OFFER IS EXTENDED.**

IF YOU DO NOT WISH TO TENDER YOUR SHARES, YOU NEED NOT TAKE ANY ACTION.

To the Stockholders of Franklin BSP Capital Corporation:

Franklin BSP Capital Corporation, an externally-managed, non-diversified, closed-end management investment company that has made an election to be regulated as a business development company under the Investment Company Act of 1940, as amended ("*1940 Act*") and is a Delaware corporation (the "*Company*," "*our*," "*we*," or "*us*"), is offering to purchase up to 2,500,000 shares of its issued and outstanding common stock, par value \$0.001 per share (the "*Shares*"), which represents approximately 1.85% of the number of Shares outstanding as of December 31, 2025. During any calendar year, the Company intends to limit the number of Shares it offers to repurchase to the lesser of 10% of the weighted average number of Shares outstanding during the prior calendar year or the number of Shares the Company can repurchase with the cash retained as a result of issuing Shares under its distribution reinvestment plan ("*DRIP*") to those stockholders who have elected to receive their distributions in the form of additional Shares rather than in cash during the applicable measurement period. For this offer, the applicable measurement period is the one-year period ended March 31, 2026, and the number of Shares the Company is offering to repurchase approximates the number of Shares the Company can repurchase with the cash retained from DRIP issuances during that period. The purpose of this Offer to Purchase is to provide stockholders with a measure of liquidity, since there is otherwise no public market for the Shares. See Section 2 below. The Offer is for cash at a price (the "*Purchase Price*") equal to the Company's net asset value ("*NAV*") per Share as of December 31, 2025, and is made upon the terms and subject to the conditions set forth in this Offer to Purchase and the related Letter of Transmittal (which together with any amendments or supplements thereto, collectively constitute the "*Offer*"). The Offer will expire at 11:59 P.M., Eastern Time, April 14, 2026, unless extended. The Company will disclose its NAV per Share as of December 31, 2025, in an amendment to its Tender Offer Statement on Schedule TO prior to the expiration of the Offer, which will be filed with the SEC and mailed to stockholders.

**THE OFFER IS NOT CONDITIONED ON ANY MINIMUM NUMBER OF SHARES BEING
TENDERED. THE OFFER IS, HOWEVER, SUBJECT TO OTHER CONDITIONS. SEE SECTION 3
BELOW.**

IMPORTANT INFORMATION

Stockholders who desire to tender their Shares should either: (1) properly complete and sign the Letter of Transmittal, provide thereon the original of any required signature guarantee(s) and mail or deliver it and any other documents required by the Letter of Transmittal; or (2) request their broker, dealer, commercial bank, trust company or other nominee to effect the transaction on their behalf. Stockholders who desire to tender Shares registered in the name of such a firm must contact that firm to effect a tender on their behalf. Tendering stockholders will not be obligated to pay brokerage commissions in connection with their tender of Shares, but they may be charged a fee by such a firm for processing the tender(s). The Company reserves the absolute right to reject tenders determined not to be in appropriate form.

**IF YOU DO NOT WISH TO TENDER YOUR SHARES, YOU NEED NOT TAKE ANY ACTION.
NEITHER THE COMPANY NOR ITS BOARD OF DIRECTORS (THE "*BOARD*") NOR FRANKLIN
BSP CAPITAL ADVISER L.L.C. (THE "*ADVISER*") MAKES ANY RECOMMENDATION TO ANY

IF MADE OR GIVEN, ANY SUCH RECOMMENDATION, REPRESENTATION OR INFORMATION MUST NOT BE RELIED UPON AS HAVING BEEN AUTHORIZED BY THE COMPANY, ITS BOARD OR THE ADVISER. STOCKHOLDERS ARE URGED TO EVALUATE CAREFULLY ALL INFORMATION IN THE OFFER, CONSULT THEIR OWN INVESTMENT AND TAX ADVISORS AND MAKE THEIR OWN DECISIONS WHETHER TO TENDER OR REFRAIN FROM TENDERING THEIR SHARES.

Neither the Securities and Exchange Commission (the “SEC”) nor any state securities commission nor any other regulatory authority has approved or disapproved of these transactions or determined if the information contained herein is truthful or complete. Any representation to the contrary is a criminal offense.

The Offer does not constitute an offer to buy or the solicitation of an offer to sell securities in any circumstances or jurisdiction in which such offer or solicitation is unlawful. The delivery of the materials pertaining to the Offer shall not under any circumstances create any implication that the information contained therein is current as of any time subsequent to the date of such information.

The Date of this Offer to Purchase is March 5, 2026.

SUMMARY TERM SHEET

(Section references are to this Offer to Purchase)

This Summary Term Sheet highlights the material information concerning this Offer. For a more complete discussion of the terms and conditions of the Offer, you should read carefully the entire Offer to Purchase and the related Letter of Transmittal.

What is the Offer?

- We are offering to purchase up to 2,500,000 Shares, which represents approximately 1.85% of the number of Shares outstanding as of December 31, 2025. During any calendar year, we intend to limit the number of Shares that we offer to repurchase to the lesser of 10% of the weighted average number of Shares outstanding during the prior calendar year or the number of Shares we can repurchase with the cash retained as a result of issuing Shares under the DRIP to those stockholders who have elected to receive their distributions in the form of additional Shares rather than in cash during the applicable measurement period. For this offer, the applicable measurement period is the one-year period ended March 31, 2026, and the number of Shares the Company is offering to repurchase approximates the number of Shares the Company can repurchase with the cash retained from DRIP issuances during that period. The Offer is for cash at a price per share equal to the Company's net asset value per Share as of December 31, 2025. The Company will disclose its NAV per Share as of December 31, 2025, in an amendment to its Tender Offer Statement on Schedule TO prior to the expiration of the Offer, which will be filed with the SEC and mailed to stockholders.

Why is the Company making the tender offer?

- The Offer is designed to provide a measure of liquidity to our stockholders since there is otherwise no current public market. The Company expects to conduct repurchase offers on an annual basis, consistent with past practice. See Section 2 below.

When will the Offer expire, and may the Offer be extended?

- The Offer will expire at 11:59 P.M., Eastern Time, on April 14, 2026, unless extended. We may extend the period of time the Offer will be open by issuing a press release or making some other public announcement by no later than the next business day after the Offer otherwise would have expired. See Section 14 below.

How is the Purchase Price determined?

- The Purchase Price is equal to the Company's NAV per Share as of December 31, 2025. The Company will disclose its NAV per Share as of December 31, 2025, in an amendment to its Tender Offer Statement on Schedule TO prior to the expiration of the Offer, which will be filed with the SEC and mailed to stockholders.

Are there conditions to the Offer?

- Yes. You must either tender at least 25% of the Shares that you own or all of the Shares that you own. If you choose to tender only a portion of your Shares, you must maintain a minimum balance of \$1,000 worth of Shares following the tender of Shares for repurchase. If the amount of repurchase requests exceeds the number of Shares we seek to repurchase, we will repurchase Shares on a pro-rata basis. As a result, we may repurchase less than the full amount of Shares that you request to have repurchased. If we do not repurchase the full amount of your Shares that you have requested to be repurchased, or we determine not to make repurchases of our Shares, you may not be able to dispose of your Shares. Any periodic repurchase offers will be subject in part to our available cash and compliance with the 1940 Act. See Section 3 below for a more complete description of the conditions to the Offer.
-

How do I tender my Shares?

- If you own Shares that are registered in your name, you should obtain the Offer, which consists of the Offer to Purchase, the related Letter of Transmittal and any amendments or supplements thereto. Once you receive these materials, you should read them, and if you should decide to tender, complete a Letter of Transmittal and submit any other documents required by the Letter of Transmittal. These materials must be received by us at the address listed on page 3, in proper form, before 11:59 P.M., Eastern Time, on April 14, 2026 (unless the Offer is extended by us, in which case the new deadline will be as stated in the public announcement of the extension). If your Shares are held by a broker, dealer, commercial bank, trust company or other nominee (e.g., in “street name”), you should contact that firm to obtain the package of information necessary to make your decision, and you can only tender your Shares by directing that firm to complete, compile and deliver the necessary documents for submission to the Company by 11:59 P.M., Eastern Time, on April 14, 2026 (or if the Offer is extended, the expiration date as extended). See Section 4 below.

