form of the Regulation S Temporary Global Note, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Custodian and registered in the name of the Depositary or the nominee of the Depositary for the accounts of designated agents holding on behalf of Euroclear or Clearstream, duly executed by the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) and authenticated by the Trustee as hereinafter provided.

Following (i) the termination of the applicable Restricted Period and (ii) the receipt by the Trustee of (A) a certification or other evidence in a form reasonably acceptable to the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) together with copies of certificates from Euroclear and Clearstream certifying that they have received certifications of non-United States beneficial ownership of 100% of the aggregate principal amount of the Regulation S Temporary Global Note, to the extent the Depositary, Euroclear and Clearstream provide such certificates in the ordinary course of their business (except to the extent of any beneficial owners thereof who acquired an interest therein during the Restricted Period pursuant to another exemption from registration under the Securities Act and who shall take delivery of a beneficial ownership interest in a 144A Global Note bearing the Private Placement Legend, all as contemplated by Section 2.06(b) hereof) and (B) an Officer's Certificate from the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers), the Trustee shall remove the Regulation S Temporary Global Note Legend from the Regulation S Temporary Global Note, following which temporary beneficial interests in the Regulation S Temporary Global Note shall automatically become beneficial interests in the Regulation S Permanent Global Note pursuant to the Applicable Procedures.

The aggregate principal amount of a Regulation S Temporary Global Note and a Regulation S Permanent Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depositary or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

(d) *Terms.* The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture and the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers), the Escrow Guarantor, the Guarantors from time to time party hereto and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

The Notes shall be subject to repurchase by the Issuers pursuant to an Asset Sale Offer as provided in Section 4.10 hereof or a Change of Control Offer as provided in Section 4.14 hereof. The Notes shall not be redeemable, other than as provided in Article 3 hereof.

If an Officer of the Issuer or the Co-Issuer (or, prior to the Escrow Release Date, the Escrow Issuers) whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall nevertheless be valid.

A Note shall not be entitled to any benefit under this Indenture or be valid or obligatory for any purpose until authenticated substantially in the form of Exhibit A hereto, by the manual signature of the Trustee. The signature shall be conclusive evidence that the Note has been duly authenticated and delivered under this Indenture.

On the Issue Date, the Trustee shall, upon receipt of an Escrow Issuers’ Order (an “**Authentication Order**”), authenticate and deliver the Initial Notes in the aggregate principal amount or amounts specified in such Authentication Order. In addition, at any time, from time to time, the Trustee shall, upon receipt of an Authentication Order, authenticate and deliver any Additional Notes for an aggregate principal amount specified in such Authentication Order for such Additional Notes issued or increased hereunder.

The Trustee may appoint an authenticating agent acceptable to the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Issuers.

The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) may appoint one or more co-registrars, one or more co-transfer agents and one or more additional paying agents. The term “*Registrar*” includes any co-registrar, the term “*Transfer Agent*” includes any co-transfer agent and the term “*Paying Agent*” includes any additional paying agents. The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) may change any Paying Agent, Transfer Agent or Registrar without prior notice to any Holder. The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) fail to appoint or maintain another entity as Registrar, Transfer Agent or Paying Agent, the Trustee shall act as such. While any such default continues, the Trustee may require a Paying Agent (other than the Trustee) to pay all money held by it to the Trustee. The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) at any time may require a Paying Agent (other than the Trustee) to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Issuer or a Subsidiary or the Trustee) shall have no further liability for the money. If the Issuer or a Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Issuer or the Co-Issuer, the Trustee shall serve as Paying Agent for the Notes.

**Section 2.05. *Holder Lists.*** The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(h) *General Provisions Relating to Transfers and Exchanges.*

(i) To permit registrations of transfers and exchanges, the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof or at the Registrar’s request.

(ii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.07, 2.10, 3.06, 3.09, 4.10, 4.14 and 9.05 hereof).

(iii) Neither the Registrar nor the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall be required (A) to issue, to register the transfer of or to exchange any Notes

during a period beginning at the opening of business 15 days before the mailing or transmission of a notice of redemption of the Notes to be redeemed under Section 3.03 hereof and ending at the close of business on the day of such mailing or transmission, (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part, (C) to register the transfer or exchange of a Note between a Record Date and the next succeeding Interest Payment Date or (D) to register the transfer or exchange of any Notes tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer or an Asset Sale Offer.

(iv) Neither the Registrar nor the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall be required to register the transfer or exchange of any Note selected for redemption, in whole or in part, except the unredeemed portion of any Note being redeemed in part; *provided* that new Notes will only be issued in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess of \$2,000.

(v) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers), evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(vi) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of (and premium, if any) and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall be affected by notice to the contrary.

(vii) Upon surrender for registration of transfer of any Note at the office or agency of the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) designated pursuant to Section 4.02 hereof, the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall execute, and the Trustee shall authenticate and mail, in the name of the designated transferee or transferees, one or more replacement Notes of any authorized denomination or denominations of a like aggregate principal amount.

(viii) At the option of the Holder, subject to Section 2.06(a) hereof, Notes may be exchanged for other Notes of any authorized denomination or denominations of a like aggregate principal amount upon surrender of the Notes to be exchanged at such office or agency. Whenever any Global Notes or Definitive Notes are so surrendered for exchange, the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall execute, and the Trustee shall authenticate and mail, the replacement Global Notes and Definitive Notes which the Holder making the exchange is entitled to in accordance with the provisions of Section 2.02 hereof.

(ix) All certifications, certificates and Opinions of Counsel required to be submitted pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

(x) Members of, or participants in, the Depository shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository, or the Trustee as its custodian, or under the Global Note, and the Depository may be treated by the Issuers (and prior to the Escrow Release Date, the Escrow Issuers), the Trustee and any agent of the Issuers

(and prior to the Escrow Release Date, the Escrow Issuers) or the Trustee as the absolute owner of the Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuers (and prior to the Escrow Release Date, the Escrow Issuers), the Trustee or any agent of the Issuers (and prior to the Escrow Release Date, the Escrow Issuers) or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depositary or impair, as between the Depositary and participants, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

(xi) Notwithstanding anything contained herein to the contrary, neither the Trustee nor the Registrar shall be responsible for ascertaining whether any transfer complies with the registration provisions of or exemptions from the Securities Act, applicable state securities laws, ERISA (or, in the case of a governmental plan or a church plan (as described in ERISA Sections 3(32) and 3(33), respectively) any substantially similar federal, state or local law), the Code or the Investment Company Act; *provided* that if a certificate is specifically required by the express terms of this Section 2.06 to be delivered to the Trustee by a purchaser or transferee of a Note, the Trustee shall be under a duty to receive and examine the same to determine whether on its face it conforms to the express terms of this Indenture and shall promptly notify the party delivering the same if such certificate does not comply with such terms.

**Section 2.07. Replacement Notes.** If either (x) any mutilated Note is surrendered to the Trustee, the Registrar or the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers), or (y) the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) and the Trustee receive evidence to their satisfaction of the ownership and destruction, loss or theft of any Note, then the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall issue and the Trustee, upon receipt of an Authentication Order and satisfaction of any other requirements of the Trustee, shall authenticate a replacement Note. If required by the Trustee or the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers), an indemnity bond must be supplied by the Holder that is sufficient in the judgment of both (a) the Trustee to protect the Trustee and (b) the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) to protect the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers), the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) and the Trustee may charge the Holder for their expenses in replacing a Note.

Every replacement Note is a contractual obligation of the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

**Section 2.08. Outstanding Notes.** The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because any of the Escrow Issuers, the Escrow Guarantor, the Issuer, the Co-Issuer or a Guarantor or an Affiliate of the Issuer, the Co-Issuer or a Guarantor holds the Note.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser (as defined in Section 8-303 of the Uniform Commercial Code).

Notes in exchange for or in lieu of which other Notes have been authenticated and delivered pursuant to this Indenture shall not be deemed to be outstanding for purposes hereof.

If the principal amount of any Note is considered paid under Section 4.01 hereof, such Note shall cease to be outstanding and interest thereon shall cease to accrue.

If the Paying Agent (other than the Issuer, the Co-Issuer or a Guarantor or an Affiliate of the Issuer, the Co-Issuer or a Guarantor) holds, on a Redemption Date or maturity date, money sufficient to pay Notes (or portions thereof) payable on that date, then on and after that date such Notes (or portions thereof) shall be deemed to be no longer outstanding (including for accounting purposes) and shall cease to accrue interest on and after such date.

**Section 2.09. *Treasury Notes*.** In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer, the Co-Issuer or by any Affiliate of the Issuer or the Co-Issuer, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to such pledged Notes and that the pledgee is not the Issuer, the Co-Issuer or a Guarantor or any Affiliate of the Issuer, the Co-Issuer or a Guarantor.

**Section 2.10. *Temporary Notes*.** Until certificates representing Notes are ready for delivery, the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of certificated Notes but may have variations that the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) consider appropriate for temporary Notes. Without unreasonable delay, the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall prepare and the Trustee shall authenticate Definitive Notes in exchange for temporary Notes.

Holders and beneficial holders, as the case may be, of temporary Notes shall be entitled to all of the benefits accorded to Holders, or beneficial holders, respectively, of Notes under this Indenture.

**Section 2.11. *Cancellation*.** The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of such cancelled Notes in its customary manner (subject to the record retention requirements of the Exchange Act). Certification of the cancellation of all cancelled Notes shall be delivered to the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) upon their written request therefor. The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) may not issue new Notes to replace Notes that they have paid or that have been delivered to the Trustee for cancellation.

**Section 2.12. *Defaulted Interest*.** If the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) default in a payment of interest on the Notes, they shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the

benefit of the Persons entitled to such defaulted interest as provided in this Section 2.12. The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall fix or cause to be fixed any such special record date and payment date; *provided* that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall promptly notify the Trustee of any such special record date. At least 15 days before any such special record date, the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers, or, upon the written request of the Issuers or the Escrow Issuers, as applicable, the Trustee in the name and at the expense of the Issuers and the Escrow Issuers, respectively) shall mail or cause to be mailed, first-class postage prepaid, or otherwise deliver in accordance with the Applicable Procedures, to each Holder, with a copy to the Trustee, a notice at his or her address as it appears in the Note Register that states the special record date, the related payment date and the amount of such interest to be paid.

Subject to the foregoing provisions of this Section 2.12 and for greater certainty, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

Section 2.13. *CUSIP Numbers; ISINs.* The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) in issuing the Notes may use CUSIP numbers and ISINs (in each case, if then generally in use) and, if so, the Trustee shall use CUSIP numbers and ISINs in notices of redemption or exchange as a convenience to Holders; *provided* that the Trustee shall have no liability for any defect in any CUSIP numbers as they appear on the Notes, on any notice or elsewhere and that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption or exchange and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) will as promptly as practicable notify the Trustee in writing of any change in the CUSIP numbers and ISINs. Notwithstanding anything otherwise to the contrary in this Indenture or the Notes, the Issuers may, and, at the Issuers' direction, the Trustee shall, exchange Notes then outstanding, including, in the case of any Global Notes, through a mandatory exchange at the Depositary or otherwise in accordance with Applicable Procedures, to reflect any change in the name of the Issuers, and/or the CUSIP numbers and ISIN numbers with respect to the Notes as may be necessary or appropriate to give effect to the Assumption pursuant to Section 12.05 of this Indenture, and if any new Notes are to be issued in exchange for other Notes pursuant to this Section 2.13, the Issuers shall provide an Authentication Order and a cancellation order to the Trustee in respect thereof. Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of the Assumption.

## ARTICLE 3 REDEMPTION

Section 3.01. *Notices to Trustee.* If the Issuers elect to redeem Notes pursuant to Section 3.07 hereof, they shall furnish to the Trustee, at least two Business Days (unless a shorter notice shall be agreed to by the Trustee) before notice of redemption is required to be delivered or mailed to Holders pursuant to Section 3.03 hereof, an Officer's Certificate setting forth (a) the paragraph or subparagraph of such Note and/or Section of this Indenture pursuant to which the redemption shall occur, (b) the date of redemption (as such date may be delayed pursuant to Section 3.07(f), the "**Redemption Date**"), (c) the principal amount of the Notes to be redeemed and (d) the redemption price.

Section 3.02. *Selection of Notes to Be Redeemed.* If less than all of the Notes are to be redeemed at any time, the Trustee shall select the Notes to be redeemed in accordance with the Applicable Procedures.

The Trustee shall promptly notify the Issuers in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. Notes and portions of Notes selected shall be in integral multiples of \$1,000 (but in a minimum amount of \$2,000) and no Notes of \$2,000 or less can be redeemed in part, except that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder shall be redeemed, even if not in a principal amount of at least \$2,000. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

*Section 3.03. Notice of Redemption.* Subject to Section 3.08 and Section 3.09 hereof, the Issuers shall send electronically, mail or cause to be mailed by first-class mail, postage prepaid, notices of redemption at least 10 days (except as set forth in Section 3.07(f) and Section 3.08) but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed at such Holder's registered address stated in the Note Register or otherwise in accordance with the Applicable Procedures, except that redemption notices may be delivered or mailed more than 60 days prior to a Redemption Date if the notice is issued in connection with Article 8 or Article 11 hereof. Notices of redemption may, at the Issuers' discretion, be conditional in accordance with Section 3.07(f). In addition, the Issuers may provide in any notice of redemption that payment of the redemption price and the performance of the Issuers' obligations with respect to such redemption may be performed by another Person.

The notice shall identify the Notes to be redeemed and shall state:

(a) the Redemption Date;

(b) the redemption price;

(c) if any Definitive Note is to be redeemed in part only, the portion of the principal amount of that Note that is to be redeemed and that, after the Redemption Date upon surrender of such Note, a new Note or Notes in a principal amount equal to the unredeemed portion of the original Note representing the same indebtedness to the extent not redeemed will be issued in the name of the Holder upon cancellation of the original Note; *provided* that new Notes will only be issued in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess of \$2,000;

(d) the name and address of the Paying Agent;

(e) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(f) that, unless the Issuers default in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date;

(g) the paragraph or subparagraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;

(h) the CUSIP number and ISIN, if any, printed on the Notes being redeemed and that no representation is made as to the correctness or accuracy of any such CUSIP number and ISIN that is listed in such notice or printed on the Notes; and

(i) any condition to such redemption.

In addition, any notice of redemption may include additional information, including any information pursuant to Section 3.07(f) hereof.

At the Issuers' request, the Trustee shall give the notice of redemption in the Issuers' name and at their expense; *provided* that the Issuers shall have delivered to the Trustee, at least two Business Days before notice of redemption is required to be delivered electronically, mailed or caused to be mailed to Holders pursuant to this Section 3.03 (unless a shorter notice shall be agreed to by the Trustee), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

If the Notes are listed on an exchange, for so long as the Notes are so listed and the rules of such exchange so require, the Issuers shall notify the exchange of any such redemption and, if applicable, of the principal amount of any Notes outstanding following any partial redemption of Notes.

**Section 3.04. Effect of Notice of Redemption.** A notice of redemption, if delivered electronically, mailed or caused to be mailed in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to deliver such notice or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Notes or portions of Notes called for redemption shall become due and payable on the Redemption Date, subject to satisfaction of any conditions specified in the notice. Subject to Section 3.05 hereof, on and after the Redemption Date, unless the Issuers default in the payment of the redemption price, interest shall cease to accrue on Notes or portions of Notes called for redemption.

**Section 3.05. Deposit of Redemption Price.**

(a) Prior to 11:00 a.m. (New York City time) on the Redemption Date, the Issuers shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued and unpaid interest on all Notes to be redeemed on that Redemption Date. The Trustee or the Paying Agent shall promptly return to the Issuers any money deposited with the Trustee or the Paying Agent by the Issuers in excess of the amounts necessary to pay the redemption price of, and accrued and unpaid interest on, all Notes to be redeemed.

(b) If the Issuers comply with the provisions of the preceding paragraph (a), on and after the Redemption Date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption. If a Note is redeemed on or after an applicable Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest to the Redemption Date shall be paid to the Person in whose name such Note was registered at the close of business on such Record Date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Issuers to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the Redemption Date until such principal is paid, and to the extent lawful on any interest accrued to the Redemption Date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

**Section 3.06. Notes Redeemed in Part.** Upon surrender of a Definitive Note that is redeemed in part, the Issuers shall issue and the Trustee shall authenticate for the Holder, at the expense of the Issuers, a new Note equal in principal amount to the unredeemed portion of the Note surrendered representing the same indebtedness to the extent not redeemed; *provided* that each new Note will be in a minimum principal amount of \$2,000 and any integral multiple of \$1,000 in excess of \$2,000. It is understood that, notwithstanding anything to the contrary in this Indenture, only an Authentication Order and not an Opinion of Counsel or Officer's Certificate is required for the Trustee to authenticate such new Note.

**Section 3.07. Optional Redemption.**

(a) Except as set forth in clauses (b) and (e) of this Section 3.07, the Notes will not be redeemable at the Issuers' option prior to July 1, 2026.

(b) At any time prior to July 1, 2026, the Issuers may, at their option, at any time and from time to time, redeem the Notes, in whole or in part, upon notice in accordance with Section 3.03 hereof, at a redemption price equal to the sum of (A) 100.0% of the principal amount of the Notes redeemed, plus (B) the Applicable Premium as of the Redemption Date, plus (C) accrued and unpaid interest, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date falling prior to or on the Redemption Date.

(c) On and after July 1, 2026, the Issuers may, at their option, at any time and from time to time, redeem the Notes, in whole or in part, upon notice in accordance with Section 3.03 hereof, at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth below, plus accrued and unpaid interest, if any, thereon to, but excluding, the applicable Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date falling prior to or on the Redemption Date, if redeemed during the twelve-month period beginning on July 1 of each of the years indicated below:

Year	Percentage
2026	102.438%

2028	100.813%
2029 and thereafter	100.000%

(d) In addition, prior to July 1, 2024, the Issuers may, at their option, at any time and from time to time, redeem an aggregate principal amount of Notes not to exceed the amount of the Net Cash Proceeds received by the Issuer from one or more Equity Offerings or a capital contribution to the Issuer made with the Net Cash Proceeds of one or more Equity Offerings, upon notice as described in Section 3.03 hereof at a redemption price equal to (i) 104.875% of the aggregate principal amount of the Notes redeemed, plus (ii) accrued and unpaid interest, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date falling prior to or on the Redemption Date; *provided*, that (1) the amount redeemed shall not exceed 40% of the aggregate principal amount of the Notes issued under this Indenture (including any Additional Notes); (2) at least 50% of the aggregate principal amount of the Notes originally issued under this Indenture on the Issue Date remains outstanding immediately after the occurrence of each such redemption (unless all Notes are redeemed or repurchased or to be redeemed or repurchased substantially concurrently); and (3) each such redemption occurs within 180 days of the date of closing of the applicable Equity Offering.

