"**Permitted Incremental Amount**" means the sum of:

(1)

(a) (I) the greater of (x) $135.0 million and (y) 75.0% of Adjusted EBITDA of the Borrower and its Restricted Subsidiaries as of the most recently ended Test Period calculated giving *pro forma* effect in accordance with Section 1.07 thereto (the foregoing clauses (x) and (y), the "**Incremental Starter Amount**"), *minus* the aggregate amount of all Incremental Term Loans previously incurred in reliance on the Incremental Starter Amount, *plus*

(b) the aggregate principal amount of (x) any prepayments of Term Loans (in the case of Term Loans consisting of Incremental Term Loans (or any Refinancing thereof) solely to the extent incurred in reliance on this clause (1)) made pursuant to Section 2.05(1)(a), the aggregate amount of all Term Loans repurchased and prepaid pursuant to Section 2.05(1)(e) or otherwise in a manner not prohibited by Section 10.07(l) (determined on the face amount of such prepayment rather than the actual cash applied), payments made pursuant to Section 3.07 (but only to the extent such amount is prepaid or repaid) and (y) all reductions of the ABL Commitments pursuant to Section 2.06 of the ABL Credit Agreement, in each case prior to such date (other than, in each case, prepayments, repurchases and commitment reductions (A) made with the proceeds of the incurrence of Credit Agreement Refinancing Indebtedness or other long-term

(2) such additional amount (the "**Ratio Amount**" and, Indebtedness incurred using the Ratio Amount, "**Ratio Amount Indebtedness**") that would not result in the Borrower's First Lien Net Leverage Ratio exceeding 2.00 to 1.00 on a *pro forma* basis in accordance with Section 1.07 and including a *pro forma* application of the net proceeds therefrom (excluding for netting purposes the cash proceeds of any then proposed Ratio Amount Indebtedness and with respect to the calculation of the Ratio Amount, without taking into account any Indebtedness that constitutes concurrent draws under the ABL Facility), as if the additional Indebtedness incurred pursuant to this clause (2) had been incurred and the application of the proceeds therefrom has occurred at the beginning of such Test Period;

For the avoidance of doubt, Section 1.07(9) shall apply if the Borrower incurs Fixed Incremental Amount Indebtedness on the same date that it incurs Ratio Amount Indebtedness. The Borrower may reclassify all or any portion of Indebtedness originally incurred under clause (1) above as having been incurred under clause (2) above so long as, at the time of such reclassification, the Borrower would be permitted to incur the aggregate amount of Indebtedness being so reclassified under clause (2) above (it being understood and agreed that such reclassification shall be automatic if at the end of any fiscal quarter such reclassification would then be permitted).

1.00, and in the case of each of the foregoing clauses (I), (II) and (III), determined as of the most recently ended Test Period and on a *pro forma* basis in accordance with Section 1.07 and including a *pro forma* application of the net proceeds therefrom (excluding for netting purposes the cash proceeds of any then proposed Incremental Equivalent Ratio Amount Indebtedness and, with respect to the calculation of the Incremental Ratio Amount, without taking into account any concurrent draws under the ABL Facility), as if the additional Indebtedness incurred pursuant to this clause (B) had been incurred and the application of the proceeds therefrom has occurred at the beginning of such Test Period; *provided* the aggregate amount of Permitted Ratio Debt and Incremental Equivalent Ratio Amount Indebtedness, collectively, incurred by Restricted Subsidiaries that are not Loan Parties shall not exceed the greater of (a) $60.0 million and (b) 35.0% of Adjusted EBITDA of the Borrower and its Restricted Subsidiaries as of the most recently ended Test Period calculated after giving *pro forma* effect thereto;

(b) any Permitted Incremental Equivalent Debt that is secured on a *pari passu* basis with the Term Loans shall be made on a pro rata basis or less than pro rata basis (but not greater than a pro rata basis) with the Closing Date Term Loans (in each case, other than pursuant to a refinancing transaction permitted hereunder or with respect to greater than pro rata payments to an earlier maturing tranche);

(5) if such Permitted Incremental Equivalent Debt is secured:

(a) such Permitted Incremental Equivalent Debt is not secured by any assets or property of the Borrower or any Restricted Subsidiary that does not constitute Collateral (subject to customary exceptions for cash collateral in favor of a letter of credit issuer or similar “fronting” lender);

(b) if such Permitted Incremental Equivalent Debt is secured on a *pari passu* basis or junior basis to the Closing Date Term Loans, a Debt Representative acting on behalf of the holders of such Permitted Incremental Equivalent Debt has become party to or is otherwise subject to the provisions of the Applicable Intercreditor Agreement;

(d) does not have scheduled amortization payments of principal or payments of principal and is not subject to mandatory redemption, repurchase, prepayment or sinking fund obligations (except customary asset sale or change of control provisions that provide for the prior payment in full of the Term Loans and other Obligations), in each case on or prior to the Latest Maturity Date at the time such Indebtedness is incurred.

The incurrence of any Permitted Incremental Equivalent Debt shall be subject to the satisfaction of the applicable conditions set forth in Section 2.14(6), except that Permitted Incremental Equivalent Debt (i) will not be subject to the MFN Protection Provisions except to the extent such Permitted Incremental Equivalent Debt is Qualifying Term Loans (in which case, such MFN Protection Provisions shall apply for the period commencing on the Closing Date until the eighteen (18) month anniversary thereof) and (ii) may be incurred or issued in the form of a Qualifying Bridge Facility, in which case, clauses (2) and (4)(d) of the first proviso in this definition shall not prohibit the inclusion of customary terms for "bridge" facilities, including customary mandatory prepayment, repurchase or redemption provisions.

(8) The word "or" is not intended to be exclusive unless expressly indicated otherwise.

(9) With respect to any Default or Event of Default, the words "exists", "is continuing" or similar expressions with respect thereto shall mean that the Default or Event of Default has occurred and has not yet been cured or waived. If, prior to the taking of any action under Section 8.02 (or the occurrence of any event set forth in the proviso thereto), any Default or Event of Default occurs due to (i) the failure by any Loan Party to take any action by a specified time, such Default or Event of Default shall be deemed to have been cured at the time, if any, that the applicable Loan Party takes such action or (ii) the taking of any action by any Loan Party that is not then permitted by the terms of this Agreement or any other Loan Document, such Default or Event of Default shall be deemed to be cured on the earlier to occur of (x) the date on which such action would be permitted at such time to be taken under this Agreement and the other Loan Documents pursuant to an applicable amendment or waiver permitting such action and (y) the date on which such action is unwound or otherwise modified to the extent necessary for such revised action to be permitted at such time by this Agreement and the other Loan Documents; *provided*, that an Event of Default resulting from the failure to deliver a notice pursuant to such Section 6.03(1) shall cease to exist and be cured in all respects if the Default or Event of Default giving rise to such notice requirement shall have ceased to exist and/or be cured.

Notwithstanding anything to the contrary in this Section 1.02(9), an Event of Default (the "***Initial Default***") may not be cured pursuant to this Section 1.02(9):

(a) if the taking of any action by any Loan Party or Subsidiary of a Loan Party that is not permitted during, and as a result of, the continuance of such Initial Default directly results in the cure of such Initial Default and the applicable Loan Party or Subsidiary had actual knowledge at the time of taking any such action that the Initial Default had occurred and was continuing;

(b) in the case of an Event of Default under Section 8.01(9) or (10) that directly results in material impairment of the rights and remedies of the Lenders, Collateral Agent and Administrative Agent under the Loan Documents and that is incapable of being cured;

(c) in the case of an Event of Default under Section 8.01(3) arising due to the failure to perform or observe Section 6.07 that directly results in a material adverse effect on the ability of the Loan Parties (taken as a whole) to perform their respective payment obligations under any Loan Document to which any of the Loan Parties is a party; or

(d) in the case of an Initial Default for which (i) the Borrower failed to give notice to the Agent and the Lenders of such Initial Default in accordance with Section 6.03(1) of this Agreement and (ii) the Borrower had actual knowledge of such failure to give such notice.

(10) For purposes of determining compliance with any Section of Article VII, in the event that any Lien, Investment, Indebtedness, Asset Sale, Restricted Payment, Affiliate Transaction, Contractual Obligation or prepayment of Indebtedness (A) meets the criteria of one or more of the categories of transactions permitted pursuant to any clause of such Sections, such transaction (or portion thereof) at any time or (B) was incurred as a Fixed Amount, but could have been incurred as an Incurrence Based Amount, such Lien, Investment, Indebtedness, Asset Sale, Restricted Payment, Affiliate Transaction, Contractual Obligation or prepayment of Indebtedness shall, from and after the first date on which the Borrower or such Restricted Subsidiaries could have incurred such amount as an Incurrence Based Amount, automatically be reclassified as incurred under the applicable incurrence or ratio based provision (to the extent applicable), shall be permitted under one or more of such clauses as determined by the Borrower in its sole discretion at such time. For purposes of determining compliance with the incurrence of any Credit Agreement Refinancing Indebtedness or Refinancing Indebtedness that restricts the amount of such Indebtedness relative to the amount of Credit Agreement Refinanced Debt or Refinanced Debt, respectively, the Borrower and Restricted Subsidiaries may incur an incremental principal amount of Credit Agreement Refinancing Indebtedness or Refinancing Indebtedness in such refinancing to the extent that the excess portion of the Credit Agreement Refinancing Indebtedness or Refinancing Indebtedness would otherwise be permitted to be incurred in accordance with this Agreement (*provided* that (1) any additional Indebtedness referenced in this sentence satisfies the other applicable requirements of the definition of Credit Agreement Refinancing Indebtedness or Refinancing Indebtedness, as applicable (with such additional amounts incurred constituting a utilization of the relevant basket or exception contained in Section 7.02(b) pursuant to which such additional amount is permitted) and (2) if such additional Indebtedness is secured, the Lien securing such Indebtedness satisfies the applicable requirements of Section 7.01). For purposes of determining compliance with the incurrence of any Indebtedness under Designated Revolving Commitments in reliance on compliance with any ratio or Basket, if on the date such Designated Revolving Commitments are established after giving *pro forma* effect to the incurrence of the entire committed amount of then proposed Indebtedness thereunder, then such committed amount under such Designated Revolving Commitments may thereafter be borrowed and reborrowed, in whole or in part, from time to time, without further compliance with any ratio.

(11) For purposes hereof, unless otherwise specifically indicated, the term "consolidated" with respect to any Person refers to such Person consolidated with its Restricted Subsidiaries and excludes from such consolidation any Unrestricted Subsidiary as if such Unrestricted Subsidiary were not an Affiliate of such Person.

(12) For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws), including a statutory division pursuant to Section 18-217 of the Delaware Limited Liability Company Act: (a) if any asset or property of any Person becomes the asset or property of one or more different Persons, then such asset or property shall be deemed to have been disposed of from the original Person to the subsequent Person(s) on the date such division becomes effective, (b) if any obligation or liability of any Person becomes the obligation or liability of one or more different Person(s), then the original Person shall be deemed to have been automatically released from such obligation or liability and such obligation or liability shall be deemed to have been assumed by the subsequent Person(s), in each case, on the date such division becomes effective and (c) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Equity Interests on the date such division becomes effective.

Section 1.03 Accounting Terms. All accounting terms not specifically or completely defined herein shall be construed in conformity with, and all financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Agreement shall be prepared in conformity with, GAAP, except as otherwise specifically prescribed herein. Unless the context indicates otherwise, any reference to a "fiscal year" or a "fiscal quarter" shall refer to a "retail" fiscal year ending on or about January 31 or a "retail" fiscal quarter ending on or about April 30, July 31 or October 31.

Section 1.04 Rounding. Any financial ratios required to be satisfied in order for a specific action to be permitted under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

Section 1.05 References to Agreements, Laws, etc. Unless otherwise expressly provided herein, (1) references to Organizational Documents, agreements (including the Loan Documents) and other contractual instruments shall be deemed to include all subsequent amendments, restatements, extensions, supplements and other modifications thereto, but only to the extent that such amendments, restatements, extensions, supplements and other modifications are permitted by any Loan Document; and (2) references to any Law shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such Law.

Section 1.06 Times of Day and Timing of Payment and Performance. Unless otherwise specified, all references herein to times of day shall be references to New York time (daylight or standard, as applicable). When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day, the date of such payment (other than as described in the definition of "Interest Period") or performance shall extend to the immediately succeeding Business Day.

Section 1.07 Pro Forma and Other Calculations.

(1) Notwithstanding anything to the contrary herein, financial ratios and tests, including the Interest Coverage Ratio, First Lien Net Leverage Ratio, Senior Secured Leverage Ratio and the Total Net Leverage Ratio shall be calculated in the manner prescribed by this Section 1.07. In addition, whenever a financial ratio or test is to be calculated on a *pro forma* basis, the reference to "Test Period" for purposes of calculating such financial ratio or test shall be deemed to be a reference to, and shall be based on, either (1) the most recently ended Test Period for which financial statements of the Borrower were delivered (or were required to be delivered) pursuant to Section 6.01(1) or (2), as applicable, or (2) the most recently ended Test Period for which internal financial statements of the Borrower are available and have been delivered to the Administrative Agent.

(2) For purposes of calculating any financial ratio or test (or Total Assets), Specified Transactions (and, subject to clause (4) below, the incurrence or repayment of any Indebtedness in connection therewith) that have been made (a) during the applicable Test Period or (b) subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a *pro forma* basis assuming that all such Specified Transactions (and any increase or decrease in Adjusted EBITDA and the component financial definitions and/or reductions in interest expense, in each case, used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Test Period (or, in the case of Total Assets, on the last day of the applicable Test Period). If since the beginning of any applicable Test Period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Borrower or any Restricted Subsidiary since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.07, then such financial ratio or test (or Total Assets) shall be calculated to give *pro forma* effect thereto in accordance with this Section 1.07 as if such Specified Transaction had occurred at the beginning of the most recently ended Test Period.

(3) Whenever *pro forma* effect is to be given to a Specified Transaction, the *pro forma* calculations shall be made in good faith by a Financial Officer of the Borrower and may include, for the avoidance of doubt, the amount of "run-rate" cost savings, synergies and operating expense reductions resulting from or related to any such Specified Transaction (including the Transactions) which is being given *pro forma* effect that have been realized or are expected to be realized and for which the actions necessary to realize such cost savings, operating expense reductions and synergies are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken no later than eight fiscal quarters after the date of any such Specified Transaction (calculated on a *pro forma* basis as though such cost savings, operating expense reductions and synergies had been realized on the first day of such period and as if such cost savings, operating expense reductions and synergies were realized during the entirety of such period and "run-rate" means the full recurring benefit for a period that is associated with any action taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken (including any savings expected to result from the elimination of a public target's compliance costs with public company requirements) net of the amount of actual benefits realized during such period from such actions, and any such adjustments shall be included in the initial *pro forma* calculations of such financial ratios or tests and during any subsequent Test Period in which the effects thereof are expected to be realized) relating to such Specified Transaction; *provided* that (a) such amounts are (i) reasonably identifiable and projected in the good faith judgment of the Borrower to result from such actions and (ii) such actions are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken no later than eight fiscal quarters after the date of such Specified Transaction, and (b) no amounts shall be added to the extent duplicative of any amounts that are otherwise added back in computing Adjusted EBITDA (or any other components thereof), whether through a *pro forma* adjustment or otherwise, with respect to such period; *provided*, *further*, that the aggregate amount of adjustments to Adjusted EBITDA included pursuant to this Section 1.07(3), taken together with the aggregate amount of adjustments included pursuant to clause (1)(l), (1)(n), (1)(o), (1)(p)(y), (1)(q) and (1)(r) of the definition of Adjusted EBITDA, shall not exceed 25% of Adjusted EBITDA (calculated after giving effect to the adjustments set forth in Adjusted EBITDA).

(4) In the event that (a) the Borrower or any Restricted Subsidiary incurs (including by assumption or guarantees), issues or repays (including by redemption, repurchase, repayment, retirement or extinguishment) any Indebtedness (other than Indebtedness incurred or repaid under any revolving credit facility or line of credit unless such Indebtedness has been permanently repaid and not replaced), (b) the Borrower or any Restricted Subsidiary issues, repurchases or redeems Disqualified Stock, (c) any Restricted Subsidiary issues, repurchases or redeems Preferred Stock or (d) the Borrower or any Restricted Subsidiary establishes or eliminates any Designated Revolving Commitments, in each case included in the calculations of any financial ratio or test, (i) during the applicable Test Period or (ii) subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then such financial ratio or test shall be calculated giving *pro forma* effect to such incurrence, issuance, repayment or redemption of Indebtedness, issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, or establishment or elimination of any Designated Revolving Commitments, in each case to the extent required, as if the same had occurred on the last day of the applicable Test Period (except in the case of the Interest Coverage Ratio, First Lien Net Leverage Ratio, Senior Secured Leverage Ratio or Total Net Leverage Ratio (or similar ratio), in which case such incurrence, issuance, repayment or redemption of Indebtedness, issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, or establishment or elimination of any Designated Revolving Commitments, in each case will be given effect, as if the same had occurred on the first day of the applicable Test Period) and, in the case of Indebtedness for all purposes as if such Indebtedness in the full amount of any undrawn Designated Revolving Commitments had been incurred thereunder throughout such period in each case to the extent required, as if the same had occurred on the last day of the applicable Test Period.

(5) If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of the event for which the calculation of the Interest Coverage Ratio, First Lien Net Leverage Ratio, Senior Secured Leverage Ratio and/or Total Net Leverage Ratio, is made had been the applicable rate for the entire period (taking into account any interest hedging arrangements applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a Financial Officer of the Borrower to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Borrower or applicable Restricted Subsidiary may designate.

(6) Notwithstanding anything to the contrary in this Section 1.07 or in any classification under GAAP of any Person, business, assets or operations in respect of which a definitive agreement for the disposition thereof has been entered into, unless otherwise elected by the Borrower no *pro forma* effect shall be given to any discontinued operations (and the Adjusted EBITDA attributable to any such Person, business, assets or operations shall not be excluded for any purposes hereunder) until such disposition shall have been consummated.

(7) Any determination of Total Assets shall be made by reference to either (1) the most recently ended Test Period for which financial statements of the Borrower were delivered (or were required to be delivered) pursuant to Section 6.01(1) or (2), as applicable, or (2) the most recently ended Test Period for which internal financial statements of the Borrower are available and have been delivered to the Administrative Agent

(8) Notwithstanding anything in this Agreement or any Loan Document to the contrary, when (a) calculating any applicable ratio, Consolidated Net Income or Adjusted EBITDA in connection with incurrence of Indebtedness, the creation of Liens, the making of any Asset Sale, the making of an Investment, the making of a Restricted Payment, the designation of a Subsidiary as restricted or unrestricted or the repayment of Indebtedness or otherwise testing availability under any Basket, (b) determining compliance with any provision of this Agreement which requires that no Default or Event of Default has occurred, is continuing or would result therefrom, (c) determining compliance with any provision of this Agreement which requires compliance with any representations and warranties set forth herein or (d) the satisfaction of all other conditions precedent to the incurrence of Indebtedness, the creation of Liens, the making of any disposition, the making of an Investment, the making of a Restricted Payment, the designation of a Subsidiary as restricted or unrestricted or the repayment of Indebtedness, in each case in connection with a Limited Condition Transaction, the date of determination of such ratio or other provisions, determination of whether any Default or Event of Default has occurred, is continuing or would result therefrom, determination of compliance with any representations or warranties or the satisfaction of any other conditions shall, at the option of the Borrower (Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "**LCT Election**"), be deemed to be the date the definitive agreements for such Limited Condition Transaction are entered into (the "**LCT Test Date**"). If on a *pro forma* basis after giving effect to such Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) such ratios and other provisions are calculated as if such Limited Condition Transaction or other transactions had occurred at the beginning of the most recent Test Period ending prior to the LCT Test Date for which financial statements of the Borrower were delivered (or were required to be delivered) pursuant to Section 6.01(1) or (2), as applicable, the Borrower could have taken such action on the relevant LCT Test Date in compliance with the applicable ratios or other provisions, such provisions shall be deemed to have been complied with unless an Event of Default under Section 8.01(1) or 8.01(6) (solely with respect to Holdings and the Borrower) shall be continuing at the time of the consummation of such Limited Condition Transaction. For the avoidance of doubt, (i) if any of such ratios or other provisions are exceeded or breached as a result of fluctuations in such ratio (including due to fluctuations in Adjusted EBITDA or other components of such ratio) or other provisions at or prior to the consummation of the relevant Limited Condition Transaction, such ratios and other provisions will not be deemed to have been exceeded as a result of such fluctuations solely for purposes of determining whether the Limited Condition Transaction is permitted hereunder and (ii) such ratios and compliance with such conditions shall not be tested at the time of consummation of such Limited Condition Transaction or related Specified Transactions, unless on such date an Event of Default pursuant to Section 8.01(1) or 8.01(6) shall be continuing. If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio or Basket availability with respect to any other Specified Transaction on or following the relevant LCT Test Date and prior to the earlier of (i) the date on which such Limited Condition Transaction is consummated or (ii) the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or Basket shall be calculated on a *pro forma basis* assuming such Limited Condition Transaction and other

transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) had been consummated on the LCT Test Date except that (other than solely with respect to the incurrence test under which such Limited Condition Transaction is being made) Adjusted EBITDA, assets and Consolidated Net Income of any target of such Limited Condition Transaction can only be used in the determination of the relevant ratios and Baskets if and when such acquisition has closed. Notwithstanding anything in this Agreement or any Loan Document to the contrary, if the Borrower or its Restricted Subsidiaries (x) incurs Indebtedness, creates Liens, makes Asset Sales, makes Investments, makes Restricted Payments, designates any Subsidiary as restricted or unrestricted or repays any Indebtedness in connection with any Limited Condition Transaction under a ratio-based Basket and (y) incurs Indebtedness, creates Liens, makes Asset Sales, Investments or Restricted Payments, designates any Subsidiary as restricted or unrestricted or repays any Indebtedness in connection with such Limited Condition Transaction under a non-ratio-based Basket (which shall occur within five Business Days of the events in clause (x) above), then the applicable ratio will be calculated with respect to any such action under the applicable ratio-based Basket without regard to any such action under such non-ratio-based Basket made in connection with such Limited Condition Transaction.

(9) Notwithstanding anything to the contrary herein, with respect to any amounts incurred (including the incurrence of any Fixed Incremental Amount Indebtedness) or transactions entered into (or consummated) in reliance on a provision of this Agreement that does not require compliance with a financial ratio or test (including, without limitation, pro forma compliance with any Interest Coverage Ratio test, any First Lien Net Leverage Ratio test, any Total Net Leverage Ratio test, Senior Secured Leverage Ratio test, and/or any other financial ratio or test) (any such amounts, the "***Fixed Amounts***") substantially concurrently with any amounts incurred (including the incurrence of any Ratio Amount Indebtedness) or transactions entered into (or consummated) in reliance on a provision of this Agreement that requires compliance with any such financial ratio or test (any such amounts, the "***Incurrence Based Amounts***"), it is understood and agreed that the (i) Fixed Amounts (and any cash proceeds thereof) and (ii) any Indebtedness resulting from borrowings under the ABL Facility which occur concurrently with the incurrence of the Incurrence Based Amounts shall, in each case, be disregarded in the calculation of the financial ratio or test applicable to the Incurrence Based Amounts in connection with such substantially concurrent incurrence.

Section 1.08 Available Amount Transaction. If more than one action occurs on any given date the permissibility of the taking of which is determined hereunder by reference to the Available Amount immediately prior to the taking of such action, the permissibility of the taking of each such action shall be determined independently and in no event may any two or more such actions be treated as occurring simultaneously, i.e., each transaction must constitute a permitted use of the Available Amount.

Section 1.09 Guaranties of Hedging Obligations. Notwithstanding anything else to the contrary in any Loan Document, no non-Qualified ECP Guarantor shall be required to guarantee or provide security for Excluded Swap Obligations, and any reference in any Loan Document with respect to such non-Qualified ECP Guarantor guaranteeing or providing security for the Obligations shall be deemed to be all Obligations other than the Excluded Swap Obligations.

Section 1.10 Currency Generally.

(1) The Borrower shall determine in good faith the dollar amount of any utilization or other measurement denominated in a currency other than Dollars for purposes of compliance with any Basket. For purposes of determining compliance with any Basket under Article VII or VIII with respect to any amount expressed in a currency other than Dollars, no Default shall be deemed to have occurred solely as a result of changes in rates of currency exchange occurring after the time such Basket utilization occurs or other Basket measurement is made (so long as such Basket utilization or other measurement, at the time incurred, made or acquired, was permitted hereunder). Except with respect to any ratio calculated under any Basket, any subsequent change in rates of currency exchange with respect to any prior utilization or other measurement of a Basket previously made in reliance on such Basket (as the same may have been reallocated in accordance with this Agreement) shall be disregarded for purposes of determining any unutilized portion under such Basket.

(2) For purposes of determining the Interest Coverage Ratio, First Lien Net Leverage Ratio, Senior Secured Leverage Ratio and/or the Total Net Leverage Ratio the amount of Indebtedness and cash and Cash Equivalents shall reflect the currency translation effects, determined in accordance with GAAP, of Hedging Obligations permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar equivalent of such Indebtedness.

(3) For purposes of determining compliance under any Basket under Article VII or VIII, any amount in a currency other than Dollars will be converted to Dollars in a manner consistent with that used in calculating net income in the Borrower's annual financial statements delivered pursuant to Section 6.01(1); *provided*, *however*, that the foregoing shall not be deemed to apply to the determination of any amount of Indebtedness. For purposes of determining compliance with any restriction on the incurrence of Indebtedness, the Dollar equivalent of the principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; *provided* that if such Indebtedness is incurred to extend, replace, refund, refinance, renew or defease other Indebtedness denominated in a foreign currency, and such extension, replacement, refunding, refinancing, renewal or defeasance would cause the applicable restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance, such restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased.

Section 1.11 Interest Rates. The Administrative Agent does not warrant, nor accept responsibility, nor shall the Administrative Agent have any liability with respect to the administration, submission or any other matter related to the rates in the definition of "Eurodollar Rate" or with respect to any rate that is an alternative or replacement for or successor to any of such rate (including, without limitation, any Benchmark Replacement) or the effect of any of the foregoing, or of any Benchmark Replacement Conforming Changes.

ARTICLE II

THE COMMITMENTS AND BORROWINGS

Section 2.01 The Loans. Subject to the terms and conditions set forth in Section 4.01 hereof, each Term Lender severally agrees to make to the Borrower on the Closing Date one or more Closing Date Term Loans denominated in Dollars in an aggregate principal amount not to exceed such Term Lender's Closing Date Term Commitment on the Closing Date. Amounts borrowed under this Section 2.01 and repaid or prepaid may not be reborrowed. The Closing Date Term Loans may be Base Rate Loans or Eurodollar Rate Loans, as further provided herein.

Section 2.02 Borrowings, Conversions and Continuations of Loans.

(1) Each Term Borrowing, each conversion of Term Loans from one Type to the other, and each continuation of Eurodollar Rate Loans shall be made upon the Borrower's irrevocable notice to the Administrative Agent which may be given by telephone; provided that any telephonic notice must be confirmed immediately by delivery to the Administrative Agent of a Committed Loan Notice (*provided* that the notice in respect of the initial Term Borrowing on the Closing Date, or in connection with any Permitted Acquisition or other transaction permitted under this Agreement, may be conditioned on the closing of the Acquisition or such Permitted Acquisition or other transaction, as applicable). Each such notice must be received by the Administrative Agent not later than (a) 1:00 p.m., New York time, three (3) Business Days prior to the requested date of any Borrowing or continuation of Eurodollar Rate Loans or any conversion of Base Rate Loans to Eurodollar Rate Loans and (b) 11:00 a.m., New York time, on the requested date of any Borrowing of Base Rate Loans; *provided* that the notice referred to in subclause (a) above may be delivered one (1) Business Day prior to the Closing Date in the case of the Closing Date Term Loans. Each such notice by the Borrower pursuant to this Section 2.02(1) must be made by delivery to the Administrative Agent of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Except as provided in Sections 2.14, 2.15 and 2.16, each Borrowing of, conversion to or continuation of Eurodollar Rate Loans shall be in a principal amount of $5.0 million or a whole multiple of $1.0 million in excess thereof. Except as provided in Sections 2.14, 2.15 and 2.16, each Borrowing of or conversion to Base Rate Loans shall be in a principal amount of $1.0 million or a whole multiple of $500,000 in excess thereof. Each Committed Loan Notice shall specify:

(i) whether the Borrower is requesting a Term Borrowing, a conversion of Term Loans from one Type to the other or a continuation of Eurodollar Rate Loans,

(ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day),

(iii) the principal amount of Loans to be borrowed, converted or continued,

(iv) [reserved],

(v) the Class and Type of Loans to be borrowed or to which existing Term Loans are to be converted,

(vi) if applicable, the duration of the Interest Period with respect thereto and

(vii) wire instructions of the account(s) to which funds are to be disbursed.

If the Borrower fails to specify a Type of Loan to be made in a Committed Loan Notice, then the applicable Loans shall be made as Eurodollar Rate Loans with an Interest Period of one (1) month. If the Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be made or continued as the same Type of Loan, which if a Eurodollar Rate Loan, shall have a one-month Interest Period. Any such automatic continuation of Eurodollar Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurodollar Rate Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of Eurodollar Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month.

(2) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Pro Rata Share or other applicable share provided for under this Agreement of the applicable Class of Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Lender of the details of any automatic continuation of Eurodollar Rate Loans or continuation of Loans described in Section 2.02(1). In the case of each Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office not later than, in the case of Borrowing on the Closing Date, 10:00 a.m., New York time, and otherwise 1:00 p.m., New York time, on the Business Day specified in the applicable Committed Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.01 for the Borrowing on the Closing Date, the Administrative Agent shall make all funds so received available to the applicable Borrower in like funds as received by the Administrative Agent either by (a) crediting the account(s) of the applicable Borrower on the books of the Administrative Agent with the amount of such funds or (b) wire transfer of such funds, in each case in accordance with instructions provided by the Borrower to (and reasonably acceptable to) the Administrative Agent.

(3) Except as otherwise provided herein, a Eurodollar Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurodollar Rate Loan, unless the Borrower pays the amount due, if any, under Section 3.05 in connection therewith. Upon the occurrence and during the continuation of an Event of Default, the Administrative Agent at the direction of the Required Lenders under the applicable Facility may require by notice to the Borrower that no Loans under such Facility may be converted to or continued as Eurodollar Rate Loans.

(4) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurodollar Rate Loans upon determination of such interest rate. The determination of the Eurodollar Rate by the Administrative Agent shall be conclusive in the absence of manifest error. At any time when Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the Prime Rate used in determining the Base Rate promptly following the public announcement of such change.

(5) After giving effect to all Term Borrowings, all conversions of Term Loans from one Type to the other, and all continuations of Term Loans as the same Type, there shall not be more than 5 Interest Periods in effect unless otherwise agreed between the Borrower and the Administrative Agent.

(6) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

(7) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing, or, in the case of any Borrowing of Base Rate Loans, prior to 1:00 p.m., New York time, on the date of such Borrowing, that such Lender will not make available to the Administrative Agent such Lender's Pro Rata Share of such Borrowing, the Administrative Agent may assume that such Lender has made such Pro Rata Share available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (2) above, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the Borrower severally agrees to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (a) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (b) in the case of such Lender, the Overnight Rate *plus* any administrative, processing or similar fees customarily charged by the Administrative Agent in accordance with the foregoing. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 2.02(7) shall be conclusive in the absence of manifest error. If the Borrower and such Lender shall both pay all or any portion of the principal amount in respect of such Borrowing or interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such Borrowing or interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

Section 2.03 [Reserved].

Section 2.04 [Reserved].

Section 2.05 Prepayments.

(1) Optional.

(a) The Borrower may, upon notice to the Administrative Agent by the Borrower, at any time or from time to time voluntarily prepay any Class or Classes of Term Loans in whole or in part without premium (except as set forth in Section 2.18) or penalty; *provided* that

(i) such notice of prepayment, which shall be substantially in the form of Exhibit R, must be received by the Administrative Agent not later than 1:00 p.m., New York time, (A) three (3) Business Days prior to any date of prepayment of Eurodollar Rate Loans and (B) on the date of prepayment of Base Rate Loans;

(ii) any partial prepayment of Eurodollar Rate Loans shall be in a principal amount of $2.0 million or a whole multiple of $500,000 in excess thereof or, if less, the entire principal amount thereof then outstanding; and

(iii) any prepayment of Base Rate Loans shall be in a principal amount of $1.0 million or a whole multiple of $100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding.

Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid (and, for the avoidance of doubt, may indicate the prepayments by more than one Borrower on such date in such amounts so specified, which, individually, may be below any minimum or multiple, but which, in the aggregate amount on any given date, shall satisfy such minimum and multiple requirements). The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such prepayment. If such notice is given, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurodollar Rate Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.05. In the case of each prepayment of the Loans pursuant to this Section 2.05(1), the Borrower may in its sole discretion select the Borrowing or Borrowings (and the order of maturity of principal payments) to be repaid, and such payment shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares or other applicable share provided for under this Agreement.

(b) [Reserved].

(c) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of prepayment under Section 2.05(1)(a) if such prepayment is conditional upon the effectiveness of other credit facilities or the receipt of the proceeds from the issuance of other Indebtedness or the occurrence of some other identifiable and specified event or condition, in which case such notice of prepayment may be revoked or extended by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date of such prepayment) if such condition is not satisfied.

(d) Each prepayment in respect of any Term Loans pursuant to this Section 2.05(1) may be applied to any Class of Term Loans as directed by the Borrower. Voluntary prepayments of any Class of Term Loans (including as to any Extended Loan or otherwise) permitted hereunder shall be applied in a manner determined at the discretion of the Borrower and specified in the notice of prepayment (and absent such direction, in direct order of maturity, including any remaining scheduled installments of principal). For the avoidance of doubt, the Borrower may (i) prepay Term Loans of any Term Loan Class pursuant to this Section 2.05 without any requirement to prepay Extended Loans that were converted or exchanged from such Term Loan Class and (ii) prepay Extended Loans pursuant to this Section 2.05 without any requirement to prepay any Term Loans that were converted or exchanged for such Extended Loans. In the event that the Borrower does not specify the order in which to apply prepayments to reduce scheduled installments of principal or as between Classes of Term Loans, the Borrower shall be deemed to have elected that such proceeds be applied to reduce the scheduled installments of principal in direct order of maturity on a *pro rata* basis among Term Loan Classes.

(e) Notwithstanding anything in any Loan Document to the contrary, so long as no Event of Default has occurred and is continuing or shall occur as a result thereof, any Borrower Party may (i) purchase outstanding Term Loans on a non-pro rata basis through open market purchases or (ii) prepay the outstanding Term Loans (which Term Loans shall, for the avoidance of doubt, be automatically and permanently canceled immediately upon such purchase or prepayment), which in the case of clause (ii) only shall be prepaid without premium or penalty on the following basis:

(A) Any Borrower Party shall have the right to make a voluntary prepayment of Loans at a discount to par pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers (any such prepayment, the "**Discounted Term Loan Prepayment**"), in each case made in accordance with this Section 2.05(1)(e) and without premium or penalty.

(B)

(1) any Borrower Party may from time to time offer to make a Discounted Term Loan Prepayment by providing the Auction Agent with five (5) Business Days' notice (or such shorter period as agreed by the Auction Agent) in the form of a Specified Discount Prepayment Notice; *provided* that (I) any such offer shall be made available, at the sole discretion of the applicable Borrower Party, to (x) each Term Lender or (y) each Term Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such offer shall specify the aggregate principal amount offered to be prepaid (the "**Specified Discount Prepayment Amount**") with respect to each applicable Class, the Class or Classes of Term Loans subject to such offer and the specific percentage discount to par (the "**Specified Discount**") of such Term Loans to be prepaid (it being understood that different Specified Discounts or Specified Discount Prepayment Amounts may be offered with respect to different

Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(1)(e)(B)), (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than $5.0 million and whole increments of $1.0 million in excess thereof and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to such Lenders (the "**Specified Discount Prepayment Response Date**").

(2) Each Term Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its applicable then outstanding Term Loans at the Specified Discount and, if so (such accepting Lender, a "**Discount Prepayment Accepting Lender**"), the amount and the Classes of such Lender's Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Term Lender whose Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one Discount Prepayment Accepting Lender, the relevant Borrower Party will make a prepayment of outstanding Term Loans pursuant to this paragraph (B) to each Discount Prepayment Accepting Lender in accordance with the respective outstanding amount and Classes of Term Loans specified in such Lender's Specified Discount Prepayment Response given pursuant to subsection (2) above*; provided* that if the aggregate principal amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro rata among the Discount Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration (the "**Specified Discount Proration**"). The Auction

Agent shall promptly, and in any case within three (3) Business Days following the Specified Discount Prepayment Response Date, notify (I) the relevant Borrower Party of the respective Term Lenders' responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the Classes of Term Loans to be prepaid at the Specified Discount on such date and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, Class and Type of Term Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the applicable Borrower Party and such Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the applicable Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(C)

(1) Subject to the proviso to subsection (A) above, any Borrower Party may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with five (5) Business Days' notice (or such shorter period as agreed by the Auction Agent) in the form of a Discount Range Prepayment Notice; *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Borrower Party, to (x) each Term Lender or (y) each Term Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such notice shall specify the maximum aggregate principal amount of the relevant Term Loans (the "**Discount Range Prepayment Amount**"), the Class or Classes of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the "**Discount Range**") of the principal amount of such Term Loans with respect to each relevant Class of Term Loans willing to be prepaid by such Borrower Party (it being understood that different Discount Ranges or Discount Range Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(1)(e)(C)), (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than $5.0 million and whole increments of $1.0 million in excess thereof and (IV) unless rescinded, each such solicitation by the applicable Borrower Party shall remain outstanding through the Discount Range

Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to such Lenders (the "**Discount Range Prepayment Response Date**"). Each Term Lender's Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the "**Submitted Discount**") at which such Lender is willing to allow prepayment of any or all of its then outstanding Term Loans of the applicable Class or Classes and the maximum aggregate principal amount and Classes of such Lender's Term Loans (the "**Submitted Amount**") such Term Lender is willing to have prepaid at the Submitted Discount. Any Term Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(2) The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this subsection (C). The relevant Borrower Party agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by the Auction Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the "**Applicable Discount**") which yields a Discounted Term Loan Prepayment in an aggregate principal amount equal to the lower of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Term Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following subsection (3)) at the Applicable Discount (each such Term Lender, a "**Participating Lender**").

(3) If there is at least one Participating Lender, the relevant Borrower Party will prepay the respective outstanding Term Loans of each Participating Lender in the aggregate principal amount and of the Classes specified in such Lender's Discount Range Prepayment Offer at the Applicable Discount; *provided* that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the "**Identified Participating Lenders**") shall be made pro rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the "**Discount Range Proration**"). The Auction Agent shall promptly, and in any case within five (5) Business Days following the Discount Range Prepayment Response Date, notify (I) the relevant Borrower Party of the respective Term Lenders' responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Applicable Discount and the aggregate principal amount and Classes of Term Loans to be prepaid at the Applicable Discount on such date, (III) each Participating Lender of the aggregate principal amount and Classes of such Term Lender to be prepaid at the Applicable Discount on such date and (IV) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the relevant Borrower Party and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the applicable Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(D)

(1) Subject to the proviso to subsection (A) above, any Borrower Party may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with five (5) Business Days' notice in the form of a Solicited Discounted Prepayment Notice (or such later notice specified therein); *provided* that (I) any such solicitation shall be extended, at the sole discretion

of such Borrower Party, to (x) each Term Lender or (y) each Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such notice shall specify the maximum aggregate amount of the Term Loans (the "**Solicited Discounted Prepayment Amount**") and the Class or Classes of Term Loans the applicable Borrower Party is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(1)(e)(D)), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than $5.0 million and whole increments of $1.0 million in excess thereof and (IV) unless rescinded, each such solicitation by the applicable Borrower Party shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to such Term Lenders (the "**Solicited Discounted Prepayment Response Date**"). Each Term Lender's Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date and (z) specify both a discount to par (the "**Offered Discount**") at which such Term Lender is willing to allow prepayment of its then outstanding Term Loan and the maximum aggregate principal amount and Classes of such Term Loans (the "**Offered Amount**") such Term Lender is willing to have prepaid at the Offered Discount. Any Term Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount.

(2) The Auction Agent shall promptly provide the relevant Borrower Party with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. Such Borrower Party shall review all such Solicited Discounted Prepayment Offers and select the largest of the Offered Discounts specified by the relevant responding Term Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the applicable Borrower Party (the "**Acceptable Discount**"), if any. If the applicable Borrower Party elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of

receipt by such Borrower Party from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this subsection (2) (the "**Acceptance Date**"), the applicable Borrower Party shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from the applicable Borrower Party by the Acceptance Date, such Borrower Party shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by the Auction Agent by the Solicited Discounted Prepayment Response Date, within three (3) Business Days after receipt of an Acceptance and Prepayment Notice (the "**Discounted Prepayment Determination Date**"), the Auction Agent will determine (in consultation with the consent of such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the Classes of Term Loans (the "**Acceptable Prepayment Amount**") to be prepaid by the relevant Borrower Party at the Acceptable Discount in accordance with this Section 2.05(1)(e)(D). If the applicable Borrower Party elects to accept any Acceptable Discount, then such Borrower Party agrees to accept all Solicited Discounted Prepayment Offers received by the Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Term Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Lender, a "**Qualifying Lender**"). The applicable Borrower Party will prepay outstanding Term Loans pursuant to this subsection (D) to each Qualifying Lender in the aggregate principal amount and of the Classes specified in such Lender's Solicited Discounted Prepayment Offer at the Acceptable Discount; *provided* that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the "**Identified Qualifying Lenders**") shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in

consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the "**Solicited Discount Proration**"). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify (I) the relevant Borrower Party of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the Classes to be prepaid to be prepaid at the Applicable Discount on such date, (III) each Qualifying Lender of the aggregate principal amount and the Classes of such Term Lender to be prepaid at the Acceptable Discount on such date, and (IV) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to such Borrower Party and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to such Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(E) In connection with any Discounted Term Loan Prepayment, the Borrower Parties and the Term Lenders acknowledge and agree that the Auction Agent may require, as a condition to the applicable Discounted Term Loan Prepayment, the payment of customary fees and expenses from a Borrower Party to such Auction Agent for its own account in connection therewith.

(F) If any Term Loan is prepaid in accordance with subsections (B) through (D) above, a Borrower Party shall prepay such Term Loans on the Discounted Prepayment Effective Date. The relevant Borrower Party shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent's Office in immediately available funds not later than 1:00 p.m., New York time, on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the relevant Class(es) and Lenders as specified by the applicable Borrower Party in the applicable offer. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 2.05(1)(e) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, and shall be applied to the relevant Loans

of such Lenders in accordance with their respective applicable share as calculated by the Auction Agent in accordance with this Section 2.05(1)(e). The aggregate principal amount of the Classes and installments of the relevant Term Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the Classes of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment. In connection with each prepayment pursuant to this Section 2.05(1)(e), the relevant Borrower Party shall make a representation to the assigning or assignee Term Lenders, as applicable, that it does not possess material non-public information with respect to the Borrower and its Subsidiaries or the securities of any of them that has not been disclosed to the Term Lenders generally (other than Term Lenders that have elected not to receive such information) or shall make a statement that such representation cannot be made.

(G) To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.05(1)(e), established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by the applicable Borrower Party.

(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.05(1)(e), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; *provided* that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next succeeding Business Day.

(I) Each of the Borrower Parties and the Term Lenders acknowledge and agree that the Auction Agent may perform any and all of its duties under this Section 2.05(1)(e) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 2.05(1)(e) as well as activities of the Auction Agent.

(J) Each Borrower Party shall have the right, by written notice to the Auction Agent, to revoke in full (but not in part) its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any

time on or prior to the applicable Specified Discount Prepayment Response Date, Discount Range Prepayment Response Date or Solicited Discounted Prepayment Response Date (and if such offer is revoked pursuant to the preceding clauses, any failure by such Borrower Party to make any prepayment to a Lender, as applicable, pursuant to this Section 2.05(1)(e) shall not constitute a Default or Event of Default under Section 8.01 or otherwise).

(K) The Administrative Agent (i) shall not be required to serve as the Auction Agent or have any other obligations to participate in (other than mechanical administrative duties), or facilitate any Discounted Term Loan Prepayment unless it is reasonably satisfied with the terms and restrictions thereof and (ii) shall not have any obligation to participate in, arrange, sell or otherwise facilitate, and will have no liability in connection with, any open market repurchases by Holdings, the Borrower or any of its Restricted Subsidiaries.

(2) Mandatory.

(a) Within five (5) Business Days after the Compliance Certificate has been delivered pursuant to Section 6.02(1), commencing with delivery of financial statements for the fiscal year ended on or about January 31, 2023 and for each fiscal year thereafter, the Borrower shall, subject to clause (g) of this Section 2.05(2), prepay, or cause to be prepaid, an aggregate principal amount of Term Loans equal to 50% (such percentage as it may be reduced as described below, the "**ECF Percentage**") of Excess Cash Flow for the fiscal year covered by such financial statements (if Excess Cash Flow for such fiscal year is not less than $10.0 million) (such payment, the "**ECF Payment**") *minus*:

(i) the sum of all voluntary prepayments of Term Loans made pursuant to Sections 2.05(1)(a) and 2.05(1)(e) (in an amount, in the case of prepayments pursuant to Section 2.05(1)(e), equal to the face amount of debt prepaid in respect of the principal amount of such Term Loans and only to the extent that such Loans have been cancelled) (including prepayments made after the end of the fiscal year covered by the relevant financial statements but prior to the making of such ECF Payment (such payments, the "**After Year-End Payment**")) (*provided* that, (x) for the avoidance of doubt, any such voluntary prepayments that have not been applied to reduce the payments which may be due from time to time pursuant to this Section 2.05(2)(a) shall be carried over to subsequent periods and may reduce the ECF Payment during such subsequent periods until such time as such voluntary prepayments reduce such payments which may be due from time to time, which such amount to be applied as set forth in Section 2.05(2)(g) below) and (y) in the event that in any fiscal period the applicable prepayment required pursuant to this Section 2.05(2)(a) is less than zero (such negative amount being, "**Negative Excess Cash Flow Amount**") (such Negative Excess Cash Flow Amount shall be applied to reduce the required excess cash flow prepayment required pursuant to this Section 2.05(2)(a) for the subsequent fiscal year),

(ii) the sum of all voluntary prepayments of Credit Agreement Refinancing Indebtedness, Permitted Incremental Equivalent Debt, Permitted Ratio Debt or Acquisition Debt, in each case to the extent secured in whole or in part on a *pari passu* basis with the Closing Date Term Loans (including, to the extent prepaid pursuant to an After Year-End Payment) (*provided* that, for the avoidance of doubt, any such voluntary prepayments that have not been applied to reduce the payments which may be due from time to time pursuant to this Section 2.05(2)(a) shall be carried over to subsequent periods and may reduce the ECF Payment during such subsequent periods until such time as such voluntary prepayments reduce such payments which may be due from time to time, which such amount to be applied as set forth in Section 2.05(2)(g) below),

(iii) [reserved]

(iv) the sum of all voluntary prepayments of Indebtedness in respect of the ABL Facility (including any Refinancing Indebtedness in respect thereof) or any Indebtedness under any other revolving facility that is secured, in whole or in part, on a *pari passu* basis with ABL Facility or the Closing Date Term Loans (in each case of this clause (iv), to the extent accompanied by a permanent reduction in the corresponding ABL Commitments or other revolving commitments) (in each case, including to the extent prepaid pursuant to an After Year-End Payment), in the case of each of the immediately preceding clauses (i), (ii) and (iii) and the succeeding clause (v), made during such fiscal year (without duplication of any prepayments in such fiscal year that reduced the amount of Excess Cash Flow required to be repaid pursuant to this Section 2.05(2)(a) for any prior fiscal year) or in connection with an After Year-End Payment, and in each case to the extent such prepayments are not funded with the proceeds of Funded Debt (other than borrowings under the ABL Facility or other revolving loans) or any Specified Equity Contributions (*provided* that, for the avoidance of doubt, any such voluntary prepayments that have not been applied to reduce the payments which may be due from time to time pursuant to this Section 2.05(2)(a) shall be carried over to subsequent periods and may reduce the ECF Payment during such subsequent periods until such time as such voluntary prepayments reduce such payments which may be due from time to time, which such amount to be applied as set forth in Section 2.05(2)(g) below);

provided that the ECF Percentage for any fiscal year shall be (x) 25% if the First Lien Net Leverage Ratio as of the end of such fiscal year was less than or equal to 1.75 to 1.00 and greater than 1.50 to 1.00 and (y) 0% if the First Lien Net Leverage Ratio as of the end of such fiscal year was less than or equal to 1.50 to 1.00 (and it being understood that following the making of any After Year-End Payment, (i) the First Lien Net Leverage Ratio shall be recalculated giving *pro forma effect* to such After Year-End Payment as if such payment were made during the fiscal year of the applicable ECF Payment and the ECF Percentage for purposes of making such ECF Payment shall be determined by reference to the First Lien Net Leverage Ratio after giving effect to such recalculation and (ii) if such After Year-End Payment is taken into account for such calculation, the After Year-End Payment shall not be applied to the calculation of the First Lien Net Leverage Ratio for purposes of determining the ECF Percentage for any subsequent ECF Payment);

provided further that:

(A) if at the time that any such prepayment would be required, the Borrower (or any Restricted Subsidiary) is required to discharge Other Applicable Indebtedness with Other Applicable ECF pursuant to the terms of the documentation governing such Indebtedness, then the Borrower (or any Restricted Subsidiary) may apply such Excess Cash Flow on a *pro rata* basis (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Indebtedness requiring such discharge at such time);

(B) the portion of such Excess Cash Flow allocated to the Other Applicable Indebtedness shall not exceed the amount of such Other Applicable ECF required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such Excess Cash Flow shall be allocated to the Term Loans in accordance with the terms hereof, to the prepayment of the Term Loans and to the repurchase or prepayment of Other Applicable Indebtedness, and the amount of prepayment of the Term Loans that would have otherwise been required pursuant to this Section 2.05(2)(a) shall be reduced accordingly; and

(C) to the extent the lenders or holders of Other Applicable Indebtedness decline to have such Indebtedness repurchased or prepaid with such portion of Excess Cash Flow, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Term Loans to the extent required in accordance with the terms of this Section 2.05(2)(a).

(b) (i) If (x) the Borrower or any Restricted Subsidiary makes an Asset Sale or (y) any Casualty Event occurs, which results in the realization or receipt by the Borrower or such Restricted Subsidiary of Net Proceeds (other than ABL Priority Collateral), the Borrower shall prepay, or cause to be prepaid, on or prior to the date which is ten (10) Business Days after the date of the realization or receipt by the Borrower or such Restricted Subsidiary of such Net Proceeds, subject to clause (ii) of this Section 2.05(2)(b) and clauses (2)(g) and (g) of this Section 2.05, an aggregate principal amount of Term Loans equal to 100% of all Net Proceeds realized or received; *provided* that no prepayment shall be required pursuant to this Section 2.05(2)(b)(i) with respect to such portion of such Net Proceeds that the Borrower shall have, on or prior to such date, given written notice (which may be by email) to the Administrative Agent of its intent to reinvest in accordance with Section 2.05(2)(b)(ii); *provided further* that

(A) if at the time that any such prepayment would be required, the Borrower (or any Restricted Subsidiary) is required to discharge any Other Applicable Indebtedness with Other Applicable Net Proceeds pursuant to the terms of the documentation governing such Indebtedness, then the Borrower (or any Restricted Subsidiary) may apply such Net Proceeds on a *pro rata* basis (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Indebtedness requiring such discharge at such time);

(B) the portion of such Net Proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of such Other Applicable Net Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such Net Proceeds shall be allocated to the Term Loans in accordance with the terms hereof, to the prepayment of the Term Loans and to the repurchase or prepayment of Other Applicable Indebtedness, and the amount of prepayment of the Term Loans that would have otherwise been required pursuant to this Section 2.05(2)(b)(i) shall be reduced accordingly; and

(C) to the extent the holders of Other Applicable Indebtedness decline to have such Indebtedness repurchased or prepaid with such portion of such Net Proceeds, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Term Loans in accordance with the terms hereof; *provided further* that no prepayment shall be required pursuant to this Section 2.05(2)(b)(i) with respect to such portion of such Net Proceeds that the Borrower shall have, on or prior to such date, given written notice to the Administrative Agent of its intent to reinvest (or entered into a binding commitment to reinvest) in accordance with Section 2.05(2)(b)(ii).

(ii) With respect to any Net Proceeds realized or received with respect to any Asset Sale or any Casualty Event, the Borrower or any Restricted Subsidiary, at its option, may reinvest all or any portion of such Net Proceeds in the business of the Borrower and its Restricted Subsidiaries (including, Permitted Acquisitions (and similar Investments) and capital expenditures that have already occurred within such period) within (x) twelve (12) months following receipt of such Net Proceeds or (y) if the Borrower or any Restricted Subsidiary enters into a legally binding commitment to reinvest such Net Proceeds within twelve (12) months following receipt thereof, within the later of (A) twelve (12) months following receipt thereof and (B) one hundred eighty (180) days of the date of such legally binding commitment; *provided* that if any Net Proceeds are no longer intended to be or cannot be so reinvested at any time after delivery of a notice of reinvestment election, and subject to clauses (g) and (h) of this Section 2.05(2), an amount equal to any such Net Proceeds shall be applied within five (5) Business Days after the Borrower reasonably determines that such Net Proceeds are no longer intended to be or cannot be so reinvested to the prepayment of the Term Loans as set forth in this Section 2.05.

(c) [Reserved].

(d) If the Borrower or any Restricted Subsidiary incurs or issues any Indebtedness (A) not expressly permitted to be incurred or issued pursuant to Section 7.02(b) or (B) that constitutes Credit Agreement Refinancing Indebtedness or Refinancing Loans, the Borrower shall prepay, or cause to be prepaid, an aggregate principal amount of Term Loans of any Class or Classes (in each case, as directed by the Borrower) equal to 100% of all Net Proceeds received therefrom on or prior to the date which is five (5) Business Days after the receipt by the Borrower or such Restricted Subsidiary of such Net Proceeds.

(e) Except as otherwise set forth in any Refinancing Amendment, Extension Amendment or Incremental Amendment,

(i) each prepayment of Term Loans required by Sections 2.05(2)(a) through (b) shall be applied to each Class of Term Loans then outstanding on a *pro rata* basis or a less than *pro rata* basis (but not greater than *pro rata* basis) with any other Term Loans (in each case, other than pursuant to a refinancing);

(ii) with respect to each Class of Loans, each prepayment pursuant to clauses (a) through (b) of Section 2.05(2) shall be applied as the Borrower may direct and otherwise to remaining scheduled installments of principal thereof following the date of prepayment in direct order of maturity;

(iii) each prepayment of Term Loans required by Section 2.05(2)(d), (a) to the extent constituting Credit Agreement Refinancing Indebtedness shall be applied in the manner directed by the Borrower to the applicable Class of Loans being refinanced and (b) to the extent constituting Indebtedness not expressly permitted to be incurred or issued pursuant to Section 7.02(b) shall be applied in the manner directed by the Borrower; and

(iv) each such prepayment shall be paid to the Lenders in accordance with their respective Pro Rata Shares of such prepayment;

provided that with respect to the allocation of such prepayments under this clause (e) between a Class of existing Loans and a Class of Extended Loans, the Borrower may allocate such prepayments as the Borrower may specify, subject to the limitation that the Borrower may not allocate to such Extended Loans any such mandatory prepayment (other than in the case of a refinancing of Extended Loans) unless such prepayment under this clause (e) is accompanied by at least a *pro rata* prepayment, based upon the applicable remaining scheduled installments of principal due in respect thereof, of the Term Loans of the same Class, if any, from which such Extended Loans were converted or exchanged (or such Term Loans of the existing Loan Class have otherwise been repaid in full).