Is there any cost to tender?

- There is no cost charged by us in connection with this Offer. Your broker dealer, commercial bank, trust company or other nominee may charge you fees according to its individual policies. See the Letter of Transmittal.

May I withdraw my Shares after I have tendered them and, if so, by when?

- Yes, you may withdraw your Shares at any time prior to the expiration of the Offer (including any extension period) by submitting a Notice of Withdrawal to us at the address listed on page 3. In addition, you may withdraw your tendered Shares any time after April 27, 2026 (which is forty (40) business days after the commencement of the Offer), if they have not been accepted for payment by that date. See Section 5 below.

How do I withdraw tendered Shares?

- A notice of withdrawal of tendered Shares must be timely received by us, which specifies the name of the stockholder who tendered the Shares, the number of Shares being withdrawn and other information. See Section 5 below and the Form of Notice of Withdrawal which accompanies this Offer as Exhibit (a)(1)(iii).

May I place any conditions on my tender of Shares?

- No.

Is there a limit on the number of Shares I may tender?

- No. However, you must either tender at least 25% of the Shares you purchased in the offering or all of the Shares that you own. A stockholder who tenders some but not all of his or her Shares for repurchase will be required to maintain a minimum balance of \$1,000 worth of Shares following a tender of Shares for repurchase. See Section 1 below.

What if more than the amount of Shares offered for repurchase are tendered (and not timely withdrawn)?

- We will purchase duly tendered Shares from tendering stockholders pursuant to the terms and conditions of the Offer on a pro rata basis in accordance with the number of Shares tendered by each stockholder (and not timely withdrawn). The Company’s (including FBLC’s) past tender offers have been oversubscribed.
-

[Table of Contents](#)

If I decide not to tender, how will the Offer affect the Shares I hold?

- Your percentage ownership interest in the Company will increase after completion of the Offer. See Section 10 below.

Does the Company have the financial resources to make payment?

- Yes. See Section 7 below.

If Shares I tender are accepted by the Company, when will payment be made?

- Payment for properly tendered Shares (not timely withdrawn) will be made promptly following expiration of the Offer. See Section 6 below.

Is my sale of Shares in the Offer a taxable transaction?

- Generally, yes. We anticipate that U.S. Stockholders, other than those who are tax-exempt, who sell Shares in the Offer will recognize gain or loss for U.S. federal income tax purposes generally equal to the difference between the cash they receive for the Shares sold and their adjusted basis in the Shares. The sale date for tax purposes will be the date we accept Shares for purchase. See Section 13 below for details, including the nature of such gain or loss and the possibility of other tax treatment. Section 13 also discusses the treatment of Non-U.S. Stockholders. Please consult your tax advisor as well.

Is the Company required to complete the Offer and purchase all Shares tendered, assuming the total Shares tendered are less than the total Shares offered?

- The Company has the right to cancel, amend or postpone this Offer at any time before 11:59 P.M., Eastern Time, on April 14, 2026. In addition, there are certain circumstances in which we will not be required to purchase any Shares tendered, as described in Section 3 below.

Is there any reason Shares tendered would not be accepted?

- We have reserved the right to reject any and all tenders determined by us not to be in appropriate form. For example, tenders will be rejected if the tender does not include original signature(s) or the original of any required signature guarantee(s).

How will tendered Shares be accepted for payment?

- Properly tendered Shares will be accepted for payment promptly following expiration of the Offer. See Section 6 below.

What action need I take if I decide not to tender my Shares?

- None.

Does management encourage stockholders to participate in the Offer, and will they participate in the Offer?

- Neither we nor our Board nor the Adviser are making any recommendation to tender or not to tender Shares in the Offer. Based upon information provided or available to us, none of our directors, officers or affiliates intends to tender Shares in the Offer. The Offer does not, however, restrict the purchase of Shares pursuant to the Offer from any such person. See Section 9 below.

1. Purchase Price; Number of Shares; Expiration Date.

The Company is offering to purchase up to 2,500,000 Shares, which represents approximately 1.85% of the number of Shares outstanding as of December 31, 2025. During any calendar year, the Company intends to limit the number of Shares it offers to repurchase to the lesser of 10% of the weighted average number of Shares outstanding during the prior calendar year or the number of Shares that it can repurchase with the cash retained as a result of the issuance of Shares under the DRIP to those stockholders who have elected to receive their distributions in the form of additional Shares rather than in cash during the applicable measurement period. For this offer, the applicable measurement period is the one-year period ended March 31, 2026, and the number of Shares the Company is offering to repurchase approximates the number of Shares the Company can repurchase with the cash retained from DRIP issuances during that period. The purpose of the Offer is to provide stockholders with a measure of liquidity since there is otherwise no public market for the Shares. See Section 2 below. The Offer is for cash at a purchase price per share equal to the Company's NAV per Share as of December 31, 2025 (the "*Purchase Price*"). The Company will disclose its NAV per Share as of December 31, 2025, in an amendment to its Tender Offer Statement on Schedule TO prior to the expiration of the Offer, which will be filed with the SEC and mailed to stockholders. You will not receive interest on the Purchase Price under any circumstances.

If you wish to tender your Shares to be repurchased, you must either tender at least 25% of the Shares you purchased in the offering or all of the Shares that you own. If you choose to tender only a portion of your Shares, you must maintain a minimum balance of \$1,000 worth of Shares following a tender of Shares for repurchase. If more than the amount of Shares offered for repurchase are duly tendered pursuant to the Offer (and not withdrawn, as provided in Section 5 below), we will repurchase Shares on a pro-rata basis, in accordance with the number of Shares duly tendered by or on behalf of each stockholder (and not so withdrawn). As a result, we may repurchase less than the full amount of Shares that you request to have repurchased.

As of December 31, 2025, there were approximately 135,487,319.18 Shares issued and outstanding, which includes Shares purchased by the Adviser, and Shares issued pursuant to our DRIP, and there were 36,867 holders of record of our Shares. Of these Shares, we are offering to repurchase up to 2,500,000 Shares. Certain of the holders of record are brokers, dealers, commercial banks, trust companies and other institutions that hold Shares in nominee name on behalf of multiple beneficial owners.

The Offer will remain open until 11:59 P.M., Eastern Time, on April 14, 2026 (the "*Expiration Date*"), unless and until we, in our discretion, extend the period of time during which the Offer will remain open. If we extend the period of time during which the Offer remains open, the term "*Expiration Date*" will refer to the latest time and date at which the Offer expires. See Section 14 below for a description of our rights to extend, delay, terminate and/or amend the Offer.

We will publish a notice to all stockholders if we decide to extend, terminate supplement or amend the terms of the Offer. If the Offer is scheduled to expire within ten (10) business days from the date we notify you of a significant amendment to the Offer, we also intend to extend the Offer, if necessary, to ensure that the Offer remains open for at least five (5) business days after the date we publish notice of the amendment. To the extent the price at which Shares will be repurchased changes following the date tender offer materials were provided to you, we will extend the Offer by at least ten (10) business days.

A "business day" means any day other than a Saturday, Sunday or federal holiday and consists of the time period from 12:01 a.m. through midnight, Eastern Time.

In the judgment of our Board, including the independent directors, the Offer is in the best interests of the corporation and our stockholders and does not violate applicable law.

The Board may also consider the following factors, among others, in making its determination regarding whether to cause us to offer to repurchase Shares and under what terms:

- the effect of such repurchases on our qualification as a regulated investment company (a "*RIC*") under the Internal Revenue Code of 1986, as amended (the "*Code*"), including the consequences of any necessary asset sales;
- the liquidity of our assets (including fees and costs associated with disposing of assets);

[Table of Contents](#)

- our investment plans and working capital requirements;
- the relative economies of scale with respect to our size;
- our history in repurchasing Shares or portions thereof; and
- the condition of the securities markets.

The Board has approved this Offer. The Board recognizes that the decision to accept or reject the Offer is an individual one that should be based on a variety of factors, and stockholders should consult with their personal advisors if they have questions about their financial or tax situation. As a result, we are not expressing any opinion as to whether a stockholder should accept or reject this Offer.