(e) In connection with any tender offer, any Change of Control Offer, Alternate Offer or Asset Sale Offer for the Notes, if Holders of not less than 90% in aggregate principal amount of the then outstanding Notes validly tender and do not validly withdraw such Notes in such offer and the Issuers, or any third party making such offer in lieu of the Issuers, purchase all of the Notes validly tendered and not validly withdrawn by such Holders, the Issuers or such third party will have the right upon not less than 10 nor more than 60 days' prior notice, given not more than 60 days following such purchase date, to redeem all Notes that remain outstanding following such purchase at a price equal to the price offered to each other Holder in such offer (which may be less than par and excluding any early tender or incentive fee in such offer) plus, to the extent not included in the offer payment, accrued and unpaid interest, if any, thereon, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date falling prior to or on the Redemption Date.

(f) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof. Notice of any redemption or offer to purchase, whether in connection with an Equity Offering, Change of Control Offer, Alternate Offer, Asset Sale Offer or other transaction or event or otherwise, may, at the Issuers' discretion, be given prior to the completion or occurrence thereof, and any such redemption, offer to purchase or notice may, at the Issuers' discretion, be subject to one or more conditions precedent (including conditions precedent applicable to different amounts of Notes redeemed), including, but not limited to, completion or occurrence of the related Equity Offering, Change of Control Offer, Alternate Offer, Asset Sale Offer or other transaction or event, as the case may be. The Issuers may redeem Notes pursuant to one or more of the relevant provisions in the Indenture, and a single notice of redemption may be delivered with respect to redemptions made pursuant to different provisions. Any such notice may provide that redemptions made pursuant to different provisions will have different Redemption Dates or may specify the order in which redemptions taking place on the same Redemption Date are deemed to occur. In addition, if such redemption or offer to purchase is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuers' discretion, the Redemption Date or repurchase date may be delayed until such time (including more than 60 days after the date the notice of redemption or offer to purchase was sent) as any or all such conditions shall be satisfied (or waived by the Issuers in their sole discretion), or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuers in their sole discretion) by the Redemption Date or purchase date, or by the Redemption Date or purchase date so delayed, or that such notice may be rescinded at any time in the Issuers' sole discretion. In addition, the Issuers may provide in such notice that payment of the redemption or purchase price and performance of the Issuers' obligations with respect to such redemption or purchase may be performed by another Person. The Issuers, the Parent Guarantors, their respective direct and indirect equityholders, any of the Issuer's Subsidiaries and their respective Affiliates may acquire the Notes by means other than a redemption or offer to purchase pursuant to this Section 3.07, whether by tender offer, open market purchases, negotiated transactions or otherwise.

(g) The Trustee shall have no duty to calculate or verify the calculation of the Applicable Premium.

*Section 3.08. Special Mandatory Redemption.*

(a) If (i) the Escrow Agent has not received an Escrow Release Request on or prior to the Escrow End Date, or (ii) the Escrow Issuers notify the Escrow Agent and the Trustee in writing that the Acquisition will not be consummated on or prior to the Termination Date (as defined in the Merger Agreement) or (iii) the Merger Agreement has been terminated in accordance with its terms (each of the above, a "**Special Mandatory Redemption Event**"), then the Escrow Agent shall, without the requirement of notice to or action by the Escrow Issuers, the Trustee or any other Person, (x) liquidate and release the Escrowed Funds (including investment earnings thereon and proceeds thereof) to the Trustee and (y) provide notice to the Escrow Guarantor to provide payment with respect to the Escrow Guaranteed Obligations, and the Escrow Guarantor shall promptly (and in any event within two Business Days of the receipt of such notice) pay the amount necessary to fund the interest due on the Notes from the Issue Date to, but excluding, the Special Mandatory Redemption Date (as defined below), to the Trustee and the Trustee shall apply (or cause the Paying Agent to apply) the amounts in the immediately preceding clauses (x) and (y) to redeem the Notes (the "**Special Mandatory Redemption**") on the third Business Day following the Special Mandatory Redemption Event (the "**Special Mandatory Redemption Date**") or as otherwise required by the Applicable Procedures, at a redemption price (the "**Special Mandatory Redemption Price**") equal to 100% of the issue price of the Notes, plus accrued

and unpaid interest from the Issue Date or the most recent date to which interest has been paid or duly provided for on the Notes, as the case may be, to, but excluding, the Special Mandatory Redemption Date. On the Special Mandatory Redemption Date, the Trustee will pay to the Escrow Issuer any Escrowed Funds in excess of the amount necessary to effect the Special Mandatory Redemption. In the event that the Escrow Issuers provide an Escrow Redemption Notice pursuant to Section 3(b) of the Escrow Agreement prior to 10:00 a.m. (New York City time) on the Escrow End Date, the Escrow Issuers shall cause, no later than the Business Day following the Special Mandatory Redemption Event, a notice of Special Mandatory Redemption (a “**Special Mandatory Redemption Notice**”) to be delivered electronically to the Trustee and mailed by first-class mail, postage prepaid, or delivered electronically if held by DTC, to the Holders of the Notes at their registered addresses, substantially in the form attached as Exhibit E hereto.

(b) If, at or prior to 10:00 a.m. (New York City time) on the Escrow End Date, the Escrow Issuers have not provided to the Escrow Agent any of (1) an Escrow Release Request pursuant to Section 3(a) of the Escrow Agreement or (2) an Escrow Redemption Notice pursuant to Section 3(b) of the Escrow Agreement, then the Trustee shall cause (i) prior to 11:00 a.m. (New York City time) on the Escrow End Date, an Escrow Redemption Notice to be delivered to the Escrow Agent pursuant to Section 3(b) of the Escrow Agreement and (ii) no later than the Business Day following the Special Mandatory Redemption Event, a Special Mandatory Redemption Notice to be mailed by first-class mail, postage prepaid, or delivered electronically if held by DTC, to the Holders of the Notes at their registered addresses, substantially in the form attached as Exhibit E hereto.

(c) Any redemption made pursuant to this Section 3.08 shall be made pursuant to the procedures set forth in this Indenture and the Escrow Agreement, except to the extent inconsistent with this Section 3.08, which shall control in the event of a conflict. The Escrow Issuers shall not be required to make any mandatory redemption or sinking fund payments with respect to the Notes, except pursuant to Section 3.08(a) or (b) hereof.

*Section 3.09. Offers to Repurchase by Application of Excess Proceeds.*

(a) In the event that, pursuant to Section 4.10 hereof, the Issuers shall be required to commence an Asset Sale Offer, the Issuers shall follow the procedures specified below.

(b) The Asset Sale Offer shall remain open for a period of 20 Business Days following its commencement and no longer, except to the extent that a longer period is required by applicable law (the “**Offer Period**”). No later than five Business Days after the termination of the Offer Period (the “**Purchase Date**”), the Issuers shall apply all Excess Proceeds (the “**Offer Amount**”) to the purchase of Notes and, if required, Pari Passu Indebtedness (on a pro rata basis, if applicable, with adjustments as necessary so that no Notes or Pari Passu Indebtedness will be repurchased in part in an unauthorized denomination), or, if less than the Offer Amount has been tendered, all Notes and Pari Passu Indebtedness tendered in response to the Asset Sale Offer. Payment for any Notes so purchased shall be made in the same manner as interest payments are made.

(c) If the Purchase Date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest, if any, up to but excluding the Purchase Date, shall be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

(d) Upon the commencement of an Asset Sale Offer, the Issuers shall send electronically or by first-class mail, a notice to each of the Holders, with a copy to the Trustee. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The Asset Sale Offer shall be made to all Holders and holders of such Pari Passu Indebtedness. The notice, which shall govern the terms of the Asset Sale Offer, shall state:

- (i) that the Asset Sale Offer is being made pursuant to this Section 3.09 and Section 4.10 hereof and the length of time the Asset Sale Offer shall remain open;
- (ii) the Offer Amount, the purchase price and the Purchase Date;
- (iii) that any Note not tendered or accepted for payment shall continue to accrue interest;
- (iv) that, unless the Issuers default in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer shall cease to accrue interest on and after the Purchase Date;
- (v) that any Holder electing to have less than all of the aggregate principal amount of its Notes purchased pursuant to an Asset Sale Offer may elect to have Notes purchased in an amount not less than \$2,000 and in integral multiples of \$1,000 in excess thereof;

(vi) that Holders electing to have a Note purchased pursuant to any Asset Sale Offer shall be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Note completed, or transfer such Note by book-entry transfer, to the Issuers, the Depositary, if appointed by the Issuers, or a Paying Agent at the address specified in the notice at least two Business Days before the Purchase Date;

(vii) that Holders shall be entitled to withdraw their election if the Issuers, the Depositary or the Paying Agent, as the case may be, receives, not later than the close of business on the second Business Day prior to the expiration date of the Offer Period, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(viii) that, if the aggregate principal amount of Notes or the Pari Passu Indebtedness, as the case may be, surrendered by the holders thereof exceeds the Offer Amount, the Issuers shall purchase such Notes and such Pari Passu Indebtedness, as the case may be, on a pro rata basis based on the accreted value or principal amount of the Notes or such Pari Passu Indebtedness, as the case may be, tendered (with such adjustments as may be deemed appropriate by the Issuers so that only Notes in an amount not less than \$2,000 or integral multiples of \$1,000 in excess thereof are purchased); and

(ix) that Holders whose certificated Notes were purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer) representing the same indebtedness to the extent not repurchased; *provided* that new Notes will only be issued in denominations of \$2,000 and integral multiples of \$1,000 in excess of \$2,000.

(e) On or before the Purchase Date, the Issuers shall, to the extent lawful, (i) accept for payment, on a pro rata basis as described in clause (d) (viii) of this Section 3.09, the Offer Amount of Notes or portions thereof validly tendered pursuant to the Asset Sale Offer, or if less than the Offer Amount has been tendered, all Notes tendered and (ii) deliver or cause to be delivered to the Trustee the Notes properly accepted, together with an Officer's Certificate stating the aggregate principal amount of Notes or portions thereof so tendered.

(f) The Issuers, the Depositary or the Paying Agent, as the case may be, shall promptly mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes properly tendered by such Holder and accepted by the Issuers for purchase, and the Issuers shall promptly issue a new Note, and the Trustee, upon receipt of an Authentication Order, shall authenticate and mail or deliver (or cause to be transferred by book-entry) such new Note to such Holder (it being understood that, notwithstanding anything in this Indenture to the contrary, no Opinion of Counsel or Officer's Certificate is required for the Trustee to authenticate and mail or deliver such new Note) in a principal amount equal to any unpurchased portion of the Note surrendered representing the same indebtedness to the extent not repurchased; *provided*, that each such new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. Any Note not so accepted shall be promptly mailed or delivered by the Issuers to the Holder thereof. The Issuers shall publicly announce the results of the Asset Sale Offer on or as soon as practicable after the Purchase Date.

(g) Prior to noon (New York City time) on the purchase date, the Issuers shall deposit with the Trustee or with the Paying Agent money sufficient to pay the purchase price of and accrued and unpaid interest on all Notes to be purchased on that purchase date. The Trustee or the Paying Agent shall promptly return to the Issuers any money deposited with the Trustee or the Paying Agent by the Issuers in excess of the amounts necessary to pay the purchase price of, and accrued and unpaid interest on, all Notes to be redeemed.

Other than as specifically provided in this Section 3.09 or Section 4.10 hereof, any purchase pursuant to this Section 3.09 shall be made pursuant to the applicable provisions of Sections 3.01 through 3.06 hereof, and references therein to "redeem," "redemption," "Redemption Date" and similar words shall be deemed to refer to "purchase," "repurchase," "Purchase Date" and similar words, as applicable.

## ARTICLE 4 COVENANTS

Section 4.01. *Payment of Notes.* The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers), jointly and severally, shall pay or cause to be paid the principal of, premium, if any, and interest, if any, on the Notes on the dates and in the manner provided in the Notes and this Indenture. Principal, premium, if any, and interest, if any, shall be considered paid on the date due if the Paying Agent, if other than the Issuer, the Co-Issuer or a Guarantor or an Affiliate of the Issuer, the Co-Issuer or a Guarantor, holds as of noon (New York City time) on the due date money deposited by the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due.

The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to the then applicable interest rate on the Notes to the extent lawful; the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

Section 4.02. *Maintenance of Office or Agency.* The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall maintain the offices or agencies (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or Transfer Agent) required under Section 2.03 hereof where Notes may be surrendered for registration of transfer or for exchange or presented for payment and where

notices and demands to or upon the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) in respect of the Notes and this Indenture may be served. The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office; provided, however, that the Trustee shall not be deemed an agent of the Issuers or the Escrow Issuers for service of legal process.

The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided* that no such designation or rescission shall in any manner relieve the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) of their obligation to maintain such offices or agencies as required by Section 2.03 hereof for such purposes. The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) hereby designate the Corporate Trust Office as one such office or agency of the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) in accordance with Section 2.03 hereof.

#### *Section 4.03. Reports and Other Information.*

(a) Notwithstanding that the Issuer may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, the Issuer shall file with the SEC from and after the Issue Date:

(i) within 90 days after the end of each fiscal year, annual reports on Form 10-K, or any successor or comparable form (if the Issuer had been a reporting company under Section 15(d) of the Exchange Act), containing substantially all the information that would be required to be contained therein, or required in such successor or comparable form;

(ii) within 45 days after the end of each of the first three fiscal quarters of each fiscal year, reports on Form 10-Q, or any successor or comparable form (if the Issuer had been a reporting company under Section 15(d) of the Exchange Act), containing substantially all quarterly information that would be required to be contained in Form 10-Q, or any successor or comparable form;

(iii) promptly after the occurrence of a material event which would have been required to be reported on a Form 8-K or any successor or comparable form (if the Issuer had been a reporting company under Section 15(d) of the Exchange Act), a current report relating to such event on Form 8-K or any successor or comparable form;

in each case, in a manner that complies in all material respects with the requirements specified in such form (except as described above or below and subject to exceptions consistent with the presentation of information in the Offering Memorandum); *provided, however,* that the Issuer shall not be so obligated to file such reports referred to in clauses (i), (ii) and (iii) above with the SEC if the SEC does not permit such filing, in which event the Issuer shall make available such information to the Trustee, the Holders and prospective purchasers of Notes, in each case within 15 days after the time the Issuer would be

required to file such information with the SEC if it were subject to Section 15(d) of the Exchange Act. In addition, to the extent not satisfied by the foregoing, for so long as any Notes are outstanding, the Issuer shall furnish to Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(b) The Issuer may satisfy its obligations under this Section 4.03 with respect to financial information relating to the Issuer by furnishing financial information relating to a direct or indirect parent of the Issuer (including HGV Parent) as long as any such parent entity of the Issuer provides a Guarantee of the Notes or, if such parent does not provide a Guarantee, if such financial information is accompanied by selected financial metrics that show the material differences (in the Issuer's sole discretion) between the information relating to such parent, on the one hand, and the information relating to the Issuer and its Restricted Subsidiaries on a stand-alone basis, on the other hand.

(c) If with respect to any reporting period(s) covered in the applicable report, the Issuer's Unrestricted Subsidiaries (other than the Unrestricted Securitization Subsidiaries) would, individually or in the aggregate, constitute a "significant subsidiary" (as such term is defined in Rule 1-02 of Regulation S-X promulgated pursuant to the Securities Act (as such regulation is in effect on the Issue Date)), then the applicable annual and quarterly financial information required by clauses (a)(i) and (a)(ii) above shall include a supplemental section in "Management's Discussion and Analysis of Financial Condition and Results of Operations" presenting (in a manner consistent with the presentation of information included or incorporated by reference in the Offering Memorandum) selected financial measures of such Unrestricted Subsidiaries in the aggregate (separate from the financial information of the Issuer and its Restricted Subsidiaries).

(d) Notwithstanding anything herein to the contrary, the Issuer will not be deemed to have failed to comply with any of its obligations hereunder for purposes of clause (iii) of Section 6.01(a) hereof until 120 days after the receipt of the written notice delivered thereunder.

To the extent any information is not provided within the time periods specified in this Section 4.03 and such information is subsequently provided, the Issuer will be deemed to have satisfied its obligations with respect thereto at such time and any Default with respect thereto shall be deemed to have been cured.

#### *Section 4.04. Compliance Certificate.*

(a) The Issuer (and, prior to the Escrow Release Date, the Escrow Issuer) shall deliver to the Trustee, within 90 days after the end of each fiscal year ending after the Issue Date (or 120 days for the first fiscal year ending after the Issue Date), a certificate from its principal executive officer, principal financial officer or principal accounting officer stating that a review of the activities of the Issuer (and, prior to the Escrow Release Date, the Escrow Issuer) and its Restricted Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officer with a view to determining whether the Issuer (and, prior to the Escrow Release Date, the Escrow Issuer) and its Restricted Subsidiaries have kept, observed, performed and fulfilled their respective obligations under this Indenture, and further stating, as to such Officer signing such certificate, that to the best of his or her knowledge, on behalf of the Issuer (and, prior to the Escrow Release Date, the Escrow Issuer) and its Restricted Subsidiaries have kept, observed, performed and fulfilled in all material respects each and every condition and covenant contained in this Indenture during such fiscal year and no Default has occurred and is continuing with respect to any of the terms, provisions, covenants and conditions of this Indenture (or, if a Default shall have occurred and is continuing, describing all such Defaults of which he or she may have knowledge and what action the Issuer (and, prior to the Escrow Release Date, the Escrow Issuer) is taking or proposes to take with respect thereto).

(b) When any Default has occurred and is continuing under this Indenture, or if the Trustee or the holder of any other evidence of Indebtedness of the Issuer or any Subsidiary gives any notice or takes any other action with respect to a claimed Default, the Issuer (and, prior to the Escrow Release Date, the Escrow Issuer) shall promptly (which shall be no more than 20 Business Days after becoming aware of such Default) deliver to the Trustee by registered or certified mail or by facsimile transmission an Officer's Certificate specifying such event and what action the Issuer (and, prior to the Escrow Release Date, the Escrow Issuer) proposes to take with respect thereto.

Section 4.05. *Taxes*. The Issuer (and, prior to the Escrow Release Date, the Escrow Issuer) shall pay or discharge, and shall cause each of its Restricted Subsidiaries to pay or discharge, prior to delinquency, all material taxes, lawful assessments, and governmental levies except such as are contested in good faith and by appropriate actions or where the failure to effect such payment or discharge is not adverse in any material respect to the Holders.

