(b) With respect to the calculation of any leverage ratio herein or in any other Loan Document prior to the first date that financial statements have been delivered pursuant to Section 6.01(a) or (b), such leverage ratio shall be tested with respect to the four (4) consecutive fiscal quarter period ended March 31, 2021 (and Consolidated EBITDA, as used in any such ratio, shall be determined in accordance with the last paragraph of the definition of "Consolidated EBITDA").

(c) For purposes of determining compliance with any Section of Article VII, in the event that any Lien, Investment, Indebtedness, Disposition, Restricted Payment, Affiliate transaction, Contractual Obligation or Junior Financing Prepayment meets the criteria of one or more than one of the categories of transactions permitted pursuant to any clause of such Sections, such transaction (or portion thereof) at any time shall be permitted under one or more of such clauses as determined by the Borrower in its sole discretion at such time, and if such exceptions and baskets in a given covenant include a combination of fixed amounts (including any component thereof based on a percentage of Consolidated EBITDA) (each, a "***Fixed Amount Basket***") and amounts permitted under ratio-based tests in concurrent transactions, any utilization of a ratio-based basket in such covenant concurrently with a fixed basket in such covenant shall be calculated without giving effect to the concurrent utilization of such Fixed Amount Basket (provided that, for the avoidance of doubt, any calculation of the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio, the Total Net Leverage Ratio, the Cash Interest Coverage Ratio and any other ratio-based test shall disregard the proceeds of any concurrent incurrence of Indebtedness under a Fixed Amount Basket). Furthermore, the Borrower may, in its sole discretion, divide, classify or reclassify, or at any later time divide, classify or reclassify, any such transaction (or any portion thereof) and will only be required to include the amount and type of such transaction in any one category; provided that (w) all Indebtedness outstanding under the Loan Documents (including any Incremental Facilities) will at all times be deemed to be outstanding in reliance on Section 7.03(a), (x) all Permitted ABL Indebtedness and other Indebtedness secured by Liens on assets in a comparable manner to the Permitted ABL Indebtedness will at all times be deemed to be outstanding in reliance on Section 7.03(ii), (y) all Indebtedness under Swap Contracts will at all times be deemed to be outstanding in reliance on Section 7.03(g), and (z) no such classification or reclassification shall obviate the requirement for any Indebtedness secured by any of the Collateral to be subject to one or more Intercreditor Agreements.

(d) With respect to each "dollar basket" set forth in, with respect to the following clause (i), Section 7.06, and with respect to the following clause (ii), Section 7.14, the Borrower shall be permitted to (i) use amounts available for Restricted Payments under Section 7.06 for Investments and Junior Financing Prepayments and (ii) use amounts available for Junior Financing Prepayments under Section 7.14 for Investments.

(e) With respect to each "basket" or "component" in respect of which availability increases based on voluntary prepayments, permanent commitment reductions or purchases of Indebtedness (e.g., Permitted Other Indebtedness and Incremental Facilities), such increases in availability shall be limited to the amount of cash paid to effect such prepayments, reductions or purchases.

1.10 Classification of Loans and Borrowings. For purposes of this Agreement, Loans may be classified and referred to by Class (e.g., a "Revolving Credit Loan") or by Type (e.g., a "Eurocurrency Rate Loan") or by Class and Type (e.g., a "Eurocurrency Revolving Credit Loan"). Borrowings also may be classified and referred to by Class (e.g., a "Revolving Credit Borrowing") or by Type (e.g., a "Eurocurrency Borrowing") or by Class and Type (e.g., a "Eurocurrency Revolving Credit Borrowing").

1.11 Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Equity Interests at such time.

ARTICLE II

THE COMMITMENTS AND CREDIT EXTENSIONS

2.01 The Loans.

(a) The Closing Date Term Borrowing. Subject to the terms and conditions set forth herein, each Closing Date Term Lender severally agrees to make a single term loan denominated in Dollars to the Borrower on the Closing Date in an amount not to exceed such Closing Date Term Lender's Closing Date Term Commitment. The Closing Date Term Borrowing shall consist of Closing Date Term Loans made simultaneously by the Closing Date Term Lenders in accordance with their respective Closing Date Term Commitments. Amounts borrowed under this Section 2.01(a) and subsequently repaid or prepaid may not be reborrowed. Closing Date Term Loans may be Base Rate Loans or Eurocurrency Rate Loans, as further provided herein.

(b) The Delayed Draw Term Borrowings.

(i) Subject to the terms and conditions set forth herein, each Delayed Draw Term Lender severally agrees to make loans (each such loan, a "***Delayed Draw Term Loan***") to the Borrower denominated in Dollars from time to time, on any Business Day until the Delayed Draw Term Commitment Termination Date, in an aggregate amount not to exceed at any time outstanding the amount of such Lender's Delayed Draw Term Commitment. Each Delayed Draw Term Borrowing shall consist of Delayed Draw Term Loans made simultaneously by the applicable Delayed Draw Term Lenders in accordance with their respective applicable Delayed Draw Term Commitments. Amounts borrowed under this Section 2.01(b) and subsequently repaid or prepaid may not be reborrowed. Delayed Draw Term Loans may be Base Rate Loans or Eurocurrency Rate Loans, as further provided herein.

(ii) The Borrower shall be entitled to request Delayed Draw Term Loans pursuant to this Section 2.01(b) in minimum amounts of $2,000,000 (or such lower amounts as the Administrative Agent may agree).

(c) Revolving Credit Loans. Subject to the terms and conditions set forth herein, each Revolving Credit Lender severally agrees to make Revolving Credit Loans to the Borrower denominated in Dollars from time to time, on any Business Day until the Maturity Date of the Revolving Credit Facility, in an aggregate amount not to exceed at any time outstanding the amount of such Lender's Revolving Credit Commitment; provided, however, that after giving effect to any Revolving Credit Borrowing, (a) the Total Revolving Credit Outstandings shall not exceed the aggregate Revolving Credit Commitments and (b) the aggregate Outstanding Amount of the Revolving Credit Loans of any Lender, plus such Lender's Pro Rata Share of the Outstanding Amount of all L/C Obligations, shall not exceed such Lender's Revolving Credit Commitment. Within the limits of each Lender's Revolving Credit Commitment, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.01(c), prepay under Section 2.05, and reborrow under this Section 2.01(c). Revolving Credit Loans may be Base Rate Loans or Eurocurrency Rate Loans, as further provided herein.

2.02 Borrowings, Conversions and Continuations of Loans.

(a) Each Borrowing of Term Loans, each conversion of Term Loans from one Type to the other and each continuation of Eurocurrency Term Loans shall be made upon the Borrower's irrevocable (except that in connection with a contingent transaction, which transaction shall not be consummated or shall otherwise be delayed, such notice may be rescinded or extended) notice to the

Administrative Agent, which may initially be given by telephone and promptly confirmed in writing by delivering to the Administrative Agent a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower, prior to the applicable time specified in the immediately succeeding sentence. Each such notice must be received by the Administrative Agent not later than (A) with respect to Borrowings of Term Loans consisting of Eurocurrency Rate Loans on the Closing Date, 12:00 noon (Local Time) one (1) Business Day prior to the Closing Date, (B) with respect to other Borrowings, conversions or continuations of Term Loans consisting of Eurocurrency Rate Loans, 2:00 p.m. (Local Time) three (3) Business Days prior to the requested date of such Borrowing, conversion or continuation, (C) with respect to Borrowings of, conversions to or continuations of Base Rate Loans, 12:00 noon (Local Time) on the requested date of such Borrowing, conversion or continuation; provided, however, that if the Borrower wishes to request a Term Loan that is a Eurocurrency Rate Loan having an Interest Period other than one, two, three or six months in duration as provided in the definition of "Interest Period," the applicable notice must be received by the Administrative Agent not later than 12:00 noon (Local Time) four (4) Business Days prior to the requested date of such Borrowing, conversion or continuation, whereupon the Administrative Agent shall give prompt notice to the Appropriate Lenders of such request and determine whether the requested Interest Period is acceptable to all of them. Not later than 12:00 noon (Local Time) three (3) Business Days prior to the requested date of such Borrowing, conversion or continuation, the Administrative Agent shall notify the Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by all the Appropriate Lenders. Each Borrowing of, conversion to or continuation of Eurocurrency Rate Loans shall be in a principal amount of $1,000,000 or a whole multiple of $100,000 in excess thereof. Each Borrowing of, or conversion to, Base Rate Loans shall be in a principal amount of $500,000 or a whole multiple of $100,000 in excess thereof. Each Committed Loan Notice (whether telephonic or written) shall specify (1) whether the Borrower is requesting a Borrowing of Term Loans, a conversion of Term Loans from one Type to the other, if applicable, or a continuation of Eurocurrency Rate Loans, (2) the requested date of such Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (3) the principal amount of Term Loans to be borrowed, converted or continued, (4) the Type of Term Loans to be borrowed or to which existing Term Loans are to be converted, if applicable, (5) if applicable, the duration of the Interest Period with respect thereto and (6) the Borrower of such Revolving Credit Loans. If the Borrower fails to specify a Type of Term Loan in a Committed Loan Notice or if the Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Term Loans shall be made as, or converted to, Base Rate Loans. If the Borrower requests a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month. Any such automatic conversion to Base Rate Loans or automatic continuation as Eurocurrency Rate Loans with an Interest Period of one (1) month shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurocurrency Rate Loans.

(b) Each Borrowing of Revolving Credit Loans, each conversion of Revolving Credit Loans from one Type to the other and each continuation of Eurocurrency Revolving Credit Loans shall be made upon the Borrower's irrevocable notice to the Administrative Agent, which may initially be given by telephone and promptly confirmed in writing by delivering to the Administrative Agent a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower, prior to the applicable time specified in the immediately succeeding sentence. Each such notice must be received by the Administrative Agent not later than (A) with respect to Borrowings of Revolving Credit Loans consisting of Eurocurrency Rate Loans on the Closing Date, 12:00 noon (Local Time) one (1) Business Day prior to the Closing Date, (B) with respect to other Borrowings of, conversions to, or continuations of, Revolving Credit Loans consisting of Eurocurrency Rate Loans, 2:00 p.m. (Local Time) three (3) Business Days prior to the requested date of such Borrowing, conversion or continuation, or (C) with respect to Borrowings of or conversions to Base Rate Loans, 12:00 noon (Local Time) on the date of the proposed Borrowing or conversion; provided, however, that if the Borrower wishes to request

a Revolving Credit Loan that is a Eurocurrency Rate Loan having an Interest Period other than one, two, three or six months in duration as provided in the definition of "Interest Period," the applicable notice must be received by the Administrative Agent not later than 12:00 noon (Local Time) four (4) Business Days prior to the requested date of such Borrowing, conversion or continuation, whereupon the Administrative Agent shall give prompt notice to the Appropriate Lenders of such request and determine whether the requested Interest Period is acceptable to all of them. Not later than 12:00 noon (Local Time) three (3) Business Days prior to the requested date of such Borrowing, conversion or continuation, the Administrative Agent shall notify the Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by all the Appropriate Lenders. Each Borrowing of Revolving Credit Loans upon less than three (3) Business Days' notice shall be made as Base Rate Loans only. Each Borrowing of, conversion to or continuation of Eurocurrency Rate Loans shall be in a principal amount of $1,000,000 or a whole multiple of $100,000 in excess thereof. Except as provided in Section 2.03(c), each Borrowing of, or conversion to, Base Rate Loans shall be in a principal amount of $500,000 or a whole multiple of $100,000 in excess thereof; provided that Base Rate Loans may be made in a lesser aggregate amount that is equal to the entire undrawn amount of Revolving Credit Commitments. Each Committed Loan Notice (whether telephonic or written) shall specify (1) whether the Borrower is requesting a Borrowing of Revolving Credit Loans, a conversion of Revolving Credit Loans from one Type to the other, if applicable, or a continuation of Eurocurrency Rate Loans, (2) the requested date of such Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (3) the principal amount of Revolving Credit Loans to be borrowed, converted or continued, (4) the currency in which the Revolving Credit Loans are to be denominated (if any Alternative Currencies are then available), (5) the Type of Revolving Credit Loans to be borrowed or to which existing Revolving Credit Loans are to be converted, (6) if applicable, the duration of the Interest Period with respect thereto and (7) the Borrower of such Revolving Credit Loan. If the Borrower fails to specify a Type of Revolving Credit Loan in a Committed Loan Notice or if the Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Revolving Credit Loans shall be made as, or converted to, Base Rate Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of Eurocurrency Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month. If the Committed Loan Notice does not specify the Borrower of the Revolving Credit Loans, it will be deemed to have specified the Lead Borrower. Any such automatic conversion to Base Rate Loans or automatic continuation as Eurocurrency Rate Loans with an Interest Period of one (1) month shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurocurrency Rate Loans. Each Borrowing and payment of Revolving Credit Loans in Dollars (other than pursuant to Section 2.07(d)) or as a result of the voluntary reduction of Revolving Credit Commitments on a non-*pro rata* basis as between different Classes of the Revolving Credit Facility) will be made on a *pro rata* basis among all Classes of Revolving Credit Commitments denominated in Dollars.

(c) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Pro Rata Share of the applicable Term Loans or Revolving Credit Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Base Rate Loans or automatic continuation as Eurocurrency Rate Loans with an Interest Period of one (1) month described in Sections 2.02(a) and (b).

(d) In the case of a Borrowing of Term Loans, each Appropriate Lender shall make the amount of its Term Loan available to the Administrative Agent in immediately available funds at the Administrative Agent's Office not later than 12:00 noon (Local Time) on the Business Day specified in the applicable Committed Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.02 (and, if such Borrowing is the initial Credit Extension, Section 4.01), the Administrative Agent shall make all funds so received available to the applicable Borrower in like funds as received by the Administrative Agent by wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower.

(e) In the case of a Borrowing of Revolving Credit Loans, each Appropriate Lender shall make the amount of its Revolving Credit Loan available to the Administrative Agent in immediately available funds at the Administrative Agent's Office (A) with respect to Eurocurrency Rate Loans, not later than 12:00 noon (Local Time) on the Business Day specified in the applicable Committed Loan Notice and (B) with respect to Base Rate Loans, not later than 2:00 p.m. (Local Time) on the Business Day specified in the applicable Committed Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.02 (and, if such Borrowing is the initial Credit Extension, Section 4.01), the Administrative Agent shall make all funds so received available to the Borrower in like funds as received by the Administrative Agent by wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower; provided, however, that if, on the date the Committed Loan Notice with respect to such Borrowing is given by the Borrower, there are L/C Borrowings outstanding, then the proceeds of such Borrowing shall be applied, first, to the payment in full of any such L/C Borrowing, and second, to the Borrower as provided above.

(f) Except as otherwise provided herein, a Eurocurrency Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Rate Loan unless the Borrower pays the amount due under Section 3.05 in connection therewith. During the existence of an Event of Default, no Loans denominated in Dollars may be converted to or continued as Eurocurrency Rate Loans and the Required Lenders may demand that any or all of the then outstanding Loans be prepaid or any or all of the then outstanding (x) Eurocurrency Rate Loans denominated in Dollars be converted into Base Rate Loans and (y) Eurocurrency Rate Loans denominated in any other Alternative Currency be converted into Eurocurrency Rate Loans having an Interest Period of one (1) month, in each case on the last day of the then current Interest Period with respect thereto or on such other day as the Required Lenders may demand.

(g) The Administrative Agent shall promptly notify the Borrower and the applicable Lenders of the interest rate applicable to any Interest Period for Eurocurrency Rate Loans upon determination of such interest rate. The determination of the Eurocurrency Rate and the Spot Rate by the Administrative Agent shall be conclusive in the absence of manifest error. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the Prime Rate used in determining such rate promptly following the announcement of such change.

(h) After giving effect to all Term Borrowings, all Revolving Credit Borrowings, all conversions of Term Loans or Revolving Credit Loans from one Type to the other and all continuations of Term Loans or Revolving Credit Loans as the same Type, there shall not be more than ten (10) Interest Periods in effect.

(i) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

2.03 Letters of Credit.

(a) The Letter of Credit Commitment.

(i) Subject to the terms and conditions set forth herein, (A) each L/C Issuer agrees, in reliance upon the agreements of the other Revolving Credit Lenders and the Borrower and the Guarantors set forth in this Section 2.03 and elsewhere in the Loan Documents and subject to the conditions precedent set forth in Section 4.02, (1) from time to time on any Business Day during the period from the Closing Date until the Letter of Credit Expiration Date applicable to such L/C Issuer, to issue Letters of Credit denominated in Dollars at the request of and for the account of the Borrower or a Restricted Subsidiary, and to amend or extend Letters of Credit previously issued by it, in accordance with Section 2.03(b), and (2) to honor drafts or other demands for payment presented under the Letters of Credit; and (B) the Revolving Credit Lenders severally agree to participate in Letters of Credit issued for the account of the Borrower or a Restricted Subsidiary; provided that no L/C Issuer shall be obligated to make any L/C Credit Extension with respect to any Letter of Credit, and no Lender shall be obligated to participate in any Letter of Credit if as of the date of such L/C Credit Extension, (v) the Total Revolving Credit Outstandings would exceed the aggregate Revolving Credit Commitments of all Revolving Credit Lenders, (w) the aggregate Outstanding Amount of the Revolving Credit Loans of any Lender plus such Lender's Pro Rata Share of the Outstanding Amount of all L/C Obligations would exceed such Lender's Revolving Credit Commitment, (x) the Outstanding Amount of the L/C Obligations would exceed the Letter of Credit Sublimit, (y) the face amount of Letters of Credit issued by such L/C Issuer would exceed the Applicable L/C Sublimit of such L/C Issuer, or (z) the conditions precedent set forth in Section 4.02 are not satisfied with respect to such L/C Credit Extension as of the date of such L/C Credit Extension. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed. The Borrower may, in its discretion, select which L/C Issuer is to issue any particular Letter of Credit, subject to the Applicable L/C Sublimit of each L/C Issuer. Upon the Maturity Date of any Class of Revolving Credit Commitments, the Applicable L/C Sublimit of each L/C Issuer shall be reduced on a *pro rata* basis with that of each other L/C Issuer to the extent the Applicable L/C Sublimits collectively exceed the amount of the remaining Revolving Credit Commitments after any such Maturity Date. Notwithstanding anything to the contrary herein, in no event may the Applicable L/C Sublimit of any L/C Issuer be increased under this Agreement without the consent of such L/C Issuer. If the Maturity Date in respect of any Class of Revolving Credit Commitments occurs prior to the expiry date of any Letter of Credit, then (i) if one or more other Classes of Revolving Credit Commitments in respect of which the Maturity Date shall not have so occurred are then in effect, the Revolving Credit Lenders holding Revolving Credit Commitments under such non-maturing Classes shall be required to purchase ratable participations in such Letter of Credit to cover the participations of the Revolving Credit Lenders under such maturing Class up to an aggregate amount not to exceed the aggregate amount of the unutilized Revolving Credit Commitments under such non-maturing Classes at such time and (ii) to the extent not fully reallocated pursuant to the immediately preceding clause (i), the Borrower shall Cash Collateralize any such Letter of Credit. If the Borrower is required to Cash Collateralize any Letter of Credit as provided in the immediately preceding sentence and fails to do so, such Letter of Credit will be deemed to be drawn and the provisions of Section 2.03(c), including the provisions relating to a request for a Revolving Credit Borrowing and the funding of Lenders' participations, will be applicable as if such Letter of Credit were drawn.

(ii) No L/C Issuer shall be under any obligation to make any L/C Credit Extension if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from making such L/C Credit Extension, or any Law applicable to such L/C Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or request that such L/C Issuer refrain from, the issuance of letters of credit or financial accommodations generally or such L/C Credit Extension in particular (it being acknowledged and agreed that an L/C Issuer shall be entitled to cancel any outstanding Letter of Credit issued by such L/C Issuer if any such order, judgment or decree or any such Law, request or directive shall apply to such Letter of Credit) or shall impose upon such L/C Issuer with respect to letters of credit or financial accommodations generally or such L/C Credit Extension any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date;

(B) subject to Section 2.03(b)(iii), the expiry date of such requested Letter of Credit (other than a Letter of Credit which may have a longer expiry date as agreed by the applicable L/C Issuer and, if such longer expiry date is after the Letter of Credit Expiration Date for the applicable L/C Issuer, the Administrative Agent and the Revolving Credit Lenders) would occur more than twelve (12) months after the date of issuance or last extension, unless the Required Revolving Lenders, the Administrative Agent and such L/C Issuer have approved such expiry date;

(C) the expiry date of any requested Letter of Credit would occur after the Letter of Credit Expiration Date for the applicable L/C Issuer, unless all of the Revolving Credit Lenders, the Administrative Agent and such L/C Issuer have approved such expiry date;

(D) such L/C Credit Extension would violate one or more policies of such L/C Issuer now or hereafter in effect or the Borrower shall not have complied with Section 10.21(b) with respect to such L/C Credit Extension;

(E) such Letter of Credit is in an initial stated amount less than $5,000, in the case of a commercial or documentary Letter of Credit or a Letter of Credit in the form of a guarantee, warranty, bond or a similar instrument, or $100,000, in the case of a standby Letter of Credit, or such Letter of Credit is to be denominated in a currency other than Dollars;

(F) the conditions precedent set forth in Section 4.02 are not satisfied with respect to such L/C Credit Extension as of the date of such L/C Credit Extension;

(G) any Lender is at that time a Defaulting Lender, unless the applicable L/C Issuer has entered into arrangements, including the delivery of Cash Collateral, satisfactory to the applicable L/C Issuer (in its sole discretion) with the Borrower or such Lender to eliminate the applicable L/C Issuer's actual or potential Fronting Exposure (after giving effect to Section 2.16(a)(iv)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which the applicable L/C Issuer has actual or potential Fronting Exposure, as it may elect in its sole discretion; or

(H) such Letter of Credit is not a standby Letter of Credit unless consented to by the applicable L/C Issuer.

(iii) No L/C Issuer shall be under any obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(iv) Each L/C Issuer shall act on behalf of the Revolving Credit Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each L/C Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article IX with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article IX included each L/C Issuer with respect to such acts or omissions and (B) as additionally provided herein with respect to each L/C Issuer.

(v) It is agreed that, in the case of the issuance of any commercial or documentary Letter of Credit, such commercial or documentary Letter of Credit shall in no event provide for time drafts or bankers' acceptances.

(b) Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit.

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the applicable Borrower delivered to the applicable L/C Issuer (with a copy to the Administrative Agent) in the form of a Letter of Credit Application appropriately completed and signed by a Responsible Officer of such Borrower. Such Letter of Credit Application must be received by the applicable L/C Issuer and the Administrative Agent not later than 2:00 p.m. (Local Time) at least three (3) Business Days (or such later date and time as such L/C Issuer, the Administrative Agent and such Borrower may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the applicable L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount thereof; (C) the type thereof; (D) the expiry date thereof; (E) the name and address of the beneficiary thereof; (F) the documents to be presented by such beneficiary in case of any drawing thereunder; (G) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; (H) the currency in which such Letter of Credit is to be denominated; (I) whether the Letter of Credit is issued for the account of the Borrower or a Restricted Subsidiary (and identifying such Restricted Subsidiary); provided that the applicable Borrower shall be a co-applicant, and shall be jointly and severally liable, with respect to each Letter of Credit issued for the account of a Restricted Subsidiary; and (J) such other matters as the applicable L/C Issuer may reasonably request (including the form of the requested Letter of Credit). In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the applicable L/C Issuer (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the proposed amendment; and (4) such other matters as the applicable L/C Issuer may reasonably request.

(ii) Promptly after receipt of any Letter of Credit Application, the applicable L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Application from the applicable Borrower and, if not, such L/C Issuer will provide the Administrative Agent with a copy thereof. Upon receipt by such L/C Issuer of confirmation from the Administrative Agent that the requested L/C Credit Extension is permitted in accordance with the terms hereof (including the satisfaction of the conditions precedent set forth in Section 4.02), then, subject to the terms and conditions hereof, such L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of such Borrower or a Restricted Subsidiary or enter into the applicable amendment, as the case may be. Immediately upon the issuance of each Letter of Credit, each Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the applicable L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of such Lender's Pro Rata Share of the Revolving Credit Facilities times the amount of such Letter of Credit.

(iii) If a Borrower so requests in any applicable Letter of Credit Application, the applicable L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an "***Auto-Extension Letter of Credit***"); provided that any such Auto-Extension Letter of Credit must permit such L/C Issuer to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "***Non-Extension Notice Date***") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the applicable L/C Issuer, such Borrower shall not be required to make a specific request to such L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the applicable L/C Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date of the applicable L/C Issuer; provided, however, that such L/C Issuer shall have no obligation to permit any such extension if (A) such L/C Issuer has determined that it would have no obligation at such time to issue such Letter of Credit in its extended form under the terms hereof (by reason of the provisions of Section 2.03(a)(ii) or otherwise) or (B) it has received notice (which may be by telephone (if promptly confirmed in writing) or in writing) on or before the day that is five (5) Business Days before the Non-Extension Notice Date from the Administrative Agent or, if no Default or Event of Default is continuing, such Borrower that one or more of the applicable conditions specified in Section 4.02 is not then satisfied.

(iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the applicable L/C Issuer will also deliver to the applicable Borrower a true and complete copy of such Letter of Credit or such amendment and furnish to the Administrative Agent details of such Letter of Credit or such amendment. The Administrative Agent will promptly notify each Revolving Credit Lender of such issuance or amendment and the amount of such Revolving Credit Lender's Pro Rata Share therein, and upon a specific request by any Revolving Credit Lender, furnish to such Revolving Credit Lender details of such Letter of Credit or such amendment.

(c) Drawings and Reimbursements; Funding of Participations.

(i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the applicable L/C Issuer shall notify the applicable Borrower and the Administrative Agent thereof. If such L/C Issuer notifies the Borrower of such payment prior to 11:00 a.m. (Local Time) on the date of any payment by such L/C Issuer under a Letter of Credit (each such date, an "***Honor Date***"), the Borrower shall reimburse on such day (or the next succeeding Business Day, as provided below) the applicable L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing; provided that if such notice is not provided to the Borrower prior to 11:00 a.m. (Local Time) on the Honor Date, then the Borrower shall reimburse such L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing on the next succeeding Business Day and such extension of time shall be reflected in computing fees and interest (including interest accruing from and after the date of drawing to but excluding the date of reimbursement (if not reimbursed on the date of drawing)) at the *per annum* rate of interest applicable to a Revolving Credit Loan that is a Base Rate Loan in respect of any such Letter of Credit. If such Borrower fails to so reimburse such L/C Issuer by such time, the Administrative Agent shall promptly notify each Revolving Credit Lender of the Honor Date, the amount of the unreimbursed drawing (the "***Unreimbursed Amount***"), and the amount of such Revolving Credit Lender's Pro Rata Share thereof. In such event, such Borrower shall be deemed to have requested a Revolving Credit Borrowing of Base Rate Loans with respect to each Letter of Credit to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02, but subject to (x) the amount of the unutilized portion of the Revolving Credit Commitments and (y) the conditions set forth in Section 4.02 (other than the delivery of a Committed Loan Notice). Any notice given by an L/C Issuer or the Administrative Agent pursuant to this Section 2.03(c)(i) may be given by telephone if promptly confirmed in writing; provided that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Revolving Credit Lender (including each Lender acting as an L/C Issuer) shall upon any notice pursuant to Section 2.03(c)(i) make funds available (and the Administrative Agent may apply Cash Collateral provided for this purpose) for the account of the applicable L/C Issuer at the Administrative Agent's Office in an amount equal to its Pro Rata Share of the Unreimbursed Amount not later than 1:00 p.m. (Local Time) on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03(c)(iii), each Revolving Credit Lender that so makes funds available shall be deemed to have made a Base Rate Loan with respect to each Letter of Credit to the applicable Borrower in such amount. The Administrative Agent shall promptly remit the funds so received to the applicable L/C Issuer.

(iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Revolving Credit Borrowing of Base Rate Loans with respect to each Letter of Credit because the conditions set forth in Section 4.02 cannot be satisfied or for any other reason, the applicable Borrower shall be deemed to have incurred from the applicable L/C Issuer an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate. In such event, each Revolving Credit Lender's payment to the Administrative Agent for the account of the applicable L/C Issuer pursuant to Section 2.03(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(iv) Until each Revolving Credit Lender funds its Revolving Credit Loan or L/C Advance pursuant to this Section 2.03(c) to reimburse the applicable L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Pro Rata Share of such amount shall be solely for the account of such L/C Issuer.

(v) Each Revolving Credit Lender's obligation to make Revolving Credit Loans or L/C Advances to reimburse the applicable L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against such L/C Issuer, any Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or an Event of Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.03(c) is subject to the conditions set forth in Section 4.02 (other than delivery by the applicable Borrower of a Committed Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligation of a Borrower to reimburse the applicable L/C Issuer for the amount of any payment made by the applicable L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the applicable L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in Section 2.03(c)(ii), then, without limiting the other provisions of this Agreement, such L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at a rate *per annum* equal to the greater of the Federal Funds Rate from time to time in effect and a rate reasonably determined by such L/C Issuer in accordance with banking industry rules on interbank compensation, plus any reasonable administrative, processing or similar fees customarily charged by such L/C Issuer in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Loan included in the relevant Borrowing or L/C Advance in respect of the relevant L/C Borrowing, as the case may be. A certificate of the applicable L/C Issuer submitted to any Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(c)(vi) shall be conclusive absent manifest error.

(d) Repayment of Participations.

(i) If, at any time after an L/C Issuer has made a payment under any Letter of Credit issued by it and has received from any Revolving Credit Lender such Lender's L/C Advance in respect of such payment in accordance with Section 2.03(c), if the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the applicable Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Pro Rata Share thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the same funds as those received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of an L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by such

L/C Issuer in its discretion), each Revolving Credit Lender shall pay to the Administrative Agent for the account of such L/C Issuer its Pro Rata Share thereof on demand of such L/C Issuer or the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by the Administrative Agent or such L/C Issuer, at a rate *per annum* equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Obligations Absolute. The obligation of each Borrower to reimburse the applicable L/C Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement or any other agreement or instrument relating thereto;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that any Borrower may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the applicable L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the applicable L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not comply with the terms of such Letter of Credit; or any payment made by the applicable L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(v) any exchange, release or nonperfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other Guarantee, for all or any of the Obligations of any Borrower in respect of such Letter of Credit;

(vi) any adverse change in the relevant exchange rates or in the availability of the relevant currency to any Borrower or in the relevant currency markets generally; or

(vii) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Borrower.

(f) Role of L/C Issuer. Each Lender and each Borrower agree that, in paying any drawing under a Letter of Credit, the applicable L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of

the Person executing or delivering any such document. None of the applicable L/C Issuer, any Agent-Related Person nor any of the respective correspondents, participants or assignees of the applicable L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Revolving Credit Lenders or the Required Revolving Lenders, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct of such Person as determined by a court of competent jurisdiction in a final, non-appealable judgment; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Application. Each Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit or any proceeds thereof; provided, however, that this assumption is not intended to, and shall not, preclude such Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the applicable L/C Issuer, any Agent-Related Person, nor any of the respective correspondents, participants or assignees of such L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (vii) of Section 2.03(e); provided, however, that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against such L/C Issuer, and such L/C Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential, exemplary, special, indirect or punitive, damages suffered by such Borrower which have been determined by a court of competent jurisdiction in a final, non-appealable judgment to have been caused by such L/C Issuer's gross negligence or willful misconduct. In furtherance and not in limitation of the foregoing, the applicable L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit and such L/C Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, whether or not the same may prove to be invalid or ineffective for any reason.

(g) Applicability of ISP, UCP and Other Rules. Unless otherwise expressly agreed by the applicable L/C Issuer and the applicable Borrower or when it is amended with the consent of the beneficiary thereof, (i) with respect to each Letter of Credit that is a standby letter of credit, the rules of the ISP shall apply to such Letter of Credit that is a standby letter of credit and (ii) with respect to each Letter of Credit that is a commercial or documentary letter of credit, the rules of the UCP shall apply to such Letter of Credit that is a commercial or documentary letter of credit. Such rules as determined by the L/C Issuer in consultation with the applicable Borrower shall apply to each Letter of Credit that is a bank guarantee, guarantee, performance bond, advance payment guarantee or bond, warranty, bid guarantee or bond or any other similar guarantee, indemnity or other financial accommodation requested by such Borrower and consented to by the Administrative Agent and the applicable L/C Issuer.

(h) Letter of Credit Fees. Each Borrower shall pay to the Administrative Agent for the account of each Revolving Credit Lender in accordance with its Pro Rata Share, a Letter of Credit fee (the "***L/C Fee***") for each Letter of Credit for which such Borrower is the applicant or co-applicant, as applicable, equal to the Applicable Rate then in effect for Eurocurrency Rate Loans with respect to the Revolving Credit Facility in respect of which such Revolving Credit Lender holds Revolving Credit Commitments times the daily maximum amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases automatically pursuant to the terms of such Letter of Credit), in each case, without duplication; provided that the L/C Fee shall be increased by 2.00% *per annum* following the occurrence and during the continuation of a Specified Event of Default; provided, however, that (i) any L/C Fee otherwise payable for the account of a Defaulting Lender with respect to any Letter of Credit as to which such Defaulting Lender has not provided Cash Collateral satisfactory to the applicable

L/C Issuer pursuant to this Section 2.03 and Section 2.15 and as to which the Fronting Exposure of such Defaulting Lender has been reallocated to the other Lenders in accordance with the upward adjustments in their respective Pro Rata Shares allocable to such Letter of Credit pursuant to Section 2.16(a)(iv) shall be payable, to the maximum extent permitted by applicable Law, to the other Lenders in accordance with the upward adjustments in their respective Pro Rata Shares allocable to such Letter of Credit pursuant to Section 2.16(a)(iv), with the balance of such L/C Fee, if any, payable to the applicable L/C Issuer for its own account and (ii) for the avoidance of doubt, the L/C Fee shall be due and payable in full regardless of whether all or a portion of the Letters of Credit outstanding have been Cash Collateralized. Such L/C Fee shall be computed on a quarterly basis in arrears. Such L/C Fee shall be due and payable in Dollars on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. If there is any change in the Applicable Rate during any quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(i) Fronting Fee Payable to an L/C Issuer. Each Borrower shall pay directly to the applicable L/C Issuer for its own account customary fees, costs and charges upon the issuance, amendment or extension of any Letter of Credit at the then prevailing rates; provided that a fronting fee in Dollars with respect to each Letter of Credit issued by such L/C Issuer for which such Borrower is the applicant or co-applicant, as applicable, may not be payable at a rate greater than 0.125% *per annum* of the daily face amount of such Letter of Credit (and it is agreed that the fronting fee payable to any L/C Issuer hereunder shall be 0.125% *per annum* unless otherwise agreed to by such L/C Issuer). Such fronting fee shall be due and payable on the last Business Day of each March, June, September and December in respect of the most recently ended quarterly period (or portion thereof, in the case of the first payment), commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. In addition, the Borrower shall pay directly to the applicable L/C Issuer for its own account and to each of its correspondents in relation to any such Letter of Credit or any drawing thereunder the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such L/C Issuer or such correspondent relating to Letters of Credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within fifteen (15) Business Days of demand and are nonrefundable.

(j) Other Letters of Credit. A Borrower shall request a Letter of Credit pursuant to clause (b) of the definition thereof by notifying each of the Administrative Agent and the applicable L/C Issuer in writing not later than 11:00 a.m. (Local Time) at least ten (10) Business Days (or such later date and time as such L/C Issuer, the Administrative Agent and the Borrower may agree in a particular instance in their sole discretion) prior to the proposed issuance date of such Letter of Credit of its request for such issuance and specifying in such notice (i) the proposed issuance date of such Letter of Credit (which shall be a Business Day); (ii) the proposed amount thereof; (iii) the proposed type thereof; (iv) the proposed expiry date thereof; (v) the proposed name and address of the beneficiary thereof; (vi) the proposed documents to be presented by such beneficiary in case of any drawing thereunder; (vii) the proposed full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and (viii) the proposed currency in which such Letter of Credit is to be denominated. Each of the Administrative Agent and the applicable L/C Issuer may, in its sole discretion, agree to such Letter of Credit by notifying such Borrower in writing not later than 11:00 a.m. (Local Time) at least five (5) Business Days prior to the proposed issuance date of such Letter of Credit (or such later date and time as such L/C Issuer, the Administrative Agent and such Borrower may agree in a particular instance in their sole discretion); provided that (A) the consent of each of the Administrative Agent and the applicable L/C Issuer shall be required with respect to each such Letter of Credit, which consent may be withheld in the Administrative Agent's and the applicable L/C Issuer's discretion and (B) if the Administrative Agent or the applicable L/C Issuer shall not have notified such Borrower within

such time period, the Administrative Agent or the applicable L/C Issuer shall be deemed to have declined to consent to such Letter of Credit. None of the Administrative Agent or any L/C Issuer shall be obligated to consent to such Letter of Credit, unless it so consents in its sole discretion.

(k) [Reserved].

(l) Conflict with Letter of Credit Application. In the event of any conflict between the terms hereof and the terms of any Letter of Credit Application, the terms hereof shall control.

(m) Additional L/C Issuers. The Borrower may, at any time and from time to time with the consent of the Administrative Agent (which consent shall not be unreasonably withheld) and such Revolving Credit Lender, designate one or more additional Revolving Credit Lenders to act as an L/C Issuer under the terms of this Agreement. Any Revolving Credit Lender designated as an L/C Issuer pursuant to this Section 2.03(m) shall be deemed to be an "L/C Issuer" (in addition to being a Revolving Credit Lender) in respect of Letters of Credit issued or to be issued (or, in the case of Letters of Credit issued by such Revolving Credit Lender to Persons acquired by the Borrower in Permitted Acquisitions, rolled over into this Agreement) by such Revolving Credit Lender, and, with respect to such Letters of Credit, the term "L/C Issuer" shall thereafter apply to the other L/C Issuers and such Revolving Credit Lender. The acceptance of any designation as an L/C Issuer hereunder by a Revolving Credit Lender shall be evidenced by an agreement entered into by such Revolving Credit Lender, in a form reasonably satisfactory to the Borrower and the Administrative Agent, and, from and after the effective date of such agreement, (i) such Revolving Credit Lender shall have all the interests, rights and obligations of an L/C Issuer under this Agreement and the other Loan Documents and (ii) references herein and in the other Loan Documents to the term "L/C Issuer" shall be deemed to refer to such Revolving Credit Lender in addition to any other L/C Issuers, as the context shall require. The Administrative Agent shall notify the Revolving Credit Lenders of any such additional L/C Issuer. The definition of "Applicable L/C Sublimit" shall be amended by the Borrowers and the Administrative Agent to reflect the share of the Letter of Credit Sublimit of such newly designated L/C Issuer and (if applicable) the corresponding proportionate decrease in the share of the Letter of Credit Sublimit of the other L/C Issuers.

(n) Resignation or Replacement of an L/C Issuer. Any L/C Issuer may resign at any time by giving thirty (30) days' prior written notice to the Administrative Agent, the Lenders and each Borrower. An L/C Issuer may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced L/C Issuer (provided that the replaced L/C Issuer shall not be required to execute or deliver any written agreement if the replaced L/C Issuer has no Letters of Credit or reimbursement obligations with respect thereto outstanding) and the successor L/C Issuer. On the date of effectiveness of such resignation, the applicable Borrower shall pay all accrued and unpaid fees to the resigning L/C Issuer pursuant to Section 2.03(i). After its resignation as an L/C Issuer hereunder, (i) the resigning L/C Issuer shall remain a party hereto and shall continue to have all the rights and obligations of an L/C Issuer set forth in this Agreement and the other Loan Documents with respect to Letters of Credit issued by it prior to such resignation or removal, but, after receipt by the Administrative Agent, the Lenders and each Borrower of notice of resignation from an L/C Issuer, such L/C Issuer shall not be required, and shall be discharged from its obligations, to issue additional Letters of Credit or extend or increase the amount of Letters of Credit then outstanding, without affecting its rights and obligations with respect to Letters of Credit previously issued by it, and (ii) the provisions of Article IX and Sections 10.04 and 10.05 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was an L/C Issuer under this Agreement. The Administrative Agent shall notify the Revolving Credit Lenders of any such replacement of an L/C Issuer or any such additional L/C Issuer.

2.04 [Reserved].

2.05 Prepayments.

(a) Optional.

(i) Generally. The Borrower may, upon notice to the Administrative Agent substantially in the form of Exhibit R hereof (or in a writing in any other form acceptable to the Administrative Agent (each a "***Notice of Prepayment/Commitment Reduction***"), at any time or from time to time voluntarily prepay any Class of Loans in whole or in part without premium or penalty (subject to Section 2.05(d)); provided that (A) such Notice of Prepayment/Commitment Reduction must be received by the Administrative Agent not later than (x) 2:00 p.m. (Local Time) three (3) Business Days prior to any date of prepayment of Eurocurrency Rate Loans and (y) 2:00 p.m. (Local Time) one (1) Business Day prior to the date of prepayment of Base Rate Loans; (B) any prepayment of Eurocurrency Rate Loans shall be in a principal amount of $1,000,000 or a whole multiple of $100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding; and (C) any prepayment of Base Rate Loans shall be in a principal amount of $500,000 or a whole multiple of $100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding. Each such Notice of Prepayment/Commitment Reduction shall specify the date and amount of such prepayment and the Type(s) and Class(es) of Loans to be prepaid and, if Eurocurrency Rate Loans are to be prepaid, the Interest Period(s) of such Loans. The Administrative Agent will promptly notify each applicable Lender of its receipt of each such Notice of Prepayment/Commitment Reduction, and of the amount of such Lender's ratable portion of such prepayment (based on such Lender's Pro Rata Share of the relevant Facility). If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such Notice of Prepayment/Commitment Reduction shall be due and payable on the date specified therein. Any prepayment of a Eurocurrency Rate Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.05. Subject to Section 2.16 each prepayment of the outstanding Term Loans pursuant to this Section 2.05(a) shall be applied in direct order of maturities to the principal repayment installments (or proportional fractions thereof) applicable to each of the Term Loans pursuant to Section 2.07(a) or (b) of the applicable Class or as otherwise directed by the Borrower, and each such prepayment shall be paid to the Lenders in accordance with their respective Pro Rata Shares. All prepayments under this Section 2.05(a)(i) shall be subject to Section 2.05(d).

(ii) [Reserved].

(iii) Notice. Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any Notice of Prepayment/Commitment Reduction under Section 2.05(a)(i) or (ii) if such prepayment would have resulted from a refinancing of the Facilities or other contingent transaction, which refinancing or transaction shall not be consummated or shall otherwise be delayed.

(iv) Voluntary Non-Pro-Rata Prepayments.

(A) Notwithstanding anything to the contrary herein, any Borrower Purchasing Party shall have the right at any time and from time to time to prepay any Class of Term Loans at a discount to the par value of such Term Loans and on a non *pro rata* basis (each, a "***Discounted Voluntary Prepayment***") without premium or penalty (but subject to Section 3.05) pursuant to the procedures described in this Section 2.05(a)(iv); provided that, on the date of any such Discounted Voluntary

Prepayment, such Borrower Purchasing Party shall deliver to the Administrative Agent a certificate of a Responsible Officer stating (1) that no Event of Default has occurred and is continuing or would result from the Discounted Voluntary Prepayment (after giving effect to any related waivers or amendments obtained in connection with such Discounted Voluntary Prepayment), (2) that each of the conditions to such Discounted Voluntary Prepayment contained in this Section 2.05(a)(iv) has been satisfied, (3) the aggregate principal amount of Term Loans so prepaid pursuant to such Discounted Voluntary Prepayment, and (4) that such Borrower Purchasing Party shall not use the proceeds of any Credit Extension under the Revolving Credit Facility to acquire such Term Loans.

(B) To the extent any Borrower Purchasing Party seeks to make a Discounted Voluntary Prepayment, such Borrower Purchasing Party will provide written notice to the Administrative Agent substantially in the form of Exhibit L hereto (each, a "***Discounted Prepayment Option Notice***") that such Borrower Purchasing Party desires to prepay Term Loans in an aggregate principal amount specified therein by such Borrower Purchasing Party (each, a "***Proposed Discounted Prepayment Amount***"), in each case at a discount to the par value of such Term Loans as specified below. The Proposed Discounted Prepayment Amount of Term Loans shall be in a principal amount of $1,000,000 or a whole multiple of $1,000,000 in excess thereof. The Discounted Prepayment Option Notice shall further specify with respect to the proposed Discounted Voluntary Prepayment: (1) the Proposed Discounted Prepayment Amount for the Term Loans, (2) a discount range (which may be a single percentage) selected by such Borrower Purchasing Party with respect to such proposed Discounted Voluntary Prepayment equal to a percentage of par of the principal amount of Term Loans (the "***Discount Range***"); provided that such Borrower Purchasing Party may elect not to include a Discount Range in the Discounted Prepayment Option Notice, and (3) the date by which Lenders are required to indicate their election to participate in such proposed Discounted Voluntary Prepayment which shall be at least five (5) Business Days following the date of the Discounted Prepayment Option Notice (the "***Acceptance Date***").

(C) Upon receipt of a Discounted Prepayment Option Notice, the Administrative Agent shall promptly notify all Term Lenders. On or prior to the Acceptance Date, each such Term Lender may specify by written notice substantially in the form of Exhibit M hereto (each, a "***Lender Participation Notice***") to the Administrative Agent (1) a maximum discount to par (the "***Acceptable Discount***"), which Acceptable Discount shall be within the Discount Range, if a Discount Range is specified in the Discounted Prepayment Option Notice (for example, a Lender specifying a discount to par of 20% would accept a purchase price of 80% of the par value of the Term Loans to be prepaid), and (2) a maximum principal amount (subject to rounding requirements specified by the Administrative Agent) of Term Loans held by such Lender with respect to which such Lender is willing to permit a Discounted Voluntary Prepayment at the Acceptable Discount (the "***Offered Loans***"). Based on the Acceptable Discounts and principal amounts of the Offered Loans specified by the Lenders in the applicable Lender Participation Notice, the Administrative Agent and the applicable Borrower Purchasing Party, acting jointly, shall determine the applicable discount for the Term Loans (the "***Applicable Discount***"), which Applicable Discount shall be (I) the percentage specified by such Borrower Purchasing Party if such Borrower Purchasing Party has selected a single percentage pursuant to clause (B) above for the Discounted Voluntary Prepayment or (II) otherwise, the highest Acceptable Discount at which such Borrower Purchasing Party can pay the Proposed Discounted Prepayment Amount in full (determined by adding the principal amounts of Offered Loans commencing with the Offered Loans with the highest

Acceptable Discount); provided, however, that in the event that such Proposed Discounted Prepayment Amount cannot be repaid in full at any Acceptable Discount, the Applicable Discount shall be (x) the highest Acceptable Discount within the Discount Range or (y) if no Discount Range was specified in the Discounted Prepayment Option Notice, the highest Acceptable Discount acceptable to such Borrower Purchasing Party. The Applicable Discount shall be applicable for all Lenders who have offered to participate in the Discounted Voluntary Prepayment and have Qualifying Loans. Any Lender with outstanding Term Loans whose Lender Participation Notice is not received by the Administrative Agent by the Acceptance Date shall be deemed to have declined to accept a Discounted Voluntary Prepayment of any of its Term Loans at any discount to their par value within the Applicable Discount.

(D) The applicable Borrower Purchasing Party shall make a Discounted Voluntary Prepayment by prepaying those Term Loans (or the respective portions thereof) offered by the Lenders ("***Qualifying Lenders***") that specify an Acceptable Discount that is equal to or greater than the Applicable Discount ("***Qualifying Loans***") at the Applicable Discount; provided that if the aggregate proceeds required to prepay all Qualifying Loans (disregarding any interest payable at such time) would exceed the amount of aggregate proceeds required to prepay the Proposed Discounted Prepayment Amount, such amounts in each case calculated by applying the Applicable Discount, such Borrower Purchasing Party shall prepay such Qualifying Loans ratably among the Qualifying Lenders based on their respective principal amounts of such Qualifying Loans (subject to rounding requirements specified by the Administrative Agent). If the aggregate proceeds required to prepay all Qualifying Loans (disregarding any interest payable at such time) would be less than the amount of aggregate proceeds required to prepay the Proposed Discounted Prepayment Amount, in each case calculated by applying the Applicable Discount, such Borrower Purchasing Party shall prepay all Qualifying Loans. In connection with each Discounted Voluntary Prepayment pursuant to this Section 2.05(a)(iv), each Qualifying Lender acknowledges and agrees that in connection therewith, (1) such Lender has independently and, without reliance on the Borrower, any of its Subsidiaries, the Administrative Agent or any of their respective Affiliates, made its own analysis and determination to participate in such prepayment and (2) none of the Borrower, the other Loan Parties or the Sponsor or any of their respective Affiliates shall be required to make any representation that it is not in possession of material non-public information regarding Holdings, the Sponsor and their respective Affiliates.

(E) Each Discounted Voluntary Prepayment shall be made within five (5) Business Days of the Acceptance Date (or such later date as the Administrative Agent and the applicable Borrower Purchasing Party shall reasonably agree, given the time required to calculate the Applicable Discount and determine the amount and holders of Qualifying Loans), without premium or penalty (except as set forth in Section 3.05), upon irrevocable notice substantially in the form of Exhibit N hereto (each a "***Discounted Voluntary Prepayment Notice***"), delivered to the Administrative Agent no later than 12:00 noon (Local Time), one (1) Business Day prior to the date of such Discounted Voluntary Prepayment, which notice shall specify the date and amount of the Discounted Voluntary Prepayment and the Applicable Discount determined by the Administrative Agent. Upon receipt of any Discounted Voluntary Prepayment Notice the Administrative Agent shall promptly notify each relevant Lender thereof. If any Discounted Voluntary Prepayment Notice is given, the amount specified in such notice shall be due and payable to the applicable Qualifying Lenders, subject to the Applicable Discount on the applicable Term Loans, on the date specified therein together with accrued interest (on the par principal amount) to but not including such date on the amount prepaid.

(F) To the extent not expressly provided for herein, each Discounted Voluntary Prepayment shall be consummated pursuant to procedures (including as to timing, rounding, minimum amounts, Type and Interest Periods and calculation of the Applicable Discount in accordance with clause (C) above) established by the Administrative Agent in consultation with the applicable Borrower Purchasing Party.

(G) Prior to the delivery of a Discounted Voluntary Prepayment Notice, upon written notice to the Administrative Agent, (1) the applicable Borrower Purchasing Party may withdraw its offer to make a Discounted Voluntary Prepayment pursuant to any Discounted Prepayment Option Notice and (2) any Lender may withdraw its offer to participate in a Discounted Voluntary Prepayment pursuant to any Lender Participation Notice.

(H) For the avoidance of doubt, each Discounted Voluntary Prepayment shall, for purposes of this Agreement, be deemed to be an automatic and immediate cancellation and extinguishment of the Term Loans prepaid. With respect to each Discounted Voluntary Prepayment, (1) the applicable Borrower Purchasing Party shall pay all accrued and unpaid interest, if any, on the par principal amount of the applicable Term Loans to the date of the Discounted Voluntary Prepayment and, if any Eurocurrency Rate Loan is prepaid on a date other than the last day of the Interest Period applicable thereto, such Borrower Purchasing Party shall also pay any amounts owing pursuant to Section 3.05 and (2) such Discounted Voluntary Prepayment shall not change the scheduled amortization of the Term Loans required by Section 2.07, except to reduce the amount outstanding and due and payable on the Maturity Date of the Class of Term Loans subject to such Discounted Voluntary Prepayment (and such reduction, for the avoidance of doubt, shall only apply, on a non-pro rata basis, to the Term Loans that are the subject of such Discounted Voluntary Prepayment).

In connection with any voluntary prepayment of any Class of Loans pursuant to this Section 2.05(a), such prepayment shall be applied first to Base Rate Loans to the full extent thereof before application to Eurocurrency Rate Loans, in each case in a manner that minimizes the amount of any payments required to be made by a Borrower pursuant to Section 3.05.

(b) Mandatory.

(i) Excess Cash Flow. In respect of any Excess Cash Flow Period, within ten (10) Business Days after financial statements have been (or were required to be) delivered pursuant to Section 6.01(a) and the related Compliance Certificate has been (or was required to be) delivered pursuant to Section 6.02(a), the Borrower shall, subject to Section 2.05(c), prepay an aggregate principal amount of Term Loans in an amount equal to (A) 50% (as may be adjusted pursuant to the final proviso below) of Excess Cash Flow for the Excess Cash Flow Period covered by such financial statements, minus (B) the aggregate amount of voluntary principal prepayments of the Loans pursuant to Section 2.05(a)(i) (except prepayments of Revolving Credit Loans unless accompanied by a corresponding permanent commitment reduction of the Revolving Credit Facility) and any premium or penalty payments paid in cash in connection therewith, minus (C) the principal amount of Term Loans prepaid pursuant to all Discounted Voluntary Prepayments under Section 2.05(a)(iv) and all open market repurchases of Term Loans pursuant to

Section 10.07(i) in each case, based on the par amount thereof, minus (D) the aggregate amount of voluntary principal prepayments (including the principal amount of such Indebtedness repaid or purchased at a discount, so long as such Indebtedness is retired or cancelled) of any other Indebtedness secured by the Collateral (except prepayments of revolving Indebtedness unless accompanied by a corresponding permanent commitment reduction in respect thereof) and any premium or penalty payments paid in cash in connection therewith, minus (E) Capital Expenditures made in cash, minus (F) cash used to consummate any Permitted Acquisition or Investment, including any cash payments made in respect of Incentive Arrangements from the Transactions or Permitted Acquisitions consummated in a prior fiscal year, and other Investments actually made and permitted under Section 7.02 (other than pursuant to clauses (a), (c), (h), (m), (r) and (ee)), minus (G) Restricted Payments made in cash by Holdings, to the extent such Restricted Payments are permitted to be made by the Borrower and its Restricted Subsidiaries under Section 7.06(e), (f), (h), (i), (j) or (k) (in the case of clauses (B), (C), (D), (E), (F), (G), (H) and (I), to the extent such payments or prepayments are made (or, in the case of clauses (E) and (F), committed to be made) prior to the date of such Excess Cash Flow payment (but without including in clauses (B), (C), (D), (E), (F), (G), (H) and (I) any amount included therein in any prior period), except to the extent financed with the proceeds of long-term Indebtedness (excluding any revolving facility)), minus (G) $10,000,000, minus (H) cash Restructuring Charges, retention, recruiting, relocation, severance and signing bonuses and expenses, minus (I) at the option of the Borrower, and without duplication of any amounts deducted pursuant to any of the foregoing clauses, the aggregate consideration to be paid by the Borrower and its Restricted Subsidiaries in cash pursuant to binding contracts entered into prior to the date on which such Excess Cash Flow payment is required to be made relating to Capital Expenditures and software development and capitalized development costs and Investments and Restricted Payments of the type included in clauses (F) and (G) above in each case that is certified in writing by a Responsible Officer of the Borrower to the Administrative Agent to be contractually obligated (or, in the case of Capital Expenditures, budgeted) to be paid within 365 days after such certificate (provided that (x) no such amount shall be credited against any payments due in the subsequent Excess Cash Flow Period and (y) amounts deducted pursuant to this clause (I) and not actually paid in such 365-day period shall be prepaid in the subsequent Excess Cash Flow Period); provided that to the extent any amounts pursuant to clauses (B), (C), (D), (E), (F), (G), (H) and (I) above reduce the required prepayments with respect to any Excess Cash Flow Period to an amount less than $0, such amounts in excess of $0 may be credited against the applicable percentage of Excess Cash Flow for any subsequent Excess Cash Flow Period in which the required prepayments under this Section 2.05(b) exceed $0 until such excess amount has been fully applied; provided, further, that such percentage shall be reduced to 25% or 0% if the First Lien Net Leverage Ratio as of the last day of such fiscal year was not greater than 3.75:1.00 or 3.25:1.00, respectively.

(ii) Dispositions and Casualty Events.

(A) If (x) Holdings or any Restricted Subsidiary Disposes of any Collateral pursuant to Section 7.05(o) (excluding, if any Permitted ABL Indebtedness is outstanding, any ABL Priority Collateral (as defined in the Permitted ABL Intercreditor Agreement)) or (y) any Casualty Event occurs with respect to Collateral, and any transaction or series of related transactions described in the foregoing clauses (x) and (y) results in the realization or receipt by the Borrower and its Restricted Subsidiaries of Net Cash Proceeds in excess of the greater of (x) $22.0 million and (y) 17.5% of Consolidated EBITDA of the Borrower for the most recently ended Test Period in any such transaction or series of related transactions, the Borrower shall, except to the extent the Borrower elects to reinvest all or a portion of such Net Cash Proceeds in accordance with clause (B) below, subject to Section 2.05(c), prepay an aggregate principal amount of Term Loans in an

amount equal to 100% of all such Net Cash Proceeds (such amount, after giving effect to any reinvestment pursuant to clause (B) below, the "***Required Asset Sale Prepayment Amount***") within five (5) Business Days of receipt thereof by the Borrower or such Restricted Subsidiary; provided that such percentage shall be reduced to 50% or 0% if the First Lien Net Leverage Ratio was not greater than 3.75:1.00 or 3.25:1.00, respectively, as of the last day of the most recently ended Test Period.

(B) With respect to any Net Cash Proceeds realized or received with respect to any Disposition of any Collateral pursuant to Section 7.05(o) (excluding, if any Permitted ABL Indebtedness is outstanding, any ABL Priority Collateral (as defined in the Permitted ABL Intercreditor Agreement)) or any Casualty Event (other than as specifically excluded in clause (A) above), at the option of the Borrower, and so long as no Event of Default shall have occurred and be continuing, the Borrower or the applicable Restricted Subsidiary may reinvest all or any portion of such Net Cash Proceeds in assets useful for its business within 18 months following receipt of such Net Cash Proceeds (or, if Holdings, the Borrower or the relevant Restricted Subsidiary, as applicable, has contractually committed within 18 months following receipt of such Net Cash Proceeds to reinvest such Net Cash Proceeds in the Borrower or a Restricted Subsidiary, 24 months following receipt of such Net Cash Proceeds); provided, however, that if any Net Cash Proceeds are no longer intended to be so reinvested at any time after receipt thereof or are not reinvested by the end of such period, an amount equal to any such Net Cash Proceeds shall be promptly (and in any event within five (5) Business Days) applied to the prepayment of the Term Loans as set forth in this Section 2.05; provided, further, that the Borrower may elect to deem expenditures that otherwise would be permissible reinvestments that occur prior to receipt of the proceeds of a Disposition to have been reinvested in accordance with the provisions of this Section 2.05(b)(ii)(B), so long as such deemed expenditure shall have been made not more than 18 months prior to the receipt of such Net Cash Proceeds.

(iii) Indebtedness. Upon the incurrence or issuance by Holdings or any of its Restricted Subsidiaries of any Specified Refinancing Indebtedness or Indebtedness not expressly permitted to be incurred or issued pursuant to Section 7.03, the applicable Borrower shall prepay an aggregate principal amount of Loans in an amount equal to 100% of all Net Cash Proceeds received therefrom immediately upon receipt thereof by Holdings or such Restricted Subsidiary.

(iv) Revolving Credit Commitments. If for any reason the Total Revolving Credit Outstandings at any time exceed the aggregate Revolving Credit Commitments then in effect, the Borrower shall immediately prepay Revolving Credit Loans of each Class on a *pro rata* basis (unless the Total Revolving Credit Outstandings of a given Class of Revolving Credit Commitments exceeds the aggregate Revolving Credit Commitments of such Class as a result of a non-*pro rata* voluntary reduction of Revolving Credit Commitments of such Class, in which case such prepayment of Revolving Credit Loans shall be applied first to such Class) or Cash Collateralize the L/C Obligations in an aggregate amount equal to such excess; provided, however, that the Borrower shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.05(b)(iv) unless, after the prepayment in full of the Revolving Credit Loans, the Total Revolving Credit Outstandings exceed the aggregate Revolving Credit Commitments then in effect.

(v) [Reserved].

(vi) Application of Payments. Subject to Sections 2.14(b)(iii) and 2.16, each prepayment of Loans pursuant to this Section 2.05(b) (other than Section 2.05(b)(iv)) shall be applied *pro rata* among (A) each Term Facility (including, unless otherwise provided in the documentation governing any Incremental Term Loans, any Incremental Term Loans (or, in the case of Specified Refinancing Debt, to a Facility or Facilities designated by the Borrower to be refinanced with the proceeds thereof and allocated among such Facilities, as specified by the Borrower)) (and within any Class of Term Loans on a *pro rata* basis to the applicable Term Lenders or Incremental Term Lenders of such Class) and (B) with respect to prepayments required pursuant to Section 2.05(b)(i) and (ii), at the option of the Borrower, any other Indebtedness secured on a *pari passu* basis with the Obligations if and to the extent required by the terms thereof (and any amount not so required to be used to prepay such other Indebtedness or not so opted by the Borrower shall instead be allocated to the Term Loans pursuant to the preceding clause (A)), and (i) in the case of the Initial Term Loans, to the remaining principal repayment installments of the Initial Term Loans, in direct order of maturities, or as otherwise directed by the Borrower to the remaining installments of the Initial Term Loans, and (ii) in the case of each Incremental Term Loan Tranche, as set forth in the Incremental Commitments Amendment with respect to such Incremental Term Loan Tranche, and each such prepayment shall be paid to the Term Lenders and the Incremental Term Lenders in accordance with their respective Pro Rata Shares; provided, that, notwithstanding the forgoing, Indebtedness incurred pursuant to the Inside Maturity Basket that is secured on a *pari passu* basis with the Obligations may repaid prior to the repayment of any Term Facility or other Indebtedness referred to above.

(vii) Funding Losses, Etc. All prepayments under this Section 2.05 shall be made together with, in the case of any such prepayment of a Eurocurrency Rate Loan on a date other than the last day of an Interest Period therefor, any amounts owing in respect of such Eurocurrency Rate Loan pursuant to Section 3.05. Notwithstanding any of the other provisions of Section 2.05(b), so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurocurrency Rate Loans is required to be made under Section 2.05(b)(i) or (ii) other than on the last day of the Interest Period therefor, the applicable Borrower may, in its sole discretion, deposit the amount of any such prepayment otherwise required to be made thereunder into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from such Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05(b). Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from such Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in respect of which such Cash Collateral was deposited in accordance with this Section 2.05(b).

(viii) Adverse Consequences. Notwithstanding any other provisions of this Section 2.05, (i) to the extent that any of or all the Net Cash Proceeds of any Disposition or Excess Cash Flow are prohibited or delayed by applicable local Law from being repatriated to the United States (as determined by the Borrower in good faith), the portion of such Net Cash Proceeds or such Excess Cash Flow so affected (any such portion being "***Restricted Proceeds***") will not be required to be applied to repay Loans at the times provided in this Section 2.05(b)) but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local Law will not permit repatriation to the United States, and once such repatriation of any of such Restricted Proceeds is permitted under the applicable local Law, such repatriation will be promptly effected and such repatriated Restricted Proceeds will be promptly (and in any event not later than five (5) Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Loans pursuant to this Section 2.05(b) and (ii) to

the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Disposition or Excess Cash Flow would have material adverse tax cost consequences (as determined by the Borrower in good faith) with respect to such Net Cash Proceeds or such portion of the Excess Cash Flow, as the case may be, such Net Cash Proceeds or portion of the Excess Cash Flow, as the case may be, so affected may be retained, and the amount equal to such Net Cash Proceeds or such portion of Excess Cash Flow subject to clauses (i) and (ii) above otherwise required to be applied to prepayments pursuant to Section 2.05(b) shall not be required to be applied to such prepayments unless and until such amounts are no longer Restricted Proceeds or such material adverse tax cost consequences no longer exist.

(ix) Order of Payments. Subject to adjustment for Declining Lenders pursuant to Section 2.05(c), in connection with any prepayment of any Class of Term Loans pursuant to this Section 2.05(b), such prepayment shall be applied first to Base Rate Loans to the full extent thereof before application to Eurocurrency Rate Loans, in each case in a manner that minimizes the amount of any payments required to be made by the Borrower pursuant to Section 3.05.

(c) Term Opt-out. With respect to any prepayment of any Term Facility pursuant to Section 2.05(b)(i) or (ii), any Term Lender, at its option, may elect not to accept such prepayment; provided that, for the avoidance of doubt, no such Term Lender may elect to accept a partial prepayment. Upon receipt by the Administrative Agent of any such prepayment of any Term Facility, the Administrative Agent shall promptly notify the Term Lenders of the amount available to prepay the Term Loans (the "***Prepayment Amount***") and the date on which such prepayment shall be made (the "***Prepayment Date***"), which date shall be five (5) Business Days after the date of such receipt. Any Lender declining such prepayment (a "***Declining Lender***") shall give written notice to the Administrative Agent by 11:00 a.m. (Local Time) on the Business Day immediately preceding the Prepayment Date. On the Prepayment Date, an amount equal to that portion of the Prepayment Amount accepted by the Term Lenders other than the Declining Lenders (such Lenders being the "***Accepting Lenders***") to prepay Term Loans owing to such Accepting Lenders shall be applied ratably to prepay Term Loans owing to such Accepting Lenders in the manner described in Section 2.05(b) for such prepayment. Any amounts that would otherwise have been applied to prepay Term Loans owing to Declining Lenders shall be retained by the Borrower and used for general corporate purposes (such amounts, "***Declined Amounts***").