(f) [Reserved].

(g) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to clauses (a) through (d) of this Section 2.05(2) at least three (3) Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a

reasonably detailed calculation of the aggregate amount of such prepayment to be made by the Borrower. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the Borrower's prepayment notice and of such Appropriate Lender's Pro Rata Share of the prepayment or other applicable share provided for under this Agreement. Each Term Lender may reject all or a portion of its Pro Rata Share, or other applicable share provided for under this Agreement, of any mandatory prepayment (such declined amounts, the "**Declined Proceeds**") of Term Loans required to be made pursuant to clauses (a) and (b) of this Section 2.05(2) by providing written notice (each, a "**Rejection Notice**") to the Administrative Agent and the Borrower no later than 5:00 p.m., New York time, two (2) Business Days after the date of such Lender's receipt of notice from the Administrative Agent regarding such prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Term Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Any Declined Proceeds remaining shall be retained by the Borrower (or the applicable Restricted Subsidiary) and may be applied by the Borrower or such Restricted Subsidiary in any manner not prohibited by this Agreement.

(h) Notwithstanding any other provisions of this Section 2.05(2), (A) to the extent that any or all of the Net Proceeds of any Asset Sale by a Foreign Subsidiary giving rise to a prepayment event pursuant to Section 2.05(2)(b) (a "**Foreign Asset Sale**"), the Net Proceeds of any Casualty Event from a Foreign Subsidiary (a "**Foreign Casualty Event**"), or all or a portion of Excess Cash Flow are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05(2) but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all commercially reasonable actions available under the applicable local law for a period of one year from the date of the event or calculation giving rise to such repatriation to permit such repatriation), and once such repatriation of any of such affected Net Proceeds or Excess Cash Flow is permitted under the applicable local law such repatriation will be promptly effected and an amount equal to such repatriated Net Proceeds or Excess Cash Flow will be promptly (and in any event not later than two (2) Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 2.05(2) to the extent otherwise provided herein and (B) to the extent that the Borrower has determined in good faith that repatriation of any or all or the Net Proceeds of any Foreign Asset Sale or Foreign Casualty Event or Excess Cash Flow would have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Proceeds or Excess Cash Flow, the Net Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary.

(i) Interest, Funding Losses, etc. All prepayments under this Section 2.05 shall be accompanied by all accrued interest thereon, together with, in the case of any such prepayment of a Eurodollar Rate Loan on a date prior to the last day of an Interest Period therefor, any amounts owing in respect of such Eurodollar Rate Loan pursuant to Section 3.05.

Notwithstanding any of the other provisions of this Section 2.05, so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurodollar Rate Loans is required to be made under this Section 2.05 prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.05 in respect of any such Eurodollar Rate Loan prior to the last day of the Interest Period therefor, the Borrower may, in its discretion, deposit an amount sufficient to make any such prepayment otherwise required to be made thereunder together with accrued interest to the last day of such Interest Period into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05. Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with the relevant provisions of this Section 2.05. Such deposit shall be deemed to be a prepayment of such Loans by the Borrower for all purposes under this Agreement.

Section 2.06 Termination or Reduction of Commitments.

(1) Optional. The Borrower may, upon written notice by the Borrower to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class, in each case without premium or penalty; *provided* that:

(a) any such notice shall be received by the Administrative Agent three (3) Business Days prior to the date of termination or reduction, and

(b) any such partial reduction shall be in an aggregate amount of $5.0 million or any whole multiple of $1.0 million in excess thereof or, if less, the entire amount thereof.

(2) Mandatory. The Closing Date Term Commitment of each Term Lender on the Closing Date shall be automatically and permanently reduced to $0 upon the making of such Lender's Closing Date Term Loans to the Borrower pursuant to Section 2.01(1).

(3) Application of Commitment Reductions. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced by such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the amount by which such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.07).

Section 2.07 Repayment of Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders (a) on the last Business Day of each fiscal quarter, commencing with the last Business Day of the second full fiscal quarter following the Closing Date, an aggregate principal amount equal to 1.25% of the aggregate principal amount of all Closing Date Term Loans outstanding on the Closing Date (which payments shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.05) and (b) on the Maturity Date for the Closing Date Term Loans, the aggregate principal amount of all Closing Date Term Loans outstanding on such date. In connection with any Incremental Term Loans that constitute part of the same Class as the Closing Date Term Loans, the Borrower and the Administrative Agent shall be permitted to adjust the rate of prepayment in respect of such Class such that the Term Lenders holding Closing Date Term Loans comprising part of such Class continue to receive a payment that is not less than the same dollar amount that such Term Lenders would have received absent the incurrence of such Incremental Term Loans.

Section 2.08 Interest.

(1) Subject to the provisions of Section 2.08(2), (a) each Eurodollar Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Adjusted Eurodollar Rate for such Interest Period, respectively, *plus* the Applicable Rate and (b) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable Borrowing date at a rate per annum equal to the Base Rate, *plus* the Applicable Rate.

(2) During the continuance of an Event of Default pursuant to Section 8.01(1) or 8.01(6) (solely with respect to Holdings and the Borrower), the Borrower shall pay interest on past due amounts hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws; *provided* that no interest at the Default Rate shall accrue or be payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(3) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

Section 2.09 Fees. The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

Section 2.10 Computation of Interest and Fees. All computations of interest for Base Rate Loans shall be made on the basis of a year of 365 days or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(1), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.11 Evidence of Indebtedness.

(1) The Term Borrowings made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be prima facie evidence absent manifest error of the amount of the Term Borrowings made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent, as set forth in the Register, in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Term Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Term Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(2) [Reserved].

(3) Entries made in good faith by the Administrative Agent in the Register pursuant to Section 2.11(1), and by each Lender in its account or accounts pursuant to Section 2.11(1), shall be prima facie evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

Section 2.12 Payments Generally.

(1) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office for payment and in Same Day Funds not later than 2:00 p.m., New York time, on the date specified herein. The Administrative Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. Any payments under this Agreement that are made later than 2:00 p.m., New York time, shall be deemed to have been made on the next succeeding Business Day (but the Administrative Agent may extend such deadline for purposes of computing interest and fees (but not beyond the end of such day) in its sole discretion whether or not such payments are in process).

(2) If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(3) Unless the Borrower or any Lender has notified the Administrative Agent, prior to the date, or in the case of any Borrowing of Base Rate Loans, prior to 1:00 p.m., New York time, on the date of such Borrowing, any payment is required to be made by it to the Administrative Agent hereunder (in the case of the Borrower, for the account of any Lender hereunder or, in the case of the Lenders, for the account of the Borrower hereunder), that the Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then:

(a) if the Borrower failed to make such payment, each Lender shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in Same Day Funds at the applicable Overnight Rate from time to time in effect; and

(b) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrower to the date such amount is recovered by the Administrative Agent (the "**Compensation Period**") at a rate per annum equal to the applicable Overnight Rate from time to time in effect. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender's Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent may make a demand therefor upon the Borrower, and the Borrower shall pay such amount, or cause such amount to be paid, to the Administrative Agent, together with interest thereon for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder. A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.12(3) shall be conclusive, absent manifest error.

(c) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Term Borrowing set forth in Section 4.02 are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) The obligations of the Lenders hereunder to make Loans are several and not joint. The failure of any Lender to make any Loan on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan.

(e) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.03 (or otherwise expressly set forth herein). If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the sum of the Outstanding Amount of all Loans outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

(g) Unless the Administrative Agent shall have received notice from the Borrower prior to the time at which any payment is due to the Administrative Agent for the account of the Lenders that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Appropriate Lenders, the amount due.

With Respect to any payment that the Administrative Agent makes for the account of the Lenders as to which the Administrative Agent determines (which determination shall be conclusive absent manifest error) that any of the following applies (such payment referred to as the "**Rescindable Amount**"): (1) the Borrower has not in fact made such payment; (2) the Administrative Agent has made a payment in excess of the amount so paid by the Borrower (whether or not then owed); or (3) the Administrative Agent has for any reason otherwise erroneously made such payment; then each of the Lenders, severally agrees to repay to the Administrative Agent forthwith on demand the Rescindable Amount so distributed to such Lender, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this clause (g) shall be conclusive, absent manifest error.

Section 2.13 Sharing of Payments. Other than as expressly provided elsewhere herein (including with respect to any discounted prepayment of Term Loans pursuant to Section 2.05(2)(e) or 2.05(2)(g)), if any Lender of any Class shall obtain payment in respect of any principal of or interest on account of the Loans of such Class made by it (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (1) notify the Administrative Agent of such fact, and (2) purchase from the other Lenders such participations in the Loans of such Class made by them, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of any principal of or interest on such Loans of such Class, pro rata with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (a) the amount of such paying Lender's required repayment to (b) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. For avoidance of doubt, the provisions of this Section 2.13 shall not be construed to apply to (i) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect from time to time (including the application of funds arising from the existence of a Defaulting Lender), (ii) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder or (iii) pursuant to another transaction that is otherwise permitted hereunder. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.10) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

Section 2.14 Incremental Term Facilities.

(1) Incremental Term Loan Request. The Borrower or any Guarantor may at any time and from time to time, on one or more occasions, after the Closing Date, by notice to the Administrative Agent increase the aggregate principal amount of any outstanding Class of Term Loans (a "**Term Loan Increase**") or add one or more additional Classes of term loans (including delayed draw term loan facilities) under the Loan Documents (each an "**Incremental Term Facility**" and the term loans made thereunder, the "**Incremental Term Loans**").

(2) Ranking. (a) Incremental Term Facilities will be secured only by Liens over the Collateral that rank on a *pari passu* basis with the Closing Date Term Loans and only Guarantors shall provide guarantees of Incremental Term Facilities and (b) Permitted Incremental Equivalent Debt will either be secured by Liens that rank on a pari passu or junior basis with or to the Liens securing the Obligations or be unsecured; *provided* that any Liens that rank on a pari passu basis or junior basis to the Liens securing the Closing Date Term Loans will be subject to the Applicable Intercreditor Agreement.

(3) Size. The aggregate principal amount of Incremental Term Facilities incurred on any date will not exceed an amount equal to the Permitted Incremental Amount. Unless the Borrower elects otherwise, each Incremental Term Facility shall be deemed incurred first under the Ratio Amount to the extent permitted, with the balance incurred under the Fixed Incremental Amount. Each Incremental Term Facility will be in an integral multiple of $1.0 million and in an aggregate principal amount that is not less than $10.0 million (or such lesser minimum amount approved by the Administrative Agent in its reasonable discretion); *provided* that such amount may be less than such minimum amount or integral multiple amount if such amount represents all the remaining availability under the limit set forth above.

(4) Incremental Lenders. Incremental Term Facilities may be provided by any existing Lender (it being understood that no existing Lender will have an obligation to make all or any portion of any Incremental Term Loan, nor will the Borrower have any obligation to approach any existing Lender(s) to provide any Incremental Term Loan) or by any Additional Lender on terms permitted by this Section 2.14. While existing Lenders may (but are not obligated, unless invited and so elect, to) participate in any syndication of an Incremental Term Facility and may (but are not obligated, unless invited and so elect, to) become lenders with respect thereto, the existing Lenders will not have any right to participate in any syndication, and will not have any right of first refusal or other right to provide all or any portion, of any Incremental Term Facility or Incremental Term Loan except to the extent the Borrower and the arrangers thereof, if any, in their discretion, choose to invite or include any such existing Lender (which may or may not apply to all existing Lenders and may or may not be pro rata among existing Lenders). Final allocations in respect of Incremental Term Facilities will be made by the Borrower together with the arrangers thereof, if any, in their discretion, on the terms permitted by this Section 2.14.

(5) Incremental Term Facility Amendments; Use of Proceeds. Each Incremental Term Facility will become effective pursuant to an amendment (each, an "**Incremental Amendment**") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Person providing such Incremental Term Facility and the Administrative Agent (*provided* that, if such Incremental Amendment does not affect the rights, duties, privileges or obligations of the Administrative Agent, the Administrative Agent shall only be required to acknowledge such Incremental Amendment), and the Administrative Agent hereby agrees to acknowledge any such Incremental Amendment that otherwise satisfies the requirements of this Section 2.14 as promptly as possible, however, to the extent the final form of such Incremental Amendment has been delivered to the Administrative Agent at least 1 Business Day prior to the proposed effectiveness thereof, the Administrative Agent shall acknowledge such Incremental Amendment immediately (*provided* that the failure to acknowledge such Incremental Amendment within such 1 Business Day period shall be deemed to be an acknowledgment). The Administrative Agent will promptly notify each Lender as to the effectiveness of each Incremental Amendment following receipt

thereof from the Borrower. Incremental Amendments may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.14. An Incremental Amendment may (a) extend or add "call protection" to any existing Class of Term Loans, including amendments to Section 2.18, (b) amend the schedule of amortization payments relating to any existing tranche of Term Loans, including amendments to Section 2.07(1) (*provided* that any such amendment shall not decrease the dollar amount of any amortization payment to any Lender that would have otherwise been payable to such Lender prior to the effectiveness of the applicable Incremental Amendment) and (c) make other amendments to the terms of any existing Term Loans, in the case of each clause (a), (b) and (c), so that such Incremental Term Loans and the applicable existing Term Loans form the same Class of Term Loans; *provided* that such amendments are not adverse to the existing Term Loan Lenders (as determined in good faith by the Borrower). Each of the parties hereto hereby agrees that, upon the effectiveness of any Incremental Amendment, this Agreement and the other Loan Documents, as applicable, will be amended to the extent necessary to reflect the existence and terms of the Incremental Term Facility and the Incremental Term Loans evidenced thereby. The Borrower may use the proceeds of the Incremental Term Loans for any purpose not prohibited by this Agreement.

(6) Conditions. The availability of Incremental Term Facilities under this Agreement will be subject solely to no Event of Default shall have occurred and be continuing; *provided* that in the case of a Limited Condition Transaction, at the Borrower's option, such Event of Default may be tested in accordance with Section 1.07(8) so long as at the time of the consummation of such Limited Condition Transaction no Event of Default under Section 8.01(1) or Section 8.01(6) (solely with respect to Holdings and the Borrower) shall have occurred and be continuing and no Event of Default shall have occurred and be continuing at the time of execution of a definitive acquisition agreement.

(7) Terms. Each Incremental Amendment will set forth the amount and terms of the relevant Incremental Term Facility. The terms of each Incremental Term Facility will be as agreed between the Borrower and the Persons providing such Incremental Term Loans; *provided* that:

(a) the final maturity date of such Incremental Term Loans (other than a Qualifying Bridge Facility) will be no earlier than the Latest Maturity Date of the Closing Date Term Loans;

(b) the Weighted Average Life to Maturity of such Incremental Term Loans (other than constituting a Qualifying Bridge Facility) will be no shorter than the longest remaining Weighted Average Life to Maturity of the Closing Date Term Loans;

(c) such Incremental Term Loans may participate on a *pro rata* basis or a less than *pro rata* basis (but not greater than a *pro rata* basis) in any mandatory repayments or prepayments of the Term Loans (in each case, other than pursuant to a refinancing or with respect to greater than *pro rata* payments to an earlier maturing tranche) and may participate on a *pro rata* basis, greater than *pro rata* basis or less than *pro rata* basis in any voluntary prepayments of the Term Loans; and

(d) except as otherwise set forth herein, all other terms of any (i) Term Loan Increase will be on terms and pursuant to documentation applicable to the Class of Term Loans, being increased by such Term Loan Increase and (ii) any Incremental Term Facility shall be on terms and pursuant to documentation to be determined; *provided* that to the extent such terms and documentation are not consistent with the Closing Date Term Loans (except to the extent permitted by clause (8) below), they shall not be materially more favorable to the lenders providing such Incremental Term Facility, when taken as a whole, than the terms of the Closing Date Term Loans (except for covenants or other provisions (1) applicable only to the periods after the Latest Maturity Date of the Closing Date Term Loans or any Incremental Term Facility in effect at such time, (2) to the extent that such covenant or other provision is also added for the benefit of the Closing Date Term Loans or any Incremental Term Facility in effect at such time, (3) that are consistent with market terms and conditions at the time of incurrence or effectiveness (as determined by the Borrower in good faith) or (4) otherwise reasonably satisfactory to the Administrative Agent).

(8) Pricing. The interest rate, fees, original issue discount, rate floors and fees and maturity and amortization schedule for any Incremental Term Facilities will be as determined by the Borrower and the Persons providing such Incremental Term Facilities; *provided* that for the period commencing on the Closing Date and ending on the eighteen (18) month anniversary thereafter, in the event that the All-In Yield applicable to any Incremental Term Loans which are (A) *pari passu* with the Closing Date Term Loans in right of payment and with respect to security and (B) consist of term B loans denominated in Dollars (such Incremental Term Loans, "**Qualifying Term Loans**"), exceeds the All-In Yield of any Closing Date Term Loans by more than 50 basis points, then the interest rate margins for such Closing Date Term Loans shall be increased to the extent necessary so that the All-In Yield of such Closing Date Term Loans is equal to the All-In Yield of such Incremental Term Loans *minus* 50 basis points; *provided further* that if the Incremental Term Loans include an interest rate floor greater than the applicable interest rate floor under the Closing Date Term Loans, such differential between interest rate floors shall be equated to the applicable interest rate margin for purpose of determining whether an increase to the interest rate margin under the Closing Date Term Loans shall be required, but only to the extent an increase in the interest rate floor in the Closing Date Term Loans would cause an increase in the interest rate then in effect thereunder, and in such case, the interest rate floor (but not the interest rate margin) applicable to the Closing date Term Loans shall be increased to the extent of such differential between interest rate floors. The foregoing being referred to as the "**MFN Protection Provisions**".

(9) [Reserved].

(10) The Administrative Agent and the Lenders hereby agree that the minimum borrowing, *pro rata* borrowing and *pro rata* payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

Section 2.15 Refinancing Amendments.

(1) Refinancing Loans. At any time after the Closing Date, the Borrower may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of all or any portion of the Term Loans then outstanding under this Agreement, in the form of Refinancing Loans or Refinancing Commitments in each case pursuant to a Refinancing Amendment.

(2) Refinancing Amendments. The effectiveness of any Refinancing Amendment will be subject only to the satisfaction on the date thereof of such conditions precedent as may be requested by the providers of the applicable Refinancing Loans. The Administrative Agent will promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Refinancing Amendments may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate in the reasonable opinion of the Borrower and the providers of the applicable Refinancing Loans, to effect the provisions of this Section 2.15 and to reflect the existence and terms of the Refinancing Loans incurred pursuant thereto (including any amendments necessary to treat the Term Loans subject thereto as Refinancing Term Loans). A Refinancing Amendment may (a) extend or add "call protection" to any existing Class of Term Loans, including amendments to Section 2.18, (b) amend the schedule of amortization payments relating to any existing tranche of Term Loans, including amendments to Section 2.07(1) (*provided* that any such amendment shall not decrease the dollar amount of any amortization payment to any Lender that would have otherwise been payable to such Lender prior to the effectiveness of the applicable Refinancing Amendment) and (c) make other amendments to the terms of any existing Term Loans, in the case of each clause (a), (b) and (c), so that such Refinancing Term Loans and the applicable existing Term Loans form the same Class of Term Loans; *provided* that such amendments (x) are not adverse to the applicable existing Term Loan Lenders (as determined in good faith by the Borrower) or (y) are consistent with market terms and conditions at the time of incurrence or effectiveness (as determined by the Borrower in good faith). Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement and the other Loan Documents, as applicable, will be amended to the extent necessary to reflect the existence and terms of the Refinancing Loans.

(3) Required Consents. Any Refinancing Amendment may, without the consent of any Person, other than the Borrower, the Persons providing the applicable Refinancing Loans and the Administrative Agent (*provided* that, if such Refinancing Amendment does not affect the rights, duties, privileges or obligations of the Administrative Agent, the Administrative Agent shall only be required to acknowledge such Refinancing Amendment), effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.15, and the Administrative Agent hereby agrees to acknowledge any such Refinancing Amendment that otherwise satisfies the requirements of this Section 2.15 as promptly as possible, however, to the extent the final form of such Refinancing Amendment has been delivered to the Administrative Agent at least 1 Business Day prior to the proposed effectiveness thereof, the Administrative Agent shall acknowledge such Refinancing Amendment immediately (*provided* that the failure to acknowledge such Refinancing Amendment within such 1 Business Day period shall be deemed to be an acknowledgment). This Section 2.15 supersedes any provision in this Agreement to the contrary (including Section 10.01).

(4) Providers of Refinancing Loans. Refinancing Loans may be provided by any existing Lender (it being understood that no exiting Lender shall have an obligation to make all or any portion of any Refinancing Loan) or by any Additional Lender on terms permitted by this Section 2.15. For the avoidance of doubt, any Affiliated Lender that provides any Refinancing Term Loans will be subject to the limitations on Affiliated Lenders set forth in Section 10.07(h) (including the Affiliated Lender Cap).

Section 2.16 Extensions of Loans.

(1) Extension Offers. Pursuant to one or more offers (each, an "**Extension Offer**") made from time to time by the Borrower to all Lenders holding Loans or Commitments of a particular Class with a like Maturity Date, the Borrower may extend such Maturity Date and otherwise modify the terms of such Loans or Commitments pursuant to the terms set forth in an Extension Offer (each, an "**Extension**," and each group of Loans or Commitments so extended, as well as any Loans of the same Class not so extended, each being a "**tranche**" for purposes of this Section 2.16). Each Extension Offer will (i) specify the minimum amount of Loans or Commitments with respect to which an Extension Offer may be accepted, which will be an integral multiple of $1.0 million and an aggregate principal amount that is not less than $10.0 million, or if less, (a) the aggregate principal amount of such Loans outstanding or (b) such lesser minimum amount as is approved by the Administrative Agent, such consent not to be unreasonably withheld, conditioned or delayed and (ii) set forth the date on which such Extension is requested to become effective (which shall be not less than ten (10) Business Days nor more than sixty (60) days after the date of such Extension notice (or such longer or shorter periods as the Administrative Agent shall agree in its sole discretion)). Extension Offers will be made on a *pro rata* basis to all Lenders holding Loans or Commitments of a particular Class with a like Maturity Date. If the aggregate outstanding principal amount of such Loans (calculated on the face amount thereof) or Commitments in respect of which Lenders have accepted an Extension Offer exceeds the maximum aggregate principal amount of Loans or Commitments offered to be extended pursuant to such Extension Offer, then the Loans or Commitments of such Lenders will be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer. There is no requirement that any Extension Offer or Extension Amendment (defined as follows) be subject to any "most favored nation" pricing provisions, any condition on the non-existence of any Default or Event of Default or any financial ratio tests. The terms of an Extension Offer shall be determined by the Borrower, and Extension Offers may contain one or more conditions to their effectiveness, including a condition that a minimum amount of Loans or Commitments of any or all applicable tranches be tendered.

(2) Extension Amendments. The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents (each, an "**Extension Amendment**") as may be necessary or appropriate in order to effect the provisions of this Section 2.16, establish new tranches in respect of Extended Loans and Extended Commitments and such amendments as permitted by clause (5) below as may be necessary or appropriate in the reasonable opinion of the Borrower in connection with the establishment of such Extended Loans and Extended Commitments. An Extension Amendment may (a) extend or add "call protection" to any existing Class of Term Loans, including amendments to Section 2.18, (b) amend the schedule of amortization payments relating to any existing tranche of Term Loans,

including amendments to Section 2.07(1) (*provided* that any such amendment shall not decrease the dollar amount of any amortization payment to any Lender that would have otherwise been payable to such Lender prior to the effectiveness of the applicable Extension Amendment) and (c) make other amendments to the terms of any existing Term Loans, in the case of each clause (a), (b) and (c), so that such Extended Loans and the applicable existing Term Loans form the same Class of Term Loans; *provided* that such amendments are (x) not adverse to the existing Term Loan Lenders (as determined in good faith by the Borrower) or (y) consistent with market terms and conditions at the time of incurrence or effectiveness (as determined by the Borrower in good faith). This Section 2.16 supersedes any provision(s) in Section 2.13 or 10.01 to the contrary. Except as otherwise set forth in an Extension Offer, there will be no conditions to the effectiveness of an Extension Amendment. Extensions will not constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement. Any Lender of an existing Class of Term Loans that elects not to participate in Extended Loans or Extended Commitments of such Class of Term Loans shall be referred to herein as a "**Non-Extended Lender**".

(3) Terms of Extension Offers and Extension Amendments. The terms of any Extended Loans and Extended Commitments will be set forth in an Extension Offer and as agreed between the Borrower and the Extending Lenders accepting such Extension Offer; *provided* that:

(a) the final maturity date of such Extended Loans and Extended Commitments will be no earlier than the Latest Maturity Date applicable to the Loans or Commitments subject to such Extension Offer;

(b) the Weighted Average Life to Maturity of any Extended Loans that are Term Loans will be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans subject to such Extension Offer;

(c) any Extended Loans that are Term Loans may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any mandatory repayments or prepayments of the Term Loans (in each case, other than pursuant to a refinancing) and may participate on a pro rata basis, greater than pro rata basis or less than pro rata basis in any voluntary prepayments of the Term Loans;

(d) such Extended Loans and Extended Commitments are not secured by any assets or property that does not constitute Collateral and may not be secured on a senior basis to the existing Term Loans;

(e) such Extended Loans and Extended Commitments are not guaranteed by any Subsidiary of the Borrower other than a Subsidiary that is a Loan Party; and

(f) the covenants and events of default applicable to Extended Loans or Extended Commitments are either (i) substantially identical to, or, taken as a whole, no more favorable to the Lenders providing such Extended Loans or Extended Commitments than, those applicable to the Loans subject to such Extension Offer, as determined in good faith by a Responsible Officer of the Borrower in its reasonable judgment or (ii) otherwise on customary market terms, as determined in good faith by a Responsible Officer of the Borrower in its reasonable judgment; *provided* that this clause (f) will not apply:

(A) if an Extension Offer is made with respect to all the Loans or Commitments of a particular Class and all such Loans or Commitments are accepted in such Extension Offer and amended pursuant to the applicable Extension Amendment or

(B) to any of the following:

(1) terms addressed in the preceding clauses (a) through (e),

(2) interest rate, fees, funding discounts and other pricing terms,

(3) redemption, prepayment or other premiums,

(4) optional redemption or prepayment terms and

(5) covenants and events of default applicable only to periods after the Latest Maturity Date at the time of incurrence of such Indebtedness.

Any Extended Loans will constitute a separate tranche of Term Loans from the Term Loans held by Lenders that did not accept the applicable Extension Offer.

(4) Required Consents. No consent of any Lender or any other Person will be required to effectuate any Extension, other than the consent of the Borrower, the applicable Extending Lender and the Administrative Agent (*provided* that, if such Extension does not affect the rights, duties, privileges or obligations of the Administrative Agent, the Administrative Agent shall only be required to acknowledge such Extension), and the Administrative Agent hereby agrees to acknowledge any such Extension that otherwise satisfies the requirements of this Section 2.16 as promptly as possible, however, to the extent the final form of such Extension has been delivered to the Administrative Agent at least 1 Business Day prior to the proposed effectiveness thereof, the Administrative Agent shall acknowledge such Extension immediately (*provided* that the failure to acknowledge such Extension within such 1 Business Day period shall be deemed to be an acknowledgment). The transactions contemplated by this Section 2.16 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Loans on such terms as may be set forth in the relevant Extension Offer) will not require the consent of any other Lender or any other Person, and the requirements of any provision of this Agreement or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.16 will not apply to any of the transactions effected pursuant to this Section 2.16.

Section 2.17 Defaulting Lenders.

(1) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(a) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove of any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(b) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, as the Borrower may request (so long as no Default or Event of Default has occurred and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; third, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; fourth, to the payment of any amounts owing to the Lenders, as a result of any judgment of a court of competent jurisdiction obtained by any Lender, against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; fifth, so long as no Default or Event of Default has occurred and is continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and sixth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (i) such payment is a payment of the principal amount of any Loans s in respect of which that Defaulting Lender has not fully funded its appropriate share and (ii) such Loans were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this Section 2.17(1)(b) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(2) Defaulting Lender Cure. If the Borrower and the Administrative Agent agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders, whereupon that Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; *provided further* that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

Section 2.18 Loan Repricing Protection.

All voluntary prepayments or repayments of all or any portion of the Term Loans, any Repricing Transaction, any mandatory prepayments of Term Loans pursuant to Section 2.05(2)(d), and any repayment of Term Loans following exercise of remedies pursuant to Section 8.02(2) as result of an Event of Default under Section 8.01(11), in any such case prior to the second anniversary of the Closing Date, shall be accompanied by a prepayment premium equal to:

(1) for the period on or prior to the first anniversary of the Closing Date, 2.00% of the principal amount of Term Loans so repriced, prepaid or repaid;

(2) for the period on or prior to the second anniversary of the Closing Date but after the first anniversary of the Closing Date, 1.00% of the principal amount of Term Loans so repriced, prepaid or repaid; and

(3) thereafter, 0.00%

Section 2.19 Permitted Debt Exchanges.

(1) Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a "**Permitted Debt Exchange Offer**") made from time to time by the Borrower to all Lenders (other than, with respect to any Permitted Debt Exchange Offer that constitutes an offering of securities, any Lender that, if requested by the Borrower, is unable to certify that it is (i) a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act), (ii) an institutional "accredited investor" (as defined in Rule 501 under the Securities Act) or (iii) not a "U.S. person" (as defined in Rule 902 under the Securities Act)) with outstanding Term Loans of a particular Class, the Borrower may from time to time consummate one or more exchanges of such Term Loans for Indebtedness (in the form of senior secured, senior unsecured, senior subordinated, or subordinated notes or loans) (such Indebtedness, "**Permitted Debt Exchange Notes**" and each such exchange, a "**Permitted Debt Exchange**"), so long as the following conditions are satisfied:

(i) each such Permitted Debt Exchange Offer shall be made on a pro rata basis to the Lenders (other than, with respect to any Permitted Debt Exchange Offer that constitutes an offering of securities, any Lender that, if requested by the Borrower, is unable to certify that it is (i) a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act), (ii) an institutional "accredited investor" (as defined in Rule 501 under the Securities Act) or (iii) not a "U.S. person" (as defined in Rule 902 under the Securities Act)) of each applicable Class based on their respective aggregate principal amounts of outstanding Term Loans under each such Class;

(ii) the aggregate principal amount (calculated on the face amount thereof) of such Permitted Debt Exchange Notes shall not exceed the aggregate principal amount (calculated on the face amount thereof) of Term Loans so refinanced, except to the extent a different incurrence basket pursuant to Section 7.02 is utilized and with respect to an amount equal to any fees, expenses, commissions, underwriting discounts and premiums payable in connection with such Permitted Debt Exchange;

(iii) the stated final maturity of such Permitted Debt Exchange Notes is not earlier than the latest Maturity Date for the Class or Classes of Term Loans being exchanged, and such stated final maturity is not subject to any conditions that could result in such stated final maturity occurring on a date that precedes such latest maturity date (it being understood that acceleration or mandatory repayment, prepayment, redemption or repurchase of such Permitted Debt Exchange Notes upon the occurrence of an event of default, a change in control, an event of loss or an asset disposition shall not be deemed to constitute a change in the stated final maturity thereof);

(iv) such Permitted Debt Exchange Notes are not required to be repaid, prepaid, redeemed, repurchased or defeased, whether on one or more fixed dates, upon the occurrence of one or more events or at the option of any holder thereof (except, in each case, upon the occurrence of an event of default, a change in control, an event of loss or an asset disposition) prior to the latest Maturity Date for the Class or Classes of Term Loans being exchanged; *provided* that, notwithstanding the foregoing, scheduled amortization payments (however denominated, including scheduled offers to repurchase) of such Permitted Debt Exchange Notes shall be permitted so long as the Weighted Average Life to Maturity of such Indebtedness shall be longer than the remaining Weighted Average Life to Maturity of the Class or Classes of Term Loans being exchanged;

(v) no Restricted Subsidiary is a borrower or guarantor with respect to such Indebtedness unless such Restricted Subsidiary is or substantially concurrently becomes a Loan Party;

(vi) if such Permitted Debt Exchange Notes are secured, such Permitted Debt Exchange Notes are secured on a pari passu basis or junior priority basis to the Obligations and (A) such Permitted Debt Exchange Notes are not secured by any assets not securing the Obligations unless such assets substantially concurrently secure the Obligations and (B) the beneficiaries thereof (or an agent on their behalf) shall become party to the Applicable Intercreditor Agreement;

(vii) the terms and conditions of such Permitted Debt Exchange Notes (excluding pricing and optional prepayment or redemption terms or covenants or other provisions applicable only to periods after the Maturity Date of the Class or Classes of Term Loans being exchanged) reflect market terms and conditions at the time of incurrence or issuance; *provided* that if such Permitted Debt Exchange Notes contain any financial maintenance covenants, such covenants shall not be more restrictive than (or in addition to) those contained in this Agreement (unless such covenants are also added for the benefit of the Lenders under this Agreement, in which case any requirement to so comply shall not require the consent of any Lender or Agent hereunder);

(viii) all Term Loans exchanged under each applicable Class by the Borrower pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by the Borrower on date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Assumption, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the Borrower for immediate cancellation), and accrued and unpaid interest on such Term Loans shall be paid to the exchanging Lenders on the date of consummation of such Permitted Debt Exchange or, if agreed to by the Borrower and the Administrative Agent, the next scheduled Interest Payment Date with respect to such Term Loans (with such interest accruing until the date of consummation of such Permitted Debt Exchange);

(ix) if the aggregate principal amount of all Term Loans (calculated on the face amount thereof) of a given Class tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof of the applicable Class actually held by it) shall exceed the maximum aggregate principal amount of Term Loans of such Class offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans under the relevant Class tendered by such Lenders ratably up to such maximum based on the respective principal amounts so tendered, or, if such Permitted Debt Exchange Offer shall have been made with respect to multiple Classes without specifying a maximum aggregate principal amount offered to be exchanged for each Class, and the aggregate principal amount of all Term Loans (calculated on the face amount thereof) of all Classes tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof actually held by it) shall exceed the maximum aggregate principal amount of Term Loans of all relevant Classes offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans across all Classes subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered;

(x) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing, and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the Borrower and the Administrative Agent; and

(xi) any applicable Minimum Tender Condition or Maximum Tender Condition, as the case may be, shall be satisfied or waived by the Borrower.

Notwithstanding anything to the contrary herein, no Lender shall have any obligation to agree to have any of its Loans or Term Commitments exchanged pursuant to any Permitted Debt Exchange Offer.

(2) With respect to all Permitted Debt Exchanges effected by the Borrower pursuant to this Section 2.19, such Permitted Debt Exchange Offer shall be made for not less than $10.0 million in aggregate principal amount of Term Loans; *provided* that subject to the foregoing the Borrower may at its election specify (A) as a condition (a "**Minimum Tender Condition**") to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's discretion) of Term Loans of any or all applicable Classes be tendered and/or (B) as a condition (a "**Maximum Tender Condition**") to consummating any such Permitted Debt Exchange that no more than a maximum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's discretion) of Term Loans of any or all applicable Classes will be accepted for exchange. The Administrative Agent and the Lenders hereby acknowledge and agree that the provisions of Sections 2.05, 2.06, and 2.13 do not apply to the Permitted Debt Exchange and the other transactions contemplated by this Section 2.19 and hereby agree not to assert any Default or Event of Default in connection with the implementation of any such Permitted Debt Exchange or any other transaction contemplated by this Section 2.19.

(3) In connection with each Permitted Debt Exchange, the Borrower shall provide the Administrative Agent at least five (5) Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and the Borrower and the Administrative Agent, acting reasonably, shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.19; *provided* that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than five (5) Business Days following the date on which the Permitted Debt Exchange Offer is made. The Borrower shall provide the final results of such Permitted Debt Exchange to the Administrative Agent no later than three (3) Business Days prior to the proposed date of effectiveness for such Permitted Debt Exchange (or such shorter period agreed to by the Administrative Agent in its sole discretion) and the Administrative Agent shall be entitled to conclusively rely on such results.

(4) The Borrower shall be responsible for compliance with, and hereby agrees to comply with, all applicable securities and other laws in connection with each Permitted Debt Exchange, it being understood and agreed that (i) neither the Administrative Agent nor any Lender assumes any responsibility in connection with the Borrower's compliance with such laws in connection with any Permitted Debt Exchange and (ii) each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Exchange Act.

Section 2.20 Replacement Loans. This Agreement may be amended with the written consent of the Borrower and the Lenders providing the Replacement Loans (as defined below) to permit the refinancing of all outstanding Term Loans of any Class ("**Replaced Loans**") with replacement term loans ("**Replacement Loans**") hereunder; *provided* that:

(1) the aggregate principal amount of such Replacement Loans shall not exceed the aggregate principal amount of such Replaced Loans, *plus* accrued interest, fees, premiums (if any) and penalties thereon and fees and expenses incurred in connection with such refinancing of Replaced Loans with such Replacement Loans,

(2) the Weighted Average Life to Maturity of such Replacement Loans shall not be shorter than the Weighted Average Life to Maturity of such Replaced Loans at the time of such refinancing; and

(3) all other terms (other than with respect to pricing, premiums and optional prepayment or redemption terms) applicable to such Replacement Loans shall be substantially identical to, or no more favorable taken as a whole (in each case as determined by the Borrower in its reasonable judgment) to the Lenders providing such Replacement Loans than, those applicable to such Replaced Loans, except to the extent (x) necessary to provide for covenants and other terms applicable to any period after the Latest Maturity Date of the Loans in effect immediately prior to such refinancing or (y) consistent with market terms and conditions at the time of incurrence or effectiveness (as determined by the Borrower in good faith).

ARTICLE III

TAXES, INCREASED COSTS PROTECTION AND ILLEGALITY

Section 3.01 Taxes.

(1) Except as required by applicable Law, any and all payments by any Loan Party to or for the account of any Agent or any Lender under any Loan Document shall be made free and clear of and without deduction or withholding for any Taxes.

(2) If any Loan Party or any other applicable withholding agent is required by applicable Law (as determined in the good faith discretion of such Loan Party or withholding agent) to make any deduction or withholding on account of any Taxes from any sum paid or payable by or on behalf of any Loan Party to any Lender or Agent under any of the Loan Documents:

(a) the applicable Loan Party shall notify the Administrative Agent of any such requirement or any change in any such requirement as soon as such Loan Party becomes aware of it;

(b) the applicable Loan Party or other applicable withholding agent shall be entitled to make such deduction or withholding and shall pay any amounts deducted or withheld to the relevant Governmental Authority for any such Tax before the date on which penalties attach thereto, such payment to be made (if the liability to pay is imposed on any Loan Party) for its own account or (if that liability is imposed on the Lender or Agent) on behalf of and in the name of the Lender or Agent (as applicable);

(c) if the Tax in question is a Non-Excluded Tax or Other Tax, the sum payable to such Lender or Agent (as applicable) shall be increased by such Loan Party to the extent necessary to ensure that, after the making of any required deduction or withholding for Non-Excluded Taxes or Other Taxes (including any deductions or withholdings for Non-Excluded Taxes or Other Taxes attributable to any payments required to be made under this Section 3.01), the Lender or the Agent (as applicable) receives on the due date a net sum equal to what it would have received had no such deduction or withholding been required or made; and

(d) within thirty days after paying any sum from which it is required by Law to make any deduction or withholding, and within thirty days after the due date of payment of any Tax which it is required by clause (b) above to pay, the Borrower shall deliver to the Administrative Agent evidence reasonably satisfactory to the other affected parties of such deduction or withholding and of the remittance thereof to the relevant Governmental Authority.

(3) Status of Lender. The Administrative Agent and each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by Laws or reasonably requested by the Borrower or the Administrative Agent certifying as to any entitlement of such Lender to an exemption from, or reduction in, withholding Tax with respect to any payments to be made to such Lender under any Loan Document. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documentation required below in this Section 3.01(3)) obsolete, expired or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and Administrative Agent of its inability to do so.

Without limiting the foregoing:

(a) Each U.S. Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which such Lender becomes a party to this Agreement two properly completed and duly signed copies of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding.

(b) Each Foreign Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which such Lender becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(i) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party, and such other documentation as required under the Code,

(ii) two properly completed and duly signed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (A) two properly completed and duly signed certificates substantially in the form of Exhibit H (any such certificate, a "**United States Tax Compliance Certificate**") and (B) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms),

(iv) to the extent a Foreign Lender is not the beneficial owner (for example, where the Foreign Lender is a partnership or a participating Lender), executed originals of Internal Revenue Service Form W-8IMY (or any successor forms) of the Foreign Lender, accompanied by a Form W-8ECI, Form W-8BEN or W-8BEN-E, as applicable, a United States Tax Compliance Certificate, Form W-9, Form W-8IMY and any other required information (or any successor forms) from each beneficial owner that would be required under this Section 3.01(3) if such beneficial owner were a Lender, as applicable (*provided* that if one or more beneficial owners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Foreign Lender on behalf of such beneficial owner), or

(v) two properly completed and duly signed copies of any other form prescribed by applicable U.S. federal income tax laws (including the Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, United States federal withholding Tax on any payments to such Lender under the Loan Documents.

(c) If a payment made to a Lender under any Loan Document would be subject to Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this paragraph, the term "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Notwithstanding any other provision of this clause (c), a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(4) In addition to the payments by a Loan Party required by Section 3.01(2), the Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(5) The Loan Parties shall, jointly and severally, indemnify a Lender or Agent (each a "**Tax Indemnitee**"), within 10 days after written demand therefor, for the full amount of any Non-Excluded Taxes paid or payable by such Tax Indemnitee on or attributable to any payment under or with respect to any Loan Document, and any Other Taxes payable by such Tax Indemnitee (including Non-Excluded Taxes or Other Taxes imposed on or attributable to amounts payable under this Section 3.01), whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability prepared in good faith and delivered by the Tax Indemnitee or by the Administrative Agent on its own behalf or on behalf of another Tax Indemnitee, shall be conclusive absent manifest error.

(6) If and to the extent that a Tax Indemnitee, in its sole discretion (exercised in good faith), determines that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 3.01 (including by the payment of additional amounts pursuant to this Section 3.01), then such Tax Indemnitee shall pay to the relevant Loan Party the amount of such refund, net of all out-of-pocket expenses of the Tax Indemnitee (including any Taxes imposed with respect to such refund), and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); *provided* that the Loan Party, upon the request of the Tax Indemnitee, agrees to repay the amount paid over by the Tax Indemnitee (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Tax Indemnitee to the extent the Tax Indemnitee is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (6), in no event will the Tax Indemnitee be required to pay any amount to a Loan Party pursuant to this paragraph (6) the payment of which would place the Tax Indemnitee in a less favorable net after-Tax position than the Tax Indemnitee would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require a Tax Indemnitee to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(7) The agreements in this Section 3.01 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

Section 3.02 Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurodollar Rate, or to determine or charge interest rates based upon the Eurodollar Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on written notice thereof by such Lender to the Borrower through the Administrative Agent, (1) any obligation of such Lender to make or continue Eurodollar Rate Loans or to convert Base Rate Loans to Eurodollar Rate Loans shall be suspended, and (2) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurodollar Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be reasonably determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (a) the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans and shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurodollar Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate) and (b) if such notice asserts the illegality of

such Lender determining or charging interest rates based upon the Eurodollar Rate component of the Base Rate with respect to any Base Rate Loans, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurodollar Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurodollar Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

Section 3.03 Inability to Determine Rates. Notwithstanding anything to the contrary herein or in any other Loan Document:

(1) On March 5, 2021 the Financial Conduct Authority ("FCA"), the regulatory supervisor of LIBOR's administrator ("IBA"), announced in a public statement the future cessation or loss of representativeness of overnight/Spot Next, 1-week, 1-month, 2-month, 3-month, 6-month and 12- month U.S. dollar LIBOR tenor settings. On the earliest of (A) the date that all Available Tenors of U.S dollar LIBOR have permanently or indefinitely ceased to be provided by IBA or have been announced by the FCA pursuant to public statement or publication of information to be no longer representative, (B) June 30, 2023 and (C) the Early Opt-in Effective Date in respect of a SOFR Early Opt-in, if the then-current Benchmark is the Adjusted Eurodollar Rate, the Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any setting of such Benchmark on such day and all subsequent settings without any amendment to, or further action or consent of any other party to this Agreement or any other Loan Document. If the Benchmark Replacement is Daily Simple SOFR, all interest payments will be payable on a quarterly basis.

(2)

(a) Upon (A) the occurrence of a Benchmark Transition Event or (B) a determination by the Administrative Agent that neither of the alternatives under clause (1) of the definition of Benchmark Replacement are available, the Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders (and any such objection shall be conclusive and binding absent manifest error).

(b) On the Early Opt-in Effective Date in respect of an Other Rate Early Opt-in, the Benchmark Replacement will replace the Adjusted Eurodollar Rate for all purposes hereunder and under any Loan Document in respect of any setting of such

Benchmark on such day and all subsequent settings without any amendment to, or further action or consent of any other party to this Agreement or any other Loan Document.

(3) At any time that the administrator of the then-current Benchmark has permanently or indefinitely ceased to provide such Benchmark or such Benchmark has been announced by the regulatory supervisor for the administrator of such Benchmark pursuant to public statement or publication of information to be no longer representative of the underlying market and economic reality that such Benchmark is intended to measure and that representativeness will not be restored, the Borrower may revoke any request for a borrowing of, conversion to or continuation of Loans to be made, converted or continued that would bear interest by reference to such Benchmark until the Borrower's receipt of notice from the Administrative Agent that a Benchmark Replacement has replaced such Benchmark, and, failing that, the Borrower will be deemed to have converted any such request into a request for a borrowing of or conversion to Base Rate Loans. During the period referenced in the foregoing sentence, the component of Base Rate based upon the Benchmark will not be used in any determination of Base Rate.

(4) In connection with the implementation and administration of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(5) The Administrative Agent will promptly notify the Borrower and the Lenders of (A) the implementation of any Benchmark Replacement and (B) the effectiveness of any Benchmark Replacement Conforming Changes. Any determination, decision or election that may be made by the Administrative Agent pursuant to this Section 3.03, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 3.03.

(6) At any time (including in connection with the implementation of a Benchmark Replacement), (A) if the then-current Benchmark is a term rate (including Term SOFR or the Adjusted Eurodollar Rate), then the Administrative Agent may remove any tenor of such Benchmark that is unavailable or non-representative for Benchmark (including Benchmark Replacement) settings and (B) the Administrative Agent may reinstate any such previously removed tenor for Benchmark (including Benchmark Replacement) settings.

Section 3.04 Increased Cost and Reduced Return; Capital Adequacy; Reserves on Eurodollar Rate Loan.

(1) Increased Costs Generally. If any Change in Law shall:

(a) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(b) subject any Lender to any Tax of any kind whatsoever with respect to this Agreement or any Eurodollar Rate Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (except for Non-Excluded Taxes or Other Taxes covered by Section 3.01 and any Excluded Taxes); or

(c) impose on any Lender or the London interbank market any other condition, cost or expense affecting this Agreement or Eurodollar Rate Loans made by such Lender that is not otherwise accounted for in the definition of "Eurodollar Rate" or this clause (c);

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any Loan the interest on which is determined by reference to the Eurodollar Rate (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender, or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount) then, from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered; *provided* that such amounts shall only be payable by the Borrower to the applicable Lender under this Section 3.04(1) so long as it is such Lender's general policy or practice to demand compensation in similar circumstances under comparable provisions of other financing agreements.

(2) Capital Requirements. If any Lender reasonably determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by it, to a level below that which such Lender or such Lender's holding company, as the case may be, could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered; *provided* that such amounts shall only be payable by the Borrower to the applicable Lender under this Section 3.04(2) so long as it is such Lender's general policy or practice to demand compensation in similar circumstances under comparable provisions of other financing agreements.

(3) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in subsection (1) or (2) of this Section 3.04 and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender, as the case may be, the amount shown as due on any such certificate within fifteen (15) days after receipt thereof.

Section 3.05 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense (excluding loss of anticipated profits or margin) actually incurred by it as a result of:

(1) any continuation, conversion, payment or prepayment of any Eurodollar Rate Loan on a day prior to the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(2) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Eurodollar Rate Loan on the date or in the amount notified by the Borrower; or

(3) any assignment of a Eurodollar Rate Loan on a day prior to the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 3.07; including any loss or expense (excluding loss of anticipated profits or margin) actually incurred by reason of the liquidation or reemployment of funds obtained by it to maintain such Eurodollar Rate Loan or from fees payable to terminate the deposits from which such funds were obtained.

Notwithstanding the foregoing, no Lender may make any demand under this Section 3.05 with respect to the "floor" specified in the proviso to the definition of "Eurodollar Rate".

Section 3.06 Matters Applicable to All Requests for Compensation.

(1) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the good faith judgment of such Lender such designation or assignment (a) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (b) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material economic, legal or regulatory respect.

(2) Suspension of Lender Obligations. If any Lender requests compensation by the Borrower under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue Eurodollar Rate Loans from one Interest Period to another Interest Period, or to convert Base Rate Loans into Eurodollar Rate Loans until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(3) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(3) Conversion of Eurodollar Rate Loans. If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of such Lender's Eurodollar Rate Loans no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurodollar Rate Loans made by other Lenders, as applicable, are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurodollar Rate Loans to the extent necessary so that, after giving effect thereto, all Loans of a given Class held by the Lenders of such Class holding Eurodollar Rate Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Pro Rata Shares.

(4) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of Sections 3.01 or 3.04 shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of Section 3.01 or 3.04 for any increased costs incurred or reductions suffered more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event giving rise to such claim and of such Lender's intention to claim compensation therefor (except that, if the circumstance giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

Section 3.07 Replacement of Lenders under Certain Circumstances. If (1) any Lender requests compensation under Section 3.04 or ceases to make Eurodollar Rate Loans as a result of any condition described in Section 3.02 or Section 3.04, (2) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 or 3.04, (3) any Lender is a Non-Consenting Lender or Non-Extended Lender, (4) any Lender becomes a Defaulting Lender or (5) any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent:

(a) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.07), all of its interests, rights and obligations under this Agreement (or, with respect to clause (3) above, all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver, or amendment, as applicable) and the related Loan Documents to one or more Eligible Assignees that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment); *provided* that:

(i) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 10.07(b)(iv);

(ii) such Lender shall have received payment of an amount equal to the applicable outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05 and, in the case of a Repricing Transaction, any "prepayment premium" pursuant to Section 2.18 that would otherwise be owed in connection therewith) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(iii) such Lender being replaced pursuant to this Section 3.07 shall (i) execute and deliver an Assignment and Assumption with respect to all, or a portion, as applicable, of such Lender's Commitment and outstanding Loans and (ii) deliver any Term Notes evidencing such Loans to the Borrower or Administrative Agent (or a lost or destroyed note indemnity in lieu thereof); *provided* that the failure of any such Lender to execute an Assignment and Assumption or deliver such Term Notes shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register and the Term Notes shall be deemed to be canceled upon such failure;

(iv) the Eligible Assignee shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans and Commitments, except with respect to indemnification and confidentiality provisions under this Agreement, which shall survive as to such assigning Lender;

(v) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(vi) such assignment does not conflict with applicable Laws;

(vii) the Lender that acts as Administrative Agent cannot be replaced in its capacity as Administrative Agent other than in accordance with Section 9.11, and

(viii) in the case of any such assignment from a Lender becoming a Non-Consenting Lender in connection with a Refinancing Amendment, the applicable Eligible Assignee shall have agreed to, and shall be sufficient (together with all other consenting Lenders) to cause the adoption of the applicable Refinancing Amendment; or

(b) terminate the Commitment of such Lender and in the case of a Lender, repay all Obligations of the Borrower owing to such Lender relating to the Loans held by such Lender as of such termination date (including in the case of a Repricing Transaction, any "prepayment premium" pursuant to Section 2.18 that would otherwise be owed in connection therewith); *provided* that in the case of any such termination of the Commitment of a Non-Consenting Lender such termination shall be sufficient (together with all other consenting Lenders) to cause the adoption of the applicable consent, waiver or amendment of the Loan Documents and such termination shall, with respect to clause (3) above, be in respect of all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver and amendment.

In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each Lender, all affected Lenders or all the Lenders or all affected Lenders with respect to a certain Class or Classes of the Loans/Commitments and (iii) the Required Lenders or Required Facility Lenders, as applicable, have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a "**Non-Consenting Lender**."

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

Section 3.08 Survival. All of the Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments, repayment, satisfaction or discharge of all other Obligations under this Agreement and resignation of the Administrative Agent.

ARTICLE IV

(8) The Administrative Agent shall have received the ABL Intercreditor Agreement acknowledged and delivered by the Borrower and the other Loan Parties thereto.

Without limiting the generality of the provisions of the last paragraph of Section 9.03, for purposes of determining compliance with the conditions specified in this Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

ARTICLE V

REPRESENTATIONS AND WARRANTIES

Section 5.01 Existence, Qualification and Power; Compliance with Laws. Each Loan Party and each of its respective Restricted Subsidiaries that is a Material Subsidiary:

(1) is a Person duly organized, registered or formed (as applicable), validly existing and in good standing under the Laws of the jurisdiction of its incorporation, formation or organization (as applicable) (to the extent such concept exists in such jurisdiction),

Section 6.07 Maintenance of Insurance.

(1) Maintain with insurance companies that the Borrower believes (in the good faith judgment of its management) are financially sound and reputable at the time the relevant coverage is placed or renewed or with a Captive Insurance Subsidiary, insurance with respect to the Borrower's and the Restricted Subsidiaries' properties and business against loss or damage of the kinds customarily insured against by Persons engaged in the same or similar business, of such types and in such amounts (after giving effect to any self-insurance reasonable and customary for similarly situated Persons engaged in the same or similar businesses as the Borrower and the Restricted Subsidiaries) as are customarily carried under similar circumstances by such other Persons, and will furnish to the Lenders, upon written request from the Administrative Agent, information presented in reasonable detail as to the insurance so carried*; provided* that notwithstanding the foregoing, in no event will the Borrower or any Restricted Subsidiary be required to obtain or maintain insurance that is more restrictive than what is consistent with past practice. Each such policy of insurance will as appropriate, (i) name the Collateral Agent, on behalf of the Secured Parties, as an additional insured thereunder as its interests may appear or (ii) in the case of each casualty insurance policy, contain an additional loss payable clause or endorsement that names the Collateral Agent, on behalf of the Secured Parties, as the additional loss payee thereunder; *provided* that to the extent that the requirements of this Section 6.07 are not satisfied on the Closing Date, the Borrower may satisfy such requirements within ninety (90) days of the Closing Date (or such later date as the Administrative Agent may agree).

Section 6.08 Compliance with Laws. Comply in all material respects with the requirements of all Laws and all orders, writs, injunctions and decrees of any Governmental Authority applicable to it or to its business or property (including ERISA, the USA PATRIOT Act, Sanctions, OFAC and FCPA), except if the failure to comply therewith would not reasonably be expected individually or in the aggregate to have a Material Adverse Effect.

Section 6.09 Books and Records. Maintain proper books of record and account, in which entries that are full, true and correct in all material respects shall be made of all material financial transactions and matters involving the assets and business of the Borrower or such Restricted Subsidiary, as the case may be (it being understood and agreed that certain Foreign Subsidiaries may maintain individual books and records in conformity with generally accepted accounting principles in their respective countries of organization and that such maintenance shall not constitute a breach of the representations, warranties or covenants hereunder).