2. Purpose of the Offer; Plans or Proposals of the Company.

The purpose of the Offer is to provide a measure of liquidity to our stockholders since there is otherwise no public market for the Shares. The Offer is consistent with what was historically provided to stockholders of Franklin BSP Lending Corporation (“FBLC”). On January 24, 2024, the Company completed its previously announced acquisition of FBLC. Following the Merger, and consistent with FBLC’s historical share repurchase program, we intend to periodically repurchase a limited number of Shares at a price equal to the most recently published NAV at the time of the commencement of the Offer. This intention is a recognition of the fact that our Shares are not listed on a national securities exchange and have limited liquidity prior to the occurrence of a “liquidity event,” which includes, among other things, (1) the sale of all or substantially all of our assets either on a complete portfolio basis or individually followed by a liquidation, (2) a listing of our Shares on a national securities exchange, or (3) a merger or another transaction approved by our Board in which our stockholders will receive cash or shares of a publicly traded company. The Company may offer to repurchase Shares at such times and on such terms as may be determined by the Board in its complete and absolute discretion.

These repurchases will be made at such times and on such terms as may be determined by the Board, in its complete and exclusive discretion. Although the decision whether to repurchase Shares is at the Board’s sole discretion, we may limit the number of Shares to be repurchased during any calendar year to 10% of the weighted average number of Shares outstanding in the prior calendar year or the number of Shares we are able to repurchase with the cash retained as a result of issuing Shares under our DRIP during the applicable measurement period. Any repurchase offers will be subject in part to our available cash and compliance with the RIC qualification and diversification rules and the 1940 Act.

Except as previously disclosed by us and discussed in the paragraph immediately below, we do not have any present plans or proposals and are not engaged in any negotiations that relate to or would result in: (a) any extraordinary transaction, such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries; (b) other than in connection with transactions in the ordinary course of the Company’s operations and for purposes of accompanying the Offer, any purchase, sale or transfer of a material amount of assets of the Company or any of its subsidiaries; (c) any material change in the Company’s present dividend rate or policy, or indebtedness or capitalization of the Company; (d) any change in the composition of the Board or management of the Company, including, but not limited to, any plans or proposals to change the number or the term of members of the Board, to fill any existing vacancies on the Board or to change any material term of the employment contract of any executive officer; (e) any other material change in the Company’s corporate structure or business, including any plans or proposals to make any changes in the Company’s investment policy for which a vote would be required by Section 13 of the 1940 Act; (f) any class of equity securities of the Company becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act or 1934, as amended (the “*Exchange Act*”); (g) the suspension of the Company’s obligation to file reports pursuant to Section 15(d) of the Exchange Act; (h) the acquisition by any person of additional securities of the Company, or the disposition of securities of the Company; or (i) any changes in the Company’s charter, bylaws or other governing instruments or other actions that could impede the acquisition of control of the Company.

3. Certain Conditions of the Offer.

Shares held of record as of the date of this Offer are eligible to be repurchased pursuant to the Offer. In addition, you must either tender at least 25% of the Shares that you own or all of the Shares that you own. If you choose to tender only a portion of your Shares, you must maintain a minimum balance of \$1,000 worth of Shares following the tender of Shares for repurchase. If the amount of repurchase requests exceeds the number of Shares we seek to repurchase, we will repurchase Shares on a pro-rata basis.

Notwithstanding any other provision of the Offer, we will not be required to purchase any Shares tendered pursuant to the Offer if such repurchase will cause us to be in violation of the securities, commodities or other laws of the United States or any other relevant jurisdiction. In addition, we intend to limit the number of Shares to be repurchased pursuant to the Offer to the number of Shares we are able to repurchase with the cash retained as a result of the issuance of Shares under the DRIP to those stockholders who have elected to receive their distributions in the form of additional Shares rather than in cash during the one-year period ended March 31, 2026. Further, we will not be required to purchase any Shares tendered in the Offer if there is any (i) material legal action or proceeding instituted or threatened which challenges, in the Board's judgment, the Offer or otherwise materially adversely affects the Company, (ii) declaration of a banking moratorium by federal, state or foreign authorities or any suspension of payment by banks in the United States, New York State or in a foreign country which is material to the Company, (iii) limitation that affects the Company or the issuers of its portfolio securities imposed by federal, state or foreign authorities on the extension of credit by lending institutions or on the exchange of foreign currencies, (iv) commencement of war, armed hostilities or other international or national calamity directly or indirectly involving the United States or any foreign country that is material to the Company, or (v) other event or condition which, in the Board's judgment, would have a material adverse effect on the Company or its stockholders if Shares tendered pursuant to the Offer were purchased.

The foregoing conditions are for our sole benefit and may be asserted by us regardless of the circumstances giving rise to any such condition, and any such condition may be waived by us, in whole or in part, at any time and from time to time in its reasonable judgment. Our failure at any time to exercise any of the foregoing rights shall not be deemed a waiver of any such right; the waiver of any such right with respect to particular facts and circumstances shall not be deemed a waiver with respect to any other facts or circumstances; and each such right shall be deemed an ongoing right which may be asserted at any time and from time to time; provided that any such waiver shall apply to all tenders of Shares. Any determination by us concerning the events described in this Section 3 shall be final and binding. In our sole discretion, pursuant to an Offer due to stockholder death or disability, we may accept up to the full amount of the stockholder's request at the current net asset value per Share.

We reserve the right, at any time during the pendency of the Offer, to amend, extend or terminate the Offer in any respect. See Section 14 below.

4. Procedures for Tendering Shares.

Participation in the Offer is voluntary. If you elect not to participate in the Offer, your Shares will remain outstanding. To participate in the Offer, you must complete and deliver the accompanying Letter of Transmittal to us at:

U.S. regular mail: Franklin BSP Capital Corporation
P.O. Box 219943
Kansas City, MO 64121-9865

U.S. overnight mail: Franklin BSP Capital Corporation
c/o SS&C GIDS, Inc.
801 Pennsylvania Ave.
Kansas City, MO 64105-1407

The Letter of Transmittal must be received by us at the address above before 11:59 P.M., Eastern Time on April 14, 2026 when the Offer expires.

a. Proper Tender of Shares and Method of Delivery. For Shares to be properly tendered pursuant to the Offer, a properly completed and duly executed Letter of Transmittal bearing original signature(s) for all Shares to be tendered and any other documents required by the Letter of Transmittal must be physically received by us at the address listed above before 11:59 P.M., Eastern Time, on the Expiration Date. These materials may be sent via mail, courier or personal delivery. Stockholders who desire to tender Shares registered in the name of a broker, dealer, commercial bank, trust company or other nominee must contact that firm to effect a tender on their behalf.

THE METHOD OF DELIVERY OF THE LETTER OF TRANSMITTAL AND ANY OTHER REQUIRED DOCUMENTS IS AT THE OPTION AND SOLE RISK OF THE TENDERING STOCKHOLDER. IF DOCUMENTS ARE SENT BY MAIL, REGISTERED MAIL WITH RETURN RECEIPT REQUESTED AND PROPERLY INSURED, IS RECOMMENDED.

Stockholders have the responsibility to cause their Shares to be tendered, the Letter of Transmittal properly completed and bearing original signature(s) and the original of any required signature guarantee(s), and any other documents required by the Letter of Transmittal, to be timely delivered. Timely delivery is a condition precedent to acceptance of Shares for purchase pursuant to the Offer and to payment of the purchase amount.

b. Determination of Validity. All questions as to the validity, form, eligibility (including time of receipt) and acceptance of tenders will be determined by us, in our sole discretion, which determination shall be final and binding. We reserve the absolute right to reject any or all tenders determined not to be in appropriate form or to refuse to accept for payment, purchase, or pay for, any Shares if, in the opinion of our counsel, accepting, purchasing or paying for such Shares would be unlawful. We also reserve the absolute right to waive any of the conditions of the Offer or any defect in any tender, whether generally or with respect to any particular Share(s) or stockholder(s). Our interpretations, in consultation with our counsel, of the terms and conditions of the Offer shall be final and binding.

