Developments in the Business

We have expanded our footprint through fixed network new build and upgrade projects, mobile coverage expansion, and strategic acquisitions. Our new build projects consist of network programs pursuant to which we pass additional homes and businesses with our broadband communications network. We are also upgrading networks to increase broadband speeds and the services we can deliver for our customers. During the past three years, we passed or upgraded approximately 0.8 million additional homes and commercial premises. We have made strategic acquisitions to drive scale benefits across our business, enhancing our ability to innovate and deliver quality services, content and products to our customers. Within the last three years, we have completed the following transactions:

- On November 6, 2023, we entered into an agreement with EchoStar to acquire EchoStar's prepaid business and spectrum assets in Puerto Rico and USVI in exchange for cash and international roaming credits. - (a) In late October 2025, Hurricane Melissa impacted portions of Jamaica, causing significant damage to homes and network infrastructure. As a result, we have reduced our RGUs by approximately 136,000, comprised of 65,000 fixed-line telephony, 57,000 broadband internet and 14,000 video subscribers, and have reduced our homes passed and customer relationships by 133,000 and 57,000, respectively. These adjustments relate to RGUs where we currently do not expect to restore fixed services in the near term. However, our final assessment may change based upon the ultimate completion of our restoration and reconnection efforts in the impacted areas of the island. Our December 31, 2025 RGU count includes approximately 86,000 RGU's that were not receiving service as of the end of the year, but are expected to be restored in the near term, and for which we did not recognize any revenue following Hurricane Melissa.
- (b) Our homes passed in Liberty Costa Rica include 54,000 homes on a third-party network that provides us long-term access.

Operating Data Glossary

Customer Relationships – The number of customers who receive at least one of our video, internet or telephony services that we count as RGUs, without regard to which or to how many services they subscribe. To the extent that RGU counts include equivalent billing unit (“EBU”) adjustments, we reflect corresponding adjustments to our customer relationship counts. For further information regarding our EBU calculation, see Additional General Notes below. Customer relationships generally are counted on a unique premises basis. Accordingly, if an individual receives our services in two premises (e.g., a primary home and a vacation home), that individual generally will count as two customer relationships. We exclude mobile-only customers from customer relationships.

Homes Passed – Homes, residential multiple dwelling units or commercial units that can be connected to our networks without materially extending the distribution plant. Certain of our homes passed counts are based on census data that can change based on either revisions to the data or from new census results.

Internet (Broadband) RGU – A home, residential multiple dwelling unit or commercial unit that receives internet services over our network.

Mobile Subscribers – Our mobile subscriber count represents the number of active subscriber identification module (“SIM”) cards in service rather than services provided. For example, if a mobile subscriber has both a data and voice plan on a smartphone this would equate to one mobile subscriber. Alternatively, a subscriber who has a voice and data plan for a mobile handset and a data plan for a laptop (via a dongle) would be counted as two mobile subscribers. Customers who do not pay a recurring monthly fee are excluded from our mobile telephony subscriber counts after periods of inactivity ranging from 30 to 90 days, based on industry standards within the respective country. In a number of countries, our mobile subscribers receive mobile services pursuant to prepaid contracts.

Revenue Generating Unit (RGU) – RGU is separately a video RGU, internet RGU or telephony RGU. A home, residential multiple dwelling unit, or commercial unit may contain one or more RGUs. For example, if a residential customer subscribed to our video service, fixed-line telephony service and broadband internet service, the customer would constitute three RGUs. RGUs are generally counted on a unique premises basis such that a given premises does not count as more than one RGU for any given service. On the other hand, if an individual receives one of our services in two premises (e.g., a primary home and a vacation home), that individual will count as two RGUs for that service. Each bundled video, internet or telephony service is counted as a separate RGU regardless of the nature of any bundling discount or promotion. Non-paying subscribers are counted as RGUs during their free promotional service period. Some of these subscribers may choose to disconnect after their free service period. Services offered without charge on a long-term basis (e.g., VIP subscribers or free service to employees) generally are not counted as RGUs. We do not include subscriptions to mobile services in our externally reported RGU counts. In this regard, our RGU counts exclude our separately reported postpaid and prepaid mobile subscribers.

Telephony RGU – A home, residential multiple dwelling unit or commercial unit that receives voice services over our network. Telephony RGUs exclude mobile subscribers.

Video RGU – A home, residential multiple dwelling unit or commercial unit that receives our video service over our network primarily via a digital video signal while subscribing to any recurring monthly service that requires the use of encryption-enabling technology. Video RGUs that are not counted on an EBU basis are generally counted on a unique premises basis. For example, a subscriber with one or more set-top boxes that receives our video service in one premises is generally counted as just one RGU.

Additional General Notes:

Most of our operations provide telephony, broadband internet, data, video or other B2B services. Certain of our B2B service revenue is derived from SOHO customers that pay a premium price to receive enhanced service levels along with video, internet or telephony services that are the same or similar to the mass marketed products offered to our residential subscribers. All mass marketed products provided to SOHO customers, whether or not accompanied by enhanced service levels and/or premium prices, are included in the respective RGU and customer counts of our operations, with only those services provided at premium prices considered to be “SOHO RGUs” or “SOHO customers.” To the extent our existing customers upgrade from a residential product offering to a SOHO product offering, the number of SOHO RGUs and SOHO customers will increase, but there is no impact to our total RGU or customer counts. With the exception of our B2B SOHO customers, we generally do not count customers of B2B services as customers or RGUs for external reporting purposes.

Certain of our residential and commercial RGUs are counted on an EBU basis, including residential multiple dwelling units and commercial establishments, such as bars, hotels, and hospitals, in Puerto Rico. Our EBUs are generally calculated by

dividing the bulk price charged to accounts in an area by the most prevalent price charged to non-bulk residential customers in that market for the comparable tier of service. As such, we may experience variances in our EBU counts solely as a result of changes in rates.

While we take appropriate steps to ensure that subscriber and homes passed statistics are presented on a consistent and accurate basis at any given balance sheet date, the variability from country to country in (i) the nature and pricing of products and services, (ii) the distribution platform, (iii) billing systems, (iv) bad debt collection experience, and (v) other factors add complexity to the subscriber and homes passed counting process. We periodically review our subscriber and homes passed counting policies and underlying systems to improve the accuracy and consistency of the data reported on a prospective basis. Accordingly, we may from time to time make appropriate adjustments to our subscriber and homes passed statistics based on those reviews.

Residential Services

Mobile Services. We offer mobile services throughout our operating footprint. We are a mobile network operator, delivering high-speed services in Puerto Rico and the USVI, Panama, Costa Rica and all but one of our Caribbean markets. As a mobile network provider, we are able to offer a full range of voice and data services, including value-added services. Where available, we expect our mobile services will allow us to provide an extensive converged product offering with video, internet

and fixed-line telephony, allowing our customers connectivity in and out-of-the-home. We hold spectrum licenses as a mobile network provider, with terms typically ranging from 10 to 15 years across our C&W markets. In Puerto Rico and the USVI, spectrum licenses are typically held for perpetuity with the exception of CBRs spectrum which has a priority term of 10 years. We also hold three mobile spectrum concessions in Costa Rica, each originally granted for a 15-year term and eligible for a one-time extension of an additional 10 years, subject to compliance with applicable regulatory requirements. These concessions are scheduled to expire in 2026, 2031, and 2041, respectively. We have already requested the extension of the concession expiring in 2026 and obtained a positive recommendation from the Regulator to extend it. We expect to seek extensions of the other licenses in accordance with the regulatory framework in effect at the time of renewal. In addition, in Panama we have spectrum licenses with a 20-year term that will expire in 2037; however, due to a transaction with Claro, some of these licenses will expire in 2028, and will require renewal until 2037 to be aligned with the rest of C&W Panama's licenses.

Subscribers to our mobile services pay varying monthly fees depending on whether the mobile service is bundled with one of our other services or includes mobile data services over their phones, tablets or laptops. Our mobile services are available on a postpaid or prepaid basis. We offer our customers the option to purchase mobile handsets with purchase terms typically related to whether the customer selects a prepaid or postpaid plan. Customers selecting a prepaid plan or service pay in advance for a pre-determined amount of airtime and/or data and generally do not enter into a minimum contract term. Customers subscribing to a postpaid plan typically enter into monthly contracts. Additionally, in most of our markets and, subject to a credit check, customers subscribing to a postpaid plan can take an installment plan in order to purchase a handset. This can be repaid over a 12 to 36 month period.

Broadband Internet Services. To support our customers' connectivity demands, we are expanding our networks to make high-speed broadband available to more people. This includes investment in the convergence of our fixed and mobile data systems and through our next generation WiFi products, which enable us to maximize the impact of our broadband networks by providing reliable, high-speed wireless connectivity anywhere in the home. These gateway products can be self-installed and have an automatic WiFi optimization function, which selects the best possible wireless frequency. During 2025, our Network Extension programs (as defined and described below) upgraded or passed approximately 170,000 homes across Liberty Latin America.

The internet speeds we offer are one of the key focus areas for our value propositions, as customers spend more time streaming video and other bandwidth-heavy services on multiple devices. As a result, we are continuing to invest in additional bandwidth and technologies to increase internet speeds throughout our Latin America and Caribbean footprint. We plan to continue the upgrade and expansion of our fixed networks so that we can deploy high-speed internet service to additional customers in the coming years.

Our residential subscribers access the internet predominantly via FTTH or HFC networks and with modems connected to their internet capable devices, including personal computers, or wirelessly via next generation WiFi and telephony gateway products. In each of our markets, we offer multiple tiers of internet service. The speed of service depends on location and the tier of service selected by our subscribers.

Our value-added services include security measures and online storage. Mobile broadband internet services are also available through our mobile services described above. Subscribers to our internet service pay a monthly fee based on the tier of service selected. In addition to the monthly fee, customers pay an activation service fee upon subscribing to an internet service. This one-time fee may be waived for promotional reasons. We determine pricing for each different tier of internet service through an analysis of speed, market conditions and other factors.

Video Services. We offer video services in Puerto Rico, Costa Rica, Panama and in nearly all of our C&W's residential markets. In most markets, we are enhancing our video offerings with next generation, market-leading digital television platforms that enable our customers to control when and where they watch their programming. These advanced services are predominantly delivered over our FTTH and HFC networks and customers access a range of features that include a DVR, a VoD offering and an advanced user interface including an electronic programming guide, voice search and recommendation. These video customers can pause their live broadcast, restart from the beginning and find previously aired programs that they may have missed. They can also stream a selection of channels and non-linear content on their own devices through "TV Everywhere" mobile applications such as, "Bluu" in the Caribbean, "Liberty Go" in Puerto Rico, "+movil Total" in Panama and "Liberty Go Hogar" in Costa Rica, while increasingly benefiting from OTT bundling technology that enables seamless access to leading third-party streaming applications as part of an integrated video experience, combining linear television and app-based content within a single proposition.

Our operations with video services typically offer multiple tiers of digital video programming starting with affordable entry or skinny and basic video service tiers. Subscribers have the option to select extended and/or premium subscription packages combining linear channels and VoD. Subscribers to our digital video services pay a fixed monthly fee and, in most of our markets, all tiers include a number of HD channels as well as access to enhanced features. More recently, this model has

continued to evolve, from a purely linear offering to a more integrated experience, by incorporating select third-party OTT applications within certain bundles, allowing customers to access both traditional channels and app-based content through a single proposition. In addition, through our latest generation of video CPE, and in some markets, via CPE-less, app-only experience, subscribers can access most leading internet streaming services. Discounts to our monthly service fees are generally available to a subscriber who selects a bundled service of at least two of the following services: video, internet and fixed-line telephony.

We tailor our video services in each country of operation based on local preferences, culture, demographics and regulatory requirements. We aim to offer the most relevant mix of content to our subscribers, combining general entertainment, sports, movies, documentaries, lifestyle, news, adult, children and foreign channels, as well as local, regional and international broadcast networks. We manage multiple channels in the Caribbean Region, notably the prominent Caribbean sports network, Flow Sports. Additionally, we oversee a joint venture encompassing Rush Sports, Rush Sports 2, Rush Sports 3 and Rush Prime. These comprise two sports channels and one general entertainment channel, collectively accessible throughout the Caribbean, with the exception of Puerto Rico and the US Virgin Islands.

Telephony Services. C&W is the incumbent fixed-line telephony service provider in most of its residential markets. In Puerto Rico and Costa Rica we also offer telephony services over our respective networks.

We offer multi-feature telephony service predominantly over HFC and FTTH infrastructure. Depending on location, these services are provided via either circuit-switched telephony or VoIP technology. As we continue to develop and invest in new technologies that will enhance our customers' experiences, we are replacing obsolete switches with VoIP technology and older copper networks with modern fiber optics. These digital telephony services cover international and domestic services.

Business Services

B2B Services. We offer B2B services across our operations, leveraging our high-speed and extensive fixed and mobile infrastructure. In C&W, we have our most developed B2B business and are a leading provider of services in many of our markets, representing a significant portion of C&W's revenue. Our B2B offerings by Liberty Puerto Rico and Liberty Costa Rica are less developed and provide an opportunity for future growth.

Liberty Networks. We offer integrated communication and cloud services, connectivity and wholesale solutions to hyper scalers, carriers and businesses throughout the Caribbean, Latin America and the U.S. via our subsea and terrestrial fiber optic cable networks. Our systems include subsea optical systems, long-haul terrestrial backbone, metro fiber networks and data centers. We provide service to major commercial zones and cities and host several mission-critical operations for large organizations and customers in key markets within our operating footprint. Our networks deliver critical infrastructure for the transport of growing traffic from businesses, governments and other telecommunications operators across the region, particularly to high-traffic destinations in the United States and Latin America.

Below is a map of Liberty Networks subsea and terrestrial fiber network.

With close to 35,000 kilometers of submarine fiber optic cable, and an activated capacity over 50 Tbps, Liberty Networks can carry large volumes of data traffic. Our networks also allow us to provide point-to-point, clear channel wholesale broadband capacity services, IP transit cloud-based services and local network services to telecommunications carriers, ISPs and large corporations. Our network provides built-in resiliency, route diversity and redundancy through our superior traffic re-routing capability.

Across our regional footprint, we also provide services to business customers in multiple segments, from small and medium businesses to larger corporate and enterprise organizations including multi-national companies and governments. We work with our business customers to customize the best end-to-end solutions, using standardized best-in-class products to fit their service needs. We target specific industry segments, such as financial institutions, the hospitality sector, education institutions and government ministries and agencies. We have agreements to provide our services over fully managed and monitored dedicated MPLS and IP networks, wavelength and metro-access fiber lines. We offer tailored solutions that combine our standard services with value-added features, such as dedicated customer care, professional services and enhanced service performance monitoring, to meet specific customer requirements. Our business products and services include voice, broadband, enterprise-grade WAN connectivity, managed WiFi, network security, software defined networking, unified communications and a range of cloud-based IT solutions, such as Infrastructure as a Service (IaaS), disaster recovery and other service offerings. We also offer a range of data, voice and internet services to carriers, ISPs and mobile operators. Our extensive fiber optic cable networks typically allow us to deliver redundant, end-to-end connectivity backed by a strong service level agreement guarantee. Our networks also allow us to provide services over dedicated access fiber lines and local and international private networks that are dedicated to our business customers.

Our business services fall into four broad categories:

- Data services for internet access, virtual private networks, high capacity point-to-point, point-to-multi-point and multi-point-to-multi-point services, managed networking services including MPLS, SDWAN and IP transit;
- VoIP and circuit-switch telephony;
- Wireless services for mobile voice and data; and

- Value-added Managed Services, including:
 - Private and Public Cloud Infrastructure Services and integration, including Disaster Recovery Backup Services;
 - Cloud and premise based Private Branch exchange solutions, conferencing options and Hosted Contact Center solutions;
 - Cyber Security Services, including structured solutions, rapid response, and other professional services;
 - Managed WiFi;
 - Software Defined Networking, Internet of Things, Digitalization and Digital Currencies; and
 - Specialized services such as Telehealth, Digital Signage, and Retail Analytics.

The extensive reach of our network and assets, as well as our comprehensive set of capabilities positions us to meet the needs of carriers, businesses and government customers that are searching for a capable, progressive provider to manage their ever more complex communications, connectivity and information technology needs.

Technology

In many of our markets, we transmit our broadband internet, video and fixed-line telephony services over an HFC cable network, and through FTTH networks. An HFC network consists primarily of fiber networks that we connect to the home over the last few hundred meters by coaxial cable and an FTTH network uses fiber-to-the-home/-cabinet/-building/-node. In a minority of cases, we transmit our services over a fixed network consisting of VDSL or residual DSL copper lines.

We closely monitor our network capacity and customer usage. We continue to take actions and explore improvements to our technologies that will increase our capacity and enhance our customers' connected entertainment experience. These actions include:

- recapturing bandwidth and optimizing our networks by:
 - increasing the number of nodes in our markets;
 - increasing the bandwidth of our hybrid fiber coaxial cable networks;
 - converting analog channels to digital;
 - adding DOCSIS 3.1 channels;
 - replacing copper lines with modern fiber optic lines; and
 - using digital compression technologies.
- freeing spectrum for high-speed internet, VoD and other services by encouraging customers to move from analog to digital services;
- increasing the efficiency of our networks by moving head-end functions (encoding, transcoding and multiplexing) to cloud storage systems;
- enhancing our network to accommodate further business services, such as higher speed;
- using our wireless technologies to extend services outside of the home;
- offering remote access to our video services through laptops, smart phones, tablets and thru SmartTV platforms;
- expanding the availability of next generation decoder and set-top boxes and related products, as well as developing and introducing online media sharing and streaming or cloud-based video; and
- testing new technologies.

We are engaged in network extension and upgrade programs across Liberty Latin America. We collectively refer to these network extension and upgrade programs as the “Network Extensions.” Through the Network Extensions, we continue to expand our fixed networks pursuant to which we pass or upgrade homes and businesses with our broadband communications network. For example, we have upgraded almost all of our HFC network to DOCSIS 3.1, and with a combination of FTTH and DOCSIS 3.1, over 97% of our network is currently capable of delivering speeds of 1 Gbps or above. In addition, we look for mobile service opportunities where we have established cable networks and have expanded our fixed-line networks where we have a strong mobile offering. This will allow us to offer converged fixed-line and mobile services to our customers.

We deliver high-speed data and fixed-line telephony over our various fixed networks, including HFC and FTTH networks. These networks are further connected via our subsea and terrestrial fiber optic cable networks that provide connectivity within and outside the region. Our subsea network cables carry over 50 Tbps, which represent approximately 25% of their potential capacity based on current deployed technology, presenting us with significant growth opportunities. In Puerto Rico, our network includes a fiber ring around the island that provides enhanced interconnectivity points to the island’s other local and international telecommunications companies.

As noted above, we operate one of the largest subsea fiber networks in the region and our systems include long-haul terrestrial backbone and metro fiber networks that provide access to major commercial zones, wireless carrier cell sites and customers in key markets within our operating footprint. For more information about our subsea network, see —*Business Services* above.

We continue to expand our wireless coverage and capacity across our markets and currently provide 5G services in Puerto Rico, Panama, Costa Rica, the Cayman Islands and Barbados.

Mobile

We operate mobile networks in all of our consumer markets except Trinidad & Tobago. Our networks deliver high-speed Data, Voice and VAS (value-added service) services. Our wireless networks predominantly use LTE technologies with close to 100% LTE coverage. In Puerto Rico, USVI, the Cayman Islands, Panama, Costa Rica and Barbados, we currently operate 5G networks. In all markets, we aim to increase the speed of our data services and have been enhancing and expanding our LTE coverage. We transmit wireless calls and data through radio frequencies that we use under spectrum licenses. We have a diversified portfolio of frequencies which support LTE and 5G technologies. Spectrum is a limited resource, and, as a result, we may face spectrum and capacity constraints on our wireless network in certain countries. We believe our current spectrum portfolio will allow us to meet subscribers’ needs in the coming years with minimal further investment, although we will continue to evaluate our need to acquire additional frequencies to supplement our existing spectrum portfolio. In Puerto Rico and USVI, the 700 MHz FirstNet (Band 14) is usable by us (when not occupied by first responders’ traffic) but owned by AT&T and the First Responders Public Private Partnership. In 2022, AWS spectrum was allocated to our Panama operations, and we acquired additional spectrum in Barbados and Cayman. In addition, in November 2023, we entered into an asset purchase agreement and a license purchase agreement with EchoStar to acquire EchoStar spectrum assets in Puerto Rico and USVI, which closed on September 3, 2024. During 2025, Barbados acquired an additional 65 MHz to facilitate the launch of 5G, and Jamaica was assigned 40 MHz in the 600 MHz band to improve mobile services. On January 2025, Liberty Costa Rica participated in the 5G radio spectrum auction securing one block in the 700 MHz band, one in the 2,300 MHz band, four in the 3,500 MHz band and one in the 26/28GHz band.

We continue to invest significant capital in expanding our network capacity and reach and to address spectrum and capacity constraints on a market-by-market basis. Our prime 5G deployed market is Puerto Rico and USVI where over 95% of the population is served by our 5G capable network. We continually look for opportunities to expand our 5G footprint to other countries. Similarly, we have invested to build a new virtualized and redundant mobile core in Puerto Rico. These redundant network elements are connected by our owned and operated diverse submarine cable routes with automatic alternate routing. Across all our mobile operations we continually strive to improve our network performance by commissioning annual competitive performance benchmarking studies and undertaking customer experience improvement programs. In Puerto Rico and USVI, we are a part of the national US Firstnet (Emergency/First Responders) network, which necessitates above-average network resilience and other customer performance requirements, subject to governmental penalties for non-compliance.

Supply Sources

Content

Content is one of the key drivers for customers in selecting a provider of video, broadband and/or wireless services. Therefore, we aim to provide products that allow our customers to consume content whenever and wherever they want and feature content that matters the most to our customers. Our programming strategy is based on:

- product (enabling access through home and mobile screens at anytime, including live, catch-up, restart with the ability to pause programming, personal recording, on-demand and internet streaming apps);
- proposition (meeting our customers' content and entertainment expectations by offering access to a wider range of channels and on-demand content, and internet streaming services at affordable and competitive price points);
- partnering (alliances with content partners and leading distributors to aggregate the best linear, on-demand and streaming content); and
- variety (expanding the content offering from video to other categories and creating an ecosystem across music, sports, retail, culinary, fitness etc. through the convenience of our products, broadband and wireless connectivity services).

Except for Flow Sports and Flow 1 services, that we operate, in the Caribbean, and the Rush sports channel operated by a joint venture with Digicel, we license our programming and on-demand content through distribution agreements with third-party content providers, including broadcasters, leading cable networks and major Hollywood studios. For such licenses, we generally pay a variable monthly fee on a per subscriber basis, through multi-year programming licenses. In our distribution agreements, we seek to include the rights to offer the licensed channels and on-demand programming to our authenticated customers through multiple delivery platforms including through our apps for IP-connected mobile and/or fixed devices, and our websites. We also acquire rights to make available, in most of our markets, video services to mobile subscribers and broadband subscribers that are not subscribers to fixed TV services.

With respect to rights for the sports and entertainment services we operate directly or in a joint-venture in the Caribbean, we seek to license locally relevant sports and general entertainment content. Our latest video consumer equipment that is distributed to a growing number of markets, including Puerto Rico, Costa Rica and Panama, also enables our customers to access, through the Google App Store, leading streaming services such as Netflix, Disney+, HBO Max and Amazon Prime Video.

Mobile Handsets and Customer Premises Equipment

We use a variety of suppliers for mobile handsets to offer our customers mobile services. For other customer premises equipment, we purchase from a number of different suppliers and regularly assess production lead times to ensure supply continuity and implement dual sourcing strategies to mitigate further risks when applicable. Customer premises equipment includes set-top boxes, modems, WiFi routers, extenders and similar devices. For our broadband services, we use a variety of suppliers for our network equipment and the various services we offer.

Software Licenses

We license software products, including email and security software as well as content, from several suppliers for our internet services and internal IT platforms. The agreements for these products require us to pay a per subscriber fee or a one-off software license fee and a share of advertising revenue for content licenses. For our mobile network operations and our fixed-line telephony services, we license software products, such as voicemail, text messaging and caller ID, from a variety of suppliers. For these licenses we seek to enter into long-term contracts, which generally require us to pay based on usage of the services.

Regulatory Matters

Our regulated services are video distribution, broadband internet, fixed-line telephony and mobile services, the scope of which varies from market to market with the potential of risk caused by adverse regulatory developments. Conditions imposed on us by competition and regulatory authorities as requirements to close acquisitions or dispositions could limit growth, revenue and the number and type of services offered, which could lead to increased operating costs and property and equipment additions. In addition, regulation may restrict our operations and subject them to further competitive pressure, including pricing rules and restrictions, such as interconnect and other access obligations that restrict or control content, including content provided by third parties. Failure to comply with current or future regulations could expose our businesses to various penalties.

Liberty Caribbean

The video, broadband, telephony and mobile services provided by Liberty Caribbean are subject to regulation and enforcement by various governmental and regulatory entities in each of the jurisdictions where such services are provided. The scope and reach of these regulations are distinct in each market, with some markets such as the Dutch Caribbean being more heavily regulated than others. Generally, Liberty Caribbean provides services in accordance with licenses and concessions granted by national authorities pursuant to national telecommunication legislation and associated regulations. Certain of these regulatory requirements are summarized below.

As the incumbent telecommunications provider in many of its jurisdictions, Liberty Caribbean is subject to significant regulatory oversight with respect to the provision of fixed-line services. Generally, in these markets, Liberty Caribbean operates under a government issued license or concession that enables it to own and operate its telecommunication networks, including the establishment of wireless networks and the use of spectrum. These licenses and concessions are typically non-exclusive and have renewable multi-year terms that include competitive, qualitative and rate regulations, in some instances. Licenses and concessions are in the process of being renewed in Anguilla, Antigua and Barbuda and Trinidad and Tobago. We believe we have complied with all local requirements to have existing licenses renewed and have provided all necessary information to enable local authorities to process applications for renewal in a timely manner. In addition, in some of the ECTEL states we are operating under expired licenses and have applied for renewal of such licenses. We expect that such licenses will be granted or renewed, as applicable, on the same or substantially similar terms and conditions. Pending issuance of new or renewed licenses or concessions, we continue to operate on the same terms and conditions as prior to the licenses expiring.

With respect to licenses for new mobile spectrum, the initial grant of the spectrum is sometimes subject to an auction process, but spectrum in use since the initial grant of operating licenses are historically granted on the basis of an administrative process at a set level of fees for a fixed period of time, typically to coincide with operating licenses, subject to the payment of annual fees and compliance with applicable license requirements. In very rare cases, spectrum previously assigned to Liberty Caribbean may be re-allocated by regulatory authorities to other operators in the market. Alternatively, spectrum sought by Liberty Caribbean may not be available for grant, due to prior historical grants or due to the need to avoid interference with neighboring markets. By and large, spectrum assignments, once granted, remain unchanged for the duration of a license and beyond. In the Dutch Caribbean, which are Overseas Territories of the Netherlands, the frequencies are allotted on a “first come, first serve” basis, and they operate in the same frequency band divisions as mainland Europe. The regulator reserves the various spectrum evenly between the market players and grants these when needed. Once granted, the operator must start paying for the allocated spectrum. In terms of spectrum acquired in 2025, the Barbados business acquired an additional 65MHz to facilitate the launch of 5G and Jamaica was assigned 40MHz in the 600 MHz band to improve mobile services.

In the ECTEL states, rate regulation of Liberty Caribbean’s telephony services typically includes price caps (for fixed services) that set the maximum rates it may charge to customers, and legislation that requires consent from a regulator prior to any price or terms and conditions of service changes. In addition, all regulators determine and set the rates that may be charged by all telephony operators, including Liberty Caribbean, for interconnect charges, which are access charges between operators for calls originating on one network that are completed through connections with one or more networks of other providers, and charges for network unbundling services. In addition, in certain markets, regulators set, or are seeking to set, mobile roaming rates and wholesale dedicated internet access. Interconnection rates (and primarily mobile termination and roaming rates) in the telecommunications industry worldwide are decreasing, and we are experiencing this trend towards lower interconnection rates in our markets. On the BES-islands, also known as the Caribbean Netherlands, data services are considered assigned/obligated services that are subject to price regulation requiring regulatory approval of any pricing changes, and Curacao has recently followed this pattern of making data services assigned/obligated services.

In recent years, due to the increasing importance of high-speed broadband, national regulators have demonstrated an increased focus on the issues of network resilience, broadband affordability and penetration, quality of services and consumer rights. One example of efforts to improve broadband affordability can be seen in The Bahamas, where price cap regulation for entry-level broadband services was introduced in 2024. Prior to this change, broadband services were not regulated.

Certain regulators are also seeking to mandate third-party access to Liberty Caribbean’s network infrastructure, including dark fiber and landing stations, as well as to regulate wholesale services and prices. In the Dutch Caribbean and French territories, there are rules and regulations requiring such third party access to network infrastructure. Any such decision and application to grant access to our network infrastructure may strengthen our competitors by granting them the ability to access our network to offer competing products and services without making the corresponding capital intensive infrastructure investment. In addition, any resale access granted to competitors on favorable economic terms that are not set by the free market could adversely impact our ability to maintain or increase our revenue and cash flows. The extent of any such adverse

impacts ultimately will be dependent on the extent that competitors take advantage of the resale access ultimately afforded to our network, the pricing mandated by regulatory authorities and other competitive factors or market developments.

As an example, in Jamaica, under The Telecommunications (Infrastructure Sharing) Rules 2022, dominant licensees are required to share infrastructure (including dark fiber, ducts, subsea cable landing stations and mobile network towers) with third parties, including competitors. Due to a failure of the OUR to establish 1) that there is a market for infrastructure sharing and 2) that Cable and Wireless Jamaica and/or Columbus Communications Jamaica Ltd are dominant licensees in said market, the OUR has conceded that these rules do not impose any mandatory obligations on the company. This eliminates the obligation to provide a “reference access offer” and any associated regulatory cost model to determine the applicable rates for sharing elements of network infrastructure by the company. As such, any request for sharing infrastructure under these rules will be considered on a case by case basis and mutually agreed commercial arrangements.

In addition, ECTEL, the regulatory body for telecommunications in five Eastern Caribbean States (Commonwealth of Dominica, Grenada, St. Kitts & Nevis, St. Lucia and St. Vincent and the Grenadines), is in the process of adopting an Electronic Communications Bill that may have a material adverse impact on Liberty Caribbean’s operations in the ECTEL member states. The proposed Electronic Communications Bill includes provisions relating to:

- net neutrality principles mandating equal access to all content and applications regardless of the source and without favoring, degrading, interrupting, intercepting, blocking access or throttling speeds;
- subscription television rate regulation;
- regulations implementing market dominance rules;
- network unbundling at regulated rates; and
- mandated unbundled access to all landing station network elements at cost-based rates.

We currently cannot determine the impact these provisions will have on our operations because national regulators are required to conduct extensive market reviews before adopting specific measures and these measures might be reconsidered in accordance with the market reviews. St. Kitts and Nevis passed the bill in 2021 and was later followed by St. Vincent and the Grenadines in 2022. Other ECTEL states will follow to pass the legislation in the next few years, although a specific timeline is unclear, as it is the purview of each legislature to determine the precise date on which the legislation will be introduced for deliberation. The Electronic Communications Bill will not become effective until it has been adopted by four out of the five ECTEL states to ensure that the rules across these states are harmonized. Although the legislation does contain provisions which potentially increase the level and variety of regulation to which Liberty Caribbean’s operations in ECTEL states may be subject, implementation of such rules will be time consuming and complex.

In addition to rate regulation, several markets in which Liberty Caribbean operates have imposed, or are considering imposing, regulations designed to further encourage competition, including introducing requirements related to unbundling, network access to third parties, and LNP for fixed and mobile services. Jurisdictions such as The Bahamas, the Cayman Islands, Barbados and Jamaica have implemented fixed and mobile LNP and ECTEL has implemented mobile LNP. Other jurisdictions, including Antigua and Barbuda, Curacao and Turks and Caicos Islands, are seeking to implement fixed and mobile LNP in 2026. With fixed LNP already in place in Trinidad and Tobago, the regulator has begun enforcing it amongst the operators. Additionally, regulators in The Bahamas have eased restrictions on the mobile market.

The pay television service provided in certain Liberty Caribbean markets is subject to, among other things, subscriber privacy regulations, data protection laws and regulations, and the must-carry rule (as defined below) and retransmission consent rights of broadcast stations. Pay television service in certain Liberty Caribbean markets is also under heavy pressure from illegal IP-setup boxes that are swamping the markets. The price point that these pirates offer are difficult to compete against, and regulators are having a difficult time acting against these pirates or, in some cases, are unwilling to act against them.

Liberty Caribbean is also subject to universal service obligations in a number of markets. These obligations vary in specificity and extent, but they are generally related to ensuring widespread geographic coverage of networks and that the populations of Liberty Caribbean’s individual markets have access to basic telecommunication services at minimum quality standards. In a number of cases, Liberty Caribbean is required to support universal access/service goals through contributions to universal service funds or participate in universal service-related projects.

In addition to the industry-specific regimes discussed above, Liberty Caribbean's operating companies must comply with both specific and general legislation concerning, among other matters, data retention, consumer protection and electronic commerce. These operating companies are also subject to national level regulations on competition and on consumer protection.

In Trinidad and Tobago, C&W was required by the Telecommunications Authority of Trinidad and Tobago, in connection with its approval of C&W's acquisition of Columbus International Inc. in March 2015, to dispose of its 49% shareholding in TSTT. The disposal of C&W's stake in TSTT is not complete. We cannot predict when, or if, we will be able to dispose of this investment at an acceptable price. As such, no assurance can be given that we will be able to recover the carrying value of our investment in TSTT.

Liberty Networks

With respect to Liberty Networks' B2B business in Latin America and wholesale business in Latin America and the Caribbean, we are subject to significantly less regulation in the markets in which we operate compared to our residential businesses described above. We do have the licenses in Latin America, the U.S. and the Caribbean countries necessary to operate wholesale and enterprise services in all countries in which we operate. Although the legal framework in Latin America, the U.S. and the Caribbean changes from country to country, we do own international/local carrier and Internet or data services licenses in every jurisdiction in which we operate. Most licenses are granted for a 10 to 15 year term. Some licenses and concessions are in the process of being renewed: Bahamas (Carrier), Belize (Carrier), Curacao (Carrier), Honduras (Data Transmission and Fixed Telephony), Guatemala (Carrier), Jamaica (Carrier), Panama (Carrier, Data Transmission, Internet), Trinidad and Tobago (Carrier), US (ARCOS-1 Submarine Cable License) and Venezuela (Carrier). We believe we have complied with all local requirements to have existing licenses renewed. We expect that such licenses will be renewed, as applicable, on the same or substantially similar terms and conditions in a timely manner. Pending issuance of new or renewed licenses or concessions, we continue to operate on the same terms and conditions as prior to the licenses expiring.

In the U.S., the FCC recently issued and approved changes to the rules for submarine cable landing licenses as well as a further notice of proposed rulemaking. Liberty Networks will continue monitoring any further regulatory changes and implement any required measures for continued compliance with the applicable rules to our submarine cable licenses.

In Mexico, the Congress approved a major reform to the structure of the telecommunication sector including the creation of a new regulatory agency (Telecommunications Regulatory Commission - CRT). Liberty Networks does not expect any adverse effect on its operation resulting from these changes.

Liberty Networks operates close to 60,000 kilometers of submarine and terrestrial fiber optic cable systems in the U.S., the Caribbean and Latin America. Some of these sub-systems have cable landing stations and facilities in the U.S. and its territories. These facilities are regulated by the FCC, the Department of Homeland Security, the Department of Defense and other U.S. governmental agencies that impose additional reporting and licensing obligations on the business. Liberty Networks entered into a new consortium agreement with UFINET and Hondutel to reconfigure and operate certain legacy segments of MAYA-1 and renamed such reconfigured system MAYA 1.2, which connects the U.S., Cayman Islands and Honduras. Liberty Networks has submitted the application for renewal and reconfiguration of MAYA 1.2 submarine cable landing license before the FCC. Similarly, Liberty Networks entered into a new consortium agreement with AT&T and Sparkle to operate a legacy segment of Americas-II connecting the U.S. Virgin Islands and Puerto Rico. This cable system will be known as Americas-II West. The consortium members of Americas-II West are currently operating the cable system with a special temporary authority and will timely submit the corresponding license renewal application before the FCC. Additionally, Liberty Networks will move forward with the license renewal for ARCOS-1 submarine cable system, as approved by the consortium members in 2017. Liberty Networks has partnered and entered into a joint build agreement with Sparkle and Gold Data to build the new MANTA Cable System, a 5,600 kilometer cable connecting the U.S. with Mexico, Panama and Colombia. Liberty Networks expects to obtain the respective applicable approvals from the FCC and corresponding authorities within the respective jurisdictions. MANTA is expected to be operational by late 2027 or early 2028.

C&W Panama

C&W Panama is subject to regulatory entities, principally ASEP. ASEP regulates and controls the public services for the supply of drinking water, sanitary sewerage, telecommunications and electricity. Also, C&W Panama is subject to the ACODECO, guarantor of consumer protection and antitrust, which operates under the direction of the Ministry of Commerce and Industries.

Public services in Panama are classified as "Type A services" and "Type B services," with Mobile Telephony and Personal Communication services being classified as Type A services. In 1997, a concession was awarded to BSC (now Grupo Milicom) and C&W Panama. On January 2, 2003, the Local, National and International Basic Services were opened to competition by virtue of the termination of the temporary exclusivity granted to Millicom and C&W Panama, the latter being the result of the privatization of the state-owned telecommunications company, INTEL.

With the opening of the market, in 2008, concession contracts for the PCS Service were granted to Digicel (Panamá), S.A. and Claro Panama. Currently, C&W Panama completed a mobile market consolidation process with Claro Panama once the transaction was formalized in 2022, according to Law 36 of June 5, 2018 and subsequently, Digicel declared their intention to return their concession to the Panamanian government. On June 19, 2024, the mobile concession contract between the Panamanian Government and Digicel was terminated. The law of market consolidation issued by the Panamanian Government aims to maintain three mobile operators and, therefore, the market structure in Panama is pending definition and subject to analysis, either through a new public bidding process, which is expected to occur during 2026, or by creating the conditions for a mobile virtual network operator, which according to the current administration has little chance of success.

Spectrum. C&W Panama currently has a total of 125 MHz allocated (30 MHz in the 700 MHz band, 40 MHz in the 1900 MHz band, 30 MHz of AWS Band (1710-1780 MHz and 2110 and 2180) and 25 MHz in the 850 MHz band). At the time of the acquisition of Claro Panama, C&W Panama had 65MHz allocated (20 MHz in the 700 Band, 20 MHz in the 900 MHz, 25 MHz in the 850 MHz Band), and Claro Panama had 60 MHz allocated (20 MHz in the 700 MHz Band, 40 MHz in the 1900 MHz Band). As per a consolidation law, an acquiring operator could only have a maximum of 130MHz. ASEP indicated during 2024 that the spectrum cap should be understood as dynamic depending on the amount of spectrum allocated for mobile services. Currently such cap is 180 MHz per operator. ASEP completed the Public Consultation through which it modified the National Frequency Allocation Plan by: (i) allocating an additional 490 MHz for mobile services (300 MHz in the 3500 MHz Band and 190 MHz in the 2500 MHz Band, 60MHz per operator); (ii) allocating 100 MHz in the 2300 MHz Band for IMT; (iii) allowing fixed wireless access with the mobile spectrum already allocated for voice and data services; and (iv) postponed the definition of use of the 6 GHz Band initially as unlicensed free spectrum. At the same time, telecommunications operators are requesting the definition of a lower price for radio spectrum in the medium bands, where ASEP has shown receptivity to formulate a proposal for analysis by the Ministry of Economy and Finance in order to encourage investment for the deployment of new technologies and strengthening of the current network. ASEP made an initial proposal; however, an additional reduction and the option to pay in installments have been requested. Updates are expected during the first quarter of 2026.

Concessions. C&W Panama holds thirteen concessions renewed for the following twenty years, available until the year 2037, except a pay TV license that was renewed in 2008 for 25 years. C&W Panama decided not to renew the concessions corresponding to discontinued or not provided services (facsimile retransmission service and conventional trunk systems service for public or private use), and the Concession #104 (Pay Phone Services), was renewed under special conditions imposed by the regulator, requiring that any modification to the installed base of telephone booths must have prior authorization from the regulatory authority. As part of the consolidation process of the mobile market, the unification of C&W Panama and Claro Panama's concession is part of the actions to be executed in 2026, which will involve drafting an addendum to the concession agreement, obtaining authorization from the Panamanian cabinet, and finally, receiving approval from the Comptroller General of the Republic.

Public Telephone Service. C&W Panama is the only operator that provides Public Telephone Service in Panama. Since 2021, efforts have been made with the regulatory authority to obtain authorization for disconnection and/or relocation of public telephones, and in 2022, C&W Panama obtained approval to remove 4,005 out of 9,178 public and semi-public telephones. During 2025, additional authorization was obtained to disconnect 3,187, which has already been completed, leaving a remaining 1,986 public telephones, for which a disconnection request is scheduled to be submitted during the first quarter of 2026. The disconnection of public telephones responds to the technical evolution of the sector, sustained changes in user consumption patterns, and the obsolescence of the infrastructure, including the limited availability of spare parts required for their support and maintenance.

Fixed Services (Fixed-Line Telephony, Public and Semipublic Telephone). C&W Panama has a license to provide Basic Local, National and International Telecommunications Services, as well as Public and Semipublic Terminals and Rental of Dedicated Voice Circuits, within the entire territory of Panama until the year 2037. C&W Panama is a Type B concessionaire, with or without use of radio spectrum, subject to compliance with requirements regarding the fulfillment of quality goals for the provision of these services, such as the attention to recommendations issued by the International Telecommunications Union. During 2025, C&W Panama formed an internal working group to manage national long-distance charges to establish a flat rate. Likewise, ASEP issued a resolution establishing guidelines for mobile-to-mobile interconnection charges (reducing charges by approximately 60%), and a proposal for fixed-to-fixed-to-mobile interconnection charges is expected in 2026.

Mobile Services. The provision of mobile services is subject to regulatory obligations related to quality of service, service continuity and availability, and ongoing supervision by ASEP. C&W Panama is authorized to install, maintain, manage, operate and commercially exploit the mobile telephone service, in the assigned radio spectrum segments, which currently C&W Panama has 125 MHz, for its prepaid and post-paid mobile customers, including supplementary services and other Mobile Telephony services, throughout Panama, which is valid until 2037.

Internet Service: The provision of internet services is subject to compliance with regulatory quality indicators, which are measured through monitoring and measurement systems overseen by ASEP, in accordance with applicable regulatory

standards. There are conditions and quality parameters for providing internet service to the public that became effective in 2018, setting new regulatory conditions and supervision of the service providers starting in 2019. During May 2019, ASEP conducted an inspection intended to validate that these requirements were duly configured in the system. Similarly, during 2024, an inspection was conducted, generating observations on the handling of automatic accreditations due to service interruptions, which have been adjusted during 2025. C&W Panama has complied with the regulatory requirements.

Pay Television Service. Initially, the concession for the provision of the pay television service was granted to the International Contact Center Company in 2008, and then the rights were transferred in favor of C&W Panama. The license was granted to retransmit audio and video signals through coaxial cable and fiber optics in the province of Panama, with a validity of 25 years, which was later extended to other provinces in the coverage area for the provision of paid TV service. As of January 16, 2025, the provision of satellite television service (DTH) was suspended with the authorization of ASEP. The actions of Copyright Collective Societies continue to be monitored, and during 2026, contracts with free-to-air television signal providers in Panama (MEDCOM and TVN) are due for renewal.

Liberty Puerto Rico

Liberty Puerto Rico is subject to regulation in Puerto Rico by various governmental entities at the Puerto Rico and the U.S. federal level, including the FCC and the TB. The TB has primary regulatory jurisdiction at the local level and is responsible for awarding franchises to cable operators for the provision of cable service and regulating cable television and telecommunications services.

Our business in Puerto Rico is subject to comprehensive regulation under the Communications Act, which regulates communication, telecommunication and cable television services. The Communications Act also provides the general legal framework for, among other things, the provision of telephone services, services related to interconnection between telephone carriers, and television, radio, cable television and direct broadcast satellite services.

The FCC and/or the TB have the authority to impose sanctions, including warnings, fines, reductions or revocation of government funding, license revocations and, in certain specific cases, termination of the franchise, although license revocation and franchise termination are rare. The Communications Act specifies causes for the termination of licenses, including, for example, the failure to comply with license requirements and conditions or to pay fines or fees in a timely manner. Such sanctions by the TB and/or FCC can be appealed to, and reviewed by, Puerto Rican and U.S. federal courts.

In May 2018, the FCC established the UPR Fund to provide subsidies for the deployment and hardening of fixed wireline and mobile wireless communications networks in Puerto Rico. Stage 1 of the UPR Fund made \$51 million of new funding available for Puerto Rico telecommunications providers following Hurricanes Maria and Irma in 2017. Stage 2 of the UPR Fund made additional funding available to providers of services over fixed wireline networks through a competitive bidding process, and to mobile wireless providers subject to those providers meeting certain conditions.

To be eligible for Stage 2 UPR funding for fixed services, Liberty Puerto Rico became an ETC and is obligated to offer services at a discounted rate to low income customers under the federal Lifeline Program and low-cost services to schools and libraries under the Schools and Libraries Program (E-Rate). Both programs provide FCC subsidies to ensure access to telecommunications and broadband access services for specified classes of customers.

On November 2, 2020, LCPR received preliminary approval from the FCC for an award of approximately \$72 million through the UPR Fund. The funds support providing high-speed broadband access to all locations within 43 of Puerto Rico's 78 municipalities, representing service to over 914,000 locations. After LCPR submitted all required materials in June 2021, this funding was authorized by the FCC. Liberty Puerto Rico will have six years to complete the network expansions and upgrades, during which certain milestones must be met. Liberty Puerto Rico is expected to receive approximately \$72 million, which will be paid in 120 equal monthly payments over a 10-year period that began in July 2021. The revenue recognized from such project will be reflected as "other revenue" in our revenue by product disclosures in our financial statements.

Effective December 31, 2021, Liberty Puerto Rico acquired 96% of the outstanding shares of Broadband VI, LLC for \$33 million, subject to certain post-closing adjustments. On June 8, 2021, the FCC's Wireline Competition Bureau issued a public notice authorizing \$85 million in Connect USVI funding for Broadband VI, LLC to deploy wireline networks and provide voice and broadband services to more than 46,000 locations in the U.S. Virgin Islands. Given its acquisition of Broadband VI, LLC, Liberty Puerto Rico is now the recipient of these funds and is responsible for the network expansions and upgrades committed to in the bid. Liberty Puerto Rico has six years to complete the network expansions and upgrades committed to in the bid, and will receive FCC funding support over the course of ten years. In addition to expansions and upgrades, Broadband VI, LLC committed to a robust disaster preparation and response plan to harden its network and make it more resistant to storm damage. Broadband VI, LLC is currently building out to comply with a 60% deployment milestone by December 31, 2026.

With respect to Stage 2 UPR funding for mobile wireless providers, the FCC also established in September 2019 that mobile wireless providers providing service in Puerto Rico as of June 2017 were eligible to receive up to \$254 million over three years based on their relative number of subscribers for such service as of June 2017. Liberty Puerto Rico's predecessor wireless provider in Puerto Rico (AT&T) was authorized by the FCC to receive approximately \$34 million in annual funding over three years or a total amount of \$102 million in funding to expand, improve and harden the mobile networks in Puerto Rico and USVI. That entity had previously obtained the required ETC designation in Puerto Rico. Having purchased this business in connection with the AT&T Acquisition, Liberty Puerto Rico received these funds. We have received approximately \$98 million in funding, including approximately \$94 million and \$4 million received by our mobile operations in Puerto Rico and USVI, respectively.

On April 19, 2023, the FCC adopted a report and order that provides two additional years of transitional mobile support beginning in June 2023. Transitional mobile support recipients receive 50% of their current monthly support for both 4G LTE and 5G-NR during the first year of transitional support, and then 25% of their current monthly support in their second year of transitional support. Thus, Liberty Puerto Rico's annual Stage 2 UPR mobile support was reduced from approximately \$34 million to approximately \$17 million in the first year of transitional support and to approximately \$9 million in the second year. On August 29, 2024, the FCC adopted a Second Report and Order and Order on Reconsideration, which affirmatively included Puerto Rico and USVI as eligible for funding under the definition of the 5G Fund Phase I auction. The current level of transitional mobile support is expected to remain in place until the FCC implements the potential 5G fund.

Liberty Puerto Rico is also subject to certain regulatory requirements specific to it. Liberty Latin America entered into a Letter of Agreement on July 1, 2020 with the DOJ and the U.S. Department of Defense in connection with the AT&T Acquisition, and Liberty Communications PR entered into a Letter of Agreement on November 20, 2020 with the DOJ regarding an FCC application. Further, Liberty Latin America and LCPR are subject to a Final Judgment, filed on February 3, 2021, in connection with the divestiture of certain assets to complete the AT&T Acquisition, which does not expire for 10 years. Failure to comply with the Letters of Agreement or the Final Judgment could result in a variety of sanctions, including, for example, fines and/or license revocation.

In Puerto Rico, antitrust regulation is governed by the U.S. Sherman Act, other federal antitrust legislation, and the Puerto Rico Anti-Monopoly Law. In particular, the Sherman Act seeks to prevent anti-competitive practices in the marketplace and requires governmental review of certain business combinations, among other things. The Puerto Rico Anti-Monopoly Law substantially parallels the Sherman Act and authorizes the Puerto Rico Department of Justice to investigate and impose competition-related conditions on transactions. The Attorney General of Puerto Rico is permitted to investigate a transaction under federal law or under the Puerto Rico Anti-Monopoly Law.

Puerto Rico Law 5 of 1973, as amended, created the Puerto Rico Department of Consumer Affairs, which regulates marketing campaigns, publicity, and breach of service contracts, and prohibits false advertising. Law 213, which created the TB, requires that rates for telecommunication services be cost-based, forbids cross-subsidies and focuses on encouraging, preserving and enforcing competition in the cable and telecommunications markets. Although Law 213 does not require Liberty Puerto Rico to obtain any approval of rate increases for cable television or telecommunication services, any such increases must be in compliance with Law 213's requirements, including notification to the TB before such increases take effect.

*Vide*o. The provision of cable television services requires a franchise issued by the TB. Franchises are subject to termination proceedings in the event of a material breach or failure to comply with certain material provisions set forth in the franchise agreement governing a franchisee's system operations, although such terminations are rare. In addition, franchises require payment of a franchise fee as a requirement to the grant of authority, which is passed to Liberty Puerto Rico's customers. Franchises establish comprehensive facilities and service requirements, as well as specific customer service standards and monetary penalties for non-compliance. Franchises are generally granted for fixed terms of up to ten years and must be periodically renewed.

Our pay television service in Puerto Rico is subject to, among other things, subscriber privacy regulations and must-carry and retransmission consent rights of broadcast television stations. The Communications Act and FCC rules govern aspects of the carriage relationship between broadcast television stations and cable companies. To ensure that every qualifying local television station can be received in its local market without requiring a cable subscriber to switch between cable and off-air signals, the FCC allows every qualifying full-power television broadcast station to require that all local cable systems transmit that station's primary digital channel to their subscribers within the station's market (the "must-carry" rule) pursuant to the Cable Television Consumer Protection and Competition Act of 1992. Alternatively, a station may elect every three years to forego its must carry rights and seek a negotiated agreement to establish the terms of its carriage by a local cable system, referred to as retransmission consent.

Communications Act requirements and FCC regulations applicable to the video services provided by Liberty Puerto Rico include, among other things: (1) licensing of communications systems and facilities, such as various spectrum licenses; (2) customer and technical service standards; (3) ownership restrictions; (4) emergency alert systems; (5) disability access, including video description and closed captioning; (6) competitive availability of cable equipment; (7) equal employment obligations; and (8) public, education and government entity access requirements.

Internet. On January 2, 2025, the Sixth Circuit Court of Appeals struck down the FCC's Open Internet Order, which had reinstated net neutrality rules by reclassifying broadband internet as a Title II Telecommunications Service under the Communications Act. As of January 2025, there are no federal net neutrality rules in effect.

On November 17, 2022, the FCC issued a report and order and a further notice of proposed rulemaking adopting rules that require broadband providers to display, at the point of sale, labels that disclose certain information regarding broadband prices, introductory rates, data allowances and broadband speeds. Broadband providers also must include links to their network management practices, privacy policies, and the ACP. Broadband providers with more than 100,000 subscriber lines must comply with the majority of the label requirements by April 10, 2024. The FCC also seeks comment regarding the adoption of additional disclosure requirements regarding price and performance information, among other matters. The ACP concluded in 2024. On November 3, 2025, the FCC requested further comments to streamline and simplify the broadband labels including removal of ACP information, broadband speeds, documentation retention requirements and other modifications.

The Infrastructure Act also established the Middle Mile Broadband Infrastructure Grant Program (MMG). On June 15, 2023, the NTIA awarded LCPR a grant of approximately \$9 million to fund new middle mile infrastructure in areas where LCPR has been awarded UPR Funds for last-mile services. The NTIA also administers the BEAD Program which will provide funding for high-speed broadband deployment in the 50 states and territories, including Puerto Rico and USVI. NTIA has allocated approximately \$335 million and \$27 million in BEAD Program funds to Puerto Rico and USVI, respectively. Liberty Mobile Puerto Rico and Liberty Mobile U.S. Virgin Islands have submitted comments regarding the draft BEAD Program action plans in Puerto Rico and USVI, respectively. Of note, in Fiscal Year 2021, Puerto Rico also allocated \$400 million in state funds to the Broadband Infrastructure Fund administered by the Puerto Rico Broadband Program, to support service expansion efforts in unserved and underserved areas.

Fixed-Line Telephony Services. Liberty Puerto Rico offers fixed-line telephony services, including both circuit-switched telephony and VoIP. Its circuit-switched telephony services are subject to FCC and local regulations regarding the quality and technical aspects of service. All local telecommunications providers, including Liberty Puerto Rico, are obligated to provide telephony service to all customers within the service area, subject to certain exceptions under FCC regulations, and must give long distance telephony service providers equal access to their network. Under the Communications Act, CLECs, like us, may require interconnection with the ILEC, and the ILEC must negotiate a reasonable and nondiscriminatory interconnection agreement with the CLEC to provide any technically feasible point within the ILEC's network, access to certain unbundled network elements and physical collocation. We have negotiated an interconnection agreement with PRTC, allowing for the physical interconnection between both companies.

All of the circuit-switched telephony and VoIP services of Liberty Puerto Rico are subject to a charge for the federal USF, which is a fund created under the Communications Act to subsidize telecommunication services in high-cost areas, to provide telecommunications services for low-income consumers, and to provide certain subsidies for schools, libraries and rural healthcare facilities. The FCC has redirected the focus of USF to support broadband deployment in high-cost areas. In addition, our circuit-switched telephony and VoIP services are subject to a charge for a local Puerto Rico Universal Service Fund, which was created by law to subsidize telecommunications services for low-income families under the federal USF Lifeline and Link-Up programs.

The FCC has adopted other regulations for VoIP services, including the requirement that interconnected VoIP providers and facilities-based broadband internet access providers must comply with the Communications Assistance for Law Enforcement Act, which requires carriers to provide certain assistance to federal law enforcement authorities. VoIP providers are also required to offer basic and enhanced 911 emergency calling services, which requires disclosure to all VoIP customers. VoIP providers are also subject to federal rules regarding, among other things: (1) customer proprietary network information and customer privacy protections; (2) number portability; (3) network outage reporting; (4) rural call completion; (5) disability access; (6) back-up power obligations; and (7) robocall mitigation.

Mobile Services. Liberty Mobile Puerto Rico and Liberty Mobile U.S. Virgin Islands offer mobile services in Puerto Rico and USVI. The FCC regulates virtually all aspects of United States wireless communications systems, including spectrum licensing, tower and antenna construction, modification and operation, the ownership and sale of wireless systems and licenses, as well as the acquisition, leasing and use of wireless spectrum. Local governments, such as in Puerto Rico and USVI, typically regulate the placement of wireless towers and similar facilities via zoning laws. At present, neither the FCC nor state or local governments regulate specific service offerings or rate plans. In addition, other federal and state agencies have asserted jurisdiction over consumer protection and the elimination and prevention of anticompetitive business practices in the wireless industry. The specific issues as to which our United States mobile services operations are subject to regulatory oversight include: roaming, interconnection, spectrum allocation, licensing and leasing, facilities siting, pole attachments, intercarrier compensation, USF contributions and distributions (such as through the UPR Fund), network neutrality, 911 services, consumer protection, consumer privacy protections, number portability, and cybersecurity. The FCC also released a final rule on July 6, 2022 making the industry-developed Wireless Network Resiliency Cooperative Framework mandatory. The new rule requires a five-pronged approach to enhance coordination during an emergency, typically resulting from a national disaster such as a hurricane.

Liberty Costa Rica

Liberty Telecomunicaciones, as a telecommunications operator and provider, is subject to regulation and enforcement under Article 121, paragraph 14, of Costa Rica's Constitution, which enumerates a list of assets that cannot permanently leave the state's domain, which includes the radio spectrum and the possible methods of its exploitation, the Law No. 8642, General Telecommunications Law (LGT), and Law No. 8860, Law for the Strengthening and Modernization of the Public Entities of the Telecommunications Sector, among other regulations. The main governmental entities involved in this industry are the MICITT, which leads policy development and implementation, SUTEL, as regulator of the telecommunication operators and providers and competition agency exclusively for the telecommunications sector, and the Consumer Protection Agency of the Ministry of Economy, Industry and Commerce. In its activities, Liberty Telecomunicaciones holds a telecommunications services license, which expires in 2028, issued by SUTEL that authorizes the deployment and operation of its wireline HFC network throughout the country. This license authorizes the following services: (i) paid television; (ii) the provision of fixed telephony service; (iii) internet access; and (iv) data links.

Liberty Telecomunicaciones has a total of 670 MHz allocated in three concessions. For the first, granted in 2011, MICITT awarded Telefonica 10 MHz in the 850 MHz band, 30 MHz in the 1800 MHz band and 20 MHz in the 1900/2100 MHz band. This concession has a 15-year renewable term, expiring on May 12, 2026, that may be extended for an additional 10 year term, and we have begun the process to renew this concession. For the second one, granted in 2018, MICITT awarded Liberty Telecomunicaciones 20 MHz in the 1800 MHz band and 20 MHz in the 1900/2100 MHz band. This concession has a 15-year renewable term, expiring on April 23, 2033, that may be extended for an additional 10 year term. For the third concession, granted in 2025, MICITT awarded 20 MHz in the 700 MHz band, 50 MHz in the 2,300 MHz band, 100 MHz in the 3,500 MHz band and 400 MHz in the 26/28GHz band, with a commitment to deploying over 1,552 base stations to enhance coverage and service quality in underserved areas. This concession has a 15-year renewable term, expiring on August 21, 2040, that may be extended for an additional 10 year term.

Liberty Telecomunicaciones also holds three mobile spectrum concessions in Costa Rica, each originally granted for a 15-year term and eligible for a one-time extension of an additional 10 years, subject to compliance with applicable regulatory requirements. These concessions are scheduled to expire in 2026, 2031, and 2041, respectively. Liberty Telecomunicaciones has already requested the extension of the concession expiring in 2026 and obtained a positive recommendation from the regulator to extend it. Liberty Telecomunicaciones expects to seek extensions of the other licenses in accordance with the regulatory framework in effect at the time of renewal.

Video. Cable television service providers in Costa Rica are free to define the channels and content included in their services and are not required to carry any specific programming, except as described below, provided that both the regulator and end users will be notified through regulated communication. However, the Commission of Control and Qualification of Public Spectacles of the Ministry of Justice and Peace may impose sanctions on providers that have run programming containing excessive violence, adult content, or other objectionable content. Pay television operators are directly responsible for violating such prohibitions.

The Costa Rican General Telecommunications Law (art.138) establishes a retransmission consent regime between broadcast television concessionaires and pay television operators. This regime provides that (i) the concessionaires must include within their programming the Costa Rican television channels that have coverage in at least 60% of the national territory, excluding Isla del Coco, which complies with at least fourteen minimum hours of daily transmission, and (ii) the reception of

the signal complies with the minimum signal requirements established in this regulation, which have acceptable ratings and have the corresponding transmission rights.

Internet. The Regulation of Provision and Quality of Services of SUTEL establishes minimum quality thresholds, such as minimum speeds, oversubscription, delay, and installation, reconnection and repair of breakdowns deadlines.

Fixed-Line Telephony Services. More than eight years after SUTEL issued a regulation for the implementation of fixed number portability, a court rejected a lawsuit filed by the Costa Rican government telecom provider, ICE (through the Kolbi brand), that argued that fixed telephony was not an open, competitive service in Costa Rica, and confirmed the right to number portability on fixed-line phone numbers. The implementation process of fixed number portability has begun, however, its launch is expected to take at least two years.

Mobile Services. Through concessions contracts N° C-001-2011-MINAET, -002-2017-MICITT DAF-034-2013 and N° C-002-2025-MICITT, Liberty Telecomunicaciones is authorized to install, maintain, manage, operate and commercially exploit the mobile telephone service, in the assigned radio spectrum segments, for its prepaid and post-paid mobile customers, including 5G radio spectrum. On June 28, 2024, Liberty Telecomunicaciones successfully launched 5G services by leveraging Dynamic Spectrum Sharing technology, utilizing its existing spectrum originally used for 4G.

On August 31, 2023, the Costa Rican government issued a decree aimed at regulating 5G deployment with a strong emphasis on cybersecurity. The decree mandates compliance with international standards, restricts participation from companies based in countries that have not signed the Budapest Convention on Cybercrime, and establishes oversight mechanisms. However, this decree has been legally challenged in Costa Rican courts, leading to its current suspension. This development could significantly influence the selection of manufacturers for the rollout of mobile networks, including both 5G and other mobile generations.

Competition

We operate in an emerging region of the world, where market penetration of telecommunication services such as broadband and mobile data is lower than in a number of more developed markets. We believe that we have the opportunity to capitalize upon this underlying growth across our markets and benefit from increasing penetration of our data services as well as economic growth over time.

However, technological advances and product innovations have increased and are likely to continue to increase giving customers several options for the provision of their communications services. Our customers want access to high quality communication services that allow for seamless connectivity. Accordingly, our ability to offer converged services (video, internet, fixed telephony and mobile) is a key component of our strategy. In many of our markets, we compete with companies that provide converged services, as well as companies that are established in one or more communication products and services. Consequently, our businesses face significant competition. In all markets, we seek to differentiate our communications services by focusing on customer service, competitive pricing and offering quality high-speed connectivity.

Mobile Services

Across our footprint, we are either the leading or one of the leading mobile providers and we continue to seek additional bandwidth to deliver our wide range of services to our customers and increase our high-speed coverage. We also offer various calling plans, such as unlimited network, national or international calling, unlimited off-peak calling and minute packages, including calls to fixed and mobile phones. In addition, we use our bundled offers with our high-speed internet services to gain mobile subscribers where possible. Our ability to offer fixed-mobile convergence services is expected to be a key driver of growth.

- *Liberty Caribbean.* We typically operate in supportive mobile market structures and face competition mainly from Digicel in most of our Liberty Caribbean markets, and ALIV in The Bahamas.
- *C&W Panama.* In Panama, we primarily compete with Millicom (Tigo).
- *Liberty Puerto Rico.* Liberty Puerto Rico primarily competes with T-Mobile US and América Móvil, S.A.B. de C.V. (Claro) for the provision of mobile services in Puerto Rico.
- *Liberty Costa Rica.* In Costa Rica, we compete with Claro and ICE (Kolbi) for the provision of mobile services.

Broadband Internet

With respect to broadband internet services and online content, our businesses face competition in a rapidly evolving marketplace from incumbent and non-incumbent telecommunications companies, mobile operators, cable-based ISPs and satellite service providers, many of which have substantial resources. The internet services offered by these competitors include both fixed-line broadband internet services using cable, DSL or FTTH networks, wireless broadband internet services and satellite-based services. These competitors have a range of product offerings with varying speeds and pricing, as well as interactive services, data and other non-video services offered to homes and businesses. With the demand for mobile internet services increasing, competition from wireless services using various advanced technologies is a competitive factor. In several of our markets, competitors offer high-speed mobile data via LTE wireless networks. In addition, other wireless technologies, such as WiFi, are available in almost all of our markets. In this intense competitive environment, speed, bundling, and pricing are key drivers for customers.

A key component of our strategy is speed leadership. Our focus is on increasing the maximum speed of our connections as well as offering varying tiers of services and prices, a variety of bundled product offerings and a range of value added services. We update our bundles and packages on an ongoing basis to meet the needs of our customers. Our top download speeds generally range from 300 Mbps to speeds of up to 1 Gbps. In many of our markets, we offer the highest download speeds available via our HFC cable and FTTH networks. The focus is on high-speed internet products to safeguard our high-end customer base and allow us to become more aggressive at the low- and medium-end of the internet market. By fully utilizing the technical capabilities of DOCSIS 3.0 and DOCSIS 3.1 technologies on our cable systems, we can compete with local FTTH initiatives and create a competitive advantage compared to DSL infrastructures and LTE initiatives on a national level.

In several of our Liberty Caribbean markets, we are the incumbent phone company offering broadband internet products, predominantly through HFC cable and FTTH. In these markets and our other Latin American markets, our key competition for internet services is from cable and IPTV operators, FTTH operators and mobile data service providers. In most of our markets, we offer our internet service through bundled offerings that include video and fixed-line telephony.

- *Liberty Caribbean.* Where Liberty Caribbean is the incumbent telecommunications provider, it competes with FTTH providers, of which Digicel is the largest operating in all of our larger Caribbean markets, as well as HFC providers, the largest of which is Cable Bahamas Limited in The Bahamas.
- *C&W Panama.* The largest competitor in Panama is Millicom (Tigo).
- *Liberty Puerto Rico.* Liberty Puerto Rico primarily competes with Claro and other operators using fiber networks or fixed wireless access technologies in Puerto Rico.
- *Liberty Costa Rica.* In Costa Rica, we face competition primarily from ICE (Kolbi), Telecable, Millicom (Tigo) and Claro.

Video Distribution

Our video services compete primarily with traditional FTA broadcast television services, DTH satellite service providers and other fixed-line telecommunications carriers and broadband providers, including operations offering (i) services over HFC cable networks, (ii) DTH satellite services, (iii) IPTV over broadband internet connections using asymmetric DSL or VDSL or an enhancement to VDSL called “vectoring,” (iv) IPTV over FTTH networks, or (v) LTE services. Many of these competitors have a national footprint and offer features, pricing and video services individually and in bundles comparable to what we offer. In certain markets, we also compete with other cable or FTTH based providers who have overbuilt portions of our systems.

OTT aggregators and SVoD services utilizing our or our competitors’ high-speed broadband connections are also a significant competitive factor as are other video service providers that overlap our service areas. OTT video providers (such as HBO Max, Amazon Prime Video, Disney+, Paramount+ and Netflix in most of our markets, and Hulu, DirecTV Now and Sling in selected markets) offer rich VoD catalogs and/or linear channels. In some cases, these AVoD services are provided free-of-charge (such as YouTube and Pluto TV). Typically, these services are available on multiple devices in and out of the home. To augment our video services, we continue to deploy and develop newer technologies and platforms that create flexibility for our subscribers and improve their experience. For example, through our user interface, subscribers can seamlessly subscribe to these OTT and TVE services, conduct searches, discover content, and engage in the consumption of programs. Our businesses also compete to varying degrees with other sources of entertainment and information, such as online entertainment, newspapers, magazines, books, live entertainment/concerts and sporting events.

Piracy and other unauthorized uses and distribution of content, including through web-based applications, devices and online platforms, also present challenges for our video business. These platforms illegally stream copyrighted content, for example, Premier League games that can be viewed with an internet connection. While piracy is a challenge in most jurisdictions in which we operate, it is particularly prevalent in those jurisdictions that lack developed copyright laws and effective enforcement of copyright laws.

We believe that our deep-fiber access, where available, provides us with several competitive advantages. For instance, our networks allow us to concurrently deliver internet access, together with real-time television and VoD content, without impairing our high-speed internet service. In addition, our cable infrastructure in most of our footprint allows us to provide triple-play bundled services of broadband internet, television and fixed-line telephony services without relying on a third-party service provider or network. Where mobile is available, our mobile networks, together with our fixed fiber-rich networks, will allow us to provide a comprehensive set of converged mobile and fixed-line services. Our capacity is designed to support peak consumer demand. In serving the business market, many aspects of the network can be leveraged at very low incremental costs given that business demand peaks at a time when consumer demand is low, and peaks at lower levels than consumer demand. In response to the continued growth in OTT viewing, we have launched a number of innovative video services, including Bluu in Liberty Caribbean's markets, +TV Total in C&W Panama, Liberty Go in Puerto Rico and Liberty Go Hogar in Costa Rica.

Our ability to attract and retain customers depends on our continued ability to acquire appealing content and services on competitive terms and to make such content available on multiple devices and outside the home. Some competitors have obtained long-term exclusive contracts for certain sports programs, which limits the opportunities for other providers to offer such programs. Other competitors also have obtained long-term exclusive contracts for programs, but our operations have limited access to certain of such programming through select contracts with those companies. If exclusive content offerings increase through other providers, programming options could be a deciding factor for subscribers on selecting a video service.

In this competitive environment, we enhance our offers with converged digital services, such as DVR and replay functionalities, VoD and multi-screen services, along with exploring and aligning partnerships with adjacent categories like music, e-sports, fitness and others. In addition, we offer attractive content packages tailored to particular markets and discounts for bundled services. To improve the quality of the programming in our packages, our operations periodically modify their digital channel offerings. Where we offer mobile, we focus on our converged service offerings. We use these services, as well as bundles of our fixed-line services, as a means of driving video and other products where we can leverage convenience and price across our portfolio of available services.

- *Liberty Caribbean.* Liberty Caribbean competes with a variety of pay TV service providers, with several of these competitors offering double-play and triple-play packages. In several of its other markets, including Jamaica, Trinidad and Tobago and Barbados, Liberty Caribbean is the largest or one of the largest video service providers. In these markets, its primary competition is from operators of IPTV services over VDSL and FTTH, such as Digicel and any DTH competitor locally.
- *C&W Panama.* C&W Panama competes primarily with Millicom (Tigo).
- *Liberty Puerto Rico.* Liberty Puerto Rico is the largest provider of fixed-line video services in Puerto Rico. Liberty Puerto Rico's primary competition for video customers is from DTH satellite providers DirecTV and DISH Network in Puerto Rico. Claro also provides video services in the market. DISH Network is an aggressive competitor, offering low introductory offers, free HD channels and, in its top tier packages, a free multi-room DVR service. DirecTV is also a significant competitor offering similar programming in Puerto Rico compared to DISH Network. In order to compete, Liberty Puerto Rico focuses on offering video packages with attractive programming, including HD and Spanish language channels, plus a specialty video package of Spanish-only channels that has gained popularity. In addition, Liberty Puerto Rico uses its bundled offers that include high-speed fixed and mobile internet connectivity solutions to drive its video services.
- *Liberty Costa Rica.* We compete with Millicom (Tigo), Telecable and ICE (Kolbi) over their fixed networks, and with Claro through both their fixed network and their DTH services.

Fixed-Line Telephony

The market for fixed-line telephony services is mature across our footprint. Changes in market share are driven by the combination of price and quality of services provided and the inclusion of telephony services in bundled offerings. In most of our Liberty Caribbean markets, we are the incumbent telecommunications provider with long established customer relationships. In our other markets, our fixed-line telephony services compete against the incumbent telecommunications operator in the applicable market. In these markets, the incumbent operators have substantially more experience in providing

fixed-line telephony, greater resources to devote to the provision of such services and long-standing customer relationships. In all of our markets, we also compete with VoIP operators offering services across broadband lines and OTT telephony providers, such as WhatsApp. In many countries, our businesses also face competition from other cable telephony providers, FTTH-based providers or other indirect access providers.

Competition exists in both the residential and business fixed-line telephony products due to market trends, the offering of carrier pre-select services, number portability, the replacement of fixed-line with mobile telephony and the growth of VoIP services, as well as continued deregulation of telephony markets and other regulatory action, such as general price competition. Our fixed-line telephony strategy is focused around value leadership, and we position our services as “anytime” or “any destination”. In addition, we offer varying plans to meet customer needs and, similar to our mobile services, we use our telephony bundle options with our digital video and internet services to help promote our telephony services and flat rate offers are standard.

- *Liberty Caribbean.* We face competition in the provision of fixed-telephony services mainly from Digicel in our Caribbean markets and Cable Bahamas Limited in The Bahamas. These companies all have competitive pricing on similar services, and the intensified level of competition we are experiencing in several of our markets has added increased pressure on the pricing of our services.
- *C&W Panama.* We face competition from Millicom (Tigo) in Panama.
- *Liberty Puerto Rico.* Liberty Puerto Rico primarily competes with Claro who is the incumbent fixed operator in Puerto Rico, and smaller fiber builders. For B2B services, Liberty Puerto Rico primarily competes with Claro, Aeronet, Neptuno and WorldNet.
- *Liberty Costa Rica.* In Costa Rica, we compete with ICE (Kolbi), who is the incumbent fixed telephony operator in Costa Rica, as well as Millicom (Tigo), Telecable and Claro.

Business and Wholesale Services

Through Liberty Networks, we provide a variety of advanced, point-to-point, clear channel broadband capacity, IP, Multiprotocol Label Switching, Ethernet and managed services over our owned and operated, technologically advanced, subsea fiber optic cable network. Our subsea and terrestrial fiber routes combine to form a series of fully integrated, mesh networks that provide complete operational redundancy, stability and reliability, making the overall architecture extremely difficult and costly to replicate. Given the advanced technical state of this integrated network, combined with the challenges in securing the necessary governmental and environmental licenses in all of our operating markets, we believe the network is unlikely to be replicated in the region. Competing networks in the region connect fewer countries than we do and are either linear in design, or if ringed, have high-latency protection routes. Moreover, these cable systems are generally not part of a broader ecosystem like ours, limiting their ability to offer comparable resilience, scale or service diversity. In addition, our network as of December 31, 2025, utilized approximately 25% of its potential design capacity, and we believe that our ability to take advantage of this large unused carrying capacity, coupled with the significant financial, technical and regulatory hurdles required to build a similar integrated system, makes replication in the near-term unlikely and reduces competitive risk.

We compete in the provision of B2B services with residential telecommunications operators, as noted above. We also compete with regional and international service providers, particularly when addressing larger customers.

Human Capital Resources

Our Team. As of December 31, 2025, we employed approximately 9,000 full-time employees across our five reportable segments. These are: Liberty Caribbean approximately 3,500 full-time employees, C&W Panama approximately 1,500 full-time employees, Liberty Networks approximately 1,100 full-time employees, Liberty Puerto Rico approximately 1,600 employees, and Liberty Costa Rica approximately 600 employees. The remaining employees are employed by our corporate entities. Women represented 40% of our global employees and 40% of our managerial positions. Of our total employee population, approximately 30% are covered by contracts with various unions, primarily across our Caribbean markets, Panama, and Puerto Rico. During 2025, our total employee attrition rate, both voluntary and involuntary, was approximately 21%.

We operate based on a set of strong principles including respect. We are committed to an inclusive culture where all employees can grow, thrive and perform at their best. In 2025, we measured our eNPS at +19 as part of our annual employee survey, which we believe is an indicator that we have a passionate, engaged, and dedicated workforce that is committed to supporting our customers and making a difference in the communities we operate in.

Our Chief People Officer, who reports to the CEO and is part of the Executive Team, leads our People and Culture initiatives. All leaders incorporate these initiatives as part of the operating strategy, and our Chief People Officer regularly reports progress on these initiatives to our Board of Directors.

Talent Strategy. We manage our talent strategy through a cycle consisting of Talent Acquisition, Learning & Development, and Performance Management. We offer prospective candidates a compelling Employee Value Proposition rooted in our culture, which combines a shared purpose, philosophy, and principles for how we work. We foster an environment where employees can learn, develop, and gain experience through mobility programs and other growth opportunities. Our performance management process is fully aligned with our culture and one team approach. This includes a simpler and more engaging Agile Performance Development (APD) experience for all our employees, focused on frequent conversations throughout the year combined with real-time feedback between managers and employees.

Our employees are the heart and soul of our business, helping us to deliver value to our customers, shareholders and communities. As our employees grow and develop, so will our company.

Corporate Social Responsibility. In addition to our core products and services, we meaningfully contribute to the communities where we operate. Our communities are so much more than locations for our business. It's where we live, where our families grow, where we celebrate and connect. We believe we have a responsibility to enable progress and build more resilient communities. We bring this to life through a shared approach across our markets with a focus on four critical areas: Learning; Environment; Access; and Disaster Relief.

Our employees lead many of our outreach programs, working alongside our local and regional charitable foundations. We proudly support and give back to our communities. In 2025, through our company-wide initiative, *Mission Week*, over 930 employees across several countries came together to contribute nearly 7,500 volunteer hours in support of communities across Latin America and the Caribbean through a wide range of volunteer activities.

Compensation, Benefits and Well-being. As part of our Employee Value Proposition, we offer compensation, benefits, and well-being packages that we believe are fair and competitive. We include a mix of base salary, short and long-term incentives (based on eligibility), as well as a wide range of programs that support our employees' overall well-being including: retirement savings plans, healthcare and insurance benefits, paid parental leave, paid time off, an employee stock purchase plan and employee assistance programs. These programs vary by employee level and geography.

Compliance and Ethics. We conduct our business with honesty and integrity in accordance with high ethical and legal standards, and with respect for each other and those with whom we do business. Our Code of Conduct sets out the basic rules, standards and behaviors necessary to achieve those objectives. Employees can confidentially and anonymously report any behavior or action they see or experience which goes against our Code of Conduct through SpeakUp, our employee hotline.

We expect our employees and directors to display responsible and ethical behavior, to follow consistently both the meaning and intent of our Code of Conduct, and to act with integrity in all of our business dealings. We expect managers and supervisors to take such action as is necessary and appropriate to ensure that our business processes and practices are in full compliance with our company culture and principles.

We expect our business partners to also act with integrity in all business dealings with us and others. Our Business Partner Code of Conduct sets forth the basic rules, standards, and behaviors that we expect of our business partners.

As part of our company-wide onboarding process, we require all new employees to complete training on our Code of Conduct. Additionally, we periodically host seminars on anti-corruption, anti-bribery, and other important compliance topics such as cyber security.

Health & Safety. Our vision is to have the safest operations in our industry and markets. To reduce the risk of serious injuries we invest in systems that enable us to receive reliable and structured data to enable informed decision making. We also work to improve our safety practices in the field and in our retail and office locations to prevent work-related illness and injuries.

Item 1A. RISK FACTORS

In addition to the other information contained in this Annual Report on Form 10-K, you should consider the following risk factors in evaluating our results of operations, financial condition, business and operations or an investment in the shares of our company.

The risk factors described in this section have been separated into seven groups:

- risks that relate to the competition we face and the technology used in our businesses;
- risks that relate to our operating in overseas markets and being subject to foreign and domestic regulation;
- risks that relate to certain financial matters;
- risks related to cybersecurity;
- risks related to climate change;
- risks relating to our corporate history and structure; and
- risks relating to our common shares and the securities market.

Although we describe below and elsewhere in this Annual Report on Form 10-K the risks we consider to be the most material, there may be other unknown or unpredictable economic, business, competitive, regulatory or other factors that also could have material adverse effects on our results of operations, financial condition, businesses or operations in the future. In addition, past financial performance may not be a reliable indicator of future performance and historical trends should not be used to anticipate results or trends in future periods.

If any of the events described below, individually or in combination, were to occur, our businesses, prospects, financial condition, results of operations and/or cash flows could be materially adversely affected.

Risks that Relate to the Competition we Face and the Technology Used in Our Businesses

We operate in increasingly competitive markets, and there is a risk that we will not be able to effectively compete with other service providers.

The markets for cable television, broadband internet, telephony and mobile services are highly competitive. In the provision of video services, we face competition from FTA and DTT broadcasters, DTH satellite providers, networks using DSL, VDSL or vectoring technology, Multi-channel Multipoint Distribution System operators, FTTH networks, OTT content providers, and, in some countries where parts of our systems are overbuilt, with cable and FTTH networks, among others. Our operating businesses are facing increasing competition from video services provided by, or over the networks of, other telecommunications operators and service providers. Some of these providers offer services without charging a fee, which could erode relationships with customers and may lead to a downward pressure on prices and returns for telecommunication services providers.

In the provision of telephony and broadband internet services, we are experiencing increasing competition from other telecommunications operators and other service providers in each country in which we operate, as well as other mobile providers of voice and data. Many of the other operators offer double-play, triple-play and quadruple-play bundles of services. In many countries, we also compete with other facilities-based operators and wireless providers. In particular, we are seeing increased activity from satellite service providers offering direct-to-consumer and direct-to-business broadband internet as well as direct-to-cell services. In addition, as the availability and speed of broadband internet increases, we also face competition

from OTT providers, including telephony providers such as WhatsApp, utilizing our or our competitors' high-speed internet connections.

In almost all cases, our licenses are not exclusive. As a result, many of our competitors have similar licenses and have and may continue to build systems and provide services in areas in which we hold licenses. In the case of cable- and broadband-enabled services, the existence of more than one cable or FTTH system operating in the same territory is referred to as an "overbuild." Overbuilds increase competition or create competition where none existed previously, either of which could adversely affect our growth, financial condition and results of operations.

In some of our markets, national and local government agencies may seek to become involved, either directly or indirectly, in the establishment of FTTH networks, DTT systems or other communications systems. We intend to pursue available options to restrict such involvement or to ensure that such involvement is on commercially reasonable terms. There can be no assurance, however, that we will be successful in these pursuits. As a result, we may face competition from entities not requiring a normal commercial return on their investments. In addition, we may face more vigorous competition than would have been the case if there were no such government involvement. Increased competition could result in increased customer churn, reductions of customer acquisition rates for some products and services and significant price and promotional competition. In combination with difficult economic environments, these competitive pressures could adversely impact our business, results of operations and cash flows.

Changes in technology may limit the competitiveness of and demand for our services.

Technology in the video, telecommunications and data services industries is changing rapidly, including advances in current technologies and the emergence of new technologies, such as the use of artificial intelligence and machine learning. New technologies, products and services may impact consumer behavior and therefore demand for our products and services. Failure to develop enhancements to our products or services or incorporate technologies, like artificial intelligence or machine learning, may impact our ability to meet customer expectations and harm our business. Our ability to anticipate changes in technology and consumer tastes and to develop and introduce new and enhanced products and services on a timely basis will affect our ability to maintain, continue to grow, or increase our revenue and number of customers and remain competitive. New products and services, once marketed, may not meet consumer expectations or demand, can be subject to delays in development and may fail to operate as intended. A lack of market acceptance of new products and services that we may offer, or the development of significant competitive products or services by others, could have a material adverse impact on our results of operations and cash flows.

Our significant property and equipment additions may not generate a positive return.

Significant additions to our property and equipment are, or in the future may be, required to add customers to our networks and to upgrade or expand our mobile and broadband communications networks and upgrade customer premises equipment to enhance our service offerings and improve the customer experience. Additions to our property and equipment, including in connection with Network Extensions, require significant capital expenditures for equipment and associated labor costs to build out and/or upgrade our networks as well as for related customer premises equipment. Additionally, significant competition, the introduction of new technologies, the expansion of existing technologies, such as FTTH and advanced DSL technologies, the impact of natural disasters like hurricanes, or adverse regulatory developments could cause us to decide to undertake previously unplanned builds or upgrades of our networks and customer premises equipment.

No assurance can be given that any rebuilds, upgrades or extensions of our network will increase penetration rates, increase average monthly subscription revenue per average cable RGU or mobile subscriber, as applicable, or otherwise generate positive returns as anticipated, or that we will have adequate capital available to finance such rebuilds, upgrades or extensions. Additionally, costs related to our Network Extensions and property and equipment additions could end up being greater than originally anticipated or planned. If this is the case, we may require additional financing sooner than anticipated or we may have to delay or abandon some or all of our development and expansion plans or otherwise forego market opportunities. Additional financing may not be available on favorable terms, if at all, and our ability to incur additional debt will be limited by our debt agreements. If we are unable to, or elect not to, pay for costs associated with adding new customers, expanding, extending or upgrading our networks or making other planned or unplanned additions to our property and equipment, or are delayed in making such investments, our growth could be limited and our competitive position could be harmed.

We depend almost exclusively on our relationships with third-party programming providers, broadcasters and rights owners for programming content, and a failure to acquire desirable programming on acceptable terms could adversely affect subscriptions of our video services.

The success of our video subscription offerings depends, in large part, on our ability to offer a selection of popular and desirable programming. We generally do not produce our own content and we therefore depend on our agreements and cooperation with public and private broadcasters, rights holders and collective rights associations to obtain such content. If we fail to obtain desirable and popular programming for our pay television offerings, including linear channels as well as non-linear content (such as a selection of attractive VoD content and rights for ancillary services such as network DVR services), on satisfactory terms, we may not be able to offer a compelling product to our video customers at a price they are willing to pay. Additionally, we periodically negotiate and renegotiate content agreements and our annual costs for programming can vary as a result of these negotiations. There can be no assurance that we will be able to renew the terms of our agreements on desirable terms or at all.

If we are unable to obtain or retain attractively priced content, demand for our video subscription services could decrease, thereby limiting our ability to attract new bundle customers to subscribe to video services and/or maintain existing video customers. Furthermore, we may be placed at a competitive disadvantage as certain OTT providers increasingly produce their own exclusive content if certain of our providers also offering content directly to consumers restrict our access to valued content or if certain of our pay-TV competitors acquire exclusive programming rights, particularly with respect to sports.

We depend on third-party suppliers and licensors to supply and maintain necessary equipment, software and certain services required for our businesses.

We rely on third-party vendors for the equipment (including customer premises equipment, network infrastructure and mobile handsets), software and services that we require in order to provide services to our customers. Our suppliers often conduct business worldwide and their ability to meet our needs is subject to various risks, including political and economic instability, international regulations or sanctions, supply chain delays or instability, natural calamities, interruptions in transportation systems, power supplies, terrorism and labor issues. In addition, we rely on third parties (in particular, local municipalities, power companies and other telecommunications companies) for access to rights of way, poles and conduits to attach our network equipment, and their ability to provide such access is subject to similar risks. As a result, we may not be able to obtain the equipment, software, access and services required for our businesses on a timely basis or on satisfactory terms, and this may lead us to issue credit to customers or impair our ability to deploy network infrastructure, which could adversely impact our revenue, cash flows and government funding. Any shortfall in our equipment or rights of way to deploy it could lead to delays in completing extensions to our networks and in connecting customers to our services and, accordingly, could adversely impact our ability to maintain or increase our RGUs, revenue and cash flows. Also, if demand exceeds the suppliers' and licensors' capacity or if they experience financial difficulties, the ability of our businesses to provide some services may be materially adversely affected, which in turn could affect our businesses' ability to attract and retain customers. To the extent that we have minimum order commitments, we would be adversely affected in the event that we were unable to resell committed products or otherwise decline to accept committed products. Although we actively monitor the creditworthiness of our key third-party suppliers and licensors, the financial failure of a key third-party supplier or licensor could disrupt our operations and have an adverse impact on our revenue and cash flows. We rely upon intellectual property that is owned or licensed by us to use various technologies, conduct our operations and sell our products and services. Legal challenges could be made against our use of our owned or licensed intellectual property rights (such as trademarks, patents and trade secrets) and we may be required to enter into licensing arrangements on unfavorable terms, incur monetary damages or be enjoined from use of the intellectual property rights in question. We rely on power companies to provide power necessary to operate equipment necessary to conduct our operations and to operate our customer premises equipment. As a result of any long-term interruption in power supplies, we may not be able to deliver our services on a timely or satisfactory basis or we may issue credits to customers, which could accordingly adversely impact our ability to maintain or increase our RGUs, revenue and cash flows.

In addition, the operation, administration, maintenance and repair of our network, including our subsea cable network, requires the coordination and integration of sophisticated and highly specialized hardware and software technologies and equipment located throughout the Caribbean and Latin America and requires operating and capital expenses. Events outside of our control, such as natural disasters, technological failures, cybersecurity incidents, vandalism, war, terrorism, inadvertent cuts or extraordinary social or political events, could impact the continued operation of our network. We cannot assure you that our systems will continue to function as expected in a cost-effective manner.

Additionally, product shipments from third-party suppliers may be delayed or more costly due to supply chain challenges and new tariffs that our suppliers may face. If such a disruption were to extend over a prolonged period, it could have an impact on the continuity of our supply chain and our ability to build or upgrade our networks and customer premises

equipment generally. Any disruption resulting from similar events on a larger scale or over a prolonged period could cause significant delays in shipments of products until we are able to resume such shipments or shift from the affected contractor or vendor to another third-party supplier. If our suppliers cannot deliver the supplies we need to operate our business, including handsets, set-top boxes, and other devices, and if we are unable to deliver our products to our customers, our business and results of operations would be negatively impacted.

We may be unable to obtain or maintain the roaming services we need from other carriers to remain competitive.

Some of our competitors have national networks that enable them to offer nationwide and/or international coverage to their subscribers at a lower cost than we do. The networks we operate do not, by themselves, provide national or international coverage and we must pay fees to other carriers who provide roaming services to us. For example, Liberty Puerto Rico currently relies on roaming agreements with several carriers for the majority of its roaming services.

The FCC requires commercial mobile radio service providers to provide roaming, upon request, for voice and SMS text messaging services on just, reasonable and non-discriminatory terms. The FCC also requires carriers to offer data roaming services. The rules do not provide or mandate any specific mechanism for determining the reasonableness of roaming rates for voice, SMS text messaging or data services and require that roaming complaints be resolved on a case-by-case basis, based on a non-exclusive list of factors that can be taken into account in determining the reasonableness of particular conduct or rates. If we were to lose the benefit of one or more key roaming or wholesale agreements unexpectedly, we may be unable to obtain similar replacement agreements and as a result may be unable to continue providing the same level of voice and data roaming services for our customers that they've grown accustomed to or may be unable to provide such services on a cost-effective basis. An inability to obtain new or replacement roaming services on a cost-effective basis may limit our ability to compete effectively for wireless customers, which may increase turnover and decrease revenue, which in turn could materially adversely affect our business, financial condition and results of operations.

We rely on information technology to operate our business and maintain our competitiveness, and any failure to invest in and adapt to technological developments and industry trends could harm our business.

We depend on the use of sophisticated information technologies and systems, including technology and systems used for website and mobile applications, network management systems, customer billing, financial reporting, human resources and various other processes and transactions. As our operations grow in size, scope and complexity, we must continuously improve and upgrade our systems and infrastructure to offer an increasing number of customers enhanced products, services, features and functionality, while maintaining or improving the reliability and integrity of our systems and infrastructure.

Our future success also depends on our ability to adapt our services and infrastructure to meet rapidly evolving consumer trends and demands while continuing to improve the performance, features and reliability of our services in response to competitive service and product offerings. The emergence of alternative platforms such as smartphone and tablet computing devices and the emergence of niche competitors who may be able to optimize products, services or strategies for such platforms have, and will continue to, require new and costly investments in technology. We may not be successful, or may be less successful than our current or new competitors, in developing technology that operates effectively across multiple devices and platforms and that is appealing to consumers, either of which would negatively impact our business and financial performance. New developments in other areas, such as artificial intelligence, machine learning, cloud computing and software as a service provider, could also make it easier for competition to enter our markets due to lower up-front technology costs. In addition, we may not be able to maintain our existing systems or replace or introduce new technologies and systems as quickly as customers would like or in a cost-effective manner.

If we are unable to retain key employees, our ability to manage our business could be adversely affected.

Our operational results depend upon the retention and continued performance of our management team. Our ability to retain and hire new key employees for management positions could be impacted adversely by the competitive environment for management talent in the broadband communications industry. The loss of the services of key members of management and the inability or delay in hiring new key employees could adversely affect our ability to manage our business and our future operational and financial results.

We may not have sufficient protection to cover damage or costs incurred due to natural catastrophes, which could expose us to significant liabilities.

We have entered into Weather Derivatives tied to a parametric wind index to protect us against various liability, property and business interruption damage risks if a natural catastrophe occurs in a market where we operate. We believe these instruments are an effective way to protect our assets against these risks. However, if we sustain certain damage from wind-

related events that does not trigger coverage under our Weather Derivatives, we may receive no proceeds or proceeds that do not fully cover such damage. If we do not receive sufficient proceeds from our Weather Derivatives, we may be required to make material investments to repair such damage or incur other costs as a result of such damage, which could result in decreased capital investment, decreased liquidity or increased use of credit facilities or other existing or new debt or funding arrangements.

We are involved in disputes and legal proceedings that, if determined unfavorably to us, could have a material adverse effect on our business, financial condition and results of operations.

We are continually involved in disputes and legal proceedings arising out of the regular course of our business, including disputes and legal proceedings initiated by regulatory, competition and tax authorities as well as proceedings with competitors and other parties, including legal proceedings that programmers may institute against us and proceedings that may arise from acquisitions and other transactions we may consummate. For example, certain copyright agencies have asserted, and may in the future assert, claims against us and our subsidiaries regarding the transmission of any of the musical works within such agencies' repertoire. Such claims seek injunctive relief as well as monetary damages. We cannot assure you that we will obtain a final favorable decision with regard to any particular proceeding. Any such disputes or legal proceedings could be expensive and time consuming, could divert the attention of our management and, if resolved adversely to us, could harm our reputation and increase our costs, all of which could result in a material adverse effect on our business, financial condition and results of operations.

Risks that Relate to Our Operating in Overseas Markets and Being Subject to Foreign and Domestic Regulation

A substantial portion of our businesses is conducted outside of the U.S., which gives rise to numerous operational risks.

A substantial portion of our business operates in countries outside the U.S., and we have substantial physical assets and derive a substantial portion of our revenues from operations in Latin America and the Caribbean. Therefore, we are subject to the following inherent risks:

- fluctuations in foreign currency exchange rates;
- difficulties in staffing and managing operations consistently through our several operating areas;
- export and import restrictions, custom duties, tariffs and other trade barriers;
- burdensome tax, customs, duties or regulatory assessments based on new or differing interpretations of law or regulations, including increases in taxes and governmental fees;
- economic and political instability, social unrest, and public health crises, such as the occurrence of a contagious disease like COVID-19;
- changes in foreign and domestic laws and policies that govern operations of foreign-based companies;
- interruptions to essential energy inputs;
- direct and indirect price controls;
- cancellation of contract rights and licenses;
- delays or denial of governmental approvals;
- a lack of reliable security technologies;
- privacy concerns; and
- uncertainty regarding intellectual property rights and other legal issues.

Operational risks that we may experience in certain countries include uncertain and rapidly changing political, regulatory and economic conditions, including the possibility of disruptions of services or loss of property or equipment that are critical to overseas businesses as a result of vandalism, expropriation, nationalization, war, insurrection, terrorism, threats of military or economic coercion by other governments against the countries in which we operate, or general social or political unrest.

In certain countries and territories in which we operate, political, security and economic changes may result in political and regulatory uncertainty and civil unrest. Governments may expropriate or nationalize assets or increase their participation in the economy generally and in telecommunications operations in particular. Civil unrest in one or more of our markets may adversely affect our operations in the affected market or possibly in other markets depending on the scope of other operations supported by the affected market.

In addition, certain countries and territories in which we operate, or in which we may operate in the future, face significant challenges relating to the lack, or poor condition, of physical infrastructure, including transportation, electricity generation and transmission. Such countries and territories may also be subject to a higher risk of inflationary pressures, which could increase our operating costs and decrease consumer demand and spending power. Each of these factors could, individually or in the aggregate, have a material adverse effect on our business, financial condition, results of operations and prospects.

Moreover, in many foreign countries, particularly in certain developing economies, it is not uncommon to encounter business practices that are prohibited by certain regulations, such as the FCPA and similar laws. Although our subsidiaries and business affiliates have undertaken, and will continue to undertake, compliance efforts with respect to these laws, their respective employees, contractors and agents, as well as those companies to which they outsource certain of their business operations, may take actions in violation of their policies and procedures. Any such violation could result in penalties imposed on, and adversely affect the reputation of, these subsidiaries and business affiliates. Any failure by these subsidiaries and business affiliates to effectively manage the challenges associated with the international operation of their businesses could materially adversely affect their, and hence our, financial condition.

Public health crises, such as the coronavirus outbreak, in countries where we operate or where our contractors' or vendors' facilities are located could also have an effect on our financial condition or operations through impacts on our customers' ability to use our services, on the availability of our workforce or through adverse impacts to our supply chain.

We are exposed to foreign currency exchange rate risk.

We are exposed to foreign currency exchange rate risk with respect to our debt in situations where our debt is denominated in a currency other than the functional currency of the operations whose cash flows support our ability to service, repay or refinance such debt. Although we generally seek to match the denomination of our borrowings with the functional currency of the operations that are supporting the respective borrowings, market conditions or other factors may cause us to enter into borrowing arrangements that are not denominated in the functional currency of the underlying operations (unmatched debt). Our policy is generally to provide for an economic hedge against foreign currency exchange rate movements, whenever possible and when cost effective to do so, by using derivative instruments to synthetically convert unmatched debt into the applicable underlying currency.

In addition to the exposure that results from unmatched debt, we are exposed to foreign currency risk to the extent that we enter into transactions denominated in currencies other than our operating subsidiaries' respective functional currencies (non-functional currency risk), such as equipment purchases and programming contracts. Changes in exchange rates with respect to amounts recorded in our consolidated balance sheet related to these items will result in (i) unrealized foreign currency transaction gains and losses based upon period-end exchange rates or (ii) realized foreign currency transaction gains and losses upon settlement of the transactions. Moreover, to the extent that our revenue, costs and expenses are denominated in currencies other than our respective functional currencies, we will experience fluctuations in our revenue, costs and expenses solely as a result of changes in foreign currency exchange rates. Generally, we will consider hedging non-functional currency risks when the risks arise from agreements with third parties that involve the future payment or receipt of cash or other monetary items to the extent that we can reasonably predict the timing and amount of such payments or receipts and the payments or receipts are not otherwise hedged. In this regard, we have entered into foreign currency forward contracts to hedge certain of these risks. Certain non-functional currency risks related to our programming and other direct costs of services, other operating costs and expenses and property and equipment additions were not hedged as of December 31, 2025.

We also are exposed to unfavorable and potentially volatile fluctuations of the U.S. dollar (our reporting currency) against the currencies of our operating subsidiaries when their respective financial statements are translated into U.S. dollars for inclusion in our consolidated financial statements. Cumulative translation adjustments are recorded in accumulated other comprehensive earnings or loss as a separate component of equity. Any increase (decrease) in the value of the U.S. dollar against any foreign currency that is the functional currency of one of our operating subsidiaries will cause us to experience unrealized foreign currency translation losses (gains) with respect to amounts already invested in such foreign currencies. Accordingly, we may experience a negative impact on our comprehensive earnings or loss and equity with respect to our holdings solely as a result of FX. In addition, our reported operating results are impacted by changes in the exchange rates for

other local currencies in Latin America and the Caribbean. We generally do not hedge against the risk that we may incur non-cash losses upon the translation of the financial statements of our operating subsidiaries and affiliates into U.S. dollars.

Failure to comply with economic and trade sanctions, and similar laws could have a materially adverse effect on our reputation, results of operations or financial condition, or have other adverse consequences.

We operate in the Caribbean and Latin America, and similar to other international companies, we are subject to economic and trade sanctions programs, including certain of which that are administered by OFAC, which prohibit or restrict transactions or dealings with specified countries, their governments, and in certain circumstances, their nationals, and with individuals and entities that are specially designated. These regulations are extensive and complex, and they differ from one sanctions regime to another. Failure to comply with these regulations could subject us to legal and reputational consequences, including civil and criminal penalties.

For example, certain of our companies provide (and may in the future provide), directly or indirectly, certain services to governmental entities in Cuba (e.g., C&W sells IP and international transport telecommunication services to ETECSA, the Cuba state-owned telecommunications provider and to other international telecommunications providers that in turn sell telecom services to ETECSA). All these services are provided outside of Cuba and the provision of non-facilities based telecom services to Cuba are permissible under the Cuba Assets Control Regulations and a general license from OFAC.

We also have interconnection and services contracts with telecommunications carriers located in Venezuela. With respect to Venezuela, we have advised OFAC that we believe that our activities there are not covered by the OFAC regulations or are otherwise allowed under a general license and exemptions or, in the alternative, should be licensed by OFAC. In September 2022, OFAC issued a specific license to allow us to engage in all transactions necessary for U.S. financial institutions to process the collection of outstanding debts and the receipt of current and future payments relating to telecommunications services provided to Compañía Anónima Nacional Teléfonos de Venezuela. OFAC extended this license in 2023 and 2024 and it expired on August 31, 2025. We filed our application with OFAC to renew this license and are awaiting a response from OFAC.

We believe that our activities with respect to these countries are known to OFAC. We note, however, that OFAC regulations and related interpretive guidance are complex and subject to varying interpretations. Due to this complexity, OFAC's interpretation of its own regulations and guidance vary on a case to case basis. As a result, we cannot provide any guarantees that OFAC will not challenge any of our activities in the future, which could have a material adverse effect on our results of operations.

Any violations of applicable economic and trade sanctions could limit certain of our business activities until they are satisfactorily remediated and could result in civil and criminal penalties, including fines, that could damage our reputation and have a materially adverse effect on our results of operation or financial condition.

Our businesses are subject to risks of adverse regulation.

Our businesses are subject to the unique regulatory regimes of the countries in which they operate. Video distribution, broadband internet, telephony and mobile businesses are subject to licensing or registration eligibility rules and regulations, which vary by country. Our ability to provide telecommunications services depends on applicable law, telecommunications regulations and the terms of the licenses and concessions we are granted under such laws and regulations. In particular, we are reliant on access with mutually beneficial terms to spectrum for both existing and next generation telecommunication services, entrance into interconnection agreements with other telecommunications companies and are subject to a range of decisions by regulators, including in respect of pricing, for example, for termination rates. The provision of electronic communications networks and services requires our licensing from, or registration with, the appropriate regulatory authorities. It is possible that countries in which we operate may adopt laws and regulations regarding electronic commerce, which could dampen the growth of the internet services being offered and developed by these businesses. In a number of countries, our ability to increase the prices we charge for our cable television service or make changes to the programming packages we offer is limited by regulation or conditions imposed by competition authorities, or is subject to review by regulatory authorities or termination rights of customers. In addition, regulatory authorities may grant new licenses to third parties and, in any event, in most of our markets new entry is possible without a license, although there may be registration eligibility rules and regulations, resulting in greater competition in territories where our businesses may already be active. More significantly, regulatory authorities may require us to grant third parties access to our bandwidth, frequency capacity, infrastructure, facilities or services to distribute their own services or resell our services to end customers. For example, certain regulators are seeking to mandate third-party access to portions of C&W's network infrastructure, such as in Jamaica where, under The Telecommunications (Infrastructure Sharing) Rules 2022, dominant licensees are required to share infrastructure (including dark fiber, ducts, subsea cable landing stations and mobile network towers) with third parties, including competitors. Consequently, our businesses must adapt their

ownership and organizational structure as well as their pricing and service offerings to satisfy the rules and regulations to which they are subject. A failure to comply with applicable rules and regulations could result in penalties, restrictions on our business or loss of required licenses or other adverse conditions. We may continue to operate in jurisdictions where governments fail to grant or renew licenses for our operations, which could result in penalties, fines or restrictions that could have a material adverse impact on our business and financial condition.

Adverse changes in rules and regulations could:

- impair our ability to use our bandwidth in ways that would generate maximum revenue and cash flow;
- create a shortage of capacity on our networks, which could limit the types and variety of services we seek to provide our customers;
- impact our ability to access spectrum for our mobile services;
- obtain access to rights of way, pole attachments and conduits;
- impact the amount of government funding under certain support programs, such as the FCC's UPR Fund, Connect USVI Fund and the NTIA's MMG Program;
- strengthen our competitors by granting them access and lowering their costs to enter into our markets; and
- otherwise have a significant adverse impact on our results of operations.

Businesses, including ours, that offer multiple services, such as video distribution as well as internet, telephony, and/or mobile services, often face close regulatory scrutiny from competition authorities in countries in which they operate. This is particularly the case with respect to any proposed business combinations, which will often require clearance from national competition authorities. The regulatory authorities in several countries in which we do business have considered from time to time what access rights, if any, should be afforded to third parties for use of existing cable television networks and have imposed access obligations in certain countries. This has resulted, for example, in video must carry obligations in many markets in which we operate. For more information, see Item 1. *Business—Description of Business—Regulatory Matters*.

Regulations may be especially strict in the markets of those countries in which we are considered to hold a significant market position. We have been, in the past, and may be in the future, subject to allegations and complaints by our competitors and other third parties regarding our competitive behavior as a significant market operator.

When we acquire additional communications companies, these acquisitions may require the approval of governmental authorities, which can block, impose conditions on, or delay an acquisition, thus hampering our opportunities for growth. If conditions are imposed and we fail to meet them in a timely manner, the governmental authority may impose fines and, if in connection with an acquisition transaction, may require restorative measures, such as mandatory disposition of assets or divestiture of operations. The acquisition of C&W in May 2016 triggered regulatory approval requirements in certain jurisdictions in which C&W operates. The regulatory authorities in all of these jurisdictions, except for Trinidad and Tobago, have completed their review of the May 16, 2016 acquisition of C&W and have granted their approval. While we expect to receive this outstanding approval, such approval may include binding conditions or requirements that could have an adverse impact on C&W's operations and financial condition.

Furthermore, the governments in the countries and territories in which we operate differ widely with respect to political structure, constitution, economic philosophy, stability and level of regulation. Many of our operations depend on governmental approval and regulatory decisions, and we provide services to governmental organizations in certain markets (and in certain cases, like Venezuela, governmental organizations are our biggest customers). Moreover, in several of C&W's key markets, including Panama and The Bahamas, governments are C&W's partners and co-owners. The Government of The Bahamas is a part-owner in C&W Bahamas and the Government of Panama is a part-owner in CWP, and each of the governments have the right to appoint members to the board of directors of the respective entity. In both The Bahamas and Panama, we hold licenses or have received concessions from the government or independent regulatory bodies to operate our business, including our mobile and fixed networks. Consequently, we may not be able to fully utilize C&W's contractual or legal rights or all options that may otherwise be available, where to do so might conflict with broader regulatory or governmental considerations. In addition, we are, and in the future may be, a party to certain disputes with regulators and governments from time to time that could have a material adverse effect on our business and results of operations.

Changes to existing legislation and new legislation may significantly alter the regulatory regime applicable to us, which could adversely affect our competitive position and profitability, and we may become subject to more extensive regulation if we are deemed to possess significant market power in any of the markets in which we operate.

Significant changes to the existing regulatory regime applicable to the provision of cable television, telephony and internet services have been and are still being introduced. In addition, we are subject to review by competition or national regulatory authorities in certain countries concerning whether we exhibit significant market power. A finding of significant market power could result in us becoming subject to access and pricing obligations and other requirements that could provide a more favorable operating environment for existing and potential competitors. Government regulation or administrative policies may change unexpectedly and negatively affect our interests. For example, there has been a general trend for governments to seek greater access to telecommunications records and to communications for law enforcement purposes and a trend in certain countries experiencing civil unrest to restrict access to telecommunications on national security grounds. Adverse regulatory developments could subject our businesses to a number of risks. For more information, see Item 1. *Business—Description of Business—Regulatory Matters*.

For various reasons, governments may seek to increase the regulation of the use of the internet, particularly with respect to user privacy and data protection, access rights content, pricing, copyrights, consumer protection, distributions and characteristics and quality of products and services. Application of existing laws, including those addressing property ownership and personal privacy in the context of rapidly evolving technological developments remains uncertain and in flux. New interpretations of such laws could have an adverse effect on our business. Governments may also seek to regulate the content of communications in all of our revenue streams, which could reduce the attractiveness of our services. Governments may also change their attitude towards foreign investment or extract extra concessions from businesses. Or governments may elect to intervene directly in our markets by constructing their own infrastructure. In Jamaica for example, the government recently announced an intention to explore the possibility of constructing its own national broadband backbone, connecting schools, hospitals, government ministries and fire and police stations. Accordingly, our operations may be constrained by the relevant political environment and may be adversely affected by such constraints, as well as by changes to the political structure or government in any of the markets in which we operate.

Future changes to regulation or changes in political administrations or a significant deterioration in our relationship with relevant regulators in the jurisdictions in which we operate, as well as failure to acquire and retain the necessary consents and approvals or in any other way comply with regulatory requirements, or excessive costs of complying with new or more onerous regulations and restrictions could have a material adverse effect on our business, reputation, financial condition, results of operations and prospects.

Failure to comply with the FCC's requirements for the UPR Fund or other funding programs in which Liberty Puerto Rico may participate may have an adverse impact on Liberty Puerto Rico's business and our financial position, and payments by such programs are decreasing and uncertain.

In May 2018, the FCC established the UPR Fund and the Connect USVI Fund to provide subsidies for the deployment and hardening of fixed wireline and mobile wireless communications networks in Puerto Rico and the U.S. Virgin Islands. Liberty Puerto Rico receives funds from the FCC through these programs. To continue receiving funds under these programs, Liberty Puerto Rico, Liberty Mobile U.S. Virgin Islands and Broadband VI, LLC must comply with certain requirements established by the FCC as described in Item 1. *Business—Description of Business—Regulatory Matters*. Compliance with FCC requirements may depend upon factors such as issuance of permits by local regulatory authorities. In April 2023, the FCC adopted an additional two-year transitional period for mobile support recipients during which transitional mobile support recipients will receive 50% of their current monthly support for both 4G LTE and 5G-NR during the first year of transitional mobile support, and then 25% of their currently monthly support in their second year of transitional support. Thus, Liberty Puerto Rico's annual Stage 2 mobile support was reduced from approximately \$34 million to approximately \$17 million in the first year of transitional support and will be reduced to approximately \$9 million in the second year. The current level of transitional mobile support is expected to remain in place until the FCC implements the potential 5G fund. Reduced funding from these programs may have an adverse impact on Liberty Puerto Rico's business and our RGUs, revenue and cash flow. In the specific case of the UPR Fund and the Connect USVI funding for fixed providers, such as LCPR and Broadband VI, LLC, failure to comply with program buildout milestones can result in the FCC reducing or delaying funding, clawing back allocated funds and/or imposing fines and penalties for non-compliance. In December 2025, the Wireline Competition Bureau of the FCC released the Broadband Fabric, which identified the final list of all locations to which LCPR and Broadband VI, LLC must deploy broadband services by December 31, 2028. The Wireline Competition Bureau will adjust the UPR Fund and Connect USVI funding on a pro rata basis to reflect any changes in the number of locations, which could result in a reduction of funding going forward.

We may not be successful in acquiring future spectrum or other licenses that we need to offer new mobile data or other services.

We offer mobile data services through licensed spectrum in a number of markets. While these licenses, and other licenses that we possess, enable us to offer mobile data services today, as technology develops and customer needs change, it may be necessary to acquire new spectrum or other licenses in the future to provide us with additional capacity and/or offer new technologies or services. While we actively engage with regulators and governments to ensure that our spectrum needs are met, there can be no guarantee that future spectrum licenses will be made available in certain or all territories or that they will be made available on commercially viable terms. We will likely require additional spectrum licenses for LTE and 5G networks, and there may be competition for their acquisition. In addition, we may need other types of licenses for the new products and services that we contemplate or will consider offering. Failure to acquire necessary new spectrum licenses or other required licenses for new services or products, or to do so on commercially viable terms, could have a material adverse effect on our business, financial condition and results of operations.

We cannot be certain that we will be successful in acquiring new businesses or integrating acquired businesses with our existing operations, or that we will achieve the expected returns on our acquisitions.

Part of our business strategy is to grow and expand our businesses, which may, in part, be through selective acquisitions that enable us to take advantage of existing networks, local service offerings and region-specific management expertise. Our ability to acquire new businesses may be limited by many factors, including availability of financing, debt covenants, the prevalence of complex ownership structures among potential targets, government regulation, our ability to obtain regulatory approval or satisfy other conditions to completing a transaction, and competition from other potential acquirers, including private equity funds. Even if we are successful in acquiring new businesses, the integration of these businesses, such as in the AT&T Acquisition, may present significant costs and challenges associated with: realizing economies of scale in interconnection, programming and network operations; eliminating duplicative overheads; migrating our acquired businesses' customers to our systems; integrating personnel, networks, financial systems and operational systems and building new mobile cores and IT stacks; greater than anticipated expenditures required for compliance with regulatory standards or for investments to improve operating results; and failure to achieve the business plan with respect to any such acquisition. We cannot be assured that we will be successful in acquiring new businesses or realizing the anticipated benefits of any completed acquisition.

In addition, we anticipate that any companies we may acquire will be located in the Caribbean or Latin America. Such companies may not have disclosure controls and procedures or internal controls over financial reporting that are as thorough or effective as those required by U.S. securities laws and the FCPA. While we intend to conduct appropriate due diligence and to implement appropriate controls and procedures as we integrate acquired companies, we may not be able to certify as to the effectiveness of these companies' disclosure controls and procedures or internal controls over financial reporting until we have fully integrated them.

We may not be successful in renewing the necessary regulatory or spectrum licenses, concessions or other operating agreements needed to operate our businesses upon expiration, and such licenses may be subject to termination, revocation or material alteration in the event of a breach or to promote the public interest or as a result of triggering a change of control clause.

While we actively engage with the applicable governments and other regulatory bodies in advance of the expiry of our licenses, concessions and operating agreements, there can be no guarantee that when such licenses, concessions and operating agreements expire, we will be able to renew them on similar or commercially viable terms, or at all. For instance, in Antigua and Barbuda, the outdated mobile license is due to be renewed with an updated license. In addition, in some of the ECTEL states, we are operating under expired licenses and have applied for renewal of such licenses. We have also begun the process to renew the mobile spectrum concession in Costa Rica that is scheduled to expire in 2026. In certain jurisdictions where spectrum licenses must be renewed, there is no guarantee that we will be able to renew those licenses on similar or commercially viable terms, or at all.

Some of these licenses may also include clauses that allow the grantor to terminate or revoke or alter them in the event of a default or other failure by us to comply with applicable conditions of the license or to promote the public interest. Further, a number of our operating licenses include change of control clauses, which may be triggered by the sale of a business to which those clauses relate, or certain types of corporate restructurings. Some of these change of control clauses may restrict our strategic options, including the ability to complete any potential disposal of individual businesses, a combination of businesses or the entire company unless a consent or waiver is obtained, and, if triggered, may lead to some licenses being terminated. Failure to hold or to continue to hold or obtain the necessary licenses, concessions and other operating agreements required to

operate our businesses could have a material adverse effect on our business, financial condition, results of operations and prospects.

We do not have complete control over the prices that we charge.

Our businesses are in some countries subject to regulation or review by various regulatory, competition or other government authorities responsible for the regulation or the review of the charges to our customers for our services. Such authorities, in certain cases, could potentially require us to repay such fees to the extent they are found to be excessive or discriminatory. We also may not be able to enforce future changes to our subscription prices. Additionally, in certain markets, our ability to bundle or discount our services may be constrained if we are held to be dominant with respect to any product we offer. This may have an adverse impact on our revenue, profitability of new products and services and our ability to respond to changes in the markets in which we operate.

Strikes, work stoppages and other industrial actions could disrupt our operations or make it more costly to operate our businesses.

We are exposed to the risk of strikes, work stoppages and other industrial actions. In the future we may experience lengthy consultations with labor unions or strikes, work stoppages or other industrial actions. Strikes and other industrial actions, as well as the negotiation of new collective bargaining agreements or salary increases in the future, could disrupt our operations and make it more costly to operate our facilities. In addition, strikes called by employees of any of our key providers of materials or services could result in interruptions of the performance of our services. The occurrence of any of the above risks could have a material adverse effect on our business, financial condition and results of operations.

We may have exposure to additional tax liabilities.

We are subject to income taxes as well as non-income based taxes in the Caribbean, parts of Latin America, parts of Europe and the U.S. In addition, most tax jurisdictions that we operate in have complex and subjective rules regarding the valuation of intercompany services, cross-border payments between affiliated companies and the related effects on income tax and transfer tax. Significant judgment is required in determining our provision for income taxes and other tax liabilities. In the ordinary course of our business, there are many transactions and calculations where the ultimate tax determination is uncertain. In addition, our business has undertaken acquisitions, restructurings and other transactions in prior years where the ultimate tax determination resulting from these transactions remains uncertain. We are regularly under audit by tax authorities in many of the jurisdictions in which we operate. Although we believe that our tax estimates are reasonable, any material differences as a result of final determinations of tax audits or tax disputes could have an adverse effect on our financial position and results of operations in the period or periods for which determination is made.

We are subject to changing tax laws, treaties and regulations in and between countries in which we operate or otherwise have a presence. Also, various income tax proposals in the jurisdictions in which we operate could result in changes to the existing laws on which our deferred taxes are calculated. A change in these tax laws, treaties or regulations, or in the interpretation thereof, could result in a materially higher income or non-income tax expense. Any such material changes could cause a material change in our effective tax rate.

Further changes in the tax laws of the foreign jurisdictions in which we operate could arise as a result of the base erosion and profit shifting project being undertaken by the OECD. The OECD, which represents a coalition of member countries that includes the United States, has undertaken studies and is publishing action plans that include recommendations aimed at addressing what they believe are issues within tax systems that may lead to tax avoidance by companies. The OECD has extended inclusion to non-OECD countries under their Inclusive Framework on BEPS, bringing together over 140 countries to collaborate on the implementation of the OECD BEPS Package. This framework allows interested countries and jurisdictions to work with the OECD and G20 members on developing standards on BEPS-related issues and reviewing and monitoring the implementation of the whole BEPS Package. Included within this expanded group of countries are several jurisdictions in which we do business. It is possible that additional jurisdictions in which we do business could react to these initiatives or their own concerns by enacting tax legislation that could adversely affect us or our shareholders through increasing our tax liabilities. In particular, the OECD has proposed a provision to impose a minimum tax rate of 15%, among other provisions, and as of 2024 more than 140 countries have tentatively signed on to the framework. As this framework is subject to further negotiation and implementation by each member country, the timing and ultimate impact of any such changes on our tax obligations are uncertain.

Failure to comply with anti-corruption laws and regulations, such as the FCPA.

Our operations, particularly in countries that have a perceived elevated risk of public corruption, expose us to a certain degree of exposure for violations of, among other anti-corruption laws, the FCPA. Although we forbid our employees and agents from violating the FCPA and other applicable anti-corruption laws and regulations and have implemented a compliance program to prevent and detect violations of the FCPA and other applicable anti-corruption laws and regulations, there remains some degree of risk that improper conduct could occur, thereby exposing our company to potential liability and the costs associated with investigating potential misconduct.

Failure to comply with trade controls.

Trade controls implemented by the United States, Costa Rica and other governments, particularly with respect to certain suppliers designated by these governments as part of the Chinese Military Industrial Complex, expose our operations to supply chain risks for certain telecommunications equipment in certain of our markets. Further, these trade controls expose us to a certain degree of exposure for violations of United States and other laws prohibiting certain transactions with restricted or prohibited companies. While we have implemented a compliance program to prevent and detect violations of these trade controls, there remains some degree of risk that improper conduct could occur, thereby exposing our company to potential liability and the costs associated with investigating potential misconduct.

Our business has been, and could in the future be, adversely affected by a pandemic.

Pandemics and related mitigation measures have adversely affected our business and operating results in the past, particularly when countries in which we operate had imposed travel restrictions as they did with the COVID-19 pandemic, which reduced demand for our products and services. Although some pandemic-related impacts on our business have abated, they may re-emerge or intensify again given the uncertain course of the pandemic and its effects. To the extent a pandemic adversely affects our business, results of operations, financial position and cash flows, it may also have the effect of heightening the other risk factors described in this Annual Report on Form 10-K.

Risks that Relate to Certain Financial Matters

Our substantial leverage could limit our ability to obtain additional financing and have other adverse effects.

Our businesses are highly leveraged. At December 31, 2025, the outstanding principal amount of our debt, together with our finance lease obligations, aggregated \$8,359 million, including \$409 million that is classified as current in our consolidated balance sheet and \$7,950 million that is not due until 2027 or thereafter. In addition, we may incur substantial additional debt in the future, including in connection with any future acquisitions. We believe that we have sufficient resources to repay or refinance the current portion of our debt and finance lease obligations and to fund our foreseeable liquidity requirements during the next 12 months. However, as our debt maturities are predominantly in later years, we anticipate that we will seek to refinance or otherwise extend our debt maturities. No assurance can be given that we will be able to complete refinancing transactions or otherwise extend our debt maturities. In this regard, it is difficult to predict how political and economic conditions, sovereign debt concerns or any adverse regulatory developments will impact the credit and equity markets we access and our future financial position.