Section 4.06. *Stay, Extension and Usury Laws*. The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) and each of the Guarantors covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture and the Notes; and the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) and each of the Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and (to the extent that they may lawfully do so) covenant that they shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.07. *Limitation on Restricted Payments*.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

(i) declare or pay any dividend or make any payment or distribution on account of the Issuer's or any of its Restricted Subsidiaries' Equity Interests (in each case, solely to a holder of Equity Interests in such Person's capacity as a holder of such Equity Interests), including any dividend, payment or distribution payable in connection with any merger, amalgamation or consolidation, other than:

(A) dividends, payments and distributions by the Issuer payable solely in Equity Interests (other than Disqualified Stock) of the Issuer or in options, warrants or other rights to purchase such Equity Interests; or

(B) dividends, payments and distributions by a Restricted Subsidiary so long as, in the case of any dividend, payment or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary other than a Wholly Owned Subsidiary, the Issuer or a Restricted Subsidiary receives at least its pro rata share of such dividend, payment or distribution in accordance with its Equity Interests in such class or series of securities;

(ii) purchase, redeem, defease or otherwise acquire or retire for value any Equity Interests of the Issuer or any direct or indirect parent company of the Issuer, including any purchase, redemption, defeasance, acquisition or retirement in connection with any merger, amalgamation or consolidation, in each case held by a Person other than the Issuer or a Restricted Subsidiary;

(iii) make any principal payment on, or redeem, repurchase, defease or otherwise acquire or retire for value, in each case, prior to any scheduled repayment, sinking fund payment or maturity, any Subordinated Indebtedness, other than:

(A) Indebtedness permitted under clauses (vii) and (viii) of Section 4.09(b) hereof; or

(B) the payment, redemption, purchase, repurchase, defeasance or other acquisition or retirement for value of Subordinated Indebtedness purchased in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of payment, redemption, purchase, repurchase, defeasance, acquisition or retirement; or

(iv) make any Restricted Investment

(all such payments and other actions set forth in clauses (i) through (iv) above (other than any exceptions thereto) being collectively referred to as “**Restricted Payments**”), unless, at the time of such Restricted Payment:

(A) no Event of Default shall have occurred and be continuing or would occur as a consequence thereof;

(B) immediately after giving effect to such transaction on a pro forma basis, the Issuer could incur \$1.00 of additional Indebtedness pursuant to the test set forth in Section 4.09(a) hereof; and

(C) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Issuer and its Restricted Subsidiaries after the Escrow Release Date (including Restricted Payments permitted by clauses (i) (without duplication) and (vi) (C) of Section 4.09(b) hereof, but excluding all other Restricted Payments permitted by Section 4.09(b) hereof, is less than the sum of (without duplication):

(1) 50.0% of the Consolidated Net Income of the Issuer for the period (taken as one accounting period and including any predecessor of the Issuer) from the beginning of the fiscal quarter in which the Escrow Release Date occurs to the end of the Issuer’s most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment; plus

(2) 100.0% of the aggregate Net Cash Proceeds and the fair market value of marketable securities or other property received by the Issuer or its Restricted Subsidiaries after the Escrow Release Date (other than the Net Cash Proceeds to the extent such Net Cash Proceeds have been used to incur Indebtedness or issue Disqualified Stock or Preferred Stock pursuant to clause (xii)(A) of Section 4.09(b) hereof) from the issue or sale of:

(i) (A) Equity Interests of the Issuer, including Treasury Capital Stock, but excluding Net Cash Proceeds and the fair market value of marketable securities or other property received from the sale of:

(x) Equity Interests of the Issuer to any future, present or former employees, directors, officers, managers, independent contractors, or consultants (or their respective Controlled Investment Affiliates or Immediate Family Members) of the Issuer, any direct or indirect parent company of the Issuer or any of the Issuer's Subsidiaries after the Escrow Release Date to the extent such amounts have been applied to Restricted Payments made in accordance with clause (iv) of Section 4.07(b) hereof; and

any such Indebtedness, Disqualified Stock or Preferred Stock owing to a Restricted Subsidiary that is not the Co-Issuer or a Subsidiary Guarantor shall be deemed to be expressly subordinated in right of payment to the Notes; unless the terms of such Indebtedness, Disqualified Stock or Preferred Stock expressly provide otherwise); *provided, further*, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness, Disqualified Stock or Preferred Stock (except to the Issuer or another Restricted Subsidiary or any pledge of such Indebtedness, Disqualified Stock or Preferred Stock constituting a Permitted Lien) shall be deemed, in each case, to be an incurrence of such Indebtedness, Disqualified Stock or Preferred Stock (to the extent such Indebtedness, Disqualified Stock or Preferred Stock is then outstanding) not permitted by this clause (vii);

(viii) Indebtedness, Disqualified Stock and Preferred Stock of a Restricted Subsidiary to the Issuer or another Restricted Subsidiary; *provided*, that if the Issuer, the Co-Issuer or a Subsidiary Guarantor incurs such Indebtedness, Disqualified Stock or Preferred Stock to a Restricted Subsidiary that is not the Co-Issuer or a Subsidiary Guarantor, such Indebtedness, Disqualified Stock or Preferred Stock is subordinated in right of payment (to the extent permitted by applicable law) to the Notes or the Guarantee of the Notes by such Subsidiary Guarantor, as applicable (for the avoidance of doubt, any such Indebtedness, Disqualified Stock or Preferred Stock owing to a Restricted Subsidiary that is not the Co-Issuer or a Subsidiary Guarantor shall be deemed to be expressly subordinated in right of payment to the Notes or the Guarantee of the Notes by such Subsidiary Guarantor, as applicable, unless the terms of such Indebtedness, Disqualified Stock or Preferred Stock expressly provide otherwise); *provided, further*, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any subsequent transfer of any such Indebtedness, Disqualified Stock or Preferred Stock (except to the Issuer or another Restricted Subsidiary or any pledge of such Indebtedness, Disqualified Stock or Preferred Stock constituting a Permitted Lien) shall be deemed, in each case, to be an incurrence of such Indebtedness, Disqualified Stock or Preferred Stock (to the extent such Indebtedness, Disqualified Stock or Preferred Stock is then outstanding) not permitted by this clause (viii);

(xxiv) Indebtedness of the Issuer or any of its Restricted Subsidiaries undertaken in connection with cash management and related activities with respect to any Subsidiary or joint venture in the ordinary course of business or consistent with past practice;

(xxv) Indebtedness, Disqualified Stock or Preferred Stock of Foreign Subsidiaries of the Issuer in an aggregate principal amount or liquidation preference, which, when aggregated with the principal amount and liquidation preference of all other Indebtedness, Disqualified Stock and Preferred Stock then outstanding and incurred pursuant to this clause (xxv), does not at any time outstanding exceed the greater of (A) \$50.0 million and (B) 10.0% of the total assets of the Foreign Subsidiaries on a consolidated basis (in each case, determined on the date of such incurrence); it being understood that any Indebtedness, Disqualified Stock or Preferred Stock incurred pursuant to this clause (xxv) shall cease to be deemed incurred or outstanding for purposes of this clause (xxv) but shall be deemed incurred for the purposes of the Section 4.09(a) hereof from and after the first date on which the Issuer or its Restricted Subsidiaries could have incurred such Indebtedness, Disqualified Stock or Preferred Stock under Section 4.09(a) hereof without reliance on this clause (xxv);

(xxvi) Indebtedness, Disqualified Stock or Preferred Stock incurred by the Issuer or any of its Restricted Subsidiaries to the extent that the net proceeds thereof are deposited with the Trustee at or promptly after the funding of such Indebtedness, Disqualified Stock or Preferred Stock to satisfy and discharge the Notes or exercise the Issuers' legal defeasance or covenant defeasance option as described under Article 8 hereof, in each case, in accordance with this Indenture; and

(c) For purposes of determining compliance with this Section 4.09:

(i) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of permitted Indebtedness, Disqualified Stock or Preferred Stock described in clauses (i) through (xxviii) of Section 4.09(b) hereof or is entitled to be incurred pursuant to Section 4.09(a) hereof, the Issuer, in its sole discretion, may divide or classify, and may from time to time redivide and reclassify, such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) and will only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock in one or more of the clauses under Section 4.09(b) or under Section 4.09(a) hereof; *provided* that all Indebtedness outstanding under the Senior Secured Credit Facilities on the Escrow Release Date shall be treated as incurred on the Escrow Release Date under clause (i) of Section 4.09(b) hereof; and

(ii) the Issuer will be entitled to divide and classify an item of Indebtedness, Disqualified Stock or Preferred Stock in more than one of the types of Indebtedness, Disqualified Stock or Preferred Stock described in Section 4.09(a) and Section 4.09(b) hereof.

(iii) [Reserved];

(iv) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are incurred pursuant to any Credit Facility and are being treated as Incurred pursuant to any clause of the second paragraph above or the first paragraph above and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, Disqualified Stock or Preferred Stock, then such other Indebtedness, Disqualified Stock or Preferred Stock shall not be included;

(v) the principal amount of any Disqualified Stock of the Issuer or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof; and

(vi) for purposes of calculating the Fixed Charge Coverage Ratio, the Consolidated Secured Debt Ratio or the Consolidated Total Debt Ratio, as applicable, in connection with the incurrence of any Indebtedness pursuant to the first or second paragraph above or the creation or incurrence of any Lien pursuant to the definition of "Permitted Liens," the Issuer may elect, at its option, to treat all or any portion of the committed amount of any Indebtedness (and the issuance and creation of letters of credit and bankers' acceptances thereunder) which is to be incurred (or any commitment in respect thereof) or secured by such Lien, as the case may be (any such committed amount elected until revoked as described below, the "Reserved Indebtedness Amount"), as being incurred as of such election date, and, if such Fixed Charge Coverage Ratio, Consolidated Secured Debt Ratio or Consolidated Total Debt Ratio, as applicable, is satisfied with respect thereto on such election date, any subsequent borrowing or reborrowing thereunder (and the issuance and creation of letters of credit and bankers' acceptances thereunder) will be deemed to be permitted under this covenant or the definition of "Permitted Liens," as applicable, whether or not the Fixed Charge Coverage Ratio, the Consolidated Secured Debt Ratio or the Consolidated Total Debt Ratio, as applicable, at the actual time of any subsequent borrowing or reborrowing (or issuance or creation of letters of credit or bankers' acceptances thereunder) is met; *provided*, that for purposes of subsequent calculations of the Fixed Charge Coverage Ratio, the Consolidated Secured Debt Ratio or the Consolidated Total Debt Ratio, as applicable, the Reserved Indebtedness Amount shall be deemed to be outstanding, whether or not such amount is actually outstanding, for so long as such commitments are outstanding or until the Issuer revokes an election of a Reserved Indebtedness Amount.

Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock, as the case may be, of the same class will not be deemed to be an incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this Section 4.09. If Indebtedness, Disqualified Stock or Preferred Stock originally incurred in reliance upon a percentage of Total Assets under this covenant is being refinanced and such refinancing would cause the maximum amount of Indebtedness, Disqualified Stock or Preferred Stock thereunder to be exceeded at such time, then such refinancing will nevertheless be permitted thereunder and such additional Indebtedness, Disqualified Stock or Preferred Stock will be deemed to have been incurred under the applicable provision so long as the principal amount or liquidation preference of such refinancing Indebtedness, Disqualified Stock or Preferred Stock does not exceed the principal amount or liquidation preference of Indebtedness, Disqualified Stock or Preferred Stock being refinanced plus amounts permitted by the next sentence. Any Refinancing Indebtedness and any Indebtedness, Disqualified Stock or Preferred Stock permitted to be incurred under this Indenture to refinance Indebtedness incurred pursuant to clauses (i), (xi)(B), (xxiii) and (xxv) of Section 4.09(b) hereof shall be deemed to include additional Indebtedness, Disqualified Stock or Preferred Stock incurred to pay accrued but unpaid interest or dividends, premiums (including tender premiums), defeasance costs, underwriting or initial purchaser discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, Disqualified Stock or Preferred Stock, the U.S. Dollar Equivalent principal amount or liquidation preference of Indebtedness, Disqualified Stock or Preferred Stock denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness, Disqualified Stock or Preferred Stock was incurred, in the case of a term obligation, or upon execution of the definitive credit agreement, in the case of revolving credit debt; *provided*, that if such Indebtedness, Disqualified Stock or Preferred Stock is incurred to refinance other Indebtedness, Disqualified Stock or Preferred Stock denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount or liquidation preference of such refinancing Indebtedness, Disqualified Stock or Preferred Stock does not exceed (A) the principal amount or liquidation preference of such Indebtedness, Disqualified Stock or Preferred Stock being refinanced plus (B) the aggregate amount of accrued but unpaid interest, fees, underwriting or initial purchaser discounts, premiums (including tender premiums) and other costs and expenses (including original issue discount, upfront fees or similar fees) incurred in connection with such refinancing.

The principal amount or liquidation preference of any Indebtedness, Disqualified Stock or Preferred Stock incurred to refinance other Indebtedness, Disqualified Stock or Preferred Stock, if incurred in a different currency from the Indebtedness, Disqualified Stock or Preferred Stock being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness, Disqualified Stock or Preferred Stock is denominated that is in effect on the date of such refinancing.

This Indenture will not treat (1) unsecured Indebtedness as subordinated or junior to Secured Indebtedness merely because it is unsecured or (2) Indebtedness as subordinated or junior to any other Indebtedness merely because it has a junior priority with respect to the same collateral or because it is secured by different collateral or issued or guaranteed by other obligors.

Section 4.10. *Asset Sales.*

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, consummate an Asset Sale, unless:

(i) the Issuer or such Restricted Subsidiary, as the case may be, receives consideration (including, but not limited to, by way of relief from, or by any other Person (other than the Issuer or a Restricted Subsidiary) assuming responsibility for, any liabilities (other than intercompany liabilities owing to the Issuer or a Restricted Subsidiary), contingent or otherwise, in connection with, such Asset Sale) at the time of such Asset Sale at least equal to the fair market value (as determined in good faith by the Issuer at the time of contractually agreeing to such Asset Sale) of the assets sold or otherwise disposed of; and

(ii) except in the case of a Permitted Asset Swap, at least 75.0% of the consideration for such Asset Sale, together with all other Asset Sales since the Escrow Release Date (on a cumulative basis), received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of Cash Equivalents; *provided*, that the amount of:

(A) the greater of the principal amount and the carrying value of any liabilities (as reflected on the Issuer's or such Restricted Subsidiary's most recent consolidated balance sheet or in the footnotes thereto or, if incurred or increased subsequent to the date of such balance sheet, such liabilities that would have been reflected on the Issuer's or such Restricted Subsidiary's consolidated balance sheet or in the footnotes thereto if such incurrence or increase had taken place on or prior to the date of such balance sheet, as determined by the Issuer) of the Issuer or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Notes (other than intercompany liabilities owing to a Restricted Subsidiary being disposed of), that are (1) assumed by the transferee of any such assets (or a third party in connection with such transfer) pursuant to a written agreement which releases or indemnifies the Issuer or such Restricted Subsidiary from such liabilities or (2) otherwise cancelled or terminated in connection with the transaction;

(B) any securities, notes or other obligations or assets received by the Issuer or such Restricted Subsidiary from such transferee that are converted or reasonably expected by the Issuer acting in good faith to be converted by the Issuer or such Restricted Subsidiary into Cash Equivalents (to the extent of the Cash Equivalents received or expected to be received) or by their terms are required to be satisfied for Cash Equivalents within 180 days following the closing of such Asset Sale (365 days in the case of any securities, notes or other obligations or assets received in respect of any Asset Sale of the Specified Real Property Assets); and

(C) any Designated Non-Cash Consideration received by the Issuer or such Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this clause (C) that is at that time outstanding, not to exceed the greater of (1) \$280.0 million and (2) 5.0% of Total Assets (net of any non-cash consideration converted into Cash Equivalents) at the time of the receipt of such Designated Non-Cash Consideration (or, at the Issuer's option, at the time of contractually agreeing to such Asset Sale), with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value, shall be deemed to be Cash Equivalents for purposes of this provision and for no other purpose.

(b) Within 365 days after the later of (i) the date of any Asset Sale pursuant to the foregoing paragraph and (ii) the receipt of any Net Proceeds of such Asset Sale, the Issuer or such Restricted Subsidiary, at its option, may apply the Net Proceeds from such Asset Sale:

(i) to reduce or offer to reduce Indebtedness (through a redemption, prepayment, repayment, or purchase, as applicable) as follows:

(A) Obligations under a Credit Facility to the extent such Obligations were incurred under clause (i) of Section 4.09(b) and are secured by a Lien permitted by the Indenture, and to correspondingly reduce commitments with respect thereto;

(B) Obligations under Secured Indebtedness, and to correspondingly reduce commitments with respect thereto (other than Indebtedness owed to the Issuer or a Restricted Subsidiary);

(C) Obligations under the Notes or any other unsecured Senior Indebtedness of the Issuer or any Restricted Subsidiary (and, in the case of other Senior Indebtedness, to correspondingly reduce commitments with respect thereto, if applicable); *provided* that if the Issuer or any Restricted Subsidiary shall so reduce any unsecured Senior Indebtedness other than the Notes, the Issuer or such Restricted Subsidiary will either (1) reduce Obligations under the Notes on a pro rata basis by, at its option, (x) redeeming Notes as provided under Section 3.07 hereof or (y) purchasing Notes through open-market purchases or in privately negotiated transactions at market prices (which may be below par), or (2) make an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase their Notes on a ratable basis with such other unsecured Senior Indebtedness for no less than 100.0% of the principal amount thereof, plus the amount of accrued but unpaid interest, if any, thereon up to the principal amount of Notes to be repurchased; or

(D) Obligations of a Restricted Subsidiary that is not the Co-Issuer or a Subsidiary Guarantor, other than Indebtedness owed to the Issuer or any Restricted Subsidiary;

provided, that to the extent the Issuer or any Restricted Subsidiary makes an offer to redeem, prepay, repay or purchase any Obligations pursuant to any of the foregoing clauses (A) to (D) at a price of no less than 100% of the principal amount thereof, to the extent the relevant creditors do not accept such offering, the Issuer and the Restricted Subsidiaries will be deemed to have applied an amount of the Net Proceeds equal to such amount not so accepted in such offer, and such amount shall not increase the amount of Excess Proceeds (and such amount shall instead constitute Declined Proceeds); or

(ii) to make an Investment in (A) any one or more businesses, *provided* that such Investment in any business is in the form of the acquisition of Capital Stock and results in the Issuer or any of its Restricted Subsidiaries, as the case may be, owning an amount of the Capital Stock of such business such that it constitutes or continues to constitute a Restricted Subsidiary, (B) capital expenditures, or (C) acquisitions of other properties or assets that, in each of (A), (B), and (C), are used or useful in a Similar Business or replace the businesses, properties and/or assets that are the subject of such Asset Sale; or

(iii) any combination of the foregoing;

*provided* that a binding commitment or letter of intent entered into not later than the end of such 365-day period shall be treated as a permitted application of the Net Proceeds from the date of such commitment or letter of intent so long as the Issuer or such Restricted Subsidiary enters into such commitment or letter of intent with the good faith expectation that such Net Proceeds will be applied to satisfy such commitment or letter of intent within 180 days of the end of such 365-day period (an “**Acceptable Commitment**”) or, in the event any Acceptable Commitment is later cancelled or terminated for any reason before the Net Proceeds are applied in connection therewith, the Issuer or such Restricted Subsidiary enters into another Acceptable Commitment (a “**Second Commitment**”) within 180 days of such cancellation or termination; *provided, further* that if any Second Commitment is later cancelled or terminated for any reason before such Net Proceeds are applied, then such Net Proceeds shall constitute Excess Proceeds.

