PART II

INFORMATION REQUIRED IN REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The Registrant hereby incorporates by reference into this Registration Statement the following documents previously filed with the Commission:

- (1) the Registrant’s Annual Report on [Form 10-K](#) for the fiscal year ended April 30, 2023, filed with the Commission on June 16, 2023;
- (2) all other reports filed pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), since the end of the fiscal year covered by the Registrant’s Annual Report referred to in (1) above (other than the documents or portions of such documents deemed to have been furnished and not filed in accordance with the rules of the Commission); and
- (3) the description of the Registrant’s Ordinary Shares contained in the Company’s Registration Statement on [Form 8-A](#) (File No. 001-38675) filed with the Commission on September 24, 2018 pursuant to Section 12(b) of the Exchange Act, including any amendment or report filed for the purpose of updating such description.

All documents filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act on or after the date of this Registration Statement and prior to the filing of a post-effective amendment to this Registration Statement that indicates that all securities offered have been sold or that deregisters all securities then remaining unsold shall be deemed to be incorporated by reference into this Registration Statement and to be part hereof from the date of filing of such documents; provided, however, that the documents or portions of such documents deemed to have been furnished and not filed in accordance with the rules of the Commission shall not be deemed incorporated by reference into this Registration Statement. Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any subsequently filed document which also is deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Registrant's executive officers and directors have entered into indemnification agreements with the Registrant. The agreements provide, to the fullest extent permitted by the Registrant's articles of association and the law of the Netherlands, that the Registrant will indemnify the executive officers who are not also a director against any and all liabilities, claims, judgments, fines, penalties, interest and expenses, including attorneys' fees, incurred in connection with any expected, threatened, pending or completed action, investigation or other proceeding, whether civil, criminal or administrative, involving an executive officer by reason of his position as officer.

The articles of association provide that the Registrant will indemnify current and former directors against:

- (i) the reasonable costs of conducting a defense against claims resulting from an act or omission in performing their duties or in performing other duties the company has asked them to fulfill;
- (ii) any compensation or financial penalties they owe as a result of an act or omission as referred to under (i) above;
- (iii) any amounts they owe under settlements they have reasonably entered into in connection with an act or omission as referred to under (i) above;
- (iv) the reasonable costs of other proceedings in which they are involved as a current or former director, except for proceedings in which they are primarily asserting their own claims; and
- (v) tax damage due to reimbursements in accordance with the above, to the extent this relates to the indemnified person's current or former position with the Registrant and/or a group company and in each case to the extent permitted by applicable law.

No indemnification shall be given to an indemnified person insofar as:

- (i) it has been established in a final and non-appealable decision of the competent court or, in the event of arbitration, of an arbitrator, that the act or omission of the indemnified person can be described as deliberate (*opzettelijk*), willfully reckless (*bewust roekeloos*) or seriously culpable. In that case, the indemnified person must immediately repay the sums reimbursed by the company, unless Dutch law provides otherwise or this would, in the given circumstances, be unacceptable according to standards of reasonableness and fairness; or
- (ii) the costs or the capital losses of the indemnified person are covered by an insurance policy and the insurer has paid out these costs or capital losses; or
- (iii) the indemnified person failed to notify the company as soon as possible of the costs or the capital losses or of the circumstances that could lead to the costs or capital losses.

These indemnification provisions and the indemnification agreements entered into between the Registrant and its officers and directors may be sufficiently broad to permit indemnification of the Registrant's officers and directors for liabilities (including reimbursement of expenses incurred) arising under the Securities Act of 1933, as amended.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings.

A. The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent not more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

Provided, however, that paragraphs (A)(1)(i) and (A)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) For the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) It will remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

3. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new

registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

2. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
-

- (d) A copy of:
 - (i) the Deed of Conversion; and
 - (ii) the Deed of Amendment.

In addition, we have also examined such documents, and performed such other investigations, as we considered necessary for the purpose of this opinion. Our examination has been limited to the text of the documents.