Our ability to service or refinance our debt and to maintain compliance with the leverage covenants in our credit agreements is dependent primarily on our ability to maintain or increase the cash flow of our operating subsidiaries and to achieve adequate returns on our property and equipment additions and acquisitions. Accordingly, if our cash provided by operations declines or we encounter other material liquidity requirements, we may be required to seek additional debt or equity financing in order to meet our debt obligations and other liquidity requirements as they come due. In addition, our current debt levels may limit our ability to incur additional debt financing to fund working capital needs, acquisitions, property and equipment additions, or other general corporate requirements. We can give no assurance that any additional debt or equity financing will be available on terms that are as favorable as the terms of our existing debt or at all or that we will be able to maintain compliance with the leverage covenants in our credit agreements, which could have a material adverse effect on our business, liquidity and results of operations.

We may not be able to generate sufficient cash to meet our debt service obligations.

Our ability to meet our debt service obligations or to refinance our debt, depends on our future operating and financial performance, which will be affected by our ability to successfully implement our business strategy as well as general macroeconomic, financial, competitive, regulatory and other factors beyond our control. In addition, we are dependent on customers, and, in particular local, municipal and national governments and agencies, to pay us for the services we provide in

order for us to generate cash to meet our debt service obligations and to maintain our business. Accordingly, we are exposed to the risk that our government customers could default on their obligations to us and we cannot rule out the possibility that unexpected circumstances in a particular country's economic condition may render such government unable to meet its obligation to us. In addition, we have engaged advisors and begun discussions with creditors' advisors in relation to managing Liberty Puerto Rico's liabilities. These discussions may not result in an agreement between the parties, and Liberty Puerto Rico's position with respect to its debt and our position with respect to our equity in Liberty Puerto Rico remain uncertain. Any such event could have an adverse effect on our cash flows, results of operations, financial condition and/or liquidity. If we cannot generate sufficient cash to meet our debt service requirements or to maintain our business, we may, among other things, need to delay planned capital expenditures or investments or sell material assets to meet those obligations.

If we are not able to refinance any of our debt, obtain additional financing or sell assets on commercially reasonable terms or at all, we may not be able to satisfy our debt obligations. In that event, if related to borrowings under a borrowing group's (i.e., C&W, Liberty Costa Rica, and Liberty Puerto Rico) debt agreements or other instruments, other debt agreements or instruments that contain cross-default or cross-acceleration provisions with respect to other indebtedness of that particular borrowing group may become payable on demand and the affected borrowing group may not have sufficient funds to repay all of its debts. See Item 7. *Management's Discussion and Analysis of Financial Condition and Results of Operations—Liquidity and Capital Resources*.

Certain of our subsidiaries are subject to various debt instruments that contain restrictions on how we finance our operations and operate our businesses, which could impede our ability to engage in beneficial transactions.

Certain of our subsidiaries are subject to significant financial and operating restrictions contained in outstanding credit agreements, indentures and similar instruments of indebtedness. These restrictions will affect, and in some cases significantly limit or prohibit, among other things, the ability of those subsidiaries to:

- incur or guarantee additional indebtedness;
- pay dividends or make other upstream distributions;
- make investments;
- transfer, sell or dispose of certain assets, including their stock;
- merge or consolidate with other entities;
- engage in transactions with us or other affiliates; or
- create liens on their assets.

As a result of restrictions contained in these debt instruments, the companies party thereto, and their subsidiaries, could be unable to obtain additional capital in the future to:

- fund property and equipment additions or acquisitions that could improve our value;
- meet their loan and capital commitments to their business affiliates;
- invest in companies in which they would otherwise invest;
- fund any operating losses or future development of their business affiliates;
- obtain lower borrowing costs that are available from secured lenders or engage in advantageous transactions that monetize their assets; or
- conduct other necessary or prudent corporate activities.

In addition, some of the credit agreements to which these subsidiaries are parties include financial covenants that require them to maintain certain financial ratios. Their ability to meet these financial covenants may be affected by adverse economic, competitive, or regulatory developments and other events beyond their control, and we cannot assure you that these financial covenants will be met. In the event of a default under our subsidiaries' credit agreements or indentures, the lenders may accelerate the maturity of the indebtedness under those agreements or indentures, which could result in a default under other outstanding credit facilities or indentures. We cannot assure you that any of these subsidiaries will have sufficient assets to pay

indebtedness outstanding under their credit agreements and indentures. Any refinancing of this indebtedness is likely to contain similar restrictive covenants.

We are exposed to interest rate risks and other adverse changes in the credit market. Shifts in such rates may adversely affect the debt service obligation of our subsidiaries.

We require a significant amount of capital to operate and grow our business. We fund our capital needs in part through borrowings in the public and private credit markets. Adverse changes in the credit markets, including increases in interest rates, could increase our cost of borrowing and/or make it more difficult for us to obtain financing for our operations or refinance existing indebtedness. In addition, our borrowing costs can be affected by short- and long-term debt ratings assigned by independent rating agencies, which are based, in significant part, on our performance as measured by customary credit metrics. A decrease in these ratings would likely increase our cost of borrowing and/or make it more difficult for us to obtain financing. A severe disruption in the global financial markets could impact some of the financial institutions with which we do business, and such instability could also affect our access to financing.

In particular, we are exposed to the risk of fluctuations in interest rates, primarily through the credit facilities of certain of our subsidiaries, which are indexed to Adjusted Term SOFR or other base rates. Although we enter into various derivative transactions to manage exposure to movements in interest rates, there can be no assurance that we will be able to continue to do so at a reasonable cost or at all. If we are unable to effectively manage our interest rate exposure through derivative transactions, any increase in market interest rates would increase our interest rate exposure and debt service obligations, which would exacerbate the risks associated with our leveraged capital structure.

We are subject to increasing operating costs and inflation risks, which may adversely affect our results of operations.

While our operations attempt to increase our subscription rates to offset increases in operating costs, there is no assurance that they will be able to do so. In certain countries in which we operate, our ability to increase subscription rates is subject to regulatory controls. Also, our ability to increase subscription rates may be constrained by competitive pressures. Therefore, operating costs may rise faster than associated revenue, resulting in a material negative impact on our cash flow and results of operations. We are also impacted by inflationary increases in salaries, wages, benefits and other administrative costs in certain of our markets.

Uncertainties and challenging conditions in the global economy and in the countries in which we operate may adversely impact our business, financial condition and results of operations.

The macroeconomic environment can be highly volatile, and instability in global markets has contributed, and could in the future contribute, to a challenging global economic environment. Future developments are dependent upon a number of political and economic factors, and as a result, we cannot predict when challenging conditions will exist or the extent to which the markets in which we operate may deteriorate. Unfavorable economic conditions may impact a significant number of our customers and/or the prices we are able to charge for our products and services, and, as a result, it may be more difficult for us to attract new customers and more likely that customers will downgrade or disconnect their services. Countries may also seek new or increased revenue sources due to fiscal deficits, including increases in regulatory levels, and any such actions may adversely affect our company. In addition, as countries seek to recover from natural disasters like hurricanes, they may seek new or increased revenue sources from businesses such as ours, including by increasing taxes and levies. Accordingly, our results of operations and cash flows may be adversely affected if the macroeconomic environment becomes uncertain or declines or governments increase taxes or levies as a result of fiscal deficits or natural disasters. We are currently unable to predict the extent of any of these potential adverse effects.

Additional factors that could influence customer demand include access to credit, unemployment rates, affordability concerns, consumer confidence, capital and credit markets volatility, geopolitical issues and general macroeconomic factors. Certain of these factors drive levels of disposable income, which in turn affect many of our revenue streams. Business solutions customers may delay purchasing decisions, delay full implementation of service offerings or reduce their use of services. Our residential customers may similarly elect to use fewer higher margin services, switch from fixed to mobile services resulting in the so-called traffic substitution effect, reduce their consumption of our video services or similarly choose to obtain products and services under lower cost programs offered by our competitors. In addition, adverse economic conditions may lead to a rise in the number of our customers who are not able to pay for our services.

Adverse economic conditions can also have an adverse impact on tourism, which in turn can adversely impact our business. In tourist destinations, levels of gross domestic products and levels of foreign investment linked to tourism are closely tied to levels of tourist arrivals and length of stay. In addition to having a direct impact on our revenue, due, for example, to

reduction of roaming charges incurred by tourists, these factors will in turn drive disposable income, with the corresponding impact on use of our products and services.

Due to the Caribbean's heavy reliance on tourism, the Caribbean economy has suffered during previous periods of global recession and fluctuations in exchange rates and is likely to be adversely affected if major economies again find themselves in recession or if consumer and/or business confidence in those economies erodes in the face of trends in the global financial markets and economies.

From time to time, the macroeconomic environment has also resulted in systemic disruption of the worldwide equity markets. The duration and severity of the economic impacts stemming from competition, economic, regulatory or other factors, including macro-economic and demographic trends, are unknown and may be prolonged. In particular, any recession, depression, inflationary pressures, or other sustained adverse market event may result in high levels of unemployment and associated loss of personal income, decreased consumer confidence, and lower discretionary spending, which could materially and adversely affect our business, results of operations, financial position and cash flows.

Should current economic conditions deteriorate, there may be volatility in exchange rates, increases in interest rates or inflation, liquidity shortfalls and an adverse effect on our revenue and profits. Recessionary pressures or country-specific issues could, among other things, affect products and services, the level of tourism experienced by some countries and the level of local consumer and business expenditure on telecommunications. In addition, most of our operations are in developing economies, which historically have experienced more volatility in their general economic conditions. The impact of poor economic conditions, globally or at a local or national level in the countries and territories in which we operate, could have a material adverse effect on our business, financial condition, and results of operations.

We are exposed to sovereign debt and currency instability risks that could have an adverse impact on our liquidity, financial condition and cash flows.

Our operations are subject to macroeconomic and political risks that are outside of our control. For example, high levels of sovereign debt in the U.S., Puerto Rico and several other countries in which we operate, combined with weak growth and high unemployment, could potentially lead to fiscal reforms (including austerity measures), tax and levy increases, sovereign debt restructurings, currency instability, increased counterparty credit risk, high levels of volatility and disruptions in the credit and equity markets, as well as other outcomes that might adversely impact our company.

We are exposed to the risk of default by the counterparties to our derivative and other financial instruments, undrawn debt facilities and cash investments.

Although we seek to manage the credit risks associated with our derivative and other financial instruments, cash investments and undrawn debt facilities, we are exposed to the risk that our counterparties could default on their obligations to us. Also, even though we regularly review our credit exposures, defaults may arise from events or circumstances that are difficult to detect or foresee. At December 31, 2025, our exposure to counterparty credit risk included (i) cash and cash equivalents and restricted cash balances of \$784 million and (ii) aggregate undrawn debt facilities of \$914 million. While we currently have no specific concerns about the creditworthiness of any counterparty for which we have material credit risk exposures, the current economic conditions and uncertainties in global financial markets have increased the credit risk of our counterparties and we cannot rule out the possibility that one or more of our counterparties could fail or otherwise be unable to meet its obligations to us. Any such instance could have an adverse effect on our cash flows, results of operations, financial condition and/or liquidity. In this regard, (i) the financial failure of any of our counterparties could reduce amounts available under committed credit facilities and adversely impact our ability to access cash deposited with any failed financial institution, thereby causing a default under one or more derivative contracts, and (ii) tightening of the credit markets could adversely impact our ability to access debt financing on favorable terms, or at all.

The liquidity and value of our interests in certain of our partially-owned subsidiaries, as well as the ability to make decisions related to their operations, may be adversely affected by shareholder agreements and similar agreements to which we are a party.

We indirectly own equity interests in a variety of international video, broadband internet, telephony, mobile and other communications businesses. Certain of these equity interests, such as our interests in our operating subsidiaries of CWP and C&W Bahamas, are held pursuant to concessions or agreements that provide the terms of the governance of the subsidiaries as well as the ownership of such interests. These agreements contain provisions that affect the liquidity, and therefore the realizable value, of those interests by subjecting the transfer of such equity interests to consent rights or rights of first refusal of the other shareholders or partners or similar restrictions on transfer. In certain cases, a change in control of the subsidiary holding the equity interest will give rise to rights or remedies exercisable by other shareholders or partners. All of these

provisions will restrict the ability to sell those equity interests and may adversely affect the prices at which those interests may be sold. Additionally, these agreements contain provisions granting us and the other shareholders or partners certain liquidity rights as well as certain governance rights, for example, with respect to material matters, including but not limited to acquisitions, mergers, dispositions, shareholder distributions, incurrence of debt, material expenditures and issuances of equity interests, which may prevent the respective subsidiary from making decisions or taking actions that would protect or advance the interests of our company, and could even result in such subsidiary making decisions or taking actions that adversely impact our company. Furthermore, our ability to access the cash of these non-wholly-owned subsidiaries may be restricted in certain circumstances under the respective shareholder, joint venture, partnership or similar agreements.

Goodwill and other identifiable intangible assets represent a significant portion of our total assets, and we may never realize the full value of our intangible assets.

As of December 31, 2025, we had goodwill of \$3,008 million, which represented approximately 25% of our total assets. We evaluate goodwill and other indefinite-lived intangible assets (primarily spectrum licenses and cable television franchise rights) for impairment at least annually on July 1 and whenever facts and circumstances indicate that their carrying amounts may not be recoverable. As further described in note 7 to our consolidated financial statements, during the years ended December 31, 2025 and December 31, 2024, we recorded significant impairment losses with respect to our spectrum license intangible assets and goodwill, respectively. Based on the results of our impairment test over intangible assets not subject to amortization and impairment test over goodwill, if, among other factors, (i) our equity values were to decline significantly, (ii) we experience additional adverse impacts associated with macroeconomic factors, including increases in our estimated weighted average cost of capital, or (iii) the adverse impacts stemming from competition, economic, regulatory or other factors were to cause our results of operations or cash flows to be worse than currently anticipated, we could conclude in future periods that additional impairment charges of certain reporting units are required in order to reduce the carrying values of goodwill and intangible assets not subject to amortization. Any such impairment charges could be significant.

Risks Relating to Cybersecurity

Failure in our technology or telecommunications systems from security attacks or natural disasters could significantly disrupt our operations, which could reduce our customer base and result in lost revenue.

Our success depends, in part, on the continued and uninterrupted performance of our information technology and network systems as well as our customer service centers. The hardware supporting a large number of critical systems for our cable network in a particular country or geographic region is housed in a relatively small number of locations. Our systems and equipment (including our routers and set-top boxes) are vulnerable to damage or security breach from a variety of sources, including a cut in our terrestrial network or subsea cable network, telecommunications failures, power loss, malicious human acts, security flaws as well as natural disasters and extreme weather events as a result of climate change. In particular, our systems and equipment are in regions prone to hurricanes, earthquakes and other natural disasters, and they have been impacted by hurricanes and earthquakes in the recent past.

Our networks and our subsea cables could be subject to damage, cable cuts and surveillance from malicious state-sponsored actors. Moreover, despite security measures, our servers, systems and equipment are potentially vulnerable to physical or electronic break-ins, computer viruses and similar disruptive actions as further discussed below. See “Cyberattacks or other network disruptions could have an adverse effect on our business.”

Our disaster recovery, security and service continuity protection measures include back-up power systems, resilient ring network systems, procuring capacity in competing networks to further strengthen our reliability profile and network monitoring. We also are party to the Atlantic Cable Maintenance and Repair Agreement, which provides us with certain dedicated repair vessels and timely call out services with respect to our subsea cables through to the present. We cannot assure you, however, that these precautions will be sufficient to prevent loss of data or prolonged network downtime or that we will be able to renegotiate arrangements with the Atlantic Cable Maintenance and Repair Agreement on successful terms.

Despite the precautions we have taken, unanticipated problems affecting our systems could cause failures in our information technology systems or disruption in the transmission of signals over our networks or similar problems. Any disruptive situation that causes loss, misappropriation, misuse or leakage of data could damage our reputation and the credibility of our operations. Further, sustained or repeated system failures that interrupt our ability to provide service to our customers or otherwise meet our business obligations in a timely manner could adversely affect our reputation and result in a loss of customers and revenue.

Cyberattacks or other network disruptions could have an adverse effect on our business.

As described above, our success depends, in part, on the continued and uninterrupted performance of our information technology and network systems. The hardware supporting a large number of critical systems for our cable network in a particular country or geographic region is housed in a relatively small number of locations. In addition, through our operations, sales and marketing activities, we collect and store certain non-public personal information related to our customers, and we also gather and retain information about employees in the normal course of business. We may share information about such persons with vendors, contractors and other third-parties that assist with certain aspects of our business. Our and our vendors' servers, systems and equipment (including our routers and set-top boxes) are vulnerable to damage or security breach from a variety of sources, including a cut in our terrestrial network or subsea cable network, security flaws, and malicious human and state-sponsored acts. Moreover, our information technology and network systems may be subject to cyber ransom events that could result in the loss of critical information or operational capabilities that could materially impact our business operations.

Despite security measures, our and our vendors' servers, systems and equipment are potentially vulnerable to physical or electronic break-ins, computer viruses, worms, phishing attacks and similar disruptive actions. Furthermore, our operating activities could be subject to risks caused by misappropriation, misuse, leakage, falsification or accidental release or loss of information maintained in our information technology systems and networks and those of our third-party vendors, including customer, personnel and vendor data. The techniques used to gain such access to our or our vendors' technology systems, data or customer information, disable or degrade service, or sabotage systems are constantly evolving (including with the advancement of technologies like artificial intelligence), may be difficult to detect quickly, and often are not recognized until launched against a target. It is possible for such cyberattacks to go undetected for an extended period of time, increasing the potential harm to our customers, employees, assets, and reputation.

Cyberattacks against our or our vendors' technological infrastructure or breaches of network information technology may cause equipment failures, disruption of our or their operation, and potentially unauthorized access to confidential customer or employee data, which could subject us to increased costs and other liabilities as discussed further below.

Although we have not suffered a security breach or cybersecurity incident to date that has materially affected our operations or financial condition, we have been the target of attempted attacks of this nature in the past and expect to be subject to similar attacks in the future. We engage in a variety of preventive measures (in terms of people, processes and technology) at an increased cost to us, in order to reduce the risk of cyberattacks and safeguard our infrastructure and confidential customer information, but as with all companies, these measures may not be sufficient for all eventualities and there is no guarantee that they will be adequate to safeguard against all cyberattacks, system compromises or misuses of data.

If hackers or cyberthieves gain improper access to our or our vendors' technology systems, networks, or infrastructure, they may be able to access, steal, publish, delete, misappropriate, modify or otherwise disrupt access to confidential customer or employee data or our or our customers' business systems or networks. Moreover, additional harm to customers or employees could be perpetrated by third parties who are given access to the confidential customer data or business systems or networks. A network disruption (including one resulting from a cyberattack) could cause an interruption or degradation of service and diversion of management attention, as well as permit access, theft, publishing, deletion, misappropriation, or modification to or of confidential customer data or business systems or networks. Due to the evolving techniques used in cyberattacks to disrupt or gain unauthorized access to technology networks, we may not be able to anticipate or prevent such disruption or unauthorized access.

The costs imposed on us as a result of a cyberattack or network disruption could be significant. Among others, such costs could include increased expenditures on cyber security measures, litigation, regulatory actions, fines, sanctions, lost revenue from business interruption, and damage to the public's perception regarding our ability to provide a secure service. As a result, a cyberattack or network disruption could have a material adverse effect on our business, financial condition, cash flows, and operating results. We also face similar risks associated with security breaches affecting third parties with which we are affiliated or otherwise conduct business. While we maintain cyber liability insurance that provides both third-party liability and first-party insurance coverage, our insurance may not be sufficient to protect against all of our losses from any future disruptions or breaches of our systems or other events as described above.

Unauthorized access to our network resulting in piracy could result in a loss of revenue.

We rely on the integrity of our technology to ensure that our services are provided only to identifiable paying customers. Increasingly, sophisticated means of illicit piracy of television, broadband and telephony services are continually being developed in response to evolving technologies. Furthermore, billing and revenue generation for television services rely on the proper functioning of encryption systems. While we continue to invest in measures to manage unauthorized access to our networks, any such unauthorized access to our cable television service could result in a loss of revenue, and any failure to

respond to security breaches could raise concerns under our agreements with content providers, all of which could have a material adverse effect on our business and results of operations.

Data privacy regulations are expanding and compliance with, and any violations of, these regulations may cause us to incur significant expenses.

Privacy legislation, enforcement and policy activity in this area are expanding rapidly in many jurisdictions and creating a complex regulatory compliance environment. For example, certain regulations exist that require customer personal data to be processed in accordance with applicable data protection standards, grant consumers certain privacy rights, and require corporate notice to customers and government agencies of certain data breaches that implicate customer proprietary network information. The cost of complying with and implementing these privacy-related and data protection measures could be significant. In addition, even our inadvertent failure to comply with federal, state or international privacy-related or data protection laws and regulations could result in proceedings against us by governmental entities or others, and substantial fines and damages. The theft, loss or misuse of personal data collected, used, stored or transferred by us to run our business could result in significantly increased business and security costs or costs related to defending legal claims.

Risks Relating to Climate Change

We may face increased costs, limitations of our operations and other adverse impacts from international climate change treaties and accords or national climate-change regulation and legislation.

Federal, state and local governments in our operating markets may adopt international climate change treaties or accords or adopt local climate change legislation or regulation that impair our ability to construct certain facilities and infrastructure necessary to operate our business in certain locations or may impose additional costs of construction, operation or disposal of products used in our operations. As a result of the adoption of international climate treaties or accords or local climate change legislation or regulation outside of our operating markets, we may face shortages of components necessary to our business or face increased costs for the acquisition or disposition of certain products necessary to our business.

We may face the loss of certain markets, customers or significant financial loss due to the physical impacts of climate change.

Given the location of our operations in the Caribbean and in Latin America, we may face the loss of certain markets or customers or the availability of labor due to impacts caused by sea level rise, distortion of historical rainfall patterns, fire or other adverse impacts of climate change. Additionally, we may face higher losses of property, plant and equipment, customers and revenue, disruptions in our operations and supply chain, and incur additional costs, which may not be covered by insurance, as the result of damage caused in our markets by severe weather phenomena or natural disasters, such as hurricanes, floods, fires and earthquakes. The impact of any one or all of the foregoing factors may adversely affect our financial condition and results of operations.

Risks Relating to our Corporate History and Structure

We are a holding company, and we could be unable in the future to obtain cash in amounts sufficient to service our financial obligations or meet our other commitments.

Our ability to meet our financial obligations at the parent company level depends upon our ability to access cash. As a holding company, our sources of cash are limited to our available cash balances, net cash from the operating activities of our wholly-owned subsidiaries that are available to us, any cash dividends and cash interest we may receive from our other subsidiaries and cash proceeds from any asset sales we may undertake in the future. The ability of our operating subsidiaries to pay cash dividends or to make other cash payments or advances to us depends on their individual operating results and any statutory, regulatory or contractual restrictions to which they may be or may become subject.

Certain of the company's directors and an executive officer overlap with Liberty Global, and certain directors and officers have financial interests in Liberty Global, which may lead to conflicting interests.

We were a subsidiary of Liberty Global prior to our split-off in December 2017. Following our split-off, Miranda Curtis, Paul A. Gould and Daniel Sanchez, who serve as directors of Liberty Global, and Liberty Global's chief financial officer, Charles H.R. Bracken, also serve as directors of Liberty Latin America. Additionally, the chief executive officer and chairman of Liberty Global, Michael Fries, also serves as our executive chairman. Our directors (including the executive chairman) have fiduciary duties to our company. Likewise, any such persons who serve in similar capacities at Liberty Global or any other public corporation have fiduciary duties to that corporation or to that corporation's shareholders. For example, there may be the potential for a conflict of interest when the company or Liberty Global pursues acquisitions and other corporate opportunities

that may be suitable for each of them. In addition, all of our directors and our executive officers, other than two of our directors (Alfonso de Angoitia Noriega and Roberta S. Jacobson) and our Chief Technology Officer, Aamir Hussain, have financial interests in Liberty Global as a result of their ownership of Liberty Global ordinary shares and/or equity awards. As a result of these multiple fiduciary duties and financial interests, these directors and executive officers may have conflicts of interest or the appearance of conflicts of interest with respect to matters involving or affecting more than one of the companies to which they owe fiduciary duties or in which they have financial interests.

Our bye-laws provide that, to the fullest extent permitted by applicable law, we have waived and renounced on behalf of ourselves and our subsidiaries any breach of a fiduciary duty by each of our directors by reason of the fact that such person directs a corporate opportunity to another person or entity (such as Liberty Global) instead of the company, or does not refer or communicate information regarding such corporate opportunity to the company, unless such opportunity was expressly offered to such person solely in his or her capacity as a director of our company and such opportunity relates to a line of business in which we or any of our subsidiaries are then directly engaged. The waiver given to our directors in respect of the diversion of corporate opportunities does not amount to a general authorization to our directors to subordinate Liberty Latin America's interests to their personal interests. Our directors will continue to be bound by their common law and statutory duties under the Bermuda Companies Act to act honestly and in good faith with a view to the best interests of Liberty Latin America and to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. Furthermore, our bye-laws contain a general waiver by shareholders for any claim or right of action a shareholder might have (whether individually or by or in the right of the company) against any director or officer of the company, arising from any action or inaction by such director or officer in the performance of their duties for us or any of our subsidiaries (but excluding any matter involving fraud or dishonesty). This general waiver does not eliminate directors' or officers' fiduciary duties to Liberty Latin America under Bermuda law. Rather, it prohibits actions from being taken by shareholders against directors or officers in the event of a breach of such duties, unless the breach involves fraud or dishonesty.

In addition, any potential conflict that qualifies as a "related party transaction" (as defined in Item 404 of Regulation S-K) is subject to review by an independent committee of the applicable company's board in accordance with its corporate governance guidelines. Any other potential conflicts that arise will be addressed on a case-by-case basis, keeping in mind the applicable fiduciary duties owed by the executive officers and directors of each company. From time to time, we may enter into transactions with Liberty Global and/or any of its subsidiaries or other affiliates. In the event of any potential conflict that qualifies as a "related party transaction" (as defined in Item 404 of Regulation S-K) involving Liberty Global and/or any of its subsidiaries or other affiliates, our Audit Committee or another independent body of Liberty Latin America would be required to review and approve the transaction. If the potential conflict or transaction involved an executive officer of Liberty Latin America, our Audit Committee would be the independent committee charged by our corporate governance guidelines with this duty, and if the potential conflict or transaction involved a director of Liberty Latin America, a committee of the disinterested independent directors of Liberty Latin America would be the independent committee charged by our corporate governance guidelines with this duty. There can be no assurance that the terms of any such transactions will be as favorable to the company or any of its subsidiaries or affiliates as would be the case where there is no overlapping director or officer or where there are no financial interests in Liberty Global.

Risks Relating to Our Common Shares and the Securities Market

Different classes of our common shares have different voting rights, but all common shares vote together as one class; if you hold Class C common shares you will have no significant voting rights.

Holders of our Class A common shares are entitled to one vote per share; holders of our Class B common shares are entitled to 10 votes per share; and holders of our Class C common shares are not entitled to any votes in respect of their common shares, unless such common shares are required to carry the right to vote under applicable law, in which case holders of our Class C common shares will be entitled to 1/100 of a vote per share. Our bye-laws prescribe that all classes of common shares vote together as one class, meaning that those holding Class C common shares will have little to no ability to influence the outcome of a shareholder vote as they will be consistently outvoted by holders of our Class A and Class B common shares.

The division of our common shares into different classes with different relative voting rights does not affect the fiduciary duties owed by our directors. As a Bermuda company, our directors' fiduciary duties are owed primarily to Liberty Latin America rather to holders of our common shares, or any class of our common shares.

It may be difficult for a third-party to acquire us, even if doing so may be beneficial to our shareholders.

Certain provisions of our bye-laws and Bermuda law may discourage, delay or prevent a change in control of the company that a shareholder may consider favorable. These provisions include the following:

- authorizing a capital structure with multiple classes of shares: a Class B that entitles the holders to ten votes per share, a Class A that entitles the holders to one vote per share and a Class C that entitles the holder to no voting rights, except as otherwise required by applicable law (in which case, the holder is entitled to 1/100 of a vote per share);
- authorizing the issuance of “blank check” preferred shares, which could be issued by our board to increase the number of outstanding shares and thwart a takeover attempt;
- classifying our board with staggered three-year terms, which may lengthen the time required to gain control of our board;
- prohibiting shareholder action by written consent, thereby requiring all shareholder actions to be taken at a meeting of the shareholders;
- establishing advance notice requirements for nominations of candidates for election to our board or for proposing matters that can be acted upon by shareholders at shareholder meetings;
- requiring supermajority shareholder approval with respect to certain extraordinary matters, such as certain mergers, amalgamations, or consolidations of the company, or in the case of amendments to our bye-laws; and
- the existence of authorized and unissued shares which would allow our board to issue shares to persons friendly to current management, thereby protecting the continuity of its management, or which could be used to dilute the share ownership of persons seeking to obtain control of us.

Although our Class B common shares are eligible to trade on the OTC Markets, there is no meaningful trading market for these shares and the market price of these shares is subject to volatility.

Our Class B common shares are not widely held, with approximately 64% of such outstanding shares as of December 31, 2025 beneficially owned by John C. Malone, a director emeritus of our company. Although our Class B common shares are eligible to trade on the OTC Markets, they are sparsely traded and do not have an active trading market. The OTC Markets provide an inter-dealer automated quotation system for equity securities that is not a national securities exchange. As a result, trading in the OTC Markets is generally much more limited than trading on any national securities exchange. There is also a greater chance of market volatility for securities that trade on the OTC Markets as opposed to a national exchange. Each Class B common share is convertible, at any time at the option of the holder, into one Class A common share.

We may be significantly influenced by one principal shareholder, and he may sell his shares, which may cause the price of our common shares to decrease.

As of December 31, 2025, John C. Malone beneficially owned a number of our common shares representing approximately 27% of the aggregate voting power of our outstanding common shares. As a result, Mr. Malone has significant influence over Liberty Latin America. Mr. Malone's rights to vote or dispose of his equity interest in Liberty Latin America are not subject to any restrictions in favor of Liberty Latin America other than as may be required by applicable law and except for customary transfer restrictions pursuant to incentive award agreements. The sale of a substantial number of our common shares by Mr. Malone within a short period of time, or the perception that such sale might occur, could cause our share price to decrease, make it more difficult for us to raise funds through future offerings of our common shares or acquire other businesses using our common shares as consideration.

Bermuda law may, in certain circumstances, afford less protection to our shareholders than the laws in effect in other jurisdictions.

We are incorporated and organized under the laws of Bermuda. As a result, our corporate affairs are governed by the Bermuda Companies Act. Bermuda law permits a company to specify thresholds for shareholder approval different from those applicable by default, either generally or for specific corporate actions. Our bye-laws prescribe a shareholder approval threshold that is higher than the default of a simple majority of votes cast at a quorate general meeting of shareholders for certain corporate actions. With respect to a Bermuda company's directors, there is no requirement for shareholder approval for transactions between directors and companies or their subsidiaries of which they are directors (except in the case of loans, guarantees or the provision of security by a company to its directors or certain connected persons in their personal capacity). In

addition, the rights of our shareholders and the fiduciary responsibilities of our directors under Bermuda law are not as clearly established as under statutes or judicial precedent in other jurisdictions, where directors' duties are sometimes codified under applicable law. Therefore, our shareholders may have more difficulty protecting their interests than would shareholders of a public company incorporated in another jurisdiction.

We are a Bermuda company and it may be difficult for you to enforce judgments against us or our directors and executive officers.

We are a Bermuda exempted company organized under the laws of Bermuda. As a result, the rights of holders of our common shares are governed by Bermuda law and our memorandum of association and bye-laws. The rights of shareholders under Bermuda law may differ from the rights of shareholders of companies incorporated in other jurisdictions, including the U.S. and the U.K. Certain of our directors are not residents of the United States, and a substantial portion of our assets are located outside the United States. As a result, it may be difficult for investors to effect service of process on those persons in the United States or to enforce in the United States judgments obtained in U.S. courts against us or those persons based on the civil liability provisions of the U.S. securities laws. It is doubtful whether courts in Bermuda will enforce judgments obtained in other jurisdictions, including the United States, or entertain actions in Bermuda against us or our directors or officers under the securities laws of those jurisdictions.

We are a Bermuda company and the Bermuda Economic Substance Act 2018 may cause us to incur substantial additional costs, incur significant penalties or possibly require us to re-domicile.

Bermuda enacted the Economic Substance Act 2018 requiring affected Bermuda registered companies to maintain a substantial economic presence in Bermuda. This legislation could require us to incur substantial additional cost, and/or incur significant penalties and possibly require us to re-domicile our company to a jurisdiction with higher tax rates. Our results of operations could be materially and adversely affected if we become subject to these or other unanticipated tax liabilities.

Our bye-laws generally restrict shareholders from bringing legal action against our officers and directors.

Our bye-laws contain a general waiver by shareholders for any claim or right of action a shareholder might have (whether individually or by or in the right of the company) against any director or officer of the company, arising from any action or inaction by such director or officer in the performance of their duties for us or any of our subsidiaries (but excluding any matter involving fraud or dishonesty). Consequently, this waiver limits the right of shareholders to assert claims against our officers and directors unless the act or failure to act involves fraud or dishonesty.

There are regulatory limitations on the ownership and transfer of our common shares.

Our common shares may be offered or sold in Bermuda only in compliance with the provisions of the Bermuda Companies Act and the Bermuda Investment Business Act 2003, which regulates the sale of securities in Bermuda. In addition, the Bermuda Monetary Authority must approve all issues and transfers of shares of a Bermuda exempted company. However, the Bermuda Monetary Authority has, pursuant to its statement of June 1, 2005, given its general permission under the Exchange Control Act 1972 and related regulations for the issue and free transfer of our common shares to and among persons who are non-residents of Bermuda for exchange control purposes as long as any class of our common shares are listed on an appointed stock exchange, which includes Nasdaq. This general permission would cease to apply if none of our common shares were to be listed on Nasdaq or another appointed stock exchange.

We could be subject to changes in our tax rates, the enactment of legislation implementing changes in taxation of international business activities, the adoption of other corporate tax reform policies, or other changes in tax legislation or policies which could adversely affect our business, financial condition, and results of operations.

The taxation of our business is subject to the enactment of, or changes in, tax laws, regulations and treaties, or the interpretation thereof, tax policy initiatives and reforms under consideration and the practices of tax authorities in various jurisdictions. Existing, new, or future changes in tax laws, regulations and treaties, or the interpretation thereof could have an adverse effect on our tax liabilities, business, results of operations and financial condition. We are unable to predict what tax reform may be proposed or enacted in the future in jurisdictions where we have operations or what effect such changes would have on our business, but such changes could affect our future financial position and overall tax rates in the future or increase the complexity, burden and cost of tax compliance.

If our effective tax rate increases, our operating results and cash flow could be adversely affected. Our effective income tax rate can vary significantly between periods due to a number of complex factors including, but not limited to, our possible

expansion to other jurisdictions, projected levels of taxable income in each jurisdiction, tax audits conducted and settled by various tax authorities, and adjustments to income taxes upon finalization of income tax returns.

Corporate tax reform, base-erosion efforts, and tax transparency continue to be high priorities in many tax jurisdictions where we have business operations. As a result, policies regarding corporate income and other taxes in numerous jurisdictions are under heightened scrutiny, and tax reform legislation is being proposed or enacted in a number of jurisdictions.

In October 2021, the OECD's Inclusive Framework reached an agreement on a "Two-Pillar Solution to Address the Tax Challenges Arising from the Digitalisation of the Economy" and, on December 20, 2021, the OECD's Inclusive Framework published "Global Anti-Base Erosion," or "GloBE" model rules, which are a key component of the Two-Pillar Solution. The GloBE model rules would apply to multinational enterprises with revenues of at least €750,000,000 and provide for a coordinated system of taxation that imposes a "top-up" tax to ensure that a multinational enterprise pays a minimum rate of 15% tax on its net income in each country where it operates. Countries around the world have enacted, and are continuing to enact, legislation to implement the GloBE model rules. As the Two-Pillar Solution is subject to implementation by each member country, the timing and ultimate impact of any such changes on our tax obligations is uncertain. Such legislative initiatives may materially and adversely affect our plans to expand internationally and may negatively impact our tax liability, financial condition, and results of operations, and could increase our administrative expenses.

These changes, as they take effect in various countries in which we do business, may also increase our taxes in these countries. For example, Bermuda enacted the CIT Act on December 27, 2023. Entities subject to tax under the CIT Act are the Bermuda constituent entities of multinational enterprises. The definition of a "multinational group" or "multinational enterprise" under the CIT Act follows the definition in the GloBE model rules i.e. a group with entities in more than one jurisdiction with consolidated revenues of at least €750,000,000 for two out of the four previous fiscal years. If Bermuda constituent entities of a multi-national group are subject to tax under the CIT Act, such tax is charged at a rate of 15 percent of the net taxable income of such constituent entities as determined in accordance with and subject to the adjustments set out in the CIT Act. While we expect that we would be treated as a Bermuda Constituent Entity for the purposes of the CIT Act and therefore subject to taxation in Bermuda for its first fiscal year starting on or after January 1, 2025, we do not expect to incur material tax liabilities in Bermuda due to our status as a holding company, meaning the majority of our income is excluded from the calculation of tax under the CIT Act. However, future developments and guidance under the GloBE model rules may impact Bermuda's implementation of its new corporate tax regime, and any future changes to the Bermuda corporate income tax regime may negatively impact our tax liability, financial condition, and results of operations, and could increase our administrative expenses.

We have identified material weaknesses in our internal control over financial reporting, which could, if not remediated, result in material misstatements in our financial statements.

Section 404 of the Sarbanes-Oxley Act of 2002 requires any company subject to the reporting requirements of the U.S. securities laws to include in its annual report on Form 10-K an assessment of its and its consolidated subsidiaries' internal control over financial reporting. To comply with this statute, we are required to issue a statement as to whether or not our internal control over financial reporting is effective; and our independent auditors are required to issue an audit opinion on our internal control over financial reporting.

As of December 31, 2025, we did not maintain effective internal control over financial reporting attributable to certain identified material weaknesses. We describe these material weaknesses in Item 9A. *Controls and Procedures* in this Annual Report on Form 10-K. A material weakness is defined as a deficiency, or combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of our annual or interim financial statements will not be prevented or detected on a timely basis. The material weaknesses will not be considered remediated until the applicable new or enhanced controls operate for a sufficient period and management has concluded, through testing, that these controls are operating effectively. As full remediation has not yet been completed, these material weaknesses continued to exist with respect to our internal control over financial reporting as of December 31, 2025. If our remedial measures are insufficient to address the material weaknesses, or if one or more additional material weaknesses or significant deficiencies in our internal control over financial reporting are discovered or occur in the future, our consolidated financial statements may contain material misstatements and we could be required to restate our financial results, which could, in turn, harm our reputation or otherwise cause a decline in investor confidence and in the market price of our stock.

Item 1B. UNRESOLVED STAFF COMMENTS

None.

Item 1C. CYBERSECURITY

Introduction

We have established a cybersecurity program, which we view as a foundational business practice incorporated into our broader risk management framework, as well as into all planning, development, operations and administration objectives. We have benchmarked our cybersecurity program against recognized frameworks established by the NIST, the International Organization for Standardization and other applicable industry standards.

Governance of Cybersecurity Risks

From a governance perspective, our Audit Committee oversees our cybersecurity program, including the management of risks arising from cybersecurity threats. Our Audit Committee receives quarterly reports from both internal (e.g., management) and external sources (e.g., third-party consultants), which cover topics that include, but are not limited to, recent cyber developments, evolving cyber standards, vulnerability assessments, third-party and independent reviews, the cyber threat environment, technological trends, and other cybersecurity considerations arising with respect to our company and third parties. Our GISO and Chief Legal Officer also keep our executive team and our Audit Committee (if necessary) informed regarding any security incident that meets established reporting thresholds and provide ongoing updates regarding any such incident until it has been closed out.

Management of Cybersecurity Risks

From a management perspective, our GISO, led by our Chief Information Security Officer, operates our cybersecurity program. Our program aligns with the NIST cybersecurity standard functions (Identify, Protect, Detect, Respond, Recover) and aims to secure our networks, information systems, information resources, data, services, and products against internal and external threats and mitigate security vulnerabilities while efficiently operating our business. We have integrated our cybersecurity program into our overall enterprise risk management program.

Our GISO has processes in place to stay informed of and monitor the prevention, detection, mitigation and remediation of cybersecurity risks, including but not limited to, employing appropriate incident prevention and detection software, employing industry-standard encryption protocols where appropriate, applying patches and implementing identified corrective actions in a timely manner, maintaining an incident response plan and related procedures and regularly conducting internal training, cybersecurity audits, assessments, tabletop exercises, threat modeling, vulnerability testing and other exercises focused on evaluating the effectiveness of our cybersecurity measures and planning.

Engagement of Third-Parties

Our GISO partners with third-party cybersecurity service and product vendors to provide protection of our networks, information resources, products, services and data of our customers and employees. Furthermore, our GISO engages third-party cybersecurity and data protection experts to perform assessments on the efficacy of our cybersecurity program and measures, including cybersecurity maturity assessments, audits and independent reviews of our cybersecurity control environment and operating effectiveness. Our Chief Information Security Officer reports the results of such assessments, audits and reviews to our executive team and our Audit Committee.

We have implemented policies and practices to manage cybersecurity risks arising from our use of third-party service providers. For example, in general, we contractually require our third-party service providers to maintain cybersecurity controls to protect our confidential information, to share information with our company about their information security programs and to inform us of any security incidents on their systems that could impact our operations or confidential information. Although we rely on our third party service providers to implement security programs commensurate with their risk, we cannot ensure in all circumstances that their efforts will be successful.

Our Senior Leadership Team's Qualifications

Our Chief Information Security Officer has served in various roles in information technology and information security for over 15 years, including as the Director of Information Security at the Colombian operations of a telecommunications company operating throughout Latin America and as the Head of Information Security in the Colombian operations of a large retail company operating in South America. Our Chief Information Security Officer holds undergraduate, graduate and master's degrees in risk management, business administration and information technology, as well as professional certification as a Certified Information Security Manager.

Our Chief Information Security Officer reports to our Chief Technology Officer, who resumed oversight of our company's cybersecurity in January 2025. Our Chief Technology Officer has extensive experience in running and managing cyber risks at large U.S. telecommunication companies and, prior to joining our company, had led the cybersecurity practice at a business unit at a large telecommunications company and established cyber risk identification, detection and protection practices for enterprise and government customers. Our Chief Technology Officer holds undergraduate and master's degrees in electrical engineering and has served in various roles in information technology at several telecommunications companies for over 30 years, including serving as either the Chief Technology Officer, Chief Information Officer or Chief Product Officer of three public companies.

Our Chief Executive Officer previously served as Chief Technology Officer at three other large media and telecommunications companies prior to becoming our Chief Executive Officer, which gave him significant security technology and operational responsibility over large networks. Our Chief Executive Officer had also led the venture arm at another leading telecommunications company which had invested in a number of IT security technology companies. The other members of our senior leadership team hold undergraduate and graduate degrees in their respective fields and have experience managing risks.

Material Impact from Cybersecurity Threats

At the time of filing of this Annual Report on Form 10-K, to our knowledge, we have not experienced any cybersecurity threats that have materially affected our company (or are reasonably likely to materially affect our company), including our business strategy, operations or financial condition.

For more information regarding cybersecurity risks faced by our company, see Item 1A. *Risk Factors—Factors Relating to Cybersecurity—Factors Relating to Cybersecurity*, which are incorporated by reference into this section.

Item 2. PROPERTIES

At December 31, 2025, we leased our corporate office in Denver, Colorado, U.S. and our operations center in Panama City, Panama. Additionally, through our Liberty Networks segment, we own significant portions of our subsea network in the Caribbean region (see Item 1. *Business—Description of Business—Products and Services—Business Services*). Also, our subsidiaries either own or lease the fixed assets necessary for the operation of their respective businesses, including office space, transponder space, headend facilities, rights of way, cable television and telecommunications distribution equipment, telecommunications switches, base stations, poles, cell towers and customer premises equipment and other property necessary for their operations. The physical components of their networks require maintenance and periodic upgrades to support the new services and products they introduce. Subject to these maintenance and upgrade activities, our management believes that our current facilities are suitable and adequate for our business operations for the foreseeable future.

Item 3. LEGAL PROCEEDINGS

From time to time, our subsidiaries and affiliates have become involved in litigation relating to claims arising out of their operations in the normal course of business. While we generally expect that the amounts required to satisfy these contingencies will not materially differ from any estimated amounts we have accrued, no assurance can be given that the resolution of one or more of these contingencies will not result in a material impact on our results of operations, cash flows or financial position in any given period. For additional information, see note 16 to our consolidated financial statements in Part II of this Annual Report on Form 10-K.

Item 4. MINE SAFETY DISCLOSURES

Not applicable.

PART II

Item 5. MARKET FOR REGISTRANT'S COMMON EQUITY, RELATED SHAREHOLDER MATTERS AND ISSUER PURCHASES OF EQUITY SECURITIES

General

See the Glossary of defined terms at the beginning of this Annual Report on Form 10-K. In the following text, the terms “we,” “our,” “our company” and “us” may refer, as the context requires, to Liberty Latin America or collectively to Liberty Latin America and its subsidiaries.

Market Information

Our outstanding share capital comprises Class A, Class B and Class C common shares. Our Class A and Class C common shares trade on the Nasdaq Global Select Market under the symbols “LILA” and “LILAK,” respectively. Our Class B common shares are eligible to be traded on the OTC Markets under the symbol “LILAB,” although they do not have an established public trading market. The following table sets forth the range of highest and lowest prices for our Class B common shares for each of the periods indicated, as reported by Bloomberg, taking into account both opening and closing prices. Over-the-counter market prices reflect inter-dealer prices, without retail mark-up, mark-down or commission and may not necessarily represent actual transactions.

Issuer Purchase of Equity Securities

From time to time, our Directors approve Share Repurchase Programs, which authorize us to repurchase up to a specified dollar value of our Class A common shares and/or Class C common shares through specified dates via open market purchases at prevailing market prices, in privately negotiated transactions, in block trades, derivative transactions and/or through other legally permissible means. The Share Repurchase Programs do not obligate us to repurchase any of our Class A or C common shares. During June 2024, we entered into capped call option contracts, pursuant to which we have purchased capped call options on a number of Class A and Class C common shares, which can result in the receipt of cash or shares at our election. For information about amounts authorized under our Share Repurchase Programs and our capped call option contracts, see note 12 to our consolidated financial statements.

The following table sets forth information concerning our company's purchase of its own equity securities through exercise of some of our capped call option contracts during the three months ended December 31, 2025 (in millions, except per share amounts). Overview

General

We are an international provider of fixed, mobile and subsea telecommunications services. We provide,

- A. residential and B2B services in:
 - i. over 20 countries across Latin America and the Caribbean through two of our reportable segments, Liberty Caribbean and C&W Panama;
 - ii. Puerto Rico and USVI, through our reportable segment Liberty Puerto Rico; and
 - iii. Costa Rica, through our reportable segment Liberty Costa Rica.
- B. through our reportable segment Liberty Networks, (i) enterprise services in certain other countries in Latin America and the Caribbean and (ii) wholesale services over our subsea and terrestrial fiber optic cable networks that connect over 30 markets in that region.

At December 31, 2025, we (i) owned and operated fixed networks that passed 4,692,600 homes and served 3,836,600 RGUs comprising 1,746,500 broadband internet subscribers, 901,000 video subscribers and 1,189,100 fixed-line telephony subscribers, and (ii) served 6,794,000 mobile subscribers.

Hurricane Melissa

In late October 2025, the island of Jamaica was impacted by Hurricane Melissa with significant damage to homes, businesses and infrastructure, particularly in the southwest of the island and moderate damage in the northwest. The capital city, Kingston, and other urban areas in the east were less impacted.

The mobile network has proved resilient and traffic levels were quick to recover, now running back to pre-hurricane levels across the vast majority of the island. The fixed infrastructure impact was more localized: over 75% of residential customers are on-line, with the metro areas much closer to full recovery. Following our internal network review, we have removed a total of 133,000 homes in the southwest and northwest part of the island from our total homes passed. Additionally, we have reduced

our RGUs by approximately 136,000, comprised of 65,000 fixed-line telephony, 57,000 broadband internet and 14,000 video subscribers. These adjustments relate to RGUs where we currently do not expect to restore fixed services in the near term. However, our final assessment may change based upon the ultimate completion of our restoration and reconnection efforts in the impacted areas of the island.

As a result of the impact of Hurricane Melissa, we incurred lower revenue during the fourth quarter of 2025 and expect to incur lower revenue during 2026. The decrease in the fourth quarter of 2025 is predominantly due to lower fixed connectivity and reflects the provision of rebates for homes and businesses, which are offline for a period of time. We are working hard to restore connectivity, but there can be no guarantee as to the cadence of future reconnections or the pace of future revenue recovery. In addition, during 2026, we expect to incur additional property and equipment additions as we restore damaged networks.

For the fourth quarter of 2025, the negative impact to revenue and Adjusted OIBDA was approximately \$20 million and \$27 million, respectively, and we incurred incremental property and equipment additions of approximately \$17 million as a result of Hurricane Melissa. Additionally, Hurricane Melissa triggered a payment pursuant to coverage under our Weather Derivatives that resulted in net proceeds after our deductible of \$81 million during the year. The payment was reflected as a derivative gain in our consolidated statement of operations and a cash inflow related to operating activities in our consolidated statement of cash flows.

Strategy and Management Focus

From a strategic perspective, we are seeking to build or acquire broadband communications and mobile businesses that have strong prospects for future growth. As discussed further under *Liquidity and Capital Resources—Capitalization* below, we also seek to maintain our debt at levels that provide for attractive equity returns without assuming undue risk.

We strive to achieve “organic” revenue and customer growth in our operations by developing and marketing bundled entertainment, information and communications services, and extending and upgrading the quality of our networks where appropriate. As we use the term, organic growth excludes FX and the estimated impact of acquisitions and disposals. While we seek to increase our customer base, we also seek to maximize the average revenue we receive from each household or business by increasing the penetration of our video, broadband internet, fixed-line telephony and mobile services with existing customers through product bundling and up-selling.

Results of Operations

The comparability of our operating results during 2025 and 2024 is affected by an acquisition and FX. As we use the term, “organic” changes exclude FX and the impact of an acquisition.

In the following discussion, we quantify the estimated impacts on the operating results of the periods under comparison that are attributable to the LPR Acquisition, which closed on September 3, 2024. With respect to acquisitions, organic changes exclude the operating results of an acquired entity during the first 12 months following the date of acquisition.

Changes in foreign currency exchange rates may have a significant impact on our operating results, as Liberty Costa Rica and certain entities within C&W have functional currencies other than the U.S. dollar. The impacts to the various components of our results of operations that are attributable to changes in FX are highlighted below. For information concerning our foreign currency risks and applicable foreign currency exchange rates, see Item 7A. *Quantitative and Qualitative Disclosures About Market Risk—Foreign Currency Risk* below. For information regarding foreign currency risk, see Item 1A. *Risk Factors* above.

The amounts presented and discussed below represent 100% of the revenue and expenses of each segment and our corporate operations. As we have the ability to control certain subsidiaries that are not wholly-owned, we include 100% of the revenue and expenses of these entities in our consolidated statements of operations despite the fact that third parties own significant interests in these entities. The noncontrolling owners’ interests in the operating results of (i) certain subsidiaries of C&W and Liberty Puerto Rico, and (ii) Liberty Costa Rica are reflected in net earnings or loss attributable to noncontrolling interests in our consolidated statements of operations.

We are subject to inflationary pressures with respect to certain costs and foreign currency exchange risk with respect to costs and expenses that are denominated in currencies other than the respective functional currencies of our reportable segments. Any cost increases that we are not able to pass on to our subscribers would result in increased pressure on our operating margins.

As reflected in the table above, we reported an operating income during 2025, as compared to operating loss during 2024. For further discussion and analysis of organic changes in revenue and costs, see *Revenue, Programming and Other Direct Costs of Services*, and *Other Operating Costs and Expenses* sections below. For further discussion and analysis of changes in *Depreciation and amortization*, and *Impairment, Restructuring and other operating items, net*, see *Results of Operations (below Adjusted OIBDA)* sections below.

Consolidated Adjusted OIBDA

On a consolidated basis, Adjusted OIBDA is a non-U.S. GAAP measure. Adjusted OIBDA is the primary measure used by our CODM, our Chief Executive Officer, to evaluate segment operating performance. Adjusted OIBDA is also a key factor that is used by our internal decision makers to (i) determine how to allocate resources to segments and (ii) evaluate the effectiveness of our management for purposes of incentive compensation plans. Our internal decision makers believe Adjusted OIBDA is a meaningful measure because it represents a transparent view of our recurring operating performance that is unaffected by our capital structure and allows management to (i) readily view operating trends, (ii) perform analytical comparisons and benchmarking between segments and (iii) identify strategies to improve operating performance in the different countries in which we operate. We believe our Adjusted OIBDA measure is useful to investors because it is one of the bases for comparing our performance with the performance of other companies in the same or similar industries, although our measures may not be directly comparable to similar measures used by other public companies. Adjusted OIBDA should be viewed as a measure of operating performance that is a supplement to, and not a substitute for, operating income or loss, net earnings or loss and other U.S. GAAP measures of income or loss.

A reconciliation of total operating income (loss), the nearest U.S. GAAP measure, to Adjusted OIBDA on a consolidated basis, is presented below for the periods indicated.

Adjusted OIBDA Margin

The following table sets forth the Adjusted OIBDA Margin of each of our reportable segments:

	Year ended December 31,	
	2025	2024
	%	
Liberty Caribbean	46.2	43.3
C&W Panama	38.1	35.3
Liberty Networks	54.9	54.2
Liberty Puerto Rico	29.5	22.4
Liberty Costa Rica	37.3	37.4

Adjusted OIBDA margin is impacted by organic changes in revenue, programming and other direct costs of services and other operating costs and expenses. At our Liberty Puerto Rico segment, we incurred aggregate integration costs of \$17 million during 2024, and amounts incurred during 2025 were immaterial.

Revenue

Most of our segments derive their revenue primarily from (i) residential fixed services, including video, broadband internet and fixed-line telephony, (ii) mobile services and (iii) B2B enterprise services. Liberty Networks also provides wholesale services over its subsea and terrestrial fiber optic cable networks.

While not specifically discussed in the below explanations of the changes in revenue, we experience significant competition in all of our markets. Competition has an adverse impact on our ability to increase or maintain our (i) RGUs, (ii) ARPU and/or (iii) B2B revenue.

Variances in the subscription revenue that we receive from our customers are a function of (i) changes in the number of RGUs or mobile subscribers during the period and (ii) changes in ARPU. Changes in ARPU can generally be attributable to (i) changes in prices, (ii) changes in bundling or promotional discounts, (iii) changes in the tier of services selected, (iv) variances in subscriber usage patterns and (v) the overall mix of fixed and mobile products during the period. In the following discussion, we discuss ARPU changes in terms of the net impact of the above factors on the ARPU that is derived from our video, broadband internet, fixed-line telephony and mobile products.

The following table sets forth the organic and non-organic changes in revenue by reportable segment.

Total	\$ 1,455.0	\$ 1,462.8	\$ (7.8)	(0.5)

The details of the changes in Liberty Caribbean's revenue during 2025, as compared to 2024, are set forth below (in millions):

Increase (decrease) in residential fixed subscription revenue due to change in:	
Average number of RGUs (a)	\$ (14.2)
ARPU (b)	14.6
Decrease in residential fixed non-subscription revenue (c)	(7.7)
Total decrease in residential fixed revenue	(7.3)
Increase in residential mobile service revenue (d)	14.3
Increase in residential mobile interconnect, inbound roaming, equipment sales and other revenue (e)	4.3
Decrease in B2B revenue (f)	(12.2)
Total organic decrease	(0.9)
Impact of FX	(6.9)
Total	\$ (7.8)

- (a) The decrease is primarily due to lower average video, broadband internet and fixed-line telephony RGUs, mainly driven by the impact of Hurricane Melissa.
- (b) The increase is primarily due to higher ARPU on broadband internet services due to price increases in certain markets. The impact of Hurricane Melissa-related credits in the current year were largely offset by the impact of Hurricane Beryl-related credits in the prior year.
- (c) The decrease is due in part to (i) lower interconnect revenue attributable to lower traffic on our networks and (ii) other immaterial declines.
- (d) The increase is primarily attributable to the net effect of (i) an increase in prepaid mobile ARPU mainly resulting from price increases in Jamaica during the first quarter of 2024 and during 2025 as well as increased demand following Hurricane Melissa, (ii) higher average numbers of postpaid mobile subscribers, mostly due to growth from fixed-mobile convergence efforts, and (iii) lower average number of prepaid mobile subscribers, due in part to fixed-mobile convergence efforts and churn associated with price increases.
- (e) The increase is primarily due to higher volumes of handset sales and inbound roaming.
- (f) The decrease is mainly attributable to the net impact of (i) a decline in revenue from managed services, mostly related to the negative impact from Hurricane Melissa and a decrease in fixed-line telephony, which was partially offset by growth in broadband internet, and (ii) lower project-related revenue as a decline in our Bahamas market more than offset an increase in our Barbados market.

C&W Panama. C&W Panama's revenue by major category is set forth below:

	Year ended December 31,		Increase (decrease)	
	2025	2024	\$	%

Total	\$ 783.5	\$ 763.2	\$ 20.3	2.7

The details of the changes in C&W Panama's revenue during 2025, as compared to 2024, are set forth below (in millions):

Increase (decrease) in residential fixed subscription revenue due to change in:	
Average number of RGUs (a)	\$ 6.6
ARPU (b)	(11.6)
Increase in residential fixed non-subscription revenue	0.1
Total decrease in residential fixed revenue	(4.9)
Increase in residential mobile service revenue (c)	18.5
Increase in residential mobile interconnect, inbound roaming, equipment sales and other revenue (d)	4.5
Increase in B2B revenue (e)	2.2
Total	\$ 20.3

- (a) The increase is primarily due to higher average broadband internet RGUs.

- (b) The decrease is primarily due to lower ARPU from video services and fixed-line telephony, mainly due to (i) higher discounts driven by competitive market conditions and (ii) the migration of customers to lower ARPU plans.
- (c) The increase is primarily due to higher average postpaid and prepaid mobile subscribers, driven in part by the addition of customers to our base following the exit of a competitor from our market during the first quarter of 2024.
- (d) The increase is primarily due to higher volumes of handset sales at higher unit prices.
- (e) The increase is primarily attributable to (i) higher project-related revenue, with the majority stemming from government projects, and (ii) lower revenue from fixed and managed services, primarily related to lower out-of-plan usage and disconnects on fixed B2B voice customers.

Increase in wholesale revenue (b)	19.0
Total organic increase	<u>22.8</u>
Impact of FX	0.7

- (a) The increase is primarily attributable to the net effect of (i) growth in managed services, (ii) lower revenue associated with sales-type leases on CPE and (iii) higher B2B connectivity revenue.
- (b) The increase is primarily due to the net effect of (i) higher project-related revenue, primarily associated with a contract to construct and deploy a subsea cable system, (ii) higher subsea capacity revenue, (iii) lower revenue associated with the recognition of deferred revenue and penalties upon the termination of a prepaid capacity contract during the second quarter of 2024, and (iv) lower revenue from prepaid capacity arrangements driven by the cancellation of prepaid capacity contracts in the prior period.

Total	\$ (51.2)

- (a) The decrease is primarily attributable to (i) lower average broadband internet and video RGUs and (ii) a negative impact from the termination of a government-sponsored program during the second quarter of 2024.
- (b) The increase is primarily due to higher ARPU from broadband internet and video services, mainly due to price increases. The increase also includes the impact of credits issued to customers during the prior year following Hurricane Ernesto, which impacted Puerto Rico in August 2024.
- (c) The decrease is primarily due to the negative impacts from the migration of customers to our mobile network and network challenges in 2024, which caused a decline in the average number of postpaid mobile subscribers and lower postpaid mobile ARPU.
- (d) The increase is primarily driven by higher equipment sales and inbound roaming revenue.
- (e) The decrease is primarily attributable to lower revenue from mobile services due mostly to the negative impacts from the migration of customers to our mobile network in 2024, which caused declines in the average number of mobile subscribers and lower mobile ARPU.

- (f) The decrease is primarily attributable to (i) a decline in the rate of funding in June 2024 related to funds from the FCC that we use to expand and improve our fixed and mobile networks, and (ii) a decrease in funding related to a grant from the NTIA to fund network infrastructure to remote and underserved communities.

Results of operations (below Adjusted OIBDA)

Share-based compensation and other Employee Incentive Plan-related expense (included in other operating costs and expenses)

Share-based compensation and other Employee Incentive Plan-related expense decreased by \$9 million or 11% during 2025, as compared to 2024. The decrease is primarily driven by a 2024 modification of the legal life of outstanding SARs resulting in incremental share-based compensation expense recorded during 2024. For further discussion of this modification, see note 12 to our consolidated financial statements. The decrease is also impacted by lower grants and higher cancellations experienced, partially offset by an increase in expense associated with our LTVP.

For additional information regarding our share-based compensation and other Employee Incentive Plan-related expense, see note 12 to our consolidated financial statements.

Depreciation and amortization

Our depreciation and amortization expense decreased \$63 million or 7% during 2025, as compared to 2024, primarily due to (i) certain assets becoming fully depreciated across markets at Liberty Caribbean, (ii) lower depreciation expense at Liberty Puerto Rico associated with the sale of research and development tax credits generated on depreciated assets and (iii) customer relationship assets becoming fully amortized in Liberty Caribbean and C&W Panama.

Additionally, during October 2025, our operations in Jamaica were significantly impacted by Hurricane Melissa resulting in extensive damage to homes, businesses and infrastructure. Based on estimates of the impacts on our operations, we recorded impairment changes of \$56 million to reduce the carrying values of our property and equipment. The 2024 amount primarily relates to an impairment of goodwill recorded at Liberty Puerto Rico. For additional information associated with these impairment charges, see note 7 to our consolidated financial statements.
- (b) The amounts include employee severance and termination costs related to reorganization activities mainly at (i) C&W Panama, Liberty Puerto Rico and Corporate Operations for 2025, and (ii) C&W Panama for 2024.

- (c) The amounts primarily include the net effect of direct acquisition costs and gains on asset dispositions.

Interest expense

Our interest expense increased \$29 million during 2025, as compared to 2024. The increase is primarily attributable to an increase in our average debt balances and weighted-average interest rates.

For additional information regarding our outstanding indebtedness, see note 9 to our consolidated financial statements.

It is possible that the interest rates on (i) any new borrowings could be higher than the current interest rates on our existing indebtedness and (ii) our variable-rate indebtedness could increase in future periods. As further discussed in note 6 to our consolidated financial statements and under Item 7A. *Qualitative and Quantitative Disclosures about Market Risk* below, we use derivative instruments to manage our interest rate risks.

For the year ended December 31, 2024, the Bermuda statutory tax rate was 0%. The majority of our subsidiaries operate in jurisdictions where income tax is imposed at local applicable statutory rates. For additional information, see note 13 to our consolidated financial statements.

We recognized income tax benefit of \$99 million and nil during 2025 and 2024, respectively.

The income tax benefit attributable to our loss before income taxes during 2025 differs from the amounts computed using the statutory tax rate, primarily due to the beneficial effects of (i) jurisdictional statutory income tax rate differential, (ii) permanent tax differences, such as non-taxable income, and (iii) changes in uncertain tax positions. These beneficial effects on our effective tax rate were partially offset by the detrimental effects of (i) cross-border tax laws and payments, (ii) changes in tax laws or rates, (iii) net decrease of tax credits, (iv) net increases in valuation allowances, (v) permanent tax differences, such as non-deductible expenses, and (vi) global minimum tax.

The income tax benefit attributable to our loss before income taxes during 2024 differs from the amounts computed using the statutory tax rate, primarily due to the beneficial effects of (i) jurisdictional rate differences, (ii) permanent tax differences such as non-taxable income, (iii) rate changes, (iv) tax credits, and (v) changes in uncertain tax positions. These beneficial effects on our effective tax rate were partially offset by the detrimental effects of (i) net increases in valuation allowances, (ii) permanent tax differences, such as non-deductible goodwill impairments and non-deductible expenses, (iii) the inclusion of withholding taxes on cross-border payments, and (iv) the expiration of deferred tax assets, which are entirely offset by valuation allowance.

Net earnings or loss

The following table sets forth selected summary financial information of our net loss:

	Year ended December 31,	
	2025	2024
	in millions	
Operating income (loss)	\$ 108.2	\$ (76.8)
Net non-operating expenses	\$ (761.0)	\$ (583.1)
Income tax benefit	\$ 98.5	\$ 0.2
Net loss	\$ (554.3)	\$ (659.7)

Gains or losses associated with (i) changes in the fair values of derivative instruments and (ii) movements in foreign currency exchange rates are subject to a high degree of volatility and, as such, any gains from these sources do not represent a reliable source of income. In the absence of significant gains in the future from these sources or from other non-operating items, our ability to achieve earnings is largely dependent on our ability to increase our aggregate Adjusted OIBDA to a level that more than offsets the aggregate amount of our (i) share-based compensation and other Employee Incentive Plan-related expense, (ii) depreciation and amortization, (iii) impairment, restructuring and other operating items, (iv) interest expense, (v) other non-operating expenses and (vi) income tax expense.

Due largely to the fact that we seek to maintain our debt at levels that provide for attractive equity returns, as discussed under *Liquidity and Capital Resources—Capitalization* below, we expect that we will continue to report significant levels of interest expense for the foreseeable future.

Liquidity and Capital Resources

Sources and Uses of Cash

As of December 31, 2025, we have three primary “borrowing groups,” which include the respective restricted parent and subsidiary entities of C&W, Liberty Puerto Rico and Liberty Costa Rica. Our borrowing groups, which typically generate cash from operating activities, held a significant portion of our consolidated cash and cash equivalents at December 31, 2025. Our ability to access the liquidity of these and other subsidiaries may be limited by tax and legal considerations, the presence of noncontrolling interests, foreign currency exchange restrictions with respect to certain C&W subsidiaries and other factors. For details of the restrictions on our subsidiaries to make payments to us through dividends, loans or other distributions see note 9 to our consolidated financial statements.

Cash and cash equivalents

The details of the U.S. dollar equivalent balances of our cash and cash equivalents at December 31, 2025 are set forth in the following table (in millions):

Cash and cash equivalents held by:	
Liberty Latin America and corporate subsidiaries (a)	\$ 127.1
Borrowing groups (b):	
C&W (c)	507.5
Liberty Puerto Rico	85.5
Liberty Costa Rica	63.8
Total borrowing groups	656.8
Total cash and cash equivalents	\$ 783.9

- (a) Represents amounts held by Liberty Latin America on a standalone basis, and its corporate subsidiaries that are outside of our borrowing groups. All of these companies rely on funds provided by our borrowing groups to satisfy their liquidity needs.
- (b) Represents the aggregate amounts held by the applicable borrowing group.
- (c) Includes \$70 million and \$30 million of cash held by operations in C&W Panama and C&W Bahamas, respectively.

Liquidity and capital resources of Liberty Latin America and its corporate subsidiaries

Our current sources of corporate liquidity include (i) cash and cash equivalents held by Liberty Latin America and, subject to certain tax and legal considerations, Liberty Latin America’s corporate subsidiaries, and (ii) interest and dividend income received on our and, subject to certain tax and legal considerations, our corporate subsidiaries’ cash and cash equivalents and investments. From time to time, Liberty Latin America and its corporate subsidiaries may also receive (i) proceeds in the form of distributions or loan repayments from Liberty Latin America’s borrowing groups upon (a) the completion of recapitalizations, refinancings, asset sales or similar transactions by these entities or (b) the accumulation of excess cash from operations or other means, (ii) proceeds upon the disposition of investments and other assets of Liberty Latin America and its corporate subsidiaries and (iii) proceeds in connection with the incurrence of debt by Liberty Latin America or its corporate subsidiaries or the issuance of equity securities by Liberty Latin America. No assurance can be given that any external funding would be available to Liberty Latin America or its corporate subsidiaries on favorable terms, or at all. As noted above, various factors may limit our ability to access the cash of our borrowing groups.

Our corporate liquidity requirements include (i) corporate general and administrative expenses and (ii) other liquidity needs that may arise from time to time. In addition, Liberty Latin America and its corporate subsidiaries may require cash in connection with (i) the repayment of third-party and intercompany debt, (ii) the satisfaction of contingent liabilities, (iii) acquisitions and other investment opportunities, (iv) the repurchase of debt securities, (v) tax payments or (vi) any funding requirements of our consolidated subsidiaries.

During 2025, we exercised some of our rights pursuant to the capped call option contracts, which resulted in 0.6 million shares being effectively repurchased and reflected in treasury stock at December 31, 2025. For additional information regarding our Share Repurchase Programs, see note 11 to our consolidated financial statements and above *Part II—Item 5. Market for Registrant’s Common Equity, Related Stockholder Matters and Issuer Purchases of Equity Securities*.

Liquidity and capital resources of borrowing groups

The cash and cash equivalents of our borrowing groups are detailed in the table above. In addition to cash and cash equivalents, the primary sources of liquidity of our borrowing groups are cash provided by operations and borrowing availability under their respective debt instruments. For the details of the borrowing availability of our borrowing groups at December 31, 2025, see note 9 to our consolidated financial statements. The aforementioned sources of liquidity may be supplemented in certain cases by contributions and/or loans from Liberty Latin America and its corporate subsidiaries. The liquidity of our borrowing groups generally is used to fund capital expenditures, debt service requirements and income tax payments. From time to time, our borrowing groups may also require liquidity in connection with (i) acquisitions and other investment opportunities, (ii) loans to Liberty Latin America, (iii) capital distributions to Liberty Latin America and other equity owners or (iv) the satisfaction of contingent liabilities or any other liquidity needs within our borrowing groups. No assurance can be given that any external funding would be available to our borrowing groups on favorable terms, or at all.

For additional information regarding our cash flows, see the discussion under *Liquidity and Capital Resources—Consolidated Statements of Cash Flows* below.

Capitalization

We seek to maintain our debt at levels that are expected to provide for attractive equity returns without assuming undue risk. When it is cost effective, we generally seek to match the denomination of the borrowings of our subsidiaries with the functional currency of the operations that support the respective borrowings. As further discussed under Item 7A. *Quantitative and Qualitative Disclosures about Market Risk* and in note 6 to our consolidated financial statements, we also use derivative instruments to mitigate foreign currency and interest rate risks associated with our debt instruments.

Our ability to service or refinance our debt and, where applicable, to maintain compliance with the leverage covenants in the credit agreements of our borrowing groups is dependent primarily on our ability to maintain covenant EBITDA of our operating subsidiaries, as specified by our subsidiaries’ debt agreements (**Covenant EBITDA**), and to achieve adequate returns on our property and equipment additions and acquisitions. In addition, our ability to obtain additional debt financing is limited by incurrence-based and/or maintenance-based leverage covenants contained in the various debt instruments of our borrowing groups. For example, if the Covenant EBITDA of one of our borrowing groups were to decline, our ability to support or obtain additional debt in that borrowing group could be limited. No assurance can be given that we would have sufficient sources of liquidity, or that any external funding would be available on favorable terms, or at all, to fund any such required repayment. At December 31, 2025, each of our borrowing groups was in compliance with its debt covenants. We do not anticipate any instances of non-compliance with respect to the debt covenants of our borrowing groups that would have a material adverse impact on our liquidity during the next 12 months.

At December 31, 2025, the outstanding principal amount of our debt, together with our finance lease obligations, aggregated \$8,359 million, including \$409 million that is classified as current in our consolidated balance sheet and \$7,950 million that is not due until 2027 or thereafter. All of our debt and finance lease obligations have been borrowed or incurred by our subsidiaries at December 31, 2025. Included in the outstanding principal amount of our debt at December 31, 2025 is (i) \$306 million of vendor financing obligations, which we use to finance certain of our operating expenses and property and equipment additions and are generally due within one year, other than for certain licensing arrangements that generally are due over the term of the related license, and (ii) \$249 million of finance obligations related to the Tower Transactions. For additional information concerning our debt, including our debt maturities, see note 9 to our consolidated financial statements.

The weighted average interest rate in effect at December 31, 2025 for all borrowings outstanding pursuant to each debt instrument, including any applicable margin, was 7.3%. The interest rate is generally based on stated rates and does not include the impact of derivative instruments, deferred financing costs, original issue premiums or discounts and commitment fees, all of which affect our overall cost of borrowing. The weighted average impact of the derivative instruments on our borrowing costs at December 31, 2025 was as follows:

Borrowing group	Decrease to borrowing costs
C&W	(1.2)%
Liberty Costa Rica	— %
Liberty Latin America borrowing groups	(0.6)%

Including the effects of derivative instruments, original issue premiums or discounts, and commitment fees, but excluding the impact of financing costs, the weighted average interest rate on our indebtedness was 6.8% at December 31, 2025.

We believe that we have sufficient resources to repay or refinance the current portion of our debt and finance lease obligations and to fund our foreseeable liquidity requirements during the next 12 months. However, as our debt maturities grow in later years, we anticipate that we will seek to refinance or otherwise extend our debt maturities. No assurance can be given that we will be able to complete refinancing transactions or otherwise extend our debt maturities. In this regard, it is difficult to predict how political, economic and social conditions, sovereign debt concerns or any adverse regulatory developments will impact the credit and equity markets we access and our future financial position. Our ability to access debt financing on favorable terms, or at all, could be adversely impacted by (i) the financial failure of any of our counterparties, which could (a) reduce amounts available under committed credit facilities and (b) adversely impact our ability to access cash deposited with any failed financial institution, and (ii) tightening of the credit markets. In addition, any weakness in the equity markets could make it less attractive to use our shares to satisfy contingent or other obligations, and sustained or increased competition, particularly in combination with adverse economic or regulatory developments, could have an unfavorable impact on our cash flows and liquidity.

Consolidated Statements of Cash Flows

General. Our cash flows are subject to variations due to FX. For further information, see related discussion under Item 7A. *Quantitative and Qualitative Disclosures about Market Risk—Foreign Currency Risk* below.

Summary. Our 2025 and 2024 consolidated statements of cash flows are summarized as follows:

	Year ended December 31,		Change
	2025	2024	
	in millions		
Net cash provided by operating activities	\$ 805.9	\$ 756.3	\$ 49.6
Net cash used by investing activities	(592.3)	(688.5)	96.2
Net cash used by financing activities	(43.6)	(386.4)	342.8
Effect of exchange rate changes on cash, cash equivalents and restricted cash	(40.3)	(10.9)	(29.4)
Net increase (decrease) in cash, cash equivalents and restricted cash	\$ 129.7	\$ (329.5)	\$ 459.2

Operating Activities. The increase in cash provided by operating activities is primarily due to the net effect (i) an increase in Adjusted OIBDA, (ii) an increase associated with lower interest payments, (iii) a decrease resulting from higher tax payments, and (iv) a net increase of \$13 million associated with derivatives, which includes the impact of proceeds related to our Weather Derivatives of \$81 million in connection with Hurricane Melissa in 2025 and \$44 million in connection with Hurricane Beryl in 2024.

Investing Activities. The cash used by investing activities during the year ended December 31, 2025 primarily relates to (i) \$500 million used for the purchase of capital expenditure, as further discussed below, and (ii) \$80 million associated with the purchase of investment, primarily related to our investment in WOW and certain additional investments in our Liberty Caribbean segment. Cash used by investing activities during the year ended December 31, 2024 primarily relates to (i) \$540 million used for the purchase of capital expenditure, as further discussed below, (ii) \$95 million used for the LPR Acquisition, and (iii) \$47 million associated with the purchase of investment, primarily related to our investment in WOW.

The capital expenditures, net, that we report in our consolidated statements of cash flows, which relates to cash paid for property and equipment, does not include amounts that are financed under capital-related vendor financing or finance lease arrangements. Instead, these amounts are reflected as non-cash additions to our property and equipment when the underlying assets are delivered and as repayments of debt when the principal is repaid. In this discussion, we refer to (i) our capital expenditures, net, as reported in our consolidated statements of cash flows, and (ii) our total property and equipment additions, which include our capital expenditures, net, on an accrual basis and amounts financed under capital-related vendor financing or finance lease arrangements.

A reconciliation of our property and equipment additions to our capital expenditures, net, as reported in our consolidated statements of cash flows, is set forth below:

	Year ended December 31,	
	2025	2024
	in millions	
Property and equipment additions	\$ 640.1	\$ 725.3
Assets acquired under capital-related vendor financing arrangements	(123.9)	(154.9)
Assets acquired under finance leases	(4.9)	—
Changes in current liabilities related to capital expenditures and other	(11.3)	(30.0)
Capital expenditures, net	<u>\$ 500.0</u>	<u>\$ 540.4</u>

The decrease in our property and equipment additions during the year ended December 31, 2025, as compared to 2024, is primarily due to the net effect of (i) decreases in new build and upgrade and in products and enablers. During the years ended December 31, 2025 and 2024, our property and equipment additions represented 14.4% and 16.3% of revenue, respectively.

Financing Activities. During the year ended December 31, 2025, we generated \$44 million in cash from financing activities, primarily due to (i) \$71 million in net debt borrowings, (ii) \$73 million in distributions to noncontrolling interest owners, primarily related to C&W Panama and C&W Bahamas, (iii) \$56 million in payments for financing costs and debt redemption premiums and (iv) \$19 million in net cash received related to derivative instruments. During 2024, we used \$386 million of cash for financing activities, primarily due to the net impact of (i) \$257 million in net debt repayment, (ii) \$83 million of cash outflows associated with the repurchase of Liberty Latin America common shares, (iii) \$55 million in payments related to distributions to noncontrolling interest owners in C&W Panama, C&W Bahamas and Liberty Costa Rica, (iv) \$43 million of net cash inflows related to derivative instruments, primarily related to the amendment of certain interest rate derivative contracts at Liberty Caribbean and Liberty Puerto Rico, and (v) \$18 million of payments for financing costs and debt premiums.

Off Balance Sheet Arrangements

In the ordinary course of business, we may provide (i) indemnifications to our lenders, our vendors and certain other parties and (ii) performance and/or financial guarantees to local municipalities, our customers and vendors. Historically, these arrangements have not resulted in our company making any material payments and we do not believe that they will result in material payments in the future.

Contractual Commitments

The following table sets forth the U.S. dollar equivalents of our debt and certain other contractual obligations and commitments as of December 31, 2025.

	Payments due by period				
	Total	Less than 1 year	1-3 years	3-5 years	More than 5 years
			in millions		
Debt (excluding interest)	\$ 8,349.8	\$ 406.3	\$ 2,286.9	\$ 1,643.5	\$ 4,013.1
Operating leases	696.0	132.0	221.3	164.2	178.5
Other (a)	294.9	179.6	92.0	21.5	1.8
Total (b)	<u>\$ 9,340.7</u>	<u>\$ 717.9</u>	<u>\$ 2,600.2</u>	<u>\$ 1,829.2</u>	<u>\$ 4,193.4</u>
Projected cash interest payments on debt and finance lease obligations (c)	<u>\$ 3,057.4</u>	<u>\$ 604.3</u>	<u>\$ 1,062.4</u>	<u>\$ 758.9</u>	<u>\$ 631.8</u>

- (a) Amounts primarily represent (i) obligations due related to the LPR Acquisition, as described in note 5 to our consolidated financial statements, (ii) obligations due related to the LCR NCI Transaction, (iii) guaranteed minimum commitments associated with (a) our CPE and mobile handset device contractual obligations and (b) programming fees under multi-year contracts typically based on a rate per customer or stated annual fee, and (iv) finance leases, excluding interest.
- (b) The commitments included in this table do not reflect any liabilities that are included in our December 31, 2025 consolidated balance sheet other than debt, finance lease obligations and operating lease obligations. Our liability for uncertain tax positions, including accrued interest, in the various jurisdictions in which we operate (\$43 million at December 31, 2025) has been excluded from the table as the amount and timing of any related payments are not subject to reasonable estimation. For additional information regarding our liability for uncertain tax positions, see note 13 to our consolidated financial statements.
- (c) Amounts are based on interest rates, interest payment dates, commitment fees and contractual maturities in effect as of December 31, 2025. These amounts are presented for illustrative purposes only and will likely differ from the actual cash payments required in future periods. In addition, the amounts presented do not include the impact of our derivative contracts.

For information concerning our operating leases, debt and finance lease obligations and commitments, see notes 8, 9 and 16, respectively, to our consolidated financial statements.

In addition to the commitments set forth in the table above, we have commitments under (i) derivative instruments and (ii) defined benefit plans and similar agreements, pursuant to which we expect to make payments in future periods. For information regarding projected cash flows associated with our derivative instruments, see Item 7A. *Quantitative and Qualitative Disclosures About Market Risk—Projected Cash Flows Associated with Derivative Instruments* below. For information regarding our derivative instruments, including the net cash paid or received in connection with these instruments during 2025, 2024 and 2023, see note 6 to our consolidated financial statements. For information regarding our defined benefit plans, see note 10 to our consolidated financial statements.

Critical Accounting Policies, Judgments and Estimates

In connection with the preparation of our consolidated financial statements, we make estimates and assumptions that affect the reported amounts of assets and liabilities, revenue and expenses, and related disclosure of contingent assets and liabilities. Critical accounting policies are defined as those policies that are reflective of significant judgments, estimates and uncertainties, which could potentially result in materially different results under different assumptions and conditions. We believe the following accounting policies are critical in the preparation of our consolidated financial statements because of the judgment necessary to account for these matters and the significant estimates involved, which are susceptible to change:

- Impairment of property and equipment and intangible assets (including goodwill); and
- Fair value measurements in acquisition accounting.

For additional information concerning our significant accounting policies, see note 3 to our consolidated financial statements.

Impairment of Property and Equipment and Intangible Assets

The aggregate carrying value of our property and equipment and intangible assets (including goodwill) that was held for use comprised 70% of our total assets at December 31, 2025.

When circumstances warrant, we review the carrying amounts of our property and equipment and our intangible assets (other than goodwill and other indefinite-lived intangible assets) to determine whether such carrying amounts are recoverable. Circumstances that could indicate the carrying amounts of long-lived assets may not be recoverable may include (i) the impact of natural disasters such as hurricanes, (ii) an expectation of a sale or disposal of a long-lived asset or asset group, (iii) adverse changes in market or competitive conditions, (iv) an adverse change in legal factors or business climate in the markets in which we operate and (v) operating or cash flow losses. For purposes of impairment testing, long-lived assets are grouped at the lowest level for which cash flows are largely independent of other assets and liabilities, generally at or below the reporting unit level. A reporting unit is an operating segment or one level below an operating segment. If the carrying amount of the asset or asset group is greater than the expected undiscounted cash flows to be generated by such asset or asset group, an impairment adjustment is recognized. Such adjustment is measured by the amount that the carrying value of such asset or asset group exceeds its fair value. We generally measure fair value by considering (i) sale prices for similar assets, (ii) discounted estimated future cash flows using an appropriate discount rate and/or (iii) estimated replacement cost. Assets to be disposed of by sale are recorded at the lower of their carrying amount or fair value less costs to sell.

We evaluate goodwill and other indefinite-lived intangible assets (primarily spectrum licenses and cable television franchise rights) for impairment at least annually on July 1 and whenever facts and circumstances indicate that the fair value of a reporting unit or an indefinite-lived intangible asset may be less than its carrying value. When evaluating goodwill and other indefinite-lived intangible assets for impairment, we first make a qualitative assessment to determine if the goodwill or other indefinite-lived intangible asset may be impaired. In the case of goodwill, if it is more likely than not that a reporting unit's fair value is less than its carrying value, we then compare the fair value of the reporting unit to its respective carrying amount. Goodwill impairment is measured as the excess of a reporting unit's carrying value over its fair value and is recognized as an impairment in our consolidated statement of operations. With respect to other indefinite-lived intangible assets, if it is more likely than not that the fair value of an indefinite-lived intangible asset is less than its carrying value, we then estimate its fair value and any excess of the carrying value over the fair value is also recognized as an impairment in our consolidated statement of operations.

Considerable management judgment is used to estimate the fair value of reporting units and underlying long-lived and indefinite-lived assets. We typically determine fair value of a reporting unit or of a long-lived asset or asset group using a discounted cash flow analysis under the income approach to valuation. Our discounted cash flow analysis is based on assumptions in our long-range business plans, and the timing and amount of future cash flows under these business plans require estimates of, among other items, subscriber growth and retention rates, rates charged per product, expected gross margins and Adjusted OIBDA margins and expected property and equipment additions. Our determination of the discount rate is based on a weighted average cost of capital approach, which uses a market participant's cost of equity and after-tax cost of debt and reflects certain risks inherent in the future cash flows. The development of these cash flows and the discount rate applied to the cash flows are subject to inherent uncertainties, and actual results could vary significantly from such estimates.

To determine the fair value of indefinite-lived spectrum licenses, we typically apply the market approach. Under the market approach, we maximize the use of observable inputs by leveraging data obtained from spectrum auctions and secondary market transactions involving comparable spectrum licenses to derive indications of fair value. We may further discount indicated

values to account for the relative utility of the specific frequencies we own. The selection of comparable transactions and the application of discounts to the indicated value of a particular frequency involves judgment.

We recorded (i) impairments of \$494 million of indefinite-lived spectrum licenses related to Liberty Puerto Rico during 2025 and (ii) goodwill impairments of \$516 million related to Liberty Puerto Rico during 2024. For additional information regarding certain impairments recorded during 2025, 2024 and 2023, see notes 4 and 7 to our consolidated financial statements.

Fair Value Measurements in Acquisition Accounting

The application of acquisition accounting requires that we make fair value determinations as of the applicable valuation date. In making these determinations, we are required to make estimates and assumptions that affect the recorded amounts, including, but not limited to, expected future cash flows, market comparables and discount rates, remaining useful lives of long-lived assets, replacement or reproduction costs of property and equipment and the amounts to be recovered in future periods from acquired net operating losses and other deferred tax assets. To assist us in making these fair value determinations, we may engage third-party valuation specialists. Our estimates in this area impact, among other items, the measurement of goodwill as well as future amounts of depreciation and amortization and income tax expense or benefit that we report. Our estimates of fair value are based upon assumptions we believe to be reasonable, but which are inherently uncertain. A significant portion of our long-lived assets were initially recorded through the application of acquisition accounting.

For additional information, including the specific weighted average discount rates we used to complete certain non-recurring valuations, see note 4 to our consolidated financial statements. For information regarding our acquisitions and long-lived assets, see notes 5 and 7, respectively, to our consolidated financial statements.

Item 7A. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

We are exposed to market risk in the normal course of our business operations due to our investments in various countries and ongoing investing and financing activities. Market risk refers to the risk of loss arising from adverse changes in foreign currency exchange rates, interest rates and stock prices. The risk of loss can be assessed from the perspective of adverse changes in fair values, cash flows and future earnings. As further described below, we have established policies, procedures and processes governing our management of market risks and the use of derivative instruments to manage our exposure to such risks.

Cash and Investments

We invest our cash in highly liquid instruments that meet high credit quality standards. We are exposed to exchange rate risk to the extent that the denominations of our cash and cash equivalent balances, revolving lines of credit and other short-term sources of liquidity do not correspond to the denominations of Liberty Latin America's short-term liquidity requirements. In order to mitigate this risk, we actively manage the denominations of our cash balances in consideration of Liberty Latin America's forecasted liquidity requirements.

Foreign Currency Risk

We are exposed to foreign currency exchange rate risk with respect to our debt in situations where our debt is denominated in a currency other than the functional currency of the operations whose cash flows support our ability to service, repay or refinance such debt. Although we generally seek to match the denomination of our borrowings with the functional currency of the operations that are supporting the respective borrowings, market conditions or other factors may cause us to enter into borrowing arrangements that are not denominated in the functional currency of the underlying operations (unmatched debt). Our policy is generally to provide for an economic hedge against foreign currency exchange rate movements, whenever possible and when cost effective to do so, by using derivative instruments to synthetically convert unmatched debt into the applicable underlying currency. For additional information concerning the terms of our derivative instruments, see note 6 to our consolidated financial statements.

In addition to the exposure that results from unmatched debt, we are exposed to foreign currency risk to the extent that we enter into transactions denominated in currencies other than our operating subsidiaries' respective functional currencies (non-functional currency risk), such as equipment purchases and programming contracts. Changes in exchange rates with respect to amounts recorded in our consolidated balance sheet related to these items will result in (i) unrealized foreign currency transaction gains and losses based upon period-end exchange rates or (ii) realized foreign currency transaction gains and losses upon settlement of the transactions. Moreover, to the extent that our revenue, costs and expenses are denominated in currencies other than our respective functional currencies, we will experience fluctuations in our revenue, costs and expenses solely as a result of changes in foreign currency exchange rates. Generally, we will consider hedging non-functional currency risks when

the risks arise from agreements with third parties that involve the future payment or receipt of cash or other monetary items to the extent that we can reasonably predict the timing and amount of such payments or receipts and the payments or receipts are not otherwise hedged. In this regard, we have entered into foreign currency forward contracts to hedge certain of these risks. Certain non-functional currency risks related to our programming and other direct costs of services, other operating costs and expenses and property and equipment additions were not hedged as of December 31, 2025. For additional information concerning our foreign currency forward contracts, see note 6 to our consolidated financial statements.

We also are exposed to unfavorable and potentially volatile fluctuations of the U.S. dollar (our reporting currency) against the currencies of our operating subsidiaries when their respective financial statements are translated into U.S. dollars for inclusion in our consolidated financial statements. Cumulative translation adjustments are recorded in accumulated other comprehensive earnings or loss as a separate component of equity. Any increase (decrease) in the value of the U.S. dollar against any foreign currency that is the functional currency of one of our operating subsidiaries will cause us to experience unrealized foreign currency translation losses (gains) with respect to amounts already invested in such foreign currencies. Accordingly, we may experience a negative impact on our comprehensive earnings or loss and equity with respect to our holdings solely as a result of FX. Our primary exposures to FX risk during 2025 were to (i) the CRC as 14% of our reported revenue for the period was derived from Liberty Costa Rica, whose functional currency is the CRC and (ii) the JMD as 9% of our reported revenue for the period was derived from C&W Jamaica, whose functional currency is the JMD. In addition, our reported operating results are impacted by changes in the exchange rates for other local currencies in Latin America and the Caribbean. We generally do not hedge against the risk that we may incur non-cash losses upon the translation of the financial statements of our operating subsidiaries and affiliates into U.S. dollars.

The relationship between the (i) CRC and JMD and (ii) the U.S. dollar, which is our reporting currency, is shown below, per one U.S. dollar:

	As of December 31,	
	2025	2024
Spot rates:		
CRC	497.47	510.49
JMD	159.08	155.33
	Year ended December 31,	
	2025	2024
Average rates:		
CRC	503.86	515.50
JMD	158.53	155.87

Inflation and Foreign Investment Risk

We are subject to inflationary pressures with respect to labor, programming and other costs. While we attempt to increase our revenue to offset increases in costs, there is no assurance that we will be able to do so. Therefore, costs could rise faster than associated revenue, thereby resulting in a negative impact on our operating results, cash flows and liquidity. The economic environment in the respective countries in which we operate is a function of government, economic, fiscal and monetary policies and various other factors beyond our control that could lead to inflation. We are unable to predict, with any meaningful long term degree of certainty, the extent that price levels might be impacted in future periods by the current state of the economies in the countries in which we operate.

Interest Rate Risks

We are exposed to changes in interest rates primarily as a result of our borrowing activities, which include fixed-rate and variable-rate borrowings by our borrowing groups. Our primary exposure to variable-rate debt is through the SOFR-indexed debt of C&W and Liberty Puerto Rico. For additional information concerning the details of our debt, see note 9 to our consolidated financial statements.

In general, except in the case of Liberty Puerto Rico where we do not have any derivative instruments outstanding at December 31, 2025, we seek to enter into derivative instruments to protect against increases in the interest rates on our variable-rate debt. Accordingly, we have entered into various derivative transactions to reduce exposure to increases in interest rates. We use interest rate derivative contracts to exchange, at specified intervals, the difference between fixed and variable interest rates

calculated by reference to an agreed-upon notional principal amount. At December 31, 2025, we paid a fixed or capped rate of interest on 88% of our total debt, which includes the impact of our interest rate derivative contracts. The final maturity dates of our various portfolios of interest rate derivative instruments match the respective maturities of the underlying variable-rate debt. In this regard, we use judgment to determine the appropriate maturity dates of our portfolios of interest rate derivative instruments, taking into account the relative costs and benefits of different maturity profiles in light of current and expected future market conditions, liquidity issues and other factors. For additional information concerning the impacts of these interest rate derivative instruments, see note 6 to our consolidated financial statements.

Weighted Average Variable Interest Rate. At December 31, 2025, the outstanding principal amount of our variable-rate indebtedness aggregated \$3,167 million, and the weighted average interest rate (including margin) on such variable-rate indebtedness was approximately 7.4%, excluding the effects of interest rate derivative contracts, deferred financing costs, original issue premiums or discounts and commitment fees, all of which affect our overall cost of borrowing. Assuming no change in the amount outstanding, and without giving effect to any interest rate derivative contracts, deferred financing costs, original issue premiums or discounts and commitment fees, a hypothetical 50 basis point (0.50%) increase (decrease) in our weighted average variable interest rate would increase (decrease) our annual interest expense and cash outflows by \$16 million. As discussed above and in note 6 to our consolidated financial statements, we use interest rate derivative contracts to manage our exposure to increases in variable interest rates. In this regard, increases in the fair value of these contracts generally would be expected to offset most of the economic impact of increases in the variable interest rates applicable to our indebtedness to the extent and during the period that principal amounts are matched with interest rate derivative contracts.

Counterparty Credit Risk

We are exposed to the risk that the counterparties to the derivative instruments, undrawn debt facilities and cash investments of our borrowing groups will default on their obligations to us. We manage these credit risks through the evaluation and monitoring of the creditworthiness of, and concentration of risk with, the respective counterparties. In this regard, credit risk associated with our derivative instruments and undrawn debt facilities is spread across a relatively broad counterparty base of banks and financial institutions. Collateral has not been posted by either party under the derivative instruments of our borrowing groups. We generally invest our cash at Liberty Latin America and its unrestricted subsidiaries in AAA rated money market funds, including funds that invest in government obligations or repurchase agreements serviced by such obligations. Where local financial sector constraints restrict our ability to meet the above criteria for our cash holdings, cash may be deposited with one of the three highest rated financial institutions locally for operational purposes until such time as the above investments are made. To date, neither the access to nor the value of our cash and cash equivalent balances have been significantly adversely impacted by liquidity problems of financial institutions.

At December 31, 2025, our exposure to counterparty credit risk included (i) cash and cash equivalent balances of \$784 million and (ii) aggregate undrawn credit facilities of \$914 million.

Our C&W and Liberty Costa Rica borrowing groups have each entered into derivative instruments under agreements with each counterparty that contain master netting arrangements that are applicable in the event of early termination by either party to such derivative instrument. The master netting arrangements under each of these master agreements are limited to the derivative instruments governed by the relevant master agreement within each individual borrowing group and are independent of similar arrangements of our other subsidiary borrowing groups.

While we currently have no specific concerns about the creditworthiness of any counterparty for which we have material credit risk exposures, the current economic conditions and uncertainties in global financial markets have increased the credit risk of our counterparties and we cannot rule out the possibility that one or more of our counterparties could fail or otherwise be unable to meet its obligations to us. Any such instance could have an adverse effect on our cash flows, results of operations, financial condition and/or liquidity.

Although we actively monitor the creditworthiness of our key vendors, the financial failure of a key vendor could disrupt our operations and have an adverse impact on our revenue and cash flows.

Sensitivity Information

Information concerning the sensitivity of the fair value of certain of our more significant derivative instruments to changes in market conditions is set forth below. The potential changes in fair value set forth below do not include any amounts associated with the remeasurement of the derivative asset or liability into the applicable functional currency. For additional information, see notes 4 and 6 to our consolidated financial statements.

C&W Interest Rate Derivative Contracts

Holding all other factors constant, at December 31, 2025, an instantaneous increase (decrease) in the relevant base rate of 100 basis points (1.0%) would have increased (decreased) the aggregate fair value of the C&W interest rate derivative contracts by approximately \$112 million (\$118 million).

Projected Cash Flows Associated with Derivative Instruments

The following table provides information regarding the projected cash flows associated with our derivative instruments. The U.S. dollar equivalents presented below are based on interest rates and exchange rates that were in effect as of December 31, 2025. These amounts are presented for illustrative purposes only and will likely differ from the actual cash payments or receipts required in future periods. For additional information regarding our derivative instruments, including our counterparty credit risk, see note 6 to our consolidated financial statements.

Item 9A. CONTROLS AND PROCEDURES

Evaluation of Disclosure Controls and Procedures

We maintain disclosure controls and procedures, as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended (the Exchange Act), that are designed to ensure that information required to be disclosed in the reports we file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms, and that such information is accumulated and communicated to our management, including our Principle Executive Officer and our Principal Financial Officer (the Executives), as appropriate to allow timely decisions regarding required disclosure. In designing and evaluating the disclosure controls and procedures, the Executives recognize that any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired control objectives, and management is required to apply judgment in evaluating the cost-benefit relationship of possible controls and objectives.

Our management, with the participation of the Executives, evaluated the design and effectiveness of our disclosure controls and procedures as of December 31, 2025. Based on that evaluation, the Executives concluded that our disclosure controls and procedures are not effective as of December 31, 2025 due to material weaknesses in internal control over financial reporting, as described below. Notwithstanding such material weaknesses in internal control over financial reporting, our management concluded that our consolidated financial statements in this Annual Report on Form 10-K present fairly, in all material respects,

the company's financial position, results of operations and cash flows as of the dates, and for the periods presented, in conformity with U.S. GAAP.

Management's Annual Report on Internal Control over Financial Reporting

Our management is responsible for establishing and maintaining adequate internal control over financial reporting as defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act. Our internal control over financial reporting is designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. Our internal control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect transactions and dispositions of assets, (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, (iii) provide reasonable assurance that receipts and expenditures are being made only in accordance with authorizations of management and directors, and (iv) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of assets that could have a material effect on the consolidated financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. In addition, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

A material weakness is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

Our management, with the participation of the Executives and Board of Directors, assessed the effectiveness of the company's internal control over financial reporting as of December 31, 2025, using the criteria in *Internal Control-Integrated Framework* (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission.

Management identified the following material weaknesses in internal control over financial reporting, which exist as of December 31, 2025:

- Due to an insufficient allocation of knowledgeable resources, the company did not effectively deploy control activities necessary to ensure the completeness and reliability of information used in certain manual and automated controls.
- As a consequence, process-level controls were determined to be ineffective throughout the order-to-cash (including revenue, trade receivables, and deferred revenue), long-lived assets, and other financial reporting processes.

These control deficiencies resulted in immaterial misstatements, some of which were corrected, in our consolidated financial statements as of and for the year ended December 31, 2025. These control deficiencies create a reasonable possibility that a material misstatement to the consolidated financial statements will not be prevented or detected on a timely basis, and therefore we conclude that the deficiencies represent material weaknesses in internal control over financial reporting, and our internal control over financial reporting is not effective as of December 31, 2025.

Our independent registered public accounting firm, KPMG, LLP, who audited the consolidated financial statements included in this Annual Report on Form 10-K, has expressed an adverse report on the operating effectiveness of the company's internal control over financial reporting. KPMG LLP's report is included herein on page [II-35](#).

Ongoing Remediation Efforts

As previously disclosed in Part II, Item 9A. "Controls and Procedures" of our Annual Report on Form 10-K for the fiscal years ended December 31, 2024 and 2023 and in this Annual Report on Form 10-K, we continue to implement remediation plans for the aforementioned material weaknesses in internal control over financial reporting. We have devoted and intend to continue to devote significant time and resources to enhance the design and implementation of our existing controls and procedures and to create new complementary and compensating controls as needed.

With respect to the remaining material weaknesses in internal control disclosed above, we are further enhancing remediation plans as follows:

- Assessing the specific training needs for newly hired and existing personnel and developing and delivering training programs designed to uphold our internal control standards.

- Enhancing our information and communication processes, including through information technology solutions, to ensure that information needed for financial reporting is accurate, complete, relevant, reliable, and communicated in a timely manner.

We believe these measures will remediate the control deficiencies and strengthen our internal control over financial reporting. We will test the operating effectiveness of the revised and new controls subsequent to full implementation, and will consider the material weakness remediated after the applicable controls have operated effectively for a sufficient period of time.

The actions we are taking are subject to continued senior management review as well as audit committee oversight. We are committed to continuing to improve our internal control processes, and, as we continue to evaluate and work to improve our internal control over financial reporting, we may take additional measures to address control deficiencies, or we may modify certain remediation measures described above.

Changes in Internal Control over Financial Reporting

The following remediation activities, amongst others, have taken place as of December 31, 2025:

- Hired additional individuals with appropriate skills and experience and ensured responsibilities are appropriately assigned and the individuals are held accountable.
- Engaged third-party experts to assist in training and coaching existing personnel regarding control design and execution, enhancing the design of the risk assessment process and ensuring that internal controls over financial reporting are or will be implemented to mitigate those risks, and monitoring the execution of internal controls over financial reporting.
- Designed and implemented a comprehensive and continuous risk assessment process to identify and assess risks of material misstatement and ensure that the impacted financial reporting processes and related internal controls are properly designed and in place to respond to those risks in our financial reporting.
- Completed our IT risk assessment process and design and implement GITCs, including program change controls and access controls, that support the consistent operation of the company's IT operating systems, databases and IT applications, and end user computing over financial reporting, and ensure they are operating effectively to support process-level automated and manual control activities that are dependent upon information derived from IT systems.
- Enhanced the design of existing control activities and implemented additional process-level control activities (including controls over the order-to-cash, procure-to-pay, hire-to-pay, long-lived assets, inventory, and other financial reporting processes) and ensured they are properly evidenced and operating effectively.
- Provided training for control owners covering control requirements and performance, and control owner's responsibilities.
- Implemented changes to our bonus program to incorporate control implementation and performance objectives specific to each in-scope operation.

These actions, amongst others, resulted in complete remediation of the material weaknesses in internal control over financial reporting related to our risk assessment processes and GITCs as disclosed in our Annual Report on Form 10-K for the fiscal years ended December 31, 2024 and 2023.

Except as described above, there have been no changes in our internal control over financial reporting identified in connection with the evaluation required by Rules 13a-15(d) and 15d-15(d) of the Exchange Act that occurred during our fourth quarter of 2025 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Item 9B. OTHER INFORMATION

(b) Insider Trading Arrangements and Policies

During the three months ended December 31, 2025, none of our directors or officers (as defined in Rule 16a-1(f) of the Exchange Act) adopted or terminated a "Rule 10b5-1 trading arrangement" or "non-Rule 10b5-1 trading arrangement," as each term is defined in Item 408(a) of Regulation S-K.

Report of Independent Registered Public Accounting Firm

To the Shareholders and Board of Directors
Liberty Latin America Ltd.:

Opinion on the Consolidated Financial Statements

We have audited the accompanying consolidated balance sheets of Liberty Latin America Ltd. and subsidiaries (the Company) as of December 31, 2025 and 2024, the related consolidated statements of operations, comprehensive loss, equity, and cash flows for each of the years in the three-year period ended December 31, 2025, and the related notes (collectively, the consolidated financial statements). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2025 and 2024, and the results of its operations and its cash flows for each of the years in the three-year period ended December 31, 2025, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Company's internal control over financial reporting as of December 31, 2025, based on criteria established in *Internal Control – Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission, and our report dated February 18, 2026 expressed an adverse opinion on the effectiveness of the Company's internal control over financial reporting.

Basis for Opinion

These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the consolidated financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matter

The critical audit matter communicated below is a matter arising from the current period audit of the consolidated financial statements that was communicated or required to be communicated to the audit committee and that: (1) relate to accounts or disclosures that are material to the consolidated financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of critical audit matters does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing separate opinions on the critical audit matter or on the accounts or disclosures to which it relates.

Evaluation of the sufficiency of audit evidence over residential and B2B revenue

As discussed in Note 17 to the consolidated financial statements, the Company had \$4.4 billion in residential and B2B revenues for the year ended December 31, 2025. The processing and recording of revenue are reliant upon multiple information technology (IT) systems.

We identified the evaluation of the sufficiency of audit evidence over residential and B2B revenue as a critical audit matter. Subjective auditor judgment, and specialized skills and knowledge, were required to determine the nature and extent of procedures to be performed over the related IT systems, applications, configurations and interfaces.

The following are the primary procedures we performed to address this critical audit matter. We applied auditor judgment to determine the nature and extent of procedures to be performed over the IT systems, applications, configurations and interfaces. We involved IT professionals with specialized skills and knowledge, who assisted in testing certain IT systems, applications, configurations and interfaces that are used by the Company in its recognition of residential and B2B revenues. We vouched

certain revenue transactions to underlying documentation throughout the year and performed analytical procedures over the completeness and accuracy of revenue recognized by the Company. We evaluated the sufficiency of audit evidence obtained by assessing the results of procedures performed, including the appropriateness of the nature and extent of such evidence.

Report of Independent Registered Public Accounting Firm

To the Shareholders and Board of Directors

Liberty Latin America Ltd.:

Opinion on Internal Control Over Financial Reporting

We have audited Liberty Latin America Ltd. and subsidiaries' (the Company) internal control over financial reporting as of December 31, 2025, based on criteria established in Internal Control – Integrated Framework (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission. In our opinion, because of the effect of the material weaknesses, described below, on the achievement of the objectives of the control criteria, the Company has not maintained effective internal control over financial reporting as of December 31, 2025, based on criteria established in Internal Control – Integrated Framework (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the consolidated balance sheets of the Company as of December 31, 2025 and 2024, the related consolidated statements of operations, comprehensive loss, equity, and cash flows for each of the years in the three-year period ended, and the related notes (collectively, the consolidated financial statements), and our report dated February 18, 2026 expressed an unqualified opinion on those consolidated financial statements.

A material weakness is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis. The material weaknesses described below have been identified and included in management's assessment.

- Due to an insufficient allocation of knowledgeable resources, the Company did not effectively deploy control activities necessary to ensure the completeness and reliability of information used in certain manual and automated controls.
- As a consequence, process-level controls were determined to be ineffective throughout the order-to-cash (including revenue, trade receivables, and deferred revenue), long-lived assets, and other financial reporting processes.

The material weaknesses were considered in determining the nature, timing, and extent of audit tests applied in our audit of the 2025 consolidated financial statements, and this report does not affect our report on those consolidated financial statements.

Basis for Opinion

The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting, included in the accompanying Management's Annual Report on Internal Control over Financial Reporting. Our responsibility is to express an opinion on the Company's internal control over financial reporting based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit of internal control over financial reporting included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. Our audit also included performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

Definition and Limitations of Internal Control Over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the

company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Correction of Immaterial Errors

During the fourth quarter of 2025, we identified certain errors in our previously reported 2024 consolidated financial statements, primarily related to bad debt expense and revenue. We have completed a quantitative and qualitative evaluation of the errors and concluded that they are immaterial to the previously issued consolidated financial statements. Notwithstanding this evaluation, we have revised (i) our December 31, 2024 consolidated balance sheet, and (ii) our consolidated statement of operations, comprehensive earnings (loss), equity and cash flows for the year ended December 31, 2024 for these errors.

(2) Accounting Changes and Recent Accounting Pronouncements

Accounting Changes

ASU 2023-09

In December 2023, the FASB issued ASU No. 2023-09, *Income Taxes (Topic 740): Improvements to Income Tax Disclosures* (ASU 2023-09), which was issued to enhance transparency of income tax disclosures, primarily by requiring consistent categories and disaggregated information about an entity's effective tax rate reconciliation and disaggregated jurisdictional information on income taxes paid. The standard also eliminates certain existing requirements related to uncertain tax positions and unrecognized deferred tax liabilities. ASU 2023-09 is effective for annual periods beginning after December 15, 2024 with early adoption permitted. We have implemented the reporting standards set forth in ASU 2023-09 on a prospective basis as of December 31, 2025.

Recent Accounting Pronouncements

ASU 2024-03

In November 2024, the FASB issued ASU No. 2024-03, *Income Statement—Reporting Comprehensive Income—Expense Disaggregation Disclosures (Subtopic 220-04): Disaggregation of Income Statement Expenses (ASU 2024-03)*, which requires more detailed disclosure in the notes to the financial statements about the types of expenses in commonly presented expense captions. In each annual and interim reporting period, entities are required to (i) disclose the amounts of (a) purchases of inventory, (b) employee compensation, (c) depreciation and (d) intangible asset amortization included in each expense line item within continuing operations that is presented on the statement of operations, (ii) include certain amounts that are already required to be disclosed under current U.S. GAAP in the same disclosure as the other disaggregation requirements, (iii) disclose a qualitative description of the amounts remaining in each expense line item within continuing operations that are not separately quantified and (iv) disclose the total amount of selling expenses and, in annual reporting periods, an entity's definition of selling expenses. In January 2025, the FASB issued ASU No. 2025-01, *Income Statement—Reporting Comprehensive Income—Expense Disaggregation Disclosures (Subtopic 220-04): Clarifying the Effective Date (ASU 2025-01)*. ASU 2024-03 is

effective for annual reporting periods beginning after December 15, 2026 and interim reporting periods beginning after December 15, 2027 with early adoption permitted, as clarified in ASU 2025-01. We are currently evaluating the impact this standard will have on our consolidated financial statements.

ASU 2025-05

In July 2025, the FASB issued ASU No. 2025-05, *Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses for Accounts Receivable and Contract Assets (ASU 2025-05)*, which introduces a practical expedient for all entities and an accounting policy election for all entities, other than public business entities, that elect the practical expedient to simplify the estimation of expected credit losses for current accounts receivable and current contract assets. Entities electing the practical expedient can assume that current conditions as of the balance sheet date do not change for the remaining life of the asset. Entities must disclose whether they have elected to use the practical expedient and, if so, whether they have also applied the accounting policy election. ASU 2025-05 is effective for annual reporting periods beginning after December 15, 2025, and interim periods within those annual reporting periods, with early adoption permitted. We are currently evaluating the impact this standard will have on our consolidated financial statements.

ASU 2025-06

In September 2025, the FASB issued ASU No. 2025-06, *Intangibles—Goodwill and Other—Internal-Use Software (Subtopic 350-40) (ASU 2025-06)*, which provides accounting guidance to modernize the accounting for internal-use software costs. The amendments replace the prior stage-based model with a principles-based approach, removing all references to project stages and instead focusing on the two remaining criteria for capitalization, being (i) management has authorized and committed to the funding for the software project and (ii) it is probable a project will be completed and used as intended. Until both of these criteria are met, all software development costs should be expensed as incurred. ASU 2025-06 is effective for annual and interim periods beginning after December 15, 2027, with early adoption permitted. Entities may apply the amendments prospectively, retrospectively, or using a modified retrospective approach. We are currently evaluating the impact of ASU 2025-06 on our consolidated financial statements.

(3) Summary of Significant Accounting Policies

Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Estimates and assumptions are used in accounting for, among other things, the valuation of acquisition-related assets and liabilities, expected credit losses, programming and copyright expenses, deferred income taxes and related valuation allowances, loss contingencies, fair value measurements, impairment assessments, capitalization of internal costs associated with construction and installation activities, useful lives of long-lived assets and actuarial liabilities associated with certain benefit plans. Actual results could differ from those estimates.

Reclassifications

Certain prior year amounts have been reclassified to conform to the current year presentation.

Principles of Consolidation

The accompanying consolidated financial statements include our accounts and the accounts of all voting interest entities where we exercise a controlling financial interest through the ownership of a direct or indirect controlling voting interest and variable interest entities for which our company is the primary beneficiary. Intercompany accounts have been eliminated in consolidation.

Cash and Cash Equivalents

Cash equivalents consist of money market funds and other investments that are readily convertible into cash and have maturities of three months or less at the time of acquisition. We record money market funds at the net asset value as there are no restrictions on our ability, contractual or otherwise, to redeem our investments.

Liberty Latin America Ltd.
Notes to Consolidated Financial Statements – (Continued)
December 31, 2025, 2024 and 2023

Receivables

We have trade and notes receivables that are each reported net of an allowance for expected credit losses.

Our notes receivable consist of EIP receivables due from customers under contracts that range between a period of 12 to 36 months, depending on the market. The long-term portions of our notes receivable, net of allowances for expected credit losses, are \$75 million and \$80 million at December 31, 2025 and 2024, respectively, and are included in other assets, net, in our consolidated balance sheets.

From time to time, we may sell our trade or notes receivables to third parties. We recognize the sale of these receivables to the extent that transfer represents either (i) an entire financial asset, or (ii) a ratable participating interest, which remains constant throughout the life of the loan, with neither party senior to the other. We then evaluate whether control over the asset has been surrendered based on certain criteria, including legal isolation, actual control and effective control. To the extent the receivable does not meet the requirements of a sale, we continue to recognize the receivable and record any cash received as a debt on our consolidated balance sheet and as a financing inflow in our consolidated statement of cash flows. During 2025, 2024 and 2023, we generated approximately \$48 million, \$50 million, and \$32 million, respectively, from the sale of receivables to third parties that is reflected in cash provided by operating activities in our consolidated statements of cash flows.

Concentration of credit risk with respect to trade and notes receivables is limited due to the large number of customers and their dispersion across many different countries, with the exception of \$78 million and \$118 million for December 31, 2025 and 2024, respectively, due from a single government.

The allowances on each of our trade and notes receivables are established using our best estimates of current expected credit losses based upon, among other things, actual credit loss experience over the prior 12-month period, recent collection trends, prevailing and anticipated economic conditions and specific customer credit risk. Receivables outstanding greater than 30 days are considered past due and we generally write-off receivables after they become past due for 365 days, with the exception of amounts due from certain governments.

The aggregate changes in our allowance for expected credit losses associated with our trade receivables, and current and long-term notes receivables are set forth below:

	Year ended December 31,		
	2025	2024	2023
	in millions		
Beginning balance	\$ 157.2	\$ 91.6	\$ 101.1
Provision for expected losses, net	104.4	141.7	71.5
Write-offs, net of recoveries	(90.3)	(75.8)	(84.0)
Foreign currency translation adjustments and other	1.7	(0.3)	3.0
Ending balance	<u>\$ 173.0</u>	<u>\$ 157.2</u>	<u>\$ 91.6</u>

Investments

From time to time, we may hold investments in (i) equity method investments; (ii) cost method investments, and (iii) available-for-sale method investments.

We apply the equity method to investments when we have the ability to exercise significant influence over the operating and financial policies of the investee. Under the equity method, investments are originally recorded at cost and are adjusted to recognize our share of net earnings or losses of the affiliates as they occur with our recognition of losses generally limited to the extent of our investment in, and advances and commitments to, the investee. Our share of the investee's net earnings or losses is included in other income or expense, net, in our consolidated statements of operations.

We continually review our equity method investments, available-for-sale debt securities and cost-basis investments to determine whether a decline in fair value below the cost basis is other-than-temporary. If it has been determined that an investment has sustained an other-than-temporary decline in value, we estimate the fair value and record an impairment charge if the carrying value of the investment exceeds its estimated fair value. Any impairment charges are recorded in other income or

Liberty Latin America Ltd.
Notes to Consolidated Financial Statements – (Continued)
December 31, 2025, 2024 and 2023

expense, net, in our consolidated statements of operations. For additional information regarding our fair value measurements, see note 4.

WOW

During February 2021, we acquired a minority interest in WOW, primarily a broadband internet service provider in Peru, in which we have continued to make investments through December 31, 2025. We account for our investment in WOW as an equity method investment. As of December 31, 2025 and 2024, our investment in WOW, including shares and certain loans, totaled \$88 million and \$87 million, respectively, which represents equity ownership percentages of just under 50% at each date. Our share of WOW losses for the years ended December 31, 2025, 2024 and 2023 were not material to the consolidated financial statements.

Financial Instruments

Due to the short maturities of cash and cash equivalents, trade and other receivables, notes receivable, other current assets, accounts payable, accrued liabilities and other accrued and current liabilities, their respective carrying values approximate their respective fair values. For information concerning the fair values of our derivative and debt instruments, see notes 6 and 9, respectively. For information regarding how we arrive at certain of our fair value measurements, see note 4.

Derivative Instruments

Our derivative instruments, excluding our Weather Derivatives, are recorded in our consolidated balance sheets at fair value, whether designated as a hedge or not. If the derivative instrument is not designated as a hedge, changes in the fair value of the derivative instrument are recognized in earnings. If the derivative instrument is designated as a cash flow hedge, the effective portions of changes in the fair value of the derivative instrument are recorded in other comprehensive earnings or loss and subsequently reclassified into our consolidated statements of operations when the hedged forecasted transaction affects earnings. Ineffective portions of changes in the fair value of cash flow hedges are recognized in realized and unrealized gains or losses on derivative instruments in our consolidated statements of operations. With the exception of certain foreign currency forward contracts, we do not apply hedge accounting to our derivative instruments.

The reported fair values of our derivative instruments likely will not represent the value that will be paid or received upon the ultimate settlement or disposition of these assets and liabilities, as we expect that the values realized generally will be based on market conditions at the time of settlement.

The net cash received or paid related to our derivative instruments is classified as an operating, investing or financing activity in our consolidated statements of cash flows based on the objective of the derivative instrument and the classification of the applicable underlying cash flows, as follows:

- cross-currency and interest rate derivative contracts: the net cash paid or received related to principal and current interest is classified as a financing or operating activity, respectively;
- foreign currency forward contracts that are used to hedge operating expenditures: the net cash paid or received is classified as an operating activity;
- foreign currency forward contracts that are used to hedge capital expenditures: the net cash paid or received is reflected in capital expenditures, net, which are classified as an investing activity;
- foreign currency forward contracts that are used to hedge principal exposure on foreign currencies: the net cash paid or received is classified as a financing activity; and
- derivative contracts that are terminated prior to maturity: the cash paid or received upon termination that relates to future periods is classified as a financing activity.

For additional information regarding our derivative instruments, see note 6.

Inventories

Inventories consist primarily of mobile handset devices and accessories and are valued at the lower of cost or net realizable value. We maintain inventory valuation reserves for obsolete and slow-moving inventory based on analysis of recent historical sales activity and current retail, stand-alone selling prices. We record sales of inventories under the average cost method.

Property and Equipment

Property and equipment are stated at cost less accumulated depreciation. We capitalize costs associated with the construction of new cable and mobile transmission and distribution facilities and the installation of new cable services. The nature and amount of labor and other costs to be capitalized with respect to construction and installation activities involves judgment. In addition to direct external and internal labor and materials, we also capitalize other costs directly attributable to our construction and installation activities, including dispatch costs, quality-control costs, vehicle-related costs and certain warehouse-related costs. The capitalization of these costs is based on time sheets, time studies, standard costs, call tracking systems and other verifiable means that directly link the costs incurred with the applicable capitalizable activity. We continuously monitor the appropriateness of our capitalization policies and update the policies when necessary to respond to changes in facts and circumstances, such as the development of new products and services and changes in the manner that installations or construction activities are performed. Installation activities that are capitalized include (i) the initial connection (or drop) from our cable system to a customer location, (ii) the replacement of a drop and (iii) the installation of equipment for additional services, such as digital cable, telephone or broadband internet service. The costs of other customer-facing activities, such as reconnecting and disconnecting customer locations and repairing or maintaining drops, are expensed as incurred.

We capitalize internal and external costs directly associated with the development of internal-use software. Capitalized internal-use software is included as a component of property and equipment. We also capitalize costs associated with the purchase of software licenses. Costs associated with software obtained in a hosting arrangement are expensed over the life of the service contract, unless we have the right to take possession of the software at any time without significant penalty and it is feasible to run the software on our own hardware or contract with another party unrelated to the vendor to host the software. Maintenance and training costs, as well as costs incurred during the preliminary stage of an internal-use software development project, are expensed as incurred.

Depreciation is computed using the straight-line method over the estimated useful life of the underlying asset. Equipment under finance leases is amortized on a straight-line basis over the shorter of the lease term or estimated useful life of the asset and is included in depreciation and amortization in our consolidated statements of operations. Useful lives used to depreciate our property and equipment are assessed periodically and are adjusted when warranted. The useful lives of cable and mobile distribution systems that are undergoing a rebuild are adjusted such that property and equipment to be retired will be fully depreciated by the time the rebuild is completed. For additional information regarding the useful lives of our property and equipment, see note 7.

Additions, replacements and improvements that extend the asset life are capitalized. Repairs and maintenance are expensed as incurred.

Intangible Assets

Our primary intangible assets relate to goodwill, customer relationships, spectrum licenses and cable television franchise rights. Goodwill represents the excess purchase price over the fair value of the identifiable net assets acquired in a business combination. Customer relationships, spectrum licenses and cable television franchise rights that are acquired in connection with a business combination are initially recorded at their fair values.

Goodwill and other intangible assets with indefinite useful lives are not amortized, but instead are tested for impairment at least annually. Intangible assets with finite lives are amortized on a straight-line basis over their respective estimated useful lives to their estimated residual values and reviewed for impairment.