Notwithstanding any other provisions of this covenant, (i) to the extent that the application of any or all of the Net Proceeds of any Asset Sale or Casualty Event by a Foreign Subsidiary (a “Foreign Disposition”) (A) is (x) prohibited or delayed by or would violate or conflict with applicable local law, (y) restricted by applicable organizational documents or any agreement or (z) subject to other organizational or administrative impediments from being repatriated to the United States (including for the avoidance of doubt restrictions, prohibitions or impediments relating to financial assistance, corporate benefit, thin capitalization, capital maintenance and similar legal principles, restrictions on upstreaming and/or cross-streaming of Cash Equivalents intra-group and relating to the fiduciary and/or statutory duties of the directors (or equivalent Persons) of the Issuer and/or any of its Subsidiaries) or would conflict with the fiduciary and/or statutory duties of such Subsidiary’s directors (or equivalent Persons), or (B) would result in, or could reasonably be expected to result in, a risk of personal or criminal liability for any officer, director, employee, manager, member of management or consultant of such Subsidiary, an amount equal to the portion of such Net Proceeds so affected will not be required to be applied in compliance with this covenant, and such amounts may be retained by the applicable Foreign Subsidiary; *provided*, that if at any time within one year following the date on which the respective payment would otherwise have been required, such repatriation of any of such affected Net Proceeds is permitted under the applicable local law, the applicable organizational document or agreement or the applicable other impediment, an amount equal to such amount of Net Proceeds so permitted to be repatriated will be promptly applied (net of any taxes, costs or expenses that would be payable or reserved against if such amounts were actually repatriated whether or not they are repatriated) in compliance with this covenant or (ii) to the extent that the Issuer has determined in good faith that repatriation of any or all of the Net Proceeds of any Foreign Disposition could have a material adverse tax or cost consequence with respect to such Net Proceeds (which for the avoidance of doubt, includes, but is not limited to, any prepayment whereby doing so the Issuer, any Restricted Subsidiary or any of their respective Affiliates and/or their equityholders would incur a tax liability, including as a result of a tax dividend, a deemed dividend pursuant to Code Section 956 or a withholding tax), the Net Proceeds so affected may be retained by the applicable Foreign Subsidiary and an amount equal to such Net Proceeds will not be required to be applied in compliance with this covenant. The non-application of any prepayment amounts as a consequence of the foregoing provisions will not, for the avoidance of doubt, constitute a Default or an Event of Default. For the avoidance of doubt, nothing in the Indenture shall be construed to require the Issuer or any Subsidiary to repatriate cash.

(c) Any Net Proceeds from the Asset Sale (other than any amounts excluded from this covenant as set forth in Section 4.10(b)) that are not invested or applied as provided and within the time period set forth in Section 4.10(b) hereof will be deemed to constitute “**Excess Proceeds**”; *provided*, that any amount of Net Proceeds offered to Holders of the Notes pursuant to clause (i)(C) of Section 4.10(b) shall not be deemed to be Excess Proceeds without regard to whether such offer is accepted by any

Holders and any amount of Net Proceeds offered to Holders of the Notes pursuant to clause (i)(C) of Section 4.10(b) of the second preceding paragraph that are not accepted shall be deemed to be Declined Proceeds. When the aggregate amount of Excess Proceeds exceeds \$75.0 million (the “**Excess Proceeds Threshold**”), the Issuer shall make an offer (an “**Asset Sale Offer**”) to all Holders of the Notes and, if required or permitted by the terms of any Indebtedness that ranks *pari passu* in right of payment with the Notes (“**Pari Passu Indebtedness**”), to the holders of such Pari Passu Indebtedness, to purchase the maximum aggregate principal amount (or accreted value, as applicable) of the Notes and such Pari Passu Indebtedness that is, with respect to the Notes only, in an amount equal to \$1,000, or an integral multiple of \$1,000 in excess thereof, that may be purchased out of the Excess Proceeds at an offer price, in the case of the Notes, in cash in an amount equal to 100.0% of the principal amount thereof (or accreted value thereof, if less), plus accrued and unpaid interest, if any, to, but excluding, the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture, and in the case of such Pari Passu Indebtedness, at the offer price required by the terms thereof, in accordance with the procedures set forth in the agreement(s) governing such Pari Passu Indebtedness. The Issuer will commence an Asset Sale Offer with respect to Excess Proceeds within 20 Business Days after the date that Excess Proceeds exceed the Excess Proceeds Threshold by delivering to the Holders the notice required pursuant to the terms of this Indenture, with a copy to the Trustee. The Issuer may satisfy the foregoing obligations with respect to any Net Proceeds from an Asset Sale by making any Asset Sale Offer with respect to such Net Proceeds prior to the time period that may be required by the Indenture with respect to all or a part of the available Net Proceeds (the “**Advance Portion**”) in advance of being required to do so by the Indenture (an “**Advance Offer**”).

To the extent that the aggregate amount (or accreted value, if applicable) of Notes and Pari Passu Indebtedness, as the case may be, tendered pursuant to an Asset Sale Offer is less than the amount offered in the Asset Sale Offer (or in the case of an Advance Offer, the Advance Portion), the Issuers may use any remaining Excess Proceeds (or in the case of an Advance Offer, the Advance Portion) (“**Declined Proceeds**”) for any purposes not otherwise prohibited under this Indenture. If the aggregate principal amount (or accreted value, if applicable) of Notes or the Pari Passu Indebtedness, as the case may be, surrendered by such holders thereof exceeds the amount offered in the Asset Sale Offer (or in the case of an Advance Offer, the Advance Portion), the Issuer shall purchase the Notes (subject to applicable DTC procedures as to global notes) and such Pari Passu Indebtedness, as the case may be, on a pro rata basis based on the aggregate principal amount (or accreted value, if applicable) of the Notes or such Pari Passu Indebtedness, as the case may be, tendered with adjustments as necessary so that no Notes or Pari Passu Indebtedness, as the case may be, will be repurchased in part in an unauthorized denomination. Upon completion of any such Asset Sale Offer (or Advance Offer), the amount of Excess Proceeds (or in the case of an Advance Offer, the Advance Portion) that resulted in the requirement to make an Asset Sale Offer shall be reset to zero (regardless of whether there are any remaining Excess Proceeds (or Advance Portion) upon such completion). Additionally, the Issuer may, at its option, make an Asset Sale Offer using the Net Proceeds from any Asset Sale at any time after the consummation of such Asset Sale. Upon consummation or expiration of any Asset Sale Offer (or Advance Offer), any remaining Net Proceeds shall not be deemed Excess Proceeds and the Issuers may use such Net Proceeds for any purpose not otherwise prohibited under this Indenture.

An Asset Sale Offer or Advance Offer may be made at the same time as consents are solicited with respect to an amendment, supplement or waiver of the Indenture, Notes and/or Guarantees (but the Asset Sale Offer or Advance Offer may not condition tenders on the delivery of such consents).

(d) Pending the final application of the amount of any Net Proceeds pursuant to this Section 4.10, the holder of such Net Proceeds may temporarily reduce Indebtedness, or otherwise use such Net Proceeds in any manner not prohibited by this Indenture.

(e) The notice, if delivered electronically or mailed in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. If (i) the notice is delivered electronically or mailed in a manner herein provided and (ii) any Holder fails to receive such notice or a Holder receives such notice but it is defective, such Holder's failure to receive such notice or such defect shall not affect the validity of the proceedings for the purchase of the Notes as to all other Holders that properly received such notice without defect. The Issuers shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase by the Issuers of the Notes pursuant to an Asset Sale Offer or an Advance Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuers shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in this Indenture by virtue thereof.

The provisions of this Section 4.10 relative to the Issuers' obligation to make an offer to repurchase the Notes as a result of an Asset Sale may be waived or modified with the written consent of the Holders of a majority in principal amount of all the Notes then outstanding.

*Section 4.11. Transactions with Affiliates.*

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction,

contract, agreement, understanding, loan, advance or guarantee with any Affiliate of the Issuer (each of the foregoing, an "**Affiliate Transaction**") involving aggregate payments or consideration in excess of \$37.5 million at such time, unless:

(i) such Affiliate Transaction is on terms that are not materially less favorable to the Issuer or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on an arm's-length basis; or, if in the good faith judgment of the Issuer, no comparable transaction is available with which to compare such Affiliate Transaction, such Affiliate Transaction is otherwise fair to the Issuer or such Restricted Subsidiary from a financial point of view and when such transaction is taken in its entirety; and

(ii) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate payments or consideration in excess of \$75.0 million at such time, the terms of such transaction have been approved by a majority of the members of the Board of the Issuer or any direct or indirect parent of the Issuer.

Any Affiliate Transaction shall be deemed to have satisfied the requirements set forth in clause (ii) of this paragraph if such Affiliate Transaction is approved by a majority of the Disinterested Directors of the Issuer or any direct or indirect parent of the Issuer, if any.

(b) The provisions of Section 4.11(a) hereof shall not apply to the following:

(i) (x) transactions between or among the Issuer or any of its Restricted Subsidiaries; (or any entity that becomes a Restricted Subsidiary as a result of such transaction) and (y) any merger, amalgamation or consolidation of the Issuer into any direct or indirect parent company; *provided*, that such merger, amalgamation or consolidation is otherwise consummated in compliance with the terms of the Indenture;

- (ii) Restricted Payments permitted by Section 4.07 hereof (including any transaction specifically excluded from the definition of the term “Restricted Payments”) (other than pursuant to clauses (xiii) and (xv)(A) of Section 4.07(b));
- (iii) transactions pursuant to the Transaction Agreements, or any amendment thereto or replacement thereof so long as any such amendment or replacement is not materially disadvantageous in the good faith judgment of the Issuer to the Holders when taken as a whole, as compared to the applicable agreement as in effect immediately prior to such amendment or replacement;
- (iv) (A) employment agreements, employee benefit and incentive compensation plans and arrangements and (B) the payment of reasonable and customary fees and compensation paid to, and indemnities and reimbursements and employment and severance arrangements provided on behalf of or for the benefit of, future, present or former employees, directors, officers, managers, members, partners, independent contractors or consultants (or their respective Controlled Investment Affiliates or Immediate Family Members) of the Issuer, any of its direct or indirect parent companies or any of its Restricted Subsidiaries, including in connection with the Transactions;
- (v) transactions in which the Issuer or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable, when taken as a whole, to the Issuer or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on an arm’s-length basis;
- (vi) any agreement or arrangement as in effect as of the Escrow Release Date, or any amendment or replacement thereto (so long as any such amendment or replacement is not materially disadvantageous in the good faith judgment of the Issuer to the Holders when taken as a whole as compared to the applicable agreement or arrangement as in effect on the Escrow Release Date);
- (vii) any Intercompany License Agreements;
- (viii) the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under the terms of, any stockholders, investor rights or similar agreement (including any registration rights agreement or purchase agreement related thereto) to which it (or any parent company of the Issuer) is a party as of the Escrow Release Date and any similar agreements which it (or any parent company of the Issuer) may enter into thereafter; *provided* that the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries (or such parent company) of obligations under any future amendment to any such existing agreement or under any similar agreement entered into after the Escrow Release Date shall only be permitted by this clause (viii) to the extent that the terms of any such amendment or new agreement are not otherwise, when taken as a whole, materially disadvantageous in the good faith judgment of the Issuer to the Holders than those in effect on the Escrow Release Date;
- (ix) the Transactions and the payment of all fees and expenses related to the Transactions, including Transaction Expenses;

(x) transactions with customers, clients, suppliers, contractors, joint venture partners or purchasers or sellers of goods or services or providers of employees or other labor that are Affiliates, in each case in the ordinary course of business or that are consistent with past practice and otherwise in compliance with the terms of this Indenture which are fair to the Issuer and its Restricted Subsidiaries, in the reasonable determination of the Issuer, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(xi) the issuance or transfer of (A) Equity Interests (other than Disqualified Stock) of the Issuer to any direct or indirect parent company of the Issuer or to any Permitted Holder or to any employee, director, officer, manager, member, partner or consultant (or their respective Affiliates or Immediate Family Members) of the Issuer, any of its direct or indirect parent companies or any of its Restricted Subsidiaries and (B) directors' qualifying shares and shares issued to foreign nationals as required by applicable law;

(xii) (A) any sale or other transfer of accounts receivable, or participations therein, or Securitization Assets or related assets or any other transactions effected in connection with any Qualified Securitization Facility (including servicing agreements and other customary similar arrangements) and (B) any disposition or repurchase of accounts receivable, or participations therein or Securitization Assets or related assets in connection with any Qualified Securitization Facility;

(xiii) [Reserved];

(xiv) payments and Indebtedness and Disqualified Stock (and cancellation of any thereof) of the Issuer and its Restricted Subsidiaries and Preferred Stock (and cancellation of any thereof) of any Restricted Subsidiary to any future, current or former employee, director, officer, manager, member, partner or consultant (or their respective Controlled Investment Affiliates or Immediate Family Members) of the Issuer, any of its Subsidiaries or any of its direct or indirect parent companies pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or agreement or any stock subscription or shareholder agreement that are, in each case, approved by the Issuer in good faith; and any employment agreements, stock option plans and other compensatory arrangements (and any successor plans thereto) and any supplemental executive retirement benefit plans or arrangements with any such future, present or former employees, directors, officers, managers, members, partners, independent contractors or consultants (or their respective Controlled Investment Affiliates or Immediate Family Members) that are, in each case, approved by the Issuer in good faith;

(xv) (A) investments by Affiliates in securities or loans or other Indebtedness of the Issuer or any of its Restricted Subsidiaries (and payment of reasonable out-of-pocket expenses incurred by such Affiliates in connection therewith) so long as the investment is being offered by the Issuer or such Restricted Subsidiary generally to other investors on the same or more favorable terms, and (B) payments to Affiliates in respect of securities or loans or other Indebtedness of the Issuer or any of its Restricted Subsidiaries contemplated in the foregoing subclause (A) or that were acquired from Persons other than the Issuer and its Restricted Subsidiaries, in each case, in accordance with the terms of such securities or loans;

(xvi) payments to or from, and transactions with, any joint venture or Unrestricted Subsidiary in the ordinary course of business or consistent with past practice (including, without limitation, any cash management activities related thereto);

(xvii) payments by the Issuer (and any direct or indirect parent company thereof) and its Subsidiaries pursuant to tax sharing agreements among the Issuer (and any such parent company) and its Subsidiaries, to the extent such payments are permitted under clause (xv)(B) of Section 4.07(b) hereof;

(xviii) any lease entered into between the Issuer or any Restricted Subsidiary, as lessee, and any Affiliate of the Issuer, as lessor, which is approved by the Issuer in good faith;

(xix) intellectual property licenses in the ordinary course of business or consistent with past practice;

(xx) all payments to a direct or indirect parent entity of the Issuer otherwise permitted under this Indenture;

(xxi) the payment of reasonable out-of-pocket costs and expenses relating to registration rights and indemnities provided to equityholders of the Issuer or any direct or indirect parent thereof pursuant to any equityholders, registration rights or similar agreements;

(xxii) the pledge of Equity Interests of any Unrestricted Subsidiary to lenders to support the Indebtedness of such Unrestricted Subsidiary owed to such lenders;

(xxiii) Permitted Intercompany Activities and related transactions;

(xxiv) (A) any transactions with a Person which would constitute an Affiliate Transaction solely because the Issuer or its Restricted Subsidiary owns an equity interest in or otherwise controls such Person, or (B) transactions with a Person which would constitute an Affiliate Transaction solely because a director of such other Person is also a director of the Issuer or any direct or indirect parent company; *provided*, that such director abstains from voting as a director of the Issuer or such direct or indirect parent company, as the case may be, on any matter including such other Person; and

(xxv) any transition services arrangement, supply arrangement or similar arrangement entered into in connection with or in contemplation of a disposition made in accordance with or not prohibited by the Indenture.

If the Issuer or any of its Restricted Subsidiaries (i) purchases or otherwise acquires assets or properties from a Person which is not an Affiliate, the purchase or acquisition by an Affiliate of the Issuer of an interest in all or a portion of the assets or properties acquired shall not be deemed an Affiliate Transaction (or cause such purchase or acquisition by the Issuer or a Restricted Subsidiary to be deemed an Affiliate Transaction) or (ii) sells or otherwise disposes of assets or other properties to a Person who is not an Affiliate, the sale or other disposition by an Affiliate of the Issuer of an interest in all or a portion of the assets or properties sold shall not be deemed an Affiliate Transaction (or cause such sale or other disposition by the Issuer or a Restricted Subsidiary to be deemed an Affiliate Transaction).

**Section 4.12. Liens.** The Issuer will not, and will not permit the Co-Issuer or any Subsidiary Guarantor to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) (each, a “**Subject Lien**”) that secures Obligations under any Indebtedness or any related guarantee of Indebtedness, on any asset or property of the Issuer, the Co-Issuer or any Subsidiary Guarantor, or any income or profits therefrom, or assign or convey any right to receive income therefrom, unless:

(a) in the case of Subject Liens securing Subordinated Indebtedness, the Notes and related Guarantees are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens; and

(b) in all other cases, the Notes or Guarantees are equally and ratably secured,

except that the foregoing shall not apply to or restrict Liens securing obligations in respect of the Notes and the related Guarantees.

Any Lien created for the benefit of the Holders of the Notes pursuant to this Section 4.12 shall be deemed automatically and unconditionally released and discharged upon the release and discharge of the Subject Lien that gave rise to the obligation to secure the Notes. In addition, in the event that a Subject Lien is or becomes a Permitted Lien, the Issuer may, at its option and without consent from any Holder, elect to release and discharge any Lien created for the benefit of the Holders pursuant to the preceding paragraph in respect of such Subject Lien.

With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The “Increased Amount” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accrued value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms, accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

*Section 4.13. Company Existence.* Subject to Article 5 hereof, the Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect its limited liability company existence and the corporate, partnership, limited liability company or other existence of each of its Restricted Subsidiaries (including the Co-Issuer), in accordance with the respective organizational documents (as the same may be amended from time to time) of the Issuer or any such Restricted Subsidiary; *provided* that the Issuer shall not be required to preserve the corporate, partnership or other existence of its Restricted Subsidiaries (other than the Co-Issuer), if the Issuer in good faith shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Issuer and its Restricted Subsidiaries, taken as a whole. For the avoidance of doubt, the Issuer and its Restricted Subsidiaries will be permitted to change their organizational form; *provided* that for so long as an Issuer is organized as a partnership or a limited liability company, it will maintain a corporate co-issuer of the Notes.

