"**Write-Down and Conversion Powers**" means, with respect to any EEA Resolution Authority, the write-down and conversion powers of such EEA Resolution Authority from time to time under the Bail-In Legislation for the applicable EEA Member Country, which write-down and conversion powers are described in the EU Bail-In Legislation Schedule.

Section 1.02 Other Interpretive Provisions. With reference to this Agreement and each other Loan Document, unless otherwise specified herein or in such other Loan Document:

(1) The meanings of defined terms are equally applicable to the singular and plural forms of the defined terms.

(2) The words "herein," "hereto," "hereof" and "hereunder" and words of similar import when used in any Loan Document shall refer to such Loan Document as a whole and not to any particular provision thereof.

(3) References in this Agreement to an Exhibit, Schedule, Article, Section, Annex, clause or subclause refer (a) to the appropriate Exhibit or Schedule to, or Article, Section, clause or subclause in this Agreement or (b) to the extent such references are not present in this Agreement, to the Loan Document in which such reference appears, in each case as such Exhibit, Schedule, Article, Section, Annex, clause or subclause may be amended or supplemented from time to time.

(4) The term "including" is by way of example and not limitation.

(5) The term "documents" includes any and all instruments, documents, agreements, certificates, notices, reports, financial statements and other writings, however evidenced, whether in physical or electronic form.

(6) In the computation of periods of time from a specified date to a later specified date, the word "from" means "from and including"; the words "to" and "until" each mean "to but excluding"; and the word "through" means "to and including".

(7) Section headings herein and in the other Loan Documents are included for convenience of reference only and shall not affect the interpretation of this Agreement or any other Loan Document.

(8) The word "or" is not intended to be exclusive unless expressly indicated otherwise.

(9) With respect to any Default or Event of Default, the words "exists", "is continuing" or similar expressions with respect thereto shall mean that the Default or Event of Default has occurred and has not yet been cured or waived. If, prior to the taking of any action under Section 8.02 (or the occurrence of any event set forth in the proviso thereto), any Default or Event of Default occurs due to (i) the failure by any Loan Party to take any action by a specified time, such Default or Event of Default shall be deemed to have been cured at the time, if any, that the applicable Loan Party takes such action or (ii) the taking of any action by any Loan Party that is not then permitted by the terms of this Agreement or any other Loan Document, such Default or Event of Default shall be deemed to be cured on the earlier to occur of (x) the date on which such action would be permitted at such time to be taken under this Agreement and the other Loan Documents pursuant to an applicable amendment or waiver permitting such action and (y) the date on which such action is unwound or otherwise modified to the extent necessary for such revised action to be permitted at such time by this Agreement and the other Loan Documents; *provided* that an Event of Default resulting from the failure to deliver a notice pursuant to such Section 6.03(1) shall cease to exist and be cured in all respects if the Default or Event of Default giving rise to such notice requirement shall have ceased to exist and/or be cured.

(10) For purposes of determining compliance with any Section of Article VII, in the event that any Lien, Investment, Indebtedness, Asset Sale, Restricted Payment, Affiliate Transaction, Contractual Obligation or prepayment of Indebtedness meets the criteria of one or more of the categories of transactions permitted pursuant to any clause of such Sections, such transaction (or portion thereof) at any time, shall be permitted under one or more of such clauses within the applicable Section as determined by the Borrower in its sole discretion at such time. For purposes of determining compliance with the incurrence of any ~~Credit Agreement Refinancing Indebtedness or~~ Refinancing Indebtedness that restricts the amount of such Indebtedness relative to the amount of ~~Credit Agreement Refinanced Debt or~~ Refinanced Debt, ~~respectively,~~ the Borrower and Subsidiaries may incur an incremental principal amount of ~~Credit Agreement Refinancing Indebtedness or~~ Refinancing Indebtedness in such refinancing to the extent that the excess portion of the ~~Credit Agreement~~ Refinancing ~~Indebtedness or Refinancing~~ Indebtedness would otherwise be permitted to be incurred in accordance with this Agreement (*provided* that (1) any additional Indebtedness referenced in this sentence satisfies the other applicable requirements of the definition of ~~Credit Agreement~~ Refinancing Indebtedness ~~or Refinancing Indebtedness, as applicable~~ (with such additional amounts incurred constituting a utilization of the relevant basket or exception contained in Section 7.02(b) pursuant to which such additional amount is permitted) and (2) if such additional Indebtedness is secured, the Lien securing such Indebtedness satisfies the applicable requirements of Section 7.01). For purposes of determining compliance with the incurrence of any Indebtedness under Designated Revolving Commitments in reliance on compliance with any ratio or Basket, if on the date such Designated Revolving Commitments are established after giving *pro forma* effect to the incurrence of the entire committed amount of then proposed Indebtedness thereunder, then such committed amount under such Designated Revolving Commitments may thereafter be borrowed and reborrowed, in whole or in part, from time to time, without further compliance with any ratio.

(11) For purposes hereof, unless otherwise specifically indicated, the term "consolidated" with respect to any Person refers to such Person consolidated with its Subsidiaries.

Section 1.03 Accounting Terms. All accounting terms not specifically or completely defined herein shall be construed in conformity with, and all financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Agreement shall be prepared in conformity with, GAAP, except as otherwise specifically prescribed herein.

Section 1.04 Rounding. Any financial ratios required to be satisfied in order for a specific action to be permitted under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

Section 1.05 References to Agreements, Laws, etc. Unless otherwise expressly provided herein, (1) references to Organizational Documents, agreements (including the Loan Documents) and other contractual instruments shall be deemed to include all subsequent amendments, restatements, extensions, supplements and other modifications thereto, but only to the extent that such amendments, restatements, extensions, supplements and other modifications are permitted by any Loan Document; and (2) references to any Law shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such Law.

Section 1.06 Times of Day and Timing of Payment and Performance. Unless otherwise specified, all references herein to times of day shall be references to New York time (daylight or standard, as applicable). When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day, the date of such payment (other than as described in the definition of "Interest Period") or performance shall extend to the immediately succeeding Business Day.

Section 1.07 Pro Forma and Other Calculations.

(1) Notwithstanding anything to the contrary herein, financial ratios and tests, including the First Lien Net Leverage Ratio and the Total Net Leverage Ratio shall be calculated in the manner prescribed by this Section 1.07. In addition, whenever a financial ratio or test is to be calculated on a *pro forma* basis, the reference to "Test Period" for purposes of calculating such financial ratio or test shall be deemed to be a reference to, and shall be based on, the most recently ended Test Period for which financial statements of the Borrower have been delivered pursuant to Section 6.01(1) or (2), as applicable.

(2) For purposes of calculating any financial ratio or test (or Total Assets), Specified Transactions (and, subject to clause (4) below, the incurrence or repayment of any Indebtedness in connection therewith) that have been made (a) during the applicable Test Period or (b) subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a *pro forma* basis assuming that all such Specified Transactions (and any increase or decrease in Adjusted EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Test Period (or, in the case of Total Assets, on the last day of the applicable Test Period). If since the beginning of any applicable Test Period any Person that subsequently became a Subsidiary or was merged, amalgamated or consolidated with or into the Borrower or any Subsidiary since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.07, then such financial ratio or test (or Total Assets) shall be calculated to give *pro forma* effect thereto in accordance with this Section 1.07 as if such Specified Transaction had occurred at the beginning of the most recently ended Test Period.

(3) Whenever *pro forma* effect is to be given to a Specified Transaction, the *pro forma* calculations shall be made in good faith by a Financial Officer of the Borrower and may include, for the avoidance of doubt, the amount of "run-rate" cost savings, synergies and operating expense reductions resulting from or related to any such Specified Transaction (including the Transactions) which is being given *pro forma* effect that have been realized or are expected to be realized and for which the actions necessary to realize such cost savings, operating expense reductions and synergies are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken no later than six fiscal quarters after the date of any such Specified Transaction (calculated on a *pro forma* basis

as though such cost savings, operating expense reductions and synergies had been realized on the first day of such period and as if such cost savings, operating expense reductions and synergies were realized during the entirety of such period and "run-rate" means the full recurring benefit for a period that is associated with any action taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken (including any savings expected to result from the elimination of a public target's compliance costs with public company requirements) net of the amount of actual benefits realized during such period from such actions, and any such adjustments shall be included in the initial *pro forma* calculations of such financial ratios or tests and during any subsequent Test Period in which the effects thereof are expected to be realized) relating to such Specified Transaction; *provided* that (a) such amounts are (i) reasonably identifiable and projected in the good faith judgment of the Borrower to result from such actions and (ii) such actions are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken no later than six fiscal quarters after the date of such Specified Transaction, (b) no amounts shall be added to the extent duplicative of any amounts that are otherwise added back in computing Adjusted EBITDA (or any other components thereof), whether through a *pro forma* adjustment or otherwise, with respect to such period; *provided* that the foregoing cap shall not apply to adjustments made in accordance with Regulation S-X; *provided*, *further*, that amounts added back pursuant to this clause (3), when combined with ~~adjustments pursuant to clauses (l) and (n) of the definition of "Adjusted EBITDA" and clause (1) of the definition of "Consolidated Net Income"~~**all other Combined Adjustment Amounts for such period,** shall not exceed 22.5% of Adjusted EBITDA for such period calculated prior to giving effect to all such add-backs and adjustments, and being calculated on a pro forma basis.

(4) In the event that (a) the Borrower or any Subsidiary incurs (including by assumption or guarantees), issues or repays (including by redemption, repurchase, repayment, retirement or extinguishment) any Indebtedness (other than Indebtedness incurred or repaid under any revolving credit facility or line of credit unless such Indebtedness has been permanently repaid and not replaced), (b) the Borrower or any Subsidiary issues, repurchases or redeems Disqualified Stock, (c) any Subsidiary issues, repurchases or redeems Preferred Stock or (d) the Borrower or any Subsidiary establishes or eliminates any Designated Revolving Commitments, in each case included in the calculations of any financial ratio or test, (i) during the applicable Test Period or (ii) subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then such financial ratio or test shall be calculated giving *pro forma* effect to such incurrence, issuance, repayment or redemption of Indebtedness, issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, or establishment or elimination of any Designated Revolving Commitments, in each case to the extent required, as if the same had occurred on the last day of the applicable Test Period (except in the case of the First Lien Net Leverage Ratio or Total Net Leverage Ratio (or similar ratio), in which case such incurrence, issuance, repayment or redemption of Indebtedness, issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, or establishment or elimination of any Designated Revolving Commitments, in each case will be given effect, as if the same had occurred on the first day of the applicable Test Period) and, in the case of Indebtedness for all purposes as if such Indebtedness in the full amount of any undrawn Designated Revolving Commitments had been incurred thereunder throughout such period in each case to the extent required, as if the same had occurred on the last day of the applicable Test Period.

(5) If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of the event for which the calculation of the First Lien Net Leverage Ratio and/or Total Net Leverage Ratio, is made had been the applicable rate for the entire period (taking into account any interest hedging arrangements applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a Financial Officer of the Borrower to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Borrower or applicable Subsidiary may designate.

(6) Notwithstanding anything to the contrary in this Section 1.07 or in any classification under GAAP of any Person, business, assets or operations in respect of which a definitive agreement for the disposition thereof has been entered into, no *pro forma* effect shall be given to any discontinued operations (and the Adjusted EBITDA attributable to any such Person, business, assets or operations shall not be excluded for any purposes hereunder) until such disposition shall have been consummated.

(7) Any determination of Total Assets shall be made by reference to the last day of the Test Period most recently ended for which financial statements of the Borrower have been delivered pursuant to Section 6.01(1) or (2), as applicable, on or prior to the relevant date of determination.

(8) [Reserved].

(9) Notwithstanding anything to the contrary herein, other than with respect to dividends or distributions that constitute Restricted Payments permitted hereunder, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a covenant of this Agreement that does not require compliance with a financial ratio or test (including pro forma compliance with any First Lien Net Leverage Ratio test, any Total Net Leverage Ratio test and/or any other financial ratio or test) (any such amounts, the "**Fixed Amounts**") substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement in the same covenant that requires compliance with any such financial ratio or test (any such amounts, the "**Incurrence Based Amounts**"), it is understood and agreed that the Fixed Amounts (and any cash proceeds thereof) be disregarded in the calculation of the financial ratio or test applicable to the Incurrence Based Amounts in connection with such substantially concurrent incurrence with respect to the same covenant.

Section 1.08 Available Amount Transaction. If more than one action occurs on any given date the permissibility of the taking of which is determined hereunder by reference to the Available Amount immediately prior to the taking of such action, the permissibility of the taking of each such action shall be determined independently and in no event may any two or more such actions be treated as occurring simultaneously, i.e., each transaction must constitute a permitted use of the Available Amount.

Section 1.09 LIBOR Discontinuation. If at any time the Administrative Agent or the Borrower determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in Section 3.03 have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in Section 3.03 have not arisen but the supervisor for the administrator of the LIBOR Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the applicable LIBOR Rate shall no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrower shall endeavor to establish an alternate rate of interest to the appropriate LIBOR Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable; *provided* that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement. Notwithstanding anything to the contrary in Section 10.01, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five (5) Business Days of the date notice of such alternate rate of interest is provided to the Lenders, written notice from the Required Lenders stating that such Required Lenders object to such amendment.

Section 1.10 Currency Generally.

(1) The Borrower shall determine in good faith the dollar amount of any utilization or other measurement denominated in a currency other than Dollars for purposes of compliance with any Basket. For purposes of determining compliance with any Basket under Article VII or VIII with respect to any amount expressed in a currency other than Dollars, no Default shall be deemed to have occurred solely as a result of changes in rates of currency exchange occurring after the time such Basket utilization occurs or other Basket measurement is made (so long as such Basket utilization or other measurement, at the time incurred, made or acquired, was permitted hereunder). Except with respect to any ratio calculated under any Basket, any subsequent change in rates of currency exchange with respect to any prior utilization or other measurement of a Basket previously made in reliance on such Basket (as the same may have been reallocated in accordance with this Agreement) shall be disregarded for purposes of determining any unutilized portion under such Basket.

(2) For purposes of determining the First Lien Net Leverage Ratio and/or the Total Net Leverage Ratio, the amount of Indebtedness and cash and Cash Equivalents shall reflect the currency translation effects, determined in accordance with GAAP, of Hedging Obligations permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar equivalent of such Indebtedness.

(3) For purposes of determining compliance under any Basket under Article VII or VIII, any amount in a currency other than Dollars will be converted to Dollars in a manner consistent with that used in calculating net income in the Borrower's annual financial statements delivered pursuant to Section 6.01(1); *provided, however*, that the foregoing shall not be deemed to apply to the determination of any amount of Indebtedness. For purposes of determining compliance with any restriction on the incurrence of Indebtedness, the Dollar equivalent of the principal amount of Indebtedness denominated in a foreign currency being incurred shall be calculated based on the exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; *provided* that if such Indebtedness is incurred to extend, replace, refund, refinance, renew or defease other Indebtedness denominated in a foreign currency, and such extension, replacement, refunding, refinancing, renewal or defeasance would cause the applicable restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance, such restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased.

Section 1.11 Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Equity Interests at such time.

ARTICLE II

The Commitments and Borrowings

Section 2.01 The Loans. Subject to the terms and conditions set forth in Section 4.01 hereof, each Term Lender severally agrees to make to the Borrower on the Closing Date one or more Closing Date Term Loans denominated in Dollars in an aggregate principal amount not to exceed such Term Lender's Closing Date Term Commitment on the Closing Date. Amounts borrowed under this Section 2.01 and repaid or prepaid may not be reborrowed. The Closing Date Term Loans may be Base Rate Loans or LIBOR Rate Loans, as further provided herein. No Term Lender will fund any portion of the Term Loans with "plan assets" (within the meaning of the Department of Labor regulation located at 29 C.F.R. Section 2510.3-101, as modified by Section 3(42) of ERISA).

Section 2.02 Borrowings, Conversions and Continuations of Loans.

(1) Each Term Borrowing, each conversion of Term Loans from one Type to the other, and each continuation of LIBOR Rate Loans shall be made upon the Borrower's irrevocable notice, on behalf of the Borrower, to the Administrative Agent (*provided* that the notice in respect of the initial Term Borrowing on the Closing Date, or in connection with any Permitted Acquisition or other transaction permitted under this Agreement, may be conditioned on the consummation of the Closing Date Refinancing or closing of such Permitted Acquisition or other transaction, as applicable). Each such notice must be received by the Administrative Agent not later than 1:00 p.m., New York time, (a) three (3) Business Days prior to the requested date of any Borrowing or continuation of LIBOR Rate Loans or any conversion of Base Rate Loans to LIBOR Rate Loans and (b) one (1) Business Day prior to the requested date of any Borrowing of Base Rate Loans; *provided* that the notice referred to in subclause (a) above may be delivered one (1) Business Day prior to the Closing Date in the case of the Closing Date Term Loans. Each notice by the Borrower pursuant to this Section 2.02(1) must be made by delivery to the Administrative Agent of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Except as provided in ~~Sections 2.15 and~~**Section** 2.16, each Borrowing of, conversion to or continuation of LIBOR Rate Loans shall be in a principal amount of $1,000,000 or a whole multiple of $500,000 in excess thereof. Except as provided in ~~Sections 2.15 and~~**Section** 2.16, each Borrowing of or conversion to Base Rate Loans shall be in a principal amount of $1,000,000 or a whole multiple of $500,000 in excess thereof. Each Committed Loan Notice shall specify:

(i) whether the Borrower is requesting a Term Borrowing, a conversion of Term Loans from one Type to the other or a continuation of LIBOR Rate Loans,

(ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day),

(iii) the principal amount of Loans to be borrowed, converted or continued,

(iv) [reserved],

(v) the Class and Type of Loans to be borrowed or to which existing Term Loans are to be converted,

(vi) if applicable, the duration of the Interest Period with respect thereto and

(vii) wire instructions of the account(s) to which funds are to be disbursed.

If the Borrower fails to specify a Type of Loan to be made in a Committed Loan Notice, then the applicable Loans shall be made as LIBOR Rate Loans with an Interest Period of one (1) month. If the Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be made or continued as the same Type of Loan, which if a LIBOR Rate Loan, shall have a one-month Interest Period. Any such automatic continuation of LIBOR Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable LIBOR Rate Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of LIBOR Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month.

(2) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Pro Rata Share or other applicable share provided for under this Agreement of the applicable Class of Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Lender of the details of any automatic continuation of LIBOR Rate Loans or continuation of Loans described in Section 2.02(1). In the case of each Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent by wire transfer in Same Day Funds to the Administrative Agent's Account not later than, in the case of Borrowing on the Closing Date, 10:00 a.m., New York time, and otherwise 2:00 p.m., New York time, on the Business Day specified in the applicable Committed Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.01 for the Borrowing on the Closing Date, and upon receipt of all requested funds, the Administrative Agent shall make all funds so received available to the applicable Borrower in like funds as received by the Administrative Agent by wire transfer of such funds, in each case in accordance with instructions provided by the Borrower to (and reasonably acceptable to) the Administrative Agent.

(3) Except as otherwise provided herein, a LIBOR Rate Loan may be continued or converted only on the last day of an Interest Period for such LIBOR Rate Loan, unless the Borrower pays the amount due, if any, under Section 3.05 in connection therewith. Upon the occurrence and during the continuation of an Event of Default, the Administrative Agent at the direction of the Required Lenders under the applicable Facility may require by notice to the Borrower that no Loans may be converted to or continued as LIBOR Rate Loans~~.~~ **(unless such Event of Default is an Event of Default under Section 8.01(1) or Section 8.01(6), in which case any LIBOR Rate Loan shall automatically convert to a Base Rate Loan on the last day of the Interest Period then in effect at the time of the occurrence of such Event of Default under Section 8.01(1) or Section 8.01(6)).**

(4) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for LIBOR Rate Loans upon determination of such interest rate. The determination of the LIBOR Rate by the Administrative Agent shall be conclusive in the absence of manifest error. At any time when Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the prime rate used in determining the Base Rate promptly following the public announcement of such change.

(5) After giving effect to all Term Borrowings, all conversions of Term Loans from one Type to the other, and all continuations of Term Loans as the same Type, there shall not be more than 6 Interest Periods in effect unless otherwise agreed in writing between the Borrower and the Administrative Agent; *provided* that after the establishment of any new Class of Loans pursuant to ~~a Refinancing Amendment,~~ an Extension Amendment ~~or an amendment in respect of Replacement Loans~~, the number of Interest Periods otherwise permitted by this Section 2.02(5) shall increase by three (3) Interest Periods for each applicable Class so established.

(6) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

(7) Unless the Administrative Agent shall have received written notice from a Lender prior to the date of any Borrowing, or, in the case of any Borrowing of Base Rate Loan, prior to 1:00 p.m., New York time, on the date of such Borrowing, that such Lender will not make available to the Administrative Agent such Lender's Pro Rata Share of such Borrowing, the Administrative Agent may assume that such Lender has made such Pro Rata Share available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (2) above, and the Administrative Agent may (but shall be under no obligation to), in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the Borrower severally agrees to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (a) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (b) in the case of such Lender, the Overnight Rate *plus* any administrative, processing or similar fees customarily charged by the Administrative Agent in accordance with the foregoing. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 2.02(7) shall be conclusive in the absence of manifest error. If the Borrower and such Lender shall both pay all or any portion of the principal amount in respect of such Borrowing or interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such Borrowing or interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

Section 2.03 [Reserved].

Section 2.04 [Reserved].

Section 2.05 Prepayments.

(1) Optional.

(a) The Borrower may, upon written notice to the Administrative Agent by the Borrower, at any time or from time to time voluntarily prepay any Class or Classes of Term Loans in whole or in part, with any applicable Prepayment Premium as provided in Section 2.18; *provided* that

(i) such notice must be received by the Administrative Agent not later than 3:00 p.m., New York time, (A) three (3) Business Days prior to any date of prepayment of LIBOR Rate Loans and (B) one (1) Business Day prior to any date of prepayment of Base Rate Loans;

(ii) any partial prepayment of LIBOR Rate Loans shall be in a principal amount of $1,000,000 or a whole multiple of $500,000 in excess thereof or, if less, the entire principal amount thereof then outstanding; and

(iii) any prepayment of Base Rate Loans shall be in a principal amount of $500,000 or a whole multiple of $100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding.

Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such prepayment. If such notice is given, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Loan shall be accompanied by all accrued interest thereon, together with, in the case of a LIBOR Rate Loan, any additional amounts required pursuant to Section 3.05. In the case of each prepayment of the Loans pursuant to this Section 2.05(1), the Borrower may in its sole discretion select the Borrowing or Borrowings (and the order of maturity of principal payments) to be repaid, and such payment shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares or other applicable share provided for under this Agreement.

(b) [Reserved].

(c) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of prepayment under Section 2.05(1)(a) if such prepayment would have resulted from a refinancing of all or a portion of the applicable Facility, which refinancing shall not be consummated or shall otherwise be delayed.

(d) Each prepayment in respect of any Term Loans (other than with respect to Extended Loans) pursuant to this Section 2.05(1) may be applied to any Class of Term Loans as directed by the Borrower. Voluntary prepayments of any Class of Term Loans permitted hereunder shall be applied in a manner determined at the discretion of the Borrower and specified in the notice of prepayment; *provided* that the Borrower may prepay Term Loans of any Term Loan Class pursuant to this Section 2.05 without any requirement to prepay Extended Loans that were converted or exchanged from such Term Loan Class. Subject to Section 2.16(3), in the event that the Borrower does not specify the order in which to apply prepayments to reduce scheduled installments of principal or as between Classes of Term Loans, the Borrower shall be deemed to have elected that such proceeds be applied to reduce the scheduled installments of principal in direct order of maturity on a *pro rata* basis among Term Loan Classes.

(e) Notwithstanding anything in any Loan Document to the contrary, so long as (x) no Event of Default has occurred and is continuing or shall occur as a result thereof, (y) no offer pursuant to this Section 2.05(e) is made on a non-pro rata basis and no fees, consideration or other economics are offered or given on a non-pro rata basis in connection with any transaction pursuant to this Section 2.05(e) and (z) no proceeds of ABL Loans are used for this purpose, any Borrower Party may prepay the outstanding Term Loans (which Term Loans shall, for the avoidance of doubt, be automatically and

permanently canceled immediately upon such purchase or prepayment) without premium or penalty on the following basis:

Each Term Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following subsection (3)) at the Applicable Discount (each such Term Lender, a **"Participating Lender"**).

(3) ~~(2)~~ If there is at least one Participating Lender, the relevant Borrower Party will prepay the respective outstanding Term Loans of each Participating Lender in the aggregate principal amount and of the Classes specified in such Lender's Discount Range Prepayment Offer at the Applicable Discount; *provided* that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the **"Identified Participating Lenders"**) shall be made pro rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of the Auction

The Auction Agent shall promptly, and in any case within five (5) Business Days following the Discount Range Prepayment Response Date, notify (I) the relevant Borrower Party of the respective Term Lenders' responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Applicable Discount and the aggregate principal amount and Classes of Term Loans to be prepaid at the Applicable Discount on such date, (III) each Participating Lender of the aggregate principal amount and Classes of such Term Lender to be prepaid at the Applicable Discount on such date and (IV) if applicable, each Identified Participating Lender of the Discount Range Proration. The payment amount specified in such notice to the applicable Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(D) ~~(1)~~ **(1)** Any Borrower Party may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with five (5) Business Days' notice in the form of a Solicited Discounted Prepayment Notice (or such later notice specified therein); *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Borrower Party, to (x) each Term Lender or (y) each Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such notice shall specify the maximum aggregate amount of the Term Loans (the "**Solicited Discounted Prepayment Amount**") and the Class or Classes of Term Loans the applicable Borrower Party is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(1)(e)(D)), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than $1,000,000 and whole increments of $500,000 in excess thereof and (IV) unless rescinded, each such solicitation by the applicable Borrower Party shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender and the Administrative Agent (to the extent the Administrative Agent is not the Auction Agent) with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to such Term Lenders (the "**Solicited Discounted Prepayment Response Date**"). Each Term Lender's Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date and (z) specify both a discount to par (the "**Offered Discount**") at which such Term Lender is willing to allow prepayment of its then outstanding Term Loan and the maximum aggregate principal amount and Classes of such Term Loans (the "**Offered Amount**") such Term Lender is willing to have prepaid at the Offered Discount. Any Term Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount.

(2) The Auction Agent shall promptly provide the relevant Borrower Party (with a copy to the Administrative Agent) (to the extent the Administrative Agent is not the Auction Agent) with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. Such Borrower Party shall review all such Solicited Discounted Prepayment Offers and select the largest of the Offered Discounts specified by the relevant responding Term Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the applicable Borrower Party (the "**Acceptable Discount**"), if any. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from the applicable Borrower Party by the Acceptance Date, such Borrower Party shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by the Auction Agent by the Solicited Discounted Prepayment Response Date, within three (3) Business Days after receipt of an Acceptance and Prepayment Notice (the "**Discounted Prepayment Determination Date**"), the Auction Agent will determine (in consultation with the consent of such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the Classes of Term Loans (the "**Acceptable Prepayment Amount**") to be prepaid by the relevant Borrower Party at the Acceptable Discount in accordance with this Section 2.05(1)(e)(D). If the applicable Borrower Party elects to accept any Acceptable Discount, then such Borrower Party agrees to accept all Solicited Discounted Prepayment Offers received by the Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Term Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Lender, a "**Qualifying Lender**"). The applicable Borrower Party will prepay outstanding Term Loans pursuant to this subsection (D) to each Qualifying Lender in the aggregate principal amount and of the Classes specified in such Lender's Solicited Discounted Prepayment Offer at the Acceptable Discount; *provided* that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the

Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the "**Identified Qualifying Lenders**") shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the "**Solicited Discount Proration**"). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify (I) the relevant Borrower Party of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) the Administrative Agent (to the extent the Administrative Agent is not the Auction Agent) and each Term Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the Classes to be prepaid to be prepaid at the Applicable Discount on such date, (III) each Qualifying Lender of the aggregate principal amount and the Classes of such Term Lender to be prepaid at the Acceptable Discount on such date, and (IV) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. The payment amount specified in such notice to such Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(E) In connection with any Discounted Term Loan Prepayment, the Borrower Parties and the Term Lenders acknowledge and agree that the Auction Agent may require, as a condition to the applicable Discounted Term Loan Prepayment, the payment of customary fees and expenses from a Borrower Party to such Auction Agent for its own account in connection therewith.

(F) If any Term Loan is prepaid in accordance with subsections (B) through (D) above, a Borrower Party shall prepay such Term Loans on the Discounted Prepayment Effective Date. The relevant Borrower Party shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, by wire transfer to the Administrative Agent's Account in immediately available funds not later than 12:00 p.m., New York time, on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the relevant Class(es) and Lenders as specified by the applicable Borrower Party in the applicable offer. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 2.05(1)(e) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, and shall be applied to the relevant Loans of such Lenders in accordance with their respective applicable share as calculated by the Auction Agent in accordance with this Section 2.05(1)(e). The aggregate principal amount of the Classes and installments of the relevant Term Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the Classes of Term Loans prepaid on the

Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment. In connection with each prepayment pursuant to this Section 2.05(1)(e), the relevant Borrower Party shall make a representation to the assigning or assignee Term Lenders, as applicable, that it does not possess material non-public information with respect to the Borrower and its Subsidiaries or the securities of any of them that has not been disclosed to the Term Lenders generally (other than Term Lenders that have elected not to receive such information) or shall make a statement that such representation cannot be made.

(G) To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.05(1)(e), established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by the applicable Borrower Party.

(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.05(1)(e), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; *provided* that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next succeeding Business Day.

(I) Each of the Borrower Parties and the Term Lenders acknowledge and agree that the Auction Agent may perform any and all of its duties under this Section 2.05(1)(e) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 2.05(1)(e) as well as activities of the Auction Agent.

(J) Each Borrower Party shall have the right, by written notice to the Auction Agent (with a copy to the Administrative Agent) (to the extent the Administrative Agent is not the Auction Agent), to revoke in full (but not in part) its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date, Discount Range Prepayment Response Date or Solicited Discounted Prepayment Response Date (and if such offer is revoked pursuant to the preceding clauses, any failure by such Borrower Party to make any prepayment to a Lender, as applicable, pursuant to this Section 2.05(1)(e) shall not constitute a Default or Event of Default under Section 8.01 or otherwise).

(K) The Administrative Agent (i) shall not be required to serve as the Auction Agent or have any other obligations to participate in (other than mechanical administrative duties), or facilitate any Discounted Term Loan Prepayment unless it is reasonably satisfied with the terms and restrictions thereof (for the avoidance of doubt, the Administrative Agent shall not be required to serve as Auction Agent whether or not it is satisfied with the terms and restrictions thereof) and (ii) shall not have any obligation to participate in, arrange, sell or otherwise facilitate, and will have no liability in connection with, any open market repurchases by Holdings, the Borrower or any of its Subsidiaries. (ii) with respect to each Class of Loans, each prepayment pursuant to clauses (a) through (d) of Section 2.05(2) shall be applied to remaining scheduled installments of principal thereof following the date of prepayment in direct order of maturity; and

(iii) each such prepayment shall be paid to the Lenders in accordance with their respective Pro Rata Shares of such prepayment;

provided that with respect to the allocation of such prepayments under this clause (e) between a Class of existing Loans and a Class of Extended Loans, to the extent that the Borrower may allocate between such classes, the Borrower may allocate such prepayments as the Borrower may specify, subject always to the limitation that the Borrower may not allocate to such Extended Loans any such mandatory prepayment (other than in the case of a refinancing of Extended Loans) unless such prepayment under this clause (e) is accompanied by at least a *pro rata* prepayment, based upon the applicable remaining scheduled installments of principal due in respect thereof, of the Term Loans of the Class, if any, from which such Extended Loans were converted or exchanged (or such Term Loans of such existing Class have otherwise been repaid in full).

(f) [Reserved].

(g) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to this Section 2.05(2) by 3:00 p.m. at least four (4) Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment, the subsection of this Agreement pursuant to which such prepayment is being made and provide a reasonably detailed calculation of the aggregate amount of such prepayment to be made by the Borrower. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the Borrower's prepayment notice and of such Appropriate Lender's Pro Rata Share of the prepayment or other applicable share provided for under this Agreement. Each Term Lender may reject all or a portion of its Pro Rata Share, or other applicable share provided for under this Agreement, of any mandatory prepayment (such declined amounts, the "**Declined Proceeds**") of Term Loans required to be made pursuant to clauses (a) and (b) of this Section 2.05(2) by providing written notice (each, a "**Rejection Notice**") to the Administrative Agent and the Borrower no later than 3:00 p.m., New York time, at least two (2) Business Days prior to the scheduled date of such prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Term Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Any Declined Proceeds remaining shall be offered to all Lenders which have not declined proceeds of the applicable prepayment event (on a *pro rata* basis as among such non-declining Lenders) and, to the extent that any such non-declining Lender does not accept such offer by 3:00 p.m., New York time, at least one (1) Business Day prior to the date of such prepayment, such remaining Declined Proceeds shall be retained by the Borrower and shall increase the Available Amount pursuant to clause (6) of the definition thereof or may be otherwise applied as set forth herein.

(h) Notwithstanding any other provisions of this Section 2.05(2), (A) to the extent that any or all of the Net Proceeds of any Asset Sale by a Foreign Subsidiary giving rise to a prepayment event pursuant to Section 2.05(2)(b) (a "**Foreign Asset Sale**"), the Net Proceeds of any Casualty Event from a Foreign Subsidiary (a "**Foreign Casualty Event**"), or all or a portion of Excess Cash Flow are prohibited or delayed by applicable local law from being repatriated to the United States or Canada, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05(2) but may be retained by the applicable Foreign

Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States or Canada (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all commercially reasonable actions available under by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds or Excess Cash Flow is permitted under the applicable local law such repatriation will be promptly effected and an amount equal to such repatriated Net Proceeds or Excess Cash Flow will be promptly (and in any event not later than two (2) Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 2.05(2) to the extent otherwise provided herein and (B) to the extent that the Borrower has determined in good faith that repatriation of any or all or the Net Proceeds of any Foreign Asset Sale or Foreign Casualty Event or Excess Cash Flow would have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Proceeds or Excess Cash Flow, the Net Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary.

(i) Interest, Funding Losses, etc. All prepayments under this Section 2.05 shall be accompanied by all accrued interest thereon, together with, in the case of any such prepayment of a LIBOR Rate Loan on a date prior to the last day of an Interest Period therefor, any amounts owing in respect of such LIBOR Rate Loan pursuant to Section 3.05.

Notwithstanding any of the other provisions of this Section 2.05, so long as no Event of Default shall have occurred and be continuing, if any prepayment of LIBOR Rate Loans is required to be made under this Section 2.05 prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.05 in respect of any such LIBOR Rate Loan prior to the last day of the Interest Period therefor, the Borrower may, in its discretion, deposit an amount sufficient to make any such prepayment otherwise required to be made thereunder together with accrued interest to the last day of such Interest Period into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05. Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with the relevant provisions of this Section 2.05. Such deposit shall be deemed to be a prepayment of such Loans by the Borrower for all purposes under this Agreement.

Section 2.06 Termination or Reduction of Commitments.

(1) Optional. The Borrower may, upon written notice by the Borrower to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class, in each case without premium or penalty; *provided* that:

(a) any such notice shall be received by the Administrative Agent by 3:00 p.m. New York time three (3) Business Days prior to the date of termination or reduction, and

(b) any such partial reduction shall be in an aggregate amount of $1,000,000 or any whole multiple of $500,000 in excess thereof or, if less, the entire amount thereof.

(2) Mandatory. The Closing Date Term Commitment of each Term Lender on the Closing Date shall be automatically and permanently reduced to $0 upon the making of such Lender's Closing Date Term Loans to the Borrower pursuant to Section 2.01.

(3) Application of Commitment Reductions. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced by such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the amount by which such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.07).

Section 2.07 Repayment of Loans.

The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the last Business Day of each fiscal quarter (with each such fiscal quarter end being set forth on Schedule 1.01(3)) until the Maturity Date, commencing with the last Business Day of the first full fiscal quarter following the Closing Date, in equal quarterly installments, an amount equal to the following:

(a) for each of the first four full fiscal quarters following the Closing Date, 0.75% of the aggregate principal amount of all Closing Date Term Loans outstanding on the Closing Date (which payments shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.05),

(b) for each of the eight full fiscal quarters occurring thereafter, an aggregate principal amount equal to 1.25% of the aggregate principal amount of all Closing Date Term Loans outstanding on the Closing Date (which payments shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.05),

(c) for each fiscal quarter occurring thereafter, an aggregate principal amount equal to 1.875% of the aggregate principal amount of all Closing Date Term Loans outstanding on the Closing Date (which payments shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.05) and

(d) on the Maturity Date for the Closing Date Term Loans, the aggregate principal amount of all Closing Date Term Loans outstanding on such date.

Section 2.08 Interest.

(1) Subject to the provisions of Section 2.08(2), (a) each LIBOR Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the LIBOR Rate, for such Interest Period, *plus* the Applicable Rate and (b) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable Borrowing date at a rate per annum equal to the Base Rate, *plus* the Applicable Rate.

(2) During the continuance of an Event of Default, the Borrower shall pay interest on **all** principal ~~due~~**and all other amounts outstanding** hereunder at the direction (which direction may be provided retroactively to the extent not applied following the occurrence of such Event of Default so long as such Event of Default is continuing) of the Required Lenders (unless such Event of Default is an Event of Default under Section 8.01(1) or Section 8.01(6), in which case the Default Rate shall automatically accrue upon the occurrence of such Event of Default under Section 8.01(1) or Section 8.01(6)), ~~the Borrower shall pay interest on all amounts due hereunder,~~ in each case at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws; *provided* that no interest at the Default Rate shall accrue or be payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender. Accrued and unpaid interest on such amounts (including interest on interest) shall be due and payable upon demand.

(3) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

(4) For the purposes of the *Interest Act* (Canada) and disclosure thereunder, whenever any interest for any fee to be paid hereunder or in connection herewith is to be calculated on the basis of a 360-day, 365-day or 366-day year, the yearly rate of interest to which the rate used in such calculation is equivalent to the rate so used multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by 360, 365 or 366, as applicable. The rates of interest under this Agreement are nominal rates, and not effective rates or yields. The principle of deemed reinvestment of interest does not apply to any interest calculation under this Agreement.

(5) In no event shall the aggregate "interest" (as defined in Section 347 of the Criminal Code, R.S.C. 1985, c. C-46, as the same shall be amended, replaced or re-enacted from time to time) payable (whether by way of payment, collection or demand) by any Canadian Loan Party to the Administrative Agent or the Lenders under this Agreement or any other Loan Document exceed the effective annual rate of interest on the "credit advanced" (as defined in that section) under this Agreement or such other Loan Document lawfully permitted under that section and, if any payment, collection or demand pursuant to this Agreement or any other Loan Document in respect of "interest" (as defined in that section) is determined to be contrary to the provisions of that section, such payment, collection or demand shall be deemed to have been made by the mutual mistake of the Administrative Agent, the Lenders and such Canadian Loan Party, with such "interest" deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by the Criminal Code Section, to result in a receipt by the Administrative Agent and the Lenders of interest at a rate not in contravention of the Criminal Code Section, such adjustment to be effected, to the extent necessary, as follows by the Administrative Agent: firstly, by reducing the amounts or rates of interest required to be paid to the Lenders; and then, by reducing any fees, charges, commissions, premiums, expenses and other amounts required to be paid to the Lenders which would constitute "interest" under the Criminal Code Section. Notwithstanding the foregoing, and after giving effect to all such adjustments, if the Administrative Agent or the Lenders shall have received an amount in excess of the maximum permitted by the Criminal Code Section, then the applicable Canadian Loan Party shall be entitled, by notice in writing to the Administrative Agent, to obtain reimbursement from the Administrative Agent (but solely limited to the funds received from Lenders) and the Lenders in an amount equal to such excess.

(6) Any provision of this Agreement or any other Loan Document that would oblige any Canadian Loan Party to pay any fine, penalty or rate of interest on any arrears of principal or interest secured by a mortgage on real property or hypothec on immovable that has the effect of increasing the charge on arrears beyond the rate of interest payable on principal money not in arrears shall not apply to such Canadian Loan Party, who shall be required to pay interest on money in arrears at the same rate of interest payable on principal money not in arrears.

Section 2.09 Fees. The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified (including the fees due and owing to the Administrative Agent and Collateral Agent pursuant to the Administrative Agent Fee Letter). Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed in writing between the Borrower and the applicable Agent).

Section 2.10 Computation of Interest and Fees. All computations of interest for Base Rate Loans shall be made on the basis of a year of 365 days or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(1), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.11 Evidence of Indebtedness.

(1) The Term Borrowings made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c) and Section 1.163-5(b) of the proposed United States Treasury Regulations, as applicable, as non-fiduciary agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be prima facie evidence absent manifest error of the amount of the Term Borrowings made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent, as set forth in the Register, in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender, the Borrower shall execute and deliver to such Lender a Term Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Term Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(2) [Reserved].

(3) Entries made in good faith by the Administrative Agent in the Register pursuant to Section 2.11(1), and by each Lender in its account or accounts pursuant to Section 2.11(1), shall be prima facie evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

Section 2.12 Payments Generally.

(1) All payments hereunder to be made by the Borrower shall be made in Dollars without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, by wire transfer to the Administrative Agent's Account for payment and in Same Day Funds not later than 2:00 p.m., New York time, on the date specified herein. The Administrative Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in

like funds as received by wire transfer to such Lender's Lending Office. Any payments under this Agreement that are made later than 2:00 p.m., New York time, may, in the Administrative Agent's discretion be deemed to have been made on the next succeeding Business Day (but the Administrative Agent may extend such deadline for purposes of computing interest and fees (but not beyond the end of such day) in its sole discretion whether or not such payments are in process).

(2) If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(3) Unless the Borrower or any Lender has notified the Administrative Agent, in writing prior to the date, or in the case of any Borrowing of Base Rate Loans, prior to 12:00 p.m., New York time, on the date of such Borrowing, any payment is required to be made by it to the Administrative Agent hereunder (in the case of the Borrower, for the account of any Lender hereunder or, in the case of the Lenders, for the account of the Borrower hereunder), that the Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then:

(a) if the Borrower failed to make such payment, each Lender shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in Same Day Funds at the applicable Overnight Rate from time to time in effect; and

(b) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrower to the date such amount is recovered by the Administrative Agent (the "**Compensation Period**") at a rate per annum equal to the applicable Overnight Rate from time to time in effect. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender's Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent may make a demand therefor upon the Borrower, and the Borrower shall pay such amount, or cause such amount to be paid, to the Administrative Agent, together with interest thereon for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder. A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.12(3) shall be conclusive, absent manifest error.

(4) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Term Borrowing set forth in Section 4.01 are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(5) The obligations of the Lenders hereunder to make Loans are several and not joint. The failure of any Lender to make any Loan on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan.

(6) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(7) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.03 (or otherwise expressly set forth herein). If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the sum of the Outstanding Amount of all Loans outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

Section 2.13 Sharing of Payments. Other than as expressly provided elsewhere herein (including with respect to any discounted prepayment of Term Loans pursuant to Section 2.05(2)(e) or 2.05(2)(g)), if any Lender of any Class shall obtain payment or any other form of consideration in respect of any principal of or interest on account of the Loans of such Class made by it (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (1) notify the Administrative Agent of such fact in writing, and (2) purchase from the other Lenders such participations in the Loans of such Class made by them, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of any principal of or interest on such Loans of such Class, pro rata with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (a) the amount of such paying Lender's required repayment to (b) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. For avoidance of doubt, the provisions of this Section 2.13 shall not be construed to apply to (i) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect from time to time (including the application of funds arising from the existence of a Defaulting Lender) or (ii) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.10) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

Section 2.14 [Reserved].

Section 2.15 ~~Refinancing Amendments~~**[Reserved]**.

~~(1) Refinancing Loans. At any time after the Closing Date, the Borrower or any Subsidiary Guarantor may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of all or any portion of the Term Loans then outstanding under this Agreement, in the form of Refinancing Loans or Refinancing Commitments in each case pursuant to a Refinancing Amendment.~~

~~(2) Refinancing Amendments. The effectiveness of any Refinancing Amendment will be subject only to the satisfaction on the date thereof of such conditions precedent as may be requested by the providers of the applicable Refinancing Loans; *provided* that upon the effectiveness of any Refinancing Amendment, no Event of Default shall have occurred and be continuing or result therefrom. The Administrative Agent will promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Refinancing Amendments may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.15 and to reflect the existence and terms of the Refinancing Loans incurred pursuant thereto (including any amendments necessary to treat the Term Loans subject thereto as Refinancing Term Loans). A Refinancing Amendment may (a) extend or add "call protection" to any existing Class of Term Loans, including by amendments to Section 2.18, (b) amend the schedule of amortization payments relating to any existing tranche of Term Loans, including by amendments to Section 2.07(1) (*provided* that any such amendment shall not decrease the dollar amount of any amortization payment to any Lender that would have otherwise been payable to such Lender prior to the effectiveness of the applicable Refinancing Amendment), (c) provide that the lenders providing such Refinancing Loans may participate ratably in any voluntary prepayments made by the Borrower pursuant to Section 2.05(2) and (d) to the extent the Borrower requests to make such Refinancing Loans part of another Class of Term Loan then existing, make other amendments to the terms of any existing Term Loans, in the case of each clause (a), (b), (c) and (d), so that such Refinancing Term Loans and the applicable existing Term Loans form the same Class of Term Loans; *provided* that such amendments are not adverse to the applicable existing Term Loan Lenders (as determined in good faith by the Borrower). Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement and the other Loan Documents, as applicable, will be amended to the extent necessary to reflect the existence and terms of the Refinancing Loans.~~

~~(3) Required Consents. Any Refinancing Amendment may, without the consent of any Person other than the Administrative Agent, the Borrower and the Persons providing the applicable Refinancing Loans, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.15. This Section 2.15 supersedes any provision in this Agreement to the contrary (including Section 10.01).~~

~~(4) Providers of Refinancing Loans. Refinancing Loans may be provided by any existing Lender (it being understood that no exiting Lender shall have an obligation to make all or any portion of any Refinancing Loan) or by any Additional Lender on terms permitted by this Section 2.15; *provided*, that the Borrower shall offer each existing Lender an opportunity to participate in such Refinancing Loans on~~

~~a pro rata basis; *provided, further*, that, other than with respect to existing Lenders, the Administrative Agent shall have consented (in each case, such consent not to be unreasonably withheld, conditioned or delayed) to any such Person's providing Refinancing Loans or Refinancing Commitments if such consent would be required under Section 10.07(b)(iii) for an assignment of Loans or Commitments to such Person.~~

Section 2.16 Extensions of Loans.

(1) Extension Offers. Pursuant to one or more offers (each, an "**Extension Offer**") made from time to time by the Borrower to all Lenders holding Loans or Commitments of a particular Class with a like Maturity Date, the Borrower may extend such Maturity Date and otherwise modify the terms of such Loans or Commitments pursuant to the terms set forth in an Extension Offer (each, an "**Extension**," and each group of Loans or Commitments so extended, as well as any Loans of the same Class not so extended, each being a separate "**tranche**" for purposes of this Section 2.16). Each Extension Offer will specify the minimum amount of Loans or Commitments with respect to which an Extension Offer may be accepted, which will be an integral multiple of $1,000,000 and an aggregate principal amount that is not less than $5,000,000, or if less, (a) the aggregate principal amount of such Loans outstanding or (b) such lesser minimum amount as is approved by the Administrative Agent, such consent not to be unreasonably withheld, conditioned or delayed. Extension Offers will be made on a *pro rata* basis to all Lenders holding Loans or Commitments of a particular Class with a like Maturity Date. If the aggregate outstanding principal amount of such Loans (calculated on the face amount thereof) or Commitments in respect of which Lenders have accepted an Extension Offer exceeds the maximum aggregate principal amount of Loans or Commitments offered to be extended pursuant to such Extension Offer, then the Loans or Commitments of such Lenders will be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer. There is no requirement that any Extension Offer or Extension Amendment (defined as follows) be subject to any "most favored nation" pricing provisions or any financial ratio tests. The terms of an Extension Offer shall be determined by the Borrower, and Extension Offers may contain one or more conditions to their effectiveness, including a condition that a minimum amount of Loans or Commitments of any or all applicable tranches be tendered~~.~~ **; *provided* that, to the extent the terms and conditions of any Extension Offer include the Loans that are the subject of such Extension Offer being extended in an aggregate principal amount that constitutes a discount to the par value thereof, the amount of Indebtedness able to be incurred under this Agreement shall be reduced by the amount of such discount.**

(2) Extension Amendments. The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents (each, an "**Extension Amendment**") as may be necessary or appropriate in order to effect the provisions of this Section 2.16, establish new tranches in respect of Extended Loans and Extended Commitments and such amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such Extended Loans and Extended Commitments. An Extension Amendment may (a) extend or add "call protection" to any existing Class of Term Loans, including by amendments to Section 2.18, (b) amend the schedule of amortization payments relating to any existing tranche of Term Loans, including by amendments to Section 2.07(1) (*provided* that any such amendment shall not decrease the dollar amount of any amortization payment to any Lender that would have otherwise been payable to such Lender prior to the effectiveness of the applicable Extension Amendment) and (c) to the extent the Borrower Request to make such Extended Loans part of another Class of Term Loans then existing, make other amendments to the terms of any such existing Term Loans, in the case of each clause (a), (b) and (c), so that such Extended Loans and the applicable existing Term Loans form the same Class of Term Loans; *provided* that such amendments are not adverse to the

existing Term Loan Lenders (as determined in good faith by the Borrower) and no Event of Default under Section 8.01(1) or Section 8.01(6) shall have occurred and be continuing or result therefrom. This Section 2.16 supersedes any provision(s) in Section 2.13 or 10.01 to the contrary. Except (1) as otherwise set forth in an Extension Offer, there will be no conditions to the effectiveness of an Extension Amendment and (2) upon the effectiveness of an Extension Amendment, no Event of Default pursuant to Section 8.01(1) or Section 8.01(6) shall have occurred and be continuing. Extensions will not constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement. Any Lender of an existing Class of Term Loans that elects not to participate in Extended Loans or Extended Commitments of such Class of Term Loans shall be referred to herein as a "**Non-Extended Lender**".

(3) Terms of Extension Offers and Extension Amendments. The terms of any Extended Loans and Extended Commitments will be set forth in an Extension Offer and as agreed between the Borrower and the Extending Lenders accepting such Extension Offer; *provided* that:

(a) the aggregate principal amount of Extended Loans or Extended Commitments shall not exceed the aggregate principal amount of the Loans or Commitments that are the subject of such Extension Offer, *plus* accrued interest, fees, premiums (if any) and penalties thereon and fees and expenses incurred in connection with such Extension Offer;

(b) ~~(a)~~ the final maturity date of such Extended Loans and Extended Commitments will be no earlier than the Latest Maturity Date applicable to the Loans or Commitments subject to such Extension Offer;

(c) ~~(b)~~ the Weighted Average Life to Maturity of any Extended Loans that are Term Loans will be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans subject to such Extension Offer;

(d) ~~(c)~~ any Extended Loans that are Term Loans may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any mandatory repayments or prepayments of the Term Loans (in each case, other than pursuant to a refinancing) and may participate on a pro rata basis or less than pro rata basis (but not greater than pro rata basis) in any voluntary prepayments of the Term Loans;

(e) ~~(d)~~ such Extended Loans and Extended Commitments are not secured by any assets or property that does not constitute Collateral and may not be secured on a senior basis to the existing Term Loans;

(f) ~~(e)~~ such Extended Loans and Extended Commitments are not guaranteed by any Subsidiary of the Borrower other than a Subsidiary Loan Party; and

(g) ~~(f)~~ the covenants and events of default applicable to Extended Loans or Extended Commitments are substantially identical to, or, taken as a whole, no more favorable to the Lenders providing such Extended Loans or Extended Commitments than, those applicable to the Loans or Commitments subject to such Extension Offer, as determined in good faith by a Responsible Officer of the Borrower in its reasonable judgment; *provided* that this clause (~~f~~g) will not apply:

(A) if an Extension Offer is made with respect to all the Loans or Commitments of a particular Class and all such Loans or Commitments are accepted in such Extension Offer and amended pursuant to the applicable Extension Amendment or

(B) to any of the following:

(1) terms addressed in the preceding clauses (a) through (ef),

(2) interest rate, fees, funding discounts and other pricing terms,

(3) redemption, prepayment or other premiums, and

(4) covenants and events of default applicable only to periods after the Latest Maturity Date at the time of incurrence of such Indebtedness.

Any Extended Loans will constitute a separate tranche of Term Loans from the Term Loans held by Lenders that did not accept the applicable Extension Offer.

(4) Required Consents. No consent of any Lender or any other Person will be required to effectuate any Extension, other than the consent of the Administrative Agent (such consent not to be unreasonably withheld, delayed or condition), the Borrower and the applicable Extending Lender. The transactions contemplated by this Section 2.16 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Loans on such terms as may be set forth in the relevant Extension Offer) will not require the consent of any other Lender or any other Person, and the requirements of any provision of this Agreement or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.16 will not apply to any of the transactions effected pursuant to this Section 2.16.

Section 2.17 Defaulting Lenders.

(1) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(a) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove of any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(b) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, as the Borrower may request (so long as no Default or Event of Default has occurred and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; third, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; fourth, to the payment of any amounts owing to the Lenders, as a result of any judgment of a court of competent jurisdiction obtained by any Lender, against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; fifth, so long as no Default or Event of Default has occurred and is continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and sixth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (i) such

payment is a payment of the principal amount of any Loans in respect of which that Defaulting Lender has not fully funded its appropriate share and (ii) such Loans were made at a time when the conditions set forth in Section 4.01 were satisfied or waived, such payment shall be applied solely to pay the Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this Section 2.17(1)(b) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(2) Defaulting Lender Cure. If the Borrower and the Administrative Agent agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders, whereupon that Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; *provided further* that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

Section 2.18 Call Protection. In the event that all or any portion of the Closing Date Term Loans are repaid, prepaid or accelerated for any reason, including as a result of any mandatory prepayments, voluntary prepayments, payments made following acceleration of the Loans or after an Event of Default (other than mandatory prepayments pursuant to Section 2.05(2)(a) or (c) or amortization payments pursuant to Section 2.07) the Borrower shall pay to the Administrative Agent, for the benefit of Lenders holding such Closing Date Term Loans as an inducement for making the Closing Date Term Loans (and not as a penalty) an amount equal to the Prepayment Premium, which Prepayment Premium shall be fully earned, and due and payable, on the date of such payment or prepayment, or on the date such payment or prepayment is required to be made, as applicable, and non-refundable when made; *provided*, that no Prepayment Premium shall be payable with respect to the first $50,000,000 of prepayments of Closing Date Term Loans that occur in connection with a Qualifying IPO. If the Loans are accelerated or otherwise become due prior to their maturity date, in each case, as a result of an Event of Default (including upon the occurrence of a bankruptcy or insolvency event (including the acceleration of claims by operation of law)), the amount of principal of and premium on the Loans that becomes due and payable shall equal 100% of the principal amount of the Loans plus the Prepayment Premium in effect on the date of such acceleration or such other prior due date, as if such acceleration or other occurrence were a voluntary prepayment of the Loans accelerated or otherwise becoming due. Without limiting the generality of the foregoing, it is understood and agreed that if the Loans are accelerated or otherwise become due prior to their maturity date, in each case, in respect of any Event of Default (including upon the occurrence of a bankruptcy or insolvency event (including the acceleration of claims by operation of law)), the Prepayment Premium applicable with respect to a voluntary prepayment of the Loans will also be due and payable on the date of such acceleration or such other prior due date as though the Loans were voluntarily prepaid as of such date and shall constitute part of the Obligations, in view of the impracticability and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each Lender's lost profits as a result thereof. Any premium payable above shall be presumed to be the liquidated damages sustained by each Lender as the result of the early prepayment and the Borrower agrees that it is reasonable under the circumstances currently existing. The Borrower expressly agrees (to the fullest extent it may lawfully do so) that: (A) the Prepayment Premium is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel; (B) the Prepayment Premium shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between the Lenders and the Borrower giving specific consideration in this transaction for such agreement to pay the Prepayment Premium; and (D) the Borrower shall be estopped hereafter from claiming differently than as agreed to in this paragraph.

ARTICLE III

Taxes, Increased Costs Protection and Illegality

Section 3.01 Taxes.

(1) Except as required by applicable Law, any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made free and clear of and without deduction or withholding for any Taxes.

(2) If any Loan Party or any other applicable withholding agent (including, for the avoidance of doubt, the Administrative Agent, if applicable) is required by applicable Law (as determined in the good faith discretion of such Loan Party or withholding agent) to make any deduction or withholding on account of any Taxes from any such payment under any of the Loan Documents:

(a) the applicable Loan Party shall notify the Administrative Agent in writing of any such requirement or any change in any such requirement as soon as such Loan Party becomes aware of it;

(b) the applicable Loan Party or other applicable withholding agent shall be entitled to make such deduction or withholding and shall pay any amounts deducted or withheld to the relevant Governmental Authority before the date on which penalties attach thereto, such payment to be made (if the liability to pay is imposed on any Loan Party) for its own account or (if that liability is imposed on the Lender or Agent) on behalf of and in the name of the Lender or Agent (as applicable);

(c) if the Tax in question is a Non-Excluded Tax or Other Tax, the sum payable shall be increased by such Loan Party to the extent necessary to ensure that, after the making of any required deduction or withholding for Non-Excluded Taxes or Other Taxes (including any deductions or withholdings for Non-Excluded Taxes or Other Taxes attributable to any payments required to be made under this Section 3.01), the Lender or the Agent (as applicable) receives on the due date a net sum equal to what it would have received had no such deduction or withholding been required or made; and

(d) within thirty days after paying any sum from which any Loan Party is required by Law to make any deduction or withholding, and within thirty days after the due date of payment of any Tax which any Loan Party is required by this Section 3.01 to pay, the Borrower shall deliver to the Administrative Agent evidence reasonably satisfactory to the Administrative Agent of such deduction or withholding and of the remittance thereof to the relevant Governmental Authority.

(3) Status of Lender. Each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any properly completed and executed documentation prescribed by applicable Laws or reasonably requested by the Borrower or the Administrative Agent certifying as to any entitlement of such Lender to an exemption from, or reduction in, withholding Tax with respect to any payments to be made to such Lender under any Loan Document. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documentation required below in this Section 3.01(3)) obsolete, expired or inaccurate in any respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and Administrative Agent of its inability to do so. Notwithstanding anything to the contrary herein, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.01(3)(a), (b) and (c) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

Without limiting the foregoing:

(a) Each U.S. Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which such Lender becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent) two properly completed and duly signed copies of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding.

(b) Each Foreign Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which such Lender becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(i) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party, and such other documentation as required under the Code,

(ii) two properly completed and duly signed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (A) two properly completed and duly signed certificates substantially in the form of Exhibit H-1 (any such certificate, a "**United States Tax Compliance Certificate**") and (B) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms), or

(iv) to the extent a Foreign Lender is not the beneficial owner (for example, where the Foreign Lender is a partnership or a participating Lender), duly signed copies of Internal Revenue Service Form W-8IMY (or any successor forms) of the Foreign Lender, accompanied by a Form W-8ECI, Form W-8BEN or W-8BEN-E, as applicable, a United States Tax Compliance Certificate substantially in the form of Exhibit H-2 or H-3, Form W-9, Form W-8IMY and any other required information (or any successor forms) from each beneficial owner that would be required under this Section 3.01(3) if such beneficial owner were a Lender, as applicable (*provided* that if one or more beneficial owners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate substantially in the form of Exhibit H-4 may be provided by such Foreign Lender on behalf of such beneficial owner).

In addition, any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Borrower or Administrative Agent), two properly completed and duly signed copies of any other form prescribed by applicable U.S. federal income tax laws (including the Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, United States federal withholding Tax on any payments to such Lender under the Loan Documents.

(c) If a payment made to a Lender under any Loan Document would be subject to Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by applicable Law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this paragraph, the term "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Notwithstanding any other provision of this Section 3.01, a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(4) In addition to the payments by a Loan Party required by Section 3.01(2), the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law or at the option of the Administrative Agent timely reimburse it for the payment of any Other Taxes.

(5) The Loan Parties shall, jointly and severally, indemnify a Lender or Agent (each a "**Tax Indemnitee**"), within 10 days after written demand therefor, for the full amount of any Non-Excluded Taxes paid or payable by such Tax Indemnitee or required to be withheld or deducted from a payment to such Tax Indemnitee attributable to any payment under or with respect to any Loan Document, and any Other Taxes paid or payable by such Tax Indemnitee (including Non-Excluded Taxes or Other Taxes imposed on or attributable to amounts payable under this Section 3.01), and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability prepared in good faith and delivered by the Tax Indemnitee or by the Administrative Agent on its own behalf or on behalf of another Tax Indemnitee, shall be conclusive absent manifest error.

(6) If and to the extent that a Tax Indemnitee, in its sole discretion (exercised in good faith), determines that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 3.01 (including by the payment of additional amounts pursuant to this Section 3.01), then such Tax Indemnitee shall pay to the relevant Loan Party the amount of such refund, net of all out-of-pocket expenses of the Tax Indemnitee (including any Taxes imposed with respect to such refund), and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), *provided* that the Loan Party, upon the request of the Tax Indemnitee, agrees to repay the amount paid over by the Tax Indemnitee (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Tax Indemnitee to the extent the Tax Indemnitee is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (6), in no event will the Tax Indemnitee be required to pay any amount to a Loan Party pursuant to this paragraph (6) the payment of which would place the Tax Indemnitee in a less favorable net after-Tax position than the Tax Indemnitee would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require a Tax Indemnitee to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(7) The agreements in this Section 3.01 shall survive the resignation or replacement of the Administrative Agent or the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(8) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Non-Excluded Taxes or Other Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Non-Excluded Taxes or Other Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.07(e) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were

correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (8).

Section 3.02 Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the LIBOR Rate, or to determine or charge interest rates based upon the LIBOR Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the U.S. money market, then, on written notice thereof by such Lender to the Borrower through the Administrative Agent, (1) any obligation of such Lender to make or continue LIBOR Rate Loans or to convert Base Rate Loans to LIBOR Rate Loans shall be suspended, and (2) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the LIBOR Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be reasonably determined by the Administrative Agent without reference to the LIBOR Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower in writing that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (a) the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of LIBOR Rate Loans and shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all LIBOR Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the LIBOR Rate component of the Base Rate) and (b) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the LIBOR Rate component of the Base Rate with respect to any Base Rate Loans, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the LIBOR Rate component, thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the LIBOR Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

Section 3.03 Inability to Determine Rates. If the Administrative Agent reasonably determines that for any reason in connection with any request for a LIBOR Rate Loan or a conversion to or continuation thereof that:

(1) Dollar deposits are not being offered to banks in the U.S. money market for the applicable amount and Interest Period of such LIBOR Rate Loan,

(2) adequate and reasonable means do not exist for determining the LIBOR Rate (based upon methodology set forth in the definition thereof) for any requested Interest Period with respect to a proposed LIBOR Rate Loan or in connection with an existing or proposed Base Rate Loan, or

(3) the LIBOR Rate for any requested Interest Period with respect to a proposed LIBOR Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan,

the Required Lenders (in consultation with the Borrower) will so notify the Administrative Agent in writing and thereafter the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (i) the obligation of the Lenders to make or maintain LIBOR Rate Loans, as the case may be, shall be suspended, and (ii) in the event of a determination described in the preceding sentence with respect to the LIBOR Rate component of the Base Rate, the utilization of the LIBOR Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of LIBOR Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

Section 3.04 Increased Cost and Reduced Return; Capital Adequacy; Reserves.

(1) Increased Costs Generally. If any Change in Law shall:

(a) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(b) subject any Lender or the Administrative Agent to any Tax of any kind whatsoever with respect to this Agreement or any LIBOR Rate Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (except for Non-Excluded Taxes or Other Taxes covered by Section 3.01 and any Excluded Taxes); or

(c) impose on any Lender or the Canadian money market any other condition, cost or expense affecting this Agreement or LIBOR Rate Loans made by such Lender that is not otherwise accounted for in the definition of "LIBOR Rate" or this clause (c);

and the result of any of the foregoing shall be to increase the cost to such Lender or Administrative Agent of making, converting to, continuing or maintaining any Loan the interest on which is determined by reference to the LIBOR Rate (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender or Administrative Agent, or to reduce the amount of any sum received or receivable by such Lender or Administrative Agent hereunder (whether of principal, interest or any other amount) then, from time to time within fifteen (15) days after demand by such Lender or Administrative Agent setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender or Administrative Agent such additional amount or amounts as will compensate such Lender or Administrative Agent for such additional costs incurred or reduction suffered; *provided* that such amounts shall only be payable by the Borrower to the applicable Lender or Administrative Agent under this Section 3.04(1) so long as it is such Lender's or Administrative Agent's general policy or practice to demand compensation in similar circumstances under comparable provisions of other financing agreements.

(2) Capital Requirements. If any Lender reasonably determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by it, to a level below that which such Lender or such Lender's holding company, as the case may be, could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered; *provided* that such amounts shall only be payable by the Borrower to the applicable Lender under this Section 3.04(2) so long as it is such Lender's general policy or practice to demand compensation in similar circumstances under comparable provisions of other financing agreements.

(3) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in subsection (1) or (2) of this Section 3.04 and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender, as the case may be, the amount shown as due on any such certificate within fifteen (15) days after receipt thereof.

Section 3.05 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense (excluding loss of anticipated profits or margin) actually incurred by it as a result of:

(1) any continuation, conversion, payment or prepayment of any LIBOR Rate Loan on a day prior to the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(2) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any LIBOR Rate Loan on the date or in the amount notified by the Borrower; or

(3) any assignment of a LIBOR Rate Loan on a day prior to the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 3.07; including any loss or expense (excluding loss of anticipated profits or margin) actually incurred by reason of the liquidation or reemployment of funds obtained by it to maintain such LIBOR Rate Loan or from fees payable to terminate the deposits from which such funds were obtained.

Notwithstanding the foregoing, no Lender may make any demand under this Section 3.05 with respect to the "floor" specified in the proviso to the definition of "LIBOR Rate".

Section 3.06 Matters Applicable to All Requests for Compensation.

(1) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the good faith judgment of such Lender such designation or assignment (a) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (b) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material economic, legal or regulatory respect.

(2) Suspension of Lender Obligations. If any Lender requests compensation by the Borrower under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue LIBOR Rate Loans from one Interest Period to another Interest Period, or to convert Base Rate Loans into LIBOR Rate Loans until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(3) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(3) Conversion of LIBOR Rate Loans. If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of such Lender's LIBOR Rate Loans no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when LIBOR Rate Loans made by other Lenders, as applicable, are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding LIBOR Rate Loans to the extent necessary so that, after giving effect thereto, all Loans of a given Class held by the Lenders of such Class holding LIBOR Rate Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Pro Rata Shares.