NEITHER THE COMPANY, NOR ITS BOARD, NOR THE ADVISER NOR ANY OTHER PERSON IS OR WILL BE OBLIGATED TO GIVE ANY NOTICE OF ANY DEFECT OR IRREGULARITY IN ANY TENDER, AND NONE OF THEM WILL INCUR ANY LIABILITY FOR FAILURE TO GIVE ANY SUCH NOTICE.

c. United States Federal Income Tax Withholding. To prevent the imposition of U.S. federal backup withholding tax equal to 24% of the gross payments made pursuant to the Offer, prior to receiving such payments, each stockholder accepting the Offer who has not previously submitted to the Company a correct, completed and signed Internal Revenue Service (“IRS”) Form W-9 (“Form W-9”) (for U.S. Stockholders) or IRS Form W-8BEN (“Form W-8BEN”), IRS Form W-8BEN-E (“Form W-8BEN-E”), IRS Form W-8IMY (“Form W-8IMY”), IRS Form W-8ECI (“Form W-8ECI”), IRS Form W-8EXP (“Form W-8EXP”), or other applicable form (for Non-U.S. Stockholders), or otherwise established an exemption from such withholding, must submit the appropriate form to the Company. See Section 13 below.

For this purpose, a “U.S. Stockholder” is, in general, a stockholder that is (i) a citizen or resident of the United States, (ii) a corporation, partnership or other entity created or organized in or under the laws of the United States or any political subdivision thereof, (iii) an estate the income of which is subject to United States federal income taxation regardless of the source of such income or (iv) a trust if (A) a court within the United States is able to exercise primary supervision over the administration of the trust and (B) one or more U.S. persons have the authority to control all substantial decisions of the trust. A “Non-U.S. Stockholder” is any stockholder other than a U.S. Stockholder.

5. Withdrawal Rights.

At any time prior to 11:59 P.M., Eastern Time, on the Expiration Date, and, if the Shares have not by then been accepted for payment by us, at any time after April 27, 2026 (which is forty (40) business days after the commencement of the Offer), any stockholder may withdraw any amount of the Shares that the stockholder has tendered.

To be effective, a written notice of withdrawal of Shares tendered must be timely received by us via mail, courier or personal delivery at the address listed on page 3. Any notice of withdrawal must be substantially in the form attached hereto as Exhibit (a)(1)(iii) and specify the name(s) of the person having tendered the Shares to be withdrawn and the number of Shares to be withdrawn.

All questions as to the validity, form and eligibility (including time of receipt) of notices of withdrawal will be determined by us in our sole discretion, which determination shall be final and binding. Shares properly withdrawn will not thereafter be deemed to be tendered for purposes of the Offer. Withdrawn Shares, however, may be re-tendered by following the procedures described in Section 4 above prior to 11:59 P.M., Eastern Time, on the Expiration Date.

6. Payment for Shares.

Our acceptance of your Shares will form a binding agreement between you and the Company on the terms and subject to the conditions of this Offer. Payment for properly tendered Shares (not timely withdrawn) will be made promptly following expiration of the Offer. You will not receive interest on the Purchase Price under any circumstances. The Company intends to make such payment within approximately thirty (30) days following the Expiration Date.

In all cases, payment for Shares purchased pursuant to the Offer will be made only after timely receipt by us of: (a) a Letter of Transmittal properly completed and bearing original signature(s) and any required signature guarantee(s) and (b) any other documents required by the Letter of Transmittal. Stockholders may be charged a fee by a broker, dealer or other institution for processing the tender requested. We will pay any transfer taxes payable on the transfer of Shares purchased pursuant to the Offer. If, however, tendered Shares are registered in the name of any person other than the person signing the Letter of Transmittal, the amount of any such transfer taxes (whether imposed on the registered owner or such other person) payable on account of the transfer to such person of such Shares will be deducted from the Purchase Price unless satisfactory evidence of the payment of such taxes, or exemption therefrom, is submitted. We may not be obligated to purchase Shares pursuant to the Offer under certain conditions. See Section 3 above.

Any tendering stockholder or other payee who has not previously submitted a correct, completed and signed Form W-9, Form W-8BEN, Form W-8BEN-E, Form W-8IMY, Form W-8ECI, Form W-8EXP or other appropriate form, as necessary, and who fails to complete fully and sign either the Substitute Form W-9 in the Letter of Transmittal or other appropriate form and provide such properly completed form to us may be subject to U.S. federal backup withholding tax of 24% of the gross proceeds paid to such stockholder or other payee pursuant to the Offer. See Section 13 regarding this tax as well as possible withholding at the rate of 30% (or lower applicable treaty rate) on the gross proceeds payable to tendering Non-U.S. Stockholders.

7. Source and Amount of Funds.

The total cost to us of purchasing the maximum of 2,500,000 Shares under the Offer cannot be determined at this time because the Purchase Price will be based on the NAV per Share as of December 31, 2025, which has yet to be determined. If the NAV per Share on December 31, 2025 were the same as the NAV per Share on September 30, 2025, the total cost to us of purchasing the maximum of 2,500,000 Shares under the Offer would be approximately \$34,175,000 excluding filing, printing, mailing and processing fees. As discussed in Section 1, we are limiting the number of Shares that may be repurchased to 2,500,000 Shares, which represents approximately 1.85% of the number of Shares outstanding as of December 31, 2025, subject to the limitations described elsewhere in this Offer. This number approximates the number of Shares the Company is able to repurchase with the cash retained as a result of the issuance of Shares under the DRIP to those stockholders who have elected to receive their distributions in the form of additional Shares rather than in cash during the one-year period ended March 31, 2026. We will use cash on hand to fund the purchase of Shares validly tendered and not withdrawn in the offer.

8. Financial Statements.

Financial statements have not been included since the consideration offered to stockholders consists solely of cash; the Offer is not subject to any financing condition; and the Company is a public reporting company under Section 13(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and files its reports electronically on the EDGAR system.

Reports and other information about the Company are available on the EDGAR Database on the SEC’s Internet site (www.sec.gov), and copies of this information may be obtained, after paying a duplicating fee, by electronic request at the following e-mail address: publicinfo@sec.gov.

9. Interest of Directors, Executive Officers and Certain Related Persons; Transactions and Arrangements Concerning the Shares.

As of December 31, 2025, we are not aware of any persons that are beneficial owners of 5% or more of our outstanding Shares, as determined in accordance with Rule 13d-3 under the Exchange Act.

The directors and executive officers of the Company and the aggregate number and percentage of the Shares held by each of them beneficially are set forth in the table below.

(2) Based on a total of 135,487,319.18 Shares issued and outstanding on December 31, 2025.

(3) Jamie Smith was appointed as Chief Operating Officer of the Company on January 28, 2026.

The Company is no longer selling Shares in a continuous offering. As of December 31, 2025, there were 135,487,319.18 Shares outstanding, including Shares issued under the DRIP. Except for Shares issued under our DRIP, and based upon our records and upon information provided to us, there have not been any other transactions in Shares that were effected during such period by any of our directors or executive officers, any person controlling the Company, any director or executive officer of any corporation or other person ultimately in control of the Company, any associate or minority-owned subsidiary of the Company or any executive officer or director of any subsidiary of the Company.

Except as set forth in this Offer, neither we nor, to the best of our knowledge, any of the above mentioned persons, is a party to any contract, arrangement, understanding or relationship with any other person relating, directly or indirectly, to the Offer with respect to any of our securities (including, but not limited to, any contract, arrangement, understanding or relationship concerning the transfer or the voting of any such securities, joint ventures, loan or option arrangements, puts or calls, guaranties of loans guaranties against loss or the giving or withholding of proxies, consents or authorizations). Based upon information provided or available to us, none of our directors, officers or affiliates intends to tender Shares pursuant to the Offer. The Offer does not, however, restrict the purchase of Shares pursuant to the Offer from any such person.

10. Certain Effects of the Offer.

The purchase of Shares pursuant to the Offer will have the effect of increasing the proportionate interest in the Company of stockholders who do not tender Shares. All stockholders remaining after the Offer will be subject to any increased risks associated with the reduction in the number of outstanding Shares and the reduction in the Company's assets resulting from payment for the tendered Shares. See Section 7 above. All Shares purchased by the Company pursuant to the Offer will be retired and thereafter will be authorized and unissued Shares.