Section 6.10 Inspection Rights. Permit representatives and independent contractors of the Administrative Agent and each Lender to visit and inspect any of its properties, to examine its corporate, financial and operating records, and make copies thereof or abstracts therefrom and to discuss its affairs, finances and accounts with its directors, officers, and independent public accountants (subject to such accountants' customary policies and procedures), all at the reasonable expense of the Borrower and at such reasonable times during normal business hours and as often as may be reasonably desired, upon reasonable advance notice to the Borrower*; provided* that only the Administrative Agent on behalf of the Lenders may exercise rights of the Administrative Agent and the Lenders under this Section 6.10 and the Administrative Agent shall not exercise such rights more often than one (1) time during any calendar year absent the existence of an Event of Default and such time shall be at the Borrower's expense; *provided further* that when an Event of Default exists, the Administrative Agent (or any of its representatives or independent contractors) may do any of the foregoing at the expense of the Borrower at any time during normal business hours and upon reasonable advance notice. The Administrative Agent shall give the Borrower the opportunity to participate in any discussions with the Borrower's independent public accountants. (a) within sixty (60) days (or such greater number of days specified below) after such formation, acquisition or designation or, in each case, such longer period as the Administrative Agent may agree in its reasonable discretion, cause such Material Domestic Subsidiary required to become a Guarantor under the Collateral and Guarantee Requirement to execute the Guaranty (or a joinder thereto) and other documentation the Administrative Agent may reasonably request from time to time in order to carry out more effectively the purposes of the Guaranty and the Collateral Documents and:

(A) within sixty (60) days after such formation, acquisition or designation, cause each such Material Domestic Subsidiary that is required to become a Guarantor pursuant to the Collateral and Guarantee Requirement to duly execute and deliver to the Collateral Agent supplements to the Security Agreement, a counterpart signature page to the Intercompany Subordination Agreement, Intellectual Property Security Agreements, any Applicable Intercreditor Agreements and other security agreements and documents necessary to satisfy the Collateral and Guarantee Requirement, as reasonably requested by and in form and substance reasonably satisfactory to the Collateral Agent (consistent with the Security Agreement, Intellectual Property Security Agreements and other Collateral Documents in effect on the Closing Date), in each case granting and perfecting Liens required by the Collateral and Guarantee Requirement;

(B) within sixty (60) days after such formation, acquisition or designation, cause each such Material Domestic Subsidiary that is required to become a Guarantor pursuant to the Collateral and Guarantee Requirement to deliver any and all certificates representing Equity Interests (to the extent certificated) that are required to be pledged pursuant to the Collateral and Guarantee Requirement, accompanied by undated stock powers or other appropriate instruments of transfer executed in blank and a joinder to the Intercompany Subordination Agreement substantially in the form of Annex I thereto with respect to the intercompany Indebtedness held by such Material Domestic Subsidiary;

(C) within sixty (60) days after such formation, acquisition or designation, take and cause (i) the applicable Material Domestic Subsidiary that is required to become a Guarantor pursuant to the Collateral and Guarantee Requirement and (ii) to the extent applicable, each direct or indirect parent of such applicable Material Domestic Subsidiary, in each

case, to take customary action(s) (including the filing of Uniform Commercial Code financing statements and delivery of stock and membership interest certificates to the extent certificated) as may be necessary in the reasonable opinion of the Administrative Agent to vest in the Collateral Agent (or in any representative of the Collateral Agent designated by it) valid and perfected (subject to Liens permitted by Section 7.01) Liens required by the Collateral and Guarantee Requirement, enforceable against all third parties in accordance with their terms, except as such enforceability may be limited by Debtor Relief Laws and by general principles of equity (regardless of whether enforcement is sought in equity or at law); and

(D) within sixty (60) days) after the reasonable request therefor by the Administrative Agent (or such longer period as the Administrative Agent may agree in its reasonable discretion), deliver to the Administrative Agent a signed copy of a customary Opinion of Counsel, addressed to the Administrative Agent and the Lenders, of counsel for the Loan Parties reasonably acceptable to the Administrative Agent as to such matters set forth in this Section 6.11(1) as the Administrative Agent may reasonably request (with such opinion being consistent with the Opinion of Counsel delivered to the Administrative Agent on the Closing Date).

The Borrower shall, and shall cause each of its Restricted Subsidiaries to, deliver each of the documents, instruments and agreements and take each of the actions set forth on Schedule 6.13 within the time periods set forth on such Schedule (or such later date as the Administrative Agent may reasonably agree to in writing).

(6) the existence of, or the performance by the Borrower or any Restricted Subsidiary of its obligations under the terms of, any agreement as in effect as of the Closing Date, or any amendment thereto or replacement thereof (so long as any such amendment or replacement is not materially disadvantageous in the good faith judgment of the Board of Directors to the Lenders, when taken as a whole, as compared to the applicable agreement as in effect on the Closing Date);

The expansion of Liens by virtue of accretion or amortization of original issue discount, the payment of dividends in the form of Indebtedness, and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies will not be deemed to be an incurrence of Liens for purposes of this Section 7.01.

(7) the incurrence of Indebtedness of the Borrower to a Restricted Subsidiary (or to any Parent Company which is substantially contemporaneously transferred to the Borrower or any Restricted Subsidiary); *provided* that any such Indebtedness for borrowed money owing to a Restricted Subsidiary that is not a Guarantor is expressly subordinated in right of payment to the Loans to the extent permitted by applicable law and it does not result in adverse tax consequences; *provided further* that any subsequent issuance or transfer of any Capital Stock or any other event that results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the Borrower or another Restricted Subsidiary or any pledge of such Indebtedness constituting a Permitted Lien) will be deemed, in each case, to be an incurrence of such Indebtedness (to the extent such Indebtedness is then outstanding) not permitted by this clause (7);

subsequent transfer of any such shares of Preferred Stock or Disqualified Stock (except to the Borrower or another Restricted Subsidiary or any pledge of such Indebtedness constituting a Permitted Lien) will be deemed, in each case, to be an issuance of such shares of Preferred Stock or Disqualified Stock (to the extent such Preferred Stock is then outstanding) not permitted by this clause (9);

(10) the incurrence of Hedging Obligations (excluding Hedging Obligations entered into for speculative purposes);

(11) the incurrence of Indebtedness in respect of self-insurance and Indebtedness in respect of performance, bid, appeal and surety bonds and performance, banker's acceptance facilities and completion guarantees and similar obligations provided by the Borrower or any Restricted Subsidiary or Indebtedness in respect of letters of credit, bank guarantees or similar instruments related thereto, in each case in the ordinary course of business or consistent with industry practice, including those incurred to secure health, safety and environmental obligations;

(c) For purposes of determining compliance with this Section 7.02:

(1) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) at any time, whether at the time of incurrence or upon the application of all or a portion of the proceeds thereof or subsequently, meets the criteria of more than one of the categories of permitted Indebtedness, Disqualified Stock or Preferred Stock described in clauses (1) through (38) above, the Borrower, in its sole discretion, may divide and classify and may subsequently re-divide and reclassify, such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) and will only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock (or a portion thereof) in such of the above clauses as determined by the Borrower at such time; *provided* that all Indebtedness incurred hereunder on the Closing Date will, at all times, be treated as incurred on the Closing Date under Section 7.02(b)(1) and may not be reclassified;

(2) the Borrower is entitled to divide and classify an item of Indebtedness, Disqualified Stock or Preferred Stock in more than one of the types of Indebtedness, Disqualified Stock or Preferred Stock described in Section 7.02(b), subject to the proviso to the preceding clause (1) of this Section 7.02(c);

(3) the principal amount of Indebtedness outstanding under any clause of this Section 7.02 will be determined after giving effect to the application of proceeds of any such Indebtedness to refinance any such other Indebtedness;

(4) in the event an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is incurred or issued pursuant to a fixed dollar Basket under Section 7.02(b) on the same date that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is incurred or issued under an applicable incurrence test available under Section 7.02(b), then the applicable incurrence test under Section 7.02(b) will be calculated with respect to such incurrence under such incurrence test without regard to any incurrence under a fixed dollar Basket then available under Section 7.02(b); *provided* that unless the Borrower elects otherwise, the incurrence of Indebtedness, Disqualified Stock or Preferred Stock will be deemed incurred or issued first under the then available incurrence test under Section 7.02(b) to the extent permitted with the balance incurred under a then available fixed dollar Basket under Section 7.02(b); and

(5) guarantees of, or obligations in respect of letters of credit relating to, Indebtedness that are otherwise included in the determination of a particular amount of Indebtedness will not be included in the determination of such amount of Indebtedness; *provided* that the incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was incurred in compliance with this Section 7.02.

The accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies, in each case, will not be deemed to be an incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this Section 7.02. Any Indebtedness incurred to refinance Indebtedness, Disqualified Stock or Preferred Stock incurred pursuant to clauses (2), (3), (4), (12), (13), (14), (23) and (25) of Section 7.02(b) will be permitted to include additional Indebtedness, Disqualified Stock or Preferred Stock incurred to pay accrued but unpaid interest and dividends and premiums, defeasance costs and fees and expenses incurred in connection with such refinancing.

For purposes of determining compliance with any Dollar denominated restriction on the incurrence of Indebtedness or issuance of Disqualified Stock or Preferred Stock, the Dollar equivalent principal amount of Indebtedness or Disqualified Stock or Preferred Stock denominated in a foreign currency will be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness, Disqualified Stock or Preferred Stock was incurred, in the case of term debt, or first committed or first incurred (whichever yields the lower Dollar equivalent), in the case of revolving credit debt; *provided* that if such Indebtedness, Disqualified Stock or Preferred Stock is issued to Refinance other Indebtedness, Disqualified Stock or Preferred Stock denominated in a foreign currency, and such refinancing would cause the applicable Dollar denominated (or the applicable growth component with respect to such Basket, if greater) restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such Dollar denominated restriction will be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness, Disqualified Stock or Preferred Stock does not exceed (i) the principal amount of such Indebtedness, Disqualified Stock or Preferred Stock (as applicable) being refinanced *plus* (ii) the aggregate amount of accrued but unpaid interest, fees, underwriting discounts, defeasance costs, premiums (including tender premiums) and other costs and expenses (including OID, upfront fees or similar fees) incurred in connection with such refinancing.

The principal amount of any Indebtedness, Disqualified Stock or Preferred Stock incurred to refinance other Indebtedness, Disqualified Stock or Preferred Stock, if incurred in a different currency from the Indebtedness, Disqualified Stock or Preferred Stock, as applicable, being refinanced, will be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness or Disqualified Stock or Preferred Stock is denominated that is in effect on the date of such refinancing. The principal amount of any non-interest bearing Indebtedness or other discount security constituting Indebtedness at any date will be the principal amount thereof that would be shown on a balance sheet of the Borrower dated such date prepared in accordance with GAAP.

For purposes of determining compliance with this Section 7.02, if any Indebtedness is refinanced in reliance on a Basket measured by reference to a percentage of Adjusted EBITDA, and such refinancing would cause the percentage of Adjusted EBITDA to be exceeded if calculated based on the Adjusted EBITDA on the date of such refinancing, such percentage of Adjusted EBITDA will not be deemed to be exceeded to the extent the principal amount of such obligations secured by such newly incurred Indebtedness does not exceed the sum of (i) the principal amount of such Indebtedness being refinanced, *plus* (ii) the related costs incurred or payable in connection with such refinancing.

(l) restrictions or conditions contained in any trading, netting, operating, construction, service, supply, purchase, sale or other agreement to which the Borrower or any Restricted Subsidiary is a party entered into in the ordinary course of business or consistent with industry practice; *provided* that such agreement prohibits the encumbrance of solely the property or assets of the Borrower or such Restricted Subsidiary that are the subject to such agreement, the payment rights arising thereunder or the proceeds thereof and does not extend to any other asset or property of the Borrower or such Restricted Subsidiary or the assets or property of another Restricted Subsidiary;

(m) customary provisions restricting subletting or assignment of any lease governing a leasehold interest of any Restricted Subsidiary;

(n) customary provisions restricting assignment of any agreement;

(o) restrictions arising in connection with cash or other deposits permitted under Section 7.01; any other agreement or instrument governing any Indebtedness, Disqualified Stock, or Preferred Stock permitted to be incurred or issued pursuant to Section 7.02 entered into after the Closing Date that contains encumbrances and restrictions that either (i) are no more restrictive in any material respect, taken as a whole, with respect to any Restricted Subsidiary than (A) the restrictions contained in the Loan Documents as of the Closing Date or the ABL Loan Documents as of the Closing Date or (B) those encumbrances and other restrictions that are in effect on the Closing Date with respect to that Restricted Subsidiary pursuant to agreements in effect on the Closing Date, (ii) are not materially more disadvantageous, taken as a whole, to the Lenders than is customary in comparable financings for similarly situated issuers or (iii) will not materially impair the Borrower's ability to make payments on the Obligations when due, in each case in the good faith judgment of the Borrower;

(p) (i) Indebtedness permitted to be incurred pursuant to Section 7.02(b)(4) and any Refinancing Indebtedness in respect of the foregoing and (ii) agreements entered into in connection with any Sale-Leaseback Transaction entered into in the ordinary course of business or consistent with industry practice;

(q) customary restrictions and conditions contained in documents relating to any Lien so long as (i) such Lien is a Permitted Lien and such restrictions or conditions relate only to the specific asset subject to such Lien and (ii) such restrictions and conditions are not created for the purpose of avoiding the restrictions imposed by this Section 7.07;

(s) any encumbrances or restrictions of the type referred to in clauses (1), (2) or (3) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (a) through (r) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Borrower, no more restrictive in any material respect with respect to such encumbrance and other restrictions, taken as a whole, than those prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing;

(t) existing under, by reason of or with respect to Refinancing Indebtedness; *provided* that the encumbrances and restrictions contained in the agreements governing that Refinancing Indebtedness are, in the good faith judgment of the Borrower, not materially more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced; and

(u) applicable law or any applicable rule, regulation or order in any jurisdiction where Indebtedness, Disqualified Stock or Preferred Stock of Foreign Subsidiaries permitted to be incurred pursuant to Section 7.02 is incurred.

Section 7.08 Modification of Terms of Covered Indebtedness. The Borrower shall not, nor shall the Borrower permit any Restricted Subsidiary to, amend, modify or change in any manner materially adverse to the interests of the Lenders, as determined in good faith by the Borrower (on the basis of such proposed amendments, modifications or changes taken as a whole), any term or condition of any Covered Indebtedness having an aggregate outstanding principal amount greater than the Threshold Amount (other than as a result of any Refinancing Indebtedness in respect thereof) without the consent of the Administrative Agent (which consent shall not be unreasonably withheld or delayed), which would impact the ability to provide the Collateral and Guarantees required pursuant to the Collateral and Guarantee Requirement; *provided*, *however*, that no amendment, modification or change of any term or condition of any Covered Indebtedness permitted by any subordination provisions or intercreditor provisions set forth in the applicable Covered Indebtedness or any other stand-alone subordination agreement or intercreditor agreement in respect thereof and, in each case consented to by the Administrative Agent shall be deemed to be materially adverse to the interests of the Lenders.

(1) the ownership or acquisition of the Capital Stock (other than Disqualified Stock) of any other Successor Holdings or the Borrower,

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES

Section 8.01 Events of Default. Each of the events referred to in clauses (1) through (11) of this Section 8.01 shall constitute an "Event of Default":

(1) Non-Payment. The Borrower fails to pay (a) when and as required to be paid herein, any amount of principal of any Loan or (b) within five (5) Business Days after the same becomes due, any interest on any Loan or any other amount payable hereunder or with respect to any other Loan Document; or

(2) Specific Covenants. Any Loan Party or, in the case of Section 7.09, Holdings, fails to perform or observe any term, covenant or agreement contained in any of Section 6.03(1) or 6.05(1) (solely with respect to the Borrower, other than in a transaction permitted under Section 7.03 or 7.04) or Article VII; or

(3) Other Defaults. Any Loan Party fails to perform or observe any other covenant or agreement (not specified in Section 8.01(1) or (2) above) contained in any Loan Document on its part to be performed or observed and such failure continues for thirty (30) days after receipt by the Borrower of written notice thereof from the Administrative Agent; or

(4) Representations and Warranties. Any representation, warranty, certification or statement of fact made or deemed made by the Borrower or any Subsidiary Guarantor herein, in any other Loan Document, or in any document required to be delivered in connection herewith or therewith shall be untrue in any material respect when made or deemed made and such representation, warranty, certification or statement of fact (if curable) shall remain incorrect for a period of 30 days after notice thereof from the Administrative Agent to the Borrower; or

(5) Cross-Default and Cross-Acceleration. Any Loan Party or any Restricted Subsidiary (a) fails to make any payment beyond the applicable grace period, if any, whether by scheduled maturity, required prepayment, acceleration, demand, or otherwise, in respect of any Indebtedness (other than Indebtedness hereunder) having an aggregate outstanding principal amount (individually or in the aggregate with all other Indebtedness as to which such a failure shall exist) of not less than the Threshold Amount, or (b) fails to observe or perform any other agreement or condition relating to any such Indebtedness referred to in the foregoing clause (a), or any other event occurs (other than, with respect to Indebtedness consisting of Hedging Obligations, termination events or equivalent events pursuant to the terms of such Hedging Obligations and not as a result of any default thereunder by the Borrower, or any Subsidiary Guarantor or any Restricted Subsidiary) with respect to such Indebtedness, the effect of which default or other event is to cause, or to permit the holder or holders of such Indebtedness (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice if required, such Indebtedness to become due or to be repurchased, prepaid, defeased or redeemed

(automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, prior to its stated maturity; *provided* that (A) such failure is unremedied and is not waived by the holders of such Indebtedness prior to any termination of the Commitments or acceleration of the Loans pursuant to Section 8.02, (B) this clause (5)(b) shall not apply to any Indebtedness if the sole remedy of the holder thereof in the event of the non-payment of such Indebtedness or the non-payment or non-performance of obligations related thereto is to convert such Indebtedness into Equity Interests (other than Disqualified Stock) and cash in lieu of fractional shares and (C) this clause (5)(b) shall not apply to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness; *provided further* that an ABL Event of Default under Section 8.01 of the ABL Credit Agreement shall not constitute an Event of Default hereunder unless and until (I) in the case of an ABL Event of Default under Section 8.01(b) of the ABL Credit Agreement for failure to comply with the ABL Financial Covenant (after giving effect to all applicable grace periods and the ability to make Specified Equity Contributions in accordance with the terms of the ABL Credit Agreement), a majority of the ABL Lenders have actually declared all ABL Obligations to be immediately due and payable in accordance with the terms of the ABL Credit Agreement and such declaration has not been rescinded by a majority of the ABL Lenders on or before such date or (II) in the case of all other such ABL Events of Default the earlier of (1) 60 consecutive calendar days shall have passed since the occurrence of such ABL Event of Default and (2) the date on which a majority of the ABL Lenders have actually declared all ABL Obligations to be immediately due and payable in accordance with the terms of the ABL Credit Agreement and such declaration has not been rescinded by a majority of the ABL Lenders on or before such date; or

(6) Insolvency Proceedings, etc. Any Loan Party or any Restricted Subsidiary that is a Significant Subsidiary institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, provisional liquidator, rehabilitator, administrator, administrative receiver or similar officer for it or for all or any material part of its property; or any receiver, trustee, custodian, conservator, liquidator, provisional liquidator, rehabilitator, administrator, administrative receiver or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property is instituted without the consent of such Person and continues undismissed or unstayed for sixty (60) calendar days, or an order for relief is entered in any such proceeding; or

(7) Judgments. There is entered against any Loan Party or any Restricted Subsidiary a final judgment and order for the payment of money in an aggregate amount exceeding the Threshold Amount (to the extent not covered by independent third-party insurance as to which the insurer has been notified of such judgment or order and has not denied coverage thereof) and such judgment or order shall not have been satisfied, vacated, discharged or stayed or bonded pending an appeal for a period of sixty (60) calendar days; or

(8) ERISA. (a) An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan or (b) with respect to a Foreign Plan a termination, withdrawal or noncompliance with applicable Law or plan terms, except, with respect to each of the foregoing clauses of this Section 8.01(8), as would not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect; or

(9) Invalidity of Loan Documents. Any material provision of the Loan Documents, taken as a whole, at any time after its execution and delivery and for any reason, other than (a) as expressly permitted by any Loan Documents (including as a result of a transaction permitted under Section 7.03 or 7.04), (b) as a result of acts or omissions by an Agent or any Lender or (c) due to the satisfaction in full of the Termination Conditions, ceases to be in full force and effect; or any Loan Party contests in writing the validity or enforceability of the Loan Documents, taken as a whole (other than as a result of the satisfaction of the Termination Conditions), or any Loan Party denies in writing that it has any or further liability or obligation under the Loan Documents, taken as a whole (other than as a result of the satisfaction of the Termination Conditions), or purports in writing to revoke or rescind the Loan Documents, taken as a whole, prior to the satisfaction of the Termination Conditions;

(10) Collateral Documents. Any Collateral Document with respect to a material portion of the Collateral after delivery thereof pursuant to Section 4.01, 6.11 or 6.13 for any reason (other than pursuant to the terms hereof or thereof including as a result of a transaction not prohibited under this Agreement) ceases to create, a valid and perfected Lien with the priority required by the Applicable Intercreditor Agreement (or other security purported to be created on the applicable Collateral) on and security interest in any material portion of the Collateral purported to be covered thereby, subject to Liens permitted under Section 7.01, except to the extent that any such loss of perfection or priority is not required pursuant to the Collateral and Guarantee Requirement or results from the failure of the Administrative Agent or the Collateral Agent to maintain possession of Collateral actually delivered to it and pledged under the Collateral Documents or to file Uniform Commercial Code amendments relating to a Loan Party's change of name or jurisdiction of formation (solely to the extent that the Borrower provides the Collateral Agent written notice thereof in accordance with the Security Agreement, and the Collateral Agent and the Borrower have agreed that the Collateral Agent will be responsible for filing such amendments) and continuation statements or to take any other action primarily within its control with respect to the Collateral; or

(11) Change of Control. There occurs any Change of Control.

Section 8.02 Remedies upon Event of Default. If any Event of Default occurs and is continuing, the Administrative Agent may with the consent of the Required Lenders and shall, at the request of the Required Lenders, take any or all of the following actions:

(1) declare the Commitments of each Lender to be terminated, whereupon such Commitments will be terminated;

(2) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable under any Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower; and

(3) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law;

provided that upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under Title 11 of the United States Code entitled "Bankruptcy," as now or hereafter in effect, or any successor thereto (the "**Bankruptcy Code**"), the Commitments of each Lender will automatically terminate and the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid will automatically become due and payable without further act of the Administrative Agent or any Lender.

Section 8.03 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable as set forth in the proviso to Section 8.02), subject to the Applicable Intercreditor Agreement then in effect, any amounts received on account of the Obligations will be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to the Administrative Agent in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to the Lenders, ratably among them in proportion to the amounts described in this clause Second payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans, ratably among the Lenders in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans, the other Obligations under Secured Hedge Agreements and Cash Management Obligations, ratably among the Secured Parties in proportion to the respective amounts described in this clause Fourth held by them;

Fifth, to the payment of all other Obligations of the Loan Parties that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by Law.

Section 8.04 Expired Defaults; Net Short Lenders.

(1) The Administrative Agent shall not be entitled to provide a notice of Default under clause (3) or clause (4) of Section 8.01, or exercise remedies pursuant to an Event of Default under clause (2) of Section 8.01, with respect to any such action, event, occurrence or other matter described in any such clause that was reported to the Administrative Agent and the Lenders, or otherwise reported publicly, more than two (2) years after the date on which such action, event, occurrence or other matter was reported to the Administrative Agent and the Lenders or publicly announced; *provided* that such limitation shall not apply to the extent the Administrative Agent has commenced any remedial action or has provided notice to the Borrower that it reserved its rights relating to such Default.

(2) Any notice of Default, notice of acceleration or instruction to the Administrative Agent to provide a notice of Default, notice of acceleration or take any other action (a "**Lender Direction**") provided by any one or more Lenders (each a "**Directing Lender**") will be deemed to be a representation from each such Lender to the Borrower and the Administrative Agent that such Lender is not Net Short (a "**Position Representation**"), which representation, in the case of a Lender Direction relating to the delivery of a notice of Default shall be deemed a continuing representation until the resulting Event of Default is cured or otherwise ceases to exist or the Obligations are accelerated. In addition, each Directing Lender is deemed, at the time of providing a Lender Direction, to covenant to provide the Borrower with such other information as the Borrower may reasonably request from time to time in order to verify the accuracy of such lender's Position Representation within five Business Days of request therefor (a "**Verification Covenant**").

(3) If, following the delivery of a Lender Direction, but prior to acceleration of the Obligations, the Borrower determines in good faith that there is a reasonable basis to believe a Directing Lender was, at any relevant time, in breach of its Position Representation and provides to the Administrative Agent an Officer's Certificate stating that the Borrower has initiated litigation in a court of competent jurisdiction seeking a determination that such Directing Lender was, at such time, in breach of its Position Representation, and seeking to invalidate any Default, Event of Default or acceleration (or notice thereof) that resulted from the applicable Lender Direction, and solely to the extent that any Lender Direction is not otherwise made or action by the Administrative Agent is not otherwise being taken in accordance with the Loan Documents without the applicable Lender participating in such Lender Direction, the cure period with respect to such Default shall be automatically stayed and the cure period with respect to such Default or Event of Default shall be automatically reinstituted and any remedy stayed until the earlier of (x) a final and non-appealable determination of a court of competent jurisdiction on such matter or (y) the Borrower has provided to the Administrative Agent an Officer's Certificate stating that the applicable Directing Lender has provided information verifying the accuracy of such Lender's deemed representation or warranty with respect to such Directing Lender not being Net Short. Following receipt of an Officer's Certificate pursuant to clause (y) of the preceding sentence, the Administrative Agent shall be permitted to act in accordance with such Lender Direction. Any determination by a court of competent jurisdiction that there was a breach of the Position Representation shall result in such Lender's participation in such Lender Direction being disregarded; and, if, without the participation of such Lender, the percentage of Obligations held by the remaining Lenders that provided such Lender Direction would have been insufficient to validly provide such Lender Direction, such Lender Direction shall be void ab initio, with the effect that any resulting acceleration shall be voided and the Administrative Agent shall be deemed not to have received such Lender Direction.

(4) Notwithstanding anything in the preceding two paragraphs to the contrary, any Lender Direction delivered to the Administrative Agent during the pendency of an Event of Default under Section 8.01(6) shall not require compliance with the foregoing paragraphs.

(5) For the avoidance of doubt, the Administrative Agent shall be entitled to conclusively rely on any Lender Direction delivered to it in accordance with this Agreement, shall have no duty to inquire as to or investigate the accuracy of any Position Representation, verify any statements in any Officer's Certificate delivered to it, or otherwise make calculations, investigations or determinations with respect to Derivative Instruments, Net Shorts, Long Derivative Instruments, Short Derivative Instruments or otherwise. The Administrative Agent shall have no liability to the Borrower, any Lender or any other person in acting in good faith on a Lender Direction.

ARTICLE IX

ADMINISTRATIVE AGENT AND OTHER AGENTS

Section 9.01 Appointment and Authorization of the Administrative Agent.

(1) Each Lender hereby irrevocably appoints Bank of America, to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article IX (other than Sections 9.09, 9.10, 9.11, 9.12 and 9.16) are solely for the benefit of the Administrative Agent and the Lenders and the Borrower shall not have rights as a third-party beneficiary of any such provision.

(2) The Administrative Agent shall also act as the "collateral agent" under the Loan Documents, and each of the Lenders (including in its capacities as a Lender and a potential Hedge Bank or Cash Management Bank) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of or in trust for) such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as "collateral agent" (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the "collateral agent" under the Loan Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including any Applicable Intercreditor Agreement), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

Section 9.02 Rights as a Lender. Any Lender that is also serving as an Agent (including as Administrative Agent) hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include each Lender (if any) serving as an Agent hereunder in its individual capacity. Any such Person serving as an Agent and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

Section 9.03 Exculpatory Provisions. The Administrative Agent, Collateral Agent and the Arrangers shall not have any duties or responsibilities except those expressly set forth in this Agreement and in the other Loan Documents. Without limiting the generality of the foregoing, an Agent (including the Administrative Agent) and an Arranger:

(1) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing and without limiting the generality of the foregoing, the use of the term "agent" herein and in the other Loan Documents with reference to any Agent or Arranger is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law and instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties;

(2) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent or Arranger is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); *provided* that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent or Arranger to liability or that is contrary to any Loan Document or applicable law; and

(3) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of their Affiliates that is communicated to or obtained by any Person serving as an Agent, Arranger or any of their Affiliates in any capacity.

Neither the Administrative Agent nor any of its Related Persons shall be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in

Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by the final and non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Borrower or a Lender.

No Agent-Related Person shall be responsible for or have any duty to ascertain or inquire into (i) any recital, statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof. The duties of the Administrative Agent shall be mechanical and administrative in nature; the Administrative Agent shall not have by reason of this Agreement or any other Loan Document a fiduciary relationship in respect of any Lender or the holder of any Term Note; and nothing in this Agreement or in any other Loan Document, expressed or implied, is intended to or shall be so construed as to impose upon the Administrative Agent any obligations in respect of this Agreement or any other Loan Document except as expressly set forth herein or therein.

Notwithstanding any other provision of this Agreement or any provision of any other Loan Document, each Arranger is named as such for recognition purposes only, and in its capacity as such shall have no powers, duties, responsibilities or liabilities with respect to this Agreement or the other Loan Documents or the transactions contemplated hereby and thereby; it being understood and agreed that each Arranger shall be entitled to all indemnification and reimbursement rights in favor of the Administrative Agent as, and to the extent, provided for under Section 10.05. Without limitation of the foregoing, each Arranger shall not, solely by reason of this Agreement or any other Loan Documents, have any fiduciary relationship in respect of any Lender or any other Person.

Section 9.04 Lack of Reliance on the Administrative Agent. Independently and without reliance upon the Administrative Agent, each Lender and the holder of each Term Note, to the extent it deems appropriate, has made and shall continue to make (i) its own independent investigation of the financial condition and affairs of Holdings, the Borrower and the Restricted Subsidiaries in connection with the making and the continuance of the Loans and the taking or not taking of any action in connection herewith and (ii) its own appraisal of the creditworthiness of Holdings, the Borrower and the Restricted Subsidiaries and, except as expressly provided in this Agreement, the Administrative Agent shall not have any duty or responsibility, either initially or on a continuing basis, to provide any Lender or the holder of any Term Note with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter. The Administrative Agent shall not be responsible to any Lender or the holder of any Term Note for any recitals, statements, information,

representations or warranties herein or in any document, certificate or other writing delivered in connection herewith or for the execution, effectiveness, genuineness, validity, enforceability, perfection, collectability, priority or sufficiency of this Agreement or any other Loan Document or the financial condition of Holdings, the Borrower or any of the Restricted Subsidiaries or be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement or any other Loan Document, or the financial condition of Holdings, the Borrower or any of the Restricted Subsidiaries or the existence or possible existence of any Default or Event of Default.

Section 9.05 Certain Rights of the Administrative Agent. If the Administrative Agent requests instructions from the Required Lenders (or such greater percentage of Lenders required) with respect to any act or action (including failure to act) in connection with this Agreement or any other Loan Document, the Administrative Agent shall be entitled to refrain from such act or taking such action unless and until the Administrative Agent shall have received instructions from the Required Lenders (or such greater percentage of Lenders required); and the Administrative Agent shall not incur liability to any Lender by reason of so refraining. Without limiting the foregoing, neither any Lender nor the holder of any Term Note shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting hereunder or under any other Loan Document in accordance with the instructions of the Required Lenders (or such greater percentage of Lenders required).

Section 9.06 Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall be fully protected in relying upon, any note, writing, resolution, notice, statement, certificate, telex, teletype or facsimile message, cablegram, radiogram, order or other document or telephone message signed, sent or made by any Person that the Administrative Agent believed to be the proper Person, and, with respect to all legal matters pertaining to this Agreement and any other Loan Document and its duties hereunder and thereunder, upon advice of counsel selected by the Administrative Agent. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 9.07 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Documents by or through any one or more sub agents appointed by the Administrative Agent. The Administrative Agent and any such sub agent may perform any and all of its duties and exercise its rights and powers by or through their respective Agent-Related Persons. The exculpatory provisions of this Article shall apply to any such sub agent and to the Agent-Related Persons of the Administrative Agent and any such sub agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Section 9.08 Indemnification. Whether or not the transactions contemplated hereby are consummated, to the extent the Administrative Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) is not reimbursed and indemnified by the Borrower, the Lenders will reimburse and indemnify the Administrative Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) in proportion to their respective "percentage" as used in determining the Required Lenders for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document; *provided* that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's or any other Agent-Related Person's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.08 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower; *provided* that such reimbursement by the Lenders shall not affect the Borrower's continuing reimbursement obligations with respect thereto; *provided further* that the failure of any Lender to indemnify or reimburse the Administrative Agent shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this Section 9.08 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent.

Section 9.09 The Administrative Agent in Its Individual Capacity. With respect to its obligation to make Loans under this Agreement, the Administrative Agent shall have the rights and powers specified herein for a "Lender" and may exercise the same rights and powers as though it were not performing the duties specified herein; and the term "Lender," "Required Lenders" or any similar terms shall, unless the context clearly indicates otherwise, include the Administrative Agent in its respective individual capacities. The Administrative Agent and its affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, investment banking, trust or other business with, or provide debt financing, equity capital or other services (including financial advisory services) to any Loan Party or any Affiliate of any Loan Party (or any Person engaged in a similar business with any Loan Party or any Affiliate thereof) as if they were not performing the duties specified herein, and may accept fees and other consideration from any Loan Party or any Affiliate of any Loan Party for services in connection with this Agreement and otherwise without having to account for the same to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

Section 9.10 Holders. The Administrative Agent may deem and treat the payee of any Term Note as the owner thereof for all purposes hereof unless and until a written notice of the assignment, transfer or endorsement thereof, as the case may be, shall have been filed with the Administrative Agent. Any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is the holder of any Term Note shall be conclusive and binding on any subsequent holder, transferee, assignee or endorsee, as the case may be, of such Term Note or of any Term Note or Term Notes issued in exchange therefor.

Section 9.11 Resignation by the Administrative Agent. The Administrative Agent may resign from the performance of all its respective functions and duties hereunder or under the other Loan Documents at any time by giving 30 Business Days prior written notice to the Lenders and the Borrower. If the Administrative Agent is in material breach of its obligations hereunder as Administrative Agent, then the Administrative Agent may be removed as the Administrative Agent at the reasonable request of the Required Lenders. If the Administrative Agent is a Defaulting Lender, the Borrower may remove the Defaulting Lender from such role upon 15 days prior written notice to the Lenders. Such resignation or removal shall take effect upon the appointment of a successor Administrative Agent as provided below.

Upon any such notice of resignation by, or notice of removal of, the Administrative Agent, the Required Lenders shall appoint a successor Administrative Agent hereunder or thereunder who shall be a commercial bank or trust company reasonably acceptable to the Borrower, which acceptance shall not be unreasonably withheld or delayed (*provided* that the Borrower's approval shall not be required if an Event of Default under Section 8.01(1) or Section 8.01(6) (solely with respect to Holdings and the Borrower) has occurred and is continuing).

If a successor Administrative Agent shall not have been so appointed and shall have accepted such appointment within such 30 Business Day after the retiring Administrative Agent gives notice of its resignation (the "**Resignation Effective Date**"), the Administrative Agent, with the consent of the Borrower (which consent shall not be unreasonably withheld or delayed; *provided* that the Borrower's consent shall not be required if an Event of Default under Section 8.01(1) or Section 8.01(6) (solely with respect to Holdings and the Borrower) has occurred and is continuing), may (but shall not be obligated to) then appoint a successor Administrative Agent who shall serve as Administrative Agent hereunder or thereunder until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

If no successor Administrative Agent has been appointed pursuant to the foregoing by the 35th Business Day after the date such notice of resignation was given by the Administrative Agent or such notice of removal was given by the Required Lenders or the Borrower, as applicable, the Administrative Agent's resignation shall nonetheless become effective and the Required Lenders shall thereafter perform all the duties of the Administrative Agent hereunder or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above. The retiring Administrative Agent shall be discharged

from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Loan Documents, the retiring Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.11.

Upon the acceptance of a successor's appointment as Administrative Agent hereunder and upon the execution and filing or recording of such financing statements, or amendments thereto, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to (i) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (ii) otherwise ensure that the Collateral and Guarantee Requirement is satisfied, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent, and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.11).

The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

Upon a resignation of the Administrative Agent pursuant to this Section 9.11, the Administrative Agent (i) shall continue to be subject to Section 10.09 and (ii) shall remain indemnified to the extent provided in this Agreement and the other Loan Documents and the provisions of this Article IX (and the analogous provisions of the other Loan Documents) shall continue in effect for the benefit of the Administrative Agent for all of its actions and inactions while serving as the Administrative Agent.

Section 9.12 Collateral Matters. Each Lender (including in its capacities as a potential Cash Management Bank and a potential Hedge Bank) irrevocably authorizes and directs the Collateral Agent to take the actions to be taken by them as set forth in Section 7.04 and 10.24.

Each Lender hereby agrees, and each holder of any Term Note by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Required Lenders (or such greater percentage of Lenders required) in accordance with the provisions of this Agreement or the Collateral Documents, and the exercise by the Required Lenders (or such greater percentage of Lenders required) of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Collateral Agent is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, to take any action with respect to any Collateral or Collateral Documents which may be necessary to perfect and maintain perfected the security interest in and liens upon the Collateral granted pursuant to the Collateral Documents.

Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release particular types or items of Collateral pursuant to this Section 9.12. In each case as specified in this Section 9.12, the applicable Agent will (and each Lender irrevocably authorizes the applicable Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.12.

The Collateral Agent shall have no obligation whatsoever to the Lenders or to any other Person to assure that the Collateral exists or is owned by any Loan Party or is cared for, protected or insured or that the Liens granted to the Collateral Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 9.12, Section 10.24 or in any of the Collateral Documents, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, given the Collateral Agent's own interest in the Collateral as one of the Lenders and that the Collateral Agent shall have no duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

Section 9.13 Certain ERISA Matters.

(1) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of the Administrative Agent and each other Arranger and their respective Affiliates and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(a) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise for purposes of Title I of ERISA or Section 4975 of the Code) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments or this Agreement,

(b) the prohibited transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96- 23 (a class exemption for certain transactions determined by in-house asset managers), is applicable so as to exempt from the prohibitions of Section 406 of ERISA and Section 4975 of the Code, such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement,

(c) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (a) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement.

(2) In addition, unless sub-clause (a) in the immediately preceding clause (1) is true with respect to a Lender, such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and each other Arranger and their respective Affiliates and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that none of the Administrative Agent or any other Arranger or any of their respective Affiliates is a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

Section 9.14 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.09 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;
and any custodian, receiver, assignee, trustee, provisional liquidator, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under Sections 2.09 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 9.15 Appointment of Supplemental Administrative Agents.

(1) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent is hereby authorized to appoint an additional individual or institution selected by the Administrative Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a "**Supplemental Administrative Agent**" and collectively as "**Supplemental Administrative Agents**").

(2) In the event that the Administrative Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable by either the Administrative Agent or such Supplemental Administrative Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 that refer to the Administrative Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Administrative Agent shall be deemed to be references to the Administrative Agent or such Supplemental Administrative Agent, as the context may require.

(3) Should any instrument in writing from any Loan Party be reasonably required by any Supplemental Administrative Agent so appointed by the Administrative Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments reasonably acceptable to it promptly upon request by the Administrative Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Administrative Agent.

Section 9.16 Intercreditor Agreements. (a) Notwithstanding anything to the contrary in this Agreement or in any other Loan Document: (a) the Liens granted to the Collateral Agent in favor of the Secured Parties pursuant to the Loan Documents and the exercise of any right related to any Collateral shall be subject, in each case, to the terms of the ABL Intercreditor Agreement or any other Applicable Intercreditor Agreement, (b) in the event of any conflict between the express terms and provisions of this Agreement or any other Loan Document, on the one hand, and of the ABL Intercreditor Agreement or any other Applicable Intercreditor Agreement, on the other hand, the terms and provisions of the ABL Intercreditor Agreement or such other Applicable Intercreditor Agreement, as the case may be, shall control, and (c) each Lender (and, by its acceptance of the benefits of any Collateral Document, each other Secured Party) hereunder authorizes and instructs the Administrative Agent and Collateral Agent to execute the ABL Intercreditor Agreement or any other Applicable Intercreditor Agreement on behalf of such Lender, and such Lender agrees to be bound by the terms thereof.

Section 9.17 Secured Cash Management Agreements and Secured Hedge Agreements. Except as otherwise expressly set forth herein or in any Guaranty or any Collateral Document, no Cash Management Bank or Hedge Bank that obtains the benefits of Section 8.03, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

Section 9.18 Withholding Tax. To the extent required by any applicable Laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 3.01, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within 10 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because

such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.18. The agreements in this Section 9.18 shall survive the resignation or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

Section 9.19 Recovery of Erroneous Payments. Without limitation of any other provision in this Agreement, if at any time the Administrative Agent makes a payment hereunder in error to any Lender (the "**Credit Party**"), whether or not in respect of an Obligation due and owing by the Borrower at such time, where such payment is a Rescindable Amount, then in any such event, each Credit Party receiving a Rescindable Amount severally agrees to repay to the Administrative Agent forthwith on demand the Rescindable Amount received by such Credit Party in immediately available funds in the currency so received, with interest thereon, for each day from and including the date such Rescindable Amount is received by it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. Each Credit Party irrevocably waives any and all defenses, including any "discharge for value" (under which a creditor might otherwise claim a right to retain funds mistakenly paid by a third party in respect of a debt owed by another) or similar defense to its obligation to return any Rescindable Amount. The Administrative Agent shall inform each Credit Party promptly upon determining that any payment made to such Credit Party comprised, in whole or in part, a Rescindable Amount. Notwithstanding anything to the contrary herein or in any other Loan Document, the provisions of this paragraph are solely agreements among the Credit Parties and the Administrative Agent and shall not impose any obligations on the Borrower or the other Loan Parties.

ARTICLE X

MISCELLANEOUS

Section 10.01 Amendments, etc.

(1) Except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (other than with respect to any amendment or waiver contemplated in clause (i) below), which shall only require the consent of the Required Facility Lenders under the applicable Facility or Facilities) and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent, and the Administrative Agent hereby agrees to acknowledge any such waiver, consent or amendment that otherwise satisfies the requirements of this Section 10.01 as promptly as possible, however, to the extent the final form of such waiver, consent or amendment has been delivered to the Administrative Agent at least 1 Business Day prior to the proposed effectiveness of the consents by the Lenders party thereto, the Administrative Agent shall acknowledge such waiver, consent or amendment (i) immediately, in the case of any

amendment which does not require the consent of any existing Lender under this Agreement (*provided* that the failure to acknowledge such amendment within such 1 Business Day period shall be deemed to be an acknowledgment) or (ii) otherwise, within 2 hours of the time copies of the Required Lender consents or other applicable Lender consents required by this Section 10.01 have been provided to the Administrative Agent and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided* that no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.01 or the waiver of any Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for, or reduce the amount of, any payment of principal or interest under Section 2.07 or 2.08 (other than pursuant to Section 2.08(2)) or any payment of fees or premiums hereunder or under any Loan Document with respect to payments to any Lender without the written consent of such Lender, it being understood that none of the following will constitute a postponement of any date scheduled for, or a reduction in the amount of, any payment of principal, interest, fees or premiums: the waiver of (or amendment to the terms of) any mandatory prepayment of the Loans;

(c) reduce the principal of, or the rate of interest specified herein on, any Loan, or (subject to clause (I) of the proviso immediately succeeding clause (i) of this Section 10.01(1)) any fees or other amounts payable hereunder or under any other Loan Document to any Lender without the written consent of such Lender; *provided* that only the consent of (A) the Required Lenders shall be necessary to amend (1) the definition of "Default Rate" and (2) the MFN Protection Provision and (B) the Required Lenders will be necessary to waive any obligation of the Borrower to pay interest at the Default Rate;

(d) except as contemplated by clause (C) in the second proviso immediately succeeding clause (i) of this Section 10.01(1), change any provision of this Section 10.01 or the definition of "Required Lenders" or "Required Facility Lenders," or any other provision specifying the number of Lenders or portion of the Loans or Commitments required to take any action under the Loan Documents, without the written consent of each Lender;

(e) other than in a transaction permitted under Section 7.03 or Section 7.04, release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender; or

(f) other than in a transaction permitted under Section 7.03 or Section 7.04, release all or substantially all of the aggregate value of the Guaranty, without the written consent of each Lender;

(g) without the prior written consent of each Lender directly and adversely affected thereby, (x) subordinate any of the Obligations, including the payment priority thereof, to any other Indebtedness or (y) subordinate the Lien securing any of the Obligations on all or substantially all of the Collateral to any other Lien securing any other Indebtedness, except in the case of each of the foregoing clauses (x) and (y) (A) any Indebtedness that is expressly permitted under the Loan Documents as in effect on the Closing Date to be senior to the Obligations and/or be secured by a Lien that is senior to the Lien securing the Obligations, (B) any Indebtedness incurred pursuant to a bona fide revolving credit facility (including the ABL Facility) or any customary asset-based, factoring, securitization or other similar facility the incurrence of which is otherwise approved by the Required Lenders, (C) any "debtor-in-possession" facility or (D) any other Indebtedness so long as such Indebtedness is offered ratably to all Lenders holding such Obligations;

(h) without the prior written consent of each Lender directly and adversely affected thereby, amend, modify or waive the definition of "Pro Rata Share", the pro rata sharing provisions of Section 8.03 or Section 2.12 or the waterfall provisions of Section 8.03, in each case other than to the extent in connection with a transaction described in clause (g) of this Section 10.01 for which Required Lender consent is sufficient and has been achieved;

(i) amend, waive or otherwise modify any term or provision (including the availability and conditions to funding and the rate of interest applicable thereto) which directly affects Lenders of one Facility and does not directly affect Lenders under any other Facility, in each case, without the written consent of the Required Facility Lenders under such applicable Facility;

provided that:

(I) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; and

(II) Section 10.07(g) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification;

provided further that notwithstanding the foregoing:

(A) no Defaulting Lender shall have any right to approve or disapprove of any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders, the Required Lenders, the Required Facility Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders) (it being understood that any Commitments or Loans held or deemed held by any Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring any consent of the Lenders);

(B) no Lender consent is required to effect any amendment or supplement to any Applicable Intercreditor Agreement (i) that is for the purpose of adding the holders of Permitted Incremental Equivalent Debt, Credit Agreement Refinancing Indebtedness or any other Permitted Indebtedness that is secured Indebtedness (or a Debt Representative with respect thereto) as parties thereto, as expressly contemplated by the terms of such Applicable Intercreditor Agreement, as applicable (it being understood that any such amendment, modification or supplement may make such other changes to the Applicable Intercreditor Agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing and *provided* that such other changes are not adverse, in any material respect, to the interests of the Lenders) or (ii) that is expressly contemplated by any Applicable Intercreditor Agreement; *provided further* that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent or the Collateral Agent, as applicable;

(C) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the accrued interest and fees in respect thereof and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders;

(D) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by the Borrower and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section 10.01 if such Class of Lenders were the only Class of Lenders hereunder at the time;

(E) Without limiting the scope of Section 10.01(3) below, any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent to cure any ambiguity, omission, defect or inconsistency (including amendments, supplements or waivers to any of the Collateral Documents, guarantees, intercreditor agreements or related

documents executed by any Loan Party or any other Subsidiary in connection with this Agreement if such amendment, supplement or waiver is delivered in order to cause such Collateral Documents, guarantees, intercreditor agreements or related documents to be consistent with this Agreement and the other Loan Documents) so long as, in each case, the Lenders shall have received at least 5 Business Days' prior written notice thereof and the Administrative Agent shall not have received, within 5 Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment; *provided* that the consent of the Lenders or the Required Lenders, as the case may be, shall not be required to make any such changes necessary to be made in connection with any borrowing of Incremental Term Loans, any borrowing of Refinancing Loans, any Extension or any borrowing of Replacement Loans and otherwise to effect the provisions of Section 2.14, 2.15, 2.16 or 2.20, respectively;

(F) the Borrower and the Administrative Agent may, without the input or consent of the other Lenders, (i) effect changes to any other Security Document as may be necessary or appropriate in the opinion of the Collateral Agent and (ii) effect changes to this Agreement that are necessary and appropriate to effect the offering process set forth in Section 2.05(1)(e); and

(G) no consent of the Required Lenders or Required Facility Lenders of any Class shall be required for any amendment, waiver or consent that requires the consent of the Lenders directly affected thereby.

(2) [Reserved].

(3) In addition, notwithstanding anything to the contrary in this Section 10.01,

(a) the Guaranty, the Collateral Documents and related documents executed by any Loan Party or any Restricted Subsidiary in connection with this Agreement and the other Loan Documents may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities or defects or (iii) to cause the Guaranty, Collateral Documents or other document to be consistent with this Agreement and the other Loan Documents (including by adding additional parties as contemplated herein or therein);

(b) if the Administrative Agent and the Borrower shall have jointly identified an obvious error (including, but not limited to, an incorrect cross-reference) or any error or omission of a technical or immaterial nature, in each case, in any provision of this Agreement or any other Loan Document (including, for the avoidance of doubt, any exhibit, schedule or other attachment to any Loan Document), then the Administrative

Agent (acting in its sole discretion) and the Borrower or any other relevant Loan Party shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document. Notification of such amendment shall be made by the Administrative Agent to the Lenders promptly upon such amendment becoming effective; and

(c) technical and conforming modifications to the Loan Documents may be made with the consent of the Borrower and the Administrative Agent (and no other Person) to the extent necessary to (i) to integrate any Incremental Term Facility, Refinancing Loans, Extended Loans or Replacement Loans, (ii) to integrate the terms or conditions from any Incremental Amendment that are more restrictive than this Agreement in accordance with Section 2.14(7)(d), (iii) to increase the interest rates (including any interest rate margins or interest rate floors), fees and other amounts payable to any Class or Classes of Lenders hereunder, (iv) increase, expand and/or extend the call protection provisions and any "most favored nation" provisions benefiting any Class or Classes of Lenders hereunder (including, for the avoidance of doubt, the provisions of Sections 2.18 and 2.14(8) hereof) and/or (v) modify any other provision hereunder or under any other Loan Document in a manner more favorable to the then-existing Lenders or Class or Classes of Lenders, in each case in connection with the issuance or incurrence of any Incremental Term Facility or other Indebtedness permitted hereunder, where the terms of any such Incremental Term Facility or other Indebtedness are more favorable to the lenders thereof than the corresponding terms applicable to other Loans or Commitments then existing hereunder, and it is intended that one or more then-existing Classes of Loans or Commitments under this Agreement share in the benefit of such more favorable terms in order to comply with the provisions hereof relating to the incurrence of such Incremental Term Facility or other Indebtedness; *provided* that the consent of the Lenders or the Required Lenders, as the case may be, shall not be required to make any such changes necessary to be made in connection with any borrowing of Incremental Term Loans, any borrowing of Refinancing Loans, any Extension or any borrowing of Replacement Loans and otherwise to effect the provisions of Section 2.14, 2.15 or 2.16 or the immediately succeeding paragraph of this Section 10.01, respectively;

(d) this Agreement and any other Loan Document may be amended (or amended and restated) solely with the consent of the Administrative Agent and the Borrower without the need to obtain the consent of any other Lender if such amendment is delivered in a manner not materially adverse to the Lenders taken as a whole (in their capacities as such) (as determined by the Administrative Agent in good faith) in connection with incurring a fungible debt facility; and

(e) each amendment to this Agreement providing for Replacement Loans may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower to effect the provisions of this paragraph, and for the avoidance of doubt, this paragraph shall supersede any other provisions in this Section 10.01 to the contrary.

Section 10.02 Notices and Other Communications; Facsimile Copies.

(1) General. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(a) if to Holdings, the Borrower or the Administrative Agent, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 10.02; and

(b) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next succeeding Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (2) below shall be effective as provided in such subsection (2).

(2) Electronic Communication. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; *provided* that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; *provided* that approval of such procedures may be limited to particular notices or communications.

(3) Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next succeeding Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(4) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Agent-Related Persons or any Arranger (collectively, the "**Agent Parties**") have any liability to Holdings, the Borrower, any Lender, or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Agent Party; *provided*, *however*, that in no event shall any Agent Party have any liability to Holdings, the Borrower, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(5) Change of Address. Each Loan Party and the Administrative Agent may change its address, facsimile or telephone number for notices and other communications hereunder by written notice to the other parties hereto. Each other Lender may change its address, facsimile or telephone number for notices and other communications hereunder by written notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

(6) Reliance by the Administrative Agent. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, each Lender and the Agent-Related Persons of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 10.03 No Waiver; Cumulative Remedies. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders; *provided*, *however*, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) any Lender from exercising setoff rights in accordance with Section 10.10 (subject to the terms of Section 2.13), or (c) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and *provided further* that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b) and (c) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

Section 10.04 Costs and Expenses. The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse the Administrative Agent and the Arrangers for all reasonable and documented out-of-pocket costs and expenses of the Administrative Agent and the Arrangers (promptly following a written demand therefor, together with backup documentation supporting such reimbursement request) incurred in connection with the preparation, negotiation, syndication, execution, delivery and administration of this Agreement and the other Loan Documents and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including all Attorney Costs of Latham & Watkins LLP and, if necessary, a single local counsel in each relevant material jurisdiction, and (b) upon presentation of a summary statement, together with any supporting documentation reasonably requested by the Borrower, to pay or reimburse the Administrative Agent and the other Lenders, taken as a whole, promptly following a written demand therefor for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all Attorney Costs of one counsel to the Administrative Agent and the Lenders taken as a whole (and, if necessary, one local counsel in any relevant material jurisdiction and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Lenders similarly situated taken as a whole)). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid promptly following receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail.