(4) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of Sections 3.01 or 3.04 shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of Section 3.01 or 3.04 for any increased costs incurred or reductions suffered more than one hundred-eighty (180) days prior to the date that such Lender notifies the Borrower of the event giving rise to such claim and of such Lender's intention to claim compensation therefor (except that, if the circumstance giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

Section 3.07 Replacement of Lenders under Certain Circumstances. If (1) any Lender requests compensation under Section 3.04 or ceases to make LIBOR Rate Loans as a result of any condition described in Section 3.02 or Section 3.04, (2) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 or 3.04, (in each case, such Lender has declined or is unable to designate a different lending office in accordance with Section 3.06(1), (3) any Lender is a Non-Consenting Lender or Non-Extended Lender, (4) any Lender becomes a Defaulting Lender or (5) any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon written notice to such Lender and the Administrative Agent:

(a) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.07), all of its interests, rights and obligations under this Agreement (or, with respect to clause (3) above, all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver, or amendment, as applicable) and the related Loan Documents to one or more Eligible Assignees that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment), *provided* that:

(i) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 10.07(b)(iv);

(ii) such Lender shall have received payment of an amount equal to the applicable outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05 and any Prepayment Premium pursuant to Section 2.18 that would otherwise be owed in connection therewith) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(iii) such Lender being replaced pursuant to this Section 3.07 shall (i) execute and deliver an Assignment and Assumption with respect to all, or a portion, as applicable, of such Lender's Commitment and outstanding Loans and (ii) deliver any Term Notes evidencing such Loans to the Borrower (or a lost or destroyed note indemnity in lieu thereof); *provided* that the failure of any such Lender to execute an Assignment and Assumption or deliver such Term Notes shall not render such sale and purchase (and the corresponding assignment) invalid and upon payment to the Lender being replaced of the amounts set forth in clause (ii) (and the payment to the Administrative Agent set forth in clause (i)) such assignment shall be recorded in the Register and the Term Notes shall be deemed to be canceled upon such failure;

(iv) the Eligible Assignee shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans and Commitments, except with respect to indemnification and confidentiality provisions under this Agreement, which shall survive as to such assigning Lender;

(v) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(vi) such assignment does not conflict with applicable Laws; and

(vii) if the Administrative Agent is a Lender hereunder, the Lender that acts as Administrative Agent cannot be replaced in its capacity as Administrative Agent other than in accordance with Section 9.11, or

(b) terminate the Commitment of such Lender and repay all Obligations of the Borrower owing to such Lender relating to the Loans held by such Lender as of such termination date (including any Prepayment Premium pursuant to Section 2.18 that would otherwise be owed in connection therewith); *provided* that in the case of any such termination of the Commitment of a Non-Consenting Lender such termination shall be sufficient (together with all other consenting Lenders) to cause the adoption of the applicable consent, waiver or amendment of the Loan Documents and such termination shall, with respect to clause (3) above, be in respect of all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver and amendment.

In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each Lender, all affected Lenders or all the Lenders or all affected Lenders with respect to a certain Class or Classes of the Loans/Commitments and (iii) the Required Lenders or Required Facility Lenders, as applicable, have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a "**Non-Consenting Lender**."

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

Section 3.08 Survival. All of the Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments, repayment, satisfaction or discharge of all other Obligations under this Agreement and resignation of the Administrative Agent.

Each Lender and the Administrative Agent hereby acknowledges and agrees that the Borrower and its Subsidiaries may be required to restate historical financial statements as the result of the implementation of changes in GAAP, or the respective interpretation thereof, and that such restatements will not result in a Default or an Event of Default under the Loan Documents.

Notwithstanding the foregoing, the Borrower shall be under no obligation to mark the Borrower Materials "PUBLIC."

Section 6.10 Inspection Rights. Permit representatives and independent contractors of the Administrative Agent and each Lender to visit and inspect any of its properties, to examine its corporate, financial and operating records, and make copies thereof or abstracts therefrom and to discuss its affairs, finances and accounts with its directors, officers, and independent public accountants (subject to such accountants' customary policies and procedures), all at the reasonable expense of the Borrower and at such reasonable times during normal business hours and as often as may be reasonably desired, upon reasonable advance notice to the Borrower*; provided* that only the Administrative Agent on behalf of the Lenders may exercise rights of the Administrative Agent and the Lenders under this Section 6.10 and the Administrative Agent shall not exercise such rights more often than two (2) times during any calendar year absent the existence of an Event of Default and only one (1) such time shall be at the Borrower's expense; *provided further* that when an Event of Default exists, the Administrative Agent (or any of its representatives or independent contractors) may do any of the foregoing at the expense of the Borrower at any time during normal business hours and upon reasonable advance notice. The principal amount of any non-interest bearing Indebtedness or other discount security constituting Indebtedness at any date will be the principal amount thereof that would be shown on a balance sheet of the Borrower dated such date prepared in accordance with GAAP.

(2) If, after the receipt of the Cure Amounts and the recalculations pursuant to clause (1) above, the Borrower shall then be in compliance with the requirements of the Financial Maintenance Covenant during such Test Period, the Borrower shall be deemed to have satisfied the requirements of the Financial Maintenance Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable Default that had occurred shall be deemed cured; *provided* that (i) the Cure Right may be exercised on no more than five (5) occasions, (ii) in each four fiscal quarter period, there shall be at least two fiscal quarters in respect of which no Cure Right is exercised, (iii) the Cure Right shall not be exercised in consecutive fiscal quarters, (iv) with respect to any exercise of the Cure Right, the Cure Amount shall be no greater than the amount required to cause the Borrower to be in pro forma compliance with the Financial Maintenance Covenant (such amount, the "**Necessary Cure Amount**") (*provided* that if the Cure Right is exercised prior to the date financial statements are required to be delivered for such fiscal quarter then the Cure Amount shall be equal to the amount reasonably determined by the Borrower in good faith that is required for purposes of complying with the Financial Maintenance Covenant for such fiscal quarter (such amount, the "**Expected Cure Amount**"), (v) subject to clause (3) below, all Cure Amounts shall be disregarded for purposes of determining any baskets or financial ratio or test calculations (other than with

respect to the Financial Maintenance Covenant), with respect to the covenants contained in the Loan Documents and (vi) there shall be no pro forma or other reduction in Indebtedness (by netting or otherwise) with the proceeds of any Cure Amount for determining compliance with the Financial Maintenance Covenant for the fiscal quarter for which such Cure Amount is deemed applied unless such proceeds are actually applied to prepay Indebtedness, in which case, such reduction in Indebtedness may only be reflected in fiscal quarters subsequent to the Test Period with respect to which the applicable Cure Amount is exercised.

(3) Notwithstanding anything herein to the contrary, (A) to the extent that the Expected Cure Amount is (i) greater than the Necessary Cure Amount, then such difference may be used for the purposes of determining any baskets (other than any previously contributed Cure Amounts), with respect to the covenants contained in the Loan Documents or the Available Equity Amount or (ii) *less* than the Necessary Cure Amount, then not later than the applicable Cure Deadline, the Borrower must receive a direct or indirect equity investment in cash in the form of common Equity Interests (or other Qualified Equity Interests reasonably acceptable to the Administrative Agent), which cash proceeds received by Borrower shall be equal to the shortfall between such Expected Cure Amount and such Necessary Cure Amount and (B) prior to the Cure Deadline (x) the Lenders shall not be permitted to exercise any rights then available as a result of an Event of Default under Section 8.02 on the basis of a breach of the Financial Maintenance Covenant so as to enable the Borrower to consummate its Cure Right as permitted under this Section 8.04 and (y) the Lenders shall not be required to make any Loans unless and until the Borrower has received the Cure Amount required to cause the Borrower to be in compliance with the Financial Maintenance Covenant.

ARTICLE IX

Administrative Agent and Other Agents

Section 9.01 Appointment and Authorization of the Administrative Agent.

(1) Each Lender hereby irrevocably appoints Cortland Capital Market Services LLC to act on its behalf as the Administrative Agent and Collateral Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent and Collateral Agent to take such actions on its behalf and to exercise such rights, remedies and powers as are delegated to the Administrative Agent and Collateral Agent by the terms hereof or thereof (including any subordination and intercreditor agreements), together with such rights, actions and powers as are reasonably incidental thereto. The provisions of this Article IX (other than Sections 9.09, 9.11, 9.12 and 9.16) are solely for the benefit of the Administrative Agent, Collateral Agent and the Lenders; the Loan Parties shall not have rights as a third-party beneficiary of any such provision. Notwithstanding any provision to the contrary elsewhere in this Agreement, no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent or Collateral Agent.

(2) The Administrative Agent shall also act as the "Collateral Agent" under the Loan Documents, and each of the Lenders hereby irrevocably appoints and authorizes the Administrative Agent to act as the Collateral Agent of (and, in such capacity, to hold any security interest created by the Collateral Documents for and on behalf of or in trust for) such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, and to take all other actions, exercise all powers and perform such duties as are delegated to the Collateral Agent under the Collateral Documents, together with such powers and discretion as are reasonably incidental thereto. The Collateral Agent (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent and/or Collateral Agent pursuant to Section 9.07 for purposes of

holding or enforcing any Lien on the Collateral (or any portion thereof), or for exercising any rights and remedies with respect thereto), shall be entitled to the benefits of all provisions of this Article IX (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the Collateral Agent" under the Loan Documents) and Article X as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent and Collateral Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including any Applicable Intercreditor Agreement), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by the Administrative Agent, the Collateral Agent or their respective sub-agent(s) shall bind the Lenders and the other Secured Parties.

Section 9.02 Rights as a Lender. Any Lender that is also serving as an Agent (including as Administrative Agent or Collateral Agent) hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include each Lender (if any) serving as an Agent hereunder in its individual capacity. Any such Person serving as an Agent and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

Section 9.03 Exculpatory Provisions. None of the Agents (including the Administrative Agent, Collateral Agent and their respective Agent-Related Persons), Structuring Advisor or Arranger shall have any duties or responsibilities except those expressly set forth in this Agreement and in the other Loan Documents. Without limiting the generality of the foregoing, none of the Agents (including the Administrative Agent, Collateral Agent and their respective Agent-Related Persons), Structuring Advisor or Arranger:

(1) shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing and without limiting the generality of the foregoing, the use of the term "agent" herein and in the other Loan Documents with reference to any Agent or Structuring Advisor or Arranger is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law and instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties;

(2) shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent or Structuring Advisor or Arranger is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), *provided* that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent or Structuring Advisor or Arranger to liability or that is contrary to any Loan Document or applicable law; and

(3) shall, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of their Affiliates that is communicated to or obtained by any Person serving as an Agent, Structuring Advisor or Arranger or any of their Affiliates in any capacity.

No Agent nor any of their Agent-Related Persons shall be liable for any action taken or not taken (including (i) the making of (or omitting to make) any determination, calculations, selection, request, appointment, instruction, direction, election or providing any approval or consent to enter into any amendments, modifications or supplements or otherwise in connection with any provisions of the Loan Documents, (ii) the sending (or failure to send) any notice or the revocation (or failure to revoke) any notice, (iii) the exercise (or failure to exercise) of voting rights or powers, (iv) the filing or recording of any agreement, document or instrument (or the failure to file or records any agreement, document or instrument), (v) the exercise of any rights and remedies (and all actions incidental or related thereto), (vi) releasing, subordinating, and/or terminating any Lien or (vii) exercising any powers as the attorney-in-fact for any Loan Party) by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by the final and non-appealable judgment of a court of competent jurisdiction (*provided*, that no action taken or not taken in accordance with clause (i) of this sentence, shall be deemed to constitute gross negligence or willful misconduct), in each case, in connection with its duties expressly set forth herein. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge of any Default or Event of Default unless and until written notice (conspicuously identified as a "notice of default") describing such Default or Event of Default in sufficient detail is given to the Administrative Agent or Collateral Agent, as applicable, by the Borrower or a Lender and expressly stating that such notice is a "notice of default". In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent and Collateral Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all Lenders or such number or percentage of the Lenders as shall be necessary under the circumstances as provided for herein or in the other Loan Documents); *provided* that unless and until the Administrative Agent or Collateral Agent, as applicable, shall have received such direction, the Administrative Agent and Collateral Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default, in its sole discretion.

None of the Administrative Agent, the Collateral Agent or any Agent-Related Person shall be liable or responsible for, or have any duty to ascertain or inquire into, (i) any recital, statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report, instrument, statement or other document referred to or provided for in, or delivered to the Agents or Lenders hereunder or pursuant to the Loan Documents or in connection herewith or in connection with the Loan Documents or the transactions contemplated herein or therein, (iii) the performance or observance of any of the covenants, agreements, obligations, provisions or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the value, validity, enforceability, effectiveness, execution, collectability, sufficiency or genuineness of this Agreement, any other Loan Document or any other agreement, certificate, instrument or document, or the creation, attachment, perfection and/or priority of any Lien created or purported to be created in the Collateral by the Collateral Documents and/or the filing of financing statements, continuation and/or amendment of any financing statements filed to perfect the Liens in the applicable Collateral, (v) the value or the sufficiency of any Collateral, (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or Collateral Agent, (vii) the inspection of the properties, books or records of any Loan Party or any Affiliate thereof, (viii) the financial condition or business affairs of any Loan Party or any other Person liable for the payment of any Obligations (ix) the use of the proceeds of the Loans, or

(x) to make any disclosures with respect to the foregoing or otherwise relating to any Loan Party unless expressly required herein. Anything contained herein to the contrary notwithstanding, the Administrative Agent shall not have any liability arising from confirmations of the amount of outstanding of Loans or the component amounts thereof. Additionally, neither the Administrative Agent nor the Collateral Agent shall be responsible or have any liability for, or have any duty to (i) ascertain, inquire into, monitor or enforce compliance with the provisions hereof relating to Disqualified Institutions, Defaulting Lenders, Approved Funds, Affiliates of a Lender, Eligible Assignee, Affiliates of a Disqualified Institution, Affiliates of a Borrower, SPC, or Assignee Group (or otherwise determine whether a Person qualifies as a Disqualified Institution, Defaulting Lender, Approved Fund, Affiliate of a Lender, Eligible Assignee, Affiliate of a Disqualified Institution, Affiliate of a Borrower, SPC or Assignee Group) or (ii) inquire into, monitor or enforce compliance with Section 10.07(b)(v) or Section 10.07(d). Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant qualifies as a Disqualified Institution, Defaulting Lender, Approved Fund, Affiliate of a Lender, Eligible Assignee, Affiliate of a Disqualified Institution, Affiliate of a Borrower, SPC or Assignee Group and shall be permitted to treat each Lender, Participant, or prospective Lender or Prospective Participant as if it is not a Disqualified Institution, Defaulting Lender, Approved Fund, Affiliate of a Lender, Eligible Assignee, Affiliate of a Disqualified Institution, Affiliate of a Borrower, SPC or Assignee Group unless and until it receives written notice of the same from Required Lenders or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information to any Disqualified Institution, Defaulting Lender, Approved Fund, Affiliate of a Lender, Eligible Assignee, Affiliate of a Disqualified Institution, Affiliate of a Borrower, SPC or Assignee Group. For the avoidance of doubt, neither the Administrative Agent nor Collateral Agent shall be obligated to calculate or confirm the calculations of the Financial Covenants set forth herein or the other Loan Documents or in any of the financial statements of the Loan Parties.

The duties of the Administrative Agent and Collateral Agent shall be mechanical and administrative in nature; neither the Administrative Agent nor the Collateral Agent shall have by reason of this Agreement or any other Loan Document a fiduciary relationship in respect of any Lender; and nothing in this Agreement or in any other Loan Document, expressed or implied, is intended to or shall be so construed as to impose upon the Administrative Agent or Collateral Agent any obligations in respect of this Agreement or any other Loan Document except as expressly set forth herein or therein. Each Lender hereunder authorizes and instructs the Administrative Agent and Collateral Agent to execute and perform its obligations hereunder and under each other Loan Document.

The Structuring Advisor and the Arranger shall be entitled to all indemnification and reimbursement rights in favor of the Administrative Agent as, and to the extent, provided for under Section 10.05. Without limitation of the foregoing, neither the Structuring Advisor nor the Arranger shall, solely by reason of this Agreement or any other Loan Documents, have any fiduciary relationship in respect of any Lender or any other Person.

Section 9.04 Lack of Reliance on the Administrative Agent. Each Lender expressly acknowledges that neither the Agents nor any Agent-Related Person have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Independently and without reliance upon the Administrative Agent, Collateral Agent or any Agent-Related Person, each Lender and the holder of each Term Note, to the extent it deems appropriate, has made and shall continue to make (i) its own independent investigation of the financial condition, affairs, business, operations, property, financial and other condition and creditworthiness of Holdings, the Borrower and their respective Subsidiaries in connection with the making and the continuance of the Loans and the taking or not taking of any action in connection

herewith and (ii) its own appraisal of the creditworthiness of Holdings, the Borrower and their respective Subsidiaries, based on such documents and information as such Lender has deemed appropriate, and, except as expressly provided in this Agreement, the Administrative Agent shall not have any duty or responsibility, either initially or on a continuing basis, to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter. The Administrative Agent and Collateral Agent shall not be (i) responsible to any Lender or any other Secured Party for (A) any recitals, statements, information, representations or warranties herein or in any other Loan Document or other document, certificate, requests, instruments, statement or other writing delivered in connection herewith, with the Loan Documents or the transactions contemplated herein or referenced or provided for herein or in the other Loan Documents, (B) the execution, effectiveness, value, genuineness, validity, enforceability, perfection, collectability, priority or sufficiency of this Agreement or any other Loan Document or the financial condition of the Holdings, the Borrower or any of their respective Subsidiaries or (C) the attachment, creation and/or perfection of the Liens granted or purported to be granted in the Collateral pursuant to the Collateral Documents, the filing of financing statements or the continuation and/or amendment of any financing statements filed to perfect the Liens in the applicable Collateral, (ii) required to make (or otherwise be responsible to the Lenders and the other Secured Parties for making) any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement or any other Loan Document, or the financial condition of Holdings, the Borrower or any of their respective Subsidiaries or the existence or possible existence of any Default or Event of Default, (iii) required to calculate, or be responsible for the calculation, verification or confirmation of, the Prepayment Premium, or (iv) ascertain, inquire into, monitor or enforce, compliance with the provisions of Section 2.05(1)(e). Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent and Collateral Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent, Collateral Agent or any Agent-Related Person.

Section 9.05 Certain Rights of the Administrative Agent. The Administrative Agent and Collateral Agent may request instructions from the Required Lenders (or such greater percentage of Lenders required) prior to taking any action or entering into any amendments, modifications or supplements, making any determination (including as to whether any agreement, document or instrument is in form and substance satisfactory to such Agent), making any calculation (which shall be computed by the Required Lenders), sending any notice, revoking any notice, making a selection, request, election or appointment (including failing to make a selection, request, election or appointment), exercising any voting rights or powers (including failing to exercise any voting rights or powers), exercising any rights and remedies (and all actions incidental or related thereto), releasing, subordinating and/or terminating any Lien, exercising any powers as the attorney-in-fact for any Loan Party, providing any consent, approval, instruction or direction (including failing to provide any consent, approval, instruction or direction) or making (or failing to make) any filing or recording in connection with this Agreement or any of the other Loan Documents and may refrain (and shall incur no liability from so refraining) from taking or omitting to take any act or making any such determination, calculation, selection, request, exercising such voting rights or powers or providing such notice, approval or consent or entering into any amendments, modifications or supplements until it receives such instruction (or calculation, as applicable) from the Required Lenders (or such number or percentage of the Lenders as shall be necessary under the circumstances as provided for herein or in the other Loan Documents) and such additional indemnity from the Lenders, in each case, as it deems reasonably appropriate (and until such instructions and indemnity, as applicable, are received, the Administrative Agent and/or the Collateral Agent shall act, or refrain from acting, as it deems advisable in its sole discretion) and neither the Administrative Agent nor Collateral Agent shall incur liability to any Lender, any other Secured Party or

any Borrower or Loan Party by reason of so refraining. Without limiting the immediately preceding sentence, in no event shall the Administrative Agent be required to (A) reallocate payments in accordance with Section 2.17(1)(b) without receiving direction from the Required Lenders, (B) approve the form of financial statements of the Borrower or any Opinion of Counsel without receiving direction from the Required Lenders, or (C) enter into any extension or amendment without receiving direction from the requisite percentage of the applicable Lenders. The Administrative Agent and Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with the request of the Required Lenders (or such number or percentage of the Lenders as shall be necessary under the circumstances as provided for herein or in the other Loan Documents), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans. Without limiting the foregoing, no Lender shall have any right of action whatsoever against the Administrative Agent or Collateral Agent as a result of the Administrative Agent or Collateral Agent, as the case may be, acting or refraining from acting hereunder or under any other Loan Document in accordance with the instructions of the Required Lenders (or such greater percentage of Lenders required). Notwithstanding any other provisions set forth in this Agreement or any other Loan Documents, neither the Administrative Agent nor the Collateral Agent shall be required to take any action that is in its opinion contrary to applicable Law (including, for the avoidance of doubt, any action that may be in violation of the automatic stay under the Bankruptcy Code (or similar laws)) or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of the Bankruptcy Code (or any similar laws) or the terms of any of the Loan Documents that would in its reasonable opinion subject it or any of its officers, employees or directors to personal liability. Each Lender, by delivering its signature page to this Agreement or an Assignment and Assumption and/or funding its Loans, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be approved by the Administrative Agent and/or Collateral Agent, Required Lenders or Lenders, as applicable, on the Closing Date or as of the date of funding such Loan.

Section 9.06 Reliance by the Administrative Agent. The Administrative Agent and Collateral Agent shall be entitled to rely upon, and shall be fully protected in relying upon (and shall not be liable for so relying upon), any communication, request, instrument, note, consent, affidavit, letter, writing, resolution, notice, statement, certificate, e-mail or other electronic message, order, internet or intranet website posting, or other document (or writing), conversation or telephone message signed, sent or made (or authenticated) by (or, in the case of a conversation, with) any Person that the Administrative Agent and/or Collateral Agent believed to be the proper Person, and, with respect to all legal matters (including all duties and obligations of Administrative Agent and Collateral Agent hereunder and under the other Loan Documents) pertaining to this Agreement and any other Loan Document and its duties hereunder and thereunder, upon advice of legal counsel, independent accountants and other experts and professional advisors selected by the Administrative Agent or Collateral Agent, as applicable. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation, transfer thereof shall have been filed with the Administrative Agent. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender, unless the Administrative Agent shall have received written notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts or professional advisors selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants, professional advisors or experts.

Section 9.07 Delegation of Duties. The Administrative Agent and Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Documents by or through any one or more of its agents, sub agents and/or attorneys in fact appointed by the Administrative Agent and/or Collateral Agent. The Administrative Agent, the Collateral Agent and any such agent, sub agent or attorney in fact may perform any and all of its duties and exercise its rights and powers as are delegated to the Administrative Agent and/or Collateral Agent, as applicable, together with such rights and powers as are reasonably incidental thereto, by or through their respective Agent-Related Persons. The exculpatory and indemnification provisions of this Article shall apply to any such agent, sub agent or attorney in fact and to the Agent-Related Persons of the Administrative Agent and Collateral Agent and any such agent, attorney in fact or sub agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent and Collateral Agent. Neither the Administrative Agent nor Collateral Agent shall be responsible for the negligence or misconduct of any agents, sub agents, attorney in fact or any of their respective Agent-Related Persons selected by it with reasonable care.

Section 9.08 Indemnification. Whether or not the transactions contemplated hereby are consummated, to the extent the Administrative Agent, Collateral Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent and/or Collateral Agent) (each, an "**Agent Indemnitee**") is not timely reimbursed and indemnified by the Borrower, the Lenders will timely reimburse and indemnify and hold harmless the Administrative Agent, Collateral Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent and/or Collateral Agent or otherwise acting in a capacity as a sub-agent for purposes of this Agreement or any other Loan Document) in proportion to their respective Pro Rata Share for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred at any time by the Administrative Agent, Collateral Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent and/or Collateral Agent) in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document (including any indemnification provided by the Administrative Agent or Collateral Agent under any Loan Document); *provided* that no Lender shall be liable to an Agent Indemnitee for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent Indemnitee's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.08 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall timely reimburse the Administrative Agent and/or Collateral Agent, as applicable, upon demand for its Pro Rata Share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent and/or Collateral Agent, as applicable, in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein or in any Loan Document, or in connection with any transaction contemplated hereunder, or in connection with any action taken or omitted to be taken by Administrative Agent, Collateral Agent or Agent-Related Person, as applicable, under or in connection with any of the foregoing including exercising any of the Agents' powers, rights, and remedies and performing their duties hereunder and thereunder (or omitting to do the same), in each case, to the extent that the Administrative Agent and/or Collateral Agent, as applicable, is not timely reimbursed for such expenses by or on behalf of the Borrower; *provided* that such reimbursement by the Lenders shall not affect the Borrower's continuing reimbursement obligations with respect thereto; *provided*, *further*, that the failure of any Lender to indemnify or reimburse the Administrative Agent or Collateral Agent shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this Section 9.08 shall survive termination of the Loan Documents and Aggregate Commitments, the

payment of all other Obligations and the resignation of the Administrative Agent and Collateral Agent. If any indemnity furnished to the Administrative Agent or the Collateral Agent for any purpose shall, in the opinion of such Agent, be insufficient or become impaired, such Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished.

Section 9.09 The Administrative Agent and Collateral Agent in Their Individual Capacities. With respect to its obligation to make Loans under this Agreement, the Administrative Agent and Collateral Agent shall have the rights and powers specified herein for a "Lender" and may exercise the same rights and powers as though it were not performing the duties specified herein; and the term "Lender," "Required Lenders" or any similar terms shall, unless the context clearly indicates otherwise, include the Administrative Agent and Collateral Agent in their respective individual capacities. The Administrative Agent and Collateral Agent and their respective affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, investment banking, trust or other business with, or provide debt financing, equity capital or other services (including financial advisory services) to any Loan Party or any Affiliate of any Loan Party (or any Person engaged in a similar business with any Loan Party or any Affiliate thereof) as if they were not performing the duties specified herein, and may accept fees and other consideration from any Loan Party or any Affiliate of any Loan Party for services in connection with this Agreement and otherwise without having to account for the same to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

Section 9.10 Structuring Advisor and Arranger. Except as set forth herein, neither the Structuring Advisor nor the Arranger shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as a structuring advisor or arranger. Without limiting the foregoing, neither the Structuring Advisor nor the Arranger shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on the Structuring Advisor or the Arranger in deciding to enter into this Agreement or in taking or not taking action hereunder. Notwithstanding any other provisions set forth in this Agreement or the other Loan Documents, the Administrative Agent and Collateral Agent shall not be required to take any discretionary action or exercise any discretionary powers under this Agreement and/or any other Loan Document (including the issuance of any discretionary notices and the making of any discretionary calculations or determinations), except at the written direction of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); *provided* that the Administrative Agent and Collateral Agent shall not be (i) required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent and/or Collateral Agent to liability or that is contrary to any Loan Document or applicable Law and (ii) liable for following any of such direction(s) by the Required Lenders or such other percentage of Lenders required hereunder.

Section 9.11 Resignation by the Administrative Agent. The Administrative Agent may resign from the performance of all its respective functions and duties hereunder or under the other Loan Documents at any time by giving 30 days' prior written notice to the Lenders (which, for purposes of this Section 9.11 shall include the Administrative Agent's capacity as Collateral Agent, unless otherwise stated). If the Administrative Agent is in material breach of its obligations hereunder as Administrative Agent, then the Administrative Agent may be removed as the Administrative Agent at the reasonable request of the Required Lenders. If the Administrative Agent is a Defaulting Lender, the Borrower may remove the Defaulting Lender from such role upon 15 days' prior written notice to the Lenders.

Upon any such notice of resignation by, or notice of removal of, the Administrative Agent, the Required Lenders shall appoint a successor Administrative Agent hereunder or thereunder who shall be a commercial bank or trust company reasonably acceptable to the Borrower, which acceptance shall not be unreasonably withheld or delayed (*provided* that the Borrower's approval shall not be required if an Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing).

If a successor Administrative Agent shall not have been so appointed within such 30 day period, the Administrative Agent may (but shall not be obligated to) appoint a successor Administrative Agent who shall serve as Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.

If no successor Administrative Agent has been appointed pursuant to the foregoing by the 30th day after the date such notice of resignation was given by the Administrative Agent or such notice of removal was given by the Required Lenders or the Borrower, as applicable, the Administrative Agent's resignation or removal shall nonetheless become effective and the Required Lenders shall thereafter perform all the duties of the Administrative Agent hereunder or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above. The retiring Administrative Agent and Collateral Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Loan Documents, the retiring Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed; *provided* that (i) in its capacity as Collateral Agent, the retiring Administrative Agent may appoint a successor Collateral Agent and (ii) the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for the benefit of such Administrative Agent and Collateral Agent in respect of any actions taken or omitted to be taken by it in connection with holding such collateral security) and all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly (except for any indemnity payments or other amounts then owed to the retiring or removed Administrated and/or Collateral Agent), until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.11.

Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired or removed) Administrative Agent and Collateral Agent (other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent and Collateral Agent prior to the effectiveness of such removal or resignation), the terms "Administrative Agent" and "Collateral Agent" shall mean such successor agent effective upon such appointment and approval, and the retiring (or retired or removed) Administrative Agent and Collateral Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.11) without any other or future act or deed on the part of such former Administrative Agent or Collateral Agent or any of the parties to this Agreement or any holders of the Loans. Any successor Administrative Agent appointed pursuant to this Section 9.11 shall, upon its acceptance of such appointment, become the successor Collateral Agent for all purposes hereunder unless otherwise agreed.

The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the resignation or removal of the Administrative Agent and Collateral Agent hereunder, the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for the benefit of such Administrative Agent and Collateral Agent, their respective sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by any of them while Administrative Agent was acting as Administrative Agent and Collateral Agent was acting as Collateral Agent, as applicable.

Upon a resignation or removal of the Administrative Agent pursuant to this Section 9.11, the Administrative Agent (i) shall continue to be subject to Section 10.09 and (ii) shall remain indemnified to the extent provided in this Agreement and the other Loan Documents and the provisions of this Article IX (and the analogous provisions of the other Loan Documents) shall continue in effect for the benefit of such Administrative Agent and Collateral Agent for all of its actions and inactions while serving as the Administrative Agent and/or Collateral Agent.

Section 9.12 Collateral Matters. Each of the Lenders and the other Secured Parties hereby irrevocably authorize and instruct the Administrative Agent and the Collateral Agent (or its designee) to take the actions to be taken by them as set forth in Sections 7.04 and 10.24.

Each Lender hereby agrees, that, except as otherwise set forth herein, any action taken by the Required Lenders (or such greater percentage of Lenders required) in accordance with the provisions of this Agreement or the Collateral Documents, and the exercise by the Required Lenders (or such greater percentage of Lenders required) of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Collateral Agent is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, from time to time prior to an Event of Default (but shall have no obligation), to take any action with respect to any Collateral or Collateral Documents which may be necessary to perfect and maintain perfected the security interest in and liens upon the Collateral granted pursuant to the Collateral Documents.

Upon request by the Administrative Agent or the Collateral Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release particular types or items of Collateral pursuant to this Section 9.12. In each case as specified in and subject to the provisions of this Section 9.12, the applicable Agent will (and each Lender irrevocably authorizes the applicable Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.12.

The Collateral Agent shall have no obligation whatsoever to the Lenders or to any other Person to assure that the Collateral exists or is owned by any Loan Party or is cared for, protected or insured or that the Liens granted to the Collateral Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 9.12, Section 10.24 or in any of the Collateral Documents; it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent shall have no duty unless and until expressly directed by Required Lenders and until the Collateral Agent receives such direction, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion and that the Collateral Agent shall have no duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). The Agents shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence or collectability of the Collateral, the existence, priority or perfection of the Agents' Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Agents be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral, Liens therein or financing statements filed in connection therewith.

Anything contained in any of the Loan Documents to the contrary notwithstanding, the Borrower, the Administrative Agent, the Collateral Agent and each Secured Party hereby agree that (i) no Secured Party (other than the Agents) shall have any right individually to realize upon any of the Collateral or to enforce the Guaranty, it being understood and agreed that all powers, rights and remedies hereunder and under any of the Loan Documents may be exercised solely by the Administrative Agent or the Collateral Agent, as applicable, for the benefit of the Secured Parties in accordance with the terms hereof and thereof, and (ii) in the event of a foreclosure or similar enforcement action by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition (including pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code or Debtor Relief Law with similar effect), the Collateral Agent (or any Lender, except with respect to a "credit bid" pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code), may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Collateral Agent, as agent for and representative of Secured Parties (but not any Lender or the Lenders in its or their respective individual capacities) shall be entitled, upon instructions from Required Lenders, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale or disposition, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Collateral Agent at such sale or other disposition.

Section 9.13 [Reserved].

Section 9.14 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise (a) to file a verified statement pursuant to rule 2019 of the Federal Rules of Bankruptcy Procedure that, in its sole opinion, complies with such rule's disclosure requirements for entities representing more than one creditor; (b) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent and Collateral Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Administrative Agent and the Collateral Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent and Collateral Agent hereunder) allowed in such judicial proceeding; and (c) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, interim receiver, receiver and manager, assignee, trustee, liquidator, monitor, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent and Collateral Agent hereunder.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

To the extent that the payment of any such compensation, expenses, disbursements and advances of the Administrative Agent or Collateral Agent and/or their respective agents and counsel, and any other amounts due to the Administrative Agent and Collateral Agent under Sections 2.09 and 10.05 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be paid out of, any and all distributions, dividends, money, securities and other properties and/or amounts that the Lenders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Section 9.15 Appointment of Supplemental Administrative Agents.

(1) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent or Collateral Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent and Collateral Agent are hereby authorized to appoint an additional individual or institution selected by the Administrative Agent and/or Collateral Agent (as applicable) in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a "**Supplemental Administrative Agent**" and collectively as "**Supplemental Administrative Agents**").

(2) In the event that the Administrative Agent or Collateral Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent and/or Collateral Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable by either the Administrative Agent, the Collateral Agent or such Supplemental Administrative Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 that refer to the Administrative Agent and/or Collateral Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Administrative Agent and Collateral Agent shall be deemed to be references to the Administrative Agent, Collateral Agent or such Supplemental Administrative Agent, as the context may require.

(3) Should any instrument in writing from any Loan Party be reasonably required by any Supplemental Administrative Agent so appointed by the Administrative Agent or Collateral Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments reasonably acceptable to it promptly upon request by the Administrative Agent and/or Collateral Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent and/or Collateral Agent (as applicable) until the appointment of a new Supplemental Administrative Agent.

Section 9.16 Intercreditor Agreements. Notwithstanding anything to the contrary in this Agreement or in any other Loan Document: (a) the Liens granted to the Collateral Agent in favor of the Secured Parties pursuant to the Loan Documents and the exercise of any right related to any Collateral shall be subject, in each case, to the terms of the ABL Intercreditor Agreement, Term Intercreditor Agreement or any other Applicable Intercreditor Agreement, (b) in the event of any conflict between the express terms and provisions of this Agreement or any other Loan Document, on the one hand, and of the ABL Intercreditor Agreement, Term Intercreditor Agreement or any other Applicable Intercreditor Agreement, on the other hand, the terms and provisions of the ABL Intercreditor Agreement or Term Intercreditor Agreement, as the case may be shall control, and (c) each Lender (and, by its acceptance of the benefits of any Collateral Document, each other Secured Party) hereunder authorizes and instructs the Administrative Agent and Collateral Agent to execute and perform its obligations under the ABL Intercreditor Agreement (and any amendments, restatements, supplements or other modifications thereto approved in accordance with the terms thereof), the Term Intercreditor Agreement (and any amendments, restatements, supplements or other modifications thereto approved in accordance with the terms thereof) or any other Applicable Intercreditor Agreement on behalf of such Lender, and such Lender agrees to be bound by the terms thereof.

ARTICLE X

Miscellaneous

Section 10.01 Amendments, etc.

(1) Except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (with a copy to the Administrative Agent) (other than with respect to (i) any amendment or waiver contemplated in clauses (a)—(i) of this clause (1) below and (ii) any amendment or waiver with respect to the Fee Letters which shall only require the consent of the parties thereto), (or by the Administrative Agent) and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent, and the Administrative Agent hereby agrees to acknowledge any such waiver, consent or amendment that otherwise satisfies the requirements of this Section 10.01 as promptly as possible; and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided* that:

(a) only the consent of each affected Lender shall be required to extend or increase the Commitment of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.01 or the waiver of any Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) only the consent of each affected Lender shall be required to postpone any date scheduled for, or reduce the amount of, any payment of principal or interest under Section 2.07 or 2.08 (other than pursuant to Section 2.08(2)) or any payment of fees or premiums hereunder or under any Loan Document with respect to payments to such Lender, it being understood that the amendment or waiver of any mandatory prepayment shall not constitute a postponement of any date scheduled for, or a reduction in the amount of, any payment of principal, interest, fees or premiums;

(c) only the consent of each affected Lender shall be required to reduce the principal of, or the rate of interest specified herein on, any Loan, or (subject to clause (I) of the proviso immediately succeeding clause (i) of this Section 10.01(1)) any fees or other amounts payable hereunder or under any other Loan Document to such Lender (it being understood that any change to the definition of Total Net Leverage Ratio or in the component definitions thereof shall not constitute a reduction in the rate of interest); *provided* that notwithstanding the foregoing only the consent of (A) the Required Lenders shall be necessary to amend the definition of "Default Rate" and (B) the Required Lenders' consent will be necessary to waive any obligation of the Borrower to pay interest at the Default Rate;

(d) except as contemplated by clause (C) in the second proviso immediately succeeding clause (i) of this Section 10.01(1), (x) no amendment, waiver or consent shall change any provision of this Section 10.01 or the definition of "Required Lenders", "Required Facility Lenders", "Supermajority Lenders" or any other provision specifying the number of Lenders or portion of the Loans or Commitments required to take any action under the Loan Documents, without the written consent of each Lender and (y) change the definition of "Pro Rata Share" without the written consent of each Lender directly and adversely affected thereby (but not the consent of the Required Lenders, the Required Facility Lenders or the Supermajority Lenders);

(e) other than in a transaction permitted under Section 7.03 or Section 7.04, no amendment, waiver or consent shall release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender; or

(f) other than in a transaction permitted under Section 7.03 or Section 7.04, no amendment, waiver or consent shall release all or substantially all of the aggregate value of the Guaranty, without the written consent of each Lender;

(g) no amendment, waiver or consent shall change the pro rata sharing of payments among Lenders pursuant to Section 2.12 or any other provision of this Agreement requiring pro rata treatment of the Loans or Lenders, in each case without the written consent of each Lender;

(h) no amendment, waiver or consent shall amend, waive or otherwise modify any term or provision (including the availability and conditions to funding and the rate of interest applicable thereto) which directly affects Lenders of one Facility and does not directly affect Lenders under any other Facility, in each case, without the written consent of the Required Facility Lenders under such applicable Facility; or

(i) no amendment, waiver or consent shall amend, waive or otherwise modify the definition of "Change of Control," any term or provision of Section 2.05**, Section 2.16** or Article VII (other than any amendment, waiver or consent solely with respect to the ratio levels set forth in Section 7.10) or any component definition in any of the foregoing to the extent that an amendment thereto would otherwise modify such provision in a manner adverse to the Lenders, in each case without the written consent of the Supermajority Lenders;

provided that:

(I) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; and

(II) Section 10.07(g) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification;

provided further that notwithstanding the foregoing:

(A) no Defaulting Lender shall have any right to approve or disapprove of any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders, the Required Lenders, the Required Facility Lenders or the Supermajority Lenders may be effected with the consent of the applicable Lenders other than Defaulting Lenders) (it being understood that any Commitments or Loans held or deemed held by any Defaulting Lender shall be excluded in calculating the Required Lenders, the Required Facility Lenders and the Supermajority Lenders);

(B) no Lender consent is required to effect any amendment or supplement to any Applicable Intercreditor Agreement (i) that is for the purpose of adding the holders of ~~Credit Agreement Refinancing Indebtedness or any other~~**any** Permitted Indebtedness that is secured Indebtedness (or a Debt Representative with respect thereto) as parties thereto, as expressly contemplated by the terms of such Applicable Intercreditor Agreement, as applicable (it being understood that any such amendment, modification or supplement may make such other changes to the Applicable Intercreditor Agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing and *provided* that such other changes are not adverse, in any material respect, to the interests of the Lenders) or (ii) that is expressly contemplated by any Applicable Intercreditor Agreement; *provided further* that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent or the Collateral Agent, as applicable;

(C) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the accrued interest and fees in respect thereof and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders;

(D) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by the Borrower and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section 10.01 if such Class of Lenders were the only Class of Lenders hereunder at the time; and

Each other Lender may change its address or facsimile for notices and other communications hereunder by written notice to the Borrower, the Administrative Agent and the Collateral Agent. In addition, each Lender agrees to notify the Administrative Agent and the Collateral Agent in writing from time to time to ensure that the Administrative Agent and the Collateral Agent have on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Law, including United States Federal and state and Canadian securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state or Canadian securities laws.

(6) Reliance by the Administrative Agent and Collateral Agent. The Administrative Agent, the Collateral Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify and hold harmless the Administrative Agent, the Collateral Agent, each Lender and the Agent-Related Persons of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic communications to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 10.03 No Waiver; Cumulative Remedies. No failure by any Lender, the Administrative Agent, the Collateral Agent, the Structuring Advisor or the Arranger to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 or the Collateral Agent in accordance with the Security Agreement (and the other applicable Loan Documents), in each case, for the benefit of all the Secured Parties; *provided*, *however*, that the foregoing shall not prohibit (a) the Administrative Agent or the Collateral Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent or Collateral Agent) hereunder and under the other Loan Documents, (b) any

Lender from exercising setoff rights in accordance with Section 10.10 (subject to the terms of Section 2.13), or (c) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and *provided further* that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b) and (c) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

Section 10.04 Costs and Expenses. The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse the Administrative Agent, the Structuring Advisor and the Arranger for all reasonable and documented out-of-pocket costs and expenses of the Administrative Agent, the Structuring Advisor and the Arranger (promptly following a written demand therefor, together with backup documentation supporting such reimbursement request) incurred in connection with the preparation, negotiation, syndication, execution, delivery and administration of this Agreement and the other Loan Documents and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including all Attorney Costs of Holland & Knight LLP, as primary counsel to the Administrative Agent, and Milbank LLP, as primary counsel to the Lenders and, if necessary, a single local counsel in each relevant material jurisdiction and one counsel for the Administrative Agent and Collateral Agent and a single local counsel in each relevant jurisdiction, and (b) upon presentation of a summary statement, together with any supporting documentation reasonably requested by the Borrower, to pay or reimburse the Administrative Agent, the Structuring Advisor, the Arranger and the other Lenders, taken as a whole, promptly following a written demand therefor for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all Attorney Costs of one counsel to the Administrative Agent and Collateral Agent and one local counsel in each relevant jurisdiction, and one counsel for the Structuring Advisor, the Arranger and the Lenders taken as a whole (and, if necessary, one local counsel in any relevant material jurisdiction and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Lenders similarly situated taken as a whole)). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid promptly following receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail.

Section 10.05 Indemnification by the Borrower. The Borrower shall indemnify and hold harmless the Agent Indemnitees and each Lender, the Structuring Advisor, the Arranger and their respective Related Persons (collectively, the "**Lender Indemnitees**"; together with the Agent Indemnitees, collectively, the "**Indemnitees**") from and against any and all losses, claims, damages, liabilities or expenses (including Attorney Costs and Environmental Liabilities) to which any such Indemnitee may become subject arising out of, resulting from or in connection with (but limited, in the case of legal fees and expenses, to the reasonable and documented out-of -pocket fees, disbursements and other charges of one counsel to the Agent Indemnitees taken as a whole (and if reasonably necessary, a single local counsel for all Agent Indemnitees taken as a whole in each relevant jurisdiction, and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Agent Indemnitees similarly situated taken as a whole) and one counsel to Lender Indemnitees taken as a whole (and, if reasonably necessary, a single local counsel for all Lender Indemnitees taken as a whole in each relevant jurisdiction, and solely in the case of a conflict of interest, one additional

counsel in each relevant jurisdiction to each group of affected Lender Indemnitees similarly situated taken as a whole)) any (i) actual or threatened claim, litigation, investigation, proceeding or Environmental Liabilities relating to the Transactions or (ii) to the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents, in connection with the transactions contemplated hereunder, the Loans or the use, or proposed use of the proceeds therefrom, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, litigation, investigation or proceeding), and regardless of whether any Indemnitee is a party thereto (all the foregoing, collectively, the "**Indemnified Liabilities**"); *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or expenses resulted from (x) the gross negligence or willful misconduct of such Indemnitee or any of its Related Indemnified Persons as determined by a final, non-appealable judgment of a court of competent jurisdiction, (y) a material breach of any obligation under any Loan Document by such Indemnitee or any of its Related Indemnified Persons as determined by a final, non-appealable judgment of a court of competent jurisdiction or (z) any dispute solely among Indemnitees other than any claims against an Indemnitee in its capacity or in fulfilling its role as an administrative agent, structuring advisor, or arranger or any similar role under any Loan Document and other than any claims arising out of any act or omission of the Borrower or any of their Affiliates (as determined by a final, non-appealable judgment of a court of competent jurisdiction). To the extent that the undertakings to indemnify and hold harmless set forth in this Section 10.05 may be unenforceable in whole or in part because they are violative of any applicable law or public policy, the Borrower shall contribute the maximum portion that they are permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by the Indemnitees or any of them. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement (except to the extent such damages are found in a final non-appealable judgment of a court of competent jurisdiction to have resulted from the willful misconduct, bad faith or gross negligence of such Indemnitee), nor shall any Indemnitee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (other than, in the case of any Loan Party, in respect of any such damages incurred or paid by an Indemnitee to a third party for which such Indemnitee is otherwise entitled to indemnification pursuant to this Section 10.05). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under Section 10.04 and this Section 10.05 shall be paid within twenty (20) Business Days after written demand therefor. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. This Section 10.05 shall not apply to Taxes, except any Taxes that represent losses or damages arising from any non-Tax claim. Notwithstanding the foregoing, each Indemnitee shall be obligated to refund and return promptly any and all amounts paid by the Borrower under this Section 10.05 to such Indemnitee for any such fees, expenses or damages to the extent such Indemnitee is not entitled to payment of such amounts in accordance with the terms hereof.

Section 10.06 Marshaling; Payments Set Aside. None of the Administrative Agent or any Lender shall be under any obligation to marshal any assets in favor of the Loan Parties or any other party or against or in payment of any or all of the Obligations. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated,

declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, *plus* interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect.

Section 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither Holdings nor the Borrower may, except as permitted by Section 7.03, assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder (including to existing Lenders and their Affiliates) except (i) to an Eligible Assignee, (ii) by way of participation in accordance with the provisions of Section 10.07(d), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(f), or (iv) to an SPC in accordance with the provisions of Section 10.07(g) (and any other attempted assignment or transfer by any party hereto (other than the replacement of the Administrative Agent pursuant to Article IX above) shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(d) and, to the extent expressly contemplated hereby, Related Persons of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); *provided* that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section 10.07, the aggregate amount of the Commitment or, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent shall not be less than $1,000,000 (or an integral multiple of $1,000,000 in excess thereof), unless each of the Administrative Agent and the Borrower otherwise consents in writing; *provided*, *however*, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met.

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by Section 10.07(b)(i)(B) and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing at the time of such assignment determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent, (2) in respect of an assignment to any Person in its capacity as (x) trustee or custodian holding assets for the satisfaction of the obligations of any Lender (or any Affiliate of such Lender) to any counterparty to a reinsurance arrangement or (y) counterparty to a reinsurance arrangement with any Lender (or any Affiliate of such Lender) or (3) in respect of an assignment of all or a portion of the Loans, such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; *provided* that the Borrower shall be deemed to have consented to any assignment of all or a portion of the Term Loans unless it shall have objected thereto by written notice to the Administrative Agent within 15 Business Days after having received notice from the assigning Lender of a failure to respond to such request for assignment; and

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required if such assignment is to a Person that is not a Lender, an Affiliate of a Lender or an Approved Fund with respect to a Lender; *provided* that no consent of the Administrative Agent shall be required for an assignment (i) of all or a portion of the Loans pursuant to Section 10.07(g);

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent). The Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and all documentation and other information reasonably requested by the Administrative Agent or otherwise required under applicable "know your customer" and anti-money laundering rules and regulations, including the USA PATRIOT Act. Each assignee Lender shall be required to represent in the Assignment and Assumption that it is not a Disqualified Institution or an Affiliate of a Disqualified Institution.

(v) No Assignments to Certain Persons. No such assignment shall be made (A) to Holdings, the Borrower or any of its Subsidiaries, (B) to any Affiliate of the Borrower, (C) to a natural person or (D) to any Disqualified Institution.

This Section 10.07(b) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis among such Facilities.

In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or sub participations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans in accordance with its Pro Rata Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to clause (c) of this Section 10.07, from and after the date of recordation thereof by the Administrative Agent, specified in each Assignment and Assumption, (x) the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and (y) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment), but shall in any event continue to be subject to Section 10.09. Upon request, and the surrender by the assigning Lender of its Term Note, the Borrower (at its expense) shall execute and deliver a Term Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(d).

(c) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it, each notice of cancellation of any Loans delivered by the Borrower pursuant to subsections (h) or (l) below, and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding written notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and, with respect to its own Loans, any Lender, at any reasonable time and from time to time upon reasonable prior written notice. This Section 10.07(c) and Section 2.11 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations).

(d) Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person, the Borrower or any Affiliate or Subsidiary of the Borrower or a Disqualified Institution) (each, a "**Participant**") in all or a portion of such Lender's rights or obligations under this Agreement (including all or a portion of its Commitment or the Loans owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 (other than clauses (d) and (i) thereof) that directly affects such Participant. Subject to subsection (e) of this Section 10.07, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01 (subject to the requirements of Section 3.01 (including subsections (2), (3) and (4), as applicable as though it were a Lender)), 3.04 and 3.05 (through the applicable Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section 10.07. To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.10 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.13 as though it were a Lender. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 3.01(8) with respect to any payments made by such Lender to its Participant(s).

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. Each Lender that sells a participation shall (acting solely for this purpose as a non-fiduciary agent of the Borrower) maintain a register complying with the requirements of Sections 163(f), 871(h) and 881(c)(2) of the Code and the Treasury regulations issued thereunder on which is entered the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender and the Borrower shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary; *provided* that no Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or other obligations under any Loan Document) to any Person except to the extent such disclosure is necessary to establish that any such commitments, loans, letters of credit or other obligations are in registered form for U.S. federal income tax purposes. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Term Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any other central bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "**SPC**") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to

fund any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) such SPC and the applicable Loan or any applicable part thereof shall be appropriately reflected in the Participant Register. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 3.01, 3.04 or 3.05), (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the Lender hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of $3,500 (which processing fee may be waived by the Administrative Agent in its sole discretion), assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(m) Notwithstanding anything to the contrary contained herein, without the consent of the Borrower or the Administrative Agent, (1) any Lender may in accordance with applicable Law create a security interest in all or any portion of the Loans owing to it and the Term Note, if any, held by it and (2) any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Term Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; *provided* that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(n) Notwithstanding the foregoing, no Disqualified Institution that purports to become a Lender hereunder (notwithstanding the provisions of this Agreement that prohibit Disqualified Institutions from becoming Lenders) shall be entitled to any of the rights or privileges enjoyed by the other Lenders with respect to voting, information and lender meetings. In addition, if any assignment or participation is made to any Disqualified Institution without the Borrower's express prior written consent (which consent shall state expressly that the Borrower acknowledges that the assignee Lender is a Disqualified Institution) in violation of clause (v) of Section 10.07(b), the Borrower may, in addition to any other rights and remedies that it may have against such Disqualified Institution, at its sole expense and effort, upon written notice to the applicable Disqualified Institution and the Administrative Agent, (A) in the case of outstanding Term Loans held by Disqualified Institutions, purchase or prepay such

Term Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such Term Loans, in each case *plus* accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and/or (B) require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in Section 10.07), all of its interest, rights and obligations under this Agreement to one or more Eligible Assignees at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations, in each case *plus* accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

(o) The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans or Commitments, or disclosure of confidential information, to any Disqualified Institution.

Section 10.09 Confidentiality. Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information in accordance with its customary procedures (as set forth below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, members, directors, officers, employees, legal counsel, independent auditors, professionals and other experts or agents, trustees, advisors and representatives, financing sources and existing and prospective investors in any Approved Fund (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential, with such Affiliate being responsible for such Person's compliance with this Section 10.09; *provided*, *however*, that such Agent or Lender, as applicable, shall be principally liable to the extent this Section 10.09 is violated by one or more of its Affiliates or any of its or their respective employees, directors or officers) (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners); *provided*, *however*, that each Agent and each Lender agrees to seek confidential treatment with respect to any such disclosure, (c) to the extent required by applicable laws or regulations or by any subpoena or otherwise as required by applicable Law or regulation or as requested by a Governmental Authority; *provided* that such Agent or such Lender as applicable, agrees (x) that it will notify the Borrower as soon as practicable in the event of any such disclosure by such Person (except in connection with any request as part of any audit or regulatory examination) unless such notification is prohibited by law, rule or regulation and (y) to seek confidential treatment with respect to any such disclosure, (d) to any other party hereto and or any other Secured Party, (e) subject to an agreement containing confidentiality provisions at least as restrictive as those of this Section 10.09, to (i) any assignee of or Participant in, or any potential or prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee (or its agent) or prospective Eligible Assignee or (ii) with the prior consent of the Borrower, any actual or prospective direct or indirect counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower or any of their Subsidiaries or any of their respective obligations; *provided* that (i) such disclosure shall be made subject to the acknowledgment and acceptance by such prospective Lender, Hedge Bank, Participant or Eligible Assignee that such Information is being disseminated on a confidential basis (on substantially the terms set forth in this paragraph or as is otherwise reasonably acceptable to the Borrower and the Agents, including as set forth in any confidential information memorandum or other marketing materials) in accordance with the standard syndication process of the Agents or market standards for dissemination of such type of information which shall in any event require "click through" or other affirmative action

on the part of the recipient to access such confidential information and (ii) no such disclosure shall be made to any person that is at such time a Disqualified Lender, (f) for purposes of establishing a "due diligence" defense, (g) with the consent of the Borrower, (h) to the extent such Information (x) becomes publicly available other than as a result of a breach by any Person of this Section 10.09 or any other confidentiality provision in favor of any Loan Party, (y) becomes available to any Agent or any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than Holdings, the Borrower or any Subsidiary thereof, and which source is not known by such Agent, such Lender or the applicable Affiliate to be subject to a confidentiality restriction in respect thereof in favor of Holdings, the Borrower or any Affiliate of the Borrower or (z) is independently developed by the Agents, the Lenders or their respective Affiliates, in each case, so long as not based on information obtained in a manner that would otherwise violate this Section 10.09, (i) in order to enforce its respective rights under any Loan Document in any action or proceeding or (j) on a confidential basis to any rating agency.

For purposes of this Section 10.09, "**Information**" means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary or Affiliate thereof or their respective businesses, other than any such information that is available to any Agent or any Lender on a nonconfidential basis prior to disclosure by any Loan Party or any Subsidiary thereof; it being understood that all information received from Holdings, the Borrower or any Subsidiary or Affiliate thereof after the date hereof shall be deemed confidential unless such information is clearly identified at the time of delivery as not being confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 10.09 shall be considered to have complied with its obligation to do so in accordance with its customary procedures if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each Agent and each Lender acknowledges that (a) the Information may include trade secrets, protected confidential information, or material non-public information concerning the Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of such information and (c) it will handle such information in accordance with applicable Law, including applicable United States securities Laws and to preserve its trade secret or confidential character.

The respective obligations of the Agents and the Lenders under this Section 10.09 shall survive, to the extent applicable to such Person, (x) the payment in full of the Obligations and the termination of this Agreement, (y) any assignment of its rights and obligations under this Agreement and (z) the resignation or removal of any Agent.

Notwithstanding anything to the contrary provided elsewhere herein, this Section 10.09 shall not limit the activities of any affiliate of the Structuring Advisor; *provided* that Information is not disclosed to directors, officers or employees of such affiliate, other than to (x) compliance or finance personnel for compliance or finance purposes and (y) non-compliance personnel who are directors or officers of, or function in a similar oversight role at, such affiliate as long as Information is not otherwise disclosed to such affiliate or used for the benefit of such affiliate.

Section 10.10 Setoff. Subject to Section 10.19, if an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent (as directed by the Required Lenders), to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender to or for the credit or the account of any Loan Party against any and all of the obligations of such Loan Party then due and payable under this Agreement or any other Loan Document to such Lender, irrespective of whether or not such Lender shall have made any demand

under this Agreement or any other Loan Document; *provided* that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, and the Secured Parties, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender under this Section 10.10 are in addition to other rights and remedies (including other rights of setoff) that such Lender may have. Each Lender agrees to notify the Borrower and the Administrative Agent in writing promptly after any such setoff and application, *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

Section 10.11 [Reserved].

Section 10.12 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and thereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof and thereof. Except as provided in Sections 4.01 and 10.18, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging (including in .pdf format) means shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 10.13 Electronic Execution of Assignments and Certain Other Documents. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption, any Loan Document or in any amendment or other modification hereof or thereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 10.14 Survival of Representations and Warranties. Subject to Section 1.02(9), all representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Term Borrowing, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied.

Section 10.15 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 10.16 GOVERNING LAW.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK.

(b) EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HERETO AGREES THAT THE AGENTS AND LENDERS RETAIN THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS AGAINST ANY LOAN PARTY IN THE COURTS OF ANY OTHER JURISDICTION IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS UNDER ANY COLLATERAL DOCUMENT OR THE ENFORCEMENT OF ANY JUDGMENT.

(c) EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION 10.16. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

Section 10.17 WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.17.

Section 10.18 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower, Holdings and the Administrative Agent and the Administrative Agent shall have been notified by each Lender that each such Lender has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, Holdings, each Agent and each Lender and their respective successors and assigns.

Section 10.19 Lender Action. Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Loan Party under any of the Loan Documents (including the exercise of any right of setoff, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Loan Party, without the prior written consent of the Administrative Agent. The provision of this Section 10.19 are for the sole benefit of the Lenders and Agents and shall not afford any right to, or constitute a defense available to, any Loan Party.

Section 10.20 Use of Name, Logo, etc. Each Loan Party consents to the publication in the ordinary course by the Administrative Agent of customary advertising material relating to the financing transactions contemplated by this Agreement using such Loan Party's name, product photographs, logo or trademark. Such consent shall remain effective until revoked by such Loan Party in writing to the Administrative Agent.

Section 10.21 USA PATRIOT Act. Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act. The Borrower shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender reasonably requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the USA PATRIOT Act.

Section 10.22 Service of Process. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

Section 10.23 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Borrower and Holdings acknowledges and agrees that (i) (A) the arranging and other services regarding this Agreement provided by the Agents, the Structuring Advisor, the Arranger and the Lenders are arm's-length commercial transactions between the Borrower, Holdings and their respective Affiliates, on the one hand, and the Agents, the Structuring Advisor, the Arranger and the Lenders, on the other hand, (B) each of the Borrower and Holdings has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) each of the Borrower and Holdings is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents;

(ii) (A) each Agent, Structuring Advisor, the Arranger and Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, Holdings or any of their respective Affiliates, or any other Person and (B) none of the Agents, the Structuring Advisor, the Arranger nor any Lender has any obligation to the Borrower, Holdings or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agents, the Structuring Advisor, the Arranger, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, Holdings and their respective Affiliates, and none of the Agents, the Structuring Advisor, the Arranger nor any Lender has any obligation to disclose any of such interests to the Borrower, Holdings or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and Holdings hereby waives and releases any claims that it may have against the Agents, the Structuring Advisor, the Arranger or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 10.24 Release of Collateral and Guarantee Obligations; Subordination of Liens.

(a) The Lenders hereby irrevocably agree that the Liens granted to the Collateral Agent by the Loan Parties on any Collateral shall be automatically released (i) in full, as set forth in clause (b) below, (ii) upon the sale or other transfer of such Collateral (including as part of or in connection with any other sale or other transfer permitted hereunder) to any Person other than another Loan Party, to the extent such sale, transfer or other disposition is made in compliance with the terms of this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (iii) to the extent such Collateral is comprised of property leased to a Loan Party by a Person that is not a Loan Party, upon termination or expiration of such lease, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 10.01), (v) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Guaranty (in accordance with the second succeeding sentence), (vi) as required by the Collateral Agent to effect any sale, transfer or other disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Collateral Documents, (vii) to the extent such Collateral otherwise becomes Excluded Assets and (viii) in the case of (A) the Guarantee of the Obligations by Holdings and (B) the pledge by Holdings of the Equity Interests of the Borrower, in each case, upon the consummation of a Qualifying IPO of the Borrower resulting in Holdings owning, directly or indirectly, no more than 49.99% of the common equity interests of the Borrower. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents. Additionally, the Lenders hereby irrevocably agree that the Guarantors shall be released from the Guaranties upon consummation of any transaction permitted hereunder resulting in such Subsidiary ceasing to constitute a Subsidiary, or otherwise becoming an Excluded Subsidiary. The Lenders hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender; *provided* that, upon request by the Administrative Agent or Collateral Agent (and, in each case, prior to the Administrative Agent and Collateral Agent being required to execute and deliver (or file and/or record) such instruments, documents or agreements or otherwise comply with this sentence), the Borrower shall be required to deliver a certificate to the Administrative Agent and Collateral Agent confirming that such sale or transfer of Collateral is permitted

under the Loan Documents (in the case of clause (ii) of this Section 10.24(a)) or such release of a Guarantor is permitted under the Loan Documents (in the case of clause (v) of this Section 10.24(a)), and the Administrative Agent and Collateral Agent shall be permitted to rely upon such certificate without incurring any liability therefor. Any representation, warranty or covenant contained in any Loan Document relating to any such released Collateral or Guarantor shall no longer be deemed to be repeated.

(b) Notwithstanding anything to the contrary contained herein or any other Loan Document, when all Obligations (other than any contingent obligations not then due) have been paid in full and all Commitments have terminated, upon request of the Borrower, the Administrative Agent or Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to release its security interest in all Collateral, and to release all obligations under any Loan Document, whether or not on the date of such release there may be any contingent obligations not then due. Any such release of Obligations shall be deemed subject to the provision that such Obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.

(c) Notwithstanding anything to the contrary contained herein or in any other Loan Document, upon request of the Borrower in connection with any Permitted Lien specified in clause (7) of the definition thereof securing obligations in respect of Indebtedness, Disqualified Stock or Preferred Stock permitted to be incurred pursuant to clause (4) of Section 7.02(b) in any Collateral, the Administrative Agent or Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to subordinate the Lien on any Collateral to any such Permitted Lien to be senior to the Liens in favor of the Collateral Agent.

Section 10.25 [Reserved].

Section 10.26 Judgment Currency. If, for the purposes of obtaining judgment in any court in any jurisdiction with respect to this Agreement or any other Loan Document, it is necessary to convert a sum due hereunder or under any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "**Judgment Currency**") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "**Agreement Currency**"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable Law).

Section 10.27 Acknowledgement and Consent to Bail-In of EEA Financial Institutions.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(1) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(2) the effects of any Bail-In Action on any such liability, including, if applicable:

(a) a reduction in full or in part or cancellation of any such liability;

(b) a conversion of all or a portion of such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(c) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the date first above written.

THE COMMITMENTS AND CREDIT EXTENSIONS

2.01 Revolving Loans. Subject to the terms and conditions set forth herein, each Lender severally agrees to make loans (each such loan, a "Revolving Loan") to the Borrowers from time to time, on any Business Day during the Availability Period, in an aggregate amount not to exceed at any time outstanding the lesser of (x) the amount of such Lender's Commitment, or (y) such Lender's Applicable Percentage of the Borrowing Base;

provided that:

(a) after giving effect to any Revolving Borrowing, (x) the Total Outstandings shall not exceed the Loan Cap, and (y) the aggregate Outstanding Amount of the Revolving Loans of any Lender, plus such Lender's Applicable Percentage of the Outstanding Amount of all L/C Obligations, plus such Lender's Applicable Percentage of the Outstanding Amount of all Swing Line Loans shall not exceed such Lender's Commitment; and

(b) the Outstanding Amount of all L/C Obligations shall not at any time exceed the Letter of Credit Sublimit.

Within the limits of each Lender's Commitments, and subject to the other terms and conditions hereof, the Borrowers may borrow under this Section 2.01, prepay under Section 2.05, and reborrow under this Section 2.01.

2.02 Borrowings, Conversions and Continuations of Revolving Loans.

(a) Revolving Loans (other than Swing Line Loans) shall be either Base Rate Loans or LIBOR Rate Loans as the Lead Borrower may request subject to and in accordance with this Section 2.02. All Swing Line Loans shall be only Base Rate Loans. Subject to the other provisions of this Section 2.02, Revolving Borrowings of more than one Type may be incurred at the same time.

(b) Each Revolving Borrowing, each Conversion of Revolving Loans from one Type to the other, and each continuation of LIBOR Rate Loans shall be made upon the Lead Borrower's irrevocable notice to the Agent, which may be given by telephone. Each such notice must be received by the Agent not later than 1:00 p.m. (i) three (3) Business Days prior to the requested date of any Borrowing of, Conversion to or continuation of LIBOR Rate Loans or of any Conversion of LIBOR Rate Loans to Base Rate Loans, and (ii) on the requested date of any Borrowing of Base Rate Loans. Each telephonic notice by the Lead Borrower pursuant to this Section 2.02(b) must be confirmed promptly by delivery to the Agent of a written Revolving Loan Notice, appropriately completed and signed by a Responsible Officer of the Lead Borrower. Each Borrowing of, Conversion to or continuation of LIBOR Rate Loans shall be in a principal amount of $1,000,000 or a whole multiple of $500,000 in excess thereof. Except as provided in Sections 2.03(c) and 2.04(c), each Borrowing of or Conversion to Base Rate Loans shall be in such minimum amounts as the Agent may require. Each Revolving Loan Notice (whether telephonic or written) shall specify (i) whether the Lead Borrower is requesting a Revolving Borrowing, a Conversion of Revolving Loans from one Type to the other, or a continuation of LIBOR Rate Loans, (ii) the requested date of the Borrowing, Conversion or continuation, as the case may be (which shall be a Business Day), (iii) the principal amount of Revolving Loans to be borrowed, Converted or continued, (iv) the Type of Revolving Loans to be borrowed or to which existing Revolving Loans are to be Converted, and (v) if applicable, the duration of the Interest Period with respect thereto. If the Lead Borrower fails to specify a Type of Revolving Loan in a Revolving Loan Notice or if the Lead Borrower fails to give a timely notice requesting a Conversion or continuation of a LIBOR Rate Loan, then the applicable Revolving Loans shall be made as, or Converted to, Base Rate Loans. Any such automatic Conversion to Base Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable LIBOR Rate Loans. If the Lead Borrower requests a Borrowing of, Conversion to, or continuation of LIBOR Rate Loans in any such Revolving Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month. Notwithstanding anything to the contrary herein, a Swing Line Loan may not be Converted to a LIBOR Rate Loan.