11. Certain Information about the Company.

We are an externally managed, non-diversified, closed-end management investment company that has elected to be treated as a business development company under the 1940 Act. We have elected to be treated for federal income tax purposes as a RIC under the Code. We are managed by the Adviser, a Delaware limited liability company that is registered as an investment adviser with the SEC and is an affiliate of ours. The Adviser oversees the management of our activities and is responsible for making investment decisions for our portfolio.

Our investment objective is to generate both current income and appreciation through debt and equity investments. We invest primarily in first and second lien senior secured loans, and to a lesser extent, mezzanine loans, unsecured loans and equity of predominantly private U.S. middle market companies. We define middle market companies as those with EBITDA of between \$25 million and \$100 million annually, although we may invest in larger or smaller companies. We also purchase interests in loans or corporate bonds through secondary market transactions, which refers to acquisitions from secondary market participants rather than from the portfolio company directly.

We intend to leverage the experience and expertise of the principals of our Adviser in sourcing, evaluating and structuring investments. The personnel of our Adviser have a broad network of contacts with financial sponsors, commercial and investment banks and leaders within a number of industries that we believe will produce significant proprietary investment opportunities outside the normal banking auction process.

Our principal office is located at One Madison Avenue, Suite 1600, New York, NY 10010.

12. Additional Information.

Information concerning our business, including our background, strategy, business, investment portfolio, competition, and personnel, as well as our financial information, is included in:

13. Certain United States Federal Income Tax Consequences.

The following discussion is a general summary of the U.S. federal income tax consequences of a sale of Shares pursuant to the Offer. This summary is based upon the Code, applicable Treasury regulations promulgated thereunder, rulings and administrative pronouncements and judicial decisions, each as in effect as of the date of this Offer and all of which are subject to change, possibly retroactively, which could affect the continuing validity

[Table of Contents](#)

of this discussion. This summary addresses only Shares held as capital assets and does not address certain tax consequences that may be relevant to stockholders in light of their particular circumstances. In addition, this summary does not address (a) any state, local or foreign tax considerations that may be relevant to a stockholder's decision to tender Shares pursuant to the Offer; or (b) any tax consequences to any corporation, partnership, estate, trust or other entity created or organized in or under the laws of the United States or any state thereof or the District of Columbia for U.S. federal tax purposes (or their partners, members, etc.) tendering Shares pursuant to the Offer. Stockholders should consult their own tax advisors regarding the tax consequences of a sale of Shares pursuant to the Offer, as well as the effects of state and local or foreign tax laws. See Section 4.c. "Procedures for Tendering Shares — United States Federal Income Tax Withholding" above.

a. U.S. Stockholders. For federal income tax purposes, the sale of Shares pursuant to the Offer generally will be treated either as a "sale or exchange," or under certain circumstances, as a "dividend." Under Section 302(b) of the Code, a sale of Shares pursuant to the Offer generally will be treated as a "sale or exchange" if the receipt of cash: (a) results in a "complete termination" of the stockholder's interest in the Company, (b) is "substantially disproportionate" with respect to the stockholder or (c) is "not essentially equivalent to a dividend" with respect to the stockholder. In determining whether any of these tests has been met, Shares actually owned, as well as Shares considered to be owned by the stockholder by reason of certain constructive ownership rules set forth in Section 318 of the Code, generally must be taken into account. Although it is generally anticipated that most stockholders who tender Shares would satisfy one of these three tests for "sale or exchange" treatment, stockholders should consult their own tax advisors to determine if any of these tests would be satisfied in light of their own unique circumstances. If any of these three tests for "sale or exchange" treatment is met, a stockholder will recognize gain or loss equal to the difference between the amount of cash received pursuant to the Offer and the stockholder's tax basis of the Shares sold. The gain or loss generally will be a capital gain or loss. In general, capital gain or loss with respect to Shares sold will be long-term capital gain or loss if the stockholder's holding period for such Shares is more than one year. The maximum long-term capital gains rate applicable to individual U.S. Stockholders is generally 20%. The ability to deduct capital losses is limited. Under the "wash sale" rules of the Code, recognition of a loss on Shares sold pursuant to the Offer will ordinarily be disallowed to the extent a stockholder acquires substantially identical Shares within 30 days before or after the date the Shares are purchased by the Company pursuant to the Offer. In that event, the basis and holding period of the Shares acquired will be adjusted to reflect the disallowed loss. Additionally, any loss realized upon a taxable disposition of Shares held for six months or less will be treated as a long-term capital loss to the extent of any capital gains dividends received by the stockholder (or amounts credited to the stockholder as undistributed capital gains) with respect to such Shares.

A distribution will be considered to have been made in "complete termination" of a stockholder's interest in the Company within the meaning of Section 302(b)(3) of the Code if either: (i) all of the Shares then actually and constructively owned by the stockholder are tendered by such stockholder pursuant to the Offer; or (ii) all of the Shares actually owned by the stockholder are tendered by such stockholder pursuant to the Offer, the only remaining Shares the stockholder constructively owned are actually owned by such stockholder's family members, and the stockholder is eligible to waive and effectively waives, under procedures described in Section 302(c) of the Code, such constructive ownership. A distribution in partial redemption of a stockholder's stock in the Company will be considered "substantially disproportionate" under Section 302(b)(2) of the Code with respect to such stockholder if: (i) immediately after the redemption, the stockholder owns less than 50 percent of the total combined voting power of all classes of voting stock in the Company; (ii) the stockholder's percentage ownership of voting stock in the Company immediately after the redemption is less than 80 percent of the same percentage immediately beforehand; and (iii) the stockholder's percentage ownership of common stock (voting or nonvoting) in the Company after the redemption is less than 80 percent of the same percentage immediately beforehand. A distribution of partial redemption of Shares in the Company by a stockholder will qualify as an exchange under Section 302(b) of the Code if such distribution satisfies the "not essentially equivalent to a dividend" test of Section 302(b)(1) of the Code. This test should be met if, under all of the facts and circumstances, there is a "meaningful reduction" in a stockholder's ownership interest in the Company after completion of the Offer, as compared with the ownership interest maintained by the stockholder immediately before the Offer. The IRS has issued rulings in situations involving redemptions of stock owned by minority stockholders of publicly-traded corporations, where each such minority stockholder owned, directly and indirectly, less than 1% of the value and voting power and economic interest held by such minority stockholders in such corporations.

[Table of Contents](#)

If none of the tests set forth in Section 302(b) of the Code is met, amounts received by a stockholder who sells Shares pursuant to the Offer will be taxable to the stockholder as a “dividend” to the extent of such stockholder’s allocable share of the Company’s current or accumulated earnings and profits. The excess of such amounts received over the portion that is taxable as a dividend will constitute a non-taxable return of capital (to the extent of the stockholder’s tax basis in the Shares sold pursuant to the Offer). Any amounts received in excess of the stockholder’s tax basis in such case will be treated as gain from a “sale or exchange” of such Shares. To the extent any amount treated as a dividend is reported by the Company as derived from “qualified dividend income,” such amount will be subject to tax in the hands of a non-corporate U.S. Stockholder at rates applicable to net capital gains, provided holding period and other requirements are met at both the non-corporate U.S. Stockholder and Company-level. Similarly, if a portion of the Company’s income for the taxable year in which an amount treated as a dividend is paid consists of qualifying dividends paid by U.S. corporations and is properly reported by the Company, such portion might qualify for the dividends received deduction when received by certain corporate U.S. Stockholders, provided holding period and other requirements are met at both the corporate U.S. Stockholder and Company-level. If the amounts received by a tendering stockholder are treated as a “dividend,” the tax basis in the Shares tendered to the Company will be transferred to any remaining Shares held by such stockholder.

In addition, if a tender of Shares is treated as a “dividend” to a tendering stockholder, the IRS may take the position that a constructive distribution under Section 305(c) of the Code may result to a stockholder, including stockholders who do not tender any Shares pursuant to the Offer, whose proportionate interest in the earnings and assets of the Company has been increased by such tender. Under Section 305(c) of the Code, a distribution by a corporation of its stock or its rights to acquire its stock is treated as a dividend if the distribution (or series of distributions of which such distribution is one) results in the distribution of money or other property by some stockholders, and results in the increase in the proportionate interests of other stockholders in the assets or earnings and profits of the corporation. Such constructive distribution will be treated as a dividend to the extent of current or accumulated earnings and profits allocable to it. An exception to this rule is provided for a distribution of property incident to an isolated redemption of stock (e.g., pursuant to certain tender offer transactions). Stockholders are urged to consult their own tax advisors regarding the possibility of deemed distributions resulting from the purchase of Shares pursuant to the Offer.