Section 10.05 Indemnification by the Borrower. The Borrower shall indemnify and hold harmless the Agents, each other Lender, the Arrangers and their respective Related Persons (collectively, the "**Indemnitees**") from and against any and all losses, claims, damages, liabilities or expenses (including Attorney Costs and Environmental Liabilities to the extent related to the Loan Parties) to which any such Indemnitee may become subject arising out of, resulting from or in connection with (but limited, in the case of legal fees and expenses, to the reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, a single local counsel for all Indemnitees taken as a whole in each relevant jurisdiction, and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Indemnitees similarly situated taken as a whole) any (i) actual or threatened claim, litigation, investigation, proceeding or Environmental Liabilities relating to the Transactions or to each Loan Party and each of its Restricted Subsidiaries and their respective operations and any of the respective currently or formerly owned, leased or operated real estate, facilities or properties, or (ii) to the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents, the Loans or the use, or proposed use of the proceeds therefrom, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, litigation, investigation or proceeding), and regardless of whether any Indemnitee is a party thereto (all the foregoing, collectively, the "**Indemnified Liabilities**"); *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or expenses resulted from (w) the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Indemnified Persons as determined by a final, non-appealable judgment of a court of competent jurisdiction, (x) a material breach of any obligations under any Loan Document by such Indemnitee or any of its Related Indemnified Persons as determined by a final, non-appealable judgment of a court of competent jurisdiction, (y) in the case of any loss, claim damage or liability brought by any Loan Party or any of its Restricted Subsidiaries, a material breach of the obligations under the Engagement Letter, the Agency Fee Letter or the other Loan Documents of such Indemnitee or any of its Related Indemnified Persons as determined by a final, non-appealable judgment of a court of competent jurisdiction or (z) any dispute solely among Indemnitees other than any claims against an Indemnitee in its capacity or in fulfilling its role as an administrative agent or arranger or any similar role under any Loan Document and other than any claims arising out of any act or omission of the Borrower or any of their Affiliates (as determined by a final, non-appealable judgment of a court of competent jurisdiction). To the extent that the undertakings to indemnify and hold harmless set forth in this Section 10.05 may be unenforceable in whole or in part because they are violative of any applicable law or public policy, the Borrower shall contribute the maximum portion that they are permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by the Indemnitees or any of them. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement (except to the extent such damages are found in a final non-appealable judgment of a court of competent jurisdiction to have resulted from the willful misconduct, bad faith or gross negligence of such Indemnitee), nor shall any Indemnitee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating

to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (other than, in the case of any Loan Party, in respect of any such damages incurred or paid by an Indemnitee to a third party for which such Indemnitee is otherwise entitled to indemnification pursuant to this Section 10.05). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this Section 10.05 shall be paid within 20 Business Days after written demand therefor. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. This Section 10.05 shall not apply to Taxes, except any Taxes that represent losses or damages arising from any non-Tax claim. Notwithstanding the foregoing, each Indemnitee shall be obligated to refund and return promptly any and all amounts paid by the Borrower under this Section 10.05 to such Indemnitee for any such fees, expenses or damages to the extent such Indemnitee is not entitled to payment of such amounts in accordance with the terms hereof.

Section 10.06 Marshaling; Payments Set Aside. None of the Administrative Agent or any Lender shall be under any obligation to marshal any assets in favor of the Loan Parties or any other party or against or in payment of any or all of the Obligations. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect.

Section 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Loan Party may, except as permitted by Section 7.03, assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder (including to existing Lenders and their Affiliates) except (i) to an Eligible Assignee and (A) in the case of any Eligible Assignee that, immediately prior to or upon giving effect to such assignment, is an Affiliated Lender, in accordance with the provisions of Section 10.07(h) and (B) in the case of any Eligible Assignee that is a Loan Party or any Subsidiary thereof, in accordance with the provisions of Section 10.07(l), (ii) by way of participation in accordance with the provisions of

Section 10.07(d), or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(f), or (iv) to an SPC in accordance with the provisions of Section 10.07(g) (and any other attempted assignment or transfer by any party hereto (other than the replacement of the Administrative Agent pursuant to Article IX above) shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(d) and, to the extent expressly contemplated hereby, Related Persons of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); *provided* that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section 10.07, the aggregate amount of the Commitment or, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than $1.0 million, unless either (x) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund or (y) each of the Administrative Agent and the Borrower otherwise consents; *provided*, *however*, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met.

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by Section 10.07(b)(i)(B) and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default under Section 8.01(1) or Section 8.01(6) (solely with respect to Holdings and the Borrower) has occurred and is continuing at the time of such assignment determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if a "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date or (2) in respect of an assignment of all or a portion of the Loans, such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; *provided* that the Borrower shall be deemed to have consented to any assignment of all or a portion of the Term Loans unless it shall have objected thereto by written notice to the Administrative Agent within 10 Business Days after having received notice of a failure to respond to such request for assignment; *provided further* that no consent of the Borrower shall be required for an assignment of all or a portion of the Loans pursuant to Section 10.07(h), (k) or (l); and

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required if such assignment is to a Person that is not a Lender, an Affiliate of a Lender or an Approved Fund with respect to a Lender; *provided* that no consent of the Administrative Agent shall be required for an assignment (i) of all or a portion of the Loans pursuant to Section 10.07(g), (h), (k) or (l).

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent). Other than in the case of assignments pursuant to Section 10.07(l), the Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire. Each assignee Lender shall be required to represent in the Assignment and Assumption that it is not a Disqualified Institution or an Affiliate of a Disqualified Institution.

(v) No Assignments to Certain Persons. No such assignment shall be made (A) to any Loan Party or any of its Subsidiaries except as permitted under Section 2.05(1)(e) or Section 10.07(l), (B) subject to Sections 10.07(h), (k) and (l) below, to any Affiliate of the Borrower, (C) to a natural person or (D) to any Disqualified Institution.

This Section 10.07(b) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis among such Facilities.

In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or sub participations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans in accordance with its Pro Rata Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to clause (c) of this Section 10.07 (and, in the case of an Affiliated Lender or a Person that, after giving effect to such assignment, would become an Affiliated Lender, to the requirements of clause (h) of this Section 10.07), from and after the effective date specified in each Assignment and Assumption, other than in connection with an assignment pursuant to Section 10.07(l), (x) the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and (y) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment), but shall in any event continue to be subject to Section 10.09. Upon request, and the surrender by the assigning Lender of its Term Note, the Borrower (at its expense) shall execute and deliver a Term Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(d).

(c) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it, each Affiliated Lender Assignment and Assumption delivered to it, each notice of cancellation of any Loans delivered by the Borrower pursuant to subsections (h) or (l) below, and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans and amounts due under Section 2.03, owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent-

Related Persons and, with respect to its own Loans, any Lender, at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(c) and Section 2.11 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations). Notwithstanding the foregoing, in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender, nor shall the Administrative Agent be obligated to monitor the aggregate amount of the Term Loans or Incremental Term Loans held by Affiliated Lenders.

(d) Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person, the Borrower or any Affiliate or Subsidiary of the Borrower or a Disqualified Institution to the extent the list of Disqualified Institutions has been made available to the Lenders, following reasonable request therefor) (each, a "**Participant**") in all or a portion of such Lender's rights or obligations under this Agreement (including all or a portion of its Commitment or the Loans owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 (other than clauses (d) and (i) thereof) that directly affects such Participant. Subject to subsection (e) of this Section 10.07, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01 (subject to the requirements of Section 3.01 (including subsections (2), (3) and (4), as applicable as though it were a Lender)), 3.04 and 3.05 (through the applicable Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section 10.07. To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.10 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.13 as though it were a Lender.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. Each Lender that sells a participation shall (acting solely for this purpose as a non-fiduciary agent of the Borrower) maintain a register complying with the requirements of Sections 163(f), 871(h) and 881(c)(2) of the Code and the Treasury regulations issued thereunder on which is entered the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "**Participant Register**"). The

entries in the Participant Register shall be conclusive absent manifest error, and such Lender and the Borrower shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary; *provided* that no Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or other obligations under any Loan Document) to any Person except to the extent such disclosure is necessary to establish that any such commitments, loans, letters of credit or other obligations are in registered form for U.S. federal income tax purposes. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Term Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any other central bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "**SPC**") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) such SPC and the applicable Loan or any applicable part thereof shall be appropriately reflected in the Participant Register. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 3.01, 3.04 or 3.05), (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the Lender hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of $3,500 (which processing fee may be waived by the Administrative Agent in its sole discretion), assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(h) Any Lender may at any time, assign all or a portion of its rights and obligations with respect to Loans and Commitments under this Agreement to a Person who is or will become, after such assignment, an Affiliated Lender through (x) Dutch auctions or other offers to purchase or take by assignment open to all Lenders on a pro rata basis in accordance with procedures of the type described in Section 2.05(1)(e) or (y) open market purchase on a non-pro rata basis, in each case subject to the following limitations:

(i) Affiliated Lenders (A) will not receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in conference calls or meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II or (B) will not make any challenge to the Administrative Agent's or any other Lender's attorney-client privilege on the basis of its status as a Lender;

(ii) each Affiliated Lender that purchases any Loans or Commitments will clearly identify itself as an Affiliated Lender in any Affiliated Lender Assignment and Assumption executed in connection with such purchases or sales and each such Affiliated Lender Assignment and Assumption shall contain customary "big boy" representations but no requirement to make representations as to the absence of any material nonpublic information;

(iii) as a condition to each assignment pursuant to this subsection (h), the Administrative Agent and the Borrower shall have been provided a notice in connection with each assignment to an Affiliated Lender or a Person that upon the effectiveness of such assignment the assignee would constitute an Affiliated Lender pursuant to which such Affiliated Lender (in its capacity as such) shall waive any right to bring any action in connection with such Loans and Commitments against the Administrative Agent, in its capacity as such;

(iv) the aggregate principal amount of Term Loans of any Class under this Agreement held by Affiliated Lenders at the time of any such purchase or assignment shall not exceed 25.0% of the aggregate principal amount of Term Loans of such Class outstanding at such time under this Agreement (such percentage, the "**Affiliated Lender Cap**"); *provided* that to the extent any assignment to an Affiliated Lender would result in the aggregate principal amount of all Term Loans of any Class held by Affiliated Lenders exceeding the Affiliated Lender Cap (determined at the time of purchase), the assignment of such excess amount will be void *ab initio*; and

(v) the assigning Lender and the Affiliated Lender purchasing such Lender's Term Loans shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit D-2 hereto (an "**Affiliated Lender Assignment and Assumption**").

Notwithstanding anything to the contrary contained herein, any Affiliated Lender that has purchased Term Loans pursuant to this subsection (h) may, in its sole discretion, contribute, directly or indirectly, the principal amount of such Term Loans or any portion thereof, *plus* all accrued and unpaid interest thereon, to the Borrower for the purpose of cancelling and extinguishing such Term Loans and such contribution will increase the amount of the Available Amount. Upon the date of such contribution, assignment or transfer, (x) the aggregate outstanding principal amount of Term Loans shall reflect such cancellation and extinguishing of the Term Loans then held by the Borrower and (y) the Borrower shall promptly provide notice to the Administrative Agent of such contribution of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register.

Each Affiliated Lender agrees to notify the Administrative Agent and the Borrower promptly (and in any event within 10 Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent and the Borrower promptly (and in any event within 10 Business Days) if it becomes an Affiliated Lender. The Administrative Agent may conclusively rely upon any notice delivered pursuant to the immediately preceding sentence or pursuant to clause (v) of this subsection (h) and shall not have any liability for any losses suffered by any Person as a result of any purported assignment to or from an Affiliated Lender.

(i) Notwithstanding anything in Section 10.01 or the definition of "Required Lenders," or "Required Facility Lenders" to the contrary, for purposes of determining whether the Required Lenders and Required Facility Lenders (in respect of a Class of Term Loans) have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, or subject to Section 10.07(j), any plan of reorganization pursuant to the U.S. Bankruptcy Code, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, no Affiliated Lender shall have any right to consent (or not consent), otherwise act or direct or require the Administrative Agent or any Lender to take (or refrain from taking) any such action and:

(i) all Term Loans held by any Affiliated Lenders shall be deemed to be not outstanding for all purposes of calculating whether the Required Lenders and Required Facility Lenders (in respect of a Class of Term Loans) have taken any actions; and

(ii) all Term Loans held by Affiliated Lenders shall be deemed to have been voted in the same proportion as non-Affiliated lenders voting on such matter unless the action in question affects such Affiliated Lender in a disproportionately adverse manner than its effect on other Lenders.

(j) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender hereby agrees that, and each Affiliated Lender Assignment and Assumption shall provide a confirmation that, if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Term Loans held by such Affiliated Lender in the same proportion as non-Affiliated Lenders voting on such matter, unless the Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Term Loans held by it as the Administrative Agent directs; *provided* that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated Lender in a disproportionately adverse manner than the proposed treatment of similar Obligations held by Term Lenders that are not Affiliated Lenders.

(k) Notwithstanding anything in Section 10.01 or the definition of "Required Lenders" to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (ii) otherwise acted on any matter related to any Loan Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, all Term Loans held by Debt Fund Affiliates, in the aggregate, may not account for more than 49.9% of the Term Loans of consenting Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 10.01.

(l) Any Lender may, so long as no Event of Default has occurred and is continuing, at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to Holdings, the Borrower or any Subsidiary of the Borrower through (x) Dutch auctions or other offers to purchase open to all Lenders on a pro rata basis in accordance with procedures of the type described in Section 2.05(1)(e) or (y) open market purchases on a non-pro rata basis; *provided* that (x) if the assignee is Holdings or a Subsidiary of the Borrower, upon such assignment, transfer or contribution, the applicable assignee shall automatically be deemed to have contributed or transferred the principal amount of such Term Loans, *plus* all accrued and unpaid interest thereon, to the Borrower; or (y) if the assignee is the Borrower (including through contribution or transfers set forth in clause (x)), (a) the principal amount of such Term Loans, along with all accrued and unpaid interest thereon, so contributed, assigned or transferred to the Borrower shall be deemed automatically cancelled and extinguished on the date of such contribution, assignment or transfer, (b) the aggregate outstanding principal amount of Term Loans of the remaining Lenders shall reflect such cancellation and extinguishing of the Term Loans then held by the Borrower and (c) the Borrower shall promptly provide notice to the Administrative Agent of such contribution, assignment or transfer of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register.

(m) Notwithstanding anything to the contrary contained herein, without the consent of the Borrower or the Administrative Agent, (1) any Lender may in accordance with applicable Law create a security interest in all or any portion of the Loans owing to it and the Term Note, if any, held by it and (2) any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Term Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; *provided* that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(n) Notwithstanding the foregoing, no Disqualified Institution that purports to become a Lender hereunder (notwithstanding the provisions of this Agreement that prohibit Disqualified Institutions from becoming Lenders) shall be entitled to any of the rights or privileges enjoyed by the other Lenders with respect to voting, information and lender meetings. In addition, if any assignment or participation is made to any Disqualified Institution without the Borrower's express prior written consent (which consent shall state expressly that the Borrower acknowledges that the assignee Lender is a Disqualified Institution) in violation of clause (v) of Section 10.07(b), the Borrower may, in addition to any other rights and remedies that it may have against such Disqualified Institution, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, (A) in the case of outstanding Term Loans held by Disqualified Institutions, purchase or prepay such Term Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such Term Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and/or (B) require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in Section 10.07), all of its interest, rights and obligations under this Agreement to one or more Eligible Assignees at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

(o) Notwithstanding anything herein to the contrary, the provisions of this Section 10.07 shall not apply retroactively to disqualify any person that has previously acquired an assignment or interest in any of the Term Loans with respect to amounts previously acquired to the extent such party was not a Disqualified Institution at the time of the applicable assignment but for only so long as such person continues to hold such Term Loans. The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans or Commitments, or disclosure of confidential information, to any Disqualified Institution.

Section 10.08 [Reserved].

Section 10.09 Confidentiality. Each of the Agents, the Arrangers and the Lenders agrees to maintain the confidentiality of the Information in accordance with its customary procedures (as set forth below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, legal counsel, independent auditors, agents, trustees, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential, with such Affiliate being responsible for such Person's compliance with this Section 10.09; *provided*, *however*, that such Agent, Arranger or Lender, as applicable, shall be principally liable to the extent this Section 10.09 is violated by one or more of its Affiliates or any of its or their respective employees, directors or officers), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners); *provided*, *however*, that each Agent, each Arranger and each Lender agrees to seek confidential treatment with respect to any such disclosure, (c) to the extent required by applicable laws or regulations or by any subpoena or otherwise as required by applicable Law or regulation or as requested by a governmental authority; *provided* that such Agent, such Arranger or such Lender, as applicable, agrees (x) that it will notify the Borrower as soon as practicable in the event of any such disclosure by such Person (except in connection with any request as part of any audit or regulatory examination) unless such notification is prohibited by law, rule or regulation and (y) to seek confidential treatment with respect to any such disclosure, (d) to any other party hereto, (e) subject to an agreement containing provisions at least as restrictive as those of this Section 10.09, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee (or its agent) invited to be an Additional Lender or (ii) with the prior consent of the Borrower, any actual or prospective direct or indirect counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower or any of their Subsidiaries or any of their respective obligations; *provided* that such disclosure shall be made subject to the acknowledgment and acceptance by such prospective Lender, Participant or Eligible Assignee that such Information is being disseminated on a confidential basis (on substantially the terms set forth in this paragraph or as is otherwise reasonably acceptable to the Borrower, the Agents and the Arrangers, including as set forth in any confidential information memorandum or other marketing materials) in accordance with the standard syndication process of the Agents and the Arrangers or market standards for dissemination of such type of information which shall in any event require "click through" or other affirmative action on the part of the recipient to access such confidential information, (f) for purposes of establishing a "due diligence" defense, (g) with the consent of the Borrower, (h) to the extent such Information (x) becomes publicly available other than as a result of a breach by any Person of this Section 10.09 or any other confidentiality provision in favor of any Loan Party, (y) becomes available to any Agent, any Arranger, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than Holdings, the Borrower or any Subsidiary thereof, and which source is not known by such Agent, such Lender or the applicable Affiliate to be subject to a confidentiality restriction in respect thereof in favor of Holdings, the Borrower or any Affiliate of the Borrower or (z) is independently developed by the Agents, the Lenders, the Arrangers or their respective Affiliates, in each case, so long as not based on information obtained in a manner that would otherwise violate this Section 10.09 or (i) in order to enforce its respective rights under any Loan Document in any action or proceeding.

For purposes of this Section 10.09, "**Information**" means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary or Affiliate thereof or their respective businesses, other than any such information that is available to any Agent or any Lender on a nonconfidential basis prior to disclosure by any Loan Party or any Subsidiary thereof; it being understood that all information received from Holdings, the Borrower or any Subsidiary or Affiliate thereof after the date hereof shall be deemed confidential unless such information is clearly identified at the time of delivery as not being confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 10.09 shall be considered to have complied with its obligation to do so in accordance with its customary procedures if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each Agent, each Arranger and each Lender acknowledges that (a) the Information may include trade secrets, protected confidential information, or material non-public information concerning the Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of such information and (c) it will handle such information in accordance with applicable Law, including United States Federal and state securities Laws and to preserve its trade secret or confidential character.

The respective obligations of the Agents, the Arrangers and the Lenders under this Section 10.09 shall survive, to the extent applicable to such Person, (x) the payment in full of the Obligations and the termination of this Agreement, (y) any assignment of its rights and obligations under this Agreement and (z) the resignation or removal of any Agent.

Section 10.10 Setoff. If an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender to or for the credit or the account of any Loan Party against any and all of the obligations of such Loan Party then due and payable under this Agreement or any other Loan Document to such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document; *provided* that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender under this Section 10.10 are in addition to other rights and remedies (including other rights of setoff) that such Lender may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

Section 10.11 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "**Maximum Rate**"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.12 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging (including in.pdf format) means shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 10.13 Electronic Execution of Assignments and Certain Other Documents. The words "execution," "execute," "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Assumptions, amendments or other modifications, waivers and consents) waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; *provided* that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

Section 10.14 Survival of Representations and Warranties. Subject to Section 1.02(9), all representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Term Borrowing, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied.

Section 10.15 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 10.16 GOVERNING LAW.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK.

(b) THE BORROWER, HOLDINGS, THE ADMINISTRATIVE AGENT AND EACH LENDER EACH IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HERETO AGREES THAT THE AGENTS AND LENDERS RETAIN THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS AGAINST ANY LOAN PARTY IN THE COURTS OF ANY OTHER JURISDICTION IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS UNDER ANY COLLATERAL DOCUMENT OR THE ENFORCEMENT OF ANY JUDGMENT.

(c) THE BORROWER, HOLDINGS, THE ADMINISTRATIVE AGENT AND EACH LENDER EACH IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION 10.16. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

Section 10.17 WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.17.

Section 10.18 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower, Holdings and the Administrative Agent and the Administrative Agent shall have been notified by each Lender that each such Lender has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, Holdings, each Agent and each Lender and their respective successors and assigns.

Section 10.19 Lender Action. Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Loan Party under any of the Loan Documents or the Secured Hedge Agreements (including the exercise of any right of setoff, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Loan Party, without the prior written consent of the Administrative Agent. The provision of this Section 10.19 are for the sole benefit of the Lenders and shall not afford any right to, or constitute a defense available to, any Loan Party.

Section 10.20 Use of Name, Logo, etc. Each Loan Party consents to the publication in the ordinary course by Administrative Agent or the Arrangers of customary advertising material relating to the financing transactions contemplated by this Agreement using such Loan Party's name, product photographs, logo or trademark. Such consent shall remain effective until revoked by such Loan Party in writing to the Administrative Agent and the Arrangers.

Section 10.21 USA PATRIOT Act. Each Lender that is subject to the USA PATRIOT Act and the Beneficial Ownership Regulation and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of

each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act and the Beneficial Ownership Regulation. The Borrower shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender reasonably requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the USA PATRIOT Act and the Beneficial Ownership Regulation.

Section 10.22 Service of Process. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

Section 10.23 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Borrower and Holdings acknowledges and agrees that (i) (A) the arranging and other services regarding this Agreement provided by the Agents, the Arrangers and the Lenders are arm's-length commercial transactions between the Borrower, Holdings and their respective Affiliates, on the one hand, and the Administrative Agents, the Arrangers and the Lenders, on the other hand, (B) each of the Borrower and Holdings has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) each of the Borrower and Holdings is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each Agent, Arranger and Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, Holdings or any of their respective Affiliates, or any other Person and (B) none of the Agents, the Arrangers nor any Lender has any obligation to the Borrower, Holdings or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agents, the Arrangers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, Holdings and their respective Affiliates, and none of the Agents, the Arrangers nor any Lender has any obligation to disclose any of such interests to the Borrower, Holdings or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and Holdings hereby waives and releases any claims that it may have against the Agents, the Arrangers or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 10.24 Release of Collateral and Guarantee Obligations; Subordination of Liens.

(a) The Lenders hereby irrevocably agree that the Liens granted to the Collateral Agent by the Loan Parties on any Collateral shall be automatically released (i) in full, as set forth in clause (b) below, (ii) upon the sale or other transfer of such Collateral (including as part of or in connection with any other sale or other transfer permitted hereunder) to any Person other than another Loan Party, to the extent such sale, transfer or other disposition is made in compliance with the terms of this Agreement (and the

Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (iii) to the extent such Collateral is comprised of property leased to a Loan Party by a Person that is not a Loan Party, upon termination or expiration of such lease to the extent such Loan Party retains no right, title or interest therein, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 10.01), (v) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Guaranty (in accordance with the second succeeding sentence), (vi) as required by the Collateral Agent to effect any sale, transfer or other disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Collateral Documents and (vii) to the extent such Collateral otherwise becomes Excluded Assets. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents. Additionally, the Lenders hereby irrevocably agree that a Subsidiary Guarantor shall be released from its Guaranty upon consummation of any transaction permitted hereunder resulting in such Subsidiary ceasing to constitute a Restricted Subsidiary, or otherwise becoming an Excluded Subsidiary (*provided* that a wholly-owned Restricted Subsidiary that becomes a non-wholly-owned Subsidiary shall be released from its Guarantee under the Guaranty pursuant to Section 10.01 if it is no longer wholly-owned as a result of a transaction for a bona fide business purpose and on an arm's length basis (and is not entered into for purposes of releasing such guarantee)). The Lenders hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender. Any representation, warranty or covenant contained in any Loan Document relating to any such released Collateral or Guarantor shall no longer be deemed to be repeated.

(b) Notwithstanding anything to the contrary contained herein or any other Loan Document, when all Obligations (other than (i) Hedging Obligations in respect of any Secured Hedge Agreements, (ii) Cash Management Obligations in respect of any Secured Cash Management Agreements and (iii) any contingent obligations not then due) have been paid in full in cash and all Commitments have terminated, upon request of the Borrower, the Administrative Agent or Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to release its security interest in all Collateral, and to release all obligations under any Loan Document, whether or not on the date of such release there may be any (i) Hedging Obligations in respect of any Secured Hedge Agreements, (ii) Cash Management Obligations in respect of any Secured Cash Management Agreements and (iii) any contingent obligations not then due. Any such release of Obligations shall be deemed subject to the provision that such Obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded

or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, provisional liquidation, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.

(c) Notwithstanding anything to the contrary contained herein or in any other Loan Document, upon request of the Borrower in connection with any Permitted Lien specified in clause (7) of the definition thereof securing obligations in respect of Indebtedness, Disqualified Stock or Preferred Stock permitted to be incurred pursuant to clause (4) of Section 7.02(b) in any Collateral, the Administrative Agent or Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to subordinate the Lien on any Collateral to any such Permitted Lien to be senior to the Liens in favor of the Collateral Agent.

(d) Notwithstanding the foregoing or anything in the Loan Documents to the contrary, at the direction of the Required Lenders, the Administrative Agent may, in exercising remedies, take any and all necessary and appropriate action to effectuate a credit bid of all Loans (or any lesser amount thereof) for the Borrower's assets in a bankruptcy, foreclosure or other similar proceeding, forbear from exercising remedies upon an Event of Default, or in a bankruptcy proceeding, enter into a settlement agreement on behalf of all Lenders.

Section 10.25 [Reserved].

Section 10.26 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "**Judgment Currency**") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "**Agreement Currency**"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable Law).

Section 10.27 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges and accepts that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

Section 10.28 Acknowledgement Regarding Any Supported QFCs.

(a) To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Swap Contract or any other agreement or instrument that is a QFC (such support, "**QFC Credit Support**", and each such QFC, a "**Supported QFC**"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "**U.S. Special Resolution Regimes**") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(b) In the event a Covered Entity that is party to a Supported QFC (each, a "**Covered Party**") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party

or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

Notwithstanding anything to the contrary herein, a Swing Line Loan may not be Converted to a LIBOR Rate Loan.

(c) Following receipt of a Revolving Loan Notice, the Agent shall promptly notify each Lender of the amount of its Applicable Percentage of the applicable Revolving Loans, and if no timely notice of a Conversion or continuation is provided by the Lead Borrower, the Agent shall notify each Lender of the details of any automatic Conversion of LIBOR Rate Loans to Base Rate Loans described in Section 2.02(b). In the case of a Revolving Borrowing, each Lender shall make the amount of its Revolving Loan available to the Agent in immediately available funds at the Agent's Office not later than 1:00 p.m. on the Business Day specified in the applicable Revolving Loan Notice. (d) The Agent, without the request of the Lead Borrower, may advance any interest, fee, service charge (including direct wire fees), expenses, or other payment to which any Credit Party is entitled from the Loan Parties pursuant hereto or any other Loan Document and may charge the same to the Loan Account notwithstanding that an Overadvance may result thereby. The Agent shall advise the

Lead Borrower of any such advance or charge promptly after the making thereof. Any Permitted Overadvance may constitute a Swing Line Loan. A Permitted Overadvance is for the account of the Borrowers and shall constitute a Revolving Loan bearing interest at the Base Rate and an Obligation and shall be repaid by the Borrowers in accordance with the provisions of Section 2.05(c). The making of any such Permitted Overadvance on any one occasion shall not obligate the Agent or any Lender to make or permit any Permitted Overadvance on any other occasion or to permit such Permitted Overadvances to remain outstanding. The making by the Agent of a Permitted Overadvance shall not modify or abrogate any of the provisions of Section 2.03 regarding the Lenders' obligations to purchase participations with respect to Letters of Credit or of Section 2.04 regarding the Lenders' obligations to purchase participations with respect to Swing Line Loans. The Agent shall have no liability for, and no Loan Party or Credit Party shall have the right to, or shall, bring any claim of any kind whatsoever against the Agent with respect to Unintentional Overadvances regardless of the amount of any such Overadvances. No portion of any Loan shall be funded or held with "plan assets" within the meaning of Section 3(42) of ERISA.

2.03 Letters of Credit.

(a) The Letter of Credit Commitment.

(i) Subject to the terms and conditions set forth herein, (A) the L/C Issuer agrees, in reliance upon the agreements of the Lenders set forth in this Section 2.03, (1) from time to time on any Business Day during the period from the Closing Date until the Letter of Credit Expiration Date, to issue Letters of Credit for the account of the Loan Parties (including on behalf of any Restricted Subsidiary, Affiliate or holding company thereof; provided that if such Affiliate or holding company is not a Loan Party, a Loan Party shall be a co-applicant thereto), and to amend or extend Letters of Credit previously issued by it, in accordance with Section 2.03(b) below, and (2) to honor drawings under the

Letters of Credit; and (B) the Lenders severally agree to participate in Letters of Credit issued for the account of the Loan Parties (including on behalf of any Restricted Subsidiary thereof) and any drawings thereunder; provided that after giving effect to any L/C Credit Extension with respect to any Letter of Credit, (x) the Total Outstandings shall not exceed the Loan Cap, (y) the aggregate Outstanding Amount of the Revolving Loans of any Lender, plus such Lender's Applicable Percentage of the Outstanding Amount of all L/C Obligations, plus such Lender's Applicable Percentage of the Outstanding Amount of all Swing Line Loans shall not exceed such Lender's Commitment, and (z) the Outstanding Amount of the L/C Obligations shall not exceed the Letter of Credit Sublimit. Each request by the Lead Borrower for the issuance or amendment of a Letter of Credit shall be deemed to be a representation by the Borrowers that the L/C Credit Extension so requested complies with the conditions set forth in the proviso to the preceding sentence. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrowers' ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrowers may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed. ~~All Existing Letters~~No portion of any Letter of Credit shall be ~~deemed to have been issued pursuant hereto, and shall be subject to and governed by the terms and conditions hereof~~funded or held with "plan assets" within the meaning of Section 3(42) of ERISA.

(ii) The L/C Issuer shall not issue any Letter of Credit, if:

(A) subject to Section 2.03(b)(iii), the expiry date of such requested Standby Letter of Credit would occur more than twelve (12) months after the date of issuance or last extension, unless the Agent has approved such expiry date; or

(B) subject to Section 2.03(b)(iii), the expiry date of such requested Commercial Letter of Credit would occur more than 180 days after the date of issuance, unless the Agent has approved such expiry date; or

(C) the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless either such Letter of Credit is Cash Collateralized on or prior to the date of issuance of such Letter of Credit (or such later date as to which the Agent may agree) or the Agent has approved such expiry date; or

(D) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the L/C Issuer from issuing such Letter of Credit, or any Law applicable to the L/C Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over the L/C Issuer shall prohibit, or request that the L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon the L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which the L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon the L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which the L/C Issuer in good faith deems material to it; or

(E) the issuance of such Letter of Credit would violate one or more policies of the L/C Issuer applicable to letters of credit generally; or

(F) except as otherwise agreed by the Agent, such Letter of Credit is to be denominated in a currency other than Dollars; provided that if the L/C Issuer, with the consent of the Agent, issues a Letter of Credit denominated in a currency other than Dollars, all reimbursements by the Borrowers of the honoring of any drawing under such Letter of Credit shall be paid in the currency in which such Letter of Credit was denominated; or

(G) such Letter of Credit contains any provisions for automatic reinstatement of the Stated Amount after any drawing thereunder; or

(H) any Lender is at that time a Defaulting Lender, unless the L/C Issuer has entered into arrangements, including the delivery of Cash Collateral, satisfactory to the L/C Issuer (in its sole discretion) with the Borrowers or such Lender to eliminate the L/C Issuer's actual or potential Fronting Exposure (after giving effect to Section 2.16(a)(iv)) with respect to the Defaulting Lender arising from either (i) the Letter of Credit then proposed to be issued, or (ii) such Letter of Credit and all other L/C Obligations as to which the L/C Issuer has actual or potential Fronting Exposure, as it may elect in its sole discretion.

(iii) The L/C Issuer shall not amend any Letter of Credit if the L/C Issuer would not be permitted at such time to issue such Letter of Credit in its amended form under the terms hereof or if the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(iv) The L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and the L/C Issuer shall have all of the benefits and immunities (A) provided to the Agent in Article IX with respect to any acts taken or omissions suffered by the L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Agent" as used in Article IX included the L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to the L/C Issuer.

(b) Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit.

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Lead Borrower delivered to the L/C Issuer (with a copy to the Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of the Lead Borrower. Such Letter of Credit Application may be sent by facsimile, by United States mail, by overnight courier, by electronic transmission using the system provided by the L/C Issuer, by personal delivery or by any other means acceptable to the L/C Issuer. Such Letter of Credit Application must be received by the L/C Issuer and the Agent not later than 11:00 a.m. at least two (2) Business Days (or such other date and time as the Agent and the L/C Issuer may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and (G) such other matters as the L/C Issuer may reasonably require. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the L/C Issuer (A) the Letter of Credit to be amended; (B) the proposed date of amendment thereof (which shall be a Business Day); (C) the nature of the proposed amendment; and (D) such other matters as the L/C Issuer may reasonably require. Additionally, the Lead Borrower shall furnish to the L/C Issuer and the Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as the L/C Issuer or the Agent may reasonably require.

(ii) Subject to the provisions of Section 2.02(b)(v) hereof, promptly after receipt of any Letter of Credit Application, the L/C Issuer will confirm with the Agent (by telephone or in writing) that the Agent has received a copy of such Letter of Credit Application from the Lead Borrower and, if not, the L/C Issuer will provide the Agent with a copy thereof. Unless the L/C Issuer has received written notice from any Lender, the Agent or any Loan Party, at least one Business Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Article IV shall not then be satisfied or unless the L/C Issuer would not be permitted, or would have no obligation, at such time to issue such Letter of Credit under the terms hereof (by reason of the provisions of Section 2.03(a)(ii) or otherwise), then, subject to the terms and conditions hereof, the L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the applicable Loan Party or enter into the applicable amendment, as the case may be, in each case in accordance with the L/C Issuer's usual and customary business practices. Immediately upon the issuance or amendment of each Letter of Credit, each Lender shall be deemed to (without any further action), and hereby irrevocably and unconditionally severally agrees to, purchase from the L/C Issuer, without recourse or warranty, a risk participation in such Letter of Credit in an amount equal to the product of such Lender's Applicable Percentage times the Stated Amount of such Letter of Credit. Upon any change in the Commitments under this Agreement, it is hereby agreed that with respect to all L/C Obligations, there shall be an automatic adjustment to the participations hereby created to reflect the new Applicable Percentages of the assigning and assignee Lenders.

(iii) If the Lead Borrower so requests in any applicable Letter of Credit Application, the L/C Issuer may, in its sole and absolute discretion, agree to issue a Standby Letter of Credit that has automatic extension provisions (each, an "Auto-Extension Letter of Credit"); provided that any such Auto-Extension Letter of Credit must permit the L/C Issuer to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Standby Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "Non-Extension Notice Date") in each such twelve-month period to be agreed upon at the time such Standby Letter of Credit is issued. Unless otherwise directed by the L/C Issuer, the Lead Borrower shall not be required to make a specific request to the L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the L/C Issuer to permit the extension of such Standby Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; provided, however, that the L/C Issuer shall not permit any such extension if (A) the L/C Issuer has determined that it would not be permitted, or would have no obligation, at such time to issue such Standby Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of Section 2.03(a)(ii) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is five (5) Business Days before the Non-Extension Notice Date (1) from the Agent that the Required Lenders have elected not to permit such extension or (2) from the Agent, any Lender or the Lead Borrower that one or more of the applicable conditions specified in Section 4.02 is not then satisfied, and in each such case directing the L/C Issuer not to permit such extension.

(iv) Any L/C Issuer (other than Bank of America or any of its Affiliates) shall notify the Agent in writing on each Business Day of all Letters of Credit issued on the prior Business Day by such L/C Issuer, provided that (A) until the Agent advises any such ~~Issuing Bank~~L/C Issuer that the provisions of Section 4.02 are not satisfied, or (B) the aggregate amount of the Letters of Credit issued in any such week exceeds such amount as shall be agreed by the Agent and the L/C Issuer, such L/C Issuer shall be required to so notify the Agent in writing only once each week of the Letters of

Credit issued by such L/C Issuer during the immediately preceding week as well as the daily amounts outstanding for the prior week, such notice to be furnished on such day of the week as the Agent and such L/C Issuer may agree. The L/C Issuer will also deliver (contemporaneously with the notification set forth in the first sentence hereof) to the Lead Borrower and the Agent a true and complete copy of each such Letter of Credit or amendment.

(v) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the L/C Issuer will also deliver to the Lead Borrower and the Agent a true and complete copy of such Letter of Credit or amendment.

(c) Drawings and Reimbursements; Funding of Participations.

(i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the L/C Issuer shall notify the Lead Borrower and the Agent thereof. Not later than 11:00 a.m. on the first ~~Business Day~~calendar day immediately following the date that the Lead Borrower receives notice from the L/C Issuer of a drawing under a Letter of Credit (each such date, an "Honor Date"), the applicable Borrower shall be deemed to have requested a Borrowing of Revolving Loans that are Base Rate Loans to be disbursed on the such Business Day in an amount equal to the amount of such payment by the L/C Issuer under the Letter of Credit without regard to the minimum and multiples specified in Section 2.02(b) for the principal amount of Base Rate Loans, but subject to the amount of the unutilized portion of the Loan Cap and the conditions set forth in Section 4.02 (other than the delivery of a Revolving Loan Notice). In the event that such a Borrowing cannot be made pursuant to the terms hereof, then not later than 11:00 a.m. on the first ~~Business Day~~calendar day after the Honor Date, the applicable Borrower shall reimburse the L/C Issuer through the Agent in an amount equal to the amount of such drawing. If the Borrowers fail to so reimburse the L/C Issuer by such time, the Agent shall promptly notify each Lender of the Honor Date, the amount of the unreimbursed drawing (the "Unreimbursed Amount"), and the amount of such Lender's Applicable Percentage thereof. Any notice given by the L/C Issuer or the Agent pursuant to this Section 2.03(c)(i) may be given by telephone if immediately confirmed in writing; provided that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Lender shall upon any notice from the Agent pursuant to Section 2.03(c)(i) make funds available to the Agent (and the Agent may apply Cash Collateral provided for this purpose) for the account of the L/C Issuer at the Agent's Office in an amount equal to its Applicable Percentage of the Unreimbursed Amount not later than 1:00 p.m. on the Business Day specified in such notice by the Agent, whereupon, subject to the provisions of Section 2.03(c)(iii), each Lender that so makes funds available shall be deemed to have made a Loan that is a Base Rate Loan to the Borrowers in such amount. The Agent shall remit the funds so received to the L/C Issuer.

(iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Revolving Borrowing of Base Rate Loans because the conditions set forth in Section 4.02 cannot be satisfied or for any other reason and the Borrowers have failed to reimburse the L/C Issuer pursuant to clause (c)(i) above, the Borrowers shall be deemed to have incurred from the L/C Issuer an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced or reimbursed, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate for Revolving Loans which are Base Rate Loans. In such event, each Lender's payment to the Agent for the account of the L/C Issuer pursuant to Section 2.03(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(iv) Until each Lender funds its Revolving Loan or L/C Advance pursuant to this Section 2.03(c) to reimburse the L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Applicable Percentage of such amount shall be solely for the account of the L/C Issuer.

(v) Each Lender's obligation to make Revolving Loans or L/C Advances to reimburse the L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the L/C Issuer, any Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default or Event of Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Lender's obligation to make Revolving Loans pursuant to this Section 2.03(c) is subject to the conditions set forth in Section 4.02 (other than delivery by the Lead Borrower of a Revolving Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrowers to reimburse the L/C Issuer for the amount of any payment made by the L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Lender fails to make available to the Agent for the account of the L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in Section 2.03(c)(ii), then, without limiting the other provisions of this Agreement, the L/C Issuer shall be entitled to recover from such Lender (acting through the Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the L/C Issuer at a rate per annum equal to the greater of the Federal Funds Rate and a rate determined by the L/C Issuer in accordance with banking industry rules on interbank compensation plus any administrative, processing or similar fees customarily charged by the L/C Issuer in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Revolving Loan included in the relevant Revolving Borrowing or L/C Advance in respect of the relevant L/C Borrowing, as the case may be. A certificate of the L/C Issuer submitted to any Lender (through the Agent) with respect to any amounts owing under this clause (vi) shall be conclusive absent manifest error.

(d) Repayment of Participations.

(i) At any time after the L/C Issuer has made a payment under any Letter of Credit and has received from any Lender its L/C Advance in respect of such payment in accordance with Section 2.03(c), if the L/C Issuer, or the Agent for the account of the L/C Issuer, receives any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrowers or otherwise, including proceeds of Cash Collateral applied thereto by the Agent pursuant to Section 2.03(g)), the L/C Issuer shall distribute any payment it receives to the Agent and the Agent will distribute to such Lender its Applicable Percentage thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the same funds as those received by the Agent.

(ii) If any payment received by the L/C Issuer or by Agent for the account of the L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 10.05 (including pursuant to any settlement entered into by the L/C Issuer in its discretion), each Lender shall pay to the Agent for the account of the L/C Issuer its Applicable

Percentage thereof on demand of the Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the greater of the Federal Funds Rate and a rate determined by the L/C Issuer in accordance with banking industry rules on interbank compensation plus any administrative, processing, or similar fees customarily charged by the L/C Issuer in connection with the foregoing. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Obligations Absolute. The obligation of the Borrowers to reimburse the L/C Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other Loan Document;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that the Borrowers or any Restricted Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any waiver by the L/C Issuer of any requirement that exists for the L/C Issuer's protection and not the protection of the Borrowers or any waiver by the L/C Issuer which does not in fact materially prejudice the Borrowers;

(v) any honor of a demand for payment presented electronically even if such Letter of Credit requires that demand be in the form of a draft;

(vi) any payment made by the L/C Issuer in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under such Letter of Credit if presentation after such date is authorized by the UCC, the ISP or the UCP, as applicable;

(vii) any payment by the L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(viii) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrowers or any of their Restricted Subsidiaries; or

(ix) the fact that any Default or Event of Default shall have occurred and be continuing.

The Lead Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of non-compliance with the Lead Borrower's instructions or other irregularity, the Lead Borrower will immediately notify the L/C Issuer. The Borrowers shall be conclusively deemed to have waived any such claim against the L/C Issuer and its correspondents unless such notice is given as aforesaid. Notwithstanding the foregoing, the Borrowers shall not be precluded from asserting any claim for damages suffered by the Borrowers to the extent caused by the gross negligence, bad faith or willful misconduct of the L/C Issuer, as determined by a final and non-appealable judgment of a court of competent jurisdiction.

(f) Role of L/C Issuer. Each Lender and the Borrowers agree that, in paying any drawing under a Letter of Credit, the L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the L/C Issuer, the Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the L/C Issuer shall be liable to any Loan Party or to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Required Lenders; (ii) any action taken or omitted in the absence of gross negligence, bad faith, or willful misconduct; (iii) any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit or any error in interpretation of technical terms; (iv) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document; or (v) for any action, neglect or omission under or in connection with any Letter of Credit or Issuer Document, including, without limitation, the issuance or amendment of any Letter of Credit, the failure to issue or amend any Letter of Credit, or the honoring or dishonoring of any demand under any Letter of Credit, and such action or neglect or omission will be binding upon the Loan Parties and the Lenders; provided that the Borrowers may have a claim against the L/C Issuer, and the L/C Issuer may be liable to the Borrowers, to the extent, but only to the extent, of any direct, as opposed to punitive, consequential or exemplary, damages suffered by the Borrowers which the Borrowers prove were caused by the L/C Issuer's willful misconduct, bad faith, or gross negligence, as determined by a final and non-appealable judgment of a court of competent jurisdiction. The Borrowers hereby assume all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude the Borrowers' pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuer, the Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the L/C Issuer shall be liable or responsible for any of the matters described in clauses (i) through (ix) of Section 2.03(e); provided, however, that anything in such clauses to the contrary notwithstanding, the Borrowers may have a claim against the L/C Issuer, and the L/C Issuer may be liable to the Borrowers, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrowers which the Borrowers prove were caused by the L/C Issuer's willful misconduct, bad faith, or gross negligence or the L/C Issuer's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit, in each case as determined by a final and non-appealable judgment of a court of competent jurisdiction. In furtherance and not in limitation of the foregoing, the L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary (or the L/C Issuer may refuse to accept and may refuse to make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit and may disregard

any requirement in a Letter of Credit that notice of dishonor be given in a particular manner and any requirement that presentation be made at a particular place or by a particular time of day), and the L/C Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason. The L/C Issuer shall not be responsible for the wording of any Letter of Credit (including, without limitation, any drawing conditions or any terms or conditions that are ineffective, ambiguous, inconsistent, unduly complicated or reasonably impossible to satisfy), notwithstanding any assistance the L/C Issuer may provide to the Borrowers with drafting or recommending text for any Letter of Credit Application or with the structuring of any transaction related to any Letter of Credit, and each Borrower hereby acknowledges and agrees that any such assistance will not constitute legal or other advice by the L/C Issuer or any representation or warranty by the L/C Issuer that any such wording or such Letter of Credit will be effective. Without limiting the foregoing, the L/C Issuer may, as it deems reasonably appropriate, modify or alter and use in any Letter of Credit the terminology contained on the Letter of Credit Application for such Letter of Credit. The L/C Issuer may send a Letter of Credit or conduct any communication to or from the beneficiary via the Society for Worldwide Interbank Financial Telecommunication ("SWIFT") message or overnight courier, or any other commercially reasonable means of communicating with a beneficiary.

(g) Cash Collateral. Upon the request of the Agent, if, as of the Letter of Credit Expiration Date, any L/C Obligation for any reason remains outstanding, the Borrowers shall, in each case, promptly Cash Collateralize the then Outstanding Amount of all L/C Obligations in an amount equal to 103% of the Outstanding Amount of all L/C Obligations, pursuant to documentation in form and substance reasonably satisfactory to the Agent and the L/C Issuer (which documents are hereby Consented to by the Lenders). Sections 2.05, 2.06(b) and 8.02(c) set forth certain additional requirements to deliver Cash Collateral hereunder. The Borrowers hereby grant to the Agent a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing to secure all Obligations. Such cash collateral shall be maintained in blocked, non-interest bearing deposit accounts at Bank of America. If at any time the Agent determines that any funds held as cash collateral are subject to any right or claim of any Person other than the Agent or that the total amount of such funds is less than 103% of the aggregate Outstanding Amount of all L/C Obligations, the Borrowers will, forthwith upon demand by the Agent, pay to the Agent, as additional funds to be deposited as cash collateral, an amount equal to the excess of (x) 103% of the aggregate Outstanding Amount of L/C Obligations over (y) the total amount of funds, if any, then held as cash collateral that the Agent determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as cash collateral, such funds shall be applied, to the extent permitted under applicable Laws, to reimburse the L/C Issuer and, to the extent not so applied, shall thereafter be applied to satisfy other Obligations in the manner specified in Section 8.03.

(h) Applicability of ISP and UCP; Limitation of Liability. Unless otherwise expressly agreed by the L/C Issuer and the Lead Borrower when a Letter of Credit is issued ~~(including any such agreement applicable to an Existing Letter of Credit)~~ (i) the rules of the ISP shall apply to each Standby Letter of Credit, and (ii) the rules of the UCP shall apply to each Commercial Letter of Credit. Notwithstanding the foregoing, the L/C Issuer shall not be responsible to the Borrowers for, and the L/C Issuer's rights and remedies against the Borrowers shall not be impaired by, any action or inaction of the L/C Issuer required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the Law or any order of a jurisdiction where the L/C Issuer or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade - International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

(i) Letter of Credit Fees. The Borrowers shall pay to the Agent for the account of each Lender in accordance with its Applicable Percentage a Letter of Credit fee (the "Letter of Credit Fee") for each Letter of Credit equal to the Applicable Rate multiplied by the daily Stated Amount under each such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit). For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of the Letter of Credit shall be determined in accordance with Section 1.06. Letter of Credit Fees shall be due and payable quarterly in arrears on the first ~~Business Day~~calendar day of each January, April, July and October, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. Notwithstanding anything to the contrary contained herein, while any Event of Default exists, at the request of the Agent or the Required Lenders, all Letter of Credit Fees shall accrue at the Default Rate as provided in Section 2.08(b) hereof.

(j) Fronting Fee and Documentary and Processing Charges Payable to L/C Issuer. The Borrowers shall pay directly to the L/C Issuer for its own account a fronting fee with respect to each Letter of Credit, at a rate equal to 0.125% per annum, computed on the daily amount available to be drawn under such Letter of Credit and on a quarterly basis in arrears. Such fronting fees shall be due and payable on the first ~~Business Day~~calendar day of each January, April, July and October, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of the Letter of Credit shall be determined in accordance with Section 1.06. In addition, the Borrowers shall pay directly to the L/C Issuer for its own account the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of the L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable on demand and are nonrefundable.

(k) Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

(l) Letters of Credit Issued for Restricted Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Loan Party (or on behalf of a Restricted Subsidiary), the Borrowers shall be obligated to reimburse the L/C Issuer hereunder for any and all drawings under such Letter of Credit. Each Borrower hereby acknowledges that the issuance of Letters of Credit for the account of the Loan Parties (or on behalf of Restricted Subsidiaries) inures to the benefit of such Borrower, and that such Borrower's business derives substantial benefits from the businesses of such Restricted Subsidiaries.

2.04 Swing Line Loans.

(a) The Swing Line. Subject to the terms and conditions set forth herein, the Swing Line Lender shall, in reliance upon the agreements of the other Lenders set forth in this Section 2.04, make loans (each such loan, a "Swing Line Loan") to the Borrowers from time to time on any Business Day during the Availability Period in an aggregate amount not to exceed at any time outstanding the amount of the Swing Line Sublimit, notwithstanding the fact that such Swing Line Loans, when aggregated with the Applicable Percentage of the Outstanding Amount of Revolving Loans and L/C Obligations of the Lender acting as Swing Line Lender, may exceed the amount of such Lender's Commitment; provided, however, that after giving effect to any Swing Line Loan, (i) the Total

Outstandings shall not exceed the Loan Cap, and (ii) the aggregate Outstanding Amount of the Revolving Loans of any Lender at such time, plus such Lender's Applicable Percentage of the Outstanding Amount of all L/C Obligations at such time, plus such Lender's Applicable Percentage of the Outstanding Amount of all Swing Line Loans at such time shall not exceed such Lender's Commitment and provided, further, that the Borrowers shall not use the proceeds of any Swing Line Loan to refinance any outstanding Swing Line Loan, and provided further that the Swing Line Lender shall not be obligated to make any Swing Line Loan if it shall determine (which determination shall be conclusive and binding absent manifest error) that it has, or by such Credit Extension may have, Fronting Exposure. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrowers may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Swing Line Loan shall bear interest only at the Base Rate plus the Applicable Margin for Base Rate Loans. Immediately upon the making of a Swing Line Loan, each Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swing Line Lender a risk participation in such Swing Line Loan in an amount equal to the product of such Lender's Applicable Percentage *multiplied by* the amount of such Swing Line Loan. The Swing Line Lender shall have all of the benefits and immunities (A) provided to the Agent in Article IX with respect to any acts taken or omissions suffered by the Swing Line Lender in connection with Swing Line Loans made by it or proposed to be made by it as if the term "Agent" as used in Article IX included the Swing Line Lender with respect to such acts or omissions, and (B) as additionally provided herein with respect to the Swing Line Lender.

(b) Borrowing Procedures. Each Swing Line Borrowing shall be made upon the Lead Borrower's irrevocable notice to the Swing Line Lender and the Agent, which may be given by telephone. Each such notice must be received by the Swing Line Lender and the Agent not later than 1:00 p.m. on the requested borrowing date, and shall specify (i) the amount to be borrowed, which shall be a minimum of $100,000, and (ii) the requested borrowing date, which shall be a Business Day. Each such telephonic notice must be confirmed promptly by delivery to the Swing Line Lender and the Agent of a written Swing Line Loan Notice, appropriately completed and signed by a Responsible Officer of the Lead Borrower. Promptly after receipt by the Swing Line Lender of any telephonic Swing Line Loan Notice, the Swing Line Lender will confirm with the Agent (by telephone or in writing) that the Agent has also received such Swing Line Loan Notice and, if not, the Swing Line Lender will notify the Agent (by telephone or in writing) of the contents thereof. Unless the Swing Line Lender has received notice (by telephone or in writing) from the Agent at the request of the Required Lenders prior to 2:00 p.m. on the date of the proposed Swing Line Borrowing (A) directing the Swing Line Lender not to make such Swing Line Loan as a result of the limitations set forth in the provisos to the first sentence of Section 2.04(a), or (B) that one or more of the applicable conditions specified in Article IV is not then satisfied, then, subject to the terms and conditions hereof, the Swing Line Lender will use its commercially reasonable efforts to make the amount of its Swing Line Loan available to the Borrowers by not later than 4:00 p.m. on the borrowing date specified in such Swing Line Loan Notice either by (i) crediting the account of the Lead Borrower on the books of Bank of America with the amount of such funds or (ii) wire transferring such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Swing Line Lender by the Lead Borrower; provided, however, that if, on the date of the proposed Swing Line Loan, there are L/C Borrowings outstanding, then the proceeds of such Borrowing, first, shall be applied to the payment in full of any such L/C Borrowings, and second, shall be made available to the Borrowers as provided above.

(c) Refinancing of Swing Line Loans.

(i) In addition to settlements required under Section 2.14 hereof, the Swing Line Lender at any time in its sole and absolute discretion may request, on behalf of the Borrowers (which hereby irrevocably authorize the Swing Line Lender to so request on their behalf), that each Lender make a Revolving Loan which is a Base Rate Loan in an amount equal to such Lender's Applicable Percentage of the amount of Swing Line Loans then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Revolving Loan Notice for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but subject to the unutilized portion of the Loan Cap and the conditions set forth in Section 4.02. The Swing Line Lender shall furnish the Lead Borrower with a copy of the applicable Revolving Loan Notice promptly after delivering such notice to the Agent. Each Lender shall make an amount equal to its Applicable Percentage of the amount specified in such Revolving Loan Notice available to the Agent in immediately available funds for the account of the Swing Line Lender at the Agent's Office not later than 1:00 p.m. on the day specified in such Revolving Loan Notice, whereupon, subject to Section 2.04(c)(ii), each Lender that so makes funds available shall be deemed to have made a Revolving Loan which is a Base Rate Loan to the Borrowers in such amount. The Agent shall remit the funds so received to the Swing Line Lender.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Revolving Borrowing in accordance with Section 2.04(c)(i), the request for Revolving Loans which are Base Rate Loans submitted by the Swing Line Lender as set forth herein shall be deemed to be a request by the Swing Line Lender that each of the Lenders fund its risk participation in the relevant Swing Line Loan and each Lender's payment to the Agent for the account of the Swing Line Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Lender fails to make available to the Agent for the account of the Swing Line Lender any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), the Swing Line Lender shall be entitled to recover from such Lender (acting through the Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the greater of the Federal Funds Rate and a rate determined by the Swing Line Lender in accordance with banking industry rules on interbank compensation plus any administrative, processing or similar fees customarily charged by the Swing Line Lender in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Revolving Loan included in the relevant Revolving Borrowing or funded participation in the relevant Swing Line Loan, as the case may be. A certificate of the Swing Line Lender submitted to any Lender (through the Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Lender's obligation to make Revolving Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Swing Line Lender, the Borrowers or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or an Event of Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Lender's obligation to make Revolving Loans pursuant to this Section 2.04(c) is subject to the conditions set forth in Section 4.02. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrowers to repay Swing Line Loans, together with interest as provided herein.

(d) Repayment of Participations.

(i) At any time after any Lender has purchased and funded a risk participation in a Swing Line Loan, if the Swing Line Lender, or the Agent on behalf of the Swing Line Lender, receives any payment on account of such Swing Line Loan, the Swing Line Lender will distribute such payment to the Agent and the Agent shall distribute to each such Lender its Applicable Percentage of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's risk participation was funded) in the same funds as those received by the Swing Line Lender.