(c) Following receipt of a Revolving Loan Notice, the Agent shall promptly notify each Lender of the amount of its Applicable Percentage of the applicable Revolving Loans, and if no timely notice of a Conversion or continuation is provided by the Lead Borrower, the Agent shall notify each Lender of the details of any automatic Conversion of LIBOR Rate Loans to Base Rate Loans described in Section 2.02(b). In the case of a Revolving Borrowing, each Lender shall make the amount of its Revolving Loan available to the Agent in immediately available funds at the Agent's Office not later than 1:00 p.m. on the Business Day specified in the applicable Revolving Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.02 (and, if such Borrowing is the initial Credit Extension, Section 4.01), the Agent shall use reasonable efforts to make all funds so received available to the Borrowers in like funds by no later than 4:00 p.m. on the day of receipt by the Agent either by (i) crediting the account of the Lead Borrower on the books of Bank of America with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Agent by the Lead Borrower; provided, however, that if, on the date the Revolving Loan Notice with respect to such Borrowing is given by the Lead Borrower, there are L/C Borrowings outstanding, then the proceeds of such Borrowing, first, shall be applied to the payment in full of any such L/C Borrowings, and second, shall be made available to the Borrowers as provided above.

(d) The Agent, without the request of the Lead Borrower, may advance any interest, fee, service charge (including direct wire fees), expenses, or other payment to which any Credit Party is entitled from the Loan Parties pursuant hereto or any other Loan Document and may charge the same to the Loan Account notwithstanding that an Overadvance may result thereby. The Agent shall advise the Lead Borrower of any such advance or charge promptly after the making thereof. Such action on the part of the Agent shall not constitute a waiver of the Agent's rights and the Borrowers' obligations under Section 2.05(c). Any amount which is added to the principal balance of the Loan Account as provided in this Section 2.02(d) shall bear interest at the interest rate then and thereafter applicable to Revolving Loans which are Base Rate Loans.

(e) Except as otherwise provided herein, a LIBOR Rate Loan may be continued or Converted only on the last day of an Interest Period for such LIBOR Rate Loan. During the existence of a Default or an Event of Default, no Loans may be requested as, Converted to or continued as LIBOR Rate Loans without the Consent of the Required Lenders.

(f) The Agent shall promptly notify the Lead Borrower and the Lenders of the interest rate applicable to any Interest Period for LIBOR Rate Loans upon determination of such interest rate. At any time that Base Rate Loans are outstanding, the Agent shall notify the Lead Borrower and the Lenders of any change in Bank of America's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(g) After giving effect to all Revolving Borrowings, all Conversions of Revolving Loans from one Type to the other, and all continuations of Revolving Loans as the same Type, there shall not be more than five (5) Interest Periods in effect with respect to LIBOR Rate Loans.

(h) The Agent, the Lenders, the Swing Line Lender and the L/C Issuer shall have no obligation to make any Loan or to provide any Letter of Credit if an Overadvance would result. The Agent may, in its Permitted Discretion, make Permitted Overadvances without the consent of the Borrowers, the Lenders, the Swing Line Lender and the L/C Issuer and the Borrowers, the Swing Line Lender, and each Lender and L/C Issuer shall be bound thereby. Any Permitted Overadvance may constitute a Swing Line Loan. A Permitted Overadvance is for the account of the Borrowers and shall constitute a Revolving Loan bearing interest at the Base Rate and an Obligation and shall be repaid by the Borrowers in accordance with the provisions of Section 2.05(c). The making of any such Permitted Overadvance on any one occasion shall not obligate the Agent or any Lender to make or permit any Permitted Overadvance on any other occasion or to permit such Permitted Overadvances to remain outstanding. The making by the Agent of a Permitted Overadvance shall not modify or abrogate any of the provisions of Section 2.03 regarding the Lenders' obligations to purchase participations with respect to Letters of Credit or of Section 2.04 regarding the Lenders' obligations to purchase participations with respect to Swing Line Loans. The Agent shall have no liability for, and no Loan Party or Credit Party shall have the right to, or shall, bring any claim of any kind whatsoever against the Agent with respect to Unintentional Overadvances regardless of the amount of any such Overadvances.

(D) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the L/C Issuer from issuing such Letter of Credit, or any Law applicable to the L/C Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over the L/C Issuer shall prohibit, or request that the L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon the L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which the L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon the L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which the L/C Issuer in good faith deems material to it; or

(E) the issuance of such Letter of Credit would violate one or more policies of the L/C Issuer applicable to letters of credit generally; or

(F) except as otherwise agreed by the Agent, such Letter of Credit is to be denominated in a currency other than Dollars; provided that if the L/C Issuer, with the consent of the Agent, issues a Letter of Credit denominated in a currency other than Dollars, all reimbursements by the Borrowers of the honoring of any drawing under such Letter of Credit shall be paid in the currency in which such Letter of Credit was denominated; or

(G) such Letter of Credit contains any provisions for automatic reinstatement of the Stated Amount after any drawing thereunder; or

(H) any Lender is at that time a Defaulting Lender, unless the L/C Issuer has entered into arrangements, including the delivery of Cash Collateral, satisfactory to the L/C Issuer (in its sole discretion) with the Borrowers or such Lender to eliminate the L/C Issuer's actual or potential Fronting Exposure (after giving effect to Section 2.16(a)(iv)) with respect to the Defaulting Lender arising from either (i) the Letter of Credit then proposed to be issued, or (ii) such Letter of Credit and all other L/C Obligations as to which the L/C Issuer has actual or potential Fronting Exposure, as it may elect in its sole discretion.

(iii) The L/C Issuer shall not amend any Letter of Credit if the L/C Issuer would not be permitted at such time to issue such Letter of Credit in its amended form under the terms hereof or if the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(iv) The L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and the L/C Issuer shall have all of the benefits and immunities (A) provided to the Agent in Article IX with respect to any acts taken or omissions suffered by the L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Agent" as used in Article IX included the L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to the L/C Issuer.

In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the L/C Issuer (A) the Letter of Credit to be amended; (B) the proposed date of amendment thereof (which shall be a Business Day); (C) the nature of the proposed amendment; and (D) such other matters as the L/C Issuer may reasonably require. Additionally, the Lead Borrower shall furnish to the L/C Issuer and the Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as the L/C Issuer or the Agent may reasonably require.

(ii) Subject to the provisions of Section 2.02(b)(v) hereof, promptly after receipt of any Letter of Credit Application, the L/C Issuer will confirm with the Agent (by telephone or in writing) that the Agent has received a copy of such Letter of Credit Application from the Lead Borrower and, if not, the L/C Issuer will provide the Agent with a copy thereof. Unless the L/C Issuer has received written notice from any Lender, the Agent or any Loan Party, at least one Business Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Article IV shall not then be satisfied or unless the L/C Issuer would not be permitted, or would have no obligation, at such time to issue such Letter of Credit under the terms hereof (by reason of the provisions of Section 2.03(a)(ii) or otherwise), then, subject to the terms and conditions hereof, the L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the applicable Loan Party or enter

into the applicable amendment, as the case may be, in each case in accordance with the L/C Issuer's usual and customary business practices. Immediately upon the issuance or amendment of each Letter of Credit, each Lender shall be deemed to (without any further action), and hereby irrevocably and unconditionally severally agrees to, purchase from the L/C Issuer, without recourse or warranty, a risk participation in such Letter of Credit in an amount equal to the product of such Lender's Applicable Percentage times the Stated Amount of such Letter of Credit. Upon any change in the Commitments under this Agreement, it is hereby agreed that with respect to all L/C Obligations, there shall be an automatic adjustment to the participations hereby created to reflect the new Applicable Percentages of the assigning and assignee Lenders.

(iii) If the Lead Borrower so requests in any applicable Letter of Credit Application, the L/C Issuer may, in its sole and absolute discretion, agree to issue a Standby Letter of Credit that has automatic extension provisions (each, an "Auto-Extension Letter of Credit"); provided that any such Auto-Extension Letter of Credit must permit the L/C Issuer to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Standby Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "Non-Extension Notice Date") in each such twelve-month period to be agreed upon at the time such Standby Letter of Credit is issued. Unless otherwise directed by the L/C Issuer, the Lead Borrower shall not be required to make a specific request to the L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the L/C Issuer to permit the extension of such Standby Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; provided, however, that the L/C Issuer shall not permit any such extension if (A) the L/C Issuer has determined that it would not be permitted, or would have no obligation, at such time to issue such Standby Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of Section 2.03(a)(ii) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is five (5) Business Days before the Non-Extension Notice Date (1) from the Agent that the Required Lenders have elected not to permit such extension or (2) from the Agent, any Lender or the Lead Borrower that one or more of the applicable conditions specified in Section 4.02 is not then satisfied, and in each such case directing the L/C Issuer not to permit such extension.

(iv) Any L/C Issuer (other than Bank of America or any of its Affiliates) shall notify the Agent in writing on each Business Day of all Letters of Credit issued on the prior Business Day by such L/C Issuer, provided that (A) until the Agent advises any such Issuing Bank that the provisions of Section 4.02 are not satisfied, or (B) the aggregate amount of the Letters of Credit issued in any such week exceeds such amount as shall be agreed by the Agent and the L/C Issuer, such L/C Issuer shall be required to so notify the Agent in writing only once each week of the Letters of Credit issued by such L/C Issuer during the immediately preceding week as well as the daily amounts outstanding for the prior week, such notice to be furnished on such day of the week as the Agent and such L/C Issuer may agree. The L/C Issuer will also deliver (contemporaneously with the notification set forth in the first sentence hereof) to the Lead Borrower and the Agent a true and complete copy of each such Letter of Credit or amendment.

(v) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the L/C Issuer will also deliver to the Lead Borrower and the Agent a true and complete copy of such Letter of Credit or amendment.

(c) Drawings and Reimbursements; Funding of Participations.

(i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the L/C Issuer shall notify the Lead Borrower and the Agent thereof. Not later than 11:00 a.m. on the first Business Day immediately following the date that the Lead Borrower receives notice from the L/C Issuer of a drawing under a Letter of Credit (each such date, an "Honor Date"), the applicable Borrower shall be deemed to have requested a Borrowing of Revolving Loans that are Base Rate Loans to be disbursed on the such Business Day in an amount equal to the amount of such payment by the L/C Issuer under the Letter of Credit without regard to the minimum and multiples specified in Section 2.02(b) for the principal amount of Base Rate Loans, but subject to the amount of the unutilized portion of the Loan Cap and the conditions set forth in Section 4.02 (other than the delivery of a Revolving Loan Notice). In the event that such a Borrowing cannot be made pursuant to the terms hereof, then not later than 11:00 a.m. on the first Business Day after the Honor Date, the applicable Borrower shall reimburse the L/C Issuer through the Agent in an amount equal to the amount of such drawing. If the Borrowers fail to so reimburse the L/C Issuer by such time, the Agent shall promptly notify each Lender of the Honor Date, the amount of the unreimbursed drawing (the "Unreimbursed Amount"), and the amount of such Lender's Applicable Percentage thereof. Any notice given by the L/C Issuer or the Agent pursuant to this Section 2.03(c)(i) may be given by telephone if immediately confirmed in writing; provided that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Lender shall upon any notice from the Agent pursuant to Section 2.03(c)(i) make funds available to the Agent (and the Agent may apply Cash Collateral provided for this purpose) for the account of the L/C Issuer at the Agent's Office in an amount equal to its Applicable Percentage of the Unreimbursed Amount not later than 1:00 p.m. on the Business Day specified in such notice by the Agent, whereupon, subject to the provisions of Section 2.03(c)(iii), each Lender that so makes funds available shall be deemed to have made a Loan that is a Base Rate Loan to the Borrowers in such amount. The Agent shall remit the funds so received to the L/C Issuer.

(iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Revolving Borrowing of Base Rate Loans because the conditions set forth in Section 4.02 cannot be satisfied or for any other reason and the Borrowers have failed to reimburse the L/C Issuer pursuant to clause (c)(i) above, the Borrowers shall be deemed to have incurred from the L/C Issuer an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced or reimbursed, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate for Revolving Loans which are Base Rate Loans. In such event, each Lender's payment to the Agent for the account of the L/C Issuer pursuant to Section 2.03(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(iv) Until each Lender funds its Revolving Loan or L/C Advance pursuant to this Section 2.03(c) to reimburse the L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Applicable Percentage of such amount shall be solely for the account of the L/C Issuer.

(v) Each Lender's obligation to make Revolving Loans or L/C Advances to reimburse the L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the L/C Issuer, any Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default or Event of Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Lender's obligation to make Revolving Loans pursuant to this Section 2.03(c) is subject to the conditions set forth in Section 4.02 (other than delivery by the Lead Borrower of a Revolving Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrowers to reimburse the L/C Issuer for the amount of any payment made by the L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Lender fails to make available to the Agent for the account of the L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in Section 2.03(c)(ii), then, without limiting the other provisions of this Agreement, the L/C Issuer shall be entitled to recover from such Lender (acting through the Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the L/C Issuer at a rate per annum equal to the greater of the Federal Funds Rate and a rate determined by the L/C Issuer in accordance with banking industry rules on interbank compensation plus any administrative, processing or similar fees customarily charged by the L/C Issuer in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Revolving Loan included in the relevant Revolving Borrowing or L/C Advance in respect of the relevant L/C Borrowing, as the case may be. A certificate of the L/C Issuer submitted to any Lender (through the Agent) with respect to any amounts owing under this clause (vi) shall be conclusive absent manifest error.

(d) Repayment of Participations.

(i) At any time after the L/C Issuer has made a payment under any Letter of Credit and has received from any Lender its L/C Advance in respect of such payment in accordance with Section 2.03(c), if the L/C Issuer, or the Agent for the account of the L/C Issuer, receives any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrowers or otherwise, including proceeds of Cash Collateral applied thereto by the Agent pursuant to Section 2.03(g)), the L/C Issuer shall distribute any payment it receives to the Agent and the Agent will distribute to such Lender its Applicable Percentage thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the same funds as those received by the Agent.

(ii) If any payment received by the L/C Issuer or by Agent for the account of the L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 10.05 (including pursuant to any settlement entered into by the L/C Issuer in its discretion), each Lender shall pay to the Agent for the account of the L/C Issuer its Applicable Percentage thereof on demand of the Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the greater of the Federal Funds Rate and a rate determined by the L/C Issuer in accordance with banking industry rules on interbank compensation plus any administrative, processing, or similar fees customarily charged by the L/C Issuer in connection with the foregoing. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Obligations Absolute. The obligation of the Borrowers to reimburse the L/C Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other Loan Document;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that the Borrowers or any Restricted Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any waiver by the L/C Issuer of any requirement that exists for the L/C Issuer's protection and not the protection of the Borrowers or any waiver by the L/C Issuer which does not in fact materially prejudice the Borrowers;

(v) any honor of a demand for payment presented electronically even if such Letter of Credit requires that demand be in the form of a draft;

(vi) any payment made by the L/C Issuer in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under such Letter of Credit if presentation after such date is authorized by the UCC, the ISP or the UCP, as applicable;

(vii) any payment by the L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(viii) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrowers or any of their Restricted Subsidiaries; or

(ix) the fact that any Default or Event of Default shall have occurred and be continuing.

The Lead Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of non-compliance with the Lead Borrower's instructions or other irregularity, the Lead Borrower will immediately notify the L/C Issuer. The Borrowers shall be conclusively deemed to have waived any such claim against the L/C Issuer and its correspondents unless such notice is given as aforesaid. Notwithstanding the foregoing, the Borrowers shall not be precluded from asserting any claim for damages suffered by the Borrowers to the extent caused by the gross negligence, bad faith or willful misconduct of the L/C Issuer, as determined by a final and non-appealable judgment of a court of competent jurisdiction.

(f) Role of L/C Issuer. Each Lender and the Borrowers agree that, in paying any drawing under a Letter of Credit, the L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the L/C Issuer, the Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the L/C Issuer shall be liable to any Loan Party or to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Required Lenders; (ii) any action taken or omitted in the absence of gross negligence, bad faith, or willful misconduct; (iii) any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit or any error in interpretation of technical terms; (iv) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document; or (v) for any action, neglect or omission under or in connection with any Letter of Credit or Issuer Document, including, without limitation, the issuance or amendment of any Letter of Credit, the failure to issue or amend any Letter of Credit, or the honoring or dishonoring of any demand under any Letter of Credit, and such action or neglect or omission will be binding upon the Loan Parties and the Lenders; provided that the Borrowers may have a claim against the L/C Issuer, and the L/C Issuer may be liable to the Borrowers, to the extent, but only to the extent, of any direct, as opposed to punitive, consequential or exemplary, damages suffered by the Borrowers which the Borrowers prove were caused by the L/C Issuer's willful misconduct, bad faith, or gross negligence, as determined by a final and non-appealable judgment of a court of competent jurisdiction. The Borrowers hereby assume all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude the Borrowers' pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuer, the Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the L/C Issuer shall be

liable or responsible for any of the matters described in clauses (i) through (ix) of Section 2.03(e); provided, however, that anything in such clauses to the contrary notwithstanding, the Borrowers may have a claim against the L/C Issuer, and the L/C Issuer may be liable to the Borrowers, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrowers which the Borrowers prove were caused by the L/C Issuer's willful misconduct, bad faith, or gross negligence or the L/C Issuer's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit, in each case as determined by a final and non-appealable judgment of a court of competent jurisdiction. In furtherance and not in limitation of the foregoing, the L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary (or the L/C Issuer may refuse to accept and may refuse to make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit and may disregard any requirement in a Letter of Credit that notice of dishonor be given in a particular manner and any requirement that presentation be made at a particular place or by a particular time of day), and the L/C Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason. The L/C Issuer shall not be responsible for the wording of any Letter of Credit (including, without limitation, any drawing conditions or any terms or conditions that are ineffective, ambiguous, inconsistent, unduly complicated or reasonably impossible to satisfy), notwithstanding any assistance the L/C Issuer may provide to the Borrowers with drafting or recommending text for any Letter of Credit Application or with the structuring of any transaction related to any Letter of Credit, and each Borrower hereby acknowledges and agrees that any such assistance will not constitute legal or other advice by the L/C Issuer or any representation or warranty by the L/C Issuer that any such wording or such Letter of Credit will be effective. Without limiting the foregoing, the L/C Issuer may, as it deems reasonably appropriate, modify or alter and use in any Letter of Credit the terminology contained on the Letter of Credit Application for such Letter of Credit. The L/C Issuer may send a Letter of Credit or conduct any communication to or from the beneficiary via the Society for Worldwide Interbank Financial Telecommunication ("SWIFT") message or overnight courier, or any other commercially reasonable means of communicating with a beneficiary.

(g) Cash Collateral. Upon the request of the Agent, if, as of the Letter of Credit Expiration Date, any L/C Obligation for any reason remains outstanding, the Borrowers shall, in each case, promptly Cash Collateralize the then Outstanding Amount of all L/C Obligations in an amount equal to 103% of the Outstanding Amount of all L/C Obligations, pursuant to documentation in form and substance reasonably satisfactory to the Agent and the L/C Issuer (which documents are hereby Consented to by the Lenders). Sections 2.05, 2.06(b) and 8.02(c) set forth certain additional requirements to deliver Cash Collateral hereunder. The Borrowers hereby grant to the Agent a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing to secure all Obligations. Such cash collateral shall be maintained in blocked, non-interest bearing deposit accounts at Bank of America. If at any time the Agent determines that any funds held as cash collateral are subject to any right or claim of any Person other than the Agent or that the total amount of such funds is less than 103% of the aggregate Outstanding Amount of all L/C Obligations, the Borrowers will, forthwith upon demand by the Agent, pay to the Agent, as additional funds to be deposited as cash collateral, an amount equal to

the excess of (x) 103% of the aggregate Outstanding Amount of L/C Obligations over (y) the total amount of funds, if any, then held as cash collateral that the Agent determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as cash collateral, such funds shall be applied, to the extent permitted under applicable Laws, to reimburse the L/C Issuer and, to the extent not so applied, shall thereafter be applied to satisfy other Obligations in the manner specified in Section 8.03.

(h) Applicability of ISP and UCP; Limitation of Liability. Unless otherwise expressly agreed by the L/C Issuer and the Lead Borrower when a Letter of Credit is issued (including any such agreement applicable to an Existing Letter of Credit) (i) the rules of the ISP shall apply to each Standby Letter of Credit, and (ii) the rules of the UCP shall apply to each Commercial Letter of Credit. Notwithstanding the foregoing, the L/C Issuer shall not be responsible to the Borrowers for, and the L/C Issuer's rights and remedies against the Borrowers shall not be impaired by, any action or inaction of the L/C Issuer required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the Law or any order of a jurisdiction where the L/C Issuer or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade—International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

(i) Letter of Credit Fees. The Borrowers shall pay to the Agent for the account of each Lender in accordance with its Applicable Percentage a Letter of Credit fee (the "Letter of Credit Fee") for each Letter of Credit equal to the Applicable Rate multiplied by the daily Stated Amount under each such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit). For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of the Letter of Credit shall be determined in accordance with Section 1.06. Letter of Credit Fees shall be due and payable quarterly in arrears on the first Business Day of each January, April, July and October, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. Notwithstanding anything to the contrary contained herein, while any Event of Default exists, at the request of the Agent or the Required Lenders, all Letter of Credit Fees shall accrue at the Default Rate as provided in Section 2.08(b) hereof.

(j) Fronting Fee and Documentary and Processing Charges Payable to L/C Issuer. The Borrowers shall pay directly to the L/C Issuer for its own account a fronting fee with respect to each Letter of Credit, at a rate equal to 0.125% per annum, computed on the daily amount available to be drawn under such Letter of Credit and on a quarterly basis in arrears. Such fronting fees shall be due and payable on the first Business Day of each January, April, July and October, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of the Letter of Credit shall be determined in accordance with Section 1.06. In addition, the Borrowers shall pay directly to the L/C Issuer for its own account the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of the L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable on demand and are nonrefundable.

(k) Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

(l) Letters of Credit Issued for Restricted Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Loan Party (or on behalf of a Restricted Subsidiary), the Borrowers shall be obligated to reimburse the L/C Issuer hereunder for any and all drawings under such Letter of Credit. Each Borrower hereby acknowledges that the issuance of Letters of Credit for the account of the Loan Parties (or on behalf of Restricted Subsidiaries) inures to the benefit of such Borrower, and that such Borrower's business derives substantial benefits from the businesses of such Restricted Subsidiaries.

2.04 Swing Line Loans.

(a) The Swing Line. Subject to the terms and conditions set forth herein, the Swing Line Lender shall, in reliance upon the agreements of the other Lenders set forth in this Section 2.04, make loans (each such loan, a "Swing Line Loan") to the Borrowers from time to time on any Business Day during the Availability Period in an aggregate amount not to exceed at any time outstanding the amount of the Swing Line Sublimit, notwithstanding the fact that such Swing Line Loans, when aggregated with the Applicable Percentage of the Outstanding Amount of Revolving Loans and L/C Obligations of the Lender acting as Swing Line Lender, may exceed the amount of such Lender's Commitment; provided, however, that after giving effect to any Swing Line Loan, (i) the Total Outstandings shall not exceed the Loan Cap, and (ii) the aggregate Outstanding Amount of the Revolving Loans of any Lender at such time, plus such Lender's Applicable Percentage of the Outstanding Amount of all L/C Obligations at such time, plus such Lender's Applicable Percentage of the Outstanding Amount of all Swing Line Loans at such time shall not exceed such Lender's Commitment and provided, further, that the Borrowers shall not use the proceeds of any Swing Line Loan to refinance any outstanding Swing Line Loan, and provided further that the Swing Line Lender shall not be obligated to make any Swing Line Loan if it shall determine (which determination shall be conclusive and binding absent manifest error) that it has, or by such Credit Extension may have, Fronting Exposure. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrowers may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Swing Line Loan shall bear interest only at the Base Rate plus the Applicable Margin for Base Rate Loans. Immediately upon the making of a Swing Line Loan, each Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swing Line Lender a risk participation in such Swing Line Loan in an amount equal to the product of such Lender's Applicable Percentage *multiplied by* the amount of such Swing Line Loan. The Swing Line Lender shall have all of the benefits and immunities (A) provided to the Agent in Article IX with respect to any acts taken or omissions suffered by the Swing Line Lender in connection with Swing Line Loans made by it or proposed to be made by it as if the term "Agent" as used in Article IX included the Swing Line Lender with respect to such acts or omissions, and (B) as additionally provided herein with respect to the Swing Line Lender.

(b) Borrowing Procedures. Each Swing Line Borrowing shall be made upon the Lead Borrower's irrevocable notice to the Swing Line Lender and the Agent, which may be given by telephone. Each such notice must be received by the Swing Line Lender and the Agent not later than 1:00 p.m. on the requested borrowing date, and shall specify (i) the amount to be borrowed, which shall be a minimum of $100,000, and (ii) the requested borrowing date, which shall be a Business Day. Each such telephonic notice must be confirmed promptly by delivery to the Swing Line Lender and the Agent of a written Swing Line Loan Notice, appropriately completed and signed by a Responsible Officer of the Lead Borrower. Promptly after receipt by the Swing Line Lender of any telephonic Swing Line Loan Notice, the Swing Line Lender will confirm with the Agent (by telephone or in writing) that the Agent has also received such Swing Line Loan Notice and, if not, the Swing Line Lender will notify the Agent (by telephone or in writing) of the contents thereof. Unless the Swing Line Lender has received notice (by telephone or in writing) from the Agent at the request of the Required Lenders prior to 2:00 p.m. on the date of the proposed Swing Line Borrowing (A) directing the Swing Line Lender not to make such Swing Line Loan as a result of the limitations set forth in the provisos to the first sentence of Section 2.04(a), or (B) that one or more of the applicable conditions specified in Article IV is not then satisfied, then, subject to the terms and conditions hereof, the Swing Line Lender will use its commercially reasonable efforts to make the amount of its Swing Line Loan available to the Borrowers by not later than 4:00 p.m. on the borrowing date specified in such Swing Line Loan Notice either by (i) crediting the account of the Lead Borrower on the books of Bank of America with the amount of such funds or (ii) wire transferring such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Swing Line Lender by the Lead Borrower; provided, however, that if, on the date of the proposed Swing Line Loan, there are L/C Borrowings outstanding, then the proceeds of such Borrowing, first, shall be applied to the payment in full of any such L/C Borrowings, and second, shall be made available to the Borrowers as provided above.

(c) Refinancing of Swing Line Loans.

(i) In addition to settlements required under Section 2.14 hereof, the Swing Line Lender at any time in its sole and absolute discretion may request, on behalf of the Borrowers (which hereby irrevocably authorize the Swing Line Lender to so request on their behalf), that each Lender make a Revolving Loan which is a Base Rate Loan in an amount equal to such Lender's Applicable Percentage of the amount of Swing Line Loans then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Revolving Loan Notice for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but subject to the unutilized portion of the Loan Cap and the conditions set forth in Section 4.02. The Swing Line Lender shall furnish the Lead Borrower with a copy of the applicable Revolving Loan Notice promptly after delivering such notice to the Agent. Each Lender shall make an amount equal to its Applicable Percentage of the amount specified in such Revolving Loan Notice available to the Agent in immediately available funds for the account of the Swing Line Lender at the Agent's Office not later than 1:00 p.m. on the day specified in such Revolving Loan Notice, whereupon, subject to Section 2.04(c)(ii), each Lender that so makes funds available shall be deemed to have made a Revolving Loan which is a Base Rate Loan to the Borrowers in such amount. The Agent shall remit the funds so received to the Swing Line Lender.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Revolving Borrowing in accordance with Section 2.04(c)(i), the request for Revolving Loans which are Base Rate Loans submitted by the Swing Line Lender as set forth herein shall be deemed to be a request by the Swing Line Lender that each of the Lenders fund its risk participation in the relevant Swing Line Loan and each Lender's payment to the Agent for the account of the Swing Line Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Lender fails to make available to the Agent for the account of the Swing Line Lender any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), the Swing Line Lender shall be entitled to recover from such Lender (acting through the Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the greater of the Federal Funds Rate and a rate determined by the Swing Line Lender in accordance with banking industry rules on interbank compensation plus any administrative, processing or similar fees customarily charged by the Swing Line Lender in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Revolving Loan included in the relevant Revolving Borrowing or funded participation in the relevant Swing Line Loan, as the case may be. A certificate of the Swing Line Lender submitted to any Lender (through the Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Lender's obligation to make Revolving Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Swing Line Lender, the Borrowers or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or an Event of Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Lender's obligation to make Revolving Loans pursuant to this Section 2.04(c) is subject to the conditions set forth in Section 4.02. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrowers to repay Swing Line Loans, together with interest as provided herein.

(d) Repayment of Participations.

(i) At any time after any Lender has purchased and funded a risk participation in a Swing Line Loan, if the Swing Line Lender, or the Agent on behalf of the Swing Line Lender, receives any payment on account of such Swing Line Loan, the Swing Line Lender will distribute such payment to the Agent and the Agent shall distribute to each such Lender its Applicable Percentage of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's risk participation was funded) in the same funds as those received by the Swing Line Lender.

(ii) If any payment received by the Swing Line Lender, or the Agent on behalf of the Swing Line Lender, in respect of principal or interest on any Swing Line Loan is required to be returned by the Swing Line Lender under any of the circumstances described in Section 10.05 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Lender shall pay to the Swing Line Lender its Applicable Percentage thereof on demand of the Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the greater of the Federal Funds Rate and a rate determined by the Swing Line Lender in accordance with banking industry rules on interbank compensation plus any administrative, processing, or similar fees customarily charged by the Swing Line Lender in connection with the foregoing. The Agent will make such demand upon the request of the Swing Line Lender. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Interest for Account of Swing Line Lender. The Swing Line Lender shall be responsible for invoicing the Borrowers for interest on the Swing Line Loans. Until a Lender funds its Revolving Loan or risk participation pursuant to this Section 2.04 to refinance such Lender's Applicable Percentage of any Swing Line Loan, interest in respect of such Applicable Percentage shall be solely for the account of the Swing Line Lender.

(f) Payments Directly to Swing Line Lender. The Borrowers shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lender.

2.05 Prepayments.

(a) The Borrowers may, upon irrevocable notice from the Lead Borrower to the Agent, at any time or from time to time voluntarily prepay Revolving Loans, in whole or in part without premium or penalty; provided that (i) such notice must be received by the Agent not later than 1:00 p.m. (A) three Business Days prior to any date of prepayment of LIBOR Rate Loans and (B) on the date of prepayment of Base Rate Loans; (ii) any prepayment of LIBOR Rate Loans shall be in a principal amount of $1,000,000 or a whole multiple of $500,000 in excess thereof; and (iii) any prepayment of Base Rate Loans shall be in a principal amount of $500,000 or a whole multiple of $100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Type(s) of Loans to be prepaid and, if LIBOR Rate Loans, the Interest Period(s) of such Loans. The Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender's Applicable Percentage of such prepayment. If such notice is given by the Lead Borrower, the Borrowers shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a LIBOR Rate Loan shall be accompanied by all accrued interest on the amount prepaid, together with any additional amounts required pursuant to Section 3.05. Subject to Section 2.16, each such prepayment shall be applied to the Loans of the Lenders in accordance with their respective Applicable Percentages.

(b) The Borrowers may, upon irrevocable notice from the Lead Borrower to the Swing Line Lender (with a copy to the Agent), at any time or from time to time, voluntarily prepay Swing Line Loans in whole or in part without premium or penalty; provided that (i) such notice must be received by the Swing Line Lender and the Agent not later than 1:00 p.m. on the date of the prepayment, and (ii) any such prepayment shall be in a minimum principal amount of $100,000. Each such notice shall specify the date and amount of such prepayment. If such notice is given by the Lead Borrower, the Borrowers shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(c) If for any reason the Total Outstandings at any time exceed the Loan Cap, as then in effect, the Borrowers shall immediately prepay the Loans and L/C Borrowings and Cash Collateralize the L/C Obligations (other than L/C Borrowings) in an aggregate amount equal to such excess; provided, however, that the Borrowers shall not be required to Cash Collateralize the L/C Obligations (other than L/C Borrowings) pursuant to this Section 2.05(c) unless after the prepayment in full of the Loans the Total Outstandings exceed the Loan Cap, as then in effect.

(d) (i) Upon the occurrence of a Cash Dominion Event, the Borrowers shall prepay the Loans as and to the extent required by the provisions of Section 6.12 hereof, and (ii) after the occurrence and during the continuance of an Event of Default or as and to the extent required by the provisions of Section 2.06(b), the Borrowers shall Cash Collateralize the L/C Obligations.

(e) [Reserved].

(f) Prepayments made pursuant to Section 2.05(c), (d), and (e) above and funds on deposit in the Collection Account required to be applied to the Obligations pursuant to Section 6.12(d)(iii), first, shall be applied ratably to the L/C Borrowings and the Swing Line Loans, second, shall be applied ratably to the outstanding Revolving Loans, third, after the occurrence and during the continuance of an Event of Default, shall be used to Cash Collateralize the remaining L/C Obligations; fourth, shall be applied ratably to Other Liabilities then due and payable; and fifth, the amount remaining, if any, after the prepayment in full of all L/C Borrowings and Loans outstanding at such time and the Cash Collateralization of the remaining L/C Obligations (to the extent required hereunder) in full shall be deposited by the Agent in a deposit account of the Lead Borrower and may be utilized by the Borrowers in the ordinary course of its business to the extent otherwise permitted hereunder. Upon the drawing of any Letter of Credit that has been Cash Collateralized, the funds held as Cash Collateral shall be applied (without any further action by or notice to or from the Borrowers or any other Loan Party) to reimburse the L/C Issuer or the Lenders, as applicable, and, to the extent not so applied, shall thereafter be applied to satisfy other Obligations.

(g) Each prepayment of the Revolving Loans shall not reduce or terminate the Aggregate Commitments.

2.06 Termination or Reduction of Commitments.

(a) The Borrowers may, upon irrevocable notice from the Lead Borrower to the Agent, terminate the Aggregate Commitments, the Letter of Credit Sublimit or the Swing Line Sublimit or from time to time permanently reduce the Aggregate Commitments, the Letter of Credit Sublimit or the Swing Line Sublimit; provided that (i) any such notice shall be received by the Agent not later than 11:00 a.m. five Business Days prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of $5,000,000 or any whole multiple of $1,000,000 in excess thereof, (iii) the Borrowers shall not terminate or reduce the Aggregate Commitments if, after giving effect thereto and to any concurrent prepayments hereunder, the

Total Outstandings would exceed the Aggregate Commitments. If, after giving effect to any reduction of the Commitments, the Letter of Credit Sublimit or the Swing Line Sublimit exceeds the amount of the Aggregate Commitments, such Letter of Credit Sublimit or Swing Line Sublimit shall be automatically reduced by the amount of such excess. To the extent there are any FILO Tranches outstanding at the time of any such reduction or termination of the Aggregate Commitments under this Section 2.06, such reduction or termination shall be applied first to the non-FILO Tranche of Revolving Loans on a pro-rata basis unless the Borrowers shall be in pro forma compliance with the Payment Conditions, in which case such reduction or termination may be applied to such FILO Tranche(s).

(b) The Agent will promptly notify the Lenders of any termination or reduction of the Letter of Credit Sublimit, Swing Line Sublimit, or the Aggregate Commitments under this Section 2.06. Upon any reduction of the Aggregate Commitments, the Commitment of each Lender shall be reduced by such Lender's Applicable Percentage of such reduction amount. If, as a result of such termination or reduction, (i) the Outstanding Amount of L/C Obligations not fully Cash Collateralized hereunder would exceed the Letter of Credit Sublimit, the Borrowers shall contemporaneously with such reduction or termination, Cash Collateralize such excess amount, (ii) the Swing Line Loans hereunder would exceed the Swing Line Sublimit, the Borrowers shall contemporaneously with such reduction or termination, pay the Agent an amount equal to such excess, and (iii) the Revolving Loans or the Swing Line Loans hereunder would exceed the Aggregate Commitments or the Swing Line Sublimit, as applicable, the Borrowers shall contemporaneously with such reduction or termination, pay the Agent an amount equal to such excess. Such reductions shall be applied pro rata to the Aggregate Commitments; provided that, if a FILO Tranche is outstanding, such reductions may be applied first to such FILO Tranche so long as the Borrowers shall be in pro forma compliance with the Payment Conditions.

2.07 Repayment of Obligations.

Except as provided in Section 10.11 with respect to the collateralization of the Other Liabilities, the Borrowers shall repay to the Lenders on the Termination Date all Obligations outstanding on such date (other than contingent indemnification claims for which a claim has not been asserted) and shall cause each Letter of Credit to be returned to the L/C Issuer undrawn or shall Cash Collateralize all L/C Obligations (to the extent not previously Cash Collateralized as required herein).

2.08 Interest.

(a) Subject to the provisions of Section 2.08(b) below, (i) each LIBOR Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Adjusted LIBOR Rate for such Interest Period plus the Applicable Margin for LIBOR Rate Loans; (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Margin for Base Rate Loans; and (iii) each Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Margin for Base Rate Loans.

(b) (i) If any amount payable under any Loan Document is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by Law.

(ii) If any other Event of Default has occurred and is continuing, then the Agent, (i) at any time that there are only two (2) Lenders and a Specified Event of Default exists, at the request of any Lender (so long as such Lender is a Lender as of the Effective Date and maintains a Commitment not less than the Commitment of such Lender as of the Effective Date), or (ii) in all other circumstances, at the request of the Required Lenders, shall notify the Lead Borrower that all outstanding Obligations (excluding Other Liabilities) shall bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by Law.

(iii) Accrued and unpaid interest on past due amounts (including interest on past due interest to the fullest extent permitted by Law) shall be due and payable upon demand.

(c) Except as provided in Section 2.08(b)(iii), interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

2.09 Fees. In addition to certain fees described in subsections (i) and (j) of Section 2.03:

(i) Commitment Fee. The Borrowers shall pay to the Agent for the account of each Lender in accordance with its Applicable Percentage, a commitment fee equal to the Commitment Fee Percentage *multiplied by* the actual daily amount by which the Commitments exceed the sum of the Outstanding Amount of Revolving Loans and L/C Obligations (subject to adjustment as provided in Section 2.16) during the immediately preceding quarter. The commitment fee described in the immediately preceding sentence (the "Commitment Fee") shall accrue at all times during the Availability Period, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the first Business Day of each January, April, July and October, commencing with the first such date to occur after the Closing Date, and on the last day of the Availability Period. It is hereby understood and agreed that Swing Line Loans shall not be considered utilization of the Commitment for purposes of the calculation of the commitment fees payable hereunder.

(ii) Other Fees. The Borrowers shall pay the fees specified in the Fee Letter to the Persons, in the amounts, and at the times specified in the Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

2.10 Computation of Interest and Fees.

All computations of interest for Base Rate Loans when the Base Rate is determined by Bank of America's "prime rate" shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed. Interest shall accrue on each Loan for the day

on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one day. Each determination by the Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

2.11 Evidence of Debt.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by the Agent (the "Loan Account") in the ordinary course of business. In addition, each Lender may record in such Lender's internal records, an appropriate notation evidencing the date and amount of each Loan from such Lender, each payment and prepayment of principal of any such Loan, and each payment of interest, fees and other amounts due in connection with the Obligations due to such Lender. The accounts or records maintained by the Agent and each Lender shall be conclusive absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrowers hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Agent in respect of such matters, the accounts and records of the Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Agent, the Borrowers shall execute and deliver to such Lender (through the Agent) a Note, which shall evidence such Lender's Revolving Loans or Swing Line Loans (in the case of the Swing Line Lender), as applicable, in addition to such accounts or records. Each Lender may, but shall not be obligated to, attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto. Upon receipt of an affidavit and indemnity of a Lender as to the loss, theft, destruction or mutilation of such Lender's Note and upon cancellation of such Note, the Borrowers will issue, in lieu thereof, a replacement Note in favor of such Lender, in the same principal amount thereof and otherwise of like tenor.

(b) In addition to the accounts and records referred to in Section 2.11(a), each Lender and the Agent shall maintain in accordance with its usual practice accounts or records evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Agent shall control in the absence of manifest error.

2.12 Payments Generally; Agent's Clawback.

(a) General. All payments to be made by the Borrowers shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrowers hereunder shall be made to the Agent, for the account of the respective Lenders to which such payment is owed, at the Agent's Office in Dollars and in immediately available funds not later than 2:00 p.m. on the date specified herein. Except for principal payments to be made on the Settlement Date (as provided in Section 2.14), the Agent will promptly distribute to each Lender its Applicable Percentage (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such

Lender's Lending Office. All payments received by the Agent after 2:00 p.m. shall, at the option of the Agent, be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrowers shall come due on a day other than a Business Day, payment shall be made on the next following Business Day (other than with respect to payment of a LIBOR Loan), and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b) (i) Funding by Lenders; Presumption by Agent. Unless the Agent shall have received notice from a Lender prior to (A) the proposed date of any Borrowing of LIBOR Rate Loans (or in the case of any Borrowing of Base Rate Loans, prior to 12:00 noon on the date of such Borrowing), or (B) the date that such Lender's participation in a Letter of Credit or Swing Line Loan is required to be funded, that such Lender will not make available to the Agent such Lender's share of such Borrowing or participation, the Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 (or in the case of a Borrowing of Base Rate Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.02), Section 2.03 or Section 2.04, as applicable, and may, in reliance upon such assumption, make available to the Borrowers, the L/C Issuer or the Swing Line Lender, as applicable, a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Revolving Borrowing or participation available to the Agent, then the applicable Lender and the Borrowers severally agree to pay to the Agent forthwith on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrowers to but excluding the date of payment to the Agent, at (A) in the case of a payment to be made by such Lender, the greater of the Federal Funds Rate and a rate determined by the Agent in accordance with banking industry rules on interbank compensation plus any administrative processing or similar fees customarily charged by the Agent in connection with the foregoing, and (B) in the case of a payment to be made by the Borrowers, the interest rate applicable to Base Rate Loans. If the Borrowers and such Lender shall pay such interest to the Agent for the same or an overlapping period, the Agent shall promptly remit to the Borrowers the amount of such interest paid by the Borrowers for such period. If such Lender pays its share of the applicable Revolving Borrowing or participation to the Agent, then the amount so paid shall constitute such Lender's Revolving Loan included in such Revolving Borrowing or participation in such Letter of Credit or Swing Line Loan. Any payment by the Borrowers shall be without prejudice to any claim the Borrowers may have against a Lender that shall have failed to make such payment to the Agent.

(ii) Payments by Borrowers; Presumptions by Agent. Unless the Agent shall have received notice from the Lead Borrower prior to the time at which any payment is due to the Agent for the account of any of the Lenders or the L/C Issuer hereunder that the Borrowers will not make such payment, the Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the L/C Issuer, as the case may be, the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders or the L/C Issuer, as the case may be, severally agrees to repay to the Agent forthwith on demand the amount so distributed to such Lender or the L/C Issuer, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Agent, at the greater of the Federal Funds Rate and a rate determined by the Agent in accordance with banking industry rules on interbank compensation plus any administrative, processing, or similar fees customarily charged by the Agent in connection with the foregoing.

A notice of the Agent to any Lender or the Lead Borrower with respect to any amount owing under this subsection (b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrowers by the Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof (subject to the provisions of the last paragraph of Section 4.02 hereof), the Agent shall promptly return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Revolving Loans, to fund participations in Letters of Credit and Swing Line Loans and to make payments hereunder are several and not joint. The failure of any Lender to make any Revolving Loan, to fund any such participation or to make any payment hereunder on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Revolving Loan, to purchase its participation or to make its payment hereunder.

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

2.13 Sharing of Payments by Credit Parties. If any Credit Party shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of, interest on, or other amounts with respect to, any of the Obligations resulting in such Credit Party's receiving payment of a proportion of the aggregate amount of such Obligations greater than its pro rata share thereof as provided herein (including as in contravention of the priorities of payment set forth in Section 8.03), then the Credit Party receiving such greater proportion shall (a) notify the Agent of such fact, and (b) purchase (for cash at face value) participations in the Obligations of the other Credit Parties, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Credit Parties ratably and in the priorities set forth in Section 8.03, provided that:

(i) if any such participations or sub-participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations or sub-participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this Section shall not be construed to apply to (x) any payment made by the Loan Parties pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender) or any payment on account of the Other Liabilities prior to the occurrence of an Event of

Default, or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Revolving Loans or sub-participations in L/C Obligations or Swing Line Loans to any Eligible Assignee or Participant, other than to the Loan Parties or any Subsidiary thereof (as to which the provisions of this Section shall apply).

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation.

2.14 Settlement Amongst Lenders.

(a) The amount of each Lender's Applicable Percentage of outstanding Loans (including, for clarity, outstanding Swing Line Loans), shall be computed weekly (or more frequently in the Agent's discretion) and shall be adjusted upward or downward based on all Loans and repayments of Loans received by the Agent as of 3:00 p.m. on the first Business Day (such date, the "Settlement Date") following the end of the period specified by the Agent.

(b) The Agent shall deliver to each of the Lenders promptly after a Settlement Date a summary statement of the amount of outstanding Loans (including, for clarity, outstanding Swing Line Loans) for the period and the amount of repayments received for the period. As reflected on the summary statement, each Lender (other than the Swing Line Lender) shall transfer to the Agent (as provided below) or the Agent shall transfer to each Lender (including, for clarity, the Swing Line Lender), such amounts as are necessary to insure that, after giving effect to all such transfers, the Outstanding Amount of Swing Line Loans is zero and the amount of Revolving Loans made by each Lender shall be equal to such Lender's Applicable Percentage of all Revolving Loans outstanding as of such Settlement Date. If the summary statement requires transfers to be made to the Agent by the Lenders and is received prior to 1:00 p.m. on a Business Day, such transfers shall be made in immediately available funds no later than 3:00 p.m. that day; and, if received after 1:00 p.m., then no later than 3:00 p.m. on the next Business Day. The obligation of each Lender to transfer such funds is irrevocable, unconditional and without recourse to or warranty by the Agent. If and to the extent any Lender shall not have so made its transfer to the Agent, such Lender agrees to pay to the Agent, forthwith on demand such amount, together with interest thereon, for each day from such date until the date such amount is paid to the Agent, equal to the greater of the Federal Funds Rate and a rate determined by the Agent in accordance with banking industry rules on interbank compensation plus any administrative, processing, or similar fees customarily charged by the Agent in connection with the foregoing.

2.15 Increase in Commitments.

(a) Request for Increase. Provided no Default or Event of Default then exists or would arise therefrom, upon notice to the Agent (which shall promptly notify the Lenders), the Lead Borrower may from time to time, request an increase in the Aggregate Commitments (or, solely to the extent set forth in Section 2.15(f) below, provide commitments under a new facility constituting a FILO Tranche) by an amount (for all such requests) not exceeding (x) $30,000,000 plus (y) an amount equal to the aggregate principal amount of all permanent commitment

reductions of the Aggregate Commitments; provided that (i) any such request for an increase shall be in a minimum amount of $10,000,000 (or such lesser amount as to which the Agent may agree in writing), and (ii) the Lead Borrower may make a maximum of three (3) such requests. At the time of sending such notice, the Lead Borrower (in consultation with the Agent) shall specify the Persons to whom such requested increase is to be made (and if to any then existing Lender, such request shall be made pro rata to all existing Lenders) and the time period within which each such Person is requested to respond (which shall in no event be less than ten Business Days from the date of delivery of such notice to such Persons). Any Person so designated by the Lead Borrower which is not then a Lender shall be subject to the approval of the Agent, the L/C Issuer and the Swing Line Lender (which approvals shall not be unreasonably withheld, delayed or conditioned).

(b) Elections to Increase. Each Person to whom a request for an increase is made pursuant to clause (a), above, shall notify the Agent within such time period whether or not it agrees to furnish, or as to then existing Lenders increase, its Commitment and, if so, the amount of its Commitment it is willing to furnish or increase. Any Person not responding within such time period shall be deemed to have declined to furnish, or as to then existing Lenders, increase, its Commitment.

(c) Notification by Agent; Additional Commitment Lenders. The Agent shall notify the Lead Borrower of each Person's responses to each request made hereunder. To achieve the full amount of a requested increase and subject to the approval of the Agent, the L/C Issuer and the Swing Line Lender (which approvals shall not be unreasonably withheld, delayed or conditioned), to the extent that the Persons so designated by the Lead Borrower pursuant to clause (a) hereof decline to establish, or with respect to then existing Lenders to increase their Commitments, or decline to increase their Commitments to the amount requested by the Lead Borrower, Bank of America will use its reasonable efforts to arrange for other Eligible Assignees to become a Lender hereunder and to issue commitments in an amount equal to the amount of the increase in the Aggregate Commitments requested by the Lead Borrower and not accepted by the Persons so designated (and the Lead Borrower may also invite additional Eligible Assignees to become Lenders), *provided, however,* that without the consent of the Agent, at no time shall the Commitment of any Additional Commitment Lender be less than $5,000,000.

(d) Effective Date and Allocations. If the Aggregate Commitments are increased in accordance with this Section, the Agent, in consultation with the Lead Borrower, shall determine the effective date (the "Increase Effective Date") and the final allocation of such increase. The Agent shall promptly notify the Lead Borrower and the new (if any) and existing Lenders of the final allocation of such increase and the Increase Effective Date and on the Increase Effective Date (i) the Aggregate Commitments under, and for all purposes of, this Agreement shall be increased by the aggregate amount of such Commitment increases, and (ii) Schedule 2.01 shall be deemed modified, without further action, to reflect the revised Commitments and Applicable Percentages of the new and existing Lenders.

(e) Conditions to Effectiveness of Increase. As a condition precedent to such increase, (i) the Lead Borrower shall deliver to the Agent a certificate of each Loan Party dated as of the Increase Effective Date signed by a Responsible Officer of such Loan Party (A) certifying and attaching the resolutions adopted by such Loan Party approving or consenting to such increase, and (B) in the case of the Borrowers, certifying that, before and after giving effect to such increase,

(1) the representations and warranties contained in Article V and the other Loan Documents are true and correct in all material respects on and as of the Increase Effective Date, except to the extent that such representations and warranties (x) specifically refer to an earlier date, in which case they are true and correct in all material respects as of such earlier date or (y) are qualified by materiality in the text thereof, in which case they are true and correct in all respects, and except that for purposes of this Section 2.15, the representations and warranties contained in subsections (a) and (b) of Section 5.05 shall be deemed to refer to the most recent statements furnished pursuant to clauses (a) and (b), respectively, of Section 6.01, and (2) no Default or Event of Default exists or would arise therefrom, (ii) the Borrowers, the Agent, and any Additional Commitment Lender shall have executed and delivered a joinder to the Loan Documents in such form as the Agent shall reasonably require; (iii) the Borrowers shall have paid such fees and other compensation to the Additional Commitment Lenders as the Lead Borrower and such Additional Commitment Lenders shall reasonably agree; (iv) the Borrowers shall have paid such arrangement fees to Bank of America as the Lead Borrower and the Agent may reasonably agree; (v) if reasonably requested by the Agent, the Borrowers shall deliver an opinion or opinions, in form and substance reasonably satisfactory to the Agent, from counsel to the Borrowers reasonably satisfactory to the Agent and dated such date; (vi) the Borrowers and the Additional Commitment Lender shall have delivered such other instruments, documents and agreements as the Agent may reasonably have requested; and (vii) no Default or Event of Default exists. The Borrowers shall prepay any Revolving Loans outstanding on the Increase Effective Date (and pay any additional amounts required pursuant to Section 3.05) to the extent necessary to keep the outstanding Revolving Loans ratable with any revised Applicable Percentages arising from any non-ratable increase in the Commitments under this Section.

(f) FILO Tranche. An increase under this Section 2.15 may be in the form of a separate "first-in, last-out" or "last-out" tranche (the "FILO Tranche") with interest rate margins, rate floors, upfront fees, funding discounts and original issue discounts, in each case to be agreed upon (which, for the avoidance of doubt, shall not require any adjustment to the Applicable Rate of other Revolving Loans) among the applicable Borrower and the Lenders providing the FILO Tranche so long as (a) any Loans and related Obligations in respect of the FILO Tranche are not to be guaranteed by any Person other than the Guarantors and are not secured by any assets other than Collateral, (b) as between (x) the Revolving Loans (other than the FILO Tranche) and (y) the FILO Tranche, all proceeds from the liquidation or other realization of the Collateral or application of funds in accordance with Section 8.03 shall be applied, first to obligations owing under, or with respect to, the Revolving Loans (other than the FILO Tranche) and second to the FILO Tranche; (c) the Borrowers may not prepay Loans under the FILO Tranche or terminate or reduce the commitments in respect thereof at any time that other Loans (including Swing Line Loans) and/or Unreimbursed Amounts (unless cash collateralized or otherwise provided for in a manner reasonably satisfactory to the Agent) are outstanding; (d) any prepayment of the FILO Tranche pursuant to Section 2.05 shall be subject to satisfaction of the Payment Conditions on a *pro forma basis;* (e) the Required Lenders (calculated as including the FILO Tranche) shall, control exercise of remedies in respect of the Collateral; (f) no changes affecting the priority status of this facility (other than the FILO Tranche) vis-à-vis the FILO Tranche may be made without the consent of the Required Lenders under this facility, other than such changes which affect only the FILO Tranche; (g) the final maturity of any FILO Tranche shall not occur, and no FILO Tranche shall require mandatory commitment reductions prior to, the Latest Maturity Date at such time; and (h) except as otherwise set forth in this Section 2.15(f), the terms of any FILO Tranche are not

materially less favorable to the Borrowers than those hereunder (including, without limitation, the inclusion of any additional financial or other material covenant without the consent of the Agent); *provided however*, that advance rates with respect to the items included in the borrowing base for such FILO Tranche shall not exceed 100% of the Appraised Value of Eligible Inventory and 100% of the Appraised Value of Eligible In-Transit Inventory and 100% of Eligible Credit Card Receivables.

(g) Conflicting Provisions. This Section shall supersede any provisions in Sections 2.13 or 10.01 to the contrary.

2.16 Defaulting Lenders.

(a) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definitions of "Required Lenders" and Section 10.01.

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise) or received by the Agent from a Defaulting Lender pursuant to Section 10.08 shall be applied at such time or times as may be determined by the Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to the L/C Issuer or Swing Line Lender hereunder; third, to Cash Collateralize the L/C Issuer's Fronting Exposure with respect to such Defaulting Lender; fourth, as the Lead Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Agent; fifth, if so determined by the Agent and the Lead Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement (including, without limitation, future Fronting Exposure with respect to such Defaulting Lender with respect to Swing Line Loans) and (y) Cash Collateralize the L/C Issuer's future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement; sixth, to the payment of any amounts owing to the Lenders, the L/C Issuer or Swing Line Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the L/C Issuer or the Swing Line Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which such Defaulting Lender has not fully funded its appropriate share, and such Loans were

made or the related Letters of Credit were issued at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Obligations owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Obligations owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in L/C Obligations and Swing Line Loans are held by the Lenders pro rata in accordance with the Commitments hereunder without giving effect to Section 2.16(a)(iv). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.16(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any fee payable under Section 2.09(i) for any period during which that Lender is a Defaulting Lender (and the Borrowers shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(B) Each Defaulting Lender shall be entitled to receive Letter of Credit Fees owing to such Defaulting Lender for any period during which that Lender is a Defaulting Lender only to the extent allocable to its Applicable Percentage of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 2.03(g).

(C) With respect to any fee payable under Section 2.09(i) or any Letter of Credit Fee not required to be paid to any Defaulting Lender pursuant to clause (A) or (B) above, the Borrowers shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in L/C Obligations or Swing Line Loans that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to the L/C Issuer and Swing Line Lender, as applicable, the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such L/C Issuer's or Swing Line Lender's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(iv) Reallocation of Applicable Percentages to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in L/C Obligations and Swing Line Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Applicable Percentages (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that (x) the conditions set forth in Section 4.02 are satisfied at the time of such reallocation (and, unless the Borrowers shall have otherwise notified the Agent at such time, the Borrowers shall be deemed to have represented and warranted that such conditions are satisfied at such time), and (y) such reallocation does not cause the aggregate Outstanding Amount of Obligations (excluding Other Liabilities) of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Commitment. No reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) Cash Collateral, Repayment of Swing Line Loans. If the reallocation described in clause (a)(iv) above cannot, or can only partially, be effected, the Borrowers shall, without prejudice to any right or remedy available to them hereunder or under applicable Law, (x) first, prepay Swing Line Loans in an amount equal to the Swing Line Lenders' Fronting Exposure and (y) second, Cash Collateralize the L/C Issuer's Fronting Exposure in accordance with the procedures set forth in Section 2.03(g).

(b) Defaulting Lender Cure. If the Lead Borrower and the Agent (and, if the applicable Lender is a Lender, the Swing Line Lender and the L/C Issuer) agree in writing that a Lender is no longer a Defaulting Lender, the Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Agent may determine to be necessary to cause the Revolving Loans and funded and unfunded participations in Letters of Credit and Swing Line Loans to be held on a pro rata basis by the Lenders in accordance with their Applicable Percentages (without giving effect to Section 2.16(a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

2.17 Extension of Maturity Date.

(a) Extension of Commitments. The Borrowers may at any time and from time to time request that all or a portion of the Commitments (each, an "Existing Revolver Tranche") be amended to extend the Maturity Date with respect to all or a portion of any principal amount of such Commitments (any such Commitments which have been so amended, "Extended Commitments") and to provide for other terms consistent with this Section 2.17; provided that there shall be no more than three (3) tranches of Loans and Commitments outstanding at any time. In order to establish any Extended Commitments, the Lead Borrower shall provide a notice to the Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Revolver Tranche) (each, an "Extension Request") setting forth the proposed terms (which shall be determined in consultation with the Agent) of the Extended Commitments to be established, which shall (x) be identical as offered to each Lender under such Existing Revolver Tranche (including as to the proposed interest rates and fees payable) and offered pro rata to each Lender under such Existing Revolver Tranche and (y) be identical to the Commitments under the Existing Revolver Tranche from which such Extended Commitments are to be amended, except that: (i) the Maturity Date of the Extended Commitments shall be later than the Maturity Date of the Commitments of such Existing Revolver Tranche, (ii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the Extension Amendment (immediately prior to the establishment of such Extended Commitments); and (iii) all borrowings under the Commitments and repayments thereunder shall be made on a pro rata basis (except for (I) payments of interest and fees at different rates on Extended Commitments (and related outstandings) and (II) repayments required upon the termination date of the non-extending Commitments); provided further, that (A) the conditions

precedent to a Borrowing set forth in Section 4.02 shall be satisfied as of the date of such Extension Amendment and at the time when any Loans are made in respect of any Extended Commitment, (B) in no event shall the final maturity date of any Extended Commitments of a given Extension Series at the time of establishment thereof be earlier than the then Latest Maturity Date of any other Commitments hereunder, and (C) all documentation in respect of the such Extension Amendment shall be consistent with the foregoing. Any Extended Commitments amended pursuant to any Extension Request shall be designated a series (each, an "Extension Series") of Extended Commitments for all purposes of this Agreement; provided that any Extended Commitments amended from an Existing Revolver Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Extension Series with respect to such Existing Revolver Tranche. Each Extension Series of Extended Commitments incurred under this Section 2.17 shall be in an aggregate principal amount reasonably acceptable to the Agent.

(b) Extension Request. The Lead Borrower shall provide the applicable Extension Request at least sixty (60) Business Days (or such shorter period as may be agreed by the Agent) prior to the date on which Lenders under the Existing Revolver Tranche are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Agent, in each case acting reasonably, to accomplish the purposes of this Section 2.17. No Lender shall have any obligation to agree to provide any Extended Commitment pursuant to any Extension Request. Any Lender (each, an "Extending Lender") wishing to have all or a portion of its Commitments under the Existing Revolver Tranche subject to such Extension Request amended into Extended Commitments shall notify the Agent (each, an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Commitments under the Existing Revolver Tranche which it has elected to request be amended into Extended Commitments (subject to any minimum denomination requirements imposed by the Agent). In the event that the aggregate principal amount of Commitments under the Existing Revolver Tranche in respect of which applicable Lenders shall have accepted the relevant Extension Request exceeds the amount of Extended Commitments requested to be extended pursuant to the Extension Request, Commitments subject to Extension Elections shall be amended to reflect allocations of the Extended Commitments, which Extended Commitments shall be allocated as agreed by the Agent and the Lead Borrower.

(c) New Revolving Commitment Lenders. Following any Extension Request made by the Borrowers in accordance with Sections 2.17(a) and 2.17(b), if the Lenders shall have declined to agree during the period specified in Section 2.17(b) above to provide Extended Commitments in an aggregate principal amount equal to the amount requested by the Borrowers in such Extension Request, the Borrowers may request that Additional Commitment Lenders provide an Extended Commitment hereunder (an "Additional Commitment"); provided that such Extended Commitments of such Additional Commitment Lenders (i) shall be in an aggregate principal amount for all such Additional Commitment Lenders not to exceed the aggregate principal amount of Extended Commitments so declined to be provided by the existing Lenders and (ii) shall be on identical terms to the terms applicable to the terms specified in the applicable Extension Request (and any Extended Commitments provided by existing Lenders in respect thereof); provided further that, as a condition to the effectiveness of any Extended Commitment of any Additional Commitment Lender, the Agent, the L/C Issuer and the Swing Line Lender shall have consented (such consent not to be unreasonably withheld) to each Additional Commitment

Lender if such consent would be required under Section 10.06(b) for an assignment of Commitments to such Person. Notwithstanding anything herein to the contrary, any Extended Commitment provided by Additional Commitment Lenders shall be pro rata to each Additional Commitment Lender. Upon effectiveness of the Extension Amendment to which each such Additional Commitment Lender is a party, (a) the Commitments of all existing Lenders of each Type specified in the Extension Amendment in accordance with this Section 2.17 will be permanently reduced pro rata by an aggregate amount equal to the aggregate principal amount of the Extended Commitments of such Additional Commitment Lenders and (b) the Commitment of each such Additional Commitment Lender will become effective. The Extended Commitments of Additional Commitment Lenders will be incorporated as Commitments hereunder in the same manner in which Extended Commitments of existing Lenders are incorporated hereunder pursuant to this Section 2.17, and for the avoidance of doubt, all Borrowings and repayments of Loans from and after the effectiveness of such Extension Amendment shall be made pro rata across all Types of Commitments including such Additional Commitment Lenders (based on the outstanding principal amounts of the respective Types of Commitments) except for (x) payments of interest and fees at different rates for each Type of Commitments and (y) repayments required on the Maturity Date for any particular Type of Commitments. Upon the effectiveness of each Additional Commitment pursuant to this Section 2.17(c), (a) each Lender of all applicable existing Types of Commitments immediately prior to such effectiveness will automatically and without further act be deemed to have assigned to each Additional Commitment Lender, and each such Additional Commitment Lender will automatically and without further act be deemed to have assumed, a portion of such Lender's participations hereunder in outstanding Letters of Credit and Swing Line Loans such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the outstanding (i) participations hereunder in Letters of Credit and (ii) participations hereunder in Swing Line Loans held by each Lender of each Type of Commitments (including each such Additional Commitment Lender) will equal the percentage of the aggregate Commitments of all Types of Lenders represented by such Lender's Commitment and (b) if, on the date of such effectiveness, there are any Loans outstanding, such Loans shall on or prior to the effectiveness of such Additional Commitment be prepaid from the proceeds of Loans outstanding after giving effect to such Additional Commitments, which prepayment shall be accompanied by accrued interest on the Loans being prepaid and any costs incurred by any Lender in accordance with Section 3.04. The Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

(d) Extension Amendment. Extended Commitments and Additional Commitments shall be established pursuant to an amendment (each, an "Extension Amendment") to this Agreement among the Borrowers, the Agent and each Extending Lender and each Additional Commitment Lender, if any, providing an Extended Commitment or an Additional Commitment, as applicable, thereunder, which shall be consistent with the provisions set forth in Sections 2.17(a), (b) and (c) above (but which shall not require the consent of any other Lender). The effectiveness of any Extension Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.02 and, to the extent reasonably requested by the Agent, receipt by the Agent of (i) legal opinions, board resolutions and officers' certificates consistent with those delivered on the Closing Date other than changes to such legal opinion resulting from a Change in Law, change in fact or change to counsel's form of opinion reasonably

satisfactory to the Agent and (ii) reaffirmation agreements and/or such amendments to the Security Documents as may be reasonably requested by the Agent in order to ensure that the Extended Commitments or the Additional Commitments, as the case may be, are provided with the benefit of the applicable Loan Documents. The Agent shall promptly notify each Lender as to the effectiveness of each Extension Amendment. Each of the parties hereto hereby agrees that this Agreement and the other Loan Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of the Extended Commitments or the Additional Commitments, as the case may be, incurred pursuant thereto, (ii) make such other changes to this Agreement and the other Loan Documents (without the consent of the Required Lenders) and (iii) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Agent and the applicable Borrower, to effect the provisions of this Section, and the Required Lenders hereby expressly authorize the Agent to enter into any such Extension Amendment.

(e) Treatment as Payment of Loans. No conversion of Loans pursuant to any Extension in accordance with this Section 2.17 shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

(f) Conflicting Provisions. This Section shall supersede any provisions in Sections 2.13 or 10.01 to the contrary.

ARTICLE III
TAXES, YIELD PROTECTION AND ILLEGALITY; APPOINTMENT OF LEAD BORROWER

3.01 Taxes.

(a) Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes.

(i) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable Laws. If any applicable Laws (as determined in the good faith discretion of the Agent) require the deduction or withholding of any Tax from any such payment by the Agent or a Loan Party, then the Agent or such Loan Party shall be entitled to make such deduction or withholding, upon the basis of the information and documentation to be delivered pursuant to subsection (e) below.

(ii) If any Loan Party or the Agent shall be required by any applicable Laws other than the Code to withhold or deduct any Taxes from any payment, then (A) such Loan Party or the Agent, as required by such Laws, shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) such Loan Party or the Agent, to the extent required by such Laws, shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with such Laws, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the applicable Loan Party shall be

increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 3.01) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction on account of Indemnified Taxes been made.

(b) Payment of Other Taxes by the Borrowers. Without limiting the provisions of subsection (a) above, the Borrowers shall timely pay to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Agent timely reimburse it for the payment of, any Other Taxes.

(c) Tax Indemnifications.

(i) The Loan Parties shall, and each Loan Party does hereby, jointly and severally indemnify each Recipient, and shall make payment in respect thereof within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Lead Borrower by a Lender or the L/C Issuer (with a copy to the Agent), or by the Agent on its own behalf or on behalf of a Lender or the L/C Issuer, shall be conclusive absent manifest error.

(ii) Each Lender and the L/C Issuer shall, and does hereby, severally indemnify, and shall make payment in respect thereof within 10 days after demand therefor, (x) the Agent against any Indemnified Taxes attributable to such Lender or the L/C Issuer (but only to the extent that any Loan Party has not already indemnified the Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (y) the Agent and the Loan Parties, as applicable, against any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.06(d) relating to the maintenance of a Participant Register and (z) the Agent and the Loan Parties, as applicable, against any Excluded Taxes attributable to such Lender or the L/C Issuer, in each case, that are payable or paid by the Agent or a Loan Party in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Agent shall be conclusive absent manifest error. Each Lender and the L/C Issuer hereby authorizes the Agent to set off and apply any and all amounts at any time owing to such Lender or the L/C Issuer, as the case may be, under this Agreement or any other Loan Document against any amount due to the Agent under this clause (ii).