Spectrum licenses provide us with the exclusive right to utilize a certain radio frequency spectrum to provide wireless communications services. In most of our markets, spectrum licenses are time-limited and renewals generally must be purchased at rates established by local authorities. Spectrum licenses in these markets are therefore amortized over a finite period. In Puerto Rico and the USVI, spectrum licenses are typically held for perpetuity with the exception of CBRS spectrum which has a priority term of 10 years. Moreover, we do not believe there are significant legal, regulatory, contractual, competitive,

Liberty Latin America Ltd.
Notes to Consolidated Financial Statements – (Continued)
December 31, 2025, 2024 and 2023

economic or other factors that would impact the useful lives of these licenses. As such, we treat spectrum licenses in Puerto Rico as indefinite-lived intangible assets. We believe we will be able to meet all requirements necessary to secure renewal of our spectrum licenses. For additional information regarding the useful lives of our intangible assets, see note 7.

Impairment of Property and Equipment and Intangible Assets

When circumstances warrant, we review the carrying amounts of our property and equipment and our intangible assets (other than goodwill and other indefinite-lived intangible assets) to determine whether such carrying amounts continue to be recoverable. Such changes in circumstance may include (i) the impact of natural disasters, such as hurricanes, (ii) an expectation of a sale or disposal of a long-lived asset or asset group, (iii) adverse changes in market or competitive conditions, (iv) an adverse change in legal factors or business climate in the markets in which we operate and (v) operating or cash flow losses. For purposes of impairment testing, long-lived assets are grouped at the lowest level for which cash flows are largely independent of other assets and liabilities, generally at or below the reporting unit level (see below). If the carrying amount of the asset or asset group is greater than the expected undiscounted cash flows to be generated by such asset or asset group, an impairment adjustment is recognized. Such adjustment is measured by the amount that the carrying value of such asset or asset group exceeds its fair value. We generally measure fair value by considering (i) sale prices for similar assets, (ii) discounted estimated future cash flows using an appropriate discount rate and/or (iii) estimated replacement cost. Assets to be disposed of are recorded at the lower of their carrying amount or fair value less costs to sell.

We evaluate goodwill and other indefinite-lived intangible assets for impairment at least annually on July 1 and whenever facts and circumstances indicate that the fair value of a reporting unit or an indefinite-lived intangible asset may be less than its carrying value. For impairment evaluations with respect to both goodwill and other indefinite-lived intangibles, we first make a qualitative assessment to determine if the goodwill or other indefinite-lived intangible may be impaired. In the case of goodwill, if it is more likely than not that a reporting unit's fair value is less than its carrying value, we then compare the fair value of the reporting unit to its respective carrying amount. A reporting unit is an operating segment or one level below an operating segment. Goodwill impairment is recorded as the excess of a reporting unit's carrying value over its fair value and is charged to operations as an impairment loss. With respect to other indefinite-lived intangible assets, if it is more likely than not that the fair value of an indefinite-lived intangible asset is less than its carrying value, we then estimate its fair value and any excess of the carrying value over the fair value is also charged to operations as an impairment loss. For additional information regarding the fair value measurements of our property and equipment and intangible assets, see note 4. For additional information regarding impairments, see note 7.

Contract Assets

When we transfer goods or services to a customer but do not have an unconditional right to payment, we record a contract asset. Contract assets are reclassified to trade receivables, net, in our consolidated balance sheet at the point in time we have the unconditional right to payment. The long-term portions of contract assets are \$185 million and \$149 million as of December 31, 2025 and 2024, respectively, and are included in other assets, net, in our consolidated balance sheets.

Deferred Revenue

We record deferred revenue when we have received payment prior to transferring goods or services to a customer. Deferred revenue primarily relates to (i) advanced payments on fixed subscription services, mobile airtime services and long-term capacity contracts and (ii) deferred installation and other upfront fees. Our aggregate current and long-term deferred revenue as of December 31, 2025 and 2024 was \$209 million and \$214 million, respectively.

Operating Leases

Our operating leases primarily consist of (i) property leases for mobile tower locations that generally have initial terms of five to ten years with one or more renewal options, and (ii) lease commitments for (a) retail stores, offices and facilities, (b) other network assets and (c) other equipment. It is expected that in the normal course of business, operating leases that expire generally will be renewed or replaced by similar leases. For additional information regarding our leases, see note 8.

We classify leases with a term of greater than 12 months where substantially all risks and rewards incidental to ownership are retained by the third-party lessors as operating leases. We record a right-of-use asset and an operating lease liability at inception of the lease at the present value of the lease payments plus certain other payments, including variable lease payments and amounts probable of being owed by us under residual value guarantees. Payments made under operating leases, net of any

Liberty Latin America Ltd.
Notes to Consolidated Financial Statements – (Continued)

incentives received from the lessors, are recognized to expense on a straight-line basis over the term of the lease. Initial direct costs incurred in negotiating and arranging operating leases are recognized to expense when incurred. Contingent rental payments are recognized to expense when incurred. Our operating lease expense is included in facility, provision, franchise and other expense, which is included in other operating costs and expenses in our consolidated statements of operations. Our right-of-use assets and non-current operating lease liabilities are included in other assets, net, and other long-term liabilities, respectively, in our consolidated balance sheets.

We use a credit-adjusted discount rate to measure our operating lease liabilities. We derive the discount rates associated with each of our borrowing groups by firstly constructing a credit curve which is based on the implied credit spread between the risk free rate (generally U.S. dollar denominated U.S. Treasuries) and a credit curve constructed using an index of observable U.S. dollar denominated fixed rate corporate bonds issued by U.S. telecommunications companies with the same rating as the respective borrowing group. Next, we apply a linear fixed spread to this credit curve reflecting the difference between the observable price on the longest tradable debt instrument in each borrowing group and the credit curve at the maturity date of the observed debt instrument. Lastly, we make adjustments for all tenors to correct for the collateralized interest rate spread by comparing unsecured debt to asset-backed securities (secured debt) trades; this adjustment is based on the difference between the index of observable U.S. dollar denominated fixed rate corporate bonds issued by U.S. telecommunications companies with the same rating as the borrowing group and a similar index for companies rated one-class higher on the rating-code scale.

Income Taxes

The income taxes of Liberty Latin America are presented on a standalone basis, and each tax paying entity or group within Liberty Latin America is presented on a separate return basis. Income taxes are accounted for under the asset and liability method. We recognize deferred tax assets and liabilities for the future tax consequences attributable to differences between the financial statement carrying amounts and income tax basis of assets and liabilities and the expected benefits of utilizing net operating loss and tax credit carryforwards, using enacted tax rates in effect for each taxing jurisdiction in which we operate for the year in which those temporary differences are expected to be recovered or settled. We recognize the financial statement effects of a tax position when it is more-likely-than-not, based on technical merits, that the position will be sustained upon examination. Net deferred tax assets are then reduced by a valuation allowance if we believe it is more-likely-than-not that such net deferred tax assets will not be realized. Certain of our valuation allowances are associated with entities that we acquired in business combinations. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in earnings in the period that includes the enactment date. Deferred tax liabilities related to investments in foreign entities and foreign corporate joint ventures that are essentially permanent in duration are not recognized until it becomes apparent that such amounts will reverse in the foreseeable future. To be considered essentially permanent in duration, sufficient evidence must indicate that the foreign entity has invested or will invest its undistributed earnings indefinitely, or that earnings will be remitted in a tax-free liquidation. Interest and penalties related to income tax liabilities are included in income tax benefit or expense in our consolidated statements of operations.

For additional information regarding our income taxes, see note 13.

Foreign Currency Translation and Transactions

The reporting currency of Liberty Latin America is the U.S. dollar. The functional currency of our foreign operations is the applicable local currency for each foreign entity. Assets and liabilities of our foreign subsidiaries (including intercompany balances for which settlement is not anticipated in the foreseeable future) are translated at the spot rate in effect at the applicable reporting date. With the exception of certain material transactions, the amounts reported in our consolidated statements of operations are translated at the average exchange rates in effect during the applicable period. The resulting unrealized cumulative translation adjustment, net of applicable income taxes, is recorded as a component of accumulated other comprehensive earnings or loss in our consolidated statements of equity. With the exception of certain material transactions, the cash flows from our operations in foreign countries are translated at the average rate for the applicable period in our consolidated statements of cash flows. The impacts of material transactions generally are recorded at the applicable spot rates in our consolidated statements of operations and cash flows. The effect of exchange rates on cash balances held in foreign currencies are separately reported in our consolidated statements of cash flows.

Transactions denominated in currencies other than our or our subsidiaries' functional currencies are recorded based on exchange rates at the time such transactions arise. Changes in exchange rates with respect to monetary assets and liabilities

denominated in a non-functional currency result in transaction gains and losses that are reflected in our consolidated statements of operations as unrealized (based on the applicable period end exchange rates) or realized upon settlement of the transactions.

Revenue Recognition

We categorize revenue into two major categories: (i) residential revenue, which includes revenue from fixed and mobile services provided to residential customers, and (ii) B2B revenue, which includes enterprise revenue and wholesale revenue. For additional information regarding our revenue by major category, see note 17. Our revenue recognition policies are as follows:

General. Most of our fixed and mobile residential contracts are not enforceable or do not contain substantive early termination penalties. Accordingly, revenue relating to these customers is recognized on a basis consistent with customers that are not subject to contracts. We account for customer service revenue contracts that include both non-lease and lease components as a single component in all instances where the non-lease component is the predominant component of the arrangement and the other applicable criteria are met.

Residential Fixed and B2B Service Revenue – Fixed Networks. We recognize revenue from video, broadband internet and fixed-line telephony services over our fixed networks to customers in the period the related residential fixed or B2B services are provided. Installation or other upfront fees related to services provided over our fixed networks are generally deferred and recognized as subscription revenue over the contractual period, or longer if the upfront fee results in a material renewal right. We defer upfront installation and certain non-recurring fees received on B2B contracts where we maintain ownership of the installed equipment. The deferred fees are amortized into revenue on a straight-line basis over the term of the arrangement or the expected period of performance.

We may also sell video, broadband internet and fixed-line telephony services to our customers in bundled packages at a rate lower than if the customer purchased each product on a standalone basis. Arrangement consideration from bundled packages generally is allocated proportionally to the individual service based on the relative standalone price for each respective product or service.

Mobile Revenue – General. Consideration from mobile contracts is allocated to airtime services and handset sales based on the relative standalone prices of each performance obligation.

Mobile Revenue – Airtime Services. We recognize revenue from mobile services in the period the related services are provided. Payments received from prepaid customers are recorded as deferred revenue prior to the commencement of services and are recognized as revenue as the services are rendered or usage rights expire.

Mobile Revenue – Handset Revenue. Arrangement consideration allocated to handsets is recognized as revenue when the goods have been transferred to the customer.

Wholesale Revenue – Long-term Contracts. We enter into certain long-term (i) capacity contracts with customers where the customer either pays a fixed fee over time or prepays for the capacity upfront and pays a portion related to operating and maintenance of the network over time and (ii) contracts with customers related to the construction of subsea cable systems where we recognize revenue over time, generally using an output method. With respect to long-term prepaid contracts, we assess whether such contracts contain a significant financing component. If the financing component is significant, interest expense is accreted over the life of the contract using the effective interest method. The revenue associated with prepaid contracts is deferred and generally recognized on a straight-line basis over the life of the contract. As of December 31, 2025, we have approximately \$370 million of unfulfilled performance obligations relating to our long-term contracts that generally will be recognized as revenue over an average remaining life of four years.

Government Funding Revenue. From time to time, we receive funds from the FCC, primarily in Puerto Rico, where funds were established in an effort to restore, expand and upgrade fixed and mobile networks in Puerto Rico and USVI. We recognize funds granted from the FCC as other revenue in the period in which we are entitled to receive the funds, as the FCC does not meet the definition of a “customer.”

Sales, Use and Other VAT. Revenue is recorded net of applicable sales, use and other value-added taxes.

Share-based Compensation

We recognize compensation expense associated with share-based incentive awards based on their grant-date fair values. The grant-date fair values for SARs and PSARs are estimated using the Black-Scholes-Merton valuation model, and the grant-date fair values for RSUs and PSUs are based upon the closing market price of our shares on the date of grant. The grant-date fair values of LTVP awards are determined as a percentage of annual employee base compensation. We may also settle annual bonus-related obligations in the form of equity. We use the liability-based method of accounting in such situations, as the equity to be issued is variable. We use the legal life of the award for the expected life of SARs granted to executives. For SARs granted to non-executives, the expected life is calculated using the “simplified method” as we do not have sufficient historical exercise data. The expected volatility of SARs is based on a weighted average calculation that may include (i) data from a comparable group of peer companies, and/or (ii) Liberty Latin America’s share trading history. We recognize the grant-date fair value of outstanding awards as a charge to operations over the requisite service period, which is generally the vesting period, and account for forfeitures as they occur. We use the straight-line method to recognize share-based compensation expense for share-based incentive awards that do not contain a performance condition and the accelerated expense attribution method for our share-based incentive awards that contain a performance condition and vest on a graded basis.

For additional information regarding our share-based compensation, see note 12.

Restructuring Charges

We recognize restructuring charges primarily related to employee severance as part of reorganization activities that may happen from time to time. Restructuring charges are included in impairments, restructuring and other operating items, net, in the consolidated statement of operations.

We incurred restructuring charges of \$52 million, \$39 million and \$34 million, and made cash payments of \$52 million, \$29 million, and \$27 million during the years ended December 31, 2025, 2024 and 2023, respectively.

Litigation Costs

Legal fees and related litigation costs are expensed as incurred.

(4) Fair Value Measurements

General

U.S. GAAP provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels. Level 1 inputs are quoted market prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. Level 2 inputs are inputs other than quoted market prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. Level 3 inputs are unobservable inputs for the asset or liability.

All of our Level 2 inputs (interest rate futures, swap rates and certain of the inputs for our weighted average cost of capital calculations) and certain of our Level 3 inputs (non-interest rate curves and credit spreads) are obtained from pricing services. These inputs, or interpolations or extrapolations thereof, are used in our internal models to calculate, among other items, yield curves, forward interest and currency rates and weighted average cost of capital rates. In the normal course of business, we receive market value assessments from the counterparties to our derivative contracts. Although we compare these assessments to our internal valuations and investigate unexpected differences, we do not otherwise rely on counterparty quotes to determine the fair values of our derivative instruments. The midpoints of applicable bid and ask ranges generally are used as inputs for our internal valuations.

Recurring Fair Value Measurements

Derivatives

In order to manage our interest rate and foreign currency exchange risk, we have entered into various derivative instruments, as further described in note 6. We use the fair value method to account for most of our derivative instruments. The recurring fair value measurements of these derivative instruments are determined using discounted cash flow models. Most of the inputs to these discounted cash flow models consist of, or are derived from, observable Level 2 data for substantially the full

Liberty Latin America Ltd.
Notes to Consolidated Financial Statements – (Continued)
December 31, 2025, 2024 and 2023

term of these derivative instruments. This observable data mostly includes interest rate futures and swap rates, which are retrieved or derived from available market data. Although we may extrapolate or interpolate this data, we do not otherwise alter this data in performing our valuations. We incorporate a credit risk valuation adjustment in our fair value measurements to estimate the impact of both our own nonperformance risk and the nonperformance risk of our counterparties. Our and our counterparties' credit spreads represent our most significant Level 3 inputs, and these inputs are used to derive the credit risk valuation adjustments with respect to these instruments. As we would not expect changes in our or our counterparties' credit spreads to have a significant impact on the valuations of these instruments, we have determined that these valuations fall under Level 2 of the fair value hierarchy. Our credit risk valuation adjustments with respect to our interest rate derivative contracts are further explained in note 6.

Non-recurring Fair Value Measurements

Fair value measurements may also be used for purposes of non-recurring valuations performed in connection with our acquisition accounting and impairment assessments.

Hurricane Melissa

In late October 2025, the island of Jamaica was impacted by Hurricane Melissa with significant damage to homes, businesses and infrastructure, particularly in the southwest of the island and moderate damage in the northwest. The effects of the hurricane were deemed to constitute triggering events with respect to the need to assess certain assets for impairment. The impairment recorded reflects our assessment of property and equipment that were damaged and destroyed and are no longer in use. For additional information regarding the impairment charge related to Hurricane Melissa, see note 7.

Acquisition Accounting

During 2024, we performed certain non-recurring valuations related to the acquisition accounting for the LPR Acquisition. For information related to the final opening balance sheet associated with the LPR Acquisition, see note 5.

Non-recurring valuations associated with acquisition accounting use significant unobservable inputs and therefore fall under Level 3 of the fair value hierarchy. The non-recurring valuations associated with the LPR Acquisition primarily include the valuation of customer relationships and spectrum intangible assets. These valuations are further described below:

- *Customer relationships.* The valuation of customer relationships is primarily based on an excess earnings methodology, which is a form of a discounted cash flow analysis. The excess earnings methodology for customer relationship intangible assets requires us to estimate the specific cash flows expected from the acquired customer relationships, considering such factors as estimated customer life, the revenue expected to be generated over the life of the customer relationships, contributory asset charges and other factors.
- *Spectrum intangible assets.* The valuation of spectrum intangible assets may use either an adjusted market-based approach, which requires the calibration of observable market inputs to reflect the fair value of the assets acquired, or a combination of an adjusted market-based approach with other methods, such as an income-based approach, which requires a wide range of assumptions and inputs, including forecasting costs associated with building a complementary asset base.
- *Property and equipment.* The valuation of property and equipment may use either an indirect cost approach, which utilizes trends based on historical cost information, or a combination of indirect cost approach, market approach and direct replacement cost method, which considers factors such as current prices of the same or similar equipment, the age of the equipment and economic obsolescence.

Impairment Assessment

We performed non-recurring valuations associated with impairments of our spectrum license intangible assets and goodwill. As further discussed below, these assessments use significant unobservable inputs and therefore fall under Level 3 of the fair value hierarchy. For purposes of the goodwill impairment assessment, unless a reporting unit has a readily determinable fair value, we estimate the fair value of the reporting unit using either a market-based or income-based approach.

Liberty Latin America Ltd.
Notes to Consolidated Financial Statements – (Continued)

Spectrum License Intangible Assets

During 2025, and in response to the cumulative impact of challenges stemming from the migration of customers acquired from AT&T to Liberty Puerto Rico's mobile network and other various network challenges that impacted these mobile customers, including a slower than expected recovery, we concluded that a triggering event occurred requiring an assessment of the fair value of our spectrum license intangible asset at Liberty Puerto Rico.

We used a market approach for purposes of the quantitative impairment assessment to value our owned spectrum license intangible assets at Liberty Puerto Rico using a range of values established largely through industry benchmarks, FCC auction data, and precedent transactions, which falls under Level 3 of the fair value hierarchy. Based on this valuation, the fair value of the owned spectrum assets at Liberty Puerto Rico were less than the respective carrying value, and as a result, we recorded an impairment loss of \$494 million during the year ended December 31, 2025. The impairment is reflected in impairment, restructuring and other operating items, net, in the consolidated statements of operations, the carrying value of which was \$777 million after the impairment loss. The impairment loss was driven by the lower fair value, primarily attributed to a result of challenges related to the operationalization of this spectrum.

Goodwill

For purposes of our annual goodwill impairment assessments, we used an income approach to determine the estimated fair values of our reporting units. Under this approach, we utilized a discounted cash flow model as the valuation technique to estimate the fair values of the reporting units from a market participant's perspective. This approach uses certain inputs and assumptions that require estimates and judgments, including forecasted cash flows and appropriate discount rates. Forecasts of future cash flows are largely based on our assumptions using Level 3 inputs, which we consider to be consistent with a market participant's approach. We used the weighted-average cost of capital for each reporting unit as the basis for the discount rate to establish the present value of the expected cash flows for the respective reporting unit. The inputs for our weighted average cost of capital calculations include Level 2 and Level 3 inputs, generally derived from third-party pricing services.

Based upon the results of the aforementioned analyses, we (i) recognized a goodwill impairment charge associated with our Liberty Puerto Rico reporting unit during 2024, as further described in note 7, and (ii) did not recognize any goodwill impairment charges during 2025.

For additional information regarding goodwill impairment charges, see note 7.

(5) Acquisition

LPR Acquisition. On November 6, 2023, we entered into an agreement with EchoStar to acquire EchoStar's prepaid business and spectrum assets in Puerto Rico and USVI in exchange for cash and international roaming credits. The aggregate cash consideration of \$256 million is due in four annual installments. We paid \$95 million on the closing date, September 3, 2024, \$72 million became due on September 3, 2025, and \$45 million and \$40 million will become due September 3, 2026 and 2027, respectively. Our deferred payment obligation is recorded at its net present value, of which the current portion is included in other accrued and current liabilities in our consolidated balance sheets and the long-term portion is included in other long-term liabilities in our consolidated balance sheets.

The following table sets forth a reconciliation of the stated purchase price to the net cash paid (in millions):

Stated purchase price	\$ 255.8
International roaming credits, net present value adjustment and net working capital adjustments, net (a)	(20.2)
Total consideration	235.6
Consideration outstanding (b)	140.2
Total cash paid for acquisition	\$ 95.4

Liberty Latin America Ltd.
Notes to Consolidated Financial Statements – (Continued)
December 31, 2025, 2024 and 2023

- (a) Represents the (i) fair value of approximately \$7 million assigned to international roaming credits to be provided to EchoStar in addition to the stated purchase price, (ii) the difference between the stated purchase price and the net present value of the deferred payment obligation for the LPR Acquisition, which will be amortized to interest expense over the remaining payment term of the cash installments, and (iii) net working capital adjustments that were not cash settled as of December 31, 2024.
- (b) Represents the (i) net present value of our deferred payment obligation, as further described above, (ii) the fair value of international roaming credits and (iii) certain working capital adjustments that have not yet been cash settled. The current portion of our deferred payment obligation is recorded to other accrued and current liabilities in our consolidated balance sheet and the long-term portion is recorded to other long-term liabilities in our consolidated balance sheets.

We have accounted for the LPR Acquisition as a business combination using the acquisition method of accounting, whereby the total purchase price was allocated to the acquired identifiable net assets based on assessments of their respective fair values, and the excess of the purchase price over the fair values of these identifiable net assets was allocated to goodwill. A summary of the purchase price and the opening balance sheet associated with the LPR Acquisition at the September 3, 2024 acquisition date is presented in the following table. The opening balance sheet presented below reflects our final purchase price allocation (in millions):

Goodwill (a)	\$ 14.6
Intangible assets not subject to amortization (b)	215.4
Intangible assets subject to amortization (c)	7.2
Other accrued and current liabilities	(1.6)
Total purchase price	<u>\$ 235.6</u>

- (a) The goodwill recognized in connection with the LPR Acquisition is primarily attributable to (i) competitive advantages resulting from the acquisition of spectrum in the region and (ii) synergies that are expected to be achieved through the integration of the acquired prepaid mobile business with Liberty Latin America's existing business in Puerto Rico and USVI. We expect that all of the goodwill resulting from the LPR Acquisition will be deductible for tax purposes.
- (b) Represents the then estimated fair value of spectrum licenses.
- (c) Represents the estimated fair value of the acquired customer relationship intangible asset, which has a weighted average useful life of 4 years at September 3, 2024.

Our consolidated statement of operations for the year ended December 31, 2024 includes revenue and net earnings of \$12 million and \$1 million, respectively, attributable to the LPR Acquisition.

losses on derivative instruments, net, in our consolidated statements of operations. For further information regarding our fair value measurements, see note 4.

The derivative assets set forth in the table above exclude our Weather Derivatives, as they are not accounted for at fair value. The premium payments associated with our Weather Derivatives are included in other current assets, net, in our consolidated balance sheets.

The 2024 amount primarily includes \$44 million of net proceeds in connection with the settlement of certain Hurricane Beryl claims under our Weather Derivatives.

Counterparty Credit Risk

We are exposed to the risk that the counterparties to the derivative instruments of our borrowing groups will default on their obligations to us. We manage these credit risks through the evaluation and monitoring of the creditworthiness of, and concentration of risk with, the respective counterparties. In this regard, credit risk associated with our derivative instruments is spread across a relatively broad counterparty base of banks and financial institutions. Collateral has not been posted by either party under the derivative instruments of our borrowing groups. At December 31, 2025, our exposure to counterparty credit risk associated with our derivative instruments, as set forth in the assets and liabilities table above, included derivative assets with an aggregate fair value of \$21 million.

Our C&W and Liberty Costa Rica borrowing groups have each entered into derivative instruments under agreements with each counterparty that contain master netting arrangements that are applicable in the event of early termination by either party to such derivative instrument. The master netting arrangements under each of these master agreements are limited to the derivative instruments governed by the relevant master agreement within each individual borrowing group and are independent of similar arrangements of our other subsidiary borrowing groups.

Details of our Derivative Instruments

Interest Rate Derivative Contracts

Interest Rate Swaps

We enter into interest rate swaps to protect against increases in the interest rates on our variable-rate debt. Pursuant to these derivative instruments, we typically pay fixed interest rates and receive variable interest rates on specified notional amounts. At December 31, 2025, our C&W borrowing group had an outstanding notional amount of \$3,630 million due from our counterparties under interest rate swap contracts, which includes forward-starting derivative instruments, certain interest rate swap contracts with an embedded floor of 0%, and certain interest rate swap contracts where the counterparty has the right to cancel at a certain date in the future, and the related weighted average remaining contractual life was 4.6 years.

Basis Swaps

Basis swaps involve the exchange of attributes used to calculate our floating interest rates, including (i) the benchmark rate, (ii) the underlying currency and/or (iii) the borrowing period. We typically enter into these swaps to optimize our interest rate profile based on our current evaluations of yield curves, our risk management policies and other factors. At December 31, 2025, our C&W borrowing group had an outstanding notional amount of \$1,180 million due from our counterparties under basis swap contracts, and the related weighted average remaining contractual life was 0.2 years.

Foreign Currency Forwards Contracts

We enter into foreign currency forward contracts with respect to non-functional currency exposure. At December 31, 2025, our Liberty Costa Rica borrowing group had foreign currency forward contracts with total notional amounts due from and to counterparties of \$191 million and CRC 100 billion, respectively, with a weighted average remaining contractual life of 0.5 years.

- (b) During October 2025, our operations in Jamaica were significantly impacted by Hurricane Melissa resulting in extensive damage to homes, businesses and infrastructure. Based on estimates of the impacts on our Jamaica operations, we recorded impairment charges of \$56 million to reduce the carrying values of our property and equipment. This impairment charge is based on our assessment of currently available information and, accordingly, it is possible that further impairment charges could be required if the adverse impacts of the hurricane or estimated costs of recovery are greater than expected. For additional information regarding the impacts of Hurricane Melissa and the fair value method and related assumptions used in our impairment assessments, see note 4.
- (c) During 2024, we recorded a \$516 million impairment of goodwill at our Liberty Puerto Rico reporting unit. This impairment was mainly driven by declines in revenue, primarily from mobile subscriber losses, increased bad debt and other adverse impacts largely associated with (i) the migration of customers acquired from AT&T to our mobile network and (ii) various network challenges that have impacted these mobile customers.
- (d) During 2023, C&W Panama recognized impairment of certain operating lease right-of-use assets, predominantly related to decommissioned tower leases. As of December 31, 2023, these operating lease right-of-use assets were fully amortized.

Based on the results of our impairment test over intangible assets not subject to amortization and impairment test over goodwill, if, among other factors, (i) our equity values were to decline significantly, (ii) we experience additional adverse impacts associated with macroeconomic factors, including increases in our estimated weighted average cost of capital, or (iii) the adverse impacts stemming from competition, economic, regulatory or other factors were to cause our results of operations or cash flows to be worse than currently anticipated, we could conclude in future periods that additional impairment charges of certain reporting units are required in order to reduce the carrying values of goodwill and intangible assets not subject to amortization. Any such impairment charges could be significant.

For additional information regarding the fair value methods and related assumptions used in our impairment assessments, see note 4.

General Information

At December 31, 2025, all of our outstanding debt had been incurred by one of our three primary “borrowing groups”: C&W, Liberty Puerto Rico and Liberty Costa Rica. Unless stated otherwise, all of our borrowings are denominated in U.S. dollars.

Credit Facilities. Each of our borrowing groups and unrestricted subsidiaries have entered into one or more credit facility agreements with certain financial institutions. Each of these credit facilities contain certain covenants, the more notable of which are as follows:

- Our credit facilities (with the exception of Liberty Puerto Rico unrestricted subsidiaries’ 2030 LPR Term Loan) contain certain net leverage ratios, as specified in the relevant credit facility, which are required to be complied with on an incurrence and/or maintenance basis;
- Our credit facilities contain certain restrictions which, among other things, restrict the ability of the entities of the relevant borrowing group to (i) incur or guarantee certain financial indebtedness, (ii) make certain disposals and acquisitions, (iii) create certain security interests over their assets, in each case, subject to certain customary and agreed exceptions, and (iv) make certain restricted payments to their direct and/or indirect parent companies through dividends, loans or other distributions, subject to compliance with applicable covenants;
- Our credit facilities require that certain entities of the relevant borrowing group guarantee the payment of all sums payable under the relevant credit facility and such entities are required to have first-ranking security granted over their shares and, in certain borrowing groups, over substantially all of their assets to secure the payment of all sums payable thereunder;
- In addition to certain mandatory prepayment events, the instructing group of lenders under the relevant credit facility may cancel the commitments thereunder and declare the loans thereunder due and payable after the applicable notice period following the occurrence of a change of control (as specified in the relevant credit facility);

Liberty Latin America Ltd.
Notes to Consolidated Financial Statements – (Continued)
December 31, 2025, 2024 and 2023

- Our credit facilities contain certain customary events of default, the occurrence of which, subject to certain exceptions and materiality qualifications, would allow the instructing group of lenders to (i) cancel the total commitments, (ii) accelerate all outstanding loans and terminate their commitments thereunder and/or (iii) declare that all or part of the loans be payable on demand;
- Our credit facilities require entities of the relevant borrowing group to observe certain affirmative and negative undertakings and covenants, which are subject to certain materiality qualifications and other customary and agreed exceptions; and
- In addition to customary default provisions, our credit facilities generally include certain cross-default and cross-acceleration provisions with respect to other indebtedness of entities of the relevant borrowing group, subject to agreed minimum thresholds and other customary and agreed exceptions.

Senior and Senior Secured Notes. Our C&W and Liberty Puerto Rico borrowing groups have issued senior and/or senior secured notes. In general, our senior and senior secured notes (i) are senior obligations of each respective issuer within the relevant borrowing group that rank equally with all of the existing and future debt of such issuer and, in the case of our senior secured notes, are senior to all existing and future subordinated debt of each respective issuer within the relevant borrowing group, (ii) contain, in most instances, guarantees from other entities of the relevant borrowing group (as specified in the applicable indenture) and (iii) are secured by pledges over the shares of certain entities of the relevant borrowing group and, in certain instances, over substantially all of the assets of those entities. In addition, the indentures governing our senior and senior secured notes contain certain covenants, the more notable of which are as follows:

- Our notes contain certain customary incurrence-based covenants. In addition, our notes provide that any failure to pay principal prior to expiration of any applicable grace period, or any acceleration with respect to other indebtedness of the issuer or certain other members of the relevant borrowing group, over agreed minimum thresholds (as specified under the applicable indenture), is an event of default under the respective notes;
- Our notes contain certain restrictions that, among other things, restrict the ability of the entities of the relevant borrowing group to (i) incur or guarantee certain financial indebtedness, (ii) make certain disposals and acquisitions, (iii) create certain security interests over their assets, in each case, subject to certain customary and agreed exceptions and (iv) make certain restricted payments to its direct and/or indirect parent companies through dividends, loans or other distributions, subject to compliance with applicable covenants; and
- If the relevant issuer or certain of its subsidiaries (as specified in the applicable indenture) sell certain assets, such issuer must offer to repurchase the applicable notes at par, or if a change of control (as specified in the applicable indenture) occurs, such issuer must offer to repurchase all of the relevant notes at a redemption price of 101%.

(10) Defined Benefit Plans

We maintain various funded defined benefit plans for certain current and past employees, including (i) the CWSF, which is C&W's largest defined benefit plan, (ii) plans in The Bahamas, Jamaica, Barbados, Curacao and Puerto Rico and (iii) certain other defined benefit arrangements in the U.K., which are governed by individual trust deeds. These defined benefit plans are closed to new entrants, and existing participants do not accrue any additional benefits.

Defined benefit plan amounts included in our consolidated balance sheets are as follows:

	December 31,	
	2025	2024
	in millions	
Other assets, net	\$ 27.5	\$ 33.6
Other long-term liabilities, net (a)	(4.8)	(5.6)
Net pension asset	<u>\$ 22.7</u>	<u>\$ 28.0</u>

- (a) Amounts include an indemnification asset from The Bahamas government of \$113 million and \$115 million, respectively, and investments in U.K. Gilts of \$24 million and \$23 million, respectively.

The table below provides summary information for our defined benefit plans:

	December 31,	
	2025	2024
	in millions	
Projected benefit obligations (a) (b)	\$ (1,407.8)	\$ (1,361.4)
Fair value of plan assets (c)	1,430.5	1,389.4
Net pension asset	<u>\$ 22.7</u>	<u>\$ 28.0</u>

- (a) Amounts include an indemnification asset from The Bahamas government of \$113 million and \$115 million, respectively, and investments in U.K. Gilts of \$24 million and \$23 million, respectively.
- (b) The weighted average discount rate used in determining our benefit obligations was 6.1% for each of the years ended December 31, 2025 and 2024. A 1.0% increase or decrease in the weighted average discount rate would have a (\$34 million) or \$40 million impact, respectively, on the projected benefit obligations, net of the annuity insurance policies (as described further below).
- (c) Our plan assets primarily comprise investments in insurance contracts, debt securities and equity securities. The fair value of plan assets at December 31, 2025 includes \$239 million, \$132 million and \$1,060 million of assets that are valued based on Level 1, Level 2 and Level 3 inputs, respectively, of the fair value hierarchy (as further described in note 4). The fair value of plan assets at December 31, 2024 includes \$233 million, \$135 million and \$1,021 million of assets that are valued based on Level 1, Level 2 and Level 3 inputs, respectively.

In May 2023, the CWSF completed an additional buy-in bulk annuity, resulting in 100% of the plan's liabilities being covered by insurance annuity policies, the payments from which match the corresponding obligations to employees. In addition, at December 31, 2025, 100% of the Jamaican and UTS defined benefit obligations are covered through the purchase of insurance annuity policies. The remaining investment risks in the plans have also been mitigated to a reasonable extent by a combination of matching assets and diversification of the return-seeking assets.

The CWSF buy-in resulted in the remeasurement of \$75 million from net pension assets to accumulated other comprehensive income during 2023, which represents the loss associated with the difference between the projected benefit obligations and the cost of the bulk annuity policy.

Voting rights. Holders of Class A common shares and Class B common shares vote together as a single class on all matters submitted to a vote of Liberty Latin America's shareholders. The holders of Class A common shares have one vote per share; the holders of Class B common shares have 10 votes per share; and the holders of Class C common shares generally have no votes per share. In the event a right to vote is required under applicable law, holders of Class C common shares will vote as a single class with the holders of Class A common shares and Class B common shares and will be entitled to 1/100 of a vote on such matter for each Class C common share. Each Class B common share is convertible at the option of the holder for one Class A common share.

Share Repurchase Programs

From time to time, and subject to certain limitations and conditions, our Directors approve Share Repurchase Programs, which authorize us to repurchase up to a specified aggregate dollar value of our Class A common shares and/or Class C common shares through specified dates, as detailed below:

Authorization Date	Authorized Repurchase Amount in millions	Expiration Date
February 22, 2022	\$ 200.0	December 2024

The Share Repurchase Programs do not obligate us to repurchase any of our Class A or C common shares. Under the Share Repurchase Programs, we may repurchase our common shares in open market purchases at prevailing market prices, in privately negotiated transactions, in block trades, derivative transactions and/or through other legally permissible means. At December 31, 2025, the remaining amount authorized for share repurchases under the Share Repurchase Programs was \$200 million.

Convertible Notes Capped Calls

In connection with the issuance of our Convertible Notes, we entered into the Convertible Notes Capped Calls, which expired on July 15, 2024. The Convertible Notes Capped Calls were used as an economic hedge to reduce or offset potential dilution to our Class C common shares upon any conversion of the Convertible Notes and/or offset any cash payments we could have been required to make in excess of the principal amount of such converted notes, as the case may have been, with such reduction and/or offset subject to a cap. The Convertible Notes Capped Calls were not considered a derivative instrument under ASC 815, *Derivatives and Hedging*, as the contracts were indexed to our Class C common shares and therefore were classified within shareholders' equity.

Capped Call Option Contracts

During 2024, we entered into capped call option contracts, pursuant to which we have purchased capped call options on 1.7 million and 4.3 million Liberty Latin America Class A and Class C common shares, respectively, with a low exercise price and a capped payout. Shares acquired through the exercise of the call options are included in our share repurchases. The capped call option contracts are not considered derivative instruments as the contracts are indexed to our Class A and Class C common shares and are therefore classified within shareholders' equity. At December 31, 2024, the aggregate premium associated with these capped call option contracts of \$15 million is included as a reduction of additional paid-in capital in our consolidated statement of equity and as a financing cash outflow in our consolidated statement of cash flows. During 2025, we exercised some of our rights pursuant to the capped call option contracts, which resulted in 0.6 million shares being effectively repurchased and reflected in treasury stock at December 31, 2025.

LCR NCI Transaction

During August 2024, we entered into an agreement with the noncontrolling interest owner of Liberty Costa Rica where we agreed to acquire an additional 8.5% of the remaining noncontrolling interest on January 30, 2026 for an aggregate cash consideration of approximately \$84 million. The consideration comprises CRC 22 billion (\$44 million) and \$40 million, with 62.5% of the purchase price due upon closing and the remaining 37.5% due on January 29, 2027. Subsequent to December 31, 2025, we paid the first installment payment of \$53 million.

(12) Share-based Compensation and Other Employee Incentive Plan-related Expense

Equity Incentive Plans

Employee Incentive Plan and Nonemployee Director Incentive Plan

In 2017, we adopted the Employee Incentive Plan and the Nonemployee Director Incentive Plan, under which options, SARs, RSUs, cash awards, performance awards or any combination of the foregoing may be granted. The maximum number of Liberty Latin America common shares that may be issued under the Employee Incentive Plan and the Nonemployee Director Incentive Plan is 75 million (of which no more than 10 million shares may consist of Class B shares) and 5 million, respectively, in each case subject to anti-dilution and other adjustment provisions in the respective plans. Liberty Latin America common shares issuable pursuant to awards will be made available from either authorized but unissued shares, or shares that have been issued but reacquired by Liberty Latin America.

Awards

Non-performance Awards. The following is a summary of the material terms and conditions with respect to our non-performance-based awards:

- ***SARs.*** SARs generally vest 33.3% on the anniversary of the grant date over a vesting term of three years and expire ten years after the grant date. SARs may be granted with an exercise price at or above the fair market value of the shares on the date of grant in any class of common shares.
- ***RSUs.*** RSUs generally vest 33.3% on the anniversary of the grant date over a vesting term of three years. RSUs issued under the Nonemployee Director Incentive Plan vest on the first anniversary of the grant date.
- ***LTVP.*** During 2023, we implemented the Long-term Value Plan component of the Employee Incentive Plan, whereby employees receive a fixed-value award based upon a percentage of annual employee base compensation that vests

annually over three years and can be settled in either common shares or cash at the discretion of Liberty Latin America's Compensation Committee. During 2025, 2024, and 2023, we recognized \$21 million, \$14 million, and \$6 million, respectively, of expense associated with the LTVP, which is recorded in other operating costs and expenses in our consolidated statements of operations. Each vesting tranche of the LTVP is accrued over the vesting period to our consolidated balance sheet in accrued payroll and employee benefits until settlement on the vesting date, which is generally in March of each year. Details on how these awards were settled can be found in the table below.

Performance Awards. The following is a summary of the material terms and conditions with respect to our performance-based awards for certain executive officers and key employees:

- **PSUs.** During 2022, our Chief Executive Officer was awarded a total of 0.6 million Class B PSUs, of which the first two tranches were earned and vested in each of March 2023 and March 2024, respectively. The remaining 0.2 million will vest in March 2026 based upon the achievement of certain individual qualitative objectives. At both December 31, 2025 and 2024, we had 0.2 million Class B PSUs outstanding.
- **PSARs.** During 2021 and 2022, certain key employees received the 2021 PSARs. Each award represented the right to receive a payment in shares or, if the compensation committee so determined, cash or a combination of cash and shares, equal to the excess of the fair market value of the common shares on the day of exercise over the exercise price, subject to performance and vesting. The 2021 PSARs have a term of ten years and included performance conditions based on the achievement of individual qualitative objectives during the performance period from January 1, 2021 through December 31, 2023. The earned 2021 PSARs vested on March 16, 2024. At both December 31, 2025 and 2024, we had 3 million Class A PSARs and 6 million Class C PSARs outstanding.

2024 Modification

In October 2024, the compensation committee of our board of directors approved an extension of the legal life of outstanding SARs from a seven-year term to a ten-year term for SARs granted during 2018, 2019 and 2020. Prior to 2021, awards granted under the Employee Incentive Plan expired seven years after the grant date. This modification resulted in the recognition of aggregate incremental share-based compensation expense during 2024 totaling \$14 million and impacted over 200 grantees.

(13) Income Taxes

On July 11, 2017, Liberty Latin America was formed as a corporation in Bermuda. Effective as of January 1, 2025, Bermuda enacted the Corporate Income Tax Act 2023, which assesses taxes on income at a 15% statutory rate. For all years prior to this, Bermuda did not assess taxes on income. The majority of subsidiaries in other jurisdictions are taxable operations and file income tax returns in their respective jurisdictions. The income taxes of Liberty Latin America are presented on a standalone basis, and each tax paying entity or group within Liberty Latin America is presented on a separate return basis, unless a combined or consolidated tax return regime is permitted.

The components of our loss before income taxes are as follows:

	Year ended December 31,		
	2025	2024	2023
	in millions		
Domestic (a)	\$ (105.7)	\$ (68.7)	\$ (90.9)
Foreign (b) (c)	(547.1)	(591.2)	28.5
Total	\$ (652.8)	\$ (659.9)	\$ (62.4)

- (a) Liberty Latin America is considered a stand-alone Bermuda entity.
- (b) Amounts for the year ended December 31, 2025 include a spectrum impairment charge of \$494 million and for the year ended December 31, 2024 include a goodwill impairment charge of \$516 million, both of which occurred at our Liberty Puerto Rico reporting unit.
- (c) For the year ended December 31, 2025, significant jurisdictions that comprise the “foreign” component of our loss before income taxes are detailed in the effective rate reconciliation section below. For the year ended December 31, 2024, significant jurisdictions that comprise the “foreign” component of our loss before income taxes include The Bahamas, Barbados, Costa Rica, Jamaica, Panama, Puerto Rico, Spain, the U.K., the United States, and USVI. For the year ended December 31, 2023, significant jurisdictions that comprise the “foreign” component of our loss before income taxes include The Bahamas, Barbados, the British Virgin Islands, Colombia, Costa Rica, Jamaica, Panama, Puerto Rico, Spain, St. Kitts, St. Lucia, Trinidad and Tobago, the U.K., the United States and USVI.

- (a) Liberty Latin America was formed as a corporation in Bermuda where the company has a “statutory” or “expected” tax rate of 15%, effective as of January 1, 2025. For years ended December 31, 2023 and 2024, the Bermuda statutory tax rate was 0%. The majority of our subsidiaries operate in jurisdictions where income tax is imposed at local applicable statutory rates, resulting in “international rate differences,” as shown in the table above. These line items reflect the computed tax benefit (expense) of pre-tax book earnings (loss) in the respective taxable jurisdiction.
- (b) Permanent differences primarily relate to various non-taxable income or non-deductible expenses, such as CARICOM treaty income, limitations on deductible management fees, or executive compensation, among others.
- (c) The corporate tax rates applicable to our primary material jurisdictions are as follows: The Bahamas, 0%; Barbados, 9%; Costa Rica, 30%; Jamaica, 33.33%; Panama, 25%; Puerto Rico, 37.5%; Spain, 25%; the U.K., 25%; the United States, 21%; and USVI, 23.1%.
- (d) On July 13, 2023, St. Vincent and the Grenadines Inland Revenue Department enacted a decrease in the corporate income tax from 30% to 28% with effect from January 1, 2023.
- (e) On December 22, 2023, the Bermuda Parliament enacted legislation to establish a 15% corporate income tax regime that will become effective for tax years beginning on or after January 1, 2025. While deferred tax assets associated with opening tax losses carryforward for periods beginning January 1, 2020 were established as of enactment, there is a net nil tax impact of this on the total tax result due to a full valuation allowance in Bermuda.
- (f) On May 24, 2024, the Barbados Parliament enacted legislation to increase the corporate income tax rate to 9% with effect from January 1, 2024.

As of December 31, 2025, a valuation allowance of \$1,895 million has been recorded against the net operating loss carryforwards where we do not expect to realize a future benefit, or where certain losses may be limited in use due to change in control or same-business tests.

Our tax loss carryforwards within each jurisdiction combine all companies' tax losses (both capital and ordinary losses) in that jurisdiction; however, certain tax jurisdictions limit the ability to offset taxable income of a separate company or different tax group with the tax losses associated with another separate company or group. Further, tax jurisdictions restrict the type of taxable income that the above losses are able to offset.

In 2025 and 2024, we have foreign tax credit carryforwards of \$21 million and \$10 million, respectively, which are available in the U.S. Substantially all credits not utilized will expire at the end of 2035. A valuation allowance of \$13 million has been recorded against the foreign tax credit carryforwards where we do not expect to realize a future benefit.

In 2025 and 2024, we have alternative minimum tax credit carryforwards in the amounts of \$49 million and \$50 million, respectively, attributable to our operations in Puerto Rico for which the current tax law provides no period of expiration. A valuation allowance of \$13 million has been recorded against the alternative minimum tax credit carryforwards where we do not expect to realize a future benefit.

Through our consolidated subsidiaries, we maintain a presence in many countries. Many of these countries maintain highly complex tax regimes. We have accounted for the effect of these taxes based on what we believe is reasonably expected to apply to us and our consolidated subsidiaries based on tax laws currently in effect and reasonable interpretations of these laws. Because some jurisdictions do not have systems of taxation that are as well established as the system of income taxation used in other major industrialized countries, it may be difficult to anticipate how other jurisdictions will tax our and our consolidated subsidiaries' current and future operations.

Although we intend to take reasonable tax planning measures to limit our tax exposures, no assurance can be given that we will be able to do so.

We file income tax returns in various jurisdictions. In the normal course of business, our income tax filings are subject to review by various taxing authorities. In connection with such reviews, disputes could arise with the taxing authorities over the

Liberty Latin America Ltd.
Notes to Consolidated Financial Statements – (Continued)

interpretation or application of certain income tax rules related to our business in that tax jurisdiction. Such disputes may result in future tax and interest and penalty assessments by these taxing authorities. The ultimate resolution of tax contingencies will take place upon the earlier of (i) the settlement date with the applicable taxing authorities in either cash or agreement of income tax positions or (ii) the date when the tax authorities are statutorily prohibited from adjusting the company's tax computations.

In general, tax returns filed by, or that include, entities comprising Liberty Latin America for years prior to 2009 are no longer subject to examination by tax authorities. We are currently undergoing income tax audits in Colombia, Trinidad and Tobago, Venezuela and certain other jurisdictions within the Caribbean and Latin America. Except as noted below, any adjustments that might arise from the foregoing examinations are not expected to have a material impact on our consolidated financial position or results of operations.

The changes in our unrecognized tax benefits are summarized below:

	Year ended December 31,		
	2025	2024	2023
	in millions		
Balance at January 1	\$ 18.3	\$ 25.5	\$ 37.6
Additions for tax positions of prior years	7.4	2.5	0.7
Additions based on tax positions related to the current year	—	—	6.0
Lapse of statute of limitations	(1.5)	(2.7)	(1.4)
Decrease for settlement with tax authorities	—	(2.9)	—
Reductions for tax positions of prior years	(7.2)	(4.1)	(17.4)
Balance at December 31	<u>\$ 17.0</u>	<u>\$ 18.3</u>	<u>\$ 25.5</u>

No assurance can be given that any of these unrecognized tax benefits will be recognized or realized.

As of December 31, 2025, all of our unrecognized tax benefits would have a favorable impact on our effective income tax rate if ultimately recognized.

During 2026, it is reasonably possible that the resolution of ongoing examinations by tax authorities as well as expiration of statutes of limitation could result in reductions to our unrecognized tax benefits related to tax positions taken as of December 31, 2025. Other than the potential impacts of ongoing examinations and the expected expiration of certain statutes of limitation, we do not expect any material changes to our unrecognized tax benefits during 2026. No assurance can be given as to the nature or impact of any changes in our unrecognized tax positions during 2026.

During 2025, 2024 and 2023, our income tax benefit (expense) includes interest expense (income) of \$4 million, (\$3 million) and \$12 million, respectively, representing the net accrual of interest and penalties incurred during the respective period. Our other long-term liabilities include accrued interest and penalties of \$26 million and \$22 million at December 31, 2025 and 2024, respectively.

(14) Earnings or Loss per Share

Basic EPS is computed by dividing net earnings or loss attributable to Liberty Latin America shareholders by the weighted average number of Liberty Latin America Shares outstanding during the periods presented. Diluted EPS presents the dilutive effect, if any, on a per share basis of dilutive securities as if they had been exercised, vested or converted at the beginning of the periods presented.

The details of the calculations of our basic and diluted EPS are set forth below:

Basic and diluted net loss per share attributable to Liberty Latin America shareholders	<u>\$ (3.06)</u>	<u>\$ (3.47)</u>	<u>\$ (0.35)</u>

- (a) During 2025, 2024 and 2023, we reported losses attributable to Liberty Latin America shareholders. As a result, the potentially dilutive effect at each period of the following items was not included in the computation of EPS for such periods because their inclusion would have been anti-dilutive to the computation or, in the case of certain PSUs, and for 2023 PSARs, because such awards had not yet met the applicable performance criteria:

During 2024, the Convertible Notes Capped Calls expired at maturity or were unwound in connection with redemption activity on the Convertible Notes, as further described in note 9.

(16) Commitments and Contingencies

Guarantees and Other Credit Enhancements

In the ordinary course of business, we may provide (i) indemnifications to our lenders, our vendors and certain other parties and (ii) performance and/or financial guarantees to local municipalities, our customers and vendors. Historically, these arrangements have not resulted in our company making any material payments and we do not believe that they will result in material payments in the future. For commitments associated with the LPR Acquisition and the LCR NCI Transaction, see note 5 and 11, respectively.

Regulatory Issues. We have contingent liabilities related to matters arising in the ordinary course of business, including (i) legal proceedings, (ii) issues involving wage, property, withholding and other tax issues and (iii) disputes over interconnection, programming and copyright fees. While we generally expect that the amounts required to satisfy these contingencies will not materially differ from any estimated amounts we have accrued, no assurance can be given that the resolution of one or more of these contingencies will not result in a material impact on our results of operations, cash flows or financial position in any given period. Due, in general, to the complexity of the issues involved and, in certain cases, the lack of a clear basis for predicting outcomes, we cannot provide a meaningful range of potential losses or cash outflows that might result from any unfavorable outcomes.

During 2024, we received a claim from a third party with respect to possible overpayments made to us under a transitional services agreement. We are currently unable to estimate a possible loss or range of possible loss associated with this claim.

(17) Segment Reporting

Our reportable segments derive their revenue primarily from residential and B2B services, including video, broadband internet, fixed-line telephony and mobile services. Our corporate category includes our corporate operations, which derive revenue from mobile handset insurance services. We generally identify our reportable segments as those operating segments that represent 10% or more of our revenue, Adjusted OIBDA or total assets.

As of December 31, 2025, unless otherwise specified below, our operating segments, which are also our reportable segments, are as follows:

- Liberty Caribbean;
- C&W Panama;
- Liberty Networks;
- Liberty Puerto Rico; and
- Liberty Costa Rica.

Performance Measures of our Reportable Segments

We evaluate performance and make decisions about allocating resources to our reportable segments based on financial measures, such as revenue and Adjusted OIBDA. In addition, we review non-financial measures, such as subscriber growth. We account for intersegment sales as if they were to third parties, or at current market prices.

Adjusted OIBDA is the primary measure used by our CODM, or Chief Executive Officer, to evaluate segment operating performance. Adjusted OIBDA is also a key factor that is used by our internal decision makers to determine how to allocate resources to segments. Our internal decision makers believe Adjusted OIBDA is a meaningful measure because it represents a transparent view of our recurring operating performance that is unaffected by our capital structure and allows management to (i) readily view operating trends, (ii) perform analytical comparisons and benchmarking between segments and (iii) identify strategies to improve operating performance in the different countries in which we operate. A reconciliation of total Adjusted OIBDA to operating income or loss and to earnings or loss before income taxes is presented below.

Notes to Consolidated Financial Statements – (Continued)
December 31, 2025, 2024 and 2023

The amounts presented below represent 100% of the revenue and Adjusted OIBDA of each of our reportable segments. As we have the ability to control certain subsidiaries that are not wholly-owned, we include 100% of the revenue and expenses of these entities in our consolidated statements of operations despite the fact that third parties own significant interests in these entities. The noncontrolling owners' interests in the operating results of (i) certain subsidiaries of (a) C&W and (b) Liberty Puerto Rico, and (ii) Liberty Costa Rica are reflected in net earnings or loss attributable to noncontrolling interests in our consolidated statements of operations.

ARTICLE 2.
THE NOTES

Section 2.01 *Form and Dating*

(a) *Global Notes.* Notes offered and sold in reliance on Rule 144A shall be issued initially in the form of one or more 144A Global Notes, duly executed by the Issuer, and authenticated by the Trustee. Notes offered and sold to Non-U.S. Persons in offshore transactions in reliance on Regulation S shall be issued initially in the form of one or more Regulation S Global Notes, duly executed by the Issuer and authenticated by the Trustee. Each Global Note shall represent such aggregate principal amount of the outstanding Notes as shall be specified therein and each shall provide that it shall represent the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby shall from time to time be reduced or increased, as appropriate, by the Registrar, the Paying Agent or the Trustee to reflect exchanges, repurchases, redemptions and transfers of interests therein, in accordance with the terms of this Indenture.

The terms and provisions contained in the Notes will constitute, and are hereby expressly made, a part of this Indenture and the Issuer and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

Ownership of interests in the Global Notes will be limited to Participants and Indirect Participants. Book-Entry Interests in the Global Notes will be shown on, and transfers thereof will be effected only through, records maintained in book-entry form by the Depositary and its Participants. The Applicable Procedures shall be applicable to Book-Entry Interests in Global Notes.

Except as set forth in Section 2.07(a), the Global Notes may be transferred, in whole and not in part, only to a nominee or a successor of the Depositary.

(a) *Definitive Registered Notes.* Definitive Registered Notes issued upon transfer of a Book-Entry Interest or a Definitive Registered Note, or in exchange for a Book-Entry Interest or a Definitive Registered Note, shall be issued in accordance with this Indenture.

(b) *Book-Entry Provisions.* Neither Participants nor Indirect Participants shall have any rights either under this Indenture or under any Global Note held on their behalf by the Depositary. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any Agent from giving effect to any written certification, proxy or other authorization furnished by the Depositary or impair, as between the Depositary and its Participants, the operation of customary practices of the Depositary governing the exercise of the rights of an owner of a beneficial interest in any Global Note.

(c) *Note Forms.* The Global Notes and the Definitive Registered Notes shall be issuable only in registered form, substantially in the forms set forth as Exhibit A and Exhibit B hereto, respectively. The Notes shall be issued without coupons and only in denominations of at least \$200,000 and in integral multiples of \$1,000 in excess thereof.

(d) *Additional Notes.* Subject to the restrictions contained in Section 4.09, from time to time after the Issue Date the Issuer may issue Additional Notes under this Indenture. Any Additional Notes issued as provided for herein will be treated as a single class and as part of the same series as the Initial Notes for all purposes (including voting) under this Indenture.

(e) *Dating.* Each Note shall be dated the date of its authentication.

Section 2.02 *Execution and Authentication*

At least one Officer of the Issuer must sign the Notes for such Issuer by manual or facsimile signature.

If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated or at any time thereafter, the Note will nevertheless be valid.

A Note will not be valid until authenticated by the manual signature of the Authenticating Agent. The signature will be conclusive evidence that the Note has been authenticated under this Indenture.

The Authenticating Agent shall authenticate the Initial Notes on the Issue Date in an aggregate principal amount of \$1,200,000,000, upon receipt of an authentication order signed by at least one Officer of the Issuer directing the Authenticating Agent to authenticate the Notes and certifying that all conditions precedent to the issuance of the Notes contained herein have been complied with (an "*Authentication Order*"). The Authenticating Agent shall authenticate Additional Notes upon receipt of an Authentication Order relating thereto. Each Note shall be dated the date of its authentication.

The Trustee may authenticate Notes as the Issuer's Authenticating Agent. The Trustee may appoint an additional Authenticating Agent or Agents acceptable to the Issuer to authenticate Notes. Unless limited by the terms of such appointment, an Authenticating Agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such Authenticating

Agent. Such Authenticating Agent shall have the same rights as the Trustee in any dealings hereunder with any of the Issuer's Affiliates.

Notes authenticated by an Authenticating Agent shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated hereunder by the Trustee, and every reference in this Indenture to the authentication and delivery of Notes by the Trustee or the Trustee's certificate of authentication shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be subject to acceptance by the Issuer and shall at all times be a corporation organized and doing business under, or licensed to do business pursuant to, the Laws of the United States of America (including any State thereof or the District of Columbia), the United Kingdom or a jurisdiction in the European Union and authorized under such Laws to act as Authenticating Agent, subject to supervision or examination by governmental authorities, if applicable. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section 2.02, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section 2.02.

Any entity into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any entity resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any entity resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any entity succeeding to all or substantially all the corporate agency or corporate trust business of an Authenticating Agent, shall continue to be an Authenticating Agent; *provided* that such entity shall be otherwise eligible under this Section 2.02, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent may resign at any time by giving written notice of resignation to the Trustee and the Issuer. Each of the Trustee and the Issuer may at any time terminate the agency of an Authenticating Agent by giving written notice of the termination to that Authenticating Agent and the Issuer or the Trustee, as the case may be. Upon receiving such a notice of resignation or upon such a termination, or in case at any time any Authenticating Agent ceases to be eligible in accordance with the provisions of this Section 2.02, the Trustee may appoint a successor Authenticating Agent acceptable to the Issuer. Any successor Authenticating Agent, upon acceptance of its appointment hereunder, shall become vested with all of the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section 2.02.

The Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services under this Section 2.02.

The initial Authenticating Agent shall be The Bank of New York Mellon.

If an Authenticating Agent is appointed with respect to the Notes pursuant to this Section 2.02, the Notes may have endorsed thereon, in addition to or in lieu of the Trustee's certification of authentication, an alternative certificate of authentication in the following form:

"This is one of the Notes referred to in the within-mentioned Indenture.

[NAME OF AUTHENTICATING AGENT],
as Authenticating Agent

By: _____
Authorized Signatory"

Section 2.03 *Paying Agent and Registrar*

The Issuer will maintain one or more paying agents (each, a “*Paying Agent*”) for the Notes in London, England (the “*Principal Paying Agent*”). The Bank of New York Mellon, London Branch will initially act as Principal Paying Agent in London.

The Issuer will also maintain one or more registrars (each, a “*Registrar*”) for so long as the Notes are listed on the International Stock Exchange and the rules of the International Stock Exchange so require. The Issuer will also maintain a transfer agent. The initial Registrar for the Notes will be The Bank of New York Mellon. The initial Transfer Agent with respect to the Notes will be The Bank of New York Mellon. The Registrar will maintain a register for the Notes (the “*Register*”) on behalf of the Issuer for so long as the Notes remain outstanding reflecting ownership of Notes outstanding from time to time. The Paying Agents will effect payments on behalf of the Issuer and the transfer agents will facilitate transfer of Definitive Registered Notes on behalf of the Issuer (the “*Transfer Agents*”). In the event that the Notes are no longer listed, the Issuer or its agent will maintain a register reflecting ownership of the Notes.

The parties hereto acknowledge that the Issuer has appointed The Bank of New York Mellon, London Branch, at its Corporate Trust Office, as Principal Paying Agent and The Bank of New York Mellon, at 240 Greenwich Street, New York, New York 10286, as Registrar and Transfer Agent. The Issuer acknowledges that The Bank of New York Mellon, London Branch, and The Bank of New York Mellon have accepted such appointment. Section 7.07 shall apply to them in such capacities as if they were Trustee hereunder.

The Issuer may appoint one or more additional Paying Agents and the term “*Paying Agent*” shall include any such additional Paying Agent, as applicable. Upon notice to the Trustee, the Issuer may change any Paying Agent, Registrar or Transfer Agent and the Issuer may act as the Paying Agent; *provided, however*, that in no event may the Issuer act as a Paying Agent or appoint a Paying Agent in any member state of the European Union where the Paying Agent would be obliged to withhold or deduct tax in connection with any payment made by it in relation to the Notes unless the Paying Agent would be so obliged if it were located in all other member states.

The Issuer shall notify the Trustee of the name and address of any Agent appointed after the Issue Date. If the Issuer fails to maintain a Paying Agent, or fails to give the foregoing notice, the Trustee shall act as such and shall be entitled to appropriate compensation in accordance with Section 7.07.

Section 2.04 *Holders to Be Treated as Owners; Payments of Interest*

(a) Except as otherwise ordered by a court of competent jurisdiction or required by applicable Law, the Issuer, the Paying Agents, the Registrar, the Trustee and any agent of the Issuer, any Paying Agent, the Registrar or the Trustee shall deem and treat the Holder of a Note as the absolute owner of such Note for the purpose of receiving payment of or on account of the principal, premium or interest on such Note and for all other purposes (including voting and consents and enforcement of the Note Security Documents); and neither the Issuer, any Paying Agent, the Registrar, the Trustee nor any agent of the Issuer, any Paying Agent, the Registrar or the Trustee shall be affected by any notice to the contrary. All such payments so made to any such Person, or upon his order, shall be valid, and, to the extent of the sum or sums so paid, effective to satisfy and discharge the liability for moneys payable upon any Note.

(b) Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or the Agents from giving effect to any written certification, proxy or other authorization furnished by the Depositary or its nominee or impair, as between the Depositary, its nominees, the Participants or any other person, the operation of customary practices of such persons governing the exercise of the rights of a Holder.

(c) A Holder of a Note at the close of business on any Regular Record Date with respect to any Interest Payment Date shall be entitled to receive the interest payable on such Interest Payment Date notwithstanding any transfer or exchange of such Note subsequent to the Regular Record Date and prior to such Interest Payment Date, except if and to the extent the Issuer shall default in the payment of the interest due on such Interest Payment Date, in which case such defaulted interest shall be paid in accordance with Section 2.13. The term "*Regular Record Date*" as used with respect to any Interest Payment Date for the Notes shall *mean the date specified as such in the Notes*.

Section 2.05 *Paying Agent to Hold Money*

Each Paying Agent shall hold for the benefit of the Holders or the Trustee all money received by the Paying Agent for the payment of principal, premium, interest or Additional Amounts on the Notes (whether such money has been paid to it by the Issuer or any other obligor on the Notes), and the Issuer and the Paying Agent shall notify the Trustee of any Default by the Issuer (or any other obligor on the Notes) in making any such payment. For the avoidance of doubt, each Paying Agent acts as agent and not trustee under this Indenture. Money held by a Paying Agent need not be segregated (other than when the Issuer acts as a Paying Agent), except as required by Law, and in no event shall any Paying Agent be liable for any interest on any money received by it hereunder. The Issuer at any time may require each Paying Agent to pay all money held by it to the Trustee and account for any funds disbursed, and the Trustee may, if a Default has occurred and is continuing, require any Paying Agent to pay forthwith all money so held by it to the Trustee and to account for any funds disbursed. Upon making such payment, the Paying Agent shall have no further liability for the money delivered to the Trustee.

Section 2.06 *Holder Lists*

The Registrar will preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar and the Registrar maintains such a list on behalf of the Issuer, the Issuer will furnish to the Trustee at least seven Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

Section 2.07 *Transfer and Exchange*

(a) Transfer and Exchange of Global Notes.

(1) A Global Note may not be transferred except as a whole by the Depositary to a nominee of the Depositary, by a nominee of the Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary.

(2) All Global Notes will be exchanged by the Issuer for Definitive Registered Notes:

(A) if the Depositary notifies the Issuer that it is unwilling or unable to continue to act as depositary and a successor depositary is not appointed by the Issuer within 120 days;

(B) in whole, but not in part, if the Issuer or the Depositary so request following an Event of Default; or

(C) if the Holder of a Book-Entry Interest requests such exchange in writing delivered through the Depositary following an Event of Default.

Upon the occurrence of any of the preceding events in clauses (A) through (C) above, the Issuer shall issue or cause to be issued Definitive Registered Notes in such names as the Depositary shall instruct the Trustee and such transfer or exchange shall be recorded in the applicable Register.

(3) Global Notes may also be exchanged or replaced, in whole or in part, as provided in Section 2.08 and Section 2.11. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to Section 2.08 or Section 2.11, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note (including a Definitive Registered Note), other than as provided in this Section 2.07(a).

(b) *General Provisions Applicable to Transfers and Exchanges of the Notes.* The transfer and exchange of Book-Entry Interests shall be effected through the Depositary in accordance with the provisions of this Indenture and the Applicable Procedures. Transfers of Book-Entry Interests in the Global Notes (other than transfers of Book-Entry Interests in connection with which the transferor takes delivery thereof in the form of a Book-Entry Interest in the same Global Note) shall require compliance with this Section 2.07(b), as well as one or more of the other following subparagraphs of this Section 2.07, as applicable.

In connection with all transfers and exchanges of Book-Entry Interests (other than transfers of Book-Entry Interests in connection with which the transferor takes delivery thereof in the form of a Book-Entry Interest in the same Global Note), the Trustee and the Paying Agent must receive: (i) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to debit from the transferor a Book-Entry Interest in an amount equal to the Book-Entry Interest to be transferred or exchanged; (ii) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to credit or cause to be credited a Book-Entry Interest in another Global Note in an amount equal to the Book-Entry Interest to be transferred or exchanged; and (iii) instructions given in accordance with the Applicable Procedures containing information regarding the Participants' accounts to be debited with such decrease and credited with such increase, as applicable.

In connection with a transfer or exchange of a Book-Entry Interest for a Definitive Registered Note, the Paying Agent and the Registrar must receive: (i) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to debit from the transferor a Book-Entry Interest in an amount equal to the Book-Entry Interest to be transferred or exchanged; (ii) a written order from a Participant directing the Depositary to cause to be issued a Definitive Registered Note in an amount equal to the Book-Entry Interest to be transferred or exchanged; and (iii) instructions given by the Depositary to the Registrar containing information regarding the Person in whose name such Definitive Registered Note shall be registered to effect the transfer or exchange referred to above.

In connection with any transfer or exchange of Definitive Registered Notes, the Holder of such Notes shall present or surrender to the Registrar the Definitive Registered Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, in connection with a transfer or exchange of a Definitive Registered Note for a Book-Entry Interest, the Trustee and the Paying Agent must receive (i) a written order directing the Depositary to credit the account of the transferee in an amount equal to the Book-Entry Interest to be transferred or exchanged and (ii) instructions given in accordance with the Applicable Procedures containing information regarding the Participant's account to be credited with such increase.

Upon satisfaction of all of the requirements for transfer or exchange of Book-Entry Interests in Global Notes contained in this Indenture, the Paying Agents, the Registrar or the Trustee as specified in this Section 2.07, shall endorse the relevant Global Note(s) with any increase or decrease and instruct the Depositary to reflect such increase or decrease in its systems.

(c) *Transfer of Book-Entry Interests in a Regulation S Global Note to Book-Entry Interests in a 144A Global Note.* A Book-Entry Interest in a Regulation S Global Note may be transferred to a Person who takes delivery thereof in the form of a Book-Entry Interest in a 144A Global Note, only if the transfer complies with the requirements of Section 2.07(b) above and the Trustee receives a certificate to the effect set forth in Exhibit C hereto, including the certification in item (1) thereof.

Upon the receipt of such certificate and the orders and instructions required by Section 2.07(b), the Trustee shall (i) instruct the Depositary to deliver, or cause to be delivered, the Global Notes to the Transfer Agent for endorsement and upon receipt thereof, the Transfer Agent shall decrease Schedule A to such Regulation S Global Note and increase Schedule A to such 144A Global Note by the principal amount of such transfer, and (ii) instruct the Depositary to credit and debit the Participants' accounts in accordance with the certificate and the Applicable Procedures.

(e) *Transfer of Book-Entry Interests in Global Notes to Definitive Registered Notes.* A Holder of a Book-Entry Interest in a Global Note may transfer such Book-Entry Interest to a Person who takes delivery thereof in the form of a Definitive Registered Note if the transfer complies with the requirements of Section 2.07(a) and Section 2.07(b) above and:

(1) in the case of a transfer by a holder of a Book-Entry Interest in a Global Note to a QIB in reliance on Rule 144A, the Trustee shall have received a certificate to the effect set forth in Exhibit C hereto, including the certifications in item (1) thereof; or

(2) in the case of a transfer by a holder of a Book-Entry Interest in a Global Note in reliance on Regulation S, the Trustee shall have received a certificate to the effect set forth in Exhibit C hereto, including the certifications in item (2) thereof.

Upon receipt of such certificates and the orders and instructions required by Section 2.07(b), the Trustee shall (i) instruct the Depositary to deliver, or cause to be delivered, the Global Notes to the Transfer Agent for endorsement and upon receipt thereof, the Transfer Agent shall decrease Schedule A to the relevant Global Note by the principal amount of such transfer; (ii) instruct the Depositary to debit the Participants' accounts in accordance with the certificate and the Applicable Procedures; and (iii) deliver to the Registrar the instructions received by it that contain information regarding the Person in whose name Definitive Registered Notes shall be registered to effect such transfer. The Registrar shall record the transfer in the Register and shall cause all Definitive Registered Notes issued in connection with a transfer pursuant to this Section 2.07(e) to bear the Private Placement Legend.

The Issuer shall issue and, upon receipt of an Authentication Order from the Issuer in accordance with Section 2.02, the Authenticating Agent shall authenticate, one or more Definitive Registered Notes in an aggregate principal amount equal to the aggregate principal amount of Book-Entry Interests so transferred and registered and in the names set forth in the instructions received by the Registrar.

(f) *Transfer of Definitive Registered Notes to Book-Entry Interests in Global Notes.* Any Holder of a Definitive Registered Note may transfer such Definitive Registered Note to a Person who takes delivery thereof in the form of a Book-Entry Interest in a Global Note only if:

(1) in the case of a transfer by a Holder of Definitive Registered Note to a person who takes delivery thereof in the form of a Book-Entry Interest in a Regulation S Global Note, the Registrar shall have received a certificate to the effect set forth in Exhibit C hereto, including the certifications in item (2) thereof;

(2) in the case of a transfer by a Holder of Definitive Registered Notes to a QIB in reliance on Rule 144A who takes delivery thereof in the form of a Book-Entry Interest in a Rule 144A Global Note, the Registrar shall have received a certificate to the effect set forth in Exhibit C hereto, including the certifications in item (1) thereof;

(g) *Exchanges of Book-Entry Interests in Global Notes for Definitive Registered Notes.* A Holder of a Book-Entry Interest in a Global Note may exchange such Book-Entry Interest for a Definitive Registered Note if the exchange complies with the requirements of Section 2.07(a) and Section 2.07(b) above and the Trustee receives the following:

(k) *Cancellation.* At such time as all Book-Entry Interests have been exchanged for Definitive Registered Notes or all Global Notes have been redeemed or repurchased, the Global Notes shall be returned to the Trustee for cancellation in accordance with Section 2.12.

(l) *General Provisions Relating to Registration of Transfers and Exchanges.* To permit registration of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Global Notes and Definitive Registered Notes upon the Issuer's order in accordance with the provisions of Section 2.02.

(1) No service charge shall be made to a Holder for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any taxes, duties or governmental charge payable in connection therewith (other than any such taxes, duties or governmental charge payable upon exchange or transfer pursuant to Sections 2.11, 4.10, 4.14 and 9.05).

(2) All Global Notes and Definitive Registered Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Registered Notes shall be the valid obligations of the Issuer, evidencing the same debt and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Registered Notes surrendered upon such registration of transfer or exchange.

(3) The Issuer shall not be required to register the transfer of, or to exchange, Definitive Registered Notes (A) for a period beginning at the opening of business 15 calendar days before any Redemption Date and ending at the close of business on the Redemption Date; (B) for a period beginning at the opening of business 15 calendar days immediately prior to the date fixed for selection of Notes to be redeemed in part, and ending at the close of business on the date on which such Notes are selected; (C) for a period of 15 calendar days before any Regular Record Date with respect to any Interest Payment Date; or (D) which the Holder has tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer or an Asset Disposition Offer.

(4) The Issuer, the Trustee, the Registrar and the Paying Agents will be entitled to treat the registered Holder of a Note as the owner thereof for all purposes.

(5) The Issuer shall not be required to register the transfer or exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

The Trustee shall have no responsibility for any actions or omissions of the Depositary.

Section 2.08 *Replacement Notes*

(a) If any mutilated Note is surrendered to a Paying Agent, the Registrar or the Trustee or the Issuer and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Issuer will issue and the Authenticating Agent, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee's and/or the Authenticating Agent's requirements are met. If required by the Trustee or the Issuer, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Issuer to protect the Issuer, the Trustee, any Agent and any Authenticating Agent from any loss that any of them may suffer if a Note is replaced. The Issuer and the Trustee may charge for their expenses in replacing a Note, including reasonable fees and expenses of counsel. In the event any such mutilated, lost, destroyed or stolen Note has

become or is about to become due and payable, the Issuer in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

(b) The provisions of this Section 2.08 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or stolen Notes.

(c) Every replacement Note issued pursuant to this Section 2.08 is an additional obligation of the Issuer and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.09 *Outstanding Notes*

The Notes outstanding at any time are all the Notes authenticated by the Authenticating Agent except for those cancelled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.09 as not outstanding. Except as set forth in Section 2.10, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note; however, Notes held by the Issuer or a Subsidiary of the Issuer shall not be deemed to be outstanding for purposes of Section 3.07(a).

If a Note is replaced pursuant to Section 2.08, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Issuer, a Subsidiary or an Affiliate of any thereof) holds, on a Redemption Date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

A mutilated Note ceases to be outstanding upon surrender of such Note and replacement thereof pursuant to Section 2.08.

Section 2.10 *Treasury Notes*

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Issuer, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned will be so disregarded.

Section 2.11 *Temporary Notes*

Until certificates representing Notes are ready for delivery, the Issuer may prepare and the Authenticating Agent, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Issuer considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuer will prepare and the Trustee will authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.12 *Cancellation*

The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will destroy cancelled Notes. Certification of the destruction of all cancelled Notes will be delivered to the Issuer. The Issuer may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.13 *Defaulted Interest*

If the Issuer defaults in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01. The Issuer will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuer will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuer (or, upon the written request of the Issuer, the Trustee in the name and at the expense of the Issuer) will deliver or cause to be delivered to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.14 *CUSIP, ISIN or Common Code Number*

The Issuer in issuing the Notes may use a "CUSIP", an "ISIN" or "Common Code" number and, if so, such CUSIP, ISIN or Common Code number shall be included in notices of redemption or exchange as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness or accuracy of the CUSIP, ISIN or Common Code number printed in the notice or on the Notes, and that reliance may be placed only on the other identification numbers printed on the Notes. The Issuer will promptly notify the Trustee and each Agent of any change in any CUSIP, ISIN and/or Common Code number.

Section 2.15 *Deposit of Moneys*

One Business Day prior to each Interest Payment Date, the maturity date of the Notes, each Redemption Date and each payment date relating to an Asset Disposition Offer or a Change of Control Offer, and on the Business Day immediately following any acceleration of the Notes pursuant to Section 6.02, the Issuer shall deposit with a Paying Agent in immediately available funds money in U.S. dollars sufficient to make cash payments, if any, due on such Interest Payment Date, maturity date, Redemption Date, the payment date relating to an Asset Disposition or a Change of Control Offer, or Business Day, as the case may be. All such payments so made to a Paying Agent, or upon its order, shall be valid, and, to the extent of the sum or sums so paid, effective to satisfy and discharge the liability for moneys payable upon any Note. Subject to receipt of such funds by such time, each Paying Agent shall remit such payment in a timely manner on such Interest Payment Date, maturity date, Redemption Date, the payment date relating to an Asset Disposition or a Change of Control Offer, or Business Day, as the case may be, to the Persons and in the manner set forth in paragraph (B) of the Notes.

Section 2.16 *Actions of Agents*

The rights, powers, duties and obligations and actions of each Agent under this Indenture are several and not joint or joint and several.

ARTICLE 3. **REDEMPTION AND PREPAYMENT**

Section 3.01 *Notices to Trustee*

If the Issuer elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07, Section 3.08 or Section 3.11 or pursuant to Section 4.14(d), they must furnish to the Trustee, at least 10 days but not more than 60 days before a Redemption Date, an Officer's Certificate setting forth:

- (1) the Section of this Indenture pursuant to which the redemption shall occur;
- (2) the Redemption Date and the record date;
- (3) the principal amount of Notes to be redeemed;
- (4) the redemption price; and
- (5) the CUSIP, ISIN or Common Code numbers, as applicable.

Any notices in connection with such redemption shall be given by the Issuer or the Company pursuant to Section 14.01(d) and Section 14.01(e), as applicable.

Section 3.02 *Selection of Notes to Be Redeemed or Purchased; Notices*

In the case of any partial redemption, selection of the Notes for redemption will be made by the Trustee on a pro rata basis (or, in the case of Global Notes, based on the procedures of the Depositary) unless otherwise required by applicable Law or applicable stock exchange or depositary requirements, although no Notes of \$200,000 or less can be redeemed in part. The Trustee and Registrar will not be liable for selections made by it in accordance with this paragraph. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount thereof to be redeemed. A new Note in principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original Note.

For Notes which are represented by Global Notes held on behalf of the Depositary, notices may be given by delivery of the relevant notices to the Depositary for communication to entitled account holders in substitution for the aforesaid delivery.

Section 3.03 *Notice of Redemption*

Subject to the provisions of Section 3.07, at least 10 calendar days but not more than 60 calendar days before a Redemption Date, the Issuer will deliver or cause to be delivered, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be delivered more than 60 days prior to a Redemption Date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles 8 or 12.

The notice will identify the Notes to be redeemed and will state:

- (1) the Redemption Date and the record date;
- (2) the redemption price;
- (3) the CUSIP, ISIN and/or Common Code number(s), if any;
- (4) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the Redemption Date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;
- (5) the name and address of the Paying Agent;
- (6) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (7) that, unless the Issuer defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date (or such other date specified in Section 4.14(d) to the extent applicable);
- (8) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and
- (9) that no representation is made as to the correctness or accuracy of the CUSIP, ISIN and/or Common Code, if any, listed in such notice or printed on the Notes.

At the Issuer's request, the Trustee will give the notice of redemption in the Issuer's name and at its expense; provided, however, that the Issuer has delivered to the Trustee, at least 15 days prior to the Redemption Date or such shorter period as the Trustee may agree, an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 *Effect of Notice of Redemption*

Once notice of redemption is delivered in accordance with Section 3.03, Notes called for redemption become irrevocably due and payable on the Redemption Date at the redemption price; *provided, however*, that a notice of redemption may be conditional except as otherwise set forth in this Article 3.

Section 3.05 *Deposit of Redemption or Purchase Price*

One Business Day prior to the Redemption Date or repurchase date, the Issuer will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued interest on all Notes to be redeemed or repurchased on that date. The Trustee or the Paying Agent will promptly return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption or purchase price of, and accrued interest on, all Notes to be redeemed or purchased.

If the Issuer complies with the provisions of the preceding paragraph, on and after the Redemption Date or repurchase date (or such other date specified in Section 4.14(d), to the extent applicable), interest will cease to accrue on the Notes or the portions of Notes called for redemption or repurchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the

close of business on such record date. If any Note called for redemption or repurchase is not so paid upon surrender for redemption or repurchase because of the failure of the Issuer to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the Redemption Date or repurchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01.

Section 3.06 *Notes Redeemed or Repurchased in Part*

Upon surrender of a Note that is redeemed in part, the Issuer will issue and, upon receipt of an Authentication Order, the Trustee or the Authenticating Agent will authenticate for the Holder at the expense of the Issuer a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered; *provided* that any Definitive Registered Note shall be in a principal amount of \$200,000 or an integral multiple of \$1,000 in excess thereof.

Section 3.07 *Optional Redemption*

(a) Except as set forth in Section 3.07(b), Section 3.07(d), Section 3.08, Section 3.11 and Section 4.14(d), the Notes are not redeemable until October 15, 2022.

(b) At any time prior to October 15, 2022, the Notes Proceeds Loan Borrower may instruct the Issuer to, and upon receipt of such instruction the Issuer will, redeem during each 12 month period commencing with the Issue Date up to 10% of the original principal amount of the Notes outstanding (calculated after giving effect to any issuance of any Additional Notes forming part of the same series of notes, if any) upon not less than 10 nor more than 60 days' notice, at a price equal to 103% of the principal amount thereof, and accrued but unpaid interest and Additional Amounts, if any, to, the applicable redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

In addition, at any time prior to October 15, 2022, the Notes Proceeds Loan Borrower may instruct the Issuer to, and upon receipt of such instruction the Issuer will, redeem all, or from time to time a part, of the Notes upon not less than 10 nor more than 60 days' notice, at a price equal to 100% of the principal amount thereof plus the Applicable Premium as of, and accrued but unpaid interest and Additional Amounts, if any, to, the applicable Redemption Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date).

In each case above, any such redemption and notice may, in the Notes Proceeds Loan Borrower's discretion, be subject to satisfaction of one or more conditions precedent, including that the Issuer or the Notes Proceeds Loan Borrower has received or any Paying Agent has received sufficient funds from the Notes Proceeds Loan Borrower to pay the full redemption price payable to the Holders of the Notes on or before the relevant Redemption Date. If such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Notes Proceeds Loan Borrower's or the Issuer's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date so delayed; provided that in no case shall the notice have been delivered less than 10 days or more than 60 days prior to the date on which such redemption (if any) occurs. In addition, the Notes Proceeds Loan Borrower or the Issuer may provide in such notice that payment of the redemption price and performance of

the Issuer's obligations with respect to such redemption may be performed by another Person.

If a Redemption Date is not a Business Day, payment may be made on the next succeeding day that is a Business Day, and no interest shall accrue on any amount that would have been otherwise payable on such Redemption Date if it were a Business Day for the intervening period. If the Redemption Date is on or after an interest record date and on or before the related Interest Payment Date, the accrued and unpaid interest, if any, will be paid to the Person in whose name the Note is registered at the close of business on such record date and no additional interest will be payable to Holders whose Notes will be subject to redemption.

(c) On or after October 15, 2022, the Notes Proceeds Loan Borrower may instruct the Issuer to, and upon receipt of such instruction the Issuer will, redeem all, or from time to time a part, of the Notes upon not less than 10 nor more than 60 days' notice, at the following redemption prices (expressed as a percentage of principal amount) plus accrued and unpaid interest and Additional Amounts, if any, to the applicable Redemption Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date), if redeemed during the twelve-month period commencing on October 15 of the years set out below:

<u>Year</u>	<u>Redemption Price</u>
2022	103.375 %
2023	101.688 %
2024 and thereafter	100.000 %

In each case above, any such redemption and notice may, in the Notes Proceeds Loan Borrower's discretion, be subject to satisfaction of one or more conditions precedent, including that the Issuer or the Notes Proceeds Loan Borrower has received or any Paying Agent has received sufficient funds from the Notes Proceeds Loan Borrower to pay the full redemption price payable to the Holders of the Notes on or before the relevant Redemption Date. If such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Notes Proceeds Loan Borrower's or the Issuer's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date so delayed; provided that in no case shall the notice have been delivered less than 10 days or more than 60 days prior to the date on which such redemption (if any) occurs. In addition, the Notes Proceeds Loan Borrower or the Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption may be performed by another Person.

If a Redemption Date is not a Business Day, payment may be made on the next succeeding day that is a Business Day, and no interest shall accrue on any amount that would have been otherwise payable on such Redemption Date if it were a Business Day for the intervening period. If the Redemption Date is on or after an interest record date and on or before the related Interest Payment Date, the accrued and unpaid interest, if any, will be paid to the Person in whose name the Note is registered at the close of business on such record date and no additional interest will be payable to Holders whose Notes will be subject to redemption.

(d) At any time, or from time to time, prior to October 15, 2022, the Notes Proceeds Loan Borrower may, at its option, instruct the Issuer to, and upon receipt of such instruction the Issuer will, redeem, upon not less than 10 nor more than 60 days' notice, up to 40% of the original principal amount of the Notes issued under this Indenture (calculated after giving effect to any issuance of any Additional Notes forming part of the same series of notes, if any) at a redemption price of 106.750% of the principal amount of the Notes redeemed, plus accrued and unpaid interest and Additional Amounts, if any, to the Redemption Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date), with the Net Cash Proceeds of one or more Equity Offerings; *provided* that:

(1) at least 50% of the original principal amount of the Notes (calculated after giving effect to any issuance of any Additional Notes forming part of the same series of notes, if any) issued under this Indenture remains outstanding immediately after any such redemption; and

(2) the redemption occurs not more than 180 days after the consummation of any such Equity Offering.

In each case above, any such redemption and notice may, in the Notes Proceeds Loan Borrower's discretion, be subject to satisfaction of one or more conditions precedent, including that the Issuer or the Notes Proceeds Loan Borrower has received or any Paying Agent has received sufficient funds from the Notes Proceeds Loan Borrower to pay the full redemption price payable to the Holders of the Notes on or before the relevant Redemption Date. If such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Notes Proceeds Loan Borrower's or the Issuer's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date so delayed; *provided* that in no case shall the notice have been delivered less than 10 days or more than 60 days prior to the date on which such redemption (if any) occurs. In addition, the Notes Proceeds Loan Borrower or the Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption may be performed by another Person.

If a Redemption Date is not a Business Day, payment may be made on the next succeeding day that is a Business Day, and no interest shall accrue on any amount that would have been otherwise payable on such Redemption Date if it were a Business Day for the intervening period. If the Redemption Date is on or after an interest record date and on or before the related Interest Payment Date, the accrued and unpaid interest, if any, will be paid to the Person in whose name the Note is registered at the close of business on such record date and no additional interest will be payable to Holders whose Notes will be subject to redemption.

(e) Any redemption pursuant to this Section 3.07, Section 3.08 and Section 4.14(d) shall be made pursuant to the provisions of Sections 3.01 through 3.06.

Section 3.08 *Optional Redemption upon Certain Tender Offers*

(a) In connection with any tender offer or other offer to purchase for all of the Notes, if Holders of not less than 90% of the aggregate principal amount of the then outstanding Notes validly tender and do not validly withdraw such Notes in such tender offer and the Issuer, or any third party making such tender offer in lieu of the Issuer, purchases all

of the Notes validly tendered and not validly withdrawn by such Holders, the Issuer (upon instruction from the Proceeds Loan Obligor) or such third party will have the right, at any time, upon not less than 10 nor more than 60 days' notice following such purchase date, to redeem all Notes that remain outstanding following such purchase at a price equal to the price paid to each other Holder in such tender offer, plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to, but excluding, the date of such redemption.

(b) If a Redemption Date is not a Business Day, payment may be made on the next succeeding day that is a Business Day, and no interest shall accrue on any amount that would have been otherwise payable on such Redemption Date if it were a Business Day for the intervening period. If the Redemption Date is on or after an interest record date and on or before the related Interest Payment Date, the accrued and unpaid interest, if any, will be paid to the Person in whose name the Note is registered at the close of business on such record date and no additional interest will be payable to Holders whose Notes will be subject to redemption.

Section 3.09 *Special Mandatory Redemption*

(a) Upon the earliest of (i) the date on which the Acquisition Agreement is terminated prior to the Longstop Date, (ii) if the Acquisition has not been completed on or before the Longstop Date and (iii) the Acquisition is consummated without the use of the Escrowed Property (such date, the "*Escrow Termination Date*"), the Issuer will redeem all of the Notes (the "*Special Mandatory Redemption*") at a redemption price equal to 100% of the principal amount of the Notes plus accrued but unpaid interest (or issue price plus accreted original issue discount and accrued but unpaid interest, if applicable) and Additional Amounts, if any, to the date of the Special Mandatory Redemption (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date). Notice of the Special Mandatory Redemption will be delivered by the Issuer, no later than the second Business Day following the Escrow Termination Date, to the Trustee (with an instruction to the Trustee to deliver the same to each holder of the Notes) and the Escrow Agent, and will provide that the Notes shall be redeemed on a date that is no later than the fifth Business Day after such notice is mailed or delivered (the "*Special Mandatory Redemption Date*"). On the Special Mandatory Redemption Date, the Escrow Agent shall pay to the relevant Paying Agent for payment to each holder the Special Mandatory Redemption Price for such holder's Notes and, concurrently with the payment to such holders, deliver any excess Escrowed Property (if any) to the Issuer.

(a) If the Special Mandatory Redemption Date is on or after an interest record date and on or before the related interest payment date, the accrued and unpaid interest, if any, will be paid to the Person in whose name the Note is registered at the close of business on such record date and no additional interest will be payable to holders whose Notes will be subject to redemption by the Issuer.

(b) In the event the Special Mandatory Redemption Price payable upon such Special Mandatory Redemption exceeds the amount of the Escrowed Property, the Company has agreed to pay to the Trustee an amount in cash equal to the shortfall (including any accrued and unpaid interest) (the "*Escrow Guarantee*").

(c) No provisions of the Escrow Agreement (including, without limitation, those relating to the release of the Escrowed Property) and, to the extent such provisions relate to the Issuer's obligation to redeem the Notes in a Special Mandatory Redemption, this Indenture, may be waived or modified in any manner materially adverse to the holders of the

Notes without the written consent of holders of at least 90% in aggregate principal amount of Notes affected thereby.

Section 3.10 *Mandatory Redemption*

Except as set forth in Section 3.09, the Issuer is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

Section 3.11 *Redemption for Taxation Reasons*

The Notes Proceeds Loan Borrower may instruct the Issuer to, and upon receipt of such instruction the Issuer will, redeem the Notes in whole, but not in part, at any time upon giving not less than 10 nor more than 60 days' notice to the Holders of the Notes (which notice will be irrevocable) at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to the date fixed for redemption (a "*Tax Redemption Date*") (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date), and Additional Amounts, if any, then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise, if the Issuer or the Notes Proceeds Loan Borrower determines that, as a result of:

(1) any change in, or amendment to, the Law or treaties (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction affecting taxation; or

(2) any change in the official position regarding the application, administration or interpretation of such Laws, treaties, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction) (each of the foregoing in clauses (1) and (2), a "*Change in Tax Law*"),

the relevant Payor is, or on the next Interest Payment Date in respect of the Notes would be, required to pay more than de minimis Additional Amounts, and such obligation cannot be avoided by taking reasonable measures available to it (including, without limitation, by appointing a new or additional paying agent in another jurisdiction). The Change in Tax Law must become effective on or after the date of the Offering Memorandum (or, if the relevant jurisdiction was not a Relevant Taxing Jurisdiction on such date, the date on which such jurisdiction became a Relevant Taxing Jurisdiction under this Indenture). In the case of a successor to the Issuer, the Change in Tax Law must become effective after the date that such entity first makes payment on the Notes. Notice of redemption for taxation reasons will be published in accordance with Section 3.03. Notwithstanding the foregoing, no such notice of redemption will be given (a) earlier than 90 days prior to the earliest date on which the Payor would be obliged to make such payment of Additional Amounts and (b) unless at the time such notice is given, such obligation to pay such Additional Amounts remains in effect. Prior to the publication, delivery or mailing of any notice of redemption of the Notes pursuant to the foregoing, the Issuer or the Notes Proceeds Loan Borrower will deliver to the Trustee (i) an Officer's Certificate stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to its right to so redeem have been satisfied and that it cannot avoid the obligations to pay Additional Amounts by taking reasonable measures available to it; and (ii) an opinion of an independent tax counsel reasonably satisfactory to the Trustee to the effect that the circumstances referred to above exist. The Trustee will accept such Officer's Certificate and opinion as sufficient evidence of the existence of satisfaction of the conditions precedent as described above, in which event it will be conclusive and binding on the Holders of the Notes.

The foregoing provisions will apply *mutatis mutandis* to any successor to the Issuer after such successor person becomes a party to this Indenture.

Section 3.12 *Offer to Purchase by Application of Excess Proceeds*

In the event that, pursuant to Section 4.10, the Issuer is required to make an offer to all Holders to purchase Notes (an “*Asset Disposition Offer*”), it will follow the procedures specified below.

The Issuer will make an Asset Disposition Offer to all Holders of Notes and to the extent notified by the Issuer in such notice, to all holders of other Indebtedness of the Company, any Proceeds Loan Obligor or the Issuer that does not constitute Subordinated Obligations (“*Other Asset Disposition Indebtedness*”), to purchase the maximum principal amount of Notes and any such Other Asset Disposition Indebtedness to which the Asset Disposition Offer applies that may be purchased out of the Excess Proceeds, at an offer price in cash in an amount equal to 100% of the principal amount of the Notes and Other Asset Disposition Indebtedness plus accrued and unpaid interest to the date of purchase, in accordance with the procedures set forth in this Section 3.12 or the agreements governing the Other Asset Disposition Indebtedness, as applicable, in each case in a principal amount of \$200,000 and in integral multiples of \$1,000 in excess thereof.

To the extent that the aggregate amount of Notes and Other Asset Disposition Indebtedness so validly tendered and not properly withdrawn pursuant to an Asset Disposition Offer is less than the Excess Proceeds, the Company and any Permitted Affiliate Parent may use any remaining Excess Proceeds for general corporate purposes in any manner not prohibited by this Indenture. If the aggregate principal amount of Notes surrendered by holders thereof and Other Asset Disposition Indebtedness surrendered by holders or lenders, collectively, exceeds the amount of Excess Proceeds, the Trustee shall select the Notes and the Other Asset Disposition Indebtedness to be purchased on a *pro rata* basis on the basis of the aggregate principal amount of tendered Notes and Other Asset Disposition Indebtedness. The Trustee shall not be liable for selections made by it in accordance with this paragraph. For the purposes of calculating the principal amount of any such Indebtedness not denominated in dollars, such Indebtedness shall be calculated by converting any such principal amounts into their Dollar Equivalent determined as of a date selected by the Company or any Permitted Affiliate Parent that is prior to the Asset Disposition Purchase Date. Upon completion of such Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.

No later than five Business Days after the termination of the Asset Disposition Offer (the “*Asset Disposition Purchase Date*”), the Issuer will purchase the principal amount of Notes and Other Asset Disposition Indebtedness required to be purchased pursuant to this Section 3.12 (the “*Asset Disposition Offer Amount*”) or, if less than the Asset Disposition Offer Amount has been so validly tendered, all Notes and Other Asset Disposition Indebtedness validly tendered in response to the Asset Disposition Offer.

To the extent that any portion of Net Available Cash payable in respect of the Notes is denominated in a currency other than the currency in which the Notes are denominated, the amount thereof payable in respect of such Notes shall not exceed the net amount of funds in the currency in which such Notes are denominated that is actually received by the Issuer, upon converting such portion into such currency.

If the Asset Disposition Purchase Date is on or after an interest record date and on or before the related Interest Payment Date, any accrued and unpaid interest will be paid to the Person in whose name a Note is registered at the close of business on such record date,

and no additional interest will be payable to Holders who tender Notes pursuant to the Asset Disposition Offer.

Upon the commencement of an Asset Disposition Offer, the Issuer will deliver a notice to the Trustee and each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Disposition Offer. The notice, which will govern the terms of the Asset Disposition Offer, will state:

(1) that the Asset Disposition Offer is being made pursuant to this Section 3.12 and Section 4.10 and the length of time the Asset Disposition Offer will remain open;

(2) the Asset Disposition Offer Amount, the purchase price and the Asset Disposition Purchase Date;

(3) that any Note not tendered or accepted for payment will continue to accrue interest;

(4) that, unless the Issuer defaults in making such payment, any Note accepted for payment pursuant to the Asset Disposition Offer will cease to accrue interest after the Asset Disposition Purchase Date;

(5) that Holders electing to have a Note purchased pursuant to an Asset Disposition Offer may elect to have Notes purchased in denominations of \$200,000 and in integral multiples of \$1,000 in excess thereof;

(6) that Holders electing to have Notes purchased pursuant to any Asset Disposition Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Issuer, the Depositary, if appointed by the Issuer, or a Paying Agent at the address specified in the notice at least three days before the Asset Disposition Purchase Date;

(7) that Holders will be entitled to withdraw their election if the Issuer, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Asset Disposition Offer, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(8) that, if the aggregate principal amount of Notes and Other Asset Disposition Indebtedness surrendered by Holders thereof exceeds the Asset Disposition Offer Amount, the Issuer will select the Notes and Other Asset Disposition Indebtedness to be purchased on a *pro rata* basis based on the principal amount of Notes and such Other Asset Disposition Indebtedness surrendered (with such adjustments as may be deemed appropriate by the Issuer so that only Notes in denominations of \$200,000 and in integral multiples of \$1,000 in excess thereof will be purchased); and

(9) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Asset Disposition Purchase Date, the Issuer or any Permitted Affiliate Parent will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Asset Disposition Offer Amount of Notes and Other Asset Disposition

Indebtedness or portions of Notes and Other Asset Disposition Indebtedness so validly tendered and not properly withdrawn pursuant to the Asset Disposition Offer, or if less than the Asset Disposition Offer Amount has been validly tendered and not properly withdrawn, all Notes and Other Asset Disposition Indebtedness so validly tendered and not properly withdrawn, in each case in a principal amount of \$200,000 and in integral multiples of \$1,000 in excess thereof. The Company will deliver to the Trustee an Officer's Certificate stating that such Notes or portions thereof were accepted for payment by the Issuer in accordance with the terms of this Section 3.12. The Issuer or the Paying Agents, as the case may be, will promptly (but in any case on or prior to the Asset Disposition Purchase Date) mail or deliver to each tendering Holder of Notes or holder or lender of Other Asset Disposition Indebtedness, as the case may be, an amount equal to the purchase price of the Notes or Other Asset Disposition Indebtedness so validly tendered and not properly withdrawn by such holder or lender, as the case may be, and accepted by the Issuer for purchase, and the Issuer will promptly issue a new Note, and the Trustee (or its authenticating agent), upon delivery of an Officer's Certificate from the Company will authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered; *provided* that each such new Note will be in a principal amount of \$200,000 and in integral multiples of \$1,000 in excess thereof. In addition, the Issuer will take any and all other actions required by the agreements governing the Other Asset Disposition Indebtedness. Any Note not so accepted will be promptly mailed or delivered by the Issuer to the Holder thereof. The Company will publicly announce the results of the Asset Disposition Offer on the Asset Disposition Purchase Date.

The Issuer or any Permitted Affiliate Parent, as the case may be, will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities Laws or regulations in connection with the repurchase of Notes pursuant to this Indenture. To the extent that the provisions of any securities Laws or regulations conflict with the provisions of this Section 3.12 or Section 4.10, the Issuer or any Permitted Affiliate Parent, as the case may be, will comply with the applicable securities Laws and regulations and will not be deemed to have breached its obligations under this Indenture by virtue of any conflict.

Other than as specifically provided in this Section 3.12, any purchase pursuant to this Section 3.12 shall be made pursuant to the provisions of Sections 3.01 through 3.06.

ARTICLE 4. COVENANTS

Section 4.01 *Payments on the Notes*

(a) The Issuer shall pay or cause to be paid the principal of, premium, if any, interest and Additional Amounts, if any, on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, interest and Additional Amounts, if any, shall be considered paid on the date due if the Paying Agent, if other than the Issuer, holds on the Business Day prior to the due date, money deposited by the Issuer in immediately available funds and designated for and sufficient to pay all principal, premium and Additional Amounts, if any, and interest then due.

Principal of, interest, premium and Additional Amounts, if any, on Global Notes will be payable, at the office or agency of the Principal Paying Agent maintained in London, England, for such purposes. All payments on the Global Notes will be made by transfer of immediately available funds to an account of the Holder of the Global Notes in accordance with the procedures of DTC, as applicable.

Principal of, interest, premium and Additional Amounts, if any, on any Definitive Registered Notes will be payable at the office or agency of any Paying Agent, in any location required to be maintained for such purposes pursuant to Section 2.03. In addition, interest on Definitive Registered Notes may be paid by check mailed to the person entitled thereto as shown on the Register.

If the due date for any payment in respect of any Notes is not a Business Day at the place at which such payment is due to be paid, the Holders thereof will not be entitled to payment of the amount due until the next succeeding Business Day at such place, and will not be entitled to any further interest or other payment as a result of any such delay.

(b) The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium at the rate equal to 1% per annum in excess of the then applicable interest rate on the Notes to the extent lawful; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Additional Amounts (without regard to any applicable grace period) at the same rate to the extent lawful.

Section 4.02 *Maintenance of Office or Agency*

The Issuer shall maintain the offices and agencies specified in Section 2.03. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee. For the avoidance of doubt, the Trustee shall not be required to act as Registrar

The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Issuer hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Issuer in accordance with Section 2.03.

Section 4.03 *Reports*

(a) So long as the Notes are outstanding, the Company or any Permitted Affiliate Parent will provide to the Trustee without cost to the Trustee (who, at the Issuer's expense, will provide to the Holders) and, in each case of clauses (1), (2) and (3) of this Section 4.03, will post on its, the Reporting Entity's or the Ultimate Parent's website (or make similar disclosure) the following (*provided*, however, that to the extent any reports are filed on the SEC's website or on the Reporting Entity's or the Ultimate Parent's website, such reports shall be deemed to be provided to the Trustee and the Holders of the Notes):

(1) within 150 days after the end of each fiscal year, audited combined or Consolidated balance sheets of the Reporting Entity as of the end of the two most recent fiscal years (or such shorter period as the Reporting Entity has been in existence) and audited combined or Consolidated income statements and statements of cash flow of the Reporting Entity for the two most recent fiscal years (or such shorter period as the Reporting Entity has been in existence), in each case prepared in accordance with GAAP, including appropriate footnotes to such financial statements, and a report of the independent public

accountants on the financial statements; *provided*, however, that such financial statements need not (i) contain any segment data other than as required under GAAP in its financial statements with respect to the period presented, (ii) include any exhibits, or (iii) include separate financial statements for any Affiliates of the Reporting Entity or any acquired businesses;

(2) within 75 days after the end of each of the first three quarters in each fiscal year, unaudited condensed combined or Consolidated financial statements of the Reporting Entity for the relevant fiscal quarter, prepared in accordance with GAAP; provided that such financial statements need not (i) contain any segment data other than as required under GAAP in its financial statements with respect to the period presented, (ii) include any exhibits or (iii) include separate financial statements for any Affiliates of the Reporting Entity or any acquired businesses; and

(3) within 10 days after the occurrence of such event, information with respect to (a) any change in the independent public accountants of the Reporting Entity (unless such change is made in conjunction with a change in the auditor of the Ultimate Parent), (b) any material acquisition or disposal of the Company, the Permitted Affiliate Parents and the Restricted Subsidiaries, taken as a whole, and (c) any material development in the business of the Company, the Permitted Affiliate Parents and the Restricted Subsidiaries, taken as a whole.

(b) If the Company, or any Permitted Affiliate Parent has designated any of its Subsidiaries as Unrestricted Subsidiaries and any such Unrestricted Subsidiary or group of Unrestricted Subsidiaries would, if they were Restricted Subsidiaries constitute Significant Subsidiaries of the Reporting Entity, then the annual and quarterly financial statements required by Section 4.03(a)(1) and Section 4.03(a)(2), as applicable, shall include a reasonably detailed presentation, either on the face of the financial statements, in the footnotes thereto or in a separate report delivered therewith, of the financial condition and results of operations of the Reporting Entity and its Restricted Subsidiaries separate from the financial condition and results of operations of such Unrestricted Subsidiaries.

(c) Following any election by the Reporting Entity to change its accounting principles in accordance with the definition of GAAP set forth under Section 1.01, the annual and quarterly information required by Section 4.03(a)(1) and Section 4.03(a)(2), as applicable, shall include any reconciliation presentation required by clause (2)(a) of the definition of GAAP set forth under Section 1.01.

(d) Notwithstanding the foregoing, the Company may satisfy its obligations under Section 4.03(a)(1) and Section 4.03(a)(2), as applicable, by (i) prior to a Permitted Affiliate Parent Accession or an Affiliate Subsidiary Accession, delivering the corresponding Consolidated annual financial statements and quarterly information of the Company or any Parent of the Company and (ii) following a Permitted Affiliate Parent Accession, delivering the corresponding condensed combined or Consolidated annual financial statements and quarterly financing information of the Common Holding Company or any Parent of the Common Holding Company; *provided* that to the extent that material differences exist between the business, assets, results of operations or financial condition of (i) the Reporting Entity and (ii) the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries (excluding, for the avoidance of doubt, the effect of any intercompany balances between the Reporting Entity and the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries), such annual and quarterly financial statements shall include an unaudited reconciliation of such Parent's or Common Holding Company's (as the case may be) financial statements to the condensed combined or Consolidated financial statements of the

Company, any Permitted Affiliate Parent and the Restricted Subsidiaries. Following any such election, references in this covenant to the "Reporting Entity" shall be deemed to refer to the Company, such Common Holding Company or such Parent of the Common Holding Company (as the case may be). Nothing contained in this Indenture shall preclude the Reporting Entity from changing its fiscal year end.

(e) To the extent that material differences exist between the business, assets, results of operations or financial condition of (i) the Reporting Entity and (ii) the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries (excluding, for the avoidance of doubt, the effect of any intercompany balances between the Reporting Entity and the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries), the annual financial statements and quarterly information required by Section 4.03(a)(1) and Section 4.03(a)(2), as applicable, shall give a reasonably detailed description of such differences and include an unaudited reconciliation of the Reporting Entity's financial statements to the financial statements of the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries.

(f) In addition, so long as the Notes remain outstanding and during any period during which the Reporting Entity is not subject to Section 13 or 15(d) of the Exchange Act nor exempt therefrom pursuant to Rule 12g3-2(b) of the Exchange Act, the Reporting Entity shall furnish to the holders of the Notes and to prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(g) The Issuer, the Company or any Permitted Affiliate Parent will provide to the Trustee (*provided*, however, that to the extent any reports are filed on the SEC's website or on the Reporting Entity's or the Ultimate Parent's website, such reports shall be deemed to be provided to the Trustee), within 150 days after the end of each fiscal year ending subsequent to the Issue Date, an audited consolidated balance sheet of the Issuer as of the end of the two most recent fiscal years (or such shorter period as the Issuer has been in existence) and audited consolidated income statements and statements of cash flow of the Issuer for the three most recent fiscal years (or such shorter period as the Issuer has been in existence), in each case prepared in accordance with GAAP, IFRS or Local GAAP (such reporting standard, the "*Initial Reporting Standard*"), including appropriate footnotes to such financial statements and a report of independent auditors on the financial statements. At any time after the Issue Date, the Issuer may elect to apply for all purposes of this Indenture, in lieu of the Initial Reporting Standard, any of GAAP, IFRS or Local GAAP (the "*New Reporting Standard*") and, upon such election, (1) all financial statements and reports to be provided, after such election, pursuant to this Indenture shall be prepared on the basis of the New Reporting Standard as in effect from time to time (including that, upon first reporting its fiscal year results under the New Reporting Standard, the Issuer shall restate its financial statements on the basis of the New Reporting Standard for the fiscal year ending immediately prior to the first fiscal year for which financial statements have been prepared on the basis of the New Reporting Standard), and (2) from and after such election, all ratios, computations, and other determinations based on Initial Reporting Standard contained in this Indenture shall be computed in conformity with the New Reporting Standard with retroactive effect being given thereto assuming that such election had been made on the Issue Date.

Section 4.04 *Compliance Certificate*

(a) The Company, any Permitted Applicable Parent or the Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year, an Officer's Certificate stating that, in the course of the performance by the signers of their duties as officers of the Company, any Permitted Applicable Parent or the Issuer, as applicable, they would normally

have knowledge of any Default, and further stating whether or not the signers know of any Default that occurred during such period.

(b) The Company, any Permitted Applicable Parent or the Issuer shall, so long as any of the Notes are outstanding, deliver to the Trustee within 30 days after becoming aware of the occurrence of any Default or Event of Default an Officer's Certificate specifying such Default or Event of Default, its status and what action the Company, any Permitted Applicable Parent or the Issuer, as applicable, is taking or proposes to take with respect thereto.

Section 4.05 *Taxes*

The Issuer, the Company and any Permitted Applicable Parent will pay, and will cause each of its respective Restricted Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders.

Section 4.06 *Stay, Extension and Usury Laws*

Each of the Issuer, the Company and any Permitted Applicable Parent agrees (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury Law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and each of the Issuer, the Company and any Permitted Applicable Parent agrees (to the extent that it may lawfully do so) hereby to expressly waive all benefit or advantage of any such Law, and agrees that it will not, by resort to any such Law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such Law has been enacted.

Section 4.07 *Limitation on Restricted Payments*

(a) Each of the Issuer and the Guarantor will not, directly or indirectly:

- (1) declare or pay any dividend or make any distribution on or in respect of its Capital Stock; or
- (2) purchase, redeem, retire or otherwise acquire for value any of its Capital Stock,

in each case, other than Permitted SPV Maintenance Payments.

(b) The Company and any Permitted Affiliate Parent will not, and will not permit any of the Restricted Subsidiaries, directly or indirectly:

(1) to declare or pay any dividend or make any distribution on or in respect of its Capital Stock (including any payment in connection with any merger or consolidation involving the Company, any Permitted Affiliate Parent or any of the Restricted Subsidiaries) except:

(A) dividends or distributions payable in Capital Stock of the Company, any Permitted Affiliate Parent or an Affiliate Subsidiary (other than Disqualified Stock) or Subordinated Shareholder Loans; and

(4) to make any Restricted Investment in any Person;

(any such dividend, distribution, purchase, redemption, repurchase, defeasance, other acquisition, retirement or Restricted Investment referred to in clause (1) through clause (4) above is referred to herein as a “*Restricted Payment*”), if at the time the Company, such Permitted Affiliate Parent or such Restricted Subsidiary makes such Restricted Payment:

(B) except in the case of a Restricted Investment, if such Restricted Payment is made in reliance on Section 4.07(C)(i), the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries are not able to Incur an additional \$1.00 of Indebtedness pursuant to Section 4.09(b) after giving effect, on a *pro forma* basis, to such Restricted Payment; or

(C) the aggregate amount of such Restricted Payment and all other Restricted Payments declared or made subsequent to the Issue Date and not returned or rescinded (excluding all Restricted Payments permitted by Section 4.07(c) would exceed the sum of:

- (i) an amount equal to 100% of the Consolidated EBITDA for the period beginning on the first day of the first full fiscal quarter commencing prior to the Issue Date to the end of the Reporting Entity's most recently ended full fiscal quarter ending prior to the date of such Restricted Payment for which internal Consolidated financial statements of the Reporting Entity are available, taken as a single accounting period, less the product of 1.4 times the Consolidated Interest Expense for such period;
- (ii) 100% of the aggregate Net Cash Proceeds and the fair market value, of marketable securities, or other property or assets, received by the Company, any Permitted Affiliate Parent or any Affiliate Subsidiary from the issue or sale of its Capital Stock (other than Disqualified

(23) [Reserved];

(24) Indebtedness pursuant to any Permitted Financing Action and any Refinancing Indebtedness in respect thereof; and

(25) in addition to the items referred to in clauses (1) through (24) of this Section 4.09(c), Indebtedness of the Company, any Permitted Affiliate Parent or any Restricted Subsidiary in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness Incurred pursuant to this Section 4.09(c)(25) and then outstanding, will not exceed the greater of (i) \$75.0 million and (ii) 5.0% of Total Assets at any time outstanding.

(d) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this Section 4.09:

(1) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in Section 4.09(b) and Section 4.09(c), the Company, in its sole discretion, will classify such item of Indebtedness on the date of its Incurrence and only be required to include the amount and type of such Indebtedness in one of such clauses of Section 4.09(b) or Section 4.09(c) and will be permitted on the date of such Incurrence to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in Section 4.09(b) and Section 4.09(c), and, from time to time, may reclassify all or a portion of such Indebtedness, in any manner that complies with this Section 4.09;

provided, however, that the LCPR Initial Revolving Credit Commitments under the LCPR Credit Agreement and the SPV Credit Facility Proceed Loans funded or outstanding on the Escrow Release Date shall be deemed to have been Incurred under Section 4.09(c)(1) and cannot be reclassified;

(2) guarantees of, or obligations in respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(3) if obligations in respect of letters of credit are Incurred pursuant to any Credit Facility and are being treated as Incurred pursuant to Section 4.09(b) or Section 4.09(c)(1), Section 4.09(c)(17), Section 4.09(c)(18), Section 4.09(c)(21) or Section 4.09(c)(25) and the letters of credit relate to other Indebtedness, then such other Indebtedness shall not be included;

(4) the principal amount of any Disqualified Stock of the Company or any Permitted Affiliate Parent, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(5) Indebtedness permitted by this Section 4.09 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this Section 4.09 permitting such Indebtedness;

(6) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined in accordance with GAAP; and

(7) in the event that the Company, any Permitted Affiliate Parent or a Restricted Subsidiary enters into or increases commitments under a revolving credit facility, enters into any commitment to Incur or issue Indebtedness or commits to Incur any Lien pursuant to clause (30) of the definition of "Permitted Liens" set forth under Section 1.01, the Incurrence or issuance thereof for all purposes under this clause (7), including without limitation for purposes of calculating the Consolidated Net Leverage Ratio or Consolidated Senior Secured Leverage Ratio, or usage of clauses (1) through (25) of Section 4.09(c) (if any) for borrowings and re-borrowings thereunder (and including issuance and creation of letters of credit and bankers' acceptances thereunder) will, at the Company's or any Permitted Affiliate Parent's option, either (a) be determined on the date of such revolving credit facility or such entry into or increase in commitments (assuming that the full amount thereof has been borrowed as of such date) or other Indebtedness, and, if such Consolidated Net Leverage Ratio, Consolidated Senior Secured Leverage Ratio or other provision of this Section 4.09 is satisfied with respect thereto at such time, any borrowing or re-borrowing thereunder (and the issuance and creation of letters of credit and bankers' acceptances thereunder) will be permitted under this Section 4.09 irrespective of the Consolidated Net Leverage Ratio, Consolidated Senior Secured Leverage Ratio, or other provision of this Section 4.09 at the time of any borrowing or re-borrowing (or issuance or creation of letters of credit or bankers' acceptances thereunder) (the committed amount permitted to be borrowed or re-borrowed (and the issuance and creation of letters of credit and bankers' acceptances) on a date pursuant to the operation of this sub-clause (a) shall be the "*Reserved Indebtedness Amount*" as of such date for purposes of the Consolidated Net Leverage Ratio and Consolidated Senior Secured Leverage Ratio and, to the extent of the usage of clauses (1) through (25) of Section 4.09(c) (if any), shall be deemed to be Incurred and outstanding under such clauses) or (b) be determined on the date such amount is borrowed pursuant to

any such facility or increased commitment, and in the case of sub-clause (a) of this clause (7), the Company or any Permitted Affiliate Parent may revoke any such determination at any time and from time to time.

(e) Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest or dividends in the form of additional Indebtedness, Preferred Stock or Disqualified Stock and increases in the amount of Indebtedness due to a change in accounting principles will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.09. The amount of any Indebtedness outstanding as of any date shall be (1) the accreted value thereof in the case of any Indebtedness issued with original issue discount and (2) the principal amount or liquidation preference thereof, together with any interest thereon that is more than 30 days past due, in the case of any other Indebtedness.

(f) If at any time an Unrestricted Subsidiary becomes a Permitted Affiliate Parent or a Restricted Subsidiary, any Indebtedness of such Unrestricted Subsidiary shall be deemed to be Incurred by a Permitted Affiliate Parent or a Restricted Subsidiary as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under Section 4.09, the Issuer shall be in Default of this Section 4.09).

(g) For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the Dollar Equivalent principal amount of Indebtedness denominated in a foreign currency shall be (1) calculated by the Company based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term Indebtedness, or first committed or first Incurred (whichever yields the lower Dollar Equivalent), in the case of revolving credit Indebtedness; provided that if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-dominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-dominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced and (2) if and for so long as any such Indebtedness is subject to an agreement intended to protect against fluctuations in currency exchange rates with respect to the currency in which such Indebtedness is denominated covering principal and interest on such Indebtedness, the swapped rate of such Indebtedness (if swapped into U.S. dollars) as of the date of the applicable swap. Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries may Incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

(h) For purposes of determining compliance with (1) Section 4.09(b) and (2) any other provision of this Indenture which requires the calculation of any financial ratio or test, including the Consolidated Net Leverage Ratio and the Consolidated Senior Secured Net Leverage Ratio, the Dollar Equivalent principal amount of Indebtedness denominated in a foreign currency (if such Indebtedness has not been swapped into U.S. dollars, or if such Indebtedness has been swapped into a currency other than U.S. dollars) shall be calculated by the Company using the same weighted average exchange rates for the relevant period used in the Consolidated financial statements of the Reporting Entity for calculating the

Dollar Equivalent of Consolidated EBITDA denominated in the same currency as the currency in which such Indebtedness is denominated or into which it has been swapped.

Section 4.10 *Limitation on Sales of Assets and Subsidiary Stock*

(a) The Issuer and the Guarantor will not, directly or indirectly, consummate any SPV Asset Disposition.

(b) The Company and any Permitted Affiliate Parent will not, and will not permit any of the Restricted Subsidiaries to, make any Asset Disposition unless:

(1) the Company, any Permitted Affiliate Parent or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at least equal to the fair market value (such fair market value to be determined on the date of contractually agreeing to such Asset Disposition), as determined conclusively in good faith by the Board of Directors or senior management of the Company or any Permitted Affiliate Parent (including as to the value of all non-cash consideration), of the shares and assets subject to such Asset Disposition;

(2) unless the Asset Disposition is a Permitted Asset Swap, at least 75% of the consideration from such Asset Disposition (excluding any consideration by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise, other than Indebtedness) received by the Company, any Permitted Affiliate Parent or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; and

(3) an amount equal to 100% of the Net Available Cash from such Asset Disposition is applied by the Company, any Permitted Affiliate Parent or such Restricted Subsidiary, as the case may be:

(A) to the extent the Company, any Permitted Affiliate Parent or any Restricted Subsidiary, as the case may be, elects (or is required by the terms of any Indebtedness), to prepay, repay or purchase Senior Indebtedness of the Company, the Issuer (including the Notes), any Permitted Affiliate Parent or a Proceeds Loan Guarantor or Indebtedness of a Restricted Subsidiary other than a Proceeds Loan Guarantor (in each case other than Indebtedness owed to the Company, any Permitted Affiliate Parent or an Affiliate of the Company, the Issuer or any Permitted Affiliate Parent) within 365 days from the later of the date of such Asset Disposition or the receipt of such Net Available Cash; *provided, however*, that, in connection with any prepayment, repayment or purchase of Indebtedness pursuant to this clause (a), the Company, any Permitted Affiliate Parent or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment (if any) (except in the case of any revolving Indebtedness) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid or purchased; or

(B) to the extent the Company, any Permitted Affiliate Parent or such Restricted Subsidiary elects to invest in or commit to invest in Additional Assets within 365 days from the later of the date of such Asset Disposition or the receipt of such Net Available Cash; *provided, however*, that any such reinvestment in Additional Assets made pursuant to a definitive agreement or a commitment approved by the Board of Directors or senior management of the Company or any Permitted Affiliate Parent that is executed or approved within such time will satisfy this requirement, so long as such investment is consummated within 6 months of such 365th day;

provided that pending the final application of any such Net Available Cash in accordance with clause (A) or clause (B) of this Section 4.10(b)(3), the Company, any Permitted Affiliate Parent or such Restricted Subsidiary may temporarily reduce Indebtedness or otherwise invest such Net Available Cash in any manner not prohibited by this Indenture.

(c) Any Net Available Cash from Asset Dispositions that is not applied or invested or committed to be applied as provided in Section 4.10(b) will be deemed to constitute “*Excess Proceeds*”. On the 366th day (or the 546th day, in the case of any Net Available Cash committed to be used pursuant to a definitive binding agreement or commitment approved by the Board of Directors or senior management of the Company or any Permitted Affiliate Parent pursuant to Section 4.10(b)(3)(B) after an Asset Disposition (or at such earlier date that the Company or any Permitted Affiliate Parent may elect), if the aggregate amount of Excess Proceeds exceeds \$100.0 million, the Issuer will be required to make an Asset Disposition Offer in accordance with Section 3.11.