(ii) If any payment received by the Swing Line Lender, or the Agent on behalf of the Swing Line Lender, in respect of principal or interest on any Swing Line Loan is required to be returned by the Swing Line Lender under any of the circumstances described in Section 10.05 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Lender shall pay to the Swing Line Lender its Applicable Percentage thereof on demand of the Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the greater of the Federal Funds Rate and a rate determined by the Swing Line Lender in accordance with banking industry rules on interbank compensation plus any administrative, processing, or similar fees customarily charged by the Swing Line Lender in connection with the foregoing. The Agent will make such demand upon the request of the Swing Line Lender. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Interest for Account of Swing Line Lender. The Swing Line Lender shall be responsible for invoicing the Borrowers for interest on the Swing Line Loans. Until a Lender funds its Revolving Loan or risk participation pursuant to this Section 2.04 to refinance such Lender's Applicable Percentage of any Swing Line Loan, interest in respect of such Applicable Percentage shall be solely for the account of the Swing Line Lender.

(f) Payments Directly to Swing Line Lender. The Borrowers shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lender.

2.05 Prepayments.

(a) The Borrowers may, upon irrevocable notice from the Lead Borrower to the Agent, at any time or from time to time voluntarily prepay Revolving Loans, in whole or in part without premium or penalty; provided that (i) such notice must be received by the Agent not later than 1:00 p.m. (A) three Business Days prior to any date of prepayment of LIBOR Rate Loans and (B) on the date of prepayment of Base Rate Loans; (ii) any prepayment of LIBOR Rate Loans shall be in a principal amount of $1,000,000 or a whole multiple of $500,000 in excess thereof; and (iii) any prepayment of Base Rate Loans shall be in a principal amount of $500,000 or a whole multiple of $100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Type(s) of Loans to be prepaid and, if LIBOR Rate Loans, the Interest Period(s) of such Loans. The Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender's Applicable Percentage of such prepayment. If such notice is given by the Lead Borrower, the Borrowers shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a LIBOR Rate Loan shall be accompanied by all accrued interest on the amount prepaid, together with any additional amounts required pursuant to Section 3.05. Subject to Section 2.16, each such prepayment shall be applied to the Loans of the Lenders in accordance with their respective Applicable Percentages.

(b) The Borrowers may, upon irrevocable notice from the Lead Borrower to the Swing Line Lender (with a copy to the Agent), at any time or from time to time, voluntarily prepay Swing Line Loans in whole or in part without premium or penalty; provided that (i) such notice must be received by the Swing Line Lender and the Agent not later than 1:00 p.m. on the date of the prepayment, and (ii) any such prepayment shall be in a minimum principal amount of $100,000. Each such notice shall specify the date and amount of such prepayment. If such notice is given by the Lead Borrower, the Borrowers shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(c) If for any reason the Total Outstandings at any time exceed the Loan Cap, as then in effect, the Borrowers shall immediately prepay the Loans and L/C Borrowings and Cash Collateralize the L/C Obligations (other than L/C Borrowings) in an aggregate amount equal to such excess; provided, however, that the Borrowers shall not be required to Cash Collateralize the L/C Obligations (other than L/C Borrowings) pursuant to this Section 2.05(c) unless after the prepayment in full of the Loans the Total Outstandings exceed the Loan Cap, as then in effect.

(d) (i) Upon the occurrence of a Cash Dominion Event, the Borrowers shall prepay the Loans as and to the extent required by the provisions of Section 6.12 hereof, and (ii) after the occurrence and during the continuance of an Event of Default or as and to the extent required by the provisions of Section 2.06(b), the Borrowers shall Cash Collateralize the L/C Obligations.

(e) [Reserved].

(f) Prepayments made pursuant to Section 2.05(c), (d), and (e) above and funds on deposit in the Collection Account required to be applied to the Obligations pursuant to Section 6.12(d)(iii), first, shall be applied ratably to the L/C Borrowings and the Swing Line Loans, second, shall be applied ratably to the outstanding Revolving Loans, third, after the occurrence and during the continuance of an Event of Default, shall be used to Cash Collateralize the remaining L/C Obligations; fourth, shall be applied ratably to Other Liabilities then due and payable; and fifth, the amount remaining, if any, after the prepayment in full of all L/C Borrowings and Loans outstanding at such time and the Cash Collateralization of the remaining L/C Obligations (to the extent required hereunder) in full shall be deposited by the Agent in a deposit account of the Lead Borrower and may be utilized by the Borrowers in the ordinary course of its business to the extent otherwise permitted hereunder. Upon the drawing of any Letter of Credit that has been Cash Collateralized, the funds held as Cash Collateral shall be applied (without any further action by or notice to or from the Borrowers or any other Loan Party) to reimburse the L/C Issuer or the Lenders, as applicable, and, to the extent not so applied, shall thereafter be applied to satisfy other Obligations.

(g) Each prepayment of the Revolving Loans shall not reduce or terminate the Aggregate Commitments.

2.06 Termination or Reduction of Commitments.

(a) The Borrowers may, upon irrevocable notice from the Lead Borrower to the Agent, terminate the Aggregate Commitments, the Letter of Credit Sublimit or the Swing Line Sublimit or from time to time permanently reduce the Aggregate Commitments, the Letter of Credit Sublimit or the Swing Line Sublimit; provided that (i) any such notice shall be received by the Agent not later than 11:00 a.m. five Business Days prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of $5,000,000 or any whole multiple of $1,000,000 in excess thereof, (iii) the Borrowers shall not terminate or reduce the Aggregate Commitments if, after giving effect thereto and to any concurrent prepayments hereunder, the Total Outstandings would exceed the Aggregate Commitments. If, after giving effect to any reduction of the Commitments, the Letter of

Credit Sublimit or the Swing Line Sublimit exceeds the amount of the Aggregate Commitments, such Letter of Credit Sublimit or Swing Line Sublimit shall be automatically reduced by the amount of such excess. To the extent there are any FILO Tranches outstanding at the time of any such reduction or termination of the Aggregate Commitments under this Section 2.06, such reduction or termination shall be applied first to the non-FILO Tranche of Revolving Loans on a pro-rata basis unless the Borrowers shall be in pro forma compliance with the Payment Conditions, in which case such reduction or termination may be applied to such FILO Tranche(s).

(b) The Agent will promptly notify the Lenders of any termination or reduction of the Letter of Credit Sublimit, Swing Line Sublimit, or the Aggregate Commitments under this Section 2.06. Upon any reduction of the Aggregate Commitments, the Commitment of each Lender shall be reduced by such Lender's Applicable Percentage of such reduction amount. If, as a result of such termination or reduction, (i) the Outstanding Amount of L/C Obligations not fully Cash Collateralized hereunder would exceed the Letter of Credit Sublimit, the Borrowers shall contemporaneously with such reduction or termination, Cash Collateralize such excess amount, (ii) the Swing Line Loans hereunder would exceed the Swing Line Sublimit, the Borrowers shall contemporaneously with such reduction or termination, pay the Agent an amount equal to such excess, and (iii) the Revolving Loans or the Swing Line Loans hereunder would exceed the Aggregate Commitments or the Swing Line Sublimit, as applicable, the Borrowers shall contemporaneously with such reduction or termination, pay the Agent an amount equal to such excess. Such reductions shall be applied pro rata to the Aggregate Commitments; provided that, if a FILO Tranche is outstanding, such reductions may be applied first to such FILO Tranche so long as the Borrowers shall be in pro forma compliance with the Payment Conditions.

2.07 Repayment of Obligations.

Except as provided in Section 10.11 with respect to the collateralization of the Other Liabilities, the Borrowers shall repay to the Lenders on the Termination Date all Obligations outstanding on such date (other than contingent indemnification claims for which a claim has not been asserted) and shall cause each Letter of Credit to be returned to the L/C Issuer undrawn or shall Cash Collateralize all L/C Obligations (to the extent not previously Cash Collateralized as required herein).

2.08 Interest.

(a) Subject to the provisions of Section 2.08(b) below, (i) each LIBOR Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the ~~Adjusted~~ LIBOR Rate for such Interest Period plus the Applicable Margin for LIBOR Rate Loans; (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Margin for Base Rate Loans; and (iii) each Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Margin for Base Rate Loans.

(b)~~(i)~~ (i) If any amount payable under any Loan Document is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by Law.

(ii) If any other Event of Default has occurred and is continuing, then the Agent, (i) at any time that there are only two (2) Lenders and a Specified Event of Default exists, at the request of any Lender (so long as such Lender is a Lender as of the Effective Date and maintains a Commitment not less than the Commitment of such Lender as of the Effective Date), or (ii) in all other circumstances, at the request of the Required Lenders, shall notify the Lead Borrower that all outstanding Obligations (excluding Other Liabilities) shall bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by Law.

(iii) Accrued and unpaid interest on past due amounts (including interest on past due interest to the fullest extent permitted by Law) shall be due and payable upon demand.

(c) Except as provided in Section 2.08(b)(iii), interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

2.09 Fees. In addition to certain fees described in subsections (i) and (j) of Section 2.03:

(i) Commitment Fee. The Borrowers shall pay to the Agent for the account of each Lender in accordance with its Applicable Percentage, a commitment fee equal to the Commitment Fee Percentage *multiplied by* the actual daily amount by which the Commitments exceed the sum of the Outstanding Amount of Revolving Loans and L/C Obligations (subject to adjustment as provided in Section 2.16) during the immediately preceding quarter. The commitment fee described in the immediately preceding sentence (the "Commitment Fee") shall accrue at all times during the Availability Period, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the first ~~Business Day~~calendar day of each January, April, July and October, commencing with the first such date to occur after the Closing Date, and on the last day of the Availability Period. It is hereby understood and agreed that Swing Line Loans shall not be considered utilization of the Commitment for purposes of the calculation of the commitment fees payable hereunder.

(ii) Other Fees. The Borrowers shall pay the fees specified in the Fee ~~Letter~~Letters to the Persons, in the amounts, and at the times specified in the Fee ~~Letter~~Letters. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

2.10 Computation of Interest and Fees.

All computations of interest for Base Rate Loans when the Base Rate is determined by Bank of America's "prime rate" shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one day. Each determination by the Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

2.11 Evidence of Debt.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by the Agent (the "Loan Account") in the ordinary course of business. In addition, each Lender may record in such Lender's internal records, an appropriate notation evidencing the date and amount of each Loan from such Lender, each payment and prepayment of principal of any

such Loan, and each payment of interest, fees and other amounts due in connection with the Obligations due to such Lender. The accounts or records maintained by the Agent and each Lender shall be conclusive absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrowers hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Agent in respect of such matters, the accounts and records of the Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Agent, the Borrowers shall execute and deliver to such Lender (through the Agent) a Note, which shall evidence such Lender's Revolving Loans or Swing Line Loans (in the case of the Swing Line Lender), as applicable, in addition to such accounts or records. Each Lender may, but shall not be obligated to, attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto. Upon receipt of an affidavit and indemnity of a Lender as to the loss, theft, destruction or mutilation of such Lender's Note and upon cancellation of such Note, the Borrowers will issue, in lieu thereof, a replacement Note in favor of such Lender, in the same principal amount thereof and otherwise of like tenor.

(b) In addition to the accounts and records referred to in Section 2.11(a), each Lender and the Agent shall maintain in accordance with its usual practice accounts or records evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Agent shall control in the absence of manifest error.

2.12 Payments Generally; Agent's Clawback.

(a) General. All payments to be made by the Borrowers shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrowers hereunder shall be made to the Agent, for the account of the respective Lenders to which such payment is owed, at the Agent's Office in Dollars and in immediately available funds not later than 2:00 p.m. on the date specified herein. Except for principal payments to be made on the Settlement Date (as provided in Section 2.14), the Agent will promptly distribute to each Lender its Applicable Percentage (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Agent after 2:00 p.m. shall, at the option of the Agent, be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrowers shall come due on a day other than a Business Day, payment shall be made on the next following Business Day (other than with respect to payment of a LIBOR Rate Loan), and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b)~~(i)~~ (i) Funding by Lenders; Presumption by Agent. Unless the Agent shall have received notice from a Lender prior to (A) the proposed date of any Borrowing of LIBOR Rate Loans (or in the case of any Borrowing of Base Rate Loans, prior to 12:00 noon on the date of such Borrowing), or (B) the date that such Lender's participation in a Letter of Credit or Swing Line Loan is required to be funded, that such Lender will not make available to the Agent such Lender's share of such Borrowing or participation, the Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 (or in the case of a Borrowing of Base Rate Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.02), Section 2.03 or Section 2.04, as applicable, and may, in reliance upon such assumption, make available to the Borrowers, the L/C Issuer or the Swing Line Lender, as applicable, a corresponding amount. In such

event, if a Lender has not in fact made its share of the applicable Revolving Borrowing or participation available to the Agent, then the applicable Lender and the Borrowers severally agree to pay to the Agent forthwith on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrowers to but excluding the date of payment to the Agent, at (A) in the case of a payment to be made by such Lender, the greater of the Federal Funds Rate and a rate determined by the Agent in accordance with banking industry rules on interbank compensation plus any administrative processing or similar fees customarily charged by the Agent in connection with the foregoing, and (B) in the case of a payment to be made by the Borrowers, the interest rate applicable to Base Rate Loans. If the Borrowers and such Lender shall pay such interest to the Agent for the same or an overlapping period, the Agent shall promptly remit to the Borrowers the amount of such interest paid by the Borrowers for such period. If such Lender pays its share of the applicable Revolving Borrowing or participation to the Agent, then the amount so paid shall constitute such Lender's Revolving Loan included in such Revolving Borrowing or participation in such Letter of Credit or Swing Line Loan. Any payment by the Borrowers shall be without prejudice to any claim the Borrowers may have against a Lender that shall have failed to make such payment to the Agent.

(ii) Payments by Borrowers; Presumptions by Agent. Unless the Agent shall have received notice from the Lead Borrower prior to the ~~time at~~date on which any payment is due to the Agent for the account ~~of any~~ of the Lenders or the L/C Issuer hereunder that the Borrowers will not make such payment, the Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the L/C Issuer, as the case may be, the amount due. ~~In such event, if~~

With respect to any payment that the Agent makes for the account of the Lenders or the L/C Issuer hereunder as to which the Agent determines (which determination shall be conclusive absent manifest error) that any of the following applies (such payment referred to as the "Rescindable Amount"): (1) the Borrowers have not in fact made such payment~~,~~; (2) the Agent has made a payment in excess of the amount so paid by the Borrowers (whether or not then owed); or (3) the Agent has for any reason otherwise erroneously made such payment; then each of the Lenders or the L/C Issuer, as the case may be, severally agrees to repay to the Agent forthwith on demand the ~~amount~~Rescindable Amount so distributed to such Lender or the L/C Issuer, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Agent, at the greater of the Federal Funds Rate and a rate determined by the Agent in accordance with banking industry rules on interbank compensation plus any administrative, processing, ~~or similar fees customarily charged by the Agent in connection with the foregoing~~.

(iii) A notice of the Agent to any Lender or the Lead Borrower with respect to any amount owing under this subsection (b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrowers by the Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof (subject to the provisions of the last paragraph of Section 4.02 hereof), the Agent shall promptly return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Revolving Loans, to fund participations in Letters of Credit and Swing Line Loans and to make payments hereunder are several and not joint. The failure of any Lender to make any Revolving Loan, to fund any such participation or to make any payment hereunder on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Revolving Loan, to purchase its participation or to make its payment hereunder.

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

2.13 Sharing of Payments by Credit Parties If any Credit Party shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of, interest on, or other amounts with respect to, any of the Obligations resulting in such Credit Party's receiving payment of a proportion of the aggregate amount of such Obligations greater than its pro rata share thereof as provided herein (including as in contravention of the priorities of payment set forth in Section 8.03), then the Credit Party receiving such greater proportion shall (a) notify the Agent of such fact, and (b) purchase (for cash at face value) participations in the Obligations of the other Credit Parties, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Credit Parties ratably and in the priorities set forth in Section 8.03, provided that:

(i) if any such participations or sub-participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations or sub-participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this Section shall not be construed to apply to (x) any payment made by the Loan Parties pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender) or any payment on account of the Other Liabilities prior to the occurrence of an Event of Default, or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Revolving Loans or sub-participations in L/C Obligations or Swing Line Loans to any Eligible Assignee or Participant, other than to the Loan Parties or any Subsidiary thereof (as to which the provisions of this Section shall apply).

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation.

2.14 Settlement Amongst Lenders

(a) The amount of each Lender's Applicable Percentage of outstanding Loans (including, for clarity, outstanding Swing Line Loans), shall be computed weekly (or more frequently in the Agent's discretion) and shall be adjusted upward or downward based on all Loans and repayments of Loans received by the Agent as of 3:00 p.m. on the first Business Day (such date, the "Settlement Date") following the end of the period specified by the Agent.

(b) The Agent shall deliver to each of the Lenders promptly after a Settlement Date a summary statement of the amount of outstanding Loans (including, for clarity, outstanding Swing Line Loans) for the period and the amount of repayments received for the period. As reflected on the summary statement, each Lender (other than the Swing Line Lender) shall transfer to the Agent (as provided below) or the Agent shall transfer to each Lender (including, for clarity, the Swing Line

Lender), such amounts as are necessary to insure that, after giving effect to all such transfers, the Outstanding Amount of Swing Line Loans is zero and the amount of Revolving Loans made by each Lender shall be equal to such Lender's Applicable Percentage of all Revolving Loans outstanding as of such Settlement Date. If the summary statement requires transfers to be made to the Agent by the Lenders and is received prior to 1:00 p.m. on a Business Day, such transfers shall be made in immediately available funds no later than 3:00 p.m. that day; and, if received after 1:00 p.m., then no later than 3:00 p.m. on the next Business Day. The obligation of each Lender to transfer such funds is irrevocable, unconditional and without recourse to or warranty by the Agent. If and to the extent any Lender shall not have so made its transfer to the Agent, such Lender agrees to pay to the Agent, forthwith on demand such amount, together with interest thereon, for each day from such date until the date such amount is paid to the Agent, equal to the greater of the Federal Funds Rate and a rate determined by the Agent in accordance with banking industry rules on interbank compensation plus any administrative, processing, or similar fees customarily charged by the Agent in connection with the foregoing.

2.15 Increase in Commitments.

(a) Request for Increase. Provided no Default or Event of Default then exists or would arise therefrom, upon notice to the Agent (which shall promptly notify the Lenders), the Lead Borrower may from time to time, request an increase in the Aggregate Commitments (or, solely to the extent set forth in Section 2.15(f) below, provide commitments under a new facility constituting a FILO Tranche) by an amount (for all such requests) not exceeding (x) $~~30,000,000~~50,000,000 plus (y) an amount equal to the aggregate principal amount of all permanent commitment reductions of the Aggregate Commitments after the Third Amendment Effective Date plus (z) as of the applicable date of determination, the amount as of such date by which the Borrowing Base exceeds Aggregate Commitments on such date; provided that (i) any such request for an increase shall be in a minimum amount of $10,000,000 (or such lesser amount as to which the Agent may agree in writing), and (ii) the Lead Borrower may make a maximum of three (3) such requests. At the time of sending such notice, the Lead Borrower (in consultation with the Agent) shall specify the Persons to whom such requested increase is to be made (and if to any then existing Lender, such request shall be made pro rata to all existing Lenders) and the time period within which each such Person is requested to respond (which shall in no event be less than ten Business Days from the date of delivery of such notice to such Persons). Any Person so designated by the Lead Borrower which is not then a Lender shall be subject to the approval of the Agent, the L/C Issuer and the Swing Line Lender (which approvals shall not be unreasonably withheld, delayed or conditioned).

(b) Elections to Increase. Each Person to whom a request for an increase is made pursuant to clause (a), above, shall notify the Agent within such time period whether or not it agrees to furnish, or as to then existing Lenders increase, its Commitment and, if so, the amount of its Commitment it is willing to furnish or increase. Any Person not responding within such time period shall be deemed to have declined to furnish, or as to then existing Lenders, increase, its Commitment.

(c) Notification by Agent; Additional Commitment Lenders. The Agent shall notify the Lead Borrower of each Person's responses to each request made hereunder. To achieve the full amount of a requested increase and subject to the approval of the Agent, the L/C Issuer and the Swing Line Lender (which approvals shall not be unreasonably withheld, delayed or conditioned), to the extent that the Persons so designated by the Lead Borrower pursuant to clause (a) hereof decline to establish, or with respect to then existing Lenders to increase their Commitments, or decline to increase their Commitments to the amount requested by the Lead Borrower, Bank of America will use its reasonable efforts to arrange for other Eligible Assignees to become a Lender hereunder and to issue commitments in an amount equal to the amount of the increase in the Aggregate Commitments requested by the Lead Borrower and not accepted by the Persons so designated (and the Lead Borrower may also invite additional Eligible Assignees to become Lenders), *provided, however,* that without the consent of the Agent, at no time shall the Commitment of any Additional Commitment Lender be less than $5,000,000.

(d) Effective Date and Allocations. If the Aggregate Commitments are increased in accordance with this Section, the Agent, in consultation with the Lead Borrower, shall determine the effective date (the "Increase Effective Date") and the final allocation of such increase. The Agent shall promptly notify the Lead Borrower and the new (if any) and existing Lenders of the final allocation of such increase and the Increase Effective Date and on the Increase Effective Date (i) the Aggregate Commitments under, and for all purposes of, this Agreement shall be increased by the aggregate amount of such Commitment increases, and (ii) Schedule 2.01 shall be deemed modified, without further action, to reflect the revised Commitments and Applicable Percentages of the new and existing Lenders.

(e) Conditions to Effectiveness of Increase. As a condition precedent to such increase, (i) the Lead Borrower shall deliver to the Agent a certificate of each Loan Party dated as of the Increase Effective Date signed by a Responsible Officer of such Loan Party (A) certifying and attaching the resolutions adopted by such Loan Party approving or consenting to such increase, and (B) in the case of the Borrowers, certifying that, before and after giving effect to such increase, (1) the representations and warranties contained in Article V and the other Loan Documents are true and correct in all material respects on and as of the Increase Effective Date, except to the extent that such representations and warranties (x) specifically refer to an earlier date, in which case they are true and correct in all material respects as of such earlier date or (y) are qualified by materiality in the text thereof, in which case they are true and correct in all respects, and except that for purposes of this Section 2.15, the representations and warranties contained in subsections (a) and (b) of Section 5.05 shall be deemed to refer to the most recent statements furnished pursuant to clauses (a) and (b), respectively, of Section 6.01, and (2) no Default or Event of Default exists or would arise therefrom, (ii) the Borrowers, the Agent, and any Additional Commitment Lender shall have executed and delivered a joinder to the Loan Documents in such form as the Agent shall reasonably require; (iii) the Borrowers shall have paid such fees and other compensation to the Additional Commitment Lenders as the Lead Borrower and such Additional Commitment Lenders shall reasonably agree; (iv) the Borrowers shall have paid such arrangement fees to Bank of America as the Lead Borrower and the Agent may reasonably agree; (v) if reasonably requested by the Agent, the Borrowers shall deliver an opinion or opinions, in form and substance reasonably satisfactory to the Agent, from counsel to the Borrowers reasonably satisfactory to the Agent and dated such date; (vi) the Borrowers and the Additional Commitment Lender shall have delivered such other instruments, documents and agreements as the Agent may reasonably have requested; and (vii) no Default or Event of Default exists. The Borrowers shall prepay any Revolving Loans outstanding on the Increase Effective Date (and pay any additional amounts required pursuant to Section 3.05) to the extent necessary to keep the outstanding Revolving Loans ratable with any revised Applicable Percentages arising from any non-ratable increase in the Commitments under this Section.

(f) FILO Tranche. An increase under this Section 2.15 may be in the form of a separate "first-in, last-out" or "last-out" tranche (the "FILO Tranche") with interest rate margins, rate floors, upfront fees, funding discounts and original issue discounts, in each case to be agreed upon (which, for the avoidance of doubt, shall not require any adjustment to the Applicable Rate of other Revolving Loans) among the applicable Borrower and the Lenders providing the FILO Tranche so long as (a) any Loans and related Obligations in respect of the FILO Tranche are not to be guaranteed by any Person other than the Guarantors and are not secured by any assets other than Collateral, (b) as between

(x) the Revolving Loans (other than the FILO Tranche) and (y) the FILO Tranche, all proceeds from the liquidation or other realization of the Collateral or application of funds in accordance with Section 8.03 shall be applied, first to obligations owing under, or with respect to, the Revolving Loans (other than the FILO Tranche) and second to the FILO Tranche; (c) the Borrowers may not prepay Loans under the FILO Tranche or terminate or reduce the commitments in respect thereof at any time that other Loans (including Swing Line Loans) and/or Unreimbursed Amounts (unless cash collateralized or otherwise provided for in a manner reasonably satisfactory to the Agent) are outstanding; (d) any prepayment of the FILO Tranche pursuant to Section 2.05 shall be subject to satisfaction of the Payment Conditions on a *pro forma basis;* (e) the Required Lenders (calculated as including the FILO Tranche) shall, control exercise of remedies in respect of the Collateral; (f) no changes affecting the priority status of this facility (other than the FILO Tranche) vis-à-vis the FILO Tranche may be made without the consent of the Required Lenders under this facility, other than such changes which affect only the FILO Tranche;

(g) the final maturity of any FILO Tranche shall not occur, and no FILO Tranche shall require mandatory commitment reductions prior to, the Latest Maturity Date at such time; and (h) except as otherwise set forth in this Section 2.15(f), the terms of any FILO Tranche are not materially less favorable to the Borrowers than those hereunder (including, without limitation, the inclusion of any additional financial or other material covenant without the consent of the Agent); *provided however*, that advance rates with respect to the items included in the borrowing base for such FILO Tranche shall not exceed 100% of the Appraised Value of Eligible Inventory and 100% of the Appraised Value of Eligible In-Transit Inventory and 100% of Eligible Credit Card Receivables.

(g) Conflicting Provisions. This Section shall supersede any provisions in Sections 2.13 or 10.01 to the contrary.

2.16 Defaulting Lenders.

(a) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definitions of "Required Lenders" and Section 10.01.

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise) or received by the Agent from a Defaulting Lender pursuant to Section 10.08 shall be applied at such time or times as may be determined by the Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to the L/C Issuer or Swing Line Lender hereunder; third, to Cash Collateralize the L/C Issuer's Fronting Exposure with respect to such Defaulting Lender; fourth, as the Lead Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Agent; fifth, if so determined by the Agent and the Lead Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement (including, without limitation, future Fronting Exposure with respect to such Defaulting Lender with respect to Swing Line Loans) and

(y) Cash Collateralize the L/C Issuer's future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement; sixth, to the payment of any amounts owing to the Lenders, the L/C Issuer or Swing Line Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the L/C Issuer or the Swing Line Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Obligations owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Obligations owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in L/C Obligations and Swing Line Loans are held by the Lenders pro rata in accordance with the Commitments hereunder without giving effect to Section 2.16(a)(iv). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.16(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any fee payable under Section 2.09(i) for any period during which that Lender is a Defaulting Lender (and the Borrowers shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(B) Each Defaulting Lender shall be entitled to receive Letter of Credit Fees owing to such Defaulting Lender for any period during which that Lender is a Defaulting Lender only to the extent allocable to its Applicable Percentage of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 2.03(g).

(C) With respect to any fee payable under Section 2.09(i) or any Letter of Credit Fee not required to be paid to any Defaulting Lender pursuant to clause (A) or

(B) above, the Borrowers shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in L/C Obligations or Swing Line Loans that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to the L/C Issuer and Swing Line Lender, as applicable, the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such L/C Issuer's or Swing Line Lender's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(iv) Reallocation of Applicable Percentages to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in L/C Obligations and Swing Line Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Applicable Percentages (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that (x) the conditions set forth in Section 4.02 are satisfied at the time of such reallocation (and, unless the Borrowers shall have

otherwise notified the Agent at such time, the Borrowers shall be deemed to have represented and warranted that such conditions are satisfied at such time), and (y) such reallocation does not cause the aggregate Outstanding Amount of Obligations (excluding Other Liabilities) of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Commitment. No reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) Cash Collateral, Repayment of Swing Line Loans. If the reallocation described in clause (a)(iv) above cannot, or can only partially, be effected, the Borrowers shall, without prejudice to any right or remedy available to them hereunder or under applicable Law, (x) first, prepay Swing Line Loans in an amount equal to the Swing Line Lenders' Fronting Exposure and (y) second, Cash Collateralize the L/C Issuer's Fronting Exposure in accordance with the procedures set forth in Section 2.03(g).

(b) Defaulting Lender Cure. If the Lead Borrower and the Agent (and, if the applicable Lender is a Lender, the Swing Line Lender and the L/C Issuer) agree in writing that a Lender is no longer a Defaulting Lender, the Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Agent may determine to be necessary to cause the Revolving Loans and funded and unfunded participations in Letters of Credit and Swing Line Loans to be held on a pro rata basis by the Lenders in accordance with their Applicable Percentages (without giving effect to Section 2.16(a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

2.17 Extension of Maturity Date.

(a) Extension of Commitments. The Borrowers may at any time and from time to time request that all or a portion of the Commitments (each, an "Existing Revolver Tranche") be amended to extend the Maturity Date with respect to all or a portion of any principal amount of such Commitments (any such Commitments which have been so amended, "Extended Commitments") and to provide for other terms consistent with this Section 2.17; provided that there shall be no more than three (3) tranches of Loans and Commitments outstanding at any time. In order to establish any Extended Commitments, the Lead Borrower shall provide a notice to the Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Revolver Tranche) (each, an "Extension Request") setting forth the proposed terms (which shall be determined in consultation with the Agent) of the Extended Commitments to be established, which shall (x) be identical as offered to each Lender under such Existing Revolver Tranche (including as to the proposed interest rates and fees payable) and offered pro rata to each Lender under such Existing Revolver Tranche and (y) be identical to the Commitments under the Existing Revolver Tranche from which such Extended Commitments are to be amended, except that: (i) the Maturity Date of the Extended Commitments shall be later than the Maturity Date of the Commitments of such Existing Revolver Tranche, (ii) the Extension Amendment

may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the Extension Amendment (immediately prior to the establishment of such Extended Commitments); and (iii) all borrowings under the Commitments and repayments thereunder shall be made on a pro rata basis (except for (I) payments of interest and fees at different rates on Extended Commitments (and related outstandings) and (II) repayments required upon the termination date of the non-extending Commitments); provided further, that (A) the conditions precedent to a Borrowing set forth in Section 4.02 shall be satisfied as of the date of such Extension Amendment and at the time when any Loans are made in respect of any Extended Commitment, (B) in no event shall the final maturity date of any Extended Commitments of a given Extension Series at the time of establishment thereof be earlier than the then Latest Maturity Date of any other Commitments hereunder, and (C) all documentation in respect of the such Extension Amendment shall be consistent with the foregoing. Any Extended Commitments amended pursuant to any Extension Request shall be designated a series (each, an "Extension Series") of Extended Commitments for all purposes of this Agreement; provided that any Extended Commitments amended from an Existing Revolver Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Extension Series with respect to such Existing Revolver Tranche. Each Extension Series of Extended Commitments incurred under this Section 2.17 shall be in an aggregate principal amount reasonably acceptable to the Agent.

(b) Extension Request. The Lead Borrower shall provide the applicable Extension Request at least sixty (60) Business Days (or such shorter period as may be agreed by the Agent) prior to the date on which Lenders under the Existing Revolver Tranche are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Agent, in each case acting reasonably, to accomplish the purposes of this Section 2.17. No Lender shall have any obligation to agree to provide any Extended Commitment pursuant to any Extension Request. Any Lender (each, an "Extending Lender") wishing to have all or a portion of its Commitments under the Existing Revolver Tranche subject to such Extension Request amended into Extended Commitments shall notify the Agent (each, an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Commitments under the Existing Revolver Tranche which it has elected to request be amended into Extended Commitments (subject to any minimum denomination requirements imposed by the Agent). In the event that the aggregate principal amount of Commitments under the Existing Revolver Tranche in respect of which applicable Lenders shall have accepted the relevant Extension Request exceeds the amount of Extended Commitments requested to be extended pursuant to the Extension Request, Commitments subject to Extension Elections shall be amended to reflect allocations of the Extended Commitments, which Extended Commitments shall be allocated as agreed by the Agent and the Lead Borrower.

(c) New Revolving Commitment Lenders. Following any Extension Request made by the Borrowers in accordance with Sections 2.17(a) and 2.17(b), if the Lenders shall have declined to agree during the period specified in Section 2.17(b) above to provide Extended Commitments in an aggregate principal amount equal to the amount requested by the Borrowers in such Extension Request, the Borrowers may request that Additional Commitment Lenders provide an Extended Commitment hereunder (an "Additional Commitment"); provided that such Extended Commitments of such Additional Commitment Lenders (i) shall be in an aggregate principal amount for all such Additional Commitment Lenders not to exceed the aggregate principal amount of Extended Commitments so declined to be provided by the existing Lenders and (ii) shall be on identical terms to the terms applicable to the terms specified in the applicable Extension Request (and any Extended Commitments provided by existing Lenders in respect thereof); provided further that, as a condition to the effectiveness of any Extended Commitment of any Additional Commitment Lender, the Agent, the L/C Issuer and the Swing Line Lender shall have consented (such consent not to be unreasonably withheld) to each Additional

Commitment Lender if such consent would be required under Section 10.06(b) for an assignment of Commitments to such Person. Notwithstanding anything herein to the contrary, any Extended Commitment provided by Additional Commitment Lenders shall be pro rata to each Additional Commitment Lender. Upon effectiveness of the Extension Amendment to which each such Additional Commitment Lender is a party, (a) the Commitments of all existing Lenders of each Type specified in the Extension Amendment in accordance with this Section 2.17 will be permanently reduced pro rata by an aggregate amount equal to the aggregate principal amount of the Extended Commitments of such Additional Commitment Lenders and (b) the Commitment of each such Additional Commitment Lender will become effective. The Extended Commitments of Additional Commitment Lenders will be incorporated as Commitments hereunder in the same manner in which Extended Commitments of existing Lenders are incorporated hereunder pursuant to this Section 2.17, and for the avoidance of doubt, all Borrowings and repayments of Loans from and after the effectiveness of such Extension Amendment shall be made pro rata across all Types of Commitments including such Additional Commitment Lenders (based on the outstanding principal amounts of the respective Types of Commitments) except for (x) payments of interest and fees at different rates for each Type of Commitments and (y) repayments required on the Maturity Date for any particular Type of Commitments. Upon the effectiveness of each Additional Commitment pursuant to this Section 2.17(c), (a) each Lender of all applicable existing Types of Commitments immediately prior to such effectiveness will automatically and without further act be deemed to have assigned to each Additional Commitment Lender, and each such Additional Commitment Lender will automatically and without further act be deemed to have assumed, a portion of such Lender's participations hereunder in outstanding Letters of Credit and Swing Line Loans such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the outstanding (i) participations hereunder in Letters of Credit and (ii) participations hereunder in Swing Line Loans held by each Lender of each Type of Commitments (including each such Additional Commitment Lender) will equal the percentage of the aggregate Commitments of all Types of Lenders represented by such Lender's Commitment and (b) if, on the date of such effectiveness, there are any Loans outstanding, such Loans shall on or prior to the effectiveness of such Additional Commitment be prepaid from the proceeds of Loans outstanding after giving effect to such Additional Commitments, which prepayment shall be accompanied by accrued interest on the Loans being prepaid and any costs incurred by any Lender in accordance with Section 3.04. The Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

(d) Extension Amendment. Extended Commitments and Additional Commitments shall be established pursuant to an amendment (each, an "Extension Amendment") to this Agreement among the Borrowers, the Agent and each Extending Lender and each Additional Commitment Lender, if any, providing an Extended Commitment or an Additional Commitment, as applicable, thereunder, which shall be consistent with the provisions set forth in Sections 2.17(a), (b) and (c) above (but which shall not require the consent of any other Lender). The effectiveness of any Extension Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.02 and, to the extent reasonably requested by the Agent, receipt by the Agent of (i) legal opinions, board resolutions and officers' certificates consistent with those delivered on the Closing Date other than changes to such legal opinion resulting from a Change in Law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Agent and (ii) reaffirmation agreements and/or such amendments to the Security Documents as may be reasonably requested by the Agent in order to ensure that the Extended Commitments or the Additional Commitments, as the case may be, are provided with the benefit of the applicable Loan Documents. The Agent shall promptly notify each Lender as to the effectiveness of each Extension Amendment. Each of the parties hereto hereby agrees that this Agreement and the other Loan Documents may be amended pursuant to an Extension Amendment, without the consent of any other

Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of the Extended Commitments or the Additional Commitments, as the case may be, incurred pursuant thereto, (ii) make such other changes to this Agreement and the other Loan Documents (without the consent of the Required Lenders) and (iii) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Agent and the applicable Borrower, to effect the provisions of this Section, and the Required Lenders hereby expressly authorize the Agent to enter into any such Extension Amendment.

(e) Treatment as Payment of Loans. No conversion of Loans pursuant to any Extension in accordance with this Section 2.17 shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

(f) Conflicting Provisions. This Section shall supersede any provisions in Sections 2.13 or 10.01 to the contrary.

ARTICLE III
TAXES, YIELD PROTECTION AND ILLEGALITY; APPOINTMENT OF LEAD BORROWER

3.01 Taxes.

(a) Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes.

(i) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable Laws. If any applicable Laws (as determined in the good faith discretion of the Agent) require the deduction or withholding of any Tax from any such payment by the Agent or a Loan Party, then the Agent or such Loan Party shall be entitled to make such deduction or withholding, upon the basis of the information and documentation to be delivered pursuant to subsection (e) below.

(ii) If any Loan Party or the Agent shall be required by any applicable Laws other than the Code to withhold or deduct any Taxes from any payment, then (A) such Loan Party or the Agent, as required by such Laws, shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) such Loan Party or the Agent, to the extent required by such Laws, shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with such Laws, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the applicable Loan Party shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 3.01) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction on account of Indemnified Taxes been made.

(b) Payment of Other Taxes by the Borrowers. Without limiting the provisions of subsection (a) above, the Borrowers shall timely pay to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Agent timely reimburse it for the payment of, any Other Taxes.

(c) Tax Indemnifications.

(i) The Loan Parties shall, and each Loan Party does hereby, jointly and severally indemnify each Recipient, and shall make payment in respect thereof within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Lead Borrower by a Lender or the L/C Issuer (with a copy to the Agent), or by the Agent on its own behalf or on behalf of a Lender or the L/C Issuer, shall be conclusive absent manifest error.

(ii) Each Lender and the L/C Issuer shall, and does hereby, severally indemnify, and shall make payment in respect thereof within 10 days after demand therefor, (x) the Agent against any Indemnified Taxes attributable to such Lender or the L/C Issuer (but only to the extent that any Loan Party has not already indemnified the Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (y) the Agent and the Loan Parties, as applicable, against any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.06(d) relating to the maintenance of a Participant Register and (z) the Agent and the Loan Parties, as applicable, against any Excluded Taxes attributable to such Lender or the L/C Issuer, in each case, that are payable or paid by the Agent or a Loan Party in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Agent shall be conclusive absent manifest error. Each Lender and the L/C Issuer hereby authorizes the Agent to set off and apply any and all amounts at any time owing to such Lender or the L/C Issuer, as the case may be, under this Agreement or any other Loan Document against any amount due to the Agent under this clause (ii).

(d) Evidence of Payments. Upon request by the Lead Borrower or the Agent, as the case may be, after any payment of Taxes by the Lead Borrower or by the Agent to a Governmental Authority as provided in this Section 3.01, the Lead Borrower shall deliver to the Agent or the Agent shall deliver to the Lead Borrower, as the case may be, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by Laws to report such payment or other evidence of such payment reasonably satisfactory to the Lead Borrower or the Agent, as the case may be.

(e) Status of Lenders; Tax Documentation.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Lead Borrower and the Agent, at the time or times reasonably requested by the Lead Borrower or the Agent, such properly completed and executed documentation reasonably requested by the Lead Borrower or the Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Lead Borrower or the Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Lead Borrower or the Agent as will enable the Lead Borrower or the Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.01(e)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Lead Borrower is a U.S. Person,

(A) any Lender that is a U.S. Person shall deliver to the Lead Borrower and the Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Lead Borrower or the Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Lead Borrower and the Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Lead Borrower or the Agent), whichever of the following is applicable:

(I) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN or W-8BEN-E, as applicable (or any successor forms), establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(II) executed originals of IRS Form W-8ECI (or any successor forms);

(III) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit G-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of any Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN or W-8BEN-E, as applicable (or any successor forms); or

(IV) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY (or any successor forms), accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-2 or Exhibit G-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Lead Borrower and the Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Lead Borrower or the Agent), executed originals of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Lead Borrower or the Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Lead Borrower and the Agent at the time or times prescribed by law and at such time or times reasonably requested by the Lead Borrower or the Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Lead Borrower or the Agent as may be necessary for the Lead Borrower and the Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iii) Each Lender agrees that if any form or certification it previously delivered pursuant to this Section 3.01 expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Lead Borrower and the Agent in writing of its legal inability to do so.

(f) Mitigation. If any Recipient claims any additional amounts payable pursuant to this Section 3.01, then such Recipient shall use its reasonable efforts to mitigate or reduce the additional amounts payable, which reasonable efforts may include a change in the jurisdiction of its Lending Office (or any other measures reasonably requested by the Borrowers) if, in the judgment of such Recipient, such a change or other measures would reduce any such additional amounts (or any similar amount that may thereafter accrue) and would not, in the sole determination of such Recipient, result in any unreimbursed cost or expense or be otherwise disadvantageous to such Recipient. The Borrowers agree to pay all reasonable costs and expenses incurred by any Recipient in connection with any such efforts or measures.

(g) Treatment of Certain Refunds. Unless required by applicable Laws, at no time shall the Agent have any obligation to file for or otherwise pursue on behalf of a Lender or the L/C Issuer, or have any obligation to pay to any Lender or the L/C Issuer, any refund of Taxes withheld or deducted from funds paid for the account of such Lender or the L/C Issuer, as the case may be. If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by any Loan Party or with respect to which any Loan Party has paid additional amounts pursuant to this Section 3.01, it shall pay to the Loan Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by a Loan Party under this Section 3.01 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) incurred by such Recipient, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the Loan Party, upon the request of the Recipient, agrees to repay the amount paid over to the Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Recipient in the event the Recipient is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this subsection, in no event will the applicable Recipient be required to pay any amount to the Loan Party pursuant to this subsection the payment of which would place the Recipient in a less favorable net after-Tax position than such Recipient would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require any Recipient to make available its tax returns (or any other information relating to its taxes that it deems confidential) to any Loan Party or any other Person.

(h) FATCA. For purposes of determining withholding Taxes imposed under FATCA, from and after the effective date of this Agreement, the Borrowers and the Agent shall treat (and the Lenders hereby authorize the Agent to treat) this Agreement as not qualifying as a "grandfathered obligation" within the meaning of Treasury Regulation Section 1.1471-2(b)(2)(i).

(i) Survival. Each party's obligations under this Section 3.01 shall survive the resignation or replacement of the Agent or any assignment of rights by, or the replacement of, a Lender or the L/C Issuer, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

3.02 Illegality. If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund LIBOR Rate Loans, or to determine or charge interest rates based upon the LIBOR Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Lead Borrower through the Agent, (i) any obligation of such Lender to make or continue LIBOR Rate Loans or to Convert Base Rate Loans to LIBOR Rate Loans shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the LIBOR Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Agent without reference to the LIBOR Rate component of the Base Rate,

in each case, until such Lender notifies the Agent and the Lead Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrowers shall, upon demand from such Lender (with a copy to the Agent), prepay or, if applicable, Convert all LIBOR Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Agent without reference to the LIBOR Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such LIBOR Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such LIBOR Rate Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the LIBOR Rate, the Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the LIBOR Rate component thereof until the Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the LIBOR Rate. Upon any such prepayment or Conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or Converted.

3.03 Inability to Determine Rates. If ~~the Required Lenders determine that for any reason~~ in connection with any request for a LIBOR Rate Loan or a ~~Conversion~~conversion to or continuation thereof, (i) the Agent determines that (~~a~~A) Dollar deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period of such LIBOR Rate Loan, ~~(b~~or (B) (x) adequate and reasonable means do not exist for determining the LIBOR Rate for any requested Interest Period with respect to a proposed LIBOR Rate Loan~~, or (c)~~ or in connection with an existing or proposed Base Rate Loan and (y) the circumstances described in Section 3.03(c)(i) do not apply (in each case with respect to this clause (i), "Impacted Loans"), or (ii) the Agent or the Required Lenders determine that for any reason the LIBOR Rate for any requested Interest Period with respect to a proposed LIBOR Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such LIBOR Rate Loan, the Agent will promptly so notify the Lead Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain LIBOR Rate Loans shall be suspended, (to the extent of the affected LIBOR Rate Loans or Interest Periods), and (y) in the event of a determination described in the preceding sentence with respect to the LIBOR Rate component of the Base Rate, the utilization of the LIBOR Rate component in determining the Base Rate shall be suspended, in each case until the Agent (or, in the case of a determination by the Required Lenders described in clause (ii) of Section 3.03(a), until the Agent ~~(~~upon ~~the~~ instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Lead Borrower may revoke any pending request for a Borrowing of, Conversion to or continuation of LIBOR Rate Loans (to the extent of the affected LIBOR Rate Loans or Interest Periods) or, failing that, will be deemed to have Converted such request into a request for a Revolving Borrowing of Base Rate Loans in the amount specified therein.

(b) Notwithstanding the foregoing, if the Agent has made the determination described in clause (i) of Section 3.03(a), the Agent, in consultation with the Lead Borrower and the Required Lenders, may establish an alternative interest rate for the Impacted Loans, in which case, such alternative rate of interest shall apply with respect to the Impacted Loans until (i) the Agent revokes the notice delivered with respect to the Impacted Loans under clause (i) of the first sentence of Section 3.03(a), (ii) the Agent or the Required Lenders notify the Agent and the Lead Borrower that such alternative interest rate does not adequately and fairly reflect the cost to such Lenders of funding the Impacted Loans, or (iii) any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to such alternative rate of interest or to determine or charge interest rates based upon such rate or any Governmental Authority has imposed material restrictions on the authority of such Lender to do any of the foregoing and provides the Agent and the Lead Borrower written notice thereof.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document:

(i) On March 5, 2021 the Financial Conduct Authority ("FCA"), the regulatory supervisor of LIBOR's administrator ("IBA"), announced in a public statement the future cessation or loss of representativeness of overnight/Spot Next, 1-week, 1-month, 2-month, 3-month, 6-month and 12- month U.S. dollar LIBOR tenor settings. On the earliest of (A) the date that all Available Tenors of U.S dollar LIBOR have permanently or indefinitely ceased to be provided by IBA or have been announced by the FCA pursuant to public statement or publication of information to be no longer representative, (B) June 30, 2023, and (C) the Early Opt-in Effective Date in respect of a SOFR Early Opt-in, if the then-current Benchmark is LIBOR, the Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any setting of such Benchmark on such day and all subsequent settings without any amendment to, or further action or consent of any other party to this Agreement or any other Loan Document. If the Benchmark Replacement is Daily Simple SOFR, all interest payments will be payable on a monthly basis.

(ii) *(x)* Upon (A) the occurrence of a Benchmark Transition Event or (B) a determination by the Agent that neither of the alternatives under clause (1) of the definition of Benchmark Replacement are available, the Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders (and any such objection shall be conclusive and binding absent manifest error); provided that solely in the event that the then-current Benchmark at the time of such Benchmark Transition Event is not a SOFR-based rate, the Benchmark Replacement therefor shall be determined in accordance with clause (1) of the definition of Benchmark Replacement unless the Agent determines that neither of such alternative rates is available.

(y) On the Early Opt-in Effective Date in respect of an Other Rate Early Opt-in, the Benchmark Replacement will replace LIBOR for all purposes hereunder and under any Loan Document in respect of any setting of such Benchmark on such day and all subsequent settings without any amendment to, or further action or consent of any other party to this Agreement or any other Loan Document.

(iii) At any time that the administrator of the then-current Benchmark has permanently or indefinitely ceased to provide such Benchmark or such Benchmark has been announced by the regulatory supervisor for the administrator of such Benchmark pursuant to public statement or publication of information to be no longer representative of the underlying market and economic reality that such Benchmark is intended to measure and that representativeness will not be restored, the Lead Borrower may revoke any request for a borrowing of, conversion to or continuation of Loans to be made, converted or continued that would bear interest by reference to such Benchmark until the Lead Borrower's receipt of notice from the Agent that a Benchmark Replacement has replaced such Benchmark, and, failing that, the Lead Borrower will be deemed to have converted any such request into a request for a borrowing of or conversion to Base Rate Loans. During the period referenced in the foregoing sentence, the component of Base Rate based upon the Benchmark will not be used in any determination of Base Rate.

(iv) In connection with the implementation and administration of a Benchmark Replacement, the Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(v) The Agent will promptly notify the Lead Borrower and the Lenders of (A) the implementation of any Benchmark Replacement and (B) the effectiveness of any Benchmark Replacement Conforming Changes. Any determination, decision or election that may be made by the Agent pursuant to this Section 3.03(c), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 3.03(c).

(vi) At any time (including in connection with the implementation of a Benchmark Replacement), (A) if the then-current Benchmark is a term rate (including Term SOFR or LIBOR), then the Agent may remove any tenor of such Benchmark that is unavailable or non-representative for Benchmark (including Benchmark Replacement) settings and (B) the Agent may reinstate any such previously removed tenor for Benchmark (including Benchmark Replacement) settings.

3.04 Increased Costs; Reserves on LIBOR Rate Loans.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the LIBOR Rate) or the L/C Issuer;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the L/C Issuer or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or LIBOR Rate Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any LIBOR Rate Loan (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender or the L/C Issuer of participating in, issuing or maintaining

any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or the L/C Issuer hereunder , other than an increase related to Taxes, which are governed exclusively by Section 3.01 hereof (whether of principal, interest or any other amount) then, upon request of such Lender or the L/C Issuer and delivery of the certificate contemplated by Section 3.04(c), the Loan Parties will pay to such Lender or the L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or the L/C Issuer, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender or the L/C Issuer determines that any Change in Law affecting such Lender or the L/C Issuer or any Lending Office of such Lender or such Lender's or the L/C Issuer's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's or the L/C Issuer's capital or on the capital or liquidity of such Lender's or the L/C Issuer's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit or Swing Line Loans held by, such Lender, or the Letters of Credit issued by the L/C Issuer, to a level below that which such Lender or the L/C Issuer or such Lender's or the L/C Issuer's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or the L/C Issuer's policies and the policies of such Lender's or the L/C Issuer's holding company with respect to capital adequacy), then upon delivery of the certificate contemplated by Section 3.04(c), from time to time the Loan Parties will pay to such Lender or the L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or the L/C Issuer or such Lender's or the L/C Issuer's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or the L/C Issuer setting forth the amount or amounts necessary to compensate such Lender or the L/C Issuer or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section certifying that such Lender is seeking corresponding compensation from other similarly situated borrowers and delivered to the Lead Borrower shall be conclusive absent manifest error. The Loan Parties shall pay such Lender or the L/C Issuer, as the case may be, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or the L/C Issuer to demand compensation pursuant to the foregoing provisions of this Section shall not constitute a waiver of such Lender's or the L/C Issuer's right to demand such compensation, provided that the Loan Parties shall not be required to compensate a Lender or the L/C Issuer pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than six months prior to the date that such Lender or the L/C Issuer, as the case may be, notifies the Lead Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or the L/C Issuer's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six-month period referred to above shall be extended to include the period of retroactive effect thereof).

3.05 Compensation for Losses. Upon demand of any Lender (with a copy to the Agent) from time to time, the Borrowers shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, Conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by the Borrowers (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or Convert any Loan other than a Base Rate Loan on the date or in the amount notified by the Lead Borrower; or

(c) any assignment of a LIBOR Rate Loan on a day other than the last day of the Interest Period therefor as a result of a request by the Lead Borrower pursuant to Section 10.13;

including any actual loss (as opposed to incidental, consequential, indirect or similar losses) of anticipated profits and any loss or reasonable expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained. The Borrowers shall also pay any customary and reasonable administrative fees charged by such Lender in connection with the foregoing.

For purposes of calculating amounts payable by the Borrowers to the Lenders under this Section 3.05, each Lender shall be deemed to have funded each LIBOR Rate Loan made by it at the LIBOR Rate for such Loan by a matching deposit or other borrowing in the London interbank market for a comparable amount and for a comparable period, whether or not such LIBOR Rate Loan was in fact so funded. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section and setting forth in reasonable detail the manner in which such amount or amounts was determined shall be delivered to the Lead Borrower.

3.06 Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender or the L/C Issuer requests compensation under Section 3.04, or the Borrowers are required to pay any Indemnified Taxes or any additional amount to any Lender, the L/C Issuer, any Participant or any Governmental Authority for the account of any Lender the L/C Issuer or any such Participant pursuant to Section 3.01, or if any Lender, the L/C Issuer or any such Participant gives a notice pursuant to Section 3.02, then such Lender, the L/C Issuer or any such Participant shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the good faith judgment of such Lender, the L/C Issuer or Participant such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender, L/C Issuer or Participant to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender, L/C Issuer or Participant. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender, L/C Issuer or Participant in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if the Borrowers are required to pay any Indemnified Taxes or any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 and, in each case, such Lender has declined or is unable to designate a different Lending Office in accordance with Section 3.06(a), the Borrowers may replace such Lender in accordance with Section 10.13.

3.07 Survival. All of the Borrowers' obligations under this Article III shall survive termination of the Aggregate Commitments, repayment of all other Obligations hereunder, and resignation of the Agent.

3.08 Designation of Lead Borrower as Borrowers' Agent; Joint and Several Liability.

(a) Each Borrower hereby irrevocably designates and appoints the Lead Borrower as such Borrower's agent to obtain Credit Extensions, the proceeds of which shall be available to each Borrower for such uses as are permitted under this Agreement. As the disclosed principal for its agent, each Borrower shall be obligated to each Credit Party on account of Credit Extensions so made as if made directly by the applicable Credit Party to such Borrower, notwithstanding the manner by which such Credit Extensions are recorded on the books and records of the Lead Borrower and of any other Borrower. In addition, each Loan Party other than the Borrowers hereby irrevocably designates and appoints the Lead Borrower as such Loan Party's agent to represent such Loan Party in all respects under this Agreement and the other Loan Documents.

(b) Each Borrower recognizes that credit available to it hereunder is in excess of and on better terms than it otherwise could obtain on and for its own account and that one of the reasons therefor is its joining in the credit facility contemplated herein with all other Borrowers. Consequently, each Borrower ~~hereby assumes, guarantees and agrees to discharge~~shall have joint and several liability in respect of all Obligations, without regard to any defense (other than the defense of payment), setoff or counterclaim which may at any time be available to or be asserted by any other Loan Party against the Credit Parties, or by any other circumstance whatsoever (with or without notice to or knowledge of the Borrowers) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrowers' liability hereunder, in bankruptcy or in any other instance, and such Obligations of the Borrowers shall not be conditioned or contingent upon the pursuit by the Lenders or any other Person at any time of any right or remedy against any Borrower or against any other Person which may be or become liable in respect of all or any part of the Obligations ~~of each~~or against any Collateral or Guaranty therefor or right of offset with respect thereto. Each Borrower hereby acknowledge that this Agreement is the independent and several obligation of each Borrower (regardless of which Borrower shall have delivered a Request for Credit Extension) and may be enforced against each Borrower separately, whether or not enforcement of any right or remedy hereunder has been sought against any other Borrower. Each Borrower hereby expressly waives, with respect to any of the Credit Extensions made to any other ~~Borrowers~~Borrower hereunder and any of the amounts owing hereunder by such other Loan Parties in respect of such Credit Extensions, diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that the Agent, the L/C Issuer or any Lender exhaust any right, power or remedy or proceed against such other Loan Parties under this Agreement or any other agreement or instrument referred to herein or against any other Person under any other guarantee of, or security for, any of such amounts owing hereunder.