(d) Prepayment Premium. (i) Any optional prepayment of any portion of the outstanding Term Loans made pursuant to Section 2.05(a)(i) in connection with a Repricing Transaction (including any mandatory assignment pursuant to Section 3.07 in connection therewith) and (ii) any prepayment of Term Loans pursuant to Section 2.05(b)(iii) in connection with a Repricing Transaction or any amendment to this Agreement in connection with a Repricing Transaction (in each case including any mandatory assignment pursuant to Section 3.07 in connection therewith), in the case of each of clauses (i) and (ii), on or prior to December 29, 2021 (the "***Prepayment Premium Expiration Date***"), shall be subject to a premium equal to the principal amount of Term Loans subject to such prepayment or the principal amount of Term Loans affected by such amendment (or mandatorily assigned in connection therewith), as applicable, multiplied by 1%. Any prepayment of all or any portion of the outstanding Term Loans after the Prepayment Premium Expiration Date shall not be subject to a premium.

2.06 Termination or Reduction of Commitments.

(a) Optional. The Lead Borrower may, upon delivery of a Notice of Prepayment/Commitment Reduction to the Administrative Agent, terminate the unused portions of the Letter of Credit Sublimit, the Delayed Draw Term Commitments or the Revolving Credit Commitments, or from time to time permanently reduce the unused portions of the Letter of Credit Sublimit, the Delayed

Draw Term Commitment or the Revolving Credit Commitments; provided that (i) any such notice shall be received by the Administrative Agent at least three (3) Business Days prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of $1,000,000 or any whole multiple of $1,000,000 in excess thereof, and (iii) the Lead Borrower shall not terminate or reduce (A) the Revolving Credit Facility if, after giving effect thereto and to any concurrent prepayments hereunder, the Total Revolving Credit Outstandings would exceed the Revolving Credit Facility or (B) the Letter of Credit Sublimit if, after giving effect thereto, the Outstanding Amount of L/C Obligations not fully Cash Collateralized hereunder would exceed the Letter of Credit Sublimit. Each termination or reduction in the Revolving Credit Commitments or the Delayed Draw Term Commitments under this Section 2.06(a) shall be made, at the Lead Borrower's option, to any Class of Revolving Credit Commitments or Delayed Draw Term Commitment, as applicable, outstanding on such date ratably among the applicable Lenders in accordance with their Pro Rata Shares of such Class. The Borrower shall pay to the Administrative Agent, in each case, for the account of the applicable Lenders, on the date of each termination or reduction, any fees on the amount of the Revolving Credit Commitments or Delayed Draw Term Commitments so terminated or reduced accrued to but excluding the date of such termination or reduction. Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any Notice of Prepayment/Commitment Reduction under Section 2.06(a) if such termination or reduction would have resulted from a refinancing of the Facilities or other contingent transaction, which refinancing or transaction shall not be consummated or shall otherwise be delayed.

(b) Mandatory.

(i) The aggregate Closing Date Term Commitments shall be automatically and permanently reduced to zero after the making of the Closing Date Term Borrowing on the Closing Date.

(ii) The aggregate Delayed Draw Term Commitments shall be automatically and permanently reduced (x) on the date of funding of any Delayed Draw Term Loans, by an amount equal to the Delayed Draw Term Loans that are funded on such date, and (y) to zero on the Delayed Draw Term Commitment Termination Date.

(iii) The Letter of Credit Sublimit shall automatically be reduced proportionately to any reduction or termination of unused Revolving Credit Commitments under this Section 2.06, unless otherwise requested by the Borrower and consented by the Administrative Agent and each L/C Issuer.

(iv) The aggregate Revolving Credit Commitments in respect of each Class under the Revolving Credit Facility shall be automatically and permanently reduced to zero on the Maturity Date for such Class under the Revolving Credit Facility.

(c) Application of Commitment Reductions; Payment of Fees. The Administrative Agent will promptly notify the Lenders of any termination or reduction of unused portions of the Delayed Draw Term Commitments, the Revolving Credit Commitments or the Letter of Credit Sublimit under this Section 2.06. Upon any reduction of unused Revolving Credit Commitments under any Class of the Revolving Credit Facility, the Revolving Credit Commitment of each Revolving Credit Lender under such Class of the Revolving Credit Facility shall be reduced by such Revolving Credit Lender's Pro Rata Share of the amount by which such Class of the Revolving Credit Facility is reduced (other than the termination of the Revolving Credit Commitments of any Revolving Credit Lender as provided in Section 3.07). All Revolving Commitment Fees in respect of any Class of Revolving Credit Commitments accrued until the effective date of any termination of such Class of Revolving Credit Commitments shall be paid on the effective date of such termination. All Delayed Draw Term Commitment Fees in respect of the Delayed Draw Term Commitments accrued until the effective date of any termination of such Delayed Draw Term Commitments shall be paid on the effective date of such termination.

2.07 Repayment of Loans.

(a) Closing Date Term Loans. Commencing on December 31, 2021, the Borrower shall repay to the Administrative Agent, for the ratable accounts of the applicable Term Lenders, the aggregate principal amount of all Closing Date Term Loans outstanding in consecutive quarterly installments in an amount equal to 0.25% of the original principal amount of such Closing Date Term Loans (which installments shall, to the extent applicable, be (x) reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.05, (y) increased as a result of any increase in the amount of the Closing Date Term Loans pursuant to Section 2.14 to provide for the "fungibility" thereof and (z) increased as a result of any adjustments as are necessary to provide for the "fungibility" of any Delayed Draw Term Loans with the Closing Date Term Loans (provided that, for the avoidance of doubt, no such adjustment shall result in a decrease in the amortization applicable to any Closing Date Term Loans or previously funded Delayed Draw Term Loans outstanding immediately prior to the funding of such Delayed Draw Term Loans)), with each such installment due and payable on the last day of each March, June, September and December (or, if such day is not a Business Day, on the immediately preceding Business Day) prior to the Maturity Date of such Closing Date Term Loans.

(b) Delayed Draw Term Loans. Commencing on December 31, 2021, the Borrower shall repay to the Administrative Agent, for the ratable accounts of the applicable Term Lenders, in consecutive quarterly installments a percentage (which shall not be less than 0.25%) of the initial aggregate principal amount of all Delayed Draw Term Loans that have been funded which will enable such Delayed Draw Term Loans to be "fungible" with the Closing Date Term Loans and all previously funded Delayed Draw Term Loans after giving effect to the adjustments set forth in Section 2.07(a) and this Section 2.07(b) (which installments shall, to the extent applicable, be (x) reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.05, (y) increased as a result of any increase in the amount of the Delayed Draw Term Loans pursuant to Section 2.14 to provide for the "fungibility" thereof and (z) increased as a result of the subsequent funding of any Delayed Draw Term Loans pursuant to Section 2.01(b), including any adjustments in connection therewith as are necessary to provide for the "fungibility" of such subsequently funded Delayed Draw Term Loans with the Closing Date Term Loans and any previously funded Delayed Draw Term Loans (provided that, for the avoidance of doubt, no such adjustment shall result in a decrease in the amortization applicable to any Closing Date Term Loans or previously funded Delayed Draw Term Loans outstanding immediately prior to the funding of such Delayed Draw Term Loans)), with each such installment due and payable on the last day of each March, June, September and December (or, if such day is not a Business Day, on the immediately preceding Business Day) prior to the Maturity Date of such Delayed Draw Term Loans.

(c) Incremental Term Loans. The applicable Borrower shall repay to the Administrative Agent for the ratable accounts of the applicable Incremental Term Lenders the aggregate principal amount of all Incremental Term Loans outstanding of each Incremental Term Loan Tranche in such installments as set forth in the Incremental Commitments Amendment with respect to such Incremental Term Loan Tranche (which installments shall, to the extent applicable, be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.05, or be increased as a result of any increase in the amount of the Incremental Term Loans of such Incremental Term Loan Tranche pursuant to Section 2.14 (such increased amortization payments to be calculated in the same manner (and on the same basis) as the schedule set forth in the applicable Incremental Commitments Amendment with respect to the Incremental Term Loans made as of the Incremental Commitments Effective Date with respect to such Incremental Term Loan Tranche)).

(d) Revolving Credit Loans. The Borrower shall repay to the applicable Revolving Credit Lenders on the Maturity Date for each Class of Revolving Credit Loans under the Revolving Credit Facility the aggregate principal amount of all Revolving Credit Loans of such Class outstanding on such date.

(e) Maturity Date Payments. Notwithstanding the foregoing, the final principal repayment installment of each Class of Term Loans shall be repaid on the Maturity Date for such Class of Term Loans and in any event shall be in an amount equal to the aggregate principal amount of all Term Loans of such Class outstanding on such date.

2.08 Interest.

(a) Subject to the provisions of Section 2.08(b), (i) each Eurocurrency Rate Loan that is a Term Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate *per annum* equal to the sum of (A) the Eurocurrency Rate for such Interest Period, plus (B) the Applicable Rate for Eurocurrency Rate Loans that are Term Loans; (ii) each Eurocurrency Rate Loan that is a Revolving Credit Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate *per annum* equal to the sum of (A) the Eurocurrency Rate for such Interest Period, plus (B) the Applicable Rate for Eurocurrency Rate Loans that are Revolving Credit Loans; (iii) each Base Rate Loan that is a Term Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate *per annum* equal to the sum of (A) the Base Rate, plus (B) the Applicable Rate for Base Rate Loans that are Term Loans; and (iv) each Base Rate Loan that is a Revolving Credit Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate *per annum* equal to the sum of (A) the Base Rate, plus (B) the Applicable Rate for Base Rate Loans that are Revolving Credit Loans.

(b) The applicable Borrower shall pay interest on the principal amount of all overdue Obligations hereunder (including, for the avoidance of doubt, all Obligations following the occurrence of an Event of Default pursuant to Section 8.01(f) or (g)) at a fluctuating interest rate *per annum* at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. (a) Delayed Draw Term Commitment Fee. The Borrower shall pay to the Administrative Agent for the account of each Delayed Draw Term Lender in accordance with its Pro Rata Share, a commitment fee (the "***Delayed Draw Term Commitment Fee***") in Dollars equal to the Delayed Draw Term Commitment Fee Percentage times the actual daily amount by which the aggregate Delayed Draw Term Commitments exceed the outstanding principal amount of the Delayed Draw Term Loans for the immediately preceding quarter, subject to adjustment as provided in Section 2.16. The Delayed Draw Term Commitment Fee shall accrue at all times from the Closing Date until the Delayed Draw Term

Commitment Termination Date, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December occurring prior to the Delayed Draw Term Commitment Termination Date, commencing on September 30, 2021, and on the Delayed Draw Term Commitment Termination Date. The Closing Date Term Loan Funding Fee will be in all respects fully earned, due and payable on the Closing Date and non-refundable and non-creditable thereafter and shall be netted against Closing Date Term Loans made by such Term Lender on the Closing Date.

(ii) The Borrower agrees to pay on the Closing Date to each Delayed Draw Term Lender party to this Agreement on the Closing Date, as fee compensation for the provision of the Delayed Draw Term Commitments on the Closing Date, a delayed draw closing fee (the "***Delayed Draw Term Loan Closing Fee***" and, together with the Closing Date Term Loan Funding Fee, the "***Term Loan Fee***") in an amount equal to 0.50% of the stated principal amount of such Delayed Draw Term Lender's Delayed Draw Term Commitments on the Closing Date. The Delayed Draw Term Loan Closing Fee will be in all respects fully earned, due and payable on the Closing Date and non-refundable and non-creditable thereafter and shall be netted against Closing Date Term Loans made by such Delayed Draw Term Lender on such date.

(d) Other Fees.

(i) The Borrower shall pay to the Arrangers, the Administrative Agent and the Collateral Agent for their own respective accounts fees in the amounts and at the times specified in the Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

(ii) The Borrower shall pay to the Lenders such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

2.10 Computation of Interest and Fees; Retroactive Adjustments of Applicable Rate.

(a) All computations of interest for Base Rate Loans shall be made on the basis of a year of three hundred and sixty-five (365) or three hundred and sixty-six (366) days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a three hundred and sixty (360) day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a three hundred and sixty-five (365) day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one (1) day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

(b) If, as a result of any restatement of or other adjustment to the financial statements of the Borrower or for any other reason, the Borrower or the Lenders determine that (i) the First Lien Net Leverage Ratio as calculated by the Borrower as of any applicable date was inaccurate and (ii) a proper calculation of the First Lien Net Leverage Ratio would have resulted in higher pricing or fees for such period, (A) the Borrower shall promptly deliver to the Administrative Agent a corrected Compliance Certificate for the applicable period, (B) the Applicable Rate and the Revolving Commitment Fee Percentage shall each be recalculated with the First Lien Net Leverage Ratio at the corrected level, and (C) the applicable Borrower shall retroactively promptly pay to the Administrative Agent for the account of the applicable Lenders or the applicable L/C Issuer as the case may be, an amount equal to the excess of the amount of interest and fees that should have been paid for such period over the amount of interest and fees actually paid for such period. This paragraph shall not limit the rights of the Administrative Agent, any applicable Lender or the applicable L/C Issuer, as the case may be, under Section 2.03(c)(iii), 2.03(h), 2.03(i), 2.08(b) or under Article VIII. The Borrower's obligations under this paragraph shall survive the termination of the Aggregate Commitments and the repayment of all other Obligations hereunder.

2.11 Evidence of Indebtedness.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender in the ordinary course of business. The accounts or records maintained by each Lender shall be *prima facie* evidence of the amount of the Credit Extensions made by the Lenders to the applicable Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit the obligation of such Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the Register, the Register shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the applicable Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), Class (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in Section 2.11(a), each Lender shall maintain in accordance with its usual practice accounts or records evidencing the purchases and sales by such Lender of participations in Letters of Credit. In the event of any conflict between the Register and the accounts and records of any Lender in respect of such matters, the Register shall control in the absence of manifest error.

(c) Entries made in good faith by each Lender in its account or accounts pursuant to Sections 2.11(a) and (b) shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from a Borrower to such Lender under this Agreement and the other Loan Documents; provided that the failure of such Lender to make an entry, or any finding that an entry is incorrect, in such account or accounts shall not limit the obligations of such Borrower under this Agreement and the other Loan Documents.

2.12 Payments Generally; Administrative Agent's Clawback.

(a) General. Subject to Section 3.01, all payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, in each case, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in the same currency in which the loans relating to such payment have been made (or otherwise in Dollars) in immediately available funds not later than 2:00 p.m. (Local Time) on the date specified herein; provided that if all Obligations are paid in full and the Credit Agreement is terminated, the Administrative Agent may, in its sole discretion, agree to a later time of day for prepayment. The Administrative Agent will promptly distribute to each Lender its Pro Rata Share in respect of the relevant Facility (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received after 2:00 p.m. (Local Time) (or such later time that may be agreed to by the Administrative Agent in accordance with the proviso to the first sentence of this Section) shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; provided, however, that if such extension would cause payment of interest on or principal of Eurocurrency Rate Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(b) Funding and Payments.

(i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to 12:00 noon (Local Time) on the date of a Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 (and may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount). In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the applicable Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the applicable Borrower to but excluding the date of payment to the Administrative Agent, at (x) in the case of a payment to be made by such Lender, the greater of the Federal Funds Rate and a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any reasonable administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing, and (y) in the case of a payment to be made by the applicable Borrower, the interest rate applicable to Base Rate Loans. If the applicable Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable

Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) Payments by Borrower; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or an L/C Issuer hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Appropriate Lenders or the applicable L/C Issuer, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Appropriate Lenders or the applicable L/C Issuer, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such L/C Issuer, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

A notice of the Administrative Agent to any Lender or the applicable Borrower with respect to any amount owing under this Section 2.12(b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the applicable Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender on demand, without interest.

(d) Obligations of the Lenders Several. The obligations of the Lenders hereunder to make Term Loans and Revolving Credit Loans, to fund participations in Letters of Credit and to make payments pursuant to Section 9.07 are several and not joint. The failure of any Lender to make any Loan or to fund any such participation or to make any payment under Section 9.07 on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or to purchase its participation or to make its payment under Section 9.07.

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Insufficient Funds. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, L/C Borrowings, interest and fees then due hereunder, such funds shall be applied (i) first, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, toward payment of principal (including L/C Borrowings) then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal (including L/C Borrowings) then due to such parties.

(g) Unallocated Funds. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share of the sum of (x) the Outstanding Amount of all Loans outstanding at such time and (y) the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

2.13 Sharing of Payments. If, other than as expressly provided elsewhere herein (including the application of funds arising from the existence of a Defaulting Lender), any Lender shall obtain on account of the Loans made by it, or the participations in L/C Obligations, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact and (b) purchase from the other Lenders such participations in the Loans made by them or such subparticipations in the participations in L/C Obligations as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Loans or such participations, as the case may be, *pro rata* with each of them; provided, however, that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. Each Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of such Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased. For the avoidance of doubt, the provisions of this Section shall not be construed to apply to the prepayments pursuant to Section 2.05(a)(iv) or Section 2.05(b)(iii) (out of proceeds of Specified Refinancing Debt), the implementation of any Incremental Commitments Amendment, the application of Cash Collateral provided for in Section 2.15 or the assignments and participations described in Section 10.07.

2.14 Incremental Facilities.

(a) Upon written notice to the Administrative Agent (which shall promptly notify the Lenders), at any time after the Closing Date, the Borrower may request (i) one or more additional tranches of term loans or increases in any then-existing Term Facility (each an "***Incremental Term Commitment***" and all of them, collectively, the "***Incremental Term Commitments***") and (ii) one or more additional tranches of revolving commitments or increases in the aggregate amount of any Class of Revolving Credit Commitments, including increases in the Letter of Credit Sublimit to the extent consented to by each affected L/C Issuer (each an "***Incremental Revolving Credit Commitment***" and all of them, collectively, the "***Incremental Revolving Credit Commitments***" and, together with the Incremental Term Commitments, the "***Incremental Commitments***"); provided that no Lender shall be required to participate in any Incremental Facility; provided, further, that after giving effect to any such addition, the aggregate principal amount of Incremental Commitments that have been added pursuant to this Section 2.14 shall not exceed the sum of:

(w) (i) the sum of the Fixed Dollar Amount, plus (ii) the General Debt Basket Amount, minus the aggregate principal amount of all Permitted Other Indebtedness incurred under clause (w) of the definition thereof, plus

(x) in the case of any Incremental Facility that serves to effectively extend the maturity or effect the repricing of any Term Facility, the Revolving Credit Facility, any Incremental Facility, any other facilities under this Agreement, any Permitted Other Indebtedness or any Specified Refinancing Indebtedness (collectively, "***Specified Indebtedness***"), an amount equal to the portion of any such facility that will be replaced by such Incremental Facility plus any related fees, costs and expenses (including original issue discount and upfront fees and prepayment penalties and premium), provided that if such Indebtedness is secured by a Lien on the Collateral that is junior to the Lien securing the Initial Facilities or is unsecured, such Incremental Facility shall be secured by a Lien on the Collateral that is junior to the Lien securing the Initial Facilities or unsecured, as applicable (in each case, without duplication of any utilization of clause (x) of the definition of "Permitted Other Indebtedness" in respect of such Indebtedness being so extended), plus

(y) without duplication, the aggregate principal amount of all voluntary terminations of any portion of the Revolving Credit Commitments pursuant to Section 2.06(a) and all voluntary prepayments and debt buybacks (which shall include, for the avoidance of doubt, any redemption, open market purchase and consummated offer to purchase including pursuant to any "yank-a-bank" provision) of Term Loans pursuant to Sections 2.05(a)(i) and (iv) and Section 10.07(i) (to the extent made by the Borrower or any of its Restricted Subsidiaries) and prepayments of other Specified Indebtedness, (i) with respect to Incremental Facilities that are secured by a Lien on any or all of the Collateral that is *pari passu* with the Lien securing the Initial Facilities, of any class of Specified Indebtedness secured by a Lien on any or all of the Collateral that is *pari passu* with the Lien securing the Initial Facilities, (ii) with respect to Incremental Facilities that are secured by a Lien on any or all of the Collateral that is junior to the Lien securing the Initial Facilities, of any class of Specified Indebtedness secured by a Lien on any or all of the Collateral that is *pari passu* with or junior to the Lien securing the Initial Facilities and (iii) with respect to Incremental Facilities that are unsecured, of any class of Specified Indebtedness secured by a lien on any or all of the Collateral that is *pari passu* with or junior to the lien securing the Initial Facilities or is unsecured, in each case (x) made at or prior to such time (in each case, other than prepayments funded with the proceeds of long-term Indebtedness (excluding any revolving facility)), (y) based on the par amount thereof, and (z) in the case of any revolving and delayed draw facilities, with a corresponding reduction of commitments thereunder, minus the aggregate principal amount of all Permitted Other Indebtedness incurred under clause (y) of the definition thereof; provided that any such utilization of this clause (y) in respect of Indebtedness under a Fixed Amount Basket shall be deemed to utilize such Fixed Amount Basket, plus

(z) such additional amount so long as, after giving effect on a Pro Forma Basis to the incurrence thereof (assuming for such purposes that the entire amount of any such Incremental Commitments were fully funded),

(i) in the case of any Incremental Facility secured by a Lien on any or all of the Collateral that is *pari passu* with the Liens securing the Initial Facilities, the First Lien Net Leverage Ratio (without netting the cash and Cash Equivalents constituting proceeds of such Incremental Facility) as of the last day of the most recently ended Test Period would not as of the date of determination exceed either (A) the

Applicable Leverage Ratio or (B) if such Incremental Facility is incurred to finance a Permitted Acquisition or similar permitted Investment, the First Lien Net Leverage Ratio immediately preceding the incurrence of such Incremental Facility and the consummation of such Permitted Acquisition or other permitted similar Investment,

(ii) in the case of any Incremental Facility secured by a Lien on any or all of the Collateral that is junior to the Liens securing the Initial Facilities, either (I) the Secured Net Leverage Ratio (without netting the cash and Cash Equivalents constituting proceeds of such Incremental Facility) as of the last day of the most recently ended Test Period would not as of the date of determination exceed either (A) the Applicable Leverage Ratio or (B) if such Incremental Facility is incurred to finance a Permitted Acquisition or other similar Investment, the Secured Net Leverage Ratio immediately preceding the incurrence of such Incremental Facility and the consummation of such Permitted Acquisition or other similar Investment or (II) the Cash Interest Coverage Ratio as of the last day of the most recently ended Test Period would not as of the date of determination be less than either (A) 2.00:1.00 or (B) if such Incremental Facility is incurred to finance a Permitted Acquisition or other similar Investment, the Cash Interest Coverage Ratio immediately preceding the incurrence of such Incremental Facility and the consummation of such Permitted Acquisition or other permitted similar Investment, and

(iii) in the case of any Incremental Facility that is unsecured or secured by assets not constituting Collateral, either (I) the Total Net Leverage Ratio (without netting the cash and Cash Equivalents constituting proceeds of such Incremental Facility) as of the last day of the most recently ended Test Period would not as of the date of determination exceed either (A) the Applicable Leverage Ratio or (B) if such Incremental Facility is incurred to finance a Permitted Acquisition or other similar Investment, the Total Net Leverage Ratio immediately preceding the incurrence of such Incremental Facility and the consummation of such Permitted Acquisition or other similar Investment or (II) the Cash Interest Coverage Ratio as of the last day of the most recently ended Test Period would not as of the date of determination be less than either (A) 2.00:1.00 or (B) if such Incremental Facility is incurred to finance a Permitted Acquisition or other similar Investment, the Cash Interest Coverage Ratio immediately preceding the incurrence of such Incremental Facility and the consummation of such Permitted Acquisition or other permitted similar Investment;

and in each case any such addition shall be in an aggregate amount of not less than $5,000,000 or any whole multiple of $1,000,000 in excess thereof.

The Borrower may (I) incur Incremental Commitments under clause (w)(i), (w)(ii), (x), (y) or (z) of the second proviso of the immediately preceding sentence in such order as it may elect in its sole discretion and shall be allowed to classify under which clause such Incremental Commitments are being incurred at the time of such incurrence, without giving Pro Forma Effect to any Incremental Facilities or any increases of the Term Facility (or any portion thereof) in each case permitted to be incurred under clauses (w)(i), (w)(ii), (x) and (y) of the second proviso of the immediately preceding sentence (together with any amounts incurred to fund original issue discount and upfront fees) that is being incurred concurrently with an incurrence under clause (z) of the second proviso of the immediately preceding sentence when calculating the amount of Incremental Commitments (or any portion thereof) that may be incurred pursuant to such clause (z) at such time and (II) later reclassify Indebtedness incurred under clause (w)(i), (w)(ii), (x) or (y) of the second proviso of the immediately preceding sentence as incurred pursuant to clause (z) of the second proviso of the immediately preceding sentence, if at the time of such reclassification, the Borrower would have been permitted to incur such Indebtedness under such clause (z). Any loans made in respect of any such Incremental Term Commitments (the "***Incremental Term Loans***" and any such facility an "***Incremental Term Loan Facility***") may be made, at the option of the Borrower, by either (i) increasing a given Class of Term Commitments with the same terms (including pricing) as the

existing Term Loans of such Class, in which case such Incremental Term Loans shall constitute Term Loans of such Class for all purposes hereunder and under the other Loan Documents or (ii) creating a new tranche of term loans (an "***Incremental Term Loan Tranche***"). Any loans made in respect of any such Incremental Revolving Credit Commitments (the "***Incremental Revolving Credit Loans***" and any such facility an "***Incremental Revolving Credit Facility***" and, together with any Incremental Term Loan Facility, the "***Incremental Facilities***") may be made, at the option of the Borrower, by either (i) increasing a given Class of Revolving Credit Commitments with the same terms (including pricing) as the existing Revolving Credit Commitments of such Class, in which case such Incremental Revolving Credit Commitments and Incremental Revolving Credit Loans shall constitute Revolving Credit Commitments and Revolving Credit Loans of such Class for all purposes hereunder and under the other Loan Documents or (ii) creating a new tranche of revolving credit commitments (an "***Incremental Revolving Credit Tranche***"). The proceeds of the Incremental Facilities may be used for working capital, capital expenditures and other general corporate purposes (including any actions permitted by Article VII, including permitted Restricted Payments) of the Borrower and its Restricted Subsidiaries.

(b) The Incremental Term Loans comprising each Incremental Term Loan Tranche and the Incremental Revolving Credit Commitments comprising each Incremental Revolving Credit Tranche, as applicable:

(i) other than customary "bridge" facilities which by their terms will be converted into a facility that has, or extended such that they have, a maturity no earlier than the Latest Maturity Date of all Classes of Commitments and Loans then in effect and Indebtedness in an aggregate principal amount not in excess of the Inside Maturity Basket, in the case of Incremental Term Loans, shall have a maturity date that is not prior to the Latest Maturity Date of all Classes of Term Loans then in effect and shall have a Weighted Average Life to Maturity that is not shorter than that of any Class of Term Loans;

(ii) other than Indebtedness in an aggregate principal amount not in excess of the Inside Maturity Basket, in the case of Incremental Revolving Credit Commitments and Incremental Revolving Credit Loans, shall have a maturity date that is not prior to the Latest Maturity Date of all Classes of Revolving Credit Commitments then in effect and shall not require any scheduled commitment reduction;

(iii) in the case of Incremental Term Loans, (A) may share ratably, more than ratably or less than ratably in any voluntary prepayments of the Term Facility and (B) shall share ratably (and may not share more than ratably, except with respect to (i) any such Incremental Facility incurred pursuant to the Inside Maturity Basket and (ii) prepayments of any such Incremental Facility with the proceeds of Specified Refinancing Debt) in any mandatory prepayments of the Initial Term Facility (unless the Incremental Lenders with respect to such Incremental Term Loans agree to receive prepayments on a less than *pro rata* basis);

(iv) may be denominated in Dollars, or any Alternative Currency reasonably acceptable to the applicable Incremental Lenders and the Administrative Agent; provided that, in the case of any Incremental Revolving Credit Tranche denominated in an Alternative Currency, the Revolving Credit Commitments and Revolving Credit Loans thereunder shall constitute a separate Class from any Class of Revolving Credit Commitments and Revolving Credit Loans denominated in a different currency, and each Borrowing and payment of Revolving Credit Loans denominated in an Alternative Currency (other than pursuant to Section 2.07(d) or as a result of the voluntary reduction of Revolving Credit Commitments on a non-*pro rata* basis as between different Classes of the Revolving Credit Facility) will be made on a *pro rata* basis among all Classes of Revolving Credit Commitments denominated in that same Alternative Currency;

(v) in the case of any Incremental Facility, except as set forth in Section 2.14(a) and this Section 2.14(b) with respect to prepayment events, maturity date, interest rate, yield, fees and original issue discounts and except with respect to the amortization schedule for the Incremental Term Loans and the permitted use of proceeds of any Incremental Facility, when taken as a whole shall (A) be substantially identical to, or no more favorable (taken as a whole) to the lenders providing such Incremental Facility than, those contained in the Initial Term Loan Facility or Revolving Credit Facility, as applicable, (B) reflect market terms and conditions (as determined by the Borrower in good faith) at the time of incurrence or issuance (or obtaining of a commitment with respect thereto) or (C) be reasonably satisfactory to the Administrative Agent (in each case, except for any terms which are beneficial to the Incremental Lenders that are either (1) also added for the benefit of the existing Lenders (or, in the case of any financial covenant applicable to any Incremental Revolving Facility, that are made for the benefit of the Lenders under the Revolving Credit Facility) or (2) only applicable to periods after the Latest Maturity Date of the Initial Term Loans or Revolving Credit Facility, as applicable); provided that, in the case of Incremental Term Loans, if the initial Yield on any Incremental Term Loan Tranche (other than any Incremental Term Loan Tranche that (A) does not constitute "broadly syndicated Term B" loans (as such terms are commonly understood in the market), (B) is obtained after the date that is six (6) months after the Closing Date, (C) is in aggregate principal amount equal to or less than the greater of $63,500,000 and (y) 50.0% of Consolidated EBITDA of the Borrower for the most recently ended Test Period, (D) has a maturity date later than twelve (12) months after the Maturity Date of the Initial Term Loans, (E) is incurred to finance a Permitted Acquisition or other permitted similar Investment, (F) is not secured on a *pari passu* basis with the Facilities or (G) is originally incurred pursuant to clause (z) of Section 2.14(a)) exceeds by more than one hundred (100) basis points (the amount of such excess above one hundred (100) basis points being herein referred to as the "***Incremental Yield Differential***") the Yield then in effect for any outstanding Initial Term Loans, then the Applicable Rate then in effect for such outstanding Initial Term Loans shall automatically be increased by the Incremental Yield Differential, effective upon the making of the Incremental Term Loans under the Incremental Term Loan Tranche (and in respect of the Incremental Yield Differential in the form of an interest rate "floor," at the option of the Borrower, such increase will be reflected solely as an increase to the interest rate floor applicable to the Initial Term Loans); provided, further, that for purposes of the foregoing calculation, any Incremental Term Loan Tranche that is fixed rate Indebtedness shall be swapped to a floating rate on a customary matched maturity basis;

(vi) the Incremental Facilities will not be guaranteed by any person that is not a Guarantor (subject to the Guarantee Exclusions) or secured by any asset that is not Collateral (subject to the Collateral Exclusions);

(c) Incremental Term Loans (or any portion thereof) may be made, and Incremental Revolving Credit Commitments, as applicable, may be provided, by any existing Lender or by any other bank, investing entity or other Person (but in no case by (i) any Loan Party, (ii) except in compliance with the proviso to Section 2.14(j) below solely with respect to Incremental Term Commitments and Incremental Term Loans, an Affiliated Lender, (iii) any Defaulting Lender or any of its Subsidiaries, (iv) any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in clause (iii), or (v) any natural person) (each, except to the extent excluded pursuant to the foregoing parenthetical, an "***Incremental Lender***"), in each case on terms permitted in this Section and otherwise on terms reasonably acceptable to the Administrative Agent; provided that the Administrative Agent (and, in the case of Incremental Revolving Credit Commitments, the L/C Issuers)

shall have consented (not to be unreasonably withheld) to such Lender's or Incremental Lender's, as the case may be, making such Incremental Term Loans or providing such Incremental Revolving Credit Commitments if such consent would be required under Section 10.07 for an assignment of Loans or Revolving Credit Commitments, as applicable, to such Lender or Incremental Lender, as the case may be. No Lender shall be obligated to provide any Incremental Term Loans or Incremental Revolving Credit Commitments, in each case, unless it so agrees. The Borrower may appoint any Person to arrange any Incremental Facility and provide such arranger any titles with respect to such Incremental Facility as it deems appropriate.

(d) Incremental Commitments and the loans made thereunder shall become Commitments and Loans, respectively, under this Agreement pursuant to an amendment (an "***Incremental Commitments Amendment***") to this Agreement and, as appropriate, the other Loan Documents, executed by Holdings, the applicable Borrower or Borrowers and each Incremental Lender; provided, that the Administrative Agent shall receive prior written notice of any Incremental Commitments Amendment. An Incremental Commitments Amendment may, without the consent of any other Lenders, effect such amendments to any Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provisions of this Section 2.14, including any amendments that are not adverse to the interests of any Lender.

(e) If any Incremental Commitments are added in accordance with this Section 2.14, the Administrative Agent and the Borrower shall determine the effective date of such addition (the "***Incremental Commitments Effective Date***").

(f) The effectiveness of any Incremental Commitments Amendment shall be subject to the satisfaction on the date thereof of each of the following conditions:

(i) [reserved]; and

(ii) subject to the last paragraph of this Section 2.14(f), (A) upon the effectiveness of any Incremental Commitments Amendment and at the time that any such Incremental Loans are made (and after giving effect thereto), the representations and warranties of the Borrower and each other Loan Party contained in Article V or any other Loan Document shall be true and correct in all material respects (and in all respects if any such representation or warranty is already qualified by materiality), (B) such Incremental Commitments shall be made on the terms and conditions provided for above, and (C) at the time that any such Incremental Term Loan is made or any such Incremental Revolving Credit Commitments are effective (and after giving effect thereto) no Event of Default (or, in the case of a Permitted Acquisition or similar Investment, no Specified Event of Default) shall exist.

Notwithstanding the foregoing, if the proceeds of any Incremental Commitments will be used to consummate a Limited Condition Transaction and the Borrower has made an LCT Election with respect to such Limited Condition Transaction, (x) the condition that upon the effectiveness of any Incremental Commitments Amendment and at the time that any such Incremental Loans are made (and after giving effect thereto), no Event of Default shall exist, if agreed by the applicable Incremental Lenders may be tested and satisfied as of the LCT Test Date so long as upon the effectiveness of such Incremental Commitments and the making of such Incremental Loans, no Specified Event of Default shall exist, (y) the condition that upon the effectiveness of any Incremental Commitments Amendment and at the time that any such Incremental Loans are made (and after giving effect thereto), the representations and warranties of the Borrower and each other Loan Party contained in Article V or any other Loan Document shall be true and correct in all material respects (and in all respects if any such representation or warranty is already qualified by materiality), if agreed by the applicable Incremental Lenders may be tested and

satisfied as of the LCT Test Date so long as upon the effectiveness of such Incremental Commitments and the making of such Incremental Loans, the Specified Representations and, if such Limited Condition Transaction is a Permitted Acquisition or other permitted Investment, the "specified purchase agreement representations" in respect of such acquisition or Investment, shall be true and correct to the extent that the Borrower or any Affiliate has the right (taking into account any applicable cure provisions) to terminate its or such Affiliate's obligations under the relevant acquisition agreement or to decline to consummate such Permitted Acquisition or Investment as a result of a breach of such specified purchase agreement representations, and (z) the Applicable Leverage Ratio set forth in Section 2.14(a)(z) may, at the Borrower's election, be tested and satisfied as of the LCT Test Date and will not be tested upon the effectiveness of such Incremental Commitments and the making of such Incremental Loans (but may be recalculated and retested, at the option of the Borrower, at such time).

(g) On each Incremental Commitments Effective Date, each Incremental Lender (i) shall become a "Lender" for all purposes of this Agreement and the other Loan Documents, (ii) shall have an Incremental Commitment which shall become a "Commitment" hereunder, (iii) in the case of an Incremental Term Commitment, shall make an Incremental Term Loan to the Borrower in a principal amount equal to such Incremental Term Commitment, and such Incremental Term Loan shall be a "Term Loan" for all purposes of this Agreement and the other Loan Documents, and (iv) in the case of an Incremental Revolving Credit Commitment, shall make Incremental Revolving Credit Loans to the applicable Borrower pursuant to such Incremental Revolving Credit Commitment, and such Incremental Revolving Credit Loans shall be "Revolving Credit Loans" for all purposes of this Agreement and the other Loan Documents.

(h) Upon the effectiveness of any Incremental Revolving Credit Commitment, (i) each Revolving Credit Lender immediately prior to such effectiveness will automatically and without further act be deemed to have assigned to each Incremental Lender providing a portion of such Incremental Revolving Credit Commitment, and each such Incremental Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Credit Lender's participation interests hereunder in outstanding Letters of Credit such that, after giving effect to such Incremental Revolving Credit Commitment and each such deemed assignment and assumption of participation interests, the percentage of the aggregate outstanding participation interests hereunder in Letters of Credit held by each Revolving Credit Lender (including each such Incremental Lender), will equal such Revolving Credit Lender's Revolving Commitment Percentage and (ii) if, on the date of the effectiveness of such Incremental Revolving Credit Commitment, there are any Classes of Revolving Credit Loans denominated in the same currency as such Incremental Revolving Credit Commitment outstanding, the Administrative Agent shall take those steps which it deems, in its sole discretion and in consultation with the Borrower, necessary and appropriate to result in each Revolving Credit Lender holding Revolving Credit Loans denominated in such currency (including each such Incremental Lender) having a *pro rata* share of the outstanding Revolving Credit Loans denominated in such currency based on the aggregate amount of each such Revolving Credit Lender's Revolving Credit Commitments denominated in such currency divided by the aggregate Revolving Credit Commitments denominated in such currency of all Revolving Credit Lenders, in each case, immediately after giving effect to such Incremental Revolving Credit Commitment; provided that any prepayment made in connection with the taking of any such steps shall be accompanied by accrued interest on the Revolving Credit Loans being prepaid and any costs incurred by any Lender in accordance with Section 3.05. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, *pro rata* borrowing and *pro rata* payment requirements contained elsewhere in this Agreement shall not apply to any transaction that may be effected pursuant to the immediately preceding sentence.

(i) For purposes of testing any ratios under Section 2.14(a)(z), (a) it shall be assumed that all commitments under any Incremental Revolving Facility or Incremental Term Loan

Facility structured as a delayed draw facility (unless such Incremental Term Loan Facility is already subject to such ratios in the form of a drawing condition, it being understood that any amendment of such ratios shall require the consent of the Required Lenders) then being established at such time are fully drawn, (b) the cash proceeds of any Incremental Facility shall be excluded from "net" indebtedness in determining whether such Incremental Facility can be incurred (but the use of proceeds thereof and all other permitted pro forma adjustments shall be included) and (c) the incurrence (including by assumption or guarantees) or repayment of any Indebtedness under the Revolving Credit Facility (and/or any Incremental Revolving Facilities) or other revolving facilities included in the incurrence test calculation in connection with the transaction or series of related transactions for which the pro forma calculation of such ratio is being made shall be disregarded.

(j) This Section 2.14 shall supersede any provision of Section 2.13, 4.02 or 10.01 to the contrary; provided that, notwithstanding the foregoing, any Affiliated Lender providing any Incremental Term Commitments or Incremental Term Loans pursuant to this Section 2.14 shall be subject to the restrictions with respect to Affiliated Lenders set forth in clauses (i) and (j) of Section 10.07.

2.15 Cash Collateral.

(a) Upon the request of the Administrative Agent or the applicable L/C Issuer (i) if the applicable L/C Issuer has honored any full or partial drawing request under any Letter of Credit and such drawing has resulted in an L/C Borrowing or (ii) if, as of the Letter of Credit Expiration Date, any L/C Obligation for any reason remains outstanding, the applicable Borrower shall, in each case, immediately Cash Collateralize the then Outstanding Amount of all L/C Obligations. At any time that there shall exist a Defaulting Lender, immediately upon the request of the Administrative Agent or the applicable L/C Issuer, the Borrower shall deliver to the Administrative Agent Cash Collateral in an amount sufficient to cover all Fronting Exposure (after giving effect to Section 2.16(a)(iv) and any Cash Collateral provided by the Defaulting Lender).

(b) All Cash Collateral (other than credit support not constituting funds subject to deposit) shall be maintained in one or more Cash Collateral Accounts. Each Borrower, and to the extent provided by any Lender, such Lender, hereby grants to (and subjects to the control of) the Administrative Agent, for the benefit of the Administrative Agent, each applicable L/C Issuer and the Lenders, and agrees to maintain, a first priority security interest in all such Cash Collateral (including cash, deposit accounts and all balances therein, and all other property so provided as collateral pursuant hereto, and in all proceeds of the foregoing) as security for the obligations to which such Cash Collateral may be applied pursuant to Section 2.15(c). If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent as herein provided, or that the total amount of such Cash Collateral is less than the applicable Fronting Exposure and other obligations secured thereby, the applicable Borrower or the relevant Defaulting Lender will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency.

(c) Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under any of this Section 2.15 or Section 2.03, 2.05, 2.06, 2.16 or 8.02 in respect of Letters of Credit shall be held and applied to the satisfaction of the specific L/C Obligations, obligations to fund participations therein (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) and other obligations for which the Cash Collateral was so provided, prior to any other application of such property as may be provided for herein.

(d) Cash Collateral (or the appropriate portion thereof) provided to reduce Fronting Exposure or other obligations shall be released promptly following (i) the elimination of the

applicable Fronting Exposure or other obligations giving rise thereto (including by the termination of Defaulting Lender status of the applicable Lender (or, as appropriate, its assignee following compliance with Section 10.07(b)(ix))) or (ii) the Administrative Agent's good faith determination that there exists excess Cash Collateral; provided, however, that (x) Cash Collateral furnished by or on behalf of the Borrower shall not be released during the continuance of a Default or Event of Default (and following application as provided in this Section 2.15 may be otherwise applied in accordance with Section 8.04) and (y) subject to Section 2.16, the Person providing Cash Collateral and the applicable L/C Issuer may agree that Cash Collateral shall not be released but instead held to support future anticipated Fronting Exposure or other obligations.

2.16 Defaulting Lenders.

(a) Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) that Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definitions of "Required Lenders," "Required Revolving Lenders," "Required Delayed Draw Term Lenders" and "Required Term Lenders" in Section 1.01 and in Section 10.01;

(ii) any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 10.09 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a *pro rata* basis of any amounts owing by such Defaulting Lender to any L/C Issuer hereunder; *third*, to Cash Collateralize the L/C Issuers' Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.15; *fourth*, as the applicable Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released *pro rata* in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the L/C Issuers' future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.15; *sixth*, to the payment of any amounts owing to the Lenders or the L/C Issuers as a result of any judgment of a court of competent jurisdiction obtained by any Lender or any L/C Issuer against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Default or Event of Default exists, to the payment of any amounts owing to a Borrower as a result of any judgment of a court of competent jurisdiction obtained by such Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which such Defaulting Lender has not fully funded its appropriate share and (y) such Loans or L/C Borrowings were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Borrowings owed to, all non-Defaulting Lenders on a *pro rata* basis prior to being applied to the payment of any Loans of, or L/C Borrowings owed to, such Defaulting Lender until such time as all Loans and funded

and unfunded participations in L/C Borrowings are held by the Lenders *pro rata* in accordance with the Commitments under the applicable Facility without giving effect to Section 2.16(a)(iv); provided, further, that any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.16(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto;

(iii) that Defaulting Lender (x) shall not be entitled to receive any Commitment Fee pursuant to Section 2.09(a) or (b) for any period during which that Lender is a Defaulting Lender (and the Borrowers shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (y) shall be limited in its right to receive L/C Fees as provided in Section 2.03(h); and

(iv) during any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit pursuant to Sections 2.03, the Pro Rata Share of each non-Defaulting Lender shall be computed without giving effect to the Commitment of that Defaulting Lender; provided that (i) each such reallocation shall be given effect only if, at the date the applicable Lender becomes a Defaulting Lender, no Default or Event of Default exists; and (ii) the aggregate obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit shall not exceed the positive difference, if any, between (1) the Revolving Credit Commitment of that non-Defaulting Lender minus (2) the aggregate Outstanding Amount of the Revolving Credit Loans of that Lender.

(b) If the Borrower, the Administrative Agent and the L/C Issuers agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders (and pay any amounts due under Section 3.05 to the extent such purchase occurs other than on the last day of an Interest Period) or take such other actions as the Administrative Agent may reasonably determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit to be held on a *pro rata* basis by the Lenders in accordance with their Pro Rata Shares (without giving effect to Section 2.16(a)(iv)), whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of any Borrower while that Lender was a Defaulting Lender; provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to non-Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(c) So long as any Lender is a Defaulting Lender, no L/C Issuer shall be required to issue, extend or increase any Letter of Credit unless the participations in the L/C Obligations related to any existing Letters of Credit as well as the new, extended or increased Letter of Credit has been or will be fully allocated among the non-Defaulting Lenders in a manner consistent with Section 2.16(a)(iv) and such Defaulting Lender shall not participate therein except to the extent such Defaulting Lender's participation has been or will be fully Cash Collateralized in accordance with Section 2.15.

ARTICLE III

TAXES, INCREASED COSTS PROTECTION AND ILLEGALITY

3.01 Taxes.

(a) Any and all payments by or on account of any obligation of the Borrower or any other Loan Party hereunder or under any other Loan Document shall be made free and clear of and without withholding or deduction for any Taxes, except as required by applicable Law; provided that, if any Taxes are required by applicable Law (as determined in the good faith discretion of an applicable Withholding Agent) to be withheld or deducted from such payments, then (i) if such Taxes are Indemnified Taxes or Other Taxes, the sum payable by the Borrower or such Loan Party shall be increased as necessary so that after all required withholdings or deductions of Indemnified Taxes or Other Taxes (including any such withholdings or deductions applicable to additional sums payable under this Section 3.01) each Agent and Lender (as the case may be) receives an amount equal to the sum it would have received had no such withholdings or deductions been made, (ii) the applicable Withholding Agent shall be entitled to make such withholdings or deductions and (iii) the applicable Withholding Agent shall pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with applicable Law. For purposes of this Section 3.01, the term "Lender" shall include each L/C Issuer.

(b) In addition, the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Law, except for Other Taxes resulting from an assignment by any Lender pursuant to Section 10.07, which assignment is not at the request of the Borrower pursuant to Section 3.07.

(c) The Loan Parties shall, jointly and severally, indemnify each Agent and Lender, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid or payable by such Agent or Lender, as the case may be, on or with respect to any payment by or on account of any obligation of the Borrower or any other Loan Party hereunder or under any other Loan Document (including Indemnified Taxes and Other Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the basis and the calculation of the amount of such liability delivered to the Borrower by a Lender or Agent, or by the Administrative Agent on behalf of itself or a Lender or Agent, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Taxes by the Borrower or any other Loan Party to a Governmental Authority pursuant to this Section 3.01, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) If any Lender or Agent determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which indemnification or additional amounts have been paid to it by the Borrower pursuant to this Section 3.01, it shall promptly remit such refund (without interest, other than any interest paid by the relevant Governmental Authority with respect to such refund) to the Borrower (but only to the extent of indemnity payments made or additional amounts paid under this Section 3.01 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Lender or Agent, as the case may be; provided, however, that the Borrower, upon the request of the Lender or Agent, as the case may be, agrees to promptly return such refund to

such party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event such party is required to repay such refund to the relevant Governmental Authority. Such Lender or Agent, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant Governmental Authority (provided that such Lender or Agent may delete any information therein that such Lender or Agent deems confidential). Notwithstanding anything to the contrary in this Section 3.01(e), in no event will any Lender or Agent be required to pay any amount to the Borrower pursuant to this Section 3.01(e) the payment of which would place such Lender or Agent in a less favorable net after-tax position than it would have been in if the Tax giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect thereto had never been paid. Nothing herein contained shall oblige any Lender or Agent to make available its Tax returns or to disclose any information relating to its tax affairs that it deems confidential.

(f) If any Lender requests compensation under Section 3.04, or requires the Borrower to pay any Indemnified Taxes or additional amounts to any Lender, any Issuing Bank or any Governmental Authority for the account of any Lender pursuant to Section 3.01, then such Lender shall (at the request of the Borrower) use reasonable efforts to, as applicable, designate a different lending or issuing office for funding or booking its Loans hereunder or issuing Letters of Credit or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.04 or 3.01, as the case may be, in the future, and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender or Issuing Bank. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(g) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 3.01(g)(ii), 3.01(h) and 3.01(i) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(A) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or IRS Form

W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty,

(B) executed copies of IRS Form W-8ECI,

(C) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit O-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a "controlled foreign corporation" related to the Borrower as described in Section 881(c)(3)(C) of the Code (a "***U.S. Tax Compliance Certificate***") and (y) executed copies of IRS Form W-8BEN or IRS Form W 8BEN-E, or

(D) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W 8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit O-2 or Exhibit O-3, IRS Form W-9, or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit O-4 on behalf of each such direct and indirect partner.

(iii) Any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

(h) Each Lender and Agent that is a "United States person" within the meaning of Section 7701(a)(30) of the Code shall, to the extent it is legally able to do so, furnish to the Borrower and the Administrative Agent, on or prior to the date it becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower), two accurate and complete executed copies of IRS Form W-9 (or successor form) establishing that such Lender or Agent is not subject to United States backup withholding tax.

(i) If a payment made to a Lender under any Loan Document would be subject to United States federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the

Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 3.01(i), "FATCA" shall include any amendments made to FATCA after the Closing Date.

(j) Each Lender and Agent shall deliver such forms or certification as required by this Section 3.01 promptly upon the obsolescence or invalidity of any such form or certification previously delivered by such Lender and Agent or promptly notify the Borrower and the Administrative Agent at any time it determines that it is no longer legally able to do so.

(k) Each party's obligations under this Section 3.01 shall survive the termination of the Aggregate Commitments, repayment of all other Obligations hereunder and the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender. For purposes of this Section 3.01 and Section 9.15, the term "applicable Law" includes FATCA.

(l) Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.07(l) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this Section 3.01(l).

3.02 Illegality. If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurocurrency Rate, or to determine or charge interest rates based upon the Eurocurrency Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (i) any obligation of such Lender to make or continue Eurocurrency Rate Loans or to convert other Loans to Eurocurrency Rate Loans shall be suspended and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans, the interest rate on which is determined by reference to the Eurocurrency Rate component of such rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert (or cause to be so prepaid or converted) all Eurocurrency Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans and (y) if such notice asserts the illegality of such Lender determining or

charging interest rates based upon the Eurocurrency Rate, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurocurrency Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurocurrency Rate. Upon any such prepayment or conversion, the Borrower shall also pay (or cause to be paid) accrued interest on the amount so prepaid or converted. Each Lender agrees to designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be disadvantageous to such Lender.

3.03 Inability to Determine Rates. Subject to Section 3.09, if the Required Term Lenders or the Required Revolving Lenders, as applicable, determine that for any reason in connection with any request for a Eurocurrency Rate Loan under the applicable Facility or a conversion to or continuation of any of the foregoing that (i) deposits are not being offered to banks in the European interbank market, the London interbank Eurocurrency market or other offshore interbank market for such currency for the applicable amount and Interest Period of such Eurocurrency Rate Loan, (ii) adequate and reasonable means do not exist for determining the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan or in connection with an existing or proposed Base Rate Loan or (iii) the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter (and subject to Section 3.09), (x) the obligation of the Lenders to make or maintain Eurocurrency Rate Loans in the affected currency shall be suspended and (y) in the event of a determination described in the preceding sentence with respect to the Eurocurrency Rate component of the Base Rate the utilization of the Eurocurrency Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans or, failing that, the Borrower will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

3.04 Increased Cost and Reduced Return; Capital Adequacy.

(a) If any Lender determines that as a result of the introduction of or any Change in Law, in each case after the Closing Date, or such Lender's compliance therewith, there shall be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining any Loan the interest on which is determined by reference to the Eurocurrency Rate (or in the case of any Change in Law with respect to Taxes, any Loan) or issuing or participating in Letters of Credit, or a reduction in the amount received or receivable by such Lender in connection with any of the foregoing (excluding for purposes of this Section 3.04(a) any such increased costs or reduction in amount resulting from (i) Indemnified Taxes imposed on or with respect to any payment made by or on account of any Loan Party under any Loan Document and Other Taxes (as to which Section 3.01 shall govern), (ii) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes, (iii) Connection Income Taxes, and (iv) reserve requirements reflected in the Eurocurrency Rate), and such increase in costs affects the banking market generally or is requested by the Required Lenders, then from time to time within fifteen (15) Business Days after written demand of such Lender setting forth in reasonable detail (which need not include any information the disclosure of which by such Lender is prohibited by applicable Laws) such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction; provided that such increased costs may only be requested by a Lender imposing such increased costs on borrowers similarly situated to the Borrower under syndicated credit facilities comparable to those provided hereunder.

(b) If any Lender or L/C Issuer determines that any Change in Law affecting such Lender or L/C Issuer or any lending office of such Lender or such Lender's or L/C Issuer's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on the capital of, or increasing the liquidity required to be maintained by, such Lender or L/C Issuer or any holding company of such Lender or L/C Issuer, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by any L/C Issuer, to a level below that which such Lender or L/C Issuer or such Lender's or L/C Issuer's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or L/C Issuer's policies and the policies of such Lender's or L/C Issuer's holding company with respect to capital adequacy or liquidity), then from time to time the Borrower will pay to such Lender or L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or L/C Issuer or such Lender's or L/C Issuer's holding company for any such reduction or increase suffered.

(c) The Borrower shall not be required to compensate a Lender pursuant to Section 3.04(a) or (b) for any such increased cost or reduction incurred more than one hundred and eighty (180) days prior to the date that such Lender demands, or notifies the Borrower of its intention to demand, compensation therefor; provided that, if the circumstance giving rise to such increased cost or reduction is retroactive, then such one hundred and eighty (180) day period referred to above shall be extended to include the period of retroactive effect thereof.

3.05 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, the Borrower shall promptly (within thirty (30) days) compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any assignment pursuant to Section 3.07, continuation, conversion, payment or prepayment of any Loan (other than a Base Rate Loan) on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration or otherwise); or

(b) any failure by any Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan (other than a Base Rate Loan) on the date or in the amount notified by such Borrower;

including any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained.

3.06 Matters Applicable to Requests for Compensation.

(a) A certificate of any Agent or any Lender claiming compensation under this Article III and setting forth the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. In determining such amount, such Agent or such Lender may use any reasonable averaging and attribution methods.

(b) With respect to any Lender's claim for compensation under Section 3.02, 3.03 or 3.04, the Borrower shall not be required to compensate such Lender for any amount incurred more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event that gives rise to such claim; provided that, if the circumstance giving rise to such increased cost or reduction is retroactive, then such one hundred and eighty (180) day period referred to above shall be extended to include the period of retroactive effect thereof. If any Lender requests compensation by the Borrower under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the

Administrative Agent), suspend the obligation of such Lender to make or continue Eurocurrency Rate Loans from one Interest Period to another, or to convert Base Rate Loans into Eurocurrency Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(c) shall be applicable); provided that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(c) If the obligation of any Lender to make or continue any Eurocurrency Rate Loan from one Interest Period to another, or to convert Base Rate Loans into Eurocurrency Rate Loans, shall be suspended pursuant to Section 3.06(b), such Lender's Eurocurrency Rate Loans shall be automatically converted into Base Rate Loans on the last day(s) of the then current Interest Period(s) for such Eurocurrency Rate Loans (or, in the case of an immediate conversion required by Section 3.02, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 3.02, 3.03 or 3.04 that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's Eurocurrency Rate Loans have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's Eurocurrency Rate Loans shall be applied instead to its Base Rate Loans; and

(ii) all Loans that would otherwise be made or continued from one Interest Period to another by such Lender as Eurocurrency Rate Loans shall be made or continued instead as Base Rate Loans, and all Base Rate Loans of such Lender that would otherwise be converted into Eurocurrency Rate Loans shall remain as Base Rate Loans.

(d) If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.02, 3.03 or 3.04 that gave rise to the conversion of such Lender's Eurocurrency Rate Loans pursuant to this Section 3.06 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurocurrency Rate Loans made by other Lenders are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurocurrency Rate Loans to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding Eurocurrency Rate Loans and by such Lender are held *pro rata* (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments.

3.07 Replacement of Lenders under Certain Circumstances.

(a) If at any time (i) the Borrower becomes obligated to pay additional amounts or indemnity payments described in Section 3.01 or 3.04 as a result of any condition described in such Sections or any Lender ceases to make Eurocurrency Rate Loans as a result of any condition described in Section 3.02 or 3.03, (ii) any Lender becomes a Defaulting Lender, (iii) any Lender becomes a Non-Consenting Lender (as defined below in this Section 3.07), or (iv) any Lender is an Ineligible Assignee, then the Borrower may, at its sole expense and effort, on five (5) Business Days' prior written notice to the Administrative Agent and such Lender (or such lesser time as may be agreed by the Administrative Agent), replace such Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 10.07(b) (with the assignment fee to be paid by the Borrower in such instance) all of its rights and obligations under this Agreement to one or more Eligible Assignees; provided that (A) neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender or other such Person, (B) such replaced Lender shall have received payment of an amount equal to the outstanding principal of its Loans (or, in the case of the preceding clause (iv), the lesser of (x) the purchase price paid by such Ineligible Assignee for its Term Loans and

(y) the outstanding principal thereof) and participations in Letters of Credit, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Sections 2.05(d) (if applicable) and 3.05) in accordance with the Assignment and Assumption with respect to such assignment, (C) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter, (D) such assignment does not conflict with applicable Law, and (E) in the case of any assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

(b) Any Lender being replaced pursuant to Section 3.07(a) above shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans and participations in L/C Obligations and (ii) deliver any Notes evidencing such Loans to the applicable Borrower or the Administrative Agent. If such replaced Lender fails to execute and deliver such Assignment and Assumption within one (1) Business Day after the receipt of notice referred to in the foregoing clause (a), such replaced Lender shall be deemed to have executed and delivered such Assignment and Assumption on such date as provided in this Section 3.07. Pursuant to such Assignment and Assumption, (A) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's Commitment and outstanding Loans and participations in L/C Obligations, (B) all obligations of the Borrowers owing to the assigning Lender relating to the Loans and participations so assigned shall be paid in full to such assigning Lender in accordance with such Assignment and Assumption concurrently with such assignment and assumption, and (C) upon such payment and, if so requested by the assignee Lender, delivery to the assignee Lender of the appropriate Note or Notes executed by the applicable Borrower, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender.

(c) Notwithstanding anything to the contrary contained above, (i) any Lender that acts as an L/C Issuer may not be replaced hereunder at any time that it has any Letters of Credit outstanding hereunder unless arrangements satisfactory to such L/C Issuer (including the furnishing of a back-up standby letter of credit in form and substance and issued by an issuer reasonably satisfactory to such L/C Issuer or the depositing of Cash Collateral into a Cash Collateral Account in amounts and pursuant to arrangements reasonably satisfactory to such L/C Issuer) have been made with respect to such outstanding Letters of Credit and (ii) the Lender that acts as (or whose Affiliate acts as) the Administrative Agent may not be replaced hereunder except in accordance with the terms of Section 9.09.

(d) In the event that (i) a Borrower has requested the Lenders to consent to a departure or waiver of any provisions of the Loan Documents or to agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of all affected Lenders in accordance with the terms of Section 10.01 or all the Lenders with respect to a certain Class of the Loans or all Lenders, and (iii) the Required Lenders, the Required Revolving Lenders or the Required Term Lenders, as the case may be, have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a "***Non-Consenting Lender***."

3.08 Survival. All of the Borrowers' obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder and resignation of the Administrative Agent.

3.09 Effect of Benchmark Replacement.

(a) Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, the Administrative Agent and the Borrower may amend this Agreement to replace the Eurocurrency Rate with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. five (5) Business Days after the Administrative Agent has posted such proposed amendment to all Lenders and the Borrower so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. Any such amendment with respect to an Early Opt-in Election will become effective on the date that Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders accept such amendment. No replacement of the Eurocurrency Rate with a Benchmark Replacement pursuant to this Section 3.09 will occur prior to the applicable Benchmark Transition Start Date.

(b) In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(c) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date and Benchmark Transition Start Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes and (iv) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or Lenders pursuant to this Section 3.09, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 3.09.

(d) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Eurocurrency Borrowing of, conversion to or continuation of Eurocurrency Rate Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Base Rate Loans in Dollars. During any Benchmark Unavailability Period, the component of the Base Rate based upon the Eurocurrency Rate will not be used in any determination of the Base Rate.

(e) It is understood and agreed that (x) the Borrower and the Administrative Agent shall use commercially reasonable efforts to satisfy any applicable IRS guidance so that the adoption of a Benchmark Replacement will not be treated as a deemed exchange under Section 1001 of the Internal Revenue Code of 1986, as amended, and (y) the Administrative Agent and any other relevant party shall not have any liability to any Loan Party or any subsidiary thereof to the extent a Benchmark Replacement results in any such deemed exchange.

ARTICLE IV

(a) The Administrative Agent's receipt of the following, each properly executed by a Responsible Officer of the signing Loan Party, each dated as of the Closing Date (or, in the case of certificates of governmental officials, a recent date before the Closing Date):

(i) executed counterparts of this Agreement from Holdings and the Borrowers, and a Guaranty from each Guarantor, as applicable;

(ii) a Note executed by the Borrower in favor of each Lender requesting a Note at least two (2) Business Days prior to the Closing Date;

(iv) the Intellectual Property Security Agreement, duly executed by each applicable Loan Party, together with evidence that all action that the Collateral Agent in its reasonable judgment may deem reasonably necessary or desirable in order to perfect and protect the Liens created under the Intellectual Property Security Agreement has been taken;

(vi) certificates of resolutions or other action, incumbency certificates or other certificates of Responsible Officers of each Loan Party evidencing the identity, authority and capacity of each Responsible Officer thereof authorized to act as a Responsible Officer in connection with this Agreement and the other Loan Documents to which such Loan Party is a party or is to be a party and authorizing the execution, delivery and performance of the Loan Documents to which such Loan Party is a party and, in the case of the Borrower, the borrowings hereunder, and that such resolutions have not been modified, rescinded or amended and are in full force and effect;

(b) Substantially concurrently with the funding of the Facilities, the Refinancing shall have occurred.

(c) The Administrative Agent shall have received, at least three (3) Business Days prior to the Closing Date, all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including the PATRIOT Act, as is reasonably requested in writing by the Administrative Agent at least ten (10) Business Days prior to the Closing Date, including the certification (in the form of the LSTA BOC certificate) regarding beneficial ownership of legal entity customers (the "***Beneficial Ownership Certification***").

(d) All fees, closing payments and expenses required to be paid on the Closing Date shall have been paid in full in cash from the proceeds of the initial funding under the Facilities, to the extent, in the case of expenses, a reasonably detailed invoice has been delivered to Holdings at least three (3) Business Days prior to the Closing Date.

(e) All actions necessary to establish that the Collateral Agent will have a perfected first priority security interest (subject to Permitted Prior Liens) in the Collateral shall have been taken, in each case, to the extent such Collateral (including the creation or perfection of any security interest) is required to be provided on the Closing Date.

Without limiting the generality of the provisions of Section 9.03, for purposes of determining compliance with the conditions specified in this Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted, or to be satisfied with, each document or other matter required hereunder to be consented to or approved by or acceptable or satisfactory to a Lender, unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

Notwithstanding anything herein to the contrary, it is understood that to the extent any Lien search or Collateral (including the creation or perfection of any security interest) is not or cannot be provided on the Closing Date (other than (i) customary Uniform Commercial Code Lien searches with respect to Holdings, the Borrowers and the other Guarantors, in each case, in an entity's jurisdiction of organization, (ii) the execution and delivery of the Security Agreement, (iii) the perfection of Liens on Collateral that may be perfected by the filing of financing statements under the Uniform Commercial Code and (iv) the pledge and perfection of security interests in the Equity Interests of the Borrower and its wholly-owned domestic Restricted Subsidiaries (other than Immaterial Subsidiaries) with respect to which a Lien may be perfected by the delivery of a stock or equivalent certificate) after the Borrower's use of commercially reasonable efforts to do so without undue burden or expense, then the provision of any such Lien search or Collateral shall not constitute a condition precedent to the availability of the Facilities on the Closing Date, but may instead be provided within ninety (90) days after the Closing Date, subject to such extensions as are agreed by the Collateral Agent in its reasonable discretion.

4.02 Conditions to All Credit Extensions. The obligation of each Lender to honor any Request for Credit Extension (other than a Committed Loan Notice requesting only a conversion of Loans to the other Type, or a continuation of Eurocurrency Rate Loans) is subject to the following conditions precedent:

(a) the representations and warranties of the Borrower and each other Loan Party contained in Article V or any other Loan Document shall be true and correct in all material respects (and in all respects if any such representation or warranty is already qualified by materiality) on and as of the date of such Credit Extension, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct in all material respects (and in all respects if any such representation or warranty is already qualified by materiality) as of such earlier date, and except that for purposes of this Section 4.02, the representations and warranties contained in Section 5.05(a) shall be deemed to refer to the most recent statements of the Borrower and its Restricted Subsidiaries furnished pursuant to Sections 6.01(a) and (b), respectively;

(b) no Default or Event of Default shall exist, or would result from, such proposed Credit Extension or from the application of the proceeds therefrom;

(c) the Administrative Agent and, if applicable, the applicable L/C Issuer shall have received a Request for Credit Extension in accordance with the requirements hereof; and

(d) solely in the case of the Delayed Draw Term Loans, the payment of any fees and expenses (if applicable) due upon the funding of any Delayed Draw Term Loans;

provided that, the conditions specified in Sections 4.02(a) and (b) shall be limited in accordance with Section 2.14(f) if such Request for Credit Extension is in connection with a Limited Condition Transaction.