For the purposes of this Section 4.10, the following will be deemed to be cash:

(1) the assumption by the transferee of Indebtedness (other than Subordinated Obligations) of the Company, any Permitted Affiliate Parent, the Issuer or any Proceeds Loan Obligor or Indebtedness of a Restricted Subsidiary that is not a Proceeds Loan Guarantor and the release of the Company, any Permitted Affiliate Parent, the Issuer, such Proceeds Loan Obligor or such Restricted Subsidiary from all liability on such Indebtedness in connection with such Asset Disposition (in which case the Issuer will, without further action, be deemed to have applied such deemed cash to Indebtedness in accordance with Section 4.10(b)(3)(A);

(2) securities, notes or other obligations received by the Company, any Permitted Affiliate Parent or any Restricted Subsidiary from the transferee that are convertible by the Company, any Permitted Affiliate Parent or such Restricted Subsidiary into cash or Cash Equivalents within 180 days following the closing of such Asset Disposition;

(3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Company, any Permitted Affiliate Parent and each Restricted Subsidiary are released from any guarantee of payment of the principal amount of such Indebtedness in connection with such Asset Disposition;

(4) consideration consisting of Indebtedness of the Company, any Permitted Affiliate Parent or any Restricted Subsidiary;

(5) any Designated Non-Cash Consideration received by the Company, any Permitted Affiliate Parent or any Restricted Subsidiary in such Asset Dispositions having an aggregate fair market value not to exceed 25.0% of the consideration from such Asset Disposition (excluding any consideration received from such Asset Disposition in accordance with clauses (1) to (4) of this Section 4.10(c)) (with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value);

(6) in addition to any Designated Non-Cash Consideration received pursuant to clause (5) of this Section 4.10(c), any Designated Non-Cash Consideration received by the Company, any Permitted Affiliate Parent or any Restricted Subsidiary in such Asset Dispositions having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this clause (6) that is at that time outstanding,

(7) consideration consisting of securities or obligations issued, insured or unconditionally guaranteed by a government (or any agency or instrumentality thereof) of a country where the Company, any Permitted Affiliate Parent or any Restricted Subsidiary is organized or located.

(d) The Issuer or any Permitted Affiliate Parent, as the case may be, will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities Laws or regulations in connection with the repurchase of Notes pursuant to this Indenture. To the extent that the provisions of any securities Laws or regulations conflict with provisions of Section 4.10, the Issuer or any Permitted Affiliate Parent, as the case may be, will comply with the applicable securities Laws and regulations and will not be deemed to have breached its obligations under this Indenture by virtue of any conflict.

(1) the terms of such Affiliate Transaction are not materially less favorable, taken as a whole, to the Company, such Permitted Affiliate Parent or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable transaction at the time of such transaction in arm's-length dealings with a Person who is not such an Affiliate (or, in the event that there are no comparable transactions involving Persons who are not Affiliates of the Company, such Permitted Affiliate Parent or such Restricted Subsidiary to apply for comparative purposes, is otherwise on terms that, taken as a whole, the Company, any Permitted Affiliate Parent or such Restricted Subsidiary has conclusively determined in good faith to be fair to the Company, such Permitted Affiliate Parent or such Restricted Subsidiary); and

(2) in the event such Affiliate Transaction involves an aggregate consideration in excess of \$100.0 million, the terms of such transaction have been approved by either (i) a majority of the members of the Board of Directors or (ii) the senior management of the Company, such Permitted Affiliate Parent or such Restricted Subsidiary, as applicable.

(3) loans or advances to employees, officers or directors in the ordinary course of business of the Company, any Permitted Affiliate Parent or any Restricted Subsidiary, but in any event not to exceed \$2.0 million in the aggregate amount outstanding at any one time with respect to all loans or advances made since the Issue Date;

(5) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture, which, taken as a whole, are fair to the Company, the relevant Permitted Affiliate Parent or Restricted Subsidiary, as applicable, or are on terms not materially less favorable than those that could reasonably have been obtained at such time from an unaffiliated party;

(6) loans or advances to any Affiliate of the Company or any Permitted Affiliate Parent by the Company, any Permitted Affiliate Parent or any Restricted Subsidiary, provided that the terms of such loan or advance are fair to the Company or any Permitted Affiliate Parent or the relevant Restricted Subsidiary, as the case may be, or are on terms not materially less favorable than those that could reasonably have been obtained from an unaffiliated party;

(7) the payment of reasonable and customary fees paid to, and indemnity provided on behalf of, directors, executives or officers of any Parent, the Company, any Permitted Affiliate Parent, an Affiliate Subsidiary or any Restricted Subsidiary;

(a) None of the Issuer or the Guarantor will, directly or indirectly, create, incur or suffer to exist any Lien (other than Permitted SPV Liens) upon any of its property or assets, whether owned on the date of this Indenture or acquired after that date.

(b) The Company and any Permitted Affiliate Parent will not, and will not permit any of the Restricted Subsidiaries to, directly or indirectly, create, incur or suffer to exist any Lien (other than (1) in the case of any property or asset that does not constitute Proceeds Loan Collateral, Permitted Liens (other than Permitted Collateral Liens), and (2) in the case of any property or asset that constitutes Proceeds Loan Collateral, Permitted Collateral Liens) upon any of its property or assets (including Capital Stock of Restricted Subsidiaries),

whether owned on the Issue Date or acquired after that date, which Lien is securing any Indebtedness (such Lien, the "*Initial Lien*"), unless, in the case of Section 4.12(b)(1) only, contemporaneously with the Incurrence of such Initial Lien effective provision is made to secure the Indebtedness due under the Proceeds Loan Agreement or, in respect of Liens on any Proceeds Loan Guarantor's property or assets, such Proceeds Loan Guarantor's Proceeds Loan Guarantee, equally and ratably with (or prior to, in the case of Liens with respect to Subordinated Obligations of the Company, a Proceeds Loan Obligor or a Restricted Subsidiary, as the case may be) the Indebtedness secured by such Initial Lien for so long as such Indebtedness is so secured.

(c) Any such Lien created pursuant to Section 4.12(b) will be automatically and unconditionally released and discharged upon (1) the release and discharge of the Initial Lien to which it relates, or (2) in accordance with Section 11.02.

(d) For purposes of determining compliance with this Section 4.12, (1) a Lien need not be Incurred solely by reference to one category of Permitted Liens, but may be Incurred under any combination of such categories (including in part under one such category and in part under any other such category) and (2) in the event that a Lien (or any portion thereof) meets the criteria of one or more of such categories of Permitted Liens, the Company shall, in its sole discretion, divide, classify or may subsequently reclassify at any time such Lien (or any portion thereof) in any manner that complies with this Section 4.12 and the definition of "Permitted Liens".

(e) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the Incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The "*Increased Amount*" of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms or in the form of common stock, the payment of dividends on Preferred Stock in the form of additional shares of Preferred Stock of the same class, accretion of original issue discount or liquidation preference, any fees, underwriting discounts, accrued and unpaid interest, premiums and other costs and expenses incurred in connection therewith and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

Section 4.13 *Corporate Existence*

Subject to Article 5, the Company and any Permitted Affiliate Parent shall respectively do or cause to be done all things necessary to preserve and keep in full force and effect:

taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders.

Section 4.14 *Change of Control*

(a) If a Change of Control shall occur at any time, the Issuer shall, pursuant to the procedures described in this Section 4.14, offer (the "*Change of Control Offer*") to purchase all Notes in whole or in part in denominations of \$200,000 and in integral multiples of \$1,000 in excess thereof at a purchase price (the "*Change of Control Purchase Price*") in cash in an amount equal to 101% of the principal amount of such Notes, plus any Additional Amounts and accrued and unpaid interest, if any, to the date of purchase (the "*Change of Control Purchase Date*") (subject to the rights of holders of record on relevant record dates to receive interest due on an Interest Payment Date); *provided*, however, that the Issuer shall not be obliged to repurchase Notes as described in this Section 4.14 in the event and to the extent that it has unconditionally exercised its right to redeem all of the Notes pursuant to Section 3.07 or Section 3.08 or all conditions to such redemption have been satisfied or waived. No such purchase in part shall reduce the principal amount at maturity of the Notes held by any holder to below \$200,000.

Unless the Issuer has unconditionally exercised its right to redeem all the Notes as described under Section 3.07 or Section 3.08 or all conditions to such redemption have been satisfied or waived, within 30 days of any Change of Control, or, at the Issuer's option, at any time prior to a Change of Control following the public announcement thereof or if a definitive agreement is in place for the Change of Control, the Issuer shall notify the Trustee thereof and give written notice of such Change of Control to each Holder stating, to the extent relevant, among other things:

(1) that a Change of Control has occurred (or may occur) and the date (or expected date) of such event;

(2) the circumstances and relevant facts regarding such Change of Control;

(3) the purchase price and the purchase date which shall be fixed by the Issuer, the Company or a Permitted Affiliate Parent on a Business Day no earlier than 10 days nor later than 60 days from the date such notice is mailed or delivered, or such later date as is necessary to comply with requirements under the Exchange Act;

(4) that any Note not tendered will continue to accrue interest and unless the Issuer defaults in payment of the Change of Control Purchase Price, any Notes accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest after the Change of Control Purchase Date; and

(5) certain other procedures that a Holder must follow to accept a Change of Control Offer or to withdraw such acceptance.

If and for so long as the Notes are listed on the International Stock Exchange and the rules of the International Stock Exchange so require, the Company will publish a public announcement with respect to the results of any Change of Control Offer in a leading newspaper of general circulation in the Channel Islands or, to the extent and in the manner permitted by such rules, post such notice on the official website of the International Stock Exchange.

The Issuer will comply with the applicable tender offer rules, including Rule 14e-1 under the Exchange Act, and any other applicable securities Laws or regulations in

connection with a Change of Control Offer. To the extent that the provisions of any applicable securities Laws or regulations conflict with the provisions of this Section 4.14 (other than the obligation to make an offer pursuant to this Section 4.14), the Issuer will comply with the securities Laws and regulations and will not be deemed to have breached its obligations described in this Section 4.14 by virtue thereof.

(b) On the Change of Control Purchase Date, the Issuer shall, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent, prior to 10:00 a.m. London time an amount equal to the Change of Control Purchase Price in respect of all Notes or portions of Notes properly tendered; and

(3) deliver or cause to be delivered to the Trustee, the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Issuer.

The Paying Agent will promptly mail (but in any case not later than five days after the Change of Control Purchase Date) to each Holder of Notes properly tendered the Change of Control Purchase Price for such Notes, and the Authenticating Agent will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note in equal principal amount to any unpurchased portion of Notes surrendered to the applicable Holder; *provided that* each such new Note will be in a principal amount of \$200,000 and in integral multiples of \$1,000 in excess thereof. The Issuer will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Purchase Date.

(c) Notwithstanding anything to the contrary in this Section 4.14, the Issuer shall not be required to make a Change of Control Offer following a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.14 and purchases all Notes validly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to Section 3.07, unless and until there is a default in payment of the applicable redemption price. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(d) If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the Issuer as described above, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuer or such third party will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of the delivery of the notice for such redemption.

Section 4.15 *Limitation on Issuances of Guarantees of Indebtedness by Restricted Subsidiaries*

(a) The Company and any Permitted Affiliate Parent will not permit any Restricted Subsidiary (other than any Proceeds Loan Obligor) to, directly or indirectly, guarantee or otherwise become obligated under any Indebtedness of any Proceeds Loan Obligor in an amount in excess of \$50.0 million unless such Restricted Subsidiary is or becomes an Additional Proceeds Loan Guarantor on the date on which such other guarantee or Indebtedness is Incurred (or as soon as reasonably practicable thereafter) (which Additional Proceeds Loan Guarantee shall be senior to or *pari passu* with such Restricted Subsidiary's guarantee of such other Indebtedness); *provided* that:

(1) if such Restricted Subsidiary is not a Significant Subsidiary, such Restricted Subsidiary shall only be obligated to become an Additional Proceeds Loan Guarantor if such Indebtedness is Indebtedness of the Company, a Permitted Affiliate Parent or a Proceeds Loan Borrower or Public Debt of a Proceeds Loan Guarantor;

(2) if the Indebtedness is *pari passu* in right of payment to the Proceeds Loan, any such guarantee of such Restricted Subsidiary with respect to such Indebtedness shall rank *pari passu* in right of payment to its Proceeds Loan Guarantee;

(3) if the Indebtedness is subordinated in right of payment to the Proceeds Loan, any such guarantee of such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to its Proceeds Loan Guarantee substantially to the same extent as such Indebtedness is subordinated in right of payment to the Proceeds Loan;

(4) an Additional Proceeds Loan Guarantor's Proceeds Loan Guarantee may be limited in amount to the extent required by fraudulent conveyance, thin capitalization, corporate benefit, financial assistance or other similar Laws (but, in such a case (A) each of the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries will use their reasonable best efforts to overcome the relevant legal limit and will procure that the relevant Restricted Subsidiary undertakes all whitewash or similar procedures which are legally available to eliminate the relevant limit and (B) the relevant guarantee shall be given on an equal and ratable basis with the guarantee of any other Indebtedness giving rise to the obligation to guarantee the Proceeds Loan); and

(5) for so long as it is not permissible under applicable Law for a Restricted Subsidiary to become an Additional Proceeds Loan Guarantor, such Restricted Subsidiary need not become an Additional Proceeds Loan Guarantor (but, in such a case, each of the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries will use their reasonable best efforts to overcome the relevant legal prohibition precluding the giving of the guarantee and will procure that the relevant Restricted Subsidiary undertakes all whitewash or similar procedures which are legally available to eliminate the relevant legal prohibition, and shall give such guarantee at such time (and to the extent) that it thereafter becomes permissible).

(b) Section 4.15(a) shall not apply to: (1) the granting by such Restricted Subsidiary of a Permitted Lien under circumstances which do not otherwise constitute the guarantee of Indebtedness of the Company, any Permitted Affiliate Parent or any Restricted Subsidiary; or (2) the guarantee by any Restricted Subsidiary of Indebtedness that refinances Indebtedness which benefited from a guarantee by any Restricted Subsidiary Incurred in compliance with this Section 4.15 immediately prior to such refinancing.

(c) Notwithstanding anything herein to the contrary, the provisions of Section 4.15(a) shall not be applicable to any guarantee provided by a Restricted Subsidiary that existed at the time such person became a Restricted Subsidiary if such guarantee was not incurred in connection with, or in contemplation of, such person becoming a Restricted Subsidiary.

(d) Notwithstanding the foregoing, any Additional Proceeds Loan Guarantee created pursuant to the provisions described in Section 4.15(a) shall provide by its terms that it shall be automatically and unconditionally released and discharged upon the occurrence of any events described in clauses (1) through (14) under Section 10.05.

Section 4.16 *Payments for Consents*

The Issuer, the Company and any Permitted Affiliate Parent will not, and will not permit any of the Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture, the Notes, the Proceeds Loan Agreement, the Collateral Sharing Agreement or any Note Security Document unless such consideration is offered to be paid and is paid to all Holders that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement. Notwithstanding the foregoing, the Issuer, the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries shall be permitted, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of this Indenture, to exclude Holders in any jurisdiction where (i) the solicitation of such consent, waiver or amendment, including in connection with an exchange offer or an offer to purchase for cash, or (ii) the payment of the consideration therefor would require Issuer, the Company, any Permitted Affiliate Parent or any Restricted Subsidiary to file a registration statement, prospectus or similar document under any applicable securities Laws (including, but not limited to, the United States federal securities Laws and the Laws of the European Union or its member states), which the Issuer or the Company in its sole discretion determine (acting in good faith) (A) would be materially burdensome (it being understood that it would not be materially burdensome to file the consent document(s) used in other jurisdictions, any substantially similar documents or any summary thereof with the securities or financial services authorities in such jurisdiction) or (B) such solicitation would otherwise not be permitted under applicable Law in such jurisdiction.

Section 4.17 *Impairment of Liens*

(a) The Issuer shall not take or omit to take any action that would have the result of materially impairing any Lien in the Note Collateral granted under the Note Security Documents (it being understood, subject to the proviso below, that the Incurrence of Permitted SPV Liens shall under no circumstances be deemed to materially impair any Lien in the Note Collateral granted under the Note Security Documents) for the benefit of the Trustee, the Security Trustee and/or the Holders of the Notes, and the Issuer shall not grant to any Person other than the Security Trustee, for the benefit of the Trustee, the Security Trustee and/or the Holders of the Notes and the other beneficiaries described in the Note Security Documents and the Collateral Sharing Agreement, any interest in any of the Note Collateral, except that (1) the Issuer may incur Permitted SPV Liens and (2) the Note Collateral may be discharged and released in accordance with this Indenture, the Note Security Documents and the Collateral Sharing Agreement; *provided* however, that, except with respect to any discharge or release of Note Collateral in accordance with this Indenture, the Note Security Documents or the Collateral Sharing Agreement, in connection with the

Incurrence of Liens for the benefit of the Trustee, the Security Trustee and Holders of Notes, no Note Security Document may be amended, extended, renewed, restated, supplemented or otherwise modified or replaced, except that, at the direction of the Issuer and without the consent of the Holders of the Notes, the Trustee and the Security Trustee may from time to time (subject to customary protections and indemnifications from the Company or any Permitted Affiliate Parent) enter into one or more amendments to the Note Security Documents to: (A) cure any ambiguity, omission, manifest error, defect or inconsistency therein; (B) provide for Permitted SPV Liens; (C) provide for the release of any Lien on any properties and assets constituting Note Collateral from the Lien of the Note Security Documents, provided that such release is followed by the substantially concurrent re-taking of a Lien of at least equivalent priority over the same properties and assets securing the Notes; (D) provide for the release of any Lien pursuant to, or in connection with, any Solvent Liquidation; (E) as is reasonably necessary to give effect to the LCPR Group Assumption, the Credit Facility Assumption and the Debt Pushdown; and (F) make any other change that does not adversely affect the Holders of the Notes in any material respect. For any amendments, modifications or replacements of any Note Security Documents not contemplated in clause (A) to (F) above, the Issuer, the Company or any Permitted Affiliate Parent delivers to the Trustee and the Security Trustee either (i) a solvency opinion, in form and substance reasonably satisfactory to the Trustee and the Security Trustee, from an Independent Financial Advisor confirming the solvency of the Issuer and its Subsidiaries, taken as a whole, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement, or (ii) a certificate from the responsible financial or accounting officer of the relevant grantor (acting in good faith) which confirms the solvency of the Person granting such Lien after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement or (iii) an Opinion of Counsel, in form reasonably satisfactory to the Trustee and the Security Trustee, confirming that, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement, the Lien or Liens created under the Note Security Documents, as applicable, so amended, extended, renewed, restated, supplemented, modified or replaced are valid and perfected (if such concept is applicable under the jurisdiction where such Lien is granted) Liens not otherwise subject to any limitation, imperfection or new hardening period, in equity or at law, that such Lien or Liens were not otherwise subject to immediately prior to such amendment, extension, renewal, restatement, supplement, modification or replacement. In the event that the Issuer complies with the requirements of this Section 4.17, the Trustee and the Security Trustee shall (subject to customary protections and indemnifications) consent to any such amendment, extension, renewal, restatement, supplement, modification or replacement without the need for instructions from Holders of the Notes.

(b) The Company and any Permitted Affiliate Parent shall not, and shall not permit any Restricted Subsidiary to, take or omit to take any action that would have the result of materially impairing any Lien on the Proceeds Loan Collateral granted under the Proceeds Loan Security Documents (it being understood, subject to the proviso below, that the Incurrence of Permitted Collateral Liens shall under no circumstances be deemed to materially impair any Lien on the Proceeds Loan Collateral granted under the Proceeds Loan Security Documents) for the benefit of the Trustee, the Security Agent and/or the holders of the Notes, and the Company and any Permitted Affiliate Parent shall not, and shall not permit any Restricted Subsidiary to, grant to any Person other than the Trustee, the Security Agent and/or the holders of the Notes and the other beneficiaries described in the Proceeds Loan Security Documents and any Intercreditor Agreement, as applicable, any interest whatsoever in any of the Proceeds Loan Collateral, except that (a) the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries may Incur Permitted Collateral

Liens, (b) the Proceeds Loan Collateral may be discharged and released in accordance with the Proceeds Loan Agreement, the Proceeds Loan Security Documents and any Intercreditor Agreement, as applicable, and (c) the Company, any Permitted Affiliate Parent and any Restricted Subsidiary may consummate any other transaction permitted under Section 5.01; provided that, except with respect to any discharge or release of Proceeds Loan Collateral in accordance with the Proceeds Loan Agreement, the Proceeds Loan Security Documents and any Intercreditor Agreement, as applicable, or in connection with the Incurrence of Liens for the benefit of the Trustee, the Security Agent and/or the holders of the Notes, no Proceeds Loan Security Document may be amended, extended, renewed, restated, supplemented or otherwise modified or replaced, except that, at the direction of the Company or any Permitted Affiliate Parent and without the consent of the holders of the Notes, the Trustee and/or the Security Agent, the Security Trustee may from time to time (subject to customary protections and indemnifications from the Company) enter into one or more amendments to the Proceeds Loan Security Documents to: (1) cure any ambiguity, omission, manifest error, defect or inconsistency therein; (2) provide for Permitted Collateral Liens; (3) make any change necessary or desirable, as determined conclusively in good faith by the Board of Directors, senior management or an Officer of the Company or a Permitted Affiliate Parent, in order to implement transactions permitted under Section 5.01; (4) provide for the release of any Lien on any properties and assets constituting Proceeds Loan Collateral from the Lien of the Proceeds Loan Security Documents; provided that such release is followed by the substantially concurrent re-taking of a Lien of at least equivalent priority over the same properties and assets securing the Proceeds Loan or the Proceeds Loan Guarantee, as applicable; (5) provide for the release of any Lien pursuant to, or in connection with, any Solvent Liquidation; (6) as is reasonably necessary to give effect to the LCPR Group Assumption, the Credit Facility Assumption and the Debt Pushdown and (7) make any other change that does not adversely affect the holders of the Notes in any material respect. For any amendments, modifications or replacements of any Proceeds Loan Security Documents not contemplated in clauses (1) to (7) of this Section 4.17(b), the Company or any Permitted Affiliate Parent shall, contemporaneously deliver to the Trustee, either (A) a solvency opinion, in form reasonably satisfactory to the Trustee from an Independent Financial Advisor confirming the solvency of the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries, taken as a whole, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement, (B) a certificate from the responsible financial or accounting officer of the relevant Grantor (acting in good faith) which confirms the solvency of the person granting such Lien after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement, or (C) an Opinion of Counsel, in form reasonably satisfactory to the Trustee, confirming that, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement, the Lien or Liens created under the Proceeds Loan Security Documents, as applicable, so amended, extended, renewed, restated, supplemented, modified or replaced, are valid Liens not otherwise subject to any limitation, imperfection or new hardening period, in equity or at law, that such Lien or Liens were not otherwise subject to immediately prior to such amendment, extension, renewal, restatement, supplement, modification or replacement.

Section 4.18 *Additional Amounts*

All payments made by or on account of the Issuer or any successor thereto (a "*Payor*") on or with respect to the Notes will be made without withholding or deduction for, or on account of, any present or future taxes (including interest or penalties to the extent resulting from a failure by the Issuer to timely pay amounts due), duties, assessments or governmental charges of whatever nature ("*Taxes*") unless the withholding or deduction of such Taxes is

then required by Law or by the official interpretation or administration thereof. If any deduction or withholding for, or on account of, any Taxes imposed or levied by or on behalf of:

(1) the government of Ireland or any other jurisdiction in which the Initial Proceeds Loan Borrower is organized or otherwise considered to be resident for tax purposes, or in each case, any political subdivision or governmental authority thereof or therein having power to tax;

(2) any jurisdiction from or through which payment on the Notes is made, or any political subdivision or governmental authority thereof or therein having the power to tax; or

(3) any other jurisdiction in which a Payor is organized or otherwise considered to be a resident for tax purposes, or any political subdivision or governmental authority thereof or therein having the power to tax (each of clause (1), (2) and (3), a "*Relevant Taxing Jurisdiction*"),

will at any time be required from any payments made with respect to the Notes, including payments of principal, redemption price, interest or premium, the Payor will pay (together with such payments) such additional amounts (the "*Additional Amounts*") as may be necessary in order that the net amounts received in respect of such payments by each Holder of the Notes, as the case may be, after such withholding or deduction (including any such deduction or withholding from such Additional Amounts) equal the amounts which would have been received in respect of such payments in the absence of such withholding or deduction; provided, however, that no such Additional Amounts will be payable with respect to:

(a) any Taxes that would not have been so imposed but for the existence of any present or former connection between the relevant Holder or beneficial owner and the Relevant Taxing Jurisdiction imposing such Taxes (other than the mere ownership or holding of such Note or enforcement of rights thereunder or under this Indenture or the receipt of payments in respect thereof);

(b) any Taxes that would not have been so imposed if the Holder had made a declaration of non-residence or any other claim or filing for exemption to which it is entitled (provided that (i) such declaration of non-residence or other claim or filing for exemption is required by the applicable Law of the Relevant Taxing Jurisdiction as a precondition to exemption from the requirement to deduct or withhold all or a part of any such Taxes and (ii) at least 30 days prior to the first payment date with respect to which such declaration of non-residence or other claim or filing for exemption is required under the applicable Law of the Relevant Taxing Jurisdiction, the relevant Holder at that time has been notified (in accordance with the procedures set forth in this Indenture) by the Payor or any other person through whom payment may be made that a declaration of non-residence or other claim or filing for exemption is required to be made, but only to the extent the Holder is legally entitled to provide such declaration, claim or filing);

(c) any Note presented for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the Holder (except to the extent that the Holder would have been entitled to Additional Amounts had the Note been presented during such 30-day period);

(d) any Taxes that are payable otherwise than by withholding from a payment of the principal of, redemption price of, premium, if any, or interest on or with respect to the Notes;

(e) any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge;

(f) all United States backup withholding taxes;

(g) any withholding or deduction imposed pursuant to (1) Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986 (as amended), as of the Issue Date (or any amended or successor version that is substantively comparable and not materially more onerous to comply with) and any current or future regulations or official interpretations thereof, (2) any treaty, Law, regulation or other official guidance enacted in any other jurisdiction, or relating to an intergovernmental agreement between the United States and any other jurisdiction, which (in either case) facilitates the implementation of (1) above or (3) any agreement pursuant to the implementation of (1) or (2) above with the U.S. Internal Revenue Service, the U.S. government or any governmental or taxation authority in any other jurisdiction; or

(h) any combination of items (a) through (g) above.

Such Additional Amounts will also not be payable where, had the beneficial owner of the Note been the Holder of the Notes, it would not have been entitled to payment of Additional Amounts by reason of any of clauses (a) to (h) inclusive of this Section 4.18.

The Payor will (1) make any required withholding or deduction and (2) remit the full amount deducted or withheld to the Relevant Taxing Jurisdiction in accordance with applicable Law. The Payor will use all reasonable efforts to provide evidence reasonably satisfactory to the Trustee that the payment of any Taxes so deducted or withheld from each Relevant Taxing Jurisdiction imposing such Taxes has been made and will provide such evidence to each Holder. The Payor will attach to such evidence a certificate stating (a) that the amount of withholding Taxes evidenced by the certified copy was paid in connection with payments in respect of the principal amount of Notes then outstanding and (b) the amount of such withholding Taxes paid per \$1,000 principal amount of the Notes. Copies of such documentation will be available for inspection during ordinary business hours at the office of the Trustee by the Holders of the Notes upon request and will be made available at the offices of the Paying Agents if the Notes are then listed on the International Stock Exchange.

At least 30 days prior to each date on which any payment under or with respect to the Notes is due and payable (unless such obligation to pay Additional Amounts arises shortly before or after the 30th day prior to such date, in which case it shall be promptly thereafter), if the Payor will be obligated to pay Additional Amounts with respect to such payment, the Payor will deliver to the Trustee and each Paying Agent an Officer's Certificate stating the fact that such Additional Amounts will be payable, the amounts so payable and will set forth such other information necessary to enable the Paying Agents to pay such Additional Amounts to Holders on the payment date. Each such Officer's Certificate shall be relied upon until receipt of a further Officer's Certificate addressing such matters. The Trustee and the Paying Agents shall be entitled to rely solely on each such Officer's Certificate as conclusive proof that such payments are necessary.

Wherever mentioned in this Indenture or the Notes, in any context, (1) the payment of principal, (2) purchase prices in connection with a purchase of Notes, (3) interest, or (4) any other amount payable on or with respect to the Notes, such reference shall be deemed to include payment of Additional Amounts as described under this heading to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

The Payor will pay any present or future stamp, court or documentary taxes or any other excise or property taxes, charges or similar levies (including interest and penalties to the extent resulting from a failure by the Issuer to timely pay amounts due) which arise in any jurisdiction from the execution, delivery or registration of any Notes or any other document or instrument referred to therein (other than a transfer of the Notes), or the receipt of any payments with respect to the Notes, excluding any such taxes, charges or similar levies imposed by any jurisdiction that is not a Relevant Taxing Jurisdiction or any jurisdiction in which a Paying Agent is located, other than those resulting from, or required to be paid in connection with, the enforcement of the Notes, the Note Collateral or any other such document or instrument following the occurrence of any Event of Default with respect to the Notes.

The obligations in this Section 4.18 will survive any termination, defeasance or discharge of this Indenture and will apply *mutatis mutandis* to any jurisdiction in which any successor to a Payor is organized or resident for tax purposes or any political subdivision or taxing authority or agency thereof or therein.

Section 4.19 *Suspension of Covenants on Achievement of Investment Grade Status*

If, during any period after the Issue Date, the Notes have achieved and continue to maintain Investment Grade Status and no Event of Default has occurred and is continuing (such period hereinafter referred to as an “*Investment Grade Status Period*”), then the Company will notify the Trustee of this fact and beginning on the date such status was achieved, the provisions of Sections 3.12, 4.07, 4.08, 4.09, 4.10, 4.11 and 4.14, and Section 5.01(b)(3) and any related default provisions of this Indenture will be suspended and will not, during such Investment Grade Status Period, be applicable to the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries. As a result, during any such Investment Grade Status Period, the Notes will lose a significant amount of the covenant protection initially provided under this Indenture. No action taken during an Investment Grade Status Period or prior to an Investment Grade Status Period in compliance with the covenants then applicable will require reversal or constitute a Default under this Indenture or the Notes in the event that suspended covenants are subsequently reinstated or suspended, as the case may be. An Investment Grade Status Period will terminate immediately upon the failure of the Notes to maintain Investment Grade Status (the “*Reinstatement Date*”). The Company or any Permitted Affiliate Parent will promptly notify the Trustee in writing of any failure of the Notes to maintain Investment Grade Status and the Reinstatement Date.

Section 4.20 *Further Instruments and Acts*

Upon request of the Trustee, but without an affirmative duty on the Trustee to do so, the Issuer, the Company and any Permitted Affiliate Parent shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

Section 4.21 *Listing*

The Issuer will apply to list the Notes on the International Stock Exchange and will use all reasonable efforts to obtain permission to be granted to deal in the Notes on the Official List of The International Stock Exchange within a reasonable period after the Issue Date and will maintain such listing as long as the Notes are outstanding; *provided*, however, that if the Issuer can no longer maintain such listing or it becomes unduly burdensome to make or maintain such listing (for the avoidance of doubt, preparation of financial statements in accordance with IFRS (except pursuant to the definition of GAAP) or any accounting standard other than GAAP and any other standard pursuant to which the Reporting Entity

then prepares its financial statements shall be deemed unduly burdensome), the Issuer may cease to make or maintain such listing on the International Stock Exchange provided that the Issuer will use its reasonable best efforts to obtain and maintain the listing of the Notes on another recognized listing exchange for high yield issuers (which may be a stock exchange that is not regulated by the European Union). Notwithstanding anything herein to the contrary, the Issuer may cease to make or maintain a listing (whether on the International Stock Exchange or on another recognized listing exchange for high yield issuers) if such listing is not required for the Issuer to benefit from an exemption on withholding tax on interest payments on the Notes or to otherwise prevent tax from being withheld from interest payments on the Notes.

Section 4.22 *Collateral Sharing Agreement; Additional Collateral Sharing Agreements*

(a) The Trustee will become party to the Collateral Sharing Agreement on the Escrow Release Date, and each Holder of a Note, by accepting such Note, will be deemed to have (i) authorized the Trustee to enter into the Collateral Sharing Agreement, (ii) agreed to be bound by all the terms and provisions of the Collateral Sharing Agreement applicable to such Holder and (iii) irrevocably appointed and directed each of the Trustee and the Security Trustee to act on its behalf and to perform the duties and exercise the rights, powers and discretions that are specifically given to them under the Collateral Sharing Agreement.

(b) At the request of the Issuer, in connection with the Incurrence by the Issuer of any Indebtedness that is permitted to share the Note Collateral pursuant to the definition of Permitted SPV Lien, the Issuer and the Trustee shall enter into with the holders of such Indebtedness (or their duly authorized Representatives) a collateral sharing agreement, including a restatement, accession, amendment or other modification of an existing collateral sharing agreement (an "*Additional Collateral Sharing Agreement*"), on substantially the same terms as the Collateral Sharing Agreement (or terms not materially less favorable to the Holders); provided, that such Additional Collateral Sharing Agreement will not impose any personal obligations on the Trustee or adversely affect the personal rights, duties, liabilities or immunities of the Trustee under this Indenture or the Additional Collateral Sharing Agreement.

(c) At the direction of the Issuer and without the consent of the Holders of the Notes, the Trustee and the Security Trustee will from time to time enter into one or more amendments to the Collateral Sharing Agreement or any Additional Collateral Sharing Agreement to:

- (i) cure any ambiguity, omission, manifest error, defect or inconsistency therein;
- (ii) add other parties (such as representatives of new issuances of Indebtedness) thereto;
- (iii) further secure the Notes (including Additional Notes);
- (iv) make provision for equal and ratable grants of Liens on the Note Collateral to secure Additional Notes or to implement any Permitted SPV Liens;
- (v) make any other change to the Collateral Sharing Agreement or such Additional Collateral Sharing Agreement to provide for additional Indebtedness (including with respect to any Collateral Sharing Agreement or Additional Collateral Sharing Agreement, the addition of provisions relating to new Indebtedness ranking junior in right of payment to the Notes) or other obligations that are permitted by the terms of this Indenture to be Incurred and

secured by a Lien on the Note Collateral on a senior, pari passu or junior basis with the Liens securing the Notes;

- (vi) amend the Collateral Sharing Agreement or any Additional Collateral Sharing Agreement in accordance with the terms thereof;
- (vii) implement any transaction in connection with the renewal, extension, refinancing, replacement or increase of any Indebtedness that is secured by the Note Collateral and that is not prohibited by this Indenture; or
- (viii) make any other change thereto that does not adversely affect the rights of the Holders of the Notes in any material respect; provided that no such changes shall be permitted to the extent they affect the ranking of any Note, enforcement of Liens over the Note Collateral, the application of proceeds from the enforcement of the Note Collateral or the release of any Security in a manner than would adversely affect the rights of the Holders of the Notes in any material respect except as otherwise permitted by this Indenture, the Collateral Sharing Agreement or any Additional Collateral Sharing Agreement immediately prior to such change.

(d) The Issuer will not otherwise direct the Trustee or the Security Trustee to enter into any amendment to the Collateral Sharing Agreement or, if applicable, any Additional Collateral sharing Agreement, without the consent of the holders of a majority in principal amount of the Notes outstanding, except as described above or otherwise permitted below under Article 9, and the Issuer may only direct the Trustee and the Security Trustee to enter into any amendment to the extent such amendment does not impose any personal obligations on the Trustee or Security Trustee or, in the opinion of the Trustee or Security Trustee, adversely affect their respective rights, duties, liabilities or immunities under this Indenture or the Collateral Sharing Agreement or any Additional Collateral Sharing Agreement.

(e) Each Holder of a Note, by accepting such Note, is deemed to have:

- (1) appointed and authorized the Trustee and the Security Trustee from time to time to give effect to such provisions;
- (2) authorized each of the Trustee and the Security Trustee from time to time to become a party to any Additional Collateral Sharing Agreement;
- (3) agreed to be bound by such provisions and the provisions of any Additional Collateral Sharing Agreement; and
- (4) irrevocably appointed the Trustee and the Security Trustee to act on its behalf from time to time to enter into and comply with such provisions and the provisions of any Additional Collateral Sharing Agreement,

in each case, without the need for the consent of the Holders.

(f) In relation to the Collateral Sharing Agreement or an Additional Collateral Sharing Agreement, the Trustee shall consent on behalf of the Holders to the payment, repayment, purchase, repurchase, defeasance, acquisition, retirement or redemption of any obligations subordinated to the Notes thereby; provided, however, that such transaction would comply with Section 4.07.

(g) At the direction of the Issuer, the Trustee shall become party to the Covenant Agreement on the Issue Date at the signing of this Indenture.

Section 4.23 *Intercreditor Agreement; Additional Intercreditor Agreement*

(a) The Issuer and the SPV Borrower, as lenders and guarantors under the Proceeds Loan Agreement, and the Security Agent, as security agent, will be party to the Intercreditor Agreement.

(b) At the request of the Company or any Permitted Affiliate Parent, in connection with the Incurrence by a Proceeds Loan Obligor of any Indebtedness that is permitted to share in any collateral governed by the Intercreditor Agreement, the Proceeds Loan Obligors and the Issuer as lender under the Proceeds Loan shall enter into with the Holders of such Indebtedness (or their duly authorized Representatives) an intercreditor agreement, including a restatement, accession, amendment or other modification of an existing intercreditor agreement (an "*Additional Intercreditor Agreement*"), on substantially the same terms as the Intercreditor Agreement (or terms not materially less favorable to the Issuer as lender under the Proceeds Loans).

(c) At the direction of the Company or any Permitted Affiliate Parent and without the consent of the Holders of the Notes, the Trustee and the Security Trustee, as applicable, will from time to time enter into one or more amendments to the applicable Intercreditor Agreement (including, for the avoidance of doubt, any Additional Intercreditor Agreement) to:

- (1) cure any ambiguity, omission, manifest error, defect or inconsistency therein;
- (2) add guarantors or other parties (such as representatives of new issuances of Indebtedness) thereto;
- (3) secure the Proceeds Loan or the Proceeds Loan Guarantees;
- (4) make provisions for equal and ratable grants of Liens on the Proceeds Loan Collateral to secure additional Proceeds Loans or implement any Permitted Collateral Liens;
- (5) make any other change to the applicable Intercreditor Agreement to provide for additional Indebtedness constituting Subordinated Obligations or any other additional Indebtedness (in either case, including with respect to the applicable Intercreditor Agreement, the addition of provisions relating to new Indebtedness ranking junior in right of payment to the Proceeds Loan or the Proceeds Loan Guarantees, as applicable) or other obligations that are permitted by the terms of this Indenture to be Incurred and secured by a Lien on any collateral on a senior, *pari passu* or junior basis with any Liens securing the Proceeds Loan or the Proceeds Loan Guarantees;
- (6) add Restricted Subsidiaries to the applicable Intercreditor Agreement;
- (7) amend the applicable Intercreditor Agreement in accordance with the terms thereof;
- (8) make any change necessary or desirable, in the good faith determination of the Board of Directors or senior management of the Company, in order to implement any transaction that is subject to Article 5;

(9) implement any transaction in connection with the renewal, extension, refinancing, replacement or increase of the LCPR Credit Facilities, the Notes, or the Proceeds Loans, as applicable, that is not prohibited by this Indenture; or

(10) make any other change thereto that does not adversely affect the rights of the Holders of the Notes in any material respect; provided that no such changes shall be permitted to the extent they affect the ranking of the Proceeds Loan or the release of any Proceeds Loan Guarantee in a manner than would adversely affect the rights of the Holders of the Notes in any material respect except as otherwise permitted by this Indenture, or the applicable Intercreditor Agreement, immediately prior to such change.

(d) The Company and any Permitted Affiliate Parent will not otherwise direct the Trustee or the Security Trustee, as applicable, to enter into any amendment to either of the Intercreditor Agreement or, if applicable, any Additional Intercreditor Agreement, without the consent of the Holders of a majority in principal amount of the Notes outstanding, except as otherwise permitted under Article 9, and the Company may only direct the Trustee and the Security Trustee, applicable, to enter into any amendment to the extent such amendment does not impose any personal obligations on the Trustee or Security Trustee, as applicable, or, in the opinion of the Trustee or Security Trustee, adversely affect their respective rights, duties, liabilities or immunities under this Indenture or the Intercreditor Agreement or any Additional Intercreditor Agreement.

(e) Each Holder of a Note, by accepting such Note, is deemed to have:

(1) appointed and authorized the Issuer, the Trustee and the Security Trustee, as applicable, from time to time to give effect to the foregoing provisions;

(2) authorized each of the Issuer, the Guarantor, Trustee and the Security Trustee, as applicable, from time to time to become a party to any Additional Intercreditor Agreement and any document giving effect to such amendments to the Intercreditor Agreement or any Additional Intercreditor Agreement;

(3) agreed to be bound by such provisions and the provisions of any Additional Intercreditor Agreement and any document giving effect to such amendments to the Intercreditor Agreement or any Additional Intercreditor Agreement; and

(4) irrevocably appointed the Trustee and the Security Trustee, as applicable, to act on its behalf from time to time to enter into and comply with the foregoing provisions and the provisions of any Additional Intercreditor Agreement, and of any document giving effect to such amendments to either the Intercreditor Agreement or any Additional Intercreditor Agreement,

in each case, without the need for the consent of the Holders.

(f) In relation to the Intercreditor Agreement or an Additional Intercreditor Agreement, the Issuer and/or the Trustee (on behalf of the Holders of the Notes), as applicable, shall consent to the payment, repayment, purchase, repurchase, defeasance, acquisition, retirement or redemption of any obligations subordinated to the Notes thereby; provided, however, that such transaction would comply with Section 4.07.

Section 4.24 *Limitation on Issuer Activities*

(a) Prior to the LCPR Group Assumption, the Issuer and the Guarantor will not engage in any business activity or undertake any other activity, except any activity:

(1) relating to the offering, sale or issuance of the Notes (including any Escrowed Proceeds), any Additional Notes and any Additional SPV Debt permitted to be incurred under this Indenture (including the lending of the proceeds of such sale of the Notes, any Additional Notes or any Additional SPV Debt to one or more Proceeds Loan Obligors);

(2) undertaken with the purpose of, and directly related to, fulfilling its obligations or exercising its rights under the Notes, this Indenture, the Note Security Documents, the Proceeds Loan, the Proceeds Loan Agreement, the Covenant Agreement, the Collateral Sharing Agreement, the Intercreditor Agreement or any other document relating to the Notes, any Additional Notes, the Proceeds Loan, any Additional Proceeds Loans or any other Additional SPV Debt permitted to be incurred under this Indenture;

(3) directly related to or reasonably incidental to the establishment and maintenance of the Issuer's and the Guarantor's corporate existence;

(4) directly related to investing amounts received by the Issuer or the Guarantor (other than amounts not corresponding to required payments under the Notes) in such manner not otherwise prohibited by this Indenture;

(5) of a type customarily entered into by orphan financing companies;

(6) directly related to or reasonably incidental to the incorporation and ownership of the shares of Subsidiaries for the purposes of issuing or incurring senior secured indebtedness to be on-lent to a Proceeds Loan Obligor and conducting activities related to, or reasonably incidental to, the establishment or maintenance of its or its Subsidiaries' corporate existence;

(7) directly related to or reasonably incidental to other activities not specifically enumerated above that are de minimis in nature or that are of the same nature as activities exercised by the Issuer and the Guarantor on the Issue Date;

(8) directly related to the making of Permitted SPV Investments and Permitted SPV Maintenance Payments and the granting of Permitted SPV Liens;

(9) directly related to or reasonably incidental to the Debt Pushdown and the LCPR Group Assumption; or

(10) in connection with any Permitted Financing Action.

(b) Prior to the LCPR Group Assumption, the Issuer and the Guarantor will not:

(1) issue any Capital Stock (other than to the Issuer Share Trustee, Borrower Share Trustee, the Issuer, the Guarantor or the Senior Debt Issuer);

(2) take any action which would cause it to no longer satisfy the requirements of an available exemption from the provisions of the U.S. Investment Company Act of 1940, as amended;

(3) commence or take any action or facilitate a winding-up, examinership, liquidation, dissolution or other analogous proceeding;

(4) amend its constitutive documents in any manner which would adversely affect the rights of Holders of the Notes in any material respect;

(5) transfer or assign any of its rights under a Proceeds Loan, except pursuant to the Note Security Documents or in connection with a Permitted Financing Action; or

(6) following the Issue Date, deposit any other moneys or funds into the applicable SPV Profit Account.

(c) Except as otherwise provided in this Indenture, the Issuer will take all actions that are necessary and within its power to prohibit the transfer of the issued shares in the Issuer (other than pursuant to the LCPR Group Assumption).

(d) Subject to the Collateral Sharing Agreement, whenever the Issuer receives a payment or prepayment under the Notes Proceeds Loan, it shall use the funds received solely to satisfy its obligations (to the extent of the amount owing in respect of such obligations) under this Indenture (including any premium payable to Holders of the Notes).

Section 4.25 *Limitation on Layering*

The Company and any Permitted Affiliate Parent will not incur, and will not permit any Proceeds Loan Obligor to incur, any indebtedness that is contractually subordinated in right of payment to any other indebtedness of the Company or any Proceeds Loan Obligor that ranks *pari passu* with or subordinated to the Proceeds Loan or Proceeds Loan Guarantee, as applicable, unless such indebtedness is also contractually subordinated in right of payment to the Proceeds Loan or relevant Proceeds Loan Guarantee, on substantially identical terms (as conclusively determined in good faith by the Board of Directors or senior management of the Company or any Permitted Affiliate Parent); provided, however, that no indebtedness will be deemed to be contractually subordinated in right of payment to any other indebtedness of the Company, any Proceeds Loan Obligor or any other Restricted Subsidiary solely by virtue of being unsecured or secured on a junior lien basis or by virtue of not being guaranteed or by virtue of the application of waterfall or other payment ordering provisions affecting different tranches of indebtedness.

Section 4.26 *Limited Condition Transaction*

(a) In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of determining compliance with any provision of this Indenture which requires that no Default or Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of the Company or any Permitted Affiliate Parent, be deemed satisfied, so long as no Default or Event of Default, as applicable, exists on the date the definitive agreement (or other relevant definitive documentation) for such Limited Condition Transaction is entered into. For the avoidance of doubt, if the Company or any Permitted Affiliate Parent has exercised its option under the first sentence of this Section 4.26(a), and any Default or Event of Default occurs following the date such definitive agreement for a Limited Condition Transaction is entered into and prior to the consummation of such Limited Condition Transaction, any such Default or Event of Default shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted hereunder.

(b) In connection with any action being taken in connection with a Limited Condition Transaction for purposes of:

(1) determining compliance with any provision of this Indenture which requires the calculation of any financial ratio or test, including the Consolidated Net Leverage Ratio or the Consolidated Senior Secured Net Leverage Ratio; or

(2) testing baskets set forth in this Indenture (including baskets measured as a percentage or multiple, as applicable, of Total Assets, Pro forma EBITDA or Pro forma Non-Controlling Interest EBITDA);

in each case, at the option of the Company or any Permitted Affiliate Parent (the Company's or any Permitted Affiliate Parent's election to exercise such option in connection with any Limited Condition Transaction, an "*LCT Election*"), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreement (or other relevant definitive documentation) for such Limited Condition Transaction is entered into (the "*LCT Test Date*"); *provided, however*, that the Company or any Permitted Affiliate Parent shall be entitled to subsequently elect, in its sole discretion, the date of consummation of such Limited Condition Transaction instead of the LCT Test Date as the applicable date of determination, and if, after giving pro forma effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof), as are appropriate and consistent with the pro forma adjustment provisions set forth in the definitions of "Pro forma EBITDA", "Consolidated Net Leverage Ratio" and "Consolidated Senior Secured Net Leverage Ratio", the Company, any Permitted Affiliate Parent or any Restricted Subsidiary could have taken such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with.

(c) If the Company or any Permitted Affiliate Parent has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Pro forma EBITDA or Total Assets, of the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries or the Person or assets subject to the Limited Condition Transaction (as if each reference to the "Company" or a "Permitted Affiliate Parent" in such definition was to such Person or assets) at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Company or any Permitted Affiliate Parent has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio, test or basket availability under this Indenture (including with respect to the Incurrence of Indebtedness or Liens, or the making of Asset Dispositions, acquisitions, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Company, any Permitted Affiliate Parent or any Restricted Subsidiary or the designation of an Unrestricted Subsidiary) on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio, test or basket shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

Section 4.27 *Debt Pushdown*

Following the Escrow Release Date but prior to the LCPR Group Assumption, the Initial Proceeds Loan Borrower and the SPV Borrower may, at their option, effect a pushdown of the Initial Notes Proceeds Loan and certain other Proceeds Loans and

obligations thereunder through their corporate structure through one or a combination of the following methods (the “*Debt Pushdown*”): (i) the Initial Proceeds Loan Borrower and the SPV Borrower, as applicable, will repay the relevant Proceeds Loan, together with accrued and unpaid interest (the “*Debt Pushdown Repayment*”) and the Issuer and/or SPV Borrower, as applicable, will on the day of repayment use the proceeds from such repayment to make new Proceeds Loans under the Proceeds Loan Agreement (any loan by the Issuer, the “*Debt Pushdown Proceeds Loan*”) to a Proceeds Loan Obligor (the “*Debt Pushdown Proceeds Loan Borrower*”) such that the currency, principal, maturity, interest rate and interest periods (which will be deemed to accrue from the last interest payment date of the applicable Proceeds Loan prior to repayment) of the relevant new Proceeds Loan will effectively be the same as the currency, principal, maturity, interest rate and interest periods of the applicable Proceeds Loan prior to repayment; (ii) the novation or other transfer of the rights and obligations of the applicable Proceeds Loan Borrower to the Debt Pushdown Proceeds Loan Borrower (iii) the merger of any Proceeds Loan Borrower with the Debt Pushdown Proceeds Loan Borrower, or (iv) any similar transaction.

ARTICLE 5.
SUCCESSORS

Section 5.01 *Merger and Consolidation*

(a) Each of the Issuer and the Guarantor will not consolidate with, or merge with or into, or convey, transfer or lease all or substantially all of its assets to, any Person, except in connection with the LCPR Group Assumption.

(b) No Proceeds Loan Borrower will consolidate with, or merge with or into, or convey, transfer or lease all or substantially all of its assets to, any Person, unless:

(1) the resulting, surviving or transferee Person (the “*Successor Company*”) will be a corporation, partnership, trust or limited liability company organized and existing under the Laws of an Approved Jurisdiction and the Successor Company (if not the Notes Proceeds Loan Borrower) will expressly assume all the obligations of the Notes Proceeds Loan Borrower under the Proceeds Loan Agreement, the Covenant Agreement and the Intercreditor Agreement to which it is party;

(2) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any Subsidiary of the Successor Company as a result of such transaction as having been Incurred by the Successor Company or such Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;

(3) either (A) immediately after giving effect to such transaction, the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries, or such Successor Company, as applicable, would be able to Incur at least an additional \$1.00 of Indebtedness pursuant to Section 4.09(b) or (B) the Consolidated Senior Secured Net Leverage Ratio of the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries (including such Successor Company) or such Successor Company and the Restricted Subsidiaries would be no greater than that of the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries immediately prior to giving effect to such transaction; and

(4) the Company or any Permitted Affiliate Parent, as applicable, shall have delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer complies with this Indenture; *provided* that in giving such opinion, such counsel may conclusively rely on an Officer’s Certificate as to compliance with Sections 5.01(b)(2) and 5.01(b)(3) above and as to any matters of fact.

(c) No Proceeds Loan Guarantor will consolidate with, or merge with or into, or convey, transfer or lease all or substantially all of its assets to, any Person, other than a Proceeds Loan Obligor (other than in connection with a transaction that does not constitute an Asset Disposition or a transaction that is permitted under Section 4.10; *unless*:

(1) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing; and

(2) either:

(A) the Successor Company (if not such Proceeds Loan Guarantor) assumes all the obligations of that Proceeds Loan Guarantor under the Proceeds Loan Agreement and its Proceeds Loan Guarantee and any Intercreditor Agreement; or

(B) the Net Cash Proceeds of such transaction are applied in accordance with the applicable provisions of this Indenture.

(d) For purposes of this Section 5.01, the sale, lease, conveyance, assignment, transfer, or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Company or a Proceeds Loan Obligor which properties and assets, if held by the Company or such Proceeds Loan Obligor, as applicable, instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Company or such Proceeds Loan Obligor, as applicable, on a Consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company or such Proceeds Loan Obligor, as applicable.

(e) The Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Company or the relevant Proceeds Loan Obligor, as the case may be, under this Indenture, the Notes, the Covenant Agreement, the Proceeds Loan Agreement and the Proceeds Loan Guarantee, as applicable, and upon such substitution, the predecessor to the Company or the relevant Proceeds Loan Obligor, as the case may be, will be released from its obligations under this Indenture, the Notes, the Covenant Agreement, the Proceeds Loan Agreement and the Proceeds Loan Guarantee, as applicable, but, in the case of a lease of all or substantially all its assets, the predecessor to the Company or the relevant Proceeds Loan Obligor, as the case may be, will not be released from the obligation to pay the principal of and interest on the Proceeds Loan or the obligations under the Proceeds Loan Guarantee, as applicable.

(f) The provisions set forth in this Section 5.01 shall not restrict (and shall not apply to): (1) any Restricted Subsidiary from consolidating with, merging or liquidating into or transferring all or substantially all of its properties and assets to the Company, any Permitted Affiliate Parent or another Restricted Subsidiary (that guarantees the Proceeds Loan, if the former Restricted Subsidiary also guarantees the Proceeds Loan); (2) any Proceeds Loan Guarantor from merging or liquidating into or transferring all or part of its properties and assets to another Proceeds Loan Guarantor; (3) any consolidation or merger of any Proceeds Loan Obligor into any other Proceeds Loan Obligor, provided that, for the purposes of this sub-clause (3), with respect to the consolidation or merger of the Notes Proceeds Loan Borrower with any other Proceeds Loan Obligor, if the Notes Proceeds Loan Borrower is not the surviving entity of such merger or consolidation, the relevant Proceeds Loan Obligor will assume the obligations of the Notes Proceeds Loan Borrower under the Proceeds Loan, the Proceeds Loan Agreement, the Covenant Agreement, the Intercreditor Agreement, and any Additional Intercreditor Agreement and clauses (1) and (4) of Section 5.01(b) shall apply to such transaction; (4) any consolidation or merger effected as part of the Transactions or the Permitted Initial Proceeds Loan Guarantor Merger; (5) any Solvent Liquidation; and (6) the Company or any Proceeds Loan Obligor consolidating into or merging or combining with an Affiliate incorporated or organized for the purpose of changing the legal domicile of such entity, reincorporating such entity in another jurisdiction, or changing the legal form of such entity, provided that, for the purposes of this clause (6), Sections 5.01(b)(1), 5.01(b)(2) and 5.01(b)(4) or 5.01(c)(1) or 5.01(c)(2), as the case may be, shall apply to any such transaction.

Section 5.02 *Successor Corporation Substituted*

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of a Proceeds Loan Obligor in a transaction that is subject to, and that complies with the provisions of, Section 5.01, the successor Person formed by such consolidation or into or with which such Proceeds Loan Obligor is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition, the provisions of this Indenture referring to the "Initial Proceeds Loan Borrower", the "Proceeds Loan Borrower" or the applicable "Proceeds Loan Obligor" or "Proceeds Loan Guarantor" shall refer instead to the successor Person), and may exercise every right and power of the "Initial Proceeds Loan Borrower", the "Proceeds Loan Borrower" or the applicable "Proceeds Loan Obligor" or "Proceeds Loan Guarantor" under this Indenture with the same effect as if such successor Person had been named as the "Initial Proceeds Loan Borrower", the "Proceeds Loan Borrower" or the applicable "Proceeds Loan Obligor" or "Proceeds Loan Guarantor" herein; *provided, however*, that the predecessor Proceeds Loan Obligor shall not be relieved from the obligation to pay the principal of and interest on the Proceeds Loan except in the case of a sale of all of such Proceeds Loan Obligor's assets in a transaction that is subject to, and that complies with the provisions of, Section 5.01.

Section 5.03 *Assumption of Note Obligations by the Fold-In Issuer and Proceeds Loan Obligors*

(a) At any time after the Issue Date, the Notes Proceeds Loan Borrower may, at its sole option and in its sole discretion, instruct the Issuer upon no less than 5 days' notice, and the Issuer shall provide no less than 5 days' notice to the Trustee that the Fold-In Issuer will assume all of the obligations of the Issuer under the Notes and this Indenture and such assumption will be a deemed repayment in full and cancellation of the obligations of the Proceeds Loan Obligors under the Notes Proceeds Loan (such assumption referred to herein as the "*LCPR Group Assumption*" and the date on which such LCPR Group Assumption is consummated, the "*LCPR Group Assumption Date*").

(b) The LCPR Group Assumption is subject to the following conditions:

(1) each of the Proceeds Loan Guarantors (or their successors) that remain (the "*Note Guarantors*") will, jointly and severally, irrevocably guarantee, as primary obligor and not merely as surety, on a senior basis, the full and punctual payment when due, whether at Stated Maturity, by acceleration or otherwise, all payment obligations of the Fold-In Issuer under the Notes, whether for payment of principal of or interest on or in respect of the Notes, fees, expenses, indemnification or otherwise;

(2) the Issuer, the Trustee, the Security Trustee, the Security Agent, the Fold-In Issuer and the Note Guarantors will execute a supplemental indenture, accession agreement or other similar agreement (in substantially the form attached as Exhibit F) to effect the LCPR Group Assumption and the Note Guarantees;

(3) on the LCPR Group Assumption Date, the Trustee, acting on behalf of the Holders of the Notes, will accede to the Intercreditor Agreement (as in effect at such time) and the Fold-In Issuer will procure that the obligations under the Notes and this Indenture are secured by the Proceeds Loan Collateral remaining

immediately prior to the LCPR Group Assumption (the “*Fold-In Collateral*” and the documents governing the Fold-In Collateral, the “*Fold-In Security Documents*”); and

(4) the Fold-In Issuer and the Notes Guarantor satisfy the requirements of an available exemption from the provisions of the U.S. Investment Company Act of 1940, as amended.

(c) Upon consummation of the LCPR Group Assumption:

(1) the Fold-In Issuer will succeed to, and be substituted for, and may exercise every right of the Issuer under this Indenture, and upon such substitution, the predecessor Issuer will be released from its obligations under this Indenture and the Notes;

(2) the Security Agent will accede to this Indenture as Security Agent and the Security Trustee will be released from its obligations under this Indenture and the Notes; and

(3) the terms and conditions of the Notes, including the covenants, will be automatically modified and Articles 1 through 13 (inclusive) of this Indenture will be replaced in their entirety by Articles 1 through 13 (inclusive) set forth in Exhibit H. Any action taken under the terms of this Indenture prior to the LCPR Group Assumption that was permitted pursuant to its terms, such shall continue to be a permitted action under the terms of this Indenture after giving effect to such described automatic modification of its terms and no such action shall be deemed to be re-taken or re-made by virtue of such automatic modification.

(d) By accepting a Note, each Holder is deemed to have irrevocably:

(1) agreed to the LCPR Group Assumption as set forth in this Section 5.03 and irrevocably authorized and directed the Trustee to take all necessary actions to effectuate the LCPR Group Assumption unless prohibited under this Indenture;

(2) agreed and accepted the terms and conditions of the Intercreditor Agreement; and

(3) appointed the Security Agent to (A) perform the duties and exercise the rights, powers and discretions that are specifically given to it under the Intercreditor Agreement or the Fold-In Security Documents, together with any other incidental rights, power and discretions and (B) execute each Fold-In Security Document, waiver, modification, amendment, renewal or replacement expressed to be executed by the Security Agent on its behalf.

ARTICLE 6.

(4) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Issuer, the Company, any Permitted Affiliate Parent or any of the Restricted Subsidiaries (or the payment of which is guaranteed by the Company, any Permitted Affiliate Parent or any of the Restricted Subsidiaries), other than Indebtedness owed to the Company, any Permitted Affiliate Parent or a Restricted Subsidiary, whether such Indebtedness or guarantee now exists, or is created after the Issue Date, which default:

(A) is caused by a failure to pay principal of such Indebtedness at its Stated Maturity after giving effect to any applicable grace period provided in such Indebtedness ("*payment default*"); or

(B) results in the acceleration of such Indebtedness prior to its maturity (the "*cross acceleration provision*");

case of the Issuer, a solvent winding up or liquidation in connection with a transfer of assets among the Company or any Proceeds Loan Obligor and the Restricted Subsidiaries) and, in each case, such proceeding shall remain unstayed and in effect for a period of 30 consecutive days; or (B) other than, except in the case of the Issuer, in relation to a solvent winding up or liquidation in connection with a transfer of assets among the Company or any Proceeds Loan Obligor and the Restricted Subsidiaries, the Company, any Proceeds Loan Obligor, a Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements delivered to the Holders pursuant to Section 4.03), would constitute a Significant Subsidiary (i) commences a voluntary case (including taking any action for the purpose of winding up) under any applicable Bankruptcy Law, or consents to the entry of an order for relief in an involuntary case under any such Law, (ii) consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, examiner, administrator, sequestrator or similar official of the Issuer, the Company, any Proceeds Loan Obligor, a Significant Subsidiary, or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements delivered to the Holders pursuant to Section 4.03), would constitute a Significant Subsidiary, or for all or substantially all of the property and assets of the Issuer, the Company, any Proceeds Loan Obligor, a Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements delivered to the Holders pursuant to Section 4.03), would constitute a Significant Subsidiary, or (iii) effects any general assignment for the benefit of creditors, in each case of this Section 6.01(a)(5), except as a result of, or in connection with, any Solvent Liquidation;

(6) failure by the Issuer, the Company, any Proceeds Loan Obligor or any Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited Consolidated financial statements delivered to Holders pursuant to Section 4.03), would constitute a Significant Subsidiary, to pay final judgments aggregating in excess of \$75.0 million (net of any amounts that a solvent insurance company has acknowledged liability for), which judgments are not paid, discharged or stayed for a period of 60 days (the “*judgment default provision*”);

(7) any Proceeds Loan Guarantee of a Parent or a Significant Subsidiary ceases to be in full force and effect (except in accordance with the terms of this Indenture) or is declared invalid or unenforceable in a judicial proceeding and such Default continues for 60 days after the notice specified in this Indenture (the “*guarantee default provision*”);

(8) any Lien on the Proceeds Loan Collateral created under the Proceeds Loan Security Documents having a fair market value in excess of \$100.0 million, or any Lien on the Note Collateral created under the Note Security Documents, (a) at any time, ceases to be in full force and effect in any material respect for any reason other than as a result of its release in accordance with this Indenture and the Note Security Documents or Proceeds Loan Security Documents, as applicable, or (b) is declared invalid or unenforceable in a judicial proceeding and, in each case, and such Default continues for 60 days after the notice specified in this Indenture (the “*collateral failure provision*”).

In the event of the occurrence of any Default or Event of Default described in Section 6.01(a)(3) with respect to any covenant, agreement or undertaking in this Indenture or the Notes applicable to any Proceeds Loan Obligor, such Proceeds Loan Obligor will be deemed to be in default of its corresponding obligations under the Covenant Agreement.

(b) A default under clauses (3), (7), (8), (9) or (10) of Section 6.01(a) will not constitute an Event of Default until the Trustee or the Holders of 25% in principal amount of the outstanding Notes notify the Company of the default and the Company does not cure such default within the time specified in such clause (3), (7), (8), (9) or (10) of Section 6.01(a) after receipt of such notice.

Section 6.02 *Acceleration*

If an Event of Default (other than an Event of Default described in Section 6.01(a)(5)) occurs and is continuing, the Trustee by notice to the Company, or the Holders of at least 25% in principal amount of the outstanding Notes by notice to the Company and the Trustee, may, and the Trustee at the request of such Holders shall, declare the principal of, premium, if any, accrued and unpaid interest, if any, and Additional Amounts, if any, on all the Notes to be due and payable. Upon such a declaration, such principal, premium and accrued and unpaid interest and Additional Amounts, if any, will be due and payable immediately. In the event of a declaration of acceleration of the Notes because an Event of Default described in Section 6.01(a)(4) has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to Section 6.01(a)(4) shall be remedied or cured by the Issuer, the Company, any Permitted Affiliate Parent or any of the Restricted Subsidiaries or waived by the holders of the relevant Indebtedness within 20 days after the declaration of acceleration with respect thereto and if (a) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (b) all existing Events of Default, except non-payment of principal, premium or interest and Additional Amounts, if any, on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived. If an Event of Default described in Section 6.01(a)(5) occurs and is continuing, the principal of, premium, if any, accrued and unpaid interest and Additional Amounts, if any, on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. The Holders of a majority in principal amount of the outstanding Notes may waive all past defaults (except with respect to non-payment of principal, premium, interest or Additional Amounts) and rescind any such acceleration with respect to the Notes and its consequences if (a) rescission would not conflict with any judgment or decree of a court of competent jurisdiction, (b) all existing Events of Default, other than the non-payment of the principal of, premium, if any, interest and Additional Amounts, if any, on the Notes that have become due solely by such declaration of acceleration, have been cured or waived and (c) the Company has paid the Trustee its reasonable compensation and reimbursed the Trustee for its reasonable expenses, disbursements and advances.

Whenever payment under the Notes has been accelerated due to an Event of Default under this Indenture, the Issuer as lender under the Notes Proceeds Loan shall, by immediate notice to the Notes Proceeds Loan Borrower:

- (1) declare that an event of default under the Notes Proceeds Loan has occurred; and
- (2) declare that all amounts outstanding under the Notes Proceeds Loan are immediately due and payable.

If such acceleration of the Notes is annulled or rescinded, the Issuer shall rescind any acceleration of the Notes Proceeds Loan by immediate notice to the Notes Proceeds Loan Borrower.

Section 6.03 *Other Remedies*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by Law.

Section 6.04 *Waiver of Past Defaults*

Holders of a majority in principal amount of the outstanding Notes may waive all past defaults (except with respect to non-payment of principal, premium, interest or Additional Amounts) and rescind any such acceleration with respect to the Notes and its consequences if (a) rescission would not conflict with any judgment or decree of a court of competent jurisdiction, (b) all existing Events of Default, other than the non-payment of the principal of, premium, if any, interest and Additional Amounts, if any, on the Notes that have become due solely by such declaration of acceleration, have been cured or waived and (c) the Company has paid the Trustee its reasonable compensation and reimbursed the Trustee for its reasonable expenses, disbursements and advances. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Prior to taking any action hereunder, the Trustee shall be entitled to indemnification or other security satisfactory to it in its sole discretion against all Losses and expenses caused by taking or not taking such action.

Section 6.05 *Control by Majority*

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with applicable Law or this Indenture or the Collateral Sharing Agreement, any Additional Collateral Sharing Agreement, the Intercreditor Agreement or any Additional Intercreditor Agreement or that the Trustee determines is unduly prejudicial to the rights of any other Holder of Notes or that may involve the Trustee in personal liability.

Section 6.06 *Limitation on Suits*

A Holder may pursue a remedy with respect to this Indenture or the Notes only if:

- (1) such Holder of Notes has previously given the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 50% in principal amount of the outstanding Notes have requested the Trustee to pursue the remedy;
- (3) such Holders have offered the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and
- (5) the Holders of a majority in principal amount of the outstanding Notes have not given the Trustee a direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

Section 6.07 *Rights of Holders of Notes to Receive Payment*

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of the Holders of not less than 90% in aggregate principal amount of the Notes.

Section 6.08 *Collection Suit by Trustee*

If an Event of Default specified in Section 6.01(a)(1) or Section 6.01(a)(2) occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuer for the whole amount of principal of, premium, if any, and interest remaining unpaid on, the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 *Trustee May File Proofs of Claim*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuer (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and

counsel, and any other amounts due the Trustee under Section 7.07. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities*

Subject to the terms of the Collateral Sharing Agreement and any Additional Collateral Sharing Agreement, if the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

First: to the Trustee, the Security Trustee and the Agents, and their agents and attorneys for amounts due under Section 7.07, including payment of all compensation, expenses and liabilities incurred and indemnities owed to and all advances made, by the Trustee, the Security Trustee and the Agents and the costs and expenses of collection;

Second: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any and interest, respectively; and

Third: to the Issuer or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

ARTICLE 7. TRUSTEE

Section 7.01 *Duties of Trustee*

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care

and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy or mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this Section 7.01(c) does not limit the effect of Section 7.01(b);

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.02 or Section 6.05.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to clauses (a), (b), and (c) of this Section 7.01.

(e) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability. The Trustee will be under no obligation to exercise any of its rights and powers under this Indenture at the request of any Holders, unless such Holder has offered to the Trustee indemnity or security satisfactory to the Trustee against any loss, liability or expense.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by Law.

(g) In no event shall the Trustee or any other entity of The Bank of New York Mellon Group be liable for any Losses arising to the Trustee or any other entity of The Bank of New York Mellon Group or any other Agent receiving or transmitting any data from the Issuer, any Authorized Person or any party to the transaction via any non-secure method of transmission or communication, such as, but without limitation, by facsimile or e-mail.

Section 7.02 *Rights of Trustee*

(a) The Trustee and each agent acting on its instructions may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by

the proper Person. The Trustee need not investigate any fact or matter stated in the document (regardless of whether any such document is subject to any monetary or other limit).

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel will be full and complete protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer will be sufficient if signed by an Officer of the Issuer.

(f) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee reasonable indemnity or security against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(g) The Trustee shall have no duty to inquire as to the performance of the covenants of the Company and/or the Restricted Subsidiaries in Article 4. In addition, the Trustee shall not be deemed to have knowledge of any Default or Event of Default except: (1) any Event of Default occurring pursuant to Section 6.01(a)(1) or Section 6.01(a)(2) (provided it is acting as Paying Agent); and (2) any Default or Event of Default of which a Responsible Officer shall have received written notification. Delivery of reports, information and documents to the Trustee under Section 4.03 is for informational purposes only and the Trustee's receipt of the foregoing shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

(h) The Trustee shall not have any obligation or duty to monitor, determine or inquire as to compliance, and shall not be responsible or liable for compliance with restrictions on transfer, exchange, redemption, purchase or repurchase, as applicable, of minimum denominations imposed under this Indenture or under applicable Law or regulation with respect to any transfer, exchange, redemption, purchase or repurchase, as applicable, of any interest in any Notes.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, its right to be indemnified are extended to, and shall be enforceable by The Bank of New York Mellon, London Branch in each of its capacities hereunder, The Bank of New York Mellon in each of its capacities hereunder and each agent, custodian and other person employed to act hereunder. Absent willful misconduct or negligence, each Paying Agent and Transfer Agent shall not be liable for acting in good faith on instructions believed by it to be genuine and from the proper party.

(j) The Trustee will not be liable to any person if prevented or delayed in performing any of its obligations or discretionary functions under this Indenture by reason of any present or future Law applicable to it, by any governmental or regulatory authority or by any circumstances beyond its control.

(k) The Trustee shall not be liable for any special, indirect, punitive or consequential loss or damage of any kind whatsoever (including lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(l) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer personally or by agent or attorney.

(m) In the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders, each representing less than a majority in aggregate principal amount of the Notes then outstanding, pursuant to the provisions of this Indenture, the Trustee, in its sole discretion, may determine what action, if any, will be taken and shall not incur any liability for its failure to act until such inconsistency or conflict is, in its reasonable opinion, resolved.

(n) The Trustee may request that the Issuer delivers an Officer's Certificate setting forth the names of the individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(o) In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by acts of war or terrorism involving the United States, the United Kingdom or any member state of the European Monetary Union or any other national or international calamity or emergency (including natural disasters or acts of God), it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

(p) The Trustee is not required to give any bond or surety with respect to the performance or its duties or the exercise of its powers under this Indenture or the Notes.

(q) The permissive right of the Trustee to take the actions permitted by this Indenture shall not be construed as an obligation or duty to do so.

(r) The Trustee shall have the right to accept and act upon Instructions, including with respect to fund transfers given pursuant to this Indenture and delivered using Electronic Means. If the Issuer elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee's understanding of such Instructions shall be deemed controlling. The Issuer understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Person have been sent by such Authorized Person. The Issuer shall be responsible for ensuring that only Authorized Persons transmit such Instructions to the

Trustee and that the Issuer and all Authorized Persons are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Issuer. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent Instruction not delivered by Electronic Means. The Issuer agrees: (1) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (2) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions by Electronic Means to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Issuer; (3) that the security procedures (if any) to be followed in connection with its transmission of Instructions by Electronic Means provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (4) use its reasonable commercial efforts to notify the Trustee upon learning of any compromise or unauthorized use of the security procedures.

Section 7.03 Individual Rights of Trustee

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any Affiliate of the Issuer with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days or resign as Trustee hereunder. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11.

Section 7.04 Trustee's Disclaimer

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 Notice of Defaults

If a Default occurs and is continuing and is actually known to the Trustee, the Trustee must give notice of the Default within 90 days after it occurs. Except in the case of a Default in the payment of principal of, premium, if any, interest or Additional Amounts, if any, on any Note, the Trustee may withhold notice if and so long as a committee of trust officers of the Trustee in good faith determines that withholding notice is in the interests of the Holders. In addition, the Company, any Permitted Affiliate Parent or the Issuer is required to deliver to the Trustee, within 120 days after the end of each fiscal year, a certificate indicating whether the signers thereof know of any Default that occurred during the previous year. The Company, any Permitted Affiliate Parent or the Issuer, as applicable, also is required to deliver to the Trustee, within 30 days after the occurrence thereof, written notice of any events of which it is aware which would constitute certain Defaults, their status and what action the Company, any Permitted Affiliate Parent or the Issuer, as applicable, is taking or proposing to take in respect thereof.

Section 7.06 *[Reserved]*

Section 7.07 *Compensation and Indemnity*

(a) The Issuer will pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and services hereunder. The Trustee's compensation will not be limited by any Law on compensation of a trustee of an express trust. The Issuer will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Issuer will indemnify the Trustee, including its directors, officers, employees and agents, against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, any Supplemental Indenture, the Notes, the Covenant Agreement, the Collateral Sharing Agreement, any Additional Collateral Sharing Agreement, the Intercreditor Agreement, any Note Security Document or other transaction document to which the Trustee is party or in any other role performed by The Bank of New York Mellon Group under said documents, including the costs and expenses of enforcing this Indenture or any Security Documents against the Issuer (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuer, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence or bad faith. The Trustee will notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuer will not relieve the Issuer of its obligations hereunder. The Issuer will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Issuer will pay the reasonable fees and expenses of such counsel. The Issuer need not pay for any settlement made without its consent, which consent will not be unreasonably withheld.

(c) The obligations of the Issuer under this Section 7.07 and any claim arising hereunder shall survive the resignation or removal of any Trustee, the satisfaction and discharge of the Issuer's obligations pursuant to Article 8 and any rejection or termination under any Bankruptcy Law, and the satisfaction and discharge of this Indenture

(d) To secure the Issuer's payment obligations in this Section 7.07, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(a)(7) occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any applicable Bankruptcy Law.

For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given, to the Trustee in Section 7.07, including its right to be indemnified, are extended to, and shall be enforceable by The Bank of New York Mellon, London Branch, in each of its capacities hereunder, by The Bank of New York Mellon, in each of its capacities hereunder, by the Security Trustee and by each agent, custodian and each Person employed by the Trustee to act hereunder.

Section 7.08 *Replacement of Trustee*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuer. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuer in writing. The Issuer may remove the Trustee if:

(1) the Trustee fails to comply with Section 7.10;

(2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(3) a custodian or public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuer will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, (1) the retiring Trustee, the Issuer, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee; or (2) the retiring Trustee may appoint a successor Trustee at any time prior to the date on which a successor Trustee takes office; *provided* that such appointment shall be reasonably satisfactory to the Issuer.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will deliver a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuer's obligations under Section 7.07 will continue for the benefit of the retiring Trustee.

Section 7.09 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee.

Section 7.10 *Agents; Resignation of Agents*

Any Agent may resign and be discharged from its duties under this Indenture at any time by giving sixty (60) days' prior written notice of such resignation to the Trustee and the Issuer. The Issuer may remove any Agent at any time by giving sixty (60) days' prior written notice to any Agent. Upon such notice, a successor Agent shall be appointed by the Issuer, who shall provide written notice of such to the Trustee. Such successor Agent shall become the Agent hereunder upon the resignation or removal date specified in such notice. If the Issuer is unable to replace the resigning Agent within sixty (60) days after such notice, the Agent may, in its sole discretion, deliver any funds then held hereunder in its possession to the Trustee or may apply to a court of competent jurisdiction for the appointment of a successor Agent or for other appropriate relief. The properly incurred and documented costs and expenses (including its counsels' fees and expenses) incurred by the Agent in connection with such proceeding shall be paid by the Issuer. Upon receipt of the identity of the successor Agent, the Agent shall deliver any funds then held hereunder to the successor Agent, less the Agent's properly incurred and documented fees, costs and expenses or other obligations owed to the Agent. Upon its resignation and delivery any funds, the Agent shall be discharged of and from any and all further obligations arising in connection with this Indenture, but shall continue to enjoy the benefit of Section 7.07.

Section 7.11 *Eligibility; Disqualification*

There will at all times be a Trustee hereunder that is an entity organized and doing business under the Laws of the United States of America or of any state thereof, England and Wales or a jurisdiction in the European Union that is authorized under such Laws to exercise corporate trust power and which customarily performs such corporate trust roles and provides such corporate trust services in transactions similar in nature to the offering of the Notes as described in the Offering Memorandum.

Section 7.12 *Contractual Recognition of Bail-In Powers*

Notwithstanding and to the exclusion of any other term of this Indenture or any other agreements, arrangements, or understanding between the parties to this Indenture, each counterparty to a BRRD Party under this Indenture acknowledges and accepts that a BRRD Liability arising under this Indenture may be subject to the exercise of Bail-in Powers by the Relevant Resolution Authority, and acknowledges, accepts, and agrees to be bound by:

(a) the effect of the exercise of Bail-in Powers by the Relevant Resolution Authority in relation to any BRRD Liability of any BRRD Party to it under this Indenture, that (without limitation) may include and result in any of the following, or some combination thereof:

- (1) the reduction of all, or a portion, of the BRRD Liability or outstanding amounts due thereon;
- (2) the conversion of all, or a portion, of the BRRD Liability into shares, other securities or other obligations of the relevant BRRD Party or another person (and the issue to or conferral on it of such shares, securities or obligations);
- (3) the cancellation of the BRRD Liability;
- (4) the amendment or alteration of any interest, if applicable, thereon, the maturity or the dates on which any payments are due, including by suspending payment for a temporary period; and

(b) the variation of the terms of this Indenture, as deemed necessary by the Relevant Resolution Authority, to give effect to the exercise of Bail-in Powers by the Relevant Resolution Authority.

Section 7.13 *Tax Matters*

(a) Information Covenants. Each of the Issuer and the Trustee (or the Security Trustee or any Agent) shall, within ten Business Days of a written request by the other party, supply to that other party such forms, documentation and other information relating to it, its operations, or the Notes as that other party reasonably requests for the purposes of that other party's compliance with Applicable Law and shall notify the relevant other party reasonably promptly in the event that it becomes aware that any of the forms, documentation or other information provided by such party is (or becomes) inaccurate in any material respect; provided, however, that no party shall be required to provide any forms, documentation or other information pursuant to this Section 7.13 to the extent that: (i) any such form, documentation or other information (or the information required to be provided on such form or documentation) is not reasonably available to such party and cannot be obtained by such party using reasonable efforts; or (ii) doing so would or might in the reasonable opinion of such party constitute a breach of any: (a) Applicable Law; (b) fiduciary duty; or (c) duty of confidentiality. For purposes of this Section 7.13, "Applicable Law" means applicable tax Laws (inclusive of any current and future Laws, rules, regulations, intergovernmental agreements and interpretations thereof promulgated by competent authorities) related to this Indenture in effect from time to time.

(b) Notice of Withholding or Deduction. If the Issuer is, in respect of any payment in respect of the Notes, compelled to withhold or deduct any amount for or on account of any Taxes as contemplated by Section 4.18 (Additional Amounts) or any undertaking given in addition to or in substitution for Section 4.18 (Additional Amounts) pursuant to this Indenture, the Issuer shall give notice to the Trustee as soon as it becomes aware of the requirement to make the withholding or deduction and shall give to the Trustee such information as it, the Security Trustee or any Agent (including any Paying Agent) shall require to enable each of them to comply with the requirement.

(c) Entitlement to Withhold or Deduct. Notwithstanding any other provision of this Indenture, the Trustee, the Security Trustee or any Agent (including any Paying Agent) shall be entitled to make a deduction or withholding from any payment which it makes under the Notes for or on account of any Taxes, if and only to the extent so required by Applicable Law or by virtue of the relevant holder failing to satisfy any certification or other requirements in respect of the Notes, in which event the Trustee, the Security Trustee or any Agent shall make such payment after such deduction or withholding has been made and shall account to the relevant regulatory or governmental authority within the time allowed for the amount so deducted or withheld or, at its option, shall reasonably promptly after making such payment return to the Issuer the amount so deducted or withheld, in which case, the Issuer shall so account to the relevant regulatory or governmental authority for such amount. In each case, the Trustee, the Security Trustee and each Agent shall have no obligation to gross up any payment hereunder or pay any additional amount as a result of such taxes, duties or charges.

ARTICLE 8.
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance*

The Issuer may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an Officer's Certificate, elect to have either Section 8.02 or 8.03 be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge*

(a) Upon the Issuer's exercise under Section 8.01 of the option applicable to this Section 8.02, the Issuer will, subject to the satisfaction of the conditions set forth in Section 8.04, be deemed to have been discharged from its obligations with respect to all outstanding Notes, and the obligations of the Proceeds Loan Obligors will be deemed to have been discharged from their obligations under the Covenant Agreement, on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Issuer will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 and the other Sections of this Indenture referred to in clauses (1) and (2) of this Section 8.02(a), and to have satisfied all its other obligations under such Notes and this Indenture (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium, if any, on, such Notes when such payments are due from the trust referred to in Section 8.04;
- (2) the Issuer's obligations with respect to such Notes under Article 2 and Section 4.02;
- (3) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Issuer's obligations in connection therewith; and
- (4) this Article 8.

(b) Subject to compliance with this Article 8, the Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03.

Section 8.03 *Covenant Defeasance*

Upon the Issuer's exercise under Section 8.01 of the option applicable to this Section 8.03, the Issuer will, subject to the satisfaction of the conditions set forth in Section 8.04, be released from its obligations under Sections 3.12, 4.03, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.14, 4.15, 4.16, 4.17, 4.19, 4.21, 4.22, 4.23, 4.24, and 4.25, clauses (3) and (4) of Section 5.01(b) and clauses (1) and (2)(B) of Section 5.01(c) with respect to the outstanding Notes, and the Proceeds Loan Obligors with respect to their obligations under the Covenant Agreement, on and after the date the conditions set forth in Section 8.04 are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will

continue to be deemed “outstanding” for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Issuer may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01(a), but, except as specified above, the remainder of this Indenture and such Notes will be unaffected thereby. In addition, upon the Issuer’s exercise under Section 8.01 of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04, Section 6.01(a)(3) (with respect to the Sections referenced in the first sentence of this Section 8.03 only), Section 6.01(a)(4), Section 6.01(a)(5) (only with respect to Significant Subsidiaries), Section 6.01(a)(6), Section 6.01(a)(7) and Section 6.01(a)(8) will not constitute Events of Default.

Section 8.04 *Conditions to Legal or Covenant Defeasance*

(a) In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03:

(1) the Issuer must irrevocably deposit in trust (the “defeasance trust”) with the Trustee (or an agent nominated by the Trustee for such purpose) U.S. dollars, U.S. dollar-denominated U.S. Government Obligations or a combination thereof for the payment of principal, premium, if any, interest and Additional Amounts, if any, on the Notes to redemption or maturity, as the case may be;

(2) in the case of an election under Section 8.02, the Issuer must deliver to the Trustee an Opinion of Counsel (subject to customary exceptions and exclusions) confirming that:

(A) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling; or

(B) since the Issue Date, there has been a change in the applicable federal income tax Law,

in either case to the effect that, and based thereon such Opinion of Counsel (subject to customary exceptions and exclusions) shall confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amount and in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred. In the case of legal defeasance only, such Opinion of Counsel must be based on a ruling of the U.S. Internal Revenue Service or other change in applicable U.S. federal income tax Law;

(3) in the case of an election under Section 8.03, the Issuer must deliver to the Trustee an Opinion of Counsel (subject to customary exceptions and exclusions) confirming that the Holders of the outstanding Notes will not recognize income, gain or loss for United States Federal income tax purposes as a result of such Covenant Defeasance and will be subject to United States Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Issuer, any Permitted Affiliate Parent or the Company is a party or by which the Issuer, any Permitted Affiliate Parent or the Company is bound;

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture) to which the Issuer, the Company, any Permitted Affiliate Parent or any of their respective Subsidiaries is a party or by which the Company, any Permitted Affiliate Parent or any of its Subsidiaries is bound;

(6) the Issuer must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders over the other creditors of the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or others; and

(7) the Issuer must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Section 8.05 Deposited Money and Government Obligations to be Held in Trust; Other Miscellaneous Provisions

(a) Subject to Section 8.06, all money, all U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "*Trustee*") pursuant to Section 8.04 in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including any Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by Law.

(b) The Issuer will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash in U.S. dollars or against the U.S. Government Obligations deposited pursuant to Section 8.04 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by Law is for the account of the Holders of the outstanding Notes.

(c) Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Issuer from time to time upon the request of the Issuer any money, non-callable U.S. dollar-denominated U.S. Government Obligations held by it as provided in Section 8.04 which, in the opinion of an Independent Financial Advisor expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a)(1)), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 Repayment to Issuer

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium, if any, or interest on, any Note and remaining unclaimed for two years after such principal, premium, if any, or interest has

become due and payable shall be paid to the Issuer on its request or (if then held by the Issuer) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may (without an obligation to do so) at the expense of the Issuer cause to be published once, in a leading newspaper having general circulation in London, notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

Section 8.07 *Reinstatement*

If the Trustee or any Paying Agent is unable to apply any U.S. dollar or U.S. dollar-denominated non-callable U.S. Government Obligations in accordance with Section 8.02 or 8.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's obligations under this Indenture and the Notes will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03, as the case may be; *provided, however*, that, if the Issuer makes any payment of principal of, premium, if any, or interest on, any Note following the reinstatement of its obligations, the Issuer will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9. **AMENDMENT, SUPPLEMENT AND WAIVER**

Section 9.01 *Without Consent of Holders*

(a) Subject to Section 9.06 and notwithstanding Section 9.02 of this Indenture, without the consent of any Holder, the Issuer and the Trustee may amend this Indenture, the Notes, the Proceeds Loan Guarantees, the Proceeds Loan Agreement, the Proceeds Loan Security Documents, the Note Security Documents, the Covenant Agreement, the Collateral Sharing Agreement, any Additional Collateral Sharing Agreement, the Intercreditor Agreement, and any Additional Intercreditor Agreement to:

- (1) cure any ambiguity, omission, manifest error, defect or inconsistency;
- (2) provide for the assumption by a Successor Company of the obligations of the Issuer or any Proceeds Loan Obligor under this Indenture, the Notes, the Proceeds Loan Guarantees, the Proceeds Loan Agreement, the Note Security Documents, the Covenant Agreement, the Collateral Sharing Agreement, any Additional Collateral Sharing Agreement, the Intercreditor Agreement, and any Additional Intercreditor Agreement, as applicable;
- (3) provide for uncertificated Notes in addition to or in place of certificated Notes (provided that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the U.S. Internal Revenue Code of 1986 (as amended));
- (4) add guarantees with respect to the Notes or the Proceeds Loans;

- (5) secure the Notes or the Proceeds Loans (including, without limitation, to grant any security or supplemental security);
- (6) add to the covenants of the Issuer, the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries for the benefit of the Holders or surrender any right or power conferred upon the Company, any Permitted Affiliate Parent or any Restricted Subsidiaries under this Indenture or the Notes or the Note Security Documents or conferred upon the Company, any Permitted Affiliate Parent or any Restricted Subsidiaries under the Proceeds Loan, the Proceeds Loan Agreement or the Covenant Agreement;
- (7) make any change that does not adversely affect the rights of any Holder in any material respect;
- (8) release (i) the Proceeds Loan Guarantees or Note Guarantee and (ii) any Lien created to secure the Notes, the Proceeds Loans and the Proceeds Loan Guarantees, in each case, as provided by the terms of this Indenture;
- (9) provide for the issuance of Additional Notes in accordance with the terms of this Indenture;
- (10) give effect to Permitted Liens, Permitted SPV Liens and Permitted Collateral Liens;
- (11) evidence and provide for the acceptance and appointment under this Indenture, the Proceeds Loan Agreement, the Note Security Documents, the Proceeds Loan Security Documents, the Covenant Agreement, the Collateral Sharing Agreement, any Additional Collateral Sharing Agreement, the Intercreditor Agreement and any Additional Intercreditor Agreement, and any security documents granted to secure the Notes, the Proceeds Loans or any Proceeds Loan Guarantee, of a successor Trustee, Security Trustee, Security Agent and/or any other agent pursuant to the requirements thereof;
- (12) the extent necessary to grant a Lien for the benefit of any Person; provided that the granting of such Lien is permitted by this Indenture;
- (13) make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation to facilitate the issuance and administration of the Notes; provided, however, that (i) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities Law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer Notes;
- (14) conform the text of this Indenture, the Notes, the Proceeds Loan, the Proceeds Loan Guarantees, the Note Security Documents or the Intercreditor Agreement to any provision of the "*Description of the Notes*" section of the Offering Memorandum to the extent that such provision of the "*Description of the Notes*" section of the Offering Memorandum was intended to be a verbatim recitation of this Indenture, the Notes, the Proceeds Loan, the Proceeds Loan Guarantees, the Note Security Documents or the Intercreditor Agreement;
- (15) comply with Section 5.01;

(16) provide for a reduction in the minimum denominations of the Notes; provided that such reduction would not result in a breach of applicable securities Laws or in a requirement to produce a prospectus or otherwise register the Notes with any regulatory authority in connection with any investment therein or resale thereof;

(17) comply with the rules of any applicable securities depository;

(18) give effect to, or as otherwise reasonably required (in the opinion of the Company) for, the LCPR Group Assumption and/or the Debt Pushdown (including, without limitation, amendments designed to correct any ambiguity, omission, defect, error or inconsistency, amendments of an administrative or technical nature, and amendments designed to take into account operational, tax, or technical factors that affect the Company, any Permitted Affiliate Parent or the Restricted Subsidiaries, in each case arising as a consequence of, or in connection with, the LCPR Group Assumption and/or the Debt Pushdown);

(19) give effect to, or as otherwise reasonably required (in the opinion of the Company) for the entry into the Intercreditor Agreement; or

(20) to the extent reasonably required to allow for the Transactions.

(b) In formulating its opinion on such matters, the Trustee shall be entitled to require and rely on such evidence as it deems appropriate, including an Opinion of Counsel and an Officer's Certificate.

(c) The consent of the Holders is not necessary under this Indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment. A consent to any amendment or waiver under this Indenture by any Holder of Notes given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender. For so long as the Notes are listed on the International Stock Exchange and the guidelines of the International Stock Exchange so require, the Company or any Permitted Affiliate Parent will notify the International Stock Exchange of any such amendment, supplement and waiver.

(d) Upon the request of the Issuer accompanied by a resolution of its board of Directors authorizing the execution of any such amended or supplemental Indenture, and upon receipt by the Trustee of the documents described in Section 7.02 and subject to Section 9.06, the Trustee and the Security Trustee will join with the Issuer in the execution of any amended or supplemental indenture or such other amended or supplemental agreement authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee and the Security Trustee will not be obligated to enter into such amended or supplemental indenture or such other amended or supplemental agreement that adversely affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 *With Consent of Holders*

Subject to Section 9.06 and except as provided below in this Section 9.02, the Issuer and the Trustee and the Security Trustee (to the extent party thereto) may amend or supplement this Indenture (including, without limitation, Sections 3.12, 4.10 and 4.14), the Notes, the Proceeds Loan Agreement, the Note Security Documents, the Covenant Agreement, the Collateral Sharing Agreement, any Additional Collateral Sharing Agreement, the Intercreditor Agreement and any Additional Intercreditor Agreement with the consent of

the Holders of at least a majority in principal amount of the Notes (including, without limitation, Additional Notes, if any) then outstanding (including, without limitation, consents obtained in connection with a purchase of, or a tender offer or exchange offer for, the Notes) voting as a single class and, subject to Sections 6.04 and 6.07, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on, the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Notes, the Proceeds Loan Agreement, the Note Security Documents, the Covenant Agreement, the Collateral Sharing Agreement, any Additional Collateral Sharing Agreement, the Intercreditor Agreement, or any Additional Intercreditor Agreement may be waived with the consent of the Holders of at least a majority in principal amount of the Notes (including, without limitation, Additional Notes, if any) then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for the Notes) voting as a single class.

Upon the request of the Issuer accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02, the Trustee will join with the Issuer in the execution of such amended or supplemental Indenture unless such amended or supplemental indenture directly adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental Indenture.

It is not necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

However, without the consent of the Holders of at least 90% of the aggregate principal amount of then outstanding Notes, an amendment, supplement or waiver under this Section 9.02 may not:

- (1) reduce the principal amount of Notes whose Holders must consent to an amendment or waiver;
- (2) reduce the stated rate of or extend the stated time for payment of interest or Additional Amounts on any Note;
- (3) reduce the principal of or extend the Stated Maturity of any Note;

(4) whether through an amendment or waiver of provisions in the covenants, definitions or otherwise (i) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed under Section 3.07 (other than the notice provisions) or (ii) reduce the premium payable upon repurchase of any Note or change the time at which any Note is to be repurchased pursuant to Section 3.12, Section 4.10 or Section 4.14, at any time after the obligation to repurchase has arisen;

(5) make any Note payable in money other than that stated in the Note (except to the extent the currency stated in the Note has been succeeded or replaced pursuant to applicable Law);

(6) impair the right of any Holder to receive payment of, premium, if any, principal of or interest or Additional Amounts, if any, on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes; or

(7) make any change to this Section 9.02.

In addition, without the consent of at least 75% in aggregate principal amount of Notes then outstanding, no amendment or supplement may:

(A) release any Proceeds Loan Guarantor from any of its obligations under its Proceeds Loan Guarantee or modify any Proceeds Loan Guarantee, except, in each case, in accordance with the terms of this Indenture and the Intercreditor Agreement;

(B) release any Guarantor from any of its obligations under its Note Guarantee or modify any Note Guarantee, except, in each case, in accordance with the terms of this Indenture and the Collateral Sharing Agreement; or

(C) modify any Note Security Document or any Proceeds Loan Security Document or the provisions in this Indenture dealing with the Note Security Documents or the Proceeds Loan Security Documents or application of trust moneys in any manner, taken as a whole, materially adverse to the Holders or otherwise release all or substantially all of the Note Collateral or Proceeds Loan Collateral other than pursuant to the terms of the Note Security Documents, the Proceeds Loan Security Documents, the Collateral Sharing Agreement, any Additional Collateral Sharing Agreement, the Intercreditor Agreement or any Additional Intercreditor Agreement, as applicable, or as otherwise permitted by this Indenture.

Section 9.03 *Specified Consents and Amendments*

In the event that the Issuer, as lender under the Proceeds Loan, is eligible or required to vote (or otherwise consent) (including with respect to any enforcement decision) with respect to any matter arising from time to time under the Intercreditor Agreement or any Additional Intercreditor Agreement in which all other creditors under the Intercreditor Agreement or any Additional Intercreditor Agreement are eligible or required to vote (or otherwise consent), the Issuer shall vote, or otherwise provide or withhold any consent or instruction (the "Instructing Group Consent") as directed by the "Instructing Group" as defined in, and in accordance with, the Collateral Sharing Agreement and any Additional Collateral Sharing Agreement. If applicable, the Issuer shall solicit votes (or other consents or instructions) from Holders with respect to any Instructing Group Consent.

Section 9.04 *Revocation and Effect of Consents*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 *Notation on or Exchange of Notes*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Authenticating Agent shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 *Trustee/Security Trustee to Sign Amendments, etc.*

The Trustee and/or the Security Trustee, as applicable, will sign any amended or supplemental Indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Issuer may not sign an amended or supplemental Indenture until the Board of Directors of the Issuer approves it. In executing any amended or supplemental Indenture, the Trustee will be entitled to receive and (subject to Section 7.01) will be fully protected in relying upon, in addition to the documents required by Section 14.03, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental Indenture or other document is authorized or permitted by or not in breach of this Indenture and that such amendment is the legal, valid and binding obligation of the Issuer enforceable against it in accordance with its terms, subject to customary exceptions, and complies with the provisions of this Indenture.

ARTICLE 10.
GUARANTEES

Section 10.01 *Note Guarantee*

(a) Subject to this Article 10, the Guarantor hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuers hereunder or thereunder, that:

(1) the principal of, premium, if any, and interest on, or Additional Amounts, if any, in respect to the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest and Additional Amounts on the Notes, if any, if lawful, and all other obligations of the Issuers to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantor will be jointly and severally obligated to pay the same immediately. The Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantor hereby agrees that its obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against any Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. The Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of any Issuer, general settlement with creditors, reorganization or similar laws affecting the rights of creditors generally), any right to require a proceeding first against the Issuers, protest, notice and all demands whatsoever and covenants that this Note Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to an Issuer, any Guarantor or any custodian, trustee, liquidator or other similar official acting in relation to either an Issuer or any Guarantor, any amount paid by either to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) The Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. The Guarantor further agrees that, as between the Guarantor, on the one hand, and the Holders and the Trustee, on the other hand, (i) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such obligations as provided in Article 6, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantor for the purpose of this Note Guarantee. The Guarantor will have the right to seek contribution from any non-paying Note Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

Section 10.02 *Limitation on Guarantor Liability*

The Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar national, federal, local or state law to the extent applicable to the Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantor hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor, if any, in respect of the obligations of such other Guarantor, if any, under this Article 10, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance.

Section 10.03 *Execution and Delivery of Note Guarantee*

The Guarantor hereby agrees that its Note Guarantee set forth in Section 10.01 will remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Note Guarantee.

If an Officer or director whose signature is on this Indenture or on the Note Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Note Guarantee is endorsed, the Note Guarantee will be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantor.

The Issuer shall cause any Restricted Subsidiary so required by Section 4.15, to execute a Supplemental Indenture in the form of Exhibit E to this Indenture in accordance with Section 4.15 and this Article 10.

Section 10.04 *Note Guarantee Releases*

The Issuer will not cause or permit, directly or indirectly, any Note Guarantee to be released other than:

- (1) upon consummation of the LCPR Group Assumption in accordance with Section 5.03;
- (2) in the case of a Guarantor that is prohibited or restricted by applicable Law from guaranteeing the Notes;
- (3) upon the Legal Defeasance, Covenant Defeasance or satisfaction and discharge of the Notes and this Indenture as provided in and in accordance with Articles 8 and 12, respectively;
- (4) as described in Article 9; or
- (5) upon the full and final payment and performance of all obligations of the Issuer and the Guarantor under the Notes and this Indenture.

Notwithstanding any of the foregoing, in all circumstances a Note Guarantee shall only be released if the Guarantor has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

The Trustee and the Security Trustee shall take all necessary actions, including the granting of releases or waivers under the Collateral Sharing Agreement, to effectuate any release in accordance with these provisions, subject to customary protections and indemnifications to its satisfaction.

Section 10.05 *Proceeds Loan Guarantee Releases.*

The Proceeds Loan Borrower will not cause or permit, directly or indirectly, any Proceeds Loan Guarantee to be released, except that a Proceeds Loan Guarantee will be automatically and unconditionally released:

- (1) upon the sale or other disposition of all or substantially all of the Capital Stock of the relevant Proceeds Loan Guarantor pursuant to an Enforcement Sale as provided for in the Intercreditor Agreement or as otherwise provided for under the Intercreditor Agreement;
- (2) in the case of a Subsidiary Proceeds Loan Guarantee, a Permitted Affiliate Parent Guarantee or an Affiliate Subsidiary Proceeds Loan Guarantee, upon

the sale or other disposition (including through merger or consolidation but other than pursuant to an Enforcement Sale) in compliance with this Indenture of the Capital Stock of the relevant Proceeds Loan Guarantor (whether directly or through the disposition of a parent thereof), following which such Proceeds Loan Guarantor is no longer a Restricted Subsidiary or a Permitted Affiliate Parent (other than a sale or other disposition to the Company, any Permitted Affiliate Parent or a Restricted Subsidiary);

(3) in the case of a Parent Proceeds Loan Guarantee, if such Parent Proceeds Loan Guarantor ceases to be a Parent of the Notes Proceeds Loan Borrower or a Permitted Affiliate Parent;

(4) in the case of a Proceeds Loan Guarantor that is prohibited or restricted by applicable Law from guaranteeing the Proceeds Loan;

(5) with respect to the Proceeds Loan Guarantee of the Notes Proceeds Loan only, upon the Legal Defeasance, Covenant Defeasance or satisfaction and discharge of the Notes and this Indenture as provided in Articles 8 or 12, respectively;

(6) with respect to an Additional Proceeds Loan Guarantee given pursuant to Section 4.15, upon release of the guarantee that gave rise to the requirement to issue such Additional Proceeds Loan Guarantee so long as no Event of Default would arise as a result and no other Indebtedness that would give rise to an obligation to give an Additional Proceeds Loan Guarantee is at that time guaranteed by the relevant Proceeds Loan Guarantor;

(7) with respect to Subsidiary Proceeds Loan Guarantors only, upon the release or discharge of such Subsidiary Proceeds Loan Guarantor from its guarantee of Indebtedness of the Company, any Permitted Affiliate Parent and the Subsidiary Proceeds Loan Guarantors under the LCPR Credit Agreement or any other Pari Passu Lien Obligation (including by reason of the termination of the agreement, document or instrument governing the LCPR Credit Agreement or any other Pari Passu Lien Obligation) and/or the guarantee that resulted in the obligation of such Subsidiary Proceeds Loan Guarantor to guarantee the Proceeds Loan, if such Subsidiary Proceeds Loan Guarantor would not then otherwise be required to guarantee the Proceeds Loan pursuant to this Indenture (and treating any guarantees of such Subsidiary Proceeds Loan Guarantor that remain outstanding as Incurred at least 30 days prior to such release or discharge), except a discharge or release by or as a result of payment under such guarantee;

(8) with respect to any Additional Parent Proceeds Loan Guarantors only, upon the release or discharge of such Additional Parent Proceeds Loan Guarantor from its guarantee of any Indebtedness of the Company, any Permitted Affiliate Parent and the Subsidiary Proceeds Loan Guarantors under the LCPR Credit Agreement or any other Pari Passu Lien Obligation (including by reason of the termination of the agreement, document or instrument governing the LCPR Credit Agreement or any other Pari Passu Lien Obligation) and/or if such Additional Parent Proceeds Loan Guarantor would not then otherwise be required to guarantee the Proceeds Loan pursuant to this Indenture, except a discharge or release by or as a result of payment under such guarantee;

(9) in the case of a Subsidiary Proceeds Loan Guarantee, if the relevant Proceeds Loan Guarantor is designated as an Unrestricted Subsidiary in compliance with Section 4.07;

(10) as a result of a transaction permitted by, and in compliance with, Section 5.01;

(11) if such Proceeds Loan Guarantor is an Affiliate Subsidiary and such Affiliate Subsidiary (i) becomes a Subsidiary of the Company or any Permitted Affiliate Parent, (ii) is merged into or with the Company, any Permitted Affiliate Parent or another Restricted Subsidiary that is not a Proceeds Loan Guarantor or (iii) is released pursuant to an Affiliate Subsidiary Release;

(12) as described under Article 9;

(13) upon the full and final payment and performance of all obligations of the Issuer under this Indenture and the Notes; or

(14) as a result of, and in connection with, any Solvent Liquidation.

The Issuer shall take all necessary actions, including the granting of releases or waivers under the Intercreditor Agreement, to effectuate any release in accordance with the above provisions.

Section 10.06 *Additional Parent Proceeds Loan Guarantees*

From time to time following the Escrow Release Date (if it occurs), a Parent may be designated as an additional Proceeds Loan Guarantor of the Proceeds Loans (an “*Additional Parent Proceeds Loan Guarantor*”, together with any other Additional Parent Proceeds Loan Guarantors, the “*Parent Proceeds Loan Guarantors*”) by causing it to execute and deliver to the Issuer an accession agreement to the Proceeds Loan Agreement.

Each Additional Parent Proceeds Loan Guarantor will, jointly and severally, with each other Additional Parent Proceeds Loan Guarantor, irrevocably guarantee (each guarantee, an “*Additional Parent Proceeds Loan Guarantee*”, together with each other Additional Parent Proceeds Loan Guarantees, the “*Parent Proceeds Loan Guarantees*”), as primary obligor and not merely as surety, on a senior basis the full and punctual payment when due, whether at Stated Maturity, by acceleration or otherwise, of all payment obligations of the Notes Proceeds Loan Borrower under the Proceeds Loan, whether for payment of principal of or interest on or in respect of the Proceeds Loan, fees, expenses, indemnification or otherwise. The obligations of any Additional Parent Proceeds Loan Guarantor will be contractually limited under its Additional Parent Proceeds Loan Guarantee to prevent the relevant Additional Parent Proceeds Loan Guarantee from constituting a fraudulent conveyance under applicable Law, or otherwise to reflect limitations under applicable Law.

Section 10.07 *Additional Subsidiary Proceeds Loan Guarantees*

From time to time following the Escrow Release Date (if it occurs), the Company or the Permitted Affiliate Parent may designate a Restricted Subsidiary as an additional guarantor of the Proceeds Loans (an “*Additional Subsidiary Proceeds Loan Guarantor*”, together with any Additional Parent Proceeds Loan Guarantor, any Permitted Affiliate Parent and any Affiliate Subsidiary, each an “*Additional Proceeds Loan Guarantor*”; and together with the Initial Parent Proceeds Loan Guarantor, the “*Proceeds Loan Guarantors*”) by causing it to execute and deliver to the Issuer an accession agreement to the Proceeds Loan Agreement, pursuant to which such Restricted Subsidiary will become a Proceeds Loan Guarantor.

Each Additional Subsidiary Proceeds Loan Guarantor will, jointly and severally, with each other Additional Subsidiary Proceeds Loan Guarantor, irrevocably guarantee (each guarantee, an “*Additional Subsidiary Proceeds Loan Guarantee*”, together with any Additional Parent Proceeds Loan Guarantee, any Permitted Affiliate Parent Guarantee and any Affiliate Subsidiary Proceeds Loan Guarantee, each an “*Additional Proceeds Loan Guarantee*”; and together with the Initial Parent Proceeds Loan Guarantees, the “*Proceeds Loan Guarantees*”), as primary obligor and not merely as surety, on a senior basis the full and punctual payment when due, whether at Stated Maturity, by acceleration or otherwise, of all payment obligations of the Notes Proceeds Loan Borrower under the Proceeds Loan, whether for payment of principal of or interest on or in respect of the Proceeds Loan, fees, expenses, indemnification or otherwise. The obligations of any Additional Subsidiary Proceeds Loan Guarantor will be contractually limited under its Additional Subsidiary Proceeds Loan Guarantee to prevent the relevant Additional Subsidiary Proceeds Loan Guarantee from constituting a fraudulent conveyance under applicable Law, or otherwise to reflect limitations under applicable Law.

Section 10.08 *Permitted Affiliate Parent and Affiliate Subsidiaries*

The Company may from time to time designate an Affiliate as a Permitted Affiliate Parent (each a “*Permitted Affiliate Parent*”) by causing it to execute and deliver to the Issuer an accession agreement to the Proceeds Loan Agreement whereby such Permitted Affiliate Parent will provide a Proceeds Loan Guarantee (the “*Permitted Affiliate Parent Guarantee*”) and accede as a Permitted Affiliate Parent (the “*Permitted Affiliate Parent Accession*”); provided that, prior to or immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing. References to any Permitted Affiliate Parent include all Permitted Affiliate Parents so designated from time to time. Any Permitted Affiliate Parent Guarantee shall be issued on substantially the same terms as any Additional Parent Proceeds Loan Guarantee.

The Company may designate an Affiliate as an Affiliate Subsidiary by causing it to execute and deliver to the Issuer an accession agreement to the Proceeds Loan Agreement (the “*Affiliate Subsidiary Accession*”) whereby the Affiliate Subsidiary will provide a Proceeds Loan Guarantee (the “*Affiliate Subsidiary Proceeds Loan Guarantee*”); provided that, prior to or immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing. References to any Affiliate Subsidiary include all Affiliate Subsidiaries so designated from time to time. Any Affiliate Subsidiary Proceeds Loan Guarantee shall be issued on substantially the same terms as any Additional Subsidiary Proceeds Loan Guarantee. The Company may designate that any Affiliate Subsidiary is no longer an Affiliate Subsidiary (the “*Affiliate Subsidiary Release*”); provided that immediately after giving effect to such Affiliate Subsidiary Release, no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof and either (A) the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries could Incur at least \$1.00 of additional Indebtedness pursuant to clause (2) of Section 4.09(b) or (B) the Consolidated Net Leverage Ratio would be no greater than it was immediately prior to giving effect to such designation, in each case, on a pro forma basis taking into account such Affiliate Subsidiary Release.

The Issuer will deliver to the Trustee copies of all documents delivered to the Security Trustee pursuant to the Note Security Documents, the Collateral Sharing Agreement and any Additional Collateral Sharing Agreement. The Issuer will take, upon request of the Trustee or the Security Trustee, any and all actions reasonably required to cause the Note Security Documents, the Collateral Sharing Agreement and any Additional Collateral Sharing Agreement to create and maintain, as security for the Obligations of the Issuer hereunder, a valid and enforceable perfected Lien in and on the relevant Note Collateral in favor of the Security Trustee.

Section 11.02 *Release of the Note Collateral*

The Issuer will not cause or permit, directly or indirectly, any Lien on the Note Collateral to be released, except that the Liens on the Note Collateral will be automatically and unconditionally released:

- (1) upon the full and final payment and performance of all obligations of the Issuer under this Indenture and the Notes;

(8) in accordance with the Note Security Documents, the Collateral Sharing Agreement and any Additional Collateral Sharing Agreement.

Subject to the provisions of Section 7.01 and 7.02, upon certification by the Issuer, the Trustee and the Security Trustee shall take all necessary actions, including the granting of releases or waivers under the Collateral Sharing Agreement, or any Additional Collateral Sharing Agreement, to effectuate any release in accordance with these provisions, subject to customary protections and indemnifications to the satisfaction of the Trustee and the Security Trustee. The Security Trustee and/or Trustee (as applicable) will agree to any release of the security interests created by the Note Security Documents that is in accordance with this Indenture, the Note Security Documents, the Collateral Sharing Agreement and any Additional Collateral Sharing Agreement without requiring any consent of the Holders.

Section 11.03 *Release of the Proceeds Loan Collateral*

The Proceeds Loan Collateral will be automatically and unconditionally released and discharged:

(1) in the event of a sale or disposition (including through merger or consolidation but other than pursuant to an Enforcement Sale) of assets included in the Proceeds Loan Collateral to a Person that is not (either before or after giving effect to such transaction) the Company, a Permitted Affiliate Parent or a Restricted Subsidiary, provided that such sale or disposition is in compliance with this Indenture, including the provisions described under Section 4.10, or in connection with any other release of a Proceeds Loan Guarantee permitted under this Indenture;

(2) if the Proceeds Loan Collateral is the Capital Stock of, or an asset of, a Proceeds Loan Guarantor or any of its Subsidiaries, in connection with any sale or disposition of Capital Stock of that Proceeds Loan Guarantor or Subsidiary to a Person that is not (either before or after giving effect to such transaction) the Company, a Permitted Affiliate Parent or a Restricted Subsidiary, provided that such sale or disposition is in compliance with this Indenture, including the provisions of Section 4.10, or if the applicable Subsidiary of which such Capital Stock or assets are pledged is designated as an Unrestricted Subsidiary in compliance with Section 4.07;

(5) upon the sale or other disposition of any Proceeds Loan Collateral pursuant to an Enforcement Sale;

(6) as described in Article 9;

(7) in connection with any merger or other transaction permitted by, and in compliance with, Section 5.01; provided that any other Lien on such property or assets that secures any other Indebtedness (other than (a) any Indebtedness permitted to be incurred pursuant to clause (15) of Section 4.09(c) and (b) any

(11) upon the full and final payment and performance of all obligations of the Issuer and the Guarantor under this Indenture and the Notes; and

(12) as a result of, and in connection with, any Solvent Liquidation.

In addition, the Liens created by the Proceeds Loan Security Documents will be released in accordance with the Proceeds Loan Security Documents and the Intercreditor Agreement.

Section 11.04 *Limitations on the Collateral*

The Security Interest will be limited as necessary to recognize certain defenses generally available to providers of Security Interest (including those that relate to fraudulent conveyance or transfer, thin capitalization, voidable preference, financial assistance, corporate purpose, capital maintenance or similar Laws, regulations or defenses affecting the rights of creditors generally) or other considerations under applicable Law.

Section 11.05 *Authorization of Actions to Be Taken by the Security Trustee*

Subject to the provisions of Section 7.01 and 7.02, the Security Trustee may, at the direction and for the benefit of the Trustee or the requisite Holders, take all actions it deems necessary or appropriate in order to:

(1) enforce any of the terms of the Note Security Documents;

(2) release any Lien created by any Note Security Document or Proceeds Loan Guarantee in accordance with the terms of this Indenture or the Intercreditor Agreement; and

(3) collect and receive any and all amounts payable in respect of the obligations of the Issuer hereunder.

The Security Trustee, at the direction and for the benefit of the Trustee or the requisite Holders, will have power to institute and maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts that may be

unlawful or in violation of the Note Security Documents, the Collateral Sharing Agreement, any Additional Collateral Sharing Agreement, the Intercreditor Agreement, any Additional Intercreditor Agreement or this Indenture, and such suits and proceedings as the Security Trustee may deem expedient to preserve or protect its interests and the interests of the Holders in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the Holders or of the Trustee).

Notwithstanding any other provision of this Indenture, neither the Trustee nor the Security Trustee has any responsibility for the validity, perfection, priority or enforceability of any Lien, Note Security Document or other security interest and shall have no obligation to take any action to procure or maintain such validity, perfection, priority or enforceability nor shall either the Trustee or the Security Trustee be responsible for the sufficiency, validity or adequacy of any security granted by the Note Security Document.

Section 11.06 *Authorization of Receipt of Funds by the Security Trustee Under the Note Security Documents*

The Security Trustee is authorized to receive any funds for the benefit of the Holders distributed under the Note Security Documents, and to make further distributions of such funds to the Trustee, for further distribution to the Holders according to the provisions of this Indenture, the Collateral Sharing Agreement, any Additional Collateral Sharing Agreement and the Note Security Documents. All such payments to the Security Trustee, or upon its order, shall be valid and, to the extent of the same so paid, effective to satisfy and discharge the liability for moneys payable under the Notes, this Indenture and the Note Security Documents.

Section 11.07 *Waiver of subrogation*

ARTICLE 12.
SATISFACTION AND DISCHARGE

Section 12.01 *Satisfaction and Discharge*

(a) This Indenture, the Note Security Documents, the Covenant Agreement, and, subject to Section 7.07, the rights, duties and obligations of the Trustee, the Security Trustee and the Holders under the Collateral Sharing Agreement, any Additional Collateral Sharing Agreement, the Intercreditor Agreement or any Additional Intercreditor Agreement will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(1) either:

(A) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Issuer, have been delivered to a Paying Agent or Registrar for cancellation; or

(B) (i) all Notes that have not been delivered to a Paying Agent or Registrar for cancellation (a) have become due and payable by reason of the mailing or delivery of a notice of redemption or otherwise or (b) will become due and payable within one year and (ii) the Issuer or a Proceeds Loan Obligor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash, Cash Equivalents, U.S. Government Obligations or a combination thereof, in each case, denominated in U.S. dollars, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to a Paying Agent or Registrar for cancellation for principal, premium and Additional Amounts (if any) and accrued interest to the date of maturity or redemption;

(2) the Issuer or the Guarantor has paid or caused to be paid all other amounts payable by it under this Indenture; and

(3) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the Redemption Date, as the case may be.

(b) In addition, the Company must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel, in each case stating that all conditions precedent to satisfaction and discharge have been satisfied.

(c) In addition, if:

(1) part of the Notes (the "*Called Notes*") have become irrevocably due and payable by reason of the mailing or delivery of an unconditional notice of redemption or otherwise;

(2) the Issuer or any Proceeds Loan Obligor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, with respect to the Called Notes, cash, Cash Equivalents, US Government Obligations or a combination thereof, in each case, denominated in dollars, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Called Notes for principal, premium and Additional Amounts (if any) and accrued interest to the Redemption Date; and

(3) the Company or any Permitted Affiliate Parent has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Called Notes on the Redemption Date,

then the Called Notes will not constitute Indebtedness under this Indenture, In addition, the Company must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel, in each case, stating that all conditions precedent to such Notes not constituting Indebtedness have been satisfied.

(d) Notwithstanding the satisfaction and discharge of this Indenture if money has been deposited with the Trustee pursuant to Section 12.01(a)(1)(B), the provisions of Section 8.06 will survive. In addition, nothing in this Section 12.01 will be deemed to discharge those provisions of Section 7.07, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 12.02 *Application of Trust Money*

Subject to the provisions of Section 8.06, all money deposited with the Trustee pursuant to Section 12.01 shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including any Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by Law.

If the Trustee or Paying Agent is unable to apply U.S. dollars or U.S. dollar-denominated non-callable U.S. Government Obligations in accordance with Section 12.01 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 12.01; *provided* that if the Issuer has made any payment of principal of, premium, if any, or interest on, any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from U.S. dollars or U.S. dollar-denominated non-callable U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE 13. LIMITED RECOURSE OBLIGATIONS

(c) The Trustee, the Security Trustee, the Paying Agents, the Registrar and the Holders of Notes each agree that neither they, nor any person acting on their behalf, will be entitled at any time to institute against the Issuer, or join any institution against the Issuer of any bankruptcy, reorganisation, arrangement, insolvency, examinership, winding-up or liquidation proceedings, proceedings for the appointment of a liquidator, examiner, administrator or other similar official or other proceedings under any applicable insolvency or similar Law in connection with any obligations of the Issuer owed to any of the Trustee, the Security Trustee, the Paying Agents, the Registrar and the Holders of Notes under the Notes

or this Indenture, save for lodging a claim in the liquidation of the Issuer which is initiated by another party or taking proceedings to obtain declaration or judgment as to the obligations of the Issuer in relation thereto (the "*Non-Petition Restrictions*").

(d) Holders of Notes will not have a direct claim on the cash flow or assets of the Company, any Permitted Affiliate Parent or any of their respective Subsidiaries, and none of the Company, any Permitted Affiliate Parent or any of their respective Subsidiaries will have any obligation, contingent or otherwise, to pay amounts due under the Notes, or to make funds available to the Issuer for those payments, other than the obligations of the Proceeds Loan Obligor to make payments to the Issuer as the lender under the Proceeds Loan.

(e) Although the Holders of Notes will benefit from the Covenant Agreement, none of the Trustee, the Security Trustee or the Holders of Notes will be entitled to exercise any rights or remedies under the Covenant Agreement against any Proceeds Loan Obligor, other than the rights to instruct the Issuer to accelerate or otherwise enforce the Issuer's rights under the Proceeds Loan or the Proceeds Loan Guarantees in accordance with the terms thereof and the Collateral Sharing Agreement.

(f) Nothing in this Section 13.01 will limit the ability of the Holders of the Notes or the Trustee to accelerate the Notes or exercise other remedies in accordance with Article 6.

The Issuer, the Trustee, the Registrar and anyone else shall have the protection of TIA § 312(c) as if this Indenture were required to be qualified under the TIA.

