2.1.2 Components of the Loan. For purposes of the computation of the interest accrued on the Loan from time to time and certain other computations set forth herein, the Loan shall be divided into multiple components designated as “Component A”, “Component B”, “Component C”, “Component D”, “Component E”, “Component F” and “Component G”. The following table sets forth the initial principal amount of each such Component.

<u>Component</u>	<u>Initial Principal Amount</u>
Component A	\$ 326,448,000
Component B	\$ 87,703,000
Component C	\$ 80,394,000
Component D	\$ 63,341,000
Component E	\$ 101,832,000
Component F	\$ 71,137,000
Component G	\$ 38,467,000

2.1.3 Single Disbursement to Borrower. Borrower shall receive only one borrowing hereunder in respect of the Loan and any amount borrowed and repaid hereunder in respect of the Loan may not be reborrowed.

2.1.4 The Note. The Loan and all of the Components thereof shall be evidenced by that certain Promissory Note of even date herewith, in the stated principal amount of Seven Hundred Sixty Nine Million Three Hundred Thousand Twenty Two and No/100 Dollars (\$769,322,000.00) executed by Borrower and payable to the order of Lender in evidence of each of the Components of the Loan (as the same may hereafter be amended, supplemented, restated, increased, extended or consolidated from time to time, the “*Note*”) and shall be repaid in accordance with the terms of this Agreement, the Note and the other Loan Documents. If the Note is mutilated or defaced and is surrendered to the Borrower, or if there shall be delivered to the Borrower evidence to its reasonable satisfaction of the destruction, loss or theft of the Note, then the Borrower shall execute and deliver, in lieu of the mutilated, defaced, destroyed lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount and bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note, provided that the applicant for a replacement Note shall indemnify Borrower for any liability, obligation, loss or damages the Borrower may incur in connection with any enforcement, collection or attempted enforcement or collection of the destroyed, lost or stolen Note. In the event that, as of the date a replacement Note is requested, the principal amount of any such mutilated, defaced, destroyed, stolen or lost Note shall have become, or will within the next succeeding fifteen (15) days become, due and payable in accordance with its terms, the Borrower may, at its discretion, not authenticate and deliver such a replacement Note. Section 2.2 Interest Rate

2.2.1 Interest Rate

(a) Each Component of the Loan shall accrue interest throughout the Term at the Interest Rate applicable to such Component during each Interest Period. The total interest accrued under the Loan shall be the sum of the interest accrued on the outstanding balance of each of the Components. Borrower shall pay to Lender on each Monthly Payment Date the interest accrued or to be accrued on the Loan for the related Interest Period.

(b) Component G shall accrue interest at the Component G Interest Rate. Subject to the terms and conditions hereof, the Floating Rate Components of the Loan shall be a LIBOR Loan. In the event that Lender shall have determined (which determination shall be conclusive and binding upon Borrower absent manifest error) that by reason of circumstances affecting the interbank Eurodollar market, adequate and reasonable means do not exist for ascertaining LIBOR, then Lender shall forthwith give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) day prior to the next succeeding Interest Determination Date. If such notice is given, the Floating Rate Components of the Loan shall be converted, as of the first day of the next succeeding Interest Period, to a Prime Rate Loan. Notwithstanding any provision of this Agreement to the contrary, in no event shall Borrower have the right to convert a LIBOR Loan to a Prime Rate Loan.

(c) If, pursuant to the terms hereof, the Floating Rate Components of the Loan have been converted to a Prime Rate Loan and Lender shall determine (which determination shall be conclusive and binding upon Borrower absent manifest error) that the event(s) or circumstance(s) which resulted in such conversion shall no longer be applicable, Lender shall give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) day prior to the next succeeding Interest Determination Date. If such notice is given, the Floating Rate Components of the Loan shall be converted, as of the first day of the next succeeding Interest Period, to a LIBOR Loan. Notwithstanding any provision of this Agreement to the contrary, in no event shall Borrower have the right to convert a Prime Rate Loan to a LIBOR Loan.

(d) If the adoption of any requirement of law or any change therein or in the interpretation or application thereof, shall hereafter make it unlawful for Lender to maintain a LIBOR Loan as contemplated hereunder, (i) the obligation of Lender hereunder to make or maintain a LIBOR Loan or to convert a Prime Rate Loan to a LIBOR Loan shall be canceled forthwith and (ii) any outstanding LIBOR Loan shall be converted automatically to a Prime Rate Loan on the first day of the next succeeding Interest Period, or upon such earlier date as may required by law. Borrower hereby agrees to promptly pay to Lender, upon demand, any additional amounts necessary to compensate Lender for any costs incurred by Lender in making any conversion in accordance with this Agreement, including without limitation, any interest or fees payable by Lender to lenders of funds obtained by it in order to make or maintain the LIBOR Loan hereunder. Lender's notice of such costs, as certified to Borrower, shall be conclusive absent manifest error.

2.2.2 Default Rate. In the event that, and for so long as, any Event of Default shall have occurred and be continuing, the Component Outstanding Principal Balance of each of the Floating Rate Components and, to the extent not prohibited by applicable law, all other portions of the Debt (other than the Component Outstanding Principal Balance of the Component G), shall accrue interest at the Default Rate, calculated from the date such payment was due or, if later, such Default shall have occurred, without regard to any grace or cure periods contained herein. Interest at the Default Rate shall be paid immediately upon demand, which demand may be made as frequently as Lender shall elect, to the extent not prohibited by applicable law.

2.2.3 Interest Calculation. Interest on the Loan and other Obligations shall be calculated by multiplying (A) the actual number of days elapsed in the period for which the calculation is being made by (B) a daily rate based on a three hundred sixty (360) day year (that is, the Interest Rate expressed as an annual rate divided by 360) by (C) the Outstanding Principal

Balance or the amount of such other Obligations, as applicable. The accrual period for calculating interest due on each Monthly Payment Date shall be the Interest Period in which such Monthly Payment Date occurs.

2.2.4 Usury Savings. This Agreement and the other Loan Documents are subject to the express condition that at no time shall Borrower be required to pay interest on the Outstanding Principal Balance at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the Outstanding Principal Balance at a rate in excess of the Maximum Legal Rate, the Interest Rate shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

2.2.5 Breakage Indemnity. Borrower shall indemnify Lender against any loss or expense which Lender may actually sustain or incur in liquidating or redeploying deposits from third parties acquired to effect or maintain the Loan or any part thereof as a consequence of (i) any payment or prepayment of the Loan or any portion thereof made on a date other than a Monthly Payment Date (unless interest is paid by the Borrower on such payment through the end of the applicable Interest Period) and (ii) any default in payment or prepayment of the Principal or any part thereof or interest accrued thereon, as and when due and payable (at the date thereof or otherwise, and whether by acceleration or otherwise) (collectively, “*Breakage Costs*”), provided, Borrower shall not indemnify Lender from any loss or expense arising from Lender’s willful misconduct or gross negligence. Lender shall deliver to Borrower a statement for any such sums which it is entitled to receive pursuant to this Section 2.2.5, which statement shall be binding and conclusive absent manifest error. Section 2.3 Loan Payments .

2.3.1 Payments. On the Closing Date, Borrower shall pay interest on the Outstanding Principal Balance of the Components from the date hereof through and including November 14, 2014 (the “*Initial Interest Period*”). On December 9, 2014, and each Monthly Payment Date thereafter during the Term, Borrower shall make a payment of principal and interest equal to the Monthly Debt Service Payment Amount, which payment shall be applied in accordance with *Article 6* . Borrower shall also pay to Lender all amounts required in respect of Reserve Funds as set forth in *Article 6* .

For purposes of making payments hereunder, but not for purposes of calculating Interest Periods, if the Monthly Payment Date is not a Business Day,

then amounts due on such date shall be due on the immediately preceding Business Day. Lender shall have the right from time to time, in its sole discretion, upon not less than ten (10) days prior written notice to Borrower, to change the Monthly Payment Date to a different calendar day and, if requested by Lender, Borrower shall promptly execute an amendment to this Agreement to evidence such change; *provided, however*, that if Lender shall have elected to change the Monthly Payment Date as aforesaid, Lender shall adjust the Interest Period and, with respect to the Floating Rate Components, the Interest Determination Date accordingly, so that (a) after giving effect to any such change or adjustment, the period of time between the Monthly Payment Date and the end of the Interest Period shall not be greater than five (5) days and (b) the date of each Maturity Date (including the Stated Maturity Date, the First Extended Maturity Date, the Second Extended Maturity Date and the Third Extended Maturity Date) and any other date in the Loan Documents which corresponds with a Monthly Payment Date shall be automatically amended to reflect the Monthly Payment Date as so adjusted. With respect to payments of principal due on any Component on the Maturity Date, interest shall be payable at the Interest Rate, through and including the day immediately preceding such Maturity Date.

2.3.3 Payment on Maturity Date. Borrower shall pay to Lender on the Maturity Date the Outstanding Principal Balance, all accrued and unpaid interest and all other amounts due hereunder and under the Note, the Mortgage Documents and the other Loan Documents.

2.3.4 Late Payment Charge. If any principal, interest or any other sum due under the Loan Documents (other than the Outstanding Principal Balance due and payable on the Maturity Date) is not paid by Borrower on the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of four percent (4%) of such unpaid sum or the maximum amount permitted by applicable law in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment. Any such amount shall be secured by Borrower Security Agreement, the Mortgage Documents and the other Loan Documents to the extent permitted by law.

2.3.5 Method and Place of Payment.

(a) Except as otherwise specifically provided herein, all payments and prepayments under this Agreement and the Note shall be made to Lender not later than 2:00 p.m., New York City time, on the date when due and shall be made in lawful money of the United States of America in immediately available funds at Lender's office or at such other place as Lender shall from time to time designate, and any funds received by Lender after such time shall, for all purposes hereof, be deemed to have been paid on the next succeeding Business Day.

(b) Whenever any payment to be made hereunder or under any other Loan Document shall be stated to be due on a day which is not a Business Day, the due date thereof shall be the immediately preceding Business Day.

(c) All payments required to be made by Borrower hereunder or under the Note or the other Loan Documents shall be made irrespective of, and without deduction for, any setoff, claim or counterclaim and shall be made irrespective of any defense thereto.

agreement to the existing Mortgage and Assignment of Leases and Rents covering such Property or Properties located in the same county or parish as the Substitute Property, in each case, in form and substance reasonably acceptable to Lender) (the “*Substitute Mortgage Documents*”);

(xi) Borrower shall deliver to Lender the following opinions of counsel: (A) an opinion of counsel admitted to practice under the laws of the state in which the Substitute Property (or Substitute Properties, if a portfolio of Affected Properties are being substituted) is located in form and substance reasonably satisfactory to Lender opining as to the enforceability of the Substitute Mortgage Documents with respect to the Substitute Property and (B) an opinion stating that the Substitute Mortgage Documents were duly authorized, executed and delivered by Borrower and that the execution and delivery of such Substitute Mortgage Documents and the performance by Borrower of its obligations thereunder will not cause a breach or a default under, any agreement, document or instrument to which Borrower is a party or to which it or the Properties are bound and otherwise in form and substance reasonably satisfactory to Lender;

(xii) Lender shall have received a Title Insurance Policy for the Substitute Property (or, in the event a Substitute Property is located in the same county or parish in which one or more other Properties (other than an Affected Property) is located, an endorsement to the existing Title Insurance Policy with respect to such Property or Properties located in the same county or parish as such Substitute Property in form and substance reasonably satisfactory to Lender) insuring the Lien of the Mortgage encumbering such Substitute Property as a valid first lien on such Substitute Property, free and clear of all exceptions other than the Permitted Liens;

(xiii) each Substitute Property shall be located in a metropolitan statistical area that contains at least one property described on the Properties Schedule as of the Closing Date,

(xiv) no acquisition of a Substitute Property will result in Borrower or any Loan Party incurring any indebtedness (except as permitted by this Agreement);

(xv) the BPO Value of the Affected Properties, together with the BPO Value of all other Affected Properties since the date hereof, shall be no more than ten percent (10%) of the aggregate BPO Values of all Properties as of the Closing Date;

(xvii) simultaneously with the substitution, Lender shall release the Affected Property or Affected Properties from the applicable Mortgage Documents and related Lien, provided, that Borrower has delivered to Lender a draft release (and, in the event the Mortgage and the Assignment of Leases and Rents applicable to the Affected Property or Affected Properties encumbers other Property(ies) in addition to the Affected

(xviii) Borrower shall pay to Lender all reasonable out-of-pocket costs and expenses incurred by Lender in connection with the substitution (including, without limitation, costs and expenses incurred by Lender in connection with the release of the Affected Property from applicable Mortgage Documents) and, in addition, the current reasonable and customary fee being assessed by Lender and/or its Servicer to effect releases or assignments; and

(xix) the Affected Property or Affected Properties shall constitute separate legal parcels from the property remaining encumbered by Mortgages, and the Substitute Property shall be comprised of one or more separate legal parcels on a stand alone basis.

Any such deposit in the Eligibility Reserve Account or any such substitution shall be completed no later than the due date for the prepayment required under this **Section 2.4.3(a)**. Notwithstanding anything to the contrary contained herein or in any other Loan Document, if the Loan is included in a REMIC Trust, no substitution will be permitted unless (1) either (aa) immediately after such substitution the ratio of the unpaid principal balance of the Loan to the value of the remaining Properties (as determined by Lender in its sole discretion using any commercially reasonable method permitted to a REMIC Trust; and which shall exclude the value of personal property (other than fixtures) or going concern value, if any) is equal to or less than 125% or (bb) the ratio of the unpaid principal balance of the Loan to the value of the Properties (including the Substitute Property or Substitute Properties) will not increase as a result of the substitution of the Substitute Property or Substitute Properties for the Affected Property or Affected Properties, or (2) Lender receives an opinion of counsel that the Securitization will not fail to maintain its status as a REMIC Trust as a result of the substitution of the Substitute Property or Substitute Properties for the Affected Property or Affected Properties.

(b) Transfer. If at any time any Property is Transferred to a third party, then Borrower shall, no later than the close of business on the day on which such Transfer occurs, give notice thereof to Lender and prepay the Debt in the applicable Release Amount with respect to such Property in accordance with **Section 2.5**.

2.4.4 Prepayments After Default.

(a) If, during the continuance of an Event of Default, payment of all or any part of the Debt is tendered by Borrower and accepted by Lender or is otherwise recovered by Lender (including through application of any Reserve Funds), such tender or recovery shall be deemed to be a voluntary prepayment by Borrower in violation of the prohibition against prepayment set forth in **Section 2.4.1**, and Borrower shall pay, as part of the Debt, all of: (i) all accrued interest calculated at the Interest Rate on the amount of principal being prepaid through and including the date of such prepayment together with an amount equal to the interest that would have accrued at the Interest Rate on the amount of principal being prepaid through the end of the Interest Period in which such prepayment occurs, notwithstanding that such Interest Period extends beyond the date of prepayment, (ii) the Interest Shortfall, if applicable, with respect to the amount prepaid, (iii) Breakage Costs, if any, without duplication of any sums paid pursuant to the preceding clauses (i) and (ii), and (iv) an amount equal to the applicable Spread Maintenance Premium (if made before the Spread Maintenance Date).

(b) Notwithstanding anything contained herein to the contrary, upon the occurrence and during the continuance of any Event of Default, any payment of principal, interest and other amounts payable under the Loan Documents from whatever source may be applied by Lender among the Components and other Obligations as Lender shall determine in its sole and absolute discretion.

2.4.5 Prepayment/Repayment Conditions.

(a) On the date on which a prepayment, voluntary or mandatory, is made under the Note or as required under this Agreement, which date must be a Business Day, Borrower shall pay to Lender:

(i) all accrued and unpaid interest calculated at the Interest Rate on the amount of principal being prepaid on the applicable Component or Components through and including the Repayment Date together with an amount equal to the interest that would have accrued at the Interest Rate on the amount of principal being prepaid through the end of the Interest Period in which such prepayment occurs, notwithstanding that such Interest Period extends beyond the date of prepayment;

(ii) if such prepayment is made during the period from and including the first day after a Monthly Payment Date through and including the last day of the Interest Period in which such prepayment occurs, all interest on the principal amount being prepaid on the applicable Component or Components which would have accrued from the first day of the Interest Period immediately following the Interest Period in which the prepayment occurs (the “**Succeeding Interest Period**”) through and including the end of the Succeeding Interest Period, calculated at (A) the Interest Rate if such prepayment occurs on or after the Interest Determination Date for the Succeeding Interest Period or (B) the Assumed Note Rate if such prepayment occurs before the Interest Determination Date for the Succeeding Interest Period (the “**Interest Shortfall**”);

(iii) Breakage Costs, if any, without duplication of any sums paid pursuant to the preceding clauses (i) and (ii);

(iv) the Spread Maintenance Premium applicable thereto (if such prepayment occurs prior to the Spread Maintenance Date); provided that no Spread Maintenance Premium shall be due in connection with a prepayment under **Section 2.4.3(a)** (except where such prepayment arises as a result of a Voluntary Action) or **Section 2.4.3(e)**; and

(v) all other sums, then due under the Note, this Agreement and the other Loan Documents.

(b) If the Interest Shortfall for any Floating Rate Component was calculated based upon the Assumed Note Rate, upon determination of LIBOR on the Interest Determination Date for the Succeeding Interest Period then (i) if the Interest Rate applicable to such Floating Rate Component for such Succeeding Interest Period is less than the Assumed Note Rate applicable to such Floating Rate Component, Lender shall promptly refund to Borrower the amount of the Interest Shortfall paid with respect to such Floating Rate Component, calculated at a rate equal to the difference between the Assumed Note Rate applicable to such Floating Rate Component and the Interest Rate applicable to such Floating Rate Component for such Interest Period, or (ii) if the Interest Rate applicable to such Floating Rate Component is greater than the Assumed Note Rate applicable to such Floating Rate Component, Borrower shall promptly (and in no event later than the ninth (9th) day of the following month) pay Lender the amount of such additional Interest Shortfall applicable to such Floating Rate Component calculated at a rate equal to the amount by which the Interest Rate applicable to such Floating Rate Component exceeds the Assumed Note Rate applicable to such Floating Rate Component.

(c) Borrower shall pay all reasonable costs and expenses of Lender incurred in connection with the repayment or prepayment (including without limitation reasonable attorneys' fees and expenses and costs and expenses related to the Transfer or substitution of any Property); provided, for the avoidance of doubt, this provision shall not apply with respect to Taxes.

(d) Except during an Event of Default, prepayments shall be applied by Lender in the following order of priority: (i) *first*, to any amounts (other than principal, interest, Interest Shortfall, Breakage Costs and Spread Maintenance Premium) then due and payable under the Loan Documents, including any costs and expenses of Lender in connection with such prepayment; (ii) *second*, interest payable pursuant to **Section 2.4.5(a)(i)** on the applicable Component or Components being prepaid pursuant to this **clause (d)** at the Interest Rate; (iii) *third*, Interest Shortfall on the applicable Component or Components being prepaid pursuant to this **clause (d)**; (iv) *fourth*, Breakage Costs on the applicable Component or Components being prepaid pursuant to this **clause (d)**; (v) *fifth*, Spread Maintenance Premium, to the extent applicable, on the applicable Floating Rate Component or Floating Rate Components being prepaid pursuant to this **clause (d)** and (vi) *sixth*, to principal, applied as set forth in **clause (e)** below.

(e) Except during an Event of Default, prepayments of principal of the Loan made pursuant to this **Section 2.4.5** shall be applied to the Loan (i) *first*, to Component A until the Component Outstanding Principal Balance of Component A is reduced to zero, (ii) *second*, to

Component B until the Component Outstanding Principal Balance of Component B is reduced to zero, (iii) *third*, to Component C until the Component Outstanding Principal Balance of Component C is reduced to zero, (iv) *fourth*, to Component D until the Component Outstanding Principal Balance of Component D is reduced to zero, (v) *fifth*, to Component E until the Component Outstanding Principal Balance of Component E is reduced to zero, (vi) *sixth*, to Component F until the Component Outstanding Principal Balance of Component F is reduced to zero and (vii) *seventh*, to Component G until the Component Outstanding Principal Balance of Component G is reduced to zero; *provided*, that so long as no Default or Event of Default shall then exist or would result therefrom, any voluntary prepayments of principal on the Loan made from Unrestricted Cash pursuant to **Section 2.4.2**, other than Debt Yield Cure Prepayments, shall be applied to the Components of the Loan on a pro rata basis based on the Component Outstanding Principal Balance of each such Component relative to the aggregate Component Outstanding Principal Balances for all of the Components until the Component Outstanding Principal Balance for each Component has been reduced to zero.

(f) Prepayments under **Section 2.4.2** shall reduce the Allocated Loan Amounts for each Property on a pro rata basis. Prepayments under **Section 2.4.3** shall reduce the Allocated Loan Amount with respect to the applicable Property, until the Allocated Loan Amount and any interest, fees or other Obligations related thereto is zero and any excess of such prepayment shall be applied to reduce the Allocated Loan Amounts for the remaining Properties on a pro rata basis.

(g) Lender shall, upon the written request and at the expense of Borrower, upon payment in full of the Debt in accordance with the terms and provisions of the Loan Documents, release the Liens of the Mortgage Documents and cause the trustees under any of the Mortgages to reconvey the applicable Properties to Borrower. In connection with the releases of the Liens, Borrower shall submit to Lender, forms of releases of Liens (and related Loan Documents) for execution by Lender. Such releases shall be the forms appropriate in the jurisdictions in which the Properties are located and contain standard provisions protecting the rights of Lender. In addition, Borrower shall provide all other documentation Lender reasonably requires to be delivered by Borrower in connection with such releases, together with an Officer's Certificate certifying that such documentation (i) is in compliance with all Legal Requirements, and (ii) will effect such release in accordance with the terms of this Agreement. Borrower shall pay all out-of-pocket costs, taxes and expenses associated with the release of the Liens of the Mortgage Documents, including Lender's reasonable attorneys' fees.

Section 2.5 Transfers of Properties. Borrower may Transfer any Property (each, a "**Release Property**") and Lender shall release the Release Property from the applicable Mortgage Documents and release the security interest and Lien on any Collateral located at such Property, provided that the following conditions precedent to such Transfer are satisfied (the "**Release Conditions**"); provided, that, for the avoidance of doubt, the Release Conditions do not need to be satisfied in order for Lender to release its security interest and Lien on any Disqualified Property in connection with any prepayment or substitution in accordance with **Section 2.4.3(a)** :

(a) Borrower shall submit to Lender, not less than ten (10) Business Days' prior to the Transfer Date, a Request for Release, together with all attachments thereto and evidence reasonably satisfactory to Lender that the conditions precedent set forth in this **Section 2.5** will be satisfied upon the consummation of such Transfer;

(b) No Event of Default has occurred and is continuing (other than a non-monetary Event of Default that is specific to such Release Property to which **Section 2.4.3(a)** is applicable and would be cured as a result of the release of the Release Property, so long as a mandatory prepayment is made with respect thereto in accordance with **Section 2.4.3(a)** (a “**Qualified Release Property Default**”));

(c) The Debt Yield as of the most recent Calculation Date, after giving pro forma effect for the elimination of the Underwritten Net Cash Flow for the Release Property and the repayment of the Loan in the applicable Release Amount, is at least the greater of (x) the Closing Date Debt Yield and (y) the actual Debt Yield as of such date; provided that the condition in this clause (c) shall not be applicable to a Transfer of a Property if the Loan is prepaid in the amount that is the greater of the applicable Release Amount and 100% of the Net Transfer Proceeds for the Transferred Property;

(d) The Release Property shall be Transferred to a Person other than Borrower, any other Loan Party or, unless the release of the Release Property is effected in order to cure a Qualified Release Property Default, any Affiliate of Borrower or any other Loan Party, and, unless the release of the Release Property is effected in order to cure a Qualified Release Property Default, shall be Transferred pursuant to a bona fide all-cash sale of the Release Property on arms-length terms and conditions;

(e) On or prior to the Transfer Date, Borrower shall prepay the Outstanding Principal Balance by an amount equal to the applicable Release Amount for the Release Property, and Borrower shall comply with the provisions and pay to Lender the amounts set forth in **Section 2.4.5** ;

(f) If a Trigger Period is continuing on the Transfer date, the excess, if any, of (i) the Net Transfer Proceeds for the Release Property over (ii) the applicable Release Amount for the Release Property and any other amounts payable to Lender in connection with such release, shall be deposited into the Cash Collateral Account;

(g) Borrower shall submit to Lender, not less than five (5) Business Days’ prior to the Transfer Date, a draft release for the applicable Mortgage Documents (and, in the event the Mortgage and the Assignment of Leases and Rents applicable to the Release Property encumber other Property(ies) in addition to the Release Property, such release shall be a partial release that relates only to the Release Property and does not affect the Liens and security interests encumbering or on the other Property(ies)) in form and substance appropriate for the jurisdiction in which the Release Property is located and shall contain standard provisions protecting the rights of Lender. In addition, Borrower shall provide all other documentation of a ministerial or administrative nature that Lender reasonably requires to be delivered by Borrower in connection with such release or assignment;

(h) Borrower shall have paid all taxes and all reasonable out-of-pocket costs and expenses incurred by Lender and/or its Servicer in connection with any such release and, in addition, the current reasonable and customary fee being assessed by Lender and/or its Servicer to effect such release or assignment;

(i) Notwithstanding anything to the contrary contained herein or in any other Loan Document, if the Loan is included in a REMIC Trust and the ratio of the unpaid principal

balance of the Loan to the value of the remaining Properties (as determined by Lender in its sole discretion using any commercially reasonable method permitted to a REMIC Trust; and which shall exclude the value of any personal property (other than fixtures) or going concern value, if any) exceeds or would exceed 125% immediately after giving effect to the release of the Release Property, no release will be permitted unless the principal balance of the Loan is prepaid by an amount not less than the greater of (i) the Release Amount or (ii) the least amount that is a “qualified amount” as that term is defined in IRS Revenue Procedure 2010-30, as the same may be amended, replaced, supplemented or modified from time to time, unless Lender receives an opinion of counsel that, if this **Section 2.5(i)** is applicable but not followed or is no longer applicable at the time of such release, the Securitization will not fail to maintain its status as a REMIC Trust as a result of the release of the Release Property; and

(j) The Release Property is a separate legal parcel from the property remaining encumbered by Mortgages.

Section 2.6 Interest Rate Cap Agreement.

2.6.1 Interest Rate Cap Agreement. Prior to or contemporaneously with the Closing Date, Borrower shall have obtained, and thereafter maintain in effect, the Interest Rate Cap Agreement, which shall have a term expiring no earlier than the last day of the Interest Period in which the Stated Maturity Date occurs and have a notional amount which shall not at any time be less than the aggregate Component Outstanding Principal Balances of the Floating Rate Components. The Interest Rate Cap Agreement shall have a strike rate equal to the Strike Price.

2.6.2 Pledge and Collateral Assignment. As security for the full and punctual payment and performance of the Obligations when due (whether upon stated maturity, by acceleration, early termination or otherwise), Borrower, as pledgor, hereby pledges, assigns, hypothecates, transfers and delivers to Lender as collateral and hereby grants to Lender a continuing first priority lien on and security interest in, to and under all of the following whether now owned or hereafter acquired and whether now existing or hereafter arising (the “**Rate Cap Collateral**”): all of the right, title and interest of Borrower in and to (i) the Interest Rate Cap Agreement; (ii) all payments, distributions, disbursements or proceeds due, owing, payable or required to be delivered to Borrower in respect of the Interest Rate Cap Agreement or arising out of the Interest Rate Cap Agreement, whether as contractual obligations, damages or otherwise; and (iii) all of Borrower’s claims, rights, powers, privileges, authority, options, security interests, liens and remedies, if any, under or arising out of the Interest Rate Cap Agreement, in each case including all accessions and additions to, substitutions for and replacements, products and proceeds of any or all of the foregoing.

2.6.3 Covenants.

(a) Borrower shall comply with all of its obligations under the terms and provisions of the Interest Rate Cap Agreement. All amounts paid by the Counterparty under the Interest Rate Cap Agreement to Borrower or Lender shall be deposited immediately into the Collection Account pursuant to **Section 6.1.1**. Subject to terms hereof, provided no Event of Default has occurred and is continuing, Borrower shall be entitled to exercise all rights, powers and privileges of Borrower under, and to control the prosecution of all claims with respect to, the Interest Rate Cap Agreement and the other Rate Cap Collateral. Borrower shall take all actions

reasonably requested by Lender to enforce Borrower's rights under the Interest Rate Cap Agreement in the event of a default by the Counterparty thereunder and shall not waive, amend or otherwise modify any of its rights thereunder.

(b) Borrower shall defend Lender's right, title and interest in and to the Rate Cap Collateral pledged by Borrower pursuant hereto or in which it has granted a security interest pursuant hereto against the claims and demands of all other Persons.

(c) In the event of any downgrade, withdrawal or qualification of the rating of the Counterparty such that it ceases to qualify as an "Approved Counterparty", unless the Counterparty shall have posted collateral on terms acceptable to each Rating Agency, Borrower shall replace the Interest Rate Cap Agreement with a Replacement Interest Rate Cap Agreement not later than ten (10) Business Days following receipt of notice from Lender, Servicer or any other Person of such downgrade, withdrawal or qualification. In the event that the Counterparty is downgraded (i) below BBB+ by S&P or Fitch (or, if such counterparty was an approved counterparty based on its short-term rating by S&P or Fitch, below "A-2" by S&P or "F-2" by Fitch) or (ii) below "Baa1" by Moody's, a Replacement Interest Rate Cap Agreement shall be required regardless of the posting of collateral.

(d) In the event that Borrower fails to purchase and deliver to Lender the Interest Rate Cap Agreement as and when required hereunder, Lender may purchase the Interest Rate Cap Agreement and the cost incurred by Lender in purchasing the Interest Rate Cap Agreement shall be paid by Borrower to Lender with interest thereon at the Default Rate from the date such cost was incurred by Lender until such cost is paid by Borrower to Lender.

(e) Borrower shall not sell, assign, or otherwise dispose of, or mortgage, pledge or grant a security interest in, any of the Rate Cap Collateral or any interest therein, and any sale, assignment, mortgage, pledge or security interest whatsoever made in violation of this covenant shall be a nullity and of no force and effect, and upon demand of Lender, shall forthwith be cancelled or satisfied by an appropriate instrument in writing.

(f) Borrower shall not (i) without the prior written consent of Lender, modify, amend or supplement the terms of the Interest Rate Cap Agreement, (ii) without the prior written consent of Lender, except in accordance with the terms of the Interest Rate Cap Agreement, cause the termination of the Interest Rate Cap Agreement prior to its stated maturity date, (iii) without the prior written consent of Lender, except as aforesaid, waive or release any obligation of the Counterparty (or any successor or substitute party to the Interest Rate Cap Agreement) under the Interest Rate Cap Agreement, (iv) without the prior written consent of Lender, consent or agree to any act or omission to act on the part of the Counterparty (or any successor or substitute party to the Interest Rate Cap Agreement) which, without such consent or agreement, would constitute a default under the Interest Rate Cap Agreement, (v) fail to exercise promptly and diligently each and every material right which it may have under the Interest Rate Cap Agreement, (vi) take or intentionally omit to take any action or intentionally suffer or permit any action to be omitted or taken, the taking or omission of which would result in any right of offset against sums payable under the Interest Rate Cap Agreement or any defense by the Counterparty (or any successor or substitute party to the Interest Rate Cap Agreement) to payment or (vii) fail to give prompt notice to Lender of any notice of default given by or to Borrower under or with respect to the Interest Rate Cap Agreement, together with a complete copy of such notice. If Borrower shall have received written notice that the Securitization shall have occurred, no consent by Lender provided for in this **Section 2.6.3 (f)** shall be given by Lender unless Lender shall have received a Rating Agency Confirmation.

(g) In connection with an Interest Rate Cap Agreement, Borrower shall obtain and deliver to Lender an opinion of counsel from counsel (which counsel may be in-house counsel for the Counterparty) for the Counterparty upon which Lender and its successors and assigns may rely (the “**Counterparty Opinion**”), under New York law and, if the Counterparty is a non-U.S. entity, the applicable foreign law, which shall provide in relevant part, that: (i) the issuer is duly organized, validly existing, and in good standing under the laws of its jurisdiction of incorporation and has the organizational power and authority to execute and deliver, and to perform its obligations under, the Interest Rate Cap Agreement; (ii) the execution and delivery of the Interest Rate Cap Agreement by the issuer, and any other agreement which the issuer has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been and remain duly authorized by all necessary action and do not contravene any provision of its certificate of incorporation or by-laws (or equivalent organizational documents) or any law, regulation or contractual restriction binding on or affecting it or its property; (iii) all consents, authorizations and approvals required for the execution and delivery by the issuer of the Interest Rate Cap Agreement, and any other agreement which the issuer has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been obtained and remain in full force and effect, all conditions thereof have been duly complied with, and no other action by, and no notice to or filing with any governmental authority or regulatory body is required for such execution, delivery or performance; and (iv) the Interest Rate Cap Agreement, and any other agreement which the issuer has executed and delivered pursuant thereto, has been duly executed and delivered by the issuer and constitutes the legal, valid and binding obligation of the issuer, enforceable against the issuer in accordance with its terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors’ rights generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

2.6.4 [Reserved] .

2.6.5 Representations and Warranties . Borrower hereby covenants with, and represents and warrants to Lender as of the Closing Date as follows:

(a) The Interest Rate Cap Agreement constitutes the legal, valid and binding obligation of Borrower, enforceable against Borrower in accordance with its terms, subject only to applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

(b) The Rate Cap Collateral is free and clear of all claims or security interests of every nature whatsoever, except such as are created pursuant to this Agreement and the other Loan Documents, and Borrower has the right to pledge and grant a security interest in the same as herein provided without the consent of any other Person other than any such consent that has been obtained and is in full force and effect.

(c) The Rate Cap Collateral has been duly and validly pledged hereunder. All consents and approvals required to be obtained by Borrower for the consummation of the transactions contemplated by this Agreement have been obtained.

(d) Giving effect to the aforesaid grant and assignment to Lender, Lender has, as of the date of this Agreement, and as to Rate Cap Collateral acquired from time to time after such date, shall have, a valid, and upon proper filing, perfected and continuing first priority lien upon and security interest in the Rate Cap Collateral; provided that no representation or warranty is made with respect to the perfected status of the security interest of Lender in the proceeds of Rate Cap Collateral consisting of “cash proceeds” or “non-cash proceeds” as defined in the UCC except if, and to the extent, the provisions of Section 9-306 of the UCC shall be complied with.

(e) Except for financing statements filed or to be filed in favor of Lender as secured party, there are no financing statements under the UCC covering any or all of the Rate Cap Collateral and Borrower shall not, without the prior written consent of Lender, until payment in full of all of the Obligations, execute and file in any public office, any enforceable financing statement or statements covering any or all of the Rate Cap Collateral, except financing statements filed or to be filed in favor of Lender as secured party.

2.6.6 Payments. If Borrower at any time shall be entitled to receive any payments with respect to the Interest Rate Cap Agreement, such amounts shall, immediately upon becoming payable to Borrower, be deposited by Counterparty into the Collection Account.

2.6.7 Remedies. Subject to the provisions of the Interest Rate Cap Agreement, if an Event of Default shall occur and then be continuing:

(a) Lender, without obligation to resort to any other security, right or remedy granted under any other agreement or instrument, shall have the right to, in addition to all rights, powers and remedies of a secured party pursuant to the UCC, at any time and from time to time, sell, resell, assign and deliver, in its sole discretion, any or all of the Rate Cap Collateral (in one or more parcels and at the same or different times) and all right, title and interest, claim and demand therein and right of redemption thereof, at public or private sale, for cash, upon credit or for future delivery, and in connection therewith Lender may grant options and may impose reasonable conditions such as requiring any purchaser to represent that any “securities” constituting any part of the Rate Cap Collateral are being purchased for investment only, Borrower hereby waiving and releasing any and all equity or right of redemption to the fullest extent permitted by the UCC or applicable law. If all or any of the Rate Cap Collateral is sold by Lender upon credit or for future delivery, Lender shall not be liable for the failure of the purchaser to purchase or pay for the same and, in the event of any such failure, Lender may resell such Rate Cap Collateral. It is expressly agreed that Lender may exercise its rights with respect to less than all of the Rate Cap Collateral, leaving unexercised its rights with respect to the remainder of the Rate Cap Collateral, *provided*, *however*, that such partial exercise shall in no way restrict or jeopardize Lender’s right to exercise its rights with respect to all or any other portion of the Rate Cap Collateral at a later time or times.

(b) Lender may exercise, either by itself or by its nominee or designee, in the name of Borrower, all of Lender’s rights, powers and remedies in respect of the Rate Cap Collateral, hereunder and under law.

(c) Borrower hereby irrevocably, in the name of Borrower or otherwise, authorizes and empowers Lender and assigns and transfers unto Lender, and constitutes and appoints Lender its true and lawful attorney-in-fact, and as its agent, irrevocably, with full power of substitution for Borrower and in the name of Borrower, (i) to exercise and enforce every right,

power, remedy, authority, option and privilege of Borrower under the Interest Rate Cap Agreement, including any power to subordinate or modify the Interest Rate Cap Agreement (but not, unless an Event of Default exists and is continuing, the right to terminate or cancel the Interest Rate Cap Agreement), or to give any notices, or to take any action resulting in such subordination, termination, cancellation or modification and (ii) in order to more fully vest in Lender the rights and remedies provided for herein, to exercise all of the rights, remedies and powers granted to Lender in this Agreement, and Borrower further authorizes and empowers Lender, as Borrower's attorney-in-fact, and as its agent, irrevocably, with full power of substitution for Borrower and in the name of Borrower, to give any authorization, to furnish any information, to make any demands, to execute any instruments and to take any and all other action on behalf of and in the name of Borrower which in the opinion of Lender may be necessary or appropriate to be given, furnished, made, exercised or taken under the Interest Rate Cap Agreement, in order to comply therewith, to perform the conditions thereof or to prevent or remedy any default by Borrower thereunder or to enforce any of the rights of Borrower thereunder. These powers-of-attorney are irrevocable and coupled with an interest, and any similar or dissimilar powers heretofore given by Borrower in respect of the Rate Cap Collateral to any other Person are hereby revoked.

(d) Lender may, without notice to, or assent by, Borrower or any other Person (to the extent permitted by law), but without affecting any of the Obligations, in the name of Borrower or in the name of Lender, notify the Counterparty, or if applicable, any other counterparty to the Interest Rate Cap Agreement, to make payment and performance directly to Lender; extend the time of payment and performance of, compromise or settle for cash, credit or otherwise, and upon any terms and conditions, any obligations owing to Borrower, or claims of Borrower, under the Interest Rate Cap Agreement; file any claims, commence, maintain or discontinue any actions, suits or other proceedings deemed by Lender necessary or advisable for the purpose of collecting upon or enforcing the Interest Rate Cap Agreement; and execute any instrument and do all other things deemed necessary and proper by Lender to protect and preserve and realize upon the Rate Cap Collateral and the other rights contemplated hereby.

(e) Pursuant to the powers-of-attorney provided for above, Lender may take any action and exercise and execute any instrument which it may deem necessary or advisable to accomplish the purposes hereof; *provided, however*, that Lender shall not be permitted to take any action pursuant to said power-of-attorney that would conflict with any limitation on Lender's rights with respect to the Rate Cap Collateral. Without limiting the generality of the foregoing, Lender, after the occurrence of an Event of Default, shall have the right and power to receive, endorse and collect all checks and other orders for the payment of money made payable to Borrower representing: (i) any payment of obligations owed pursuant to the Interest Rate Cap Agreement, (ii) interest accruing on any of the Rate Cap Collateral or (iii) any other payment or distribution payable in respect of the Rate Cap Collateral or any part thereof, and for and in the name, place and stead of Borrower, to execute endorsements, assignments or other instruments of conveyance or transfer in respect of any property which is or may become a part of the Rate Cap Collateral hereunder.

(f) Lender may exercise all of the rights and remedies of a secured party under the UCC.

(g) Without limiting any other provision of this Agreement or any of Borrower's rights hereunder, and without waiving or releasing Borrower from any obligation or

default hereunder, Lender shall have the right, but not the obligation, to perform any act or take any appropriate action, as it, in its reasonable judgment, may deem necessary to protect the security of this Agreement, to cure such Event of Default or to cause any term, covenant, condition or obligation required under this Agreement or the Interest Rate Cap Agreement to be performed or observed by Borrower to be promptly performed or observed on behalf of Borrower. All amounts advanced by, or on behalf of, Lender in exercising its rights under this **Section 2.6.7(g)** (including, but not limited to, reasonable legal expenses and disbursements incurred in connection therewith), together with interest thereon at the Default Rate from the date of each such advance, shall be payable by Borrower to Lender upon demand and shall be secured by this Agreement.

2.6.8 Sales of Rate Cap Collateral. No demand, advertisement or notice, all of which are, to the fullest extent permitted by law, hereby expressly waived by Borrower, shall be required in connection with any sale or other disposition of all or any part of the Rate Cap Collateral, except that Lender shall give Borrower at least thirty (30) Business Days' prior written notice of the time and place of any public sale or of the time when and the place where any private sale or other disposition is to be made, which notice Borrower hereby agrees is reasonable, all other demands, advertisements and notices being hereby waived. To the extent permitted by law, Lender shall not be obligated to make any sale of the Rate Cap Collateral if it shall determine not to do so, regardless of the fact that notice of sale may have been given, and Lender may without notice or publication adjourn any public or private sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. Upon each private sale of the Rate Cap Collateral of a type customarily sold in a recognized market and upon each public sale, unless prohibited by any applicable statute which cannot be waived, Lender (or its nominee or designee) may purchase any or all of the Rate Cap Collateral being sold, free and discharged from any trusts, claims, equity or right of redemption of Borrower, all of which are hereby waived and released to the extent permitted by law, and may make payment therefor by credit against any of the Obligations in lieu of cash or any other obligations. In the case of all sales of the Rate Cap Collateral, public or private, Borrower shall pay all reasonable costs and expenses of every kind for sale or delivery, including brokers' and attorneys' fees and disbursements and any tax imposed thereon. However, the proceeds of sale of Rate Cap Collateral shall be available to cover such costs and expenses, and, after deducting such costs and expenses from the proceeds of sale, Lender shall apply any residue to the payment of the Obligations in the order of priority as set forth in this Agreement.

2.6.9 Public Sales Not Possible. Borrower acknowledges that the terms of the Interest Rate Cap Agreement may prohibit public sales, that the Rate Cap Collateral may not be of the type appropriately sold at public sales, and that such sales may be prohibited by law. In light of these considerations, Borrower agrees that private sales of the Rate Cap Collateral shall not be deemed to have been made in a commercially unreasonable manner by mere virtue of having been made privately.

2.6.10 Receipt of Sale Proceeds. Upon any sale of the Rate Cap Collateral by Lender hereunder (whether by virtue of the power of sale herein granted, pursuant to judicial process or otherwise), the receipt by Lender or the officer making the sale or the proceeds of such sale shall be a sufficient discharge to the purchaser or purchasers of the Rate Cap Collateral so sold, and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to Lender or such officer or be answerable in any way for the misapplication or non-application thereof.

2.6.11 Replacement Interest Rate Cap Agreement. If, in connection with Borrower's exercise of any Extension Option pursuant to **Section 2.7**, Borrower delivers a Replacement Interest Rate Cap Agreement, all the provisions of this **Section 2.6** applicable to the Interest Rate Cap Agreement delivered on the Closing Date shall be applicable to the Replacement Interest Rate Cap Agreement.

Section 2.7 Extension Options.

2.7.1 Extension Options. Borrower shall have the option (the "**First Extension Option**"), by written notice (the "**First Extension Notice**") delivered to Lender (which notice may be revoked) no later than thirty (30) days prior to the Stated Maturity Date, to extend the Maturity Date to December 9, 2017 (the "**First Extended Maturity Date**"). In the event Borrower shall have exercised the First Extension Option, Borrower shall have the option (the "**Second Extension Option**"), by written notice (the "**Second Extension Notice**") delivered to Lender (which notice may be revoked) no later than thirty (30) days prior to the First Extended Maturity Date, to extend the First Extended Maturity Date to December 9, 2018 (the "**Second Extended Maturity Date**"). In the event Borrower shall have exercised the Second Extension Option, Borrower shall have the option (the "**Third Extension Option**"), by written notice (the "**Third Extension Notice**") delivered to Lender (which notice may be revoked) no later than thirty (30) days prior to the Second Extended Maturity Date, to extend the Second Extended Maturity Date to December 9, 2019 (the "**Third Extended Maturity Date**"). Borrower's right to so extend the applicable Maturity Date shall be subject to the satisfaction of the following conditions precedent prior to each extension hereunder:

(a) (i) no Event of Default shall have occurred and be continuing on the applicable Extension Date;

(b) Borrower shall (i) obtain and deliver to Lender not later than the first day of the term of the Loan as extended, one or more Replacement Interest Rate Cap Agreements from an Approved Counterparty, in a notional amount equal to the aggregate Component Outstanding Principal Balances of the Floating Rate Components, which Replacement Interest Rate Cap Agreement(s) shall be (A) effective for the period commencing on the Business Day immediately following the then applicable Maturity Date (prior to giving effect to the applicable Extension Option) and ending on the last day of the Interest Period in which the applicable extended Maturity Date occurs and (B) otherwise on same terms set forth in **Section 2.6** and at the applicable Strike Price and (ii) execute and deliver an Acknowledgment with respect to each such Replacement Interest Rate Cap Agreement;

(c) Borrower shall deliver a Counterparty Opinion with respect to the Replacement Interest Rate Cap Agreement and the related Acknowledgment and shall deliver to Lender an executed Collateral Assignment of Interest Rate Protection Agreement;

(d) All amounts due and payable by Borrower and any other Person pursuant to this Agreement or the other Loan Documents as of the Stated Maturity Date, the First Extended Maturity Date, and the Second Extended Maturity Date, as applicable, and all reasonable, out-of-pocket costs and expenses of Lender, including fees and expenses of Lender's counsel, in connection with the Loan and/or the applicable extension of the Term shall have been paid in full.

(e) If Borrower is unable to satisfy all of the foregoing conditions within the applicable time frames for each, Lender shall have no obligation to extend the Maturity Date hereunder.

2.7.2 Extension Documentation. As soon as practicable following an extension of the Maturity Date pursuant to this **Section 2.7**, Borrower shall, if requested by Lender, execute and deliver an amendment of and/or restatement of the Note and shall, if requested by Lender, enter into such amendments to the related Loan Documents as may be necessary or appropriate to evidence the extension of the Maturity Date as provided in this **Section 2.7**; *provided, however*, that no failure by Borrower to enter into any such amendments and/or restatements shall affect the rights or obligations of Borrower or Lender with respect to the extension of the Maturity Date.

Section 2.8 Spread Maintenance Premium. Upon any repayment or prepayment of the Loan (including in connection with an acceleration of the Loan but excluding in connection with any mandatory prepayment pursuant to **Section 2.4.3(a)** (except where such prepayment arises as a result of a Voluntary Action) or **Section 2.4.3(c)**) made prior to the Spread Maintenance Date, Borrower shall pay to Lender on the date of such repayment or prepayment (or acceleration of the Loan) the Spread Maintenance Premium applicable thereto. All Spread Maintenance Premium payments hereunder shall be deemed to be earned by Lender upon the funding of the Loan.

Section 2.9 Increased Costs. If as a result of any Regulatory Change or compliance of Lender therewith, the basis of taxation of payments to Lender or any company in Control of Lender of the principal of or interest on the Loan is changed or Lender or the company in Control of Lender shall be subject to (i) any Tax (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or (ii) any reserve, special deposit or similar requirements relating to any extensions of credit or other assets of, or any deposits with or other liabilities, of Lender or any company in Control of Lender is imposed, modified or deemed applicable; or (iii) any other condition (other than Taxes) affecting loans to borrowers subject to LIBOR-based interest rates is imposed on Lender or any company in Control of Lender and Lender determines that, by reason thereof, the cost to Lender or any company in Control of Lender of making, maintaining or extending the Loan to Borrower is increased, or any amount receivable by Lender or any company in Control of Lender hereunder in respect of any portion of the Loan to Borrower is reduced, in each case by an amount deemed by Lender in good faith to be material (such increases in cost and reductions in amounts receivable being herein called “**Increased Costs**”), then Lender shall provide notice thereof to Borrower and Borrower agrees that it will pay to Lender upon Lender’s written request such additional amount or amounts as will compensate Lender or any company in Control of Lender for such Increased Costs to the extent Lender determines that such Increased Costs are allocable to the Loan. If Lender requests compensation under this **Section 2.9**, Lender shall, if requested by notice by Borrower to Lender, furnish to Borrower a statement setting forth the basis for requesting such compensation and the method for determining the amount thereof.

Section 2.10 Taxes.

2.10.1 Defined Terms. For purposes of this *Section 2.10*, the term “applicable law” includes FATCA.

2.10.2 Payments Free of Taxes. Any and all payments by or on account of any obligation of Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of Borrower) requires the deduction or withholding of any Tax from any such payment by Borrower, then Borrower shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this *Section 2.10*) Lender receives an amount equal to the sum it would have received had no such deduction or withholding been made.

2.10.3 Payment of Other Taxes by Borrower. Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law any Other Taxes.

2.10.4 Indemnification by the Loan Parties. Borrower shall indemnify Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this *Section 2.10*) payable or paid by Lender or required to be withheld or deducted from a payment to Lender and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Borrower by Lender shall be conclusive absent manifest error.

2.10.5 Evidence of Payments. As soon as practicable after any payment of Taxes by Borrower to a Governmental Authority pursuant to this *Section 2.10*, Borrower shall deliver to Lender the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to Lender.

2.10.6 Status of Lender.

(a) If Lender is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document then Lender shall deliver to Borrower, at the time or times reasonably requested by Borrower, such properly completed and executed documentation reasonably requested by Borrower as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, Lender, if reasonably requested by Borrower, shall deliver such other documentation prescribed by applicable law or reasonably requested by Borrower as will enable Borrower to determine whether or not Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in *Section 2.10.6(b)(i), (b)(ii) and (b)(iv)* below) shall not be required if in Lender’s reasonable judgment such completion, execution or submission would subject Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of Lender.

(b) Without limiting the generality of the foregoing,

(i) If Lender is a U.S. Person it shall deliver to Borrower (in such number of copies as shall be reasonably requested by Borrower) on or prior to the date on which such Lender becomes the Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower), executed originals of IRS Form W-9 certifying that Lender is exempt from U.S. federal backup withholding tax;

(ii) If Lender is a Foreign Lender it shall, to the extent it is legally entitled to do so, deliver to Borrower (in such number of copies as shall be reasonably requested by Borrower) on or prior to the date on which it becomes the Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower), whichever of the following is applicable:

(A) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN (in the case of an individual) or W-8BEN-E (in the case of an entity) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN (in the case of an individual) or W-8BEN-E (in the case of an entity) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(B) executed originals of IRS Form W-8ECI;

(C) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) or 871(h) of the Code, (x) a certificate substantially in the form of Exhibit F-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “**U.S. Tax Compliance Certificate**”) and (y) executed originals of IRS Form W-8BEN (in the case of an individual) or W-8BEN-E (in the case of an entity); or

(D) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN (in the case of an individual) or W-8BEN-E (in the case of an entity), a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-2 or Exhibit F-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-4 on behalf of each such direct and indirect partner;

(iii) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to Borrower (in such number of copies as shall be reasonably requested by Borrower) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit Borrower to determine the withholding or deduction required to be made; and

(iv) if a payment made to Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), Lender shall deliver to Borrower at the time or times prescribed by law and at such time or times reasonably requested by Borrower such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by Borrower as may be necessary for Borrower to comply with its obligations under FATCA and to determine that Lender has complied with Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (iv), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Borrower in writing of its legal inability to do so.

2.10.7 Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this **Section 2.10** (including by the payment of additional amounts pursuant to this **Section 2.10**), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this **Section 2.10.7** (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this **Section 2.10.7**, in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this **Section 2.10.7** the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This **Section 2.10.7** shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

2.10.8 Survival. Each party's obligations under this **Section 2.10** shall survive any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all obligations under any Loan Document.

ARTICLE 3

REPRESENTATIONS AND WARRANTIES

Section 3.1 General Representations. Borrower represents and warrants to Lender as of the Closing Date that, except to the extent (if any) disclosed on *Schedule III* with reference to a specific subsection of this *Section 3.1* :

Each Loan Party and each SPC Party is duly qualified to do business and in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations, except to the extent that failure to do so would not reasonably be expected to have a Material Adverse Effect. Each Loan Party and each SPC Party possesses all rights, licenses, permits and authorizations, governmental or otherwise, necessary to entitle it to own its properties and to transact the businesses in which it is now engaged, except to the extent that failure to do so could not in the aggregate reasonably be expected to have a Material Adverse Effect. The sole business of Borrower is the acquisition, ownership, maintenance, sale, transfer, refinancing, management, leasing and operation of the Properties; the sole business of Borrower GP is acting as the sole general partner of Borrower, including, providing the Borrower GP Guaranty and the Borrower GP Security Agreement; and the sole business of Equity Owner is acting as the sole limited partner of Borrower and the sole member of Borrower GP, including, providing the Equity Owner Guaranty and the Equity Owner Security Agreement. Each Loan Party and each SPC Party is a Special Purpose Bankruptcy Remote Entity.

ARTICLE 4

COVENANTS

Section 4.1 Affirmative Covenants. Borrower shall comply with the following covenants:

4.1.1 Compliance with Laws, Etc. Borrower shall and shall cause each other Loan Party to do or cause to be done all things necessary to preserve, renew and keep in full force and effect its rights, licenses and permits and to comply with all Legal Requirements applicable to it and the Properties (and the use thereof), including, without limitation, building and zoning ordinances and codes and certificates of occupancy, except to the extent that the failure to do so would not reasonably be expected to have a Material Adverse Effect. Any Loan Party, at such Loan Party's expense, may contest by appropriate legal proceeding promptly initiated and conducted in good faith and with due diligence, the validity of any Legal Requirement, the applicability of any Legal Requirement to a Loan Party or any Property or any alleged violation of any Legal Requirement; *provided* that (i) such proceeding shall be permitted under and be conducted in accordance with the provisions of any instrument to which a Loan Party is subject and shall not constitute a default thereunder and such proceeding shall be conducted in accordance with all applicable Legal Requirements; (ii) no Property nor any part thereof or interest therein will be in danger of being sold, forfeited, terminated, cancelled or lost; and (iii) the Loan Party shall promptly upon final determination thereof comply with any such Legal

Requirement determined to be valid or applicable or cure any violation of any Legal Requirement, except to the extent that the failure to do so would not reasonably be expected to have a Material Adverse Effect.

4.1.2 Preservation of Existence. Borrower shall and shall cause each other Loan Party and each SPC Party to (i) observe all procedures required by its Constituent Documents and preserve and maintain its corporate existence, rights, franchises and privileges in the jurisdiction of its organization, and (ii) qualify and remain qualified in good standing (where relevant) as a foreign limited liability company or limited partnership, as applicable, in each other jurisdiction where the nature of its business requires such qualification and to the extent such concept exists in such jurisdiction and where, in the case of clause (ii), except where the failure to be so qualified would not reasonably be expected to have a Material Adverse Effect.

4.1.3 Non-Property Taxes. Borrower shall and shall cause each other Loan Party and each SPC Party to file, cause to be filed or obtain an extension of the time to file, all Tax returns for Non-Property Taxes and reports required by law to be filed by it and to promptly pay or cause to be paid all Non-Property Taxes now or hereafter levied, assessed or imposed on it as the same become due and payable; provided that, after prior notice to Lender, such Loan Party or such SPC Party may contest by appropriate legal proceedings conducted in good faith and with due diligence, the amount or validity of any such Non-Property Taxes and, in such event, may permit the Non-Property Taxes so contested to remain unpaid during any period, including appeals, when a Loan Party or SPC Party is in good faith contesting the same so long as (i) no Event of Default has occurred and remains uncured, (ii) such proceeding shall be permitted under and be conducted in accordance with all applicable Legal Requirements, (iii) no Property or other Collateral nor any part thereof or interest therein will be in danger of being sold, forfeited, terminated, canceled or lost, (iv) the applicable Loan Party or SPC Party has set aside on its books adequate reserves in accordance with GAAP, and the non-payment or non-discharge of such Non-Property Taxes would not reasonably be expected to have a Material Adverse Effect, (v) enforcement of the contested Non-Property Taxes is effectively stayed for the entire duration of such contest and no Lien is imposed on any Property or other Collateral, (vi) any Non-Property Taxes determined to be due, together with any interest or penalties thereon, is promptly paid as required after final resolution of such contest, (vii) to the extent such Non-Property Taxes (when aggregated with all other Taxes that any Loan Party or SPC Party is then contesting under this **Section 4.1.3** or **Section 4.4.8** and for which Borrower has not delivered to Lender any Contest Security) exceed \$1,000,000, Borrower shall deliver to Lender either (A) cash, or other security as may be approved by Lender, in an amount sufficient to insure the payment of any such Non-Property Taxes, together with all interest and penalties thereon or (B) a payment and performance bond in an amount equal to one hundred percent (100%) of the contested amount from a surety acceptable to Lender in its reasonable discretion, (viii) failure to pay such Non-Property Taxes will not subject Lender to any civil or criminal liability, (ix) such contest shall not affect the ownership, use or occupancy of any Property or other Collateral, and (x) Borrower shall, upon request by Lender, give Lender prompt notice of the status of such proceedings and/or confirmation of the continuing satisfaction of the conditions set forth in clauses (i) through (ix) of this **Section 4.1.3**. Notwithstanding the foregoing, Borrower shall and shall cause each other Loan Party and each SPC Party to pay any contested Non-Property Taxes (or, if cash or other security has been provided, Lender may pay over any such cash or other security held by Lender to the claimant entitled thereto) if, in the Lender's reasonable judgment, any Property or other Collateral (or any part thereof or interest therein) shall be in danger of being sold, forfeited, terminated, cancelled or lost or there shall be any danger of the Lien of any Collateral Document being primed by any related Lien.

4.1.4 Access to Properties. Subject to the rights of Tenants, Borrower shall permit agents, representatives and employees of Lender to inspect the Properties or any part thereof at reasonable hours upon reasonable advance notice.

4.1.5 Perform Loan Documents. Borrower shall and shall cause each other Loan Party to, in a timely manner, observe, perform and satisfy all the terms, provisions, covenants and conditions of the Loan Documents executed and delivered by, or applicable to, the Loan Party, and shall pay when due all costs, fees and expenses of Lender, to the extent required under the Loan Documents executed and delivered by, or applicable to, the Loan Party.

4.1.6 Awards and Insurance Benefits. Borrower shall cooperate with Lender, in accordance with the relevant provisions of this Agreement, to enable Lender to receive the benefits of any Awards or Insurance Proceeds lawfully or equitably payable in connection with any Property, and Lender shall be reimbursed for any expenses incurred in connection therewith (including reasonable attorneys' fees and disbursements, and the payment by the Loan Parties of the reasonable expense of an appraisal on behalf of Lender in case of Casualty or Condemnation affecting any Property or any part thereof) out of such Insurance Proceeds.

4.1.7 Security Interest; Further Assurances. Borrower shall and shall cause each other Loan Party to take all necessary action to establish and maintain, in favor of Lender a valid and perfected first priority security interest in all Collateral to the full extent contemplated herein, free and clear of any Liens (including the filing of all financing statements or other similar instruments or documents necessary under the UCC (or any comparable law) of all appropriate jurisdictions to perfect Lender's security interest in the Collateral). Borrower shall and shall cause each other Loan Party to, at the Loan Party's sole cost and expense execute any and all further documents, financing statements, agreements, affirmations, waivers and instruments, and take all such further actions (including the filing and recording of financing statements) that may be required under any applicable Legal Requirement, or that Lender deems necessary or advisable, in order to grant, preserve, protect and perfect the validity and priority of the security interests created or intended to be created hereby or by the Collateral Documents or the enforceability of any guaranty or other Loan Document. Such financing statements may describe as the collateral covered thereby "all assets of the debtor, whether now owned or hereafter acquired" or words to that effect.

4.1.8 Keeping of Records and Books of Account. Borrower shall and shall cause each other Loan Party to maintain and implement administrative and operating procedures (including an ability to recreate records regarding the Properties in the event of the destruction of the originals thereof) and keep and maintain on a calendar year basis, in accordance with the requirements for a Special Purpose Bankruptcy Remote Entity set forth herein, as applicable, GAAP, and, to the extent required under **Section 9.1**, the requirements of Regulation AB, proper and accurate documents, books, records and other information reasonably necessary for the collection of all Rents and other Collections and payments of its obligations. Such books and records shall include, without limitation, records adequate to permit the identification of each Property and all items of income and expense in connection with the operation of each Property. Lender shall have the right from time to time (but, in any event, not more than twice in any calendar year (unless an Event of Default shall have occurred and be continuing, in which case

no such restriction shall apply)) during normal business hours upon reasonable notice (which may be given verbally) to Borrower to examine such books, records, accounts, agreements, leases, instruments and other documents and the collection systems of the Loan Parties and Manager at the offices of the Loan Parties or any other Person maintaining such books, records and accounts and to make such copies or extracts thereof as Lender shall desire. Borrower shall pay any reasonable out-of-pocket costs and expenses incurred by Lender in any such examination.

4.1.9 Special Purpose Bankruptcy Remote Entity/Separateness

(a) Borrower shall and shall cause each other Loan Party and each SPC Party to be and continue to be a Special Purpose Bankruptcy Remote Entity.

(b) Borrower shall and shall cause each other Loan Party to comply in all material respects with all of the stated facts and assumptions made with respect to the Loan Parties in each Insolvency Opinion. Each entity other than a Loan Party with respect to which an assumption is made or a fact stated in an Insolvency Opinion will comply in all material respects with all of the assumptions made and facts stated with respect to it in such Insolvency Opinion.

4.1.10 Location of Records. Borrower shall and shall cause each other Loan Party to keep its chief place of business and chief executive office and the offices where it keeps the Records at the address(es) referred to on *Schedule VII* or upon thirty (30) days' prior written notice to Lender, at any other location in the United States where all actions reasonably requested by Lender to protect and perfect the interests of Lender in the Collateral have been taken and completed.

4.1.11 Business and Operations. Borrower shall and shall cause each other Loan Party to, directly or through the Manager or subcontractors of the Manager (subject to *Section 4.2.1*), continue to engage in the businesses presently conducted by it as and to the extent the same are necessary for the ownership, maintenance, sale, management, leasing and operation of the Properties. Borrower shall and shall cause each other Loan Party to qualify to do business and will remain in good standing under the laws of each jurisdiction as and to the extent the same are required for the ownership, maintenance, management and operation of the Properties, except to the extent that failure to do so would not reasonably be expected to have a Material Adverse Effect. Each Borrower shall, at all times during the term of the Loan, continue to own or lease all equipment, fixtures and personal property which are necessary to operate the Properties.

4.1.12 Leasing Matters. Borrower shall (i) observe and perform the obligations imposed upon the lessor under the Leases for its Properties in a commercially reasonable manner; and (ii) enforce the terms, covenants and conditions contained in such Leases upon the part of the Tenant thereunder to be observed or performed in a commercially reasonable manner except in each case to the extent that the failure to do so would not reasonably be expected to have an Individual Material Adverse Effect with respect to a Property. No Rent may be collected under any Lease for the Properties more than one (1) month in advance of its due date.

4.1.13 Property Management

(a) Borrower shall (i) cause Manager to manage the Properties in accordance with the Management Agreement, (ii) diligently perform and observe all of the terms, covenants

and conditions of the Management Agreement on the part of Borrower to be performed and observed, (iii) promptly notify Lender of any default under the Management Agreement of which it is aware, (iv) promptly deliver to Lender a copy of each financial statement, business plan, capital expenditures plan, report and estimate received by it under the Management Agreement, and (v) promptly enforce the performance and observance of all of the covenants required to be performed and observed by Manager under the Management Agreement in a commercially reasonable manner. If Borrower shall default in the performance or observance of any material term, covenant or condition of the Management Agreement on the part of Borrower to be performed or observed, then, without limiting Lender's other rights or remedies under this Agreement or the other Loan Documents, and without waiving or releasing Borrower from any of its Obligations hereunder or under the Management Agreement, Lender shall have the right, but shall be under no obligation, to pay any sums and to perform any act as may be appropriate to cause all the material terms, covenants and conditions of the Management Agreement on the part of Borrower to be performed or observed. In no event shall the fee payable to Manager for any Interest Period exceed the Management Fee Cap for such Interest Period and in no event shall Borrower pay or become obligated to pay to Manager, any transition or termination costs or expenses, termination fees, or their equivalent in connection with the Transfer of a Property or the termination of the Management Agreement.

(b) If any one or more of the following events occurs: (i) the occurrence of an Event of Default, (ii) Manager shall be in material default under the Management Agreement beyond any applicable notice and cure period (including as a result of any gross negligence, fraud, willful misconduct or misappropriation of funds), or (iii) Manager shall become insolvent or a debtor in any bankruptcy or insolvency proceeding, then Lender shall have the right to require Borrower to replace the Manager and enter into a Replacement Management Agreement with (x) a Qualified Manager selected by Borrower that is not an Affiliate of Borrower or (y) another property manager chosen by Borrower and approved by Lender; *provided*, that such approval shall be conditioned upon Borrower delivering a Rating Agency Confirmation as to such property manager. If Borrower fails to select a new Qualified Manager or a replacement Manager that satisfies the conditions described in the foregoing *clause (y)* and enter into a Replacement Management Agreement with such Person within sixty (60) days of Lender's demand to replace the Manager, then Lender may choose the replacement property manager provided that such replacement property manager is a Qualified Manager or satisfies the conditions set forth in the foregoing *clause (y)*.

4.1.14 Property Files. Borrower will deliver to Lender all Property Files in an electronic format reasonably agreed by Lender and Borrower.

4.1.15 Security Deposits.

(a) All security deposits of Tenants, whether held in cash or any other form, shall be deposited into one or more Eligible Accounts (each, a "*Security Deposit Account*") established and maintained by Borrower at a local bank which shall be an Eligible Institution, held in compliance with all Legal Requirements, and identified on *Schedule XIII*, as such schedule may be updated from time to time by delivery of written notice by the Borrower to the Lender, and shall not be commingled with any other funds of Borrower. Borrower shall cause all security deposits received by Borrower or Manager after the Closing Date to be deposited into a Security Deposit Account, the Collection Account or a Rent Deposit Account within three (3) Business Days of receipt. Borrower shall, no less frequently than once each month, transfer into

a Security Deposit Account any security deposits previously received and deposited into the Collection Account or a Rent Deposit Account. The security deposits shall be disbursed by Borrower in accordance with the terms of the applicable Leases and all Legal Requirements. In the event the Tenant under any Lease defaults such that the applicable security deposit may be drawn upon on account of such default, the proceeds of such draw shall constitute Collections and Borrower shall immediately deposit the proceeds thereof into a Rent Deposit Account or the Collection Account. Borrower shall pay for all expenses of opening and maintaining the Security Deposit Accounts. So long as the Debt is outstanding, except as otherwise provided in this **Section 4.1.15(a)**, Borrower shall not (and shall not permit Manager or any other Person to) open any other accounts for the deposit of security deposits other than the Security Deposit Accounts.

(b) Any bond or other instrument which Borrower is permitted to hold in lieu of cash security deposits under any applicable Legal Requirements (i) shall be maintained in full force and effect in the full amount of such deposits unless replaced by cash deposits as herein above described, (ii) shall be issued by an institution reasonably satisfactory to Lender, (iii) shall, if permitted pursuant to any Legal Requirements, name Lender as payee or mortgagee thereunder (or at Lender's option, be fully assignable to Lender), and (iv) shall in all respects comply with any applicable Legal Requirements and otherwise be satisfactory to Lender. Borrower shall, upon request, provide Lender with evidence reasonably satisfactory to Lender of Borrower's compliance with the foregoing.

(c) (i) Upon Lender's written request following the occurrence and during the continuance of an Event of Default, Borrower shall deliver (or cause to be delivered) to Lender (or Servicer) or to one or more accounts designated by Lender (or Servicer) the security deposits, and (ii) upon a foreclosure of any Property or action in lieu thereof, Borrower shall deliver to Lender (or Servicer) or to an account designated by Lender (or Servicer) the security deposit applicable to the Lease with respect to such Property, except, in each case, to the extent any such security deposits were previously deposited into a Rent Deposit Account or the Collection Account in accordance with **Section 4.1.15(a)** following a default by the Tenant under the applicable Lease. Any security deposits delivered to Lender (or Servicer) pursuant to this **Section 4.1.15(c)** will be held by Lender (or Servicer) for the benefit of the applicable Tenants in accordance with the terms of the Leases and applicable law.

4.1.16 Anti-Money Laundering. Borrower shall and shall cause each other Loan Party to comply in all material respects with all applicable anti-money laundering laws and regulations to the extent applicable, including without limitation, the Patriot Act (collectively, the "**Anti-Money Laundering Laws**") and shall provide notice to Lender, within two (2) Business Days, of any Anti-Money Laundering Law regulatory notice or action involving any Loan Party.

4.1.17 OFAC.

(a) Borrower shall (i) prior to entering into a Lease with a Tenant, confirm that such Tenant (excluding any Tenant who occupied a Property pursuant to an in-place Lease when such Property was acquired by Borrower's Affiliate) is not a Person (A) that is listed in the Annex to, or is otherwise subject to the provisions of EO13224 or (B) whose name appears on OFAC's most current list of "Specifically Designated National and Blocked Persons" (which list may be published from time to time in various mediums including, but not limited to, the OFAC website, <http://www.treas.gov/ofac/downloads/t11sdn.pdf>) and (ii) not enter into a Lease with a Tenant that is listed on either of the lists described in clause (i) hereof.

(b) Notwithstanding the foregoing, if a Responsible Officer of a Loan Party or Manager obtains knowledge that a Tenant is on one of the lists described in **Section 4.1.17(a)**, it shall promptly provide notice of such determination to Lender, within two (2) Business Days.

4.1.18 Cooperate in Legal Proceedings. Borrower shall cooperate fully with Lender with respect to any proceedings before any court, board or other Governmental Authority which may in any way affect the rights of Lender hereunder or any rights obtained by Lender under any of the other Loan Documents and, in connection therewith, permit Lender, at its election, to participate in any such proceedings.

4.1.19 Further Assurances. Borrower shall and shall cause each other Loan Party to, at Borrower's sole cost and expense:

(a) furnish to Lender all instruments, documents, certificates, title and other insurance reports and agreements, and each and every other document, certificate, agreement and instrument required to be furnished by Borrower pursuant to the terms of the Loan Documents or which are reasonably requested by Lender in connection therewith.

(b) cure any defects in the execution and delivery of the Loan Documents and execute and deliver, or cause to be executed and delivered, to Lender such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to correct any omissions in the Loan Documents, to evidence, preserve and/or protect the Collateral at any time securing or intended to secure the Obligations, as Lender may reasonably require; and

(c) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the better and more effective carrying out of the intents and purposes of this Agreement and the other Loan Documents, as Lender may reasonably require from time to time.

4.1.20 Costs and Expenses.

(a) Except as otherwise expressly set forth herein or in any of the other Loan Documents, Borrower shall pay or, if Borrower fails to pay, reimburse Lender upon receipt of notice from Lender, for all costs and expenses (including reasonable attorneys' fees and disbursements) incurred by Lender in connection with (i) the Relevant Parties' ongoing performance of and compliance with Borrower's agreements and covenants contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date, including confirming compliance with environmental and insurance requirements (except to the extent expressly set forth in **Section 10.20**); (ii) Lender's ongoing performance of and compliance with all agreements and covenants contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date (except to the extent expressly set forth in **Section 10.20**); (iii) the negotiation, preparation, execution and delivery of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters requested by any Relevant Party; (iv) filing and recording of any Loan Documents; (v) title insurance, surveys, inspections, Broker Price Opinions and broker opinions of market rent; (vi) the creation, perfection or protection of Lender's Liens in the Collateral (including fees and expenses for title and lien searches, intangibles taxes, personal property taxes, mortgage recording taxes, due diligence expenses,

travel expenses, accounting firm fees, environmental reports and Lender's diligence consultant); (vii) enforcing or preserving any rights in response to third party claims or the prosecuting or defending of any action or proceeding or other litigation, in each case against, under or affecting any Relevant Party, the Loan Documents, any Property, or any other security given for the Loan; (viii) fees charged by Servicer (except to the extent expressly set forth in **Section 10.20**) and, if a Securitization has occurred, the Rating Agencies in connection with the Loan or any modification thereof; and (ix) enforcing any Obligations of or collecting any payments due from any Relevant Party under this Agreement, the other Loan Documents or with respect to any Property or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or of any insolvency or bankruptcy proceedings; *provided, however*, that Borrower shall not be liable for the payment of any such costs and expenses to the extent the same arise by reason of the active gross negligence, illegal acts, fraud or willful misconduct of Lender; provided, further, that this **Section 4.1.20** shall not apply with respect to Taxes other than any Taxes that represent losses or damages arising from any non-Tax claim.

(b) In addition, in connection with any Rating Agency Confirmation, Review Waiver or other Rating Agency consent, approval or review requested or required hereunder (other than the initial review of the Loan by the Rating Agencies in connection with a Securitization), Borrower shall pay all of the costs and expenses of Lender, Servicer and each Rating Agency in connection therewith, and, if applicable, shall pay any fees imposed by any Rating Agency in connection therewith.

(c) Any costs and expenses due and payable by Borrower hereunder which are not paid by Borrower within ten (10) days after demand may be paid from any amounts in the Collection Account, with notice thereof to Borrower. The obligations and liabilities of Borrower under this **Section 4.1.20** shall (i) become part of the Obligations, (ii) be secured by the Loan Documents and (iii) survive the Term and the exercise by Lender of any of its rights or remedies under the Loan Documents.

4.1.21 Indemnity. Borrower shall indemnify, defend and hold harmless Lender from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including the reasonable fees and disbursements of counsel for Lender in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not Lender shall be designated a party thereto), that may be imposed on, incurred by, or asserted against Lender in any manner relating to or arising out of (i) any breach by any Relevant Party of its Obligations under, or any material misrepresentation by Borrower contained in, this Agreement or the other Loan Documents; and (ii) the use or intended use of the proceeds of the Loan (collectively, the "**Indemnified Liabilities**"); *provided, however*, that Borrower shall not have any obligation to Lender hereunder to the extent that such Indemnified Liabilities arise from the gross negligence, illegal acts, fraud or willful misconduct of Lender. To the extent that the undertaking to indemnify, defend and hold harmless set forth in the preceding sentence may be unenforceable because it violates any law or public policy, Borrower shall pay the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Lender.

4.1.22 ERISA Matters. Each Loan Party shall and shall cause each of its ERISA Affiliates to establish, maintain and operate all Plans to comply in all material respects with the

provisions of ERISA, the Code and all applicable laws, the regulations and interpretation thereunder and the respective requirements of the governing documents for such Plans. Each Loan Party shall and shall cause each of its ERISA Affiliates to establish, maintain and operate all Foreign Plans to comply in all material respects with all laws, regulations and rules applicable thereto and the respective requirements of the governing documents for such plans.

Section 4.2 Negative Covenants. Borrower shall comply with the following covenants:

4.2.1 Prohibition Against Termination or Modification. Borrower shall not (i) surrender, terminate, cancel, modify, renew or extend the Management Agreement, *provided*, that Borrower may, without Lender's consent, replace Manager so long as the replacement manager is a Qualified Manager pursuant to a Replacement Management Agreement, (ii) enter into any other agreement relating to the management or operation of a Property with Manager or any other Person, *provided*, that Borrower may permit Manager to enter into sub-management agreements with third-party service providers to perform all or any portion of the services by Manager so long as (x) the fees and charges payable under any such sub-management agreements shall be the sole responsibility of Manager, (y) Borrower shall have no liabilities or obligations under any such sub-management agreements, and (z) any such sub-management agreements will be terminable without penalty upon the termination of the Management Agreement, (iii) consent to the assignment by the Manager of its interest under the Management Agreement, or (iv) waive or release any of its rights and remedies under the Management Agreement, in each case without the express consent of Lender, which consent shall not be unreasonably withheld. If at any time Lender consents to the appointment of a new property manager or a Qualified Manager is appointed, such new property manager (including a Qualified Manager) shall execute a Replacement Management Agreement.

4.2.2 Liens Against Collateral. Borrower shall not and shall cause each other Loan Party not to create or suffer to exist any Liens upon or with respect to, any Collateral except for Liens permitted under the Loan Documents (including, without limitation, Permitted Liens).

4.2.3 Transfers. Borrower acknowledges that Lender has examined and relied on the experience of Borrower and its Affiliates, and their principals in owning and operating properties such as the Properties in agreeing to make the Loan, and will continue to rely on Borrower's ownership of the Properties as a means of maintaining the value of the Properties in connection with the repayment of the Debt and the performance of the Other Obligations. Borrower acknowledges that Lender has a valid interest in maintaining the value of the Properties so as to ensure that, should Borrower default in the repayment of the Debt or the performance of the Other Obligations, Lender can recover the Debt by a sale of the Properties or Borrower's Equity Interests. Therefore, without the prior written consent of Lender, but, in each instance, subject to the provisions of *Article 7*, neither Borrower nor any Loan Party nor any other Person having a direct or indirect ownership or beneficial interest in Borrower or any Loan Party shall sell, convey, mortgage, grant, bargain, encumber, pledge, assign or transfer the Properties or Collateral or any part thereof, or any interest, direct or indirect, in Borrower or any Loan Party, whether voluntarily or involuntarily and whether directly or indirectly, by operation of law or otherwise (a "*Transfer*"). space Tenant thereunder or a sale, assignment or other transfer of, or the grant of a security interest in, Borrower's right, title and interest in and to any Leases or any Rents; (iii) if Borrower, Guarantor or any general partner, managing member or controlling shareholder of Borrower or Guarantor is a corporation, the voluntary or involuntary sale, conveyance or transfer of such corporation's stock (or the stock of any corporation directly or indirectly controlling such corporation by operation of law or otherwise) or the creation or issuance of new stock; (iv) if Borrower, any Loan Party, any Guarantor or any general partner, managing member or controlling shareholder of Borrower, any Loan Party, or any Guarantor is a limited or general partnership, joint venture or limited liability company, the change, removal, resignation or addition of a general partner, managing partner, limited partner, joint venturer or member or the transfer of the partnership interest of any general partner, managing partner or limited partner or the transfer of the interest of any joint venturer or member; and (v) any pledge, hypothecation, assignment, transfer or other encumbrance of any direct or indirect ownership interest in Borrower or any Loan Party.

4.2.4 Change in Business. Borrower shall not enter into any line of business other than the acquisition, renovation, rehabilitation, ownership, management and operation of the Properties (and any businesses ancillary or related thereto), or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business. Except as provided in the Loan Documents, Borrower shall cause (i) Equity Owner to not engage in any activity other than acting as the limited partner of Borrower and the sole member of Borrower GP, (ii) Borrower GP to not engage in any activity other than acting as the sole general partner of Borrower and (iii) Equity Owner GP to not engage in any activity other than acting as the sole general partner of Equity Owner.

4.2.5 Changes to Accounts. Borrower shall not and shall cause each other Loan Party not to (i) open or permit to remain open any cash, securities or other account with any bank, custodian or institution other than the Collection Account, the Accounts, the Security Deposit Accounts and Property Accounts that are subject to a Property Account Control Agreement, (ii) change or permit to change any account number of the Collection Account, the Accounts or any Property Account, (iii) open or permit to remain open any sub-account of the Collection Account (except any Account), the Accounts or any Property Account, (iv) permit any funds of Persons other than Borrower to be deposited or held in any of the Collection Account, the Accounts or the Property Accounts or (v) permit any Collections or other proceeds of any Properties to be deposited or held in Borrower's Operating Account other than cash that is distributed to Borrower pursuant to **Section 6.8.1(i)** .

4.2.6 Dissolution, Merger, Consolidation, Etc Borrower shall not and shall cause each other Loan Party not to (i) engage in any dissolution, liquidation or consolidation or merger with or into any other business entity, (ii) engage in any business activity other than the business activity of such Loan Party described on **Schedule IV** or otherwise herein, (iii) transfer, lease or sell, in one transaction or any combination of transactions, the assets or all or substantially all of the properties or assets of any Loan Party except to the extent permitted by the Loan Documents, (iv) modify, amend, waive or terminate its Constituent Documents or its qualification and good standing in any jurisdiction or (v) cause or permit any SPC Party to (x) dissolve, wind up or liquidate or take any action, or omit to take an action, as a result of which such SPC Party would be dissolved, wound up or liquidated in whole or in part, or (y) amend, modify, waive or terminate the Constituent Documents of such SPC Party, in each case, without obtaining the prior written consent of Lender.

4.2.7 ERISA Matters. None of the Loan Parties or their ERISA Affiliates shall establish or be a party to any employee benefit plan within the meaning of Section 3(2) of ERISA that is a defined benefit pension plan that is subject to Part III of Subchapter D, Chapter 1, Subtitle A of the Code.

4.2.8 Indebtedness. Borrower shall not create, incur, assume or suffer to exist any indebtedness other than (i) the Debt and (ii) unsecured trade payables incurred in the ordinary course of business relating to the ownership and operation of the Properties, which in the case of such unsecured trade payables (A) are not evidenced by a note, (B) do not exceed, at any time, a maximum aggregate amount of three percent (3%) of the original principal amount of the Loan and (C) are paid within sixty (60) days of the date incurred (collectively, “**Permitted Indebtedness**”). Borrower shall cause each Guarantor and each other SPC Party not to create, incur, assume or suffer to exist any indebtedness other than indebtedness incurred under the Equity Owner Guaranty, the Borrower GP Guaranty, this Agreement and the other Loan Documents to which Guarantors are a party and unsecured trade payables incurred in the ordinary course of business related to the ownership of (x) with respect to Equity Owner, its limited partnership interest in Borrower and limited liability company interest in Borrower GP, (y) with respect to Borrower GP, its general partnership interest in Borrower and (z) with respect to Equity Owner GP, its general partnership interest in Equity Owner, in each case (A) do not exceed at any one time \$10,000.00, and (B) are paid within sixty (60) days after the date incurred (collectively, the “**Guarantor’s Permitted Indebtedness**”). Nothing contained herein shall be deemed to require Borrower or Guarantor to pay any unsecured trade payables so long as such Borrower or Guarantor, as applicable, is in good faith at its own expense, and by proper legal proceedings, diligently contesting the validity, amount or application thereof, provided that in each case, at the time of commencement of any such action or proceeding, and during the pendency of such action or proceeding (1) no Event of Default is continuing, (2) no Property nor any material part thereof or interest therein will be in danger of being sold, forfeited, terminated, cancelled or lost and (3) such contest operates to suspend collection or enforcement, as the case may be, of the contested amount.

4.2.9 Limitation on Transactions with Affiliates. Certified copies of the Policies shall be delivered to Lender at the address below (or to such other address or Person as Lender shall designate from time to time by notice to Borrower) on the date hereof with respect to the current Policies and within thirty (30) days after the effective date thereof with respect to all renewal Policies:

5.1.3 Special Insurance Reserve. Any Insurance Proceeds in connection with any Casualty (whether or not Lender elects to settle and adjust the claim or Borrower settles such claim) shall be due and payable solely to Lender and held by Lender in accordance with the terms of this Agreement. If Borrower or any party other than Lender receives any Insurance Proceeds or Condemnation Proceeds, Borrower shall immediately deliver such proceeds to Lender and shall endorse, and cause all such third parties to endorse, check payable therefor to the order of Lender. Borrower hereby irrevocably appoints Lender as its attorney-in-fact, coupled with an interest, to endorse any such check payable to the order of Lender. Borrower hereby releases Lender from any and all liability with respect to the settlement and adjustment by Lender of any claims in respect of any Casualty.

Lender may participate in any such proceedings, and Borrower shall from time to time deliver to Lender all instruments requested by it to permit such participation. Borrower shall, at its expense, diligently prosecute any such proceedings, and shall consult with Lender, its attorneys and experts, and cooperate with them in the carrying on or defense of any such proceedings which is reasonably expected to involve an Award of an amount greater than the Casualty Threshold Amount. Notwithstanding any taking by any public or quasi-public authority through Condemnation or otherwise (including, but not limited to, any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement and the Debt shall not be reduced until any Condemnation Proceeds shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or

discharge of the Debt. If Borrower or any party other than Lender receives any Condemnation Proceeds, Borrower shall immediately deliver such proceeds to Lender and shall endorse, and cause all such third parties to endorse, a check payable therefore to the order of Lender. Lender shall not be limited to the interest paid on the Award by the condemning authority but shall be entitled to receive out of the Award interest at the rate or rates provided herein or in the Note. Net Proceeds from a Condemnation shall be applied as follows:

(a) If a partial Condemnation of a Property does not interfere with the use of such Property as a residential rental property, then the Net Proceeds paid by the condemning authority shall be applied to the prepayment of the Debt in accordance with **Section 2.4.3(c)**.

(b) If a partial Condemnation of a Property does interfere with the use of such Property as a residential rental property or if there occurs a complete Condemnation of a Property (each, a “**Fully Condemned Property**”), then (i) if no Event of Default shall have occurred and be continuing and, within thirty (30) days of the date of the occurrence of such Condemnation, Borrower delivers to Lender a written undertaking to substitute the Fully Condemned Property with a Substitute Property in accordance with the requirements of **Section 2.4.3(a)**, then (A) if Net Proceeds are paid by the condemning authority directly to Borrower subsequent to such substitution, such Net Proceeds may be retained by Borrower (for the avoidance of doubt, Net Proceeds received by Borrower prior to such substitution shall be immediately paid to Lender as required by **Section 5.2**), (B) if Net Proceeds are paid by the condemning authority to Lender, such Net Proceeds will be disbursed by Lender to Borrower upon the consummation of such substitution and (C) Borrower shall provide a Substitute Property within ten (10) Business Days of the date of such undertaking in accordance with the requirements of **Section 2.4.3(a)** and (ii) if an Event of Default shall have occurred and be continuing or Borrower fails to deliver such an undertaking to Lender, then (A) Lender may retain any Net Proceeds received by it, (B) Borrower shall immediately deliver to Lender any Net Proceeds paid to Borrower, (C) Net Proceeds shall be applied to the prepayment of the Debt in accordance with **Section 2.4.3(c)** and (D) Borrower shall prepay the Loan in an amount equal to the positive difference between such Net Proceeds and the Allocated Loan Amount for the Fully Condemned Property, together with all interest and other amounts required to be paid in connection therewith under **Section 2.4.5** (collectively, the “**Fully Condemned Property Prepayment Amounts**”). Following Borrower’s written request after either (1) the substitution of a Substitute Property for such Fully Condemned Property in accordance with the conditions set forth above or (2) receipt by Lender of the Net Proceeds and payment by Borrower of the Fully Condemned Property Prepayment Amounts, Lender shall release the Fully Condemned Property from the applicable Mortgage Documents and related Lien, provided, that (x) Borrower has delivered to Lender a draft release (and, in the event the Mortgage and the Assignment of Leases and Rents applicable to the Fully Condemned Property encumbers other Property(ies) in addition to the Fully Condemned Property, such release shall be a partial release that relates only to the Fully Condemned Property and does not affect the Liens and security interests encumbering or on the other Property(ies)) in form and substance appropriate for the jurisdiction in which such Fully Condemned Property is located and shall contain standard provisions protecting the rights of Lender and (y) Borrower shall pay all costs, taxes and expenses associated with such release (including, without limitation, cost to file and record the release and Lender’s reasonable attorneys’ fees).

(c) If Borrower elects to undertake the Restoration a Property or Properties pursuant to **Section 5.4(a)**, (i) Borrower shall commence the Restoration as soon as reasonably practicable (but in no event later than ninety (90) days after such Casualty occurs) and shall diligently pursue the same to satisfactory completion; (ii) Borrower shall cause the affected Property and the use thereof after the Restoration to be in compliance with and permitted under all applicable Legal Requirements and such Property, after Restoration, shall be of the same character as prior to such damage or destruction; (iii) the Restoration shall be done and completed by Borrower in an expeditious and diligent fashion and in compliance with all applicable Legal Requirements and the Renovation Standards and (iv) Borrower shall deliver, or cause to be delivered, to Lender a signed detailed budget approved in writing by Borrower's architect or engineer stating the entire cost of completing the Restoration, which budget shall be reasonably acceptable to Lender.

The Casualty Retainage shall not be released until the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this **Section 5.4(b)** and that all approvals necessary for the re-occupancy

and use of the Property have been obtained from all appropriate Governmental Authorities, and Lender receives evidence satisfactory to Lender that the costs of the Restoration have been paid in full or will be paid in full out of the Casualty Retainage; provided, however, that Lender will release the portion of the Casualty Retainage being held with respect to any contractor, subcontractor or materialman engaged in the Restoration as of the date upon which (x) the Casualty Consultant certifies to Lender that such contractor, subcontractor or materialman has satisfactorily completed all work and has supplied all materials in accordance with the provisions of such contractor's, subcontractor's or materialman's contract, (y) the contractor, subcontractor or materialman delivers the lien waivers and evidence of payment in full of all sums due to the contractor, subcontractor or materialman as may be reasonably requested by Lender or by the title company issuing the Title Insurance Policy, and (z) Lender receives an endorsement to the Title Insurance Policy insuring the continued priority of the Lien of the Mortgage and evidence of payment of any premium payable for such endorsement. If required by Lender, the release of any such portion of the Casualty Retainage shall be approved by the surety company, if any, which has issued a payment or performance bond with respect to the contractor, subcontractor or materialman.

(v) Lender shall not be obligated to make disbursements of the Net Proceeds more frequently than once every calendar month.

(vi) If at any time the Net Proceeds or the undisbursed balance thereof shall not, in the opinion of Lender in consultation with the Casualty Consultant, be sufficient to pay in full the balance of the costs which are estimated by the Casualty Consultant to be incurred in connection with the completion of the Restoration, Borrower shall deposit the deficiency (the "**Net Proceeds Deficiency**") with Lender (for deposit into the Casualty and Condemnation Account) before any further disbursement of the Net Proceeds shall be made. The Net Proceeds Deficiency deposited with Lender shall be deposited by Lender into the Casualty and Condemnation Account and shall be disbursed for costs actually incurred in connection with the Restoration on the same conditions applicable to the disbursement of the Net Proceeds, and until so disbursed pursuant to this **Section 5.4(d)** shall constitute additional security for the Obligations.

(vii) The excess, if any, of the Net Proceeds and the remaining balance, if any, of the Net Proceeds Deficiency deposited with Lender after the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this **Section 5.4(d)**, and the receipt by Lender of evidence satisfactory to Lender that all costs incurred in connection with the Restoration have been paid in full, shall be remitted by Lender to Borrower, provided no Event of Default shall have occurred and shall be continuing.

(e) All reasonable out-of-pocket costs and expenses incurred by Lender in connection with any Restoration including, without limitation, reasonable attorneys' fees and disbursements, shall be paid by Borrower.

(f) Notwithstanding anything to the contrary set forth in this Agreement, including the provisions of **Section 5.3** or **Section 5.4**, if the Loan is included in a REMIC Trust and, immediately following a release of any portion of the Lien of a Mortgage following a Casualty or Condemnation of a Property (but taking into account any proposed Restoration of the

remaining portion of such Property), the ratio of the unpaid principal balance of the Loan to the value of the remaining Properties is greater than 125% (such value to be determined, in Lender's sole discretion, by any commercially reasonable method permitted to a REMIC Trust; and which shall exclude the value of personal property (other than fixtures) or going concern value, if any), the Outstanding Principal Balance must be paid down (by application of the Net Proceeds or Award, as applicable, or if such amounts are not sufficient, by Borrower) by a "qualified amount" as that term is defined in the IRS Revenue Procedure 2010-30, as the same may be amended, replaced, supplemented or modified from time to time, unless Lender receives an opinion of counsel that if such amount is not paid, the applicable Securitization will not fail to maintain its status as a REMIC Trust as a result of the related release of such portion of the Lien of such Mortgage. If and to the extent the preceding sentence applies, only such amount of the net Award or net Insurance Proceeds (as applicable), if any, in excess of the amount required to pay down the principal balance of the Loan may be released for purposes of Restoration or released to Borrower as otherwise expressly provided in **Section 5.3** or **Section 5.4**.

(g) In the event of foreclosure of a Mortgage, or other transfer of title to a Property or Properties in extinguishment in whole or in part of the Debt all right, title and interest of Borrower in and to the Policies that are not blanket Policies then in force concerning such Property or Properties and all proceeds payable thereunder shall thereupon vest in the purchaser at such foreclosure or Lender or other transferee in the event of such other transfer of title.

The Rent Deposit Accounts shall be subject to a Property Account Control Agreement and Borrower and Manager shall have access to and may make withdrawals from any Rent Deposit Account for the sole purpose of making refunds of partial payments of Rents to preserve rights of eviction (as provided below) until the occurrence of an Event of Default, after which Lender may exercise sole control and dominion over each Rent Deposit Account and neither Borrower nor Manager shall have the right of withdrawal from or access to the Rent Deposit Accounts; *provided* that, for the avoidance of doubt, no Property Account Control Agreement shall be required with respect to Security Deposit Accounts. Borrower shall cause all Rents which are paid to or received by Borrower or Manager to be deposited into a Rent Deposit Account or the Collection Account, provided that all Rents are deposited into the Collection Account within three (3) Business Days after receipt thereof by Borrower or Manager. Borrower shall (or instruct Manager to) cause all funds on deposit in a Rent Deposit Account to be deposited into the Collection Account every third (3rd) Business Day (or more frequently in Borrower's discretion), *provided*, that so long as no Event of Default exists, Borrower may cause Rent Deposit Bank to retain a reasonable amount of funds in the Rent Deposit Accounts (the "**Rent Deposit Account Retained Amount**") with respect to anticipated overdrafts, charge-backs and refunds of partial payments of Rents to preserve rights of eviction, provided in no event shall the Rent Deposit Account Retained Amount exceed 2.5% of the total Rents deposited into the Rent Deposit

In addition, Borrower shall, and shall cause Manager to, deposit any other Collections received by or on behalf of Borrower directly into the Collection Account within three (3) Business Days following receipt thereof. Without in any way limiting the foregoing, any Rents and other Collections received by Borrower or Manager shall be deemed to be collateral for the Obligations and shall be held in trust for the benefit, and as the property, of Lender, and such amounts shall not be commingled with any other funds or property of Borrower or Manager. The Collection Account and all other Accounts shall be subject to the Blocked Account Control Agreement and shall be under the sole control and dominion of Lender, and Borrower shall have no right of withdrawal therefrom. Neither Borrower nor Manager shall have the right of withdrawal with respect to the Collection Account or any Accounts except with the prior written consent of Lender, and neither Borrower, Manager, nor any Person claiming on or behalf of or through Borrower or Manager shall have any right or authority to give instructions with respect to the Collection Account or the Accounts. Borrower's Operating Account (and any subaccounts thereof) shall be subject to a Property Account Control Agreement in which Borrower and Manager shall have access to and may make withdrawals from Borrower's Operating Account until the occurrence of an Event of Default, after which Lender may exercise sole control and dominion over Borrower's Operating Account (and any subaccounts thereof) and neither Borrower nor Manager shall have the right of withdrawal from or access to Borrower's Operating Account (and any subaccounts thereof).

This Agreement is, among other things, intended by the parties to be a security agreement for purposes of the UCC. Upon the occurrence and during the continuance of an Event of Default, Lender may apply any sums in any Cash Management Account in any order and in any manner as Lender shall elect in Lender’s discretion without seeking the appointment of a receiver and without adversely affecting the rights of Lender to foreclose the Lien of any Mortgage Documents, Borrower Security Agreement or exercise its other rights under any other Loan Documents. the Collection Account or any Account (other than the Tax Account and the Insurance Account) shall accrue for the benefit of Borrower and shall be taxable to Borrower and shall be added to and disbursed in the same manner and under the same conditions as the principal sum on which said interest accrued. Upon repayment in full of the Debt, all remaining funds in the Collection Account and the Accounts, if any, shall be promptly disbursed to Borrower.