Each Request for Credit Extension (other than a Committed Loan Notice requesting only a conversion of Loans to the other Type or a continuation of Eurocurrency Rate Loans) submitted by the Borrower shall be deemed to be a representation and warranty that the conditions specified in Sections 4.02(a) and (b) (and, in the case of the Delayed Draw Term Loans, Section 4.02(d)) have been satisfied on and as of the date of the applicable Credit Extension.

ARTICLE V

REPRESENTATIONS AND WARRANTIES

Each of Holdings and the Borrower represents and warrants to the Agents and the Lenders that:

5.01 Existence, Qualification and Power. Each Loan Party and each of its Restricted Subsidiaries (a) is a Person (i) duly organized or formed and validly existing and (ii) in good standing under the Laws of the jurisdiction of its incorporation or organization, (b) has all requisite power and authority to (i) own or lease its assets and carry on its business and (ii) execute, deliver and perform its obligations under the Loan Documents to which it is a party, (c) is duly qualified and in good standing under the Laws of each jurisdiction where its ownership, lease or operation of properties or the conduct of its business requires such qualification, and (d) has all requisite valid and subsisting governmental licenses, authorizations, consents and approvals ("***Permits***") to operate its business as currently conducted, except in each case referred to in clause (a)(ii), (b)(i), (c) or (d), to the extent that failure to do so would not reasonably be expected to have a Material Adverse Effect. There are no actions, claims or proceedings pending or, to the best of the Borrower's or any Guarantor's knowledge, threatened in writing that seek the revocation, cancellation, suspension or modification of any Permits that would reasonably be expected to have a Material Adverse Effect.

5.02 Authorization; No Contravention. The execution, delivery and performance by each Loan Party of each Loan Document to which such Person is a party, and the consummation of the Transactions, are within such Loan Party's corporate or other powers, have been duly authorized by all necessary corporate or other organizational action, and do not and will not (a) contravene the terms of any of such Person's Organization Documents; (b) conflict with or result in any breach or contravention of, or the creation of any Lien under (other than any Lien to secure the Secured Obligations pursuant to the Collateral Documents), or require any payment to be made under any other Contractual Obligation to which such Person is a party or affecting such Person or the properties of such Person or any of its Restricted Subsidiaries, or (iii) any order, injunction, writ or decree of any Governmental Authority or any arbitral award to which such Person or its property is subject; or (c) violate any Law; except with respect to any breach or contravention or payment referred to in clauses (b) and (c) of this Section 5.02, to the extent that such conflict, breach, contravention or payment would not reasonably be expected to have a Material Adverse Effect.

5.03 Governmental Authorization; Other Consents. No material approval, consent, exemption, authorization or other action by, or notice to, or filing with, any Governmental Authority or any other Person is necessary or required in connection with (a) the execution, delivery or performance by, or enforcement against, any Loan Party of this Agreement or any other Loan Document, or for the consummation of the Transactions, (b) the grant by any Loan Party of the Liens granted by it pursuant to the Collateral Documents, (c) the perfection or maintenance of the Liens created under the Collateral Documents (including the priority thereof), or (d) the exercise by an Agent, an L/C issuer or any Lender of its rights under the Loan Documents or the remedies in respect of the Collateral pursuant to the Collateral Documents, except for the approvals, consents, exemptions, authorizations, actions, notices and filings which have been duly obtained, taken, given or made and are in full force and effect and those approvals, consents, exemptions, authorizations or other actions, notices or filings, the failure of which to obtain or make would not reasonably be expected to have a Material Adverse Effect.

5.04 Binding Effect. This Agreement and each other Loan Document has been duly executed and delivered by each Loan Party that is party thereto. This Agreement and each other Loan Document constitutes a legal, valid and binding obligation of such Loan Party, enforceable against each Loan Party that is party thereto in accordance with its terms, except as such enforceability may be limited by Debtor Relief Laws and by general principles of equity (whether enforcement is sought by proceedings in equity or at law).

5.05 Financial Statements; No Material Adverse Effect.

(a) The Historical Financial Statements delivered pursuant to Section 4.01(a)(x) and all financial statements delivered pursuant to Section 6.01 present fairly, in all material respects, the consolidated financial position, statements of operations and cash flows of the Borrower and its Subsidiaries at the respective dates set forth therein and for the respective periods covered thereby, and were prepared in accordance with GAAP, consistently applied.

(b) Since December 31, 2020, there has been no change, event, occurrence, event or circumstance, either individually or in the aggregate, that has had or would reasonably be expected to have a Material Adverse Effect; provided that the representation in this Section 5.05(b) shall only be made after the Closing Date.

(c) The forecasted financial information delivered to the Lenders on or prior to the Closing Date was prepared in good faith using assumptions based on information sourced from the financial records of the Borrower and its Subsidiaries for the periods stated therein, which assumptions were reasonable in light of the conditions existing at the time of delivery and at the time of preparation of such forecasts; it being understood that actual results may vary from such forecasts and that such variations may be material.

5.06 Litigation. There are no actions, suits, proceedings, investigations, claims or disputes pending or, to the knowledge of Holdings or any of its Restricted Subsidiaries, threatened or contemplated, at law, in equity, in arbitration or before any Governmental Authority, by or against Holdings or any of its Restricted Subsidiaries or against any of their properties or revenues that (a) purport to affect or pertain to this Agreement, any other Loan Document or, as of the Closing Date, the consummation of the Transactions, or (b) either individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect.

5.07 No Default. Neither Holdings nor any Restricted Subsidiary of Holdings is in default under or with respect to, or a party to, any Contractual Obligation that would, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

5.08 Ownership of Property; Liens. 5.09 Environmental Matters. Except as disclosed on Schedule 5.09 or as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect:

(a) There are no pending or, to the knowledge of the Borrower, threatened claims against Holdings or any of its Restricted Subsidiaries alleging either potential liability under, or responsibility for violation of, any Environmental Law or alleging potential liability with respect to any Hazardous Material, and to the knowledge of the Borrower, (i) there are no pending investigations by any Governmental Authority regarding any such potential claims and (ii) no facts or circumstances exist that would likely be the basis for any such claim.

(b) (i) Neither Holdings nor any of its Restricted Subsidiaries has generated, used, stored, treated, transported or caused any Environmental Release of Hazardous Materials at or to any location and (ii) none of the real properties currently owned, leased or operated by Holdings or any of its Restricted Subsidiaries or, to the knowledge of the Borrower, the real properties formerly owned, leased or operated by Holdings or any of its Restricted Subsidiaries, contain any Hazardous Materials that, in the case of either clause (i) or (ii) above, are in amounts or concentrations or in a manner which (x) constitute a violation by Holdings or any of its Restricted Subsidiaries of, (y) require any investigation, remediation or response action under, or (z) are reasonably likely to give rise to, liability against Holdings or any of its Restricted Subsidiaries under, Environmental Laws.

(c) Neither Holdings nor any of its Restricted Subsidiaries is undertaking or, to the knowledge of the Borrower, is obliged to undertake, either individually or together with other potentially responsible parties, any investigation, remediation or response action relating to any actual or threatened Environmental Release of Hazardous Materials at any site.

5.10 Taxes. Holdings and its Restricted Subsidiaries have filed all federal, state, foreign and other Tax returns and reports required to be filed, and have paid all federal, state, foreign and other Taxes, assessments, fees and other governmental charges levied or imposed upon them or their properties, income or assets otherwise due and payable, except those (a) which are not overdue by more than thirty (30) days, (b) which are being contested in good faith by appropriate proceedings diligently conducted and for which adequate reserves have been provided in accordance with GAAP, or (c) with respect to which the failure to make such filing or payment would not individually or in the aggregate reasonably be expected to have a Material Adverse Effect.

5.11 ERISA Compliance. No ERISA Event has occurred in the five-year period prior to the date on which this representation is made or deemed made and is continuing, or reasonably expected to occur, that, when taken together with all other such ERISA Events, would reasonably be expected to result in a Material Adverse Effect.

5.12 Capitalization and Subsidiaries; Equity Interests. Schedule 5.12 sets forth, as of the Closing Date, (a) a correct and complete list of the name of each Subsidiary of the Borrower and the ownership interest therein held by the Borrower or its applicable Subsidiary, (b) the type of entity of the Borrower and each of its Subsidiaries, and (c) any Joint Venture or partnership of the Borrower and its Subsidiaries, and all of the outstanding Equity Interests therein have been validly issued, are fully paid and non-assessable and are free and clear of all Liens except for Liens permitted under Section 7.01.

(a) declare the commitment of each Lender to make Loans and any obligation of each L/C Issuer to make L/C Credit Extensions to be terminated, whereupon such commitments and obligations shall be terminated;

(b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrowers;

(c) require that the applicable Borrower Cash Collateralize the L/C Obligations (in an amount equal to the then Outstanding Amount thereof); and

(d) exercise on behalf of itself, the L/C Issuers and the Lenders all rights and remedies available to it, the L/C Issuers and the Lenders under the Loan Documents or applicable Law;

provided, however, that upon the occurrence of an actual or deemed entry of an order for relief with respect to any Borrower under the Bankruptcy Code of the United States, the obligation of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, and the obligation of the Borrowers to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

Notwithstanding anything herein to the contrary, neither the Administrative Agent nor any Lender may take any action with respect to an Event of Default arising out of Section 8.01(b) resulting solely from the breach of Section 7.11, without (and based solely on) express instruction from the Required Revolving Lenders.

8.03 Right to Cure. Notwithstanding anything to the contrary contained in Section 8.01 or 8.02, in the event that the Borrower fails to comply with the requirements of the financial covenant set forth in Section 7.11, then:

(a) until the expiration of the fifteenth (15th) Business Day subsequent to the date the relevant financial statements are required to be delivered with respect to such fiscal quarter pursuant to Section 6.01(a) or 6.01(b), Holdings shall have the right to issue common equity or other Qualified Equity Interests of Holdings for cash (the "***Cure Right***"), and upon the receipt by the Borrower of such cash as common equity, in an amount no greater than the amount required to cause the Borrower to be in compliance with the financial covenant set forth in Section 7.11 with respect to such fiscal quarter (the "***Cure Amount***") pursuant to the exercise by Holdings and the Borrower of such Cure Right, the calculation of Consolidated EBITDA of the Borrower as used in the financial covenant set forth in Section 7.11 shall be recalculated giving effect to the following *pro forma* adjustments:

(i) Consolidated EBITDA of the Borrower shall be increased for such fiscal quarter and each subsequent period containing such fiscal quarter, solely for the purpose of measuring the financial covenant set forth in Section 7.11 for such fiscal quarter and not for any other purpose under this Agreement (including but not limited to determining the availability or amount of any covenant baskets or carve-outs or the Applicable Rate or Revolving Commitment Fee Percentage or reducing any outstanding Indebtedness or increasing cash or Cash Equivalents (provided that such limitation on the reduction of outstanding Indebtedness or increasing cash or Cash Equivalents shall not apply in subsequent fiscal quarters)), by an amount equal to the Cure Amount; and

(ii) if, after giving effect to the foregoing recalculations, the Borrower shall then be in compliance with the requirements of the financial covenant set forth in Section 7.11, the Borrower shall be deemed to have satisfied the requirements of the financial covenant set forth in Section 7.11 as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of the financial covenant set forth in Section 7.11 that had occurred shall be deemed cured for the purposes of this Agreement; and

(b) upon receipt by the Administrative Agent of written notice, prior to the expiration of the 15th Business Day subsequent to the date the relevant financial statements are required to be delivered pursuant to Section 6.01 (the "***Anticipated Cure Deadline***"), that the Borrower intends to exercise the Cure Right in respect of a fiscal quarter, the Administrative Agent and the Revolving Credit Lenders shall not be permitted to accelerate Loans held by them or to exercise remedies against the Collateral on the basis of a failure to comply with the requirements of the financial covenant set forth in Section 7.11 until such failure is not cured pursuant to the exercise of the Cure Right on or prior to the Anticipated Cure Deadline; provided that, for the avoidance of doubt, without the consent of the Required Revolving Lenders no Credit Extension under the Revolving Credit Facility shall be made for so long as the Borrower is not in compliance with the financial covenant set forth in Section 7.11 and such non-compliance has not been cured in accordance with the provisions of this Section 8.03.

Notwithstanding anything herein to the contrary, (i) in each four (4) fiscal quarter period there shall be at least two fiscal quarters in respect of which the Cure Right is not exercised, (ii) there can be no more than five (5) fiscal quarters in respect of which the Cure Right is exercised during the term of the Revolving Credit Facility, and (iii) for purposes of this Section 8.03, the Cure Amount utilized shall be no greater than the amount required for purposes of complying with the financial covenant set forth in Section 7.11.

8.04 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable and the L/C Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to Section 8.02), any amounts received on account of the Obligations shall, subject to the provisions of Sections 2.15 and 2.16, be applied by the Collateral Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including fees, disbursements and other charges of counsel payable under Sections 10.04 and 10.05 and amounts payable under Article III) payable to the Administrative Agent or the Collateral Agent, each in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts arising under the Loan Documents (other than principal, interest and L/C Fees) payable to the Lenders and the L/C Issuers (including fees, disbursements and other charges of counsel payable under Sections 10.04 and 10.05 and amounts payable under Article III), ratably among them in proportion to the respective amounts described in this clause Second payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid L/C Fees, interest on the Loans and L/C Borrowings and periodic payments due in respect of Secured Hedge Agreements, ratably among the Lenders, the L/C Issuers and the Hedge Banks, in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans, the L/C Borrowings, the Swap Termination Value then owing under Secured Hedge Agreements which are not otherwise paid pursuant to clause Third above and the Obligations then owing under Secured Cash Management Agreements and to Cash Collateralize that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit to the extent not otherwise Cash Collateralized by the applicable Borrower pursuant to Section 2.15, ratably among the Lenders, the L/C Issuers, the Cash Management Banks and the Hedge Banks, in proportion to the respective amounts described in this clause Fourth held by them;

Fifth, to the payment of all other Obligations of the Loan Parties owing under or in respect of the Loan Documents that are due and payable to the Administrative Agent, the Collateral Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent, the Collateral Agent and the other Secured Parties on such date;

Last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, as required by any Intercreditor Agreement then in effect and, thereafter, to the Borrower or as otherwise required by Law.

Subject to Section 2.15, amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Fourth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired without any pending drawing thereon, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above.

Notwithstanding anything herein to the contrary, the Excluded Swap Obligations with respect to any Loan Party shall not be paid with amounts received from such Loan Party or its assets, but appropriate adjustments shall be made with respect to payments from other Loan Parties to preserve the allocation to the Obligations otherwise set forth above in this Section 8.04.

ARTICLE IX

ADMINISTRATIVE AGENT AND OTHER AGENTS

9.01 Appointment and Authorization of Agents.

(a) Each Lender and each L/C Issuer hereby irrevocably appoints, designates and authorizes the Administrative Agent and the Collateral Agent to take such action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere herein or in any other Loan Document, no Agent shall have any duties or responsibilities, except those expressly set forth herein, nor shall any Agent have or be deemed to have any fiduciary relationship with any Lender or Participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against any Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and such L/C Issuer shall have all of the benefits and immunities provided to the Agents in this Article IX with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and the applications and agreements for letters of credit pertaining to such Letters of Credit as fully as if the term "Agent" as used in this Article IX and in the definition of "Agent-Related Person" included such L/C Issuer with respect to such acts or omissions, and as additionally provided herein with respect to such L/C Issuer.

(c) The Administrative Agent shall also act as the Collateral Agent under the Loan Documents, and each of the Lenders (including in its capacities as a potential Cash Management Bank and a potential Hedge Bank) hereby irrevocably appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent (and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent) shall be entitled to the benefits of all provisions of this Article IX (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the Collateral Agent under the Loan Documents) as if set forth in full herein with respect thereto.

9.02 Delegation of Duties. The Administrative Agent or the Collateral Agent may execute any of its duties under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. None of the Administrative Agent or the Collateral Agent shall be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects in the absence of its own bad faith, gross negligence or willful misconduct to the extent determined in a final, nonappealable judgment by a court of competent jurisdiction.

9.03 Liability of Agents. No Agent-Related Person shall (a) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct in connection with its duties expressly set forth herein, to the extent determined in a final, nonappealable judgment by a court of competent jurisdiction), or (b) be responsible in any manner to any Lender or Participant for any recital, statement, representation or warranty made by any Loan Party or any officer thereof contained herein or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent or the Collateral Agent under or in connection with, this Agreement or any other Loan Document, or for the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or the perfection or priority of any Lien or security interest created or purported to be created under the Collateral Documents, or for any failure of any Loan Party or any other party to any Loan Document to perform its obligations hereunder or thereunder. No Agent-Related Person shall be under any obligation to any Lender or Participant to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof.

9.04 Reliance by Agents.

(a) Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, consent, certificate, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to any Loan Party), independent accountants and other experts selected by such Agent. Each Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or such other number or group of Lenders as may be expressly required hereby in any instance) as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such other number or group of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders. In no event shall any Agent be required to take any action (or omit to take any action) that, in its opinion or the opinion of its counsel, may expose any Agent to liability, or that is contrary to the terms of any Loan Document or applicable Law.

(b) For purposes of determining compliance with the conditions specified in Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted, or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

9.05 Notice of Default. None of the Administrative Agent or the Collateral Agent shall be deemed to have knowledge or notice of the occurrence of any Default, except with respect to defaults in the payment of principal, interest and fees required to be paid to the Administrative Agent for the account of the applicable Lenders, unless it shall have received written notice from a Lender or the Borrower

referring to this Agreement, describing such Default and stating that such notice is a "notice of default." Each of the Administrative Agent and the Collateral Agent will notify the Lenders of its receipt of any such notice. The Administrative Agent shall take such action with respect to any Event of Default as may be directed by the Required Lenders (or such other number or group of Lenders as may be expressly required hereby in any instance) in accordance with Article VIII; provided, however, that unless and until the Administrative Agent has received any such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable or in the best interest of the Lenders.

9.06 Credit Decision; Disclosure of Information by Agents. Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrowers and the other Loan Parties hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrowers and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person.

9.07 Indemnification of Agents. Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), *pro rata*, and hold harmless each Agent-Related Person from and against any and all Indemnified Liabilities incurred by it; provided, however, that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities to the extent determined in a final, nonappealable judgment by a court of competent jurisdiction to have resulted from such Agent-Related Person's own bad faith, gross negligence or willful misconduct; provided, however, that no action taken in accordance with the directions of the Required Lenders (or such other number or group of Lenders as may be expressly required hereby in any instance) shall be deemed to constitute bad faith, gross negligence or willful misconduct for purposes of this Section 9.07; provided, further, that to the extent any L/C Issuer is entitled to indemnification under this Section 9.07 solely in its capacity and role as L/C Issuer, only the Revolving Credit Lenders shall be required to indemnify such L/C Issuer in accordance with this Section 9.07. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.07 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent and the Collateral Agent upon demand for such Lender's ratable share of any costs or out-of-pocket expenses (including the fees, disbursements and other charges of counsel) incurred by the Administrative Agent or the Collateral Agent in connection with the preparation, execution, delivery,

administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document or any document contemplated by or referred to herein, to the extent that the Administrative Agent or the Collateral Agent is not reimbursed for such expenses by or on behalf of the Borrowers. The undertaking in this Section 9.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent or the Collateral Agent.

9.08 Agents in their Individual Capacities. Any Agent and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with each of the Loan Parties and their respective Affiliates as though it were not an Agent or an L/C Issuer hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, an Agent or its Affiliates may receive information regarding any Loan Party or its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that such Agent shall be under no obligation to provide such information to them. With respect to its Loans, such Agent shall have the same rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not an Agent or an L/C Issuer, and the terms "Lender" and "Lenders" include such Agent in its individual capacity.

9.09 Successor Agents.

(a) The Administrative Agent may resign as the Administrative Agent and the Collateral Agent upon thirty (30) days' notice to the Lenders and the Borrower. If the Administrative Agent resigns under this Agreement, the Required Lenders shall appoint a successor agent for the Lenders, which successor agent shall be consented to by the Borrower at all times other than during the existence of a Specified Event of Default (which consent of the Borrower shall not be unreasonably withheld or delayed and shall be deemed given if the Borrower fails to respond within ten (10) Business Days). If no successor agent is appointed prior to the effective date of the resignation of the Administrative Agent, the Administrative Agent may appoint, after consulting with the Lenders and the Borrower, a successor agent. Upon the acceptance of its appointment as successor agent hereunder, the Person acting as such successor agent shall succeed to all the rights, powers and duties of the retiring Administrative Agent and the term "Administrative Agent" and "Collateral Agent" shall mean such successor administrative agent or supplemental administrative agent, as the case may be, and the retiring Administrative Agent's appointment, powers and duties as the Administrative Agent and the Collateral Agent shall be terminated. After the retiring Administrative Agent's resignation hereunder as the Administrative Agent and the Collateral Agent, the provisions of this Article IX and Sections 10.04 and 10.05 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent or the Collateral Agent under this Agreement. If no successor agent has accepted appointment as the Administrative Agent by the date which is thirty (30) days following the retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective on such date and the retiring Administrative Agent may (but shall not be obligated to) with the consent of the Borrower at all times other than during the existence of a Specified Event of Default (which consent shall not be unreasonably withheld or delayed and shall be deemed given if the Borrower fails to respond within ten (10) Business Days), on behalf of the Lenders and the L/C Issuers, appoint a successor Administrative Agent. If a successor Administrative Agent has not so been appointed, the Lenders shall perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. With effect from the date which is thirty (30) days following the retiring Administrative Agent's notice of resignation (i) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent or the Collateral Agent on behalf of the Lenders or the L/C Issuers under any

of the Loan Documents, the retiring Collateral Agent shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed) and (ii) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and each L/C Issuer directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of any appointment as the Collateral Agent, as applicable, hereunder by a successor and upon the execution and filing or recording of such financing statements, or amendments thereto, and such other instruments or notices as may be necessary or desirable, or as the Required Lenders may request, in order to continue the perfection of the Liens granted or purported to be granted by the Collateral Documents, the successor Collateral Agent shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges and duties of the retiring Collateral Agent, and the retiring Collateral Agent shall be discharged from its duties and obligations under the Loan Documents. After the retiring Administrative Agent's resignation hereunder as the Administrative Agent and the Collateral Agent, the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as the Administrative Agent and the Collateral Agent.

(b) Any resignation by the Administrative Agent pursuant to this Section 9.09 shall also constitute its resignation as an L/C Issuer. Any resignation by the Administrative Agent pursuant to this Section 9.09 shall also constitute its resignation as the Collateral Agent. Upon the acceptance of a successor's appointment as Administrative Agent, hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or the retiring Collateral Agent, (ii) the retiring L/C Issuer or the retiring Collateral Agent shall be discharged from all of its respective duties and obligations hereunder or under the other Loan Documents, and (iii) the successor L/C Issuer shall issue Letters of Credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

9.10 Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent or the Collateral Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent or the Collateral Agent shall have made any demand on the applicable Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuers, the Administrative Agent or the Collateral Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuers, the Administrative Agent or the Collateral Agent and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuers, the Administrative Agent or the Collateral Agent under Sections 2.03(h) and (i), 2.09 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent or the Collateral Agent and, in the event that the Administrative Agent or the Collateral Agent shall

consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent or the Collateral Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent or the Collateral Agent under Sections 2.09 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent or the Collateral Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent or the Collateral Agent to vote in respect of the claim of any Lender in any such proceeding, except as set forth in clause (A)(z) of the third to last paragraph of Section 10.01.

9.11 Collateral and Guaranty Matters. Each of the Lenders (including in their capacities as potential or actual Hedge Banks and potential or actual Cash Management Banks) and each L/C Issuer irrevocably authorizes the Collateral Agent, at its option and in its discretion,

(a) to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (A) contingent indemnification obligations not yet accrued and payable and (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements as to which arrangements satisfactory to the applicable Cash Management Bank or Hedge Bank shall have been made) and the expiration or termination of all Letters of Credit (other than Letters of Credit as to which other arrangements satisfactory to the Administrative Agent and the applicable L/C Issuer shall have been made), (ii) if such property is no longer owned by a Loan Party as a result of any sale or other transaction permitted hereunder or under any other Loan Document, or (iii) subject to Section 10.01, if approved, authorized or ratified in writing by the Required Lenders (or such other number or group of Lenders as may be expressly required hereby in any instance);

(b) to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.01(i), (j), (n)(i), (u)(ii), (aa), (dd) or (jj), or to subordinate any Lien on any property granted to or held by the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.01(b), (d), (g), (i), (j), (n)(i), (p), (s)(i), (u)(ii), (aa), (bb), (dd), (gg) or (jj); and

(c) to release any Guarantor from its obligations under the Guaranty if such Person ceases to be a Restricted Subsidiary as a result of a transaction permitted hereunder; provided that no such release shall occur if such Guarantor is an obligor or a guarantor in respect of any Permitted Other Indebtedness, Specified Refinancing Debt, or any Permitted Refinancing thereof; provided, further, that any release of guarantee obligations as a result of the circumstances set forth in Section 9.11(a)(i) shall be deemed subject to the provision that such guarantee obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of any Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, any Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.

Upon request by the Collateral Agent at any time, the Required Lenders will confirm in writing the Collateral Agent's authority to release its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.11. In each case as specified in this Section 9.11, the Collateral Agent will, at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to release such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.11.

9.12 Secured Cash Management Agreements and Secured Hedge Agreements. No Cash Management Bank or Hedge Bank that obtains the benefits of Section 8.04, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, none of the Administrative Agent or the Collateral Agent shall be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements unless the Administrative Agent and the Collateral Agent have received written notice of such Obligations, together with such supporting documentation as the Administrative Agent or the Collateral Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be. By accepting the benefits of the Collateral, each holder of Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements shall be deemed to have appointed the Administrative Agent and the Collateral Agent as its agent and agreed to be bound by the Loan Documents as a beneficiary and Secured Party, subject to the limitations set forth in this Section 9.12. For the avoidance of doubt, no Agent shall owe any fiduciary duty, duty of loyalty, duty of care, duty of disclosure or any other obligation whatsoever to any holder of Obligations with respect to any Secured Hedge Agreement or Secured Cash Management Agreement.

9.13 Other Agents; Arrangers and Managers. None of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a "joint lead arranger" or "joint bookrunner" shall have any obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders, but only to the extent acting in such capacity as a Lender. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder. Sections 9.06, 9.07 and 9.08 shall apply to the Arrangers to the same extent as each applies to the Agents or the Agent-Related Persons, *mutatis mutandis*. Each Agent and Arranger shall be an intended third party beneficiary of the provisions set forth in this Agreement that are applicable thereto.

9.14 Appointment of Supplemental Administrative Agents.

(a) Each of the Administrative Agent and the Collateral Agent is hereby authorized to appoint additional Persons selected by it in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a "***Supplemental Administrative Agent***" and collectively as "***Supplemental Administrative Agents***").

(b) In the event that the Collateral Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Collateral Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers, privileges and duties with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by

such Supplemental Administrative Agent shall run to and be enforceable by either the Collateral Agent or such Supplemental Administrative Agent, and (ii) the provisions of this Article IX and of Section 9.07 (obligating the Lenders to pay the Collateral Agent's expenses and to indemnify the Collateral Agent) that refer to the Collateral Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Collateral Agent shall be deemed to be references to the Collateral Agent or such Supplemental Administrative Agent, as the context may require.

(c) Should any instrument in writing from a Borrower, Holdings or any other Loan Party be required by any Supplemental Administrative Agent so appointed by the Administrative Agent or the Collateral Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, a Borrower or Holdings, as applicable, shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent or the Collateral Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent or the Collateral Agent, as applicable, until the appointment of a new Supplemental Administrative Agent.

9.15 Withholding. To the extent required by any applicable Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any withholding Tax applicable to such payment. Without limiting or expanding the provisions of Section 3.01, if the IRS or any other Governmental Authority asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective) and whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority, or the Administrative Agent has paid over to the IRS applicable withholding Tax relating to a payment to a Lender but no deduction has been made from such payment, such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including any penalties or interest and together with any and all expenses incurred, unless such amounts have been indemnified by any Loan Party. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.15. The agreements in this Section 9.15 shall survive the resignation or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all other Obligations. For the avoidance of doubt, for purposes of this Section 9.15, the term "Lender" includes each L/C Issuer.

9.16 Agency for Perfection. The Collateral Agent hereby appoints, authorizes and directs each Secured Party to act as collateral sub-agent for the Collateral Agent and the other Secured Parties for purposes of the perfection of all Liens with respect to the Collateral, including any deposit account maintained by a Loan Party with, and cash and Cash Equivalents held by, such Secured Party, and may further authorize and direct such Secured Party to take further actions as collateral sub-agents for purposes of enforcing such Liens or otherwise to transfer the Collateral subject thereto to the Collateral Agent, and each Secured Party hereby agrees to take such further actions to the extent, and only to the extent, so authorized and directed.

9.17 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-Sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

9.18 Erroneous Payments.

(a) If the Administrative Agent notifies a Lender, L/C Issuer or Secured Party, or any Person who has received funds on behalf of a Lender, L/C Issuer or Secured Party (any such Lender, L/C Issuer, Secured Party or other recipient, a "***Payment Recipient***") that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, L/C Issuer, Secured Party or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "***Erroneous Payment***") and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such Lender, L/C Issuer or Secured Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Overnight Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting Section 9.18(a), each Lender, L/C Issuer or Secured Party, or any Person who has received funds on behalf of a Lender, L/C Issuer or Secured Party, hereby further agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender, L/C Issuer or Secured Party, or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each such case:

(i) (A) in the case of immediately preceding clauses (x) or (y), an error shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender, L/C Issuer or Secured Party shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of such error) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 9.18(b).

(c) Each Lender, L/C Issuer and Secured Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender, L/C Issuer or Secured Party under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender, L/C Issuer or Secured Party from any source, against any amount due to the Administrative Agent under Section 9.18(a) or under the indemnification provisions of this Agreement.

(d) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason after demand therefor by the Administrative Agent in accordance with Section 9.18(a), from any Lender or L/C Issuer that has received such Erroneous Payment (or portion thereof) (or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an "***Erroneous Payment Return Deficiency***"), upon the Administrative Agent's notice to such Lender or Issuing Lender at any time, (i) such Lender or L/C Issuer shall be deemed to have assigned its Loans (but not its Commitments) of the relevant Class with respect to which such Erroneous Payment was made (the "***Erroneous Payment Impacted Class***") in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the "***Erroneous Payment Deficiency Assignment***") at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance), and is hereby (together with the Borrower) deemed to execute and deliver an Assignment and Assumption with respect to such Erroneous Payment Deficiency Assignment, and such Lender or L/C Issuer shall deliver any Notes evidencing such Loans to the Borrower or the Administrative Agent, (ii) the Administrative Agent as the assignee Lender shall be deemed to acquire the Erroneous Payment Deficiency Assignment, (iii) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender or L/C Issuer, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender or assigning L/C Issuer shall cease to be a Lender or L/C Issuer, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender or assigning L/C Issuer and (iv) the Administrative Agent may reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. The Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender or L/C Issuer shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender or L/C Issuer (or against any recipient that receives funds on its respective behalf). For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender or L/C Issuer and such Commitments shall remain available in accordance with the terms of this Agreement. In addition, each party hereto agrees that, except to the extent that the Administrative Agent has sold a Loan (or portion thereof) acquired pursuant to an Erroneous Payment Deficiency Assignment, and irrespective of whether the Administrative Agent may be equitably subrogated, the Administrative Agent shall be contractually subrogated to all the rights and interests of the applicable Lender, L/C Issuer or Secured Party under the Loan Documents with respect to each Erroneous Payment Return Deficiency (the "***Erroneous Payment Subrogation Rights***").

(e) The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower or any other Loan Party for the purpose of making such Erroneous Payment.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including without limitation waiver of any defense based on "discharge for value" or any similar doctrine.

(g) Each party's obligations, agreements and waivers under this Section 9.18 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender or L/C Issuer, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

Notwithstanding anything to the contrary herein, (i) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended, the maturity of any of its Loans may not be extended and the principal amount of any of its Loans may not be forgiven, in each case without the consent of such Defaulting Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender and (ii) no Net Short Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder or under any of the Loan Documents and instead shall be deemed to have voted its interest as a Lender as provided in this Section 10.01 (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Net Short Lenders), except that (x) the Commitment of any Net Short Lender may not be increased or extended, the maturity of any of its Loans may not be extended and the principal amount of any of its Loans may not be forgiven, in each case without the consent of such Net Short Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Net Short Lender more adversely than other affected Lenders shall require the consent of such Net Short Lender.

Notwithstanding anything to the contrary contained herein:

(A) (x) any Loans held by a Lender that is a Non-Debt Fund Affiliate shall be excluded in the determination of any "Required Lender" or "Required Term Lender" votes (provided that such Non-Debt Fund Affiliate shall not be excluded and shall be entitled to vote in connection with any amendment, waiver or modification to the extent any such amendment, waiver or modification proposes to treat any Obligations held by such Non-Debt Fund Affiliate in a disproportionately adverse manner to such Non-

Debt Fund Affiliate than the proposed treatment of similar Obligations held by Lenders that are not Affiliated Lenders); (y) no such Lender shall have any right to (i) attend (including by telephone) any meeting, call or discussions (or portion thereof) among an Agent, an Arranger or any Lender to which representatives of the Borrower are not then present, (ii) receive any information or material prepared by or provided to an Agent, an Arranger or any Lender or any communication by or among an Agent, an Arranger and one or more Lenders, except to the extent such information or materials have been made available to the Borrower or its representatives, (iii) make or bring (other than as a passive participant in or recipient of its *pro rata* benefits of) any claim, in its capacity as a Lender, against an Agent (except with respect to any rights expressly retained by such Affiliated Lender under the Loan Documents, which shall not be required to be waived) or an Arranger, or (iv) receive advice of counsel to an Agent, an Arranger or any other Lender (other than counsel to the Affiliated Lenders), or challenge an Agent's, an Arranger's or any Lender's attorney-client privilege; and (z) each Affiliated Lender that is a Non-Debt Fund Affiliate hereby agrees that if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrower or any other Loan Party, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Loans held by such Affiliated Lender in any manner in the Administrative Agent's sole discretion, unless the Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Loans held by it as the Administrative Agent directs; provided that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated Lender in a disproportionately adverse manner to such Affiliated Lender than the proposed treatment of similar Obligations held by Lenders that are not Affiliated Lenders; and

(B) in connection with any "Required Lender" or "Required Term Lender" votes or Class votes with respect to any Class of Term Loans, Lenders that are Debt Fund Affiliates shall not be permitted, in the aggregate, to account for more than 49.9% of the amounts includable in determining whether the "Required Lenders" or "Required Term Lenders" or a majority of Lenders with respect to such Class have consented to any amendment, modification, waiver, consent or other action that is subject to such vote. The voting power of each Lender that is a Debt Fund Affiliate shall be reduced, *pro rata*, to the extent necessary in order to comply with the immediately preceding sentence.

Further, notwithstanding any provision herein to the contrary, the applicable Borrower(s) may, by written notice to the Administrative Agent from time to time, make one or more offers (each, a "***Loan Modification Offer***") to all the Lenders of one or more Classes of Commitments or Loans under any of the Facilities (each Class subject to such a Loan Modification Offer, an "***Affected Facility***") to make one or more Permitted Amendments (as defined below) pursuant to procedures reasonably specified by the Administrative Agent and reasonably acceptable to such Borrower. Such notice shall set forth (i) the terms and conditions of the requested Permitted Amendment and (ii) the date on which such Permitted Amendment is requested to become effective (which shall not be less than ten (10) Business Days nor more than thirty (30) Business Days after the date of such notice, or such shorter periods as are acceptable to the Administrative Agent). Permitted Amendments shall become effective only with respect to the Commitments or Loans of the Lenders under the Affected Facility that accept the applicable Loan Modification Offer (such Lenders, the "***Loan Modification Accepting Lenders***") and, in the case of any Loan Modification Accepting Lender, only with respect to such Lender's Commitments or Loans of such

Class(es) under such Affected Facility as to which such Lender's acceptance has been made. Such Borrower and each Loan Modification Accepting Lender shall execute and deliver to the Administrative Agent an agreement in form and substance satisfactory to the Administrative Agent giving effect to the Permitted Amendment (a "***Loan Modification Agreement***") and such other documentation as the Administrative Agent shall reasonably specify to evidence the acceptance of the Permitted Amendments and the terms and conditions thereof. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Loan Modification Agreement. Each of the parties hereto hereby agrees that, upon the effectiveness of any Loan Modification Agreement, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Permitted Amendment evidenced thereby and only with respect to the Loans and Commitments of the Loan Modification Accepting Lenders under the Affected Facility. Notwithstanding the foregoing, no Permitted Amendment shall become effective under this paragraph unless the Administrative Agent shall have received all corporate documents, officers' certificates or legal opinions consistent with those delivered on the Closing Date under Section 4.01 reasonably requested by the Administrative Agent. "***Permitted Amendments***" shall be limited to (i) an extension of the final maturity date of the applicable Loans of the Loan Modification Accepting Lenders and the payment of fees by such Borrower to such Loan Modification Accepting Lenders as may be required in connection therewith (provided that such extension may not result in having more than two additional final maturity dates in any year, or more than three additional final maturity dates at any time, under this Agreement without the consent of the Administrative Agent), (ii) a reduction, elimination or extension of the scheduled amortization of the applicable Loans of the Loan Modification Accepting Lenders and the payment of fees by such Borrower to such Loan Modification Accepting Lenders as may be required in connection therewith, (iii) a change in rate of interest (including a change to the Applicable Rate and any provision establishing a minimum rate), premium or other amount with respect to the applicable Loans of the Loan Modification Accepting Lenders or a change in the payment of fees to the Loan Modification Accepting Lenders (such change or payments to be in the form of cash, Equity Interests or other property to the extent not prohibited by this Agreement); provided that any additional premiums pursuant to this clause (iii) shall apply to the applicable Loans of the Loan Modification Accepting Lenders after the Latest Maturity Date then in effect with respect to the Affected Facility, and (iv) any other amendment to a Loan Document required to give effect to the Permitted Amendments described in clauses (i) through (iii) of this sentence.

In connection with any determination as to whether the requisite Lenders have (A) consented (or not consented) to any amendment or waiver of any provision of this Agreement or any other Loan Document or any departure by any Loan Party therefrom, (B) otherwise acted on any matter related to any Loan Document, or (C) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, any Lender (other than any Lender that is a Revolving Credit Lender or a Regulated Bank) that, as a result of its interest in any total return swap, total rate of return swap, credit default swap or other derivative contract (other than any such total return swap, total rate of return swap, credit default swap or other derivative contract entered into by such Lender or its affiliates (other than any Ethically Screened Affiliates) pursuant to bona fide market making activities), has a net short position with respect to the Loans or Commitments (each, a "***Net Short Lender***") shall have no right to vote any of its Loans and Commitments and shall be deemed to have voted its interest as a Lender without discretion in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Net Short Lenders (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Net Short Lenders), except that (x) the Commitment of any Net Short Lender may not be increased or extended, the maturity of any of its Loans may not be extended and the principal amount of any of its Loans may not be forgiven, in each case without the consent of such Net Short Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Net Short Lender more adversely than other affected Lenders shall require the consent of such Net Short Lender. For purposes of determining whether a Lender has a

"net short position" on any date of determination: (i) derivative contracts with respect to the Loans and Commitments and such contracts that are the functional equivalent thereof shall be counted at the notional amount thereof in Dollars, (ii) notional amounts in other currencies shall be converted to the Dollar Equivalent thereof, (iii) derivative contracts in respect of an index that includes any of such Borrower or other Loan Parties or any instrument issued or guaranteed by any of such Borrower or other Loan Parties shall not be deemed to create a short position with respect to the Loans or Commitments, so long as (x) such index is not created, designed, administered or requested by such Lender and (y) such Borrower and other Loan Parties and any instrument issued or guaranteed by any of such Borrower or other Loan Parties, collectively, shall represent less than 5% of the components of such index, (iv) derivative transactions that are documented using either the 2014 ISDA Credit Derivatives Definitions or the 2003 ISDA Credit Derivatives Definitions (collectively, the "***ISDA CDS Definitions***") shall be deemed to create a short position with respect to the Loans or Commitments if such Lender is a protection buyer or the equivalent thereof for such derivative transaction and (x) the Loans or the Commitments are a "Reference Obligation" under the terms of such derivative transaction (whether specified by name in the related documentation, included as a "Standard Reference Obligation" on the most recent list published by Markit, if "Standard Reference Obligation" is specified as applicable in the relevant documentation or in any other manner), (y) the Loans or the Commitments would be a "Deliverable Obligation" under the terms of such derivative transaction or (z) any of the Borrower or other Loan Parties (or its successor) is designated as a "Reference Entity" under the terms of such derivative transactions, and (v) credit derivative transactions or other derivatives transactions not documented using the ISDA CDS Definitions shall not be deemed to create a short position with respect to the Loans or Commitments if such transactions are functionally equivalent to a transaction that offers the Lender protection in respect of the Loans or the Commitments, or as to the credit quality of any of the Borrowers or other Loan Parties other than, in each case, as part of an index so long as (x) such index is not created, designed, administered or requested by such Lender and (y) the Borrower and other Loan Parties and any instrument issued or guaranteed by any of the Borrower or other Loan Parties, collectively, shall represent less than 5% of the components of such index. At the request of the Borrower in connection with any amendment or waiver, each Lender shall promptly notify the Administrative Agent in writing if it is a Net Short Lender, or shall otherwise be deemed to have represented and warranted to the Borrower and the Administrative Agent that it is not a Net Short Lender (it being understood and agreed that the Borrower and the Administrative Agent shall be entitled to rely on each such representation and deemed representation and that the Administrative Agent and its affiliates shall not have any responsibility or liability with respect to monitoring or enforcing any of the foregoing provisions with respect to any Lender).

Notices and other communications delivered through electronic communications to the extent provided in clause (b) below shall be effective as provided in such clause (b).

(b) The Platform. Notices and other communications to the Lenders and the L/C Issuers hereunder may be delivered or furnished through the Platform pursuant to procedures approved by the Administrative Agent. The Administrative Agent or a Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided, that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, notices or communications posted to the Platform shall be deemed received upon the deemed receipt by the intended recipient at its electronic mail address as described in Section 10.02(a) of notification that such notice or communication is available and identifying the website address therefor.

(c) THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENTS DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT-RELATED PERSON IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall any Agent-Related Person have any liability to Holdings, the Borrowers, any Lender, any L/C Issuer or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of any Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent-Related Person; provided, however, that in no event shall any Agent-Related Person have any liability to Holdings, the Borrowers, any Lender, any L/C Issuer or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of Holdings, the Borrowers, the Administrative Agent, the Collateral Agent and each L/C Issuer may change its address, telecopier, electronic mail address or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier, electronic mail address or telephone number for notices and other communications hereunder by notice to the Borrower, the Administrative Agent, the Collateral Agent and each L/C Issuer. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Law, including United States federal and state securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to any Borrower or its securities for purposes of United States federal or state securities Laws.

(e) Reliance by Administrative Agent, Collateral Agent, L/C Issuers and Lenders. The Administrative Agent, the Collateral Agent, the L/C Issuers and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of any Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. Each Borrower shall indemnify the Administrative Agent, the Collateral Agent, each L/C Issuer, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of any Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

10.03 No Waiver; Cumulative Remedies; Enforcement. No failure by any Lender, any L/C Issuer, the Administrative Agent or the Collateral Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders and the L/C Issuers; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent or the Collateral Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as the Administrative Agent or the Collateral Agent) hereunder and under the other Loan Documents, (b) each L/C Issuer from exercising the rights and remedies that inure to its benefit (solely in its capacity as an L/C Issuer) hereunder and under the other Loan Documents, (c) any Lender from exercising setoff rights in accordance with Section 10.09 (subject to the terms of Section 2.13), or (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and provided, further, that if at any time there is no Person acting as the Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (c) and (d) of the preceding proviso and subject to Section 2.13 any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

10.04 Expenses and Taxes. Each Borrower agrees (a) to pay or reimburse the Administrative Agent, the Collateral Agent and the Arrangers for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents, and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable and documented out-of-pocket fees, disbursements and other charges of

counsel (limited to the reasonable fees, disbursements and other charges of one counsel to the Administrative Agent, the Collateral Agent and the Arrangers taken as a whole, and if necessary, of one local counsel in each relevant jurisdiction and of special and conflicts counsel), and (b) to pay or reimburse the Administrative Agent, the Collateral Agent, each Arranger, each L/C Issuer and each Lender for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law or in connection with any workout or restructuring), including the reasonable fees, disbursements and other charges of counsel (limited to the reasonable fees, disbursements and other charges of one counsel to the Administrative Agent, the Collateral Agent, the L/C Issuers and the Lenders taken as a whole, and if necessary, of one local counsel in each relevant jurisdiction and of one special counsel in each relevant specialty and, in the event of any conflict of interest, one additional counsel for the Administrative Agent, the Collateral Agent, each L/C Issuer and each Lender subject to such conflict and to the extent necessary, one local counsel in each relevant jurisdiction or one special counsel in each relevant specialty for all such parties subject to such conflict), in each case without duplication for any amounts paid (or indemnified) under Section 3.01. The foregoing costs and expenses shall include all search, filing, recording, title insurance and appraisal charges and fees and taxes related thereto, and other out-of-pocket expenses incurred by any Agent. All amounts due under this Section 10.04 shall be paid within five (5) Business Days after invoiced or demand therefor. The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent, the Collateral Agent, any Arranger, any L/C Issuer or any Lender, in its sole discretion.

10.05 Indemnification by the Borrower. The Borrower shall indemnify and hold harmless each Agent, each Arranger, each Agent-Related Person, each Lender, each L/C Issuer and their respective Affiliates, partners, directors, officers, employees, controlling persons, members, counsel, agents and, in the case of any funds, trustees, advisors and other representatives and attorneys-in-fact (collectively the "***Indemnitees***") from and against (and will reimburse each Indemnitee as the same are incurred for) any and all liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs (including settlement costs), expenses and disbursements (including the reasonable fees, disbursements and other charges of (i) one counsel to the Indemnitees taken as a whole, (ii) in the case of any conflict of interest, additional counsel to each group of similarly-situated Indemnitees, limited to one such additional counsel, and (iii) one local counsel in each relevant jurisdiction and one special counsel in each relevant specialty (and, in the case of any conflict of interest, one additional local counsel and one additional special counsel, as applicable, to each group of similarly-situated Indemnitees)) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted or awarded against any such Indemnitee in any way relating to or arising out of or in connection with or by reason of (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, (b) any Commitment, Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by any L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (c) any Environmental Release of Hazardous Materials on or from any property currently owned, leased or operated by the Borrower, or any other Loan Party or its Subsidiaries, or any Environmental Liability related in any way to the Borrower, any Subsidiary or any other Loan Party (other than any Environmental Release or Environmental Liability resulting solely from acts or omissions by Persons other than the Holdings and its Subsidiaries, with respect to the applicable property after the Collateral Agent sells the respective property pursuant to a foreclosure or has accepted a deed in lieu of foreclosure), (d) the Commitment Letter or the Fee Letter, or (e) any actual or prospective claim, litigation, investigation or proceeding in any way relating to, arising out of, in connection with or by

reason of any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) and regardless of whether any Indemnitee is a party thereto and whether or not such proceeding is brought by the Borrower or any other Person (all the foregoing, collectively, the "***Indemnified Liabilities***"), in all cases, whether or not caused by or arising, in whole or in part, out of the negligence of the Indemnitee; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses or disbursements (x) arise from a dispute that does not involve any action or omission of the Borrower or any of its Affiliates (as determined in a final, non-appealable judgment of a court of competent jurisdiction) and is solely among the Indemnitees (other than in connection with any such party acting in its capacity as an Arranger or an Agent) or (y) are found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnitee's or any of its controlled Affiliates' bad faith, gross negligence, willful misconduct or material breach of its funding obligations under the Loan Documents. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through the Platform or other information transmission systems (including electronic telecommunications) in connection with this Agreement, except to the extent of direct, as opposed to special, indirect, consequential or punitive, damages determined in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnitee's or any of its controlled Affiliates' bad faith, gross negligence, willful misconduct or material breach of its funding obligations under the Loan Documents. No Indemnitee or Loan Party shall have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date); provided that the foregoing shall not affect the Loan Parties' indemnification obligations pursuant to this Section 10.05. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, shareholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated.

No Loan Party shall be liable for any settlement of any claim, investigation, litigation or proceeding effected without the Borrower's consent (which consent shall not be unreasonably withheld, conditioned or delayed), but if settled with the Borrower's consent, or if there is a judgment against an Indemnitee in any such claim, investigation, litigation or proceeding, each Borrower agrees to indemnify and hold harmless each Indemnitee in the manner set forth above. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent or the Collateral Agent, the replacement of any L/C Issuer or any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. For the avoidance of doubt, this Section 10.05 shall not apply to Taxes other than Taxes that represent losses, claims, damages, etc. arising from a non-Tax claim.

10.06 Payments Set Aside. To the extent that any payment by or on behalf of any Borrower is made to any Agent, any L/C Issuer or any Lender, or any Agent, any L/C Issuer or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent, such L/C Issuer or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and each L/C Issuer severally agrees to pay to the Administrative Agent or the Collateral Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate *per annum* equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders and the L/C Issuers under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (x) neither Holdings nor any Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender (except as permitted by Section 7.04) (and any other attempted assignment or transfer by Holdings or any Borrower shall be null and void) and (y) no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of Section 10.07(b), (ii) by way of participation in accordance with the provisions of Section 10.07(d), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(f), (iv) to an SPC in accordance with the provisions of Section 10.07(g), or (v) in accordance with Section 10.07(i) or 10.07(j); provided that, for the avoidance of doubt, in the case of this clause (y), no assignments to the Borrower or any of its Affiliates shall be permitted other than in accordance with Sections 10.07(i) or 10.07(j). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(d) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment(s) and the Loans (including for purposes of this Section 10.07(b), participations in L/C Obligations) at the time owing to it); provided that (i) (A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment under any Facility and the Loans at the time owing to it under such Facility or in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund with respect to a Lender, no minimum amount shall need to be assigned, and (B) in any case not described in clause (i)(A) above, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the outstanding principal balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if a "Trade Date" is specified in the Assignment and Assumption, as of the "Trade Date," shall not be less than $1,000,000 for Term Loans and $2,500,000 for Revolving Credit Loans and Revolving Credit Commitments, unless each of the Administrative Agent and, so long as no Specified Event of Default has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed); provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met; (ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-*pro rata* basis; (iii) no consent shall be required with respect to the amount of any assignment except to the extent required by clause (i)(B) above and, in addition (I) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (1) a Specified Event of Default has occurred and is continuing at the time of such assignment, (2) such assignment is in respect of the Term Facility and is made to a Lender, an Affiliate of a Lender or an Approved Fund, or (3) in connection with the primary syndication of the Facilities, such assignment is made to a Lender that has been identified to and consented to by the Borrower prior to the Closing Date; provided that the Borrower

shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof; and (II) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required (except in the case of any assignment in respect of the Term Facility from any Term Lender to an Affiliate of such Term Lender, to an Approved Fund of such Term Lender or to another Term Lender); (iv) the consent of each L/C Issuer (each such consent not to be unreasonably withheld or delayed) shall be required for any assignment in respect of the Revolving Credit Facility; (v) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500 (provided that the Administrative Agent, in its sole discretion, may elect to waive such processing and recordation fee); (vi) no such assignment shall be made to (A) any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (A), (B) a natural person, (C) Holdings or any of its Subsidiaries, or (D) absent the consent of the Borrower (which consent may be withheld in the sole discretion of the Borrower), to a Person disclosed on a list delivered to the Administrative Agent prior to the launch of the general syndication of the Facilities that occurred prior to the Closing Date and made available to each Lender upon request, as updated from time to time by the Borrower to include competitors of the Borrower (but not other Persons) by delivering a new such list of Ineligible Assignees to the Administrative Agent which shall be made available to any Lender at its request, and all Affiliates of such Person that are identified in writing by the Borrower to the Administrative Agent from time to time or are reasonably identifiable as Affiliates solely on the basis of their names (other than bona fide debt funds that purchase commercial loans in the ordinary course of business and are not disclosed on the list delivered to the Administrative Agent prior to the general syndication as set forth above) (each, an "***Ineligible Assignee***"); provided that, notwithstanding anything to the contrary, (w) updates to the list of Ineligible Assignees shall become effective on the date such update is delivered to the Administrative Agent, but shall not apply retroactively to disqualify Persons that have previously become Lenders or acquired a participation interest in the Loans, (x) the Administrative Agent shall not have any obligation to determine whether any potential assignee is an Ineligible Assignee or any liability with respect to any assignment made to an Ineligible Assignee, (y) subject to an agreement containing customary confidentiality obligations, Lenders shall be permitted to share the list of Ineligible Assignees with any Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in, any of its rights or obligations under this Agreement, and (z) if any assignment is made to any Person that is an Ineligible Assignee without the consent of the Borrower, the loans and commitments held by such Person shall be deemed to not be outstanding for purposes of any amendment, waiver or consent hereunder, and such Person shall not be permitted to attend lender meetings or receive information prepared by the Administrative Agent or any Lender in connection with this Agreement; (vii) no Revolving Credit Commitments or Revolving Credit Loans may be assigned to any Affiliated Lender; (viii) the assigning Lender shall deliver any Notes evidencing such Loans to the Borrower or the Administrative Agent; and (ix) in connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable *pro rata* share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full *pro rata* share of all Loans and participations in Letters of Credit in accordance with its Pro Rata Share; provided that notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be

deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs. Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.07(c), from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04, and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender by the assigning Lender of its Note, each Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 10.07(b) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(d).

(c) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrowers (and such agency being solely for tax purposes), shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption and each Affiliated Lender Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, L/C Obligations (specifying the Unreimbursed Amounts), L/C Borrowings and amounts due under Section 2.03 owing to, each Lender pursuant to the terms hereof from time to time (the "***Register***"). The entries in the Register shall be conclusive, absent manifest error, and the Borrowers, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. No assignment of a Loan, L/C Obligation or L/C Borrowing shall be effective unless and until it is recorded in the Register. In addition, the Administrative Agent shall maintain in the Register information regarding the designation, and revocation of designation, of any Lender as a Defaulting Lender. The Register shall be available for inspection by the Borrower, any Agent and any Lender with respect to such Lender's entry, at any reasonable time and from time to time upon reasonable prior notice.

(d) Any Lender may at any time, without the consent of, or notice to, any Borrower or the Administrative Agent, sell participations to any Person (other than a natural person, an Ineligible Assignee, a Defaulting Lender or Holdings, the Borrower or any of their respective Affiliates or Subsidiaries (other than Debt Fund Affiliates)) (each, a "***Participant***") in all or a portion of such Lender's rights or obligations under this Agreement (including all or a portion of its Commitment or the Loans (including such Lender's participations in L/C Obligations) owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Borrowers, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement; provided, further, that the Administrative Agent shall not have any obligation to determine whether any potential Participant is an Ineligible Assignee or any liability with respect to any participation sold to an Ineligible Assignee. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 that directly affects such Participant. Subject to Section 10.07(e), each Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and limitations therein, including the

requirements under Section 3.01(g), (h) and (j) (it being understood that the documentation required under Section 3.01(g), (h) and (j) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.07(b). To the extent permitted by Law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender, provided that such Participant agrees to be subject to Section 2.13 as though it were a Lender.

(e) A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless such greater payment to such Participant has been consented to by the Borrower, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. A Participant shall not be entitled to the benefits of Section 3.01 and Section 3.04 unless such Participant agrees, for the benefit of the Borrower, to comply with obligations, restrictions and limitations under such Sections and Section 3.07 as though it were a Lender. Each Lender that sells a participation agrees to cooperate with the Borrower to effectuate the provisions of Section 3.07 with respect to any Participant.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank having jurisdiction over such Lender; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary contained herein, any Lender (a "***Granting Lender***") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "***SPC***") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof or, if it fails to do so, to make such payment to the Administrative Agent as is required under Section 2.12(b)(i). Each party hereto hereby agrees that an SPC shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and the limitations of such Sections and the obligations to provide the forms and certifications pursuant to Section 3.01 as if it were a Lender); provided that neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of any Borrower under this Agreement (including its obligations under Sections 3.01, 3.04 or 3.05). Each party hereto further agrees that (i) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable and (ii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the lender of record hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not, other than in respect of matters unrelated to this Agreement or the transactions contemplated hereby, institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under the Laws of the United States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of $3,500, assign all or any portion of its rights hereunder with respect to any Loan to the Granting Lender

and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(h) Notwithstanding anything to the contrary contained herein, any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; provided that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(i) Notwithstanding anything to the contrary contained herein, any Lender may assign all or any portion of its Term Loans hereunder to Holdings, the Borrower or any of its Restricted Subsidiaries or to any Debt Fund Affiliate or Non-Debt Fund Affiliate, but only if:

(i) such assignment is made pursuant to an open market purchase or Dutch Auction open to all Term Lenders on a pro rata basis;

(ii) no Specified Event of Default has occurred or is continuing or could result therefrom;

(iii) the assigning Lender and Affiliated Lender purchasing such Lender's Loans, as applicable, shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit E-2 hereto (an "***Affiliated Lender Assignment and Assumption***") in lieu of an Assignment and Assumption;

(iv) after giving effect to such assignment, Non-Debt Fund Affiliates shall not, in the aggregate, own or hold Term Loans with an aggregate principal amount in excess of 30% of the principal amount of all Term Loans then outstanding;

(v) Holdings, the Borrower and their Restricted Subsidiaries may not use the proceeds of any Credit Extension under the Revolving Credit Facility to acquire any Term Loans pursuant to this Section 10.07(i) if the Total Revolving Credit Outstandings exceed 50% of the Total Commitments under the Revolving Credit Facility (after giving effect to such Credit Extension);

(vi) in the case of any such assignment to a Non-Debt Fund Affiliate, such Non-Debt Fund Affiliate shall be subject to the restrictions specified in clause (A) of the third to last paragraph of Section 10.01; and

(vii) any such Term Loans assigned to Holdings, the Borrower or any Restricted Subsidiary will be automatically and permanently cancelled at the time of such assignment (and applied to the remaining amortization payments in respect of the Term Loans in direct order of maturity or as otherwise directed by the Borrower).

(j) Notwithstanding anything to the contrary contained herein, any Lender may assign all or any portion of its Term Loans hereunder to any Debt Fund Affiliate, but only if:

(i) such assignment is made pursuant to an open market purchase; and

(ii) such Debt Fund Affiliate shall at all times after such assignment be subject to the restrictions specified in clause (B) of the third to last paragraph of Section 10.01.

(k) Notwithstanding anything to the contrary contained herein, if at any time the Administrative Agent assigns all of its Commitments and Loans pursuant to Section 10.07(b), the Administrative Agent may, upon thirty (30) days' notice to the Borrower, resign as an L/C Issuer. In the event of any such resignation as an L/C Issuer, the Borrower shall be entitled to appoint from among the Lenders a successor L/C Issuer hereunder; provided, however, that no failure by the Borrower to appoint any such successor shall affect the resignation of the Administrative Agent as an L/C Issuer. If the Administrative Agent resigns as an L/C Issuer, it shall retain all the rights and obligations of an L/C Issuer provided for hereunder with respect to Letters of Credit made by it and outstanding as of the effective date of such resignation as an L/C Issuer and all L/C Obligations with respect thereto, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Unreimbursed Amounts pursuant to Section 2.03. Upon the appointment of a successor L/C Issuer, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer and (ii) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the Administrative Agent to effectively assume the obligations of the Administrative Agent with respect to such Letters of Credit.

(l) Each Lender that sells a participation or grants any rights to an SPC, acting solely for this purpose as a non-fiduciary agent of the Borrower (solely for tax purposes), shall maintain a register on which it enters the name and address of (i) each SPC (other than any SPC that is treated as a disregarded entity of the Granting Lender for U.S. federal income tax purposes) that has exercised its option pursuant to Section 10.07(g) and (ii) each Participant, and the principal amounts (and stated interest) of each such SPC's and Participant's interest in such Lender's rights or obligations under this Agreement (the "***Participant Register***"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or SPC or any information relating to a Participant's or SPC's interest in such Lender's rights or obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such rights or obligations are in registered form under Section 5f.103-1(c) or proposed Section 1.163-5(b) (or any amended or successor version) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of the applicable participation or SPC interest.

10.08 Confidentiality. Each of the Agents and the Lenders (including, as applicable, in their capacity as Arrangers) agrees to maintain the confidentiality of the Information, except that, Information may be disclosed (a) to its Affiliates, to its and its Affiliates' directors, officers, employees and agents, including accountants, auditors, legal counsel and other advisors on a "need to know" basis solely in connection with the transactions contemplated hereby and to the Persons approving or administering a Loan on behalf of an Agent or a Lender (it being understood that all Persons pursuant to clause (a) to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential in accordance with customary practices, and the applicable Agent or Lender shall be responsible for such Person's compliance with this paragraph); (b) to the extent requested or required by any regulatory authority having or purporting to have jurisdiction over such Agent, Lender or its respective Affiliates or in connection with any pledge or assignment permitted under Section 10.07(f) (in which case, except with respect to any audit or examination conducted by bank accountants or any

governmental bank regulatory authority exercising examination or regulatory authority, such Agent or Lender shall promptly notify the Borrower, in advance, to the extent permitted by Law and, to the extent it may legally and practically do so, allow the Borrower a reasonable opportunity to object to such disclosure in such proceeding or process); (c) in any legal, judicial or administrative proceeding or other compulsory process or otherwise as required by applicable Laws or regulations or by any subpoena or similar legal process (in which case, except with respect to any audit or examination conducted by bank accountants or any governmental bank regulatory authority exercising examination or regulatory authority, such Agent or Lender shall promptly notify the Borrower, in advance, to the extent permitted by Law and, to the extent it may legally and practically do so, allow the Borrower a reasonable opportunity to object to such disclosure in such proceeding or process); (d) to any other party to this Agreement; (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (f) subject to an agreement containing provisions at least as restrictive as those of this Section 10.08(or as may otherwise be reasonably acceptable to the Borrower), to any Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in, any of its rights or obligations under this Agreement or to any prospective counterparty to any Cash Management Agreement or Swap Contract; (g) with the consent of the Borrower; (h) to the extent such Information (A) becomes publicly available other than as a result of a breach of this Section 10.08 or (B) is independently developed by such Agent or Lender or any of their respective Affiliates; (i) to any state, federal or foreign authority or examiner (including the National Association of Insurance Commissioners or any other similar organization) regulating any Lender; or (j) to any rating agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to the Loan Parties received by it from such Lender). In addition, the Agents and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments and the Credit Extensions. For the purposes of this Section 10.08, "***Information***" means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof relating to any Loan Party or its business, other than any such information that is publicly available to any Agent or any Lender prior to disclosure by any Loan Party other than as a result of a breach of this Section 10.08; provided that, in the case of information received from a Loan Party after the Closing Date, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 10.08 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Agents, the Lenders and each L/C Issuer acknowledges that (i) the Information may include material non-public information concerning the Borrower, Holdings or a Subsidiary of either, as the case may be, (ii) it has developed compliance procedures regarding the use of material non-public information, and (iii) it will handle such material non-public information in accordance with applicable Law, including United States federal and state securities Laws.

10.09 Setoff. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender, each L/C Issuer and each of their respective Affiliates is authorized at any time and from time to time, without prior notice to any Borrower or any other Loan Party, any such notice being waived by any Borrower (on its own behalf and on behalf of each Loan Party) to the fullest extent permitted by Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time owing by, such Lender, such L/C Issuer or such Affiliate to or for the credit or the account of the respective Loan Parties against any and all Obligations owing to such Lender, such L/C Issuer or such Affiliate hereunder or under any other Loan Document, now or hereafter existing, irrespective

of whether or not such Lender, L/C Issuer or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.16 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender and each L/C Issuer agrees promptly to notify the Borrower and the Administrative Agent after any such setoff and application; provided, however, that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent and each Lender, each L/C Issuer and their respective Affiliates under this Section 10.09 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent and such Lender, such L/C Issuer or their respective Affiliates may have. Notwithstanding anything herein or in any other Loan Document to the contrary, in no event shall the assets of any CFC or CFC Holdco constitute security, nor shall the proceeds of such assets be available for payment of the Obligations of the Borrower or any Domestic Subsidiary, it being understood that (a) the Equity Interests of any CFC or CFC Holdco that are directly owned by the Borrower or any Guarantor do not constitute such an asset (and may be pledged to the extent set forth in Section 6.12, but, in no event can Voting Stock of any CFC or CFC Holdco in excess of 65% of the Voting Stock of such CFC or CFC Holdco, as applicable, be pledged) and (b) the provisions hereof shall not limit, reduce or otherwise diminish in any respect any Borrower's obligations to make any mandatory prepayment pursuant to Section 2.05(b).

10.10 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "***Maximum Rate***"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

10.11 Counterparts. This Agreement and each other Loan Document may be executed in one or more counterparts (and by different parties hereto in different counterparts), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier, email or other means of electronic transmission of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original manually executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by telecopier or other electronic transmission be confirmed by a manually signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier or other electronic transmission.