(d) Evidence of Payments. Upon request by the Lead Borrower or the Agent, as the case may be, after any payment of Taxes by the Lead Borrower or by the Agent to a Governmental Authority as provided in this Section 3.01, the Lead Borrower shall deliver to the Agent or the Agent shall deliver to the Lead Borrower, as the case may be, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by Laws to report such payment or other evidence of such payment reasonably satisfactory to the Lead Borrower or the Agent, as the case may be.

(e) Status of Lenders; Tax Documentation.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Lead Borrower and the Agent, at the time or times reasonably requested by the Lead Borrower or the Agent, such properly completed and executed documentation reasonably requested by the Lead Borrower or the Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Lead Borrower or the Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Lead Borrower or the Agent as will enable the Lead Borrower or the Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.01(e)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Lead Borrower is a U.S. Person,

(A) any Lender that is a U.S. Person shall deliver to the Lead Borrower and the Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Lead Borrower or the Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Lead Borrower and the Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Lead Borrower or the Agent), whichever of the following is applicable:

(I) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN or W-8BEN-E, as applicable (or any successor forms), establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(II) executed originals of IRS Form W-8ECI (or any successor forms);

(III) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit G-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of any Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN or W-8BEN-E, as applicable (or any successor forms); or

(IV) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY (or any successor forms), accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-2 or Exhibit G-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Lead Borrower and the Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Lead Borrower or the Agent), executed originals of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Lead Borrower or the Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Lead Borrower and the Agent at the time or times prescribed by law and at such time or times reasonably requested by the Lead Borrower or the Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Lead Borrower or the Agent as may be necessary for the Lead Borrower and the Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iii) Each Lender agrees that if any form or certification it previously delivered pursuant to this Section 3.01 expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Lead Borrower and the Agent in writing of its legal inability to do so.

(f) Mitigation. If any Recipient claims any additional amounts payable pursuant to this Section 3.01, then such Recipient shall use its reasonable efforts to mitigate or reduce the additional amounts payable, which reasonable efforts may include a change in the jurisdiction of its Lending Office (or any other measures reasonably requested by the Borrowers) if, in the judgment of such Recipient, such a change or other measures would reduce any such additional amounts (or any similar amount that may thereafter accrue) and would not, in the sole determination of such Recipient, result in any unreimbursed cost or expense or be otherwise disadvantageous to such Recipient. The Borrowers agree to pay all reasonable costs and expenses incurred by any Recipient in connection with any such efforts or measures.

(g) Treatment of Certain Refunds. Unless required by applicable Laws, at no time shall the Agent have any obligation to file for or otherwise pursue on behalf of a Lender or the L/C Issuer, or have any obligation to pay to any Lender or the L/C Issuer, any refund of Taxes withheld or deducted from funds paid for the account of such Lender or the L/C Issuer, as the case may be. If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by any Loan Party or with respect to which any Loan Party has paid additional amounts pursuant to this Section 3.01, it shall pay to the Loan Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by a Loan Party under this Section 3.01 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) incurred by such Recipient, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the Loan Party, upon the request of the Recipient, agrees to repay the amount paid over to the Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Recipient in the event the Recipient is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this subsection, in no event will the applicable Recipient be required to pay any amount to the Loan Party pursuant to this subsection the payment of which would place the Recipient in a less favorable net after-Tax position than such Recipient would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require any Recipient to make available its tax returns (or any other information relating to its taxes that it deems confidential) to any Loan Party or any other Person.

(h) FATCA. For purposes of determining withholding Taxes imposed under FATCA, from and after the effective date of this Agreement, the Borrowers and the Agent shall treat (and the Lenders hereby authorize the Agent to treat) this Agreement as not qualifying as a "grandfathered obligation" within the meaning of Treasury Regulation Section 1.1471-2(b)(2)(i).

(i) Survival. Each party's obligations under this Section 3.01 shall survive the resignation or replacement of the Agent or any assignment of rights by, or the replacement of, a Lender or the L/C Issuer, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

3.02 Illegality. If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund LIBOR Rate Loans, or to determine or charge interest rates based upon the LIBOR Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Lead Borrower through the Agent, (i) any

obligation of such Lender to make or continue LIBOR Rate Loans or to Convert Base Rate Loans to LIBOR Rate Loans shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the LIBOR Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Agent without reference to the LIBOR Rate component of the Base Rate, in each case, until such Lender notifies the Agent and the Lead Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrowers shall, upon demand from such Lender (with a copy to the Agent), prepay or, if applicable, Convert all LIBOR Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Agent without reference to the LIBOR Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such LIBOR Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such LIBOR Rate Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the LIBOR Rate, the Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the LIBOR Rate component thereof until the Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the LIBOR Rate. Upon any such prepayment or Conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or Converted.

3.03 Inability to Determine Rates. If the Required Lenders determine that for any reason in connection with any request for a LIBOR Rate Loan or a Conversion to or continuation thereof that (a) Dollar deposits are not being offered to banks in the London interbank market for the applicable amount and Interest Period of such LIBOR Rate Loan, (b) adequate and reasonable means do not exist for determining the LIBOR Rate for any requested Interest Period with respect to a proposed LIBOR Rate Loan, or (c) the LIBOR Rate for any requested Interest Period with respect to a proposed LIBOR Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Agent will promptly so notify the Lead Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain LIBOR Rate Loans shall be suspended, and (y) in the event of a determination described in the preceding sentence with respect to the LIBOR Rate component of the Base Rate, the utilization of the LIBOR Rate component in determining the Base Rate shall be suspended, in each case until the until the Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Lead Borrower may revoke any pending request for a Borrowing of, Conversion to or continuation of LIBOR Rate Loans or, failing that, will be deemed to have Converted such request into a request for a Revolving Borrowing of Base Rate Loans in the amount specified therein.

3.04 Increased Costs; Reserves on LIBOR Rate Loans.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the LIBOR Rate) or the L/C Issuer;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the L/C Issuer or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or LIBOR Rate Loans made by such Lender or any Letter of Credit or participation therein; and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any LIBOR Rate Loan (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender or the L/C Issuer of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or the L/C Issuer hereunder , other than an increase related to Taxes, which are governed exclusively by Section 3.01 hereof (whether of principal, interest or any other amount) then, upon request of such Lender or the L/C Issuer and delivery of the certificate contemplated by Section 3.04(c), the Loan Parties will pay to such Lender or the L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or the L/C Issuer, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender or the L/C Issuer determines that any Change in Law affecting such Lender or the L/C Issuer or any Lending Office of such Lender or such Lender's or the L/C Issuer's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's or the L/C Issuer's capital or on the capital or liquidity of such Lender's or the L/C Issuer's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit or Swing Line Loans held by, such Lender, or the Letters of Credit issued by the L/C Issuer, to a level below that which such Lender or the L/C Issuer or such Lender's or the L/C Issuer's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or the L/C Issuer's policies and the policies of such Lender's or the L/C Issuer's holding company with respect to capital adequacy), then upon delivery of the certificate contemplated by Section 3.04(c), from time to time the Loan Parties will pay to such Lender or the L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or the L/C Issuer or such Lender's or the L/C Issuer's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or the L/C Issuer setting forth the amount or amounts necessary to compensate such Lender or the L/C Issuer or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section certifying that such Lender is seeking corresponding compensation from other similarly situated borrowers and delivered to the Lead Borrower shall be conclusive absent manifest error. The Loan Parties shall pay such Lender or the L/C Issuer, as the case may be, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or the L/C Issuer to demand compensation pursuant to the foregoing provisions of this Section shall not constitute a waiver of such Lender's or the L/C Issuer's right to demand such compensation, provided that the Loan Parties shall not be required to compensate a Lender or the L/C Issuer pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than six months prior to the date that such Lender or the L/C Issuer, as the case may be, notifies the Lead Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or the L/C Issuer's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six-month period referred to above shall be extended to include the period of retroactive effect thereof).

3.05 Compensation for Losses. Upon demand of any Lender (with a copy to the Agent) from time to time, the Borrowers shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, Conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by the Borrowers (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or Convert any Loan other than a Base Rate Loan on the date or in the amount notified by the Lead Borrower; or

(c) any assignment of a LIBOR Rate Loan on a day other than the last day of the Interest Period therefor as a result of a request by the Lead Borrower pursuant to Section 10.13; including any actual loss (as opposed to incidental, consequential, indirect or similar losses) of anticipated profits and any loss or reasonable expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained. The Borrowers shall also pay any customary and reasonable administrative fees charged by such Lender in connection with the foregoing.

For purposes of calculating amounts payable by the Borrowers to the Lenders under this Section 3.05, each Lender shall be deemed to have funded each LIBOR Rate Loan made by it at the LIBOR Rate for such Loan by a matching deposit or other borrowing in the London interbank market for a comparable amount and for a comparable period, whether or not such LIBOR Rate Loan was in fact so funded. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section and setting forth in reasonable detail the manner in which such amount or amounts was determined shall be delivered to the Lead Borrower.

3.06 Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender or the L/C Issuer requests compensation under Section 3.04, or the Borrowers are required to pay any Indemnified Taxes or any additional amount to any Lender, the L/C Issuer, any Participant or any Governmental Authority for the account of any Lender the L/C Issuer or any such Participant pursuant to Section 3.01, or if any Lender, the L/C Issuer or any such Participant gives a notice pursuant to Section 3.02, then such Lender, the L/C Issuer or any such Participant shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the good faith

judgment of such Lender, the L/C Issuer or Participant such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender, L/C Issuer or Participant to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender, L/C Issuer or Participant. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender, L/C Issuer or Participant in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if the Borrowers are required to pay any Indemnified Taxes or any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 and, in each case, such Lender has declined or is unable to designate a different Lending Office in accordance with Section 3.06(a), the Borrowers may replace such Lender in accordance with Section 10.13.

3.07 Survival. All of the Borrowers' obligations under this Article III shall survive termination of the Aggregate Commitments, repayment of all other Obligations hereunder, and resignation of the Agent.

3.08 Designation of Lead Borrower as Borrowers' Agent.

(a) Each Borrower hereby irrevocably designates and appoints the Lead Borrower as such Borrower's agent to obtain Credit Extensions, the proceeds of which shall be available to each Borrower for such uses as are permitted under this Agreement. As the disclosed principal for its agent, each Borrower shall be obligated to each Credit Party on account of Credit Extensions so made as if made directly by the applicable Credit Party to such Borrower, notwithstanding the manner by which such Credit Extensions are recorded on the books and records of the Lead Borrower and of any other Borrower. In addition, each Loan Party other than the Borrowers hereby irrevocably designates and appoints the Lead Borrower as such Loan Party's agent to represent such Loan Party in all respects under this Agreement and the other Loan Documents.

(b) Each Borrower recognizes that credit available to it hereunder is in excess of and on better terms than it otherwise could obtain on and for its own account and that one of the reasons therefor is its joining in the credit facility contemplated herein with all other Borrowers. Consequently, each Borrower hereby assumes, guarantees and agrees to discharge all Obligations of each of the other Borrowers.

(c) The Lead Borrower shall act as a conduit for each Borrower (including itself, as a "Borrower") on whose behalf the Lead Borrower has requested a Credit Extension. Neither the Agent nor any other Credit Party shall have any obligation to see to the application of such proceeds therefrom.

ARTICLE IV

(x) to the extent not previously filed, registered or recorded in connection with the Existing Credit Agreement, all Uniform Commercial Code financing statements and short-form grants of security interest in Intellectual Property, required by Law or reasonably requested by the Agent to be filed, registered or recorded to create or perfect the Liens intended to be created under the Loan Documents having the priority intended thereby and all such documents and instruments shall have been so filed, registered or recorded (or arrangements for the same made) to the reasonable satisfaction of the Agent.

(b) On the Effective Date, Availability shall be not less than $40,000,000

(c) The Agent shall have received a Borrowing Base Certificate dated the Effective Date, relating to the month ended on September 30, 2017, and executed by a Responsible Officer of the Lead Borrower.

Without limiting the generality of the provisions of Section 9.04, for purposes of determining compliance with the conditions specified in this Section 4.01, each Lender that has signed this Agreement shall be deemed to have Consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be Consented to or approved by or acceptable or satisfactory to a Lender unless the Agent shall have received notice from such Lender prior to the proposed Effective Date specifying its objection thereto.

4.02 Conditions to all Credit Extensions. The obligation of each Lender to honor any Request for Credit Extension (other than a Revolving Loan Notice requesting only a Conversion of Revolving Loans to the other Type, or a continuation of LIBOR Rate Loans) and of each L/C Issuer to issue each Letter of Credit is subject to the following conditions precedent:

(a) The representations and warranties of each Loan Party contained in Article V or in any other Loan Document, or which are contained in any document furnished at any time under or in connection herewith or therewith, shall be true and correct in all material respects on and as of the date of such Credit Extension, except (i) to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct as of such earlier date, (ii) in the case of any representation and warranty qualified by materiality, in which case they shall be true and correct in all respects, and (iii) for purposes of this Section 4.02, the representations and warranties contained in subsections (a) and (b) of Section 5.05 shall be deemed to refer to the most recent statements furnished pursuant to clauses (a) and (b), respectively, of Section 6.01.

(b) No Default or Event of Default shall exist, or would result from such proposed Credit Extension or from the application of the proceeds thereof.

(c) The Agent and, if applicable, the L/C Issuer or the Swing Line Lender shall have received a Request for Credit Extension in accordance with the requirements hereof.

(d) After giving effect to the Credit Extension requested to be made on any such date and the use of proceeds thereof, Availability shall be greater than zero.

Each Request for Credit Extension (other than a Revolving Loan Notice requesting only a Conversion of Revolving Loans to the other Type or a continuation of LIBOR Rate Loans) submitted by the Lead Borrower shall be deemed to be a representation and warranty by the Borrowers that the conditions specified in this Section 4.02 have been satisfied on and as of the date of the applicable Credit Extension. The conditions set forth in this Section 4.02 are for the sole benefit of the Credit Parties but until (i) at any time that there are only two (2) Lenders and a Specified Event of Default exists, any Lender (so long as such Lender is a Lender as of the Effective Date and maintains a Commitment not less than the Commitment of such Lender as of the Effective Date), or (ii) in all other circumstances, the Required Lenders, otherwise direct the Agent to cease making Loans and issuing Letters of Credit, the Lenders will fund their Applicable Percentage of all Loans and L/C Advances and participate in all Swing Line Loans and Letters of Credit whenever made or issued, which are requested by the Lead Borrower and which are agreed to by the Agent, notwithstanding the failure of the Loan Parties to comply with the provisions of this Article IV, provided, however, the making of any such Loans or the issuance of any Letters of Credit shall not be deemed a modification or waiver by any Credit Party of the provisions of this Article IV on any future occasion or a waiver of any rights or the Credit Parties as a result of any such failure to comply.

ARTICLE V
REPRESENTATIONS AND WARRANTIES

To induce the Credit Parties to enter into this Agreement and to make Loans and to issue Letters of Credit hereunder, each Loan Party represents and warrants to the Agent and the other Credit Parties that:

Schedule 5.01 annexed hereto sets forth, as of the Effective Date, each Loan Party's name as it appears in official filings in its state of incorporation or organization, its state of incorporation or organization, organization type, organization number, if any, issued by its state of incorporation or organization, and its federal employer identification number, if any.

5.03 Governmental Authorization; Other Consents. No approval, consent, exemption, authorization, or other action by, or notice to, or filing with, any Governmental Authority or any other Person is necessary or required in connection with the execution, delivery or performance by, or enforcement against, any Loan Party of this Agreement or any other Loan Document to which such Loan Party is a party, except for (a) the perfection or maintenance of the Liens created under the Security Documents (including the priority of such Liens contemplated thereby), (b) such as have been obtained or made and are in full force and effect or (c) those the failure of which to obtain or make could not reasonably be expected to have a Material Adverse Effect.

5.04 Binding Effect. This Agreement has been, and each other Loan Document, when delivered, will have been, duly executed and delivered by each Loan Party that is party thereto. This Agreement constitutes, and each other Loan Document when so delivered will constitute, a legal, valid and binding obligation of such Loan Party, enforceable against each Loan Party that is party thereto in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

5.05 Financial Statements; No Material Adverse Effect.

(c) Since January 28, 2017, there has been no event or circumstance, either individually or in the aggregate, that has had or could reasonably be expected to have a Material Adverse Effect.

(d) The Consolidated forecasted balance sheet and statements of income and cash flows of the Lead Borrower and its Subsidiaries heretofore or hereafter delivered pursuant to Section 6.01(d) were prepared in good faith on the basis of assumptions believed to be reasonable at the time of preparation, provided, that such statements would be subject to normal quarterly and year-end adjustments and the absence of footnotes (it being understood that such forecasted financial information are not to be viewed as facts, is subject to significant uncertainties and contingencies, many of which are beyond the control of the Loan Parties, that no assurance is given that any particular forecasts will be realized, that actual results may differ and that such differences may be material).

5.06 Litigation. Except as specifically disclosed in Schedule 5.06, there are no actions, suits, proceedings, claims or disputes pending or, to the knowledge of the Loan Parties, overtly threatened, at law, in equity, in arbitration or before any Governmental Authority, by or against any Loan Party or any of its Restricted Subsidiaries or against any of its properties or revenues that either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

5.07 Ownership of Property; Liens; Licensed Departments.

(a) Each of the Loan Parties and each Restricted Subsidiary thereof has good record and marketable title in fee simple to or valid leasehold interests in, all Real Estate necessary or used in the ordinary conduct of its business except for (i) such defects in title or failure to have such title or other interest as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect or (ii) as permitted by Section 7.01.

(b) Schedule 5.07(b)(1) sets forth the address (including street address, county and state) of all Real Estate (excluding Leases) that is owned by the Loan Parties and each of their Restricted Subsidiaries as of the Effective Date, together with a list of the holders of any mortgage or other Lien thereon as of the Effective Date. Schedule 5.07(b)(2) sets forth the address (including street address and state) of all Leases of the Loan Parties, together with the name and address of each lessor with respect to each such Lease as of the Effective Date. Each of such Leases is in full force and effect and the Loan Parties are not in default in any material respect of the terms thereof.

(c) As of the Effective Date, no Loan Party or any of its Restricted Subsidiaries is party to any license for the conduct of licensed departments within the Loan Parties' Stores.

5.08 Environmental Compliance.

(a) No Loan Party or any Restricted Subsidiary thereof (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) has become subject to any Environmental Liability, (iii) has received written notice of any claim with respect to any Environmental Liability or (iv) knows of any reasonable basis for any Environmental Liability, except, in each case, as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(b) Except as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, to the knowledge of the Loan Parties: (i) none of the properties currently or formerly owned or operated by any Loan Party or any Restricted Subsidiary thereof is listed or proposed for listing on the NPL or on the CERCLIS or any analogous foreign, state or local list or is adjacent to any such property; (ii) there are no and never have been any underground or above-ground storage tanks or any surface impoundments, septic tanks, pits, sumps or lagoons in which Hazardous Materials are being or have been treated, stored or disposed by any Loan Party or any Restricted Subsidiary thereof on any property currently owned or operated by any Loan Party or any Restricted Subsidiary thereof or, to the best of the knowledge of the Loan Parties, on any property formerly owned or operated by any Loan Party or Restricted Subsidiary thereof; (iii) there is no asbestos or asbestos-containing material on any property currently owned or operated by any Loan Party or Restricted Subsidiary thereof; and (iv) Hazardous Materials have not been released, discharged or disposed of by any Loan Party or any Restricted Subsidiary thereof on any property currently or formerly owned or operated by any Loan Party or any Restricted Subsidiary thereof.

(c) Except as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, no Loan Party or any Restricted Subsidiary thereof is undertaking, and no Loan Party or any Restricted Subsidiary thereof has completed, either individually or together with other potentially responsible parties, any investigation or assessment

or remedial or response action relating to any actual or threatened release, discharge or disposal of Hazardous Materials at any site, location or operation, either voluntarily or pursuant to the order of any Governmental Authority or the requirements of any Environmental Law; and all Hazardous Materials generated, used, treated, handled or stored at, or transported by any Loan Party or any of its Restricted Subsidiaries to or from, any property currently or formerly owned or operated by any Loan Party or any Restricted Subsidiary thereof have been disposed of in a manner not reasonably expected to result in a Material Adverse Effect.

(a) (i) Notify the Agent at the time that any Person becomes a Wholly-Owned Subsidiary of any Loan Party, and promptly thereafter (and in any event within sixty (60) days or such longer period as the Agent may agree), cause any such Person which is a Domestic Subsidiary (other than any Excluded Subsidiary) to (x) become a Loan Party by executing and delivering to

the Agent a Joinder to this Agreement or a Joinder to the Facility Guaranty or such other documents as the Agent shall deem reasonably appropriate for such purpose, (y) grant a Lien to the Agent on such Person's assets of the same type that constitute Collateral to secure the Obligations to the extent required by the Security Documents, and (z) deliver to the Agent documents of the types referred to in clauses (iii) and (iv) of Section 4.01(a) and, if reasonably requested by the Agent, customary opinions of counsel to such Person, and (ii) if any Equity Interests or Indebtedness of such Person are owned by or on behalf of any Loan Party, to pledge such Equity Interests and promissory notes evidencing such Indebtedness (except that, notwithstanding the foregoing, if any Subsidiary is a Foreign Subsidiary or a Foreign Subsidiary Holding Company, the Equity Interests of such Subsidiary to be pledged shall be limited to 65% of the outstanding voting Equity Interests of such Subsidiary and 100% of the non-voting Equity Interests of such Subsidiary), in each case in form, content and scope reasonably satisfactory to the Agent. For the avoidance of doubt and notwithstanding anything herein or in any Security Document to the contrary, none of the assets of any Foreign Subsidiary or any Foreign Subsidiary Holding Company (including any Equity Interests held by a Foreign Subsidiary) shall be required to be pledged hereunder or under any Security Document.

(b) In no event shall compliance with this Section 6.11 waive or be deemed a waiver or Consent to any transaction giving rise to the need to comply with this Section 6.11 if such transaction was not otherwise expressly permitted by this Agreement or constitute or be deemed to constitute, with respect to any Subsidiary, an approval of such Person as a Borrower or Guarantor or permit the inclusion of any acquired assets or assets of such Subsidiary in the computation of the Borrowing Base.

(c) Notwithstanding anything to the contrary contained herein, if the Agent reasonably determines that the cost of obtaining any pledge or security interest otherwise required pursuant to this Section 6.11 is excessive in relation to the benefit thereof, then no such pledge or security interest shall be required hereunder.

6.12 Cash Management.

(a) (i) To the extent not previously delivered pursuant to the Existing Credit Agreement, on or prior to the Effective Date, deliver to the Agent copies of notifications (each, a "Credit Card Notification") reasonably satisfactory in form and substance to the Agent which have been executed on behalf of such Loan Party and delivered to such Loan Party's credit card clearinghouses and processors listed on Schedule 5.20(b); and (ii) to the extent not previously delivered pursuant to the Existing Credit Agreement within ninety (90) days following the Effective Date (or such later date to which the Agent may agree in writing in its Permitted Discretion), enter into a Blocked Account Agreement reasonably satisfactory in form and substance to the Agent with each Blocked Account Bank (collectively, the "Blocked Accounts").

(b) ACH or wire transfer no less frequently than once each Business Day (or with such other frequency as the Agent may otherwise agree in its sole discretion), whether or not there are then any outstanding Obligations to a Blocked Account (i) all available amounts on deposit in each DDA that is not a Blocked Account (other than any Excluded Account) (except for normal course allowances for deposit errors, returned checks and other similar items maintained in such DDAs consistent with past practices), and (ii) all payments received from all Credit Card Issuers and Credit Card Processors.

(c) After the occurrence and during the continuance of a Cash Dominion Event, cause the ACH or wire transfer to the collection account maintained by the Agent at Bank of America (the "Collection Account"), no less frequently than once each Business Day (or with such other frequency as the Agent may otherwise agree in its sole discretion), whether or not there are then any outstanding Obligations, all cash receipts and collections received by each Loan Party from all sources, including, without limitation, the following:

(i) all available cash receipts from the sale of Inventory (including without limitation, proceeds of credit card charges) and other assets (whether or not constituting Collateral);

(ii) all proceeds of collections of Accounts;

(iii) all Net Proceeds, and all other cash payments received by a Loan Party from any Person or from any source or on account of any Disposition or other transaction or event;

(iv) the then available cash balance of each Blocked Account (except for normal course allowances for deposit errors, returned checks and other similar items maintained in such Blocked Accounts consistent with past practices); and

(v) the then available cash balance of each DDA (other than any Excluded Account and any disbursement accounts designated by the Lead Borrower and used solely for such purpose) not described in clause (iv) (except for normal course allowances for deposit errors, returned checks and other similar items maintained in such DDAs consistent with past practices).

(d) The Collection Account shall at all times during the continuance of a Cash Dominion Event be under the sole dominion and control of the Agent. The Loan Parties hereby acknowledge and agree that (i) during the continuance of a Cash Dominion Event, the Loan Parties have no right of withdrawal from the Collection Account, (ii) the funds on deposit in the Collection Account shall at all times be collateral security for all of the Obligations, and (iii) during the continuance of a Cash Dominion Event, the funds on deposit in the Collection Account shall be applied to the Obligations as provided in Section 2.05(f) or Section 8.03, as applicable. In the event that, notwithstanding the provisions of this Section 6.12, any Loan Party receives or otherwise has dominion and control of any such cash receipts or collections (other than any amounts in any Excluded Accounts), such receipts and collections shall be held in trust by such Loan Party for the Agent, shall not be commingled with any of such Loan Party's other funds or deposited in any account of such Loan Party and shall, not later than the Business Day after receipt thereof, be deposited into the Collection Account or dealt with in such other fashion as such Loan Party may be instructed by the Agent.

6.13 Information Regarding the Collateral. (a) Cause not less than one (1) physical inventory to be undertaken with respect to the Loan Parties' distribution centers and Store locations, at the expense of the Loan Parties, in each Fiscal Year (provided that at the Loan Parties' option, periodic cycle counts may be performed in lieu of such annual physical inventory at its distribution centers or any Store locations), in each case consistent with past practices, conducted by such inventory takers as are satisfactory to the Agent and following such methodology as is consistent, as applicable, with the methodology used in the immediately preceding inventory or as otherwise may be satisfactory to the Agent. The Agent, at the expense of the Loan Parties, may participate in and/or observe each scheduled physical count of Inventory which is undertaken on behalf of any Loan Party. The Lead Borrower, within forty-five (45) days following the completion of such inventory, shall provide the Agent with a reconciliation of the results of such inventory (as well as of any other physical inventory or cycle counts undertaken by a Loan Party) to the extent that the results thereof reflect a material discrepancy from the Loan Parties' stock ledger or general ledger and shall, in any event, post such results to the Loan Parties' stock ledgers and general ledgers, as applicable.

(b) Permit the Agent, in its discretion, if any Default or Event of Default exists, to cause additional such inventories to be taken as the Agent determines in its Permitted Discretion (each, at the expense of the Loan Parties).

(a) Conduct its operations and keep and maintain its Real Estate in compliance with all Environmental Laws; (b) obtain and renew all environmental permits reasonably necessary for its operations and properties; and (c) implement any and all investigation, remediation, removal and response actions that are reasonably required to comply with Environmental Laws pertaining to the presence, generation, treatment, storage, use, disposal, transportation or release of any Hazardous Materials on, at, in, under, above, to, from or about any of its Real Estate, except, in case of each of the foregoing causes, as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, provided, however, that neither a Loan Party nor any of its Subsidiaries shall be required to undertake any such cleanup, removal, remedial or other action to the extent that its obligation to do so is being contested in good faith and by proper proceedings and adequate reserves have been set aside and are being maintained by the Loan Parties with respect to such circumstances in accordance with GAAP. Nothing contained herein shall be deemed to limit the rights of the Agent with respect to establishing or modifying Reserves in the manner permitted by this Agreement.

6.16 Further Assurances.

(a) Execute any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements, amendments to financing statements and other documents), that may be required under any Law, or which the Agent may reasonably request, to effectuate the transactions contemplated by the Loan Documents or to grant, preserve, protect or perfect (to the extent required by, and subject to the limitations set forth in, the Security Documents and this Agreement) the Liens created or intended to be created by the Security Documents or the validity or priority of any such Lien, all at the expense of the Loan Parties. The Loan Parties also agree to provide to the Agent, from time to time upon request, evidence satisfactory to the Agent as to the perfection and priority of the Liens created or intended to be created by the Security Documents.

(b) If any material assets are acquired by any Loan Party after the Closing Date (other than assets constituting Collateral under the Security Documents that become subject to the perfected first-priority (subject only to Permitted Encumbrances having priority by operation of applicable law) Lien under the Security Documents upon acquisition thereof and other than Equity Interests in a Foreign Subsidiary or a Foreign Subsidiary Holding Company not required to be pledged pursuant to Section 6.11 hereof), notify the Agent thereof, and the Loan Parties will cause such assets to be subjected to a perfected Lien securing the Obligations and will take such actions as shall be reasonably necessary or shall be reasonably requested by any Agent to grant and perfect (to the extent required by, and subject to the limitations set forth in, the Security Documents and this Agreement) such Liens, including actions described in paragraph (a) of this Section 6.16, all at the expense of the Loan Parties. Notwithstanding the foregoing, the Loan Parties shall not be required to grant a mortgage in favor of the Agent on any owned Real Estate of any Loan Party.

6.18 Designation of Subsidiaries.

The board of directors of Holdings may at any time designate any Restricted Subsidiary as an Unrestricted Subsidiary or any Unrestricted Subsidiary as a Restricted Subsidiary; provided that (i) immediately before and after such designation, no Default or Event of Default shall have occurred and be continuing, (ii) after giving effect to such designation, the Payment Conditions shall have been satisfied, (iii) none of the Borrowers may be designated as an Unrestricted Subsidiary, (iv) no Unrestricted Subsidiary shall own any Equity Interests in the Lead Borrower its Restricted Subsidiaries, (v) no Unrestricted Subsidiary shall hold any Indebtedness of, or any Lien on any property of, the Lead Borrower and its Restricted Subsidiaries, (vii) the holder of any Indebtedness of any Unrestricted Subsidiary shall not have any recourse to the Lead Borrower and its Restricted Subsidiaries with respect to such Indebtedness and (vii) no Unrestricted Subsidiary

The designation of any Subsidiary as an Unrestricted Subsidiary shall constitute an Investment by Holdings and its Restricted Subsidiaries therein at the date of designation in an amount equal to the net book value of Holdings' or Restricted Subsidiary's (as applicable) Investment therein. The designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute the incurrence at the time of designation of any Indebtedness or Liens of such Subsidiary existing at such time.

Not directly or, knowingly, indirectly, use any Credit Extension or the proceeds of any Credit Extension, or lend, contribute or otherwise make available such Credit Extension or the proceeds of any Credit Extension to any Person, to fund any activities of or business with any Person, or in any Designated Jurisdiction, that, at the time of such funding, is the subject of Sanctions, or in any other manner that will result in a violation by any Person (including any Person participating in the transaction, whether as Lender, Arranger, Agent, L/C Issuer or otherwise) of Sanctions.

6.20 Anti-Corruption Laws.

Not directly or, knowingly, indirectly, use any Credit Extension or the proceeds of any Credit Extension for any purpose which would breach the United States Foreign Corrupt Practices Act of 1977 or any applicable anti-corruption legislation in other jurisdictions.

8.02 Remedies Upon Event of Default. If any Event of Default occurs and is continuing, the Agent may, or, (i) at any time that there are only two (2) Lenders and a Specified Event of Default exists, at the request of any Lender (so long as such Lender is a Lender as of the Effective Date and maintains a Commitment not less than the Commitment of such Lender as of the Effective Date), or (ii) in all other circumstances, at the request of the Required Lenders, shall, take any or all of the following actions:

(a) declare the Commitments of each Lender to make Loans and any obligation of the L/C Issuer to make L/C Credit Extensions to be terminated, whereupon such Commitments and obligations shall be terminated;

(b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other Obligations (excluding Other Liabilities not then due and payable) to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Loan Parties (to the extent permitted by applicable Law);

(c) if so requested by the Required Lenders, require that the Loan Parties Cash Collateralize the L/C Obligations; and

(d) whether or not the maturity of the Obligations shall have been accelerated pursuant hereto, proceed to protect, enforce and exercise all rights and remedies of the Credit Parties under this Agreement, any of the other Loan Documents or Law, including, but not limited to, by suit in equity, action at law or other appropriate proceeding, whether for the specific performance of any covenant or agreement contained in this Agreement and the other Loan Documents or any instrument pursuant to which the Obligations are evidenced, and, if such amount shall have become due, by declaration or otherwise, proceed to enforce the payment thereof or any other legal or equitable right of the Credit Parties; provided, however, that upon the occurrence of

any Default or Event of Default with respect to any Loan Party or any Restricted Subsidiary thereof under Section 8.01(f), the obligation of each Lender to make Loans and any obligation of the L/C Issuer to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans, all interest accrued thereon and all other Obligations shall automatically become due and payable, and the obligation of the Loan Parties to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case without further act of the Agent or any Lender.

No remedy herein is intended to be exclusive of any other remedy and each and every remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or any other provision of Law.

8.03 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Obligations have automatically become immediately due and payable and the L/C Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to Section 8.02), any amounts received from any Loan Party, from the liquidation of any Collateral, or on account of the Obligations shall, subject to the provisions of Section 2.16, be applied by the Agent in the following order:

First, to payment of that portion of the Obligations (excluding the Other Liabilities) constituting fees, indemnities (including indemnities due under Section 10.03 hereof), Credit Party Expenses and other amounts (including reasonable and documented fees, charges and disbursements of counsel to the Agent and amounts payable under Article III) payable to the Agent;

Second, to payment of that portion of the Obligations (excluding the Other Liabilities) constituting indemnities (including indemnities due under Section 10.03 hereof), Credit Party Expenses, and other amounts (other than principal, interest and fees) payable to the Lenders and the L/C Issuer (including Credit Party Expenses to the respective Lenders and the L/C Issuer and amounts payable under Article III), ratably among them in proportion to the amounts described in this clause Second payable to them;

Third, to the extent not previously reimbursed by the Lenders, to payment to the Agent of that portion of the Obligations constituting principal and accrued and unpaid interest on any Permitted Overadvances;

Fourth, to the extent that Swing Line Loans have not been refinanced by a Revolving Loan, payment to the Swing Line Lender of that portion of the Obligations constituting principal and accrued and unpaid interest on the Swing Line Loans;

Fifth, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Revolving Loans and L/C Borrowings, and fees (including Letter of Credit Fees and Commitment Fees), ratably among the Lenders and the L/C Issuer in proportion to the respective amounts described in this clause Fifth payable to them;

Sixth, to payment of that portion of the Obligations constituting unpaid principal of the Revolving Loans and L/C Borrowings, ratably among the Lenders and the L/C Issuer in proportion to the respective amounts described in this clause Sixth held by them;

Seventh, to the Agent for the account of the L/C Issuer, to Cash Collateralize that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit;

Eighth, to payment of all other Obligations (including without limitation the cash collateralization of unliquidated indemnification obligations as provided in Section 10.11, but excluding any Other Liabilities), ratably among the Credit Parties in proportion to the respective amounts described in this clause Eighth held by them;

Ninth, to payment of that portion of the Obligations arising from Cash Management Services, ratably among the Credit Parties in proportion to the respective amounts described in this clause Ninth held by them;

Tenth, to payment of all other Obligations arising from Bank Products, ratably among the Credit Parties in proportion to the respective amounts described in this clause Tenth held by them; and

Last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Loan Parties or as otherwise required by Law.

Subject to Section 2.03(c), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Seventh above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above.

Excluded Swap Obligations with respect to any Loan Party shall not be paid with amounts received from such Loan Party, but appropriate adjustments shall be made with respect to payments from other Loan Parties to preserve the allocation to Obligations otherwise set forth above in this Section 8.03.

8.04 Right to Cure.

(a) Notwithstanding anything to the contrary contained in Section 8.01(b), in the event that the Borrowers fail to comply with the requirement of the Financial Covenant, Holdings or any other Person designated by the Borrowers shall have the right (1) at any time during the period beginning at the start of the last fiscal quarter of the applicable Measurement Period and ending on or prior to the tenth (10th) Business Day after the date on which financial statements with respect to the Measurement Period in which such covenant is being measured are required to be delivered pursuant to Section 6.01 or (2) within ten (10) Business Day after the beginning of a Covenant Compliance Event (such later date, the "Cure Deadline"), to make a direct or indirect equity investment in the Lead Borrower in cash in the form of common Equity Interests

(or any other form reasonably acceptable to the Agent) (the "Cure Right"), and upon the receipt by the Lead Borrower of net cash proceeds pursuant to the exercise of the Cure Right (the "Cure Amount"), the Financial Covenant shall be recalculated, giving effect to a pro forma increase to Consolidated EBITDA for such Measurement Period in an amount equal to such Cure Amount; provided that such pro forma adjustment to Consolidated EBITDA shall be given solely for the purpose of determining the existence of a Default or an Event of Default under the Financial Covenant with respect to any Measurement Period that includes the fiscal quarter for which such Cure Right was exercised and not for any other purpose under any Loan Document.

(b) If, after the receipt of the Cure Amounts and the recalculations pursuant to clause (2) above, the Borrowers shall then be in compliance with the requirements of the Financial Covenant during such Measurement Period, the Borrowers shall be deemed to have satisfied the requirements of the Financial Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable Default that had occurred shall be deemed cured; *provided* that (i) the Cure Right may be exercised on no more than five (5) occasions, (ii) in each four fiscal quarter period, there shall be at least two fiscal quarters in respect of which no Cure Right is exercised, (iii) with respect to any exercise of the Cure Right, the Cure Amount shall be no greater than the amount required to cause the Borrowers to be in pro forma compliance with the Financial Covenant (such amount, the "Necessary Cure Amount") (*provided* that if the Cure Right is exercised prior to the date financial statements are required to be delivered for such fiscal quarter then the Cure Amount shall be equal to the amount reasonably determined by the Lead Borrower in good faith that is required for purposes of complying with the Financial Covenant for such fiscal quarter (such amount, the "Expected Cure Amount"), (iv) subject to clause (3) below, all Cure Amounts shall be disregarded for purposes of determining any baskets or financial ratio calculations (other than with respect to the Financial Covenant), with respect to the covenants contained in the Loan Documents and (v) there shall be no pro forma or other reduction in Indebtedness (by netting or otherwise) with the proceeds of any Cure Amount for determining compliance with the Financial Covenant for the fiscal quarter for which such Cure Amount is deemed applied unless such proceeds are actually applied to prepay Indebtedness.

(c) Notwithstanding anything herein to the contrary, (A) to the extent that the Expected Cure Amount is (i) greater than the Necessary Cure Amount, then such difference may be used for the purposes of determining any baskets (other than any previously contributed Cure Amounts), with respect to the covenants contained in the Loan Documents and (ii) *less* than the Necessary Cure Amount, then not later than the applicable Cure Deadline, the Lead Borrower must receive a direct or indirect equity investment in cash in the form of common Equity Interests (or other forms reasonably acceptable to the Agent), which cash proceeds received by Lead Borrower shall be equal to the shortfall between such Expected Cure Amount and such Necessary Cure Amount and (B) prior to the Cure Deadline (x) the Lenders shall not be permitted to exercise any rights then available as a result of an Event of Default under Section 8.02 on the basis of a breach of the Financial Covenant so as to enable the Borrowers to consummate their Cure Rights as permitted under this Section 8.04 and (y) the Lenders shall not be required to make any Credit Extension unless and until the Lead Borrower has received the Cure Amount required to cause the Borrowers to be in compliance with the Financial Covenant.

ARTICLE IX
THE AGENT

9.01 Appointment and Authority.

Each of the Lenders (in its capacity as a Lender), the Swing Line Lender and the L/C Issuer hereby irrevocably appoints Bank of America to act on its behalf as the administrative agent and collateral agent hereunder and under the other Loan Documents and authorizes the Agent to take such actions on its behalf and to exercise such powers as are delegated to the Agent by the terms hereof or thereof (including, without limitation, acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations), together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Agent and the other Credit Parties, and no Loan Party or any Restricted Subsidiary thereof shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" herein or in any other Loan Documents (or any other similar term) with reference to the Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

9.02 Rights as a Lender. The Person serving as the Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Loan Parties or any Restricted Subsidiary or other Affiliate thereof as if such Person were not the Agent hereunder and without any duty to account therefor to the Lenders.

9.03 Exculpatory Provisions. The Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that the Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Agent to liability or that is contrary to any Loan Document or Law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Loan Parties or any of its Affiliates that is communicated to or obtained by the Person serving as the Agent or any of its Affiliates in any capacity.

The Agent shall not be liable to any Credit Party for any action taken or not taken by it (i) with the Consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence, bad faith or willful misconduct as determined by a final and non-appealable judgment of a court of competent jurisdiction.

The Agent shall not be deemed to have knowledge of any Default or Event of Default unless and until notice describing such Default or Event of Default is given to the Agent by the Loan Parties, a Lender or the L/C Issuer. In the event that the Agent obtains such actual knowledge or receives such a notice, the Agent shall give prompt notice thereof to each of the other Credit Parties. Upon the occurrence of a Default or an Event of Default, the Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Applicable Lenders. Unless and until the Agent shall have received such direction, the Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to any such Default or Event of Default as it shall deem advisable in the best interest of the Credit Parties. In no event shall the Agent be required to comply with any such directions to the extent that the Agent believes that its compliance with such directions would be unlawful.

The Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Agent.

9.04 Reliance by Agent.

The Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including, but not limited to, any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or the L/C Issuer, the Agent may presume that such

condition is satisfactory to such Lender or the L/C Issuer unless the Agent shall have received written notice to the contrary from such Lender or the L/C Issuer prior to the making of such Loan or the issuance of such Letter of Credit. The Agent may consult with legal counsel (who may be counsel for any Loan Party), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

9.05 Delegation of Duties. The Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Agent. The Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as the Agent. The Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

9.06 Resignation of Agent. The Agent may at any time give written notice of its resignation to the Lenders, the L/C Issuer and the Lead Borrower. Upon receipt of any such notice of resignation, the Required Lenders (excluding, for purposes of this Section 9.06 only, any Lender who is also the Agent) shall have the right, in consultation with the Lead Borrower, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States and which shall, unless an Event of Default has occurred and is continuing at the time of such appointment, be reasonably acceptable to the Lead Borrower (whose consent shall not be unreasonably withheld or delayed). If no such successor shall have been so appointed by the Required Lenders (and accepted by the Lead Borrower in accordance with the terms above) and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders and the L/C Issuer, appoint a successor Agent meeting the qualifications set forth above; provided that if the Agent shall notify the Lead Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any Collateral held by the Agent on behalf of the Lenders or the L/C Issuer under any of the Loan Documents, the retiring Agent shall continue to hold such collateral security until such time as a successor Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through the Agent shall instead be made by or to each Lender and the L/C Issuer directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrowers to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Lead Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Loan

Documents, the provisions of this Article and Section 10.04 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as Agent hereunder.

9.07 Non-Reliance on Agent and Other Lenders. Each Lender and the L/C Issuer acknowledges that it has, independently and without reliance upon the Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and the L/C Issuer also acknowledges that it will, independently and without reliance upon the Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder. Except as provided in Section 9.12, the Agent shall not have any duty or responsibility to provide any Credit Party with any other credit or other information concerning the affairs, financial condition or business of any Loan Party that may come into the possession of the Agent.

9.08 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the Bookrunning Manager or Arranger listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity as the Agent, a Lender or the L/C Issuer hereunder.

9.09 Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Agent shall have made any demand on the Loan Parties) shall be entitled and empowered, by intervention in such proceeding or otherwise

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuer, the Agent and the other Credit Parties (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuer, the Agent, such Credit Parties and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuer the Agent and such Credit Parties under Sections 2.03(i), 2.03(j), 2.09 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and the L/C Issuer to make such payments to the Agent and, if the Agent shall consent to the making of such payments directly to the Lenders and the L/C Issuer, to pay to the Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agent and its agents and counsel, and any other amounts due the Agent under Sections 2.09 and 10.04.

Nothing contained herein shall be deemed to authorize the Agent to authorize or consent to or accept or adopt on behalf of any Credit Party any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Credit Party or to authorize the Agent to vote in respect of the claim of any Credit Party in any such proceeding.

9.10 Collateral and Guaranty Matters. The Credit Parties irrevocably authorize the Agent, at its option and in its discretion,

(a) to release any Lien on any property granted to or held by the Agent under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than contingent indemnification obligations for which no claim has been asserted and for Obligations collateralized pursuant to Section 10.11) and the expiration, termination or Cash Collateralization of all Letters of Credit (except to the extent fully Cash Collateralized or supported by another letter of credit in a manner reasonably satisfactory to the L/C Issuer and the Agent), (ii) that is Disposed of or to be Disposed of as part of or in connection with any Disposition permitted hereunder, or (iii) if approved, authorized or ratified in writing by the Applicable Lenders in accordance with Section 10.01;

(b) to release any Lien on any Equity Interests of any Subsidiary of the Lead Borrower granted to or held by the Agent under the Security Agreement in the event that Rule 316 of Regulation S-X under applicable Securities Laws is amended, modified or interpreted by the SEC to require (or is replaced with another rule or regulation or any other law, rule or regulation is adopted, which would require) the filing with the SEC (or any other Governmental Agency) of separate financial statements of such Subsidiary due to the fact that such Subsidiary's Equity Interests secure the Obligations, but only for so long as, and only to the extent, necessary to not be subject to such requirement;

(c) to subordinate any Lien on any property granted to or held by the Agent under any Loan Document to the holder of any Lien on such property that is permitted by clause (h) of the definition of Permitted Encumbrances; and

(d) to release any Guarantor from its obligations under any Facility Guaranty and each other applicable Loan Document if such Person ceases to be a Subsidiary as a result of a transaction permitted hereunder.

Upon request by the Agent at any time, the Applicable Lenders will confirm in writing the Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Facility Guaranty and each other applicable Loan Document pursuant to this Section 9.10. In each case as specified in this Section 9.10, the Agent will, at the Loan Parties' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and Lien granted under the Security Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations under the Facility Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.10.

9.11 Notice of Transfer.

The Agent may deem and treat a Lender party to this Agreement as the owner of such Lender's portion of the Obligations for all purposes, unless and until, and except to the extent, an Assignment and Acceptance shall have become effective as set forth in Section 10.06.

9.12 Reports and Financial Statements. By signing this Agreement, each Lender:

(a) agrees to furnish the Agent, at such frequency as the Agent may reasonably request, with a summary of all Other Liabilities due or to become due to such Lender. In connection with any distributions to be made hereunder, the Agent shall be entitled to assume that no amounts are due to any Lender on account of Other Liabilities unless the Agent has received written notice thereof from such Lender and if such notice is received, the Agent shall be entitled to assume that the only amounts due to such Lender on account of Other Liabilities is the amount set forth in such notice;

(b) is deemed to have requested that the Agent furnish, and the Agent agrees to furnish, such Lender, promptly after they become available, copies of all Borrowing Base Certificates and financial statements required to be delivered by the Lead Borrower hereunder

(d) expressly agrees and acknowledges that the Agent makes no representation or warranty as to the accuracy of the Borrowing Base Certificates, financial statements or Reports, and shall not be liable for any information contained in any Borrowing Base Certificate, financial statement or Report;

(e) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that the Agent or any other party performing any audit or examination will inspect only specific information regarding the Loan Parties and will rely significantly upon the Loan Parties' books and records, as well as on representations of the Loan Parties' personnel;

(f) agrees to keep all Borrowing Base Certificates, financial statements and Reports confidential in accordance with the provisions of Section 10.07 hereof; and

(g) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold the Agent and any such other Lender preparing a Report harmless from any action the indemnifying Lender may take or conclusion the indemnifying Lender may reach or draw from any Report in connection with any Credit Extensions that the indemnifying Lender has made or may make to the Borrowers, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a Loan or Loans; and (ii) to pay and protect, and indemnify, defend, and hold the Agent and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including attorney costs) incurred by the Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

9.13 Agency for Perfection.

Each Credit Party hereby appoints each other Credit Party as agent for the purpose of perfecting Liens for the benefit of the Credit Parties, in assets which, in accordance with Article 9 of the UCC or any other Law of the United States can be perfected only by possession or control. 9.14 Indemnification of Agent. Without limiting the obligations of Loan Parties hereunder, the Lenders shall indemnify the Agent, any sub-agent thereof, the Swing Line Lender, the L/C Issuer and any Related Party, as the case may be ratably according to their Applicable Percentages, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against the Agent, any sub-agent thereof, the Swing Line Lender, the L/C Issuer and their Related Parties in any way relating to or arising out of this Agreement or any other Loan Document or any action taken or omitted to be taken by the Agent, any sub-agent thereof, the Swing Line Lender, the L/C Issuer and their Related Parties in connection therewith; provided, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Agent's, any sub-agent's, the Swing Line Lender's, the L/C Issuer's and their Related Parties' bad faith, gross negligence or willful misconduct as determined by a final and non-appealable judgment of a court of competent jurisdiction.

9.15 Relation among Lenders. The Lenders are not partners or co-venturers, and no Lender shall be liable for the acts or omissions of, or (except as otherwise set forth herein in case of the Agent) authorized to act for, any other Lender.

(iv) change Section 2.13 or Section 8.03 in a manner that would alter the pro rata sharing of payments required thereby without the written Consent of each Lender;

(v) change any provision of this Section or the definition of "Required Lenders" or any other provision hereof or of any Loan Document specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or under any other Loan Document or make any determination or grant any consent hereunder or thereunder, without the written Consent of each Lender;

(ix) modify the definition of the term "Permitted Overadvance" so as to increase the amount thereof or, except as otherwise provided in such definition, the time period for which a Permitted Overadvance may remain outstanding without the written Consent of each Lender; and

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) any Commitment of any Defaulting Lender may not be increased or extended without the consent of such Defaulting Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

(b) Notwithstanding anything to the contrary in this Agreement or any other Loan Document, (x) no provider or holder of any Bank Products or Cash Management Services shall have any voting or approval rights hereunder (or be deemed a Lender) solely by virtue of its status as the provider or holder of such agreements or products or the Obligations owing thereunder, nor shall the consent of any such provider or holder be required (other than in their capacities as Lenders, to the extent applicable) for any matter hereunder or under any of the other Loan Documents, including as to any matter relating to the Collateral or the release of Collateral or any Loan Party, and (y) any Loan Document may be amended and waived with the consent of the Agent at the request of the Lead Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities or defects or (iii) to cause any Loan Document to be consistent with this Agreement and the other Loan Documents.

(c) If any Lender (other than the Agent) does not Consent (a "Non-Consenting Lender") to a proposed amendment, waiver, consent or release with respect to any Loan Document that requires the Consent of each Lender or each affected Lender and that has been approved by the Required Lenders, the Lead Borrower may replace such Non-Consenting Lender in accordance with Section 10.13; provided that such amendment, waiver, consent or release can be effected as a result of the assignment contemplated by such Section (together with all other such assignments required by the Lead Borrower to be made pursuant to this paragraph).

Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below, shall be effective as provided in such subsection (b).

(b) Electronic Communications. Notices and other communications to the Lenders and the L/C Issuer hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Agent, provided that the foregoing shall not apply to notices to any Lender or the L/C Issuer pursuant to Article II if such Lender or the L/C Issuer, as applicable, has notified the Agent that it is incapable of receiving notices under such Article by electronic communication. The Agent or the Lead Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

Unless the Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii), if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice, email or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(c) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS,

IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to any Loan Party, any Lender, the L/C Issuer or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Loan Parties' or the Agent's transmission of Borrower Materials through the Internet , except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to any Loan Party, any Lender, the L/C Issuer or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of the Loan Parties, the Agent, the L/C Issuer and the Swing Line Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Lead Borrower, the Agent, the L/C Issuer and the Swing Line Lender. In addition, each Lender agrees to notify the Agent from time to time to ensure that the Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrowers or their securities for purposes of United States Federal or state securities laws.

(e) Reliance by Agent, L/C Issuer and Lenders. The Agent, the L/C Issuer and the Lenders shall be entitled to rely and act upon any notices (including telephonic Revolving Loan Notices and Swing Line Loan Notices) purportedly given by or on behalf of the Loan Parties even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Loan Parties shall indemnify the Agent, the L/C Issuer, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Loan Parties, except to the extent such losses, costs, expenses or liabilities are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Person. All telephonic notices to and other telephonic communications with the Agent may be recorded by the Agent, and each of the parties hereto hereby consents to such recording.

10.03 No Waiver; Cumulative Remedies. No failure by any Credit Party to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder or under any other Loan Document preclude any other or further

exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges provided herein and in the other Loan Documents are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default or Event of Default, regardless of whether any Credit Party may have had notice or knowledge of such Default or Event of Default at the time.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at Law in connection with such enforcement shall be instituted and maintained exclusively by, the Agent in accordance with Section 8.02 for the benefit of all the Lenders and the L/C Issuer; provided, however, that the foregoing shall not prohibit (a) the Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Agent) hereunder and under the other Loan Documents, (b) the L/C Issuer or the Swing Line Lender from exercising the rights and remedies that inure to its benefit (solely in its capacity as L/C Issuer or Swing Line Lender, as the case may be) hereunder and under the other Loan Documents, or (c) any Lender from exercising setoff rights in accordance with Section 10.08 (subject to the terms of Section 2.13); and provided, further, that if at any time there is no Person acting as Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b) and (c) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

10.04 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Borrowers shall pay all Credit Party Expenses.

(b) Indemnification by the Loan Parties. The Loan Parties shall indemnify the Agent (and any sub-agent thereof), each other Credit Party, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless (on an after tax basis) from, any and all losses, claims, causes of action, damages, liabilities, settlement payments, costs, and related expenses (including the reasonable fees, charges and documented out-of-pocket disbursements of any counsel for any Indemnitee), incurred by any Indemnitee or asserted against any Indemnitee by any third party or by any Borrower or any other Loan Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder, the consummation of the transactions contemplated hereby or thereby, or the administration of this Agreement and the other Loan Documents, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by the L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit, any bank advising or confirming a Letter of Credit and any other Person seeking to enforce the rights of a Borrower, beneficiary, transferee, or assignee or Letter of Credit proceeds or the holder of an instrument or document related to any Letter of Credit), (iii) any actual or alleged presence or

release of Hazardous Materials on or from any property owned or operated by any Loan Party or any of its Restricted Subsidiaries, or any Environmental Liability related in any way to any Loan Party or any of its Restricted Subsidiaries, (iv) any claims of, or amounts paid by any Credit Party to, a Blocked Account Bank or other Person which has entered into a control agreement with any Credit Party hereunder, or (v) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by any Borrower or any other Loan Party or any of the Loan Parties' directors, shareholders or creditors, and regardless of whether any Indemnitee is a party thereto, in all cases, whether or not caused by or arising, in whole or in part, out of the comparative, contributory or sole negligence of the Indemnitee; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the bad faith, gross negligence or willful misconduct of such Indemnitee or (y) result from a claim brought by the Lead Borrower or any other Loan Party against an Indemnitee for breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document, if the Lead Borrower or such Loan Party has obtained a final and non-appealable judgment in its favor on such claim as determined by a court of competent jurisdiction. Without limiting the provisions of Section 3.01(c), this Section 10.04(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) Waiver of Consequential Damages, Etc. To the fullest extent permitted by Law, the Loan Parties shall not assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof.

(d) Payments. All amounts due under this Section shall be payable on demand therefor.

(e) Limitation of Liability. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed to such unintended recipients by such Indemnitee through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby other than for direct or actual damages resulting from the gross negligence or willful misconduct of such Indemnitee as determined by a final and non-appealable judgment of a court of competent jurisdiction.

(f) Survival. The agreements in this Section shall survive the resignation of any Agent, the L/C Issuer or the Swing Line Lender, the assignment of any Commitment or Loan by any Lender, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations and the termination of this Agreement.

10.05 Payments Set Aside. This Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against any Loan Party for liquidation or reorganization or otherwise under any Debtor Relief Law, should any Loan Party become insolvent or make an assignment for the benefit of any creditor or creditors or should a receiver, interim receiver, trustee, monitor, custodian, conservator, liquidator, rehabilitator or similar officer be appointed for all or any significant part of any Loan Party's assets, and shall continue to be effective or to be reinstated, as the case may be, if at any time payment and performance of the Obligations, or any part thereof, is, pursuant to applicable Law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Obligations, whether as a "voidable preference", "fraudulent conveyance", or otherwise, all as though such payment or performance had not been made. To the extent that any payment by or on behalf of the Loan Parties is made to any Credit Party, or any Credit Party exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Credit Party in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and the L/C Issuer severally agrees to pay to the Agent upon demand its Applicable Percentage (without duplication) of any amount so recovered from or repaid by the Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate and a rate determined by the Agent in accordance with banking industry rules on interbank compensation plus any administrative, processing, or similar fees customarily charged by the Agent in connection with the foregoing. The obligations of the Lenders and the L/C Issuer under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

10.06 Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Loan Party may assign or otherwise transfer any of its rights or obligations hereunder or under any other Loan Document without the prior written Consent of the Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of Section 10.06(b), (ii) by way of participation in accordance with the provisions of subsection Section 10.06(d), or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.06(f) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Credit Parties) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans (including for purposes of this Section 10.06(b), participations in L/C Obligations and in Swing Line Loans) at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) (1) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and Revolving Loans owing to it or (2) in the case of any assignment to a Lender or an Affiliate of a Lender or an Approved Fund with respect to a Lender, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section, the aggregate amount of the Commitment or, if the Commitment is not then in effect, the principal outstanding balance of the Revolving Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than $5,000,000 unless each of the Agent and, so long as no Default or Event of Default has occurred and is continuing, the Lead Borrower otherwise consents (each such consent not to be unreasonably withheld, conditioned or delayed); provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met;

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitments assigned, except that this clause (ii) shall not apply to the Swing Line Lender's rights and obligations in respect of Swing Line Loans.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by subsection (b)(i)(B) of this Section and, in addition:

(A) the consent of the Lead Borrower shall be required (such consent not to be unreasonably withheld, conditioned or delayed; provided that after the passage of ten (10) Business Days from receipt of written notice to the Lead Borrower from the Agent of a proposed assignment without the Lead Borrower giving the Agent written notice of the Lead Borrower's objection to such assignment, the Lead Borrower shall be deemed to have consented to such assignment) unless (1) a Default or Event of Default under Section 8.01(a) or 8.01(f) has occurred and is continuing at the time of such assignment or (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund with respect to such Lender; and

(B) the consent of the Agent, the L/C Issuer and the Swing Line Lender (such consent not to be unreasonably withheld, conditioned or delayed) shall be required for assignments in respect of any Commitment if such assignment is to a Person that is not a Lender, an Affiliate of such Lender or an Approved Fund with respect to such Lender.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500, provided, however, that the Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it shall not be a Lender, shall deliver to the Agent an Administrative Questionnaire.

(v) No Assignment to Certain Persons. No such assignment shall be made (1) (A) to any Person which is not an Eligible Assignee, (B) to any Defaulting Lender or any of its Subsidiaries or Affiliates, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (B), or (C) to a natural Person, or (2) if at the time of such assignment the Borrowers would be obligated to pay any greater amount under Article III to the assignee than the Borrowers is then obligated to pay to the assigning Lender under such Article (and if any assignment is made in violation of the foregoing, the Borrowers will not be required to pay such greater amounts).

(vi) Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or sub-participations, or other compensating actions, including funding, with the consent of the Lead Borrower and the Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Agent, the L/C Issuer or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swing Line Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Agent pursuant to subsection (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, and 10.04 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. Upon request of the assignee Lender, the Borrowers (at their expense) shall execute and deliver one or more Notes to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.06(d).

(c) Register. The Agent, acting solely for this purpose as an agent of the Borrowers (and such agency being solely for tax purposes), shall maintain at the Agent's Office a copy of each Assignment and Assumption delivered to it (or the equivalent thereof in electronic form) and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and stated interest) of the Loans and L/C Obligations owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). No assignment shall be effective unless it has been recorded in the Register pursuant to this Section 10.06(c). The entries in the Register shall be conclusive, absent manifest error, and the Loan Parties, the Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Lead Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice This Section 10.06(c) shall be construed so that the Obligations (excluding Other Liabilities) are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any regulations promulgated thereunder (and any other relevant or successor provisions of the Code or such regulations).

(d) Participations. (i) Any Lender may at any time, without the consent of, or notice to, the Loan Parties or the Agent, sell participations to any Person (other than a natural person or the Loan Parties or any of the Loan Parties' Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment, and/or the Revolving Loans (including such Lender's participations in L/C Obligations and/or Swing Line Loans) owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Loan Parties, the Agent, the Lenders and the L/C Issuer shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any Participant shall agree in writing to comply with all confidentiality obligations set forth in Section 10.07 as if such Participant was a Lender hereunder.

(i) Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in clauses (i) through (iv) and clauses (vi) and (vii) of the first proviso to Section 10.01 that affects such Participant. Subject to subsection (e) of this Section, the Loan Parties agree that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.06(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.02 as though it were a Lender.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in

any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Agent (in its capacity as Agent) shall have no responsibility for maintaining a Participant Register.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01 or 3.04 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Lead Borrower's prior written consent. A Participant shall not be entitled to the benefits of Section 3.01 unless the Lead Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Loan Parties, to comply with Section 3.01(e) as though it were a Lender.

(f) Certain Pledges. Any Lender may, at any time and without consent of any Loan Party or the Agent, pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Assignment to SPV. Notwithstanding any provision to the contrary, any Lender may assign to one or more special purpose funding vehicles (each, an "SPV") all or any portion of its funded Loans (without the corresponding Commitment), without the consent of any Person or the payment of a fee, by execution of a written assignment agreement in a form agreed to by such Lender and such SPV, and may grant any such SPV the option, in such SPV's sole discretion, to provide the Borrowers all or any part of any Loans that such Lender would otherwise be obligated to make pursuant to this Agreement. Such SPVs shall have all the rights which a Lender making or holding such Loans would have under this Agreement, but no obligations. The Lender making such assignment shall remain liable for all its original obligations under this Agreement, including its Commitment (although the unused portion thereof shall be reduced by the principal amount of any Loans held by an SPV). Notwithstanding such assignment, the Agent and Lead Borrower may deliver notices to the Lender making such assignment (as agent for the SPV) and not separately to the SPV unless the Agent and Lead Borrower are requested in writing by the SPV (or its agent) to deliver such notices separately to it. The Borrowers shall, at the reasonable request of any such Lender, execute and deliver to such Person as such Lender may designate, one or more Notes in the amount of such Lender's original Notes to evidence the Loans of such Lender and related SPV.

(h) Resignation as L/C Issuer or Swing Line Lender after Assignment or Resignation. Notwithstanding anything to the contrary contained herein, if at any time Bank of America assigns all of its Commitment and Loans pursuant to subsection (b) above, or resigns as Agent in accordance with the provisions of Section 9.06, Bank of America may, (i) upon thirty (30) days' notice to the Lead Borrower and the Lenders, resign as L/C Issuer and/or (ii) with

duplication of any notice required under Section 9.06, upon thirty (30) days' notice to the Lead Borrower, resign as Swing Line Lender. In the event of any such resignation as L/C Issuer or Swing Line Lender, the Lead Borrower shall be entitled to appoint from among the Lenders a successor L/C Issuer or Swing Line Lender hereunder; provided, however, that no failure by the Lead Borrower to appoint any such successor shall affect the resignation of Bank of America as L/C Issuer or Swing Line Lender, as the case may be. If Bank of America resigns as L/C Issuer, it shall retain all the rights, powers, privileges and duties of the L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Revolving Loans that are Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)). If Bank of America resigns as Swing Line Lender, it shall retain all the rights of the Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Revolving Loans that are Base Rate Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.04(c). Upon the appointment of a successor L/C Issuer and/or Swing Line Lender, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swing Line Lender, as the case may be, (b) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to Bank of America to effectively assume the obligations of Bank of America with respect to such Letters of Credit, and (c) the successor Swing Line Lender shall repay all outstanding Obligations with respect to Swing Line Loans due to the resigning Swing Line Lender.

10.07 Treatment of Certain Information; Confidentiality. Each of the Credit Parties agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates, Approved Funds, and to its and its Affiliates' and Approved Funds' respective partners, directors, officers, employees, agents, funding sources, attorneys, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority), (c) to the extent required by Laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement (including any electronic agreement contained in any Platform) containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any Swap Contract relating to any Loan Party and its obligations, (g) with the prior written consent of the Lead Borrower or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to any Credit Party or any of their respective Affiliates on a non-confidential basis from a source other than the Loan Parties.

For purposes of this Section, "Information" means all information received from the Loan Parties or any Subsidiary thereof relating to the Loan Parties or any Subsidiary thereof or their respective businesses, other than any such information that is available to any Credit Party on a

non-confidential basis prior to disclosure by the Loan Parties or any Subsidiary thereof. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information, provided it exercises not less than reasonable care.

Each of the Credit Parties acknowledges that (a) the Information may include material non-public information concerning the Loan Parties or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with Law, including Federal and state securities Laws.

10.08 Right of Setoff. If an Event of Default shall have occurred and be continuing or if any Lender shall have been served with a trustee process or similar attachment relating to property of a Loan Party, each Lender, each Participant, the L/C Issuer and each of their respective Affiliates is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Agent or the Required Lenders, to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) (other than escrow, payroll, petty cash, trust and tax accounts) or other property at any time held and other obligations (in whatever currency) at any time owing by such Lender, such Participant, the L/C Issuer or any such Affiliate to or for the credit or the account of the Borrowers or any other Loan Party against any and all of the Obligations now or hereafter existing under this Agreement or any other Loan Document to such Lender or the L/C Issuer, regardless of the adequacy of the Collateral, and irrespective of whether or not such Lender or the L/C Issuer shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrowers or such Loan Party may be contingent or unmatured or are owed to a branch or office of such Lender, such Participant, or the L/C Issuer different from the branch or office holding such deposit or obligated on such indebtedness; provided, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Agent for further application in accordance with the provisions of Section 2.16 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Agent, the L/C Issuer and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender, each Participant, the L/C Issuer and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, the L/C Issuer or their respective Affiliates may have. Each Lender and the L/C Issuer agrees to notify the Lead Borrower and the Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

10.09 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by Law (the "Maximum Rate"). If the Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans and other Obligations (other than Other Liabilities not then due and owing) or, if it exceeds such unpaid principal, refunded to the

Borrowers. In determining whether the interest contracted for, charged, or received by the Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

10.10 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous letters of intent, commitment letters, agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Agent and when the Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopy, or other electronic image scan transmission (e.g., "pdf" or "tif" via e-mail) shall be as effective as delivery of a manually executed counterpart of this Agreement.

10.11 Survival. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Credit Parties, regardless of any investigation made by any Credit Party or on their behalf and notwithstanding that any Credit Party may have had notice or knowledge of any Default or Event of Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation (other than the Other Liabilities and contingent indemnity obligations for which claims have not been asserted) hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding. Further, the provisions of Sections 3.01, 3.04, 3.05 and 10.04 and Article IX shall survive and remain in full force and effect regardless of the repayment of the Obligations (other than contingent indemnity obligations for which claims have not been asserted), the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof. In connection with the termination of this Agreement and the release and termination of the security interests in the Collateral, the Agent, in its Permitted Discretion, may require such indemnities and collateral security as it shall reasonably deem necessary or appropriate to protect the Credit Parties against (x) loss on account of credits previously applied to the Obligations that may subsequently be reversed or revoked, (y) any obligations that may thereafter arise with respect to the Other Liabilities, and (z) any Obligations that may thereafter arise under Section 10.04 hereof.