Section 8.2 Remedies .

8.2.1 Acceleration . Upon the occurrence of an Event of Default (other than an Event of Default described in *clauses (vii), (viii) or (ix) of Section 8.1*) and at any time thereafter, Lender may, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, take such action, without notice or demand (and Borrower hereby expressly waives any such notice or demand), that Lender deems advisable to protect and enforce its rights against any Relevant Party and in and to the Properties, including declaring the Obligations to be immediately due and payable, and Lender may enforce or avail itself of any or all rights or remedies provided in the Loan Documents against the Relevant Parties, including all rights or remedies available at law or in equity; and upon any Event of Default described in *clauses (vii), (viii) or (ix) of Section 8.1*, the Obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable in full, without notice or demand, and the Loan Parties hereby expressly waives any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding.

8.2.2 Remedies Cumulative .

(a) During the continuance of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to Lender against each Relevant Party under this Agreement or any of the other Loan Documents executed and delivered by, or

applicable to, a Relevant Party or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Obligations shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to the Collateral. The rights, powers and remedies of Lender under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against a Relevant Party pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued independently, singly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law or contract or as set forth herein or in the other Loan Documents or by equity. Without limiting the generality of the foregoing, if an Event of Default is continuing (i) Lender shall not be subject to any "one action" or "election of remedies" law or rule, and (ii) all Liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Properties and the other Collateral and each Mortgage has been foreclosed, sold and/or otherwise realized upon in satisfaction of the Obligations or the Obligations have been paid in full including, without limitation, any liquidation fees, workout fees, special servicing fees and interest payable on advances made by the Servicer with respect to delinquent debt service payments or expenses of curing Borrower's or any Loan Party's defaults under the Loan Documents or other similar fees payable to Servicer or any special servicer in connection therewith. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to a Relevant Party shall not be construed to be a waiver of any subsequent Default or Event of Default by such Relevant Party or to impair any remedy, right or power consequent thereon.

(b) With respect to Borrower, the other Loan Parties and the Collateral, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to any Property or other portion of the Collateral for the satisfaction of any of the Debt in preference or priority to any other portion of the Collateral, and Lender may seek satisfaction out of all of the Collateral or any part thereof, in its absolute discretion in respect of the Debt. During the continuance of an Event of Default, Lender shall have the right from time to time to partially foreclose any Mortgage or the Lien of any of the other Collateral Documents in any manner and for any amounts secured by the Collateral Documents then due and payable as determined by Lender in its sole discretion, including the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal and interest, Lender may foreclose one or more of the Mortgages or other Collateral Documents to recover such delinquent payments, or (ii) in the event Lender elects to accelerate less than the entire Outstanding Principal Balance, Lender may foreclose one or more of the Mortgages or other Collateral Documents to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by the Mortgages and the other Collateral Documents as Lender may elect. Notwithstanding one or more partial foreclosures, the Collateral shall remain subject to the Mortgages and the other Collateral Documents to secure payment of the sums secured by the Collateral Documents and not previously recovered.

8.2.3 Severance.

(b) During the continuance of an Event of Default, Lender shall have the right from time to time to sever the Note and the other Loan Documents into one or more separate notes, Collateral Documents and other security documents in such denominations as Lender shall determine in its sole discretion for purposes of evidencing and enforcing its rights and remedies provided hereunder. The Loan Parties shall execute and deliver to Lender from time to time, promptly after the request of Lender, a severance agreement and such other documents as Lender shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Lender. The Loan Parties hereby absolutely and irrevocably appoint Lender as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect the aforesaid severance, Borrower ratifying all that its said attorney shall do by virtue thereof; *provided, however*, Lender shall not make or execute any such documents under such power until three (3) days after notice has been given to a Loan Party by Lender of Lender's intent to exercise its rights under such power.

(c) During the continuance of an Event of Default, any amounts recovered from the Collateral may be applied by Lender toward the payment of any interest and/or principal of the Loan and/or any other amounts due under the Loan Documents, in such order, priority and proportions as Lender in its sole discretion shall determine.

(d) As used in this **Section 8.2**, a "foreclosure" shall include, without limitation, any sale by power of sale.

8.2.4 Lender's Right to Perform. If any Loan Party fails to perform any covenant or obligation contained herein and such failure shall continue for a period of five (5) Business Days after Borrower's receipt of written notice thereof from Lender, without in any way limiting Lender's right to exercise any of its rights, powers or remedies as provided hereunder, or under any of the other Loan Documents, Lender may, but shall have no obligation to, perform, or cause the performance of, such covenant or obligation, and all costs, expenses, liabilities, penalties and fines of Lender incurred or paid in connection therewith shall be payable by Borrower to Lender upon demand and if not paid shall be added to the Obligations (and to the extent permitted under applicable laws, secured by the Mortgages and the other Collateral Documents) and shall bear interest thereafter at the Default Rate. Notwithstanding the foregoing, Lender shall have no obligation to send notice to Borrower of any such failure.

ARTICLE 9

(a) Lender shall have the right (i) to sell or otherwise transfer the Loan or any portion thereof as a whole loan, (ii) to sell participation interests in the Loan, or (iii) to securitize the Loan or any portion thereof in a single asset securitization or a pooled loan securitization. (The transactions referred to in **clauses (i)**, **(ii)** and **(iii)** are each hereinafter referred to as a "**Secondary Market Transaction**" and the transactions referred to in **clause (iii)** shall hereinafter be referred to as a "**Securitization**". Any certificates, notes or other securities issued in

connection with a Secondary Market Transaction are hereinafter referred to as “*Securities*”). At Lender’s election, each note and/or component comprising the Loan may be subject to one or more Secondary Market Transactions.

(b) If requested by Lender, the Loan Parties shall use reasonable efforts to provide information in the possession or control of Borrower or its Affiliates, attorneys, accountants or other agents or which may be reasonably required by Lender in order to satisfy the market standards to which Lender customarily adheres or which may be required in the marketplace, by prospective investors, the Rating Agencies, applicable Legal Requirements and/or otherwise in the marketplace in connection with any Secondary Market Transactions, including to:

(i) (A) provide updated financial and other information with respect to the Properties, the business operated at the Properties, Borrower, Sponsor and the Manager, including, without limitation, the information set forth on **Exhibit C** attached hereto, and (B) provide updated budgets and other information (to extent required by investors or Rating Agencies) relating to the Properties (the “*Updated Information*”) which were obtained in connection with the origination of the Loan;

(ii) provide (A) an updated Insolvency Opinion, and (B) updated opinions of Borrower’s and Guarantor’s New York and Delaware counsel, substantially the same as those delivered as of the Closing Date, which opinions shall be addressed, for purposes or reliance thereon, to each Person acquiring any interest in the Loan in connection with any Secondary Market Transaction (including, without limitation, any “B Note” purchasers), or otherwise reasonably satisfactory to Lender and the Rating Agencies;

(iii) (A) confirm that as of the closing date of any Secondary Market Transaction, the representations and warranties as set forth in the Loan Documents are true, complete and correct in all material respects as of the closing date of the Secondary Market Transaction (except to the extent that any such representations and warranties are and can only be made as of a specific date and the facts and circumstances upon which such representation and warranty is based are specific solely to a certain date in which case confirmation as to truth, completeness and correctness shall be provided as of such specific date or to the extent such representations are no longer true and correct as a result of subsequent events in which case Borrower shall provide an updated representation or warranty) and (B) make such additional representations and warranties as the Rating Agencies may customarily require; and

(iv) execute amendments to the Loan Documents and the Loan Parties’ organizational documents requested by Lender; *provided*, *however*, that Borrower shall not be required to modify or amend any Loan Document if such modification or amendment would (A) cause the initial weighted average of the interest rates for all Components in the aggregate immediately after the effective date of such modification to exceed the weighted average interest rate of the original Components in the aggregate immediately prior to such modification, (B) cause the outstanding principal balance of all Components in the aggregate immediately after the effective date of such modification to exceed the outstanding principal balance of all Components in the aggregate immediately prior to such modification, (C) require Borrower to make or remake any representations

or warranties, (D) require principal amortization of the Loan (other than repayment in full on the Maturity Date), (E) change any Stated Maturity Date or (F) otherwise increase the obligations or reduce the rights of Borrower or Guarantor under the Loan Documents.

(c) If, at the time a Disclosure Document is being prepared for a Securitization, Lender reasonably determines that Borrower alone or Borrower and one or more Affiliates of Borrower (including any guarantor or other Person that is directly or indirectly committed by contract or otherwise to make payments on all or a part of the Loan) collectively, or the Properties alone or the Properties and Related Properties collectively, will be a Significant Obligor, Borrower shall furnish to Lender upon request the following financial information:

(i) if Lender reasonably determines that the principal amount of the Loan together with any Related Loans, as of the cut-off date for such Securitization, may equal or exceed ten percent (10%) (but less than twenty percent (20%)) of the aggregate principal amount of all mortgage loans included or expected to be included in the Securitization, net operating income for the Properties and the Related Properties for the most recent Fiscal Year and interim period as required under Item 1112(b)(1) of Regulation AB (or, if the Loan is not treated as a non-recourse loan under Instruction 3 for Item 1101(k) of Regulation AB, selected financial data meeting the requirements and covering the time periods specified in Item 301 of Regulation S-K and Item 1112(b)(1) of Regulation AB), or

(ii) if Lender reasonably determines that the principal amount of the Loan together with any Related Loans, as of the cut-off date for such Securitization, may equal or exceed twenty percent (20%) of the aggregate principal amount of all mortgage loans included or expected to be included in the Securitization, the financial statements required under Item 1112(b)(2) of Regulation AB (which includes, but may not be limited to, a balance sheet with respect to the entity that Lender determines to be a Significant Obligor for the two most recent Fiscal Years and applicable interim periods, meeting the requirements of Rule 3-01 of Regulation S-X, and statements of income and statements of cash flows with respect to the Properties for the three most recent Fiscal Years and applicable interim periods, meeting the requirements of Rule 3-02 of Regulation S-X (or if Lender determines that the Properties is the Significant Obligor and the Properties (other than properties that are hotels, nursing homes, or other properties that would be deemed to constitute a business and not real estate under Regulation S-X or other legal requirements) was acquired from an unaffiliated third party and the other conditions set forth in Rule 3-14 of Regulation S-X have been met, the financial statements required by Rule 3-14 of Regulation S-X)).

(d) Further, if requested by Lender, Borrower shall, promptly upon Lender's request, furnish to Lender financial data or financial statements meeting the requirements of Item 1112(b)(1) or (2) of Regulation AB, as specified by Lender, for any Tenant of the Properties if, in connection with a Securitization, Lender reasonably determines there to be, as of the cutoff date for such Securitization, a concentration with respect to such Tenant or group of Affiliated Tenants within all of the mortgage loans included or expected to be included in the Securitization such that such Tenant or group of Affiliated Tenants would constitute a Significant Obligor. Borrower shall furnish to Lender, in connection with the preparation of the Disclosure Documents and on an ongoing basis, financial data and/or financial statements with respect to such Tenants meeting the requirements of Item 1112(b)(1) or (2) of Regulation AB, as specified

by Lender, but only for so long as such entity or entities are a Significant Obligor and either (x) filings pursuant to the Exchange Act in connection with or relating to the Securitization (an “**Exchange Act Filing**”) are required to be made under applicable Legal Requirements or (y) comparable information is required to otherwise be “available” to holders of the Securities under Regulation AB or applicable Legal Requirements.

(e) If Lender determines that Borrower alone or Borrower and one or more Affiliates of Borrower collectively, or the Properties alone or the Properties and Related Properties collectively, are a Significant Obligor, then Borrower shall furnish to Lender, on an ongoing basis, selected financial data or financial statements meeting the requirements of Item 1112(b)(1) or (2) of Regulation AB, as specified by Lender, but only for so long as such entity or entities are a Significant Obligor and either (x) Exchange Act Filings are required to be made under applicable Legal Requirements or (y) comparable information is required to otherwise be “available” to holders of the Securities under Regulation AB or applicable Legal Requirements.

(f) If reasonably requested by Lender, Borrower shall provide Lender, within a reasonable period of time following Lender’s request therefor, with any other or additional financial statements, or financial, statistical or operating information, as Lender shall reasonably determine to be required pursuant to Regulation S-K or Regulation S-X, as applicable, Regulation AB, or any amendment, modification or replacement thereto or other Legal Requirements relating to a Securitization or as shall otherwise be reasonably requested by Lender.

Section 9.2 Securitization Indemnification .

(a) Borrower understands that information provided to Lender by Borrower, the Guarantors and their respective agents, counsel and representatives may be included in preliminary and final disclosure documents in connection with any Secondary Market Transaction, including a Securitization, including an offering circular, a prospectus, prospectus supplement, private placement memorandum or other offering document (each, a “**Disclosure Document**”) and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the “**Securities Act**”), or the Securities and Exchange Act of 1934, as amended (the “**Exchange Act**”), and may be made available to investors or prospective investors in the Securities, investment banking firms, NRSROs, accounting firms, law firms and other third-party advisory and service providers relating to any Secondary Market Transaction, including a Securitization. Borrower also understands that the findings and conclusions of any third-party due diligence report obtained by Lender, the Issuer or the Securitization placement agent or underwriter may be made publicly available if required, and in the manner prescribed, by Section 15E(s)(4)(A) of the Exchange Act and any rules promulgated thereunder.

(b) Borrower hereby agrees to indemnify Lender (and for purposes of this **Section 9.2**, Lender shall include the initial lender, its successors and assigns, and their respective officers and directors) and each Person who controls Lender within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the “**Lender Group**”), the issuer of the Securities (the “**Issuer**”) and for purposes of this **Section 9.2**, Issuer shall include its officers, director and each Person who controls the Issuer within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act), and any placement agent or underwriter with respect to the Securitization, each of their respective officers and directors and

each Person who controls the placement agent or underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the “**Underwriter Group**”) for any losses, claims, damages or liabilities (collectively, the “**Liabilities**”) to which Lender, Lender Group, the Issuer or the Underwriter Group may become subject insofar as the Liabilities arise out of, or are based upon, (A) any untrue statement or alleged untrue statement of any material fact contained in the Covered Disclosure Information (defined below), (B) the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated in such information or necessary in order to make the statements in such information, in light of the circumstances under which they were made, not misleading, or (C) a breach of the representations and warranties made by any Loan Party in **Section 3.1.24** of this Agreement (Full and Accurate Disclosure). For purposes of the foregoing, the “**Covered Disclosure Information**” shall mean the information provided by or on behalf of Borrower relating to Borrower, Guarantor, Manager, Sponsor, the Properties and the Loan which is contained in the sections of the Disclosure Documents entitled as follows, or comparable sections thereto: “Summary of the Offering Circular,” “Risk Factors,” “Description of the Relevant Parties and the Manager,” “Description of the Properties,” “Description of the Management Agreement and the Assignment and Subordination of Management Agreement,” “Description of the Loan,” and “Certain Legal Aspects of the Loan”, which Disclosure Documents shall be delivered for review and comment by Borrower not less than five (5) Business Days prior to the date upon which Borrower is otherwise required to confirm such Disclosure Documents. Borrower also agrees to reimburse Lender, Lender Group, the Issuer and/or the Underwriter Group for any legal or other expenses reasonably incurred by Lender, Lender Group, the Issuer and/or the Underwriter Group in connection with investigating or defending the Liabilities. This indemnification provision will be in addition to any liability which Borrower may otherwise have.

(c) In connection with any Exchange Act Filing or other reports containing comparable information that is required to be made “available” to holders of the Securities under Regulation AB or applicable Legal Requirements, Borrower agrees to (i) indemnify Lender, Lender Group, the Issuer and the Underwriter Group for Liabilities to which Lender, Lender Group, the Issuer and/or the Underwriter Group may become subject insofar as the Liabilities arise out of, or are based upon any untrue statement or alleged untrue statement of any material fact in the Covered Disclosure Information, or the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading, and (ii) reimburse Lender, Lender Group, the Issuer and/or the Underwriter Group for any legal or other expenses reasonably incurred by Lender, Lender Group, the Issuer and/or the Underwriter Group in connection with defending or investigating the Liabilities.

(d) Promptly after receipt by an indemnified party under this **Section 9.2** of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this **Section 9.2**, notify the indemnifying party in writing of the commencement thereof, but the omission to so notify the indemnifying party will not relieve the indemnifying party from any liability which the indemnifying party may have to any indemnified party under **Section 9.2(b)** or **(c)** except to the extent that failure to notify causes prejudice to the indemnifying party. In the event that any action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled, jointly with any other

indemnifying party, to participate therein and, to the extent that it (or they) may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel satisfactory to such indemnified party. After notice from the indemnifying party to such indemnified party pursuant to the immediately preceding sentence of this **Section 9.2(d)**, such indemnifying party shall pay for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation; *provided, however*, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there are any legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party at the cost of the indemnifying party. The indemnifying party shall not be liable for the expenses of more than one separate counsel unless an indemnified party shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to the indemnifying party. Without the prior written consent of Lender (which consent shall not be unreasonably withheld or delayed), no indemnifying party shall settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought hereunder (whether or not any indemnified party is an actual or potential party to such claim, action, suit or proceeding) unless the indemnifying party shall have given Lender reasonable prior written notice thereof and shall have obtained an unconditional release of each indemnified party hereunder from all liability arising out of such claim, action, suit or proceedings, and such settlement requires no statement as to, or an admission of, fault, culpability or a failure to act, by or on behalf of the indemnified party.

(e) In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in **Section 9.2(b)** or **(c)** is for any reason held to be unenforceable as to an indemnified party in respect of any Liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under **Section 9.2(b)** or **(c)**, the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such Liabilities (or action in respect thereof); *provided, however*, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) the Issuer's and Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; and (iii) any other equitable considerations appropriate in the circumstances. Lender and Borrower hereby agree that it would not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.

(f) The liabilities and obligations of both Borrower and Lender under this **Section 9.2** shall survive the termination of this Agreement and the satisfaction and discharge of the Debt.

Section 9.3 Severance.

9.3.1 Severance Documentation. Lender, without in any way limiting Lender's other rights hereunder, in its sole and absolute discretion, shall have the right, at any time (whether prior to or after any sale, participation or other Secondary Market Transaction with respect to all or any portion of the Loan), to require Borrower (at Lender's expense) to execute and deliver "component" notes (including certificating existing uncertificated "component" notes) and/or modify the Loan or the existing "component note" structure in order to create one or more senior and subordinate notes (i.e., an A/B or A/B/C structure) and/or one or more additional components of the Note or Notes), or make any other change to the Loan the Note or Components including but not limited to: reducing the number of Components of the Note or Notes, revising the interest rate for each Component, reallocating the principal balances of the Notes and/or the Components, increasing or decreasing the monthly debt service payments for each Component or eliminating the Component structure and/or the multiple note structure of the Loan (including the elimination of the related allocations of principal and interest payments); *provided* that (A) the outstanding principal balance of all Components in the aggregate immediately after the effective date of such modification equals the outstanding principal balance immediately prior to such modification, (B) the initial weighted average of the interest rates for all Components in the aggregate immediately after the effective date of such modification equals the weighted average interest rate of the original Components immediately prior to such modification, (C) no principal amortization of the Loan (or any Components thereof) shall be required (other than repayment in full on the Maturity Date), (D) there shall be no change to any Stated Maturity Date and (E) Borrower and Guarantor shall not be required to amend any Loan Documents that would otherwise increase the obligations or reduce the rights of Borrower or Guarantor under the Loan Documents. At Lender's election, each note comprising the Loan may be subject to one or more Secondary Market Transactions. Lender shall have the right to modify the Note and/or Notes and any Components in accordance with this **Section 9.3** and, provided that such modification shall comply with the terms of this **Section 9.3**, it shall become immediately effective.

9.3.2 Cooperation; Execution; Delivery. Borrower shall reasonably cooperate with all reasonable requests of Lender in connection with this **Section 9.3**. If requested by Lender, Borrower shall promptly execute and deliver such documents as shall be required by Lender and any Rating Agency in connection with any modification pursuant to this **Section 9.3**, all in form and substance satisfactory to Lender and satisfactory to any applicable Rating Agency. It shall be an Event of Default under this Agreement, the Note, and the other Loan Documents if Borrower fails to comply with any of the terms, covenants or conditions of this **Section 9.3** after expiration of ten (10) Business Days after notice thereof.

ARTICLE 10

MISCELLANEOUS

Section 10.1 Survival; Successors and Assigns. This Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by Lender of the Loan and the execution and delivery to Lender of the Note, and shall continue in full force and effect so long as all or any of the Obligations are outstanding and unpaid unless a longer period is expressly set forth herein or in the other Loan Documents. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the legal representatives, successors and assigns of such party. All

Prior to a Securitization, whenever pursuant to this Agreement the Rating Agencies are given any right to approve or disapprove any matter, or any arrangement or term is to be satisfactory to the Rating Agencies, the decision of Lender to approve or disapprove such matter or to decide whether arrangements or terms are satisfactory or not satisfactory, based upon Lender's determination of Rating Agency criteria, shall be substituted therefor.

(b) Whenever, pursuant to this Agreement or any other Loan Documents, a Rating Agency Confirmation is required from each applicable Rating Agency, in the event that any applicable Rating Agency "declines review", "waives review" or otherwise indicates to Lender's or Servicer's satisfaction that no Rating Agency Confirmation will or needs to be issued with respect to the matter in question (each, a "**Review Waiver**"), then the requirement to obtain a Rating Agency Confirmation from such Rating Agency shall not apply with respect to such matter; *provided, however*, if a Review Waiver occurs with respect to a Rating Agency and Lender does not have a separate and independent approval right with respect to the matter in question, then such matter shall require the written reasonable approval of Lender. It is expressly agreed and understood, however, that receipt of a Review Waiver (i) from any one Rating Agency shall not be binding or apply with respect to any other Rating Agency and (ii) with respect to one matter shall not apply or be deemed to apply to any subsequent matter for which Rating Agency Confirmation is required.

In particular, and not by way of limitation, by accepting payment after the due date of any amount payable under this Agreement or any other Loan Document, Lender shall not be deemed to have waived any right either to require prompt payment when due of all other amounts due under this Agreement or the other Loan Documents, or to declare a default for failure to effect prompt payment of any such other amount. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN KNOWINGLY AND VOLUNTARILY BY BORROWER AND LENDER AND IS INTENDED TO ENCOMPASS INDIVIDUALLY EACH INSTANCE AND EACH ISSUE AS TO WHICH THE RIGHT TO A TRIAL BY JURY WOULD OTHERWISE ACCRUE. EACH PARTY IS HEREBY AUTHORIZED TO FILE A COPY OF THIS PARAGRAPH IN ANY PROCEEDING AS CONCLUSIVE EVIDENCE OF THIS WAIVER.

Section 10.7 Headings, Schedules and Exhibits. The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose. The Schedules and Exhibits annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

Section 10.8 Severability. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

Section 10.9 Preferences. Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by Borrower to any portion of the Obligations of Borrower hereunder. To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the Obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

Section 10.10 Waiver of Notice. Borrower shall not be entitled to any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. Borrower hereby expressly waives the right to receive any notice from Lender with respect to any matter for which this Agreement or the other Loan Documents do not specifically and expressly provide for the giving of notice by Lender to Borrower. Except as specifically and expressly provided for in the Loan Documents, Guarantors shall not be entitled to any notices of any nature whatsoever from

Lender under this Agreement or the other Loan Documents, and each Guarantor hereby expressly waives the right to receive any notice from Lender with respect to any matter for which this Agreement or the other Loan Documents do not specifically and expressly provide for the giving of notice by Lender to such Guarantor.

Section 10.11 Remedies of Borrower. In the event that a claim or adjudication is made that Lender or its agents have acted unreasonably or unreasonably delayed acting in any case where, by law or under this Agreement or the other Loan Documents, Lender or such agent, as the case may be, has an obligation to act reasonably or promptly, neither Lender nor its agents shall be liable for any monetary damages and Borrower's sole remedy shall be limited to commencing an action seeking injunctive relief or declaratory judgment. Any action or proceeding to determine whether Lender has acted reasonably shall be determined by an action seeking declaratory judgment.

Section 10.12 Offsets, Counterclaims and Defenses. Any assignee of Lender's interest in and to this Agreement and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

Section 10.13 No Joint Venture or Partnership; No Third Party Beneficiaries.

(a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in any Property other than that of beneficiary or lender.

(b) The Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in any Loan Document shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained therein.

Section 10.14 Publicity. All news releases, publicity or advertising by Borrower or any of its Affiliates through any media intended to reach the general public which refers to the Loan Documents or the financing evidenced by the Loan Documents, to Lender (with respect to the Loan and the Securitization of the Loan only), the Affiliate of Lender that acts as the issuer with respect to a Securitization or any of their other Affiliates (in each case, with respect to the Loan and the Securitization of the Loan only) (x) shall be prohibited prior to the final Securitization of the Loan and (y) after the final Securitization of the Loan, shall be subject to the prior written approval of Lender. Lender shall have the right to publicly describe the Loan in general terms advertising and public communications of all kinds, including press releases, direct mail, newspapers, magazines, journals, e-mail, or internet advertising or communications. Notwithstanding the foregoing, Borrower's approval shall not be required for the publication by Lender of notice of the Loan and the Securitization of the Loan by means of a customary tombstone advertisement, which, for the avoidance of doubt, may include the amount of the

Loan, the amount of securities sold, the number of Properties as of the Closing Date, the settlement date and the parties involved in the transactions contemplated hereby and the Securitization.

Section 10.15 Waiver of Marshalling of Assets. To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's members or partners, as applicable, and others with interests in Borrower, and of the Collateral, and shall not assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Collateral for the collection of the Obligations without any prior or different resort for collection, or of the right of Lender to the payment of the Obligations out of the net proceeds of the Collateral in preference to every other claimant whatsoever.

Section 10.16 Certain Waivers. Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or its agents or otherwise to offset any obligations to make the payments required by the Loan Documents. No failure by Lender to perform any of its obligations hereunder shall be a valid defense to, or result in any offset against, any payments which Borrower is obligated to make under any of the Loan Documents. Without limiting any of the other provisions contained herein, Borrower hereby unconditionally and irrevocably waives, to the maximum extent not prohibited by applicable law, any rights it may have to claim or recover against Lender in any legal action or proceeding any special, exemplary, punitive or consequential damages.

Section 10.17 Conflict; Construction of Documents; Reliance. In the event of any conflict between the provisions of this Agreement and any of the other Loan Documents, the provisions of this Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan, without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

Section 10.18 Brokers and Financial Advisors. Borrower hereby represents that neither Borrower or any other Loan Party has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement. Borrower shall indemnify, defend and hold Lender harmless from and against any and all claims, liabilities, losses, costs and expenses of any kind (including Lender's attorneys' fees and expenses) in any way relating to or arising out of a claim by any

Person that such Person acted on behalf of Borrower, any Loan Party or Lender in connection with the transactions contemplated herein. The provisions of this **Section 10.18** shall survive the expiration and termination of this Agreement and the payment of the Obligations.

Section 10.19 Prior Agreements. This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto and their respective affiliates in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, including any confidentiality agreements or any similar agreements between or among any such parties, whether oral or written, are superseded by the terms of this Agreement and the other Loan Documents.

Section 10.20 Servicer. At the option of Lender, the Loan may be serviced by a servicer or special servicer (the “**Servicer**”) selected by Lender and Lender may delegate all or any portion of its responsibilities under this Agreement and the other Loan Documents to the Servicer pursuant to the trust and servicing agreement or pooling and servicing agreement (the “**Servicing Agreement**”) governing the Securitization. Borrower shall not be responsible for any set-up fees or any other initial costs relating to or arising under the Servicing Agreement. Borrower shall not be responsible for payment of the monthly master servicing fee due to the Servicer under the Servicing Agreement. Notwithstanding the foregoing, Borrower shall pay all Trust Fund Expenses. For the avoidance of doubt, this **Section 10.20** shall not be deemed to limit Borrower’s obligations under **Section 4.1.20**.

Section 10.21 Joint and Several Liability. If more than one Person has executed this Agreement as “Borrower,” the representations, covenants, warranties and obligations of all such Persons hereunder shall be joint and several.

Section 10.22 Creation of Security Interest. Notwithstanding any other provision set forth in this Agreement, the Note, the Mortgage Documents or any of the other Loan Documents, Lender may at any time create a security interest in all or any portion of its rights under this Agreement, the Note, the Mortgage Documents and any other Loan Document (including the advances owing to it) in favor of any Federal Reserve Bank in accordance with Regulation A of the Board of Governors of the Federal Reserve System.

Section 10.23 Assignments and Participations. In addition to the right to securitize the Loan under **Section 9.1**, to sever the interests in the Loan into “component” notes under **Section 9.3** and any other rights of Lender hereunder, the Loan, the Note, the Loan Documents and/or Lender’s rights, title, obligations and interests therein may be sold, assigned, participated or otherwise transferred by Lender and any of its successors and assigns to any Person at any time in its sole and absolute discretion, in whole or in part, whether by operation of law (pursuant to a merger or other successor in interest) or otherwise without notice to or consent from Borrower or any other Person. Upon such assignment, all references to Lender in this Agreement and in any Loan Document shall be deemed to refer to such assignee or successor in interest and such assignee or successor in interest shall thereafter stand in the place of Lender in all respects (subject to the requirements and limitations therein, including the requirements under **Section 2.10.6**). Borrower agrees that each beneficial owner of the Securities or component notes issued pursuant to **Sections 9.1** and **9.3** shall be entitled to the benefits of **Sections 2.9** and **2.10** (subject to the requirements and limitations therein, including the requirements under **Section 2.10.6**). Each participant shall be entitled to the benefits of **Sections 2.9** and **2.10** (subject to the requirements and limitations therein, including the requirements under **Section 2.10.6**), it being

understood that the documentation required under **Section 2.10.6** shall be delivered to the participating Lender) to the same extent as if it were a Lender and had acquired its interest by assignment; provided that such participant shall not be entitled to receive any greater payment pursuant to **Sections 2.9** or **Section 2.10** than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a change in law that occurs after the participant acquired the applicable participation.

Section 10.24 Register and Participant Register. The Lender or its designee (the “**Registrar**”), as a non-fiduciary agent of Borrower, shall maintain a record that identifies each owner (including successors and assignees) of an interest in the Loan, any Securities or any component notes, including the name and address of the owner, and each owner’s rights to principal and stated interest (the “**Register**”), and shall record all transfers of an interest in the Loan, any Securities or any component notes, including each assignment, in the Register. Transfers of interests in the Loan (including assignments), any Securities or any component notes shall be subject to the applicable conditions set forth in the Loan Documents with respect thereto and the Registrar will update the Register to reflect the transfer. The Register shall be available for inspection by Borrower, at any reasonable time and from time to time upon reasonable prior notice. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph. Furthermore, each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts and stated interest of each participant’s interest in the Loan or other obligations under the Loan Documents (the “**Participant Register**”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any participant or any information relating to a participant’s interest) except to the extent that such disclosure is necessary to establish that such Loan or other obligation is in registered form under Section 5f.103-1(c) of the U.S. Department of Treasury regulations. The entries in the Register and Participant Register shall be conclusive absent manifest error. Borrower, the Lender and any of its successors and assigns, and the Registrar shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement and the participating Lender shall treat each Person whose name is recorded in the Participant Register pursuant to the terms hereof as the owner of such participation for all purposes of this Agreement. Failure to make any such recordation, or any error in such recordation, however, shall not affect Borrower’s obligations in respect of the Loan.

Section 10.25 Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument.

Section 10.26 Set-Off. In addition to any rights and remedies of Lender provided by this Agreement and by law, Lender shall have the right in its sole discretion, without prior notice to Borrower, any such notice being expressly waived by Borrower to the extent permitted by applicable law, upon any amount becoming due and payable by Borrower hereunder (whether at the stated maturity, by acceleration or otherwise), to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or

owing by Lender or any Affiliate thereof to or for the credit or the account of Borrower; provided however, Lender may only exercise such right during the continuance of an Event of Default. Lender agrees promptly to notify Borrower after any such set-off and application made by Lender; provided that the failure to give such notice shall not affect the validity of such set-off and application.

Section 10.27 Cross-Default; Cross-Collateralization; Waiver of Marshalling of Assets .

(a) Borrower acknowledge that Lender has made the Loan to Borrower upon, among other things, the security of its collective interest in the Properties and in reliance upon the aggregate of the Properties taken together being of greater value as collateral security than the sum of each Property taken separately. Borrower agrees that the Mortgages are and will be cross-collateralized and cross-defaulted with each other so that (i) an Event of Default under any of the Mortgages shall constitute an Event of Default under each of the other Mortgages which secure the Note; (ii) an Event of Default under the Note or this Agreement shall constitute an Event of Default under each Mortgage; (iii) each Mortgage shall constitute security for the Note as if a single blanket lien were placed on all of the Properties as security for the Note; and (iv) such cross-collateralization shall in no event be deemed to constitute a fraudulent conveyance.

(b) To the fullest extent permitted by law, Borrower for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's partners or members and of the Properties, or to a sale in inverse order of alienation in the event of foreclosure of all or any of the Mortgages, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Properties for the collection of the Debt without any prior or different resort for collection or of the right of Lender to the payment of the Debt out of the net proceeds of the Properties in preference to every other claimant whatsoever. In addition, Borrower, for itself and its successors and assigns, waives in the event of foreclosure of any or all of the Mortgages, any equitable right otherwise available to Borrower which would require the separate sale of the Properties or require Lender to exhaust its remedies against any Property or any combination of the Properties before proceeding against any other Property or combination of Properties; and further in the event of such foreclosure Borrower does hereby expressly consents to and authorizes, at the option of Lender, the foreclosure and sale either separately or together of any combination of the Properties

Section 10.28 Certificated Interests .

(a) If any ownership interest in an Equity Interest is represented by a certificate (each, an "*Equity Certificate*") that has been pledged and delivered to Lender and such Equity Certificate is lost, stolen or destroyed, then, upon the written request of Lender to the applicable Loan Party, such Loan Party shall issue to Lender a new Equity Certificate in place of the Equity Certificate that was lost, stolen or destroyed, provided such Lender: (i) makes proof by written, notarized affidavit, in form and substance reasonably satisfactory to the applicable Loan Party that such previously issued Equity Certificate has been lost, stolen or destroyed and has not been assigned, endorsed, transferred or hypothecated, (ii) delivers a written indemnity (in form and substance and from an indemnitor reasonably satisfactory to the

applicable Loan Party) to the extent required by any title company proposing to provide title insurance with respect to such Equity Certificate and (iii) requests the issuance of a new Equity Certificate before the Loan party has notice that such previously issued Equity Certificate has been acquired by a purchaser for value in good faith and without notice of an adverse claim.

(b) Upon repayment in full of the Loan, in the event Lender fails to return to a Loan Party an Equity Certificate previously delivered by such Loan Party to Lender in connection with the Loan, Lender shall deliver to the applicable Loan Party, within ten (10) days of such Loan Party's demand, (i) a written, notarized affidavit, in form and substance reasonably satisfactory to the applicable Loan Party that such previously issued Equity Certificate has been lost, stolen or destroyed and has not been assigned, endorsed, transferred or hypothecated and (ii) a written indemnity (in form and substance and from an indemnitor reasonably satisfactory to the applicable Loan Party) to the extent required by any title company proposing to provide title insurance with respect to such Equity Certificate.

Section 2.1 The Loan.

2.1.1 Agreement to Lend and Borrow. Subject to and upon the terms and conditions set forth herein, Lender shall make the Loan to Borrower and Borrower shall accept the Loan from Lender on the Closing Date.

2.1.2 Components of the Loan. For purposes of the computation of the interest accrued on the Loan from time to time and certain other computations set forth herein, the Loan shall be divided into multiple components designated as “Component A”, “Component B”, “Component C”, “Component D”, “Component E”, “Component F” and “Component G”. The following table sets forth the initial Component Outstanding Principal Balance of each such Component.

<u>Component</u>	<u>Initial Principal Amount</u>
Component A	\$ 227,790,000
Component B	\$ 56,520,000
Component C	\$ 49,668,000
Component D	\$ 44,530,000
Component E	\$ 67,824,000
Component F	\$ 67,479,000
Component G	\$ 27,043,000

2.1.3 Single Disbursement to Borrower. Borrower shall receive only one borrowing hereunder in respect of the Loan and any amount borrowed and repaid hereunder in respect of the Loan may not be reborrowed.

2.1.4 The Note. The Loan and all of the Components thereof shall be evidenced by that certain Promissory Note of even date herewith, in the stated principal amount of Five Hundred Forty Million Eight Hundred Fifty-Four Thousand and No/100 Dollars (\$540,854,000) executed by Borrower and payable to the order of Lender in evidence of each of the Components of the Loan (as the same may hereafter be amended, supplemented, restated, increased, extended or consolidated from time to time, the “*Note*”) and shall be repaid in accordance with the terms of this Agreement, the Note and the other Loan Documents. If the Note is mutilated or defaced and is surrendered to the Borrower, or if there shall be delivered to the Borrower evidence to its reasonable satisfaction of the destruction, loss or theft of the Note, then the Borrower shall execute and deliver, in lieu of the mutilated, defaced, destroyed lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount and bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note, provided that the applicant for a replacement Note shall indemnify Borrower for any liability, obligation, loss or damages the Borrower may incur in connection with any enforcement, collection or attempted enforcement or collection of the destroyed, lost or stolen Note. In the event that, as of the date a replacement Note is requested, the principal amount of any such mutilated, defaced, destroyed, stolen or lost Note shall have become, or will within the next succeeding fifteen (15) days become, due and payable in accordance with its terms, the Borrower may, at its discretion, not authenticate and deliver such a replacement Note. Borrower shall not be required to incur any material cost or expense in procuring any such indemnity or with the preparation, execution, authentication and delivery of any such replacement Note.

2.1.5 Use of Proceeds. Borrower shall use proceeds of the Loan to (a) make initial deposits of the Reserve Funds, (b) make distributions to Equity Owner and Borrower GP, (c) pay costs and expenses incurred in connection with the closing of the Loan and the related Securitization, and (d) to the extent any proceeds remain after satisfying *clauses (a) through (c)* above, for such lawful purpose as Borrower shall designate.

Section 2.2 Interest Rate.

2.2.1 Interest Rate.

(a) Each Component of the Loan shall accrue interest throughout the Term at the Interest Rate applicable to such Component during each Interest Period. The total interest accrued under the Loan shall be the sum of the interest accrued on the Component Outstanding Principal Balance of each of the Components. Borrower shall pay to Lender on each Monthly Payment Date the interest accrued or to be accrued on the Loan for the related Interest Period.

(b) Component G shall accrue interest at the Component G Interest Rate. Subject to the terms and conditions hereof, the Floating Rate Components of the Loan shall be a LIBOR Loan. In the event that Lender shall have determined (which determination shall be conclusive and binding upon Borrower absent manifest error) that by reason of circumstances affecting the interbank Eurodollar market, adequate and reasonable means do not exist for ascertaining LIBOR, then Lender shall forthwith give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) day prior to the next succeeding Interest Determination Date. If such notice is given, the Floating Rate Components of the Loan shall be converted, as of the first day of the next succeeding Interest Period, to a Prime Rate Loan. Notwithstanding any provision of this Agreement to the contrary, in no event shall Borrower have the right to convert a LIBOR Loan to a Prime Rate Loan.

(c) If, pursuant to the terms hereof, the Floating Rate Components of the Loan have been converted to a Prime Rate Loan and Lender shall determine (which determination shall be conclusive and binding upon Borrower absent manifest error) that the event(s) or circumstance(s) which resulted in such conversion shall no longer be applicable, Lender shall give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) day prior to the next succeeding Interest Determination Date. If such notice is given, the Floating Rate Components of the Loan shall be converted, as of the first day of the next succeeding Interest Period, to a LIBOR Loan. Notwithstanding any provision of this Agreement to the contrary, in no event shall Borrower have the right to convert a Prime Rate Loan to a LIBOR Loan.

(d) If the adoption of any requirement of law or any change therein or in the interpretation or application thereof, shall hereafter make it unlawful for Lender to maintain a LIBOR Loan as contemplated hereunder, (i) the obligation of Lender hereunder to make or maintain a LIBOR Loan or to convert a Prime Rate Loan to a LIBOR Loan shall be canceled forthwith and (ii) any outstanding LIBOR Loan shall be converted automatically to a Prime Rate Loan on the first day of the next succeeding Interest Period, or upon such earlier date as may be required by law. Borrower hereby agrees to promptly pay to Lender, upon demand, any additional amounts necessary to compensate Lender for any costs incurred by Lender in making any conversion in accordance with this Agreement, including without limitation, any interest or fees payable by Lender to lenders of funds obtained by it in order to make or maintain the LIBOR Loan hereunder. Lender's notice of such costs, as certified to Borrower, shall be conclusive absent manifest error.

2.2.2 Default Rate. In the event that, and for so long as, any Event of Default shall have occurred and be continuing, the Component Outstanding Principal Balance of each of the Floating Rate Components and, to the extent not prohibited by applicable law, all other portions of the Debt (other than the Component Outstanding Principal Balance of the Component G), shall accrue interest at the Default Rate, calculated from the date such payment was due or, if later, such Default shall have occurred, without regard to any grace or cure periods contained herein. Interest at the Default Rate shall be paid immediately upon demand, which demand may be made as frequently as Lender shall elect, to the extent not prohibited by applicable law.

2.2.3 Interest Calculation. Interest on the Loan and other Obligations shall be calculated by multiplying (A) the actual number of days elapsed in the period for which the calculation is being made by (B) a daily rate based on a three hundred sixty (360) day year (that is, the Interest Rate expressed as an annual rate divided by 360) by (C) the Outstanding Principal Balance or the amount of such other Obligations, as applicable. The accrual period for calculating interest due on each Monthly Payment Date shall be the Interest Period in which such Monthly Payment Date occurs.

2.2.4 Usury Savings. This Agreement and the other Loan Documents are subject to the express condition that at no time shall Borrower be required to pay interest on the Outstanding Principal Balance at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the Outstanding Principal Balance at a rate in excess of the Maximum Legal Rate, the Interest Rate shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

2.2.5 Breakage Indemnity. Borrower shall indemnify Lender against any loss or expense which Lender may actually sustain or incur in liquidating or redeploying deposits from third parties acquired to effect or maintain the Loan or any part thereof as a consequence of (i) any payment or prepayment of the Loan or any portion thereof made on a date other than a Monthly Payment Date (unless interest is paid by Borrower on such payment through the end of the applicable Interest Period) and (ii) any default in payment or prepayment of the Principal or any part thereof or interest accrued thereon, as and when due and payable (at the date thereof or otherwise, and whether by acceleration or otherwise) (collectively, “**Breakage Costs**”), provided, Borrower shall not indemnify Lender from any loss or expense arising from Lender’s willful misconduct or gross negligence. Lender shall deliver to Borrower a statement for any such sums which it is entitled to receive pursuant to this Section 2.2.5, which statement shall be binding and conclusive absent manifest error. Borrower’s obligations under this Section 2.2.5 are in addition to Borrower’s obligations to pay any Spread Maintenance Premium applicable to a payment or prepayment of the Loan.

Section 2.3 Loan Payments

2.3.1 Payments. On the Closing Date, Borrower shall pay interest on the Outstanding Principal Balance from the date hereof through and including February 14, 2015 (the “**Initial Interest Period**”). On March 9, 2015, and each Monthly Payment Date thereafter during the Term, Borrower shall make a payment of principal and interest equal to the Monthly Debt Service Payment Amount, which payment shall be applied in accordance with **Article 6**. Borrower shall also pay to Lender all amounts required in respect of Reserve Funds as set forth in **Article 6**.

2.3.2 Payments Generally . After the Initial Interest Period, each interest accrual period thereafter (each, an “***Interest Period***”) shall commence on the fifteenth (15th) calendar day of a calendar month and ending on (and including) the fourteenth (14th) calendar day of the following calendar month. For purposes of making payments hereunder, but not for purposes of calculating Interest Periods, if the Monthly Payment Date is not a Business Day, then amounts due on such date shall be due on the immediately preceding Business Day. Lender shall have the right from time to time, in its sole discretion, upon not less than ten (10) days prior written notice to Borrower, to change the Monthly Payment Date to a different calendar day and, if requested by Lender, Borrower shall promptly execute an amendment to this Agreement to evidence such change; *provided, however*, that if Lender shall have elected to change the Monthly Payment Date as aforesaid, Lender shall adjust the Interest Period and, with respect to the Floating Rate Components, the Interest Determination Date accordingly, so that (a) after giving effect to any such change or adjustment, the period of time between the Monthly Payment Date and the end of the Interest Period shall not be greater than five (5) days and (b) the date of each Maturity Date (including the Stated Maturity Date, the First Extended Maturity Date, the Second Extended Maturity Date and the Third Extended Maturity Date) and any other date in the Loan Documents which corresponds with a Monthly Payment Date shall be automatically amended to reflect the Monthly Payment Date as so adjusted. With respect to payments of principal due on any Component on the Maturity Date, interest shall be payable at the Interest Rate, through and including the day immediately preceding the Maturity Date.

2.3.3 Payment on Maturity Date . Borrower shall pay to Lender on the Maturity Date the Outstanding Principal Balance, all accrued and unpaid interest and all other amounts due hereunder and under the Note, the Mortgage Documents and the other Loan Documents.

2.3.4 Late Payment Charge . If any principal, interest or any other sum due under the Loan Documents (other than the Outstanding Principal Balance due and payable on the Maturity Date) is not paid by Borrower on the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of four percent (4%) of such unpaid sum or the maximum amount permitted by applicable law in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment. Any such amount shall be secured by the Borrower Security Agreement, the Mortgage Documents and the other Loan Documents to the extent permitted by law.

2.3.5 Method and Place of Payment .

(xvi) if any Lien, litigation or governmental proceeding is existing or pending or, to the actual knowledge of a Responsible Officer of Manager or a Loan Party, threatened against any Affected Property being substituted with a Substitute Property or against such Substitute Property which may result in liability for Borrower, Borrower shall have deposited with Lender reserves reasonably satisfactory to Lender as security for the satisfaction of such liability;

(xvii) simultaneously with the substitution of an Affected Property or Affected Properties, Lender shall release the Affected Property or Affected Properties from the applicable Mortgage Documents and related Lien, provided, that Borrower has delivered to Lender a draft release (and, in the event the Mortgage and the Assignment of Leases and Rents applicable to the Affected Property or Affected Properties encumbers other Property(ies) in addition to the Affected Property or Affected Properties, such release shall be a partial release that relates only to the Affected Property or Affected Properties being substituted and does not affect the Liens and security interests encumbering or on the other Property(ies)) in form and substance appropriate for the jurisdiction in which such Affected Property or Affected Properties are located which contains standard provisions protecting the rights of Lender;

(xix) the Affected Property or Affected Properties shall constitute separate legal parcels from the property remaining encumbered by Mortgages, and each Substitute Property shall be comprised of one or more separate legal parcels on a stand-alone basis.

Any such deposit in the Eligibility Reserve Account or any such substitution shall be completed no later than the due date for the prepayment required under this **Section 2.4.3(a)**. Notwithstanding anything to the contrary contained herein or in any other Loan Document, if the Loan is included in a REMIC Trust, no substitution under this Agreement will be permitted unless (1) either (aa) immediately after such substitution the ratio of the unpaid principal balance of the Loan to the value of the remaining Properties (as determined by Lender in its sole discretion using any commercially reasonable method permitted to a REMIC Trust; and which shall exclude the value of personal property (other than fixtures) or going concern value, if any) is equal to or less than one hundred twenty-five percent (125%) or (bb) the ratio of the unpaid principal balance of the Loan to the value of the Properties (including the Substitute Property or Substitute Properties) will not increase as a result of the substitution of the Substitute Property or

Substitute Properties for the Affected Property or Affected Properties, or (2) Lender receives an opinion of counsel that the Securitization will not fail to maintain its status as a REMIC Trust as a result of the substitution of the Substitute Property or Substitute Properties for the Affected Property or Affected Properties.

(c) Condemnation or Casualty. If Borrower is required to make any prepayment under **Section 5.3** or **Section 5.4** as a result of a Condemnation or Casualty, on the next occurring Monthly Payment Date following the date on which Lender actually receives the applicable Net Proceeds, one hundred percent (100%) of such Net Proceeds and all other amounts required to be prepaid pursuant to **Section 5.3** or **Section 5.4**, as applicable, shall be applied to the prepayment of the Debt in accordance with **Section 2.4.5(d)**. (a) If, during the continuance of an Event of Default, payment of all or any part of the Debt is tendered by Borrower and accepted by Lender or is otherwise recovered by Lender (including through application of any Reserve Funds), such tender or recovery shall be deemed to be a voluntary prepayment by Borrower in violation of the prohibition against prepayment set forth in **Section 2.4.1**, and Borrower shall pay, as part of the Debt, all of: (i) all accrued interest calculated at the Interest Rate on the amount of principal being prepaid through and including the date of such prepayment together with an amount equal to the interest that would have accrued at the Interest Rate on the amount of principal being prepaid through the end of the Interest Period in which such prepayment occurs, notwithstanding that such Interest Period extends beyond the date of prepayment, (ii) the Interest Shortfall, if applicable, with respect to the amount prepaid, (iii) Breakage Costs, if any, without duplication of any sums paid pursuant to the preceding clauses (i) and (ii), and (iv) an amount equal to the applicable Spread Maintenance Premium (if made before the Spread Maintenance Date).

(b) Notwithstanding anything contained herein to the contrary, upon the occurrence and during the continuance of any Event of Default, any payment of principal, interest and other amounts payable under the Loan Documents from whatever source may be applied by Lender among the Components and other Obligations as Lender shall determine in its sole and absolute discretion.

2.4.5 Prepayment/Repayment Conditions.

(a) On the date on which a prepayment, voluntary or mandatory, is made under the Note or as required under this Agreement, which date must be a Business Day, Borrower shall pay to Lender:

(i) all accrued and unpaid interest calculated at the Interest Rate on the amount of principal being prepaid on the applicable Component or Components through and including the Repayment Date together with an amount equal to the interest that would have accrued at the Interest Rate on the amount of principal being prepaid through the end of the Interest Period in which such prepayment occurs, notwithstanding that such Interest Period extends beyond the date of prepayment;

(ii) if such prepayment is made during the period from and including the first day after a Monthly Payment Date through and including the last day of the Interest Period in which such prepayment occurs, all interest on the principal amount being prepaid on the applicable Component or Components which would have accrued from the first day of the Interest Period immediately following the Interest Period in which the prepayment occurs (the “**Succeeding Interest Period**”) through and including the end of the Succeeding Interest Period, calculated at (A) the Interest Rate if such prepayment occurs on or after the Interest Determination Date for the Succeeding Interest Period or (B) the Assumed Note Rate if such prepayment occurs before the Interest Determination Date for the Succeeding Interest Period (the “**Interest Shortfall**”);

(iii) Breakage Costs, if any, without duplication of any sums paid pursuant to the preceding *clauses (i) and (ii)* ;

(iv) the Spread Maintenance Premium applicable thereto (if such prepayment occurs prior to the Spread Maintenance Date); provided that no Spread Maintenance Premium shall be due in connection with a prepayment under **Section 2.4.3(a)** (except where such prepayment arises as a result of a Voluntary Action) or **Section 2.4.3(c)** ; and

(v) all other sums, then due under the Note, this Agreement and the other Loan Documents.

(b) If the Interest Shortfall for any Floating Rate Component was calculated based upon the Assumed Note Rate, upon determination of LIBOR on the Interest Determination Date for the Succeeding Interest Period then (i) if the Interest Rate applicable to such Floating Rate Component for such Succeeding Interest Period is less than the Assumed Note Rate applicable to such Floating Rate Component, Lender shall promptly refund to Borrower the amount of the Interest Shortfall paid with respect to such Floating Rate Component, calculated at a rate equal to the difference between the Assumed Note Rate applicable to such Floating Rate Component and the Interest Rate applicable to such Floating Rate Component for such Interest Period, or (ii) if the Interest Rate applicable to such Floating Rate Component is greater than the Assumed Note Rate applicable to such Floating Rate Component, Borrower shall promptly (and in no event later than the ninth (9th) day of the following month) pay Lender the amount of such additional Interest Shortfall applicable to such Floating Rate Component calculated at a rate equal to the amount by which the Interest Rate applicable to such Floating Rate Component exceeds the Assumed Note Rate applicable to such Floating Rate Component.

(c) Borrower shall pay all reasonable costs and expenses of Lender incurred in connection with the repayment or prepayment (including without limitation reasonable attorneys' fees and expenses and costs and expenses related to the Transfer or substitution of any Property); provided, for the avoidance of doubt, this provision shall not apply with respect to Taxes.

(d) Except during an Event of Default, prepayments shall be applied by Lender in the following order of priority: (i) *first*, to any amounts (other than principal, interest, Interest Shortfall, Breakage Costs and Spread Maintenance Premium) then due and payable under the Loan Documents, including any costs and expenses of Lender in connection with such prepayment; (ii) *second*, interest payable pursuant to **Section 2.4.5(a)(i)** on the applicable Component or Components being prepaid pursuant to this **clause (d)** at the Interest Rate; (iii) *third*, Interest Shortfall on the applicable Component or Components being prepaid pursuant to this **clause (d)**; (iv) *fourth*, Breakage Costs on the applicable Component or Components being prepaid pursuant to this **clause (d)**; (v) *fifth*, Spread Maintenance Premium, to the extent applicable, on the applicable Floating Rate Component or Floating Rate Components being prepaid pursuant to this **clause (d)** and (vi) *sixth*, to principal, applied as set forth in **clause (e)** below.

(e) Except during an Event of Default, prepayments of principal of the Loan made pursuant to this **Section 2.4.5** shall be applied to the Loan (i) *first*, to Component A until the Component Outstanding Principal Balance of Component A is reduced to zero, (ii) *second*, to Component B until the Component Outstanding Principal Balance of Component B is reduced to zero, (iii) *third*, to Component C until the Component Outstanding Principal Balance of Component C is reduced to zero, (iv) *fourth*, to Component D until the Component Outstanding Principal Balance of Component D is reduced to zero, (v) *fifth*, to Component E until the Component Outstanding Principal Balance of Component E is reduced to zero, (vi) *sixth*, to Component F until the Component Outstanding Principal Balance of Component F is reduced to zero and (vii) *seventh*, to Component G until the Component Outstanding Principal Balance of Component G is reduced to zero; *provided*, that so long as no Default or Event of Default shall then exist or would result therefrom, any voluntary prepayments of principal on the Loan made from Unrestricted Cash pursuant to **Section 2.4.2**, other than Debt Yield Cure Prepayments, shall be applied to the Components of the Loan on a pro rata basis based on the Component Outstanding Principal Balance of each such Component relative to the aggregate Component Outstanding Principal Balances for all of the Components until the Component Outstanding Principal Balance for each Component has been reduced to zero.

(f) Prepayments under **Section 2.4.2** shall reduce the Allocated Loan Amounts for each Property on a pro rata basis. Prepayments under **Section 2.4.3** shall reduce the Allocated Loan Amount with respect to the applicable Property, until the Allocated Loan Amount and any interest, fees or other Obligations related thereto is zero and any excess of such prepayment shall be applied to reduce the Allocated Loan Amounts for the remaining Properties on a pro rata basis.

(g) Lender shall, upon the written request and at the expense of Borrower, upon payment in full of the Debt in accordance with the terms and provisions of the Loan

Documents, release the Liens of the Mortgage Documents and cause the trustees under any of the Mortgages to reconvey the applicable Properties to Borrower. In connection with the releases of the Liens, Borrower shall submit to Lender, forms of releases of Liens (and related Loan Documents) for execution by Lender. Such releases shall be the forms appropriate in the jurisdictions in which the Properties are located and contain standard provisions protecting the rights of Lender. In addition, Borrower shall provide all other documentation Lender reasonably requires to be delivered by Borrower in connection with such releases, together with an Officer's Certificate certifying that such documentation (i) is in compliance with all Legal Requirements, and (ii) will effect such release in accordance with the terms of this Agreement. Borrower shall pay all out-of-pocket costs, taxes and expenses associated with the release of the Liens of the Mortgage Documents, including Lender's reasonable attorneys' fees.

Section 2.5 Transfers of Properties. Borrower may Transfer any Property (each, a "**Release Property**") and Lender shall release the Release Property from the applicable Mortgage Documents and release the security interest and Lien on any Collateral located at such Property, provided that the following conditions precedent to such Transfer are satisfied (the "**Release Conditions**"); provided, that, for the avoidance of doubt, the Release Conditions do not need to be satisfied in order for Lender to release its security interest and Lien on any Disqualified Property in connection with any prepayment or substitution in accordance with **Section 2.4.3(a)** :

(a) Borrower shall submit to Lender, not less than ten (10) Business Days' prior to the Transfer Date, a Request for Release, together with all attachments thereto and evidence reasonably satisfactory to Lender that the conditions precedent set forth in this **Section 2.5** will be satisfied upon the consummation of such Transfer (for the avoidance of doubt, no Request for Release need be provided in connection with a contribution of a Release Property to a Borrower TRS);

(b) No Event of Default has occurred and is continuing (other than a non-monetary Event of Default that is specific to such Release Property to which **Section 2.4.3(a)** is applicable and would be cured as a result of the release of the Release Property, so long as a mandatory prepayment is made with respect thereto in accordance with **Section 2.4.3(a)** (a "**Qualified Release Property Default**"));

(c) The Debt Yield as of the most recent Calculation Date, after giving pro forma effect to the elimination of the Underwritten Net Cash Flow for the Release Property and the repayment of the Loan in the applicable Release Amount, is at least the greater of (x) the Closing Date Debt Yield and (y) the actual Debt Yield as of such date; provided that the condition in this **clause (c)** shall not be applicable to a Transfer of a Property if the Loan is prepaid in the amount that is the greater of the applicable Release Amount and one hundred percent (100%) of the Net Transfer Proceeds for the Transferred Property;

(d) The Release Property shall be Transferred to a Person other than Borrower, any other Loan Party or, unless the release of the Release Property is effected in order to cure a Qualified Release Property Default or is a release of a Designated HOA Property, any Affiliate of Borrower or any other Loan Party; *provided* that Borrower may contribute the Release Property to a Borrower TRS;

(e) Except for (i) the release of the Release Property that is effected in order to cure a Qualified Release Property Default, (ii) any contribution to a Borrower TRS described

in the *proviso* of the foregoing **clause (d)** or (iii) a release of a Designated HOA Property, the Release Property shall be Transferred pursuant to a bona fide all-cash sale of the Release Property on arms-length terms and conditions;

(f) Except for any contribution to a Borrower TRS described in the *proviso* of the foregoing **clause (d)** , on or prior to the Transfer Date, Borrower shall prepay the Outstanding Principal Balance by an amount equal to the applicable Release Amount for the Release Property, and Borrower shall comply with the provisions and pay to Lender the amounts set forth in **Section 2.4.5** ;

(g) Except for any contribution to a Borrower TRS described in the *proviso* of the foregoing **clause (d)** , if a Trigger Period is continuing on the Transfer Date, the excess, if any, of (i) the Net Transfer Proceeds for the Release Property over (ii) the applicable Release Amount for the Release Property and any other amounts payable to Lender in connection with such release, shall be deposited into the Cash Collateral Account;

(h) Borrower shall submit to Lender, not less than five (5) Business Days prior to the Transfer Date, a draft release for the applicable Mortgage Documents (and, in the event the Mortgage and the Assignment of Leases and Rents applicable to the Release Property encumber other Property(ies) in addition to the Release Property, such release shall be a partial release that relates only to the Release Property and does not affect the Liens and security interests encumbering or on the other Property(ies)) in form and substance appropriate for the jurisdiction in which the Release Property is located and shall contain standard provisions protecting the rights of Lender. In addition, Borrower shall provide all other documentation of a ministerial or administrative nature that Lender reasonably requires to be delivered by Borrower in connection with such release or assignment;

(i) Borrower shall have paid all taxes and all reasonable out-of-pocket costs and expenses incurred by Lender and/or its Servicer in connection with any such release and, in addition, the current reasonable and customary fee being assessed by Lender and/or its Servicer to effect such release or assignment;

(j) Notwithstanding anything to the contrary contained herein or in any other Loan Document, if the Loan is included in a REMIC Trust and the ratio of the unpaid principal balance of the Loan to the value of the remaining Properties (as determined by Lender in its sole discretion using any commercially reasonable method permitted to a REMIC Trust; and which shall exclude the value of any personal property (other than fixtures) or going concern value, if any) exceeds or would exceed one hundred twenty-five percent (125%) immediately after giving effect to the release of the Release Property, no release will be permitted unless the principal balance of the Loan is prepaid by an amount not less than the greater of (i) the Release Amount or (ii) the least amount that is a "qualified amount" as that term is defined in IRS Revenue Procedure 2010-30, as the same may be amended, replaced, supplemented or modified from time to time, unless Lender receives an opinion of counsel that, if this **Section 2.5(i)** is applicable but not followed or is no longer applicable at the time of such release, the Securitization will not fail to maintain its status as a REMIC Trust as a result of the release of the Release Property; and

(k) The Release Property is a separate legal parcel from the property remaining encumbered by Mortgages.

Section 2.6 Interest Rate Cap Agreement.

2.6.1 Interest Rate Cap Agreement. Prior to or contemporaneously with the Closing Date, Borrower shall have obtained, and thereafter maintain in effect, the Interest Rate Cap Agreement, which shall have a term expiring no earlier than the last day of the Interest Period in which the Stated Maturity Date occurs and have a notional amount which shall not at any time be less than the aggregate Component Outstanding Principal Balances of the Floating Rate Components. The Interest Rate Cap Agreement shall have a strike rate equal to the Strike Price.

2.6.2 Pledge and Collateral Assignment. As security for the full and punctual payment and performance of the Obligations when due (whether upon stated maturity, by acceleration, early termination or otherwise), Borrower, as pledgor, hereby pledges, assigns, hypothecates, transfers and delivers to Lender as collateral and hereby grants to Lender a continuing first priority lien on and security interest in, to and under all of the following whether now owned or hereafter acquired and whether now existing or hereafter arising (the “**Rate Cap Collateral**”): all of the right, title and interest of Borrower in and to (a) the Interest Rate Cap Agreement; (b) all payments, distributions, disbursements or proceeds due, owing, payable or required to be delivered to Borrower in respect of the Interest Rate Cap Agreement or arising out of the Interest Rate Cap Agreement, whether as contractual obligations, damages or otherwise; and (c) all of Borrower’s claims, rights, powers, privileges, authority, options, security interests, liens and remedies, if any, under or arising out of the Interest Rate Cap Agreement, in each case including all accessions and additions to, substitutions for and replacements, products and proceeds of any or all of the foregoing.

2.6.3 Covenants.

(a) Borrower shall comply with all of its obligations under the terms and provisions of the Interest Rate Cap Agreement. All amounts paid by the Counterparty under the Interest Rate Cap Agreement to Borrower or Lender shall be deposited immediately into the Collection Account pursuant to **Section 6.1.1**. Subject to the terms hereof, provided no Event of Default has occurred and is continuing, Borrower shall be entitled to exercise all rights, powers and privileges of Borrower under, and to control the prosecution of all claims with respect to, the Interest Rate Cap Agreement and the other Rate Cap Collateral. Borrower shall take all actions reasonably requested by Lender to enforce Borrower’s rights under the Interest Rate Cap Agreement in the event of a default by the Counterparty thereunder and shall not waive, amend or otherwise modify any of its rights thereunder.

(b) Borrower shall defend Lender’s right, title and interest in and to the Rate Cap Collateral pledged by Borrower pursuant hereto or in which it has granted a security interest pursuant hereto against the claims and demands of all other Persons.

(c) In the event of any downgrade, withdrawal or qualification of the rating of the Counterparty such that it ceases to qualify as an “Approved Counterparty”, unless the Counterparty shall have posted collateral on terms acceptable to each Rating Agency, Borrower shall replace the Interest Rate Cap Agreement with a Replacement Interest Rate Cap Agreement not later than ten (10) Business Days following receipt of notice from Lender, Servicer or any other Person of such downgrade, withdrawal or qualification. In the event that the Counterparty is downgraded (i) below BBB+ by S&P or Fitch (or, if such counterparty was an approved

counterparty based on its short-term rating by S&P or Fitch, below “A-2” by S&P or “F-2” by Fitch) or (ii) below “Baa1” by Moody’s, a Replacement Interest Rate Cap Agreement shall be required regardless of the posting of collateral.

(d) In the event that Borrower fails to purchase and deliver to Lender a Replacement Interest Rate Cap Agreement as and when required hereunder, Lender may purchase a Replacement Interest Rate Cap Agreement and the cost incurred by Lender in purchasing such Replacement Interest Rate Cap Agreement shall be paid by Borrower to Lender with interest thereon at the Default Rate from the date such cost was incurred by Lender until such cost is paid by Borrower to Lender.

(e) Borrower shall not sell, assign, or otherwise dispose of, or mortgage, pledge or grant a security interest in, any of the Rate Cap Collateral or any interest therein, and any sale, assignment, mortgage, pledge or security interest whatsoever made in violation of this covenant shall be a nullity and of no force and effect, and upon demand of Lender, shall forthwith be cancelled or satisfied by an appropriate instrument in writing.

(f) Borrower shall not (i) without the prior written consent of Lender, modify, amend or supplement the terms of the Interest Rate Cap Agreement, (ii) without the prior written consent of Lender, except in accordance with the terms of the Interest Rate Cap Agreement, cause the termination of the Interest Rate Cap Agreement prior to its stated maturity date, (iii) without the prior written consent of Lender, except as aforesaid, waive or release any obligation of the Counterparty (or any successor or substitute party to the Interest Rate Cap Agreement) under the Interest Rate Cap Agreement, (iv) without the prior written consent of Lender, consent or agree to any act or omission to act on the part of the Counterparty (or any successor or substitute party to the Interest Rate Cap Agreement) which, without such consent or agreement, would constitute a default under the Interest Rate Cap Agreement, (v) fail to exercise promptly and diligently each and every material right which it may have under the Interest Rate Cap Agreement, (vi) take or intentionally omit to take any action or intentionally suffer or permit any action to be omitted or taken, the taking or omission of which would result in any right of offset against sums payable under the Interest Rate Cap Agreement or any defense by the Counterparty (or any successor or substitute party to the Interest Rate Cap Agreement) to payment or (vii) fail to give prompt notice to Lender of any notice of default given by or to Borrower under or with respect to the Interest Rate Cap Agreement, together with a complete copy of such notice. If Borrower shall have received written notice that the Securitization shall have occurred, no consent by Lender provided for in this **Section 2.6.3 (f)** shall be given by Lender unless Lender shall have received a Rating Agency Confirmation.

(g) In connection with an Interest Rate Cap Agreement, Borrower shall obtain and deliver to Lender an opinion of counsel from counsel (which counsel may be in-house counsel for the Counterparty) for the Counterparty upon which Lender and its successors and assigns may rely (the “**Counterparty Opinion**”), under New York law and, if the Counterparty is a non-U.S. entity, the applicable foreign law, which shall provide in relevant part, that: (i) the issuer is duly organized, validly existing, and in good standing under the laws of its jurisdiction of incorporation and has the organizational power and authority to execute and deliver, and to perform its obligations under, the Interest Rate Cap Agreement; (ii) the execution and delivery of the Interest Rate Cap Agreement by the issuer, and any other agreement which the issuer has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been and remain duly authorized by all necessary action and do not contravene any provision of

its certificate of incorporation or by-laws (or equivalent organizational documents) or any law, regulation or contractual restriction binding on or affecting it or its property; (iii) all consents, authorizations and approvals required for the execution and delivery by the issuer of the Interest Rate Cap Agreement, and any other agreement which the issuer has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been obtained and remain in full force and effect, all conditions thereof have been duly complied with, and no other action by, and no notice to or filing with any governmental authority or regulatory body is required for such execution, delivery or performance; and (iv) the Interest Rate Cap Agreement, and any other agreement which the issuer has executed and delivered pursuant thereto, has been duly executed and delivered by the issuer and constitutes the legal, valid and binding obligation of the issuer, enforceable against the issuer in accordance with its terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

2.6.4 [Reserved].

2.6.5 Representations and Warranties. Borrower hereby covenants with, and represents and warrants to Lender as of the Closing Date as follows:

(a) The Interest Rate Cap Agreement constitutes the legal, valid and binding obligation of Borrower, enforceable against Borrower in accordance with its terms, subject only to applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

(b) The Rate Cap Collateral is free and clear of all claims or security interests of every nature whatsoever, except such as are created pursuant to this Agreement and the other Loan Documents, and Borrower has the right to pledge and grant a security interest in the same as herein provided without the consent of any other Person other than any such consent that has been obtained and is in full force and effect.

(c) The Rate Cap Collateral has been duly and validly pledged hereunder. All consents and approvals required to be obtained by Borrower for the consummation of the transactions contemplated by this Agreement have been obtained.

(d) Giving effect to the aforesaid grant and assignment to Lender, Lender has, as of the date of this Agreement, and as to Rate Cap Collateral acquired from time to time after such date, shall have, a valid, and upon proper filing, perfected and continuing first priority lien upon and security interest in the Rate Cap Collateral; provided that no representation or warranty is made with respect to the perfected status of the security interest of Lender in the proceeds of Rate Cap Collateral consisting of "cash proceeds" or "non-cash proceeds" as defined in the UCC except if, and to the extent, the provisions of Section 9-306 of the UCC shall be complied with.

(e) Except for financing statements filed or to be filed in favor of Lender as secured party, there are no financing statements under the UCC covering any or all of the Rate Cap Collateral and Borrower shall not, without the prior written consent of Lender, until payment in full of all of the Obligations, execute and file in any public office, any enforceable financing statement or statements covering any or all of the Rate Cap Collateral, except financing statements filed or to be filed in favor of Lender as secured party.

2.6.6 Payments. If Borrower at any time shall be entitled to receive any payments with respect to the Interest Rate Cap Agreement, Borrower shall direct Counterparty to deposit such amounts immediately upon becoming payable to Borrower into the Collection Account; *provided* that if, notwithstanding such direction, Borrower receives any payments with respect to the Interest Rate Cap Agreement, Borrower shall immediately deposit such amounts into the Collection Account.

2.6.7 Remedies. Subject to the provisions of the Interest Rate Cap Agreement, if an Event of Default shall occur and then be continuing:

(a) Lender, without obligation to resort to any other security, right or remedy granted under any other agreement or instrument, shall have the right to, in addition to all rights, powers and remedies of a secured party pursuant to the UCC, at any time and from time to time, sell, resell, assign and deliver, in its sole discretion, any or all of the Rate Cap Collateral (in one or more parcels and at the same or different times) and all right, title and interest, claim and demand therein and right of redemption thereof, at public or private sale, for cash, upon credit or for future delivery, and in connection therewith Lender may grant options and may impose reasonable conditions such as requiring any purchaser to represent that any "securities" constituting any part of the Rate Cap Collateral are being purchased for investment only, Borrower hereby waiving and releasing any and all equity or right of redemption to the fullest extent permitted by the UCC or applicable law. If all or any of the Rate Cap Collateral is sold by Lender upon credit or for future delivery, Lender shall not be liable for the failure of the purchaser to purchase or pay for the same and, in the event of any such failure, Lender may resell such Rate Cap Collateral. It is expressly agreed that Lender may exercise its rights with respect to less than all of the Rate Cap Collateral, leaving unexercised its rights with respect to the remainder of the Rate Cap Collateral, *provided*, *however*, that such partial exercise shall in no way restrict or jeopardize Lender's right to exercise its rights with respect to all or any other portion of the Rate Cap Collateral at a later time or times.

(b) Lender may exercise, either by itself or by its nominee or designee, in the name of Borrower, all of Lender's rights, powers and remedies in respect of the Rate Cap Collateral, hereunder and under law.

(c) Borrower hereby irrevocably, in the name of Borrower or otherwise, authorizes and empowers Lender and assigns and transfers unto Lender, and constitutes and appoints Lender its true and lawful attorney-in-fact, and as its agent, irrevocably, with full power of substitution for Borrower and in the name of Borrower, (i) to exercise and enforce every right, power, remedy, authority, option and privilege of Borrower under the Interest Rate Cap Agreement, including any power to subordinate or modify the Interest Rate Cap Agreement (but not, unless an Event of Default exists and is continuing, the right to terminate or cancel the Interest Rate Cap Agreement), or to give any notices, or to take any action resulting in such subordination, termination, cancellation or modification and (ii) in order to more fully vest in Lender the rights and remedies provided for herein, to exercise all of the rights, remedies and powers granted to Lender in this Agreement, and Borrower further authorizes and empowers Lender, as Borrower's attorney-in-fact, and as its agent, irrevocably, with full power of substitution for Borrower and in the name of Borrower, to give any authorization, to furnish any

information, to make any demands, to execute any instruments and to take any and all other action on behalf of and in the name of Borrower which in the opinion of Lender may be necessary or appropriate to be given, furnished, made, exercised or taken under the Interest Rate Cap Agreement, in order to comply therewith, to perform the conditions thereof or to prevent or remedy any default by Borrower thereunder or to enforce any of the rights of Borrower thereunder. These powers-of-attorney are irrevocable and coupled with an interest, and any similar or dissimilar powers heretofore given by Borrower in respect of the Rate Cap Collateral to any other Person are hereby revoked.

(d) Lender may, without notice to, or assent by, Borrower or any other Person (to the extent permitted by law), but without affecting any of the Obligations, in the name of Borrower or in the name of Lender, notify the Counterparty, or if applicable, any other counterparty to the Interest Rate Cap Agreement, to make payment and performance directly to Lender; extend the time of payment and performance of, compromise or settle for cash, credit or otherwise, and upon any terms and conditions, any obligations owing to Borrower, or claims of Borrower, under the Interest Rate Cap Agreement; file any claims, commence, maintain or discontinue any actions, suits or other proceedings deemed by Lender necessary or advisable for the purpose of collecting upon or enforcing the Interest Rate Cap Agreement; and execute any instrument and do all other things deemed necessary and proper by Lender to protect and preserve and realize upon the Rate Cap Collateral and the other rights contemplated hereby.

(e) Pursuant to the powers-of-attorney provided for above, Lender may take any action and exercise and execute any instrument which it may deem necessary or advisable to accomplish the purposes hereof; *provided, however*, that Lender shall not be permitted to take any action pursuant to said power-of-attorney that would conflict with any limitation on Lender's rights with respect to the Rate Cap Collateral. Without limiting the generality of the foregoing, Lender, after the occurrence of an Event of Default, shall have the right and power to receive, endorse and collect all checks and other orders for the payment of money made payable to Borrower representing: (i) any payment of obligations owed pursuant to the Interest Rate Cap Agreement, (ii) interest accruing on any of the Rate Cap Collateral or (iii) any other payment or distribution payable in respect of the Rate Cap Collateral or any part thereof, and for and in the name, place and stead of Borrower, to execute endorsements, assignments or other instruments of conveyance or transfer in respect of any property which is or may become a part of the Rate Cap Collateral hereunder.

(f) Lender may exercise all of the rights and remedies of a secured party under the UCC.

(g) Without limiting any other provision of this Agreement or any of Borrower's rights hereunder, and without waiving or releasing Borrower from any obligation or default hereunder, Lender shall have the right, but not the obligation, to perform any act or take any appropriate action, as it, in its reasonable judgment, may deem necessary to protect the security of this Agreement, to cure such Event of Default or to cause any term, covenant, condition or obligation required under this Agreement or the Interest Rate Cap Agreement to be performed or observed by Borrower to be promptly performed or observed on behalf of Borrower. All amounts advanced by, or on behalf of, Lender in exercising its rights under this **Section 2.6.7(g)** (including, but not limited to, reasonable legal expenses and disbursements incurred in connection therewith), together with interest thereon at the Default Rate from the date of each such advance, shall be payable by Borrower to Lender upon demand and shall be secured by this Agreement.

2.6.8 Sales of Rate Cap Collateral. No demand, advertisement or notice, all of which are, to the fullest extent permitted by law, hereby expressly waived by Borrower, shall be required in connection with any sale or other disposition of all or any part of the Rate Cap Collateral, except that Lender shall give Borrower at least thirty (30) Business Days' prior written notice of the time and place of any public sale or of the time when and the place where any private sale or other disposition is to be made, which notice Borrower hereby agrees is reasonable, all other demands, advertisements and notices being hereby waived. To the extent permitted by law, Lender shall not be obligated to make any sale of the Rate Cap Collateral if it shall determine not to do so, regardless of the fact that notice of sale may have been given, and Lender may without notice or publication adjourn any public or private sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. Upon each private sale of the Rate Cap Collateral of a type customarily sold in a recognized market and upon each public sale, unless prohibited by any applicable statute which cannot be waived, Lender (or its nominee or designee) may purchase any or all of the Rate Cap Collateral being sold, free and discharged from any trusts, claims, equity or right of redemption of Borrower, all of which are hereby waived and released to the extent permitted by law, and may make payment therefor by credit against any of the Obligations in lieu of cash or any other obligations. In the case of all sales of the Rate Cap Collateral, public or private, Borrower shall pay all reasonable costs and expenses of every kind for sale or delivery, including brokers' and attorneys' fees and disbursements and any tax imposed thereon. However, the proceeds of sale of Rate Cap Collateral shall be available to cover such costs and expenses, and, after deducting such costs and expenses from the proceeds of sale, Lender shall apply any residue to the payment of the Obligations in the order of priority as set forth in this Agreement.

2.6.9 Public Sales Not Possible. Borrower acknowledges that the terms of the Interest Rate Cap Agreement may prohibit public sales, that the Rate Cap Collateral may not be of the type appropriately sold at public sales, and that such sales may be prohibited by law. In light of these considerations, Borrower agrees that private sales of the Rate Cap Collateral shall not be deemed to have been made in a commercially unreasonably manner by mere virtue of having been made privately.

2.6.10 Receipt of Sale Proceeds. Upon any sale of the Rate Cap Collateral by Lender hereunder (whether by virtue of the power of sale herein granted, pursuant to judicial process or otherwise), the receipt by Lender or the officer making the sale or the proceeds of such sale shall be a sufficient discharge to the purchaser or purchasers of the Rate Cap Collateral so sold, and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to Lender or such officer or be answerable in any way for the misapplication or non-application thereof.

2.6.11 Replacement Interest Rate Cap Agreement. If, in connection with Borrower's exercise of any Extension Option pursuant to **Section 2.7**, Borrower delivers a Replacement Interest Rate Cap Agreement, all the provisions of this **Section 2.6** applicable to the Interest Rate Cap Agreement delivered on the Closing Date shall be applicable to the Replacement Interest Rate Cap Agreement.

Section 2.7 Extension Options

2.7.1 Extension Options. Borrower shall have the option (the “**First Extension Option**”), by written notice (the “**First Extension Notice**”) delivered to Lender (which notice may be revoked) no later than thirty (30) days prior to the Stated Maturity Date, to extend the Maturity Date to March 9, 2018 (the “**First Extended Maturity Date**”). In the event Borrower shall have exercised the First Extension Option, Borrower shall have the option (the “**Second Extension Option**”), by written notice (the “**Second Extension Notice**”) delivered to Lender (which notice may be revoked) no later than thirty (30) days prior to the First Extended Maturity Date, to extend the First Extended Maturity Date to March 9, 2019 (the “**Second Extended Maturity Date**”). In the event Borrower shall have exercised the Second Extension Option, Borrower shall have the option (the “**Third Extension Option**”), by written notice (the “**Third Extension Notice**”) delivered to Lender (which notice may be revoked) no later than thirty (30) days prior to the Second Extended Maturity Date, to extend the Second Extended Maturity Date to March 9, 2020 (the “**Third Extended Maturity Date**”). Borrower’s right to so extend the applicable Maturity Date shall be subject to the satisfaction of the following conditions precedent prior to each extension hereunder:

(a) (i) no Event of Default shall have occurred and be continuing on the applicable Extension Date;

(b) Borrower shall (i) obtain and deliver to Lender not later than the first day of the term of the Loan as extended, one or more Replacement Interest Rate Cap Agreements from an Approved Counterparty, in a notional amount equal to the aggregate Component Outstanding Principal Balances of the Floating Rate Components, which Replacement Interest Rate Cap Agreement(s) shall be (A) effective for the period commencing on the Business Day immediately following the then applicable Maturity Date (prior to giving effect to the applicable Extension Option) and ending on the last day of the Interest Period in which the applicable extended Maturity Date occurs and (B) otherwise on same terms set forth in **Section 2.6** and at the applicable Strike Price and (ii) execute and deliver an Acknowledgment with respect to each such Replacement Interest Rate Cap Agreement;

(c) Borrower shall deliver a Counterparty Opinion with respect to the Replacement Interest Rate Cap Agreement and the related Acknowledgment and shall deliver to Lender an executed Collateral Assignment of Interest Rate Protection Agreement;

(d) All amounts due and payable by Borrower and any other Person pursuant to this Agreement or the other Loan Documents as of the Stated Maturity Date, the First Extended Maturity Date, and the Second Extended Maturity Date, as applicable, and all reasonable, out-of-pocket costs and expenses of Lender, including fees and expenses of Lender’s counsel, in connection with the Loan and/or the applicable extension of the Term shall have been paid in full.

(e) If Borrower is unable to satisfy all of the foregoing conditions within the applicable time frames for each, Lender shall have no obligation to extend the Maturity Date hereunder.

2.7.2 Extension Documentation. As soon as practicable following an extension of the Maturity Date pursuant to this **Section 2.7**, Borrower shall, if requested by Lender, execute and deliver an amendment of and/or restatement of the Note and shall, if requested by Lender, enter into such amendments to the related Loan Documents as may be necessary or appropriate to

evidence the extension of the Maturity Date as provided in this **Section 2.7**; *provided, however*, that no failure by Borrower to enter into any such amendments and/or restatements shall affect the rights or obligations of Borrower or Lender with respect to the extension of the Maturity Date.

Section 2.8 Spread Maintenance Premium. Upon any repayment or prepayment of the Loan (including in connection with an acceleration of the Loan but excluding in connection with any mandatory prepayment pursuant to **Section 2.4.3(a)** (except where such prepayment arises as a result of a Voluntary Action) or **Section 2.4.3(c)**) made prior to the Spread Maintenance Date, Borrower shall pay to Lender on the date of such repayment or prepayment (or acceleration of the Loan) the Spread Maintenance Premium applicable thereto. All Spread Maintenance Premium payments hereunder shall be deemed to be earned by Lender upon the funding of the Loan.

Section 2.9 Increased Costs. In the event that any change in any requirement of law or in the interpretation or application thereof, or compliance by Lender with any request or directive (whether or not having the force of law) hereafter issued from any central bank or other Governmental Authority:

(a) shall hereafter impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, or deposits or other liabilities in or for the account of, advances or loans by, or other credit extended by, or any other acquisition of funds by, any office of Lender which is not otherwise included in the determination of LIBOR hereunder;

(b) shall hereafter have the effect of reducing the rate of return on Lender's capital as a consequence of its obligations hereunder to a level below that which Lender could have achieved but for such adoption, change or compliance (taking into consideration Lender's policies with respect to capital adequacy) by any amount deemed by Lender to be material;

(c) shall hereafter subject Lender to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (ii) through (iv) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(d) shall hereafter impose on Lender any other condition and the result of any of the foregoing is to increase the cost to Lender of making, renewing or maintaining loans or extensions of credit or to reduce any amount receivable hereunder in each case by an amount deemed by Lender in good faith to be material;

then, in any such case, Borrower shall promptly pay Lender, upon demand, additional amounts necessary to compensate Lender for such additional cost or reduced amount receivable which Lender deems to be material as determined by Lender in good faith that Lender deems allocable to the Loan. If Lender becomes entitled to claim any additional amounts pursuant to this **Section 2.9**, Lender shall provide Borrower with not less than thirty (30) days written notice specifying in reasonable detail the event by reason of which it has become so entitled and the additional amount required to compensate Lender in accordance herewith. A certificate as to any additional costs or amounts payable pursuant to the foregoing sentence submitted by Lender to Borrower shall be conclusive in the absence of manifest error. Subject to **Section 2.10**, this **Section 2.9** shall survive payment of the Debt and the satisfaction of all other Obligations.

Section 2.10 Taxes.

2.10.1 Defined Terms. For purposes of this *Section 2.10*, the term “applicable law” includes FATCA.

2.10.2 Payments Free of Taxes. Any and all payments by or on account of any obligation of Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of Borrower) requires the deduction or withholding of any Tax from any such payment by Borrower, then Borrower shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this *Section 2.10*) Lender receives an amount equal to the sum it would have received had no such deduction or withholding been made.

2.10.3 Payment of Other Taxes by Borrower. Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law any Other Taxes.

2.10.4 Indemnification by the Loan Parties. Borrower shall indemnify Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this *Section 2.10*) payable or paid by Lender or required to be withheld or deducted from a payment to Lender and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Borrower by Lender shall be conclusive absent manifest error.

2.10.5 Evidence of Payments. As soon as practicable after any payment of Taxes by Borrower to a Governmental Authority pursuant to this *Section 2.10*, Borrower shall deliver to Lender the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to Lender.

2.10.6 Status of Lender.

(a) If Lender is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document then Lender shall deliver to Borrower, at the time or times reasonably requested by Borrower, such properly completed and executed documentation reasonably requested by Borrower as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, Lender, if reasonably requested by Borrower, shall deliver such other documentation prescribed by applicable law or reasonably requested by Borrower as will enable Borrower to determine whether or not Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such

documentation (other than such documentation set forth in **Section 2.10.6(b)(i), (b)(ii) and (b)(iv)** below) shall not be required if in Lender's reasonable judgment such completion, execution or submission would subject Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of Lender.

(b) Without limiting the generality of the foregoing,

(i) If Lender is a U.S. Person it shall deliver to Borrower (in such number of copies as shall be reasonably requested by Borrower) on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower), executed originals of IRS Form W-9 certifying that Lender is exempt from U.S. federal backup withholding tax;

(ii) If Lender is a Foreign Lender it shall, to the extent it is legally entitled to do so, deliver to Borrower (in such number of copies as shall be reasonably requested by Borrower) on or prior to the date on which it becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower), whichever of the following is applicable:

(A) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN (in the case of an individual) or W-8BEN-E (in the case of an entity) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN (in the case of an individual) or W-8BEN-E (in the case of an entity) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(B) executed originals of IRS Form W-8ECI;

(C) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) or 871(h) of the Code, (x) a certificate substantially in the form of Exhibit F-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "**U.S. Tax Compliance Certificate**") and (y) executed originals of IRS Form W-8BEN (in the case of an individual) or W-8BEN-E (in the case of an entity); or

(D) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN (in the case of an individual) or W-8BEN-E (in the case of an entity), a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-2 or Exhibit F-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are

claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-4 on behalf of each such direct and indirect partner;

(iii) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to Borrower (in such number of copies as shall be reasonably requested by Borrower) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit Borrower to determine the withholding or deduction required to be made; and

(iv) if a payment made to Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), Lender shall deliver to Borrower at the time or times prescribed by law and at such time or times reasonably requested by Borrower such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by Borrower as may be necessary for Borrower to comply with its obligations under FATCA and to determine that Lender has complied with Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (iv), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Borrower in writing of its legal inability to do so.

2.10.7 Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this **Section 2.10** (including by the payment of additional amounts pursuant to this **Section 2.10**), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this **Section 2.10.7** (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this **Section 2.10.7**, in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this **Section 2.10.7** the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This **Section 2.10.7** shall not be

construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

2.10.8 Survival. Each party's obligations under this **Section 2.10** shall survive any assignment of rights by, or the replacement of, Lender and the repayment, satisfaction or discharge of all obligations under any Loan Document.

ARTICLE 3

REPRESENTATIONS AND WARRANTIES

Section 3.1 General Representations. Borrower represents and warrants to Lender as of the Closing Date that, except to the extent (if any) disclosed on **Schedule III** with reference to a specific subsection of this **Section 3.1** :

3.1.1 Organization; Special Purpose. Each Loan Party and each SPC Party has been duly organized and is validly existing with requisite power and authority to own its properties and to transact the businesses in which it is now engaged. Each Loan Party and each SPC Party is duly qualified to do business and in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations, except to the extent that failure to do so would not reasonably be expected to have a Material Adverse Effect. Each Loan Party and each SPC Party possesses all rights, licenses, permits and authorizations, governmental or otherwise, necessary to entitle it to own its properties and to transact the businesses in which it is now engaged, except to the extent that failure to do so could not in the aggregate reasonably be expected to have a Material Adverse Effect. The sole business of Borrower is the acquisition, ownership, maintenance, sale, transfer, refinancing, management, leasing and operation of the Properties; the sole business of Borrower GP is acting as the sole general partner of Borrower, including, providing the Borrower GP Guaranty and the Borrower GP Security Agreement; and the sole business of Equity Owner is acting as the sole limited partner of Borrower and the sole member of Borrower GP, including, providing the Equity Owner Guaranty and the Equity Owner Security Agreement. Each Loan Party and each SPC Party is a Special Purpose Bankruptcy Remote Entity.

3.1.2 Proceedings; Enforceability. Each Loan Party has taken all necessary action to authorize the execution, delivery and performance of this Agreement and each of the other Loan Documents to which it is a party. This Agreement and the other Loan Documents have been duly authorized, executed and delivered by or on behalf of each Loan Party party thereto and constitute legal, valid and binding obligations of each Loan Party party thereto, enforceable against each such Loan Party party thereto in accordance with their respective terms, subject only to applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting the rights of creditors generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law). The Loan Documents are not subject to any right of rescission, set-off, counterclaim or defense by any Loan Party including the defense of usury, nor would the operation of any of the terms of the Loan Documents, or the exercise of any right thereunder, render the Loan Documents unenforceable, and no Loan Party has asserted any right of rescission, set-off, counterclaim or defense with respect thereto.

3.1.3 No Conflicts. The execution, delivery and performance of this Agreement and the other Loan Documents by each Loan Party party thereto (i) will not contravene such Loan Party's Constituent Documents, (ii) will not result in any violation of the provisions of any Legal Requirement of any Governmental Authority having jurisdiction over any Loan Party or any of each Loan Party's properties or assets, (iii) with respect to each Loan Party, will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under the terms of any indenture, mortgage, deed of trust, deed to secure debt, loan agreement, management agreement or other agreement or instrument to which any Loan Party is a party or to, which any of each Loan Party's property or assets is subject, that would be reasonably expected to have a Material Adverse Effect and (iv) with respect to each Loan Party, except for Liens created under the Loan Documents, result in or require the creation or imposition of any Lien upon or with respect to any of the assets of any Loan Party. Any consent, approval, authorization, order, registration or qualification of or with any such Governmental Authority required for the execution, delivery and performance by each Loan Party of this Agreement or any other Loan Documents to which it is a party has been obtained and is in full force and effect.

3.1.4 Litigation. There are no actions, suits or proceedings at law or in equity by or before any Governmental Authority or other entity now pending or, to the actual knowledge of a Responsible Officer of Manager or any Loan Party, threatened, against or affecting any Loan Party or any SPC Party or Manager, as applicable, which actions, suits or proceedings (i) involve this Agreement, the Mortgage Documents, the Loan Documents or the transactions contemplated thereby or (ii) if adversely determined, would reasonably be expected to have a Material Adverse Effect. 4.1.1 Compliance with Laws, Etc. Borrower shall and shall cause each other Loan Party to do or cause to be done all things necessary to preserve, renew and keep in full force and effect its rights, licenses and permits and to comply with all Legal Requirements applicable to it and the Properties (and the use thereof), including, without limitation, building and zoning ordinances and codes and certificates of occupancy, except to the extent that the failure to do so would not reasonably be expected to have a Material Adverse Effect. Any Loan Party, at such Loan Party's expense, may contest by appropriate legal proceeding promptly initiated and conducted in good faith and with due diligence, the validity of any Legal Requirement, the applicability of any Legal Requirement to a Loan Party or any Property or any alleged violation of any Legal Requirement; *provided* that (a) such proceeding shall be permitted under and be conducted in accordance with the provisions of any instrument to which a Loan Party is subject and shall not constitute a default thereunder and such proceeding shall be conducted in accordance with all applicable Legal Requirements; (b) no Property nor any part thereof or interest therein will be in danger of being sold, forfeited, terminated, cancelled or lost; and (c) the Loan Party shall promptly upon final determination thereof comply with any such Legal Requirement determined to be valid or applicable or cure any violation of any Legal Requirement, except to the extent that the failure to do so would not reasonably be expected to have a Material Adverse Effect.

4.1.2 Preservation of Existence. Borrower shall and shall cause each other Loan Party and each SPC Party to (a) observe all procedures required by its Constituent Documents and preserve and maintain its corporate existence, rights, franchises and privileges in the jurisdiction of its organization, and (b) qualify and remain qualified in good standing (where relevant) as a foreign limited liability company or limited partnership, as applicable, in each other jurisdiction where the nature of its business requires such qualification and to the extent such concept exists in such jurisdiction and where, in the case of *clause (b)*, except where the failure to be so qualified would not reasonably be expected to have a Material Adverse Effect.

4.1.3 Non-Property Taxes. Borrower shall and shall cause each other Loan Party and each SPC Party to file, cause to be filed or obtain an extension of the time to file, all Tax returns for Non-Property Taxes and reports required by law to be filed by it and to promptly pay or cause to be paid all Non-Property Taxes now or hereafter levied, assessed or imposed on it as the same become due and payable; *provided* that, after prior notice to Lender, such Loan Party or such SPC Party may contest by appropriate legal proceedings conducted in good faith and with due diligence, the amount or validity of any such Non-Property Taxes and, in such event, may permit the Non-Property Taxes so contested to remain unpaid during any period, including appeals, when a Loan Party or SPC Party is in good faith contesting the same so long as (a) no Event of Default has occurred and remains uncured, (b) such proceeding shall be permitted under and be conducted in accordance with all applicable Legal Requirements, (c) no Property or other Collateral nor any part thereof or interest therein will be in danger of being sold, forfeited, terminated, canceled or lost, (d) the applicable Loan Party or SPC Party has set aside on its books adequate reserves in accordance with GAAP, and the non-payment or non-discharge of such Non-Property Taxes would not reasonably be expected to have a Material Adverse Effect, (e) enforcement of the contested Non-Property Taxes is effectively stayed for the entire duration of such contest and no Lien is imposed on any Property or other Collateral, (f) any Non-Property Taxes determined to be due, together with any interest or penalties thereon, is promptly paid as

required after final resolution of such contest, (g) to the extent such Non-Property Taxes (when aggregated with all other Taxes that any Loan Party or SPC Party is then contesting under this **Section 4.1.3** or **Section 4.4.8** and for which Borrower has not delivered to Lender any Contest Security) exceed One Million and No/100 Dollars (\$1,000,000), Borrower shall deliver to Lender either (i) cash, or other security as may be approved by Lender, in an amount sufficient to insure the payment of any such Non-Property Taxes, together with all interest and penalties thereon or (ii) a payment and performance bond in an amount equal to one hundred percent (100%) of the contested amount from a surety acceptable to Lender in its reasonable discretion, (h) failure to pay such Non-Property Taxes will not subject Lender to any civil or criminal liability, (i) such contest shall not affect the ownership, use or occupancy of any Property or other Collateral, and (j) Borrower shall, upon request by Lender, give Lender prompt notice of the status of such proceedings and/or confirmation of the continuing satisfaction of the conditions set forth in clauses (a) through (i) of this **Section 4.1.3**. Notwithstanding the foregoing, Borrower shall and shall cause each other Loan Party and each SPC Party to pay any contested Non-Property Taxes (or, if cash or other security has been provided, Lender may pay over any such cash or other security held by Lender to the claimant entitled thereto) if, in Lender's reasonable judgment, any Property or other Collateral (or any part thereof or interest therein) shall be in danger of being sold, forfeited, terminated, cancelled or lost or there shall be any danger of the Lien of any Collateral Document being primed by any related Lien.

4.1.4 Access to Properties. Subject to the rights of Tenants, Borrower shall permit agents, representatives and employees of Lender to inspect the Properties or any part thereof at reasonable hours upon reasonable advance notice.