*Section 4.14. Offer to Repurchase Upon Change of Control Triggering Event.* If a Change of Control Triggering Event occurs after the Escrow Release Date, unless the Issuers have previously or concurrently sent a redemption notice with respect to all the outstanding Notes as described under Section 3.07 hereof, the Issuers shall make an offer to purchase all of the Notes pursuant to the offer described below (the “**Change of Control Offer**”) at a price in cash (the “**Change of Control Payment**”) equal to 101.0% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to, but excluding, the date of purchase, subject to the right of Holders of the Notes of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date falling prior to or on the purchase date. Within 30 days following any Change of Control Triggering Event, the Issuers will send (or cause to be sent) notice of such Change of Control Offer electronically or by first-class mail, with a copy to the Trustee, to each Holder to the address of such Holder appearing in the Note Register or otherwise delivered in accordance with the Applicable Procedures with the following information:

- (a) that a Change of Control Offer is being made pursuant to this Section 4.14 and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Issuers;
- (b) the purchase price and the purchase date, which will be no earlier than 10 days nor later than 60 days from the date such notice is sent (the “**Change of Control Payment Date**”), except in the case of a conditional Change of Control Offer made in advance of a Change of Control Triggering Event in accordance with Section 4.14(e) hereof;
- (c) that any Note not properly tendered will remain outstanding and continue to accrue interest;
- (d) that unless the Issuers default in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest on (and exclusive thereof) the Change of Control Payment Date;
- (e) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer shall be required to surrender such Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of such Notes completed or otherwise in accordance with the Applicable Procedures, to the Paying Agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;
- (f) that Holders shall be entitled to withdraw their tendered Notes and their election to require the Issuers to purchase such Notes; *provided* that the Paying Agent receives, not later than the close of business on the second Business Day prior to the expiration date of the Change of Control Offer, a facsimile transmission, letter or other communication in accordance with the Applicable Procedures setting forth the name of the Holder of the Notes, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes, or a specified portion thereof, and its election to have such Notes purchased;
- (g) that Holders whose Notes are being purchased only in part shall be issued new Notes and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered (with such unpurchased portion of the Notes equal to at least \$2,000 or any integral multiple of \$1,000 in excess of \$2,000);
- (h) if such notice is delivered prior to the occurrence of a Change of Control Triggering Event, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control Triggering Event and shall describe each such condition, and, if applicable, shall state that, in the Issuers’ discretion, the Change of Control Payment Date may be delayed until such time (including more than 60 days after the notice is mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied or waived, or that such repurchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied or waived by the Change of Control Payment Date, or by the Change of Control Payment Date as so delayed, or such notice or offer may be rescinded at any time in the Issuers’ sole discretion if the Issuers determine that any or all of such conditions will not be satisfied or waived; and,
- (i) any other instructions, as determined by the Issuers, consistent with this Section 4.14 that a Holder must follow in order to have the Notes repurchased.

While the Notes are in global form and the Issuers make an offer to purchase all of the Notes pursuant to the Change of Control Offer, a Holder may exercise its option to elect for the purchase of the Notes or withdraw such election through the facilities of DTC, subject to its rules and regulations.

The notice, if delivered electronically or mailed in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. If (a) the notice is delivered or mailed in a manner herein provided and (b) any Holder fails to receive such notice or a Holder receives such notice but it is defective, such Holder's failure to receive such notice or such defect shall not affect the validity of the proceedings for the purchase of the Notes as to all other Holders that properly received such notice without defect. The Issuers shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase by the Issuers of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuers shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in this Indenture by virtue thereof.

(j) On the Change of Control Payment Date, the Issuers shall, to the extent permitted by law:

- (i) accept for payment all Notes issued by them or portions thereof validly tendered pursuant to the Change of Control Offer;
- (ii) deposit with the Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered and not validly withdrawn; and
- (iii) deliver, or cause to be delivered, to the Trustee for cancellation the Notes so accepted together with an Officer's Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Issuers.

(k) The Issuers shall not be required to make a Change of Control Offer following a Change of Control Triggering Event if (i) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuers and purchases all Notes validly tendered and not validly withdrawn under such Change of Control Offer, or (ii) in connection with or in contemplation of any Change of Control Triggering Event, the Issuers (or any Affiliate of the Issuers) has made an offer to purchase (an "Alternate Offer") any and all Notes validly tendered at a cash price equal to or higher than the Change of Control Payment and has purchased all Notes properly tendered in accordance with the terms of the Alternate Offer.

(l) Notwithstanding anything to the contrary herein, a Change of Control Offer or Alternate Offer may be made in advance of a Change of Control Triggering Event, conditional upon such Change of Control Triggering Event, if a definitive agreement is in place for the Change of Control Triggering Event at the time of making of the Change of Control Offer or Alternate Offer.

(m) Other than as specifically provided in this Section 4.14, any purchase pursuant to this Section 4.14 shall be made pursuant to the provisions of Sections 3.02, 3.05 and 3.06 hereof, and references therein to "redeem," "redemption," "Redemption Date" and similar words shall be deemed to refer to "purchase," "repurchase" and "Change of Control Payment Date" and similar words, as applicable.

(n) A Change of Control Offer or Alternate Offer may be made at the same time as consents are solicited with respect to an amendment, supplement or waiver of this Indenture, Notes and/or Guarantees (but the Change of Control Offer and the Alternate Offer may not condition tenders on the delivery of such consents).

The provisions of this Section 4.14, including the definition of "Change of Control" may be waived or modified with the written consent of the Holders of a majority in principal amount of all the Notes then outstanding.

**Section 4.15. Limitation on Guarantees of Indebtedness by Restricted Subsidiaries.** The Issuer shall not permit any of its Wholly Owned Subsidiaries that are Restricted Subsidiaries (and non-Wholly Owned Subsidiaries if such non-Wholly Owned Subsidiaries guarantee other capital markets debt securities of the Issuer, the Co-Issuer or any Subsidiary Guarantor pursuant to clause (ii) below), other than a Subsidiary Guarantor, the Co-Issuer, a Captive Insurance Subsidiary, a Foreign Subsidiary, a FSHCO Subsidiary or a Securitization Subsidiary, to guarantee the payment of (i) any Credit Facility incurred under clause (i) of Section 4.09(b) hereof or (ii) capital markets debt securities of the Issuer, the Co-Issuer or any Subsidiary Guarantor unless:

(a) such Restricted Subsidiary within 60 days after the guarantee of such Indebtedness executes and delivers a supplemental indenture to this Indenture, the form of which is attached as Exhibit D-2 hereto, providing for a Guarantee by such Restricted Subsidiary, except that with respect to a guarantee of Indebtedness of the Issuer, the Co-Issuer or any Subsidiary Guarantor, if such Indebtedness is by its express terms subordinated in right of payment to the Notes or such Subsidiary Guarantor's Guarantee, any such guarantee by such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to such Guarantee substantially to the same extent as such Indebtedness is subordinated to the Notes; and

(b) such Restricted Subsidiary waives and shall not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other applicable rights against the Issuer or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Guarantee;

*provided* that this Section 4.15 shall not be applicable to any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary. The Issuer may elect, in its sole discretion, to cause any Subsidiary that is not otherwise required to be a Subsidiary Guarantor to become a Subsidiary Guarantor, in which case such Subsidiary shall not be required to comply with the 60 day period described in clause (a) of this Section 4.15.

Notwithstanding the foregoing, each Wholly Owned Restricted Subsidiary that guarantees any Indebtedness of the Issuer under the Senior Secured Credit Facilities as of the Escrow Release shall, on the Escrow Release Date, execute and deliver a supplemental indenture to this Indenture, the form of which is attached as Exhibit D-1 hereto, providing for a Guarantee by such Wholly Owned Restricted Subsidiary.

**Section 4.16. Limitations on Business Activities of the Escrow Issuers and of the Co-Issuer.**

(a) Prior to the Escrow Release Date, neither the Escrow Issuer nor the Escrow Co-Issuer shall engage in any business activity or enter into any transaction or agreement other than the Primary Escrow Activities.

(b) After the Escrow Release Date and the Assumption, the Co-Issuer may not hold any assets, become liable for any obligations or engage in any business activities; *provided* that it may be a co-obligor or guarantor with respect to the Notes or any other Indebtedness issued by the Issuer, and may engage in any activities related thereto or necessary in connection therewith. The Co-Issuer shall be a Wholly Owned Subsidiary of the Issuer at all times.

*Section 4.17. Suspension of Covenants.*

(a) If on any date following the Escrow Release Date (i) the Notes have an Investment Grade Rating from two of the Rating Agencies and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a “**Covenant Suspension Event**”), then, beginning on that day and continuing at all times thereafter regardless of any subsequent changes in the rating of the Notes, each of Section 4.07, Section 4.08, Section 4.09, Section 4.10, Section 4.11, Section 4.15 and clause (iii) of Section 5.01(a) and Sections 5.01(e) and 5.01(g) hereof shall no longer be applicable to the Notes (collectively, the “**Suspended Covenants**”) until the occurrence of the Reversion Date (as defined below), if any.

(b) In the event that the Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of the foregoing, and on any subsequent date (the “**Reversion Date**”) the Notes cease to have an Investment Grade Rating from any two of the Rating Agencies, then the Issuer and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events. The period of time between the Covenant Suspension Event and the Reversion Date is referred to as the “**Suspension Period**. The Guarantees of the Guarantors will also be suspended during the Suspension Period to the extent provided under Article 10. Additionally, upon the occurrence of a Covenant Suspension Event, the amount of Excess Proceeds from any Asset Sales shall be reset to zero.

(c) During the Suspension Period, the Issuer and its Restricted Subsidiaries shall be entitled to incur Liens to the extent provided for under Section 4.12 hereof (including, without limitation, Permitted Liens) to the extent provided for in such section and any Permitted Liens which may refer to one or more Suspended Covenants shall be interpreted as though such applicable Suspended Covenant(s) continued to be applicable during the Suspension Period (but solely for purposes of Section 4.12, the definition of “Permitted Liens” and no other section).

(d) Notwithstanding the foregoing, in the event of any such reinstatement of the Suspended Covenants, no action taken or omitted to be taken by the Issuer or any of its Restricted Subsidiaries prior to such reinstatement that was permitted at such time will give rise to a Default or Event of Default under this Indenture with respect to the Notes; and no Default or Event of Default will be deemed to exist or have occurred as a result of any failure by the Issuer or any Restricted Subsidiary to comply with any of the Suspended Covenants during the Suspension Period; *provided*, that (i) with respect to Restricted Payments made after such reinstatement, the amount available to be made as Restricted Payments will be calculated as though Section 4.07 had been in effect prior to, but not during, the Suspension Period (including with respect to a Limited Condition Transaction entered into during the Suspension Period); (ii) all Indebtedness incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period (or deemed incurred or issued in connection with a Limited Condition Transaction entered into during the Suspension Period) will be classified to have been incurred or issued pursuant to clause (iii) of Section 4.09(b); (iii) any Affiliate Transaction entered into after such reinstatement pursuant to an agreement entered into during any Suspension Period shall be deemed to be permitted pursuant to clause (vi) of Section 4.11(b); (iv) any encumbrance or restriction on the ability of any Restricted Subsidiary that is not the Co-Issuer or a Guarantor to take any action described in clauses (i) through (iii) of Section 4.08(a) that becomes effective during any Suspension Period shall be deemed to be permitted pursuant to

clause (i) of the second paragraph in Section 4.08(a); (v) no Subsidiary of the Issuer (other than the Co-Issuer) shall be required to comply with Section 4.15 hereof after such reinstatement with respect to any guarantee or obligation entered into by such Subsidiary during any Suspension Period; and (vi) all Investments made during the Suspension Period (or deemed made in connection with a Limited Condition Transaction entered into during the Suspension Period) will be classified to have been made under clause (v) of the definition of “Permitted Investments.”

(e) Notwithstanding that the Suspended Covenants may be reinstated after the Reversion Date, (1) no Default, Event of Default or breach of any kind will be deemed to exist under this Indenture, the Notes or the Guarantees with respect to the Suspended Covenants, and none of the Issuer or any of its Subsidiaries shall bear any liability for any actions taken or events occurring during the Suspension Period, or any actions taken at any time pursuant to any contractual obligation arising during any Suspension Period, in each case as a result of a failure to comply with the Suspended Covenants during the Suspension Period (or, upon termination of the Suspension Period or after that time based solely on any action taken or event that occurred during the Suspension Period), and (2) following a Reversion Date, the Issuer and each Restricted Subsidiary will be permitted, without causing a Default or Event of Default, to honor, comply with or otherwise perform any contractual commitments or obligations arising during any Suspension Period and to consummate the transactions contemplated thereby.

(f) The Issuer shall send written notice to the Trustee upon the commencement of any Suspension Period or the occurrence of any Reversion Date. The Trustee shall have no obligation to determine if the Notes have an Investment Grade Rating at any time or to provide Holders with notice of whether the Notes have an Investment Grade Rating or no longer have an Investment Grade Rating and shall have no obligation to monitor or notify the Holders of the ratings of the Notes.

(iii) in the case of assets comprised of Equity Interests of Subsidiaries that are not Subsidiary Guarantors, such Equity Interests are sold, assigned, transferred, leased, conveyed or otherwise disposed of to the Issuer or one or more Restricted Subsidiaries.

(f) Subject to Section 10.06 hereof, the Successor Person shall succeed to, and be substituted for, such Subsidiary Guarantor under this Indenture and such Subsidiary Guarantor's Guarantee. (b) In the event of any Event of Default specified in clause (iv) of Section 6.01(a) hereof, such Event of Default and all consequences thereof (excluding any resulting payment default, other than as a result of acceleration of the Notes) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 30 days after such Event of Default arose:

(i) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged;

(ii) the requisite number of holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or

(iii) the default that is the basis for such Event of Default has been cured.

Section 6.02. *Acceleration.* If any Event of Default (other than an Event of Default of the type specified in clause (vi) of Section 6.01(a) hereof) occurs and is continuing under this Indenture, the Trustee or the Holders of not less than 30.0% in aggregate principal amount of all the then outstanding Notes may, by notice to the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) and the Trustee, in either case specifying in such notice the respective Event of Default and that such notice is a “notice of acceleration”, declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately; *provided*, that no such declaration may be made with respect to any action taken, and reported publicly or to Holders, more than two years prior to such declaration. In addition, each Directing Holder is deemed, at the time of providing a Noteholder Direction, to covenant to provide the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) with such other information as the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) may reasonably request from time to time in order to verify the accuracy of such Directing Holder’s Position Representation within five Business Days of request therefor (a “**Verification Covenant**”). In any case in which the Holder is DTC or DTC’s nominee, any Position Representation or Verification Covenant required hereunder shall be provided by the beneficial owner of the Notes in lieu of DTC or DTC’s nominee and DTC shall be entitled to conclusively rely on such Position Representation and Verification Covenant in delivering its direction to the Trustee.

If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Issuer or the Escrow Issuer determines in good faith that there is a reasonable basis to believe a Directing Holder was, at any relevant time, in breach of its Position Representation and the Issuer or the Escrow Issuer provides to the Trustee an Officer’s Certificate certifying that the Issuer has (i) a good faith reasonable basis to believe that one or more Directing Holders were at any relevant time in breach of their Position Representation or their Verification Covenant and (ii) initiated litigation in a court of competent jurisdiction seeking a determination that such Directing Holders were, at such time, in breach of their Position Representation, and seeking to invalidate any Event of Default that resulted from the applicable Noteholder Direction, the cure period with respect to such Default shall be automatically stayed and the cure period with respect to such Event of Default shall be automatically reinstated and any remedy stayed pending a final and nonappealable determination of a court of competent jurisdiction on such matter. If such Officer’s Certificate has been delivered to the Trustee, the Trustee shall refrain from acting in accordance with such Noteholder Direction until such time as the Issuer provides to the Trustee an Officer’s Certificate stating that (i) such Directing Holders have satisfied their Verification Covenant or (ii) such Directing Holders have failed to satisfy its Verification Covenant, and during such time the cure

period with respect to any Default shall be automatically stayed and the cure period with respect to any Event of Default that resulted from the applicable Noteholder Direction shall be automatically reinstated and any remedy stayed pending satisfaction of such Verification Covenant; *provided*, that the Issuer shall promptly deliver such Officer's Certificate to the Trustee upon becoming aware that the Directing Holders have satisfied their Verification Covenant or have failed to satisfy the Verification Covenant. Any breach of the Position Representation (as evidenced by delivery to the Trustee of the Officer's Certificate stating that such Directing Holder failed to satisfy its Verification Covenant) shall result in such Directing Holder's participation in such Noteholder Direction being disregarded; and, if, without the participation of such Directing Holder, the percentage of Notes held by the remaining Holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction, such Noteholder Direction shall be void ab initio, with the effect that such Event of Default shall be deemed never to have occurred, and any related acceleration rescinded, and the Trustee shall be deemed not to have received such Noteholder Direction or any notice of such alleged Default or Event of Default, shall not be permitted to act thereon and shall be restricted from accepting and acting on any future Noteholder Direction in relation to such Event of Default. If the Directing Holder has satisfied its Verification Covenant, then the Trustee shall be permitted to act in accordance with such Noteholder Direction. Notwithstanding the above, if such Directing Holder's participation is not required to achieve the requisite level of consent of Holders required under the Indenture to give such Noteholder Direction, the Trustee shall be permitted to act in accordance with such Noteholder Direction notwithstanding any action taken or to be taken by the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) (as described above). The Trustee shall be entitled to conclusively rely on any Noteholder Direction or Officer's Certificate delivered to it in accordance with the Indenture without verification, investigation or otherwise as to the statements made therein. Notwithstanding anything in the preceding two paragraphs to the contrary, any Noteholder Direction delivered to the Trustee during the pendency of an Event of Default as the result of a bankruptcy or similar proceeding shall not require compliance with the foregoing paragraphs. In addition, for the avoidance of doubt, the foregoing paragraphs shall not apply to any Holder that is a Regulated Bank. Each Holder by accepting a Note acknowledges and agrees that the Trustee (and any agent) shall not be liable to any person for acting or refraining to act in accordance with (i) the foregoing provisions, (ii) any Noteholder Direction, (iii) any Officer's Certificate or (iv) its duties under the Indenture, as the Trustee may determine in its sole discretion. The Trustee shall have no obligation (i) to monitor, investigate, verify or otherwise determine if a Holder has a Net Short position, (ii) investigate the accuracy or authenticity of any Position Representation, (iii) inquire if the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) will seek action to determine if a Directing Holder has breached its Position Representation, (iv) enforce any Verification Covenant, (v) monitor any court proceedings undertaken in connection therewith, (vi) monitor or investigate whether any Default or Event of Default has been publicly reported or (vii) otherwise make any calculations, investigations or determinations with respect to any Derivative Instruments, Net Short position, Long Derivative Instrument, Short Derivative Instrument or otherwise.

Upon the effectiveness of such declaration, or in the case of clauses (3), (4), (5) or (7) of the first paragraph of this section, upon a valid Noteholder Direction, to accelerate the Notes, such principal of and premium, if any, and interest will be due and payable immediately.

Notwithstanding the foregoing, in the case of an Event of Default arising under clause (vi) or (vii) of Section 6.01(a) hereof, all outstanding Notes will become due and payable without further action or notice. The Trustee may withhold from the Holders notice of any continuing Default, except a Default relating to the payment of principal, premium, if any, or interest, if it determines that withholding notice is in their interest. In addition, subject to Section 6.05, the Trustee will have no obligation to accelerate the Notes if in the judgment of the Trustee acceleration is not in the interests of the Holders of all of the Notes.

Any Default or Event of Default resulting from the failure to deliver a notice, report or certificate under this Indenture shall cease to exist and be cured in all respects if the underlying Default or Event of Default giving rise to such notice, report or certificate requirement shall have ceased to exist and/or be cured (including pursuant to this paragraph). For the avoidance of doubt, each of the parties hereto agree that any court of competent jurisdiction may (x) extend or stay any grace period set forth in this Indenture prior to when any actual or alleged Default becomes an actual or alleged Event of Default or (y) stay the exercise of remedies by the Trustee or Holders contemplated by this Indenture or otherwise upon the occurrence of an actual or alleged Event of Default, in each case of clauses (x) and (y), in accordance with the requirements of applicable law.