10.12 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a

provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.12, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Agent, the L/C Issuer or the Swing Line Lender, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

10.13 Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if the Borrowers are required to pay any Indemnified Taxes or any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender is a Defaulting Lender or a Non-Consenting Lender, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.06), all of its interests, rights (other than its existing rights to payments pursuant to Section 3.01 and 3.04) and obligations under this Agreement and the related Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(a) the Borrowers shall have paid to the Agent the assignment fee specified in Section 10.06(b);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and L/C Advances, accrued interest thereon, accrued fees (except that accrued fees shall not be payable to a Defaulting Lender) and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts);

(c) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter; and

(d) such assignment does not conflict with Laws; and

(e) in the case of an assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply.

10.14 Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT

(EXCEPT, AS TO ANY OTHER LOAN DOCUMENT, AS EXPRESSLY SET FORTH THEREIN) AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES THEREOF.

(b) SUBMISSION TO JURISDICTION. SUBJECT TO THE LAST SENTENCE OF THIS CLAUSE (B), EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT IT WILL NOT COMMENCE ANY ACTION, LITIGATION OR PROCEEDING OF ANY KIND OR DESCRIPTION, WHETHER IN LAW OR EQUITY, WHETHER IN CONTRACT OR IN TORT OR OTHERWISE, AGAINST ANY OTHER PARTY HERETO (OR, IN THE CASE OF THE LOAN PARTIES, AGAINST ANY RELATED PARTY OF THE AGENT, ANY LENDER OR THE L/C ISSUER), IN ANY WAY RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS RELATING HERETO OR THERETO, IN ANY FORUM OTHER THAN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF SUCH COURTS AND AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION, LITIGATION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION, LITIGATION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT ANY CREDIT PARTY MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING TO ENFORCE ANY AWARD OR JUDGMENT RIGHT UNDER THE LOAN DOCUMENTS OR TO BRING ANY ACTION OR PROCEEDING TO ENFORCE ITS RIGHTS UNDER THE LOAN DOCUMENTS WITH RESPECT TO ANY COLLATERAL OR ANY OTHER PROPERTY OF ANY LOAN PARTY IN ANY OTHER FORUM IN WHICH JURISDICTION CAN BE ESTABLISHED.

(c) WAIVER OF VENUE. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

10.15 Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

10.16 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby, the Loan Parties each acknowledge and agree that: (i) the credit facility provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document) are an arm's-length commercial transaction between the Loan Parties, on the one hand, and the Credit Parties, on the other hand, and each of the Loan Parties is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents (including any amendment, waiver or other modification hereof or thereof); (ii) in connection with the process leading to such transaction, each Credit Party is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary, for the Loan Parties or any of their respective Affiliates, stockholders, creditors or employees or any other Person; (iii) none of the Credit Parties has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Loan Parties with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Loan Document (irrespective of whether any of the Credit Parties has advised or is currently advising any Loan Party or any of its Affiliates on other matters) and none of the Credit Parties has any obligation to any Loan Party or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; (iv) the Credit Parties and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Loan Parties and their respective Affiliates, and none of the Credit Parties has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (v) the Credit Parties have not provided and will not provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Loan Document) and each of the Loan Parties has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate. Each of the Loan Parties hereby waives and releases, to the fullest extent permitted by law, any claims that it may have against each of the Credit Parties with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

10.17 Patriot Act Notice. Each Lender that is subject to the Patriot Act (as hereinafter defined) and the Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act"), it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Agent, as applicable, to identify each Loan Party in accordance with Patriot the Act. Each Loan Party is in compliance, in all material respects, with the Patriot Act. No part of the proceeds of the Loans will be used by the Loan Parties, directly or indirectly, for any payments to any governmental official or employee, political party, official of a political party, candidate for political office, or anyone else acting in an official capacity, in order to obtain, retain or direct business or obtain any improper advantage, in violation of the United States Foreign Corrupt Practices Act of 1977, as amended. The Loan Parties shall, promptly following a request by the Agent or any Lender, provide all documentation and other information that the Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the Patriot Act.

10.18 Foreign Asset Control Regulations. None of the advance of the Loans, the issuance of any Letters of Credit or the use of the proceeds of any thereof will violate the Trading With the Enemy Act (50 U.S.C. § 1 et seq., as amended) (the "Trading With the Enemy Act") or any of the foreign assets control regulations of OFAC (31 CFR, Subtitle B, Chapter V, as amended) (the "Foreign Assets Control Regulations") or any enabling legislation or executive order relating thereto (which for the avoidance of doubt shall include, but shall not be limited to (a) Executive Order 13224 of September 21, 2001 Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism (66 Fed. Reg. 49079 (2001)) (the "Executive Order") and (b) the Patriot Act. Furthermore, none of the Borrowers or their Affiliates (a) is or will become a "blocked person" as described in the Executive Order, the Trading With the Enemy Act or the Foreign Assets Control Regulations or (b) engages or will engage in any dealings or transactions, or otherwise associated, with any such "blocked person" or in any manner violative of any such order.

10.19 Time of the Essence. Time is of the essence of the Loan Documents.

10.20 Press Releases.

(a) Each Credit Party executing this Agreement agrees that neither it nor its Affiliates will in the future issue any press releases or other public disclosure using the name of the Agent or its Affiliates or referring to this Agreement or the other Loan Documents without at least two (2) Business Days' prior notice to the Agent and without the prior written consent of the Agent unless (and only to the extent that) such Credit Party or Affiliate is required to do so under applicable Law and then, in any event solely to the extent permitted by applicable Law, such Credit Party or Affiliate will consult with the Agent before issuing such press release or other public disclosure.

(b) The Agent and each Lender agree that such Person shall not in the future issue any press releases or other public disclosure using the name of the Lead Borrower or its Subsidiaries without at least two (2) Business Days' prior notice to the Agent and the Lead Borrower and without the prior written consent of the Agent and the Lead Borrower unless such Credit Party or Affiliate is required to do so under applicable Law or an Event of Default has occurred and is then continuing. Subject to the foregoing, each Loan Party consents to the publication by the Agent or any Lender of advertising material relating to the financing transactions contemplated by this Agreement using any Loan Party's name, product photographs, logo or trademark with the Lead Borrower's consent (to the extent required pursuant to the immediately preceding sentence), which consent (if so required) shall not be unreasonably withheld, conditioned or delayed; provided that after the passage of five (5) Business Days from receipt of written notice to the Lead Borrower from the Agent or any Lender of a proposed press release or other public disclosure without the Lead Borrower giving the Agent written notice of the Lead Borrower's objection to such press release or other public disclosure, the Lead Borrower shall be deemed to have consented thereto); provided further that the Agent or such Lender shall provide a draft reasonably in advance of any advertising material to the Lead Borrower for review and comment prior to the publication thereof. The Agent reserves the right to provide to industry trade organizations information necessary and customary for inclusion in league table measurements.

10.21 Additional Waivers.

(a) The Obligations are the joint and several obligation of each Loan Party. To the fullest extent permitted by Law, the obligations of each Loan Party shall not be affected by (i) the failure of any Credit Party to assert any claim or demand or to enforce or exercise any right or remedy against any other Loan Party under the provisions of this Agreement, any other Loan Document or otherwise, (ii) any rescission, waiver, amendment or modification of, or any release from any of the terms or provisions of, this Agreement or any other Loan Document, (iii) the failure to perfect any security interest in, or the release of, any of the Collateral or other security held by or on behalf of the Agent or any other Credit Party, or (iv) any default, failure or delay, willful or otherwise, in the performance of any of the Obligations, or by any other act or omission that may or might in any manner or to any extent vary the risk of any Loan Party or that would otherwise operate as a discharge of any Loan Party as a matter of law or equity (other than the payment in full in cash of all the Obligations after the termination of the Commitments). The obligations of each Loan Party shall not be subject to any reduction, limitation, impairment or termination for any reason (other than the payment in full in cash of the Obligations after the termination of the Commitments), including any claim of waiver, release, surrender, alteration or compromise of any of the Obligations, and shall not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of any of the Obligations or otherwise.

(b) To the fullest extent permitted by applicable Law, each Loan Party waives any defense based on or arising out of any defense of any other Loan Party or the unenforceability of the Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any other Loan Party, other than the payment in full in cash of all the Obligations and the termination of the Commitments. The Agent and the other Credit Parties may, at their election, foreclose on any security held by one or more of them by one or more judicial or non-judicial sales, accept an assignment of any such security in lieu of foreclosure, compromise or adjust any part of the Obligations, make any other accommodation with any other Loan Party, or exercise any

other right or remedy available to them against any other Loan Party, without affecting or impairing in any way the liability of any Loan Party hereunder except to the extent that all of the Obligations have been indefeasibly paid in full in cash and the Commitments have been terminated. To the extent permitted by applicable Law, each Loan Party waives any defense arising out of any such election even though such election operates, pursuant to applicable Law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Loan Party against any other Loan Party, as the case may be, or any security.

(c) Upon payment by any Loan Party of any Obligations, all rights of such Loan Party against any other Loan Party arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subordinate and junior in right of payment to the prior payment in full in cash of all of the Obligations and the termination of the Commitments. In addition, any indebtedness of any Loan Party now or hereafter held by any other Loan Party is hereby subordinated in right of payment to the prior payment in full of the Obligations and no Loan Party will demand, sue for or otherwise attempt to collect any such indebtedness. If any amount shall erroneously be paid to any Loan Party on account of (i) such subrogation, contribution, reimbursement, indemnity or similar right or (ii) any such indebtedness of any Loan Party, such amount shall be held in trust for the benefit of the Credit Parties and shall forthwith be paid to the Agent to be credited against the payment of the Obligations, whether matured or unmatured, in accordance with the terms of this Agreement and the other Loan Documents. Subject to the foregoing, to the extent that any Borrower shall, under this Agreement as a joint and several obligor, repay any of the Obligations constituting Loans made to another Borrower hereunder or other Obligations incurred directly and primarily by any other Borrower (an "Accommodation Payment"), then the Borrower making such Accommodation Payment shall be entitled to contribution and indemnification from, and be reimbursed by, each of the other Borrowers in an amount, for each of such other Borrowers, equal to a fraction of such Accommodation Payment, the numerator of which fraction is such other Borrower's Allocable Amount and the denominator of which is the sum of the Allocable Amounts of all of the Borrowers. As of any date of determination, the "Allocable Amount" of each Borrower shall be equal to the maximum amount of liability for Accommodation Payments which could be asserted against such Borrower hereunder without (a) rendering such Borrower "insolvent" within the meaning of Section 101 (32) of the Bankruptcy Code, Section 2 of the Uniform Fraudulent Transfer Act ("UFTA") or Section 2 of the Uniform Fraudulent Conveyance Act ("UFCA"), (b) leaving such Borrower with unreasonably small capital or assets, within the meaning of Section 548 of the Bankruptcy Code, Section 4 of the UFTA, or Section 5 of the UFCA, or (c) leaving such Borrower unable to pay its debts as they become due within the meaning of Section 548 of the Bankruptcy Code or Section 4 of the UFTA, or Section 5 of the UFCA.

(d) Without limiting the generality of the foregoing, or of any other waiver or other provision set forth in this Agreement, each Loan Party hereby absolutely, knowingly, unconditionally, and expressly waives any and all claim, defense or benefit arising directly or indirectly under any one or more of Sections 2787 to 2855 inclusive of the California Civil Code or any similar law of California.

10.22 No Strict Construction.

The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement.

10.23 Attachments.

The exhibits and schedules attached to this Agreement are incorporated herein and shall be considered a part of this Agreement for the purposes stated herein, except that in the event of any conflict between any of the provisions of such exhibits and schedules and the provisions of this Agreement, the provisions of this Agreement shall prevail.

10.24 Electronic Execution of Assignments and Certain Other Documents.

The words "execute," "execution," "signed," "signature," and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

10.25 Keepwell.

Each Loan Party that is a Qualified ECP Guarantor at the time the guaranty set forth in the Facility Guaranty or the grant of a security interest under the Loan Documents, in each case, by any Specified Loan Party becomes effective with respect to any Swap Obligation, hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support to each Specified Loan Party with respect to such Swap Obligation as may be needed by such Specified Loan Party from time to time to honor all of its obligations under the Loan Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP Guarantor's obligations and undertakings under the Facility Guaranty voidable under applicable Law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor under this Section 10.25 shall remain in full force and effect until the Obligations have been indefeasibly paid in full. Each Loan Party intends this Section to constitute, and this Section 10.25 shall be deemed to constitute, a guarantee of the obligations of, and a "keepwell, support, or other agreement" for the benefit of, each Specified Loan Party for all purposes of the Commodity Exchange Act.

10.26 Acknowledgment and Consent to Bail-In of EEA Financial Institutions.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

10.27 Amendment and Restatement.

This Agreement is an amendment and restatement of the Existing Credit Agreement, it being acknowledged and agreed that as of the Effective Date all obligations outstanding under or in connection with the Existing Credit Agreement and any of the other Loan Documents (such obligations, collectively, the "Existing Obligations") constitute obligations under this Agreement. This Agreement is in no way intended to constitute a novation of the Existing Credit Agreement or the Existing Obligations. With respect to (i) any date or time period occurring and ending prior to the Effective Date, the Existing Credit Agreement and the other Loan Documents shall govern the respective rights and obligations of any party or parties hereto also party thereto and shall for such purposes remain in full force and effect; and (ii) any date or time period occurring or ending on or after the Effective Date, the rights and obligations of the parties hereto shall be governed by this Agreement (including, without limitation, the exhibits and schedules hereto) and the other Loan Documents. From and after the Effective Date, any reference to the Existing Credit Agreement in any of the other Loan Documents executed or issued by and/or delivered to any one or more parties hereto pursuant to or in connection therewith shall be deemed to be a reference to this Agreement, and the provisions of this Agreement shall prevail in the event of any conflict or inconsistency between such provisions and those of the Existing Credit Agreement.

"**ABL Intercreditor Agreement**" means the ABL Intercreditor Agreement among the Agent, Cortland Capital Market Services LLC, as agent under the Term Loan Credit Agreement and the representatives for purposes thereof for holders of one or more other classes of Indebtedness, the Lead Borrower and the other parties thereto, as amended, restated, supplemented or otherwise modified from time to time in accordance with the requirements thereof and of this Agreement, and which shall also include any replacement intercreditor agreement entered into in accordance with the terms hereof.

"**First Amendment Effective Date**" means June 14, 2019.

"**Term Loan Credit Agreement**" means the Term Loan Credit Agreement, dated as of the First Amendment Effective Date, among Holdings, the Lead Borrower, Cortland Capital Market Services LLC, as administrative agent and collateral agent, and the lenders from time to time parties thereto, as such agreement may be amended, supplemented, waived or otherwise modified from time to time to the extent permitted hereunder and any Permitted Refinancing in respect thereof (unless such agreement, instrument or document expressly provides that it is not intended to be and is not a Term Loan Credit Agreement) in each case to the extent permitted hereunder.

"**Term Loan Documents**" means, collectively, (i) the Term Loan Credit Agreement and (ii) the security documents, intercreditor agreements (including the ABL Intercreditor Agreement), guarantees, joinders and other agreements or instruments executed in connection with the Term Loan Facility or such other agreements, in each case, as amended, modified, supplemented, substituted, replaced, restated or refinanced, in whole or in part, from time to time including in connection with Permitted Refinancing of the Term Loan Facility.

"**Term Loan Facility**" means the collective reference to the Term Loan Credit Agreement, the Term Loan Documents, any notes issued pursuant thereto and any guarantee, security agreement, patent, trademark or copyright security agreements, mortgages and other guarantees, pledge agreements, security agreements and collateral documents, and other instruments and documents, executed and delivered pursuant to or in connection with any of the foregoing, in each case as the same may be amended, supplemented, waived or otherwise modified from time to time to the extent permitted hereunder and any Permitted Refinancing in respect thereof (unless such agreement, instrument or document expressly provides that it is not intended to be and is not a Term Loan Facility), in each case to the extent permitted hereunder.

"**Term Loan Obligations**" means "Obligations" as defined in the Term Loan Facility as in effect on the date hereof.

(j) Article I of the Existing ABL Credit Agreement is hereby amended by adding the following new Sections 1.08 and 1.09 at the end thereof:

"**1.08 Divisions**. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Equity Interests at such time.

1.09 LIBOR Discontinuation. Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, if the Agent determines (which determination shall be conclusive absent manifest error), or the Lead Borrower or Required Lenders notify the Agent (with, in the case of the Required Lenders, a copy to the Lead Borrower) that the Lead Borrower or Required Lenders (as applicable) have determined, that:

(a) adequate and reasonable means do not exist for ascertaining the London Interbank Offered Rate ("LIBOR") as used in the definition of "LIBOR Rate" for any requested Interest Period, including, without limitation, because the LIBOR Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary; or

(b) the administrator of the LIBOR Screen Rate or a Governmental Authority having jurisdiction over the Agent has made a public statement identifying a specific date after which LIBOR or the LIBOR Screen Rate shall no longer be made available, or used for determining the interest rate of loans (such specific date, the "**Scheduled Unavailability Date**"), or

(c) syndicated loans currently being executed, or that include language similar to that contained in this Section, are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace LIBOR,

then, reasonably promptly after such determination by the Agent or receipt by the Agent of such notice, as applicable, the Agent and the Lead Borrower may amend this Agreement to replace LIBOR with an alternate benchmark rate (including any mathematical or other adjustments to the benchmark (if any) incorporated therein) (any such proposed rate, a "**LIBOR Successor Rate**"), together with any proposed LIBOR Successor Rate Conforming Changes (as defined below) and any such amendment shall become effective at 5:00 p.m. (New York time) on the fifth Business Day after the Agent shall have posted such proposed amendment to all Lenders and the Lead Borrower unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Agent written notice that such Required Lenders do not accept such amendment.

If no LIBOR Successor Rate has been determined and the circumstances under clause (i) above exist or the Scheduled Unavailability Date has occurred (as applicable), the Agent will promptly so notify the Lead Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain LIBOR Rate Loans shall be suspended, (to the extent of the affected LIBOR Rate Loans or Interest Periods), and (y) the LIBOR Rate component shall no longer be utilized in determining the Base Rate. Upon receipt of such notice, the Lead Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of LIBOR Rate Loans (to the extent of the affected LIBOR Rate Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans (subject to the foregoing clause (y)) in the amount specified therein.

Notwithstanding anything else herein, any definition of LIBOR Successor Rate shall provide that in no event shall such LIBOR Successor Rate be less than zero for purposes of this Agreement.

As used in this Section 1.08:

"**LIBOR Screen Rate**" means the LIBOR quote on the applicable screen page the Agent designates to determine LIBOR (or such other commercially available source providing such quotations as may be designated by the Agent from time to time).

"**LIBOR Successor Rate Conforming Changes**" means, with respect to any proposed LIBOR Successor Rate, any conforming changes to the definition of Base Rate, Interest Period, timing and frequency of determining rates and making payments of interest and other administrative matters as may be appropriate, in the discretion of the Agent, to reflect the adoption of such LIBOR Successor Rate and to permit the administration thereof by the Agent in a manner substantially consistent with market practice (or, if the Agent determines that adoption of any portion of such market practice is not administratively feasible or that no market practice for the administration of such LIBOR Successor Rate exists, in such other manner of administration as the Agent determines in consultation with the Lead Borrower)."

(k) Section 6.01(b) (Financial Statements) of the Existing ABL Credit Agreement is hereby amended by adding "(or, with respect to the Fiscal Quarter ending May 4, 2019, within sixty (60) days)" after "forty-five (45) days" in the first line thereof.

(l) Section 6.10 (Inspection Rights) of the Existing ABL Credit Agreement is hereby amended by deleting each reference to "$12,500,000" therein and by substituting "$10,000,000" in its stead.

(m) Section 7.10 (Burdensome Agreements) of the Existing ABL Credit Agreement is hereby amended by adding "or any Term Loan Document" after "Loan Document" in the second line thereof.

(n) Section 8.01(e) (Cross-Default) of the Existing ABL Credit Agreement is hereby amended by amending and restating such section in its entirety as follows:

"(e) Cross-Default. Any Loan Party or any Restricted Subsidiary thereof (A) fails to make any payment when due (whether by scheduled maturity, required prepayment, acceleration, demand, or otherwise) in respect of any Material Indebtedness, or (B) fails to observe or perform any other agreement or condition relating to any such Material Indebtedness or contained in any instrument or agreement evidencing, securing or relating thereto, or any other event occurs, the effect of which default or other event is to cause, or to permit the holder or holders of such Material Indebtedness or the beneficiary or beneficiaries of any Guarantee thereof (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice if required, such Indebtedness to be demanded or to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, prior to its stated maturity or such Guarantee to become payable or cash collateral in respect thereof to be demanded; provided, that, in the case of clause (B), a default under the Financial Covenants (as defined in the Term Loan Credit Agreement) in the Term Loan Credit Agreement shall not constitute a Default or Event of Default under this Agreement unless and until the earlier of (x) sixty (60) days after such default under the Term Loan Credit Agreement or (y) the lenders under the Term Loan Credit Agreement shall have accelerated the Term Loan Obligations and such acceleration shall not have been rescinded, or"

2. Representations and Warranties. To induce the other parties hereto to enter into this Agreement, the Loan Parties represent and warrant to each of the Lenders party hereto and the Agent that, after giving effect to this Agreement:

(a) The execution, delivery and performance of this Agreement by the Loan Parties and the consummation of the transactions contemplated herein are within the Loan Parties' corporate or other organizational powers.

(b) This Agreement has been duly executed and delivered by each Loan Party and constitutes a legal, valid and binding obligation of such Loan Party enforceable against each such Loan Party in accordance with its terms, except as such enforceability may be limited by Debtor Relief Laws and by general principles of equity and principles of good faith and fair dealing.

3. Conditions Precedent. This Agreement and the amendments set forth in Section 1 of this Agreement shall become effective on the first date when:

(a) the Agent has received counterparts of this Agreement, each of which shall be originals or .pdf copies or other facsimiles unless otherwise specified, duly executed and delivered by (x) the Lenders constituting the Required Lenders, (y) the Loan Parties and (z) the Agent;

(b) the Agent shall have received the ABL Intercreditor Agreement, acknowledged and delivered by the Loan Parties; and

(c) all reasonable and documented out-of-pocket costs and expenses (including, without limitation, the reasonable and documented fees, charges and disbursements of counsel for the Agent) of the Agent and the Lenders in connection with this Agreement and the transactions contemplated hereby shall have been paid, to the extent invoiced.

Without limiting the generality of the provisions of Section 10.01(a) of the Amended ABL Credit Agreement, for purposes of determining compliance with the conditions specified in this Section 3, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, this Agreement or other matter required hereunder to be consented to or approved by or acceptable or satisfactory to a Lender.

4. Confirmation. Each Loan Party (a) confirms its obligations under the Loan Documents, (b) confirms that its obligations under the Existing ABL Credit Agreement as modified hereby are entitled to the benefits of the Liens and pledges set forth in the Loan Documents and remain in full force and effect and (c) agrees that the Existing ABL Credit Agreement as modified hereby is the "Credit Agreement" under and for all purposes of the Loan Documents.

5. Amendment, Modification and Waiver. This Agreement may not be amended, modified or waived except in accordance with the Amended ABL Credit Agreement. The execution, delivery and effectiveness of this Agreement shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of any Lender or the Agent under any of the Loan Documents, nor constitute a waiver of any provision of any of the Loan Documents.

6. Loan Document. This Agreement shall constitute a Loan Document for all purposes of the Amended ABL Credit Agreement and the other Loan Documents.

7. Governing Law, Etc. **THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK. SECTIONS 10.12, 10.14 AND 10.15 OF THE AMENDED ABL CREDIT AGREEMENT ARE HEREBY INCORPORATED BY REFERENCE, *MUTATIS MUTANDIS*.**

8. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier or other electronic transmission of an executed counterpart of a signature page to this Agreement shall be effective as delivery of an original executed counterpart of this Agreement.

[*Remainder of Page Intentionally Left Blank*]

1. Amendments to the Existing ABL Credit Agreement. The Existing ABL Credit Agreement is hereby amended as follows:

(a) Section 1.01 of the Existing ABL Credit Agreement is hereby amended by adding the following definitions thereto in appropriate alphabetical order:

"**Independent Assets or Operations**" means, with respect to any Parent Company, that Parent Company's' total assets, revenues, income from continuing operations before income taxes and cash flows from operating activities (excluding in each case amounts related to its investment in the Lead Borrower and its Subsidiaries), determined in accordance with GAAP and as shown on the most recent balance sheet of such Parent Company, is more than 3.0% of such Parent Company's corresponding consolidated amount.

"**Parent Company**" means any Person so long as such Person directly or indirectly holds 100.0% of the total voting power of the Equity Interests of the Lead Borrower.

(b) Section 6.01 of the Existing ABL Credit Agreement is hereby amended by adding the following new paragraph immediately following clause (d) thereof:

"Notwithstanding the foregoing, the obligations referred to in Sections 6.01(a) through 6.01(c) may be satisfied with respect to financial information of the Lead Borrower and its Restricted Subsidiaries by furnishing (A) the applicable financial statements of any Parent Company or (B) the Lead Borrower's or such Parent Company's Form 10-K or 10-Q, as applicable, filed with the SEC (and the public filing of such report with the SEC shall constitute delivery under this Section

6.01); provided that with respect to each of the preceding clauses (A) and (B), (1) to the extent such information relates to a Parent Company of the Lead Borrower, if and so long as such Parent Company will have Independent Assets or Operations, such information is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such Parent Company and its Independent Assets or Operations, on the one hand, and the information relating to the Lead Borrower and the consolidated Restricted Subsidiaries on a stand-alone basis, on the other hand and (2) to the extent such information is in lieu of information required to be provided under Section 6.01(a) (it being understood that such information may be audited at the option of the Lead Borrower), such materials are accompanied by a report and opinion of a Registered Public Accounting Firm of nationally recognized standing reasonably acceptable to the Agent, which report and opinion shall be prepared in accordance with generally accepted auditing standards and shall not be subject to any "going concern" or like qualification or exception or any qualification or exception as to the scope of such audit or be subject to any explanatory statement (other than an "emphasis of matter" paragraph) as to the Lead Borrower's ability to continue as a "going concern" or like qualification (other than with respect to (i) the impending maturity of any Material Indebtedness or (ii) any actual or prospective breach of any financial maintenance covenant)."

2. Representations and Warranties. To induce the other parties hereto to enter into this Agreement, the Loan Parties represent and warrant to each of the Lenders party hereto and the Agent that, after giving effect to this Agreement:

(a) The execution, delivery and performance of this Agreement by the Loan Parties and the consummation of the transactions contemplated herein are within the Loan Parties' corporate or other organizational powers.

(b) This Agreement has been duly executed and delivered by each Loan Party and constitutes a legal, valid and binding obligation of such Loan Party enforceable against each such Loan Party in accordance with its terms, except as such enforceability may be limited by Debtor Relief Laws and by general principles of equity and principles of good faith and fair dealing.

3. Conditions Precedent. This Agreement and the amendments set forth in Section 1 of this Agreement shall become effective on the first date when:

(a) the Agent has received counterparts of this Agreement, each of which shall be originals or .pdf copies or other facsimiles unless otherwise specified, duly executed and delivered by (x) the Lenders constituting the Required Lenders, (y) the Loan Parties and (z) the Agent; and

(b) all reasonable and documented out-of-pocket costs and expenses (including, without limitation, the reasonable and documented fees, charges and disbursements of counsel for the Agent) of the Agent and the Lenders in connection with this Agreement and the transactions contemplated hereby shall have been paid, to the extent invoiced.

Without limiting the generality of the provisions of Section 10.01(a) of the Amended ABL Credit Agreement, for purposes of determining compliance with the conditions specified in this Section 3, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, this Agreement or other matter required hereunder to be consented to or approved by or acceptable or satisfactory to a Lender.

4. Confirmation. Each Loan Party (a) confirms its obligations under the Loan Documents, (b) confirms that its obligations under the Existing ABL Credit Agreement as modified hereby are entitled to the benefits of the Liens and pledges set forth in the Loan Documents and remain in full force and effect and (c) agrees that the Existing ABL Credit Agreement as modified hereby is the "Credit Agreement" under and for all purposes of the Loan Documents.

5. Amendment, Modification and Waiver. This Agreement may not be amended, modified or waived except in accordance with the Amended ABL Credit Agreement. The execution, delivery and effectiveness of this Agreement shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of any Lender or the Agent under any of the Loan Documents, nor constitute a waiver of any provision of any of the Loan Documents.

6. Loan Document. This Agreement shall constitute a Loan Document for all purposes of the Amended ABL Credit Agreement and the other Loan Documents.

7. Governing Law, Etc**. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK. SECTIONS 10.12, 10.14 AND 10.15 OF THE AMENDED ABL CREDIT AGREEMENT ARE HEREBY INCORPORATED BY REFERENCE, *MUTATIS MUTANDIS*.**

8. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier or other electronic transmission of an executed counterpart of a signature page to this Agreement shall be effective as delivery of an original executed counterpart of this Agreement.

This AMENDED AND RESTATED SERVICES AGREEMENT (this "Agreement"), dated as of March 21, 2019, is entered into by and between Hot Topic, Inc., a California corporation ("Hot Topic"), and Torrid LLC, a California limited liability company ("Torrid" and, together with Hot Topic, each a "Party" and together the "Parties").

W I T N E S S E T H:

WHEREAS, Hot Topic and Torrid were previously parties to that certain Transition Services Agreement, dated as of May 1, 2015 (the "TSA");

WHEREAS, Hot Topic and Torrid terminated the TSA and the services thereunder and entered into that certain Services Agreement dated as of June 2, 2017 (the "Services Agreement"), pursuant to which Hot Topic agreed to provide certain services to Torrid on the terms and conditions contained in the Services Agreement;

WHEREAS, the Parties now desire to amend and restate the Services Agreement through this Agreement; and

WHEREAS, the Parties hereby now amend and restate the Services Agreement in its entirety and replace the Services Agreement in its entirety with this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, together with other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE I
Services and Compensation

1.1 Services. Torrid hereby engages Hot Topic to provide, and Hot Topic hereby agrees to provide or cause to be provided in accordance with this Agreement, to and for the benefit of Torrid those services described in the Schedules attached hereto (each such scheduled service, a "Service") until the earlier of (i) the expiration of the Term or (ii) such time as any or all of such Services are terminated in accordance with Section 2.2. Hot Topic may provide the Services through one or more of its Affiliates; provided that Hot Topic shall remain responsible for the provision thereof.

1.2 Compensation for Services.

(a) In consideration for the Services provided to Torrid hereunder, Torrid shall pay Hot Topic the amounts specified in the Schedules attached hereto (collectively, the "Fees") and shall reimburse Hot Topic for the actual and documented out-of-pocket expenses (the "Additional Expenses") reasonably incurred by Hot Topic in providing such Services; provided that Torrid shall not be obligated to reimburse Hot Topic for any Additional Expenses unless such Additional Expenses have been approved by Torrid in advance (such approval not to be unreasonably withheld, conditioned or delayed). The Fees are subject to (i) increase or decrease based upon changes in Torrid's business operations and forecasts, in each case, to the extent specified in the Schedules attached hereto, (ii) increase as provided for below in this Section 1.2(a) and (iii) decrease in the event that Torrid terminates one or more Services in accordance with

Section 2.2(b). The Parties acknowledge that the calculation of the Fees for each of the Services hereunder is intended to reflect an allocation of the costs to provide such Services as is consistent with that in effect as of the date of this Agreement and to permit Hot Topic to receive reimbursement of its out-of-pocket costs incurred to provide such Services. Accordingly, in furtherance of the foregoing, no later than thirty (30) days prior to the end of each calendar year during the Term, the Parties shall convene to negotiate in good faith any potential increase to the Fees for the Services for the immediately succeeding calendar year that are attributable to increases in such costs to Hot Topic to provide such Services for such calendar year (e.g., increases in labor costs, travel and related costs, third party costs, etc.). Any increase in such costs shall be allocated as between Hot Topic and Torrid in a manner that is consistent with the allocation of such costs as in effect as of the date of this Agreement (it being agreed that such allocation may change based on an increase or decrease in the respective business operations of each of Hot Topic and Torrid). Subject to the preceding sentence, so long as Hot Topic provides Torrid with reasonably satisfactory documentation evidencing the aforementioned increase in its out-of-pocket costs to provide Torrid the applicable Service for the immediately succeeding calendar year, the Fees for such Service shall be so increased; provided that, any increase in Fees for any such Service of more than 10% shall require Torrid's prior written consent.

(b) Torrid acknowledges and agrees that as of the date hereof, Hot Topic has incurred or has made a binding commitment to incur on behalf of Torrid certain costs and expenses with respect to the items set forth on Annex A attached hereto (the "Pre-Approved Expenses") in connection with its performance of the Services. Torrid further acknowledges and agrees that Hot Topic would not have made any of the Pre-Approved Expenses absent Torrid's entry into this Agreement and agreement to engage Hot Topic for the provision of Services for the duration of the Term. Accordingly, Torrid hereby agrees that such Pre-Approved Expenses shall constitute Additional Expenses that are payable by Torrid in accordance with Section 1.2(a) and, notwithstanding any early termination by Torrid of any of the Services hereunder in accordance with Section 2.2(b), Torrid shall remain liable for such Pre-Approved Expenses to the extent provided for on Annex A attached hereto. Without limiting Torrid's obligations for such Pre-Approved Expenses as provided for in this Section 1.2(b), Hot Topic agrees that in the event the applicable Service to which such Pre-Approved Expense relates is terminated in accordance with Section 2.2(b) Hot Topic shall use its commercially reasonable efforts to mitigate any damages resulting therefrom.

(c) The Fees and any Additional Expenses shall be invoiced (an "Invoice") monthly by Hot Topic, in advance, on the first (1st) day of each fiscal month; provided that the Fees labeled as "Variable Costs based on usage" set forth on Schedule 2 shall be invoiced monthly by Hot Topic, in arrears, within thirty (30) days after the end of each fiscal month. All Invoices shall be payable by Torrid no later than thirty (30) days after the date of the Invoice from Hot Topic (the date on which a payment is due, the "Invoice Due Date").

1.3 Late Payments. Any payments owing to Hot Topic pursuant to this Agreement that are not paid when due (other than as a result of a delay directly caused by Hot Topic or its Affiliates) shall bear interest at the rate of three (3) percent per annum (the "Late Payment Rate"), calculated from the date such amount was due until the date payment is received; provided that the Late Payment Rate shall not exceed the highest lawful rate of interest; provided, further, that if Torrid disputes in good faith any amount set forth on an Invoice and it is finally determined that

Torrid is not obligated to pay such disputed amount, then Torrid shall not be obligated to pay any interest (including interest at the Late Payment Rate) on such disputed amount. For clarity, Torrid shall have the right to withhold from payment any amounts it disputes in good faith, it being agreed that any undisputed amounts will be due and payable on the applicable Invoice Due Date.

1.4 Capital Investments.

(a) Hot Topic shall from time to time make such capital investments as are required in order to provide and/or support performance of the Services. Except to the extent otherwise provided in Section 1.4(b), (i) costs incurred by Hot Topic in connection with such capital investments shall be borne by Hot Topic and shall not be reimbursed by Torrid nor shall any such costs be included in Fees or Additional Expenses chargeable to Torrid and (ii) Hot Topic shall retain title to such capital investments.

(b) Notwithstanding anything to the contrary contained in Section 1.4(a), costs directly incurred by Hot Topic with respect to any capital investments incurred by Hot Topic specifically on behalf of, at the request, and with the prior written approval, of Torrid shall be for the account of Torrid and shall be included in (*i.e.*, added to) the Fees for which Torrid will be invoiced pursuant to Section 1.2 (it being agreed that there shall be no allocation of any of Hot Topic's internal costs and there shall be no mark-up with respect to any such capital investment (*i.e.*, such capital investments shall be billed to Torrid at Hot Topic's actual and reasonable direct out-of-pocket cost therefor)). Torrid shall retain title to any such capital investments. In the event that Torrid either terminates this Agreement or the provision of the Service with respect to which such capital investment was made, in each case, prior to the end of the Term pursuant to Section 2.2(b), Torrid shall remain responsible for the aforementioned costs.

1.5 Taxes. The amount of any actual and documented sales tax, value added tax, use tax, rent tax, goods and services tax or similar tax (excluding taxes on Hot Topic's income or ownership of property) that is required to be paid by Hot Topic in connection with the Services provided hereunder are included in the Fees for the Services as provided in the applicable Schedules and shall be payable monthly by Torrid as part of the monthly Invoice from Hot Topic.

1.6 Record Keeping. During the Term (as defined below), Hot Topic shall maintain the agreements, documents, books, records and files relating to its and its Affiliates' provision of Services hereunder (collectively, the "Records") and shall permit representatives of Torrid to have reasonable access upon ten (10) business days' prior written notice to Hot Topic and during normal business hours and in a manner so as not to unreasonably interfere with Hot Topic's normal operations, to all personnel and accountants having knowledge concerning its provision of Services and to its Records pertaining to its provision of Services. During the Term, upon ten (10) business days' prior written notice from Torrid and so long as it does not unreasonably interfere with Hot Topic's normal operations, Hot Topic shall furnish or cause to be furnished to Torrid and its representatives, employees, counsel and accountants access, during normal business hours, to Records relating to the Services provided by it and its Affiliates and shall permit such persons to examine and copy, at Torrid's sole cost and expense, such Records to the extent reasonably requested as reasonably necessary for financial reporting and accounting matters, the preparation and filing of any returns, reports or forms or defense of any third-party claim or assessment. Torrid agrees to cooperate so that such access does not unreasonably disrupt the normal operations of Hot Topic.

1.7 Standard of Performance; Standard of Care; Service Levels. Hot Topic shall perform the Services (a) in a professional and workmanlike manner at substantially the same standards of performance as in effect immediately prior to the date hereof and using the same degree of care as it exercises in performing the same or similar services to its operations, with priority equal to that provided to its own businesses, and (b) in accordance with any specific performance standards or performance metrics set forth in the Schedules attached hereto. For further clarity, Hot Topic shall not discriminate against Torrid in the allocation and prioritization of resources and services or otherwise in the provision of the Services. It is the intention of the Parties that Torrid's use of any Service shall be at the level of use required as of the date of this Agreement and Hot Topic hereby agrees to provide Services that satisfy such level of use; provided that, the Parties shall discuss in good faith any appropriate adjustments to the service level for any Service (whether based upon Torrid's forecasts of such Services or otherwise).

1.8 Nature of the Services/Changes. Each of Hot Topic and Torrid acknowledges that Hot Topic may make changes or modifications from time to time for operational and other reasons to the specifications of any Services involving systems and associated computer programs, products, equipment and services or the manner of performing the Services; provided that (a) no such changes or modifications shall limit Hot Topic's obligation to provide the Services in accordance with the standards provided for herein, (b) Hot Topic shall schedule and implement such changes and modifications in a manner designed to minimize any potential interruption or adverse effects to the greatest extent possible, and (c) Hot Topic shall provide to Torrid reasonable advance notice of (i) any material changes or modifications, regardless of anticipated effect on Service delivery, and (ii) any changes or modifications that may disrupt the Services in any material respect.

1.9 Use of Third Parties. In those instances in which the provision of a Service by Hot Topic requires the use of a third-party product or service that will require payment of additional consideration by Hot Topic, and the payment of such consideration is not contemplated by this Agreement (including the Schedules hereto, as applicable) or has not been previously agreed by the Parties, then Hot Topic will provide Torrid with thirty (30) days' prior written notice detailing the amount of such additional consideration and Torrid will then have the option to (a) procure its own third-party products or services at its own expense for such Service(s) (in which case, Torrid shall not be required to pay the Fees or any Additional Expenses in respect of such Service(s) or, for the avoidance of doubt, the additional consideration contemplated by this Section 1.9) or (b) authorize Hot Topic to incur the required additional consideration on its behalf and at Torrid's expense and such additional consideration (without mark-up) will be billable as Fees to Torrid under this Agreement.

1.10 Intellectual Property.

(a) Each Party and their respective Affiliates shall retain ownership of all right, title and interest in and to the respective Intellectual Property owned or controlled by them and any and all improvements, modifications and derivative works thereof. Subject to any other written agreement between the Parties, neither Party shall acquire any right, title or interest, express or implied, in or to such Intellectual Property of the other Party.

(b) All data created by Hot Topic on behalf of Torrid in connection with the performance of the Services or Additional Services (as defined below) or delivered to Torrid in connection with the provision of a Service or Additional Service (as defined below), and in each case, relating exclusively to the business of Torrid, shall be owned by Torrid. Hot Topic shall provide to Torrid access to any such data at all times throughout the Term and shall provide to Torrid a complete copy of such data as may be requested by Torrid from time to time.

1.11 Additional Services. Torrid may, upon written notice to Hot Topic, identify and request that Hot Topic provide to it additional services that are reasonably related to the Services or that were provided by Hot Topic to it prior to the date of this Agreement (the "Additional Services"). To the extent any Additional Services are so requested by Torrid, Hot Topic will consider in good faith such request. If and to the extent that the Parties mutually agree on the provision by Hot Topic to Torrid of such service (including the nature thereof, the length of time for which such service will be provided and any incremental Fees payable therefor), the Parties will enter into an amendment to this Agreement to add such service to the Schedules hereto and and such Additional Service shall thereupon be deemed to be a "Service" hereunder for all purposes hereof.

1.12 Cooperation. The Parties shall cooperate in good faith with each other to carry out the intent of this Agreement, including by providing any reasonably requested information to each other and/or third parties that may be reasonably necessary for the provision of the Services hereunder. In furtherance of the foregoing, in connection with the delivery by Torrid of any forecasts contemplated by this Agreement and/or the Schedules attached hereto, Torrid shall also provide Hot Topic (in a manner consistent with that in effect as of the date of this Agreement) with such information, documentation and data as is reasonably required by Hot Topic in order for Hot Topic to arrange and/or plan for the provision of the Services to which such forecasts relate for the succeeding calendar year.

1.13 Title to Assets; Methods, etc.; Ownership of Products

(a) Except in respect of capital investments as set forth in Section 1.4(b), all procedures, methods, systems, strategies, tools, equipment, facilities and other resources used by Hot Topic in connection with the provision of Services hereunder shall remain the property of Hot Topic and shall at all times be under the sole direction and control of Hot Topic.

(b) Notwithstanding any other provision of this Agreement, and except as otherwise expressly provided in the Schedules or in a separate written agreement that is not, by its terms, superseded by this Agreement, title to all products or other materials that are transported, shipped, warehoused or otherwise held in the custody of Hot Topic on behalf of Torrid shall at all times remain with Torrid, and Torrid shall at all times be the owner of record of such products or other materials, and, subject to Article III, shall be solely responsible for any matters arising from or relating to such products or other materials.

1.14 Oversight, Access, and Inspection.

(a) Hot Topic shall make available to Torrid, during normal working hours (and after hours for emergency or other extraordinary purposes, to the extent consistent with Hot Topic's general practice with respect to any particular personnel), all personnel of Hot Topic, whether employees or contractors, involved in the provision of Services hereunder, to allow Torrid to (i) ask questions, request information, or address issues relating to the Services, (ii) request modifications to, or communicate priorities with respect to, the Services, or (iii) otherwise oversee the provision of the Services and validate that the Services are being provided in a manner consistent with the obligations set forth in this Agreement.

(b) Hot Topic shall, unless otherwise agreed to by Torrid for any particular data or system, provide real-time access (with read, write, copy, and extract privileges) to Torrid or its representatives to all data of Torrid residing on hardware, servers, or systems hosted by or on behalf of, or otherwise controlled by, Hot Topic.

(c) Hot Topic shall make available to Torrid, during normal hours of operations (and after hours for emergency or other extraordinary purposes), access to all facilities owned, leased, or otherwise controlled by or operated on behalf of, Hot Topic and from which Services are provided, to allow Torrid to inspect such facilities to validate that the manner in which, and locations from which, the Services are being provided are consistent with the obligations set forth in this Agreement and otherwise reasonably satisfactory to Torrid.

ARTICLE II
Term

2.1 Term. This Agreement shall become effective on the date hereof and shall remain in full force and effect until the third (3rd) anniversary of the date hereof or any later end date of the last Service to expire as set forth on the Schedules (as the same may be extended by mutual written agreement of the Parties or as the same may be extended for any particular Service(s) as set forth in the Schedules, the "Term"), unless earlier terminated in accordance with Section 2.2. Torrid specifically agrees and acknowledges that Hot Topic's obligations to provide the Services shall, to the extent not earlier terminated immediately cease upon expiration of the Term (unless the Term is extended by mutual written agreement of the Parties). Upon the cessation of Hot Topic's obligation to provide any Service, Torrid shall immediately cease using, directly or indirectly, such Services.

2.2 Termination.

(a) If either Party hereto (the "Defaulting Party") shall fail to perform in any material respect any of its material obligations under this Agreement, whether voluntarily or involuntarily or as a result of any law or regulation or otherwise, the other Party hereto shall have the option to terminate this Agreement upon written notice to the Defaulting Party specifying the nature of such failure and stating that the other Party intends to terminate this Agreement (or if such failure relates to a specific Service, to terminate such Service) if such failure is not cured within sixty (60) (or in the event of a failure to make any undisputed payment in accordance with Section 1.2 hereof, thirty (30)) days of such written notice; provided that good faith disputes with respect to the quality of service provided with respect to any given Service shall not be deemed to be a failure to perform a material obligation for purposes of this Section 2.2(a).

(b) At any time during the Term, unless a shorter or longer termination notice period is set forth in the Schedules for any particular Service (in which case such notice period in the Schedules shall apply), Torrid may terminate (i) any or all of the Services set forth on Schedule 1 and/or Schedule 2 attached hereto by providing not less than eighteen (18) months' prior written notice to Hot Topic or (ii) any or all of the Services set forth on Schedule 3 attached hereto by providing not less than ninety (90) days' prior written notice to Hot Topic, in each case, specifying the Service(s) to be terminated and the termination date therefor (which, for Services set forth on Schedule 1 and/or Schedule 2, must be at least eighteen (18) months from the date of such notice and for the Services set forth on Schedule 3, must be at least ninety (90) days from the date of such notice). Any such notice delivered by Torrid to Hot Topic shall be irrevocable. From and after the effective date of the termination as provided for above, Torrid shall have no further liability or obligation with respect to the Fees or Additional Expenses for such terminated Service(s), except for (w) any accrued and unpaid Fees or Additional Expenses for such terminated Service(s) that were performed prior to the effective date of such termination, (x) any costs for capital investments to the extent provided for in Section 1.4(b), (y) any Pre-Approved Expenses and (z) Disengagement Costs. If Torrid terminates less than all of the Services set forth on a particular Schedule (i.e., not all of the Services set forth on such Schedule) in accordance with this Section 2.2(b), the Parties will mutually negotiate in good faith an appropriate and reasonable reduction to the Fees payable by Torrid in respect of the provision of the Services that will continue following such termination.

(c) From the date, if any, on which Torrid delivers a notice of termination pursuant to Section 2.2(b) until the effective date of such termination (the "Transition Period"), Hot Topic shall continue to provide the Service(s) that is the subject of such notice of termination and shall also provide Torrid with any reasonable assistance and/or one-time projects reasonably necessary to disengage and transition such Service(s) from Hot Topic to Torrid (or its designee(s)); provided that Torrid shall continue to pay to Hot Topic the Fees and Additional Expenses with respect to such Service as provided for in Section 1.2 and shall also reimburse Hot Topic for any Disengagement Costs. In addition, during the Transition Period, upon the reasonable request of Torrid, the Parties shall use good faith efforts to facilitate the orderly and efficient transition of the applicable Service(s) from Hot Topic to Torrid or its designee(s). As used in this Agreement, "Disengagement Costs" shall mean, (i) with respect to such terminated Service(s), any and all direct out-of-pocket fees, costs and expenses incurred by Hot Topic or its Affiliates in connection with the termination of this Agreement and/or the cessation of the Service(s) hereunder, including cancellation and/or termination charges, costs and/or fees under third party contracts and reasonable out-of-pocket charges, costs, fees and/or expenses incurred by Hot Topic as a direct consequence of the termination of such Service(s) and (ii) solely in respect of the termination of any of the Services set forth on Schedule 2 attached hereto, the out-of-pocket costs of any severance payments contractually or legally required to be paid by Hot Topic directly as a result of Hot Topic's termination of employees who were providing such terminated Services; provided that, (A) Hot Topic may notify Torrid in advance of any such employees that it intends to terminate in connection with the termination of such Services and Torrid may, in its sole discretion, offer any or all of such employees the opportunity to become an employee of Torrid and (1) in the event that any such employee chooses to become an employee of Torrid and Hot Topic is notified in writing that such employee has accepted Torrid's offer of employment, Torrid shall have no liability or obligation to Hot Topic with respect to the Disengagement Costs in clause (ii) above that would have otherwise been payable to Hot Topic in respect of such employee(s), or (2) in the

event that any such employee chooses not to become an employee of Torrid, Torrid shall pay to Hot Topic such employee's severance payments as provided for in clause (ii) above, (B) any severance shall be payable solely with respect to those employees actually providing the terminated Services and who are terminated as a direct result of the termination of any Service for which severance is payable hereunder, and (C) Hot Topic shall use reasonable efforts (1) to redeploy employees providing Services to the extent there is excess demand for personnel for other Services or for Hot Topic's own business needs, and (2) otherwise mitigate any severance costs or other Disengagement Costs.

(d) In the event of the termination of this Agreement pursuant to this Article II, the provisions of this Agreement, except for the covenants and agreements of the Parties set forth herein which by their terms are intended to survive the termination of this Agreement until fully performed, shall forthwith become void and have no effect, without any liability on the part of any party or its respective directors, officers, employees, agents or stockholders; provided that no such termination shall relieve any Party of liability for breaches of this Agreement arising on or prior to such termination. Notwithstanding anything to the contrary contained herein, Article III and Sections 4.1 and 4.2 shall survive the termination of this Agreement.

ARTICLE III
Limitation on Liability and Indemnification

3.1 Limitation on Liability. In no event will either Party be liable for any indirect, special, punitive, incidental, lost profits or consequential damages in connection with or arising out of this Agreement, except to the extent such liability arises from the gross negligence or reckless or willful misconduct of, or violation of law by, a Party. In addition, Hot Topic's maximum liability (based on breach of warranty, breach of contract, negligence, strict liability in tort or any other legal or equitable theory) to Torrid in the event of any performance or non-performance under this Agreement for any Indemnifiable Losses (as defined below) shall in no event exceed the aggregate amount of the Fees paid or payable (as of the date of the performance or non-performance giving rise to such Indemnifiable Losses) by Torrid to Hot Topic under this Agreement, except to the extent such liability arises from the gross negligence, reckless or willful misconduct or violation of law by Hot Topic.

3.2 Indemnification.

(a) Generally.

(i) Torrid shall indemnify, defend and hold harmless Hot Topic and Hot Topic's officers, directors, affiliates, shareholders, employees and agents from and against any and all losses, claims, damages, liabilities, costs, charges or expenses (including without limitation, reasonable and documented out-of-pocket attorneys' fees and costs, amounts incurred in investigating or defending a Claim (as defined below) and any amounts paid to settle an action or satisfy a judgment) joint or several ("Indemnifiable Losses") arising from, based upon or relating to Hot Topic's provision of the Services or any Additional Services; provided, that Torrid shall not be liable in any such case if and to the extent any such Indemnifiable Loss arises out of or is based upon the material breach, gross negligence, or reckless or willful misconduct of, or violation of law by Hot Topic.

(ii) Hot Topic shall indemnify, defend and hold harmless Torrid and Torrid's officers, directors, affiliates, shareholders, employees and agents from and against any and all Indemnifiable Losses arising from, based upon or relating to Hot Topic's provision of the Services or Additional Services; provided, that Hot Topic shall only be liable if and to the extent such Indemnifiable Losses arise from the material breach, gross negligence, or reckless or willful misconduct of, or violation of law by Hot Topic.

(b) Procedures. Promptly after receipt by the Party seeking indemnification of notice of the assertion by any third party of a Claim that may give rise to an Indemnifiable Loss or otherwise relates to the matters contemplated by this Section 3.2, or the commencement of any action or proceeding with respect thereto (a "Claim"), such Party (and all Persons related to such Party that may be entitled to indemnification pursuant to Section 3.2(a)(i) or 3.2(a)(ii), as the case may be, the "Indemnitee") shall notify the other Party (the "Indemnifying Party") in writing thereof; provided that the omission to so notify the Indemnifying Party shall not relieve the Indemnifying Party from any liability which it may have to the Indemnitee, except to the extent and only to the extent that the Indemnifying Party demonstrates that the defense of such action is materially prejudiced by the Indemnitee's failure to give such notice. In case any Claim shall be brought against the Indemnitee, the Indemnifying Party shall be entitled to participate in or to assume and undertake the defense thereof with counsel reasonably satisfactory to the Indemnitee after notice to the Indemnitee of its election so to assume and undertake the defense thereof. The Indemnifying Party shall not be liable to the Indemnitee under this Section 3.2 for any legal expenses subsequently incurred by the Indemnitee in connection with the defense thereof other than reasonable costs of investigation; provided that (i) if the Indemnifying Party has failed to assume the defense and employ counsel or (ii) if the defendants in any such Claim include both the Indemnifying Party and the Indemnitee and the Indemnitee shall have reasonably concluded that there may be defenses available to it that are different from or additional to those available to the Indemnifying Party or if the Indemnitee shall have reasonably concluded that the interests of the Indemnitee reasonably may be deemed to conflict with the interests of the Indemnifying Party, then the Indemnitee shall have the right to select a separate counsel and to assume such legal defense and otherwise to participate in the defense of such action. The expenses and fees of such separate counsel and other expenses related to such participation shall be reimbursed by the Indemnifying Party; provided that the Indemnifying Party will not be bound by any compromise or settlement effected without its consent (such consent not to be unreasonably withheld or delayed). In the event that the Indemnitee is, directly or indirectly, conducting the defense of any action under this Article III, the Indemnifying Party shall cooperate in such defense and make available all such witnesses, records, materials and information in its possession or under its control relating thereto as is reasonably required by the Indemnitee.

3.3 Remedies Cumulative. The rights of indemnification provided herein shall not be deemed exclusive of any other rights to which either party may be entitled under any agreement or contract or pursuant to the direction (howsoever embodied) of any court of competent jurisdiction or otherwise, both as to action in its official capacity, it being agreed by both Parties that indemnification hereunder by the Indemnifying Party shall be made to the fullest extent permitted by legal requirements.

This Agreement (together with the Schedules hereto) constitutes the entire agreement of the Parties hereto and supersedes all prior and contemporaneous agreements and understandings, both written and oral, between the Parties hereto, or either of them, with respect to the subject matter hereof. All exhibits and schedules attached to this Agreement are expressly made a part of, and incorporated by reference into, this Agreement. For the avoidance of doubt, the Parties hereby acknowledge and agree that (a) the original Services Agreement superseded and replaced the TSA in all respects and the TSA is terminated and of no further force or effect, and (b) this Agreement amends, restates, and replaces the original Services Agreement; provided, however, that neither Party waives or disclaims, or is released from, any obligation or liability accruing under the original Services Agreement prior to the date hereof.

The Party initiating the arbitration shall be responsible for the initial filing fee. Thereafter each Party shall split the cost and fees of the arbitrator, including any administrative fees. All other fees and costs, including attorneys' fees, shall be borne by each Party. 5.5 Assignment; Binding Effect. This Agreement shall be binding upon and inure to the benefit of the Parties named herein and their respective successors, legal representatives and permitted assigns. No Party may assign any of its rights or delegate any of its obligations under this Agreement, by operation of law or otherwise, without the prior written consent of the other Party, which consent may be withheld, conditioned or delayed in such person's sole discretion; provided, however, that, notwithstanding the foregoing, either Party may (a) assign any or all of its rights and interests hereunder to one or more of its affiliates or (b) to an acquiring entity (whether by merger, reorganization, initial public offering, acquisition or sale of stock) or to the purchaser of all or substantially all of such Party's assets, in each case, without the prior written consent of the other Party; provided, further, that the assigning Party shall remain responsible for all of its obligations hereunder. Any Party assigning any of its rights or interests hereunder in accordance with this Section 5.5 shall provide the other Party notice of such assignment within thirty (30) days after such assignment.

5.7 Counterparts. This Agreement may be executed in one or more counterparts (including by means of facsimile), each of which shall be deemed an original instrument but all of which together shall together constitute one and the same agreement.

5.8 Certain Construction Rules. The article and section headings and the table of contents contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement. Any reference to any federal, state, local, or non-U.S. statute or law shall be deemed also to refer to all rules and regulations promulgated thereunder, unless the context requires otherwise. The word "including" shall mean including without limitation. All references to "dollars" or "$" in this Agreement are to United States dollars.

5.9 Severability. If any provision of this Agreement or the application of any such provision to any person or circumstance shall be held invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision of this Agreement. In case of conflict between the terms and conditions of this Agreement and any Schedule, the terms and conditions of such Schedule shall control and govern as it relates to the Service to which those terms and conditions apply.

5.10 Limited Liability. Notwithstanding any other provision of this Agreement, no stockholder, director, officer, affiliate, agent or representative of Torrid or Hot Topic, in its capacity as such, shall have any liability in respect of or relating to the covenants or obligations of such Party under this Agreement or in respect of any certificate delivered with respect hereto or thereto and, to the fullest extent legally permissible, each of Torrid and Hot Topic, for itself and its stockholders, directors, officers and affiliates, waives and agrees not to seek to assert or enforce any such liability that any such person otherwise might have pursuant to applicable law.

5.11 Force Majeure. Neither party hereto shall be liable for any failure of or delay in the performance of this Agreement for the period that such failure or delay is due to acts of God, public enemy, civil war, strikes or labor disputes, or any other cause beyond the Parties' reasonable control; provided that Torrid shall not be required to make payment for any Services not performed by Hot Topic due to any such cause. Each Party hereto agrees to notify the other Party promptly upon the occurrence of any such cause and to carry out this Agreement as promptly as practicable after such cause is terminated. If a cause or event of the type specified in this Section 5.11 shall persist for a duration of fifteen (15) days or more, Torrid shall be entitled, at its option, (a) to terminate any affected Services (without payment of any termination-related charges), or (b) to procure services to replace any affected Services from a third party, in which case Hot Topic shall reimburse Torrid for any costs incurred to procure such services that are in excess of the Fees that otherwise would have been payable to Hot Topic for the Services being replaced.

5.12 Independent Contractor. The relationship of Hot Topic to Torrid under this Agreement shall be that of independent contractor and this Agreement does not establish any fiduciary relationship or other relationship of partnership, joint venture, employment, franchise or agency between them.

This SERVICES AGREEMENT (this "Agreement"), dated as of March 21, 2019, is entered into by and between Hot Topic, Inc., a California corporation ("Hot Topic"), and Torrid LLC, a California limited liability company ("Torrid" and, together with Hot Topic, each a "Party" and together the "Parties").

W I T N E S S E T H:

WHEREAS, Hot Topic and Torrid entered into that certain Amended and Restated Services Agreement dated as of March 21, 2019 (the "Services Agreement"), pursuant to which Hot Topic agreed to provide certain services to Torrid on the terms and conditions contained in the Services Agreement;

WHEREAS, Hot Topic and Torrid have entered into that certain Asset Transfer Agreement dated as of June 14, 2019 (the "Asset Transfer Agreement"), pursuant to which Hot Topic will transfer to Torrid certain information technology assets, contracts, and personnel in accordance with the terms of the Asset Transfer Agreement (the "IT Transfer"); and

WHEREAS, in connection with the IT Transfer, the Parties have agreed (i) to enter into this Agreement, whereby Torrid will provide to Hot Topic those information technology services set forth herein on the terms and conditions set forth herein, and (ii) to modify the Services Agreement to remove from the scope of Hot Topic-provided services the information technology services to be provided by Torrid hereunder.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, together with other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE I
Services and Compensation

1.1 Services. Hot Topic hereby engages Torrid to provide, and Torrid hereby agrees to provide or cause to be provided in accordance with this Agreement, to and for the benefit of Hot Topic those services described in the Schedules attached hereto (each such scheduled service, a "Service") until the earlier of (i) the expiration of the Term or (ii) such time as any or all of such Services are terminated in accordance with Section 2.2. Torrid may provide the Services through one or more of its Affiliates; provided that Torrid shall remain responsible for the provision thereof. In the event of any conflict or inconsistency between any term or conditions of a Schedule (including with respect to financial terms and termination), on the one hand, and any term or condition of the body of this Agreement, on the other hand, the term or condition set forth in the Schedule shall control.

1.2 Compensation for Services.

(a) In consideration for the Services provided to Hot Topic hereunder, Hot Topic shall pay Torrid the amounts specified in the Schedules attached hereto (collectively, the "Fees") and shall reimburse Torrid for the actual and documented out-of-pocket expenses (the "Additional Expenses") reasonably incurred by Torrid in providing such Services, which Additional Expenses are not included in the Fees but will be reimbursed by Hot Topic or paid

directly to the applicable third-party provider, as set forth in the applicable Schedule; provided that Hot Topic shall not be obligated to reimburse Torrid for any Additional Expenses unless such Additional Expenses have been approved by Hot Topic in advance (such approval not to be unreasonably withheld, conditioned or delayed). The Fees are subject to (i) increase or decrease based upon changes in Hot Topic's business operations and forecasts, in each case, to the extent specified in the Schedules attached hereto, (ii) increase as provided for below in this Section 1.2(a) and (iii) decrease in the event that Hot Topic terminates one or more Services in accordance with Section 2.2(b). The Parties acknowledge that the calculation of the Fees for each of the Services hereunder is intended to reflect an allocation of the costs to provide such Services as is consistent with that in effect as of the date of this Agreement and to permit Torrid to receive reimbursement of its out-of-pocket costs incurred to provide such Services. Accordingly, in furtherance of the foregoing, no later than thirty (30) days prior to the end of each calendar year during the Term, the Parties shall convene to review any potential increase to the Fees for the Services as specified in the Schedules attached hereto. So long as Torrid provides Hot Topic with reasonably satisfactory documentation evidencing the aforementioned increase in its out-of-pocket costs to provide Hot Topic the applicable Service for the immediately succeeding calendar year, the Fees for such Service shall be so increased.

(b) Hot Topic acknowledges and agrees that as of the date hereof, Torrid has incurred or has made a binding commitment to incur on behalf of Hot Topic certain capital costs and expenses with respect to the items set forth on Annex A attached hereto (the "Pre-Approved Expenses") in connection with its performance of the Services. Hot Topic further acknowledges and agrees that Torrid would not have made any of the Pre-Approved Expenses absent Hot Topic's entry into this Agreement and agreement to engage Torrid for the provision of Services for the duration of the Term. Accordingly, Hot Topic hereby agrees that such Pre-Approved Expenses shall constitute Additional Expenses that are payable by Hot Topic in accordance with Section 1.2(a) and, notwithstanding any early termination by Hot Topic of any of the Services hereunder in accordance with Section 2.2(b), Hot Topic shall remain liable for such Pre-Approved Expenses to the extent provided for on Annex A attached hereto, in each case in accordance with the allocation percentage set forth on Annex A. Without limiting Hot Topic's obligations for such Pre-Approved Expenses as provided for in this Section 1.2(b), Torrid agrees that in the event the applicable Service to which such Pre-Approved Expense relates is terminated in accordance with Section 2.2(b) Torrid shall use its commercially reasonable efforts to mitigate any damages resulting therefrom.

(c) The Fees and any Additional Expenses shall be invoiced (an "Invoice") monthly by Torrid, in advance, on the first (1st) day of each fiscal month; provided that the Fees labeled as "Variable Costs based on usage" set forth on Schedule 2 shall be invoiced monthly by Torrid, in arrears, within thirty (30) days after the end of each fiscal month. All Invoices shall be payable by Hot Topic no later than thirty (30) days after the date of the Invoice from Torrid (the date on which a payment is due, the "Invoice Due Date").

1.3 Late Payments. Any payments owing to Torrid pursuant to this Agreement that are not paid when due (other than as a result of a delay directly caused by Torrid or its Affiliates) shall bear interest at the rate of three (3) percent per annum (the "Late Payment Rate"), calculated from the date such amount was due until the date payment is received; provided that the Late Payment Rate shall not exceed the highest lawful rate of interest; provided, further, that if Hot Topic disputes

in good faith any amount set forth on an Invoice and it is finally determined that Hot Topic is not obligated to pay such disputed amount, then Hot Topic shall not be obligated to pay any interest (including interest at the Late Payment Rate) on such disputed amount. For clarity, Hot Topic shall have the right to withhold from payment any amounts it disputes in good faith, it being agreed that any undisputed amounts will be due and payable on the applicable Invoice Due Date.

1.4 Capital Investments.

(a) Torrid shall from time to time make such capital investments as are required in order to provide and/or support performance of the Services. Except to the extent otherwise provided in Section 1.4(b), (i) costs incurred by Torrid in connection with such capital investments shall be reimbursed by Hot Topic as specified in the Schedules attached hereto and (ii) Torrid shall retain title to such capital investments.

(b) Notwithstanding anything to the contrary contained in Section 1.4(a), costs directly incurred by Torrid with respect to any capital investments incurred by Torrid specifically on behalf of, at the request, and with the prior written approval, of Hot Topic shall be for the account of Hot Topic and shall be included in (*i.e.*, added to) the Fees for which Hot Topic will be invoiced pursuant to Section 1.2 (it being agreed that there shall be no allocation of any of Torrid's internal costs and there shall be no mark-up with respect to any such capital investment (*i.e.*, such capital investments shall be billed to Hot Topic at Torrid's actual and reasonable direct out-of-pocket cost therefor)). Hot Topic shall retain title to any such capital investments. In the event that Hot Topic either terminates this Agreement or the provision of the Service with respect to which such capital investment was made, in each case, prior to the end of the Term pursuant to Section 2.2(b), Hot Topic shall remain responsible for the aforementioned costs.

1.5 Taxes. The amount of any actual and documented sales tax, value added tax, use tax, rent tax, goods and services tax or similar tax (excluding taxes on Torrid's income or ownership of property) that is required to be paid by Torrid in connection with the Services provided hereunder are included in the Fees for the Services as provided in the applicable Schedules and shall be payable monthly by Hot Topic as part of the monthly Invoice from Torrid.

1.6 Record Keeping. During the Term (as defined below), Torrid shall maintain the agreements, documents, books, records and files relating to its and its Affiliates' provision of Services hereunder (collectively, the "Records") and shall permit representatives of Hot Topic to have reasonable access upon ten (10) business days' prior written notice to Torrid and during normal business hours and in a manner so as not to unreasonably interfere with Torrid's normal operations, to all personnel and accountants having knowledge concerning its provision of Services and to its Records pertaining to its provision of Services. During the Term, upon ten (10) business days' prior written notice from Hot Topic and so long as it does not unreasonably interfere with Torrid's normal operations, Torrid shall furnish or cause to be furnished to Hot Topic and its representatives, employees, counsel and accountants access, during normal business hours, to Records relating to the Services provided by it and its Affiliates and shall permit such persons to examine and copy, at Hot Topic's sole cost and expense, such Records to the extent reasonably requested as reasonably necessary for financial reporting and accounting matters, the preparation and filing of any returns, reports or forms or defense of any third-party claim or assessment. Hot Topic agrees to cooperate so that such access does not unreasonably disrupt the normal operations of Torrid.