4.1.5 Perform Loan Documents. Borrower shall and shall cause each other Loan Party to, in a timely manner, observe, perform and satisfy all the terms, provisions, covenants and conditions of the Loan Documents executed and delivered by, or applicable to, the Loan Party, and shall pay when due all costs, fees and expenses of Lender, to the extent required under the Loan Documents executed and delivered by, or applicable to, the Loan Party.

4.1.6 Awards and Insurance Benefits. Borrower shall cooperate with Lender, in accordance with the relevant provisions of this Agreement, to enable Lender to receive the benefits of any Awards or Insurance Proceeds lawfully or equitably payable in connection with any Property, and Lender shall be reimbursed for any expenses incurred in connection therewith (including reasonable attorneys' fees and disbursements, and the payment by the Loan Parties of the reasonable expense of an appraisal on behalf of Lender in case of Casualty or Condemnation affecting any Property or any part thereof) out of such Insurance Proceeds.

4.1.7 Security Interest; Further Assurances. Borrower shall and shall cause each other Loan Party to take all necessary action to establish and maintain, in favor of Lender a valid and perfected first priority security interest in all Collateral to the full extent contemplated herein, free and clear of any Liens (including the filing of all financing statements or other similar instruments or documents necessary under the UCC (or any comparable law) of all appropriate jurisdictions to perfect Lender's security interest in the Collateral). Borrower shall and shall cause each other Loan Party to, at the Loan Party's sole cost and expense execute any and all further documents, financing statements, agreements, affirmations, waivers and instruments, and take all such further actions (including the filing and recording of financing statements) that may be required under any applicable Legal Requirement, or that Lender deems necessary or advisable, in order to grant, preserve, protect and perfect the validity and priority of the security

interests created or intended to be created hereby or by the Collateral Documents or the enforceability of any guaranty or other Loan Document. Such financing statements may describe as the collateral covered thereby "all assets of the debtor, whether now owned or hereafter acquired" or words to that effect.

4.1.8 Keeping of Records and Books of Account. Borrower shall and shall cause each other Loan Party to maintain and implement administrative and operating procedures (including an ability to recreate records regarding the Properties in the event of the destruction of the originals thereof) and keep and maintain on a calendar year basis, in accordance with the requirements for a Special Purpose Bankruptcy Remote Entity set forth herein, as applicable, GAAP, and, to the extent required under **Section 9.1**, the requirements of Regulation AB, proper and accurate documents, books, records and other information reasonably necessary for the collection of all Rents and other Collections and payments of its obligations. Such books and records shall include, without limitation, records adequate to permit the identification of each Property and all items of income and expense in connection with the operation of each Property. Lender shall have the right from time to time (but, in any event, not more than twice in any calendar year (unless an Event of Default shall have occurred and be continuing, in which case no such restriction shall apply)) during normal business hours upon reasonable notice (which may be given verbally) to Borrower to examine such books, records, accounts, agreements, leases, instruments and other documents and the collection systems of the Loan Parties and Manager at the offices of the Loan Parties or any other Person maintaining such books, records and accounts and to make such copies or extracts thereof as Lender shall desire. Borrower shall pay any reasonable out-of-pocket costs and expenses incurred by Lender in any such examination.

4.1.9 Special Purpose Bankruptcy Remote Entity/Separateness.

(a) Borrower shall and shall cause each other Loan Party and each SPC Party to be and continue to be a Special Purpose Bankruptcy Remote Entity.

(b) Borrower shall and shall cause each other Loan Party to comply in all material respects with all of the stated facts and assumptions made with respect to the Loan Parties in each Insolvency Opinion. Each entity other than a Loan Party with respect to which an assumption is made or a fact stated in an Insolvency Opinion will comply in all material respects with all of the assumptions made and facts stated with respect to it in such Insolvency Opinion.

4.1.10 Location of Records. Borrower shall and shall cause each other Loan Party to keep its chief place of business and chief executive office and the offices where it keeps the Records at the address(es) referred to on **Schedule VII** or upon thirty (30) days' prior written notice to Lender, at any other location in the United States where all actions reasonably requested by Lender to protect and perfect the interests of Lender in the Collateral have been taken and completed.

4.1.11 Business and Operations. Borrower shall and shall cause each other Loan Party to, directly or through the Manager or subcontractors of the Manager (subject to **Section 4.2.1**), continue to engage in the businesses presently conducted by it as and to the extent the same are necessary for the ownership, maintenance, sale, management, leasing and operation of the Properties. Borrower shall and shall cause each other Loan Party to qualify to do business and will remain in good standing under the laws of each jurisdiction as and to the extent the same are

required for the ownership, maintenance, management and operation of the Properties, except to the extent that failure to do so would not reasonably be expected to have a Material Adverse Effect. Borrower or a Borrower TRS, as applicable, shall, at all times during the term of the Loan, continue to own or lease all equipment, fixtures and personal property which are necessary to operate the Properties.

4.1.12 Leasing Matters. Borrower shall (i) observe and perform the obligations imposed upon the lessor under the Leases for its Properties in a commercially reasonable manner; and (ii) enforce the terms, covenants and conditions contained in such Leases upon the part of the Tenant thereunder to be observed or performed in a commercially reasonable manner except in each case to the extent that the failure to do so would not reasonably be expected to have an Individual Material Adverse Effect with respect to a Property. No Rent may be collected under any Lease for the Properties more than one (1) month in advance of its due date.

4.1.13 Property Management.

(a) Borrower shall (i) cause Manager to manage the Properties in accordance with the Management Agreement, (ii) diligently perform and observe all of the terms, covenants and conditions of the Management Agreement on the part of Borrower to be performed and observed, (iii) promptly notify Lender of any default under the Management Agreement of which it is aware, (iv) promptly deliver to Lender a copy of each financial statement, business plan, capital expenditures plan, report and estimate received by it under the Management Agreement, and (v) promptly enforce the performance and observance of all of the covenants required to be performed and observed by Manager under the Management Agreement in a commercially reasonable manner. If Borrower shall default in the performance or observance of any material term, covenant or condition of the Management Agreement on the part of Borrower to be performed or observed, then, without limiting Lender's other rights or remedies under this Agreement or the other Loan Documents, and without waiving or releasing Borrower from any of its Obligations hereunder or under the Management Agreement, Lender shall have the right, but shall be under no obligation, to pay any sums and to perform any act as may be appropriate to cause all the material terms, covenants and conditions of the Management Agreement on the part of Borrower to be performed or observed. In no event shall the fee payable to Manager for any Interest Period exceed the Management Fee Cap for such Interest Period and in no event shall Borrower pay or become obligated to pay to Manager, any transition or termination costs or expenses, termination fees, or their equivalent in connection with the Transfer of a Property or the termination of the Management Agreement.

(b) If any one or more of the following events occurs: (i) the occurrence of an Event of Default, (ii) Manager shall be in material default under the Management Agreement beyond any applicable notice and cure period (including as a result of any gross negligence, fraud, willful misconduct or misappropriation of funds), or (iii) Manager shall become insolvent or a debtor in any bankruptcy or insolvency proceeding, then Lender shall have the right to require Borrower to replace the Manager and enter into a Replacement Management Agreement with (x) a Qualified Manager selected by Borrower that is not an Affiliate of Borrower or (y) another property manager chosen by Borrower and approved by Lender; *provided*, that such approval shall be conditioned upon Borrower delivering a Rating Agency Confirmation as to such property manager. If Borrower fails to select a new Qualified Manager or a replacement Manager that satisfies the conditions described in the foregoing *clause (y)* and enter into a Replacement Management Agreement with such Person within sixty (60) days of Lender's

demand to replace the Manager, then Lender may choose the replacement property manager provided that such replacement property manager is a Qualified Manager or satisfies the conditions set forth in the foregoing *clause (y)* .

4.1.14 Property Files. Borrower will deliver to Lender all Property Files in an electronic format reasonably agreed by Lender and Borrower.

4.1.15 Security Deposits.

(a) All security deposits of Tenants, whether held in cash or any other form, shall be deposited into one or more Eligible Accounts (each, a “*Security Deposit Account*”) established and maintained by Borrower at a local bank which shall be an Eligible Institution, held in compliance with all Legal Requirements, and identified on *Schedule XIII* , as such schedule may be updated from time to time by delivery of written notice by the Borrower to Lender, and shall not be commingled with any other funds of Borrower. On or before the Closing Date, Borrower shall cause all security deposits of Tenants received by Borrower or Manager on or before the Closing Date to be deposited into a Security Deposit Account. Borrower shall cause all security deposits of Tenants received by Borrower or Manager after the Closing Date to be deposited into a Security Deposit Account, the Collection Account or a Rent Deposit Account within three (3) Business Days of receipt; *provided* that if Borrower receives a check or other payment that combines a security deposit of a Tenant together with Rent or other amounts owing by a Tenant, then Borrower shall deposit the combined payment into the Rent Deposit Account or Cash Management Account. Borrower shall maintain complete and accurate records of all transactions pertaining to security deposits of Tenants and the Security Deposit Accounts, with sufficient detail to identify all security deposits of Tenants separate and apart from other payments received from or by Tenants. Borrower shall, no less frequently than once each month, transfer into a Security Deposit Account any security deposits of Tenants previously received and deposited into the Collection Account or a Rent Deposit Account. The security deposits of Tenants shall be disbursed by Borrower in accordance with the terms of the applicable Leases and all Legal Requirements. In the event the Tenant under any Lease defaults such that the applicable security deposit may be drawn upon on account of such default, the proceeds of such draw shall constitute Collections and Borrower shall immediately deposit the proceeds thereof into a Rent Deposit Account or the Collection Account. Borrower shall pay for all expenses of opening and maintaining the Security Deposit Accounts. So long as the Debt is outstanding, except as otherwise provided in this *Section 4.1.15(a)* , Borrower shall not (and shall not permit Manager or any other Person to) open any other accounts for the deposit of security deposits of Tenants other than the Security Deposit Accounts.

(b) Any bond or other instrument which Borrower is permitted to hold in lieu of cash security deposits under any applicable Legal Requirements (i) shall be maintained in full force and effect in the full amount of such deposits unless replaced by cash deposits as herein above described, (ii) shall be issued by an institution reasonably satisfactory to Lender, (iii) shall, if permitted pursuant to any Legal Requirements, name Lender as payee or mortgagee thereunder (or at Lender’s option, be fully assignable to Lender), and (iv) shall in all respects comply with any applicable Legal Requirements and otherwise be satisfactory to Lender. Borrower shall, upon request, provide Lender with evidence reasonably satisfactory to Lender of Borrower’s compliance with the foregoing.

(c) (i) Upon Lender’s written request following the occurrence and during the continuance of an Event of Default, Borrower shall deliver (or cause to be delivered) to Lender (or Servicer) or to one or more accounts designated by Lender (or Servicer) the security deposits of Tenants, and (ii) upon a foreclosure of any Property or action in lieu thereof, Borrower shall deliver to Lender (or Servicer) or to an account designated by Lender (or Servicer) the security deposit applicable to the Lease with respect to such Property, except, in each case, to the extent any such security deposits were previously deposited into a Rent Deposit Account or the Collection Account in accordance with *Section 4.1.15(a)* following a default by the Tenant under the applicable Lease. Any security deposits delivered to Lender (or Servicer) pursuant to this *Section 4.1.15(c)* will be held by Lender (or Servicer) for the benefit of the applicable Tenants in accordance with the terms of the Leases and applicable law.

4.1.16 Anti-Money Laundering. Borrower shall comply and shall cause each other Loan Party to comply in all material respects with all applicable Anti-Money Laundering Laws. Without limiting the generality of the foregoing, to the extent required by the Anti-Money Laundering Laws, Borrower shall (a) maintain an anti-money laundering compliance program that is in compliance, in all material respects, with the Anti-Money Laundering Laws, (b) conduct, in all material respects, the due diligence required under the Anti-Money Laundering Laws in connection with the Leases and Tenants, including with respect to the legitimacy of the applicable Tenant and the origin of the assets used by said Tenant to lease the applicable Property and (c) maintain sufficient information to identify the applicable Tenant for purposes of compliance, in all material respects, with the Anti-Money Laundering Laws. Borrower shall provide notice to Lender, within five (5) Business Days of receipt, of any written notice of any Anti-Money Laundering Law violation or action involving a Loan Party.

4.1.17 Embargoed Persons. Prior to entering into a Lease with a prospective Tenant (excluding any existing Tenant of a Property that was previously screened in accordance with this **Section 4.1.17**), Borrower shall confirm that such prospective Tenant is not a Person whose name appears on a Government List. Borrower shall not knowingly enter into a Lease with a Person whose name appears on a Government List unless Borrower determines that such Person is not the terrorist, narcotics trafficker or other Person who is identified on such Government List but merely has the same name as such Person. If notwithstanding such confirmation, a Responsible Officer of a Loan Party or Manager obtains knowledge that a Tenant is a Person whose name appears on a Government List, it shall promptly provide notice of such fact to Lender within five (5) Business Days of acquiring knowledge thereof.

4.1.18 Cooperate in Legal Proceedings. Borrower shall cooperate fully with Lender with respect to any proceedings before any court, board or other Governmental Authority which may in any way affect the rights of Lender hereunder or any rights obtained by Lender under any of the other Loan Documents and, in connection therewith, permit Lender, at its election, to participate in any such proceedings.

4.1.19 Further Assurances. Borrower shall and shall cause each other Loan Party to, at Borrower's sole cost and expense:

(a) furnish to Lender all instruments, documents, certificates, title and other insurance reports and agreements, and each and every other document, certificate, agreement and instrument required to be furnished by Borrower pursuant to the terms of the Loan Documents or which are reasonably requested by Lender in connection therewith.

(b) cure any defects in the execution and delivery of the Loan Documents and execute and deliver, or cause to be executed and delivered, to Lender such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to correct any omissions in the Loan Documents, to evidence, preserve and/or protect the Collateral at any time securing or intended to secure the Obligations, as Lender may reasonably require; and

(c) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the better and more effective carrying out of the intents and purposes of this Agreement and the other Loan Documents, as Lender may reasonably require from time to time.

4.1.20 Costs and Expenses.

(a) Except as otherwise expressly set forth herein or in any of the other Loan Documents, Borrower shall pay or, if Borrower fails to pay, reimburse Lender upon receipt of notice from Lender, for all costs and expenses (including reasonable attorneys' fees and disbursements) incurred by Lender in connection with (i) the Relevant Parties' ongoing performance of and compliance with Borrower's agreements and covenants contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date, including confirming compliance with environmental and insurance requirements (except to the extent expressly set forth in **Section 10.20**); (ii) Lender's ongoing performance of and compliance with all agreements and covenants contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date (except to the extent expressly set forth in **Section 10.20**); (iii) the negotiation, preparation, execution and delivery of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters requested by any Relevant Party; (iv) filing and recording of any Loan Documents; (v) title insurance, surveys, inspections, Broker Price Opinions and broker opinions of market rent; (vi) the creation, perfection or protection of Lender's Liens in the Collateral (including fees and expenses for title and lien searches, intangibles taxes, personal property taxes, mortgage recording taxes, due diligence expenses, travel expenses, accounting firm fees, environmental reports and Lender's diligence consultant); (vii) enforcing or preserving any rights in response to third party claims or the prosecuting or defending of any action or proceeding or other litigation, in each case against, under or affecting any Relevant Party, the Loan Documents, any Property, or any other security given for the Loan; (viii) fees charged by Servicer (except to the extent expressly set forth in **Section 10.20**) and, if a Securitization has occurred, the Rating Agencies in connection with the Loan or any modification thereof; and (ix) enforcing any Obligations of or collecting any payments due from any Relevant Party under this Agreement, the other Loan Documents or with respect to any Property or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or of any insolvency or bankruptcy proceedings; *provided*, *however*, that Borrower shall not be liable for the payment of any such costs and expenses to the extent the same arise by reason of the active gross negligence, illegal acts, fraud or willful misconduct of Lender; *provided*, further, that this **Section 4.1.20** shall not apply with respect to Taxes other than any Taxes that represent losses or damages arising from any non-Tax claim.

(b) In addition, in connection with any Rating Agency Confirmation, Review Waiver or other Rating Agency consent, approval or review requested or required hereunder

(other than the initial review of the Loan by the Rating Agencies in connection with a Securitization), Borrower shall pay all of the costs and expenses of Lender, Servicer and each Rating Agency in connection therewith, and, if applicable, shall pay any fees imposed by any Rating Agency in connection therewith.

(c) Any costs and expenses due and payable by Borrower hereunder which are not paid by Borrower within ten (10) days after demand may be paid from any amounts in the Collection Account, with notice thereof to Borrower. The obligations and liabilities of Borrower under this **Section 4.1.20** shall (i) become part of the Obligations, (ii) be secured by the Loan Documents and (iii) survive the Term and the exercise by Lender of any of its rights or remedies under the Loan Documents.

4.1.21 Indemnity. Borrower shall indemnify, defend and hold harmless Lender from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including the reasonable fees and disbursements of counsel for Lender in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not Lender shall be designated a party thereto), that may be imposed on, incurred by, or asserted against Lender in any manner relating to or arising out of (a) any breach by any Relevant Party of its Obligations under, or any material misrepresentation by Borrower contained in, this Agreement or the other Loan Documents; and (b) the use or intended use of the proceeds of the Loan (collectively, the “**Indemnified Liabilities**”); *provided, however*, that Borrower shall not have any obligation to Lender hereunder to the extent that such Indemnified Liabilities arise from the gross negligence, illegal acts, fraud or willful misconduct of Lender. To the extent that the undertaking to indemnify, defend and hold harmless set forth in the preceding sentence may be unenforceable because it violates any law or public policy, Borrower shall pay the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Lender.

4.1.22 ERISA Matters. Each Loan Party shall and shall cause each of its ERISA Affiliates to establish, maintain and operate all Plans to comply in all material respects with the provisions of ERISA, the Code and all applicable laws, the regulations and interpretation thereunder and the respective requirements of the governing documents for such Plans. Each Loan Party shall and shall cause each of its ERISA Affiliates to establish, maintain and operate all Foreign Plans to comply in all material respects with all laws, regulations and rules applicable thereto and the respective requirements of the governing documents for such plans.

4.1.23 Formation of a Borrower TRS. If Borrower organizes a Borrower TRS then the following covenants shall be applicable:

(a) Borrower shall cause such Borrower TRS to execute and deliver to Lender promptly after the formation of such Borrower TRS and, in any event, prior to contributing any Properties or other Collateral to such Borrower TRS: (i) a guaranty substantially in the form of the Equity Owner Guaranty, guaranteeing the Obligations; (ii) a security agreement, substantially in the form of the Borrower Security Agreement, pursuant to which all personal property assets of such Borrower TRS are pledged by such Borrower TRS as security for the Obligations and (iii) such other agreements, instruments, approvals, legal opinions or other documents as are reasonably requested by Lender in order to create, perfect or establish the first priority (subject to Permitted Liens) of any Lien purported to be covered by any such Collateral Documents or

otherwise to effect the intent that all property and assets of such Borrower TRS shall become Collateral for the Obligations; *provided*, that for the avoidance of doubt, the Lien of the Mortgage encumbering any Property contributed to the Borrower TRS shall not be released at such time and no new Mortgage shall be executed with respect to or recorded against any Property contributed to such Borrower TRS by Borrower;

(b) Borrower shall deliver promptly after the formation of such Borrower TRS and, in any event, prior to contributing any Properties or other Collateral to such Borrower TRS: (i) an updated Exhibit D to the Borrower Security Agreement reflecting the pledge of Borrower's capital stock in such Borrower TRS as Collateral for the Obligations, (ii) a certificate evidencing all of the capital stock of such Borrower TRS; (iii) undated stock powers or other appropriate instruments of assignment executed in blank with signature guaranteed and (iv) such other agreements, instruments, approvals, legal opinions or other documents as are reasonably requested by Lender in order to create, perfect or establish the first priority of (subject to Permitted Liens) Lender's Lien in such capital stock or otherwise to effect the intent that such capital stock shall become Collateral for the Obligations; and

(c) Prior to contributing a Property to such Borrower TRS, Borrower shall cause such Borrower TRS to execute and deliver to Lender an assumption of the Mortgage related to such Property, in form and substance reasonably acceptable to Lender and Borrower.

4.1.24 Loan Proceeds. Borrower shall use the proceeds of the Loan received by it on the Closing Date only for the purposes set forth in **Section 2.1.5**.

Section 4.2 Negative Covenants. Borrower shall comply with the following covenants:

4.2.1 Prohibition Against Termination or Modification. Borrower shall not (a) surrender, terminate, cancel, modify, renew or extend the Management Agreement, *provided*, that Borrower may, without Lender's consent, replace Manager so long as the replacement manager is a Qualified Manager pursuant to a Replacement Management Agreement, (b) enter into any other agreement relating to the management or operation of a Property with Manager or any other Person, *provided*, that Borrower may permit Manager to enter into sub-management agreements with third-party service providers to perform all or any portion of the services by Manager so long as (x) the fees and charges payable under any such sub-management agreements shall be the sole responsibility of Manager, (y) Borrower shall have no liabilities or obligations under any such sub-management agreements, and (z) any such sub-management agreements will be terminable without penalty upon the termination of the Management Agreement, (c) consent to the assignment by the Manager of its interest under the Management Agreement, or (d) waive or release any of its rights and remedies under the Management Agreement, in each case without the express consent of Lender, which consent shall not be unreasonably withheld. If at any time Lender consents to the appointment of a new property manager or a Qualified Manager is appointed, such new property manager (including a Qualified Manager) shall execute a Replacement Management Agreement.

4.2.2 Liens Against Collateral. Borrower shall not and shall cause each other Loan Party not to create or suffer to exist any Liens upon or with respect to, any Collateral except for Liens permitted under the Loan Documents (including, without limitation, Permitted Liens).

4.2.3 Transfers. Borrower acknowledges that Lender has examined and relied on the experience of Borrower and its Affiliates, and their principals in owning and operating properties such as the Properties in agreeing to make the Loan, and will continue to rely on Borrower's ownership of the Properties as a means of maintaining the value of the Properties in connection with the repayment of the Debt and the performance of the Other Obligations. Borrower acknowledges that Lender has a valid interest in maintaining the value of the Properties so as to ensure that, should Borrower default in the repayment of the Debt or the performance of the Other Obligations, Lender can recover the Debt by a sale of the Properties or Borrower's Equity Interests. Therefore, without the prior written consent of Lender, but, in each instance, subject to the provisions of **Article 7**, neither Borrower nor any Loan Party nor any other Person having a direct or indirect ownership or beneficial interest in Borrower or any Loan Party shall sell, convey, mortgage, grant, bargain, encumber, pledge, assign or transfer the Properties or Collateral or any part thereof, or any interest, direct or indirect, in Borrower or any Loan Party, whether voluntarily or involuntarily and whether directly or indirectly, by operation of law or otherwise (a "**Transfer**"). A Transfer within the meaning of this **Section 4.2.3** shall be deemed to include (a) an installment sales agreement wherein Borrower agrees to sell a Property or any part thereof for a price to be paid in installments; (b) an agreement by Borrower for the leasing of all or a substantial part of the Property for any purpose other than the actual occupancy by a space Tenant thereunder or a sale, assignment or other transfer of, or the grant of a security interest in, Borrower's right, title and interest in and to any Leases or any Rents; (c) if Borrower, any Guarantor or any general partner, managing member or controlling shareholder of Borrower or any Guarantor is a corporation, the voluntary or involuntary sale, conveyance or transfer of such corporation's stock (or the stock of any corporation directly or indirectly controlling such corporation by operation of law or otherwise) or the creation or issuance of new stock; (d) if Borrower, any Loan Party, any Guarantor or any general partner, managing member or controlling shareholder of Borrower, any Loan Party, or any Guarantor is a limited or general partnership, joint venture or limited liability company, the change, removal, resignation or addition of a general partner, managing partner, limited partner, joint venturer or member or the transfer of the partnership interest of any general partner, managing partner or limited partner or the transfer of the interest of any joint venturer or member; and (e) any pledge, hypothecation, assignment, transfer or other encumbrance of any direct or indirect ownership interest in Borrower or any Loan Party.

4.2.4 Change in Business. Borrower shall, and shall cause each Borrower TRS to, not enter into any line of business other than the acquisition, renovation, rehabilitation, ownership, management and operation of the Properties (and any businesses ancillary or related thereto, including the ownership of a Borrower TRS), or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business. Except as provided in the Loan Documents, Borrower shall cause (a) Equity Owner to not engage in any activity other than acting as the limited partner of Borrower and the sole member of Borrower GP, (b) Borrower GP to not engage in any activity other than acting as the sole general partner of Borrower, (c) Equity Owner GP to not engage in any activity other than acting as the sole general partner of Equity Owner and (d) any Borrower TRS not to engage in any activity other than marketing and sale of Properties.

4.2.5 Changes to Accounts. Borrower shall not and shall cause each other Loan Party not to (a) open or permit to remain open any cash, securities or other account with any bank,

custodian or institution other than the Collection Account, the Accounts, the Security Deposit Accounts and Property Accounts that are subject to a Property Account Control Agreement, (b) change or permit to change any account number of the Collection Account, the Accounts or any Property Account, (c) open or permit to remain open any sub-account of the Collection Account (except any Account), the Accounts or any Property Account, (d) permit any funds of Persons other than Borrower or any Borrower TRS to be deposited or held in any of the Collection Account, the Accounts or the Property Accounts or (e) permit any Collections or other proceeds of any Properties to be deposited or held in Borrower's Operating Account other than cash that is distributed to Borrower pursuant to **Section 6.8.1(i)** .

4.2.6 Dissolution, Merger, Consolidation, Etc. Notwithstanding the foregoing, Borrower shall pay any contested Property Taxes, Other Charges and HOA Fees (or, if cash or other security has been provided, Lender may pay over any such cash or other security held by Lender to the claimant entitled thereto) if, in Lender's reasonable judgment, any Property or other Collateral (or any part thereof or interest therein) shall be in danger of being sold, forfeited, terminated, cancelled or lost or there shall be any danger of the Lien of any Collateral Document being primed by any related Lien.

4.4.9 Compliance with Agreements Relating to the Properties. (e) All Policies of insurance provided for in **Section 5.1.1(a)**, except for the Policies referenced in **Section 5.1.1(vi)**, shall contain clauses or endorsements to the effect that:

(i) no act or negligence of Borrower, or anyone acting for Borrower, or of any Tenant or other occupant, or failure to comply with the provisions of any Policy, which might otherwise result in a forfeiture of the insurance or any part thereof, shall in any way affect the validity or enforceability of the insurance insofar as Lender is concerned;

(ii) the Policy shall not be canceled without at least thirty (30) days’ written notice to Lender and any other party named therein as an additional insured (other than in the case of non-payment in which case only ten days prior notice, or the shortest time allowed by applicable Legal Requirement (whichever is longer), will be required) and shall not be materially changed (other than to increase the coverage provided thereby) without such a thirty (30) day notice;

In addition to the insurance coverages described in **Section 5.1.1**, Borrower shall obtain such other insurance as may from time to time be reasonably required by Lender in order to protect its interests. Certified copies of the Policies shall be delivered to Lender at the address below (or to such other address or Person as Lender shall designate from time to time by notice to Borrower) on the date hereof with respect to the current Policies and within thirty (30) days after the effective date thereof with respect to all renewal Policies:

JPMORGAN CHASE BANK, NATIONAL ASSOCIATION

Within thirty (30) days after request by Lender, Borrower shall obtain such increases in the amounts of coverage required hereunder as may be reasonably requested by Lender, taking into consideration changes in the value of money over time, changes in liability laws, changes in prudent customs and practices.

5.1.3 Special Insurance Reserve. Notwithstanding anything in this **Section 5.1** to the contrary, Borrower shall be permitted to obtain and maintain insurance policies with deductibles in excess of the amounts specified in this **Section 5.1**, so long as Borrower shall have deposited into and maintains at all times in the Special Insurance Reserve Account an amount equal to the difference between such higher deductible and the applicable deductible specified in this **Section 5.1** (such amount, the “**Excess Deductible**”).

Section 5.2 Casualty. If a Property is damaged or destroyed, in whole or in part, by fire or other casualty (a “**Casualty**”), Borrower shall give prompt notice thereof to Lender. Lender may, but shall not be obligated to make proof of loss if not made promptly by Borrower. In addition, Lender may participate in any settlement discussions with any insurance companies (and shall approve any final settlement) (a) if an Event of Default is continuing or (b) with respect to any Casualty in which the Net Proceeds or the costs of completing the Restoration are reasonably expected to be equal to or greater than the Casualty Threshold Amount and Borrower shall deliver to Lender all instruments required by Lender to permit such participation. Any Insurance Proceeds in connection with any Casualty (whether or not Lender elects to settle and adjust the claim or Borrower settles such claim) shall be due and payable solely to Lender and held by Lender in accordance with the terms of this Agreement. If Borrower or any party other than Lender receives any Insurance Proceeds or Condemnation Proceeds, Borrower shall immediately deliver such proceeds to Lender and shall endorse, and cause all such third parties to endorse, check payable therefor to the order of Lender. Borrower hereby irrevocably appoints Lender as its attorney-in-fact, coupled with an interest, to endorse any such check payable to the order of Lender. Borrower hereby releases Lender from any and all liability with respect to the settlement and adjustment by Lender of any claims in respect of any Casualty.

Section 5.3 Condemnation. Lender may participate in any such proceedings, and Borrower shall from time to time deliver to Lender all instruments requested by it to permit such participation. Borrower shall, at its expense, diligently prosecute any such proceedings, and shall consult with Lender, its attorneys and experts, and cooperate with them in the carrying on or defense of any such proceedings which is reasonably expected to involve an Award of an amount greater than the Casualty Threshold Amount. Notwithstanding any taking by any public or quasi-public authority through Condemnation or otherwise (including, but not limited to, any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement and the

Debt shall not be reduced until any Condemnation Proceeds shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. If Borrower or any party other than Lender receives any Condemnation Proceeds, Borrower shall immediately deliver such proceeds to Lender and shall endorse, and cause all such third parties to endorse, a check payable therefore to the order of Lender. Lender shall not be limited to the interest paid on the Award by the condemning authority but shall be entitled to receive out of the Award interest at the rate or rates provided herein or in the Note. Net Proceeds from a Condemnation shall be applied as follows:

(a) If a partial Condemnation of a Property does not interfere with the use of such Property as a residential rental property, then the Net Proceeds paid by the condemning authority shall be applied to the prepayment of the Debt in accordance with **Section 2.4.3(c)**.

(b) If a partial Condemnation of a Property does interfere with the use of such Property as a residential rental property or if there occurs a complete Condemnation of a Property (each, a “**Fully Condemned Property**”), then (i) if no Event of Default shall have occurred and be continuing and, within thirty (30) days of the date of the occurrence of such Condemnation, Borrower delivers to Lender a written undertaking to substitute the Fully Condemned Property with a Substitute Property in accordance with the requirements of **Section 2.4.3(a)**, then (A) if Net Proceeds are paid by the condemning authority directly to Borrower subsequent to such substitution, such Net Proceeds may be retained by Borrower (for the avoidance of doubt, Net Proceeds received by Borrower prior to such substitution shall be immediately paid to Lender as required by **Section 5.2**), (B) if Net Proceeds are paid by the condemning authority to Lender, such Net Proceeds will be disbursed by Lender to Borrower upon the consummation of such substitution and (C) Borrower shall provide a Substitute Property within ten (10) Business Days of the date of such undertaking in accordance with the requirements of **Section 2.4.3(a)** and (ii) if an Event of Default shall have occurred and be continuing or Borrower fails to deliver such an undertaking to Lender, then (A) Lender may retain any Net Proceeds received by it, (B) Borrower shall immediately deliver to Lender any Net Proceeds paid to Borrower, (C) Net Proceeds shall be applied to the prepayment of the Debt in accordance with **Section 2.4.3(c)** and (D) Borrower shall prepay the Loan in an amount equal to the positive difference between such Net Proceeds and the Allocated Loan Amount for the Fully Condemned Property, together with all interest and other amounts required to be paid in connection therewith under **Section 2.4.5** (collectively, the “**Fully Condemned Property Prepayment Amounts**”). Following Borrower’s written request after either (1) the substitution of a Substitute Property for such Fully Condemned Property in accordance with the conditions set forth above or (2) receipt by Lender of the Net Proceeds and payment by Borrower of the Fully Condemned Property Prepayment Amounts, Lender shall release the Fully Condemned Property from the applicable Mortgage Documents and related Lien, provided, that (x) Borrower has delivered to Lender a draft release (and, in the event the Mortgage and the Assignment of Leases and Rents applicable to the Fully Condemned Property encumbers other Property(ies) in addition to the Fully Condemned Property, such release shall be a partial release that relates only to the Fully Condemned Property and does not affect the Liens and security interests encumbering or on the other Property(ies)) in form and substance appropriate for the jurisdiction in which such Fully Condemned Property is located and shall contain standard provisions protecting the rights of Lender and (y) Borrower shall pay all costs, taxes and expenses associated with such release (including, without limitation, cost to file and record the release and Lender’s reasonable attorneys’ fees).

(c) If Borrower elects to undertake the Restoration of a Property or Properties pursuant to **Section 5.4(a)**, (i) Borrower shall commence the Restoration as soon as reasonably practicable (but in no event later than ninety (90) days after such Casualty occurs) and shall diligently pursue the same to satisfactory completion; (ii) Borrower shall cause the affected Property and the use thereof after the Restoration to be in compliance with and permitted under all applicable Legal Requirements and such Property, after Restoration, shall be of the same character as prior to such damage or destruction; (iii) the Restoration shall be done and completed by Borrower in an expeditious and diligent fashion and in compliance with all applicable Legal Requirements and the Renovation Standards and (iv) Borrower shall deliver, or cause to be delivered, to Lender a signed detailed budget approved in writing by Borrower's architect or engineer stating the entire cost of completing the Restoration, which budget shall be reasonably acceptable to Lender.

(d) If Borrower elects to undertake the Restoration of a Property or Properties pursuant to **Section 5.4(b)**, the following provisions shall apply:

(i) the Net Proceeds shall be made available to Borrower for Restoration upon the determination of Lender that the following conditions are met: (i) Borrower shall commence the Restoration as soon as reasonably practicable (but in no event later than ninety (90) days after such Casualty occurs) and shall diligently pursue the same to satisfactory completion; (ii) Lender shall be satisfied that any operating deficits, including all scheduled payments of principal and interest under the Note, which will be incurred with respect to the Properties as a result of the occurrence of the Casualty, whichever the case may be, will be covered out of (1) the Net Proceeds, (2) the insurance coverage referred to in **Section 5.1.1(a)(ii)**, if applicable, or (3) by other funds of Borrower; (iii) Lender shall be satisfied that the Restoration will be completed on or before the earliest to occur of (1) the date six (6) months prior to the Stated Maturity Date, as extended pursuant to **Section 2.7**, (2) the earliest date required for such completion under the terms of any Lease, (3) such time as may be required under applicable Legal Requirements or (4) six (6) months prior to the expiration of the insurance coverage referred to in **Section 5.1.1(a)(ii)**; (iv) Borrower shall cause the affected Property and the use thereof after the Restoration to be in compliance with and permitted under all applicable Legal Requirements and such Property, after Restoration,

(ii) The Net Proceeds shall be held by Lender in the Casualty and Condemnation Account and, until disbursed in accordance with the provisions of this **Section 5.4(d)**, shall constitute additional security for the Debt and other obligations under the Loan Documents. The Net Proceeds shall be disbursed by Lender to, or as directed by, Borrower from time to time during the course of the Restoration, upon receipt of evidence satisfactory to Lender that (A) all materials installed and work and labor performed (except to the extent that they are to be paid for out of the requested disbursement) in connection with the Restoration have been paid for in full, and (B) there exist no notices of pendency, stop orders, mechanic's or materialman's liens or notices of intention to file same, or any other liens or encumbrances of any nature whatsoever on the Properties which have been fully bonded to the satisfaction of Lender and discharged of record or in the alternative fully insured to the satisfaction of Lender by the title company issuing the Title Insurance Policy.

(iii) All plans and specifications required in connection with the Restoration shall be subject to the prior approval of Lender and an independent consulting engineer selected by Lender (the "**Casualty Consultant**"). Lender shall have the use of the plans and specifications and all permits, licenses and approvals required or obtained in connection with the Restoration. The identity of the contractors, subcontractors and materialmen engaged in the Restoration, as well as the contracts under which they have been engaged, shall be subject to the approval of Lender and the Casualty Consultant. All costs and expenses incurred by Lender in connection with recovering, holding and advancing the Net Proceeds for the Restoration including, without limitation, reasonable attorneys' fees and disbursements and the Casualty Consultant's fees and disbursements, shall be paid by Borrower.

(iv) In no event shall Lender be obligated to make disbursements of the Net Proceeds in excess of an amount equal to the costs actually incurred from time to time for work in place as part of the Restoration, as certified by the Casualty Consultant, less the Casualty Retainage. The term "**Casualty Retainage**" shall mean, as to each contractor, subcontractor or materialman engaged in the Restoration, an amount equal to ten percent (10%) of the costs actually incurred for work in place as part of the Restoration, as certified by the Casualty Consultant, until the Restoration has been completed. The Casualty Retainage shall in no event, and notwithstanding anything to the contrary set forth above in this **Section 5.4(d)**, be less than the amount actually held back by Borrower from contractors, subcontractors and materialmen engaged in the Restoration. The Casualty Retainage shall not be released until the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this **Section 5.4(b)** and that all approvals necessary for the re-occupancy

and use of the Property have been obtained from all appropriate Governmental Authorities, and Lender receives evidence satisfactory to Lender that the costs of the Restoration have been paid in full or will be paid in full out of the Casualty Retainage; provided, however, that Lender will release the portion of the Casualty Retainage being held with respect to any contractor, subcontractor or materialman engaged in the Restoration as of the date upon which (x) the Casualty Consultant certifies to Lender that such contractor, subcontractor or materialman has satisfactorily completed all work and has supplied all materials in accordance with the provisions of such contractor's, subcontractor's or materialman's contract, (y) the contractor, subcontractor or materialman delivers the lien waivers and evidence of payment in full of all sums due to the contractor, subcontractor or materialman as may be reasonably requested by Lender or by the title company issuing the Title Insurance Policy, and (z) Lender receives an endorsement to the Title Insurance Policy insuring the continued priority of the Lien of the Mortgage and evidence of payment of any premium payable for such endorsement. If required by Lender, the release of any such portion of the Casualty Retainage shall be approved by the surety company, if any, which has issued a payment or performance bond with respect to the contractor, subcontractor or materialman.

(v) Lender shall not be obligated to make disbursements of the Net Proceeds more frequently than once every calendar month.

(vi) If at any time the Net Proceeds or the undisbursed balance thereof shall not, in the opinion of Lender in consultation with the Casualty Consultant, be sufficient to pay in full the balance of the costs which are estimated by the Casualty Consultant to be incurred in connection with the completion of the Restoration, Borrower shall deposit the deficiency (the "**Net Proceeds Deficiency**") with Lender (for deposit into the Casualty and Condemnation Account) before any further disbursement of the Net Proceeds shall be made. The Net Proceeds Deficiency deposited with Lender shall be deposited by Lender into the Casualty and Condemnation Account and shall be disbursed for costs actually incurred in connection with the Restoration on the same conditions applicable to the disbursement of the Net Proceeds, and until so disbursed pursuant to this **Section 5.4(d)** shall constitute additional security for the Obligations.

(vii) The excess, if any, of the Net Proceeds and the remaining balance, if any, of the Net Proceeds Deficiency deposited with Lender after the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this **Section 5.4(d)**, and the receipt by Lender of evidence satisfactory to Lender that all costs incurred in connection with the Restoration have been paid in full, shall be remitted by Lender to Borrower, provided no Event of Default shall have occurred and shall be continuing.

(e) All reasonable out-of-pocket costs and expenses incurred by Lender in connection with any Restoration including, without limitation, reasonable attorneys' fees and disbursements, shall be paid by Borrower.

(f) Notwithstanding anything to the contrary set forth in this Agreement, including the provisions of **Section 5.3** or **Section 5.4**, if the Loan is included in a REMIC Trust and, immediately following a release of any portion of the Lien of a Mortgage following a Casualty or Condemnation of a Property (but taking into account any proposed Restoration of the

remaining portion of such Property), the ratio of the unpaid principal balance of the Loan to the value of the remaining Properties is greater than one hundred twenty-five percent (125%) (such value to be determined, in Lender's sole discretion, by any commercially reasonable method permitted to a REMIC Trust; and which shall exclude the value of personal property (other than fixtures) or going concern value, if any), the Outstanding Principal Balance must be paid down (by application of the Net Proceeds or Award, as applicable, or if such amounts are not sufficient, by Borrower) by a "qualified amount" as that term is defined in the IRS Revenue Procedure 2010-30, as the same may be amended, replaced, supplemented or modified from time to time, unless Lender receives an opinion of counsel that if such amount is not paid, the applicable Securitization will not fail to maintain its status as a REMIC Trust as a result of the related release of such portion of the Lien of such Mortgage. If and to the extent the preceding sentence applies, only such amount of the net Award or net Insurance Proceeds (as applicable), if any, in excess of the amount required to pay down the principal balance of the Loan may be released for purposes of Restoration or released to Borrower as otherwise expressly provided in *Section 5.3* or *Section 5.4*.

(g) In the event of foreclosure of a Mortgage, or other transfer of title to a Property or Properties in extinguishment in whole or in part of the Debt all right, title and interest of Borrower in and to the Policies that are not blanket Policies then in force concerning such Property or Properties and all proceeds payable thereunder shall thereupon vest in the purchaser at such foreclosure or Lender or other transferee in the event of such other transfer of title.

The Rent Deposit Accounts shall be subject to a Property Account Control Agreement and Borrower and Manager shall have access to and may make withdrawals from any Rent Deposit Account for the sole purpose of making refunds of partial payments of Rents to preserve rights of eviction (as provided below) until the occurrence of an Event of Default, after which Lender may exercise sole control and dominion over each Rent Deposit Account and neither Borrower nor Manager shall have the right of withdrawal from or access to the Rent Deposit Accounts; *provided* that, for the avoidance of doubt, no Property Account Control Agreement shall be required with respect to Security Deposit Accounts. Borrower shall cause all Rents which are paid to or received by Borrower or Manager to be deposited into a Rent Deposit Account or the Collection Account, provided that all Rents are deposited into the Collection Account within three (3) Business Days after receipt thereof by Borrower or Manager. Borrower shall (or instruct Manager to) cause all funds on deposit in a Rent Deposit Account to be deposited into the Collection Account every third (3rd) Business Day (or more frequently in Borrower's discretion), *provided*, that so long as no Event of Default exists, Borrower may cause Rent Deposit Bank to retain a reasonable amount of funds in the Rent Deposit Accounts (the "**Rent Deposit Account Retained Amount**") with respect to anticipated overdrafts, charge-backs and refunds of partial payments of Rents to preserve rights of eviction, provided in no event shall the Rent Deposit Account Retained

Amount exceed two and one-half percent (2.5%) of the total Rents deposited into the Rent Deposit Accounts during the immediately prior calendar month. Borrower shall cause any Rents which are paid to Borrower or Manager via wire or other electronic means to be deposited directly into a Rent Deposit Account or the Collection Account and, without limitation of the foregoing, Borrower shall notify and advise each current and future Tenant to send all payments of Rent pursuant to an instruction letter in the form of **Exhibit D** attached hereto (a “ **Tenant Direction Letter** ”). The Collection Account and all other Accounts shall be subject to the Blocked Account Control Agreement and shall be under the sole control and dominion of Lender, and Borrower shall have no right of withdrawal therefrom. Neither Borrower nor Manager shall have the right of withdrawal with respect to the Collection Account or any Accounts except with the prior written consent of Lender, and neither Borrower, Manager, nor any Person claiming on or behalf of or through Borrower or Manager shall have any right or authority to give instructions with respect to the Collection Account or the Accounts. Borrower shall not further pledge, assign or grant any security interest in the Rent Deposit Accounts or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 financing statements, except those naming Lender as the secured party, to be filed with respect thereto. Borrower shall indemnify Lender and hold Lender harmless from and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations and costs and expenses (including litigation costs and reasonable attorneys’ fees and expenses) arising from or in any way connected with the Rent Deposit Accounts and/or the related Property Account Control Agreement (unless arising from the gross negligence or willful misconduct of Lender) or the performance of the obligations for which the Rent Deposit Accounts were established.

(d) *fourth*, to Lender, funds sufficient to pay the Monthly Debt Service Payment Amount, applied (A) *first*, to the payment of interest then due and payable on Component A, (B) *second*, to the payment of interest then due and payable on Component B, (C) *third*, to the payment of interest then due and payable on Component C, (D) *fourth*, to the payment of interest then due and payable on Component D, (E) *fifth*, to the payment of interest then due and payable on Component E, (F) *sixth*, to the payment of interest then due and payable on Component F, and (G) *seventh*, to the payment of interest then due and payable on Component G;

(e) *fifth* , to the Manager, management fees payable for the calendar month ending immediately prior to such Monthly Payment Date, but not in excess of six percent (6%) of gross Rents collected during such calendar month;

(f) *sixth* , to the Capital Expenditure Account, to make the required payments of Capital Expenditure Funds as required under **Section 6.4** ;

(g) *seventh* , to Lender, any other fees, costs, expenses (including Trust Fund Expenses) or indemnities then due or payable under this Agreement or any other Loan Document;

(h) *eighth* , to Lender the amount of any mandatory prepayment of the Outstanding Principal Balance pursuant to **Sections 2.4.3** then due and payable and all other amounts payable in connection therewith, such amounts to be applied in the manner set forth in **Section 2.4.5(d)** ;

(i) *ninth* , all amounts remaining after payment of the amounts set forth in clauses (a) through (h) above (the “ **Available Cash** ”) either:

(B) if as of a Monthly Payment Date a Low Debt Yield Period is continuing:

(1) *first* , to Borrower’s Operating Account, funds in an amount equal to the Monthly Budgeted Amount;

(2) *second* , to Borrower’s Operating Account, payments for Approved Extraordinary Operating Expenses, if any; and

(3) *third* , to the Cash Collateral Account to be held or disbursed in accordance with **Section 6.7** .

6.8.2 Application During Event of Default . Notwithstanding anything to the contrary contained herein (including this **Article 6**), upon the occurrence and during the continuance of an Event of Default, Lender, at its option, may apply any Collections then in the possession of Lender, Servicer or the Collection Account Bank (including any Reserve Funds on deposit in the Accounts) or any Property Account Bank to the payment of the Debt in such order, proportion and priority as Lender may determine in its sole and absolute discretion. Lender’s right to withdraw and apply any of the foregoing funds shall be in addition to all other rights and remedies provided to Lender under the Loan Documents.

6.8.3 Annual Budget . Prior to the date hereof, Borrower has submitted and Lender has approved an Annual Budget for the 2015 calendar year (the “ **Approved Initial Budget** ”). Borrower shall submit to Lender by November 1 of each year the Annual Budget relating to the Properties for the succeeding Fiscal Year. During the continuance of a Trigger

Period, Lender shall have the right to approve each Annual Budget (which approval shall not be unreasonably conditioned, delayed or withheld so long as no Event of Default is continuing). An Annual Budget approved by Lender during a Trigger Period or any Annual Budget submitted prior to the commencement of a Trigger Period, shall each hereinafter be referred to as an “**Approved Annual Budget**”. In the event of a Transfer of any Property the Approved Annual Budget shall be reduced as reasonably determined by Lender in consultation with Borrower in order to reflect the removal of such Property and the Operating Expenses associated therewith; *provided, further*, that no such reduction shall be made in the event such Transfer is made in connection with a substitution under **Section 2.4.3(a)**. If Lender has the right to approve an Annual Budget pursuant to this **Section 6.8.3**, neither Borrower nor Manager shall change or modify the Annual Budget that has been approved by Lender without the prior written consent of Lender (which consent shall not be unreasonably withheld, conditioned or delayed so long as no Event of Default is continuing). The “**Monthly Budgeted Amount**” for each Monthly Payment Date shall mean the monthly amount set forth in the Approved Annual Budget for Operating Expenses and Capital Expenditures for the Interest Period related to such Monthly Payment Date. If during any Trigger Period, Borrower has submitted an Annual Budget and such Annual Budget has not been approved prior to the commencement of the calendar year to which such budget relates then the previous Approved Annual Budget shall continue to be deemed to be the Approved Annual Budget for that calendar year, except that the line item for Capital Expenditures shall not exceed the Capital Expenditures set forth in the Approved Initial Budget.

6.8.4 Extraordinary Operating Expenses. During any Low Debt Yield Period, in the event that Borrower incurs or is required to incur an extraordinary operating expense not set forth in the Approved Annual Budget relating to the Properties (each an “**Extraordinary Operating Expense**”), then Borrower shall promptly deliver to Lender a reasonably detailed explanation of such proposed Extraordinary Operating Expense for Lender’s approval. Any Extraordinary Operating Expense approved by Lender is referred to herein as an “**Approved Extraordinary Operating Expense**”. Any Funds distributed to Borrower for the payment of Approved Extraordinary Operating Expenses pursuant to **Section 6.8.1** shall be used by Borrower only to pay for such Approved Extraordinary Operating Expenses or reimburse Borrower for such Approved Extraordinary Operating Expenses, as applicable.

Section 6.9 Security Interest in Reserve Funds. As security for payment of the Debt and the performance by Borrower of all other terms, conditions and provisions of the Loan Documents, Borrower hereby pledges and assigns to Lender, and grants to Lender a security interest in, all Borrower’s right, title and interest in and to all (collectively, the “**Account Collateral**”) (i) Collections, (ii) any and all Permitted Investments, (iii) in and to all payments to, cash, checks, drafts, letters of credit, certificates and instruments from time to time held in the Property Accounts, the Collection Account and/or Accounts (collectively, the “**Cash Management Accounts**”), (iv) all interest, dividends, cash, instruments, investment property and other property from time to time received, receivable or otherwise payable in respect of, or in exchange for, any or all of the foregoing, and (v) to the extent not covered by **clauses (i), (ii), (iii) or (iv)** above, all “proceeds” (as defined under the UCC) of any or all of the foregoing. Borrower hereby grants to Lender a continuing security interest in, and agrees to hold in trust for the benefit of Lender, all Rents and other Collections in its possession prior to the (x) payment of such Collections to Lender or (y) deposit of such Collections into a Rent Deposit Account or Collection Account, as applicable. Borrower shall not, without obtaining the prior written consent of Lender, further pledge, assign or grant any security interest in any Cash Management

Account, or permit any Lien to attach thereto, or any levy to be made thereon, or any UCC Financing Statements, except those naming Lender as the secured party, to be filed with respect thereto. This Agreement is, among other things, intended by the parties to be a security agreement for purposes of the UCC. Upon the occurrence and during the continuance of an Event of Default, Lender may apply any sums in any Cash Management Account in any order and in any manner as Lender shall elect in Lender's discretion without seeking the appointment of a receiver and without adversely affecting the rights of Lender to foreclose the Lien of any Mortgage Documents, Borrower Security Agreement or exercise its other rights under any other Loan Documents. Provided no Event of Default exists, all interest which accrues on the funds in the Collection Account or any Account (other than the Tax Account and the Insurance Account) shall accrue for the benefit of Borrower and shall be taxable to Borrower and shall be added to and disbursed in the same manner and under the same conditions as the principal sum on which said interest accrued. Upon repayment in full of the Debt, all remaining funds in the Collection Account and the Accounts, if any, shall be promptly disbursed to Borrower.

Section 6.10 Eligibility Reserve Account.

(a) Deposit of Eligibility Funds. If Borrower shall be required to make a prepayment in respect of any Property pursuant to **Section 2.4.3(a)** (other than in the case of any Property that constitutes a Disqualified Property due to the occurrence of a Voluntary Action in respect thereof), Borrower shall have an option to deposit into an Account (the "**Eligibility Reserve Account**") an amount equal to one hundred percent (100%) of the Allocated Loan Amount for any such Property ("**Eligibility Funds**"), provided that Borrower provides Lender with written notice of any such Eligibility Funds and, no later than the due date for the prepayment required under **Section 2.4.3(a)**, delivers such Eligibility Funds with Lender for deposit to the Eligibility Reserve Account.

(b) Release of Eligibility Funds. Provided no Default or Event of Default exists, Lender shall disburse the Eligibility Funds with respect to a Property to Borrower upon (i) the sale of such Property and payment in full of the applicable Release Amount, (ii) upon such Property becoming an Eligible Property or (iii) upon the substitution of the applicable Disqualified Property with a Substitute Property in accordance with the conditions of **Section 2.4.3(a)**.

Section 6.11 Release of Reserve Funds Generally. Notwithstanding anything to the contrary contained in this **Article 6**, disbursements of Reserve Funds to Borrower shall only occur on the Reserve Release Date after receipt by Lender of a Reserve Release Request from Borrower not less than five (5) Business Days prior to such date; *provided*, that if the amount of Reserves to be released to Borrower on any Reserve Release Date is less than the Minimum Disbursement Amount, then such Reserves shall continue to be maintained in the Reserve Accounts until the next Reserve Release Date on which an amount equal to or greater than the Minimum Disbursement Amount is available for disbursement or until the payment in full of the Obligations.

ARTICLE 7

(g) a Sponsor Public Listing or a Sponsor Public Sale provided that:

(iv) the Properties shall continue to be managed by Existing Manager or by a Qualified Manager pursuant to a Replacement Management Agreement;

(v) notwithstanding the foregoing, no Transfer of any direct interest in Borrower, any other Loan Party or any SPC Party shall be permitted in connection with such Sponsor Public Listing or Sponsor Public Sale;

(vi) so long as the Loan is outstanding, (A) no pledge or other encumbrance of any direct interests in any Restricted Pledge Party (other than pledges securing the Obligations pursuant to the Collateral Documents) shall be permitted, and (B) no Restricted Pledge Party shall issue preferred equity that has the characteristics of mezzanine debt (such as a fixed maturity date, regular payments of interest, a fixed rate of return and rights of the equity holder to demand repayment of its investment);

(vii) in the case of a Transfer that is a Sponsor Public Listing, shareholder equity in an amount of at least Two Hundred Million and No/100 Dollars (\$200,000,000) has been sold to third parties in such Sponsor Public Listing and the Public Vehicle that has been listed satisfies the Eligibility Requirements; and

Section 8.2 Remedies .

8.2.1 Acceleration. Upon the occurrence of an Event of Default (other than an Event of Default described in *clauses (vii)*, *(viii)* or *(ix)* of **Section 8.1**) and at any time thereafter, Lender may, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, take such action, without notice or demand (and Borrower hereby expressly waives any such notice or demand), that Lender deems advisable to protect and enforce its rights against any Relevant Party and in and to the

Properties, including declaring the Obligations to be immediately due and payable, and Lender may enforce or avail itself of any or all rights or remedies provided in the Loan Documents against the Relevant Parties, including all rights or remedies available at law or in equity; and upon any Event of Default described in *clauses (vii) , (viii) or (ix) of Section 8.1* , the Obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable in full, without notice or demand, and the Loan Parties hereby expressly waives any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding.

8.2.2 Remedies Cumulative .

(a) During the continuance of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to Lender against each Relevant Party under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, a Relevant Party or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Obligations shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to the Collateral. The rights, powers and remedies of Lender under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against a Relevant Party pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued independently, singly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law or contract or as set forth herein or in the other Loan Documents or by equity. Without limiting the generality of the foregoing, if an Event of Default is continuing (i) Lender shall not be subject to any "one action" or "election of remedies" law or rule, and (ii) all Liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Properties and the other Collateral and each Mortgage has been foreclosed, sold and/or otherwise realized upon in satisfaction of the Obligations or the Obligations have been paid in full including, without limitation, any liquidation fees, workout fees, special servicing fees and interest payable on advances made by the Servicer with respect to delinquent debt service payments or expenses of curing Borrower's or any Loan Party's defaults under the Loan Documents or other similar fees payable to Servicer or any special servicer in connection therewith. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to a Relevant Party shall not be construed to be a waiver of any subsequent Default or Event of Default by such Relevant Party or to impair any remedy, right or power consequent thereon.

(b) With respect to Borrower, the other Loan Parties and the Collateral, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to any Property or other portion of the Collateral for the satisfaction of any of the Debt in preference or priority to any other portion of the Collateral, and Lender may seek satisfaction out of all of the Collateral or any part thereof, in its absolute discretion in respect of the Debt. During the continuance of an Event of Default, Lender shall have the right from time to time to

partially foreclose any Mortgage or the Lien of any of the other Collateral Documents in any manner and for any amounts secured by the Collateral Documents then due and payable as determined by Lender in its sole discretion, including the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal and interest, Lender may foreclose one or more of the Mortgages or other Collateral Documents to recover such delinquent payments, or (ii) in the event Lender elects to accelerate less than the entire Outstanding Principal Balance, Lender may foreclose one or more of the Mortgages or other Collateral Documents to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by the Mortgages and the other Collateral Documents as Lender may elect. Notwithstanding one or more partial foreclosures, the Collateral shall remain subject to the Mortgages and the other Collateral Documents to secure payment of the sums secured by the Collateral Documents and not previously recovered.

8.2.3 Severance.

(b) During the continuance of an Event of Default, Lender shall have the right from time to time to sever the Note and the other Loan Documents into one or more separate notes, Collateral Documents and other security documents in such denominations as Lender shall determine in its sole discretion for purposes of evidencing and enforcing its rights and remedies provided hereunder. The Loan Parties shall execute and deliver to Lender from time to time, promptly after the request of Lender, a severance agreement and such other documents as Lender shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Lender. The Loan Parties hereby absolutely and irrevocably appoint Lender as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect the aforesaid severance, Borrower ratifying all that its said attorney shall do by virtue thereof; *provided, however*, Lender shall not make or execute any such documents under such power until three (3) days after notice has been given to a Loan Party by Lender of Lender's intent to exercise its rights under such power.

(c) During the continuance of an Event of Default, any amounts recovered from the Collateral may be applied by Lender toward the payment of any interest and/or principal of the Loan and/or any other amounts due under the Loan Documents, in such order, priority and proportions as Lender in its sole discretion shall determine.

(d) As used in this **Section 8.2**, a "foreclosure" shall include, without limitation, any sale by power of sale.

8.2.4 Lender's Right to Perform. If any Loan Party fails to perform any covenant or obligation contained herein and such failure shall continue for a period of five (5) Business Days after Borrower's receipt of written notice thereof from Lender, without in any way limiting Lender's right to exercise any of its rights, powers or remedies as provided hereunder, or under any of the other Loan Documents, Lender may, but shall have no obligation to, perform, or cause the performance of, such covenant or obligation, and all costs, expenses, liabilities, penalties and fines of Lender incurred or paid in connection therewith shall be payable by Borrower to Lender upon demand and if not paid shall be added to the Obligations (and to the extent permitted under applicable laws, secured by the Mortgages and the other Collateral Documents) and shall bear interest thereafter at the Default Rate. Notwithstanding the foregoing, Lender shall have no obligation to send notice to Borrower of any such failure.

ARTICLE 9

SECURITIZATION

Section 9.1 Securitization

(a) Lender shall have the right (i) to sell or otherwise transfer the Loan or any portion thereof as a whole loan, (ii) to sell participation interests in the Loan, or (iii) to securitize the Loan or any portion thereof in a single asset securitization or a pooled loan securitization. (The transactions referred to in **clauses (i)**, **(ii)** and **(iii)** are each hereinafter referred to as a “*Secondary Market Transaction*” and the transactions referred to in **clause (iii)** shall hereinafter be referred to as a “*Securitization*”. Any certificates, notes or other securities issued in connection with a Secondary Market Transaction are hereinafter referred to as “*Securities*”). At Lender’s election, each note and/or component comprising the Loan may be subject to one or more Secondary Market Transactions.

(b) If requested by Lender, the Loan Parties shall use reasonable efforts to provide information in the possession or control of Borrower or its Affiliates, attorneys, accountants or other agents or which may be reasonably required by Lender in order to satisfy the market standards to which Lender customarily adheres or which may be required in the marketplace, by prospective investors, the Rating Agencies, applicable Legal Requirements and/or otherwise in the marketplace in connection with any Secondary Market Transactions, including to:

(i) (A) provide updated financial and other information with respect to the Properties, the business operated at the Properties, Borrower, Sponsor and the Manager, including, without limitation, the information set forth on **Exhibit C** attached hereto, and (B) provide updated budgets and other information (to extent required by investors or Rating Agencies) relating to the Properties (the “*Updated Information*”) which were obtained in connection with the origination of the Loan;

(ii) provide (A) an updated Insolvency Opinion, and (B) updated opinions of Borrower’s and Guarantors’ New York and Delaware counsel, substantially the same as those delivered as of the Closing Date, which opinions shall be addressed, for purposes or reliance thereon, to each Person acquiring any interest in the Loan in connection with any Secondary Market Transaction (including, without limitation, any “B Note” purchasers), or otherwise reasonably satisfactory to Lender and the Rating Agencies;

(iii) (A) confirm that as of the closing date of any Secondary Market Transaction, the representations and warranties as set forth in the Loan Documents are true, complete and correct in all material respects as of the closing date of the Secondary Market Transaction (except to the extent that any such representations and warranties are and can only be made as of a specific date and the facts and circumstances upon which such representation and warranty is based are specific solely to a certain date in which case confirmation as to truth, completeness and correctness shall be provided as of such

specific date or to the extent such representations are no longer true and correct as a result of subsequent events in which case Borrower shall provide an updated representation or warranty) and (B) make such additional representations and warranties as the Rating Agencies may customarily require; and

(iv) execute amendments to the Loan Documents and the Loan Parties' organizational documents requested by Lender; *provided*, *however*, that Borrower shall not be required to modify or amend any Loan Document if such modification or amendment would (A) cause the initial weighted average of the interest rates for all Components in the aggregate immediately after the effective date of such modification to exceed the weighted average interest rate of the original Components in the aggregate immediately prior to such modification, (B) cause the outstanding principal balance of all Components in the aggregate immediately after the effective date of such modification to exceed the outstanding principal balance of all Components in the aggregate immediately prior to such modification, (C) require Borrower to make or remake any representations or warranties, (D) require principal amortization of the Loan (other than repayment in full on the Maturity Date), (E) change any Stated Maturity Date or (F) otherwise increase the obligations or reduce the rights of Borrower or any Guarantor under the Loan Documents.

(c) If, at the time a Disclosure Document is being prepared for a Securitization, Lender reasonably determines that Borrower alone or Borrower and one or more Affiliates of Borrower (including any guarantor or other Person that is directly or indirectly committed by contract or otherwise to make payments on all or a part of the Loan) collectively, or the Properties alone or the Properties and Related Properties collectively, will be a Significant Obligor, Borrower shall furnish to Lender upon request the following financial information:

(i) if Lender reasonably determines that the principal amount of the Loan together with any Related Loans, as of the cut-off date for such Securitization, may equal or exceed ten percent (10%) (but less than twenty percent (20%)) of the aggregate principal amount of all mortgage loans included or expected to be included in the Securitization, net operating income for the Properties and the Related Properties for the most recent Fiscal Year and interim period as required under Item 1112(b)(1) of Regulation AB (or, if the Loan is not treated as a non-recourse loan under Instruction 3 for Item 1101(k) of Regulation AB, selected financial data meeting the requirements and covering the time periods specified in Item 301 of Regulation S-K and Item 1112(b)(1) of Regulation AB), or

(ii) if Lender reasonably determines that the principal amount of the Loan together with any Related Loans, as of the cut-off date for such Securitization, may equal or exceed twenty percent (20%) of the aggregate principal amount of all mortgage loans included or expected to be included in the Securitization, the financial statements required under Item 1112(b)(2) of Regulation AB (which includes, but may not be limited to, a balance sheet with respect to the entity that Lender determines to be a Significant Obligor for the two most recent Fiscal Years and applicable interim periods, meeting the requirements of Rule 3-01 of Regulation S-X, and statements of income and statements of cash flows with respect to the Properties for the three most recent Fiscal Years and applicable interim periods, meeting the requirements of Rule 3-02 of Regulation S-X (or if Lender determines that the Properties is the Significant Obligor and

the Properties (other than properties that are hotels, nursing homes, or other properties that would be deemed to constitute a business and not real estate under Regulation S-X or other legal requirements) was acquired from an unaffiliated third party and the other conditions set forth in Rule 3-14 of Regulation S-X have been met, the financial statements required by Rule 3-14 of Regulation S-X)).

(d) Further, if requested by Lender, Borrower shall, promptly upon Lender's request, furnish to Lender financial data or financial statements meeting the requirements of Item 1112(b)(1) or (2) of Regulation AB, as specified by Lender, for any Tenant of the Properties if, in connection with a Securitization, Lender reasonably determines there to be, as of the cutoff date for such Securitization, a concentration with respect to such Tenant or group of Affiliated Tenants within all of the mortgage loans included or expected to be included in the Securitization such that such Tenant or group of Affiliated Tenants would constitute a Significant Obligor. Borrower shall furnish to Lender, in connection with the preparation of the Disclosure Documents and on an ongoing basis, financial data and/or financial statements with respect to such Tenants meeting the requirements of Item 1112(b)(1) or (2) of Regulation AB, as specified by Lender, but only for so long as such entity or entities are a Significant Obligor and either (x) filings pursuant to the Exchange Act in connection with or relating to the Securitization (an "**Exchange Act Filing**") are required to be made under applicable Legal Requirements or (y) comparable information is required to otherwise be "available" to holders of the Securities under Regulation AB or applicable Legal Requirements.

(e) If Lender determines that Borrower alone or Borrower and one or more Affiliates of Borrower collectively, or the Properties alone or the Properties and Related Properties collectively, are a Significant Obligor, then Borrower shall furnish to Lender, on an ongoing basis, selected financial data or financial statements meeting the requirements of Item 1112(b)(1) or (2) of Regulation AB, as specified by Lender, but only for so long as such entity or entities are a Significant Obligor and either (x) Exchange Act Filings are required to be made under applicable Legal Requirements or (y) comparable information is required to otherwise be "available" to holders of the Securities under Regulation AB or applicable Legal Requirements.

(f) If reasonably requested by Lender, Borrower shall provide Lender, within a reasonable period of time following Lender's request therefor, with any other or additional financial statements, or financial, statistical or operating information, as Lender shall reasonably determine to be required pursuant to Regulation S-K or Regulation S-X, as applicable, Regulation AB, or any amendment, modification or replacement thereto or other Legal Requirements relating to a Securitization or as shall otherwise be reasonably requested by Lender.

Section 9.2 Securitization Indemnification .

(a) Borrower understands that information provided to Lender by Borrower, the Guarantors and their respective agents, counsel and representatives may be included in preliminary and final disclosure documents in connection with any Secondary Market Transaction, including a Securitization, including an offering circular, a prospectus, prospectus supplement, private placement memorandum or other offering document (each, a "**Disclosure Document**") and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the "**Securities Act**"), or the Securities and Exchange Act of 1934, as amended (the "**Exchange Act**"), and may be made available to

investors or prospective investors in the Securities, investment banking firms, NRSROs, accounting firms, law firms and other third-party advisory and service providers relating to any Secondary Market Transaction, including a Securitization. Borrower also understands that the findings and conclusions of any third-party due diligence report obtained by Lender, Issuer or the Securitization placement agent or underwriter may be made publicly available if required, and in the manner prescribed, by Section 15E(s)(4)(A) of the Exchange Act and any rules promulgated thereunder.

(b) Borrower hereby agrees to indemnify Lender (and for purposes of this **Section 9.2**, Lender shall include the initial lender, its successors and assigns, and their respective officers and directors) and each Person who controls Lender within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the “**Lender Group**”), the issuer of the Securities (the “**Issuer**” and for purposes of this **Section 9.2**, Issuer shall include its officers, director and each Person who controls the Issuer within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act), and any placement agent or underwriter with respect to the Securitization, each of their respective officers and directors and each Person who controls the placement agent or underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the “**Underwriter Group**”) for any losses, claims, damages or liabilities (collectively, the “**Liabilities**”) to which Lender, Lender Group, the Issuer or the Underwriter Group may become subject insofar as the Liabilities arise out of, or are based upon, (A) any untrue statement or alleged untrue statement of any material fact contained in the Covered Disclosure Information (defined below), (B) the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated in such information or necessary in order to make the statements in such information, in light of the circumstances under which they were made, not misleading, or (C) a breach of the representations and warranties made by any Loan Party in **Section 3.1.24** of this Agreement (Full and Accurate Disclosure). For purposes of the foregoing, the “**Covered Disclosure Information**” shall mean the information provided by or on behalf of Borrower relating to Borrower, Guarantors, Manager, Sponsor, the Properties and the Loan which is contained in the sections of the Disclosure Documents entitled as follows, or comparable sections thereto: “Summary of the Offering Circular,” “Risk Factors,” “Description of the Relevant Parties and the Manager,” “Description of the Properties,” “Description of the Management Agreement and the Assignment and Subordination of Management Agreement,” “Description of the Loan,” and “Certain Legal Aspects of the Loan”, which Disclosure Documents shall be delivered for review and comment by Borrower not less than five (5) Business Days prior to the date upon which Borrower is otherwise required to confirm such Disclosure Documents. Borrower also agrees to reimburse Lender, Lender Group, the Issuer and/or the Underwriter Group for any legal or other expenses reasonably incurred by Lender, Lender Group, the Issuer and/or the Underwriter Group in connection with investigating or defending the Liabilities. This indemnification provision will be in addition to any liability which Borrower may otherwise have.

(c) In connection with any Exchange Act Filing or other reports containing comparable information that is required to be made “available” to holders of the Securities under Regulation AB or applicable Legal Requirements, Borrower agrees to (i) indemnify Lender, Lender Group, the Issuer and the Underwriter Group for Liabilities to which Lender, Lender Group, the Issuer and/or the Underwriter Group may become subject insofar as the Liabilities arise out of, or are based upon any untrue statement or alleged untrue statement of any material fact in the Covered Disclosure Information, or the omission or alleged omission to state in the

Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading, and (ii) reimburse Lender, Lender Group, the Issuer and/or the Underwriter Group for any legal or other expenses reasonably incurred by Lender, Lender Group, the Issuer and/or the Underwriter Group in connection with defending or investigating the Liabilities.

(d) Promptly after receipt by an indemnified party under this **Section 9.2** of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this **Section 9.2**, notify the indemnifying party in writing of the commencement thereof, but the omission to so notify the indemnifying party will not relieve the indemnifying party from any liability which the indemnifying party may have to any indemnified party under **Section 9.2(b)** or **(c)** except to the extent that failure to notify causes prejudice to the indemnifying party. In the event that any action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel satisfactory to such indemnified party. After notice from the indemnifying party to such indemnified party pursuant to the immediately preceding sentence of this **Section 9.2(d)**, such indemnifying party shall pay for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation; *provided, however*, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there are any legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party at the cost of the indemnifying party. The indemnifying party shall not be liable for the expenses of more than one separate counsel unless an indemnified party shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to the indemnifying party. Without the prior written consent of Lender (which consent shall not be unreasonably withheld or delayed), no indemnifying party shall settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought hereunder (whether or not any indemnified party is an actual or potential party to such claim, action, suit or proceeding) unless the indemnifying party shall have given Lender reasonable prior written notice thereof and shall have obtained an unconditional release of each indemnified party hereunder from all liability arising out of such claim, action, suit or proceedings, and such settlement requires no statement as to, or an admission of, fault, culpability or a failure to act, by or on behalf of the indemnified party.

(e) In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in **Section 9.2(b)** or **(c)** is for any reason held to be unenforceable as to an indemnified party in respect of any Liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under **Section 9.2(b)** or **(c)**, the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such Liabilities (or action in respect thereof); *provided, however*, that no Person guilty

of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) the Issuer's and Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; and (iii) any other equitable considerations appropriate in the circumstances. Lender and Borrower hereby agree that it would not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.

(f) The liabilities and obligations of both Borrower and Lender under this **Section 9.2** shall survive the termination of this Agreement and the satisfaction and discharge of the Debt.

Section 9.3 Severance.

9.3.1 Severance Documentation. Lender, without in any way limiting Lender's other rights hereunder, in its sole and absolute discretion, shall have the right, at any time (whether prior to or after any sale, participation or other Secondary Market Transaction with respect to all or any portion of the Loan), to require Borrower (at Lender's expense) to execute and deliver "component" notes (including certificating existing uncertificated "component" notes) and/or modify the Loan or the existing "component note" structure in order to create one or more senior and subordinate notes (i.e., an A/B or A/B/C structure) and/or one or more additional components of the Note or Notes), or make any other change to the Loan, the Note or Components including but not limited to: reducing the number of Components of the Note or Notes, revising the interest rate for each Component, reallocating the principal balances of the Notes and/or the Components, increasing or decreasing the monthly debt service payments for each Component or eliminating the Component structure and/or the multiple note structure of the Loan (including the elimination of the related allocations of principal and interest payments); *provided* that (A) the outstanding principal balance of all Components in the aggregate immediately after the effective date of such modification equals the outstanding principal balance immediately prior to such modification, (B) the initial weighted average of the interest rates for all Components in the aggregate immediately after the effective date of such modification equals the weighted average interest rate of the original Components immediately prior to such modification, (C) no principal amortization of the Loan (or any Components thereof) shall be required (other than repayment in full on the Maturity Date), (D) there shall be no change to any Stated Maturity Date and (E) Borrower and Guarantors shall not be required to amend any Loan Documents that would otherwise increase the obligations or reduce the rights of Borrower or Guarantors under the Loan Documents. At Lender's election, each note comprising the Loan may be subject to one or more Secondary Market Transactions. Lender shall have the right to modify the Note and/or Notes and any Components in accordance with this **Section 9.3** and, provided that such modification shall comply with the terms of this **Section 9.3**, it shall become immediately effective.

9.3.2 Cooperation; Execution; Delivery. Borrower shall reasonably cooperate with all reasonable requests of Lender in connection with this **Section 9.3**. If requested by Lender, Borrower shall promptly execute and deliver such documents as shall be required by Lender and any Rating Agency in connection with any modification pursuant to this **Section 9.3**, all in form and substance satisfactory to Lender and satisfactory to any applicable Rating

Agency. It shall be an Event of Default under this Agreement, the Note, and the other Loan Documents if Borrower fails to comply with any of the terms, covenants or conditions of this **Section 9.3** after expiration of ten (10) Business Days after notice thereof.

ARTICLE 10

MISCELLANEOUS

Section 10.1 Survival; Successors and Assigns. This Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by Lender of the Loan and the execution and delivery to Lender of the Note, and shall continue in full force and effect so long as all or any of the Obligations are outstanding and unpaid unless a longer period is expressly set forth herein or in the other Loan Documents. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the legal representatives, successors and assigns of such party. Prior to a Securitization, whenever pursuant to this Agreement the Rating Agencies are given any right to approve or disapprove any matter, or any arrangement or term is to be satisfactory to the Rating Agencies, the decision of Lender to approve or disapprove such matter or to decide whether arrangements or terms are satisfactory or not satisfactory, based upon Lender's determination of Rating Agency criteria, shall be substituted therefor.

(b) Whenever, pursuant to this Agreement or any other Loan Documents, a Rating Agency Confirmation is required from each applicable Rating Agency, in the event that any applicable Rating Agency "declines review", "waives review" or otherwise indicates to Lender's or Servicer's satisfaction that no Rating Agency Confirmation will or needs to be issued with respect to the matter in question (each, a "**Review Waiver**"), then the requirement to obtain a Rating Agency Confirmation from such Rating Agency shall not apply with respect to such matter; *provided, however*, if a Review Waiver occurs with respect to a Rating Agency and Lender does not have a separate and independent approval right with respect to the matter in question, then such matter shall require the written reasonable approval of Lender. It is expressly agreed and understood, however, that receipt of a Review Waiver (i) from any one Rating Agency shall not be binding or apply with respect to any other Rating Agency and (ii) with respect to one matter shall not apply or be deemed to apply to any subsequent matter for which Rating Agency Confirmation is required.

Section 10.7 Headings, Schedules and Exhibits. The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose. The Schedules and Exhibits annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

Section 10.8 Severability. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

Section 10.9 Preferences. Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by Borrower to any portion of the Obligations of Borrower hereunder. To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the Obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

Section 10.10 Waiver of Notice. Borrower shall not be entitled to any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. Borrower hereby expressly waives the right to receive any notice from Lender with respect to any matter for which this Agreement or the other Loan Documents do not specifically and expressly provide for the giving of notice by Lender to Borrower. Except as specifically and expressly provided for in the Loan Documents, Guarantors shall not be entitled to any notices of any nature whatsoever from Lender under this Agreement or the other Loan Documents, and each Guarantor hereby expressly waives the right to receive any notice from Lender with respect to any matter for which this Agreement or the other Loan Documents do not specifically and expressly provide for the giving of notice by Lender to such Guarantor.

Section 10.11 Remedies of Borrower. In the event that a claim or adjudication is made that Lender or its agents have acted unreasonably or unreasonably delayed acting in any case where, by law or under this Agreement or the other Loan Documents, Lender or such agent, as the case may be, has an obligation to act reasonably or promptly, neither Lender nor its agents shall be liable for any monetary damages and Borrower's sole remedy shall be limited to commencing an action seeking injunctive relief or declaratory judgment. Any action or proceeding to determine whether Lender has acted reasonably shall be determined by an action seeking declaratory judgment.

Section 10.12 Offsets, Counterclaims and Defenses. Any assignee of Lender's interest in and to this Agreement and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

Section 10.13 No Joint Venture or Partnership; No Third Party Beneficiaries.

(a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in any Property other than that of beneficiary or lender.

(b) The Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in any Loan Document shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained therein.

Section 10.14 Publicity. All news releases, publicity or advertising by Borrower or any of its Affiliates through any media intended to reach the general public which refers to the Loan Documents or the financing evidenced by the Loan Documents, to Lender (with respect to the Loan and the Securitization of the Loan only), the Affiliate of Lender that acts as the issuer with respect to a Securitization or any of their other Affiliates (in each case, with respect to the Loan and the Securitization of the Loan only) (a) shall be prohibited prior to the final Securitization of the Loan and (b) after the final Securitization of the Loan, shall be subject to the prior written approval of Lender. Lender shall have the right to publicly describe the Loan in general terms advertising and public communications of all kinds, including press releases, direct mail, newspapers, magazines, journals, e-mail, or internet advertising or communications. Notwithstanding the foregoing, Borrower's approval shall not be required for the publication by Lender of notice of the Loan and the Securitization of the Loan by means of a customary tombstone advertisement, which, for the avoidance of doubt, may include the amount of the Loan, the amount of securities sold, the number of Properties as of the Closing Date, the settlement date and the parties involved in the transactions contemplated hereby and the Securitization.

Section 10.15 Waiver of Marshalling of Assets. To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's members or partners, as applicable, and others with interests in Borrower, and of the Collateral, and shall not assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Collateral for the collection of the Obligations without any prior or different resort for collection, or of the right of Lender to the payment of the Obligations out of the net proceeds of the Collateral in preference to every other claimant whatsoever.

Section 10.16 Certain Waivers. Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or its agents or otherwise to offset any obligations to make the payments required by the Loan Documents. No failure by Lender to perform any of its obligations hereunder shall be a valid defense to, or result in any offset against, any payments which Borrower is obligated to make under any of the Loan Documents. Without limiting any of the other provisions contained herein, Borrower hereby unconditionally and irrevocably waives, to the maximum extent not prohibited by applicable law, any rights it may have to claim or recover against Lender in any legal action or proceeding any special, exemplary, punitive or consequential damages.

Section 10.17 Conflict; Construction of Documents; Reliance. In the event of any conflict between the provisions of this Agreement and any of the other Loan Documents, the provisions of this Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan, without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

Section 10.18 Brokers and Financial Advisors. Borrower hereby represents that neither Borrower or any other Loan Party has dealt with any financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement. Borrower shall indemnify, defend and hold Lender harmless from and against any and all claims, liabilities, losses, costs and expenses of any kind (including Lender's attorneys' fees and expenses) in any way relating to or arising out of a claim by any Person that such Person acted on behalf of Borrower, any Loan Party or Lender in connection with the transactions contemplated herein. The provisions of this **Section 10.18** shall survive the expiration and termination of this Agreement and the payment of the Obligations.

Section 10.19 Prior Agreements. This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto and their respective affiliates in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, including any confidentiality agreements or any similar agreements between or among any such parties, whether oral or written, are superseded by the terms of this Agreement and the other Loan Documents.

Section 10.20 Servicer. At the option of Lender, the Loan may be serviced by a servicer or special servicer (the “*Servicer*”) selected by Lender and Lender may delegate all or any portion of its responsibilities under this Agreement and the other Loan Documents to the Servicer pursuant to the trust and servicing agreement or pooling and servicing agreement (the “*Servicing Agreement*”) governing the Securitization. Borrower shall not be responsible for any set-up fees or any other initial costs relating to or arising under the Servicing Agreement. Borrower shall not be responsible for payment of the monthly master servicing fee due to the Servicer under the Servicing Agreement. Notwithstanding the foregoing, Borrower shall pay all Trust Fund Expenses. For the avoidance of doubt, this **Section 10.20** shall not be deemed to limit Borrower’s obligations under **Section 4.1.20**.

Section 10.21 Joint and Several Liability. If more than one Person has executed this Agreement as “Borrower,” the representations, covenants, warranties and obligations of all such Persons hereunder shall be joint and several.

Section 10.22 Creation of Security Interest. Notwithstanding any other provision set forth in this Agreement, the Note, the Mortgage Documents or any of the other Loan Documents, Lender may at any time create a security interest in all or any portion of its rights under this Agreement, the Note, the Mortgage Documents and any other Loan Document (including the advances owing to it) in favor of any Federal Reserve Bank in accordance with Regulation A of the Board of Governors of the Federal Reserve System.

Section 10.23 Assignments and Participations. In addition to the right to securitize the Loan under **Section 9.1**, to sever the interests in the Loan into “component” notes under **Section 9.3** and any other rights of Lender hereunder, the Loan, the Note, the Loan Documents and/or Lender’s rights, title, obligations and interests therein may be sold, assigned, participated or otherwise transferred by Lender and any of its successors and assigns to any Person at any time in its sole and absolute discretion, in whole or in part, whether by operation of law (pursuant to a merger or other successor in interest) or otherwise without notice to or consent from Borrower or any other Person. Upon such assignment, all references to Lender in this Agreement and in any Loan Document shall be deemed to refer to such assignee or successor in interest and such assignee or successor in interest shall thereafter stand in the place of Lender in all respects (subject to the requirements and limitations therein, including the requirements under **Section 2.10.6**). Borrower agrees that each beneficial owner of the Securities or component notes issued pursuant to **Sections 9.1** and **9.3** shall be entitled to the benefits of **Sections 2.9** and **2.10** (subject to the requirements and limitations therein, including the requirements under **Section 2.10.6**). Each participant shall be entitled to the benefits of **Sections 2.9** and **2.10** (subject to the requirements and limitations therein, including the requirements under **Section 2.10.6**, it being understood that the documentation required under **Section 2.10.6** shall be delivered to the participating Lender) to the same extent as if it were a Lender and had acquired its interest by assignment; provided that such participant shall not be entitled to receive any greater payment pursuant to **Sections 2.9** or **Section 2.10** than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a change in law that occurs after the participant acquired the applicable participation.

Section 10.24 Register and Participant Register. Lender or its designee (the “*Registrar*”), as a non-fiduciary agent of Borrower, shall maintain a record that identifies each owner (including successors and assignees) of an interest in the Loan, any Securities or any component notes, including the name and address of the owner, and each owner’s rights to principal and stated interest (the “*Register*”), and shall record all transfers of an interest in the Loan, any Securities or any component notes, including each assignment, in the Register. Transfers of interests in the Loan (including assignments), any Securities or any component notes shall be subject to the applicable conditions set forth in the Loan Documents with respect thereto and the Registrar will update the Register to reflect the transfer. The Register shall be available for inspection by Borrower, at any reasonable time and from time to time upon reasonable prior notice. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph. Furthermore, each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts and stated interest of each participant’s interest in the Loan or other obligations under the Loan Documents (the “*Participant Register*”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any participant or any information relating to a participant’s interest) except to the extent that such disclosure is necessary to establish that such Loan or other obligation is in registered form under Section 5f.103-1(c) of the U.S. Department of Treasury regulations. The entries in the Register and Participant Register shall be conclusive absent manifest error. Borrower, Lender and any of its successors and assigns, and the Registrar shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement and the participating Lender shall treat each Person whose name is recorded in the Participant Register pursuant to the terms hereof as the owner of such participation for all purposes of this Agreement. Failure to make any such recordation, or any error in such recordation, however, shall not affect Borrower’s obligations in respect of the Loan.

Section 10.25 Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument.

Section 10.26 Set-Off. In addition to any rights and remedies of Lender provided by this Agreement and by law, Lender shall have the right in its sole discretion, without prior notice to Borrower, any such notice being expressly waived by Borrower to the extent permitted by applicable law, upon any amount becoming due and payable by Borrower hereunder (whether at the stated maturity, by acceleration or otherwise), to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by Lender or any Affiliate thereof to or for the credit or the account of Borrower; provided however, Lender may only exercise such right during the continuance of an Event of Default. Lender agrees promptly to notify Borrower after any such set-off and application made by Lender; provided that the failure to give such notice shall not affect the validity of such set-off and application.

Section 10.27 Cross-Default; Cross-Collateralization; Waiver of Marshalling of Assets .

(a) Borrower acknowledges that Lender has made the Loan to Borrower upon, among other things, the security of its collective interest in the Properties and in reliance upon the aggregate of the Properties taken together being of greater value as collateral security than the sum of each Property taken separately. Borrower agrees that the Mortgages are and will be cross-collateralized and cross-defaulted with each other so that (i) an Event of Default under any of the Mortgages shall constitute an Event of Default under each of the other Mortgages which secure the Note; (ii) an Event of Default under the Note or this Agreement shall constitute an Event of Default under each Mortgage; (iii) each Mortgage shall constitute security for the Note as if a single blanket lien were placed on all of the Properties as security for the Note; and (iv) such cross-collateralization shall in no event be deemed to constitute a fraudulent conveyance.

(b) To the fullest extent permitted by law, Borrower for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's partners or members and of the Properties, or to a sale in inverse order of alienation in the event of foreclosure of all or any of the Mortgages, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Properties for the collection of the Debt without any prior or different resort for collection or of the right of Lender to the payment of the Debt out of the net proceeds of the Properties in preference to every other claimant whatsoever. In addition, Borrower, for itself and its successors and assigns, waives in the event of foreclosure of any or all of the Mortgages, any equitable right otherwise available to Borrower which would require the separate sale of the Properties or require Lender to exhaust its remedies against any Property or any combination of the Properties before proceeding against any other Property or combination of Properties; and further in the event of such foreclosure Borrower does hereby expressly consent to and authorizes, at the option of Lender, the foreclosure and sale either separately or together of any combination of the Properties

Section 10.28 Certificated Interests .

(a) If any ownership interest in an Equity Interest is represented by a certificate (each, an "*Equity Certificate*") that has been pledged and delivered to Lender and such Equity Certificate is lost, stolen or destroyed, then, upon the written request of Lender to the applicable Loan Party, such Loan Party shall issue to Lender a new Equity Certificate in place of the Equity Certificate that was lost, stolen or destroyed, provided such Lender: (i) makes proof by written, notarized affidavit, in form and substance reasonably satisfactory to the applicable Loan Party that such previously issued Equity Certificate has been lost, stolen or destroyed and has not been assigned, endorsed, transferred or hypothecated, (ii) delivers a written indemnity (in form and substance and from an indemnitor reasonably satisfactory to the applicable Loan Party) to the extent required by any title company proposing to provide title insurance with respect to such Equity Certificate and (iii) requests the issuance of a new Equity Certificate before the Loan party has notice that such previously issued Equity Certificate has been acquired by a purchaser for value in good faith and without notice of an adverse claim.

(b) Upon repayment in full of the Loan, in the event Lender fails to return to a Loan Party an Equity Certificate previously delivered by such Loan Party to Lender in connection with the Loan, Lender shall deliver to the applicable Loan Party, within ten (10) days of such Loan Party's demand, (i) a written, notarized affidavit, in form and substance reasonably satisfactory to the applicable Loan Party that such previously issued Equity Certificate has been lost, stolen or destroyed and has not been assigned, endorsed, transferred or hypothecated and (ii) a written indemnity (in form and substance and from an indemnitor reasonably satisfactory to the applicable Loan Party) to the extent required by any title company proposing to provide title insurance with respect to such Equity Certificate.

Section 10.29 Exculpation of Lender. Lender neither undertakes nor assumes any responsibility or duty to Borrower or any other party to select, review, inspect, examine, supervise, pass judgment upon or inform Borrower or any third party of (a) the existence, quality, adequacy or suitability of Broker Price Opinions of the Properties or other Collateral, (b) any environmental report, or (c) any other matters or items, including property inspections that are contemplated in the Loan Documents. Any such selection, review, inspection, examination and the like, and any other due diligence conducted by Lender, is solely for the purpose of protecting Lender's rights under the Loan Documents, and shall not render Lender liable to Borrower or any third party for the existence, sufficiency, accuracy, completeness or legality thereof.

Section 10.30 No Fiduciary Duty.

(a) Borrower acknowledges that, in connection with this Agreement, the other Loan Documents and the Transaction, Lender has relied upon and assumed the accuracy and completeness of all of the financial, legal, regulatory, accounting, tax and other information provided to, discussed with or reviewed by Lender for such purposes, and Lender does not assume any liability therefor or responsibility for the accuracy, completeness or independent verification thereof. Lender, its affiliates and their respective equityholders and employees (for purposes of this Section, the "**Lending Parties**") have no obligation to conduct any independent evaluation or appraisal of the assets or liabilities (including any contingent, derivative or off-balance sheet assets and liabilities) of Sponsor, Borrower or any other Person or any of their respective affiliates or to advise or opine on any related solvency or viability issues.

(b) It is understood and agreed that (i) the Lending Parties shall act under this Agreement and the other Loan Documents as an independent contractor, (ii) the Transaction is an arm's-length commercial transaction between the Lending Parties, on the one hand, and Borrower, on the other, (iii) each Lending Party is acting solely as principal and not as the agent or fiduciary of Borrower, Sponsor or their respective affiliates, stockholders, employees or creditors or any other Person and (iv) nothing in this Agreement, the other Loan Documents, the Transaction or otherwise shall be deemed to create (A) a fiduciary duty (or other implied duty) on the part of any Lending Party to Sponsor, Borrower, any of their respective affiliates, stockholders, employees or creditors, or any other Person or (B) a fiduciary or agency relationship between Sponsor, Borrower or any of their respective affiliates, stockholders, employees or creditors, on the one hand, and the Lending Parties, on the other. Borrower agrees that neither it nor Sponsor nor any of their respective affiliates shall make, and hereby waives,

any claim against the Lending Parties based on an assertion that any Lending Party has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to Borrower, Sponsor or their respective affiliates, stockholders, employees or creditors. Nothing in this Agreement or the other Loan Documents is intended to confer upon any other Person (including affiliates, stockholders, employees or creditors of Borrower and Sponsor) any rights or remedies by reason of any fiduciary or similar duty.

(c) Borrower acknowledges that it has been advised that the Lending Parties are a full service financial services firm engaged, either directly or through affiliates in various activities, including securities trading, investment banking and financial advisory, investment management, principal investment, hedging, financing and brokerage activities and financial planning and benefits counseling for both companies and individuals. In the ordinary course of these activities, the Lending Parties may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and/or financial instruments (including loans) for their own account and for the accounts of their customers and may at any time hold long and short positions in such securities and/or instruments. Such investment and other activities may involve securities and instruments of affiliates of Borrower, including Sponsor, as well as of other Persons that may (i) be involved in transactions arising from or relating to the Transaction, (ii) be customers or competitors of Borrower, Sponsor and/or their respective affiliates, or (iii) have other relationships with Borrower, Sponsor and/or their respective affiliates. In addition, the Lending Parties may provide investment banking, underwriting and financial advisory services to such other Persons. The Lending Parties may also co-invest with, make direct investments in, and invest or co-invest client monies in or with funds or other investment vehicles managed by other parties, and such funds or other investment vehicles may trade or make investments in securities of affiliates of Borrower, including Sponsor, or such other Persons. The Transaction may have a direct or indirect impact on the investments, securities or instruments referred to in this **Section 10.30(c)**. Although the Lending Parties in the course of such other activities and relationships may acquire information about the Transaction or other Persons that may be the subject of the Transaction, the Lending Parties shall have no obligation to disclose such information, or the fact that the Lending Parties are in possession of such information, to Borrower, Sponsor or any of their respective affiliates or to use such information on behalf of Borrower, Sponsor or any of their respective affiliates.

(d) Borrower acknowledges and agrees that Borrower has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to this Agreement, the other Loan Documents, the Transaction and the process leading thereto.

Section 10.31 Arizona Provision. Anything to the contrary herein or elsewhere notwithstanding, in no event shall Borrower have any liability or other obligation under or with respect to the Sponsor Guaranty, the Equity Owner Guaranty or the Borrower GP Guaranty. The following Arizona provision does not limit the express choice of New York law as set forth in **Section 10.3** of this Agreement and the other Loan Documents. If and to the extent that, notwithstanding the choice of law provisions contained in this Agreement and the other Loan Documents, Arizona law is held to govern this Agreement, any Mortgage Document encumbering a Property located in Arizona or any other Loan Document:

(a) **Waiver of Surety Defenses.** Each Loan Party hereby expressly waives, to the extent permitted by law, any and all defenses and discharges available to a surety,

guarantor or accommodation co-obligor, including, without limitation, the benefits of Arizona Revised Statutes Sections 12-1641 through 12-1646 and Rule 17(f) of the Arizona Rules of Civil Procedure, and, to the extent permitted by law, the benefits, if any, of Arizona Revised Statutes Section 33-814, in each case as amended, and any successor statutes or rules, or any similar statute.

(b) Anything to the contrary herein or elsewhere notwithstanding, the Equity Owner Guaranty and the Sponsor Guaranty and all obligations arising under any of them are not and shall not be secured in any manner whatsoever, including by any Mortgage or by any lien encumbering any Property; *provided, however*, that any environmental indemnity provisions set forth in this Agreement or any Environmental Indemnity shall be so secured, except as to the obligations of Sponsor and the Equity Owner and subject to the rights of Lender to proceed on an unsecured basis thereunder pursuant to applicable law.

Section 10.32 California Provision. Anything to the contrary herein or elsewhere notwithstanding, in no event shall Borrower have any liability or other obligation under or with respect to the Sponsor Guaranty, the Equity Owner Guaranty or the Borrower GP Guaranty. The following California provisions do not limit the express choice of New York law as set forth in **Section 10.3** of this Agreement and the other Loan Documents. If and to the extent that, notwithstanding the choice of law provisions contained in this Agreement and the other Loan Documents, California law is held to govern this Agreement, any Mortgage Document encumbering a Property located in California or any other Loan Document:

(a) **Waiver of Offset.** Notwithstanding anything contained herein to the contrary, no portion of any of the Obligations shall be or be deemed to be offset or compensated by all or any part of any claim, cause of action, counterclaim, or cross-claim, whether liquidated or unliquidated, that Borrower may have or claim to have against any other Relevant Party. Borrower hereby waives, to the fullest extent permitted by applicable law, the benefits of California Code of Civil Procedure Section 431.70.

(b) **Insurance Notice.** Lender hereby notifies Borrower of the provisions of Section 2955.5(a) of the California Civil Code, which reads as follows:

“No lender shall require a borrower, as a condition of receiving or maintaining a loan secured by real property, to provide hazard insurance coverage against risks to the improvements on that real property in an amount exceeding the replacement value of the improvements on the property.”

This disclosure is being made by Lender to Borrower pursuant to Section 2955.5(b) of the California Civil Code. Borrower hereby acknowledges receipt of this disclosure and acknowledges that this disclosure has been made by Agent before execution of the Note.

(c) **Environmental Provisions.** The provisions contained in **Section 3.2.1** of this Agreement are intended by the parties to constitute “environmental provisions” as defined in California Code of Civil Procedure Section 736, and Lender shall have all rights and remedies provided in such section.