An additional 3.8% Medicare tax is imposed on certain net investment income (including dividends or gains recognized in connection with payments made to U.S. Stockholders pursuant to the Offer) of U.S. individuals, estates and trusts to the extent that such person’s “modified adjusted gross income” (in the case of an individual) or “adjusted gross income” (in the case of an estate or trust) exceeds certain threshold amounts.

Under Treasury regulations directed at tax shelter activity, if a U.S. Stockholder recognizes a loss of \$2 million or more in the case of an individual or other non-corporate U.S. Stockholder or \$10 million or more in the case of a corporate U.S. Stockholder, such stockholder must file a disclosure statement on IRS Form 8886 with the IRS. Direct holders of portfolio securities are in many cases excepted from this reporting requirement, but under current guidance, stockholders of a RIC are not excepted. The fact that a loss is reportable under these Treasury regulations does not affect the legal determination of whether a taxpayer’s treatment of the loss is proper. U.S. Stockholders should consult their own tax advisors concerning any possible disclosure obligation with respect to their investment in Shares.

We cannot predict whether or the extent to which the Offer will be oversubscribed. If the Offer is oversubscribed, proration of tenders pursuant to the Offer will cause us to accept fewer Shares than are tendered. Therefore, a stockholder can be given no assurance that a sufficient number of such stockholder’s Shares will be purchased pursuant to the Offer to ensure that such purchase will be treated as a sale or exchange, rather than as a dividend, for U.S. federal income tax purposes pursuant to the rules discussed above.

The Company may be required to withhold 24% of the gross proceeds paid to a U.S. Stockholder or other payee pursuant to the Offer unless either: (a) the U.S. Stockholder has completed and submitted to the Company a Form W-9 (or Substitute Form W-9), providing the U.S. Stockholder’s employer identification number or social security number as applicable, and certifying under penalties of perjury that: (1) such number is correct; (2) either (i) the U.S. Stockholder is exempt from backup withholding, (ii) the U.S. Stockholder has not been notified by the IRS that the U.S. Stockholder is subject to backup withholding as a result of an under-reporting of interest or dividends, or (iii) the IRS has notified the U.S. Stockholder that the U.S. Stockholder is no longer subject to backup

[Table of Contents](#)

withholding; or (b) an exception applies under applicable law. Even though the Company may have received a completed Form W-9 from a U.S. Stockholder, the Company may nevertheless be required to backup withhold if it receives a notice from the IRS to that effect. A Substitute Form W-9 is included as part of the Letter of Transmittal for U.S. Stockholders.

b. Non-U.S. Stockholders. The U.S. federal income taxation of a Non-U.S. Stockholder on a sale of Shares pursuant to the Offer generally depends on whether this transaction is “effectively connected” with a trade or business carried on in the U.S. by the Non-U.S. Stockholder (or if an income tax treaty applies, on whether the Non-U.S. Stockholder maintains a U.S. permanent establishment) as well as the tax characterization of the transaction as either a sale of the Shares or a dividend distribution by the Company, as discussed above for U.S. Stockholders. If the sale of Shares pursuant to the Offer is not so effectively connected (or if an income tax treaty applies, the Non-U.S. Stockholder does not maintain a U.S. permanent establishment) and if, as anticipated for U.S. Stockholders, it gives rise to gain or loss rather than dividend treatment, any gain realized by a Non-U.S. Stockholder upon the tender of Shares pursuant to the Offer generally will not be subject to U.S. federal income tax or to any U.S. tax withholding; provided, however, that such a gain will be subject to U.S. federal income tax at the rate of 30% (or such lower rate as may be applicable under an income tax treaty) if the Non-U.S. Stockholder is a non-resident alien individual who is physically present in the United States for more than 182 days during the taxable year of the sale. If, however, Non-U.S. Stockholders are deemed, for the reasons described above in respect of U.S. Stockholders, to receive a dividend distribution from the Company with respect to Shares they tender, the portion of the distribution treated as a dividend to the Non-U.S. Stockholder would be subject to a U.S. withholding tax at the rate of 30% (or such lower rate as may be applicable under a tax treaty) if the dividend is not effectively connected with the conduct of a trade or business in the United States by the Non-U.S. Stockholder (or, if an income tax treaty applies, the Non-U.S. Stockholder does not maintain a U.S. permanent establishment). The amount of the dividend subject to withholding tax generally would not include any portion of such dividend properly reported as a capital gain dividend and any portion of such dividend properly reported as an interest-related dividend or short-term capital gain dividend.

If the amount realized on the tender of Shares by a Non-U.S. Stockholder is effectively connected with the conduct of a trade or business in the United States by the Non-U.S. Stockholder (and, if an income tax treaty applies, the Non-U.S. Stockholder maintains a U.S. permanent establishment), regardless of whether the tender is characterized as a sale or as giving rise to a dividend distribution from the Company for U.S. federal income tax purposes, the transaction will be treated and taxed in the same manner discussed above as if the Shares involved were tendered by a U.S. Stockholder.

Any dividends received by a corporate Non-U.S. Stockholder that are effectively connected with a U.S. trade or business in which the corporate stockholder is engaged (and if an income tax treaty applies, are attributable to a permanent establishment maintained by the corporate Non-U.S. Stockholder) also may be subject to an additional branch profits tax at a 30% rate, or lower applicable treaty rate.

Non-U.S. Stockholders should provide the Company with a properly completed Form W-8BEN, Form W-8BEN-E, Form W-8IMY, Form W-8ECI, Form W-8EXP or other applicable form in order to avoid 24% backup withholding on the cash they receive from the Company regardless of how they are taxed with respect to their tender of the Shares involved.

The Foreign Account Tax Compliance Act provisions of the Code, the related U.S. Treasury and IRS guidance issued thereunder, as well as the applicable intergovernmental agreements (“*IGAs*”) entered into between the United States and certain foreign governments (collectively, “*FATCA*”) generally imposes a 30% withholding tax on certain payments made to a foreign entity if such entity fails to satisfy certain new disclosure and reporting rules. FATCA generally requires that (i) in the case of a foreign financial institution (“*FFI*”), defined broadly to include a bank, certain insurance companies, a hedge fund, a private equity fund, a mutual fund, a securitization vehicle or other investment vehicle, the entity identifies and provides information in respect of financial accounts with such entity held (directly or indirectly) by U.S. persons and U.S.-owned foreign entities and (ii) in the case of a non-financial foreign entity (“*NFFE*”), the entity identifies and provides information in respect of substantial U.S. owners of such entity. The types of payments subject to FATCA withholding include, among others, dividends and the gross proceeds from the sale, exchange, or other disposition of any property, such as Shares, that could produce U.S. source dividends. Accordingly, any payment made to a tendering Non-U.S. Stockholder who is a FFI

[Table of Contents](#)

or NFFE may be subject to a 30% FATCA withholding tax. However, if a tendering Non-U.S. Stockholder is subject to withholding under FATCA as well as is subject to either backup withholding or U.S. nonresident withholding at source, the Company will withhold only under FATCA (subject to an ability by the Company to elect to backup withhold in certain circumstances).

As the Company cannot determine whether a payment made pursuant to the Offer will properly be characterized as an “exchange” or a “dividend” for U.S. tax purposes at the time of such payment, any payment to a tendering Non-U.S. Stockholder that is a FFI or NFFE will generally be subject to a 30% withholding tax unless (a) in the case of an FFI, the FFI reports certain direct and indirect ownership of foreign financial accounts held by U.S. persons with the FFI and (b) in the case of an NFFE, the NFFE (i) reports information relating to its “substantial U.S. owners” (within the meaning of FATCA), if any, or (ii) certifies that it has no “substantial U.S. owners. Certain Non-U.S. Stockholders may fall into certain exempt, excepted or deemed-compliant categories as established by the Treasury regulations, IGAs, and other guidance regarding FATCA. In order to qualify for any such exception, a Non-U.S. Stockholder generally must provide a properly completed Form W-8BEN, Form W-8BEN-E, Form W-8IMY, Form W-8ECI, Form W-8EXP or other applicable form, signed under penalty of perjury and properly certifying such Non-U.S. Stockholder’s status under FATCA, to the Company.

c. Other Tax Consequences. The Company’s purchase of Shares in the Offer may directly result in, or contribute to a subsequent, limitation on the Company’s ability to use capital loss carryforwards to offset future capital gains. Therefore, in certain circumstances, stockholders who remain stockholders following completion of the Offer may incur taxes sooner or incur more taxes associated with their investment in the Company, than they would have had the Offer not occurred.