10.12 Integration; Effectiveness. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof, other than those provisions of the Commitment Letter which by their terms remain in full force and effect to the extent not covered by this Agreement. Subject to Section 10.24, in the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control;

provided that the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof.

10.13 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent, each L/C Issuer and each Lender, regardless of any investigation made by any Agent, any L/C Issuer or any Lender or on their behalf and notwithstanding that any Agent, any L/C Issuer or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

10.14 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.14, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent or the applicable L/C Issuer, then such provisions shall be deemed to be in effect only to the extent not so limited.

10.15 Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT (EXCEPT AS OTHERWISE EXPRESSLY PROVIDED THEREIN) AND ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) SUBMISSION TO JURISDICTION. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN, IN THE CITY OF NEW YORK AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING SHALL BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT, ANY LENDER OR ANY L/C ISSUER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST THE BORROWER OR ANY OTHER LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

10.16 WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 10.16 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

10.17 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrowers, Holdings, the Administrative Agent and the Collateral Agent and the Administrative Agent shall have been notified by each Lender and each L/C Issuer that each such Lender and each such L/C Issuer has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, each Agent, each Lender and each L/C Issuer and their respective successors and assigns, except that the Borrower shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders except as permitted by Section 7.04.

10.18 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Borrowers and Holdings acknowledges and agrees, and acknowledges and agrees that it has informed its other Affiliates, that: (i) (A) no fiduciary, advisory or agency relationship between any of the Borrowers, Holdings and their respective Subsidiaries and any Agent, any Arranger, any L/C Issuer, any Lender or any of their respective Affiliates is intended to be or has been created in respect of any of the transactions contemplated hereby and by the other Loan Documents (except those relationships expressly set forth herein and in the other Loan Documents), irrespective of whether any Agent, any Arranger, any L/C Issuer, any Lender or any of their respective Affiliates has advised or is advising any of the Borrowers, Holdings and their respective Subsidiaries on other matters, (B) the arranging and other services regarding this Agreement provided by the Agents, the Arrangers, the L/C Issuers, the Lenders and their respective Affiliates are arm's-length commercial transactions between the Borrower, Holdings and their respective Subsidiaries, on the one hand, and the Agents, the Arrangers, the L/C Issuers, the Lenders or any of their respective Affiliates, on the other hand,

(C) each of the Borrowers and Holdings has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (D) each of the Borrowers and Holdings is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each of the Agents, the Arrangers, the L/C Issuers, the Lenders and their respective Affiliates is and has been acting solely as a principal and, except as may otherwise be expressly agreed in writing by the relevant parties, has not been, is not and will not be acting as an advisor, agent or fiduciary for the Borrowers, Holdings or any of their respective Affiliates, or any other Person and (B) none of the Agents, the Arrangers, the L/C Issuers, the Lenders or any of their respective Affiliates has any obligation to the Borrowers, Holdings or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agents, the Arrangers, the L/C Issuers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, Holdings and their respective Affiliates, and none of the Agents, the Arrangers, the L/C Issuers, the Lenders or any of their respective Affiliates has any obligation to disclose any of such interests and transactions to the Borrowers, Holdings or any of their respective Affiliates. To the fullest extent permitted by Law, each of the Borrowers and Holdings hereby waives and releases any claims that it may have against the Agents, the Arrangers, the L/C Issuers, the Lenders and their respective Affiliates with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

10.19 Affiliate Activities. Each of the Borrowers and Holdings acknowledges that each Agent and each Arranger (and their respective Affiliates) is a full service securities firm engaged, either directly or through affiliates, in various activities, including securities trading, investment banking and financial advisory, investment management, principal investment, hedging, financing and brokerage activities and financial planning and benefits counseling for both companies and individuals. In the ordinary course of these activities, it may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) or financial instruments (including bank loans) for its own account and for the accounts of its customers and may at any time hold long and short positions in such securities or instruments. Such investment and other activities may involve securities and instruments of the Borrower, Holdings and their respective Affiliates, as well as of other entities and Persons and their Affiliates which may (i) be involved in transactions arising from or relating to the engagement contemplated hereby and by the other Loan Documents, (ii) be customers or competitors of the Borrowers, Holdings and their respective Affiliates, or (iii) have other relationships with the Borrowers, Holdings and their respective Affiliates. In addition, it may provide investment banking, underwriting and financial advisory services to such other entities and Persons. It may also co-invest with, make direct investments in, and invest or co-invest client monies in or with funds or other investment vehicles managed by other parties, and such funds or other investment vehicles may trade or make investments in securities of the Borrower, Holdings and their respective Affiliates or such other entities. The transactions contemplated hereby and by the other Loan Documents may have a direct or indirect impact on the investments, securities or instruments referred to in this paragraph.

10.20 Electronic Execution of Assignments and Certain Other Documents. The words “execution,” “signed,” “signature” and words of like import in this Agreement or in any other Loan Document (including any Assignment and Assumption and Affiliated Lender Assignment and Assumption) or in any amendment or other modification hereof or thereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar state Laws based on the Uniform Electronic Transactions Act.

10.21 USA PATRIOT ACT; "Know Your Customer" Checks.

(a) Each L/C Issuer and each Lender that is subject to the PATRIOT Act (as defined below), the Beneficial Ownership Regulation or other applicable "know your customer" and anti-money laundering rules and regulations and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Borrower that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "***PATRIOT Act***"), the Beneficial Ownership Regulation and/or other applicable "know your customer" and anti-money laundering rules and regulations, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such L/C Issuer, such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the PATRIOT Act and the Beneficial Ownership Regulation. The obligations of each Qualified ECP Loan Party under this Section 10.23 shall remain in full force and effect so long as any Loan or other Obligation hereunder which is accrued and payable shall remain unpaid or unsatisfied. In the event a Covered Entity that is party to a Supported QFC (each, a "***Covered Party***") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States.

"***Withholding Agent***" means the Borrower, any Loan Party or the Administrative Agent, as applicable.

"***Write-Down and Conversion Powers***" means, with respect to any EEA Resolution Authority, the write-down and conversion powers of such EEA Resolution Authority from time to time under the Bail-In Legislation for the applicable EEA Member Country, which write-down and conversion powers are described in the EU Bail-In Legislation Schedule.

"***Yield***" for any Indebtedness (whether in the form of loans or notes) as of any date of determination, means the sum of (x) the interest rate margin for such Indebtedness that bears interest based on a eurodollar rate on such date and (y) if such Indebtedness is originally advanced at a discount or the lenders or holders making the same receive an "upfront" or similar fee (excluding for the avoidance of doubt, reasonable and customary arrangement, underwriting, syndication, structuring and commitment fees or other fees payable to any arrangers or underwriters in connection therewith) directly or indirectly from Holdings or the Borrower for doing so (the amount of such discount or fee, expressed as a percentage of the principal amount of such Indebtedness, being referred to herein as "***OID***"), the amount of such OID divided by the lesser of (A) the average life to maturity of such Indebtedness as of the date such Indebtedness is incurred and (B) four; provided that for purposes of determining the Incremental Yield Differential, the Incremental Equivalent Yield Differential or the Acquisition Indebtedness Yield Differential, any difference between the "eurodollar rate floors" with respect to the relevant Indebtedness shall be equated to interest rate margin for purposes of determining whether an increase to the interest rate margin under the existing Term Facility shall be required, to the extent an increase in the interest rate floor in the existing Term Facility would cause an increase in the interest rate then in effect thereunder, and in

such case the interest rate floor (but not the interest rate margin) applicable to the existing Term Facility shall be increased to the extent of such differential between interest rate floors; provided, further, that any Indebtedness that constitutes fixed-rate Indebtedness shall be swapped to a floating rate on a customary matched-maturity basis. The Yield of any Indebtedness shall be determined after taking into account any repricing of such Indebtedness that has become effective prior to such date of determination (it being understood that if any such repricing was effected as a refinancing tranche, the OID applicable to the refinanced loans shall be taken into account in addition to any OID applicable to the refinancing loans). The Yield shall be determined by the Administrative Agent in consultation with the Borrower.

1.02 Interpretive Provisions. With reference to this Agreement and each other Loan Document, unless otherwise specified herein or in such other Loan Document:

(a) The meanings of defined terms are equally applicable to the singular and plural forms of the defined terms.

(b) The words "herein," "hereto," "hereof" and "hereunder" and words of similar import when used in any Loan Document shall refer to such Loan Document as a whole and not to any particular provision thereof.

(c) Article, Section, Exhibit and Schedule references are to the Loan Document in which such reference appears.

(d) The term "including" is by way of example and not limitation.

(e) The term "documents" includes any and all instruments, documents, agreements, certificates, notices, reports, financial statements and other writings, however evidenced, whether in physical or electronic form.

(f) In the computation of periods of time from a specified date to a later specified date, the word "from" means "from and including"; the words "to" and "until" each mean "to but excluding"; and the word "through" means "to and including."

(g) Section headings herein and in the other Loan Documents are included for convenience of reference only and shall not affect the interpretation of this Agreement or any other Loan Document.

1.03 Accounting Terms.

(a) All accounting terms not specifically or completely defined herein shall be construed in conformity with, and all financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Agreement or any other Loan Document shall be prepared in conformity with, GAAP, except as otherwise specifically prescribed herein.

(b) If at any time any change in GAAP or the application thereof affects the computation of any financial ratio or requirement set forth in any Loan Document, and either the Borrower or the Required Lenders shall so request, the Administrative Agent and the Borrower shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change in GAAP or the application thereof (subject to the approval of the Required Lenders), but without any fees being payable in connection therewith; provided that, until so amended, (i) such ratio or requirement shall continue to be computed in accordance with GAAP or the application thereof prior to such change therein and (ii) the Borrower shall provide to the Administrative Agent and the Lenders a

written reconciliation in form and substance reasonably satisfactory to the Administrative Agent, between calculations of such ratio or requirement made before and after giving effect to such change in GAAP or the application thereof.

(c) Notwithstanding anything to the contrary in this Section 1.03, the adoption, issuance or coming into effect of any accounting standards after the Closing Date shall not cause any obligation of a Person under a lease that is not (or would not be) required to be classified and accounted for as a Capitalized Lease or Attributable Indebtedness on a balance sheet of such Person under GAAP as in effect on the Closing Date to be treated as a Capitalized Lease or Attributable Indebtedness.

1.04 Rounding. Any financial ratios required to be maintained by the Borrower pursuant to this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

1.05 References to Agreements and Laws. Unless otherwise expressly provided herein, (a) references to Organization Documents, agreements (including the Loan Documents) and other contractual instruments shall be deemed to include all subsequent amendments, restatements, extensions, supplements and other modifications thereto, but only to the extent that such amendments, restatements, extensions, supplements and other modifications are not prohibited by this Agreement or any Intercreditor Agreement; and (b) references to any Law shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such Law.

1.06 Times of Day. Unless otherwise specified, all references herein to times of day shall be references to New York Time.

1.07 Timing of Payment or Performance. When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day, the date of such payment (other than as specifically provided in Section 2.12 or as described in the definition of "Interest Period") or performance shall extend to the immediately succeeding Business Day.

1.08 Pro Forma Calculations.

(a) Notwithstanding anything to the contrary herein, for purposes of this Agreement and the other Loan Documents, the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio, the Total Net Leverage Ratio and Consolidated EBITDA shall be calculated (including, but not limited to, for purposes of Section 2.14) on a Pro Forma Basis with respect to each Specified Transaction occurring during the applicable four quarter period to which such calculation relates, or subsequent to the end of such four-quarter period but not later than the date of such calculation; provided that notwithstanding the foregoing, when calculating the Secured Net Leverage Ratio for purposes of determining the applicable percentage of Excess Cash Flow set forth in Section 2.05, the events described in the definition of Pro Forma Basis (and corresponding provisions of the definition of Consolidated EBITDA) that occurred subsequent to the end of the applicable four quarter period shall not be given Pro Forma Effect.

(b) Notwithstanding anything to the contrary herein, in connection with any action required to be taken in connection with a Limited Condition Transaction, for purposes of:

(i) calculating the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio or the Total Net Leverage Ratio and other financial calculations (including, but not limited to, for purposes of Section 2.14);

(ii) determining compliance with representations, warranties, Defaults or Events of Default; or

(iii) testing availability under covenant baskets set forth in this Agreement (including covenant baskets measured as a percentage of Consolidated EBITDA);

in each case, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "***LCT Election***"), the date of determination shall be deemed to be the date the definitive agreement for such Limited Condition Transaction is entered into (the "***LCT Test Date***"), and if, after giving Pro Forma Effect to the Limited Condition Transaction and the other transactions required to be entered into in connection therewith (including any incurrence or repayment of Indebtedness and the use of proceeds thereof) as of the LCT Test Date, the Borrower would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with; provided that availability under any ratio and the determination of whether the relevant condition is satisfied calculated on the applicable LCT Test Date may in any event be recalculated, at the option of the Borrower, on the closing date of the Limited Condition Transaction. For the avoidance of doubt, if the Borrower has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated EBITDA of the Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any calculation of any ratio, test or basket availability with respect to any transaction required to be entered into in connection with such Limited Condition Transaction following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, for purposes of determining whether any such required transaction is permitted under this Agreement, any such ratio, test or basket shall be calculated on a Pro Forma Basis assuming such Limited Condition Transaction and such other required transaction (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated. If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any calculation of any other ratio, test or basket availability with respect to the incurrence of Indebtedness or Liens, the making of Restricted Payments, the making of any permitted Investment, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary, in each case, not required to be entered into in connection with the applicable Limited Condition Transaction (a "***Subsequent Transaction***") following the relevant LCT Test Date and prior to the earlier of (x) the date on which such Limited Condition Transaction is consummated or (y) the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction (or the date on which the Borrower demonstrates to the Administrative Agent that it has elected not to pursue such Limited Condition Transaction), for purposes of determining whether such Subsequent Transaction is permitted under this Agreement, any such ratio, test or basket shall be required to be satisfied on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions required to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

(c) Interest on a Capitalized Lease shall be deemed to accrue at an interest rate reasonably determined by a Responsible Officer of the Borrower to be the rate of interest implicit in such Capitalized Lease in accordance with GAAP. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a London interbank offered rate, or other rate, shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Borrower or Restricted Subsidiary may designate.

1.09 Basket Calculations.

(a) If any of the baskets set forth in Article VII of this Agreement are exceeded solely as a result of either (x) fluctuations to Consolidated EBITDA for the most recently completed fiscal quarter after the last time such baskets were calculated for any purpose under Article VII or (y) fluctuations in applicable currency exchange rates after the last time such baskets were calculated for any purpose under Article VII, such baskets will not be deemed to have been exceeded solely as a result of such fluctuations; provided that for purposes of determining compliance with any Dollar denominated restrictions on the incurrence of Liens, Investments, Indebtedness, Dispositions, Restricted Payments or Junior Financing Prepayments, the Dollar Equivalent principal amount of such Lien, Investment, Indebtedness, Disposition, Restricted Payment or Junior Financing Prepayment shall be calculated based on the relevant currency exchange rate in effect on the date of such incurrence, granting, making or application, as applicable; provided, further, that the maximum amount of any Liens, Investments, Indebtedness, Dispositions, Restricted Payments or Junior Financing Prepayment shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies.

(b) With respect to the calculation of any leverage ratio herein or in any other Loan Document prior to the first date that financial statements have been delivered pursuant to Section 6.01(a) or (b), such leverage ratio shall be tested with respect to the four (4) consecutive fiscal quarter period ending on or around June 30, 2017 (and Consolidated EBITDA, as used in any such ratio, shall be determined in accordance with the last paragraph of the definition of "Consolidated EBITDA").

(c) For purposes of determining compliance with any Section of Article VII, in the event that any Lien, Investment, Indebtedness, Disposition, Restricted Payment, Affiliate transaction, Contractual Obligation or Junior Financing Prepayment meets the criteria of one or more than one of the categories of transactions permitted pursuant to any clause of such Sections, such transaction (or portion thereof) at any time shall be permitted under one or more of such clauses as determined by the Borrower in its sole discretion at such time, and if such exceptions and baskets in a given covenant include a combination of fixed amounts (including any component thereof based on a percentage of Consolidated EBITDA) and amounts permitted under incurrence-based tests in concurrent transactions, any utilization of an incurrence-based basket in such covenant concurrently with a fixed basket in such covenant shall be calculated without giving effect to the concurrent utilization of such fixed amounts. Furthermore, the Borrower may, in its sole discretion, divide, classify or, solely in connection with Sections 7.01 and 7.03, reclassify, or at any later time divide, classify or, solely in connection with Sections 7.01 and 7.03, reclassify, any such transaction (or any portion thereof) and will only be required to include the amount and type of such transaction in any one category; provided that (w) all Indebtedness outstanding under the Loan Documents (including any Incremental Facilities) will at all times be deemed to be outstanding in reliance on Section 7.03(a)(i), (x) all Indebtedness outstanding under the First Lien Loan Documents (including any Incremental First Lien Facilities) will at all times be deemed to be outstanding in reliance on Section 7.03(a)(ii), (y) all Indebtedness under Swap Contracts will at all times be deemed to be outstanding in reliance on Section 7.03(g) and (z) no such classification or reclassification shall obviate the requirement for any Indebtedness secured by any of the Collateral to be subject to one or more Intercreditor Agreements.

1.10 Classification of Loans and Borrowings. For purposes of this Agreement, Loans may be classified and referred to by Class (e.g., a "Term Loan") or by Type (e.g., a "Eurodollar Rate Loan") or by Class and Type (e.g., a "Eurodollar Term Loan"). Borrowings also may be classified and referred to by Class (e.g., a "Term Loan Borrowing") or by Type (e.g., a "Eurodollar Borrowing") or by Class and Type (e.g., a "Eurodollar Term Loan Borrowing").

ARTICLE II

THE COMMITMENTS AND BORROWINGS

2.01 The Loans. Subject to the terms and conditions set forth herein, (i) each Initial Term Lender severally agrees to make a single term loan denominated in Dollars to the Borrower on the Closing Date in an amount not to exceed such Initial Term Lender's Commitment and (ii) each Incremental Term Lender agrees to make a Term Loan to the Borrower as and when set forth in the applicable Incremental Commitments Amendment. The Initial Term Loans shall consist of Initial Term Loans made simultaneously by the Initial Term Lenders in accordance with their respective Initial Term Commitments. Amounts borrowed under this Section 2.01 and subsequently repaid or prepaid may not be reborrowed. Initial Term Loans may be Base Rate Loans or Eurodollar Rate Loans, as further provided herein.

2.02 Borrowings, Conversions and Continuations of Loans.

(a) Each Borrowing of Term Loans, each conversion of Term Loans from one Type to the other and each continuation of Eurodollar Term Loans shall be made upon the Borrower's irrevocable notice to the Administrative Agent, which may initially be given by telephone and promptly confirmed in writing by delivering to the Administrative Agent a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower, prior to the applicable time specified in the immediately succeeding sentence. Each such notice must be received by the Administrative Agent not later than (A) with respect to Borrowings of Term Loans consisting of Eurodollar Rate Loans on the Closing Date, 12:00 noon (New York Time) one (1) Business Day prior to the Closing Date (it being understood that the Eurodollar Base Rate applicable to such initial Interest Period will be the higher of (x) the Eurodollar Base Rate determined two (2) Business Days prior to the Closing Date and (y) the Eurodollar Base Rate determined on the Closing Date), (B) with respect to other Borrowings of Term Loans consisting of Eurodollar Rate Loans, 2:00 p.m. (New York Time) three (3) Business Days prior to the requested date of such Borrowing, or (C) with respect to Borrowings of Base Rate Loans, 12:00 noon (New York Time) on the date of the proposed Borrowing; provided, however, that if the Borrower wishes to request a Term Loan that is a Eurodollar Rate Loan having an Interest Period other than one, two, three or six months in duration as provided in the definition of "Interest Period," the applicable notice must be received by the Administrative Agent not later than 12:00 noon (New York Time) four (4) Business Days prior to the requested date of such Borrowing, conversion or continuation, whereupon the Administrative Agent shall give prompt notice to the Lenders of such request and determine whether the requested Interest Period is acceptable to all of them. Not later than 12:00 noon (New York Time) three (3) Business Days prior to the requested date of such Borrowing, conversion or continuation, the Administrative Agent shall notify the Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by all the Lenders. Each Borrowing of, conversion to or continuation of Eurodollar Rate Loans shall be in a principal amount of $1,000,000 or a whole multiple of $100,000 in excess thereof. Each Borrowing of, or conversion to, Base Rate Loans shall be in a principal amount of $500,000 or a whole multiple of $100,000 in excess thereof. Each Committed Loan Notice (whether telephonic or written) shall specify (1) whether the Borrower is requesting a Borrowing of Term Loans, a conversion of Term Loans from one Type to the other, if applicable, or a continuation of Eurodollar Rate Loans, (2) the requested date of such Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (3) the principal amount

of Term Loans to be borrowed, converted or continued, (4) the Type of Term Loans to be borrowed or to which existing Term Loans are to be converted, if applicable, and (5) if applicable, the duration of the Interest Period with respect thereto. If the Borrower fails to specify a Type of Term Loan in a Committed Loan Notice or if the Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Term Loans shall be made as, or converted to, Base Rate Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of Eurodollar Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month. Any such automatic conversion to Base Rate Loans or automatic continuation as Eurodollar Rate Loans with an Interest Period of one (1) month shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurodollar Rate Loans.

(b) [Reserved].

(c) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Pro Rata Share of the applicable Term Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Base Rate Loans or automatic continuation as Eurodollar Rate Loans with an Interest Period of one (1) month described in Section 2.02(a).

(d) Each Lender shall make the amount of its Term Loan available to the Administrative Agent in immediately available funds at the Administrative Agent's Office not later than 2:00 p.m. (New York Time) on the Business Day specified in the applicable Committed Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.02 (and, if such Borrowing is the initial Borrowing, Section 4.01), the Administrative Agent shall make all funds so received available to the Borrower in like funds as received by the Administrative Agent by wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower.

(e) [Reserved].

(f) Except as otherwise provided herein, a Eurodollar Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurodollar Rate Loan unless the Borrower pays the amount due under Section 3.05 in connection therewith. During the existence of an Event of Default, no Loans may be converted to or continued as Eurodollar Rate Loans and the Required Lenders may demand that any or all of the then outstanding Loans be prepaid and/or any or all of the then outstanding Eurodollar Rate Loans be converted into Base Rate Loans on the last day of the then current Interest Period with respect thereto or on such other day as the Required Lenders may demand.

(g) The Administrative Agent shall promptly notify the Borrower and the applicable Lenders of the interest rate applicable to any Interest Period for Eurodollar Rate Loans upon determination of such interest rate. The determination of the Eurodollar Rate by the Administrative Agent shall be conclusive in the absence of manifest error. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the Prime Rate used in determining the Base Rate promptly following the announcement of such change.

(h) After giving effect to all Borrowings, all conversions of Term Loans from one Type to the other, and all continuations Term Loans as the same Type, there shall not be more than five (5) Interest Periods in effect.

(i) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

2.03 [Reserved].

2.04 [Reserved].

2.05 Prepayments.

(a) Optional.

(i) Generally. The Borrower may, upon notice to the Administrative Agent, at any time or from time to time voluntarily prepay any Class of Loans in whole or in part without premium or penalty (subject to Section 2.05(d)); provided that (a) such notice must be received by the Administrative Agent not later than (x) 2:00 p.m. (New York Time) three (3) Business Days prior to any date of prepayment of Eurodollar Rate Loans and (y) 10:00 a.m. on the date of prepayment of Base Rate Loans; (b) any prepayment of Eurodollar Rate Loans shall be in a principal amount of $1,000,000 or a whole multiple of $100,000 in excess thereof; and (c) any prepayment of Base Rate Loans shall be in a principal amount of $500,000 or a whole multiple of $100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Type(s) and Class(es) of Loans to be prepaid and, if Eurodollar Rate Loans are to be prepaid, the Interest Period(s) of such Term Loans. The Administrative Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender's ratable portion of such prepayment (based on such Lender's Pro Rata Share of the applicable Class). If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurodollar Rate Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.05. Subject to Section 2.16, each prepayment of the outstanding Term Loans pursuant to this Section 2.05(a) shall be paid to the Lenders in accordance with their respective Pro Rata Shares. All prepayments under this Section 2.05(a)(i) shall be subject to Section 2.05(d).

(ii) [Reserved].

(iii) Notice. Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of prepayment under Section 2.05(a)(i) if such prepayment would have resulted from a refinancing of the Term Facility or other contingent transaction, which refinancing or transaction shall not be consummated or shall otherwise be delayed.

(iv) Voluntary Non-Pro-Rata Prepayments.

(A) Notwithstanding anything to the contrary herein, any Borrower Purchasing Party shall have the right at any time and from time to time to prepay any Class of Term Loans at a discount to the par value of such Term Loans and on a non *pro rata* basis (each, a "***Discounted Voluntary Prepayment***") without premium or penalty (but subject to Section 3.05) pursuant to the procedures described in this Section 2.05(a)(iv); provided that, on the date of any such Discounted Voluntary

Prepayment, such Borrower Purchasing Party shall deliver to the Administrative Agent a certificate of a Responsible Officer stating (1) that no Event of Default has occurred and is continuing or would result from the Discounted Voluntary Prepayment (after giving effect to any related waivers or amendments obtained in connection with such Discounted Voluntary Prepayment), (2) that each of the conditions to such Discounted Voluntary Prepayment contained in this Section 2.05(a)(iv) has been satisfied, (3) the aggregate principal amount of Term Loans so prepaid pursuant to such Discounted Voluntary Prepayment and (4) that such Borrower Purchasing Party shall not use the proceeds of any Revolving Loans (as defined in the First Lien Credit Agreement) to acquire such Term Loans.

(B) To the extent any Borrower Purchasing Party seeks to make a Discounted Voluntary Prepayment, such Borrower Purchasing Party will provide written notice to the Administrative Agent substantially in the form of Exhibit L hereto (each, a "***Discounted Prepayment Option Notice***") that such Borrower Purchasing Party desires to prepay Term Loans in each case in an aggregate principal amount specified therein by such Borrower Purchasing Party (each, a "***Proposed Discounted Prepayment Amount***"), in each case at a discount to the par value of such Term Loans as specified below. The Proposed Discounted Prepayment Amount of Term Loans shall be in a principal amount of $1,000,000 or a whole multiple of $1,000,000 in excess thereof. The Discounted Prepayment Option Notice shall further specify with respect to the proposed Discounted Voluntary Prepayment: (A) the Proposed Discounted Prepayment Amount for the Term Loans, (B) a discount range (which may be a single percentage) selected by such Borrower Purchasing Party with respect to such proposed Discounted Voluntary Prepayment equal to a percentage of par of the principal amount of Term Loans (the "***Discount Range***"); provided that such Borrower Purchasing Party may elect not to include a Discount Range in the Discounted Prepayment Option Notice, and (C) the date by which Lenders are required to indicate their election to participate in such proposed Discounted Voluntary Prepayment which shall be at least five (5) Business Days following the date of the Discounted Prepayment Option Notice (the "***Acceptance Date***").

(C) Upon receipt of a Discounted Prepayment Option Notice, the Administrative Agent shall promptly notify all Lenders. On or prior to the Acceptance Date, each such Lender may specify by written notice substantially in the form of Exhibit M hereto (each, a "***Lender Participation Notice***") to the Administrative Agent (A) a maximum discount to par (the "***Acceptable Discount***"), which Acceptable Discount shall be within the Discount Range, if a Discount Range is specified in the Discounted Prepayment Option Notice (for example, a Lender specifying a discount to par of 20% would accept a purchase price of 80% of the par value of the Term Loans to be prepaid), and (B) a maximum principal amount (subject to rounding requirements specified by the Administrative Agent) of Term Loans held by such Lender with respect to which such Lender is willing to permit a Discounted Voluntary Prepayment at the Acceptable Discount (the "***Offered Loans***"). Based on the Acceptable Discounts and principal amounts of the Offered Loans specified by the Lenders in the applicable Lender Participation Notice, the Administrative Agent and the applicable Borrower Purchasing Party, acting jointly, shall determine the applicable discount for the Term Loans (the "***Applicable Discount***"), which Applicable Discount shall be (A) the percentage specified by such Borrower Purchasing Party if such Borrower Purchasing Party has selected a single percentage pursuant to Section 2.05(a)(iv)(B) for the Discounted Voluntary Prepayment or (B) otherwise, the highest Acceptable Discount at which such Borrower Purchasing Party can pay the Proposed Discounted Prepayment Amount in full (determined by adding the principal

amounts of Offered Loans commencing with the Offered Loans with the highest Acceptable Discount); provided, however, that in the event that such Proposed Discounted Prepayment Amount cannot be repaid in full at any Acceptable Discount, the Applicable Discount shall be (x) the highest Acceptable Discount within the Discount Range or (y) if no Discount Range was specified in the Discounted Prepayment Option Notice, the highest Acceptable Discount acceptable to such Borrower Purchasing Party. The Applicable Discount shall be applicable for all Lenders who have offered to participate in the Discounted Voluntary Prepayment and have Qualifying Loans. Any Lender with outstanding Term Loans whose Lender Participation Notice is not received by the Administrative Agent by the Acceptance Date shall be deemed to have declined to accept a Discounted Voluntary Prepayment of any of its Term Loans at any discount to their par value within the Applicable Discount.

(D) The applicable Borrower Purchasing Party shall make a Discounted Voluntary Prepayment by prepaying those Term Loans (or the respective portions thereof) offered by the Lenders ("***Qualifying Lenders***") that specify an Acceptable Discount that is equal to or greater than the Applicable Discount ("***Qualifying Loans***") at the Applicable Discount; provided that if the aggregate proceeds required to prepay all Qualifying Loans (disregarding any interest payable at such time) would exceed the amount of aggregate proceeds required to prepay the Proposed Discounted Prepayment Amount, such amounts in each case calculated by applying the Applicable Discount, such Borrower Purchasing Party shall prepay such Qualifying Loans ratably among the Qualifying Lenders based on their respective principal amounts of such Qualifying Loans (subject to rounding requirements specified by the Administrative Agent). If the aggregate proceeds required to prepay all Qualifying Loans (disregarding any interest payable at such time) would be less than the amount of aggregate proceeds required to prepay the Proposed Discounted Prepayment Amount, in each case calculated by applying the Applicable Discount, such Borrower Purchasing Party shall prepay all Qualifying Loans. In connection with each Discounted Voluntary Prepayment pursuant to this Section 2.05(a)(iv), each Qualifying Lender acknowledges and agrees that in connection therewith, (1) such Lender has independently and, without reliance on the Borrower, any of its Subsidiaries, the Administrative Agent or any of their respective Affiliates, made its own analysis and determination to participate in such prepayment and (2) none of the Borrower, the other Loan Parties or the Sponsor or any of their respective Affiliates shall be required to make any representation that it is not in possession of material non-public information regarding Holdings, the Sponsor and their respective Affiliates.

(E) Each Discounted Voluntary Prepayment shall be made within five (5) Business Days of the Acceptance Date (or such later date as the Administrative Agent and the applicable Borrower Purchasing Party shall reasonably agree, given the time required to calculate the Applicable Discount and determine the amount and holders of Qualifying Loans), without premium or penalty (except as set forth in Section 3.05), upon irrevocable notice substantially in the form of Exhibit N hereto (each a "***Discounted Voluntary Prepayment Notice***"), delivered to the Administrative Agent no later than 12:00 noon (New York Time), one (1) Business Day prior to the date of such Discounted Voluntary Prepayment, which notice shall specify the date and amount of the Discounted Voluntary Prepayment and the Applicable Discount determined by the Administrative Agent. Upon receipt of any Discounted Voluntary Prepayment Notice the Administrative Agent shall promptly notify each relevant Lender thereof. If any Discounted Voluntary Prepayment Notice is given, the amount specified in such notice shall be due and payable to the applicable Qualifying Lenders, subject to the Applicable Discount on the applicable Term Loans, on the date specified therein together with accrued interest (on the par principal amount) to but not including such date on the amount prepaid.

(F) To the extent not expressly provided for herein, each Discounted Voluntary Prepayment shall be consummated pursuant to procedures (including as to timing, rounding, minimum amounts, Type and Interest Periods and calculation of the Applicable Discount in accordance with clause (C) above) established by the Administrative Agent in consultation with the applicable Borrower Purchasing Party.

(G) Prior to the delivery of a Discounted Voluntary Prepayment Notice, upon written notice to the Administrative Agent, (1) the applicable Borrower Purchasing Party may withdraw its offer to make a Discounted Voluntary Prepayment pursuant to any Discounted Prepayment Option Notice and (2) any Lender may withdraw its offer to participate in a Discounted Voluntary Prepayment pursuant to any Lender Participation Notice.

(H) For the avoidance of doubt, each Discounted Voluntary Prepayment shall, for purposes of this Agreement, be deemed to be an automatic and immediate cancellation and extinguishment of the Term Loans prepaid. With respect to each Discounted Voluntary Prepayment, the applicable Borrower Purchasing Party shall pay all accrued and unpaid interest, if any, on the par principal amount of the applicable Term Loans to the date of the Discounted Voluntary Prepayment and, if any Eurodollar Rate Loan is prepaid on a date other than the last day of the Interest Period applicable thereto, such Borrower Purchasing Party shall also pay any amounts owing pursuant to Section 3.05.

In connection with any voluntary prepayment of any Class of Loans pursuant to this Section 2.05(a), such prepayment shall be applied first to Base Rate Loans to the full extent thereof before application to Eurodollar Rate Loans, in each case in a manner that minimizes the amount of any payments required to be made by the Borrower pursuant to Section 3.05.

(b) Mandatory.

(i) Excess Cash Flow. Within ten (10) Business Days after financial statements have been (or were required to be) delivered pursuant to Section 6.01(a) and the related Compliance Certificate has been (or was required to be) delivered pursuant to Section 6.02(a), the Borrower shall, subject to Section 2.05(c), prepay an aggregate principal amount of Term Loans in an amount equal to (A) 50% (as may be adjusted pursuant to the final proviso below) of Excess Cash Flow for the fiscal year covered by such financial statements commencing with the fiscal year ended on or around December 31, 2018 minus (B) the aggregate amount of voluntary principal prepayments of the Term Loans pursuant to Section 2.05(a)(i), minus (C) the aggregate amount of voluntary principal prepayments of the First Lien Loans pursuant to Section 2.05(a)(i) of the First Lien Credit Agreement (except prepayments of Revolving Credit Loans unless accompanied by a corresponding permanent commitment reduction of the Revolving Credit Facility (each as defined in the First Lien Credit Facility); (D) the aggregate discounted amount actually paid in cash by the Borrower Purchasing Parties in connection with all Discounted Voluntary Prepayments pursuant to Section 2.05(a)(iv) hereof or Section 2.05(a)(iv) of the First Lien Credit Agreement and all open market repurchases of Term Loans pursuant to Section 10.07(i) or of First Lien Term Loans pursuant to Section 10.07(i) of the First Lien Credit Agreement (in the case of clauses (B) through (D), to the extent such payments and/or prepayments are made prior to the date of such Excess

Cash Flow payment (but without including in clauses (B) through (D) any amount included therein in any prior period) except to the extent financed with the proceeds of long-term indebtedness) minus (D) $5,000,000; provided that such amount shall not be less than zero; provided, further, that such percentage shall be reduced to 25% or 0% if the Secured Net Leverage Ratio as of the last day of such fiscal year was not greater than 5.75:1.00 or 5.25:1.00, respectively.

(ii) Dispositions and Casualty Events.

(A) If (x) Holdings or any Restricted Subsidiary Disposes of any property or assets (other than any Disposition of any property or assets by Holdings or any of its Restricted Subsidiaries permitted by Section 7.05(a), (b), (c), (d), (e), (f), (g), (h), (i), (j), (k), (l), (p), (q), (r), (s), (t), (v), (w), (x), (y) or (z)) or (y) any Casualty Event occurs, and any transaction or series of related transactions described in the foregoing clauses (x) and (y) results in the realization or receipt by the Borrower and its Restricted Subsidiaries of Net Cash Proceeds in excess of (1) $2,500,000 in any such transaction or series of related transactions or (2) $5,000,000 in the aggregate for such transactions in any fiscal year, the Borrower shall, except to the extent the Borrower elects to reinvest all or a portion of such Net Cash Proceeds in accordance with clause (B) below, subject to Section 2.05(c), prepay an aggregate principal amount of Term Loans in an amount equal to 100% of all such Net Cash Proceeds within five (5) Business Days of receipt thereof by the Borrower or such Restricted Subsidiary.

(B) With respect to any Net Cash Proceeds realized or received with respect to any Disposition or any Casualty Event (other than as specifically excluded in clause (A) above), at the option of the Borrower, and so long as no Event of Default shall have occurred and be continuing, the Borrower or the applicable Restricted Subsidiary may reinvest all or any portion of such Net Cash Proceeds in assets useful for its business within 18 months following receipt of such Net Cash Proceeds (or, if Holdings, the Borrower or the relevant Restricted Subsidiary, as applicable, has contractually committed within 18 months following receipt of such Net Cash Proceeds to reinvest such Net Cash Proceeds in the Borrower or a Restricted Subsidiary, 24 months following receipt of such Net Cash Proceeds); provided, however, that if any Net Cash Proceeds are no longer intended to be so reinvested at any time after receipt thereof or are not reinvested by the end of such period, an amount equal to any such Net Cash Proceeds shall be immediately applied to the prepayment of the Term Loans as set forth in this Section 2.05.

(iii) Indebtedness. Upon the incurrence or issuance by Holdings or any of its Restricted Subsidiaries of any Specified Refinancing Debt or any Indebtedness not expressly permitted to be incurred or issued pursuant to Section 7.03, the Borrower shall prepay an aggregate principal amount of Loans in an amount equal to 100% of all Net Cash Proceeds received therefrom immediately upon receipt thereof by Holdings or such Restricted Subsidiary.

(iv) [Reserved].

(v) Application of Payments. Subject to Sections 2.14(b)(iii) and 2.16, each prepayment of Term Loans pursuant to this Section 2.05(b) shall be applied *pro rata* among (A) each Term Facility (including, unless otherwise provided in the documentation governing any Incremental Term Loans, any Incremental Term Loans (or, in the case of Specified Refinancing Debt, to a Facility or Facilities designated by the Borrower to be refinanced with the proceeds thereof and allocated among such Facilities, as specified by the Borrower)) (and within any Class of Term Loans on a *pro rata* basis to the applicable Lenders or Incremental Term Lenders

of such Class) and (B) at the option of the Borrower, any other Indebtedness secured on a *pari passu* basis with the Obligations if and to the extent required by the terms thereof (and any amount not so required to be used to prepay such other Indebtedness or not so opted by the Borrower shall instead be allocated to the Term Loans pursuant to the preceding clause (A)), and each such prepayment shall be paid to the Lenders and the Incremental Term Lenders in accordance with their respective Pro Rata Shares.

(vi) Funding Losses, Etc. All prepayments under this Section 2.05 shall be made together with, in the case of any such prepayment of a Eurodollar Rate Loan on a date other than the last day of an Interest Period therefor, any amounts owing in respect of such Eurodollar Rate Loan pursuant to Section 3.05. Notwithstanding any of the other provisions of Section 2.05(b), so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurodollar Rate Loans is required to be made under Section 2.05(b)(i) or (ii) other than on the last day of the Interest Period therefor, the Borrower may, in its sole discretion, deposit the amount of any such prepayment otherwise required to be made thereunder into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05(b). Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in respect of which such Cash Collateral was deposited in accordance with this Section 2.05(b).

(vii) Foreign Dispositions. Notwithstanding any other provisions of this Section 2.05, (i) to the extent that any of or all the Net Cash Proceeds of any Disposition by a Foreign Subsidiary (a "***Foreign Disposition***") or Excess Cash Flow attributable to Foreign Subsidiaries are prohibited or delayed by applicable local Law from being repatriated to the United States, the portion of such Net Cash Proceeds or such Excess Cash Flow so affected (any such portion being "***Restricted Proceeds***") will not be required to be applied to repay Term Loans at the times provided in this Section 2.05(b) but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local Law will not permit repatriation to the United States (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions required by the applicable local Law to permit such repatriation), and once such repatriation of any of such Restricted Proceeds is permitted under the applicable local Law, such repatriation will be immediately effected and such repatriated Restricted Proceeds will be promptly (and in any event not later than five (5) Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 2.05(b) and (ii) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Disposition or Excess Cash Flow attributable to Foreign Subsidiaries would have material adverse tax cost consequences with respect to such Net Cash Proceeds or such portion of the Excess Cash Flow, as the case may be, such Net Cash Proceeds or portion of the Excess Cash Flow, as the case may be, so affected may be retained by the applicable Foreign Subsidiary, and the amount equal to such Net Cash Proceeds or such portion of Excess Cash Flow subject to clauses (i) and (ii) above otherwise required to be applied to prepayments pursuant to Section 2.05(b) shall not be required to be applied to such prepayments unless and until such amounts are no longer Restricted Proceeds or such material adverse tax cost consequences no longer exist.

(viii) Order of Payments. Subject to adjustment for Declining Lenders pursuant to Section 2.05(c), in connection with any prepayment of any Class of Term Loans pursuant to this Section 2.05(b), such prepayment shall be applied first to Base Rate Loans to the full extent thereof before application to Eurodollar Rate Loans, in each case in a manner that minimizes the amount of any payments required to be made by the Borrower pursuant to Section 3.05.

Notwithstanding anything in this Section 2.05(b) to the contrary, until all First Lien Term Loans shall have been paid in full in cash, (i) no mandatory prepayments of Term Loans that would otherwise be required to be made under this Section 2.05(b) shall be required to be made, except with respect to the portion (if any) of the proceeds of any event giving rise to such mandatory prepayment as shall have been rejected by the First Lien Lenders under the First Lien Credit Agreement, in each case in accordance with and as required by Section 2.05(c) of the First Lien Credit Agreement, and (ii) the references to ten and five Business Days following the event giving rise to such mandatory prepayment in paragraphs (i) and (ii) of this Section 2.05(b) shall be deemed to be the tenth and fifth Business Day, respectively, following the date of determination that proceeds of the event giving rise to such mandatory prepayment shall be applied to prepayments of the Term Loans in accordance with this Section 2.05.

(c) Term Opt-out. With respect to any prepayment of any Term Facility pursuant to Section 2.05(b)(i) or (ii), any Lender, at its option, may elect not to accept such prepayment; provided that, for the avoidance of doubt, no such Lender may elect to accept a partial prepayment. Upon receipt by the Administrative Agent of any such prepayment of any Term Facility, the Administrative Agent shall promptly notify the Lenders of the amount available to prepay the Term Loans (the "***Prepayment Amount***") and the date on which such prepayment shall be made (the "***Prepayment Date***"), which date shall be five (5) Business Days after the date of such receipt. Any Lender declining such prepayment (a "***Declining Lender***") shall give written notice to the Administrative Agent by 11:00 a.m. (New York Time) on the Business Day immediately preceding the Prepayment Date. On the Prepayment Date, an amount equal to that portion of the Prepayment Amount accepted by the Lenders other than the Declining Lenders (such Lenders being the "***Accepting Lenders***") to prepay Term Loans owing to such Accepting Lenders shall be applied ratably to prepay Term Loans owing to such Accepting Lenders in the manner described in Section 2.05(b) for such prepayment. Any amounts that would otherwise have been applied to prepay Term Loans owing to Declining Lenders shall instead be retained by the Borrower and used for general corporate purposes (such amounts, "***Declined Amounts***").

(d) Prepayment Premium. (x) Any optional prepayment of any portion of the outstanding Term Loans made pursuant to Section 2.05(a)(i) or (y) any prepayment of Term Loans pursuant to Section 2.05(b)(iii) (including, in each case, any such prepayment in connection with a Repricing Transaction or an amendment to this Agreement in connection with a Repricing Transaction and including any mandatory assignment pursuant to Section 3.07 in connection therewith, but excluding any other mandatory prepayment or prepayment made as a result of any action taken pursuant to Section 8.02), in any such case:

(i) on or prior to the first anniversary of the Closing Date, shall be subject to a premium equal to the principal amount of Term Loans subject to such prepayment or the principal amount of Term Loans affected by such amendment (or mandatorily assigned in connection therewith), as applicable, multiplied by 2%;

(ii) after the first anniversary of the Closing Date but on or prior to the second anniversary of the Closing Date shall be subject to a premium equal to the principal amount of Term Loans subject to such prepayment or the principal amount of Term Loans affected by such amendment (or mandatorily assigned in connection therewith), as applicable, multiplied by 1%; and

(iii) after the second anniversary of the Closing Date, shall not be subject to a premium.

2.06 Termination or Reduction of Commitments.

(a) [Reserved].

(b) The aggregate Initial Term Commitments shall be automatically and permanently reduced to zero after the making of the Initial Term Loans on the Closing Date.

(c) [Reserved].

2.07 Repayment of Loans.

(a) Initial Term Loans. The Borrower shall repay to the Administrative Agent for the ratable accounts of the applicable Lenders the aggregate principal amount of all Initial Term Loans outstanding on the Maturity Date.

(b) [Reserved].

(c) Incremental Term Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Incremental Term Lenders the aggregate principal amount of all Incremental Term Loans outstanding of each Incremental Term Loan Tranche on the Maturity Date applicable to such Incremental Term Loan Tranche.

(d) [Reserved].

(e) [Reserved].

2.08 Interest.

(a) Subject to the provisions of Section 2.08(b), (i) each Eurodollar Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate *per annum* equal to the sum of (A) the Eurodollar Rate for such Interest Period, plus (B) the Applicable Rate for Eurodollar Rate Loans; and (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate *per annum* equal to the sum of (A) the Base Rate, plus (B) the Applicable Rate for Base Rate Loans.

(b) The Borrower shall pay interest on the principal amount of all overdue Obligations hereunder (including, for the avoidance of doubt, all Obligations following the occurrence of an Event of Default pursuant to Section 8.01(f) or (g)) at a fluctuating interest rate *per annum* at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

2.09 Fees.

(a) [Reserved].

(b) [Reserved].

(c) Other Fees.

(i) The Borrower shall pay to the Arrangers, the Administrative Agent and the Collateral Agent for their own respective accounts fees in the amounts and at the times specified in the Fee Letter and the Agent Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

(ii) The Borrower shall pay to the Lenders such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

2.10 Computation of Interest and Fees.

(a) All computations of interest for Base Rate Loans when based on the Prime Rate shall be made on the basis of a year of three hundred and sixty-five (365) or three hundred and sixty six (366) days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a three hundred and sixty (360) day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a three hundred and sixty-five (365) day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Term Loan, or any portion thereof, for the day on which the Loan or such portion is paid, provided that any Term Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one (1) day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

(b) [Reserved].

2.11 Evidence of Indebtedness.

(a) The Term Loans made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender in the ordinary course of business. The accounts or records maintained by each Lender shall be *prima facie* evidence of the amount of the Term Loans made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the Register, the Register shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), Class (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) [Reserved].

(c) Entries made in good faith by each Lender in its account or accounts pursuant to Section 2.11(a) shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to such Lender under this Agreement and the other Loan Documents; provided that the failure of such Lender to make an entry, or any finding that an entry is incorrect, in such account or accounts shall not limit the obligations of the Borrower under this Agreement and the other Loan Documents.

2.12 Payments Generally; Administrative Agent's Clawback.

(a) General. Subject to Section 3.01, all payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, in each case, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars in immediately available funds not later than 2:00 p.m. (New York Time) on the date specified herein. The Administrative Agent will promptly distribute to each Lender its Pro Rata Share in respect of the Term Facility (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by after 2:00 p.m. (New York Time) shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; provided, however, that, if such extension would cause payment of interest on or principal of Eurodollar Rate Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(b) Funding and Payments.

(i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to 12:00 noon (New York Time) on the date of such Borrowing, in the case of each of clauses (1) and (2), that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 (and may, in reliance upon such assumption, make available to the Borrower a corresponding amount). In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (x) in the case of a payment to be made by such Lender, the greater of the Federal Funds Rate and a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any reasonable administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing, and (y) in the case of a payment to be made by the Borrower, the interest rate applicable to Base Rate Loans. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) Payments by Borrower; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders agrees to repay to the

Administrative Agent forthwith on demand the amount so distributed to such Lender, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.12(b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Term Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Borrowing set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender on demand, without interest.

(d) Obligations of the Lenders Several. The obligations of the Lenders hereunder to make Term Loans and to make payments pursuant to Section 9.07 are several and not joint. The failure of any Lender to make any Term Loan or to make any payment under Section 9.07 on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Term Loan or to make its payment under Section 9.07.

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Term Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Term Loan in any particular place or manner.

(f) Insufficient Funds. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, toward payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(g) Unallocated Funds. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share of the Outstanding Amount of all Term Loans outstanding at such time and in repayment or prepayment of such of the outstanding Term Loans or other Obligations then owing to such Lender.

2.13 Sharing of Payments. If, other than as expressly provided elsewhere herein (including the application of funds arising from the existence of a Defaulting Lender), any Lender shall obtain on account of the Term Loans made by it, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact and (b) purchase from the other Lenders such participations in the Term Loans made by them as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Term Loans *pro rata* with each of them; provided, however, that if all or any portion of such excess payment is thereafter

recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased. For the avoidance of doubt, the provisions of this Section shall not be construed to apply to the prepayments pursuant to Section 2.05(a)(iv) or Section 2.05(b)(iii) (out of proceeds of Specified Refinancing Debt), the implementation of any Incremental Commitments Amendment, or the assignments and participations described in Section 10.07.

2.14 Incremental Facilities.

(a) Upon written notice to the Administrative Agent (which shall promptly notify the Lenders), at any time after the Closing Date, the Borrower may request one or more additional tranches of term loans or increases in any then-existing Term Facility (each an "***Incremental Term Commitment***" and all of them, collectively, the "***Incremental Commitments***"); provided that no Lender shall be required to participate in any Incremental Facility; provided, further, that after giving effect to any such addition, the aggregate principal amount of Incremental Commitments that have been added pursuant to this Section 2.14 shall not exceed the sum of (x) the Fixed Dollar Amount minus the aggregate principal amount of (i) all Incremental First Lien Commitments that have been added pursuant to clause (x) of Section 2.14 of the First Lien Credit Agreement, (ii) all Permitted Other Indebtedness incurred under clause (x) of the definition thereof and (iii) all Permitted Other First Lien Indebtedness incurred under clause (x) of the definition thereof, plus (y) all voluntary prepayments of Term Loans pursuant to Section 2.05(a)(i) and (iv) and Section 10.07(i) (to the extent made by the Borrower or any of its Subsidiaries), in each case made at or prior to such time (in each case, other than (i) prepayments of Indebtedness incurred in reliance on clause (z) of this Section 2.14(a) and (ii) prepayments funded with proceeds of Indebtedness) minus the aggregate principal amount of all Permitted Other Indebtedness incurred under clause (y) of the definition thereof, plus (z) such additional amount so long as, after giving effect on a Pro Forma Basis to the incurrence thereof (assuming for such purposes that the entire amount of any such Incremental Commitments and all previous Incremental Commitments were fully funded) cause the Secured Net Leverage Ratio (without netting the cash and Cash Equivalents constituting proceeds of the applicable Incremental Facilities) as of the last day of the most recently ended fiscal quarter for which financial statements have been delivered pursuant to Section 6.01(a) or (b) would not exceed 6.00:1.00, and any such addition shall be in an aggregate amount of not less than $5,000,000 or any whole multiple of $1,000,000 in excess thereof. The Borrower may (I) incur Incremental Commitments under clause (x), (y) or (z) of the second proviso of the immediately preceding sentence in such order as it may elect in its sole discretion and shall be allowed to classify under which clause such Incremental Commitments are being incurred at the time of such incurrence, without giving Pro Forma Effect to any Incremental Facilities or any increases of the Term Facility (or any portion thereof) in each case permitted to be incurred under such clauses (x) and (y) that is being incurred concurrently with an

incurrence under such clause (z) when calculating the amount of Incremental Commitments (or any portion thereof) that may be incurred pursuant to such clause (z) at such time and (II) later reclassify Indebtedness incurred under clauses (x) or (y) of the second proviso of the immediately preceding sentence as incurred pursuant to clause (z) of the second proviso of the immediately preceding sentence, if at the time of such reclassification, the Borrower would have been permitted to incur such Indebtedness under such clause (z). Any loans made in respect of any such Incremental Term Commitments (the "***Incremental Term Loans***" and any such facility an "***Incremental Term Loan Facility***" and collectively, the "***Incremental Facilities***") may be made, at the option of the Borrower, by either (i) increasing a given Class of Commitments with the same terms (including pricing) as the existing Term Loans of such Class, in which case such Incremental Term Loans shall constitute Term Loans of such Class for all purposes hereunder and under the other Loan Documents or (ii) creating a new tranche of term loans (an "***Incremental Term Loan Tranche***"). The Incremental Facilities shall rank *pari passu* in right of payment and in respect of lien priority as to the Collateral with the outstanding Term Loans. The proceeds of the Incremental Facilities shall be used for working capital, capital expenditures and other general corporate purposes (including any actions permitted by Article VII, including permitted Restricted Payments) of the Borrower and its Restricted Subsidiaries.

(b) The Incremental Term Loans comprising each Incremental Term Loan Tranche:

(i) other than customary "bridge" facilities which by their terms will be converted into a facility that has, or extended such that they have, a maturity date later than the Latest Maturity Date of all Classes of Commitments and Loans then in effect and Indebtedness in an aggregate principal amount not in excess of the Inside Maturity Basket, shall have a maturity date that is not prior to the Latest Maturity Date of all Classes of Term Loans then in effect and shall have a Weighted Average Life to Maturity that is not shorter than that of any Class of Term Loans;

(ii) [reserved];

(iii) (x) may share ratably, more than ratably or less than ratably in any voluntary prepayments of the Term Facility and (y) shall share ratably (and may not share more than ratably) in any mandatory prepayments of the Term Facility (unless the Incremental Lenders with respect to such Incremental Term Loans agree to receive prepayments after the prepayments of the Initial Term Loans or any other Incremental Term Loans);

(iv) may be denominated in Dollars or any other currency reasonably acceptable to the applicable Incremental Lenders and the Administrative Agent;

(v) except as set forth in Section 2.14(a) and this Section 2.14(b) with respect to prepayment events, maturity date, interest rate, yield, fees and original issue discounts and except with respect to the permitted use of proceeds thereof, shall have terms not materially more restrictive to the Borrower (as determined by the Borrower) than the terms of the Initial Term Loans (except for any terms beneficial to the Incremental Lenders that are either (1) also added for the benefit of the existing Lenders or (2) only applicable to periods after the Latest Maturity Date of all Classes of Commitments and Loans then in effect) (and to the extent materially more restrictive than the terms of the outstanding Initial Term Loans, shall be reasonably satisfactory to the Administrative Agent); provided that if the initial Yield on any Incremental Term Loan Tranche exceeds by more than 50 basis points (the amount of such excess above 50 basis points being herein referred to as the "***Incremental Yield Differential***") the Yield then in effect for any outstanding Initial Term Loans, then the Applicable Rate then in effect for such outstanding Initial Term Loans

shall automatically be increased by the Incremental Yield Differential, effective upon the making of the Incremental Term Loans under the Incremental Term Loan Tranche (and in respect of the Incremental Yield Differential in the form of an interest rate "floor," at the option of the Borrower, such increase will be reflected solely as an increase to the interest rate floor applicable to the Initial Term Loans); provided, further, that for purposes of the foregoing calculation, any Incremental Term Loan Tranche that is fixed rate Indebtedness shall be swapped to a floating rate on a customary matched maturity basis; and

(vi) [reserved].

(c) Incremental Term Loans (or any portion thereof) may be made by any existing Lender or by any other bank, investing entity or other Person (but in no case by (i) any Loan Party, (ii) except in compliance with the proviso of Section 2.14(i) below solely with respect to Incremental Term Commitments and Incremental Term Loans, an Affiliated Lender, (iii) any Defaulting Lender or any of its Subsidiaries, (iv) any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in clause (iii), or (v) any natural person) (each, except to the extent excluded pursuant to the foregoing parenthetical, an "***Incremental Lender***"), in each case on terms permitted in this Section and otherwise on terms reasonably acceptable to the Administrative Agent; provided that the Administrative Agent shall have consented (not to be unreasonably withheld) to such Lender's or Incremental Lender's, as the case may be, making such Incremental Term Loans if such consent would be required under Section 10.07 for an assignment of Loans to such Lender or Incremental Lender, as the case may be. No Lender shall be obligated to provide any Incremental Term Loans unless it so agrees.

(d) Incremental Commitments and the loans made thereunder shall become Commitments and Loans, respectively, under this Agreement pursuant to an amendment (an "***Incremental Commitments Amendment***") to this Agreement and, as appropriate, the other Loan Documents, executed by Holdings, the Borrower, each Incremental Lender and the Administrative Agent. An Incremental Commitments Amendment may, without the consent of any other Lenders, effect such amendments to any Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provisions of this Section 2.14, including any amendments that are not adverse to the interests of any Lender.

(e) If any Incremental Commitments are added in accordance with this Section 2.14, the Administrative Agent and the Borrower shall determine the effective date (the "***Incremental Commitments Effective Date***") and the final allocation of such addition. The Administrative Agent shall promptly notify the Borrower and the Lenders of the final allocation of such addition and the Incremental Commitments Effective Date.

(f) The effectiveness of any Incremental Commitments Amendment shall be subject to the satisfaction on the date thereof of each of the following conditions:

(i) the Administrative Agent shall have received on or prior to the Incremental Commitments Effective Date each of the following, each dated the applicable Incremental Commitments Effective Date unless otherwise indicated or agreed to by the Administrative Agent and each in form and substance reasonably satisfactory to the Administrative Agent: (A) the applicable Incremental Commitments Amendment; (B) certified copies of resolutions of each Loan Party approving the execution, delivery and performance of the Incremental Commitments Amendment and either certified copies of the Organization Documents of each Loan Party or a certification by a Responsible Officer of each Loan Party that there have been no changes to the Organization Documents of such Loan Party since the Closing Date; (C) to

the extent requested by the Administrative Agent, a Mortgage modification or a new Mortgage with respect to each Mortgaged Property and the related documents, agreements and instruments (including legal opinions) set forth in Sections 6.12(a)(iii) and 6.12(a)(iv), which Mortgage modification, new Mortgage and related documents, agreements and instruments (including legal opinions) may, if agreed to by the Administrative Agent in its sole discretion, be delivered within ninety (90) days of the date of effectiveness of the applicable Incremental Commitments Amendment (or such longer period as agreed to by the Administrative Agent in its sole discretion); (D) delivery of all items contemplated by Section 6.14(a)(ii); and (E) a favorable opinion of counsel for the Loan Parties dated the Incremental Commitments Effective Date, to the extent requested by the Administrative Agent, addressed to the Administrative Agent, the Collateral Agent and the Lenders in form and substance reasonably satisfactory to the Administrative Agent and the Collateral Agent;

(ii) (A) the conditions precedent set forth in Section 4.02 shall have been satisfied both before and after giving effect to such Incremental Commitments Amendment and the additional borrowings provided thereby, (B) such increase shall be made on the terms and conditions provided for above, and (C) at the time that any such Incremental Term Loan is made (and after giving effect thereto) no Default or Event of Default shall exist; and

(iii) there shall have been paid to the Administrative Agent, for the account of the Administrative Agent and the Incremental Lenders, as applicable, all fees and, to the extent required by Section 10.04, expenses (including reasonable out-of-pocket fees, charges and disbursements of counsel) that are due and payable on or before the Incremental Commitments Effective Date.

Notwithstanding the foregoing, if the proceeds of any Incremental Commitments will be used to consummate a Limited Condition Transaction and the Borrower has made an LCT Election with respect to such Limited Condition Transaction, (x) the condition that upon the effectiveness of any Incremental Commitments Amendment and at the time that any such Incremental Term Loans are made (and after giving effect thereto), no Default or Event of Default shall exist, may be tested and satisfied as of the LCT Test Date so long as upon the effectiveness of such Incremental Commitments and the making of such Incremental Term Loans, no Event of Default under Section 8.01(a), (f) or (g) shall exist, (y) the condition that upon the effectiveness of any Incremental Commitments Amendment and at the time that any such Incremental Term Loans are made (and after giving effect thereto), the representations and warranties of the Borrower and each other Loan Party contained in Article V or any other Loan Document shall be true and correct in all material respects (and in all respects if any such representation or warranty is already qualified by materiality), may be tested and satisfied as of the LCT Test Date so long as upon the effectiveness of such Incremental Commitments and the making of such Incremental Term Loans, the Specified Representations shall be true and correct in all material respects and (z) the Secured Net Leverage Ratio set forth in Section 2.14(a)(z) may, at the Borrower's election, be tested and satisfied as of the LCT Test Date and will not be tested upon the effectiveness of such Incremental Commitments and the making of such Incremental Term Loans (but may be recalculated and retested, at the option of the Borrower, at such time).

(g) On each Incremental Commitments Effective Date, each Incremental Lender (i) shall become a "Lender" for all purposes of this Agreement and the other Loan Documents, (ii) shall have an Incremental Commitment which shall become a "Commitment" hereunder, and (iii) in the case of an Incremental Term Commitment, shall make an Incremental Term Loan to the Borrower in a principal amount equal to such Incremental Term Commitment, and such Incremental Term Loan shall be a "Term Loan" for all purposes of this Agreement and the other Loan Documents.

(h) [Reserved].

(i) This Section 2.14 shall supersede any provision of Section 2.13, 4.02 or 10.01 to the contrary; provided that, notwithstanding the foregoing, any Affiliated Lender providing any Incremental Term Commitments or Incremental Term Loans pursuant to this Section 2.14 shall be subject to the restrictions with respect to Affiliated Lenders set forth in clauses (i) and (j) of Section 10.07.

2.15 [Reserved].

2.16 Defaulting Lenders.

(a) Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) that Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of "Required Lenders" in Section 1.01 and in Section 10.01; and

(ii) any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 10.09 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Term Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *third*, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released *pro rata* in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; *fourth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *fifth*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *sixth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Term Loans in respect of which such Defaulting Lender has not fully funded its appropriate share and (y) such Term Loans were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Term Loans of all non-Defaulting Lenders on a *pro rata* basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Term Loans are held by the Lenders *pro rata* in accordance with the Commitments under the Term Facility. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender shall be deemed paid to and redirected by such Defaulting Lender pursuant to this Section 2.16(a)(ii), and each Lender irrevocably consents hereto.

(b) If the Borrower and the Administrative Agent agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in

such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders (and pay any amounts due under Section 3.05 to the extent such purchase occurs other than on the last day of an Interest Period) or take such other actions as the Administrative Agent may reasonably determine to be necessary to cause the Term Loans to be held on a *pro rata* basis by the Lenders in accordance with their Pro Rata Shares, whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

ARTICLE III

TAXES, INCREASED COSTS PROTECTION AND ILLEGALITY

3.01 Taxes.

(a) Any and all payments by or on account of any obligation of the Borrower or any other Loan Party hereunder or under any other Loan Document shall be made free and clear of and without withholding or deduction for any Taxes, except as required by applicable Law; provided that, if any Taxes are required by applicable Law (as determined in the good faith discretion of an applicable Withholding Agent) to be withheld or deducted from such payments, then (i) the sum payable by the Borrower or such Loan Party shall be increased as necessary so that after all required withholdings or deductions of Indemnified Taxes or Other Taxes (including any such withholdings or deductions applicable to additional sums payable under this Section 3.01) each Agent and Lender (as the case may be) receives an amount equal to the sum it would have received had no such withholdings or deductions been made, (ii) the applicable Withholding Agent shall be entitled to make such withholdings or deductions and (iii) the applicable Withholding Agent shall pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with applicable Law.

(b) In addition, the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Law, except for Other Taxes resulting from an assignment by any Lender pursuant to Section 10.07, which assignment is not at the request of the Borrower pursuant to Section 3.07.

(c) The Loan Parties shall, jointly and severally, indemnify each Agent and Lender, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes paid or payable by such Agent or Lender, as the case may be, on or with respect to any payment by or on account of any obligation of the Borrower or any other Loan Party hereunder or under any other Loan Document and any Other Taxes paid or payable by such Agent or Lender (including Indemnified Taxes and Other Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the basis and the calculation of the amount of such liability delivered to the Borrower by a Lender or Agent, or by the Administrative Agent on behalf of itself or a Lender or Agent, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Borrower or any other Loan Party to a Governmental Authority, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) If any Lender or Agent determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which indemnification or additional amounts have been paid to it by the Borrower pursuant to this Section 3.01, it shall promptly remit such refund (without interest, other than any interest paid by the relevant Governmental Authority with respect to such refund) to the Borrower (but only to the extent of indemnity payments made or additional amounts paid under this Section 3.01 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Lender or Agent, as the case may be; provided, however, that the Borrower, upon the request of the Lender or Agent, as the case may be, agrees promptly to return such refund to such party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event such party is required to repay such refund to the relevant Governmental Authority. Such Lender or Agent, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant Governmental Authority (provided that such Lender or Agent may delete any information therein that such Lender or Agent deems confidential). Notwithstanding anything to the contrary in this Section 3.01(e), in no event will any Lender or Agent be required to pay any amount to the Borrower pursuant to this Section 3.01(e) the payment of which would place such Lender or Agent in a less favorable net after-tax position than it would have been in if the Indemnified Tax or Other Tax giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect thereto had never been paid. Nothing herein contained shall interfere with the right of a Lender or Agent to arrange its tax affairs in whatever manner it thinks fit or oblige any Lender or Agent to claim any tax refund or to disclose any information relating to its tax affairs or any computations in respect thereof or require any Lender or Agent to do anything that would prejudice its ability to benefit from any other refunds, credits, reliefs, remissions or repayments to which it may be entitled.