(d) **Access to Properties.** Lender’s rights under **Section 4.1.4** of this Agreement shall be deemed to include, without limitation, its rights under California Civil Code Section 2929.5, as such provisions may be amended from time to time.

Section 10.33 Florida Provision. The following Florida provision does not limit the express choice of New York law as set forth in **Section 10.3** of this Agreement and the other Loan Documents. If and to the extent that, notwithstanding the choice of law provisions contained in this Agreement and the other Loan Documents, Florida law is held to govern this Agreement, any Mortgage Document encumbering a Property located in Florida or any other Loan Document:

(a) **Interest on Judgments.** The parties acknowledge and agree that the Default Rate provided for herein shall also be the rate of interest payable on any judgments entered in favor of Lender in connection with the loan evidenced hereby.

Section 10.34 Georgia Provision. The following Georgia provision does not limit the express choice of New York law as set forth in **Section 10.3** of this Agreement and the other Loan Documents. If and to the extent that, notwithstanding the choice of law provisions contained in this Agreement and the other Loan Documents, Georgia law is held to govern this Agreement, any Mortgage Document encumbering a Property located in Georgia or any other Loan Document:

(a) **Attorney's Fees.** Notwithstanding anything contained in this Agreement or any other Loan Document, in any instance where Borrower or any other Relevant Party is required to reimburse Lender for any legal fees or expenses incurred by Lender or Servicer, (i) "reasonable attorneys' fees," "reasonable counsel's fees," "attorneys' fees" and other words of similar import, are not, and shall not be statutory attorneys' fees under O.C.G.A. § 13-1-11, (ii) if, under any circumstances a Relevant Party is required to pay any or all of Lender's or Servicer's attorneys' fees and expenses, howsoever described or referenced, such Relevant Party shall be responsible only for reasonable legal fees and out of pocket expenses actually incurred by Lender or Servicer at customary hourly rates actually charged to Lender or Servicer for the work done, and (iii) no Relevant Party shall be liable under any circumstances for additional attorneys' fees or expenses, howsoever described or referenced, under O.C.G.A. § 13-1-11.

Section 10.35 Nevada Provisions. The following Nevada provisions do not limit the express choice of New York law as set forth in **Section 10.3** of this Agreement and the other Loan Documents. If and to the extent that, notwithstanding the choice of law provisions contained in this Agreement and the other Loan Documents, Nevada law is held to govern this Agreement, any Mortgage Document encumbering a Property located in Nevada or any other Loan Document:

(a) **Waiver of Offset.** Notwithstanding anything contained herein to the contrary, no portion of any of the Obligations shall be or be deemed to be offset or compensated by all or any part of any claim, cause of action, counterclaim, or cross-claim, whether liquidated or unliquidated, that Borrower may have or claim to have against any other Loan Party.

(b) **Waiver of Prepayment.** Borrower hereby expressly (i) waives, to the extent permitted by law, any right it may have to prepay any Loan in whole or in part, without penalty, upon acceleration of the Maturity Date; and (ii) agrees that if a prepayment of any or all

of any Loan is made, Borrower shall be obligated to pay, concurrently therewith, any fees applicable thereto. By initialing this provision in the space provided below, the Loan Parties hereby declare that Lender's agreement to make the subject Loan at the Interest Rate and for the term set forth herein constitutes adequate consideration, given individual weight by the undersigned, for this waiver and agreement.

“*Actual Rent Collections*” means, for any period of determination, actual cash collections of Rents in respect of the Properties by Borrower (or, for the period prior to the Closing Date, by Borrower’s Affiliates that owned the Properties) to the extent such Rents relate to such period of determination, regardless of when actually collected.

“*Affiliate*” means, as to any Person, any other Person that (i) owns directly or indirectly forty-nine percent (49%) or more of all equity interests in such Person, and/or (ii) is in Control of, is Controlled by or is under common ownership or Control with such Person, and/or (iii) is a director or officer of such Person or of an Affiliate of such Person, and/or (iv) is the spouse, issue or parent of such Person or of an Affiliate of such Person.

“*Allocated Loan Amount*” means, with respect to each Property, an amount equal to the portion of the Loan made with respect to such Property, as set forth on *Schedule V* as the same may be reduced in accordance with *Section 2.4*; provided that (i) if a single Substitute Property

is substituted for an Affected Property or portfolio of Affected Properties pursuant to **Section 2.4.3(a)** , then the initial Allocated Loan Amount of such Substitute Property shall be the Allocated Loan Amount of such Affected Property (or the aggregate Allocated Loan Amounts of such Affected Properties) immediately prior to its (or their) substitution, and (ii) if two (2) or more Substitute Properties are substituted for an Affected Property or portfolio of Affected Properties pursuant to **Section 2.4.3(a)** , then the initial Allocated Loan Amount of each such Substitute Property shall be a pro rata portion of the Allocated Loan Amount of such Affected Property (or the aggregate Allocated Loan Amounts of such Affected Properties) immediately prior to its (or their) substitution, with such pro rata portion determined based on the BPO Values of the Substitute Properties. For the avoidance of doubt, in connection with calculating any prepayments contemplated by this Agreement, Lender will fix the Allocated Loan Amount for any individual Property as of the date Lender received notice of the prepayment from Borrower.

“ **Annual Budget** ” means the operating and capital budget for the Properties in the aggregate setting forth, on a month-by-month basis, in reasonable detail, each line item of Borrower’s good faith estimate of anticipated Rents and other recurring income, Operating Expenses and Capital Expenditures for the applicable Fiscal Year.

For the avoidance of doubt, if any reported decision of a state appellate court would result in the foregoing **clauses (i)(A)** and **(i)(B)** applying in such state or if the legal opinion described in clause (B)(x) of the definition of “Applicable HOA Properties” in respect of a state, is conditioned on the presence of subordination language or the absence of provisions which would otherwise allow a Lien for homeowner’s association fees to extinguish the Lien of a mortgage upon the valid and proper foreclosure of such Lien for homeowner’s association fees, then such state shall constitute an Applicable HOA State.

Section 2.2 Interest Rate

2.2.1 Interest Rate

(a) Each Component of the Loan shall accrue interest throughout the Term at the Interest Rate applicable to such Component during each Interest Period. The total interest accrued under the Loan shall be the sum of the interest accrued on the Component Outstanding Principal Balance of each of the Components. Borrower shall pay to Lender on each Monthly Payment Date the interest accrued or to be accrued on the Loan for the related Interest Period.

(b) Component G shall accrue interest at the Component G Interest Rate. Subject to the terms and conditions hereof, the Floating Rate Components of the Loan shall be a LIBOR Loan. In the event that Lender shall have determined (which determination shall be conclusive and binding upon Borrower absent manifest error) that by reason of circumstances affecting the interbank Eurodollar market, adequate and reasonable means do not exist for ascertaining LIBOR, then Lender shall forthwith give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) day prior to the next succeeding Interest Determination Date. If such notice is given, the Floating Rate Components of the Loan shall be converted, as of the first day of the next succeeding Interest Period, to a Prime Rate Loan. Notwithstanding any provision of this Agreement to the contrary, in no event shall Borrower have the right to convert a LIBOR Loan to a Prime Rate Loan.

(c) If, pursuant to the terms hereof, the Floating Rate Components of the Loan have been converted to a Prime Rate Loan and Lender shall determine (which determination shall be conclusive and binding upon Borrower absent manifest error) that the event(s) or circumstance(s) which resulted in such conversion shall no longer be applicable, Lender shall give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) day prior to the next succeeding Interest Determination Date. If such notice is given, the Floating Rate Components of the Loan shall be converted, as of the first day of the next succeeding Interest Period, to a LIBOR Loan. Notwithstanding any provision of this Agreement to the contrary, in no event shall Borrower have the right to convert a Prime Rate Loan to a LIBOR Loan.

(d) If the adoption of any requirement of law or any change therein or in the interpretation or application thereof, shall hereafter make it unlawful for Lender to maintain a LIBOR Loan as contemplated hereunder, (i) the obligation of Lender hereunder to make or maintain a LIBOR Loan or to convert a Prime Rate Loan to a LIBOR Loan shall be canceled forthwith and (ii) any outstanding LIBOR Loan shall be converted automatically to a Prime Rate Loan on the first day of the next succeeding Interest Period, or upon such earlier date as may be required by law. Borrower hereby agrees to promptly pay to Lender, upon demand, any additional amounts necessary to compensate Lender for any costs incurred by Lender in making any conversion in accordance with this Agreement, including without limitation, any interest or fees payable by Lender to lenders of funds obtained by it in order to make or maintain the LIBOR Loan hereunder. Lender's notice of such costs, as certified to Borrower, shall be conclusive absent manifest error.

2.2.2 Default Rate. In the event that, and for so long as, any Event of Default shall have occurred and be continuing, the Component Outstanding Principal Balance of each of the Floating Rate Components and, to the extent not prohibited by applicable law, all other portions of the Debt (other than the Component Outstanding Principal Balance of the Component G), shall accrue interest at the Default Rate, calculated from the date such payment was due or, if later, such Default shall have occurred, without regard to any grace or cure periods contained herein. Interest at the Default Rate shall be paid immediately upon demand, which demand may be made as frequently as Lender shall elect, to the extent not prohibited by applicable law.

2.2.3 Interest Calculation. Interest on the Loan and other Obligations shall be calculated by multiplying (A) the actual number of days elapsed in the period for which the calculation is being made by (B) a daily rate based on a three hundred sixty (360) day year (that is, the Interest Rate expressed as an annual rate divided by 360) by (C) the Outstanding Principal Balance or the amount of such other Obligations, as applicable. The accrual period for calculating interest due on each Monthly Payment Date shall be the Interest Period in which such Monthly Payment Date occurs.

2.2.4 Usury Savings. This Agreement and the other Loan Documents are subject to the express condition that at no time shall Borrower be required to pay interest on the Outstanding Principal Balance at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the Outstanding Principal Balance at a rate in excess of the Maximum Legal Rate, the Interest Rate shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

2.2.5 Breakage Indemnity. Borrower shall indemnify Lender against any loss or expense which Lender may actually sustain or incur in liquidating or redeploying deposits from third parties acquired to effect or maintain the Loan or any part thereof as a consequence of (i) any payment or prepayment of the Loan or any portion thereof made on a date other than a Monthly Payment Date (unless interest is paid by Borrower on such payment through the end of the applicable Interest Period) and (ii) any default in payment or prepayment of the Principal or any part thereof or interest accrued thereon, as and when due and payable (at the date thereof or otherwise, and whether by acceleration or otherwise) (collectively, “**Breakage Costs**”), provided, Borrower shall not indemnify Lender from any loss or expense arising from Lender’s willful misconduct or gross negligence. Lender shall deliver to Borrower a statement for any such sums which it is entitled to receive pursuant to this Section 2.2.5, which statement shall be binding and conclusive absent manifest error. Borrower’s obligations under this Section 2.2.5 are in addition to Borrower’s obligations to pay any Spread Maintenance Premium applicable to a payment or prepayment of the Loan.

Section 2.3 Loan Payments

2.3.1 Payments. On the Closing Date, Borrower shall pay interest on the Outstanding Principal Balance from the date hereof through and including May 14, 2015 (the “**Initial Interest Period**”). On June 9, 2015, and each Monthly Payment Date thereafter during the Term, Borrower shall make a payment of principal and interest equal to the Monthly Debt Service Payment Amount, which payment shall be applied in accordance with **Article 6**. Borrower shall also pay to Lender all amounts required in respect of Reserve Funds as set forth in **Article 6**.

2.3.2 Payments Generally. After the Initial Interest Period, each interest accrual period thereafter (each, an “*Interest Period*”) shall commence on the fifteenth (15th) calendar day of a calendar month and ending on (and including) the fourteenth (14th) calendar day of the following calendar month. For purposes of making payments hereunder, but not for purposes of calculating Interest Periods, if the Monthly Payment Date is not a Business Day, then amounts due on such date shall be due on the immediately preceding Business Day. Lender shall have the right from time to time, in its sole discretion, upon not less than ten (10) days prior written notice to Borrower, to change the Monthly Payment Date to a different calendar day and, if requested by Lender, Borrower shall promptly execute an amendment to this Agreement to evidence such change; *provided, however*, that if Lender shall have elected to change the Monthly Payment Date as aforesaid, Lender shall adjust the Interest Period and, with respect to the Floating Rate Components, the Interest Determination Date accordingly, so that (a) after giving effect to any such change or adjustment, the period of time between the Monthly Payment Date and the end of the Interest Period shall not be greater than five (5) days and (b) the date of each Maturity Date (including the Stated Maturity Date, the First Extended Maturity Date, the Second Extended Maturity Date and the Third Extended Maturity Date) and any other date in the Loan Documents which corresponds with a Monthly Payment Date shall be automatically amended to reflect the Monthly Payment Date as so adjusted. With respect to payments of principal due on any Component on the Maturity Date, interest shall be payable at the Interest Rate, through and including the day immediately preceding the Maturity Date.

2.3.3 Payment on Maturity Date. Borrower shall pay to Lender on the Maturity Date the Outstanding Principal Balance, all accrued and unpaid interest and all other amounts due hereunder and under the Note, the Mortgage Documents and the other Loan Documents.

2.3.4 Late Payment Charge. If any principal, interest or any other sum due under the Loan Documents (other than the Outstanding Principal Balance due and payable on the Maturity Date) is not paid by Borrower on the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of four percent (4%) of such unpaid sum or the maximum amount permitted by applicable law in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment. Any such amount shall be secured by the Borrower Security Agreement, the Mortgage Documents and the other Loan Documents to the extent permitted by law.

2.3.5 Method and Place of Payment.

(a) Except as otherwise specifically provided herein, all payments and prepayments under this Agreement and the Note shall be made to Lender not later than 2:00 p.m., New York City time, on the date when due and shall be made in lawful money of the United States of America in immediately available funds at Lender’s office or at such other place as Lender shall from time to time designate, and any funds received by Lender after such time shall, for all purposes hereof, be deemed to have been paid on the next succeeding Business Day.

(b) Whenever any payment to be made hereunder or under any other Loan Document shall be stated to be due on a day which is not a Business Day, the due date thereof shall be the immediately preceding Business Day.

(c) All payments required to be made by Borrower hereunder or under the Note or the other Loan Documents shall be made irrespective of, and without deduction for, any setoff, claim or counterclaim and shall be made irrespective of any defense thereto.

Section 2.4 Prepayments .

2.4.1 Prepayments . Except as otherwise provided herein, Borrower shall not have the right to prepay the Loan in whole or in part prior to the Stated Maturity Date.

2.4.2 Voluntary Prepayments . Provided that Borrower shall timely deliver to Lender a Prepayment Notice, Borrower may prepay all or any portion of the Outstanding Principal Balance and any other amounts outstanding under the Note, this Agreement, the Mortgage Documents and any of the other Loan Documents, on any Business Day, provided that Borrower shall comply with the provisions of and pay to Lender the amounts set forth in **Section 2.4.5** . Each such prepayment shall be in a minimum principal amount equal to One Million and No/100 Dollars (\$1,000,000) and in integral multiples of One Hundred Thousand and No/100 Dollars (\$100,000) in excess thereof and shall be made and applied in the manner set forth in **Section 2.4.5** .

2.4.3 Mandatory Prepayments .

(a) **Disqualified Properties .** If at any time any Property shall become a Disqualified Property, Borrower shall, no later than the close of business on the fifth (5th) Business Day following the last day of the applicable Cure Period, if any, give notice thereof to Lender and prepay the Debt in the applicable Release Amount with respect to such Property. No Spread Maintenance Premium shall be owing on any such prepayment unless such Property became a Disqualified Property as a result of a Voluntary Action. After the prepayment of the Debt by the Release Amount with respect to a Disqualified Property as provided above, Lender shall release the Disqualified Property from the applicable Mortgage Documents and related Lien, provided, that (x) Borrower has delivered to Lender a draft release (and, in the event the Mortgage and the Assignment of Leases and Rents applicable to the Disqualified Property encumbers other Property(ies) in addition to the Disqualified Property, such release shall be a partial release that relates only to the Disqualified Property and does not affect the Liens and security interests encumbering or on the other Property(ies)) in form and substance appropriate for the jurisdiction in which such Disqualified Property is located and shall contain standard provisions protecting the rights of Lender, (y) Borrower shall pay all costs, taxes and expenses associated with such release (including, without limitation, cost to file and record the release and Lender's reasonable attorneys' fees) and (z) such Disqualified Property is a separate legal parcel from the property remaining encumbered by Mortgages. Notwithstanding the foregoing, in lieu of such prepayment, Borrower may either (1) deposit an amount equal to one hundred percent (100%) of the Allocated Loan Amount for such Disqualified Property in the Eligibility Reserve Account in accordance with and subject to **Section 6.10** or (2) substitute a Disqualified Property or a portfolio of Disqualified Properties (each, an "**Affected Property**" and collectively, the "**Affected Properties**") with a substitute Eligible Property or a portfolio of Eligible Properties (each, a "**Substitute Property**" and collectively, the "**Substitute Properties**") provided that, in the case of a proposed substitution, the following conditions are satisfied:

(i) each substitute Eligible Property is either a detached single-family residential real property or a condominium or townhome (so long as condominium units and townhomes constitute no more than two percent (2%) of the Properties by BPO Value and provided no condominium that is a Substitute Property shall consist of more than one single-family unit), but excluding housing cooperatives and manufactured housing;

(ii) no Event of Default shall have occurred and be continuing except as related to, and cured by the removal of, the Affected Property or Affected Properties being substituted;

(iii) Lender shall have obtained, at Borrower's sole cost and expense, a Broker Price Opinion for the Substitute Property (or Broker Price Opinions for a portfolio of Substitute Properties) being substituted and based on such Broker Price Opinion(s), the Substitute Property (or portfolio of Substitute Properties) being substituted shall have the same or greater BPO Value as the greater of (x) the BPO Value of the Affected Property (or portfolio of Affected Properties) being substituted as of the Closing Date and (y) the BPO Value of the Affected Property (or portfolio of Affected Properties) being substituted at the time of substitution;

(iv) Borrower shall deliver to Lender an Officer's Certificate stating that each Substitute Property satisfies each of the Property Representations and is in compliance with each of the Property Covenants on the date of the substitution after giving effect to the substitution;

(v) the Eligible Lease for each Substitute Property shall have a remaining contractual term of at least six (6) months (without giving effect to any extension option in such lease);

(vi) the in place Rents under the Lease(s) for the Substitute Property (or Substitute Properties, if a portfolio of Affected Properties are being substituted) shall be equal to or greater than the greater of (A) the in place Rents under the Lease(s) for the Affected Property (or portfolio of Affected Properties) being substituted measured as of the time of substitution and (B) the in place Rents under the Lease(s) for the Affected Property (or portfolio of Affected Properties) being substituted measured as of the Closing Date;

(vii) simultaneously with the substitution, Borrower shall convey all of Borrower's right, title and interest in, to and under the Affected Property (or portfolio of Affected Properties) being substituted to a Person other than Borrower or a Loan Party or any Person owned directly or indirectly by Borrower or a Loan Party and Borrower shall deliver to Lender a copy of the deed conveying all of Borrower's right, title and interest in such Affected Property (or portfolio of Affected Properties) being substituted;

(viii) Borrower shall deliver on or prior to the date of substitution evidence satisfactory to Lender that each Substitute Property is insured pursuant to Policies meeting the requirements of *Article 5* ;

(ix) Borrower shall deliver to Lender the Property File with respect to each Substitute Property;

(xi) Borrower shall deliver to Lender the following opinions of counsel: (A) an opinion of counsel admitted to practice under the laws of the state in which the Substitute Property (or portfolio of Substitute Properties) being substituted is located in form and substance reasonably satisfactory to Lender opining as to the enforceability of the Substitute Mortgage Documents with respect to the Substitute Property (or portfolio of Substitute Properties) and (B) an opinion stating that the Substitute Mortgage Documents were duly authorized, executed and delivered by Borrower and otherwise in form and substance reasonably satisfactory to Lender;

(xii) Lender shall have received a Title Insurance Policy for each Substitute Property (or, in the event a Substitute Property is located in the same county or parish in which one or more other Properties (other than an Affected Property being substituted) is located, an endorsement to the existing Title Insurance Policy with respect to such Property or Properties located in the same county or parish as such Substitute Property in form and substance reasonably satisfactory to Lender) insuring the Lien of the Mortgage encumbering such Substitute Property as a valid first lien on such Substitute Property, free and clear of all exceptions other than the Permitted Liens;

(xiii) each Substitute Property shall be located in a metropolitan statistical area that contains at least one property described on the Properties Schedule as of the Closing Date,

(xiv) no acquisition of a Substitute Property will result in Borrower or any Loan Party incurring any indebtedness (except as permitted by this Agreement);

(xv) the BPO Value of the Affected Properties, together with the BPO Value of all other Affected Properties since the date hereof, shall be no more than ten percent (10%) of the aggregate BPO Values of all Properties as of the Closing Date;

(xvi) if any Lien, litigation or governmental proceeding is existing or pending or, to the actual knowledge of a Responsible Officer of Manager or a Loan Party, threatened against any Affected Property being substituted with a Substitute Property or against such Substitute Property which may result in liability for Borrower, Borrower shall have deposited with Lender reserves reasonably satisfactory to Lender as security for the satisfaction of such liability;

(xvii) simultaneously with the substitution of an Affected Property or Affected Properties, Lender shall release the Affected Property or Affected Properties from the applicable Mortgage Documents and related Lien, provided, that Borrower has delivered to Lender a draft release (and, in the event the Mortgage and the Assignment of Leases and Rents applicable to the Affected Property or Affected Properties encumbers other Property(ies) in addition to the Affected Property or Affected Properties, such release shall be a partial release that relates only to the Affected Property or Affected Properties being substituted and does not affect the Liens and security interests encumbering or on the other Property(ies)) in form and substance appropriate for the jurisdiction in which such Affected Property or Affected Properties are located which contains standard provisions protecting the rights of Lender;

(xviii) Borrower shall pay to Lender all reasonable out-of-pocket costs and expenses incurred by Lender in connection with the substitution (including, without limitation, costs and expenses incurred by Lender in connection with the release of the Affected Property (or portfolio of Affected Properties) being substituted from applicable Mortgage Documents) and, in addition, the current reasonable and customary fee being assessed by Lender and/or its Servicer to effect releases or assignments; and

(xix) the Affected Property or Affected Properties shall constitute separate legal parcels from the property remaining encumbered by Mortgages, and each Substitute Property shall be comprised of one or more separate legal parcels on a stand-alone basis.

Any such deposit in the Eligibility Reserve Account or any such substitution shall be completed no later than the due date for the prepayment required under this **Section 2.4.3(a)**. Notwithstanding anything to the contrary contained herein or in any other Loan Document, if the Loan is included in a REMIC Trust, no substitution under this Agreement will be permitted unless (1) either (aa) immediately after such substitution the ratio of the unpaid principal balance of the Loan to the value of the remaining Properties (as determined by Lender in its sole discretion using any commercially reasonable method permitted to a REMIC Trust; and which shall exclude the value of personal property (other than fixtures) or going concern value, if any) is equal to or less than one hundred twenty-five percent (125%) or (bb) the ratio of the unpaid principal balance of the Loan to the value of the Properties (including the Substitute Property or Substitute Properties) will not increase as a result of the substitution of the Substitute Property or Substitute Properties for the Affected Property or Affected Properties, or (2) Lender receives an opinion of counsel that the Securitization will not fail to maintain its status as a REMIC Trust as a result of the substitution of the Substitute Property or Substitute Properties for the Affected Property or Affected Properties.

(b) Transfer. If at any time any Property is Transferred to a third party (other than for the avoidance of doubt, a Borrower TRS), then Borrower shall, no later than the close of business on the day on which such Transfer occurs, give notice thereof to Lender and prepay the Debt in the applicable Release Amount with respect to such Property in accordance with **Section 2.5**.

(c) Condemnation or Casualty. If Borrower is required to make any prepayment under **Section 5.3** or **Section 5.4** as a result of a Condemnation or Casualty, on the next occurring Monthly Payment Date following the date on which Lender actually receives the applicable Net Proceeds, one hundred percent (100%) of such Net Proceeds and all other amounts required to be prepaid pursuant to **Section 5.3** or **Section 5.4**, as applicable, shall be applied to the prepayment of the Debt in accordance with **Section 2.4.5(d)**. Notwithstanding anything herein to the contrary, no Spread Maintenance Premium shall be due in connection with any prepayment made pursuant to this **Section 2.4.3(c)**.

(d) Application of Mandatory Prepayments. Each such prepayment shall be made and applied in the manner set forth in **Section 2.4.5**.

(e) Payment from Collection Account. Lender may collect any prepayment required under this **Section 2.4.3** from the Collection Account on the date such prepayment is payable hereunder.

2.4.4 Prepayments After Default

(a) If, during the continuance of an Event of Default, payment of all or any part of the Debt is tendered by Borrower and accepted by Lender or is otherwise recovered by Lender (including through application of any Reserve Funds), such tender or recovery shall be deemed to be a voluntary prepayment by Borrower in violation of the prohibition against prepayment set forth in **Section 2.4.1**, and Borrower shall pay, as part of the Debt, all of: (i) all accrued interest calculated at the Interest Rate on the amount of principal being prepaid through and including the date of such prepayment together with an amount equal to the interest that would have accrued at the Interest Rate on the amount of principal being prepaid through the end of the Interest Period in which such prepayment occurs, notwithstanding that such Interest Period extends beyond the date of prepayment, (ii) the Interest Shortfall, if applicable, with respect to the amount prepaid, (iii) Breakage Costs, if any, without duplication of any sums paid pursuant to the preceding clauses (i) and (ii), and (iv) an amount equal to the applicable Spread Maintenance Premium (if made before the Spread Maintenance Date).

(b) Notwithstanding anything contained herein to the contrary, upon the occurrence and during the continuance of any Event of Default, any payment of principal, interest and other amounts payable under the Loan Documents from whatever source may be applied by Lender among the Components and other Obligations as Lender shall determine in its sole and absolute discretion.

2.4.5 Prepayment/Repayment Conditions.

(a) On the date on which a prepayment, voluntary or mandatory, is made under the Note or as required under this Agreement, which date must be a Business Day, Borrower shall pay to Lender:

(i) all accrued and unpaid interest calculated at the Interest Rate on the amount of principal being prepaid on the applicable Component or Components through and including the Repayment Date together with an amount equal to the interest that would have accrued at the Interest Rate on the amount of principal being prepaid through the end of the Interest Period in which such prepayment occurs, notwithstanding that such Interest Period extends beyond the date of prepayment;

(ii) if such prepayment is made during the period from and including the first day after a Monthly Payment Date through and including the last day of the Interest Period in which such prepayment occurs, all interest on the principal amount being prepaid on the applicable Component or Components which would have accrued from the first day of the Interest Period immediately following the Interest Period in which the prepayment occurs (the “**Succeeding Interest Period**”) through and including the end of the Succeeding Interest Period, calculated at (A) the Interest Rate if such prepayment occurs on or after the Interest Determination Date for the Succeeding Interest Period or (B) the Assumed Note Rate if such prepayment occurs before the Interest Determination Date for the Succeeding Interest Period (the “**Interest Shortfall**”);

(iii) Breakage Costs, if any, without duplication of any sums paid pursuant to the preceding *clauses (i) and (ii)* ;

(iv) the Spread Maintenance Premium applicable thereto (if such prepayment occurs prior to the Spread Maintenance Date); provided that no Spread Maintenance Premium shall be due in connection with a prepayment under **Section 2.4.3(a)** (except where such prepayment arises as a result of a Voluntary Action) or **Section 2.4.3(c)** ; and

(v) all other sums, then due under the Note, this Agreement and the other Loan Documents.

(b) If the Interest Shortfall for any Floating Rate Component was calculated based upon the Assumed Note Rate, upon determination of LIBOR on the Interest Determination Date for the Succeeding Interest Period then (i) if the Interest Rate applicable to such Floating Rate Component for such Succeeding Interest Period is less than the Assumed Note Rate applicable to such Floating Rate Component, Lender shall promptly refund to Borrower the amount of the Interest Shortfall paid with respect to such Floating Rate Component, calculated at a rate equal to the difference between the Assumed Note Rate applicable to such Floating Rate Component and the Interest Rate applicable to such Floating Rate Component for such Interest Period, or (ii) if the Interest Rate applicable to such Floating Rate Component is greater than the Assumed Note Rate applicable to such Floating Rate Component, Borrower shall promptly (and in no event later than the ninth (9th) day of the following month) pay Lender the amount of such additional Interest Shortfall applicable to such Floating Rate Component calculated at a rate equal to the amount by which the Interest Rate applicable to such Floating Rate Component exceeds the Assumed Note Rate applicable to such Floating Rate Component.

(c) Borrower shall pay all reasonable costs and expenses of Lender incurred in connection with the repayment or prepayment (including without limitation reasonable attorneys' fees and expenses and costs and expenses related to the Transfer or substitution of any Property); provided, for the avoidance of doubt, this provision shall not apply with respect to Taxes.

(d) Except during an Event of Default, prepayments shall be applied by Lender in the following order of priority: (i) *first*, to any amounts (other than principal, interest, Interest Shortfall, Breakage Costs and Spread Maintenance Premium) then due and payable under the Loan Documents, including any costs and expenses of Lender in connection with such prepayment; (ii) *second*, interest payable pursuant to **Section 2.4.5(a)(i)** on the applicable Component or Components being prepaid pursuant to this **clause (d)** at the Interest Rate; (iii) *third*, Interest Shortfall on the applicable Component or Components being prepaid pursuant to this **clause (d)**; (iv) *fourth*, Breakage Costs on the applicable Component or Components being prepaid pursuant to this **clause (d)**; (v) *fifth*, Spread Maintenance Premium, to the extent applicable, on the applicable Floating Rate Component or Floating Rate Components being prepaid pursuant to this **clause (d)** and (vi) *sixth*, to principal, applied as set forth in **clause (e)** below.

(e) Except during an Event of Default, prepayments of principal of the Loan made pursuant to this **Section 2.4.5** shall be applied to the Loan (i) *first*, to Component A until the Component Outstanding Principal Balance of Component A is reduced to zero, (ii) *second*, to Component B until the Component Outstanding Principal Balance of Component B is reduced to zero, (iii) *third*, to Component C until the Component Outstanding Principal Balance of Component C is reduced to zero, (iv) *fourth*, to Component D until the Component Outstanding Principal Balance of Component D is reduced to zero, (v) *fifth*, to Component E until the Component Outstanding Principal Balance of Component E is reduced to zero, (vi) *sixth*, to Component F until the Component Outstanding Principal Balance of Component F is reduced to zero and (vii) *seventh*, to Component G until the Component Outstanding Principal Balance of Component G is reduced to zero; *provided*, that so long as no Default or Event of Default shall then exist or would result therefrom, any voluntary prepayments of principal on the Loan made from Unrestricted Cash pursuant to **Section 2.4.2**, other than Debt Yield Cure Prepayments, shall be applied to the Components of the Loan on a pro rata basis based on the Component Outstanding Principal Balance of each such Component relative to the aggregate Component Outstanding Principal Balances for all of the Components until the Component Outstanding Principal Balance for each Component has been reduced to zero.

(f) Prepayments under **Section 2.4.2** shall reduce the Allocated Loan Amounts for each Property on a pro rata basis. Prepayments under **Section 2.4.3** shall reduce the Allocated Loan Amount with respect to the applicable Property, until the Allocated Loan Amount and any interest, fees or other Obligations related thereto is zero and any excess of such prepayment shall be applied to reduce the Allocated Loan Amounts for the remaining Properties on a pro rata basis.

(g) Lender shall, upon the written request and at the expense of Borrower, upon payment in full of the Debt in accordance with the terms and provisions of the Loan

Documents, release the Liens of the Mortgage Documents and cause the trustees under any of the Mortgages to reconvey the applicable Properties to Borrower. In connection with the releases of the Liens, Borrower shall submit to Lender, forms of releases of Liens (and related Loan Documents) for execution by Lender. Such releases shall be the forms appropriate in the jurisdictions in which the Properties are located and contain standard provisions protecting the rights of Lender. In addition, Borrower shall provide all other documentation Lender reasonably requires to be delivered by Borrower in connection with such releases, together with an Officer's Certificate certifying that such documentation (i) is in compliance with all Legal Requirements, and (ii) will effect such release in accordance with the terms of this Agreement. Borrower shall pay all out-of-pocket costs, taxes and expenses associated with the release of the Liens of the Mortgage Documents, including Lender's reasonable attorneys' fees.

Section 2.5 Transfers of Properties. Borrower may Transfer any Property (each, a "**Release Property**") and Lender shall release the Release Property from the applicable Mortgage Documents and release the security interest and Lien on any Collateral located at such Property, provided that the following conditions precedent to such Transfer are satisfied (the "**Release Conditions**"); provided, that, for the avoidance of doubt, the Release Conditions do not need to be satisfied in order for Lender to release its security interest and Lien on any Disqualified Property in connection with any prepayment or substitution in accordance with **Section 2.4.3(a)** :

(a) Borrower shall submit to Lender, not less than ten (10) Business Days' prior to the Transfer Date, a Request for Release, together with all attachments thereto and evidence reasonably satisfactory to Lender that the conditions precedent set forth in this **Section 2.5** will be satisfied upon the consummation of such Transfer (for the avoidance of doubt, no Request for Release need be provided in connection with a contribution of a Release Property to a Borrower TRS);

(b) No Event of Default has occurred and is continuing (other than a non-monetary Event of Default that is specific to such Release Property to which **Section 2.4.3(a)** is applicable and would be cured as a result of the release of the Release Property, so long as a mandatory prepayment is made with respect thereto in accordance with **Section 2.4.3(a)** (a "**Qualified Release Property Default**"));

(c) The Debt Yield as of the most recent Calculation Date, after giving pro forma effect to the elimination of the Underwritten Net Cash Flow for the Release Property and the repayment of the Loan in the applicable Release Amount, is at least the greater of (x) the Closing Date Debt Yield and (y) the actual Debt Yield as of such date; provided that the condition in this **clause (c)** shall not be applicable to a Transfer of a Property if the Loan is prepaid in the amount that is the greater of the applicable Release Amount and one hundred percent (100%) of the Net Transfer Proceeds for the Transferred Property;

(d) The Release Property shall be Transferred to a Person other than Borrower, any other Loan Party or, unless the release of the Release Property is effected in order to cure a Qualified Release Property Default or is a release of a Designated HOA Property, any Affiliate of Borrower or any other Loan Party; *provided* that Borrower may contribute the Release Property to a Borrower TRS;

(e) Except for (i) the release of the Release Property that is effected in order to cure a Qualified Release Property Default, (ii) any contribution to a Borrower TRS described

in the *proviso* of the foregoing **clause (d)** or (iii) a release of a Designated HOA Property, the Release Property shall be Transferred pursuant to a bona fide all-cash sale of the Release Property on arms-length terms and conditions;

(f) Except for any contribution to a Borrower TRS described in the *proviso* of the foregoing **clause (d)** , on or prior to the Transfer Date, Borrower shall prepay the Outstanding Principal Balance by an amount equal to the applicable Release Amount for the Release Property, and Borrower shall comply with the provisions and pay to Lender the amounts set forth in **Section 2.4.5** ;

(g) Except for any contribution to a Borrower TRS described in the *proviso* of the foregoing **clause (d)** , if a Trigger Period is continuing on the Transfer Date, the excess, if any, of (i) the Net Transfer Proceeds for the Release Property over (ii) the applicable Release Amount for the Release Property and any other amounts payable to Lender in connection with such release, shall be deposited into the Cash Collateral Account;

(h) Borrower shall submit to Lender, not less than five (5) Business Days prior to the Transfer Date, a draft release for the applicable Mortgage Documents (and, in the event the Mortgage and the Assignment of Leases and Rents applicable to the Release Property encumber other Property(ies) in addition to the Release Property, such release shall be a partial release that relates only to the Release Property and does not affect the Liens and security interests encumbering or on the other Property(ies)) in form and substance appropriate for the jurisdiction in which the Release Property is located and shall contain standard provisions protecting the rights of Lender. In addition, Borrower shall provide all other documentation of a ministerial or administrative nature that Lender reasonably requires to be delivered by Borrower in connection with such release or assignment;

(i) Borrower shall have paid all taxes and all reasonable out-of-pocket costs and expenses incurred by Lender and/or its Servicer in connection with any such release and, in addition, the current reasonable and customary fee being assessed by Lender and/or its Servicer to effect such release or assignment;

(j) Notwithstanding anything to the contrary contained herein or in any other Loan Document, if the Loan is included in a REMIC Trust and the ratio of the unpaid principal balance of the Loan to the value of the remaining Properties (as determined by Lender in its sole discretion using any commercially reasonable method permitted to a REMIC Trust; and which shall exclude the value of any personal property (other than fixtures) or going concern value, if any) exceeds or would exceed one hundred twenty-five percent (125%) immediately after giving effect to the release of the Release Property, no release will be permitted unless the principal balance of the Loan is prepaid by an amount not less than the greater of (i) the Release Amount or (ii) the least amount that is a "qualified amount" as that term is defined in IRS Revenue Procedure 2010-30, as the same may be amended, replaced, supplemented or modified from time to time, unless Lender receives an opinion of counsel that, if this **Section 2.5(i)** is applicable but not followed or is no longer applicable at the time of such release, the Securitization will not fail to maintain its status as a REMIC Trust as a result of the release of the Release Property; and

(k) The Release Property is a separate legal parcel from the property remaining encumbered by Mortgages.

Section 2.6 Interest Rate Cap Agreement.

2.6.1 Interest Rate Cap Agreement. Prior to or contemporaneously with the Closing Date, Borrower shall have obtained, and thereafter maintain in effect, the Interest Rate Cap Agreement, which shall have a term expiring no earlier than the last day of the Interest Period in which the Stated Maturity Date occurs and have a notional amount which shall not at any time be less than the aggregate Component Outstanding Principal Balances of the Floating Rate Components. The Interest Rate Cap Agreement shall have a strike rate equal to the Strike Price.

2.6.2 Pledge and Collateral Assignment. As security for the full and punctual payment and performance of the Obligations when due (whether upon stated maturity, by acceleration, early termination or otherwise), Borrower, as pledgor, hereby pledges, assigns, hypothecates, transfers and delivers to Lender as collateral and hereby grants to Lender a continuing first priority lien on and security interest in, to and under all of the following whether now owned or hereafter acquired and whether now existing or hereafter arising (the “**Rate Cap Collateral**”): all of the right, title and interest of Borrower in and to (a) the Interest Rate Cap Agreement; (b) all payments, distributions, disbursements or proceeds due, owing, payable or required to be delivered to Borrower in respect of the Interest Rate Cap Agreement or arising out of the Interest Rate Cap Agreement, whether as contractual obligations, damages or otherwise; and (c) all of Borrower’s claims, rights, powers, privileges, authority, options, security interests, liens and remedies, if any, under or arising out of the Interest Rate Cap Agreement, in each case including all accessions and additions to, substitutions for and replacements, products and proceeds of any or all of the foregoing.

2.6.3 Covenants.

(a) Borrower shall comply with all of its obligations under the terms and provisions of the Interest Rate Cap Agreement. All amounts paid by the Counterparty under the Interest Rate Cap Agreement to Borrower or Lender shall be deposited immediately into the Collection Account pursuant to **Section 6.1.1**. Subject to the terms hereof, provided no Event of Default has occurred and is continuing, Borrower shall be entitled to exercise all rights, powers and privileges of Borrower under, and to control the prosecution of all claims with respect to, the Interest Rate Cap Agreement and the other Rate Cap Collateral. Borrower shall take all actions reasonably requested by Lender to enforce Borrower’s rights under the Interest Rate Cap Agreement in the event of a default by the Counterparty thereunder and shall not waive, amend or otherwise modify any of its rights thereunder.

(b) Borrower shall defend Lender’s right, title and interest in and to the Rate Cap Collateral pledged by Borrower pursuant hereto or in which it has granted a security interest pursuant hereto against the claims and demands of all other Persons.

(c) In the event of any downgrade, withdrawal or qualification of the rating of the Counterparty such that it ceases to qualify as an “Approved Counterparty”, unless the Counterparty shall have posted collateral on terms acceptable to each Rating Agency, Borrower shall replace the Interest Rate Cap Agreement with a Replacement Interest Rate Cap Agreement not later than ten (10) Business Days following receipt of notice from Lender, Servicer or any other Person of such downgrade, withdrawal or qualification. In the event that the Counterparty is downgraded (i) below BBB+ by S&P or Fitch (or, if such counterparty was an approved

counterparty based on its short-term rating by S&P or Fitch, below “A-2” by S&P or “F-2” by Fitch) or (ii) below “Baa1” by Moody’s, a Replacement Interest Rate Cap Agreement shall be required regardless of the posting of collateral.

(d) In the event that Borrower fails to purchase and deliver to Lender a Replacement Interest Rate Cap Agreement as and when required hereunder, Lender may purchase a Replacement Interest Rate Cap Agreement and the cost incurred by Lender in purchasing such Replacement Interest Rate Cap Agreement shall be paid by Borrower to Lender with interest thereon at the Default Rate from the date such cost was incurred by Lender until such cost is paid by Borrower to Lender.

(e) Borrower shall not sell, assign, or otherwise dispose of, or mortgage, pledge or grant a security interest in, any of the Rate Cap Collateral or any interest therein, and any sale, assignment, mortgage, pledge or security interest whatsoever made in violation of this covenant shall be a nullity and of no force and effect, and upon demand of Lender, shall forthwith be cancelled or satisfied by an appropriate instrument in writing.

(f) Borrower shall not (i) without the prior written consent of Lender, modify, amend or supplement the terms of the Interest Rate Cap Agreement, (ii) without the prior written consent of Lender, except in accordance with the terms of the Interest Rate Cap Agreement, cause the termination of the Interest Rate Cap Agreement prior to its stated maturity date, (iii) without the prior written consent of Lender, except as aforesaid, waive or release any obligation of the Counterparty (or any successor or substitute party to the Interest Rate Cap Agreement) under the Interest Rate Cap Agreement, (iv) without the prior written consent of Lender, consent or agree to any act or omission to act on the part of the Counterparty (or any successor or substitute party to the Interest Rate Cap Agreement) which, without such consent or agreement, would constitute a default under the Interest Rate Cap Agreement, (v) fail to exercise promptly and diligently each and every material right which it may have under the Interest Rate Cap Agreement, (vi) take or intentionally omit to take any action or intentionally suffer or permit any action to be omitted or taken, the taking or omission of which would result in any right of offset against sums payable under the Interest Rate Cap Agreement or any defense by the Counterparty (or any successor or substitute party to the Interest Rate Cap Agreement) to payment or (vii) fail to give prompt notice to Lender of any notice of default given by or to Borrower under or with respect to the Interest Rate Cap Agreement, together with a complete copy of such notice. If Borrower shall have received written notice that the Securitization shall have occurred, no consent by Lender provided for in this **Section 2.6.3 (f)** shall be given by Lender unless Lender shall have received a Rating Agency Confirmation.

(g) In connection with an Interest Rate Cap Agreement, Borrower shall obtain and deliver to Lender an opinion of counsel from counsel (which counsel may be in-house counsel for the Counterparty) for the Counterparty upon which Lender and its successors and assigns may rely (the “**Counterparty Opinion**”), under New York law and, if the Counterparty is a non-U.S. entity, the applicable foreign law, which shall provide in relevant part, that: (i) the issuer is duly organized, validly existing, and in good standing under the laws of its jurisdiction of incorporation and has the organizational power and authority to execute and deliver, and to perform its obligations under, the Interest Rate Cap Agreement; (ii) the execution and delivery of the Interest Rate Cap Agreement by the issuer, and any other agreement which the issuer has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been and remain duly authorized by all necessary action and do not contravene any provision of

its certificate of incorporation or by-laws (or equivalent organizational documents) or any law, regulation or contractual restriction binding on or affecting it or its property; (iii) all consents, authorizations and approvals required for the execution and delivery by the issuer of the Interest Rate Cap Agreement, and any other agreement which the issuer has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been obtained and remain in full force and effect, all conditions thereof have been duly complied with, and no other action by, and no notice to or filing with any governmental authority or regulatory body is required for such execution, delivery or performance; and (iv) the Interest Rate Cap Agreement, and any other agreement which the issuer has executed and delivered pursuant thereto, has been duly executed and delivered by the issuer and constitutes the legal, valid and binding obligation of the issuer, enforceable against the issuer in accordance with its terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

2.6.4 [Reserved].

2.6.5 Representations and Warranties. Borrower hereby covenants with, and represents and warrants to Lender as of the Closing Date as follows:

(a) The Interest Rate Cap Agreement constitutes the legal, valid and binding obligation of Borrower, enforceable against Borrower in accordance with its terms, subject only to applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

(b) The Rate Cap Collateral is free and clear of all claims or security interests of every nature whatsoever, except such as are created pursuant to this Agreement and the other Loan Documents, and Borrower has the right to pledge and grant a security interest in the same as herein provided without the consent of any other Person other than any such consent that has been obtained and is in full force and effect.

(c) The Rate Cap Collateral has been duly and validly pledged hereunder. All consents and approvals required to be obtained by Borrower for the consummation of the transactions contemplated by this Agreement have been obtained.

(d) Giving effect to the aforesaid grant and assignment to Lender, Lender has, as of the date of this Agreement, and as to Rate Cap Collateral acquired from time to time after such date, shall have, a valid, and upon proper filing, perfected and continuing first priority lien upon and security interest in the Rate Cap Collateral; provided that no representation or warranty is made with respect to the perfected status of the security interest of Lender in the proceeds of Rate Cap Collateral consisting of "cash proceeds" or "non-cash proceeds" as defined in the UCC except if, and to the extent, the provisions of Section 9-306 of the UCC shall be complied with.

(e) Except for financing statements filed or to be filed in favor of Lender as secured party, there are no financing statements under the UCC covering any or all of the Rate Cap Collateral and Borrower shall not, without the prior written consent of Lender, until payment in full of all of the Obligations, execute and file in any public office, any enforceable financing statement or statements covering any or all of the Rate Cap Collateral, except financing statements filed or to be filed in favor of Lender as secured party.

2.6.6 Payments. If Borrower at any time shall be entitled to receive any payments with respect to the Interest Rate Cap Agreement, Borrower shall direct Counterparty to deposit such amounts immediately upon becoming payable to Borrower into the Collection Account; *provided* that if, notwithstanding such direction, Borrower receives any payments with respect to the Interest Rate Cap Agreement, Borrower shall immediately deposit such amounts into the Collection Account.

2.6.7 Remedies. Subject to the provisions of the Interest Rate Cap Agreement, if an Event of Default shall occur and then be continuing:

(a) Lender, without obligation to resort to any other security, right or remedy granted under any other agreement or instrument, shall have the right to, in addition to all rights, powers and remedies of a secured party pursuant to the UCC, at any time and from time to time, sell, resell, assign and deliver, in its sole discretion, any or all of the Rate Cap Collateral (in one or more parcels and at the same or different times) and all right, title and interest, claim and demand therein and right of redemption thereof, at public or private sale, for cash, upon credit or for future delivery, and in connection therewith Lender may grant options and may impose reasonable conditions such as requiring any purchaser to represent that any "securities" constituting any part of the Rate Cap Collateral are being purchased for investment only, Borrower hereby waiving and releasing any and all equity or right of redemption to the fullest extent permitted by the UCC or applicable law. If all or any of the Rate Cap Collateral is sold by Lender upon credit or for future delivery, Lender shall not be liable for the failure of the purchaser to purchase or pay for the same and, in the event of any such failure, Lender may resell such Rate Cap Collateral. It is expressly agreed that Lender may exercise its rights with respect to less than all of the Rate Cap Collateral, leaving unexercised its rights with respect to the remainder of the Rate Cap Collateral, *provided*, *however*, that such partial exercise shall in no way restrict or jeopardize Lender's right to exercise its rights with respect to all or any other portion of the Rate Cap Collateral at a later time or times.

(b) Lender may exercise, either by itself or by its nominee or designee, in the name of Borrower, all of Lender's rights, powers and remedies in respect of the Rate Cap Collateral, hereunder and under law.

(c) Borrower hereby irrevocably, in the name of Borrower or otherwise, authorizes and empowers Lender and assigns and transfers unto Lender, and constitutes and appoints Lender its true and lawful attorney-in-fact, and as its agent, irrevocably, with full power of substitution for Borrower and in the name of Borrower, (i) to exercise and enforce every right, power, remedy, authority, option and privilege of Borrower under the Interest Rate Cap Agreement, including any power to subordinate or modify the Interest Rate Cap Agreement (but not, unless an Event of Default exists and is continuing, the right to terminate or cancel the Interest Rate Cap Agreement), or to give any notices, or to take any action resulting in such subordination, termination, cancellation or modification and (ii) in order to more fully vest in Lender the rights and remedies provided for herein, to exercise all of the rights, remedies and powers granted to Lender in this Agreement, and Borrower further authorizes and empowers Lender, as Borrower's attorney-in-fact, and as its agent, irrevocably, with full power of substitution for Borrower and in the name of Borrower, to give any authorization, to furnish any

information, to make any demands, to execute any instruments and to take any and all other action on behalf of and in the name of Borrower which in the opinion of Lender may be necessary or appropriate to be given, furnished, made, exercised or taken under the Interest Rate Cap Agreement, in order to comply therewith, to perform the conditions thereof or to prevent or remedy any default by Borrower thereunder or to enforce any of the rights of Borrower thereunder. These powers-of-attorney are irrevocable and coupled with an interest, and any similar or dissimilar powers heretofore given by Borrower in respect of the Rate Cap Collateral to any other Person are hereby revoked.

(d) Lender may, without notice to, or assent by, Borrower or any other Person (to the extent permitted by law), but without affecting any of the Obligations, in the name of Borrower or in the name of Lender, notify the Counterparty, or if applicable, any other counterparty to the Interest Rate Cap Agreement, to make payment and performance directly to Lender; extend the time of payment and performance of, compromise or settle for cash, credit or otherwise, and upon any terms and conditions, any obligations owing to Borrower, or claims of Borrower, under the Interest Rate Cap Agreement; file any claims, commence, maintain or discontinue any actions, suits or other proceedings deemed by Lender necessary or advisable for the purpose of collecting upon or enforcing the Interest Rate Cap Agreement; and execute any instrument and do all other things deemed necessary and proper by Lender to protect and preserve and realize upon the Rate Cap Collateral and the other rights contemplated hereby.

(e) Pursuant to the powers-of-attorney provided for above, Lender may take any action and exercise and execute any instrument which it may deem necessary or advisable to accomplish the purposes hereof; *provided, however*, that Lender shall not be permitted to take any action pursuant to said power-of-attorney that would conflict with any limitation on Lender's rights with respect to the Rate Cap Collateral. Without limiting the generality of the foregoing, Lender, after the occurrence of an Event of Default, shall have the right and power to receive, endorse and collect all checks and other orders for the payment of money made payable to Borrower representing: (i) any payment of obligations owed pursuant to the Interest Rate Cap Agreement, (ii) interest accruing on any of the Rate Cap Collateral or (iii) any other payment or distribution payable in respect of the Rate Cap Collateral or any part thereof, and for and in the name, place and stead of Borrower, to execute endorsements, assignments or other instruments of conveyance or transfer in respect of any property which is or may become a part of the Rate Cap Collateral hereunder.

(f) Lender may exercise all of the rights and remedies of a secured party under the UCC.

(g) Without limiting any other provision of this Agreement or any of Borrower's rights hereunder, and without waiving or releasing Borrower from any obligation or default hereunder, Lender shall have the right, but not the obligation, to perform any act or take any appropriate action, as it, in its reasonable judgment, may deem necessary to protect the security of this Agreement, to cure such Event of Default or to cause any term, covenant, condition or obligation required under this Agreement or the Interest Rate Cap Agreement to be performed or observed by Borrower to be promptly performed or observed on behalf of Borrower. All amounts advanced by, or on behalf of, Lender in exercising its rights under this **Section 2.6.7(g)** (including, but not limited to, reasonable legal expenses and disbursements incurred in connection therewith), together with interest thereon at the Default Rate from the date of each such advance, shall be payable by Borrower to Lender upon demand and shall be secured by this Agreement.

2.6.8 Sales of Rate Cap Collateral. No demand, advertisement or notice, all of which are, to the fullest extent permitted by law, hereby expressly waived by Borrower, shall be required in connection with any sale or other disposition of all or any part of the Rate Cap Collateral, except that Lender shall give Borrower at least thirty (30) Business Days' prior written notice of the time and place of any public sale or of the time when and the place where any private sale or other disposition is to be made, which notice Borrower hereby agrees is reasonable, all other demands, advertisements and notices being hereby waived. To the extent permitted by law, Lender shall not be obligated to make any sale of the Rate Cap Collateral if it shall determine not to do so, regardless of the fact that notice of sale may have been given, and Lender may without notice or publication adjourn any public or private sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. Upon each private sale of the Rate Cap Collateral of a type customarily sold in a recognized market and upon each public sale, unless prohibited by any applicable statute which cannot be waived, Lender (or its nominee or designee) may purchase any or all of the Rate Cap Collateral being sold, free and discharged from any trusts, claims, equity or right of redemption of Borrower, all of which are hereby waived and released to the extent permitted by law, and may make payment therefor by credit against any of the Obligations in lieu of cash or any other obligations. In the case of all sales of the Rate Cap Collateral, public or private, Borrower shall pay all reasonable costs and expenses of every kind for sale or delivery, including brokers' and attorneys' fees and disbursements and any tax imposed thereon. However, the proceeds of sale of Rate Cap Collateral shall be available to cover such costs and expenses, and, after deducting such costs and expenses from the proceeds of sale, Lender shall apply any residue to the payment of the Obligations in the order of priority as set forth in this Agreement.

2.6.9 Public Sales Not Possible. Borrower acknowledges that the terms of the Interest Rate Cap Agreement may prohibit public sales, that the Rate Cap Collateral may not be of the type appropriately sold at public sales, and that such sales may be prohibited by law. In light of these considerations, Borrower agrees that private sales of the Rate Cap Collateral shall not be deemed to have been made in a commercially unreasonably manner by mere virtue of having been made privately.

2.6.10 Receipt of Sale Proceeds. Upon any sale of the Rate Cap Collateral by Lender hereunder (whether by virtue of the power of sale herein granted, pursuant to judicial process or otherwise), the receipt by Lender or the officer making the sale or the proceeds of such sale shall be a sufficient discharge to the purchaser or purchasers of the Rate Cap Collateral so sold, and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to Lender or such officer or be answerable in any way for the misapplication or non-application thereof.

2.6.11 Replacement Interest Rate Cap Agreement. If, in connection with Borrower's exercise of any Extension Option pursuant to **Section 2.7**, Borrower delivers a Replacement Interest Rate Cap Agreement, all the provisions of this **Section 2.6** applicable to the Interest Rate Cap Agreement delivered on the Closing Date shall be applicable to the Replacement Interest Rate Cap Agreement.

Section 2.7 Extension Options

2.7.1 Extension Options. Borrower shall have the option (the “**First Extension Option**”), by written notice (the “**First Extension Notice**”) delivered to Lender (which notice may be revoked) no later than thirty (30) days prior to the Stated Maturity Date, to extend the Maturity Date to June 9, 2018 (the “**First Extended Maturity Date**”). In the event Borrower shall have exercised the First Extension Option, Borrower shall have the option (the “**Second Extension Option**”), by written notice (the “**Second Extension Notice**”) delivered to Lender (which notice may be revoked) no later than thirty (30) days prior to the First Extended Maturity Date, to extend the First Extended Maturity Date to June 9, 2019 (the “**Second Extended Maturity Date**”). In the event Borrower shall have exercised the Second Extension Option, Borrower shall have the option (the “**Third Extension Option**”), by written notice (the “**Third Extension Notice**”) delivered to Lender (which notice may be revoked) no later than thirty (30) days prior to the Second Extended Maturity Date, to extend the Second Extended Maturity Date to June 9, 2020 (the “**Third Extended Maturity Date**”). Borrower’s right to so extend the applicable Maturity Date shall be subject to the satisfaction of the following conditions precedent prior to each extension hereunder:

(a) (i) no Event of Default shall have occurred and be continuing on the applicable Extension Date;

(b) Borrower shall (i) obtain and deliver to Lender not later than the first day of the term of the Loan as extended, one or more Replacement Interest Rate Cap Agreements from an Approved Counterparty, in a notional amount equal to the aggregate Component Outstanding Principal Balances of the Floating Rate Components, which Replacement Interest Rate Cap Agreement(s) shall be (A) effective for the period commencing on the Business Day immediately following the then applicable Maturity Date (prior to giving effect to the applicable Extension Option) and ending on the last day of the Interest Period in which the applicable extended Maturity Date occurs and (B) otherwise on same terms set forth in **Section 2.6** and at the applicable Strike Price and (ii) execute and deliver an Acknowledgment with respect to each such Replacement Interest Rate Cap Agreement;

(c) Borrower shall deliver a Counterparty Opinion with respect to the Replacement Interest Rate Cap Agreement and the related Acknowledgment and shall deliver to Lender an executed Collateral Assignment of Interest Rate Protection Agreement;

(d) All amounts due and payable by Borrower and any other Person pursuant to this Agreement or the other Loan Documents as of the Stated Maturity Date, the First Extended Maturity Date, and the Second Extended Maturity Date, as applicable, and all reasonable, out-of-pocket costs and expenses of Lender, including fees and expenses of Lender’s counsel, in connection with the Loan and/or the applicable extension of the Term shall have been paid in full.

(e) If Borrower is unable to satisfy all of the foregoing conditions within the applicable time frames for each, Lender shall have no obligation to extend the Maturity Date hereunder.

2.7.2 Extension Documentation. As soon as practicable following an extension of the Maturity Date pursuant to this **Section 2.7**, Borrower shall, if requested by Lender, execute and deliver an amendment of and/or restatement of the Note and shall, if requested by Lender, enter into such amendments to the related Loan Documents as may be necessary or appropriate to

evidence the extension of the Maturity Date as provided in this **Section 2.7**; *provided, however*, that no failure by Borrower to enter into any such amendments and/or restatements shall affect the rights or obligations of Borrower or Lender with respect to the extension of the Maturity Date.

Section 2.8 Spread Maintenance Premium. Upon any repayment or prepayment of the Loan (including in connection with an acceleration of the Loan but excluding in connection with any mandatory prepayment pursuant to **Section 2.4.3(a)** (except where such prepayment arises as a result of a Voluntary Action) or **Section 2.4.3(c)**) made prior to the Spread Maintenance Date, Borrower shall pay to Lender on the date of such repayment or prepayment (or acceleration of the Loan) the Spread Maintenance Premium applicable thereto. All Spread Maintenance Premium payments hereunder shall be deemed to be earned by Lender upon the funding of the Loan.

Section 2.9 Increased Costs. In the event that any change in any requirement of law or in the interpretation or application thereof, or compliance by Lender with any request or directive (whether or not having the force of law) hereafter issued from any central bank or other Governmental Authority:

(a) shall hereafter impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, or deposits or other liabilities in or for the account of, advances or loans by, or other credit extended by, or any other acquisition of funds by, any office of Lender which is not otherwise included in the determination of LIBOR hereunder;

(b) shall hereafter have the effect of reducing the rate of return on Lender's capital as a consequence of its obligations hereunder to a level below that which Lender could have achieved but for such adoption, change or compliance (taking into consideration Lender's policies with respect to capital adequacy) by any amount deemed by Lender to be material;

(c) shall hereafter subject Lender to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (ii) through (iv) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(d) shall hereafter impose on Lender any other condition and the result of any of the foregoing is to increase the cost to Lender of making, renewing or maintaining loans or extensions of credit or to reduce any amount receivable hereunder in each case by an amount deemed by Lender in good faith to be material;

then, in any such case, Borrower shall promptly pay Lender, upon demand, additional amounts necessary to compensate Lender for such additional cost or reduced amount receivable which Lender deems to be material as determined by Lender in good faith that Lender deems allocable to the Loan. If Lender becomes entitled to claim any additional amounts pursuant to this **Section 2.9**, Lender shall provide Borrower with not less than thirty (30) days written notice specifying in reasonable detail the event by reason of which it has become so entitled and the additional amount required to compensate Lender in accordance herewith. A certificate as to any additional costs or amounts payable pursuant to the foregoing sentence submitted by Lender to Borrower shall be conclusive in the absence of manifest error. Subject to **Section 2.10**, this **Section 2.9** shall survive payment of the Debt and the satisfaction of all other Obligations.

Section 2.10 Taxes.

2.10.1 Defined Terms. For purposes of this *Section 2.10*, the term “applicable law” includes FATCA.

2.10.2 Payments Free of Taxes. Any and all payments by or on account of any obligation of Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of Borrower) requires the deduction or withholding of any Tax from any such payment by Borrower, then Borrower shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this *Section 2.10*) Lender receives an amount equal to the sum it would have received had no such deduction or withholding been made.

2.10.3 Payment of Other Taxes by Borrower. Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law any Other Taxes.

2.10.4 Indemnification by the Loan Parties. Borrower shall indemnify Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this *Section 2.10*) payable or paid by Lender or required to be withheld or deducted from a payment to Lender and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Borrower by Lender shall be conclusive absent manifest error.

2.10.5 Evidence of Payments. As soon as practicable after any payment of Taxes by Borrower to a Governmental Authority pursuant to this *Section 2.10*, Borrower shall deliver to Lender the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to Lender.

2.10.6 Status of Lender.

(a) If Lender is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document then Lender shall deliver to Borrower, at the time or times reasonably requested by Borrower, such properly completed and executed documentation reasonably requested by Borrower as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, Lender, if reasonably requested by Borrower, shall deliver such other documentation prescribed by applicable law or reasonably requested by Borrower as will enable Borrower to determine whether or not Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such

documentation (other than such documentation set forth in **Section 2.10.6(b)(i), (b)(ii) and (b)(iv)** below) shall not be required if in Lender's reasonable judgment such completion, execution or submission would subject Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of Lender.

(b) Without limiting the generality of the foregoing,

(i) If Lender is a U.S. Person it shall deliver to Borrower (in such number of copies as shall be reasonably requested by Borrower) on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower), executed originals of IRS Form W-9 certifying that Lender is exempt from U.S. federal backup withholding tax;

(ii) If Lender is a Foreign Lender it shall, to the extent it is legally entitled to do so, deliver to Borrower (in such number of copies as shall be reasonably requested by Borrower) on or prior to the date on which it becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower), whichever of the following is applicable:

(A) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN (in the case of an individual) or W-8BEN-E (in the case of an entity) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN (in the case of an individual) or W-8BEN-E (in the case of an entity) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(B) executed originals of IRS Form W-8ECI;

(C) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) or 871(h) of the Code, (x) a certificate substantially in the form of Exhibit F-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "**U.S. Tax Compliance Certificate**") and (y) executed originals of IRS Form W-8BEN (in the case of an individual) or W-8BEN-E (in the case of an entity); or

Section 4.1 Affirmative Covenants. Borrower shall comply with the following covenants:

4.1.1 Compliance with Laws, Etc. Borrower shall and shall cause each other Loan Party to do or cause to be done all things necessary to preserve, renew and keep in full force and effect its rights, licenses and permits and to comply with all Legal Requirements applicable to it and the Properties (and the use thereof), including, without limitation, building and zoning ordinances and codes and certificates of occupancy, except to the extent that the failure to do so would not reasonably be expected to have a Material Adverse Effect. Any Loan Party, at such Loan Party's expense, may contest by appropriate legal proceeding promptly initiated and conducted in good faith and with due diligence, the validity of any Legal Requirement, the applicability of any Legal Requirement to a Loan Party or any Property or any alleged violation of any Legal Requirement; *provided* that (a) such proceeding shall be permitted under and be conducted in accordance with the provisions of any instrument to which a Loan Party is subject and shall not constitute a default thereunder and such proceeding shall be conducted in accordance with all applicable Legal Requirements; (b) no Property nor any part thereof or interest therein will be in danger of being sold, forfeited, terminated, cancelled or lost; and (c) the Loan Party shall promptly upon final determination thereof comply with any such Legal Requirement determined to be valid or applicable or cure any violation of any Legal Requirement, except to the extent that the failure to do so would not reasonably be expected to have a Material Adverse Effect.

4.1.2 Preservation of Existence. Borrower shall and shall cause each other Loan Party and each SPC Party to (a) observe all procedures required by its Constituent Documents and preserve and maintain its corporate existence, rights, franchises and privileges in the jurisdiction of its organization, and (b) qualify and remain qualified in good standing (where relevant) as a foreign limited liability company or limited partnership, as applicable, in each other jurisdiction where the nature of its business requires such qualification and to the extent such concept exists in such jurisdiction and where, in the case of *clause (b)*, except where the failure to be so qualified would not reasonably be expected to have a Material Adverse Effect.

4.1.3 Non-Property Taxes. Borrower shall and shall cause each other Loan Party and each SPC Party to file, cause to be filed or obtain an extension of the time to file, all Tax returns for Non-Property Taxes and reports required by law to be filed by it and to promptly pay or cause to be paid all Non-Property Taxes now or hereafter levied, assessed or imposed on it as the same become due and payable; *provided* that, after prior notice to Lender, such Loan Party or such SPC Party may contest by appropriate legal proceedings conducted in good faith and with due diligence, the amount or validity of any such Non-Property Taxes and, in such event, may permit the Non-Property Taxes so contested to remain unpaid during any period, including appeals, when a Loan Party or SPC Party is in good faith contesting the same so long as (a) no Event of Default has occurred and remains uncured, (b) such proceeding shall be permitted under and be conducted in accordance with all applicable Legal Requirements, (c) no Property or other Collateral nor any part thereof or interest therein will be in danger of being sold, forfeited, terminated, canceled or lost, (d) the applicable Loan Party or SPC Party has set aside on its books adequate reserves in accordance with GAAP, and the non-payment or non-discharge of such Non-Property Taxes would not reasonably be expected to have a Material Adverse Effect, (e) enforcement of the contested Non-Property Taxes is effectively stayed for the entire duration of such contest and no Lien is imposed on any Property or other Collateral, (f) any Non-Property Taxes determined to be due, together with any interest or penalties thereon, is promptly paid as

required after final resolution of such contest, (g) to the extent such Non-Property Taxes (when aggregated with all other Taxes that any Loan Party or SPC Party is then contesting under this **Section 4.1.3** or **Section 4.4.8** and for which Borrower has not delivered to Lender any Contest Security) exceed One Million and No/100 Dollars (\$1,000,000), Borrower shall deliver to Lender either (i) cash, or other security as may be approved by Lender, in an amount sufficient to insure the payment of any such Non-Property Taxes, together with all interest and penalties thereon or (ii) a payment and performance bond in an amount equal to one hundred percent (100%) of the contested amount from a surety acceptable to Lender in its reasonable discretion, (h) failure to pay such Non-Property Taxes will not subject Lender to any civil or criminal liability, (i) such contest shall not affect the ownership, use or occupancy of any Property or other Collateral, and (j) Borrower shall, upon request by Lender, give Lender prompt notice of the status of such proceedings and/or confirmation of the continuing satisfaction of the conditions set forth in clauses (a) through (i) of this **Section 4.1.3**. Notwithstanding the foregoing, Borrower shall and shall cause each other Loan Party and each SPC Party to pay any contested Non-Property Taxes (or, if cash or other security has been provided, Lender may pay over any such cash or other security held by Lender to the claimant entitled thereto) if, in Lender's reasonable judgment, any Property or other Collateral (or any part thereof or interest therein) shall be in danger of being sold, forfeited, terminated, cancelled or lost or there shall be any danger of the Lien of any Collateral Document being primed by any related Lien.

4.1.4 Access to Properties. Subject to the rights of Tenants, Borrower shall permit agents, representatives and employees of Lender to inspect the Properties or any part thereof at reasonable hours upon reasonable advance notice.

4.1.5 Perform Loan Documents. Borrower shall and shall cause each other Loan Party to, in a timely manner, observe, perform and satisfy all the terms, provisions, covenants and conditions of the Loan Documents executed and delivered by, or applicable to, the Loan Party, and shall pay when due all costs, fees and expenses of Lender, to the extent required under the Loan Documents executed and delivered by, or applicable to, the Loan Party.

4.1.6 Awards and Insurance Benefits. Borrower shall cooperate with Lender, in accordance with the relevant provisions of this Agreement, to enable Lender to receive the benefits of any Awards or Insurance Proceeds lawfully or equitably payable in connection with any Property, and Lender shall be reimbursed for any expenses incurred in connection therewith (including reasonable attorneys' fees and disbursements, and the payment by the Loan Parties of the reasonable expense of an appraisal on behalf of Lender in case of Casualty or Condemnation affecting any Property or any part thereof) out of such Insurance Proceeds.

4.1.7 Security Interest; Further Assurances. Borrower shall and shall cause each other Loan Party to take all necessary action to establish and maintain, in favor of Lender a valid and perfected first priority security interest in all Collateral to the full extent contemplated herein, free and clear of any Liens (including the filing of all financing statements or other similar instruments or documents necessary under the UCC (or any comparable law) of all appropriate jurisdictions to perfect Lender's security interest in the Collateral). Borrower shall and shall cause each other Loan Party to, at the Loan Party's sole cost and expense execute any and all further documents, financing statements, agreements, affirmations, waivers and instruments, and take all such further actions (including the filing and recording of financing statements) that may be required under any applicable Legal Requirement, or that Lender deems necessary or advisable, in order to grant, preserve, protect and perfect the validity and priority of the security

interests created or intended to be created hereby or by the Collateral Documents or the enforceability of any guaranty or other Loan Document. Such financing statements may describe as the collateral covered thereby “all assets of the debtor, whether now owned or hereafter acquired” or words to that effect.

4.1.8 Keeping of Records and Books of Account. Borrower shall and shall cause each other Loan Party to maintain and implement administrative and operating procedures (including an ability to recreate records regarding the Properties in the event of the destruction of the originals thereof) and keep and maintain on a calendar year basis, in accordance with the requirements for a Special Purpose Bankruptcy Remote Entity set forth herein, as applicable, GAAP, and, to the extent required under **Section 9.1**, the requirements of Regulation AB, proper and accurate documents, books, records and other information reasonably necessary for the collection of all Rents and other Collections and payments of its obligations. Such books and records shall include, without limitation, records adequate to permit the identification of each Property and all items of income and expense in connection with the operation of each Property. Lender shall have the right from time to time (but, in any event, not more than twice in any calendar year (unless an Event of Default shall have occurred and be continuing, in which case no such restriction shall apply)) during normal business hours upon reasonable notice (which may be given verbally) to Borrower to examine such books, records, accounts, agreements, leases, instruments and other documents and the collection systems of the Loan Parties and Manager at the offices of the Loan Parties or any other Person maintaining such books, records and accounts and to make such copies or extracts thereof as Lender shall desire. Borrower shall pay any reasonable out-of-pocket costs and expenses incurred by Lender in any such examination.

4.1.9 Special Purpose Bankruptcy Remote Entity/Separateness.

(a) Borrower shall and shall cause each other Loan Party and each SPC Party to be and continue to be a Special Purpose Bankruptcy Remote Entity.

(b) Borrower shall and shall cause each other Loan Party to comply in all material respects with all of the stated facts and assumptions made with respect to the Loan Parties in each Insolvency Opinion. Each entity other than a Loan Party with respect to which an assumption is made or a fact stated in an Insolvency Opinion will comply in all material respects with all of the assumptions made and facts stated with respect to it in such Insolvency Opinion.

4.1.10 Location of Records. Borrower shall and shall cause each other Loan Party to keep its chief place of business and chief executive office and the offices where it keeps the Records at the address(es) referred to on **Schedule VII** or upon thirty (30) days’ prior written notice to Lender, at any other location in the United States where all actions reasonably requested by Lender to protect and perfect the interests of Lender in the Collateral have been taken and completed.

4.1.11 Business and Operations. Borrower shall and shall cause each other Loan Party to, directly or through the Manager or subcontractors of the Manager (subject to **Section 4.2.1**), continue to engage in the businesses presently conducted by it as and to the extent the same are necessary for the ownership, maintenance, sale, management, leasing and operation of the Properties. Borrower shall and shall cause each other Loan Party to qualify to do business and will remain in good standing under the laws of each jurisdiction as and to the extent the same are

required for the ownership, maintenance, management and operation of the Properties, except to the extent that failure to do so would not reasonably be expected to have a Material Adverse Effect. Borrower or a Borrower TRS, as applicable, shall, at all times during the term of the Loan, continue to own or lease all equipment, fixtures and personal property which are necessary to operate the Properties.

4.1.12 Leasing Matters. Borrower shall (i) observe and perform the obligations imposed upon the lessor under the Leases for its Properties in a commercially reasonable manner; and (ii) enforce the terms, covenants and conditions contained in such Leases upon the part of the Tenant thereunder to be observed or performed in a commercially reasonable manner except in each case to the extent that the failure to do so would not reasonably be expected to have an Individual Material Adverse Effect with respect to a Property. No Rent may be collected under any Lease for the Properties more than one (1) month in advance of its due date.

4.1.13 Property Management.

(a) Borrower shall (i) cause Manager to manage the Properties in accordance with the Management Agreement, (ii) diligently perform and observe all of the terms, covenants and conditions of the Management Agreement on the part of Borrower to be performed and observed, (iii) promptly notify Lender of any default under the Management Agreement of which it is aware, (iv) promptly deliver to Lender a copy of each financial statement, business plan, capital expenditures plan, report and estimate received by it under the Management Agreement, and (v) promptly enforce the performance and observance of all of the covenants required to be performed and observed by Manager under the Management Agreement in a commercially reasonable manner. If Borrower shall default in the performance or observance of any material term, covenant or condition of the Management Agreement on the part of Borrower to be performed or observed, then, without limiting Lender's other rights or remedies under this Agreement or the other Loan Documents, and without waiving or releasing Borrower from any of its Obligations hereunder or under the Management Agreement, Lender shall have the right, but shall be under no obligation, to pay any sums and to perform any act as may be appropriate to cause all the material terms, covenants and conditions of the Management Agreement on the part of Borrower to be performed or observed. In no event shall the fee payable to Manager for any Interest Period exceed the Management Fee Cap for such Interest Period and in no event shall Borrower pay or become obligated to pay to Manager, any transition or termination costs or expenses, termination fees, or their equivalent in connection with the Transfer of a Property or the termination of the Management Agreement.

(b) If any one or more of the following events occurs: (i) the occurrence of an Event of Default, (ii) Manager shall be in material default under the Management Agreement beyond any applicable notice and cure period (including as a result of any gross negligence, fraud, willful misconduct or misappropriation of funds), or (iii) Manager shall become insolvent or a debtor in any bankruptcy or insolvency proceeding, then Lender shall have the right to require Borrower to replace the Manager and enter into a Replacement Management Agreement with (x) a Qualified Manager selected by Borrower that is not an Affiliate of Borrower or (y) another property manager chosen by Borrower and approved by Lender; *provided*, that such approval shall be conditioned upon Borrower delivering a Rating Agency Confirmation as to such property manager. If Borrower fails to select a new Qualified Manager or a replacement Manager that satisfies the conditions described in the foregoing *clause (y)* and enter into a Replacement Management Agreement with such Person within sixty (60) days of Lender's

demand to replace the Manager, then Lender may choose the replacement property manager provided that such replacement property manager is a Qualified Manager or satisfies the conditions set forth in the foregoing *clause (y)* .

4.1.14 Property Files. Borrower will deliver to Lender all Property Files in an electronic format reasonably agreed by Lender and Borrower.

4.1.15 Security Deposits.

(a) All security deposits of Tenants, whether held in cash or any other form, shall be deposited into one or more Eligible Accounts (each, a “*Security Deposit Account*”) established and maintained by Borrower at a local bank which shall be an Eligible Institution, held in compliance with all Legal Requirements, and identified on *Schedule XIII* , as such schedule may be updated from time to time by delivery of written notice by the Borrower to Lender, and shall not be commingled with any other funds of Borrower. On or before the Closing Date, Borrower shall cause all security deposits of Tenants received by Borrower or Manager on or before the Closing Date to be deposited into a Security Deposit Account. Borrower shall cause all security deposits of Tenants received by Borrower or Manager after the Closing Date to be deposited into a Security Deposit Account, the Collection Account or a Rent Deposit Account within three (3) Business Days of receipt; *provided* that if Borrower receives a check or other payment that combines a security deposit of a Tenant together with Rent or other amounts owing by a Tenant, then Borrower shall deposit the combined payment into the Rent Deposit Account or Cash Management Account. Borrower shall maintain complete and accurate records of all transactions pertaining to security deposits of Tenants and the Security Deposit Accounts, with sufficient detail to identify all security deposits of Tenants separate and apart from other payments received from or by Tenants. Borrower shall, no less frequently than once each month, transfer into a Security Deposit Account any security deposits of Tenants previously received and deposited into the Collection Account or a Rent Deposit Account. The security deposits of Tenants shall be disbursed by Borrower in accordance with the terms of the applicable Leases and all Legal Requirements. In the event the Tenant under any Lease defaults such that the applicable security deposit may be drawn upon on account of such default, the proceeds of such draw shall constitute Collections and Borrower shall immediately deposit the proceeds thereof into a Rent Deposit Account or the Collection Account. Borrower shall pay for all expenses of opening and maintaining the Security Deposit Accounts. So long as the Debt is outstanding, except as otherwise provided in this *Section 4.1.15(a)* , Borrower shall not (and shall not permit Manager or any other Person to) open any other accounts for the deposit of security deposits of Tenants other than the Security Deposit Accounts.

(b) Any bond or other instrument which Borrower is permitted to hold in lieu of cash security deposits under any applicable Legal Requirements (i) shall be maintained in full force and effect in the full amount of such deposits unless replaced by cash deposits as herein above described, (ii) shall be issued by an institution reasonably satisfactory to Lender, (iii) shall, if permitted pursuant to any Legal Requirements, name Lender as payee or mortgagee thereunder (or at Lender’s option, be fully assignable to Lender), and (iv) shall in all respects comply with any applicable Legal Requirements and otherwise be satisfactory to Lender. Borrower shall, upon request, provide Lender with evidence reasonably satisfactory to Lender of Borrower’s compliance with the foregoing.

(c) (i) Upon Lender's written request following the occurrence and during the continuance of an Event of Default, Borrower shall deliver (or cause to be delivered) to Lender (or Servicer) or to one or more accounts designated by Lender (or Servicer) the security deposits of Tenants, and (ii) upon a foreclosure of any Property or action in lieu thereof, Borrower shall deliver to Lender (or Servicer) or to an account designated by Lender (or Servicer) the security deposit applicable to the Lease with respect to such Property, except, in each case, to the extent any such security deposits were previously deposited into a Rent Deposit Account or the Collection Account in accordance with **Section 4.1.15(a)** following a default by the Tenant under the applicable Lease. Any security deposits delivered to Lender (or Servicer) pursuant to this **Section 4.1.15(c)** will be held by Lender (or Servicer) for the benefit of the applicable Tenants in accordance with the terms of the Leases and applicable law.

4.1.16 Anti-Money Laundering. Borrower shall comply and shall cause each other Loan Party to comply in all material respects with all applicable Anti-Money Laundering Laws. Without limiting the generality of the foregoing, to the extent required by the Anti-Money Laundering Laws, Borrower shall (a) maintain an anti-money laundering compliance program that is in compliance, in all material respects, with the Anti-Money Laundering Laws, (b) conduct, in all material respects, the due diligence required under the Anti-Money Laundering Laws in connection with the Leases and Tenants, including with respect to the legitimacy of the applicable Tenant and the origin of the assets used by said Tenant to lease the applicable Property and (c) maintain sufficient information to identify the applicable Tenant for purposes of compliance, in all material respects, with the Anti-Money Laundering Laws. Borrower shall provide notice to Lender, within five (5) Business Days of receipt, of any written notice of any Anti-Money Laundering Law violation or action involving a Loan Party.

4.1.17 Embargoed Persons. Prior to entering into a Lease with a prospective Tenant (excluding any existing Tenant of a Property that was previously screened in accordance with this **Section 4.1.17**), Borrower shall confirm that such prospective Tenant is not a Person whose name appears on a Government List. Borrower shall not knowingly enter into a Lease with a Person whose name appears on a Government List unless Borrower determines that such Person is not the terrorist, narcotics trafficker or other Person who is identified on such Government List but merely has the same name as such Person. If notwithstanding such confirmation, a Responsible Officer of a Loan Party or Manager obtains knowledge that a Tenant is a Person whose name appears on a Government List, it shall promptly provide notice of such fact to Lender within five (5) Business Days of acquiring knowledge thereof.

4.1.18 Cooperate in Legal Proceedings. Borrower shall cooperate fully with Lender with respect to any proceedings before any court, board or other Governmental Authority which may in any way affect the rights of Lender hereunder or any rights obtained by Lender under any of the other Loan Documents and, in connection therewith, permit Lender, at its election, to participate in any such proceedings.

4.1.19 Further Assurances. Borrower shall and shall cause each other Loan Party to, at Borrower's sole cost and expense:

(a) furnish to Lender all instruments, documents, certificates, title and other insurance reports and agreements, and each and every other document, certificate, agreement and instrument required to be furnished by Borrower pursuant to the terms of the Loan Documents or which are reasonably requested by Lender in connection therewith.

(b) cure any defects in the execution and delivery of the Loan Documents and execute and deliver, or cause to be executed and delivered, to Lender such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to correct any omissions in the Loan Documents, to evidence, preserve and/or protect the Collateral at any time securing or intended to secure the Obligations, as Lender may reasonably require; and

(c) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the better and more effective carrying out of the intents and purposes of this Agreement and the other Loan Documents, as Lender may reasonably require from time to time.

4.1.20 Costs and Expenses.

(a) Except as otherwise expressly set forth herein or in any of the other Loan Documents, Borrower shall pay or, if Borrower fails to pay, reimburse Lender upon receipt of notice from Lender, for all costs and expenses (including reasonable attorneys' fees and disbursements) incurred by Lender in connection with (i) the Relevant Parties' ongoing performance of and compliance with Borrower's agreements and covenants contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date, including confirming compliance with environmental and insurance requirements (except to the extent expressly set forth in **Section 10.20**); (ii) Lender's ongoing performance of and compliance with all agreements and covenants contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date (except to the extent expressly set forth in **Section 10.20**); (iii) the negotiation, preparation, execution and delivery of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters requested by any Relevant Party; (iv) filing and recording of any Loan Documents; (v) title insurance, surveys, inspections, Broker Price Opinions and broker opinions of market rent; (vi) the creation, perfection or protection of Lender's Liens in the Collateral (including fees and expenses for title and lien searches, intangibles taxes, personal property taxes, mortgage recording taxes, due diligence expenses, travel expenses, accounting firm fees, environmental reports and Lender's diligence consultant); (vii) enforcing or preserving any rights in response to third party claims or the prosecuting or defending of any action or proceeding or other litigation, in each case against, under or affecting any Relevant Party, the Loan Documents, any Property, or any other security given for the Loan; (viii) fees charged by Servicer (except to the extent expressly set forth in **Section 10.20**) and, if a Securitization has occurred, the Rating Agencies in connection with the Loan or any modification thereof; and (ix) enforcing any Obligations of or collecting any payments due from any Relevant Party under this Agreement, the other Loan Documents or with respect to any Property or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or of any insolvency or bankruptcy proceedings; *provided*, *however*, that Borrower shall not be liable for the payment of any such costs and expenses to the extent the same arise by reason of the active gross negligence, illegal acts, fraud or willful misconduct of Lender; provided, further, that this **Section 4.1.20** shall not apply with respect to Taxes other than any Taxes that represent losses or damages arising from any non-Tax claim.

(b) In addition, in connection with any Rating Agency Confirmation, Review Waiver or other Rating Agency consent, approval or review requested or required hereunder

(other than the initial review of the Loan by the Rating Agencies in connection with a Securitization), Borrower shall pay all of the costs and expenses of Lender, Servicer and each Rating Agency in connection therewith, and, if applicable, shall pay any fees imposed by any Rating Agency in connection therewith.

(c) Any costs and expenses due and payable by Borrower hereunder which are not paid by Borrower within ten (10) days after demand may be paid from any amounts in the Collection Account, with notice thereof to Borrower. The obligations and liabilities of Borrower under this **Section 4.1.20** shall (i) become part of the Obligations, (ii) be secured by the Loan Documents and (iii) survive the Term and the exercise by Lender of any of its rights or remedies under the Loan Documents.

4.1.21 Indemnity. Borrower shall indemnify, defend and hold harmless Lender from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including the reasonable fees and disbursements of counsel for Lender in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not Lender shall be designated a party thereto), that may be imposed on, incurred by, or asserted against Lender in any manner relating to or arising out of (a) any breach by any Relevant Party of its Obligations under, or any material misrepresentation by Borrower contained in, this Agreement or the other Loan Documents; and (b) the use or intended use of the proceeds of the Loan (collectively, the “**Indemnified Liabilities**”); *provided, however*, that Borrower shall not have any obligation to Lender hereunder to the extent that such Indemnified Liabilities arise from the gross negligence, illegal acts, fraud or willful misconduct of Lender. To the extent that the undertaking to indemnify, defend and hold harmless set forth in the preceding sentence may be unenforceable because it violates any law or public policy, Borrower shall pay the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Lender.

4.1.22 ERISA Matters. Each Loan Party shall and shall cause each of its ERISA Affiliates to establish, maintain and operate all Plans to comply in all material respects with the provisions of ERISA, the Code and all applicable laws, the regulations and interpretation thereunder and the respective requirements of the governing documents for such Plans. Each Loan Party shall and shall cause each of its ERISA Affiliates to establish, maintain and operate all Foreign Plans to comply in all material respects with all laws, regulations and rules applicable thereto and the respective requirements of the governing documents for such plans.

(c) Borrower shall, as soon as reasonably practicable after request by Lender furnish or cause to be furnished to Lender in such manner and in such detail as may be reasonably requested by Lender, such additional information, documents, records or reports as may be reasonably requested with respect to the Property or the conditions or operations, financial or otherwise, of the Relevant Parties.

4.3.12 HOA Reporting.

(a) The Borrower shall deliver to Lender, within twenty-eight (28) days after the end of each calendar quarter, a report (the “**Quarterly HOA Report**”) containing the following information with respect to each Applicable HOA Property, a data tape of such Applicable HOA Property containing the following data fields: (x) the data fields set forth on the Properties Schedule under the captions “Property ID”, “YardiCode”, “Property Name”, “Address (Street)”, “City”, “County”, “State”, “Closest MSA”, and “Zip Code” and (y) the HOA name, the frequency with which payments are due to the HOA, the last HOA payment due date, the next HOA payment due date, the amount owed on the last HOA payment due date, the amount paid on the last HOA payment due date, the amount owed on the next HOA payment due date and payments to the HOA for the applicable Fiscal Year, which such Quarterly HOA Report shall be certified by a Responsible Officer of Borrower as true, correct and complete in all material respects.

(b) Subject to the remainder of this subsection (b), Borrower shall deliver to Lender, within twenty (20) Business Days after the end of each calendar quarter of each year, one or more legal opinions (which may be in the form of a bring-down or date-down opinion with respect to an earlier delivered opinion, including, without limitation, any Closing Date HOA Opinion) from a nationally recognized law firm (or one with prominent standing in the applicable state) specifying with respect to each state in which a Property is located whether such state is an Applicable HOA State (as defined under clause (a) of the definition thereof). Any opinion required to be delivered pursuant to this **Section 4.3.12(b)** may be aggregated with any other opinion required to be delivered to Lender (or Servicer on behalf of Lender) so long as all the states in which Properties are located are included in such opinion or opinions and such opinion or opinions specifically reference this Agreement and otherwise meet the requirements of this **Section 4.3.12(b)**. If, with respect to any state in which a Property is located, (i) Borrower fails to deliver to Lender an opinion pursuant to this **Section 4.3.12(b)**, Lender may in its sole and absolute discretion designate such state an Applicable HOA State by written notice to Borrower or (ii) any opinion delivered to Lender pursuant to this **Section 4.3.12(b)** shall be unsatisfactory to Lender in its reasonable discretion, Lender may request in writing that Borrower obtain a second opinion from a nationally recognized law firm (or one with prominent standing in the applicable state) and deliver such opinion to Lender within twenty (20) Business Days of such written request and (1) if Borrower fails to deliver such a second opinion to Lender, Lender may in its reasonable discretion designate such state an Applicable HOA State by written notice to Borrower or (2) if any such second opinion delivered to Lender shall be unsatisfactory to Lender in its sole and absolute discretion and Lender believes in good faith that such state is an Applicable HOA State (as defined under clause (a) of the definition thereof), Lender may designate such state an Applicable HOA State by written notice to Borrower. In addition, if Lender believes in good faith that any provisions for the subordination of Liens for HOA Fees to the Lien of the Mortgages are unenforceable under the laws of an Applicable HOA State or that such Lien for HOA Fees would be entitled to Priority, Lender may redesignate all affected HOA Properties in such Applicable HOA State as Applicable HOA Properties. On the Closing Date, Lender acknowledges based on the Closing Date HOA Opinions that the only Applicable HOA Properties are listed on **Schedule XV**.

(c) If subsequent to the Closing Date there is consummated a securitization of a single borrower single family residential rental financing similar to the transactions contemplated by this Agreement and such financing contains HOA reporting and/or HOA Opinion delivery requirements and/or HOA Funds reserve requirements that are less burdensome to the borrower thereunder than those required by this Agreement (including **Sections 4.3.12**, **4.4.11**, **6.2.3**, **6.2.4** and **Schedule X**), then subject to receipt by Borrower of a Rating Agency Confirmation, Lender at the request of Borrower shall amend this Agreement in a manner consistent with such less burdensome requirements.

Section 4.4 Property Covenants. Borrower shall comply with the following covenants with respect to each Property:

4.4.1 Ownership of the Property. 4.4.4 Deeds. If a deed provided in the Property File with respect to the Property does not initially consist of a certified copy of the original conforming recorded deed from the applicable recording office, then Borrower shall post a copy such a deed to the Property File within three hundred sixty (360) days following the date hereof.

If any Mortgage Documents provided in the Property File with respect to the Property initially consists of a copy of such Mortgage Documents in recordable form that have been submitted by the title insurance company for recording in the jurisdiction in which the Property is located, then Borrower shall post a copy to the Property File of a certified or file stamped (in each by the applicable land registry) executed original of such Mortgage Documents within one hundred eighty (180) days following the date hereof.

Except if the Property has suffered a Casualty and is in the process of being restored in accordance with **Section 5.4**, Borrower shall keep and maintain in all material respects the Property in a good, safe and habitable condition and repair and free of and clear of any damage or waste, and from time to time make, or cause to be made, in all material respects, all reasonably necessary repairs, renewals, replacements, betterments and improvements thereto, that are necessary to comply with the Renovation Standards and applicable Legal Requirements in all material respects; *provided*, that a Designated Renovation Property need not comply with the Renovation Standards during the time that it is leased to the Tenant who is in occupancy of such Designated Renovation Property as of the Closing Date and for so long thereafter as is reasonably necessary to renovate such Property in accordance with the Renovation Standards.

The Property (including the leasing and intended use thereof) shall comply in all material respects with all applicable Legal Requirements, including, without limitation, building and zoning ordinances and codes and all certifications, permits, licenses and approvals, including without limitation, certificates of completion and occupancy permits, required for the legal leasing, use, occupancy, habitability and operation of the Property, all such certifications, permits, licenses and approvals shall be maintained in full force and effect, except as would not reasonably be expected to have an Individual Material Adverse Effect on the Property. Borrower shall obtain and maintain in full force and effect all consents, approvals, orders, certifications, permits, licenses and authorizations of, and make all filings with or notices to, any court or Governmental Authority related to the operation, use or leasing of the Property except where the failure to obtain would not reasonably be expected to have an Individual Material Adverse Effect with respect to the Property. Borrower shall not and shall not permit any other Loan Party, any Borrower TRS, any Manager or any other Person in occupancy of or involved with the operation, use or leasing of the Property to commit any act or omission affording any Governmental Authority the right of forfeiture as against the Property or any part thereof.

4.4.8 Property Taxes, Other Charges and HOA Fees. Borrower shall promptly pay or cause to be paid all Property Taxes, Other Charges and HOA Fees now or hereafter levied, assessed or imposed on it as the same become due and payable and shall furnish to Lender evidence of payment of Property Taxes, Other Charges and HOA Fees prior to the date the same shall become delinquent, and shall promptly pay for all utility services provided to the Property as the same become due and payable (other than any such utilities which are, pursuant to the terms of any Lease, required to be paid by the Tenant thereunder directly to the applicable service provider); *provided* that, after prior written notice to Lender of its intention to contest any such Property Taxes, Other Charges and HOA Fees, such Loan Party may contest by appropriate legal proceedings conducted in good faith and with due diligence, the amount or validity of any such Property Taxes, Other Charges and HOA Fees and, in such event, may permit the Property Taxes, Other Charges and HOA Fees so contested to remain unpaid during any period, including appeals, when a Loan Party is in good faith contesting the same so long as (a) no Event of Default has occurred and remains uncured, (b) such proceeding shall be permitted under and be conducted in accordance with all applicable Legal Requirements, (c) no Property or other Collateral nor any part thereof or interest therein will be in danger of being sold, forfeited, terminated, canceled or lost, (d) the applicable Loan Party has set aside on its books adequate reserves in accordance with GAAP, and the non-payment or non-discharge of such Property Taxes, Other Charges and HOA Fees would not reasonably be expected to have an Individual Material Adverse Effect on the applicable Property, (e) enforcement of the contested Property Taxes, Other Charges and HOA Fees is effectively stayed for the entire duration of such contest and no Lien is imposed on any Property or other Collateral which is reasonably expected to have an Individual Material Adverse Effect, (f) any Property Taxes, Other Charges and HOA Fees determined to be due, together with any interest or penalties thereon, is promptly paid as required after final resolution of such contest, (g) to the extent such Property Taxes, Other Charges and HOA Fees (when aggregated with all other Taxes that any Loan Party is then contesting under this **Section 4.4.8** or **Section 4.1.3** and for which Borrower has not delivered to Lender any Contest Security) exceed Two Million Five Hundred Thousand and No/100 Dollars

(\$2,500,000), Borrower shall deliver to Lender either (i) cash, or other security as may be approved by Lender, in an amount sufficient to insure the payment of any such Property Taxes, Other Charges and HOA Fees, together with all interest and penalties thereon or (ii) a payment and performance bond in an amount equal to one hundred percent (100%) of the contested amount from a surety acceptable to Lender in its reasonable discretion, (h) failure to pay such Property Taxes, Other Charges and HOA Fees will not subject Lender to any civil or criminal liability, (i) such contest shall not affect the ownership, use or occupancy of any Property, and (j) Borrower shall, upon request by Lender, give Lender prompt notice of the status of such proceedings and/or confirmation of the continuing satisfaction of the conditions set forth in **clauses (a) through (j) of this Section 4.4.8**. 4.4.9 Compliance with Agreements Relating to the Properties. Borrower shall not enter into any agreement or instrument or become subject to any restriction which would reasonably be expected to have an Individual Material Adverse Effect on any Property. Borrower shall not default in any material respect in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any agreement or instrument to which any Property is bound. Borrower shall not have a material financial obligation under any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument by which any Property is bound, other than obligations under the Loan Documents. Borrower shall not, and shall cause each Borrower TRS not to, default in any material respect in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any Permitted Lien with respect to any Property. The amount

of such business income or rental loss insurance shall be determined prior to the Closing Date and at least once each year thereafter based on Borrower's reasonable estimate of the net income from each Property for the succeeding twelve (12) month period. All proceeds payable to Lender pursuant to this subsection shall be held by Lender and shall be applied in Lender's sole discretion to (x) the Obligations or (y) Operating Expenses approved by Lender in its sole discretion; *provided, however*, that nothing herein contained shall be deemed to relieve Borrower of their obligation to pay the Obligations on the respective dates of payment provided for in this Agreement and the other Loan Documents except to the extent such amounts are actually paid out of the proceeds of such business income insurance;

(iii) at all times during which structural construction, repairs or renovations are being made with respect to any Property, and only if each of the property coverage form and the liability insurance coverage form does not otherwise apply, (A) owner's contingent or protective liability insurance, otherwise known as Owner Contractor's Protective Liability (or its equivalent), covering claims not covered by or under the terms or provisions of the above mentioned commercial general liability insurance policy, (B) the insurance provided for in **Section 5.1.1(a)** written in a so-called builder's risk completed value form including coverage for all insurable hard and soft costs of construction (x) on a non-reporting basis, (y) against all risks insured against pursuant to **Section 5.1.1(a)(i)**, **(iii)**, **(iv)** and **(viii)**, (z) including permission to occupy such Property and (C) with an agreed amount endorsement waiving co-insurance provisions;

(viii) upon sixty (60) days' written notice, such other reasonable insurance, and in such reasonable amounts as Lender from time to time may reasonably request against such other insurable hazards which at the time are commonly insured against for properties similar to the Properties located in or around the region in which Properties are located.