Section 14.03 *Certificate and Opinion as to Conditions Precedent*

Upon any request or application by the Issuer to the Trustee or Security Trustee, as applicable, to take any action under this Indenture, the Issuer shall furnish to the Trustee:

- (1) an Officer's Certificate in form and substance reasonably satisfactory to the Trustee or the Security Trustee, as applicable, (which must include the statements set forth in Section 14.04) stating that, in the opinion of the signers, all conditions precedent and covenants, if any, provided for in this Indenture relating to the proposed action have been satisfied; and

Section 14.05 *Rules by Trustee and Agents*

The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

Section 14.06 *No Personal Liability of Directors, Officers, Employees and Stockholders*

No director, officer, employee, incorporator, member or stockholder of the Issuer, the Company, any Permitted Affiliate Parent, any of their respective parent companies or any of their respective Subsidiaries or Affiliates, as such, shall have any liability for any obligations of the Issuer, the Company or any Proceeds Loan Obligor under the Notes, this Indenture, the Note Security Documents, the Proceeds Loan Security Documents, the Covenant Agreement, the Proceeds Loan Agreement, the Collateral Sharing Agreement, any Additional Collateral Sharing Agreement, the Intercreditor Agreement, and/or any Additional Intercreditor Agreement, as applicable, or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

Section 14.07 *Currency Indemnity*

The sole currency of account and payment for all sums payable by the Issuer with respect to this Indenture or the Notes under this Indenture is dollars. Any amount received or recovered in a currency other than dollars (whether as a result of, or the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Company, any Subsidiary or otherwise) by the Trustee, Security Trustee or any other person in respect of any sum expressed to be due to it from the Issuer will constitute a discharge of the Issuer only to the extent of the dollar amount, which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not possible to make that purchase on that date, on the first date on which it is possible to do so). If that dollar amount is less than the dollar amount expressed to be due to the recipient under this Indenture or any Note, the Issuer will indemnify the recipient against any loss sustained by it as a result. In any event the Issuer will indemnify the recipient against the cost of making any such purchase.

For the purposes of this indemnity, it will be sufficient for the Holder, the Trustee or the Security Trustee to certify that it would have suffered a loss had an actual purchase of dollars been made with the amount so received in that other currency on the date of receipt or recovery (or, if a purchase of dollars on such date had not been practicable, on the first date on which it would have been practicable). These indemnities constitute a separate and independent obligation from the other obligations of the Issuer, will give rise to a separate and independent cause of action, will apply irrespective of any waiver granted by any Holder, the Trustee, Security Trustee or any other Person and will continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under this Indenture or any Note or any other judgment or order.

Section 14.08 *Governing Law*

The Issuer represents that it has notified the Registered Agent of such designation and appointment and that the Registered Agent has accepted the same in writing. The Issuer further agrees that service of process upon its Registered Agent and written notice of said service to the Issuer mailed by first class mail or delivered to its Registered Agent shall be deemed in every respect effective service of process upon the Issuer in any such suit or proceeding. Nothing herein shall affect the right of any person to serve process in any other manner permitted by Law. The Issuer agrees that a final action in any such suit or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other lawful manner.

The Issuer hereby irrevocably waives, to the extent permitted by Law, any immunity to jurisdiction to which it may otherwise be entitled (including, without limitation, immunity to pre-judgment attachment, post-judgment attachment and execution) in any legal suit, action or proceeding against it arising out of or based on this Indenture, the Notes or the transactions contemplated hereby.

The provisions of this Section 14.09 are intended to be effective upon the execution of this Indenture and the Notes without any further action by the Issuer or the Trustee and the introduction of a true copy of this Indenture into evidence shall be conclusive and final evidence as to such matters.

Section 14.15 *Prescription*

Claims against the Issuer for the payment of principal or Additional Amounts, if any, on the Notes will be prescribed ten years after the applicable due date for payment thereof. Claims against the Issuer for the payment of interest on the Notes will be prescribed five years after the applicable due date for payment of interest.

Section 14.16 *USA PATRIOT Act*

The parties hereto acknowledge that in order to help the United States government fight the funding of terrorism and money laundering activities, pursuant to Federal regulations that became effective on October 1, 2003, Section 326 of the USA PATRIOT Act requires all financial institutions to obtain, verify, record and update information that identifies each person establishing a relationship or opening an account. FORM OF SOLVENCY CERTIFICATE

This solvency certificate (this "Certificate") is delivered by *[insert name of relevant Grantor]* (the "Company") in connection with the Indenture dated as of October 25, 2019 (as amended, restated, supplemented or otherwise modified from time to time, the "Indenture") (undefined capitalized terms used herein shall have the meanings set forth in the Indenture) among, *inter alios*, LCPR Senior Secured Financing Designated Activity Company, as issuer and BNY Mellon Corporate Trustee Services Limited, as trustee. I hereby certify as follows in my capacity as [Responsible Financial or Accounting Officer] of the Company, and not individually:

1. I am, and at all pertinent times mentioned herein, have been the duly qualified and acting [Responsible Financial or Accounting Officer] of the Company.

2. In connection with the preparation of this Certificate, I have made such investigations and inquiries as I deem necessary and reasonably prudent therefor and to accurately make the certifications expressed herein.

Based on the foregoing, on behalf of the Company, I have reached the following conclusions:

(A) As of the date hereof, after giving effect to [describe the Permitted Collateral Lien or release/retaking of security contemplated by Section 4.17 of the Indenture] (the "Transactions"):

- (i) the fair value of the assets of the Company and its subsidiaries on a consolidated basis is in excess of the total amount of its debts (including, without limitation, contingent liabilities, computed as the amount that, in light of all the facts and circumstances now existing, represents the amount that can reasonably be expected to become an actual or matured liability);
- (ii) the present fair salable value of the assets of the Company and its subsidiaries on a consolidated basis is greater than its probable total liability on its existing debts as such debts become absolute and matured; and
- (iii) the Company has capital that is not unreasonably small for its business and is sufficient to carry on its business as conducted and as proposed to be conducted.

(B) The Company is not subject to insolvency proceedings, voluntary or judicial liquidation, composition with creditors, reprieve from payment or general settlement with creditors.

(C) The Company is not, on the date hereof and will, as a result of the Transaction, not be in a state of cessation of payments.

(D) No application has been made by the Company or, as far as the Company is aware, by any other person for the appointment of an insolvency administrator pursuant to any insolvency proceedings.

(E) No application has been made by the Company for a voluntary winding-up or liquidation nor has any judicial winding-up or liquidation been commenced or initiated against the Company.

(F) The Company does not intend, in incurring (by way of assumption or otherwise) any obligations or liabilities (contingent or otherwise) relating to the Transaction, to disturb, delay, hinder or defraud either present or future creditors to which the Company, the Issuer or any of their Subsidiaries is on the date hereon, indebted.

“Fair salable value” means the amount that could be obtained for assets within a reasonable time, either through collection or through sale under ordinary selling conditions by a capable and diligent seller to an interested buyer who is willing (but under no compulsion) to purchase.

IN WITNESS WHEREOF, I have executed this Certificate on behalf of the Company in my capacity as [Responsible Financial or Accounting Officer] of the Company (but not individually) as of [] and have no personal liability hereunder.

The Trustee may authenticate Notes as the Fold-In Issuer's Authenticating Agent. The Trustee may appoint an additional Authenticating Agent or Agents acceptable to the Fold-In Issuer to authenticate Notes. Unless limited by the terms of such appointment, an Authenticating Agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such Authenticating Agent. Such Authenticating Agent shall have the same rights as the Trustee in any dealings hereunder with any of the Fold-In Issuer's Affiliates.

Notes authenticated by an Authenticating Agent shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated hereunder by the Trustee, and every reference in this Indenture to the authentication and delivery of Notes by the Trustee or the Trustee's certificate of authentication shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be subject to acceptance by the Fold-In Issuer and shall at all times be a corporation organized and doing business under, or licensed to do business

pursuant to, the Laws of the United States of America (including any State thereof or the District of Columbia), the United Kingdom or a jurisdiction in the European Union and authorized under such Laws to act as Authenticating Agent, subject to supervision or examination by governmental authorities, if applicable. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section 2.02, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section 2.02.

Any entity into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any entity resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any entity resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any entity succeeding to all or substantially all the corporate agency or corporate trust business of an Authenticating Agent, shall continue to be an Authenticating Agent; *provided* that such entity shall be otherwise eligible under this Section 2.02, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent may resign at any time by giving written notice of resignation to the Trustee and the Fold-In Issuer. Each of the Trustee and the Fold-In Issuer may at any time terminate the agency of an Authenticating Agent by giving written notice of the termination to that Authenticating Agent and the Fold-In Issuer or the Trustee, as the case may be. Upon receiving such a notice of resignation or upon such a termination, or in case at any time any Authenticating Agent ceases to be eligible in accordance with the provisions of this Section 2.02, the Trustee may appoint a successor Authenticating Agent acceptable to the Fold-In Issuer. Any successor Authenticating Agent, upon acceptance of its appointment hereunder, shall become vested with all of the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section 2.02.

The Fold-In Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services under this Section 2.02.

The initial Authenticating Agent shall be The Bank of New York Mellon.

If an Authenticating Agent is appointed with respect to the Notes pursuant to this Section 2.02, the Notes may have endorsed thereon, in addition to or in lieu of the Trustee's certification of authentication, an alternative certificate of authentication in the following form:

Section 2.03 *Paying Agent and Registrar*

The Fold-In Issuer will maintain one or more paying agents (each, a "*Paying Agent*") for the Notes in London, England (the "*Principal Paying Agent*"). The Bank of New York Mellon, London Branch will initially act as Principal Paying Agent in London.

The Fold-In Issuer will also maintain one or more registrars (each, a "*Registrar*") for so long as the Notes are listed on the International Stock Exchange and the rules of the International Stock Exchange so require. The Fold-In Issuer will also maintain a Transfer

Agent. The initial Registrar for the Notes will be The Bank of New York Mellon. The initial Transfer Agent with respect to the Notes will be The Bank of New York Mellon (the “*Transfer Agent*”). The Registrar will maintain a register for the Notes (the “*Register*”) on behalf of the Fold-In Issuer for so long as the Notes remain outstanding reflecting ownership of Definitive Registered Notes outstanding from time to time. The Paying Agents will effect payments on, and the Transfer Agents will facilitate transfer of, Definitive Registered Notes on behalf of the Fold-In Issuer. In the event that the Notes are no longer listed, the Fold-In Issuer or its agent will maintain a register reflecting ownership of the Notes.

The parties hereto acknowledge that the Fold-In Issuer has appointed The Bank of New York Mellon, London Branch, at its Corporate Trust Office, as Principal Paying Agent and The Bank of New York Mellon, at 240 Greenwich Street, New York, New York 10286, as Registrar and Transfer Agent. The Fold-In Issuer acknowledges that The Bank of New York Mellon, London Branch, and The Bank of New York Mellon have accepted such appointment. Section 7.07 shall apply to them in such capacities as if they were Trustee hereunder.

The Fold-In Issuer may appoint one or more additional Paying Agents and the term “*Paying Agent*” shall include any such additional Paying Agent, as applicable. Upon notice to the Trustee, the Fold-In Issuer may change any Paying Agent, Registrar or Transfer Agent and the Fold-In Issuer may act as the Paying Agent; *provided, however*, that in no event may the Fold-In Issuer act as Paying Agent or appoint a Paying Agent in any member state of the European Union where the Paying Agent would be obliged to withhold or deduct tax in connection with any payment made by it in relation to the Notes unless the Paying Agent would be so obliged if it were located in all other member states.

The Fold-In Issuer shall notify the Trustee of the name and address of any Agent appointed after the Issue Date. If the Fold-In Issuer fails to maintain a Paying Agent, or fails to give the foregoing notice, the Trustee shall act as such and shall be entitled to appropriate compensation in accordance with Section 7.07.

Section 2.04 *Holders to Be Treated as Owners; Payments of Interest*

(a) Except as otherwise ordered by a court of competent jurisdiction or required by applicable Law, the Fold-In Issuer, the Paying Agents, the Registrar, the Trustee and any agent of the Fold-In Issuer, any Paying Agent, the Registrar or the Trustee shall deem and treat the Holder of a Note as the absolute owner of such Note for the purpose of receiving payment of or on account of the principal, premium or interest on such Note and for all other purposes; and neither the Fold-In Issuer, any Paying Agent, the Registrar, the Trustee nor any agent of the Fold-In Issuer, any Paying Agent, the Registrar or the Trustee shall be affected by any notice to the contrary. All such payments so made to any such Person, or upon his order, shall be valid, and, to the extent of the sum or sums so paid, effective to satisfy and discharge the liability for moneys payable upon any Note.

(b) Notwithstanding the foregoing, nothing herein shall prevent the Fold-In Issuer, the Trustee or the Agents from giving effect to any written certification, proxy or other authorization furnished by the Depositary or its nominee or impair, as between the Depositary or its nominees, the Participants or any other person, the operation of customary practices of such persons governing the exercise of the rights of a Holder.

(c) A Holder of a Note at the close of business on any Regular Record Date with respect to any Interest Payment Date shall be entitled to receive the interest payable on such Interest Payment Date notwithstanding any transfer or exchange of such Note subsequent to the Regular Record Date and prior to such Interest Payment Date, except if and to the extent the Fold-In Issuer shall default in the payment of the interest due on such

Interest Payment Date, in which case such defaulted interest shall be paid in accordance with Section 2.13. The term “*Regular Record Date*” as used with respect to any Interest Payment Date for the Notes shall mean the date specified as such in the Notes.

Section 2.05 *Paying Agent to Hold Money*

Each Paying Agent shall hold for the benefit of the Holders or the Trustee all money received by the Paying Agent for the payment of principal, premium, interest or Additional Amounts on the Notes (whether such money has been paid to it by the Fold-In Issuer or any other obligor on the Notes), and the Fold-In Issuer and the Paying Agent shall notify the Trustee of any Default by the Fold-In Issuer (or any other obligor on the Notes) in making any such payment. For the avoidance of doubt, the Paying Agent acts as agent and not trustee under this Indenture. Money held by a Paying Agent need not be segregated (other than when the Fold-In Issuer acts as a Paying Agent), except as required by Law, and in no event shall any Paying Agent be liable for any interest on any money received by it hereunder. The Fold-In Issuer at any time may require the Paying Agent to pay all money held by it to the Trustee and account for any funds disbursed, and the Trustee may, if such a Default has occurred and is continuing, require any Paying Agent to pay forthwith all money so held by it to the Trustee and to account for any funds disbursed. Upon making such payment, the Paying Agent shall have no further liability for the money delivered to the Trustee.

Section 2.06 *Holder Lists*

The Registrar will preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar and the Registrar maintains such a list on behalf of the Fold-In Issuer, the Fold-In Issuer will furnish to the Trustee at least seven Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

(k) *Cancellation.* At such time as all Book-Entry Interests have been exchanged for Definitive Registered Notes or all Global Notes have been redeemed or repurchased, the Global Notes shall be returned to the Trustee for cancellation in accordance with Section 2.12.

(l) *General Provisions Relating to Registration of Transfers and Exchanges.* To permit registration of transfers and exchanges, the Fold-In Issuer shall execute and the

Trustee shall authenticate Global Notes and Definitive Registered Notes upon the Fold-In Issuer's order in accordance with the provisions of Section 2.02.

(1) No service charge shall be made to a Holder for any registration of transfer or exchange, but the Fold-In Issuer may require payment of a sum sufficient to cover any taxes, duties or governmental charge payable in connection therewith (other than any such taxes, duties or governmental charge payable upon exchange or transfer pursuant to Sections 2.11, 4.10, 4.14 and 9.05).

(2) All Global Notes and Definitive Registered Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Registered Notes shall be the valid obligations of the Fold-In Issuer, evidencing the same debt and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Registered Notes surrendered upon such registration of transfer or exchange.

(3) The Fold-In Issuer shall not be required to register the transfer of, or to exchange, Definitive Registered Notes: (A) for a period beginning at the opening of business 15 calendar days before any Redemption Date and ending at the close of business on the Redemption Date; (B) for a period beginning at the opening of business 15 calendar days immediately prior to the date fixed for selection of Notes to be redeemed in part, and ending at the close of business on the date on which such Notes are selected; (C) for a period of 15 calendar days before any Regular Record Date with respect to any Interest Payment Date; or (D) which the Holder has tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer or an Asset Disposition Offer.

(4) The Fold-In Issuer, the Trustee, the Registrar and the Paying Agents will be entitled to treat the registered Holder of a Note as the owner thereof for all purposes.

(5) The Fold-In Issuer shall not be required to register the transfer or exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

The Trustee shall have no responsibility for any actions or omissions of the Depositary.

Section 2.08 *Replacement Notes*

(a) If any mutilated Note is surrendered to a Paying Agent, the Registrar or the Trustee or the Fold-In Issuer and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Fold-In Issuer will issue and the Authenticating Agent, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee's and/or the Authenticating Agent's requirements are met. If required by the Trustee or the Fold-In Issuer, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Fold-In Issuer to protect the Fold-In Issuer, the Trustee, any Agent and any Authenticating Agent from any loss that any of them may suffer if a Note is replaced. The Fold-In Issuer and the Trustee may charge for their expenses in replacing a Note, including reasonable fees and expenses of counsel. In the event any such mutilated, lost, destroyed or stolen Note has become or is about to become due and payable, the Fold-In Issuer in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

(b) The provisions of this Section 2.08 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or stolen Notes.

(c) Every replacement Note issued pursuant to this Section 2.08 is an additional obligation of the Fold-In Issuer and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.09 *Outstanding Notes*

The Notes outstanding at any time are all the Notes authenticated by the Authenticating Agent except for those cancelled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.09 as not outstanding. Except as set forth in Section 2.10, a Note does not cease to be outstanding because the Fold-In Issuer or an Affiliate of the Fold-In Issuer holds the Note; however, Notes held by the Fold-In Issuer or a Subsidiary of the Fold-In Issuer shall not be deemed to be outstanding for purposes of Section 3.07(a).

If a Note is replaced pursuant to Section 2.08, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Fold-In Issuer, a Subsidiary or an Affiliate of any thereof) holds, on a Redemption Date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

A mutilated Note ceases to be outstanding upon surrender of such Note and replacement thereof pursuant to Section 2.08.

Section 2.10 *Treasury Notes*

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Fold-In Issuer, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Fold-In Issuer, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned will be so disregarded.

Section 2.11 *Temporary Notes*

Until certificates representing Notes are ready for delivery, the Fold-In Issuer may prepare and the Authenticating Agent, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Fold-In Issuer considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Fold-In Issuer will prepare and the Trustee will authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.12 *Cancellation*

The Fold-In Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will destroy cancelled Notes. Certification of the destruction of all cancelled Notes will be delivered to the Fold-In Issuer. The Fold-In Issuer may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.13 *Defaulted Interest*

If the Fold-In Issuer defaults in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01. The Fold-In Issuer will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Fold-In Issuer will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Fold-In Issuer (or, upon the written request of the Fold-In Issuer, the Trustee in the name and at the expense of the Fold-In Issuer) will deliver or cause to be delivered to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.14 *CUSIP, ISIN or Common Code Number*

The Fold-In Issuer in issuing the Notes may use a "CUSIP", an "ISIN" or "Common Code" number and, if so, such CUSIP, ISIN or Common Code number shall be included in notices of redemption or exchange as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness or accuracy of the CUSIP, ISIN or Common Code number printed in the notice or on the Notes, and that reliance may be placed only on the other identification numbers printed on the Notes. The Fold-In Issuer will promptly notify the Trustee and each Agent of any change in any CUSIP, ISIN and/or Common Code number.

Section 2.15 *Deposit of Moneys*

One Business Day prior to each Interest Payment Date, the maturity date of the Notes, each Redemption Date and each payment date relating to an Asset Disposition Offer or a Change of Control Offer, and on the Business Day immediately following any acceleration of the Notes pursuant to Section 6.02, the Fold-In Issuer shall deposit with a Paying Agent in immediately available funds money in U.S. dollars sufficient to make cash payments, if any, due on such Interest Payment Date, maturity date, Redemption Date, the payment date relating to an Asset Disposition or a Change of Control Offer, or Business Day, as the case may be. All such payments so made to a Paying Agent, or upon its order, shall be valid, and, to the extent of the sum or sums so paid, effective to satisfy and discharge the liability for moneys payable upon any Note. Subject to receipt of such funds by such time, each Paying Agent shall remit such payment in a timely manner on such Interest Payment Date, maturity date, Redemption Date, the payment date relating to an Asset Disposition or a Change of Control Offer, or Business Day, as the case may be, to the Persons and in the manner set forth in paragraph (B) of the Notes.

Section 2.16 *Actions of Agents*

The rights, powers, duties and obligations and actions of each Agent under this Indenture are several and not joint or joint and several.

ARTICLE 3.
REDEMPTION AND PREPAYMENT

Section 3.01 *Notices to Trustee*

If the Fold-In Issuer elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07, Section 3.08 or Section 3.10 or pursuant to Section 4.14(d), they must furnish to the Trustee, at least 10 days but not more than 60 days before a Redemption Date, an Officer's Certificate setting forth:

- (1) the Section of this Indenture pursuant to which the redemption shall occur;
- (2) the Redemption Date and the record date;
- (3) the principal amount of Notes to be redeemed;
- (4) the redemption price; and
- (5) the CUSIP, ISIN or Common Code numbers, as applicable.

Any notices in connection with such redemption shall be given by the Fold-In Issuer or the Company pursuant to Section 14.01(d) and Section 14.01(e), as applicable.

Section 3.02 *Selection of Notes to Be Redeemed or Purchased; Notices*

In the case of any partial redemption, selection of the Notes for redemption will be made by the Trustee on a pro rata basis (or, in the case of Global Notes, based on the procedures of the Depositary) unless otherwise required by applicable Law or applicable stock exchange or depositary requirements, although no Notes of \$200,000 or less can be redeemed in part. The Trustee and Registrar will not be liable for selections made by it in accordance with this paragraph. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount thereof to be redeemed. A new Note in principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original Note.

For Notes which are represented by Global Notes held on behalf of the Depositary, notices may be given by delivery of the relevant notices to the Depositary for communication to entitled account holders in substitution for the aforesaid delivery.

Section 3.03 *Notice of Redemption*

Subject to the provisions of Section 3.07, at least 10 calendar days but not more than 60 calendar days before a Redemption Date, the Fold-In Issuer will deliver or cause to be delivered, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be delivered more than 60 days prior to a Redemption Date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles 8 or 12.

The notice will identify the Notes to be redeemed and will state:

- (1) the Redemption Date and the record date;
-

- (2) the redemption price;
- (3) the CUSIP, ISIN and/or Common Code number(s), if any;
- (4) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the Redemption Date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;
- (5) the name and address of the Paying Agent;
- (6) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (7) that, unless the Fold-In Issuer defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date (or such other date specified in Section 4.14(d) to the extent applicable);
- (8) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and
- (9) that no representation is made as to the correctness or accuracy of the CUSIP, ISIN and/or Common Code, if any, listed in such notice or printed on the Notes.

At the Fold-In Issuer's request, the Trustee will give the notice of redemption in the Fold-In Issuer's name and at its expense; provided, however, that the Fold-In Issuer has delivered to the Trustee, at least 15 days prior to the Redemption Date or such shorter period as the Trustee may agree, an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 *Effect of Notice of Redemption*

Once notice of redemption is delivered in accordance with Section 3.03, Notes called for redemption become irrevocably due and payable on the Redemption Date at the redemption price; *provided, however*, that a notice of redemption may be conditional except as otherwise set forth in this Article 3.

Section 3.05 *Deposit of Redemption or Purchase Price*

One Business Day prior to the Redemption Date or repurchase date, the Fold-In Issuer will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued interest on all Notes to be redeemed or repurchased on that date. The Trustee or the Paying Agent will promptly return to the Fold-In Issuer any money deposited with the Trustee or the Paying Agent by the Fold-In Issuer in excess of the amounts necessary to pay the redemption or purchase price of, and accrued interest on, all Notes to be redeemed or purchased.

If the Fold-In Issuer complies with the provisions of the preceding paragraph, on and after the Redemption Date or repurchase date (or such other date specified in Section 4.14(d), to the extent applicable), interest will cease to accrue on the Notes or the portions of Notes called for redemption or repurchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related Interest Payment Date, then any accrued

and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or repurchase is not so paid upon surrender for redemption or repurchase because of the failure of the Fold-In Issuer to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the Redemption Date or repurchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01.

Section 3.06 Notes Redeemed or Repurchased in Part

Upon surrender of a Note that is redeemed in part, the Fold-In Issuer will issue and, upon receipt of an Authentication Order, the Trustee or the Authenticating Agent will authenticate for the Holder at the expense of the Fold-In Issuer a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered; *provided* that any Definitive Registered Note shall be in a principal amount of \$200,000 or an integral multiple of \$1,000 in excess thereof.

Section 3.07 Optional Redemption

(a) Except as set forth in Section 3.07(b), Section 3.07(d), Section 3.08, Section 3.10 and Section 4.14(d), the Notes are not redeemable until October 15, 2022.

(b) At any time prior to October 15, 2022, the Fold-In Issuer may redeem during each 12 month period commencing with the Issue Date up to 10% of the original principal amount of the Notes (calculated after giving effect to any issuance of any Additional Notes forming part of the same series of notes, if any) upon not less than 10 nor more than 60 days' notice, at a price equal to 103% of the principal amount thereof, and accrued but unpaid interest and Additional Amounts, if any, to, the applicable redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

In addition, at any time prior to October 15, 2022, the Fold-In Issuer may redeem all, or from time to time a part, of the Notes upon not less than 10 nor more than 60 days' notice, at a price equal to 100% of the principal amount thereof plus the Applicable Premium as of, and accrued but unpaid interest and Additional Amounts, if any, to, the applicable Redemption Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date).

In each case above, any such redemption and notice may, in the Fold-In Issuer's discretion, be subject to satisfaction of one or more conditions precedent, including that the Fold-In Issuer has received or any Paying Agent has received from the Fold-In Issuer sufficient funds to pay the full redemption price payable to the Holders of the Notes on or before the relevant Redemption Date. If such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Fold-In Issuer's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date so delayed; provided that in no case shall the notice have been delivered less than 10 days or more than 60 days prior to the date on which such redemption (if any) occurs. In addition, the Fold-In Issuer may provide in such notice that payment of the redemption price and performance of the Fold-In Issuer's obligations with respect to such redemption may be performed by another Person.

If a Redemption Date is not a Business Day, payment may be made on the next succeeding day that is a Business Day, and no interest shall accrue on any amount that

would have been otherwise payable on such Redemption Date if it were a Business Day for the intervening period. If the Redemption Date is on or after an interest record date and on or before the related Interest Payment Date, the accrued and unpaid interest, if any, will be paid to the Person in whose name the Note is registered at the close of business on such record date and no additional interest will be payable to Holders whose Notes will be subject to redemption.

(c) On or after October 15, 2022, the Fold-In Issuer may redeem all, or from time to time a part, of the Notes upon not less than 10 nor more than 60 days' notice, at the following redemption prices (expressed as a percentage of principal amount) plus accrued and unpaid interest and Additional Amounts, if any, to the applicable Redemption Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date), if redeemed during the twelve-month period commencing on October 15 of the years set out below:

<u>Year</u>	<u>Redemption Price</u>
2022	103.375%
2023	101.688%
2024 and thereafter	100.000%

In each case above, any such redemption and notice may, in the Fold-In Issuer's discretion, be subject to satisfaction of one or more conditions precedent, including that the Fold-In Issuer has received or any Paying Agent has received from the Fold-In Issuer sufficient funds to pay the full redemption price payable to the Holders of the Notes on or before the relevant Redemption Date. If such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Fold-In Issuer's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date so delayed; provided that in no case shall the notice have been delivered less than 10 days or more than 60 days prior to the date on which such redemption (if any) occurs. In addition, the Fold-In Issuer may provide in such notice that payment of the redemption price and performance of the Fold-In Issuer's obligations with respect to such redemption may be performed by another Person.

If a Redemption Date is not a Business Day, payment may be made on the next succeeding day that is a Business Day, and no interest shall accrue on any amount that would have been otherwise payable on such Redemption Date if it were a Business Day for the intervening period. If the Redemption Date is on or after an interest record date and on or before the related Interest Payment Date, the accrued and unpaid interest, if any, will be paid to the Person in whose name the Note is registered at the close of business on such record date and no additional interest will be payable to Holders whose Notes will be subject to redemption.

(d) At any time, or from time to time, prior to October 15, 2022, the Fold-In Issuer may redeem, upon not less than 10 nor more than 60 days' notice, up to 40% of the original principal amount of the Notes issued under this Indenture (calculated after giving effect to any issuance of any Additional Notes forming part of the same series of notes, if any) at a redemption price of 106.750% of the principal amount of the Notes redeemed, plus accrued and unpaid interest and Additional Amounts, if any, to the Redemption Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date), with the Net Cash Proceeds of one or more Equity Offerings; *provided that*:

(1) at least 50% of the original principal amount of the Notes (calculated after giving effect to any issuance of any Additional Notes forming part of the same series of notes, if any) issued under this Indenture remains outstanding immediately after any such redemption; and

(2) the redemption occurs not more than 180 days after the consummation of any such Equity Offering.

In each case above, any such redemption and notice may, in the Fold-In Issuer's discretion, be subject to satisfaction of one or more conditions precedent, including that the Fold-In Issuer has received or any Paying Agent has received from the Fold-In Issuer sufficient funds to pay the full redemption price payable to the Holders of the Notes on or before the relevant Redemption Date. If such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Fold-In Issuer's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date so delayed; *provided* that in no case shall the notice have been delivered less than 10 days or more than 60 days prior to the date on which such redemption (if any) occurs. In addition, the Fold-In Issuer may provide in such notice that payment of the redemption price and performance of the Fold-In Issuer's obligations with respect to such redemption may be performed by another Person.

If a Redemption Date is not a Business Day, payment may be made on the next succeeding day that is a Business Day, and no interest shall accrue on any amount that would have been otherwise payable on such Redemption Date if it were a Business Day for the intervening period. If the Redemption Date is on or after an interest record date and on or before the related Interest Payment Date, the accrued and unpaid interest, if any, will be paid to the Person in whose name the Note is registered at the close of business on such record date and no additional interest will be payable to Holders whose Notes will be subject to redemption.

(e) Any redemption pursuant to this Section 3.07, Section 3.08 and Section 4.14(d) shall be made pursuant to the provisions of Sections 3.01 through 3.06.

Section 3.08 *Optional Redemption upon Certain Tender Offers*

(a) In connection with any tender offer or other offer to purchase for all of the Notes, if Holders of not less than 90% of the aggregate principal amount of the then outstanding Notes validly tender and do not validly withdraw such Notes in such tender offer and the Fold-In Issuer, or any third party making such tender offer in lieu of the Fold-In Issuer, purchases all of the Notes validly tendered and not validly withdrawn by such Holders, the Fold-In Issuer or such third party will have the right, at any time, upon not less than 10 nor more than 60 days' notice following such purchase date, to redeem all Notes that remain outstanding following such purchase at a price equal to the price paid to each other Holder in such tender offer, plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to, but excluding, the date of such redemption.

(b) If a Redemption Date is not a Business Day, payment may be made on the next succeeding day that is a Business Day, and no interest shall accrue on any amount that would have been otherwise payable on such Redemption Date if it were a Business Day for the intervening period. If the Redemption Date is on or after an interest record date and on or before the related Interest Payment Date, the accrued and unpaid interest, if any, will be paid to the Person in whose name the Note is registered at the close of business on such record

date and no additional interest will be payable to Holders whose Notes will be subject to redemption.

Section 3.09 *Mandatory Redemption*

The Fold-In Issuer is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

Section 3.10 *Redemption for Taxation Reasons*

The Fold-In Issuer may redeem the Notes in whole, but not in part, at any time upon giving not less than 10 nor more than 60 days' notice to the Holders of the Notes (which notice will be irrevocable) at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to the date fixed for redemption (a "*Tax Redemption Date*") (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date), and Additional Amounts, if any, then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise, if the Fold-In Issuer determines that, as a result of:

- (1) any change in, or amendment to, the Law or treaties (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction affecting taxation; or
- (2) any change in the official position regarding the application, administration or interpretation of such Laws, treaties, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction) (each of the foregoing in clauses (1) and (2), a "*Change in Tax Law*"),

the relevant Payor is, or on the next Interest Payment Date in respect of the Notes or any Note Guarantee would be, required to pay more than de minimis Additional Amounts (but if the relevant Payor is a Guarantor, then only if the payment giving rise to such requirement cannot be made by the Fold-In Issuer or another Guarantor without the obligation to pay Additional Amounts), and such obligation cannot be avoided by taking reasonable measures available to it (including, without limitation, by appointing a new or additional paying agent in another jurisdiction). The Change in Tax Law must become effective on or after the date of the LCPR Group Assumption (or, if the relevant jurisdiction was not a Relevant Taxing Jurisdiction on such date, the date on which such jurisdiction became a Relevant Taxing Jurisdiction under this Indenture). In the case of a successor to the Fold-In Issuer or a relevant Guarantor, the Change in Tax Law must become effective after the date that such entity first makes payment on the Notes or the Note Guarantee. Notice of redemption for taxation reasons will be published in accordance with Section 3.03. Notwithstanding the foregoing, no such notice of redemption will be given (a) earlier than 90 days prior to the earliest date on which the Payor would be obliged to make such payment of Additional Amounts and (b) unless at the time such notice is given, such obligation to pay such Additional Amounts remains in effect. Prior to the publication, delivery or mailing of any notice of redemption of the Notes pursuant to the foregoing, the Fold-In Issuer will deliver to the Trustee (i) an Officer's Certificate stating that the Fold-In Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to its right to so redeem have been satisfied and that it cannot avoid the obligations to pay Additional Amounts (but if the relevant Payor is a Guarantor, then only if the payment giving rise to such requirement cannot be made by the Fold-In Issuer or another Guarantor without the obligation to pay Additional Amounts) by taking reasonable measures available to it; and (ii) an opinion of an independent tax counsel reasonably satisfactory to the Trustee to the effect that the circumstances referred to above exist. The Trustee will accept such Officer's Certificate and opinion as sufficient evidence of the existence of satisfaction of the conditions

precedent as described above, in which event it will be conclusive and binding on the Holders of the Notes.

The foregoing provisions will apply *mutatis mutandis* to any successor to the Fold-In Issuer after such successor person becomes a party to this Indenture.

Section 3.11 *Offer to Purchase by Application of Excess Proceeds*

In the event that, pursuant to Section 4.10, the Fold-In Issuer is required to make an offer to all Holders to purchase Notes (an “*Asset Disposition Offer*”), it will follow the procedures specified below.

On the 366th day (or the 546th day, in the case of any Net Available Cash committed to be used pursuant to a definitive binding agreement or commitment approved by the Board of Directors or senior management of the Company or any Affiliate Issuer pursuant to Section 4.10(b)(3)) after an Asset Disposition (or at such earlier date that the Company or any Affiliate Issuer may elect), if the aggregate amount of Excess Proceeds exceeds \$100.0 million, the Fold-In Issuer will be required to make an Asset Disposition Offer to all Holders of Notes and to the extent notified by the Fold-In Issuer in such notice, to all holders of other Indebtedness of the Fold-In Issuer or any Guarantor that does not constitute Subordinated Obligations (“*Other Asset Disposition Indebtedness*”), to purchase the maximum principal amount of Notes and any such Other Asset Disposition Indebtedness to which the Asset Disposition Offer applies that may be purchased out of the Excess Proceeds, at an offer price in cash in an amount equal to 100% of the principal amount of the Notes and Other Asset Disposition Indebtedness plus accrued and unpaid interest to the date of purchase, in accordance with the procedures set forth in this Section 3.11 or the agreements governing the Other Asset Disposition Indebtedness, as applicable, in each case in a principal amount of \$200,000 and in integral multiples of \$1,000 in excess thereof.

To the extent that the aggregate amount of Notes and Other Asset Disposition Indebtedness so validly tendered and not properly withdrawn pursuant to an Asset Disposition Offer is less than the Excess Proceeds, the Company and the Affiliate Issuer may use any remaining Excess Proceeds for general corporate purposes in any manner not prohibited by this Indenture. If the aggregate principal amount of Notes surrendered by holders thereof and Other Asset Disposition Indebtedness surrendered by holders or lenders, collectively, exceeds the amount of Excess Proceeds, the Trustee shall select the Notes and the Other Asset Disposition Indebtedness to be purchased on a *pro rata* basis on the basis of the aggregate principal amount of tendered Notes and Other Asset Disposition Indebtedness. The Trustee shall not be liable for selections made by it in accordance with this paragraph. For the purposes of calculating the principal amount of any such Indebtedness not denominated in dollars, such Indebtedness shall be calculated by converting any such principal amounts into their Dollar Equivalent determined as of a date selected by the Company or the Affiliate Issuer that is prior to the Asset Disposition Purchase Date (as defined below). Upon completion of such Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.

No later than five Business Days after the termination of the Asset Disposition Offer (the “*Asset Disposition Purchase Date*”), the Fold-In Issuer will purchase the principal amount of Notes and Other Asset Disposition Indebtedness required to be purchased pursuant to this Section 3.11 (the “*Asset Disposition Offer Amount*”) or, if less than the Asset Disposition Offer Amount has been so validly tendered, all Notes and Other Asset Disposition Indebtedness validly tendered in response to the Asset Disposition Offer.

To the extent that any portion of Net Available Cash payable in respect of the Notes is denominated in a currency other than the currency in which the Notes are denominated, the amount thereof payable in respect of such Notes shall not exceed the net amount of funds in

the currency in which such Notes are denominated that is actually received by the Fold-In Issuer, upon converting such portion into such currency.

If the Asset Disposition Purchase Date is on or after an interest record date and on or before the related Interest Payment Date, any accrued and unpaid interest will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest will be payable to Holders who tender Notes pursuant to the Asset Disposition Offer.

Upon the commencement of an Asset Disposition Offer, the Fold-In Issuer will deliver a notice to the Trustee and each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Disposition Offer. The notice, which will govern the terms of the Asset Disposition Offer, will state:

- (1) that the Asset Disposition Offer is being made pursuant to this Section 3.11 and Section 4.10 and the length of time the Asset Disposition Offer will remain open;
 - (2) the Asset Disposition Offer Amount, the purchase price and the Asset Disposition Purchase Date;
 - (3) that any Note not tendered or accepted for payment will continue to accrue interest;
 - (4) that, unless the Fold-In Issuer defaults in making such payment, any Note accepted for payment pursuant to the Asset Disposition Offer will cease to accrue interest after the Asset Disposition Purchase Date;
 - (5) that Holders electing to have a Note purchased pursuant to an Asset Disposition Offer may elect to have Notes purchased in denominations of \$200,000 and in integral multiples of \$1,000 in excess thereof;
 - (6) that Holders electing to have Notes purchased pursuant to any Asset Disposition Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Fold-In Issuer, the Depositary, if appointed by the Fold-In Issuer, or a Paying Agent at the address specified in the notice at least three days before the Asset Disposition Purchase Date;
 - (7) that Holders will be entitled to withdraw their election if the Fold-In Issuer, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Asset Disposition Offer, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;
 - (8) that, if the aggregate principal amount of Notes and Other Asset Disposition Indebtedness surrendered by Holders thereof exceeds the Asset Disposition Offer Amount, the Fold-In Issuer will select the Notes and Other Asset Disposition Indebtedness to be purchased on a *pro rata* basis based on the principal amount of Notes and such Other Asset Disposition Indebtedness surrendered (with such adjustments as may be deemed appropriate by the Fold-In Issuer so that only Notes in denominations of \$200,000 and in integral multiples of \$1,000 in excess thereof will be purchased); and
-

(9) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Asset Disposition Purchase Date, the Fold-In Issuer or an Affiliate Issuer will, to the extent lawful, accept for payment, on a pro rata basis to the extent necessary, the Asset Disposition Offer Amount of Notes and Other Asset Disposition Indebtedness or portions of Notes and Other Asset Disposition Indebtedness so validly tendered and not properly withdrawn pursuant to the Asset Disposition Offer, or if less than the Asset Disposition Offer Amount has been validly tendered and not properly withdrawn, all Notes and Other Asset Disposition Indebtedness so validly tendered and not properly withdrawn, in each case in a principal amount of \$200,000 and in integral multiples of \$1,000 in excess thereof. The Company will deliver to the Trustee an Officer's Certificate stating that such Notes or portions thereof were accepted for payment by the Fold-In Issuer in accordance with the terms of this Section 3.11. The Fold-In Issuer or the Paying Agents, as the case may be, will promptly (but in any case on or prior to the Asset Disposition Purchase Date) mail or deliver to each tendering Holder of Notes or holder or lender of Other Asset Disposition Indebtedness, as the case may be, an amount equal to the purchase price of the Notes or Other Asset Disposition Indebtedness so validly tendered and not properly withdrawn by such holder or lender, as the case may be, and accepted by the Fold-In Issuer for purchase, and the Fold-In Issuer will promptly issue a new Note, and the Trustee (or its authenticating agent), upon delivery of an Officer's Certificate from the Company will authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered; *provided* that each such new Note will be in a principal amount of \$200,000 and in integral multiples of \$1,000 in excess thereof. In addition, the Fold-In Issuer will take any and all other actions required by the agreements governing the Other Asset Disposition Indebtedness. Any Note not so accepted will be promptly mailed or delivered by the Fold-In Issuer to the Holder thereof. The Company will publicly announce the results of the Asset Disposition Offer on the Asset Disposition Purchase Date.

The Fold-In Issuer or the Affiliate Issuer, as the case may be, will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities Laws or regulations in connection with the repurchase of Notes pursuant to this Indenture. To the extent that the provisions of any securities Laws or regulations conflict with the provisions of this Section 3.11 or Section 4.10, the Fold-In Issuer or the Affiliate Issuer, as the case may be, will comply with the applicable securities Laws and regulations and will not be deemed to have breached its obligations under this Indenture by virtue of any conflict.

Other than as specifically provided in this Section 3.11, any purchase pursuant to this Section 3.11 shall be made pursuant to the provisions of Sections 3.01 through 3.06.

For the avoidance of doubt, the Trustee shall not be required to act as Registrar

(2) guarantees of, or obligations in respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(3) if obligations in respect of letters of credit are Incurred pursuant to any Credit Facility and are being treated as Incurred pursuant to Section 4.09(a) or Section 4.09(b)(1), Section 4.09(b)(17), Section 4.09(b)(18), Section 4.09(b)(21) or Section 4.09(b)(25) and the letters of credit relate to other Indebtedness, then such other Indebtedness shall not be included;

(4) the principal amount of any Disqualified Stock of the Company or the Affiliate Issuer, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(5) Indebtedness permitted by this Section 4.09 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this Section 4.09 permitting such Indebtedness;

(6) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined in accordance with GAAP; and

(7) in the event that the Company, the Affiliate Issuer or any Restricted Subsidiary enters into or increases commitments under a revolving credit facility, enters into any commitment to Incur or issue Indebtedness or commits to Incur any Lien pursuant to clause (30) of the definition of "Permitted Liens" set forth under Section 1.01, the Incurrence or issuance thereof for all purposes under this clause (7), including without limitation for purposes of calculating the Consolidated Net Leverage Ratio, the Consolidated Senior Secured Net Leverage Ratio, or usage of clauses (1) through (25) of Section 4.09(b) (if any) for borrowings and re-borrowings

thereunder (and including issuance and creation of letters of credit and bankers' acceptances thereunder) will, at the Company's or the Affiliate Issuer's option, either (a) be determined on the date of such revolving credit facility or such entry into or increase in commitments (assuming that the full amount thereof has been borrowed as of such date) or other Indebtedness, and, if such Consolidated Net Leverage Ratio or Consolidated Senior Secured Net Leverage Ratio or other provision of Section 4.09 is satisfied with respect thereto at such time, any borrowing or re-borrowing thereunder (and the issuance and creation of letters of credit and bankers' acceptances thereunder) will be permitted under this Section 4.09 irrespective of the Consolidated Net Leverage Ratio, the Consolidated Senior Secured Net Leverage Ratio, or other provision of this Section 4.09 at the time of any borrowing or re-borrowing (or issuance or creation of letters of credit or bankers' acceptances thereunder) (the committed amount permitted to be borrowed or re-borrowed (and the issuance and creation of letters of credit and bankers' acceptances) on a date pursuant to the operation of this sub-clause (a) shall be the "*Reserved Indebtedness Amount*" as of such date for purposes of the Consolidated Net Leverage Ratio and the Consolidated Senior Secured Net Leverage Ratio and, to the extent of the usage of clauses (1) through (25) of Section 4.09(b) (if any), shall be deemed to be Incurred and outstanding under such clauses) or (b) be determined on the date such amount is borrowed pursuant to any such facility or increased commitment, and in the case of sub-clause (a) of this clause (7), the Company or the Affiliate Issuer may revoke any such determination at any time and from time to time.

(d) Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest or dividends in the form of additional Indebtedness, Preferred Stock or Disqualified Stock and increases in the amount of Indebtedness due to a change in accounting principles will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.09. The amount of any Indebtedness outstanding as of any date shall be (1) the accreted value thereof in the case of any Indebtedness issued with original issue discount and (2) the principal amount or liquidation preference thereof, together with any interest thereon that is more than 30 days past due, in the case of any other Indebtedness.

(e) If at any time an Unrestricted Subsidiary becomes an Affiliate Issuer or a Restricted Subsidiary, any Indebtedness of such Unrestricted Subsidiary shall be deemed to be Incurred by an Affiliate Issuer or a Restricted Subsidiary as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 4.09, the Fold-In Issuer shall be in Default of this Section 4.09).

(f) For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the Dollar Equivalent principal amount of Indebtedness denominated in a foreign currency shall be (1) calculated by the Company based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term Indebtedness, or first committed or first Incurred (whichever yields the lower Dollar Equivalent), in the case of revolving credit Indebtedness; provided that if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-dominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-dominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced and (2) if and for so long as any such Indebtedness is subject to an agreement intended to protect against fluctuations in currency exchange rates with respect to the currency in which such

Indebtedness is denominated covering principal and interest on such Indebtedness, the swapped rate of such Indebtedness (if swapped into U.S. dollars) as of the date of the applicable swap. Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that the Company, the Affiliate Issuer and the Restricted Subsidiaries may incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

(g) For purposes of determining compliance with (1) Section 4.09(a) and (2) any other provision of this Indenture which requires the calculation of any financial ratio or test, including the Consolidated Net Leverage Ratio and the Consolidated Senior Secured Net Leverage Ratio, the Dollar Equivalent principal amount of Indebtedness denominated in a foreign currency (if such Indebtedness has not been swapped into U.S. dollars, or if such Indebtedness has been swapped into a currency other than U.S. dollars) shall be calculated by the Company using the same weighted average exchange rates for the relevant period used in the Consolidated financial statements of the Reporting Entity for calculating the Dollar Equivalent of Consolidated EBITDA denominated in the same currency as the currency in which such Indebtedness is denominated or into which it has been swapped.

Section 4.10 *Limitation on Sales of Assets and Subsidiary Stock*

(a) The Company and the Affiliate Issuer will not, and will not permit any of the Restricted Subsidiaries to, make any Asset Disposition unless:

(1) the Company, the Affiliate Issuer or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at least equal to the fair market value (such fair market value to be determined on the date of contractually agreeing to such Asset Disposition), as determined conclusively in good faith by the Board of Directors or senior management of the Company or the Affiliate Issuer (including as to the value of all non-cash consideration), of the shares and assets subject to such Asset Disposition;

(2) unless the Asset Disposition is a Permitted Asset Swap, at least 75% of the consideration from such Asset Disposition (excluding any consideration by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise, other than Indebtedness) received by the Company, the Affiliate Issuer or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; and

(3) an amount equal to 100% of the Net Available Cash from such Asset Disposition is applied by the Company, the Affiliate Issuer or such Restricted Subsidiary, as the case may be:

(A) to the extent the Company, the Affiliate Issuer or any Restricted Subsidiary, as the case may be, elects (or is required by the terms of any Indebtedness), to prepay, repay or purchase Senior Indebtedness of the Company, the Fold-In Issuer (including the Notes), the Affiliate Issuer or a Guarantor or Indebtedness of a Restricted Subsidiary other than a Guarantor (in each case other than Indebtedness owed to the Company, the Affiliate Issuer or an Affiliate of the Company, the Fold-In Issuer or the Affiliate Issuer)

within 365 days from the later of the date of such Asset Disposition or the receipt of such Net Available Cash; *provided, however*, that, in connection with any prepayment, repayment or purchase of Indebtedness pursuant to this clause (a), the Company, the Affiliate Issuer or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment (if any) (except in the case of any revolving Indebtedness) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid or purchased; or

(B) to the extent the Company, the Affiliate Issuer or such Restricted Subsidiary elects to invest in or commit to invest in Additional Assets within 365 days from the later of the date of such Asset Disposition or the receipt of such Net Available Cash; *provided, however*, that any such reinvestment in Additional Assets made pursuant to a definitive agreement or a commitment approved by the Board of Directors or senior management of the Company or the Affiliate Issuer that is executed or approved within such time will satisfy this requirement, so long as such investment is consummated within 6 months of such 365th day;

provided that pending the final application of any such Net Available Cash in accordance with clause (A) or clause (B) of this Section 4.10(a)(3), the Company, the Affiliate Issuer or such Restricted Subsidiary may temporarily reduce Indebtedness or otherwise invest such Net Available Cash in any manner not prohibited by this Indenture.

(b) Any Net Available Cash from Asset Dispositions that is not applied or invested or committed to be applied as provided in Section 4.10(a) will be deemed to constitute “*Excess Proceeds*”. On the 366th day (or the 546th day, in the case of any Net Available Cash committed to be used pursuant to a definitive binding agreement or commitment approved by the Board of Directors or senior management of the Company or the Affiliate Issuer pursuant to Section 4.10(a)(3)(B) after an Asset Disposition (or at such earlier date that the Company or the Affiliate Issuer may elect), if the aggregate amount of Excess Proceeds exceeds \$100.0 million, the Fold-In Issuer will be required to make an Asset Disposition Offer in accordance with Section 3.11.

For the purposes of this Section 4.10, the following will be deemed to be cash:

(1) the assumption by the transferee of Indebtedness (other than Subordinated Obligations) of the Company, the Affiliate Issuer, the Fold-In Issuer or any Guarantor or Indebtedness of a Restricted Subsidiary that is not a Guarantor and the release of the Company, the Affiliate Issuer, the Fold-In Issuer, such Guarantor or such Restricted Subsidiary from all liability on such Indebtedness in connection with such Asset Disposition (in which case the Fold-In Issuer will, without further action, be deemed to have applied such deemed cash to Indebtedness in accordance with Section 4.10(a)(3)(A);

(2) securities, notes or other obligations received by the Company, the Affiliate Issuer or any Restricted Subsidiary from the transferee that are convertible by the Company, the Affiliate Issuer or such Restricted Subsidiary into cash or Cash Equivalents within 180 days following the closing of such Asset Disposition;

(3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Company, the Affiliate Issuer and each Restricted Subsidiary are released from any

guarantee of payment of the principal amount of such Indebtedness in connection with such Asset Disposition;

(4) consideration consisting of Indebtedness of the Company, the Affiliate Issuer or any Restricted Subsidiary;

(5) any Designated Non-Cash Consideration received by the Company, the Affiliate Issuer or any Restricted Subsidiary in such Asset Dispositions having an aggregate fair market value not to exceed 25.0% of the consideration from such Asset Disposition (excluding any consideration received from such Asset Disposition in accordance with clauses (1) to (4) of this Section 4.10(b)) (with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value);

(6) in addition to any Designated Non-Cash Consideration received pursuant to clause (5) of this Section 4.10(b), any Designated Non-Cash Consideration received by the Company, the Affiliate Issuer or any Restricted Subsidiary in such Asset Dispositions having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this clause (6) that is at that time outstanding, not to exceed the greater of \$75.0 million and 5.0% of Total Assets (with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value); and

(7) consideration consisting of securities or obligations issued, insured or unconditionally guaranteed by a government (or any agency or instrumentality thereof) of a country where the Company, the Affiliate Issuer or any Restricted Subsidiary is organized or located.

(c) The Fold-In Issuer or the Affiliate Issuer, as the case may be, will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities Laws or regulations in connection with the repurchase of Notes pursuant to this Indenture. To the extent that the provisions of any securities Laws or regulations conflict with provisions of Section 4.10, the Fold-In Issuer or the Affiliate Issuer, as the case may be, will comply with the applicable securities Laws and regulations and will not be deemed to have breached its obligations under this Indenture by virtue of any conflict.

Section 4.11 *Limitation on Affiliate Transactions*

(1) the terms of such Affiliate Transaction are not materially less favorable, taken as a whole, to the Company, such Affiliate Issuer or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable transaction at the time of such transaction in arm's-length dealings with a Person who is not such an Affiliate (or, in the event that there are no comparable transactions involving Persons who are not Affiliates of the Company, such Affiliate Issuer or such Restricted Subsidiary to apply for comparative purposes, is otherwise on terms that, taken as a whole, the Company, the Affiliate Issuer or such Restricted Subsidiary has

(a) The Company and the Affiliate Issuer will not, and will not permit any of the Restricted Subsidiaries to, directly or indirectly, create, incur or suffer to exist any Lien (other than (1) in the case of any property or asset that does not constitute Note Collateral, Permitted Liens (other than Permitted Collateral Liens), and (2) in the case of any property or asset that constitutes Note Collateral, Permitted Collateral Liens) upon any of its property or assets (including Capital Stock of Restricted Subsidiaries), whether owned on the Issue Date or acquired after that date, which Lien is securing any Indebtedness (such Lien, the "*Initial Lien*"), unless, in the case of Section 4.12(a)(1) only, contemporaneously with the Incurrence of such Initial Lien effective provision is made to secure the Indebtedness due under the Notes, or in respect of Liens on any Guarantor's property or assets, such Guarantor's Note Guarantee, equally and ratably with (or prior to, in the case of Liens with respect to Subordinated Obligations of the Company, an Affiliate Issuer or a Restricted Subsidiary, as the case may be) the Indebtedness secured by such Initial Lien for so long as such Indebtedness is so secured.

(b) Any such Lien created pursuant to Section 4.12(a) will be automatically and unconditionally released and discharged upon (1) the release and discharge of the Initial Lien to which it relates, or (2) in accordance with Section 10.02.

(c) For purposes of determining compliance with this Section 4.12, (1) a Lien need not be Incurred solely by reference to one category of Permitted Liens, but may be Incurred under any combination of such categories (including in part under one such category and in part under any other such category) and (2) in the event that a Lien (or any portion thereof) meets the criteria of one or more of such categories of Permitted Liens, the Company shall, in its sole discretion, divide, classify or may subsequently reclassify at any time such Lien (or any portion thereof) in any manner that complies with this Section 4.12 and the definition of "Permitted Liens".

(d) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the Incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The "*Increased Amount*" of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms or in the form of common stock, the payment of dividends on Preferred Stock in the form of additional shares of Preferred Stock of the same class, accretion of original issue discount or liquidation preference, any fees, underwriting discounts, accrued and unpaid interest, premiums and other costs and expenses incurred in connection therewith and increases in the amount of Indebtedness outstanding solely as a result of

fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

Section 4.13 *Corporate Existence*

Subject to Article 5, the Company, the Fold-In Issuer and the Affiliate Issuer shall respectively do or cause to be done all things necessary to preserve and keep in full force and effect:

(1) its corporate existence, and the corporate, partnership or other existence of each of its Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company, the Fold-In Issuer, the Affiliate Issuer or any such Restricted Subsidiary; and

(2) the rights (charter and statutory), licenses and franchises of the Company, the Fold-In Issuer, the Affiliate Issuer and their respective Restricted Subsidiaries; *provided, however*, that none of the Company, the Fold-In Issuer or the Affiliate Issuer shall be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of their respective Restricted Subsidiaries, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company, the Fold-In Issuer or the Affiliate Issuer and their respective Restricted Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders.

Section 4.14 *Change of Control*

(a) If a Change of Control shall occur at any time, the Fold-In Issuer shall, pursuant to the procedures described in this Section 4.14, offer (the "*Change of Control Offer*") to purchase all Notes in whole or in part in denominations of \$200,000 and in integral multiples of \$1,000 in excess thereof at a purchase price (the "*Change of Control Purchase Price*") in cash in an amount equal to 101% of the principal amount of such Notes, plus any Additional Amounts and accrued and unpaid interest, if any, to the date of purchase (the "*Change of Control Purchase Date*") (subject to the rights of holders of record on relevant record dates to receive interest due on an Interest Payment Date); *provided*, however, that the Fold-In Issuer shall not be obliged to repurchase Notes as described in this Section 4.14 in the event and to the extent that it has unconditionally exercised its right to redeem all of the Notes pursuant to Section 3.07 or Section 3.08 or all conditions to such redemption have been satisfied or waived. No such purchase in part shall reduce the principal amount at maturity of the Notes held by any Holder to below \$200,000.

Unless the Fold-In Issuer has unconditionally exercised its right to redeem all the Notes as described under Section 3.07 or Section 3.08 or all conditions to such redemption have been satisfied or waived, within 30 days of any Change of Control, or, at the Fold-In Issuer's option, at any time prior to a Change of Control following the public announcement thereof or if a definitive agreement is in place for the Change of Control, the Fold-In Issuer shall notify the Trustee thereof and give written notice of such Change of Control to each Holder stating, to the extent relevant, among other things:

- (1) that a Change of Control has occurred (or may occur) and the date (or expected date) of such event;
 - (2) the circumstances and relevant facts regarding such Change of Control;
-

(3) the purchase price and the purchase date which shall be fixed by the Fold-In Issuer, the Company or the Affiliate Issuer on a Business Day no earlier than 10 days nor later than 60 days from the date such notice is mailed or delivered, or such later date as is necessary to comply with requirements under the Exchange Act;

(4) that any Note not tendered will continue to accrue interest and unless the Fold-In Issuer defaults in payment of the Change of Control Purchase Price, any Notes accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest after the Change of Control Purchase Date; and

(5) certain other procedures that a Holder must follow to accept a Change of Control Offer or to withdraw such acceptance.

If and for so long as the Notes are listed on the International Stock Exchange and the rules of the International Stock Exchange so require, the Company will publish a public announcement with respect to the results of any Change of Control Offer in a leading newspaper of general circulation in the Channel Islands or, to the extent and in the manner permitted by such rules, post such notice on the official website of the International Stock Exchange.

The Fold-In Issuer will comply with the applicable tender offer rules, including Rule 14e-1 under the Exchange Act, and any other applicable securities Laws or regulations in connection with a Change of Control Offer. To the extent that the provisions of any applicable securities Laws or regulations conflict with the provisions of this Section 4.14 (other than the obligation to make an offer pursuant to this Section 4.14), the Fold-In Issuer will comply with the securities Laws and regulations and will not be deemed to have breached its obligations described in this Section 4.14 by virtue thereof.

(b) On the Change of Control Purchase Date, the Fold-In Issuer shall, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered pursuant to a Change of Control Offer;

(2) deposit with the Paying Agent, prior to 10:00 a.m. London time an amount equal to the Change of Control Purchase Price in respect of all Notes or portions of Notes properly tendered; and

(3) deliver or cause to be delivered to the Trustee, the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Fold-In Issuer.

The Paying Agent will promptly mail (but in any case not later than five days after the Change of Control Purchase Date) to each Holder of Notes properly tendered the Change of Control Purchase Price for such Notes, and the Authenticating Agent will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note in equal principal amount to any unpurchased portion of Notes surrendered to the applicable Holder; *provided that* each such new Note will be in a principal amount of \$200,000 and in integral multiples of \$1,000 in excess thereof. The Fold-In Issuer will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Purchase Date.

(c) Notwithstanding anything to the contrary in this Section 4.14, the Fold-In Issuer shall not be required to make a Change of Control Offer following a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and

otherwise in compliance with the requirements set forth in this Section 4.14 and purchases all Notes validly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to Section 3.07, unless and until there is a default in payment of the applicable redemption price. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(d) If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Fold-In Issuer, or any third party making a Change of Control Offer in lieu of the Fold-In Issuer as described above, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Fold-In Issuer or such third party will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of the delivery of the notice for such redemption.

Section 4.15 *Limitation on Issuances of Guarantees of Indebtedness by Restricted Subsidiaries*

(a) The Company and the Affiliate Issuer will not permit any Restricted Subsidiary (other than the Fold-In Issuer or any Guarantor) to, directly or indirectly, guarantee or otherwise become obligated under any Indebtedness of the Fold-In Issuer or any Guarantor in an amount in excess of \$50.0 million unless such Restricted Subsidiary is or becomes an Additional Guarantor on the date on which such other guarantee or Indebtedness is Incurred (or as soon as reasonably practicable thereafter) and, if applicable, executes and delivers to the Trustee a supplemental indenture in the form attached to this Indenture pursuant to which such Restricted Subsidiary will provide an Additional Guarantee (which Additional Note Guarantee shall be senior to or *pari passu* with such Restricted Subsidiary's guarantee of such other Indebtedness); *provided that*:

(1) if such Restricted Subsidiary is not a Significant Subsidiary, such Restricted Subsidiary shall only be obligated to become an Additional Guarantor if such Indebtedness is Indebtedness of the Company, the Affiliate Issuer or the Fold-In Issuer or Public Debt of a Guarantor;

(2) if the Indebtedness is *pari passu* in right of payment to the Notes, any such guarantee of such Restricted Subsidiary with respect to such Indebtedness shall rank *pari passu* in right of payment to its Note Guarantee;

(3) if the Indebtedness is subordinated in right of payment to the Notes, any such guarantee of such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to its Note Guarantee substantially to the same extent as such Indebtedness is subordinated in right of payment to the Notes;

(4) an Additional Guarantor's Note Guarantee may be limited in amount to the extent required by fraudulent conveyance, thin capitalization, corporate benefit, financial assistance or other similar Laws (but, in such a case (A) each of the Company, the Affiliate Issuer and the Restricted Subsidiaries will use their reasonable best efforts to overcome the relevant legal limit and will procure that the relevant Restricted Subsidiary undertakes all whitewash or similar procedures which are legally available to eliminate the relevant limit and (B) the relevant guarantee shall be

given on an equal and ratable basis with the guarantee of any other Indebtedness giving rise to the obligation to guarantee the Notes); and

(5) for so long as it is not permissible under applicable Law for a Restricted Subsidiary to become an Additional Guarantor, such Restricted Subsidiary need not become an Additional Guarantor (but, in such a case, each of the Company, the Affiliate Issuer and the Restricted Subsidiaries will use their reasonable best efforts to overcome the relevant legal prohibition precluding the giving of the guarantee and will procure that the relevant Restricted Subsidiary undertakes all whitewash or similar procedures which are legally available to eliminate the relevant legal prohibition, and shall give such guarantee at such time (and to the extent) that it thereafter becomes permissible).

(b) Section 4.15(a) shall not apply to: (1) the granting by such Restricted Subsidiary of a Permitted Lien under circumstances which do not otherwise constitute the guarantee of Indebtedness of the Company, the Affiliate Issuer or any Restricted Subsidiary; or (2) the guarantee by any Restricted Subsidiary of Indebtedness that refinances Indebtedness which benefited from a guarantee by any Restricted Subsidiary Incurred in compliance with this Section 4.15 immediately prior to such refinancing.

(c) Notwithstanding anything herein to the contrary, the provisions of Section 4.15(a) shall not be applicable to any guarantee provided by a Restricted Subsidiary that existed at the time such person became a Restricted Subsidiary if such guarantee was not incurred in connection with, or in contemplation of, such person becoming a Restricted Subsidiary.

(d) Notwithstanding the foregoing, any Additional Guarantee created pursuant to the provisions described in Section 4.15(a) shall provide by its terms that it shall be automatically and unconditionally released and discharged upon the occurrence of any events described in clauses (1) through (14) under Section 10.02.

Section 4.16 *Payments for Consents*

The Fold-In Issuer, the Company and the Affiliate Issuer will not, and will not permit any of the Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture, the Notes or the Note Guarantees unless such consideration is offered to be paid and is paid to all Holders that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement. Notwithstanding the foregoing, the Fold-In Issuer, the Company, the Affiliate Issuer and the Restricted Subsidiaries shall be permitted, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of this Indenture, to exclude Holders in any jurisdiction where (i) the solicitation of such consent, waiver or amendment, including in connection with an exchange offer or an offer to purchase for cash, or (ii) the payment of the consideration therefore would require the Fold-In Issuer, the Company, the Affiliate Issuer or any Restricted Subsidiary to file a registration statement, prospectus or similar document under any applicable securities Laws (including, but not limited to, the United States federal securities Laws and the Laws of the European Union or its member states), which the Fold-In Issuer or the Company in its sole discretion determine (acting in good faith) (A) would be materially burdensome (it being understood that it would not be materially burdensome to file the consent document(s) used in other jurisdictions, any substantially similar documents or any summary thereof with the securities or financial services authorities in such jurisdiction)

or (B) such solicitation would otherwise not be permitted under applicable Law in such jurisdiction.

Section 4.17 *Impairment of Liens*

(a) The Company and the Affiliate Issuer shall not, and shall not permit any Restricted Subsidiary to, take or omit to take any action that would have the result of materially impairing any Lien on the Note Collateral granted under the Note Security Documents (it being understood, subject to the proviso below, that the Incurrence of Permitted Collateral Liens shall under no circumstances be deemed to materially impair any Lien on the Note Collateral granted under the Note Security Documents) for the benefit of the Trustee, the Security Agent and/or the holders of the Notes, and the Company and the Affiliate Issuer shall not, and shall not permit any Restricted Subsidiary to, grant to any Person other than the Trustee, the Security Agent and/or the holders of the Notes and the other beneficiaries described in the Note Security Documents and any Intercreditor Agreement, as applicable, any interest whatsoever in any of the Note Collateral, except that (a) the Company, the Affiliate Issuer and the Restricted Subsidiaries may Incur Permitted Collateral Liens, (b) the Note Collateral may be discharged and released in accordance with this Indenture, the Note Security Documents and any Intercreditor Agreement, as applicable, and (c) the Company, the Affiliate Issuer and any Restricted Subsidiary may consummate any other transaction permitted under Section 5.01; provided that, except with respect to any discharge or release of Note Collateral in accordance with this Indenture, the Note Security Documents and any Intercreditor Agreement, as applicable, or in connection with the Incurrence of Liens for the benefit of the Trustee, the Security Agent and/or the holders of the Notes, no Note Security Document may be amended, extended, renewed, restated, supplemented or otherwise modified or replaced, except that, at the direction of the Company or the Affiliate Issuer and without the consent of the holders of the Notes, the Trustee and/or the Security Agent may from time to time (subject to customary protections and indemnifications from the Company) enter into one or more amendments to the Note Security Documents to: (1) cure any ambiguity, omission, manifest error, defect or inconsistency therein; (2) provide for Permitted Collateral Liens; (3) make any change necessary or desirable, as determined conclusively in good faith by the Board of Directors, senior management or an Officer of the Company or the Affiliate Issuer, in order to implement transactions permitted under Section 5.01; (4) provide for the release of any Lien on any properties and assets constituting Note Collateral from the Lien of the Note Security Documents; provided that such release is followed by the substantially concurrent re-taking of a Lien of at least equivalent priority over the same properties and assets securing the Notes or the Note Guarantee, as applicable; (5) provide for the release of any Lien pursuant to, or in connection with, any Solvent Liquidation; and (6) make any other change that does not adversely affect the holders of the Notes in any material respect. For any amendments, modifications or replacements of any Note Security Documents not contemplated in clauses (1) to (6) of this Section 4.17(a), the Company or the Affiliate Issuer shall, contemporaneously deliver to the Trustee, either (A) a solvency opinion, in form and substance reasonably satisfactory to the Trustee from an Independent Financial Advisor confirming the solvency of the Company, the Affiliate Issuer and the Restricted Subsidiaries, taken as a whole, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement, (B) a certificate from the responsible financial or accounting officer of the relevant Grantor (acting in good faith) which confirms the solvency of the person granting such Lien after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement, or (C) an Opinion of Counsel, in form reasonably satisfactory to the Trustee, confirming that, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement, the

Lien or Liens created under the Note Security Documents, as applicable, so amended, extended, renewed, restated, supplemented, modified or replaced, are valid Liens not otherwise subject to any limitation, imperfection or new hardening period, in equity or at law, that such Lien or Liens were not otherwise subject to immediately prior to such amendment, extension, renewal, restatement, supplement, modification or replacement.

Section 4.18 *Additional Amounts*

All payments made by or on account of the Fold-In Issuer, the Affiliate Issuer, an Affiliate Subsidiary, any Guarantor or any successor thereto (a "*Payor*") on or with respect to the Notes (including any Note Guarantee for the purposes of this Section 4.18) will be made without withholding or deduction for, or on account of, any present or future taxes (including interest or penalties to the extent resulting from a failure by the Fold-In Issuer to timely pay amounts due), duties, assessments or governmental charges of whatever nature ("*Taxes*") unless the withholding or deduction of such Taxes is then required by Law or by the official interpretation or administration thereof. If any deduction or withholding for, or on account of, any Taxes imposed or levied by or on behalf of:

- (1) the government of the Approved Jurisdiction in which the Fold-In Issuer is organized or otherwise considered to be resident for tax purposes, or in each case, any political subdivision or governmental authority thereof or therein having power to tax;
- (2) any jurisdiction from or through which payment on the Notes is made, or any political subdivision or governmental authority thereof or therein having the power to tax; or
- (3) any other jurisdiction in which a Payor is organized or otherwise considered to be a resident for tax purposes, or any political subdivision or governmental authority thereof or therein having the power to tax (each of clause (1), (2) and (3), a "*Relevant Taxing Jurisdiction*"),

will at any time be required from any payments made with respect to the Notes, including payments of principal, redemption price, interest or premium, the Payor will pay (together with such payments) such additional amounts (the "*Additional Amounts*") as may be necessary in order that the net amounts received in respect of such payments by each Holder of the Notes, as the case may be, after such withholding or deduction (including any such deduction or withholding from such Additional Amounts) equal the amounts which would have been received in respect of such payments in the absence of such withholding or deduction; provided, however, that no such Additional Amounts will be payable with respect to:

(i) any Taxes that would not have been so imposed but for the existence of any present or former connection between the relevant Holder or beneficial owner and the Relevant Taxing Jurisdiction imposing such Taxes (other than the mere ownership or holding of such Note or enforcement of rights thereunder or under this Indenture or the receipt of payments in respect thereof);

(j) any Taxes that would not have been so imposed if the Holder had (i) made a declaration of non-residence or any other claim or filing for exemption to which it is entitled (provided that (A) such declaration of non-residence or other claim or filing for exemption is required by the applicable Law of the Relevant Taxing Jurisdiction as a precondition to exemption from the requirement to deduct or withhold all or a part of any such Taxes and (B) at least 30 days prior to the first payment date with respect to which such declaration of non-residence or other claim or filing for exemption is required under the applicable Law of

the Relevant Taxing Jurisdiction, the relevant Holder at that time has been notified (in accordance with the procedures set forth in this Indenture) by the Payor or any other person through whom payment may be made that a declaration of non-residence or other claim or filing for exemption is required to be made, but only to the extent the Holder is legally entitled to provide such declaration, claim or filing) and (ii) provided an Internal Revenue Service Form W-9 or applicable Internal Revenue Service Form W-8 (together with any required attachments and including any successor forms);

(k) any Taxes imposed by reason of such holder's past or present status as the actual or constructive owner of 10% or more of the total combined voting power of all classes of stock of the Fold-In Issuer entitled to vote;

(l) any Taxes imposed on a holder by reason of its past or present status as a bank that acquired the Notes in consideration for an extension made pursuant to a loan agreement entered into in the ordinary course of its trade or business;

(m) any Note presented for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the Holder (except to the extent that the Holder would have been entitled to Additional Amounts had the Note been presented during such 30-day period);

(n) any Taxes that are payable otherwise than by withholding from a payment of the principal of, redemption price of, premium, if any, or interest on or with respect to the Notes;

(o) any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge;

(p) all United States backup withholding taxes;

(q) any withholding or deduction imposed pursuant to (1) Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986 (as amended), as of the Issue Date (or any amended or successor version that is substantively comparable and not materially more onerous to comply with) and any current or future regulations or official interpretations thereof, (2) any treaty, Law, regulation or other official guidance enacted in any other jurisdiction, or relating to an intergovernmental agreement between the United States and any other jurisdiction, which (in either case) facilitates the implementation of (1) above or (3) any agreement pursuant to the implementation of (1) or (2) above with the U.S. Internal Revenue Service, the U.S. government or any governmental or taxation authority in any other jurisdiction; or

(r) any combination of items (a) through (i) above.

Such Additional Amounts will also not be payable where, had the beneficial owner of the Note been the Holder of the Notes, it would not have been entitled to payment of Additional Amounts by reason of any of clauses (a) to (j) inclusive of this Section 4.18.

The Payor will (1) make any required withholding or deduction and (2) remit the full amount deducted or withheld to the Relevant Taxing Jurisdiction in accordance with applicable Law. The Payor will use all reasonable efforts to provide evidence reasonably satisfactory to the Trustee that the payment of any Taxes so deducted or withheld from each Relevant Taxing Jurisdiction imposing such Taxes has been made and will provide such evidence to each Holder. The Payor will attach to such evidence a certificate stating (a) that the amount of withholding Taxes evidenced by the certified copy was paid in connection with payments in respect of the principal amount of Notes then outstanding and (b) the amount of

such withholding Taxes paid per \$1,000 principal amount of the Notes. Copies of such documentation will be available for inspection during ordinary business hours at the office of the Trustee by the Holders of the Notes upon request and will be made available at the offices of the Paying Agents if the Notes are then listed on the International Stock Exchange.

At least 30 days prior to each date on which any payment under or with respect to the Notes is due and payable (unless such obligation to pay Additional Amounts arises shortly before or after the 30th day prior to such date, in which case it shall be promptly thereafter), if the Payor will be obligated to pay Additional Amounts with respect to such payment, the Payor will deliver to the Trustee and each Paying Agent an Officer's Certificate stating the fact that such Additional Amounts will be payable, the amounts so payable and will set forth such other information necessary to enable the Paying Agents to pay such Additional Amounts to Holders on the payment date. Each such Officer's Certificate shall be relied upon until receipt of a further Officer's Certificate addressing such matters. The Trustee and the Paying Agents shall be entitled to rely solely on each such Officer's Certificate as conclusive proof that such payments are necessary.

Wherever mentioned in this Indenture or the Notes, in any context, (1) the payment of principal, (2) purchase prices in connection with a purchase of Notes, (3) interest, or (4) any other amount payable on or with respect to the Notes, such reference shall be deemed to include payment of Additional Amounts as described under this heading to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

The Payor will pay any present or future stamp, court or documentary taxes or any other excise or property taxes, charges or similar levies (including interest and penalties to the extent resulting from a failure by the Fold-In Issuer to timely pay amounts due) which arise in any jurisdiction from the execution, delivery or registration of any Notes or any other document or instrument referred to therein (other than a transfer of the Notes), or the receipt of any payments with respect to the Notes, excluding any such taxes, charges or similar levies imposed by any jurisdiction that is not a Relevant Taxing Jurisdiction or any jurisdiction in which a Paying Agent is located, other than those resulting from, or required to be paid in connection with, the enforcement of the Notes, the Note Collateral or any other such document or instrument following the occurrence of any Event of Default with respect to the Notes.

The obligations of this Section 4.18 will survive any termination, defeasance or discharge of this Indenture and will apply *mutatis mutandis* to any jurisdiction in which any successor to a Payor is organized or resident for tax purposes or any political subdivision or taxing authority or agency thereof or therein.

Section 4.19 *Suspension of Covenants on Achievement of Investment Grade Status*

If, during any period after the Issue Date, the Notes have achieved and continue to maintain Investment Grade Status and no Event of Default has occurred and is continuing (such period hereinafter referred to as an "*Investment Grade Status Period*"), then the Company will notify the Trustee of this fact and beginning on the date such status was achieved, the provisions of Sections 3.11, 4.07, 4.08, 4.09, 4.10, 4.11 and 4.14, and Section 5.01(a)(3) and any related default provisions of this Indenture will be suspended and will not, during such Investment Grade Status Period, be applicable to the Company, the Affiliate Issuer and the Restricted Subsidiaries. As a result, during any such Investment Grade Status Period, the Notes will lose a significant amount of the covenant protection initially provided under this Indenture. No action taken during an Investment Grade Status Period or prior to an Investment Grade Status Period in compliance with the covenants then applicable will require reversal or constitute a Default under this Indenture or the Notes in the event that suspended covenants are subsequently reinstated or suspended, as the case may be. An Investment Grade Status Period will terminate immediately upon the failure of the Notes to

maintain Investment Grade Status (the “*Reinstatement Date*”). The Company or the Affiliate Issuer will promptly notify the Trustee in writing of any failure of the Notes to maintain Investment Grade Status and the Reinstatement Date.

Section 4.20 *Further Instruments and Acts*

Upon request of the Trustee, but without an affirmative duty on the Trustee to do so, the Fold-In Issuer, the Company and the Affiliate Issuer shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

Section 4.21 *Listing*

To the extent that the Notes are not listed prior to the LCPR Group Assumption Date, the Fold-In Issuer will apply to list the Notes on the International Stock Exchange and will use all reasonable efforts to obtain permission to be granted to deal in the Notes on the Official List of The International Stock Exchange within a reasonable period after the Issue Date and will maintain such listing as long as the Notes are outstanding; *provided*, however, that if the Fold-In Issuer can no longer maintain such listing or it becomes unduly burdensome to make or maintain such listing (for the avoidance of doubt, preparation of financial statements in accordance with IFRS (except pursuant to the definition of GAAP) or any accounting standard other than GAAP and any other standard pursuant to which the Reporting Entity then prepares its financial statements shall be deemed unduly burdensome), the Fold-In Issuer may cease to make or maintain such listing on the International Stock Exchange provided that the Fold-In Issuer will use its reasonable best efforts to obtain and maintain the listing of the Notes on another recognized listing exchange for high yield issuers (which may be a stock exchange that is not regulated by the European Union). Notwithstanding anything herein to the contrary, the Fold-In Issuer may cease to make or maintain a listing (whether on the International Stock Exchange or on another recognized listing exchange for high yield issuers) if such listing is not required for the Fold-In Issuer to benefit from an exemption on withholding tax on interest payments on the Notes or to otherwise prevent tax from being withheld from interest payments on the Notes.

Section 4.22 *[Reserved]*

Section 4.23 *Intercreditor Agreement; Additional Intercreditor Agreement*

(g) The Trustee will accede to the Intercreditor Agreement on the LCPR Group Assumption Date by executing an accession and/or amendment thereto, and each Holder, by accepting a Note, will be deemed to have (1) authorized and directed the Trustee to enter into the Intercreditor Agreement or any additional intercreditor agreement contemplated hereby or thereby (an “*Additional Intercreditor Agreement*”), (2) agreed to be bound by all the terms and provisions of the Intercreditor Agreement applicable to such holder and (3) irrevocably appointed and directed the Trustee to act on its behalf and to perform the duties and exercise the rights, powers and discretions that are specifically given to them under the Intercreditor Agreement.

(h) In addition, at the direction of the Company or the Affiliate Issuer and without the consent of the Holders of the Notes, the Trustee and the Security Agent, as applicable, will from time to time enter into one or more amendments to the applicable Intercreditor Agreement (including, for the avoidance of doubt, any *Additional Intercreditor Agreement*) to:

- (1) cure any ambiguity, omission, manifest error, defect or inconsistency therein;
-

- (2) add guarantors or other parties (such as representatives of new issuances of Indebtedness) thereto;
 - (3) secure the Notes or the Note Guarantees;
 - (4) make provisions for equal and ratable grants of Liens on the Note Collateral to secure Additional Notes or implement any Permitted Collateral Liens;
 - (5) make any other change to the applicable Intercreditor Agreement to provide for additional Indebtedness constituting Subordinated Obligations or any other additional Indebtedness (in either case, including with respect to the applicable Intercreditor Agreement, the addition of provisions relating to new Indebtedness ranking junior in right of payment to the Notes or the Note Guarantees, as applicable) or other obligations that are permitted by the terms of this Indenture to be Incurred and secured by a Lien on any collateral on a senior, *pari passu* or junior basis with any Liens securing the Notes or the Note Guarantees;
 - (6) add Restricted Subsidiaries to the applicable Intercreditor Agreement;
 - (7) amend the applicable Intercreditor Agreement in accordance with the terms thereof;
 - (8) make any change necessary or desirable, in the good faith determination of the Board of Directors or senior management of the Company, in order to implement any transaction that is subject to Article 5;
 - (9) implement any transaction in connection with the renewal, extension, refinancing, replacement or increase of the LCPR Credit Facilities or the Notes, as applicable, that is not prohibited by this Indenture; or
 - (10) make any other change thereto that does not adversely affect the rights of the Holders of the Notes in any material respect; provided that no such changes shall be permitted to the extent they affect the ranking of the Notes or the release of any Note Guarantee in a manner than would adversely affect the rights of the Holders of the Notes in any material respect except as otherwise permitted by this Indenture, or the applicable Intercreditor Agreement, immediately prior to such change.
- (i) The Company and the Affiliate Issuer will not otherwise direct the Trustee or the Security Agent, as applicable, to enter into any amendment to either of the Intercreditor Agreement or, if applicable, any Additional Intercreditor Agreement, without the consent of the Holders of a majority in principal amount of the Notes outstanding, except as otherwise permitted under Article 9, and the Company may only direct the Trustee and the Security Agent, applicable, to enter into any amendment to the extent such amendment does not impose any personal obligations on the Trustee or Security Agent, as applicable, or, in the opinion of the Trustee or Security Agent, adversely affect their respective rights, duties, liabilities or immunities under this Indenture or the Intercreditor Agreement or any Additional Intercreditor Agreement.
- (j) Each Holder of a Note, by accepting such Note, is deemed to have:
- (1) appointed and authorized the Fold-In Issuer, the Trustee and the Security Agent, as applicable, from time to time to give effect to the foregoing provisions;
 - (2) authorized each of the Fold-In Issuer, the Trustee and the Security Agent, as applicable, from time to time to become a party to any Additional
-

Intercreditor Agreement and any document giving effect to such amendments to the Intercreditor Agreement or any Additional Intercreditor Agreement;

(3) agreed to be bound by such provisions and the provisions of any Additional Intercreditor Agreement, and any document giving effect to such amendments to the Intercreditor Agreement or any Additional Intercreditor Agreement; and

(4) irrevocably appointed the Trustee and the Security Agent, as applicable, to act on its behalf from time to time to enter into and comply with the foregoing provisions and the provisions of any Additional Intercreditor Agreement and any document giving effect to such amendments to either the Intercreditor Agreement or any Additional Intercreditor Agreement,

in each case, without the need for the consent of the Holders.

(k) In relation to the Intercreditor Agreement or an Additional Intercreditor Agreement, the Fold-In Issuer and/or the Trustee (on behalf of the Holders of the Notes), as applicable, shall consent to the payment, repayment, purchase, repurchase, defeasance, acquisition, retirement or redemption of any obligations subordinated to the Notes thereby; provided, however, that such transaction would comply with Section 4.07.

Section 4.24 *[Reserved]*

Section 4.25 *Limitation on Layering*

The Company and the Affiliate Issuer will not incur, and will not permit any Guarantor to incur, any Indebtedness that is contractually subordinated in right of payment to any other Indebtedness of the Company or any Guarantor that ranks *pari passu* with or subordinated to the Notes or Note Guarantee, as applicable, unless such Indebtedness is also contractually subordinated in right of payment to the Notes or relevant Note Guarantee, on substantially identical terms (as conclusively determined in good faith by the Board of Directors or senior management of the Company or the Affiliate Issuer); provided, however, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Company, the Affiliate Issuer or any other Restricted Subsidiary solely by virtue of being unsecured or secured on a junior Lien basis or by virtue of not being guaranteed or by virtue of the application of waterfall or other payment ordering provisions affecting different tranches of Indebtedness.

Section 4.26 *Limited Condition Transaction*

(d) In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of determining compliance with any provision of this Indenture which requires that no Default or Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of the Company or the Affiliate Issuer, be deemed satisfied, so long as no Default or Event of Default, as applicable, exists on the date the definitive agreement (or other relevant definitive documentation) for such Limited Condition Transaction is entered into. For the avoidance of doubt, if the Company or the Affiliate Issuer has exercised its option under the first sentence of this Section 4.26(a), and any Default or Event of Default occurs following the date such definitive agreement for a Limited Condition Transaction is entered into and prior to the consummation of such Limited Condition Transaction, any such Default or Event of Default shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted hereunder.

(e) In connection with any action being taken in connection with a Limited Condition Transaction for purposes of:

(1) determining compliance with any provision of this Indenture which requires the calculation of any financial ratio or test, including the Consolidated Net Leverage Ratio or the Consolidated Senior Secured Net Leverage Ratio; or

(2) testing baskets set forth in this Indenture (including baskets measured as a percentage or multiple, as applicable, of Total Assets, Pro forma EBITDA or Pro forma Non-Controlling Interest EBITDA);

in each case, at the option of the Company or the Affiliate Issuer (the Company's or the Affiliate Issuer's election to exercise such option in connection with any Limited Condition Transaction, an "*LCT Election*"), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreement (or other relevant definitive documentation) for such Limited Condition Transaction is entered into (the "*LCT Test Date*"); *provided, however*, that the Company or the Affiliate Issuer shall be entitled to subsequently elect, in its sole discretion, the date of consummation of such Limited Condition Transaction instead of the LCT Test Date as the applicable date of determination, and if, after giving pro forma effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof), as are appropriate and consistent with the pro forma adjustment provisions set forth in the definitions of "Pro forma EBITDA", "Consolidated Net Leverage Ratio" and "Consolidated Senior Secured Net Leverage Ratio", the Company, the Affiliate Issuer or any Restricted Subsidiary could have taken such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with.

(f) If the Company or the Affiliate Issuer has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Pro forma EBITDA or Total Assets, of the Company, the Affiliate Issuer and the Restricted Subsidiaries or the Person or assets subject to the Limited Condition Transaction (as if each reference to the "Company" or the "Affiliate Issuer" in such definition was to such Person or assets) at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Company or the Affiliate Issuer has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio, test or basket availability under this Indenture (including with respect to the Incurrence of Indebtedness or Liens, or the making of Asset Dispositions, acquisitions, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Company, the Affiliate Issuer or any Restricted Subsidiary or the designation of an Unrestricted Subsidiary) on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio, test or basket shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

ARTICLE 15.
SUCCESSORS

Section 15.01 *Merger and Consolidation*

(a) Neither the Fold-In Issuer nor the Affiliate Issuer will consolidate with, or merge with or into, or convey, transfer or lease all or substantially all of its assets to, any Person, unless:

(7) any Note Guarantee of a Parent or a Significant Subsidiary ceases to be in full force and effect (except in accordance with the terms of this Indenture) or is declared invalid or unenforceable in a judicial proceeding and such Default continues for 60 days after the notice specified in this Indenture (the “guarantee default provision”); or

Section 16.02 *Acceleration*

If an Event of Default (other than an Event of Default described in Section 6.01(a)(5)) occurs and is continuing, the Trustee by notice to the Company, or the Holders of at least 25% in principal amount of the outstanding Notes by notice to the Company and the Trustee, may, and the Trustee at the request of such Holders shall, declare the principal of, premium, if any, accrued and unpaid interest, if any, and Additional Amounts, if any, on all the Notes to be due and payable. Upon such a declaration, such principal, premium and accrued and unpaid interest and Additional Amounts, if any, will be due and payable immediately. In the event of a declaration of acceleration of the Notes because an Event of Default described in Section 6.01(a)(4) has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to Section 6.01(a)(4) shall be remedied or cured by the Fold-In Issuer, the Company, the Affiliate Issuer or any of the Restricted Subsidiaries or waived by the holders of the relevant Indebtedness within 20 days after the declaration of acceleration with respect thereto and if (a) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (b) all existing Events of Default, except non-payment of principal, premium or interest and Additional Amounts, if any, on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived. If an Event of Default described in Section 6.01(a)(5) occurs and is continuing, the principal of, premium, if any, accrued and unpaid interest and Additional Amounts, if any, on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. The Holders of a majority in principal amount of the outstanding Notes may waive all past defaults (except with respect to non-payment of principal, premium, interest or Additional Amounts) and rescind any such acceleration with respect to the Notes and its consequences if (a) rescission would not conflict with any judgment or decree of a court of competent jurisdiction, (b) all existing Events of Default, other than the non-payment of the principal of, premium, if any, interest and Additional Amounts, if any, on the Notes that have become due solely by such declaration of acceleration, have been cured or waived and (c) the Company has paid the Trustee its reasonable compensation and reimbursed the Trustee for its reasonable expenses, disbursements and advances.

Section 16.03 *Other Remedies*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by Law.

Section 16.04 *Waiver of Past Defaults*

The holders of a majority in principal amount of the outstanding Notes may waive all past defaults (except with respect to non-payment of principal, premium, interest or Additional Amounts) and rescind any such acceleration with respect to the Notes and its consequences if (a) rescission would not conflict with any judgment or decree of a court of competent jurisdiction, (b) all existing Events of Default, other than the non-payment of the principal of, premium, if any, interest and Additional Amounts, if any, on the Notes that have become due solely by such declaration of acceleration, have been cured or waived and (c) the Company has paid the Trustee its reasonable compensation and reimbursed the Trustee for its reasonable expenses, disbursements and advances. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Prior to taking any action hereunder, the Trustee shall be entitled to indemnification or other security satisfactory to it in its sole discretion against all Losses and expenses caused by taking or not taking such action.

Section 16.05 *Control by Majority*

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with applicable Law, this Indenture or the Intercreditor Agreement or any Intercreditor Agreement or that the Trustee determines is unduly prejudicial to the rights of any other Holder of Notes or that may involve the Trustee in personal liability.

- (1) such Holder of Notes has previously given the Trustee written notice that an Event of Default is continuing;
 - (2) Holders of at least 50% in principal amount of the outstanding Notes have requested the Trustee to pursue the remedy;
 - (3) such Holders have offered the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;
 - (4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and
-

(5) the Holders of a majority in principal amount of the outstanding Notes have not given the Trustee a direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

Section 16.08 Collection Suit by Trustee

If an Event of Default specified in Section 6.01(a)(1) or Section 6.01(a)(2) occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Fold-In Issuer for the whole amount of principal of, premium, if any, and interest remaining unpaid on, the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 16.09 Trustee May File Proofs of Claim

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Fold-In Issuer (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 16.10 Priorities

Subject to the terms of the Intercreditor Agreement and any Additional Intercreditor Agreement, if the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

First: to the Trustee, the Security Agent and the Agents, and their agents and attorneys for amounts due under Section 7.07, including payment of all compensation, expenses and liabilities incurred and indemnities owed to and all advances made, by the Trustee, the Security Agent and the Agents and the costs and expenses of collection;

This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

ARTICLE 17. **TRUSTEE**

Section 17.01 *Duties of Trustee*

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy or mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this Section 7.01(c) does not limit the effect of Section 7.01(b);

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.02 or Section 6.05.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to clauses (a), (b), and (c) of this Section 7.01.

(e) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability. The Trustee will be under no obligation to exercise any of its rights and powers under this Indenture at the request of any Holders, unless such Holder has offered to the Trustee indemnity or security satisfactory to the Trustee against any loss, liability or expense.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Fold-In Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by Law.

(g) In no event shall the Trustee or any other entity of The Bank of New York Mellon Group be liable for any Losses arising to the Trustee or any other entity of The Bank of New York Mellon Group or any other Agent receiving or transmitting any data from the Fold-In Issuer, any Authorized Person or any party to the transaction via any non-secure method of transmission or communication, such as, but without limitation, by facsimile or e-mail.

Section 17.02 *Rights of Trustee*

(a) The Trustee and each agent acting on its instructions may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document (regardless of whether any such document is subject to any monetary or other limit).

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel will be full and complete protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Fold-In Issuer will be sufficient if signed by an Officer of the Fold-In Issuer.

(f) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee reasonable indemnity or security against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(g) The Trustee shall have no duty to inquire as to the performance of the covenants of the Company and/or the Restricted Subsidiaries in Article 4. In addition, the Trustee shall not be deemed to have knowledge of any Default or Event of Default except: (1) any Event of Default occurring pursuant to Section 6.01(a)(1) or Section 6.01(a)(2) (provided it is acting as Paying Agent); and (2) any Default or Event of Default of which a Responsible Officer shall have received written notification. Delivery of reports, information and documents to the Trustee under Section 4.03 is for informational purposes only and the Trustee's receipt of the foregoing shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Fold-In Issuer's compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

(h) The Trustee shall not have any obligation or duty to monitor, determine or inquire as to compliance, and shall not be responsible or liable for compliance with restrictions on transfer, exchange, redemption, purchase or repurchase, as applicable, of minimum denominations imposed under this Indenture or under applicable Law or regulation with respect to any transfer, exchange, redemption, purchase or repurchase, as applicable, of any interest in any Notes.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, its right to be indemnified are extended to, and shall be enforceable by The Bank of New York Mellon, London Branch in each of its capacities hereunder, The Bank of New York Mellon in each of its capacities hereunder and each agent, custodian and other person employed to act hereunder. Absent willful misconduct or negligence, each Paying Agent and Transfer Agent shall not be liable for acting in good faith on instructions believed by it to be genuine and from the proper party.

(j) The Trustee will not be liable to any person if prevented or delayed in performing any of its obligations or discretionary functions under this Indenture by reason of any present or future Law applicable to it, by any governmental or regulatory authority or by any circumstances beyond its control.

(k) The Trustee shall not be liable for any special, indirect, punitive or consequential loss or damage of any kind whatsoever (including lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(l) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Fold-In Issuer personally or by agent or attorney.

(m) In the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders, each representing less than a majority in aggregate principal amount of the Notes then outstanding, pursuant to the provisions of this Indenture, the Trustee, in its sole discretion, may determine what action, if any, will be taken and shall not incur any liability for its failure to act until such inconsistency or conflict is, in its reasonable opinion, resolved.

(n) The Trustee may request that the Fold-In Issuer delivers an Officer's Certificate setting forth the names of the individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(o) In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by acts of war or terrorism involving the United States, the United Kingdom or any member state of the European Monetary Union or any other national or international calamity or emergency (including natural disasters or acts of God), it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

(p) The Trustee is not required to give any bond or surety with respect to the performance or its duties or the exercise of its powers under this Indenture or the Notes.

(q) The permissive right of the Trustee to take the actions permitted by this Indenture shall not be construed as an obligation or duty to do so.

(r) The Trustee shall have the right to accept and act upon Instructions, including with respect to fund transfers given pursuant to this Indenture and delivered using Electronic Means. If the Fold-In Issuer elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee's understanding of such Instructions shall be deemed controlling. The Fold-In Issuer understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Person have been sent by such Authorized Person. The Fold-In Issuer shall be responsible for ensuring that only Authorized Persons transmit such Instructions to the Trustee and that the Fold-In Issuer and all Authorized Persons are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Fold-In Issuer. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent Instruction not delivered by Electronic Means. The Fold-In Issuer agrees: (1) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (2) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions by Electronic Means to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Fold-In Issuer; (3) that the security procedures (if any) to be followed in connection with its transmission of Instructions by Electronic Means provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (4) use its reasonable commercial efforts to notify the Trustee upon learning of any compromise or unauthorized use of the security procedures.

Section 17.03 *Individual Rights of Trustee*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Fold-In Issuer or any Affiliate of the Fold-In Issuer with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days or resign as Trustee hereunder. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11.

Section 17.04 *Trustee's Disclaimer*

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Fold-In Issuer's use of the proceeds from the Notes or any money paid to the Fold-In Issuer or upon the Fold-In Issuer's direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 17.05 *Notice of Defaults*

If a Default occurs and is continuing and is actually known to the Trustee, the Trustee must give notice of the Default within 90 days after it occurs. Except in the case of a Default in the payment of principal of, premium, if any, interest or Additional Amounts, if any, on any Note, the Trustee may withhold notice if and so long as a committee of trust officers of the Trustee in good faith determines that withholding notice is in the interests of the Holders. In addition, the Company, the Affiliate Issuer or the Fold-In Issuer is required to deliver to the Trustee, within 120 days after the end of each fiscal year, a certificate indicating whether the signers thereof know of any Default that occurred during the previous year. The Company, the Affiliate Issuer or the Fold-In Issuer, as applicable, also is required to deliver to the Trustee, within 30 days after the occurrence thereof, written notice of any events of which it is aware which would constitute certain Defaults, their status and what action the Company, the Affiliate Issuer or the Fold-In Issuer, as applicable, is taking or proposing to take in respect thereof.

Section 17.06 *[Reserved]*

Section 17.07 *Compensation and Indemnity*

(a) The Fold-In Issuer will pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and services hereunder. The Trustee's compensation will not be limited by any Law on compensation of a trustee of an express trust. The Fold-In Issuer will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Fold-In Issuer will indemnify the Trustee, including its directors, officers, employees and agents, against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, any Supplemental Indenture, the Notes, the Intercreditor Agreement, any Additional Intercreditor Agreement, any Note Security Document or other transaction document to which the Trustee is party or in any other role performed by The Bank of New York Mellon Group under said documents, including the costs and expenses of enforcing this

Indenture or any Security Documents against the Fold-In Issuer (including this Section 7.07) and defending itself against any claim (whether asserted by the Fold-In Issuer, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence or bad faith. The Trustee will notify the Fold-In Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Fold-In Issuer will not relieve the Fold-In Issuer of its obligations hereunder. The Fold-In Issuer will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Fold-In Issuer will pay the reasonable fees and expenses of such counsel. The Fold-In Issuer need not pay for any settlement made without its consent, which consent will not be unreasonably withheld.

(c) The obligations of the Fold-In Issuer under this Section 7.07 and any claim arising hereunder shall survive the resignation or removal of any Trustee, the satisfaction and discharge of the Fold-In Issuer's obligations pursuant to Article 8 and any rejection or termination under any Bankruptcy Law, and the satisfaction and discharge of this Indenture

(d) To secure the Fold-In Issuer's payment obligations in this Section 7.07, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(a)(7) occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any applicable Bankruptcy Law.

For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given, to the Trustee in Section 7.07, including its right to be indemnified, are extended to, and shall be enforceable by The Bank of New York Mellon, London Branch, in each of its capacities hereunder, by The Bank of New York Mellon, in each of its capacities hereunder, by the Security Agent and by each agent, custodian and each Person employed by the Trustee to act hereunder.

Section 17.08 *Replacement of Trustee*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Fold-In Issuer. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Fold-In Issuer in writing. The Fold-In Issuer may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10;
 - (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
 - (3) a custodian or public officer takes charge of the Trustee or its property; or
 - (4) the Trustee becomes incapable of acting.
-

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Fold-In Issuer will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Fold-In Issuer.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, (1) the retiring Trustee, the Fold-In Issuer, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee; or (2) the retiring Trustee may appoint a successor Trustee at any time prior to the date on which a successor Trustee takes office; *provided* that such appointment shall be reasonably satisfactory to the Fold-In Issuer.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Fold-In Issuer. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will deliver a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Fold-In Issuer's obligations under Section 7.07 will continue for the benefit of the retiring Trustee.

Section 17.09 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee.

Section 17.10 *Agents; Resignation of Agents*

Any Agent may resign and be discharged from its duties under this Indenture at any time by giving sixty (60) days' prior written notice of such resignation to the Trustee and the Fold-In Issuer. The Fold-In Issuer may remove any Agent at any time by giving sixty (60) days' prior written notice to any Agent. Upon such notice, a successor Agent shall be appointed by the Fold-In Issuer, who shall provide written notice of such to the Trustee. Such successor Agent shall become the Agent hereunder upon the resignation or removal date specified in such notice. If the Fold-In Issuer is unable to replace the resigning Agent within sixty (60) days after such notice, the Agent may, in its sole discretion, deliver any funds then held hereunder in its possession to the Trustee or may apply to a court of competent jurisdiction for the appointment of a successor Agent or for other appropriate relief. The properly incurred and documented costs and expenses (including its counsels' fees and expenses) incurred by the Agent in connection with such proceeding shall be paid by the Fold-In Issuer. Upon receipt of the identity of the successor Agent, the Agent shall deliver any funds then held hereunder to the successor Agent, less the Agent's properly incurred and documented fees, costs and expenses or other obligations owed to the Agent. Upon its resignation and delivery any funds, the Agent shall be discharged of and from any and all further obligations arising in connection with this Indenture, but shall continue to enjoy the benefit of Section 7.07.

Section 17.11 *Eligibility; Disqualification*

There will at all times be a Trustee hereunder that is a corporation organized and doing business under the Laws of the United States of America or of any state thereof, England and Wales or a jurisdiction in the European Union that is authorized under such Laws to exercise corporate trust power and which customarily performs such corporate trust roles and provides such corporate trust services in transactions similar in nature to the offering of the Notes as described in the Offering Memorandum.

Section 17.12 *Contractual Recognition of Bail-In Powers*

Notwithstanding and to the exclusion of any other term of this Indenture or any other agreements, arrangements, or understanding between the parties to this Indenture, each counterparty to a BRRD Party under this Indenture acknowledges and accepts that a BRRD Liability arising under this Indenture may be subject to the exercise of Bail-in Powers by the Relevant Resolution Authority, and acknowledges, accepts, and agrees to be bound by:

(a) the effect of the exercise of Bail-in Powers by the Relevant Resolution Authority in relation to any BRRD Liability of any BRRD Party to it under this Indenture, that (without limitation) may include and result in any of the following, or some combination thereof:

- (1) the reduction of all, or a portion, of the BRRD Liability or outstanding amounts due thereon;
- (2) the conversion of all, or a portion, of the BRRD Liability into shares, other securities or other obligations of the relevant BRRD Party or another person (and the issue to or conferral on it of such shares, securities or obligations);
- (3) the cancellation of the BRRD Liability;
- (4) the amendment or alteration of any interest, if applicable, thereon, the maturity or the dates on which any payments are due, including by suspending payment for a temporary period; and

(b) the variation of the terms of this Indenture, as deemed necessary by the Relevant Resolution Authority, to give effect to the exercise of Bail-in Powers by the Relevant Resolution Authority.

Section 17.13 *Tax Matters*

(d) Information Covenants. Each of the Fold-In Issuer and the Trustee shall, within ten Business Days of a written request by the other party, supply to that other party such forms, documentation and other information relating to it, its operations, or the Notes as that other party reasonably requests for the purposes of that other party's compliance with Applicable Law and shall notify the relevant other party reasonably promptly in the event that it becomes aware that any of the forms, documentation or other information provided by such party is (or becomes) inaccurate in any material respect; provided, however, that no party shall be required to provide any forms, documentation or other information pursuant to this Section 7.13 to the extent that: (i) any such form, documentation or other information (or the information required to be provided on such form or documentation) is not reasonably available to such party and cannot be obtained by such party using reasonable efforts; or (ii) doing so would or might in the reasonable opinion of such party constitute a breach of any: (a) Applicable Law; (b) fiduciary duty; or (c) duty of confidentiality. For purposes of this Section 7.13, "Applicable Law" means applicable tax Laws (inclusive of any current and

future Laws, rules, regulations, intergovernmental agreements and interpretations thereof promulgated by competent authorities) related to this Indenture in effect from time to time.

(e) Notice of Withholding or Deduction. If the Fold-In Issuer is, in respect of any payment in respect of the Notes, compelled to withhold or deduct any amount for or on account of any Taxes as contemplated by Section 4.18 (Additional Amounts) or any undertaking given in addition to or in substitution for Section 4.18 (Additional Amounts) pursuant to this Indenture, the Fold-In Issuer shall give notice to the Trustee as soon as it becomes aware of the requirement to make the withholding or deduction and shall give to the Trustee such information as it, the Security Agent or any Agent (including any Paying Agent) shall require to enable each of them to comply with the requirement.

(f) Entitlement to Withhold or Deduct. Notwithstanding any other provision of this Indenture, the Trustee, the Security Agent or any Agent (including any Paying Agent) shall be entitled to make a deduction or withholding from any payment which it makes under the Notes for or on account of any Taxes, if and only to the extent so required by Applicable Law or by virtue of the relevant holder failing to satisfy any certification or other requirements in respect of the Notes, in which event the Trustee, the Security Agent or any Agent shall make such payment after such deduction or withholding has been made and shall account to the relevant regulatory or governmental authority within the time allowed for the amount so deducted or withheld or, at its option, shall reasonably promptly after making such payment return to the Fold-In Issuer the amount so deducted or withheld, in which case, the Fold-In Issuer shall so account to the relevant regulatory or governmental authority for such amount. In each case, the Trustee, the Security Agent and each Agent shall have no obligation to gross up any payment hereunder or pay any additional amount as a result of such taxes, duties or charges.

ARTICLE 18.

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 18.01 *Option to Effect Legal Defeasance or Covenant Defeasance*

The Fold-In Issuer may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an Officer's Certificate, elect to have either Section 8.02 or 8.03 be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 18.02 *Legal Defeasance and Discharge*

(a) Upon the Fold-In Issuer's exercise under Section 8.01 of the option applicable to this Section 8.02, the Fold-In Issuer will, subject to the satisfaction of the conditions set forth in Section 8.04, be deemed to have been discharged from its obligations with respect to all outstanding Notes on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Fold-In Issuer will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 and the other Sections of this Indenture referred to in clauses (1) and (2) of this Section 8.02(a), and to have satisfied all its other obligations under such Notes and this Indenture (and the Trustee, on demand of and at the expense of the Fold-In Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium, if any, on, such Notes when such payments are due from the trust referred to in Section 8.04;

(2) the Fold-In Issuer's obligations with respect to such Notes under Article 2 and Section 4.02;

(3) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Fold-In Issuer's obligations in connection therewith; and

(4) this Article 8.

(b) Subject to compliance with this Article 8, the Fold-In Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03.

Section 18.03 *Covenant Defeasance*

Upon the Fold-In Issuer's exercise under Section 8.01 of the option applicable to this Section 8.03, the Fold-In Issuer will, subject to the satisfaction of the conditions set forth in Section 8.04, be released from its obligations under Sections 3.11, 4.03, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.14, 4.15, 4.16, 4.17, 4.19, 4.21, 4.22, 4.23, and 4.25, clauses (3) and (4) of Section 5.01(a) and clauses (1) and (2)(B) of Section 5.01(b) with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, *Covenant Defeasance* means that, with respect to the outstanding Notes, the Fold-In Issuer may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01(a), but, except as specified above, the remainder of this Indenture and such Notes will be unaffected thereby. In addition, upon the Fold-In Issuer's exercise under Section 8.01 of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04, Section 6.01(a)(3) (with respect to the Sections referenced in the first sentence of this Section 8.03 only), Section 6.01(a)(4), Section 6.01(a)(5) (only with respect to Significant Subsidiaries), Section 6.01(a)(6), Section 6.01(a)(7) and Section 6.01(a)(8) will not constitute Events of Default.]

Section 18.04 *Conditions to Legal or Covenant Defeasance*

(a) In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03:

(1) the Fold-In Issuer must irrevocably deposit in trust (the "defeasance trust") with the Trustee (or an agent nominated by the Trustee for such purpose) U.S. dollars, U.S. dollar-denominated U.S. Government Obligations or a combination thereof for the payment of principal, premium, if any, interest and Additional Amounts, if any, on the Notes to redemption or maturity, as the case may be;

(2) in the case of an election under Section 8.02, the Fold-In Issuer must deliver to the Trustee an Opinion of Counsel (subject to customary exceptions and exclusions) confirming that:

(A) the Fold-In Issuer has received from, or there has been published by, the Internal Revenue Service a ruling; or

(B) since the Issue Date, there has been a change in the applicable federal income tax Law,

in either case to the effect that, and based thereon such Opinion of Counsel (subject to customary exceptions and exclusions) shall confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amount and in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred. In the case of legal defeasance only, such Opinion of Counsel must be based on a ruling of the U.S. Internal Revenue Service or other change in applicable U.S. federal income tax Law;

(3) in the case of an election under Section 8.03, the Fold-In Issuer must deliver to the Trustee an Opinion of Counsel (subject to customary exceptions and exclusions) confirming that the Holders of the outstanding Notes will not recognize income, gain or loss for United States Federal income tax purposes as a result of such Covenant Defeasance and will be subject to United States Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Fold-In Issuer, the Affiliate Issuer or the Company is a party or by which the Fold-In Issuer, the Affiliate Issuer or the Company is bound;

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture) to which the Fold-In Issuer, the Company, the Affiliate Issuer or any of their respective Subsidiaries is a party or by which the Company, the Affiliate Issuer or any of its Subsidiaries is bound;

(6) the Fold-In Issuer must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Fold-In Issuer with the intent of preferring the Holders over the other creditors of the Fold-In Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Fold-In Issuer or others; and

(7) the Fold-In Issuer must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Section 18.05 *Deposited Money and Government Obligations to be Held in Trust; Other Miscellaneous Provisions*

(a) Subject to Section 8.06, all money, all U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "*Trustee*") pursuant to Section 8.04 in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including any Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by Law.

(b) The Fold-In Issuer will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash in U.S. dollars or against the U.S. Government Obligations deposited pursuant to Section 8.04 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by Law is for the account of the Holders of the outstanding Notes.

(c) Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Fold-In Issuer from time to time upon the request of the Fold-In Issuer any money, non-callable U.S. dollar-denominated U.S. Government Obligations held by it as provided in Section 8.04 which, in the opinion of an Independent Financial Advisor expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a)(1)), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 18.06 *Repayment to Issuer*

Any money deposited with the Trustee or any Paying Agent, or then held by the Fold-In Issuer, in trust for the payment of the principal of, premium, if any, or interest on, any Note and remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall be paid to the Fold-In Issuer on its request or (if then held by the Fold-In Issuer) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Fold-In Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Fold-In Issuer as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may (without an obligation to do so) at the expense of the Fold-In Issuer cause to be published once, in a leading newspaper having general circulation in London, notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Fold-In Issuer.

Section 18.07 *Reinstatement*

If the Trustee or any Paying Agent is unable to apply any U.S. dollar or U.S. dollar-denominated non-callable U.S. Government Obligations in accordance with Section 8.02 or 8.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Fold-In Issuer's obligations under this Indenture and the Notes will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03, as the case may be; *provided, however*, that, if the Fold-In Issuer makes any payment of principal of, premium, if any, or interest on, any Note following the reinstatement

of its obligations, the Fold-In Issuer will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 19.
AMENDMENT, SUPPLEMENT AND WAIVER

Section 19.01 *Without Consent of Holders*

(a) Subject to Section 9.06 and notwithstanding Section 9.02 of this Indenture, without the consent of any Holder, the Fold-In Issuer and the Trustee may amend this Indenture, the Notes, Note Guarantees, the Note Security Documents, the Intercreditor Agreement, and any Additional Intercreditor Agreement to:

- (1) cure any ambiguity, omission, manifest error, defect or inconsistency;
 - (2) provide for the assumption by a Successor Company of the obligations of the Fold-In Issuer or any Guarantor under this Indenture, the Notes, the Note Guarantees, the Note Security Documents, the Intercreditor Agreement, and any Additional Intercreditor Agreement, as applicable;
 - (3) provide for uncertificated Notes in addition to or in place of certificated Notes (provided that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the U.S. Internal Revenue Code of 1986 (as amended));
 - (4) add guarantees with respect to the Notes;
 - (5) secure the Notes or the Note Guarantees (including, without limitation, to grant any security or supplemental security);
 - (6) add to the covenants of the Company, the Affiliate Issuer and the Restricted Subsidiaries for the benefit of the Holders or surrender any right or power conferred upon the Company, the Affiliate Issuer or any Restricted Subsidiaries under this Indenture or the Notes or the Note Security Documents;
 - (7) make any change that does not adversely affect the rights of any Holder in any material respect;
 - (8) release (i) the Note Guarantees and (ii) any Lien created to secure the Notes and the Note Guarantees, in each case, as provided by the terms of this Indenture;
 - (9) provide for the issuance of Additional Notes in accordance with the terms of this Indenture;
 - (10) give effect to Permitted Liens and Permitted Collateral Liens;
 - (11) evidence and provide for the acceptance and appointment under this Indenture, the Note Security Documents, the Intercreditor Agreement and any Additional Intercreditor Agreement, and any security documents granted to secure the Notes or any Note Guarantee, of a successor Trustee, Security Agent and/or any other agent pursuant to the requirements thereof;
 - (12) the extent necessary to grant a Lien for the benefit of any Person; provided that the granting of such Lien is permitted by this Indenture;
-

(13) make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation to facilitate the issuance and administration of the Notes; provided, however, that (i) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities Law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer Notes;

(14) conform the text of this Indenture, the Notes, the Note Guarantees, the Note Security Documents or the Intercreditor Agreement to any provision of the "*Description of the Fold-In Notes*" section of the Offering Memorandum to the extent that such provision of the "*Description of the Fold-In Notes*" section of the Offering Memorandum was intended to be a verbatim recitation of this Indenture, the Notes, the Note Guarantees, the Note Security Documents or the Intercreditor Agreement;

(15) comply with Section 5.01;

(16) provide for a reduction in the minimum denominations of the Notes; provided that such reduction would not result in a breach of applicable securities Laws or in a requirement to produce a prospectus or otherwise register the Notes with any regulatory authority in connection with any investment therein or resale thereof;

(17) comply with the rules of any applicable securities depository;

(18) [Reserved];

(19) give effect to, or as otherwise reasonably required (in the opinion of the Company) for the entry into the Intercreditor Agreement; or

(20) to the extent reasonably required to allow for the Transactions.

(b) In formulating its opinion on such matters, the Trustee shall be entitled to require and conclusively rely on such evidence as it deems appropriate, including an Opinion of Counsel and an Officer's Certificate.

(c) The consent of the Holders is not necessary under this Indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment. A consent to any amendment or waiver under this Indenture by any Holder of Notes given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender. For so long as the Notes are listed on the International Stock Exchange and the guidelines of the International Stock Exchange so require, the Company or the Affiliate Issuer will notify the International Stock Exchange of any such amendment, supplement and waiver.

(d) Upon the request of the Fold-In Issuer accompanied by a resolution of its board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 and subject to Section 9.06, the Trustee and the Security Agent will join with the Fold-In Issuer in the execution of any amended or supplemental indenture or such other amended or supplemental agreement authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee and the Security Agent will not be obligated to enter into such amended or

supplemental indenture or such other amended or supplemental agreement that adversely affects its own rights, duties or immunities under this Indenture or otherwise.

Section 19.02 *With Consent of Holders*

Subject to Section 9.06 and except as provided below in this Section 9.02, the Fold-In Issuer and the Trustee and the Security Agent (to the extent party thereto) may amend or supplement this Indenture (including, without limitation, Sections 3.11, 4.10 and 4.14), the Notes, the Note Security Documents, the Intercreditor Agreement and any Additional Intercreditor Agreement with the consent of the Holders of at least a majority in principal amount of the Notes (including, without limitation, Additional Notes, if any) then outstanding (including, without limitation, consents obtained in connection with a purchase of, or a tender offer or exchange offer for the Notes) voting as a single class and, subject to Sections 6.04 and 6.07, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on, the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Notes, the Note Security Documents, the Intercreditor Agreement, or any Additional Intercreditor Agreement may be waived with the consent of the Holders of at least a majority in principal amount of the Notes (including, without limitation, Additional Notes, if any) then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for the Notes) voting as a single class.

Upon the request of the Fold-In Issuer accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02, the Trustee will join with the Fold-In Issuer in the execution of such amended or supplemental Indenture unless such amended or supplemental indenture directly adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental Indenture.

It is not necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

However, without the consent of the Holders of at least 90% of the aggregate principal amount of then outstanding Notes, an amendment, supplement or waiver under this Section 9.02 may not:

- (1) reduce the principal amount of Notes whose Holders must consent to an amendment or waiver;
- (2) reduce the stated rate of or extend the stated time for payment of interest or Additional Amounts on any Note;
- (3) reduce the principal of or extend the Stated Maturity of any Note;
- (4) whether through an amendment or waiver of provisions in the covenants, definitions or otherwise (i) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed under Section 3.07 (other than the notice provisions) or (ii) reduce the premium payable upon repurchase of any Note or change the time at which any Note is to be

repurchased pursuant to Section 3.11, Section 4.10 or Section 4.14, at any time after the obligation to repurchase has arisen;

(5) make any Note payable in money other than that stated in the Note (except to the extent the currency stated in the Note has been succeeded or replaced pursuant to applicable Law);

(6) impair the right of any Holder to receive payment of, premium, if any, principal of or interest or Additional Amounts, if any, on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes; or

(7) make any change to this Section 9.02.

In addition, without the consent of at least 75% in aggregate principal amount of Notes then outstanding, no amendment or supplement may:

(A) release any Guarantor from any of its obligations under its Note Guarantee or modify any Note Guarantee, except, in each case, in accordance with the terms of this Indenture and the Intercreditor Agreement; or

(C) modify any Note Security Document or the provisions in this Indenture dealing with the Note Security Documents or application of trust moneys in any manner, taken as a whole, materially adverse to the Holders or otherwise release all or substantially all of the Note Collateral other than pursuant to the terms of the Note Security Documents, the Intercreditor Agreement or any Additional Intercreditor Agreement, as applicable, or as otherwise permitted by this Indenture.

Section 19.03 *[Reserved]*

Section 19.04 *Revocation and Effect of Consents*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 19.05 *Notation on or Exchange of Notes*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Fold-In Issuer in exchange for all Notes may issue and the Authenticating Agent shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 19.06 *Trustee/Security Agent to Sign Amendments, etc.*

The Trustee and/or the Security Agent, as applicable, will sign any amended or supplemental Indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Fold-In Issuer may not sign an amended or supplemental Indenture until the Board of Directors of the Fold-In Issuer approves it. In executing any amended or supplemental Indenture, the Trustee will be entitled to receive and (subject to Section 7.01) will be fully protected in relying upon, in addition to the documents required by Section 14.03, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental Indenture or other document is authorized or permitted by or not in breach of this Indenture and that such amendment is the legal, valid and binding obligation of the Fold-In Issuer enforceable against it in accordance with its terms, subject to customary exceptions, and complies with the provisions of this Indenture.

(d) Each Additional Parent Guarantor shall, jointly and severally, with the other Parent Guarantors, irrevocably guarantee (each guarantee, an "*Additional Parent Guarantee*", together with each other Additional Parent Guarantee, the "*Parent Guarantees*"), as primary obligor and not merely as surety, on a senior basis the full and punctual payment when due, whether at Stated Maturity, by acceleration or otherwise, of all payment obligations of the Fold-In Issuer under the Indenture and the Notes, whether for payment of principal of or interest on or in respect of the Notes, fees, expenses, indemnification or otherwise. The obligations of any Additional Parent Guarantor are contractually limited under its Additional Parent Guarantee to prevent the relevant Additional Parent Guarantee from constituting a fraudulent conveyance under applicable Law, or otherwise to reflect limitations under applicable Law.

The obligations of any Additional Subsidiary Guarantor will be contractually limited under its Additional Subsidiary Guarantee to prevent the relevant Additional Subsidiary Guarantee from constituting a fraudulent conveyance under applicable Law, or otherwise to reflect limitations under applicable Law.

Section 20.02 *Releases.*

(a) The Fold-In Issuer will not cause or permit, directly or indirectly, any Note Guarantee to be released, except that a Note Guarantee will be automatically and unconditionally released:

(1) upon the sale or other disposition of all or substantially all of the Capital Stock of the relevant Guarantor pursuant to an Enforcement Sale as provided for in the Intercreditor Agreement or as otherwise provided for under the Intercreditor Agreement;

(2) in the case of a Subsidiary Guarantee, an Affiliate Issuer Guarantee or an Affiliate Subsidiary Guarantee, upon the sale or other disposition (including through merger or consolidation but other than pursuant to an Enforcement Sale) in compliance with this Indenture of the Capital Stock of the relevant Guarantor (whether directly or through the disposition of a parent thereof), following which such Guarantor is no longer a Restricted Subsidiary or an Affiliate Issuer (other than a sale or other disposition to the Company, the Affiliate Issuer or any Restricted Subsidiary);

(3) in the case of a Parent Guarantee, if such Parent Guarantor ceases to be a Parent of the Fold-In Issuer or the Affiliate Issuer;

(4) in the case of a Guarantor that is prohibited or restricted by applicable Law from guaranteeing the Notes;

(5) upon the Legal Defeasance, Covenant Defeasance or satisfaction and discharge of the Notes and this Indenture as provided in Articles 8 or 12, respectively;

(6) with respect to an Additional Note Guarantee given pursuant to Section 4.15, upon release of the guarantee that gave rise to the requirement to issue such Additional Note Guarantee so long as no Event of Default would arise as a result and no other Indebtedness that would give rise to an obligation to give an Additional Note Guarantee is at that time guaranteed by the relevant Guarantor;

(7) with respect to Subsidiary Guarantors only, upon the release or discharge of such Subsidiary Guarantor from its guarantee of Indebtedness of the Company, the Affiliate Issuer and the Subsidiary Guarantors under the LCPR Credit Agreement or any other Pari Passu Lien Obligation (including by reason of the termination of the agreement, document or instrument governing the LCPR Credit Agreement or any other Pari Passu Lien Obligation) and/or the guarantee that resulted in the obligation of such Subsidiary Guarantor to guarantee the Notes, if such Subsidiary Guarantor would not then otherwise be required to guarantee the Notes pursuant to this Indenture (and treating any guarantees of such Subsidiary Guarantor that remain outstanding as Incurred at least 30 days prior to such release or discharge), except a discharge or release by or as a result of payment under such guarantee;

(8) with respect to any Additional Parent Guarantors only, upon the release or discharge of such Additional Parent Guarantor from its guarantee of any Indebtedness of the Company, the Affiliate Issuer and the Subsidiary Guarantors under the LCPR Credit Agreement or any other Pari Passu Lien Obligation (including by reason of the termination of the agreement, document or instrument governing the LCPR Credit Agreement or any other Pari Passu Lien Obligation) and/or if such Additional Parent Guarantor would not then otherwise be required to guarantee the Notes pursuant to this Indenture, except a discharge or release by or as a result of payment under such guarantee;

(9) in the case of a Subsidiary Guarantee, if the relevant Guarantor is designated as an Unrestricted Subsidiary in compliance with Section 4.07;

(10) as a result of a transaction permitted by, and in compliance with, Section 5.01;

(11) if such Guarantor is an Affiliate Subsidiary and such Affiliate Subsidiary (i) becomes a Subsidiary of the Company or the Affiliate Issuer, (ii) is merged into or with the Company, the Affiliate Issuer or another Restricted Subsidiary that is not a Guarantor or (iii) is released pursuant to an Affiliate Subsidiary Release;

(12) as described under Article 9;

(13) upon the full and final payment and performance of all obligations of the Fold-In Issuer under this Indenture and the Notes; or

(14) as a result of, and in connection with, any Solvent Liquidation.