Section 6.03. *Other Remedies.* If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04. *Waiver of Past Defaults.* Holders of a majority in aggregate principal amount of all the Notes then outstanding, by written notice to the Trustee (with a copy to the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers), *provided* that any waiver or rescission under this Section 6.04 shall be valid and binding notwithstanding the failure to provide a copy of such notice to the Issuers or the Escrow Issuers, as applicable) may on behalf of the Holders of all of the Notes waive any existing Default and its consequences under this Indenture (except a continuing Default in the payment of interest on, premium, if any, or the principal of any Note held by a non-consenting Holder) (including in connection with an Asset Sale Offer or a Change of Control Offer) and rescind any acceleration with respect to the Notes and its consequences under this Indenture (except if such rescission would conflict with any judgment of a court of competent jurisdiction). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Section 6.05. *Control by Majority.* Subject to Section 7.01(e) hereof, the Holders of a majority in aggregate principal amount of all the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee and the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability (*provided*, however, that the Trustee shall not be deemed to have an affirmative duty to determine whether any such direction is unduly prejudicial to any other Holder).

Section 6.06. *Limitation on Suits.* Except to enforce the right to receive payment of principal, premium (if any) or interest when due on or after the respective due dates expressed in an outstanding Note, and subject to Section 6.07 hereof, no Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless:

(a) such Holder has previously given the Trustee written notice that an Event of Default is continuing and, if such Event of Default is in respect of clause (iii), (iv), (v) or (vii) of Section 6.01(a), such Holder is not in breach of a Position Representation or Verification Covenant;

(b) the Holders, or in the case of clauses (iii), (iv), (v) or (vii) of Section 6.01(a) hereof, Directing Holders that are not in breach of a Position Representation or Verification Covenant, comprising at least 30.0% in the aggregate principal amount of the then outstanding Notes have requested in writing the Trustee to pursue the remedy;

(c) the Holders of the Notes have offered, and if requested, provided to the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;

(d) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and

(e) the Holders of a majority in aggregate principal amount of all the then outstanding Notes have not given the Trustee a direction in writing inconsistent with such written request within such 60-day period.

**Section 6.07. Rights of Holders to Receive Payment.** Notwithstanding any other provision of this Indenture, the contractual right expressly set forth in this Indenture or the Notes of any Holder of a Note to receive payment of principal, premium, if any, and interest, if any, on the Note, on or after the respective due dates expressed in the Note (including in connection with an Asset Sale Offer or a Change of Control Offer), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

**Section 6.08. Collection Suit by Trustee.** If an Event of Default specified in Section 6.01(a)(i) or (ii) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) for the whole amount of principal of, premium, if any, and interest, if any, remaining unpaid on, the Notes and interest on overdue principal, if applicable, and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

**Section 6.09. Restoration of Rights and Remedies.** If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers), the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

**Section 6.10. Rights and Remedies Cumulative.** Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07 hereof, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

**Section 6.11. Delay or Omission Not Waiver.** No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

**Section 6.12. Trustee May File Proofs of Claim.** The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers, or any other obligor upon the Notes including the Guarantors), their creditors or their property and shall be entitled and empowered to participate as a member in any official committee of creditors appointed in such matter and to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

**Section 6.13. Priorities.** If the Trustee or any Agent collects any money or property pursuant to this Article 6, it shall pay out the money or property in the following order:

- (a) FIRST, to the Trustee, such Agent, their agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee or such Agent and the costs and expenses of collection;
- (b) SECOND, to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and
- (c) THIRD, to the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) or to such party as a court of competent jurisdiction shall direct including a Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.13.

**Section 6.14. *Undertaking for Costs.*** In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10.0% in principal amount of the then outstanding Notes.

## ARTICLE 7

### TRUSTEE

#### Section 7.01. *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of willful misconduct or negligence on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not investigate or confirm the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.02, 6.04 or 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject this Section 7.01 and Section 7.02.

(e) The Trustee shall be under no obligation to exercise any of its rights or powers under this Indenture at the request or direction of any of the Holders unless the Holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers). Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

*Section 7.02. Rights of Trustee.*

(a) The Trustee may conclusively rely upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, judgment, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) and its Restricted Subsidiaries, personally or by agent or attorney at the sole cost of the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer or the Co-Issuer shall be sufficient if signed by an Officer of the Issuer or the Co-Issuer, as applicable.

(f) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if an indemnity satisfactory to it against such risk or liability is not assured to it.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default or Event of Default is received by the Trustee at the Corporate Trust Office, and such notice references the Notes and this Indenture.

(h) In no event shall the Trustee be responsible or liable for special, indirect, incidental or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(j) [Reserved];

(k) Delivery of reports, information and documents (including without limitation reports contemplated under Section 4.03 hereof) to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Issuers' (and, prior to the Escrow Release Date, the Escrow Issuers') compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates). The Trustee shall not be obligated to monitor or confirm, on a continuing basis or otherwise, the Issuers' compliance with the covenants or with respect to any reports or other documents filed with the SEC or EDGAR or any website under the indenture, or participate in any conference calls.

(l) The permissive rights of the Trustee to take certain actions under this Indenture shall not be construed as a duty unless so specified herein.

(m) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, debenture, note or other paper or document unless requested in writing to do so by the Holders of not less than a majority in principal amount of the Notes at the time outstanding, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers), personally or by agent or attorney, at the expense of the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) and shall incur no liability of any kind by reason of such inquiry or investigation.

(n) The Trustee may request that the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any Person authorized to sign an Officer's Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(o) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage; epidemics; pandemics; riots; loss or malfunction of utilities, computer (hardware or software) or communication services or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility; strikes or similar labor disputes; and acts of civil or military authorities and governmental action.

(p) The Trustee shall have no duty to inquire as to the performance of the Issuers or the Escrow Issuers, as applicable, with respect to the covenants contained in Article 4 or to make any calculation in connection therewith or in connection with any redemption of the Notes. In addition, except as otherwise expressly provided herein, the Trustee shall have no obligation to monitor or verify compliance by the Issuers, the Escrow Issuers or any Guarantor with any other obligation or covenant under this Indenture.

**Section 7.03. Individual Rights of Trustee.** The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) or any of their Affiliates with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest (as such term is used in the Trust Indenture Act) it must eliminate such conflict within 90 days or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Section 7.10 hereof.

**Section 7.04. Trustee's Disclaimer.** The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuers' (and, prior to the Escrow Release Date, the Escrow Issuers') use of the proceeds from the Notes or any money paid to the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) or upon the Issuers' (and, prior to the Escrow Release Date, the Escrow Issuers') direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

**Section 7.05. Notice of Defaults.** If a Default occurs and is continuing and if it is actually known to a Responsible Officer of the Trustee, the Trustee shall deliver to Holders a notice of the Default within 90 days after it occurs, unless such Default shall have been cured or waived, or if discovered after 90 days, promptly thereafter. The Trustee may withhold from the Holders notice of any continuing Default, except a Default relating to the payment of principal, premium, if any, or interest, if it determines that withholding notice is in their interest.

**Section 7.06. [Reserved]**

**Section 7.07. Compensation and Indemnity.** The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as the parties shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) and the Guarantors, jointly and severally, shall indemnify the Trustee and its officers, directors, employees, agents and any predecessor trustee and its officers, directors, employees and agents for, and hold the Trustee harmless against, any and all loss, damage, claims, liability or expense (including reasonable attorneys' fees and expenses) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder (including the reasonable costs and expenses of enforcing this Indenture against the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) or any of the Guarantors (including this Section 7.07) or defending itself against any claim whether asserted by any Holder, the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) or any Guarantor or any other Person, or liability in connection with the acceptance, exercise or performance of any of its powers or duties hereunder) (but excluding taxes imposed on such Persons in connection with compensation for such administration or performance). The Trustee shall notify the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) promptly of any claim of which a Responsible Officer has received

written notice for which it may seek indemnity. Failure by the Trustee to so notify the Issuers or the Escrow Issuers, as applicable, shall not relieve the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) or the Guarantors of their obligations hereunder. The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall defend the claim and the Trustee may have separate counsel and the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall pay the reasonable fees and expenses of such counsel. Neither the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) nor any Guarantor need reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct or negligence. Neither the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) nor any Guarantor need pay for any settlement made without its consent.

The obligations of the Issuers, the Escrow Issuers and the Guarantors under this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee.

To secure the payment obligations of the Issuers, the Escrow Issuers and the Guarantors in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except money or property held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(a)(vi) or Section 6.01(a)(vii) hereof occurs, the expenses and the compensation for the services (including the reasonable fees and expenses of its agents and counsel) are intended to constitute administrative expenses for purposes of priority under any Bankruptcy Law.

*Section 7.08. Replacement of Trustee.* A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08. The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers). The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) in writing at least 30 days' prior to the date of removal. The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) may remove the Trustee if:

- (a) the Trustee fails to comply with Section 7.10 hereof;
- (b) the Trustee is adjudged bankrupt or insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (c) a custodian or public officer takes charge of the Trustee or its property; or
- (d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuers shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers).

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Issuers' or the Escrow Issuers', as applicable, expense), the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) or the Holders of at least 10% in principal amount of the then outstanding Notes, may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers). Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall send a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuers' and the Escrow Issuers', as applicable, obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

*Section 7.09. Successor Trustee by Merger, etc.* If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

*Section 7.10. Eligibility; Disqualification.* There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has, together with its parent, a combined capital and surplus of at least \$150.0 million as set forth in its most recent published annual report of condition.

## ARTICLE 8

### LEGAL DEFEASANCE AND COVENANT DEFEASANCE

*Section 8.01. Option to Effect Legal Defeasance or Covenant Defeasance.* The Issuers may, at their option and at any time, elect to have either Section 8.02 or 8.03 hereof applied to all outstanding Notes and all obligations of the Guarantors with respect to the Guarantees upon compliance with the conditions set forth below in this Article 8.

*Section 8.02. Legal Defeasance and Discharge.* Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuers and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes and the related Guarantees and all Events of Default cured on the date the conditions set forth below are satisfied ("Legal Defeasance"). For this purpose, Legal Defeasance means that the Issuers and the Guarantors shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in (a) and (b) below (it being understood that such Notes shall not be deemed outstanding for accounting purposes), and to have satisfied all their other obligations under such Notes and this Indenture including that of the Guarantors (and the Trustee, on demand of and at the expense of the Issuers, shall execute proper instruments acknowledging the same) and to have cured all then existing Events of Default, except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

(a) the rights of Holders to receive payments in respect of the principal of, premium, if any, and interest on the Notes when such payments are due solely out of the trust created pursuant to this Indenture referred to in Section 8.04 hereof;

(b) the Issuers' obligations with respect to Notes concerning issuing temporary Notes, registration of such Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;

(c) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuer's and the Guarantors' obligations in connection therewith; and

(d) this Section 8.02.

Subject to compliance with this Article 8, the Issuers may exercise their option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

**Section 8.03. Covenant Defeasance.** Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuers and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from their obligations under Sections 3.09, 4.03, 4.04, 4.05, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.14, 4.15 and 4.16 hereof, and clauses (iv) and (v) of Section 5.01(a), and Section 5.01(e) hereof with respect to all outstanding Notes and the related Guarantees, on and after the date the conditions set forth in Section 8.04 hereof are satisfied ("Covenant Defeasance"), and such Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to all outstanding Notes and the related Guarantees, the Issuers and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and the Guarantees shall be unaffected thereby. In addition, upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.03 hereof, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Section 6.01(a)(iii) (solely with respect to the covenants that are released upon a Covenant Defeasance), 6.01(a)(iv), 6.01(a)(v), 6.01(a)(vi) (solely with respect to Restricted Subsidiaries (other than the Co-Issuer) subject thereto), 6.01(a)(vii) (solely with respect to Restricted Subsidiaries (other than the Co-Issuer) subject thereto) and 6.01(a)(viii) hereof shall not constitute Events of Default.

**Section 8.04. Conditions to Legal or Covenant Defeasance.** The following shall be the conditions to the application of either Section 8.02 or 8.03 hereof to the outstanding Notes:

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Notes:

(a) the Issuers must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of Notes, cash in U.S. dollars, U.S. Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of an Independent Financial Advisor, without consideration of any reinvestment, to pay the principal of, premium, if any, and interest due on such Notes on the stated maturity date or on the Redemption Date, as the case may be, of such principal, premium, if any, or interest on such Notes and the Issuers must specify whether such Notes are being defeased to maturity or

to a particular Redemption Date; *provided* that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the Redemption Date (any such amount, the “**Applicable Premium Deficit**”) only required to be deposited with the Trustee on or prior to the Redemption Date. Any Applicable Premium Deficit shall be set forth in an Officer’s Certificate delivered to the Trustee at least two Business Days prior to the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(b) in the case of Legal Defeasance, the Issuers shall have delivered to the Trustee an Opinion of Counsel confirming that, subject to customary assumptions and exclusions:

- (i) the Issuers have received from, or there has been published by, the United States Internal Revenue Service a ruling, or
- (ii) since the Issue Date, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the beneficial owners of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of Covenant Defeasance, the Issuers shall have delivered to the Trustee an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, the beneficial owners of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than this Indenture) to which the Issuers or any Guarantor is a party or by which the Issuers or any Guarantor is bound (other than that resulting from any borrowing of funds to be applied to make the deposit required to effect such Legal Defeasance or Covenant Defeasance and any similar and simultaneous deposit relating to other Indebtedness, and, in each case, the granting of Liens in connection therewith);

(f) the Issuers shall have delivered to the Trustee an Officer’s Certificate stating that the deposit was not made by the Issuers with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuers or any Guarantor or others; and

(g) the Issuers shall have delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

*Section 8.05. Deposited Money and U.S. Government Securities to be Held in Trust; Other Miscellaneous Provisions.* Subject to Section 8.06 hereof, all money and U.S. Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the “**Trustee**”) pursuant to Section 8.04 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer or a Guarantor acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuers shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or U.S. Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes and the related Guarantees.

Anything in this Article 8 to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuers from time to time upon the request of the Issuers any money or U.S. Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

*Section 8.06. Repayment to Issuers.* Subject to any applicable abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Issuers, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, and premium, if any, or interest has become due and payable shall be paid to the Issuers on their request or (if then held by the Issuers) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Issuers for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuers as trustee thereof, shall thereupon cease.

*Section 8.07. Reinstatement.* If the Trustee or Paying Agent is unable to apply any United States dollars or U.S. Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuers’ and the Guarantors’ obligations under this Indenture and the Notes and the Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided* that, if the Issuers make any payment of principal of, premium, if any, or interest on any Notes following the reinstatement of their obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

## ARTICLE 9

### AMENDMENT, SUPPLEMENT AND WAIVER

*Section 9.01. Without Consent of Holders.* Notwithstanding Section 9.02 hereof, the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers), any Guarantor (with respect to a Guarantee or this Indenture) and the Trustee (and any other agents party thereto (to the extent applicable)), as the case may be, may amend or supplement this Indenture, the Notes, any Guarantee or the Escrow Agreement without the consent of any Holder:

- (a) to cure any ambiguity, omission, mistake, defect or inconsistency;
- (b) to provide for uncertificated Notes in addition to or in place of certificated Notes;
- (c) to comply with Section 5.01 hereof;
- (d) to provide for the assumption of the Issuers' or any Guarantor's obligations to the Holders;
- (e) to make any change that would provide any additional rights or benefits to the Holders or that does not materially adversely affect the legal rights under this Indenture of any such Holder;
- (f) to add or modify covenants for the benefit of the Holders or to surrender any right or power conferred upon the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) or any Guarantor;
- (g) to provide for the issuance of Additional Notes in accordance with the terms of this Indenture;
- (h) to evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee or a successor Paying Agent hereunder (or any other applicable agent) pursuant to the requirements hereof;
- (i) to add an obligor or a Guarantor under this Indenture or to release an obligor or a Guarantor in accordance with the terms of this Indenture;
- (j) to conform the text of this Indenture, the Guarantees or the Notes to any provision of the "Description of the Notes" section of the Offering Memorandum;
- (k) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation to facilitate the issuance and administration of the Notes; *provided, however,* that such amendment does not materially and adversely affect the rights of Holders to transfer Notes;
- (l) to secure the Notes and/or the related Guarantees or to add collateral thereto;
- (m) to release and discharge any Lien securing the Notes when permitted or required by the Indenture (including pursuant to Section 4.12(b));
- (n) to comply with the rules of any applicable securities depositary; and
- (o) to make any other modifications to the Notes or the Indenture of a formal, minor or technical nature or necessary to correct a manifest error, so long as such modification does not adversely affect the rights of any Holders in any material respect;

Upon the request of the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) and upon receipt by the Trustee of the documents described in Section 7.02 hereof (to the extent requested by the Trustee and subject to the last sentence of Section 9.06), the Trustee shall join with the Issuers or the Escrow Issuers, as applicable, and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall have the right, but not be

obligated to, enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise. Notwithstanding the foregoing, (i) no Opinion of Counsel related to conditions precedent shall be required in connection with the Assumption upon execution and delivery by each of the Issuers, each Initial Guarantor and the Trustee of a supplemental indenture to this Indenture, the form of which is attached hereto as Exhibit D-1 hereto (provided, however, that the Trustee shall be entitled to receive an Opinion of Counsel stating that such supplemental indenture is the legal, valid and binding obligation of the Issuer and any Guarantors party thereto, enforceable against them in accordance with its terms, subject to customary exceptions) and (ii) neither an Opinion of Counsel nor an Officer's Certificate, nor a board resolution, shall be required in connection with the addition of a Guarantor under this Indenture upon execution and delivery by such Guarantor and the Trustee of a supplemental indenture to this Indenture, the form of which is attached as Exhibit D-2 hereto.

*Section 9.02. With Consent of Holders.* Except as provided in Section 9.01 and this Section 9.02, the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers), the Guarantors and the Trustee may amend or supplement this Indenture, the Notes, the Escrow Agreement and the Guarantees with the consent of the Holders of at least a majority in principal amount of all the Notes then outstanding, other than Notes beneficially owned by the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) or their Affiliates (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) and, subject to Section 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes (which shall be considered waived only with respect to Notes held by consenting Holders), except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Escrow Agreement, the Guarantees or the Notes issued thereunder may be waived with the consent of the Holders of a majority in principal amount of all the Notes then outstanding, other than Notes beneficially owned by the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) or their Affiliates (including consents obtained in connection with a purchase of or tender offer or exchange offer for the Notes). Section 2.08 hereof and Section 2.09 hereof shall determine which Notes are considered to be "outstanding" for the purposes of this Section 9.02.

Upon the request of the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, the Trustee shall join with the Issuers or the Escrow Issuers, as applicable, and the Guarantors in the execution of such amended or supplemental indenture, unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

For the avoidance of doubt, no amendment to, or deletion of any of the covenants contained in Article 4 or action taken in compliance with the covenants in effect at the time of such action, shall be deemed to impair or affect any legal rights of any Holders of the Notes to receive payment of principal of or premium, if any, or interest on the Notes or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) shall send to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuers or the Escrow Issuers, as applicable, to send such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver.