(f) Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 3.01(a) or (c) with respect to such Lender it will, if requested by the Borrower, use commercially reasonable efforts (subject to such Lender's overall internal policies of general application and legal and regulatory restrictions) to avoid or reduce to the greatest extent possible any indemnification or additional amounts due under this Section 3.01, which may include the designation of another Lending Office for any Term Loan affected by such event; provided that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no material economic, legal or regulatory disadvantage; provided, further, that nothing in this Section 3.01(f) shall affect or postpone any of the Obligations of the Borrower or the rights of such Lender pursuant to Sections 3.01(a) and (c).

(g) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 3.01(g)(ii), 3.01(h) and 3.01(i) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Each Foreign Lender shall, to the extent it is legally able to do so, furnish to the Borrower and the Administrative Agent, on or prior to the date it becomes a party to this Agreement, two accurate and complete executed copies of (A) IRS Form W-8BEN or Form W-8BEN-E (or successor form) certifying exemption from or a reduction in the rate of United States federal withholding tax under an applicable treaty to which the United States is a party, (B) IRS Form W-8ECI (or successor form) certifying that the income receivable pursuant to the Loan Documents is effectively connected with the conduct of a trade or business in the United States, (C) IRS Form W-8EXP (or successor form), (D) to the extent a Foreign Lender is not the beneficial owner, W-8IMY (or successor form), together with required attachments (including a certification substantially in the form of the applicable Exhibit O, if such Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption), certifying exemption from or reduction in the rate of United States federal withholding tax, or (E) in the case of a Foreign Lender claiming exemption from United States federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest," IRS Form W-8BEN or Form W-8BEN-E (or successor form) together with a statement substantially in the form of the applicable Exhibit O. Solely for purposes of this Section 3.01(g), the term "Foreign Lender" shall include any Agent that is not a "United States person" within the meaning of Section 7701(a)(30) of the Code.

(iii) Any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

(h) Each Lender and Agent that is a "United States person" within the meaning of Section 7701(a)(30) of the Code shall, to the extent it is legally able to do so, furnish to the Borrower and the Administrative Agent, on or prior to the date it becomes a party to this Agreement, two accurate and complete executed copies of IRS Form W-9 (or successor form) establishing that such Lender or Agent is not subject to United States backup withholding tax.

(i) If a payment made to a Lender under any Loan Document would be subject to United States federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 3.01(i), "FATCA" shall include any amendments made to FATCA after the Closing Date.

(j) Each Lender and Agent shall, to the extent it is legally able to do so, deliver such forms and/or certification as required by this Section 3.01 promptly upon the obsolescence or invalidity of any such form and/or certification previously delivered by such Lender and Agent. In addition, each Lender and Agent shall promptly notify the Borrower and the Administrative Agent at any time it determines that it is no longer in a position to provide any previously delivered form (and/or any other form of certification).

(k) Each party's obligations under this Section 3.01 shall survive the termination of the Aggregate Commitments, repayment of all other Obligations hereunder and the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender. For purposes of this Section 3.01 and Section 9.15, the term "applicable Law" includes FATCA.

3.02 Illegality. If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurodollar Rate, or to determine or charge interest rates based upon the Eurodollar Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (i) any obligation of such Lender to make or continue Eurodollar Rate Loans or to convert Base Rate Loans to Eurodollar Rate Loans shall be suspended and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurodollar Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurodollar Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Rate Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurodollar Rate, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurodollar Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurodollar Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted. Each Lender agrees to designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be disadvantageous to such Lender.

3.03 Inability to Determine Rates.

(a) If the Required Lenders determine that for any reason in connection with any request for a Eurodollar Rate Loan under the applicable Facility or a conversion to or continuation of any of the foregoing that (i) deposits are not being offered to banks in the European interbank market, the London interbank Eurodollar market or other offshore interbank market for such currency for the applicable amount and Interest Period of such Eurodollar Rate Loan, (ii) adequate and reasonable means do not exist for determining the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan or in connection with an existing or proposed Base Rate Loan, or (iii) the

Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter (and subject to clause (b) below), (x) the obligation of the Lenders to make or maintain Eurodollar Rate Loans shall be suspended and (y) in the event of a determination described in the preceding sentence with respect to the Eurodollar Rate component of the Base Rate, the utilization of the Eurodollar Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

(b) If the Administrative Agent determines that the circumstances set forth in clause (a)(ii) above have arisen and such circumstances are unlikely to be temporary (which determination shall be conclusive absent manifest error), and if there is no comparable successor rate that is, at such time, broadly accepted by the syndicated loan market for loans denominated in US dollars in lieu of the Eurodollar Base Rate as reasonably determined by the Administrative Agent and accepted by the Borrower in writing, then the Administrative Agent and the Borrower shall endeavor to establish an alternate rate of interest to the Eurodollar Rate and shall enter into an amendment (with the consent of the Required Lenders) to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable.

3.04 Increased Cost and Reduced Return; Capital Adequacy.

(a) If any Lender determines that as a result of the introduction of or any Change in Law, in each case after the Closing Date, or such Lender's compliance therewith, there shall be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining any Loan the interest on which is determined by reference to the Eurodollar Rate (or in the case of any Change in Law with respect to Taxes, any Loan) or a reduction in the amount received or receivable by such Lender in connection with any of the foregoing (excluding for purposes of this Section 3.04(a) any such increased costs or reduction in amount resulting from (i) Indemnified Taxes imposed on or with respect to any payment made by or on account of any Loan Party under any Loan Document and Other Taxes (as to which Section 3.01 shall govern), (ii) Excluded Taxes (other than clause (a) of the definition of Excluded Taxes), (iii) Connection Income Taxes, and (iv) reserve requirements reflected in the Eurodollar Rate), then from time to time within fifteen (15) Business Days after written demand of such Lender setting forth in reasonable detail (which need not include any information the disclosure of which by such Lender is prohibited by applicable Laws) such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction; provided that such increased costs may only be requested by a Lender imposing such increased costs on borrowers similarly situated to the Borrower under syndicated credit facilities comparable to those provided hereunder.

(b) If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on the capital of, or increasing the liquidity required to be maintained by, such Lender or any holding company of such Lender, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy or liquidity), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction or increase suffered.

(c) The Borrower shall not be required to compensate a Lender pursuant to Section 3.04(a) or (b) for any such increased cost or reduction incurred more than one hundred and eighty (180) days prior to the date that such Lender demands, or notifies the Borrower of its intention to demand, compensation therefor; provided that, if the circumstance giving rise to such increased cost or reduction is retroactive, then such one hundred and eighty (180) day period referred to above shall be extended to include the period of retroactive effect thereof.

3.05 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, the Borrower shall promptly (within 30 days) compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any assignment pursuant to Section 3.07, continuation, conversion, payment or prepayment of any Term Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Term Loan (whether voluntary, mandatory, automatic, by reason of acceleration or otherwise); or

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Term Loan) to prepay, borrow, continue or convert any Term Loan other than a Base Rate Loan on the date or in the amount notified by the Borrower;

including any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Term Loan or from fees payable to terminate the deposits from which such funds were obtained.

3.06 Matters Applicable to All Requests for Compensation.

(a) A certificate of any Agent or any Lender claiming compensation under this Article III and setting forth the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. In determining such amount, such Agent or such Lender may use any reasonable averaging and attribution methods.

(b) With respect to any Lender's claim for compensation under Section 3.02, 3.03 or 3.04, the Borrower shall not be required to compensate such Lender for any amount incurred more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event that gives rise to such claim; provided that, if the circumstance giving rise to such increased cost or reduction is retroactive, then such one hundred and eighty (180) day period referred to above shall be extended to include the period of retroactive effect thereof. If any Lender requests compensation by the Borrower under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue from one Interest Period to another Eurodollar Rate Loans, or to convert Base Rate Loans into Eurodollar Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(c) shall be applicable); provided that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(c) If the obligation of any Lender to make or continue from one Interest Period to another any Eurodollar Rate Loan, or to convert Base Rate Loans into Eurodollar Rate Loans shall be suspended pursuant to Section 3.06(b) hereof, such Lender's Eurodollar Rate Loans shall be automatically converted into Base Rate Loans on the last day(s) of the then current Interest Period(s) for

such Eurodollar Rate Loans (or, in the case of an immediate conversion required by Section 3.02, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 3.02, 3.03(a) or 3.04 hereof that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's Eurodollar Rate Loans have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's Eurodollar Rate Loans shall be applied instead to its Base Rate Loans; and

(ii) all Term Loans that would otherwise be made or continued from one Interest Period to another by such Lender as Eurodollar Rate Loans shall be made or continued instead as Base Rate Loans, and all Base Rate Loans of such Lender that would otherwise be converted into Eurodollar Rate Loans shall remain as Base Rate Loans.

(d) If any Lender gives notice to the Borrower (with a copy to the Agent) that the circumstances specified in Section 3.02, 3.03(a) or 3.04 hereof that gave rise to the conversion of such Lender's Eurodollar Rate Loans pursuant to this Section 3.06 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurodollar Rate Loans made by other Lenders are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurodollar Rate Loans, to the extent necessary so that, after giving effect thereto, all Term Loans held by the Lenders holding Eurodollar Rate Loans and by such Lender are held *pro rata* (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments.

3.07 Replacement of Lenders under Certain Circumstances.

(a) If at any time (i) the Borrower becomes obligated to pay additional amounts or indemnity payments described in Section 3.01 or 3.04 as a result of any condition described in such Sections or any Lender ceases to make Eurodollar Rate Loans as a result of any condition described in Section 3.02 or 3.03(a), (ii) any Lender becomes a Defaulting Lender, (iii) any Lender becomes a Non-Consenting Lender (as defined below in this Section 3.07), or (iv) any Lender is an Ineligible Assignee, then the Borrower may, at its sole expense and effort, on five (5) Business Days' prior written notice to the Administrative Agent and such Lender (or such lesser time as may be agreed by the Administrative Agent), replace such Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 10.07(b) (with the assignment fee to be paid by the Borrower in such instance) all of its rights and obligations under this Agreement to one or more Eligible Assignees; provided that (A) neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender or other such Person, (B) such replaced Lender shall have received payment of an amount equal to the outstanding principal of its Term Loans (or, in the case of the preceding clause (iv), the lesser of (x) the purchase price paid by such Ineligible Assignee for its Term Loans and (y) the outstanding principal thereof), accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Sections 2.05(d) (if applicable) and 3.05) in accordance with the Assignment and Assumption with respect to such assignment, (C) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter, (D) such assignment does not conflict with applicable Law, and (E) in the case of any assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

(b) Any Lender being replaced pursuant to Section 3.07(a) above shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and

outstanding Loans and (ii) deliver any Notes evidencing such Term Loans to the Borrower or the Administrative Agent. If such replaced Lender fails to execute and deliver such Assignment and Assumption within one (1) Business Day after the receipt of notice referred to in the foregoing clause (a), such replaced Lender shall be deemed to have executed and delivered such Assignment and Assumption on such date as provided in this Section 3.07. Pursuant to such Assignment and Assumption, (A) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's Commitment and outstanding Loans, (B) all obligations of the Borrower owing to the assigning Lender relating to the Term Loans so assigned shall be paid in full to such assigning Lender in accordance with such Assignment and Assumption concurrently with such assignment and assumption, and (C) upon such payment and, if so requested by the assignee Lender, delivery to the assignee Lender of the appropriate Note or Notes executed by the Borrower, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans and Commitments, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender.

(c) Notwithstanding anything to the contrary contained above the Lender that acts as (or whose Affiliate acts as) the Administrative Agent may not be replaced hereunder except in accordance with the terms of Section 9.09.

(d) In the event that (i) the Borrower has requested the Lenders to consent to a departure or waiver of any provisions of the Loan Documents or to agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of all affected Lenders in accordance with the terms of Section 10.01 or all the Lenders with respect to a certain Class of the Term Loans or all Lenders, and (iii) the Required Lenders have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a "***Non-Consenting Lender***."

3.08 Survival. All of the Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder and resignation of the Administrative Agent.

ARTICLE IV

(xiv) evidence that the First Lien Loan Documents shall have been executed and delivered by all of the Loan Parties stated to be party thereto in their respective forms then most recently delivered to the Administrative Agent, and evidence that the "Closing Date" (as defined in the First Lien Credit Agreement) will occur on the Closing Date.

(b) Holdings and the Borrower shall have received the Equity Contribution and Other Equity in the manner described in the definition of "Transactions."

(c) On the Closing Date, after giving effect to the Closing Transactions, neither Holdings nor the Borrower nor any of their Subsidiaries shall have any outstanding Indebtedness for borrowed money other than the Term Facility, the First Lien Loans in an aggregate principal amount of $325,000,000 and Permitted Surviving Debt and all Liens securing and any Guarantees of any Indebtedness for borrowed money not permitted by this Section 4.01(c) shall have been released.

(d) The Acquisition shall be consummated pursuant to the Acquisition Agreement, substantially concurrently with the initial funding of the Term Facility, without giving effect to any amendments thereto, waivers thereof or consents with respect thereto that are materially adverse to the Arrangers, in their capacity as Lenders, and the other Initial Lenders, without the consent of the Initial Lenders, such consent not to be unreasonably withheld or delayed.

(e) Since August 6, 2017, there shall not have been a Company Material Adverse Effect (as defined in the Acquisition Agreement) that would result in a failure of a condition precedent under the Acquisition Agreement or would provide the Borrower the right to terminate its obligations under the Acquisition Agreement or to decline to consummate the Acquisition as a result thereof.

(f) The Administrative Agent shall have received, at least three (3) Business Days prior to the Closing Date, all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including the PATRIOT Act, as is reasonably requested in writing by the Administrative Agent at least ten (10) Business Days prior to the Closing Date.

(g) All fees, closing payments and expenses required to be paid on the Closing Date shall have been paid in full in cash from the proceeds of the initial funding under the Term Facility, to the extent, in the case of expenses, a reasonably detailed invoice has been delivered to Holdings at least three (3) Business Days prior to the Closing Date.

(h) All actions necessary to establish that the Collateral Agent will have a perfected second priority security interest (subject to Permitted Prior Liens) in the Collateral shall have been taken, in each case, to the extent such Collateral (including the creation or perfection of any security interest) is required to be provided on the Closing Date pursuant to the last paragraph of this Section 4.01.

(i) The Specified Acquisition Agreement Representations shall be true and correct in all material respects as of the Closing Date (except in the case of any such representation and warranty which expressly relates to a given date or period, such representation and warranty shall be true and correct in all material respects as of the respective date or for the respective period, as the case may be); provided that any such representation or warranty qualified by or subject to a "material adverse effect," "material adverse change" or similar term or qualification shall be true and correct in all respects (after giving effect to any such qualification of materiality).

(j) The Specified Representations shall be true and correct in all material respects as of the Closing Date (except in the case of any such representation and warranty which expressly relates to a given date or period, such representation and warranty shall be true and correct in all material respects as of the respective date or for the respective period, as the case may be); provided that any such representation or warranty qualified by or subject to a "material adverse effect," "material adverse change" or similar term or qualification shall be true and correct in all respects (after giving effect to any such qualification of materiality).

Without limiting the generality of the provisions of Section 9.03, for purposes of determining compliance with the conditions specified in this Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted, or to be satisfied with, each document or other matter required hereunder to be consented to or approved by or acceptable or satisfactory to a Lender, unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

Notwithstanding anything herein to the contrary, it is understood that to the extent any Lien search or Collateral (including the creation or perfection of any security interest) is not or cannot be provided on the Closing Date (other than (i) customary Uniform Commercial Code Lien searches with respect to Holdings, the Borrower and the other Guarantors, in each case, in an entity's jurisdiction of organization, (ii) the execution and delivery of the Security Agreement, (iii) the perfection of Liens on Collateral that may be perfected by the filing of financing statements under the Uniform Commercial Code or by intellectual property filings with the United States Patent and Trademark Office and the United States Copyright Office, and (iv) the pledge and perfection of security interests in the Equity Interests of the Borrower and its Restricted Subsidiaries (other than Immaterial Subsidiaries) with respect to which a Lien may be perfected by the delivery of a stock or equivalent certificate, but, with respect to subsidiaries of the Company, only to the extent received after use of commercially reasonable efforts to do so without undue burden or expense) after your use of commercially reasonable efforts to do so without undue burden or expense, then the provision of any such Lien search and/or Collateral shall not constitute a condition precedent to the availability of the Term Facility on the Closing Date, but may instead be provided within (x) with respect to stock or equivalent certificates of subsidiaries of the Company, forty-five (45) days after the Closing Date and (y) otherwise, ninety (90) days after the Closing Date, subject to such extensions as are reasonably agreed by the Collateral Agent pursuant to arrangements to be mutually agreed between the Collateral Agent and the Borrower.

4.02 Conditions to All Borrowings. The obligation of each Lender to honor any request for a Borrowing (other than on the Closing Date and other than a Committed Loan Notice requesting only a conversion of Loans to the other Type, or a continuation of Eurodollar Rate Loans) is subject to the following conditions precedent:

(a) the representations and warranties of the Borrower and each other Loan Party contained in Article V or any other Loan Document shall be true and correct in all material respects (and in all respects if any such representation or warranty is already qualified by materiality) on and as of the date of such Borrowing, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct in all material respects (and in all respects if any such representation or warranty is already qualified by materiality) as of such earlier date, and except that for purposes of this Section 4.02, the representations and warranties contained in Sections 5.05(a) and (b) shall be deemed to refer to the most recent statements furnished pursuant to Sections 6.01(a) and (b), respectively;

(b) no Default or Event of Default shall exist, or would result from, such proposed Credit Extension or from the application of the proceeds therefrom; and

(c) the Administrative Agent shall have received a request for a Borrowing in accordance with the requirements hereof,

provided that, in the case of Incremental Facilities, the conditions specified in Sections 4.02(a) and (b) shall be limited in accordance with Section 2.14(f) if such request for a Borrowing is in connection with a Limited Condition Transaction.

Each request for a Borrowing (other than a Committed Loan Notice requesting only a conversion of Loans to the other Type or a continuation of Eurodollar Rate Loans) submitted by the Borrower shall be deemed to be a representation and warranty that the conditions specified in Sections 4.02(a) and (b) have been satisfied on and as of the date of the applicable Borrowing.

ARTICLE V

REPRESENTATIONS AND WARRANTIES

Each of Holdings and the Borrower represents and warrants to the Agents and the Lenders that:

There are no actions, claims or proceedings pending or, to the best of the Borrower's or any Guarantor's knowledge, threatened in writing that seek the revocation, cancellation, suspension or modification of any Permits that would reasonably be expected to have a Material Adverse Effect.

5.02 Authorization; No Contravention. The execution, delivery and performance by each Loan Party of each Loan Document to which such Person is a party, and the consummation of the Transactions, are within such Loan Party's corporate or other powers, have been duly authorized by all necessary corporate or other organizational action, and do not and will not (a) contravene the terms of any of such Person's Organization Documents; (b) conflict with or result in any breach or contravention of, or the creation of any Lien under (other than any Lien to secure the Secured Obligations pursuant to the Collateral Documents), or require any payment to be made under (i) the First Lien Credit Agreement (or any Specified First Lien Refinancing Debt), (ii) any other Contractual Obligation to which such Person is a party or affecting such Person or the properties of such Person or any of its Subsidiaries, or (ii) any order, injunction, writ or decree of any Governmental Authority or any arbitral award to which such Person or its property is subject; or (c) violate any Law; except with respect to any breach or contravention or payment referred to in clause (b) of this Section 5.02, to the extent that such conflict, breach, contravention or payment would not reasonably be expected to have a Material Adverse Effect.

5.03 Governmental Authorization; Other Consents. No material approval, consent, exemption, authorization, or other action by, or notice to, or filing with, any Governmental Authority or

any other Person is necessary or required in connection with (a) the execution, delivery or performance by, or enforcement against, any Loan Party of this Agreement or any other Loan Document, or for the consummation of the Transactions, (b) the grant by any Loan Party of the Liens granted by it pursuant to the Collateral Documents, (c) the perfection or maintenance of the Liens created under the Collateral Documents (including the priority thereof), or (d) the exercise by an Agent or any Lender of its rights under the Loan Documents or the remedies in respect of the Collateral pursuant to the Collateral Documents, except for the approvals, consents, exemptions, authorizations, actions, notices and filings which have been duly obtained, taken, given or made and are in full force and effect and those approvals, consents, exemptions, authorizations or other actions, notices or filings, the failure of which to obtain or make would not reasonably be expected to have a Material Adverse Effect.

5.04 Binding Effect. This Agreement and each other Loan Document has been duly executed and delivered by each Loan Party that is party thereto. This Agreement and each other Loan Document constitutes a legal, valid and binding obligation of such Loan Party, enforceable against each Loan Party that is party thereto in accordance with its terms, except as such enforceability may be limited by bankruptcy insolvency, reorganization, receivership, moratorium or other Laws affecting creditors' rights generally and by general principles of equity.

5.05 Financial Statements; No Material Adverse Effect.

(a) During the period from December 31, 2016 to and including the Closing Date, there has been (i) no sale, transfer or other disposition by the Company and its Subsidiaries of any material part of the business or property of the Company and its Subsidiaries and (ii) no purchase or other acquisition by any of them of any business or property (including any Equity Interests of any other Person) material in relation to the consolidated financial condition of the Company and its Subsidiaries, which is not reflected in the Historical Financial Statements or in the notes thereto or has not otherwise been disclosed in writing to the Lenders prior to the Closing Date. (b) The Closing Financial Statements delivered pursuant to Section 4.01(a)(x) present fairly, in all material respects, the consolidated financial position, statements of operations and cash flows of the Company and its Subsidiaries, at the respective dates set forth therein and for the respective periods covered thereby, and were prepared in accordance with GAAP, consistently applied.

(c) Since December 31, 2016, there has been no change, event, occurrence, event or circumstance, either individually or in the aggregate, that has had or would reasonably be expected to have a Material Adverse Effect; provided that the representation in this Section 5.05(c) shall only be made after the Closing Date.

(d) The forecasted financial information of the Company and its Subsidiaries delivered to the Lenders pursuant to Section 4.01 or 6.01 was prepared in good faith using assumptions based on information sourced from the financial records of the Company and its Subsidiaries for the periods stated therein, which assumptions were reasonable in light of the conditions existing at the time of delivery and at the time of preparation of such forecasts; it being understood that actual results may vary from such forecasts and that such variations may be material.

5.06 Litigation. There are no actions, suits, proceedings, investigations, claims or disputes pending or, to the knowledge of Holdings or any of its Restricted Subsidiaries, threatened or

contemplated, at law, in equity, in arbitration or before any Governmental Authority, by or against Holdings or any of its Restricted Subsidiaries or against any of their properties or revenues that (a) purport to affect or pertain to this Agreement, any other Loan Document or, as of the Closing Date, the consummation of the Transactions, or (b) either individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect.

5.07 No Default. Neither Holdings nor any Restricted Subsidiary of Holdings is in default under or with respect to, or a party to, any Contractual Obligation that would, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(b) Set forth on Schedule 5.08(b) hereto is a complete and accurate list of all Material Real Property owned by any Loan Party or any of its Restricted Subsidiaries as of the Closing Date, showing as of the Closing Date the street address (to the extent available), county or other relevant jurisdiction, state and record owner.

Holdings and its Subsidiaries have filed all federal and state and other Tax returns and reports required to be filed, and have paid all federal and state and other Taxes, assessments, fees and other governmental charges levied or imposed upon them or their properties, income or assets otherwise due and payable, except those (a) which are not overdue by more than thirty (30) days or (b) which are being contested in good faith by appropriate proceedings diligently conducted and for which adequate reserves have been provided in accordance with GAAP or (c) with respect to which the failure to make such filing or payment would not individually or in the aggregate reasonably be expected to have a Material Adverse Effect.

5.11 ERISA Compliance. No ERISA Event has occurred in the five-year period prior to the date on which this representation is made or deemed made and is continuing, or reasonably expected to occur, that, when taken together with all other such ERISA Events, would reasonably be expected to result in a Material Adverse Effect. No report, financial statement, certificate or other information furnished (whether in writing or orally) by or on behalf of any Loan Party (other than projected financial information, *pro forma* financial information and information of a general economic or industry nature) to any Agent or any Lender in connection with the Transactions and the negotiation of this Agreement or delivered hereunder or any other Loan Document (as modified or supplemented by other information so furnished), when taken as a whole, contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not materially misleading; provided that, with respect to projected and *pro forma* financial information, Holdings represents only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time of delivery of such information to any Agent or Lender; it being understood that such projections may vary from actual results and that such variations may be material.

No claim or litigation regarding any of the foregoing is pending or, to the knowledge of Holdings and the Borrower, threatened, which, either individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect. To the knowledge of Holdings and the Borrower, no Person is infringing, misappropriating, diluting or otherwise violating any IP Rights except, in each case, for any such infringement, misappropriation, dilution or violation, that individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect.

Solely for the purpose of determining whether a Default or Event of Default has occurred under Section 8.01(f) or (g), any reference in any such clause to any Restricted Subsidiary shall be deemed to exclude any Immaterial Subsidiary (provided, however, that all Restricted Subsidiaries affected by any event or circumstance referred to in any such clause shall be considered together, as a single consolidated Restricted Subsidiary, for purposes of determining whether the condition specified above is satisfied).

Notwithstanding any provision to the contrary contained elsewhere herein or in any other Loan Document, no Agent shall have any duties or responsibilities, except those expressly set forth herein, nor shall any Agent have or be deemed to have any fiduciary relationship with any Lender or Participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against any Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) [Reserved].

(c) The Administrative Agent shall also act as the Collateral Agent under the Loan Documents, and each of the Lenders hereby irrevocably appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent (and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent) shall be entitled to the benefits of all provisions of this Article IX (including, without limitation, Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the Collateral Agent under the Loan Documents) as if set forth in full herein with respect thereto.

9.02 Delegation of Duties. The Administrative Agent or the Collateral Agent may execute any of its duties under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. None of the Administrative Agent or the Collateral Agent shall be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects in the absence of its own gross negligence or willful misconduct to the extent determined in a final, nonappealable judgment by a court of competent jurisdiction.

9.03 Liability of Agents. No Agent-Related Person shall (a) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct in connection with its duties expressly set forth herein, to the extent determined in a final, nonappealable judgment by a court of competent jurisdiction), or (b) be responsible in any manner to any Lender or Participant for any recital, statement, representation or warranty made by any Loan Party or any officer thereof contained herein or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent or the Collateral Agent under or in connection with, this Agreement or any other Loan Document, or for the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or the perfection or priority of any Lien or security interest created or purported to be created under the Collateral Documents, or for any failure of any Loan Party or any other party to any Loan Document to perform its obligations hereunder or thereunder. No Agent-Related Person shall be under any obligation to any Lender or Participant to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof.

9.04 Reliance by Agents.

(a) Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, consent, certificate, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel

to any Loan Party), independent accountants and other experts selected by such Agent. Each Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or such other number or group of Lenders as may be expressly required hereby in any instance) as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such other number or group of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders. In no event shall any Agent be required to take any action (or omit to take any action) that, in its opinion or the opinion of its counsel, may expose any Agent to liability, or that is contrary to the terms of any Loan Document or applicable Law.

(b) For purposes of determining compliance with the conditions specified in Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted, or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

9.05 Notice of Default. None of the Administrative Agent or the Collateral Agent shall be deemed to have knowledge or notice of the occurrence of any Default, except with respect to defaults in the payment of principal, interest and fees required to be paid to the Administrative Agent for the account of the Lenders, unless it shall have received written notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default." Each of the Administrative Agent and the Collateral Agent will notify the Lenders of its receipt of any such notice. The Administrative Agent shall take such action with respect to any Event of Default as may be directed by the Required Lenders (or such other number or group of Lenders as may be expressly required hereby in any instance) in accordance with Article VIII; provided, however, that unless and until the Administrative Agent has received any such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable or in the best interest of the Lenders.

9.06 Credit Decision; Disclosure of Information by Agents. Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower and the other Loan Parties hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrower and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall

not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person.

9.07 Indemnification of Agents. Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), *pro rata*, and hold harmless each Agent-Related Person from and against any and all Indemnified Liabilities incurred by it; provided, however, that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities to the extent determined in a final, nonappealable judgment by a court of competent jurisdiction to have resulted from such Agent-Related Person's own bad faith, gross negligence or willful misconduct; provided, however, that no action taken in accordance with the directions of the Required Lenders (or such other number or group of Lenders as may be expressly required hereby in any instance) shall be deemed to constitute bad faith, gross negligence or willful misconduct for purposes of this Section 9.07. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.07 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent and the Collateral Agent upon demand for such Lender's ratable share of any costs or out-of-pocket expenses (including the fees, disbursements and other charges of counsel) incurred by the Administrative Agent or the Collateral Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document or any document contemplated by or referred to herein, to the extent that the Administrative Agent or the Collateral Agent is not reimbursed for such expenses by or on behalf of the Borrower. The undertaking in this Section 9.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent or the Collateral Agent.

9.08 Agents in their Individual Capacities. Any Agent and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with each of the Loan Parties and their respective Affiliates as though it were not an Agent hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, an Agent or its Affiliates may receive information regarding any Loan Party or its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that such Agent shall be under no obligation to provide such information to them. With respect to its Term Loans, such Agent shall have the same rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not an Agent, and the terms "Lender" and "Lenders" include such Agent in its individual capacity.

9.09 Successor Agents.

(a) The Administrative Agent may resign as the Administrative Agent and the Collateral Agent upon thirty (30) days' notice to the Lenders and the Borrower. If the Administrative Agent resigns under this Agreement, the Required Lenders shall appoint a successor agent for the Lenders, which successor agent shall be consented to by the Borrower at all times other than during the existence of an Event of Default under Section 8.01(a), (f) or (g) (which consent of the Borrower shall not be unreasonably withheld or delayed and shall be deemed given if the Borrower fails to respond within ten (10) Business Days). If no successor agent is appointed prior to the effective date of the resignation of the Administrative Agent, the Administrative Agent may appoint, after consulting with the

Lenders and the Borrower, a successor agent. Upon the acceptance of its appointment as successor agent hereunder, the Person acting as such successor agent shall succeed to all the rights, powers and duties of the retiring Administrative Agent and the term "Administrative Agent" and "Collateral Agent" shall mean such successor administrative agent and/or supplemental administrative agent, as the case may be, and the retiring Administrative Agent's appointment, powers and duties as the Administrative Agent and the Collateral Agent shall be terminated. After the retiring Administrative Agent's resignation hereunder as the Administrative Agent and the Collateral Agent, the provisions of this Article IX and Sections 10.04 and 10.05 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent or the Collateral Agent under this Agreement. If no successor agent has accepted appointment as the Administrative Agent by the date which is thirty (30) days following the retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective on such date and the retiring Administrative Agent may (but shall not be obligated to) with the consent of the Borrower at all times other than during the existence of an Event of Default under Section 8.01(a), (f) or (g) (which consent shall not be unreasonably withheld or delayed and shall be deemed given if the Borrower fails to respond within ten (10) Business Days), on behalf of the Lenders, appoint a successor Administrative Agent. If a successor Administrative Agent has not so been appointed, the Lenders shall perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. With effect from the date which is thirty (30) days following the retiring Administrative Agent's notice of resignation (i) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent or the Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring Collateral Agent shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed) and (ii) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of any appointment as the Collateral Agent, as applicable, hereunder by a successor and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices as may be necessary or desirable, or as the Required Lenders may request, in order to continue the perfection of the Liens granted or purported to be granted by the Collateral Documents, the successor Collateral Agent shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges and duties of the retiring Collateral Agent, and the retiring Collateral Agent shall be discharged from its duties and obligations under the Loan Documents. After the retiring Administrative Agent's resignation hereunder as the Administrative Agent and the Collateral Agent, the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as the Administrative Agent and the Collateral Agent.

(b) Any resignation by the Administrative Agent pursuant to this Section 9.09 shall also constitute its resignation as the Collateral Agent. Upon the acceptance of a successor's appointment as Administrative Agent, hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Collateral Agent and (ii) the retiring Collateral Agent shall be discharged from all of its respective duties and obligations hereunder or under the other Loan Documents.

9.10 Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent or the Collateral Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent or the Collateral Agent shall

have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Term Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Administrative Agent or the Collateral Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Administrative Agent or the Collateral Agent and their respective agents and counsel and all other amounts due the Lenders, the Administrative Agent or the Collateral Agent under Sections 2.09 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent or the Collateral Agent and, in the event that the Administrative Agent or the Collateral Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent or the Collateral Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent or the Collateral Agent under Sections 2.09 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent or the Collateral Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent or the Collateral Agent to vote in respect of the claim of any Lender in any such proceeding, except as set forth in clause (A)(z) of the third to last paragraph of Section 10.01.

9.11 Collateral and Guaranty Matters. Each of the Lenders irrevocably authorizes the Collateral Agent, at its option and in its discretion,

(a) to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than contingent indemnification obligations not yet accrued and payable), (ii) that is sold as part of or in connection with any sale permitted hereunder or under any other Loan Document, or (iii) subject to Section 10.01, if approved, authorized or ratified in writing by the Required Lenders (or such other number or group of Lenders as may be expressly required hereby in any instance);

(b) to subordinate or release any Lien on any property granted to or held by the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.01(i) or, in the case of subordination only, 7.01(p); and

(c) to release any Guarantor from its obligations under the Guaranty if such Person ceases to be a Restricted Subsidiary as a result of a transaction permitted hereunder; provided that no such release shall occur if such Guarantor is an obligor or a guarantor in respect of the First Lien Obligations, Permitted Other Indebtedness, Permitted Other First Lien Indebtedness, Permitted Acquisition Indebtedness, Specified Refinancing Debt, Specified First Lien Refinancing Debt or any Permitted Refinancing; provided, further, that any release of guarantee obligations as a result of the circumstances set forth in Section 9.11(a)(i) shall be deemed subject to the provision that such guarantee obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the

insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.

Upon request by the Collateral Agent at any time, the Required Lenders will confirm in writing the Collateral Agent's authority to release its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.11. In each case as specified in this Section 9.11, the Collateral Agent will, at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to release such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.11.

9.12 [Reserved].

9.13 Other Agents; Arrangers and Managers. None of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a "joint lead arranger" or "joint bookrunner" shall have any obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders, but only to the extent acting in such capacity as a Lender. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder. Sections 9.06, 9.07 and 9.08 shall apply to the Arrangers to the same extent as each applies to the Agents and/or the Agent-Related Persons, *mutatis mutandis*. Each Agent and Arranger shall be an intended third party beneficiary of the provisions set forth in this Agreement that are applicable thereto.

9.14 Appointment of Supplemental Administrative Agents.

(a) Each of the Administrative Agent and the Collateral Agent is hereby authorized to appoint additional Persons selected by it in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a "***Supplemental Administrative Agent***" and collectively as "***Supplemental Administrative Agents***").

(b) In the event that the Collateral Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Collateral Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers, privileges and duties with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable by either the Collateral Agent or such Supplemental Administrative Agent, and (ii) the provisions of this Article IX and of Section 9.07 (obligating the Lenders to pay the Collateral Agent's expenses and to indemnify the Collateral Agent) that refer to the Collateral Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Collateral Agent shall be deemed to be references to the Collateral Agent and/or such Supplemental Administrative Agent, as the context may require.

(c) Should any instrument in writing from the Borrower, Holdings or any other Loan Party be required by any Supplemental Administrative Agent so appointed by the Administrative Agent or the Collateral Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrower or Holdings, as applicable, shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent or the Collateral Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent or the Collateral Agent, as applicable, until the appointment of a new Supplemental Administrative Agent.

9.15 Withholding. To the extent required by any applicable Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any withholding Tax applicable to such payment. Without limiting or expanding the provisions of Section 3.01, if the IRS or any other Governmental Authority asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective) and whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority, or the Administrative Agent has paid over to the IRS applicable withholding Tax relating to a payment to a Lender but no deduction has been made from such payment, such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including any penalties or interest and together with any and all expenses incurred, unless such amounts have been indemnified by any Loan Party. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.15. The agreements in this Section 9.15 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all other Obligations.

9.16 Agency for Perfection. The Collateral Agent hereby appoints, authorizes and directs each Secured Party to act as collateral sub-agent for the Collateral Agent and the other Secured Parties for purposes of the perfection of all Liens with respect to the Collateral, including any deposit account maintained by a Loan Party with, and cash and Cash Equivalents held by, such Secured Party, and may further authorize and direct such Secured Party to take further actions as collateral sub-agents for purposes of enforcing such Liens or otherwise to transfer the Collateral subject thereto to the Collateral Agent, and each Secured Party hereby agrees to take such further actions to the extent, and only to the extent, so authorized and directed.

ARTICLE X

MISCELLANEOUS

10.01 Amendments, Etc. No amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that (x) the Administrative Agent and the Borrower may, with the consent of the

other (and no other Person), amend, modify or supplement this Agreement and any other Loan Document (i) to cure any ambiguity, omission, typographical error, mistake, defect or inconsistency if such amendment, modification or supplement does not adversely affect the rights of any Agent or any Lender or to cause one or more Loan Documents to be consistent with other Loan Documents, (ii) to make any change that would provide any additional rights or benefits to the Agents or the Lenders, and (iii) to the extent necessary, in the reasonable judgment of the Administrative Agent, to give effect to the inclusion of additional currencies other than Dollars, and no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender without the written consent of each Lender directly affected thereby (it being understood that a waiver of any condition precedent set forth in Section 4.02 or the waiver of any Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for any payment of principal of, or interest on or any Loan, or any fees or other amounts payable hereunder, without the written consent of each Lender directly affected thereby, it being understood that the waiver of any mandatory prepayment of the Term Loans shall not constitute a postponement of any date scheduled for the payment of principal or interest;

(c) reduce the principal of, or the rate of interest specified herein on, any Loan, or (subject to clause (ii) of the second proviso to this Section 10.01) any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender directly affected thereby, it being understood that only the consent of the Required Lenders shall be necessary to (x) amend the definition of "Default Rate" or to waive any obligation of the Borrower to pay interest at the Default Rate or (y) enter into an amendment in accordance with Section 3.03(b);

(d) change any provision of this Section 10.01, Section 2.12(a) or the definition of "Required Lenders," or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder (other than the definitions specified in clause (ii) of this Section 10.01(d)), without the written consent of each Lender;

(e) release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender;

(f) release all or substantially all of the value of the guarantees made by the Guarantors, or amend Section 10.07(a)(x), without the written consent of each Lender; or

(g) change (i) Section 2.13 or 8.04 in a manner that would alter the *pro rata* sharing of payments required thereby without the written consent of each Lender, (ii) any prepayment of Term Loans from the application thereof set forth in the applicable provisions of Section 2.05(a) or (b) in any manner that materially and adversely affects the Lenders under any Class and in a manner different than Lenders under any other Class or (iii) any other provision of this Agreement or the other Loan Documents in a manner that creates a materially disadvantaged Class or otherwise materially adversely affects a Class, in each case without the written consent of the Required Lenders (or the majority Lenders with respect to such Class determined in a manner consistent with the definition of "Required Lenders");

provided, further, that (i) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent or the Collateral Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent or the Collateral Agent, as

applicable, under this Agreement or any other Loan Document; (ii) Section 10.07(g) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification; (iii) the Fee Letter and the Agent Fee Letter may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto; (iv) this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Persons providing any Specified Refinancing Debt to permit the refinancing of all outstanding Term Loans of any Class with replacement term loans in the amount of such Specified Refinancing Debt, to add such replacement term loans to this Agreement and to permit such replacement term loans and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the accrued interest and fees in respect thereof; (v) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (x) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Loans and the accrued interest and fees in respect thereof and (y) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and (vi) this Agreement may be amended (or amended and restated) with the written consent of the Administrative Agent and the Borrower to the extent required to give effect, in the reasonable judgment of the Administrative Agent, to the provisions of Section 2.14. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended, the maturity of any of its Term Loans may not be extended and the principal amount of any of its Term Loans may not be forgiven, in each case without the consent of such Defaulting Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender.

Notwithstanding anything to the contrary contained herein:

(A) (x) any Term Loans held by a Lender that is a Non-Debt Fund Affiliate shall be excluded in the determination of any "Required Lender" votes (provided that such Non-Debt Fund Affiliate shall not be excluded and shall be entitled to vote in connection with any amendment, waiver or modification to the extent any such amendment, waiver or modification proposes to treat any Obligations held by such Non-Debt Fund Affiliate in a disproportionately adverse manner to such Non-Debt Fund Affiliate than the proposed treatment of similar Obligations held by Lenders that are not Affiliated Lenders); (y) no such Lender shall have any right to (i) attend (including by telephone) any meeting, call or discussions (or portion thereof) among an Agent, an Arranger or any Lender to which representatives of the Borrower are not then present, (ii) receive any information or material prepared by or provided to an Agent, an Arranger or any Lender or any communication by or among an Agent, an Arranger and one or more Lenders, except to the extent such information or materials have been made available to the Borrower or its representatives, (iii) make or bring (other than as a passive participant in or recipient of its *pro rata* benefits of) any claim, in its capacity as a Lender, against an Agent (except with respect to any rights expressly retained by such Affiliated Lender under the Loan Documents, which shall not be required to be waived) or an Arranger, or (iv) receive advice of counsel to an Agent, an Arranger or any other Lender (other than counsel to the Affiliated Lenders), or challenge an Agent's, an Arranger's or any Lender's attorney-client privilege; and (z) each Affiliated Lender that is a Non-Debt Fund Affiliate hereby

agrees that if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrower or any other Loan Party, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Term Loans held by such Affiliated Lender in any manner in the Administrative Agent's sole discretion, unless the Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Term Loans held by it as the Administrative Agent directs; provided that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated Lender in a disproportionately adverse manner to such Affiliated Lender than the proposed treatment of similar Obligations held by Lenders that are not Affiliated Lenders; and

(B) in connection with any "Required Lender" votes or Class votes with respect to any Class of Term Loans, Lenders that are Debt Fund Affiliates shall not be permitted, in the aggregate, to account for more than 49.9% of the amounts includable in determining whether the "Required Lenders" or a majority of Lenders with respect to such Class have consented to any amendment, modification, waiver, consent or other action that is subject to such vote. The voting power of each Lender that is a Debt Fund Affiliate shall be reduced, *pro rata*, to the extent necessary in order to comply with the immediately preceding sentence.

Further, notwithstanding any provision herein to the contrary, the Borrower may, by written notice to the Administrative Agent from time to time, make one or more offers (each, a "***Loan Modification Offer***") to all the Lenders of one or more Classes of Commitments or Loans under the Term Facility (each Class subject to such a Loan Modification Offer, an "***Affected Facility***") to make one or more Permitted Amendments (as defined below) pursuant to procedures reasonably specified by the Administrative Agent and reasonably acceptable to the Borrower. Such notice shall set forth (i) the terms and conditions of the requested Permitted Amendment and (ii) the date on which such Permitted Amendment is requested to become effective (which shall not be less than ten (10) Business Days nor more than thirty (30) Business Days after the date of such notice, or such shorter periods as are acceptable to the Administrative Agent). Permitted Amendments shall become effective only with respect to the Commitments or Loans of the Lenders under the Affected Facility that accept the applicable Loan Modification Offer (such Lenders, the "***Loan Modification Accepting Lenders***") and, in the case of any Loan Modification Accepting Lender, only with respect to such Lender's Commitments or Loans of such Affected Facility as to which such Lender's acceptance has been made. The Borrower and each Loan Modification Accepting Lender shall execute and deliver to the Administrative Agent an agreement in form and substance satisfactory to the Administrative Agent giving effect to the Permitted Amendment (a "***Loan Modification Agreement***") and such other documentation as the Administrative Agent shall reasonably specify to evidence the acceptance of the Permitted Amendments and the terms and conditions thereof. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Loan Modification Agreement. Each of the parties hereto hereby agrees that, upon the effectiveness of any Loan Modification Agreement, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Permitted Amendment evidenced thereby and only with respect to the Term Loans and Commitments of the Loan Modification Accepting Lenders under the Affected Facility. Notwithstanding the foregoing, no Permitted Amendment shall become effective under this paragraph unless the Administrative Agent shall have received all corporate documents, officers' certificates or legal opinions consistent with those delivered on the Closing Date under Section 4.01 reasonably requested by the Administrative Agent and, in the case of any Permitted Amendment that has the effect of making, increasing, renewing or extending any extension of credit hereunder, delivery of all items contemplated by

clause (ii) of Section 6.14. "***Permitted Amendments***" shall be limited to (i) an extension of the final maturity date of the applicable Loans of the Loan Modification Accepting Lenders and the payment of fees by the Borrower to such Loan Modification Accepting Lenders as may be required in connection therewith (provided that such extension may not result in having more than two additional final maturity dates in any year, or more than three additional final maturity dates at any time, under this Agreement without the consent of the Administrative Agent), (ii) a change in rate of interest (including a change to the Applicable Rate and any provision establishing a minimum rate), premium, or other amount with respect to the applicable Loans of the Loan Modification Accepting Lenders and/or a change in the payment of fees to the Loan Modification Accepting Lenders (such change and/or payments to be in the form of cash, Equity Interests or other property to the extent not prohibited by this Agreement); provided that any additional premiums pursuant to this clause (ii) shall apply to the applicable Loans of the Loan Modification Accepting Lenders after the Latest Maturity Date then in effect with respect to the Affected Facility, and (iii) any other amendment to a Loan Document required to give effect to the Permitted Amendments described in clauses (i) and (ii) of this sentence.

In addition, notwithstanding anything to the contrary contained in this Section 10.01, the Administrative Agent and the Borrower shall, at the direction of CS Securities and within ten (10) Business Days of such direction (as such period may be extended by CS Securities), amend or modify any provision of this Agreement or the other Loan Documents to implement the "flex provisions" contained in the section of the Fee Letter entitled "Market Flex" that CS Securities is then entitled to implement under the Fee Letter in order to give effect to such "flex provisions", and such amendments and modifications shall become effective without any further action or consent of any Arranger or Lender. The Lenders hereby expressly authorize the Administrative Agent to enter into any amendment to the Loan Documents contemplated by the preceding sentence.

10.02 Notices; Effectiveness; Electronic Communications.

(a) General. Unless otherwise expressly provide herein, all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Borrower, the Administrative Agent or the Collateral Agent, to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 10.02; and

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below shall be effective as provided in such subsection (b).

(b) Electronic Communications. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent. The

Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address will be deemed given on the date sent, unless such notice or other communication is sent following the normal business hours of the recipient, in which case such notice or other communication shall be deemed given at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENTS DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT-RELATED PERSON IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall any Agent-Related Person have any liability to Holdings, the Borrower, any Lender, or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent-Related Person; provided, however, that in no event shall any Agent-Related Person have any liability to Holdings, the Borrower, any Lender, or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of Holdings, the Borrower, the Administrative Agent and the Collateral Agent may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrower, the Administrative Agent and the Collateral Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Law, including United States federal and state securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States federal or state securities Laws.

(e) Reliance by Administrative Agent, Collateral Agent, and Lenders. The Administrative Agent, the Collateral Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the

Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, the Collateral Agent and each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

10.03 No Waiver; Cumulative Remedies; Enforcement. No failure by any Lender, the Administrative Agent or the Collateral Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent or the Collateral Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as the Administrative Agent or the Collateral Agent) hereunder and under the other Loan Documents, (b) any Lender from exercising setoff rights in accordance with Section 10.09 (subject to the terms of Section 2.13), or (c) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and provided, further, that if at any time there is no Person acting as the Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b), and (c) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

10.04 Expenses and Taxes. The Borrower agrees (a) to pay or reimburse the Administrative Agent, the Collateral Agent and the Arrangers for all reasonable costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents, and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees, disbursements and other charges of counsel (limited to the reasonable fees, disbursements and other charges of one counsel to the Administrative Agent, the Collateral Agent and the Arrangers taken as a whole, and if necessary, of one local counsel in each relevant jurisdiction and of special and conflicts counsel), and (b) to pay or reimburse the Administrative Agent, the Collateral Agent, each Arranger, each Lender for all reasonable out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law or in connection with any workout or restructuring), including the fees, disbursements and other charges of counsel (limited to the fees, disbursements and other charges of one counsel to the Administrative Agent, the Collateral Agent, and the Lenders taken as a whole, and if necessary, of one local counsel in each

relevant jurisdiction and of one special counsel in each relevant specialty and, in the event of any conflict of interest, one additional counsel for the Administrative Agent, the Collateral Agent, and each Lender subject to such conflict and to the extent necessary, one local counsel in each relevant jurisdiction and/or one special counsel in each relevant specialty for all such parties subject to such conflict), in each case without duplication for any amounts paid (or indemnified) under Section 3.01. The foregoing costs and expenses shall include all search, filing, recording, title insurance and appraisal charges and fees and taxes related thereto, and other out-of-pocket expenses incurred by any Agent. All amounts due under this Section 10.04 shall be paid within five (5) Business Days after invoiced or demand therefor. The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent, the Collateral Agent, any Arranger, or any Lender, in its sole discretion.

10.05 Indemnification by the Borrower. The Borrower shall indemnify and hold harmless each Agent, each Arranger, each Agent-Related Person, each Lender, and their respective Affiliates, partners, directors, officers, employees, counsel, agents and, in the case of any funds, trustees, advisors, and other representatives and attorneys-in-fact (collectively the "***Indemnitees***") from and against (and will reimburse each Indemnitee as the same are incurred for) any and all liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs (including settlement costs), expenses and disbursements (including the reasonable fees, disbursements and other charges of (i) one counsel to the Indemnitees taken as a whole, (ii) in the case of any conflict of interest, additional counsel to each group of similarly-situated Indemnitees, limited to one such additional counsel, and (iii) one local counsel in each relevant jurisdiction and special counsel (and, in the case of any conflict of interest, one additional local counsel and one additional special counsel, as applicable, to each group of similarly-situated Indemnitees)) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted or awarded against any such Indemnitee in any way relating to or arising out of or in connection with or by reason of (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, (b) any Commitment, Loan or Letter of Credit or the use or proposed use of the proceeds therefrom, (c) any Environmental Release of Hazardous Materials on or from any property currently owned, leased or operated by the Borrower, any Subsidiary or any other Loan Party or its Subsidiaries, or any Environmental Liability related in any way to the Borrower, any Subsidiary or any other Loan Party (other than any Environmental Release or Environmental Liability resulting solely from acts or omissions by Persons other than the Borrower, its Subsidiaries or any other Loan Party, with respect to the applicable property after the Collateral Agent sells the respective property pursuant to a foreclosure or has accepted a deed in lieu of foreclosure), (d) the Commitment Letter, the Fee Letter or the Agent Fee Letter, or (e) any actual or prospective claim, litigation, investigation or proceeding in any way relating to, arising out of, in connection with or by reason of any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) and regardless of whether any Indemnitee is a party thereto and whether or not such proceeding is brought by the Borrower or any other Person (all the foregoing, collectively, the "***Indemnified Liabilities***"), in all cases, whether or not caused by or arising, in whole or in part, out of the negligence of the Indemnitee; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses or disbursements (x) arise from a dispute that does not involve any action or omission of the Borrower or any of its Affiliates and is solely among the Indemnitees (other than in connection with any such party acting in its capacity as an Arranger or an Agent) or (y) are found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnitee's or any of its controlled Affiliates' bad faith, gross negligence, willful misconduct or breach of its funding obligations under the Loan Documents. No Indemnitee shall be liable

for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other information transmission systems (including electronic telecommunications) in connection with this Agreement, except to the extent of direct, as opposed to special, indirect, consequential or punitive, damages determined in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnitee's or any of its controlled Affiliates' bad faith, gross negligence, willful misconduct or breach of its funding obligations under the Loan Documents. No Indemnitee or Loan Party shall have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date); provided that the foregoing shall not affect the Loan Parties' indemnification obligations pursuant to this Section 10.05. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, shareholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated.

No Loan Party shall be liable for any settlement of any claim, investigation, litigation or proceeding effected without the Borrower's consent (which consent shall not be unreasonably withheld, conditioned or delayed), but if settled with the Borrower's consent, or if there is a judgment against an Indemnitee in any such claim, investigation, litigation or proceeding, the Borrower agrees to indemnify and hold harmless each Indemnitee in the manner set forth above. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent or the Collateral Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. For the avoidance of doubt, any indemnification relating to Taxes, other than Taxes arising from a non-Tax claim, shall be covered by Section 3.01 and shall not be covered by this Section 10.05 or Section 10.04.

10.06 Payments Set Aside. To the extent that any payment by or on behalf of the Borrower is made to any Agent, any Lender, or any Agent, or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent or the Collateral Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate *per annum* equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (x) Holdings and the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender (except as permitted by Section 7.04) (and any other attempted assignment or transfer by Holdings or the Borrower shall be null and void) and (y) no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of Section 10.07(b), (ii) by way of participation in accordance with the provisions of Section 10.07(d), (iii) by way of pledge or

assignment of a security interest subject to the restrictions of Section 10.07(f), (iv) to an SPC in accordance with the provisions of Section 10.07(g), or (v) in accordance with Section 10.07(i) or 10.07(j); provided that, for the avoidance of doubt, no assignments to the Borrower or any of its Affiliates shall be permitted other than in accordance with Section 10.07(i) or 10.07(j). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(d) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment(s) and the Loans at the time owing to it); provided that (i) (A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment under any Facility and the Loans at the time owing to it under such Facility or in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund with respect to a Lender, no minimum amount shall need to be assigned, and (B) in any case not described in clause (i)(A) above, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the outstanding principal balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if a "Trade Date" is specified in the Assignment and Assumption, as of the "Trade Date", shall not be less than $1,000,000, unless each of the Administrative Agent and, so long as no Event of Default under Section 8.01(a), (f) or (g) has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed); provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met; (ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-*pro rata* basis; (iii) no consent shall be required with respect to the amount of any assignment except to the extent required by clause (i)(B) above and, in addition (I) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default under Section 8.01(a), (f) or (g) has occurred and is continuing at the time of such assignment, (2) such assignment is in respect of the Term Facility and is made to a Lender, an Affiliate of a Lender or an Approved Fund, or (3) in connection with the primary syndication of the Facilities, such assignment is made to a Lender that has been identified to and consented to by the Borrower prior to the Closing Date; provided that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof; and (II) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required (except in the case of any assignment in respect of the Term Facility from any Lender to an affiliate of such Lender, or to an Approved Fund of such Lender or to another Lender); (iv) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500 (provided that (x) in the case of any contemporaneous assignments by any Lender to one or more Approved Funds, only a single processing and recording fee shall be payable for such assignments and (y) the Administrative Agent, in its sole discretion, may elect to waive such processing and recording fee); (v) no such assignment shall be made to (A) any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (A), (B) a natural person, (C) Holdings or any of its Subsidiaries, or (D) absent the consent of the Borrower (which consent may be withheld in the sole discretion of the Borrower), to a Person (an "***Ineligible Assignee***") disclosed

on a list posted on the Platform prior to the Closing Date, as updated from time to time by the Borrower to include competitors of the Borrower (but not other Persons) by posting a new such list of Ineligible Assignees on the Platform; provided that, notwithstanding anything to the contrary, (x) the Administrative Agent shall not have any obligation to determine whether any potential assignee is an Ineligible Assignee or any liability with respect to any assignment made to an Ineligible Assignee and (y) if any assignment is made to any Person that is an Ineligible Assignee without the consent of the Borrower, the loans and commitments held by such Person shall be deemed to not be outstanding for purposes of any amendment, waiver or consent hereunder, and such Person shall not be permitted to attend lender meetings or receive information prepared by the Agent or any Lender in connection with this Agreement; (vi) the assigning Lender shall deliver any Notes evidencing such Loans to the Borrower or the Administrative Agent; and (vii) in connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable *pro rata* share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full *pro rata* share of all Loans in accordance with its Pro Rata Share; provided that notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs. Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.07(c), from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04, and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender by the assigning Lender of its Note, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this clause (b) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(d).

(c) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower (and such agency being solely for tax purposes), shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption and each Affiliated Lender Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "***Register***"). The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. In addition, the Administrative Agent shall maintain in the Register information regarding the designation, and revocation of designation, of any Lender as Defaulting Lender. The Register shall be available for inspection by the Borrower, any Agent and any Lender with respect to such Lender's entry, at any reasonable time and from time to time upon reasonable prior notice.

(d) Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person, an Ineligible Assignee, a Defaulting Lender or Holdings, the Borrower or any of their respective Affiliates or Subsidiaries (other than Debt Fund Affiliates)) (each, a "***Participant***") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Term Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement; provided, further, that the Administrative Agent shall not have any obligation to determine whether any potential Participant is an Ineligible Assignee or any liability with respect to any participation sold to an Ineligible Assignee. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 that directly affects such Participant. Subject to Section 10.07(e), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and limitations therein, including the requirements under Section 3.01(g) (it being understood that the documentation required under Section 3.01(g) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.07(b). To the extent permitted by Law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender, provided that such Participant agrees to be subject to Section 2.13 as though it were a Lender.

(e) A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. A Participant shall not be entitled to the benefits of Section 3.01 and Section 3.04 unless such Participant agrees, for the benefit of the Borrower, to comply with obligations, restrictions and limitations under such Sections and Section 3.07 as though it were a Lender. Each Lender that sells a participation agrees to cooperate with the Borrower to effectuate the provisions of Section 3.07 with respect to any Participant.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank having jurisdiction over such Lender; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary contained herein, any Lender (a "***Granting Lender***") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "***SPC***") the option to provide all or any part of any Term Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any

SPC to fund any Term Loan and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Term Loan pursuant to the terms hereof or, if it fails to do so, to make such payment to the Administrative Agent as is required under Section 2.12(b)(i). Each party hereto hereby agrees that an SPC shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and the limitations of such Sections and the obligations to provide the forms and certifications pursuant to Section 3.01 as if it were a Lender); provided that neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 3.01, 3.04 or 3.05). Each party hereto further agrees that (i) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable and (ii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the lender of record hereunder. The making of a Term Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Term Loan were made by such Granting Lender. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not, other than in respect of matters unrelated to this Agreement or the transactions contemplated hereby, institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under the Laws of the United States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of $3,500, assign all or any portion of its rights hereunder with respect to any Term Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(h) Notwithstanding anything to the contrary contained herein, any Lender that is a Fund may create a security interest in all or any portion of the Term Loans owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; provided that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(i) Notwithstanding anything to the contrary contained herein, any Lender may assign all or any portion of its Term Loans hereunder to Holdings, the Borrower or any of its Restricted Subsidiaries or to any Debt Fund Affiliate or Non-Debt Fund Affiliate, but only if:

(i) such assignment is made pursuant to an open market purchase;

(ii) no Event of Default has occurred or is continuing or could result therefrom;

(iii) the assigning Lender and Affiliated Lender purchasing such Lender's Loans, as applicable, shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit E-2 hereto (an "***Affiliated Lender Assignment and Assumption***") in lieu of an Assignment and Assumption;

(iv) after giving effect to such assignment, Non-Debt Fund Affiliates shall not, in the aggregate, (I) own or hold Term Loans with an aggregate principal amount in excess of 25% of the principal amount of all Term Loans then outstanding or (II) account for more than 49% of the Lenders at any time;

(v) Holdings, the Borrower and their Restricted Subsidiaries may not use the proceeds of any Revolving Loans (as defined in the First Lien Credit Agreement) to acquire any Term Loans pursuant to this Section 10.07(i);

(vi) in the case of any such assignment to a Non-Debt Fund Affiliate, such Non-Debt Fund Affiliate shall be subject to the restrictions specified in clause (A) of the third to last paragraph of Section 10.01; and

(vii) any such Term Loans assigned to Holdings, the Borrower or any Restricted Subsidiary will be automatically and permanently cancelled at the time of such assignment.

(j) Notwithstanding anything to the contrary contained herein, any Lender may assign all or any portion of its Term Loans hereunder to any Debt Fund Affiliate, but only if:

(i) such assignment is made pursuant to an open market purchase; and

(ii) such Debt Fund Affiliate shall at all times after such assignment be subject to the restrictions specified in clause (B) of the third to last paragraph of Section 10.01.

(k) [Reserved].

(l) Each Lender that sells a participation or grants any rights to an SPC, acting solely for this purpose as a non-fiduciary agent of the Borrower (solely for tax purposes), shall maintain a register on which it enters the name and address of (i) each SPC (other than any SPC that is treated as a disregarded entity of the Granting Lender for U.S. federal income tax purposes) that has exercised its option pursuant to Section 10.07(g) and (ii) each Participant, and the principal amounts (and stated interest) of each such SPC's and Participant's interest in such Lender's rights and/or obligations under this Agreement (the "***Participant Register***"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or SPC or any information relating to a Participant's or SPC's interest in such Lender's rights and/or obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such rights and/or obligations are in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of the applicable participation or SPC interest.

10.08 Confidentiality. Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information, except that Information may be disclosed (a) to its Affiliates, to its and its Affiliates' directors, officers, employees and agents, including accountants, auditors, legal counsel and other advisors on a "need to know" basis solely in connection with the transactions contemplated hereby and to the Persons approving or administering a Term Loan on behalf of an Agent or a Lender (it being understood that all Persons pursuant to clause (a) to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential in accordance with customary practices, and the applicable Agent and Lender shall be responsible for such Person's

compliance with this paragraph); (b) to the extent requested or required by any regulatory authority having or purporting to have jurisdiction over such Agent, Lender or its respective Affiliates or in connection with any pledge or assignment permitted under Section 10.07(f) (in which case, except with respect to any audit or examination conducted by bank accountants or any governmental bank regulatory authority exercising examination or regulatory authority, such Agent or Lender shall notify the Borrower, in advance, to the extent permitted by Law and, to the extent it may legally and practically do so, allow the Borrower a reasonable opportunity to object to such disclosure in such proceeding or process); (c) in any legal, judicial or administrative proceeding or other compulsory process or otherwise as required by applicable Laws or regulations or by any subpoena or similar legal process (in which case, except with respect to any audit or examination conducted by bank accountants or any governmental bank regulatory authority exercising examination or regulatory authority, such Agent or Lender shall notify the Borrower, in advance, to the extent permitted by Law and, to the extent it may legally and practically do so, allow the Borrower a reasonable opportunity to object to such disclosure in such proceeding or process); (d) to any other party to this Agreement; (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (f) subject to an agreement containing provisions at least as restrictive as those of this Section 10.08 (or as may otherwise be reasonably acceptable to the Borrower), to any Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in, any of its rights or obligations under this Agreement or to any prospective counterparty to any Swap Contract; (g) with the consent of the Borrower; (h) to the extent such Information (A) becomes publicly available other than as a result of a breach of this Section 10.08 or (B) is independently developed by such Agent or Lender or any of their respective Affiliates; (i) to any state, federal or foreign authority or examiner (including the National Association of Insurance Commissioners or any other similar organization) regulating any Lender; or (j) to any rating agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to the Loan Parties received by it from such Lender). In addition, the Agents and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments and the Borrowings. For the purposes of this Section 10.08, "***Information***" means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof relating to any Loan Party or its business, other than any such information that is publicly available to any Agent or any Lender prior to disclosure by any Loan Party other than as a result of a breach of this Section 10.08; provided that, in the case of information received from a Loan Party after the Closing Date, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 10.08 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Agents and the Lenders acknowledges that (i) the Information may include material non-public information concerning the Borrower, Holdings or a Subsidiary of either, as the case may be, (ii) it has developed compliance procedures regarding the use of material non-public information, and (iii) it will handle such material non-public information in accordance with applicable Law, including United States federal and state securities Laws.

10.09 Setoff. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender and each of their respective Affiliates is authorized at any time and from time to time, without prior notice to the Borrower or any other Loan Party, any such notice being waived by the Borrower (on its own behalf and on behalf of each Loan Party) to the fullest extent permitted by Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time

owing by, such Lender, or such Affiliate to or for the credit or the account of the respective Loan Parties against any and all Obligations owing to such Lender or such Affiliate hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Lender, or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.16 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such set-off and application; provided, however, that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent and each Lender and their respective Affiliates under this Section 10.09 are in addition to other rights and remedies (including, without limitation, other rights of setoff) that the Administrative Agent and such Lender or their respective Affiliates may have. Notwithstanding anything herein or in any other Loan Document to the contrary, in no event shall the assets of any CFC constitute security, nor shall the proceeds of such assets be available for payment of the Obligations of the Borrower or any Domestic Subsidiary, it being understood that (a) the Equity Interests of any CFC that is directly owned by the Borrower or any other Domestic Subsidiary do not constitute such an asset (and may be pledged to the extent set forth in Section 6.12) and (b) the provisions hereof shall not limit, reduce or otherwise diminish in any respect the Borrower's obligations to make any mandatory prepayment pursuant to Section 2.05(b)(ii).

10.10 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "***Maximum Rate***"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Term Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

10.11 Counterparts. This Agreement and each other Loan Document may be executed in one or more counterparts (and by different parties hereto in different counterparts), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier or other electronic transmission of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by telecopier or other electronic transmission be confirmed by a manually-signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier or other electronic transmission.

10.12 Integration; Effectiveness. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof, other than those provisions of the Commitment Letter which by their terms remain in full force and effect to the extent not covered by this Agreement. Subject to Section 10.24, in the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control;

provided that the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof.

10.13 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Borrowing, and shall continue in full force and effect as long as any Term Loan or any other Obligation hereunder shall remain unpaid or unsatisfied.