1.7 Standard of Performance; Standard of Care; Service Levels. Torrid shall perform the Services (a) in a professional and workmanlike manner at substantially the same standards of performance as in effect at Hot Topic prior to the IT Transfer and using the same degree of care as it exercises in performing the same or similar services to its operations, with priority equal to that provided to its own businesses, and (b) in accordance with any specific performance standards or performance metrics set forth in the Schedules attached hereto. For further clarity, Torrid shall not discriminate against Hot Topic in the allocation and prioritization of resources and services or otherwise in the provision of the Services. It is the intention of the Parties that Hot Topic's use of any Service shall be at the level of use required as of the date of this Agreement and Torrid hereby agrees to provide Services that satisfy such level of use; provided that, the Parties shall discuss in good faith any appropriate adjustments to the service level for any Service (whether based upon Hot Topic's forecasts of such Services or otherwise).

1.8 Nature of the Services/Changes. Each of Torrid and Hot Topic acknowledges that Torrid may make changes or modifications from time to time for operational and other reasons to the specifications of any Services involving systems and associated computer programs, products, equipment and services or the manner of performing the Services; provided that (a) no such changes or modifications shall limit Torrid's obligation to provide the Services in accordance with the standards provided for herein, (b) Torrid shall schedule and implement such changes and modifications in a manner designed to minimize any potential interruption or adverse effects to the greatest extent possible, and (c) Torrid shall provide to Hot Topic reasonable advance notice of (i) any material changes or modifications, regardless of anticipated effect on Service delivery, and (ii) any changes or modifications that may disrupt the Services in any material respect.

1.9 Use of Third Parties. In those instances in which the provision of a Service by Torrid requires the use of a third-party product or service that will require payment of additional consideration by Torrid, and the payment of such consideration is not contemplated by this Agreement (including the Schedules hereto, as applicable) or has not been previously agreed by the Parties, then Torrid will provide Hot Topic with thirty (30) days' prior written notice detailing the amount of such additional consideration and Hot Topic will then have the option to (a) procure its own third-party products or services at its own expense for such Service(s) (in which case, Hot Topic shall not be required to pay the Fees or any Additional Expenses in respect of such Service(s) or, for the avoidance of doubt, the additional consideration contemplated by this Section 1.9) or (b) authorize Torrid to incur the required additional consideration on its behalf and at Hot Topic's expense and such additional consideration (without mark-up) will be billable as Fees to Hot Topic under this Agreement.

1.10 Intellectual Property.

(a) Each Party and their respective Affiliates shall retain ownership of all right, title and interest in and to the respective Intellectual Property owned or controlled by them and any and all improvements, modifications and derivative works thereof. Subject to any other written agreement between the Parties, neither Party shall acquire any right, title or interest, express or implied, in or to such Intellectual Property of the other Party.

(b) All data created by Torrid on behalf of Hot Topic in connection with the performance of the Services or Additional Services (as defined below) or delivered to Hot Topic in connection with the provision of a Service or Additional Service (as defined below), and in each case, relating exclusively to the business of Hot Topic, shall be owned by Hot Topic. Torrid shall provide to Hot Topic access to any such data at all times throughout the Term and shall provide to Hot Topic a complete copy of such data as may be requested by Hot Topic from time to time.

1.11 Additional Services. Hot Topic may, upon written notice to Torrid, identify and request that Torrid provide to it additional services that are reasonably related to the Services or that were performed at Hot Topic prior to the IT Transfer (the "Additional Services"). To the extent any Additional Services are so requested by Hot Topic, Torrid will consider in good faith such request. If and to the extent that the Parties mutually agree on the provision by Torrid to Hot Topic of such service (including the nature thereof, the length of time for which such service will be provided and any incremental Fees payable therefor), the Parties will enter into an amendment to this Agreement to add such service to the Schedules hereto and and such Additional Service shall thereupon be deemed to be a "Service" hereunder for all purposes hereof.

1.12 Cooperation. The Parties shall cooperate in good faith with each other to carry out the intent of this Agreement, including by providing any reasonably requested information to each other and/or third parties that may be reasonably necessary for the provision of the Services hereunder. In furtherance of the foregoing, in connection with the delivery by Hot Topic of any forecasts contemplated by this Agreement and/or the Schedules attached hereto, Hot Topic shall also provide Torrid (in a manner consistent with that in effect as of the date of this Agreement) with such information, documentation and data as is reasonably required by Torrid in order for Torrid to arrange and/or plan for the provision of the Services to which such forecasts relate for the succeeding calendar year.

1.13 Title to Assets; Methods, etc.; Ownership of Products

(a) Except in respect of capital investments as set forth in Section 1.4(b), all procedures, methods, systems, strategies, tools, equipment, facilities and other resources used by Torrid in connection with the provision of Services hereunder shall remain the property of Torrid and shall at all times be under the sole direction and control of Torrid.

(b) Notwithstanding any other provision of this Agreement, and except as otherwise expressly provided in the Schedules or in a separate written agreement that is not, by its terms, superseded by this Agreement, title to all products or other materials that are transported, shipped, warehoused or otherwise held in the custody of Torrid on behalf of Hot Topic shall at all times remain with Hot Topic, and Hot Topic shall at all times be the owner of record of such products or other materials, and, subject to Article III, shall be solely responsible for any matters arising from or relating to such products or other materials.

1.14 Oversight, Access, and Inspection.

(a) Torrid shall make available to Hot Topic, during normal working hours (and after hours for emergency or other extraordinary purposes, to the extent consistent with Torrid's general practice with respect to any particular personnel), all personnel of Torrid, whether employees or contractors, involved in the provision of Services hereunder, to allow Hot Topic to (i) ask questions, request information, or address issues relating to the Services, (ii) request modifications to, or communicate priorities with respect to, the Services, or (iii) otherwise oversee the provision of the Services and validate that the Services are being provided in a manner consistent with the obligations set forth in this Agreement.

(b) Torrid shall, unless otherwise agreed to by Hot Topic for any particular data or system, provide real-time access (with read, write, copy, and extract privileges) to Hot Topic or its representatives to all data of Hot Topic residing on hardware, servers, or systems hosted by or on behalf of, or otherwise controlled by, Torrid.

(c) Torrid shall make available to Hot Topic, during normal hours of operations (and after hours for emergency or other extraordinary purposes), access to all facilities owned, leased, or otherwise controlled by or operated on behalf of, Torrid and from which Services are provided, to allow Hot Topic to inspect such facilities to validate that the manner in which, and locations from which, the Services are being provided are consistent with the obligations set forth in this Agreement and otherwise reasonably satisfactory to Hot Topic.

ARTICLE II
Term

2.1 Term. This Agreement shall become effective on the date hereof and shall remain in full force and effect until the third (3rd) anniversary of the date hereof or any later end date of the last Service to expire as set forth on the Schedules (as the same may be extended as set forth in the Schedules, the "Term"), unless earlier terminated in accordance with Section 2.2. Hot Topic specifically agrees and acknowledges that Torrid's obligations to provide the Services shall, to the extent not earlier terminated immediately cease upon expiration of the Term (unless the Term is extended by mutual written agreement of the Parties). Upon the cessation of Torrid's obligation to provide any Service, Hot Topic shall immediately cease using, directly or indirectly, such Services.

2.2 Termination.

(a) If either Party hereto (the "Defaulting Party") shall fail to perform in any material respect any of its material obligations under this Agreement, whether voluntarily or involuntarily or as a result of any law or regulation or otherwise, the other Party hereto shall have the option to terminate this Agreement upon written notice to the Defaulting Party specifying the nature of such failure and stating that the other Party intends to terminate this Agreement (or if such failure relates to a specific Service, to terminate such Service) if such failure is not cured within sixty (60) (or in the event of a failure to make any undisputed payment in accordance with Section 1.2 hereof, thirty (30) days of such written notice); provided that good faith disputes with respect to the quality of service provided with respect to any given Service shall not be deemed to be a failure to perform a material obligation for purposes of this Section 2.2(a).

(b) At any time during the Term, unless a shorter or longer termination notice period is set forth in the Schedules for any particular Service (in which case such notice period in the Schedules shall apply), Hot Topic may terminate any or all of the Services set forth on Schedule 1 by providing notice as further specified in Schedule 1. Any such notice delivered by Hot Topic to Torrid shall be irrevocable. From and after the effective date of the termination as provided for above, Hot Topic shall have no further liability or obligation with respect to the Fees or Additional Expenses for such terminated Service(s), except for (w) any accrued and unpaid Fees or Additional Expenses for such terminated Service(s) that were performed prior to the effective date of such termination, (x) any costs for capital investments to the extent provided for in Section 1.4(b), (y) any Pre-Approved Expenses and (z) Disengagement Costs. If Hot Topic terminates less than all of the Services set forth on a particular Schedule (i.e., not all of the Services set forth on such Schedule) in accordance with this Section 2.2(b), the Parties will mutually negotiate in good faith an appropriate and reasonable reduction to the Fees payable by Hot Topic in respect of the provision of the Services that will continue following such termination.

(c) From the date, if any, on which Hot Topic delivers a notice of termination pursuant to Section 2.2(b) until the effective date of such termination (the "Transition Period"), Torrid shall continue to provide the Service(s) that is the subject of such notice of termination and shall also provide Hot Topic with any reasonable assistance and/or one-time projects reasonably necessary to disengage and transition such Service(s) from Torrid to Hot Topic (or its designee(s)); provided that Hot Topic shall continue to pay to Torrid the Fees and Additional Expenses with respect to such Service as provided for in Section 1.2 and shall also reimburse Torrid for any Disengagement Costs. In addition, during the Transition Period, upon the reasonable request of Hot Topic, the Parties shall use good faith efforts to facilitate the orderly and efficient transition of the applicable Service(s) from Torrid to Hot Topic or its designee(s). As used in this Agreement, "Disengagement Costs" shall mean, with respect to such terminated Service(s), any and all direct out-of-pocket fees, costs and expenses incurred by Torrid or its Affiliates in connection with the termination of this Agreement and/or the cessation of the Service(s) hereunder, including cancellation and/or termination charges, costs and/or fees under third party contracts and reasonable out-of-pocket charges, costs, fees and/or expenses incurred by Torrid as a direct consequence of the termination of such Service(s).

(d) In the event of the termination of this Agreement pursuant to this Article II, the provisions of this Agreement, except for the covenants and agreements of the Parties set forth herein which by their terms are intended to survive the termination of this Agreement until fully performed, shall forthwith become void and have no effect, without any liability on the part of any party or its respective directors, officers, employees, agents or stockholders; provided that no such termination shall relieve any Party of liability for breaches of this Agreement arising on or prior to such termination. Notwithstanding anything to the contrary contained herein, Article III and Sections 4.1 and 4.2 shall survive the termination of this Agreement.

ARTICLE III
Limitation on Liability and Indemnification

3.1 Limitation on Liability. In no event will either Party be liable for any indirect, special, punitive, incidental, lost profits or consequential damages in connection with or arising out of this Agreement, except to the extent such liability arises from the gross negligence or reckless or willful misconduct of, or violation of law by, a Party. In addition, Torrid's maximum liability (based on breach of warranty, breach of contract, negligence, strict liability in tort or any other legal or equitable theory) to Hot Topic in the event of any performance or non-performance

under this Agreement for any Indemnifiable Losses (as defined below) shall in no event exceed the aggregate amount of the Fees paid or payable (as of the date of the performance or non-performance giving rise to such Indemnifiable Losses) by Hot Topic to Torrid under this Agreement, except to the extent such liability arises from the gross negligence, reckless or willful misconduct or violation of law by Torrid.

3.2 Indemnification.

(a) Generally.

(i) Hot Topic shall indemnify, defend and hold harmless Torrid and Torrid's officers, directors, affiliates, shareholders, employees and agents from and against any and all losses, claims, damages, liabilities, costs, charges or expenses (including without limitation, reasonable and documented out-of-pocket attorneys' fees and costs, amounts incurred in investigating or defending a Claim (as defined below) and any amounts paid to settle an action or satisfy a judgment) joint or several ("Indemnifiable Losses") arising from, based upon or relating to Torrid's provision of the Services or any Additional Services; provided, that Hot Topic shall not be liable in any such case if and to the extent any such Indemnifiable Loss arises out of or is based upon the material breach, gross negligence, or reckless or willful misconduct of, or violation of law by Torrid.

(ii) Torrid shall indemnify, defend and hold harmless Hot Topic and Hot Topic's officers, directors, affiliates, shareholders, employees and agents from and against any and all Indemnifiable Losses arising from, based upon or relating to Torrid's provision of the Services or Additional Services; provided, that Torrid shall only be liable if and to the extent such Indemnifiable Losses arise from the material breach, gross negligence, or reckless or willful misconduct of, or violation of law by Torrid.

(b) Procedures. Promptly after receipt by the Party seeking indemnification of notice of the assertion by any third party of a Claim that may give rise to an Indemnifiable Loss or otherwise relates to the matters contemplated by this Section 3.2, or the commencement of any action or proceeding with respect thereto (a "Claim"), such Party (and all Persons related to such Party that may be entitled to indemnification pursuant to Section 3.2(a)(i) or 3.2(a)(ii), as the case may be, the "Indemnitee") shall notify the other Party (the "Indemnifying Party") in writing thereof; provided that the omission to so notify the Indemnifying Party shall not relieve the Indemnifying Party from any liability which it may have to the Indemnitee, except to the extent and only to the extent that the Indemnifying Party demonstrates that the defense of such action is materially prejudiced by the Indemnitee's failure to give such notice. In case any Claim shall be brought against the Indemnitee, the Indemnifying Party shall be entitled to participate in or to assume and undertake the defense thereof with counsel reasonably satisfactory to the Indemnitee after notice to the Indemnitee of its election so to assume and undertake the defense thereof. The Indemnifying Party shall not be liable to the Indemnitee under this Section 3.2 for any legal expenses subsequently incurred by the Indemnitee in connection with the defense thereof other than reasonable costs of investigation; provided that (i) if the Indemnifying Party has failed to assume the defense and employ counsel or (ii) if the defendants in any such Claim include both the Indemnifying Party and the Indemnitee and the Indemnitee shall have reasonably concluded that there may be defenses available to it that are different from or additional to those available to

the Indemnifying Party or if the Indemnitee shall have reasonably concluded that the interests of the Indemnitee reasonably may be deemed to conflict with the interests of the Indemnifying Party, then the Indemnitee shall have the right to select a separate counsel and to assume such legal defense and otherwise to participate in the defense of such action. The expenses and fees of such separate counsel and other expenses related to such participation shall be reimbursed by the Indemnifying Party; provided that the Indemnifying Party will not be bound by any compromise or settlement effected without its consent (such consent not to be unreasonably withheld or delayed). In the event that the Indemnitee is, directly or indirectly, conducting the defense of any action under this Article III, the Indemnifying Party shall cooperate in such defense and make available all such witnesses, records, materials and information in its possession or under its control relating thereto as is reasonably required by the Indemnitee.

3.3 Remedies Cumulative. The rights of indemnification provided herein shall not be deemed exclusive of any other rights to which either party may be entitled under any agreement or contract or pursuant to the direction (howsoever embodied) of any court of competent jurisdiction or otherwise, both as to action in its official capacity, it being agreed by both Parties that indemnification hereunder by the Indemnifying Party shall be made to the fullest extent permitted by legal requirements.

(b) The representatives designated hereunder by the Stockholder shall be nominated to serve as a Class I, Class II or Class III director (as defined in the Company's Certificate of Incorporation), as the case may be, as set forth on the Schedule of Directors attached hereto. The initial term of each Class I, Class II and Class III director shall expire as set forth in the Company's Certificate of Incorporation. Any director nominated by the Stockholder hereunder to fill a vacancy on the Board shall be designated as the same class of director as the director whose termination of services as a director created such vacancy.

(c) The Company shall pay the reasonable out-of-pocket expenses incurred by each director in connection with attending the meetings of the Board and any committee thereof.

(d) At every meeting of the Board, or a committee thereof, for which directors are nominated to stand for election by stockholders of the Company, the Stockholder will have the right to select those persons to be nominated for election to the Board for each Retiring Director that was a prior Nominee of the Stockholder in accordance with this Section 1.

(e) If a vacancy occurs because of the death, disability, disqualification, resignation or removal of a Nominee, the Stockholder shall be entitled to nominate such person's successors in accordance with this Agreement and the Board, subject to a determination of the Board in good faith, after consultation with outside legal counsel that such action would not constitute a breach of its fiduciary duties or applicable law, shall fill the vacancy with such successor Nominee.

(f) If a Nominee is not nominated or elected to the Board because of the Nominee's death, disability, disqualification, withdrawal as a nominee or for other reason is unavailable or unable to serve on the Board, the Stockholder who nominated such person shall be entitled to nominate promptly another Nominee and the director position for which such Nominee was nominated shall not be filled pending such nomination.

2. Company Obligations.

(a) The Company agrees to use its commercially reasonable efforts to assure that (i) each Nominee is included in the Board's slate of nominees to the stockholders for each election of directors, and (ii) each Nominee is included in the proxy statement prepared by management of the Company in connection with soliciting proxies for every meeting of the stockholders of the Company called with respect to the election of members of the Board, and at every adjournment or postponement thereof, and on every action or approval by written consent of the stockholders of the Company or the Board with respect to the election of members of the Board.

(b) Notwithstanding anything herein to the contrary, the Company shall not be obligated to cause to be nominated for election to the Board or recommend to the stockholders the election of any Nominee (i) who fails to submit to the Company on a timely basis such questionnaires as the Company may reasonably require of its directors generally and such other information as the Company may reasonably request in connection with the preparation of its filings under the Securities Laws, or (ii) the Board or the Nominating Committee determines in good faith, after consultation with outside legal counsel, that such action would constitute a breach of its fiduciary duties or applicable law or violate the Company's Certificate of Incorporation; provided, however, that upon the occurrence of either (i) or (ii) above, the Company shall promptly notify the Stockholder of the occurrence of such event and permit the Stockholder to provide an alternate Nominee sufficiently in advance of any Board action, meeting of the stockholders called or written action of stockholders with respect to such election of Nominees and the Company shall use commercially reasonable efforts to perform its obligations under Section 2(a) with respect to such alternate Nominee (provided that if the Company provides at least 45 days advance notice of the occurrence of any such event such alternative Nominee must be designated by the applicable Stockholder not less than 30 days in advance of any Board action, notice of meeting of the stockholders or written action of stockholders with respect to such election of Nominees). The Company shall use commercially reasonable efforts to perform its obligations under Section 2(a) with respect to such alternate Nominee, provided that in no event shall the Company be obligated to postpone, reschedule or delay any scheduled meeting of the stockholders with respect to such election of Nominees.

(c) At any time a vacancy occurs because of the death, disability, resignation or removal of a Nominee, then the Board, or any committee thereof, shall not fill such vacancy until the earliest to occur of (i) the Stockholder has nominated a successor Nominee and the Board has filled the vacancy and appointed such successor Nominee, (ii) the Stockholder fails to nominate a successor Nominee within 30 Business Days after receiving notification of the vacancy from the Company, and (iii) the Stockholder has specifically waived its right under this Section 2(c).

(d) At any time that the Stockholder shall have any nomination rights under Section 1, the Company shall not take any action to reduce the size of the Board from six (6), except as otherwise provided herein.

3. Insurance. The Company shall, for so long as any director designated pursuant to the terms of this Agreement serves as a director of the Board, maintain directors' and officers' liability insurance in an amount determined by the Board to be reasonable and customary and that provides coverage with respect to each such director; provided, that upon such director ceasing to serve on the Board for any reason, the Company shall take all actions reasonably necessary to extend such directors' and officers' liability insurance coverage for a period of not less than six (6) years from the time at which such director ceases to serve on the Board in respect of any act or omission occurring at or prior to such time.

4. Confidentiality.

(a) From and after the date hereof, the Stockholder shall, and shall cause its Subsidiaries and controlled Affiliates to, maintain in confidence and use only in connection with its investment in the Company and for purposes of the business of the Company and its Subsidiaries, all Confidential Information. "Confidential Information" means all information concerning the Company or its Subsidiaries or the financial condition, business, operations or prospects of the Company or its Subsidiaries in the possession of or furnished to the Stockholder (including by virtue of its present or former right to nominate director(s) to the Board). The Stockholder shall exercise the same care and safeguards with respect to Confidential Information as is used to maintain the confidentiality of its own information of like character, but will, at a minimum, use reasonable care.

(b) The Stockholder may disclose Confidential Information to its Subsidiaries, Affiliates, counsel, advisers, consultants, outside contractors and other agents, on the condition that such Persons agree to keep the Confidential Information confidential to the same extent as such disclosing party is required to keep the Confidential Information confidential, solely to the extent it is reasonably necessary or appropriate to fulfill its obligations or to exercise its rights under this Agreement; provided that the disclosing party shall remain liable with respect to any breach of this Section 4 by any such Subsidiaries, Affiliates, counsel, advisers, consultants, outside contractors and other agents.

(c) Notwithstanding Section 4(a) or Section 4(b) above, the Stockholder may disclose such Confidential Information (i) to the extent that the such Person is legally compelled (by oral questions, interrogatories, request for information or documents, subpoena, civil investigative demand or similar process) to disclose any of the Confidential Information, (ii) for purposes of reporting to its stockholders the performance of the Company and its Subsidiaries and for purposes of including applicable information in its financial statements, (iii) to the extent required to be disclosed by applicable law, rule or regulation; provided that in connection with any such disclosure (A) a disclosing party shall only disclose such Confidential Information as is required to be disclosed in connection with the foregoing, (B) to the extent reasonably practicable, a disclosing party shall provide the Company with prompt and advance written notice of any such intended disclosure so that the Company has a reasonable opportunity to limit such disclosure, or (if applicable, and to the extent reasonably practicable) seek a protective order or other appropriate remedy to prevent such disclosure, and (C) a disclosing party shall use its reasonable efforts to seek confidential treatment (consistent with the terms hereof) by the Person to whom such disclosure is made. The Stockholder acknowledges that money damages would not be a sufficient remedy for any breach of the provisions of this Section 4 and that the Company shall be entitled to equitable relief in a court of law in the event of, or to prevent, a breach or threatened breach of this Section 4.

(d) The obligation not to disclose Confidential Information shall not apply to any part of such Confidential Information that (i) is or becomes patented, published, or otherwise part of the public domain other than by acts of the Stockholder in contravention of this Agreement, (ii) is disclosed to the Stockholder by a third party, unless such Confidential Information was obtained by such third party directly or indirectly from the Stockholder hereto on a confidential basis, (iii) prior to disclosure under this Agreement, was already in the possession of the Stockholder, unless such Confidential Information was obtained directly or indirectly from the Stockholder on a confidential basis, or (iv) is independently acquired or developed by the Stockholder other than by acts of the Stockholder in contravention of this Agreement.

TORRID HOLDINGS INC.
REGISTRATION RIGHTS AGREEMENT

THIS REGISTRATION RIGHTS AGREEMENT (this "Agreement") is made as of , 2021 among Torrid Holdings Inc., a Delaware corporation (the "Company"), each investor listed on the signature pages hereto under the caption "Sponsor Investors" (collectively, the "Sponsor Investors"), each Person listed on the signature pages under the caption "Other Investors" or who executes a Joinder as an "Other Investor" (collectively, the "Other Investors") and each of the executives listed on the signature pages under the caption "Executives" or who executes a Joinder as an "Executive" (collectively, the "Executives"). Except as otherwise specified herein, all capitalized terms used in this Agreement are defined in Exhibit A attached hereto.

In consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties to this Agreement hereby agree as follows:

Section 1 Demand Registrations.

(a) Requests for Registration. At any time and from time to time, the holders of the majority of the Sponsor Investor Registrable Securities may request registration under the Securities Act of all or any portion of their Registrable Securities on Form S-1 or any similar long-form registration statement ("Long-Form Registrations") or on Form S-3 or any similar short-form registration statement ("Short-Form Registrations"), if available (any such requested registration, a "Demand Registration"). The Sponsor Investor may request that any Demand Registration be made pursuant to Rule 415 under the Securities Act (a "Shelf Registration") and (if the Company is a WKSI at the time any such request is submitted to the Company or will become one by the time of the filing of such Shelf Registration) that such Shelf Registration be an automatic shelf registration statement (as defined in Rule 405 under the Securities Act) (an "Automatic Shelf Registration Statement"). Each request for a Demand Registration must specify the approximate number or dollar value of Registrable Securities requested to be registered by the requesting Holders and (if known) the intended method of distribution. The holders of a majority of the Sponsor Investor Registrable Securities will be entitled to request an unlimited number of Demand Registrations for which the Company will pay all Registration Expenses, whether or not any such registration is consummated.

(b) Notice to Other Holders. Within four (4) Business days after receipt of any such request, the Company will give written notice of the Demand Registration to all other Holders and, subject to the terms of Section 1(e), will include in such Demand Registration (and in all related registrations and qualifications under state blue sky laws and in any related underwriting) all Registrable Securities with respect to which the Company has received written requests for inclusion therein within ten (10) days after the receipt of the Company's notice; provided that, with the written consent of the holders of a majority of the Sponsor Investor Registrable Securities, the Company may, or at the written request of the Sponsor Investors, the Company shall, instead provide notice of the Demand Registration to all other Holders within three (3) Business Days following the non-confidential filing of the registration statement with respect to the Demand Registration so long as such registration statement is not an Automatic Shelf Registration Statement.

(c) Form of Registrations. All Long-Form Registrations will be underwritten registrations unless otherwise approved by the Sponsor Investor. Demand Registrations will be Short-Form Registrations whenever the Company is permitted to use any applicable short form unless otherwise requested by the Sponsor Investor.

(d) Shelf Registrations.

(i) For so long as a registration statement for a Shelf Registration (a "Shelf Registration Statement") is and remains effective, the holders of a majority of the Sponsor Investor Registrable Securities will have the right at any time or from time to time to elect to sell pursuant to an offering (including an underwritten offering) Registrable Securities pursuant to such registration statement ("Shelf Registrable Securities"). If the holders of a majority of the Sponsor Investor Registrable Securities desire to sell Registrable Securities pursuant to an underwritten offering, then the holders of a majority of the Sponsor Investor Registrable Securities may deliver to the Company a written notice (a "Shelf Offering Notice") specifying the number of Shelf Registrable Securities that the Sponsor Investors desire to sell pursuant to such underwritten offering (the "Shelf Offering"). As promptly as practicable, but in no event later than two Business Days after receipt of a Shelf Offering Notice, the Company will give written notice of such Shelf Offering Notice to all other Holders of Shelf Registrable Securities that have been identified as selling stockholders in such Shelf Registration Statement and are otherwise permitted to sell in such Shelf Offering, which such notice shall request that each such Holder specify, within seven (7) days after the Company's receipt of the Shelf Offering Notice, the maximum number of Shelf Registrable Securities such Holder desires to be disposed of in such Shelf Offering. The Company, subject to Section 1(e) and Section 7, will include in such Shelf Offering all Shelf Registrable Securities with respect to which the Company has received timely written requests for inclusion. The Company will, as expeditiously as possible (and in any event within fourteen (14) days after the receipt of a Shelf Offering Notice), but subject to Section 1(e), use its best efforts to consummate such Shelf Offering.

(ii) If the holders of a majority of the Sponsor Investor Registrable Securities desire to engage in an underwritten block trade or bought deal pursuant to a Shelf Registration Statement (either through filing an Automatic Shelf Registration Statement or through a take-down from an already existing Shelf Registration Statement) (each, an "Underwritten Block Trade"), then notwithstanding the time periods set forth in Section 1(d)(i), then the holders of a majority of the Sponsor Investor Registrable Securities may notify the Company of the Underwritten Block Trade not less than two (2) Business Days prior to the day such offering is first anticipated to commence. If requested by the holders of a majority of the Sponsor Investor Registrable Securities, the Company will promptly notify other Holders of such Underwritten Block Trade and such notified Holders (each, a "Potential Participant") may elect whether or not to participate no later than the next Business Day (*i.e.* one (1) Business Day prior to the day such offering is to commence) (unless a longer period is agreed to by the Sponsor Investor), and the Company will as promptly as reasonably practicable use its best efforts to facilitate such Underwritten Block Trade (which may close as early as two Business Days after the date it commences); provided further that, notwithstanding the provisions of Section 1(d)(i), no Holder

(other than Holders of Sponsor Investor Registrable Securities) will be permitted to participate in an Underwritten Block Trade without the written consent of the Sponsor Investor. Any Potential Participant's request to participate in an Underwritten Block Trade shall be binding on the Potential Participant.

(iii) All determinations as to whether to complete any Shelf Offering and as to the timing, manner, price and other terms of any Shelf Offering contemplated by this Section 1(d) shall be determined by the Sponsor Investors, and the Company shall use its best efforts to cause any Shelf Offering to occur in accordance with such determinations as promptly as practicable.

(iv) The Company will, at the request of the Sponsor Investor, file any prospectus supplement or any post-effective amendments and otherwise take any action necessary to include therein all disclosure and language deemed necessary or advisable by the Sponsor Investor to effect such Shelf Offering.

(v) Subject to the terms of Section 1(f), the Company will use best efforts to keep the Shelf Registration Statement continuously effective until the date on which all Registrable Securities covered by the Shelf Registration Statement have been sold thereunder in accordance with the plan and method of distribution disclosed in the prospectus included in the Shelf Registration Statement, or otherwise (the "Shelf Period"). Subject to Section 1(f), the Company shall not be deemed to have used its best efforts to keep the Shelf Registration Statement effective during the Shelf Period if the Company voluntarily takes any action or omits to take any action that would result in Holders of Registrable Securities covered thereby not being able to offer and sell any Registrable Securities pursuant to such Shelf Registration Statement during the Shelf Period, unless such action or omission is required by applicable law.

(e) Priority on Demand Registrations and Shelf Offerings. The Company will not include in any Demand Registration any securities which are not Registrable Securities without the prior written consent of the Sponsor Investor. If a Demand Registration or a Shelf Offering is an underwritten offering and the managing underwriters advise the Company in writing that in their opinion the number of Registrable Securities and (if permitted hereunder) other securities requested to be included in such offering exceeds the number of Registrable Securities and other securities (if any), which can be sold therein without adversely affecting the marketability, proposed offering price, timing or method of distribution of the offering, then the Company will include in such offering (prior to the inclusion of any securities which are not Registrable Securities) (i) first, the number of Sponsor Investor Registrable Securities requested to be included which, in the opinion of such underwriters, can be sold, without any such adverse effect, pro rata among the respective Participating Sponsor Investors on the basis of the number of Sponsor Investor Registrable Securities owned by each such Participating Sponsor Investor; and (ii) second, the number of Registrable Securities requested to be included by any other Holders which, in the opinion of such underwriters, can be sold, without any such adverse effect, pro rata among such Holders on the basis of the number of Registrable Securities owned by each such Holder. Notwithstanding anything to the contrary herein, if any Holders of Executive Registrable Securities have requested to include such securities in an underwritten offering and the managing underwriters for such offering advise the Company that in their opinion the inclusion of some or all of such Executive Registrable Securities could adversely affect the

marketability, proposed offering price, timing and/or method of distribution of the offering, then the Company shall exclude from such offering the number of such Executive Registrable Securities identified by the managing underwriters as having any such adverse effect prior to the exclusion of any Registrable Securities of any other Holders as set forth in this Section 1(e), which, for the avoidance of doubt, may be all such Executive Registrable Securities requested to be included such offering.

(f) Restrictions on Demand Registration and Shelf Offerings.

(i) The Company may postpone, for up to 180 days (or with the consent of the holders of a majority of Sponsor Investor Registrable Securities, a longer period) from the date of the request (the "Suspension Period"), the filing or the effectiveness of a registration statement for a Demand Registration or suspend the use of a prospectus that is part of a Shelf Registration Statement (and therefore suspend sales of the Shelf Registrable Securities) by providing written notice to the Holders if the following conditions are met: (A) the Company determines that the offer or sale of Registrable Securities would reasonably be expected to have a material adverse effect on any proposal or plan by the Company or any Subsidiary to engage in any material acquisition of assets or stock (other than in the ordinary course of business) or any material merger, consolidation, tender offer, recapitalization, reorganization, financing or other transaction involving the Company and (B) upon advice of counsel, the sale of Registrable Securities pursuant to the registration statement would require disclosure of material non-public information not otherwise required to be disclosed under applicable law, and either (x) the Company has a bona fide business purpose for preserving the confidentiality of such transaction, (y) disclosure would have a material adverse effect on the Company or the Company's ability to consummate such transaction, or (z) such transaction renders the Company unable to comply with SEC requirements, in each case under circumstances that would make it impractical or inadvisable to cause the registration statement (or such filings) to become effective or to promptly amend or supplement the registration statement on a post effective basis, as applicable. The Company may delay or suspend the effectiveness of a Demand Registration or Shelf Registration Statement pursuant to this Section 1(f)(i) only once in any twelve (12)-month period (for avoidance of doubt, in addition to the Company's rights and obligations under Section 4(a)(vi)) unless additional delays or suspensions are approved by the Sponsor Investor.

(ii) In the case of an event that causes the Company to suspend the use of a Shelf Registration Statement as set forth in Section 1(f)(i) above or pursuant to Section 4(a)(vi) (a "Suspension Event"), the Company will give a notice to the Holders whose Registrable Securities are registered pursuant to such Shelf Registration Statement (a "Suspension Notice") to suspend sales of the Registrable Securities and such notice must state generally the basis for the notice and that such suspension will continue only for so long as the Suspension Event or its effect is continuing. Each Holder agrees not to effect any sales of its Registrable Securities pursuant to such Shelf Registration Statement (or such filings) at any time after it has received a Suspension Notice from the Company and prior to receipt of an End of Suspension Notice. A Holder may recommence effecting sales of the Registrable Securities pursuant to the Shelf Registration Statement (or such filings) following further written notice to such effect (an "End of Suspension Notice") from the Company, which End of Suspension Notice will be given by the Company to the Holders promptly following the conclusion of any Suspension Event (and in any event during the permitted Suspension Period).

(g) Selection of Underwriters. The Sponsor Investor shall select the legal counsel to the Company, the investment banker(s) and manager(s) to administer any underwritten offering in connection with any Demand Registration or Shelf Offering.

(h) Distributions of Registrable Securities to Partners or Members. In the event the Sponsor Investor requests to participate in a registration pursuant to this Section 1 in connection with a distribution of Registrable Securities to its partners or members, the registration shall provide for resale by such partners or members, if requested by the Sponsor Investor.

(i) Other Registration Rights. Except as provided in this Agreement, the Company will not grant to any Person(s) the right to request the Company or any Subsidiary to register any equity securities of the Company or any Subsidiary, or any securities convertible or exchangeable into or exercisable for such securities, without the prior written consent of the Sponsor Investor; provided that, with the prior approval of the Sponsor Investor, the Company may grant rights to employees of the Company and its Subsidiaries to participate in Piggyback Registrations so long as they sign a Joinder as an "Executive" and Holder of "Executive Registrable Securities" hereunder.

(j) Revocation of Demand Notice or Shelf Offering Notice. At any time prior to the effective date of the registration statement relating to a Demand Registration or the "pricing" of any offering relating to a Shelf Offering Notice, the Sponsor Investors who initiated such Demand Registration or Shelf Offering may revoke or withdraw such notice of a Demand Registration or Shelf Offering Notice on behalf of all Holders participating in such Demand Registration or Shelf Offering without liability to such Holders (including, for the avoidance of doubt, the other Participating Sponsor Investor), in each case by providing written notice to the Company, and the Company shall immediately cease all efforts to secure effectiveness of such registration statement.

(k) Confidentiality. Each Holder agrees to treat as confidential the receipt of any notice hereunder (including notice of a Demand Registration, a Shelf Offering Notice and a Suspension Notice) and the information contained therein, and not to disclose or use the information contained in any such notice (or the existence thereof) without the prior written consent of the Company until such time as the information contained therein is or becomes available to the public generally (other than as a result of disclosure by such Holder in breach of the terms of this Agreement).

Section 2 Piggyback Registrations.

(a) Right to Piggyback. Whenever the Company proposes to register any of its equity securities under the Securities Act (including primary and secondary registrations, and other than pursuant to an Excluded Registration) (a "Piggyback Registration"), the Company will give prompt written notice (and in any event within three Business Days after the public filing of the registration statement relating to the Piggyback Registration) to all Holders of its intention to effect such Piggyback Registration and, subject to the terms of Section 2(b) and Section 2(c), will include in such Piggyback Registration (and in all related registrations or qualifications under blue sky laws and in any related underwriting) all Registrable Securities with respect to

which the Company has received written requests for inclusion therein within ten (10) days after delivery of the Company's notice; provided that the Company shall not be required to provide such notice or include any Registrable Securities in such registration if the Sponsor Investors elect not to include any Sponsor Investor Registrable Securities in such registration, unless the Sponsor Investor otherwise consents in writing. Any Participating Sponsor Investor may withdraw its request for inclusion at any time prior to executing the underwriting agreement, or if none, prior to the applicable registration statement becoming effective.

(b) Priority on Primary Registrations. If a Piggyback Registration is an underwritten primary registration on behalf of the Company, and the managing underwriters advise the Company in writing that in their opinion the number of securities requested to be included in such registration exceeds the number which can be sold in such offering without adversely affecting the marketability, proposed offering price, timing or method of distribution of the offering, the Company will include in such registration (i) first, the securities the Company proposes to sell, (ii) second, the Sponsor Investor Registrable Securities requested to be included in such registration which, in the opinion of such underwriters, can be sold, without any such adverse effect, pro rata among the respective Participating Sponsor Investors on the basis of the number of Sponsor Investor Registrable Securities owned by each such Participating Sponsor Investor, (iii) third, the Registrable Securities requested to be included in such registration by any other Holders which, in the opinion of such underwriters, can be sold, without any such adverse effect, pro rata among such Holders on the basis of the number of Registrable Securities owned by each such Holder and (iv) fourth, other securities requested to be included in such registration which, in the opinion of the underwriters, can be sold without any such adverse effect. Notwithstanding anything to the contrary herein, if any Holders of Executive Registrable Securities have requested to include such securities in a Piggyback Registration that is an underwritten primary offering on behalf of the Company and the managing underwriters for such offering advise the Company in writing that in their opinion the inclusion of some or all of such Executive Registrable Securities could adversely affect the marketability, proposed offering price, timing and/or method of distribution of the offering, the Company shall first exclude from such offering the number (which may be all) of such Executive Registrable Securities identified by the managing underwriters as having any such adverse effect prior to the exclusion of any securities in such offering.

(c) Priority on Secondary Registrations. If a Piggyback Registration is an underwritten secondary registration on behalf of holders of the Company's equity securities (other than pursuant to Section 1 hereof), and the managing underwriters advise the Company in writing that in their opinion the number of securities requested to be included in such registration exceeds the number which can be sold in such offering without adversely affecting the marketability, proposed offering price, timing or method of distribution of the offering, the Company will include in such registration (i) first, the securities requested to be included therein by the holders initially requesting such registration which, in the opinion of the underwriters, can be sold without any such adverse effect, (ii) second, the Sponsor Investor Registrable Securities requested to be included in such registration which, in the opinion of such underwriters, can be sold, without any such adverse effect, pro rata among the respective Participating Sponsor Investors on the basis of the number of Sponsor Investor Registrable Securities on the basis of the number of Registrable Securities owned by each such Participating Sponsor Investor, (iii) third, the Registrable Securities requested to be included in such registration by any other

Holders which, in the opinion of such underwriters, can be sold, without any such adverse effect, pro rata among such Holders on the basis of the number of Registrable Securities owned by each such Holder and (iv) fourth, other securities requested to be included in such registration which, in the opinion of the underwriters, can be sold without any such adverse effect. Notwithstanding anything to the contrary herein, if any Holders of Executive Registrable Securities have requested to include such securities in a Piggyback Registration that is an underwritten secondary offering and the managing underwriters for such offering advise the Company in writing that in their opinion the inclusion of some or all of such Executive Registrable Securities could adversely affect the marketability, proposed offering price, timing or method of distribution of the offering, the Company shall be permitted to first exclude from such offering the number (which may be all) of such Executive Registrable Securities identified by the managing underwriters as having any such adverse effect prior to the exclusion of any securities in such offering.

(d) Right to Terminate Registration. The Company will have the right to terminate or withdraw any registration initiated by it under this Section 2, whether or not any holder of Registrable Securities has elected to include securities in such registration; provided, that Holders may continue the registration as a Demand Registration pursuant to the terms of Section 1.

(e) Selection of Underwriters. If any Piggyback Registration is an underwritten offering, the Sponsor Investor shall select the legal counsel for the Company, the investment banker(s) and manager(s) for the offering.

Section 3 Stockholder Lock-Up Agreements and Company Holdback Agreement.

(a) Stockholder Lock-up Agreements. In connection with any underwritten Public Offering, each Holder will enter into any lock-up, holdback or similar agreements requested by the underwriter(s) managing such offering, in each case with such modifications and exceptions as may be approved by the Sponsor Investor. Without limiting the generality of the foregoing, each Holder hereby agrees that in connection with the initial Public Offering and in connection with any Demand Registration, Shelf Offering or Piggyback Registration that is an underwritten Public Offering, not to (i) offer, sell, contract to sell, pledge or otherwise dispose of (including sales pursuant to Rule 144), directly or indirectly, any equity securities of the Company (including equity securities of the Company that may be deemed to be beneficially owned by such Holder in accordance with the rules and regulations of the SEC) (collectively, "Securities"), or any securities, options or rights convertible into or exchangeable or exercisable for Securities (collectively, "Other Securities"), (ii) enter into a transaction which would have the same effect as described in clause (i) above, (iii) enter into any swap, hedge or other arrangement that transfers, in whole or in part, any of the economic consequences or ownership of any Securities or Other Securities, whether such transaction is to be settled by delivery of such Securities or Other Securities, in cash or otherwise (each of (i), (ii) and (iii) above, a "Sale Transaction"), or (iv) publicly disclose the intention to enter into any Sale Transaction, commencing on the date on which the Company gives notice to the Holders that a preliminary prospectus has been circulated for such underwritten Public Offering or the "pricing" of such offering and continuing to the date that is (x) 180 days following the date of the final prospectus

for such underwritten Public Offering in the case of the initial Public Offering or (y) 90 days following the date of the final prospectus in the case of any other such underwritten Public Offering (each such period, or such shorter period as agreed to by the managing underwriters, a "Holdback Period"), in each case with such modifications and exceptions as may be approved by the Sponsor Investor; provided, however, that the foregoing restrictions shall not apply to (i) Securities acquired in the public market subsequent to the initial Public Offering, (ii) distributions-in-kind to a Holder's partners or members, (iii) transfers to Affiliates, but only if such Affiliates agree to be bound by the restrictions herein and (iv) the extent otherwise set forth in the lock-up, holdback or similar agreements requested by the underwriter(s) managing agreements signed by each Holder in connection with any underwritten Public Offering. The Company may impose stop-transfer instructions with respect to any Securities or Other Securities subject to the restrictions set forth in this Section 3(a) until the end of such Holdback Period.

(b) Company Holdback Agreement. The Company (i) will not file any registration statement for a Public Offering or cause any such registration statement to become effective, or effect any public sale or distribution of its Securities or Other Securities during any Holdback Period (other than as part of such underwritten Public Offering, or a registration on Form S-4 or Form S-8 or any successor or similar form which is (x) then in effect or (y) shall become effective upon the conversion, exchange or exercise of any then outstanding Other Securities) and (ii) will cause each holder of Securities and Other Securities (including each of its directors and executive officers) to agree not to effect any Sale Transaction during any Holdback Period, except as part of such underwritten registration (if otherwise permitted), unless approved in writing by the Sponsor Investor and the underwriters managing the Public Offering and to enter into any lock-up, holdback or similar agreements requested by the underwriter(s) managing such offering, in each case with such modifications and exceptions as may be approved by the Sponsor Investor.

(vii) (A) use best efforts to cause all such Registrable Securities to be listed on each securities exchange on which similar securities issued by the Company are then listed and, if not so listed, to be listed on a securities exchange and, without limiting the generality of the foregoing, to arrange for at least two market markers to register as such with respect to such Registrable Securities with FINRA, and (B) comply (and continue to comply) with the requirements of any self-regulatory organization applicable to the Company, including without limitation all corporate governance requirements;

(d) Additional Information. The Company may require each seller of Registrable Securities as to which any registration is being effected to furnish the Company such information regarding such seller and the distribution of such securities as the Company may from time to time reasonably request in writing, as a condition to such seller's participation in such registration.

(e) In-Kind Distributions. If any Sponsor Investor (and/or any of their Affiliates) seeks to effectuate an in-kind distribution of all or part of their Registrable Securities to their respective direct or indirect equityholders, the Company will, subject to applicable lock-up, holdback or similar agreements pursuant to Section 3(a), reasonably cooperate with and assist the Sponsor Investors (and/or any of their Affiliates), such equityholders and the Company's transfer agent to facilitate such in-kind distribution in the manner reasonably requested by the Sponsor Investors (including the delivery of instruction letters by the Company or its counsel to the Company's transfer agent and the delivery of Registrable Securities without restrictive legends, to the extent no longer applicable).

(f) Suspended Distributions. Each Person participating in a registration hereunder agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 4(a)(vi), such Person will immediately discontinue the disposition of its Registrable Securities pursuant to the registration statement until such Person's receipt of the copies of a supplemented or amended prospectus as contemplated by Section 4(a)(vi), subject to the Company's compliance with its obligations under Section 4(a)(vi).

(g) Other. To the extent that any of the Participating Sponsor Investors is or may be deemed to be an "underwriter" of Registrable Securities pursuant to any SEC comments or policies, the Company agrees that (i) the indemnification and contribution provisions contained in Section 6 shall be applicable to the benefit of such Participating Sponsor Investor in its role as an underwriter or deemed underwriter in addition to their capacity as a holder and (ii) such Participating Sponsor Investor shall be entitled to conduct the due diligence which they would normally conduct in connection with an offering of securities registered under the Securities Act, including without limitation receipt of customary opinions and comfort letters addressed to such Participating Sponsor Investor.

Section 5 Registration Expenses.

Except as expressly provided herein, all out-of-pocket expenses incurred by the Company or any Sponsor Investor in connection with the performance of or compliance with this Agreement and/or in connection with any Demand Registration, Piggyback Registration or Shelf Offering, whether or not the same shall become effective, shall be paid by the Company, including, without limitation: (i) all registration and filing fees, and any other fees and expenses associated with filings required to be made with the SEC or FINRA, (ii) all fees and expenses in connection with compliance with any securities or "blue sky" laws, (iii) all printing, duplicating, word processing, messenger, telephone, facsimile and delivery expenses (including expenses of printing certificates for the Registrable Securities in a form eligible for deposit with The Depository Trust Company or other depositary and of printing prospectuses and Company Free Writing Prospectuses), (iv) all fees and disbursements of counsel for the Company and of all independent certified public accountants of the Company (including the expenses of any special audit and cold comfort letters required by or incident to such performance), (v) Securities Act liability insurance or similar insurance if the Company so desires or the underwriters so require in accordance with then-customary underwriting practice, (vi) all fees and expenses incurred in connection with the listing of the Registrable Securities on any securities exchange on which similar securities of the Company are then listed (or on which exchange the Registrable Securities are proposed to be listed in the case of the initial Public Offering), (vii) all applicable rating agency fees with respect to the Registrable Securities, (viii) all fees and disbursements of legal counsel for the Company, (ix) all reasonable fees and disbursements of one legal counsel for selling Holders selected by the Sponsor Investors (which may be the same counsel as selected for the Company) together with any necessary local counsel as may be required by the Sponsor Investors, (x) any fees and disbursements of underwriters customarily paid by issuers or sellers of securities, (xi) all fees and expenses of any special experts or other Persons retained by the Company or the Sponsor Investors in connection with any Registration (xii) all of the Company's internal expenses (including all salaries and expenses of its officers and employees performing legal or accounting duties) and (xiii) all expenses related to the "road-show" for any underwritten offering, including all travel, meals and lodging. All such expenses are referred to herein as "Registration Expenses." The Company shall not be required to pay, and each Person that sells securities pursuant to a Demand Registration, Shelf Offering or Piggyback Registration hereunder will bear and pay, all underwriting discounts and commissions applicable to the Registrable Securities sold for such Person's account and all transfer taxes (if any) attributable to the sale of Registrable Securities.

Section 6 Indemnification and Contribution.

(a) By the Company. The Company will indemnify and hold harmless, to the fullest extent permitted by law and without limitation as to time, each Holder, such Holder's officers, directors employees, agents, fiduciaries, stockholders, managers, partners, members, affiliates, direct and indirect equityholders, consultants and representatives, and any successors and assigns thereof, and each Person who controls such holder (within the meaning of the Securities Act) (the "Indemnified Parties") against all losses, claims, actions, damages, liabilities and expenses (including with respect to actions or proceedings, whether commenced or threatened, and including reasonable attorney fees and expenses) (collectively, "Losses") caused by, resulting from, arising out of, based upon or related to any of the following (each, a "Violation") by the Company: (i) any untrue or alleged untrue statement of material fact contained in (A) any registration statement, prospectus, preliminary prospectus or Free-Writing Prospectus, or any amendment thereof or supplement thereto or (B) any application or other document or communication (in this Section 6, collectively called an "application") executed by or on behalf of the Company or based upon written information furnished by or on behalf of the Company filed in any jurisdiction in order to qualify any securities covered by such registration under the "blue sky" or securities laws thereof, (ii) any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading or (iii) any violation or alleged violation by the Company of the Securities Act or any other similar federal or state securities laws or any rule or regulation promulgated thereunder applicable to the Company and relating to action or inaction required of the Company in connection with any such registration, qualification or compliance. In addition, the Company will reimburse such Indemnified Party for any legal or any other expenses reasonably incurred by them in connection with investigating or defending any such Losses. Notwithstanding the foregoing, the Company will not be liable in any such case to the extent that any such Losses result from, arise out of, are based upon, or relate to an untrue statement, or omission, made in such registration statement, any such prospectus, preliminary prospectus or Free-Writing Prospectus or any amendment or supplement thereto, or in any application, in reliance upon, and in conformity with, written information prepared and furnished in writing to the Company by such Indemnified Party expressly for use therein or by such Indemnified Party's failure to deliver a copy of the registration statement or prospectus or any amendments or supplements thereto after the Company has furnished such Indemnified Party with a sufficient number of copies of the same. In connection with an underwritten offering, the Company will indemnify such underwriters, their officers and directors, and each Person who controls such underwriters (within the meaning of the Securities Act) to the same extent as provided above with respect to the indemnification of the Indemnified Parties or as otherwise agreed to in the underwriting agreement executed in connection with such underwritten offering. Such indemnity and reimbursement of expenses shall remain in full force and effect regardless of any investigation made by or on behalf of such Indemnified Party and shall survive the transfer of such securities by such seller.

(b) By Holders. In connection with any registration statement in which a Holder is participating, each such Holder will furnish to the Company in writing such information and affidavits as the Company reasonably requests for use in connection with any such registration statement or prospectus and, to the extent permitted by law, will indemnify the Company, its officers, directors, employees, agents and representatives, and each Person who controls the Company (within the meaning of the Securities Act) against any Losses resulting from (as determined by a final and appealable judgment, order or decree of a court of competent

jurisdiction) any untrue statement of material fact contained in the registration statement, prospectus or preliminary prospectus or any amendment thereof or supplement thereto or any omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission is contained in any information or affidavit so furnished in writing by such Holder expressly for use therein; provided that the obligation to indemnify will be individual, not joint and several, for each Holder and will be limited to the net amount of proceeds received by such Holder from the sale of Registrable Securities pursuant to such registration statement.

(c) Claim Procedure. Any Person entitled to indemnification hereunder will (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice will impair any Person's right to indemnification hereunder only to the extent such failure has prejudiced the indemnifying party) and (ii) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party will not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent will not be unreasonably withheld, conditioned or delayed). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim will not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. In such instance, the conflicted indemnified parties will have a right to retain one separate counsel, chosen by the majority of the conflicted indemnified parties involved in the indemnification and approved by the Sponsor Investor, at the expense of the indemnifying party.

(d) Contribution. If the indemnification provided for in this Section 6 is held by a court of competent jurisdiction to be unavailable to, or is insufficient to hold harmless, an indemnified party or is otherwise unenforceable with respect to any Loss referred to herein, then such indemnifying party will contribute to the amounts paid or payable by such indemnified party as a result of such Loss, (i) in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and of the indemnified party on the other hand in connection with the statements or omissions which resulted in such Loss as well as any other relevant equitable considerations or (ii) if the allocation provided by clause (i) of this Section 6(d) is not permitted by applicable law, then in such proportion as is appropriate to reflect not only such relative fault but also the relative benefit of the Company on the one hand and of the sellers of Registrable Securities and any other sellers participating in the registration statement on the other in connection with the statement or omissions which resulted in such Losses, as well as any other relevant equitable considerations; provided that the maximum amount of liability in respect of such contribution will be limited, in the case of each seller of Registrable Securities, to an amount equal to the net proceeds actually received by such seller from the sale of Registrable Securities effected pursuant to such registration. The relative fault of the indemnifying party and of the indemnified party will be determined by reference to, among other things, whether the untrue (or, as applicable alleged) untrue statement of a material fact or the omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified

party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just or equitable if the contribution pursuant to this Section 6(d) were to be determined by pro rata allocation or by any other method of allocation that does not take into account such equitable considerations. The amount paid or payable by an indemnified party as a result of the Losses referred to herein will be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending against any action or claim which is the subject hereof. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) will be entitled to contribution from any Person who is not guilty of such fraudulent misrepresentation.

(e) Release. No indemnifying party will, except with the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement that does not include as an unconditional term thereof giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

(f) Non-exclusive Remedy; Survival. The indemnification and contribution provided for under this Agreement will be in addition to any other rights to indemnification or contribution that any indemnified party may have pursuant to law or contract (and the Company and its Subsidiaries shall be considered the indemnitors of first resort in all such circumstances to which this Section 6 applies) and will remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling Person of such indemnified party and will survive the transfer of Registrable Securities and the termination or expiration of this Agreement.

Section 7 Cooperation with Underwritten Offerings. No Person may participate in any underwritten registration hereunder unless such Person (i) agrees to sell such Person's securities on the basis provided in any underwriting arrangements approved by the Person or Persons entitled hereunder to approve such arrangements (including, without limitation, pursuant to the terms of any over-allotment or "green shoe" option requested by the underwriters; provided that no Holder will be required to sell more than the number of Registrable Securities such Holder has requested to include in such registration) and (ii) completes, executes and delivers all questionnaires, powers of attorney, stock powers, custody agreements, indemnities, underwriting agreements and other documents and agreements required under the terms of such underwriting arrangements or as may be reasonably requested by the Company and the lead managing underwriter(s). To the extent that any such agreement is entered into pursuant to, and consistent with, Section 3, Section 4 and/or this Section 7, the respective rights and obligations created under such agreement will supersede the respective rights and obligations of the Holders, the Company and the underwriters created thereby with respect to such registration.

Section 8 Subsidiary Public Offering. If, after an initial Public Offering of the common equity securities of one of its Subsidiaries, the Company distributes securities of such Subsidiary to its equityholders, then the rights and obligations of the Company pursuant to this Agreement will apply, *mutatis mutandis*, to such Subsidiary, and the Company will cause such Subsidiary to comply with such Subsidiary's obligations under this Agreement as if it were the Company hereunder.

Section 9 Rules 144 and 144A and Regulation S. The Company covenants that it will file the reports required to be filed by it under the Securities Act and the Exchange Act and the rules and regulations adopted by the SEC thereunder (or, if the Company is not required to file such reports, it will, upon the reasonable request of the Sponsor Investor, make publicly available such necessary information for so long as necessary to permit sales pursuant to Rule 144, Rule 144A or Regulation S under the Securities Act, as such rules may be amended from time to time), and it will take such further action as the Sponsor Investor may reasonably request, all to the extent required from time to time to enable the Sponsor Investor to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by (i) Rule 144, Rule 144A or Regulation S under the Securities Act, as such rules may be amended from time to time, or (ii) any similar rule or regulation hereafter adopted by the SEC. Upon the reasonable request of any Holder, the Company will deliver to such Holder a written statement as to whether it has complied with such requirements and, if not, the specifics thereof.

Section 10 Trading Windows. The Company shall (i) use its reasonable best efforts to notify the Sponsor Investor of each "closing" and "opening" date under the trading windows established by the Company's insider trading policy, in each case, at least two Business Days prior to each such date and (ii), at the request of the Sponsor Investor, confirm to the Sponsor Investor whether a trading window is open at such time.

Section 11 Joinder; Additional Parties.

(a) Joinder. The Company may from time to time (with the prior written consent of the Sponsor Investor) permit any Person who acquires Common Equity (or rights to acquire Common Equity) to become a party to this Agreement and to be entitled to and be bound by all of the rights and obligations as a Holder by obtaining an executed joinder to this Agreement from such Person in the form of Exhibit B attached hereto (a "Joinder"). Upon the execution and delivery of a Joinder by such Person, the Common Equity held by such Person shall become the category of Registrable Securities (i.e., Sponsor Investor Registrable Securities, Other Investor Registrable Securities or Executive Registrable Securities), and such Person shall be deemed the category of Holder (i.e., Sponsor Investor, Other Investor or Executive), in each case as set forth on the signature page to such Joinder.

(b) Legend. Each certificate (if any) evidencing any Registrable Securities and each certificate issued in exchange for or upon the transfer of any Registrable Securities (unless such Registrable Securities would no longer be Registrable Securities after such transfer) will be stamped or otherwise imprinted with a legend in substantially the following form:

"THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO RESTRICTIONS ON TRANSFER AND OTHER PROVISIONS SET FORTH IN A REGISTRATION RIGHTS AGREEMENT DATED AS OF , 2021 AMONG THE ISSUER OF SUCH SECURITIES (THE "COMPANY") AND CERTAIN OF THE COMPANY'S EQUITYHOLDERS, AS AMENDED. A COPY OF SUCH AGREEMENT WILL BE FURNISHED WITHOUT CHARGE BY THE COMPANY TO THE HOLDER HEREOF UPON WRITTEN REQUEST."

The Company will imprint such legend on certificates evidencing Registrable Securities outstanding prior to the date hereof. The legend set forth above will be removed from the certificates evidencing any securities that have ceased to be Registrable Securities.

Section 12 General Provisions.

(a) Amendments and Waivers. Except as otherwise provided herein, the provisions of this Agreement may be amended, modified or waived only with the prior written consent of the Company and the Sponsor Investor; provided that no such amendment, modification or waiver that would treat a specific Holder or group of Holders of Registrable Securities (i.e., Sponsor Investors, Other Investors or Executives) in a manner materially and adversely different than any other Holder or group of Holders will be effective against such Holder or group of Holders without the consent of the holders of a majority of the Registrable Securities that are held by the group of Holders that is materially and adversely affected thereby. The failure or delay of any Person to enforce any of the provisions of this Agreement will in no way be construed as a waiver of such provisions and will not affect the right of such Person thereafter to enforce each and every provision of this Agreement in accordance with its terms. A waiver or consent to or of any breach or default by any Person in the performance by that Person of his, her or its obligations under this Agreement will not be deemed to be a consent or waiver to or of any other breach or default in the performance by that Person of the same or any other obligations of that Person under this Agreement.

(b) Remedies. The parties to this Agreement will be entitled to enforce their rights under this Agreement specifically (without posting a bond or other security), to recover damages caused by reason of any breach of any provision of this Agreement and to exercise all other rights existing in their favor. The parties hereto agree and acknowledge that a breach of this Agreement would cause irreparable harm and money damages would not be an adequate remedy for any such breach and that, in addition to any other rights and remedies existing hereunder, any party will be entitled to specific performance and/or other injunctive relief from any court of law or equity of competent jurisdiction (without posting any bond or other security) in order to enforce or prevent violation of the provisions of this Agreement.

(c) Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be prohibited, invalid, illegal or unenforceable in any respect and to any extent under any applicable law or regulation in any jurisdiction, (i) the application of that provision to another Person or circumstances shall not be affected thereby and that provision shall be enforced to the greatest extent permitted by law and (ii) such prohibition, invalidity, illegality or unenforceability will not affect the validity, legality or enforceability of any other provision of this Agreement in such jurisdiction or in any other jurisdiction, but this Agreement will be reformed, construed and enforced in such jurisdiction as if such prohibited, invalid, illegal or unenforceable provision had never been contained herein.

(d) Entire Agreement. Except as otherwise provided herein, this Agreement contains the complete agreement and understanding among the parties hereto with respect to the subject matter hereof and supersedes and preempts any prior understandings, agreements or representations by or among the parties hereto, written or oral, which may have related to the subject matter hereof in any way.

(e) Successors and Assigns. Except as otherwise provided herein, this Agreement will bind and inure to the benefit and be enforceable by the Company and its successors and permitted assigns and the Holders and their respective successors and permitted assigns (whether so expressed or not).

(f) Notices. Any notice, demand or other communication to be given under or by reason of the provisions of this Agreement will be in writing and will be deemed to have been given (i) when delivered personally to the recipient, (ii) when sent by electronic mail or facsimile if sent during normal business hours of the recipient; but if not, then on the next Business Day, (iii) one Business Day after it is sent to the recipient by reputable overnight courier service (charges prepaid) or (iv) three Business Days after it is mailed to the recipient by first class mail, return receipt requested. Such notices, demands and other communications will be sent to the Company at the address specified below or any Joinder and to any holder, or at such address or to the attention of such other Person as the recipient party has specified by prior written notice to the sending party. other issues and questions concerning the construction, validity, interpretation and enforcement of this Agreement and the exhibits and schedules hereto will be governed by, and construed in accordance with, the laws of the State of Delaware, without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

AS A SPECIFICALLY BARGAINED FOR INDUCEMENT FOR EACH OF THE PARTIES HERETO TO ENTER INTO THIS AGREEMENT (AFTER HAVING THE OPPORTUNITY TO CONSULT WITH COUNSEL), EACH PARTY HERETO EXPRESSLY WAIVES THE RIGHT TO TRIAL BY JURY IN ANY LAWSUIT OR PROCEEDING RELATING TO OR ARISING IN ANY WAY FROM THIS AGREEMENT OR THE MATTERS CONTEMPLATED HEREBY.

EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY OBJECTION TO THE LAYING OF VENUE OF ANY ACTION, SUIT OR PROCEEDING ARISING OUT OF THIS AGREEMENT, ANY RELATED DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY IN THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF DELAWARE, AND HEREBY AND THEREBY FURTHER IRREVOCABLY AND UNCONDITIONALLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH ACTION, SUIT OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

(k) No Recourse. Notwithstanding anything to the contrary in this Agreement, the Company and each Holder agrees and acknowledges that no recourse under this Agreement or any documents or instruments delivered in connection with this Agreement, will be had against any current or future director, officer, employee, general or limited partner or member of any Holder or any Affiliate or assignee thereof, whether by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any statute, regulation or other applicable law, it being expressly agreed and acknowledged that no personal liability whatsoever will attach to, be imposed on or otherwise be incurred by any current or future officer, agent or employee of any Holder or any current or future member of any Holder or any current or future director, officer, employee, partner or member of any Holder or of any Affiliate or assignee thereof, as such for any obligation of any Holder under this Agreement or any documents or instruments delivered in connection with this Agreement for any claim based on, in respect of or by reason of such obligations or their creation.

(l) Descriptive Headings; Interpretation. The descriptive headings of this Agreement are inserted for convenience only and do not constitute a part of this Agreement. The use of the word "including" in this Agreement will be by way of example rather than by limitation.

(m) No Strict Construction. The language used in this Agreement will be deemed to be the language chosen by the parties hereto to express their mutual intent, and no rule of strict construction will be applied against any party.

(n) Counterparts. This Agreement may be executed in multiple counterparts, any one of which need not contain the signature of more than one party, but all such counterparts taken together will constitute one and the same agreement.

(o) Electronic Delivery. This Agreement, the agreements referred to herein, and each other agreement or instrument entered into in connection herewith or therewith or contemplated hereby or thereby, and any amendments hereto or thereto, to the extent executed and delivered by means of a photographic, photostatic, facsimile or similar reproduction of such signed writing using a facsimile machine or electronic mail will be treated in all manner and respects as an original agreement or instrument and will be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. At the request of any party hereto or to any such agreement or instrument, each other party hereto or thereto will re-execute original forms thereof and deliver them to all other parties. No party hereto or to any such agreement or instrument will raise the use of a facsimile machine or electronic mail to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of a facsimile machine or electronic mail as a defense to the formation or enforceability of a contract and each such party forever waives any such defense.

(p) Further Assurances. In connection with this Agreement and the transactions contemplated hereby, each Holder agrees to execute and deliver any additional documents and instruments and perform any additional acts that may be necessary or appropriate to effectuate and perform the provisions of this Agreement and the transactions contemplated hereby.

All amounts payable to you pursuant to this Agreement shall be subject to any required withholding under applicable law.

2. Annual Bonus. For FY 2019 and each fiscal year thereafter during the Term, you will be eligible to earn an annual bonus in an amount of 125% of your Base Salary, upon the achievement of annual plan goals (the "Target Bonus"). Your annual plan performance targets will be recommended by the management of the Company and established annually (in consultation with you) prior to the start of each fiscal year (which targets will generally focus on financial metrics of the Company in comparison to budget). If you are employed on the last day of the applicable fiscal year, you shall be entitled to payment of the full earned bonus amount for such fiscal year, determined based on the level of achievement of the applicable performance targets.

Any bonus earned under this Section 2 shall be paid as soon as practicable and within forty-five (45) days following the completion of Parent's audit for the fiscal year during which such bonus was earned under this Section 2, but in any event by December 31st immediately following the completion of such fiscal year.

3. Certain Matters Upon an IPO.

(a) If an IPO occurs during your employment hereunder, then you will be entitled to a one-time grant of restricted stock units or restricted share awards (the "IPO Stock Award") in respect of such number of shares of common stock of the IPO Issuer as is equal to $1.5 million divided by the initial public offering price per share of common stock of the IPO Issuer offered to the public in the IPO. The IPO Stock Award will be granted as soon as reasonably practicable following the date of the IPO (the "IPO Date"). The IPO Stock Award (i) shall vest as to (x) 50% of the shares of common stock subject to the IPO Stock Award as of the date of grant and (y) 50% of the shares of common stock subject to the IPO Stock Award in equal installments on each of the first, second, and third anniversaries of the IPO Date, provided that you are employed by the Company through the applicable vesting date, and (ii) shall be subject to such other terms and conditions consistent with the IPO Issuer's grant of equity-based awards to similarly-situated employees.