Without the consent of each affected Holder, an amendment or waiver under this Section 9.02 may not, with respect to any Notes held by a non-consenting Holder:

- (a) reduce the principal amount of such Notes whose Holders must consent to an amendment, supplement or waiver;
- (b) reduce the principal of or change the fixed final maturity of any such Note or alter or waive the provisions with respect to the redemption of such Notes (other than provisions relating to (i) notice periods (to the extent consistent with applicable requirements of clearing and settlement systems) for redemption and conditions to redemption and (ii) Section 3.09, Section 4.10 and Section 4.14 hereof);
- (c) reduce the rate of or change the time for payment of interest on any such Note (other than provisions relating to Section 3.09, Section 4.10 and Section 4.14 hereof);
- (d) (i) waive a Default or Event of Default in the payment of principal of or premium, if any, or interest on such Notes, except a rescission of acceleration of such Notes by the Holders of a majority in aggregate principal amount of all the Notes then outstanding, and a waiver of the payment default that resulted from such acceleration, or (ii) waive a Default or Event of Default in respect of a covenant or provision contained in this Indenture, the Notes or any Guarantee which cannot be amended or modified without the consent of all affected Holders;
- (e) make any such Note payable in money other than that stated therein;
- (f) make any change in the provisions of this Indenture relating to waivers of past Defaults;
- (g) make any change in these amendment and waiver provisions;
- (h) amend the contractual right expressly set forth in this Indenture or the Notes of any Holder to institute suit for the enforcement of any payment on or with respect to such Holder's Notes on or after the due dates therefor;
- (i) make any change to or modify the ranking of such Notes that would adversely affect the Holders; or
- (j) except as expressly permitted by this Indenture, modify the Guarantees of any Subsidiary Guarantor that is a Significant Subsidiary, or any group of Subsidiary Guarantors that, taken together (as of the latest audited consolidated financial statements of the Issuer), would constitute a Significant Subsidiary in any manner materially adverse to the Holders of such Notes.

#### Section 9.03. [Reserved]

Section 9.04. *Revocation and Effect of Consents.* Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date unless the consent of the requisite number of Holders has been obtained.

*Section 9.05. Notation on or Exchange of Notes.* The Trustee may, at the direction of the Issuer, place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

*Section 9.06. Trustee to Sign Amendments, etc.* The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) may not sign an amendment, supplement or waiver until the Board of each Issuer approve it. In executing any amendment, supplement or waiver, the Trustee shall be provided with, upon request, and (subject to Section 7.01 hereof) shall be fully protected in relying upon, in addition to the documents required by Section 13.04 hereof, an Officer's Certificate and an Opinion of Counsel each stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuer and any Guarantors party thereto, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof (including Section 9.03 hereof). Notwithstanding the foregoing, (i) no Opinion of Counsel related to conditions precedent shall be required in connection with the Assumption upon execution and delivery by each of the Issuers, each Initial Guarantor and the Trustee of a supplemental indenture to this Indenture, the form of which is attached hereto as Exhibit D-1 hereto (provided, however, that the Trustee shall be entitled to receive an Opinion of Counsel stating that such supplemental indenture is the legal, valid and binding obligation of the Issuer and any Guarantors party thereto, enforceable against them in accordance with its terms, subject to customary exceptions) and (ii) neither an Opinion of Counsel nor an Officer's Certificate, nor a board resolution, shall be required for the Trustee to execute any supplemental indenture to this Indenture, the form of which is attached as Exhibit D-2 hereto, adding a new Guarantor under this Indenture.

## ARTICLE 10 GUARANTEES

*Section 10.01. Guarantee.* Prior to the Escrow Release Date, the Notes will not be guaranteed (other than pursuant to Article 14 hereof). From and after the Escrow Release Date, and subject to this Article 10, each of the Guarantors that executes a supplemental indenture to this Indenture to Guarantee the Notes, hereby, jointly and severally, irrevocably and unconditionally, guarantees, on an unsecured senior basis, to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the Obligations of the Issuers hereunder or thereunder, that: (a) the principal of and interest and premium, if any, on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if

lawful, and all other Obligations of the Issuers to the Holders or the Trustee hereunder or under the Notes shall be promptly paid in full, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same promptly. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

The Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer or the Co-Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor (other than payment in full of all of the Obligations of the Issuers hereunder or under the Notes). Each Guarantor hereby waives, to the fullest extent permitted by law, diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer or the Co-Issuer, any right to require a proceeding first against the Issuers, protest, notice and all demands whatsoever and covenants that this Guarantee shall not be discharged except by full payment of the obligations contained in the Notes and this Indenture or by release in accordance with the provisions of this Indenture.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

If any Holder or the Trustee is required by any court or otherwise to return to the Issuers, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuers or the Guarantors, then any amount paid either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Guarantee. The Guarantors shall have the right to seek contribution from any nonpaying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Guarantees. Each Guarantor that makes a payment under its Guarantee shall, to the fullest extent permitted by applicable law, be entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

Until terminated in accordance with Section 10.06, each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer or the Co-Issuer for liquidation, reorganization, should the Issuer or the Co-Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer's or the Co-Issuer's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment of the Notes are, pursuant to applicable law,

rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or Guarantees, whether as a “voidable preference,” “fraudulent transfer” or otherwise, all as though such payment had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

The Guarantee issued by any Guarantor shall be a general unsecured senior obligation of such Guarantor and shall be *pari passu* in right of payment with all existing and future Senior Indebtedness of such Guarantor, if any.

Each payment to be made by a Guarantor in respect of its Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

**Section 10.02. Limitation on Guarantor Liability.** Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law or being void or voidable under any law relating to insolvency of debtors.

**Section 10.03. Execution and Delivery.** To evidence its Guarantee set forth in Section 10.01 hereof, each Guarantor hereby agrees that a supplemental indenture in the form of Exhibit D-1 hereto (in the case of the Initial Guarantors) or Exhibit D-2 hereto (in the case of any other Guarantor) shall be executed on behalf of such Guarantor by one of its authorized officers.

Each Guarantor hereby agrees that its Guarantee set forth in Section 10.01 hereof shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

If an officer whose signature is on this Indenture (or a supplemental indenture in the form of Exhibit D-1 or Exhibit D-2 hereto) no longer holds that office at the time the Trustee authenticates a Note, the Guarantee of such Guarantor shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

If required by Section 4.15 hereof, the Issuer shall cause any Restricted Subsidiary to comply with the provisions of Section 4.15 hereof and this Article 10, to the extent applicable.

**Section 10.04. Subrogation.** Each Guarantor shall be subrogated to all rights of Holders against the Issuers in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 10.01 hereof; *provided* that, if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Issuers under this Indenture or the Notes shall have been paid in full.

**Section 10.05. Benefits Acknowledged.** Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Guarantee are knowingly made in contemplation of such benefits.

**Section 10.06. Release of Guarantees.** Each Guarantee by a Guarantor shall be automatically and unconditionally released and discharged, and shall thereupon terminate and be of no further force and effect, and no further action by such Guarantor, the Issuers or the Trustee is required for the release of such Guarantor's Guarantee, upon:

(a) in the case of a Subsidiary Guarantor, any direct or indirect sale, exchange, issuance, disposition or transfer (by merger, amalgamation, consolidation, dividend, distribution or otherwise) of (x) the Capital Stock of such Subsidiary Guarantor, after which the applicable Subsidiary Guarantor is no longer a Restricted Subsidiary or (y) all or substantially all the assets of such Subsidiary Guarantor, in each case if such sale, exchange, issuance, disposition or transfer is made in compliance with or is not prohibited by the applicable provisions of this Indenture;

(b) the release or discharge of the guarantee by, or direct obligation of, such Guarantor of Indebtedness under the Senior Secured Credit Facilities, or the release or discharge of such other guarantee or direct obligation that resulted in the creation of such Guarantee, except a discharge or release by or as a result of payment under such guarantee or direct obligation (it being understood that a release subject to a contingent reinstatement will constitute a release for the purposes of this provision, and that if any such Guarantee is so reinstated, such Guarantee shall also be reinstated to the extent that such Guarantor would then be required to provide a Guarantee pursuant to Section 4.15 hereof);

(c) in the case of a Subsidiary Guarantor, the designation of such Subsidiary Guarantor as an Unrestricted Subsidiary in compliance with the applicable provisions of this Indenture or the occurrence of any event following which such Subsidiary Guarantor is no longer a Restricted Subsidiary in compliance with the applicable provisions of the Indenture;

(d) upon the merger, amalgamation, consolidation or Division of any Guarantor with and into the Issuer or another Guarantor or upon the liquidation or winding up of such Guarantor, in each case, in compliance with or in a manner not prohibited by the applicable provisions of the Indenture;

(e) the occurrence of a Covenant Suspension Event; *provided*, that such Guarantor shall not be released pursuant to this clause (e) for so long as such Guarantor is an obligor or guarantor with respect to any Indebtedness under any Credit Facility;

(f) as described in Article 9;

(g) the exercise by the Issuers of their legal defeasance option or covenant defeasance option with respect to the Notes in accordance with Article 8 hereof or the discharge of the Issuers' obligations under this Indenture with respect to the Notes in accordance with the terms of this Indenture;

## ARTICLE 11

### SATISFACTION AND DISCHARGE

Section 11.01. *Satisfaction and Discharge.* This Indenture shall be discharged and shall cease to be of further effect as to all Notes when either:

(a) all Notes theretofore authenticated and delivered, except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust, have been delivered to the Trustee for cancellation; or

(b) (i) all Notes not theretofore delivered to the Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise, will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuers, and the Issuers have or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders of the Notes cash in U.S. dollars, U.S. Government Securities, or a combination thereof, in such amounts as will be sufficient without consideration of any reinvestment to pay and discharge the entire indebtedness on the Notes not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption; *provided* that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any Applicable Premium Deficit only required to be deposited with the Trustee on or prior to the Redemption Date. Any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(ii) no Event of Default (other than that resulting from borrowing funds to be applied to make such deposit or any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) with respect to this Indenture or the Notes shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than this Indenture) to which the Issuers or any Guarantor is a party or by which the Issuers or any Guarantor is bound (other than resulting from any borrowing of funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith);

(iii) the Issuers have paid or caused to be paid all sums payable by them under this Indenture; and

(iv) the Issuers have delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at maturity or the Redemption Date, as the case may be.

In addition, the Issuers must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied. Such Opinion of Counsel may rely on such Officer's Certificate as to matters of fact, including clauses (b)(i), (ii), (iii) and (iv) of this Section 11.01.

Notwithstanding the satisfaction and discharge of this Indenture, if money shall have been deposited with the Trustee pursuant to clause (b)(i) of this Section 11.01, the provisions of Section 11.02 and Section 8.06 hereof shall survive such satisfaction and discharge.

Section 11.02. *Application of Trust Money.* Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 11.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer, the Co-Issuer or a Guarantor acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or U.S. Government Securities in accordance with Section 11.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuers' and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 hereof; *provided* that if the Issuers have made any payment of principal of, premium, if any, or interest on any Notes because of the reinstatement of its obligations, the Issuers shall be subrogated to the rights of the Holders to receive such payment from the money or U.S. Government Securities held by the Trustee or Paying Agent.

(i) the Issuers and each Initial Guarantor shall have executed and delivered to the Trustee a supplemental indenture in the form of Exhibit D-1 hereto pursuant to which (a) the Issuers will become parties to this Indenture as Issuers and expressly assume the Escrow Issuers' obligations under the Notes and this Indenture, the Issuers will be substituted for, and may exercise every right and power of, the Issuers and the Escrow Issuers under this Indenture, and the Escrow Issuers will be released from all obligations hereunder and (b) each Initial Guarantor will become a Guarantor under this Indenture;

The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The party providing electronic instructions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk or interception and misuse by third parties.

Section 13.03. *[Reserved]*.

Section 13.04. *Certificate and Opinion as to Conditions Precedent*. Upon any request or application by the Issuer, the Co-Issuer or any of the Guarantors to the Trustee to take any action under this Indenture, the Issuer, the Co-Issuer or such Guarantor, as the case may be, shall furnish to the Trustee:

(a) an Officer's Certificate in form reasonably satisfactory to the Trustee (which shall include the statements set forth in Section 13.05 hereof) stating that, in the opinion of the signers, all conditions precedent and covenants, if any, provided for in this Indenture relating to the proposed action have been satisfied; and

(b) an Opinion of Counsel in form reasonably satisfactory to the Trustee (which shall include the statements set forth in Section 13.05 hereof) stating that, in the opinion of such counsel, all such conditions precedent and covenants have been satisfied.

**Section 13.05. Statements Required in Certificate or Opinion.** Each certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture (other than a certificate provided pursuant to Section 4.04 hereof) shall include:

- (a) a statement that the Person making such certificate or opinion has read such covenant or condition;
- (b) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;
- (c) a statement that, in the opinion of such Person, he or she has made such examination or investigation as is necessary to enable him to express an informed opinion as to whether or not such covenant or condition has been complied with (and, in the case of an Opinion of Counsel, may be limited to reliance on an Officer's Certificate as to matters of fact); and
- (d) a statement as to whether or not, in the opinion of such Person, such condition or covenant has been complied with; *provided, however,* that with respect to matters of fact an Opinion of Counsel may rely on an Officer's Certificate or certificates of public officials.

**Section 13.06. Rules by Trustee and Agents.** The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

**Section 13.07. No Personal Liability of Directors, Officers, Employees and Stockholders.** No past, present or future director, manager, officer, employee, incorporator, member, partner or direct or indirect equityholder of the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) or any Restricted Subsidiaries or of any of their direct or indirect parent companies (other than in such equityholder's capacity as the Issuer, the Co-Issuer or a Guarantor) shall have any liability, for any obligations of the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) or the Guarantors under the Notes, the Guarantees or this Indenture or any supplemental indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting Notes waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

**Section 13.08. Governing Law.** THIS INDENTURE, THE NOTES AND ANY GUARANTEE, AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS INDENTURE, THE NOTES OR ANY GUARANTEE, WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

Section 13.09. *Waiver of Jury Trial.* EACH OF THE ESCROW ISSUERS, THE ISSUERS, THE GUARANTORS AND THE TRUSTEE AND THE HOLDERS, BY THEIR ACCEPTANCE OF THE NOTES (1) AGREE TO SUBMIT TO THE NON-EXCLUSIVE JURISDICTION OF ANY UNITED STATES FEDERAL OR STATE COURT LOCATED IN THE BOROUGH OF MANHATTAN, IN THE CITY OF NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE OR THE NOTES AND (2) HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 13.10. *Force Majeure.* In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused by, directly or indirectly, forces beyond its reasonable control, including without limitation strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software or hardware) services.

Section 13.11. *No Adverse Interpretation of Other Agreements.* This Indenture may not be used to interpret any other indenture, loan or debt agreement of the Escrow Issuers, the Issuers or their Restricted Subsidiaries or of any other Person. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

Section 13.12. *Successors.* All agreements of the Escrow Issuers or the Issuers in this Indenture and the Notes shall bind their respective successors. All agreements of the Trustee in this Indenture shall bind its successors. All agreements of each Guarantor in this Indenture shall bind its successors, except as otherwise provided in Section 10.06 hereof.

Section 13.13. *Severability.* In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 13.14. *Counterpart Originals.* The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. This Indenture may be executed in multiple counterparts which, when taken together, shall constitute one instrument. The exchange of copies of this Indenture and of signature pages by facsimile or PDF transmissions shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes. In furtherance of the foregoing, the words "execution", "signed", "signature", "delivery" and words of like import in or relating to any document to be signed in connection with this Indenture and the transactions contemplated hereby or thereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that, notwithstanding anything herein to the contrary, the Trustee is not under any obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Trustee, pursuant to procedures approved by the Trustee. As used herein, "Electronic Signature" means an electronic sound, symbol, or process attached to, or associated with, a contract or other record and adopted by a Person with the intent to sign, authenticate or accept such contract or other record.

Section 13.15. *Table of Contents, Headings, etc.* The Table of Contents, Cross-Reference Table and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and shall in no way modify or restrict any of the terms or provisions hereof.

Section 13.16. *USA Patriot Act.* The parties hereto acknowledge that in accordance with Section 326 of the USA Patriot Act the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, are required to obtain, verify, and record information that identifies each Person or legal entity that establishes a relationship or opens an account. The parties to this agreement agree that they shall provide the Trustee with such information as they may request in order to satisfy the requirements of the USA Patriot Act.

## ARTICLE 14 ESCROW GUARANTEE

### *Section 14.01. Guarantee of Escrow Guaranteed Obligations.*

(a) Escrow Guarantor unconditionally and irrevocably guarantees that the Escrow Guaranteed Obligations will be performed and will be promptly paid in full in cash when due and payable, whether at the stated or accelerated maturity thereof, on demand or otherwise, this guarantee being a guarantee of payment and not of collectability and being absolute and in no way conditional or contingent. In the event that a Special Mandatory Redemption is required hereunder, the Escrow Guarantor will pay or cause to be paid to the Trustee for the benefit of the Holders the amount of such Escrow Guaranteed Obligations which is then due and payable and unpaid. The Escrow Guarantor hereby agrees that its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Escrow Issuer or the Escrow Co-Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor (other than payment in full of all of the Obligations of the Escrow Issuers hereunder or under the Notes). The Escrow Guarantor hereby waives, to the fullest extent permitted by law, diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Escrow Issuer or the Escrow Co-Issuer, any right to require a proceeding first against the Escrow Issuers, protest, notice and all demands whatsoever and covenants that the Escrow Guarantor shall not be discharged except by full payment of the obligations contained in the Notes and this Indenture or by release in accordance with the provisions of this Indenture. All payments pursuant to this Article 14 shall be made in the same currency as the underlying Escrow Guaranteed Obligations.

(b) For the avoidance of doubt, the maximum aggregate liability of the Escrow Guarantor pursuant to this Article 14 shall not exceed the Escrow Guaranteed Obligations.

### *Section 14.02. Continuing Obligation.*

The Escrow Guarantor acknowledges that the Trustee has entered into this Indenture in reliance on this Article 14 being a continuous irrevocable agreement, and the Escrow Guarantor agrees that its guarantee may not be revoked in whole or in part and that its obligations hereunder shall terminate only in accordance with Section 14.08.

---

*Section 14.03. Waivers with Respect to Guaranteed Obligations.*

The Escrow Guarantor waives, to the fullest extent permitted by the provisions of applicable law, all of the following (including all defenses, counterclaims and other rights of any nature based upon any of the following):

- (a) presentment, demand for payment and protest of nonpayment of any of the Escrow Guaranteed Obligations, and notice of protest, dishonor or nonperformance;
- (b) notice of any Default or any inability to enforce performance of the obligations of the Company or any other Person with respect to this Indenture or notice of any acceleration of maturity of the obligations covered by the Escrow Guaranteed Obligations;
- (c) demand for performance or observance of, and any enforcement of any provision of this Indenture or the Escrow Guaranteed Obligations or any pursuit or exhaustion of rights or remedies with respect to this Indenture or against the Escrow Issuers or any other Person in respect of the Escrow Guaranteed Obligations or any requirement of diligence or promptness on the part of the Trustee in connection with any of the foregoing;
- (d) any act or omission on the part of the Trustee which may impair or prejudice the rights of the Escrow Guarantor, including rights to obtain subrogation, exoneration, contribution, indemnification or any other reimbursement from the Escrow Issuers or any other Person, or otherwise operate as a deemed release or discharge;
- (e) any statute of limitations or any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than the obligation of the principal;
- (f) any law which would otherwise require any election of remedies by the Trustee;
- (g) all demands and notices of every kind with respect to the foregoing (except as specifically provided for in this Indenture); and
- (h) to the extent not referred to above, all defenses (other than payment) which the Escrow Issuers may now or hereafter have to the payment of the Escrow Guaranteed Obligations, together with all suretyship defenses, which could otherwise be asserted by the Escrow Guarantor.