10.14 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.14, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, then such provisions shall be deemed to be in effect only to the extent not so limited.

10.15 Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT (EXCEPT AS OTHERWISE EXPRESSLY PROVIDED THEREIN) SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) SUBMISSION TO JURISDICTION. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN, IN THE CITY OF NEW YORK AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT OR ANY LENDER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST THE BORROWER OR ANY OTHER LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

10.16 WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 10.16 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

10.17 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower, the Administrative Agent and the Collateral Agent and the Administrative Agent shall have been notified by each Lender that each such Lender has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, each Agent and each Lender and their respective successors and assigns, except that the Borrower shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders except as permitted by Section 7.04.

10.18 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Borrower and Holdings acknowledges and agrees, and acknowledges and agrees that it has informed its other Affiliates, that: (i) (A) no fiduciary, advisory or agency relationship between any of the Borrower, Holdings and their respective Subsidiaries and any Agent, any Arranger, any Lender or any of their respective Affiliates is intended to be or has been created in respect of any of the transactions contemplated hereby and by the other Loan Documents (except those relationships expressly set forth herein and in the other Loan Documents), irrespective of whether any Agent, any Arranger, any Lender or any of their respective Affiliates has advised or is advising any of the Borrower, Holdings and their respective Subsidiaries on other matters, (B) the arranging and other services regarding this Agreement provided by the Agents, the Arrangers, the Lenders and their respective Affiliates are arm's-length commercial transactions between the Borrower, Holdings and their respective Subsidiaries, on the one hand, and the Agents, the Arrangers, the Lenders or any of their respective Affiliates, on the other hand, (C) each of the Borrower and Holdings has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (D) each of the Borrower and

Holdings is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each of the Agents, the Arrangers, the Lenders and their respective Affiliates is and has been acting solely as a principal and, except as may otherwise be expressly agreed in writing by the relevant parties, has not been, is not and will not be acting as an advisor, agent or fiduciary for the Borrower, Holdings or any of their respective Affiliates, or any other Person and (B) none of the Agents, the Arrangers, the Lenders or any of their respective Affiliates has any obligation to the Borrower, Holdings or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agents, the Arrangers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, Holdings and their respective Affiliates, and none of the Agents, the Arrangers, the Lenders or any of their respective Affiliates has any obligation to disclose any of such interests and transactions to the Borrower, Holdings or any of their respective Affiliates. To the fullest extent permitted by Law, each of the Borrower and Holdings hereby waives and releases any claims that it may have against the Agents, the Arrangers, the Lenders and their respective Affiliates with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

10.19 Affiliate Activities. Each of the Borrower and Holdings acknowledges that each Agent and each Arranger (and their respective Affiliates) is a full service securities firm engaged, either directly or through affiliates, in various activities, including securities trading, investment banking and financial advisory, investment management, principal investment, hedging, financing and brokerage activities and financial planning and benefits counseling for both companies and individuals. In the ordinary course of these activities, it may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and/or financial instruments (including bank loans) for its own account and for the accounts of its customers and may at any time hold long and short positions in such securities and/or instruments. Such investment and other activities may involve securities and instruments of the Borrower, Holdings and their respective Affiliates, as well as of other entities and Persons and their Affiliates which may (i) be involved in transactions arising from or relating to the engagement contemplated hereby and by the other Loan Documents, (ii) be customers or competitors of the Borrower, Holdings and their respective Affiliates, or (iii) have other relationships with the Borrower, Holdings and their respective Affiliates. In addition, it may provide investment banking, underwriting and financial advisory services to such other entities and Persons. It may also co-invest with, make direct investments in, and invest or co-invest client monies in or with funds or other investment vehicles managed by other parties, and such funds or other investment vehicles may trade or make investments in securities of the Borrower, Holdings and their respective Affiliates or such other entities. The transactions contemplated hereby and by the other Loan Documents may have a direct or indirect impact on the investments, securities or instruments referred to in this paragraph.

10.20 Electronic Execution of Assignments and Certain Other Documents. The words “execution,” “signed,” “signature” and words of like import in any Assignment and Assumption, Affiliated Lender Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar state Laws based on the Uniform Electronic Transactions Act.

10.21 USA PATRIOT ACT; "Know Your Customer" Checks.

(a) Each Lender that is subject to the PATRIOT Act (as hereinafter defined) or other applicable "know your customer" and anti-money laundering rules and regulations and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "***PATRIOT Act***") or other applicable "know your customer" and anti-money laundering rules and regulations, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the PATRIOT Act. The Borrower shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the PATRIOT Act.

(b) If in connection with (i) the introduction of any Law or any Change in Law, (ii) any change in the status of a Loan Party after the Closing Date, (iii) the addition of any Guarantor pursuant to Section 6.12, (iv) any proposed assignment or transfer by a Lender of any of its rights and obligations under this Agreement to a party that was not previously a Lender hereunder, or (v) the appointment of the Administrative Agent, any Lender (or, in the case of the event described in clause (iv) above, any prospective Lender) requires additional information in order to comply with "know your customer" or similar identification procedures, each of Holdings and the Borrower shall, and shall cause each other Loan Party and Restricted Subsidiary to, promptly upon the request of the Administrative Agent or such Lender, provide such documentation and other evidence as is reasonably requested by the Administrative Agent (for itself or on behalf of any Lender) or such Lender (for itself or, in the case of the event described in clause (iv) above, on behalf of any prospective Lender), in order for the Administrative Agent or such Lender or such prospective Lender to carry out and be satisfied it has complied with all necessary "know your customer" or other similar checks under all applicable Laws and regulations pursuant to the transactions contemplated in the Loan Documents.

10.22 Judgment Currency.

(a) The Loan Parties' obligations hereunder and under the other Loan Documents to make payments in Dollars shall not be discharged or satisfied by any tender or recovery pursuant to any judgment expressed in or converted into any currency other than Dollars, except to the extent that such tender or recovery results in the effective receipt by the Administrative Agent or the respective Lender of the full amount of Dollars expressed to be payable to the Administrative Agent or such Lender under this Agreement or the other Loan Documents. If, for the purpose of obtaining or enforcing judgment against any Loan Party in any court or in any jurisdiction, it becomes necessary to convert into or from any currency other than Dollars (such other currency being hereinafter referred to as the "***Judgment Currency***") an amount due in Dollars, the conversion shall be made at the rate of exchange (as quoted by the Administrative Agent or if the Administrative Agent does not quote a rate of exchange on such currency, by a known dealer in such currency designated by the Administrative Agent) determined as of the Business Day immediately preceding the day on which the judgment is given (such Business Day being hereinafter referred to as the "***Judgment Currency Conversion Date***").

(b) If there is a change in the rate of exchange prevailing between the Judgment Currency Conversion Date and the date of actual payment of the amount due, the Loan Parties shall pay, or cause to be paid, such additional amounts, if any (but in any event not a lesser amount) as may be necessary to ensure that the amount paid in the Judgment Currency, when converted at the rate

of exchange prevailing on the date of payment, will produce the amount of Dollars which could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial award at the rate of exchange prevailing on the Judgment Currency Conversion Date.

(c) For purposes of determining any currency equivalent or rate of exchange for this Section 10.22, such amounts shall include any premium and costs payable in connection with the purchase of Dollars.

10.23 [Reserved].

10.24 Intercreditor Agreements. Each of the Lenders hereby agrees to be bound by the terms of the Closing Date Intercreditor Agreement and any other Intercreditor Agreement. Each Lender (and each Person that becomes a Lender under this Agreement) hereby authorizes and directs the Collateral Agent to enter into the Closing Date Intercreditor Agreement and any other Intercreditor Agreement on behalf of such Lender and agrees that the Collateral Agent may take such actions on its behalf as is contemplated by the terms of the Closing Date Intercreditor Agreement and any other Intercreditor Agreement. Under no circumstances shall any Lender be obligated to make any such Loan if, after giving effect to such Loan:

(i) the Aggregate Capital would exceed the Facility Limit at such time;

(ii) the sum of (A) the Capital of such Lender, plus (B) the aggregate outstanding Capital of each other Lender in its Group, would exceed the Group Commitment of such Lender's Group;

(iii) if such Lender is a Committed Lender, the aggregate outstanding Capital of such Committed Lender would exceed its Commitment; or

(iv) the Aggregate Capital would exceed the Borrowing Base at such time.

SECTION 2.02. Making Loans; Repayment of Loans.

(a) Each Loan hereunder shall be made on at least three (3) Business Days' prior written request from the Borrower to the Administrative Agent and each Group Agent in the form of a Loan Request attached hereto as Exhibit A. Each such request for a Loan shall be made no later than 2:00 p.m. (New York City time) on a Business Day (it being understood that any such request made after such time shall be deemed to have been made on the following Business Day) and shall specify (i) the amount of the Loan(s) requested (which shall not be less than $1,000,000 and shall be an integral multiple of $100,000), (ii) the allocation of such amount among the Groups (which shall be ratable based on the Group Commitments), (iii) the account to which the proceeds of such Loan shall be distributed and (iv) the date such requested Loan is to be made (which shall be a Business Day).

(b) On the date of each Loan specified in the applicable Loan Request, the Lenders shall, upon satisfaction of the applicable conditions set forth in Article V and pursuant to the other conditions set forth in this Article II, make available to the Borrower in same day funds an aggregate amount equal to the amount of such Loans requested, at the account set forth in the related Loan Request.

(c) Each Committed Lender's obligation shall be several, such that the failure of any Committed Lender to make available to the Borrower any funds in connection with any Loan shall not relieve any other Committed Lender of its obligation, if any, hereunder to make funds available on the date such Loans are requested (it being understood, that no Committed Lender shall be responsible for the failure of any other Committed Lender to make funds available to the Borrower in connection with any Loan hereunder).

(d) The Borrower shall repay in full the outstanding Capital of each Lender on the Final Maturity Date. Prior thereto, the Borrower shall, on each Settlement Date, make a prepayment of the outstanding Capital of the Lenders to the extent required under Section 3.01(a) and otherwise in accordance therewith. Notwithstanding the foregoing, the Borrower, in its sole discretion, shall have the right to make a prepayment, in whole or in part, of the outstanding Capital of the Lenders on any Business Day upon two (2) Business Days' prior written notice thereof to the Administrative Agent and each Group Agent in the form of a Reduction Notice attached hereto as Exhibit B; provided, however, that (i) each such prepayment shall be in a minimum aggregate amount of $500,000 and shall be an integral multiple of $100,000; provided, however that notwithstanding the foregoing, a prepayment may be in an amount necessary to reduce any Borrowing Base Deficit existing at such time to zero, and (ii) any accrued Interest and Fees in respect of such prepaid Capital shall be paid on the immediately following Settlement Date.

(e) The Borrower may, at any time upon at least ten (10) Business Days' prior written notice to the Administrative Agent and each Group Agent, terminate the Facility Limit in whole or ratably reduce the Facility Limit in part. Each partial reduction in the Facility Limit shall be in a minimum aggregate amount of $1,000,000 or integral multiples of $100,000 in excess thereof, and no such partial reduction shall reduce the Facility Limit to an amount less than $15,000,000. In connection with any partial reduction in the Facility Limit, the Commitment of each Committed Lender shall be ratably reduced.

(f) In connection with any reduction of the Commitments, the Borrower shall remit to the Administrative Agent (i) instructions regarding such reduction and (ii) for payment to the Lenders, cash in an amount sufficient to pay (A) Capital of Lenders in each Group in excess of the Group Commitment of such Group and (B) all other outstanding Borrower Obligations with respect to such reduction (determined based on the ratio of the reduction of the Commitments being effected to the amount of the Commitments prior to such reduction or, if the Administrative Agent reasonably determines that any portion of the outstanding Borrower Obligations is allocable solely to that portion of the Commitments being reduced or has arisen solely as a result of such reduction, all of such portion) including, without duplication, any associated Breakage Fees. Upon receipt of any such amounts, the Administrative Agent shall apply such amounts first to the reduction of the Aggregate Capital, and second to the payment of the remaining outstanding Borrower Obligations with respect to such reduction, including any Breakage Fees, by paying such amounts to the Lenders.

(g) Provided that no Event of Default or Unmatured Event of Default has occurred and is continuing, the Borrower may from time to time advise the Administrative Agent and each Group Agent in writing of its desire to extend the Scheduled Termination Date for an additional 364 day period, provided that such request is made not more than one hundred twenty (120) days prior to, and not less than sixty (60) days prior to, the then current Scheduled Termination Date (or such smaller number of days as may be approved by the Administrative Agent in its sole discretion). The Administrative Agent and each Committed Lender (or its Group Agent on its behalf) shall notify the Borrower and the Administrative Agent in writing whether or not such Person is agreeable to such extension (it being understood that the Administrative Agent and the Committed Lenders may accept or decline such a request in their sole discretion and on such terms as they may elect) not less than thirty (30) days (or at such smaller number of days as may be approved by the Administrative Agent in its sole discretion) prior to the then current Scheduled Termination Date; provided, however, that if the Administrative Agent or any Committed Lender fails to so notify the Borrower and the Administrative Agent, the Administrative Agent or such Committed Lender, as the case may be, shall be deemed to have declined such extension. In the event that the Administrative Agent and one or more Committed Lenders have so notified the Borrower and the Administrative Agent in writing that they are agreeable to such extension, the Borrower, the Servicer, the Administrative Agent, the applicable Group Agents and the applicable Committed Lenders shall enter into such documents as the Administrative Agent, the applicable Group Agents and the applicable Committed Lenders may deem necessary or appropriate to effect such extension, and all reasonable out-of-pocket costs and expenses incurred by the Administrative Agent, the applicable Group Agents and the applicable Committed Lenders in connection therewith (including Attorney Costs) shall be paid by the Borrower. In the event any Committed Lender declines such request to extend the Scheduled Termination Date or is deemed to have declined such extension, such Committed Lender's Group shall be an "Exiting Group" for all purposes of this Agreement.

SECTION 2.03. Interest and Fees.

(a) On each Settlement Date, the Borrower shall, in accordance with the terms and priorities for payment set forth in Section 3.01, pay to each Group Agent, each Lender and the Administrative Agent certain fees (collectively, the "Fees") in the amounts set forth in the fee letter agreements from time to time entered into, among the Borrower, the members of the applicable Group (or their Group Agent on their behalf) and/or the Administrative Agent (such fee letter agreements, each as amended, restated, supplemented or otherwise modified from time to time, collectively being referred to herein as the "Fee Letter").

(b) Each Loan of each Lender and the Capital thereof shall accrue interest on each day when such Capital remains outstanding at the then applicable Interest Rate for such Loan. The Borrower shall pay all Interest, Fees and Breakage Fees accrued during each Interest Period on each Settlement Date in accordance with the terms and priorities for payment set forth in Section 3.01.

SECTION 2.04. Records of Loans. Each Group Agent shall record in its records, the date and amount of each Loan made by the Lenders in its Group hereunder, the interest rate with respect thereto, the Interest accrued thereon and each repayment and payment thereof. Subject to Section 13.03(c), such records shall be conclusive and binding absent manifest error. The failure to so

record any such information or any error in so recording any such information shall not, however, limit or otherwise affect the obligations of the Borrower hereunder or under the other Transaction Documents to repay the Capital of each Lender, together with all Interest accruing thereon and all other Borrower Obligations.

ARTICLE III

(b) Capital and Liquidity Requirements. If any Affected Person determines that any Change in Law affecting such Affected Person or any lending office of such Affected Person or such Affected Person's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of (x) increasing the amount of capital required to be maintained by such Affected Person or Affected Person's holding company, if any, (y) reducing the rate of return on such Affected Person's capital or on the capital of such Affected Person's holding company, if any, or (z) causing an internal capital or liquidity charge or other imputed cost to be assessed upon such Affected Person or Affected Person's holding company, if any, in each case, as a consequence of (A) this Agreement or any other Transaction Document, (B) the commitments of such Affected Person hereunder or under any other Transaction Document or related Program Support Agreement, (C) the Loans made by such Affected Person or (D) any Capital, to a level below that which such Affected Person or such Affected Person's holding company could have achieved but for such Change in Law (taking into consideration such Affected Person's policies and the policies of such Affected Person's holding company with respect to capital adequacy and liquidity), then from time to time, upon request of such Affected Person (or its Group Agent), the Borrower shall pay to such Affected Person such additional amount or amounts as will compensate such Affected Person or such Affected Person's holding company for any such increase, reduction or charge.

(c) Adoption of Changes in Law. The Borrower acknowledges that any Affected Person may institute measures in anticipation of a Change in Law (including, without limitation, the imposition of internal charges on such Affected Person's interests or obligations under any Transaction Document or Program Support Agreement), and may commence allocating charges to or seeking compensation from the Borrower under this Section 4.01 in connection with such measures, in advance of the effective date of such Change in Law, and the Borrower agrees to pay such charges or compensation to such Affected Person, following demand therefor in accordance with the terms of this Section 4.01, without regard to whether such effective date has occurred.

(d) Certificates for Reimbursement. A certificate of an Affected Person (or its Group Agent on its behalf) setting forth the amount or amounts necessary to compensate such Affected Person or its holding company, as the case may be, as specified in clause (a), (b) or (c) of this Section and delivered to the Borrower, shall be conclusive absent manifest error. Any and all payments by or on account of any obligation of the Borrower under any Transaction Document shall be made without deduction or withholding for any Taxes, except as required by Applicable Law. If any Applicable Law (as determined in the good faith discretion of the Borrower, Servicer, Administrative Agent or Group Agent) requires the deduction or withholding of any Tax from any such payment to an Affected Person, then the Borrower, Servicer, Administrative Agent or Group Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with Applicable Law, and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section), the applicable Affected Person receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with Applicable Law, or, at the option of the Administrative Agent, timely reimburse the Administrative Agent (or, as applicable, the applicable Affected Person) for the payment of, any Other Taxes.

(c) Indemnification by the Borrower. The Borrower shall indemnify each Affected Person, within ten days after demand therefor, for the full amount of any (I) Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Affected Person or required to be withheld or deducted from a payment to such Affected Person and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority and (II) Taxes that arise because a Loan is not treated consistently with the Intended Tax Treatment, except as otherwise required by Applicable Law. A certificate as to the amount of such payment or liability delivered to the Borrower by an Affected Person (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of an Affected Person, shall be conclusive absent manifest error.

(d) Indemnification by the Lenders. Each Lender (other than the Conduit Lenders) shall severally indemnify the Administrative Agent, within ten days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender, its Related Conduit Lender or any of their respective Affiliates that are Affected Persons (but only to the extent that the Borrower

and its Affiliates have not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting any obligation of the Borrower, the Servicer or its Affiliates to do so), (ii) any Taxes attributable to the failure of such Lender, its Related Conduit Lender or any of their respective Affiliates that are Affected Persons to comply with Section 13.03(f) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, its Related Conduit Lender or any of their respective Affiliates that are Affected Persons, in each case, that are payable or paid by the Administrative Agent in connection with any Transaction Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender (or its Group Agent) by the Administrative Agent shall be conclusive absent manifest error. Each Lender (other than the Conduit Lenders) hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender, its Related Conduit Lender or any of their respective Affiliates that are Affected Persons under any Transaction Document or otherwise payable by the Administrative Agent to such Lender, its Related Conduit Lender or any of their respective Affiliates that are Affected Persons from any other source against any amount due to the Administrative Agent under this clause (d).

(e) Evidence of Payments. As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this Section 4.03, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Status of Lenders. (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Transaction Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 4.03(f)(ii)(A), 4.03(f)(ii)(B) and 4.03(g)) shall not be required if, in the Lender's reasonable judgment, such completion, execution or submission would subject such Affected Person to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing:

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or about the date on which such Lender becomes a Lender under this Agreement, and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent, executed originals of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Lender that is not a U.S. Person shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Lender becomes a Lender under this agreement, and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent, whichever of the following is applicable:

(1) in the case of such a Lender claiming the benefits of an income tax treaty to which the United States is a party, (x) with respect to payments of interest under any Transaction Document, executed originals of Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Transaction Document, Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed originals of Internal Revenue Service Form W-8ECI;

(3) in the case of such a Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate, in form and substance reasonably acceptable to the Borrower, to the effect that such Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed originals of Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E, as applicable; or

(4) to the extent such Lender is not the beneficial owner, executed originals of Internal Revenue Service Form W-8IMY, accompanied by Internal Revenue Service Form W-8ECI, Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate, Internal Revenue Service Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that,

if such Lender is a partnership and one or more direct or indirect partners of such Lender are claiming the portfolio interest exemption, such Lender may provide a U.S. Tax Compliance Certificate on behalf of each such direct and indirect partner; and

(C) any Lender that is not a U.S. Person shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Lender becomes a Lender under this agreement, and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent, executed originals of any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by Applicable Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

(g) Documentation Required by FATCA and other reporting regimes.

(i) Subject to Section 4.03(g)(iii) below, each Lender shall, within ten Business Days of a reasonable request by the Borrower: (a) confirm whether it is: (A) entitled to receive payments under the Transaction Documents free from any deduction or withholding required by FATCA (including any deduction or withholding resulting from the failure to comply with the applicable FATCA reporting requirements, including those contained in Section 1471(b) or 1472(b) of the Code) (a "FATCA Exempt Party"); or (B) not a FATCA Exempt Party; (b) supply to the Borrower such forms, documentation and other information relating to its status under FATCA as prescribed under Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) or reasonably requested by the Borrower for the purposes of complying with FATCA or determining the amount, if any, to deduct and withhold from a payment made under the Transaction Documents; and (c) supply such forms, documentation and other information relating to its status as reasonably requested for the purposes of the Borrower's compliance with any other law, regulation, or exchange of information regime relating to FATCA.

(ii) If a Lender confirms pursuant to Section 4.03(g)(i)(a) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, it shall promptly notify the Borrower.

(iii) If a Lender fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with Section 4.03(g)(i)(a) or (b) above, then it shall be treated for the purposes of the Transaction Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as it provides the requested confirmation, forms, documentation or other information.

(h) Treatment of Certain Refunds. If a Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by the Borrower pursuant to this Section (including by the payment of additional

amounts pursuant to this Section), it shall pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Borrower and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). The Borrower, upon the request of such Lender, shall repay the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that the Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the Lender be required to pay any amount to the Borrower pursuant to this paragraph (h) the payment of which would place the Lender in a less favorable net after-Tax position than the Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require the Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the Borrower or any other Person.

(i) Survival. Each party's obligations under this Section 4.03 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Credit Party or any other Affected Person, the termination of the Commitments and the repayment, satisfaction or discharge of all the Borrower Obligations and the Servicer's obligations hereunder.

(j) Updates. Each Affected Person agrees that if any form or certification it previously delivered pursuant to this Section 4.03 expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

SECTION 4.04. Inability to Determine Adjusted LIBOR; Change in Legality.

(a) If any Group Agent shall have determined (which determination shall be conclusive and binding upon the parties hereto absent manifest error) on any day, by reason of circumstances affecting the interbank Eurodollar market, either that: (i) dollar deposits in the relevant amounts and for the relevant Interest Period or day, as applicable, are not available, (ii) adequate and reasonable means do not exist for ascertaining Adjusted LIBOR for such Interest Period, or (iii) Adjusted LIBOR determined pursuant hereto does not accurately reflect the cost to the applicable Affected Person (as conclusively determined by such Group Agent) of maintaining any Portion of Capital during such Interest Period, such Group Agent shall promptly give telephonic notice of such determination, confirmed in writing, to the Borrower on such day. Upon delivery of such notice: (i) no Portion of Capital shall be funded thereafter at Adjusted LIBOR unless and until such Group Agent shall have given notice to the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist and (ii) with respect to any outstanding Portion of Capital then funded at Adjusted LIBOR, such Interest Rate shall automatically and immediately be converted to the Base Rate.

(b) If on any day any Group Agent shall have been notified by any Affected Person that such Affected Person has determined (which determination shall be final and conclusive absent manifest error) that any Change in Law, or compliance by such Affected Person

with any Change in Law, shall make it unlawful or impossible for such Affected Person to fund or maintain any Portion of Capital at or by reference to Adjusted LIBOR, such Group Agent shall notify the Borrower and the Administrative Agent thereof. Upon receipt of such notice, until the applicable Group Agent notifies the Borrower and the Administrative Agent that the circumstances giving rise to such determination no longer apply, (i) no Portion of Capital shall be funded at or by reference to Adjusted LIBOR and (ii) the Interest Rate for any outstanding portions of Capital then funded at Adjusted LIBOR shall automatically and immediately be converted to the Base Rate.

SECTION 4.05. Security Interest.

(a) As security for the performance by the Borrower of all the terms, covenants and agreements on the part of the Borrower to be performed under this Agreement or any other Transaction Document, including the punctual payment when due of the Aggregate Capital and all Interest in respect of the Loans and all other Borrower Obligations, the Borrower undertakes to grant and hereby grants to the Administrative Agent for its benefit and the ratable benefit of the Secured Parties, a continuing security interest in, all of the Borrower's right, title and interest in, to and under all of the following, whether now or hereafter owned, existing or arising (collectively, the "Collateral"): (i) all Pool Receivables, (ii) all Related Security with respect to such Pool Receivables, (iii) all Collections with respect to such Pool Receivables, (iv) the Lock-Boxes and Collection Accounts and all amounts on deposit therein, and all certificates and instruments, if any, from time to time evidencing such Lock-Boxes and Collection Accounts and amounts on deposit therein, (v) all rights (but none of the obligations) of the Borrower under the Purchase and Contribution Agreement, (vi) all goods (including inventory, equipment and any accessions thereto), instruments (including promissory notes), documents, accounts, chattel paper (whether tangible or electronic), deposit accounts, securities accounts, securities entitlements, letter-of-credit rights, commercial tort claims, securities and all other investment property, supporting obligations, money, any other contract rights or rights to the payment of money, insurance claims and proceeds, and all general intangibles (including all payment intangibles) (each as defined in the UCC), (vii) all other personal and fixture property or assets of the Borrower of every kind and nature and (viii) all proceeds of, and all amounts received or receivable under any or all of, the foregoing.

(b) The Administrative Agent (for the benefit of the Secured Parties) shall have, with respect to all the Collateral, and in addition to all the other rights and remedies available to the Administrative Agent (for the benefit of the Secured Parties), all the rights and remedies of a secured party under any applicable UCC and all other Applicable Law. The Borrower hereby authorizes the Administrative Agent to file financing statements and any other applicable filings in any applicable jurisdiction describing as the collateral covered thereby as "all of the debtor's personal property or assets" or words to that effect, notwithstanding that such wording may be broader in scope than the collateral described in this Agreement.

(c) Immediately upon the occurrence of the Final Payout Date, the Collateral shall be automatically released from the lien created hereby, and this Agreement and all obligations (other than those expressly stated to survive such termination) of the Administrative Agent, the Lenders and the other Credit Parties hereunder shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to

the Borrower; provided, however, that promptly following written request therefor by the Borrower delivered to the Administrative Agent following any such termination, and at the expense of the Borrower, the Administrative Agent shall execute and deliver to the Borrower UCC-3 termination statements and such other documents as the Borrower shall reasonably request to evidence such termination.

SECTION 4.06. Successor Adjusted LIBOR.

(a) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Transaction Document, upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, the Administrative Agent and the Borrower may amend this Agreement to replace Adjusted LIBOR with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. New York City time on the fifth (5th) Business Day after the Administrative Agent has provided such proposed amendment, which has been consented to by the Borrower, to all Lenders and the Borrower so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Majority Group Agents.

Any such amendment with respect to an Early Opt-in Election will become effective on the date that Majority Group Agents have delivered to the Administrative Agent written notice that the Majority Group Agents accept such amendment. No replacement of Adjusted LIBOR with a Benchmark Replacement pursuant to this Section 4.06 will occur prior to the applicable Benchmark Transition Start Date.

(b) Benchmark Replacement Conforming Changes. In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Transaction Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(c) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date and Benchmark Transition Start Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes and (iv) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or the Lenders pursuant to this Section 4.06 including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 4.06.

(d) Benchmark Unavailability Period. Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period (i) any pending selection of, conversion to or renewal of a Loan bearing interest by reference to Adjusted LIBOR that has not yet gone into

effect shall be deemed to be a selection of, conversion to or renewal of the Base Rate with respect to such Loan, and such Loan shall bear interest by reference to the Base Rate (rather than by reference to Adjusted LIBOR), and (ii) all outstanding Loans bearing interest by reference to Adjusted LIBOR shall automatically be converted to bear interest by reference to the Base Rate at the expiration of the existing Interest Period (or sooner, if Administrative Agent cannot continue to lawfully maintain such affected Loan bearing interest by reference to Adjusted LIBOR).

(n) Identifying of Records. The Borrower shall: (i) take all steps reasonably necessary to ensure that there shall be placed on each data processing report that it generates that is provided to a proposed purchaser or lender to evaluate the Receivables, a legend evidencing that the Pool Receivables have been transferred to the Borrower in accordance with the Purchase and Contribution Agreement and (ii) cause each Originator to do the same.

The Borrower will strictly observe limited liability company formalities in its dealings with the Servicer, the Parent, the Originators or any Affiliates thereof, and funds or other assets of the Borrower will not be commingled with those of the Servicer, the Parent, the Originators or any Affiliates thereof except as permitted by this Agreement in connection with servicing the Pool Receivables. The Borrower shall not maintain joint bank accounts or other depository accounts to which the Servicer, the Parent, the Originators or any Affiliate thereof (other than the Servicer solely in its capacity as such) has independent access. The Borrower is not named, and the Borrower has not entered into any agreement to be named, directly or indirectly, as a direct or contingent beneficiary or loss payee on any insurance policy with respect to any loss relating to the property of the Servicer, the Parent, the Originators or any Subsidiaries or other Affiliates thereof. The Borrower will pay to the appropriate Affiliate the marginal increase or, in the absence of such increase, the market amount of its portion of the premium payable with respect to any insurance policy that covers the Borrower and such Affiliate.

(o) Arm's-Length Relationships. The Borrower will maintain arm's-length relationships with each of the other Traeger Parties and any Affiliates thereof. Any Person that renders or otherwise furnishes services to the Borrower will be compensated by the Borrower at market rates for such services it renders or otherwise furnishes to the Borrower. Neither the Borrower on the one hand, nor any other Traeger Party or any Affiliate thereof, on the other hand, will be or will hold itself out to be responsible for the debts of the other or the decisions or actions respecting the daily business and affairs of the other. Each Traeger Party and their respective Affiliates will immediately correct any known misrepresentation with respect to the foregoing, and they will not operate or purport to operate as an integrated single economic unit with respect to each other or in their dealing with any other entity.

(p) Allocation of Overhead. To the extent that Borrower, on the one hand, and each of the other Traeger Parties or any Affiliate thereof, on the other hand, have offices in the same location, there shall be a fair and appropriate allocation of overhead costs between them, and the Borrower shall bear its fair share of such expenses, which may be paid through the Servicing Fee or otherwise.

ARTICLE VIII

ADMINISTRATION AND COLLECTION OF RECEIVABLES

SECTION 8.01. Appointment of the Servicer.

(a) The servicing, administering and collection of the Pool Receivables shall be conducted by the Person so designated from time to time as the Servicer in accordance with this Section 8.01. Until the Administrative Agent gives notice to Traeger (in accordance with this Section 8.01) of the designation of a new Servicer, Traeger is hereby designated as, and hereby agrees to perform the duties and obligations of, the Servicer pursuant to the terms hereof. Upon the occurrence of an Event of Default, the Administrative Agent may (with the consent of the Majority Group Agents) and shall (at the direction of the Majority Group Agents) designate as Servicer any Person (including itself) to succeed Traeger or any successor Servicer, on the condition in each case that any such Person so designated shall agree to perform the duties and obligations of the Servicer pursuant to the terms hereof.

(b) Upon the designation of a successor Servicer as set forth in clause (a) above, Traeger agrees that it will terminate its activities as Servicer hereunder in a manner that the Administrative Agent reasonably determines will facilitate the transition of the performance of such activities to the new Servicer, and Traeger shall cooperate with and assist such new Servicer. Such cooperation shall include access to and transfer of records (including all Contracts) related to Pool Receivables and use by the new Servicer of all licenses (or the obtaining of new licenses), hardware or software necessary or reasonably desirable to collect the Pool Receivables and the Related Security.

(c) Traeger acknowledges that, in making its decision to execute and deliver this Agreement, the Administrative Agent and each member in each Group have relied on Traeger's agreement to act as Servicer hereunder. Accordingly, Traeger agrees that it will not voluntarily resign as Servicer without the prior written consent of the Administrative Agent and the Majority Group Agents.

(d) The Servicer may delegate its duties and obligations hereunder to any subservicer (each a "Sub-Servicer"); provided, that, in each such delegation: (i) such Sub-Servicer shall agree in writing to perform the delegated duties and obligations of the Servicer pursuant to the terms hereof, (ii) the Servicer shall remain liable for the performance of the duties and obligations so delegated, (iii) the Borrower, the Administrative Agent, each Lender and each Group Agent shall have the right to look solely to the Servicer for performance, (iv) the terms of any agreement with any Sub-Servicer shall provide that the Administrative Agent may terminate such agreement upon the termination of the Servicer hereunder by giving notice of its desire to terminate such agreement to the Servicer (and the Servicer shall provide appropriate notice to each such Sub-Servicer) and (v) if such Sub-Servicer is not an Affiliate of the Parent, the Administrative Agent and the Majority Group Agents shall have consented in writing in advance to such delegation.

SECTION 8.02. Duties of the Servicer.

(a) The Servicer shall take or cause to be taken all such action as may be necessary or reasonably advisable to service, administer and collect each Pool Receivable from time to time, all in accordance with this Agreement and all Applicable Laws, with reasonable care and diligence, and in accordance with the Credit and Collection Policy and consistent with the past practices of the Originators. The Servicer shall set aside, for the accounts of each Group, the amount of Collections to which each such Group is entitled in accordance with Article III hereof. The Servicer may, in accordance with the Credit and Collection Policy and consistent with past practices of the Originators, take such action, including modifications, waivers or restructurings of Pool Receivables and related Contracts, as the Servicer may reasonably determine to be appropriate to maximize Collections thereof or reflect adjustments expressly permitted under the Credit and Collection Policy or as expressly required under Applicable Laws or the applicable Contract; provided, that for purposes of this Agreement: (i) such action shall not, and shall not be deemed to, change the number of days such Pool Receivable has remained unpaid from the original due date or invoice date of such Pool Receivable, (ii) such action shall not alter the status of such Pool Receivable as a Delinquent Receivable or a Defaulted Receivable or limit the rights of any Secured Party under this Agreement or any other Transaction Document and (iii) if an Event of Default has occurred and is continuing, the Servicer may take such action only upon the prior written consent of the Administrative Agent. The Borrower shall deliver to the Servicer and the Servicer shall hold for the benefit of the Administrative Agent (individually and for the benefit of each Group), in accordance with their respective interests, all records and documents (including computer tapes or disks) with respect to each Pool Receivable. Notwithstanding anything to the contrary contained herein, if an Event of Default has occurred and is continuing, the Administrative Agent may direct the Servicer to commence or settle any legal action to enforce collection of any Pool Receivable that is a Defaulted Receivable or to foreclose upon or repossess any Related Security with respect to any such Defaulted Receivable.

(b) The Servicer shall, as soon as practicable following actual receipt of collected funds, turn over to the Borrower the collections of any indebtedness that is not a Pool Receivable, less, if Traeger or an Affiliate thereof is not the Servicer, all reasonable and appropriate out-of-pocket costs and expenses of such Servicer of servicing, collecting and administering such collections. The Servicer, if other than Traeger or an Affiliate thereof, shall, as soon as practicable upon demand, deliver to the Borrower all records in its possession that evidence or relate to any indebtedness that is not a Pool Receivable, and copies of records in its possession that evidence or relate to any indebtedness that is a Pool Receivable.

(c) The Servicer's obligations hereunder shall terminate on the Final Payout Date. Promptly following the Final Payout Date, the Servicer shall deliver to the Borrower all books, records and related materials that the Borrower previously provided to the Servicer, or that have been obtained by the Servicer, in connection with this Agreement.

SECTION 8.03. Collection Account. Prior to the Closing Date, the Borrower shall have entered into Collection Account Control Agreements with all of the Collection Account Banks and delivered executed counterparts of each to the Administrative Agent. Upon the occurrence and during the continuance of an Event of Default or a Liquidity Shortfall, the Administrative Agent may (with the consent of the Majority Group Agents) and shall (upon the direction of the Majority Group Agents) at any time thereafter give notice to each Collection Account Bank that the Administrative Agent is exercising its rights under the Collection Account Control Agreements to

do any or all of the following: (a) to have the exclusive dominion and control of the Collection Accounts transferred to the Administrative Agent (for the benefit of the Secured Parties) and to exercise exclusive dominion and control over the funds deposited therein (for the benefit of the Secured Parties), (b) to have the proceeds that are sent to the respective Collection Accounts redirected pursuant to the Administrative Agent's instructions rather than deposited in the applicable Collection Account and (c) to take any or all other actions permitted under the applicable Collection Account Control Agreement. The Borrower and the Servicer hereby agrees that if the Administrative Agent at any time takes any action set forth in the preceding sentence, the Administrative Agent shall have exclusive control (for the benefit of the Secured Parties) of the proceeds (including Collections) of all Pool Receivables and the Borrower and the Servicer hereby further agrees to take any other action and to cause each Originator to take any other action, in each case, that the Administrative Agent may reasonably request to transfer such control. Any proceeds of Pool Receivables received by the Borrower or the Servicer thereafter shall be sent immediately to, or as otherwise instructed by, the Administrative Agent.

SECTION 8.04. Enforcement Rights.

(a) At any time following the occurrence and during the continuation of an Event of Default:

(i) the Administrative Agent (at the Borrower's expense) may direct the Obligors that payment of all amounts payable under any Pool Receivable is to be made directly to the Administrative Agent or its designee;

(ii) the Administrative Agent may instruct the Borrower or the Servicer to give notice of the Secured Parties' interest in Pool Receivables to each Obligor, which notice shall direct that payments be made directly to the Administrative Agent or its designee (on behalf of the Secured Parties), and the Borrower or the Servicer, as the case may be, shall give such notice at the expense of the Borrower or the Servicer, as the case may be; provided, that if the Borrower or the Servicer, as the case may be, fails to so notify each Obligor within two (2) Business Days following instruction by the Administrative Agent, the Administrative Agent (at the Borrower's or the Servicer's, as the case may be, expense) may so notify the Obligors;

(iii) the Administrative Agent may request the Servicer to, and upon such request the Servicer shall: (A) assemble all of the records necessary or desirable to collect the Pool Receivables and the Related Security, and transfer or license to a successor Servicer the use of all software necessary or desirable to collect the Pool Receivables and the Related Security, and make the same available to the Administrative Agent or its designee (for the benefit of the Secured Parties) at a place selected by the Administrative Agent and (B) segregate all cash, checks and other instruments received by it from time to time constituting Collections in a manner reasonably acceptable to the Administrative Agent and, promptly upon receipt, remit all such cash, checks and instruments, duly endorsed or with duly executed instruments of transfer, to the Administrative Agent or its designee;

(iv) notify the Collection Account Banks that no Traeger Party will any longer have any access to the Collection Accounts;

(v) the Administrative Agent may (or, at the direction of the Majority Group Agents shall) replace the Person then acting as Servicer; and

(vi) the Administrative Agent may collect any amounts due from an Originator under the Purchase and Contribution Agreement or the Performance Guarantor under the Performance Guaranty.

For the avoidance of doubt, the foregoing rights and remedies of the Administrative Agent upon an Event of Default are in addition to and not exclusive of the rights and remedies contained herein and under the other Transaction Documents.

(b) The Borrower hereby authorizes the Administrative Agent (on behalf of the Secured Parties), and irrevocably appoints the Administrative Agent as its attorney-in-fact with full power of substitution and with full authority in the place and stead of the Borrower, which appointment is coupled with an interest, to take any and all steps in the name of the Borrower and on behalf of the Borrower necessary or desirable, in the reasonable determination of the Administrative Agent, after the occurrence and during the continuation of an Event of Default, to collect any and all amounts or portions thereof due under any and all Collateral, including endorsing the name of the Borrower on checks and other instruments representing Collections and enforcing such Collateral. Notwithstanding anything to the contrary contained in this subsection, none of the powers conferred upon such attorney-in-fact pursuant to the preceding sentence shall subject such attorney-in-fact to any liability if any action taken by it shall prove to be inadequate or invalid, nor shall they confer any obligations upon such attorney-in-fact in any manner whatsoever.

(c) The Servicer hereby authorizes the Administrative Agent (on behalf of the Secured Parties), and irrevocably appoints the Administrative Agent as its attorney-in-fact with full power of substitution and with full authority in the place and stead of the Servicer, which appointment is coupled with an interest, to take any and all steps in the name of the Servicer and on behalf of the Servicer necessary or desirable, in the reasonable determination of the Administrative Agent, after the occurrence and during the continuation of an Event of Default, to collect any and all amounts or portions thereof due under any and all Collateral, including endorsing the name of the Servicer on checks and other instruments representing Collections and enforcing such Collateral. Notwithstanding anything to the contrary contained in this subsection, none of the powers conferred upon such attorney-in-fact pursuant to the preceding sentence shall subject such attorney-in-fact to any liability if any action taken by it shall prove to be inadequate or invalid, nor shall they confer any obligations upon such attorney-in-fact in any manner whatsoever.

SECTION 8.05. Responsibilities of the Borrower.

(a) Anything herein to the contrary notwithstanding, the Borrower shall: (i) perform all of its obligations, if any, under the Contracts related to the Pool Receivables to the same extent as if interests in such Pool Receivables had not been transferred hereunder, and the

exercise by the Administrative Agent, or any other Credit Party of their respective rights hereunder shall not relieve the Borrower from such obligations and (ii) pay when due any Taxes, including any sales taxes, payable in connection with the Pool Receivables and their creation and satisfaction. None of the Credit Parties shall have any obligation or liability with respect to any Collateral, nor shall any of them be obligated to perform any of the obligations of the Borrower, the Servicer or any Originator thereunder.

(b) Traeger hereby irrevocably agrees that if at any time it shall cease to be the Servicer hereunder, it shall act (if the then-current Servicer so requests) as the data-processing agent of the Servicer and, in such capacity, Traeger shall conduct the data-processing functions of the administration of the Receivables and the Collections thereon in substantially the same way that Traeger conducted such data-processing functions while it acted as the Servicer. In connection with any such processing functions, the Borrower shall pay to Traeger its reasonable out-of-pocket costs and expenses from the Borrower's own funds (subject to the priority of payments set forth in Section 3.01).

SECTION 8.06. Servicing Fee.

(a) Subject to clause (b) below, the Borrower shall pay the Servicer a fee (the "Servicing Fee") equal to 1.00% per annum (the "Servicing Fee Rate") of the average of the aggregate Unpaid Balance of the Pool Receivables on the first day of the Settlement Period and the last day of the Settlement Period. Accrued Servicing Fees shall be payable from Collections to the extent of available funds in accordance with Section 3.01(a).

(b) If the Servicer ceases to be Traeger or an Affiliate thereof, the Servicing Fee shall be the greater of: (i) the amount calculated pursuant to clause (a) above and (ii) an alternative amount specified by the successor Servicer not to exceed 110% of the aggregate reasonable costs and expenses incurred by such successor Servicer in connection with the performance of its obligations as Servicer hereunder.

SECTION 8.07. Excluded Obligors.

(a) So long as each of the Exclusion Conditions shall be satisfied, the Servicer may, from time to time, request that certain Obligors be designated as Excluded Obligors by delivering an Excluded Obligor Request to the Administrative Agent, which Excluded Obligor Request shall (i) list the names of such proposed Excluded Obligors; (ii) specify the proposed Excluded Obligor Date with respect to such proposed Excluded Obligors (which date shall be no less than ten (10) Business Days following the date of such Excluded Obligor Request) and (iii) include a pro forma Monthly Report reflecting the proposed exclusion of such Excluded Obligors and the aging balance for the Receivables of each proposed Excluded Obligors. For purposes of this Section 8.07, "Exclusion Conditions" means, as of any date of determination, the satisfaction of all of the following conditions on such date:

(i) no Event of Default or Unmatured Event of Default has occurred and is continuing, or would result from the proposed designation of such Obligors as Excluded Obligors;

(ii) after giving effect to such proposed designation of such Obligors as Excluded Obligors, no Borrowing Base Deficit exists or would exist;

(iii) the Termination Date has not occurred;

(iv) the designation of such Obligors as Excluded Obligors is necessary to permit Traeger's continuing compliance with Sections 7.02 and 7.05 of each of the First Lien Credit Agreement and the Second Lien Credit Agreement (the "Subject Credit Agreement Covenants");

(v) the selection of such proposed Excluded Obligors has been made in a manner that (x) is not adverse to the Borrower or the Secured Parties and (y) to the extent reasonably practicable, minimizes any resulting reduction in the Borrowing Base, in each case, as reasonably determined by the Administrative Agent; and

(vi) after giving effect to such proposed designation of such Obligors as Excluded Obligors, the pro forma Monthly Report prepared by the Servicer projects that the aggregate Unpaid Balance of Receivables in the Receivables Pool will not be less than $90,000,000.

(b) So long as (i) as of the applicable Excluded Obligor Date and after giving effect to such Obligor's designation as an Excluded Obligor, each of the Exclusion Conditions have been satisfied and (ii) the Administrative Agent has acknowledged in writing to such Obligor's designation as an Excluded Obligor, such acknowledgement not to be unreasonably withheld, then upon the countersignature by the Administrative Agent of such Excluded Obligor Request, such proposed Excluded Obligor shall constitute an Excluded Obligor as of the related Excluded Obligor Date and shall no longer constitute an Obligor for purposes of the Transaction Documents except with respect to Receivables originated prior to the Excluded Obligor Date.

(c) Each of the parties hereto hereby acknowledge and agree that no Receivable, the Obligor of which is an Excluded Obligor, that was originated prior to the related Excluded Obligor Date shall be transferred and assigned by the Borrower to the related Originator or any other Person and all such Receivables shall remain in the Receivables Pool; provided, that such Receivables shall cease to constitute Eligible Receivables. However, any Receivable, the Obligor of which is an Excluded Obligor, that was originated after the related Excluded Obligor Date shall not be part of the Receivables Pool hereunder.

(d) On and after the applicable Excluded Obligor Date with respect to any Excluded Obligor, the Servicer shall instruct such Excluded Obligor to cease making payments with respect to any Excluded Receivables to any Collection Account.

(e) Traeger covenants and agrees that it shall not amend the First Lien Credit Agreement in any manner that would reduce (directly or indirectly) the scope or amount of any exclusions from any negative covenants set forth in the Subject Credit Agreement Covenants or would be otherwise adverse to the Borrower's continuing compliance with the Subject Credit Agreement Covenants.

ARTICLE IX

ARTICLE X

THE ADMINISTRATIVE AGENT

SECTION 10.01. Authorization and Action. Each Credit Party hereby appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent by the terms hereof, together with such powers as are reasonably incidental thereto. The Administrative Agent shall not have any duties other than those expressly set forth in the Transaction Documents, and no implied obligations or liabilities shall be read into any Transaction Document, or otherwise exist, against the Administrative Agent. The Administrative Agent does not assume, nor shall it be deemed to have assumed, any obligation to, or relationship of trust or agency with, the Borrower or any Affiliate thereof or any Credit Party except for any obligations expressly set forth herein. Notwithstanding any provision of this Agreement or any other Transaction Document, in no event shall the Administrative Agent ever be required to take any action which exposes the Administrative Agent to personal liability or which is contrary to any provision of any Transaction Document or Applicable Law.

SECTION 10.02. Administrative Agent's Reliance, Etc. Neither the Administrative Agent nor any of its directors, officers, agents or employees shall be liable for any action taken or omitted to be taken by it or them as Administrative Agent under or in connection with this Agreement (including, without limitation, the Administrative Agent's servicing, administering or collecting Pool Receivables in the event it replaces the Servicer in such capacity pursuant to Section 8.01), in the absence of its or their own gross negligence or willful misconduct. Without limiting the generality of the foregoing, the Administrative Agent: (a) may consult with legal counsel (including counsel for any Credit Party or the Servicer), independent certified public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts; (b) makes no warranty or representation to any Credit Party (whether written or oral) and shall not be responsible to any Credit Party for any statements, warranties or representations (whether written or oral) made by any other party in or in connection with this Agreement; (c) shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement on the part of any Credit Party or to inspect the property (including the books and records) of any Credit Party; (d) shall not be responsible to any Credit Party for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other instrument or document furnished pursuant hereto; and (e) shall be entitled to rely, and shall be fully protected in so relying, upon any notice (including notice by telephone), consent, certificate or other instrument or writing (which may be by facsimile) believed by it to be genuine and signed or sent by the proper party or parties.

SECTION 10.03. Administrative Agent and Affiliates. With respect to any Credit Extension or interests therein owned by any Credit Party that is also the Administrative Agent, such Credit Party shall have the same rights and powers under this Agreement as any other Credit Party and may exercise the same as though it were not the Administrative Agent. The Administrative Agent and any of its Affiliates may generally engage in any kind of business with the Borrower or any Affiliate thereof and any Person who may do business with or own securities of the Borrower or any Affiliate thereof, all as if the Administrative Agent were not the Administrative Agent hereunder and without any duty to account therefor to any other Secured Party.

SECTION 10.04. Indemnification of Administrative Agent. Each Committed Lender agrees to indemnify the Administrative Agent (to the extent not reimbursed by the Borrower or any Affiliate thereof), ratably according to the respective Percentage of such Committed Lender, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Administrative Agent in any way relating to or arising out of this Agreement or any other Transaction Document or any action taken or omitted by the Administrative Agent under this Agreement or any other Transaction Document; provided that no Committed Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's gross negligence or willful misconduct.

SECTION 10.05. Delegation of Duties. The Administrative Agent may execute any of its duties through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

SECTION 10.06. Action or Inaction by Administrative Agent. The Administrative Agent shall in all cases be fully justified in failing or refusing to take action under any Transaction Document unless it shall first receive such advice or concurrence of the Group Agents or the Majority Group Agents, as the case may be, and assurance of its indemnification by the Committed Lenders, as it deems appropriate. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Transaction Document in accordance with a request or at the direction of the Group Agents or the Majority Group Agents, as the case may be, and such request or direction and any action taken or failure to act pursuant thereto shall be binding upon all Credit Parties. The Credit Parties and the Administrative Agent agree that unless any action to be taken by the Administrative Agent under a Transaction Document (i) specifically requires the advice or concurrence of all Group Agents or (ii) may be taken by the Administrative Agent alone or without any advice or concurrence of any Group Agent, then the Administrative Agent may take action based upon the advice or concurrence of the Majority Group Agents.

SECTION 10.07. Notice of Events of Default; Action by Administrative Agent. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Unmatured Event of Default or Event of Default unless the Administrative Agent has received notice from any Credit Party or the Borrower stating that an Unmatured Event of Default or Event of Default has occurred hereunder and describing such Unmatured Event of Default or Event of

Default. If the Administrative Agent receives such a notice, it shall promptly give notice thereof to each Group Agent, whereupon each Group Agent shall promptly give notice thereof to its respective Conduit Lender(s) and Related Committed Lender(s). The Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, concerning an Unmatured Event of Default or Event of Default or any other matter hereunder as the Administrative Agent deems advisable and in the best interests of the Secured Parties.

SECTION 10.08. Non-Reliance on Administrative Agent and Other Parties. Each Credit Party expressly acknowledges that neither the Administrative Agent nor any of its directors, officers, agents or employees has made any representations or warranties to it and that no act by the Administrative Agent hereafter taken, including any review of the affairs of the Borrower or any Affiliate thereof, shall be deemed to constitute any representation or warranty by the Administrative Agent. Each Credit Party represents and warrants to the Administrative Agent that, independently and without reliance upon the Administrative Agent or any other Credit Party and based on such documents and information as it has deemed appropriate, it has made and will continue to make its own appraisal of, and investigation into, the business, operations, property, prospects, financial and other conditions and creditworthiness of the Borrower, the Performance Guarantor, each Originator or the Servicer and the Pool Receivables and its own decision to enter into this Agreement and to take, or omit, action under any Transaction Document. Except for items expressly required to be delivered under any Transaction Document by the Administrative Agent to any Credit Party, the Administrative Agent shall not have any duty or responsibility to provide any Credit Party with any information concerning the Borrower, the Performance Guarantor, any Originator or the Servicer that comes into the possession of the Administrative Agent or any of its directors, officers, agents, employees, attorneys-in-fact or Affiliates.

SECTION 10.09. Successor Administrative Agent.

(a) The Administrative Agent may, upon at least thirty (30) days' notice to the Borrower, the Servicer and each Group Agent, resign as Administrative Agent. Except as provided below, such resignation shall not become effective until a successor Administrative Agent is appointed by the Majority Group Agents as a successor Administrative Agent and has accepted such appointment. If no successor Administrative Agent shall have been so appointed by the Majority Group Agents, within thirty (30) days after the departing Administrative Agent's giving of notice of resignation, the departing Administrative Agent may, on behalf of the Secured Parties, appoint a successor Administrative Agent as successor Administrative Agent. If no successor Administrative Agent shall have been so appointed by the Majority Group Agents within sixty (60) days after the departing Administrative Agent's giving of notice of resignation, the departing Administrative Agent may, on behalf of the Secured Parties, petition a court of competent jurisdiction to appoint a successor Administrative Agent.

(b) Upon such acceptance of its appointment as Administrative Agent hereunder by a successor Administrative Agent, such successor Administrative Agent shall succeed to and become vested with all the rights and duties of the resigning Administrative Agent, and the resigning Administrative Agent shall be discharged from its duties and obligations under the Transaction Documents. After any resigning Administrative Agent's resignation hereunder, the provisions of this Article X and Article XII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent.

ARTICLE XI

THE GROUP AGENTS

SECTION 11.01. Authorization and Action. Each Credit Party that belongs to a Group hereby appoints and authorizes the Group Agent for such Group to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to such Group Agent by the terms hereof, together with such powers as are reasonably incidental thereto. No Group Agent shall have any duties other than those expressly set forth in the Transaction Documents, and no implied obligations or liabilities shall be read into any Transaction Document, or otherwise exist, against any Group Agent. No Group Agent assumes, nor shall it be deemed to have assumed, any obligation to, or relationship of trust or agency with the Borrower or any Affiliate thereof, any Lender except for any obligations expressly set forth herein. Notwithstanding any provision of this Agreement or any other Transaction Document, in no event shall any Group Agent ever be required to take any action which exposes such Group Agent to personal liability or which is contrary to any provision of any Transaction Document or Applicable Law.

SECTION 11.02. Group Agent's Reliance, Etc. No Group Agent nor any of its directors, officers, agents or employees shall be liable for any action taken or omitted to be taken by it or them as a Group Agent under or in connection with this Agreement or any other Transaction Documents in the absence of its or their own gross negligence or willful misconduct. Without limiting the generality of the foregoing, a Group Agent: (a) may consult with legal counsel (including counsel for the Administrative Agent, the Borrower or the Servicer), independent certified public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts; (b) makes no warranty or representation to any Credit Party (whether written or oral) and shall not be responsible to any Credit Party for any statements, warranties or representations (whether written or oral) made by any other party in or in connection with this Agreement or any other Transaction Document; (c) shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement or any other Transaction Document on the part of the Borrower or any Affiliate thereof or any other Person or to inspect the property (including the books and records) of the Borrower or any Affiliate thereof; (d) shall not be responsible to any Credit Party for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Transaction Documents or any other instrument or document furnished pursuant hereto; and (e) shall be entitled to rely, and shall be fully protected in so relying, upon any notice (including notice by telephone), consent, certificate or other instrument or writing (which may be by facsimile) believed by it to be genuine and signed or sent by the proper party or parties.

SECTION 11.03. Group Agent and Affiliates. With respect to any Credit Extension or interests therein owned by any Credit Party that is also a Group Agent, such Credit Party shall have the same rights and powers under this Agreement as any other Lender and may exercise the same as though it were not a Group Agent. A Group Agent and any of its Affiliates may generally engage in any kind of business with the Borrower or any Affiliate thereof and any Person who may do business with or own securities of the Borrower or any Affiliate thereof or any of their respective Affiliates, all as if such Group Agent were not a Group Agent hereunder and without any duty to account therefor to any other Secured Party.

SECTION 11.04. Indemnification of Group Agents. Each Committed Lender in any Group agrees to indemnify the Group Agent for such Group (to the extent not reimbursed by the Borrower or any Affiliate thereof), ratably according to the proportion of the Percentage of such Committed Lender to the aggregate Percentages of all Committed Lenders in such Group, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against such Group Agent in any way relating to or arising out of this Agreement or any other Transaction Document or any action taken or omitted by such Group Agent under this Agreement or any other Transaction Document; provided that no Committed Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Group Agent's gross negligence or willful misconduct.

SECTION 11.05. Delegation of Duties. Each Group Agent may execute any of its duties through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. No Group Agent shall be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

SECTION 11.06. Notice of Events of Default. No Group Agent shall be deemed to have knowledge or notice of the occurrence of any Unmatured Event of Default or Event of Default unless such Group Agent has received notice from the Administrative Agent, any other Group Agent, any other Credit Party, the Servicer or the Borrower stating that an Unmatured Event of Default or Event of Default has occurred hereunder and describing such Unmatured Event of Default or Event of Default. If a Group Agent receives such a notice, it shall promptly give notice thereof to the Credit Parties in its Group and to the Administrative Agent (but only if such notice received by such Group Agent was not sent by the Administrative Agent). A Group Agent may take such action concerning an Unmatured Event of Default or Event of Default as may be directed by Committed Lenders in its Group representing a majority of the Commitments in such Group (subject to the other provisions of this Article XI), but until such Group Agent receives such directions, such Group Agent may (but shall not be obligated to) take such action, or refrain from taking such action, as such Group Agent deems advisable and in the best interests of the Conduit Lenders and Committed Lenders in its Group.

SECTION 11.07. Non-Reliance on Group Agent and Other Parties. Each Credit Party expressly acknowledges that neither the Group Agent for its Group nor any of such Group Agent's directors, officers, agents or employees has made any representations or warranties to it and that no act by such Group Agent hereafter taken, including any review of the affairs of the Borrower or any Affiliate thereof, shall be deemed to constitute any representation or warranty by such Group Agent. Each Credit Party represents and warrants to the Group Agent for its Group that, independently and without reliance upon such Group Agent, any other Group Agent, the Administrative Agent or any other Credit Party and based on such documents and information as it has deemed appropriate, it has made and will continue to make its own appraisal of, and investigation into, the business, operations, property, prospects, financial and other conditions and creditworthiness of the Borrower or any Affiliate thereof and the Receivables and its own decision to enter into this Agreement and to take, or omit, action under any Transaction Document. Except for items expressly required to be delivered under any Transaction Document by a Group Agent to any Credit Party in its Group, no Group Agent shall have any duty or responsibility to provide

any Credit Party in its Group with any information concerning the Borrower or any Affiliate thereof that comes into the possession of such Group Agent or any of its directors, officers, agents, employees, attorneys-in-fact or Affiliates.

SECTION 11.08. Successor Group Agent. Any Group Agent may, upon at least thirty (30) days' notice to the Administrative Agent, the Borrower, the Servicer and the Credit Parties in its Group, resign as Group Agent for its Group. Such resignation shall not become effective until a successor Group Agent is appointed by the Lender(s) in such Group. Upon such acceptance of its appointment as Group Agent for such Group hereunder by a successor Group Agent, such successor Group Agent shall succeed to and become vested with all the rights and duties of the resigning Group Agent, and the resigning Group Agent shall be discharged from its duties and obligations under the Transaction Documents. After any resigning Group Agent's resignation hereunder, the provisions of this Article XI and Article XII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was a Group Agent.

SECTION 11.09. Reliance on Group Agent. Unless otherwise advised in writing by a Group Agent or by any Credit Party in such Group Agent's Group, each party to this Agreement may assume that (i) such Group Agent is acting for the benefit and on behalf of each of the Credit Parties in its Group, as well as for the benefit of each assignee or other transferee from any such Person and (ii) each action taken by such Group Agent has been duly authorized and approved by all necessary action on the part of the Credit Parties in its Group.

ARTICLE XII

INDEMNIFICATION

SECTION 12.01. Indemnification by the Borrower.

(a) Without limiting any other rights that the Administrative Agent, the Credit Parties, the Affected Persons and their respective assigns, officers, directors, agents and employees (each, a "Borrower Indemnified Party") may have hereunder or under Applicable Law, the Borrower hereby agrees to indemnify each Borrower Indemnified Party from and against any and all claims, losses and liabilities (including Attorney Costs) (all of the foregoing being collectively referred to as "Borrower Indemnified Amounts") arising out of or resulting from this Agreement or any other Transaction Document or the use of proceeds of the Credit Extensions or the security interest in respect of any Pool Receivable or any other Collateral; excluding, however, (a) Borrower Indemnified Amounts to the extent a final non-appealable judgment of a court of competent jurisdiction holds that such Borrower Indemnified Amounts resulted solely from the gross negligence or willful misconduct by such Borrower Indemnified Party seeking indemnification and (b) Taxes that are covered by Section 4.03 (other than Taxes specifically enumerated below). Without limiting or being limited by the foregoing, the Borrower shall pay on demand (it being understood that if any portion of such payment obligation is made from Collections, such payment will be made at the time and in the order of priority set forth in Section 3.01), to the Borrower Indemnified Party any and all amounts necessary to indemnify the Borrower Indemnified Party from and against any and all Borrower Indemnified Amounts relating to or

resulting from any of the following (but excluding Borrower Indemnified Amounts and Taxes described in clauses (a) and (b) above):

(i) any Pool Receivable which the Borrower or the Servicer includes as an Eligible Receivable as part of the Net Receivable Pool Balance but which is not an Eligible Receivable at such time;

(ii) any representation, warranty or statement made or deemed made by the Borrower (or any of its respective officers) under or in connection with this Agreement or any of the other Transaction Documents (including in any report or certificate required to be delivered under any Transaction Document) shall have been untrue or incorrect when made or deemed made;

(iii) the failure by the Borrower to comply with any Applicable Law with respect to any Pool Receivable or the related Contract; or the failure of any Pool Receivable or the related Contract to conform to any such Applicable Law;

(iv) the failure to vest in the Administrative Agent a first priority perfected security interest in all or any portion of the Collateral, in each case free and clear of any Adverse Claim;

(v) the failure to have filed, or any delay in filing, financing statements, financing statement amendments, continuation statements or other similar instruments or documents under the UCC of any applicable jurisdiction or other Applicable Laws with respect to any Pool Receivable and the other Collateral and Collections in respect thereof, whether at the time of any Credit Extension or at any subsequent time;

(vi) any dispute, claim, offset or defense (other than discharge in bankruptcy) of an Obligor to the payment of any Pool Receivable (including, without limitation, a defense based on such Pool Receivable or the related Contract not being a legal, valid and binding obligation of such Obligor enforceable against it in accordance with its terms), or any other claim resulting from or relating to collection activities with respect to such Pool Receivable or the furnishing or failure to furnish any such goods or services or other similar claim or defense not arising from the financial inability of any Obligor to pay undisputed indebtedness;

(vii) any Taxes imposed upon the Borrower Indemnified Party relating to or with respect to any Pool Receivable or other Collateral, and any reasonable costs and expenses relating thereto or arising therefrom;

(viii) any failure of the Borrower to timely and fully comply with the Credit and Collection Policy in regard to each Pool Receivable;

(ix) any products liability, environmental or other claim arising out of or in connection with any Pool Receivable or other merchandise, goods or services which are the subject of or related to any Pool Receivable;

(x) the commingling of Collections of Pool Receivables at any time with other funds;

(xi) any investigation, litigation or proceeding (actual or threatened) related to this Agreement or any other Transaction Document or the use of proceeds of any Credit Extensions or in respect of any Pool Receivable or other Collateral or any related Contract;

(xii) any failure of the Borrower to comply with its covenants, obligations and agreements contained in this Agreement or any other Transaction Document;

(xiii) any setoff with respect to any Pool Receivable;

(xiv) any claim brought by any Person other than the Borrower Indemnified Party arising from any activity by the Borrower or any Affiliate of the Borrower in servicing, administering or collecting any Pool Receivable;

(xv) [Reserved]

(xvi) any failure of an Collection Account Bank to comply with the terms of the applicable Collection Account Control Agreement, the termination by a Collection Account Bank of any Collection Account Control Agreement or any amounts (including in respect of an indemnity) payable by the Administrative Agent to a Collection Account Bank under any Collection Account Control Agreement;

(xvii) [Reserved];

(xviii) any action taken by the Administrative Agent as attorney-in-fact for the Borrower, any Originator or the Servicer pursuant to this Agreement or any other Transaction Document;

(xix) the failure or delay to provide any Obligor with an invoice or other evidence of indebtedness;

(xx) any civil penalty or fine assessed by OFAC or any other Governmental Authority administering any Anti-Corruption Law or Sanctions, and all reasonable costs and expenses (including reasonable documented legal fees and disbursements) incurred in connection with defense thereof by, the Borrower Indemnified Party in connection with the Transaction Documents as a result of any action of any Traeger Party or any of their respective Affiliates;

(xxi) the use of proceeds of any Credit Extension; or

(xxii) any reduction in Capital as a result of the distribution of Collections if all or a portion of such distributions shall thereafter be rescinded or otherwise must be returned for any reason.

(b) Notwithstanding anything to the contrary in this Agreement, solely for purposes of the Borrower's indemnification obligations in clauses (ii), (iii), (viii) and (xii) of this Article XII, any representation, warranty or covenant qualified by the occurrence or non-occurrence of a Material Adverse Effect or similar concepts of materiality shall be deemed to be not so qualified.