(b) All insurance provided for in **Section 5.1.1(a)** shall be obtained under valid and enforceable policies (collectively, the “**Policies**” or in the singular, the “**Policy**”) and shall be placed per the requirements of Lender as to form and substance, including insurance companies, amounts, deductibles, loss payees and insureds and evidence that the Properties are specifically covered by such policies. Certificates of insurance evidencing the Policies shall be delivered to Lender on the Closing Date with respect to the current Policies in place on the Closing Date. Not less than ten (10) days prior to the expiration dates of the Policies theretofore furnished to Lender, certificates of insurance evidencing the Policies (and, upon the written request of Lender, copies of such Policies) accompanied by evidence satisfactory to Lender of payment of the premiums then due thereunder (the “**Insurance Premiums**”), shall be delivered by Borrower to Lender.

(c) Any blanket insurance Policy shall otherwise provide the same protection as would a separate Policy insuring only the Properties in compliance with the provisions of **Section 5.1.1(a)** (any such blanket policy, an “**Acceptable Blanket Policy**”).

(d) All Policies of insurance provided for or contemplated by **Section 5.1.1(a)**, except for the Policy referenced in **Section 5.1.1(a)(v)**, shall name Borrower as the insured and Lender and its successors and/or assigns as mortgagee and loss payee, as its interests may appear, and in the case of property damage, boiler and machinery, windstorm, flood and earthquake insurance, shall contain a so-called New York standard non-contributing mortgagee clause in favor of Lender providing that the loss thereunder shall be payable to Lender unless below the threshold for Borrower to handle such claim without Lender intervention as provided in **Section 5.2**. Additionally, if Borrower obtains property insurance coverage in addition to or in excess of that required by **Section 5.1.1(a)(i)**, then such insurance policies shall also contain a so-called New York standard non-contributing mortgagee clause in favor of Lender providing that the loss thereunder shall be payable to Lender.

(e) All Policies of insurance provided for in **Section 5.1.1(a)**, except for the Policies referenced in **Section 5.1.1(a)(vi)**, shall contain clauses or endorsements to the effect that:

(i) no act or negligence of Borrower, or anyone acting for Borrower, or of any Tenant or other occupant, or failure to comply with the provisions of any Policy, which might otherwise result in a forfeiture of the insurance or any part thereof, shall in any way affect the validity or enforceability of the insurance insofar as Lender is concerned;

(ii) the Policy shall not be canceled without at least thirty (30) days’ written notice to Lender and any other party named therein as an additional insured (other

than in the case of non-payment in which case only ten days prior notice, or the shortest time allowed by applicable Legal Requirement (whichever is longer), will be required) and shall not be materially changed (other than to increase the coverage provided thereby) without such a thirty (30) day notice;

(iii) Lender shall not be liable for any Insurance Premiums thereon or subject to any assessments thereunder; and

more than that which is customarily maintained by prudent owners of properties with a standard of operation and maintenance comparable to and in the general vicinity of the Properties, but in no event in excess of an amount reasonably acceptable to Lender; and (g) be satisfactory in form and substance to Lender and shall be approved by Lender as to amounts, form, risk coverage, deductibles, loss payees and insureds. In addition to the insurance coverages described in **Section 5.1.1**, Borrower shall obtain such other insurance as may from time to time be reasonably required by Lender in order to protect its interests. Certified copies of the Policies shall be delivered to Lender at the address below (or to such other address or Person as Lender shall designate from time to time by notice to Borrower) on the date hereof with respect to the current Policies and within thirty (30) days after the effective date thereof with respect to all renewal Policies:

JPMORGAN CHASE BANK, NATIONAL ASSOCIATION
383 Madison Avenue, Floor 31
New York, New York 10179
Attention: Chuckie C. Reddy

Borrower shall pay the Insurance Premiums annually in advance as the same become due and payable and shall furnish to Lender evidence of the renewal of each of the Policies with receipts for the payment of the Insurance Premiums or other evidence of such payment reasonably satisfactory to Lender (*provided, however*, that Borrower shall not be required to pay such Insurance Premiums nor furnish such evidence of payment to Lender in the event that the amounts required to pay such Insurance Premiums have been deposited into the Insurance Account pursuant to **Section 6.3**). Within thirty (30) days after request by Lender, Borrower shall obtain such increases in the amounts of coverage required hereunder as may be reasonably requested by Lender, taking into consideration changes in the value of money over time, changes in liability laws, changes in prudent customs and practices.

5.1.3 Special Insurance Reserve. Notwithstanding anything in this **Section 5.1** to the contrary, Borrower shall be permitted to obtain and maintain insurance policies with deductibles in excess of the amounts specified in this **Section 5.1**, so long as Borrower shall have deposited into and maintains at all times in the Special Insurance Reserve Account an amount equal to the difference between such higher deductible and the applicable deductible specified in this **Section 5.1** (such amount, the “**Excess Deductible**”).

Section 5.2 Casualty. If one or more Properties are damaged or destroyed in whole or in part by fire or other casualty (a “**Casualty**”) and either (i) the aggregate loss amount is or is reasonably expected to exceed \$25,000, or (ii) any damaged Property is or is reasonably expected to be rendered uninhabitable for more than 30 days as a result of the Casualty, then (A) the Borrower is required to file proof of loss under the applicable Policy or Policies and (B) the Borrower shall give prompt notice of the Casualty to the Lender. Lender may, but shall not be obligated to make proof of loss if not made promptly by Borrower. In addition, Lender may participate in any settlement discussions with any insurance companies (and shall approve any final settlement) (x) if an Event of Default is continuing or (y) with respect to any Casualty in which the Net Proceeds or the costs of completing the Restoration are reasonably expected to be equal to or greater than the Casualty Threshold Amount and Borrower shall deliver to Lender all instruments required by Lender to permit such participation. Any Insurance Proceeds in connection with any Casualty (whether or not Lender elects to settle and adjust the claim or Borrower settles such claim) shall be due and payable solely to Lender and held by Lender in

accordance with the terms of this Agreement. If Borrower or any party other than Lender receives any Insurance Proceeds or Condemnation Proceeds, Borrower shall immediately deliver such proceeds to Lender and shall endorse, and cause all such third parties to endorse, check payable therefor to the order of Lender. Borrower hereby irrevocably appoints Lender as its attorney-in-fact, coupled with an interest, to endorse any such check payable to the order of Lender. Borrower hereby releases Lender from any and all liability with respect to the settlement and adjustment by Lender of any claims in respect of any Casualty. Solely with respect to any HOA Property for which an HOA provides one or more property insurance policies that covers a Casualty (each an “**HOA Policy**”), the following additional provisions shall apply: (1) Borrower shall first make, or request the HOA to make, a claim with respect to any such Casualty under such HOA Policy or HOA Policies, (2) to the extent Borrower has any right to participate in any settlement discussions with insurance companies or approve any final settlement under the HOA Policies and the loss is greater than \$25,000, Lender shall have the right to participate in any settlement discussions with any such insurance companies and to approve any final settlement to the same extent it has such rights as described above with respect to Borrower’s Policies, (3) to the extent permitted under the HOA Policies, any insurance proceeds of the HOA Policies that relate to such Casualty shall be handled and directed in the same manner as Insurance Proceeds, and (4) in the event that insurance proceeds payable with respect to such Casualty under the HOA Policies are insufficient to pay the expected costs of completing the Restoration, Borrower shall make a claim under its insurance policies maintained in accordance with **Section 5.1.1**.

Section 5.3 Condemnation. Borrower shall promptly give Lender notice of the actual or threatened commencement of any proceeding for the Condemnation of all or any portion of a Property and shall deliver to Lender copies of any and all papers served in connection with such proceedings. Lender may participate in any such proceedings, and Borrower shall from time to time deliver to Lender all instruments requested by it to permit such participation. Borrower shall, at its expense, diligently prosecute any such proceedings, and shall consult with Lender, its attorneys and experts, and cooperate with them in the carrying on or defense of any such proceedings which is reasonably expected to involve an Award of an amount greater than the Casualty Threshold Amount. Notwithstanding any taking by any public or quasi-public authority through Condemnation or otherwise (including, but not limited to, any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement and the Debt shall not be reduced until any Condemnation Proceeds shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. If Borrower or any party other than Lender receives any Condemnation Proceeds, Borrower shall immediately deliver such proceeds to Lender and shall endorse, and cause all such third parties to endorse, a check payable therefore to the order of Lender. Lender shall not be limited to the interest paid on the Award by the condemning authority but shall be entitled to receive out of the Award interest at the rate or rates provided herein or in the Note. Net Proceeds from a Condemnation shall be applied as follows:

(a) If a partial Condemnation of a Property does not interfere with the use of such Property as a residential rental property, then the Net Proceeds paid by the condemning authority shall be applied to the prepayment of the Debt in accordance with **Section 2.4.3(e)**.

(b) If a partial Condemnation of a Property does interfere with the use of such Property as a residential rental property or if there occurs a complete Condemnation of a Property (each, a “ **Fully Condemned Property** ”), then (i) if no Event of Default shall have occurred and be continuing and, within thirty (30) days of the date of the occurrence of such Condemnation, Borrower delivers to Lender a written undertaking to substitute the Fully Condemned Property with a Substitute Property in accordance with the requirements of **Section 2.4.3(a)** , then (A) if Net Proceeds are paid by the condemning authority directly to Borrower subsequent to such substitution, such Net Proceeds may be retained by Borrower (for the avoidance of doubt, Net Proceeds received by Borrower prior to such substitution shall be immediately paid to Lender as required by **Section 5.2**), (B) if Net Proceeds are paid by the condemning authority to Lender, such Net Proceeds will be disbursed by Lender to Borrower upon the consummation of such substitution and (C) Borrower shall provide a Substitute Property within ten (10) Business Days of the date of such undertaking in accordance with the requirements of **Section 2.4.3(a)** and (ii) if an Event of Default shall have occurred and be continuing or Borrower fails to deliver such an undertaking to Lender, then (A) Lender may retain any Net Proceeds received by it, (B) Borrower shall immediately deliver to Lender any Net Proceeds paid to Borrower, (C) Net Proceeds shall be applied to the prepayment of the Debt in accordance with **Section 2.4.3(c)** and (D) Borrower shall prepay the Loan in an amount equal to the positive difference between such Net Proceeds and the Allocated Loan Amount for the Fully Condemned Property, together with all interest and other amounts required to be paid in connection therewith under **Section 2.4.5** (collectively, the “ **Fully Condemned Property Prepayment Amounts** ”). Following Borrower’s written request after either (1) the substitution of a Substitute Property for such Fully Condemned Property in accordance with the conditions set forth above or (2) receipt by Lender of the Net Proceeds and payment by Borrower of the Fully Condemned Property Prepayment Amounts, Lender shall release the Fully Condemned Property from the applicable Mortgage Documents and related Lien, provided, that (x) Borrower has delivered to Lender a draft release (and, in the event the Mortgage and the Assignment of Leases and Rents applicable to the Fully Condemned Property encumbers other Property(ies) in addition to the Fully Condemned Property, such release shall be a partial release that relates only to the Fully Condemned Property and does not affect the Liens and security interests encumbering or on the other Property(ies)) in form and substance appropriate for the jurisdiction in which such Fully Condemned Property is located and shall contain standard provisions protecting the rights of Lender and (y) Borrower shall pay all costs, taxes and expenses associated with such release (including, without limitation, cost to file and record the release and Lender’s reasonable attorneys’ fees).

(b) If the Net Proceeds reasonably expected to be received in connection with any single Casualty event is greater than the Casualty Threshold Amount, then, (i) if no Event of Default shall have occurred and be continuing and, within sixty (60) days of the date of the occurrence of such Casualty, Borrower delivers to Lender a written undertaking to expeditiously commence and to satisfactorily complete with due diligence the Restoration of the affected Properties in accordance with the terms of this Agreement, then (A) Borrower shall immediately deliver to Lender any Net Proceeds paid to Borrower as required by **Section 5.2** and (B) Borrower shall conduct the Restoration of the affected Properties in accordance with the terms of and subject to the conditions of **Section 5.4(d)** and (ii) if an Event of Default shall have occurred and be continuing or Borrower fails to deliver such an undertaking to Lender, then (A) Lender may retain any Net Proceeds received by it, (B) Borrower shall immediately deliver to Lender any Net Proceeds paid to Borrower as required by **Section 5.2** , (C) such Net Proceeds shall be applied to the prepayment of the Debt in accordance with **Section 2.4.3(c)** , (D) Borrower shall prepay the Loan in an amount equal to the positive difference between such Net Proceeds and the Allocated Loan Amount for the affected Properties, together with all interest and other amounts required to be paid in connection therewith under **Section 2.4.5** , and (E) following Borrower's written request and receipt by Lender of the Net Proceeds and payment by Borrower of the amounts set forth in clause (D) above, Lender shall release the affected Properties from the applicable Mortgage Documents and related Liens, provided, that (x) Borrower has delivered to Lender draft releases (and, in the event any of the Mortgages and the Assignments of Leases and Rents applicable to any of the affected Properties encumber other Property(ies) in addition to the affected Properties, such release shall be a partial release that relates only to the affected Property(ies) and does not affect the Liens and security interests encumbering or on the other Property(ies)) in form and substance appropriate for the jurisdiction in which such affected Properties are located and shall contain standard provisions protecting the rights of Lender and (y) Borrower shall pay all costs, taxes and expenses associated with such release (including, without limitation, cost to file and record the release and Lender's reasonable attorneys' fees).

(c) If Borrower elects to undertake the Restoration of a Property or Properties pursuant to **Section 5.4(a)**, (i) Borrower shall commence the Restoration as soon as reasonably practicable (but in no event later than ninety (90) days after such Casualty occurs) and shall diligently pursue the same to satisfactory completion; (ii) Borrower shall cause the affected Property and the use thereof after the Restoration to be in compliance with and permitted under all applicable Legal Requirements and such Property, after Restoration, shall be of the same character as prior to such damage or destruction; (iii) the Restoration shall be done and completed by Borrower in an expeditious and diligent fashion and in compliance with all applicable Legal Requirements and the Renovation Standards and (iv) Borrower shall deliver, or cause to be delivered, to Lender a signed detailed budget approved in writing by Borrower's architect or engineer stating the entire cost of completing the Restoration, which budget shall be reasonably acceptable to Lender.

(d) If Borrower elects to undertake the Restoration of a Property or Properties pursuant to **Section 5.4(b)**, the following provisions shall apply:

(i) the Net Proceeds shall be made available to Borrower for Restoration upon the determination of Lender that the following conditions are met: (i) Borrower shall commence the Restoration as soon as reasonably practicable (but in no event later than ninety (90) days after such Casualty occurs) and shall diligently pursue the same to satisfactory completion; (ii) Lender shall be satisfied that any operating deficits, including all scheduled payments of principal and interest under the Note, which will be incurred with respect to the Properties as a result of the occurrence of the Casualty, whichever the case may be, will be covered out of (1) the Net Proceeds, (2) the insurance coverage referred to in **Section 5.1.1(a)(ii)**, if applicable, or (3) by other funds of Borrower; (iii) Lender shall be satisfied that the Restoration will be completed on or before the earliest to occur of (1) the date six (6) months prior to the Stated Maturity Date, as extended pursuant to **Section 2.7**, (2) the earliest date required for such completion under the terms of any Lease, (3) such time as may be required under applicable Legal Requirements or (4) six (6) months prior to the expiration of the insurance coverage referred to in **Section 5.1.1(a)(ii)**; (iv) Borrower shall cause the affected Property and the use thereof after the Restoration to be in compliance with and permitted under all applicable Legal Requirements and such Property, after Restoration, shall be of the same character as prior to such damage or destruction; (v) the Restoration shall be done and completed by Borrower in an expeditious and diligent fashion and in compliance with all applicable Legal Requirements and the Renovation Standards; (vi) Borrower shall deliver, or cause to be delivered, to Lender a signed detailed budget approved in writing by Borrower's architect or engineer stating the entire cost of completing the Restoration, which budget shall be reasonably acceptable to Lender and (vii) the Net Proceeds together with any cash or cash equivalent deposited by Borrower with Lender are sufficient in Lender's discretion to cover the cost of the Restoration.

(ii) The Net Proceeds shall be held by Lender in the Casualty and Condemnation Account and, until disbursed in accordance with the provisions of this **Section 5.4(d)**, shall constitute additional security for the Debt and other obligations under the Loan Documents. The Net Proceeds shall be disbursed by Lender to, or as

directed by, Borrower from time to time during the course of the Restoration, upon receipt of evidence satisfactory to Lender that (A) all materials installed and work and labor performed (except to the extent that they are to be paid for out of the requested disbursement) in connection with the Restoration have been paid for in full, and (B) there exist no notices of pendency, stop orders, mechanic's or materialman's liens or notices of intention to file same, or any other liens or encumbrances of any nature whatsoever on the Properties which have been fully bonded to the satisfaction of Lender and discharged of record or in the alternative fully insured to the satisfaction of Lender by the title company issuing the Title Insurance Policy.

(iii) All plans and specifications required in connection with the Restoration shall be subject to the prior approval of Lender and an independent consulting engineer selected by Lender (the "**Casualty Consultant**"). Lender shall have the use of the plans and specifications and all permits, licenses and approvals required or obtained in connection with the Restoration. The identity of the contractors, subcontractors and materialmen engaged in the Restoration, as well as the contracts under which they have been engaged, shall be subject to the approval of Lender and the Casualty Consultant. All costs and expenses incurred by Lender in connection with recovering, holding and advancing the Net Proceeds for the Restoration including, without limitation, reasonable attorneys' fees and disbursements and the Casualty Consultant's fees and disbursements, shall be paid by Borrower.

(iv) In no event shall Lender be obligated to make disbursements of the Net Proceeds in excess of an amount equal to the costs actually incurred from time to time for work in place as part of the Restoration, as certified by the Casualty Consultant, less the Casualty Retainage. The term "**Casualty Retainage**" shall mean, as to each contractor, subcontractor or materialman engaged in the Restoration, an amount equal to ten percent (10%) of the costs actually incurred for work in place as part of the Restoration, as certified by the Casualty Consultant, until the Restoration has been completed. The Casualty Retainage shall in no event, and notwithstanding anything to the contrary set forth above in this **Section 5.4(d)**, be less than the amount actually held back by Borrower from contractors, subcontractors and materialmen engaged in the Restoration. The Casualty Retainage shall not be released until the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this **Section 5.4(b)** and that all approvals necessary for the re-occupancy and use of the Property have been obtained from all appropriate Governmental Authorities, and Lender receives evidence satisfactory to Lender that the costs of the Restoration have been paid in full or will be paid in full out of the Casualty Retainage; provided, however, that Lender will release the portion of the Casualty Retainage being held with respect to any contractor, subcontractor or materialman engaged in the Restoration as of the date upon which (x) the Casualty Consultant certifies to Lender that such contractor, subcontractor or materialman has satisfactorily completed all work and has supplied all materials in accordance with the provisions of such contractor's, subcontractor's or materialman's contract, (y) the contractor, subcontractor or materialman delivers the lien waivers and evidence of payment in full of all sums due to the contractor, subcontractor or materialman as may be reasonably requested by Lender or by the title company issuing the Title Insurance Policy, and (z) Lender receives an endorsement to the Title Insurance Policy insuring the continued priority of the Lien of

the Mortgage and evidence of payment of any premium payable for such endorsement. If required by Lender, the release of any such portion of the Casualty Retainage shall be approved by the surety company, if any, which has issued a payment or performance bond with respect to the contractor, subcontractor or materialman.

(v) Lender shall not be obligated to make disbursements of the Net Proceeds more frequently than once every calendar month.

(vi) If at any time the Net Proceeds or the undisbursed balance thereof shall not, in the opinion of Lender in consultation with the Casualty Consultant, be sufficient to pay in full the balance of the costs which are estimated by the Casualty Consultant to be incurred in connection with the completion of the Restoration, Borrower shall deposit the deficiency (the “*Net Proceeds Deficiency*”) with Lender (for deposit into the Casualty and Condemnation Account) before any further disbursement of the Net Proceeds shall be made. The Net Proceeds Deficiency deposited with Lender shall be deposited by Lender into the Casualty and Condemnation Account and shall be disbursed for costs actually incurred in connection with the Restoration on the same conditions applicable to the disbursement of the Net Proceeds, and until so disbursed pursuant to this **Section 5.4(d)** shall constitute additional security for the Obligations.

(vii) The excess, if any, of the Net Proceeds and the remaining balance, if any, of the Net Proceeds Deficiency deposited with Lender after the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this **Section 5.4(d)**, and the receipt by Lender of evidence satisfactory to Lender that all costs incurred in connection with the Restoration have been paid in full, shall be remitted by Lender to Borrower, provided no Event of Default shall have occurred and shall be continuing.

(e) All reasonable out-of-pocket costs and expenses incurred by Lender in connection with any Restoration including, without limitation, reasonable attorneys’ fees and disbursements, shall be paid by Borrower.

(f) Notwithstanding anything to the contrary set forth in this Agreement, including the provisions of **Section 5.3** or **Section 5.4**, if the Loan is included in a REMIC Trust and, immediately following a release of any portion of the Lien of a Mortgage following a Casualty or Condemnation of a Property (but taking into account any proposed Restoration of the remaining portion of such Property), the ratio of the unpaid principal balance of the Loan to the value of the remaining Properties is greater than one hundred twenty-five percent (125%) (such value to be determined, in Lender’s sole discretion, by any commercially reasonable method permitted to a REMIC Trust; and which shall exclude the value of personal property (other than fixtures) or going concern value, if any), the Outstanding Principal Balance must be paid down (by application of the Net Proceeds or Award, as applicable, or if such amounts are not sufficient, by Borrower) by a “qualified amount” as that term is defined in the IRS Revenue Procedure 2010-30, as the same may be amended, replaced, supplemented or modified from time to time, unless Lender receives an opinion of counsel that if such amount is not paid, the applicable Securitization will not fail to maintain its status as a REMIC Trust as a result of the related release of such portion of the Lien of such Mortgage. If and to the extent the preceding sentence applies, only such amount of the net Award or net Insurance Proceeds (as applicable), if any, in excess of the amount required to pay down the principal balance of the Loan may be released for purposes of Restoration or released to Borrower as otherwise expressly provided in **Section 5.3** or **Section 5.4**.

(g) In the event of foreclosure of a Mortgage, or other transfer of title to a Property or Properties in extinguishment in whole or in part of the Debt all right, title and interest of Borrower in and to the Policies that are not blanket Policies then in force concerning such Property or Properties and all proceeds payable thereunder shall thereupon vest in the purchaser at such foreclosure or Lender or other transferee in the event of such other transfer of title.

ARTICLE 6

CASH MANAGEMENT AND RESERVE FUNDS

Section 6.1 Cash Management Arrangements.

6.1.1 Rent Deposit Account and Collection Account. Borrower shall establish and maintain one or more trust accounts for the purpose of collecting Rents (each, a “**Rent Deposit Account**”) at a local bank selected by Borrower and reasonably approved by Lender which shall be an Eligible Institution (the “**Rent Deposit Bank**”). The Rent Deposit Accounts shall be subject to a Property Account Control Agreement and Borrower and Manager shall have access to and may make withdrawals from any Rent Deposit Account for the sole purpose of making refunds of partial payments of Rents to preserve rights of eviction (as provided below) until the occurrence of an Event of Default, after which Lender may exercise sole control and dominion over each Rent Deposit Account and neither Borrower nor Manager shall have the right of withdrawal from or access to the Rent Deposit Accounts; *provided* that, for the avoidance of doubt, no Property Account Control Agreement shall be required with respect to Security Deposit Accounts. Borrower shall cause all Rents which are paid to or received by Borrower or Manager to be deposited into a Rent Deposit Account or the Collection Account, provided that all Rents are deposited into the Collection Account within three (3) Business Days after receipt thereof by Borrower or Manager. Borrower shall (or instruct Manager to) cause all funds on deposit in a Rent Deposit Account to be deposited into the Collection Account every third (3rd) Business Day (or more frequently in Borrower’s discretion), *provided*, that so long as no Event of Default exists, Borrower may cause Rent Deposit Bank to retain a reasonable amount of funds in the Rent Deposit Accounts (the “**Rent Deposit Account Retained Amount**”) with respect to anticipated overdrafts, charge-backs and refunds of partial payments of Rents to preserve rights of eviction, provided in no event shall the Rent Deposit Account Retained Amount exceed two and one-half percent (2.5%) of the total Rents deposited into the Rent Deposit Accounts during the immediately prior calendar month. Borrower shall cause any Rents which are paid to Borrower or Manager via wire or other electronic means to be deposited directly into a Rent Deposit Account or the Collection Account and, without limitation of the foregoing, Borrower shall notify and advise each current and future Tenant to send all payments of Rent pursuant to an instruction letter in the form of **Exhibit D** attached hereto (a “**Tenant Direction Letter**”). Without the consent of Lender, neither Borrower nor Manager shall terminate, amend, revoke or modify any Tenant Direction Letter in any manner whatsoever, or direct or cause any Tenant to pay any amount in any manner other than as provided in the related Tenant Direction Letter. In the event of any Transfer of any Property, Borrower shall (or shall cause the Manager or the closing title company or escrow agent, as applicable, to) deposit directly into the Collection Account the Net Transfer Proceeds for allocation in accordance with the terms of this Agreement. In addition, Borrower shall, and shall cause Manager to, deposit

any other Collections received by or on behalf of Borrower directly into the Collection Account within three (3) Business Days following receipt thereof. Without in any way limiting the foregoing, any Rents and other Collections received by Borrower or Manager shall be deemed to be collateral for the Obligations and shall be held in trust for the benefit, and as the property, of Lender, and such amounts shall not be commingled with any other funds or property of Borrower or Manager. Lender may also establish subaccounts of the Collection Account which shall at all times be Eligible Accounts (and may be ledger or book entry accounts and not actual accounts) (such subaccounts are referred to herein as “*Accounts*”). The Collection Account and all other Accounts shall be subject to the Blocked Account Control Agreement and shall be under the sole control and dominion of Lender, and Borrower shall have no right of withdrawal therefrom. Neither Borrower nor Manager shall have the right of withdrawal with respect to the Collection Account or any Accounts except with the prior written consent of Lender, and neither Borrower, Manager, nor any Person claiming on or behalf of or through Borrower or Manager shall have any right or authority to give instructions with respect to the Collection Account or the Accounts. Borrower acknowledges and agrees that Collection Account Bank shall comply with (i) the instructions originated by Lender with respect to the disposition of funds in the Collection Account and the Accounts without the further consent of Borrower or Manager or any other Person and (ii) all “entitlement orders” (as defined in Section 8-102(a)(8) of the UCC) and instructions originated by Lender directing the transfer or redemption of any financial asset relating to the Collection Account or any Account without further consent by Borrower or any other Person. The Collection Account and each Account is and shall be treated either as a “securities account”, as such term is defined in Section 8-501(a) of the UCC, or a “deposit account”, as defined in Section 9-102(a)(29) of the UCC. Borrower shall not further pledge, assign or grant any security interest in the Rent Deposit Accounts or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 financing statements, except those naming Lender as the secured party, to be filed with respect thereto. Borrower shall indemnify Lender and hold Lender harmless from and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations and costs and expenses (including litigation costs and reasonable attorneys’ fees and expenses) arising from or in any way connected with the Rent Deposit Accounts and/or the related Property Account Control Agreement (unless arising from the gross negligence or willful misconduct of Lender) or the performance of the obligations for which the Rent Deposit Accounts were established.

6.1.2 Investment of Funds in Collection Account, Accounts, and Rent Deposit Account. Sums on deposit in the Collection Account and the Accounts may be invested in Permitted Investments. Lender shall have the right to direct Collection Account Bank to invest sums on deposit in the Collection Account and the Accounts in Permitted Investments. The Collection Account shall be assigned the federal tax identification number of Borrower. Sums on deposit in the Rent Deposit Accounts shall not be invested in Permitted Investments and shall be held solely in cash. The amount of actual losses sustained on a liquidation of a Permitted Investment in the Collection Account or an Account shall be deposited into the Collection Account or the applicable Account, as applicable, by Borrower no later than one (1) Business Day following such liquidation. Borrower shall be responsible for payment of any federal, state or local income or other tax applicable to income earned from Permitted Investments.

6.1.3 Borrower’s Operating Account. Borrower shall establish and maintain an account (the “*Borrower’s Operating Account*”) at a local bank selected by Borrower and

reasonably approved by Lender which shall be an Eligible Institution. Borrower may also establish and maintain subaccounts of Borrower's Operating Account (which may be ledger or book entry accounts and not actual accounts). Borrower's Operating Account (and any subaccounts thereof) shall be subject to a Property Account Control Agreement in which Borrower and Manager shall have access to and may make withdrawals from Borrower's Operating Account until the occurrence of an Event of Default, after which Lender may exercise sole control and dominion over Borrower's Operating Account (and any subaccounts thereof) and neither Borrower nor Manager shall have the right of withdrawal from or access to Borrower's Operating Account (and any subaccounts thereof).

6.1.4 General. Borrower shall pay for all expenses of opening and maintaining the Collection Account (and the Accounts) and the Property Accounts. There are no other accounts maintained by Borrower or Manager or any other Person other than the Rent Deposit Accounts and the Collection Account into which Rents or any other Collections shall be deposited. So long as the Debt is outstanding, Borrower shall not (and shall not permit Manager or any other Person to) open any other account for the deposit of Rents or any other Collections.

Section 6.2 Tax Funds; HOA Funds.

6.2.1 Deposits of Tax Funds. Borrower shall deposit with Lender (i) on the Closing Date, an amount equal to \$2,621,998 and (ii) on each Monthly Payment Date, an amount equal to one-twelfth of the Property Taxes that Lender estimates will be payable during the next ensuing twelve (12) months (initially, \$873,999), in order to accumulate sufficient funds to pay all such Property Taxes prior to their respective due dates, which amounts shall be transferred into an Account (the "**Tax Account**"). Amounts deposited from time to time into the Tax Account pursuant to this **Section 6.2.1** are referred to herein as the "**Tax Funds**". If at any time Lender reasonably determines that the Tax Funds will not be sufficient to pay the Property Taxes, Lender shall notify Borrower of such determination and, commencing with the first Monthly Payment Date following Borrower's receipt of such written notice, the monthly deposits for Property Taxes shall be increased by the amount that Lender estimates is sufficient to make up the deficiency at least ten (10) days prior to the respective due dates for the Property Taxes; *provided*, that if Borrower receives notice of any deficiency after the date that is ten (10) days prior to the date that Property Taxes are due, Borrower will deposit with or on behalf of Lender such amount within one (1) Business Day after its receipt of such notice.

6.2.2 Release of Tax Funds. Provided no Event of Default is continuing, Lender shall apply Tax Funds in the Tax Account to reimburse Borrower for payments of Property Taxes made by Borrower after delivery by Borrower to Lender of evidence of such payment reasonably acceptable to Lender. If the amount of the Tax Funds shall exceed the amounts due for Property Taxes, Lender shall, in its sole discretion, return any excess to Borrower or credit such excess against future payments to be made to the Tax Funds. Any Tax Funds remaining in the Tax Account after the Obligations have been paid in full shall be returned to Borrower. Provided no Default or Event of Default exists, the Tax Funds reserved for any Property will be released upon a permitted sale and release of such Property in accordance with the terms hereof.

6.2.3 Deposits of HOA Funds. Borrower shall deposit with Lender on the Closing Date, an amount equal to the HOA Fees that Lender estimates will be payable with respect to all Applicable HOA Properties during the next ensuing twelve (12) months (initially, \$66,366) which amounts shall be transferred into a subaccount established at the Collection

Account Bank to hold such funds (the “**HOA Subaccount**”). Amounts deposited from time to time into the HOA Subaccount pursuant to this **Section 6.2.3** are referred to herein as the “**HOA Funds**”. If at any time Lender reasonably determines that the HOA Funds will not be sufficient to pay the HOA Fees for the Applicable HOA Properties for the next ensuing twelve (12) months, Lender shall notify Borrower of such determination and, within thirty (30) days following Borrower’s receipt of such written notice, Borrower shall deposit with Lender for transfer into the HOA Subaccount an amount that Lender estimates is sufficient to make up the deficiency.

6.2.4 Release of HOA Funds. If at any time Lender believes in good faith that HOA Fees due and payable to an HOA for any HOA Property have become delinquent, Lender shall in its sole and absolute discretion apply the HOA Funds to pay such HOA Fees. If the amount of the HOA Funds shall exceed the HOA Fees that Lender estimates will be payable with respect to all Applicable HOA Properties during the next ensuing twelve (12) months, Lender shall, in its sole discretion, return any excess to Borrower or credit such excess against future payments to be made to the HOA Funds. Any HOA Funds remaining in the HOA Subaccount after the Obligations have been paid in full shall be returned to Borrower. Provided no Default or Event of Default exists, the HOA Funds reserved for any Applicable HOA Property shall be released upon a permitted sale and release of such Property in accordance with the terms hereof.

Section 6.3 Insurance Funds.

6.3.1 Deposits of Insurance Funds. Borrower shall deposit with or on behalf of Lender on each Monthly Payment Date, an amount equal to one-twelfth of the Insurance Premiums that Lender estimates will be payable for the renewal of the coverage afforded by the Policies upon the expiration thereof, in order to accumulate sufficient funds to pay all such Insurance Premiums prior to the expiration of the Policies, which amounts shall be transferred into an Account established at the Collection Account Bank to hold such funds (the “**Insurance Account**”). Amounts deposited from time to time into the Insurance Account pursuant to this **Section 6.3.1** are referred to herein as the “**Insurance Funds**”. If at any time Lender reasonably determines that the Insurance Funds will not be sufficient to pay the Insurance Premiums, Lender shall notify Borrower of such determination and the monthly deposits for Insurance Premiums shall be increased by the amount that Lender estimates is sufficient to make up the deficiency at least thirty (30) days prior to expiration of the Policies.

6.3.2 Release of Insurance Funds. Provided no Event of Default is continuing, Lender shall apply Insurance Funds in the Insurance Account to timely pay, or reimburse Borrower for payments of, Insurance Premiums. If the amount of the Insurance Funds shall exceed the amounts due for Insurance Premiums, Lender shall, in its sole discretion, return any excess to Borrower or credit such excess against future payments to be made to the Insurance Funds. Any Insurance Funds remaining in the Insurance Account after the Obligations have been paid in full shall be returned to Borrower. Provided no Default or Event of Default exists, the Insurance Funds reserved for any Property will be released upon a permitted sale and release of such Property in accordance with the terms hereof.

6.3.3 Acceptable Blanket Policy. Notwithstanding anything to the contrary contained in **Section 6.3.1**, in the event that an Acceptable Blanket Policy is in effect with respect to the Policies required pursuant to **Section 5.1.1**, deposits into the Insurance Account

required for Insurance Premiums pursuant to **Section 6.3.1** shall be suspended to the extent that Insurance Premiums relate to such Acceptable Blanket Policy. As of the date hereof, an Acceptable Blanket Policy is in effect with respect to the Policies required as of the Closing Date pursuant to **Section 5.1.1**.

Section 8.2 Remedies.

8.2.1 Acceleration. Upon the occurrence of an Event of Default (other than an Event of Default described in *clauses (vii)*, *(viii)* or *(ix)* of **Section 8.1**) and at any time thereafter, Lender may, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, take such action, without notice or demand (and Borrower hereby expressly waives any such notice or demand), that Lender deems advisable to protect and enforce its rights against any Relevant Party and in and to the Properties, including declaring the Obligations to be immediately due and payable, and Lender may enforce or avail itself of any or all rights or remedies provided in the Loan Documents against the Relevant Parties, including all rights or remedies available at law or in equity; and upon any Event of Default described in *clauses (vii)*, *(viii)* or *(ix)* of **Section 8.1**, the Obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable in full, without notice or demand, and the Loan Parties hereby expressly waives any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding.

8.2.2 Remedies Cumulative.

(a) During the continuance of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to Lender against each Relevant Party

under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, a Relevant Party or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Obligations shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to the Collateral. The rights, powers and remedies of Lender under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against a Relevant Party pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued independently, singly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law or contract or as set forth herein or in the other Loan Documents or by equity. Without limiting the generality of the foregoing, if an Event of Default is continuing (i) Lender shall not be subject to any "one action" or "election of remedies" law or rule, and (ii) all Liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Properties and the other Collateral and each Mortgage has been foreclosed, sold and/or otherwise realized upon in satisfaction of the Obligations or the Obligations have been paid in full including, without limitation, any liquidation fees, workout fees, special servicing fees and interest payable on advances made by the Servicer with respect to delinquent debt service payments or expenses of curing Borrower's or any Loan Party's defaults under the Loan Documents or other similar fees payable to Servicer or any special servicer in connection therewith. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to a Relevant Party shall not be construed to be a waiver of any subsequent Default or Event of Default by such Relevant Party or to impair any remedy, right or power consequent thereon.

(b) With respect to Borrower, the other Loan Parties and the Collateral, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to any Property or other portion of the Collateral for the satisfaction of any of the Debt in preference or priority to any other portion of the Collateral, and Lender may seek satisfaction out of all of the Collateral or any part thereof, in its absolute discretion in respect of the Debt. During the continuance of an Event of Default, Lender shall have the right from time to time to partially foreclose any Mortgage or the Lien of any of the other Collateral Documents in any manner and for any amounts secured by the Collateral Documents then due and payable as determined by Lender in its sole discretion, including the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal and interest, Lender may foreclose one or more of the Mortgages or other Collateral Documents to recover such delinquent payments, or (ii) in the event Lender elects to accelerate less than the entire Outstanding Principal Balance, Lender may foreclose one or more of the Mortgages or other Collateral Documents to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by the Mortgages and the other Collateral Documents as Lender may elect. Notwithstanding one or more partial foreclosures, the Collateral shall remain subject to the Mortgages and the other Collateral Documents to secure payment of the sums secured by the Collateral Documents and not previously recovered.

8.2.3 Severance.

(b) During the continuance of an Event of Default, Lender shall have the right from time to time to sever the Note and the other Loan Documents into one or more separate notes, Collateral Documents and other security documents in such denominations as Lender shall determine in its sole discretion for purposes of evidencing and enforcing its rights and remedies provided hereunder. The Loan Parties shall execute and deliver to Lender from time to time, promptly after the request of Lender, a severance agreement and such other documents as Lender shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Lender. The Loan Parties hereby absolutely and irrevocably appoint Lender as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect the aforesaid severance, Borrower ratifying all that its said attorney shall do by virtue thereof; *provided, however*, Lender shall not make or execute any such documents under such power until three (3) days after notice has been given to a Loan Party by Lender of Lender's intent to exercise its rights under such power.

(c) During the continuance of an Event of Default, any amounts recovered from the Collateral may be applied by Lender toward the payment of any interest and/or principal of the Loan and/or any other amounts due under the Loan Documents, in such order, priority and proportions as Lender in its sole discretion shall determine.

(d) As used in this **Section 8.2**, a "foreclosure" shall include, without limitation, any sale by power of sale.

8.2.4 Lender's Right to Perform. If any Loan Party fails to perform any covenant or obligation contained herein and such failure shall continue for a period of five (5) Business Days after Borrower's receipt of written notice thereof from Lender, without in any way limiting Lender's right to exercise any of its rights, powers or remedies as provided hereunder, or under any of the other Loan Documents, Lender may, but shall have no obligation to, perform, or cause the performance of, such covenant or obligation, and all costs, expenses, liabilities, penalties and fines of Lender incurred or paid in connection therewith shall be payable by Borrower to Lender upon demand and if not paid shall be added to the Obligations (and to the extent permitted under applicable laws, secured by the Mortgages and the other Collateral Documents) and shall bear interest thereafter at the Default Rate. Notwithstanding the foregoing, Lender shall have no obligation to send notice to Borrower of any such failure.

ARTICLE 9

SECURITIZATION

Section 9.1 Securitization.

(a) Lender shall have the right (i) to sell or otherwise transfer the Loan or any portion thereof as a whole loan, (ii) to sell participation interests in the Loan, or (iii) to securitize the Loan or any portion thereof in a single asset securitization or a pooled loan securitization. (The transactions referred to in **clauses (i)**, **(ii)** and **(iii)** are each hereinafter referred to as a "**Secondary Market Transaction**" and the transactions referred to in **clause (iii)** shall hereinafter be referred to as a "**Securitization**". Any certificates, notes or other securities issued in

connection with a Secondary Market Transaction are hereinafter referred to as “*Securities*”). At Lender’s election, each note and/or component comprising the Loan may be subject to one or more Secondary Market Transactions.

(b) If requested by Lender, the Loan Parties shall use reasonable efforts to provide information in the possession or control of Borrower or its Affiliates, attorneys, accountants or other agents or which may be reasonably required by Lender in order to satisfy the market standards to which Lender customarily adheres or which may be required in the marketplace, by prospective investors, the Rating Agencies, applicable Legal Requirements and/or otherwise in the marketplace in connection with any Secondary Market Transactions, including to:

(i) (A) provide updated financial and other information with respect to the Properties, the business operated at the Properties, Borrower, Sponsor and the Manager, including, without limitation, the information set forth on **Exhibit C** attached hereto, and (B) provide updated budgets and other information (to extent required by investors or Rating Agencies) relating to the Properties (the “*Updated Information*”) which were obtained in connection with the origination of the Loan;

(ii) provide (A) an updated Insolvency Opinion, and (B) updated opinions of Borrower’s and Guarantors’ New York and Delaware counsel, substantially the same as those delivered as of the Closing Date, which opinions shall be addressed, for purposes or reliance thereon, to each Person acquiring any interest in the Loan in connection with any Secondary Market Transaction (including, without limitation, any “B Note” purchasers), or otherwise reasonably satisfactory to Lender and the Rating Agencies;

(iii) (A) confirm that as of the closing date of any Secondary Market Transaction, the representations and warranties as set forth in the Loan Documents are true, complete and correct in all material respects as of the closing date of the Secondary Market Transaction (except to the extent that any such representations and warranties are and can only be made as of a specific date and the facts and circumstances upon which such representation and warranty is based are specific solely to a certain date in which case confirmation as to truth, completeness and correctness shall be provided as of such specific date or to the extent such representations are no longer true and correct as a result of subsequent events in which case Borrower shall provide an updated representation or warranty) and (B) make such additional representations and warranties as the Rating Agencies may customarily require; and

(iv) execute amendments to the Loan Documents and the Loan Parties’ organizational documents requested by Lender; *provided*, *however*, that Borrower shall not be required to modify or amend any Loan Document if such modification or amendment would (A) cause the initial weighted average of the interest rates for all Components in the aggregate immediately after the effective date of such modification to exceed the weighted average interest rate of the original Components in the aggregate immediately prior to such modification, (B) cause the outstanding principal balance of all Components in the aggregate immediately after the effective date of such modification to exceed the outstanding principal balance of all Components in the aggregate immediately prior to such modification, (C) require Borrower to make or remake any representations

or warranties, (D) require principal amortization of the Loan (other than repayment in full on the Maturity Date), (E) change any Stated Maturity Date or (F) otherwise increase the obligations or reduce the rights of Borrower or any Guarantor under the Loan Documents.

(c) If, at the time a Disclosure Document is being prepared for a Securitization, Lender reasonably determines that Borrower alone or Borrower and one or more Affiliates of Borrower (including any guarantor or other Person that is directly or indirectly committed by contract or otherwise to make payments on all or a part of the Loan) collectively, or the Properties alone or the Properties and Related Properties collectively, will be a Significant Obligor, Borrower shall furnish to Lender upon request the following financial information:

(i) if Lender reasonably determines that the principal amount of the Loan together with any Related Loans, as of the cut-off date for such Securitization, may equal or exceed ten percent (10%) (but less than twenty percent (20%)) of the aggregate principal amount of all mortgage loans included or expected to be included in the Securitization, net operating income for the Properties and the Related Properties for the most recent Fiscal Year and interim period as required under Item 1112(b)(1) of Regulation AB (or, if the Loan is not treated as a non-recourse loan under Instruction 3 for Item 1101(k) of Regulation AB, selected financial data meeting the requirements and covering the time periods specified in Item 301 of Regulation S-K and Item 1112(b)(1) of Regulation AB), or

(ii) if Lender reasonably determines that the principal amount of the Loan together with any Related Loans, as of the cut-off date for such Securitization, may equal or exceed twenty percent (20%) of the aggregate principal amount of all mortgage loans included or expected to be included in the Securitization, the financial statements required under Item 1112(b)(2) of Regulation AB (which includes, but may not be limited to, a balance sheet with respect to the entity that Lender determines to be a Significant Obligor for the two most recent Fiscal Years and applicable interim periods, meeting the requirements of Rule 3-01 of Regulation S-X, and statements of income and statements of cash flows with respect to the Properties for the three most recent Fiscal Years and applicable interim periods, meeting the requirements of Rule 3-02 of Regulation S-X (or if Lender determines that the Properties is the Significant Obligor and the Properties (other than properties that are hotels, nursing homes, or other properties that would be deemed to constitute a business and not real estate under Regulation S-X or other legal requirements) was acquired from an unaffiliated third party and the other conditions set forth in Rule 3-14 of Regulation S-X have been met, the financial statements required by Rule 3-14 of Regulation S-X)).

(d) Further, if requested by Lender, Borrower shall, promptly upon Lender's request, furnish to Lender financial data or financial statements meeting the requirements of Item 1112(b)(1) or (2) of Regulation AB, as specified by Lender, for any Tenant of the Properties if, in connection with a Securitization, Lender reasonably determines there to be, as of the cutoff date for such Securitization, a concentration with respect to such Tenant or group of Affiliated Tenants within all of the mortgage loans included or expected to be included in the Securitization such that such Tenant or group of Affiliated Tenants would constitute a Significant Obligor. Borrower shall furnish to Lender, in connection with the preparation of the Disclosure Documents and on an ongoing basis, financial data and/or financial statements with respect to

such Tenants meeting the requirements of Item 1112(b)(1) or (2) of Regulation AB, as specified by Lender, but only for so long as such entity or entities are a Significant Obligor and either (x) filings pursuant to the Exchange Act in connection with or relating to the Securitization (an “**Exchange Act Filing**”) are required to be made under applicable Legal Requirements or (y) comparable information is required to otherwise be “available” to holders of the Securities under Regulation AB or applicable Legal Requirements.

(e) If Lender determines that Borrower alone or Borrower and one or more Affiliates of Borrower collectively, or the Properties alone or the Properties and Related Properties collectively, are a Significant Obligor, then Borrower shall furnish to Lender, on an ongoing basis, selected financial data or financial statements meeting the requirements of Item 1112(b)(1) or (2) of Regulation AB, as specified by Lender, but only for so long as such entity or entities are a Significant Obligor and either (x) Exchange Act Filings are required to be made under applicable Legal Requirements or (y) comparable information is required to otherwise be “available” to holders of the Securities under Regulation AB or applicable Legal Requirements.

(f) If reasonably requested by Lender, Borrower shall provide Lender, within a reasonable period of time following Lender’s request therefor, with any other or additional financial statements, or financial, statistical or operating information, as Lender shall reasonably determine to be required pursuant to Regulation S-K or Regulation S-X, as applicable, Regulation AB, or any amendment, modification or replacement thereto or other Legal Requirements relating to a Securitization or as shall otherwise be reasonably requested by Lender.

Section 9.2 Securitization Indemnification .

(a) Borrower understands that information provided to Lender by Borrower, the Guarantors and their respective agents, counsel and representatives may be included in preliminary and final disclosure documents in connection with any Secondary Market Transaction, including a Securitization, including an offering circular, a prospectus, prospectus supplement, private placement memorandum or other offering document (each, a “**Disclosure Document**”) and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the “**Securities Act**”), or the Securities and Exchange Act of 1934, as amended (the “**Exchange Act**”), and may be made available to investors or prospective investors in the Securities, investment banking firms, NRSROs, accounting firms, law firms and other third-party advisory and service providers relating to any Secondary Market Transaction, including a Securitization. Borrower also understands that the findings and conclusions of any third-party due diligence report obtained by Lender, Issuer or the Securitization placement agent or underwriter may be made publicly available if required, and in the manner prescribed, by Section 15E(s)(4)(A) of the Exchange Act and any rules promulgated thereunder.

(b) Borrower hereby agrees to indemnify Lender (and for purposes of this **Section 9.2**, Lender shall include the initial lender, its successors and assigns, and their respective officers and directors) and each Person who controls Lender within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the “**Lender Group**”), the issuer of the Securities (the “**Issuer**”) and for purposes of this **Section 9.2**, Issuer shall include its officers, director and each Person who controls the Issuer within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act), and any placement agent or

underwriter with respect to the Securitization, each of their respective officers and directors and each Person who controls the placement agent or underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the “**Underwriter Group**”) for any losses, claims, damages or liabilities (collectively, the “**Liabilities**”) to which Lender, Lender Group, the Issuer or the Underwriter Group may become subject insofar as the Liabilities arise out of, or are based upon, (A) any untrue statement or alleged untrue statement of any material fact contained in the Covered Disclosure Information (defined below), (B) the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated in such information or necessary in order to make the statements in such information, in light of the circumstances under which they were made, not misleading, or (C) a breach of the representations and warranties made by any Loan Party in **Section 3.1.24** of this Agreement (Full and Accurate Disclosure). For purposes of the foregoing, the “**Covered Disclosure Information**” shall mean the information provided by or on behalf of Borrower relating to Borrower, Guarantors, Manager, Sponsor, the Properties and the Loan which is contained in the sections of the Disclosure Documents entitled as follows, or comparable sections thereto: “Summary of the Offering Circular,” “Risk Factors,” “Description of the Relevant Parties and the Manager,” “Description of the Properties,” “Description of the Management Agreement and the Assignment and Subordination of Management Agreement,” “Description of the Loan,” and “Certain Legal Aspects of the Loan”, which Disclosure Documents shall be delivered for review and comment by Borrower not less than five (5) Business Days prior to the date upon which Borrower is otherwise required to confirm such Disclosure Documents. Borrower also agrees to reimburse Lender, Lender Group, the Issuer and/or the Underwriter Group for any legal or other expenses reasonably incurred by Lender, Lender Group, the Issuer and/or the Underwriter Group in connection with investigating or defending the Liabilities. This indemnification provision will be in addition to any liability which Borrower may otherwise have.

(c) In connection with any Exchange Act Filing or other reports containing comparable information that is required to be made “available” to holders of the Securities under Regulation AB or applicable Legal Requirements, Borrower agrees to (i) indemnify Lender, Lender Group, the Issuer and the Underwriter Group for Liabilities to which Lender, Lender Group, the Issuer and/or the Underwriter Group may become subject insofar as the Liabilities arise out of, or are based upon any untrue statement or alleged untrue statement of any material fact in the Covered Disclosure Information, or the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading, and (ii) reimburse Lender, Lender Group, the Issuer and/or the Underwriter Group for any legal or other expenses reasonably incurred by Lender, Lender Group, the Issuer and/or the Underwriter Group in connection with defending or investigating the Liabilities.

(d) Promptly after receipt by an indemnified party under this **Section 9.2** of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this **Section 9.2**, notify the indemnifying party in writing of the commencement thereof, but the omission to so notify the indemnifying party will not relieve the indemnifying party from any liability which the indemnifying party may have to any indemnified party under **Section 9.2(b)** or **(c)** except to the extent that failure to notify causes prejudice to the indemnifying party. In the event that any action is brought against any indemnified party, and it notifies the indemnifying party of the

commencement thereof, the indemnifying party will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel satisfactory to such indemnified party. After notice from the indemnifying party to such indemnified party pursuant to the immediately preceding sentence of this **Section 9.2(d)**, such indemnifying party shall pay for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation; *provided, however*, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there are any legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party at the cost of the indemnifying party. The indemnifying party shall not be liable for the expenses of more than one separate counsel unless an indemnified party shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to the indemnifying party. Without the prior written consent of Lender (which consent shall not be unreasonably withheld or delayed), no indemnifying party shall settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought hereunder (whether or not any indemnified party is an actual or potential party to such claim, action, suit or proceeding) unless the indemnifying party shall have given Lender reasonable prior written notice thereof and shall have obtained an unconditional release of each indemnified party hereunder from all liability arising out of such claim, action, suit or proceedings, and such settlement requires no statement as to, or an admission of, fault, culpability or a failure to act, by or on behalf of the indemnified party.

(e) In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in **Section 9.2(b)** or **(c)** is for any reason held to be unenforceable as to an indemnified party in respect of any Liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under **Section 9.2(b)** or **(c)**, the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such Liabilities (or action in respect thereof); *provided, however*, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) the Issuer's and Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; and (iii) any other equitable considerations appropriate in the circumstances. Lender and Borrower hereby agree that it would not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.

(f) The liabilities and obligations of both Borrower and Lender under this **Section 9.2** shall survive the termination of this Agreement and the satisfaction and discharge of the Debt.

Section 9.3 Severance.

9.3.1 Severance Documentation. Lender, without in any way limiting Lender's other rights hereunder, in its sole and absolute discretion, shall have the right, at any time (whether prior to or after any sale, participation or other Secondary Market Transaction with respect to all or any portion of the Loan), to require Borrower (at Lender's expense) to execute and deliver "component" notes (including certificating existing uncertificated "component" notes) and/or modify the Loan or the existing "component note" structure in order to create one or more senior and subordinate notes (i.e., an A/B or A/B/C structure) and/or one or more additional components of the Note or Notes, or make any other change to the Loan, the Note or Components including but not limited to: reducing the number of Components of the Note or Notes, revising the interest rate for each Component, reallocating the principal balances of the Notes and/or the Components, increasing or decreasing the monthly debt service payments for each Component or eliminating the Component structure and/or the multiple note structure of the Loan (including the elimination of the related allocations of principal and interest payments); *provided* that (A) the outstanding principal balance of all Components in the aggregate immediately after the effective date of such modification equals the outstanding principal balance immediately prior to such modification, (B) the initial weighted average of the interest rates for all Components in the aggregate immediately after the effective date of such modification equals the weighted average interest rate of the original Components immediately prior to such modification, (C) no principal amortization of the Loan (or any Components thereof) shall be required (other than repayment in full on the Maturity Date), (D) there shall be no change to any Stated Maturity Date and (E) Borrower and Guarantors shall not be required to amend any Loan Documents that would otherwise increase the obligations or reduce the rights of Borrower or Guarantors under the Loan Documents. At Lender's election, each note comprising the Loan may be subject to one or more Secondary Market Transactions. Lender shall have the right to modify the Note and/or Notes and any Components in accordance with this **Section 9.3** and, provided that such modification shall comply with the terms of this **Section 9.3**, it shall become immediately effective.

9.3.2 Cooperation; Execution; Delivery. Borrower shall reasonably cooperate with all reasonable requests of Lender in connection with this **Section 9.3**. If requested by Lender, Borrower shall promptly execute and deliver such documents as shall be required by Lender and any Rating Agency in connection with any modification pursuant to this **Section 9.3**, all in form and substance satisfactory to Lender and satisfactory to any applicable Rating Agency. It shall be an Event of Default under this Agreement, the Note, and the other Loan Documents if Borrower fails to comply with any of the terms, covenants or conditions of this **Section 9.3** after expiration of ten (10) Business Days after notice thereof.

ARTICLE 10

This Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by Lender of the Loan and the execution and delivery to Lender of the Note, and shall continue in full force and effect so long as all or any of the Obligations are outstanding and unpaid unless a longer period is expressly set forth herein or in the other Loan Documents. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the legal representatives, successors and assigns of such party. All

Prior to a Securitization, whenever pursuant to this Agreement the Rating Agencies are given any right to approve or disapprove any matter, or any arrangement or term is to be satisfactory to the Rating Agencies, the decision of Lender to approve or disapprove such matter or to decide whether arrangements or terms are satisfactory or not satisfactory, based upon Lender's determination of Rating Agency criteria, shall be substituted therefor.

(b) Whenever, pursuant to this Agreement or any other Loan Documents, a Rating Agency Confirmation is required from each applicable Rating Agency, in the event that any applicable Rating Agency "declines review", "waives review" or otherwise indicates to Lender's or Servicer's satisfaction that no Rating Agency Confirmation will or needs to be issued with respect to the matter in question (each, a "**Review Waiver**"), then the requirement to obtain a Rating Agency Confirmation from such Rating Agency shall not apply with respect to such matter; *provided, however*, if a Review Waiver occurs with respect to a Rating Agency and Lender does not have a separate and independent approval right with respect to the matter in question, then such matter shall require the written reasonable approval of Lender. It is expressly agreed and understood, however, that receipt of a Review Waiver (i) from any one Rating Agency shall not be binding or apply with respect to any other Rating Agency and (ii) with respect to one matter shall not apply or be deemed to apply to any subsequent matter for which Rating Agency Confirmation is required.

Lender shall have the right to waive or reduce any time periods that Lender is entitled to under the Loan Documents in its sole and absolute discretion.

Section 10.6 Waiver of Trial by Jury. BORROWER AND LENDER EACH HEREBY AGREES NOT TO ELECT A TRIAL BY JURY OF ANY ISSUE TRIABLE OF RIGHT BY JURY, AND WAIVES ANY RIGHT TO TRIAL BY JURY FULLY TO THE EXTENT THAT ANY SUCH RIGHT SHALL NOW OR HEREAFTER EXIST WITH REGARD TO THE LOAN DOCUMENTS OR ANY CLAIM, COUNTERCLAIM OR OTHER ACTION ARISING IN CONNECTION THEREWITH. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN KNOWINGLY AND VOLUNTARILY BY BORROWER AND LENDER AND IS INTENDED TO ENCOMPASS INDIVIDUALLY EACH INSTANCE AND EACH ISSUE AS TO WHICH THE RIGHT TO A TRIAL BY JURY WOULD OTHERWISE ACCRUE. EACH PARTY IS HEREBY AUTHORIZED TO FILE A COPY OF THIS PARAGRAPH IN ANY PROCEEDING AS CONCLUSIVE EVIDENCE OF THIS WAIVER.

Section 10.7 Headings, Schedules and Exhibits. The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose. The Schedules and Exhibits annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

Section 10.8 Severability. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

Section 10.9 Preferences. Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by Borrower to any portion of the Obligations of Borrower hereunder. To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the Obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

Section 10.10 Waiver of Notice. Borrower shall not be entitled to any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. Borrower hereby expressly waives the right to receive any notice from Lender with respect to any matter for which this Agreement or the other Loan Documents do not specifically and expressly provide for the giving of notice by Lender to Borrower. Except as specifically and expressly provided for in the Loan Documents, Guarantors shall not be entitled to any notices of any nature whatsoever from Lender under this Agreement or the other Loan Documents, and each Guarantor hereby expressly waives the right to receive any notice from Lender with respect to any matter for which this Agreement or the other Loan Documents do not specifically and expressly provide for the giving of notice by Lender to such Guarantor.

Section 10.11 Remedies of Borrower. In the event that a claim or adjudication is made that Lender or its agents have acted unreasonably or unreasonably delayed acting in any case where, by law or under this Agreement or the other Loan Documents, Lender or such agent, as the case may be, has an obligation to act reasonably or promptly, neither Lender nor its agents shall be liable for any monetary damages and Borrower's sole remedy shall be limited to commencing an action seeking injunctive relief or declaratory judgment. Any action or proceeding to determine whether Lender has acted reasonably shall be determined by an action seeking declaratory judgment.

Section 10.12 Offsets, Counterclaims and Defenses. Any assignee of Lender's interest in and to this Agreement and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

Section 10.13 No Joint Venture or Partnership; No Third Party Beneficiaries.

(a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in any Property other than that of beneficiary or lender.

(b) The Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in any Loan Document shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained therein.

Section 10.14 Publicity. All news releases, publicity or advertising by Borrower or any of its Affiliates through any media intended to reach the general public which refers to the Loan Documents or the financing evidenced by the Loan Documents, to Lender (with respect to the Loan and the Securitization of the Loan only), the Affiliate of Lender that acts as the issuer with respect to a Securitization or any of their other Affiliates (in each case, with respect to the Loan and the Securitization of the Loan only) (a) shall be prohibited prior to the final Securitization of the Loan and (b) after the final Securitization of the Loan, shall be subject to the prior written approval of Lender. Lender shall have the right to publicly describe the Loan in general terms advertising and public communications of all kinds, including press releases, direct mail, newspapers, magazines, journals, e-mail, or internet advertising or communications. Notwithstanding the foregoing, Borrower's approval shall not be required for the publication by Lender of notice of the Loan and the Securitization of the Loan by means of a customary tombstone advertisement, which, for the avoidance of doubt, may include the amount of the Loan, the amount of securities sold, the number of Properties as of the Closing Date, the settlement date and the parties involved in the transactions contemplated hereby and the Securitization.

Section 10.15 Waiver of Marshalling of Assets. To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's members or partners, as applicable, and others with interests in Borrower, and of the Collateral, and shall not assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Collateral for the collection of the Obligations without any prior or different resort for collection, or of the right of Lender to the payment of the Obligations out of the net proceeds of the Collateral in preference to every other claimant whatsoever.

Section 10.16 Certain Waivers. Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or its agents or otherwise to offset any obligations to make the payments required by the Loan Documents. No failure by Lender to perform any of its obligations hereunder shall be a valid defense to, or result in any offset against, any payments which Borrower is obligated to

make under any of the Loan Documents. Without limiting any of the other provisions contained herein, Borrower hereby unconditionally and irrevocably waives, to the maximum extent not prohibited by applicable law, any rights it may have to claim or recover against Lender in any legal action or proceeding any special, exemplary, punitive or consequential damages.

Section 10.17 Conflict; Construction of Documents; Reliance. In the event of any conflict between the provisions of this Agreement and any of the other Loan Documents, the provisions of this Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan, without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

Section 10.18 Brokers and Financial Advisors. Borrower hereby represents that neither Borrower or any other Loan Party has dealt with any financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement. Borrower shall indemnify, defend and hold Lender harmless from and against any and all claims, liabilities, losses, costs and expenses of any kind (including Lender's attorneys' fees and expenses) in any way relating to or arising out of a claim by any Person that such Person acted on behalf of Borrower, any Loan Party or Lender in connection with the transactions contemplated herein. The provisions of this **Section 10.18** shall survive the expiration and termination of this Agreement and the payment of the Obligations.

Section 10.19 Prior Agreements. This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto and their respective affiliates in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, including any confidentiality agreements or any similar agreements between or among any such parties, whether oral or written, are superseded by the terms of this Agreement and the other Loan Documents.

Section 10.20 Servicer. At the option of Lender, the Loan may be serviced by a servicer or special servicer (the "**Servicer**") selected by Lender and Lender may delegate all or any portion of its responsibilities under this Agreement and the other Loan Documents to the Servicer pursuant to the trust and servicing agreement or pooling and servicing agreement (the "**Servicing Agreement**") governing the Securitization. Borrower shall not be responsible for any set-up fees or any other initial costs relating to or arising under the Servicing Agreement. Borrower shall not be responsible for payment of the monthly master servicing fee due to the Servicer under the Servicing Agreement. Notwithstanding the foregoing, Borrower shall pay all Trust Fund Expenses. For the avoidance of doubt, this **Section 10.20** shall not be deemed to limit Borrower's obligations under **Section 4.1.20**.

Section 10.21 Joint and Several Liability. If more than one Person has executed this Agreement as “Borrower,” the representations, covenants, warranties and obligations of all such Persons hereunder shall be joint and several.

Section 10.22 Creation of Security Interest. Notwithstanding any other provision set forth in this Agreement, the Note, the Mortgage Documents or any of the other Loan Documents, Lender may at any time create a security interest in all or any portion of its rights under this Agreement, the Note, the Mortgage Documents and any other Loan Document (including the advances owing to it) in favor of any Federal Reserve Bank in accordance with Regulation A of the Board of Governors of the Federal Reserve System.

Section 10.23 Assignments and Participations. In addition to the right to securitize the Loan under *Section 9.1*, to sever the interests in the Loan into “component” notes under *Section 9.3* and any other rights of Lender hereunder, the Loan, the Note, the Loan Documents and/or Lender’s rights, title, obligations and interests therein may be sold, assigned, participated or otherwise transferred by Lender and any of its successors and assigns to any Person at any time in its sole and absolute discretion, in whole or in part, whether by operation of law (pursuant to a merger or other successor in interest) or otherwise without notice to or consent from Borrower or any other Person. Upon such assignment, all references to Lender in this Agreement and in any Loan Document shall be deemed to refer to such assignee or successor in interest and such assignee or successor in interest shall thereafter stand in the place of Lender in all respects (subject to the requirements and limitations therein, including the requirements under *Section 2.10.6*). Borrower agrees that each beneficial owner of the Securities or component notes issued pursuant to *Sections 9.1* and *9.3* shall be entitled to the benefits of *Sections 2.9* and *2.10* (subject to the requirements and limitations therein, including the requirements under *Section 2.10.6*). Each participant shall be entitled to the benefits of *Sections 2.9* and *2.10* (subject to the requirements and limitations therein, including the requirements under *Section 2.10.6*, it being understood that the documentation required under *Section 2.10.6* shall be delivered to the participating Lender) to the same extent as if it were a Lender and had acquired its interest by assignment; provided that such participant shall not be entitled to receive any greater payment pursuant to *Sections 2.9* or *Section 2.10* than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a change in law that occurs after the participant acquired the applicable participation.

Section 10.24 Register and Participant Register. Lender or its designee (the “*Registrar*”), as a non-fiduciary agent of Borrower, shall maintain a record that identifies each owner (including successors and assignees) of an interest in the Loan, any Securities or any component notes, including the name and address of the owner, and each owner’s rights to principal and stated interest (the “*Register*”), and shall record all transfers of an interest in the Loan, any Securities or any component notes, including each assignment, in the Register. Transfers of interests in the Loan (including assignments), any Securities or any component notes shall be subject to the applicable conditions set forth in the Loan Documents with respect thereto and the Registrar will update the Register to reflect the transfer. The Register shall be available for inspection by Borrower, at any reasonable time and from time to time upon reasonable prior notice. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph. Furthermore, each Lender

that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts and stated interest of each participant's interest in the Loan or other obligations under the Loan Documents (the "**Participant Register**"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any participant or any information relating to a participant's interest) except to the extent that such disclosure is necessary to establish that such Loan or other obligation is in registered form under Section 5f.103-1(c) of the U.S. Department of Treasury regulations. The entries in the Register and Participant Register shall be conclusive absent manifest error. Borrower, Lender and any of its successors and assigns, and the Registrar shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement and the participating Lender shall treat each Person whose name is recorded in the Participant Register pursuant to the terms hereof as the owner of such participation for all purposes of this Agreement. Failure to make any such recordation, or any error in such recordation, however, shall not affect Borrower's obligations in respect of the Loan.

Section 10.25 Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument.

Section 10.26 Set-Off. In addition to any rights and remedies of Lender provided by this Agreement and by law, Lender shall have the right in its sole discretion, without prior notice to Borrower, any such notice being expressly waived by Borrower to the extent permitted by applicable law, upon any amount becoming due and payable by Borrower hereunder (whether at the stated maturity, by acceleration or otherwise), to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by Lender or any Affiliate thereof to or for the credit or the account of Borrower; provided however, Lender may only exercise such right during the continuance of an Event of Default. Lender agrees promptly to notify Borrower after any such set-off and application made by Lender; provided that the failure to give such notice shall not affect the validity of such set-off and application.

Section 10.27 Cross-Default; Cross-Collateralization; Waiver of Marshalling of Assets.

(a) Borrower acknowledge that Lender has made the Loan to Borrower upon, among other things, the security of its collective interest in the Properties and in reliance upon the aggregate of the Properties taken together being of greater value as collateral security than the sum of each Property taken separately. Borrower agrees that the Mortgages are and will be cross-collateralized and cross-defaulted with each other so that (i) an Event of Default under any of the Mortgages shall constitute an Event of Default under each of the other Mortgages which secure the Note; (ii) an Event of Default under the Note or this Agreement shall constitute an Event of Default under each Mortgage; (iii) each Mortgage shall constitute security for the Note as if a single blanket lien were placed on all of the Properties as security for the Note; and (iv) such cross-collateralization shall in no event be deemed to constitute a fraudulent conveyance.

(b) To the fullest extent permitted by law, Borrower for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's partners or members and of the Properties, or to a sale in inverse order of alienation in the event of foreclosure of all or any of the Mortgages, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Properties for the collection of the Debt without any prior or different resort for collection or of the right of Lender to the payment of the Debt out of the net proceeds of the Properties in preference to every other claimant whatsoever. In addition, Borrower, for itself and its successors and assigns, waives in the event of foreclosure of any or all of the Mortgages, any equitable right otherwise available to Borrower which would require the separate sale of the Properties or require Lender to exhaust its remedies against any Property or any combination of the Properties before proceeding against any other Property or combination of Properties; and further in the event of such foreclosure Borrower does hereby expressly consent to and authorizes, at the option of Lender, the foreclosure and sale either separately or together of any combination of the Properties

Section 10.28 Certificated Interests .

(a) If any ownership interest in an Equity Interest is represented by a certificate (each, an "*Equity Certificate*") that has been pledged and delivered to Lender and such Equity Certificate is lost, stolen or destroyed, then, upon the written request of Lender to the applicable Loan Party, such Loan Party shall issue to Lender a new Equity Certificate in place of the Equity Certificate that was lost, stolen or destroyed, provided such Lender: (i) makes proof by written, notarized affidavit, in form and substance reasonably satisfactory to the applicable Loan Party that such previously issued Equity Certificate has been lost, stolen or destroyed and has not been assigned, endorsed, transferred or hypothecated, (ii) delivers a written indemnity (in form and substance and from an indemnitor reasonably satisfactory to the applicable Loan Party) to the extent required by any title company proposing to provide title insurance with respect to such Equity Certificate and (iii) requests the issuance of a new Equity Certificate before the Loan party has notice that such previously issued Equity Certificate has been acquired by a purchaser for value in good faith and without notice of an adverse claim.

(b) Upon repayment in full of the Loan, in the event Lender fails to return to a Loan Party an Equity Certificate previously delivered by such Loan Party to Lender in connection with the Loan, Lender shall deliver to the applicable Loan Party, within ten (10) days of such Loan Party's demand, (i) a written, notarized affidavit, in form and substance reasonably satisfactory to the applicable Loan Party that such previously issued Equity Certificate has been lost, stolen or destroyed and has not been assigned, endorsed, transferred or hypothecated and (ii) a written indemnity (in form and substance and from an indemnitor reasonably satisfactory to the applicable Loan Party) to the extent required by any title company proposing to provide title insurance with respect to such Equity Certificate.

Section 10.29 Exculpation of Lender . Lender neither undertakes nor assumes any responsibility or duty to Borrower or any other party to select, review, inspect, examine, supervise, pass judgment upon or inform Borrower or any third party of (a) the existence, quality, adequacy or suitability of Broker Price Opinions of the Properties or other Collateral, (b) any environmental report, or (c) any other matters or items, including property inspections that are contemplated in the Loan Documents. Any such selection, review, inspection,

examination and the like, and any other due diligence conducted by Lender, is solely for the purpose of protecting Lender's rights under the Loan Documents, and shall not render Lender liable to Borrower or any third party for the existence, sufficiency, accuracy, completeness or legality thereof.

Section 10.30 No Fiduciary Duty.

(a) Borrower acknowledges that, in connection with this Agreement, the other Loan Documents and the Transaction, Lender has relied upon and assumed the accuracy and completeness of all of the financial, legal, regulatory, accounting, tax and other information provided to, discussed with or reviewed by Lender for such purposes, and Lender does not assume any liability therefor or responsibility for the accuracy, completeness or independent verification thereof. Lender, its affiliates and their respective equityholders and employees (for purposes of this Section, the "**Lending Parties**") have no obligation to conduct any independent evaluation or appraisal of the assets or liabilities (including any contingent, derivative or off-balance sheet assets and liabilities) of Sponsor, Borrower or any other Person or any of their respective affiliates or to advise or opine on any related solvency or viability issues.

(b) It is understood and agreed that (i) the Lending Parties shall act under this Agreement and the other Loan Documents as an independent contractor, (ii) the Transaction is an arm's-length commercial transaction between the Lending Parties, on the one hand, and Borrower, on the other, (iii) each Lending Party is acting solely as principal and not as the agent or fiduciary of Borrower, Sponsor or their respective affiliates, stockholders, employees or creditors or any other Person and (iv) nothing in this Agreement, the other Loan Documents, the Transaction or otherwise shall be deemed to create (A) a fiduciary duty (or other implied duty) on the part of any Lending Party to Sponsor, Borrower, any of their respective affiliates, stockholders, employees or creditors, or any other Person or (B) a fiduciary or agency relationship between Sponsor, Borrower or any of their respective affiliates, stockholders, employees or creditors, on the one hand, and the Lending Parties, on the other. Borrower agrees that neither it nor Sponsor nor any of their respective affiliates shall make, and hereby waives, any claim against the Lending Parties based on an assertion that any Lending Party has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to Borrower, Sponsor or their respective affiliates, stockholders, employees or creditors. Nothing in this Agreement or the other Loan Documents is intended to confer upon any other Person (including affiliates, stockholders, employees or creditors of Borrower and Sponsor) any rights or remedies by reason of any fiduciary or similar duty.

(c) Borrower acknowledges that it has been advised that the Lending Parties are a full service financial services firm engaged, either directly or through affiliates in various activities, including securities trading, investment banking and financial advisory, investment management, principal investment, hedging, financing and brokerage activities and financial planning and benefits counseling for both companies and individuals. In the ordinary course of these activities, the Lending Parties may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and/or financial instruments (including loans) for their own account and for the accounts of their customers and may at any time hold long and short positions in such securities and/or instruments. Such investment and other activities may involve securities and instruments of affiliates of Borrower, including Sponsor, as well as of other Persons that may (i) be involved in transactions arising from or relating to the Transaction, (ii) be customers or competitors of Borrower, Sponsor and/or their

respective affiliates, or (iii) have other relationships with Borrower, Sponsor and/or their respective affiliates. In addition, the Lending Parties may provide investment banking, underwriting and financial advisory services to such other Persons. The Lending Parties may also co-invest with, make direct investments in, and invest or co-invest client monies in or with funds or other investment vehicles managed by other parties, and such funds or other investment vehicles may trade or make investments in securities of affiliates of Borrower, including Sponsor, or such other Persons. The Transaction may have a direct or indirect impact on the investments, securities or instruments referred to in this **Section 10.30(c)**. Although the Lending Parties in the course of such other activities and relationships may acquire information about the Transaction or other Persons that may be the subject of the Transaction, the Lending Parties shall have no obligation to disclose such information, or the fact that the Lending Parties are in possession of such information, to Borrower, Sponsor or any of their respective affiliates or to use such information on behalf of Borrower, Sponsor or any of their respective affiliates.

(d) Borrower acknowledges and agrees that Borrower has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to this Agreement, the other Loan Documents, the Transaction and the process leading thereto.

Section 10.31 Arizona Provision. Anything to the contrary herein or elsewhere notwithstanding, in no event shall Borrower have any liability or other obligation under or with respect to the Sponsor Guaranty, the Equity Owner Guaranty or the Borrower GP Guaranty. The following Arizona provision does not limit the express choice of New York law as set forth in **Section 10.3** of this Agreement and the other Loan Documents. If and to the extent that, notwithstanding the choice of law provisions contained in this Agreement and the other Loan Documents, Arizona law is held to govern this Agreement, any Mortgage Document encumbering a Property located in Arizona or any other Loan Document:

(a) **Waiver of Surety Defenses.** Each Loan Party hereby expressly waives, to the extent permitted by law, any and all defenses and discharges available to a surety, guarantor or accommodation co-obligor, including, without limitation, the benefits of Arizona Revised Statutes Sections 12-1641 through 12-1646 and Rule 17(f) of the Arizona Rules of Civil Procedure, and, to the extent permitted by law, the benefits, if any, of Arizona Revised Statutes Section 33-814, in each case as amended, and any successor statutes or rules, or any similar statute.

(b) Anything to the contrary herein or elsewhere notwithstanding, the Equity Owner Guaranty and the Sponsor Guaranty and all obligations arising under any of them are not and shall not be secured in any manner whatsoever, including by any Mortgage or by any lien encumbering any Property; **provided, however**, that any environmental indemnity provisions set forth in this Agreement or any Environmental Indemnity shall be so secured, except as to the obligations of Sponsor and the Equity Owner and subject to the rights of Lender to proceed on an unsecured basis thereunder pursuant to applicable law.

Section 10.32 California Provision. Anything to the contrary herein or elsewhere notwithstanding, in no event shall Borrower have any liability or other obligation under or with respect to the Sponsor Guaranty, the Equity Owner Guaranty or the Borrower GP Guaranty. The following California provisions do not limit the express choice of New York law as set forth in **Section 10.3** of this Agreement and the other Loan Documents. If and to the extent that,

notwithstanding the choice of law provisions contained in this Agreement and the other Loan Documents, California law is held to govern this Agreement, any Mortgage Document encumbering a Property located in California or any other Loan Document:

(a) **Waiver of Offset**. Notwithstanding anything contained herein to the contrary, no portion of any of the Obligations shall be or be deemed to be offset or compensated by all or any part of any claim, cause of action, counterclaim, or cross-claim, whether liquidated or unliquidated, that Borrower may have or claim to have against any other Relevant Party. Borrower hereby waives, to the fullest extent permitted by applicable law, the benefits of California Code of Civil Procedure Section 431.70.

(b) **Insurance Notice**. Lender hereby notifies Borrower of the provisions of Section 2955.5(a) of the California Civil Code, which reads as follows:

“No lender shall require a borrower, as a condition of receiving or maintaining a loan secured by real property, to provide hazard insurance coverage against risks to the improvements on that real property in an amount exceeding the replacement value of the improvements on the property.”

This disclosure is being made by Lender to Borrower pursuant to Section 2955.5(b) of the California Civil Code. Borrower hereby acknowledges receipt of this disclosure and acknowledges that this disclosure has been made by Agent before execution of the Note.

(c) **Environmental Provisions**. The provisions contained in **Section 3.2.13** of this Agreement are intended by the parties to constitute “environmental provisions” as defined in California Code of Civil Procedure Section 736, and Lender shall have all rights and remedies provided in such section.

(d) **Access to Properties**. Lender’s rights under **Section 4.1.4** of this Agreement shall be deemed to include, without limitation, its rights under California Civil Code Section 2929.5, as such provisions may be amended from time to time.

Section 10.33 Florida Provision. The following Florida provision does not limit the express choice of New York law as set forth in **Section 10.3** of this Agreement and the other Loan Documents. If and to the extent that, notwithstanding the choice of law provisions contained in this Agreement and the other Loan Documents, Florida law is held to govern this Agreement, any Mortgage Document encumbering a Property located in Florida or any other Loan Document:

(a) **Interest on Judgments**. The parties acknowledge and agree that the Default Rate provided for herein shall also be the rate of interest payable on any judgments entered in favor of Lender in connection with the loan evidenced hereby.

Section 10.34 Georgia Provision. The following Georgia provision does not limit the express choice of New York law as set forth in **Section 10.3** of this Agreement and the other Loan Documents. If and to the extent that, notwithstanding the choice of law provisions contained in this Agreement and the other Loan Documents, Georgia law is held to govern this Agreement, any Mortgage Document encumbering a Property located in Georgia or any other Loan Document:

(a) **Waiver of Offset.** Notwithstanding anything contained herein to the contrary, no portion of any of the Obligations shall be or be deemed to be offset or compensated by all or any part of any claim, cause of action, counterclaim, or cross-claim, whether liquidated or unliquidated, that Borrower may have or claim to have against any other Loan Party.

(b) **Waiver of Prepayment.** Borrower hereby expressly (i) waives, to the extent permitted by law, any right it may have to prepay any Loan in whole or in part, without penalty, upon acceleration of the Maturity Date; and (ii) agrees that if a prepayment of any or all of any Loan is made, Borrower shall be obligated to pay, concurrently therewith, any fees applicable thereto. By initialing this provision in the space provided below, the Loan Parties hereby declare that Lender's agreement to make the subject Loan at the Interest Rate and for the term set forth herein constitutes adequate consideration, given individual weight by the undersigned, for this waiver and agreement.

LOAN AGREEMENT

THIS LOAN AGREEMENT, dated as of June 25, 2015 (as amended, restated, replaced, supplemented or otherwise modified from time to time, this “*Agreement*”), between JPMORGAN CHASE BANK, NATIONAL ASSOCIATION, a banking association chartered under the laws of the United States of America, having an address at 383 Madison Avenue, New York, New York 10179 (together with its successors and assigns, collectively, “*Lender*”) and 2015-3 IH2 BORROWER L.P., a Delaware limited partnership, having an address at c/o Blackstone Real Estate Advisors L.P., 345 Park Avenue, New York, New York 10154 (together with its permitted successors and assigns, collectively, “*Borrower*”).

All capitalized terms used herein shall have the respective meanings set forth in *Article 1* hereof.

WITNESSETH:

WHEREAS, Borrower desires to obtain the Loan from Lender; and

WHEREAS, Lender is willing to make the Loan to Borrower, subject to and in accordance with the terms and conditions of this Agreement and the other Loan Documents.

NOW, THEREFORE, in consideration of the covenants set forth in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree, represent and warrant as follows:

ARTICLE 1

DEFINITIONS; PRINCIPLES OF CONSTRUCTION

Section 1.1 Specific Definitions.

For all purposes of this Agreement, except as otherwise expressly provided:

“*Acknowledgment*” means the Acknowledgment, dated on or about the date hereof made by Counterparty, or as applicable, Approved Counterparty.

“*Actual Rent Collections*” means, for any period of determination, actual cash collections of Rents in respect of the Properties by Borrower (or, for the period prior to the Closing Date, by Borrower’s Affiliates that owned the Properties) to the extent such Rents relate to such period of determination, regardless of when actually collected.

“*Affiliate*” means, as to any Person, any other Person that (i) owns directly or indirectly forty-nine percent (49%) or more of all equity interests in such Person, and/or (ii) is in Control of, is Controlled by or is under common ownership or Control with such Person, and/or (iii) is a director or officer of such Person or of an Affiliate of such Person, and/or (iv) is the spouse, issue or parent of such Person or of an Affiliate of such Person.

“*Allocated Loan Amount*” means, with respect to each Property, an amount equal to the portion of the Loan made with respect to such Property, as set forth on *Schedule V* as the same may be reduced in accordance with *Section 2.4*; provided that (i) if a single Substitute Property

is substituted for an Affected Property or portfolio of Affected Properties pursuant to **Section 2.4.3(a)**, then the initial Allocated Loan Amount of such Substitute Property shall be the Allocated Loan Amount of such Affected Property (or the aggregate Allocated Loan Amounts of such Affected Properties) immediately prior to its (or their) substitution, and (ii) if two (2) or more Substitute Properties are substituted for an Affected Property or portfolio of Affected Properties pursuant to **Section 2.4.3(a)**, then the initial Allocated Loan Amount of each such Substitute Property shall be a pro rata portion of the Allocated Loan Amount of such Affected Property (or the aggregate Allocated Loan Amounts of such Affected Properties) immediately prior to its (or their) substitution, with such pro rata portion determined based on the BPO Values of the Substitute Properties. For the avoidance of doubt, in connection with calculating any prepayments contemplated by this Agreement, Lender will fix the Allocated Loan Amount for any individual Property as of the date Lender received notice of the prepayment from Borrower.

“**ALTA**” means American Land Title Association, or any successor thereto.

“**Annual Budget**” means the operating and capital budget for the Properties in the aggregate setting forth, on a month-by-month basis, in reasonable detail, each line item of Borrower’s good faith estimate of anticipated Rents and other recurring income, Operating Expenses and Capital Expenditures for the applicable Fiscal Year.

“**Applicable HOA Properties**” means with respect to any Applicable HOA State, (i) all HOA Properties located in such Applicable HOA State except for any Property (A)(1) as to which any Liens for HOA Fees are expressly subordinated to the Lien of the Mortgage encumbering such Property and (2) the applicable Title Insurance Policy insures against any loss sustained by Lender if such Liens for HOA Fees, including after-arising HOA Liens, have Priority or (B) with respect to which Borrower (x) delivered to Lender an opinion, reasonably satisfactory to Lender, from a nationally recognized law firm (or one with prominent standing in the applicable state) that affirmatively concludes that any Liens for HOA Fees (including after-arising Liens for HOA Fees) would not have Priority and (y) delivers to Lender an updated legal opinion with the same conclusion (which may be in the form of a bring-down or date-down opinion with respect to an earlier delivered opinion) within twenty (20) Business Days after the end of each calendar quarter, and (ii) all HOA Properties located in such Applicable HOA State designated as an Applicable HOA Property pursuant to **Section 4.3.12(b)**.

“**Applicable HOA State**” means (i) a state in which, pursuant to applicable Legal Requirements, (A) a Lien in favor of a homeowner’s association may be created through the non-payment of fees assessed against a residential property by such homeowner’s association and (B) any such Lien would extinguish the Lien of a mortgage upon the valid and proper foreclosure of such Lien for homeowner’s association fees or (ii) a state designated as an Applicable HOA State pursuant to **Section 4.3.12(b)**. For the avoidance of doubt, if any reported decision of a state appellate court would result in the foregoing **clauses (i)(A)** and **(i)(B)** applying in such state or if the legal opinion described in clause (B)(x) of the definition of “Applicable HOA Properties” in respect of a state, is conditioned on the presence of subordination language or the absence of provisions which would otherwise allow a Lien for homeowner’s association fees to extinguish the Lien of a mortgage upon the valid and proper foreclosure of such Lien for homeowner’s association fees, then such state shall constitute an Applicable HOA State.

“**Approved Capital Expenditures**” means Capital Expenditures incurred by Borrower and either (i) if no Trigger Period is continuing, included in the Annual Budget or, if during a Trigger Period, an Approved Annual Budget or (ii) approved by Lender, which approval shall not be unreasonably withheld, conditioned or delayed.

“**Assignment of Leases and Rents**” means an Assignment of Leases and Rents for each Property or for multiple Properties located within the same county or parish, dated as of the Closing Date (or, in connection with a Property which is a Substitute Property, dated as of the date of the substitution), executed and delivered by Borrower, constituting an assignment of the Lease or the Leases, as applicable, and the proceeds thereof as Collateral for the Loan, as the same may be amended, restated, replaced, supplemented or otherwise modified from time to time. The Assignment of Leases and Rents may be included as part of the Mortgage for such Property or Properties.

“**Bankruptcy Code**” means Title 11 of the United States Code, 11 U.S.C. Section 101 et seq., as the same may be amended from time to time, and any successor statute or statutes and all

rules and regulations from time to time promulgated thereunder, and any comparable foreign laws relating to bankruptcy, insolvency or creditors' rights or any other Federal or state bankruptcy or insolvency law.

ARTICLE 2

THE LOAN

Section 2.1 The Loan.

2.1.1 Agreement to Lend and Borrow. Subject to and upon the terms and conditions set forth herein, Lender shall make the Loan to Borrower and Borrower shall accept the Loan from Lender on the Closing Date.

2.1.2 Components of the Loan. For purposes of the computation of the interest accrued on the Loan from time to time and certain other computations set forth herein, the Loan shall be divided into multiple components designated as “Component A”, “Component B”, “Component C”, “Component D”, “Component E”, “Component F” and “Component G”. The following table sets forth the initial Component Outstanding Principal Balance of each such Component.

<u>Component</u>	<u>Initial Principal Amount</u>
Component A	\$ 536,880,000
Component B	\$ 120,987,000
Component C	\$ 98,302,000
Component D	\$ 90,740,000
Component E	\$ 135,354,000
Component F	\$ 151,989,000
Component G	\$ 59,698,000

2.1.3 Single Disbursement to Borrower. Borrower shall receive only one borrowing hereunder in respect of the Loan and any amount borrowed and repaid hereunder in respect of the Loan may not be reborrowed.

2.1.4 The Note. The Loan and all of the Components thereof shall be evidenced by that certain Promissory Note of even date herewith, in the stated principal amount of One Billion One Hundred Ninety-Three Million Nine Hundred Fifty Thousand and No/100 Dollars (\$1,193,950,000) executed by Borrower and payable to the order of Lender in evidence of each of the Components of the Loan (as the same may hereafter be amended, supplemented, restated, increased, extended or consolidated from time to time, the “*Note*”) and shall be repaid in accordance with the terms of this Agreement, the Note and the other Loan Documents. If the Note is mutilated or defaced and is surrendered to the Borrower, or if there shall be delivered to the Borrower evidence to its reasonable satisfaction of the destruction, loss or theft of the Note, then the Borrower shall execute and deliver, in lieu of the mutilated, defaced, destroyed lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount and bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note, provided that the applicant for a replacement Note shall indemnify Borrower for any liability, obligation, loss or damages the Borrower may incur in connection with any enforcement, collection or attempted enforcement or collection of the destroyed, lost or stolen Note. In the event that, as of the date a replacement Note is requested, the principal amount of any such mutilated, defaced, destroyed, stolen or lost Note shall have become, or will within the next succeeding fifteen (15) days become, due and payable in accordance with its terms, the Borrower may, at its discretion, not authenticate and deliver such a replacement Note. Borrower shall not be required to incur any material cost or expense in procuring any such indemnity or with the preparation, execution, authentication and delivery of any such replacement Note.

2.1.5 Use of Proceeds. Borrower shall use proceeds of the Loan to (a) make initial deposits of the Reserve Funds, (b) make distributions to Equity Owner and Borrower GP, (c) pay costs and expenses incurred in connection with the closing of the Loan and the related Securitization, and (d) to the extent any proceeds remain after satisfying *clauses (a) through (c)* above, for such lawful purpose as Borrower shall designate.

Section 2.2 Interest Rate.

2.2.1 Interest Rate.

(a) Each Component of the Loan shall accrue interest throughout the Term at the Interest Rate applicable to such Component during each Interest Period. The total interest accrued under the Loan shall be the sum of the interest accrued on the Component Outstanding Principal Balance of each of the Components. Borrower shall pay to Lender on each Monthly Payment Date the interest accrued or to be accrued on the Loan for the related Interest Period.

(b) Component G shall accrue interest at the Component G Interest Rate. Subject to the terms and conditions hereof, the Floating Rate Components of the Loan shall be a LIBOR Loan. In the event that Lender shall have determined (which determination shall be conclusive and binding upon Borrower absent manifest error) that by reason of circumstances affecting the interbank Eurodollar market, adequate and reasonable means do not exist for ascertaining LIBOR, then Lender shall forthwith give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) day prior to the next succeeding Interest Determination Date. If such notice is given, the Floating Rate Components of the Loan shall be converted, as of the first day of the next succeeding Interest Period, to a Prime Rate Loan. Notwithstanding any provision of this Agreement to the contrary, in no event shall Borrower have the right to convert a LIBOR Loan to a Prime Rate Loan.

(c) If, pursuant to the terms hereof, the Floating Rate Components of the Loan have been converted to a Prime Rate Loan and Lender shall determine (which determination shall be conclusive and binding upon Borrower absent manifest error) that the event(s) or circumstance(s) which resulted in such conversion shall no longer be applicable, Lender shall give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) day prior to the next succeeding Interest Determination Date. If such notice is given, the Floating Rate Components of the Loan shall be converted, as of the first day of the next succeeding Interest Period, to a LIBOR Loan. Notwithstanding any provision of this Agreement to the contrary, in no event shall Borrower have the right to convert a Prime Rate Loan to a LIBOR Loan.

(d) If the adoption of any requirement of law or any change therein or in the interpretation or application thereof, shall hereafter make it unlawful for Lender to maintain a LIBOR Loan as contemplated hereunder, (i) the obligation of Lender hereunder to make or maintain a LIBOR Loan or to convert a Prime Rate Loan to a LIBOR Loan shall be canceled forthwith and (ii) any outstanding LIBOR Loan shall be converted automatically to a Prime Rate Loan on the first day of the next succeeding Interest Period, or upon such earlier date as may be required by law. Borrower hereby agrees to promptly pay to Lender, upon demand, any

additional amounts necessary to compensate Lender for any costs incurred by Lender in making any conversion in accordance with this Agreement, including without limitation, any interest or fees payable by Lender to lenders of funds obtained by it in order to make or maintain the LIBOR Loan hereunder. Lender's notice of such costs, as certified to Borrower, shall be conclusive absent manifest error.

2.2.2 Default Rate. In the event that, and for so long as, any Event of Default shall have occurred and be continuing, the Component Outstanding Principal Balance of each of the Floating Rate Components and, to the extent not prohibited by applicable law, all other portions of the Debt (other than the Component Outstanding Principal Balance of the Component G), shall accrue interest at the Default Rate, calculated from the date such payment was due or, if later, such Default shall have occurred, without regard to any grace or cure periods contained herein. Interest at the Default Rate shall be paid immediately upon demand, which demand may be made as frequently as Lender shall elect, to the extent not prohibited by applicable law.

2.2.3 Interest Calculation. Interest on the Loan and other Obligations shall be calculated by multiplying (A) the actual number of days elapsed in the period for which the calculation is being made by (B) a daily rate based on a three hundred sixty (360) day year (that is, the Interest Rate expressed as an annual rate divided by 360) by (C) the Outstanding Principal Balance or the amount of such other Obligations, as applicable. The accrual period for calculating interest due on each Monthly Payment Date shall be the Interest Period in which such Monthly Payment Date occurs.

2.2.4 Usury Savings. This Agreement and the other Loan Documents are subject to the express condition that at no time shall Borrower be required to pay interest on the Outstanding Principal Balance at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the Outstanding Principal Balance at a rate in excess of the Maximum Legal Rate, the Interest Rate shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

2.2.5 Breakage Indemnity. Borrower shall indemnify Lender against any loss or expense which Lender may actually sustain or incur in liquidating or redeploying deposits from third parties acquired to effect or maintain the Loan or any part thereof as a consequence of (i) any payment or prepayment of the Loan or any portion thereof made on a date other than a Monthly Payment Date (unless interest is paid by Borrower on such payment through the end of the applicable Interest Period) and (ii) any default in payment or prepayment of the Principal or any part thereof or interest accrued thereon, as and when due and payable (at the date thereof or otherwise, and whether by acceleration or otherwise) (collectively, "**Breakage Costs**"), provided, Borrower shall not indemnify Lender from any loss or expense arising from Lender's willful misconduct or gross negligence. Lender shall deliver to Borrower a statement for any such sums which it is entitled to receive pursuant to this Section 2.2.5, which statement shall be binding and

conclusive absent manifest error. Borrower's obligations under this Section 2.2.5 are in addition to Borrower's obligations to pay any Spread Maintenance Premium applicable to a payment or prepayment of the Loan.

Section 2.3 Loan Payments

2.3.1 Payments. On the Closing Date, Borrower shall pay interest on the Outstanding Principal Balance from the date hereof through and including July 14, 2015 (the "**Initial Interest Period**"). On August 7, 2015, and each Monthly Payment Date thereafter during the Term, Borrower shall make a payment of principal and interest equal to the Monthly Debt Service Payment Amount, which payment shall be applied in accordance with **Article 6**. Borrower shall also pay to Lender all amounts required in respect of Reserve Funds as set forth in **Article 6**.