(b) Notwithstanding any of the foregoing, in all circumstances a Note Guarantee shall only be released if the relevant Guarantor or the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in the Indenture relating to such transaction have been complied with.

(c) The Trustee shall take all necessary actions, including the granting of releases or waivers under the Intercreditor Agreement, to effectuate any release in accordance with these provisions, subject to customary protections and indemnifications to the reasonable satisfaction of the Trustee.

Section 20.03 *Affiliate Issuer and Affiliate Subsidiaries*

The Company may from time to time designate an Affiliate as an Affiliate Issuer (each an “*Affiliate Issuer*”, together with the Initial Guarantors, the Parent Guarantors, the Subsidiary Guarantors and the Affiliate Subsidiaries, the “*Guarantors*”) by causing it to execute and deliver a supplemental indenture to the Indenture whereby the Affiliate Issuer will provide a Note Guarantee (an “*Affiliate Issuer Guarantee*”) and accede as an Affiliate Issuer (the “*Affiliate Issuer Accession*”); *provided that*, prior to or immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing. In this Indenture, references to the Affiliate Issuer include all Affiliate Issuers so designated from time to time. Any Affiliate Issuer Guarantee shall be issued on substantially the same terms as any Additional Parent Guarantee.

The Company may designate an Affiliate as an Affiliate Subsidiary by causing it to execute and deliver to the Trustee a supplemental indenture to the Indenture (the “*Affiliate Subsidiary Accession*”) whereby the Affiliate Subsidiary will provide a Note Guarantee (the “*Affiliate Subsidiary Guarantee*”, together with each Initial Guarantee, each Parent Guarantee, each Subsidiary Guarantee, each Affiliate Issuer Guarantee, a “*Note Guarantee*”); *provided that*, prior to or immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing. In this Indenture, references to the Affiliate Subsidiary include all Affiliate Subsidiaries so designated from time to time. Any Affiliate Subsidiary Guarantee shall be issued on substantially the same terms as any Additional Subsidiary Guarantee. The Company may designate that any Affiliate Subsidiary is no longer an Affiliate Subsidiary (“*Affiliate Subsidiary Release*”); *provided that* immediately after giving effect to such Affiliate Subsidiary Release, no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof and either (A) the Company, the Affiliate Issuer and the Restricted Subsidiaries could incur at least \$1.00 of additional Indebtedness pursuant to clause (2) of Section 4.09(a) or (B) the Consolidated Senior Secured Net Leverage Ratio would be no greater than it was immediately prior to giving effect to such designation, in each case, on a pro forma basis taking into account such Affiliate Subsidiary Release.

Section 20.04 *Limitation on Guarantor Liability*

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar national, federal, local or state law to the extent applicable to the Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and each Guarantor hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor, if any, in respect of the obligations of such other Guarantor, if any, under this Article 10, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance.

ARTICLE 21.

Section 21.01 *Note Security Documents*

The due and punctual payment of the principal of and premium, interest and Additional Amounts, if any, on the Notes when and as the same shall be due and payable, whether on an Interest Payment Date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of and interest and Additional Amounts (to the extent permitted by Law), if any, on the Notes, and performance of all other monetary obligations of the Fold-In Issuer and the Guarantor to the Holders or the Trustee under this Indenture or the Notes, according to the terms hereunder or thereunder, are secured as provided in the Note Security Documents. Each Holder of Notes, by its acceptance thereof, consents and agrees to the terms of the Note Security Documents, as the same may be in effect or may be amended from time to time in accordance with their terms, and authorizes and directs the Trustee and the Security Agent to enter into the Note Security Documents and to perform their respective obligations and exercise their respective rights thereunder in accordance therewith. The Fold-In Issuer will deliver to the Trustee copies of all documents delivered to the Security Agent pursuant to the Note Security Documents. The Fold-In Issuer will take, upon request of the Trustee or the Security Agent, any and all actions reasonably required to cause the Note Security Documents to create and maintain, as security for the Obligations of the Fold-In Issuer hereunder, a valid and enforceable perfected Lien in and on the relevant Note Collateral in favor of the Security Agent.

Section 21.02 *Release of the Note Collateral*

The Note Collateral will be automatically and unconditionally released and discharged:

(1) in the event of a sale or disposition (including through merger or consolidation but other than pursuant to an Enforcement Sale) of assets included in the Note Collateral to a Person that is not (either before or after giving effect to such transaction) the Company, the Affiliate Issuer or any Restricted Subsidiary, provided that such sale or disposition is in compliance with this Indenture, including the provisions described under Section 4.10, or in connection with any other release of a Note Guarantee permitted under this Indenture;

(2) if the Note Collateral is the Capital Stock of, or an asset of, a Guarantor or any of its Subsidiaries, in connection with any sale or disposition of Capital Stock of that Guarantor or Subsidiary to a Person that is not (either before or after giving effect to such transaction) the Company, the Affiliate Issuer or any Restricted Subsidiary, provided that such sale or disposition is in compliance with this Indenture, including the provisions of Section 4.10, or if the applicable Subsidiary of which such Capital Stock or assets are pledged is designated as an Unrestricted Subsidiary in compliance with Section 4.07;

(4) if the Note Collateral is owned by a Guarantor that is released from its Note Guarantee in accordance with the terms of this Indenture;

(5) upon the sale or other disposition of any Note Collateral pursuant to an Enforcement Sale;

(6) as described in Article 9;

(7) in connection with any merger or other transaction permitted by, and in compliance with, Section 5.01; provided that any other Lien on such property or assets that secures any other Indebtedness (other than (a) any Indebtedness permitted to be incurred pursuant to clause (15) of Section 4.09(b) and (b) any Refinancing Indebtedness in respect of Indebtedness referred to in the foregoing clause (a)) of the Company, the Affiliate Issuer or any Restricted Subsidiaries is simultaneously released;

(8) with the consent of holders of at least seventy-five percent (75%) in aggregate principal amount of the Notes (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes);

(9) if such Note Collateral is Capital Stock of, or an asset of, the Company, the Affiliate Issuer or any Restricted Subsidiary (other than the Capital Stock of the Company and the Fold-In Issuer); provided that any other Lien on such Note Collateral that secures the LCPR Credit Facility or any Pari Passu Lien Obligation, is simultaneously released;

(10) with respect to any Note Collateral that is transferred to a Receivables Entity pursuant to a Qualified Receivables Transaction, and with respect to any Securitization Obligation that is transferred, in one or more transactions, to a Receivables Entity;

(11) upon the full and final payment and performance of all obligations of the Fold-In Issuer and the Guarantors under this Indenture and the Notes; and

(12) as a result of, and in connection with, any Solvent Liquidation.

In addition, the Liens created by the Note Security Documents will be released in accordance with the Note Security Documents and the Intercreditor Agreement (including any Additional Intercreditor Agreement). The security interests will also be released upon the defeasance or discharge of the Notes as provided in Article 8, in each case, in accordance with the terms and conditions of this Indenture.

ARTICLE 22.

SATISFACTION AND DISCHARGE

Section 22.01 *Satisfaction and Discharge*

(a) This Indenture, the Note Security Documents, and, subject to Section 7.07, the rights, duties and obligations of the Trustee, the Security Agent and the Holders under the Intercreditor Agreement or any Additional Intercreditor Agreement will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(1) either:

(A) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Fold-

In Issuer, have been delivered to a Paying Agent or Registrar for cancellation; or

(B) (i) all Notes that have not been delivered to a Paying Agent or Registrar for cancellation (a) have become due and payable by reason of the mailing or delivery of a notice of redemption or otherwise or (b) will become due and payable within one year and (ii) the Fold-In Issuer or a Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash, Cash Equivalents, U.S. Government Obligations or a combination thereof, in each case, denominated in U.S. dollars, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to a Paying Agent or Registrar for cancellation for principal, premium and Additional Amounts (if any) and accrued interest to the date of maturity or redemption;

(2) the Fold-In Issuer or the Guarantor(s) has paid or caused to be paid all other amounts payable by it under this Indenture; and

(3) the Fold-In Issuer or the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the Redemption Date, as the case may be.

(b) In addition, the Company must deliver to the Trustee and the Security Agent an Officer's Certificate and an Opinion of Counsel, in each case stating that all conditions precedent to satisfaction and discharge have been satisfied.

(c) In addition, if:

(1) part of the Notes (the "*Called Notes*") have become irrevocably due and payable by reason of the mailing or delivery of an unconditional notice of redemption or otherwise;

(2) the Fold-In Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, with respect to the Called Notes, cash, Cash Equivalents, US Government Obligations or a combination thereof, in each case, denominated in dollars, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Called Notes for principal, premium and Additional Amounts (if any) and accrued interest to the Redemption Date; and

(3) the Company or the Affiliate Issuer has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Called Notes on the Redemption Date,

then the Called Notes will not constitute Indebtedness under this Indenture, In addition, the Company must deliver to the Trustee and the Security Agent an Officer's Certificate and an Opinion of Counsel, in each case, stating that all conditions precedent to such Notes not constituting Indebtedness have been satisfied.

(d) Notwithstanding the satisfaction and discharge of this Indenture if money has been deposited with the Trustee pursuant to Section 12.01(a)(1)(B), the provisions of Section

8.06 will survive. In addition, nothing in this Section 12.01 will be deemed to discharge those provisions of Section 7.07, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 22.02 *Application of Trust Money*

Subject to the provisions of Section 8.06, all money deposited with the Trustee pursuant to Section 12.01 shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including any Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by Law.

If the Trustee or Paying Agent is unable to apply U.S. dollars or U.S. dollar-denominated non-callable U.S. Government Obligations in accordance with Section 12.01 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Fold-In Issuer's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 12.01; *provided* that if the Fold-In Issuer has made any payment of principal of, premium, if any, or interest on, any Notes because of the reinstatement of its obligations, the Fold-In Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from U.S. dollars or U.S. dollar-denominated non-callable U.S. Government Obligations held by the Trustee or Paying Agent.

(b) *The Revolving Credit Borrowings.*

Subject to the terms and conditions set forth herein, each Revolving Credit Lender with any Revolving Credit Commitment severally agrees to make Revolving Credit Loans denominated in one or more Available Currencies pursuant to Section 2.02 from its applicable Lending Office to the applicable Borrowers, from time to time, on any Business Day during the applicable Revolving Credit Availability Period, in an aggregate amount, calculated by the Administrative Agent, not to exceed at any time outstanding the amount of

such Revolving Credit Lender's applicable Revolving Credit Commitment; *provided* that after giving effect to any Revolving Credit Borrowing, the aggregate Outstanding Amount of the Revolving Credit Loans of any Revolving Credit Lender, plus such Revolving Credit Lender's Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of all L/C Obligations in respect of Letters of Credit, plus the Outstanding Amount of all L/C Obligations of such Revolving Credit Lender under Alternative Letters of Credit issued by such Revolving Credit Lender, plus such Revolving Credit Lender's Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of all Swing Line Loans, in each case with respect to such Revolving Credit Commitment, shall not exceed such Revolving Credit Lender's Revolving Credit Commitment. Within the limits of each Revolving Credit Lender's applicable Revolving Credit Commitment, and subject to the other terms and conditions hereof, the Borrowers may borrow under this Section 2.01(b), prepay under Section 2.05, and reborrow under this Section 2.01(b). Revolving Credit Loans may be Base Rate Loans, Eurocurrency Rate Loans or SOFR Loans, as further provided herein. The borrowing and repayment (except for (i) payments of interest and fees at different rates on the 2021 Extended Class B Revolving Credit Commitments, 2024 Extended Class B Revolving Credit Commitments and 2025 Extended Class B Revolving Credit Commitments (and related outstandings), (ii) repayments required upon the Maturity Date of the 2021 Extended Class B Revolving Credit Commitments, the Maturity Date of the 2024 Extended Class B Revolving Credit Commitments or the Maturity Date of the 2025 Extended Class B Revolving Credit Commitments and (iii) repayments made in connection with a permanent repayment and termination of commitments (in accordance with Section 2.06)) of 2021 Extended Class B Revolving Credit Loans, 2024 Extended Class B Revolving Credit Loans and 2025 Extended Class B Revolving Credit Loans after the 2025 Extension Refinancing Effective Date shall be made on a *pro rata* basis with the 2021 Extended Class B Revolving Credit Loans, the 2024 Extended Class B Revolving Credit Commitments and the 2025 Extended Class B Revolving Credit Commitments, as applicable.

Section 2.02. Borrowings, Conversions and Continuations of Loans.

(a) Each Term Borrowing, each Revolving Credit Borrowing, each Additional Facility Borrowing, each conversion of Term Loans or Revolving Credit Loans from one Type to another, and each continuation of Eurocurrency Rate Loans and SOFR Loans shall be made upon the irrevocable notice of the relevant Borrower, to the Administrative Agent (provided that, subject to the payment when due of any amounts owing as a result thereof pursuant to Section 3.10, the notice in connection with any acquisition or Investment permitted under this Agreement or other transaction permitted under this Agreement, may be conditioned on the closing of such transaction), which may be given by telephone or Committed Loan Notice; *provided* that each telephonic notice by a Borrower pursuant to this Section 2.02(a) must be confirmed promptly by delivery to the Administrative Agent of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of such Borrower. Each such notice must be received by the Administrative Agent not later than (1) 1:00 p.m. two Business Days prior to the requested date of any Borrowing or continuation of Eurocurrency Rate Loans or SOFR Loans or any conversion of Loans from one Type to another, and (2) 1:00 p.m. on the requested date of any Borrowing of Base Rate Loans; *provided* that the notice referred to in Section 2.02(a)(1) may be delivered no later than one Business Day prior to the requested date of the Borrowing in the case of the initial Revolving Credit Borrowing and the initial Term B-5 Borrowing. Except as provided in Sections 2.15 or 2.16, or as otherwise specified in an Additional Facility Joinder Agreement in relation to any Additional Facility, each Borrowing of, conversion to or continuation of Eurocurrency Rate Loans or SOFR Loans shall be in a minimum principal amount of \$1,000,000 or a whole multiple of \$100,000 in excess thereof. Except as provided in Section 2.03(c), 2.04(b), 2.15 or 2.16, or as otherwise specified in an Additional Facility Joinder Agreement in relation to any Additional Facility, each Borrowing of or conversion to Base Rate Loans shall be in a minimum principal amount of \$1,000,000 or a whole multiple of \$100,000 in excess thereof. Each Committed Loan Notice shall specify (i) whether the requesting Borrower is requesting a Term Borrowing, a Revolving Credit Borrowing, a conversion of Term Loans or Revolving Credit Loans from one Type to the other or a continuation of Eurocurrency Rate Loans or SOFR Loans, (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) if applicable, the principal amount of Loans to be borrowed, converted or continued, (iv) the Type of Loans to be borrowed or to which existing Term Loans or Revolving Credit Loans are to be converted, (v) if applicable, the duration of the Interest Period with respect thereto, (vi) the currency in which the Loans to be borrowed, continued or converted are to be denominated and (vii) wire instructions of the account(s) to which funds are to be disbursed (it being understood, for the avoidance of doubt, that the amount to be disbursed to any particular account may be less than the minimum or multiple limitations set forth above so long as the aggregate amount to be disbursed to all such accounts pursuant to such Borrowing meets such minimums and multiples). The currency specified in a

Committed Loan Notice for an Additional Facility must be an Available Currency. If, (A) with respect to any Eurocurrency Rate Loans and SOFR Loans denominated in Dollars, a Borrower fails to specify a Type of Loan in a Committed Loan Notice or fails to give a timely notice requesting a conversion or continuation, then the applicable Term Loans or Revolving Credit Loans shall be made as, or converted to, Base Rate Loans and (B) with respect to any Eurocurrency Rate Loans and SOFR Loans denominated in any Available Currency (other than Dollars), a Borrower fails to specify a Type of Loan in a Committed Loan Notice or fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be made as, or converted to, Eurocurrency Rate Loans or SOFR Loans, as applicable, with an Interest Period of one month. Any such automatic conversion to Base Rate Loans, Eurocurrency Rate Loans or SOFR Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurocurrency Rate Loans or SOFR Loans, as applicable. If a Borrower requests a Borrowing of, conversion to, or continuation of Eurocurrency Rate Loans or SOFR Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month. If no currency is specified, the requested Borrowing shall be in Dollars. For the avoidance of doubt, (x) Base Rate Loans must be denominated in Dollars, (y) Eurocurrency Rate Loans must be denominated in an Available Currency for which the applicable LIBOR is available at such time; *provided* that after the Transition Date, any new Borrowings of Eurocurrency Rate Loans may not be denominated in Dollars and (z) SOFR Loans must be denominated in Dollars.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Pro Rata Share or other applicable share provided for under this Agreement of the applicable Class of Loans, and if no timely notice of a conversion or continuation is provided by a Borrower, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Base Rate Loans or continuation described in Section 2.02(a). In the case of each Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office not later than the later of 12:00 noon on the Business Day specified in the applicable Committed Loan Notice and one hour after written notice of such Borrowing is delivered by the Administrative Agent to such Lender; *provided* that such funds may be made available at such earlier time as may be agreed among the relevant Lenders, the relevant Borrower and the Administrative Agent for the purposes of the relevant transactions. The Administrative Agent shall make all funds so received available to the relevant Borrower in like funds as received by the Administrative Agent either by (i) crediting the account(s) of the relevant Borrower on the books of the Administrative Agent with the amount of such funds or (ii) the wire transfer of such funds, in each case in accordance with instructions provided by the relevant Borrower to (and reasonably acceptable to) the Administrative Agent; *provided* that if there are Swing Line Loans or L/C Borrowings outstanding on the date the Committed Loan Notice with respect to a Borrowing under any Class of Revolving Credit Commitments is given by the relevant Borrower, then the proceeds of such Borrowing shall be applied, first, to the payment in full of any such L/C Borrowing, second, to the payment in full of any such Swing Line Loans, and third, to the relevant Borrower as provided above.

(c) Except as otherwise provided herein, (i) a Eurocurrency Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Rate Loan unless the relevant Borrower pays the amount due, if any, under Section 3.10 in connection therewith and (ii) a SOFR Loan may be continued or converted only on the last day of an Interest Period for such SOFR Loan unless the relevant Borrower pays the amount due, if any, under Section 3.10 in connection therewith. During the occurrence and continuation of an Event of Default, the Administrative Agent or the Required Lenders may require by notice to the Borrowers that no Loans denominated in Dollars may be converted to or continued as Eurocurrency Rate Loans or SOFR Loans and Loans denominated in an Available Currency other than Dollars may only be continued as Eurocurrency Rate Loans with an Interest Period of one month.

(d) The Administrative Agent shall promptly notify the relevant Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurocurrency Rate Loans or SOFR Loans, as applicable, upon determination of such interest rate. The determination of the Eurocurrency Rate and SOFR, as applicable, by the Administrative Agent shall be conclusive in the absence of manifest error. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the relevant Borrower and the Lenders of any change in the Administrative Agent's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Term Borrowings, all Revolving Credit Borrowings, all conversions of Term Loans or Revolving Credit Loans from one Type to another, and all continuations of Term Loans or

Revolving Credit Loans as the same Type, there shall not be more than ten Interest Periods in effect unless otherwise agreed between the relevant Borrower and the Administrative Agent; *provided* that, after the establishment of any new Class of Loans pursuant to an Additional Facility Joinder Agreement, a Refinancing Amendment or Extension Amendment, the number of Interest Periods otherwise permitted by this Section 2.02(e) shall increase by three Interest Periods for each applicable Class so established.

(f) The failure of any Lender to make a Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make a Loan to be made by such other Lender on the date of any Borrowing.

(g) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such Borrowing, the Administrative Agent may assume that such Lender has made such Pro Rata Share or other applicable share provided for under this Agreement available to the Administrative Agent on the date of such Borrowing in accordance with Section 2.02(b), and the Administrative Agent may, in reliance upon such assumption, make available to the relevant Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the relevant Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the relevant Borrower until the date such amount is repaid to the Administrative Agent at (i) in the case of the relevant Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, the Overnight Rate, plus any administrative, processing, or similar fees customarily charged by the Administrative Agent in accordance with the foregoing. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 2.02(g) shall be conclusive in the absence of manifest error. If the relevant Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the relevant Borrower the amount of such interest paid by the relevant Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender's Loan included in such Borrowing. Any payment by the relevant Borrower shall be without prejudice to any claim the relevant Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(h) Upon receipt of a Committed Loan Notice for an Additional Facility, the Administrative Agent shall promptly notify each Additional Facility Lender of the aggregate amount of the Additional Facility Borrowing and of the amount of such Additional Facility Lender's Pro Rata Share thereof, which shall be based on their respective Additional Facility Commitment. Each Additional Facility Lender will make the amount of its Pro Rata Share of the Additional Facility Borrowing available to the Administrative Agent for the account of the relevant Borrower at the New York office of the Administrative Agent specified on Schedule 10.02 prior to the time specified in the relevant Additional Facility Joinder Agreement, in funds immediately available to the Administrative Agent.

(i) No more than one Committed Loan Notice may be made under each Additional Facility unless an Additional Facility Joinder Agreement specifies otherwise, in which case the maximum number of requests for Additional Facility Loans under that Additional Facility will be as set out in that Additional Facility Joinder Agreement.

(j) Unless the Administrative Agent agrees otherwise, or unless otherwise agreed in the Additional Facility Joinder Agreement, no more than five Additional Facility Loans may be outstanding at any one time under each Additional Facility (other than Additional Facilities that are Revolving Credit Loans).

(k) After the Transition Date, (i) no Borrower may request any Borrowing or continuation of, or a conversion into, Eurocurrency Rate Loans denominated in Dollars and (ii) no provision of this Agreement shall be construed so as to permit any automatic conversions into, or continuations of, Eurocurrency Rate Loans denominated in Dollars.

Section 2.03. Letters of Credit and Alternative Letters of Credit.

(a) *The Letter of Credit Commitment.*

(i) Subject to the terms and conditions set forth herein, (A) each L/C Issuer agrees, in reliance upon the agreements of the other Revolving Credit Lenders set forth in this Section 2.03, (1) from time to time on any Business Day during the period from and including the 2020 Amendment Effective Date until the Letter of Credit Expiration Date, to issue Letters of Credit, at sight denominated in an Available Currency for the account of a Loan Party (*provided* that any Letter of Credit may be for the benefit of any Subsidiary of a Loan Party and may be issued for the joint and several account of a Loan Party and/or any of their Subsidiaries, in each case to the extent otherwise permitted by this Agreement) and to amend or renew Letters of Credit previously issued by it, in accordance with Section 2.03(b), and (2) to honor drafts under the Letters of Credit and (B) the Participating Revolving Credit Lenders severally agree to participate in Letters of Credit (but shall not, for the avoidance of doubt, participate in Alternative Letters of Credit) issued pursuant to this Section 2.03; *provided* that no L/C Issuer shall be obligated to make any L/C Credit Extension with respect to any Letter of Credit, and no Lender shall be obligated to participate in any Letter of Credit, if as of the date of such L/C Credit Extension, (x) the Revolving Credit Exposure of any Participating Revolving Credit Lender would exceed such Lender's Participating Revolving Credit Commitment or (y) the Outstanding Amount of the L/C Obligations in respect of Letters of Credit would exceed the applicable Letter of Credit Sublimit. Within the foregoing limits, and subject to the terms and conditions hereof, a Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly a Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed.

(ii) Subject to the terms and conditions set forth herein, with respect to Alternative Letters of Credit, each Alternative L/C Issuer (or an Affiliate of such an Alternative L/C Issuer) may, in its discretion, upon request of a Borrower, (A) from time to time on any Business Day during the period from and including the 2020 Amendment Effective Date until the Letter of Credit Expiration Date, agree to issue Alternative Letters of Credit on a bilateral basis to a Borrower at sight denominated in an Available Currency for the account of a Loan Party (*provided* that any Alternative Letter of Credit may be for the benefit of any Subsidiary of a Loan Party or may be issued for the joint and several account of a Loan Party and/or any of their Subsidiaries, in each case to the extent otherwise permitted by this Agreement) and to amend or renew Alternative Letters of Credit previously issued by it, in accordance with Section 2.03(b), and (B) honor drafts under the Alternative Letters of Credit; *provided* that no Alternative L/C Issuer shall be obligated to make any L/C Credit Extension with respect to any Alternative Letter of Credit if, as of the date of such L/C Credit Extension, the Revolving Credit Exposure of that Alternative L/C Issuer would exceed such Alternative L/C Issuer's Revolving Credit Commitment. Within the foregoing limits, and subject to the terms and conditions hereof, a Borrower's ability to obtain Alternative Letters of Credit shall be fully revolving, and accordingly a Borrower may, during the foregoing period, obtain Alternative Letters of Credit to replace Alternative Letters of Credit that have expired or that have been drawn upon and reimbursed.

(iii) No L/C Issuer or Alternative L/C Issuer shall be under any obligation to issue any Letter of Credit or Alternative Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer or Alternative L/C Issuer from issuing such Letter of Credit or Alternative Letter of Credit, or any Law applicable to such L/C Issuer or Alternative L/C Issuer or any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such L/C Issuer or Alternative L/C Issuer shall prohibit, or direct that such L/C Issuer or Alternative L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit or Alternative Letter of Credit in particular or shall impose upon such L/C Issuer or Alternative L/C Issuer with respect to such Letter of Credit or Alternative Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer or Alternative L/C Issuer is not otherwise compensated hereunder) not in effect on the 2021 Extension Effective Date, or shall impose upon such L/C Issuer or Alternative L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the 2021 Extension Effective Date (for which such L/C Issuer or Alternative L/C Issuer is not otherwise compensated hereunder);

(B) subject to Section 2.03(b)(iii), the expiry date of such requested Letter of Credit or Alternative Letter of Credit would occur more than 12 months after the date of issuance or last renewal, unless (1) each Appropriate Lender has approved of such expiration date or (2) the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit or Alternative Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to such L/C Issuer or Alternative L/C Issuer, as applicable;

(C) the expiry date of such requested Letter of Credit or Alternative Letter of Credit would occur after the Letter of Credit Expiration Date, unless (1) each Appropriate Lender has approved such expiry date or (2) the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit or Alternative Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to such L/C Issuer or Alternative L/C Issuer, as applicable, and the Administrative Agent;

(D) the issuance of such Letter of Credit or Alternative Letter of Credit would violate any policies of the L/C Issuer or Alternative L/C Issuer, as applicable, applicable to letters of credit generally;

(E) with respect to any Letter of Credit, any Participating Revolving Credit Lender is at that time a Defaulting Lender, unless such L/C Issuer has entered into arrangements reasonably satisfactory to it and the relevant Borrower to eliminate such L/C Issuer's actual or potential Fronting Exposure (after giving effect to Section 2.17(a)(iv)) with respect to the participation in Letters of Credit by such Defaulting Lender, including by Cash Collateralizing such Defaulting Lender's Pro Rata Share of the L/C Obligations in respect of such Letter of Credit; or

(F) such Letter of Credit or Alternative Letter of Credit is denominated in a currency other than an Available Currency applicable to the Class of Commitments under which such Letter of Credit or Alternative Letter of Credit is issued.

(iv) No L/C Issuer or Alternative L/C Issuer shall be under any obligation to amend any Letter of Credit or Alternative Letter of Credit if (A) such L/C Issuer or Alternative L/C Issuer would have no obligation at such time to issue such Letter of Credit or Alternative Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit or Alternative Letter of Credit does not accept the proposed amendment to such Letter of Credit or Alternative Letter of Credit. Notwithstanding anything herein to the contrary, the expiry date of any Letter of Credit or Alternative Letter of Credit denominated in a currency other than an Available Currency must be approved by the relevant L/C Issuer or Alternative L/C Issuer in its sole discretion even if it is less than 12 months after the date of issuance or last renewal and any Auto-Extension Letter of Credit denominated in a currency other than an Available Currency shall be issued only at the sole discretion of the relevant L/C Issuer or Alternative L/C Issuer.

(b) *Procedures for Issuance and Amendment of Letters of Credit and Alternative Letters of Credit; Auto-Extension Letters of Credit.*

(i) Each Letter of Credit or Alternative Letter of Credit shall be issued or amended, as the case may be, upon the request of the relevant Borrower, delivered to an L/C Issuer or Alternative L/C Issuer, as applicable (with a copy to the Administrative Agent), in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of the relevant Borrower. Such Letter of Credit Application must be received by the relevant L/C Issuer or Alternative L/C Issuer, as applicable, and the Administrative Agent not later than 12:30 p.m. at least one Business Day prior to the proposed issuance date or date of amendment, as the case may be, or, in each case, such later date and time as the relevant L/C Issuer or Alternative L/C Issuer, as applicable, may agree in a particular instance in its sole discretion. In the case of a request for an initial issuance of a Letter of Credit or Alternative Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer or Alternative L/C Issuer, as applicable: (A) in respect of each Letter of Credit and Alternative Letter of Credit, the relevant Class of Revolving Credit Commitments, (B) the proposed issuance date of the requested Letter of Credit or Alternative Letter of Credit (which shall be a Business Day); (C) the amount thereof; (D) the expiry date thereof; (E) the name and address of the beneficiary thereof; (F) the documents to be presented by such beneficiary in case of any drawing thereunder; (G) the full text of any certificate to be presented by such

beneficiary in case of any drawing thereunder; (H) the Available Currency in which the requested Letter of Credit or Alternative Letter of Credit is to be issued will be denominated; and (I) such other matters as the relevant L/C Issuer or Alternative L/C Issuer, as applicable, may reasonably request. In the case of a request for an amendment of any outstanding Letter of Credit or Alternative Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer or Alternative L/C Issuer, as applicable, (1) the Letter of Credit or Alternative Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the proposed amendment; and (4) such other matters as the relevant L/C Issuer or Alternative L/C Issuer, as applicable, may reasonably request.

(ii) Promptly after receipt of any Letter of Credit Application, the relevant L/C Issuer or Alternative L/C Issuer, as applicable, will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Application from the relevant Borrower, and, if not, such L/C Issuer or Alternative L/C Issuer, as applicable, will provide the Administrative Agent with a copy thereof. Upon receipt by the relevant L/C Issuer or Alternative L/C Issuer, as applicable, of confirmation from the Administrative Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions hereof, such L/C Issuer or, with respect to an Alternative Letter of Credit, such Alternative L/C Issuer, on the requested date, shall issue a Letter of Credit or Alternative Letter of Credit for the account of that Loan Party (and, if applicable, any of its Subsidiaries) or enter into the applicable amendment, as the case may be. With respect to the issuance of any Letter of Credit, (but not, for the avoidance of doubt, any Alternative Letter of Credit), immediately upon such issuance, each Participating Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the relevant L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of (A) such Lender's Pro Rata Share or other applicable share provided for under this Agreement and (B) the stated amount of such Letter of Credit.

(iii) If a Borrower so requests in any Letter of Credit Application, the relevant L/C Issuer shall, and an Alternative L/C Issuer may, agree to issue a Letter of Credit or Alternative Letter of Credit, as applicable, that has automatic extension provisions (each, an **"Auto-Extension Letter of Credit"**); *provided* that any such Auto-Extension Letter of Credit must (or, in the case of any Alternative Letter of Credit, may) permit the relevant L/C Issuer or Alternative L/C Issuer, as applicable, to prevent any such extension at least once in each 12 month period (commencing with the date of issuance of such Letter of Credit or Alternative Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the **"Non-extension Notice Date"**) in each such 12 month period to be agreed upon at the time such Letter of Credit or Alternative Letter of Credit is issued. Unless otherwise directed by the relevant L/C Issuer or Alternative L/C Issuer, as applicable, the relevant Borrower shall not be required to make a specific request to the relevant L/C Issuer or Alternative L/C Issuer, as applicable, for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Appropriate Lenders shall be deemed to have authorized (but may not require) the relevant L/C Issuer or Alternative L/C Issuer, as applicable, to permit the extension of such Letter of Credit or Alternative Letter of Credit at any time to an expiry date that is, unless the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit or Alternative Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the relevant L/C Issuer or Alternative L/C Issuer, as applicable, not later than the Letter of Credit Expiration Date; *provided* that the relevant L/C Issuer or Alternative L/C Issuer, as applicable, shall not permit any such extension if (A) the relevant L/C Issuer or Alternative L/C Issuer, as applicable, has determined that it would have no obligation at such time to issue such Letter of Credit or Alternative Letter of Credit in its extended form under the terms hereof (by reason of the provisions of Section 2.03(a)(ii) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is seven Business Days before the Non-extension Notice Date from the Administrative Agent, any Participating Revolving Credit Lender (with respect to any Letter of Credit only, and not with respect to any Alternative Letter of Credit) or the relevant Borrower that one or more of the applicable conditions specified in Section 4.03 is not then satisfied.

(iv) Promptly after issuance of any Letter of Credit or Alternative Letter of Credit or any amendment to a Letter of Credit or Alternative Letter of Credit, the relevant L/C Issuer or Alternative L/C Issuer, as applicable, will also deliver to the relevant Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or Alternative Letter of Credit or amendment thereof.

(c) *Drawings and Reimbursements; Funding of Participations.*

(i) With respect to any Letter of Credit:

(A) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the relevant L/C Issuer shall notify promptly the relevant Borrower and the Administrative Agent thereof. Not later than 12:00 noon on the second Business Day following any payment by an L/C Issuer under a Letter of Credit with notice to that Borrower (each such date, an “**Honor Date**”), that Borrower shall reimburse such L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing in Dollars (it being understood that in the case of a Letter of Credit denominated in an Available Currency other than Dollars, the amount of such Letter of Credit shall be determined by taking the Dollar Equivalent, calculated by the Administrative Agent, of such Letter of Credit); *provided* that if such reimbursement is not made on the date of drawing, such Borrower shall pay interest to the relevant L/C Issuer on such amount at the rate applicable to Base Rate Loans (in the case of a Letter of Credit denominated in Dollars) or Eurocurrency Rate Loans or SOFR Loans, as applicable, with an Interest Period of one month (in the case of a Letter of Credit denominated in an Available Currency other than Dollars) under the applicable Participating Revolving Credit Commitments (without duplication of interest payable on L/C Borrowings). The L/C Issuer shall notify the applicable Borrower of the Dollar Equivalent amount of the drawing promptly following the determination or revaluation thereof. If that Borrower fails to so reimburse such L/C Issuer by such time, the Administrative Agent shall promptly notify each Appropriate Lender of the Honor Date, the amount of the unreimbursed drawing (expressed in Dollars in the Dollar Equivalent, calculated by the Administrative Agent, thereof in the case of an Available Currency other than Dollars) (the “**Unreimbursed Amount**”), and the amount of such Appropriate Lender’s Pro Rata Share or other applicable share provided for under this Agreement thereof. In such event, (x) in the case of an Unreimbursed Amount denominated in Dollars, such Borrower shall be deemed to have requested a Revolving Credit Borrowing of Base Rate Loans and (y) in the case of an Unreimbursed Amount denominated in an Available Currency (other than Dollars), such Borrower shall be deemed to have requested a Revolving Credit Borrowing of Eurocurrency Rate Loans or SOFR Loans, as applicable, with an Interest Period of one month, in each case, under the Participating Revolving Credit Commitments to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans but subject to the amount of the unutilized portion of the Participating Revolving Credit Commitments of the Appropriate Lenders and the conditions set forth in Section 4.03 (other than the delivery of a Committed Loan Notice). Any notice given by an L/C Issuer or the Administrative Agent pursuant to this Section 2.03(c)(i)(A) may be given by telephone if immediately confirmed in writing; *provided* that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(B) Each Appropriate Lender (including any Lender acting as an L/C Issuer) shall upon any notice pursuant to Section 2.03(c)(i)(A) make funds available to the Administrative Agent for the account of the relevant L/C Issuer in the Available Currency applicable to the Class of Commitments under which such Letter of Credit is issued, at the Administrative Agent’s Office for payments in an amount equal to its Pro Rata Share or other applicable share provided for under this Agreement of the Unreimbursed Amount not later than 1:00 p.m. on the Business Day specified in such notice by the Administrative Agent whereupon, subject to the provisions of Section 2.03(c)(i)(C), each Appropriate Lender that so makes funds available shall be deemed to have made, in the case of an Unreimbursed Amount denominated in Dollars, a Base Rate Loan, and, in the case of an Unreimbursed Amount denominated in an Available Currency (other than Dollars), a Eurocurrency Rate Loan or a SOFR Loan, as applicable, with an Interest Period of one month, under the Participating Revolving Credit Commitments to a Borrower in such amount. The Administrative Agent shall remit the funds so received to the relevant L/C Issuer.

(C) With respect to any Unreimbursed Amount that is not fully refinanced by a Revolving Credit Borrowing because the conditions set forth in Section 4.03 cannot be satisfied or for any other reason, the relevant Borrower shall be deemed to have incurred from the relevant L/C Issuer an L/C Borrowing in the Dollar Equivalent of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate. In such event, each Appropriate Lender’s payment to the Administrative Agent for the account of the relevant L/C Issuer pursuant to Section 2.03(c)(i)(B) shall be deemed

payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(D) Until each Appropriate Lender funds its Revolving Credit Loan or L/C Advance pursuant to this Section 2.03(c)(i) to reimburse the relevant L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such amount shall be solely for the account of the relevant L/C Issuer.

(E) Each Participating Revolving Credit Lender's obligation to make Revolving Credit Loans or L/C Advances to reimburse an L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c)(i), shall be absolute and unconditional and shall not be affected by any circumstance, including: (1) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the relevant L/C Issuer, any Borrower or any other Person for any reason whatsoever; (2) the occurrence or continuance of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in Article IV; (3) any adverse change in the condition (financial or otherwise) of the Loan Parties; (4) any breach of this Agreement or any other Loan Document by any Borrower, any other Loan Party or any other L/C Issuer; or (5) any other circumstance, occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Participating Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.03(c)(i) is subject to the conditions set forth in Section 4.03 (other than delivery by the relevant Borrower of a Committed Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the relevant Borrower to reimburse the relevant L/C Issuer for the amount of any payment made by such L/C Issuer under any Letter of Credit, together with interest as provided herein.

(F) If any Participating Revolving Credit Lender fails to make available to the Administrative Agent for the account of the relevant L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(c)(i) by the time specified in Section 2.03(c)(i)(B), such L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at a rate per annum equal to the applicable Overnight Rate from time to time in effect. A certificate of the relevant L/C Issuer submitted to any Participating Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(c)(i)(F) shall be conclusive absent manifest error.

(ii) With respect to any Alternative Letter of Credit:

(A) Upon receipt from the beneficiary of any Alternative Letter of Credit of any notice of a drawing under such Alternative Letter of Credit, the relevant Alternative L/C Issuer shall notify promptly the relevant Borrower and the Administrative Agent thereof. Not later than 12:00 noon on the second Business Day following any payment by an Alternative L/C Issuer under an Alternative Letter of Credit with notice to that Borrower, that Borrower shall reimburse such Alternative L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing in Dollars (it being understood that in the case of an Alternative Letter of Credit denominated in an Available Currency other than Dollars, the amount of such Alternative Letter of Credit shall be determined by taking the Dollar Equivalent, calculated by the Administrative Agent, of such Alternative Letter of Credit); *provided* that if such reimbursement is not made on the date of drawing, such Borrower shall pay interest to the relevant Alternative L/C Issuer on such amount at the rate applicable to Base Rate Loans (in the case of a Letter of Credit denominated in Dollars), Eurocurrency Rate Loans or SOFR Loans, as applicable, with an Interest Period of one month (in the case of a Letter of Credit denominated in an Available Currency other than Dollars) under the applicable Revolving Credit Commitments (without duplication of interest payable on Alternative L/C Borrowings). The Alternative L/C Issuer shall notify the applicable Borrower of the Dollar Equivalent amount of the drawing promptly following the determination or revaluation thereof (such amount, the "**Drawn Amount**"). Any notice given by an Alternative L/C Issuer or the Administrative Agent pursuant to this Section 2.03(c)(ii)(A) may be given by telephone if immediately confirmed in writing; *provided* that

the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(B) A Borrower may elect to fund all or part of any Drawn Amount by way of a Revolving Credit Borrowing. For the purposes of any such Revolving Credit Borrowing, (1) such Borrower shall, at the same time as it delivers a Request for Credit Extension in respect thereof, notify the Administrative Agent that the Revolving Credit Borrowing is for the purpose of funding the applicable Borrower's reimbursement obligations in respect of such Drawn Amount, and (2) for purposes of calculating the Pro Rata Share of the Revolving Credit Lender that has issued the Alternative Letter of Credit under which such Drawn Amount is payable, the participation of such Revolving Credit Lender in such Alternative Letter of Credit shall not be deducted from such Revolving Credit Lender's Revolving Credit Commitment under such Facility and such Revolving Credit Lender's Pro Rata Share of such Revolving Credit Borrowing under such Facility shall be treated as if applied in or towards repayment of the Drawn Amount so that such Revolving Credit Lender will not be required to make a cash payment under Section 2.12 in respect of its participation in the relevant Revolving Credit Borrowing under such Facility to the extent such Revolving Credit Borrowing is in an amount not exceeding such Drawn Amount.

(d) *Repayment of Participations in respect of Letters of Credit.*

(i) If, at any time after an L/C Issuer has made a payment under any Letter of Credit and has received from any Participating Revolving Credit Lender such Lender's L/C Advance in respect of such payment in accordance with Section 2.03(c)(i), the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the relevant Borrower or any other Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Pro Rata Share or other applicable share provided for under this Agreement thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the Dollar Equivalent received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of an L/C Issuer pursuant to Section 2.03(c)(i)(A) is required to be returned under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by such L/C Issuer in its discretion), each Appropriate Lender shall pay to the Administrative Agent for the account of such L/C Issuer its Pro Rata Share or other applicable share provided for under this Agreement thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the applicable Overnight Rate from time to time in effect.

(e) *Obligations Absolute.* The obligation of any Borrower to reimburse the relevant L/C Issuer or Alternative L/C Issuer, as applicable, for each drawing under each Letter of Credit or Alternative Letter of Credit issued by it and to repay each L/C Borrowing or Alternative L/C Borrowing, as applicable, shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit or Alternative Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that any Loan Party may have at any time against any beneficiary or any transferee of such Letter of Credit or Alternative Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the relevant L/C Issuer or Alternative L/C Issuer, as applicable, or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or Alternative Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit or Alternative Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect, or any loss or delay in the transmission or

otherwise of any document required in order to make a drawing under such Letter of Credit or Alternative Letter of Credit;

(iv) any payment by the relevant L/C Issuer or Alternative L/C Issuer, as applicable, under such Letter of Credit or Alternative Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit or Alternative Letter of Credit, or any payment made by the relevant L/C Issuer or Alternative L/C Issuer, as applicable, under such Letter of Credit or Alternative Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit or Alternative Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(v) any exchange, release or non-perfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guarantee, for all or any of the Obligations of any Loan Party in respect of such Letter of Credit or Alternative Letter of Credit; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Loan Party;

provided that the foregoing shall not excuse any L/C Issuer or Alternative L/C Issuer from liability to each Borrower to the extent of any direct damages (as opposed to consequential, punitive, special or exemplary damages, claims in respect of which are waived by each Borrower to the extent permitted by applicable Law) suffered by each Borrower that are caused by such L/C Issuer's or Alternative L/C Issuer's gross negligence, bad faith or willful misconduct as determined in a final and non-appealable judgment by a court of competent jurisdiction when determining whether drafts and other documents presented under a Letter of Credit or Alternative Letter of Credit comply with the terms thereof.

(f) *Role of L/C Issuers and Alternative L/C Issuers.* Each Lender and each Borrower agrees that, in paying any drawing under a Letter of Credit or Alternative Letter of Credit, the relevant L/C Issuer or Alternative L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit or Alternative Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the L/C Issuers or Alternative L/C Issuers, as applicable, any Agent-Related Person nor any of the respective correspondents, participants or assignees of any L/C Issuer or Alternative L/C Issuer, as applicable, shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Lenders or the Lenders holding a majority of the Participating Revolving Credit Commitments, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct as determined in a final and non-appealable judgment by a court of competent jurisdiction; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit, Alternative Letter of Credit or Letter of Credit Application. Each Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit or Alternative Letter of Credit; *provided* that this assumption is not intended to, and shall not, preclude a Borrower from pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuers or Alternative L/C Issuers, as applicable, any Agent-Related Person, nor any of the respective correspondents, participants or assignees of any L/C Issuer or Alternative L/C Issuer, as applicable, shall be liable or responsible for any of the matters described in clauses (i) through (vi) of Section 2.03(e); *provided* that anything in such clauses to the contrary notwithstanding, a Borrower may have a claim against an L/C Issuer or Alternative L/C Issuer, as applicable, and such L/C Issuer or Alternative L/C Issuer, as applicable, may be liable to that Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential, punitive or exemplary, damages suffered by that Borrower which that Borrower proves were caused by such L/C Issuer's or Alternative L/C Issuer's willful misconduct, bad faith or gross negligence or such L/C Issuer's or Alternative L/C Issuer's willful, bad faith or grossly negligent failure to pay under any Letter of Credit or Alternative Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit or Alternative Letter of Credit, in each case as determined in a final and non-appealable judgment by a court of competent jurisdiction. In furtherance and not in limitation of the foregoing, each L/C Issuer and Alternative L/C Issuer may accept documents that appear on their face to be in order, without responsibility for

further investigation, regardless of any notice or information to the contrary, and no L/C Issuer or Alternative L/C Issuer shall be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or Alternative Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(g) *Cash Collateral.* (i) If, as of any Letter of Credit Expiration Date, any applicable Letter of Credit or Alternative Letter of Credit for any reason remains outstanding and partially or wholly undrawn, (ii) if, with respect to any Letter of Credit (but not with respect to any Alternative Letter of Credit) any Event of Default occurs and is continuing and the Administrative Agent or the Lenders holding a majority of the Participating Revolving Credit Commitments, as applicable, require the relevant Borrower or any other Borrower to Cash Collateralize the applicable L/C Obligations pursuant to Section 8.02, (iii) if, with respect to any Alternative Letter of Credit, any Event of Default occurs and is continuing and the relevant Alternative L/C Issuer requires the relevant Borrower or any other Borrower to Cash Collateralize the applicable L/C Obligations pursuant to Section 8.02, or (iv) if an Event of Default set forth under Section 8.01(f) occurs and is continuing, the applicable Borrower shall Cash Collateralize the then Outstanding Amount of all of its (or, in the case of clause (i), the applicable) L/C Obligations (in an amount equal to such Outstanding Amount determined as of the date of such Event of Default or the applicable Letter of Credit Expiration Date, as the case may be), and shall do so not later than 2:00 p.m. on (1) in the case of the immediately preceding clause (i) or (ii), (x) the Business Day that a Borrower receives notice thereof, if such notice is received on such day prior to 12:00 noon or (y) if clause (x) above does not apply, the Business Day immediately following the day that a Borrower receives such notice and (2) in the case of the immediately preceding clause (iv), the Business Day on which an Event of Default set forth under Section 8.01(f) occurs or, if such day is not a Business Day, the Business Day immediately succeeding such day. At any time that there shall exist a Defaulting Lender, immediately upon the request of the Administrative Agent, an L/C Issuer or a Swing Line Lender, the applicable Borrower shall deliver to the Administrative Agent Cash Collateral in an amount sufficient to cover all Fronting Exposure (after giving effect to Section 2.17(a)(iv) and any Cash Collateral provided by the Defaulting Lender). For purposes hereof, “**Cash Collateralize**” means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the relevant L/C Issuer or Alternative L/C Issuer, as applicable, and (with respect to any Letter of Credit) the Participating Revolving Credit Lenders, as collateral for the relevant L/C Obligations, cash or deposit account balances or, if the Administrative Agent and each applicable L/C Issuer or Alternative L/C Issuer, as applicable, shall agree, in their sole discretion, other credit support, in each case (“**Cash Collateral**”) pursuant to documentation in form, amount and substance reasonably satisfactory to the Administrative Agent and the relevant L/C Issuer or Alternative L/C Issuer, as applicable (which documents are hereby consented to by the Appropriate Lenders). Each Borrower hereby grants to the Administrative Agent, for the benefit of the L/C Issuers and the Alternative L/C Issuers and (with respect to any Letter of Credit) the Participating Revolving Credit Lenders, a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing. Cash Collateral shall be maintained in blocked accounts at the Administrative Agent or as otherwise permitted under any Intercreditor Agreement, and may be invested in readily available Cash Equivalents. If at any time the Administrative Agent determines that any funds held as Cash Collateral are expressly subject to any right or claim of any Person other than the Administrative Agent (on behalf of the Secured Parties) or that the total amount of such funds is less than the aggregate Outstanding Amount of all relevant L/C Obligations, a Borrower will, forthwith upon demand by the Administrative Agent, pay to the Administrative Agent, as additional funds to be deposited and held in the deposit accounts at the Administrative Agent as aforesaid, an amount equal to the excess of (a) such aggregate Outstanding Amount over (b) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent reasonably determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit or Alternative Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under applicable Law, to reimburse the relevant L/C Issuer or Alternative L/C Issuer, as applicable. To the extent the amount of any Cash Collateral exceeds the then Outstanding Amount of such L/C Obligations and so long as no Event of Default has occurred and is continuing, the excess shall be refunded to the relevant Borrower. To the extent any Event of Default giving rise to the requirement to Cash Collateralize any Letter of Credit or Alternative Letter of Credit pursuant to this Section 2.03(g) is cured or otherwise waived, then so long as no other Event of Default has occurred and is continuing, all Cash Collateral pledged to Cash Collateralize such Letter of Credit or Alternative Letter of Credit shall be refunded to the relevant Borrower. If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent as herein provided, or that the total amount of such Cash Collateral is less than the applicable Fronting Exposure and/or other obligations secured thereby, the applicable Borrower or the relevant Defaulting Lender will, promptly upon demand by the Administrative Agent, pay or provide to the

Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency. In addition, the Administrative Agent may request at any time and from time to time after the initial deposit of Cash Collateral that additional Cash Collateral be provided by the applicable Borrower in order to protect against the results of exchange rate fluctuations with respect to Letters of Credit or Alternative Letters of Credit denominated in currencies other than Dollars.

(h) *Letter of Credit and Alternative Letter of Credit Fees.*

(i) With respect to any Letter of Credit, the applicable Borrower shall pay to the Administrative Agent for the account of each Participating Revolving Credit Lender in accordance with its Pro Rata Share or other applicable share provided for under this Agreement a Letter of Credit fee for each Letter of Credit issued pursuant to this Agreement equal to the Applicable Rate times the daily stated maximum amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases periodically pursuant to the terms of such Letter of Credit); *provided* that any Letter of Credit fees otherwise payable for the account of a Defaulting Lender with respect to any Letter of Credit as to which such Defaulting Lender has not provided Cash Collateral satisfactory to the relevant L/C Issuer pursuant to this Section 2.03 shall be payable, to the maximum extent permitted by applicable Law, to the other Lenders in accordance with the upward adjustments in their respective Pro Rata Shares allocable to such Letter of Credit pursuant to Section 2.17(a)(iv), with the balance of such fee, if any, payable to the relevant L/C Issuer for its own account. Such Letter of Credit fees shall be computed on a quarterly basis in arrears. Such Letter of Credit fees shall be due and payable in the Available Currency in which the applicable Letter of Credit is denominated on the last Business Day of each of March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the applicable Letter of Credit Expiration Date and thereafter on demand. If there is any change in the Applicable Rate during any quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(ii) With respect to any Alternative Letter of Credit, the applicable Borrower shall pay directly to the applicable Alternative L/C Issuer such fees as are agreed between the Company and such Alternative L/C Issuer.

(i) *Fronting Fee and Documentary and Processing Charges Payable to L/C Issuers.* With respect to any Letter of Credit, the applicable Borrower shall pay directly to each L/C Issuer for its own account a fronting fee with respect to such Letter of Credit issued by it equal to 0.125% per annum of the stated maximum Dollar Equivalent amount available to be drawn under such Letter of Credit (whether or not such amount is then in effect under such Letter of Credit if such maximum amount increases periodically pursuant to the terms of such Letter of Credit) or such other fee as agreed between the Company and the L/C Issuer. Such fronting fees shall be computed on a quarterly basis in arrears. Such fronting fees shall be due and payable in Dollars on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. In addition, the applicable Borrower shall pay directly to each L/C Issuer for its own account with respect to each Letter of Credit the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges shall be due and payable within ten Business Days of demand and are nonrefundable.

(j) *Conflict with Letter of Credit Application.* Notwithstanding anything else to the contrary in this Agreement or any Letter of Credit Application, in the event of any conflict between the terms hereof and the terms of any Letter of Credit Application, the terms hereof shall control.

(k) *Addition of an L/C Issuer or Alternative L/C Issuer.* A Revolving Credit Lender reasonably acceptable to the Company and the Administrative Agent may become an additional L/C Issuer or Alternative L/C Issuer hereunder pursuant to a written agreement among the Company, the Administrative Agent and such Revolving Credit Lender (which agreement shall include the Letter of Credit Sublimit for any such L/C Issuer). The Administrative Agent shall notify the Participating Revolving Credit Lenders of any such additional L/C Issuer or Alternative L/C Issuer.

(l) [Reserved.]

(m) *Provisions Related to Extended Revolving Credit Commitments.* If the Maturity Date in respect of any Participating Revolving Credit Commitments occurs prior to the expiry date of any Letter of Credit, then (i) if one or more other Participating Revolving Credit Commitments are then in effect (or will automatically be in effect upon such maturity), such Letter of Credit shall automatically be deemed to have been issued (including for purposes of the obligations of the Participating Revolving Credit Lenders to purchase participations therein and to make Revolving Credit Loans and payments in respect thereof pursuant to Sections 2.03(c) and (d)) under (and ratably participated in by Participating Revolving Credit Lenders pursuant to) the non-terminating Participating Revolving Credit Commitments up to an aggregate amount not to exceed the aggregate principal amount of the unutilized Participating Revolving Credit Commitments continuing at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and (ii) to the extent not reallocated pursuant to immediately preceding clause (i) and unless provisions reasonably satisfactory to the applicable L/C Issuer for the treatment of such Letter of Credit as a letter of credit under a successor credit facility have been agreed upon, the Company shall, on or prior to the applicable Maturity Date, cause all such Letters of Credit to be replaced and returned to the applicable L/C Issuer undrawn and marked “cancelled” or to the extent that the Company is unable to so replace and return any Letter(s) of Credit, such Letter(s) of Credit shall be secured by a “back to back” letter of credit reasonably satisfactory to the applicable L/C Issuer or the applicable Borrower shall Cash Collateralize any such Letter of Credit in accordance with Section 2.03(g). Commencing with the Maturity Date of any Class of Revolving Credit Commitments, unless otherwise set forth herein, the applicable Letter of Credit Sublimit shall be in an amount agreed solely with the applicable L/C Issuer.

(n) *Letter of Credit and Alternative Letter of Credit Reports.* For so long as any Letter of Credit or Alternative Letter of Credit issued by an L/C Issuer or Alternative L/C Issuer, as applicable, is outstanding, such L/C Issuer or Alternative L/C Issuer, as applicable, shall deliver to the Administrative Agent on the last Business Day of each calendar month, and on each date that an L/C Credit Extension occurs with respect to any such Letter of Credit or Alternative Letter of Credit, a report in the form of Exhibit I, appropriately completed with the information for every outstanding Letter of Credit or Alternative Letter of Credit issued by such L/C Issuer or Alternative L/C Issuer, as applicable.

(o) *Letters of Credit and Alternative Letters of Credit Issued for Subsidiaries.* Notwithstanding that a Letter of Credit or Alternative Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Loan Party (other than the Borrower), a Permitted Affiliate Parent, an Affiliate Subsidiary or a Subsidiary of a Borrower, such Loan Party, a Permitted Affiliate Parent or an Affiliate Subsidiary, each Borrower shall be obligated to reimburse the applicable L/C Issuer or Alternative L/C Issuer, as applicable, hereunder for any and all drawings under such Letter of Credit or Alternative Letter of Credit. Each Borrower hereby acknowledges that the issuance of Letters of Credit or Alternative Letters of Credit for the account of any Loan Party (other than the Borrower), a Permitted Affiliate Parent, any Affiliate Subsidiary or a Subsidiary of the Borrower, such Loan Party, a Permitted Affiliate Parent of an Affiliate Subsidiary inures to the benefit of such Borrower, and that such Borrower’s business derives substantial benefits from the businesses of such Loan Party, the Company, such Permitted Affiliate Parent, such Affiliate Subsidiary and such Subsidiaries thereof.

(p) *Amendments to Alternative Letters of Credit.* No amendment or waiver of a term of any Alternative Letter of Credit shall require the consent of any Lender other than the relevant Alternative L/C Issuer unless such amendment or waiver itself relates to or gives rise to a matter which would require an amendment of or under this Agreement (including, for the avoidance of doubt, under this Section 2). In such a case, Section 10.01 will apply.

Section 2.04. Swing Line Loans.

(a) *The Swing Line.* Subject to the terms and conditions set forth herein, each Swing Line Lender agrees to make loans in Dollars to a Borrower under its applicable Revolving Credit Commitment (each such loan, a “**Swing Line Loan**”), from time to time on any Business Day during the period beginning on the Business Day after the date of the establishment hereunder and effectiveness of the relevant Participating Revolving Credit Commitments until the date which is one Business Day prior to the Maturity Date of the Participating Revolving Credit Commitments (taking into account the Maturity Date of any Participating

Revolving Credit Commitment that will automatically come into effect on such Maturity Date) in an aggregate amount not to exceed at any time outstanding the amount of the Swing Line Sublimit, notwithstanding the fact that such Swing Line Loans, when aggregated with the Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of Revolving Credit Loans and L/C Obligations of the Lender acting as Swing Line Lender under the applicable Facility, may exceed the amount of the Swing Line Lender's Revolving Credit Commitment; *provided* that, after giving effect to any Swing Line Loan (i) the Revolving Credit Exposure under such Participating Revolving Credit Commitments of such Class shall not exceed the aggregate Participating Revolving Credit Commitments of such Class, and (ii) the aggregate Outstanding Amount of the Revolving Credit Loans of any Lender (other than a Swing Line Lender), plus such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of all L/C Obligations, plus such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of all Swing Line Loans under the applicable Facility shall not exceed such Lender's Participating Revolving Credit Commitment then in effect; *provided, further*, that a Borrower shall not use the proceeds of any Swing Line Loan to refinance any outstanding Swing Line Loan. Within the foregoing limits, and subject to the other terms and conditions hereof, a Borrower may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Swing Line Loan shall be a Base Rate Loan. Immediately upon the making of a Swing Line Loan, each Participating Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swing Line Lenders a risk participation in such Swing Line Loan in an amount equal to the product of (A) such Lender's Pro Rata Share under the applicable Facility or other applicable share provided for under this Agreement and (B) the amount of such Swing Line Loan.

(b) *Borrowing Procedures.* Each Swing Line Borrowing shall be made upon a Borrower's irrevocable notice to the applicable Swing Line Lender and the Administrative Agent, which may be given by telephone or written Swing Line Loan Notice; *provided* that each such telephonic notice must be confirmed promptly by delivery to the Swing Line Lenders and the Administrative Agent of a written Swing Line Loan Notice, appropriately completed and signed by a Responsible Officer of that Borrower. Each such notice must be received by the Swing Line Lenders and the Administrative Agent not later than 1:00 p.m. on the requested borrowing date and shall specify (i) the amount to be borrowed, which shall be a minimum of \$1,000,000 (or an integral multiple of \$100,000 in excess thereof) and (ii) the requested borrowing date, which shall be a Business Day. Promptly after receipt by the applicable Swing Line Lenders of any Swing Line Loan Notice (by telephone or in writing), the Swing Line Lenders will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Swing Line Loan Notice and, if not, the Swing Line Lenders will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless the Swing Line Lenders have received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Revolving Credit Lender) prior to 2:00 p.m. on the date of the proposed Swing Line Borrowing (A) directing the Swing Line Lenders not to make such Swing Line Loan as a result of the limitations set forth in the first proviso to the first sentence of Section 2.04(a), or (B) that one or more of the applicable conditions specified in Section 4.03 is not then satisfied, then, subject to the terms and conditions hereof, the Swing Line Lenders will not later than 4:00 p.m. on the borrowing date specified in such Swing Line Loan Notice, make the amount of its Swing Line Loan available to that Borrower. Notwithstanding anything to the contrary contained in this Section 2.04 or elsewhere in this Agreement, the Swing Line Lenders shall not be obligated to make any Swing Line Loan at a time when a Participating Revolving Credit Lender is a Defaulting Lender unless the Swing Line Lenders have entered into arrangements reasonably satisfactory to it and the applicable Borrower to eliminate the Swing Line Lender's Fronting Exposure (after giving effect to Section 2.17(a)(iv)) with respect to the Defaulting Lender's or Defaulting Lenders' participation in such Swing Line Loans, including by Cash Collateralizing, or obtaining a backstop letter of credit from an issuer reasonably satisfactory to the Swing Line Lenders to support, such Defaulting Lender's or Defaulting Lenders' Pro Rata Share of the outstanding Swing Line Loans. A Borrower shall repay to the Swing Line Lenders each Defaulting Lender's portion (after giving effect to Section 2.17(a)(iv)) of each Swing Line Loan promptly following demand by the Swing Line Lenders.

(c) *Refinancing of Swing Line Loans.*

(i) A Swing Line Lender at any time in its sole and absolute discretion may request, on behalf of a Borrower (which hereby irrevocably authorizes each Swing Line Lender to so request on its behalf), that each Participating Revolving Credit Lender make a Base Rate Loan in an amount equal to such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the amount of Swing Line Loans

of that Borrower then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Committed Loan Notice for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but subject to the unutilized portion of the aggregate Participating Revolving Credit Commitments and the conditions set forth in Section 4.03. The applicable Swing Line Lender shall furnish the applicable Borrower with a copy of the applicable Committed Loan Notice promptly after delivering such notice to the Administrative Agent. Each Participating Revolving Credit Lender shall make an amount equal to its Pro Rata Share or other applicable share provided for under this Agreement of the amount specified in such Committed Loan Notice, which shall be on or after the third Business Day after the date of such notice, available to the Administrative Agent in Same Day Funds for the account of the Swing Line Lender at the Administrative Agent's Office not later than 1:00 p.m. on the day specified in such Committed Loan Notice, whereupon, subject to Section 2.04(c)(ii), each Participating Revolving Credit Lender that so makes funds available shall be deemed to have made a Base Rate Loan to the applicable Borrower in such amount. The Administrative Agent shall remit the funds so received to the Swing Line Lender. Upon the remittance by the Administrative Agent to the Swing Line Lender of the full amount specified in such Committed Loan Notice, that Borrower shall be deemed to have repaid the applicable Swing Line Loan.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Revolving Credit Borrowing in accordance with Section 2.04(c)(i), the request for Base Rate Loans submitted by the Swing Line Lender as set forth herein shall be deemed to be a request by a Swing Line Lender that each of the Participating Revolving Credit Lenders fund its risk participation in the relevant Swing Line Loan and each Participating Revolving Credit Lender's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Participating Revolving Credit Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), the Swing Line Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the applicable Overnight Rate from time to time in effect. If such Participating Revolving Credit Lender pays such amount, the amount so paid shall constitute such Lender's Revolving Credit Loan including in the relevant Borrowing or funded participation in the relevant Swing Line Loan, as the case may be. A certificate of the Swing Line Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.04(c)(iii) shall be conclusive absent manifest error.

(iv) Each Participating Revolving Credit Lender's obligation to make Revolving Credit Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Swing Line Lender, a Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or the failure to satisfy any condition in Article IV, (C) any adverse change in the condition (financial or otherwise) of the Loan Parties, (D) any breach of this Agreement, or (E) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Participating Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.04(c) (but not to purchase and fund risk participations in Swing Line Loans) is subject to the conditions set forth in Section 4.03. No such funding of risk participations shall relieve or otherwise impair the obligation of the applicable Borrower to repay the applicable Swing Line Loans, together with interest as provided herein.

(d) *Repayment of Participations.*

(i) At any time after any Participating Revolving Credit Lender has purchased and funded a risk participation in a Swing Line Loan, if the applicable Swing Line Lender receives any payment on account of such Swing Line Loan, the Swing Line Lender will distribute to such Lender its Pro Rata Share under the applicable Facility or other applicable share provided for under this Agreement of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's risk participation was funded) in the same funds as those received by the Swing Line Lender.

(ii) If any payment received by the applicable Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by the Swing Line Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Participating Revolving Credit Lender shall pay to the Swing Line Lender its Pro Rata Share under the applicable Facility or other applicable share provided for under this Agreement thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the applicable Overnight Rate from time to time in effect. The Administrative Agent will make such demand upon the request of the Swing Line Lender.

(e) *Interest for Account of Swing Line Lender.* Each Swing Line Lender shall be responsible for invoicing the relevant Borrower for interest on the Swing Line Loans. Until each Participating Revolving Credit Lender funds its Base Rate Loan or risk participation pursuant to this Section 2.04 to refinance such Lender's Pro Rata Share or other applicable share provided for under this Agreement of any Swing Line Loan, interest in respect of such Pro Rata Share or other applicable share provided for under this Agreement shall be solely for the account of the Swing Line Lender.

(f) *Payments Directly to Swing Line Lender.* A Borrower shall make all payments of principal and interest in respect of the Swing Line Loans directly to the applicable Swing Line Lender.

(g) *Provisions Related to Extended Revolving Credit Commitments.* If the Maturity Date shall have occurred in respect of any Participating Revolving Credit Commitments (the "**Expiring Credit Commitment**") at a time when other Participating Revolving Credit Commitments are in effect (or will automatically be in effect upon such maturity) with a longer maturity date (each a "**non-Expiring Credit Commitment**" and, collectively, the "**non-Expiring Credit Commitments**"), then each outstanding Swing Line Loan on the earliest occurring Maturity Date shall be deemed reallocated to the non-Expiring Credit Commitments on a pro rata basis; *provided* that (i) to the extent that the amount of such reallocation would cause the aggregate credit exposure to exceed the aggregate amount of such non-Expiring Credit Commitments, immediately prior to such reallocation (after giving effect to any repayments of Revolving Credit Loans and any reallocation of Letter of Credit participations as contemplated in Section 2.03(m)) the amount of Swing Line Loans to be reallocated equal to such excess shall be repaid or Cash Collateralized in a manner reasonably satisfactory to the applicable Swing Line Lender and (ii) notwithstanding the foregoing, if a Default or Event of Default has occurred and is continuing, the applicable Borrower shall still be obligated to pay Swing Line Loans allocated to the Participating Revolving Credit Lenders holding the Expiring Credit Commitments at the Maturity Date of the Expiring Credit Commitment or if the Loans have been accelerated prior to the Maturity Date of the Expiring Credit Commitment.

(h) *Addition of a Swing Line Lender.* A Participating Revolving Credit Lender reasonably acceptable to the relevant Borrower and the Administrative Agent may become an additional Swing Line Lender hereunder pursuant to a written agreement among such Borrower, the Administrative Agent and such Participating Revolving Credit Lender (which agreement shall include the Swing Line Sublimit for such additional Swing Line Lender). The Administrative Agent shall notify the Participating Revolving Credit Lenders of any such additional Swing Line Lender.

Section 2.05. Prepayments.

(a) *Optional.*

(i) The Borrowers may, subject to Section 2.05(a)(iii), upon notice to the Administrative Agent by the Borrowers, at any time or from time to time voluntarily prepay any Class or Classes of Term Loans and Revolving Credit Loans of any Class or Classes in whole or in part without premium or penalty, except as set forth in Section 2.05(a)(vi); *provided* that: (A) such notice must be received by the Administrative Agent not later than 11:30 a.m. (1) two Business Days prior to any date of prepayment of Eurocurrency Rate Loans (unless otherwise agreed by the Administrative Agent), (2) two Business Days prior to any date of prepayment of SOFR Loans (unless otherwise agreed by the Administrative Agent) or (3) on the date of prepayment of Base Rate Loans; (B) any prepayment of Eurocurrency Rate Loans shall be in a minimum principal amount of \$1,000,000, or a whole multiple of \$100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding; (C) any prepayment of SOFR Loans shall be in a minimum amount of \$1,000,000, or a whole multiple of an amount of \$100,000 in excess thereof, or, in each case, if less,

the entire principal amount thereof then outstanding; (D) any prepayment of Base Rate Loans shall be in a minimum principal amount of \$1,000,000 or a whole multiple of \$100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding and (E) any prepayment shall be made in the currency of the applicable Loan. Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such prepayment. If such notice is given by a Borrower, subject to Section 2.05(a)(iii), such Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurocurrency Rate Loan or a SOFR Loan, as applicable, shall be, as set forth in Section 2.05(c), accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.10. Each prepayment of the principal of, and interest on, any Revolving Credit Loans shall be made in the relevant Available Currency. In the case of each prepayment of the Loans pursuant to this Section 2.05(a), a Borrower may in its sole discretion select the Borrowing or Borrowings to be repaid, and such payment shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares or other applicable share provided for under this Agreement.

(ii) The Borrowers may, subject to Section 2.05(a)(iii), upon notice to the applicable Swing Line Lender (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swing Line Loans in whole or in part without premium or penalty; *provided that* (A) such notice must be received by the Swing Line Lender and the Administrative Agent not later than 1:00 p.m. on the date of the prepayment, and (B) any such prepayment shall be in a minimum principal amount of \$1,000,000 or a whole multiple of \$100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment. If such notice is given by a Borrower, subject to Section 2.05(a)(iii), such Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(iii) Notwithstanding anything to the contrary contained in this Agreement, subject to the payment of any amounts owing pursuant to Section 3.10, the Borrowers may rescind (or delay the date of prepayment identified in) any notice of prepayment under Section 2.05(a)(i) or 2.05(a)(ii) if such prepayment would have resulted from a refinancing of all or a portion of the applicable Facility or was otherwise contingent upon the occurrence of any other event or satisfaction of any other condition, which refinancing or other event shall not be consummated or shall otherwise be delayed or which condition shall not have been (or in the good faith judgment of the Borrowers is not likely to be) satisfied.

(iv) Voluntary prepayments of any Class of Term Loans permitted pursuant to Section 2.05(a)(i) shall be applied in a manner determined at the discretion of the Borrowers and specified in the notice of prepayment.

(v) Notwithstanding anything in any Loan Document to the contrary, so long as (x) no Event of Default has occurred and is continuing and (y) only to the extent funded at a discount, no proceeds of Revolving Credit Loans are applied to fund any purchase or prepayment under sub-clause (ii) of this clause (v), any Borrower Party (or, in the case of a direct prepayment, the relevant Borrower) may (i) purchase outstanding Term Loans on a non-pro rata basis through open market purchases (pursuant to Section 10.07(l)) or (ii) prepay the outstanding Term Loans (which Term Loans shall, for the avoidance of doubt, be automatically and permanently canceled immediately upon such purchase or prepayment), which in the case of clause (ii) only shall be prepaid without premium or penalty on the following basis:

(A) Any Borrower Party shall have the right to make a voluntary prepayment of Loans at a discount to par pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers (any such prepayment, the "**Discounted Term Loan Prepayment**"), in each case made in accordance with this Section 2.05(a)(v) and without premium or penalty.

(B) (1) Any Borrower Party may from time to time offer to make a Discounted Term Loan Prepayment by providing the Auction Agent with five Business Days' notice (or such shorter period as agreed by the Auction Agent) in the form of a Specified Discount Prepayment Notice; *provided that* (I) any such offer shall be made available, at the sole discretion of the applicable Borrower Party, to (x) each Term Lender or (y) each Term Lender with respect to any Class of Term

Loans on an individual Class basis, (II) any such offer shall specify the aggregate principal amount offered to be prepaid (the “**Specified Discount Prepayment Amount**”) with respect to each applicable Class, the Class or Classes of Term Loans subject to such offer and the specific percentage discount to par (the “**Specified Discount**”) of such Term Loans to be prepaid (it being understood that different Specified Discounts or Specified Discount Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(a)(v)(B)), (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than \$5,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m. on the third Business Day after the date of delivery of such notice to such Lenders (the “**Specified Discount Prepayment Response Date**”).

(2) Each Term Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its applicable then outstanding Term Loans at the Specified Discount and, if so (such accepting Lender, a “**Discount Prepayment Accepting Lender**”), the amount and the Classes of such Lender’s Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Term Lender whose Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one Discount Prepayment Accepting Lender, the relevant Borrower Party will make a prepayment of outstanding Term Loans pursuant to this paragraph (B) to each Discount Prepayment Accepting Lender in accordance with the respective outstanding amount and Classes of Term Loans specified in such Lender’s Specified Discount Prepayment Response given pursuant to Section 2.05(a)(v)(B)(2); *provided* that if the aggregate principal amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro rata among the Discount Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration (the “**Specified Discount Proration**”). The Auction Agent shall promptly, and in any case within three Business Days following the Specified Discount Prepayment Response Date, notify (I) the relevant Borrower Party of the respective Term Lenders’ responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the Classes of Term Loans to be prepaid at the Specified Discount on such date and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, Class and Type of Term Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the applicable Borrower Party and such Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the applicable Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with Section 2.05(a)(v)(F) (subject to Section 2.05(a)(v)(J)).

(C) (1) Any Borrower Party may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with five Business Days’ notice (or such shorter period as agreed by the Auction Agent) in the form of a Discount Range Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of such Borrower Party, to (x) each

Term Lender or (y) each Term Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such notice shall specify the maximum aggregate principal amount of the relevant Term Loans (the “**Discount Range Prepayment Amount**”), the Class or Classes of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the “**Discount Range**”) of the principal amount of such Term Loans with respect to each relevant Class of Term Loans willing to be prepaid by such Borrower Party (it being understood that different Discount Ranges or Discount Range Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(a)(v)(C)), (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$5,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) unless rescinded, each such solicitation by the applicable Borrower Party shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m. on the third Business Day after the date of delivery of such notice to such Lenders (the “**Discount Range Prepayment Response Date**”). Each Term Lender’s Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the “**Submitted Discount**”) at which such Lender is willing to allow prepayment of any or all of its then outstanding Term Loans of the applicable Class or Classes and the maximum aggregate principal amount and Classes of such Lender’s Term Loans (the “**Submitted Amount**”) such Term Lender is willing to have prepaid at the Submitted Discount. Any Term Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(2) The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this subsection (C). The relevant Borrower Party agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by the Auction Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the “**Applicable Discount**”) which yields a Discounted Term Loan Prepayment in an aggregate principal amount equal to the lower of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Term Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to Section 2.05(a)(v)(C)(3)) at the Applicable Discount (each such Term Lender, a “**Discount Prepayment Participating Lender**”).

(3) If there is at least one Discount Prepayment Participating Lender, the relevant Borrower Party will prepay the respective outstanding Term Loans of each Discount Prepayment Participating Lender in the aggregate principal amount and of the Classes specified in such Lender’s Discount Range Prepayment Offer at the Applicable Discount; provided that if the Submitted Amount by all Discount Prepayment Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Term Loans for those Discount Prepayment Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the “**Identified Discount Prepayment Participating Lenders**”) shall be made pro rata among the Identified Discount Prepayment Participating Lenders in accordance with the Submitted Amount of each such Identified Discount Prepayment Participating Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole

reasonable discretion) will calculate such proration (the “**Discount Range Proration**”). The Auction Agent shall promptly, and in any case within five Business Days following the Discount Range Prepayment Response Date, notify (I) the relevant Borrower Party of the respective Term Lenders’ responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Applicable Discount and the aggregate principal amount and Classes of Term Loans to be prepaid at the Applicable Discount on such date, (III) each Discount Prepayment Participating Lender of the aggregate principal amount and Classes of such Term Lender to be prepaid at the Applicable Discount on such date and (IV) if applicable, each Identified Discount Prepayment Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the relevant Borrower Party and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the applicable Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with Section 2.05(a)(v)(F) (subject to Section 2.05(a)(v)(J)).

(D) (1) Any Borrower Party may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with five Business Days’ notice in the form of a Solicited Discounted Prepayment Notice (or such later notice specified therein); provided that (I) any such solicitation shall be extended, at the sole discretion of such Borrower Party, to (x) each Term Lender or (y) each Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such notice shall specify the maximum aggregate amount of the Term Loans (the “**Solicited Discounted Prepayment Amount**”) and the Class or Classes of Term Loans the applicable Borrower Party is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(a)(v)(D)), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$5,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) unless rescinded, each such solicitation by the applicable Borrower Party shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m. on the third Business Day after the date of delivery of such notice to such Term Lenders (the “**Solicited Discounted Prepayment Response Date**”). Each Term Lender’s Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date and (z) specify both a discount to par (the “**Offered Discount**”) at which such Term Lender is willing to allow prepayment of its then outstanding Term Loan and the maximum aggregate principal amount and Classes of such Term Loans (the “**Offered Amount**”) such Term Lender is willing to have prepaid at the Offered Discount. Any Term Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount.

(2) The Auction Agent shall promptly provide the relevant Borrower Party with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. Such Borrower Party shall review all such Solicited Discounted Prepayment Offers and select the smallest of the Offered Discounts specified by the relevant responding Term Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the applicable Borrower Party (the “**Acceptable Discount**”), if any. If the applicable Borrower Party elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by such Borrower Party from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this Section 2.05(a)(v)(D)(2) (the “**Acceptance Date**”), the applicable Borrower Party shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an

Acceptance and Prepayment Notice from the applicable Borrower Party by the Acceptance Date, such Borrower Party shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by the Auction Agent by the Solicited Discounted Prepayment Response Date, within three Business Days after receipt of an Acceptance and Prepayment Notice (the “**Discounted Prepayment Determination Date**”), the Auction Agent will determine (with the consent of such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the Classes of Term Loans (the “**Acceptable Prepayment Amount**”) to be prepaid by the relevant Borrower Party at the Acceptable Discount in accordance with this Section 2.05(a)(v)(D). If the applicable Borrower Party elects to accept any Acceptable Discount, then such Borrower Party agrees to accept all Solicited Discounted Prepayment Offers received by the Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Term Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Lender, a “**Discount Prepayment Qualifying Lender**”). The applicable Borrower Party will prepay outstanding Term Loans pursuant to this subsection (D) to each Discount Prepayment Qualifying Lender in the aggregate principal amount and of the Classes specified in such Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; provided that if the aggregate Offered Amount by all Discount Prepayment Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Term Loans for those Discount Prepayment Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the “**Identified Discount Prepayment Qualifying Lenders**”) shall be made pro rata among the Identified Discount Prepayment Qualifying Lenders in accordance with the Offered Amount of each such Identified Discount Prepayment Qualifying Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “**Solicited Discount Proration**”). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify (I) the relevant Borrower Party of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the Classes to be prepaid to be prepaid at the Applicable Discount on such date, (III) each Discount Prepayment Qualifying Lender of the aggregate principal amount and the Classes of such Term Lender to be prepaid at the Acceptable Discount on such date, and (IV) if applicable, each Identified Discount Prepayment Qualifying Lender of the Solicited Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to such Borrower Party and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to such Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with Section 2.05(a)(v)(F) (subject to Section 2.05(a)(v)(J)).

(E) In connection with any Discounted Term Loan Prepayment, the Borrower Parties and the Term Lenders acknowledge and agree that the Auction Agent may require, as a condition to the applicable Discounted Term Loan Prepayment, the payment of customary fees and expenses from a Borrower Party to such Auction Agent for its own account in connection therewith.

(F) If any Term Loan is prepaid in accordance with subsections (B) through (D) above, a Borrower Party shall prepay such Term Loans on the Discounted Prepayment Effective Date. The relevant Borrower Party shall make such prepayment to the Administrative Agent, for the account

of the Discount Prepayment Accepting Lenders, Discount Prepayment Participating Lenders, or Discount Prepayment Qualifying Lenders, as applicable, at the Administrative Agent's Office in immediately available funds not later than 12:00 p.m., on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the relevant Class(es) of Term Loans and Lenders as specified by the applicable Borrower Party in the applicable offer. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 2.05(a)(v) shall be paid to the Discount Prepayment Accepting Lenders, Discount Prepayment Participating Lenders, or Discount Prepayment Qualifying Lenders, as applicable, and shall be applied to the relevant Term Loans of such Lenders in accordance with their respective applicable share as calculated by the Auction Agent in accordance with this Section 2.05(a)(v) and, if the Administrative Agent is not the Auction Agent, the Administrative Agent shall be fully protected in relying on such calculations of the Auction Agent. The aggregate principal amount of the Classes and installments of the relevant Term Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the Classes of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment.

(G) To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.05(a)(v), established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by the applicable Borrower Party.

(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.05(a)(v), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; provided that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(I) Each of the Borrower Parties and the Term Lenders acknowledge and agree that the Auction Agent may perform any and all of its duties under this Section 2.05(a)(v) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 2.05(a)(v) as well as activities of the Auction Agent.

(J) Each Borrower Party shall have the right, by written notice to the Auction Agent, to revoke in full (but not in part) its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date, Discount Range Prepayment Response Date or Solicited Discounted Prepayment Response Date (and if such offer is revoked pursuant to the preceding clauses, any failure by such Borrower Party to make any prepayment to a Lender, as applicable, pursuant to this Section 2.05(a)(v) shall not constitute a Default or Event of Default under Section 8.01 or otherwise).

(vi) In the event that, on or prior to the date falling six months after the 2025 Additional Facility Effective Date (but not otherwise), the Original Co-Borrower: (i) prepays, refinances, substitutes or replaces any Term B-7 Loans pursuant to a Repricing Transaction (including, for the avoidance of doubt, any prepayment made pursuant to Section 2.05(b)(iii) or Section 2.05(b)(iv) of this Credit Agreement that constitutes a Repricing Transaction), other than where such prepayment is funded by the issuance of notes by the Company, a Permitted Affiliate Parent or any Restricted Subsidiary or a special purpose vehicle which on-lends the proceeds of such notes to the Company, a Permitted Affiliate Parent or any Restricted Subsidiary; or (ii) effects any amendment resulting in a Repricing Transaction, the Original Co-Borrower shall pay to the Administrative Agent, for the ratable account of each of the applicable Additional Term B-7 Facility Lenders, (A) in the case of clause (i), a prepayment premium of 1.00% of the aggregate principal amount of the

applicable Term B-7 Loans so prepaid, refinanced, substituted or replaced and (B) in the case of clause (ii), a fee equal to 1.00% of the aggregate principal amount of the outstanding Term B-7 Loans of any Additional Term B-7 Facility Lender that shall have been the subject of a mandatory assignment under this Credit Agreement (including pursuant to Section 3.12 of this Credit Agreement) following the failure of such Additional Term B-7 Facility Lender to consent to such amendment on or prior to the date falling six months after the 2025 Additional Facility Effective Date. Such amounts shall be due and payable within five Business Days of the date of effectiveness of such Repricing Transaction or (in the case of clause (ii), if later than the date that is five Business Days from effectiveness of the Repricing Transaction) the date of effectiveness of such mandatory assignment.

(b) *Mandatory.*

(i) Subject to Section 2.05(b)(ii) below, if any member of the Restricted Group makes any Asset Disposition that results in the realization or receipt by any member of the Restricted Group of Net Available Cash, the relevant Borrowers shall cause to be prepaid on or prior to the date that is five Business Days after the realization or receipt by any member of the Restricted Group of such Net Available Cash (or, in the event of Net Available Cash which may be reinvested as set forth below in this Section 2.05(b)(i), on the date such reinvestment period expires), subject to Section 2.05(b)(vii), an aggregate principal amount of Term Loans in an amount which is the lesser of (A) the Net Available Cash from such Asset Disposition and (B) an amount so as to ensure that the Consolidated Senior Secured Net Leverage Ratio does not exceed 5.00 to 1.00 (on a pro forma basis after taking into account such Asset Dispositions and prepayments (but ignoring such Net Available Cash for purposes of determining compliance)); *provided* that at the option of the Borrowers, all or any portion of the Net Available Cash received in connection with an Asset Disposition may be used in the business of the Restricted Group, including to make acquisitions, investments, capital expenditures or operational expenditures, in each case within 12 months of such receipt, and such proceeds shall not be required to be applied to prepay the Term Loans except to the extent not, within 12 months of such receipt, so used or contractually committed to be so used (it being understood that if any portion of such proceeds is not so used within such 12 month period but within such 12 month period is contractually committed to be used, then if such proceeds are not so used within 180 days from the end of such 12 month period (the “**Reinvestment End Date**”)), then such remaining portion shall be required to prepay the Loans (to the extent otherwise required by this Section 2.05(b)(i)), as of the date or such termination; *provided, further*, that, if at the time that any such prepayment would be required, any Borrower (or any member of the Restricted Group) is required to offer to prepay or repurchase other Senior Secured Indebtedness pursuant to the terms of the documentation governing such Indebtedness with the net proceeds of such Asset Disposition (such Senior Secured Indebtedness required to be offered to be so repurchased, “**Other Applicable Indebtedness**”), then the Borrowers may apply such Net Available Cash on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Indebtedness at such time; *provided, further*, that the portion of such net proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of such net proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such net proceeds shall be allocated to the Term Loans in accordance with the terms hereof) to the prepayment of the Term Loans and to the repurchase or prepayment of Other Applicable Indebtedness, and the amount of prepayment of the Term Loans that would have otherwise been required pursuant to this Section 2.05(b)(i) shall be reduced accordingly; *provided, further*, that to the extent the holders of Other Applicable Indebtedness decline to have such indebtedness repurchased or prepaid, the declined amount shall promptly (and in any event within ten Business Days after the date of such rejection) be applied to prepay the Term Loans in accordance with the terms hereof; *provided, further, however*, that no such prepayment under this Section 2.05(b)(i) shall be required where the amount of any such prepayment would be less than the greater of \$200,000,000 and 3.0% of Total Assets.

(ii) Notwithstanding anything in this Agreement to the contrary, no Borrower will be required to make or cause to be made any prepayment pursuant to Section 2.05(b)(i) above if the Financial Covenant was not required to be tested for the most recent Test Period ending prior to the Reinvestment End Date.

(iii) If any member of the Restricted Group Incurs or issues any Indebtedness after the 2020 Amendment Effective Date not permitted to be Incurred or issued pursuant to Section 4.09 of Annex II, the Borrowers shall cause to be prepaid an aggregate principal amount of Term Loans in an amount equal to 100%

of all net cash proceeds received therefrom on or prior to the date that is five Business Days after receipt by such member of the Restricted Group of such net cash proceeds.

(iv) If any Borrower Incurs or issues any Refinancing Term Loans resulting in net cash proceeds (as opposed to such Refinancing Term Loans arising out of an exchange of existing Term Loans for such Refinancing Term Loans), such Borrower (or the Company on its behalf) shall cause to be prepaid an aggregate principal amount of Term Loans in an amount equal to 100% of all net cash proceeds received therefrom on or prior to the date which is five Business Days after the receipt by such Borrower of such net cash proceeds.

(v) If for any reason the aggregate Outstanding Amount of Revolving Credit Loans, Swing Line Loans and L/C Obligations, in each case under any Class of Revolving Credit Commitments at any time exceeds the aggregate Revolving Credit Commitments of such Class then in effect, the relevant Borrower shall promptly prepay Revolving Credit Loans and Swing Line Loans and/or Cash Collateralize any L/C Obligations under such Class of Revolving Credit Commitments in an aggregate amount equal to such excess; *provided* that such Borrower shall not be required to Cash Collateralize any L/C Obligations pursuant to this Section 2.05(b) (v) unless, after giving effect to the prepayment in full of the applicable Revolving Credit Loans and Swing Line Loans, the aggregate Outstanding Amount under such Class of Revolving Credit Commitments exceeds the aggregate Revolving Credit Commitments of such Class then in effect.

(vi) Each prepayment of Term Loans pursuant to this Section 2.05(b) shall be (A) applied either (x) ratably to each Class of Term Loans then outstanding or (y) as requested by a Borrower in the notice delivered pursuant to Section 2.05(b)(vii), to any Class or Classes of Term Loans, (B) applied, with respect to each such Class for which prepayments will be made, in a manner determined at the discretion of the applicable Borrower in the applicable notice and (C) paid to the Appropriate Lenders in accordance with their respective Pro Rata Share (or other applicable share provided by this Agreement) of each such Class of Term Loans, subject to Section 2.05(b)(vii). Notwithstanding clause (A) hereinabove, (1) in the case of prepayments pursuant to Section 2.05(b)(iv), such prepayment shall be applied in accordance with this Section 2.05(b)(vi) solely to those applicable Classes of Term Loans selected by the applicable Borrower and specified in the applicable Refinancing Amendment or notice (i.e., the applicable Refinanced Debt), and (2) any Additional Facility Joinder Agreement or Extension Amendment, may provide (including on an optional basis as elected by the Borrower) for a less than ratable application of prepayments to any Class of Term Loans established thereunder.

(vii) A Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made by such Borrower pursuant to clauses (i) through (v) of this Section 2.05(b) at least two Business Days prior to the date of such prepayment (unless otherwise agreed by the Administrative Agent); *provided that*, subject to the payment when due of any amounts owing as a result thereof pursuant to Section 3.10, such Borrower may rescind (or delay the date of prepayment identified in) such notice if such prepayment would have resulted from a refinancing of all or any portion of the applicable Facility or other conditional event, which refinancing or other conditional event shall not be consummated or shall otherwise be delayed. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the aggregate amount of such prepayment to be made. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the applicable Borrower's prepayment notice and of such Appropriate Lender's Pro Rata Share of the prepayment. Each Term Lender may reject all or a portion of its Pro Rata Share of any mandatory prepayment (such declined amounts, the "**Declined Proceeds**") of Term Loans required to be made pursuant to Section 2.05(b)(ii) and Section 2.05(b)(iii) by providing written notice (each, a "**Rejection Notice**") to the Administrative Agent and the applicable Borrower no later than 5:00 p.m. one Business Day after the date of such Lender's receipt of notice from the Administrative Agent regarding such prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Term Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the mandatory prepayment of Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Any Declined Proceeds shall be offered to the Term Lenders not so declining such prepayment on a pro rata basis in accordance with the amounts of the Term Loans of such Lenders (with such non-declining Term Lenders having the right to decline any prepayment with Declined Proceeds at the time and in the manner specified by the Administrative Agent).

To the extent such non-declining Term Lenders elect to decline their Pro Rata Share of such Declined Proceeds, any Declined Proceeds remaining thereafter shall be retained by a Borrower.

(viii) Notwithstanding any other provisions of this Section 2.05, (A) to the extent that any or all of the Net Available Cash of any Asset Disposition by a member of the Restricted Group is prohibited or delayed by applicable local Law from being repatriated to the jurisdiction of the relevant Borrower, the portion of such Net Available Cash so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05(b) but may be retained by the applicable member of the Restricted Group so long, but only so long, as the applicable local Law will not permit repatriation to the jurisdiction of the relevant Borrower (each Borrower hereby agreeing to use commercially reasonable efforts to cause the applicable member of the Restricted Group to promptly take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Available Cash is permitted under the applicable local law, such repatriation will be promptly effected and an amount equal to such repatriated Net Available Cash will be promptly (and in any event not later than five Business Days after such repatriation) applied (net of additional Taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 2.05(b) to the extent provided herein and (B) to the extent that a Borrower has determined in good faith that repatriation of any of or all the Net Available Cash of any such Asset Disposition would have material adverse tax consequences (as determined in good faith by such Borrower) with respect to such Net Available Cash, such Net Available Cash so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05(b) but may be retained by the applicable member of the Restricted Group.

(ix) Upon becoming aware of a Change of Control:

(A) the Company or a Permitted Affiliate Parent, as applicable, shall promptly notify the Administrative Agent; and

(B) if the Required Lenders so require, the Administrative Agent shall, by not less than 30 Business Days' notice to the Company, cancel each Facility, and the Commitments thereunder and declare all outstanding Borrowings, together with accrued interest and all other amounts accrued under the Loan Documents immediately due and payable, whereupon each Facility, and the Commitments thereunder, will be cancelled and all such outstanding and accrued amounts will become immediately due and payable.

(c) *Interest Funding Losses, Etc.*

(i) Except to the extent otherwise agreed by each Lender so being prepaid, all prepayments of Loans (other than any Revolving Credit Loan that is a Base Rate Loan and any Swing Line Loan) shall be accompanied by all accrued and unpaid interest thereon to but not including the date of such prepayment, together with, in the case of any such prepayment of a Eurocurrency Rate Loan or a SOFR Loan, as applicable, on a date prior to the last day of an Interest Period therefor, any amounts owing in respect of such Eurocurrency Rate Loan or SOFR Loan, as applicable, pursuant to Section 3.10.

(ii) So long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurocurrency Rate Loans or SOFR Loans, as applicable, is required to be made under this Section 2.05 (but excluding prepayments required under Section 2.05(b)(iv)), prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.05 in respect of any such Eurocurrency Rate Loan or SOFR Loan, as applicable, prior to the last day of the Interest Period therefor, a Borrower may, in its sole discretion, deposit an amount sufficient to make any such prepayment otherwise required to be made thereunder together with accrued interest to the last day of such Interest Period into a Cash Collateral Account or other blocked account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from such Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05. Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the applicable Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with the relevant provisions of this Section 2.05. Such deposit shall be deemed to be a prepayment of such Loans by a Borrower for all purposes under this Agreement.

Section 2.06. Termination or Reduction of Commitments.

(a) *Optional.* A Borrower may, upon written notice to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class, in each case without premium or penalty; *provided* that (i) any such notice shall be received by the Administrative Agent at least three Business Days prior to the date of termination or reduction (unless the Administrative Agent agrees to a shorter period in its discretion), (ii) any such partial reduction shall be in an aggregate amount of \$1,000,000, or any whole multiple of \$100,000 in excess thereof or, if less, the entire amount thereof and (iii) if, after giving effect to any reduction of the Commitments, the applicable Letter of Credit Sublimit or the Swing Line Sublimit exceeds the amount of the Participating Revolving Credit Commitments, such sublimit shall be automatically reduced by the amount of such excess. Except as provided in the immediately preceding sentence, the amount of any such Revolving Credit Commitment reduction shall not be applied to the applicable Letter of Credit Sublimit or the Swing Line Sublimit unless otherwise specified by a Borrower. Notwithstanding the foregoing, a Borrower may rescind or postpone any notice of termination of any Commitments if such termination would have resulted from a refinancing of all of the applicable Facility or other conditional event, which refinancing or other event shall not be consummated or otherwise shall be delayed.

(b) *Mandatory.* The Term Commitment of each Term B-5 Lender with a Term B-5 Loan Commitment was terminated on the date of the borrowing of the Term B-5 Loans. The Term Commitment of each Term B-6 Lender with a Term B-6 Loan Commitment was terminated on the date of the borrowing of the Term B-6 Loans. The Term Commitment of each Term B-7 Lender with a Term B-7 Loan Commitment shall terminate on the Term B-7 Loan Commitment Termination Date. The Term Commitment of each Term Lender with respect to any Additional Facility Loan, any Refinancing Term Loan or any Term Loan Extension Series shall be automatically and permanently reduced to zero upon the funding (in full, if provided for in the applicable Additional Facility Joinder Agreement, Refinancing Amendment or Extension Amendment) of Term Loans to be made by it on the date set forth in the corresponding Additional Facility Joinder Agreement, Refinancing Amendment or Extension Amendment. The Revolving Credit Commitment of each Revolving Credit Lender shall automatically and permanently terminate on the Maturity Date for the applicable Class of Revolving Credit Commitments; *provided* that (x) the foregoing shall not release any Revolving Credit Lender from any liability it may have for its failure to fund Revolving Credit Loans, L/C Advances or participations in Swing Line Loans that were required to be funded by it on or prior to such Maturity Date and (y) the foregoing will not release any Revolving Credit Lender from any obligation to fund its portion of L/C Advances or participations in Swing Line Loans with respect to Letters of Credit issued or Swing Line Loans made prior to such Maturity Date. Each Additional Facility Commitment shall terminate on the date specified in the relevant Additional Facility Joinder Agreement.

(c) *Application of Commitment Reductions; Payment of Fees.* The Administrative Agent will promptly notify the Appropriate Lenders of any termination or reduction of unused portions of the applicable Letter of Credit Sublimit or the Swing Line Sublimit or the unused Commitments of any Class under this Section 2.06. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced by such Lender's Pro Rata Share of the amount by which such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.12). All commitment fees accrued until the effective date of any termination of the Aggregate Commitments shall be paid on the effective date of such termination.

(d) *Treatment of Classes.* Notwithstanding anything to the contrary set forth above in this Section 2.06, an Initial Borrower may elect, in its discretion, to terminate the unused amount of any Class of Revolving Credit Commitments, or from time to time permanently reduce the unused amount of any Class of Revolving Credit Commitments, in accordance with the provisions of clause (a) of this Section 2.06 on a non-pro rata basis with any other Class of Revolving Credit Commitments. In connection with any proposed reduction or termination of Revolving Credit Commitments as contemplated in this Section 2.06(d), each of the participations in each Swing Line Loan or Letter of Credit granted to and acquired by the Revolving Credit Lenders whose Revolving Credit Commitments are the subject of the proposed reduction or termination shall, so long as the Revolving Credit Commitments shall remain outstanding, be reallocated to the Revolving Credit Lenders whose Revolving Credit Commitments shall remain outstanding in accordance with such Revolving Credit Lenders' respective Pro Rata Shares of such Revolving Credit Commitments (determined after giving effect to any such reduction or termination); *provided* that to the extent that the amount of such reallocation

would cause the aggregate Revolving Credit Exposure of the Revolving Credit Lenders (or any one of them) to exceed the aggregate amount of the applicable Revolving Credit Commitments (or the Revolving Credit Commitments of any one Revolving Credit Lender), immediately prior to such reallocation (determined after giving effect to any such reduction or termination), the amount of the Swing Line Loans and L/C Obligations to be reallocated equal to such excess shall be repaid (if a Swing Line Loan) or Cash Collateralized in a manner reasonably satisfactory to the relevant Swing Line Lender or L/C Issuer (or Alternative L/C Issuer), as applicable.

Section 2.07. Repayment of Loans.

(a) *Term Loans.*

(i) The Borrowers shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for any Class of Term Loans, the aggregate principal amount of all Term Loans of such Class outstanding on such date.

(ii) The amount of any such payment set forth in sub-clause (i) above shall be adjusted to account for the addition of any Extended Term Loans or Refinancing Term Loans to contemplate (A) the reduction in the aggregate principal amount of any Term Loans that were paid down in connection with the Incurrence of such Extended Term Loans or Refinancing Term Loans, and (B) any increase to payments to the extent and as required pursuant to the terms of any applicable Extension Amendment or Refinancing Amendment.

(iii) Any Borrower which has drawn an Additional Facility Loan shall repay such Loan under the Additional Facility in accordance with the provisions of the relevant Additional Facility Joinder Agreement.

(b) *Revolving Credit Loans.* The Borrowers shall, jointly and severally, repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for any Class of Revolving Credit Commitments the aggregate outstanding principal amount of all Revolving Credit Loans made in respect of such Revolving Credit Commitments of such Class or otherwise in accordance with the provisions of the relevant Additional Facility Joinder Agreement, Refinancing Amendment or Extension Amendment.

(c) *Swing Line Loans.* The Borrowers shall repay the aggregate principal amount of each Swing Line Loan (i) on the earlier to occur of (A) the date five Business Days after such Loan is made and (B) the Latest Maturity Date for the Participating Revolving Credit Commitments of the relevant Class or (ii) otherwise in accordance with the provisions of the relevant Additional Facility Joinder Agreement, Refinancing Amendment or Extension Amendment.

Section 2.08. Interest.

(a) Subject to the provisions of Section 2.08(b): (i) each Eurocurrency Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurocurrency Rate for such Interest Period plus the Applicable Rate; (ii) each SOFR Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to Adjusted Term SOFR for such Interest Period plus the Applicable Rate; (iii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate; and (iv) each Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate for the relevant Class of Revolving Credit Loans.

(b) During the continuance of a Default under Section 8.01(a), each Borrower shall pay interest on past due amounts owing by it hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws; *provided* that no interest at the Default Rate shall accrue or be payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender. Accrued and unpaid interest on such amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

(d) Each Additional Facility Loan shall bear interest at a rate specified in the Additional Facility Joinder Agreement.

(e) In connection with the use or administration of Term SOFR, the Administrative Agent will have the right to make Conforming Changes (with the consent of the Company) from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. The Administrative Agent will promptly notify the Borrowers and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR.

Section 2.09. Fees. In addition to certain fees described in Sections 2.03(h) and (i):

(a) *Commitment Fee*. The Borrowers agree to pay to the Administrative Agent for the account of each Revolving Credit Lender under each Class of Revolving Credit Commitments in accordance with its Pro Rata Share or other applicable share provided for under this Agreement, a commitment fee equal to the product of the Applicable Rate with respect to unused Revolving Credit Commitment fees for such Class and the actual daily amount by which the aggregate Revolving Credit Commitment for the applicable Class of Revolving Credit Commitments exceeds the sum of (A) the Outstanding Amount of Revolving Credit Loans for such Class of Revolving Credit Commitments and (B) the Outstanding Amount of L/C Obligations for such Class of Revolving Credit Commitments; *provided* that any commitment fee accrued with respect to any of the Revolving Credit Commitments of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrowers so long as such Lender shall be a Defaulting Lender except to the extent that such commitment fee shall otherwise have been due and payable by the Borrowers prior to such time; *provided, further*, that no commitment fee shall accrue on any of the Revolving Credit Commitments of a Defaulting Lender so long as such Lender shall be a Defaulting Lender. The commitment fee on each Class of Revolving Credit Commitments (unless otherwise specified in the relevant Additional Facility Joinder Agreement, Extension Amendment or Refinancing Amendment) shall accrue at all times starting from the first day of the Revolving Credit Availability Period for such Class, until the earlier of (x) the last day of the Revolving Credit Availability Period for such Class of Revolving Credit Commitments and (y) the date of the termination of the Revolving Credit Commitments of such Class, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable (i) quarterly in arrears on the last Business Day of each of March, June, September and December, commencing with the first such date during the first full fiscal quarter to occur after the first day of the Revolving Credit Availability Period for such Class of Revolving Credit Commitments, and (ii) on the earlier of (x) the Maturity Date for such Class of Revolving Credit Commitments and (y) the date of the termination of the Revolving Credit Commitments of such Class. The commitment fee shall be calculated quarterly in arrears, and if there is any change in the Applicable Rate during any quarter, the actual daily amount shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(b) *Other Fees*. Each Borrower shall pay to the Administrative Agent and/or the Arrangers, as applicable, such fees as shall have been separately agreed upon with such Persons in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between such Borrower and the Administrative Agent or the Arrangers, as applicable).

(c) *Additional Facility Fees*. If specified in the relevant Additional Facility Joinder Agreement, the Borrowers shall pay to the Administrative Agent (for the account of each Lender under the relevant Additional Facility) an upfront fee computed at the rate specified in the relevant Additional Facility Joinder Agreement on that Lender's Commitment under that Additional Facility in accordance with the terms therein.

Section 2.10. Computation of Interest and Fees.

All computations of interest for Base Rate Loans (including Base Rate Loans determined by reference to the Eurocurrency Rate, Adjusted Term SOFR or the prime rate) or Revolving Credit Loans denominated in Sterling shall be made on the basis of a year of 365 days, or 366 days, as applicable, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360 day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is repaid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one day. In computing interest on any Loan, in each case as applicable, the day such Loan is made (or converted to a Loan of a different Type) shall be included and the day such Loan is repaid (or converted to a Loan of a different Type) shall be excluded. Each determination by the Administrative Agent of interest or fees hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.11. Evidence of Indebtedness.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of United States Department of the Treasury Regulation Section 5f.103-1(c), as non-fiduciary agent for the Borrowers, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be *prima facie* evidence absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrowers hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, each Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in Section 2.11(a) or Section 10.07(d), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to Sections 2.11(a) and (b) or Section 10.07(d), and by each Lender in its account or accounts pursuant to Sections 2.11(a) and (b), shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from each Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of each Borrower under this Agreement and the other Loan Documents.

Section 2.12. Payments Generally.

(a) All payments to be made by the Borrowers shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein and except with respect to payments in an Available Currency (and payments in respect of Alternative Letters of Credit), all payments by the Borrowers hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars and in Same Day Funds not later than 2:00 p.m. on the date specified herein. Except as otherwise expressly provided herein and with respect to payments in respect of Alternative Letters of Credit, all payments by the Borrowers hereunder in an Available Currency (other than Dollars) shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in such

Available Currency and in Same Day Funds not later than 2:00 p.m. (London time) on the dates specified herein. If, for any reason, the Borrowers are prohibited by any Law from making any required payment hereunder in an Available Currency (other than Dollars), except in respect of Alternative Letters of Credit, the Borrowers shall make such payment in Dollars in the Dollar Equivalent, as calculated by the Company, of the Available Currency payment amount. The Administrative Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share provided for under this Agreement) of such payment in like funds as received by wire transfer (or as otherwise agreed between the Administrative Agent and such Lender) to such Lender's applicable Lending Office. All payments received by the Administrative Agent (i) after 2:00 p.m. in the case of Dollars or (ii) after 2:00 pm (London time) in the case of payments in an Available Currency (other than Dollars), shall, in each case, be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue to, but excluding, such next succeeding Business Day. Payments owing to an Alternative L/C Issuer in respect of reimbursement obligations under an Alternative Letter of Credit shall, to the extent not paid with the proceeds of a Revolving Credit Borrowing, be made directly by the relevant Borrower to such Alternative L/C Issuer.

(b) If any payment to be made by any Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall not be reflected in computing interest or fees, as the case may be; *provided* that, if such extension would cause payment of interest on or principal of Eurocurrency Rate Loans or SOFR Loans, as applicable, to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(c) Unless a Borrower or any Lender has notified the Administrative Agent, prior to the date any payment is required to be made by it to the Administrative Agent hereunder, that the Borrowers or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrowers or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then:

(i) if a Borrower failed to make such payment, each Lender shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in Same Day Funds at the applicable Overnight Rate from time to time in effect; and

(ii) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to a Borrower to the date such amount is recovered by the Administrative Agent (the "**Compensation Period**") at a rate per annum equal to the applicable Overnight Rate from time to time in effect. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender's Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent may make a demand therefor upon the Borrowers, and the Borrowers shall pay such amount to the Administrative Agent, together with interest thereon for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrowers may have against any Lender as a result of any default by such Lender hereunder.

A notice of the Administrative Agent to any Lender or the Borrowers with respect to any amount owing under this Section 2.12(c) shall be conclusive, absent manifest error.

(d) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrowers by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV or in the applicable Additional Facility Joinder Agreement, Extension Amendment or Refinancing Amendment are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(e) The obligations of the Lenders hereunder to make Loans and to fund participations in Letters of Credit and Swing Line Loans are several and not joint. The failure of any Lender to make any Loan or to fund any such participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(f) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(g) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.03. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may (to the fullest extent permitted by mandatory provisions of applicable Law), but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the sum of (i) the Outstanding Amount of all Loans outstanding at such time and (ii) the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

Section 2.13. Sharing of Payments. If, other than as expressly provided elsewhere herein or required by court order, any Lender shall obtain payment in respect of any principal or interest on account of the Loans made by it, or the participations in L/C Obligations and Swing Line Loans held by it, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact and (b) purchase from the other Lenders such participations in the Loans made by them and/or such subparticipations in the participations in L/C Obligations or Swing Line Loans held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of any principal or interest on such Loans or such participations, as the case may be, pro rata with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. For the avoidance of doubt, the provisions of this paragraph shall not be construed to apply to (A) any payment made by a Borrower pursuant to and in accordance with the express terms of this Agreement as in effect from time to time (including the application of funds arising from the existence of a Defaulting Lender) or (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder or (C) any receipt or recovery by a Lender in its capacity as an Alternative L/C Issuer at any time prior to the Administrative Agent having exercised any of its rights under Section 8.02 or Section 2.05(b)(ix)(B) (an "**Acceleration Event**"); *provided* that, following the occurrence of an Acceleration Event, the provisions of this paragraph shall apply to all receipts and recoveries by Alternative L/C Issuers. Each Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of such Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased. For purposes of sub-clause (e)(i) of the definition of "Indemnified Taxes", a Lender that acquires a

participation pursuant to this Section 2.13 shall be treated as having acquired such participation on the earlier date(s) on which such Lender acquired the applicable interest(s) in the Commitment(s) and/or Loan(s) to which such participation relates.

Section 2.14. Additional Facilities.

(a) By at least two Business Days' notice to the Administrative Agent (or such shorter period as the Administrative Agent shall agree), and pursuant to the terms and conditions in this Section 2.14 and in the applicable Additional Facility Joinder Agreement or Increase Confirmation, an Additional Facility or an Increase (as defined below) may be provided to any Loan Party in an aggregate principal amount not to exceed the Additional Facility Available Amount (as determined on the date of Incurrence thereof); *provided* that (i) on the date of the proposed Additional Facility Loan all representations and warranties to be made in a Request for Credit Extension in accordance with Section 4.03 are true and correct in all material respects (or, with respect to any representation or warranty that is qualified as to "materiality", "Material Adverse Effect" or similar language, after giving effect to any qualification therein, in all respects) on and as of the date of the proposed Additional Facility Loan with the same effect as though made on and as of such date, except to the extent such representations and warranties expressly relate to an earlier date, in which case they shall be true and correct in all material respects (or, with respect to any such representation or warranty that is qualified as to "materiality", "Material Adverse Effect" or similar language, after giving effect to any qualification therein, in all respects) as of such earlier date, and (ii) no Event of Default is continuing on such date or would occur after giving effect to the proposed advance; *provided, further*, that in connection with any Additional Facility the primary purpose of which is to finance a Limited Condition Transaction, the conditions set forth in Section 2.14(a)(i) and (ii) shall not be required to be satisfied (other than to the extent required by the Additional Facility Lenders party thereto).

(b) Any person may become a Lender under this Agreement by delivering to the Administrative Agent an Additional Facility Joinder Agreement which must be duly executed by that person, the Administrative Agent, the applicable Borrower and the applicable Additional Borrower, if any. That person shall become a Lender on the date specified in the Additional Facility Joinder Agreement. Additional Facilities may be provided by any existing Lender, but no existing Lender will have an obligation to make an Additional Facility Commitment nor will the applicable Borrower have any obligation to approach any existing Lender to provide any Additional Facility Commitment.

(c) Upon the relevant person becoming a Lender, the total of the Commitments under this Agreement shall be increased by the amount set out in the relevant Additional Facility Joinder Agreement as that Lender's Additional Facility Commitment.

(d) Each Lender under an Additional Facility will grant to the applicable Borrower a term or revolving loan facility in the amount specified in the relevant Additional Facility Joinder Agreement during the Additional Facility Availability Period specified in the Additional Facility Joinder Agreement, subject to the terms of this Agreement.

(e) No Additional Facility shall have the benefit of any guarantee unless the existing Lenders also share in such guarantee. The execution by the applicable Borrower, the Guarantors and the relevant Additional Borrower of the Additional Facility Joinder Agreement shall constitute confirmation by each Guarantor that its obligations under the Guaranty shall extend to the total of the Commitments as increased by the addition of the relevant Lender's Commitment and shall be owed to each Secured Party including the relevant Lender but otherwise shall continue unaffected.

(f) The aggregate amount of all outstanding Additional Facility Loans under an Additional Facility shall not at any time exceed the relevant Total Additional Facility Commitments for that Additional Facility.

(g) The aggregate amount of the participations of a Lender in Additional Facility Loans under an Additional Facility shall not at any time exceed that Lender's Additional Facility Commitment for that Additional Facility at that time.

(h) No Additional Facility shall have the benefit of any security unless the existing Lenders also share in such security (except in the case of a security interest in any Escrow Account relating to an Additional

Facility during the escrow period applicable to such Additional Facility); *provided* that the Additional Facility Borrowers and the relevant Additional Facility Lender may agree that an Additional Facility shares in the Collateral on a junior basis to the other Facilities. The effectiveness of an Additional Facility shall be subject to customary reaffirmation in respect of any Collateral Documents and, to the extent reasonably requested by the Administrative Agent, delivery of a written opinion of counsel to the Loan Parties in form and substance reasonably satisfactory to the Administrative Agent.

(i) in respect of each Additional Facility:

(i) each Additional Facility Borrower for that Additional Facility is a Loan Party;

(ii) the principal amount, interest rate, interest periods, Latest Maturity Date, use of proceeds, repayment schedule, availability, fees, incorporation of relevant clauses relating to, or in connection with, any Additional Facility and related provisions, and the currency of that Additional Facility shall be agreed by the relevant Additional Facility Borrowers and the relevant Additional Facility Lenders (and, in the case of currency and incorporation of the relevant clauses relating to, or in connection with, any Additional Facility which is a revolving facility, the Administrative Agent) and set out in the relevant Additional Facility Joinder Agreement;

(iii) the relevant Additional Facility Joinder Agreement shall specify whether that Additional Facility is in form of a term loan or a revolving loan;

(iv) notwithstanding anything to the contrary in this Agreement, (A) any Additional Revolving Facility may provide for the ability on a voluntary basis to permanently repay and terminate or reduce any Revolving Credit Commitments on a pro rata basis, less than or greater than a pro rata basis with other outstanding revolving Facilities hereunder and (B) any Additional Facility Loan in the form of a term loan may participate on a pro rata basis, less than or greater than a pro rata basis in any voluntary prepayments of the Term Loans hereunder under other outstanding Classes of Term Loans, and on a pro rata basis or less than a pro rata basis in any mandatory prepayments of the Term Loans hereunder under other outstanding Classes of Term Loans;

(v) the Revolving Credit Commitments in respect of any Additional Revolving Facility may, at the election of the Company, be designated as Financial Covenant Revolving Credit Commitments;

(vi) each Additional Facility Joinder Agreement may provide for the consent of the Additional Facility Lenders under the applicable Additional Facility (including any Increase in respect thereof) to one or more amendments to this Agreement and the other Loan Documents (in addition to those amendments contemplated by Section 2.14(o)), and each party to this Agreement acknowledges and agrees that such consent shall be binding on all Additional Facility Lenders in respect of such Additional Facility and shall be counted for purposes of the definition of determining whether the consent of the Required Lenders, Required Class Lenders, Required Revolving Credit Lenders and affected Lenders has been obtained, and for all other relevant purposes under Section 10.01; and

(vii) subject to sub-clauses (i), (ii), (iv), (v) and (vi) above, the general terms of that Additional Facility shall be consistent in all material respects with the terms of this Agreement.

(j) The Borrowers may pay to any Additional Facility Lender a fee in the amount and at the times agreed between the applicable Borrower and that Additional Facility Lender.

(k) Each Additional Facility Lender shall become a party to this Agreement and be entitled to share in the Collateral in accordance with the terms of this Agreement, any applicable Intercreditor Agreement and the Collateral Documents *pari passu* with the Lenders under the other Facilities; *provided* that the Additional Facility Borrowers and the relevant Additional Facility Lender may agree that an Additional Facility shares in the Collateral on a junior basis to the other Facilities which, if so agreed, shall be set out in the relevant Additional Facility Joinder Agreement. In addition, each Additional Facility Lender shall be subject to any applicable Intercreditor Agreement or enter into equivalent intercreditor arrangements having a similar effect.

(l) Each party to this Agreement (other than each proposed Additional Facility Lender, the applicable Borrower and each Additional Facility Borrower) irrevocably authorizes and instructs the Administrative Agent to execute on its behalf any Additional Facility Joinder Agreement which has been duly completed and signed on behalf of each proposed Additional Facility Lender, the applicable Borrower and each proposed Additional Facility Borrower and each Loan Party agrees to be bound by such joinder.

(m) On the Additional Facility Commencement Date:

(i) each Additional Facility Lender party to that Additional Facility Joinder Agreement, each other Finance Party and the Loan Parties shall acquire the same rights and assume the same obligations between themselves as they would have acquired and assumed had each Additional Facility Lender been a Lender on the 2020 Amendment Effective Date, with the rights and/or obligations assumed by it as a result of that accession and with the Commitment specified by it as its Additional Facility Commitment; and

(ii) each Additional Facility Lender shall become a party to this Agreement as an “**Additional Facility Lender**”.

(n) [Reserved.]

(o) With the prior written consent of the Company, the Administrative Agent is authorized and instructed to enter into such documentation as is reasonably required to amend this Agreement and any other Loan Document (in accordance with the terms of this Section 2.14) to reflect the terms of each Additional Facility without the consent of any Lender other than each applicable Additional Facility Lender, including amendments as deemed necessary by the Administrative Agent in its reasonable judgment to effect any lien or payment subordination and associated rights of the applicable Lenders to the extent any Additional Facilities are to rank junior in right of security or payment or to address technical issues relating to funding and payments.

(p) This Section 2.14 shall supersede any provisions in Section 2.13 or Section 10.01 to the contrary.

(q) The facilities under which any Term Commitments or Revolving Credit Commitments have been made available may be increased by any amount (an “**Increase**”) which shall not exceed the Additional Facility Available Amount by the execution by any Lender or Additional Facility Lender of one or more Additional Facility Joinder Agreements or Increase Confirmations (under which the Maturity Date, Applicable Rate and any other economic terms applicable to the relevant Additional Facility Commitments are the same as those applicable to the existing Term Commitments or Revolving Credit Commitments, as applicable). Following any such Increase, references to Term Loans and Revolving Credit Loans, as applicable, and the Lenders in respect of the Term Loans and Revolving Credit Loans, as applicable, shall include Lenders and Loans made under any such Additional Facility Joinder Agreements or Increase Confirmations. In respect of any such Increase:

(i) (A) on the date of the proposed Increase, all representations and warranties to be made in a Request for Credit Extension in accordance with Section 4.03 shall be true and correct in all material respects (or, with respect to any representation or warranty that is qualified as to “materiality”, “Material Adverse Effect” or similar language, after giving effect to any qualification therein, in all respects) on and as of the date of the proposed Increase with the same effect as though made on and as of such date, except to the extent such representations and warranties expressly relate to an earlier date, in which case they shall be true and correct in all material respects (or, with respect to any such representation or warranty that is qualified as to “materiality”, “Material Adverse Effect” or similar language, after giving effect to any qualification therein, in all respects) as of such earlier date, and (B) no Event of Default is continuing on such date or would occur after giving effect to the proposed advance; provided that, in connection with any such Increase the primary purpose of which is to finance a Limited Condition Transaction, the conditions set forth in this Section 2.14(q)(i) and foregoing sub-clauses (A) and (B) shall not be required to be satisfied (other than to the extent required by any Lender or Additional Facility Lender in respect of such Increase);

(ii) each party to this Agreement (other than the relevant Lender or Additional Facility Lender and the applicable Borrower) irrevocably authorizes and instructs the Administrative Agent to execute on its behalf any Additional Facility Joinder Agreement or Increase Confirmation which has been duly

completed and signed on behalf of each Lender or proposed Additional Facility Lender, the applicable Borrower and each Loan Party agrees to be bound by such joinder; and

(iii) with the prior written consent of the Company, the Administrative Agent is authorized and instructed to enter into such documentation as is reasonably required to amend this Agreement and any other Loan Document (in accordance with the terms of this Section 2.14) to reflect the terms of each Increase without the consent of any Lender other than each applicable Additional Facility Lender.

(r) Upon any Additional Facility Commencement Date on which Revolving Credit Commitments in respect of an Additional Revolving Facility (the “**Additional Revolving Credit Commitments**”) are effected through an increase in the Revolving Credit Commitments with respect to any existing Facility (the “**Original Revolving Credit Facility**”) pursuant to this Section 2.14, each of the Revolving Credit Lenders under such Facility shall assign to each of the Additional Lenders under such Additional Revolving Facility (the “**Additional Revolving Credit Lenders**”), and each of the Additional Revolving Credit Lenders shall purchase from each of the Revolving Credit Lenders, at the principal amount thereof, such interests in the Revolving Credit Loans outstanding on such Additional Facility Commencement Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Credit Loans will be held by existing Revolving Credit Lenders and Additional Revolving Credit Lenders ratably in accordance with their Revolving Credit Commitments after giving effect to the addition of such Additional Revolving Credit Commitments to the Revolving Credit Commitments; *provided* that the Administrative Agent and the Company may agree to give effect to the foregoing provisions on or after the next Interest Payment Date with respect to any Revolving Credit Loans outstanding under the Original Revolving Credit Facility on the Additional Facility Commencement Date. The Administrative Agent and the Lenders hereby agree that the minimum borrowing and prepayment requirements in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

Section 2.15. Refinancing Amendments.