(c) The Lead Borrower shall act as a conduit for each Borrower (including itself, as a "Borrower") on whose behalf the Lead Borrower has requested a Credit Extension. Neither the Agent nor any other Credit Party shall have any obligation to see to the application of such proceeds therefrom.

ARTICLE IV
CONDITIONS PRECEDENT TO CREDIT EXTENSIONS

4.01 Conditions of ~~Effective Date~~Effectiveness of this Agreement. The effectiveness of this Agreement on the Effective Date ~~is~~was subject to satisfaction of the following conditions precedent:

No remedy herein is intended to be exclusive of any other remedy and each and every remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or any other provision of Law.

8.03 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Obligations have automatically become immediately due and payable and the L/C Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to Section 8.02), any amounts received from any Loan Party, from the liquidation of any Collateral, or on account of the Obligations shall, subject to the provisions of Section 2.16, be applied by the Agent in the following order:

First, to payment of that portion of the Obligations (excluding the Other Liabilities) constituting fees, indemnities (including indemnities due under Section 10.03 hereof), Credit Party Expenses and other amounts (including reasonable and documented fees, charges and disbursements of counsel to the Agent and amounts payable under Article III) payable to the Agent;

Second, to payment of that portion of the Obligations (excluding the Other Liabilities) constituting indemnities (including indemnities due under Section 10.03 hereof), Credit Party Expenses, and other amounts (other than principal, interest and fees) payable to the Lenders and the L/C Issuer (including Credit Party Expenses to the respective Lenders and the L/C Issuer and amounts payable under Article III), ratably among them in proportion to the amounts described in this clause Second payable to them;

Third, to the extent not previously reimbursed by the Lenders, to payment to the Agent of that portion of the Obligations constituting principal and accrued and unpaid interest on any Permitted Overadvances;

Fourth, to the extent that Swing Line Loans have not been refinanced by a Revolving Loan, payment to the Swing Line Lender of that portion of the Obligations constituting principal and accrued and unpaid interest on the Swing Line Loans;

Fifth, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Revolving Loans and L/C Borrowings, and fees (including Letter of Credit Fees and Commitment Fees), ratably among the Lenders and the L/C Issuer in proportion to the respective amounts described in this clause Fifth payable to them;

Sixth, to payment of that portion of the Obligations constituting unpaid principal of the Revolving Loans and L/C Borrowings, ratably among the Lenders and the L/C Issuer in proportion to the respective amounts described in this clause Sixth held by them;

Seventh, to the Agent for the account of the L/C Issuer, to Cash Collateralize that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit;

Eighth, to payment of all other Obligations (including without limitation the cash collateralization of unliquidated indemnification obligations as provided in Section 10.11, but excluding any Other Liabilities), ratably among the Credit Parties in proportion to the respective amounts described in this clause Eighth held by them;

Ninth, to payment of that portion of the Obligations arising from Cash Management Services, ratably among the Credit Parties in proportion to the respective amounts described in this clause Ninth held by them;

Tenth, to payment of all other Obligations arising from Bank Products, ratably among the Credit Parties in proportion to the respective amounts described in this clause Tenth held by them; and

Last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Loan Parties or as otherwise required by Law.

Subject to Section 2.03(c), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Seventh above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above.

Excluded Swap Obligations with respect to any Loan Party shall not be paid with amounts received from such Loan Party, but appropriate adjustments shall be made with respect to payments from other Loan Parties to preserve the allocation to Obligations otherwise set forth above in this Section 8.03.

8.04 Right to Cure.

(a) Notwithstanding anything to the contrary contained in Section 8.01(b), in the event that the Borrowers fail to comply with the requirement of the Financial Covenant, Holdings or any other Person designated by the Borrowers shall have the right (1) at any time during the period beginning at the start of the last fiscal quarter of the applicable Measurement Period and ending on or prior to the tenth (10^{th}) Business Day after the date on which financial statements with respect to the Measurement Period in which such covenant is being measured are required to be delivered pursuant to Section 6.01 or (2) within ten (10) Business Day after the beginning of a Covenant Compliance Event (such later date, the "Cure Deadline"), to make a direct or indirect equity investment in the Lead Borrower in cash in the form of common Equity Interests (or any other form reasonably acceptable to the Agent) (the "Cure Right"), and upon the receipt by the Lead Borrower of net cash proceeds pursuant to the exercise of the Cure Right (the "Cure Amount"), the Financial Covenant shall be recalculated, giving effect to a pro forma increase to Consolidated EBITDA for such Measurement Period in an amount equal to such Cure Amount; provided that such pro forma adjustment to Consolidated EBITDA shall be given solely for the purpose of determining the existence of a Default or an Event of Default under the Financial Covenant with respect to any Measurement Period that includes the fiscal quarter for which such Cure Right was exercised and not for any other purpose under any Loan Document.

(b) If, after the receipt of the Cure Amounts and the recalculations pursuant to clause (2) above, the Borrowers shall then be in compliance with the requirements of the Financial Covenant during such Measurement Period, the Borrowers shall be deemed to have satisfied the requirements of the Financial Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable Default that had occurred shall be deemed cured; *provided* that (i) the Cure Right may be exercised on no more than five (5) occasions, (ii) in each four fiscal quarter period, there shall be at least two fiscal quarters in respect of which no Cure Right is exercised, (iii) with respect to any exercise of the Cure Right, the Cure Amount shall be no greater than the amount required to cause the Borrowers to be in pro forma compliance with the Financial Covenant (such amount, the "Necessary Cure Amount") (*provided* that if the Cure Right is exercised prior to the date financial statements are required to be delivered for such fiscal quarter then the Cure Amount shall be equal to the amount reasonably determined by the Lead Borrower in good faith that is required for purposes of complying with the Financial Covenant for such fiscal quarter (such amount, the "Expected Cure Amount"), (iv) subject to clause (3) below, all Cure Amounts shall be disregarded for purposes of determining any baskets or financial ratio calculations (other than with respect to the Financial Covenant), with respect to the covenants contained in the Loan Documents and (v) there shall be no pro forma or other reduction in Indebtedness (by netting or otherwise) with the proceeds of any Cure Amount for determining compliance with the Financial Covenant for the fiscal quarter for which such Cure Amount is deemed applied unless such proceeds are actually applied to prepay Indebtedness.

(c) Notwithstanding anything herein to the contrary, (A) to the extent that the Expected Cure Amount is (i) greater than the Necessary Cure Amount, then such difference may be used for the purposes of determining any baskets (other than any previously contributed Cure Amounts), with respect to the covenants contained in the Loan Documents and (ii) *less* than the Necessary Cure Amount, then not later than the applicable Cure Deadline, the Lead Borrower must receive a direct or indirect equity investment in cash in the form of common Equity Interests (or other forms reasonably acceptable to the Agent), which cash proceeds received by Lead Borrower shall be equal to the shortfall between such Expected Cure Amount and such Necessary Cure Amount and (B) prior to the Cure Deadline (x) the Lenders shall not be permitted to exercise any rights then available as a result of an Event of Default under Section 8.02 on the basis of a breach of the Financial Covenant so as to enable the Borrowers to consummate their Cure Rights as permitted under this Section 8.04 and (y) the Lenders shall not be required to make any Credit Extension unless and until the Lead Borrower has received the Cure Amount required to cause the Borrowers to be in compliance with the Financial Covenant.

ARTICLE IX
THE AGENT

9.01 Appointment and Authority.

Each of the Lenders (in its capacity as a Lender), the Swing Line Lender and the L/C Issuer hereby irrevocably appoints Bank of America to act on its behalf as the administrative agent and collateral agent hereunder and under the other Loan Documents and authorizes the Agent to take such actions on its behalf and to exercise such powers as are delegated to the Agent by the terms hereof or thereof (including, without limitation, acquiring, holding and enforcing any and all Liens on Collateral

granted by any of the Loan Parties to secure any of the Obligations), together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Agent and the other Credit Parties, and no Loan Party or any Restricted Subsidiary thereof shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" herein or in any other Loan Documents (or any other similar term) with reference to the Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

9.02 Rights as a Lender. The Person serving as the Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Loan Parties or any Restricted Subsidiary or other Affiliate thereof as if such Person were not the Agent hereunder and without any duty to account therefor to the Lenders.

9.03 Exculpatory Provisions. The Agent or any Arranger, as applicable, shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Agent or the Arrangers, as applicable:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that the Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Agent to liability or that is contrary to any Loan Document or Law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; ~~and~~

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Loan Parties or any of its Affiliates that is communicated to or obtained by the Person serving as the Agent or any of its Affiliates in any capacity; and

(d) shall not have any duty or responsibility to disclose, and shall not be liable for the failure to disclose, to any Lender or any L/C Issuer, any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their Affiliates, that is communicated to, obtained or in the possession of, the Agent, Arranger or any of their Related Parties in any capacity, except for notices, reports and other documents expressly required to be furnished to the Lenders by the Agent herein.

The Agent shall not be liable to any Credit Party for any action taken or not taken by it (i) with the Consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence, bad faith or willful misconduct as determined by a final and non-appealable judgment of a court of competent jurisdiction.

The Agent shall not be deemed to have knowledge of any Default or Event of Default unless and until notice describing such Default or Event of Default is given to the Agent by the Loan Parties, a Lender or the L/C Issuer. In the event that the Agent obtains such actual knowledge or receives such a notice, the Agent shall give prompt notice thereof to each of the other Credit Parties. Upon the occurrence of a Default or an Event of Default, the Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Applicable Lenders. Unless and until the Agent shall have received such direction, the Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to any such Default or Event of Default as it shall deem advisable in the best interest of the Credit Parties. In no event shall the Agent be required to comply with any such directions to the extent that the Agent believes that its compliance with such directions would be unlawful.

The Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Agent.

9.04 Reliance by Agent.

The Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including, but not limited to, any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or the L/C Issuer, the Agent may presume that such condition is satisfactory to such Lender or the L/C Issuer unless the Agent shall have received written notice to the contrary from such Lender or the L/C Issuer prior to the making of such Loan or the issuance of such Letter of Credit. The Agent may consult with legal counsel (who may be counsel for any Loan Party), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

9.05 Delegation of Duties. The Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Agent. The Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as the Agent. The Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

9.06 Resignation of Agent. The Agent may at any time give written notice of its resignation to the Lenders, the L/C Issuer and the Lead Borrower. Upon receipt of any such notice of resignation, the Required Lenders (excluding, for purposes of this Section 9.06 only, any Lender who is also the Agent) shall have the right, in consultation with the Lead Borrower, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States and which shall, unless an Event of Default has occurred and is continuing at the time of such appointment, be reasonably acceptable to the Lead Borrower (whose consent shall not be unreasonably withheld or delayed). If no such successor shall have been so appointed by the Required Lenders (and accepted by the Lead Borrower in accordance with the terms above) and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders and the L/C Issuer, appoint a successor Agent meeting the qualifications set forth above; provided that if the Agent shall notify the Lead Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any Collateral held by the Agent on behalf of the Lenders or the L/C Issuer under any of the Loan Documents, the retiring Agent shall continue to hold such collateral security until such time as a successor Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through the Agent shall instead be made by or to each Lender and the L/C Issuer directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrowers to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Lead Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article and Section 10.04 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as Agent hereunder.

9.07 Non-Reliance on Agent and Other Lenders. Each Lender and ~~the~~each L/C Issuer expressly acknowledges that none of the Agent nor any Arranger has made any representation or warranty to it, and that no act by the Agent or any Arranger hereafter taken, including any consent to, and acceptance of any assignment or review of the affairs of any Loan Party of any Affiliate thereof, shall be deemed to constitute any representation or warranty by the Agent or any Arranger to any Lender or each L/C Issuer as to any matter, including whether the Agent or any Arranger have disclosed material information in their (or their Related Parties') possession. Each Lender and each L/C Issuer represents to the Agent and the Arrangers that it has, independently and without reliance upon the Agent ~~or~~, the Arrangers, any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis ~~and~~of, appraisal of, and investigation into, the business, prospects, operations, property, financial and other condition and

creditworthiness of the Loan Parties and their Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrowers hereunder. Each Lender and the L/C Issuer also acknowledges that it will, independently and without reliance upon the Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties. Except as provided in Section 9.12, the Agent shall not have any duty or responsibility to provide any Credit Party with any other credit or other information concerning the affairs, financial condition or business of any Loan Party that may come into the possession of the Agent. Each Lender and each L/C Issuer represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility and (ii) it is engaged in making, acquiring or holding commercial loans in the ordinary course and is entering into this Agreement as a Lender or L/C Issuer for the purpose of making, acquiring or holding commercial loans and providing other facilities set forth herein as may be applicable to such Lender or L/C Issuer, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument, and each Lender and each L/C Issuer agrees not to assert a claim in contravention of the foregoing. Each Lender and each L/C Issuer represents and warrants that it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender or such L/C Issuer, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities.

9.08 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the Bookrunning Manager or Arranger listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity as the Agent, a Lender or the L/C Issuer hereunder.

9.09 Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Agent shall have made any demand on the Loan Parties) shall be entitled and empowered, by intervention in such proceeding or otherwise

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuer, the Agent and the other Credit Parties (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuer, the Agent, such Credit Parties and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuer the Agent and such Credit Parties under Sections 2.03(i), 2.03(j), 2.09 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and the L/C Issuer to make such payments to the Agent and, if the Agent shall consent to the making of such payments directly to the Lenders and the L/C Issuer, to pay to the Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agent and its agents and counsel, and any other amounts due the Agent under Sections 2.09 and 10.04.

Nothing contained herein shall be deemed to authorize the Agent to authorize or consent to or accept or adopt on behalf of any Credit Party any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Credit Party or to authorize the Agent to vote in respect of the claim of any Credit Party in any such proceeding.

9.10 Collateral and Guaranty Matters. The Credit Parties irrevocably authorize the Agent, at its option and in its discretion,

(a) to release any Lien on any property granted to or held by the Agent under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than contingent indemnification obligations for which no claim has been asserted and for Obligations collateralized pursuant to Section 10.11) and the expiration, termination or Cash Collateralization of all Letters of Credit (except to the extent fully Cash Collateralized or supported by another letter of credit in a manner reasonably satisfactory to the L/C Issuer and the Agent), (ii) that is Disposed of or to be Disposed of as part of or in connection with any Disposition permitted hereunder, or (iii) if approved, authorized or ratified in writing by the Applicable Lenders in accordance with Section 10.01;

(b) to release any Lien on any Equity Interests of any Subsidiary of the Lead Borrower granted to or held by the Agent under the Security Agreement in the event that Rule 3-16 of Regulation S-X under applicable Securities Laws is amended, modified or interpreted by the SEC to require (or is replaced with another rule or regulation or any other law, rule or regulation is adopted, which would require) the filing with the SEC (or any other Governmental ~~Agency~~Authority) of separate financial statements of such Subsidiary due to the fact that such Subsidiary's Equity Interests secure the Obligations, but only for so long as, and only to the extent, necessary to not be subject to such requirement;

(c) to subordinate any Lien on any property granted to or held by the Agent under any Loan Document to the holder of any Lien on such property that is permitted by clause (h) of the definition of Permitted Encumbrances; and

(d) to release any Guarantor from its obligations under any Facility Guaranty and each other applicable Loan Document if such Person ceases to be a Subsidiary as a result of a transaction permitted hereunder.

Upon request by the Agent at any time, the Applicable Lenders will confirm in writing the Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Facility Guaranty and each other applicable Loan Document pursuant to this Section 9.10. In each case as specified in this Section 9.10, the Agent will, at the Loan Parties' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and Lien granted under the Security Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations under the Facility Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.10.

9.11 Notice of Transfer.

The Agent may deem and treat a Lender party to this Agreement as the owner of such Lender's portion of the Obligations for all purposes, unless and until, and except to the extent, an Assignment and Acceptance shall have become effective as set forth in Section 10.06.

9.12 Reports and Financial Statements.

By signing this Agreement, each Lender:

(a) agrees to furnish the Agent, at such frequency as the Agent may reasonably request, with a summary of all Other Liabilities due or to become due to such Lender. In connection with any distributions to be made hereunder, the Agent shall be entitled to assume that no amounts are due to any Lender on account of Other Liabilities unless the Agent has received written notice thereof from such Lender and if such notice is received, the Agent shall be entitled to assume that the only amounts due to such Lender on account of Other Liabilities is the amount set forth in such notice;

(b) is deemed to have requested that the Agent furnish, and the Agent agrees to furnish, such Lender, promptly after they become available, copies of all Borrowing Base Certificates and financial statements required to be delivered by the Lead Borrower hereunder

(c) is deemed to have requested that the Agent furnish, and the Agent agrees to furnish, such Lender, promptly after they become available, copies of all commercial finance examinations and appraisals of the Collateral received by the Agent (collectively, the "Reports");

(d) expressly agrees and acknowledges that the Agent makes no representation or warranty as to the accuracy of the Borrowing Base Certificates, financial statements or Reports, and shall not be liable for any information contained in any Borrowing Base Certificate, financial statement or Report;

(e) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that the Agent or any other party performing any audit or examination will inspect only specific information regarding the Loan Parties and will rely significantly upon the Loan Parties' books and records, as well as on representations of the Loan Parties' personnel;

(f) agrees to keep all Borrowing Base Certificates, financial statements and Reports confidential in accordance with the provisions of Section 10.07 hereof; and

(g) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold the Agent and any such other Lender preparing a Report harmless from any action the indemnifying Lender may take or conclusion the indemnifying Lender may reach or draw from any Report in connection with any Credit Extensions that the indemnifying Lender has made or may make to the Borrowers, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a Loan or Loans; and (ii) to pay and protect, and indemnify, defend, and hold the Agent and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including attorney costs) incurred by the Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

9.13 Agency for Perfection.

Each Credit Party hereby appoints each other Credit Party as agent for the purpose of perfecting Liens for the benefit of the Credit Parties, in assets which, in accordance with Article 9 of the UCC or any other Law of the United States can be perfected only by possession or control. Should any Credit Party (other than the Agent) obtain possession or control of any such Collateral, such Credit Party shall notify the Agent thereof, and, promptly upon the Agent's request therefor shall deliver such Collateral to the Agent or otherwise deal with such Collateral in accordance with the Agent's instructions.

9.14 Indemnification of Agent. Without limiting the obligations of Loan Parties hereunder, the Lenders shall indemnify the Agent, any sub-agent thereof, the Swing Line Lender, the L/C Issuer and any Related Party, as the case may be ratably according to their Applicable Percentages, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against the Agent, any sub-agent thereof, the Swing Line Lender, the L/C Issuer and their Related Parties in any way relating to or arising out of this Agreement or any other Loan Document or any action taken or omitted to be taken by the Agent, any sub-agent thereof, the Swing Line Lender, the L/C Issuer and their Related Parties in connection therewith; provided, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Agent's, any sub-agent's, the Swing Line Lender's, the L/C Issuer's and their Related Parties' bad faith, gross negligence or willful misconduct as determined by a final and non-appealable judgment of a court of competent jurisdiction.

9.15 Relation among Lenders. The Lenders are not partners or co-venturers, and no Lender shall be liable for the acts or omissions of, or (except as otherwise set forth herein in case of the Agent) authorized to act for, any other Lender.

9.16 Recovery of Erroneous Payments. Without limitation of any other provision in this Agreement, if at any time the Agent makes a payment hereunder in error to any Lender or any other Credit Party, whether or not in respect of an Obligation due and owing by the Borrower at such time, where such payment is a Rescindable Amount, then in any such event, each Credit Party receiving a Rescindable Amount severally agrees to repay to the Agent forthwith on demand the Rescindable Amount received by such Credit Party in immediately available funds in the currency so received, with interest thereon, for each day from and including the date such Rescindable Amount is received by it to but excluding the date of payment to the Agent, at the greater of the Federal Funds Rate and a rate determined by the Agent in accordance with banking industry rules on interbank compensation. Each Credit Party irrevocably waives any and all defenses, including any "discharge for value" (under which a creditor might otherwise claim a right to retain funds mistakenly paid by a third party in respect of a debt owed by another) or similar defense to its obligation to return any Rescindable Amount. The Agent shall inform each Credit Party promptly upon determining that any payment made to such Credit Party comprised, in whole or in part, a Rescindable Amount. Notwithstanding anything to the contrary herein or in any other Loan Document, the provisions of this paragraph are solely agreements among the Credit Parties and the Agent and shall not impose any obligations on the Borrowers or the other Loan Parties.

ARTICLE X
MISCELLANEOUS

10.01 Amendments, Etc.

(a) ~~No~~Subject to Section 3.03(c) and except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no Consent to any departure by any Loan Party therefrom, shall be effective unless in writing signed by the Agent, with the Consent of the Required Lenders, and the Lead Borrower or the applicable Loan Party, as the case may be, and each such waiver or Consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such amendment, waiver or consent shall:

(i) increase the Commitment of any Lender (or reinstate any Commitment terminated pursuant to Section 8.02) without the written Consent of such Lender;

(ii) postpone any date fixed by this Agreement or any other Loan Document for (i) any scheduled payment (including the Maturity Date) or mandatory prepayment of principal, interest, fees or other amounts due hereunder or under any of the other Loan Documents without the written Consent of each Lender directly and adversely affected thereby, or (ii) any scheduled or mandatory reduction or termination of the Aggregate Commitments hereunder or under any other Loan Document, without the written Consent of each Lender directly and adversely affected thereby;

(iii) reduce the principal of, or the rate of interest specified herein on, any Loan or L/C Borrowing, or (subject to clause (iv) of the second proviso to this Section 10.01) any fees or other amounts payable hereunder or under any other Loan Document to or for the account of any Lender, without the written Consent of each Lender directly and adversely affected thereby; provided, however, that only the Consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrowers to pay interest or Letter of Credit Fees at the Default Rate;

(iv) change Section 2.13 or Section 8.03 in a manner that would alter the pro rata sharing of payments required thereby without the written Consent of each Lender;

(v) change any provision of this Section or the definition of "Required Lenders" or any other provision hereof or of any Loan Document specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or under any other Loan Document or make any determination or grant any consent hereunder or thereunder, without the written Consent of each Lender;

(vi) except as expressly permitted hereunder or under any other Loan Document, release, or limit the liability of, any Loan Party without the written Consent of each Lender;

(vii) except for Permitted Dispositions or as provided in Section 9.10, release all or substantially all of the Collateral from the Liens of the Security Documents without the written Consent of each Lender;

(viii) change the definition of the term "Borrowing Base" (or any component definition thereof, including, without limitation, advance rates, eligible asset classes and eligibility criteria), "Reserves," "Availability Reserves," or "Inventory Reserves" if, in any case, as a result thereof, the amounts available to be borrowed by the Borrowers would be increased without the written Consent of each Lender, *provided that* the foregoing shall not limit the Permitted Discretion of the Agent to change, establish or eliminate any Reserves or eligibility criteria as provided herein;

(ix) modify the definition of the term "Permitted Overadvance" so as to increase the amount thereof or, except as otherwise provided in such definition, the time period for which a Permitted Overadvance may remain outstanding without the written Consent of each Lender; and

(x) except as expressly permitted herein or in any other Loan Document, subordinate the Obligations hereunder or under the other Loan Documents to any other Indebtedness without the written Consent of each Lender;

and, provided further, that (i) no amendment, waiver or Consent shall, unless in writing and signed by the L/C Issuer in addition to the Lenders required above, affect the rights or duties of the L/C Issuer under this Agreement or any Issuer Document relating to any Letter of Credit issued or to be issued by it; (ii) no amendment, waiver or Consent shall, unless in writing and signed by the Swing Line Lender in addition to the Lenders required above, affect the rights or duties of the Swing Line Lender under this Agreement; (iii) no amendment, waiver or Consent shall, unless in writing and signed by the Agent in addition to the Lenders required above, affect the rights or duties of any Agent under this Agreement or any other Loan Document; and (iv) the Fee ~~Letter~~Letters may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) any Commitment of any Defaulting Lender may not be increased or extended without the consent of such Defaulting Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

(b) Notwithstanding anything to the contrary in this Agreement or any other Loan Document, (x) no provider or holder of any Bank Products or Cash Management Services shall have any voting or approval rights hereunder (or be deemed a Lender) solely by virtue of its status as the provider or holder of such agreements or products or the Obligations owing thereunder, nor shall the consent of any such provider or holder be required (other than in their capacities as Lenders, to the extent applicable) for any matter hereunder or under any of the other Loan Documents, including as to any matter relating to the Collateral or the release of Collateral or any Loan Party, and (y) any Loan Document may be amended and waived with the consent of the Agent at the request of the Lead Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities or defects or (iii) to cause any Loan Document to be consistent with this Agreement and the other Loan Documents.

(c) If any Lender (other than the Agent) does not Consent (a "Non-Consenting Lender") to a proposed amendment, waiver, consent or release with respect to any Loan Document that requires the Consent of each Lender or each affected Lender and that has been approved by the Required Lenders, the Lead Borrower may replace such Non-Consenting Lender in accordance with Section 10.13; provided that such amendment, waiver, consent or release can be effected as a result of the assignment contemplated by such Section (together with all other such assignments required by the Lead Borrower to be made pursuant to this paragraph).

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below, shall be effective as provided in such subsection (b).

(b) Electronic Communications. Notices and other communications to the Lenders and the L/C Issuer hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Agent, provided that the foregoing shall not apply to notices to any Lender or the L/C Issuer pursuant to Article II if such Lender or the L/C Issuer, as applicable, has notified the Agent that it is incapable of receiving notices under such Article by electronic communication. The Agent or the Lead Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

Unless the Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii), if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice, email or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(c) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to any Loan Party, any Lender, the L/C Issuer or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Loan Parties' or the Agent's transmission of Borrower Materials through the Internet , except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to any Loan Party, any Lender, the L/C Issuer or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of the Loan Parties, the Agent, the L/C Issuer and the Swing Line Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Lead Borrower, the Agent, the L/C Issuer and the Swing Line Lender. In addition, each Lender agrees to notify the Agent from time to time to ensure that the Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrowers or their securities for purposes of United States Federal or state securities laws.

(e) Reliance by Agent, L/C Issuer and Lenders. The Agent, the L/C Issuer and the Lenders shall be entitled to rely and act upon any notices (including telephonic Revolving Loan Notices and Swing Line Loan Notices) purportedly given by or on behalf of the Loan Parties even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Loan Parties shall indemnify the Agent, the L/C Issuer, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Loan Parties, except to the extent such losses, costs, expenses or liabilities are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Person. All telephonic notices to and other telephonic communications with the Agent may be recorded by the Agent, and each of the parties hereto hereby consents to such recording.

10.03 No Waiver; Cumulative Remedies. No failure by any Credit Party to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder or under any other Loan Document preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges provided herein and in the other Loan Documents are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default or Event of Default, regardless of whether any Credit Party may have had notice or knowledge of such Default or Event of Default at the time.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at Law in connection with such enforcement shall be instituted and maintained exclusively by, the Agent in accordance with Section 8.02 for the benefit of all the Lenders and the L/C Issuer; provided, however, that the foregoing shall not prohibit (a) the Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Agent) hereunder and under the other Loan Documents, (b) the L/C Issuer or the Swing Line Lender from exercising the rights and remedies that inure to its benefit (solely in its capacity as L/C Issuer or Swing Line Lender, as the case may be) hereunder and under the other Loan Documents, or (c) any Lender from exercising setoff rights in accordance with Section 10.08 (subject to the terms of Section 2.13); and provided, further, that if at any time there is no Person acting as Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b) and (c) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

10.04 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Borrowers shall pay all Credit Party Expenses.

(b) Indemnification by the Loan Parties. The Loan Parties shall indemnify the Agent (and any sub-agent thereof), each other Credit Party, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless (on an after tax basis) from, any and all losses, claims, causes of action, damages, liabilities, settlement payments, costs, and related expenses (including the reasonable fees, charges and documented out-of-pocket disbursements of any counsel for any Indemnitee), incurred by any Indemnitee or asserted against any Indemnitee by any third party or by any Borrower or any other Loan Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder, the consummation of the transactions contemplated hereby or thereby, or the administration of this Agreement and the other Loan Documents, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by the L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit, any bank advising or confirming a Letter of Credit and any other Person seeking to

enforce the rights of a Borrower, beneficiary, transferee, or assignee or Letter of Credit proceeds or the holder of an instrument or document related to any Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by any Loan Party or any of its Restricted Subsidiaries, or any Environmental Liability related in any way to any Loan Party or any of its Restricted Subsidiaries, (iv) any claims of, or amounts paid by any Credit Party to, a Blocked Account Bank or other Person which has entered into a control agreement with any Credit Party hereunder, or (v) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by any Borrower or any other Loan Party or any of the Loan Parties' directors, shareholders or creditors, and regardless of whether any Indemnitee is a party thereto, in all cases, whether or not caused by or arising, in whole or in part, out of the comparative, contributory or sole negligence of the Indemnitee; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the bad faith, gross negligence or willful misconduct of such Indemnitee or (y) result from a claim brought by the Lead Borrower or any other Loan Party against an Indemnitee for breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document, if the Lead Borrower or such Loan Party has obtained a final and non-appealable judgment in its favor on such claim as determined by a court of competent jurisdiction. Without limiting the provisions of Section 3.01(c), this Section 10.04(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) Waiver of Consequential Damages, Etc. To the fullest extent permitted by Law, the Loan Parties shall not assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof.

(d) Payments. All amounts due under this Section shall be payable on demand therefor.

(e) Limitation of Liability. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed to such unintended recipients by such Indemnitee through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby other than for direct or actual damages resulting from the gross negligence or willful misconduct of such Indemnitee as determined by a final and non-appealable judgment of a court of competent jurisdiction.

(f) Survival. The agreements in this Section shall survive the resignation of any Agent, the L/C Issuer or the Swing Line Lender, the assignment of any Commitment or Loan by any Lender, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations and the termination of this Agreement.

10.05 Payments Set Aside. This Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against any Loan Party for liquidation or reorganization or otherwise under any Debtor Relief Law, should any Loan Party become insolvent or make an assignment for the benefit of any creditor or creditors or should a receiver, interim receiver, trustee, monitor, custodian, conservator, liquidator, rehabilitator or similar officer be appointed for all or any significant part of any Loan Party's assets, and shall continue to be effective or to be reinstated, as the

case may be, if at any time payment and performance of the Obligations, or any part thereof, is, pursuant to applicable Law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Obligations, whether as a "voidable preference", "fraudulent conveyance", or otherwise, all as though such payment or performance had not been made. To the extent that any payment by or on behalf of the Loan Parties is made to any Credit Party, or any Credit Party exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Credit Party in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and the L/C Issuer severally agrees to pay to the Agent upon demand its Applicable Percentage (without duplication) of any amount so recovered from or repaid by the Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate and a rate determined by the Agent in accordance with banking industry rules on interbank compensation plus any administrative, processing, or similar fees customarily charged by the Agent in connection with the foregoing. The obligations of the Lenders and the L/C Issuer under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

10.06 Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Loan Party may assign or otherwise transfer any of its rights or obligations hereunder or under any other Loan Document without the prior written Consent of the Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of Section 10.06(b), (ii) by way of participation in accordance with the provisions of subsection Section 10.06(d), or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.06(f) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Credit Parties) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans (including for purposes of this Section 10.06(b), participations in L/C Obligations and in Swing Line Loans) at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) (1) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and Revolving Loans owing to it or (2) in the case of any assignment to a Lender or an Affiliate of a Lender or an Approved Fund with respect to a Lender, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section, the aggregate amount of the Commitment or, if the Commitment is not then in effect, the principal outstanding balance of the Revolving Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than $5,000,000 unless each of the Agent and, so long as no Default or Event of Default has occurred and is continuing, the Lead Borrower otherwise consents (each such consent not to be unreasonably withheld, conditioned or delayed); provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met;

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitments assigned, except that this clause (ii) shall not apply to the Swing Line Lender's rights and obligations in respect of Swing Line Loans.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by subsection (b)(i)(B) of this Section and, in addition:

(A) the consent of the Lead Borrower shall be required (such consent not to be unreasonably withheld, conditioned or delayed; provided that after the passage of ten (10) Business Days from receipt of written notice to the Lead Borrower from the Agent of a proposed assignment without the Lead Borrower giving the Agent written notice of the Lead Borrower's objection to such assignment, the Lead Borrower shall be deemed to have consented to such assignment) unless (1) a Default or Event of Default under Section 8.01(a) or 8.01(f) has occurred and is continuing at the time of such assignment or (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund with respect to such Lender; and

(B) the consent of the Agent, the L/C Issuer and the Swing Line Lender (such consent not to be unreasonably withheld, conditioned or delayed) shall be required for assignments in respect of any Commitment if such assignment is to a Person that is not a Lender, an Affiliate of such Lender or an Approved Fund with respect to such Lender.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500, provided, however, that the Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it shall not be a Lender, shall deliver to the Agent an Administrative Questionnaire.

(v) No Assignment to Certain Persons. No such assignment shall be made (1) (A) to any Person which is not an Eligible Assignee, (B) to any Defaulting Lender or any of its Subsidiaries or Affiliates, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (B), or (C) to a natural Person, or (2) if at the time of such assignment the Borrowers would be obligated to pay any greater amount under Article III to the assignee than the Borrowers is then obligated to pay to the assigning Lender under such Article (and if any assignment is made in violation of the foregoing, the Borrowers will not be required to pay such greater amounts).

(vi) Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or sub-participations, or other compensating actions, including funding, with the consent of the Lead Borrower and the Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Agent, the L/C Issuer or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swing Line Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Agent pursuant to subsection (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, and 10.04 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. Upon request of the assignee Lender, the Borrowers (at their expense) shall execute and deliver one or more Notes to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.06(d).

(c) Register. The Agent, acting solely for this purpose as an agent of the Borrowers (and such agency being solely for tax purposes), shall maintain at the Agent's Office a copy of each Assignment and Assumption delivered to it (or the equivalent thereof in electronic form) and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and stated interest) of the Loans and L/C Obligations owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). No assignment shall be effective unless it has been recorded in the Register pursuant to this Section 10.06(c). The entries in the Register shall be conclusive, absent manifest error, and the Loan Parties, the Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Lead Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice This Section 10.06(c) shall be construed so that the Obligations (excluding Other Liabilities) are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any regulations promulgated thereunder (and any other relevant or successor provisions of the Code or such regulations).

(d) Participations. (i) Any Lender may at any time, without the consent of, or notice to, the Loan Parties or the Agent, sell participations to any Person (other than a natural person or the Loan Parties or any of the Loan Parties' Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment, and/or the Revolving Loans (including such Lender's participations in L/C Obligations and/or Swing Line Loans) owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Loan Parties, the Agent, the Lenders and the L/C Issuer shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any Participant shall agree in writing to comply with all confidentiality obligations set forth in Section 10.07 as if such Participant was a Lender hereunder.

(ii) Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in clauses (i) through (iv) and clauses (vi) and (vii) of the first proviso to Section 10.01 that affects such Participant. Subject to subsection (e) of this Section, the Loan Parties agree that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.06(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.02 as though it were a Lender.

(iii) Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Agent (in its capacity as Agent) shall have no responsibility for maintaining a Participant Register.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01 or 3.04 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Lead Borrower's prior written consent. A Participant shall not be entitled to the benefits of Section 3.01 unless the Lead Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Loan Parties, to comply with Section 3.01(e) as though it were a Lender.

(f) Certain Pledges. Any Lender may, at any time and without consent of any Loan Party or the Agent, pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Assignment to SPV. Notwithstanding any provision to the contrary, any Lender may assign to one or more special purpose funding vehicles (each, an "SPV") all or any portion of its funded Loans (without the corresponding Commitment), without the consent of any Person or the payment of a fee, by execution of a written assignment agreement in a form agreed to by such Lender and such SPV, and may grant any such SPV the option, in such SPV's sole discretion, to provide the Borrowers all or any part of any Loans that such Lender would otherwise be obligated to make pursuant to this Agreement. Such SPVs shall have all the rights which a Lender making or holding such Loans would have under this Agreement, but no obligations. The Lender making such assignment shall remain liable for all its original obligations under this Agreement, including its Commitment (although the unused portion thereof shall be reduced by the principal amount of any Loans held by an SPV). Notwithstanding such assignment, the Agent and Lead Borrower may deliver notices to the Lender making such assignment (as agent for the SPV) and not separately to the SPV unless the Agent and Lead Borrower are requested in writing by the SPV (or its agent) to deliver such notices separately to it. The Borrowers shall, at the reasonable request of any such Lender, execute and deliver to such Person as such Lender may designate, one or more Notes in the amount of such Lender's original Notes to evidence the Loans of such Lender and related SPV.

(h) Resignation as L/C Issuer or Swing Line Lender after Assignment or Resignation. Notwithstanding anything to the contrary contained herein, if at any time Bank of America assigns all of its Commitment and Loans pursuant to subsection (b) above, or resigns as Agent in accordance with the provisions of Section 9.06, Bank of America may, (i) upon thirty (30) days' notice to the Lead Borrower and the Lenders, resign as L/C Issuer and/or (ii) with duplication of any notice required under Section 9.06, upon thirty (30) days' notice to the Lead Borrower, resign as Swing Line Lender. In the event of any such resignation as L/C Issuer or Swing Line Lender, the Lead Borrower shall be entitled to appoint from among the Lenders a successor L/C Issuer or Swing Line Lender hereunder; provided, however, that no failure by the Lead Borrower to appoint any such successor shall affect the resignation of Bank of America as L/C Issuer or Swing Line Lender, as the case may be. If Bank of America resigns as L/C Issuer, it shall retain all the rights, powers, privileges and duties of the L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Revolving Loans that are Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)). If Bank of America resigns as Swing Line Lender, it shall retain all the rights of the Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Revolving Loans that are Base Rate Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.04(c). Upon the appointment of a successor L/C Issuer and/or Swing Line Lender, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swing Line Lender, as the case may be, (b) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to Bank of America to effectively assume the obligations of Bank of America with respect to such Letters of Credit, and (c) the successor Swing Line Lender shall repay all outstanding Obligations with respect to Swing Line Loans due to the resigning Swing Line Lender.

10.07 Treatment of Certain Information; Confidentiality. Each of the Credit Parties agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates, Approved Funds, and to its and its Affiliates' and Approved Funds' respective partners, directors, officers, employees, agents, funding sources, attorneys, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority), (c) to the extent required by Laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement (including any electronic agreement contained in any Platform) containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any Swap Contract relating to any Loan Party and its obligations, (g) with the prior written consent of the Lead Borrower or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to any Credit Party or any of their respective Affiliates on a non-confidential basis from a source other than the Loan Parties.

For purposes of this Section, "Information" means all information received from the Loan Parties or any Subsidiary thereof relating to the Loan Parties or any Subsidiary thereof or their respective businesses, other than any such information that is available to any Credit Party on a non- confidential basis prior to disclosure by the Loan Parties or any Subsidiary thereof. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information, provided it exercises not less than reasonable care.

Each of the Credit Parties acknowledges that (a) the Information may include material non-public information concerning the Loan Parties or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with Law, including Federal and state securities Laws.

10.08 Right of Setoff. If an Event of Default shall have occurred and be continuing or if any Lender shall have been served with a trustee process or similar attachment relating to property of a Loan Party, each Lender, each Participant, the L/C Issuer and each of their respective Affiliates is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Agent or the Required Lenders, to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) (other than escrow, payroll, petty cash, trust and tax accounts) or other property at any time held and other obligations (in whatever currency) at any time owing by such Lender, such Participant, the L/C Issuer or any such Affiliate to or for the credit or the account of the Borrowers or any other Loan Party against any and all of the Obligations now or hereafter existing under this Agreement or any other Loan Document to such Lender or the L/C Issuer, regardless of the adequacy of the Collateral, and irrespective of whether or not such Lender or the L/C Issuer shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrowers or such Loan Party may be contingent or

unmatured or are owed to a branch or office of such Lender, such Participant, or the L/C Issuer different from the branch or office holding such deposit or obligated on such indebtedness; provided, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Agent for further application in accordance with the provisions of Section 2.16 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Agent, the L/C Issuer and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender, each Participant, the L/C Issuer and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, the L/C Issuer or their respective Affiliates may have. Each Lender and the L/C Issuer agrees to notify the Lead Borrower and the Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

10.09 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by Law (the "Maximum Rate"). If the Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans and other Obligations (other than Other Liabilities not then due and owing) or, if it exceeds such unpaid principal, refunded to the Borrowers. In determining whether the interest contracted for, charged, or received by the Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

10.10 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous letters of intent, commitment letters, agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Agent and when the Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopy, or other electronic image scan transmission (e.g., "pdf" or "tif" via e-mail) shall be as effective as delivery of a manually executed counterpart of this Agreement.

10.11 Survival. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Credit Parties, regardless of any investigation made by any Credit Party or on their behalf and notwithstanding that any Credit Party may have had notice or knowledge of any Default or Event of Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation (other than the Other Liabilities and contingent indemnity obligations for which claims have not been asserted) hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding. Further, the provisions of Sections 3.01, 3.04, 3.05 and 10.04 and Article IX shall survive and remain in full force and effect regardless of the repayment of the Obligations (other than contingent indemnity obligations for which claims have not been asserted), the expiration or termination of the Letters of Credit and the Commitments or the

termination of this Agreement or any provision hereof. In connection with the termination of this Agreement and the release and termination of the security interests in the Collateral, the Agent, in its Permitted Discretion, may require such indemnities and collateral security as it shall reasonably deem necessary or appropriate to protect the Credit Parties against (x) loss on account of credits previously applied to the Obligations that may subsequently be reversed or revoked, (y) any obligations that may thereafter arise with respect to the Other Liabilities, and (z) any Obligations that may thereafter arise under Section 10.04 hereof.

10.12 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.12, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Agent, the L/C Issuer or the Swing Line Lender, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

10.13 Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if the Borrowers are required to pay any Indemnified Taxes or any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender is a Defaulting Lender or a Non-Consenting Lender, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.06), all of its interests, rights (other than its existing rights to payments pursuant to Section 3.01 and 3.04) and obligations under this Agreement and the related Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(a) the Borrowers shall have paid to the Agent the assignment fee specified in Section 10.06(b);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and L/C Advances, accrued interest thereon, accrued fees (except that accrued fees shall not be payable to a Defaulting Lender) and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts);

(c) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter; and

(d) such assignment does not conflict with Laws; and

(e) in the case of an assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply.

10.14 Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (EXCEPT, AS TO ANY OTHER LOAN DOCUMENT, AS EXPRESSLY SET FORTH THEREIN) AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES THEREOF.

(b) SUBMISSION TO JURISDICTION. SUBJECT TO THE LAST SENTENCE OF THIS CLAUSE (B), EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT IT WILL NOT COMMENCE ANY ACTION, LITIGATION OR PROCEEDING OF ANY KIND OR DESCRIPTION, WHETHER IN LAW OR EQUITY, WHETHER IN CONTRACT OR IN TORT OR OTHERWISE, AGAINST ANY OTHER PARTY HERETO (OR, IN THE CASE OF THE LOAN PARTIES, AGAINST ANY RELATED PARTY OF THE AGENT, ANY LENDER OR THE L/C ISSUER), IN ANY WAY RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS RELATING HERETO OR THERETO, IN ANY FORUM OTHER THAN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF SUCH COURTS AND AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION, LITIGATION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION, LITIGATION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT ANY CREDIT PARTY MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING TO ENFORCE ANY AWARD OR JUDGMENT RIGHT UNDER THE LOAN DOCUMENTS OR TO BRING ANY ACTION OR PROCEEDING TO ENFORCE ITS RIGHTS UNDER THE LOAN DOCUMENTS WITH RESPECT TO ANY COLLATERAL OR ANY OTHER PROPERTY OF ANY LOAN PARTY IN ANY OTHER FORUM IN WHICH JURISDICTION CAN BE ESTABLISHED.

(c) WAIVER OF VENUE. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

10.15 Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

10.16 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby, the Loan Parties each acknowledge and agree that: (i) the credit facility provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document) are an arm's-length commercial transaction between the Loan Parties, on the one hand, and the Credit Parties, on the other hand, and each of the Loan Parties is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents (including any amendment, waiver or other modification hereof or thereof); (ii) in connection with the process leading to such transaction, each Credit Party is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary, for the Loan Parties or any of their respective Affiliates, stockholders, creditors or employees or any other Person; (iii) none of the Credit Parties has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Loan Parties with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Loan Document (irrespective of whether any of the Credit Parties has advised or is currently advising any Loan Party or any of its Affiliates on other matters) and none of the Credit Parties has any obligation to any Loan Party or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; (iv) the Credit Parties and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Loan Parties and their respective Affiliates, and none of the Credit Parties has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (v) the Credit Parties have not provided and will not provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Loan Document) and each of the Loan Parties has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate. Each of the Loan Parties hereby waives and releases, to the fullest extent permitted by law, any claims that it may have against each of the Credit Parties with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

10.17 Patriot Act Notice. Each Lender that is subject to the Patriot Act (as hereinafter defined) and the Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act"), it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Agent, as applicable, to identify each Loan Party in accordance with Patriot ~~the~~ Act. Each Loan Party is in compliance, in all material respects, with the Patriot Act. No part of the proceeds of the Loans will be used by the Loan Parties, directly or indirectly, for any payments to any governmental official or employee, political party, official of a political party, candidate for political office, or anyone else acting in an official capacity, in order to obtain, retain or direct business or obtain any improper advantage, in violation of the United States Foreign Corrupt Practices Act of 1977, as amended, or the UK Bribery Act 2010. The Loan Parties shall, promptly following a request by the Agent or any Lender, provide all documentation and other information that the Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the Patriot Act and the Beneficial Ownership Regulation.

10.18 Foreign Asset Control Regulations. None of the advance of the Loans, the issuance of any Letters of Credit or the use of the proceeds of any thereof will violate the Trading With the Enemy Act (50 U.S.C. § 1 et seq., as amended) (the "Trading With the Enemy Act") or any of the foreign assets control regulations of OFAC (31 CFR, Subtitle B, Chapter V, as amended) (the "Foreign Assets Control Regulations") or any enabling legislation or executive order relating thereto (which for the avoidance of doubt shall include, but shall not be limited to (a) Executive Order 13224 of September 21, 2001 Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism (66 Fed. Reg. 49079 (2001)) (the "Executive Order") and (b) the Patriot Act. Furthermore, none of the Borrowers or their Affiliates (a) is or will become a "blocked person" as described in the Executive Order, the Trading With the Enemy Act or the Foreign Assets Control Regulations or (b) engages or will engage in any dealings or transactions, or otherwise associated, with any such "blocked person" or in any manner violative of any such order.

10.19 Time of the Essence. Time is of the essence of the Loan Documents.

10.20 Press Releases.

(a) Each Credit Party executing this Agreement agrees that neither it nor its Affiliates will in the future issue any press releases or other public disclosure using the name of the Agent or its Affiliates or referring to this Agreement or the other Loan Documents without at least two (2) Business Days' prior notice to the Agent and without the prior written consent of the Agent unless (and only to the extent that) such Credit Party or Affiliate is required to do so under applicable Law and then, in any event solely to the extent permitted by applicable Law, such Credit Party or Affiliate will consult with the Agent before issuing such press release or other public disclosure.

(b) The Agent and each Lender agree that such Person shall not in the future issue any press releases or other public disclosure using the name of the Lead Borrower or its Subsidiaries without at least two (2) Business Days' prior notice to the Agent and the Lead Borrower and without the prior written consent of the Agent and the Lead Borrower unless such Credit Party or Affiliate is required to do so under applicable Law or an Event of Default has occurred and is then continuing. Subject to the foregoing, each Loan Party consents to the publication by the Agent or any Lender of advertising material relating to the financing transactions contemplated by this Agreement using any Loan Party's name, product photographs, logo or trademark with the Lead Borrower's consent (to the extent required pursuant to the immediately preceding sentence), which consent (if so required) shall not be unreasonably withheld, conditioned or delayed; provided that after the passage of five (5) Business Days

from receipt of written notice to the Lead Borrower from the Agent or any Lender of a proposed press release or other public disclosure without the Lead Borrower giving the Agent written notice of the Lead Borrower's objection to such press release or other public disclosure, the Lead Borrower shall be deemed to have consented thereto); provided further that the Agent or such Lender shall provide a draft reasonably in advance of any advertising material to the Lead Borrower for review and comment prior to the publication thereof. The Agent reserves the right to provide to industry trade organizations information necessary and customary for inclusion in league table measurements.

10.21 Additional Waivers.

(a) The Obligations are the joint and several obligation of each Loan Party. To the fullest extent permitted by Law, the obligations of each Loan Party shall not be affected by (i) the failure of any Credit Party to assert any claim or demand or to enforce or exercise any right or remedy against any other Loan Party under the provisions of this Agreement, any other Loan Document or otherwise, (ii) any rescission, waiver, amendment or modification of, or any release from any of the terms or provisions of, this Agreement or any other Loan Document, (iii) the failure to perfect any security interest in, or the release of, any of the Collateral or other security held by or on behalf of the Agent or any other Credit Party, or (iv) any default, failure or delay, willful or otherwise, in the performance of any of the Obligations, or by any other act or omission that may or might in any manner or to any extent vary the risk of any Loan Party or that would otherwise operate as a discharge of any Loan Party as a matter of law or equity (other than the payment in full in cash of all the Obligations after the termination of the Commitments). The obligations of each Loan Party shall not be subject to any reduction, limitation, impairment or termination for any reason (other than the payment in full in cash of the Obligations after the termination of the Commitments), including any claim of waiver, release, surrender, alteration or compromise of any of the Obligations, and shall not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of any of the Obligations or otherwise.

(b) To the fullest extent permitted by applicable Law, each Loan Party waives any defense based on or arising out of any defense of any other Loan Party or the unenforceability of the Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any other Loan Party, other than the payment in full in cash of all the Obligations and the termination of the Commitments. The Agent and the other Credit Parties may, at their election, foreclose on any security held by one or more of them by one or more judicial or non-judicial sales, accept an assignment of any such security in lieu of foreclosure, compromise or adjust any part of the Obligations, make any other accommodation with any other Loan Party, or exercise any other right or remedy available to them against any other Loan Party, without affecting or impairing in any way the liability of any Loan Party hereunder except to the extent that all of the Obligations have been indefeasibly paid in full in cash and the Commitments have been terminated. To the extent permitted by applicable Law, each Loan Party waives any defense arising out of any such election even though such election operates, pursuant to applicable Law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Loan Party against any other Loan Party, as the case may be, or any security.

(c) Upon payment by any Loan Party of any Obligations, all rights of such Loan Party against any other Loan Party arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subordinate and junior in right of payment to the prior payment in full in cash of all of the Obligations and the termination of the Commitments. In addition, any indebtedness of any Loan Party now or hereafter held by any other Loan Party is hereby subordinated in right of payment to the prior payment in full of the Obligations and no Loan Party will demand, sue for or otherwise attempt to collect any such indebtedness. If any amount shall erroneously

be paid to any Loan Party on account of (i) such subrogation, contribution, reimbursement, indemnity or similar right or (ii) any such indebtedness of any Loan Party, such amount shall be held in trust for the benefit of the Credit Parties and shall forthwith be paid to the Agent to be credited against the payment of the Obligations, whether matured or unmatured, in accordance with the terms of this Agreement and the other Loan Documents. Subject to the foregoing, to the extent that any Borrower shall, under this Agreement as a joint and several obligor, repay any of the Obligations constituting Loans made to another Borrower hereunder or other Obligations incurred directly and primarily by any other Borrower (an "Accommodation Payment"), then the Borrower making such Accommodation Payment shall be entitled to contribution and indemnification from, and be reimbursed by, each of the other Borrowers in an amount, for each of such other Borrowers, equal to a fraction of such Accommodation Payment, the numerator of which fraction is such other Borrower's Allocable Amount and the denominator of which is the sum of the Allocable Amounts of all of the Borrowers. As of any date of determination, the "Allocable Amount" of each Borrower shall be equal to the maximum amount of liability for Accommodation Payments which could be asserted against such Borrower hereunder without (a) rendering such Borrower "insolvent" within the meaning of Section 101 (32) of the Bankruptcy Code, Section 2 of the Uniform Fraudulent Transfer Act ("UFTA") or Section 2 of the Uniform Fraudulent Conveyance Act ("UFCA"), (b) leaving such Borrower with unreasonably small capital or assets, within the meaning of Section 548 of the Bankruptcy Code, Section 4 of the UFTA, or Section 5 of the UFCA, or (c) leaving such Borrower unable to pay its debts as they become due within the meaning of Section 548 of the Bankruptcy Code or Section 4 of the UFTA, or Section 5 of the UFCA.

(d) Without limiting the generality of the foregoing, or of any other waiver or other provision set forth in this Agreement, each Loan Party hereby absolutely, knowingly, unconditionally, and expressly waives any and all claim, defense or benefit arising directly or indirectly under any one or more of Sections 2787 to 2855 inclusive of the California Civil Code or any similar law of California.

10.22 No Strict Construction.

The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement.

10.23 Attachments.

The exhibits and schedules attached to this Agreement are incorporated herein and shall be considered a part of this Agreement for the purposes stated herein, except that in the event of any conflict between any of the provisions of such exhibits and schedules and the provisions of this Agreement, the provisions of this Agreement shall prevail.

10.24 Electronic Execution of Assignments and Certain Other Documents.

(a) The words "execute," "execution," "signed," "signature," and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New

York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Agent pursuant to procedures approved by it.

(b) This Agreement and any document, amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Agreement (each a "Communication"), including Communications required to be in writing, may be in the form of an Electronic Record and may be executed using Electronic Signatures. Each of the Loan Parties agrees that any Electronic Signature on or associated with any Communication shall be valid and binding on each of the Loan Parties to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation each of the Loan Parties enforceable against such in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance by the Agent and each of the Credit Parties of a manually signed paper Communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Agent and each of the Credit Parties may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record ("Electronic Copy"), which shall be deemed created in the ordinary course of the such Person's business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, the Agent is under no obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by the Agent pursuant to procedures approved by it; provided, further, without limiting the foregoing, (a) to the extent the Agent has agreed to accept such Electronic Signature, the Agent and each of the Credit Parties shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of any Loan Party without further verification and (b) upon the request of the Agent or any Lender, any Electronic Signature shall be promptly followed by such manually executed counterpart. For purposes hereof, "Electronic Record" and "Electronic Signature" shall have the meanings assigned to them, respectively, by 15 USC §7006, as it may be amended from time to time.

10.25 Keepwell.

Each Loan Party that is a Qualified ECP Guarantor at the time the guaranty set forth in the Facility Guaranty or the grant of a security interest under the Loan Documents, in each case, by any Specified Loan Party becomes effective with respect to any Swap Obligation, hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support to each Specified Loan Party with respect to such Swap Obligation as may be needed by such Specified Loan Party from time to time to honor all of its obligations under the Loan Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP Guarantor's obligations and undertakings under the Facility Guaranty voidable under applicable Law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor

under this Section 10.25 shall remain in full force and effect until the Obligations have been indefeasibly paid in full. (a) the application of any Write-Down and Conversion Powers by ~~an EEA~~the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an ~~EEA~~Affected Financial Institution; and

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such ~~EEA~~Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

10.27 Acknowledgement Regarding Any Supported QFCs.

To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Swap Contract or any other agreement or instrument that is a QFC (such support, "QFC Credit Support", and each such QFC, a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer

would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

10.28 ~~10.27~~ Amendment and Restatement.