(c) If for any reason the foregoing indemnification is unavailable to any Borrower Indemnified Party or insufficient to hold it harmless for any Borrower Indemnified Amount, then the Borrower shall contribute to such Borrower Indemnified Party the amount paid or payable by such Borrower Indemnified Party as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect the relative economic interests of the Borrower and its Affiliates on the one hand and such Borrower Indemnified Party on the other hand in the matters contemplated by this Agreement as well as the relative fault of the Borrower and its Affiliates and such Borrower Indemnified Party with respect to such loss, claim, damage or liability and any other relevant equitable considerations. The reimbursement, indemnity and contribution obligations of the Borrower under this Section shall be in addition to any liability which the Borrower may otherwise have, shall extend upon the same terms and conditions to each Borrower Indemnified Party, and shall be binding upon and inure to the benefit of any successors, assigns, heirs and personal representatives of the Borrower and the Borrower Indemnified Parties.

(d) Any indemnification or contribution under this Section shall survive the termination of this Agreement.

SECTION 12.02. Indemnification by the Servicer.

(a) The Servicer hereby agrees to indemnify and hold harmless the Borrower, the Administrative Agent, the Credit Parties, the Affected Persons and their respective assigns, officers, directors, agents and employees (each, a "Servicer Indemnified Party"), from and against any loss, liability, expense, damage or injury suffered or sustained by reason of any acts, omissions or alleged acts or omissions arising out of activities of the Servicer pursuant to this Agreement or any other Transaction Document, including any judgment, award, settlement, Attorney Costs and other costs or expenses incurred in connection with the defense of any actual or threatened action, proceeding or claim (all of the foregoing being collectively referred to as, "Servicer Indemnified Amounts"); excluding (i) Servicer Indemnified Amounts to the extent a final non-appealable judgment of a court of competent jurisdiction holds that such Servicer Indemnified Amounts resulted solely from the gross negligence or willful misconduct by such Servicer Indemnified Party seeking indemnification and (ii) Servicer Indemnified Amounts to the extent the same includes losses in respect of Pool Receivables that are uncollectible solely on account of the insolvency, bankruptcy, lack of creditworthiness or other financial inability to pay of the related Obligor. Without limiting or being limited by the foregoing, the Servicer shall pay on demand, to each Servicer Indemnified Party any and all amounts necessary to indemnify such Servicer Indemnified Party from and against any and all Servicer Indemnified Amounts relating to or resulting from any of the following (but excluding Servicer Indemnified Amounts described in clauses (i) and (ii) above):

(i) any Pool Receivable which the Servicer includes as an Eligible Receivable as part of the Net Receivable Pool Balance but which is not an Eligible Receivable at such time;

(ii) any representation, warranty or statement made or deemed made by the Servicer (or any of its respective officers) under or in connection with this Agreement or any of the other Transaction Documents (including in any report or certificate required to be delivered under any Transaction Document) shall have been untrue or incorrect when made or deemed made;

(iii) the failure by the Servicer to comply with any Applicable Law with respect to any Pool Receivable or the related Contract;

(iv) the failure by any Pool Receivable or the related Contract to conform to any Applicable Law;

(v) any civil penalty or fine assessed by OFAC or any other Governmental Authority administering any Anti-Corruption Law or Sanctions, and all reasonable costs and expenses (including reasonable documented legal fees and disbursements) incurred in connection with defense thereof by, any Servicer Indemnified Party in connection with the Transaction Documents as a result of any action of any Traeger Party or any of their respective Affiliates;

(vi) any failure of a Collection Account Bank to comply with the terms of the applicable Account Control Agreement, the termination by a Collection Account Bank of any Account Control Agreement or any amounts (including in respect of an indemnity) payable by the Administrative Agent to a Collection Account Bank under any Account Control Agreement;

(vii) any breach of the representations and warranties under Section 6.01(z) or the covenants under Section 7.01(bb);

(viii) any liability of the Borrower under Section 4.03; or

(ix) any failure of the Servicer to comply with its covenants, obligations and agreements contained in this Agreement or any other Transaction Document.

(b) If for any reason the foregoing indemnification is unavailable to any Servicer Indemnified Party or insufficient to hold it harmless, then the Servicer shall contribute to the amount paid or payable by such Servicer Indemnified Party as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect the relative economic interests of the Servicer and its Affiliates on the one hand and such Servicer Indemnified Party on the other hand in the matters contemplated by this Agreement as well as the relative fault of the Servicer and its Affiliates and such Servicer Indemnified Party with respect to such loss, claim, damage or liability and any other relevant equitable considerations. The reimbursement, indemnity and contribution obligations of the Servicer under this Section shall be in addition to any liability which the Servicer may otherwise have, shall extend upon the same terms and conditions to each Servicer Indemnified Party, and shall be binding upon and inure to the benefit of any successors, assigns, heirs and personal representatives of the Servicer and the Servicer Indemnified Parties.

(c) Any indemnification or contribution under this Section shall survive the termination of this Agreement.

ARTICLE XIII

MISCELLANEOUS

SECTION 13.01. Amendments, Etc.

(a) No failure on the part of any Credit Party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. No amendment or waiver of any provision of this Agreement or consent to any departure by any of the Borrower or any Affiliate thereof shall be effective unless in a writing signed by the Administrative Agent and the Majority Group Agents (and, in the case of any amendment, also signed by the Borrower), and then such amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that (A) no amendment, waiver or consent shall, unless in writing and signed by the Servicer, affect the rights or duties of the Servicer under this Agreement; (B) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent and each Group Agent:

(i) change (directly or indirectly) the definitions of, Borrowing Base Deficit, Borrowing Base Deficit, Defaulted Receivable, Delinquent Receivable, Eligible Receivable, Excluded Receivables, Facility Limit, Final Maturity Date, Net Receivable Pool Balance, Required Reserves or Stress Factor contained in this Agreement, or increase the then existing Specified Concentration Percentage for any Obligor or change the calculation of the Borrowing Base;

(ii) reduce the amount of Capital or Interest that is payable on account of any Loan or with respect to any other Credit Extension or delay any scheduled date for payment thereof;

(iii) change any Event of Default;

(iv) release all or a material portion of the Collateral from the Administrative Agent's security interest created hereunder;

(v) release the Performance Guarantor from any of its obligations under the Performance Guaranty or terminate the Performance Guaranty;

(vi) change any of the provisions of this Section 13.01 or the definition of "Majority Group Agents"; or

(vii) change the order of priority in which Collections are applied pursuant to Section 3.01.

Notwithstanding the foregoing, (A) no amendment, waiver or consent shall increase any Committed Lender's Commitment hereunder without the consent of such Committed Lender and (B) no amendment, waiver or consent shall reduce any Fees payable by the Borrower to any member of any Group or delay the dates on which any such Fees are payable, in either case, without the consent of the Group Agent for such Group.

SECTION 13.02. Notices, Etc. All notices and other communications hereunder shall, unless otherwise stated herein, be in writing (which shall include facsimile and email communication) and faxed, emailed or delivered, to each party hereto, at its address set forth under its name on Schedule III hereto or at such other address, facsimile number or email address as shall be designated by such party in a written notice to the other parties hereto. Notices and communications by facsimile or email shall be effective when sent receipt confirmed by electronic or other means (such as by the "return receipt requested" function, as available, return electronic mail or other acknowledgement), and notices and communications sent by other means shall be effective when received.

SECTION 13.03. Assignability.

(a) Assignment by Conduit Lenders. This Agreement and the rights of each Conduit Lender hereunder (including each Loan made by it hereunder) shall be assignable by such Conduit Lender and its successors and permitted assigns (i) to any Program Support Provider of such Conduit Lender without prior notice to or consent from the Borrower or any other party, or any other condition or restriction of any kind, (ii) to any other Lender with prior notice to the Borrower but without consent from the Borrower or (iii) with the prior written consent of the Borrower (such consent not to be unreasonably withheld, conditioned or delayed; provided, however, that such consent shall not be required if an Event of Default has occurred and is continuing), to any other Eligible Assignee. Each assignor of a Loan or any interest therein may, in connection with the assignment or participation, disclose to the assignee or Participant any information relating to the Borrower and its Affiliates, including the Receivables, furnished to such assignor by or on behalf of the Borrower and its Affiliates or by the Administrative Agent; provided that, prior to any such disclosure, the assignee or Participant agrees to preserve the confidentiality of any confidential information relating to the Borrower and its Affiliates received by it from any of the foregoing entities in a manner consistent with Section 13.06(b).

(b) Assignment by Committed Lenders. Each Committed Lender may assign to any Eligible Assignee or to any other Committed Lender all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitment and any Loan or interests therein owned by it); provided, however that

(i) except for an assignment by a Committed Lender to either an Affiliate of such Committed Lender or any other Committed Lender, each such assignment shall require the prior written consent of the Borrower (such consent not to be unreasonably withheld, conditioned or delayed; provided, however, that such consent shall not be required if an Event of Default has occurred and is continuing);

(ii) each such assignment shall be of a constant, and not a varying, percentage of all rights and obligations under this Agreement; and

(iii) the parties to each such assignment shall execute and deliver to the Administrative Agent, for its acceptance and recording in the Register, an Assignment and Acceptance Agreement.

Upon such execution, delivery, acceptance and recording from and after the effective date specified in such Assignment and Acceptance Agreement, (x) the assignee thereunder shall be a party to this Agreement, and to the extent that rights and obligations under this Agreement have been assigned to it pursuant to such Assignment and Acceptance Agreement, have the rights and obligations of a Committed Lender hereunder and (y) the assigning Committed Lender shall, to the extent that rights and obligations have been assigned by it pursuant to such Assignment and Acceptance Agreement, relinquish such rights and be released from such obligations under this Agreement (and, in the case of an Assignment and Acceptance Agreement covering all or the remaining portion of an assigning Committed Lender's rights and obligations under this Agreement, such Committed Lender shall cease to be a party hereto).

(c) Register. The Administrative Agent shall, acting solely for this purpose as an agent of the Borrower, maintain at its address referred to on Schedule III of this Agreement (or such other address of the Administrative Agent notified by the Administrative Agent to the other parties hereto) a copy of each Assignment and Acceptance Agreement delivered to and accepted by it and a register for the recordation of the names and addresses of the Committed Lenders and the Conduit Lenders, the Commitment of each Committed Lender and the aggregate outstanding Capital (and stated interest) of the Loans of each Conduit Lender and Committed Lender from time to time (the "Register"). The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrower, the Servicer, the Administrative Agent, the Group Agents, and the other Credit Parties shall treat each Person whose name is recorded in the Register pursuant to the terms of this Agreement as a Committed Lender or Conduit Lender, as the case may be, under this Agreement for all purposes of this Agreement. The Register shall be available for inspection by the Borrower, the Servicer, any Group Agent, any Conduit Lender or any Committed Lender at any reasonable time and from time to time upon reasonable prior notice.

(d) Procedure. Upon its receipt of an Assignment and Acceptance Agreement executed and delivered by an assigning Committed Lender and an Eligible Assignee or assignee Committed Lender, the Administrative Agent shall, if such Assignment and Acceptance Agreement has been duly completed, (i) accept such Assignment and Acceptance Agreement, (ii) record the information contained therein in the Register and (iii) give prompt notice thereof to the Borrower and the Servicer.

(e) Participations. Each Committed Lender may sell participations to one or more Eligible Assignees (each, a "Participant") in or to all or a portion of its rights and/or obligations under this Agreement (including, without limitation, all or a portion of its Commitment and the interests in the Loans owned by it); provided, however, that

(i) such Committed Lender's obligations under this Agreement (including, without limitation, its Commitment to the Borrower hereunder) shall remain unchanged, and

(ii) such Committed Lender shall remain solely responsible to the other parties to this Agreement for the performance of such obligations.

The Administrative Agent, the Group Agents, the Conduit Lenders, the other Committed Lenders, the Borrower and the Servicer shall have the right to continue to deal solely and directly with such Committed Lender in connection with such Committed Lender's rights and obligations under this Agreement. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 4.01 and 4.03 (subject to the requirements and limitations therein, including the requirements under Section 4.03(f) (it being understood that the documentation required under Section 4.03(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant shall not be entitled to receive any greater payment under Section 4.01 or 4.03, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation.

(f) Participant Register. Each Committed Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided that no Committed Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or its other obligations under any this Agreement) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Committed Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(g) Assignments by Agents. This Agreement and the rights and obligations of the Administrative Agent and each Group Agent herein shall be assignable by the Administrative Agent or such Group Agent, as the case may be, and its successors and assigns; provided that in the case of an assignment to a Person that is not an Affiliate of the Administrative Agent or such Group Agent, so long as no Event of Default or Unmatured Event of Default has occurred and is continuing, such assignment shall require the Borrower's consent (not to be unreasonably withheld, conditioned or delayed).

(h) Assignments by the Borrower or the Servicer. Neither the Borrower nor, except as provided in Section 8.01, the Servicer may assign any of its respective rights or obligations hereunder or any interest herein without the prior written consent of the Administrative Agent and each Group Agent (such consent to be provided or withheld in the sole discretion of such Person).

(i) Pledge to a Federal Reserve Bank. Notwithstanding anything to the contrary set forth herein, (i) any Lender, Program Support Provider or any of their respective Affiliates may at any time pledge or grant a security interest in all or any portion of its interest in, to and under this Agreement (including, without limitation, rights to payment of Capital and Interest) and any other Transaction Document to secure its obligations to a Federal Reserve Bank, without notice to or the consent of the Borrower, the Servicer, any Affiliate thereof or any Credit Party; provided, however, that that no such pledge shall relieve such assignor of its obligations under this Agreement.

(j) Pledge to a Security Trustee. Notwithstanding anything to the contrary set forth herein, (i) any Lender, Program Support Provider or any of their respective Affiliates may at any time pledge or grant a security interest in all or any portion of its interest in, to and under this Agreement (including, without limitation, rights to payment of Capital and Interest) and any other Transaction Document to a security trustee in connection with the funding by such Person of Loans, without notice to or the consent of the Borrower, the Servicer, any Affiliate thereof or any Credit Party; provided, however, that that no such pledge shall relieve such assignor of its obligations under this Agreement.

SECTION 13.04. Costs and Expenses. In addition to the rights of indemnification granted under Section 12.01 hereof, the Borrower agrees to pay on demand all reasonable out-of-pocket costs and expenses in connection with the preparation, negotiation, execution, delivery and administration of this Agreement, any Program Support Agreement (or any supplement or amendment thereof) related to this Agreement and the other Transaction Documents (together with all amendments, restatements, supplements, consents and waivers, if any, from time to time hereto and thereto), including, without limitation, (i) the reasonable Attorney Costs for the Administrative Agent and the other Credit Parties and any of their respective Affiliates with respect thereto and with respect to advising the Administrative Agent and the other Credit Parties and their respective Affiliates as to their rights and remedies under this Agreement and the other Transaction Documents and (ii) reasonable accountants', auditors' and consultants' fees and expenses for the Administrative Agent and the other Credit Parties and any of their respective Affiliates and the fees and charges of any nationally recognized statistical rating agency incurred in connection with the administration and maintenance of this Agreement or advising the Administrative Agent or any other Credit Party as to their rights and remedies under this Agreement or as to any actual or reasonably claimed breach of this Agreement or any other Transaction Document. In addition, the Borrower agrees to pay on demand all reasonable out-of-pocket costs and expenses (including reasonable Attorney Costs), of the Administrative Agent and the other Credit Parties and their respective Affiliates, incurred in connection with the enforcement of any of their respective rights or remedies under the provisions of this Agreement and the other Transaction Documents.

SECTION 13.05. No Proceedings; Limitation on Payments.

(a) Each of the parties hereto agrees, for the benefit of the holders of the privately or publicly placed indebtedness for borrowed money of each Conduit Lender, not, prior to the date which is two (2) years and one (1) day after the payment in full of all privately or publicly placed indebtedness for borrowed money of such Conduit Lender outstanding, to acquiesce, petition or otherwise, directly or indirectly, invoke, or cause such Conduit Lender to invoke, the process of any court or any other governmental authority for the purpose of (i)

commencing, or sustaining, a case against such Conduit Lender under any federal or state bankruptcy, insolvency or similar law (including the Bankruptcy Code), (ii) appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of such Conduit Lender, or any substantial part of its property, or (iii) ordering the winding up or liquidation of the affairs of such Conduit Lender.

(b) Each of the Servicer, each Group Agent, each Lender and each assignee of a Loan or any interest therein, hereby covenants and agrees that it will not institute against, or join any other Person in instituting against, the Borrower any insolvency proceeding until one year and one day after the Final Payout Date; provided, that the Administrative Agent may take any such action in its sole discretion following the occurrence of an Event of Default.

(c) Notwithstanding any provisions contained in this Agreement to the contrary, a Conduit Lender shall not, and shall be under no obligation to, pay any amount, if any, payable by it pursuant to this Agreement or any other Transaction Document unless (i) such Conduit Lender has received funds which may be used to make such payment and which funds are not required to repay such Conduit Lender's Notes when due and (ii) after giving effect to such payment, either (x) such Conduit Lender could issue Notes to refinance all of its outstanding Notes and Discretionary Advances (assuming such outstanding Notes and Discretionary Advances matured at such time) in accordance with the program documents governing such Conduit Lender's securitization program or (y) all of such Conduit Lender's Notes and Discretionary Advances are paid in full. Any amount which any Conduit Lender does not pay pursuant to the operation of the preceding sentence shall not constitute a claim (as defined in Section 101 of the Bankruptcy Code) against or company obligation of such Conduit Lender for any such insufficiency unless and until such Conduit Lender satisfies the provisions of clauses (i) and (ii) above. The provisions of this Section 13.05 shall survive any termination of this Agreement.

SECTION 13.06. Confidentiality.

(a) Each of the Borrower and the Servicer covenants and agrees to hold in confidence, and not disclose to any Person, the terms of this Agreement or the Fee Letter (including any fees payable in connection with this Agreement, the Fee Letter or any other Transaction Document or the identity of the Administrative Agent or any other Credit Party), except as the Administrative Agent and each Group Agent may have consented to in writing prior to any proposed disclosure; provided, however, that it may disclose such information (i) to its Advisors and Representatives, (ii) to the extent such information has become available to the public other than as a result of a disclosure by or through the Borrower, the Servicer or their Advisors and Representatives or (iii) to the extent it should be (A) required by Applicable Law, or in connection with any legal or regulatory proceeding or (B) requested by any Governmental Authority to disclose such information; provided, that, in the case of clause (iii) above, the Borrower and the Servicer will use reasonable efforts to maintain confidentiality and will (unless otherwise prohibited by Applicable Law) notify the Administrative Agent and the affected Credit Party of its intention to make any such disclosure prior to making such disclosure. Each of the Borrower and the Servicer agrees to be responsible for any breach of this Section by its Representatives and Advisors and agrees that its Representatives and Advisors will be advised by it of the confidential nature of such information and shall agree to comply with this Section. Notwithstanding the foregoing, it is expressly agreed that each of the Borrower, the Servicer and their respective

Affiliates may publish a press release or otherwise publicly announce the existence and principal amount of the Commitments under this Agreement and the transactions contemplated hereby; provided that the Administrative Agent shall be provided a reasonable opportunity to review such press release or other public announcement prior to its release and provide comment thereon; and provided, further, that no such press release shall name or otherwise identify the Administrative Agent, any other Credit Party or any of their respective Affiliates without such Person's prior written consent (such consent not to be unreasonably withheld, conditioned or delayed). Notwithstanding the foregoing, the Borrower consents to the publication by the Administrative Agent or any other Credit Party of a tombstone or similar advertising material relating to the financing transactions contemplated by this Agreement.

(b) Each of the Administrative Agent and each other Credit Party, severally and with respect to itself only, agrees to hold in confidence, and not disclose to any Person, any confidential and proprietary information concerning the Borrower, the Servicer and their respective Affiliates and their businesses or the terms of this Agreement (including any fees payable in connection with this Agreement or the other Transaction Documents), except as the Borrower or the Servicer may have consented to in writing prior to any proposed disclosure; provided, however, that it may disclose such information (i) to its Advisors and Representatives and to any related Program Support Provider, (ii) to its assignees and Participants and potential assignees and Participants and their respective counsel if they agree in writing to hold it confidential, (iii) to the extent such information has become available to the public other than as a result of a disclosure by or through it or its Representatives or Advisors or any related Program Support Provider, (iv) to any nationally recognized statistical rating organization in connection with obtaining or maintaining the rating of any Conduit Lender's Notes or as contemplated by 17 CFR 240.17g-5(a)(3), (v) at the request of a bank examiner or other regulatory authority or in connection with an examination of any of the Administrative Agent, any Group Agent or any Lender or their respective Affiliates or Program Support Providers or (vi) to the extent it should be (A) required by Applicable Law, or in connection with any legal or regulatory proceeding or (B) requested by any Governmental Authority to disclose such information; provided, that, in the case of clause (vi) above, the Administrative Agent, each Group Agent and each Lender will use reasonable efforts to maintain confidentiality and will (unless otherwise prohibited by Applicable Law) notify the Borrower and the Servicer of its making any such disclosure as promptly as reasonably practicable thereafter. Each of the Administrative Agent, each Group Agent and each Lender, severally and with respect to itself only, agrees to be responsible for any breach of this Section by its Representatives, Advisors and Program Support Providers and agrees that its Representatives, Advisors and Program Support Providers will be advised by it of the confidential nature of such information and shall agree to comply with this Section.

(c) As used in this Section, (i) "Advisors" means, with respect to any Person, such Person's accountants, attorneys and other confidential advisors and (ii) "Representatives" means, with respect to any Person, such Person's Affiliates, Subsidiaries, directors, managers, officers, employees, members, investors, financing sources, insurers, professional advisors, representatives and agents; *provided* that such Persons shall not be deemed to Representatives of a Person unless (and solely to the extent that) confidential information is furnished to such Person.

(d) Notwithstanding the foregoing, to the extent not inconsistent with applicable securities laws, each party hereto (and each of its employees, Representatives or other

agents) may disclose to any and all Persons, without limitation of any kind, the Tax treatment and tax structure (as defined in Section 1.6011-4 of the Treasury Regulations) of the transactions contemplated by the Transaction Documents and all materials of any kind (including opinions or other tax analyses) that are provided to such Person relating to such Tax treatment and Tax structure.

SECTION 13.07. GOVERNING LAW. THIS AGREEMENT, INCLUDING THE RIGHTS AND DUTIES OF THE PARTIES HERETO, SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK (INCLUDING SECTIONS 5-1401 AND 5-1402 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK, BUT WITHOUT REGARD TO ANY OTHER CONFLICTS OF LAW PROVISIONS THEREOF, EXCEPT TO THE EXTENT THAT THE PERFECTION, THE EFFECT OF PERFECTION OR PRIORITY OF THE INTERESTS OF ADMINISTRATIVE AGENT OR ANY LENDER IN THE COLLATERAL IS GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK).

SECTION 13.08. Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same agreement. Delivery of an executed signature page of this Agreement by facsimile transmission, emailed pdf. or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of an original executed counterpart hereof. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include an electronic sound, symbol, or process attached to, or associated with, a contract or other record and adopted by a Person with the intent to sign, authenticate or accept such contract or record, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 13.09. Integration; Binding Effect; Survival of Termination. This Agreement and the other Transaction Documents contain the final and complete integration of all prior expressions by the parties hereto with respect to the subject matter hereof and shall constitute the entire agreement among the parties hereto with respect to the subject matter hereof superseding all prior oral or written understandings. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. This Agreement shall create and constitute the continuing obligations of the parties hereto in accordance with its terms and shall remain in full force and effect until the Final Payout Date; provided, however, that the provisions of Sections 4.01, 4.02, 4.03, 10.04, 10.07, 11.04, 11.06, 12.01, 12.02, 13.04, 13.05, 13.06, 13.09, 13.11 and 13.13 shall survive any termination of this Agreement.

SECTION 13.10. CONSENT TO JURISDICTION. (a) EACH PARTY HERETO HEREBY IRREVOCABLY SUBMITS TO THE EXCLUSIVE JURISDICTION OF ANY NEW YORK STATE OR FEDERAL COURT SITTING IN NEW YORK CITY, NEW YORK IN ANY

ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENT, AND EACH PARTY HERETO HEREBY IRREVOCABLY AGREES THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING SHALL BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE EXTENT PERMITTED BY LAW, IN SUCH FEDERAL COURT. NOTHING IN THIS SECTION 13.10 SHALL AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT OR ANY OTHER CREDIT PARTY TO BRING ANY ACTION OR PROCEEDING AGAINST THE BORROWER OR THE SERVICER OR ANY OF THEIR RESPECTIVE PROPERTY IN THE COURTS OF OTHER JURISDICTIONS. EACH OF THE BORROWER AND THE SERVICER HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT IT MAY EFFECTIVELY DO SO, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING. THE PARTIES HERETO AGREE THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW.

(b) EACH OF THE BORROWER AND THE SERVICER CONSENTS TO THE SERVICE OF ANY AND ALL PROCESS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES OF SUCH PROCESS TO IT AT ITS ADDRESS SPECIFIED IN SECTION 13.02. NOTHING IN THIS SECTION 13.10 SHALL AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT OR ANY OTHER CREDIT PARTY TO SERVE LEGAL PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

SECTION 13.11. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, TRIAL BY JURY IN ANY JUDICIAL PROCEEDING INVOLVING, DIRECTLY OR INDIRECTLY, ANY MATTER (WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE) IN ANY WAY ARISING OUT OF, RELATED TO, OR CONNECTED WITH THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENT.

SECTION 13.12. Ratable Payments. If any Credit Party, whether by setoff or otherwise, has payment made to it with respect to any Borrower Obligations in a greater proportion than that received by any other Credit Party entitled to receive a ratable share of such Borrower Obligations, such Credit Party agrees, promptly upon demand, to purchase for cash without recourse or warranty a portion of such Borrower Obligations held by the other Credit Parties so that after such purchase each Credit Party will hold its ratable proportion of such Borrower Obligations; provided that if all or any portion of such excess amount is thereafter recovered from such Credit Party, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

SECTION 13.13. Limitation of Liability.

(a) No claim may be made by any Traeger Party against any Credit Party or their respective Affiliates, members, directors, officers, employees, incorporators, attorneys or agents for any special, indirect, consequential or punitive damages in respect of any claim for breach of contract or any other theory of liability arising out of or related to the transactions

contemplated by this Agreement or any other Transaction Document, or any act, omission or event occurring in connection herewith or therewith; and each of the Borrower and the Servicer hereby waives, releases, and agrees not to sue upon any claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favor. None of the Credit Parties and their respective Affiliates shall have any liability to the Borrower or any Affiliate thereof or any other Person asserting claims on behalf of or in right of the Borrower or any Affiliate thereof in connection with or as a result of this Agreement or any other Transaction Document or the transactions contemplated hereby or thereby, except to the extent that any losses, claims, damages, liabilities or expenses incurred by the Borrower or any Affiliate thereof result from the breach of contract, gross negligence or willful misconduct of such Credit Party in performing its duties and obligations hereunder and under the other Transaction Documents to which it is a party.

(b) The obligations of the Administrative Agent and each of the other Credit Parties under this Agreement and each of the Transaction Documents are solely the corporate obligations of such Person. No recourse shall be had for any obligation or claim arising out of or based upon this Agreement or any other Transaction Document against any member, director, officer, employee or incorporator of any such Person.

SECTION 13.14. Intent of the Parties. The Borrower has structured this Agreement with the intention that the Loans and the obligations of the Borrower hereunder will be treated under United States federal, and applicable state, local and foreign tax law as debt (the "Intended Tax Treatment"). The Borrower, the Servicer, the Administrative Agent and the other Credit Parties agree to file no tax return, or take any action, inconsistent with the Intended Tax Treatment unless required by law. Each assignee and each Participant acquiring an interest in a Credit Extension, by its acceptance of such assignment or participation, agrees to comply with the immediately preceding sentence.

SECTION 13.15. USA Patriot Act. Each of the Administrative Agent and each of the other Credit Parties hereby notifies the Borrower and the Servicer that pursuant to the requirements of the USA PATRIOT Act, Title III of Pub. L. 107-56 (signed into law October 26, 2001) (the "PATRIOT Act"), the Administrative Agent and the other Credit Parties may be required to obtain, verify and record information that identifies the Borrower, the Performance Guarantor, the Originators and the Servicer, which information includes the name, address, tax identification number and other information regarding the Borrower, the Performance Guarantor, the Originators and the Servicer that will allow the Administrative Agent and the other Credit Parties to identify the Borrower, the Performance Guarantor, the Originators and the Servicer in accordance with the PATRIOT Act. This notice is given in accordance with the requirements of the PATRIOT Act. Each of the Borrower and the Servicer agrees to provide the Administrative Agent and each other Credit Parties, from time to time, with all documentation and other information required by bank regulatory authorities under "know your customer" and anti-money laundering rules and regulations, including, without limitation, the PATRIOT Act and the Beneficial Ownership Rule.

SECTION 13.16. Right of Setoff. Each Credit Party is hereby authorized (in addition to any other rights it may have), at any time during the continuance of an Event of Default, to setoff, appropriate and apply (without presentment, demand, protest or other notice which are hereby expressly waived) any deposits and any other indebtedness held or owing by such Credit Party (including by any branches or agencies of such Credit Party) to, or for the account of, the Borrower

or the Servicer against amounts owing by the Borrower or the Servicer hereunder (even if contingent or unmatured); provided that such Credit Party shall notify the Borrower or the Servicer, as applicable, promptly following such setoff.

SECTION 13.17. Severability. Any provisions of this Agreement which are prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 13.18. Mutual Negotiations. This Agreement and the other Transaction Documents are the product of mutual negotiations by the parties thereto and their counsel, and no party shall be deemed the draftsperson of this Agreement or any other Transaction Document or any provision hereof or thereof or to have provided the same. Accordingly, in the event of any inconsistency or ambiguity of any provision of this Agreement or any other Transaction Document, such inconsistency or ambiguity shall not be interpreted against any party because of such party's involvement in the drafting thereof.

SECTION 13.19. Captions and Cross References. The various captions (including the table of contents) in this Agreement are provided solely for convenience of reference and shall not affect the meaning or interpretation of any provision of this Agreement. Unless otherwise indicated, references in this Agreement to any Section, Schedule or Exhibit are to such Section Schedule or Exhibit to this Agreement, as the case may be, and references in any Section, subsection, or clause to any subsection, clause or subclause are to such subsection, clause or subclause of such Section, subsection or clause.

On each Settlement Date, the Servicer (or, following its assumption of control of the Collection Accounts, the Administrative Agent) shall, distribute such Collections in the following order of priority:

(i) first, to the Servicer for the payment of the accrued Servicing Fees payable for the immediately preceding Interest Period (plus, if applicable, the amount of Servicing Fees payable for any prior Interest Period to the extent such amount has not been distributed to the Servicer);

(ii) second, to each Lender and other Credit Party (ratably, based on the amount then due and owing), all accrued and unpaid Interest, Fees and Breakage Fees due to such Lender and other Credit Party for the immediately preceding Interest Period (including any additional amounts or indemnified amounts payable under Sections 4.03 and 12.01 in respect of such payments), plus, if applicable, the amount of any such Interest, Fees and Breakage Fees (including any additional amounts or indemnified amounts payable under Sections 4.03 and 12.01 in respect of such payments) payable for any prior Interest Period to the extent such amount has not been distributed to such Lender or Credit Party;

(iii) third, as set forth in clauses (x), (y) and/or (z) below, as applicable:

(x) prior to the occurrence of the Termination Date, to the extent that a Borrowing Base Deficit exists on such date: to the Lenders (ratably, based on the aggregate outstanding Capital of each Lender at such time) for the payment of a portion of the outstanding Aggregate Capital at such time, in an aggregate amount equal to the amount necessary to reduce the Borrowing Base Deficit to zero ($0);

(y) on and after the occurrence of the Termination Date, to each Lender (ratably, based on the aggregate outstanding Capital of each Lender at such time) for the payment in full of the aggregate outstanding Capital of such Lender at such time; and

(z) prior to the occurrence of the Termination Date, at the election of the Borrower and in accordance with Section 2.02(d), to the Lenders in payment of all or any portion of the Aggregate Capital at such time (ratably, based on the aggregate outstanding Capital of each Lender at such time);

(iv) fourth, to the Credit Parties, the Affected Persons and the Borrower Indemnified Parties (ratably, based on the amount due and owing at such time), for the payment of all other Borrower Obligations then due and owing by the Borrower to the Credit Parties, the Affected Persons and the Borrower Indemnified Parties; and

(v) fifth, the balance, if any, to be paid to the Borrower for its own account.

(b) All payments or distributions to be made by the Servicer, the Borrower and any other Person to the Lenders (or their respective related Affected Persons and the Borrower Indemnified Parties) hereunder shall be paid or distributed to the related Group Agent at its Group Agent's Account. Each Group Agent, upon its receipt in the applicable Group Agent's Account of any such payments or distributions, shall distribute such amounts to the applicable Lenders, Affected Persons and the Borrower Indemnified Parties within its Group ratably; provided that if such Group Agent shall have received insufficient funds to pay all of the above amounts in full on any such date, such Group Agent shall pay such amounts to the applicable Lenders, Affected Persons and the Borrower Indemnified Parties within its Group in accordance with the priority of payments forth above, and with respect to any such category above for which there are insufficient funds to pay all amounts owing on such date, ratably (based on the amounts in such categories owing to each such Person in such Group) among all such Persons in such Group entitled to payment thereof.

(c) If and to the extent the Administrative Agent, any Credit Party, any Affected Person or any Borrower Indemnified Party shall be required for any reason to pay over to any Person (including any Obligor or any trustee, receiver, custodian or similar official in any insolvency proceeding) any amount received on its behalf hereunder, such amount shall be deemed not to have been so received but rather to have been retained by the Borrower and, accordingly, the Administrative Agent, such Credit Party, such Affected Person or such Borrower Indemnified Party, as the case may be, shall have a claim against the Borrower for such amount.

(d) For the purposes of this Section 3.01:

(i) if on any day the Unpaid Balance of any Pool Receivable is (A) reduced as a result of any defective or rejected goods or services, any discount, dispute, refunds, netting, rebates or any adjustment or otherwise by any Traeger Party or any Affiliate thereof (other than cash Collections on account of the Receivables) or (B) reduced or canceled as a result of a setoff in respect of any claim by any Person (whether such claim arises out of the same or a related transaction or an unrelated transaction) or any netting by any Person (any such reduction or adjustment, a "Reduction"), the Borrower shall be deemed to have received on such day a Collection of such Pool Receivable in the amount of such reduction or adjustment and shall within two (2) Business Days pay to a Collection Account (or as otherwise directed by the Administrative Agent at such time) for the benefit of the Credit Parties for application pursuant to Section 3.01(a), an amount equal to (x) if such Reduction occurs prior to the Termination Date and no Event of Default has occurred and is continuing, the lesser of (I) the sum of all deemed Collections with respect to such Reduction and (II) an amount necessary to eliminate any Borrowing Base Deficit that exists at such time and (y) if such Reduction occurs on or after the Termination Date or at any time when an Event of Default has occurred and is continuing, the sum of all Deemed Collections with respect to such Reduction;

(ii) if (A) any of the representations or warranties in Section 6.01 is not true with respect to any Pool Receivable at the time made or deemed made or (B) any Receivable included in any Monthly Report or Interim Report as an Eligible Receivable or in any calculation of Net Receivable Pool Balance as an Eligible Receivable fails to be an Eligible Receivable at the time of such inclusion, the Borrower shall be deemed to have received on such day a Collection of such Pool Receivable in full and shall within two (2) Business Days pay to a Collection Account (or as otherwise directed by the Administrative Agent at such time) for the benefit of the Credit Parties for application pursuant to Section 3.01(a), an amount equal to (x) if such breach occurs prior to the Termination Date and no Event of Default has occurred and is continuing, the lesser of (I) the sum of all deemed Collections with respect to such breach and (II) an amount necessary to eliminate any Borrowing Base Deficit that exists at such time and (y) if such breach occurs on or after the Termination Date or at any time when an Event of Default has occurred and is continuing, the sum of all Deemed Collections with respect to such breach (Collections deemed to have been received pursuant to Sections 3.01(d)(i) and 3.01(d)(ii) are hereinafter sometimes referred to as "Deemed Collections");

(iii) except as provided in clauses (i) or (ii) above or otherwise required by Applicable Law or the relevant Contract, all Collections received from an Obligor of any Receivable shall be applied to the Receivables of such Obligor in the order of the age of such Receivables, starting with the oldest such Receivable, unless such Obligor designates in writing its payment for application to specific Receivables; and

(iv) if and to the extent the Administrative Agent, any Credit Party, any Affected Person or any Borrower Indemnified Party shall be required for any reason to pay over to an Obligor (or any trustee, receiver, custodian or similar official in any insolvency proceeding) any amount received by it hereunder, such amount shall be deemed not to have been so received by such Person but rather to have been retained by the Borrower and, accordingly, such Person shall have a claim against the Borrower for such amount, payable when and to the extent that any distribution from or on behalf of such Obligor is made in respect thereof.

SECTION 3.02. Payments and Computations, Etc. (a) All amounts to be paid by the Borrower or the Servicer to the Administrative Agent, any Credit Party, any Affected Person or any Borrower Indemnified Party hereunder shall be paid no later than noon (New York City time) on the day when due in same day funds to the applicable Group Agent's Account.

(b) Each of the Borrower and the Servicer shall, to the extent permitted by Applicable Law, pay interest on any amount not paid or deposited by it when due hereunder, at an interest rate per annum equal to 2.00% per annum above the Base Rate, payable on demand.

(c) All computations of interest under subsection (b) above and all computations of Interest, Fees and other amounts hereunder shall be made on the basis of a year of 360 days (or, in the case of amounts determined by reference to the Base Rate, 365 or 366 days, as applicable) for the actual number of days (including the first but excluding the last day) elapsed. Whenever any payment or deposit to be made hereunder shall be due on a day other than a Business Day, such payment or deposit shall be made on the next succeeding Business Day and such extension of time shall be included in the computation of such payment or deposit.

ARTICLE IV

INCREASED COSTS; FUNDING LOSSES; TAXES; ILLEGALITY AND SECURITY INTEREST

SECTION 4.01. Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Affected Person;

(ii) subject any Affected Person to any Taxes (except to the extent such Taxes are (A) Indemnified Taxes for which relief is provided under Section 4.03, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes or (C) Other Connection Taxes that are imposed on or measured by net income (however denominated) or that are franchise Taxes or branch profits Taxes) on its loans, loan principal, letters of credit, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Affected Person any other condition, cost or expense (other than Taxes) (A) affecting the Collateral, this Agreement, any other Transaction Document, any Program Support Agreement, any Loan or any participation therein or (B) affecting its obligations or rights to make Loans;

and the result of any of the foregoing shall be to increase the cost to such Affected Person of (A) acting as the Administrative Agent, a Group Agent or a Lender hereunder or as a Program Support Provider with respect to the transactions contemplated hereby, (B) funding or maintaining any Loan or (C) maintaining its obligation to fund or maintain any Loan, or to reduce the amount of any sum received or receivable by such Affected Person hereunder, then, upon request of such Affected Person (or its Group Agent), the Borrower shall pay to such Affected Person such additional amount or amounts as will compensate such Affected Person for such additional costs incurred or reduction suffered.

(b) Capital and Liquidity Requirements. If any Affected Person determines that any Change in Law affecting such Affected Person or any lending office of such Affected Person or such Affected Person's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of (x) increasing the amount of capital required to be maintained by such Affected Person or Affected Person's holding company, if any, (y) reducing the rate of return on such Affected Person's capital or on the capital of such Affected Person's holding company, if any, or (z) causing an internal capital or liquidity charge or other imputed cost to be assessed upon such Affected Person or Affected Person's holding company, if any, in each case, as a consequence of (A) this Agreement or any other Transaction Document, (B) the commitments of such Affected Person hereunder or under any other Transaction Document or related Program Support Agreement, (C) the Loans made by such Affected Person or (D) any Capital, to a level below that which such Affected Person or such Affected Person's holding company could have achieved but for such Change in Law (taking into consideration such Affected Person's policies and the policies of such Affected Person's holding company with respect to capital adequacy and liquidity), then from time to time, upon request of such Affected Person (or its Group Agent), the Borrower shall pay to such Affected Person such additional amount or amounts as will compensate such Affected Person or such Affected Person's holding company for any such increase, reduction or charge.

(c) Adoption of Changes in Law. The Borrower acknowledges that any Affected Person may institute measures in anticipation of a Change in Law (including, without limitation, the imposition of internal charges on such Affected Person's interests or obligations under any Transaction Document or Program Support Agreement), and may commence allocating charges to or seeking compensation from the Borrower under this Section 4.01 in connection with such measures, in advance of the effective date of such Change in Law, and the Borrower agrees to pay such charges or compensation to such Affected Person, following demand therefor in accordance with the terms of this Section 4.01, without regard to whether such effective date has occurred.

(d) Certificates for Reimbursement. A certificate of an Affected Person (or its Group Agent on its behalf) setting forth the amount or amounts necessary to compensate such Affected Person or its holding company, as the case may be, as specified in clause (a), (b) or (c) of this Section and delivered to the Borrower, shall be conclusive absent manifest error. The Borrower shall, subject to the priorities of payment set forth in Section 3.01, pay such Affected Person the amount shown as due on any such certificate on the first Settlement Date occurring after the Borrower's receipt of such certificate.

(e) Delay in Requests. Failure or delay on the part of any Affected Person to demand compensation pursuant to this Section shall not constitute a waiver of such Affected Person's right to demand such compensation.

SECTION 4.02. Funding Losses.

(a) The Borrower will pay each Lender all Breakage Fees.

(b) A certificate of a Lender (or its Group Agent on its behalf) setting forth the amount or amounts necessary to compensate such Lender, as specified in clause (a) above and delivered to the Borrower, shall be conclusive absent manifest error. The Borrower shall, subject to the priorities of payment set forth in Section 3.01, pay such Lender the amount shown as due on any such certificate on the first Settlement Date occurring after the Borrower's receipt of such certificate.

SECTION 4.03. Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower under any Transaction Document shall be made without deduction or withholding for any Taxes, except as required by Applicable Law. If any Applicable Law (as determined in the good faith discretion of the Borrower, Servicer, Administrative Agent or Group Agent) requires the deduction or withholding of any Tax from any such payment to an Affected Person, then the Borrower, Servicer, Administrative Agent or Group Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with Applicable Law, and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section), the applicable Affected Person receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with Applicable Law, or, at the option of the Administrative Agent, timely reimburse the Administrative Agent (or, as applicable, the applicable Affected Person) for the payment of, any Other Taxes.

(c) Indemnification by the Borrower. The Borrower shall indemnify each Affected Person, within ten days after demand therefor, for the full amount of any (I) Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Affected Person or required to be withheld or deducted from a payment to such Affected Person and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority and (II) Taxes that arise because a Loan is not treated consistently with the Intended Tax Treatment, except as otherwise required by Applicable Law. A certificate as to the amount of such payment or liability delivered to the Borrower by an Affected Person (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of an Affected Person, shall be conclusive absent manifest error.

(d) Indemnification by the Lenders. Each Lender (other than the Conduit Lenders) shall severally indemnify the Administrative Agent, within ten days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender, its Related Conduit Lender or any of their respective Affiliates that are Affected Persons (but only to the extent that the Borrower and its Affiliates have not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting any obligation of the Borrower, the Servicer or its Affiliates to do so), (ii) any Taxes attributable to the failure of such Lender, its Related Conduit Lender or any of their respective Affiliates that are Affected Persons to comply with Section 13.03(f) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, its Related Conduit Lender or any of their respective Affiliates that are Affected Persons, in each case, that are payable or paid by the Administrative Agent in connection with any Transaction Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender (or its Group Agent) by the Administrative Agent shall be conclusive absent manifest error. Each Lender (other than the Conduit Lenders) hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender, its Related Conduit Lender or any of their respective Affiliates that are Affected Persons under any Transaction Document or otherwise payable by the Administrative Agent to such Lender, its Related Conduit Lender or any of their respective Affiliates that are Affected Persons from any other source against any amount due to the Administrative Agent under this clause (d).

(e) Evidence of Payments. As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this Section 4.03, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Status of Lenders. (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Transaction Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 4.03(f)(ii)(A), 4.03(f)(ii)(B) and 4.03(g)) shall not be required if, in the Lender's reasonable judgment, such completion, execution or submission would subject such Affected Person to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing:

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or about the date on which such Lender becomes a Lender under this Agreement, and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent, executed originals of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Lender that is not a U.S. Person shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Lender becomes a Lender under this agreement, and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent, whichever of the following is applicable:

(1) in the case of such a Lender claiming the benefits of an income tax treaty to which the United States is a party, (x) with respect to payments of interest under any Transaction Document, executed originals of Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Transaction Document, Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed originals of Internal Revenue Service Form W-8ECI;

(3) in the case of such a Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate, in form and substance reasonably acceptable to the Borrower, to the effect that such Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed originals of Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E, as applicable; or

(4) to the extent such Lender is not the beneficial owner, executed originals of Internal Revenue Service Form W-8IMY, accompanied by Internal Revenue Service Form W-8ECI, Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate, Internal Revenue Service Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that, if such Lender is a partnership and one or more direct or indirect partners of such Lender are claiming the portfolio interest exemption, such Lender may provide a U.S. Tax Compliance Certificate on behalf of each such direct and indirect partner; and

(C) any Lender that is not a U.S. Person shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Lender becomes a Lender under this agreement, and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent, executed originals of any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by Applicable Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

(g) Documentation Required by FATCA and other reporting regimes.

(i) Subject to Section 4.03(g)(iii) below, each Lender shall, within ten Business Days of a reasonable request by the Borrower: (a) confirm whether it is: (A) entitled to receive payments under the Transaction Documents free from any deduction or withholding required by FATCA (including any deduction or withholding resulting from the failure to comply with the applicable FATCA reporting requirements, including those contained in Section 1471(b) or 1472(b) of the Code) (a "FATCA Exempt Party"); or (B) not a FATCA Exempt Party; (b) supply to the Borrower such forms, documentation and other information relating to its status under FATCA as prescribed under Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) or reasonably requested by the Borrower for the purposes of complying with FATCA or determining the amount, if any, to deduct and withhold from a payment made under the Transaction Documents; and (c) supply such forms, documentation and other information relating to its status as reasonably requested for the purposes of the Borrower's compliance with any other law, regulation, or exchange of information regime relating to FATCA.

(ii) If a Lender confirms pursuant to Section 4.03(g)(i)(a) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, it shall promptly notify the Borrower.

(iii) If a Lender fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with Section 4.03(g)(i)(a) or (b) above, then it shall be treated for the purposes of the Transaction Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as it provides the requested confirmation, forms, documentation or other information.

(h) Treatment of Certain Refunds. If a Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by the Borrower pursuant to this Section (including by the payment of additional amounts pursuant to this Section), it shall pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Borrower and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). The Borrower, upon the request of such Lender, shall repay the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that the Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the Lender be required to pay any amount to the Borrower pursuant to this paragraph (h) the payment of which would place the Lender in a less favorable net after-Tax position than the Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require the Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the Borrower or any other Person.

(i) Survival. Each party's obligations under this Section 4.03 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Credit Party or any other Affected Person, the termination of the Commitments and the repayment, satisfaction or discharge of all the Borrower Obligations and the Servicer's obligations hereunder.

(j) Updates. Each Affected Person agrees that if any form or certification it previously delivered pursuant to this Section 4.03 expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

SECTION 4.04. Inability to Determine Adjusted LIBOR; Change in Legality.

(a) If any Group Agent shall have determined (which determination shall be conclusive and binding upon the parties hereto absent manifest error) on any day, by reason of circumstances affecting the interbank Eurodollar market, either that: (i) dollar deposits in the relevant amounts and for the relevant Interest Period or day, as applicable, are not available, (ii) adequate and reasonable means do not exist for ascertaining Adjusted LIBOR for such Interest Period, or (iii) Adjusted LIBOR determined pursuant hereto does not accurately reflect the cost to the applicable Affected Person (as conclusively determined by such Group Agent) of maintaining any Portion of Capital during such Interest Period, such Group Agent shall promptly give telephonic notice of such determination, confirmed in writing, to the Borrower on such day. Upon

delivery of such notice: (i) no Portion of Capital shall be funded thereafter at Adjusted LIBOR unless and until such Group Agent shall have given notice to the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist and (ii) with respect to any outstanding Portion of Capital then funded at Adjusted LIBOR, such Interest Rate shall automatically and immediately be converted to the Base Rate.

(b) If on any day any Group Agent shall have been notified by any Affected Person that such Affected Person has determined (which determination shall be final and conclusive absent manifest error) that any Change in Law, or compliance by such Affected Person with any Change in Law, shall make it unlawful or impossible for such Affected Person to fund or maintain any Portion of Capital at or by reference to Adjusted LIBOR, such Group Agent shall notify the Borrower and the Administrative Agent thereof. Upon receipt of such notice, until the applicable Group Agent notifies the Borrower and the Administrative Agent that the circumstances giving rise to such determination no longer apply, (i) no Portion of Capital shall be funded at or by reference to Adjusted LIBOR and (ii) the Interest Rate for any outstanding portions of Capital then funded at Adjusted LIBOR shall automatically and immediately be converted to the Base Rate.

SECTION 4.05. Security Interest.

(a) As security for the performance by the Borrower of all the terms, covenants and agreements on the part of the Borrower to be performed under this Agreement or any other Transaction Document, including the punctual payment when due of the Aggregate Capital and all Interest in respect of the Loans and all other Borrower Obligations, the Borrower undertakes to grant and hereby grants to the Administrative Agent for its benefit and the ratable benefit of the Secured Parties, a continuing security interest in, all of the Borrower's right, title and interest in, to and under all of the following, whether now or hereafter owned, existing or arising (collectively, the "Collateral"): (i) all Pool Receivables, (ii) all Related Security with respect to such Pool Receivables, (iii) all Collections with respect to such Pool Receivables, (iv) the Lock-Boxes and Collection Accounts and all amounts on deposit therein, and all certificates and instruments, if any, from time to time evidencing such Lock-Boxes and Collection Accounts and amounts on deposit therein, (v) all rights (but none of the obligations) of the Borrower under the Purchase and Contribution Agreement, (vi) all goods (including inventory, equipment and any accessions thereto), instruments (including promissory notes), documents, accounts, chattel paper (whether tangible or electronic), deposit accounts, securities accounts, securities entitlements, letter-of-credit rights, commercial tort claims, securities and all other investment property, supporting obligations, money, any other contract rights or rights to the payment of money, insurance claims and proceeds, and all general intangibles (including all payment intangibles) (each as defined in the UCC), (vii) all other personal and fixture property or assets of the Borrower of every kind and nature and (viii) all proceeds of, and all amounts received or receivable under any or all of, the foregoing.

(b) The Administrative Agent (for the benefit of the Secured Parties) shall have, with respect to all the Collateral, and in addition to all the other rights and remedies available to the Administrative Agent (for the benefit of the Secured Parties), all the rights and remedies of a secured party under any applicable UCC and all other Applicable Law. The Borrower hereby authorizes the Administrative Agent to file financing statements and any other applicable filings in any applicable jurisdiction describing as the collateral covered thereby as "all of the debtor's personal property or assets" or words to that effect, notwithstanding that such wording may be broader in scope than the collateral described in this Agreement.

(c) Immediately upon the occurrence of the Final Payout Date, the Collateral shall be automatically released from the lien created hereby, and this Agreement and all obligations (other than those expressly stated to survive such termination) of the Administrative Agent, the Lenders and the other Credit Parties hereunder shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the Borrower; provided, however, that promptly following written request therefor by the Borrower delivered to the Administrative Agent following any such termination, and at the expense of the Borrower, the Administrative Agent shall execute and deliver to the Borrower UCC-3 termination statements and such other documents as the Borrower shall reasonably request to evidence such termination.

SECTION 4.06. Successor Adjusted LIBOR.

(a) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Transaction Document, upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, the Administrative Agent and the Borrower may amend this Agreement to replace Adjusted LIBOR with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. New York City time on the fifth (5th) Business Day after the Administrative Agent has provided such proposed amendment, which has been consented to by the Borrower, to all Lenders and the Borrower so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Majority Group Agents.

Any such amendment with respect to an Early Opt-in Election will become effective on the date that Majority Group Agents have delivered to the Administrative Agent written notice that the Majority Group Agents accept such amendment. No replacement of Adjusted LIBOR with a Benchmark Replacement pursuant to this Section 4.06 will occur prior to the applicable Benchmark Transition Start Date.

(b) Benchmark Replacement Conforming Changes. In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Transaction Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(c) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date and Benchmark Transition Start Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes and (iv) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or the Lenders

pursuant to this Section 4.06 including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 4.06.

(d) Benchmark Unavailability Period. Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period (i) any pending selection of, conversion to or renewal of a Loan bearing interest by reference to Adjusted LIBOR that has not yet gone into effect shall be deemed to be a selection of, conversion to or renewal of the Base Rate with respect to such Loan, and such Loan shall bear interest by reference to the Base Rate (rather than by reference to Adjusted LIBOR), and (ii) all outstanding Loans bearing interest by reference to Adjusted LIBOR shall automatically be converted to bear interest by reference to the Base Rate at the expiration of the existing Interest Period (or sooner, if Administrative Agent cannot continue to lawfully maintain such affected Loan bearing interest by reference to Adjusted LIBOR).

ARTICLE V

CONDITIONS TO EFFECTIVENESS AND CREDIT EXTENSIONS

SECTION 5.01. Conditions Precedent to Effectiveness and the Initial Credit Extension. The Servicer shall, from time to time and within the time limits established by law, prepare and present to the Administrative Agent for the Administrative Agent's authorization and approval, all financing statements, amendments, continuations or initial financing statements in lieu of a continuation statement, or other filings necessary to continue, maintain and perfect the Administrative Agent's security interest as a first-priority interest. The Administrative Agent's approval of such filings shall authorize the Servicer to file such financing statements under the UCC without the signature of the Borrower, any Originator or the Administrative Agent where allowed by Applicable Law. Notwithstanding anything else in the Transaction Documents to the contrary, the Servicer shall not have any authority to file a termination, partial termination, release, partial release, or any amendment that deletes the name of a debtor or excludes collateral of any such financing statements filed in connection with the Transaction Documents, without the prior written consent of the Administrative Agent.

Without limiting the foregoing, the Servicer hereby authorizes, and will, upon the request of the Administrative Agent, at the Servicer's own expense, execute (if necessary) and file such financing statements or continuation statements, or amendments thereto, and such other instruments and documents, that may be necessary or desirable, or that the Administrative Agent may reasonably request, to perfect, protect or evidence any of the foregoing.

(o) Transaction Information. None of the Servicer, any Affiliate of the Servicer or any third party contracted by the Servicer or any Affiliate thereof, shall deliver, in writing or orally, to any Rating Agency, any Transaction Information without providing such Transaction Information to the applicable Group Agent prior to delivery to such Rating Agency, and will not participate in any oral communications with respect to Transaction Information with any Rating Agency without the participation of such Group Agent.

(p) Anti-Corruption Laws, Anti-Money Laundering Laws and Sanctions. The Servicer will ensure that policies and procedures are maintained and enforced by or on behalf of each Traeger Party to promote and achieve compliance by the Traeger Parties and each of their Subsidiaries, Affiliates and their respective directors, officers, employees and agents with Anti-Corruption Laws, Anti-Money Laundering Laws and Sanctions.

(q) Taxes. The Servicer will timely file all federal and other material Tax returns required to be filed by it and pay, or cause to be paid, all federal and other material Taxes, assessments and other governmental charges, if any, other than Taxes, assessments and other governmental charges being contested in good faith by appropriate proceedings and as to which adequate reserves have been provided in accordance with GAAP.

(r) Commingling. The Servicer will, and will cause each Originator to, at all times, take commercially reasonable actions to ensure that on and after the Closing Date that no funds are deposited into any Collection Account other than Collections on Pool Receivables.

(s) Anti-Corruption Laws, Anti-Money Laundering Laws and Sanctions. The Servicer will not request any Loan, and shall procure that its Affiliates or its or their respective directors, officers, employees and agents shall not use, the proceeds of any Loan (A) in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any Anti-Corruption Laws or Anti-Money Laundering Laws, (B) for the purpose of funding or financing any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country, in each case to the extent doing so would violate any Sanctions, or (C) in any other manner that would result in liability to any Person under any applicable Sanctions or result in the violation of any Anti-Corruption Laws, Anti-Money Laundering Laws or Sanctions.

(t) Evading and Avoiding. The Servicer will not engage in, or permit any of its Subsidiaries, Affiliates or any director, officer, employee, agent or other Person acting on behalf of the Servicer or any of its Subsidiaries in any capacity in connection with or directly benefitting from the Agreement to engage in, or to conspire to engage in, any transaction that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in any Anti-Corruption Laws, Anti-Money Laundering Laws and Sanctions.

SECTION 7.03. Separate Existence of the Borrower. Each of the Borrower and the Servicer hereby acknowledges that the Secured Parties, the Group Agents and the Administrative Agent are entering into the transactions contemplated by this Agreement and the other Transaction Documents in reliance upon the Borrower's identity as a legal entity separate from any other Traeger Party and their Affiliates. Therefore, the Borrower and Servicer shall take all steps specifically required by this Agreement or reasonably required by the Administrative Agent or any Group Agent to continue the Borrower's identity as a separate legal entity and to make it apparent to third Persons that the Borrower is an entity with assets and liabilities distinct from those of any other Traeger Party and any other Person, and is not a division of any Traeger Party or any of its Affiliates or any other Person. Without limiting the generality of the foregoing and in addition to and consistent with the other covenants set forth herein, the Borrower and the Servicer shall take such actions as shall be required in order that:

The Borrower will be a special purpose company whose primary activities are restricted in its Organizational Documents to: (i) purchasing or otherwise acquiring from the Originators, owning, holding, collecting, granting security interests or selling interests in, the Collateral, (ii) entering into agreements for the selling, servicing and financing of the Receivables Pool (including the Transaction Documents) and (iii) conducting such other activities as it deems necessary or appropriate to carry out its primary activities.

(b) No Other Business or Debt. The Borrower shall not engage, directly or indirectly, in any business other than the actions required or permitted to be performed under its Organizational Documents or the Transaction Documents. The Borrower shall not incur, create or assume any indebtedness except as expressly permitted under the Transaction Documents.

Not fewer than one member of the Borrower's board of directors (the "Independent Director") shall be a natural person who (i) has never been, and shall at no time be, an equityholder, director, officer, manager, member, partner, officer, employee or associate, or any relative of the foregoing, of any member of the Parent Group (as hereinafter defined) (other than his or her service as an Independent Director of the Borrower or an independent director of any other bankruptcy-remote special purpose entity formed for the sole purpose of securitizing, or facilitating the securitization of, financial assets of any member or members of the Parent Group), (ii) is not a customer or supplier of any member of the Parent Group (other than his or her service as an Independent Director of the Borrower or an independent director of any other bankruptcy-remote special purpose entity formed for the sole purpose of securitizing, or facilitating the securitization of, financial assets of any member or members of the Parent Group), (iii) is not any member of the immediate family of a person described in (i) or (ii) above, and (iv) has (x) prior experience as an independent director for a corporation or limited liability company whose organizational or charter documents required the unanimous consent of all independent directors thereof before such corporation or limited liability company could consent to the institution of bankruptcy or insolvency proceedings against it or could file a petition seeking relief under any applicable federal or state law relating to bankruptcy and (y) at least three years of employment experience with one or more entities that provide, in the ordinary course of their respective businesses, advisory, management or placement services to issuers of securitization or structured finance instruments, agreements or securities. For the purposes of this definition, "control" of a person means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a person or entity, whether through the ownership of voting securities, by contract or otherwise. A person shall be deemed to be an "associate" of (A) a corporation or organization of which such person is an officer, director, partner or manager or is, directly or indirectly, the beneficial owner of ten percent (10%) or more of any class of equity securities, (B) any trust or other estate in which such person serves as trustee or in a similar capacity and (C) any relative or spouse of a person described in clause (A) or (B) of this sentence, or any relative of such spouse. The Borrower shall (A) give written notice to the Administrative Agent of the election or appointment, or proposed election or appointment, of a new Independent Director of the Borrower, which notice shall be given not later than ten (10) Business Days prior to the date such appointment or election would be effective (except when such election or appointment is necessary to fill a vacancy caused by the death, disability, or incapacity of the existing Independent Director, or the failure of such Independent Director to satisfy the criteria for an Independent Director set forth in the Borrower's Organizational Documents, in which case the Borrower shall provide written notice of such election or appointment within one (1) Business Day) and (B) with any such written notice, certify to the Administrative Agent that the Independent Director satisfies such criteria for an Independent Director.

The Borrower's Organizational Documents shall provide that, among other things: (A) the Borrower's board of directors shall not approve, or take any other action to cause the filing of, a voluntary bankruptcy petition with respect to the Borrower unless the Independent Director shall approve the taking of such action in writing before the taking of such action and (B) such provision and each other provision requiring an Independent Director cannot be amended without the prior written consent of the Independent Director.

No Independent Director shall at any time serve as a trustee in bankruptcy for any Traeger Party or any of their respective Affiliates.

(d) Organizational Documents. The Borrower shall maintain its Organizational Documents in conformity with this Agreement, such that it does not amend, restate, supplement or otherwise modify its ability to comply with the terms and provisions of any of the Transaction Documents, including, without limitation, Section 7.01 (q).

(e) Conduct of Business. The Borrower shall conduct its affairs strictly in accordance with its Organizational Documents and observe all necessary, appropriate and customary company formalities, including, but not limited to, holding all regular and special members' and board of directors' meetings appropriate to authorize all company action, keeping separate and accurate minutes of its meetings, passing all resolutions or consents necessary to authorize actions taken or to be taken, and maintaining accurate and separate books, records and accounts, including, but not limited to, payroll and intercompany transaction accounts.

(f) Employees. The Borrower shall not have any employees.

(g) Compensation. Any employee, consultant or agent of the Borrower will be compensated from the Borrower's funds for services provided to the Borrower, and to the extent that the Borrower shares the same officers or other employees as the Servicer (or any other Affiliate thereof), the salaries and expenses relating to providing benefits to such officers and other employees shall be fairly allocated among such entities, and each such entity shall bear its fair share of the salary and benefit costs associated with such common officers and employees. The Borrower will not engage any agents other than its attorneys, auditors and other professionals, and a servicer and any other agent contemplated by the Transaction Documents for the Receivables Pool, which servicer will be fully compensated for its services by payment of the Servicing Fee.

(h) Servicing and Costs. The Borrower will contract with the Servicer to perform for the Borrower all operations required on a daily basis to service the Receivables Pool. The Borrower will not incur any indirect or overhead expenses for items shared with the Servicer (or any other Affiliate thereof) that are not reflected in the Servicing Fee. To the extent, if any, that the Borrower (or any Affiliate thereof) shares items of expenses not reflected in the Servicing Fee, such as legal, auditing and other professional services, such expenses will be allocated to the extent practical on the basis of actual use or the value of services rendered, and otherwise on a basis reasonably related to the actual use or the value of services rendered.

(i) Operating Expenses. The Borrower shall pay its operating expenses and liabilities from its own assets.

(j) Stationery. The Borrower will use, to the extent used, separate stationery, invoices and checks.

(k) Books and Records. The Borrower's books and records will be maintained separately from those of the other Traeger Parties and any of their Affiliates and in a manner such that it will not be difficult or costly to segregate, ascertain or otherwise identify the assets and liabilities of the Borrower.

(l) Disclosure of Transactions. All financial statements of the Traeger Parties or any Affiliate thereof that are consolidated to include the Borrower will disclose that (i) the Borrower's sole business consists of the purchase or acceptance through capital contributions of the Receivables and Related Rights from the Originators and the subsequent retransfer of or granting of a security interest in such Receivables and Related Rights to the Administrative Agent pursuant to this Agreement, (ii) the Borrower is a separate legal entity with its own separate creditors who will be entitled, upon its liquidation, to be satisfied out of the Borrower's assets prior to any assets or value in the Borrower becoming available to the Borrower's equity holders and (iii) the assets of the Borrower are not available to pay creditors of the other Traeger Parties or any Affiliate thereof.

(m) Segregation of Assets. The Borrower's assets will be maintained in a manner that facilitates their identification and segregation from those of the other Traeger Parties or any Affiliates thereof.

(n) Corporate Formalities. The Borrower will strictly observe limited liability company formalities in its dealings with the Servicer, the Parent, the Originators or any Affiliates thereof, and funds or other assets of the Borrower will not be commingled with those of the Servicer, the Parent, the Originators or any Affiliates thereof except as permitted by this Agreement in connection with servicing the Pool Receivables. The Borrower shall not maintain joint bank accounts or other depository accounts to which the Servicer, the Parent, the Originators or any Affiliate thereof (other than the Servicer solely in its capacity as such) has independent access. The Borrower is not named, and the Borrower has not entered into any agreement to be named, directly or indirectly, as a direct or contingent beneficiary or loss payee on any insurance policy with respect to any loss relating to the property of the Servicer, the Parent, the Originators or any Subsidiaries or other Affiliates thereof. The Borrower will pay to the appropriate Affiliate the marginal increase or, in the absence of such increase, the market amount of its portion of the premium payable with respect to any insurance policy that covers the Borrower and such Affiliate.