The tax discussion set forth above is included for general information only. Each stockholder is urged to consult such stockholder’s own tax advisor to determine the particular tax consequences to him or her of the Offer, including the applicability and effect of state, local and foreign tax laws.

14. Amendments; Extension of Tender Period; Termination.

We reserve the right, at any time during the pendency of the Offer, to amend, supplement, extend or terminate the Offer in any respect. Without limiting the manner in which we may choose to make a public announcement of such an amendment, supplement, extension or termination, we shall have no obligation to publish, advertise or otherwise communicate any such public announcement, except as provided by applicable law (including Rules 14e-1(d) and 13e-4(e)(3) promulgated under the Exchange Act).

We may extend the period of time the Offer will be open by issuing a press release or making some other public announcement by no later than 9:00 A.M., Eastern Time, on the next business day after the Offer would have expired. Except to the extent required by applicable law (including Rule 13e-4(f)(1) promulgated under the Exchange Act), we will have no obligation to extend the Offer.

We are not aware of any jurisdiction in which the making of the Offer or the acceptance of tenders of, purchase of, or payment for, Shares in accordance with the Offer would not be in compliance with the laws of such jurisdiction. In any jurisdiction where the securities, blue sky or other laws require the Offer to be made by a licensed broker or dealer, the Offer shall be deemed to be made on our behalf by one or more brokers or dealers licensed under the laws of such jurisdiction.

LADIES AND GENTLEMEN:

This Letter of Transmittal is provided in connection with the Company’s offer dated March 5, 2026, to purchase up to 2,500,000 shares of its issued and outstanding common stock, par value \$0.001 per share (the “Shares”), which represents approximately 1.85% of the number of Shares outstanding as of December 31, 2025. During any calendar year, the Company intends to limit the number of Shares it offers to repurchase to the lesser of 10% of the weighted average number of Shares outstanding during the prior calendar year or the number of Shares the Company can repurchase with the cash retained as a result of issuing Shares under its distribution reinvestment plan (“DRIP”) to those stockholders who have elected to receive their distributions in the form of additional Shares rather than in cash during the applicable measurement period. For this offer, the applicable measurement period is the one-year period ended March 31, 2026, and the number of Shares the Company is offering to repurchase approximates the number of Shares the Company can repurchase with the cash retained from DRIP issuances during that period.

The person(s) signing this Letter of Transmittal (the “Signatory”) hereby tender(s) to the Company, which is an externally managed, non-diversified, closed-end management investment company and a Delaware corporation, the number of Shares specified above for purchase by the Company at a price per share equal to the Company’s net asset value per Share as of December 31, 2025 (the “Purchase Price”), in cash, under the terms and subject to the conditions set forth in the Offer to Purchase, receipt of which is hereby acknowledged, and in this Letter of Transmittal (which Offer to Purchase and Letter of Transmittal together with any amendments or supplements thereto collectively constitute the “Offer”). The Company will disclose its NAV per Share as of December 31, 2025, in an amendment to its Tender Offer Statement on Schedule TO prior to the expiration of the Offer, which will be filed with the SEC and mailed to stockholders.

The name(s) of the registered owner(s) should be printed exactly as on the subscription agreement accepted by the Company in connection with purchase of the Shares.

The Signatory recognizes that, under certain circumstances as set forth in the Offer to Purchase, the Company may amend, extend or terminate the Offer or may not be required to purchase any of the Shares tendered hereby. In any such event, the Signatory understands that the Shares not purchased, if any, will continue to be held by the Signatory and will not be tendered.

The Signatory understands that acceptance of Shares by the Company for payment will constitute a binding agreement between the Signatory and the Company upon the terms and subject to the conditions of the Offer.

The Signatory understands that the payment of the Purchase Price for the Shares accepted for purchase by the Company will be made promptly by the Company following the conclusion of the Offer and that in no event will the Signatory receive any interest on the Purchase Price. Payment of the Purchase Price for the Shares tendered by the undersigned will be made on behalf of the Company by check or ACH to the account identified by the undersigned below.

All authority herein conferred or agreed to be conferred shall survive the death or incapacity of the Signatory and all obligations of the Signatory hereunder shall be binding upon the heirs, personal representatives, successors and assigns of the Signatory. Except as stated in the Offer, this tender is irrevocable.

The Signatory hereby acknowledges that capitalized terms not defined in this Letter of Transmittal shall have the meanings ascribed to them in the Offer to Purchase.

The Signatory authorizes and instructs the Company to make a cash payment (payable by check or ACH) of the Purchase Price for Shares accepted for purchase by the Company, less any applicable withholding taxes, to which the undersigned is entitled in the name of the registered holder(s) appearing on page 3 (unless a different name is indicated in Box 2 "Special Registration and Payment Instructions" below), for delivery by mail to the address of record (unless a different address or method of payment is indicated in Box 2 "Special Registration and Payment Instructions" below).

The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

Penalties:

- Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.
- Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.
- Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.
- Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

INSTRUCTIONS TO LETTER OF TRANSMITTAL

FORMING PART OF TERMS AND CONDITIONS OF THIS LETTER OF TRANSMITTAL

1. **Guarantee of Signatures.** Signatures on this Letter of Transmittal must be guaranteed in Box 3 in accordance with Rule 17Ad-15 promulgated under the Securities Exchange Act of 1934, as amended, by an eligible guarantor institution which is a participant in a stock transfer association recognized program, such as a firm that is a member of a registered national securities exchange, a member of the Financial Industry Regulatory Authority, by a commercial bank or trust company having an office or correspondent in the United States or by an international bank, securities dealer, securities broker or other financial institution licensed to do business in its home country (an “Eligible Institution”) unless (i) the Letter of Transmittal is signed by the registered holder(s) of the Shares tendered therewith and such holder(s) have not completed Box 2 “Special Registration and Payment Instructions” above or (ii) the Shares described above are delivered for the account of an Eligible Institution. **IN ALL OTHER CASES ALL SIGNATURES MUST BE GUARANTEED BY AN ELIGIBLE INSTITUTION.**
2. **Delivery of Letter of Transmittal.** This Letter of Transmittal, properly completed and duly executed, should be sent by mail or courier or delivered by hand to the Company, in each case at the address set forth on the front page of this Letter of Transmittal, in order to make an effective tender.

A properly completed and duly executed Letter of Transmittal must be received by the Company at the address set forth on the front page of this Letter of Transmittal by 11:59 P.M., Eastern Time, on April 14, 2026 unless the Offer is extended. The Purchase Price will be paid and issued in exchange for the Shares tendered and accepted for purchase by the Company pursuant to the Offer to Purchase in all cases only after receipt by the Company of a properly completed and duly executed Letter of Transmittal.

The method of delivery of all documents is at the option and risk of the undersigned and the delivery will be deemed made only when actually received. If delivery is by mail, registered mail with return receipt requested, properly insured, is recommended.