(c) In addition, if an IPO occurs during your employment hereunder, you will be eligible to receive an annual incentive equity award grant in a form and at a time determined by the Compensation Committee of the board of directors of the IPO Issuer on terms and conditions no less favorable to you than those provided to other senior management team members of the Company, with the amount of such annual incentive equity awards (and the timing of the grant of such awards) to be determined by the Compensation Committee of the board of directors of the IPO Issuer. All such annual incentive equity awards granted to you will be subject to vesting and other terms of a company-wide equity plan to be implemented by the IPO Issuer in connection with the IPO.

(d) For purposes hereof, the following terms shall have the following meanings:

(i) "IPO" means an initial public offering and sale of any common stock of any member of the Parent Group pursuant to an effective registration statement under the Securities Act.

(ii) "IPO Issuer" means the applicable member of the Parent Group whose common stock is registered in the IPO.

(iii) "Securities Act" means the Securities Act of 1933, as amended, and applicable rules and regulations thereunder, and any successor to such statute, rules or regulations. Any reference herein to a specific section, rule or regulation of the Securities Act shall be deemed to include any corresponding provisions of future law.

4. Benefits; Reimbursement of Expenses.

(a) During the Term, you will be eligible to receive benefits in accordance with the Company's standard benefit plans approved by the Board which are provided to other senior executives of the Company (excluding any incentive equity compensation, which will be determined on a case by case basis), as the same may be amended, modified or replaced from time to time, which at a minimum will include health insurance on the same terms and conditions provided to other senior management team members of the Company, paid time off in accordance with Company policy for senior management team members and reimbursement of business expenses as described in Section 4(b) below.

(b) Promptly following your presentation to the Company of reasonable supporting documentation therefor, the Company shall reimburse you for all business travel, entertainment and other expenses, in each case, incurred by you in connection with the performance by you of your duties pursuant to this Agreement which are consistent with the Company's policies in effect from time to time regarding such business expenses. In addition, upon presentation of appropriate documentation, the Company shall pay your reasonable attorneys' fees incurred in connection with the negotiation and documentation of this Agreement, up to a maximum of $10,000 which shall be paid on or as soon as reasonably practicable following the Effective Date.

(c) To the extent any reimbursements or in-kind benefits under this Agreement constitute "non-qualified deferred compensation" for purposes of Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"), (i) all such expenses, benefits or other reimbursements under this Agreement shall be made on or prior to the last day of the taxable year following the taxable year in which such expenses were incurred by you, (ii) any right to such reimbursement or in kind benefits is not subject to liquidation or exchange for another benefit, and (iii) no such reimbursement, expenses eligible for reimbursement, or in-kind benefits provided in any taxable year shall in any way affect the expenses eligible for reimbursement, or in-kind benefits to be provided, in any other taxable year.

5. Equity Award Matters.

(a) From and following the Effective Date, "Fair Market Value" for purposes of the repurchase right set forth in Section 4 of that certain Incentive Unit Purchase Agreement, dated August 29, 2018 by and between you and Torrid Holding LLC (the "Incentive Unit Agreement") the determination of "Fair Market Value" shall not include any discounts for lack of marketability or minority ownership of the units being repurchased.

(b) If a Change of Control (as defined in the Incentive Unit Agreement) of the Company occurs prior to an IPO, then, so long as you remain continuously employed by the Company through the consummation of such Change of Control, any then-outstanding unvested equity-based awards held by you as of immediately prior to such Change of Control will vest in full upon, and subject to the consummation of, such Change of Control.

(c) If during the two year period immediately following the consummation of a Change of Control that occurs following an IPO, your employment with the Company and its subsidiaries is terminated for any reason other than for Cause, or you terminate your employment with the Company and its subsidiaries for Good Reason, any then-outstanding unvested equity-based awards held by you as of immediately prior to the date of such termination of employment will vest in full on the 60th day following the date of your termination of employment, subject to the your execution and non-revocation of a customary general release in the form attached hereto as Exhibit A prior to such date.

6. Payments on Termination of Employment.

(a) If your employment terminates for any reason, the Company shall pay to you (i) the portion of your Base Salary and paid time off, if any, accrued and unpaid through the date of termination of your employment and (ii) any annual bonus earned for the prior fiscal year (*i.e.*, for the fiscal year prior to the fiscal year in which your termination occurs) pursuant to Section 2 hereof, if any, which has not been previously paid. The amounts payable to you pursuant to the preceding sentence will be paid to you at such times as you would have otherwise been entitled to receive such amounts had your employment not been terminated (determined in accordance with the Company's payroll practices at the time of termination). You shall also be entitled to elect to purchase benefits under the Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA") from the Company and/or its provider on the same terms made available to other former employees of the Company.

(b) If your employment is terminated by reason of your death or Disability (as defined below), the Company will also pay you (or your estate) a prorated portion of your annual Target Bonus described in Section 2 above earned for the fiscal year in which any such termination of your employment occurs, prorated based upon the number of days you were employed during such fiscal year, which amount shall be paid at such time annual bonuses are paid to other senior executives of the Company, but in any event by December 31st immediately following the completion of such fiscal year.

(c) In addition, upon the Company's termination of your employment without Cause or your resignation of your employment for Good Reason, the Company will pay you the following:

(i) Severance; and

(ii) If you are eligible for, and timely elect, continued coverage under COBRA for yourself and/or your eligible dependents under the Company's group health insurance plans following the termination of your employment in accordance with this Section 6(c), the Company shall pay the COBRA premiums necessary to continue the health insurance coverage in effect for you and/or your eligible dependents as of the date of your termination of employment with the Company until the earliest of (A) twelve (12) months following your termination date (the "COBRA Severance Period"); (B) the expiration of your eligibility for continuation coverage under COBRA; and (C) the date on which you become eligible for group health insurance coverage in connection with new employment. If you become eligible for coverage under another employers group health plan, or otherwise cease to be eligible for COBRA coverage during the COBRA Severance Period, you must immediately notify the Company of such event, and the Company's obligation to pay COBRA premiums on your behalf will cease. Notwithstanding the foregoing, provided, further, that the Company may modify the continuation coverage contemplated by this Section 6(c)(ii) to the extent reasonably necessary to avoid the imposition of any excise taxes on the Company for failure to comply with the nondiscrimination requirements of the Patient Protection and Affordable Care Act of 2010, as amended, and/or the Health Care and Education Reconciliation Act of 2010, as amended (to the extent applicable).

Except as otherwise set forth in this Section 6, all of your rights to any remuneration of any kind or nature whatsoever from the Company or any member of the Parent Group shall cease upon termination of your employment.

(d) For purposes of this Agreement, the following terms shall have the following meanings:

(i) "Cause" means your (A) conviction of a felony (or your entry of a plea of guilty or "no contest" with respect to a felony), (B) fraudulent conduct, (C) willful refusal to materially perform your duties (except during periods when you are unable to perform such duties as a result of your illness (either physical or mental) or other incapacity or excused absence or vacation) consistent with your position and title as reasonably directed by the Board, (D) willful misconduct which has a material adverse effect on the business or reputation of the Company or its subsidiaries, or (E) a material breach by you of your obligations set forth in this Agreement; provided that you shall not be deemed to have been terminated for Cause in the case of clause (E) above, unless such breach is not fully corrected prior to the expiration of the fifteen (15)-day period following delivery to you of the Company's written notice of its intention to terminate your employment for Cause describing the basis therefor in reasonable detail. For purposes of this "Cause" definition, an act or failure to act shall be considered "willful" only if done or omitted to be done without a good faith reasonable belief that such act or failure to act was in the best interests of the Company and its subsidiaries.

(ii) "Disability" (A) means any incapacity due to a physical or mental illness or injury which results in your inability to perform your duties with reasonable accommodation for a total of 120 days during any twelve (12)-month period, as determined by the Board in its good faith judgment and (B) will be deemed to have occurred on the 120th day of such inability to perform.

(iii) "Good Reason" means you resign your employment with the Company as a result of one or more of the following events that occur without your written consent: (A) any material adverse change in your authority, responsibilities or duties such that you no longer have the title of, or serve or function as, the Company's Chief Executive Officer (except during periods when you are unable to perform such duties as a result of your illness (either physical or mental) or other incapacity or excused absence or vacation), (B) a material breach by the Company of this Agreement (including, without limitation, any reduction in your Base Salary or your bonus opportunity described in Section 2(a) hereof), or (C) a relocation of your principal business location to an area outside of the Los Angeles, California metropolitan area; provided that you must deliver to the Company written notice of your resignation no later than sixty (60) days after you become aware of the occurrence of any such event in order for your purported resignation with Good Reason to be effective hereunder and such resignation will not be effective until the sixtieth (60th) day following receipt of any such written notice by the Company (the "Notice of Termination"). Notwithstanding anything contained herein to the contrary, you shall not have Good Reason for termination if, within thirty (30) days after the receipt by the Company of your Notice of Termination, the Company corrects the action or failure to act that constitutes the purported grounds for termination for Good Reason as set forth in the Notice of Termination.

(iv) "Severance" means, without duplication of amounts, (A) an amount equal to twelve (12) months of your then-current Base Salary and (B) a prorated portion of your annual Target Bonus described in Section 2 above earned based on actual Company performance for the fiscal year in which a termination of employment pursuant to Section 6(c) occurs, prorated based upon the number of days you were employed during such fiscal year, which amount shall be paid at such time annual bonuses are paid to other senior executives of the Company, but in any event by December 31st immediately following the completion of such fiscal year. Subject to Section 6(f), the amounts payable to you pursuant to the preceding sentence will be paid to you at such times as you would have otherwise been entitled to receive such amounts had your employment not been terminated (determined in accordance with the Company's payroll practices at the time of termination), except as otherwise provided herein. As a condition to the Company's obligation to pay you Severance, you shall enter into and deliver a customary general release in the form attached hereto as Exhibit A whereby you release any and all claims arising out of or related to your employment with the Company and the members of the Parent Group and the termination of your employment. Notwithstanding anything in this Agreement to the contrary, the Company shall have no obligation to pay you Severance during such times as you are in violation of Sections 8, 9, 10 or 11 of this Agreement.

(e) Release. You shall forfeit all rights to Severance payments unless the release referred to in Section 6(d)(iv) above is signed, delivered and not subject to revocation within sixty (60) days following the date of your termination of employment. If the foregoing release is executed, delivered and not subject to revocation as provided in the preceding sentence, then the following shall apply:

(i) To the extent that any such cash payment or continuing benefit to be provided is not "nonqualified deferred compensation" for purposes of Code Section 409A, then such payment or benefit shall commence upon the first scheduled payment date immediately following the date that the release is executed, delivered and not subject to revocation (the "Release Effective Date"). The first such cash payment shall include payment of all amounts that otherwise would have been due prior to the Release Effective Date under the terms of this Agreement applied as though such payments commenced immediately upon your termination of employment, and any payments made thereafter shall continue as provided herein. The delayed benefits shall in any event expire at the time such benefits would have expired had such benefits commenced immediately following your termination of employment.

(ii) To the extent that any such cash payment to be provided is "nonqualified deferred compensation" for purposes of Code Section 409A, then such payments shall be made or commence upon the sixtieth (60th) day following your termination of employment. The first such cash payment shall include payment of all amounts that otherwise would have been due prior thereto under the terms of this Agreement had such payments commenced immediately upon your termination of employment, and any payments made thereafter shall continue as provided herein.

(f) In the event of your termination of employment, you will take all reasonably necessary actions to effect a smooth transition of your duties with respect to each member of the Parent Group to such person or persons as may be designated by the Board.

(g) In the event the stock of the Company or any of its subsidiaries or their respective parent companies (including any member of the Parent Group) is publicly traded and you are a "specified employee" as that term is defined under U.S. Department of Treasury Regulation ("Treasury Regulation") Section 1.409A-1(h)(3), as promulgated under the Code, then, except as otherwise permitted under Code Section 409A and the Treasury Regulations promulgated thereunder, (i) with respect to any such amounts payable under Section 6(d)(iv)(A), you will begin receiving payments (without duplication of amounts) on the first scheduled payroll date in the seventh (7th) month following the termination of the Term and the first such payment will include the accumulated payments during the first six (6) months following the termination of the Term that otherwise would have been due under Section 6(d)(iv)(A) had such payments commenced immediately following the termination of the Term, and any remaining payments made thereafter with respect to Section 6(d)(iv)(A) shall continue as provided in Section 6(d)(iv), and (ii) with respect to any such amounts payable under Section 6(d)(iv)(B), you will receive such payment on the last to occur of (A) the date such payment would have otherwise been payable pursuant to Section 6(d)(iv)(B), and (B) the first schedules payroll date in the seventh (7th) month following the termination of the Term.

(h) For purposes of Code Section 409A, (i) references herein to your "termination of employment" or like reference shall refer to your separation from service with the Company within the meaning of Code Section 409A and (ii) the right to a series of installment payments under this Agreement shall be treated as a right to a series of separate payments.

(i) It is the intent of the parties to this Agreement that this Agreement shall be interpreted, construed and operated in compliance with any applicable provisions of Code Section 409A and the Treasury Regulations promulgated thereunder. To the extent that future regulations or guidance issued pursuant to Code Section 409A or the Treasury Regulations promulgated thereunder require any amendments to this Agreement as to the form and timing of the payment of benefits hereunder, the parties agree that they will consent to, and make, such amendments, subject, in each such case, to the preservation of the parties' respective economic interests and legal rights and obligations hereunder.

7. Term. The term (the "Term") of this Agreement shall commence as of the Effective Date and shall terminate immediately upon the first to occur of (i) the effective date of your resignation with or without Good Reason (it being agreed that in the case of your resignation without Good Reason, you shall provide the Company with not less than thirty (30) days written notice prior to the effective date of any such resignation), death or Disability (as defined below) and (ii) the termination of your employment by the Company for Cause or without Cause. Any termination of this Agreement by the Company shall be effective as specified in a written notice to you from the Company. Your termination of employment with the Company for any reason shall be deemed to automatically remove you, without further action, from any and all offices held by you with the Company and the members of the Parent Group (including, without limitation, any office as a member of the board of directors or board of managers or similar governing body of any member of the Parent Group). You agree to promptly sign and submit notice(s) of resignation or any other documents reasonably requested in order for any member of the Parent Group to effectuate your removal from any offices held by you.

8. Confidential Information.

(a) You acknowledge that the information, observations and data (including, without limitation, trade secrets, know-how, research and product plans, customer lists, software, inventions, processes, formulas, technology, designs, drawings, specifications, marketing and advertising materials, distribution and sales methods and systems, sales and profit figures and other technical and business information) concerning the business or affairs of the Company or any member of the Parent Group obtained by you while employed by the Company or any member of the Parent Group or while serving as an officer, director or manager of the Company or any member of the Parent Group ("Confidential Information") are the property of the Company and the members of the Parent Group. In addition to the above, you specifically acknowledge and agree that proprietary or confidential information about the customers, suppliers, licensees, licensors and other business relations of Parent, the Company and/or any other members of the Parent Group is Confidential Information and constitutes trade secrets of the Parent Group. Therefore, during the Term and at all times thereafter, you agree that you shall not disclose to any unauthorized person or use for your own purposes any Confidential Information without the prior written consent of the Board or the applicable Parent Group member's board of managers or other governing body, as the case may be, unless and to the extent that (i) the aforementioned matters become generally known to and available for use by the public other than as a result of your acts or omissions to act or (ii) you are required to disclose such Confidential Information pursuant to applicable law (it being agreed you shall cooperate with the Company's efforts (and at the Company's cost), if requested by the Company, to obtain a protective order or other assurances that such Confidential Information shall be accorded confidential treatment); provided that with respect to each portion of the Confidential Information that qualifies as a trade secret under applicable law, each such portion of such Confidential Information shall be held and treated in accordance with the provisions of this Agreement for such maximum period of time as is allotted for trade secrets under applicable law. You will deliver to the Company at the termination of your employment, or at any other time the Company may request, all memoranda, notes, plans, records, reports, computer tapes, printouts and software and other documents and data (and copies thereof) to the extent containing Confidential Information, Work Product (as defined in Section 9 below) or related to the business of the Company or any member of the Parent Group which you may then possess or have under your control.

(b) 18 U.S.C. § 1833(b) provides: "An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that—(A) is made—(i) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal." Nothing in this Agreement is intended to conflict with 18 U.S.C. § 1833(b) or create liability for disclosures of trade secrets that are expressly allowed by 18 U.S.C. § 1833(b). Accordingly, the parties to this Agreement have the right to disclose in confidence trade secrets to federal, state, and local government officials, or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law. The parties also have the right to disclose trade secrets in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal and protected from public disclosure.

(c) Notwithstanding anything to the contrary contained herein, no provision of this Agreement shall be interpreted so as to impede you (or any other individual) from reporting possible violations of federal law or regulation to any governmental agency or entity, including, but not limited to, the Department of Justice, the Securities and Exchange Commission, the Congress, and any agency Inspector General, or making other disclosures under the whistleblower provisions of federal law or regulation. You do not need the prior authorization of the Company to make any such reports or disclosures and you shall not be required to notify the Company that such reports or disclosures have been made.

9. Inventions and Patents.

(a) You acknowledge that all inventions, innovations, improvements, developments, methods, designs, analyses, drawings, reports and all similar or related information (whether or not patentable) which relate to the Company's or any member of the Parent Group's actual or anticipated business, research and development or existing or future products or services and which are conceived, developed or made by you while employed by the Company or any member of the Parent Group ("Work Product") belong to the Company or the other applicable members of the Parent Group. You shall promptly disclose such Work Product to the Board and perform all actions requested by the Board (whether during or after your employment with the Company) to establish and confirm such ownership (including, without limitation, assignments, consents, powers of attorney and other instruments).

(b) Notwithstanding anything to the contrary herein, the provisions of this Section 9 will not apply to any Work Product which qualifies fully under the provisions of California Labor Code Section 2870, including any idea or invention which is developed entirely on your own time without using the equipment, supplies, facilities or trade secret information of the Parent Group, and which is not related to the business of the Parent Group (either actual or demonstrably anticipated), and which does not result from work performed for the Parent Group.

10. Conflict of Interest.

(a) In further consideration of the remuneration to be paid hereunder, you agree that during the Term, you shall devote your full time and energies to fulfill all responsibilities to the Company in the capacity set forth herein. During the Term and during the twelve (12)-month period immediately thereafter (such period consisting of the Term and ending on twelve (12)-month period immediately thereafter, the "Restrictive Term"), you shall not directly or indirectly (whether as an owner, partner, shareholder, agent, officer, director, employee, independent contractor, consultant or otherwise) own any interest in, operate, invest in, manage, control, participate in, consult with, render services for (alone or in association with any person or entity), or in any manner engage in any business activity on behalf of a Competing Business within any geographical area in which the Company or its subsidiaries operates or plan to operate. Nothing herein shall prohibit you from being a passive owner of not more than 2% of the outstanding stock of any class of a corporation which is publicly traded, so long as you have no active participation in the business of such corporation. For purposes of this paragraph, "Competing Business" means

any person, entity or business in the United States of America engaged in any phase of the business of developing, manufacturing, marketing, selling, licensing or distributing of products or services that are the same as, or are substantially similar to, or which otherwise compete with the products or services of the Company and its subsidiaries, including products or services the Company and/or its Subsidiaries have taken steps to engage in as of the date of Executive's termination of employment, (whether in the retail store channel, direct marketing or e-commerce channel or any combination of the foregoing or otherwise), including, but not limited to, any apparel business or division thereof that is engaged in the development, manufacturing, marketing, sale, licensing or distribution of plus-size apparel; provided, that the foregoing prohibition shall not apply to any such person, entity or business that competes with the Company or any of its subsidiaries through a division, subsidiary, or other business unit of such person, entity or business so long as you do not work or consult with or for, render any services to, or otherwise give advice to or in any manner participate or engage in any business activity on behalf of, any such division, subsidiary, or business unit that does so compete.

(b) In further consideration of the remuneration to be paid hereunder, you agree that during the Restrictive Term, you will not, either directly or indirectly, for yourself or any other person or entity (i) induce or attempt to induce any employee of Parent, the Company or any other member of the Parent Group to leave the employ of Parent, the Company or such other member of the Parent Group, or in any way interfere with the relationship between Parent, the Company or any of the other members of the Parent Group, on the one hand, and any employee thereof, on the other, (ii) hire any person who is an employee of Parent, the Company or any of the other members of the Parent Group (or in the case of a former employee, was an employee of Parent, the Company or any of the other members of the Parent Group at any time during the 180 day period prior to any attempted hiring by you) or (iii) induce or attempt to induce any customer, supplier, licensee, licensor or other material business relation of Parent, the Company or any of the other members of the Parent Group to cease doing business with Parent, the Company or such other member of the Parent Group, or in any way interfere with the relationship between any such customer, supplier, licensee, licensor or material business relation, on the one hand, and Parent, the Company or any of the other members of the Parent Group, on the other (including, without limitation, making any negative statements or communications about Parent, the Company or any such other member of the Parent Group). Notwithstanding the foregoing, the provisions of this Section 10(b)(i) and (ii) shall not be violated due to the solicitation or hiring of store-level employees by general advertising or solicitation not specifically targeted at Company-related person. You agree that the aforementioned covenant contained in this Section 10 is reasonable with respect to its duration, geographical area and scope.

11. Nondisparagement. From and after the Effective Date and following termination of your employment with the Company, (a) you agree not to make any statement that is intended to become public, or that should reasonably be expected to become public, and that criticizes, ridicules, disparages or is otherwise derogatory of the Company, any of its subsidiaries and affiliates, or their respective employees, officers, directors or equityholders and (b) the Company agrees to direct its directors and executive officers not to make any statement that is intended to become public, or that should reasonably be expected to become public, and that criticizes, ridicules, disparages or is otherwise derogatory to you. The foregoing shall not be violated by truthful statements in response to legal process, required governmental testimony or filings, or administrative or arbitral proceedings (including, without limitation, depositions in connection with such proceedings).

12. Enforcement of Covenants. If, at the time of enforcement of Sections 8, 9, 10 or 11 of this Agreement, a court holds that the restrictions stated herein are unreasonable under circumstances then existing, the parties hereto agree that the maximum period, scope or geographical area reasonable under such circumstances shall be substituted for the stated period, scope or area. Because your services are unique and because you have access to Confidential Information and Work Product, the parties hereto agree that money damages may not be an adequate remedy for any breach of this Agreement. Therefore, in the event of a breach or threatened breach of this Agreement, the Company may, in addition to other rights and remedies existing in its favor, apply to any court for specific performance and/or injunctive or other relief in order to enforce, or prevent any violations of, the provisions hereof (without posting a bond or other security). In addition, in the event a court determines that you breached or violated Section 10, the periods of such restrictive covenants will be tolled until such breach or violation ceases.

13. Other Businesses. As long as you are employed by the Company, you agree that you will not, except with the express written consent of the Board, become engaged in, render services for, or permit your name to be used in connection with any business other than the business of the Company and Parent and the other members of the Parent Group and will not serve as an officer, employee or director or in a similar capacity of any other entity. Notwithstanding the foregoing, you may devote a reasonable amount of your time to civic or charitable activities and to the management of your personal investments so long as such activities do not interfere with the performance of your duties and responsibilities for the Company and the other members of the Parent Group.

14. Complete Agreement. This Agreement embodies the complete agreement and understanding among the parties with respect to the subject matter hereof and thereof and supersedes and preempts any prior understandings, agreements or representations by or among the parties, written or oral, which may have related to the subject matter hereof or thereof in any way, including, without limitation, any prior agreement between you and the Company or any of its affiliates (including Parent) or predecessors with respect to your employment by the Company or any of its affiliates (including Parent) or predecessors. Sycamore Partners Management, L.P. shall be an intended third party beneficiary of the terms and conditions of this Section 14.

15. Counterparts. This Agreement may be executed in separate counterparts, each of which is deemed to be an original and all of which taken together constitute one and the same Agreement.

16. Successors and Assigns. This Agreement is intended to bind and inure to the benefit of and be enforceable by you and the Company, and your and its respective heirs, successors and assigns, except that you may not assign your rights or delegate your obligations hereunder.

17. Choice of Law; Waiver of Jury Trial. This Agreement will be governed by the internal laws of the State of Delaware. Each of the undersigned submits to the co-exclusive jurisdiction of the United States District Court and any Delaware state court sitting in Wilmington,

Delaware over any lawsuit under this Agreement and waives any objection based on venue or forum non conveniens with respect to any action instituted therein. You acknowledge and agree that you were represented by counsel in connection with the negotiation of this Agreement. You acknowledge and agree that, pursuant to Section 925 of the California Labor Code, (i) you have waived the application of California law to this Agreement and any disputes under this Agreement, (ii) you have waived any right to have any disputes under this Agreement adjudicated in California, and (iii) you acknowledge and agree that any disputes under this Agreement shall not be deemed to be a controversy arising in California. Each of the undersigned waives the necessity for personal service of any and all process upon it and consents that all such service of process may be made by registered or certified mail (return receipt requested), in each case directed to such party in accordance with Section 23 hereof, and service so made will be deemed to be completed on the date of delivery. Each of the undersigned consents to service of process as aforesaid. Nothing in this Agreement will prohibit personal service in lieu of the service by mail contemplated herein. THE PARTIES HERETO HEREBY IRREVOCABLY WAIVE ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

18. **Certain Tax Matters**. Notwithstanding any other provision of this Agreement to the contrary, to the extent that any payment or distribution of any type to or for you by the Company (or by any affiliate of the Company, any person or entity who acquires ownership or effective control of the Company or ownership of a substantial portion of the Company's assets (within the meaning of Section 280G of the Code and the regulations thereunder)), or any affiliate of such person or entity, whether paid or payable or distributed or distributable pursuant to the terms of this Agreement or otherwise (the "Total Payments"), is or will be subject to the excise tax imposed under Section 4999 of the Code (the "Excise Tax"), then the Total Payments shall be reduced (but not below zero) if and to the extent that a reduction in the Total Payments would result in your retaining a larger amount, on an after-tax basis (taking into account federal, state and local income taxes and the Excise Tax), than if you received the entire amount of such Total Payments. The determination of whether the Total Payments shall be reduced and the amount of such reduction shall be provided to you by the Company, together with detailed supporting calculations and documentation as soon as practicable following the occurrence of the relevant triggering event, and, absent manifest error, such determination shall be final and binding upon you and the Company. In the event a portion of the Total Payments is required to be reduced, they shall be reduced in the following order of priority in a manner consistent with Section 409A: (a) first from cash compensation that is exempt from Section 409A, (b) next from equity compensation that is exempt from Section 409A, then (c) from payments that are subject to Section 409A in reverse chronological order of scheduled distribution.

19. **Indemnification**. The Company hereby covenants and agrees to indemnify you and hold you harmless to the fullest extent permitted by applicable laws against and in respect to any and all actions, suits, proceedings, claims, demands, judgments, losses, damages and reasonable out-of-pocket costs and expenses (including reasonable out-of-pocket attorney's fees and expenses) resulting from your good faith performance of your duties and obligations with Parent, the Company or any of their subsidiaries or as the fiduciary of any benefit plan of Parent, the Company or their subsidiaries. To the extent permitted by applicable laws, the Company, within thirty (30) days of presentation of invoices, shall reimburse you for all reasonable out-of-pocket legal fees and disbursements reasonably incurred by you in connection with any such

indemnifiable matter; provided that you shall consult with the Company prior to selecting your counsel and shall obtain the Company's approval, which approval shall not be unreasonably withheld, of such counsel. In addition, the Company shall cover you under its directors and officers liability insurance policy (and shall cause Parent to cover you under Parent's directors and officers liability insurance policy) both during the Term and during the six-year period thereafter in the same amount and to the same extent, if any, as the Company and Parent (as applicable) covers their respective other officers and directors during any such period of time. In no event shall you be liable to the Company or any member of the Parent Group as a result of the performance of your duties hereunder except as a result of your willful misconduct or knowing violation of applicable law. Each of the Company (on its own behalf and on behalf of Parent) shall ensure that their respective constituent documents shall at all times provide for the maximum limitation on liability for their officers and directors that is permitted by applicable law as in effect from time to time.

20. Amendment and Waiver. The provisions of this Agreement may be amended or waived only with the prior written consent of the Board and you, and no course of conduct or failure or delay in enforcing the provisions of this Agreement shall affect the validity, binding effect or enforceability of this Agreement.

21. Company Representations. The Company represents and warrants that this Agreement has been duly authorized and approved by the Board.

22. Executive Representations. You hereby represent and warrant that you are not restricted or prohibited, contractually or otherwise, from entering into and performing each of the terms and covenants contained in this Agreement, and that your execution and performance of this Agreement will not violate or breach any other agreements between you and any other person or entity.

The Company may allow Executive an extension of time to cure a breach if the Board, in its sole discretion, determines that such extension is appropriate under the circumstances.

"Company" has the meaning set forth in the preamble above; together with its Subsidiaries and affiliates and includes all predecessor entities.

"Confidential Information" has the meaning given to that term in Section 6(a).

"Court" has the meaning given to that term in Section 9(b).

"Fair Market Value" has the meaning set forth in the Fourth Amended and Restated Limited Liability Company Agreement of Parent; provided, however, that (a) prior to an IPO, for purposes of the repurchase right set forth in Section 4 of that certain Incentive Unit Purchase Agreement dated December 13, 2019 by and between Executive and Torrid Holding LLC the determination of "Fair Market Value" shall not include any discounts for lack of marketability or minority ownership of the units being repurchased and (b) following an IPO, the Fair Market Value of IPO Issuer shall mean, unless otherwise required by any applicable provision of the Code or any regulations issued thereunder, the last sales price reported for the applicable security on the valuation date as reported on the principal national securities exchange in the United States on which it is then traded.

Notwithstanding the foregoing, in no event will a

2. Employment, Position and Duties.

(a) The Company shall employ Executive and Executive hereby accepts employment with the Company, upon the terms and conditions set forth in this Agreement for the Employment Period.

(b) During the Employment Period, Executive shall serve as President & Chief Financial Officer of the Company, working at the Company's offices in City of Industry, California, and shall perform the normal duties, responsibilities and functions of an executive officer of a company of a similar size and type and shall have such power and authority as shall reasonably be required to enable Executive to perform Executive's duties hereunder, subject to the power and authority of the Board to expand or limit such duties, responsibilities, functions, power and authority and to overrule actions of officers of the Company in a manner consistent with the traditional responsibilities of such office.

(c) During the Employment Period, Executive shall (i) render such administrative, financial and other executive and managerial services to the Company and its Subsidiaries which are consistent with Executive's position as the Board may from time to time direct, (ii) report to the Board or the Company's chief executive officer and shall devote Executive's best efforts and Executive's full business time and attention (except for permitted vacation periods and reasonable periods of illness or other incapacity) to the business and affairs of the Company and its Subsidiaries and (iii) submit to the Board all business, commercial and investment opportunities presented to Executive or of which Executive becomes aware which relate to the business of the Company and its Subsidiaries, and unless approved by the Board in writing, Executive shall not pursue, directly or indirectly, any such opportunities on Executive's own behalf. 3. Compensation and Benefits.

(a) During the Employment Period, Executive's base salary shall be a minimum of Eight Hundred Thousand Dollars ($800,000.00) per annum (as increased or decreased in accordance with this Agreement from time to time, the "Base Salary"), which salary shall be payable by the Company in regular installments in accordance with the Company's general payroll practices (in effect from time to time). Executive's Base Salary will be subject to annual review and increase or decrease (but shall not be decreased below the Base Salary in effect on the date of this Agreement) by the Board during the Employment Period.

(b) For each fiscal year of the Company during the Employment Period, commencing with the fiscal year commencing on February 2, 2020, Executive shall be entitled to participate in the Company's annual bonus plan for similarly-situated senior executives as such is approved by the Board or a committee thereof, as in effect from time to time, with a target annual bonus of One-hundred percent (100%) of Executive's Base Salary ("Target Bonus") and a maximum annual bonus opportunity of up to Two-hundred percent (200%) of Executive's Base Salary. Executive's annual plan performance targets will be established annually by the Board prior to the start of each fiscal year (which targets will generally focus on financial metrics of the Company in comparison to budget). Any bonus earned under this Section 3(b) shall be paid as soon as practicable and within forty-five (45) days following the completion of Parent's audit for the fiscal year during which such bonus was earned under this Section 3(b), subject to Executive's continuous employment through the applicable payment date. In addition to the foregoing, subject to Executive's continued employment through the payment date thereof, Executive shall receive a Target Bonus in respect of the Company's fiscal year ending February 1, 2020, pro rated based on the period of time between the Commencement Date and February 1, 2020.

(c) As soon as reasonably practicable following the Commencement Date, Executive will be granted 700,000 Class E Units and 700,000 Class F Units of Torrid Holding LLC (the "Incentive Units"), which are intended to be treated as "profits interests" for U.S. federal income tax purposes. The Incentive Units will vest in accordance with and otherwise be subject to the terms and conditions of the Fourth Amended and Restated Limited Liability Company Agreement of Parent and an Incentive Unit Purchase Agreement substantially in the form attached hereto as Exhibit B.

(d) The Board, or a committee or appointee thereof, during the term of this Agreement, shall review annually, or at more frequent intervals which the Board determines is appropriate, Executive's compensation and may award Executive compensation as the Board deems appropriate in its sole discretion; provided, however, that Executive's base salary shall not be reduced pursuant to any such review or otherwise.

(e) Executive shall be entitled to twenty work days of paid vacation each calendar year in accordance with the Company's policies, which if not taken in any year may not be carried forward to any subsequent calendar year and no compensation shall be payable in lieu thereof. Such vacation will accrue as of January 1 of each year, except that if Executive's employment commences after January 31 of any calendar year, Executive shall accrue twenty days of paid vacation pro rated for the number of full calendar months remaining in the calendar year in which the Employment Period commences.

(f) During the Employment Period, the Company shall reimburse Executive for all reasonable business expenses incurred by Executive in the course of performing Executive's duties, responsibilities and functions under this Agreement which are consistent with the Company's policies in effect from time to time with respect to travel, entertainment and other business expenses, subject to the Company's requirements with respect to reporting and documentation of such expenses.

(g) Executive shall be eligible to receive benefits in accordance with the Company's standard benefit plans approved by the Board which are provided to other senior executives of the Company (excluding any incentive equity compensation, which will be determined on a case by case basis), as the same may be amended, modified or replaced from time to time, which at a minimum will include health insurance on the same terms and conditions provided to other senior management team members of the Company.

(h) Executive will be indemnified and defended for acts performed (or omissions made) in Executive's capacity as an officer or director of the Company to the fullest extent specified in the Company's operating agreement and as permitted under Delaware or California law, as applicable.

(i) The Company will reimburse Executive for reasonable and demonstrated out-of-pocket costs incurred in connection with the relocation of Executive's principal residence to the vicinity of the Company's headquarters in City of Industry, grossed-up for any income or other taxes incurred by Executive due to such reimbursement, up to an aggregate amount not to exceed $250,000, including the value of any gross-up amount, and otherwise in accordance with the Company's relocation policy in effect from time to time (the "Relocation Expenses"). The Company's relocation policy includes the following moving-related expenses: (i) packing and moving of household goods, (ii) one house hunting trip to California, (iii) shipment of up to two automobiles, (iv) temporary housing and storage of household goods for up to 90 days, (v) standard and customary costs associated with the sale of Executive's current home in New Jersey, including realtor fees/commissions not to exceed 6%, (vi) standard and customary closing

All Relocation Expenses payable under this Section 3(i) shall be reimbursed subject to Executive's presentment to the Company of appropriate documentation. If Executive's employment is terminated prior to the twelve (12)-month anniversary of the Commencement Date for any reason other than by the Company without Cause, by Executive for Good Reason or due to Executive's death or Disability, Executive will repay to the Company the amount of the Relocation Expenses actually paid by the Company to Executive pursuant to this Section 3(i).

(k) To the extent any reimbursements or in-kind benefits under this Agreement constitute "non-qualified deferred compensation" for purposes of Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"), (i) all such expenses, benefits or other reimbursements under this Agreement shall be made on or prior to the last day of the taxable year following the taxable year in which such expenses were incurred by Executive, (ii) any right to such reimbursement or in kind benefits is not subject to liquidation or exchange for another benefit, and (iii) no such reimbursement, expenses eligible for reimbursement, or in-kind benefits provided in any taxable year shall in any way affect the expenses eligible for reimbursement, or in-kind benefits to be provided, in any other taxable year.

4. Certain Matters Upon an IPO.

(a) If an IPO occurs during the Employment Period, then Executive shall be entitled to a one-time grant of restricted stock units or restricted share awards (the "IPO Stock Award") in respect of such number of shares of common stock of the IPO Issuer as is equal to $1.0 million divided by the initial public offering price per share of common stock of the IPO Issuer offered to the public in the IPO. The IPO Stock Award will be granted as soon as reasonably practicable following the date of the IPO (the "IPO Date"). The IPO Stock Award (i) shall vest as to (x) 50% of the shares of common stock subject to the IPO Stock Award as of the date of grant, (y) 50% of the shares of common stock subject to the IPO Stock Award in equal installments on each of the first, second, and third anniversaries of the IPO Date, provided that Executive is employed by the Company through the applicable vesting date, and (ii) shall be subject to such other terms and conditions consistent with the IPO Issuer's grant of equity-based awards to similarly-situated employees. At the Executive's election, the Executive may satisfy payment of any required withholding in respect of federal, state, local or foreign taxes by directing the IPO Issuer to withhold a number of shares of common stock subject to the IPO Stock Award having a Fair Market Value as of the required withholding date equal to the minimum tax withholding requirement; provided the IPO Issuer is not, as of the date of required withholding, restricted from selling such shares of common stock on Executive's behalf on the securities exchange on which IPO Issuer is listed (pursuant to any underwriter lockup, blackout period or otherwise).

(b) In addition, if an IPO occurs during the Employment Period, Executive shall be eligible to receive an annual incentive equity award grant in a form and at a time determined by the Compensation Committee of the board of directors of the IPO Issuer on terms and conditions no less favorable to Executive than those provided to other senior management team members of the Company, with the amount of such annual incentive equity awards (and the timing of the grant of such awards) to be determined by the Compensation Committee of the board of directors of the IPO Issuer. All such annual incentive equity awards granted to Executive shall be subject to vesting and other terms of a company-wide equity plan to be implemented by the IPO Issuer in connection with the IPO.

5. Termination and Payment Terms.

(a) The Employment Period shall end (i) immediately upon Executive's resignation, death or Disability and (ii) the Employment Period may be terminated by the Company, with or without Cause at any time prior to such date. Except as otherwise provided herein, any termination of the Employment Period by the Company shall be effective as specified in a written notice from the Company to Executive.

(b) If the Employment Period is terminated:

(i) by the Company other than for Cause or by Executive resigning for Good Reason, Executive shall be entitled to receive (1) all previously earned and accrued but unpaid Base Salary and vacation and unpaid business expenses up to the date of such termination, (2) any unpaid bonus earned by Executive for the fiscal year prior to the Termination Year, but then unpaid, and any other amounts owed under Sections 3(i) or 3(j), (3) the pro rata portion of Executive's annual bonus (pursuant to Section 3(b) hereof) during the Termination Year, based on the extent to which performance conditions are achieved for such year, pro rated based on the number of days of the Termination Year, prior to the date of termination, which payment shall be made when the bonus payments for such Termination Year, are otherwise due; (4) severance pay in the full amount of Base Salary at the time of termination or expiration from the date of termination, through the period ending on the first anniversary of the date of termination and (5) if Executive is eligible for, and timely elects, continued coverage under COBRA for Executive and/or his eligible dependents under the Company's group health insurance plans, the Company shall pay the COBRA premiums necessary to continue the health, life and other welfare insurance coverage as may be in effect for Executive and/or his eligible dependents as of the date of Executive's termination of employment with the Company until the earliest of (x) twelve (12) months following Executive's termination date (the "COBRA Severance Period"); (y) the expiration of Executive's eligibility for continuation coverage under COBRA; and (z) the date on which Executive becomes eligible for group health insurance coverage in connection with new employment. If Executive becomes eligible for coverage under another employers group health plan, or otherwise ceases to be eligible for COBRA coverage during the COBRA Severance Period, Executive must immediately notify the Company of such event, and the Company's obligation to pay COBRA premiums on Executive's behalf will cease. The Company may modify the continuation coverage contemplated by this Section 5(b)(i)(5) to the extent reasonably necessary to avoid the imposition of any excise taxes on the Company for failure to comply with the nondiscrimination requirements of the Patient Protection and Affordable Care Act of 2010, as amended, and/or the Health Care and Education Reconciliation Act of 2010, as amended (to the extent applicable).

(ii) for any other reason, including as a result of Executive's death, Disability, voluntary resignation for other than Good Reason or by the Company for Cause, Executive's sole entitlement shall be to receive all previously earned and accrued but unpaid Base Salary, vacation and unpaid business expenses up to the date of such termination or expiration and Executive shall not be entitled to any further Base Salary, bonus payments or benefits for that year or any future year, except as required by the specific provisions of any benefit plan or by law, or to any other severance compensation of any kind.

(c) Executive agrees that: (i) Executive shall be entitled to the payments and services provided for in Sections 5(b)(i)(3), 5(b)(i)(4), and 5(b)(i)(5), if any, if and only if Executive has executed and delivered the Release (and no longer subject to revocation, if applicable) attached as Exhibit A within sixty days following the date of termination and Executive has not breached as of the date of termination of the Employment Period the provisions of Sections 6, 7 and 8 hereof and docs not breach such sections or such covenants at any time during the period for which such payments or services are to be made; and (ii) the Company's obligation to make such payments and services will terminate upon the occurrence of any such breach during such period.

(d) Except as stated above, any payments pursuant to Section 5(b) shall be paid by the Company in regular installments in accordance with the Company's general payroll practices, and following such payments the Company shall have no further obligation to Executive pursuant to this Section 5 except as provided by law; provided that to the extent that the payment of any amount constitutes "nonqualified deferred compensation" for purposes of Section 409A of the Code (as defined in subsection (g) hereof), any such payment scheduled to occur during the first sixty (60) days following the termination of employment shall not be paid until the first regularly scheduled pay period following the sixtieth (60th) day following such termination and shall include payment of any amount that was otherwise scheduled to be paid prior thereto. All amounts payable to Executive as compensation hereunder shall be subject to all customary withholding, payroll and other taxes. The Company shall be entitled to deduct or withhold from any amounts payable to Executive any federal, state, local or foreign withholding taxes, excise tax, or employment taxes imposed with respect to Executive's compensation or other payments or Executive's ownership interest in the Company (including, without limitation, wages, bonuses, dividends, the receipt or exercise of equity options and/or the receipt or vesting of restricted equity).

(e) Executive hereby agrees that except as expressly provided herein, no severance compensation of any kind, nature or amount shall be payable to Executive and except as expressly provided herein, Executive hereby irrevocably waives any other claim for severance compensation.

(f) Except as provided in Sections 5(b)(i) and 5(b)(ii) above, all of Executive's rights pursuant to Sections 3 and 4 shall cease upon the termination of the Employment Period.

(g) Notwithstanding anything herein to the contrary, if, at the time any payment is payable to Executive pursuant to the provisions of Section 5(b)(i) above as a result of Executive's "separation from service" (within the meaning of Section 409A of the Internal revenue Code of 1986, as amended (the "Code") and the regulations promulgated thereunder, the Company or any company in the affiliate group in which the Company's financial statements are consolidated in accordance with generally accepted accounting principles has a class of equity securities traded on an established domestic or foreign securities market or otherwise including, without limitation, trading on an American exchange only as American Depositary receipts ("ADR'S") and Executive is designated a "specified person" (as such term is defined in Section 409A of the Code and the regulations promulgated thereunder) pursuant to Section 409A of the Code and the regulations promulgated thereunder, then during the six month period from and after the date of Executive's "separation from service" the amount payable to Executive pursuant to the provisions of Section 5(b)(i) of the Employment Agreement shall not exceed the lesser of (x) two times Executive's annual base compensation or (y) two times the amount determined pursuant to Section 401(a)(17) of the Code, and any excess amount which accrues to Executive during such period shall be withheld during such period and paid to Executive in a lump sum upon the expiration of six months after the date of "separation from service" (or , if earlier than the end of such six month period, upon Executive's death). Any further amounts payable to Executive pursuant to Section 5(b)(i) thereafter accruing shall be paid on their scheduled payment dates.

6. Confidential Information.

(a) Executive acknowledges and agrees that the information, observations and data (including trade secrets) obtained by Executive while employed by the Parent, Company and its Subsidiaries concerning the business or affairs of the Company and its Subsidiaries are the confidential information ("Confidential Information"), and the property, of the Company and/or its Subsidiaries. Without limiting the foregoing, the term "Confidential Information" shall be interpreted as broadly as possible to include all observations, data and other information of any sort that are (i) related to any past, current or potential business of the Parent, Company or any of its Subsidiaries or any of their respective predecessors, and any other business related to any of the foregoing, and (ii) not generally known to and available for use by those within the line of business or industry of the Company or by the public (except to the extent such information has become generally known to and available for use by the public as a direct or indirect result of Executive's unauthorized acts or omissions) including all (A) Work Product (as defined below); (B) non-public information concerning development, acquisition or investment opportunities in or reasonably related to the business or industry of the Company or any of its Subsidiaries of which Executive is aware or becomes aware during the term of his employment; (C) non-public information identifying or otherwise concerning any current, former or prospective suppliers, distributors, contractors, agents or customers of the Company or any of its Subsidiaries; (D) non-public development, transition, integration and transformation plans, methodologies, processes and methods of doing business; (E) non-public strategic, marketing, promotional and financial information (including all financial statements), business and expansion plans, including plans and information regarding planned, projected and/or potential sales, pricing, discount and cost information; (F) information identifying or otherwise concerning employees, independent contractors and consultants; (G) information on new and existing programs and services, prices, terms, and related information; (H) the terms of this Agreement;

(I) all information marked, or otherwise designated, as confidential by the Company or any of its Subsidiaries or which Executive should reasonably know is confidential or proprietary information of the Company or any of its Subsidiaries; (J) all information or materials similar or related to any of the foregoing, in whatever form or medium, whether now existing or arising hereafter (and regardless of whether merely stored in the mind of Executive or employees or consultants of the Company or any of its Subsidiaries, or embodied in a tangible form or medium); and (K) all tangible embodiments of any of the foregoing.

(b) Therefore, Executive agrees that, except as required by law or court order, including, without limitation, depositions, interrogatories, court testimony, and the like (and in such case provided that Executive must give the Company and/or its Subsidiaries, as applicable, prompt written notice of any such legal requirement, disclose no more information than is so required and permit the Company to seek, at the Company's sole cost and expense, confidential treatment where available and cooperate fully with all efforts by the Company and/or its Subsidiaries to obtain a protective order or similar confidentiality treatment for such information), Executive shall not disclose to any unauthorized person or entity or use for Executive's own purposes any Confidential Information without the prior written consent of the Board, unless and to the extent that the Confidential Information becomes generally known to and available for use by the public other than as a direct or indirect result of Executive's unauthorized acts or omissions. Executive shall deliver to the Company at the termination or expiration of the Employment Period, or at any other time the Company may request, all memoranda, notes, plans, records, reports, computer tapes, printouts and software and other documents and data (and copies thereof) embodying or relating to the Confidential Information (including any Work Product (as defined below)) or the business of the Company and its Subsidiaries which Executive may then possess or have under Executive's control and if, at any time thereafter, any such materials are brought to Executive's attention or Executive discovers them in his possession or control, Executive shall deliver such materials to the Company immediately upon such notice or discovery.

(c) 18 U.S.C. § 1833(b) provides: "An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that—(A) is made—(i) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal." Nothing in this Agreement is intended to conflict with 18 U.S.C. § 1833(b) or create liability for disclosures of trade secrets that are expressly allowed by 18 U.S.C. § 1833(b). Accordingly, the parties to this Agreement have the right to disclose in confidence trade secrets to federal, state, and local government officials, or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law. The parties also have the right to disclose trade secrets in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal and protected from public disclosure.

(d) Notwithstanding anything to the contrary contained herein, no provision of this Agreement shall be interpreted so as to impede Executive (or any other individual) from reporting possible violations of federal law or regulation to any governmental agency or entity, including, but not limited to, the Department of Justice, the Securities and Exchange

Commission, the Congress, and any agency Inspector General, or making other disclosures under the whistleblower provisions of federal law or regulation. Executive does not need the prior authorization of the Company to make any such reports or disclosures and Executive shall not be required to notify the Company that such reports or disclosures have been made.

(e) From and after the Commencement Date and following termination of Executive's employment with the Company, (i) Executive agrees not to make any statement that is intended to become public, or that should reasonably be expected to become public, and that criticizes, ridicules, disparages or is otherwise derogatory of the Company, any of its subsidiaries and affiliates, or their respective employees, officers, directors or equityholders and (ii) the Company agrees to direct its directors and executive officers not to make any statement that is intended to become public, or that should reasonably be expected to become public, and that criticizes, ridicules, disparages or is otherwise derogatory of Executive. The foregoing shall not be violated by truthful statements in response to legal process, required governmental testimony or filings, or administrative or arbitral proceedings (including, without limitation, depositions in connection with such proceedings).

7. Intellectual Property, Inventions and Patents.

(a) Executive acknowledges and agrees that all discoveries, concepts, ideas, inventions, innovations, improvements, developments, methods, specifications, designs, analyses, drawings, reports, patents and patent applications, processes, programs, systems, software, firmware, materials, plans, sketches, models, know-how, devices, developments, data, databases, technology, trade secrets, works of authorship, copyrightable works and mask works (whether or not including any confidential information) and all registrations or applications related thereto, all other intellectual property or proprietary information and all similar or related information (whether or not patentable or copyrightable and whether or not reduced to tangible form or practice) which relate to the Parent's, Company's or any Subsidiaries' actual or anticipated business, research and development or existing or future products or services and which are conceived, developed or made by Executive (whether alone or jointly with others) while employed by the Parent, Company or its Subsidiaries ("Work Product") shall be deemed to be "work made for hire" (as defined in the Copyright Act, 17 U.S.C.A. §101 et seq., as amended) and owned exclusively by the Company. To the extent that any Work Product is not deemed to be "work made for hire" under applicable law, and all right, title and interest in and to such Work Product have not automatically vested in the Company, Executive hereby (A) irrevocably assigns, transfers and conveys, and shall assign transfer and convey, to the full extent permitted by applicable law, all right, title and interest in and to the Work Product on a worldwide basis to the Company (or such other person or entity as the Company shall designate), without further consideration, and (B) waives all moral rights in or to all Work Product, and to the extent such rights may not be waived, agrees not to assert such rights against the Company or its respective licensees, successors or assigns. Executive shall, at the Company's expense, execute all documents and perform all actions reasonably requested by the Board (whether during or after the Employment Period) to establish, confirm, evidence, effectuate, maintain, protect, enforce, perfect, record, patent or register any of the Company's rights hereunder (including, without limitation, assignments, consents, powers of attorney and other instruments).

(b) Notwithstanding anything to the contrary herein, the provisions of this Section 7 will not apply to any Work Product which qualifies fully under the provisions of California Labor Code Section 2870, including any idea or invention which is developed entirely on Executive's own time without using the equipment, supplies, facilities or trade secret information of the Parent Group, and which is not related to the business of the Parent Group (either actual or demonstrably anticipated), and which does not result from work performed for the Parent Group.

8. Conflict of Interest.

(a) In further consideration of the compensation to be paid to Executive hereunder, Executive acknowledges and agrees that during the course of Executive's employment with the Company and its Subsidiaries Executive shall become familiar with the Company's trade secrets and with other Confidential Information and that Executive's services have been and shall be of special, unique and extraordinary value to the Company and its Subsidiaries, and therefore, Executive agrees that, during his employment with the Company and for a period of one year thereafter (the "Restrictive Term"), Executive shall not directly or indirectly (whether as an owner, partner, shareholder, agent, officer, director, employee, independent contractor, consultant or otherwise) own any interest in, operate, invest in, manage, control, participate in, consult with, render services for (alone or in association with any person or entity), or in any manner engage in any business activity on behalf of a Competing Business within any geographical area in which the Company or its Subsidiaries operates or plan to operate. Nothing herein shall prohibit Executive from being a passive owner of not more than 2% of the outstanding stock of any class of a corporation which is publicly traded, so long as Executive has no active participation in the business of such corporation. For purposes of this paragraph, "Competing Business" means any person, entity or business in the United States of America engaged in any phase of the business of developing, manufacturing, marketing, selling, licensing or distributing of products or services that are are the same as, or are substantially similar to, or which otherwise compete with the products or services of the Company and its subsidiaries, including products or services the Company and/or its Subsidiaries have taken steps to engage in as of the date of Executive's termination of employment, (whether in the retail store channel, direct marketing or e-commerce channel or any combination of the foregoing or otherwise), including, but not limited to, any apparel business or division thereof that is engaged in the development, manufacturing, marketing, sale, licensing or distribution of plus-size apparel; provided, that the foregoing prohibition shall not apply to any such person, entity or business that competes with the Company or any of its subsidiaries through a division, subsidiary, or other business unit of such person, entity or business so long as Executive does not work or consult with or for, render any services to, or otherwise give advice to or in any manner participate or engage in any business activity on behalf of, any such division, subsidiary, or business unit that does so compete.

(b) During the Restrictive Term, Executive shall not, directly or indirectly, and shall ensure that any person or entity controlled by Executive does not, (i) induce or attempt to induce any employee of Parent, the Company or any Subsidiary to leave the employ of Parent, the Company or such Subsidiary, or in any way interfere with the relationship between the Parent, the Company or any Subsidiary and any employee thereof, (ii) hire, directly or through another person, any person (whether or not solicited) who was an executive of the Parent, the

Company or any Subsidiary at any time within the one year period before Executive's termination from employment, (iii) induce or attempt to induce any customer, supplier, licensee, licensor, franchisee or other business relation of the Parent, the Company or any Subsidiary to cease doing business with the Parent, the Company or any Subsidiary, engage in or assist any person or entity in engaging in any Competing Business or in any way interfere with the relationship between any such customer, supplier, licensee or business relation and the Parent, the Company or any Subsidiary (Executive understands that any person or entity that Executive contacted during the one year period prior to the date of Executive's termination of employment for the purpose of soliciting sales from such person or entity shall be regarded as a "potential customer" of Parent, the Company and its Subsidiaries as to whom the Company has a protectible proprietary interest) or (iv) make or solicit or encourage others to make or solicit directly or indirectly any defamatory statement or communication about Parent, the Company or any of its Subsidiaries or any of their respective businesses, products, services or activities (it being understood that such restriction shall not prohibit truthful testimony compelled by valid legal process).

9. Enforcement.

(a) Executive acknowledges and agrees that the Company entered into this Agreement in reliance on the provisions of Sections 6, 7 and 8 and the enforcement of this Agreement is necessary to ensure the preservation, protection and continuity of the business of Parent, the Company and its Subsidiaries and other Confidential Information and goodwill of Parent, the Company and its Subsidiaries to the extent and for the periods of time expressly agreed to herein. Executive acknowledges and agrees that he has carefully read this Agreement and has given careful consideration to the restraints imposed upon Executive by this Agreement, and is in full accord as to their necessity for the reasonable and proper protection of confidential and proprietary information of Parent, the Company or any of its Subsidiaries now existing or to be developed in the future. Executive expressly acknowledges and agrees that each and every restraint imposed by this Agreement is reasonable with respect to subject matter, time period and geographical area.

(b) Notwithstanding any provision to the contrary herein, the Company or its Subsidiaries may pursue, at its discretion, enforcement of Sections 6, 7 and 8 in any court of competent jurisdiction (each a "Court").

(c) Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or any other jurisdiction, but this Agreement shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein. More specifically, if any Court determines that any of the covenants set forth in Sections 6, 7 and 8 are overbroad or unreasonable under applicable law in duration, geographical area or scope, the parties to this Agreement specifically agree and authorize such Court to rewrite this Agreement to reflect the maximum duration, geographical area and/or scope permitted under applicable law.

(d) Because Executive's services are unique and because Executive has intimate knowledge of and access to Confidential Information and Work Product, the parties hereto agree that money damages would not be an adequate remedy for any breach of Sections 6, 7 and 8, and any breach of the terms of Sections 6, 7 and 8 would result in irreparable injury and damage to the Company and its Subsidiaries for which the Company and its Subsidiaries would have no adequate remedy at law. Therefore, in the event of a breach or threatened breach of Sections 6, 7 and 8, the Company or its successors or assigns, in addition to any other rights and remedies existing in their favor at law or in equity, shall be entitled to specific performance and/or immediate injunctive or other equitable relief from a Court in order to enforce, or prevent any violations of, the provisions hereof (without posting a bond or other security), without having to prove damages. The terms of this Section 9 shall not prevent the Company or any of its Subsidiaries from pursuing any other available remedies for any breach or threatened breach of this Agreement, including the recovery of damages from Executive.

10. Executive's Representations. Executive hereby represents and warrants to the Company that (i) the execution, delivery and performance of this Agreement by Executive do not and shall not conflict with, breach, violate or cause a default under any contract, agreement, instrument, order, judgment or decree to which Executive is a party or by which he is bound, (ii) Executive is not a party to or bound by any employment agreement, noncompete agreement or confidentiality agreement with any other person or entity and (iii) upon the execution and delivery of this Agreement by the Company, this Agreement shall be the valid and binding obligation of Executive, enforceable in accordance with its terms. **EXECUTIVE HEREBY ACKNOWLEDGES, AGREES AND REPRESENTS THAT EXECUTIVE HAS CONSULTED WITH INDEPENDENT LEGAL COUNSEL REGARDING EXECUTIVE'S RIGHTS AND OBLIGATIONS UNDER THIS AGREEMENT AND THE TERMS OF THE RELEASE ATTACHED AS EXHIBIT A AND THAT EXECUTIVE FULLY UNDERSTANDS THE TERMS AND CONDITIONS CONTAINED HEREIN AND THEREIN**.

11. Company's Representation. The Company represents and warrants to Executive that (i) it is duly incorporated and authorized to enter into this Agreement and (ii) upon execution this Agreement will be a lawful and binding obligation of the Company.

12. Survival. The provisions of Sections 3(h) and 3(k) and Sections 5 through 23, inclusive, shall survive and continue in full force in accordance with their terms notwithstanding the termination of the Employment Period.

13. Notices. Any notice provided for in this Agreement shall be in writing and shall be either personally delivered, sent by reputable overnight courier service with confirmation of delivery, sent by facsimile (with evidence of transmission) or mailed by first class mail, return receipt requested, to the recipient at the address below indicated:

14. Complete Agreement. This Agreement and those other documents expressly referred to herein embody the complete agreement and understanding among the parties hereto and supersede and preempt any prior understandings, agreements or representations by or among the parties hereto, written or oral, which may have related to the subject matter hereof in any way.

15. Counterparts. This Agreement may be executed in separate counterparts, each of which is deemed to be an original and all of which taken together constitute one and the same agreement.

16. Successors and Assigns. This Agreement is intended to bind and inure to the benefit of and be enforceable by Executive, the Company and their respective heirs, successors and assigns; provided, that the services provided by Executive under this Agreement are of a personal nature and rights and obligations of Executive under this Agreement shall not be assignable.

17. Choice of Law. All issues and questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware. In furtherance of the foregoing, the internal law of the State of Delaware shall control the interpretation and construction of this Agreement, even though under that jurisdiction's choice of law or conflict of law analysis, the substantive law of some other jurisdiction would ordinarily apply.

18. Consent to Jurisdiction. Each of the undersigned submits to the co-exclusive jurisdiction of the United States District Court and any Delaware state court sitting in Wilmington, Delaware over any lawsuit under this Agreement and waives any objection based on venue or forum non conveniens with respect to any action instituted therein. Executive acknowledges and agrees that Executive was represented by counsel in connection with the negotiation of this Agreement, namely Preti, Flaherty, Beliveau & Pachios, Chartered, LLP. Executive acknowledges and agrees that, pursuant to Section 925 of the California Labor Code, (a) Executive has waived the application of California law to this Agreement and any disputes under this Agreement, (b) Executive has waived any right to have any disputes under this Agreement adjudicated in California, and (c) Executive acknowledges and agrees that any disputes under this Agreement shall not be deemed to be a controversy arising in California. Each of the undersigned waives the necessity for personal service of any and all process upon it and consents that all such service of process may be made by registered or certified mail (return receipt requested), in each case directed to such party in accordance with Section 13 hereof, and service so made will be deemed to be completed on the date of delivery. Each of the undersigned consents to service of process as aforesaid. Nothing in this Agreement will prohibit personal service in lieu of the service by mail contemplated herein.

19. Waiver of Jury Trial. AS A SPECIFICALLY BARGAINED FOR INDUCEMENT FOR EACH OF THE PARTIES HERETO TO ENTER INTO THIS AGREEMENT AFTER HAVING THE OPPORTUNITY TO CONSULT WITH COUNSEL, EACH PARTY HERETO EXPRESSLY WAIVES THE RIGHT TO TRIAL BY JURY IN ANY LAWSUIT OR PROCEEDING RELATING TO OR ARISING IN ANY WAY FROM THIS AGREEMENT OR THE MATTERS CONTEMPLATED HEREBY.

20. Amendment and Waiver. The provisions of this Agreement may be amended or waived only with the prior written consent of the Company (as approved by the Board) and Executive, and no course of conduct or course of dealing or failure or delay by any party hereto in enforcing or exercising any of the provisions of this Agreement (including, without limitation, the Company's right to terminate the Employment Period for Cause) shall affect the validity, binding effect or enforceability of this Agreement or be deemed to be an implied waiver of any provision of this Agreement.

21. Key Man Life Insurance. The Company may apply for and obtain and maintain a key man life insurance policy in the name of Executive together with other executives of the Company in an amount deemed sufficient by the Board, the beneficiary of which shall be the Company. Executive shall submit to physical examinations and answer reasonable questions in connection with the application and, if obtained, the maintenance of, as may reasonably be required, such insurance policy.

22. Executive's Cooperation. During the Employment Period and thereafter, Executive shall reasonably cooperate with the Company and its Subsidiaries in any internal investigation or administrative, regulatory or judicial proceeding as reasonably requested by the Company (including, without limitation, Executive being available to the Company upon reasonable notice for interviews and factual investigations, appearing at the Company's request to give testimony without requiring service of a subpoena or other legal process, volunteering to the Company all pertinent information and turning over to the Company all relevant documents which are or may come into Executive's possession, all at times and on schedules that are reasonably consistent with Executive's other permitted activities and commitments). In the event the Company requires Executive's cooperation in accordance with this section after the termination of the Employment Period, the Company shall reimburse Executive for all of Executive's reasonable costs and expenses incurred, in connection therewith, plus pay Executive a reasonable amount per day for Executive's time spent.

23. Certain Tax Matters.

(a) The intent of the parties is that payments and benefits under this Agreement comply with Section 409A of the Code and, accordingly, to the maximum extent permitted, this Agreement shall be interpreted to be in compliance therewith. In no event whatsoever shall the Company be liable for any additional tax, interest or penalty that may be imposed on the Executive by Section 409A of the Code or damages for failing to comply with Section 409A of the Code. To the extent that reimbursements or other in-kind benefits under this Agreement constitute "nonqualified deferred compensation" for purposes of Code Section 409A, (i) all expenses or other reimbursements hereunder shall be made on or prior to the last day of the taxable year following the taxable year in which such expenses were incurred by the Executive, (ii) any right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit, and (iii) no such reimbursement, expenses eligible for reimbursement, or in-kind benefits provided in any taxable year shall in any way affect the expenses eligible for reimbursement, or in-kind benefits to be provided, in any other taxable year. For purposes of Code Section 409A, the Executive's right to receive any installment payments pursuant to this Agreement shall be treated as a right to receive a series of separate and distinct payments. Whenever a payment under this Agreement specifies a payment period with reference to a number of days, the actual date of payment within the specified period shall be within the sole discretion of the Company. Notwithstanding any other provision of this Agreement to the contrary, in no event shall any payment under this Agreement that constitutes "nonqualified deferred compensation" for purposes of Code Section 409A be subject to offset by any other amount unless otherwise permitted by Code Section 409A.

(b) Notwithstanding any other provision of this Agreement to the contrary, to the extent that any payment or distribution of any type to or for Executive by the Company (or by any affiliate of the Company, any person or entity who acquires ownership or effective control of the Company or ownership of a substantial portion of the Company's assets (within the meaning of Section 280G of the Code and the regulations thereunder)), or any affiliate of such person or entity, whether paid or payable or distributed or distributable pursuant to the terms of this Agreement or otherwise (the "Total Payments"), is or will be subject to the excise tax imposed under Section 4999 of the Code (the "Excise Tax"), then the Total Payments shall be reduced (but not below zero) if and to the extent that a reduction in the Total Payments would result in Executive retaining a larger amount, on an after-tax basis (taking into account federal, state and local income taxes and the Excise Tax), than if Executive received the entire amount of

such Total Payments. The determination of whether the Total Payments shall be reduced and the amount of such reduction shall be provided to Executive by the Company, together with detailed supporting calculations and documentation as soon as practicable following the occurrence of the relevant triggering event, and, absent manifest error, such determination shall be final and binding upon Executive and the Company. In the event a portion of the Total Payments is required to be reduced, they shall be reduced in the following order of priority in a manner consistent with Section 409A: (i) first from cash compensation that is exempt from Section 409A, (ii) next from equity compensation that is exempt from Section 409A, then (iii) from payments that are subject to Section 409A in reverse chronological order of scheduled distribution.

Re: Employment Offer and Agreement

Dear Michael,

It gives me great pleasure to present our offer of employment as a Senior Vice President, Planning and Allocation of Torrid LLC ("Torrid"). Your start date will be determined and below are the details of our offer (the "Agreement"):

Compensation. You will be paid at a bi-weekly rate of $20,192.31, which annualizes to $525,000.00. Your compensation is subject to modification during your employment in accordance with Torrid's practices and policy.

Bonus Plan. You will be eligible to participate in Torrid's Bonus Plan, as approved by the Board, beginning as of fiscal February 2018. The actual amount of bonus awarded will be based upon the Company achieving its profit performance goal, as well as you achieving performance that is meeting expectations or higher. Your bonus target will be sixty-five percent (65%) of your annualized base salary. Your 2018 bonus, under Torrid's Bonus Plan, as approved by the Board, will be pro-rated based on the number of days of actual employment. In order to receive any bonus payout you have to be actively employed on the date that bonuses are distributed.

Sign-On Bonus. You will be issued a one-time sign-on bonus of $50,000.00, which will be paid on your first pay period with Torrid. Should you voluntarily resign or if your employment is terminated for Cause (as defined herein) by Torrid within twelve (12) months of your start date; you will be responsible for repayment of such bonus, which repayment amount will be reduced by 1/12 for each month of employment.

Long-Term Incentive Package. We would like you to participate in the value you help create while you are in your role at Torrid. Subject to approval by the Torrid Board, you will be granted a long term incentive package commensurate with your role and title.

Salary Review. You will be eligible for your first salary review and consideration for a merit increase on or about April 1, 2019. Any increase awarded will be pro-rated based upon your employment start date.

Flex Time. You will accrue Flex Time Off (FTO) which will allow you to take time off from work, without having to specify a reason. FTO will accrue each pay period. Your annual FTO accrual will be one hundred and sixty hours (160) per year and you can use FTO after completing thirty (30) days of employment.