This Agreement is an amendment and restatement of the Existing Credit Agreement, it being acknowledged and agreed that as of the Effective Date all obligations outstanding under or in connection with the Existing Credit Agreement and any of the other Loan Documents (such obligations, collectively, the "Existing Obligations") constitute obligations under this Agreement. This Agreement is in no way intended to constitute a novation of the Existing Credit Agreement or the Existing Obligations. With respect to (i) any date or time period occurring and ending prior to the Effective Date, the Existing Credit Agreement and the other Loan Documents shall govern the respective rights and obligations of any party or parties hereto also party thereto and shall for such purposes remain in full force and effect; and (ii) any date or time period occurring or ending on or after the Effective Date, the rights and obligations of the parties hereto shall be governed by this Agreement (including, without limitation, the exhibits and schedules hereto) and the other Loan Documents. From and after the Effective Date, any reference to the Existing Credit Agreement in any of the other Loan Documents executed or issued by and/or delivered to any one or more parties hereto pursuant to or in connection therewith shall be deemed to be a reference to this Agreement, and the provisions of this Agreement shall prevail in the event of any conflict or inconsistency between such provisions and those of the Existing Credit Agreement.

10.29 ABL Intercreditor Agreement.

Each of Loan Parties, the Agent, the L/C Issuers and the Lenders acknowledge that the exercise of certain of the Agent's rights and remedies hereunder and under the other Loan Documents may be subject to, and restricted by, the provisions of the ABL Intercreditor Agreement. Except as specified herein, nothing contained in the ABL Intercreditor Agreement shall be deemed to modify any of the provisions of this Agreement and the other Loan Documents, which, as among the Loan Parties, the Agent, the L/C Issuers and the Lenders shall remain in full force and effect. In the event of any conflict between the terms of the ABL Intercreditor Agreement and the terms of this Agreement, the terms of the ABL Intercreditor Agreement shall govern and control.

PURSUANT TO THE
TORRID HOLDINGS INC. 2021 LONG-TERM INCENTIVE PLAN

Participant: _____

Grant Date: _____

Restricted Stock Granted: _____

* * * * *

THIS RESTRICTED STOCK AWARD AGREEMENT (this "Agreement"), dated as of the Grant Date specified above, is entered into by and between Torrid Holdings Inc., a Delaware corporation (the "Company"), and the Participant specified above, pursuant to the Torrid Holdings Inc. 2021 Long-Term Incentive Plan, as in effect and as amended from time to time (the "Plan"), which is administered by the Committee; and

WHEREAS, it has been determined under the Plan that it would be in the best interests of the Company to grant the shares of Restricted Stock provided herein to the Participant.

NOW, THEREFORE, in consideration of the mutual covenants and promises hereinafter set forth and for other good and valuable consideration, the parties hereto hereby mutually covenant and agree as follows:

1. **Incorporation By Reference; Plan Document Receipt**. This Agreement is subject in all respects to the terms and provisions of the Plan (including, without limitation, any amendments thereto adopted at any time and from time to time unless such amendments are expressly intended not to apply to the Award provided hereunder), all of which terms and provisions are made a part of and incorporated in this Agreement as if they were each expressly set forth herein. Any capitalized term not defined in this Agreement shall have the same meaning as is ascribed thereto in the Plan. The Participant hereby acknowledges receipt of a true copy of the Plan and that the Participant has read the Plan carefully and fully understands its content. In the event of any conflict between the terms of this Agreement and the terms of the Plan, the terms of the Plan shall control.

2. **Grant of Restricted Stock Award**. The Company hereby grants to the Participant, as of the Grant Date specified above, the number of shares of Restricted Stock specified above. Except as otherwise provided by the Plan, the Participant agrees and understands that nothing contained in this Agreement provides, or is intended to provide, the Participant with any protection against potential future dilution of the Participant's interest in the Company for any reason, and no adjustments shall be made for dividends in cash or other property, distributions or other rights in respect of any such shares, except as otherwise specifically provided for in the Plan or this Agreement. Subject to Section 5 hereof, the Participant shall not have the rights of a stockholder in respect of the shares underlying this Award until such shares are delivered to the Participant in accordance with Section 4 hereof.

3. **Vesting**.

(a) Subject to the provisions of Sections 3(b) and 3(c) hereof, the Restricted Stock subject to this grant shall become unrestricted and vested as follows, provided that the Participant has not incurred a Termination prior to each such vesting date:

Vesting Date	Number of Shares
[•]	[•]

There shall be no proportionate or partial vesting in the periods prior to each vesting date and all vesting shall occur only on the appropriate vesting date, subject to the Participant's continued service with the Company or any of its Subsidiaries on each applicable vesting date.

(b) Committee Discretion to Accelerate Vesting. Notwithstanding the foregoing, the Committee may, in its sole discretion, provide for accelerated vesting of the Restricted Stock at any time and for any reason.

(c) Forfeiture. Subject to the Committee's discretion to accelerate vesting hereunder, all unvested shares of Restricted Stock shall be immediately forfeited upon the Participant's Termination for any reason.

4. **Period of Restriction; Delivery of Unrestricted Shares**. During the Period of Restriction, the Restricted Stock shall bear a legend as described in Section 10 below. When shares of Restricted Stock awarded by this Agreement become vested, the Participant shall be entitled to receive unrestricted shares and if the Participant's stock certificates contain legends restricting the transfer of such shares, the Participant shall be entitled to receive new stock certificates free of such legends (except any legends requiring compliance with securities laws).

5. **Dividends and Other Distributions; Voting**. Participants holding Restricted Stock shall be entitled to receive all dividends and other distributions paid with respect to such shares, provided that any such dividends or other distributions will be subject to the same vesting requirements as the underlying Restricted Stock and shall be paid at the time the Restricted Stock becomes vested pursuant to Section 3 hereof. If any dividends or distributions are paid in shares, the shares shall be deposited with the Company and shall be subject to the same restrictions on transferability and forfeitability as the Restricted Stock with respect to which they were paid. The Participant may exercise full voting rights with respect to the Restricted Stock granted hereunder.

6. **Non-Transferability**. The shares of Restricted Stock, and any rights and interests with respect thereto, issued under this Agreement and the Plan shall not, prior to vesting, be sold, exchanged, transferred, assigned or otherwise disposed of in any way by the Participant (or any beneficiary of the Participant), other than by testamentary disposition by the Participant or the laws of descent and distribution. Any attempt to sell, exchange, transfer, assign, pledge, encumber or otherwise dispose of or hypothecate in any way any of the Restricted Stock, or the levy of any execution, attachment or similar legal process upon the Restricted Stock, contrary to the terms and provisions of this Agreement and/or the Plan shall be null and void and without legal force or effect.

7. **Governing Law**. All questions concerning the construction, validity and interpretation of this Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to the choice of law principles thereof.

8. **Withholding of Tax**. The Company shall have the power and the right to deduct or withhold, or require the Participant to remit to the Company, an amount sufficient to satisfy any federal, state, local and foreign taxes of any kind (including, but not limited to, the Participant's FICA and SDI obligations) which the Company, in its sole discretion, deems necessary to be withheld or remitted to comply with the Code and/or any other applicable law, rule or regulation with respect to the Restricted Stock and, if the Participant fails to do so, the Company may otherwise refuse to issue or transfer any shares of Common Stock otherwise required to be issued pursuant to this Agreement. Any minimum statutorily required withholding obligation with regard to the Participant may be satisfied by reducing the amount of cash or shares of Common Stock otherwise deliverable to the Participant hereunder.

9. **Section 83(b)**. If the Participant properly elects (as required by Section 83(b) of the Code) within 30 days after the issuance of the Restricted Stock to include in gross income for federal income tax purposes in the year of issuance the Fair Market Value of such shares of Restricted Stock, the Participant shall pay to the Company or make arrangements satisfactory to the Company to pay to the Company upon such election, any federal, state or local taxes required to be withheld with respect to the Restricted Stock. If the Participant shall fail to make such payment, the Company shall, to the extent permitted by law, have the right to deduct from any payment of any kind otherwise due to the Participant any federal, state or local taxes of any kind required by law to be withheld with respect to the Restricted Stock, as well as the rights set forth in Section 8 hereof. The Participant acknowledges that it is the Participant's sole responsibility, and not the Company's, to file timely and properly the election under Section 83(b) of the Code and any corresponding provisions of state tax laws if the Participant elects to make such election, and the Participant agrees to timely provide the Company with a copy of any such election.

10. **Legend**. All certificates representing the Restricted Stock shall have endorsed thereon the legend substantially in the following form:

"The anticipation, alienation, attachment, sale, transfer, assignment, pledge, encumbrance or charge of the shares of stock represented hereby are subject to the terms and conditions (including forfeiture) of the Torrid Holdings Inc. (the "Company") 2021 Long-Term Incentive Plan Incentive Plan (the "Plan") and an Agreement entered into between the registered owner and the Company dated _____. Copies of such Plan and Agreement are on file at the principal office of the Company."

Notwithstanding the foregoing, in no event shall the Company be obligated to deliver to the Participant a certificate representing the Restricted Stock prior to the vesting dates set forth above.

11. **Securities Representations**. The shares of Restricted Stock are being issued to the Participant and this Agreement is being made by the Company in reliance upon the following express representations and warranties of the Participant. The Participant acknowledges, represents and warrants that:

(a) The Participant has been advised that the Participant may be an "affiliate" within the meaning of Rule 144 under the Securities Act and in this connection the Company is relying in part on the Participant's representations set forth in this Section 11.

(b) If the Participant is deemed an affiliate within the meaning of Rule 144 of the Securities Act, the shares of Restricted Stock must be held indefinitely unless an exemption from any applicable resale restrictions is available or the Company files an additional registration statement (or a "re-offer prospectus") with regard to the shares of Restricted Stock and the Company is under no obligation to register the shares of Restricted Stock (or to file a "re-offer prospectus").

(c) If the Participant is deemed an affiliate within the meaning of Rule 144 of the Securities Act, the Participant understands that (i) the exemption from registration under Rule 144 will not be available unless (A) a public trading market then exists for the Common Stock of the Company, (B) adequate information concerning the Company is then available to the public, and (C) other terms and conditions of Rule 144 or any exemption therefrom are complied with, and (ii) any sale of the shares of vested Restricted Stock hereunder may be made only in limited amounts in accordance with the terms and conditions of Rule 144 or any exemption therefrom.

12. **Entire Agreement; Amendment**. This Agreement, together with the Plan, contains the entire agreement between the parties hereto with respect to the subject matter contained herein, and supersedes all prior agreements or prior understandings, whether written or oral, between the parties relating to such subject matter. The Committee shall have the right, in its sole discretion, to modify or amend this Agreement from time to time in accordance with and as provided in the Plan. This Agreement may also be modified or amended by a writing signed by both the Company and the Participant. The Company shall give written notice to the Participant of any such modification or amendment of this Agreement as soon as practicable after the adoption thereof.

13. **Notices**. Any notice hereunder by the Participant shall be given to the Company in writing and such notice shall be deemed duly given only upon receipt thereof by the General Counsel of the Company. Any notice hereunder by the Company shall be given to the Participant in writing and such notice shall be deemed duly given only upon receipt thereof at such address as the Participant may have on file with the Company.

14. **Acceptance**. The Participant shall forfeit the Restricted Stock if the Participant does not execute this Agreement within a period of sixty (60) days from the date that the Participant receives this Agreement (or such other period as the Committee shall provide).

15. **No Right to Employment**. Any questions as to whether and when there has been a Termination and the cause of such Termination shall be determined in the sole discretion of the Committee. Nothing in this Agreement shall interfere with or limit in any way the right of the Company, its Subsidiaries or Affiliates to terminate the Participant's employment or service at any time, for any reason and with or without Cause.

16. **Transfer of Personal Data**. The Participant authorizes, agrees and unambiguously consents to the transmission by the Company (or any Subsidiary) of any personal data information related to the Restricted Stock awarded under this Agreement for legitimate business purposes (including, without limitation, the administration of the Plan). This authorization and consent is freely given by the Participant.

17. **Compliance with Laws**. The issuance of the Restricted Stock or unrestricted shares pursuant to this Agreement shall be subject to, and shall comply with, any applicable requirements of any foreign and U.S. federal and state securities laws, rules and regulations (including, without limitation, the provisions of the Securities Act, the Exchange Act and in each case any respective rules and regulations promulgated thereunder) and any other law or regulation applicable thereto. The Company shall not be obligated to issue the Restricted Stock or any of the shares pursuant to this Agreement if any such issuance would violate any such requirements.

18. **Section 409A**. Notwithstanding anything herein or in the Plan to the contrary, the shares of Restricted Stock are intended to be exempt from the applicable requirements of Section 409A of the Code and shall be limited, construed and interpreted in accordance with such intent.

19. **Binding Agreement; Assignment**. This Agreement shall inure to the benefit of, be binding upon, and be enforceable by the Company and its successors and assigns. The Participant shall not assign (except in accordance with Section 6 hereof) any part of this Agreement without the prior express written consent of the Company.

20. **Headings**. The titles and headings of the various sections of this Agreement have been inserted for convenience of reference only and shall not be deemed to be a part of this Agreement.

21. **Counterparts**. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same instrument.

22. **Further Assurances**. Each party hereto shall do and perform (or shall cause to be done and performed) all such further acts and shall execute and deliver all such other agreements, certificates, instruments and documents as either party hereto reasonably may request in order to carry out the intent and accomplish the purposes of this Agreement and the Plan and the consummation of the transactions contemplated thereunder.

23. **Severability**. The invalidity or unenforceability of any provisions of this Agreement in any jurisdiction shall not affect the validity, legality or enforceability of the remainder of this Agreement in such jurisdiction or the validity, legality or enforceability of any provision of this Agreement in any other jurisdiction, it being intended that all rights and obligations of the parties hereunder shall be enforceable to the fullest extent permitted by law.

24. **Acquired Rights**. The Participant acknowledges and agrees that: (a) the Company may terminate or amend the Plan at any time; (b) the award of Restricted Stock made under this Agreement is completely independent of any other award or grant and is made at the sole discretion of the Company; (c) no past grants or awards (including, without limitation, the Restricted Stock awarded hereunder) give the Participant any right to any grants or awards in the future whatsoever; and (d) any benefits granted under this Agreement are not part of the Participant's ordinary salary, and shall not be considered as part of such salary in the event of severance, redundancy or resignation.

RESTRICTED STOCK UNIT AGREEMENT
PURSUANT TO THE
TORRID HOLDINGS INC. 2021 LONG-TERM INCENTIVE PLAN

Participant:_____

Grant Date:_____

Number of Restricted Stock Units Granted:_____

* * * * *

THIS RESTRICTED STOCK UNIT AWARD AGREEMENT (this "Agreement"), dated as of the Grant Date specified above, is entered into by and between Torrid Holdings Inc., a Delaware corporation (the "Company"), and the Participant specified above, pursuant to the Torrid Holdings Inc. 2021 Long-Term Incentive Plan, as in effect and as amended from time to time (the "Plan"), which is administered by the Committee; and

WHEREAS, it has been determined under the Plan that it would be in the best interests of the Company to grant the Restricted Stock Units ("RSUs") provided herein to the Participant.

NOW, THEREFORE, in consideration of the mutual covenants and promises hereinafter set forth and for other good and valuable consideration, the parties hereto hereby mutually covenant and agree as follows:

1. **Incorporation By Reference; Plan Document Receipt**. This Agreement is subject in all respects to the terms and provisions of the Plan (including, without limitation, any amendments thereto adopted at any time and from time to time unless such amendments are expressly intended not to apply to the Award provided hereunder), all of which terms and provisions are made a part of and incorporated in this Agreement as if they were each expressly set forth herein. Any capitalized term not defined in this Agreement shall have the same meaning as is ascribed thereto in the Plan. The Participant hereby acknowledges receipt of a true copy of the Plan and that the Participant has read the Plan carefully and fully understands its content. In the event of any conflict between the terms of this Agreement and the terms of the Plan, the terms of the Plan shall control.

2. **Grant of Restricted Stock Unit Award**. The Company hereby grants to the Participant, as of the Grant Date specified above, the number of RSUs specified above. Except as otherwise provided by the Plan, the Participant agrees and understands that nothing contained in this Agreement provides, or is intended to provide, the Participant with any protection against potential future dilution of the Participant's interest in the Company for any reason, and no adjustments shall be made for dividends in cash or other property, distributions or other rights in respect of the shares of Common Stock underlying the RSUs, except as otherwise specifically provided for in the Plan or this Agreement.

3. **Vesting**.

(a) Subject to the provisions of Sections 3(b) and 3(c) hereof, the RSUs subject to this Award shall become vested as follows, provided that the Participant has not incurred a Termination prior to each such vesting date:

Vesting Date	Number of RSUs
[•]	[•]

There shall be no proportionate or partial vesting in the periods prior to each vesting date and all vesting shall occur only on the appropriate vesting date, subject to the Participant's continued service with the Company or any of its Subsidiaries on each applicable vesting date.

(b) Committee Discretion to Accelerate Vesting. Notwithstanding the foregoing, the Committee may, in its sole discretion, provide for accelerated vesting of the RSUs at any time and for any reason.

(c) Forfeiture. Subject to the Committee's discretion to accelerate vesting hereunder, all unvested RSUs shall be immediately forfeited upon the Participant's Termination for any reason.

4. **Delivery of Shares**.

(a) General. Subject to the provisions of Sections 4(b) and 4(c) hereof, within thirty (30) days following the vesting of the RSUs, the Participant shall receive the number of shares of Common Stock that correspond to the number of RSUs that have become vested on the applicable vesting date; provided that the Participant shall be obligated to pay to the Company the aggregate par value of the shares of Common Stock to be issued within ten (10) days following the issuance of such shares unless such shares have been issued by the Company from the Company's treasury.

(b) Blackout Periods. If the Participant is subject to any Company "blackout" policy or other trading restriction imposed by the Company on the date such distribution would otherwise be made pursuant to Section 4(a) hereof, such distribution shall be instead made on the earlier of (i) the date that the Participant is not subject to any such policy or restriction and (ii) the later of (A) the end of the calendar year in which such distribution would otherwise have been made and (B) a date that is immediately prior to the expiration of two and one-half months following the date such distribution would otherwise have been made hereunder.

(c) Deferrals. If permitted by the Company, the Participant may elect, subject to the terms and conditions of the Plan and any other applicable written plan or procedure adopted by the Company from time to time for purposes of such election, to defer the distribution of all or any portion of the shares of Common Stock that would otherwise be distributed to the Participant hereunder (the "Deferred Shares"), consistent with the requirements of Section 409A of the Code. Upon the vesting of RSUs that have been so deferred, the applicable number of Deferred Shares shall be credited to a bookkeeping account established on the Participant's behalf (the "Account"). Subject to Section 5 hereof, the number of shares of

Common Stock equal to the number of Deferred Shares credited to the Participant's Account shall be distributed to the Participant in accordance with the terms and conditions of the Plan and the other applicable written plans or procedures of the Company, consistent with the requirements of Section 409A of the Code.

5. **Dividends; Rights as Stockholder**. Cash dividends on shares of Common Stock issuable hereunder shall be credited to a dividend book entry account on behalf of the Participant with respect to each RSU granted to the Participant, provided that such cash dividends shall not be deemed to be reinvested in shares of Common Stock and shall be held uninvested and without interest and paid in cash at the same time that the shares of Common Stock underlying the RSUs are delivered to the Participant in accordance with the provisions hereof. Stock dividends on shares of Common Stock shall be credited to a dividend book entry account on behalf of the Participant with respect to each RSU granted to the Participant, provided that such stock dividends shall be paid in shares of Common Stock at the same time that the shares of Common Stock underlying the RSUs are delivered to the Participant in accordance with the provisions hereof. Except as otherwise provided herein, the Participant shall have no rights as a stockholder with respect to any shares of Common Stock covered by any RSU unless and until the Participant has become the holder of record of such shares.

6. **Non-Transferability**. No portion of the RSUs may be sold, assigned, transferred, encumbered, hypothecated or pledged by the Participant, other than to the Company as a result of forfeiture of the RSUs as provided herein, unless and until payment is made in respect of vested RSUs in accordance with the provisions hereof and the Participant has become the holder of record of the vested shares of Common Stock issuable hereunder.

7. **Governing Law**. All questions concerning the construction, validity and interpretation of this Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to the choice of law principles thereof.

8. **Withholding of Tax**. The Company shall have the power and the right to deduct or withhold, or require the Participant to remit to the Company, an amount sufficient to satisfy any federal, state, local and foreign taxes of any kind (including, but not limited to, the Participant's FICA and SDI obligations) which the Company, in its sole discretion, deems necessary to be withheld or remitted to comply with the Code and/or any other applicable law, rule or regulation with respect to the RSUs and, if the Participant fails to do so, the Company may otherwise refuse to issue or transfer any shares of Common Stock otherwise required to be issued pursuant to this Agreement. Any minimum statutorily required withholding obligation with regard to the Participant may be satisfied by reducing the amount of cash or shares of Common Stock otherwise deliverable to the Participant hereunder.

9. **Legend**. The Company may at any time place legends referencing any applicable federal, state or foreign securities law restrictions on all certificates representing shares of Common Stock issued pursuant to this Agreement. The Participant shall, at the request of the Company, promptly present to the Company any and all certificates representing shares of Common Stock acquired pursuant to this Agreement in the possession of the Participant in order to carry out the provisions of this Section 9.

10. **Securities Representations**. This Agreement is being entered into by the Company in reliance upon the following express representations and warranties of the Participant. The Participant hereby acknowledges, represents and warrants that:

(a) The Participant has been advised that the Participant may be an "affiliate" within the meaning of Rule 144 under the Securities Act and in this connection the Company is relying in part on the Participant's representations set forth in this Section 10.

(b) If the Participant is deemed an affiliate within the meaning of Rule 144 of the Securities Act, the shares of Common Stock issuable hereunder must be held indefinitely unless an exemption from any applicable resale restrictions is available or the Company files an additional registration statement (or a "re-offer prospectus") with regard to such shares of Common Stock and the Company is under no obligation to register such shares of Common Stock (or to file a "re-offer prospectus").

(c) If the Participant is deemed an affiliate within the meaning of Rule 144 of the Securities Act, the Participant understands that (i) the exemption from registration under Rule 144 will not be available unless (A) a public trading market then exists for the Common Stock of the Company, (B) adequate information concerning the Company is then available to the public, and (C) other terms and conditions of Rule 144 or any exemption therefrom are complied with, and (ii) any sale of the shares of Common Stock issuable hereunder may be made only in limited amounts in accordance with the terms and conditions of Rule 144 or any exemption therefrom.

11. **Entire Agreement; Amendment**. This Agreement, together with the Plan, contains the entire agreement between the parties hereto with respect to the subject matter contained herein, and supersedes all prior agreements or prior understandings, whether written or oral, between the parties relating to such subject matter. The Committee shall have the right, in its sole discretion, to modify or amend this Agreement from time to time in accordance with and as provided in the Plan. This Agreement may also be modified or amended by a writing signed by both the Company and the Participant. The Company shall give written notice to the Participant of any such modification or amendment of this Agreement as soon as practicable after the adoption thereof.

12. **Notices**. Any notice hereunder by the Participant shall be given to the Company in writing and such notice shall be deemed duly given only upon receipt thereof by the General Counsel of the Company. Any notice hereunder by the Company shall be given to the Participant in writing and such notice shall be deemed duly given only upon receipt thereof at such address as the Participant may have on file with the Company.

13. **No Right to Employment**. Any questions as to whether and when there has been a Termination and the cause of such Termination shall be determined in the sole discretion of the Committee. Nothing in this Agreement shall interfere with or limit in any way the right of the Company, its Subsidiaries or its Affiliates to terminate the Participant's employment or service at any time, for any reason and with or without Cause.

14. **Transfer of Personal Data**. The Participant authorizes, agrees and unambiguously consents to the transmission by the Company (or any Subsidiary) of any personal data information related to the RSUs awarded under this Agreement for legitimate business purposes (including, without limitation, the administration of the Plan). This authorization and consent is freely given by the Participant.

15. **Compliance with Laws**. The grant of RSUs and the issuance of shares of Common Stock hereunder shall be subject to, and shall comply with, any applicable requirements of any foreign and U.S. federal and state securities laws, rules and regulations (including, without limitation, the provisions of the Securities Act, the Exchange Act and in each case any respective rules and regulations promulgated thereunder) and any other law, rule regulation or exchange requirement applicable thereto. The Company shall not be obligated to issue the RSUs or any shares of Common Stock pursuant to this Agreement if any such issuance would violate any such requirements. As a condition to the settlement of the RSUs, the Company may require the Participant to satisfy any qualifications that may be necessary or appropriate to evidence compliance with any applicable law or regulation.

16. **Binding Agreement; Assignment**. This Agreement shall inure to the benefit of, be binding upon, and be enforceable by the Company and its successors and assigns. 21. **Acquired Rights**. THIS NON-QUALIFIED STOCK OPTION AWARD AGREEMENT (this "Agreement"), dated as of the Grant Date specified above, is entered into by and between Torrid Holdings Inc., a Delaware corporation (the "Company"), and the Participant specified above, pursuant to the Torrid Holdings Inc. 2021 Long-Term Incentive Plan, as in effect and as amended from time to time (the "Plan"), which is administered by the Committee; and

WHEREAS, it has been determined under the Plan that it would be in the best interests of the Company to grant the Non-Qualified Stock Option provided for herein to the Participant.

NOW, THEREFORE, in consideration of the mutual covenants and promises hereinafter set forth and for other good and valuable consideration, the parties hereto hereby mutually covenant and agree as follows:

1. **Incorporation By Reference; Plan Document Receipt**. This Agreement is subject in all respects to the terms and provisions of the Plan (including, without limitation, any amendments thereto adopted at any time and from time to time unless such amendments are expressly intended not to apply to the Award provided hereunder), all of which terms and provisions are made a part of and incorporated in this Agreement as if they were each expressly set forth herein. Any capitalized term not defined in this Agreement shall have the same meaning as is ascribed thereto in the Plan. The Participant hereby acknowledges receipt of a true copy of the Plan and that the Participant has read the Plan carefully and fully understands its content. In the event of any conflict between the terms of this Agreement and the terms of the Plan, the terms of the Plan shall control. No part of the Option granted hereby is intended to qualify as an "incentive stock option" under Section 422 of the Code.

2. **Grant of Option**. The Company hereby grants to the Participant, as of the Grant Date specified above, a Non-Qualified Stock Option (this "Option") to acquire from the Company at the Per Share Exercise Price specified above, the aggregate number of shares of Common Stock specified above (the "Option Shares"). Except as otherwise provided by the

Plan, the Participant agrees and understands that nothing contained in this Agreement provides, or is intended to provide, the Participant with any protection against potential future dilution of the Participant's interest in the Company for any reason. The Participant shall have no rights as a stockholder with respect to any shares of Common Stock covered by the Option unless and until the Participant has become the holder of record of such shares, and no adjustments shall be made for dividends in cash or other property, distributions or other rights in respect of any such shares, except as otherwise specifically provided for in the Plan or this Agreement.

3. **Vesting and Exercise**.

(a) Vesting. Subject to the provisions of Section 3(b) hereof, the Option shall vest and become exercisable as follows, provided that the Participant has not incurred a Termination prior to each such vesting date:

Vesting Date	**Number of Shares**
[•]	**[•]**

There shall be no proportionate or partial vesting in the periods prior to each vesting date and all vesting shall occur only on the appropriate vesting date, subject to the Participant's continued service with the Company or any of its Subsidiaries on each applicable vesting date. Upon expiration of the Option, the Option shall be cancelled and no longer exercisable.

(b) Committee Discretion to Accelerate Vesting. Notwithstanding the foregoing, the Committee may, in its sole discretion, provide for accelerated vesting of the Option at any time and for any reason.

(c) Expiration. Unless earlier terminated in accordance with the terms and provisions of the Plan and/or this Agreement, all portions of the Option (whether vested or not vested) shall expire and shall no longer be exercisable after the expiration of ten (10) years from the Grant Date.

4. **Termination**. Subject to the terms of the Plan and this Agreement, the Option, to the extent vested at the time of the Participant's Termination, shall remain exercisable as follows:

(a) Termination due to Death or Disability. In the event of the Participant's Termination by reason of death or Disability, the vested portion of the Option shall remain exercisable until the earlier of (i) one (1) year from the date of such Termination, and (ii) the expiration of the stated term of the Option pursuant to Section 3(c) hereof; provided, however, that in the case of a Termination due to Disability, if the Participant dies within such one (1) year exercise period, any unexercised Option held by the Participant shall thereafter be exercisable by the legal representative of the Participant's estate, to the extent to which it was exercisable at the time of death, for a period of one (1) year from the date of death, but in no event beyond the expiration of the stated term of the Option pursuant to Section 3(c) hereof.

(b) Involuntary Termination Without Cause. In the event of the Participant's involuntary Termination by the Company without Cause, the vested portion of the Option shall remain exercisable until the earlier of (i) ninety (90) days from the date of such Termination, and (ii) the expiration of the stated term of the Option pursuant to Section 3(c) hereof.

(c) Voluntary Resignation. In the event of the Participant's voluntary Termination (other than a voluntary Termination described in Section 4(d) hereof), the vested portion of the Option shall remain exercisable until the earlier of (i) ninety (90) days from the date of such Termination, and (ii) the expiration of the stated term of the Option pursuant to Section 3(c) hereof.

(d) Termination for Cause. In the event of the Participant's Termination for Cause or in the event of the Participant's voluntary Termination (as provided in Section 4(c) hereof) after an event that would be grounds for a Termination for Cause, the Participant's entire Option (whether or not vested) shall terminate and expire upon such Termination.

(e) Treatment of Unvested Options upon Termination. Any portion of the Option that is not vested as of the date of the Participant's Termination for any reason shall terminate and expire as of the date of such Termination.

5. **Method of Exercise and Payment**. Subject to Section 8 hereof, to the extent that the Option has become vested and exercisable with respect to a number of shares of Common Stock as provided herein, the Option may thereafter be exercised by the Participant, in whole or in part, at any time or from time to time prior to the expiration of the Option as provided herein and in accordance with Sections 6.3(c) and 6.3(d) of the Plan, including, without limitation, by the filing of any written form of exercise notice as may be required by the Committee and payment in full of the Per Share Exercise Price specified above multiplied by the number of shares of Common Stock underlying the portion of the Option exercised.

6. **Non-Transferability**. The Option, and any rights and interests with respect thereto, issued under this Agreement and the Plan shall not be sold, exchanged, transferred, assigned or otherwise disposed of in any way by the Participant (or any beneficiary of the Participant), other than by testamentary disposition by the Participant or the laws of descent and distribution. Notwithstanding the foregoing, the Committee may, in its sole discretion, permit the Option to be Transferred to a Family Member for no value, provided that such Transfer shall only be valid upon execution of a written instrument in form and substance acceptable to the Committee in its sole discretion evidencing such Transfer and the transferee's acceptance thereof signed by the Participant and the transferee, and provided, further, that the Option may not be subsequently Transferred other than by will or by the laws of descent and distribution or to another Family Member (as permitted by the Committee in its sole discretion) in accordance with the terms of the Plan and this Agreement, and shall remain subject to the terms of the Plan and this Agreement. Any attempt to sell, exchange, transfer, assign, pledge, encumber or otherwise dispose of or hypothecate in any way the Option, or the levy of any execution, attachment or similar legal process upon the Option, contrary to the terms and provisions of this Agreement and/or the Plan shall be null and void and without legal force or effect.

7. **Governing Law**. All questions concerning the construction, validity and interpretation of this Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to the choice of law principles thereof.

8. **Withholding of Tax**. The Company shall have the power and the right to deduct or withhold, or require the Participant to remit to the Company, an amount sufficient to satisfy any federal, state, local and foreign taxes of any kind (including, but not limited to, the Participant's FICA and SDI obligations) which the Company, in its sole discretion, deems necessary to be withheld or remitted to comply with the Code and/or any other applicable law, rule or regulation with respect to the Option and, if the Participant fails to do so, the Company may otherwise refuse to issue or transfer any shares of Common Stock otherwise required to be issued pursuant to this Agreement. Any minimum statutorily required withholding obligation with regard to the Participant may be satisfied by reducing the amount of cash or shares of Common Stock otherwise deliverable upon exercise of the Option.

9. **Entire Agreement; Amendment**. This Agreement, together with the Plan, contains the entire agreement between the parties hereto with respect to the subject matter contained herein, and supersedes all prior agreements or prior understandings, whether written or oral, between the parties relating to such subject matter. The Committee shall have the right, in its sole discretion, to modify or amend this Agreement from time to time in accordance with and as provided in the Plan. This Agreement may also be modified or amended by a writing signed by both the Company and the Participant. The Company shall give written notice to the Participant of any such modification or amendment of this Agreement as soon as practicable after the adoption thereof.

10. **Notices**. Any notice hereunder by the Participant shall be given to the Company in writing and such notice shall be deemed duly given only upon receipt thereof by the General Counsel of the Company. Any notice hereunder by the Company shall be given to the Participant in writing and such notice shall be deemed duly given only upon receipt thereof at such address as the Participant may have on file with the Company.

11. **No Right to Employment**. Any questions as to whether and when there has been a Termination and the cause of such Termination shall be determined in the sole discretion of the Committee. Nothing in this Agreement shall interfere with or limit in any way the right of the Company, its Subsidiaries or its Affiliates to terminate the Participant's employment or service at any time, for any reason and with or without Cause.

12. **Transfer of Personal Data**. The Participant authorizes, agrees and unambiguously consents to the transmission by the Company (or any Subsidiary) of any personal data information related to the Option awarded under this Agreement for legitimate business purposes (including, without limitation, the administration of the Plan). This authorization and consent is freely given by the Participant.

13. **Compliance with Laws**. The issuance of the Option (and the Option Shares upon exercise of the Option) pursuant to this Agreement shall be subject to, and shall comply with, any applicable requirements of any foreign and U.S. federal and state securities laws, rules and regulations (including, without limitation, the provisions of the Securities Act,

the Exchange Act and in each case any respective rules and regulations promulgated thereunder) and any other law or regulation applicable thereto. The Company shall not be obligated to issue the Option or any of the Option Shares pursuant to this Agreement if any such issuance would violate any such requirements.

14. **Section 409A**. Notwithstanding anything herein or in the Plan to the contrary, the Option is intended to be exempt from the applicable requirements of Section 409A of the Code and shall be limited, construed and interpreted in accordance with such intent.

15. **Binding Agreement; Assignment**. This Agreement shall inure to the benefit of, be binding upon, and be enforceable by the Company and its successors and assigns. The Participant shall not assign (except in accordance with Section 6 hereof) any part of this Agreement without the prior express written consent of the Company.

16. **Headings**. The titles and headings of the various sections of this Agreement have been inserted for convenience of reference only and shall not be deemed to be a part of this Agreement.

17. **Counterparts**. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same instrument.

18. **Further Assurances**. Each party hereto shall do and perform (or shall cause to be done and performed) all such further acts and shall execute and deliver all such other agreements, certificates, instruments and documents as either party hereto reasonably may request in order to carry out the intent and accomplish the purposes of this Agreement and the Plan and the consummation of the transactions contemplated thereunder.

19. **Severability**. The invalidity or unenforceability of any provisions of this Agreement in any jurisdiction shall not affect the validity, legality or enforceability of the remainder of this Agreement in such jurisdiction or the validity, legality or enforceability of any provision of this Agreement in any other jurisdiction, it being intended that all rights and obligations of the parties hereunder shall be enforceable to the fullest extent permitted by law.

20. **Acquired Rights**. The Participant acknowledges and agrees that: (a) the Company may terminate or amend the Plan at any time; (b) the award of the Option made under this Agreement is completely independent of any other award or grant and is made at the sole discretion of the Company; (c) no past grants or awards (including, without limitation, the Option awarded hereunder) give the Participant any right to any grants or awards in the future whatsoever; and (d) any benefits granted under this Agreement are not part of the Participant's ordinary salary, and shall not be considered as part of such salary in the event of severance, redundancy or resignation.

2021 EMPLOYEE STOCK PURCHASE PLAN

ARTICLE I
PURPOSE

The Plan's purpose is to assist employees of the Company and its Designated Companies in acquiring a share ownership interest in the Company, and to help such employees provide for their future security and to encourage them to remain in the employment of the Company and its Subsidiaries and Affiliates.

The Plan consists of two components: the Section 423 Component and the Non-Section 423 Component. The Section 423 Component is intended to qualify as an "employee stock purchase plan" under Section 423 of the Code and shall be administered, interpreted and construed in a manner consistent with the requirements of Section 423 of the Code. In addition, the Plan authorizes the grant of Options under the Non-Section 423 Component, which need not qualify as Options granted pursuant to an "employee stock purchase plan" under Section 423 of the Code; such Options granted under the Non-Section 423 Component shall be granted pursuant to separate Offerings containing such sub-plans, appendices, rules or procedures as may be adopted by the Administrator and designed to achieve tax, securities laws or other objectives for Eligible Employees and the Designated Companies in locations outside of the United States. Except as otherwise provided herein or determined by the Administrator, the Non-Section 423 Component will operate and be administered in the same manner as the Section 423 Component. Offerings intended to be made under the Non-Section 423 Component will be designated as such by the Administrator at or prior to the time of such Offering.

For purposes of the Plan, the Administrator may designate separate Offerings under the Plan, the terms of which need not be identical, in which Eligible Employees may participate, provided that the terms of participation are the same within each separate Offering under the Section 423 Component as determined under Section 423 of the Code. Solely by way of example and without limiting the foregoing, the Company could, but shall not be required to, provide for simultaneous Offerings under the Section 423 Component and the Non-Section 423 Component of the Plan.

ARTICLE II
DEFINITIONS

As used in the Plan, the following words and phrases have the meanings specified below, unless the context clearly indicates otherwise:

2.1 "**Administrator**" means the Committee, or such individuals to which authority to administer the Plan has been delegated under Section 7.1 hereof.

2.2 "**Affiliate**" means a corporation or other entity controlled by, controlling, or under control with the Company. The term "control" (including, with correlative meaning, the terms "controlled by" and "under common control with"), as applied to any person, means the possession, directly or indirectly, of the power to direct or cause the direction of management and policies of such person, whether through the ownership of voting or other securities, by contract or otherwise.

2.3 "**Agent**" means the brokerage firm, bank or other financial institution, entity or person(s), if any, engaged, retained, appointed or authorized to act as the agent of the Company or an Employee with regard to the Plan.

2.4 "**Board**" means the Board of Directors of the Company.

2.5 "**Change in Control**" has the meaning set forth in the Company's 2021 Long-Term Incentive Plan.

2.6 "**Code**" means the U.S. Internal Revenue Code of 1986, as amended from time to time. Any reference to any section of the Code shall also be a reference to any successor provision and any guidance and treasury regulation promulgated thereunder.

2.7 "**Committee**" means any committee of the Board duly authorized by the Board to administer the Plan.

2.8 "**Common Stock**" means the common stock, USD 0.001 par value per share, of the Company.

2.9 "**Company**" means Torrid Holdings Inc., a Delaware corporation, and its successors by operation of law.

2.10 "**Compensation**" of an Employee means the regular straight-time earnings or base salary, commissions and payments received for overtime and shift premiums received by such Employee as compensation for services to the Company or any Designated Company, determined before giving effect to any salary reduction agreement pursuant to (a) a qualified cash or deferred arrangement (within the meaning of Section 401(k) of the Code), or (b) a cafeteria plan (within the meaning of Section 125 of the Code). Compensation shall exclude any annual incentive compensation or other payments made under any bonus program, vacation pay, holiday pay, jury duty pay, funeral leave pay, military leave pay, education or tuition reimbursements, travel expenses, business and moving reimbursements, imputed income arising under any group insurance or benefit program, income received in connection with any share options, share appreciation rights, restricted shares, restricted share units or other compensatory equity awards, fringe benefits, other special or one-time payments (e.g., retention or sign-on bonuses) and all contributions made by the Company or any Designated Subsidiary for the Employee's benefit under any employee benefit plan now or hereafter established. The Administrator, in its discretion, may establish a different definition of Compensation for an Offering, which for the Section 423 Component shall apply on a uniform and nondiscriminatory basis. Further, the Administrator will have discretion to determine the application of this definition to Eligible Employees outside the United States.

2.11 "**Designated Company**" means each Affiliate and Subsidiary, including any Affiliate and Subsidiary in existence on the Effective Date and any Affiliate and Subsidiary formed or acquired following the Effective Date, that has been designated by the Administrator from time to time in its sole discretion as eligible to participate in the Plan, in accordance with Section 7.2 hereof, such designation to specify whether such participation is in the Section 423 Component or Non-Section 423 Component. A Designated Company may participate in either the Section 423 Component or Non-Section 423 Component, but not both. Notwithstanding the foregoing, if any Affiliate or Subsidiary is disregarded for U.S. federal income tax purposes in respect of the Company or any Designated Company participating in the Section 423 Component, then such disregarded Affiliate or Subsidiary shall automatically be a Designated Company participating in the Section 423 Component. If any Affiliate or Subsidiary is disregarded for U.S. federal income tax purposes in respect of any Designated Company participating in the Non-Section 423 Component, the Administrator may exclude such Affiliate or Subsidiary from participating in the Plan, notwithstanding that the Designated Company in respect of which such Affiliate or Subsidiary is disregarded may participate in the Plan.

2.12 "**Effective Date**" means the date the Plan is adopted by the Board, subject to approval of the Company's shareholders.

2.13 "**Eligible Employee**" means any Employee of the Company or a Designated Company who has completed at least six (6) months of continuous service with the Company. The Administrator, in its discretion, may also exclude any or all of the following unless prohibited by applicable law, Employees:

(a) who are customarily scheduled to work 20 hours or less per week;

(b) whose customary employment is not more than five months in a calendar year;

(c) who are not employed by the Company or a Designated Company prior to the applicable Enrollment Date occurs; and

(d) any Employee who is a "highly compensated employee" of the Company or any Designated Company (within the meaning of Section 414(q) of the Code), or that is such a "highly compensated employee" (A) with compensation above a specified level, (B) who is an officer or (C) who is subject to the disclosure requirements of Section 16(a) of the Exchange Act; or

(e) any Employee who is a citizen or resident of a jurisdiction outside the United States (without regard to whether they are also a citizen of the United States or a resident alien (within the meaning of Section 7701(b)(1)(A) of the Code)) if either (A) the grant of the Option is prohibited under the laws of the jurisdiction governing such Employee, or (B) compliance with the laws of the jurisdiction would cause the Section 423 Component, any Offering thereunder or an Option granted thereunder to violate the requirements of Section 423 of the Code; *provided* that any exclusion shall be applied in an identical manner under each Offering to all Employees in accordance with Treas. Reg. § 1.423-2(e).

Notwithstanding the foregoing, any Employee who, after the granting of the Option, would be deemed for purposes of Section 423(b)(3) of the Code to possess 5% or more of the total combined voting power or value of all classes of shares of the Company or any Subsidiary shall not be an Eligible Employee. For purposes of the preceding sentence, the rules of Section 424(d) of the Code with regard to the attribution of share ownership shall apply in determining the share ownership of an individual, and shares which an Employee may purchase under outstanding options under the Plan shall be treated as shares owned by the Employee.

Further, with respect to the Non-Section 423 Component, (a) the Administrator may limit eligibility further within a Designated Company so as to only designate some Employees of a Designated Company as Eligible Employees, and (b) to the extent any restrictions in this definition are not consistent with applicable local laws, the applicable local laws shall control.

2.14 "**Employee**" means any person who renders services to the Company or a Designated Company in the status of an employee within the meaning of Section 3401(c) of the Code. "Employee" shall not include any director of the Company or a Designated Company who does not render services to the Company or a Designated Company in the status of an employee within the meaning of Section 3401(c) of the Code. For purposes of the Plan, the employment relationship shall be treated as continuing intact while the individual is on military leave, sick leave or other leave of absence approved by the Company or a Designated Company and meeting the requirements of Treas. Reg. § 1.421-1(h)(2). Where the period of leave exceeds three months, or such other period specified in Treas. Reg. § 1.421-1(h)(2), and the individual's right to reemployment is not guaranteed either by statute or by contract, the employment relationship shall be deemed to have terminated on the first day immediately following such three (3)-month period, or such other period specified in Treas. Reg. § 1.421-1(h)(2).

2.22 "**Offering**" means an offer under the Plan of an Option that may be exercised during an Offering Period as further described in Article 4 hereof. Unless otherwise specified by the Administrator, each Offering to Eligible Employees shall be deemed a separate Offering, even if the dates and other terms of the applicable Purchase Periods of each such Offering are identical and the provisions of the Plan will separately apply to each Offering. To the extent permitted by Treas. Reg. § 1.423-2(a)(1), the terms of each separate Offering under the Section 423 Component need not be identical, provided that the terms of the Section 423 Component and an Offering thereunder together satisfy Treas. Reg. § 1.423-2(a)(2) and (a)(3).

2.23 "**Offering Period**" means the periods of approximately six (6) months during which Options shall be granted to Participants, commencing on such Trading Day as designated by the Administrator and terminating on a Trading Day approximately six (6) months later, each as determined by the Administrator in its sole discretion. PARTICIPATION

3.1 Eligibility.

(a) Any Eligible Employee who is employed by the Company or a Designated Company on a given Enrollment Date for an Offering Period shall be eligible to participate in the Plan during such Offering Period, subject to the requirements of Articles 4 and 5 hereof, and, for the Section 423 Component, the limitations imposed by Section 423(b) of the Code.

(b) No Eligible Employee shall be granted an Option under the Section 423 Component which permits the Participant to purchase Shares under the Plan, and to purchase shares under all other employee stock purchase plans of the Company, any Parent or any Subsidiary subject to Section 423 of the Code, at a rate which exceeds USD 25,000 of fair market value of such shares (determined at the time such Option is granted) for each calendar year in which such Option is outstanding at any time. The limitation under this Section 3.1(b) shall be applied in accordance with Section 423(b)(8) of the Code.

3.2 Election to Participate; Payroll Deductions.

(a) Each individual who is an Eligible Employee as of an Offering Period's Enrollment Date may elect to participate in such Offering Period and the Plan by delivering to the Company or an Agent designated by the Company an enrollment form including a payroll deduction authorization (which may be in an electronic format or such other method as determined by the Company in accordance with the Company's practices) (a "**Participation Election**") no later than the period of time prior to the applicable Enrollment Date determined by the Administrator, in its sole discretion. Except as provided in Section 3.2(e) hereof, an Eligible Employee may participate in the Plan only by means of payroll deduction.

(b) Subject to Section 3.1(b) hereof and except as may otherwise be determined by the Administrator, payroll deductions (i) shall equal at least 1% of the Participant's Compensation as of each Payday of the Offering Period following the Enrollment Date, but not more than 15% of the Participant's Compensation as of each Payday of the Offering Period following the Enrollment Date; and (ii) shall be expressed as a whole number percentage. Subject to Section 3.2(e) hereof, amounts deducted from a Participant's Compensation with respect to an Offering Period pursuant to this Section 3.2 shall be deducted each Payday through payroll deduction and credited to the Participant's Plan Account.

(c) Unless otherwise determined by the Administrator, following at least one payroll deduction, a Participant may increase or decrease the percentage of Compensation or the fixed dollar amount designated in his or her enrollment form, subject to the limits of this Section 3.2, or may suspend his or her payroll deductions, at any time during an Offering Period; *provided*, *however*, that the Administrator may limit the number of changes a Participant may make to his or her payroll deduction elections during each Offering Period in the applicable Offering (and in the absence of any specific designation by the Administrator, a Participant shall only be allowed to decrease his or her payroll deduction election one time during each Offering Period and shall not be permitted to increase his or her payroll deduction at any time during an Offering Period). Any such change or suspension of payroll deductions shall be effective with the first full payroll period following ten business days after the Company's receipt of the new enrollment form (or such shorter or longer period as may be specified by the Administrator in the applicable Offering). In the event a Participant suspends his or her payroll deductions, such Participant's cumulative payroll deductions prior to the suspension shall remain in his or her account and shall be applied to the purchase of Shares on the next occurring Exercise Date and shall not be paid to such Participant unless he or she withdraws from participation in the Plan pursuant to Section 6.1.

(d) Upon the completion of an Offering Period, each Participant in such Offering Period shall automatically participate in the immediately following Offering Period at the same payroll deduction percentage as in effect at the termination of such Offering Period, unless such Participant delivers to the Company or an Agent designated by the Company a different Participation Election with respect to the successive Offering Period in accordance with Section 3.2(a) hereof, or unless such Participant becomes ineligible for participation in the Plan.

(e) Notwithstanding any other provisions of the Plan to the contrary, in non-U.S. jurisdictions where participation in the Plan through payroll deductions is prohibited or otherwise problematic under applicable local laws (as determined by the Administrator in its sole discretion), the Administrator may provide that an Eligible Employee may elect to participate through contributions to the Participant's Plan Account in a form acceptable to the Administrator in lieu of or in addition to payroll deductions; provided, however, that, for any Offering under the Section 423 Component, the Administrator must determine that any alternative method of contribution is applied on an equal and uniform basis to all Eligible Employees in the Offering. Any reference to "payroll deductions" in this Section 3.2 (or in any other section of the Plan) will similarly cover contributions by other means made pursuant to this Section 3.2(e).

ARTICLE IV
PURCHASE OF SHARES

4.1 Grant of Option. The Company may make one or more Offerings under the Plan, which may be successive or overlapping with one another, until the earlier of: (i) the date on which all Shares available under the Plan have been purchased or (ii) the date on which the Plan is suspended or terminates. No Offering shall commence prior to the date on which the Company's registration statement on Form S-8 is filed with the U.S. Securities and Exchange Commission in respect of the Plan. The Administrator shall designate the terms and conditions of each Offering in writing, including without limitation, the Offering Period and the Purchase Periods. Each Participant shall be granted an Option with respect to an Offering Period on the applicable Grant Date. Subject to the limitations of Section 3.1(b) hereof, the number of Shares subject to a Participant's Option shall be determined by dividing (a) such Participant's payroll deductions accumulated prior to an Exercise Date and retained in the Participant's Plan Account on such Exercise Date by (b) the applicable Option Price; *provided* that in no event shall a Participant be permitted to purchase during each Offering Period more than 1,000 shares of Common Stock (subject to any adjustment pursuant to Section 5.2 hereof). The Administrator may, for future Offering Periods, increase or decrease, in its absolute discretion, the maximum number of Shares that a Participant may purchase during any Purchase Periods under such future Offering Periods. Each Option shall expire on the last Exercise Date for the applicable Offering Period immediately after the automatic exercise of the Option in accordance with Section 4.3 hereof, unless such Option terminates earlier in accordance with Article 6 hereof.

4.2 Option Price. The Option Price shall equal 85% of the lesser of the Fair Market Value of a Share on (a) the applicable Grant Date and (b) the applicable Exercise Date, or such other price designated by the Administrator.

4.3 Purchase of Shares.

(a) On each Exercise Date for an Offering Period, each Participant shall automatically and without any action on such Participant's part be deemed to have exercised the Participant's Option to purchase at the applicable Option Price the largest number of whole Shares which can be purchased with the amount in the Participant's Plan Account, subject to the limitations set forth in the Plan. Unless otherwise determined by the Administrator in advance of an Offering or in accordance with applicable law, any balance that is remaining in the Participant's Plan Account (after exercise of such Participant's Option) as of the Exercise Date shall be carried forward into the next Offering Period, unless the Participant has properly elected to withdraw from the Plan, has ceased to be an Eligible Employee or with respect to the maximum limitations set forth in Section 3.1(b) and Section 4.1. Any balance not carried forward to the next Offering Period in accordance with the prior sentence shall promptly be refunded as soon as administratively practicable to the applicable Participant.

(b) As soon as practicable following each Exercise Date, the number of Shares purchased by such Participant pursuant to Section 4.3(a) hereof shall be delivered (either in share certificate or book entry form), in the Company's sole discretion, to either (i) the Participant or (ii) an account established in the Participant's name at a stock brokerage or other financial services firm designated by the Company. The Company may require that shares be retained with such brokerage or firm for a designated period of time and/or may establish procedures to permit tracking of disqualifying dispositions of such shares.

4.4 Transferability of Rights. An Option granted under the Plan shall not be transferable, other than by will or the applicable laws of descent and distribution, and is exercisable during the Participant's lifetime only by the Participant. No option or interest or right to the Option shall be available to pay off any debts, contracts or engagements of the Participant or the Participant's successors in interest or shall be subject to disposition by pledge, encumbrance, assignment or any other means whether such disposition be voluntary or involuntary or by operation of law by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy), and any attempt at disposition of the Option shall have no effect.

ARTICLE V
PROVISIONS RELATING TO COMMON STOCK

5.1 Shares Reserved. Subject to adjustment as provided in Section 5.2 hereof, the aggregate number of Shares that may be issued pursuant to rights granted under the Plan shall be 3,650,000 Shares. Shares made available for sale under the Plan may be authorized but unissued shares or treasury Shares. If any right granted under the Plan shall for any reason terminate without having been exercised, the Shares not purchased under such right shall again become available for issuance under the Plan.

5.2 Adjustments Upon Changes in Capitalization, Dissolution, Liquidation, Merger or Asset Sale.

(a) Changes in Capitalization. Subject to any required action by the shareholders of the Company, the number of Shares which have been authorized for issuance under the Plan but not yet placed under Option, as well as the price per share and the number of Shares covered by each Option under the Plan which has not yet been exercised shall be proportionately adjusted for any increase or decrease in the number of issued Shares resulting from a share split, reverse share split, share dividend, combination, amalgamation, consolidation, reorganization, arrangement or reclassification of the Shares, or any other increase or decrease in the number Shares effected without receipt of consideration by the Company; *provided*, *however*, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Such adjustment shall be made by the Administrator, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of any class, or securities convertible into shares of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Shares subject to an Option.

(b) Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Offering Periods then in progress shall be shortened by setting a new Exercise Date (the "**New Exercise Date**"), and shall terminate immediately prior to the consummation of such proposed dissolution or liquidation, unless provided otherwise by the Administrator. The New Exercise Date shall be before the date of the Company's proposed dissolution or liquidation. The Administrator shall notify each Participant in writing, at least ten business days prior to the New Exercise Date, that the Exercise Date for the Participant's Option has been changed to the New Exercise Date and that the Participant's Option shall be exercised automatically on the New Exercise Date, unless prior to such date the Participant has withdrawn from the Offering Period as provided in Section 6.1 hereof or the Participant has ceased to be an Eligible Employee as provided in Section 6.2 hereof.

(c) Merger or Asset Sale. In the event of a proposed sale of all or substantially all of the assets of the Company, or the merger of the Company with or into another corporation, each outstanding Option shall be assumed or an equivalent Option substituted by the successor corporation or a parent or subsidiary of the successor corporation. If the successor corporation refuses to assume or substitute for the Option, any Offering Periods then in progress shall be shortened by setting a New Exercise Date and any Offering Periods then in progress shall end on the New Exercise Date. The New Exercise Date shall be before the date of the Company's proposed sale or merger. The Administrator shall notify each Participant in writing, at least ten business days prior to the New Exercise Date, that the Exercise Date for the Participant's Option has been changed to the New Exercise Date and that the Participant's Option shall be exercised automatically on the New Exercise Date, unless prior to such date the Participant has withdrawn from the Offering Period as provided in Section 6.1 hereof or the Participant has ceased to be an Eligible Employee as provided in Section 6.2 hereof.

5.3 Insufficient Shares. If the Administrator determines that, on a given Exercise Date, the number of Shares with respect to which Options are to be exercised may exceed the number of Shares remaining available for sale under the Plan on such Exercise Date, the Administrator shall make a pro rata allocation of the Shares available for issuance on such Exercise Date in as uniform a manner as shall be practicable and as it shall determine in its sole discretion to be equitable among all Participants exercising Options to purchase Shares on such Exercise Date, and unless

additional shares are authorized for issuance under the Plan, no further Offering Periods shall take place and the Plan shall terminate pursuant to Section 7.5 hereof. If an Offering Period is so terminated, then the balance of the amount credited to the Participant's Plan Account which has not been applied to the purchase of Shares shall be paid to such Participant in one lump sum in cash within 30 days after such Exercise Date, without any interest thereon (except as may be required by applicable local laws).