3. **Signatures on this Letter of Transmittal, Powers of Attorney and Endorsements.**
 - (a) If this Letter of Transmittal is signed by the registered holder(s) of the Shares to be tendered, the signature(s) of the holder on this Letter of Transmittal must correspond exactly with the name(s) on the subscription agreement accepted by the Company in connection with the purchase of the Shares, unless such Shares have been transferred by the registered holder(s), in which event this Letter of Transmittal should be signed in exactly the same form as the name of the last transferee indicated on the stock ledger maintained in book-entry form by SS&C GIDS, Inc. (formerly DST Systems, Inc.), the Company’s transfer agent.
 - (b) If any Shares tendered with this Letter of Transmittal are owned of record by two or more joint owners, all such owners must sign this Letter of Transmittal.
 - (c) If this Letter of Transmittal is signed by a trustee, executor, administrator, guardian, attorney-in-fact, officer of a corporation or other person acting in a fiduciary or representative capacity, such person must so indicate when signing, and proper evidence satisfactory to the Company of their authority to so act must be submitted.
 - (d) If this Letter of Transmittal is signed by a person other than the registered holder(s) of the Shares listed, the Letter of Transmittal must be endorsed or accompanied by appropriate stock powers, in either case signed exactly as the name(s) of the registered holder(s) appear(s) on the subscription agreement accepted by the Company in connection with the purchase of the Shares. Signatures must be guaranteed in Box 3 by an Eligible Institution (unless signed by an Eligible Institution).
4. **Withholding.** The Company is entitled to deduct and withhold from the Purchase Price otherwise payable to any holder of Shares whose Shares are accepted for purchase by the Company any amounts that the Company is required to deduct and withhold with respect to the making of such payment under the Internal Revenue Code of 1986, as amended (the “Code”), or any provision of state, local or foreign tax law. To the extent that amounts are withheld, the withheld amounts shall be treated for all purposes as having been paid and issued to the holder of Shares in respect of which such deduction and withholding was made.

5. **Transfer Taxes.** The Company will pay any transfer taxes payable on the transfer to it of Shares purchased pursuant to the Offer; provided, however, that if payment of the Purchase Price is to be made to, or (in the circumstances permitted by the Offer) unpurchased Shares are to be registered in the name(s) of, any person(s) other than the registered owner(s), the amount of any transfer taxes (whether imposed on the registered owner(s) or such other person(s)) payable on account of the transfer to such person(s) will be deducted from the Purchase Price unless satisfactory evidence of the payment of such taxes, or exemption therefrom, is submitted herewith.
6. **Special Registration and Payment Instructions and Special Delivery Instructions.** If the Purchase Price is to be paid and issued to a person other than the person(s) signing the Letter of Transmittal, then Box 2 must be completed. If the Purchase Price is to be mailed or wired to someone other than the person(s) signing the Letter of Transmittal, or to the person(s) signing the Letter of Transmittal at an address other than that shown above, then Box 2 must be completed.
7. **Determinations of Validity.** All questions as to the form of documents and the validity of Shares will be resolved by the Company in its sole discretion, whose determination shall be final and binding. The Company reserves the absolute right to reject any deliveries of any Shares that are not in proper form, or the acceptance of which would, in the opinion of the Company or its counsel, be unlawful. The Company reserves the absolute right to waive any defect or irregularity of delivery for exchange with regard to any Shares, provided that any such waiver shall apply to all tenders of Shares.

NEITHER THE COMPANY, ITS BOARD OF DIRECTORS, FRANKLIN BSP CAPITAL ADVISER L.L.C., NOR ANY OTHER PERSON IS OR WILL BE OBLIGATED TO GIVE ANY NOTICE OF ANY DEFECT OR IRREGULARITY IN ANY TENDER, AND NONE OF THEM WILL INCUR ANY LIABILITY FOR FAILURE TO GIVE ANY SUCH NOTICE.

8. **Requests for Assistance or Additional Copies.** Requests for assistance or for additional copies of this Letter of Transmittal may be directed to the Company at the address or the telephone number set forth on the cover page of this Letter of Transmittal. Stockholders who do not own Shares directly may also obtain such information and copies from their broker, dealer, commercial bank, trust company or other nominee. Stockholders who do not own Shares directly are required to tender their Shares through their broker, dealer, commercial bank, trust company or other nominee and should NOT submit this Letter of Transmittal to the Company.
9. **Backup Withholding.** Each holder choosing to tender Shares must, unless an exemption applies, provide the Company with the holder's taxpayer identification number on the Substitute Form W-9 set forth in this Letter of Transmittal, with the required certifications being made under penalties of perjury. If the holder is an individual, the taxpayer identification number is his or her social security number. If the Company is not provided with the correct taxpayer identification number, the holder may be subject to penalties imposed by the IRS in addition to being subject to backup withholding.

Holders are required to give the Company the taxpayer identification number of the record owner of the Shares by completing the Substitute Form W-9 included with this Letter of Transmittal. If the Shares are registered in more than one name or are not in the name of the actual owner, consult the "Guidelines for Certification of Taxpayer Identification Number on Substitute Form W-9," which immediately follow the Substitute Form W-9.

If backup withholding applies, the Company is required to withhold 24% of any payment made to the Stockholder with respect to Shares tendered. Backup withholding is not an additional tax. Rather, the U.S. federal income tax liability of persons subject to backup withholding will be reduced by the amount of tax withheld. If withholding results in an overpayment of taxes, a refund may be obtained by the holder from the IRS.

Certain holders (including, among others, most corporations and certain foreign persons) are exempt from backup withholding requirements. To qualify as an exempt holder on the basis of foreign status, a holder must generally submit a properly completed IRS Form W-8BEN, IRS Form W-8BEN-E, IRS Form W-8IMY, IRS Form W-8ECI, IRS Form W-8EXP or other applicable U.S. nonresident withholding tax certification form, signed under penalties of perjury, attesting to that person's exempt status.

A HOLDER SHOULD CONSULT HIS OR HER TAX ADVISOR AS TO HIS OR HER QUALIFICATION FOR EXEMPTION FROM THE BACKUP WITHHOLDING REQUIREMENTS OR FOR TREATY BENEFITS AND THE PROCEDURE FOR OBTAINING AN EXEMPTION OR TREATY BENEFIT, INCLUDING THE APPROPRIATE FORM TO PROVIDE TO CLAIM SUCH EXEMPTION OR TREATY BENEFIT.

*THIS IS NOTIFICATION OF THE ANNUAL REPURCHASE OFFER.
IF YOU ARE NOT INTERESTED IN SELLING YOUR SHARES AT THIS TIME,
KINDLY DISREGARD THIS NOTICE.*

March 5, 2026

Dear Stockholder:

No action is required of you at this time. We have sent this letter to you only to announce the annual tender offer (the "Offer") by Franklin BSP Capital Corporation (the "Company"). The purpose of this Offer is to provide a measure of liquidity to stockholders since there is otherwise no public market. The Offer is for cash at a price per share equal to the Company's net asset value per share as of December 31, 2025, and is made upon the terms and subject to the conditions set forth in the accompanying Offer to Purchase and Letter of Transmittal. The Offer period will begin on March 5, 2026 and end at 11:59 P.M. Eastern Time, on April 14, 2026. Subject to the limitations contained in the Offer to Purchase, which is attached to this letter, all properly completed and duly executed letters of transmittal returned to us will be processed promptly following the expiration of the Offer period.

IF YOU HAVE NO DESIRE TO SELL ANY OF YOUR SHARES AT THE COMPANY'S NET ASSET VALUE PER SHARE AS OF DECEMBER 31, 2025, PLEASE DISREGARD THIS NOTICE.

We will contact you again each fiscal year to notify you if the Company intends to offer to repurchase a portion of its issued and outstanding Shares. If you would like to tender a portion or all of your Shares for repurchase at this time, please complete the Letter of Transmittal Form included with this letter and return it in the enclosed envelope. Please see the attached Offer to Purchase for conditions to the Offer, including, but not limited to, the fact that we are only offering to repurchase up to 2,500,000 shares of our issued and outstanding common stock, par value \$0.001 per share (the "Shares"), which represents approximately 1.85% of the number of Shares outstanding as of December 31, 2025. During any calendar year, we intend to limit the number of Shares we offer to repurchase to the lesser of 10% of the weighted average number of Shares outstanding during the prior calendar year or the number of Shares the Company can repurchase with the cash retained as a result of issuing Shares under the distribution reinvestment plan to those stockholders who have elected to receive their distributions in the form of additional Shares rather than in cash during the applicable measurement period. For this offer, the applicable measurement period is the one-year period ended March 31, 2026, and the number of Shares the Company is offering to repurchase approximates the number of Shares the Company can repurchase with the cash retained from DRIP issuances during that period. The Company will disclose its net asset value per Share as of December 31, 2025, in an amendment to its Tender Offer Statement on Schedule TO prior to the expiration of the Offer, which will be filed with the SEC and mailed to stockholders.

All requests to tender Shares must be received in good order by the Company, at the address below, by 11:59 P.M. Eastern Time, on April 14, 2026.