Benefits. You will be eligible to enroll in Torrid's benefits program on the first day of regular full-time employment. Your benefits will become effective on the first day of the month following 30 days of service with Torrid. This plan includes the opportunity to participate in Group Health, Dental, Vision, Life and Short- and Long-Term Disability insurance plans as well as other programs that may be available in accordance with Torrid's employee benefit programs.

401(k) Plan. You will be eligible to participate in Torrid's 401(k) Plan, if 21 years of age, after completing 200 hours of service. Employer matching program is offered with the 401(k) plan.

Deferred Compensation Plan. You are eligible to enroll in Torrid's Deferred Compensation Plan between thirty-one (31) to sixty (60) days from your start date for the current plan year, or you can wait until the next open enrollment period which will be July every year.

Relocation. Torrid will provide assistance to relocate you, your family, and your household goods to Southern California. The specific relocation benefits are included in the attached Exhibit A "Relocation Expense Agreement". Should you voluntarily resign or if your employment is terminated for Cause (as defined herein) by Torrid within twenty-four (24) months from the earlier of (i) your actual relocation date or (ii) August 31, 2019; you will be responsible for repayment of relocation expenses incurred by Torrid. You will be asked to sign the Relocation Expense Agreement acknowledging your acceptance of the terms of this relocation program prior to incurring any relocation expenses.

At-Will; Severance. This offer is not for any specific term of employment, expressed or implied. The relationship of Torrid to you shall be one of voluntary employment "at will," with no definite period of employment, regardless of the date or method of payment of wages or salary. Torrid may terminate your employment at any time and for any or no reason, with or without Cause (as defined herein), by giving written notice of such termination. Similarly, you may terminate your employment with Torrid at any time at your election, in your sole discretion, for any or no reason upon two weeks' notice to Torrid during which time you shall provide reasonable transition assistance to Torrid. Torrid reserves the right to ask you to expedite your resignation date and to leave prior to the end of the two weeks' notice period.

If Torrid terminates your employment without Cause and not due to your death or Disability (as defined herein), then you shall be eligible to receive the severance benefits described in this Section, subject to your timely satisfaction of the conditions set forth herein. Subject to your delivery to Torrid of an executed release and waiver of claims in the form attached hereto as Exhibit B or such other form as Torrid may require in order to comply with then-existing legal requirements to effect a valid release of claims (the "Release"), within the time period set forth therein, but in no event later than twenty-one days following your termination, and permitting such Release to become effective in accordance with its terms, you will receive the following severance benefits:

If your date of termination occurs within twenty-four (24) months from the earlier of (i) your actual relocation date or (ii) August 31, 2019 and if you permanently relocate back to New Jersey within 3 months after your termination date, then Torrid will provide assistance to relocate you, your family, and your household goods back to New Jersey. Such assistance will cover movement of household goods, automobile shipment and one-way airfare for your and your immediate family consistent with the comparable provisions provided in the Exhibit A Relocation Agreement.

Continued payment of your base salary in effect at the time of your termination, subject to standard payroll deductions and withholdings, for the nine (9) month period following your date of termination (such nine month period is the "Severance Period"). Such payments shall be made in substantially equal installments according to the normal payroll practices of Torrid provided however that the first installment will occur on the first payroll period following the effective date of the Release and with first such installment constituting an amount that covers all base salary that otherwise would have been paid between your termination date and such first payment. In addition, assuming you timely and accurately elect to continue your medical, dental and vision group health insurance benefits under the Consolidated Omnibus Budget Reconciliation Act of

1985 ("COBRA"), commencing with the effective date of the Release, Torrid shall pay the same percentage of the COBRA premiums for you and your qualified beneficiaries as it paid for you and your qualified beneficiaries at the time of your termination of employment until the earliest of (i) the end of the Severance Period or (ii) the expiration of your continuation coverage under COBRA and any applicable state COBRA-like statute that provides mandated continuation coverage. For purposes of this provision, references to COBRA premiums shall not include any amounts payable under a Code Section 125 health care reimbursement plan.

Notwithstanding the foregoing, if Torrid determines, in its sole discretion, that the payment of the COBRA premiums would result in a violation of the nondiscrimination rules of Section 105(h)(2) of the Internal Revenue Code of 1986, as amended (the "Code") or any statute or regulation of similar effect (including but not limited to the 2010 Patient Protection and Affordable Care Act, as amended by the 2010 Health Care and Education Reconciliation Act), then Torrid will be relieved of its obligation to make such COBRA premium payments.

If you resign or your employment is terminated for Cause or due to your death or Disability (as defined herein), all compensation and benefits will cease immediately and you will receive no additional payments from Torrid other than your accrued base salary and accrued and unused vacation benefits earned through the date of your termination.

For purposes of this Agreement, "Cause" shall mean (i) willful misconduct by you, including, but not limited to, dishonesty which materially and adversely reflects upon your ability to perform your duties for Torrid, (ii) your conviction of, or the entry of a pleading of guilty or nolo contendere by you to, any crime involving moral turpitude or any felony, (iii) fraud, embezzlement or theft against Torrid, (iv) a material breach by you of any material provision of any employment contract, assignment of inventions, confidentiality and/or nondisclosure agreement between you and Torrid, or (v) your failure to attend to your duties as assigned by the CEO of Torrid, after written notice to you and no less than a 90-day period to cure such failure provided such failure to perform is subject to cure with the passage of time.

For purposes of this Agreement, "Disability" shall mean your inability to perform your duties under this Agreement, even with reasonable accommodation, because you have become permanently disabled within the meaning of any policy of disability income insurance covering employees of Torrid then in force. In the event Torrid has no policy of disability income insurance covering employees of Torrid in force when you become disabled, the term "Disability" shall mean your inability to perform your duties under this Agreement, whether with or without reasonable accommodation, by reason of any incapacity, physical or mental, which the Board, based upon medical advice or an opinion provided by a licensed physician acceptable to the Board, determines to have incapacitated you from satisfactorily performing all of your usual services for Torrid, with or without reasonable accommodation, for a period of at least nine (9) consecutive months during any twelve (12) month period. Based upon such medical advice or opinion, the determination of the Board shall be final and binding and the date such determination is made shall be the date of such Disability for purposes of this Agreement.

Returning Company Property. In the event of your termination of employment for any reason, you shall, prior to or on such termination date in the event of your resignation for any reason, or no later than five (5) days following such termination date in the event of the termination of your employment for any other reason, deliver to Torrid (and will not maintain possession of or deliver to anyone else) any and all devices, records, data, data bases software, software documentation, laboratory notebooks, notes, reports, proposals, lists, customer lists, correspondence, specifications, drawings, blueprints, sketches, materials, equipment, other documents or property, or reproductions of any of the above aforementioned items belonging to Torrid, its successors or assigns.

In your work for Torrid, you will be expected not to use or disclose any confidential information, including trade secrets, of any former employer or other person to whom you have an obligation of confidentiality. Rather, you will be expected to use only that information which is generally known and used by persons with training and experience comparable to your own, which is common knowledge in the industry or otherwise legally in the public domain, or which is otherwise provided or developed by Torrid. Re: Employment Offer and Agreement

Dear Anne,

This offer is contingent on the successful completion of your background check. Your start date will be August 19, 2019 and below are the details of our offer (the "Agreement"):

Compensation. You will be paid at a bi-weekly gross rate of $23,076.93, which annualizes to a gross amount of $600,000.00, pursuant to the regular payroll dates and procedures for salaried personnel of Torrid. This will be subject to all appropriate deductions and Federal, State and Local taxes. Your compensation is subject to modification during your employment in accordance with Torrid's practices and policy. Your position is exempt from overtime compensation.

Bonus Plan. You will be eligible to participate in Torrid's Bonus Plan, as approved by the Torrid Board of Directors (the "Board"), which Plan was approved beginning as of fiscal February 2019. The actual amount of bonus awarded will be based upon Torrid achieving its profit performance goal, as well as you achieving performance that is meeting expectations or higher. Your bonus target will be sixty-five percent (65%) of your annualized base salary. Your 2019 bonus, if any, under Torrid's Bonus Plan, as approved by the Board, will be pro-rated based on the number of days of actual employment in 2019. In order to receive any bonus payout you have to be actively employed and in good standing on the date that bonuses are distributed.

Sign-On Bonus. You will be issued a one-time sign-on bonus in the gross amount of $315,000.00, which will be paid on your first pay period with Torrid. This will be subject to all appropriate deductions and Federal, State and Local taxes. Should you resign from your employment or if your employment is terminated for Cause (as defined herein) by Torrid within twelve (12) months of your start date; you will be responsible for [the pre-tax] repayment of such bonus, which repayment amount will be reduced by 1/12 for each month of employment.

Long-Term Incentive Package. We would like you to participate in the value you help create while you are in your role at Torrid. Subject to approval by and discretion of the Board, you will be granted a long term incentive package commensurate with your role and title.

Salary Review. You will be eligible for your first salary review and consideration for a merit increase on or about April 1, 2020. Any increase awarded will be pro-rated based upon your employment start date, as determined by Torrid.

Flex Time. You will accrue Flex Time Off ("FTO") pursuant to the applicable policies of Torrid, which will allow you to take time off from work, without having to specify a reason. FTO will accrue each pay period. Your annual FTO accrual will be one hundred and sixty hours (160) per year and you can use FTO after completing thirty (30) days of employment.

Benefits. You will be eligible to enroll in Torrid's benefits program on the first day of regular full-time employment. If you enroll in Torrid's benefit program, your benefits will become effective on the first day of the month following 30 days of service with Torrid. This program currently includes the opportunity to participate in Group Health, Dental, Vision, Life and Short- and Long-Term Disability insurance plans as well as other programs that may be available in accordance with the terms and conditions of Torrid's employee benefit programs (including with respect to employee contribution requirements), which may be amended or terminated from time to time by Torrid in its discretion.

401(k) Plan. You will be eligible to participate in Torrid's 401(k) Plan, if 21 years of age, after completing 200 hours of service. Employer matching program is currently offered with the 401(k) plan.

Deferred Compensation Plan. You are eligible to enroll in Torrid's Deferred Compensation Plan between thirty-one (31) to sixty (60) days from your start date for the current plan year, or you can wait until the next open enrollment period which will be July every year.

Cause. For purposes of this Agreement, "Cause" shall mean (i) willful misconduct by you, including, but not limited to, dishonesty which materially and adversely reflects upon your ability to perform your duties for Torrid, (ii) your conviction of, or the entry of a pleading of guilty or nolo contendere by you to, any crime involving moral turpitude or any felony, (iii) fraud, embezzlement or theft by you against Torrid or its affiliates, (iv) a material breach by you of any material provision of any agreement or policy, including any employment contract, assignment of inventions, confidentiality and/or nondisclosure agreement between you and Torrid or its affiliates, or (v) your failure to fulfill your duties as assigned by the CEO of Torrid, after written notice to you and no less than a 30-day period to cure such failure provided such failure to perform is subject to cure, if curable, with the passage of such 30-day period.

Returning Company Property. In the event of your termination of employment for any reason, you shall, prior to or on such termination date in the event of your resignation for any reason, or no later than five (5) days following such termination date in the event of the termination of your employment for any other reason, deliver to Torrid (and will not maintain possession of or deliver to anyone else) any and all information, documents, devices, records, data, data bases software, software documentation, laboratory notebooks, notes, reports, proposals, lists, customer lists, correspondence, specifications, drawings, blueprints, sketches, materials, equipment, other materials or property, or reproductions of any of the above aforementioned items belonging to Torrid or its affiliates, or their respective successors or assigns.

Confidential and Proprietary Information. As a condition of continued employment you agree to continue to abide by the terms of the Proprietary Information and Inventions Agreement ("PIIA") you will sign upon commencement of your employment, and you recognize that your employment with Torrid will involve contact with information of substantial value to Torrid, which is not generally known in the trade, and which gives Torrid an advantage over its competitors who do not know or use it, including but not limited to, techniques, designs, drawings, processes, inventions know how, strategies, marketing, and/or advertising plans or arrangements, developments, equipment, prototypes, sales, supplier, service provider, vendor, distributor and customer information, and business and financial information relating to the business, products, services, practices and techniques of Torrid, (hereinafter referred to as "**Confidential and Proprietary Information**"). You will at all times regard and preserve as confidential such Confidential and Proprietary Information obtained by you from whatever source and will not, either during your employment with Torrid or thereafter, publish or disclose any part of such Confidential and Proprietary Information in any manner at any time, or use the same except on behalf of Torrid, without the prior written consent of Torrid.

Permissible Disclosures. In accordance with the Defend Trade Secrets Act, 18 U.S.C. § 1833(b), and other applicable law, nothing in this Agreement, or any other agreement or policy shall prevent

you from, or expose you to criminal or civil liability under federal or state trade secret law for, (a) directly or indirectly sharing any Torrid trade secrets or other Confidential and Proprietary Information (except information protected by any attorney-client or work product privilege) with an attorney or with any federal, state, or local government agencies, regulators, or officials, for the purpose of investigating or reporting a suspected violation of law, whether in response to a subpoena or otherwise, without notice to Torrid, or (b) disclosing trade secrets in a complaint or other document filed in connection with a legal claim, provided that the filing is made under seal. Further, nothing herein shall prevent you from discussing or disclosing information related to your general job duties. You also may disclose Confidential and Proprietary Information as required in response to a subpoena or other legal process, provided that in the event you are served with a subpoena, document request, interrogatory, or any other legal process that will or may require you to disclose any Confidential and Proprietary Information, whether during your employment or thereafter (regardless of whether you resign or your employment is terminated or the reason for such resignation or termination), you will immediately notify an officer of Torrid of such fact, in writing, and provide a copy of such subpoena, document request, interrogatory, or other legal process, unless such subpoena, document request, interrogatory, or other legal process (a) is from a court or governmental agency, and (b) explicitly prohibits you from doing so. Nothing contained in this Agreement shall be construed to prohibit you from reporting possible violations of federal or state law or regulation to any governmental agency or regulatory body or making other disclosures that are protected under any whistleblower provisions of federal or state law or regulation, or from filing a charge with or participating in any investigation or proceeding conducted by any governmental agency or regulatory body.

During our discussions about your proposed job duties, you assured us that you would be able to perform those duties within the guidelines just described. You agree that you will not bring onto Torrid premises any unpublished documents or property belonging to any former employer or other person or entity to whom you have an obligation of confidentiality. (d) a complete liquidation or dissolution of the Company or the consummation of a sale or disposition by the Company of all or substantially all of the Company's assets other than the sale or disposition of all or substantially all of the assets of the Company to a person or persons who beneficially own, directly or indirectly, 50% or more of the combined voting power of the outstanding voting securities of the Company at the time of the sale.

For purposes of this Section 2.8, acquisitions of securities of the Company by Sycamore Partners Management, L.P., any of its respective affiliates, or any investment vehicle or fund controlled by or managed by, or otherwise affiliated with Sycamore Partners Management, L.P. shall not constitute a Change in Control. Notwithstanding the foregoing, with respect to any Award that is characterized as "nonqualified deferred compensation" within the meaning of Section 409A of the Code, an event shall not be considered to be a Change in Control under the Plan for purposes of payment of such Award unless such event is also a "change in ownership," a "change in effective control" or a "change in the ownership of a substantial portion of the assets" of the Company within the meaning of Section 409A of the Code.

ARTICLE III

ADMINISTRATION

3.1 Authority of the Committee. The Plan shall be administered by the Committee. Subject to the terms of the Plan and Applicable Law, the Committee shall have full authority to grant Awards to Eligible Individuals under the Plan. In particular, the Committee shall have the authority to:

(a) determine whether and to what extent Awards, or any combination thereof, are to be granted hereunder to one or more Eligible Individuals;

(b) determine the number of Shares to be covered by each Award granted hereunder;

(c) determine the terms and conditions, not inconsistent with the terms of the Plan, of any Award granted hereunder (including, but not limited to, the exercise or purchase price (if any), any restriction or limitation, any vesting schedule or acceleration thereof, or any forfeiture restrictions or waiver thereof, regarding any Award and the Shares relating thereto, based on such factors, if any, as the Committee shall determine, in its sole discretion);

(d) determine the amount of cash to be covered by each Award granted hereunder;

(e) determine whether, to what extent, and under what circumstances grants of Options and other Awards under the Plan are to operate on a tandem basis and/or in conjunction with or apart from other awards made by the Company outside of the Plan;

(f) determine whether and under what circumstances an Award may be settled in cash, Shares, other property, or a combination of the foregoing;

(g) determine whether, to what extent and under what circumstances cash, Shares or other property and other amounts payable with respect to an Award under the Plan shall be deferred either automatically or at the election of the Participant;

(h) modify, waive, amend, or adjust the terms and conditions of any Award, at any time or from time to time, including but not limited to Performance Goals;

(i) determine whether a Stock Option is an Incentive Stock Option or Non-Qualified Stock Option;

(j) determine whether to require a Participant, as a condition of the granting of any Award, to not sell or otherwise dispose of Shares acquired pursuant to the exercise or vesting of an Award for a period of time as determined by the Committee, in its sole discretion, following the date of the acquisition of such Award or Shares; and

(k) modify, extend or renew an Award, subject to Article XII and Section 6.4(l).

3.2 Guidelines. Subject to Article XII hereof, the Committee shall have the authority to adopt, alter and repeal such administrative rules, guidelines and practices governing the Plan and perform all acts, including the delegation of its responsibilities (to the extent permitted by Applicable Law and applicable stock exchange rules), as it shall, from time to time, deem advisable; to construe and interpret the terms and provisions of the Plan and any Award issued under the Plan (and any agreements or sub-plans relating thereto); and to otherwise supervise the administration of the Plan. The Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan or in any agreement relating thereto in the manner and to the extent it shall deem necessary to effectuate the purpose and intent of the Plan. The Committee may adopt special rules, sub-plans, guidelines and provisions for persons who are residing in or employed in, or subject to, the taxes of any domestic or foreign jurisdictions to satisfy or accommodate applicable foreign laws or to qualify for preferred tax treatment of such domestic or foreign jurisdictions.

3.3 Decisions Final. Any decision, interpretation or other action made or taken in good faith by or at the direction of the Company, the Board or the Committee (or any of its members) arising out of or in connection with the Plan shall be within the absolute discretion of all and each of them, as the case may be, and shall be final, binding and conclusive on the Company and all employees and Participants and their respective heirs, executors, administrators, successors and assigns.

3.4 Procedures. If the Committee is appointed, the Board shall designate one of the members of the Committee as chairman and the Committee shall hold meetings, subject to the by-laws of the Company, at such times and places as it shall deem advisable, including, without limitation, by telephone conference or by written consent to the extent permitted by Applicable Law. A majority of the Committee members shall constitute a quorum. All determinations of the Committee shall be made by a majority of its members. Any decision or determination reduced to writing and signed by all of the Committee members in accordance with the by-laws of the Company, shall be fully effective as if it had been made by a vote at a meeting duly called and held. The Committee shall keep minutes of its meetings and shall make such rules and regulations for the conduct of its business as it shall deem advisable.

3.5 Designation of Consultants/Liability; Delegation of Authority.

(a) The Committee may designate employees of the Company and professional advisors to assist the Committee in the administration of the Plan and (to the extent permitted by Applicable Law) may grant authority to officers of the Company to grant Awards and/or execute agreements or other documents on behalf of the Committee.

(b) The Committee may employ such legal counsel, consultants and agents as it may deem desirable for the administration of the Plan and may rely upon any opinion received from any such counsel or consultant and any computation received from any such consultant or agent. Expenses incurred by the Committee or the Board in the engagement of any such counsel, consultant or agent shall be paid by the Company. The Committee, its members and any person designated pursuant to sub-section (a) above shall not be liable for any action or determination made in good faith with respect to the Plan. To the maximum extent permitted by Applicable Law, no officer of the Company or member or former member of the Committee or of the Board shall be liable for any action or determination made in good faith with respect to the Plan or any Award granted under it.

(c) The Committee may delegate any or all of its powers and duties under the Plan to a subcommittee of directors or to any officer of the Company, including the power to perform administrative functions and grant Awards; *provided* that such delegation does not (i) violate Applicable Law, or (ii) result in the loss of an exemption under Rule 16b-3(d)(1) for Awards granted to Participants subject to Section 16 of the Exchange Act in respect of the Company. Upon any such delegation, all references in the Plan to the "Committee," shall be deemed to include any subcommittee or officer of the Company to whom such powers have been delegated by the Committee. Any such delegation shall not limit the right of such subcommittee members or such an officer to receive Awards. The Committee may also appoint agents who are not executive officers of the Company or members of the Board to assist in administering the Plan, *provided*, *however*, that such individuals may not be delegated the authority to grant or modify any Awards that will, or may, be settled in Shares.

3.6 Indemnification. To the maximum extent permitted by Applicable Law and to the extent not covered by insurance directly insuring such person, each officer or employee of the Company or any of its Affiliates and member or former member of the Committee or the Board shall be indemnified and held harmless by the Company against any cost or expense (including reasonable fees of counsel acceptable to the Committee) or liability (including any sum paid in settlement of a claim with the approval of the Committee), and advanced amounts necessary to pay the foregoing at the earliest time and to the fullest extent permitted, arising out of any act or omission to act in connection with the administration of the Plan, except to the extent arising out of such officer's, employee's, member's or former member's own fraud or bad faith. Such indemnification shall be in addition to any right of indemnification the employees, officers, directors or members or former officers, directors or members may have under Applicable Law or under the by-laws of the Company or any of its Affiliates. Notwithstanding anything else herein, this indemnification will not apply to the actions or determinations made by an individual with regard to Awards granted to such individual under the Plan.

ARTICLE IV

SHARE LIMITATION

4.1 Shares. The aggregate number of Shares that may be issued or used for reference purposes or with respect to which Awards may be granted under the Plan shall not exceed [**TBD**] Shares (subject to any increase or decrease pursuant to this Article IV), which may be either authorized and unissued Shares or Shares held in or acquired for the treasury of the Company or both. The number of Shares that may be issued or used for reference purposes or with respect to which Awards may be granted under the Plan shall be subject to an annual increase on January 1 of each calendar year during the term of the Plan, equal to the lesser of (a) two percent (2%) of the aggregate number of Shares outstanding on the final day of the immediately preceding calendar year and (b) such smaller number of Shares as is determined by the Board. The aggregate number of Shares that may be issued or used with respect to any Incentive Stock Option shall not exceed [**INSERT ABOVE SHARE RESERVE**] Shares (subject to any increase or decrease pursuant to Section 4.3). The maximum number of Shares subject to Awards granted during a single fiscal year to any Non-Employee Director, shall not exceed a total value of $500,000 (calculating the value of any Awards based on the grant date fair value for financial reporting purposes). Any Award under the Plan settled in cash shall not be counted against the foregoing maximum share limitations. Notwithstanding anything to the contrary contained herein, Shares subject to an Award under the Plan shall again be made available for issuance or delivery under the Plan if such Shares are (a) Shares tendered in payment of an Option, (b) Shares delivered or withheld by the Company to satisfy any tax withholding obligation, (c) Shares covered by a stock-settled Stock Appreciation Right or other Awards that were not issued upon the settlement of the Award or (d) Shares subject to an Award that expires or is canceled, forfeited, or terminated without issuance of the full number of Shares to which the Award related.

4.2 Substitute Awards. In connection with an entity's merger or consolidation with the Company or the Company's acquisition of an entity's property or stock, the Committee may grant Awards in substitution for any options or other stock or stock-based awards granted before such merger or consolidation by such entity or its Affiliate ("Substitute Awards"). Substitute Awards may be granted on such terms as the Committee deems appropriate, notwithstanding limitations on Awards in the Plan. Substitute Awards will not count against the overall share limit (nor shall Shares subject to a Substitute Award be added to the Shares available for Awards under the Plan as provided above), except that Shares acquired by exercise of substitute Incentive Stock Options will count against the maximum number of Shares that may be issued pursuant to the exercise of Incentive Stock Options under the Plan. Additionally, in the event that a company acquired by the Company or any Subsidiary or with which the Company or any Subsidiary combines has shares available under a pre-existing plan approved by stockholders and not adopted in contemplation of such acquisition or combination, the shares available for grants pursuant to the terms of such pre-existing plan (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation ratio or formula used in such acquisition or combination to determine the consideration payable to the holders of common stock of the entities party to such acquisition or combination) may be used for Awards under the Plan and shall not reduce the Shares authorized for grant under the Plan (and Shares subject to such Awards shall not be added to the Shares available for Awards under the Plan as provided above); provided that Awards using such available shares shall not be made after the date awards or grants could have been made under the terms of the pre-existing plan, absent the acquisition or combination, and shall only be made to individuals who were not Eligible Employees or Non-Employee Directors prior to such acquisition or combination.

4.3 Adjustments.

(a) The existence of the Plan and the Awards granted hereunder shall not affect in any way the right or power of the Board or the stockholders of the Company to make or authorize (i) any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, (ii) any merger or consolidation of the Company or any Affiliate, (iii) any issuance of bonds, debentures, or preferred or prior preference stock ahead of or affecting the Shares, (iv) the dissolution or liquidation of the Company or any Affiliate, (v) any sale or transfer of all or part of the assets or business of the Company or any Affiliate or (vi) any other corporate act or proceeding.

(b) Subject to the provisions of Section 11.1:

(i) If the Company at any time subdivides (by any split, recapitalization or otherwise) the outstanding Shares into a greater number of Shares, or combines (by reverse split, combination or otherwise) its outstanding Shares into a lesser number of Shares, then the respective exercise prices for outstanding Awards that provide for a Participant-elected exercise and the number of Shares covered by outstanding Awards shall be appropriately adjusted by the Committee to prevent dilution or enlargement of the rights granted to, or available for, Participants under the Plan.

(ii) Excepting transactions covered by Section 4.3(b)(i), if the Company effects any merger, consolidation, statutory exchange, spin-off, reorganization, sale or transfer of all or substantially all the Company's assets or business, or other corporate transaction or event in such a manner that the Company's outstanding Shares are converted into the right to receive (or the holders of Common Stock are entitled to receive in exchange therefor), either immediately or upon liquidation of the Company, securities or other property of the Company or other entity, then, subject to the provisions of Section 11.1, (A) the aggregate number or kind of securities that thereafter may be issued under the Plan, (B) the number or kind of securities or other property (including cash) to be issued pursuant to Awards granted under the Plan (including as a result of the assumption of the Plan and the obligations hereunder by a successor entity, as applicable), or (C) the exercise or purchase price thereof, shall be appropriately adjusted by the Committee to prevent dilution or enlargement of the rights granted to, or available for, Participants under the Plan.

(iii) If there shall occur any change in the capital structure of the Company other than those covered by Section 4.3(b)(i) or 4.3(b)(ii), any conversion, any adjustment, or any issuance of any class of securities convertible or exercisable into, or exercisable for, any class of equity securities of the Company, then the Committee shall adjust any Award and make such other adjustments to the Plan to prevent dilution or enlargement of the rights granted to, or available for, Participants under the Plan.

(iv) The Committee may adjust the Performance Goals applicable to any Awards to reflect any unusual or non-recurring events and other extraordinary items, impact of charges for restructurings, discontinued operations, and the cumulative effects of accounting or tax changes, each as defined by generally accepted accounting principles or as identified in the Company's financial statements, notes to the financial statements, management's discussion and analysis, or other Company public filing.

(v) Any such adjustment determined by the Committee pursuant to this Section 4.3(b) shall be final, binding and conclusive on the Company and all Participants and their respective heirs, executors, administrators, successors and permitted assigns. Any adjustment to, or assumption or substitution of, an Award under this Section 4.3(b) shall be intended to comply with the requirements of Section 409A of the Code and Treasury Regulation §1.424-1 (and any amendments thereto), to the extent applicable. Except as expressly provided in this Section 4.3 or in the applicable Award Agreement, a Participant shall have no additional rights under the Plan by reason of any transaction or event described in this Section 4.3.

ARTICLE V

ELIGIBILITY

5.1 General Eligibility. All current and prospective Eligible Individuals are eligible to be granted Awards. Eligibility for the grant of Awards and actual participation in the Plan shall be determined by the Committee in its sole discretion.

5.2 Incentive Stock Options. Notwithstanding the foregoing, only Eligible Employees who are employees of the Company, its Subsidiaries or its Parent (if any) are eligible to be granted Incentive Stock Options under the Plan. Eligibility for the grant of an Incentive Stock Option and actual participation in the Plan shall be determined by the Committee in its sole discretion.

5.3 General Requirement. The vesting and exercise of Awards granted to a prospective Eligible Individual are conditioned upon such individual actually becoming an Eligible Employee, Consultant or Non-Employee Director, as applicable.

ARTICLE VI

STOCK OPTIONS

6.1 Options. Stock Options may be granted alone or in addition to other Awards granted under the Plan. Each Stock Option granted under the Plan shall be of one of two types: (a) an Incentive Stock Option or (b) a Non-Qualified Stock Option.

6.2 Grants. The Committee shall have the authority to grant to any Eligible Employee one or more Incentive Stock Options, Non-Qualified Stock Options, or both types of Stock Options; provided, however, that Incentive Stock Options may only be granted to an Eligible Employee who is an employee of the Company, its Subsidiaries or its Parents (if any). The Committee shall have the authority to grant any Consultant or Non-Employee Director one or more Non-Qualified Stock Options. To the extent that any Stock Option does not qualify as an Incentive Stock Option (whether because of its provisions or the time or manner of its exercise or otherwise), such Stock Option or the portion thereof which does not so qualify shall constitute a separate Non-Qualified Stock Option.

6.3 Terms of Options. Options granted under the Plan shall be evidenced by an Award Agreement and subject to the following terms and conditions and shall be in such form and contain such additional terms and conditions not inconsistent with the terms of the Plan, as the Committee shall deem desirable:

(a) Exercise Price. The exercise price per Share subject to a Stock Option shall be determined by the Committee at the time of grant, *provided* that the per share exercise price of a Stock Option shall not be less than 100% (or, in the case of an Incentive Stock Option granted to a Ten Percent Stockholder, 110%) of the Fair Market Value at the time of grant.

(b) Stock Option Term. The term of each Stock Option shall be fixed by the Committee, *provided* that no Stock Option shall be exercisable more than ten (10) years (or, in the case of an Incentive Stock Option granted to a Ten Percent Stockholder, five (5) years) after the date the Option is granted.

(c) Exercisability. Unless otherwise provided by the Committee in accordance with the provisions of this Section 6.3, Stock Options granted under the Plan shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee at the time of grant. The Committee may, but shall not be required to, provide for an acceleration of vesting and exercisability in the terms of any Award Agreement upon the occurrence of a specified event.

(d) Method of Exercise. Subject to whatever installment exercise and waiting period provisions apply under Section 6.3(c), to the extent vested, Stock Options may be exercised in whole or in part at any time during the Option term, by giving written notice of exercise (which may be electronic) to the Company specifying the number of Shares to be purchased. Such notice shall be accompanied by payment in full of the exercise price (which shall equal the product of such number of Shares to be purchased multiplied by the applicable exercise price). The exercise price for the Stock Options may be paid upon such terms and conditions as shall be established by the Committee and set forth in the applicable Award Agreement. Without limiting the foregoing, the Committee may establish payment terms for the exercise of Stock Options pursuant to which the Company may withhold a number of Shares that otherwise would be issued to the Participant in connection with the exercise of the Stock Option having a Fair Market Value on the date of exercise equal to the exercise price, or that permit the Participant to deliver cash or Shares with a Fair Market Value equal to the exercise price on the date of payment, or through a simultaneous sale through a broker of Shares acquired on exercise, all as permitted by Applicable Law. No Shares shall be issued until payment therefor, as provided herein, has been made or provided for.

(e) Non-Transferability of Options. No Stock Option shall be transferable by the Participant other than by will or by the laws of descent and distribution, and all Stock Options shall be exercisable, during the Participant's lifetime, only by the Participant. Notwithstanding the foregoing, the Committee may determine, in its sole discretion, at the time of grant or thereafter that a Non-Qualified Stock Option that is otherwise not transferable pursuant to this Section 6.3(e) is transferable to a Family Member in whole or in part and in such circumstances, and under such conditions, as specified by the Committee. A Non-Qualified Stock Option that is transferred to a Family Member pursuant to the preceding sentence (i) may not be subsequently transferred other than by will or by the laws of descent and distribution and (ii) remains subject to the terms of the Plan and the applicable Award Agreement. Any Shares acquired upon the exercise of a Non-Qualified Stock Option by a permissible transferee of a Non-Qualified Stock Option or a permissible transferee pursuant to a transfer after the exercise of the Non-Qualified Stock Option shall be subject to the terms of the Plan and the applicable Award Agreement.

(f) Termination by Death or Disability. Unless otherwise provided in the applicable Award Agreement, or otherwise determined by the Committee at the time of grant, or if no rights of the Participant are reduced, thereafter, if a Participant's Termination of Service is by reason of death or Disability, all Stock Options that are held by such Participant that are vested and exercisable at the time of the Participant's Termination of Service may be exercised by the Participant (or in the case of the Participant's death, by the legal representative of the Participant's estate) at any time within a period of one (1) year from the date of such Termination of Service, but in no event beyond the expiration of the stated term of such Stock Options; *provided, however*, that, in the event of a Participant's Termination of Service by reason of Disability, if the Participant dies within such exercise period, all unexercised Stock Options held by such Participant shall thereafter be exercisable, to the extent to which they were exercisable at the time of death, for a period of one (1) year from the date of such death, but in no event beyond the expiration of the stated term of such Stock Options.

(g) Involuntary Termination Without Cause. Unless otherwise provided in the applicable Award Agreement or otherwise determined by the Committee at the time of grant, or if no rights of the Participant are reduced, thereafter, if a Participant's Termination of Service is by involuntary termination by the Company without Cause, all Stock Options that are held by such Participant that are vested and exercisable at the time of the Participant's Termination of Service may be exercised by the Participant at any time within a period of ninety (90) days from the date of such Termination of Service, but in no event beyond the expiration of the stated term of such Stock Options.

(h) Voluntary Resignation. Unless otherwise provided in the applicable Award Agreement or otherwise determined by the Committee at the time of grant, or if no rights of the Participant are reduced, thereafter, if a Participant's Termination of Service is voluntary (other than a voluntary termination described in Section 6.3(i) hereof), all Stock Options that are held by such Participant that are vested and exercisable at the time of the Participant's Termination of Service may be exercised by the Participant at any time within a period of ninety (90) days from the date of such Termination of Service, but in no event beyond the expiration of the stated term of such Stock Options.

(i) Termination for Cause. Unless otherwise provided in the applicable Award Agreement or determined by the Committee at the time of grant, or if no rights of the Participant are reduced, thereafter, if a Participant's Termination of Service (x) is for Cause or (y) is a voluntary Termination of Service (as provided in Section 6.3(h)) after the occurrence of an event that would be grounds for a Termination of Service for Cause, all Stock Options, whether vested or not vested, that are held by such Participant shall thereupon immediately terminate and expire as of the date of such Termination of Service.

(j) Unvested Stock Options. Unless otherwise provided in the applicable Award Agreement or determined by the Committee at the time of grant, or if no rights of the Participant are reduced, thereafter, Stock Options that are not vested as of the date of a Participant's Termination of Service for any reason shall terminate and expire as of the date of such Termination of Service.

(k) Incentive Stock Option Limitations. To the extent that the aggregate Fair Market Value (determined as of the time of grant) of the Shares with respect to which Incentive Stock Options are exercisable for the first time by an Eligible Employee during any calendar year under the Plan and/or any other stock option plan of the Company, any Subsidiary or any Parent exceeds $100,000, such Options shall be treated as Non-Qualified Stock Options. In addition, if an Eligible Employee does not remain employed by the Company, any Subsidiary or any Parent at all times from the time an Incentive Stock Option is granted until three (3) months prior to the date of exercise thereof (or such other period as required by Applicable Law), such Stock Option shall be treated as a Non-Qualified Stock Option. Should any provision of the Plan not be necessary in order for the Stock Options to qualify as Incentive Stock Options, or should any additional provisions be required, the Committee may amend the Plan accordingly, without the necessity of obtaining the approval of the stockholders of the Company.

(l) Modification, Extension and Renewal of Stock Options. The Committee may (i) modify, extend or renew outstanding Stock Options granted under the Plan (provided that the rights of a Participant are not reduced without such Participant's consent and *provided*, *further* that such action does not subject the Stock Options to Section 409A of the Code without the consent of the Participant), and (ii) accept the surrender of outstanding Stock Options (to the extent not theretofore exercised) and authorize the granting of new Stock Options in substitution therefor (to the extent not theretofore exercised). Notwithstanding the foregoing, an outstanding Option may not be modified to reduce the exercise price thereof nor may a new Option at a lower price be substituted for a surrendered Option (other than adjustments or substitutions in accordance with Article IV), unless such action is approved by the stockholders of the Company.

(m) Other Terms and Conditions. The Committee may include a provision in an Award Agreement providing for the automatic exercise of a Non-Qualified Stock Option on a cashless basis on the last day of the term of such Option if the Participant has failed to exercise the Non-Qualified Stock Option as of such date, with respect to which the Fair Market Value of the Shares underlying the Non-Qualified Stock Option exceeds the exercise price of such Non-Qualified Stock Option on the date of expiration of such Option, subject to Section 14.4. Stock Options may contain such other provisions, which shall not be inconsistent with any of the terms of the Plan, as the Committee shall deem appropriate.

ARTICLE VII

STOCK APPRECIATION RIGHTS

7.1 Stock Appreciation Rights. Stock Appreciation Rights may be granted alone ("Free Standing Stock Appreciation Right") or in conjunction with all or part of any Stock Option (a "Reference Stock Option") granted under the Plan ("Tandem Stock Appreciation Rights"). In the case of a Non-Qualified Stock Option, such rights may be granted either at or after the time of the grant of such Reference Stock Option. In the case of an Incentive Stock Option, such rights may be granted only at the time of the grant of such Reference Stock Option.

7.2 Terms of Stock Appreciation Rights. Stock Appreciation Rights granted under the Plan shall be evidenced by an Award Agreement and subject to the following terms and conditions and shall be in such form and contain such additional terms not inconsistent with the terms of the Plan, as the Committee shall deem desirable:

(a) Exercise Price. The exercise price per Share subject to a Stock Appreciation Right shall be determined by the Committee at the time of grant, *provided* that the per Share exercise price of a Stock Appreciation Right shall not be less than 100% of the Fair Market Value of the Shares at the time of grant, and *provided*, *further*, that the per Share exercise price of a Tandem Stock Appreciation Right shall not be less than the per Share exercise price of the Reference Stock Option.

(b) Term. The term of each Free Standing Stock Appreciation Right shall be fixed by the Committee, but shall not be greater than ten (10) years after the date the right is granted. A Tandem Stock Appreciation Right or applicable portion thereof granted with respect to a Reference Stock Option shall terminate and no longer be exercisable upon the termination or exercise of the Reference Stock Option, except that, unless otherwise determined by the Committee, in its sole discretion, at the time of grant, a Tandem Stock Appreciation Right granted with respect to less than the full number of Shares covered by the Reference Stock Option shall not be reduced until, and then only to the extent that the exercise or termination of the Reference Stock Option causes, the number of Shares covered by the Tandem Stock Appreciation Right to exceed the number of Shares remaining available and unexercised under the Reference Stock Option.

(c) Exercisability. Unless otherwise provided by the Committee, Free Standing Stock Appreciation Rights granted under the Plan shall be exercised at such time or times and subject to such terms and conditions as shall be determined by the Committee at the time of grant. The Committee may, but shall not be required to, provide for an acceleration of vesting and exercisability in terms of any Award Agreement upon the occurrence of a specified event. A Tandem Stock Appreciation Right shall be exercisable only at such time or times and to the extent that the Reference Stock Options to which they relate shall be exercisable in accordance with the provisions of Article VI, and shall be subject to the provisions of Section 6.3(c).

(d) Method of Exercise. Subject to whatever installment and waiting period provisions applied under Section 6.3(c), to the extent vested, a Free Standing Stock Appreciation Right may be exercised in whole or in part at any time in accordance with the applicable Award Agreement, by given written notice of exercise (which may be electronic) to the Company specifying the number of Stock Appreciation Rights being exercised. A Tandem Stock Appreciation Right may be exercised by the Participant by surrendering the applicable portion of the Reference Stock Option. Upon such exercise and surrender, the Participant shall be entitled to receive an amount determined in the manner prescribed in this Section 7.2. Stock Options which have been so surrendered, in whole or in part, shall no longer be exercisable to the extent that the related Tandem Stock Appreciation Rights have been exercised.

(e) Payment. Upon the exercise of a Free Standing Stock Appreciation Right a Participant shall be entitled to receive, for each right exercised, up to, but no more than, an amount in cash and/or Shares (as chosen by the Committee in its sole discretion) equal in value to the excess of the Fair Market Value of one (1) Share on the date that the right is exercised over the Fair Market Value of one (1) Share on the date that the right was awarded to the Participant. Upon the exercise of a Tandem Stock Appreciation Right, a Participant shall be entitled to receive up to, but no more than, an amount in cash and/or Shares (as chosen by the Committee in its sole discretion) equal in value to the excess of the Fair Market Value of one (1) Share over the Stock Option exercise price per Share specified in the Reference Stock Option Award Agreement multiplied by the number of Shares in respect of which the Tandem Stock Appreciation Right shall have been exercised, with the Committee having the right to determine the form of payment.

(f) Deemed Exercise of Reference Stock Option. Upon the exercise of a Tandem Stock Appreciation Right, the Reference Stock Option or part thereof to which such Stock Appreciation Right is related shall be deemed to have been exercised for the purpose of the limitation set forth in Article IV of the Plan on the number of Shares to be issued under the Plan.

(g) Termination. Unless otherwise determined by the Committee at grant or, if no rights of the Participant are reduced, thereafter, subject to the provisions of the applicable Award Agreement and the Plan, upon a Participant's Termination of Service for any reason, Free Standing Stock Appreciation Rights may remain exercisable following a Participant's Termination of Service on the same basis as Stock Options would be exercisable following a Participant's Termination of Service in accordance with the provisions of Sections 6.3(f) through 6.3(j).

(h) Non-Transferability. No Free Standing Stock Appreciation Rights shall not be transferable by the Participant other than by will or by the laws of descent and distribution, and all such rights shall be exercisable, during the Participant's lifetime, only by the Participant. Tandem Stock Appreciation Rights shall be transferable only when and to the extent that the underlying Stock Option would be transferable under Section 6.3(e) of the Plan.

(i) Modification, Extension, and Renewal of Stock Appreciation Rights. The Committee may (i) modify, extend or renew outstanding Stock Appreciation Rights granted under the Plan (*provided* that the rights of a Participant are not reduced without such Participant's consent and *provided*, *further*, that such action does not subject the Stock Appreciation Rights to Section 409A of the Code without the consent of the Participant), and (ii) accept the surrender of outstanding Stock Appreciation Rights (to the extent not theretofore exercised) and authorize the granting of new Stock Appreciation Rights in substitution therefor (to the extent not theretofore exercised). Notwithstanding the foregoing, an outstanding Stock Appreciation Right may not be modified to reduce the exercise price thereof nor may a new Stock Appreciation Right at a lower price be substituted for a surrendered Stock Appreciation Right (other than adjustments or substitutions in accordance with Article IV), unless such action is approved by the stockholders of the Company.

(j) Other Terms and Conditions. The Committee may include a provision in an Award Agreement providing for the automatic exercise of a Stock Appreciation Right on a cashless basis on the last day of the term of such Stock Appreciation Right if the Participant has failed to exercise the Stock Appreciation Right as of such date, with respect to which the Fair Market Value of the Shares underlying the Stock Appreciation Right exceeds the exercise price of such Stock Appreciation Right on the date of expiration of such Stock Appreciation Right, subject to Section 14.4. Stock Appreciation Rights may contain such other provisions, which shall not be inconsistent with any of the terms of the Plan, as the Committee shall deem appropriate.

ARTICLE VIII

RESTRICTED STOCK; RESTRICTED STOCK UNITS

8.1 Awards of Restricted Stock and Restricted Stock Units. Shares of Restricted Stock and Restricted Stock Units may be granted alone or in addition to other Awards granted under the Plan. The Committee shall determine the Eligible Individuals to whom, and the time or times at which, grants of Restricted Stock and/or Restricted Stock Units shall be made, the number of shares of Restricted Stock or Restricted Stock Units to be awarded, the price (if any) to be paid by the Participant (subject to Section 8.2), the time or times within which such Awards may be subject to forfeiture, the vesting schedule and rights to acceleration thereof, and all other terms and conditions of the Awards. The Committee shall determine and set forth in the Award Agreement the terms and conditions for each Restricted Stock and Restricted Stock Unit Award, subject to the conditions and limitations contained in the Plan, including any vesting or forfeiture conditions during the applicable restriction period. The Committee may condition the grant or vesting of Restricted Stock and Restricted Stock Units upon the attainment of specified performance targets (including the Performance Goals) or such other factor as the Committee may determine in its sole discretion.

8.2 Awards and Certificates. Restricted Stock and Restricted Stock Units granted under the Plan shall be evidenced by an Award Agreement and subject to the following terms and conditions and shall be in such form and contain such additional terms and conditions not inconsistent with the terms of the Plan, as the Committee shall deem desirable:

(a) Restricted Stock:

(i) Purchase Price. The purchase price of Restricted Stock shall be fixed by the Committee. The purchase price for shares of Restricted Stock may be zero to the extent permitted by Applicable Law, and, to the extent not so permitted, such purchase price may not be less than par value.

(ii) Legend. Each Participant receiving Restricted Stock shall be issued a stock certificate in respect of such shares of Restricted Stock, unless the Committee elects to use another system, such as book entries by the transfer agent, as evidencing ownership of shares of Restricted Stock. Such certificate shall be registered in the name of such Participant, and shall, in addition to such legends required by Applicable Law, bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock.

(iii) Custody. If stock certificates are issued in respect of shares of Restricted Stock, the Committee may require that any stock certificates evidencing such shares be held in custody by the Company until the restrictions thereon shall have lapsed, and that, as a condition of any grant of Restricted Stock, the Participant shall have delivered a duly signed stock power or other instruments of assignment (including a power of attorney), each endorsed in blank with a guarantee of signature if deemed necessary or appropriate by the Company, which would permit transfer to the Company of all or a portion of the shares subject to the Restricted Stock Award in the event that such Award is forfeited in whole or part.

(iv) Rights as a Stockholder. Except as provided in Section 8.3(a) and this Section 8.2(a) or as otherwise determined by the Committee in an Award Agreement, the Participant shall have, with respect to the shares of Restricted Stock, all of the rights of a holder of Shares, including, without limitation, the right to receive dividends, the right to vote such Shares and, subject to and conditioned upon the full vesting of shares of Restricted Stock, the right to tender such shares; *provided* that, the Award Agreement shall specify on what terms and conditions the applicable Participant shall be entitled to dividends payable on the Shares.

(v) Lapse of Restrictions. If and when the Restriction Period expires without a prior forfeiture of the Restricted Stock, the certificates for such Shares shall be delivered to the Participant. All legends shall be removed from said certificates at the time of delivery to the Participant, except as otherwise required by Applicable Law or other limitations imposed by the Committee.

(b) Restricted Stock Units:

(i) Settlement. The Committee may provide that settlement of Restricted Stock Units will occur upon or as soon as reasonably practical after the Restricted Stock Units vest or will instead be deferred, on a mandatory basis or at the Participant's election, in a manner intended to comply with Section 409A of the Code.

(ii) Right as a Stockholder. A Participant will have no rights of a stockholder with respect to Shares subject to any Restricted Stock Unit unless and until Shares are delivered in settlement of the Restricted Stock Units.

(iii) Dividend Equivalents. If the Committee so provides, a grant of Restricted Stock Units may provide a Participant with the right to receive Dividend Equivalents. Dividend Equivalents may be paid currently or credited to an account for the Participant, settled in cash or Shares and subject to the same restrictions on transferability and forfeitability as the Restricted Stock Units with respect to which the Dividend Equivalents are granted and subject to other terms and conditions as set forth in the Award Agreement.

8.3 Restrictions and Conditions.

(a) Restriction Period.

(i) The Participant shall not be permitted to transfer shares of Restricted Stock awarded under the Plan or vest in Restricted Stock Units during the period or periods set by the Committee (the "Restriction Period") commencing on the date of such Award, as set forth in the applicable Award Agreement and such agreement shall set forth a vesting schedule and any event that would accelerate vesting of the Restricted Stock and/or Restricted Stock Units. Within these limits, based on service, attainment of Performance Goals pursuant to Section 8.3(a)(ii) and/or such other factors or criteria as the Committee may determine in its sole discretion, the Committee may condition the grant or provide for the lapse of such restrictions in installments in whole or in part, or may accelerate the vesting of all or any part of any Restricted Stock Award or Restricted Stock Unit and/or waive the deferral limitations for all or any part of any Award.

(ii) If the grant of shares of Restricted Stock or Restricted Stock Units or the lapse of restrictions or vesting schedule is based on the attainment of Performance Goals, the Committee shall establish the objective Performance Goals and the applicable vesting percentage applicable to each Participant or class of Participants in the applicable Award Agreement prior to the beginning of the applicable fiscal year or at such later date as otherwise determined by the Committee and while the outcome of the Performance Goals are substantially uncertain. Such Performance Goals may incorporate provisions for disregarding (or adjusting for) changes in accounting methods, corporate transactions (including, without limitation, dispositions and acquisitions), and other similar types of events or circumstances.

(b) Termination. Unless otherwise provided in the applicable Award Agreement or determined by the Committee at grant or, if no rights of the Participant are reduced, thereafter, upon a Participant's Termination of Service for any reason during the relevant Restriction Period, all Restricted Stock or Restricted Stock Units still subject to restriction will be forfeited in accordance with the terms and conditions established by the Committee at grant or thereafter.

ARTICLE IX

PERFORMANCE AWARDS

9.1 Performance Awards. The Committee may grant a Performance Award to a Participant payable upon the attainment of specific Performance Goals either alone or in addition to other Awards granted under the Plan. The Performance Goals to be achieved during the Performance Period and the length of the Performance Period shall be determined by the Committee upon the grant of each Performance Award. The conditions for grant or vesting and the other provisions of Performance Awards (including, without limitation, any applicable Performance Goals) need not be the same with respect to each Participant. Performance Awards may be paid in cash, Shares, other property or any combination thereof, in the sole discretion of the Committee as set forth in the applicable Award Agreement.

ARTICLE X

OTHER STOCK-BASED AND CASH AWARDS

10.1 Other Stock-Based Awards. The Committee is authorized to grant to Eligible Individuals Other Stock-Based Awards that are payable in, valued in whole or in part by reference to, or otherwise based on or related to Shares, including but not limited to, Shares awarded purely as a bonus and not subject to restrictions or conditions, Shares in payment of the amounts due under an incentive or performance plan sponsored or maintained by the Company, stock equivalent units, and Awards valued by reference to book value of Shares. Other Stock-Based Awards may be granted either alone or in addition to or in tandem with other Awards granted under the Plan.

Subject to the provisions of the Plan, the Committee shall have authority to determine the Eligible Individuals, to whom, and the time or times at which, such Awards shall be made, the number of Shares to be awarded pursuant to such Awards, and all other conditions of the Awards. The Committee may also provide for the grant of Shares under such Awards upon the completion of a specified Performance Period. The Committee may condition the grant or vesting of Other Stock-Based Awards upon the attainment of specified Performance Goals as the Committee may determine, in its sole discretion.

10.2 Terms and Conditions. Other Stock-Based Awards made pursuant to this Article X shall be evidenced by an Award Agreement and subject to the following terms and conditions and shall be in such form and contain such additional terms and conditions not inconsistent with the terms of the Plan, as the Committee shall deem desirable:

(a) Non-Transferability. Subject to the applicable provisions of the Award Agreement and the Plan, Shares subject to Awards made under this Article X may not be transferred prior to the date on which the Shares are issued, or, if later, the date on which any applicable restriction, performance or deferral period lapses.

(b) Dividends. Unless otherwise determined by the Committee at the time of the grant of an Award, subject to the provisions of the Award Agreement and the Plan, the recipient of an Award under this Article X shall not be entitled to receive, currently or on a deferred basis, dividends or Dividend Equivalents in respect of the number of Shares covered by the Award.

(c) Vesting. Any Award under this Article X and any Shares covered by any such Award shall vest or be forfeited to the extent so provided in the Award Agreement, as determined by the Committee, in its sole discretion.

(d) Price. Shares under this Article X may be issued for no cash consideration. Shares purchased pursuant to a purchase right awarded under this Article X shall be priced, as determined by the Committee in its sole discretion.

10.3 Cash Awards. The Committee may from time to time grant Cash Awards to Eligible Individuals in such amounts, on such terms and conditions, and for such consideration, including no consideration or such minimum consideration as may be required by Applicable Law, as it shall determine in its sole discretion. Cash Awards may be granted subject to the satisfaction of vesting conditions or may be awarded purely as a bonus and not subject to restrictions or conditions, and if subject to vesting conditions, the Committee may accelerate the vesting of such Awards at any time in its sole discretion. The grant of a Cash Award shall not require a segregation of any of the Company's assets for satisfaction of the Company's payment obligation thereunder.

ARTICLE XI

CHANGE IN CONTROL PROVISIONS

11.1 Benefits. In the event of a Change in Control, and except as otherwise provided by the Committee in an Award Agreement, a Participant's unvested Awards shall not vest automatically and a Participant's Awards shall be treated in accordance with one or more of the following methods as determined by the Committee:

(a) Awards, whether or not then vested, shall be continued, be assumed, or have new rights substituted therefor, as determined by the Committee in a manner consistent with the requirements of Section 409A of the Code, and restrictions to which shares of Restricted Stock or any other Award granted prior to the Change in Control are subject shall not lapse upon a Change in Control and the Restricted Stock or other Award shall, where appropriate in the sole discretion of the Committee, receive the same distribution as other Shares on such terms as determined by the Committee; *provided* that the Committee may decide to award additional Restricted Stock or other Awards in lieu of any cash distribution. Notwithstanding anything to the contrary herein, for purposes of Incentive Stock Options, any assumed or substituted Stock Option shall comply with the requirements of Treasury Regulation Section 1.424-1 (and any amendment thereto).

(b) The Committee, in its sole discretion, may provide for the purchase of any Awards by the Company for an amount of cash equal to the excess (if any) of the Change in Control Price of the Shares covered by such Awards, over the aggregate exercise price of such Awards; *provided, however*, that if the exercise price of an Option or Stock Appreciation Right exceeds the Change in Control Price, such Award may be cancelled for no consideration.

(c) The Committee may, in its sole discretion, terminate all outstanding and unexercised Stock Options, Stock Appreciation Rights, or any Other Stock-Based Award that provides for a Participant-elected exercise, effective as of the date of the Change in Control, by delivering notice of termination to each Participant at least twenty (20) days prior to the date of consummation of the Change in Control, in which case during the period from the date on which such notice of termination is delivered to the consummation of the Change in Control, each such Participant shall have the right to exercise in full all of such Participant's Awards that are then outstanding (without regard to any limitations on exercisability otherwise contained in the Award Agreements), but any such exercise shall be contingent on the occurrence of the Change in Control, and, *provided* that, if the Change in Control does not take place within a specified period after giving such notice for any reason whatsoever, the notice and exercise pursuant thereto shall be null and void.

(d) Notwithstanding any other provision herein to the contrary, the Committee may, in its sole discretion, provide for accelerated vesting or lapse of restrictions, of an Award at any time.

ARTICLE XII

TERMINATION OR AMENDMENT OF PLAN

Notwithstanding any other provision of the Plan, the Board or the Committee may at any time, and from time to time, amend, in whole or in part, any or all of the provisions of the Plan (including any amendment deemed necessary to ensure that the Company may comply with any Applicable Law), or suspend or terminate it entirely, retroactively or otherwise; *provided, however*, that, unless otherwise required by Applicable Law or specifically provided herein, the rights of a Participant with respect to Awards granted prior to such amendment, suspension or termination, may not be impaired without the consent of such Participant and, *provided further*, that without the approval of the holders of the Shares entitled to vote in accordance with Applicable Law, no amendment may be made that would (i) increase the aggregate number of Shares that may be issued under the Plan (except by operation of Article IV); (ii) change the classification of individuals eligible to receive Awards under the Plan; (iii) reduce the exercise price of any Stock Option or Stock Appreciation Right; (iv) grant a new Stock Option, Stock

Appreciation Right or other Award in substitution for, or upon the cancellation of, any previously granted Stock Option or Stock Appreciation Right that has the effect of reducing the exercise price thereof; (v) exchange any Stock Option or Stock Appreciation Right for Common Stock, cash or other consideration when the exercise price per Share under such Stock Option or Stock Appreciation Right exceeds the Fair Market Value of a Share; or (vi) take any other action that would be considered a "repricing" of a Stock Option or Stock Appreciation Right under the applicable listing standards of the national exchange on which the Common Stock is listed (if any). Notwithstanding anything herein to the contrary, the Board or the Committee may amend the Plan or any Award Agreement at any time without a Participant's consent to comply with Applicable Law, including Section 409A of the Code. The Committee may amend the terms of any Award theretofore granted, prospectively or retroactively, but, subject to Article IV or as otherwise specifically provided herein, no such amendment or other action by the Committee shall impair the rights of any holder without the holder's consent.

ARTICLE XIII

UNFUNDED STATUS OF PLAN

The Plan is intended to constitute an "unfunded" plan for incentive and deferred compensation. With respect to any payment as to which a Participant has a fixed and vested interest but which is not yet made to a Participant by the Company, nothing contained herein shall give any such Participant any right that is greater than those of a general unsecured creditor of the Company.

ARTICLE XIV

GENERAL PROVISIONS

14.1 Legend. The Committee may require each person receiving Shares pursuant to a Stock Option or other Award under the Plan to represent to and agree with the Company in writing that the Participant is acquiring the Shares without a view to distribution thereof. In addition to any legend required by the Plan, the certificates for such Shares may include any legend that the Committee deems appropriate to reflect any restrictions on transfer. All certificates for Shares delivered under the Plan shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the Securities and Exchange Commission, any stock exchange upon which the Common Stock is then listed or any national securities exchange system upon whose system the Common Stock is then quoted, and any Applicable Law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions. If the Shares are held in book-entry form, then the book-entry will indicate any restrictions on such Shares.

14.2 Other Plans. Nothing contained in the Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to stockholder approval if such approval is required, and such arrangements may be either generally applicable or applicable only in specific cases.

14.3 No Right to Employment/Directorship/Consultancy. Neither the Plan nor the grant of any Award hereunder shall give any Participant or other employee, Consultant or Non-Employee Director any right with respect to continuance of employment, consultancy or directorship by the Company or any Affiliate, nor shall there be a limitation in any way on the right of the Company or any Affiliate by which an employee is employed or a Consultant or Non-Employee Director is retained to terminate such employment, consultancy or directorship at any time.

14.4 Withholding of Taxes. A Participant shall be required to pay to the Company or one of its Affiliates, as applicable, or make arrangements satisfactory to the Company regarding the payment of, any income tax, social insurance contribution or other applicable taxes that are required to be withheld in respect of an Award. The Committee may (but is not obligated to), in its sole discretion, permit or require a Participant to satisfy, all or any portion of the applicable taxes that are required to be withheld with respect to an Award by (a) the delivery of Shares (which are not subject to any pledge or other security interest) that have been both held by the Participant and vested for at least six (6) months (or such other period as established from time to time by the Committee in order to avoid adverse accounting treatment under applicable accounting standards) having an aggregate Fair Market Value equal to such withholding liability (or portion thereof); (b) having the Company withhold from the Shares otherwise issuable or deliverable to, or that would otherwise be retained by, the Participant upon the grant, exercise, vesting or settlement of the Award, as applicable, a number of Shares with an aggregate Fair Market Value equal to the amount of such withholding liability; or (c) by any other means specified in the applicable Award Agreement or otherwise determined by the Committee.

14.5 Fractional Shares. No fractional Shares shall be issued or delivered pursuant to the Plan. The Committee shall determine whether cash, additional Awards or other securities or property shall be used or paid in lieu of fractional Shares or whether any fractional shares should be rounded, forfeited or otherwise eliminated.

14.6 No Assignment of Benefits. No Award or other benefit payable under the Plan shall, except as otherwise specifically provided by law or permitted by the Committee, be transferable in any manner, and any attempt to transfer any such benefit shall be void, and any such benefit shall not in any manner be liable for or subject to the debts, contracts, liabilities, engagements or torts of any person who shall be entitled to such benefit, nor shall it be subject to attachment or legal process for or against such person.

14.7 Clawback Provisions. All Awards (including any proceeds, gains or other economic benefit the Participant actually or constructively receives upon receipt or exercise of any Award or the receipt or resale of any Shares underlying the Award) will be subject to any Company clawback policy, including any clawback policy adopted to comply with Applicable Laws (including the Dodd-Frank Wall Street Reform and Consumer Protection Act and any rules or regulations promulgated thereunder) as set forth in such clawback policy or the Award Agreement.

14.8 Listing and Other Conditions.

(a) Unless otherwise determined by the Committee, as long as the Common Stock is listed on a national securities exchange or system sponsored by a national securities association, the issuance of Shares pursuant to an Award shall be conditioned upon such Shares being listed on such exchange or system. The Company shall have no obligation to issue such shares unless and until such Shares are so listed, and the right to exercise any Option or other Award with respect to such Shares shall be suspended until such listing has been effected.

(b) If at any time counsel to the Company shall be of the opinion that any sale or delivery of Shares pursuant to an Award is or may in the circumstances be unlawful or result in the imposition of excise taxes on the Company under Applicable Law, the Company shall have no obligation to make such sale or delivery, or to make any application or to effect or to maintain any qualification or registration under the Securities Act or otherwise, with respect to Shares or Awards, and the right to exercise any Option or other Award shall be suspended until, in the opinion of said counsel, such sale or delivery shall be lawful or will not result in the imposition of excise taxes on the Company.

(c) Upon termination of any period of suspension under this Section 14.8, any Award affected by such suspension which shall not then have expired or terminated shall be reinstated as to all Shares available before such suspension and as to Shares which would otherwise have become available during the period of such suspension, but no such suspension shall extend the term of any Award.

(d) A Participant shall be required to supply the Company with certificates, representations and information that the Company requests and otherwise cooperate with the Company in obtaining any listing, registration, qualification, exemption, consent or approval the Company deems necessary or appropriate.

14.9 Governing Law. The Plan and actions taken in connection herewith shall be governed and construed in accordance with the laws of the State of Delaware, without reference to principles of conflict of laws.

14.10 Construction. Wherever any words are used in the Plan in the masculine gender they shall be construed as though they were also used in the feminine gender in all cases where they would so apply, and wherever words are used herein in the singular form they shall be construed as though they were also used in the plural form in all cases where they would so apply.

14.11 Other Benefits. No Award granted or paid out under the Plan shall be deemed compensation for purposes of computing benefits under any retirement plan of the Company or its Affiliates or affect any benefit or compensation under any other plan now or subsequently in effect under which the availability or amount of benefits is related to the level of compensation.

14.12 Costs. The Company shall bear all expenses associated with administering the Plan, including expenses of issuing Shares pursuant to Awards hereunder.

14.13 No Right to Same Benefits. The provisions of Awards need not be the same with respect to each Participant, and such Awards to individual Participants need not be the same in subsequent years.

14.14 Death/Disability. The Committee may in its discretion require the transferee of a Participant to supply it with written notice of the Participant's death or Disability and to supply it with a copy of the will (in the case of the Participant's death) or such other evidence as the Committee deems necessary to establish the validity of the transfer of an Award. The Committee may also require the agreement of the transferee to be bound by all of the terms and conditions of the Plan.

14.15 Section 16(b) of the Exchange Act. It is the intent of the Company that the Plan satisfy, and be interpreted in a manner that satisfies, the applicable requirements of Rule 16b-3 as promulgated under Section 16 of the Exchange Act so that Participants will be entitled to the benefit of Rule 16b-3, or any other rule promulgated under Section 16 of the Exchange Act, and will not be subject to short-swing liability under Section 16 of the Exchange Act. Accordingly, if the operation of any provision of the Plan would conflict with the intent expressed in this Section 14.15, such provision to the extent possible shall be interpreted and/or deemed amended so as to avoid such conflict.

14.16 Deferral of Awards. The Committee may establish one or more programs under the Plan to permit selected Participants the opportunity to elect to defer receipt of consideration upon exercise of an Award, satisfaction of performance criteria, or other event that absent the election would entitle the Participant to payment or receipt of Shares or other consideration under an Award. The Committee may establish the election procedures, the timing of such elections, the mechanisms for payments of, and accrual of interest or other earnings, if any, on amounts, Shares or other consideration so deferred, and such other terms, conditions, rules and procedures that the Committee deems advisable for the administration of any such deferral program.

14.17 Section 409A of the Code. The Plan and Awards are intended to comply with or be exempt from the applicable requirements of Section 409A of the Code and shall be limited, construed and interpreted in accordance with such intent. To the extent that any Award is subject to Section 409A of the Code, it shall be paid in a manner that will comply with Section 409A of the Code, including proposed, temporary or final regulations or any other guidance issued by the Secretary of the Treasury and the Internal Revenue Service with respect thereto. Notwithstanding anything herein to the contrary, any provision in the Plan that is inconsistent with Section 409A of the Code shall be deemed to be amended to comply with or be exempt from Section 409A of the Code and to the extent such provision cannot be amended to comply therewith or be exempt therefrom, such provision shall be null and void. The Company shall have no liability to a Participant, or any other party, if an Award that is intended to be exempt from, or compliant with, Section 409A of the Code is not so exempt or compliant or for any action taken by the Committee or the Company and, in the event that any amount or benefit under the Plan becomes subject to penalties under Section 409A of the Code, responsibility for payment of such penalties shall rest solely with the affected Participants and not with the Company. Notwithstanding any contrary provision in the Plan or Award Agreement, any payment(s) of "nonqualified deferred compensation" (within the meaning of Section 409A of the Code) that are otherwise required to be made under the Plan to a "specified employee" (as defined under Section 409A of the Code) as a result of such employee's separation from service (other than a payment that is not subject to Section 409A of the Code) shall be delayed for the first six (6) months following such separation from service (or, if earlier, until the date of death of the specified employee) and shall instead be paid (in a manner set forth in the Award Agreement) upon expiration of such delay period.

14.18 Successor and Assigns. The Plan shall be binding on all successors and permitted assigns of a Participant, including, without limitation, the estate of such Participant and the executor, administrator or trustee of such estate.

14.19 Severability of Provisions. If any provision of the Plan shall be held invalid or unenforceable, such invalidity or unenforceability shall not affect any other provisions hereof, and the Plan shall be construed and enforced as if such provisions had not been included.

14.20 Headings and Captions. The headings and captions herein are provided for reference and convenience only, shall not be considered part of the Plan, and shall not be employed in the construction of the Plan.

ARTICLE XV

EFFECTIVE DATE OF PLAN

The Plan shall become effective on June 22, 2021, which is the date of its adoption by the Board, subject to the approval of the Plan by the stockholders of the Company in accordance with the requirements of the laws of the State of Delaware.

ARTICLE XVI

TERM OF PLAN

No Award shall be granted pursuant to the Plan on or after the tenth (10th) anniversary of the earlier of the date that the Plan is adopted or the date of stockholder approval, but Awards granted prior to such tenth (10th) anniversary may extend beyond that date.