2.3.2 Payments Generally. After the Initial Interest Period, each interest accrual period thereafter (each, an "**Interest Period**") shall commence on the fifteenth (15th) calendar day of a calendar month and ending on (and including) the fourteenth (14th) calendar day of the following calendar month. For purposes of making payments hereunder, but not for purposes of calculating Interest Periods, if the Monthly Payment Date or a Maturity Date (including the Stated Maturity Date, the First Extended Maturity Date, the Second Extended Maturity Date and the Third Extended Maturity Date) is not a Business Day, then amounts due on such date shall be due on the immediately preceding Business Day. Lender shall have the right from time to time, in its sole discretion, upon not less than ten (10) days prior written notice to Borrower, to change the Monthly Payment Date to a different calendar day and, if requested by Lender, Borrower shall promptly execute an amendment to this Agreement to evidence such change; *provided, however*, that if Lender shall have elected to change the Monthly Payment Date as aforesaid, Lender shall adjust the Interest Period and, with respect to the Floating Rate Components, the Interest Determination Date accordingly, so that (a) after giving effect to any such change or adjustment, the period of time between the Monthly Payment Date and the end of the Interest Period shall not be greater than five (5) days and (b) the date of each Maturity Date (including the Stated Maturity Date, the First Extended Maturity Date, the Second Extended Maturity Date and the Third Extended Maturity Date) and any other date in the Loan Documents which corresponds with a Monthly Payment Date shall be automatically amended to reflect the Monthly Payment Date as so adjusted. With respect to payments of principal due on any Component on the Maturity Date, interest shall be payable at the Interest Rate, through and including the day immediately preceding the Maturity Date.

2.3.3 Payment on Maturity Date. Borrower shall pay to Lender on the Maturity Date the Outstanding Principal Balance, all accrued and unpaid interest and all other amounts due hereunder and under the Note, the Mortgage Documents and the other Loan Documents.

2.3.4 Late Payment Charge. If any principal, interest or any other sum due under the Loan Documents (other than the Outstanding Principal Balance due and payable on the Maturity Date) is not paid by Borrower on the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of four percent (4%) of such unpaid sum or the maximum amount permitted by applicable law in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment. Any such amount shall be secured by the Borrower Security Agreement, the Mortgage Documents and the other Loan Documents to the extent permitted by law.

2.3.5 Method and Place of Payment.

(a) Except as otherwise specifically provided herein, all payments and prepayments under this Agreement and the Note shall be made to Lender not later than 2:00 p.m., New York City time, on the date when due and shall be made in lawful money of the United States of America in immediately available funds at Lender's office or at such other place as Lender shall from time to time designate, and any funds received by Lender after such time shall, for all purposes hereof, be deemed to have been paid on the next succeeding Business Day.

(b) Whenever any payment to be made hereunder or under any other Loan Document shall be stated to be due on a day which is not a Business Day, the due date thereof shall be the immediately preceding Business Day.

(c) All payments required to be made by Borrower hereunder or under the Note or the other Loan Documents shall be made irrespective of, and without deduction for, any setoff, claim or counterclaim and shall be made irrespective of any defense thereto.

Section 2.4 Prepayments.

2.4.1 Prepayments. Except as otherwise provided herein, Borrower shall not have the right to prepay the Loan in whole or in part prior to the Stated Maturity Date.

2.4.2 Voluntary Prepayments. Provided that Borrower shall timely deliver to Lender a Prepayment Notice, Borrower may prepay all or any portion of the Outstanding Principal Balance and any other amounts outstanding under the Note, this Agreement, the Mortgage Documents and any of the other Loan Documents, on any Business Day, provided that Borrower shall comply with the provisions of and pay to Lender the amounts set forth in **Section 2.4.5**. Each such prepayment shall be in a minimum principal amount equal to One Million and No/100 Dollars (\$1,000,000) and in integral multiples of One Hundred Thousand and No/100 Dollars (\$100,000) in excess thereof and shall be made and applied in the manner set forth in **Section 2.4.5**.

2.4.3 Mandatory Prepayments.

(a) **Disqualified Properties.** If at any time any Property shall become a Disqualified Property, Borrower shall, no later than the close of business on the fifth (5th) Business Day following the last day of the applicable Cure Period, if any, give notice thereof to Lender and prepay the Debt in the applicable Release Amount with respect to such Property. No Spread Maintenance Premium shall be owing on any such prepayment unless such Property became a Disqualified Property as a result of a Voluntary Action. After the prepayment of the Debt by the Release Amount with respect to a Disqualified Property as provided above, Lender shall release the Disqualified Property from the applicable Mortgage Documents and related Lien, provided, that (x) Borrower has delivered to Lender a draft release (and, in the event the Mortgage and the Assignment of Leases and Rents applicable to the Disqualified Property encumbers other Property(ies) in addition to the Disqualified Property, such release shall be a partial release that relates only to the Disqualified Property and does not affect the Liens and

security interests encumbering or on the other Property(ies)) in form and substance appropriate for the jurisdiction in which such Disqualified Property is located and shall contain standard provisions protecting the rights of Lender, (y) Borrower shall pay all costs, taxes and expenses associated with such release (including, without limitation, cost to file and record the release and Lender's reasonable attorneys' fees) and (z) such Disqualified Property is a separate legal parcel from the property remaining encumbered by Mortgages. Notwithstanding the foregoing, in lieu of such prepayment, Borrower may either (1) deposit an amount equal to one hundred percent (100%) of the Allocated Loan Amount for such Disqualified Property in the Eligibility Reserve Account in accordance with and subject to **Section 6.10** or (2) substitute a Disqualified Property or a portfolio of Disqualified Properties (each, an "**Affected Property**" and collectively, the "**Affected Properties**") with a substitute Eligible Property or a portfolio of Eligible Properties (each, a "**Substitute Property**" and collectively, the "**Substitute Properties**") provided that, in the case of a proposed substitution, the following conditions are satisfied:

(i) each substitute Eligible Property is either a detached single-family residential real property or a condominium or townhome (so long as condominium units and townhomes constitute no more than two percent (2%) of the Properties by BPO Value and provided no condominium that is a Substitute Property shall consist of more than one single-family unit), but excluding housing cooperatives and manufactured housing;

(ii) no Event of Default shall have occurred and be continuing except as related to, and cured by the removal of, the Affected Property or Affected Properties being substituted;

(iii) Lender shall have obtained, at Borrower's sole cost and expense, a Broker Price Opinion for the Substitute Property (or Broker Price Opinions for a portfolio of Substitute Properties) being substituted and based on such Broker Price Opinion(s), the Substitute Property (or portfolio of Substitute Properties) being substituted shall have the same or greater BPO Value as the greater of (x) the BPO Value of the Affected Property (or portfolio of Affected Properties) being substituted as of the Closing Date and (y) the BPO Value of the Affected Property (or portfolio of Affected Properties) being substituted at the time of substitution;

(iv) Borrower shall deliver to Lender an Officer's Certificate stating that each Substitute Property satisfies each of the Property Representations and is in compliance with each of the Property Covenants on the date of the substitution after giving effect to the substitution;

(v) the Eligible Lease for each Substitute Property shall have a remaining contractual term of at least six (6) months (without giving effect to any extension option in such lease);

(vi) the in place Rents under the Lease(s) for the Substitute Property (or Substitute Properties, if a portfolio of Affected Properties are being substituted) shall be equal to or greater than the greater of (A) the in place Rents under the Lease(s) for the Affected Property (or portfolio of Affected Properties) being substituted measured as of the time of substitution and (B) the in place Rents under the Lease(s) for the Affected Property (or portfolio of Affected Properties) being substituted measured as of the Closing Date;

(vii) simultaneously with the substitution, Borrower shall convey all of Borrower's right, title and interest in, to and under the Affected Property (or portfolio of Affected Properties) being substituted to a Person other than Borrower or a Loan Party or any Person owned directly or indirectly to Borrower or a Loan Party and Borrower shall deliver to Lender a copy of the deed conveying all of Borrower's right, title and interest in such Affected Property (or portfolio of Affected Properties) being substituted;

(viii) Borrower shall deliver on or prior to the date of substitution evidence satisfactory to Lender that each Substitute Property is insured pursuant to Policies meeting the requirements of *Article 5* ;

(ix) Borrower shall deliver to Lender the Property File with respect to each Substitute Property;

(x) Borrower shall have executed and delivered to Lender, the Mortgage Documents with respect to each Substitute Property, which shall be in substantially the same form as the Mortgage, Assignment of Leases and Rents and Fixture Filing, if applicable, executed and/or delivered on the Closing Date (or with respect to any such Affected Property which was previously a Substitute Property, the date such Affected Property became collateral for the Loan) with such changes as may be necessitated or appropriate (as reasonably determined by Lender) for the jurisdiction in which the Substitute Property is located, and which may, in Lender's reasonable discretion, be Mortgage Documents with respect to only such Substitute Property (and in the event the Substitute Property is located in the same county or parish in which one or more other Properties (other than the Affected Property or Affected Properties being substituted) is located, such Mortgage and Assignment of Leases and Rents may be in the form of an amendment and spreader agreement to the existing Mortgage and Assignment of Leases and Rents covering such Property or Properties located in the same county or parish as the Substitute Property, in each case, in form and substance reasonably acceptable to Lender) (the "*Substitute Mortgage Documents* ");

(xi) Borrower shall deliver to Lender the following opinions of counsel: (A) an opinion of counsel admitted to practice under the laws of the state in which the Substitute Property (or portfolio of Substitute Properties) being substituted is located in form and substance reasonably satisfactory to Lender opining as to the enforceability of the Substitute Mortgage Documents with respect to the Substitute Property (or portfolio of Substitute Properties) and (B) an opinion stating that the Substitute Mortgage Documents were duly authorized, executed and delivered by Borrower and otherwise in form and substance reasonably satisfactory to Lender;

(xii) Lender shall have received a Title Insurance Policy for each Substitute Property (or, in the event a Substitute Property is located in the same county or parish in which one or more other Properties (other than an Affected Property being substituted) is located, an endorsement to the existing Title Insurance Policy with respect to such Property or Properties located in the same county or parish as such Substitute Property in form and substance reasonably satisfactory to Lender) insuring the Lien of the Mortgage encumbering such Substitute Property as a valid first lien on such Substitute Property, free and clear of all exceptions other than the Permitted Liens;

(xiii) each Substitute Property shall be located in a metropolitan statistical area that contains at least one property described on the Properties Schedule as of the Closing Date,

(xiv) no acquisition of a Substitute Property will result in Borrower or any Loan Party incurring any indebtedness (except as permitted by this Agreement);

(xv) the BPO Value of the Affected Properties, together with the BPO Value of all other Affected Properties since the date hereof, shall be no more than ten percent (10%) of the aggregate BPO Values of all Properties as of the Closing Date;

(xvi) if any Lien, litigation or governmental proceeding is existing or pending or, to the actual knowledge of a Responsible Officer of Manager or a Loan Party, threatened against any Affected Property being substituted with a Substitute Property or against such Substitute Property which may result in liability for Borrower, Borrower shall have deposited with Lender reserves reasonably satisfactory to Lender as security for the satisfaction of such liability;

(xvii) simultaneously with the substitution of an Affected Property or Affected Properties, Lender shall release the Affected Property or Affected Properties from the applicable Mortgage Documents and related Lien, provided, that Borrower has delivered to Lender a draft release (and, in the event the Mortgage and the Assignment of Leases and Rents applicable to the Affected Property or Affected Properties encumbers other Property(ies) in addition to the Affected Property or Affected Properties, such release shall be a partial release that relates only to the Affected Property or Affected Properties being substituted and does not affect the Liens and security interests encumbering or on the other Property(ies)) in form and substance appropriate for the jurisdiction in which such Affected Property or Affected Properties are located which contains standard provisions protecting the rights of Lender;

(xviii) Borrower shall pay to Lender all reasonable out-of-pocket costs and expenses incurred by Lender in connection with the substitution (including, without limitation, costs and expenses incurred by Lender in connection with the release of the Affected Property (or portfolio of Affected Properties) being substituted from applicable Mortgage Documents) and, in addition, the current reasonable and customary fee being assessed by Lender and/or its Servicer to effect releases or assignments; and

(xix) the Affected Property or Affected Properties shall constitute separate legal parcels from the property remaining encumbered by Mortgages, and each Substitute Property shall be comprised of one or more separate legal parcels on a stand-alone basis.

Any such deposit in the Eligibility Reserve Account or any such substitution shall be completed no later than the due date for the prepayment required under this **Section 2.4.3(a)**. Notwithstanding anything to the contrary contained herein or in any other Loan Document, if the Loan is included in a REMIC Trust, no substitution under this Agreement will be permitted

unless (1) either (aa) immediately after such substitution the ratio of the unpaid principal balance of the Loan to the value of the remaining Properties (as determined by Lender in its sole discretion using any commercially reasonable method permitted to a REMIC Trust; and which shall exclude the value of personal property (other than fixtures) or going concern value, if any) is equal to or less than one hundred twenty-five percent (125%) or (bb) the ratio of the unpaid principal balance of the Loan to the value of the Properties (including the Substitute Property or Substitute Properties) will not increase as a result of the substitution of the Substitute Property or Substitute Properties for the Affected Property or Affected Properties, or (2) Lender receives an opinion of counsel that the Securitization will not fail to maintain its status as a REMIC Trust as a result of the substitution of the Substitute Property or Substitute Properties for the Affected Property or Affected Properties.

(b) Transfer. If at any time any Property is Transferred to a third party (other than for the avoidance of doubt, a Borrower TRS), then Borrower shall, no later than the close of business on the day on which such Transfer occurs, give notice thereof to Lender and prepay the Debt in the applicable Release Amount with respect to such Property in accordance with **Section 2.5**.

(c) Condemnation or Casualty. If Borrower is required to make any prepayment under **Section 5.3** or **Section 5.4** as a result of a Condemnation or Casualty, on the next occurring Monthly Payment Date following the date on which Lender actually receives the applicable Net Proceeds, one hundred percent (100%) of such Net Proceeds and all other amounts required to be prepaid pursuant to **Section 5.3** or **Section 5.4**, as applicable, shall be applied to the prepayment of the Debt in accordance with **Section 2.4.5(d)**. Notwithstanding anything herein to the contrary, no Spread Maintenance Premium shall be due in connection with any prepayment made pursuant to this **Section 2.4.3(c)**.

(d) Application of Mandatory Prepayments. Each such prepayment shall be made and applied in the manner set forth in **Section 2.4.5**.

(e) Payment from Collection Account. Lender may collect any prepayment required under this **Section 2.4.3** from the Collection Account on the date such prepayment is payable hereunder.

2.4.4 Prepayments After Default

(a) If, during the continuance of an Event of Default, payment of all or any part of the Debt is tendered by Borrower and accepted by Lender or is otherwise recovered by Lender (including through application of any Reserve Funds), such tender or recovery shall be deemed to be a voluntary prepayment by Borrower in violation of the prohibition against prepayment set forth in **Section 2.4.1**, and Borrower shall pay, as part of the Debt, all of: (i) all accrued interest calculated at the Interest Rate on the amount of principal being prepaid through and including the date of such prepayment together with an amount equal to the interest that would have accrued at the Interest Rate on the amount of principal being prepaid through the end of the Interest Period in which such prepayment occurs, notwithstanding that such Interest Period extends beyond the date of prepayment, (ii) the Interest Shortfall, if applicable, with respect to the amount prepaid, (iii) Breakage Costs, if any, without duplication of any sums paid pursuant to the preceding clauses (i) and (ii), and (iv) an amount equal to the applicable Spread Maintenance Premium (if made before the Spread Maintenance Date).

(b) Notwithstanding anything contained herein to the contrary, upon the occurrence and during the continuance of any Event of Default, any payment of principal, interest and other amounts payable under the Loan Documents from whatever source may be applied by Lender among the Components and other Obligations as Lender shall determine in its sole and absolute discretion.

2.4.5 Prepayment/Repayment Conditions .

(a) On the date on which a prepayment, voluntary or mandatory, is made under the Note or as required under this Agreement, which date must be a Business Day, Borrower shall pay to Lender:

(i) all accrued and unpaid interest calculated at the Interest Rate on the amount of principal being prepaid on the applicable Component or Components through and including the Repayment Date together with an amount equal to the interest that would have accrued at the Interest Rate on the amount of principal being prepaid through the end of the Interest Period in which such prepayment occurs, notwithstanding that such Interest Period extends beyond the date of prepayment;

(ii) if such prepayment is made during the period from and including the first day after a Monthly Payment Date through and including the last day of the Interest Period in which such prepayment occurs, all interest on the principal amount being prepaid on the applicable Component or Components which would have accrued from the first day of the Interest Period immediately following the Interest Period in which the prepayment occurs (the “**Succeeding Interest Period**”) through and including the end of the Succeeding Interest Period, calculated at (A) the Interest Rate if such prepayment occurs on or after the Interest Determination Date for the Succeeding Interest Period or (B) the Assumed Note Rate if such prepayment occurs before the Interest Determination Date for the Succeeding Interest Period (the “**Interest Shortfall**”);

(iii) Breakage Costs, if any, without duplication of any sums paid pursuant to the preceding *clauses (i) and (ii)* ;

(iv) the Spread Maintenance Premium applicable thereto (if such prepayment occurs prior to the Spread Maintenance Date); provided that no Spread Maintenance Premium shall be due in connection with a prepayment under **Section 2.4.3(a)** (except where such prepayment arises as a result of a Voluntary Action) or **Section 2.4.3(c)** ; and

(v) all other sums, then due under the Note, this Agreement and the other Loan Documents.

(b) If the Interest Shortfall for any Floating Rate Component was calculated based upon the Assumed Note Rate, upon determination of LIBOR on the Interest Determination Date for the Succeeding Interest Period then (i) if the Interest Rate applicable to such Floating Rate Component for such Succeeding Interest Period is less than the Assumed Note Rate applicable to such Floating Rate Component, Lender shall promptly refund to Borrower the amount of the Interest Shortfall paid with respect to such Floating Rate Component, calculated at a rate equal to the difference between the Assumed Note Rate applicable to such Floating Rate

Component and the Interest Rate applicable to such Floating Rate Component for such Interest Period, or (ii) if the Interest Rate applicable to such Floating Rate Component is greater than the Assumed Note Rate applicable to such Floating Rate Component, Borrower shall promptly (and in no event later than the ninth (9th) day of the following month) pay Lender the amount of such additional Interest Shortfall applicable to such Floating Rate Component calculated at a rate equal to the amount by which the Interest Rate applicable to such Floating Rate Component exceeds the Assumed Note Rate applicable to such Floating Rate Component.

(c) Borrower shall pay all reasonable costs and expenses of Lender incurred in connection with the repayment or prepayment (including without limitation reasonable attorneys' fees and expenses and costs and expenses related to the Transfer or substitution of any Property); provided, for the avoidance of doubt, this provision shall not apply with respect to Taxes.

(d) Except during an Event of Default, prepayments shall be applied by Lender in the following order of priority: (i) *first*, to any amounts (other than principal, interest, Interest Shortfall, Breakage Costs and Spread Maintenance Premium) then due and payable under the Loan Documents, including any costs and expenses of Lender in connection with such prepayment; (ii) *second*, interest payable pursuant to **Section 2.4.5(a)(i)** on the applicable Component or Components being prepaid pursuant to this **clause (d)** at the Interest Rate; (iii) *third*, Interest Shortfall on the applicable Component or Components being prepaid pursuant to this **clause (d)**; (iv) *fourth*, Breakage Costs on the applicable Component or Components being prepaid pursuant to this **clause (d)**; (v) *fifth*, Spread Maintenance Premium, to the extent applicable, on the applicable Floating Rate Component or Floating Rate Components being prepaid pursuant to this **clause (d)** and (vi) *sixth*, to principal, applied as set forth in **clause (e)** below.

(e) Except during an Event of Default, prepayments of principal of the Loan made pursuant to this **Section 2.4.5** shall be applied to the Loan (i) *first*, to Component A until the Component Outstanding Principal Balance of Component A is reduced to zero, (ii) *second*, to Component B until the Component Outstanding Principal Balance of Component B is reduced to zero, (iii) *third*, to Component C until the Component Outstanding Principal Balance of Component C is reduced to zero, (iv) *fourth*, to Component D until the Component Outstanding Principal Balance of Component D is reduced to zero, (v) *fifth*, to Component E until the Component Outstanding Principal Balance of Component E is reduced to zero, (vi) *sixth*, to Component F until the Component Outstanding Principal Balance of Component F is reduced to zero and (vii) *seventh*, to Component G until the Component Outstanding Principal Balance of Component G is reduced to zero; *provided*, that so long as no Default or Event of Default shall then exist or would result therefrom, any voluntary prepayments of principal on the Loan made from Unrestricted Cash pursuant to **Section 2.4.2**, other than Debt Yield Cure Prepayments, shall be applied to the Components of the Loan on a pro rata basis based on the Component Outstanding Principal Balance of each such Component relative to the aggregate Component Outstanding Principal Balances for all of the Components until the Component Outstanding Principal Balance for each Component has been reduced to zero.

(f) Prepayments under **Section 2.4.2** shall reduce the Allocated Loan Amounts for each Property on a pro rata basis. Prepayments under **Section 2.4.3** shall reduce the Allocated Loan Amount with respect to the applicable Property, until the Allocated Loan Amount and any interest, fees or other Obligations related thereto is zero and any excess of such prepayment shall be applied to reduce the Allocated Loan Amounts for the remaining Properties on a pro rata basis.

(g) Lender shall, upon the written request and at the expense of Borrower, upon payment in full of the Debt in accordance with the terms and provisions of the Loan Documents, release the Liens of the Mortgage Documents and cause the trustees under any of the Mortgages to reconvey the applicable Properties to Borrower. In connection with the releases of the Liens, Borrower shall submit to Lender, forms of releases of Liens (and related Loan Documents) for execution by Lender. Such releases shall be the forms appropriate in the jurisdictions in which the Properties are located and contain standard provisions protecting the rights of Lender. In addition, Borrower shall provide all other documentation Lender reasonably requires to be delivered by Borrower in connection with such releases, together with an Officer's Certificate certifying that such documentation (i) is in compliance with all Legal Requirements, and (ii) will effect such release in accordance with the terms of this Agreement. Borrower shall pay all out-of-pocket costs, taxes and expenses associated with the release of the Liens of the Mortgage Documents, including Lender's reasonable attorneys' fees.

Section 2.5 Transfers of Properties. Borrower may Transfer any Property (each, a "**Release Property**") and Lender shall release the Release Property from the applicable Mortgage Documents and release the security interest and Lien on any Collateral located at such Property, provided that the following conditions precedent to such Transfer are satisfied (the "**Release Conditions**"); provided, that, for the avoidance of doubt, the Release Conditions do not need to be satisfied in order for Lender to release its security interest and Lien on any Disqualified Property in connection with any prepayment or substitution in accordance with **Section 2.4.3(a)** :

(a) Borrower shall submit to Lender, not less than ten (10) Business Days' prior to the Transfer Date, a Request for Release, together with all attachments thereto and evidence reasonably satisfactory to Lender that the conditions precedent set forth in this **Section 2.5** will be satisfied upon the consummation of such Transfer (for the avoidance of doubt, no Request for Release need be provided in connection with a contribution of a Release Property to a Borrower TRS);

(b) No Event of Default has occurred and is continuing (other than a non-monetary Event of Default that is specific to such Release Property to which **Section 2.4.3(a)** is applicable and would be cured as a result of the release of the Release Property, so long as a mandatory prepayment is made with respect thereto in accordance with **Section 2.4.3(a)** (a "**Qualified Release Property Default**"));

(c) The Debt Yield as of the most recent Calculation Date, after giving pro forma effect to the elimination of the Underwritten Net Cash Flow for the Release Property and the repayment of the Loan in the applicable Release Amount, is at least the greater of (x) the Closing Date Debt Yield and (y) the actual Debt Yield as of such date; provided that the condition in this **clause (c)** shall not be applicable to a Transfer of a Property if the Loan is prepaid in the amount that is the greater of the applicable Release Amount and one hundred percent (100%) of the Net Transfer Proceeds for the Transferred Property;

(d) The Release Property shall be Transferred to a Person other than Borrower, any other Loan Party or, unless the release of the Release Property is effected in order to cure a Qualified Release Property Default or is a release of a Designated HOA Property, any Affiliate of Borrower or any other Loan Party; *provided* that Borrower may contribute the Release Property to a Borrower TRS;

(e) Except for (i) the release of the Release Property that is effected in order to cure a Qualified Release Property Default, (ii) any contribution to a Borrower TRS described in the *proviso* of the foregoing **clause (d)** or (iii) a release of a Designated HOA Property, the Release Property shall be Transferred pursuant to a bona fide all-cash sale of the Release Property on arms-length terms and conditions;

(f) Except for any contribution to a Borrower TRS described in the *proviso* of the foregoing **clause (d)**, on or prior to the Transfer Date, Borrower shall prepay the Outstanding Principal Balance by an amount equal to the applicable Release Amount for the Release Property, and Borrower shall comply with the provisions and pay to Lender the amounts set forth in **Section 2.4.5**;

(g) Except for any contribution to a Borrower TRS described in the *proviso* of the foregoing **clause (d)**, if a Trigger Period is continuing on the Transfer Date, the excess, if any, of (i) the Net Transfer Proceeds for the Release Property over (ii) the applicable Release Amount for the Release Property and any other amounts payable to Lender in connection with such release, shall be deposited into the Cash Collateral Account;

(h) Borrower shall submit to Lender, not less than five (5) Business Days prior to the Transfer Date, a draft release for the applicable Mortgage Documents (and, in the event the Mortgage and the Assignment of Leases and Rents applicable to the Release Property encumber other Property(ies) in addition to the Release Property, such release shall be a partial release that relates only to the Release Property and does not affect the Liens and security interests encumbering or on the other Property(ies)) in form and substance appropriate for the jurisdiction in which the Release Property is located and shall contain standard provisions protecting the rights of Lender. In addition, Borrower shall provide all other documentation of a ministerial or administrative nature that Lender reasonably requires to be delivered by Borrower in connection with such release or assignment;

(i) Borrower shall have paid all taxes and all reasonable out-of-pocket costs and expenses incurred by Lender and/or its Servicer in connection with any such release and, in addition, the current reasonable and customary fee being assessed by Lender and/or its Servicer to effect such release or assignment;

(j) Notwithstanding anything to the contrary contained herein or in any other Loan Document, if the Loan is included in a REMIC Trust and the ratio of the unpaid principal balance of the Loan to the value of the remaining Properties (as determined by Lender in its sole discretion using any commercially reasonable method permitted to a REMIC Trust; and which shall exclude the value of any personal property (other than fixtures) or going concern value, if any) exceeds or would exceed one hundred twenty-five percent (125%) immediately after giving effect to the release of the Release Property, no release will be permitted unless the principal balance of the Loan is prepaid by an amount not less than the greater of (i) the Release Amount or (ii) the least amount that is a "qualified amount" as that term is defined in IRS Revenue Procedure 2010-30, as the same may be amended, replaced, supplemented or modified from time to time, unless Lender receives an opinion of counsel that, if this **Section 2.5(i)** is applicable but not followed or is no longer applicable at the time of such release, the Securitization will not fail to maintain its status as a REMIC Trust as a result of the release of the Release Property; and

(k) The Release Property is a separate legal parcel from the property remaining encumbered by Mortgages.

Section 2.6 Interest Rate Cap Agreement.

2.6.1 Interest Rate Cap Agreement. Prior to or contemporaneously with the Closing Date, Borrower shall have obtained, and thereafter maintain in effect, the Interest Rate Cap Agreement, which shall have a term expiring no earlier than the last day of the Interest Period in which the Stated Maturity Date occurs and have a notional amount which shall not at any time be less than the aggregate Component Outstanding Principal Balances of the Floating Rate Components. The Interest Rate Cap Agreement shall have a strike rate equal to the Strike Price.

2.6.2 Pledge and Collateral Assignment. As security for the full and punctual payment and performance of the Obligations when due (whether upon stated maturity, by acceleration, early termination or otherwise), Borrower, as pledgor, hereby pledges, assigns, hypothecates, transfers and delivers to Lender as collateral and hereby grants to Lender a continuing first priority lien on and security interest in, to and under all of the following whether now owned or hereafter acquired and whether now existing or hereafter arising (the “**Rate Cap Collateral**”): all of the right, title and interest of Borrower in and to (a) the Interest Rate Cap Agreement; (b) all payments, distributions, disbursements or proceeds due, owing, payable or required to be delivered to Borrower in respect of the Interest Rate Cap Agreement or arising out of the Interest Rate Cap Agreement, whether as contractual obligations, damages or otherwise; and (c) all of Borrower’s claims, rights, powers, privileges, authority, options, security interests, liens and remedies, if any, under or arising out of the Interest Rate Cap Agreement, in each case including all accessions and additions to, substitutions for and replacements, products and proceeds of any or all of the foregoing.

2.6.3 Covenants.

(a) Borrower shall comply with all of its obligations under the terms and provisions of the Interest Rate Cap Agreement. All amounts paid by the Counterparty under the Interest Rate Cap Agreement to Borrower or Lender shall be deposited immediately into the Collection Account pursuant to **Section 6.1.1**. Subject to the terms hereof, provided no Event of Default has occurred and is continuing, Borrower shall be entitled to exercise all rights, powers and privileges of Borrower under, and to control the prosecution of all claims with respect to, the Interest Rate Cap Agreement and the other Rate Cap Collateral. Borrower shall take all actions reasonably requested by Lender to enforce Borrower’s rights under the Interest Rate Cap Agreement in the event of a default by the Counterparty thereunder and shall not waive, amend or otherwise modify any of its rights thereunder.

(b) Borrower shall defend Lender’s right, title and interest in and to the Rate Cap Collateral pledged by Borrower pursuant hereto or in which it has granted a security interest pursuant hereto against the claims and demands of all other Persons.

(c) In the event of any downgrade, withdrawal or qualification of the rating of the Counterparty such that it ceases to qualify as an “Approved Counterparty”, unless the Counterparty shall have posted collateral on terms acceptable to each Rating Agency, Borrower shall replace the Interest Rate Cap Agreement with a Replacement Interest Rate Cap Agreement not later than ten (10) Business Days following receipt of notice from Lender, Servicer or any other Person of such downgrade, withdrawal or qualification. In the event that the Counterparty is downgraded (i) below BBB+ by S&P or Fitch (or, if such counterparty was an approved counterparty based on its short-term rating by S&P or Fitch, below “A-2” by S&P or “F-2” by Fitch) or (ii) below “Baa1” by Moody’s, a Replacement Interest Rate Cap Agreement shall be required regardless of the posting of collateral.

(d) In the event that Borrower fails to purchase and deliver to Lender a Replacement Interest Rate Cap Agreement as and when required hereunder, Lender may purchase a Replacement Interest Rate Cap Agreement and the cost incurred by Lender in purchasing such Replacement Interest Rate Cap Agreement shall be paid by Borrower to Lender with interest thereon at the Default Rate from the date such cost was incurred by Lender until such cost is paid by Borrower to Lender.

(e) Borrower shall not sell, assign, or otherwise dispose of, or mortgage, pledge or grant a security interest in, any of the Rate Cap Collateral or any interest therein, and any sale, assignment, mortgage, pledge or security interest whatsoever made in violation of this covenant shall be a nullity and of no force and effect, and upon demand of Lender, shall forthwith be cancelled or satisfied by an appropriate instrument in writing.

(f) Borrower shall not (i) without the prior written consent of Lender, modify, amend or supplement the terms of the Interest Rate Cap Agreement, (ii) without the prior written consent of Lender, except in accordance with the terms of the Interest Rate Cap Agreement, cause the termination of the Interest Rate Cap Agreement prior to its stated maturity date, (iii) without the prior written consent of Lender, except as aforesaid, waive or release any obligation of the Counterparty (or any successor or substitute party to the Interest Rate Cap Agreement) under the Interest Rate Cap Agreement, (iv) without the prior written consent of Lender, consent or agree to any act or omission to act on the part of the Counterparty (or any successor or substitute party to the Interest Rate Cap Agreement) which, without such consent or agreement, would constitute a default under the Interest Rate Cap Agreement, (v) fail to exercise promptly and diligently each and every material right which it may have under the Interest Rate Cap Agreement, (vi) take or intentionally omit to take any action or intentionally suffer or permit any action to be omitted or taken, the taking or omission of which would result in any right of offset against sums payable under the Interest Rate Cap Agreement or any defense by the Counterparty (or any successor or substitute party to the Interest Rate Cap Agreement) to payment or (vii) fail to give prompt notice to Lender of any notice of default given by or to Borrower under or with respect to the Interest Rate Cap Agreement, together with a complete copy of such notice. If Borrower shall have received written notice that the Securitization shall have occurred, no consent by Lender provided for in this **Section 2.6.3 (f)** shall be given by Lender unless Lender shall have received a Rating Agency Confirmation.

(g) In connection with an Interest Rate Cap Agreement, Borrower shall obtain and deliver to Lender an opinion of counsel from counsel (which counsel may be in-house counsel for the Counterparty) for the Counterparty upon which Lender and its successors and assigns may rely (the “**Counterparty Opinion**”), under New York law and, if the Counterparty is

a non-U.S. entity, the applicable foreign law, which shall provide in relevant part, that: (i) the issuer is duly organized, validly existing, and in good standing under the laws of its jurisdiction of incorporation and has the organizational power and authority to execute and deliver, and to perform its obligations under, the Interest Rate Cap Agreement; (ii) the execution and delivery of the Interest Rate Cap Agreement by the issuer, and any other agreement which the issuer has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been and remain duly authorized by all necessary action and do not contravene any provision of its certificate of incorporation or by-laws (or equivalent organizational documents) or any law, regulation or contractual restriction binding on or affecting it or its property; (iii) all consents, authorizations and approvals required for the execution and delivery by the issuer of the Interest Rate Cap Agreement, and any other agreement which the issuer has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been obtained and remain in full force and effect, all conditions thereof have been duly complied with, and no other action by, and no notice to or filing with any governmental authority or regulatory body is required for such execution, delivery or performance; and (iv) the Interest Rate Cap Agreement, and any other agreement which the issuer has executed and delivered pursuant thereto, has been duly executed and delivered by the issuer and constitutes the legal, valid and binding obligation of the issuer, enforceable against the issuer in accordance with its terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

2.6.4 [Reserved].

2.6.5 Representations and Warranties. Borrower hereby covenants with, and represents and warrants to Lender as of the Closing Date as follows:

(a) The Interest Rate Cap Agreement constitutes the legal, valid and binding obligation of Borrower, enforceable against Borrower in accordance with its terms, subject only to applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

(b) The Rate Cap Collateral is free and clear of all claims or security interests of every nature whatsoever, except such as are created pursuant to this Agreement and the other Loan Documents, and Borrower has the right to pledge and grant a security interest in the same as herein provided without the consent of any other Person other than any such consent that has been obtained and is in full force and effect.

(c) The Rate Cap Collateral has been duly and validly pledged hereunder. All consents and approvals required to be obtained by Borrower for the consummation of the transactions contemplated by this Agreement have been obtained.

(d) Giving effect to the aforesaid grant and assignment to Lender, Lender has, as of the date of this Agreement, and as to Rate Cap Collateral acquired from time to time after such date, shall have, a valid, and upon proper filing, perfected and continuing first priority lien upon and security interest in the Rate Cap Collateral; provided that no representation or warranty is made with respect to the perfected status of the security interest of Lender in the proceeds of Rate Cap Collateral consisting of "cash proceeds" or "non-cash proceeds" as defined in the UCC except if, and to the extent, the provisions of Section 9-306 of the UCC shall be complied with.

(e) Except for financing statements filed or to be filed in favor of Lender as secured party, there are no financing statements under the UCC covering any or all of the Rate Cap Collateral and Borrower shall not, without the prior written consent of Lender, until payment in full of all of the Obligations, execute and file in any public office, any enforceable financing statement or statements covering any or all of the Rate Cap Collateral, except financing statements filed or to be filed in favor of Lender as secured party.

2.6.6 Payments. If Borrower at any time shall be entitled to receive any payments with respect to the Interest Rate Cap Agreement, Borrower shall direct Counterparty to deposit such amounts immediately upon becoming payable to Borrower into the Collection Account; *provided* that if, notwithstanding such direction, Borrower receives any payments with respect to the Interest Rate Cap Agreement, Borrower shall immediately deposit such amounts into the Collection Account.

2.6.7 Remedies. Subject to the provisions of the Interest Rate Cap Agreement, if an Event of Default shall occur and then be continuing:

(a) Lender, without obligation to resort to any other security, right or remedy granted under any other agreement or instrument, shall have the right to, in addition to all rights, powers and remedies of a secured party pursuant to the UCC, at any time and from time to time, sell, resell, assign and deliver, in its sole discretion, any or all of the Rate Cap Collateral (in one or more parcels and at the same or different times) and all right, title and interest, claim and demand therein and right of redemption thereof, at public or private sale, for cash, upon credit or for future delivery, and in connection therewith Lender may grant options and may impose reasonable conditions such as requiring any purchaser to represent that any "securities" constituting any part of the Rate Cap Collateral are being purchased for investment only, Borrower hereby waiving and releasing any and all equity or right of redemption to the fullest extent permitted by the UCC or applicable law. If all or any of the Rate Cap Collateral is sold by Lender upon credit or for future delivery, Lender shall not be liable for the failure of the purchaser to purchase or pay for the same and, in the event of any such failure, Lender may resell such Rate Cap Collateral. It is expressly agreed that Lender may exercise its rights with respect to less than all of the Rate Cap Collateral, leaving unexercised its rights with respect to the remainder of the Rate Cap Collateral, *provided*, *however*, that such partial exercise shall in no way restrict or jeopardize Lender's right to exercise its rights with respect to all or any other portion of the Rate Cap Collateral at a later time or times.

(b) Lender may exercise, either by itself or by its nominee or designee, in the name of Borrower, all of Lender's rights, powers and remedies in respect of the Rate Cap Collateral, hereunder and under law.

(c) Borrower hereby irrevocably, in the name of Borrower or otherwise, authorizes and empowers Lender and assigns and transfers unto Lender, and constitutes and appoints Lender its true and lawful attorney-in-fact, and as its agent, irrevocably, with full power of substitution for Borrower and in the name of Borrower, (i) to exercise and enforce every right, power, remedy, authority, option and privilege of Borrower under the Interest Rate Cap Agreement, including any power to subordinate or modify the Interest Rate Cap Agreement (but

not, unless an Event of Default exists and is continuing, the right to terminate or cancel the Interest Rate Cap Agreement), or to give any notices, or to take any action resulting in such subordination, termination, cancellation or modification and (ii) in order to more fully vest in Lender the rights and remedies provided for herein, to exercise all of the rights, remedies and powers granted to Lender in this Agreement, and Borrower further authorizes and empowers Lender, as Borrower's attorney-in-fact, and as its agent, irrevocably, with full power of substitution for Borrower and in the name of Borrower, to give any authorization, to furnish any information, to make any demands, to execute any instruments and to take any and all other action on behalf of and in the name of Borrower which in the opinion of Lender may be necessary or appropriate to be given, furnished, made, exercised or taken under the Interest Rate Cap Agreement, in order to comply therewith, to perform the conditions thereof or to prevent or remedy any default by Borrower thereunder or to enforce any of the rights of Borrower thereunder. These powers-of-attorney are irrevocable and coupled with an interest, and any similar or dissimilar powers heretofore given by Borrower in respect of the Rate Cap Collateral to any other Person are hereby revoked.

(d) Lender may, without notice to, or assent by, Borrower or any other Person (to the extent permitted by law), but without affecting any of the Obligations, in the name of Borrower or in the name of Lender, notify the Counterparty, or if applicable, any other counterparty to the Interest Rate Cap Agreement, to make payment and performance directly to Lender; extend the time of payment and performance of, compromise or settle for cash, credit or otherwise, and upon any terms and conditions, any obligations owing to Borrower, or claims of Borrower, under the Interest Rate Cap Agreement; file any claims, commence, maintain or discontinue any actions, suits or other proceedings deemed by Lender necessary or advisable for the purpose of collecting upon or enforcing the Interest Rate Cap Agreement; and execute any instrument and do all other things deemed necessary and proper by Lender to protect and preserve and realize upon the Rate Cap Collateral and the other rights contemplated hereby.

(e) Pursuant to the powers-of-attorney provided for above, Lender may take any action and exercise and execute any instrument which it may deem necessary or advisable to accomplish the purposes hereof; *provided, however*, that Lender shall not be permitted to take any action pursuant to said power-of-attorney that would conflict with any limitation on Lender's rights with respect to the Rate Cap Collateral. Without limiting the generality of the foregoing, Lender, after the occurrence of an Event of Default, shall have the right and power to receive, endorse and collect all checks and other orders for the payment of money made payable to Borrower representing: (i) any payment of obligations owed pursuant to the Interest Rate Cap Agreement, (ii) interest accruing on any of the Rate Cap Collateral or (iii) any other payment or distribution payable in respect of the Rate Cap Collateral or any part thereof, and for and in the name, place and stead of Borrower, to execute endorsements, assignments or other instruments of conveyance or transfer in respect of any property which is or may become a part of the Rate Cap Collateral hereunder.

(f) Lender may exercise all of the rights and remedies of a secured party under the UCC.

(g) Without limiting any other provision of this Agreement or any of Borrower's rights hereunder, and without waiving or releasing Borrower from any obligation or default hereunder, Lender shall have the right, but not the obligation, to perform any act or take any appropriate action, as it, in its reasonable judgment, may deem necessary to protect the

security of this Agreement, to cure such Event of Default or to cause any term, covenant, condition or obligation required under this Agreement or the Interest Rate Cap Agreement to be performed or observed by Borrower to be promptly performed or observed on behalf of Borrower. All amounts advanced by, or on behalf of, Lender in exercising its rights under this **Section 2.6.7(g)** (including, but not limited to, reasonable legal expenses and disbursements incurred in connection therewith), together with interest thereon at the Default Rate from the date of each such advance, shall be payable by Borrower to Lender upon demand and shall be secured by this Agreement.

2.6.8 Sales of Rate Cap Collateral. No demand, advertisement or notice, all of which are, to the fullest extent permitted by law, hereby expressly waived by Borrower, shall be required in connection with any sale or other disposition of all or any part of the Rate Cap Collateral, except that Lender shall give Borrower at least thirty (30) Business Days' prior written notice of the time and place of any public sale or of the time when and the place where any private sale or other disposition is to be made, which notice Borrower hereby agrees is reasonable, all other demands, advertisements and notices being hereby waived. To the extent permitted by law, Lender shall not be obligated to make any sale of the Rate Cap Collateral if it shall determine not to do so, regardless of the fact that notice of sale may have been given, and Lender may without notice or publication adjourn any public or private sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. Upon each private sale of the Rate Cap Collateral of a type customarily sold in a recognized market and upon each public sale, unless prohibited by any applicable statute which cannot be waived, Lender (or its nominee or designee) may purchase any or all of the Rate Cap Collateral being sold, free and discharged from any trusts, claims, equity or right of redemption of Borrower, all of which are hereby waived and released to the extent permitted by law, and may make payment therefor by credit against any of the Obligations in lieu of cash or any other obligations. In the case of all sales of the Rate Cap Collateral, public or private, Borrower shall pay all reasonable costs and expenses of every kind for sale or delivery, including brokers' and attorneys' fees and disbursements and any tax imposed thereon. However, the proceeds of sale of Rate Cap Collateral shall be available to cover such costs and expenses, and, after deducting such costs and expenses from the proceeds of sale, Lender shall apply any residue to the payment of the Obligations in the order of priority as set forth in this Agreement.

2.6.9 Public Sales Not Possible. Borrower acknowledges that the terms of the Interest Rate Cap Agreement may prohibit public sales, that the Rate Cap Collateral may not be of the type appropriately sold at public sales, and that such sales may be prohibited by law. In light of these considerations, Borrower agrees that private sales of the Rate Cap Collateral shall not be deemed to have been made in a commercially unreasonable manner by mere virtue of having been made privately.

2.6.10 Receipt of Sale Proceeds. Upon any sale of the Rate Cap Collateral by Lender hereunder (whether by virtue of the power of sale herein granted, pursuant to judicial process or otherwise), the receipt by Lender or the officer making the sale or the proceeds of such sale shall be a sufficient discharge to the purchaser or purchasers of the Rate Cap Collateral so sold, and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to Lender or such officer or be answerable in any way for the misapplication or non-application thereof.

2.6.11 Replacement Interest Rate Cap Agreement. If, in connection with Borrower's exercise of any Extension Option pursuant to **Section 2.7**, Borrower delivers a Replacement Interest Rate Cap Agreement, all the provisions of this **Section 2.6** applicable to the Interest Rate Cap Agreement delivered on the Closing Date shall be applicable to the Replacement Interest Rate Cap Agreement.

Section 2.7 Extension Options.

2.7.1 Extension Options. Borrower shall have the option (the "**First Extension Option**"), by written notice (the "**First Extension Notice**") delivered to Lender (which notice may be revoked) no later than thirty (30) days prior to the Stated Maturity Date, to extend the Maturity Date to August 9, 2018 (the "**First Extended Maturity Date**"). In the event Borrower shall have exercised the First Extension Option, Borrower shall have the option (the "**Second Extension Option**"), by written notice (the "**Second Extension Notice**") delivered to Lender (which notice may be revoked) no later than thirty (30) days prior to the First Extended Maturity Date, to extend the First Extended Maturity Date to August 9, 2019 (the "**Second Extended Maturity Date**"). In the event Borrower shall have exercised the Second Extension Option, Borrower shall have the option (the "**Third Extension Option**"), by written notice (the "**Third Extension Notice**") delivered to Lender (which notice may be revoked) no later than thirty (30) days prior to the Second Extended Maturity Date, to extend the Second Extended Maturity Date to August 7, 2020 (the "**Third Extended Maturity Date**"). Borrower's right to so extend the applicable Maturity Date shall be subject to the satisfaction of the following conditions precedent prior to each extension hereunder:

(a) (i) no Event of Default shall have occurred and be continuing on the applicable Extension Date;

(b) Borrower shall (i) obtain and deliver to Lender not later than the first day of the term of the Loan as extended, one or more Replacement Interest Rate Cap Agreements from an Approved Counterparty, in a notional amount equal to the aggregate Component Outstanding Principal Balances of the Floating Rate Components, which Replacement Interest Rate Cap Agreement(s) shall be (A) effective for the period commencing on the Business Day immediately following the then applicable Maturity Date (prior to giving effect to the applicable Extension Option) and ending on the last day of the Interest Period in which the applicable extended Maturity Date occurs and (B) otherwise on same terms set forth in **Section 2.6** and at the applicable Strike Price and (ii) execute and deliver an Acknowledgment with respect to each such Replacement Interest Rate Cap Agreement;

(c) Borrower shall deliver a Counterparty Opinion with respect to the Replacement Interest Rate Cap Agreement and the related Acknowledgment and shall deliver to Lender an executed Collateral Assignment of Interest Rate Protection Agreement;

(d) All amounts due and payable by Borrower and any other Person pursuant to this Agreement or the other Loan Documents as of the Stated Maturity Date, the First Extended Maturity Date, and the Second Extended Maturity Date, as applicable, and all reasonable, out-of-pocket costs and expenses of Lender, including fees and expenses of Lender's counsel, in connection with the Loan and/or the applicable extension of the Term shall have been paid in full.

(e) If Borrower is unable to satisfy all of the foregoing conditions within the applicable time frames for each, Lender shall have no obligation to extend the Maturity Date hereunder.

2.7.2 Extension Documentation. As soon as practicable following an extension of the Maturity Date pursuant to this **Section 2.7**, Borrower shall, if requested by Lender, execute and deliver an amendment of and/or restatement of the Note and shall, if requested by Lender, enter into such amendments to the related Loan Documents as may be necessary or appropriate to evidence the extension of the Maturity Date as provided in this **Section 2.7**; *provided, however*, that no failure by Borrower to enter into any such amendments and/or restatements shall affect the rights or obligations of Borrower or Lender with respect to the extension of the Maturity Date.

Section 2.8 Spread Maintenance Premium. Upon any repayment or prepayment of the Loan (including in connection with an acceleration of the Loan but excluding in connection with any mandatory prepayment pursuant to **Section 2.4.3(a)** (except where such prepayment arises as a result of a Voluntary Action) or **Section 2.4.3(c)**) made prior to the Spread Maintenance Date, Borrower shall pay to Lender on the date of such repayment or prepayment (or acceleration of the Loan) the Spread Maintenance Premium applicable thereto. All Spread Maintenance Premium payments hereunder shall be deemed to be earned by Lender upon the funding of the Loan.

Section 2.9 Increased Costs. In the event that any change in any requirement of law or in the interpretation or application thereof, or compliance by Lender with any request or directive (whether or not having the force of law) hereafter issued from any central bank or other Governmental Authority:

(a) shall hereafter impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, or deposits or other liabilities in or for the account of, advances or loans by, or other credit extended by, or any other acquisition of funds by, any office of Lender which is not otherwise included in the determination of LIBOR hereunder;

(b) shall hereafter have the effect of reducing the rate of return on Lender's capital as a consequence of its obligations hereunder to a level below that which Lender could have achieved but for such adoption, change or compliance (taking into consideration Lender's policies with respect to capital adequacy) by any amount deemed by Lender to be material;

(c) shall hereafter subject Lender to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (ii) through (iv) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(d) shall hereafter impose on Lender any other condition and the result of any of the foregoing is to increase the cost to Lender of making, renewing or maintaining loans or extensions of credit or to reduce any amount receivable hereunder in each case by an amount deemed by Lender in good faith to be material;

then, in any such case, Borrower shall promptly pay Lender, upon demand, additional amounts necessary to compensate Lender for such additional cost or reduced amount receivable which Lender deems to be material as determined by Lender in good faith that Lender deems allocable to the Loan. If Lender becomes entitled to claim any additional amounts pursuant to this **Section 2.9**, Lender shall provide Borrower with not less than thirty (30) days written notice specifying in reasonable detail the event by reason of which it has become so entitled and the additional amount required to compensate Lender in accordance herewith. A certificate as to any additional costs or amounts payable pursuant to the foregoing sentence submitted by Lender to Borrower shall be conclusive in the absence of manifest error. Subject to **Section 2.10**, this **Section 2.9** shall survive payment of the Debt and the satisfaction of all other Obligations.

Section 2.10 Taxes.

2.10.1 Defined Terms. For purposes of this **Section 2.10**, the term “applicable law” includes FATCA.

2.10.2 Payments Free of Taxes. Any and all payments by or on account of any obligation of Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of Borrower) requires the deduction or withholding of any Tax from any such payment by Borrower, then Borrower shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this **Section 2.10**) Lender receives an amount equal to the sum it would have received had no such deduction or withholding been made.

2.10.3 Payment of Other Taxes by Borrower. Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law any Other Taxes.

2.10.4 Indemnification by the Loan Parties. Borrower shall indemnify Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this **Section 2.10**) payable or paid by Lender or required to be withheld or deducted from a payment to Lender and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Borrower by Lender shall be conclusive absent manifest error.

2.10.5 Evidence of Payments. As soon as practicable after any payment of Taxes by Borrower to a Governmental Authority pursuant to this **Section 2.10**, Borrower shall deliver to Lender the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to Lender.

2.10.6 Status of Lender.

(a) If Lender is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document then Lender shall deliver to Borrower, at the time or times reasonably requested by Borrower, such properly completed and executed documentation reasonably requested by Borrower as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, Lender, if reasonably requested by Borrower, shall deliver such other documentation prescribed by applicable law or reasonably requested by Borrower as will enable Borrower to determine whether or not Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in **Section 2.10.6(b)(i), (b)(ii) and (b)(iv)** below) shall not be required if in Lender's reasonable judgment such completion, execution or submission would subject Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of Lender.

(b) Without limiting the generality of the foregoing,

(i) If Lender is a U.S. Person it shall deliver to Borrower (in such number of copies as shall be reasonably requested by Borrower) on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower), executed originals of IRS Form W-9 certifying that Lender is exempt from U.S. federal backup withholding tax;

(ii) If Lender is a Foreign Lender it shall, to the extent it is legally entitled to do so, deliver to Borrower (in such number of copies as shall be reasonably requested by Borrower) on or prior to the date on which it becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower), whichever of the following is applicable:

(A) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN (in the case of an individual) or W-8BEN-E (in the case of an entity) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN (in the case of an individual) or W-8BEN-E (in the case of an entity) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(B) executed originals of IRS Form W-8ECI;

(C) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) or 871(h) of the Code, (x) a certificate substantially in the form of Exhibit F-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "**U.S. Tax Compliance Certificate**") and (y) executed originals of IRS Form W-8BEN (in the case of an individual) or W-8BEN-E (in the case of an entity); or

(D) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN (in the case of an individual) or W-8BEN-E (in the case of an entity), a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-2 or Exhibit F-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-4 on behalf of each such direct and indirect partner;

(iii) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to Borrower (in such number of copies as shall be reasonably requested by Borrower) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit Borrower to determine the withholding or deduction required to be made; and

(iv) if a payment made to Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), Lender shall deliver to Borrower at the time or times prescribed by law and at such time or times reasonably requested by Borrower such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by Borrower as may be necessary for Borrower to comply with its obligations under FATCA and to determine that Lender has complied with Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (iv), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Borrower in writing of its legal inability to do so.

2.10.7 Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this **Section 2.10** (including by the payment of additional amounts pursuant to this **Section 2.10**), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such

indemnified party, shall repay to such indemnified party the amount paid over pursuant to this **Section 2.10.7** (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this **Section 2.10.7**, in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this **Section 2.10.7** the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This **Section 2.10.7** shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

2.10.8 Survival. Each party's obligations under this **Section 2.10** shall survive any assignment of rights by, or the replacement of, Lender and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Each Loan Party and each SPC Party is duly qualified to do business and in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations, except to the extent that failure to do so would not reasonably be expected to have a Material Adverse Effect. Each Loan Party and each SPC Party possesses all rights, licenses, permits and authorizations, governmental or otherwise, necessary to entitle it to own its properties and to transact the businesses in which it is now engaged, except to the extent that failure to do so could not in the aggregate reasonably be expected to have a Material Adverse Effect. The Loan Documents are not subject to any right of rescission, set-off, counterclaim or defense by any Loan Party including the defense of usury, nor would the operation of any of the terms of the Loan Documents, or the exercise of any right thereunder, render the Loan Documents unenforceable, and no Loan Party has asserted any right of rescission, set-off, counterclaim or defense with respect thereto.

3.1.3 No Conflicts. The execution, delivery and performance of this Agreement and the other Loan Documents by each Loan Party party thereto (i) will not contravene such Loan Party's Constituent Documents, (ii) will not result in any violation of the provisions of any Legal Requirement of any Governmental Authority having jurisdiction over any Loan Party or any of each Loan Party's properties or assets, (iii) with respect to each Loan Party, will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under the terms of any indenture, mortgage, deed of trust, deed to secure debt, loan agreement, management agreement or other agreement or instrument to which any Loan Party is a party or to, which any of each Loan Party's property or assets is subject, that would be reasonably expected to have a Material Adverse Effect and (iv) with respect to each Loan Party, except for Liens created under the Loan Documents, result in or require the creation or imposition of any Lien upon or with respect to any of the assets of any Loan Party. There are no actions, suits or proceedings at law or in equity by or before any Governmental Authority or other entity that resulted in a judgment against any Loan Party or any SPC Party that has not been paid in full that would otherwise constitute an Event of Default under **Section 8.1**.

3.1.5 Agreements. No Loan Party is a party to any agreement or instrument or subject to any restriction which would reasonably be expected to have a Material Adverse Effect. No Loan Party is in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any agreement or instrument to which it is a party which default would be expected to have a Material Adverse Effect. With respect to each Plan of a Loan Party, each Loan Party and all of its ERISA Affiliates have satisfied the minimum funding standard under Section 412(a) of the Code and Section 302(a) of ERISA and paid all required minimum contributions and all required installments on or before the due dates under Section 430(j) of the Code and Section 303(j) of ERISA. Borrower shall not knowingly enter into a Lease with a Person whose name appears on a Government List unless Borrower determines that such Person is not the terrorist, narcotics trafficker or other Person who is identified on such Government List but merely has the same name as such Person. If notwithstanding such confirmation, a Responsible Officer of a Loan Party or Manager obtains knowledge that a Tenant is a Person whose name appears on a Government List, it shall promptly provide notice of such fact to Lender within five (5) Business Days of acquiring knowledge thereof.

(b) In addition, in connection with any Rating Agency Confirmation, Review Waiver or other Rating Agency consent, approval or review requested or required hereunder (other than the initial review of the Loan by the Rating Agencies in connection with a Securitization), Borrower shall pay all of the costs and expenses of Lender, Servicer and each Rating Agency in connection therewith, and, if applicable, shall pay any fees imposed by any Rating Agency in connection therewith.

illegal acts, fraud or willful misconduct of Lender. To the extent that the undertaking to indemnify, defend and hold harmless set forth in the preceding sentence may be unenforceable because it violates any law or public policy, Borrower shall pay the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Lender.

(b) On or prior to the Closing Date, Borrower shall have delivered to Lender the Closing Date HOA Opinions and the Closing Date OSN Certificate. Subject to the remainder of this subsection (b), Borrower shall deliver to Lender, within twenty (20) Business Days after the end of each calendar quarter of each year commencing with the calendar quarter ending June 30, 2015, one or more legal opinions (which may be in the form of a bring-down or date-down opinion with respect to an earlier delivered opinion, including, without limitation, any Closing Date HOA Opinion) from a nationally recognized law firm (or one with prominent standing in

the applicable state) specifying with respect to each state in which a Property is located whether such state is an Applicable HOA State (as defined under clause (a) of the definition thereof). Any opinion required to be delivered pursuant to this **Section 4.3.12(b)** may be aggregated with any other opinion required to be delivered to Lender (or Servicer on behalf of Lender) so long as all the states in which Properties are located are included in such opinion or opinions and such opinion or opinions specifically reference this Agreement and otherwise meet the requirements of this **Section 4.3.12(b)**. In addition, if Lender believes in good faith that any provisions for the subordination of Liens for HOA Fees to the Lien of the Mortgages are unenforceable under the laws of an Applicable HOA State or that such Lien for HOA Fees would be entitled to Priority, Lender may redesignate all affected HOA Properties in such Applicable HOA State as Applicable HOA Properties. On the Closing Date, Lender acknowledges based on the Closing Date HOA Opinions and the Closing Date OSN Certificate that the only Applicable HOA Properties are listed on **Schedule XV**.

(c) If subsequent to the Closing Date there is consummated a securitization of a single borrower single family residential rental financing similar to the transactions contemplated by this Agreement and such financing contains HOA reporting and/or HOA Opinion delivery requirements and/or HOA Funds reserve requirements that are less burdensome to the borrower thereunder than those required by this Agreement (including **Sections 4.3.12**, **4.4.11**, **6.2.3**, **6.2.4** and **Schedule X**), then subject to receipt by Borrower of a Rating Agency Confirmation, Lender at the request of Borrower shall amend this Agreement in a manner consistent with such less burdensome requirements.

Borrower shall obtain and maintain in full force and effect all consents, approvals, orders, certifications, permits, licenses and authorizations of, and make all filings with or notices to, any court or Governmental Authority related to the operation, use or leasing of the Property except where the failure to obtain would not reasonably be expected to have an Individual Material Adverse Effect with respect to the Property. Borrower shall not and shall not permit any other Loan Party, any Borrower TRS, any Manager or any other Person in occupancy of or involved with the operation, use or leasing of the Property to commit any act or omission affording any Governmental Authority the right of forfeiture as against the Property or any part thereof.

4.4.9 Compliance with Agreements Relating to the Properties. Borrower shall not default in any material respect in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any agreement or instrument to which any Property is bound. Borrower shall not have a material financial obligation under any indenture,

(d) All Policies of insurance provided for or contemplated by **Section 5.1.1(a)**, except for the Policy referenced in **Section 5.1.1(a)(v)**, shall name Borrower as the insured and Lender and its successors and/or assigns as mortgagee and loss payee, as its interests may appear, and in the case of property damage, boiler and machinery, windstorm, flood and earthquake insurance, shall contain a so-called New York standard non-contributing mortgagee clause in favor of Lender providing that the loss thereunder shall be payable to Lender unless below the threshold for Borrower to handle such claim without Lender intervention as provided in **Section 5.2**. Additionally, if Borrower obtains property insurance coverage in addition to or in excess of that required by **Section 5.1.1(a)(i)**, then such insurance policies shall also contain a so-called New York standard non-contributing mortgagee clause in favor of Lender providing that the loss thereunder shall be payable to Lender.

(e) All Policies of insurance provided for in **Section 5.1.1(a)**, except for the Policies referenced in **Section 5.1.1(a)(vi)**, shall contain clauses or endorsements to the effect that:

(i) no act or negligence of Borrower, or anyone acting for Borrower, or of any Tenant or other occupant, or failure to comply with the provisions of any Policy, which might otherwise result in a forfeiture of the insurance or any part thereof, shall in any way affect the validity or enforceability of the insurance insofar as Lender is concerned;

(ii) the Policy shall not be canceled without at least thirty (30) days’ written notice to Lender and any other party named therein as an additional insured (other than in the case of non-payment in which case only ten days prior notice, or the shortest time allowed by applicable Legal Requirement (whichever is longer), will be required) and shall not be materially changed (other than to increase the coverage provided thereby) without such a thirty (30) day notice;

(iii) Lender shall not be liable for any Insurance Premiums thereon or subject to any assessments thereunder; and

(iv) the issuers thereof shall give notice to Lender if a Policy has not been renewed ten (10) days prior to its expiration; and

(f) If at any time Lender is not in receipt of written evidence that all insurance required hereunder is in full force and effect, Lender shall have the right, without notice to Borrower, to take such action as Lender deems necessary to protect its interest in the Properties, including the obtaining of such insurance coverage as Lender in its sole discretion deems appropriate and all premiums incurred by Lender in connection with such action or in obtaining such insurance and keeping it in effect shall be paid by Borrower to Lender upon demand and until paid shall be secured by the Collateral Documents and shall bear interest at the Default Rate.

(g) In the event of foreclosure of the pledge of the Equity Interests of Borrower pursuant to Borrower Security Agreement the Policies shall remain in full force and effect.

5.1.2 Insurance Company. All Policies required pursuant to **Section 5.1.1** shall (a) be issued by financially sound and responsible insurance companies authorized to do business in the states where the applicable Properties are located and having a rating of "A3" or better by Moody's or, if Moody's does not provide a rating of an applicable insurance company, a rating of "A-" or better by S&P or Fitch, *provided, however*, that if Borrower elects to have its insurance coverage provided by a syndicate of insurers, then, if such syndicate consists of five (5) or more members, (i) at least sixty percent (60%) of the insurance coverage (or seventy-five percent (75%) if such syndicate consists of four (4) or fewer members) and one hundred (100%) of the first layer of such insurance coverage shall be provided by insurance companies having a rating of "A3" or better by Moody's or, if Moody's does not provide a rating of an applicable insurance company, a rating of "A-" or better by S&P or Fitch and (ii) the remaining forty percent (40%) of the insurance coverage (or the remaining twenty-five percent (25%) if such syndicate consists of four (4) or fewer members) shall be provided by insurance companies having a rating of "Baa2" by Moody's or, if Moody's does not provide a rating of an applicable insurance company, a rating of "BBB" or better by S&P or Fitch; (b) with respect to all property insurance policies, name Lender and its successors and/or assigns as their interest may appear; (c) with respect to all property insurance policies and rental loss and/or business interruption insurance policies, contain a Lender's Loss Payable Endorsement, or their equivalents, naming Lender as the person to whom all payments made by such insurance company shall be paid; (d) with respect to all liability policies, name Lender and its successors and/or assigns as an additional insured; (e) contain a waiver of subrogation against Lender; (f) contain such provisions as Lender deems reasonably necessary or desirable to protect its interest including endorsements providing that (i) neither Borrower, Lender nor any other party shall be a co-insurer under said Policies, (ii) Lender shall receive at least thirty (30) days prior written notice of any modification, reduction or cancellation, and (iii) for a deductible per loss of an amount not more than that which is customarily maintained by prudent owners of properties with a standard of operation and maintenance comparable to and in the general vicinity of the Properties, but in no event in excess of an amount reasonably acceptable to Lender; and (g) be satisfactory in form and substance to Lender and shall be approved by Lender as to amounts, form, risk coverage, deductibles, loss payees and insureds. In addition to the insurance coverages described in **Section 5.1.1**, Borrower shall obtain such other insurance as may from time to time be reasonably required by Lender in order to protect its interests. Certified copies of the Policies shall be delivered to Lender at the address below (or to such other address or Person as Lender shall designate from time to time by notice to Borrower) on the date hereof with respect to the current Policies and within thirty (30) days after the effective date thereof with respect to all renewal Policies:

JPMORGAN CHASE BANK, NATIONAL ASSOCIATION
383 Madison Avenue, Floor 31
New York, New York 10179
Attention: Chuckie C. Reddy

Borrower shall pay the Insurance Premiums annually in advance as the same become due and payable and shall furnish to Lender evidence of the renewal of each of the Policies with receipts

for the payment of the Insurance Premiums or other evidence of such payment reasonably satisfactory to Lender (*provided, however*, that Borrower shall not be required to pay such Insurance Premiums nor furnish such evidence of payment to Lender in the event that the amounts required to pay such Insurance Premiums have been deposited into the Insurance Account pursuant to **Section 6.3**). Within thirty (30) days after request by Lender, Borrower shall obtain such increases in the amounts of coverage required hereunder as may be reasonably requested by Lender, taking into consideration changes in the value of money over time, changes in liability laws, changes in prudent customs and practices.

5.1.3 Special Insurance Reserve. Notwithstanding anything in this **Section 5.1** to the contrary, Borrower shall be permitted to obtain and maintain insurance policies with deductibles in excess of the amounts specified in this **Section 5.1**, so long as Borrower shall have deposited into and maintains at all times in the Special Insurance Reserve Account an amount equal to the difference between such higher deductible and the applicable deductible specified in this **Section 5.1** (such amount, the “**Excess Deductible**”).

Section 5.2 Casualty. If one or more Properties are damaged or destroyed in whole or in part by fire or other casualty (a “**Casualty**”) and either (i) the aggregate loss amount is or is reasonably expected to exceed \$25,000, or (ii) any damaged Property is or is reasonably expected to be rendered uninhabitable for more than thirty (30) days as a result of the Casualty, then (A) the Borrower is required to file proof of loss under the applicable Policy or Policies and (B) the Borrower shall give prompt notice of the Casualty to the Lender. Lender may, but shall not be obligated to make proof of loss if not made promptly by Borrower. In addition, Lender may participate in any settlement discussions with any insurance companies (and shall approve any final settlement) (x) if an Event of Default is continuing or (y) with respect to any Casualty in which the Net Proceeds or the costs of completing the Restoration are reasonably expected to be equal to or greater than the Casualty Threshold Amount and Borrower shall deliver to Lender all instruments required by Lender to permit such participation. Any Insurance Proceeds in connection with any Casualty (whether or not Lender elects to settle and adjust the claim or Borrower settles such claim) shall be due and payable solely to Lender and held by Lender in accordance with the terms of this Agreement. If Borrower or any party other than Lender receives any Insurance Proceeds or Condemnation Proceeds, Borrower shall immediately deliver such proceeds to Lender and shall endorse, and cause all such third parties to endorse, check payable therefor to the order of Lender. Borrower hereby irrevocably appoints Lender as its attorney-in-fact, coupled with an interest, to endorse any such check payable to the order of Lender. Borrower hereby releases Lender from any and all liability with respect to the settlement and adjustment by Lender of any claims in respect of any Casualty. Solely with respect to any HOA Property for which an HOA provides one or more property insurance policies that covers a Casualty (each an “**HOA Policy**”), the following additional provisions shall apply: (1) Borrower shall first make, or request the HOA to make, a claim with respect to any such Casualty under such HOA Policy or HOA Policies, (2) to the extent Borrower has any right to participate in any settlement discussions with insurance companies or approve any final settlement under the HOA Policies and the loss is greater than \$25,000, Lender shall have the right to participate in any settlement discussions with any such insurance companies and to approve any final settlement to the same extent it has such rights as described above with respect to Borrower’s Policies, (3) to the extent permitted under the HOA Policies, any insurance proceeds of the HOA Policies that relate to such Casualty shall be handled and directed in the same manner as Insurance Proceeds, and (4) in the event that insurance proceeds payable with

respect to such Casualty under the HOA Policies are insufficient to pay the expected costs of completing the Restoration, Borrower shall make a claim under its insurance policies maintained in accordance with **Section 5.1.1**.

Section 5.3 Condemnation. Borrower shall promptly give Lender notice of the actual or threatened commencement of any proceeding for the Condemnation of all or any portion of a Property and shall deliver to Lender copies of any and all papers served in connection with such proceedings. Lender may participate in any such proceedings, and Borrower shall from time to time deliver to Lender all instruments requested by it to permit such participation. Borrower shall, at its expense, diligently prosecute any such proceedings, and shall consult with Lender, its attorneys and experts, and cooperate with them in the carrying on or defense of any such proceedings which is reasonably expected to involve an Award of an amount greater than the Casualty Threshold Amount. Notwithstanding any taking by any public or quasi-public authority through Condemnation or otherwise (including, but not limited to, any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement and the Debt shall not be reduced until any Condemnation Proceeds shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. If Borrower or any party other than Lender receives any Condemnation Proceeds, Borrower shall immediately deliver such proceeds to Lender and shall endorse, and cause all such third parties to endorse, a check payable therefore to the order of Lender. Lender shall not be limited to the interest paid on the Award by the condemning authority but shall be entitled to receive out of the Award interest at the rate or rates provided herein or in the Note. Net Proceeds from a Condemnation shall be applied as follows:

(a) If a partial Condemnation of a Property does not interfere with the use of such Property as a residential rental property, then the Net Proceeds paid by the condemning authority shall be applied to the prepayment of the Debt in accordance with **Section 2.4.3(c)**.

(b) If a partial Condemnation of a Property does interfere with the use of such Property as a residential rental property or if there occurs a complete Condemnation of a Property (each, a “**Fully Condemned Property**”), then (i) if no Event of Default shall have occurred and be continuing and, within thirty (30) days of the date of the occurrence of such Condemnation, Borrower delivers to Lender a written undertaking to substitute the Fully Condemned Property with a Substitute Property in accordance with the requirements of **Section 2.4.3(a)**, then (A) if Net Proceeds are paid by the condemning authority directly to Borrower subsequent to such substitution, such Net Proceeds may be retained by Borrower (for the avoidance of doubt, Net Proceeds received by Borrower prior to such substitution shall be immediately paid to Lender as required by **Section 5.2**), (B) if Net Proceeds are paid by the condemning authority to Lender, such Net Proceeds will be disbursed by Lender to Borrower upon the consummation of such substitution and (C) Borrower shall provide a Substitute Property within ten (10) Business Days of the date of such undertaking in accordance with the requirements of **Section 2.4.3(a)** and (ii) if an Event of Default shall have occurred and be continuing or Borrower fails to deliver such an undertaking to Lender, then (A) Lender may retain any Net Proceeds received by it, (B) Borrower shall immediately deliver to Lender any Net Proceeds paid to Borrower, (C) Net Proceeds shall be applied to the prepayment of the Debt in accordance with **Section 2.4.3(c)** and (D) Borrower shall prepay the Loan in an amount equal to the positive difference between such Net Proceeds and the Allocated Loan Amount for the

Fully Condemned Property, together with all interest and other amounts required to be paid in connection therewith under **Section 2.4.5** (collectively, the “**Fully Condemned Property Prepayment Amounts**”). Following Borrower’s written request after either (1) the substitution of a Substitute Property for such Fully Condemned Property in accordance with the conditions set forth above or (2) receipt by Lender of the Net Proceeds and payment by Borrower of the Fully Condemned Property Prepayment Amounts, Lender shall release the Fully Condemned Property from the applicable Mortgage Documents and related Lien, provided, that (x) Borrower has delivered to Lender a draft release (and, in the event the Mortgage and the Assignment of Leases and Rents applicable to the Fully Condemned Property encumbers other Property(ies) in addition to the Fully Condemned Property, such release shall be a partial release that relates only to the Fully Condemned Property and does not affect the Liens and security interests encumbering or on the other Property(ies)) in form and substance appropriate for the jurisdiction in which such Fully Condemned Property is located and shall contain standard provisions protecting the rights of Lender and (y) Borrower shall pay all costs, taxes and expenses associated with such release (including, without limitation, cost to file and record the release and Lender’s reasonable attorneys’ fees).

Section 5.4 Restoration. The following provisions shall apply in connection with the Restoration of any Property or Properties affected by a Casualty:

(a) If the Net Proceeds reasonably expected to be received in connection with any single Casualty event is less than the Casualty Threshold Amount, then, (i) if no Event of Default shall have occurred and be continuing and, within sixty (60) days of the date of the occurrence of such Casualty, Borrower delivers to Lender a written undertaking to expeditiously commence and to satisfactorily complete with due diligence the Restoration of the affected Properties in accordance with the terms of this Agreement, then (A) if Net Proceeds are paid by the insurance company directly to Borrower subsequent to delivering such undertaking, such Net Proceeds may be retained by Borrower (for the avoidance of doubt, Net Proceeds received by Borrower prior to delivering such undertaking shall be immediately paid to Lender as required by **Section 5.2**), (B) if Net Proceeds are paid by the insurance company to Lender, such Net Proceeds will be disbursed by Lender to Borrower and (C) Borrower shall conduct the Restoration of the affected Properties in accordance with the terms of **Section 5.4(c)** and (ii) if an Event of Default shall have occurred and be continuing or Borrower fails to deliver such an undertaking to Lender, then (A) Lender may retain any Net Proceeds received by it, (B) Borrower shall immediately deliver to Lender any Net Proceeds paid to Borrower as required by **Section 5.2**, (C) such Net Proceeds shall be applied to the prepayment of the Debt in accordance with **Section 2.4.3(c)**, (D) Borrower shall prepay the Loan in an amount equal to the positive difference between such Net Proceeds and the Allocated Loan Amount for the affected Properties, together with all interest and other amounts required to be paid in connection therewith under **Section 2.4.5**, and (E) following Borrower’s written request and receipt by Lender of the Net Proceeds and payment by Borrower of the amounts set forth in clause (D) above, Lender shall release the affected Properties from the applicable Mortgage Documents and related Liens, provided, that (x) Borrower has delivered to Lender draft releases (and, in the event any of the Mortgages and the Assignments of Leases and Rents applicable to any of the affected Properties encumber other Property(ies) in addition to the affected Properties, such release shall be a partial release that relates only to the affected Property(ies) and does not affect the Liens and security interests encumbering or on the other Property(ies)) in form and substance appropriate for the jurisdiction in which such affected Properties are located and shall contain

standard provisions protecting the rights of Lender and (y) Borrower shall pay all costs, taxes and expenses associated with such release (including, without limitation, cost to file and record the release and Lender's reasonable attorneys' fees).

(b) If the Net Proceeds reasonably expected to be received in connection with any single Casualty event is greater than the Casualty Threshold Amount, then, (i) if no Event of Default shall have occurred and be continuing and, within sixty (60) days of the date of the occurrence of such Casualty, Borrower delivers to Lender a written undertaking to expeditiously commence and to satisfactorily complete with due diligence the Restoration of the affected Properties in accordance with the terms of this Agreement, then (A) Borrower shall immediately deliver to Lender any Net Proceeds paid to Borrower as required by **Section 5.2** and (B) Borrower shall conduct the Restoration of the affected Properties in accordance with the terms of and subject to the conditions of **Section 5.4(d)** and (ii) if an Event of Default shall have occurred and be continuing or Borrower fails to deliver such an undertaking to Lender, then (A) Lender may retain any Net Proceeds received by it, (B) Borrower shall immediately deliver to Lender any Net Proceeds paid to Borrower as required by **Section 5.2**, (C) such Net Proceeds shall be applied to the prepayment of the Debt in accordance with **Section 2.4.3(c)**, (D) Borrower shall prepay the Loan in an amount equal to the positive difference between such Net Proceeds and the Allocated Loan Amount for the affected Properties, together with all interest and other amounts required to be paid in connection therewith under **Section 2.4.5**, and (E) following Borrower's written request and receipt by Lender of the Net Proceeds and payment by Borrower of the amounts set forth in clause (D) above, Lender shall release the affected Properties from the applicable Mortgage Documents and related Liens, provided, that (x) Borrower has delivered to Lender draft releases (and, in the event any of the Mortgages and the Assignments of Leases and Rents applicable to any of the affected Properties encumber other Property(ies) in addition to the affected Properties, such release shall be a partial release that relates only to the affected Property(ies) and does not affect the Liens and security interests encumbering or on the other Property(ies)) in form and substance appropriate for the jurisdiction in which such affected Properties are located and shall contain standard provisions protecting the rights of Lender and (y) Borrower shall pay all costs, taxes and expenses associated with such release (including, without limitation, cost to file and record the release and Lender's reasonable attorneys' fees).

(c) If Borrower elects to undertake the Restoration of a Property or Properties pursuant to **Section 5.4(a)**, (i) Borrower shall commence the Restoration as soon as reasonably practicable (but in no event later than ninety (90) days after such Casualty occurs) and shall diligently pursue the same to satisfactory completion; (ii) Borrower shall cause the affected Property and the use thereof after the Restoration to be in compliance with and permitted under all applicable Legal Requirements and such Property, after Restoration, shall be of the same character as prior to such damage or destruction; (iii) the Restoration shall be done and completed by Borrower in an expeditious and diligent fashion and in compliance with all applicable Legal Requirements and the Renovation Standards and (iv) Borrower shall deliver, or cause to be delivered, to Lender a signed detailed budget approved in writing by Borrower's architect or engineer stating the entire cost of completing the Restoration, which budget shall be reasonably acceptable to Lender.

apply:

(d) If Borrower elects to undertake the Restoration of a Property or Properties pursuant to **Section 5.4(b)**, the following provisions shall

(i) the Net Proceeds shall be made available to Borrower for Restoration upon the determination of Lender that the following conditions are met: (i) Borrower shall commence the Restoration as soon as reasonably practicable (but in no event later than ninety (90) days after such Casualty occurs) and shall diligently pursue the same to satisfactory completion; (ii) Lender shall be satisfied that any operating deficits, including all scheduled payments of principal and interest under the Note, which will be incurred with respect to the Properties as a result of the occurrence of the Casualty, whichever the case may be, will be covered out of (1) the Net Proceeds, (2) the insurance coverage referred to in **Section 5.1.1(a)(ii)**, if applicable, or (3) by other funds of Borrower; (iii) Lender shall be satisfied that the Restoration will be completed on or before the earliest to occur of (1) the date six (6) months prior to the Stated Maturity Date, as extended pursuant to **Section 2.7**, (2) the earliest date required for such completion under the terms of any Lease, (3) such time as may be required under applicable Legal Requirements or (4) six (6) months prior to the expiration of the insurance coverage referred to in **Section 5.1.1(a)(ii)**; (iv) Borrower shall cause the affected Property and the use thereof after the Restoration to be in compliance with and permitted under all applicable Legal Requirements and such Property, after Restoration, shall be of the same character as prior to such damage or destruction; (v) the Restoration shall be done and completed by Borrower in an expeditious and diligent fashion and in compliance with all applicable Legal Requirements and the Renovation Standards; (vi) Borrower shall deliver, or cause to be delivered, to Lender a signed detailed budget approved in writing by Borrower's architect or engineer stating the entire cost of completing the Restoration, which budget shall be reasonably acceptable to Lender and (vii) the Net Proceeds together with any cash or cash equivalent deposited by Borrower with Lender are sufficient in Lender's discretion to cover the cost of the Restoration.

(ii) The Net Proceeds shall be held by Lender in the Casualty and Condemnation Account and, until disbursed in accordance with the provisions of this **Section 5.4(d)**, shall constitute additional security for the Debt and other obligations under the Loan Documents. The Net Proceeds shall be disbursed by Lender to, or as directed by, Borrower from time to time during the course of the Restoration, upon receipt of evidence satisfactory to Lender that (A) all materials installed and work and labor performed (except to the extent that they are to be paid for out of the requested disbursement) in connection with the Restoration have been paid for in full, and (B) there exist no notices of pendency, stop orders, mechanic's or materialman's liens or notices of intention to file same, or any other liens or encumbrances of any nature whatsoever on the Properties which have been fully bonded to the satisfaction of Lender and discharged of record or in the alternative fully insured to the satisfaction of Lender by the title company issuing the Title Insurance Policy.

(iii) All plans and specifications required in connection with the Restoration shall be subject to the prior approval of Lender and an independent consulting engineer selected by Lender (the "**Casualty Consultant**"). Lender shall have the use of the plans and specifications and all permits, licenses and approvals required or obtained in connection with the Restoration. The identity of the contractors, subcontractors and materialmen engaged in the Restoration, as well as the contracts under which they have been engaged, shall be subject to the approval of Lender and the Casualty Consultant. All costs and expenses incurred by Lender in connection with

recovering, holding and advancing the Net Proceeds for the Restoration including, without limitation, reasonable attorneys' fees and disbursements and the Casualty Consultant's fees and disbursements, shall be paid by Borrower.

(iv) In no event shall Lender be obligated to make disbursements of the Net Proceeds in excess of an amount equal to the costs actually incurred from time to time for work in place as part of the Restoration, as certified by the Casualty Consultant, less the Casualty Retainage. The term "**Casualty Retainage**" shall mean, as to each contractor, subcontractor or materialman engaged in the Restoration, an amount equal to ten percent (10%) of the costs actually incurred for work in place as part of the Restoration, as certified by the Casualty Consultant, until the Restoration has been completed. The Casualty Retainage shall in no event, and notwithstanding anything to the contrary set forth above in this **Section 5.4(d)**, be less than the amount actually held back by Borrower from contractors, subcontractors and materialmen engaged in the Restoration. The Casualty Retainage shall not be released until the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this **Section 5.4(b)** and that all approvals necessary for the re-occupancy and use of the Property have been obtained from all appropriate Governmental Authorities, and Lender receives evidence satisfactory to Lender that the costs of the Restoration have been paid in full or will be paid in full out of the Casualty Retainage; provided, however, that Lender will release the portion of the Casualty Retainage being held with respect to any contractor, subcontractor or materialman engaged in the Restoration as of the date upon which (x) the Casualty Consultant certifies to Lender that such contractor, subcontractor or materialman has satisfactorily completed all work and has supplied all materials in accordance with the provisions of such contractor's, subcontractor's or materialman's contract, (y) the contractor, subcontractor or materialman delivers the lien waivers and evidence of payment in full of all sums due to the contractor, subcontractor or materialman as may be reasonably requested by Lender or by the title company issuing the Title Insurance Policy, and (z) Lender receives an endorsement to the Title Insurance Policy insuring the continued priority of the Lien of the Mortgage and evidence of payment of any premium payable for such endorsement. If required by Lender, the release of any such portion of the Casualty Retainage shall be approved by the surety company, if any, which has issued a payment or performance bond with respect to the contractor, subcontractor or materialman.

(v) Lender shall not be obligated to make disbursements of the Net Proceeds more frequently than once every calendar month.

(vi) If at any time the Net Proceeds or the undisbursed balance thereof shall not, in the opinion of Lender in consultation with the Casualty Consultant, be sufficient to pay in full the balance of the costs which are estimated by the Casualty Consultant to be incurred in connection with the completion of the Restoration, Borrower shall deposit the deficiency (the "**Net Proceeds Deficiency**") with Lender (for deposit into the Casualty and Condemnation Account) before any further disbursement of the Net Proceeds shall be made. The Net Proceeds Deficiency deposited with Lender shall be deposited by Lender into the Casualty and Condemnation Account and shall be disbursed for costs actually incurred in connection with the Restoration on the same conditions applicable to the disbursement of the Net Proceeds, and until so disbursed pursuant to this **Section 5.4(d)** shall constitute additional security for the Obligations.

(vii) The excess, if any, of the Net Proceeds and the remaining balance, if any, of the Net Proceeds Deficiency deposited with Lender after the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this **Section 5.4(d)**, and the receipt by Lender of evidence satisfactory to Lender that all costs incurred in connection with the Restoration have been paid in full, shall be remitted by Lender to Borrower, provided no Event of Default shall have occurred and shall be continuing.

(e) All reasonable out-of-pocket costs and expenses incurred by Lender in connection with any Restoration including, without limitation, reasonable attorneys' fees and disbursements, shall be paid by Borrower.

(f) Notwithstanding anything to the contrary set forth in this Agreement, including the provisions of **Section 5.3** or **Section 5.4**, if the Loan is included in a REMIC Trust and, immediately following a release of any portion of the Lien of a Mortgage following a Casualty or Condemnation of a Property (but taking into account any proposed Restoration of the remaining portion of such Property), the ratio of the unpaid principal balance of the Loan to the value of the remaining Properties is greater than one hundred twenty-five percent (125%) (such value to be determined, in Lender's sole discretion, by any commercially reasonable method permitted to a REMIC Trust; and which shall exclude the value of personal property (other than fixtures) or going concern value, if any), the Outstanding Principal Balance must be paid down (by application of the Net Proceeds or Award, as applicable, or if such amounts are not sufficient, by Borrower) by a "qualified amount" as that term is defined in the IRS Revenue Procedure 2010-30, as the same may be amended, replaced, supplemented or modified from time to time, unless Lender receives an opinion of counsel that if such amount is not paid, the applicable Securitization will not fail to maintain its status as a REMIC Trust as a result of the related release of such portion of the Lien of such Mortgage. If and to the extent the preceding sentence applies, only such amount of the net Award or net Insurance Proceeds (as applicable), if any, in excess of the amount required to pay down the principal balance of the Loan may be released for purposes of Restoration or released to Borrower as otherwise expressly provided in **Section 5.3** or **Section 5.4**.

(g) In the event of foreclosure of a Mortgage, or other transfer of title to a Property or Properties in extinguishment in whole or in part of the Debt all right, title and interest of Borrower in and to the Policies that are not blanket Policies then in force concerning such Property or Properties and all proceeds payable thereunder shall thereupon vest in the purchaser at such foreclosure or Lender or other transferee in the event of such other transfer of title.

ARTICLE 6

CASH MANAGEMENT AND RESERVE FUNDS

Section 6.1 Cash Management Arrangements.

6.1.1 Rent Deposit Account and Collection Account. Borrower shall establish and maintain one or more trust accounts for the purpose of collecting Rents (each, a "**Rent**

Deposit Account”) at a local bank selected by Borrower and reasonably approved by Lender which shall be an Eligible Institution (the “**Rent Deposit Bank**”). The Rent Deposit Accounts shall be subject to a Property Account Control Agreement and Borrower and Manager shall have access to and may make withdrawals from any Rent Deposit Account for the sole purpose of making refunds of partial payments of Rents to preserve rights of eviction (as provided below) until the occurrence of an Event of Default, after which Lender may exercise sole control and dominion over each Rent Deposit Account and neither Borrower nor Manager shall have the right of withdrawal from or access to the Rent Deposit Accounts; *provided* that, for the avoidance of doubt, no Property Account Control Agreement shall be required with respect to Security Deposit Accounts. Borrower shall cause all Rents which are paid to or received by Borrower or Manager to be deposited into a Rent Deposit Account or the Collection Account, provided that all Rents are deposited into the Collection Account within three (3) Business Days after receipt thereof by Borrower or Manager. Borrower shall (or instruct Manager to) cause all funds on deposit in a Rent Deposit Account to be deposited into the Collection Account every third (3rd) Business Day (or more frequently in Borrower’s discretion), *provided*, that so long as no Event of Default exists, Borrower may cause Rent Deposit Bank to retain a reasonable amount of funds in the Rent Deposit Accounts (the “**Rent Deposit Account Retained Amount**”) with respect to anticipated overdrafts, charge-backs and refunds of partial payments of Rents to preserve rights of eviction, provided in no event shall the Rent Deposit Account Retained Amount exceed two and one-half percent (2.5%) of the total Rents deposited into the Rent Deposit Accounts during the immediately prior calendar month. Borrower shall cause any Rents which are paid to Borrower or Manager via wire or other electronic means to be deposited directly into a Rent Deposit Account or the Collection Account and, without limitation of the foregoing, Borrower shall notify and advise each current and future Tenant to send all payments of Rent pursuant to an instruction letter in the form of **Exhibit D** attached hereto (a “**Tenant Direction Letter**”). Without the consent of Lender, neither Borrower nor Manager shall terminate, amend, revoke or modify any Tenant Direction Letter in any manner whatsoever, or direct or cause any Tenant to pay any amount in any manner other than as provided in the related Tenant Direction Letter. In the event of any Transfer of any Property, Borrower shall (or shall cause the Manager or the closing title company or escrow agent, as applicable, to) deposit directly into the Collection Account the Net Transfer Proceeds for allocation in accordance with the terms of this Agreement. In addition, Borrower shall, and shall cause Manager to, deposit any other Collections received by or on behalf of Borrower directly into the Collection Account within three (3) Business Days following receipt thereof. Without in any way limiting the foregoing, any Rents and other Collections received by Borrower or Manager shall be deemed to be collateral for the Obligations and shall be held in trust for the benefit, and as the property, of Lender, and such amounts shall not be commingled with any other funds or property of Borrower or Manager. Lender may also establish subaccounts of the Collection Account which shall at all times be Eligible Accounts (and may be ledger or book entry accounts and not actual accounts) (such subaccounts are referred to herein as “**Accounts**”). The Collection Account and all other Accounts shall be subject to the Blocked Account Control Agreement and shall be under the sole control and dominion of Lender, and Borrower shall have no right of withdrawal therefrom. Neither Borrower nor Manager shall have the right of withdrawal with respect to the Collection Account or any Accounts except with the prior written consent of Lender, and neither Borrower, Manager, nor any Person claiming on or behalf of or through Borrower or Manager shall have any right or authority to give instructions with respect to the Collection Account or the Accounts. Borrower acknowledges and agrees that Collection Account Bank shall comply with (i) the instructions originated by Lender with respect to the disposition of funds in the Collection

Account and the Accounts without the further consent of Borrower or Manager or any other Person and (ii) all “entitlement orders” (as defined in Section 8-102(a) (8) of the UCC) and instructions originated by Lender directing the transfer or redemption of any financial asset relating to the Collection Account or any Account without further consent by Borrower or any other Person. The Collection Account and each Account is and shall be treated either as a “securities account”, as such term is defined in Section 8-501(a) of the UCC, or a “deposit account”, as defined in Section 9-102(a)(29) of the UCC. Borrower shall not further pledge, assign or grant any security interest in the Rent Deposit Accounts or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 financing statements, except those naming Lender as the secured party, to be filed with respect thereto. (a) Borrower shall pay all costs and expenses of Lender in connection with any Transfer, whether or not such Transfer is deemed to be a Permitted Transfer, including, without limitation, all fees and expenses of Lender's counsel, whether internal or outside, and the cost of any required counsel opinions related to REMIC or other securitization or tax issues and any Rating Agency fees.

(b) Borrower shall provide Lender with copies of all organizational documents and all transaction documents relating to any Permitted Transfer.

(c) In connection with any Permitted Transfer, to the extent a transferee shall own ten percent (10%) or more of the direct or indirect ownership interests in Borrower immediately following such transfer (provided such transferee owned less than ten percent (10%) of the direct or indirect ownership interests in Borrower as of the Closing Date), Borrower shall deliver (and Borrower shall be responsible for any reasonable out of pocket costs and expenses in connection therewith), customary searches reasonably requested by Lender in writing (including credit, judgment, lien, litigation, bankruptcy, criminal and watch list) reasonably acceptable to Lender with respect to such transferee.

Section 8.2 Remedies .

8.2.1 Acceleration . Upon the occurrence of an Event of Default (other than an Event of Default described in *clauses (vii) , (viii) or (ix) of Section 8.1*) and at any time thereafter, Lender may, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, take such action, without notice or demand (and Borrower hereby expressly waives any such notice or demand), that Lender deems advisable to protect and enforce its rights against any Relevant Party and in and to the Properties, including declaring the Obligations to be immediately due and payable, and Lender may enforce or avail itself of any or all rights or remedies provided in the Loan Documents against the Relevant Parties, including all rights or remedies available at law or in equity; and upon any Event of Default described in *clauses (vii) , (viii) or (ix) of Section 8.1* , the Obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable in full, without notice or demand, and the Loan Parties hereby expressly waives any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding.

8.2.2 Remedies Cumulative .

(a) During the continuance of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to Lender against each Relevant Party under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, a Relevant Party or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Obligations shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to the Collateral. The rights, powers and remedies of Lender under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against a Relevant Party pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued independently, singly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law or contract or as set forth herein or in the other Loan Documents or by equity. Without limiting the generality of the foregoing, if an Event of Default is continuing (i) Lender shall not be subject to any "one action" or "election of remedies" law or rule, and (ii) all Liens and other rights, remedies or privileges

provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Properties and the other Collateral and each Mortgage has been foreclosed, sold and/or otherwise realized upon in satisfaction of the Obligations or the Obligations have been paid in full including, without limitation, any liquidation fees, workout fees, special servicing fees and interest payable on advances made by the Servicer with respect to delinquent debt service payments or expenses of curing Borrower's or any Loan Party's defaults under the Loan Documents or other similar fees payable to Servicer or any special servicer in connection therewith. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to a Relevant Party shall not be construed to be a waiver of any subsequent Default or Event of Default by such Relevant Party or to impair any remedy, right or power consequent thereon.

(b) With respect to Borrower, the other Loan Parties and the Collateral, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to any Property or other portion of the Collateral for the satisfaction of any of the Debt in preference or priority to any other portion of the Collateral, and Lender may seek satisfaction out of all of the Collateral or any part thereof, in its absolute discretion in respect of the Debt. During the continuance of an Event of Default, Lender shall have the right from time to time to partially foreclose any Mortgage or the Lien of any of the other Collateral Documents in any manner and for any amounts secured by the Collateral Documents then due and payable as determined by Lender in its sole discretion, including the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal and interest, Lender may foreclose one or more of the Mortgages or other Collateral Documents to recover such delinquent payments, or (ii) in the event Lender elects to accelerate less than the entire Outstanding Principal Balance, Lender may foreclose one or more of the Mortgages or other Collateral Documents to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by the Mortgages and the other Collateral Documents as Lender may elect. Notwithstanding one or more partial foreclosures, the Collateral shall remain subject to the Mortgages and the other Collateral Documents to secure payment of the sums secured by the Collateral Documents and not previously recovered.

8.2.3 Severance .

(b) During the continuance of an Event of Default, Lender shall have the right from time to time to sever the Note and the other Loan Documents into one or more separate notes, Collateral Documents and other security documents in such denominations as Lender shall determine in its sole discretion for purposes of evidencing and enforcing its rights and remedies provided hereunder. The Loan Parties shall execute and deliver to Lender from time to time, promptly after the request of Lender, a severance agreement and such other documents as Lender shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Lender. The Loan Parties hereby absolutely and irrevocably appoint Lender as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect the aforesaid severance, Borrower ratifying all that its said attorney shall do by virtue thereof, *provided , however ,* Lender shall not make or execute any such documents under such power until three (3) days after notice has been given to a Loan Party by Lender of Lender's intent to exercise its rights under such power.

(c) During the continuance of an Event of Default, any amounts recovered from the Collateral may be applied by Lender toward the payment of any interest and/or principal of the Loan and/or any other amounts due under the Loan Documents, in such order, priority and proportions as Lender in its sole discretion shall determine.

(d) As used in this **Section 8.2**, a “foreclosure” shall include, without limitation, any sale by power of sale.

8.2.4 Lender’s Right to Perform. If any Loan Party fails to perform any covenant or obligation contained herein and such failure shall continue for a period of five (5) Business Days after Borrower’s receipt of written notice thereof from Lender, without in any way limiting Lender’s right to exercise any of its rights, powers or remedies as provided hereunder, or under any of the other Loan Documents, Lender may, but shall have no obligation to, perform, or cause the performance of, such covenant or obligation, and all costs, expenses, liabilities, penalties and fines of Lender incurred or paid in connection therewith shall be payable by Borrower to Lender upon demand and if not paid shall be added to the Obligations (and to the extent permitted under applicable laws, secured by the Mortgages and the other Collateral Documents) and shall bear interest thereafter at the Default Rate. Notwithstanding the foregoing, Lender shall have no obligation to send notice to Borrower of any such failure.

ARTICLE 9

SECURITIZATION

Section 9.1 Securitization .