(a) On one or more occasions after the 2020 Amendment Effective Date, the Borrowers may obtain, from any Lender or any other bank, financial institution or other institutional lender or investor that agrees to provide any portion of Credit Agreement Refinancing Indebtedness in the form of Refinancing Term Loans or Other Revolving Credit Commitments pursuant to a Refinancing Amendment in accordance with this Section 2.15 (each, an “**Additional Refinancing Lender**”) (*provided* that (i) solely with respect to Other Revolving Credit Commitments and Other Revolving Credit Loans, the Administrative Agent, each Swing Line Lender and each L/C Issuer shall have consented (not to be unreasonably withheld or delayed) to such Lender’s or Additional Refinancing Lender’s providing such Other Revolving Credit Commitments to the extent such consent, if any, would be required under Section 10.07(b) for an assignment of Revolving Credit Commitments to such Lender or Additional Refinancing Lender, unless such Lender or Additional Refinancing Lender is an existing Revolving Credit Lender or any Affiliate or Approved Fund of an existing Revolving Credit Lender, (ii) with respect to Refinancing Term Loans, any Affiliated Lender providing Refinancing Term Loans shall be subject to the same restrictions set forth in Section 10.07(k) as they would otherwise be subject to with respect to any purchase by or assignment to such Affiliated Lender of Term Loans and (iii) Affiliated Lenders may not provide Other Revolving Credit Commitments), in respect of all or any portion of any Class, series or tranche, as selected by the Borrowers in their sole discretion without prejudice to Section 2.05(a)(i), of Term Loans or Revolving Credit Loans (or unused Revolving Credit Commitments or Additional Facility Commitments) then outstanding under this Agreement, in the form of Refinancing Term Loans, Refinancing Term Commitments, Other Revolving Credit Commitments, or Other Revolving Credit Loans, in each case, constituting Credit Agreement Refinancing Indebtedness pursuant to a Refinancing Amendment; *provided* that notwithstanding anything to the contrary in this Section 2.15 or otherwise, (A) the borrowing and repayment (except for (1) payments of interest and fees at different rates on Other Revolving Credit Commitments (and related outstandings), (2) repayments required upon the maturity date of the Other Revolving Credit Commitments, (3) repayments made in connection with any refinancing of Other Revolving Credit Commitments and (4) repayment made in connection with a permanent repayment and termination of commitments (subject to sub-clause (C) below)) of Loans with respect to Other Revolving Credit Commitments after the date of obtaining any Other Revolving Credit Commitments shall be made on a pro rata basis (or, in the case of repayment, on a pro rata basis or less than pro rata basis) with all other Revolving Credit Commitments, (B) subject to the provisions of Section 2.03(m) and Section 2.04(g) to the extent dealing with Swing Line Loans and Letters of Credit which mature or expire after a maturity date when there exist Other Revolving Credit Commitments with

a longer maturity date, all Swing Line Loans and Letters of Credit shall be participated on a pro rata basis by all Lenders with Commitments in accordance with their percentage of the Revolving Credit Commitments existing on the date such Other Revolving Credit Commitments are obtained (and except as provided in Section 2.03(m) and Section 2.04(g), without giving effect to changes thereto on an earlier maturity date with respect to Swing Line Loans and Letters of Credit theretofore incurred or issued), (C) the permanent repayment of Revolving Credit Loans with respect to, and termination of, Other Revolving Credit Commitments after the date of obtaining any Other Revolving Credit Commitments shall be made on a pro rata basis, less than pro rata basis or greater than pro rata basis with all other Revolving Credit Commitments and (D) assignments and participations of Other Revolving Credit Commitments and Other Revolving Credit Loans shall be governed by the same assignment and participation provisions applicable to Revolving Credit Commitments and Revolving Credit Loans existing on the date such Other Revolving Credit Commitments are obtained.

(b) The effectiveness of any Refinancing Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.03 and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of (i) customary legal opinions, board resolutions and officers' certificates consistent with those delivered on the 2020 Amendment Effective Date other than changes to such legal opinion resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Administrative Agent and (ii) reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that such Credit Agreement Refinancing Indebtedness is provided with the benefit of the applicable Loan Documents.

(c) Each Refinancing Series shall be in an aggregate principal amount that is not less than \$1,000,000 in the case of an Other Revolving Credit Commitment and \$15,000,000 in the case of a Refinancing Term Commitment; *provided* that such amounts may be less than \$1,000,000 and \$15,000,000, respectively, if such amount is equal to (i) the entire outstanding principal amount of the Refinanced Debt that is in the form of Revolving Credit Commitments or (ii) the entire principal amount of Refinanced Debt that is in the form of Term Loans.

(d) Each of the parties hereto hereby agrees that this Agreement and the other Loan Documents may be amended pursuant to a Refinancing Amendment, without the consent of any other Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of the Credit Agreement Refinancing Indebtedness Incurred pursuant thereto, (ii) make such other changes to this Agreement and the other Loan Documents consistent with the provisions and intent of the third paragraph of Section 10.01 (without the consent of the Required Lenders called for therein) and (iii) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Company, to effect the provisions of this Section 2.15, and the Required Lenders hereby expressly authorize the Administrative Agent to enter into any such Refinancing Amendment.

(e) This Section 2.15 shall supersede any provisions in Section 2.13 or Section 10.01 to the contrary.

(f) Notwithstanding anything in this Agreement to the contrary, nothing in this Section 2.15 will be construed to limit the provisions of Section 2.14 or the ability to Incur Indebtedness, including Refinancing Indebtedness, under Section 4.09 of Annex II.

Section 2.16. Extension of Term Loans; Extension of Revolving Credit Loans.

(a) *Extension of Term Loans.* The applicable Borrower may at any time and from time to time request that all or a portion of the Term Loans of any given Class (or series or tranche thereof) selected by it in its sole discretion (an "**Existing Term Loan Tranche**") be amended, converted or exchanged to extend the scheduled Maturity Date(s) with respect to all or a portion of any principal amount of the Term Loans of such Existing Term Loan Tranche (any such Term Loans which have been so amended, extended, or converted, "**Extended Term Loans**") and to provide for other terms consistent with this Section 2.16. In order to establish any Extended Term Loans, the applicable Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Term Loan Tranche) (each, a "**Term Loan Extension Request**") setting forth the proposed terms of the Extended Term Loans to be established, which shall (i) be identical as offered to each Lender under such Existing Term Loan Tranche

(including as to the proposed interest rates and fees payable, but excluding any arrangement, structuring or other similar fees payable in connection therewith that are not generally shared with all relevant Lenders) and offered pro rata to each Lender under such Existing Term Loan Tranche and (ii) be identical to the Term Loans under the Existing Term Loan Tranche from which such Extended Term Loans are intended to be amended, except that: (A) the scheduled final maturity date shall be extended and all or any of the scheduled amortization payments of principal of the Extended Term Loans, if any, may be delayed to later dates than the scheduled amortization payments of principal of the Term Loans of such Existing Term Loan Tranche, to the extent provided in the applicable Extension Amendment; (B) the All-In Yield with respect to the Extended Term Loans (whether in the form of interest rate margin, upfront fees, OID or otherwise) may be different than the All-In Yield for the Term Loans of such Existing Term Loan Tranche, in each case, to the extent provided in the applicable Extension Amendment; (C) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the Extension Amendment (immediately prior to the establishment of such Extended Term Loans); and (D) Extended Term Loans may have optional prepayment terms (including call protection and prepayment terms and premiums) as may be agreed by the applicable Borrower and the Lenders thereof; *provided* that no Extended Term Loans may be optionally prepaid prior to the date on which the Term Loans under the Existing Term Loan Tranche from which such Extended Term Loans were amended are repaid in full, unless such optional prepayment is accompanied by a pro rata optional prepayment of such Term Loans; *provided* that (1) subject to the Permitted Earlier Maturity Indebtedness Exception, the Weighted Average Life to Maturity of any Extended Term Loans (to the extent they are unsecured) of a given Term Loan Extension Series at the time of establishment thereof shall be no shorter than the remaining Weighted Average Life to Maturity of the Existing Term Loan Tranche from which such Extended Term Loans are amended, (2) all documentation in respect of such Extension Amendment shall be consistent with the foregoing and (3) any Extended Term Loans may participate on a pro rata basis or less than or greater than a pro rata basis in any voluntary repayments or prepayments of principal of Term Loans hereunder and on a pro rata basis or less than a pro rata basis (but not greater than a pro rata basis except in the case of a prepayment under Section 2.05(b)(iv) and Section 2.05(b)(vi)(A)(2)), in any mandatory repayments or prepayments of Term Loans hereunder, in each case as specified in the respective Term Loan Extension Request. Any Extended Term Loans amended pursuant to any Term Loan Extension Request shall be designated a series (each, a “**Term Loan Extension Series**”) of Extended Term Loans for all purposes of this Agreement; *provided* that any Extended Term Loans amended from an Existing Term Loan Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Term Loan Extension Series with respect to such Existing Term Loan Tranche. The applicable Borrower may impose an Extension Minimum Condition with respect to any Term Loan Extension Request, which may be waived by such Borrower in its sole discretion.

(b) *Extension of Revolving Credit Commitments.* The applicable Borrower may at any time and from time to time request that all or a portion of the Revolving Credit Commitments of any given Class (or series or tranche thereof) selected by it in its sole discretion (each, an “**Existing Revolver Tranche**”) be amended, converted or exchanged to extend the Maturity Date with respect to all or a portion of any principal amount of such Revolving Credit Commitments (any such Revolving Credit Commitments which have been so amended, converted or exchanged “**Extended Revolving Credit Commitments**”) and to provide for other terms consistent with this Section 2.16. In order to establish any Extended Revolving Credit Commitments, the applicable Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Revolver Tranche) (each, a “**Revolver Extension Request**”) setting forth the proposed terms of the Extended Revolving Credit Commitments to be established, which shall (i) be identical as offered to each Lender under such Existing Revolver Tranche (including as to the proposed interest rates and fees payable, but excluding any arrangement, structuring or other fees payable in connection therewith that are not generally shared with all relevant Lenders) and offered pro rata to each Lender under such Existing Revolver Tranche and (ii) be identical to the Revolving Credit Commitments under the Existing Revolver Tranche from which such Extended Revolving Credit Commitments are to be amended, except that: (A) the Maturity Date of the Extended Revolving Credit Commitments may be delayed to a later date than the Maturity Date of the Revolving Credit Commitments of such Existing Revolver Tranche, to the extent provided in the applicable Extension Amendment; (B) the All-In Yield with respect to extensions of credit under the Extended Revolving Credit Commitments (whether in the form of interest rate margin, upfront fees, OID or otherwise) may be different than the All-In Yield for extensions of credit under the Revolving Credit Commitments of such Existing Revolver Tranche, in each case, to the extent provided in the applicable Extension Amendment; (C) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the Extension

Amendment (immediately prior to the establishment of such Extended Revolving Credit Commitments); and (D) all borrowings under the applicable Revolving Credit Commitments (i.e., the Existing Revolver Tranche and the Extended Revolving Credit Commitments of the applicable Revolver Extension Series) and repayments thereunder shall be made on a pro rata basis (except for (1) payments of interest and fees at different rates on Extended Revolving Credit Commitments (and related outstandings) and (2) repayments required upon the Maturity Date of the non-extending Revolving Credit Commitments); *provided* that (A) in no event shall the Maturity Date of any Extended Revolving Credit Commitments of a given Revolver Extension Series at the time of establishment thereof be earlier than the then Latest Maturity Date of any other Revolving Credit Commitments hereunder and (B) all documentation in respect of such Extension Amendment shall be consistent with the foregoing. Any Extended Revolving Credit Commitments amended pursuant to any Revolver Extension Request shall be designated a series (each, a **“Revolver Extension Series”**) of Extended Revolving Credit Commitments for all purposes of this Agreement; *provided* that any Extended Revolving Credit Commitments amended from an Existing Revolver Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Revolver Extension Series with respect to such Existing Revolver Tranche. The applicable Borrower may impose an Extension Minimum Condition with respect to any Revolver Extension Request, which may be waived by such Borrower in its sole discretion.

(c) *Extension Request.* The applicable Borrower shall provide the applicable Extension Request at least two Business Days (or such shorter period as may be agreed by the Administrative Agent in its reasonable judgment) prior to the date on which Lenders under the Existing Term Loan Tranche or Existing Revolver Tranche, as applicable, are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.16. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Tranche amended into Extended Term Loans or any of its Revolving Credit Commitments of any Existing Revolver Tranche amended into Extended Revolving Credit Commitments, as applicable, pursuant to any Extension Request. Any Lender holding a Loan under an Existing Term Loan Tranche (each, an **“Extending Term Lender”**) wishing to have all or a portion of its Term Loans under the Existing Term Loan Tranche subject to such Extension Request amended into Extended Term Loans and any Revolving Credit Lender (each, an **“Extending Revolving Credit Lender”**) wishing to have all or a portion of its Revolving Credit Commitments under the Existing Revolver Tranche subject to such Extension Request amended into Extended Revolving Credit Commitments, as applicable, shall notify the Administrative Agent (each, an **“Extension Election”**) on or prior to the date specified in such Extension Request of the amount of its Term Loans under the Existing Term Loan Tranche or Revolving Credit Commitments under the Existing Revolver Tranche, as applicable, which it has elected to request be amended into Extended Term Loans or Extended Revolving Credit Commitments, as applicable (subject to any minimum denomination requirements imposed by the Administrative Agent). In the event that the aggregate principal amount of Term Loans under the Existing Term Loan Tranche or Revolving Credit Commitments under the Existing Revolver Tranche, as applicable, in respect of which applicable Term Lenders or Revolving Credit Lenders, as the case may be, shall have accepted the relevant Extension Request exceeds the amount of Extended Term Loans or Extended Revolving Credit Commitments, as applicable, requested to be extended pursuant to the Extension Request, Term Loans or Revolving Credit Commitments, as applicable, subject to Extension Elections shall be amended to Extended Term Loans or Revolving Credit Commitments, as applicable, on a pro rata basis (subject to rounding by the Administrative Agent, which shall be conclusive) based on the aggregate principal amount of Term Loans or Revolving Credit Commitments, as applicable, included in each such Extension Election.

(d) *Extension Amendment.* Extended Term Loans and Extended Revolving Credit Commitments shall be established pursuant to an amendment (including incorporating a new tranche of Extended Term Loans and/or Extended Revolving Credit Commitments, as applicable, in accordance with the Extension Election by the Extending Term Lenders and/or the Extending Revolving Credit Lenders) (each, an **“Extension Amendment”**) to this Agreement among the applicable Borrower, the Administrative Agent and each Extending Term Lender or Extending Revolving Credit Lender, as applicable, providing an Extended Term Loan or Extended Revolving Credit Commitment, as applicable, thereunder, which shall be consistent with the provisions set forth in Sections 2.16(a) or (b), respectively (but which shall not require the consent of any other Lender). The effectiveness of any Extension Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.03 and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of (i) legal opinions, board resolutions and officers’ certificates consistent with those delivered on the 2020 Amendment Effective Date (conformed as appropriate) other than

changes to such legal opinions resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Administrative Agent and (ii) reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that the Extended Term Loans or Extended Revolving Credit Commitments, as applicable, are provided with the benefit of the applicable Loan Documents. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Extension Amendment. Each of the parties hereto hereby agrees that this Agreement and the other Loan Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of the Extended Term Loans or Extended Revolving Credit Commitments, as applicable, Incurred pursuant thereto, (ii) modify the scheduled repayments set forth in Section 2.07 with respect to any Existing Term Loan Tranche subject to an Extension Election to reflect a reduction in the principal amount of the Term Loans required to be paid thereunder in an amount equal to the aggregate principal amount of the Extended Term Loans amended pursuant to the applicable Extension (with such amount to be applied ratably to reduce scheduled repayments of such Term Loans required pursuant to Section 2.07), (iii) modify the prepayments set forth in Section 2.05 to reflect the existence of the Extended Term Loans and the application of prepayments with respect thereto, (iv) address technical issues relating to funding and payments and (v) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the applicable Borrower, to effect the provisions of this Section 2.16, and the Required Lenders hereby expressly authorize the Administrative Agent to enter into any such Extension Amendment.

(e) No conversion of Loans pursuant to any Extension in accordance with this Section 2.16 shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

(f) This Section 2.16 shall supersede any provisions in Section 2.13 or 10.01 to the contrary.

(g) Notwithstanding anything in this Agreement to the contrary, nothing in this Section 2.16 will be construed to limit the provisions in Section 2.14.

Section 2.17. Defaulting Lenders.

(a) *Adjustments.* Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(ii) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise), shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to an L/C Issuer or a Swing Line Lender hereunder; *third*, if so determined by the Administrative Agent or requested by an L/C Issuer or a Swing Line Lender, to be held as Cash Collateral for future funding obligations of that Defaulting Lender of any participation in any Swing Line Loan or Letter of Credit; *fourth*, as the Company may request, so long as no Default or Event of Default has occurred and is continuing, to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Company, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; *sixth*, to the payment of any amounts owing to the Lenders, the L/C Issuers or the Swing Line Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender, L/C Issuer or Swing Line Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Default or Event of Default has occurred and is continuing, to the payment of any amounts owing to the Company as a result of any judgment of a court of competent jurisdiction obtained by the Company against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations

under this Agreement; and *eighth*, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (A) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which that Defaulting Lender has not fully funded its appropriate share and (B) such Loans or L/C Borrowings were made at a time when the conditions set forth in Section 4.03 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Borrowings owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Borrowings owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.17(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees. That Defaulting Lender (A) shall not be entitled to receive any commitment fee pursuant to Section 2.09(a) or 2.09(b) for any period during which that Lender is a Defaulting Lender (and the applicable Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (B) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.03(h).

(iv) Reallocation of Pro Rata Share to Reduce Fronting Exposure. During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit or Swing Line Loans pursuant to Sections 2.03 and 2.04, the "Pro Rata Share" of each such Non-Defaulting Lender's Revolving Credit Loans and L/C Obligations shall be computed without giving effect to the Participating Revolving Credit Commitment of that Defaulting Lender; *provided* that (A) each such reallocation shall be given effect only if, at the date the applicable Lender becomes a Defaulting Lender, no Default or Event of Default has occurred and is continuing; and (B) the aggregate obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit and Swing Line Loans shall not exceed the positive difference, if any, of (1) the Participating Revolving Credit Commitment of that Non-Defaulting Lender minus (2) the aggregate Outstanding Amount of the Loans of that Non-Defaulting Lender under such Participating Revolving Credit Commitments. Subject to Section 2.19, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(b) Defaulting Lender Cure. If the Company, the Administrative Agent, each Swing Line Lender and each L/C Issuer agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice, and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the applicable Class of Revolving Credit Loans and funded and unfunded participations in Letters of Credit and Swing Line Loans to be held on a pro rata basis by the Lenders in accordance with their Pro Rata Share (without giving effect to Section 2.17(a)(iv)), whereupon that Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Company while that Lender was a Defaulting Lender; *provided, further*, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(c) Termination of Revolving Credit Commitments. The Borrowers shall have the right to terminate any Revolving Credit Commitment of a Defaulting Lender in accordance with Section 2.06 solely to the extent such termination does not cause the Revolving Credit Exposure of such Class to exceed the Revolving Credit Commitment of such Class.

Section 2.18. General limitation on each Borrower's Obligation

In any action or proceeding involving any state corporate limited partnership or limited liability company law, or any applicable state, federal or foreign bankruptcy, insolvency, reorganization or other applicable Law affecting the rights of creditors generally, if the obligations of any Borrower under this

Agreement would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability hereunder, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Borrower, any Loan Party or any other Person, be automatically limited and reduced to the highest amount that is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

Section 2.19. Acknowledgement and Consent to Bail-In of EEA Financial Institutions.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
 - (iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

**ARTICLE III
TAXES, INCREASED COSTS PROTECTION AND ILLEGALITY**

Section 3.01. Taxes.

(a) Save in respect of any payments in connection with any Loan to a UK Borrower (a “**UK Payment**”) (to which Section 3.02 shall apply in place of this Section 3.01(a)) or to an Irish Borrower (an “**Irish Payment**”) (to which Section 3.02 shall apply in place of this Section 3.01(a)) or to a Belgian Borrower (a “**Belgian Payment**”) (to which Section 3.03 shall apply in place of this section 3.01(a)), and except as provided in this Section 3.01, any and all payments made by or on account of each Borrower (the term Borrower under Article III being deemed to include any Loan Party or Subsidiary of such Loan Party for whose account a Letter of Credit or Alternative Letter of Credit is issued) or Guarantor under any Loan Document shall be made without any deduction for Taxes, except as required by applicable Laws. If any Loan Party or other applicable withholding agent shall be required by applicable Laws to make a deduction, (i) if the Tax in question is an Indemnified Tax or Other Tax, the sum payable by any Loan Party shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums paid under this Section 3.01(a)), each Lender (or, in the case of a payment made to the Administrative Agent, an Arranger or a Bookrunner for its own account, the Administrative Agent or such Arranger or Bookrunner) receives an amount equal to the sum it would have received had no such deduction been required, (ii) the applicable withholding agent shall make such deductions, (iii) the applicable withholding agent shall pay the full amount deducted to the relevant taxation authority or other authority within the time limit allowed in accordance with applicable Laws, and (iv) within 30 days after the date of such payment (or, if receipts or evidence are not available within 30 days, as soon as possible thereafter), if any Loan Party is the applicable withholding agent, it shall furnish to such Finance Party (as the case may be) the original or a copy of a receipt evidencing payment thereof or other evidence acceptable to such Finance Party (acting reasonably).

(b) In addition, each Borrower agrees to pay any and all present or future stamp, court or documentary Taxes and any other excise, property, intangible or mortgage recording Taxes, imposed by any Governmental Authority, which arise from the execution, delivery, performance, enforcement or registration of, from the receipt or perfection of a security interest under or otherwise with respect to, any Loan Document, excluding, in each case, any of the following:

(i) any such Taxes imposed as a result of a Finance Party's Assignment and Assumption, grant of a participation, transfer or assignment to or designation of a new applicable Lending Office or other office for receiving payments under any Loan Document, except where such Assignment and Assumption, participation, transfer, assignment or designation, is requested or required in writing by a Borrower;

(ii) any such Taxes imposed as a result of a Finance Party voluntarily registering or filing a Loan Document with any Governmental Authority if such registration or filing was not necessary to enforce, prove, maintain or otherwise assert the rights of such Finance Party under a Loan Document; and

(iii) any increased amount of, or any penalties or interest relating to, such Taxes, to the extent the increase, penalty or interest is incurred as a result of any such Taxes not being paid at the time of the relevant filing or registration of the Loan Document except where such increase or penalties are caused by the unreasonable failure or delay by the Borrower,

all such non-excluded taxes described in this Section 3.01(b) being hereinafter referred to as "**Other Taxes**".

(c) Each Loan Party agrees to indemnify each Finance Party against (i) the full amount of Indemnified Taxes payable by such Finance Party (including Indemnified Taxes imposed on or attributable to amounts payable under this Section 3.01), (ii) Other Taxes payable by such Loan Party pursuant to Section 3.01(b), and (iii) any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the Governmental Authority. A certificate as to the amount of such payment or liability prepared in good faith and delivered by such Finance Party (acting reasonably) (or by Administrative Agent on behalf of such Lender) to the Company, accompanied by a written statement thereof setting forth in reasonable detail the basis and calculation of such amounts shall be conclusive absent manifest error. This Section 3.01(c) shall not be construed to require any Finance Party to make available its tax returns (or any other information relating to Taxes that it deems confidential) to the Company or any other Person.

(d) For the avoidance of doubt this Section 3.01(d) shall not apply in respect of Irish Payments or UK Payments, which are dealt with in Section 3.02. Each Finance Party shall, at such times as are reasonably requested by a Borrower or the Administrative Agent, promptly provide that Borrower and the Administrative Agent with any certificate or other properly completed and executed documentation reasonably requested by that Borrower or the Administrative Agent that establishes, as applicable, whether such Finance Party is eligible for the benefits of an income tax treaty or other provision of applicable Law with respect to any payments hereunder to be exempt from, or entitled to a reduced rate of, Tax on payments hereunder. Each such Finance Party shall, whenever a lapse in time or change in circumstances renders such documentation obsolete or inaccurate in any material respect, deliver promptly and on or before the date such documentation expires, becomes obsolete or inaccurate, to that Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by that Borrower or the Administrative Agent) or promptly notify that Borrower and the Administrative Agent in writing of its inability to do so. In addition, any Finance Party, if reasonably requested by a Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by a Borrower or the Administrative Agent as will enable a Borrower or the Administrative Agent to determine whether or not such Finance Party is subject to backup withholding or information reporting requirements. Unless the applicable withholding agent has received forms or other documents satisfactory to it indicating that payments under any Loan Document to or for a Finance Party are not subject to withholding Tax or are subject to such Tax at a rate reduced by an applicable tax treaty or under any provision of applicable Law, the applicable withholding agent shall withhold amounts required to be withheld by applicable Law from such payments at the applicable statutory rate. Notwithstanding the generality of the foregoing, a Finance Party and any Loan Party shall use commercially reasonable efforts to cooperate in completing any reasonable procedural formalities necessary for that Loan Party to obtain authorization to make a payment to that Finance Party either without a deduction, with

a deduction at a reduced Tax rate or at a reduced rate by an applicable tax treaty, including, if applicable, making any necessary registrations or filings with the tax authorities of the jurisdiction of incorporation of that Loan Party. Notwithstanding any other provision of this Section 3.01(d), a Finance Party shall not be required to deliver any form pursuant to this Section 3.01(d) that such Finance Party is not legally eligible to deliver.

Without limiting the foregoing:

(i) Each Lender that is a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Company and the Administrative Agent on or before the date on which it becomes a party to this Agreement two properly completed and duly signed copies of IRS Form W-9 (or any successor forms) certifying that such Lender is exempt from U.S. federal backup withholding; *provided* that if the Lender is a disregarded entity for U.S. federal income tax purposes, it shall provide the appropriate withholding form of its owner that is regarded for U.S. federal income tax purposes (together with supporting documentation).

(ii) Each Lender that is not a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Company and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Company or the Administrative Agent) whichever of the following is applicable:

(A) two properly completed and duly signed copies of IRS Form W-8BEN or W-8BEN-E, as applicable, (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party,

(B) two properly completed and duly signed copies of IRS Form W-8ECI (or any successor forms),

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Sections 871(h) or 881(c) of the Code, (1) a certificate substantially in the form of Exhibit G hereto (any such certificate a “**United States Tax Compliance Certificate**”) and (2) two properly completed and duly signed copies of IRS Form W-8BEN or W-8BEN-E, as applicable, (or any successor forms),

(D) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership, or is a Participant holding a participation granted by a participating Lender), IRS Form W-8IMY (or any successor forms) of the Lender, accompanied by a Form W-8ECI, W-8BEN, W-8BEN-E, United States Tax Compliance Certificate, Form W-9, Form W-8IMY or any other required information from each beneficial owner, as applicable (*provided* that, if the Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Lender on behalf of such partner(s)), or

(E) two properly completed and duly signed copies of any other form prescribed by applicable U.S. federal income tax laws (including the United States Department of the Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, U.S. federal withholding tax on any payments to such Lender under the Loan Documents.

(iii) Each of the Agent Parties that is a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Company and the Administrative Agent two properly completed and duly signed copies of IRS Form W-9 with respect to fees received for its own account, certifying that such Agent Party is exempt from U.S. federal backup withholding. Each Agent Party that is not a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Company and the Administrative Agent two properly completed and duly signed copies of an applicable IRS Form W-8 with respect to fees received for its own account.

(e) If a payment made to a Lender under any Loan Document would be subject to FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Company and the Administrative Agent at the time or times prescribed by applicable Laws and at such time or times reasonably

requested by the Company or the Administrative Agent such documentation prescribed by applicable Laws and such additional documentation reasonably requested by the Company or the Administrative Agent as may be necessary for the Company and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender's obligations under FATCA and, if necessary, to determine the amount to deduct and withhold from such payment. For purposes of this Section 3.01(e), the term "FATCA" shall include any amendments made to FATCA after the date of this Agreement. For the avoidance of doubt, a Loan Party may make any FATCA deduction it is required to make and any payment required in connection with FATCA deduction, and no Loan Party shall be required to increase any payment in respect of which it makes such a FATCA deduction or otherwise compensate the recipient of the payment for FATCA.

(f) Any Finance Party claiming any additional amounts payable pursuant to this Section 3.01 or a Tax Payment shall use its reasonable efforts to mitigate or reduce the additional amounts payable, which reasonable efforts may include a change of Lending Office (or any other measures reasonably requested by the Company) if such a change or other measures would reduce any such additional amounts (or any similar amount that may thereafter accrue) and would not, in the sole determination of such Finance Party (acting reasonably), result in any unreimbursed cost or expense or be otherwise disadvantageous to such Lender.

(g) If any Finance Party determines, in its sole discretion exercised in good faith, that it has received a refund in respect of any Indemnified Taxes or Other Taxes as to which indemnification or additional amounts have been paid to it by a Loan Party pursuant to this Section 3.01, it shall promptly remit such refund to such Loan Party (but only to the extent of indemnification or additional amounts paid by such Loan Party under this Section 3.01(g) with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including any Taxes) of the Lender or Administrative Agent, as the case may be, and without interest (other than any interest paid by the relevant taxing authority with respect to such refund net of any Taxes payable by any Administrative Agent or Lender on such interest); *provided* that the Loan Parties, upon the request of the Lender or the Administrative Agent, as the case may be, agree promptly to return such refund (plus any penalties, interest or other charges imposed by the relevant taxing authority) to such party in the event such party is required to repay such refund to the relevant taxing authority. Notwithstanding anything to the contrary in this Section 3.01(g), in no event will a Finance Party be required to pay any amount to a Loan Party pursuant to this Section 3.01(g) the payment of which would place the Finance Party in a less favorable net after-Tax position than the Finance Party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 3.01(g) shall not be construed to require any Finance Party to make available its tax returns (or any other information relating to Taxes that it deems confidential) to the Company or any other Person.

(h) For the avoidance of doubt, the terms "Lender" and "Finance Party" shall, for purposes of this Section 3.01 and the definition of "Indemnified Taxes", include any L/C Issuer, any Alternative L/C Issuer and any Swing Line Lender.

Section 3.02. Irish & U.K. Taxes.

(a) Each Irish Payment and each UK Payment made by a Loan Party under a Loan Document shall be made by it without any Tax Deduction, unless a Tax Deduction is required by Law.

(b) As soon as it becomes aware that it is or will be required by Law to make a Tax Deduction (or that there is any change in the rate at which or the basis on which such Tax Deduction is to be made) the relevant Loan Party shall notify the Administrative Agent accordingly. Similarly, a Lender shall notify the Administrative Agent and the relevant Loan Party upon becoming so aware in respect of a payment payable to that Lender.

(c) If a Tax Deduction is required by Law to be made by a Loan Party, the amount of the payment due shall, unless Section 3.02(f) or Section 3.02(g) applies, be increased to an amount so that, after the required Tax Deduction is made, the payee receives an amount equal to the amount it would have received had no Tax Deduction been required.

(d) If a Tax Deduction is required by Law to be made by the Administrative Agent or the Security Trustee (other than by reason of the Administrative Agent or the Security Trustee performing its obligations as such under this Agreement through an office located outside the United Kingdom) from any payment to any Finance Party which represents an amount or amounts received from a Loan Party, that Loan Party shall, unless Section 3.02(f) applies, pay directly to that Finance Party an amount which, after making the required Tax Deduction enables the payee of that amount to receive an amount equal to the payment which it would have received if no Tax Deduction had been required.

(e) If a Tax Deduction is required by Law to be made by the Administrative Agent or the Security Trustee from any payment to any Finance Party under Section 3.02 (d), the Administrative Agent or the Security Trustee as appropriate shall unless Section 3.02(f) below applies, make that Tax Deduction and any payment required in connection with that Tax Deduction to the relevant taxing authority within the time allowed and in the minimum amount required by Law and within 30 days of making either a Tax Deduction or any payment in connection with that Tax Deduction, the Administrative Agent or the Security Trustee making that Tax Deduction or other payment shall deliver to the relevant Loan Party evidence that the Tax Deduction or other payment has been made or accounted for to the relevant tax authority.

(f) No Loan Party is required to make a Tax Payment to a Lender under Section 3.02(c) or Section 3.02(d) for a Tax Deduction in respect of Tax imposed by the United Kingdom on a payment of interest by a UK Borrower in respect of a participation in a Loan by that Lender to the UK Borrower where that Lender is not a UK Qualifying Lender on the date on which the relevant payment of interest is due (otherwise than as a consequence of a Change in Tax Law) to the extent that payment could have been made without a Tax Deduction if that Lender had been a UK Qualifying Lender on that date.

(g) No Loan Party is required to make a Tax Payment to a Lender under Section 3.02(c) or Section 3.02(d) for a Tax Deduction in respect of Tax imposed by Ireland on a payment of interest by an Irish Borrower in respect of a participation in a Loan by that Lender to the Irish Borrower where (i) that Lender is not an Irish Qualifying Lender on the date on which the relevant payment of interest is due (otherwise than as a consequence of a Change in Tax Law) to the extent that payment could have been made without a Tax Deduction if that Lender had been an Irish Qualifying Lender on that date or (ii) that Lender is an Irish Qualifying Lender solely on account of being an Irish Treaty Lender and such Loan Party could have made the payment to the Lender without a Tax Deduction had that Lender complied with its obligations under Part 2 of Section 3.04(d).

(h) The relevant Loan Party which is required to make a Tax Deduction shall make that Tax Deduction and any payment required in connection with that Tax Deduction to the relevant taxing authority within the time allowed and in the minimum amount required by Law.

(i) Within 30 days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the relevant Loan Party making that Tax Deduction or other payment shall deliver to the Administrative Agent for the Finance Party entitled to the interest to which such Tax Deduction or payment relates, evidence that the Tax Deduction or other payment has been made or accounted for to the relevant tax authority.

Section 3.03. Belgian Taxes

(a) Each Belgian Payment made by a Loan Party under a Loan Document shall be made by it without any Tax Deduction, unless a Tax Deduction is required by Law.

(b) As soon as it becomes aware that it is or will be required by Law to make a Tax Deduction (or that there is any change in the rate at which or the basis on which such Tax Deduction is to be made) the relevant Loan Party shall notify the Administrative Agent accordingly. Similarly, a Lender shall notify the Administrative Agent and the relevant Loan Party upon becoming so aware in respect of a payment payable to that Lender.

(c) If a Tax Deduction is required by Law to be made by a Loan Party, the amount of the payment due shall, unless Section 3.03(f) applies, be increased to an amount so that, after the required Tax Deduction is

made, the payee receives an amount equal to the amount it would have received had no Tax Deduction been required.

(d) If a Tax Deduction is required by Law to be made by the Administrative Agent or the Security Trustee from any payment to any Finance Party which represents an amount or amounts received from a Loan Party, that Loan Party shall, unless Section 3.03(f) applies, pay directly to that Finance Party an amount which, after making the required Tax Deduction enables the payee of that amount to receive an amount equal to the payment which it would have received if no Tax Deduction had been required.

(e) If a Tax Deduction is required by Law to be made by the Administrative Agent or the Security Trustee from any payment to any Finance Party under Section 3.03(d), the Administrative Agent or the Security Trustee as appropriate shall unless Section 3.03(f) applies, make that Tax Deduction and any payment required in connection with that Tax Deduction to the relevant taxing authority within the time allowed and in the minimum amount required by Law and within 30 days of making either a Tax Deduction or any payment in connection with that Tax Deduction, the Administrative Agent or the Security Trustee making that Tax Deduction or other payment shall deliver to the relevant Loan Party evidence that the Tax Deduction or other payment has been made or accounted for to the relevant tax authority.

(f) No Loan Party is required to make a Tax Payment to a Lender under Section 3.03(c) or Section 3.03(d) for a Tax Deduction in respect of Tax imposed by Belgium on a payment of interest by a Belgian Borrower in respect of a participation in a Loan by that Lender to the Belgian Borrower where that Lender is not a Belgian Qualifying Lender on the date on which the relevant payment of interest is due (otherwise than as a consequence of a Change in Tax Law) to the extent that payment could have been made without a Tax Deduction if that Lender had been a Belgian Qualifying Lender on that date.

(g) The relevant Loan Party which is required to make a Tax Deduction shall make that Tax Deduction and any payment required in connection with that Tax Deduction to the relevant taxing authority within the time allowed and in the minimum amount required by Law.

(h) Within 30 days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the relevant Loan Party making that Tax Deduction or other payment shall deliver to the Administrative Agent for the Finance Party entitled to the interest to which such Tax Deduction or payment relates, evidence that the Tax Deduction or other payment has been made or accounted for to the relevant tax authority.

(i) In respect of each Belgian Payment made by a Loan Party under a Loan Document, such Loan Party will be entitled to request and obtain within a reasonable time frame which will be no longer than 3 months, from the L/C Issuers all information necessary in order to allow it to fulfil its obligations under Article 307 Belgian Income Tax Code 1992 and Article 179 of the Royal decree implementing the Belgian Income tax Code 1992 regarding the requirement to declare to the Belgian tax authorities by way of the form 275 F payments directly or indirectly made to beneficiaries listed on these Belgian tax provisions.

Section 3.04. Lender Tax Status

Part I - UK

(a) Each Lender in respect of a Loan to a UK Borrower represents and warrants to the Administrative Agent and to each UK Borrower:

(i) in the case of a Lender party to this Agreement at the 2020 Amendment Effective Date, that as at the 2020 Amendment Effective Date, it has the tax status set out opposite its name in Part A of Schedule III; or

(ii) in the case of any other Lender, that as at the relevant effective date specified in each Assignment and Assumption or the relevant effective date specified in each Increase Confirmation, it is:

(A) a UK Bank Lender;

(B) a UK Non-Bank Lender and falls within paragraph (a) or (b) of the definition thereof; or

(C) a UK Treaty Lender,

as the same shall be expressly indicated in the relevant Assignment and Assumption or Increase Confirmation.

(b) Each Lender expressed to be a “UK Non-Bank Lender” in Part A of Schedule III (*Lender Tax Status*) or in the Assignment and Assumption or Increase Confirmation pursuant to which it becomes a Lender represents and warrants to:

(i) the Administrative Agent and to each UK Borrower, on the 2020 Amendment Effective Date, or on the relevant effective date specified in each Assignment and Assumption or the relevant effective date specified in each Increase Confirmation (as the case may be) that it is within paragraph (a) of the definition of UK Non-Bank Lender on that date (unless, if it is not within such paragraph (a), it is within paragraph (b) of such definition on that date, and has notified the Administrative Agent of the circumstances by virtue of which it falls within such paragraph (b) and has provided evidence of the same to each UK Borrower if and to the extent requested to do so, by the Administrative Agent or a UK Borrower; and

(ii) the Administrative Agent and to each UK Borrower, that unless it notifies the Administrative Agent and each UK Borrower to the contrary in writing prior to any such date, its representation and warranty in paragraph (i) above is true in relation to that Lender’s participation in each Loan made to a UK Borrower, on each date that the relevant UK Borrower makes a payment of interest in relation to such Loan.

(c) (i) A Lender which becomes a Party on the day on which this Agreement is entered into that holds a passport under the HMRC DT Treaty Passport scheme, and which wishes that scheme to apply to this Agreement, shall include an indication to that effect (for the benefit of the Administrative Agent and without liability to any Loan Party) by including its scheme reference number and its jurisdiction of tax residence opposite its name in Part A of Schedule III.

(ii) A new lender that holds a passport under the HMRC DT Treaty Passport scheme, and which wishes that scheme to apply to this Agreement, shall include an indication to that effect (for the benefit of the Administrative Agent and without liability to any Loan Party) by including its scheme reference number and its jurisdiction of tax residence in the Assignment and Assumption or Increase Confirmation which it executes.

(iii) If a Lender has not confirmed its scheme reference number and jurisdiction of tax residence in accordance with paragraph (c)(i) or paragraph (c)(ii) above, then no Loan Party shall make any filing under or in relation to the HMRC DT Treaty Passport Scheme in respect of that Lender’s Commitment(s) or its participation in any Loan unless that Lender otherwise agrees.

(iv) Each Loan Party that makes a UK Payment to which that Lender is entitled shall cooperate with the Lender in completing any procedural formalities as may be necessary for the relevant Loan Party to obtain authorization to make that payment without a Tax Deduction (including where a Lender includes the indication described in paragraphs (c)(i) or (c)(ii) above, filing with HMRC, within any applicable time limit, a form DTTP2 or such equivalent or other HMRC form(s) as may be required to be filed pursuant to the HMRC DT Treaty Passport Scheme in respect of that Lender, completed in accordance with the information provided by that Lender); *provided, however*, that nothing in this paragraph (c)(i) shall require a Lender to disclose any confidential information or information regarding its business, tax affairs or tax computations (including, without limitation, its tax returns or its calculations).

(d) (i) If, in relation to any interest payment to a Lender on a Loan:

(A) that Lender has confirmed to the UK Borrower and to the Administrative Agent before that interest payment would otherwise fall due that:

(1) it has completed, where applicable, the necessary procedural formalities referred to in, and otherwise complied with, paragraph (c) above; and

(2) H.M. Revenue & Customs has not declined to issue the authorisation referred to in the definition of “UK Treaty Lender” (the “**Authorisation**”) to that Lender in relation to that Loan, or if H.M. Revenue & Customs has declined, the Lender is disputing that decision in good faith; and

(B) the UK Borrower has not received the Authorisation,

then, such Lender may elect, by not less than five Business Days prior confirmation in writing to the Administrative Agent, that such interest payment (the “**Relevant Interest Payment**”) shall not be due and payable under Section 2.08(c) until the date which is five Business Days after the earlier of:

(C) the date on which the Authorisation is received by the relevant UK Borrower;

(D) the date that Lender confirms to the relevant UK Borrower and the Administrative Agent that it is not entitled to claim full relief from liability to taxation otherwise imposed by the United Kingdom (in relation to that Lender’s participation in Loans made to the Borrower) on interest under a Double Taxation Treaty in relation to the Relevant Interest Payment; and

(E) the earlier of (I) the date which is 6 months after the date on which the Relevant Interest Payment had otherwise been due and payable and (II) the date of final repayment (whether scheduled, voluntary or mandatory) of principal in respect of the Relevant Interest Payment.

(ii) For the avoidance of doubt, in the event that sub-paragraph (i) above applies, the Interest Period to which the Relevant Interest Payment relates shall not be extended and the start of the immediately succeeding Interest Period shall not be delayed.

(e) Any Lender which was a UK Qualifying Lender when it became party to this Agreement but subsequently ceases to be a UK Qualifying Lender (other than by reason of a Change in Tax Law) shall promptly notify each UK Borrower of that event, *provided* that if there is a Change in Tax Law which in the reasonable opinion of the relevant UK Borrower may result in any Lender which was a UK Qualifying Lender when it became a party to this Agreement ceasing to be a UK Qualifying Lender, such UK Qualifying Lender shall co-operate with each UK Borrower and provide reasonable evidence requested by each UK Borrower in order for the UK Borrower to determine whether such Lender has ceased to be a UK Qualifying Lender *provided, however*, that nothing in this paragraph (e) shall require a Lender to disclose any confidential information or information regarding its business, tax affairs or tax computations (including without limitation, its tax returns or its calculations).

(f) For the purposes of paragraphs (a) to (e) above, each Lender shall promptly deliver such documents evidencing its corporate and tax status as the Administrative Agent or the relevant UK Borrower may reasonably request, *provided* that in the event that any Lender fails to comply with the foregoing requirement, the UK Borrower shall be permitted:

(i) to withhold and retain an amount in respect of the applicable withholding tax estimated in good faith by the applicable Borrower to be required to be withheld in respect of interest payable to such Lender; or

(ii) subject to the provisions of paragraph (a) of Section 10.07, to refuse to grant its consent to such transfer.

(g) In the event that either the Administrative Agent or any UK Borrower has reason to believe that any representation given by a Lender in accordance with Part 1 of this Section 3.04 is incorrect or inaccurate, the Administrative Agent or the relevant UK Borrower (as the case may be) shall promptly inform the other party and the relevant Lender, and may thereafter request such documents relating to the corporate and tax status of such Lender as the Administrative Agent or the UK Borrower may reasonably require for the purposes of determining whether or not such representation was indeed incorrect.

Part 2 – Irish

(a) Each Lender in respect of a Loan to an Irish Borrower represents and warrants to the Administrative Agent and to each Irish Borrower:

(i) in the case of a Lender party to this Agreement at the 2020 Amendment Effective Date, that, where there is an Irish Borrower (whether as at the 2020 Amendment Effective Date or at any time thereafter), such Lender will provide its tax status set out opposite its name in the form of in Part B of Schedule III; or

(ii) in the case of any other Lender, where there is an Irish Borrower, that as at the relevant effective date specified in each Assignment and Assumption or the relevant effective date specified in each Increase Confirmation, such Lender will provide that it is:

(A) not an Irish Qualifying Lender

(B) an Irish Qualifying Lender (other than solely on account of being an Irish Treaty Lender)

(C) an Irish Qualifying Lender (solely on account of being an Irish Treaty Lender),

as the same shall be expressly indicated in the relevant Assignment and Assumption or Increase Confirmation; *provided* that if there is not an Irish Borrower as at the effective date of such Assignment and Assumption or Increase Confirmation, but there is an Irish Borrower thereafter, such Lender will provide its tax status set out opposite its name in the form of Part B of Schedule III as at the date the Irish Borrower becomes an Additional Borrower.

(b) Each Irish Qualifying Lender expressed to be an “Irish Non-Bank Lender” in Part B of Schedule III (*Lender Tax Status*) or in the Assignment and Assumption or Increase Confirmation pursuant to which it becomes a Lender represents and warrants to:

(i) the Administrative Agent and to each Irish Borrower, on the 2020 Amendment Effective Date, or on the relevant effective date specified in each Assignment and Assumption or the relevant effective date specified in each Increase Confirmation (as the case may be) that it is an Irish Qualifying Lender;

(ii) the Administrative Agent and to each Irish Borrower, that unless it notifies the Administrative Agent and each Irish Borrower to the contrary in writing prior to any such date, its representation and warranty in paragraph (i) above is true in relation to that Lender’s participation in each Loan made to an Irish Borrower, on each date that the relevant Irish Borrower makes a payment of interest in relation to such Loan.

(c) Any Lender which was an Irish Qualifying Lender when it became party to this Agreement but subsequently ceases to be an Irish Qualifying Lender (other than by reason of a Change in Tax Law) shall promptly notify each Irish Borrower of that event, provided that if there is a Change in Tax Law which in the reasonable opinion of the relevant Irish Borrower may result in any Lender which was an Irish Qualifying Lender when it became a party to this Agreement ceasing to be an Irish Qualifying Lender, such Irish Qualifying Lender shall co-operate with each Irish Borrower and provide reasonable evidence requested by each Irish Borrower in order for the Irish Borrower to determine whether such Lender has ceased to be an Irish Qualifying Lender *provided, however*, that nothing in this paragraph (c) shall require a Lender to disclose any confidential information or information regarding its business, tax affairs or tax computations (including without limitation, its tax returns or its calculations).

(d) An Irish Treaty Lender and the Borrower shall co-operate in completing any procedural formalities necessary for it to obtain authorization to make that payment without a Tax Deduction on account of Tax imposed by Ireland.

(e) For the purposes of paragraphs (a) to (d) above, each Lender shall promptly deliver such documents evidencing its corporate and tax status as the Administrative Agent or the relevant Irish Borrower may reasonably request, *provided* that in the event that any Lender fails to comply with the foregoing requirement, the Irish Borrower shall be permitted:

(i) to withhold and retain an amount in respect of the applicable withholding tax estimated in good faith by the applicable Borrower to be required to be withheld in respect of interest payable to such Lender; or

(ii) subject to the provisions of paragraph (a) of Section 10.07, to refuse to grant its consent to such transfer.

(f) In the event that either the Administrative Agent or any Irish Borrower has reason to believe that any representation given by a Lender in accordance with Part 2 of this Section 3.04 is incorrect or inaccurate, the Administrative Agent or the relevant Irish Borrower (as the case may be) shall promptly inform the other party and the relevant Lender, and may thereafter request such documents relating to the corporate and tax status of such Lender as the Administrative Agent or the Irish Borrower may reasonably require for the purposes of determining whether or not such representation was indeed incorrect.

(g) If, following delivery of such documentation and following consultation between the Administrative Agent, the relevant Irish Borrower and the relevant Lender, the Irish Borrower concludes (acting reasonably and in good faith) that there is insufficient evidence to determine the relevant tax status of such Lender, the Irish Borrower shall be permitted in respect of such Lender, to withhold and retain an amount in respect of the applicable withholding tax estimated in good faith by the Irish Borrower to be required to be withheld in respect of interest payable to such Lender until such time as that Lender has delivered sufficient evidence of its tax status to the Administrative Agent and the Irish Borrower.

(h) Each Lender shall provide to each Irish Borrower any information reasonably requested and necessary in order to permit an Irish Borrower to comply with its obligations under Sections 891A, 891E, 891F and 891G of the TCA.

(i) If, following delivery of such documentation and following consultation between the Administrative Agent, the relevant UK Borrower and the relevant Lender, the UK Borrower concludes (acting reasonably and in good faith) that there is insufficient evidence to determine the relevant tax status of such Lender, the UK Borrower shall be permitted in respect of such Lender, to withhold and retain an amount in respect of the applicable withholding tax estimated in good faith by the UK Borrower to be required to be withheld in respect of interest payable to such Lender until such time as that Lender has delivered sufficient evidence of its tax status to the Administrative Agent and the UK Borrower.

Section 3.05. Value Added Tax

(a) All consideration expressed to be payable under a Loan Document by any Party to a Finance Party shall be deemed to be exclusive of any VAT. Subject to paragraph (b) below, if VAT is chargeable on any supply made by any Finance Party to any Party in connection with a Loan Document, that Party shall pay to the Finance Party (in addition to and at the same time as paying the consideration) an amount equal to the amount of the VAT concurrently against the issue of an appropriate invoice.

(b) If VAT is or becomes chargeable on any supply made by any Finance Party (the “**Supplier**”) to any other Finance Party (the “**Recipient**”) in connection with a Loan Document, and any Party other than the Recipient (the “**Subject Party**”) is required by the terms of any Loan Document to pay an amount equal to the consideration for such supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration), (i) if the Supplier is required to account to the relevant tax authority for the VAT, the Subject Party must also pay to the Supplier and, (ii) if the Recipient is required to account to the relevant tax authority for the VAT the Subject Party must pay to the Recipient, (in addition to and at the same time as paying such amount) an amount equal to the amount of such VAT. Where sub-clause (i) of this Section 3.05(b) applies, the Recipient must promptly pay to the Subject Party an amount equal to any credit or repayment obtained by the Recipient from the relevant tax authority which the Recipient reasonably determines is in respect of the VAT chargeable on that supply. Where sub-clause (ii) of this Section 3.05(b) applies, the

Subject Party must only pay to the Recipient an amount equal to the amount of such VAT to the extent that the Recipient reasonably determines that it is not entitled to a credit or repayment from the relevant tax authority in respect of that VAT.

(c) Where a Loan Document requires any Party to reimburse a Finance Party for any costs or expenses, that Party shall also at the same time pay and indemnify the Finance Party for the full amount of such costs and expenses including such costs that represent VAT incurred by the Finance Party in respect of the costs or expenses to the extent that the Finance Party reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of the VAT.

(d) Any reference in this Section 3.05 to any Party shall, at any time when such Party is treated as a member of a group including but not limited to any fiscal unities for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the representative member of such group at such time (the term “**representative member**” to have the same meaning as in the Value Added Tax Act 1994 or in the relevant legislation of any jurisdiction having implemented Council Directive 2006/112/EC on the common system of value added tax).

(e) If VAT is chargeable on any supply made by a Finance Party to any Party under a Loan Document and if reasonably requested by such Finance Party, that Party must give the Finance Party details of its VAT registration number and any other information as is reasonably requested in connection with the Finance Party’s reporting requirements for the supply and at such time that the Finance Party may reasonably request it.

Where a Borrower is required to make a payment under paragraph (b) above, such amount shall not become due until such Borrower has received a formal invoice detailing the amount to be paid.

Section 3.06. Tax Credits

(a) If a Loan Party makes a Tax Payment and the relevant Finance Party determines, acting reasonably and in good faith, that:

- (i) a Tax Credit is attributable to that Tax Payment; and
- (ii) that Finance Party has obtained, utilized and retained that Tax Credit,

the Finance Party shall (subject to Section 3.06(b) and to the extent that such Finance Party can do so without prejudicing the availability and/or the amount of the Tax Credit and the right of that Finance Party to obtain any other benefit, relief or allowance which may be available to it) pay to either the relevant Loan Party such amount which that Finance Party determines, acting reasonably and in good faith, will leave it (after that payment) in the same after-tax position as it would have been in had the Tax Payment not been required to be made by the relevant Loan Party.

(b) Each Finance Party shall have an absolute discretion as to the time at which and the order and manner in which it realizes or utilizes any Tax Credits and shall not be obliged to arrange its business or its tax affairs in any particular way in order to be eligible for any credit or refund or similar benefit.

(c) No Finance Party shall be obliged to disclose to any other Person any information regarding its business, tax affairs or tax computations (including, without limitation, its tax returns or its calculations).

(d) If a Finance Party has made a payment to a Loan Party pursuant to this Section 3.06 on account of a Tax Credit and it subsequently transpires that that Finance Party did not receive that Tax Credit, or received a reduced Tax Credit, such Loan Party, shall, on demand, pay to that Finance Party the amount which that Finance Party determines, acting reasonably and in good faith, will put it (after that payment is received) in the same after-tax position as it would have been in had no such payment or a reduced payment been made to such Loan Party.

No Finance Party shall be obliged to make any payment under this Section 3.06 if, by doing so, it would contravene the terms of any applicable Law or any notice, direction or requirement of any governmental or regulatory authority (whether or not having the force of law).

Section 3.07. Illegality.

(a) If any Lender reasonably determines that any applicable Law or its interpretation or application thereof has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurocurrency Rate, SOFR, the Term SOFR Reference Rate, Adjusted Term SOFR or Term SOFR, or to determine or charge interest rates based upon the Eurocurrency Rate, SOFR, the Term SOFR Reference Rate, Adjusted Term SOFR or Term SOFR or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars or any other Available Currency in the applicable interbank market, then, on notice thereof by such Lender to the Company through the Administrative Agent, (i) any obligation of such Lender to make or continue Eurocurrency Rate Loans or SOFR Loans, and any right of the Borrowers to continue Eurocurrency Rate Loans or SOFR Loans or to convert Base Rate Loans to Eurocurrency Rate Loans or SOFR Loans, shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurocurrency Rate or Adjusted Term SOFR component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate or Adjusted Term SOFR component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Company that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Company shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, (A) if applicable and such Loans are denominated in Dollars, convert all applicable Eurocurrency Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate), (B) if applicable, convert all applicable SOFR Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Adjusted Term SOFR component of the Base Rate) or (C) if applicable and such Loans are denominated in an Available Currency (other than Dollars), to the extent the applicable Borrower and all Appropriate Lenders agree, convert such Loans to Loans bearing interest at an alternative rate mutually acceptable to the applicable Borrower and all of the Appropriate Lenders, in each case either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans or SOFR Loans, as applicable, to such day, or promptly, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans or SOFR Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurocurrency Rate or the Adjusted Term SOFR, as applicable, component of the Base Rate with respect to any Base Rate Loans, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurocurrency Rate or the Adjusted Term SOFR, as applicable, component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurocurrency Rate, SOFR, the Term SOFR Reference Rate or Adjusted Term SOFR.

(b) Each Lender agrees to designate a different Lending Office if such designation will avoid the need for such notice described in Section 3.07(a) and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender. Upon any such prepayment or conversion pursuant to Section 3.07(a), the applicable Borrower shall also pay accrued interest on the amount so prepaid or converted and all amounts due, if any, in connection with such prepayment and conversion.

Section 3.08. Inability to Determine Rates.

Subject to Section 1.12, if the Required Lenders reasonably determine in good faith that for any reason in connection with any request for a Eurocurrency Rate Loan or a SOFR Loan or a conversion to or continuation thereof that (a) in the case of Eurocurrency Rate Loans, deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount, currency and Interest Period of such Eurocurrency Rate Loan, (b) adequate and reasonable means do not exist for determining the Eurocurrency Rate or Adjusted Term SOFR for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan or SOFR Loan or in

connection with an existing or proposed Base Rate Loan or (c) the Eurocurrency Rate or Adjusted Term SOFR for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan or SOFR Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Company and each Lender. Thereafter, (i) the obligation of the Lenders to make or maintain Eurocurrency Rate Loans or SOFR Loans shall be suspended, and (ii) in the event of a determination described in the preceding sentence with respect to the Eurocurrency Rate or Adjusted Term SOFR component of the Base Rate, the utilization of the Eurocurrency Rate or Adjusted Term SOFR component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, (i) the Company may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans or SOFR Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein, (ii) any outstanding affected Eurocurrency Rate Loans or SOFR Loans will be deemed to have been converted into Base Rate Loans at the end of the applicable Interest Period and (iii) in the case of a pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans denominated in an Available Currency (other than Dollars), the Company and Lenders may establish a mutually acceptable alternative rate. Upon any such conversion, the applicable Borrower shall also pay accrued interest on the amount so converted and all amounts due, if any, in connection with such conversion.

Section 3.09. Increased Cost and Reduced Return; Capital Adequacy; Eurocurrency Rate Loan and SOFR Loan Reserves.

(a) If any Lender reasonably determines that as a result of a Change in Law, there shall be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining Eurocurrency Rate Loans or SOFR Loans or (as the case may be) issuing, participating in or maintaining Letters of Credit or Alternative Letters of Credit (or maintaining its obligations to participate in or issue any Letters of Credit or Alternative Letters of Credit), or a reduction in the amount received or receivable by such Lender in connection with any of the foregoing (including any Taxes (other than (i) Indemnified Taxes or Other Taxes or (ii) Taxes excluded from the definition of “Indemnified Taxes” or “Other Taxes”)), including by imposing, modifying or holding any reserve, special deposit, compulsory loan, insurance charge or similar requirement against its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, and excluding for purposes of this Section 3.09(a) any such increased costs or reduction in amount resulting from reserve requirements contemplated by Section 3.09(b) or the definition of “Eurocurrency Rate”, then from time to time within five days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.11), the applicable Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction.

(b) If any Lender reasonably determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender’s holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender’s capital or on the capital of such Lender’s holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by it, or participations in or issuance of Letters of Credit or Alternative Letters of Credit by such Lender, to a level below that which such Lender or such Lender’s holding company could have achieved but for such Change in Law (taking into consideration such Lender’s policies and the policies of such Lender’s holding company with respect to capital adequacy and liquidity and such Lender’s desired return on capital), then from time to time upon demand of such Lender (with a copy of such demand to the Administrative Agent), the applicable Borrower will pay to such Lender, as the case may be, within five days after demand by such Lender, such additional amount or amounts as will compensate such Lender or such Lender’s holding company for any such reduction suffered.

(c) The applicable Borrower shall pay to each Lender, (i) as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency Rate or Term SOFR funds or deposits, additional interest on the unpaid principal amount of each applicable Eurocurrency Rate Loan or SOFR Loan of such Borrower equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of manifest error), and (ii) as long as such Lender shall be required to comply with any reserve ratio requirement or analogous requirement of any other central banking or financing regulatory authority imposed in respect of the maintenance of the Commitments or the funding of any Eurocurrency Rate Loans or SOFR Loans

of such Borrower, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error) which in each case shall be due and payable on each date on which interest is payable on such Loan; *provided* that the Company shall have received at least 15 days' prior notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender. If a Lender fails to give notice five days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable 15 days from receipt of such notice.

Section 3.10. Funding Losses.

Upon written demand of any Lender to the Company (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the applicable Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense actually incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Eurocurrency Rate Loan or SOFR Loan of such Borrower on a day other than the last day of the Interest Period for such Loan; or

(b) any failure by such Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert, as applicable, any Eurocurrency Rate Loan or SOFR Loan of that Borrower on the date or in the amount notified by that Borrower;

including any loss or expense (excluding loss of anticipated profits or margin) arising from the liquidation or reemployment of funds obtained by it to maintain such Eurocurrency Rate Loan or SOFR Loan or from fees payable to terminate the deposits from which such funds were obtained.

Section 3.11. Matters Applicable to All Requests for Compensation.

(a) If any Lender requests compensation under Section 3.09, or any Loan Party is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.07, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or issuing Letters of Credit or Alternative Letters of Credit hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender (acting reasonably), such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.09, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.07, as applicable, and (ii) in each case, would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material economic, legal or regulatory respect; *provided* that nothing in this Section 3.11(a) shall affect or postpone any Obligations of the Loan Parties or the rights of the Lenders under this Article III.

(b) Each Lender may make any Credit Extension to a Borrower through any Lending Office, provided that the exercise of this option shall not affect the obligation of that Borrower to repay the Credit Extension in accordance with the terms of this Agreement.

(c) If any Lender requests compensation under Section 3.09, the Company or a Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue Eurocurrency Rate Loans or SOFR Loans from one Interest Period to another Interest Period, or to convert Base Rate Loans into Eurocurrency Rate Loans or SOFR Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.11(e) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of Section 3.01, 3.07, 3.08 or 3.09 shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that no Loan Party shall be required to compensate a Lender pursuant to the foregoing provisions of Section 3.01, 3.07, 3.08 or 3.09 for any increased costs incurred or reductions suffered more than 270 days prior to the date that such Lender notifies the Company or a Borrower of the event giving

rise to such claim and of such Lender's intention to claim compensation therefor (except that, if the circumstance giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof).

(e) If the obligation of any Lender to make or continue any Eurocurrency Rate Loan or SOFR Loan or to convert Base Rate Loans into Eurocurrency Rate Loans or SOFR Loans shall be suspended pursuant to Section 3.11(c) hereof, such Lender's applicable Eurocurrency Rate Loans or SOFR Loans shall be automatically converted into Base Rate Loans on the last day(s) of the then current Interest Period(s) for such Eurocurrency Rate Loans or SOFR Loans (or, in the case of any immediate conversion required by Section 3.02, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 3.07, 3.08 or 3.09 hereof that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's Eurocurrency Rate Loans or SOFR Loans have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's applicable Eurocurrency Rate Loans or SOFR Loans shall be applied instead to its Base Rate Loans; and

(ii) all Loans that would otherwise be made or continued from one Interest Period to another by such Lender as Eurocurrency Rate Loans or SOFR Loans shall be made or continued instead as Base Rate Loans (if possible), and all Base Rate Loans of such Lender that would otherwise be converted into Eurocurrency Rate Loans or SOFR Loans shall remain as Base Rate Loans.

(f) If any Lender gives notice to the Company or a Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.07, 3.08 or 3.09 hereof that gave rise to the conversion of any of such Lender's Eurocurrency Rate Loans or SOFR Loans pursuant to this Section 3.11 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurocurrency Rate Loans or SOFR Loans made by other Lenders under the applicable Facility are outstanding, if applicable, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurocurrency Rate Loans or SOFR Loans, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding Eurocurrency Rate Loans or SOFR Loans under such Facility and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments for the applicable Facility.

(g) Any Finance Party claiming compensation under this Article III shall deliver a certificate to the Company setting forth in reasonable detail the additional amount or amounts to be paid to it hereunder, which shall be conclusive on the absence of manifest error. In determining such amounts, such Finance Party may use any reasonable averaging and attribution methods.

Section 3.12. Replacement of Lenders under Certain Circumstances.

If (i) any Lender ceases to make Eurocurrency Rate Loans or SOFR Loans as a result of any condition described in Section 3.07 or Section 3.09, (ii) a Loan Party is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 or 3.09 or make a Tax Payment and, in each case, such Lender has declined or is unable to designate a different Lending Office in accordance with Section 3.01(f) or Section 3.11(a), (iii) any Lender is a Non-Consenting Lender, (iv) any Lender becomes a Defaulting Lender, or (v) any other circumstance exists hereunder that gives any Borrower the right to replace a Lender as a party hereto, then that Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.07), all of its interests, rights and obligations under this Agreement (or, with respect to clause (iii) above, all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver and amendment) and the related Loan Documents to one or more Eligible Assignees (*provided* that neither the Administrative Agent nor any Lender shall have any obligation to that Borrower to find a replacement Lender or other such Person) that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment); *provided* that:

(a) the relevant Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 10.07(b)(ii)(D);

(b) such Lender shall have received payment of an amount equal to the applicable outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.10) from the assignee (to the extent of such outstanding principal and accrued interest and fees), the Company or the relevant Borrower;

(c) such Lender being replaced pursuant to this Section 3.12 shall (i) execute and deliver an Assignment and Assumption with respect to all, or a portion as applicable, of such Lender's Commitment and outstanding Loans and participations in L/C Obligations and Swing Line Loans, and (ii) deliver any Notes evidencing such Loans to a Borrower or Administrative Agent (or a lost or destroyed note indemnity in lieu thereof); *provided* that the failure of any such Lender to execute an Assignment and Assumption or deliver such Notes shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment may be recorded in the Register and the Notes shall be deemed to be cancelled upon such failure;

(d) the Eligible Assignee shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender;

(e) in the case of any such assignment resulting from a claim for compensation under Section 3.09 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(f) such assignment shall not conflict with applicable Laws;

(g) any Lender that acts as an L/C Issuer or Alternative L/C Issuer may not be replaced hereunder at any time when it has any Letter of Credit or Alternative Letter of Credit outstanding hereunder unless arrangements reasonably satisfactory to such L/C Issuer or Alternative L/C Issuer (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer, reasonably satisfactory to such L/C Issuer or Alternative L/C Issuer or the depositing of Cash Collateral into a Cash Collateral Account in amounts and pursuant to arrangements reasonably satisfactory to such L/C Issuer or Alternative L/C Issuer) have been made with respect to each such outstanding Letter of Credit or Alternative Letter of Credit, as applicable; and

(h) the Lender that acts as the Administrative Agent cannot be replaced in its capacity as Administrative Agent other than in accordance with Section 9.06.

In the event that (i) any Loan Party or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each affected Lender or all the Lenders with respect to a certain Class or Classes of the Loans and/or Commitments and (iii) the Required Lenders (or, in the case of a consent, waiver or amendment involving all Lenders or all affected Lenders of a certain Class, the Required Class Lenders) have agreed (but solely to the extent required by Section 10.01) to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a **"Non-Consenting Lender."**

In connection with any such replacement, (i) if the Lender to be replaced is a Non-Consenting Lender, the Company shall pay to each Non-Consenting Lender, concurrently with the effectiveness of the respective assignment, the fee set forth in Section 2.05(a)(vi) to the extent applicable and (ii) if any such Non-Consenting Lender or Defaulting Lender does not execute and deliver to the Administrative Agent a duly executed Assignment and Assumption reflecting such replacement within five Business Days of the date on which the assignee Lender executes and delivers such Assignment and Assumption Agreement to such Non-Consenting Lender or Defaulting Lender, then such Non-Consenting Lender or Defaulting Lender shall be deemed to have executed and delivered such Assignment and Assumption without any action on the part of the Non-Consenting Lender or Defaulting Lender.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Company to require such assignment and delegation cease to apply.

Section 3.13. Survival.

All of each Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments and the Loan Documents and repayment of all other Obligations hereunder.

(a) The representations and warranties of each Loan Party set forth in Article V and of each Loan Party in each other Loan Document shall be true and correct in all material respects on and as of the date of such Credit Extension with the same effect as though made on and as of such date, except to the extent such representations and warranties expressly relate to an earlier date, in which case they shall be true and correct in all material respects as of such earlier date; *provided* that any representation and warranty that is qualified as to "materiality," "Material Adverse Effect" or similar language shall be true and correct (after giving effect to any qualification therein) in all respects on such respective dates.

(b) No Default shall exist or would result from such proposed Credit Extension or from the application of the proceeds therefrom.

Each Request for Credit Extension (other than (i) with respect to a Limited Condition Transaction, (ii) a Committed Loan Notice requesting only a conversion of Loans to the other Type, or a continuation of Eurocurrency Rate Loans or SOFR Loans, as applicable) submitted by any Borrower shall be deemed to be a representation and warranty that the conditions specified in Sections 4.03(a) and (b) have been satisfied on and as of the date of the applicable Credit Extension.

Section 4.04. Compliance with Conditions.

Without limiting the generality of the provisions of Section 9.03, for purposes of determining compliance with the conditions specified in Section 4.01 each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the 2020 Amendment Effective Date or the date of the applicable Borrowing, as applicable, specifying its objection thereto.

If any amount remains on deposit as Cash Collateral after all Letters of Credit or all Alternative Letters of Credit, as applicable, have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above and, if no Obligations remain outstanding, to the Borrower.

Section 8.04. Borrowers' Right to Cure.

Notwithstanding anything to the contrary contained in Section 8.01 or Section 8.02:

(a) For the purpose of determining whether an Event of Default under the Financial Covenant has occurred, a Borrower may on one or more occasions designate any portion of the net cash proceeds from any Subordinated Shareholder Loans, sale or issuance of Qualified Equity Interests of a member of the Restricted Group or contribution to the common capital of a member of the Restricted Group (or from any other contribution to capital or issuance of any other Equity Interests on terms reasonably satisfactory to the Administrative Agent) (the "**Cure Amount**"), at the option of such Borrower, as an increase to Consolidated EBITDA or a deduction from the calculation of Indebtedness for the applicable fiscal quarter; *provided* that (i) such amounts to be designated are actually received by such member of the Restricted Group on or after the first day of such applicable fiscal quarter and on or prior to the 15th Business Day after the date on which financial statements are required to be delivered with respect to such applicable fiscal quarter which shows that the Financial Covenant has been breached (the "**Cure Expiration Date**"), (ii) such amounts do not exceed the aggregate amount necessary to cure any Event of Default under the Financial Covenant as of such date and (iii) such Borrower shall have provided notice to the Administrative Agent on the date such amounts are designated as a "Cure Amount" (it being understood that to the extent any such notice is provided in advance of

delivery of a Compliance Certificate for the applicable period, the amount of such net cash proceeds that is designated as the Cure Amount may be different than the amount necessary to cure any Event of Default under the Financial Covenant and may be modified, as necessary, in a subsequent corrected notice delivered on or before the Cure Expiration Date (it being understood that in any event the final designation of the Cure Amount shall continue to be subject to the requirements set forth in clauses (i) and (ii) above)). The Cure Amount used to calculate Consolidated EBITDA or Indebtedness for one fiscal quarter shall be used and included when calculating Consolidated EBITDA or Indebtedness for each Test Period that includes such fiscal quarter.

(b) The parties hereby acknowledge that this Section 8.04 may not be relied on for purposes of calculating any financial ratios other than for determining actual compliance with Section 7.02 (and not pro forma compliance with Section 7.02 that is required by any other provision of this Agreement) and shall not result in any adjustment to any amounts (including the amount of Indebtedness) or increase in cash (and shall not be included for purposes of determining pricing, mandatory prepayments and the availability or amount permitted pursuant to any covenant under Article VII) with respect to the quarter with respect to which such Cure Amount was made other than the amount of the Consolidated EBITDA or Indebtedness referred to in the immediately preceding sentence.

(c) In furtherance of Section 8.04(a), (i) upon actual receipt and designation of the Cure Amount by a member of the Restricted Group, the Financial Covenant shall be deemed satisfied and complied with as of the end of the relevant fiscal quarter with the same effect as though there had been no failure to comply with the Financial Covenant and any Event of Default under the Financial Covenant (and any other Default or resulting Event of Default arising solely as a result thereof) shall be deemed not to have occurred for purposes of the Loan Documents, and (ii) upon delivery to the Administrative Agent prior to the Cure Expiration Date of a notice from such Borrower stating its good faith intention to exercise its right set forth in this Section 8.04, neither the Administrative Agent on or after the last day of the applicable quarter nor any Lender may exercise any rights or remedies under Section 8.02 (or under any other Loan Document) on the basis of any actual or purported Event of Default under the Financial Covenant (and any other Default or resulting Event of Default as a result thereof) until and unless the Cure Expiration Date has occurred without the Cure Amount having been received and designated.

(d) In each period of four consecutive fiscal quarters, there shall be at least two fiscal quarters in which no cure right set forth in this Section 8.04 is exercised.

(e) There can be no more than five fiscal quarters in which the cure rights set forth in this Section 8.04 are exercised during the term of the Facilities; *provided* that, so long as the Initial Revolving Credit Commitments are no longer outstanding, there may be an additional fiscal quarter after the latest Maturity Date of the Initial Revolving Credit Commitments in which the cure rights set forth in this Section 8.04 are exercised during the term of any Revolving Credit Commitments.

(a) Each of the Lenders and each L/C Issuer and Alternative L/C Issuer hereby irrevocably appoints The Bank of Nova Scotia to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article IX (other than Section 9.06 (solely with respect to the removal and consent rights of the Borrowers set forth therein) and Section 9.10 (solely with respect to the requirement for execution, filing and other actions with respect to the Collateral Documents and other collateral documentation set forth therein)) are solely for the benefit of the Administrative Agent, the Security Trustee, the Lenders and each L/C Issuer and Alternative L/C Issuer, and no Loan Party or Grantor shall have rights as a third party beneficiary of any of such provisions.

(b) The Security Trustee shall act as the "collateral agent" under the Loan Documents, and each of the Lenders (including in its capacity as a potential Hedge Bank) and each L/C Issuer and Alternative L/C Issuer acknowledges and agrees that, upon becoming a party to this Agreement and any applicable Intercreditor

Agreement, it shall have appointed and authorized the Security Trustee to act as the agent of such Lender, L/C Issuer and Alternative L/C Issuer for purposes of (i) acquiring and holding the security interests under the Collateral Documents for the benefit of the Secured Parties and (ii) enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto, including, without limiting the generality of the foregoing, the Security Trustee to (A) execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including any Intercreditor Agreement), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents, and any such action by the Security Trustee shall bind each Lender, L/C Issuer and Alternative L/C Issuer and (B) negotiate, enforce or settle any claim, action or proceeding affecting the Lenders in their capacity as such, at the direction of the Required Lenders, which negotiation, enforcement or settlement will be binding upon each of the Secured Parties.

Section 9.02. Rights as a Lender.

The Person serving as the Administrative Agent and/or the Security Trustee hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and/or the Security Trustee, as applicable, and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent and/or the Security Trustee hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Loan Parties or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent and/or the Security Trustee hereunder and without any duty to account therefor to the Lenders.

Section 9.03. Exculpatory Provisions.

The Administrative Agent and the Security Trustee shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Administrative Agent and the Security Trustee:

- (a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;
- (b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent and/or the Security Trustee, as applicable, is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), *provided* that the Administrative Agent and/or the Security Trustee shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent and/or the Security Trustee to liability or that is contrary to any Loan Document or applicable Law;
- (c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrowers or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent and/or the Security Trustee or any of their respective Affiliates in any capacity;
- (d) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent and/or the Security Trustee shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct;
- (e) shall be deemed not to have knowledge of any Default unless and until written notice describing such Default is given to the Administrative Agent and/or the Security Trustee, as applicable, by a Loan Party, a Lender, an L/C Issuer or an Alternative L/C Issuer; and

(f) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent and/or the Security Trustee, as applicable.

Section 9.04. Reliance by Administrative Agent and Security Trustee.

The Administrative Agent and the Security Trustee shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent and the Security Trustee also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit or Alternative Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender, an L/C Issuer or an Alternative L/C Issuer, the Administrative Agent and the Security Trustee may presume that such condition is satisfactory to such Lender, L/C Issuer or Alternative L/C Issuer unless the Administrative Agent and/or the Security Trustee, as applicable, shall have received notice to the contrary from such Lender, L/C Issuer or Alternative L/C Issuer, prior to the making of such Loan or the issuance, extension, renewal or increase of such Letter of Credit or Alternative Letter of Credit. The Administrative Agent and the Security Trustee may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 9.05. Delegation of Duties.

The Administrative Agent and the Security Trustee may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents that is a "U.S. person" and a "financial institution" within the meaning of Treasury Regulation Section 1.1441-1 (which may be Affiliates of the Administrative Agent and/or the Security Trustee) appointed by the Administrative Agent and/or the Security Trustee, as applicable. The Administrative Agent, the Security Trustee and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article IX and the confidentiality obligations of the Administrative Agent and the Security Trustee, as applicable, under Section 10.08 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and the Security Trustee, as applicable, and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent and/or as Security Trustee. The Administrative Agent and the Security Trustee shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent and/or the Security Trustee, as applicable, acted with gross negligence or willful misconduct in the selection of such sub-agent.

Section 9.06. Resignation of Administrative Agent and Security Trustee.

The Administrative Agent and/or the Security Trustee may resign as the Administrative Agent and/or the Security Trustee, as applicable, upon ten days' written notice to the Lenders and the Company; provided that if no successor agent is appointed in accordance with the terms set forth below within such ten-day period, the Administrative Agent and/or the Security Trustee, as applicable, shall not be permitted to resign until the earlier to occur of (a) the date of the appointment of the successor agent or (b) the date that is 30 days after the last day of such ten-day period. If the Administrative Agent and/or the Security Trustee is subject to an Agent-Related Distress Event, the Required Lenders may remove the Administrative Agent and/or the Security Trustee, as applicable, upon ten days' notice. Upon the resignation or removal of the Administrative Agent and/

or the Security Trustee under this Section 9.06, the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders that is a “U.S. person” and a “financial institution” within the meaning of Treasury Regulation Section 1.1441-1, which such appointment shall be subject to the consent of the Company (which consent may be withheld at the Company’s sole discretion) at all times other than during the existence of an Event of Default under Section 8.01(a) or (f). If no successor agent is appointed by the Required Lenders prior to the effective date of the resignation or removal of the Administrative Agent and/or the Security Trustee, the retiring or removed Administrative Agent and/or Security Trustee, as applicable, may appoint, after consulting with the Lenders and the Company, a successor agent from among the Lenders that is a “U.S. person” and a “financial institution” within the meaning of Treasury Regulation Section 1.1441-1; provided that if the Administrative Agent and/or the Security Trustee, as applicable, shall notify the Company and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (i) the retiring or removed Administrative Agent and/or the Security Trustee shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent or the Security Trustee on behalf of the Lenders, an L/C Issuer or an Alternative L/C Issuer under any of the Loan Documents, the retiring or removed Administrative Agent or Security Trustee shall continue to hold such collateral security until such time as a successor Administrative Agent or Security Trustee is appointed) and (ii) all payments, communications and determinations provided to be made by, to or through the Administrative Agent and/or the Security Trustee, as applicable, shall instead be made by or to each Lender, L/C Issuer or Alternative L/C Issuer directly, until such time as the Required Lenders appoint a successor Administrative Agent and/or Security Trustee as provided for above in this Section 9.06. So long as no Default or Event of Default has occurred and is continuing, the Company may in its absolute discretion, by notice to the Administrative Agent and/or the Security Trustee, as applicable, require the Administrative Agent and/or the Security Trustee, as applicable, to resign by giving 15 days’ notice, in which case the Administrative Agent and/or the Security Trustee, as applicable, shall resign and the Company shall appoint a successor Administrative Agent and/or Security Trustee (without any Lender’s consent). The Company may exercise such right to replace the Administrative Agent and/or the Security Trustee twice during the life of the Facilities. Upon the acceptance of a successor’s appointment as Administrative Agent or Security Trustee hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent or Security Trustee, as applicable. Upon resignation or removal, the retiring or removed Administrative Agent or Security Trustee shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.06). The fees payable by the Company to a successor Administrative Agent or Security Trustee shall be the same as those payable to its predecessor on the 2020 Amendment Effective Date unless otherwise agreed between the Company and such successor. After the retiring Administrative Agent’s or Security Trustee’s resignation or the removed Administrative Agent’s or Security Trustee’s removal hereunder and under the other Loan Documents, hereunder and under the other Loan Documents, the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for the benefit of such retiring or removed Administrative Agent or Security Trustee, as applicable, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent or Security Trustee was acting as Administrative Agent or Security Trustee, as applicable, and the retiring or removed Administrative Agent or Security Trustee shall continue to be subject to Section 10.08.

Any resignation by or removal of The Bank of Nova Scotia as Administrative Agent pursuant to this Section 9.06 shall also constitute its resignation as L/C Issuer, Alternative L/C Issuer and Swing Line Lender, as applicable. Upon the acceptance of a successor’s appointment as Administrative Agent hereunder, (A) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer, Alternative L/C Issuer and Swing Line Lender, (B) the retiring L/C Issuer, Alternative L/C Issuer and Swing Line Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (C) the successor L/C Issuer and Alternative L/C Issuer shall issue letters of credit in substitution for the Letters of Credit or Alternative Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer and Alternative L/C Issuer to effectively assume the obligations of the retiring L/C Issuer and Alternative L/C Issuer with respect to such Letters of Credit or Alternative Letters of Credit.

Section 9.07. Non-Reliance on Administrative Agent, Security Trustee and Other Lenders.

Each Lender, L/C Issuer and Alternative L/C Issuer acknowledges that it has, independently and without reliance upon the Administrative Agent, the Security Trustee or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender, L/C Issuer and Alternative L/C Issuer also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Security Trustee or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Section 9.08. No Other Duties, Etc.

Anything herein to the contrary notwithstanding, none of the Administrative Agent, the Security Trustee or the Bookrunners or Arrangers listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in their capacity, as applicable, as the Administrative Agent, the Security Trustee, a Lender, an L/C Issuer, an Alternative L/C Issuer or (in the case of Section 10.01(g) below) an Arranger hereunder.

Section 9.09. Administrative Agent May File Proofs of Claim; Credit Bidding.

In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, but not obligated, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuers, the Alternative L/C Issuers and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuers, the Alternative L/C Issuers and the Administrative Agent and their respective agents and counsel and all other amounts due to the Lenders, the L/C Issuers, the Alternative L/C Issuers and the Administrative Agent under Sections 2.03(h) and (i), 2.09, 10.04 and 10.05) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender, L/C Issuer and Alternative L/C Issuer to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, the L/C Issuers and the Alternative L/C Issuers, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due to the Administrative Agent under Sections 2.09, 10.04 and 10.05.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender, L/C Issuer or Alternative L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender, L/C Issuer or Alternative L/C Issuer to authorize the Administrative Agent to vote in respect of the claim of any Lender, L/C Issuer or Alternative L/C Issuer in any such proceeding.

The Secured Parties hereby irrevocably authorize the Administrative Agent and/or the Security Trustee, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (i) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar Laws in

any other jurisdictions to which a Loan Party is subject, (ii) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent and/or the Security Trustee (whether by judicial action or otherwise) in accordance with any applicable Law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (A) the Administrative Agent and/or the Security Trustee shall be authorized to form one or more acquisition vehicles to make a bid, (B) to adopt documents providing for the governance of the acquisition vehicle or vehicles (*provided* that any actions by the Administrative Agent and/or the Security Trustee with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 10.01(a) through (h) of Section 10.01 of this Agreement), (C) the Administrative Agent and/or the Security Trustee shall be authorized to assign the relevant Obligations to any such acquisition vehicle pro rata by the Lenders, as a result of which each of the Lenders shall be deemed to have received a pro rata portion of any Equity Interests and/or debt instruments issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without the need for any Secured Party or acquisition vehicle to take any further action, and (D) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action.

Section 9.10. Collateral Matters.

Each of the Lenders (including in its capacity as a potential Hedge Bank), L/C Issuers and Alternative L/C Issuers irrevocably authorize the Administrative Agent and/or the Security Trustee, as applicable:

- (a) to enter into and sign for and on behalf of the Lenders as Secured Parties the Collateral Documents for the benefit of the Lenders and the Secured Parties;

such release, not constitute a Subordinated Shareholder Loan for purposes of this Agreement until such time as each creditor in respect of any such Indebtedness enter into a Pledge Agreement pursuant to Section 6.18; and

(c) to agree, on behalf of the Lenders, to release or subordinate any Lien on any property granted to or held by the Administrative Agent and/or the Security Trustee under any Loan Document to the holder of any Lien on such property that is permitted by Section 4.12 of Annex II to the extent required by the holder of, or pursuant to the terms of any agreement governing, the obligations secured by such Liens.

Upon request by the Administrative Agent and/or the Security Trustee at any time, the Required Lenders will confirm in writing the Administrative Agent's and/or the Security Trustee's authority to agree to release or subordinate its interest in particular types or items of property pursuant to this Section 9.10. In each case as specified in this Section 9.10, the Administrative Agent and/or the Security Trustee will (and each Lender irrevocably authorizes the Administrative Agent and/or the Security Trustee, as applicable, to), at the Borrowers' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents or to subordinate its interest in such item in accordance with the terms of the Loan Documents and this Section 9.10.

In relation to any provision of this Agreement which requires the a Grantor or any member of the Restricted Group to deliver a Collateral Document for the purposes of granting any Guaranty or Collateral for the benefit of the Finance Parties, the Security Trustee and/or the Administrative Agent, as applicable, shall execute, as soon as reasonably practicable, any such guarantee or Collateral Document in agreed form which is presented to it for execution.

Section 9.11. Treasury Services Agreements and Secured Hedge Agreements.

Except as otherwise expressly set forth herein or in any Guaranty or any Collateral Document, no Hedge Bank that obtains the benefits of Section 8.03, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent and/or the Security Trustee shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under any Treasury Services Agreements and Secured Hedge Agreements unless the Administrative Agent and/or the Security Trustee, as applicable, has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent and/or the Security Trustee, as applicable, may request, from the applicable Hedge Bank, as the case may be.

Section 9.12. Withholding Tax Indemnity.

To the extent required by any applicable Laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 3.01, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within ten days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this Section 9.12. The agreements in this Section 9.12 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations.

For the avoidance of doubt, the term “Lender” shall, for purposes of this Section 9.12, include any L/C Issuer, any Alternative L/C Issuer and any Swing Line Lender.

Section 9.13. Intercreditor Agreements.

The Lenders hereby authorize the Administrative Agent to enter into any Intercreditor Agreement or other written intercreditor arrangement permitted under this Agreement and the Lenders acknowledge that any such Intercreditor Agreements or arrangements will be binding upon the Lenders.

**ARTICLE X
MISCELLANEOUS**

Section 10.01. Amendments, Etc.

(a) Except as otherwise provided in this Agreement, the Administrative Agent, if it has the prior written consent of the Required Lenders, and the Loan Parties may from time to time agree in writing to amend any Loan Document or to consent to or waive, prospectively or retrospectively, any of the requirements of any Loan Document and any amendments, consents or waivers so agreed shall be binding on all the Finance Parties and the Loan Parties; *provided* that any changes to the Financial Covenant or Section 8.04 and, in each case, any definition related thereto (as any such definition is used therein but not as otherwise used in this Agreement or any other Loan Document) or waiver of any Default or Event of Default resulting from a failure to perform or observe the Financial Covenant or Section 8.04 shall only require the consent of the Required Revolving Credit Lenders.

For the avoidance of doubt, any amendments relating to this Agreement shall only be made in accordance with the provisions of this Agreement and any amendments relating to an Interest Rate Agreement, Commodity Agreement or Currency Agreement shall only be made in accordance with the provisions of such Interest Rate Agreement, Commodity Agreement or Currency Agreement, in each case notwithstanding any other provisions of the Loan Documents.

An amendment, consent or waiver relating to the following matters (including any technical consequential amendments relating to such amendment, consent or waiver) may be made with the prior written consent of each Lender affected thereby and without the consent of any other Lender:

- (i) without prejudice to Section 2.14, any increase in the principal amount of any Commitment of such Lender;
- (ii) a reduction in the proportion of any amount received or recovered (whether by way of set-off, combination of accounts or otherwise) in respect of any amount due from any Loan Party under this Agreement to which such Lender is entitled;
- (iii) a decrease in any Applicable Rate for, or the principal amount of, any Loan, any Letter of Credit or Alternative Letter of Credit or any interest payment, fees or other amounts due under this Agreement to such Lender from any Loan Party or any other party to this Agreement;

- (viii) a change to this Section 10.01(a) or Section 10.01(d);

(ix) any change to Section 8.03; or

(x) any change to Section 2.13 in a manner that would alter the pro rata sharing of payments required thereby.

Notwithstanding the foregoing, a waiver of issuance or release of any or all or substantially all of the Guarantors under the guarantees or Collateral under the Collateral Documents (except as expressly permitted by any Intercreditor Agreement or other arrangement permitted under this Agreement) shall require the consent of Lenders holding more than 90% of the aggregate Outstanding Amounts and available Commitments.

(b) The Administrative Agent may effect, on behalf of any Finance Party, any amendment or waiver permitted by, and approved in accordance with (if applicable), this Section 10.01.

(c) Any amendment or waiver which:

(i) relates only to the rights or obligations applicable to a particular Class of Loan or Facility; and

(ii) does not materially and adversely affect the rights or interests of Lenders in respect of any other Class of Loan or Facility,

may be made in accordance with this Section 10.01 but as if references in this Section 10.01 to the specified proportion of Lenders (including, for the avoidance of doubt, each affected Lender) whose consent would, but for this Section 10.01(c) be required for that amendment or waiver were to that proportion of the Lenders participating in that particular Class of Loan or Facility.

(d) (i) Notwithstanding any other provision of this Section 10.01 the Administrative Agent may at any time without the consent or sanction of the Lenders, concur with the Borrowers in making any modifications to any Loan Document; *provided* that the Administrative Agent is of the opinion (acting reasonably) that such modification:

(A) would not be materially prejudicial to the position of any Lender; or

(B) relates to the implementation of any alternative basis for the calculation of interest that is binding on all parties in accordance with this Agreement; or

(C) is of a formal, minor, operational or technical nature or is to correct a manifest error, ambiguity, omission, defect or inconsistency; or

(D) is to effect changes to the Loan Documents that are necessary and appropriate to effect the offering process set forth in Section 2.05(a) (v).

(ii) Any such modification shall be made on such terms as the Administrative Agent may reasonably determine, shall be binding upon the Finance Parties, and shall be notified by the Administrative Agent to the Finance Parties as soon as practicable thereafter.

(e) [Reserved].

(f) (i) No amendment, waiver or consent shall, unless in writing and signed by each L/C Issuer or Alternative L/C Issuer, as applicable, in addition to the Lenders required above, affect the rights or duties of such L/C Issuer or Alternative L/C Issuer, as applicable, under this Agreement or any Letter of Credit Application relating to any Letter of Credit or Alternative Letter of Credit issued or to be issued by it; *provided* that this Agreement may be amended to adjust the mechanics related to the issuance of Letters of Credit and Alternative Letters of Credit, including mechanical changes relating to the existence of multiple L/C Issuers and Alternative L/C Issuers, with only the written consent of the Administrative Agent, the applicable L/C Issuer or Alternative L/C Issuer, as applicable, and the Company so long as the obligations of the applicable Participating Revolving Credit Lenders, if any, who have not executed such amendment, and if applicable the other L/C Issuers or Alternative L/C Issuers, if any, who have not executed such amendment, are not adversely affected

thereby; (ii) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lenders in addition to the Lenders required above, affect the rights or duties of the Swing Line Lenders under this Agreement; *provided* that this Agreement may be amended to adjust the borrowing mechanics related to Swing Line Loans with only the written consent of the Administrative Agent, the Swing Line Lenders and the Company so long as the obligations of the applicable Participating Revolving Credit Lenders, if any, who have not executed such amendment are not adversely affected thereby; (iii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; and (iv) Section 10.07(h) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any such Defaulting Lender may not be increased or extended without the consent of such Lender, (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms materially and adversely affects any Defaulting Lender to a greater extent than other affected Lenders shall require the consent of such Defaulting Lender and (z) the consent of any Defaulting Lender shall be required in respect of any amendments referred to in the final paragraph of Section 10.01(a).

Notwithstanding the foregoing, no Lender consent is required to effect any amendment or supplement to any Intercreditor Agreement or other arrangement permitted under this Agreement (i) that is for the purpose of adding the holders (or a representative of the holders) of Additional Facilities or other Indebtedness permitted to be Incurred hereunder as parties thereto, as expressly contemplated by the terms thereof (it being understood that any such amendment or supplement may make such other changes thereto as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing; *provided* that such other changes are not adverse, in any material respect, to the interests of the Lenders) or (ii) that is expressly contemplated by any Intercreditor Agreement or any other arrangement permitted under this Agreement; *provided, further*, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent.

Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrowers (a) to add one or more Additional Facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans, Revolving Credit Loans, Swing Line Loans and L/C Obligations and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders, Required Revolving Credit Lenders or Required Class Lenders, as applicable.

Notwithstanding anything to the contrary in this Agreement or any other Loan Document, the applicable Borrower and the Administrative Agent may enter into any Refinancing Amendment in accordance with Section 2.15 and any Extension Amendment in accordance with Section 2.16, and such Refinancing Amendments and Extension Amendments shall be effective to amend the terms of this Agreement and the other applicable Loan Documents, in each case, without any further action or consent of any other party to any Loan Document.

In addition, notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, the Borrowers and the Lenders providing the Replacement Term Loans (as defined below) to permit the refinancing of all outstanding Term Loans of any Class ("**Replaced Term Loans**") with replacement term loans ("**Replacement Term Loans**") hereunder; *provided* that (a) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of such Replaced Term Loans, plus accrued interest, fees, premiums (if any) and penalties thereon and reasonable fees and expenses associated with such Replacement Term Loans, (b) the All-In Yield with respect to such Replacement Term Loans (or similar interest rate spread applicable to such Replacement Term Loans) shall not be higher than

the All-In Yield for such Replaced Term Loans (or similar interest rate spread applicable to such Replaced Term Loans) immediately prior to such refinancing unless the maturity of the Replacement Term Loans is at least one year later than the maturity of the Replaced Term Loans, (c) the Weighted Average Life to Maturity of such Replacement Term Loans shall not be shorter than the Weighted Average Life to Maturity of such Replaced Term Loans at the time of such refinancing (except by virtue of amortization or prepayment of the Replaced Term Loans prior to the time of such Incurrence) and (d) all other terms applicable to such Replacement Term Loans shall be substantially identical to, or less favorable to the Lenders providing such Replacement Term Loans than, those applicable to such Replaced Term Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the Latest Maturity Date of the Term Loans in effect immediately prior to such refinancing. Each amendment to this Agreement providing for Replacement Term Loans may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent and the Borrowers to effect the provisions of this paragraph, and for the avoidance of doubt, this paragraph shall supersede any other provisions in this Section 10.01 to the contrary.

Notwithstanding anything to the contrary contained in this Section 10.01, guarantees, collateral security documents and related documents executed in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended and waived with the consent of the Administrative Agent at the request of the Borrowers without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities, omissions or defects, or (iii) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents.

Notwithstanding anything to the contrary in this Agreement, where a request for a waiver of, or an amendment to, any provision of any Loan Document has been sent by the Administrative Agent to the Lenders at the request of a Loan Party, each Lender that does not respond to such request for waiver or amendment within ten Business Days after receipt by it of such request (or within such other period as the Administrative Agent and the Borrowers shall specify), shall be excluded from the calculation in determining whether the requisite level of consent to such waiver or amendment was granted.

Notwithstanding anything to the contrary in the Loan Documents, a Finance Party may waive, relinquish or otherwise irrevocably give up all or any of its rights under any Loan Document with the consent of any Loan Party.

Section 10.02. Notices and Other Communications; Facsimile Copies.

(a) Notices; Effectiveness; Electronic Communications.

Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in Section 10.02(a)(iii)), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the Company, the Borrowers, the Administrative Agent, the L/C Issuers, the Alternative L/C Issuers and the Swing Line Lenders.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by

telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in Section 10.02(a)(iii) shall be effective as provided in such Section 10.02(a)(iii).

(iii) Electronic Communications. Notices and other communications to the Lenders, the L/C Issuers and the Alternative L/C Issuers hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, *provided* that the foregoing shall not apply to notices to any Lender, L/C Issuer or Alternative L/C Issuer pursuant to Article II if such Lender, L/C Issuer or Alternative L/C Issuer, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or a Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, *provided* that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (A) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (B) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (A) of notification that such notice or communication is available and identifying the website address therefor.

(b) The Platform. The Platform is provided "as is" and "as available." The Agent Parties (as defined below) do not warrant the accuracy or completeness of the company materials or the adequacy of the Platform, and expressly disclaim liability for errors in or omissions from the company materials. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by any agent party in connection with the company materials or the Platform. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "**Agent Parties**") have any liability to the Loan Parties, any Lender, any L/C Issuer, any Alternative L/C Issuer or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrowers' or the Administrative Agent's transmission of Company Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Agent Party; *provided* that in no event shall any Agent Party have any liability to the Loan Parties, any Lender, any L/C Issuer, any Alternative L/C Issuer or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(c) Change of Address, Etc. Each of the Borrowers, the Administrative Agent, the L/C Issuers, the Alternative L/C Issuers and the Swing Line Lenders may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrowers, the Administrative Agent, the L/C Issuers, the Alternative L/C Issuers and the Swing Line Lenders. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(d) Reliance by Administrative Agent, L/C Issuers, Alternative L/C Issuers and Lenders. The Administrative Agent, the L/C Issuers, the Alternative L/C Issuers and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices and Swing Line Loan Notices) purportedly given by or on behalf of the applicable Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrowers shall indemnify the Administrative Agent, each L/C Issuer, each Alternative L/C Issuer and each Lender and the

Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the applicable Borrower in the absence of gross negligence, willful misconduct or bad faith of such Person, as determined by a final non-appealable judgment of a court of competent jurisdiction. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 10.03. No Waiver; Cumulative Remedies.

No failure by any Lender, any L/C Issuer, any Alternative L/C Issuer or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at Law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders, L/C Issuers and Alternative L/C Issuers; *provided* that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) an L/C Issuer, an Alternative L/C Issuer or a Swing Line Lender from exercising the rights and remedies that inure to its benefit (solely in its capacity as L/C Issuer, Alternative L/C Issuer or Swing Line Lender, as the case may be) hereunder and under the other Loan Documents, (c) any Lender from exercising setoff rights in accordance with Section 10.09 (subject to the terms of Section 2.13), (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law or (e) the Security Trustee from exercising any rights or remedies granted to it under the Collateral Documents or any Intercreditor Agreement; *provided, further*, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

Section 10.04. Attorney Costs and Expenses.

The Arrangers shall bear their own costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents, and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated). From and after the 2020 Amendment Effective Date, the Company shall pay or reimburse the Administrative Agent and/or the Security Trustee for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all respective Attorney Costs, which shall be limited to Attorney Costs of one counsel to the Administrative Agent and the Lenders taken as a whole and one local counsel as reasonably necessary in any relevant jurisdiction material to the interests of the Lenders taken as a whole and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to the affected Indemnitees similarly situated). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid within 30 days after written demand therefor (together with documentation and details supporting such reimbursement request). If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent in its discretion. For the avoidance of doubt, this Section 10.04 shall not apply to Taxes, except any Taxes that represent costs and expenses arising from any non-Tax claim.

Section 10.05. Indemnification by the Borrower.

Each Borrower shall indemnify and hold harmless the Administrative Agent, the Security Trustee, each Agent-Related Person, each Lender, each Arranger, each Bookrunner and each of their respective Affiliates, and each of their respective officers, directors, employees, partners, agents, advisors and other representatives of the foregoing (collectively the “**Indemnitees**”) from and against any and all liabilities, losses, damages, claims, or out-of-pocket expenses (including Attorney Costs but limited in the case of legal fees and expenses to the reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, one local counsel for all Indemnitees taken as a whole in each relevant jurisdiction, and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to the affected Indemnitees similarly situated) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, (b) any Commitment, Loan, Letter of Credit or Alternative Letter of Credit or the use or proposed use of the proceeds therefrom including any refusal by an L/C Issuer or Alternative L/C Issuer, as applicable, to honor a demand for payment under a Letter of Credit or Alternative Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit or Alternative Letter of Credit, (c) any actual or alleged Environmental Liability of the Loan Parties or any Subsidiary thereof, or (d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) (a “**Proceeding**”) and regardless of whether any Indemnitee is a party thereto or whether or not such Proceeding is brought by any Borrower or any other Person and, in each case, whether or not caused by or arising, in whole or in part, out of the negligence of the Indemnitee; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, losses, damages, claims or out-of-pocket expenses resulted from (i) the fraud, gross negligence, bad faith or willful misconduct of such Indemnitee or of any of its Related Indemnified Persons, as determined by a final non-appealable judgment of a court of competent jurisdiction, (ii) a material breach of any obligations under any Loan Document by such Indemnitee or of any of its Related Indemnified Persons, as determined by a final non-appealable judgment of a court of competent jurisdiction or (iii) any dispute solely among Indemnitees other than any claims against an Indemnitee in its capacity or in fulfilling its role as an administrative agent or arranger or any similar role under any Facility and other than any claims arising out of any act or omission of any Borrower or any of its Affiliates (as determined in a final and non-appealable judgment of a court of competent jurisdiction). No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement (except for direct (as opposed to indirect, special, punitive or consequential) damages resulting from the gross negligence, bad faith or willful misconduct, as determined by a court of competent jurisdiction in a final and non-appealable judgment, of any such Indemnitee), nor shall any Indemnitee, Related Indemnified Person, Loan Party or any Subsidiary thereof have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the 2020 Amendment Effective Date) (other than, in the case of any Loan Party, in respect of any such damages incurred or paid by an Indemnitee to a third party, or which are included in a third-party claim, and for any out-of-pocket expenses related thereto). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, any Subsidiary thereof, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents are consummated. All amounts due under this Section 10.05 shall be paid within ten days after written demand therefor (together with backup documentation supporting such reimbursement request); *provided* that such Indemnitee shall promptly refund such amount to the extent that there is a final judicial or arbitral determination that such Indemnitee was not entitled to indemnification rights with respect to such payment pursuant to the express terms of this Section 10.05. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. For the avoidance of doubt, this Section 10.05 shall not apply to Taxes, except any Taxes that represent liabilities, obligations, losses, damages, penalties, claims, demands, actions, prepayments, suits, costs, expenses and disbursements arising from any non-Tax claims.

To the extent that any Borrower for any reason fails to indefeasibly pay any amount required under this Section 10.05 or Section 10.04 to be paid by it to the Administrative Agent (or any sub-agent thereof), an L/C Issuer, an Alternative L/C Issuer or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), such L/C Issuer, such Alternative L/C Issuer or such Related Party, as the case may be, such Lender's Pro Rata Share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent), an L/C Issuer or an Alternative L/C Issuer in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent), L/C Issuer or Alternative L/C Issuer in connection with such capacity. The obligations of the Lenders under this paragraph are subject to the provisions of Section 2.12(e).

Section 10.06. Payments Set Aside.

To the extent that any payment by or on behalf of any Borrower is made to the Administrative Agent, any L/C Issuer, any Alternative L/C Issuer or any Lender, or the Administrative Agent, any L/C Issuer, any Alternative L/C Issuer or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent, such L/C Issuer, such Alternative L/C Issuer or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender, each L/C Issuer and each Alternative L/C Issuer severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect (or such other applicable daily interest rate as reasonably selected by the Administrative Agent). The obligations of the Lenders, L/C Issuers and Alternative L/C Issuers under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Section 10.07. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Borrower nor any other Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (except as permitted by Section 5.01 of Annex II) and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Assignee pursuant to an assignment made in accordance with the provisions of Section 10.07(b) (such an assignee, an "**Eligible Assignee**") and (A) in the case of any Assignee that, immediately prior to or upon giving effect to such assignment, is an Affiliated Lender, solely Section 10.07(k) or (B) in the case of any Assignee that is a Loan Party or any of its Subsidiaries, solely Section 2.05(a)(v) or Section 10.07(l), (ii) by way of participation in accordance with the provisions of Section 10.07(e), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(g) or Section 10.07(i) or (iv) to an SPC in accordance with the provisions of Section 10.07(h) (each, a "**New Lender**"); *provided* that notwithstanding the foregoing, no Lender may assign or transfer by participation any of its rights or obligations hereunder (1) to any Person that is then a Defaulting Lender, (2) to a natural Person or, subject to Section 10.07(b), a Disqualified Institution or (3) where such rights and obligations relate to a Loan to a UK Borrower, to any Person that is not a UK Qualifying Lender. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(e), any sub-agents of the Administrative Agent or the Security Trustee, and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement. The Administrative Agent shall promptly give notice to the Company of any request by a Lender to assign any of its rights or obligations hereunder to any Person that is on the Disqualified Institutions List or, to the extent it has knowledge, any Person that is an Affiliate of a Person on the Disqualified Institutions List; *provided* that the Administrative Agent shall have no responsibility or liability with respect to the Disqualified Institutions List or any assignments to any Disqualified Institution.

(b) (i) Subject to the limitations set forth in Section 10.07(a) and the conditions set forth in Section 10.07(b)(ii), any Lender may assign to one or more assignees (“**Assignees**”) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (including for purposes of this Section 10.07(b), participations in L/C Obligations and in Swing Line Loans) at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, conditioned or delayed, except (x) in connection with a proposed assignment to any Disqualified Institution or (y) with respect to the consent of the Company for an assignment of a Revolving Credit Commitment or Revolving Credit Loan) of:

(A) the Company; *provided* that no consent of the Company shall be required (1) for an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, (2) for an assignment of, or related to, Revolving Credit Commitments or Revolving Credit Exposure if such assignment is to an entity which is a lender under any revolving credit facility for any member of the Restricted Group or the Wider Group, (3) other than with respect to any proposed assignment to any Person that is a Disqualified Institution, if an Event of Default under Section 8.01(a) or, solely with respect to the applicable Borrower, Section 8.01(f) has occurred and is continuing, or (4) for an assignment of all or a portion of the Loans pursuant to Section 10.07(k) or Section 10.07(l); *provided, further*, that, other than with respect to any proposed assignment to any Person that is a Disqualified Institution, the Company shall be deemed to have consented to any such assignment of, or related to, Term Loans unless it shall have objected thereto by written notice to the Administrative Agent within 15 Business Days after having received notice thereof;

(B) the Administrative Agent; *provided* that no consent of the Administrative Agent shall be required for an assignment of all or a portion of the Loans pursuant to Section 10.07(k) or Section 10.07(l);

(C) each applicable L/C Issuer at the time of such assignment; *provided* that no consent of the applicable L/C Issuer shall be required for any assignment of Term Loans or Term Commitments, any assignment of Revolving Credit Loans or Revolving Credit Commitments that are not Participating Revolving Credit Commitments with respect to such L/C Issuer, or any assignment to the Administrative Agent or an Arranger or Bookrunner or an Affiliate of the Administrative Agent or an Arranger or Bookrunner; and

(D) each applicable Swing Line Lender; *provided* that no consent of a Swing Line Lender shall be required for any assignment of Term Loans or Term Commitments, any assignment of Revolving Credit Loans or Revolving Credit Commitments that are not Participating Revolving Credit Commitments with respect to such Swing Line Lender, or any assignment to the Administrative Agent or an Arranger or Bookrunner or an Affiliate of the Administrative Agent or an Arranger or Bookrunner;

provided that, to the extent contemplated by any Intercreditor Agreement, the Assignee shall have entered into any documentation required for it to accede as a party to such Intercreditor Agreement in the relevant capacity (which documentation may include an Assignment and Assumption to the extent the relevant accession provisions are included therein).

Notwithstanding the foregoing or anything to the contrary set forth herein, to the extent any Lender is required to assign any portion of its Commitments, Loans and other rights, duties and obligations hereunder in order to comply with applicable Laws, such assignment may be made by such Lender without the consent of the Company, the Administrative Agent, any applicable L/C Issuer or Alternative L/C Issuer, any applicable Swing Line Lender or any other party hereto so long as such Lender complies with the requirements of Section 10.07(b)(ii); *provided* that to the extent applicable Laws do not require any Lender to assign any portion of its Commitments, Loans and other rights, duties and obligations hereunder to any specific Person, the Company, the Administrative Agent, any applicable L/C Issuer, any applicable Alternative L/C Issuer, any applicable Swing Line Lender or any other party hereto shall maintain any consent rights pursuant to this Section 10.07(b)(i).

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than an amount of \$5,000,000 in the case of Revolving Credit Commitments or Revolving Credit Loans and \$1,000,000 in the case of Term Loans or Term Commitments unless each of the Company and the Administrative Agent otherwise consent; *provided* that such assignments shall be aggregated in respect of each Lender and its Affiliates or Approved Funds, if any;

(B) unless otherwise consented to in writing by the Company, no Lender shall be entitled to effect any assignment or transfer which would result in the Assignee holding an aggregate participation of more than zero but less than (1) \$5,000,000 in relation to any Revolving Credit Loan or Revolving Credit Commitment or (2) \$1,000,000 in relation to any Term Loan or Term Commitment;

(C) in relation to its Revolving Credit Loans and Revolving Credit Commitments (unless otherwise consented to in writing by the Company), no Lender shall be entitled to effect any assignment or transfer other than to the extent such transfers and assignments are on a pro rata basis as between the relevant Lender's Revolving Credit Loans and Revolving Credit Commitments under each Class under which it is a Lender;

(D) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500 (unless waived or reduced by the Administrative Agent in its sole discretion); and

(E) other than in the case of assignments pursuant to Section 10.07(l), the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

This Section 10.07(b) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis among such Facilities.

In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Company and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (1) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (2) acquire (and fund as appropriate) its full Pro Rata Share of all Loans and participations in Letters of Credit and Swing Line Loans in accordance with its Pro Rata Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(c) Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.07(d), from and after the effective date specified in each Assignment and Assumption, (i) other than in connection with an assignment pursuant to Section 10.07(l), the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement; *provided* that an Assignee will not be eligible for benefits under Sections 3.01, 3.02, 3.04 or 3.09 where the relevant payment under Sections 3.01, 3.02, 3.04 or 3.09, as applicable, is required as a result of circumstances existing on the effective date of the Assignment and Assumption, to the extent such benefits would not have been available to the assignor had the assignor remained a Lender, and (ii) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01,

3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender by the assigning Lender of its Note, the applicable Borrower (at its expense) shall execute and deliver a Note to the assignee Lender; *provided* that, except as otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender having been a Defaulting Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 10.07(c) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(e).

(d) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption, each Affiliated Lender Assignment and Assumption delivered to it, and each notice of cancellation of any Loans delivered by the Company pursuant to Section 10.07(k) or Section 10.07(l) and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, L/C Obligations (specifying the Unreimbursed Amounts and the Drawn Amounts thereof), L/C Borrowings, Alternative L/C Borrowings and the amounts due under Section 2.03, owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, absent manifest error, and the Borrowers and the Finance Parties shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Company, and any Finance Party, at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(d) and Section 2.11 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Section 163(f), 871(h)(2) and 881(c)(2) of the Code and any related United States Department of the Treasury Regulations (or any other relevant or successor provisions of the Code or of such United States Department of the Treasury Regulations). Notwithstanding the foregoing, in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender nor shall the Administrative Agent be obligated to monitor the aggregate amount of Term Loans held by Affiliated Lenders.

(e) Subject to Section 10.07(f), any Lender, without consent of, or notice to, the Company or the Administrative Agent, may at any time sell participations to any Person (other than a natural person, any Borrower or any Borrower's Affiliate or its Subsidiaries, a Disqualified Institution or a Defaulting Lender) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in L/C Obligations and/or Swing Line Loans) owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Company, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or the other Loan Documents; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in clauses (i) through (x) of the first proviso to Section 10.01 that requires the affirmative vote of such Lender. Subject to Section 10.07(f), the Company agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.04, 3.05 and 3.09 to the same extent as if it were a Lender (subject, for the avoidance of doubt, to the limitations and requirements of those Sections (including Section 3.01(d)) applying to each Participant as if it were a Lender, and it being understood that the documentation required under Section 3.01(d) shall be delivered to the Discount Prepayment Participating Lender) and had acquired its interest by assignment pursuant to Section 10.07(c). To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.13 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. The portion of any Participant Register relating to any Participant

requesting payment from the applicable Borrower or seeking to exercise its rights under Section 10.09 shall be available for inspection by the applicable Borrower upon reasonable request to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Department of the Treasury Regulations, or is otherwise required thereunder. For the avoidance of doubt, the Administrative Agent shall have no responsibility for maintaining a Participant Register or with respect to the sale of participations to any Person that is a Disqualified Institution.

(f) If:

(i) a Lender assigns or transfers any participation to a Participant or changes its Lending Office; and

(ii) as a result of circumstances existing at the date of the assignment or transfer or change, a Loan Party would be obliged to make a payment to the Participant or Lender acting through its new Lending Office under Section 3.01, 3.02, 3.03 or 3.09,

then the Participant or Lender acting through its new Lending Office shall only be entitled to receive payment under those Sections to the same extent as the Participant or Lender acting through its existing Lending Office would have been if the assignment, transfer or change had not occurred. This Section 10.07(f) shall not apply to: (a) an assignment or transfer in the ordinary course of primary syndication of the Loans or (b) in relation to Section 3.02(c) or (d), to a new lender that has included a confirmation of its scheme reference number and its jurisdiction of tax residence in accordance with Section 3.03(c)(i) or (ii) and such Loan Party making the payment has not filed a form DTTP2 with HMRC in respect of that new lender within 30 days following the date of the Assignment and Assumption or Increase Confirmation (as applicable).

(g) Any Lender may, without the consent of the Borrowers or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any other central bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(h) Notwithstanding anything to the contrary contained herein, any Lender (a “**Granting Lender**”) may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrowers (an “**SPC**”) the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) such SPC and the applicable Loan or any applicable part thereof, shall be appropriately reflected in the Participant Register. Each party hereto hereby agrees that (A) an SPC shall be entitled to the benefit of Sections 3.01, 3.02, 3.04, 3.05 and 3.09 (subject to the requirements and the limitations of such Sections and it being understood that the documentation required under Section 3.01(d) shall be delivered to the Granting Lender), but neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrowers under this Agreement except, in the case of Section 3.01, to the extent that the grant to the SPC was made with the prior written consent of the Company (not to be unreasonably withheld or delayed; *provided* that for the avoidance of doubt, the Company shall have a reasonable basis for withholding consent if an exercise by an SPC immediately after the grant would result in materially increased indemnification obligation to the Company at such time), (B) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (C) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the Lender hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (1) with notice to, but without prior consent of the Company and the Administrative Agent and with the payment of a processing fee of \$3,500, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (2) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or guarantee or credit or liquidity enhancement to such SPC.

If a Granting Lender grants an option to an SPC as described herein and such grant is not reflected in the Register, the Granting Lender shall maintain a separate register on which it records the name and address of each SPC and the principal amounts (and related interest) of each SPC's interest with respect to the Loans, Commitments or other interests hereunder, which entries shall be conclusive absent manifest error; *provided* that no Lender shall have any obligation to disclose any portion of such register to any Person except to the extent disclosure is necessary to establish that the Loans, Commitments or other interests hereunder are in registered form for United States federal income tax purposes.

(i) Notwithstanding anything to the contrary contained herein, without the consent of the Company or the Administrative Agent, (i) any Lender may in accordance with applicable Law create a security interest in all or any portion of the Loans owing to it and any Note held by it and (ii) any Lender that is a fund may create a security interest in all or any portion of the Loans owing to it and any Note held by it to the trustee for holders of obligations owed, or securities issued, by such fund as security for such obligations or securities; *provided* that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (A) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (B) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(j) Notwithstanding anything to the contrary contained herein, any L/C Issuer, any Alternative L/C Issuer or any Swing Line Lender may, upon 30 days' notice to the Company and the Lenders, resign as an L/C Issuer, Alternative L/C Issuer or Swing Line Lender, respectively; *provided* that on or prior to the expiration of such 30-day period with respect to such resignation, the relevant L/C Issuer, Alternative L/C Issuer or Swing Line Lender shall have identified a successor L/C Issuer, Alternative L/C Issuer or Swing Line Lender reasonably acceptable to the Company willing to accept its appointment as successor L/C Issuer, Alternative L/C Issuer or Swing Line Lender, as applicable. In the event of any such resignation of an L/C Issuer, Alternative L/C Issuer or Swing Line Lender, the Company shall be entitled to appoint from among the Lenders willing to accept such appointment a successor L/C Issuer, Alternative L/C Issuer or Swing Line Lender hereunder; *provided* that no failure by the Company to appoint any such successor or by the relevant L/C Issuer, Alternative L/C Issuer or Swing Line Lender to designate any such successor shall affect the resignation of the relevant L/C Issuer, Alternative L/C Issuer or Swing Line Lender, as the case may be, except as expressly provided above. If an L/C Issuer or Alternative L/C Issuer resigns as an L/C Issuer or Alternative L/C Issuer, it shall retain all the rights and obligations of an L/C Issuer or Alternative L/C Issuer hereunder with respect to all Letters of Credit or Alternative Letters of Credit, as applicable, outstanding as of the effective date of its resignation as an L/C Issuer or Alternative L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)). If a Swing Line Lender resigns as Swing Line Lender, it shall retain all the rights of a Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.04(c).

(k) Any Lender may at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to a Person who is or will become, after such assignment, an Affiliated Lender solely through (x) Dutch auctions or other offers to purchase or take by assignment open to all Lenders on a pro rata basis (including in accordance with the procedures described in Section 2.05(a)(v) or as otherwise approved by the Administrative Agent) or (y) open market purchase on a non-pro rata basis, in each case subject to the following limitations:

(i) the assigning Lender and the Affiliated Lender purchasing such Lender's Term Loans shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit H hereto (an "**Affiliated Lender Assignment and Assumption**");

(ii) Affiliated Lenders will not receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in conference calls or meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II;

(iii) (A) each Affiliated Lender that purchases any Term Loans pursuant to clause (x) above shall represent and warrant to the selling Lender and the Administrative Agent (other than any other Affiliated Lender), or shall make a statement that such representation cannot be made, that it does not possess material non-public information with respect to the Loan Parties and their Subsidiaries or the securities of any of them that has not been disclosed to the Term Lenders generally (other than Term Lenders who elect not to receive such information) and (B) each Lender (other than any other Affiliated Lender) that assigns any Term Loans to an Affiliated Lender pursuant to clause (y) above shall deliver to the Administrative Agent and the Company a customary Big Boy Letter;

(iv) the aggregate principal amount of Term Loans held at any one time by Affiliated Lenders shall not exceed 30% of the principal amount of all Term Loans at such time outstanding (such percentage, the “**Affiliated Lender Cap**”); *provided* that to the extent any assignment to an Affiliated Lender would result in the aggregate principal amount of all Loans held by Affiliated Lenders exceeding the Affiliated Lender Cap, the assignment of such excess amount will be *void ab initio*; *provided, further*, that such cap shall not apply to Loans assigned to Affiliated Lenders where the assignment is in relation to a Qualifying Assignment; and

(v) as a condition to each assignment pursuant to this Section 10.07(k), the Administrative Agent and the Company shall have been provided a notice in the form of Exhibit E-2 to this Agreement in connection with each assignment to an Affiliated Lender or a Person that upon effectiveness of such assignment would constitute an Affiliated Lender pursuant to which such Affiliated Lender shall waive any right to bring any action in connection with such Term Loans against the Administrative Agent, in its capacity as such.

Each Affiliated Lender agrees to notify the Administrative Agent promptly (and in any event within ten Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent promptly (and in any event within ten Business Days) if it becomes an Affiliated Lender. Such notice shall contain the type of information required and be delivered to the same addressee as set forth in Exhibit E-2.

Notwithstanding anything to the contrary contained herein, any Affiliated Lender that has purchased Term Loans pursuant to this Section 10.07(k) may, in its sole discretion, contribute, directly or indirectly, the principal amount of such Term Loans, plus all accrued and unpaid interest thereon (except to the extent owing to or for the account of any direct or indirect assignor Lender), to the relevant Borrower for the purpose of cancelling and extinguishing such Term Loans. Upon the date of such contribution, assignment or transfer, (A) the aggregate Outstanding Amount of Term Loans of the relevant Class shall reflect such cancellation and extinguishing of such Term Loans and (B) the relevant Borrower shall promptly provide notice to the Administrative Agent of such contribution of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of such Term Loans in the Register.

(l) Any Lender may, so long as no Event of Default has occurred and is continuing, at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to a Loan Party or any of their respective Subsidiaries solely through (x) Dutch auctions or other offers to purchase open to all Lenders on a pro rata basis (including in accordance with procedures of the type described in Section 2.05(a)(v)) or (y) notwithstanding Sections 2.12 and 2.13 or any other provision in this Agreement, open market purchase on a non-pro rata basis; *provided* that:

(i) upon such assignment, transfer or contribution, such Loan Party or Subsidiary shall automatically be deemed to have contributed the principal amount of such Term Loans, plus all accrued and unpaid interest thereon, to a Borrower; and

(ii) (A) the principal amount of such Term Loans, along with all accrued and unpaid interest thereon (except to the extent owing to or for the account of any direct or indirect assignor Lender), so contributed, assigned or transferred to a Borrower shall be deemed automatically cancelled and extinguished on the date of such contribution, assignment or transfer, (B) the aggregate Outstanding Amount of Term Loans of the relevant Class shall reflect such cancellation and extinguishing of such Term Loans and (C) such Borrower shall promptly provide notice to the Administrative Agent of such contribution, assignment or transfer of such

Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of such Term Loans in the Register.