5.4 Rights as Shareholders. With respect to Shares subject to an Option, a Participant shall not be deemed to be a shareholder of the Company and shall not have any of the rights or privileges of a shareholder. A Participant shall have the rights and privileges of a shareholder of the Company when, but not until, the Shares have been deposited in the designated brokerage account following exercise of the Participant's Option.

ARTICLE VI
TERMINATION OF PARTICIPATION

6.1 Cessation of Contributions; Voluntary Withdrawal.

(a) A Participant may cease payroll deductions during an Offering Period and elect to withdraw from the Plan by delivering written notice of such election to the Company or an Agent designated by the Company in such form and at such time prior to the Exercise Date for such Offering Period as may be established by the Administrator (a "**Withdrawal Election**"). In the event a Participant elects to withdraw from the Plan, amounts then credited to such Participant's Plan Account shall be returned to the Participant in one lump-sum payment in cash within 30 days after such election is received by the Company, without any interest thereon (except as may be required by applicable local laws), and the Participant shall cease to participate in the Plan and the Participant's Option for such Offering Period shall terminate upon receipt of the Withdrawal Election.

(b) A Participant's withdrawal from the Plan shall not have any effect upon the Participant's eligibility to participate in any similar plan which may hereafter be adopted by the Company or in succeeding Offering Periods which commence after the termination of the Offering Period from which the Participant withdraws.

(c) A Participant who ceases contributions to the Plan during any Offering Period shall not be permitted to resume contributions to the Plan during that Offering Period.

6.2 Termination of Eligibility. Upon a Participant's ceasing to be an Eligible Employee, for any reason, such Participant's Option for the applicable Offering Period shall automatically terminate, the Participant shall be deemed to have elected to withdraw from the Plan, and any balance on such Participant's Plan Account shall be paid to such Participant or, in the case of the Participant's death, to the person or persons entitled thereto pursuant to applicable law, within 30 days after such cessation of being an Eligible Employee, without any interest thereon (except as may be required by applicable local laws). If a Participant transfers employment from the Company or any Designated Company participating in the Section 423 Component to any Designated Company participating in the Non-Section 423 Component, such transfer shall not be treated as a termination of employment, but the Participant shall immediately cease to participate

in the Section 423 Component; however, any contributions made for the Offering Period in which such transfer occurs shall be transferred to the Non-Section 423 Component, and such Participant shall immediately join the then-current Offering under the Non-Section 423 Component upon the same terms and conditions in effect for the Participant's participation in the Section 423 Component, except for such modifications otherwise applicable for Participants in such Offering. A Participant who transfers employment from any Designated Company participating in the Non-Section 423 Component to the Company or any Designated Company participating in the Section 423 Component shall not be treated as terminating the Participant's employment and shall remain a Participant in the Non-Section 423 Component until the earlier of (i) the end of the current Offering Period under the Non-Section 423 Component, or (ii) the Enrollment Date of the first Offering Period in which the Participant is eligible to participate following such transfer. Notwithstanding the foregoing, the Administrator may establish different rules to govern transfers of employment between companies participating in the Section 423 Component and the Non-Section 423 Component, consistent with the applicable requirements of Section 423 of the Code.

ARTICLE VII
GENERAL PROVISIONS

7.1 Administration.

(a) The Plan shall be administered by the Committee, which shall be composed of members of the Board. The Committee may delegate administrative tasks under the Plan to the services of an Agent or Employees to assist in the administration of the Plan, including without limitation, determining the Designated Companies participating in the Plan, establishing and maintaining an individual securities account under the Plan for each Participant, determining enrollment and withdrawal deadlines and determining exchange rates. In its absolute discretion, the Board may at any time and from time to time exercise any and all rights and duties of the Administrator under the Plan.

(b) It shall be the duty of the Administrator to conduct the general administration of the Plan in accordance with the provisions of the Plan. The Administrator shall have the power, subject to, and within the limitations of, the express provisions of the Plan:

(i) To establish and terminate Offerings;

(ii) To determine when and how Options shall be granted and the provisions and terms of each Offering (which need not be identical);

(iii) To select Designated Companies in accordance with Section 7.2 hereof; and

(iv) To construe and interpret the Plan, the terms of any Offering and the terms of the Options and to adopt such rules for the administration, interpretation, and application of the Plan as are consistent therewith and to interpret, amend or revoke any such rules. The Administrator, in the exercise of this power, may correct any defect, omission or inconsistency in the Plan, any Offering or any Option, in a manner and to the extent it shall deem necessary or expedient to administer the Plan, subject to Section 423 of the Code for the Section 423 Component.

(c) The Administrator may adopt rules or procedures relating to the operation and administration of the Plan to accommodate the specific requirements of local laws and procedures, *provided* that the adoption and implementation of any such rules and/or procedures would not cause the Section 423 Component to be in noncompliance with Section 423 of the Code. Without limiting the generality of the foregoing, the Administrator is specifically authorized to adopt rules and procedures regarding handling of participation elections, payroll deductions, payment of interest, conversion of local currency, payroll tax, withholding procedures and handling of share certificates which vary with local requirements.

(d) The Administrator may adopt sub-plans applicable to particular Designated Companies or locations, which sub-plans may be designed to be outside the scope of Section 423 of the Code. The rules of such sub-plans may take precedence over other provisions of the Plan, with the exception of Section 5.1 hereof, but unless otherwise superseded by the terms of such sub-plan, the provisions of the Plan shall govern the operation of such sub-plan.

(e) All expenses and liabilities incurred by the Administrator in connection with the administration of the Plan shall be borne by the Company. The Administrator may employ attorneys, consultants, accountants, appraisers, brokers or other persons. The Administrator, the Company and its officers and directors shall be entitled to rely upon the advice, opinions or valuations of any such persons. All actions taken and all interpretations and determinations made by the Administrator in good faith shall be final and binding upon all Participants, the Company and all other interested persons. No member of the Board or Administrator shall be personally liable for any action, determination or interpretation made in good faith with respect to the Plan or the Options, and all members of the Board or Administrator shall be fully protected by the Company in respect to any such action, determination, or interpretation. Any and all risks resulting from any market fluctuations or conditions of any nature and affecting the price of Shares are assumed by the Participant.

7.2 Designation of Affiliates and Subsidiaries. The Administrator shall designate from time to time the Affiliates and Subsidiaries that shall constitute Designated Companies, and determine whether such Designated Companies shall participate in the Section 423 Component or Non-Section 423 Component; *provided, however*, that an Affiliate that does not also qualify as a Subsidiary may be designated only as participating in the Non-Section 423 Component. The Administrator may designate an Affiliate or Subsidiary, or terminate the designation of an Affiliate or Subsidiary, without the approval of the shareholders of the Company.

7.3 Reports. Individual accounts shall be maintained for each Participant in the Plan. Statements of Plan Accounts shall be given to Participants at least annually, which statements shall set forth the amounts of payroll deductions, the Option Price, the number of shares purchased and the remaining cash balance, if any.

7.4 No Right to Employment. Nothing in the Plan shall be construed to give any person (including any Participant) the right to remain in the employ of the Company, a Parent, a Subsidiary or an Affiliate or to affect the right of the Company, any Parent, any Subsidiary or any Affiliate to terminate the employment of any person (including any Participant) at any time, with or without cause, which right is expressly reserved.

7.5 Amendment and Termination of the Plan.

(a) The Board may, in its sole discretion, amend, suspend or terminate the Plan at any time and from time to time. To the extent necessary to comply with Section 423 of the Code (or any successor rule or provision), with respect to the Section 423 Component, or any other applicable law, regulation or stock exchange rule, the Company shall obtain shareholder approval of any such amendment to the Plan in such a manner and to such a degree as required by Section 423 of the Code or such other law, regulation or rule.

(b) If the Administrator determines that the ongoing operation of the Plan may result in unfavorable financial accounting consequences, the Administrator may in its discretion modify or amend the Plan to reduce or eliminate such accounting consequence including, but not limited to:

(i) altering the Option Price for any Offering Period including an Offering Period underway at the time of the change in Option Price;

(ii) shortening any Offering Period so that the Offering Period ends on a new Exercise Date, including an Offering Period underway at the time of the Administrator action; and

(iii) allocating Shares.

Such modifications or amendments shall not require shareholder approval or the consent of any Participant.

(c) Notwithstanding any other provision in the Plan to the contrary, the Plan shall be automatically terminated following a Change in Control.

(d) Upon termination of the Plan, the balance in each Participant's Plan Account shall be refunded as soon as practicable after such termination, without any interest thereon (except as may be required by applicable local laws).

7.6 Use of Funds; No Interest Paid. All funds received by the Company by reason of purchase of shares of Shares under the Plan shall be included in the general funds of the Company free of any trust or other restriction and may be used for any corporate purpose (except as may be required by applicable local laws). No interest shall be paid to any Participant or credited under the Plan (except as may be required by applicable local laws).

7.7 Term; Approval by Shareholders. No Option may be granted during any period of suspension of the Plan or after termination of the Plan. The Plan shall be submitted for the approval of the Company's shareholders within 12 months after the date of the Board's initial adoption of the Plan. Options may be granted prior to such shareholder approval; *provided*, *however*, that such Options shall not be exercisable prior to the time when the Plan is approved by the shareholders; *provided*, *further* that if such approval has not been obtained by the end of the 12-month period, all Options previously granted under the Plan shall thereupon terminate and be canceled and become null and void without being exercised.

7.8 Effect Upon Other Plans. The adoption of the Plan shall not affect any other compensation or incentive plans in effect for the Company, any Parent, any Subsidiary or any Affiliate. Nothing in the Plan shall be construed to limit the right of the Company, any Parent, any Subsidiary or any Affiliate (a) to establish any other forms of incentives or compensation for employees of the Company or any Parent, any Subsidiary or any Affiliate, or (b) to grant or assume Options other than under the Plan in connection with any proper corporate purpose, including, but not by way of limitation, the grant or assumption of options in connection with the acquisition, by purchase, lease, merger, amalgamation, combination, arrangement, consolidation or otherwise, of the business, shares or assets of any corporation, firm or association.

7.9 Conformity to Securities Laws. Notwithstanding any other provision of the Plan, the Plan and the participation in the Plan by any individual who is then subject to Section 16 of the Exchange Act shall be subject to any additional limitations set forth in any applicable exemption rule under Section 16 of the Exchange Act (including any amendment to Rule 16b-3 of the Exchange Act) that are requirements for the application of such exemptive rule. To the extent permitted by applicable law, the Plan shall be deemed amended to the extent necessary to conform to such applicable exemptive rule.

7.10 Notice of Disposition of Shares. Each Participant shall give the Company prompt notice of any disposition or other transfer of any Shares, acquired pursuant to the exercise of an Option granted under the Section 423 Component, if such disposition or transfer is made (a) within two years after the applicable Grant Date or (b) within one year after the transfer of such Shares to such Participant upon exercise of such Option. The Company may direct that any certificates evidencing shares acquired pursuant to the Plan refer to such requirement.

7.11 Tax Withholding. At the time of any taxable event that creates a withholding obligation for the Company or any Parent, Affiliate or Subsidiary, the Participant will make adequate provision for any Tax-Related Items. In their sole discretion, and except as otherwise determined by the Administrator, the Company or the Designated Company that employs or employed the Participant may satisfy their obligations to withhold Tax-Related Items by (a) withholding from the Participant's wages or other compensation, (b) withholding a sufficient whole number of Shares otherwise issuable following exercise of the Option having an aggregate value sufficient to pay the Tax-Related Items required to be withheld with respect to the Option and/or shares, or (c) withholding from proceeds from the sale of Shares issued upon exercise of the Option, either through a voluntary sale or a mandatory sale arranged by the Company, or (d) any other method determined by the Administrator to be in compliance with applicable laws.

7.12 Governing Law. The Plan and all rights, agreements and obligations hereunder shall be administered, interpreted and enforced under the laws of the State of Delaware, without regard to the conflict of law rules thereof or of any other jurisdiction.

7.13 Notices. All notices or other communications by a Participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.

7.14 Conditions to Issuance of Shares.

(a) Notwithstanding anything herein to the contrary, the Company shall not be required to issue or deliver any certificates or make any book entries evidencing Shares pursuant to the exercise of an Option by a Participant, unless and until the Administrator has determined, with advice of counsel, that the issuance of such Shares is in compliance with all applicable laws, regulations of governmental authorities and, if applicable, the requirements of any securities exchange or automated quotation system on which the Shares are listed or traded, and the Shares are covered by an effective registration statement or applicable exemption from registration. In addition to the terms and conditions provided herein, the Administrator may require that a Participant make such reasonable covenants, agreements, and representations as the Administrator, in its discretion, deems advisable in order to comply with any such laws, regulations, or requirements.

(b) All certificates for Shares delivered pursuant to the Plan and all Shares issued pursuant to book entry procedures are subject to any stop-transfer orders and other restrictions as the Administrator deems necessary or advisable to comply with U.S. and non-U.S. federal, provincial, state or local securities or other laws, rules and regulations and the rules of any securities exchange or automated quotation system on which the Shares are listed, quoted, or traded. The Administrator may place legends on any certificate or book entry evidencing Shares to reference restrictions applicable to the Shares.

(c) The Administrator shall have the right to require any Participant to comply with any timing or other restrictions with respect to the settlement, distribution or exercise of any Option, including a window-period limitation, as may be imposed in the sole discretion of the Administrator.

(d) Notwithstanding any other provision of the Plan, unless otherwise determined by the Administrator or required by any applicable law, rule or regulation, the Company may, in lieu of delivering to any Participant certificates evidencing Shares issued in connection with any Option, record the issuance of Shares in the books of the Company (or, as applicable, its transfer agent or share plan administrator).

If, pursuant to this Section 7.14, the Administrator determines that Shares will not be issued to any Participant, the Company is relieved from liability to any Participant except to refund to the Participant such Participant's Plan Account balance, without interest thereon (except as may be required by applicable local laws).

7.15 Equal Rights and Privileges. All Eligible Employees granted Options pursuant to an Offering under the Section 423 Component shall have equal rights and privileges under the Plan to the extent required under Section 423 of the Code so that the Section 423 Component qualifies as an "employee stock purchase plan" within the meaning of Section 423 of the Code. Any provision of the Section 423 Component that is inconsistent with Section 423 of the Code shall, without further act or amendment by the Company or the Board, be reformed to comply with the equal rights and privileges requirement of Section 423 of the Code. Eligible Employees participating in the Non-Section 423 Component need not have the same rights and privileges as each other, or as Eligible Employees participating in the Section 423 Component.

7.16 Rules Particular to Specific Countries. Notwithstanding anything herein to the contrary, the terms and conditions of the Plan with respect to Participants who are tax residents of a particular non-U.S. country or who are non-U.S. nationals or employed in non-U.S. jurisdictions may be subject to an addendum to the Plan in the form of an appendix or sub-plan (which appendix or sub-plan may be designed to govern Offerings under the Section 423 Component or the Non-Section 423 Component, as determined by the Administrator). To the extent that the terms and conditions set forth in an appendix or sub-plan conflict with any provisions of the Plan, the provisions of the appendix or sub-plan shall govern. The adoption of any such appendix or sub-plan shall be pursuant to Section 7.1 above. Without limiting the foregoing, the Administrator is specifically authorized to adopt rules and procedures, with respect to Participants who are non-U.S. nationals or employed in non-U.S. jurisdictions, regarding the exclusion of particular Affiliates or Subsidiaries from participation in the Plan, eligibility to participate, the definition of Compensation, handling of payroll deductions or other contributions by Participants, payment of interest, conversion of local currency, data privacy security, payroll tax, withholding procedures, establishment of bank or trust accounts to hold payroll deductions or contributions, *provided* that the adoption and implementation of any such rules and/or procedures would not cause the Section 423 Component to be in noncompliance with Section 423 of the Code.

7.17 Section 409A. The Section 423 Component of the Plan and the Options granted pursuant to Offerings thereunder are intended to be exempt from the application of Section 409A. Neither the Non-Section 423 Component nor any Option granted pursuant to an Offering thereunder is intended to constitute or provide for "nonqualified deferred compensation" within the meaning of Section 409A. Notwithstanding any provision of the Plan to the contrary, if the Administrator determines that any Option granted under the Plan may be or become subject to Section 409A or that any provision of the Plan may cause an Option granted under the Plan to be or become subject to Section 409A, the Administrator may adopt such amendments to the Plan and/or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions as the Administrator determines are necessary or appropriate to avoid the imposition of taxes under Section 409A, either through compliance with the requirements of Section 409A or through an available exemption therefrom.

Exhibit 10.22

DIRECTOR AND OFFICER INDEMNIFICATION AGREEMENT

This Indemnification Agreement (this "Agreement") is made as of [●], 2021 by and between Torrid Holdings, Inc., a Delaware corporation (the "Corporation"), in its own name and on behalf of its direct and indirect subsidiaries, and [●], an individual ("Indemnitee").

RECITALS:

WHEREAS, directors, officers and employees ("Representatives") in service to corporations or business enterprises are being increasingly subjected to expensive and time-consuming litigation relating to, among other things, matters that traditionally would have been brought only against the corporation or business enterprise itself;

WHEREAS, highly competent persons have become more reluctant to serve as Representatives unless they are provided with adequate protection through insurance and adequate indemnification against inordinate risks of claims and actions against them arising out of their service to and activities on behalf of the corporation or business enterprise;

WHEREAS, the Board of Directors of the Corporation (the "Board") has determined that the increased difficulty in attracting and retaining highly competent persons is detrimental to the best interests of the Corporation and its stockholders and that the Corporation should act to assure such persons that there will be increased certainty of protection against inordinate risks of claims and actions against them arising out of their service to and activities on behalf of the Corporation;

WHEREAS, (a) the Amended and Restated Bylaws of the Corporation (as amended, restated or otherwise modified, the "Bylaws") require indemnification of the officers and directors of the Corporation, (b) Indemnitee may also be entitled to indemnification pursuant to the General Corporation Law of the State of Delaware (the "DGCL") and (c) the Bylaws and the DGCL expressly provide that the indemnification provisions set forth therein are not exclusive and thereby contemplate that contracts may be entered into between the Corporation and its Representatives with respect to indemnification;

WHEREAS, this Agreement is a supplement to and in furtherance of the Bylaws and any resolutions adopted pursuant thereto, and shall not be deemed a substitute therefore, nor to diminish or abrogate any rights of Indemnitee thereunder; and

WHEREAS, (a) Indemnitee does not regard the protection available under the Bylaws and insurance as adequate in the present circumstances, (b) Indemnitee may not be willing to serve or continue to serve as a Representative without adequate protection, (c) the Corporation desires Indemnitee to serve in such capacity and (d) Indemnitee is willing to serve, continue to serve and to take on additional service for or on behalf of the Corporation on the condition that [he/she] be so indemnified.

AGREEMENT:

NOW, THEREFORE, in consideration of the premises and the covenants contained herein, the Corporation and Indemnitee do hereby covenant and agree as follows:

Section 1. Definitions.

(a) As used in this Agreement:

"Agreement" shall have the meaning ascribed to such term in the Preamble hereto.

"Board" shall have the meaning ascribed to such term in the Recitals hereto.

"Liabilities" shall mean all claims, liabilities, damages, losses, judgments, orders, fines, penalties and other amounts payable in connection with, arising out of, in respect of or relating to or occurring as a direct or indirect consequence of any Proceeding, including, without limitation, amounts paid in whole or partial settlement of any Proceeding, all Expenses in complying with any judgment, order or decree issued or entered in connection with any Proceeding or any settlement agreement, stipulation or consent decree entered into or issued in settlement of any Proceeding, and any consequential damages resulting from any Proceeding or the settlement, judgment, or result thereof.

"Submission Date" shall have the meaning ascribed to such term in Section 10(b).

(b) A "Change in Control" shall be deemed to have occurred if (i) any "person" (as such term is used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended), other than the Sponsor Entities and other than a trustee or other fiduciary holding securities under an employee benefit plan of the Corporation or a Person owned directly or indirectly by the stockholders of the Corporation in substantially the same proportions as their ownership of shares of the Corporation, is or becomes the "beneficial owner" (as defined in Rule 13d-3 under said Act), directly or indirectly, of securities of the Corporation representing 50% or more of the total voting power represented by the Corporation's then outstanding voting securities; (ii) during any period of two consecutive years, individuals who at the beginning of such period constitute the Board and any new director whose election by the Board or nomination for election by the Corporation's stockholders was approved by a vote of at least a majority of the directors then still in office who either were directors at the beginning of the period or whose election or nomination for election was previously so approved, cease for any reason to constitute a majority thereof; or (iii) the stockholders of the Corporation approve a merger or consolidation of the Corporation with any other Person other than a

merger or consolidation which would result in the voting securities of the Corporation outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving Person) more than 50% of the total voting power represented by the voting securities of the Corporation or such surviving Person outstanding immediately after such merger or consolidation, or the stockholders of the Corporation approve a plan of complete liquidation of the Corporation or an agreement for the sale or disposition by the Corporation of (in one transaction or a series of transactions) all or substantially all of the Corporation's assets, other than to any Sponsor Entity. Notwithstanding the foregoing, a "Change in Control" shall be deemed not to have occurred as a result of any transaction or series of transactions following which the Sponsor Entities possess, directly or indirectly, the power to direct or cause the direction of the management and policies of the Company)or any successor thereto), whether through the ownership of voting securities, by contract or otherwise, including, without limitation, the ownership, directly or indirectly, of securities having the power to elect a majority of the Board or the board of directors or similar body governing the affairs of any successor to the Company.

(c) For the purpose hereof, references to "fines" shall include any excise tax assessed with respect to any employee benefit plan; references to "serving at the request of the Corporation" shall include, without limitation, any service as a Representative of the Corporation which imposes duties on, or involves services by, such Representative with respect to an employee benefit plan, its participants or beneficiaries; and a Person who acted in good faith and in a manner he reasonably believed to be in the best interests of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in manner "not opposed to the best interests of the Corporation" as referred to in this Agreement.

Section 2. Indemnity in Third-Party Proceedings. The Corporation shall indemnify and hold harmless Indemnitee, to the fullest extent permitted by applicable law, from and against all Liabilities and Expenses suffered or incurred by Indemnitee or on Indemnitee's behalf in connection with or as a consequence of any Proceeding (other than any Proceeding brought by or in the right of the Corporation to procure a judgment in its favor which shall be governed by the provisions set forth in Section 3 hereof) or any claim, issue or matter therein, if Indemnitee acted in good faith and in a manner he/she reasonably believed to be in, or not opposed to, the best interests of the Corporation and, in the case of a criminal proceeding, had no reasonable cause to believe that his conduct was unlawful. For the avoidance of doubt, a finding, admission or stipulation that an Indemnitee has acted with gross negligence or recklessness shall not, of itself, create a presumption that such Indemnitee has failed to meet the standard or conduct required for indemnification in this Section 2.

Section 3. Indemnity in Proceedings by or in the Right of the Corporation. The Corporation shall indemnify and hold harmless Indemnitee, to the fullest extent permitted by applicable law, from and against all Liabilities and Expenses suffered or incurred by Indemnitee or on Indemnitee's behalf in connection with or as a consequence of any Proceeding brought by or in the right of the Corporation to procure a judgment in its favor, or any claim, issue or matter therein, if Indemnitee acted in good faith and in a manner he reasonably believed to be in, or not opposed, to the best interests of the Corporation. No indemnification for Liabilities and Expenses

shall be made under this Section 3 in respect of any claim, issue or matter as to which Indemnitee shall have been finally adjudged by a court to be liable to the Corporation, unless and only to the extent that the Delaware Court of Chancery or any court in which the Proceeding was brought shall determine upon application that, despite the adjudication of liability, but in view of all the circumstances of the case, Indemnitee is fairly and reasonably entitled to indemnification. For the avoidance of doubt, a finding, admission or stipulation that an Indemnitee has acted with gross negligence or recklessness shall not, of itself, create a presumption that such Indemnitee has failed to meet the standard or conduct required for indemnification in this Section 3.

Section 4. Indemnification for Expenses of a Party Who is Wholly or Partly Successful. Notwithstanding any other provisions of this Agreement, and without limiting the rights of Indemnitee under any other provision hereof, to the extent that (a) Indemnitee is a party to (or a participant in) any Proceeding, (b) the Corporation is not permitted by applicable law to indemnify Indemnitee with respect to any claim brought in such Proceeding if such claim is asserted successfully against Indemnitee and (c) Indemnitee is not wholly successful in such Proceeding, but is successful, on the merits or otherwise (including, without limitation, settlement thereof), as to one or more but less than all claims, issues or matters in such Proceeding, then the Corporation shall indemnify Indemnitee, to the fullest extent permitted by applicable law, against all Liabilities and Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf, in connection with or as a consequence of each successfully resolved claim, issue or matter. For purposes of this Section 4 and without limitation, the termination of any claim, issue or matter in such a Proceeding by settlement, entry of a plea of *nolo contendere* or by dismissal, with or without prejudice, shall be deemed to be a successful result as to such claim, issue or matter.

Section 5. Indemnification for Expenses of a Witness. Notwithstanding any other provision of this Agreement, to the extent that Indemnitee is, by reason of Indemnitee's Corporate Status, a witness in any Proceeding to which Indemnitee is not a party, Indemnitee shall be indemnified to the fullest extent permitted by applicable law against all Liabilities and Expenses suffered or incurred by him or on his behalf in connection therewith.

Section 6. Additional Indemnification. Notwithstanding any limitation in Sections 2, 3 or 4, the Corporation shall indemnify Indemnitee to the fullest extent permitted by applicable law if Indemnitee is a party to, or threatened to be made a party to, any Proceeding (including, without limitation, a Proceeding by or in the right of the Corporation to procure a judgment in its favor), against all Liabilities and Expenses suffered or incurred by Indemnitee in connection with such Proceeding:

(a) to the fullest extent permitted by the provision of the DGCL that authorizes or contemplates additional indemnification by agreement, or the corresponding provision of any amendment to, or replacement of, the DGCL, and

(b) to the fullest extent authorized or permitted by any amendments to, or replacements of, the DGCL adopted after the date of this Agreement that increase the extent to which a corporation may indemnify its officers and directors.

Section 7. Exclusions. Notwithstanding any provision in this Agreement, the Corporation shall not be obligated under this Agreement to make any indemnity in connection with any Proceeding (or any part of any Proceeding):

(a) for which payment has actually been made to or on behalf of Indemnitee under any statute, insurance policy procured by the Corporation, indemnity provision, vote or otherwise, except with respect to any excess beyond the amount paid, subject to any subrogation rights set forth in Section 13 hereof;

(b) for an accounting or disgorgement of profits pursuant to Section 16(b) of the Exchange Act or similar provisions of federal, state or local statutory law or common law, if Indemnitee is held liable therefor (including pursuant to any settlement arrangements to which the Indemnitee has consented);

(c) for any reimbursement of the Corporation by Indemnitee of any bonus or other incentive-based or equity-based compensation or of any profits realized by Indemnitee from the sale of securities of the Corporation, as required in each case under the Exchange Act (including any such reimbursements that arise from an accounting restatement of the Corporation pursuant to Section 304 of the SOX Act or Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act, or the payment to the Corporation of profits arising from the purchase and sale by Indemnitee of securities in violation of Section 306 of the SOX Act), if Indemnitee is held liable therefor (including pursuant to any settlement arrangements to which the Indemnitee has consented);

(d) initiated by Indemnitee, including any Proceeding (or any part of any Proceeding) initiated by Indemnitee against the Corporation or its directors, officers, employees, agents or other indemnitees (not by way of defense), unless (i) the Board authorized the Proceeding (or the relevant part of the Proceeding), (ii) the Corporation provides the indemnification, in its sole discretion, pursuant to the powers vested in the Corporation under applicable law, (iii) otherwise authorized in Section 12(d) or (iv) with respect to proceedings brought to establish or enforce a right to indemnification or advancement under this Agreement or under any other agreement, provision in the Bylaws or Certificate of Incorporation or applicable law, or (v) otherwise required by applicable law; or

(e) if a court of competent jurisdiction determines that such indemnification is prohibited by applicable law in a final judgment from which there is no further right of appeal.

Section 8. Advances of Expenses. In furtherance of the relevant requirements of the Bylaws and notwithstanding any provision of this Agreement to the contrary, the Corporation shall advance, to the fullest extent permitted by law, Expenses incurred by Indemnitee in connection with any Proceeding, and such advancement shall be made within ten (10) days after the receipt by the Corporation of a statement or statements requesting such advances from time to time (which shall include invoices received by Indemnitee in connection with such Expenses but, in the case of invoices in connection with legal services, any references to legal work performed or to expenditures made that would cause Indemnitee to waive any privilege accorded

by applicable law shall not be included with the invoice), whether prior to, or after, final disposition of any Proceeding, including any appeal. Advances shall be unsecured and interest free. Advances shall be made without regard to Indemnitee's ability to repay Expenses and without regard to Indemnitee's ultimate entitlement to indemnification under the other provisions of this Agreement. Advances shall include any and all Expenses incurred pursuing an action to enforce this right of advancement, including, without limitation, Expenses incurred preparing and forwarding statements to the Corporation to support the advances claimed. Indemnitee shall qualify for advances upon the execution and delivery to the Corporation of this Agreement, which shall constitute an undertaking, providing that Indemnitee undertakes to repay the advance to the extent that it is ultimately determined that Indemnitee is not entitled to be indemnified by the Corporation.

To obtain indemnification, Indemnitee shall submit to the Corporation a written request, including therein documentation and information as is reasonably available to the Indemnitee and is reasonably necessary to determine whether and to what extent Indemnitee is entitled to indemnification, and shall request payment thereof. The Corporation shall (a) pay Expenses on behalf of Indemnitee, (b) advance to Indemnitee funds in an amount sufficient to pay such Expense, or (c) reimburse Indemnity for such Expenses.

Section 9. Procedure for Notification and Defense of Claim.

(a) Indemnitee shall notify the Corporation in writing of any Proceeding with respect to which Indemnitee intends to seek indemnification or advancement of Expenses hereunder as soon as reasonably practicable following the receipt by Indemnitee of written notice thereof. The written notification to the Corporation shall include a description of the nature of the Proceeding and the facts underlying the Proceeding. To obtain indemnification under this Agreement, Indemnitee shall submit to the Corporation a written request, including therein or therewith such documentation and information as is reasonably available to Indemnitee and is reasonably necessary to determine whether and to what extent Indemnitee is entitled to indemnification following the final disposition of such Proceeding. Any delay or failure by Indemnitee to notify the Corporation hereunder will not relieve the Corporation from any liability which it may have to Indemnitee hereunder or otherwise than under this Agreement, and any delay or failure in so notifying the Corporation shall not constitute a waiver by Indemnitee of any rights under this Agreement.

(b) In the event Indemnitee is entitled to indemnification and/or advancement of Expenses with respect to any Proceeding, Indemnitee may, at Indemnitee's option, (i) retain legal counsel selected by Indemnitee and approved by the Corporation (which approval shall not to be unreasonably withheld, conditioned or delayed) to defend Indemnitee in such Proceeding, at the sole expense of the Corporation or (ii) have the Corporation assume the defense of Indemnitee in the Proceeding, in which case the Corporation shall assume the defense of such Proceeding with legal counsel selected by the Corporation and approved by Indemnitee (which approval shall not be unreasonably withheld, conditioned or delayed) within ten (10) days of the Corporation's receipt of written notice of Indemnitee's election to cause the Corporation to do so. If the Corporation is required to assume the defense of any such Proceeding, it shall engage

legal counsel for such defense, and shall be solely responsible for all Expenses of such legal counsel and otherwise of such defense. Such legal counsel may represent both Indemnitee and the Corporation (and/or any other party or parties entitled to be indemnified by the Corporation with respect to such matter) unless, in the reasonable opinion of legal counsel to Indemnitee, there is a conflict of interest between Indemnitee and the Corporation (or any other such party or parties) or there are legal defenses available to Indemnitee that are not available to the Corporation (or any such other party or parties). Notwithstanding either party's assumption of responsibility for defense of a Proceeding, each party shall have the right to engage separate legal counsel at its own expense. The party having responsibility for defense of a Proceeding shall provide the other party and its legal counsel with all copies of pleadings and material correspondence relating to the Proceeding. Indemnitee and the Corporation shall reasonably cooperate in the defense of any Proceeding with respect to which indemnification is sought hereunder, regardless of whether the Corporation or Indemnitee assumes the defense thereof. Indemnitee may not settle or compromise any Proceeding without the prior written consent of the Corporation (which consent shall not be unreasonably withheld, conditioned or delayed). The Corporation may not settle or compromise any proceeding without the prior written consent of Indemnitee (which consent shall not be unreasonably withheld, conditioned or delayed).

Section 10. Procedure Upon Application for Indemnification.

(a) Upon written request by Indemnitee for indemnification pursuant to Section 9(a), the Corporation shall advance Expenses necessary to defend against a Claim pursuant to Section 8 hereof. If any determination by the Corporation is required by applicable law with respect to Indemnitee's ultimate entitlement to indemnification, such determination shall be made (i) if Indemnitee shall request such determination be made by the Independent Counsel, by the Independent Counsel and (ii) in all other circumstances in any manner permitted by the DGCL, so long as only disinterested directors are involved in the determination. Disinterested directors are those members of the Board who are not parties to the action, suit or proceeding in respect of which indemnification is sought by Indemnitee. Indemnitee shall cooperate with the Person(s) making such determination with respect to Indemnitee's entitlement to indemnification, including, without limitation, providing to such Person(s), upon reasonable advance request, any documentation or information which is not privileged or otherwise protected from disclosure and which is reasonably available to Indemnitee and reasonably necessary to such determination. Any Expenses incurred by Indemnitee in so cooperating with the Person(s) making such determination shall be borne by the Corporation (irrespective of the determination as to Indemnitee's entitlement to indemnification) and the Corporation hereby indemnifies and agrees to hold Indemnitee harmless therefrom. The Corporation will not deny any written request for indemnification hereunder made in good faith by Indemnitee unless a determination as to Indemnitee's entitlement to such indemnification described in this Section 10(a) has been made. The Corporation agrees to pay Expenses of the Independent Counsel referred to above and to fully indemnify the Independent Counsel against any and all Expenses, claims, liabilities and damages arising out of or relating to this Agreement or its engagement pursuant hereto.

(b) In the event that the determination of entitlement to indemnification is to be made by the Independent Counsel pursuant to Section 10(a) hereof, (i) the Independent Counsel shall be selected by the Corporation within ten (10) days of the Submission Date, (ii) the Corporation shall give written notice to Indemnitee advising it of the identity of the Independent Counsel so selected and (iii) Indemnitee may, within ten (10) days after such written notice of selection shall have been given, deliver to the Corporation Indemnitee's written objection to such selection. Absent a timely objection, the Person so selected shall act as the Independent Counsel. If a timely objection is made by Indemnitee, the Person so selected may not serve as the Independent Counsel unless and until such objection is withdrawn. If no Independent Counsel shall have been selected (whether due to a failure of the Corporation to appoint such Independent Counsel, an un-withdrawn objection from Indemnitee with respect to the person so appointed or otherwise) before the later of (i) thirty (30) days after the submission by Indemnitee of a written request for indemnification pursuant to Section 10(a) hereof (the date of such submission, the "Submission Date") and (ii) ten (10) days after the final disposition of the Proceeding for which indemnity is sought, then (x) each of the Corporation and Indemnitee shall select a Person meeting the qualifications to serve as the Independent Counsel and (y) such Persons shall (collectively) select the Independent Counsel. Upon the due commencement of any judicial proceeding or arbitration pursuant to Section 12(a) hereof, the Independent Counsel shall be discharged and relieved of any further responsibility in such capacity (subject to the applicable standards of professional conduct then prevailing).

Section 11. Presumptions and Effect of Certain Proceedings.

(a) In making a determination with respect to entitlement to indemnification hereunder, the Person(s) making such determination shall, to the fullest extent permitted by law, presume that Indemnitee is entitled to indemnification under this Agreement if Indemnitee has submitted a request for indemnification in accordance with Section 9(a) hereof, and the Corporation shall, to the fullest extent permitted by law, have the burden of proof to overcome that presumption in connection with the making by any Person(s) of any determination contrary to that presumption. Neither the failure of the Corporation (including, without limitation, by its directors or independent legal counsel) to have made a determination prior to the commencement of any action pursuant to this Agreement that indemnification is proper in the circumstances because Indemnitee has met the applicable standard of conduct, nor an actual determination by the Corporation (including, without limitation, by its directors or independent legal counsel) that Indemnitee has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that Indemnitee has not met the applicable standard of conduct.

(b) Subject to Section 12(e), if the Person(s) empowered or selected under Section 10 hereof to determine whether Indemnitee is entitled to indemnification shall not have made a determination within sixty (60) days after receipt by the Corporation of the request therefore, the requisite determination of entitlement to indemnification shall, to the fullest extent permitted by law, be deemed to have been made and Indemnitee shall be entitled to such indemnification, absent a prohibition of such indemnification under applicable law; provided, however, that such sixty (60) day period may be extended for a

reasonable time, not to exceed an additional thirty (30) days, if (i) the determination is to be made by the Independent Counsel and Indemnitee objects to the Corporation's selection of the Independent Counsel and (ii) the Independent Counsel ultimately selected requires such additional time for the obtaining or evaluating of documentation and/or information relating thereto.

(c) The termination of any Proceeding or of any claim, issue or matter therein, by judgment, order, settlement or conviction, or upon a plea of *nolo contendere* or its equivalent, shall not (except as otherwise expressly provided in this Agreement) adversely affect the right of Indemnitee to indemnification or create a presumption that Indemnitee did not act in good faith and in a manner which he reasonably believed to be in, or not opposed to, the best interests of the Corporation or, with respect to any criminal Proceeding, that Indemnitee had reasonable cause to believe that Indemnitee's conduct was unlawful.

(d) Effect of Settlement. To the fullest extent permitted by law, settlement of any Proceeding without any finding of responsibility, wrongdoing or guilt on the part of Indemnitee with respect to claims asserted in such Proceeding shall constitute a conclusive determination that Indemnitee is entitled to indemnification hereunder with respect to such Proceeding.

(e) Reliance as Safe Harbor. For purposes of any determination of good faith, Indemnitee shall be deemed to have acted in good faith if Indemnitee's action is based on the records or books of account of the Enterprise, including financial statements, or on information supplied to Indemnitee by the officers of the Enterprise in the course of their duties, or on the advice of legal counsel for the Enterprise, or on information or records given or reports made to the Enterprise by an independent certified public accountant or by an appraiser or other expert selected with reasonable care by the Enterprise. The provisions of this Section 11(e) shall not be deemed to be exclusive or to limit in any way the other circumstances in which Indemnitee may be deemed to have met the applicable standard of conduct set forth in this Agreement.

(f) Actions of Others. The knowledge and/or actions, or failure to act, of any Representative (other than Indemnitee) of the Enterprise shall not be imputed to Indemnitee for purposes of determining the right to indemnification under this Agreement.

Section 12. Remedies of Indemnitee.

(a) Subject to Section 12(e), in the event that (i) a determination is made pursuant to Section 11 hereof that Indemnitee is not entitled to indemnification under this Agreement, (ii) advancement of Expenses is not timely made pursuant to Section 8 hereof, (iii) no determination of entitlement to indemnification shall have been made pursuant to Section 10(a) hereof within ninety (90) days after the Submission Date, (iv) payment of indemnification is not made pursuant to Section 4, 5 or 10(a) hereof within ten (10) days after receipt by the Corporation of a written request therefore, (v) payment of indemnification pursuant to Section 2, 3 or 6 hereof is not made within ten (10) days

after a determination has been made that Indemnitee is entitled to indemnification or (vi) in the event that the Corporation or any other person takes or threatens to take any action to declare this Agreement void or unenforceable, or institutes any litigation or other action or Proceeding designed to deny, or to recover from, Indemnitee, the benefits provided or intended to be provided to Indemnitee hereunder, Indemnitee shall be entitled to an adjudication by a court of Indemnitee's entitlement to such indemnification and/or advancement of Expenses. Alternatively, Indemnitee, at Indemnitee's option, may seek an award in arbitration to be conducted by a single arbitrator pursuant to the Commercial Arbitration Rules of the American Arbitration Association. The Corporation shall not oppose Indemnitee's right to seek any such adjudication or award in arbitration.

(b) In the event that a determination shall have been made pursuant to Section 10(a) hereof that Indemnitee is not entitled to indemnification, any judicial proceeding or arbitration commenced pursuant to this Section 12 shall be conducted in all respects as a *de novo* trial, or arbitration, on the merits and Indemnitee shall not be prejudiced by reason of that adverse determination. In any judicial proceeding or arbitration commenced pursuant to this Section 12, the Corporation shall have the burden of proving Indemnitee is not entitled to indemnification or advancement of Expenses, as the case may be.

(c) If a determination shall have been made pursuant to Section 10(a) hereof that Indemnitee is entitled to indemnification, the Corporation shall be bound by such determination in any judicial proceeding or arbitration commenced pursuant to this Section 12, absent (i) a misstatement by the Indemnitee of a material fact, or an omission by the Indemnitee of a material fact necessary to make the Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of such indemnification under applicable law.

(d) The Corporation shall, to the fullest extent permitted by law, be precluded from asserting in any judicial proceeding or arbitration commenced pursuant to this Section 12 that the procedures and presumptions of this Agreement are not valid, binding and enforceable and shall stipulate in any such court or before any such arbitrator that the Corporation is bound by all the provisions of this Agreement. It is the intent of the Corporation that Indemnitee not be required to incur legal fees or other Expenses associated with the interpretation, enforcement or defense of Indemnitee's rights under this Agreement by litigation or otherwise because the cost and expense thereof would substantially detract from the benefits intended to be extended to Indemnitee hereunder. In addition, the Corporation shall indemnify Indemnitee against any and all such Expenses and, if requested by Indemnitee, shall (within ten (10) days after receipt by the Corporation of a written request therefore) advance, to the fullest extent permitted by law, such Expenses to Indemnitee, which are incurred by Indemnitee in connection with any action brought by Indemnitee for indemnification or advance of Expenses from the Corporation under this Agreement or under any directors' and officers' liability insurance policies maintained by the Corporation, regardless of whether Indemnitee ultimately is determined to be entitled to such indemnification, advancement of Expenses or insurance recovery, as the case may be.

(e) Notwithstanding anything in this Agreement to the contrary, no determination as to entitlement to indemnification under this Agreement shall be required to be made prior to the final disposition of the Proceeding; provided that, in absence of any such determination with respect to such Proceeding, the Corporation shall pay Liabilities and advance Expenses with respect to such Proceeding as if Indemnitee had been determined to be entitled to indemnification and advancement of Expenses with respect to such Proceeding.

Section 13. Non-Exclusivity; Survival of Rights; Insurance; Subrogation.

(a) The rights of indemnification and to receive advancement of Expenses as provided by this Agreement shall not be deemed exclusive of any other rights to which Indemnitee may at any time be entitled under applicable law, the Certificate of Incorporation, the Bylaws, any agreement, a vote of stockholders, a resolution of directors or otherwise (together, the "Other Indemnification Provisions"). No amendment, alteration or repeal of this Agreement or of any provision hereof shall limit or restrict any right of Indemnitee under this Agreement in respect of any action taken or omitted by such Indemnitee in Indemnitee's Corporate Status prior to such amendment, alteration or repeal. To the extent that a change in applicable law, whether by statute or judicial decision, permits greater indemnification or advancement of Expenses than would be afforded currently under the Other Indemnification Provisions and/or this Agreement, it is the intent of the parties hereto that Indemnitee shall enjoy by this Agreement the greater benefits so afforded by such change. No right or remedy herein conferred is intended to be exclusive of any other right or remedy, and every other right and remedy shall be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other right or remedy. The Corporation shall not adopt any amendment to any of its Certificate of Incorporation or Bylaws, the effect of which would be to deny, diminish or encumber Indemnitee's right to indemnification under this Agreement or any Other Indemnification Provision.

(b) The Corporation hereby acknowledges that Indemnitee may have certain rights to indemnification, advancement of Expenses and/or insurance provided by one or more Persons with whom or which Indemnitee may be associated (including, without limitation, any Sponsor Entity). The Corporation hereby acknowledges and agrees that (i) the Corporation shall be the indemnitor of first resort with respect to any Proceeding, Expense, Liability or matter that is the subject of the Indemnity Obligations, (ii) the Corporation shall be primarily liable for all Indemnity Obligations and any indemnification afforded to Indemnitee in respect of any Proceeding, Expense, Liability or matter that is the subject of Indemnity Obligations, whether created by law, organizational or constituent documents, contract (including, without limitation, this Agreement) or otherwise, (iii) any obligation of any other Persons with whom or which Indemnitee may be associated (including, without limitation, any Sponsor Entity) to indemnify Indemnitee and/or advance Expenses to Indemnitee in respect of any proceeding shall be secondary to the obligations of the Corporation hereunder, (iv) the Corporation shall be required to indemnify Indemnitee and advance Expenses to

Indemnitee hereunder to the fullest extent provided herein without regard to any rights Indemnitee may have against any other Person with whom or which Indemnitee may be associated (including, without limitation, any Sponsor Entity) or insurer of any such Person and (v) the Corporation irrevocably waives, relinquishes and releases any other Person with whom or which Indemnitee may be associated (including, without limitation, any Sponsor Entity) from any claim of contribution, subrogation or any other recovery of any kind in respect of amounts paid by the Corporation hereunder. In the event that any other Person with whom or which Indemnitee may be associated (including, without limitation, any Sponsor Entity) or their insurers advances or extinguishes any liability or loss which is the subject of any Indemnity Obligation owed by the Corporation or payable under any insurance policy provided under this Agreement, the payor shall have a right of subrogation against the Corporation or its insurer or insurers for all amounts so paid which would otherwise be payable by the Corporation or its insurer or insurers under this Agreement. In no event will payment of an Indemnity Obligation of the Corporation under this Agreement by any other Person with whom or which Indemnitee may be associated (including, without limitation, any Sponsor Entity) or their insurers, affect the obligations of the Corporation hereunder or shift primary liability for any Indemnity Obligation to any other Person with whom or which Indemnitee may be associated (including, without limitation, any Sponsor Entity). Any indemnification and/or insurance or advancement of Expenses provided by any other Person with whom or which Indemnitee may be associated (including, without limitation, any Sponsor Entity), with respect to any liability arising as a result of Indemnitee's Corporate Status or capacity as an officer or director of any Person, is specifically in excess of any Indemnity Obligation of the Corporation or valid and any collectible insurance (including, without limitation, any malpractice insurance or professional errors and omissions insurance) provided by the Corporation under this Agreement, and any obligation to provide indemnification and/or insurance or advance Expenses provided by any other Person with whom or which Indemnitee may be associated (including, without limitation, any Sponsor Entity) shall be reduced by any amount that Indemnitee collects from the Corporation as an indemnification payment or advancement of Expenses pursuant to this Agreement.

(c) The Corporation shall use its best efforts to obtain and maintain in full force and effect an insurance policy or policies providing liability insurance for Representatives of the Corporation or of any other Enterprise, and Indemnitee shall be covered by such policy or policies in accordance with its or their terms to the maximum extent of the coverage available for any such Representative under such policy or policies. If, at the time of the receipt of a notice of a claim pursuant to the terms hereof, the Corporation maintains an insurance policy or policies providing liability insurance for Representatives of the Corporation or of any other Enterprise, the Corporation shall give prompt notice of the commencement of such proceeding to the insurers in accordance with the procedures set forth in the respective policy or policies. The Corporation shall thereafter take all necessary or desirable action to cause such insurers to pay, on behalf of Indemnitee, all amounts payable as a result of such proceeding in accordance with the terms of such policies. Further, in the event of a Change in Control or the Corporation's becoming insolvent (including being placed into receivership or entering the federal bankruptcy process) the Corporation shall maintain in force any and all insurance policies then maintained by the Corporation in providing insurance (directors' and officers'

liability, fiduciary, employment practices or otherwise) in respect of Indemnitee, for a fixed period of six years thereafter (otherwise known as a "tail policy"), and such coverage shall be non-cancellable and placed by the incumbent broker using the policies that were in place at the time of the Change in Control, and shall be placed with an insurance carrier with an AM Best rating that is the same or better than the AM Best ratings of the expiring policies.

(d) In the event of any payment under this Agreement, the Corporation shall not be subrogated to, and hereby waives any rights to be subrogated to, any rights of recovery of Indemnitee, including, without limitation, rights of indemnification provided to Indemnitee from any other Person or entity with whom Indemnitee may be associated (including, without limitation, any Sponsor Entity) as well as any rights to contribution that might otherwise exist; provided, however, that the Corporation shall be subrogated to the extent of any such payment of all rights of recovery of Indemnitee under insurance policies of the Corporation or any of its subsidiaries.

(e) The indemnification and contribution provided for in this Agreement will remain in full force and effect regardless of any investigation made by or on behalf of Indemnitee.

Section 14. Duration of Agreement; Not Employment Contract. This Agreement shall continue until and terminate upon the latest of: (a) ten (10) years after the date that Indemnitee shall have ceased to serve as a Representative of the Corporation or any other Enterprise and (b) one (1) year after the final termination of any Proceeding then pending in respect of which Indemnitee is granted rights of indemnification or advancement of Expenses hereunder and of any proceeding commenced by Indemnitee pursuant to Section 12 hereof relating thereto. This Agreement shall be binding upon the Corporation and its successors and assigns and shall inure to the benefit of Indemnitee and Indemnitee's heirs, executors and administrators. The Corporation shall require and cause any direct or indirect successor (whether by purchase, merger, consolidation or otherwise) to all or substantially all of the business or assets of the Corporation, by written agreement, expressly or to assume and agree to perform this agreement in the same manner and to the same extent that the Corporation would be required to perform if no such succession had taken place. This Agreement shall not be deemed an employment contract between the Corporation (or any of its subsidiaries or any Enterprise) and Indemnitee. Indemnitee specifically acknowledges that Indemnitee's employment with the Corporation (or any of its subsidiaries or any Enterprise), if any, is at will, and Indemnitee may be discharged at any time for any reason, with or without cause, except as may be otherwise provided in any written employment contract between Indemnitee and the Corporation (or any of its subsidiaries or any Enterprise), other applicable formal severance policies duly adopted by the Board, or, with respect to service as a Representative of the Corporation, by the Certificate of Incorporation, Bylaws and the DGCL.

Section 15. Severability. If any provision or provisions of this Agreement shall be held to be invalid, illegal or unenforceable for any reason whatsoever: (a) the validity, legality and enforceability of the remaining provisions of this Agreement (including, without limitation, each portion of any Section of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall not in any way be

affected or impaired thereby and shall remain enforceable to the fullest extent permitted by law; (b) such provision or provisions shall be deemed reformed to the extent necessary to conform to applicable law and to give the maximum effect to the intent of the parties hereto; and (c) to the fullest extent possible, the provisions of this Agreement (including, without limitation, each portion of any Section of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested thereby.

Section 16. Enforcement.

(a) The Corporation expressly confirms and agrees that it has entered into this Agreement and assumed the obligations imposed on it hereby in order to induce Indemnitee to serve as a Representative of the Corporation, and the Corporation acknowledges that Indemnitee is relying upon this Agreement in serving as a Representative of the Corporation.

(b) This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings, oral, written and implied, between the parties hereto with respect to the subject matter hereof; provided, however, that this Agreement is a supplement to and in furtherance of the Bylaws and applicable law, and shall not be deemed a substitute therefore, nor to diminish or abrogate any rights of Indemnitee thereunder.

(c) The Corporation shall not seek from a court, or agree to, a "bar order" which would have the effect of prohibiting or limiting the Indemnitee's right to receive advancement of expenses under this Agreement.

Section 17. Modification and Waiver. No supplement, modification or amendment of this Agreement shall be binding unless executed in writing by the parties thereto. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provisions of this Agreement nor shall any waiver constitute a continuing waiver. The failure of any party to enforce any of the provisions of this Agreement shall in no way be construed as a waiver of such provisions and shall not affect the right of such party thereafter to enforce each and every provision of this Agreement in accordance with its terms.

Section 18. Notices. Any notice, demand or other communication to be given under or by reason of the provisions of this Agreement will be in writing and will be deemed to have been given (i) when delivered personally to the recipient, (ii) when sent by electronic mail or facsimile if sent during normal business hours of the recipient; but if not, then on the next Business Day, (iii) one Business Day after it is sent to the recipient by reputable overnight courier service (charges prepaid) or (iv) three Business Days after it is mailed to the recipient by first class mail, return receipt requested. Such notices, demands and other communications will be sent to the Company and the Indemnitee as specified below, or at such address or to the attention of such other Person as the recipient party has specified by prior written notice to the sending party. Any party may change such party's address for receipt of notice by giving prior written notice of the change to the sending party as provided herein.

Section 19. Contribution. To the fullest extent permissible under applicable law, if the indemnification provided for in this Agreement is unavailable to Indemnitee for any reason whatsoever, the Corporation, in lieu of indemnifying Indemnitee, shall contribute to the amount incurred by Indemnitee, whether for judgments, fines, penalties, excise taxes, amounts paid or to be paid in settlement and/or for Expenses, in connection with any claim relating to an indemnifiable event under this Agreement, in such proportion as is deemed fair and reasonable in light of all of the circumstances of the Proceeding in order to reflect (a) the relative benefits received by the Corporation and Indemnitee as a result of the event(s) and/or transaction(s) giving cause to such Proceeding; and/or (b) the relative fault of the Corporation (and its directors, officers, employees and agents) and Indemnitee in connection with such event(s) and/or transaction(s).

Section 20. Change in Control. If there is a Change in Control, then with respect to all matters thereafter arising concerning the rights of Indemnitee to indemnity payments and advance of Expenses under this Agreement or any provision of the Certificate of Incorporation or the Bylaws now or hereafter in effect, the Corporation shall seek legal advice only from Independent Counsel selected by Indemnitee and approved by the Corporation (which approval shall not be unreasonably delayed, conditioned or withheld), and such approval shall only include disinterested directors, even if not a quorum. Such counsel, among other things, shall render its written opinion to the Corporation and Indemnitee as to whether and to what extent the Indemnitee would be permitted to be indemnified under applicable law. The Corporation agrees to pay the reasonable fees of the Independent Counsel and to indemnify fully such counsel against any and all expenses (including attorneys' fees), claims, liabilities and damages arising out of or relating to this Agreement or its engagement pursuant hereto.

Section 21. Applicable Law and Consent to Jurisdiction. This Agreement and the legal relations among the parties shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware, without regard to its conflict of laws rules. The Corporation and Indemnitee hereby irrevocably and unconditionally (a) agree that any action or proceeding arising out of or in connection with this Agreement shall be brought only in the Delaware Court of Chancery, and not in any other state or federal court in the United States of America or any court in any other country, (b) consent to submit to the exclusive jurisdiction of the Delaware Court of Chancery for purposes of any action or proceeding arising out of or in connection with this Agreement, (c) waive any objection to the laying of venue of any such action or proceeding in the Delaware Court of Chancery and (d) waive, and agree not to plead or to make, any claim that any such action or proceeding brought in the Delaware Court of Chancery has been brought in an improper or inconvenient forum.

Section 22. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original but all of which together shall constitute one and the same Agreement. Only one such counterpart signed by the party against whom enforceability is sought needs to be produced to evidence the existence of this Agreement. Counterparts may be delivered via facsimile, electronic mail (including pdf or any electronic signature) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

Section 23. Third-Party Beneficiaries. The Sponsor Entities are intended third-party beneficiaries of this Agreement.

Section 24. Miscellaneous. Use of the masculine pronoun shall be deemed to include usage of the feminine pronoun where appropriate. The headings of the paragraphs of this Agreement are inserted for convenience only and shall not be deemed to constitute part of this Agreement or to affect the construction thereof.