(a) Lender shall have the right (i) to sell or otherwise transfer the Loan or any portion thereof as a whole loan, (ii) to sell participation interests in the Loan, or (iii) to securitize the Loan or any portion thereof in a single asset securitization or a pooled loan securitization. (The transactions referred to in **clauses (i)**, **(ii)** and **(iii)** are each hereinafter referred to as a “**Secondary Market Transaction**” and the transactions referred to in **clause (iii)** shall hereinafter be referred to as a “**Securitization**”. Any certificates, notes or other securities issued in connection with a Secondary Market Transaction are hereinafter referred to as “**Securities**”). At Lender’s election, each note and/or component comprising the Loan may be subject to one or more Secondary Market Transactions.

(b) If requested by Lender, the Loan Parties shall use reasonable efforts to provide information in the possession or control of Borrower or its Affiliates, attorneys, accountants or other agents or which may be reasonably required by Lender in order to satisfy the market standards to which Lender customarily adheres or which may be required in the marketplace, by prospective investors, the Rating Agencies, applicable Legal Requirements and/or otherwise in the marketplace in connection with any Secondary Market Transactions, including to:

(i) (A) provide updated financial and other information with respect to the Properties, the business operated at the Properties, Borrower, Sponsor and the

Manager, including, without limitation, the information set forth on *Exhibit C* attached hereto, and (B) provide updated budgets and other information (to extent required by investors or Rating Agencies) relating to the Properties (the “*Updated Information*”) which were obtained in connection with the origination of the Loan;

(ii) provide (A) an updated Insolvency Opinion, and (B) updated opinions of Borrower’s and Guarantors’ New York and Delaware counsel, substantially the same as those delivered as of the Closing Date, which opinions shall be addressed, for purposes or reliance thereon, to each Person acquiring any interest in the Loan in connection with any Secondary Market Transaction (including, without limitation, any “B Note” purchasers), or otherwise reasonably satisfactory to Lender and the Rating Agencies;

(iii) (A) confirm that as of the closing date of any Secondary Market Transaction, the representations and warranties as set forth in the Loan Documents are true, complete and correct in all material respects as of the closing date of the Secondary Market Transaction (except to the extent that any such representations and warranties are and can only be made as of a specific date and the facts and circumstances upon which such representation and warranty is based are specific solely to a certain date in which case confirmation as to truth, completeness and correctness shall be provided as of such specific date or to the extent such representations are no longer true and correct as a result of subsequent events in which case Borrower shall provide an updated representation or warranty) and (B) make such additional representations and warranties as the Rating Agencies may customarily require; and

(iv) execute amendments to the Loan Documents and the Loan Parties’ organizational documents requested by Lender; *provided*, *however*, that Borrower shall not be required to modify or amend any Loan Document if such modification or amendment would (A) cause the initial weighted average of the interest rates for all Components in the aggregate immediately after the effective date of such modification to exceed the weighted average interest rate of the original Components in the aggregate immediately prior to such modification, (B) cause the outstanding principal balance of all Components in the aggregate immediately after the effective date of such modification to exceed the outstanding principal balance of all Components in the aggregate immediately prior to such modification, (C) require Borrower to make or remake any representations or warranties, (D) require principal amortization of the Loan (other than repayment in full on the Maturity Date), (E) change any Stated Maturity Date or (F) otherwise increase the obligations or reduce the rights of Borrower or any Guarantor under the Loan Documents.

(c) If, at the time a Disclosure Document is being prepared for a Securitization, Lender reasonably determines that Borrower alone or Borrower and one or more Affiliates of Borrower (including any guarantor or other Person that is directly or indirectly committed by contract or otherwise to make payments on all or a part of the Loan) collectively, or the Properties alone or the Properties and Related Properties collectively, will be a Significant Obligor, Borrower shall furnish to Lender upon request the following financial information:

(i) if Lender reasonably determines that the principal amount of the Loan together with any Related Loans, as of the cut-off date for such Securitization, may

equal or exceed ten percent (10%) (but less than twenty percent (20%)) of the aggregate principal amount of all mortgage loans included or expected to be included in the Securitization, net operating income for the Properties and the Related Properties for the most recent Fiscal Year and interim period as required under Item 1112(b)(1) of Regulation AB (or, if the Loan is not treated as a non-recourse loan under Instruction 3 for Item 1101(k) of Regulation AB, selected financial data meeting the requirements and covering the time periods specified in Item 301 of Regulation S-K and Item 1112(b)(1) of Regulation AB), or

(ii) if Lender reasonably determines that the principal amount of the Loan together with any Related Loans, as of the cut-off date for such Securitization, may equal or exceed twenty percent (20%) of the aggregate principal amount of all mortgage loans included or expected to be included in the Securitization, the financial statements required under Item 1112(b)(2) of Regulation AB (which includes, but may not be limited to, a balance sheet with respect to the entity that Lender determines to be a Significant Obligor for the two most recent Fiscal Years and applicable interim periods, meeting the requirements of Rule 3-01 of Regulation S-X, and statements of income and statements of cash flows with respect to the Properties for the three most recent Fiscal Years and applicable interim periods, meeting the requirements of Rule 3-02 of Regulation S-X (or if Lender determines that the Properties is the Significant Obligor and the Properties (other than properties that are hotels, nursing homes, or other properties that would be deemed to constitute a business and not real estate under Regulation S-X or other legal requirements) was acquired from an unaffiliated third party and the other conditions set forth in Rule 3-14 of Regulation S-X have been met, the financial statements required by Rule 3-14 of Regulation S-X)).

(d) Further, if requested by Lender, Borrower shall, promptly upon Lender's request, furnish to Lender financial data or financial statements meeting the requirements of Item 1112(b)(1) or (2) of Regulation AB, as specified by Lender, for any Tenant of the Properties if, in connection with a Securitization, Lender reasonably determines there to be, as of the cutoff date for such Securitization, a concentration with respect to such Tenant or group of Affiliated Tenants within all of the mortgage loans included or expected to be included in the Securitization such that such Tenant or group of Affiliated Tenants would constitute a Significant Obligor. Borrower shall furnish to Lender, in connection with the preparation of the Disclosure Documents and on an ongoing basis, financial data and/or financial statements with respect to such Tenants meeting the requirements of Item 1112(b)(1) or (2) of Regulation AB, as specified by Lender, but only for so long as such entity or entities are a Significant Obligor and either (x) filings pursuant to the Exchange Act in connection with or relating to the Securitization (an "**Exchange Act Filing**") are required to be made under applicable Legal Requirements or (y) comparable information is required to otherwise be "available" to holders of the Securities under Regulation AB or applicable Legal Requirements.

(e) If Lender determines that Borrower alone or Borrower and one or more Affiliates of Borrower collectively, or the Properties alone or the Properties and Related Properties collectively, are a Significant Obligor, then Borrower shall furnish to Lender, on an ongoing basis, selected financial data or financial statements meeting the requirements of Item 1112(b)(1) or (2) of Regulation AB, as specified by Lender, but only for so long as such entity or entities are a Significant Obligor and either (x) Exchange Act Filings are required to be made under applicable Legal Requirements or (y) comparable information is required to otherwise be "available" to holders of the Securities under Regulation AB or applicable Legal Requirements.

(f) If reasonably requested by Lender, Borrower shall provide Lender, within a reasonable period of time following Lender's request therefor, with any other or additional financial statements, or financial, statistical or operating information, as Lender shall reasonably determine to be required pursuant to Regulation S-K or Regulation S-X, as applicable, Regulation AB, or any amendment, modification or replacement thereto or other Legal Requirements relating to a Securitization or as shall otherwise be reasonably requested by Lender.

Section 9.2 Securitization Indemnification .

(a) Borrower understands that information provided to Lender by Borrower, the Guarantors and their respective agents, counsel and representatives may be included in preliminary and final disclosure documents in connection with any Secondary Market Transaction, including a Securitization, including an offering circular, a prospectus, prospectus supplement, private placement memorandum or other offering document (each, a "**Disclosure Document**") and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the "**Securities Act**"), or the Securities and Exchange Act of 1934, as amended (the "**Exchange Act**"), and may be made available to investors or prospective investors in the Securities, investment banking firms, NRSROs, accounting firms, law firms and other third-party advisory and service providers relating to any Secondary Market Transaction, including a Securitization. Borrower also understands that the findings and conclusions of any third-party due diligence report obtained by Lender, Issuer or the Securitization placement agent or underwriter may be made publicly available if required, and in the manner prescribed, by Section 15E(s)(4)(A) of the Exchange Act and any rules promulgated thereunder.

(b) Borrower hereby agrees to indemnify Lender (and for purposes of this **Section 9.2**, Lender shall include the initial lender, its successors and assigns, and their respective officers and directors) and each Person who controls Lender within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the "**Lender Group**"), the issuer of the Securities (the "**Issuer**" and for purposes of this **Section 9.2**, Issuer shall include its officers, director and each Person who controls the Issuer within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act), and any placement agent or underwriter with respect to the Securitization, each of their respective officers and directors and each Person who controls the placement agent or underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the "**Underwriter Group**") for any losses, claims, damages or liabilities (collectively, the "**Liabilities**") to which Lender, Lender Group, the Issuer or the Underwriter Group may become subject insofar as the Liabilities arise out of, or are based upon, (A) any untrue statement or alleged untrue statement of any material fact contained in the Covered Disclosure Information (defined below), (B) the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated in such information or necessary in order to make the statements in such information, in light of the circumstances under which they were made, not misleading, or (C) a breach of the representations and warranties made by any Loan Party in **Section 3.1.24** of this Agreement (Full and Accurate Disclosure). For purposes of the foregoing, the "**Covered Disclosure Information**" shall mean the information provided by or on behalf of Borrower relating to Borrower,

Guarantors, Manager, Sponsor, the Properties and the Loan which is contained in the sections of the Disclosure Documents entitled as follows, or comparable sections thereto: "Summary of the Offering Circular," "Risk Factors," "Description of the Relevant Parties and the Manager," "Description of the Properties", "Description of the Management Agreement and the Assignment and Subordination of Management Agreement," "Description of the Loan," and "Certain Legal Aspects of the Loan", which Disclosure Documents shall be delivered for review and comment by Borrower not less than five (5) Business Days prior to the date upon which Borrower is otherwise required to confirm such Disclosure Documents. Borrower also agrees to reimburse Lender, Lender Group, the Issuer and/or the Underwriter Group for any legal or other expenses reasonably incurred by Lender, Lender Group, the Issuer and/or the Underwriter Group in connection with investigating or defending the Liabilities. This indemnification provision will be in addition to any liability which Borrower may otherwise have.

(c) In connection with any Exchange Act Filing or other reports containing comparable information that is required to be made "available" to holders of the Securities under Regulation AB or applicable Legal Requirements, Borrower agrees to (i) indemnify Lender, Lender Group, the Issuer and the Underwriter Group for Liabilities to which Lender, Lender Group, the Issuer and/or the Underwriter Group may become subject insofar as the Liabilities arise out of, or are based upon any untrue statement or alleged untrue statement of any material fact in the Covered Disclosure Information, or the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading, and (ii) reimburse Lender, Lender Group, the Issuer and/or the Underwriter Group for any legal or other expenses reasonably incurred by Lender, Lender Group, the Issuer and/or the Underwriter Group in connection with defending or investigating the Liabilities.

(d) Promptly after receipt by an indemnified party under this **Section 9.2** of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this **Section 9.2**, notify the indemnifying party in writing of the commencement thereof, but the omission to so notify the indemnifying party will not relieve the indemnifying party from any liability which the indemnifying party may have to any indemnified party under **Section 9.2(b)** or **(c)** except to the extent that failure to notify causes prejudice to the indemnifying party. In the event that any action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel satisfactory to such indemnified party. After notice from the indemnifying party to such indemnified party pursuant to the immediately preceding sentence of this **Section 9.2(d)**, such indemnifying party shall pay for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation; *provided, however*, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there are any legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on

behalf of such indemnified party at the cost of the indemnifying party. The indemnifying party shall not be liable for the expenses of more than one separate counsel unless an indemnified party shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to the indemnifying party. Without the prior written consent of Lender (which consent shall not be unreasonably withheld or delayed), no indemnifying party shall settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought hereunder (whether or not any indemnified party is an actual or potential party to such claim, action, suit or proceeding) unless the indemnifying party shall have given Lender reasonable prior written notice thereof and shall have obtained an unconditional release of each indemnified party hereunder from all liability arising out of such claim, action, suit or proceedings, and such settlement requires no statement as to, or an admission of, fault, culpability or a failure to act, by or on behalf of the indemnified party.

(e) In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in **Section 9.2(b)** or **(c)** is for any reason held to be unenforceable as to an indemnified party in respect of any Liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under **Section 9.2(b)** or **(c)**, the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such Liabilities (or action in respect thereof); *provided, however*, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) the Issuer's and Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; and (iii) any other equitable considerations appropriate in the circumstances. Lender and Borrower hereby agree that it would not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.

(f) The liabilities and obligations of both Borrower and Lender under this **Section 9.2** shall survive the termination of this Agreement and the satisfaction and discharge of the Debt.

Section 9.3 Severance.

9.3.1 Severance Documentation. Lender, without in any way limiting Lender's other rights hereunder, in its sole and absolute discretion, shall have the right, at any time (whether prior to or after any sale, participation or other Secondary Market Transaction with respect to all or any portion of the Loan), to require Borrower (at Lender's expense) to execute and deliver "component" notes (including certificating existing uncertificated "component" notes) and/or modify the Loan or the existing "component note" structure in order to create one or more senior and subordinate notes (i.e., an A/B or A/B/C structure) and/or one or more additional components of the Note or Notes), or make any other change to the Loan, the Note or Components including but not limited to: reducing the number of Components of the Note or Notes, revising the interest rate for each Component, reallocating the principal balances of the Notes and/or the Components, increasing or decreasing the monthly debt service payments for each Component or eliminating the Component structure and/or the multiple note structure of the Loan (including the elimination of the related allocations of principal and interest payments);

provided that (A) the outstanding principal balance of all Components in the aggregate immediately after the effective date of such modification equals the outstanding principal balance immediately prior to such modification, (B) the initial weighted average of the interest rates for all Components in the aggregate immediately after the effective date of such modification equals the weighted average interest rate of the original Components immediately prior to such modification, (C) no principal amortization of the Loan (or any Components thereof) shall be required (other than repayment in full on the Maturity Date), (D) there shall be no change to any Stated Maturity Date and (E) Borrower and Guarantors shall not be required to amend any Loan Documents that would otherwise increase the obligations or reduce the rights of Borrower or Guarantors under the Loan Documents. At Lender's election, each note comprising the Loan may be subject to one or more Secondary Market Transactions. Lender shall have the right to modify the Note and/or Notes and any Components in accordance with this **Section 9.3** and, provided that such modification shall comply with the terms of this **Section 9.3**, it shall become immediately effective.

9.3.2 Cooperation; Execution; Delivery. Borrower shall reasonably cooperate with all reasonable requests of Lender in connection with this **Section 9.3**. If requested by Lender, Borrower shall promptly execute and deliver such documents as shall be required by Lender and any Rating Agency in connection with any modification pursuant to this **Section 9.3**, all in form and substance satisfactory to Lender and satisfactory to any applicable Rating Agency. It shall be an Event of Default under this Agreement, the Note, and the other Loan Documents if Borrower fails to comply with any of the terms, covenants or conditions of this **Section 9.3** after expiration of ten (10) Business Days after notice thereof.

ARTICLE 10

MISCELLANEOUS

Section 10.1 Survival; Successors and Assigns. This Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by Lender of the Loan and the execution and delivery to Lender of the Note, and shall continue in full force and effect so long as all or any of the Obligations are outstanding and unpaid unless a longer period is expressly set forth herein or in the other Loan Documents. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the legal representatives, successors and assigns of such party. All covenants, promises and agreements in this Agreement, by or on behalf of Borrower and the other Loan Parties, shall inure to the benefit of the legal representatives, successors and assigns of Lender.

Section 10.2 Lender's Discretion; Rating Agency Review Waiver.

(a) Whenever pursuant to this Agreement Lender exercises any right given to it to approve or disapprove any matter, or any arrangement or term is to be satisfactory to Lender, the decision of Lender to approve or disapprove such matter or to decide whether arrangements or terms are satisfactory or not satisfactory shall (except as is otherwise specifically herein provided) be in the sole discretion of Lender and shall be final and conclusive. Prior to a Securitization, whenever pursuant to this Agreement the Rating Agencies are given any right to approve or disapprove any matter, or any arrangement or term is to be satisfactory to the Rating Agencies, the decision of Lender to approve or disapprove such matter or to decide whether arrangements or terms are satisfactory or not satisfactory, based upon Lender's determination of Rating Agency criteria, shall be substituted therefor.

(b) Whenever, pursuant to this Agreement or any other Loan Documents, a Rating Agency Confirmation is required from each applicable Rating Agency, in the event that any applicable Rating Agency “declines review”, “waives review” or otherwise indicates to Lender’s or Servicer’s satisfaction that no Rating Agency Confirmation will or needs to be issued with respect to the matter in question (each, a “*Review Waiver*”), then the requirement to obtain a Rating Agency Confirmation from such Rating Agency shall not apply with respect to such matter; *provided, however*, if a Review Waiver occurs with respect to a Rating Agency and Lender does not have a separate and independent approval right with respect to the matter in question, then such matter shall require the written reasonable approval of Lender. It is expressly agreed and understood, however, that receipt of a Review Waiver (i) from any one Rating Agency shall not be binding or apply with respect to any other Rating Agency and (ii) with respect to one matter shall not apply or be deemed to apply to any subsequent matter for which Rating Agency Confirmation is required.

In particular, and not by way of limitation, by accepting payment after the due date of any amount payable under this Agreement or any other Loan Document, Lender shall not be deemed to have waived any right either to require prompt payment when due of all other amounts due under this Agreement or the other Loan Documents, or to declare a default for failure to effect prompt payment of any such other amount. Lender shall have the right to waive or reduce any time periods that Lender is entitled to under the Loan Documents in its sole and absolute discretion.

EACH PARTY IS HEREBY AUTHORIZED TO FILE A COPY OF THIS PARAGRAPH IN ANY PROCEEDING AS CONCLUSIVE EVIDENCE OF THIS WAIVER.

Section 10.7 Headings, Schedules and Exhibits. The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose. The Schedules and Exhibits annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

Section 10.8 Severability. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

Section 10.9 Preferences. Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by Borrower to any portion of the Obligations of Borrower hereunder. To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of

such payment or proceeds received, the Obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

Section 10.10 Waiver of Notice. Borrower shall not be entitled to any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. Borrower hereby expressly waives the right to receive any notice from Lender with respect to any matter for which this Agreement or the other Loan Documents do not specifically and expressly provide for the giving of notice by Lender to Borrower. Except as specifically and expressly provided for in the Loan Documents, Guarantors shall not be entitled to any notices of any nature whatsoever from Lender under this Agreement or the other Loan Documents, and each Guarantor hereby expressly waives the right to receive any notice from Lender with respect to any matter for which this Agreement or the other Loan Documents do not specifically and expressly provide for the giving of notice by Lender to such Guarantor.

Section 10.11 Remedies of Borrower. In the event that a claim or adjudication is made that Lender or its agents have acted unreasonably or unreasonably delayed acting in any case where, by law or under this Agreement or the other Loan Documents, Lender or such agent, as the case may be, has an obligation to act reasonably or promptly, neither Lender nor its agents shall be liable for any monetary damages and Borrower's sole remedy shall be limited to commencing an action seeking injunctive relief or declaratory judgment. Any action or proceeding to determine whether Lender has acted reasonably shall be determined by an action seeking declaratory judgment.

Section 10.12 Offsets, Counterclaims and Defenses. Any assignee of Lender's interest in and to this Agreement and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

Section 10.13 No Joint Venture or Partnership; No Third Party Beneficiaries.

(a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in any Property other than that of beneficiary or lender.

(b) The Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in any Loan Document shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained therein.

Section 10.14 Publicity. All news releases, publicity or advertising by Borrower or any of its Affiliates through any media intended to reach the general public which refers to the Loan Documents or the financing evidenced by the Loan Documents, to Lender (with respect to the Loan and the Securitization of the Loan only), the Affiliate of Lender that acts as the issuer with respect to a Securitization or any of their other Affiliates (in each case, with respect to the Loan and the Securitization of the Loan only) (a) shall be prohibited prior to the final Securitization of the Loan and (b) after the final Securitization of the Loan, shall be subject to the prior written approval of Lender. Lender shall have the right to publicly describe the Loan in general terms advertising and public communications of all kinds, including press releases, direct mail, newspapers, magazines, journals, e-mail, or internet advertising or communications. Notwithstanding the foregoing, Borrower's approval shall not be required for the publication by Lender of notice of the Loan and the Securitization of the Loan by means of a customary tombstone advertisement, which, for the avoidance of doubt, may include the amount of the Loan, the amount of securities sold, the number of Properties as of the Closing Date, the settlement date and the parties involved in the transactions contemplated hereby and the Securitization.

Section 10.15 Waiver of Marshalling of Assets. To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's members or partners, as applicable, and others with interests in Borrower, and of the Collateral, and shall not assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Collateral for the collection of the Obligations without any prior or different resort for collection, or of the right of Lender to the payment of the Obligations out of the net proceeds of the Collateral in preference to every other claimant whatsoever.

Section 10.16 Certain Waivers. Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or its agents or otherwise to offset any obligations to make the payments required by the Loan Documents. No failure by Lender to perform any of its obligations hereunder shall be a valid defense to, or result in any offset against, any payments which Borrower is obligated to make under any of the Loan Documents. Without limiting any of the other provisions contained herein, Borrower hereby unconditionally and irrevocably waives, to the maximum extent not prohibited by applicable law, any rights it may have to claim or recover against Lender in any legal action or proceeding any special, exemplary, punitive or consequential damages.

Section 10.17 Conflict; Construction of Documents; Reliance. In the event of any conflict between the provisions of this Agreement and any of the other Loan Documents, the provisions of this Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan, without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under

any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

Section 10.18 Brokers and Financial Advisors. Borrower hereby represents that neither Borrower or any other Loan Party has dealt with any financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement. Borrower shall indemnify, defend and hold Lender harmless from and against any and all claims, liabilities, losses, costs and expenses of any kind (including Lender's attorneys' fees and expenses) in any way relating to or arising out of a claim by any Person that such Person acted on behalf of Borrower, any Loan Party or Lender in connection with the transactions contemplated herein. The provisions of this **Section 10.18** shall survive the expiration and termination of this Agreement and the payment of the Obligations.

Section 10.19 Prior Agreements. This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto and their respective affiliates in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, including any confidentiality agreements or any similar agreements between or among any such parties, whether oral or written, are superseded by the terms of this Agreement and the other Loan Documents.

Section 10.20 Servicer. At the option of Lender, the Loan may be serviced by a servicer or special servicer (the "**Servicer**") selected by Lender and Lender may delegate all or any portion of its responsibilities under this Agreement and the other Loan Documents to the Servicer pursuant to the trust and servicing agreement or pooling and servicing agreement (the "**Servicing Agreement**") governing the Securitization. Borrower shall not be responsible for any set-up fees or any other initial costs relating to or arising under the Servicing Agreement. Borrower shall not be responsible for payment of the monthly master servicing fee due to the Servicer under the Servicing Agreement. Notwithstanding the foregoing, Borrower shall pay all Trust Fund Expenses. For the avoidance of doubt, this **Section 10.20** shall not be deemed to limit Borrower's obligations under **Section 4.1.20**.

Section 10.21 Joint and Several Liability. If more than one Person has executed this Agreement as "Borrower," the representations, covenants, warranties and obligations of all such Persons hereunder shall be joint and several.

Section 10.22 Creation of Security Interest. Notwithstanding any other provision set forth in this Agreement, the Note, the Mortgage Documents or any of the other Loan Documents, Lender may at any time create a security interest in all or any portion of its rights under this Agreement, the Note, the Mortgage Documents and any other Loan Document (including the advances owing to it) in favor of any Federal Reserve Bank in accordance with Regulation A of the Board of Governors of the Federal Reserve System.

Section 10.23 Assignments and Participations. In addition to the right to securitize the Loan under **Section 9.1**, to sever the interests in the Loan into "component" notes under **Section 9.3**

and any other rights of Lender hereunder, the Loan, the Note, the Loan Documents and/or Lender's rights, title, obligations and interests therein may be sold, assigned, participated or otherwise transferred by Lender and any of its successors and assigns to any Person at any time in its sole and absolute discretion, in whole or in part, whether by operation of law (pursuant to a merger or other successor in interest) or otherwise without notice to or consent from Borrower or any other Person. Upon such assignment, all references to Lender in this Agreement and in any Loan Document shall be deemed to refer to such assignee or successor in interest and such assignee or successor in interest shall thereafter stand in the place of Lender in all respects (subject to the requirements and limitations therein, including the requirements under **Section 2.10.6**). Borrower agrees that each beneficial owner of the Securities or component notes issued pursuant to **Sections 9.1** and **9.3** shall be entitled to the benefits of **Sections 2.9** and **2.10** (subject to the requirements and limitations therein, including the requirements under **Section 2.10.6**). Each participant shall be entitled to the benefits of **Sections 2.9** and **2.10** (subject to the requirements and limitations therein, including the requirements under **Section 2.10.6**, it being understood that the documentation required under **Section 2.10.6** shall be delivered to the participating Lender) to the same extent as if it were a Lender and had acquired its interest by assignment; provided that such participant shall not be entitled to receive any greater payment pursuant to **Sections 2.9** or **Section 2.10** than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a change in law that occurs after the participant acquired the applicable participation.

Section 10.24 Register and Participant Register. Lender or its designee (the "**Registrar**"), as a non-fiduciary agent of Borrower, shall maintain a record that identifies each owner (including successors and assignees) of an interest in the Loan, any Securities or any component notes, including the name and address of the owner, and each owner's rights to principal and stated interest (the "**Register**"), and shall record all transfers of an interest in the Loan, any Securities or any component notes, including each assignment, in the Register. Transfers of interests in the Loan (including assignments), any Securities or any component notes shall be subject to the applicable conditions set forth in the Loan Documents with respect thereto and the Registrar will update the Register to reflect the transfer. The Register shall be available for inspection by Borrower, at any reasonable time and from time to time upon reasonable prior notice. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph. Furthermore, each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts and stated interest of each participant's interest in the Loan or other obligations under the Loan Documents (the "**Participant Register**"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any participant or any information relating to a participant's interest) except to the extent that such disclosure is necessary to establish that such Loan or other obligation is in registered form under Section 5f.103-1(c) of the U.S. Department of Treasury regulations. The entries in the Register and Participant Register shall be conclusive absent manifest error. Borrower, Lender and any of its successors and assigns, and the Registrar shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement and the participating Lender shall treat each Person whose name is recorded in the Participant Register pursuant to the terms hereof as the owner of such participation for all purposes of this Agreement. Failure to make any such recordation, or any error in such recordation, however, shall not affect Borrower's obligations in respect of the Loan.

Section 10.25 Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument.

Section 10.26 Set-Off. In addition to any rights and remedies of Lender provided by this Agreement and by law, Lender shall have the right in its sole discretion, without prior notice to Borrower, any such notice being expressly waived by Borrower to the extent permitted by applicable law, upon any amount becoming due and payable by Borrower hereunder (whether at the stated maturity, by acceleration or otherwise), to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by Lender or any Affiliate thereof to or for the credit or the account of Borrower; provided however, Lender may only exercise such right during the continuance of an Event of Default. Lender agrees promptly to notify Borrower after any such set-off and application made by Lender; provided that the failure to give such notice shall not affect the validity of such set-off and application.

Section 10.27 Cross-Default; Cross-Collateralization; Waiver of Marshalling of Assets.

(a) Borrower acknowledge that Lender has made the Loan to Borrower upon, among other things, the security of its collective interest in the Properties and in reliance upon the aggregate of the Properties taken together being of greater value as collateral security than the sum of each Property taken separately. Borrower agrees that the Mortgages are and will be cross-collateralized and cross-defaulted with each other so that (i) an Event of Default under any of the Mortgages shall constitute an Event of Default under each of the other Mortgages which secure the Note; (ii) an Event of Default under the Note or this Agreement shall constitute an Event of Default under each Mortgage; (iii) each Mortgage shall constitute security for the Note as if a single blanket lien were placed on all of the Properties as security for the Note; and (iv) such cross-collateralization shall in no event be deemed to constitute a fraudulent conveyance.

(b) To the fullest extent permitted by law, Borrower for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's partners or members and of the Properties, or to a sale in inverse order of alienation in the event of foreclosure of all or any of the Mortgages, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Properties for the collection of the Debt without any prior or different resort for collection or of the right of Lender to the payment of the Debt out of the net proceeds of the Properties in preference to every other claimant whatsoever. In addition, Borrower, for itself and its successors and assigns, waives in the event of foreclosure of any or all of the Mortgages, any equitable right otherwise available to Borrower which would require the separate sale of the Properties or require Lender to exhaust its remedies against any Property or any combination of the Properties before proceeding against

any other Property or combination of Properties; and further in the event of such foreclosure Borrower does hereby expressly consents to and authorizes, at the option of Lender, the foreclosure and sale either separately or together of any combination of the Properties

Section 10.28 Certificated Interests.

(a) If any ownership interest in an Equity Interest is represented by a certificate (each, an “*Equity Certificate*”) that has been pledged and delivered to Lender and such Equity Certificate is lost, stolen or destroyed, then, upon the written request of Lender to the applicable Loan Party, such Loan Party shall issue to Lender a new Equity Certificate in place of the Equity Certificate that was lost, stolen or destroyed, provided such Lender: (i) makes proof by written, notarized affidavit, in form and substance reasonably satisfactory to the applicable Loan Party that such previously issued Equity Certificate has been lost, stolen or destroyed and has not been assigned, endorsed, transferred or hypothecated, (ii) delivers a written indemnity (in form and substance and from an indemnitor reasonably satisfactory to the applicable Loan Party) to the extent required by any title company proposing to provide title insurance with respect to such Equity Certificate and (iii) requests the issuance of a new Equity Certificate before the Loan party has notice that such previously issued Equity Certificate has been acquired by a purchaser for value in good faith and without notice of an adverse claim.

(b) Upon repayment in full of the Loan, in the event Lender fails to return to a Loan Party an Equity Certificate previously delivered by such Loan Party to Lender in connection with the Loan, Lender shall deliver to the applicable Loan Party, within ten (10) days of such Loan Party’s demand, (i) a written, notarized affidavit, in form and substance reasonably satisfactory to the applicable Loan Party that such previously issued Equity Certificate has been lost, stolen or destroyed and has not been assigned, endorsed, transferred or hypothecated and (ii) a written indemnity (in form and substance and from an indemnitor reasonably satisfactory to the applicable Loan Party) to the extent required by any title company proposing to provide title insurance with respect to such Equity Certificate.

Section 10.29 Exculpation of Lender. Lender neither undertakes nor assumes any responsibility or duty to Borrower or any other party to select, review, inspect, examine, supervise, pass judgment upon or inform Borrower or any third party of (a) the existence, quality, adequacy or suitability of Broker Price Opinions of the Properties or other Collateral, (b) any environmental report, or (c) any other matters or items, including property inspections that are contemplated in the Loan Documents. Any such selection, review, inspection, examination and the like, and any other due diligence conducted by Lender, is solely for the purpose of protecting Lender’s rights under the Loan Documents, and shall not render Lender liable to Borrower or any third party for the existence, sufficiency, accuracy, completeness or legality thereof.

Section 10.30 No Fiduciary Duty.

(a) Borrower acknowledges that, in connection with this Agreement, the other Loan Documents and the Transaction, Lender has relied upon and assumed the accuracy and completeness of all of the financial, legal, regulatory, accounting, tax and other information provided to, discussed with or reviewed by Lender for such purposes, and Lender does not assume any liability therefor or responsibility for the accuracy, completeness or independent verification thereof. Lender, its affiliates and their respective equityholders and employees (for

purposes of this Section, the “ *Lending Parties* ”) have no obligation to conduct any independent evaluation or appraisal of the assets or liabilities (including any contingent, derivative or off-balance sheet assets and liabilities) of Sponsor, Borrower or any other Person or any of their respective affiliates or to advise or opine on any related solvency or viability issues.

(b) It is understood and agreed that (i) the Lending Parties shall act under this Agreement and the other Loan Documents as an independent contractor, (ii) the Transaction is an arm’s-length commercial transaction between the Lending Parties, on the one hand, and Borrower, on the other, (iii) each Lending Party is acting solely as principal and not as the agent or fiduciary of Borrower, Sponsor or their respective affiliates, stockholders, employees or creditors or any other Person and (iv) nothing in this Agreement, the other Loan Documents, the Transaction or otherwise shall be deemed to create (A) a fiduciary duty (or other implied duty) on the part of any Lending Party to Sponsor, Borrower, any of their respective affiliates, stockholders, employees or creditors, or any other Person or (B) a fiduciary or agency relationship between Sponsor, Borrower or any of their respective affiliates, stockholders, employees or creditors, on the one hand, and the Lending Parties, on the other. Borrower agrees that neither it nor Sponsor nor any of their respective affiliates shall make, and hereby waives, any claim against the Lending Parties based on an assertion that any Lending Party has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to Borrower, Sponsor or their respective affiliates, stockholders, employees or creditors. Nothing in this Agreement or the other Loan Documents is intended to confer upon any other Person (including affiliates, stockholders, employees or creditors of Borrower and Sponsor) any rights or remedies by reason of any fiduciary or similar duty.

(c) Borrower acknowledges that it has been advised that the Lending Parties are a full service financial services firm engaged, either directly or through affiliates in various activities, including securities trading, investment banking and financial advisory, investment management, principal investment, hedging, financing and brokerage activities and financial planning and benefits counseling for both companies and individuals. In the ordinary course of these activities, the Lending Parties may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and/or financial instruments (including loans) for their own account and for the accounts of their customers and may at any time hold long and short positions in such securities and/or instruments. Such investment and other activities may involve securities and instruments of affiliates of Borrower, including Sponsor, as well as of other Persons that may (i) be involved in transactions arising from or relating to the Transaction, (ii) be customers or competitors of Borrower, Sponsor and/or their respective affiliates, or (iii) have other relationships with Borrower, Sponsor and/or their respective affiliates. In addition, the Lending Parties may provide investment banking, underwriting and financial advisory services to such other Persons. The Lending Parties may also co-invest with, make direct investments in, and invest or co-invest client monies in or with funds or other investment vehicles managed by other parties, and such funds or other investment vehicles may trade or make investments in securities of affiliates of Borrower, including Sponsor, or such other Persons. The Transaction may have a direct or indirect impact on the investments, securities or instruments referred to in this *Section 10.30(c)* . Although the Lending Parties in the course of such other activities and relationships may acquire information about the Transaction or other Persons that may be the subject of the Transaction, the Lending Parties shall have no obligation to disclose such information, or the fact that the Lending Parties are in possession of such information, to Borrower, Sponsor or any of their respective affiliates or to use such information on behalf of Borrower, Sponsor or any of their respective affiliates.

(d) Borrower acknowledges and agrees that Borrower has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to this Agreement, the other Loan Documents, the Transaction and the process leading thereto.

Section 10.31 Arizona Provision. Anything to the contrary herein or elsewhere notwithstanding, in no event shall Borrower have any liability or other obligation under or with respect to the Sponsor Guaranty, the Equity Owner Guaranty or the Borrower GP Guaranty. The following Arizona provision does not limit the express choice of New York law as set forth in **Section 10.3** of this Agreement and the other Loan Documents. If and to the extent that, notwithstanding the choice of law provisions contained in this Agreement and the other Loan Documents, Arizona law is held to govern this Agreement, any Mortgage Document encumbering a Property located in Arizona or any other Loan Document:

(b) Anything to the contrary herein or elsewhere notwithstanding, the Equity Owner Guaranty and the Sponsor Guaranty and all obligations arising under any of them are not and shall not be secured in any manner whatsoever, including by any Mortgage or by any lien encumbering any Property; **provided, however**, that any environmental indemnity provisions set forth in this Agreement or any Environmental Indemnity shall be so secured, except as to the obligations of Sponsor and the Equity Owner and subject to the rights of Lender to proceed on an unsecured basis thereunder pursuant to applicable law.

Section 10.32 California Provision. Anything to the contrary herein or elsewhere notwithstanding, in no event shall Borrower have any liability or other obligation under or with respect to the Sponsor Guaranty, the Equity Owner Guaranty or the Borrower GP Guaranty. The following California provisions do not limit the express choice of New York law as set forth in **Section 10.3** of this Agreement and the other Loan Documents. If and to the extent that, notwithstanding the choice of law provisions contained in this Agreement and the other Loan Documents, California law is held to govern this Agreement, any Mortgage Document encumbering a Property located in California or any other Loan Document:

(a) **Waiver of Offset.** Notwithstanding anything contained herein to the contrary, no portion of any of the Obligations shall be or be deemed to be offset or compensated by all or any part of any claim, cause of action, counterclaim, or cross-claim, whether liquidated or unliquidated, that Borrower may have or claim to have against any other Relevant Party. Borrower hereby waives, to the fullest extent permitted by applicable law, the benefits of California Code of Civil Procedure Section 431.70.

(b) **Insurance Notice**. Lender hereby notifies Borrower of the provisions of Section 2955.5(a) of the California Civil Code, which reads as follows:

“No lender shall require a borrower, as a condition of receiving or maintaining a loan secured by real property, to provide hazard insurance coverage against risks to the improvements on that real property in an amount exceeding the replacement value of the improvements on the property.”

This disclosure is being made by Lender to Borrower pursuant to Section 2955.5(b) of the California Civil Code. Borrower hereby acknowledges receipt of this disclosure and acknowledges that this disclosure has been made by Agent before execution of the Note.

(c) **Environmental Provisions**. The provisions contained in *Section 3.2.18* of this Agreement are intended by the parties to constitute “environmental provisions” as defined in California Code of Civil Procedure Section 736, and Lender shall have all rights and remedies provided in such section.

(d) **Access to Properties**. Lender’s rights under *Section 4.1.4* of this Agreement shall be deemed to include, without limitation, its rights under California Civil Code Section 2929.5, as such provisions may be amended from time to time.

Section 10.33 Florida Provision. The following Florida provision does not limit the express choice of New York law as set forth in *Section 10.3* of this Agreement and the other Loan Documents. If and to the extent that, notwithstanding the choice of law provisions contained in this Agreement and the other Loan Documents, Florida law is held to govern this Agreement, any Mortgage Document encumbering a Property located in Florida or any other Loan Document:

(a) **Interest on Judgments**. The parties acknowledge and agree that the Default Rate provided for herein shall also be the rate of interest payable on any judgments entered in favor of Lender in connection with the loan evidenced hereby.

Section 10.34 Georgia Provision. The following Georgia provision does not limit the express choice of New York law as set forth in *Section 10.3* of this Agreement and the other Loan Documents. If and to the extent that, notwithstanding the choice of law provisions contained in this Agreement and the other Loan Documents, Georgia law is held to govern this Agreement, any Mortgage Document encumbering a Property located in Georgia or any other Loan Document:

(a) **Attorney’s Fees**. Notwithstanding anything contained in this Agreement or any other Loan Document, in any instance where Borrower or any other Relevant Party is required to reimburse Lender for any legal fees or expenses incurred by Lender or Servicer, (i) “reasonable attorneys’ fees,” “reasonable counsel’s fees,” “attorneys’ fees” and other words of similar import, are not, and shall not be statutory attorneys’ fees under O.C.G.A. § 13-1-11, (ii) if, under any circumstances a Relevant Party is required to pay any or all of Lender’s or Servicer’s attorneys’ fees and expenses, howsoever described or referenced, such Relevant Party shall be responsible only for reasonable legal fees and out of pocket expenses actually incurred by Lender or Servicer at customary hourly rates actually charged to Lender or Servicer for the work done, and (iii) no Relevant Party shall be liable under any circumstances for additional attorneys’ fees or expenses, howsoever described or referenced, under O.C.G.A. § 13-1-11.

Section 10.35 Nevada Provisions. The following Nevada provisions do not limit the express choice of New York law as set forth in **Section 10.3** of this Agreement and the other Loan Documents. If and to the extent that, notwithstanding the choice of law provisions contained in this Agreement and the other Loan Documents, Nevada law is held to govern this Agreement, any Mortgage Document encumbering a Property located in Nevada or any other Loan Document:

(a) **Waiver of Offset.** Notwithstanding anything contained herein to the contrary, no portion of any of the Obligations shall be or be deemed to be offset or compensated by all or any part of any claim, cause of action, counterclaim, or cross-claim, whether liquidated or unliquidated, that Borrower may have or claim to have against any other Loan Party.

(b) **Waiver of Prepayment.** Borrower hereby expressly (i) waives, to the extent permitted by law, any right it may have to prepay any Loan in whole or in part, without penalty, upon acceleration of the Maturity Date; and (ii) agrees that if a prepayment of any or all of any Loan is made, Borrower shall be obligated to pay, concurrently therewith, any fees applicable thereto. By initialing this provision in the space provided below, the Loan Parties hereby declare that Lender's agreement to make the subject Loan at the Interest Rate and for the term set forth herein constitutes adequate consideration, given individual weight by the undersigned, for this waiver and agreement.

EMPLOYMENT AGREEMENT
(John B. Bartling Jr.)

EMPLOYMENT AGREEMENT (the “Agreement”) dated November 25, 2014 (the “Effective Date”) by and between Invitation Homes L.P. (the “Company”) and John B. Bartling Jr. (“Executive”).

The Company desires to employ Executive and to enter into an agreement embodying the terms of such employment;

Executive desires to accept such employment and enter into such an agreement;

In consideration of the premises and mutual covenants herein and for other good and valuable consideration, the parties agree as follows:

1. Term of Employment. Subject to the provisions of Section 5 of this Agreement, Executive shall be employed by the Company beginning November 3, 2014, (the “Start Date”) and ending on the third anniversary of the Effective Date (the “Employment Term”) on the terms and subject to the conditions set forth in this Agreement; provided, however, the Employment Term shall be automatically extended for an additional one-year period commencing with the third anniversary of the Effective Date and, thereafter, on each such successive anniversary of the Effective Date thereafter (each an “Extension Date”), unless the Company or Executive provides the other party hereto 60 days prior written notice before the next Extension Date that the Employment Term shall not be so extended (a “Notice of Non-Renewal”).

2. Position, Duties and Authority.

(a) Position. During the Employment Term, Executive shall serve as the Company’s President and Chief Executive Officer of the Company. In such positions, Executive shall report directly to, and only to, the Board, and shall have such duties as are reasonably requested by the Board, consistent with duties customarily performed by a President and Chief Executive Officer. Executive shall report directly to, and only to, the Board of Directors of the Company (the “Board”). At the request of the Board, Executive shall serve as a member of the Board without additional compensation.

(b) Duties and Authority. During the Employment Term, Executive devote his full business time and reasonable best efforts to the business and affairs of the Company to perform Executive’s duties and will not engage in any other business, profession or occupation for compensation or otherwise which would unreasonably conflict or unreasonably interfere with the rendition of such services either directly or indirectly; provided that nothing herein shall preclude Executive from (i) managing personal and family investments including partnerships and holding various roles in Allbridge and Stonebridge, (ii) subject to the prior approval of the Board (such approval not to be unreasonably withheld), accepting appointment to serve on any board of directors or trustees of any business corporation, or (iii) serving as an officer or director or otherwise participating in non-profit educational, welfare, social, religious and civil organizations; provided, however, that any such activities do not materially conflict or materially

interfere with the performance and fulfillment of the Executive's duties and responsibilities as an executive or director of the Company in accordance with this Agreement or conflict with Section 6.

3. Compensation.

(a) Base Salary. During the Employment Term, the Company shall pay Executive a base salary (" Base Salary ") at an annual rate of \$875,000 and payable in regular installments in accordance with the Company's usual payment practices. Executive shall be entitled to such increases in Executive's Base Salary, if any, as may be determined from time to time in the sole discretion of the Board.

(b) Annual Bonus.

(i) During each fiscal year of the Employment Term, Executive shall be eligible to earn an annual bonus award (an " Annual Bonus "), payable at 75% of then-current Base Salary if minimum performance objectives are achieved, at 100% of then-current Base Salary if target performance objectives are achieved (such amount, the " Target Bonus "), and 125% of then-current Base Salary if stretch performance objectives are achieved or exceeded, with no Annual Bonus payable if minimum performance objectives are not achieved, and the actual amount determined based on the extent to which performance objectives are achieved, in the sole discretion of the Board. Performance objectives shall consist of Company-wide performance goals and individual performance goals, to be mutually agreed to by the Board and the Executive, and shall be established the Board no later than March 31 of the calendar year to which it relates. Notwithstanding the foregoing, Executive's actual Annual Bonus paid in respect of the 2014 fiscal year shall be \$625,000, paid in 2015 at such time annual performance bonuses are paid to other senior executives of the Company but in no event later than March 31, 2015 (and regardless of whether any such bonuses are paid to such other senior executives).

(ii) Without limiting the applicability of Section 5(c)(ii)(B) hereof, no Annual Bonus shall be payable in respect of any fiscal year in which Executive's employment is terminated, unless otherwise determined by the Board in its sole discretion.

(c) Equity Arrangements. Subject to, and contingent upon the occurrence of the Start Date, the Company will make grants of equity incentive awards in the Company, Invitation Homes 2-A, L.P., Preeminent Parent, L.P., Invitation Homes 3, L.P., and Invitation Homes 4, L.P. (and, when documented generally for all senior executives, "Invitation Homes 5"), to Executive (collectively, the " Equity Grants "), on terms substantially similar to other senior executives of the Company and pursuant to the definitive documentation provided to Executive in connection with entering into this Agreement (the " Equity Grant Agreements ").

4. Benefits.

(a) Employee Benefits. During the Employment Term, Executive shall be entitled to participate in the Company's employee benefit plans (other than annual bonus and incentive plans and severance plans, the benefits for which will be determined instead in accordance with this Agreement) as in effect from time to time, including medical benefits (collectively "Employee Benefits"), on the same basis as those benefits are generally made available to other senior executives of the Company.

(b) Other Benefits. During the Employment Term, the Company shall reimburse Executive for reasonable and necessary business expenses incurred by Executive in the performance of Executive's duties hereunder in accordance with its then prevailing policy for senior executives (which shall include appropriate itemization and substantiation of expenses incurred).

5. Termination. The Employment Term and Executive's employment hereunder may be terminated by either party at any time and for any reason, provided that Executive and the Company will be required to give each other at least 60 days' advance written notice of any termination or resignation of Executive's employment (other than as a result of a termination for Cause or Constructive Termination), and provided, further, that the Company may provide 60 days of Base Salary in lieu of such notice. Notwithstanding any other provision of this Agreement and except as provided by applicable law, the provisions of this Section 5 and the Equity Grant Agreements shall exclusively govern Executive's rights to payments upon termination of employment with the Company and its affiliates.

(a) By the Company For Cause.

(i) The Employment Term and Executive's employment hereunder (x) may be terminated by the Company for Cause (as defined below) and (y) shall terminate automatically upon the effective date of Executive's resignation other than as a result of a Constructive Termination (as defined in Section 5(d)(ii)).

(ii) For purposes of this Agreement, "Cause" shall mean (1) Executive's continued and willful non-performance of Executive's duties hereunder (other than as a result of total or partial incapacity due to physical or mental illness), which failure is not cured for a period of 10 days following written notice by the Company to Executive describing such failure in reasonable detail, (2) Executive's willful malfeasance or willful misconduct in connection with Executive's duties hereunder, (3) Executive's theft or embezzlement of Company property (unless such theft or embezzlement is de minimis in value), (4) Executive's indictment for any felony under the laws of the United States or any state thereof (other than a vehicular related felony), (5) Executive's breach of Section 6, or (7) Executive's material or willful breach of Section 7 of this Agreement (such breach, a "Material Confidentiality Breach").

(iii) If Executive's employment is terminated by the Company for Cause, Executive shall be entitled to receive:

(A) no later than ten (10) days following the date of termination, the then accrued Base Salary through the date of termination;

(B) any Annual Bonus (if applicable) earned, but unpaid, as of the date of termination for the immediately preceding fiscal year, paid in accordance with Section 3 (except to the extent payment is otherwise deferred pursuant to any applicable deferred compensation arrangement with the Company, in which case such payment shall be made in accordance with the terms and conditions of such deferred compensation arrangement);

(C) reimbursement, within 60 days following receipt by the Company of Executive's claim for such reimbursement (including appropriate supporting documentation), for any unreimbursed business expenses properly incurred by Executive in accordance with Company policy prior to Executive's termination; provided that such claims for such reimbursement are submitted to the Company within 90 days following the date of Executive's termination of employment; and

(D) such Employee Benefits, if any, to which Executive may be entitled under the employee benefit plans of the Company, payable in accordance with the terms and conditions of such employee benefit plans (the amounts described in clauses (A) through (D) hereof being referred to as the "Accrued Rights").

Following such termination of Executive's employment by the Company for Cause, except as set forth in this Section 5(a)(iii), Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(b) By Executive Other Than as a Result of a Constructive Termination.

(i) If Executive resigns other than as a result of a Constructive Termination, Executive shall be entitled to receive:

(A) The Accrued Rights.

(B) If such resignation occurs after the first nine months following the Start Date, on the 60th day following the date of termination, subject to Executive's continued compliance with Section 6 hereof during the Restricted Period and Executive's continued material compliance with Section 7 hereof during the Restricted Period, the Company shall pay Executive a cash payment (the "Severance Payment") in the amount determined as follows:

- (1) If the Equity Grant Value (as defined below) is less than \$4,000,000, then the Severance Payment shall be equal to the amount by which \$4,000,000 exceeds the Equity Grant Value (and the Company or one of its affiliates or a designee also shall

(unless otherwise agreed by the Company and Executive) purchase (and Executive agrees to sell or cause to be sold) such vested Equity Grants at the Equity Grant Value (less all proceeds previously received in respect of all Equity Grants), with such purchase to occur on a date selected by the Company but no later than six months and one day after the date of termination governed by this Section 5(b) (or such later date as is required to comply with any accounting principles such that the equity awards shall not be treated as a “liability award”); or

- (2) If the Equity Grant Value is equal to or greater than \$4,000,000, then the Company shall cause the issuers of the Equity Grants to make an advance on the Equity Grants out of available profits within 60 days of the termination date equal to \$4,000,000, less all proceeds previously received in respect of all Equity Grants (and Executive shall retain the vested Equity Grants, subject to the terms thereof).

For purposes of this Section 5(b)(i)(B), the “Equity Grant Value” is equal to the sum of (x) the fair value as of the date of termination (as reasonably determined by the Board) of the vested portion of the Equity Grants (giving effect to any accelerated vesting in connection with the termination or otherwise) and (y) all proceeds previously received in respect of all Equity Grants.

(ii) Following such resignation by Executive other than as a result of a Constructive Termination, except as set forth in this Section 5(b), Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(c) Disability or Death.

(i) The Employment Term and Executive’s employment hereunder shall terminate upon Executive’s death and may be terminated by the Company if Executive becomes physically or mentally incapacitated and is therefore unable for an aggregate of twelve (12) months in any twenty-four (24) consecutive month period to perform Executive’s duties (such incapacity is hereinafter referred to as “Disability”). Any question as to the existence of the Disability of Executive as to which Executive and the Company cannot agree shall be determined in writing by a qualified independent physician mutually acceptable to Executive and the Company. If Executive and the Company cannot agree as to a qualified independent physician, each shall appoint such a physician and those two physicians shall select a third physician who shall make such determination in writing. The determination of Disability made in writing to the Company and Executive shall be final and conclusive for all purposes of the Agreement.

(ii) Upon termination of Executive's employment hereunder for either Disability or death, Executive or Executive's estate (as the case may be) shall be entitled to receive:

(A) The Accrued Rights.

(B) If such termination for either Disability or death occurs after the first six months following the Start Date, the Severance Payments in accordance with (and subject to all provisions of) Section 5(b)(i)(B).

(C) Within 60 days of the applicable termination date, a pro rata portion (based on the number of days Executive is employed during the year of termination) of the greater of (x) Executive's Target Bonus for the year of termination and (y) Executive's Annual Bonus for the year immediately preceding the year of termination.

(iii) Following Executive's termination of employment due to death or Disability, except as set forth in this Section 5(c), Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(d) By the Company Without Cause or Resignation by Executive as a Result of Constructive Termination.

(i) The Employment Term and Executive's employment hereunder may be terminated by the Company without Cause or by Executive as a result of a Constructive Termination and shall terminate automatically upon the effective date of Executive's resignation other than as a result of a Constructive Termination.

(ii) For purposes of this Agreement, a "Constructive Termination" shall mean any of the foregoing events: (A) a material reduction in Executive's Base Salary or Target Bonus opportunity (as a percentage of Base Salary), except as provided by Section 3 above; (B) the failure of the Company to pay or provide or cause to be paid or provided Executive's Base Salary or Annual Bonus when due; (C) delivery by the Company to Executive of a Notice of Non-Renewal; (D) a material and sustained diminution in Executive's authority and duties; and/or (E) a relocation of Executive's principal place of employment by more than 50 miles; provided that any event described in this Section 5(d)(ii) shall not constitute a Constructive Termination unless the Company fails to cure such event within 10 days after receipt from Executive of written notice of the event which otherwise would constitute Constructive Termination; and provided, further, that "Constructive Termination" shall cease to exist for an event on the 90th day following the later of its occurrence or Executive's actual knowledge thereof, unless Executive has given the Board written notice thereof prior to such date.

(iii) If Executive's employment is terminated by the Company without Cause (other than by reason of death or Disability) or Executive resigns as a result of a Constructive Termination, Executive shall be entitled to receive:

(A) The Accrued Rights;

(B) If Executive elects continuation of his medical and dental coverage under COBRA, Executive's coverage and participation under the Company's medical and dental benefit plans in which he was participating immediately prior to termination of employment pursuant to this Section 5(d) ("Medical and Dental Benefits") shall continue at the same cost to him as the cost for the Medical and Dental Benefits immediately prior to such termination until (i) the expiration of the maximum period for such coverage allowable under COBRA (but no longer than 12 months) or (ii) the date on which Executive receives medical and/or dental coverage from a third party (it being understood that such continuation of coverage may be made by paying Executive a series of monthly payments sufficient, on a grossed up basis, after payment of federal, state and local income taxes, to pay his applicable monthly COBRA premium). Executive may choose to continue his Medical and Dental Benefits under COBRA at his own expense for the balance, if any, of the period required by law; and

(C) If such termination without Cause or resignation as a result of a Constructive Termination occurs after the first nine months following the Start Date, the Severance Payments in accordance with (and subject to all provisions of) Section 5(b)(i)(B).

(iv) Following Executive's termination of employment by the Company without Cause (other than by reason of Executive's death or Disability) or by Executive's resignation as a result of a Constructive Termination, except as set forth in this Section 5(d) and the Equity Grant Agreements, Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(e) Release. Amounts payable to Executive under Section 5(b)(i)(B); 5(c)(ii)(B), 5(c)(ii)(C); 5(d)(iii)(B) and 5(d)(iii)(C) above are subject to execution and non-revocation of a release of claims by Executive (or, if applicable, Executive's estate), substantially in the form attached hereto as Exhibit I, within forty-five (45) days of the date of termination.

(f) Continued Employment Beyond the Expiration of the Employment Term. Unless the parties otherwise agree in writing and without limiting the applicability of Sections 5(d)(ii)(C) and 5(d)(iii) hereof, continuation of Executive's employment with the Company beyond the expiration of the Employment Term following the delivery of a Notice of Non-Renewal shall be deemed an employment at-will and Executive's employment may thereafter be terminated at will by either Executive or the Company; provided that, the provisions of Sections 6, 7, and 8 of this Agreement shall survive any termination of this Agreement resulting from a Notice of Non-Renewal or Executive's termination of employment that occurs after the expiration of the Employment Term. For the avoidance of doubt, no payment shall be required to cause Section 6 to survive a termination of employment during the Employment Term.

(g) Notice of Termination. Any purported termination of employment by the Company or by Executive (other than due to Executive's death) hereunder shall be communicated by written Notice of Termination to the other party hereto in accordance with Section 8(i) hereof, indicating the specific termination provision in this Agreement relied upon.

(h) Board/Committee Resignation. Upon termination of Executive's employment for any reason, Executive agrees to resign, as of the date of such termination and to the extent applicable, from any board of directors (and any committees thereof) of any of the Company and its affiliates.

(i) Forfeiture. Upon written notice by the Company to Executive that Executive has committed any breach of Section 6 hereof or a Material Confidentiality Breach during the Restricted Period following Executive's termination of employment, Executive shall repay to the Company an amount equal to the after-tax proceeds of any payments made under Section 5(b)(i)(B); Sections 5(c)(ii)(B) and 5(c)(ii)(C); and Sections 5(d)(iii)(B) and 5(d)(iii)(C) (the "Severance Clawback Amount"). Any determination under this Section 5 of whether Executive is in compliance with Section 6 hereof or committed a Material Confidentiality Breach shall be determined without regard to whether Section 6 or 7, as applicable, is enforceable under applicable law.

6. Non-Competition.

(a) Competitive Activity. Executive acknowledges and recognizes the highly competitive nature of the businesses of the Company and its affiliates and accordingly agrees as follows:

(i) During the Employment Term and for a period equal to 12 months following the date Executive ceases to be employed by the Company for any reason (the "Restricted Period"), Executive will not, whether on Executive's own behalf or on behalf of or in conjunction with any person, firm, partnership, joint venture, association, corporation or other business organization, entity or enterprise whatsoever ("Person"), directly or indirectly solicit or assist in soliciting in competition with the Restricted Group in the Business the business of any then current or prospective client or customer with whom Executive (or his direct reports) had personal contact or dealings on behalf of the Company during the one-year period preceding Executive's termination of employment.

(ii) During the Restricted Period, Executive will not, directly or indirectly:

(A) engage in the Business in any geographical area where the Restricted Group engages in the Business (or has established, during the Employment Term, plans engage in the Business during the Restricted Period);

(B) enter the employ of, or render any services to, a Competitor, except where such employment or services do not relate to the Business; or

(C) acquire a 10% or greater financial interest in a Competitor, directly or indirectly, as an individual, partner, shareholder, officer, director, principal, agent, trustee or consultant.

(iii) Notwithstanding anything to the contrary in this Agreement, the provisions of this Section 6 shall not restrict the ownership of any number of single-family homes for personal use by Executive or up to five additional single-family homes as personal investments.

(iv) During the Restricted Period, Executive will not, whether on Executive's own behalf or on behalf of or in conjunction with any Person, directly or indirectly:

(A) solicit or encourage any employee of the Restricted Group (other than Executive's personal assistant/secretary) to leave the employment of the Restricted Group; or

(B) hire any such employee who was employed by the Restricted Group as of the date of Executive's termination of employment with the Company or who left the employment of the Restricted Group within three months prior to the termination of Executive's employment with the Company (other than Executive's personal assistant/secretary).

(v) For purposes of this Agreement:

(A) "Restricted Group" shall mean, collectively, the Company and its subsidiaries.

(B) "Business" shall mean the business of acquiring controlling investments in, owning, developing, leasing, operating or managing one to four unit residential real properties, including single-family homes in planned unit developments and individual single family townhomes and individual residential condominium units in a low-rise or high-rise condominium project, where such properties are located in the United States.

(C) "Competitor" shall mean any Person engaged in the Business in direct competition with the Company and its subsidiaries, but excluding any Person for which less than 10% of its revenue during its most recent fiscal year is derived from activities similar to the Business.

(b) It is expressly understood and agreed that although Executive and the Company consider the restrictions contained in this Section 6 to be reasonable, if a final judicial determination is made by a court of competent jurisdiction that the time or territory or any other restriction contained in this Agreement is an unenforceable restriction against Executive, the provisions of this Agreement shall not be rendered void but shall be deemed amended to apply as

to such maximum time and territory and to such maximum extent as such court may judicially determine or indicate to be enforceable. Alternatively, if any court of competent jurisdiction finds that any restriction contained in this Agreement is unenforceable, and such restriction cannot be amended so as to make it enforceable, such finding shall not affect the enforceability of any of the other restrictions contained herein.

(c) The period of time during which the provisions of this Section 6 shall be in effect shall be extended by the length of time during which Executive is in breach of the terms hereof as determined by any court of competent jurisdiction on the Company's application for injunctive relief.

(d) Subject to Section 5(f), the provisions of Section 6 hereof shall survive the termination of Executive's employment for any reason.

7. Confidentiality; Intellectual Property.

(a) Confidentiality.

(i) Executive will not at any time (whether during or after Executive's employment with the Company) (x) retain or use for the benefit, purposes or account of Executive or any other Person; or (y) disclose, divulge, reveal, communicate, share, transfer or provide access to any Person outside the Company and its affiliates (other than its professional advisers who are bound by confidentiality obligations, lenders and partners or otherwise in performance of Executive's duties hereunder), any proprietary and non-public/confidential information (including without limitation trade secrets, know-how, research and development, software, databases, inventions, processes, formulae, technology, designs and other intellectual property, information concerning finances, investments, profits, pricing, costs, products, services, vendors, customers, clients, partners, investors, personnel, compensation, recruiting, training, advertising, sales, marketing, promotions, government and regulatory activities and approvals) concerning the past, current or future business, activities and operations of the Company, its subsidiaries or affiliates ("Confidential Information") without the prior written authorization of the Board; provided, however, that the conscious awareness of any Confidential Information (as opposed to the physical possession of documentary Confidential Information) by Executive, and Executive's consideration of such information in connection with his pursuit or evaluation of, involvement with or participation in, any project or activity that is not prohibited by this Agreement shall be deemed not to constitute a breach of Section 7(a)(i)(x) or Section 7(a)(iv)(x) hereof in any manner whatsoever, unless such Executive's use of such Confidential Information has an objective and detrimental impact on the business of the Company and its subsidiaries.

(ii) "Confidential Information" shall not include any information that is (A) generally known to the industry or the public other than as a result of Executive's breach of this covenant; (B) made legitimately

available to Executive by a third party without breach of any confidentiality obligation of which Executive has knowledge (it being understood that any information made available by an employee, officer or director of the Company and its affiliates shall not be protected by this exclusion); or (C) required by law to be disclosed; provided that with respect to subsection (C) Executive shall give prompt written notice to the Company of such requirement and reasonably cooperate with any attempts by the Company to obtain a protective order or similar treatment.

(iii) Except as required by law, Executive will not disclose to anyone, other than Executive's family (it being understood that, in this Agreement, the term "family" refers to Executive, Executive's spouse, minor children, parents and spouse's parents) and legal or financial advisors, the existence or contents of this Agreement; provided that Executive may disclose to any prospective future employer the provisions of Sections 6 and 7 of this Agreement; provided they agree to maintain the confidentiality of such terms. This Section 7(a)(iii) shall terminate if the Company publicly discloses a copy of this Agreement (or, if the Company publicly discloses summaries or excerpts of this Agreement, to the extent so disclosed).

(iv) Upon termination of Executive's employment with the Company for any reason, Executive shall (x) except as otherwise provided herein, cease and not thereafter commence use of any Confidential Information or intellectual property (including without limitation, any patent, invention, copyright, trade secret, trademark, trade name, logo, domain name or other source indicator) owned or used by the Company, its subsidiaries or affiliates; (y) immediately destroy, delete, or return to the Company, at the Company's option and expense, all originals and copies in any form or medium (including memoranda, books, papers, plans, computer files, letters and other data) in Executive's possession or control (including any of the foregoing stored or located in Executive's office, home, laptop or other computer, whether or not Company property) that contain Confidential Information, except that Executive may retain documents (1) related to the terms of Executive's employment, (2) related to Executive's Equity Grants, (3) related to amounts due to Executive pursuant to any agreement between Executive and the Company or any of its subsidiaries or affiliates, (4) that Executive reasonably believes (after consultation with counsel) to be required by law, court order or regulatory authority or as needed by Executive's legal, tax or other professional advisors for so long as Executive reasonably believes retention of documents may serve any such purpose or (5) if such documents only contain information that is available to the general public.; and (z) notify and reasonably cooperate with the Company regarding the delivery or destruction of any other Confidential Information of which Executive is or becomes aware.

(b) Intellectual Property .

(i) If Executive creates, invents, designs, develops, contributes to or improves any works of authorship, inventions, intellectual property,

materials, documents or other work product (including, without limitation, research, reports, software, databases, systems, applications, presentations, textual works, content, or audiovisual materials), either alone or with third parties, at any time during Executive's employment by the Company and within the scope of such employment and with the use of any the Company's resources (" Company Works"), Executive shall promptly and fully disclose same to the Company and hereby irrevocably assigns, transfers and conveys, to the maximum extent permitted by applicable law, all rights and intellectual property rights therein (including rights under patent, industrial property, copyright, trademark, trade secret, unfair competition and related laws) to the Company to the extent ownership of any such rights does not vest originally in the Company.

(ii) Executive shall take all requested actions and execute all requested documents (including any licenses or assignments required by a government contract) at the Company's expense (but without further remuneration) to assist the Company in validating, maintaining, protecting, enforcing, perfecting, recording, patenting or registering any of the Company's rights in the Company Works. If the Company is unable for any other reason, to secure Executive's signature on any document for this purpose, then Executive hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as Executive's agent and attorney in fact, to act for and in Executive's behalf and stead to execute any documents and to do all other lawfully permitted acts required in connection with the foregoing.

(iii) The provisions of Section 7 hereof shall survive the termination of Executive's employment for any reason (except as otherwise set forth in Section 7(a)(iii) hereof).

(c) Specific Performance. Executive acknowledges and agrees that the Company's remedies at law for a breach or threatened breach of Section 6 or 7 of this Agreement may be inadequate and the Company may suffer irreparable damages as a result of such breach. In recognition of this fact, Executive agrees that, in the event of an actual breach of Section 6 or an actual Material Confidentiality Breach, in addition to any remedies at law, the Company, without posting any bond, shall be entitled to cease making any payments or providing any benefit otherwise required by Section 5(d)(iii) this Agreement (excluding the Accrued Rights) and seek equitable relief in the form of specific performance, temporary restraining order, temporary or permanent injunction or any other equitable remedy which may then be available.

8. Miscellaneous.

(a) Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without regard to conflicts of laws principles thereof. The parties acknowledge that the Company's business activities take place in multiple jurisdictions and that the parties hereby selected the laws of the State of New York in light of such multijurisdictional presence.

(b) Indemnification. Executive shall be indemnified to the fullest extent permitted by law by the Company against any losses, claims, damages, liabilities, and expenses (including attorneys' fees, judgments, fines, penalties and amounts paid in settlement) incurred by or imposed upon Executive by reason of or in connection with any action taken or omitted by Executive arising out of Executive's employment, including in connection with any action, suit or proceeding before any judicial, administrative or legislative body or agency to which Executive may be made a party or otherwise involved or with which it shall be threatened. The right to indemnification granted by this section shall be in addition to any rights to which Executive may otherwise be entitled. The Company shall advance or pay the expenses incurred by Executive in defending or investigating a civil or criminal action, suit or proceeding to the fullest extent permitted by law.

(c) Entire Agreement/Amendments. This Agreement (including, without limitation, the schedules and exhibits attached hereto) and the Equity Grant Agreements contain the entire understanding of the parties with respect to the employment of Executive by the Company. There are no restrictions, agreements, promises, warranties, covenants or undertakings between the parties with respect to the subject matter herein other than those expressly set forth herein or therein. This Agreement (including, without limitation, the schedules and exhibits attached hereto) may not be altered, modified, or amended except by written instrument signed by the parties hereto.

(d) No Waiver. The failure of a party to insist upon strict adherence to any term of this Agreement on any occasion shall not be considered a waiver of such party's rights or deprive such party of the right thereafter to insist upon strict adherence to that term or any other term of this Agreement.

(e) Severability. In the event that any one or more of the provisions of this Agreement shall be or become invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions of this Agreement shall not be affected thereby.

(f) Assignment. This Agreement, and all of Executive's rights and duties hereunder, shall not be assignable or delegable by Executive. Any purported assignment or delegation by Executive in violation of the foregoing shall be null and void *ab initio* and of no force and effect. This Agreement may be assigned by the Company to a person or entity which is a successor in interest to substantially all of the business operations of the Company, but only if such person agrees, in writing, to be bound to the terms hereof to the same extent as the Company. Upon such assignment, the rights and obligations of the Company hereunder shall become the rights and obligations of such affiliate or successor person or entity.

(g) Set Off; No Mitigation. The Company's obligation to pay or provide Executive payments and benefits in accordance with Sections 3, 4, and 5 hereof shall be subject to set-off, or recoupment of amounts owed by Executive to the Company, its subsidiaries or its direct parent entities. Executive shall not be required to mitigate the amount of any payment provided for pursuant to this Agreement by seeking other employment, and such payments shall not be reduced by any compensation or benefits received from any subsequent employer, self-employment or other endeavor.

(h) Compliance with Section 409A. Notwithstanding anything herein to the contrary, (i) if at the time of Executive's termination of employment with the Company Executive is a "specified employee" as defined in Section 409A of the Code and the deferral of the commencement of any payments or benefits otherwise payable hereunder as a result of such termination of employment is necessary in order to prevent any accelerated or additional tax under Section 409A of the Code, then the payments to which Executive would otherwise be entitled during the first six months following his termination of employment shall be deferred and accumulated (without any reduction in such payments or benefits ultimately paid or provided to Executive) for a period of six months from the date of termination of employment and paid in a lump sum on the first day of the seventh month following such termination of employment (or, if earlier, the date of Executive's death), and (ii) if any other payments of money or other benefits due to Executive hereunder would cause the application of an accelerated or additional tax under Section 409A of the Code, such payments or other benefits shall be deferred if deferral will make such payment or other benefits compliant under Section 409A of the Code, or otherwise such payment or other benefits shall be restructured, to the extent possible, in a manner, determined by the Board, that does not cause such an accelerated or additional tax. Furthermore, the Company intends that this Agreement shall comply with Section 409A and shall be interpreted, operated and administered accordingly. To the extent that reimbursements or other in-kind benefits under this Agreement constitute "nonqualified deferred compensation" for purposes of Section 409A of the Code, (A) all expenses or other reimbursements hereunder shall be made on or prior to the last day of the taxable year following the taxable year in which such expenses were incurred by Executive, (B) any right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit, and (C) no such reimbursement, expenses eligible for reimbursement, or in-kind benefits provided in any taxable year shall in any way affect the expenses eligible for reimbursement, or in-kind benefits to be provided, in any other taxable year.

(i) Attorneys' Fees. The Company shall reimburse Executive for his reasonable attorneys' fees incurred in reviewing and negotiating this Agreement, not to exceed \$12,000.

(j) Successors: Binding Agreement. This Agreement shall inure to the benefit of and be binding upon personal or legal representatives, executors, administrators, successors, heirs, distributees, devisees and legatees.

(k) Notice. For the purpose of this Agreement, notices and all other communications provided for in the Agreement shall be in writing and shall be deemed to have been duly given when delivered by hand or overnight courier or three days after it has been mailed by United States registered mail, return receipt requested, postage prepaid, addressed to the respective addresses set forth below in this Agreement, or to such other address as either party may have furnished to the other in writing in accordance herewith, except that notice of change of address shall be effective only upon receipt.

Executive agrees that the Company is relying on the foregoing representations in entering into this Agreement and the Equity Grant Agreements, and that any breach of the foregoing representations shall constitute dishonesty in the performance of Executive's duties hereunder.

(m) Prior Agreements. This Agreement and the Equity Grant Agreements (including, without limitation, the schedules and exhibits attached hereto and thereto), supersede all prior agreements, term sheets, and understandings (including verbal agreements) between Executive and the Company and/or its affiliates regarding the terms and conditions of Executive's employment with the Company and/or its affiliates (collectively, the "Prior Agreements").

In the event that Executive's cooperation is requested after the termination of his employment, the Company shall (i) use its

reasonable efforts to minimize interruptions to his personal and professional schedule and (ii) reimburse Executive for all reasonable and appropriate out-of-pocket expenses actually incurred by him in connection with such cooperation upon reasonable substantiation of such expenses.

(o) Withholding Taxes. The Company may withhold from any amounts payable under this Agreement such Federal, state and local taxes as may be required to be withheld pursuant to any applicable law or regulation.

(p) Counterparts. This Agreement may be signed in counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

EMPLOYMENT AGREEMENT
(Dallas Bradford Tanner)

EMPLOYMENT AGREEMENT (the “Agreement”) dated November 9, 2015, by and between Invitation Homes L.P. (the “Company”) and Dallas Bradford Tanner (“Executive”).

WHEREAS, the Executive and the Company entered into an Employment Agreement dated as of October 11, 2012 (the “Prior Agreement”, such date, the “Original Effective Date”), pursuant to which the Executive serves as an employee of the Company and/or one or more of its affiliates;

WHEREAS, the Company desires to continue to employ Executive and to enter into an agreement embodying the terms of such employment;

WHEREAS, Executive desires to continue to be employed and enter into such an agreement;

WHEREAS, the Company and Executive desire to enter into this Agreement embodying the terms of such employment which shall, effective as of the date hereof, replace and supersede the Prior Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein and for other good and valuable consideration, the parties agree as follows:

1. Term of Employment Subject to the provisions of Section 5 of this Agreement, Executive shall continue to be employed by the Company for a period commencing on the date hereof (the “Effective Date”) and ending on the third anniversary of the Effective Date (the “Employment Term”) on the terms and subject to the conditions set forth in this Agreement; provided, however, the Employment Term shall be automatically extended for an additional one-year period commencing with the third anniversary of the Effective Date and, thereafter, on each such successive anniversary of the Effective Date thereafter (each an “Extension Date”), unless the Company or Executive provides the other party hereto 60 days prior written notice before the next Extension Date that the Employment Term shall not be so extended (a “Notice of Non-Renewal”).

2. Position, Duties and Authority.

(a) During the Employment Term, Executive shall serve as Executive Vice President and the Company’s Chief Investment Officer. In such position, Executive shall report directly to, and only to, the Chief Executive Officer of the Company or such other officer identified by the Board of Directors of the Company (the “Board”) from time to time, and shall have such duties, functions, responsibilities and authority as shall be determined from time to time by the Chief Executive Officer or other officer identified by the Chief Executive Officer (subject to Board approval). Effective as of the Effective Date, Executive shall be appointed to serve as a member of the Board without additional compensation. Executive’s principal place of employment shall be Dallas, Texas, and Executive acknowledges that, from time to time, Executive will be required to travel in connection with the performance of his duties.

(b) During the Employment Term, Executive will devote substantially all of his business time and reasonable best efforts (except for permitted vacation periods and reasonable periods of illness or incapacity) to the business and affairs of the Company and will not engage in any other business, profession or occupation for compensation or otherwise which would unreasonably conflict or unreasonably interfere with the rendition of such services either directly or indirectly; provided that nothing herein shall preclude Executive from (i) managing personal and family investments, (ii) providing Schedule A Services to substantially the same extent provided as of the Original Effective Date, or (iii) subject to the prior approval of the Board (such approval not to be unreasonably withheld) (x) accepting appointment to serve on any board of directors or trustees of any business corporation, or (y) serving as an officer or director or otherwise participating in non-profit educational, welfare, social, religious and civil organizations; provided, however, that any such activities as described in (i) and (iii) of the preceding provisions of this paragraph do not materially conflict or materially interfere with the performance and fulfillment of the Executive's duties and responsibilities as an executive or director of the Company in accordance with this Agreement or conflict with Section 6. "Schedule A Services" means those services performed for one or more of the entities set forth on Schedule A hereto (the "Schedule A Entities"); provided, however, that with respect to single family homes, such services shall be limited to managing investments in single family homes in which such entities have a financial interest (the "Permitted Single Family Home Services").

3. Compensation.

(a) Base Salary. During the Employment Term, the Company shall pay Executive a base salary ("Base Salary") at an annual rate of \$450,000 and payable in regular installments in accordance with the Company's usual payment practices. Executive shall be entitled to such increases in Executive's Base Salary, if any, as may be determined from time to time in the sole discretion of the Board, but may not be decreased below any then-current annual base salary amount.

(b) Annual Bonus.

(i) During each fiscal year of the Employment Term, Executive shall be eligible to earn an annual bonus award (an "Annual Bonus"), payable at 125% of then-current Base Salary if target performance objectives are achieved (such amount, the "Target Bonus"), with no Annual Bonus payable if minimum performance objectives are not achieved (provided that the achievement of company-wide performance objectives is determined consistently with the determination for other senior managers at the same level as Executive) and the actual amount determined based on the extent to which performance objectives are achieved, in the sole discretion of the Company. Notwithstanding the foregoing, Executive's actual Annual Bonus paid in respect of the 2015 fiscal year shall be no less than \$450,000, paid in 2016 at such time annual performance bonuses are paid to other senior executives of the Company.

(ii) Without limiting the scope of Section 5(c)(iii) hereof, no Annual Bonus shall be payable in respect of any fiscal year in which Executive's employment is terminated, unless otherwise determined by the Board in its sole discretion.

(c) Equity Arrangements.

(i) The Company will make grants of 850 Class B Units of Invitation Homes 5, L.P., at the time Class B Units are issued to other senior executives of the Company, which will vest on substantially similar terms as Executive's existing equity awards, subject to Executive's continued employment on each applicable vesting date and on such other terms that are set forth in the applicable equity agreements.

(ii) Notwithstanding anything to the contrary set forth in any applicable equity agreement or set forth herein, all Class B Units of the Company, Invitation Homes 2-A L.P., Preeminent Parent L.P., Invitation Homes 3 L.P., Invitation Homes 4 L.P., and Invitation Homes 5 L.P. issued to Executive (or held by a Permitted Transferee (as defined in the applicable equity agreements)) (collectively, the "Incentive Units") shall become vested on the earlier of (A) the vesting schedule as set forth in the applicable equity agreements, or (B) the second anniversary of Effective Date.

4. Benefits.

(a) General. During the Employment Term, Executive shall be entitled to participate in the Company's employee benefit plans as in effect from time to time (collectively "Employee Benefits"), on the same basis as those benefits are generally made available to other senior executives of the Company.

(b) Relocation. The Company shall reimburse reasonable costs of relocation of Executive (and his family) to the Dallas, Texas metropolitan area in accordance with IH's Relocation Assistance Policy, including reimbursement of reasonable and customary purchase costs with respect to Executive's primary residence in the Dallas, Texas metropolitan area, up to an amount equal to 3% of the purchase price.

(c) Other Benefits. Executive will accrue Paid Time Off (PTO) in accordance with the policy set forth in the Company's Associate Handbook, at a rate which is at least as beneficial as that accorded to other similarly situated senior executives. During the Employment Term, the Company shall reimburse Executive for reasonable and necessary business expenses incurred by Executive in the performance of Executive's duties hereunder in accordance with its then prevailing policy for senior executives (which shall include appropriate itemization and substantiation of expenses incurred).

5. Termination. The Employment Term and Executive's employment hereunder may be terminated by either party at any time and for any reason; provided that Executive and the Company will be required to give each other at least 60 days' advance written notice of any termination or resignation of Executive's employment (other than as a result of a termination for Cause or Constructive Termination); and provided, further, that the Company may provide 60 days' of Base Salary in lieu of such notice. Notwithstanding any other provision of this Agreement and except as provided by applicable law, the provisions of this Section 5 and the Promote Agreements shall exclusively govern Executive's rights to payments upon termination of employment with the Company and its affiliates.

(a) By the Company For Cause or By Executive Other Than as a Result of a Constructive Termination.

(i) The Employment Term and Executive's employment hereunder (x) may be terminated by the Company for Cause (as defined below) and (y) shall terminate automatically upon the effective date of Executive's resignation other than as a result of a Constructive Termination (as defined in Section 5(c)(ii)).

(ii) Cause.

(A) For purposes of this Agreement, "Cause" shall mean (1) Executive's continued and willful non-performance of Executive's duties hereunder (other than as a result of total or partial incapacity due to physical or mental illness), which failure is not cured for a period of 10 days following written notice by the Company to Executive describing such failure in reasonable detail, (2) Executive's willful malfeasance or willful misconduct in connection with Executive's duties hereunder, (3) Executive's theft or embezzlement of Company property (unless such theft or embezzlement is de minimis in value), (4) an act or acts on Executive's part constituting any felony under the laws of the United States or any state thereof (other than a vehicular related felony), (5) Executive's breach of Section 6(a)(i) or (ii) of this Agreement, (6) Executive's breach of Section 6(a)(iv) of this Agreement, or (7) Executive's material or willful breach of Section 7 of this Agreement (such breach, a "Material Confidentiality Breach").

(B) Executive's actions or omissions shall not be considered to be "willful" if (x) Executive had a good faith, reasonable belief that such actions or omissions were in the best interests of the Company or (y) in the case of clause (7) of Section 5(a)(ii)(A) of this Agreement, that such actions were not against the best interests of the Company.

(C) The Company shall not terminate Executive's employment pursuant to clauses (2) through (7) of Section 5(a)(ii)(A) of this Agreement unless (1) the Board determines after reasonable investigation to provide written notice to Executive describing in reasonable detail the basis for the Board's decision to terminate Executive's employment (such notice, the "Cause Notice"), (2) Executive (with counsel, at Executive's election) has an opportunity to address the Board for a period of 7 days (the "Hearing Period") following delivery of the Cause Notice, and (3) the Board determines no earlier than 7 days after the expiration of the Hearing Period that Executive has engaged in the conduct set forth in the applicable clause of Section 5(a)(ii)(A) of this Agreement. If the Company terminates Executive's employment for Cause in accordance with this Section 5(a)(ii), the termination shall be effective as of the date on which the Company provided the Cause Notice. Notwithstanding anything herein to the

contrary, the Company may put Executive on administrative leave after delivery of the Cause Notice (during which Executive would be entitled to receive Base Salary, but not function any job duties or responsibilities).

(D) Any dispute arising out of or relating to whether Executive engaged in the conduct set forth in Section 5(a)(ii)(A) of this Agreement or whether the Company complied with the procedures set forth in Section 5(a)(ii)(C) of this Agreement shall be resolved by binding arbitration in accordance with the rules of the AAA Commercial Division; provided that the Company shall have the burden of proving by a preponderance of the evidence that Executive engaged in the conduct described in Section 5(a)(ii)(A) of this Agreement (except the conduct described in clause (4) thereof, which must be proven by clear and convincing evidence); provided that, for the avoidance of doubt, without limiting the Company's duties under Section 5(b)(ii)(C), the Company may take any action to terminate Executive's employment or engage in other remedies available to it without waiting for resolution of any such dispute. If, following a termination of Executive's employment pursuant to Section 5(a)(i)(x) of this Agreement, the arbitrator determines, as applicable, that (I) Executive did not engage in the conduct set forth in Section 5(a)(ii)(A) of this Agreement, or (II) if applicable, the Company did not comply in any material respect with the procedures set forth in Section 5(a)(ii)(C), then the Company shall (x) promptly pay all costs of the arbitration proceeding and reimburse Executive for his reasonable legal fees, and (y) pay to Executive the compensation and benefits that would have been paid or provided if Executive's employment had been terminated by the Company without Cause. Unless prohibited by applicable law, the decision of the arbitrator shall be final and non-appealable.

(iii) If Executive's employment is terminated by the Company for Cause, Executive shall be entitled to receive:

(A) no later than ten (10) days following the date of termination, the then accrued Base Salary through the date of termination;

(B) any Annual Bonus earned, but unpaid, as of the date of termination for the immediately preceding fiscal year, paid in accordance with Section 3(b) (except to the extent payment is otherwise deferred pursuant to any applicable deferred compensation arrangement with the Company, in which case such payment shall be made in accordance with the terms and conditions of such deferred compensation arrangement);

(C) reimbursement, within 60 days following receipt by the Company of Executive's claim for such reimbursement (including appropriate supporting documentation), for any unreimbursed business expenses properly incurred by Executive in accordance with Company policy prior to Executive's termination; provided that such claims for such reimbursement are submitted to the Company within 90 days following the date of Executive's termination of employment; and

(D) such Employee Benefits, if any, to which Executive may be entitled under the employee benefit plans of the Company, payable in accordance with the terms and conditions of such employee benefit plans (the amounts described in clauses (A) through (D) hereof being referred to as the "Accrued Rights").

Following such termination of Executive's employment by the Company for Cause, except as set forth in this Section 5(a)(iii), Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(iv) If Executive resigns other than as a result of a Constructive Termination, Executive shall be entitled to receive the Accrued Rights. Following such resignation by Executive other than as a result of a Constructive Termination, except as set forth in this Section 5(a)(iv), Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(b) Disability or Death.

(i) The Employment Term and Executive's employment hereunder shall terminate upon Executive's death and may be terminated by the Company if Executive becomes physically or mentally incapacitated and is therefore unable for an aggregate of twelve (12) months in any twenty-four (24) consecutive month period to perform Executive's duties (such incapacity is hereinafter referred to as "Disability"). Any question as to the existence of the Disability of Executive as to which Executive and the Company cannot agree shall be determined in writing by a qualified independent physician mutually acceptable to Executive and the Company. If Executive and the Company cannot agree as to a qualified independent physician, each shall appoint such a physician and those two physicians shall select a third physician who shall make such determination in writing. The determination of Disability made in writing to the Company and Executive shall be final and conclusive for all purposes of the Agreement.

(ii) Upon termination of Executive's employment hereunder for either Disability or death, Executive or Executive's estate (as the case may be) shall be entitled to receive the Accrued Rights and, within 60 days of the applicable termination date, a pro rata portion (based on the number of days Executive is employed during the year of termination) of the greater of (A) Executive's Target Bonus for the year of termination and (B) Executive's Annual Bonus for the year immediately preceding the year of termination. Following Executive's termination of employment due to death or Disability, except as set forth in this Section 5(b)(ii), Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(c) By the Company Without Cause or Resignation by Executive as a Result of Constructive Termination.

(i) The Employment Term and Executive's employment hereunder may be terminated by the Company without Cause or by Executive as a result of a Constructive Termination and shall terminate automatically upon the effective date of Executive's resignation other than as a result of a Constructive Termination.

(ii) For purposes of this Agreement, a "Constructive Termination" shall mean any of the foregoing events (other than pursuant to the last sentence of Section 5(a)(ii)(C)): (A) a

material reduction in Executive's Base Salary or Target Bonus opportunity (as a percentage of Base Salary); (B) the failure of the Company to pay or provide or cause to be paid or provided Executive's Base Salary or Annual Bonus when due; (C) delivery by the Company to Executive of a Notice of Non-Renewal; (D) a material and sustained diminution in Executive's authority and duties in the aggregate to a level that is inappropriate for an executive or professional-level position (it being understood that a diminution from one executive position to another materially lower-level executive or professional position shall not constitute a "Constructive Termination"); and/or (E) after such time as Executive has established residence for at least 12 continuous months in one metropolitan area in which his principal place of employment is located, a relocation of Executive's principal place of employment by more than 50 miles more than once in any subsequent 18-month period; provided that any event described in this Section 5(c)(ii) shall not constitute a Constructive Termination unless the Company fails to cure such event within 10 days after receipt from Executive of written notice of the event which otherwise would constitute Constructive Termination; and provided, further, that "Constructive Termination" shall cease to exist for an event on the 90th day following the later of its occurrence or Executive's actual knowledge thereof, unless Executive has given the Board written notice thereof prior to such date.

(iii) If Executive's employment is terminated by the Company without Cause (other than by reason of death or Disability) or Executive resigns as a result of a Constructive Termination, Executive shall be entitled to receive:

(A) the Accrued Rights;

(B) on the 60th day following the date of termination, subject to Executive's continued compliance with Section 6 hereof during the Restricted Period and Executive not having committed a Material Confidentiality Breach, a lump-sum cash payment (the "Severance Payment") equal to the sum of (x) one times the Base Salary, (y) Executive's Annual Bonus for the year immediately preceding the year of termination and (z) a pro rata portion (based on the number of days Executive is employed during the year of termination) of Executive's Annual Bonus for the year immediately preceding the year of termination;

(C) if the termination of employment occurs prior to the third anniversary of the Effective Date, the Company shall reimburse reasonable costs of relocation of Executive (and his family) to a metropolitan area in the continental United States, in such amounts and subject to the terms set forth in the Company's then-current Relocation Assistance Policy, and all such relocation payments and benefits will be fully grossed-up for any applicable income and employment taxes with respect to any reportable income;

(D) notwithstanding any provision of any applicable subscription agreement or award agreement the contrary, if the Employment Term and Executive's employment under the Employment Agreement is terminated by the Company and each of its Affiliates without Cause, any then-unvested Incentive Units will become vested; and

(E) if Executive elects continuation of his medical and dental coverage under COBRA, Executive's coverage and participation under the Company's medical and dental benefit plans in which he was participating immediately prior to termination of employment pursuant to this Section 5(c)(iii) ("Medical and Dental Benefits") shall continue at the same cost to him as the cost for the Medical and Dental Benefits immediately prior to such termination until (i) the expiration of the maximum period for such coverage allowable under COBRA (but no longer than 12 months) or (ii) the date on which Executive receives medical and/or dental coverage from a third party (it being understood that such continuation of coverage may be made by paying Executive a series of monthly payments sufficient, on a grossed up basis, after payment of federal, state and local income taxes, to pay his applicable monthly COBRA premium). Executive may choose to continue his Medical and Dental Benefits under COBRA at his own expense for the balance, if any, of the period required by law.

Following Executive's termination of employment by the Company without Cause (other than by reason of Executive's death or Disability) or by Executive's resignation as a result of a Constructive Termination, except as set forth in this Section 5(c)(iii) and the Promote Agreements, Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(d) Release. Amounts payable to Executive under Section 5(b)(ii) and Section 5(c)(iii)(B) and (C) above are subject to execution and non-revocation of a release of claims by Executive (or, if applicable, Executive's estate), substantially in the form attached hereto as Exhibit I, within forty-five (45) days of the date of termination.

(e) Continued Employment Beyond the Expiration of the Employment Term. Unless the parties otherwise agree in writing and without limiting the scope of Sections 5(c)(ii)(C) and 5(c)(iii) hereof, continuation of Executive's employment with the Company beyond the expiration of the Employment Term following the delivery of a Notice of Non-Renewal shall be deemed an employment at-will and Executive's employment may thereafter be terminated at will by either Executive or the Company; provided that, the provisions of Sections 6, 7 and 8 of this Agreement shall survive any termination of this Agreement resulting from a Notice of Non-Renewal or Executive's termination of employment that occurs after the expiration of the Employment Term. For the avoidance of doubt, no payment shall be required to cause Section 6 to survive a termination of employment during the Employment Term.

(f) Notice of Termination. Any purported termination of employment by the Company or by Executive (other than due to Executive's death) hereunder shall be communicated by written Notice of Termination to the other party hereto in accordance with Section 10 hereof, indicating the specific termination provision in this Agreement relied upon.

(g) Board/Committee Resignation. Upon termination of Executive's employment for any reason, Executive agrees to resign, as of the date of such termination and to the extent applicable, from any board of directors (and any committees thereof) of any of the Company and its affiliates.

(h) Forfeiture. Upon written notice by the Company to Executive that Executive has committed any breach of Section 6 hereof or a Material Confidentiality Breach during the Restricted Period following Executive's termination of employment, Executive shall repay to the Company an amount equal to the after-tax proceeds of any payments made under Section 5(b)(ii) (other than the Accrued Rights) and Section 5(c)(iii)(B) and (C) (the "Severance Clawback Amount"). Any determination under this Section 5 of whether Executive is in compliance with Section 6 hereof or committed a Material Confidentiality Breach shall be determined without regard to whether Section 6 or 7, as applicable, is enforceable under applicable law. Any dispute arising out of or relating to whether Executive has committed a breach of Section 6 hereof or committed a Material Confidentiality Breach shall be resolved by binding arbitration in accordance with the rules of the AAA Commercial Division; provided that the Company shall have the burden of proving by a preponderance of the evidence that Executive engaged in the applicable breach. If the arbitrator determines, as applicable, that Executive did not commit the applicable breach, then (x) the Company shall promptly pay all costs of the arbitration proceeding and reimburse Executive for his reasonable legal fees, and (y) Executive shall have no obligation to repay the Severance Clawback Amount. Unless prohibited by applicable law, the decision of the arbitrator shall be final and non-appealable.

6. Non-Competition.

(a) Executive acknowledges and recognizes the highly competitive nature of the businesses of the Company and its affiliates and accordingly agrees as follows:

(i) During the Employment Term and for a period equal to 12 months following the date Executive ceases to be employed by the Company for any reason (the "Restricted Period"). Executive will not, whether on Executive's own behalf or on behalf of or in conjunction with any person, firm, partnership, joint venture, association, corporation or other business organization, entity or enterprise whatsoever ("Person"), directly or indirectly solicit or assist in soliciting in competition with the Restricted Group in the Business the business of any then current or prospective client or customer with whom Executive (or his direct reports) had personal contact or dealings on behalf of the Company during the one-year period preceding Executive's termination of employment, unless Executive has (A) provided no less than 30 days advance written assurance on how Confidential Information, Confidential Materials or other intellectual property of the Restricted Group will be protected from use or disclosure, and (B) received written consent from the Company regarding the specific solicitations, engagements, or actions proposed based on such assurance, such consent to be delivered in its sole, good faith discretion (a "Company Confidentiality Consent").

(ii) During the Restricted Period, Executive will not, without receiving a Company Confidentiality Consent, such consent to be delivered in its sole, good faith discretion, directly or indirectly:

(A) acquire any financial interest in one to four unit residential real properties pursuant to a single transaction or series of transactions without the prior written consent of the Company (unless the value of all such properties is less than \$5,000,000;

(B) enter the employ of, or render any services to, (1) a publicly-traded Competitor, or (2) any Core Competitor; or

(C) acquire a 10% or greater financial interest in (1) a publicly-traded Competitor, or (2) any Core Competitor, directly or indirectly, as an individual, partner, shareholder, officer, director, principal, agent, trustee or consultant.

(iii) Notwithstanding anything to the contrary in this Agreement, the provisions of this Section 6 shall not restrict (A) ownership of any number of single-family homes for personal use by Executive or up to five additional single-family homes as personal investments or (B) Executive performing the Schedule A Services or having a financial interest in the Schedule A Entities (provided that Executive's activities on behalf of such Schedule A Entities and such Schedule A Entities' activities with respect to single family homes are limited to the Permitted Single Family Home Services).

(iv) During the Restricted Period, Executive will not, whether on Executive's own behalf or on behalf of or in conjunction with any Person, directly or indirectly:

(A) solicit or encourage any employee of the Restricted Group (other than Executive's personal assistant/secretary) to leave the employment of the Restricted Group; or

(B) hire any employee who provided services to the Restricted Group as of the date of Executive's termination of employment with the Company or who left the employment of the Restricted Group within one year prior to the termination of Executive's employment with the Company (other than Executive's personal assistant/secretary) without providing advance written assurance on how Confidential Information, Confidential Materials or other intellectual property of the Restricted Group will be protected from use or disclosure by that Employee, and based on that assurance, obtaining prior written consent from the Company, with such consent to be delivered in its sole, good faith discretion.

This Section 6(a)(iv) shall not apply to the individuals set forth in Schedule B hereto with respect to the Schedule A Entities, provided that the activities of such Schedule A Entities and such individuals are limited to the Schedule A Services.

(v) For purposes of this Agreement:

(A) "Restricted Group" shall mean, collectively, the Company and its subsidiaries.

(B) "Business" shall mean the business of acquiring controlling investments in, owning, developing, leasing, operating or managing one to four unit residential real properties, including single-family homes in planned unit developments and individual single family townhomes and individual residential condominium units in a low-rise or high-rise condominium project, where such properties are located in the United States but excluding, for the avoidance of

doubt, (1) any activities undertaken with the prior written consent of the Board sought in accordance with sub-sections (a)(i) or (a)(ii), and (2) acting as a broker with respect to leasing and sale transactions.

(C) “Competitor” shall mean any Person engaged in the Business in direct competition with the Company and its subsidiaries, but excluding any Person for which less than 10% of its revenue during its most recent fiscal year is derived from activities similar to the Business.

(D) “Core Competitor” shall mean America Home 4 Rent, Colony American Homes Inc., Waypoint Homes, Inc., American Residential Properties, Inc., Silver Bay Realty Trust Corp., and Pretium Partners, LLC (fka Fundamental REO, LLC).