(m) Notwithstanding anything in Section 10.01 or the definitions of “Required Lenders” or “Required Class Lenders” to the contrary, for purposes of determining whether the Required Lenders and Required Class Lenders (in respect of a Class of Term Loans) have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, or subject to Section 10.07(n), any plan of reorganization pursuant to the Bankruptcy Code, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, no Affiliated Lender shall have any right to consent (or not consent), otherwise act or direct or require the Administrative Agent or any Lender to take (or refrain from taking) any such action, and all Term Loans held by any Affiliated Lenders shall be deemed to be not outstanding for all purposes of calculating whether the Required Lenders, Required Class Lenders (in respect of a Class of Term Loans) or all Lenders have taken any actions, except that no amendment, modification or waiver of any Loan Document shall, without the consent of the applicable Affiliated Lender, deprive any Affiliated Lender of its Pro Rata Share of any payment to which all Lenders of the applicable Class of Term Loans are entitled or affect an Affiliated Lender in a manner that is disproportionate to the effect on any Lender of the same Class of Term Loans.

(n) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender hereby agrees that (and each Affiliated Lender Assignment and Assumption shall provide a confirmation that) if a proceeding under any Debtor Relief Law shall be commenced by or against any Loan Party at a time when such Affiliated Lender is a Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Term Loans held by such Affiliated Lender in a manner such that all Affiliated Lenders will be deemed to vote in the same proportion as Lenders that are not Affiliated Lenders, unless the Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Term Loans held by it in order to provide that all Affiliated Lenders will be deemed to vote in the same proportion as Lenders that are not Affiliated Lenders; *provided* that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated Lender in a manner that has a disproportionate effect on such Affiliated Lender as compared to the proposed treatment of similar Obligations held by Term Lenders that are not Affiliated Lenders.

(o) [Reserved].

(p) The aggregate Outstanding Amount of the Term Loans of the applicable Class shall be deemed reduced by the full par value of the aggregate principal amount of the Term Loans purchased by, or contributed to (in each case, and immediately cancelled hereunder), any Borrower pursuant to Section 10.07(k) or (l) and the principal repayment instalments with respect to the Term Loans of such Class pursuant to Section 2.07(a)(i) shall be reduced pro rata by the par value of the aggregate principal amount of Term Loans so purchased or contributed (and subsequently cancelled), with such reduction being applied solely to the Term Loans of the Lenders which sold such Term Loans.

Section 10.08. Confidentiality.

Each of the Finance Parties agrees to maintain the confidentiality of the Information, except that Information may be disclosed: (a) to its Affiliates and its and its Affiliates’ managers, administrators, directors, officers, employees, trustees, partners, investors, investment advisors and agents, including accountants, legal counsel and other advisors and loan syndication service providers (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); (b) to the extent requested by any Governmental Authority or self-regulatory authority having or asserting jurisdiction over such Person (including any Governmental Authority regulating any Lender or its Affiliates); *provided* that the applicable Finance Party agrees that it will notify the Company prior to any such disclosure by such Person to the extent practicable (other than at the request of a regulatory authority or any self-regulatory authority having or asserting jurisdiction over such Person) unless such notification is prohibited by law, rule or regulation; (c) to the extent required by applicable Laws or regulations

or by any subpoena or similar legal process; *provided* that the applicable Finance Party agrees that it will notify the Company as soon as practicable in the event of any such disclosure by such Person (other than at the request of a regulatory authority or any self-regulatory authority having or asserting jurisdiction over such Person) unless such notification is prohibited by law, rule or regulation; (d) to any other party to this Agreement; (e) subject to an agreement containing provisions at least as restrictive as those of this Section 10.08 (or as may otherwise be reasonably acceptable to the Company), to any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights and obligations under this Agreement or any Eligible Assignee invited to be an Additional Lender, any pledgee referred to in Section 10.07(g), or any actual or prospective direct or indirect counterparty (or its advisors) to any swap or derivative transaction relating to the Borrowers and their obligations, or any provider of credit insurance relating to the Borrowers and their obligations; (f) with the written consent of the Company; (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 10.08 by such Finance Party or becomes available to the Administrative Agent, any Arranger, any Lender, any L/C Issuer, any Alternative L/C Issuer or any of their respective Affiliates on a non-confidential basis from a source other than a Loan Party or their respective Affiliates (so long as such source is not known to the Administrative Agent, such Arranger, such Lender, such L/C Issuer, such Alternative L/C Issuer or any of their respective Affiliates to be bound by confidentiality obligations to any Loan Party); (h) to any rating agency when required by it on a customary basis and after consultation with the Company (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to Loan Parties and their Subsidiaries received by it from such Lender); (i) in connection with the exercise of any remedies hereunder, under any other Loan Document or the enforcement of its rights hereunder or thereunder; or (j) to the extent such Information is independently developed by such Person or its Affiliates so long as not based on Information obtained in a manner that would otherwise violate this Section 10.08.

For purposes of this Section, “**Information**” means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof or their respective businesses, other than any such information that is available to the Administrative Agent or any other Finance Party on a non-confidential basis prior to disclosure by any Loan Party or any Subsidiary thereof other than as a result of a breach of this Section 10.08 by such Finance Party; *provided* that all information received after the 2020 Amendment Effective Date from the Loan Parties or any of their Subsidiaries shall be deemed confidential unless such information is clearly identified at the time of delivery as not being confidential.

Each of the Administrative Agent, the L/C Issuers, the Alternative L/C Issuers and the Lenders acknowledges that (a) the Information may include material non-public information concerning the Loan Parties or any of their Subsidiaries, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including United States Federal and state securities Laws.

Section 10.09. Setoff.

In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender and its Affiliates (and the Administrative Agent, in respect of any unpaid fees, costs and expenses payable hereunder) is authorized at any time and from time to time, without prior notice to the Company, any such notice being waived by each Borrower (on its own behalf and on behalf of each Loan Party and each of its Subsidiaries) to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held by, and other Indebtedness at any time owing by, such Lender and its Affiliates or the Administrative Agent to or for the credit or the account of the respective Loan Parties and their Subsidiaries against any and all Obligations (other than, with respect to any Guarantor, Excluded Swap Obligations of such Guarantor) owing to such Lender and its Affiliates or the Administrative Agent hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not the Administrative Agent or such Lender or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness; *provided* that in the event that any Defaulting Lender shall exercise any such right of setoff, (a) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the L/C Issuers, the Alternative L/C Issuers and the Lenders, and (b) the Defaulting Lender shall provide

promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender agrees promptly to notify the Borrowers and the Administrative Agent after any such set off and application made by such Lender; *provided* that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent and each Lender under this Section 10.09 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent and such Lender may have at Law.

Section 10.10. Interest Rate Limitation.

Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “**Maximum Rate**”). If the Administrative Agent, an Arranger or a Bookrunner or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the relevant Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or such Arranger, Bookrunner or Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.11. Counterparts; Electronic Execution of Assignments and Certain Other Documents.

This Agreement and each other Loan Document may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier, .pdf or other electronic imaging means of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Administrative Agent may also require that any such documents and signatures delivered by telecopier, .pdf or other electronic imaging means be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier, .pdf or other electronic imaging means.

The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 10.12. Integration; Termination.

This Agreement, together with the other Loan Documents, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements, written or oral, on such subject matter. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; *provided* that the inclusion of supplemental rights or remedies in favor of the Administrative Agent or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof.

Section 10.13. Survival of Representations and Warranties.

All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice

or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied (other than Obligations under Secured Hedge Agreements, Treasury Services Agreements or contingent indemnification obligations, in any such case, not then due and payable) or any Letter of Credit or Alternative Letter of Credit shall remain outstanding (unless the Outstanding Amount of the L/C Obligations related thereto has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable L/C Issuer or Alternative L/C Issuer such Letter of Credit or Alternative Letter of Credit has been deemed reissued under another agreement reasonably acceptable to the applicable L/C Issuer or Alternative L/C Issuer).

Section 10.14. Severability.

If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.14, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, the L/C Issuers, the Alternative L/C Issuers or the Swing Line Lenders, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

Section 10.15. GOVERNING LAW; FORUM; PROCESS AGENT.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT (OTHER THAN AS SET FORTH IN THE OTHER LOAN DOCUMENTS) SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, SHALL BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY (BOROUGH OF MANHATTAN) OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE AND ANY APPELLATE COURTS FROM ANY THEREOF, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY, EACH AGENT AND EACH LENDER CONSENTS, IRREVOCABLY AND UNCONDITIONALLY, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS AND AGREES THAT IT WILL NOT COMMENCE OR SUPPORT ANY SUCH ACTION OR PROCEEDING IN ANOTHER JURISDICTION. EACH LOAN PARTY, EACH AGENT AND EACH LENDER IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENTS IN THE MANNER PROVIDED FOR NOTICES (OTHER THAN TELECOPIER) IN SECTION 10.02. NOTHING IN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

(c) EACH LOAN PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY (I) AGREES THAT SERVICE OF ALL WRITS, PROCESS AND SUMMONSES IN ANY SUCH SUIT,

ACTION OR PROCEEDING BROUGHT IN THE STATE OF NEW YORK MAY BE MADE UPON THE ORIGINAL CO-BORROWER (IN SUCH CAPACITY, THE "PROCESS AGENT") AND EACH OTHER LOAN PARTY HEREBY CONFIRMS AND AGREES THAT THE PROCESS AGENT HAS BEEN DULY AND IRREVOCABLY APPOINTED AS ITS RESPECTIVE AGENT TO ACCEPT SUCH SERVICE OF ANY AND ALL SUCH WRITS, PROCESSES AND SUMMONSES, AND AGREES THAT THE FAILURE OF THE PROCESS AGENT TO GIVE ANY NOTICE OF ANY SUCH SERVICE OF PROCESS TO THE OTHER BORROWERS OR ANY OTHER LOAN PARTY SHALL NOT IMPAIR OR AFFECT THE VALIDITY OF SUCH SERVICE OR OF ANY JUDGMENT BASED THEREON. IF THE PROCESS AGENT SHALL CEASE TO SERVE AS AGENT FOR THE OTHER BORROWERS OR ANY OTHER LOAN PARTY TO RECEIVE SERVICE OF PROCESS HEREUNDER, EACH OF THE BORROWERS AND THE OTHER LOAN PARTIES, AS APPLICABLE, SHALL PROMPTLY APPOINT A SUCCESSOR AGENT SATISFACTORY TO THE ADMINISTRATIVE AGENT. EACH OF THE OTHER BORROWERS AND EACH OTHER LOAN PARTY HEREBY FURTHER CONSENTS TO THE SERVICE OF PROCESS IN ANY SUIT, ACTION OR PROCEEDING BY THE MAILING THEREOF BY THE ADMINISTRATIVE AGENT OR ANY LENDER BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, AT ITS NOTICE ADDRESS SET FORTH IN THIS AGREEMENT, AND (II) AGREES THAT NOTHING HEREIN SHALL AFFECT THE RIGHT TO EFFECT SERVICE OF PROCESS IN ANY OTHER MANNER PERMITTED BY LAW, OR SHALL LIMIT THE RIGHT TO SUE IN ANY OTHER JURISDICTION.

Section 10.16. WAIVER OF RIGHT TO TRIAL BY JURY.

EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 10.17. Binding Effect.

This Agreement shall become effective when (a) it shall have been executed by the Loan Parties and the Administrative Agent and (b) the Administrative Agent shall have been notified by each Lender, Swing Line Lender, L/C Issuer and Alternative L/C Issuer that each such Lender, Swing Line Lender, L/C Issuer and Alternative L/C Issuer has executed it and thereafter shall be binding upon and inure to the benefit of the Loan Parties, each Lender, each other Person that becomes party hereto and each of their respective successors and assigns, in each case in accordance with Section 10.07 (if applicable).

Section 10.18. USA Patriot Act.

Each Lender that is subject to the USA Patriot Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrowers that pursuant to the requirements of the USA Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name, address and tax identification number of such Loan Party and other information regarding such Loan Party that will allow such Lender or the Administrative Agent, as applicable, to identify such Loan Party in accordance with the USA Patriot Act. This notice is given in accordance with the requirements of the USA Patriot Act and is effective as to the Lenders and the Administrative Agent.

Section 10.19. No Advisory or Fiduciary Responsibility.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each Loan Party acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (a) (i) the arranging and other services regarding this Agreement provided by the Administrative Agent and the other Arrangers are arm's-

length commercial transactions between the Loan Parties and their respective Affiliates, on the one hand, and the Administrative Agent, the other Arrangers and the Lenders, on the other hand, (ii) each Loan Party has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (iii) each Loan Party is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (b) (i) the Administrative Agent, each other Arranger and each Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for each Loan Party or any of their respective Affiliates, or any other Person and (ii) neither the Administrative Agent, any other Arranger nor any Lender has any obligation to the Loan Parties or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (c) the Administrative Agent, the other Arrangers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Loan Parties and their respective Affiliates, and neither the Administrative Agent nor any other Arranger nor any Lender has any obligation to disclose any of such interests to the Loan Parties or any of their respective Affiliates. To the fullest extent permitted by applicable Law, each Loan Party hereby waives and releases any claims that it may have against the Administrative Agent, the other Arrangers and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 10.20. INTERCREDITOR AGREEMENTS.

(a) PURSUANT TO THE EXPRESS TERMS OF EACH INTERCREDITOR AGREEMENT, IN THE EVENT OF ANY CONFLICT OR INCONSISTENCY BETWEEN THE TERMS OF THE RELEVANT INTERCREDITOR AGREEMENT AND ANY OF THE LOAN DOCUMENTS, THE PROVISIONS OF THE RELEVANT INTERCREDITOR AGREEMENT SHALL GOVERN AND CONTROL.

(b) EACH LENDER AUTHORIZES AND INSTRUCTS THE ADMINISTRATIVE AGENT TO ENTER INTO THE RELEVANT INTERCREDITOR AGREEMENT ON BEHALF OF SUCH LENDER, AND TO TAKE ALL ACTIONS (AND EXECUTE ALL DOCUMENTS) REQUIRED (OR DEEMED ADVISABLE) BY IT IN ACCORDANCE WITH THE TERMS OF SUCH INTERCREDITOR AGREEMENT(S). EACH LENDER AGREES TO BE BOUND BY AND WILL TAKE NO ACTIONS CONTRARY TO THE PROVISIONS OF THE RELEVANT INTERCREDITOR AGREEMENT.

(c) THE PROVISIONS OF THIS SECTION 10.20 ARE NOT INTENDED TO SUMMARIZE ALL RELEVANT PROVISIONS OF THE RELEVANT INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO THE RELEVANT INTERCREDITOR AGREEMENT ITSELF TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF THE RELEVANT INTERCREDITOR AGREEMENT AND THE TERMS AND PROVISIONS THEREOF, AND NO AGENT (AND NONE OF ITS AFFILIATES) MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN THE RELEVANT INTERCREDITOR AGREEMENT.

(d) THE PROVISIONS OF THIS SECTION 10.20 SHALL APPLY WITH EQUAL FORCE, MUTATIS MUTANDIS, TO EACH INTERCREDITOR AGREEMENT AND ANY OTHER INTERCREDITOR ARRANGEMENT PERMITTED BY THIS AGREEMENT.

Section 10.21. Additional Parties.

(a) *Permitted Affiliate Group and Affiliate Subsidiary Designation.*

The Company may at any time provide the Administrative Agent with notice that it wishes to designate and include (x) any Affiliate of the Company (other than a Subsidiary of the Company or a Permitted Affiliate Parent) (upon satisfaction of the conditions in this Section 10.21(a), any such Affiliate an “**Affiliate Subsidiary**”) (but not, for the avoidance of doubt, such Subsidiary’s Subsidiaries) or (y) any Affiliate of the Company (upon satisfaction of the conditions in this Section 10.21(a), any such Affiliate “**Permitted Affiliate Parent**”) and the Subsidiaries of any such Permitted Affiliate Parent as members of the Restricted Group for the purposes of this Agreement. Parent (a **“Permitted Affiliate Parent Accession”**) and such Subsidiaries thereof shall become Restricted Subsidiaries or Unrestricted Subsidiaries (to the extent designated as such in accordance with this Agreement) for the purposes of this Agreement upon confirmation from the Administrative Agent to the Company that such Affiliate and the Company have complied with the requirements of:

(A) Section 10.21(b) and such Affiliate has acceded to this Agreement as a Borrower; or

(B) Section 10.21(c) and such Affiliate has acceded to this Agreement as a Guarantor;

(ii) The Company or a Permitted Affiliate Parent may designate that any Permitted Affiliate Parent is no longer a Permitted Affiliate Parent (a **“Permitted Affiliate Parent Release”**) or that an Affiliate Subsidiary is no longer an Affiliate Subsidiary (an **“Affiliate Subsidiary Release”**); *provided that* immediately after giving effect to such Permitted Affiliate Parent Release or Affiliate Subsidiary Release, as applicable, no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof and either (A) the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries could Incur at least \$1.00 of additional Indebtedness pursuant to Section 4.09(a) of Annex II or (B) the Consolidated Net Leverage Ratio would be no greater than it was immediately prior to giving effect to such designation, in each case, on a pro forma basis taking into account such Permitted Affiliate Parent Release or Affiliate Subsidiary Release, as applicable.

(iii) Concurrently with a Permitted Affiliate Parent Accession or an Affiliate Subsidiary Accession, the immediate Holding Company of such Permitted Affiliate Parent or Affiliate Subsidiary, as applicable, will grant a Lien pursuant to a Collateral Document over all the issued capital stock or share capital of such Permitted Affiliate Parent or Affiliate Subsidiary, as applicable, as security for the Obligations in favor of the Security Trustee and in form and substance satisfactory to the Security Trustee (acting reasonably).

(ii) Any such Person referred to in Section 10.21(b)(i) may become an Additional Borrower with respect to a Facility if:

(A) it is incorporated, registered or organized under the laws of an Approved Key Jurisdiction for that Facility (*provided that*, where such Additional Borrower is incorporated in Barbados, such entity shall only be deemed to satisfy this requirement if it is established as a body corporate which is licensed under the International Business Companies Act or any other regime which provides the same or substantially similar benefits thereto in Barbados) or the Required Lenders under such Facility have approved the addition of that Person as an Additional Borrower;

(B) such Person and the Company deliver to the Administrative Agent a duly completed and executed joinder agreement in form and substance reasonably satisfactory to the Administrative Agent pursuant to which such Person agrees to become a party to this Agreement as an Additional Borrower;

(C) the Company confirms that no Event of Default is continuing or would occur as a result of such Person becoming an Additional Borrower;

(D) the Administrative Agent (for and on behalf of the Lenders) shall have received, at least three Business Days prior to the date of accession of such Person as an Additional

Borrower, all documentation and other information about such Person required under applicable “know your customer” and anti-money laundering rules and regulations, including under the Beneficial Ownership Regulations (such information to include, for the avoidance of doubt, a Beneficial Ownership Certification for each entity that qualifies as a “legal entity customer” thereunder) and the USA Patriot Act, and satisfactory to each Finance Party (acting reasonably), that has been requested by the Administrative Agent (for itself or on behalf of any Lender) or any Lender (through the Administrative Agent and for itself) in writing at least ten days prior to the date of accession of such Person as an Additional Borrower;

(E) the Administrative Agent has received all of the documents and other evidence listed in Schedule 10.21 in relation to such Person, each in form and substance reasonably satisfactory to the Administrative Agent; and

(F) such Person shall have entered into all documentation required for it to (1) accede to (x) this Agreement as an Additional Borrower and (y) to the extent required by any Intercreditor Agreement, such Intercreditor Agreement as a “debtor” (or other relevant capacity) and/or to (2) have acknowledged any Intercreditor Agreement in the manner contemplated thereby.

(iii) The Administrative Agent shall notify the Company and the Lenders promptly upon being satisfied that the conditions specified in Section 10.21(b)(ii) (and, in the case of any Permitted Affiliate Parent, Section 10.21(a)) have been satisfied.

(c) *Additional Guarantors.*

(i) Subject to Section 10.21(c)(ii), the Company or any Permitted Affiliate Parent may, upon not less than five Business Days prior written notice to the Administrative Agent, request that any Permitted Affiliate Parent, any Affiliate Subsidiary or any member of the Restricted Group becomes an Additional Guarantor under this Agreement.

(ii) Any such Person referred to in Section 10.21(c)(i) may become an Additional Guarantor if:

(A) such Person and the Company deliver to the Administrative Agent a duly completed and executed joinder agreement in form and substance reasonably satisfactory to the Administrative Agent;

(B) the Company confirms that no Event of Default is continuing or would occur as a result of such Person becoming an Additional Guarantor;

(C) the Administrative Agent (for and on behalf of the Lenders) shall have received, at least three Business Days prior to the date of accession of such Person as an Additional Guarantor, all documentation and other information about such Person required under applicable “know your customer” and anti-money laundering rules and regulations, including under the Beneficial Ownership Regulations (such information to include, for the avoidance of doubt, a Beneficial Ownership Certification for each entity that qualifies as a “legal entity customer” thereunder) and the USA Patriot Act, and satisfactory to each Finance Party (acting reasonably), that has been requested by the Administrative Agent (for itself or on behalf of any Lender) or any Lender (through the Administrative Agent and for itself) in writing at least ten days prior to the date of accession of such Person as an Additional Guarantor;

(D) the Administrative Agent has received all of the documents and other evidence listed in Schedule 10.21 in relation to such Person, each in form and substance reasonably satisfactory to the Administrative Agent; and

(E) to the extent required by any Intercreditor Agreement, such Person shall have entered into all documentation required for it to accede to or acknowledge (as required) any applicable Intercreditor Agreement as a “debtor” (or other relevant capacity) or an Additional Guarantor (as defined thereunder).

(iii) The Administrative Agent shall notify the Company and the Lenders promptly upon being satisfied that the conditions specified in Section 10.21(c)(ii) have been satisfied.

(d) *Assumption of Rights and Obligations.* Upon satisfactory delivery of a duly executed joinder to the Administrative Agent, together with the other documents required to be delivered under Section 10.21(b) or Section 10.21(c), the relevant Person, the Loan Parties and the Secured Parties, will assume such obligations towards one another and/or acquire such rights against each other as they would each have assumed or acquired had such Person been an original party to this Agreement as a Borrower or a Guarantor as the case may be and such Person shall become a party to this Agreement as an Additional Borrower and/or an Additional Guarantor as the case may be.

Section 10.22. Resignation of an Additional Borrower or an Additional Guarantor.

(a) With the prior consent of the Required Lenders, an Additional Borrower or Additional Guarantor may cease to be an Additional Borrower or an Additional Guarantor by delivering to the Administrative Agent a resignation letter.

(b) The Administrative Agent shall accept a resignation letter and notify the Company and the other Finance Parties of its acceptance if:

(i) the Company has confirmed that (A) no Event of Default is continuing or would result from the acceptance of the resignation letter and (B) no breach of the Collateral and Guarantee Requirement would result from the acceptance of the resignation letter;

(ii) with respect to an Additional Borrower, such Additional Borrower is not under any present obligation to make any payment as a Borrower under any Loan Documents at such time; and

(iii) with respect to an Additional Guarantor, (A) if such Additional Guarantor is also an Additional Borrower, it has resigned as an Additional Borrower in accordance with the terms of this Section 10.22 and (B) such Additional Guarantor is not under any present obligation to make any payments under any Loan Documents at such time.

(c) Upon notification by the Administrative Agent to the Company of its acceptance of the resignation of the relevant Additional Borrower or Additional Guarantor, that company shall cease to be an Additional Borrower or Additional Guarantor, as applicable, and shall have no further rights or obligations under the Loan Documents as an Additional Borrower or Additional Guarantor, as applicable.

Section 10.23. Judgment Currency.

If, for the purpose of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrowers in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the “**Judgment Currency**”) other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the “**Agreement Currency**”), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrowers in the Agreement Currency, the Borrowers agree, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrowers (or to any other Person who may be entitled thereto under applicable Law).

Section 10.24. Continuing Obligations.

As of the 2020 Amendment Effective Date, this Agreement shall amend, and restate as amended, the 2018 Credit Agreement, but shall not constitute a novation thereof or in any way impair or otherwise affect the rights or obligations of the parties thereunder (including with respect to Loans and Commitments and representations and warranties made thereunder) except as such rights or obligations are amended or modified hereby. The 2018 Credit Agreement as amended and restated hereby shall be deemed to be a continuing agreement among the parties, and all documents, instruments and agreements delivered pursuant to or in connection with the 2018 Credit Agreement not amended and restated in connection with the entry of the parties into this Agreement shall remain in full force and effect, each in accordance with its terms, as of the date of delivery or such other date as contemplated by such document, instrument or agreement to the same extent as if the modifications to the 2018 Credit Agreement contained herein were set forth in an amendment to the 2018 Credit Agreement in a customary form, unless such document, instrument or agreement has otherwise been terminated or has expired in accordance with or pursuant to the terms of this Agreement, the 2018 Credit Agreement or such document, instrument or agreement or as otherwise agreed by the required parties hereto or thereto. For the avoidance of doubt, the execution of this Agreement or the Term B-5 Joinder by the Administrative Agent, any Lender, any L/C Issuer, any Alternative L/C Issuer, any Swing Line Lender or any other Person party to the 2018 Credit Agreement immediately prior to the 2020 Amendment Effective Date shall constitute the irrevocable consent, approval and agreement of the Administrative Agent, such Lender, such L/C Issuer, such Alternative L/C Issuer, such Swing Line Lender and such other Person to the amendment and restatement of the 2018 Credit Agreement as provided in this Agreement and to the consummation of the transactions contemplated herein.

Section 10.25. Waiver of Immunities.

Each of the Loan Parties acknowledges and agrees that the activities contemplated by the provisions of the Loan Documents are commercial in nature rather than governmental or public and therefore acknowledges and agrees that such Loan Party is not entitled to any right of immunity on the grounds of sovereignty or otherwise with respect to such activities or in any legal action or proceeding arising out of or relating to the Loan Documents. To the extent permitted by applicable Law, each Loan Party, in respect of itself, its process agents and its properties (including its Subsidiaries) and revenues, expressly and irrevocably waives any such right of immunity which may now or hereafter exist (including any immunity from the jurisdiction of any court or from any suit, execution, attachment (whether provisional or final, in aid of execution, prior to judgment or otherwise) or other legal process (including in any jurisdiction where immunity (whether or not claimed) may be attributed to it or its assets)) or claim thereto which may now or hereafter exist and irrevocably agrees not to assert any such right or claim of immunity in any such action or proceeding to the fullest extent permitted now or in the future by the Laws of any such jurisdiction. The Loan Parties agree that the waivers set forth in this Section 10.24 shall have the fullest effect permitted under applicable Law, including the Foreign Sovereign Immunities Act of 1976 of the United States of America (28 U.S.C. §§1602-1611) (the “FSIA”), and are intended to be irrevocable and not subject to withdrawal for purposes of the FSIA.

ARTICLE XI
GUARANTEE

Section 11.01. The Guaranty.

Each Guarantor hereby jointly and severally irrevocably with the other Guarantors guarantees, as a primary obligor and not as a surety, to each Secured Party and their respective successors and assigns, the prompt payment in full when due (whether at Stated Maturity, by required prepayment, declaration, demand, by acceleration or otherwise) of the principal of and interest (including any interest, fees, costs or charges that would accrue but for the provisions of (i) the Bankruptcy Code after any bankruptcy or insolvency petition under the Bankruptcy Code and (ii) any other Debtor Relief Laws) on the Loans made by the Lenders to, and the Notes held by each Lender of, the Borrower, and all other Obligations (excluding, with respect to any Guarantor, any Excluded Swap Obligations of such Guarantor) from time to time owing to the Secured Parties by any Loan Party under any Loan Document or any Secured Hedge Agreement or any Treasury Services Agreement, in each case strictly in accordance with the terms thereof (such obligations being herein collectively called the “**Guaranteed Obligations**”). The Guarantors hereby jointly and severally agree that if the Borrowers or other Guarantor(s) shall fail to pay in full when due (whether at Stated Maturity, by acceleration or otherwise) any of the Guaranteed Obligations, the Guarantors will promptly pay the same in cash, without any demand or

notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

Section 11.02. Obligations Unconditional.

The obligations of the Guarantors under Section 11.01 shall constitute a guaranty of payment and to the fullest extent permitted by applicable Law, are absolute, irrevocable and unconditional, joint and several, irrespective of the value, genuineness, validity, regularity or enforceability of the Guaranteed Obligations of the Borrowers under this Agreement, the Notes, if any, or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee or of security for any of the Guaranteed Obligations, and, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or Guarantor (except for termination or release of a Guarantor's obligations hereunder in accordance with the terms of Section 11.09). Without limiting the generality of the foregoing, to the fullest extent permitted by applicable Law and except for termination or release of a Guarantor's obligations hereunder in accordance with the terms of Section 11.09, it is agreed that the occurrence of any one or more of the following shall not alter or impair the liability of the Guarantors hereunder which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

(a) at any time or from time to time, without notice to the Guarantors, to the extent permitted by applicable Law, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;

(b) any of the acts mentioned in any of the provisions of this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein shall be done or omitted;

(c) the maturity of any of the Guaranteed Obligations shall be accelerated, or any of the Guaranteed Obligations shall be amended in any respect, or any right under the Loan Documents or any other agreement or instrument referred to herein or therein shall be amended or waived in any respect or any other guarantee of any of the Guaranteed Obligations or except as permitted pursuant to Section 11.09, any security therefor shall be released or exchanged in whole or in part or otherwise dealt with;

(d) any Lien or security interest granted to, or in favor of, an L/C Issuer, an Alternative L/C Issuer, any Lender or the Security Trustee shall fail to be perfected;

(e) the release of any other Guarantor pursuant to Section 11.09; or

(f) any of the Guaranteed Obligations shall be determined to be void or voidable (including for the benefit of any creditor of any Guarantor) or shall be subordinated to the claims of any Person (including any creditor of any Guarantor).

The Guarantors hereby expressly waive diligence, presentment, demand of payment, protest and, to the extent permitted by applicable Law, all notices whatsoever, and any requirement that any Secured Party exhaust any right, power or remedy or proceed against the Borrowers under this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein, or against any other Person under any other guarantee of, or security for, any of the Guaranteed Obligations. The Guarantors waive, to the extent permitted by applicable Law, any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by any Secured Party upon this guarantee or acceptance of this guarantee, and the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this guarantee, and all dealings between the Borrowers and the Secured Parties shall likewise be conclusively presumed to have been had or consummated in reliance upon this guarantee. This guarantee shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment without regard to any right of offset with respect to the Guaranteed Obligations at any time or from time to time held by Secured Parties, and the obligations and liabilities of the Guarantors hereunder shall not be conditioned or contingent upon the pursuit by the Secured Parties or any other Person at any time of any right or remedy against the Borrowers or against any other Person which may be or become liable in respect of all or any part of the Guaranteed Obligations or against any collateral security or guarantee therefor or right of offset with respect thereto. This guarantee shall remain in full force and effect and

be binding in accordance with and to the extent of its terms upon the Guarantors and the successors and assigns thereof, and shall inure to the benefit of the Lenders, and their respective successors and assigns, notwithstanding that from time to time during the term of this Agreement there may be no Guaranteed Obligations outstanding.

Section 11.03. Reinstatement.

The obligations of the Guarantors under this Article XI shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of the Borrowers or other Loan Party in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise. Each Guarantor agrees that it will indemnify the Secured Parties and each holder of the Guaranteed Obligations in connection with such rescission or restoration including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under Debtor Relief Law.

Section 11.04. Subrogation; Subordination.

Each Guarantor hereby agrees that until the irrevocable payment and satisfaction in full in cash of all Guaranteed Obligations and the expiration and termination of the Commitments of the Lenders under this Agreement it shall waive any claim and shall not exercise any right or remedy, direct or indirect, arising by reason of any performance by it of its guarantee in Section 11.01, whether by subrogation or otherwise, against the Borrowers or any other Guarantor of any of the Guaranteed Obligations or any security for any of the Guaranteed Obligations.

Section 11.05. Remedies.

The Guarantors jointly and severally agree that, as between the Guarantors and the Lenders, the obligations of the Borrowers under this Agreement and the Notes, if any, may be declared to be forthwith due and payable as provided in Section 8.02 (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 8.02) for purposes of Section 11.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and payable) as against the Borrowers and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by the Borrower) shall forthwith become due and payable by the Guarantors for purposes of Section 11.01.

Section 11.06. Instrument for the Payment of Money.

Each Guarantor hereby acknowledges that the guarantee in this Article XI constitutes an instrument for the payment of money, and consents and agrees that any Lender or the Administrative Agent, at its sole option, in the event of a dispute by such Guarantor in the payment of any moneys due hereunder, shall have the right to bring a motion-action under New York CPLR Section 3213.

Section 11.07. Continuing Guarantee.

The guarantee in this Article XI is a continuing guarantee of payment and not of collection, and shall apply to all Guaranteed Obligations whenever arising.

Section 11.08. General Limitation on Guarantee Obligations.

In any action or proceeding involving any state corporate limited partnership or limited liability company law, or any applicable state, federal or foreign bankruptcy, insolvency, reorganization or other applicable Law affecting the rights of creditors generally, if the obligations of any Guarantor under Section 11.01 would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under Section 11.01, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Loan Party or any other Person, be automatically limited and reduced to the

highest amount (after giving effect to the right of contribution established in Section 11.10) that is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

Section 11.09. Release of Guarantors.

(a) If, in compliance with the terms and provisions of the Loan Documents (and subject to the terms of any applicable Intercreditor Agreement):

(i) any Guarantor ceases to be a Restricted Subsidiary or a Permitted Affiliate Parent pursuant to a transaction or designation permitted by this Agreement (including, for the avoidance of doubt, a Permitted Affiliate Parent Release or an Affiliate Subsidiary Release);

(ii) any Guarantor is an Affiliate Subsidiary and such Affiliate Subsidiary becomes a Subsidiary of or is merged into or with the Company, a Permitted Affiliate Parent or another Restricted Subsidiary which is not an Affiliate Subsidiary;

(iii) any Guarantor is a Permitted Affiliate Parent and such Permitted Affiliate Parent becomes a Subsidiary of or is merged into or with the Initial Borrower, another Permitted Affiliate Parent or a Restricted Subsidiary which is not an Affiliate Subsidiary;

(iv) all or substantially all of the Equity Interests or property of any Guarantor are sold or otherwise transferred to a Person or Persons, none of which is a Loan Party, in an Enforcement Sale or otherwise;

(v) a Guarantor is prohibited or restricted by applicable Law from guaranteeing the Obligations (other than customary legal and contractual limitations substantially similar to those provided for in this Agreement or the Guaranty); *provided* that such guarantee will be released as a whole or in part to the extent it is necessary to achieve compliance with such prohibition or restriction;

(vi) a Guarantor is released from its obligations under the Loan Documents as a result of a transaction permitted by, and in compliance with, the covenant set forth in Section 5.01 of Annex II; *provided* that such Guarantor is not under any present obligation or claim to pay principal and/or interest on the Facilities at such time;

(vii) a Guarantor resigns pursuant to Section 10.22 or as a result of, and in connection, with any Solvent Liquidation; or

(viii) upon termination of the Aggregate Commitments and payment in full of all Obligations,

any such Guarantor in (i) to (viii) above, a “**Released Guarantor**”), such Released Guarantor and (in the case of a sale of all of the Equity Interests of the Released Guarantor) its Restricted Subsidiaries shall, upon the designation, consummation of such sale or transfer or other transaction, be automatically released from its obligations under this Agreement (including under Section 10.05 hereof) and its obligations to pledge and grant any Collateral owned by it pursuant to any Collateral Document and, in the case of a sale of all or substantially all of the Equity Interests of the Released Guarantor, the pledge of or security interest in such Equity Interests to the Administrative Agent pursuant to the Collateral Documents shall be automatically released, and, so long as the Borrowers shall have provided the Administrative Agent such certifications or documents as the Administrative Agent shall reasonably request, the Administrative Agent shall take such actions as are necessary to effect each release described in this Section 11.09 in accordance with the relevant provisions of the Collateral Documents.

(b) If a Guaranty has been provided by an Additional Guarantor as required under Section 4.15 of Annex II as a result of its guarantee of other Indebtedness of the Restricted Group, then such Guaranty shall be automatically released (subject to the terms of the applicable Intercreditor Agreement) upon the release or discharge of such Additional Guarantor from such guarantee of other Indebtedness so long as no other Indebtedness that would give rise to the obligation to provide such Guaranty is at the time guaranteed by such

Additional Guarantor. In addition, if an Additional Guarantor resigns in accordance with Section 10.22, then the Guaranty of such Additional Guarantor shall be automatically released.

(c) Subject to Section 11.09(a) and Section 11.09(b), the guarantees made herein shall remain in full force and effect so long as any Lender shall have any Commitment hereunder, or any Loan or any other Obligation remains outstanding (other than (i) contingent indemnification obligations as to which no claim has been asserted and (ii) obligations under Treasury Services Agreements or obligations under Secured Hedge Agreements as to which arrangements reasonably satisfactory to the applicable Hedge Bank have been made) hereunder which is accrued and payable shall remain unpaid or unsatisfied, or any Letter of Credit or Alternative Letter of Credit shall remain outstanding (unless the Outstanding Amount of the L/C Obligations related thereto has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable L/C Issuer or Alternative L/C Issuer, as applicable, or such Letter of Credit or Alternative Letter of Credit has been deemed reissued under another agreement reasonably acceptable to the applicable L/C Issuer or Alternative L/C Issuer, as applicable).

(d) In the event of a Post-Closing Reorganization and/or a Permitted Tax Reorganization, any Guaranty of a Parent that ceases to be a Parent of the Company, shall be automatically released (subject to the terms of the applicable Intercreditor Agreement).

(e) The Administrative Agent shall be authorized to enter into any documents desirable to evidence or document such release of Guaranty and resignation of such relevant Guarantor.

Section 11.10. Right of Contribution.

Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 11.04. The provisions of this Section 11.10 shall in no respect limit the obligations and liabilities of any Guarantor to the Administrative Agent, the L/C Issuers, the Alternative L/C Issuers, the Swing Line Lenders and the Lenders, and each Guarantor shall remain liable to the Administrative Agent, the L/C Issuers, the Alternative L/C Issuers, the Swing Line Lenders and the Lenders for the full amount guaranteed by such Guarantor hereunder.

Section 11.11. Keepwell.

Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally, and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under this Guaranty in respect of any Swap Obligation (*provided* that each Qualified ECP Guarantor shall only be liable under this Section 11.11 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 11.11, or otherwise under this Guaranty, voidable under applicable Law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 11.11 shall remain in full force and effect until the payment in full and discharge of the Guaranteed Obligations. Each Qualified ECP Guarantor intends that this Section 11.11 constitute, and this Section 11.11 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Guarantor for all purposes of section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

Section 11.12. No Marshalling.

Except to the extent required by applicable Law, neither the Administrative Agent nor any other Secured Party will be required to marshal any collateral securing, or any guaranties of, the Guaranteed Obligations, or to resort to any item of collateral or any guaranty in any particular order, and the Secured Parties' rights with respect to any collateral and guaranties will be cumulative and in addition to all other rights, however existing or arising. To the extent permitted by applicable Law, the Guarantor irrevocably waives, and agrees that it will not invoke or assert, any Law requiring or relating to the marshalling of collateral or guaranties or any other Law which might cause a delay in or impede the enforcement of the Secured Parties' rights under this guarantee or any other agreement.

Section 11.13. Election of Remedies.

Each Guarantor understands that the exercise by the Administrative Agent and the other Secured Parties of certain rights and remedies contained in the Loan Documents may affect or eliminate the Guarantor's right of subrogation and reimbursement against the Loan Parties and that the Guarantor may therefore incur a partially or totally nonreimbursable liability under this guarantee. The Guarantors expressly authorize the Administrative Agent and the other Secured Parties to pursue their rights and remedies with respect to the Guaranteed Obligations in any order or fashion they deem appropriate, in their sole and absolute discretion, and waives any defense arising out of the absence, impairment, or loss of any or all rights of recourse, reimbursement, contribution, exoneration or subrogation or any other rights or remedies of the Guarantors against the Borrower, any other person or any security, whether resulting from any election of rights or remedies by the Administrative Agent or the other Secured Parties, or otherwise.

Section 11.14. Administrative Agent's Duties.

The grant to the Administrative Agent under this guarantee of any right or power does not impose upon the Administrative Agent any duty to exercise that right or power.

Section 11.15. Guarantor Intent.

Without prejudice to the generality of Section 11.13, and subject to applicable Law restrictions, each Guarantor expressly confirms that it intends that this Guaranty shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to the Obligations, including for the purposes of or in connection with any of the following: business acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

Section 11.16. Joint and Several Liability.

All Loans, upon funding, shall be deemed to be jointly funded to and received by the Borrowers. Each Borrower is jointly and severally liable under this Agreement for all Obligations, regardless of the manner or amount in which proceeds of Loans are used, allocated, shared or disbursed by or among the Borrowers themselves, or the manner in which any Lender or other Finance Party accounts for such Loans or other extensions of credit on its books and records. Each Borrower shall be liable for all amounts due to any Lender or other Finance Party from the Borrowers under this Agreement, regardless of which Borrower actually receives Loans or other extensions of credit hereunder or the amount of such Loans and extensions of credit received or the manner in which such Lender or other Finance Party accounts for such Loans or other extensions of credit on its books and records. Each Borrower's Obligations with respect to Loans and other extensions of credit made to it, and such Borrower's Obligations arising as a result of the joint and several liability of such Borrower hereunder with respect to Loans made to, and Letters of Credit issued for the account of, the other Borrowers hereunder shall be separate and distinct obligations, but all such Obligations shall be primary obligations of such Borrower. The Borrowers acknowledge and expressly agree with each Lender and other Finance Party that the joint and several liability of each Borrower is required solely as a condition to, and is given solely as inducement for and in consideration of, credit or accommodations extended or to be extended under the Loan Documents to any or all of the other Borrowers and is not required or given as a condition of extensions of credit to such Borrower. Each Borrower's Obligations under this Agreement shall, to the fullest extent permitted by law, be unconditional irrespective of (i) the validity or enforceability, avoidance, or subordination of the Obligations of any other Borrower or of any promissory note or other document evidencing all or any part of the Obligations of any other Borrower, (ii) the absence of any attempt to collect the Obligations from any other Borrower, or any other security therefor, or the absence of any other action to enforce the same, (iii) the waiver, consent, extension, forbearance, or granting of any indulgence by an any Lender or other Finance Party with respect to any provision of any instrument evidencing the Obligations of any other Borrower, or any part thereof, or any other agreement executed as of the 2020 Amendment Effective Date or thereafter executed by any other Borrower and delivered to any Lender or other Finance Party, (iv) the failure by any Lender or other Finance Party to take any steps to perfect and maintain its security interest in, or to preserve its rights to, any security or collateral for the Obligations of any other Borrower, (v) any Lender's or other Finance Party's election, in any

proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b)(2) of the Bankruptcy Code, (vi) any borrowing or grant of a security interest by any other Borrower, as debtor-in-possession under Section 364 of the Bankruptcy Code, (vii) the disallowance of all or any portion of any Lender's or other Finance Party's claim(s) for the repayment of the Obligations of any other Borrower under Section 502 of the Bankruptcy Code, or (viii) any other circumstances which might constitute a legal or equitable discharge or defense of a Guarantor or of any other Borrower. With respect to any Borrower's Obligations arising as a result of the joint and several liability of the Borrowers hereunder with respect to any Loans or other extensions of credit made to any of the other Borrowers hereunder, such Borrower waives, until the Obligations shall have been paid in full and this Agreement shall have been terminated, any right to enforce any right of subrogation or any remedy which any Lender or other Finance Party had as of the 2020 Amendment Effective Date or may have thereafter against any other Borrower, any endorser or any guarantor of all or any part of the Obligations, and any benefit of, and any right to participate in, any security or collateral given to any Lender or other Finance Party to secure payment of the Obligations or any other liability of any Borrower to any Lender or other Finance Party. Upon any Event of Default, the Finance Parties may proceed directly and at once, without notice, against any Borrower to collect and recover the full amount, or any portion of the Obligations, without first proceeding against any other Borrower or any other Person, or against any security or collateral for the Obligations. Each Borrower consents and agrees that the Finance Parties shall be under no obligation to marshal any assets in favor of any Borrower or against or in payment of any or all of the Obligations. Notwithstanding anything to the contrary in the foregoing, none of the foregoing provisions of this Section 11.16 shall apply to any Person released from its Obligations as a Borrower in accordance with this Agreement.

Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries may Incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

(f) For purposes of determining compliance with (1) Section 4.09(a) and (2) any other provision of the Loan Documents which requires the calculation of any financial ratio or test, including the Consolidated Net Leverage Ratio and the Consolidated Senior Secured Net Leverage Ratio, the Dollar Equivalent principal amount of Indebtedness denominated in a foreign currency (if such Indebtedness has not been swapped into Dollars, or if such Indebtedness has been swapped into a currency other than Dollars) shall be calculated by the Company using the same exchange rates for the relevant period used for calculating the Dollar Equivalent of Consolidated EBITDA denominated in the same currency as the currency in which such Indebtedness is denominated or into which it has been swapped.

(g) The Company and any Permitted Affiliate Parent will not Incur, and will not permit the Loan Parties to Incur, any Indebtedness that is contractually subordinated in right of payment to any other Indebtedness of the Loan Parties that ranks *pari passu* with or is subordinated to the Obligations or Guaranty, as applicable, unless such Indebtedness is also contractually subordinated in right of payment to the Obligations or relevant Guaranty, on substantially identical terms (as conclusively determined in good faith by the Board of Directors or senior management of the Company or a Permitted Affiliate Parent); *provided* that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Loan

(15) arrangements with customers, clients, suppliers, contractors, lessors or sellers of goods or services that are negotiated with an Affiliate, in each case, which are otherwise in compliance with the terms of this Agreement; *provided* that the terms and conditions of any such transaction or agreement as applicable to the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries, taken as a whole are fair to the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries and are on terms not materially less favorable to the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries than those that could have reasonably been obtained in respect of an analogous transaction or agreement that would not constitute an Affiliate Transaction;

(16) (A) transactions with Affiliates in their capacity as holders of indebtedness or Capital Stock of the Company, a Permitted Affiliate Parent or any Restricted Subsidiary, so long as such Affiliates are not treated materially more favorably than holders of such indebtedness or Capital Stock generally and (B) transactions with Affiliates in their capacity as borrowers of Indebtedness from the Company, a Permitted Affiliate Parent or any Restricted Subsidiary, so long as such Affiliates are not treated materially more favorably than holders of such indebtedness generally;

(20) the Transactions and any transaction reasonably necessary to effect such Transactions;

(21) any transaction in the ordinary course of business between or among the Company, a Permitted Affiliate Parent or any Restricted Subsidiary and any Affiliate of the Company, a Permitted Affiliate Parent or a Restricted Subsidiary that is an Unrestricted Subsidiary or a joint venture or similar entity (including a Permitted Joint Venture) that would constitute an Affiliate Transaction solely because the Company, a Permitted Affiliate Parent or a Restricted Subsidiary owns an equity interest in or otherwise controls such Unrestricted Subsidiary, joint venture or similar entity;

(22) commercial contracts entered into in the ordinary course of business between an Affiliate of the Company, a Permitted Affiliate Parent or any Restricted Subsidiary and the Company, a Permitted Affiliate Parent or any Restricted Subsidiary that are on arm's length terms or on a basis that senior management of the Company, a Permitted Affiliate Parent or a Restricted Subsidiary reasonably believes allocates costs fairly;

(24) transactions relating to Excess Capacity Network Services; provided that the price payable by any member of the Wider Group in relation to such Excess Capacity Network Services is no less than the cost incurred by the Company, a Permitted Affiliate Parent or any Restricted Subsidiary in providing such Excess Capacity Network Services.

Section 4.12 Limitation on Liens

(a) The Company and any Permitted Affiliate Parent will not, and will not permit any of the Restricted Subsidiaries to, directly or indirectly, create, incur or suffer to exist any Lien (other than (1) in the case of any property or asset that does not constitute Collateral, Permitted Liens (other than Permitted Collateral Liens) and (2) in the case of any property or asset that constitutes Collateral, Permitted Collateral Liens) upon any of its property or assets (including Capital Stock of Restricted Subsidiaries), whether owned on the 2020 Amendment Effective Date or acquired after that date, which Lien is securing any Indebtedness (such Lien, the “*Initial Lien*”), unless, in the case of clause (1) only, contemporaneously with the Incurrence of such Initial Lien effective provision is made to secure the Indebtedness due under the Loan Documents or, in respect of Liens on any Guarantor’s property or assets, such Guarantor’s Guaranty, equally and ratably with (or prior to, in the case of Liens with respect to Subordinated Obligations of a Guarantor, as the case may be) the Indebtedness secured by such Initial Lien for so long as such Indebtedness is so secured.

(b) Any such Lien thereby created in favor of the Finance Parties will be automatically and unconditionally released and discharged upon:

- (1) the release and discharge of the Initial Lien to which it relates;
- (2) any sale, exchange or transfer to any Person other than the Company, a Permitted Affiliate Parent or any Restricted Subsidiary of the property or assets secured by such Initial Lien;
- (3) the full and final payment of all amounts payable by the Borrowers under the Loan Documents;
- (4) with respect to any Additional Guarantor the assets or the Capital Stock of which are encumbered by such Lien, upon the release of the Guaranty of such Additional Guarantor in accordance with this Agreement;
- (5) as a result of, and in connection with, any Solvent Liquidation;
- (6) if the Collateral is owned by a Guarantor that is released from its Guaranty in accordance with this Agreement; and
- (7) to release and/or retake any Lien on any Collateral to the extent otherwise permitted by this Agreement.

(c) For purposes of determining compliance with this Section 4.12, (1) a Lien need not be Incurred solely by reference to one category of Permitted Liens or Permitted Collateral Liens, as applicable, but may be Incurred under any combination of such categories (including in part under one such category and in part under any other such category) and (2) in the event that a Lien (or any portion thereof) meets the criteria of one or more of such categories of Permitted Liens or Permitted Collateral Liens, as applicable, the Company shall, in its sole discretion, divide, classify or may subsequently reclassify at any time such Lien (or any portion thereof) in any manner that complies with this Section 4.12 and the definition of “Permitted Liens” or “Permitted Collateral Liens”, as applicable.

(d) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the Incurrence of such Indebtedness, such Lien shall also be permitted to secure any

Increased Amount of such Indebtedness. The “*Increased Amount*” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms or in the form of common stock, the payment of dividends on Preferred Stock in the form of additional shares of Preferred Stock of the same class, accretion of original issue discount or liquidation preference, any fees, underwriting discounts, accrued and unpaid interest, premiums and other costs and expenses Incurred in connection therewith and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

Section 4.13 [Reserved]

Section 4.14 [Reserved]

Section 4.15 Limitation on Issuances of Guarantees of Indebtedness by Restricted Subsidiaries

(a) The Company and any Permitted Affiliate Parent will not permit any Restricted Subsidiary (other than a Loan Party) to, directly or indirectly, guarantee or otherwise become obligated under any Indebtedness of any Loan Party after the 2020 Amendment Effective Date in an amount in excess of \$50.0 million unless such Restricted Subsidiary is or becomes an Additional Guarantor on the date on which such other guarantee or Indebtedness is Incurred (or as soon as reasonably practicable thereafter) and, if applicable, executes and delivers to the Administrative Agent the documentation required by Section 10.21(c) pursuant to which such Restricted Subsidiary will provide a Guaranty (which Guaranty shall be senior to or *pari passu* with such Restricted Subsidiary’s guarantee of such other Indebtedness); *provided that*,

(1) if such Restricted Subsidiary is not a Significant Subsidiary, such Restricted Subsidiary shall only be obligated to become an Additional Guarantor if such Indebtedness is Indebtedness of the Company, a Permitted Affiliate Parent or a Borrower or Public Debt of a Guarantor;

(2) if the Indebtedness is *pari passu* in right of payment to the Obligations, any such guarantee of such Restricted Subsidiary with respect to such Indebtedness shall rank *pari passu* in right of payment to its Guaranty;

(3) if the Indebtedness is subordinated in right of payment to the Obligations, any such guarantee of such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to its Guaranty substantially to the same extent as such Indebtedness is subordinated in right of payment to the Obligations;

(4) an Additional Guarantor’s Guaranty may be limited in amount to the extent required by fraudulent conveyance, thin capitalization, corporate benefit, financial assistance or other similar laws (but, in such a case (a) each of the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries will use their reasonable best efforts to overcome the relevant legal limit and will procure that the relevant Restricted Subsidiary undertakes all whitewash or similar procedures which are legally available to eliminate the relevant limit and (b) the relevant guarantee shall be given on an equal and ratable basis with the guarantee of any other Indebtedness giving rise to the obligation to guarantee the Facilities); and

(5) for so long as it is not permissible under applicable Law for a Restricted Subsidiary to become an Additional Guarantor, such Restricted Subsidiary need not become an Additional Guarantor (but, in such a case, each of the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries will use their reasonable best efforts to overcome the relevant legal prohibition precluding the giving of the guarantee and will procure that the relevant Restricted Subsidiary undertakes all whitewash or similar procedures which are legally available to eliminate the relevant legal prohibition, and shall give such guarantee at such time (and to the extent) that it thereafter becomes permissible).

(b) Section 4.15(a) shall not apply to: (1) the granting by such Restricted Subsidiary of a Permitted Lien under circumstances which do not otherwise constitute the guarantee of Indebtedness of the

Company, any Permitted Affiliate Parent or any Restricted Subsidiary; or (2) the guarantee by any Restricted Subsidiary of Indebtedness that refinances Indebtedness which benefited from a guarantee by any Restricted Subsidiary Incurred in compliance with this Section 4.15 immediately prior to such refinancing.

(c) Notwithstanding anything herein to the contrary, Section 4.15(a) shall not be applicable to any guarantee provided by a Restricted Subsidiary that existed at the time such person became a Restricted Subsidiary if such guarantee was not incurred in connection with, or in contemplation of, such person becoming a Restricted Subsidiary.

(d) Notwithstanding the foregoing, any Guaranty by an Additional Guarantor created pursuant to this Section 4.15 shall provide by its terms that it shall be automatically and unconditionally released and discharged in accordance with the provisions of this Agreement.

Section 4.16 [Reserved]

Section 4.17 Impairment of Liens

The Company and any Permitted Affiliate Parent shall not, and shall not permit any Restricted Subsidiary to, take or omit to take any action that would have the result of materially impairing any Lien on the Collateral granted under the Collateral Documents (it being understood, subject to the proviso below, that the Incurrence of Permitted Collateral Liens shall under no circumstances be deemed to materially impair any Lien on the Collateral granted under the Collateral Documents) for the benefit of the Administrative Agent and/or the Security Trustee and the Lenders, and the Company and any Permitted Affiliate Parent shall not, and shall not permit any Restricted Subsidiary to, grant to any Person other than the Administrative Agent and/or the Security Trustee, the Lenders and the other beneficiaries described in the Collateral Documents and any Intercreditor Agreement, as applicable, any interest whatsoever in any of the Collateral, except that (a) the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries may Incur Permitted Collateral Liens, (b) the Collateral may be discharged and released in accordance with this Agreement, the Collateral Documents and any Intercreditor Agreement, as applicable and (c) the Company, any Permitted Affiliate Parent and any Restricted Subsidiary may consummate any other transaction permitted under Section 5.01; *provided* that, except with respect to any discharge or release of Collateral in accordance with this Agreement, the Collateral Documents and any Intercreditor Agreement, as applicable, or in connection with the Incurrence of Liens for the benefit of the Administrative Agent and/or the Security Trustee, the Lenders, no Collateral Document may be amended, extended, renewed, restated, supplemented or otherwise modified or replaced, except that, at the request of the Company or any Permitted Affiliate Parent and without the consent of the Lenders, the Administrative Agent and/or the Security Trustee may from time to time (subject to customary protections and indemnifications from the Company) enter into one or more amendments to the Collateral Documents to: (1) cure any ambiguity, omission, manifest error, defect or inconsistency therein; (2) provide for Permitted Collateral Liens; (3) make any change necessary or desirable, as determined conclusively in good faith by the Board of Directors, senior management or an Officer of the Company or a Permitted Affiliate Parent, in order to implement transactions permitted under Section 5.01; (4) provide for the release of any Lien on any properties and assets constituting Collateral from the Lien of the Collateral Documents; *provided* that such release is followed by the substantially concurrent re-taking of a Lien of at least equivalent priority over the same properties and assets securing the Obligations and the Guaranty; (5) provide for the release of any Lien pursuant to, or in connection with, any Solvent Liquidation; and (6) make any other change that does not adversely affect the Lenders in any material respect. For any amendments, modifications or replacements of any Collateral Documents not contemplated in clause (1) to (6) above, the Company or any Permitted Affiliate Parent shall, contemporaneously deliver to the Administrative Agent, either (A) a solvency opinion, in form and substance reasonably satisfactory to the Trustee from an Independent Financial Advisor confirming the solvency of the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries, taken as a whole, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement, (B) a certificate from the responsible financial or accounting officer of the relevant Grantor (acting in good faith) which confirms the solvency of the person granting such Lien after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement or (C) an Opinion of Counsel, in form and substance reasonably satisfactory to the Trustee, confirming that, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement, the Lien or Liens created under the Collateral Documents, as applicable, so amended, extended, renewed, restated, supplemented, modified or replaced, are

valid Liens not otherwise subject to any limitation, imperfection or new hardening period, in equity or at law, that such Lien or Liens were not otherwise subject to immediately prior to such amendment, extension, renewal, restatement, supplement, modification or replacement. In the event that the Company complies with the requirements of this Section 4.17, the Administrative Agent and/or the Security Trustee shall (subject to customary protections and indemnifications) consent to any such amendment, extension, renewal, restatement, supplement, modification or replacement without the need for instructions from the Lenders.

Section 4.18 [Reserved]

Section 4.19 Suspension of Covenants on Achievement of Investment Grade Status

If, during any period after the 2020 Amendment Effective Date, the Loans have achieved and continue to maintain Investment Grade Status and no Event of Default has occurred and is continuing (such period hereinafter referred to as an “*Investment Grade Status Period*”), then the Company or a Permitted Affiliate Parent will notify the Administrative Agent of this fact and beginning on the date such status was achieved, the provisions of Sections 4.07, 4.08, 4.09, 4.10, 4.11 and 5.01(a) (3) and any related default provisions of this Agreement will be suspended and will not, during such Investment Grade Status Period, be applicable to the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries. No action taken during an Investment Grade Status Period or prior to an Investment Grade Status Period in compliance with the covenants then applicable will require reversal or constitute a Default under this Agreement in the event that suspended covenants are subsequently reinstated or suspended, as the case may be. An Investment Grade Status Period will terminate immediately upon the failure of the Loans to maintain Investment Grade Status (the “*Reinstatement Date*”). The Company or a Permitted Affiliate Parent will promptly notify the Administrative Agent in writing of any failure of the Loans to maintain Investment Grade Status and the Reinstatement Date.

Section 4.20 [Reserved]

Section 4.21 [Reserved]

Section 4.22 [Reserved]

Section 4.23 Intercreditor Agreements

(a) Each of the Administrative Agent and the Lenders shall become a party to the Existing Intercreditor Agreement, on or prior to the 2020 Amendment Effective Date or such other date as such Lender becomes a party to this Agreement (by way of assignment, transfer, accession, joinder or otherwise).

(b) At the request of the Company or a Permitted Affiliate Parent, in connection with the Incurrence by a Loan Party of any Indebtedness that is permitted to share in the Collateral pursuant to the definition of “Permitted Collateral Lien”, the Loan Parties, the Lenders, the Administrative Agent and the Security Trustee shall enter into with the holders of such Indebtedness (or their duly authorized Representative) an intercreditor agreement, including a restatement, amendment or other modification of the Existing Intercreditor Agreement (an “*Additional Intercreditor Agreement*”), on substantially the same terms as the applicable Intercreditor Agreement (or on terms not materially less favorable to the Finance Parties), including, with respect to the subordination, payment blockage, limitation on enforcement, and release of the Guaranty, priority and release of any Liens in respect of Collateral or other terms which become customary for similar agreements. For the avoidance of doubt, subject to the foregoing and Section 4.23(c), any such Additional Intercreditor Agreement may provide for *pari passu* or subordinated Liens in respect of any such Indebtedness (to the extent such Indebtedness is permitted to share the Collateral (with the specified priority) pursuant to the definition of Permitted Collateral Lien). The Lenders expressly authorize the Administrative Agent to execute any such Additional Intercreditor Agreement and acknowledge and agree that any such Additional Intercreditor Agreement executed by the Administrative Agent shall bind the Lenders.

(c) At the direction of the Company or a Permitted Affiliate Parent and without the consent of the Lenders, the Administrative Agent will upon direction of the Company or a Permitted Affiliate Parent from time to time enter into one or more amendments to the applicable Intercreditor Agreement or any other Collateral Document to: (1) cure any ambiguity, omission, manifest error, defect or inconsistency therein; (2) add other parties (such as representatives of new issuances of Indebtedness) thereto; (3) further secure the Obligations and

the Guaranty; (4) make provision for equal and ratable grants of Liens on the Collateral to secure Additional Facilities or implement any Permitted Collateral Liens; (5) make any other change to the applicable Intercreditor Agreement or any other Collateral Document to provide for additional Indebtedness constituting Subordinated Obligations or any other additional Indebtedness (in either case, including with respect to the applicable Intercreditor Agreement, the addition of provisions relating to new Indebtedness ranking junior in right of payment to the Facilities) or other obligations that are permitted by the terms of this Agreement to be Incurred and secured by a Lien on the Collateral on a *pari passu* or junior basis with the Liens securing the Facilities; (6) add Restricted Subsidiaries to the applicable Intercreditor Agreement or any other Collateral Document; (7) amend the applicable Intercreditor Agreement or any other Collateral Document in accordance with the terms thereof; (8) make any change necessary or desirable, in the good faith determination of the Board of Directors or senior management of the Company, in order to implement any transaction that is subject to Section 5.01; (9) implement any transaction in connection with the renewal, extension, refinancing, replacement or increase of any Indebtedness that is secured by the Collateral and that is not prohibited by this Agreement; or (10) make any other change thereto that does not adversely affect the rights of the Finance Parties in any material respect; *provided* that no such changes shall be permitted to the extent they affect the ranking of the Facilities or the release of any Guaranty in a manner that would adversely affect the rights of the Finance Parties in any material respect except as otherwise permitted by this Agreement, or the applicable Intercreditor Agreement, immediately prior to such change. The Company or a Permitted Affiliate Parent will not otherwise direct the Administrative Agent to enter into any amendment to the applicable Intercreditor Agreement or any other Collateral Document without the consent of the Required Lenders, except as otherwise permitted pursuant to Section 10.01 of this Agreement. This Section 4.23(c) shall supersede any provisions in Section 10.01 to the contrary.

(d) In relation to any applicable Intercreditor Agreement, the Administrative Agent shall consent on behalf of the Lenders to the payment, repayment, purchase, repurchase, defeasance, acquisition, retirement or redemption of any obligations subordinated to the Facilities thereby; *provided* that such transaction would comply with Section 4.07.

Section 4.24 [Reserved]

Section 4.25 Limited Condition Transaction

(a) In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of determining compliance with any provision of this Agreement which requires that no Default or Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of the Company or a Permitted Affiliate Parent, be deemed satisfied, so long as no Default or Event of Default, as applicable, exists on the date the definitive agreement (or other relevant definitive documentation) for such Limited Condition Transaction is entered into. For the avoidance of doubt, if the Company or a Permitted Affiliate Parent has exercised its option under the first sentence of this Section 4.25(a), and any Default or Event of Default occurs following the date such definitive agreement for a Limited Condition Transaction is entered into and prior to the consummation of such Limited Condition Transaction, any such Default or Event of Default shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted hereunder.

(b) In connection with any action being taken in connection with a Limited Condition Transaction for purposes of:

- (1) determining compliance with any provision of the Agreement which requires the calculation of any financial ratio or test, including the Consolidated Net Leverage Ratio or the Consolidated Senior Secured Net Leverage Ratio; or
- (2) testing baskets set forth in this Agreement (including baskets measured as a percentage or multiple, as applicable, of Total Assets, Pro forma EBITDA or Pro forma Non-Controlling Interest EBITDA);

in each case, at the option of the Company or a Permitted Affiliate Parent (the Company's or a Permitted Affiliate Parent's election to exercise such option in connection with any Limited Condition

Transaction, an “*LCT Election*”), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreement (or other relevant definitive documentation) for such Limited Condition Transaction is entered into (the “*LCT Test Date*”); *provided* that the Company or a Permitted Affiliate Parent shall be entitled to subsequently elect, in its sole discretion, the date of consummation of such Limited Condition Transaction instead of the LCT Test Date as the applicable date of determination, and if, after giving pro forma effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof), as are appropriate and consistent with the pro forma adjustment provisions set forth in the definition of “Pro forma EBITDA”, “Consolidated Net Leverage Ratio” and “Consolidated Senior Secured Net Leverage Ratio”, the Company, a Permitted Affiliate Parent or any Restricted Subsidiary could have taken such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with.

(c) If the Company or a Permitted Affiliate Parent has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Pro forma EBITDA or Total Assets, of the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries or the Person or assets subject to the Limited Condition Transaction (as if each reference to the “Company” or a “Permitted Affiliate Parent” in such definition was to such Person or assets) at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Company or a Permitted Affiliate Parent has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio, test or basket availability under this Agreement (including with respect to the Incurrence of Indebtedness or Liens, or the making of Asset Dispositions, acquisitions, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Company, a Permitted Affiliate Parent or any Restricted Subsidiary or the designation of an Unrestricted Subsidiary) on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio, test or basket shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

ARTICLE 5

Section 5.01 Merger and Consolidation

(a) No Borrower will consolidate with, or merge with or into, or convey, transfer or lease all or substantially all of its assets to, any Person, unless:

(1) the resulting, surviving or transferee Person (the “*Successor Company*”) will be a corporation, partnership, trust or limited liability company organized and existing under the laws of an Approved Key Jurisdiction and the Successor Company (if not such Borrower) will expressly assume, by executing and delivering a joinder agreement in the form contemplated by Section 10.21(c) of this Agreement, to the Administrative Agent, in form satisfactory to the Administrative Agent, all the obligations of such Borrower under the Loan Documents to which it is a party; *provided* that in the case of the Original Co-Borrower, it shall remain, or the Successor Company shall be, in all cases organized and existing under the laws of the United States or the District of Columbia;

(2) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any Subsidiary of the Successor Company as a result of such transaction as having been Incurred by the Successor Company or such Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;

(3) either (A) immediately after giving effect to such transaction, the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries, or such Successor Company would be able to Incur at least an additional \$1.00 of Indebtedness pursuant to Section 4.09(a)(2) or (B) the Consolidated Senior Secured Net Leverage Ratio of the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries (including such Successor Company) or such Successor Company, any Permitted Affiliate

Parent and the Restricted Subsidiaries would be no greater than that of the Company, any Permitted Affiliate Parent and the Restricted Subsidiaries immediately prior to giving effect to such transaction; and

(4) the Company or a Permitted Affiliate Parent shall have delivered to the Administrative Agent an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer complies with this Agreement; *provided* that in giving such opinion, such counsel may rely on an Officer's Certificate as to compliance with Section 5.01(a)(2) and Section 5.01(a)(3) above and as to any matters of fact.

(b) No Loan Party (other than a Borrower) will consolidate with, or merge with or into, or convey, transfer or lease all or substantially all its assets to, any Person, other than another Loan Party (other than in connection with a transaction that does not constitute an Asset Disposition or a transaction that is permitted by Section 4.10), unless:

(1) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing; and

(2) either:

(A) the Successor Company (if not such Guarantor) expressly assumes all the obligations of that Loan Party under the Loan Documents to which such Loan Party is a party, by executing and delivering a joinder agreement in the form contemplated by Section 10.21(c) of this Agreement; *provided* that in the case of the Company, it shall remain, or the Successor Company shall be, in all cases organized and existing under the laws of an Approved Jurisdiction; or

(B) the Net Cash Proceeds of such transaction are applied in accordance with the applicable provisions of this Agreement.

(c) For purposes of this Section 5.01, the sale, lease, conveyance, assignment, transfer, or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of a Loan Party which properties and assets, if held by such Loan Party instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of such Loan Party on a Consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of such Loan Party.

(d) The Successor Company (if not such Loan Party) will succeed to, and be substituted for, and may exercise every right and power of, the relevant Loan Party under the Loan Documents to which such Loan Party is a party, and upon such substitution, the predecessor to such Loan Party will be released from its obligations under the Loan Documents, but, in the case of a lease of all or substantially all its assets, the predecessor to such Loan Party will not be released from the obligation to pay the principal of and interest on the Facilities.

(e) The provisions set forth in this Section 5.01 shall not restrict (and shall not apply to): (1) any Restricted Subsidiary that is not a Loan Party from consolidating with, merging or liquidating into or transferring all or substantially all of its properties and assets to a Loan Party or any Restricted Subsidiary that is not a Loan Party; (2) any Guarantor from merging or liquidating into or transferring all or part of its properties and assets to another Loan Party; (3) any consolidation or merger of a Borrower into any Loan Party; *provided* that for the purposes of this Section 5.01(e)(3), if a Borrower is not the Successor Company, the relevant Guarantor will assume the obligations of such Borrower under the Loan Documents to which such Borrower is party and Section 5.01(a)(1) and Section 5.01(a)(4) shall apply to such transaction; (4) any consolidation or merger effected as part of the Transactions; (5) any Solvent Liquidation; and (6) a Loan Party consolidating into or merging or combining with an Affiliate incorporated or organized for the purpose of changing the legal domicile or form of such entity or reincorporating such entity in another jurisdiction; *provided* that, for the purposes of this Section 5.01(e)(6), (A) Section 5.01(a)(1), Section 5.01(a)(2) and Section 5.01(a)(4) or (B) Section 5.01(b), as the case may be, shall apply to any such transaction.

2. Security.

2.1. Credit Security. As security for the payment and performance of the Secured Obligations (whether due because of stated maturity, acceleration, mandatory prepayment or otherwise), the Pledgor mortgages, pledges and collaterally grants and assigns to the Security Trustee for the benefit of the Secured Parties, and grants and creates a security interest in favor of the Security Trustee for the benefit of the Secured Parties in all of the Pledgor’s right, title and interest in and to (but none of its obligations or liabilities with respect to) the items and types of present and future property described in Sections 2.1.1 and 2.1.2, whether now owned or hereafter acquired (all of which shall be included in the term “**Credit Security**”):

2.1.1. the Subordinated Shareholder Loan Agreement, including all Indebtedness from time to time owing to the Pledgor from the Borrower thereunder (all such Indebtedness is referred to as the “**Pledged Indebtedness**”); and

2.1.2. all proceeds and products of, and supporting items relating to, the Pledged Indebtedness.

2.2. Security Generally. All the Security created under this Agreement: (a) is continuing security for the irrevocable and indefeasible payment in full of the Secured Obligations, regardless of any intermediate payment or discharge in whole or in part; and (b) is in addition to, and not in any way prejudiced by, any other security now or subsequently held by the Security Trustee on behalf of the Secured Parties.

2.3. Reinstatement. If, at any time for any reason (including the bankruptcy, insolvency, receivership, reorganization, dissolution or liquidation of the Pledgor or any Loan Party or the appointment of any

receiver, intervenor or conservator of, or agent or similar official for, the Pledgor or any Loan Party or any of their respective properties), any payment received by the Security Trustee or any Secured Party in respect of the Secured Obligations is rescinded or avoided or must otherwise be restored or returned by the Security Trustee or any Secured Party, that payment will not be considered to have been made for purposes of this Agreement, and this Agreement will continue to be effective or will be reinstated, if necessary, as if that payment had not been made.

2.4. Filing of financing statements. The Pledgor authorizes the Security Trustee to prepare and file, to the extent necessary to perfect the security interest and at the Pledgor's expense: (a) financing statements describing the Credit Security; (b) continuation statements; and (c) any amendment in respect of those statements.

2.5. Further Assurances. The Pledgor shall take at its own expense, as soon as reasonably practicable, whatever action the Security Trustee may reasonably require for: (a) creating, attaching, perfecting and protecting, and maintaining the priority of, any security interest intended to be created by this Agreement; and (b) facilitating the enforcement of this Agreement or the exercise of any right, power or discretion exercisable by the Security Trustee or any of its delegates or sub-delegates in respect of any Credit Security.

2.6. Segregated Proceeds. After the occurrence and during the continuance of a Declared Default Date, and following receipt of written notice (other than after a Declared Default Date arising by operation of the proviso to Section 8.02 of the Credit Agreement (or the equivalent provisions in such other Secured Debt Documents)) by the Pledgor from the Security Trustee, all sums collected or received and all property recovered or possessed by the Pledgor in connection with any Credit Security shall be received and held by the Pledgor in trust for and on the Secured Parties' behalf, shall be segregated from the assets and funds of the Pledgor, and shall be delivered to the Security Trustee for the benefit of the Secured Parties. At all times prior to receipt of such notice, the Pledgor shall be entitled to receive and retain, and to utilize free and clear of the security interest set forth herein, any and all payments of principal, interest or other amounts in respect of the Pledged Indebtedness, but only if and to the extent made in accordance with the provisions of the Credit Agreement and the other Secured Debt Documents.

2.7. Right to Realize upon Credit Security. Except to the extent prohibited by applicable Law that cannot be waived, this Section 2.7 and the provisions of the Existing Intercreditor Agreement shall govern the Secured Parties' right to realize upon the Credit Security if any Declared Default Date shall have occurred and be continuing. The provisions of this Section 2.7 are in addition to any rights and remedies available at law or in equity and in addition to the provisions of any Secured Debt Document.

2.7.1. General Authority. After the occurrence and during the continuance of a Declared Default Date, the Pledgor grants the Security Trustee full and exclusive power and authority, subject to the other terms hereof and applicable Law, to take any of the following actions following the giving by the Security Trustee of written notice (other than after a Declared Default Date arising by operation of the proviso to Section 8.02 of the Credit Agreement (or the equivalent provisions in such other Secured Debt Documents)) to the Pledgor (for the sole benefit of the Security Trustee on behalf of the Secured Parties, but at the Pledgor's expense):

(a) to ask for, demand, take, collect, sue for and receive all payments in respect of the Credit Security which the Pledgor could otherwise ask for, demand, take, collect, sue for and receive for its own use;

(b) to extend the time of payment of the Credit Security and to make any allowance or other adjustment with respect thereto;

(c) to settle, compromise, prosecute or defend any action or proceeding with respect to the Credit Security and to enforce all rights and remedies thereunder which the Pledgor could otherwise enforce;

(d) to enforce the payment of the Credit Security, either in the name of the Pledgor or in its own name, and to endorse the name of the Pledgor on all checks, drafts, money orders and other instruments tendered to or received in payment of the Credit Security;

(e) to notify the borrower thereunder with respect to the Credit Security of the existence of the Security and to cause all payments in respect thereof thereafter to be made directly to the Security Trustee; and/or

(f) to sell, transfer, assign or otherwise deal in or with the Credit Security or the proceeds thereof, as fully as the Pledgor otherwise could do.

After the occurrence and during the continuance of a Declared Default Date and the giving of the applicable notice, the Pledgor will at its expense render all reasonable assistance to the Security Trustee in collecting on the Credit Security and in enforcing any claims thereon.

2.7.2. Marshaling, etc. No Secured Party shall be required to make any demand upon, or pursue or exhaust any of their rights or remedies against, the Pledgor or any other guarantor, pledgor or any other Person with respect to the payment of the Secured Obligations or to pursue or exhaust any of their rights or remedies with respect to any collateral therefor or any direct or indirect guarantee thereof. No Secured Party shall be required to marshal the Credit Security or any guarantee of the Secured Obligations or to resort to the Credit Security or any such guarantee in any particular order, and all of its and their rights hereunder or under any other Secured Debt Document shall be cumulative. To the extent it may lawfully do so, the Pledgor absolutely and irrevocably waives and relinquishes the benefit and advantage of, and covenants not to assert against the Secured Parties, any valuation, stay, appraisal, extension, redemption or similar Laws now or hereafter existing which, but for this Section 2.7.2, might be applicable to the sale of the Credit Security made under the judgment, order or decree of any court, or privately under the power of sale conferred by this Agreement, or otherwise. Without limiting the generality of the foregoing, the Pledgor (a) agrees that it will not invoke or utilize any Law which might prevent, cause a delay in or otherwise impede the enforcement of the rights of the Security Trustee or any Secured Party in the Credit Security, (b) waives its rights under all such Laws and (c) agrees that it will not invoke or raise as a defense to any enforcement by the Security Trustee or any Secured Party of any rights and remedies relating to the Credit Security or the Secured Obligations any legal or contractual requirement with which the Security Trustee or any Secured Party may have in good faith failed to comply. In addition, the Pledgor waives any right to prior notice (except as expressly set forth herein) or judicial hearing in connection with foreclosure on or disposition of the Credit Security, including any such right which the Pledgor would otherwise have under the Constitution of the United States of America, any state or territory thereof or any other jurisdiction.

2.7.3. Application of Proceeds. The proceeds of all sales and collections in respect of the Credit Security, all funds collected from the Pledgor and any cash contained in the Credit Security, the application of which is not otherwise specifically provided for herein, shall be applied as set forth in the Existing Intercreditor Agreement.

2.8. Custody of Credit Security. Except as provided by applicable Law that cannot be waived, the Security Trustee will have no duty as to the custody and protection of the Credit Security, the collection of any part thereof or of any income thereon or the preservation or exercise of any rights pertaining thereto, including rights against prior parties, except for the use of reasonable care in the custody and physical preservation of any Credit Security in its possession. The Security Trustee may delegate by power of attorney or in any other manner to any person any right, power or discretion exercisable by it under or in connection with this Agreement. The Secured Parties will not be liable or responsible for any loss or damage to any Credit Security, or for any diminution in the value thereof, by reason of the act or omission of any agent selected by the Security Trustee, unless the selection of such agent itself was grossly negligent.

3. Representations and Warranties. The Pledgor represents and warrants, as of the date hereof, that:

3.1. Organization and Business. The Pledgor is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, with all power and authority, corporate or otherwise, necessary to enter into and perform this Agreement. Other than as supplemented from time to time pursuant to

Section 4.1, the exact legal name (within the meaning of Section 9-503(a) of the UCC), jurisdiction of organization, type of organization and location of chief executive office of the Pledgor are set forth on Schedule 1 hereto. Other than as supplemented from time to time pursuant to Section 4.1, the Pledgor has not changed its name, whether by amendment of its organizational documents, reorganization, merger or otherwise within the past five years. Other than as supplemented from time to time pursuant to Section 4.1, the Pledgor has not changed the jurisdiction in which its chief executive office is located within the last five years.

3.2. Authorization and Enforceability. The Pledgor has taken all action, corporate or otherwise, required to execute, deliver and perform this Agreement. This Agreement constitutes a legal, valid and binding obligation of the Pledgor, enforceable against the Pledgor, in accordance with its terms.

3.3. No Legal Obstacle to Agreements. Neither the execution, delivery and performance of this Agreement, nor the consummation of any transaction referred to in or contemplated by this Agreement, has constituted or resulted, or will constitute or result, in (a) any breach or termination of the provisions of the [Charter] or [By-laws] of the Pledgor or (b) the violation of any Law, statute, judgment, decree or governmental order, rule or regulation applicable to the Pledgor.

3.4. The Credit Security. It is the sole legal and beneficial owner of, and has the power to transfer and grant a security interest in, the Credit Security. Other than as permitted or not prohibited by the Credit Agreement and the other Secured Debt Documents, none of the Credit Security is subject to any consensual Lien other than the Security Trustee's Security. Other than as permitted or not prohibited by the Credit Agreement and the other Secured Debt Documents, no effective mortgage, deed of trust, financing statement, security agreement or other instrument similar in effect that has been authorized by the Pledgor is on file or of record with respect to any Credit Security, except for those that create, perfect or evidence the Security Trustee's Security.

3.5. No Liability. Neither the Security Trustee nor any Secured Party, unless it expressly agrees in writing, will have any liabilities or obligations under any contractual obligation that constitutes part of the Credit Security as a result of this Agreement, the exercise by the Security Trustee of its rights under this Agreement or otherwise.

4. Covenants. The Pledgor agrees to be bound by the covenants set out in this Section 4.

4.1. The Pledgor. The Pledgor shall give the Security Trustee not less than seven Business Days' prior written notice (or such other shorter period as the Security Trustee may reasonably agree) of any change of the jurisdiction of its incorporation or organization, or any change to the location of its chief executive office, as the case may be, or any change of its name.

4.2. The Credit Security. Other than as permitted or not prohibited by the Credit Agreement and the other Secured Debt Documents, the Pledgor: (a) shall maintain sole and legal beneficial ownership of the Credit Security; and (b) shall not permit the Credit Security to be subject to any consensual Lien other than the Security Trustee's Security.

5. Termination or Release.

5.1. At the end of the Security Period, this Agreement shall terminate and, at the Pledgor's written request, accompanied by such certificates and other items as the Security Trustee shall reasonably deem necessary, the Credit Security shall revert to the Pledgor and the right, title and interest of the Security Trustee, on behalf of the Secured Parties, therein shall terminate. Thereupon, on the Pledgor's reasonable request and at its cost and expense, the Security Trustee shall execute proper instruments, acknowledging satisfaction of and discharging this Agreement, and shall redeliver to the Pledgor any Credit Security then in its possession.

5.2. To the extent that any of the Credit Security is no longer required to be pledged as Collateral for purposes of the Collateral and Guarantee Requirement (or is otherwise no longer required to be

pledged under the other Secured Debt Documents then in effect), then the Security Trustee is authorized to release the Lien created pursuant to this Agreement in respect of such Credit Security in accordance with the terms of the Existing Intercreditor Agreement.

6. Successors and Assigns. The provisions of this Agreement shall inure to the benefit of the Secured Parties and their successors and assigns and shall be binding upon the Pledgor and its respective successors and assigns.

7. Notices. Any notice or other communication in connection with this Agreement shall be deemed to be given to the intended recipient if given in writing (including by telecopy, electronic mail or similar electronic transmission) at its "Address for notices" specified below its name on the signature pages hereof (or to such other address, telecopier number, or electronic mail address as the Pledgor or Security Trustee may from time to time designate by provision of notice to the other party hereto), and if: (a) actually delivered in fully legible form, (b) five business days shall have elapsed after the same shall have been deposited in the mail, with first-class postage prepaid and registered or certified, or (c) in the case of notice or other communications sent by telecopier or other electronic transmission, actually sent.

8. Amendments and Waivers.

8.1. No failure or delay by any Secured Party in exercising any right, remedy, power or privilege hereunder or under any other Secured Debt Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges of the Secured Parties herein provided, and provided under each other Secured Debt Document, may be exercised as often as necessary, are cumulative and are not exclusive of any rights, remedies, powers and privileges provided by Law. No waiver of any provision of this Agreement or consent to any departure by the Pledgor therefrom shall in any event be effective unless the same shall be permitted by Section 8.2, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given.

8.2. Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Security Trustee and the Pledgor, subject to any consent required in accordance with Section 10.01 of the Credit Agreement, Clause 28 of the Existing Intercreditor Agreement and the corresponding clause of each other Secured Debt Document.

9. Counterparts. This Agreement may be executed in counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Agreement.

10. Governing Law. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

11. General. The invalidity or unenforceability of any provision hereof shall not affect the validity or enforceability of any other provision hereof, and any invalid or unenforceable provision shall be modified so as to be enforced to the maximum extent of its validity or enforceability. The headings in this Agreement are for convenience of reference only and shall not limit, alter or otherwise affect the meaning hereof. This Agreement constitutes the entire understanding of the parties with respect to the subject matter hereof and thereof and supersede all prior and current understandings and agreements, whether written or oral.

12. Intercreditor Agreement. This Agreement shall be subject in all respects to the Existing Intercreditor Agreement, and in the case of a conflict between this Agreement and the Existing Intercreditor Agreement, the Existing Intercreditor Agreement shall govern.

13. Submission to Jurisdiction; Venue. For the benefit of the Security Trustee, the Pledgor agrees that any court New York State court sitting in New York City (Borough of Manhattan), any Federal court for the

Southern District of the State of New York, and any appellate courts thereof, have jurisdiction to settle any disputes in connection with this Agreement and accordingly submits to the jurisdiction of those courts. The Pledgor waives objection to such New York State and Federal courts on grounds of personal jurisdiction, inconvenient forum or otherwise as regards proceedings in connection with this Agreement, and agrees that a judgment or order of a New York State or Federal court in connection with this Agreement is conclusive and binding on it and may be enforced against it in the courts of any other jurisdiction. Nothing in this Section 13 limits the right of the Security Trustee or any other Secured Party to bring proceedings against the Pledgor in connection with this Agreement in any other court of competent jurisdiction or concurrently in more than one jurisdiction.

14. Service of Process. The Pledgor irrevocably appoints [●] as agent for service of process in relation to any proceedings before any courts located in the State of New York in connection with this Agreement. The Pledgor agrees that failure by a process agent to notify the Pledgor of the process will not invalidate the proceedings concerned, and consents to the service of process relating to any proceedings by a notice given in accordance with Section 7 above. If the appointment of the process agent in this Section 14 ceases to be effective, the Pledgor must promptly appoint a further person in the State of New York to accept service of process on its behalf in the State of New York.

15. WAIVER OF JURY TRIAL. THE PLEDGOR AND THE SECURITY TRUSTEE (FOR ITSELF AND ON BEHALF OF THE OTHER SECURED PARTIES) WAIVE ANY RIGHTS THEY MAY HAVE TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED ON OR ARISING FROM THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. In the event of litigation, this Agreement may be filed as a written consent to a trial by the court.

- (a) Each Additional [Term/Revolving Credit] Lender hereby confirms to each other Lender, the Administrative Agent and the Security Trustee that:
 - (i) it has made its own independent investigation and assessment of the financial condition and affairs of each Loan Party and its related entities in connection with its participation in the Credit Agreement and has not relied on any information provided to it by another Lender, the Administrative Agent or the Security Trustee in connection with any Loan Document; and
 - (ii) it will continue to make its own independent appraisal of the creditworthiness of each Loan Party and its related entities while any amount is or may be outstanding under the Credit Agreement or any Commitment hereunder or thereunder is in force.

Except as amended by and in accordance with this Joinder Agreement, all Loan Documents continue to be in full force and effect and are hereby in all respects ratified and confirmed. On and after the Effective Date, each reference in the Credit Agreement to “this Agreement”, “hereunder”, “hereof”, “herein” or words of like import referring to the Credit Agreement, and each reference in the other Loan Documents to “Credit Agreement”, “thereunder”, “thereof” or words of like import referring to the Credit Agreement shall mean and be a reference to the Credit Agreement as amended, supplemented or otherwise modified by this Joinder Agreement.

9. AMENDMENTS

This Joinder Agreement may not be amended, modified or waived except by an instrument or instruments in writing signed and delivered on behalf of each of the Parties hereto affected thereby.

11. SEVERABILITY

If any provision of this Joinder Agreement is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Joinder Agreement shall not be affected or impaired thereby and (b) the Parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

12. CONTRACTUAL RECOGNITION OF BAIL-IN

Notwithstanding any other term of any Loan Document or any other agreement, arrangement or understanding between the Parties, each Party acknowledges, accepts and agrees that any BRRD Liability arising under or in connection with the Loan Documents may be subject to the exercise of Bail-In Powers by the Relevant Resolution Authority and acknowledges, accepts and agrees to be bound by the effect of:

- (a) the exercise of Bail-in Powers by the Relevant Resolution Authority in relation to any such BRRD Liability of the Additional [Term/Revolving Credit] Lenders to the Parties, that (without limitation) may include and result in any of the following, or some combination thereof:
 - (i) the reduction of all, or a portion, of the BRRD Liability or outstanding amounts due thereon;
 - (ii) the conversion of all, or a portion, of the BRRD Liability into shares, other securities or other obligations of the Additional [Term/Revolving Credit] Lenders (or, in each case, any Affiliate of the Additional [Term/Revolving Credit] Lenders) or another Person, and the issue to or conferral on the Parties of such shares, securities or obligations;
 - (iii) the cancellation of any such liability; and
 - (iv) the amendment or alteration of any interest, if applicable, thereon, the maturity or the dates on which any payments are due, including by suspending payment for a temporary period; and
- (b) a variation of any term of any Loan Document, as deemed necessary by the Relevant Resolution Authority, to give effect to the exercise of Bail-in Powers by the Relevant Resolution Authority.

For the purposes of this Section 12:

“Bail-in Legislation” means:

- (a) in relation to a member state of the European Economic Area which has implemented, or which at any time implements, the BRRD, the relevant implementing law, regulation, rule or requirement as described in the EU Bail-in Legislation Schedule from time to time; and
- (b) in relation to any other state, any analogous law or regulation from time to time which requires contractual recognition of any Write-down and Conversion Powers contained in that law or regulation.

“Bail-in Powers” means:

- (a) any Write-down and Conversion Powers as defined in the EU Bail-in Legislation Schedule, in relation to the relevant Bail-in Legislation; and
- (b) in relation to any other applicable Bail-In Legislation:
 - (i) any powers under that Bail-In Legislation to cancel, transfer or dilute shares issued by a person that is a bank or investment firm or other financial institution or affiliate of a bank, investment firm or other financial institution, to cancel, reduce, modify or change the form of a liability of such a person or any contract or instrument under which that liability arises, to convert all or part of that liability into shares, securities or obligations of that person or any other person, to provide that any such contract or instrument is to have effect as if a right had been exercised under it or to suspend any obligation in respect of that liability or any of the powers under that Bail-In Legislation that are related to or ancillary to any of those powers; and
 - (ii) any similar or analogous powers under that Bail-In Legislation.

“**BRRD**” means Directive 2014/59/EU establishing a framework for the recovery and resolution of credit institutions and investment firms.

“**BRRD Liability**” means a liability in respect of which the relevant Write Down and Conversion Powers in the applicable Bail-in Legislation may be exercised.

13. ACKNOWLEDGEMENT REGARDING ANY SUPPORTED QFCS

To the extent that any Loan Documents provide support, through a guarantee or otherwise, for any Secured Hedge Agreement or any other agreement or instrument that is a QFC (such support, “**QFC Credit Support**”, and each such QFC, a “**Supported QFC**”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “**U.S. Special Resolution Regimes**”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) in the event a Covered Entity that is party to a Supported QFC (each, a “**Covered Party**”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) as used in this Section 13, the following terms have the following meanings:

(i) “**BHC Act Affiliate**” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

(A) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);

- (C) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).
- (iii) “**Default Right**” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.
- (iv) “**QFC**” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

14. APPLICABLE LAW; JURISDICTION; TRIAL BY JURY

THIS JOINDER AGREEMENT AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS JOINDER AGREEMENT, SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK. Each of the Parties submits to the exclusive jurisdiction of the federal and state courts in the Borough of Manhattan in the City of New York in any suit or proceeding arising out of or relating to this Joinder Agreement or the transactions contemplated hereby. Nothing in this Section 14 shall limit any of the Parties’ right to bring proceedings in any other courts of competent jurisdiction in more than one jurisdiction (whether concurrently or not) to the extent permitted by applicable law. A Phantom Investment Fund may include mutual funds or any other investment or fund approved by the Committee. As necessary, the Committee may, in its sole discretion, discontinue, substitute or add a Phantom Investment Fund. Each such action will take effect as of the date specified by the Committee after giving Participants advance written notice of such change.

2.40. "Section 409A" means section 409A of the Code and any Treasury Regulations promulgated under, or other administrative guidance issued with respect to, such Code section, as applicable to the Plan at the relevant time.

2.41. "Section 409A Change of Control" means a change in the ownership or effective control of the Company or a change in the ownership of a substantial portion of the assets of the Company, in each case within the meaning of Section 409A; provided, however, that for purposes of determining a change in the effective control of the Company, (i) new members of the Board shall not be deemed to

have been replaced if the election, or the nomination for election, of such new director was approved by a vote of at least two-thirds of the directors then still in office who were directors at the beginning of the applicable 12-month period and (ii) with respect to an acquisition of shares, no Section 409A Change of Control shall be deemed to occur if such acquisition was approved by the Board or if such shares were acquired by Liberty Latin America, the Company, any Subsidiary of the Company, any employee benefit plan sponsored by Liberty Latin America, the Company or any Subsidiary of the Company, or any Exempt Person.

2.42. "Separation from Service" means the termination of a Participant's employment with all Affiliated Companies within the meaning of Section 409A. For the avoidance of doubt, the transfer of a Participant's employment from one Participating Company to another Participating Company or to an Affiliated Company is not a Separation from Service.

2.43. "Share Fund" means that portion, if any, of a Participant's Account attributable to an election to defer Compensation that would otherwise have been payable in the form of equity of Liberty Latin America, and shall include the number and kind of equity so deferred, as adjusted for dividends and distributions payable in the form of equity, and subject to such further adjustments as are otherwise applicable with respect to equity awards under the Incentive Plan.

2.44. "Subsequent Election" means a written election on a form provided by the Company, filed with the Company in accordance with Article 3, pursuant to which a Participant may elect to defer (or, in limited cases and to the extent permitted under Section 409A, accelerate) the time of payment of amounts previously deferred in accordance with the terms of a previously made Initial Election or Subsequent Election.

2.45. "Subsidiary" means any present or future subsidiary (as defined in section 424(f) of the Code) of the Company or any business entity in which the Company owns, directly or indirectly, 50% or more of the voting, capital or profits interests. An entity shall be deemed a subsidiary of the Company for purposes of this definition only for such periods as the requisite ownership or control relationship is maintained.

2.46. "Surviving Spouse" means the widow or widower, as the case may be, of a Deceased Participant or a deceased Beneficiary (as applicable).

3. INITIAL AND SUBSEQUENT ELECTIONS TO DEFER COMPENSATION

3.1. Elections.

3.1.1. Initial Elections. An Initial Election shall be made on the form approved by the Company for this purpose. Each Eligible Employee, by filing an Initial Election at the time and in the form described in this Article 3, shall have the right to defer all or any portion of the Compensation that he or she otherwise would be entitled to receive. The compensation of such Eligible Employee for a Plan Year shall be reduced in an amount equal to the portion of the Compensation deferred by such Eligible Employee for such Plan Year pursuant to the eligible Employee's Initial Election. Such reduction shall be effected: (a) as to any portion of the Eligible Employee's base salary that is deferred, on a pro rata basis from each installment of base salary paid in accordance with applicable payroll practices; (b) as to any portion of the eligible Employee's annual cash performance award that is deferred or any portion of an installment payment to the Eligible Employee under any multi-year performance incentive plan that is deferred, on a percentage basis from such award as and when otherwise payable and (c) as to any portion of a Director Equity Grant deferred, by reducing the amount of equity of the Company to be paid pursuant to the Director Equity Grant by the percentage specified in the Election, rounded up to the nearest whole share or unit, if applicable. The amount of any such reduction shall be credited to the Eligible Employee's Account in accordance with Section 5.1.

3.1.2. Subsequent Elections. Each Participant shall have the right to elect to defer the time of payment of amounts previously deferred in accordance with the terms of a previously made Initial Election pursuant to the terms of the Plan by filing a Subsequent Election at the time, to the extent, subject to the requirements and in the form described in this Article 3.

3.2. Filing of Initial Election.

3.2.1. Performance-Based Compensation. An Initial Election shall be effective with respect to Performance-Based Compensation if (i) it is filed with the Company not less than six months before the end of the Performance Period during which such Performance-Based Compensation may be earned, (ii) the Eligible Employee has performed services continuously from the later of the beginning of the Performance Period or the date the performance criteria are established through the date the election is made, and (iii) the amount of the Performance-Based Compensation has not become readily ascertainable within the meaning of Section 409A at the time the election is filed. An Initial Election described in the preceding sentence shall become irrevocable on the last day prior to the start of the six-month period referred to in such sentence.

3.2.2. Other Initial Elections. No Initial Election shall be effective with respect to Compensation other than Performance-Based Compensation unless it is filed with the Company on or before the close of business on December 31 of the Plan Year preceding the Plan Year to which the Initial Election applies. An Initial Election described in the preceding sentence shall become irrevocable on December 31 of the Plan Year preceding the Plan Year to which the Initial Election applies.

3.3. Filing of Initial Election by New Eligible Employees. Notwithstanding Section 3.2, a New Eligible Employee may elect to defer all or any portion of his or her Compensation earned for the performance of services in the Plan Year in which the New Eligible Employee becomes a New Eligible Employee, beginning with the payroll period next following the filing of an Initial Election with the Company and before the close of such Plan Year by making and filing the Initial Election with the Company within 30 days of the date on which such New Eligible Employee becomes a New Eligible Employee. Any Initial Election by such New Eligible Employee for succeeding Plan Years shall be made in accordance with Section 3.2.

3.4. Plan Years to which Initial Election May Apply. A separate Initial Election may be made for each Plan Year as to which an Eligible Employee desires to defer all or any portion of such Eligible Employee's Compensation, or an Eligible Employee may make an Initial Election with respect to a Plan Year that will remain in effect for subsequent Plan Years unless the Eligible Employee revokes such Initial Election or timely makes a new Initial Election with respect to a subsequent Plan Year. Any such revocation of an Initial Election must be in writing and must be filed with the Company on or before December 31 of the Plan Year immediately preceding the Plan Year to which such revocation applies. The failure of an Eligible Employee to make an Initial Election for any Plan Year shall not affect such Eligible Employee's right to make an Initial Election for any other Plan Year.¹

3.5. Distribution Events.

3.5.1. Initial Election of Distribution Events. Each Eligible Employee shall, contemporaneously with an Initial Election, also elect the time of payment of the amount of the deferred Compensation to which such Initial Election relates. Subject to the terms and conditions of the Plan and Section 409A, the distribution event elected by each Eligible Employee may be (a) up to three specific dates selected by the Eligible Employee, none of which occurs later than December 31 of the 20th calendar year following the Plan Year to which the Initial Election applies (the "Outside Date"), (b) the earlier to occur of one or more of (1) the date or dates selected by the Eligible Employee, (2) the Eligible Employee's Separation from Service, (3) a Change of Control, or (4) a Section 409A Change of Control, or (c) such other distribution event permitted under Section 409A as the Committee may approve and set forth in an election form. If an Eligible Employee fails to elect a distribution event in accordance with the provisions of this Section 3.5, he or she shall be deemed to have elected the earlier to occur of the Outside Date or the Eligible Employee's Separation from Service as the distribution event.

3.5.2. Death or Disability. The death or Disability of a Participant or an Inactive Participant prior to complete distribution of the Account shall be a distribution event.

3.6. Subsequent Elections. Any Subsequent Election with respect to deferred amounts may be made only in accordance with the provisions of this Section 3.6. No Subsequent Election shall be effective until 12 months after the date on which such Subsequent Election is made. Any Subsequent Election must defer the time of payment of such amount for a minimum of five additional years from the previously elected payment date and may not cause receipt by a Participant of a lump-sum or percentage payment or the commencement of installment payments to a Participant to occur on a date that is later than the

Outside Date. No Subsequent Election shall be effective to defer the time of any payment due to death or Disability.

3.6.1. Active Participants. The number of Subsequent Elections that an Active Participant may make under this Section 3.6.1 shall not be limited.

3.6.2. Inactive Participants. The Committee may, in its sole and absolute discretion, permit an Inactive Participant to make one or more Subsequent Elections. The number of Subsequent Elections that an Inactive Participant may make under this Section 3.6.2 shall be determined by the Committee in its sole and absolute discretion and need not be the same for all Inactive Participants.

3.6.3. Most Recently Filed Initial Election or Subsequent Election Controlling. Subject to acceleration pursuant to Section 3.5.2, 3.8, Section 7.1, or Article 8 (each to the extent permitted under Section 409A), no distribution of the amounts deferred by a Participant for any Plan Year shall be made before the distribution event designated by the Participant on the most recently filed Initial Election or Subsequent Election with respect to such deferred amount.

3.7. Payment Date, and Actual Payment of Amounts Due under the Plan. For purposes of Code Section 409A, the payment dates for distributions shall be as follows: (i) the payment date for a distribution event on a specific date as elected by the Participant shall be the date or dates elected by the Participant pursuant to an Initial Election or a Subsequent Election (or, if such date is not a business day, on the next succeeding business day); (ii) the payment date for a distribution event due to death or Disability shall be the date of death or the date of onset of Disability (or, if such date is not a business day, on the next succeeding business day); (iii) except as provided in Section 3.10, the payment date for a distribution event due to Separation from Service or Change in Control shall be the date on which Separation from Service or Change in Control, as applicable, occurred (or, if such date is not a business day, on the next succeeding business day); and (iv) the payment date for specified employees under Section 3.10 shall be the date the suspension period lapses. Actual payment of amounts due under the Plan shall be paid as soon as administratively practicable following the payment date for the applicable distribution event within the time permitted in communication materials but in no event later than permitted under Treasury Regulation § 1.409A-3(d).

3.8. Discretion to Distribute in Full Upon or Following a Change of Control. To the extent permitted under Section 409A, in connection with a Change of Control, and for the 12-month period following a Change of Control, the Committee may exercise its discretion to terminate the Plan and, notwithstanding any other provision of the Plan or the terms of any Initial Election or Subsequent Election, distribute the Account balance of each Participant in full and thereby effect the revocation of any outstanding Initial Elections or Subsequent Elections.

3.9. Rabbi Trust. The Committee may authorize a Participating Company to establish an irrevocable trust with a duly authorized bank or corporation with trust powers designated by the Company's Chief Executive Officer ("Rabbi Trust"), pursuant to such terms and conditions as are set forth in the governing trust agreement. Any such Rabbi Trust shall be intended to be treated as a "grantor trust" under the Code, and the establishment of the Rabbi Trust shall not be intended to cause Participants performing services for any Participating Company to realize current income on amounts contributed thereto nor to cause the Plan to be "funded" with respect to any Participating Company, and the Rabbi Trust shall be so interpreted. Any amounts subsequently due to a Participant under the Plan shall be first satisfied by the Rabbi Trust, and any remaining obligations shall be satisfied by the Company, in accordance with the terms of the Plan.

3.10. Required Suspension of Payment of Benefits. Notwithstanding any provision of the Plan or any Participant's election as to the date or time of payment of any amount payable under the Plan, to the extent required under Section 409A, any amount that otherwise would be payable to a Participant who is a "specified employee" of a Participating Company, as determined in accordance with Section 409A, during the six-month period following such Participant's Separation from Service, shall be suspended until the lapse of such six-month period (or, if earlier, the date of death of the Participant). The amount that otherwise would be payable to such Participant during such period of suspension, together with applicable credits or debits in accordance with Section 5.2 on such suspended amount, shall be paid in a single payment on the day following the end of such six-month period (or, if such day is not a business day, on the next succeeding business day) or within 60 days following the death of the Participant during such six-month period, provided that the death of the Participant during such six-month period shall not cause the acceleration of any amount that otherwise would be payable on any date during such six-month period following the date of the Participant's death.

3.11. Delay of Payment Under Certain Circumstances. Notwithstanding any provision of the Plan or any Participant's election as to the date or time of payment of any benefit payable under the Plan, if the Committee reasonably determines with respect to any payment under the Plan:

3.11.1. that the Company's deduction with respect to any such payment would be limited or eliminated by the application of section 162(m) of the Code, then to the extent deemed necessary by the Company to ensure that the entire amount of any payment under the Plan is deductible, the Company may delay payment of any amount that would otherwise be paid under the Plan until the earliest date on which the Company reasonably anticipates that the Company's deduction of the payment of the amount will not be limited or eliminated by application of section 162(m) of the Code, and any amounts for which distribution is delayed pursuant to this Section shall continue to be credited or debited with additional amounts in accordance with Section 5.2; or

3.11.2. that the making of such payment would violate (i) the terms of any loan arrangement or similar contract to which a Participating Company is a party and such violation would cause material harm to such Participating Company or (ii) Federal securities law or any other law applicable to a Participating Company, such payment shall be delayed until the earliest date the Company reasonably anticipates that the making of the payment will not cause such violation (or, in the case of (i) above, such violation will not cause material harm to a Participating Company) and any amounts for which distribution is delayed pursuant to this Section shall continue to be credited or debited with additional amounts in accordance with Section 5.2.

4. FORMS OF DISTRIBUTION

4.1. Forms of Distribution.

4.1.1. Distribution Form. Amounts credited to an Account shall be distributed, pursuant to an Initial Election or Subsequent Election, in one of the following forms of distribution:

4.1.1.1. A lump-sum payment;

4.1.1.2. Substantially equal annual installments over a period of two, three, four or five years; or

4.1.1.3. Payment of two or three specified portions, identified as percentages collectively totaling 100%, of the amount of Compensation deferred for a Plan Year.

If an Eligible Employee fails to elect a form of distribution in accordance with the provisions of this Section 4.1, he or she shall be deemed to have elected to receive a lump-sum payment as the form of distribution. In the event the payment event is due to death or Disability, the form of distribution shall be limited to a lump-sum payment.

4.1.2. Payment Form. A Participant who has made an election to defer Compensation that would otherwise have been payable in the form of equity of Liberty Latin America shall receive a distribution from the Account in the number and kind of equity allocated to the Share Fund. Unless otherwise approved by the Committee, all other distributions shall be made in the form of cash payments.

4.1.3. Limited Cashout. To the extent permitted under Section 409A, notwithstanding any Initial Election, Subsequent Election or any other provision of the Plan to the contrary:

4.1.3.1. distributions shall be made in the form of a lump-sum payment unless the portion of a Participant's Account subject to distribution pursuant to Section 4.1.1.2, as of the benefit commencement date, is more than \$10,000; and

4.1.3.2. following a Participant's Separation from Service for any reason, if the amount credited to the Participant's Account is \$10,000 or less, the Committee may, in its sole discretion, direct that such amount be distributed to the Participant (or Beneficiary, as applicable) in one lump-sum payment, provided that the payment is made on or before the later of (i) December 31 of the calendar year in which the Participant's Separation from Service occurs or (ii) the 15th day of the third month after the Participant's Separation from Service.

4.2. Determination of Account Balances For Purposes of Distribution. The amount of any distribution made pursuant to Section 4.1 shall be based on the balance in the Participant's Account(s) on the "payment date" as prescribed by Section 3.7 applicable to the distribution event that triggers the payment under the Plan. For this purpose, the value of a Participant's Account shall be calculated by taking into account applicable credits or debits in accordance with Section 5.2 through the end of the day of the payment date.

4.3. Plan-to-Plan Transfers. The Committee may delegate its authority to arrange for plan-to-plan transfers as described in this Section 4.3 to an officer of the Company or committee of two or more officers of the Company.

4.3.1.1. The Committee may, with a Participant's consent, make such arrangements as it may deem appropriate to transfer the Company's obligation to pay benefits with respect to such Participant which have not become payable under this Plan, to another employer, whether through a deferred compensation plan, program or arrangement sponsored by such other employer or otherwise, or to another deferred compensation plan, program or arrangement sponsored by a Participating Company or an Affiliate. Following the completion of such transfer, with respect to the benefit transferred, the Participant shall have no further right to payment under this Plan.

4.3.1.2. The Committee may, with a Participant's consent, make such arrangements as it may deem appropriate for the Plan to assume another employer's obligation to pay benefits with respect to such Participant which have not become payable under the deferred compensation plan, program or arrangement under which such future right to payment arose, or to assume a future payment obligation of a Participating Company under another plan, program or arrangement sponsored by a Participating Company. Upon the completion of the Plan's assumption of such payment obligation, the Company shall establish an Account for such Participant, and the Account shall be subject to the rules of this Plan, as in effect from time to time.

5. BOOK ACCOUNTS

5.1. Deferred Compensation Account. A deferred compensation Account shall be established for each Eligible Employee when such Eligible Employee becomes a Participant. Compensation deferred pursuant to the Plan shall be credited to the Account on the date such Compensation would otherwise have been payable to the Participant. All deemed interest, dividends, earnings, losses and other relevant amounts applicable to each Account shall be credited or debited to the Account as they are deemed to occur, as provided in Section 5.2.

5.1.1. Crediting of Deferred Equity Awards. Deferred Director Equity Awards shall be credited to the Share Fund in the Eligible Employee's Account at the time of vesting, together with any related "dividend equivalents" that may be awarded in accordance with the Incentive Plan.

5.2. Crediting/Debiting of Account Balances. In accordance with, and subject to, the rules and procedures that are established from time to time by the Committee, amounts shall be credited or debited to a Participant's Account in accordance with the following rules:

5.2.1. Phantom Investment Portfolio Program. Subject to Section 5.2.4, the Participant may elect the Credited Interest Fund and/or one or more of any established Phantom Investment Funds, for the purpose of crediting or debiting additional amounts to his or her Account.

5.2.2. Election of Phantom Investment Funds. In the event the Committee has established one or more Phantom Investment Funds, a Participant, in connection with his or her Initial Election in accordance with Section 3.1, may elect, on the form provided by the Company, filed with the Company in accordance with Article 3, one or more Phantom Investment Fund(s) (as described in Section 5.2.1) to be used to determine the amounts to be credited or debited to his or her Account. The Participant may (but is not required to) elect, by submitting an election form to the Company that is accepted by the Company, to add or delete one or more of the Credited Interest Fund and Phantom Investment Fund(s) to be used to determine the amounts to be credited or debited to his or her Account, or to change the portion of his or her Account allocated to each. If an election is made in accordance with the previous sentence, it shall apply as of the first business day after the election is filed, and shall continue thereafter for each subsequent day in which the Participant participates in the Plan, unless changed in accordance with the previous sentence. Notwithstanding the foregoing, the Company, in its sole discretion, may impose limitations on the frequency with which one or more of the Phantom

Investment Funds elected in accordance with this Section 5.2.2 may be added or deleted by such Participant; furthermore, the Company, in its sole discretion, may impose limitations on the frequency with which the Participant may change the portion of his or her Account allocated to each previously or newly elected Phantom Investment Fund.

5.2.3. Credited Interest Fund. Subject to Section 5.2.4, a Participant's Account attributable to amounts deferred on or after December 29, 2017 shall be allocated to the Credited Interest Fund until such time as the Committee determines, in its sole discretion, that the Participant may select one or more Phantom Investment Funds and the Participant elects to change the allocation of the Account. To the extent that a Participant does not elect any of the Phantom Investment Funds as described in Section 5.2.2, the Participant's Account shall automatically be allocated to the Credited Interest Fund unless Section 5.2.4 is otherwise applicable.

5.2.4. Share Fund. Any amount held in the Share Fund shall remain allocated to the Share Fund and the Participant shall not be entitled to change the portion of his Account allocated to the Share Fund; provided, however, that any cash dividends payable with respect to the number and kind of equity allocated to the Share Fund shall be credited to the Participant's Account in the Phantom Investment Funds or the Credited Interest Fund in accordance with Sections 5.2.2 and 5.2.3.

5.2.5. Proportionate Allocation. In making any election described in Section 5.2.2 above, the Participant shall specify on the applicable election form, in increments of one percent (1%), the percentage of his or her Account to be allocated/reallocated.

5.2.6. Crediting or Debiting Method. Each Participant's Account allocated to the Credited Interest Fund shall be credited with interest at the Applicable Interest Rate. The performance of each Phantom Investment Fund (either positive or negative) will be determined on a daily basis based on the manner in which such Participant's Account has been hypothetically allocated among the Phantom Investment Funds by the Participant, and any portion of a Participant's Account allocated to the Phantom Investment Fund shall be credited or debited based on that performance. Credits and debits under this Section 5.2.6 shall be calculated with respect to Compensation deferred by such Participant in accordance with this Plan from the date such Compensation would otherwise have been payable to the Participant through the end of the day immediately preceding the date on which such deferred Compensation is paid to such Participant (or his or her Beneficiary) in accordance with this Plan.

5.2.7. No Actual Investment. Notwithstanding any other provision of this Plan that may be interpreted to the contrary, the Phantom Investment Funds are to be used for measurement purposes only, and a Participant's election of any such Phantom Investment Fund, the allocation of his or her Account thereto, the calculation of additional amounts and the crediting or debiting of such amounts to a Participant's Account shall not be considered or construed in any manner as an actual investment of his or her Account in any such Phantom Investment Fund. In the event that a Participating Company or the trustee of the Rabbi Trust, if any, in its own discretion, decides to invest funds in any or all of the investments on which the Phantom Investment Funds are based, no Participant shall have any rights in or to such investments themselves. Without limiting the foregoing, a Participant's Account shall at all times be a bookkeeping entry only and shall not represent any investment made on his or her behalf by a Participating Company or the Rabbi Trust, if any; the Participant shall at all times remain an unsecured creditor of the Company and its Affiliates.

5.3. Status of Deferred Amounts. All Compensation deferred under this Plan shall continue for all purposes to be a part of the general funds of the Company.

5.4. Participants' Status as General Creditors. An Account shall at all times represent the general obligation of the Company and its Affiliates. Each Participant shall be a general creditor of the Company and its Affiliates with respect to this obligation and shall not have a secured or preferred position with respect to his or her Account. Nothing contained herein shall be deemed to create an escrow, trust, custodial account or fiduciary relationship of any kind. Nothing contained herein shall be construed to eliminate any priority or preferred position of a Participant in a bankruptcy matter with respect to claims for wages.

6. NO ALIENATION OF BENEFITS

Except as otherwise required by law, the right of any Participant or Beneficiary to any benefit or interest under any of the provisions of the Plan shall not be subject to encumbrance, attachment,

execution, garnishment, assignment, pledge, alienation, sale, transfer or anticipation, either by the voluntary or involuntary act of any Participant or Beneficiary or by operation of law, nor shall such payment, right or interest be subject to any other legal or equitable process.

7. DEATH OF PARTICIPANT

7.1. Death of Participant. A Deceased Participant's Account shall be distributed in a lump sum to the Deceased Participant's Beneficiary to whom the right to payment under the Plan shall have passed.

7.2. Designation of Beneficiaries. Each Participant and Beneficiary shall have the right to designate one or more Beneficiaries to receive distributions in the event of the Participant's or Beneficiary's death by filing with the Company a Beneficiary designation on the form provided by the Company for such purpose. The designation of Beneficiary or Beneficiaries may be changed by a Participant or Beneficiary at any time prior to such Participant's or Beneficiary's death by the delivery to the Company of a new Beneficiary designation form.

8. HARDSHIP AND OTHER ACCELERATION EVENTS

8.1. Hardship. Notwithstanding the terms of an Initial Election or Subsequent Election, if, at the Participant's request, the Committee determines that the Participant has incurred a Hardship, the Committee may, in its discretion and to the extent permitted under Section 409A, authorize the immediate distribution of all or any portion of the Participant's Account.

8.2. Other Acceleration Events. To the extent permitted under Section 409A, notwithstanding the terms of an Initial Election or Subsequent Election, distribution of all or part of a Participant's Account may be made:

8.2.1. To the extent necessary to fulfill a domestic relations order (as deemed in section 414(p)(1)(B) of the Code).

8.2.2. To the extent necessary to comply with a certificate of divestiture (as defined in section 1043(b)(2) of the Code).

8.2.3. To pay the Federal Insurance Contribution Act ("FICA") tax imposed under sections 3101 and 3121(v)(2) of the Code on Compensation deferred under the Plan (the "FICA Amount") plus the income tax at source on wages imposed under section 3401 of the Code with respect to the FICA Amount, and to pay the additional income tax at source on wages attributable to the pyramiding section 3401 wages and taxes, provided that the total amount distributable under this Section 8.2.3 shall not exceed the sum of the FICA Amount and the income tax withholding related to such FICA Amount.

9. INTERPRETATION

9.1. Authority of Committee. The Committee shall have full and exclusive authority to construe, interpret and administer this Plan and take all actions and make all determinations on behalf of the Company unless otherwise indicated, and the Committee's construction and interpretation thereof and determinations thereunder shall be binding and conclusive on all persons for all purposes. The Committee shall be entitled to delegate any authority hereunder to the appropriate officers of the Company, as determined by the Committee in its discretion.

9.2. Claims Procedure. If an individual (hereinafter referred to as the "Applicant," which reference shall include the legal representative, if any, of the individual) does not receive timely payment of benefits to which the Applicant believes he or she is entitled under the Plan, the Applicant may make a claim for benefits in the manner hereinafter provided.

An Applicant may file a claim for benefits with the Committee on a form supplied by the Company. If the Committee wholly or partially denies a claim, the Committee shall provide the Applicant with a written notice stating:

9.2.1. The specific reason or reasons for the denial;

9.2.2. Specific reference to pertinent Plan provisions on which the denial is based;

9.2.3. A description of any additional material or information necessary for the Applicant to perfect the claim and an explanation of why such material or information is necessary; and

9.2.4. Appropriate information as to the steps to be taken in order to submit a claim for review.

Written notice of a denial of a claim shall be provided within 60 days of the receipt of the claim, provided that if special circumstances require an extension of time for processing the claim, the Committee may notify the Applicant in writing that an additional period of up to 60 days will be required to process the claim.

If the Applicant's claim is denied, the Applicant shall have 60 days from the date of receipt of written notice of the denial of the claim to request a review of the denial of the claim by the Committee. Request for review of the denial of a claim must be submitted in writing. The Applicant shall have the right to review pertinent documents and submit issues and comments to the Committee in writing. The Committee shall provide a written decision within 60 days of its receipt of the Applicant's request for review, provided that if special circumstances require an extension of time for processing the review of the Applicant's claim, the Committee may notify the Applicant in writing that an additional period of up to 60 days shall be required to process the Applicant's request for review.

It is intended that the claims procedures of this Plan be administered in accordance with the claims procedure regulations of the Department of Labor set forth in 29 CFR § 2560.503-1.

Claims for benefits under the Plan must be filed with the Committee at the following address or, if different, at the address of the Company's principal executive offices:

10. AMENDMENT OR TERMINATION

10.1. Amendment or Termination. Except as otherwise provided by Section 10.2, the Company, by action of the Committee, reserves the right at any time, or from time to time, to amend or modify this Plan, including amendments for the purpose of complying with Section 409A. The Company, by action of the Board, reserves the right at any time to terminate this Plan.

10.2. Amendment of Rate of Credited Earnings. No amendment shall decrease the Applicable Interest Rate with respect to the portion of a Participant's Account that is attributable to an Initial Election or Subsequent Election made with respect to Compensation earned in a Plan Year which election has become irrevocable before the date of adoption of such amendment by the Committee. For purposes of this Section 10.2, a Subsequent Election to defer the payment of part or all of an Account for an additional period after a previously-elected payment date (as described in Section 3.6) shall be treated as a Subsequent Election separate from any previous Initial Election or Subsequent Election with respect to such Account.

11. WITHHOLDING OF TAXES

Each Participating Company, or the trustee of any Rabbi Trust, shall withhold from any payments made to a Participant under this Plan all federal, state and local income, employment and other taxes required to be withheld by the Participating Company or the trustee of the Rabbi Trust, if any, in connection with such payments, in amounts and in a manner to be determined in the sole discretion of the Participating Company and the trustee of any Rabbi Trust.

12. MISCELLANEOUS PROVISIONS

12.1. No Right to Continued Employment. Nothing contained herein shall be construed as conferring upon any Participant the right to remain in the employment of a Participating Company, its subsidiaries or divisions, as an executive or in any other capacity.

12.2. Expenses of Plan. All expenses of the Plan shall be paid by the Company.

12.3. Gender and Number. Whenever any words are used herein in any specific gender, they shall be construed as though they were also used in any other applicable gender. The singular form, whenever used herein, shall mean or include the plural form, and vice versa, as the context may require.

12.4. Law Governing Construction. The construction and administration of the Plan and all questions pertaining thereto, shall be governed by the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and other applicable federal law and, to the extent not governed by federal law, by the internal laws of the State of Colorado.

12.5. Headings Not a Part Hereof. Any headings preceding the text of the several Articles, Sections, subsections, or paragraphs hereof are inserted solely for convenience of reference and shall not constitute a part of the Plan, nor shall they affect its meaning, construction, or effect.

Amendment to 2022 Unrestricted Share Award and Performance Share Unit Award Agreement

To: Balan Nair

This letter amends the 2022 Unrestricted Share Award and Performance Share Unit Award Agreement, dated as July 28, 2022 (the “Original Agreement”), as amended by the letter agreement, dated March 12, 2024 (the “2024 Letter Amendment,” and together with the Original Agreement, the “Amended Agreement”), between you and Liberty Latin America Ltd. (the “Company”). Except as provided in this letter, all other terms of the Amended Agreement shall remain in effect. Capitalized terms not defined in this letter shall have the meanings ascribed to them in the Amended Agreement.

The 2024 Letter Amendment set forth the vesting conditions upon which the 156,250 LILAB PSUs remaining unvested on March 12, 2024 could be earned. In March 2025, the Committee determined that these PSUs had not been earned and to condition the vesting on 2025 performance. The Amended Agreement is hereby further amended to condition vesting of the remaining 156,250 LILAB PSUs (the “2025 LILAB PSUs”) to the performance metrics set forth in Appendix A hereto. If the Committee determines, in its discretion, that you have earned the 2025 LILAB PSUs, such Earned Performance Share Units shall vest on March 15, 2026.

Very truly yours,

LIBERTY LATIN AMERICA LTD.