The Escrow Guarantor represents that it has obtained the advice of counsel as to the extent to which suretyship and other defenses may be available to it with respect to its obligations hereunder in the absence of the waivers contained in this Section 14.04.

No delay or omission on the part of the Trustee in exercising any right under this Indenture or under any guarantee of the Escrow Guaranteed Obligations shall operate as a waiver or relinquishment of such right. None of the rights of the Trustee shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Escrow Issuers or any other guarantor, or by any noncompliance by the Escrow Issuers or any other guarantor with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof which the Trustee may have or otherwise be charged with.

*Section 14.04. Information.*

The Escrow Guarantor has made such investigation as it deems desirable of the risks undertaken by it in guaranteeing the Escrow Guaranteed Obligations and is fully satisfied that it understands all such risks. The Escrow Issuer waives any obligation which may now or hereafter exist on the part of the Trustee to inform it of the risks being undertaken by guaranteeing the Escrow Guaranteed Obligations or of any changes in such risks and, from and after the date hereof, the Escrow Guarantor undertakes to keep itself informed of such risks and any changes therein.

*Section 14.05. Subrogation.*

The Escrow Guarantor agrees that, until the Escrow Guaranteed Obligations are paid in full, they will not exercise any right of reimbursement, subrogation, contribution, offset or other claims against the Escrow Issuers or any other guarantor arising by contract or operation of law in connection with any payment made or required to be made by the Escrow Guarantor pursuant to this Article 14.

*Section 14.06. Subordination.*

The Escrow Guarantor covenants and agrees that all Indebtedness, claims and liabilities now or hereafter owing by the Escrow Issuers or any other guarantor to the Escrow Guarantor, whether arising hereunder or otherwise, are subordinated to the prior payment in full of the Escrow Guaranteed Obligations and are so subordinated as a claim against the Escrow Guarantor or any of its assets, whether such claim be in the ordinary course of business or in the event of voluntary or involuntary liquidation, dissolution, insolvency or bankruptcy, so that no payment with respect to any such Indebtedness, claim or liability will be made or received while any Event of Default exists.

*Section 14.07. Assignment.*

The Escrow Guarantor may not assign its rights or obligations under the Escrow Guaranteed Obligations without the written consent of the Trustee.

*Section 14.08. Termination.*

The Escrow Guaranteed Obligations shall automatically terminate upon the earlier of (a) the time the Escrow Release is consummated and (b) the date the Escrow Guaranteed Obligations are paid in full.

(a) Except as set forth in clauses (b) and (e) of Section 3.07 of the Indenture, the Notes will not be redeemable at the Issuers’ option prior to July 1, 2026.

(b) At any time prior to July 1, 2026, the Issuers may, at their option, at any time and from time to time, redeem the Notes, in whole or in part, upon notice in accordance with Section 3.03 of the Indenture, at a redemption price equal to the sum of (A) 100.0% of the principal amount of the Notes redeemed, plus (B) the Applicable Premium as of the Redemption Date, plus (C) accrued and unpaid interest, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date falling prior to or on the Redemption Date.

(c) On and after July 1, 2026, the Issuers may, at their option, at any time and from time to time, redeem the Notes, in whole or in part, upon notice in accordance with Section 3.03 of the Indenture, at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth below, plus accrued and unpaid interest, if any, thereon to, but excluding, the applicable Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date falling prior to or on the Redemption Date, if redeemed during the twelve-month period beginning on July 1 of each of the years indicated below:

2027	101.625%
2028	100.813%
2029 and thereafter	100.000%

(d) In addition, prior to July 1, 2024, the Issuers may, at their option, at any time and from time to time, redeem an aggregate principal amount of Notes not to exceed the amount of the Net Cash Proceeds received by the Issuer from one or more Equity Offerings or a capital contribution to the Issuer made with the Net Cash Proceeds of one or more Equity Offerings, upon notice as described in Section 3.03 of the Indenture at a redemption price equal to (i) 104.875% of the aggregate principal amount of the Notes redeemed, plus (ii) accrued and unpaid interest, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date falling prior to or on the Redemption Date; *provided*, that (1) the amount redeemed shall not exceed 40% of the aggregate principal amount of the Notes issued under this Indenture (including any Additional Notes); (2) at least 50% of the aggregate principal amount of the Notes originally issued under the Indenture on the Issue Date remains outstanding immediately after the occurrence of each such redemption (unless all Notes are redeemed or repurchased or to be redeemed or repurchased substantially concurrently); and (3) each such redemption occurs within 180 days of the date of closing of the applicable Equity Offering.

(e) In connection with any tender offer, any Change of Control Offer, Alternate Offer or Asset Sale Offer for the Notes, if Holders of not less than 90% in aggregate principal amount of the then outstanding Notes validly tender and do not validly withdraw such Notes in such tender offer and the Issuers, or any third party making such tender offer in lieu of the Issuers, purchase all of the Notes validly tendered and not validly withdrawn by such Holders, the Issuers or such third party will have the right upon not less than 10 nor more than 60 days' prior notice, given not more than 60 days following such purchase date, to redeem all Notes that remain outstanding following such purchase at a price equal to the price offered to each other Holder in such offer (which may be less than par and excluding any early tender or incentive fee in such offer) plus, to the extent not included in the offer payment, accrued and unpaid interest, if any, thereon, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date falling prior to or on the Redemption Date.

(f) Any redemption pursuant to Section 3.07 of the Indenture shall be made pursuant to the provisions of Sections 3.01 through 3.06 of the Indenture. Notice of any redemption may be given prior to the completion thereof, and any such redemption or notice may, at the Issuers' discretion, be subject to one or more conditions precedent (including conditions precedent applicable to different amounts of Notes redeemed), including, but not limited to, completion or occurrence of the related Equity Offering, Change of Control Offer, Alternate Offer, Asset Sale Offer or other transaction or event, as the case may be. The Issuers may redeem Notes pursuant to one or more of the relevant provisions in the Indenture, and a single notice of redemption may be delivered with respect to redemptions made pursuant to different provisions. Any such notice may provide that redemptions made pursuant to different provisions will have different Redemption Dates or may specify the order in which redemptions taking place on the same Redemption Date are deemed to occur. In addition, if such redemption is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuers' discretion, the Redemption Date may be delayed until such time (including more than 60 days after the date the notice of redemption was sent) as any or all such conditions shall be satisfied (or waived by the Issuers in their sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuers in their sole discretion) by the Redemption Date, or by the Redemption Date so delayed, or that such notice may be rescinded at any time in the Issuers' sole discretion. In addition, the Issuers may provide in such notice that payment of the redemption price and performance of the Issuers' obligations with respect to such redemption may be performed by another Person. The Issuers and their Affiliates may acquire the Notes by means other than a redemption or offer to purchase pursuant to Section 3.07 of the Indenture, whether by tender offer, open market purchases, negotiated transactions or otherwise.

*6. Special Mandatory Redemption.*

(a) If (i) the Escrow Agent has not received an Escrow Release Request on or prior to the Escrow End Date, or (ii) the Escrow Issuers notify the Escrow Agent and the Trustee in writing that the Acquisition will not be consummated on or prior to the Termination Date (as defined in the Merger Agreement) or (iii) the Merger Agreement has been terminated in accordance with its terms (each of the above, a “**Special Mandatory Redemption Event**”), then the Escrow Agent shall, without the requirement of notice to or action by the Escrow Issuer, the Trustee or any other Person, (i) liquidate and release the Escrowed Funds (including investment earnings thereon and proceeds thereof) to the Trustee and (ii) provide notice to the Escrow Guarantor to provide payment with respect to the Escrow Guaranteed Obligations, and the Escrow Guarantor shall promptly (and in any event within two Business Days of the receipt of such notice) pay the amount necessary to fund the interest due on the Notes from the Issue Date to, but excluding, the Special Mandatory Redemption Date (as defined below), to the Trustee and the Trustee shall apply (or cause the Paying Agent to apply) the amounts in the immediately preceding clauses (i) and (ii) to redeem the Notes (the “**Special Mandatory Redemption**”) on the third Business Day following the Special Mandatory Redemption Event (the “**Special Mandatory Redemption Date**”) or as otherwise required by the Applicable Procedures, at a redemption price (the “**Special Mandatory Redemption Price**”) equal to 100% of the issue price of the Notes, plus accrued and unpaid interest from the Issue Date or the most recent date to which interest has been paid or duly provided for on the Notes, as the case may be, to, but excluding, the Special Mandatory Redemption Date. On the Special Mandatory Redemption Date, the Trustee will pay to the Escrow Issuer any Escrowed Funds in excess of the amount necessary to effect the Special Mandatory Redemption. In the event that the Escrow Issuers provide an Escrow Redemption Notice pursuant to Section 3(b) of the Escrow Agreement prior to 10:00 a.m. (New York City time) on the Escrow End Date, the Escrow Issuers shall cause, no later than the Business Day following the Special Mandatory Redemption Event, a notice of Special Mandatory Redemption (a “**Special Mandatory Redemption Notice**”) to be delivered electronically to the Trustee and mailed by first-class mail, postage prepaid, or delivered electronically if held by DTC, to the Holders of the Notes at their registered addresses, substantially in the form attached as Exhibit E hereto.

(b) If, at or prior to 10:00 a.m. (New York City time) on the Escrow End Date, the Escrow Issuers have not provided to the Escrow Agent any of (1) an Escrow Release Request pursuant to Section 3(a) of the Escrow Agreement or (2) an Escrow Redemption Notice pursuant to Section 3(b) of the Escrow Agreement, then the Trustee shall cause (i) prior to 11:00 a.m. (New York City time) on the Escrow End Date, an Escrow Redemption Notice to be delivered to the Escrow Agent pursuant to Section 3(b) of the Escrow Agreement and (ii) no later than the Business Day following the Special Mandatory Redemption Event, a Special Mandatory Redemption Notice to be mailed by first-class mail, postage prepaid, or delivered electronically if held by DTC, to the Holders of the Notes at their registered addresses, substantially in the form attached as Exhibit E hereto.

(c) Any redemption made pursuant to Section 3.08 of the Indenture shall be made pursuant to the procedures set forth in the Indenture and the Escrow Agreement, except to the extent inconsistent with Section 3.08 of the Indenture, which shall control in the event of a conflict. The Escrow Issuers shall not be required to make any mandatory redemption or sinking fund payments with respect to the Notes, except pursuant to Section 3.08(a) or (b) of the Indenture.

*7. Notice of Redemption.* Subject to Sections 3.03, 3.08 and 3.09 of the Indenture, notices of redemption shall be delivered electronically or mailed by first-class mail, postage prepaid, at least 10 days (except as set forth in Section 3.07(f) and Section 3.08 of the Indenture) but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed at such Holder's registered address stated in the Note Register or otherwise in accordance with the Applicable Procedures, except that redemption notices may be delivered or mailed more than 60 days prior to a Redemption Date if the notice is issued in connection with Article 8 or Article 11 of the Indenture. Notices of redemption may, at the Issuers' discretion, be conditional. In addition, the Issuers may provide in any notice of redemption that payment of the redemption price and the performance of the Issuers' obligations with respect to such redemption may be performed by another Person. Notes and portions of Notes selected for redemption shall be in integral multiples of \$1,000 (but in a minimum amount of \$2,000) and no Notes of \$2,000 or less can be redeemed in part, except that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder shall be redeemed, even if not in a principal amount of at least \$2,000. On and after the Redemption Date, subject to satisfaction of any conditions precedent specified in the applicable notice of redemption, interest ceases to accrue on this Note or portions thereof called for redemption.

*8. Offers to Repurchase.* Upon the occurrence of a Change of Control Triggering Event, the Issuers shall make a Change of Control Offer in accordance with Section 4.14 of the Indenture. In connection with certain Asset Sales, the Issuers shall make an Asset Sale Offer as and when provided in accordance with Sections 3.09 and 4.10 of the Indenture.

Other than as specifically provided in Section 3.09 or Section 4.10 of the Indenture, any purchase pursuant to Section 3.09 of the Indenture shall be made pursuant to the applicable provisions of Sections 3.01 through 3.06 of the Indenture, and references therein or herein to "redeem," "redemption," "Redemption Date" and similar words shall be deemed to refer to "purchase," "repurchase," "Purchase Date" and similar words, as applicable.

*9. Denominations, Transfer, Exchange.* The Notes are in registered form without coupons in minimum denominations of \$2,000 and any integral multiple of \$1,000 in excess of \$2,000. The transfer of Notes shall be registered and Notes may only be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part; *provided* that new Notes will only be issued in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess of \$2,000. Also, the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) need not exchange or register the transfer of any Notes for a period of 15 days before the mailing of a notice of redemption of Notes to be redeemed.

*10. Persons Deemed Owners.* The registered Holder of a Note shall be treated as its owner for all purposes. Only registered Holders shall have rights hereunder.

*11. Amendment, Supplement and Waiver.* The Indenture, the Guarantees or the Notes may be amended or supplemented as provided in the Indenture.

*12. Defaults and Remedies.*

(a) The Events of Default relating to the Notes are defined in Section 6.01 of the Indenture. If any Event of Default (other than an Event of Default of the type specified in clause (vi) or (vii) of Section 6.01(a) of the Indenture) occurs and is continuing under the Indenture, the Trustee or the Holders of not less than 30.0% in aggregate principal amount of all of the then outstanding Notes may, by notice

to the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) and the Trustee, in either case, specifying in such notice the respective Event of Default and that such notice is a “notice of acceleration”, declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately. Upon the effectiveness of such declaration, such principal of and premium, if any, and interest will be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising under clause (vi) or (vii) of Section 6.01(a) of the Indenture, all outstanding Notes will become due and payable without further action or notice. Holders may not enforce the Indenture, the Notes or the Guarantees except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of all the Notes then outstanding may direct the Trustee in its exercise of any trust or power.

(b) The Trustee may withhold from the Holders notice of any continuing Default, except a Default relating to the payment of principal, premium, if any, or interest, if it determines that withholding notice is in their interest. In addition, subject to Section 6.05 of the Indenture, the Trustee will have no obligation to accelerate the Notes if in the judgment of the Trustee acceleration is not in the interests of the Holders of all of the Notes.

(c) Holders of a majority in aggregate principal amount of all the Notes then outstanding, by notice to the Trustee (with a copy to the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers), *provided* that any waiver or rescission under Section 6.04 of the Indenture shall be valid and binding notwithstanding the failure to provide a copy of such notice to the Issuers or the Escrow Issuers, as applicable) may on behalf of the Holders of all of the Notes waive any existing Default and its consequences under the Indenture (except a continuing Default in the payment of interest on, premium, if any, or the principal of any Note held by a non-consenting Holder) (including in connection with an Asset Sale Offer or a Change of Control Offer) and rescind any acceleration with respect to the Notes and its consequences under the Indenture (except if such rescission would conflict with any judgment of a court of competent jurisdiction). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of the Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

(d) The Issuer (and, prior to the Escrow Release Date, the Escrow Issuer) is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuer or the Escrow Issuer, as applicable, shall promptly (which shall be no more than 20 Business Days after becoming aware of such Default) deliver to the Trustee by registered or certified mail or by facsimile transmission an Officer’s Certificate specifying such event and what action the Issuers (and, prior to the Escrow Release Date, the Escrow Issuers) propose to take with respect thereto.

13. *Guarantees.* Prior to the Escrow Release Date, the Notes will not be guaranteed (other than pursuant to Article 14 of the Indenture). The Issuers’ obligations under the Notes will be fully and unconditionally guaranteed, jointly and severally, by the Guarantors from time to time party to the Indenture.

14. *Authentication.* This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until authenticated by the manual signature of the Trustee.

15. *Governing Law.* THIS NOTE, AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS NOTE, WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

16. *CUSIP Numbers and ISINs.* Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Escrow Issuers have caused CUSIP numbers and ISINs to be printed on the Notes and the Trustee may use CUSIP numbers and ISINs in notices of redemption as a convenience to Holders.

A non-U.S. Holder should certify as to its non-U.S. status under penalties of perjury on an applicable IRS Form W-8. Such forms may be obtained at the IRS website at [www.irs.gov](http://www.irs.gov).

FAILURE TO COMPLETE AND RETURN IRS FORM W-9 OR AN APPROPRIATE IRS FORM W-8 MAY RESULT IN BACKUP WITHHOLDING OF 24% OF ANY PAYMENTS MADE PURSUANT TO THE REDEMPTION. BACKUP WITHHOLDING IS NOT AN ADDITIONAL TAX. RATHER, PROVIDED THAT THE REQUIRED INFORMATION IS TIMELY FURNISHED TO THE IRS, THE U.S. FEDERAL INCOME TAX LIABILITY OF PERSONS SUBJECT TO BACKUP WITHHOLDING WILL BE REDUCED BY THE AMOUNT WITHHELD OR, IF WITHHOLDING RESULTS IN AN OVERPAYMENT OF TAXES, A REFUND MAY BE OBTAINED BY FILING A TAX RETURN WITH THE IRS. EACH HOLDER OF THE NOTES IS URGED TO CONSULT HIS, HER OR ITS OWN TAX ADVISOR TO DETERMINE WHETHER SUCH HOLDER IS REQUIRED TO FURNISH AN IRS FORM W-9, IS EXEMPT FROM BACKUP WITHHOLDING, OR IS REQUIRED TO FURNISH AN IRS FORM W-8.

TO ENSURE COMPLIANCE WITH INTERNAL REVENUE SERVICE CIRCULAR 230, HOLDERS OF THE NOTES ARE HEREBY NOTIFIED THAT: (A) ANY DISCUSSION OF FEDERAL TAX ISSUES IN THIS NOTICE OF REDEMPTION IS NOT INTENDED OR WRITTEN TO BE RELIED UPON, AND CANNOT BE RELIED UPON BY SUCH HOLDERS, FOR THE PURPOSE OF AVOIDING PENALTIES THAT MAY BE IMPOSED ON SUCH HOLDERS UNDER THE INTERNAL REVENUE CODE; (B) SUCH DISCUSSION IS WRITTEN IN CONNECTION WITH THE PROMOTION OR MARKETING OF THE TRANSACTIONS OR MATTERS ADDRESSED HEREIN; AND (C) EACH HOLDER OF THE NOTES SHOULD SEEK ADVICE BASED ON ITS PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISOR.

No representation is being made as to the correctness of the CUSIP numbers either as printed on the Notes or as contained in this notice. Holders should rely only on the other identification numbers printed on the Notes.

This notice is being sent pursuant to Section 3.08[(a)][(b)] of the Indenture. Capitalized terms used herein (but otherwise not defined) shall have such meanings as set forth in the Indenture.