(b) It is expressly understood and agreed that although Executive and the Company consider the restrictions contained in this Section 6 to be reasonable, if a final judicial determination is made by a court of competent jurisdiction that the time or territory or any other restriction contained in this Agreement is an unenforceable restriction against Executive, the provisions of this Agreement shall not be rendered void but shall be deemed amended to apply as to such maximum time and territory and to such maximum extent as such court may judicially determine or indicate to be enforceable. Alternatively, if any court of competent jurisdiction finds that any restriction contained in this Agreement is unenforceable, and such restriction cannot be amended so as to make it enforceable, such finding shall not affect the enforceability of any of the other restrictions contained herein.

(c) The period of time during which the provisions of this Section 6 shall be in effect shall be extended by the length of time during which Executive is in breach of the terms hereof as determined by any court of competent jurisdiction on the Company’s application for injunctive relief.

(d) Subject to Section 5(e), the provisions of Section 6 hereof shall survive the termination of Executive’s employment for any reason.

7. Confidentiality; Intellectual Property .

(a) Confidentiality .

(i) Executive will not at any time (whether during or after Executive’s employment with the Company) (x) retain or use for the benefit, purposes or account of Executive or any other Person; or (y) disclose, divulge, reveal, communicate, share, transfer or provide access to any Person outside the Company and its affiliates (other than its professional advisers who are bound by confidentiality obligations, lenders and partners or otherwise in performance of Executive’s duties hereunder), any proprietary and non-public/confidential information (including without limitation trade secrets, know-how, research and development, software, databases, inventions, processes, formulae, technology, designs and other intellectual property, information concerning finances, investments, profits, pricing, costs, products, services, vendors, customers, clients, partners, investors, personnel, compensation, recruiting, training, advertising, sales, marketing, promotions, government and regulatory activities and approvals)

concerning the past, current or future business, activities and operations of the Company, its subsidiaries or affiliates (“Confidential Information”) without the prior written authorization of the Board; provided, however, that the conscious awareness of any Confidential Information (as opposed to the physical possession of documentary Confidential Information) by Executive, and Executive’s consideration of such information in connection with his pursuit or evaluation of, involvement with or participation in, any project or activity that is not prohibited by this Agreement shall be deemed not to constitute a breach of Section 7(a)(i)(x) or Section 7(a)(iv)(x) hereof in any manner whatsoever, unless such Executive’s use of such Confidential Information has an objective and detrimental impact on the business of the Company and its subsidiaries.

(ii) “Confidential Information” shall not include any information that is (a) generally known to the industry or the public other than as a result of Executive’s breach of this covenant; (b) made legitimately available to Executive by a third party without breach of any confidentiality obligation of which Executive has knowledge (it being understood that any information made available by an employee, officer or director of the Company and its affiliates shall not be protected by this exclusion); or (c) required by law to be disclosed; provided that with respect to subsection (c) Executive shall give prompt written notice to the Company of such requirement and reasonably cooperate with any attempts by the Company to obtain a protective order or similar treatment.

(iii) Except as required by law, Executive will not disclose to anyone, other than Executive’s family (it being understood that, in this Agreement, the term “family” refers to Executive, Executive’s spouse, minor children, parents and spouse’s parents) and legal or financial advisors, the existence or contents of this Agreement; provided that Executive may disclose to any prospective future employer the provisions of Sections 6 and 7 of this Agreement; provided they agree to maintain the confidentiality of such terms. This Section 7(a)(iii) shall terminate if the Company publicly discloses a copy of this Agreement (or, if the Company publicly discloses summaries or excerpts of this Agreement, to the extent so disclosed).

(iv) Upon termination of Executive’s employment with the Company for any reason, Executive shall (x) except as otherwise provided herein, cease and not thereafter commence use of any Confidential Information or intellectual property (including without limitation, any patent, invention, copyright, trade secret, trademark, trade name, logo, domain name or other source indicator) owned or used by the Company, its subsidiaries or affiliates; (y) immediately destroy, delete, or return to the Company, at the Company’s option and expense, all originals and copies in any form or medium (including memoranda, books, papers, plans, computer files, letters and other data) in Executive’s possession or control (including any of the foregoing stored or located in Executive’s office, home, laptop or other computer, whether or not Company property) that contain Confidential Information, except that Executive may retain only those portions of any personal notes, notebooks and diaries that do not contain any Confidential Information; and (z) notify and reasonably cooperate with the Company regarding the delivery or destruction of any other Confidential Information of which Executive is or becomes aware.

(b) Intellectual Property.

(i) If Executive creates, invents, designs, develops, contributes to or improves any works of authorship, inventions, intellectual property, materials, documents or other work

product (including, without limitation, research, reports, software, databases, systems, applications, presentations, textual works, content, or audiovisual materials), either alone or with third parties, at any time during Executive's employment by the Company and within the scope of such employment and with the use of any the Company's resources (" Company Works "), Executive shall promptly and fully disclose same to the Company and hereby irrevocably assigns, transfers and conveys, to the maximum extent permitted by applicable law, all rights and intellectual property rights therein (including rights under patent, industrial property, copyright, trademark, trade secret, unfair competition and related laws) to the Company to the extent ownership of any such rights does not vest originally in the Company.

(ii) Executive shall take all requested actions and execute all requested documents (including any licenses or assignments required by a government contract) at the Company's expense (but without further remuneration) to assist the Company in validating, maintaining, protecting, enforcing, perfecting, recording, patenting or registering any of the Company's rights in the Company Works. If the Company is unable for any other reason, to secure Executive's signature on any document for this purpose, then Executive hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as Executive's agent and attorney in fact, to act for and in Executive's behalf and stead to execute any documents and to do all other lawfully permitted acts required in connection with the foregoing.

(iii) The provisions of Section 7 hereof shall survive the termination of Executive's employment for any reason (except as otherwise set forth in Section 7(a)(iii) hereof).

8. Specific Performance. Executive acknowledges and agrees that the Company's remedies at law for a breach or threatened breach of Section 6 or 7 of this Agreement may be inadequate and the Company may suffer irreparable damages as a result of such breach. In recognition of this fact, Executive agrees that, in the event of an actual breach of Section 6 or an actual Material Confidentiality Breach, in addition to any remedies at law, the Company, without posting any bond, shall be entitled to cease making any payments or providing any benefit otherwise required by Section 5(c)(iii) this Agreement (excluding the Accrued Rights) and seek equitable relief in the form of specific performance, temporary restraining order, temporary or permanent injunction or any other equitable remedy which may then be available.

9. Miscellaneous.

(a) Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without regard to conflicts of laws principles thereof. The parties acknowledge that the Company's business activities take place in multiple jurisdictions and that the parties hereby selected the laws of the State of New York in light of such multijurisdictional presence.

(b) Entire Agreement/Amendments. This Agreement (including, without limitation, the schedules and exhibits attached hereto), the Subscription Agreement, the LP Agreement and the Securityholders Agreement contain the entire understanding of the parties with respect to the employment of Executive by the Company. There are no restrictions, agreements, promises, warranties, covenants or undertakings between the parties with respect to

the subject matter herein other than those expressly set forth herein or therein. This Agreement (including, without limitation, the schedules and exhibits attached hereto) may not be altered, modified, or amended except by written instrument signed by the parties hereto.

(c) No Waiver. The failure of a party to insist upon strict adherence to any term of this Agreement on any occasion shall not be considered a waiver of such party's rights or deprive such party of the right thereafter to insist upon strict adherence to that term or any other term of this Agreement.

(d) Severability. In the event that any one or more of the provisions of this Agreement shall be or become invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions of this Agreement shall not be affected thereby.

(e) Assignment. This Agreement, and all of Executive's rights and duties hereunder, shall not be assignable or delegable by Executive. Any purported assignment or delegation by Executive in violation of the foregoing shall be null and void *ab initio* and of no force and effect. This Agreement may be assigned by the Company to a person or entity which is a successor in interest to substantially all of the business operations of the Company, but only if such person agrees, in writing, to be bound to the terms hereof to the same extent as the Company. Upon such assignment, the rights and obligations of the Company hereunder shall become the rights and obligations of such affiliate or successor person or entity.

(f) Set Off; No Mitigation. The Company's obligation to pay or provide Executive payments and benefits in accordance with Sections 3, 4 and 5 hereof shall be subject to set-off, or recoupment of amounts owed by Executive to the Company, its subsidiaries or its direct parent entities. Executive shall not be required to mitigate the amount of any payment provided for pursuant to this Agreement by seeking other employment, and such payments shall not be reduced by any compensation or benefits received from any subsequent employer, self-employment or other endeavor.

(g) Compliance with IRC Section 409A. Notwithstanding anything herein to the contrary, (i) if at the time of Executive's termination of employment with the Company Executive is a "specified employee" as defined in Section 409A of the Code and the deferral of the commencement of any payments or benefits otherwise payable hereunder as a result of such termination of employment is necessary in order to prevent any accelerated or additional tax under Section 409A of the Code, then the payments to which Executive would otherwise be entitled during the first six months following his termination of employment shall be deferred and accumulated (without any reduction in such payments or benefits ultimately paid or provided to Executive) for a period of six months from the date of termination of employment and paid in a lump sum on the first day of the seventh month following such termination of employment (or, if earlier, the date of Executive's death), together with interest during such period at a rate computed by adding 2.00% to the Prime Rate as published in the Money Rates section of the Wall Street Journal, or other equivalent publication if the Wall Street Journal no longer publishes such information, on the first publication date of the Wall Street Journal or equivalent publication after the date that such payment would otherwise have been made if not for this provision (provided that if more than one such Prime Rate is published on such date, the highest

of such published rates shall be used) and (ii) if any other payments of money or other benefits due to Executive hereunder would cause the application of an accelerated or additional tax under Section 409A of the Code, such payments or other benefits shall be deferred if deferral will make such payment or other benefits compliant under Section 409A of the Code, or otherwise such payment or other benefits shall be restructured, to the extent possible, in a manner, determined by the Board, that does not cause such an accelerated or additional tax. Furthermore, the Company intends that this Agreement shall comply with Section 409A and shall be interpreted, operated and administered accordingly.

(h) Successors: Binding Agreement. This Agreement shall inure to the benefit of and be binding upon personal or legal representatives, executors, administrators, successors, heirs, distributees, devisees and legatees.

(i) Notice. For the purpose of this Agreement, notices and all other communications provided for in the Agreement shall be in writing and shall be deemed to have been duly given when delivered by hand or overnight courier or three days after it has been mailed by United States registered mail, return receipt requested, postage prepaid, addressed to the respective addresses set forth below in this Agreement, or to such other address as either party may have furnished to the other in writing in accordance herewith, except that notice of change of address shall be effective only upon receipt.

(j) Executive Representation. Executive hereby represents to the Company that the execution and delivery of this Agreement by Executive and the Company and the performance by Executive of Executive's duties hereunder shall not constitute a breach of the terms of any employment agreement or other written or oral agreement(s) or policies to which Executive is a party or otherwise bound, or that may restrict or adversely impact Executive's ability to enter into this Agreement and/or perform Executive's duties hereunder. Executive hereby further represents that Executive is not subject to any restrictions on his ability to solicit, hire or engage any employee or other service-provider. Executive agrees that the Company is relying on the foregoing representations in entering into this Agreement and related equity-based award agreements and that any breach of the foregoing representations shall constitute dishonesty in the performance of Executive's duties hereunder.

(k) Prior Agreements. This Agreement (including, without limitation, the schedules and exhibits attached hereto and thereto), supersede all prior agreements and understandings (including verbal agreements) between Executive and the Company and/or its affiliates regarding the terms and conditions of Executive's employment with the Company and/or its affiliates, including, without limitation, the Prior Agreement, other than, for the avoidance of doubt, any grant agreements, subscription agreements, or other agreements incorporated thereto pursuant to which Executive owns equity interests of the Company or its Affiliates (except to the extent Section 3(c) and Section 5(c)(iii)(D) are applicable to any such equity interests); provided, however, nothing herein shall be determined to negatively affect any existing equity arrangements which have vested as of the Effective Date.

(l) Cooperation. Executive shall provide Executive's reasonable cooperation in connection with any pending claim, litigation, regulatory or administrative proceeding involving the Company (or any appeal from any action or proceeding) arising out of or related to the period when Executive was employed by the Company. In the event that Executive's cooperation is requested after the termination of his employment, the Company shall (i) use its reasonable efforts to minimize interruptions to his personal and professional schedule and (ii) reimburse Executive for all reasonable and appropriate out-of-pocket expenses actually incurred by him in connection with such cooperation upon reasonable substantiation of such expenses.

(m) Withholding Taxes. The Company may withhold from any amounts payable under this Agreement such Federal, state and local taxes as may be required to be withheld pursuant to any applicable law or regulation.

(n) Counterparts. This Agreement may be signed in counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

EMPLOYMENT AGREEMENT
(Ernest M. Freedman)

EMPLOYMENT AGREEMENT (the “Agreement”) dated September 4, 2015 (the “Effective Date”) by and between THR Property Management L.P. (the “Company”) and Ernest M. Freedman (“Executive”).

The Company desires to employ Executive, or cause Executive to be employed by Invitation Homes L.P., an affiliate of the Company (“IH”) and to enter into an agreement embodying the terms of such employment;

Executive desires to accept such employment and enter into such an agreement;

In consideration of the premises and mutual covenants herein and for other good and valuable consideration, the parties agree as follows:

1. Term of Employment. Subject to the provisions of Section 5 of this Agreement, Executive shall be employed by the Company as soon as reasonably possible but no later than October 26, 2015 (the “Start Date”) and ending on the third anniversary of the Effective Date (the “Employment Term”) on the terms and subject to the conditions set forth in this Agreement; provided, however, the Employment Term shall be automatically extended for an additional one-year period commencing with the third anniversary of the Effective Date and, thereafter, on each such successive anniversary of the Effective Date thereafter (each an “Extension Date”), unless the Company or Executive provides the other party hereto 60 days prior written notice before the next Extension Date that the Employment Term shall not be so extended (a “Notice of Non-Renewal”).

2. Position, Duties and Authority.

(a) Position. During the Employment Term, Executive shall serve as the Company’s Chief Financial Officer and an Executive Vice President of the Company. In such positions, Executive shall report directly to the Chief Executive Officer of the Company and shall have such duties as are reasonably requested by the Chief Executive Officer and the Board of Directors of the Company (the “Board”), consistent with duties customarily performed by a Chief Financial Officer and an Executive Vice President. The positions of Chief Financial Officer and Executive Vice President shall be located at the IH’s national headquarters in Dallas, Texas.

(b) Duties and Authority. During the Employment Term, Executive devote his full business time and reasonable best efforts to the business and affairs of the Company to perform Executive’s duties and will not engage in any other business, profession or occupation for compensation or otherwise which would unreasonably conflict or unreasonably interfere with the rendition of such services either directly or indirectly; provided that nothing herein shall preclude Executive from (i) managing personal and family investments, (ii) subject to the prior approval of the Board (such approval not to be unreasonably withheld), accepting appointment to serve on any board of directors or trustees of any business corporation, or (iii) serving as an officer or director or otherwise participating in non-profit educational, welfare, social, religious and civil organizations; provided, however, that any such activities do not materially conflict or materially interfere with the performance and fulfillment of the Executive’s duties and responsibilities as an executive or director of the Company in accordance with this Agreement or conflict with Section 6.

3. Compensation.

(a) Base Salary. During the Employment Term, the Company shall pay Executive a base salary (“Base Salary”) at an annual rate of \$500,000 and payable in regular installments in accordance with the Company’s usual payment practices. Executive shall be entitled to such increases in Executive’s Base Salary, if any, as may be determined from time to time in the sole discretion of the Board.

(b) Annual Bonus.

(i) During each fiscal year of the Employment Term, Executive shall be eligible to earn an annual bonus award (an “Annual Bonus”) with a target amount equal to 150% of then-current Base Salary, with no Annual Bonus payable if minimum performance objectives are not achieved, and the actual amount determined based on the extent to which performance objectives are achieved, in the sole discretion of the Board. Performance objectives shall consist of Company-wide performance goals and individual performance goals, to be mutually agreed to by the Board and the Executive, and shall be established by the Board and clearly communicated to Executive no later than March 31 of the calendar year to which they relate. Notwithstanding the foregoing, Executive’s actual Annual Bonus paid in respect of the 2015 fiscal year shall be no less than \$400,000, paid in 2016 at such time annual performance bonuses are paid to other senior executives of the Company but in no event later than March 31, 2016 (and regardless of whether any such bonuses are paid to such other senior executives).

(ii) Without limiting the applicability of any provision of Section 5 hereof, no Annual Bonus shall be payable in respect of any fiscal year in which Executive’s employment is terminated, unless otherwise determined by the Board in its sole discretion.

(c) Equity Arrangements.

(i) Initial Equity Grants. Subject to, and contingent upon the occurrence of the Start Date, the Company will cause the Promote Entities (as defined below) to issue equity incentive awards (the “Initial Equity Grants”) to Executive in each of the promote pools that comprise the Company’s equity incentive program as of the Start Date (the “Existing Promote Entities” and, together with any subsequent promote pools, collectively, the “Incentive Plan”). The Initial Equity Grants, taken together with Executive’s subsequent grants under the Incentive Plan (collectively, the “Equity Grants”), shall have a target aggregate exit value equal to approximately \$5,000,000, provided, that the Initial

Equity Grants shall include grants of Class B Units in each of the following Promote Entities:

Promote Entity	Class B Units
Invitation Homes L.P.	70.0
Invitation Homes 2-A L.P.	100.0
Preeminent Parent L.P.	100.0
Invitation Homes 3 L.P.	100.0
Invitation Homes 4 L.P.	100.0

(ii) Additional Equity Grants. The Company will cause each of Invitation Homes 5 L.P. and Invitation Homes 6 L.P. to issue 750.0 Class B Units to Executive at such time as other grants of Class B Units of any such Promote Entity are issued to other senior executives of the Company.

(iii) The Initial Equity Grant and any other equity grants under the Incentive Plan shall be on terms substantially similar to other senior executives of the Company and pursuant to the definitive documentation provided to Executive in connection with entering into this Agreement (the “Equity Grant Agreements”). The “Promote Entities” shall mean the direct or indirect owners of real estate assets managed or serviced by the Company and its affiliates.

4. Benefits.

(a) Employee Benefits. During the Employment Term, after sixty (60) days of employment, Executive shall be entitled to participate in the Company’s and IH’s employee benefit plans (other than annual bonus and incentive plans and severance plans, the benefits for which will be determined instead in accordance with this Agreement) as in effect from time to time, including medical benefits (collectively “Employee Benefits”), on the same basis as those benefits are generally made available to other senior executives of the Company.

(b) Relocation. The Company shall reimburse reasonable costs of relocation of Executive (and his family) to the Dallas, Texas metropolitan area in accordance with IH’s Relocation Assistance Policy, including (i) reimbursement of reasonable and customary closing costs associated with the sale of your current primary residence, including real estate commissions in an amount equal to up to 6% of sale price, and (ii) reimbursement of reasonable and customary purchase costs with respect to Executive’s primary residence in the Dallas, Texas metropolitan area, up to an amount equal to 3% of the purchase price.

(c) Other Benefits. Executive will accrue Paid Time Off (PTO) in accordance with the policy set forth in the Company’s Associate Handbook, at a rate which is currently 200 hours per year. During the Employment Term, the Company shall reimburse Executive for reasonable and necessary business expenses incurred by Executive in the performance of Executive’s duties hereunder in accordance with its then prevailing policy for senior executives (which shall include appropriate itemization and substantiation of expenses incurred).

5. Termination. The Employment Term and Executive's employment hereunder may be terminated by either party at any time and for any reason, provided that Executive and the Company will be required to give each other at least 60 days' advance written notice of any termination or resignation of Executive's employment (other than as a result of a termination for Cause or Constructive Termination), and provided, further, that the Company may provide 60 days of Base Salary in lieu of such notice. Notwithstanding any other provision of this Agreement and except as provided by applicable law, the provisions of this Section 5 and the Equity Grant Agreements shall exclusively govern Executive's rights to payments upon termination of employment with the Company and its affiliates.

(a) By the Company For Cause or By Executive Other Than as a Result of a Constructive Termination.

(i) The Employment Term and Executive's employment hereunder (x) may be terminated by the Company for Cause (as defined below) and (y) shall terminate automatically upon the effective date of Executive's resignation other than as a result of a Constructive Termination (as defined in Section 5(c)(ii)).

(ii) For purposes of this Agreement, "Cause" shall mean (1) Executive's continued and willful non-performance of Executive's duties hereunder (other than as a result of total or partial incapacity due to physical or mental illness), which failure is not cured for a period of 10 days following written notice by the Company to Executive describing such failure in reasonable detail, (2) Executive's willful malfeasance or willful misconduct in connection with Executive's duties hereunder, (3) Executive's theft or embezzlement of Company property (unless such theft or embezzlement is de minimis in value), (4) Executive's indictment for any felony under the laws of the United States or any state thereof (other than a vehicular related felony), (5) Executive's breach of Section 6, or (6) Executive's material or willful breach of Section 7 of this Agreement (such breach, a "Material Confidentiality Breach").

(iii) If Executive's employment is terminated by the Company for Cause or by Executive other than as a result of a Constructive Termination, Executive shall be entitled to receive "Accrued Rights" (collectively, the benefits set forth in subparagraphs (A) through (D)):

(A) no later than ten (10) days following the date of termination, the then accrued Base Salary through the date of termination;

(B) any Annual Bonus (if applicable) earned, but unpaid, as of the date of termination for the immediately preceding fiscal year, paid in accordance with Section 3 (except to the extent payment is otherwise deferred pursuant to any applicable deferred compensation arrangement with the Company, in which case such payment shall be made in accordance with the terms and conditions of such deferred compensation arrangement);

(C) reimbursement, within 60 days following receipt by the Company of Executive's claim for such reimbursement (including appropriate supporting documentation), for any unreimbursed business expenses properly incurred by Executive in accordance with Company policy prior to Executive's termination; provided that such claims for such reimbursement are submitted to the Company within 90 days following the date of Executive's termination of employment;

(D) such Employee Benefits, if any, to which Executive may be entitled under the employee benefit plans of the Company, payable in accordance with the terms and conditions of such employee benefit plans; and

(E) If such termination of employment is by Executive other than as a result of a Constructive Termination and such termination occurs both after a Dissolution and after the first anniversary of the Start Date, Executive will be entitled to receive a cash severance payment (the "Severance Payment"), subject to Executive's continued compliance with Section 6 hereof during the Restricted Period and Executive's continued material compliance with Section 7 hereof during the Restricted Period, on the 60th day following the date of termination in an amount determined as follows:

- (1) If the Equity Grant Value (as defined below) is less than the Minimum Equity Grant Value, then the Severance Payment shall be equal to the amount by which the Minimum Equity Grant Value exceeds the Equity Grant Value, and the Company or one of its affiliates or a designee also shall (unless otherwise agreed by the Company and Executive) purchase, and Executive agrees to sell or cause to be sold, such vested Equity Grants at the Equity Grant Value (less all proceeds previously received in respect of all Equity Grants), with such purchase to occur on a date selected by the Company but no later than six months and one day after the date of termination governed by this Section 5(c), or such later date as is required to comply with any accounting principles such that the equity grants shall not be treated as a "liability award".
- (2) If the Equity Grant Value is equal to or greater than the Minimum Equity Grant Value, then the Company shall cause the issuers of the Equity Grants to make an advance against future proceeds payable in respect of the Equity Grants out of available profits within 60 days of the termination date equal to the Minimum Equity Grant Value, less all proceeds previously received in respect of all Equity Grants (and Executive shall retain the vested Equity Grants, subject to the terms thereof).

- (3) For purposes of determining the Severance Payment, the “Equity Grant Value” is equal to the sum of (x) the fair value as of the date of termination (as reasonably determined by the Board) of the vested portion of the Equity Grants (giving effect to any accelerated vesting in connection with the termination or otherwise) and (y) all proceeds previously received in respect of the Equity Grants; and “Minimum Equity Grant Value” is equal to \$3,500,000

Following such termination of Executive’s employment by the Company for Cause or by Executive other than as a result of a Constructive Termination, except as set forth in this Section 5(a)(iii), Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(b) Disability or Death.

(i) The Employment Term and Executive’s employment hereunder shall terminate upon Executive’s death and may be terminated by the Company if Executive becomes physically or mentally incapacitated and is therefore unable for an aggregate of twelve (12) months in any twenty-four (24) consecutive month period to perform Executive’s duties (such incapacity is hereinafter referred to as “Disability”). Any question as to the existence of the Disability of Executive as to which Executive and the Company cannot agree shall be determined in writing by a qualified independent physician mutually acceptable to Executive and the Company. If Executive and the Company cannot agree as to a qualified independent physician, each shall appoint such a physician and those two physicians shall select a third physician who shall make such determination in writing. The determination of Disability made in writing to the Company and Executive shall be final and conclusive for all purposes of the Agreement.

(ii) Upon termination of Executive’s employment hereunder for either Disability or death, Executive or Executive’s estate (as the case may be) shall be entitled to receive:

(A) The Accrued Rights;

(B) If such termination for either Disability or death occurs after the first anniversary of the Start Date, Severance Payment, in accordance with (and subject to all provisions of) Section 5(a)(iii)(E), except that in the event of death or disability a dissolution is not necessary to invoke Section 5(a)(iii)(E); and

(C) Within 60 days of the applicable termination date, a pro rata portion (based on the number of days Executive is employed during the year of termination) of the greater of (x) Executive’s target bonus for the year of termination and (y) Executive’s Annual Bonus for the year immediately preceding the year of termination.

(iii) Following Executive's termination of employment due to death or Disability, except as set forth in this Section 5(b), Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(c) By the Company Without Cause or Resignation by Executive as a Result of Constructive Termination.

(i) The Employment Term and Executive's employment hereunder may be terminated by the Company without Cause or by Executive as a result of a Constructive Termination.

(ii) For purposes of this Agreement, a "Constructive Termination" shall mean any of the foregoing events: (A) a material reduction in Executive's Base Salary or target bonus opportunity (as a percentage of Base Salary), except as provided by Section 3 above; (B) the failure of the Company to pay or provide or cause to be paid or provided Executive's Base Salary or Annual Bonus when due; (C) delivery by the Company to Executive of a Notice of Non-Renewal; (D) a material and sustained diminution in Executive's authority and duties; and/or (E) a relocation of Executive's principal place of employment by more than 50 miles; provided that any event described in this Section 5(c)(ii) shall not constitute a Constructive Termination unless the Company fails to cure such event within 10 days after receipt from Executive of written notice of the event which otherwise would constitute Constructive Termination; and provided, further, that "Constructive Termination" shall cease to exist for an event on the 90th day following the later of its occurrence or Executive's actual knowledge thereof, unless Executive has given the Board written notice thereof prior to such date.

(iii) If Executive's employment is terminated by the Company without Cause (other than by reason of death or Disability, or in connection with a Dissolution (as defined below)) or Executive resigns as a result of a Constructive Termination, Executive shall be entitled to receive:

(A) The Accrued Rights;

(B) If Executive elects continuation of his medical and dental coverage under COBRA, Executive's coverage and participation under the Company's and/or IH's medical and dental benefit plans in which he was participating immediately prior to termination of employment pursuant to this 5(c)(iii)(B) ("Medical and Dental Benefits") shall continue at the same cost to him as the cost for the Medical and Dental Benefits immediately prior to such termination until the earlier of (i) the expiration of the maximum period for such coverage allowable under COBRA (but no longer than 12 months) or (ii) the date on which Executive receives medical and/or dental coverage from a third party (it being understood that such continuation of coverage may be made by paying Executive a series of monthly payments sufficient, on a grossed up basis, after payment of federal, state and local income taxes, to pay his applicable monthly COBRA premium) (the "Medical Continuation Benefit"). Executive may choose to continue his Medical and Dental Benefits under COBRA at his own expense for the balance, if any, of the period required by law;

(C) An amount equal to the sum of (x) one times the Base Salary, plus (y) Executive's Annual Bonus for the year immediately preceding the year of termination or, if Executive has not received an Annual Bonus in respect of a full fiscal year, an amount equal to Executive's target Annual Bonus amount;

(D) If such termination by the Company without Cause or by Executive as a result of a Constructive Termination occurs after the first anniversary of the Start Date, the Severance Payment, in accordance with (and subject to all provisions of) Section 5(a)(iii)(E), except that in the event of a termination by the Company without Cause or by Executive as a result of a Constructive Termination a dissolution is not necessary to invoke Section 5(a)(iii)(E); and

(iv) Following Executive's termination of employment by the Company without Cause (other than by reason of Executive's death or Disability, or in connection with a Dissolution) or by Executive's resignation as a result of a Constructive Termination, except as set forth in this Section 5(c) and the Equity Grant Agreements, Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(d) By the Company without Cause in Connection with a Dissolution.

(i) For purposes of this Agreement, a "Dissolution" means a sale of all or substantially all of the assets of, or a liquidation of, the Company, the Promote Entities, and their respective affiliates, or an event or series of events, in each case following which The Blackstone Group L.P. and its affiliates cease to hold any equity interest the Company, the Promote Entities, or any of their affiliates.

(ii) If Executive's employment is terminated by the Company without Cause in connection with a Dissolution (other than by reason of death or Disability), Executive shall be entitled to receive:

(A) The Accrued Rights;

(B) The Medical Continuation Benefit;

(C) An amount equal to the sum of (x) one times the Base Salary, plus (y) Executive's Annual Bonus for the year immediately preceding the year of termination or, if Executive has not received an Annual Bonus in respect of a full fiscal year, an amount equal to Executive's target Annual Bonus amount;

(D) The Severance Payment in accordance with (and subject to all provisions of) Section 5(a)(iii)(E), except that the restriction related to first anniversary date shall not apply; and

(E) The Company shall reimburse reasonable costs of relocation of Executive (and his family) to a location in the United States of Executive's choosing (the "Relocation Destination"), in such amounts and subject to the terms set forth in Exhibit A to this Agreement. All such relocation payments and benefits will be fully grossed-up for any applicable income and employment taxes with respect to any reportable income.

(iii) Following Executive's termination of employment by the Company without Cause in connection with a Dissolution (other than by reason of Executive's death or Disability), except as set forth in this Section 5(d) and the Equity Grant Agreements, Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(e) Release. Amounts payable to Executive under Section 5(a)(iii)(E), Sections 5(b)(ii)(B) and (C), Sections 5(c)(iii)(B), (C), and (D); or Section 5(d)(ii)(B), (C), (D), and (E) above (collectively, the "Conditional Benefits") are subject to execution and non-revocation of a release of claims by Executive (or, if applicable, Executive's estate), substantially in the form attached hereto as Exhibit B, within the applicable time limits set forth in the release.

(f) Continued Employment Beyond the Expiration of the Employment Term. Unless the parties otherwise agree in writing and without limiting the applicability of Sections 5(c)(ii)(C) and 5(c)(iii) hereof, continuation of Executive's employment with the Company beyond the expiration of the Employment Term following the delivery of a Notice of Non-Renewal shall be deemed an employment at-will on terms to be negotiated by the Parties, if any, and Executive's employment may thereafter be terminated at will by either Executive or the Company; provided that, the provisions of Sections 6 and 7 of this Agreement shall survive any termination of this Agreement resulting from a Notice of Non-Renewal or Executive's termination of employment that occurs after the expiration of the Employment Term. For the avoidance of doubt, no payment shall be required to cause Section 6 to survive a termination of employment during the Employment Term.

(g) Notice of Termination. Any purported termination of employment by the Company or by Executive (other than due to Executive's death) hereunder shall be communicated by written Notice of Termination to the other party hereto in accordance with Section 8(j) hereof, indicating the specific termination provision in this Agreement relied upon.

(h) Board/Committee Resignation. Upon termination of Executive's employment for any reason, Executive agrees to resign, as of the date of such termination and to the extent applicable, from any board of directors (and any committees thereof) of any of the Company and its affiliates.

(i) Forfeiture. Upon written notice by the Company to Executive that Executive has committed any breach of Section 6 hereof or a Material Confidentiality Breach during the Restricted Period following Executive's termination of employment, Executive shall repay to the Company an amount equal to the after-tax proceeds of any Conditional Benefits (the "Severance Clawback Amount"). Any determination under this Section 5 of whether Executive is in compliance with Section 6 hereof or committed a Material Confidentiality Breach shall be determined without regard to whether Section 6 or 7, as applicable, is enforceable under applicable law.

6. Non-Competition.

(a) Competitive Activity. Executive acknowledges and recognizes the highly competitive nature of the businesses of the Company, the Promote Entities, and their respective subsidiaries, and accordingly agrees as follows:

(i) During the Employment Term and for a period equal to 12 months following the date Executive ceases to be employed by the Company for any reason (the "Restricted Period"), Executive will not, whether on Executive's own behalf or on behalf of or in conjunction with any person, firm, partnership, joint venture, association, corporation or other business organization, entity or enterprise whatsoever ("Person"), directly or indirectly solicit or assist in soliciting in competition with the Restricted Group in the Business the business of any then current or prospective client or customer with whom Executive (or his direct reports) had personal contact or dealings on behalf of the Company during the one-year period preceding Executive's termination of employment.

(ii) During the Restricted Period, Executive will not, directly or indirectly:

(A) engage in the Business in any geographical area where the Restricted Group engages in the Business (or has established, during the Employment Term, plans engage in the Business during the Restricted Period);

(B) enter the employ of, or render any services to, a Competitor, except where such employment or services do not relate to the Business; or

(C) acquire a 10% or greater financial interest in a Competitor, directly or indirectly, as an individual, partner, shareholder, officer, director, principal, agent, trustee or consultant.

(iii) Notwithstanding anything to the contrary in this Agreement, the provisions of this Section 6 shall not restrict the ownership of any number of single-family homes for personal use by Executive or up to five additional single-family homes as personal investments.

(iv) During the Restricted Period, Executive will not, whether on Executive's own behalf or on behalf of or in conjunction with any Person, directly or indirectly:

(A) solicit or encourage any employee of the Restricted Group (other than Executive's personal assistant/secretary) to leave the employment of the Restricted Group; or

(B) hire any such employee who was employed by the Restricted Group as of the date of Executive's termination of employment with the Company or who left the employment of the Restricted Group within three months prior to the termination of Executive's employment with the Company (other than Executive's personal assistant/secretary).

(v) For purposes of this Agreement:

(A) "Restricted Group" shall mean, collectively, the Company, the Promote Entities, and their respective subsidiaries.

(B) "Business" shall mean the business of acquiring controlling investments in, owning, developing, leasing, operating or managing one to four unit residential real properties, including single-family homes in planned unit developments and individual single family townhomes and individual residential condominium units in a low-rise or high-rise condominium project, where such properties are located in the United States.

(C) "Competitor" shall mean any Person engaged in the Business in direct competition with a member of the Restricted Group, but excluding any Person for which less than 10% of its revenue during its most recent fiscal year is derived from activities similar to the Business.

(b) It is expressly understood and agreed that although Executive and the Company consider the restrictions contained in this Section 6 to be reasonable, if a final judicial determination is made by a court of competent jurisdiction that the time or territory or any other restriction contained in this Agreement is an unenforceable restriction against Executive, the provisions of this Agreement shall not be rendered void but shall be deemed amended to apply as to such maximum time and territory and to such maximum extent as such court may judicially determine or indicate to be enforceable. Alternatively, if any court of competent jurisdiction finds that any restriction contained in this Agreement is unenforceable, and such restriction cannot be amended so as to make it enforceable, such finding shall not affect the enforceability of any of the other restrictions contained herein.

(c) The period of time during which the provisions of this Section 6 shall be in effect shall be extended by the length of time during which Executive is in breach of the terms hereof as determined by any court of competent jurisdiction on the Company's application for injunctive relief.

(d) Subject to Section 5(h), the provisions of Section 6 hereof shall survive the termination of Executive's employment for any reason.

7. Confidentiality: Intellectual Property.

(a) Confidentiality.

(i) Executive will not at any time (whether during or after Executive's employment with the Company) (x) retain or use for the benefit, purposes or account of Executive or any other Person; or (y) disclose, divulge, reveal, communicate, share, transfer or provide access to any Person outside the Company and its affiliates (other than its professional advisers who are bound by confidentiality obligations, lenders and partners or otherwise in performance of Executive's duties hereunder), any proprietary and non-public/confidential information (including without limitation trade secrets, know-how, research and development, software, databases, inventions, processes, formulae, technology, designs and other intellectual property, information concerning finances, investments, profits, pricing, costs, products, services, vendors, customers, clients, partners, investors, personnel, compensation, recruiting, training, advertising, sales, marketing, promotions, government and regulatory activities and approvals) concerning the past, current or future business, activities and operations of the Company, any Promote Entity, or any of their respective subsidiaries or affiliates ("Confidential Information") without the prior written authorization of the Board; provided, however, that the conscious awareness of any Confidential Information (as opposed to the physical possession of documentary Confidential Information) by Executive, and Executive's consideration of such information in connection with his pursuit or evaluation of, involvement with or participation in, any project or activity that is not prohibited by this Agreement shall be deemed not to constitute a breach of Section 7(a)(i)(x) or Section 7(a)(iv)(x) hereof in any manner whatsoever, unless such Executive's use of such Confidential Information has an objective and detrimental impact on the business of the Company and its subsidiaries.

(ii) "Confidential Information" shall not include any information that is (A) generally known to the industry or the public other than as a result of Executive's breach of this covenant; (B) made legitimately available to Executive by a third party without breach of any confidentiality obligation of which Executive has knowledge (it being understood that any information made available by an employee, officer or director of the Company and its affiliates shall not be protected by this exclusion); or (C) required by law to be disclosed; provided that with respect to subsection (C) Executive shall give prompt written notice to the Company of such requirement and reasonably cooperate with any attempts by the Company to obtain a protective order or similar treatment.

(iii) Except as required by law, Executive will not disclose to anyone, other than Executive's family (it being understood that, in this Agreement, the term "family" refers to Executive, Executive's spouse, minor children, parents and spouse's parents) and legal or financial advisors, the existence or contents of this Agreement; provided that Executive may disclose to any prospective future employer the provisions of Sections 6 and 7 of this Agreement; provided they agree to maintain the confidentiality of such terms. This Section 7(a)(iii) shall terminate if the Company publicly discloses a copy of this Agreement (or, if the Company publicly discloses summaries or excerpts of this Agreement, to the extent so disclosed).

(iv) Upon termination of Executive's employment with the Company for any reason, Executive shall (x) except as otherwise provided herein, cease and not thereafter commence use of any Confidential Information or intellectual property (including without limitation, any patent, invention, copyright, trade secret, trademark, trade name, logo, domain name or other source indicator) owned or used by the Company, its subsidiaries or affiliates; (y) immediately destroy, delete, or return to the Company, at the Company's option and expense, all originals and copies in any form or medium (including memoranda, books, papers, plans, computer files, letters and other data) in Executive's possession or control (including any of the foregoing stored or located in Executive's office, home, laptop or other computer, whether or not Company property) that contain Confidential Information, except that Executive may retain documents (1) related to the terms of Executive's employment, (2) related to Executive's Equity Grants, (3) related to amounts due to Executive pursuant to any agreement between Executive and the Company or any of its subsidiaries or affiliates, (4) that Executive reasonably believes (after consultation with counsel) to be required by law, court order or regulatory authority or as needed by Executive's legal, tax or other professional advisors for so long as Executive reasonably believes retention of documents may serve any such purpose or (5) if such documents only contain information that is available to the general public.; and (z) notify and reasonably cooperate with the Company regarding the delivery or destruction of any other Confidential Information of which Executive is or becomes aware.

(b) Intellectual Property.

(i) If Executive creates, invents, designs, develops, contributes to or improves any works of authorship, inventions, intellectual property, materials, documents or other work product (including, without limitation, research, reports, software, databases, systems, applications, presentations, textual works, content, or audiovisual materials), either alone or with third parties, at any time during Executive's employment by the Company and within the scope of such employment and with the use of any the Company's resources (" Company Works"), Executive shall promptly and fully disclose same to the Company and hereby irrevocably assigns, transfers and conveys, to the maximum extent permitted by applicable law, all rights and intellectual property rights therein (including rights under patent, industrial property, copyright, trademark, trade secret, unfair competition and related laws) to the Company to the extent ownership of any such rights does not vest originally in the Company.

(ii) Executive shall take all requested actions and execute all requested documents (including any licenses or assignments required by a government contract) at the Company's expense (but without further remuneration) to assist the Company in validating, maintaining, protecting, enforcing, perfecting, recording, patenting or registering any of the Company's rights in the Company Works. If the Company is unable for any other reason, to secure Executive's signature on any document for this purpose, then Executive

hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as Executive's agent and attorney in fact, to act for and in Executive's behalf and stead to execute any documents and to do all other lawfully permitted acts required in connection with the foregoing.

(iii) The provisions of Section 7 hereof shall survive the termination of Executive's employment for any reason (except as otherwise set forth in Section 7(a)(iii) hereof).

(c) Specific Performance. Executive acknowledges and agrees that the Company's remedies at law for a breach or threatened breach of Section 6 or 7 of this Agreement may be inadequate and the Company may suffer irreparable damages as a result of such breach. In recognition of this fact, Executive agrees that, in the event of an actual breach of Section 6 or an actual Material Confidentiality Breach, in addition to any remedies at law, the Company, without posting any bond, shall be entitled to cease making any payments or providing any benefit otherwise required by Section 5(c)(iii) this Agreement (excluding the Accrued Rights) and seek equitable relief in the form of specific performance, temporary restraining order, temporary or permanent injunction or any other equitable remedy which may then be available.

8. Miscellaneous.

(a) Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without regard to conflicts of laws principles thereof. The parties acknowledge that the Company's business activities take place in multiple jurisdictions and that the parties hereby selected the laws of the State of New York in light of such multijurisdictional presence.

(b) Indemnification. Executive shall be indemnified to the fullest extent permitted by law by the Company against any losses, claims, damages, liabilities, and expenses (including attorneys' fees, judgments, fines, penalties and amounts paid in settlement) incurred by or imposed upon Executive by reason of or in connection with any action taken or omitted by Executive arising out of Executive's employment, including in connection with any action, suit or proceeding before any judicial, administrative or legislative body or agency to which Executive may be made a party or otherwise involved or with which it shall be threatened. The right to indemnification granted by this section shall be in addition to any rights to which Executive may otherwise be entitled. The Company shall advance or pay the expenses incurred by Executive in defending or investigating a civil or criminal action, suit or proceeding to the fullest extent permitted by law.

(c) Entire Agreement/Amendments. This Agreement (including, without limitation, the schedules and exhibits attached hereto) and the Equity Grant Agreements contain the entire understanding of the parties with respect to the employment of Executive by the Company. There are no restrictions, agreements, promises, warranties, covenants or undertakings between the parties with respect to the subject matter herein other than those expressly set forth herein or therein. This Agreement (including, without limitation, the schedules and exhibits attached hereto) may not be altered, modified, or amended except by written instrument signed by the parties hereto.

(d) No Waiver. The failure of a party to insist upon strict adherence to any term of this Agreement on any occasion shall not be considered a waiver of such party's rights or deprive such party of the right thereafter to insist upon strict adherence to that term or any other term of this Agreement.

(e) Severability. In the event that any one or more of the provisions of this Agreement shall be or become invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions of this Agreement shall not be affected thereby.

(f) Assignment. This Agreement, and all of Executive's rights and duties hereunder, shall not be assignable or delegable by Executive. Any purported assignment or delegation by Executive in violation of the foregoing shall be null and void *ab initio* and of no force and effect. This Agreement may be assigned by the Company to a person or entity which is a successor in interest to substantially all of the business operations of the Company, but only if such person agrees, in writing, to be bound to the terms hereof to the same extent as the Company. Upon such assignment, the rights and obligations of the Company hereunder shall become the rights and obligations of such affiliate or successor person or entity.

(g) Set Off; No Mitigation. The Company's obligation to pay or provide Executive payments and benefits in accordance with Sections 3, 4, and 5 hereof shall be subject to set-off, or recoupment of amounts owed by Executive to the Company, its subsidiaries or its direct parent entities. Executive shall not be required to mitigate the amount of any payment provided for pursuant to this Agreement by seeking other employment, and such payments shall not be reduced by any compensation or benefits received from any subsequent employer, self-employment or other endeavor.

(h) Compliance with Section 409A. Notwithstanding anything herein to the contrary, (i) if at the time of Executive's termination of employment with the Company Executive is a "specified employee" as defined in Section 409A of the Code and the deferral of the commencement of any payments or benefits otherwise payable hereunder as a result of such termination of employment is necessary in order to prevent any accelerated or additional tax under Section 409A of the Code, then the payments to which Executive would otherwise be entitled during the first six months following his termination of employment shall be deferred and accumulated (without any reduction in such payments or benefits ultimately paid or provided to Executive) for a period of six months from the date of termination of employment and paid in a lump sum on the first day of the seventh month following such termination of employment (or, if earlier, the date of Executive's death), and (ii) if any other payments of money or other benefits due to Executive hereunder would cause the application of an accelerated or additional tax under Section 409A of the Code, such payments or other benefits shall be deferred if deferral will make such payment or other benefits compliant under Section 409A of the Code, or otherwise such payment or other benefits shall be restructured, to the extent possible, in a manner, determined by the Board, that does not cause such an accelerated or additional tax. Furthermore, the Company intends that this Agreement shall comply with Section 409A and shall be interpreted, operated and administered accordingly. To the extent that reimbursements or other in-kind benefits under this Agreement constitute "nonqualified deferred compensation" for purposes of Section 409A of the Code, (A) all expenses or other reimbursements hereunder shall

be made on or prior to the last day of the taxable year following the taxable year in which such expenses were incurred by Executive, (B) any right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit, and (C) no such reimbursement, expenses eligible for reimbursement, or in-kind benefits provided in any taxable year shall in any way affect the expenses eligible for reimbursement, or in-kind benefits to be provided, in any other taxable year.

(i) Successors; Binding Agreement. This Agreement shall inure to the benefit of and be binding upon personal or legal representatives, executors, administrators, successors, heirs, distributees, devisees and legatees.

(j) Notice. For the purpose of this Agreement, notices and all other communications provided for in the Agreement shall be in writing and shall be deemed to have been duly given when delivered by hand or overnight courier or three days after it has been mailed by United States registered mail, return receipt requested, postage prepaid, addressed to the respective addresses set forth below in this Agreement, or to such other address as either party may have furnished to the other in writing in accordance herewith, except that notice of change of address shall be effective only upon receipt.

Executive agrees that the Company is relying on the foregoing representations in entering into this Agreement and the Equity Grant Agreements, and that any breach of the foregoing representations shall constitute dishonesty in the performance of Executive's duties hereunder.

(l) Prior Agreements. (m) Cooperation. (n) Withholding Taxes. The Company may withhold from any amounts payable under this Agreement such Federal, state and local taxes as may be required to be withheld pursuant to any applicable law or regulation.

(o) Counterparts. This Agreement may be signed in counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

(b) “Restrictive Covenant Violation” means any event that constitutes a breach of any covenant regarding confidentiality, solicitation of employees or customers, protection of trade secrets or confidential information, or non-disparagement entered into by and between you and the Partnership.

(c) “Sale Transaction” shall mean (i) the date of the sale or disposition, in one or a series of related transactions, of all or substantially all of the assets of the Partnership, taken as a whole, to any “person” or “group” (as such terms are defined in Sections 13(d)(3) and 14(d)(2) of the Securities Exchange Act of 1934, as amended from time to time, and the rules and regulations promulgated pursuant thereto (the “Exchange Act”) other than BREP IH6 Holdings LLC, a Delaware limited liability company or any of its affiliates (the “Sponsor” and together with its affiliates, the “Sponsor Group”), or (ii) the date on which the Sponsor Group ceases to be the “beneficial owner” (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of at least 15% by vote and value of the outstanding equity capital of the Partnership (or, if applicable, the equivalent equity capital in any successor entity or affiliated entity that becomes the holder of the principal operations of the Partnership and its subsidiaries).

3. Withholding. The Bonus Award will be paid less any applicable federal, municipal, state, local or other surcharge or withholding requirements which may be required to be withheld by the Company pursuant to any applicable law or regulation.

5. Transferability. None of your rights under this Award Letter may be assigned, transferred, pledged or otherwise disposed of, other than by your will or under the laws of descent and distribution.

6. No Right To Employment or Other Benefits. This Award Letter shall not be construed as giving you the right to be retained in the employ of, or in any consulting relationship to the Partnership or any of its affiliates or subsidiaries. Further, the Company may at any time dismiss you from employment or discontinue any consulting relationship, free from any liability of any claim under this Award Letter. This Award Letter does not confer upon you any rights to receive any additional award, severance or change in control benefits, other than the Bonus Award.

7. No Trust Fund. This Award Letter shall not be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Partnership and any of its affiliates and you or any other person. To the extent that you acquire the right to receive payments from the Company under this Award Letter, such right shall be solely with respect the Company, and shall be no greater than the right of any unsecured general creditor of the Company.

8. Other Plans. Any portion of the Bonus Award that may become payable to you hereunder shall not be taken into account in computing your salary or other compensation for purposes of determining any benefits or compensation payable to you or your beneficiaries or estate under (a) any pension, retirement, life insurance or other benefit arrangement of the Company, or (b) any other agreement between you and the Company.

9. Amendment. This Award Letter may not be amended or modified other than by a written agreement executed by you and the Partnership, nor may any provision hereof be waived other than by a writing executed by you and the Partnership (or its successor).

10. Entire Agreement. This Award Letter and the documents referred to herein or delivered pursuant hereto which form a part hereof contain the entire understanding of the parties with respect to the subject matter hereof and thereof. There are no restrictions, agreements, promises, representations, warranties, covenants or undertakings with respect to the subject matter hereof other than those expressly set forth herein and therein. RECITALS:

WHEREAS, the Participant holds a number of Class B Units (the “Class B Units”) in one or more of the IH Partnerships specified on the Signature Page, which Class B Units are governed by one or more Management Subscription Agreements (collectively, the “Subscription Agreements”);

WHEREAS, all of the Participant’s Class B Units are being cancelled and the Participant is to receive shares of common stock (“Shares”), par value \$0.01, of the Company (the “Common Stock”) in redemption of the Class B Units (the “Redemption”), effective prior to or substantially concurrent with the consummation of the IPO (as defined below) (the date and time that the Redemption is effective, the “Redemption Date”);

WHEREAS, the Company has adopted the Invitation Homes Inc. 2016 Omnibus Incentive Plan (the “Plan”), the terms of which Plan are incorporated herein by reference and made a part of this Agreement, and capitalized terms not otherwise defined herein shall have the same meanings as in the Plan; and

WHEREAS, as of the Redemption Date, the Class B Units will be cancelled and will cease to be issued and outstanding and the Participant shall receive Shares with an equivalent value based on the IPO Price (as defined below), as described herein and otherwise subject to the terms hereof and the Plan.

NOW THEREFORE, in consideration of the mutual covenants hereinafter set forth, the parties agree as follows:

1. Redemption.

(a) The Shares.

(i) Subject to the terms and conditions of the Plan and the additional terms and conditions set forth in this Agreement and effective as of the Redemption Date, the Company and the IH Partnerships will cause the Class B Units to be cancelled and the

Participant to receive, in redemption, conversion and/or exchange for such cancelled Class B Units, a whole number of vested Shares (the “Vested Shares”) and unvested Shares (the “Unvested Restricted Shares”) determined in the manner provided in Section 1(a)(ii), below. The Compensation Committee of the Board of Directors of the Company (the “Committee”) shall specify on the Signature Page hereto, with respect to:

(A) the Class B Units in IH1, the number of Vested Shares (the “IH1 Vested Shares”) and Unvested Restricted Shares (the “IH1 Unvested Restricted Shares”), and together with the IH1 Vested Shares, the “IH1 Series Restricted Shares”) redeemable, convertible and/or exchangeable for such Class B Units;

(B) the Class B Units in IH2, the number of Vested Shares (the “IH2 Vested Shares”) and Unvested Restricted Shares (the “IH2 Unvested Restricted Shares”), and together with the IH2 Vested Shares, the “IH2 Series Restricted Shares”) redeemable, convertible and/or exchangeable for such Class B Units;

(C) the Class B Units in IH3, the number of Vested Shares (the “IH3 Vested Shares”) and Unvested Restricted Shares (the “IH3 Unvested Restricted Shares”), and together with the IH3 Vested Shares, the “IH3 Series Restricted Shares”) redeemable, convertible and/or exchangeable for such Class B Units;

(D) the Class B Units in IH4, the number of Vested Shares (the “IH4 Vested Shares”) and Unvested Restricted Shares (the “IH4 Unvested Restricted Shares”), and together with the IH4 Vested Shares, the “IH4 Series Restricted Shares”) redeemable, convertible and/or exchangeable for such Class B Units;

(E) the Class B Units in IH5, the number of Vested Shares (the “IH5 Vested Shares”) and Unvested Restricted Shares (the “IH5 Unvested Restricted Shares”), and together with the IH5 Vested Shares, the “IH5 Series Restricted Shares”) redeemable, convertible and/or exchangeable for such Class B Units; and

(F) the Class B Units in IH6, the number of Vested Shares (the “IH6 Vested Shares”) and Unvested Restricted Shares (the “IH6 Unvested Restricted Shares”), and together with the IH6 Vested Shares, the “IH6 Series Restricted Shares”) redeemable, convertible and/or exchangeable for such Class B Units (the IH1 Series Restricted Shares, the IH2 Series Restricted Shares, the IH3 Series Restricted Shares, the IH4 Series Restricted Shares, the IH5 Series Restricted Shares and the IH6 Series Restricted Shares, collectively, the “Restricted Shares”).

(ii) The number of Restricted Shares shall be calculated by the Committee in its sole discretion, such that (x) the intrinsic value of all such Class B Units (calculated based on the price to public at which the Common Stock is sold in the Company’s initial public offering (the “IPO”), and such price, the “IPO Price”), the number of such Shares held by the applicable IH Partnership prior to the Redemption and the relative rights and priorities applicable to the Class B Units under the applicable IH Partnership’s organizational documents immediately prior to the Redemption) is equal to (y) the intrinsic value of all such Shares using the IPO Price, in each case, as calculated by the Committee.

(b) Vesting.

(i) The IH1 Vested Shares, IH2 Vested Shares, IH3 Vested Shares, IH4 Vested Shares, IH5 Vested Shares and IH6 Vested Shares shall not be subject to any vesting conditions.

(ii) The Unvested Restricted Shares shall vest and become Vested Shares, with respect to (i) the IH1 Unvested Restricted Shares, in accordance with Schedule I-A, (ii) the IH2 Unvested Restricted Shares, in accordance with Schedule I-B, (iii) the IH3 Unvested Restricted Shares, in accordance with Schedule I-C, (iv) the IH4 Unvested Restricted Shares, in accordance with Schedule I-D, (v) the IH5 Unvested Restricted Shares, in accordance with Schedule I-E and (vi) the IH6 Unvested Restricted Shares, in accordance with Schedule I-F, in the case of each of Schedules I-A through I-F, as attached hereto.

(iii) If the Participant's employment with the Company and its Subsidiaries is terminated at any time, all Unvested Restricted Shares shall automatically and immediately be forfeited and canceled (after giving effect to any acceleration of vesting or other applicable terms set forth in Schedules I-A through I-F attached hereto). In addition, if (x) the Participant's employment with the Company and its Subsidiaries is terminated by the Company for Cause or (y) the Participant resigns at a time when grounds for a termination of the Participant's employment for Cause existed, in either case, the Participant shall forfeit any Vested Shares for no consideration.

(c) Section 83(b) Election. Within 10 days after the Redemption Date, the Participant shall provide the Company with a copy of a completed election under Section 83(b) of the Code in the form of Exhibit A attached hereto. The Participant shall timely (within 30 days) file (via certified mail, return receipt requested) such election with the Internal Revenue Service, and thereafter shall certify to the Company that the Participant has made such timely filing and furnish a copy of such filing to the Company. The Participant should consult the Participant's tax advisor regarding the consequences of a Section 83(b) election, as well as the receipt, vesting, holding and sale of the Restricted Shares.

(d) Participant acknowledges that the Shares have not been registered under the Securities Act or any other state or foreign securities law, and accordingly, may not be offered, sold or transferred except pursuant to an effective registration statement under the Securities Act or pursuant to an applicable exemption therefrom.

2. Prior Agreements; Restrictive Covenants.

(a) Restrictive Covenants. The Participant acknowledges and recognizes the highly competitive nature of the businesses of the Company and its Affiliates and accordingly reaffirms, in the Participant's capacity as an investor and equityholder in the Company and its Affiliates, the restrictive covenants set forth as an appendix to each applicable Subscription Agreement (the "Restrictive Covenants"), with such changes to conform the Restrictive Covenants to reflect the Redemption and the IPO, including, but not limited to, the definitions of "Restricted Group" and "Business" contained therein. The Participant acknowledges and agrees that the Company's remedies at law for a breach or threatened breach of the Restrictive Covenants would be inadequate and the Company would suffer irreparable damages as a result of such breach or threatened breach. In recognition of this fact, the Participant agrees that, in the event of such a breach or threatened breach, in addition to any remedies at law, the Company, without posting any bond, shall be entitled to cease making any payments or providing any benefit otherwise required by this Agreement or any other agreement between the Company and its Affiliates, on the one hand, and the Participant and the Participant's Affiliates, on the other, and obtain equitable relief in the form of specific performance, temporary restraining order, temporary or permanent injunction or any other equitable remedy which may then be available. Notwithstanding the foregoing, if the Participant's principal place of employment when the Class B Units were obtained is located in the State of California, the Restrictive Covenants relating to non-competition shall not apply to the Participant. For the avoidance of doubt, the Restrictive Covenants contained in this Agreement are in addition to, and not in lieu of, any other restrictive covenants or similar covenants or agreements between the Participant and the Company or any of its Affiliates. For purposes of this Agreement, "Restrictive Covenant Violation" means the Participant's breach of any of the Restrictive Covenants or any similar provision applicable to the Participant.

(b) Repayment of Proceeds. In the event of a Restrictive Covenant Violation, a termination of the Participant's employment by the Company for Cause, or if the Company discovers after a termination of the Participant's employment that grounds for a termination of employment with Cause existed at the time of such termination of employment, then the Participant shall be required, in addition to any other remedy available (on a non-exclusive basis), to pay to the Company, within 10 business days of the Company's request to the Participant therefor, an amount equal to the excess, if any, of (i) the aggregate after-tax proceeds (taking into account all amounts of tax that would be recoverable upon a claim of loss for payment of such proceeds in the year of repayment) Participant received upon the sale or other disposition of, or distributions in respect of, (A) prior to the Redemption Date, the Class B Units, and (B) the Shares issued hereunder over (ii) the aggregate Cost of such Shares. For purposes of this Agreement, "Cost" means, in respect of any Share, the amount paid by the Participant for the Class B Units that were exchanged for such Share, as proportionately adjusted for all subsequent distributions on the Shares and other recapitalizations and less the amount of any distributions made with respect to (x) prior to the Redemption Date, the Class B Units or (y) the Share, in each case, pursuant to the applicable IH Partnership's or the Company's organizational documents, as applicable; provided that Cost may not be less than zero. Any reference in this Agreement to grounds existing for a termination of employment, with Cause shall be determined without regard to any notice period, cure period, or other procedural delay or event required prior to a finding of or termination with, Cause

(c) Class B Units. The Participant acknowledges and agrees that any reference to the value of Class B Units in any or all of the IH Partnerships in the Participant's employment

agreement with the Company (or any Affiliate) shall hereafter be deemed to be a reference to the value of the Shares received hereunder for the purposes of calculating the value of any severance or similar amounts payable upon a termination of employment.

3. Book Entry; Certificates. The Company shall recognize the Participant's ownership of Shares through uncertificated book entry. If elected by the Company, certificates evidencing the Shares may be issued by the Company and any such certificates shall be registered in the Participant's name on the stock transfer books of the Company promptly after the date hereof, but shall remain in the physical custody of the Company or its designee at all times prior to the later of (x) the vesting of Unvested Restricted Shares pursuant to this Agreement and (y) the expiration of any transfer restrictions set forth in this Agreement or otherwise applicable to the Shares. As soon as practicable following such time, any certificates for the Shares shall be delivered to the Participant or to the Participant's legal guardian or representative along with the stock powers relating thereto. No certificates shall be issued for fractional Shares. To the extent required by the Company, the Participant shall deliver to the Company a stock power, duly endorsed in blank, relating to the Shares that have not previously vested. However, the Company shall not be liable to the Participant for damages relating to any delays in issuing the certificates (if any) to the Participant, any loss by the Participant of the certificates, or any mistakes or errors in the issuance of the certificates or in the certificates themselves.

4. Rights as a Stockholder. The Participant shall be the record owner of the Shares until or unless such Shares are forfeited pursuant to the terms of this Agreement, and as record owner shall be entitled to all rights of a common stockholder of the Company, including, without limitation, voting rights with respect to the Restricted Shares and rights to dividends or other distributions; provided that the Shares shall be subject to the limitations on transfer and encumbrance set forth in Section 7.

5. Legend. To the extent applicable, all book entries (or certificates, if any) representing the Shares delivered to the Participant as contemplated by Section 3 above shall be subject to the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange upon which such Shares are listed, and any applicable Federal or state laws, and the Company may cause notations to be made next to the book entries (or a legend or legends put on certificates, if any) to make appropriate reference to such restrictions. Any such book entry notations (or legends on certificates, if any) shall include a description to the effect of the restrictions set forth in Sections 1 and 7 hereof and shall be substantially in the form set forth in Section 9(e) of the Plan.

6. No Right to Continued Employment. Neither the Plan nor this Agreement nor the Participant's receipt of the Shares hereunder shall impose any obligation on the Company or any Affiliate to continue the employment or engagement of the Participant. Further, the Company or any Affiliate (as applicable) may at any time terminate the employment or engagement of such Participant, free from any liability or claim under the Plan or this Agreement, except as otherwise expressly provided herein.

7. Assignment Restrictions; Lock-up.

(a) The Unvested Restricted Shares may not, at any time prior to becoming vested pursuant to the terms of this Agreement, be Assigned and any such purported Assignment shall be void and unenforceable against the Company or any Affiliate; provided that the designation of a beneficiary shall not constitute an Assignment. The Participant further hereby agrees that the Participant shall, without further action on the part of the Participant, be bound by the provisions of the lock-up letter executed by the executive officers of the Company to the same extent as if the Participant had directly executed such lock-up letter himself or herself. Such lock-up letter will provide that the Participant shall not, subject to specified exceptions, dispose of or hedge any shares of common stock of the Company or securities convertible into or exchangeable for shares of common stock of the Company during the period from the date of the final prospectus relating to the IPO and continuing through the date 180 days after the date of such prospectus, except with the prior written consent of the representatives of the underwriters for the IPO.

(b) “Assign” or “Assignment” shall mean (in either the noun or the verb form, including with respect to the verb form, all conjugations thereof within their correlative meanings) with respect to any security, the gift, sale, assignment, transfer, pledge, hypothecation or other disposition (whether for or without consideration, whether directly or indirectly, and whether voluntary, involuntary or by operation of law) of such security or any interest therein.

8. Withholding. The Participant may be required to pay to the Company or any Affiliate, and the Company shall have the right and is hereby authorized to withhold, any applicable withholding taxes in respect of the Shares, the grant or vesting of the Shares, or any payment or transfer with respect to the Shares at the minimum applicable statutory rates, and to take such action as may be necessary in the opinion of the Committee to satisfy all obligations for the payment of such withholding taxes.

9. Securities Laws; Cooperation. Upon the vesting of any Unvested Restricted Shares pursuant to Schedules I-A through I-F attached hereto, the Participant will make or enter into such written representations, warranties and agreements as the Committee may reasonably request in order to comply with applicable securities laws, the Plan or this Agreement. Participant further agrees to cooperate with the Company in taking any action reasonably necessary or advisable to consummate the transactions contemplated by this Agreement.

10. Notices. Any notice necessary under this Agreement shall be addressed to the Company in care of its Secretary at the principal executive office of the Company and to the Participant at the address appearing in the personnel records of the Company for such Participant or to either party at such other address as either party hereto may hereafter designate in writing to the other. Any such notice shall be deemed effective upon receipt thereof by the addressee.

11. Choice of Law; Jurisdiction; Venue. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Maryland applicable to contracts made and performed wholly within the State of Maryland, without giving effect to the conflict of laws provisions thereof. Any suit, action or proceeding with respect to this Agreement (or any provision incorporated by reference), or any judgment entered by any court in respect of any thereof, shall be brought in any court of competent jurisdiction in the State of Maryland, and each of the Participant, the Company, and any transferees who hold Shares pursuant to a valid Assignment, hereby submits to the exclusive jurisdiction of such court for the purpose of any such suit, action, proceeding, or judgment. EACH OF THE PARTICIPANT, THE COMPANY, AND

ANY TRANSFEREES WHO HOLD SHARES PURSUANT TO A VALID ASSIGNMENT HEREBY IRREVOCABLY WAIVES (A) ANY OBJECTIONS WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF THE VENUE OF ANY SUIT, ACTION, OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT BROUGHT IN ANY COURT OF COMPETENT JURISDICTION IN THE STATE MARYLAND, (B) ANY CLAIM THAT ANY SUCH SUIT, ACTION, OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN ANY INCONVENIENT FORUM AND (C) ANY RIGHT TO A JURY TRIAL.

12. Shares Subject to Plan; Amendment. By entering into this Agreement, the Participant agrees and acknowledges that the Participant has received and read a copy of the Plan. The Shares granted hereunder are subject to the Plan. The terms and provisions of the Plan, as it may be amended from time to time, are hereby incorporated herein by reference. In the event of a conflict between any term or provision contained herein and a term or provision of the Plan, the applicable terms and provisions of the Plan will govern and prevail. The Committee may waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate this Agreement, but no such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination shall materially adversely affect the rights of the Participant hereunder without the consent of the Participant. Notwithstanding anything in this Agreement or the Plan to the contrary, the Company may amend and update the number of Shares in the Schedule set forth on the Signature Page hereto prior to or following the effective date of the IPO based on the IPO Price.

13. Other Awards. Subject to Section 2, this Agreement, together with any other equity grants received in connection with the Redemption and the IPO, are in replacement of, and supersede in all respects, the Class B Units.

14. IH Partnerships. The Participant agrees and acknowledges that, upon consummation of the Redemption, the Participant will (i) hold no Class B Units, (ii) no longer be a limited partner of any of the IH Partnerships and (iii) have no surviving rights under the governing documents of any of the IH Partnerships, except to the extent that the Participant continues to hold Class A Units in any of the IH Partnerships.

[Signatures on next page.]

IN WITNESS WHEREOF, the Participant acknowledges and accepts the terms of this Agreement which shall be effective as of the date set forth on the Signature Page.

**RESTRICTED STOCK UNIT AGREEMENT
(2017 GRANT)**

**INVITATION HOMES INC.
2017 OMNIBUS INCENTIVE PLAN**

This Restricted Stock Unit Agreement, effective as of the Date of Grant (as defined below), is between Invitation Homes Inc., a Maryland corporation (the “Company”), and the Participant (as defined below).

WHEREAS, the Company has adopted the Invitation Homes Inc. 2017 Omnibus Incentive Plan (as it may be amended, the “Plan”) in order to provide additional incentives to selected officers, employees, consultants and advisors of the Company Group; and

WHEREAS, the Committee (as defined in the Plan) responsible for administration of the Plan has determined to grant RSUs to the Participant as provided herein and the Company and the Participant hereby wish to memorialize the terms and conditions applicable to such RSUs.

NOW, THEREFORE, the parties hereto agree as follows:

1. Definitions. Capitalized terms not otherwise defined herein shall have the same meanings as in the Plan. The following terms shall have the following meanings for purposes of this Agreement:

- (a) “Agreement” shall mean this Restricted Stock Unit Agreement including (unless the context otherwise requires) the Award Notice and Appendix A.
- (b) “Award Notice” shall mean the notice to the Participant.
- (c) “Date of Grant” shall mean the “Date of Grant” listed in the Award Notice.
- (d) “Participant” shall mean the “Participant” listed in the Award Notice.
- (e) “Restrictive Covenant Violation” shall mean the Participant’s breach of the Restrictive Covenants listed on Appendix A or any covenant regarding confidentiality, competitive activity, solicitation of the Company’s vendors, suppliers, customers, or employees, or any similar provision applicable to or agreed to by the Participant.
- (f) “RSUs” shall mean that number of Restricted Stock Units listed in the Award Notice as “Restricted Stock Units Granted.”
- (g) “Shares” shall mean a number of shares of the Company’s Common Stock equal to the number of RSUs.

2. Grant of Units. The Company hereby grants the RSUs to the Participant, each of which represents the right to receive one Share upon vesting of such RSU, subject to and

in accordance with the terms, conditions and restrictions set forth in the Plan, the Award Notice, and this Agreement. By acceptance of the grant of RSUs pursuant to this Agreement, the Participant acknowledges and agrees that the Participant is entitled to no further rights or payments pursuant to the supplemental bonus program described in the letter award notice received from the Company dated on or about October , 2016.

3. RSU Account . The Company shall cause an account (the “Unit Account”) to be established and maintained on the books of the Company to record the number of RSUs credited to the Participant under the terms of this Agreement. The Participant’s interest in the Unit Account shall be that of a general, unsecured creditor of the Company.

4. Vesting; Settlement . The RSUs shall become vested in accordance with the schedule set forth on the Award Notice. The Company shall deliver to the Participant one share of Common Stock for each RSU (as adjusted under the Plan) which becomes vested in a given calendar year, pursuant to Section 12, below, and such vested RSU shall be cancelled upon such delivery, provided, that any RSUs which become vested on or during the six-month period following the IPO shall be settled as soon as practicable (but within 30 days) after the date that is six months and one day following the IPO.

5. Termination of Employment .

(a) In the event that the Participant’s employment or service, as applicable, with the Company Group terminates for any reason, any unvested RSUs shall be forfeited and all of the Participant’s rights hereunder with respect to such unvested RSUs shall cease as of the effective date of termination (the “Termination Date”) (unless otherwise provided for by the Committee in accordance with the Plan).

(b) The Participant’s rights with respect to the RSUs shall not be affected by any change in the nature of the Participant’s employment or service, as applicable, so long as the Participant continues to be an employee or service provider, as applicable, of the Company Group. Whether (and the circumstances under which) the Participant’s employment or service, as applicable, has terminated and the determination of the Termination Date for the purposes of this Agreement shall be determined by the Committee (or, with respect to any Participant who is not a director or “officer” as defined under Rule 16a-1(f) of the Exchange Act, its designee, whose good faith determination shall be final, binding and conclusive; provided, that such designee may not make any such determination with respect to the designee’s own employment for purposes of the RSUs).

6. Dividends . Upon the declaration by the Company of dividends to holders of its Common Stock, the Participant shall be entitled to receive dividend equivalent payments. (“Dividend Equivalents”) in respect of all of such Participant’s RSUs, whether unvested or vested and not yet settled, as of the record date for such dividend. The Dividend Equivalents shall be delivered to the Participant on the regular payment date that such dividend is made to all holders of the Company’s Common Stock and in the same form as are delivered to holders of the Company’s Common Stock (i.e., in either cash or in shares of Common Stock which Common Stock will not be subject to any vesting conditions).

7. Restrictions on Transfer . The Participant may not assign, alienate, pledge, attach, sell or otherwise transfer or encumber the RSUs or the Participant's right under the RSUs to receive Shares, except other than by will or by the laws of descent and distribution and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any of its Affiliates; provided, that the designation of a beneficiary (if permitted by the Committee) shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance.

8. Repayment of Proceeds; Clawback Policy . In the event of a Restrictive Covenant Violation or a termination of the Participant's employment or service, as applicable, by the Company for Cause, or if the Company discovers after a termination of employment or service, as applicable, that grounds for a termination of employment or service, as applicable, for Cause existed at the time of such termination of employment or service, as applicable, then the Participant shall be required, in addition to any other remedy available (on a non-exclusive basis), to pay to the Company, within 10 business days of the Company's request to the Participant therefor, an amount equal to the excess, if any, of the aggregate after-tax proceeds (taking into account all amounts of tax that would be recoverable upon a claim of loss for payment of such proceeds in the year of repayment) the Participant received upon the sale or other disposition of, or distributions in respect of, the RSUs (including any Dividend Equivalents previously paid) and any Shares issued in respect thereof. Any reference in this Agreement to grounds existing for a termination of employment or service, as applicable, with Cause shall be determined without regard to any notice period, cure period, or other procedural delay or event required prior to finding of or termination with, Cause. The RSUs and all proceeds of the RSUs shall be subject to the Company's Clawback Policy, if any, and as in effect from time to time, to the extent the Participant is a director or "officer" as defined under Rule 16a-1(f) of the Exchange Act.

9. No Right to Continued Employment or Engagement . Neither the Plan nor this Agreement nor the Participant's receipt of the RSUs hereunder shall impose any obligation on the Company or any of its Affiliates to continue the employment or engagement of the Participant. Further, the Company or any of its Affiliates (as applicable) may at any time terminate the employment or engagement of the Participant, free from any liability or claim under the Plan or this Agreement, except as otherwise expressly provided herein.

10. No Rights as a Stockholder . The Participant's interest in the RSUs shall not entitle the Participant to any rights as a stockholder of the Company. The Participant shall not be deemed to be the holder of, or have any of the rights and privileges of a stockholder of the Company in respect of, the Shares unless and until such Shares have been issued to the Participant in accordance with Section 12.

11. Adjustments Upon Change in Capitalization . The terms of this Agreement, including the RSUs, the Participant's Unit Account, any Dividend Equivalents, and/or the Shares, shall be subject to adjustment in accordance with Section 14 of the Plan. This paragraph shall also apply with respect to any extraordinary dividend or other extraordinary distribution in respect of the Company's Common Stock (whether in the form of cash or other property).

12. Settlement and Issuance of Shares; Tax Withholding .

(a) The Company shall, as soon as reasonably practicable (and in any event within two and one-half months of the applicable vesting date or such earlier time provided in Section 4), issue the Share underlying such vested RSU to the Participant, free and clear of all restrictions, less a number of Shares equal to or greater in value than the minimum amount necessary to satisfy federal, state, local or foreign withholding tax requirements, if any (but which may in no event be greater than the maximum statutory withholding amounts in the Participant's jurisdiction) (the "Withholding Taxes") in accordance with Section 16(d) of the Plan (except to the extent the Participant shall have a written agreement with the Company or any of its Affiliates under which the Company or an Affiliate of the Company is responsible for payment of taxes with respect to the issuance of the Shares, in which case the full number of Shares shall be issued). To the extent any Withholding Taxes may become due prior to the settlement of any RSUs, the Committee may accelerate the vesting of a number of RSUs equal in value to the Withholding Taxes, the Shares delivered in settlement of such RSUs shall be delivered to the Company, and the number of RSUs so accelerated shall reduce the number of RSUs which would otherwise become vested on the next applicable vesting date. The number of RSUs or Shares equal to the Withholding Taxes shall be determined using the closing price per Share on the New York Stock Exchange (or other principal exchange on which the Shares then trade) on the trading day immediately prior to the date of delivery of the Shares to the Participant or the Company, as applicable, and shall be rounded up to the nearest whole RSU or Share.

(b) The Company shall pay any costs incurred in connection with issuing the Shares. Upon the issuance of the Shares to the Participant, the Participant's Unit Account shall be eliminated. Notwithstanding anything in this Agreement to the contrary, the Company shall have no obligation to issue or transfer the Shares as contemplated by this Agreement unless and until such issuance or transfer shall comply with all relevant provisions of law and the requirements of any stock exchange on which the Company's shares are listed for trading.

13. Award Subject to Plan . By entering into this Agreement, the Participant agrees and acknowledges that the Participant has received and read a copy of the Plan. The RSUs granted hereunder are subject to the Plan. The terms and provisions of the Plan, as it may be amended from time to time, are hereby incorporated herein by reference. In the event of a conflict between any term or provision contained herein and a term or provision of the Plan, the applicable terms and provisions of the Plan will govern and prevail.

14. Severability . Should any provision of this Agreement be held by a court of competent jurisdiction to be unenforceable or invalid for any reason, the remaining provisions of this Agreement shall not be affected by such holding and shall continue in full force in accordance with their terms.

15. Governing Law; Venue; Language . This Agreement shall be governed by and construed in accordance with the internal laws of the State of Maryland applicable to contracts made and performed wholly within the State of Maryland, without giving effect to the conflict of laws provisions thereof. Any suit, action or proceeding with respect to this Agreement (or any provision incorporated by reference), or any judgment entered by any court in respect

thereof, shall be brought in any court of competent jurisdiction in the State of Maryland, and each of the Participant, the Company, and any transferees who hold RSUs pursuant to a valid assignment, hereby submits to the exclusive jurisdiction of such courts for the purpose of any such suit, action, proceeding, or judgment. Each of the Participant, the Company, and any transferees who hold RSUs pursuant to a valid assignment hereby irrevocably waives (a) any objections which it may now or hereafter have to the laying of the venue of any suit, action, or proceeding arising out of or relating to this Agreement brought in any court of competent jurisdiction in the State of Maryland; (b) any claim that any such suit, action, or proceeding brought in any such court has been brought in any inconvenient forum; and (c) any right to a jury trial. If the Participant has received a copy of this Agreement (or the Plan or any other document related hereto or thereto) translated into a language other than English, such translated copy is qualified in its entirety by reference to the English version thereof, and in the event of any conflict the English version will govern.

16. Successors in Interest . Any successor to the Company shall have the benefits of the Company under, and be entitled to enforce, this Agreement. Likewise, the Participant's legal representative shall have the benefits of the Participant under, and be entitled to enforce, this Agreement. All obligations imposed upon the Participant and all rights granted to the Company under this Agreement shall be final, binding and conclusive upon the Participant's heirs, executors, administrators and successors.

17. Data Privacy Consent .

(a) General. The Participant hereby explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of the Participant's personal data as described in this Agreement and any other RSU grant materials by and among, as applicable, the Participant's employer or contracting party (the "Employer") and the Company for the exclusive purpose of implementing, administering and managing the Participant's participation in the Plan. The Participant understands that the Company may hold certain personal information about the Participant, including, but not limited to, the Participant's name, home address and telephone number, work location and phone number, date of birth, social insurance number or other identification number, salary, nationality, job title, hire date, any shares of stock or directorships held in the Company, details of all awards or any other entitlement to shares awarded, cancelled, exercised, vested, unvested or outstanding in the Participant's favor, for the purpose of implementing, administering and managing the Plan ("Personal Data").

(b) Use of Personal Data; Retention. The Participant understands that Personal Data may be transferred to any third parties assisting in the implementation, administration and management of the Plan, now or in the future, that these recipients may be located in the Participant's country or elsewhere, and that the recipient's country may have different data privacy laws and protections than the Participant's country. The Participant understands that the Participant may request a list with the names and addresses of any potential recipients of the Personal Data by contacting the Participant's local human resources representative. The Participant authorizes the recipients to receive, possess, use, retain and transfer the Personal Data, in electronic or other form, for the purposes of implementing, administering and managing the Participant's participation in the Plan. The Participant understands that Personal

Data will be held only as long as is necessary to implement, administer and manage the Participant's participation in the Plan. The Participant understands that the Participant may, at any time, view Personal Data, request additional information about the storage and processing of Personal Data, require any necessary amendments to Personal Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing the Participant's local human resources representative.

(c) Withdrawal of Consent. The Participant understands that the Participant is providing the consents herein on a purely voluntary basis. If the Participant does not consent, or if the Participant later seeks to revoke the Participant's consent, the Participant's employment status or service and career with the Employer will not be adversely affected; the only consequence of the Participant's refusing or withdrawing the Participant's consent is that the Company would not be able to grant RSUs or other equity awards to the Participant or administer or maintain such awards. Therefore, the Participant understands that refusing or withdrawing the Participant's consent may affect the Participant's ability to participate in the Plan. For more information on the consequences of Participant's refusal to consent or withdrawal of consent, the Participant understands that the Participant may contact the Participant's local human resources representative.

18. Restrictive Covenants. The Participant acknowledges and recognizes the highly competitive nature of the businesses of the Company and its Affiliates, that the Participant will be allowed access to confidential and proprietary information (including, but not limited to, trade secrets) about those businesses, as well as access to the prospective and actual customers, suppliers, investors, clients and partners involved in those businesses, and the goodwill associated with the Company and its Affiliates. Participant accordingly agrees to the provisions of Appendix A to this Agreement (the "Restrictive Covenants"). For the avoidance of doubt, the Restrictive Covenants contained in this Agreement are in addition to, and not in lieu of, any other restrictive covenants or similar covenants or agreements between the Participant and the Company or any of its Affiliates.

19. Limitation on Rights; No Right to Future Grants; Extraordinary Item of Compensation. By accepting this Agreement and the grant of the RSUs contemplated hereunder, the Participant expressly acknowledges that (a) the Plan is established voluntarily by the Company, it is discretionary in nature and may be suspended or terminated by the Company at any time, to the extent permitted by the Plan; (b) the grant of RSUs is exceptional, voluntary and occasional and does not create any contractual or other right to receive future grants of RSUs, or benefits in lieu of RSUs, even if RSUs have been granted in the past; (c) all determinations with respect to future grants of RSUs, if any, including the grant date, the number of Shares granted and the applicable vesting terms, will be at the sole discretion of the Company; (d) the Participant's participation in the Plan is voluntary; (e) the value of the RSUs is an extraordinary item of compensation that is outside the scope of the Participant's employment contract, if any, and nothing can or must automatically be inferred from such employment contract or its consequences; (f) grants of RSUs, and the income and value of same, are not part of normal or expected compensation for any purpose and are not to be used for calculating any severance, resignation, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits or similar payments, the Participant waives any claim on such basis, and for the avoidance of doubt, the RSUs shall not constitute an "acquired right" under the

applicable law of any jurisdiction; and (g) the future value of the underlying Shares is unknown and cannot be predicted with certainty. In addition, the Participant understands, acknowledges and agrees that the Participant will have no rights to compensation or damages related to RSU proceeds in consequence of the termination of the Participant's employment for any reason whatsoever and whether or not in breach of contract.

20. Award Administrator . The Company may from time to time designate a third party (an "Award Administrator") to assist the Company in the implementation, administration and management of the Plan and any RSUs granted thereunder, including by sending award notices on behalf of the Company to Participants, and by facilitating through electronic means acceptance of RSU Agreements by Participants.

21. Section 409A of the Code .

(a) This Agreement is intended to comply with the provisions of Section 409A of the Code and the regulations promulgated thereunder. Without limiting the foregoing, the Committee shall have the right to amend the terms and conditions of this Agreement in any respect as may be necessary or appropriate to comply with Section 409A of the Code or any regulations promulgated thereunder, including without limitation by delaying the issuance of the Shares contemplated hereunder.

(b) Notwithstanding any other provision of this Agreement to the contrary, if a Participant is a "specified employee" within the meaning of Section 409A of the Code, no payments in respect of any RSU that is "deferred compensation" subject to Section 409A of the Code and which would otherwise be payable upon the Participant's "separation from service" (as defined in Section 409A of the Code) shall be made to such Participant prior to the date that is six months after the date of the Participant's "separation from service" or, if earlier, the Participant's date of death. Following any applicable six-month delay, all such delayed payments will be paid in a single lump sum on the earliest date permitted under Section 409A of the Code that is also a business day. The Participant is solely responsible and liable for the satisfaction of all taxes and penalties under Section 409A of the Code that may be imposed on or in respect of the Participant in connection with this Agreement, and the Company shall not be liable to any Participant for any payment made under this Plan that is determined to result in an additional tax, penalty or interest under Section 409A of the Code, nor for reporting in good faith any payment made under this Agreement as an amount includible in gross income under Section 409A of the Code. Each payment in a series of payments hereunder shall be deemed to be a separate payment for purposes of Section 409A of the Code.

22. Book Entry Delivery of Shares . Whenever reference in this Agreement is made to the issuance or delivery of certificates representing one or more Shares, the Company may elect to issue or deliver such Shares in book entry form in lieu of certificates.

23. Electronic Delivery and Acceptance . The Company may, in its sole discretion, decide to deliver any documents related to current or future participation in the Plan by electronic means. The Participant hereby consents to receive such documents by electronic delivery and agrees to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

24. Acceptance and Agreement by the Participant . By accepting the RSUs (including through electronic means), the Participant agrees to be bound by the terms, conditions, and restrictions set forth in the Plan, this Agreement, and the Company's policies, as in effect from time to time, relating to the Plan. The Participant's rights under the RSUs will lapse forty-five (45) days from the Date of Grant, and the RSUs will be forfeited on such date if the Participant shall not have accepted this Agreement by such date. For the avoidance of doubt, the Participant's failure to accept this Agreement shall not affect the Participant's continuing obligation under any other agreement between the Company and the Participant.

25. No Advice Regarding Grant . The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding the Participant's participation in the Plan, or the Participant's acquisition or sale of the underlying Shares. The Participant is hereby advised to consult with the Participant's own personal tax, legal and financial advisors regarding the Participant's participation in the Plan before taking any action related to the Plan.

26. Imposition of Other Requirements . The Company reserves the right to impose other requirements on the Participant's participation in the Plan, on the RSUs and on any Shares acquired under the Plan, to the extent the Company determines it is necessary or advisable for legal or administrative reasons, and to require the Participant to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

27. Waiver . The Participant acknowledges that a waiver by the Company of breach of any provision of this Agreement shall not operate or be construed as a waiver of any other provision of this Agreement, or of any subsequent breach by the Participant or any other participant in the Plan.

28. Counterparts . This Agreement may be executed in separate counterparts, each of which is deemed to be an original and all of which taken together constitute one in the same agreement.

APPENDIX A

1. Non-Competition; Nonsolicitation .

(a) The Participant acknowledges and recognizes the highly competitive nature of the businesses of the Restricted Group (as defined below) and accordingly agrees as follows:

(i) During the Participant's employment or service, as applicable, and for a period equal to nine months following the date the Participant ceases employment or service, as applicable, for any reason (the "Restricted Period"), the Participant will not, without the prior written consent from the Company regarding the specific solicitations, engagements, or actions proposed, and such consent to be delivered in its sole, good faith discretion, whether on the Participant's own behalf or on behalf of or in conjunction with any person, firm, partnership, joint venture, association, corporation or other business organization, entity or enterprise whatsoever ("Person"), directly or indirectly solicit or assist in soliciting in competition with the Restricted Group in the Business the business of any then current or prospective client or customer with whom the Participant (or the Participant's direct reports) had personal contact or dealings on behalf of the Company and its Subsidiaries during the one-year period preceding the Participant's termination of employment or service, as applicable.

(ii) During the Restricted Period, the Participant will not, without prior written consent from the Company regarding the specific engagement, employment, or investment proposed, and such consent to be delivered in its sole, good faith discretion, directly or indirectly:

(A) engage in the Business in any geographical area that is within 20 miles of any geographical area where the Restricted Group engages in the Business (or has plans to engage in the Business during the Restricted Period);

(B) enter the employ of, or render any services to, a Competitor, except where such employment or services do not relate to the Business; or

(C) acquire a 10% or greater financial interest in a Competitor, directly or indirectly, as an individual, partner, shareholder, officer, director, principal, agent, trustee or consultant.

(iii) Notwithstanding anything to the contrary in this Appendix A, the provisions of this Section 1 shall not restrict ownership of any number of single-family homes for personal use by the Participant or up to five additional single-family homes as personal investments.

(iv) During the Restricted Period, the Participant will not, whether on the Participant's own behalf or on behalf of or in conjunction with any Person, directly or indirectly:

(A) solicit or encourage any employee of the Restricted Group to leave the employment of the Restricted Group; or

(B) hire any employee who provided services to the Restricted Group as of the date of the Participant's termination of employment or service, as applicable, or terminated employment within one year prior to the termination of the Participant's employment or service, as applicable.

(v) For purposes of this Appendix A:

(A) “Business” shall mean the business of acquiring controlling investments in, owning, developing, leasing, operating or managing one to four unit residential real properties, including single-family homes in planned unit developments and individual single family townhomes and individual residential condominium units in a low-rise or high-rise condominium project, where such properties are located in the United States but excluding, for the avoidance of doubt, (1) any activities undertaken with the prior written consent of the Board sought in accordance with sub-sections (a)(i) or (a)(ii), and (2) acting as a broker with respect to leasing and sale transactions.

(B) “Competitor” shall mean any Person engaged in the Business in direct competition with the Company and its Subsidiaries, but excluding any Person for which less than 10% of its revenue during its most recent fiscal year is derived from activities similar to the Business.

(C) “Restricted Group” shall mean, collectively, the Company and its Subsidiaries and Affiliates.

(b) It is expressly understood and agreed that although the Participant and the Restricted Group consider the restrictions contained in this Section 1 to be reasonable, if a final judicial determination is made by a court of competent jurisdiction that the time or territory or any other restriction contained in this Appendix A is an unenforceable restriction against the Participant, the provisions of this Appendix A shall not be rendered void but shall be deemed amended to apply as to such maximum time and territory and to such maximum extent as such court may judicially determine or indicate to be enforceable. Alternatively, if any court of competent jurisdiction finds that any restriction contained in this Appendix A is unenforceable, and such restriction cannot be amended so as to make it enforceable, such finding shall not affect the enforceability of any of the other restrictions contained herein.

(c) The period of time during which the provisions of this Section 1 shall be in effect shall be extended by the length of time during which the Participant is in breach of the terms hereof as determined by any court of competent jurisdiction on the Company’s application for injunctive relief.

(d) The provisions of this Section 1 shall survive the termination of the Participant's employment or service for any reason

(e) Notwithstanding anything herein to the contrary, Sections 1(a)(i) and 1(a)(ii) shall not apply to the Participant if the Participant's principal place of employment or the state in which the Participant provides services, in each case on the Date of Grant, is located in the State of California.

2. Confidentiality; Intellectual Property .

(a) Confidentiality .

(i) The Participant will not at any time (whether during or after the Participant's employment or engagement, as applicable) (x) retain or use for the benefit, purposes or account of the Participant or any other Person; or (y) disclose, divulge, reveal, communicate, share, transfer or provide access to any Person outside the Company and its Affiliates (other than its professional advisers who are bound by confidentiality obligations, lenders and partners or otherwise in performance of the Participant's employment or engagement duties), any proprietary and non-public/confidential information (including without limitation trade secrets, know-how, research and development, software, databases, inventions, processes, formulae, technology, designs and other intellectual property, information concerning finances, investments, profits, pricing, costs, products, services, vendors, customers, clients, partners, investors, personnel, compensation, recruiting, training, advertising, sales, marketing, promotions, government and regulatory activities and approvals) concerning the past, current or future business, activities and operations of the Restricted Group ("Confidential Information") without the prior written authorization of the board of directors of the Company; provided, however, that the conscious awareness of any Confidential Information (as opposed to the physical possession of documentary Confidential Information) by the Participant, and the Participant's consideration of such information in connection with the Participant's pursuit or evaluation of, involvement with or participation in, any project or activity that is not prohibited by this Appendix A shall be deemed not to constitute a breach of Section 2(a)(i)(x) or Section 2(a)(iv)(x) in any manner whatsoever, unless such Participant's use of such Confidential Information has an objective and detrimental impact on the business of the Company and its Subsidiaries.

(ii) "Confidential Information" shall not include any information that is (x) generally known to the industry or the public other than as a result of the Participant's breach of this covenant; (y) made legitimately available to the Participant by a third party without breach of any confidentiality obligation of which the Participant has knowledge (it being understood that any information made available by an employee, officer or director of the Company Group shall not be protected by this exclusion); or (z) required by law to be disclosed; provided, that with respect to subsection (z) the Participant shall give prompt written notice to the Company of such requirement and reasonably cooperate with any attempts by the Company to obtain a protective order or similar treatment.

(iii) Except as required by law, the Participant will not disclose to anyone, other than the Participant's family (it being understood that, in this Appendix A, the term "family" refers to the Participant, the Participant's spouse, minor children, parents and spouse's parents) and legal or financial advisors, the existence or contents of this Agreement; provided, that the Participant may disclose to any prospective future employer the provisions of Sections 1 and 2 of this Appendix A; provided, further, that any such employer agrees to maintain the confidentiality of such terms. This Section 2(a)(iii) shall terminate if any member of the Company Group publicly discloses a copy of the Restricted Stock Unit Agreement or this Appendix A (or, if any member of the Company Group publicly discloses summaries or excerpts of the Subscription Agreement or this Appendix A, to the extent so disclosed).

(iv) Upon termination of the Participant's employment or service for any reason, the Participant shall (x) except as otherwise provided herein, cease and not thereafter commence use of any Confidential Information or intellectual property (including without limitation, any patent, invention, copyright, trade secret, trademark, trade name, logo, domain name or other source indicator) owned or used by any member of the Restricted Group; (y) immediately destroy, delete, or return to the Company, at the Company's option and expense, all originals and copies in any form or medium (including memoranda, books, papers, plans, computer files, letters and other data) in the Participant's possession or control (including any of the foregoing stored or located in Executive's office, home, laptop or other computer, whether or not Company property) that contain Confidential Information, except that the Participant may retain only those portions of any personal notes, notebooks and diaries that do not contain any Confidential Information; and (z) notify and reasonably cooperate with the Company regarding the delivery or destruction of any other Confidential Information of which the Participant is or becomes aware.

(b) Intellectual Property.

(i) If the Participant creates, invents, designs, develops, contributes to or improves any works of authorship, inventions, intellectual property, materials, documents or other work product (including, without limitation, research, reports, software, databases, systems, applications, presentations, textual works, content, or audiovisual materials), either alone or with third parties, at any time during the Participant's employment or engagement and within the scope of such employment or engagement and with the use of any the Company's resources (the "Company Works"), the Participant shall promptly and fully disclose the same to the Company and hereby irrevocably assigns, transfers and conveys, to the maximum extent permitted by applicable law, all rights and intellectual property rights therein (including rights under patent, industrial property, copyright, trademark, trade secret, unfair competition and related laws) to the Company to the extent ownership of any such rights does not vest originally in the Company.

(ii) The Participant shall take all requested actions and execute all requested documents (including any licenses or assignments required by a government contract) at the Company's expense (but without further remuneration) to assist the Company in

validating, maintaining, protecting, enforcing, perfecting, recording, patenting or registering any of the Company's rights in the Company Works. If the Company is unable for any other reason, to secure the Participant's signature on any document for this purpose, then the Participant hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as the Participant's agent and attorney in fact, to act for and in the Participant's behalf and stead to execute any documents and to do all other lawfully permitted acts required in connection with the foregoing.

(iii) The provisions of Section 2 hereof shall survive the termination of the Participant's employment or engagement, in either case, for any reason.

(d) Protected Rights. Nothing contained in this Agreement or any other plan, policy, agreement, or code of conduct or similar arrangement of the Company Group, limits Participant's ability to (i) disclose any information to governmental agencies or commissions as may be required by law, (ii) file a charge or complaint with, or communicate or cooperate with, any U.S. federal, state, or local governmental agency or commission (a "Governmental Entity"), or otherwise participate in any investigation or proceeding that may be conducted by a Governmental Entity with respect to possible violations of any U.S. federal, state or local law or regulation, or otherwise make disclosures to any Governmental Entity, in each case, that are protected under the whistleblower provisions of any such law or regulation, provided that in each case all such charges, complaints, communications and disclosures are consistent with applicable law, or (iii) receive an award from a Governmental Entity for information provided under any whistleblower program, including the Participant's right to seek and obtain a whistleblower award for providing information relating to a possible securities law violation to the Securities and Exchange Commission.

3. Specific Performance . The Participant acknowledges and agrees that the Company's remedies at law for a breach or threatened breach of Section 1 or 2 of this Appendix A may be inadequate and the Company may suffer irreparable damages as a result of such breach. In recognition of this fact, the Participant agrees that, in the event of a Restrictive Covenant Violation, in addition to any remedies at law, the Company, without posting any bond, shall be entitled to seek equitable relief in the form of specific performance, temporary restraining order, temporary or permanent injunction or any other equitable remedy which may then be available.