4 Assumptions

We have made the following assumptions:

- (a)
 - (i) Each copy document conforms to the original and each original is genuine and complete.
 - (ii) The declarations in the Company Certificate are correct, complete and up to date.
 - (iii) Each signature is the genuine signature of the individual concerned.
 - (iv) The Registration Statement has been or will be filed with the SEC in the form referred to in this opinion.
- (b)
 - (i) The Board Rules remain in force without modification.
 - (ii) Each Corporate Resolution:
 - (A) has been duly adopted (including, in the case of a shareholders' resolution, by all persons entitled to vote on that resolution) and remains in force without modification; and
 - (B) complies with the requirements of reasonableness and fairness (*redelijkheid en billijkheid*).
- (c)
 - (i) At the time of each grant of a Stock Option or Stock Award and each issue of a Registration Share:
 - (A) the 2012 Stock Option Plan remained and remains in full force and effect without modification (other than any change of the maximum aggregate number of Ordinary Shares that may be issued under the 2012 Stock Option Plan);
 - (B) the aggregate number of (A) Ordinary Shares that have been issued or delivered, and (B) Ordinary Shares that will be issued or delivered, each time under the 2012 Stock Option Plan, has not or will not exceed the maximum number permitted under the 2012 Stock Option Plan; and
 - (C) the number of Ordinary Shares available for issue under the Issue Authorisation was sufficient to allow for the grant or issue.

- (ii)
 - (A) Each Stock Option and each Stock Award has been or will be validly granted, accepted and (in case of a Stock Option) exercised in accordance with the 2012 Stock Option Plan;
 - (B) Each Stock Option is and will be valid, binding and enforceable against each party; and
 - (C) The grant of each Stock Option and each Stock Award has been or will have been validly authorised.
- (iii) The Issuer's authorised capital at the time of each grant of a Stock Option or a Stock Award and each issue of a Registration Share was or will be sufficient to allow for the grant or issue.
- (iv) Each Registration Share will have been:
 - (A) issued in accordance with the 2012 Option Plan and in the form and manner prescribed by the Issuer's articles of association at the time of issue; and
 - (B) validly accepted by the holder of the relevant Stock Option or Stock Award.
- (v)
 - (A) Each Registration Share will have been paid in cash or, if the Issuer's board so approves in accordance with the Issuer's articles of association at the time of issue, at the expense of the reserves of the Issuer; and
 - (B) The nominal amount of each Registration Share and any agreed share premium will have been validly paid.

5 Opinion

Based on the documents and investigations referred to and assumptions made in paragraphs 3 and 4 and subject to any matters not disclosed to us (including force (*bedreiging*), fraud (*bedrog*), undue influence (*misbruik van omstandigheden*) or a mistake (*dwaling*), in connection with any issue of a Registration Share) we are of the following opinion:

- (a) When issued, the Registration Shares will have been validly issued and will be fully paid and nonassessable¹.

6 Reliance

- (a) This opinion is an exhibit to the Registration Statement and may be relied upon for the purpose of the Registration and not for any other purpose. It may not be supplied, and its contents or existence may not be disclosed, to any person other than as an Exhibit to (and therefore together with) the Registration Statement.

¹ In this opinion, "nonassessable" – which term has no equivalent in Dutch – means, in relation to a share, that the issuer of the share has no right to require the holder of the share to pay to the issuer any amount (in addition to the amount required for the share to be fully paid) solely as a result of his shareholdership.

- (b) Each person accepting this opinion agrees, in so accepting, that only De Brauw will have any liability in connection with this opinion, that the agreement in this paragraph 6(b) and all liability and other matters relating to this opinion will be governed exclusively by Dutch law and that the Dutch courts will have exclusive jurisdiction to settle any dispute relating to this opinion.
- (c) The Issuer may:
 - (i) file this opinion as an exhibit to the Registration Statement; and
 - (ii) refer to De Brauw giving this opinion in the Exhibit Index in the Registration Statement.

The previous sentence is no admittance from me (or De Brauw) that I am (or De Brauw is) in the category of persons whose consent for the filing and reference as set out in that sentence is required under article 7 of the Securities Act or any rules or regulations of the SEC promulgated under it.

Yours faithfully,
De Brauw Blackstone Westbroek N.V.