(o) Arm's-Length Relationships. The Borrower will maintain arm's-length relationships with each of the other Traeger Parties and any Affiliates thereof. Any Person that renders or otherwise furnishes services to the Borrower will be compensated by the Borrower at market rates for such services it renders or otherwise furnishes to the Borrower. Neither the Borrower on the one hand, nor any other Traeger Party or any Affiliate thereof, on the other hand, will be or will hold itself out to be responsible for the debts of the other or the decisions or actions respecting the daily business and affairs of the other. Each Traeger Party and their respective Affiliates will immediately correct any known misrepresentation with respect to the foregoing, and they will not operate or purport to operate as an integrated single economic unit with respect to each other or in their dealing with any other entity.

(p) Allocation of Overhead. To the extent that Borrower, on the one hand, and each of the other Traeger Parties or any Affiliate thereof, on the other hand, have offices in the same location, there shall be a fair and appropriate allocation of overhead costs between them, and the Borrower shall bear its fair share of such expenses, which may be paid through the Servicing Fee or otherwise.

ARTICLE VIII

ADMINISTRATION AND COLLECTION OF RECEIVABLES

SECTION 8.01. Appointment of the Servicer.

(a) The servicing, administering and collection of the Pool Receivables shall be conducted by the Person so designated from time to time as the Servicer in accordance with this Section 8.01. Until the Administrative Agent gives notice to Traeger (in accordance with this Section 8.01) of the designation of a new Servicer, Traeger is hereby designated as, and hereby agrees to perform the duties and obligations of, the Servicer pursuant to the terms hereof. Upon the occurrence of an Event of Default, the Administrative Agent may (with the consent of the Majority Group Agents) and shall (at the direction of the Majority Group Agents) designate as Servicer any Person (including itself) to succeed Traeger or any successor Servicer, on the condition in each case that any such Person so designated shall agree to perform the duties and obligations of the Servicer pursuant to the terms hereof.

(b) Upon the designation of a successor Servicer as set forth in clause (a) above, Traeger agrees that it will terminate its activities as Servicer hereunder in a manner that the Administrative Agent reasonably determines will facilitate the transition of the performance of such activities to the new Servicer, and Traeger shall cooperate with and assist such new Servicer. Such cooperation shall include access to and transfer of records (including all Contracts) related to Pool Receivables and use by the new Servicer of all licenses (or the obtaining of new licenses), hardware or software necessary or reasonably desirable to collect the Pool Receivables and the Related Security.

(c) Traeger acknowledges that, in making its decision to execute and deliver this Agreement, the Administrative Agent and each member in each Group have relied on Traeger's agreement to act as Servicer hereunder. Accordingly, Traeger agrees that it will not voluntarily resign as Servicer without the prior written consent of the Administrative Agent and the Majority Group Agents.

(d) The Servicer may delegate its duties and obligations hereunder to any subservicer (each a "Sub-Servicer"); provided, that, in each such delegation: (i) such Sub-Servicer shall agree in writing to perform the delegated duties and obligations of the Servicer pursuant to the terms hereof, (ii) the Servicer shall remain liable for the performance of the duties and obligations so delegated, (iii) the Borrower, the Administrative Agent, each Lender and each Group Agent shall have the right to look solely to the Servicer for performance, (iv) the terms of any agreement with any Sub-Servicer shall provide that the Administrative Agent may terminate such agreement upon the termination of the Servicer hereunder by giving notice of its desire to

terminate such agreement to the Servicer (and the Servicer shall provide appropriate notice to each such Sub-Servicer) and (v) if such Sub-Servicer is not an Affiliate of the Parent, the Administrative Agent and the Majority Group Agents shall have consented in writing in advance to such delegation.

SECTION 8.02. Duties of the Servicer.

(a) The Servicer shall take or cause to be taken all such action as may be necessary or reasonably advisable to service, administer and collect each Pool Receivable from time to time, all in accordance with this Agreement and all Applicable Laws, with reasonable care and diligence, and in accordance with the Credit and Collection Policy and consistent with the past practices of the Originators. The Servicer shall set aside, for the accounts of each Group, the amount of Collections to which each such Group is entitled in accordance with Article III hereof. The Servicer may, in accordance with the Credit and Collection Policy and consistent with past practices of the Originators, take such action, including modifications, waivers or restructurings of Pool Receivables and related Contracts, as the Servicer may reasonably determine to be appropriate to maximize Collections thereof or reflect adjustments expressly permitted under the Credit and Collection Policy or as expressly required under Applicable Laws or the applicable Contract; provided, that for purposes of this Agreement: (i) such action shall not, and shall not be deemed to, change the number of days such Pool Receivable has remained unpaid from the original due date or invoice date of such Pool Receivable, (ii) such action shall not alter the status of such Pool Receivable as a Delinquent Receivable or a Defaulted Receivable or limit the rights of any Secured Party under this Agreement or any other Transaction Document and (iii) if an Event of Default has occurred and is continuing, the Servicer may take such action only upon the prior written consent of the Administrative Agent. The Borrower shall deliver to the Servicer and the Servicer shall hold for the benefit of the Administrative Agent (individually and for the benefit of each Group), in accordance with their respective interests, all records and documents (including computer tapes or disks) with respect to each Pool Receivable. Notwithstanding anything to the contrary contained herein, if an Event of Default has occurred and is continuing, the Administrative Agent may direct the Servicer to commence or settle any legal action to enforce collection of any Pool Receivable that is a Defaulted Receivable or to foreclose upon or repossess any Related Security with respect to any such Defaulted Receivable.

(b) The Servicer shall, as soon as practicable following actual receipt of collected funds, turn over to the Borrower the collections of any indebtedness that is not a Pool Receivable, less, if Traeger or an Affiliate thereof is not the Servicer, all reasonable and appropriate out-of-pocket costs and expenses of such Servicer of servicing, collecting and administering such collections. The Servicer, if other than Traeger or an Affiliate thereof, shall, as soon as practicable upon demand, deliver to the Borrower all records in its possession that evidence or relate to any indebtedness that is not a Pool Receivable, and copies of records in its possession that evidence or relate to any indebtedness that is a Pool Receivable.

(c) The Servicer's obligations hereunder shall terminate on the Final Payout Date. Promptly following the Final Payout Date, the Servicer shall deliver to the Borrower all books, records and related materials that the Borrower previously provided to the Servicer, or that have been obtained by the Servicer, in connection with this Agreement.

SECTION 8.03. Collection Account. Prior to the Closing Date, the Borrower shall have entered into Collection Account Control Agreements with all of the Collection Account Banks and delivered executed counterparts of each to the Administrative Agent. Upon the occurrence and during the continuance of an Event of Default or a Liquidity Shortfall, the Administrative Agent may (with the consent of the Majority Group Agents) and shall (upon the direction of the Majority Group Agents) at any time thereafter give notice to each Collection Account Bank that the Administrative Agent is exercising its rights under the Collection Account Control Agreements to do any or all of the following: (a) to have the exclusive dominion and control of the Collection Accounts transferred to the Administrative Agent (for the benefit of the Secured Parties) and to exercise exclusive dominion and control over the funds deposited therein (for the benefit of the Secured Parties), (b) to have the proceeds that are sent to the respective Collection Accounts redirected pursuant to the Administrative Agent's instructions rather than deposited in the applicable Collection Account and (c) to take any or all other actions permitted under the applicable Collection Account Control Agreement. The Borrower and the Servicer hereby agrees that if the Administrative Agent at any time takes any action set forth in the preceding sentence, the Administrative Agent shall have exclusive control (for the benefit of the Secured Parties) of the proceeds (including Collections) of all Pool Receivables and the Borrower and the Servicer hereby further agrees to take any other action and to cause each Originator to take any other action, in each case, that the Administrative Agent may reasonably request to transfer such control. Any proceeds of Pool Receivables received by the Borrower or the Servicer thereafter shall be sent immediately to, or as otherwise instructed by, the Administrative Agent.

SECTION 8.04. Enforcement Rights.

(a) At any time following the occurrence and during the continuation of an Event of Default:

(i) the Administrative Agent (at the Borrower's expense) may direct the Obligors that payment of all amounts payable under any Pool Receivable is to be made directly to the Administrative Agent or its designee;

(ii) the Administrative Agent may instruct the Borrower or the Servicer to give notice of the Secured Parties' interest in Pool Receivables to each Obligor, which notice shall direct that payments be made directly to the Administrative Agent or its designee (on behalf of the Secured Parties), and the Borrower or the Servicer, as the case may be, shall give such notice at the expense of the Borrower or the Servicer, as the case may be; provided, that if the Borrower or the Servicer, as the case may be, fails to so notify each Obligor within two (2) Business Days following instruction by the Administrative Agent, the Administrative Agent (at the Borrower's or the Servicer's, as the case may be, expense) may so notify the Obligors;

(iii) the Administrative Agent may request the Servicer to, and upon such request the Servicer shall: (A) assemble all of the records necessary or desirable to collect the Pool Receivables and the Related Security, and transfer or license to a successor Servicer the use of all software necessary or desirable to collect the Pool Receivables and the Related Security, and make the same available to the Administrative Agent or its designee (for the benefit of the Secured Parties) at a place selected by the Administrative

Agent and (B) segregate all cash, checks and other instruments received by it from time to time constituting Collections in a manner reasonably acceptable to the Administrative Agent and, promptly upon receipt, remit all such cash, checks and instruments, duly endorsed or with duly executed instruments of transfer, to the Administrative Agent or its designee;

(iv) notify the Collection Account Banks that no Traeger Party will any longer have any access to the Collection Accounts;

(v) the Administrative Agent may (or, at the direction of the Majority Group Agents shall) replace the Person then acting as Servicer; and

(vi) the Administrative Agent may collect any amounts due from an Originator under the Purchase and Contribution Agreement or the Performance Guarantor under the Performance Guaranty.

For the avoidance of doubt, the foregoing rights and remedies of the Administrative Agent upon an Event of Default are in addition to and not exclusive of the rights and remedies contained herein and under the other Transaction Documents.

(b) The Borrower hereby authorizes the Administrative Agent (on behalf of the Secured Parties), and irrevocably appoints the Administrative Agent as its attorney-in-fact with full power of substitution and with full authority in the place and stead of the Borrower, which appointment is coupled with an interest, to take any and all steps in the name of the Borrower and on behalf of the Borrower necessary or desirable, in the reasonable determination of the Administrative Agent, after the occurrence and during the continuation of an Event of Default, to collect any and all amounts or portions thereof due under any and all Collateral, including endorsing the name of the Borrower on checks and other instruments representing Collections and enforcing such Collateral. Notwithstanding anything to the contrary contained in this subsection, none of the powers conferred upon such attorney-in-fact pursuant to the preceding sentence shall subject such attorney-in-fact to any liability if any action taken by it shall prove to be inadequate or invalid, nor shall they confer any obligations upon such attorney-in-fact in any manner whatsoever.

(c) The Servicer hereby authorizes the Administrative Agent (on behalf of the Secured Parties), and irrevocably appoints the Administrative Agent as its attorney-in-fact with full power of substitution and with full authority in the place and stead of the Servicer, which appointment is coupled with an interest, to take any and all steps in the name of the Servicer and on behalf of the Servicer necessary or desirable, in the reasonable determination of the Administrative Agent, after the occurrence and during the continuation of an Event of Default, to collect any and all amounts or portions thereof due under any and all Collateral, including endorsing the name of the Servicer on checks and other instruments representing Collections and enforcing such Collateral. Notwithstanding anything to the contrary contained in this subsection, none of the powers conferred upon such attorney-in-fact pursuant to the preceding sentence shall subject such attorney-in-fact to any liability if any action taken by it shall prove to be inadequate or invalid, nor shall they confer any obligations upon such attorney-in-fact in any manner whatsoever.

SECTION 8.05. Responsibilities of the Borrower.

(a) Anything herein to the contrary notwithstanding, the Borrower shall: (i) perform all of its obligations, if any, under the Contracts related to the Pool Receivables to the same extent as if interests in such Pool Receivables had not been transferred hereunder, and the exercise by the Administrative Agent, or any other Credit Party of their respective rights hereunder shall not relieve the Borrower from such obligations and (ii) pay when due any Taxes, including any sales taxes, payable in connection with the Pool Receivables and their creation and satisfaction. None of the Credit Parties shall have any obligation or liability with respect to any Collateral, nor shall any of them be obligated to perform any of the obligations of the Borrower, the Servicer or any Originator thereunder.

(b) Traeger hereby irrevocably agrees that if at any time it shall cease to be the Servicer hereunder, it shall act (if the then-current Servicer so requests) as the data-processing agent of the Servicer and, in such capacity, Traeger shall conduct the data-processing functions of the administration of the Receivables and the Collections thereon in substantially the same way that Traeger conducted such data-processing functions while it acted as the Servicer. In connection with any such processing functions, the Borrower shall pay to Traeger its reasonable out-of-pocket costs and expenses from the Borrower's own funds (subject to the priority of payments set forth in Section 3.01).

SECTION 8.06. Servicing Fee.

(a) Subject to clause (b) below, the Borrower shall pay the Servicer a fee (the "Servicing Fee") equal to 1.00% per annum (the "Servicing Fee Rate") of the average of the aggregate Unpaid Balance of the Pool Receivables on the first day of the Settlement Period and the last day of the Settlement Period. Accrued Servicing Fees shall be payable from Collections to the extent of available funds in accordance with Section 3.01(a).

(b) If the Servicer ceases to be Traeger or an Affiliate thereof, the Servicing Fee shall be the greater of: (i) the amount calculated pursuant to clause (a) above and (ii) an alternative amount specified by the successor Servicer not to exceed 110% of the aggregate reasonable costs and expenses incurred by such successor Servicer in connection with the performance of its obligations as Servicer hereunder.

~~SECTION 8.07. Excluded Obligors.~~

~~(a) So long as each of the Exclusion Conditions shall be satisfied, the Servicer may, from time to time, request that certain Obligors be designated as Excluded Obligors by delivering an Excluded Obligor Request to the Administrative Agent, which Excluded Obligor Request shall (i) list the names of such proposed Excluded Obligors; (ii) specify the proposed Excluded Obligor Date with respect to such proposed Excluded Obligors (which date shall be no less than ten (10) Business Days following the date of such Excluded Obligor Request) and (iii) include a pro forma Monthly Report reflecting the proposed exclusion of such Excluded Obligors and the aging balance for the Receivables of each proposed Excluded Obligors. For purposes of this Section 8.07, "Exclusion Conditions" means, as of any date of determination, the satisfaction of all of the following conditions on such date:~~

(i) no Event of Default or Unmatured Event of Default has occurred and is continuing, or would result from the proposed designation of such Obligors as Excluded Obligors;

(ii) after giving effect to such proposed designation of such Obligors as Excluded Obligors, no Borrowing Base Deficit exists or would exist;

(iii) the Termination Date has not occurred;

(iv) the designation of such Obligors as Excluded Obligors is necessary to permit Traeger's continuing compliance with Sections 7.02 and 7.05 of each of the First Lien Credit Agreement and the Second Lien Credit Agreement (the "Subject Credit Agreement Covenants");

(v) the selection of such proposed Excluded Obligors has been made in a manner that (x) is not adverse to the Borrower or the Secured Parties and (y) to the extent reasonably practicable, minimizes any resulting reduction in the Borrowing Base, in each case, as reasonably determined by the Administrative Agent; and

(vi) after giving effect to such proposed designation of such Obligors as Excluded Obligors, the pro forma Monthly Report prepared by the Servicer projects that the aggregate Unpaid Balance of Receivables in the Receivables Pool will not be less than $90,000,000.

(b) So long as (i) as of the applicable Excluded Obligor Date and after giving effect to such Obligor's designation as an Excluded Obligor, each of the Exclusion Conditions have been satisfied and (ii) the Administrative Agent has acknowledged in writing to such Obligor's designation as an Excluded Obligor, such acknowledgement not to be unreasonably withheld, then upon the countersignature by the Administrative Agent of such Excluded Obligor Request, such proposed Excluded Obligor shall constitute an Excluded Obligor as of the related Excluded Obligor Date and shall no longer constitute an Obligor for purposes of the Transaction Documents except with respect to Receivables originated prior to the Excluded Obligor Date.

(c) Each of the parties hereto hereby acknowledge and agree that no Receivable, the Obligor of which is an Excluded Obligor, that was originated prior to the related Excluded Obligor Date shall be transferred and assigned by the Borrower to the related Originator or any other Person and all such Receivables shall remain in the Receivables Pool; provided, that such Receivables shall cease to constitute Eligible Receivables. However, any Receivable, the Obligor of which is an Excluded Obligor, that was originated after the related Excluded Obligor Date shall not be part of the Receivables Pool hereunder.

(d) On and after the applicable Excluded Obligor Date with respect to any Excluded Obligor, the Servicer shall instruct such Excluded Obligor to cease making payments with respect to any Excluded Receivables to any Collection Account.

(e) Traeger covenants and agrees that it shall not amend the First Lien Credit Agreement in any manner that would reduce (directly or indirectly) the scope or amount of any exclusions from any negative covenants set forth in the Subject Credit Agreement Covenants or would be otherwise adverse to the Borrower's continuing compliance with the Subject Credit Agreement Covenants.

ARTICLE IX

EVENTS OF DEFAULT

SECTION 9.01. Events of Default. If any of the following events (each an "Event of Default") shall occur:

(a) (i) any Traeger Party shall fail to perform or observe any term, covenant or agreement under this Agreement or any other Transaction Document (other than any such failure which would constitute an Event of Default under paragraph (c) or clause (ii) or (iii) of this paragraph (a)), and such failure, solely to the extent capable of cure, shall continue for fifteen (15) days, (ii) any Traeger Party shall fail to make any payment or deposit or transfer any monies to be made by it hereunder or under any other Transaction Document as and when due and such failure is not remedied within two (2) Business Days or (iii) Traeger shall resign as Servicer, and no successor Servicer reasonably satisfactory to the Administrative Agent shall have been appointed;

SECTION 10.01. Authorization and Action. Each Credit Party hereby appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent by the terms hereof, together with such powers as are reasonably incidental thereto. The Administrative Agent shall not have any duties other than those expressly set forth in the Transaction Documents, and no implied obligations or liabilities shall be read into any Transaction Document, or otherwise exist, against the Administrative Agent. The Administrative Agent does not assume, nor shall it be deemed to have assumed, any obligation to, or relationship of trust or agency with, the Borrower or any Affiliate thereof or any Credit Party except for any obligations expressly set forth herein. Notwithstanding any provision of this Agreement or any other Transaction Document, in no event shall the Administrative Agent ever be required to take any action which exposes the Administrative Agent to personal liability or which is contrary to any provision of any Transaction Document or Applicable Law.

SECTION 10.02. Administrative Agent's Reliance, Etc. Neither the Administrative Agent nor any of its directors, officers, agents or employees shall be liable for any action taken or omitted to be taken by it or them as Administrative Agent under or in connection with this Agreement (including, without limitation, the Administrative Agent's servicing, administering or collecting Pool Receivables in the event it replaces the Servicer in such capacity pursuant to Section 8.01), in the absence of its or their own gross negligence or willful misconduct. Without limiting the generality of the foregoing, the Administrative Agent: (a) may consult with legal counsel (including counsel for any Credit Party or the Servicer), independent certified public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts; (b) makes no warranty or representation to any Credit Party (whether written or oral) and shall not be responsible to any Credit Party for any statements, warranties or representations (whether written or oral) made by any other party in or in connection with this Agreement; (c) shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement on the part of any Credit Party or to inspect the property (including the books and records) of any Credit Party; (d) shall not be responsible to any Credit Party for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other instrument or document furnished pursuant hereto; and (e) shall be entitled to rely, and shall be fully protected in so relying, upon any notice (including notice by telephone), consent, certificate or other instrument or writing (which may be by facsimile) believed by it to be genuine and signed or sent by the proper party or parties.

SECTION 10.03. Administrative Agent and Affiliates. With respect to any Credit Extension or interests therein owned by any Credit Party that is also the Administrative Agent, such Credit Party shall have the same rights and powers under this Agreement as any other Credit Party and may exercise the same as though it were not the Administrative Agent. The Administrative Agent and any of its Affiliates may generally engage in any kind of business with the Borrower or any Affiliate thereof and any Person who may do business with or own securities of the Borrower or any Affiliate thereof, all as if the Administrative Agent were not the Administrative Agent hereunder and without any duty to account therefor to any other Secured Party.

SECTION 10.04. Indemnification of Administrative Agent. Each Committed Lender agrees to indemnify the Administrative Agent (to the extent not reimbursed by the Borrower or any Affiliate thereof), ratably according to the respective Percentage of such Committed Lender, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Administrative Agent in any way relating to or arising out of this Agreement or any other Transaction Document or any action taken or omitted by the Administrative Agent under this Agreement or any other Transaction Document; provided that no Committed Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's gross negligence or willful misconduct.

SECTION 10.05. Delegation of Duties. The Administrative Agent may execute any of its duties through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

SECTION 10.06. Action or Inaction by Administrative Agent. The Administrative Agent shall in all cases be fully justified in failing or refusing to take action under any Transaction Document unless it shall first receive such advice or concurrence of the Group Agents or the Majority Group Agents, as the case may be, and assurance of its indemnification by the Committed Lenders, as it deems appropriate. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Transaction Document in accordance with a request or at the direction of the Group Agents or the Majority Group Agents, as the case may be, and such request or direction and any action taken or failure to act pursuant thereto shall be binding upon all Credit Parties. The Credit Parties and the Administrative Agent agree that unless any action to be taken by the Administrative Agent under a Transaction Document (i) specifically requires the advice or concurrence of all Group Agents or (ii) may be taken by the Administrative Agent alone or without any advice or concurrence of any Group Agent, then the Administrative Agent may take action based upon the advice or concurrence of the Majority Group Agents.

SECTION 10.07. Notice of Events of Default; Action by Administrative Agent. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Unmatured Event of Default or Event of Default unless the Administrative Agent has received notice from any Credit Party or the Borrower stating that an Unmatured Event of Default or Event of Default has occurred hereunder and describing such Unmatured Event of Default or Event of

Default. If the Administrative Agent receives such a notice, it shall promptly give notice thereof to each Group Agent, whereupon each Group Agent shall promptly give notice thereof to its respective Conduit Lender(s) and Related Committed Lender(s). The Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, concerning an Unmatured Event of Default or Event of Default or any other matter hereunder as the Administrative Agent deems advisable and in the best interests of the Secured Parties.

SECTION 10.08. Non-Reliance on Administrative Agent and Other Parties. Each Credit Party expressly acknowledges that neither the Administrative Agent nor any of its directors, officers, agents or employees has made any representations or warranties to it and that no act by the Administrative Agent hereafter taken, including any review of the affairs of the Borrower or any Affiliate thereof, shall be deemed to constitute any representation or warranty by the Administrative Agent. Each Credit Party represents and warrants to the Administrative Agent that, independently and without reliance upon the Administrative Agent or any other Credit Party and based on such documents and information as it has deemed appropriate, it has made and will continue to make its own appraisal of, and investigation into, the business, operations, property, prospects, financial and other conditions and creditworthiness of the Borrower, the Performance Guarantor, each Originator or the Servicer and the Pool Receivables and its own decision to enter into this Agreement and to take, or omit, action under any Transaction Document. Except for items expressly required to be delivered under any Transaction Document by the Administrative Agent to any Credit Party, the Administrative Agent shall not have any duty or responsibility to provide any Credit Party with any information concerning the Borrower, the Performance Guarantor, any Originator or the Servicer that comes into the possession of the Administrative Agent or any of its directors, officers, agents, employees, attorneys-in-fact or Affiliates.

SECTION 10.09. Successor Administrative Agent.

(a) The Administrative Agent may, upon at least thirty (30) days' notice to the Borrower, the Servicer and each Group Agent, resign as Administrative Agent. Except as provided below, such resignation shall not become effective until a successor Administrative Agent is appointed by the Majority Group Agents as a successor Administrative Agent and has accepted such appointment. If no successor Administrative Agent shall have been so appointed by the Majority Group Agents, within thirty (30) days after the departing Administrative Agent's giving of notice of resignation, the departing Administrative Agent may, on behalf of the Secured Parties, appoint a successor Administrative Agent as successor Administrative Agent. If no successor Administrative Agent shall have been so appointed by the Majority Group Agents within sixty (60) days after the departing Administrative Agent's giving of notice of resignation, the departing Administrative Agent may, on behalf of the Secured Parties, petition a court of competent jurisdiction to appoint a successor Administrative Agent.

(b) Upon such acceptance of its appointment as Administrative Agent hereunder by a successor Administrative Agent, such successor Administrative Agent shall succeed to and become vested with all the rights and duties of the resigning Administrative Agent, and the resigning Administrative Agent shall be discharged from its duties and obligations under the Transaction Documents. After any resigning Administrative Agent's resignation hereunder, the provisions of this Article X and Article XII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent.

SECTION 10.10. Erroneous Payments.

(a) If the Administrative Agent notifies a Lender or Secured Party, or any Person who has received funds on behalf of a Lender or Secured Party such Lender (any such Lender, Secured Party or other recipient, a "***Payment Recipient***") that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, Secured Party or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "***Erroneous Payment***") and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such Lender or Secured Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Payment Recipient hereby further agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment (a "***Payment Notice***"), (y) that was not preceded or accompanied by a Payment Notice, or (z) that such Payment Recipient otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part) in each case:

(A) in the case of immediately preceding clauses (x) or (y), an error shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(B) such Lender, Issuing Bank or Secured Party shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of such error) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 10.10(b).

(c) Each Lender or Secured Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender or Secured Party under any Transaction Document, or otherwise payable or distributable by the Administrative Agent to such Lender or Secured Party from any source, against any amount due to the Administrative Agent under immediately preceding clause (a) or under the indemnification provisions of this Agreement.

(d) In the event an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor by the Administrative Agent in accordance with immediately preceding clause (a), from any Lender that has received such Erroneous Payment (or portion thereof) (or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an "***Erroneous Payment Return Deficiency***"), upon the Administrative Agent's request to such Lender at any time, (i) such Lender shall be deemed to have assigned its Loans (but not its Commitments) of the relevant Class with respect to which such Erroneous Payment was made (the "***Erroneous Payment Impacted Class***") in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the "***Erroneous Payment Deficiency Assignment***") at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance), and is hereby (together with the Borrower) deemed to execute and deliver an Assignment and Acceptance Agreement with respect to such Erroneous Payment Deficiency Assignment, (ii) the Administrative Agent as the assignee Lender shall be deemed to acquire the Erroneous Payment Deficiency Assignment, (iii) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender shall cease to be a Lender hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender and (iv) the Administrative Agent may reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. The Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender (and/or against any recipient that receives funds on its respective behalf). For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender and such Commitments shall remain available in accordance with the terms of this Agreement. In addition, each party hereto agrees that, except to the extent that the Administrative Agent has sold a Loan (or portion thereof) acquired pursuant to an Erroneous Payment Deficiency Assignment, and irrespective of whether the Administrative Agent may be equitably subrogated, the Administrative Agent shall be contractually subrogated to all the rights and interests of the applicable Lender or Secured Party under the Loan Documents with respect to each Erroneous Payment Return Deficiency (the "Erroneous Payment Subrogation Rights").

(e) The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or Servicer, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower or Servicer for the purpose of making such Erroneous Payment.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including without limitation waiver of any defense based on "discharge for value" or any similar doctrine.

(g) Each party's obligations, agreements and waivers under this Section 4.06 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Borrower Obligations (or any portion thereof) under any Transaction Document.

ARTICLE XI

THE GROUP AGENTS

SECTION 11.01. Authorization and Action. Each Credit Party that belongs to a Group hereby appoints and authorizes the Group Agent for such Group to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to such Group Agent by the terms hereof, together with such powers as are reasonably incidental thereto. No Group Agent shall have any duties other than those expressly set forth in the Transaction Documents, and no implied obligations or liabilities shall be read into any Transaction Document, or otherwise exist, against any Group Agent. No Group Agent assumes, nor shall it be deemed to have assumed, any obligation to, or relationship of trust or agency with the Borrower or any Affiliate thereof, any Lender except for any obligations expressly set forth herein. Notwithstanding any provision of this Agreement or any other Transaction Document, in no event shall any Group Agent ever be required to take any action which exposes such Group Agent to personal liability or which is contrary to any provision of any Transaction Document or Applicable Law.

SECTION 11.02. Group Agent's Reliance, Etc. No Group Agent nor any of its directors, officers, agents or employees shall be liable for any action taken or omitted to be taken by it or them as a Group Agent under or in connection with this Agreement or any other Transaction Documents in the absence of its or their own gross negligence or willful misconduct. Without limiting the generality of the foregoing, a Group Agent: (a) may consult with legal counsel (including counsel for the Administrative Agent, the Borrower or the Servicer), independent certified public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts; (b) makes no warranty or representation to any Credit Party (whether written or oral) and shall not be responsible to any Credit Party for any statements, warranties or representations (whether written or oral) made by any other party in or in connection with this

Agreement or any other Transaction Document; (c) shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement or any other Transaction Document on the part of the Borrower or any Affiliate thereof or any other Person or to inspect the property (including the books and records) of the Borrower or any Affiliate thereof; (d) shall not be responsible to any Credit Party for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Transaction Documents or any other instrument or document furnished pursuant hereto; and (e) shall be entitled to rely, and shall be fully protected in so relying, upon any notice (including notice by telephone), consent, certificate or other instrument or writing (which may be by facsimile) believed by it to be genuine and signed or sent by the proper party or parties.

SECTION 11.03. Group Agent and Affiliates. With respect to any Credit Extension or interests therein owned by any Credit Party that is also a Group Agent, such Credit Party shall have the same rights and powers under this Agreement as any other Lender and may exercise the same as though it were not a Group Agent. A Group Agent and any of its Affiliates may generally engage in any kind of business with the Borrower or any Affiliate thereof and any Person who may do business with or own securities of the Borrower or any Affiliate thereof or any of their respective Affiliates, all as if such Group Agent were not a Group Agent hereunder and without any duty to account therefor to any other Secured Party.

SECTION 11.04. Indemnification of Group Agents. Each Committed Lender in any Group agrees to indemnify the Group Agent for such Group (to the extent not reimbursed by the Borrower or any Affiliate thereof), ratably according to the proportion of the Percentage of such Committed Lender to the aggregate Percentages of all Committed Lenders in such Group, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against such Group Agent in any way relating to or arising out of this Agreement or any other Transaction Document or any action taken or omitted by such Group Agent under this Agreement or any other Transaction Document; provided that no Committed Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Group Agent's gross negligence or willful misconduct.

SECTION 11.05. Delegation of Duties. Each Group Agent may execute any of its duties through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. No Group Agent shall be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

SECTION 11.06. Notice of Events of Default. No Group Agent shall be deemed to have knowledge or notice of the occurrence of any Unmatured Event of Default or Event of Default unless such Group Agent has received notice from the Administrative Agent, any other Group Agent, any other Credit Party, the Servicer or the Borrower stating that an Unmatured Event of Default or Event of Default has occurred hereunder and describing such Unmatured Event of Default or Event of Default. If a Group Agent receives such a notice, it shall promptly give notice thereof to the Credit Parties in its Group and to the Administrative Agent (but only if such notice received by such Group Agent was not sent by the Administrative Agent). A Group Agent may take such action concerning an Unmatured Event of Default or Event of Default as may be directed

by Committed Lenders in its Group representing a majority of the Commitments in such Group (subject to the other provisions of this Article XI), but until such Group Agent receives such directions, such Group Agent may (but shall not be obligated to) take such action, or refrain from taking such action, as such Group Agent deems advisable and in the best interests of the Conduit Lenders and Committed Lenders in its Group.

SECTION 11.07. Non-Reliance on Group Agent and Other Parties. Each Credit Party expressly acknowledges that neither the Group Agent for its Group nor any of such Group Agent's directors, officers, agents or employees has made any representations or warranties to it and that no act by such Group Agent hereafter taken, including any review of the affairs of the Borrower or any Affiliate thereof, shall be deemed to constitute any representation or warranty by such Group Agent. Each Credit Party represents and warrants to the Group Agent for its Group that, independently and without reliance upon such Group Agent, any other Group Agent, the Administrative Agent or any other Credit Party and based on such documents and information as it has deemed appropriate, it has made and will continue to make its own appraisal of, and investigation into, the business, operations, property, prospects, financial and other conditions and creditworthiness of the Borrower or any Affiliate thereof and the Receivables and its own decision to enter into this Agreement and to take, or omit, action under any Transaction Document. Except for items expressly required to be delivered under any Transaction Document by a Group Agent to any Credit Party in its Group, no Group Agent shall have any duty or responsibility to provide any Credit Party in its Group with any information concerning the Borrower or any Affiliate thereof that comes into the possession of such Group Agent or any of its directors, officers, agents, employees, attorneys-in-fact or Affiliates.

SECTION 11.08. Successor Group Agent. Any Group Agent may, upon at least thirty (30) days' notice to the Administrative Agent, the Borrower, the Servicer and the Credit Parties in its Group, resign as Group Agent for its Group. Upon such acceptance of its appointment as Group Agent for such Group hereunder by a successor Group Agent, such successor Group Agent shall succeed to and become vested with all the rights and duties of the resigning Group Agent, and the resigning Group Agent shall be discharged from its duties and obligations under the Transaction Documents. After any resigning Group Agent's resignation hereunder, the provisions of this Article XI and Article XII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was a Group Agent.

SECTION 11.09. Reliance on Group Agent. Unless otherwise advised in writing by a Group Agent or by any Credit Party in such Group Agent's Group, each party to this Agreement may assume that (i) such Group Agent is acting for the benefit and on behalf of each of the Credit Parties in its Group, as well as for the benefit of each assignee or other transferee from any such Person and (ii) each action taken by such Group Agent has been duly authorized and approved by all necessary action on the part of the Credit Parties in its Group.

INDEMNIFICATION

SECTION 12.01. Indemnification by the Borrower.

(a) Without limiting any other rights that the Administrative Agent, the Credit Parties, the Affected Persons and their respective assigns, officers, directors, agents and employees (each, a "Borrower Indemnified Party") may have hereunder or under Applicable Law, the Borrower hereby agrees to indemnify each Borrower Indemnified Party from and against any and all claims, losses and liabilities (including Attorney Costs) (all of the foregoing being collectively referred to as "Borrower Indemnified Amounts") arising out of or resulting from this Agreement or any other Transaction Document or the use of proceeds of the Credit Extensions or the security interest in respect of any Pool Receivable or any other Collateral; excluding, however, (a) Borrower Indemnified Amounts to the extent a final non-appealable judgment of a court of competent jurisdiction holds that such Borrower Indemnified Amounts resulted solely from the gross negligence or willful misconduct by such Borrower Indemnified Party seeking indemnification and (b) Taxes that are covered by Section 4.03 (other than Taxes specifically enumerated below). Without limiting or being limited by the foregoing, the Borrower shall pay on demand (it being understood that if any portion of such payment obligation is made from Collections, such payment will be made at the time and in the order of priority set forth in Section 3.01), to the Borrower Indemnified Party any and all amounts necessary to indemnify the Borrower Indemnified Party from and against any and all Borrower Indemnified Amounts relating to or resulting from any of the following (but excluding Borrower Indemnified Amounts and Taxes described in clauses (a) and (b) above):

(i) any Pool Receivable which the Borrower or the Servicer includes as an Eligible Receivable as part of the Net Receivable Pool Balance but which is not an Eligible Receivable at such time;

(ii) any representation, warranty or statement made or deemed made by the Borrower (or any of its respective officers) under or in connection with this Agreement or any of the other Transaction Documents (including in any report or certificate required to be delivered under any Transaction Document) shall have been untrue or incorrect when made or deemed made;

(iii) the failure by the Borrower to comply with any Applicable Law with respect to any Pool Receivable or the related Contract; or the failure of any Pool Receivable or the related Contract to conform to any such Applicable Law;

(iv) the failure to vest in the Administrative Agent a first priority perfected security interest in all or any portion of the Collateral, in each case free and clear of any Adverse Claim;

(v) the failure to have filed, or any delay in filing, financing statements, financing statement amendments, continuation statements or other similar instruments or documents under the UCC of any applicable jurisdiction or other Applicable Laws with respect to any Pool Receivable and the other Collateral and Collections in respect thereof, whether at the time of any Credit Extension or at any subsequent time;

(vi) any dispute, claim, offset or defense (other than discharge in bankruptcy) of an Obligor to the payment of any Pool Receivable (including, without limitation, a defense based on such Pool Receivable or the related Contract not being a

legal, valid and binding obligation of such Obligor enforceable against it in accordance with its terms), or any other claim resulting from or relating to collection activities with respect to such Pool Receivable or the furnishing or failure to furnish any such goods or services or other similar claim or defense not arising from the financial inability of any Obligor to pay undisputed indebtedness;

(vii) any Taxes imposed upon the Borrower Indemnified Party relating to or with respect to any Pool Receivable or other Collateral, and any reasonable costs and expenses relating thereto or arising therefrom;

(viii) any failure of the Borrower to timely and fully comply with the Credit and Collection Policy in regard to each Pool Receivable;

(ix) any products liability, environmental or other claim arising out of or in connection with any Pool Receivable or other merchandise, goods or services which are the subject of or related to any Pool Receivable;

(x) the commingling of Collections of Pool Receivables at any time with other funds;

(xi) any investigation, litigation or proceeding (actual or threatened) related to this Agreement or any other Transaction Document or the use of proceeds of any Credit Extensions or in respect of any Pool Receivable or other Collateral or any related Contract;

(xii) any failure of the Borrower to comply with its covenants, obligations and agreements contained in this Agreement or any other Transaction Document;

(xiii) any setoff with respect to any Pool Receivable;

(xiv) any claim brought by any Person other than the Borrower Indemnified Party arising from any activity by the Borrower or any Affiliate of the Borrower in servicing, administering or collecting any Pool Receivable;

(xv) [Reserved]

(xvi) any failure of an Collection Account Bank to comply with the terms of the applicable Collection Account Control Agreement, the termination by a Collection Account Bank of any Collection Account Control Agreement or any amounts (including in respect of an indemnity) payable by the Administrative Agent to a Collection Account Bank under any Collection Account Control Agreement;

(xvii) [Reserved];

(xviii) any action taken by the Administrative Agent as attorney-in-fact for the Borrower, any Originator or the Servicer pursuant to this Agreement or any other Transaction Document;

(xix) the failure or delay to provide any Obligor with an invoice or other evidence of indebtedness;

(xx) any civil penalty or fine assessed by OFAC or any other Governmental Authority administering any Anti-Corruption Law or Sanctions, and all reasonable costs and expenses (including reasonable documented legal fees and disbursements) incurred in connection with defense thereof by, the Borrower Indemnified Party in connection with the Transaction Documents as a result of any action of any Traeger Party or any of their respective Affiliates;

(xxi) the use of proceeds of any Credit Extension; or

(xxii) any reduction in Capital as a result of the distribution of Collections if all or a portion of such distributions shall thereafter be rescinded or otherwise must be returned for any reason.

(b) Notwithstanding anything to the contrary in this Agreement, solely for purposes of the Borrower's indemnification obligations in clauses (ii), (iii), (viii) and (xii) of this Article XII, any representation, warranty or covenant qualified by the occurrence or non-occurrence of a Material Adverse Effect or similar concepts of materiality shall be deemed to be not so qualified.

(c) If for any reason the foregoing indemnification is unavailable to any Borrower Indemnified Party or insufficient to hold it harmless for any Borrower Indemnified Amount, then the Borrower shall contribute to such Borrower Indemnified Party the amount paid or payable by such Borrower Indemnified Party as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect the relative economic interests of the Borrower and its Affiliates on the one hand and such Borrower Indemnified Party on the other hand in the matters contemplated by this Agreement as well as the relative fault of the Borrower and its Affiliates and such Borrower Indemnified Party with respect to such loss, claim, damage or liability and any other relevant equitable considerations. The reimbursement, indemnity and contribution obligations of the Borrower under this Section shall be in addition to any liability which the Borrower may otherwise have, shall extend upon the same terms and conditions to each Borrower Indemnified Party, and shall be binding upon and inure to the benefit of any successors, assigns, heirs and personal representatives of the Borrower and the Borrower Indemnified Parties.

(d) Any indemnification or contribution under this Section shall survive the termination of this Agreement.

SECTION 12.02. Indemnification by the Servicer.

(a) The Servicer hereby agrees to indemnify and hold harmless the Borrower, the Administrative Agent, the Credit Parties, the Affected Persons and their respective assigns, officers, directors, agents and employees (each, a "Servicer Indemnified Party"), from and against any loss, liability, expense, damage or injury suffered or sustained by reason of any acts, omissions or alleged acts or omissions arising out of activities of the Servicer pursuant to this Agreement or any other Transaction Document, including any judgment, award, settlement, Attorney Costs and other costs or expenses incurred in connection with the defense of any actual or threatened action,

proceeding or claim (all of the foregoing being collectively referred to as, "Servicer Indemnified Amounts"); excluding (i) Servicer Indemnified Amounts to the extent a final non-appealable judgment of a court of competent jurisdiction holds that such Servicer Indemnified Amounts resulted solely from the gross negligence or willful misconduct by such Servicer Indemnified Party seeking indemnification and (ii) Servicer Indemnified Amounts to the extent the same includes losses in respect of Pool Receivables that are uncollectible solely on account of the insolvency, bankruptcy, lack of creditworthiness or other financial inability to pay of the related Obligor. Without limiting or being limited by the foregoing, the Servicer shall pay on demand, to each Servicer Indemnified Party any and all amounts necessary to indemnify such Servicer Indemnified Party from and against any and all Servicer Indemnified Amounts relating to or resulting from any of the following (but excluding Servicer Indemnified Amounts described in clauses (i) and (ii) above):

(i) any Pool Receivable which the Servicer includes as an Eligible Receivable as part of the Net Receivable Pool Balance but which is not an Eligible Receivable at such time;

(ii) any representation, warranty or statement made or deemed made by the Servicer (or any of its respective officers) under or in connection with this Agreement or any of the other Transaction Documents (including in any report or certificate required to be delivered under any Transaction Document) shall have been untrue or incorrect when made or deemed made;

(iii) the failure by the Servicer to comply with any Applicable Law with respect to any Pool Receivable or the related Contract;

(iv) the failure by any Pool Receivable or the related Contract to conform to any Applicable Law;

(v) any civil penalty or fine assessed by OFAC or any other Governmental Authority administering any Anti-Corruption Law or Sanctions, and all reasonable costs and expenses (including reasonable documented legal fees and disbursements) incurred in connection with defense thereof by, any Servicer Indemnified Party in connection with the Transaction Documents as a result of any action of any Traeger Party or any of their respective Affiliates;

(vi) any failure of a Collection Account Bank to comply with the terms of the applicable Account Control Agreement, the termination by a Collection Account Bank of any Account Control Agreement or any amounts (including in respect of an indemnity) payable by the Administrative Agent to a Collection Account Bank under any Account Control Agreement;

(vii) any breach of the representations and warranties under Section 6.01(z) or the covenants under Section 7.01(bb);

(viii) any liability of the Borrower under Section 4.03; or

(ix) any failure of the Servicer to comply with its covenants, obligations and agreements contained in this Agreement or any other Transaction Document.

(b) If for any reason the foregoing indemnification is unavailable to any Servicer Indemnified Party or insufficient to hold it harmless, then the Servicer shall contribute to the amount paid or payable by such Servicer Indemnified Party as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect the relative economic interests of the Servicer and its Affiliates on the one hand and such Servicer Indemnified Party on the other hand in the matters contemplated by this Agreement as well as the relative fault of the Servicer and its Affiliates and such Servicer Indemnified Party with respect to such loss, claim, damage or liability and any other relevant equitable considerations. The reimbursement, indemnity and contribution obligations of the Servicer under this Section shall be in addition to any liability which the Servicer may otherwise have, shall extend upon the same terms and conditions to each Servicer Indemnified Party, and shall be binding upon and inure to the benefit of any successors, assigns, heirs and personal representatives of the Servicer and the Servicer Indemnified Parties.

(c) Any indemnification or contribution under this Section shall survive the termination of this Agreement.

ARTICLE XIII

MISCELLANEOUS

SECTION 13.01. Amendments, Etc.

(a) No failure on the part of any Credit Party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. No amendment or waiver of any provision of this Agreement or consent to any departure by any of the Borrower or any Affiliate thereof shall be effective unless in a writing signed by the Administrative Agent and the Majority Group Agents (and, in the case of any amendment, also signed by the Borrower), and then such amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that (A) no amendment, waiver or consent shall, unless in writing and signed by the Servicer, affect the rights or duties of the Servicer under this Agreement; (B) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent and each Group Agent:

(i) change (directly or indirectly) the definitions of, Borrowing Base Deficit, Borrowing Base Deficit, Defaulted Receivable, Delinquent Receivable, Eligible Receivable~~, Excluded Receivables~~, Facility Limit, Final Maturity Date, Net Receivable Pool Balance, Required Reserves or Stress Factor contained in this Agreement, or increase the then existing Specified Concentration Percentage for any Obligor or change the calculation of the Borrowing Base;

(ii) reduce the amount of Capital or Interest that is payable on account of any Loan or with respect to any other Credit Extension or delay any scheduled date for payment thereof;

(iii) change any Event of Default;

(iv) release all or a material portion of the Collateral from the Administrative Agent's security interest created hereunder;

(v) release the Performance Guarantor from any of its obligations under the Performance Guaranty or terminate the Performance Guaranty;

(vi) change any of the provisions of this Section 13.01 or the definition of "Majority Group Agents"; or

(vii) change the order of priority in which Collections are applied pursuant to Section 3.01.

Notwithstanding the foregoing, (A) no amendment, waiver or consent shall increase any Committed Lender's Commitment hereunder without the consent of such Committed Lender and (B) no amendment, waiver or consent shall reduce any Fees payable by the Borrower to any member of any Group or delay the dates on which any such Fees are payable, in either case, without the consent of the Group Agent for such Group.

SECTION 13.02. Notices, Etc. All notices and other communications hereunder shall, unless otherwise stated herein, be in writing (which shall include facsimile and email communication) and faxed, emailed or delivered, to each party hereto, at its address set forth under its name on Schedule III hereto or at such other address, facsimile number or email address as shall be designated by such party in a written notice to the other parties hereto. Notices and communications by facsimile or email shall be effective when sent receipt confirmed by electronic or other means (such as by the "return receipt requested" function, as available, return electronic mail or other acknowledgement), and notices and communications sent by other means shall be effective when received.

SECTION 13.03. Assignability.

(a) Assignment by Conduit Lenders. This Agreement and the rights of each Conduit Lender hereunder (including each Loan made by it hereunder) shall be assignable by such Conduit Lender and its successors and permitted assigns (i) to any Program Support Provider of such Conduit Lender without prior notice to or consent from the Borrower or any other party, or any other condition or restriction of any kind, (ii) to any other Lender with prior notice to the Borrower but without consent from the Borrower or (iii) with the prior written consent of the Borrower (such consent not to be unreasonably withheld, conditioned or delayed; provided, however, that such consent shall not be required if an Event of Default has occurred and is continuing), to any other Eligible Assignee. Each assignor of a Loan or any interest therein may, in connection with the assignment or participation, disclose to the assignee or Participant any information relating to the Borrower and its Affiliates, including the Receivables, furnished to such assignor by or on behalf of the Borrower and its Affiliates or by the Administrative Agent;

provided that, prior to any such disclosure, the assignee or Participant agrees to preserve the confidentiality of any confidential information relating to the Borrower and its Affiliates received by it from any of the foregoing entities in a manner consistent with Section 13.06(b).

(b) Assignment by Committed Lenders. Each Committed Lender may assign to any Eligible Assignee or to any other Committed Lender all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitment and any Loan or interests therein owned by it); provided, however that

(i) except for an assignment by a Committed Lender to either an Affiliate of such Committed Lender or any other Committed Lender, each such assignment shall require the prior written consent of the Borrower (such consent not to be unreasonably withheld, conditioned or delayed; provided, however, that such consent shall not be required if an Event of Default has occurred and is continuing);

(ii) each such assignment shall be of a constant, and not a varying, percentage of all rights and obligations under this Agreement; and

(iii) the parties to each such assignment shall execute and deliver to the Administrative Agent, for its acceptance and recording in the Register, an Assignment and Acceptance Agreement.

Upon such execution, delivery, acceptance and recording from and after the effective date specified in such Assignment and Acceptance Agreement, (x) the assignee thereunder shall be a party to this Agreement, and to the extent that rights and obligations under this Agreement have been assigned to it pursuant to such Assignment and Acceptance Agreement, have the rights and obligations of a Committed Lender hereunder and (y) the assigning Committed Lender shall, to the extent that rights and obligations have been assigned by it pursuant to such Assignment and Acceptance Agreement, relinquish such rights and be released from such obligations under this Agreement (and, in the case of an Assignment and Acceptance Agreement covering all or the remaining portion of an assigning Committed Lender's rights and obligations under this Agreement, such Committed Lender shall cease to be a party hereto).

(c) Register. The Administrative Agent shall, acting solely for this purpose as an agent of the Borrower, maintain at its address referred to on Schedule III of this Agreement (or such other address of the Administrative Agent notified by the Administrative Agent to the other parties hereto) a copy of each Assignment and Acceptance Agreement delivered to and accepted by it and a register for the recordation of the names and addresses of the Committed Lenders and the Conduit Lenders, the Commitment of each Committed Lender and the aggregate outstanding Capital (and stated interest) of the Loans of each Conduit Lender and Committed Lender from time to time (the "Register"). The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrower, the Servicer, the Administrative Agent, the Group Agents, and the other Credit Parties shall treat each Person whose name is recorded in the Register pursuant to the terms of this Agreement as a Committed Lender or Conduit Lender, as the case may be, under this Agreement for all purposes of this Agreement. The Register shall be available for inspection by the Borrower, the Servicer, any Group Agent, any Conduit Lender or any Committed Lender at any reasonable time and from time to time upon reasonable prior notice.

(d) Procedure. Upon its receipt of an Assignment and Acceptance Agreement executed and delivered by an assigning Committed Lender and an Eligible Assignee or assignee Committed Lender, the Administrative Agent shall, if such Assignment and Acceptance Agreement has been duly completed, (i) accept such Assignment and Acceptance Agreement, (ii) record the information contained therein in the Register and (iii) give prompt notice thereof to the Borrower and the Servicer.

(e) Participations. Each Committed Lender may sell participations to one or more Eligible Assignees (each, a "Participant") in or to all or a portion of its rights and/or obligations under this Agreement (including, without limitation, all or a portion of its Commitment and the interests in the Loans owned by it); provided, however, that

(i) such Committed Lender's obligations under this Agreement (including, without limitation, its Commitment to the Borrower hereunder) shall remain unchanged, and

(ii) such Committed Lender shall remain solely responsible to the other parties to this Agreement for the performance of such obligations.

The Administrative Agent, the Group Agents, the Conduit Lenders, the other Committed Lenders, the Borrower and the Servicer shall have the right to continue to deal solely and directly with such Committed Lender in connection with such Committed Lender's rights and obligations under this Agreement. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 4.01 and 4.03 (subject to the requirements and limitations therein, including the requirements under Section 4.03(f) (it being understood that the documentation required under Section 4.03(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant shall not be entitled to receive any greater payment under Section 4.01 or 4.03, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation.

(f) Participant Register. Each Committed Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided that no Committed Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or its other obligations under any this Agreement) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Committed Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(g) Assignments by Agents. This Agreement and the rights and obligations of the Administrative Agent and each Group Agent herein shall be assignable by the Administrative Agent or such Group Agent, as the case may be, and its successors and assigns; provided that in the case of an assignment to a Person that is not an Affiliate of the Administrative Agent or such Group Agent, so long as no Event of Default or Unmatured Event of Default has occurred and is continuing, such assignment shall require the Borrower's consent (not to be unreasonably withheld, conditioned or delayed).

(h) Assignments by the Borrower or the Servicer. Neither the Borrower nor, except as provided in Section 8.01, the Servicer may assign any of its respective rights or obligations hereunder or any interest herein without the prior written consent of the Administrative Agent and each Group Agent (such consent to be provided or withheld in the sole discretion of such Person).

(i) Pledge to a Federal Reserve Bank. Notwithstanding anything to the contrary set forth herein, (i) any Lender, Program Support Provider or any of their respective Affiliates may at any time pledge or grant a security interest in all or any portion of its interest in, to and under this Agreement (including, without limitation, rights to payment of Capital and Interest) and any other Transaction Document to secure its obligations to a Federal Reserve Bank, without notice to or the consent of the Borrower, the Servicer, any Affiliate thereof or any Credit Party; provided, however, that that no such pledge shall relieve such assignor of its obligations under this Agreement.

(j) Pledge to a Security Trustee. Notwithstanding anything to the contrary set forth herein, (i) any Lender, Program Support Provider or any of their respective Affiliates may at any time pledge or grant a security interest in all or any portion of its interest in, to and under this Agreement (including, without limitation, rights to payment of Capital and Interest) and any other Transaction Document to a security trustee in connection with the funding by such Person of Loans, without notice to or the consent of the Borrower, the Servicer, any Affiliate thereof or any Credit Party; provided, however, that that no such pledge shall relieve such assignor of its obligations under this Agreement.

SECTION 13.04. Costs and Expenses. In addition to the rights of indemnification granted under Section 12.01 hereof, the Borrower agrees to pay on demand all reasonable out-of-pocket costs and expenses in connection with the preparation, negotiation, execution, delivery and administration of this Agreement, any Program Support Agreement (or any supplement or amendment thereof) related to this Agreement and the other Transaction Documents (together with all amendments, restatements, supplements, consents and waivers, if any, from time to time hereto and thereto), including, without limitation, (i) the reasonable Attorney Costs for the Administrative Agent and the other Credit Parties and any of their respective Affiliates with respect thereto and with respect to advising the Administrative Agent and the other Credit Parties and their respective Affiliates as to their rights and remedies under this Agreement and the other Transaction Documents and (ii) reasonable accountants', auditors' and consultants' fees and expenses for the Administrative Agent and the other Credit Parties and any of their respective Affiliates and the fees and charges of any nationally recognized statistical rating agency incurred in connection with the administration and maintenance of this Agreement or advising the Administrative Agent or any other Credit Party as to their rights and remedies under this Agreement or as to any actual or

reasonably claimed breach of this Agreement or any other Transaction Document. In addition, the Borrower agrees to pay on demand all reasonable out-of-pocket costs and expenses (including reasonable Attorney Costs), of the Administrative Agent and the other Credit Parties and their respective Affiliates, incurred in connection with the enforcement of any of their respective rights or remedies under the provisions of this Agreement and the other Transaction Documents.

SECTION 13.05. No Proceedings; Limitation on Payments.

(a) Each of the parties hereto agrees, for the benefit of the holders of the privately or publicly placed indebtedness for borrowed money of each Conduit Lender, not, prior to the date which is two (2) years and one (1) day after the payment in full of all privately or publicly placed indebtedness for borrowed money of such Conduit Lender outstanding, to acquiesce, petition or otherwise, directly or indirectly, invoke, or cause such Conduit Lender to invoke, the process of any court or any other governmental authority for the purpose of (i) commencing, or sustaining, a case against such Conduit Lender under any federal or state bankruptcy, insolvency or similar law (including the Bankruptcy Code), (ii) appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of such Conduit Lender, or any substantial part of its property, or (iii) ordering the winding up or liquidation of the affairs of such Conduit Lender.

(b) Each of the Servicer, each Group Agent, each Lender and each assignee of a Loan or any interest therein, hereby covenants and agrees that it will not institute against, or join any other Person in instituting against, the Borrower any insolvency proceeding until one year and one day after the Final Payout Date; provided, that the Administrative Agent may take any such action in its sole discretion following the occurrence of an Event of Default.

(c) Notwithstanding any provisions contained in this Agreement to the contrary, a Conduit Lender shall not, and shall be under no obligation to, pay any amount, if any, payable by it pursuant to this Agreement or any other Transaction Document unless (i) such Conduit Lender has received funds which may be used to make such payment and which funds are not required to repay such Conduit Lender's Notes when due and (ii) after giving effect to such payment, either (x) such Conduit Lender could issue Notes to refinance all of its outstanding Notes and Discretionary Advances (assuming such outstanding Notes and Discretionary Advances matured at such time) in accordance with the program documents governing such Conduit Lender's securitization program or (y) all of such Conduit Lender's Notes and Discretionary Advances are paid in full. Any amount which any Conduit Lender does not pay pursuant to the operation of the preceding sentence shall not constitute a claim (as defined in Section 101 of the Bankruptcy Code) against or company obligation of such Conduit Lender for any such insufficiency unless and until such Conduit Lender satisfies the provisions of clauses (i) and (ii) above. The provisions of this Section 13.05 shall survive any termination of this Agreement.

SECTION 13.06. Confidentiality.

(a) Each of the Borrower and the Servicer covenants and agrees to hold in confidence, and not disclose to any Person, the terms of this Agreement or the Fee Letter (including any fees payable in connection with this Agreement, the Fee Letter or any other Transaction Document or the identity of the Administrative Agent or any other Credit Party), except as the

Administrative Agent and each Group Agent may have consented to in writing prior to any proposed disclosure; provided, however, that it may disclose such information (i) to its Advisors and Representatives, (ii) to the extent such information has become available to the public other than as a result of a disclosure by or through the Borrower, the Servicer or their Advisors and Representatives or (iii) to the extent it should be (A) required by Applicable Law, or in connection with any legal or regulatory proceeding or (B) requested by any Governmental Authority to disclose such information; provided, that, in the case of clause (iii) above, the Borrower and the Servicer will use reasonable efforts to maintain confidentiality and will (unless otherwise prohibited by Applicable Law) notify the Administrative Agent and the affected Credit Party of its intention to make any such disclosure prior to making such disclosure. Each of the Borrower and the Servicer agrees to be responsible for any breach of this Section by its Representatives and Advisors and agrees that its Representatives and Advisors will be advised by it of the confidential nature of such information and shall agree to comply with this Section. Notwithstanding the foregoing, it is expressly agreed that each of the Borrower, the Servicer and their respective Affiliates may publish a press release or otherwise publicly announce the existence and principal amount of the Commitments under this Agreement and the transactions contemplated hereby; provided that the Administrative Agent shall be provided a reasonable opportunity to review such press release or other public announcement prior to its release and provide comment thereon; and provided, further, that no such press release shall name or otherwise identify the Administrative Agent, any other Credit Party or any of their respective Affiliates without such Person's prior written consent (such consent not to be unreasonably withheld, conditioned or delayed). Notwithstanding the foregoing, the Borrower consents to the publication by the Administrative Agent or any other Credit Party of a tombstone or similar advertising material relating to the financing transactions contemplated by this Agreement.

(b) Each of the Administrative Agent and each other Credit Party, severally and with respect to itself only, agrees to hold in confidence, and not disclose to any Person, any confidential and proprietary information concerning the Borrower, the Servicer and their respective Affiliates and their businesses or the terms of this Agreement (including any fees payable in connection with this Agreement or the other Transaction Documents), except as the Borrower or the Servicer may have consented to in writing prior to any proposed disclosure; provided, however, that it may disclose such information (i) to its Advisors and Representatives and to any related Program Support Provider, (ii) to its assignees and Participants and potential assignees and Participants and their respective counsel if they agree in writing to hold it confidential, (iii) to the extent such information has become available to the public other than as a result of a disclosure by or through it or its Representatives or Advisors or any related Program Support Provider, (iv) to any nationally recognized statistical rating organization in connection with obtaining or maintaining the rating of any Conduit Lender's Notes or as contemplated by 17 CFR 240.17g-5(a)(3), (v) at the request of a bank examiner or other regulatory authority or in connection with an examination of any of the Administrative Agent, any Group Agent or any Lender or their respective Affiliates or Program Support Providers or (vi) to the extent it should be (A) required by Applicable Law, or in connection with any legal or regulatory proceeding or (B) requested by any Governmental Authority to disclose such information; provided, that, in the case of clause (vi) above, the Administrative Agent, each Group Agent and each Lender will use reasonable efforts to maintain confidentiality and will (unless otherwise prohibited by Applicable Law) notify the Borrower and the Servicer of its making any such disclosure as promptly as reasonably practicable thereafter. Each of the Administrative Agent, each Group Agent and each

Lender, severally and with respect to itself only, agrees to be responsible for any breach of this Section by its Representatives, Advisors and Program Support Providers and agrees that its Representatives, Advisors and Program Support Providers will be advised by it of the confidential nature of such information and shall agree to comply with this Section.

(c) As used in this Section, (i) "Advisors" means, with respect to any Person, such Person's accountants, attorneys and other confidential advisors and (ii) "Representatives" means, with respect to any Person, such Person's Affiliates, Subsidiaries, directors, managers, officers, employees, members, investors, financing sources, insurers, professional advisors, representatives and agents; *provided* that such Persons shall not be deemed to Representatives of a Person unless (and solely to the extent that) confidential information is furnished to such Person.

(d) Notwithstanding the foregoing, to the extent not inconsistent with applicable securities laws, each party hereto (and each of its employees, Representatives or other agents) may disclose to any and all Persons, without limitation of any kind, the Tax treatment and tax structure (as defined in Section 1.6011-4 of the Treasury Regulations) of the transactions contemplated by the Transaction Documents and all materials of any kind (including opinions or other tax analyses) that are provided to such Person relating to such Tax treatment and Tax structure.

SECTION 13.07. GOVERNING LAW. THIS AGREEMENT, INCLUDING THE RIGHTS AND DUTIES OF THE PARTIES HERETO, SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK (INCLUDING SECTIONS 5-1401 AND 5-1402 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK, BUT WITHOUT REGARD TO ANY OTHER CONFLICTS OF LAW PROVISIONS THEREOF, EXCEPT TO THE EXTENT THAT THE PERFECTION, THE EFFECT OF PERFECTION OR PRIORITY OF THE INTERESTS OF ADMINISTRATIVE AGENT OR ANY LENDER IN THE COLLATERAL IS GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK).

SECTION 13.08. Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same agreement. Delivery of an executed signature page of this Agreement by facsimile transmission, emailed pdf. or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of an original executed counterpart hereof. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include an electronic sound, symbol, or process attached to, or associated with, a contract or other record and adopted by a Person with the intent to sign, authenticate or accept such contract or record, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 13.09. Integration; Binding Effect; Survival of Termination. This Agreement and the other Transaction Documents contain the final and complete integration of all prior expressions by the parties hereto with respect to the subject matter hereof and shall constitute the entire agreement among the parties hereto with respect to the subject matter hereof superseding all prior oral or written understandings. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. This Agreement shall create and constitute the continuing obligations of the parties hereto in accordance with its terms and shall remain in full force and effect until the Final Payout Date; provided, however, that the provisions of Sections 4.01, 4.02, 4.03, 10.04, 10.07, 11.04, 11.06, 12.01, 12.02, 13.04, 13.05, 13.06, 13.09, 13.11 and 13.13 shall survive any termination of this Agreement.

SECTION 13.10. CONSENT TO JURISDICTION. (a) EACH PARTY HERETO HEREBY IRREVOCABLY SUBMITS TO THE EXCLUSIVE JURISDICTION OF ANY NEW YORK STATE OR FEDERAL COURT SITTING IN NEW YORK CITY, NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENT, AND EACH PARTY HERETO HEREBY IRREVOCABLY AGREES THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING SHALL BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE EXTENT PERMITTED BY LAW, IN SUCH FEDERAL COURT. NOTHING IN THIS SECTION 13.10 SHALL AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT OR ANY OTHER CREDIT PARTY TO BRING ANY ACTION OR PROCEEDING AGAINST THE BORROWER OR THE SERVICER OR ANY OF THEIR RESPECTIVE PROPERTY IN THE COURTS OF OTHER JURISDICTIONS. EACH OF THE BORROWER AND THE SERVICER HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT IT MAY EFFECTIVELY DO SO, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING. THE PARTIES HERETO AGREE THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW.

(b) EACH OF THE BORROWER AND THE SERVICER CONSENTS TO THE SERVICE OF ANY AND ALL PROCESS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES OF SUCH PROCESS TO IT AT ITS ADDRESS SPECIFIED IN SECTION 13.02. NOTHING IN THIS SECTION 13.10 SHALL AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT OR ANY OTHER CREDIT PARTY TO SERVE LEGAL PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

SECTION 13.11. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, TRIAL BY JURY IN ANY JUDICIAL PROCEEDING INVOLVING, DIRECTLY OR INDIRECTLY, ANY MATTER (WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE) IN ANY WAY ARISING OUT OF, RELATED TO, OR CONNECTED WITH THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENT.

SECTION 13.12. Ratable Payments. If any Credit Party, whether by setoff or otherwise, has payment made to it with respect to any Borrower Obligations in a greater proportion than that

received by any other Credit Party entitled to receive a ratable share of such Borrower Obligations, such Credit Party agrees, promptly upon demand, to purchase for cash without recourse or warranty a portion of such Borrower Obligations held by the other Credit Parties so that after such purchase each Credit Party will hold its ratable proportion of such Borrower Obligations; provided that if all or any portion of such excess amount is thereafter recovered from such Credit Party, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

SECTION 13.13. Limitation of Liability.

(a) No claim may be made by any Traeger Party against any Credit Party or their respective Affiliates, members, directors, officers, employees, incorporators, attorneys or agents for any special, indirect, consequential or punitive damages in respect of any claim for breach of contract or any other theory of liability arising out of or related to the transactions contemplated by this Agreement or any other Transaction Document, or any act, omission or event occurring in connection herewith or therewith; and each of the Borrower and the Servicer hereby waives, releases, and agrees not to sue upon any claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favor. None of the Credit Parties and their respective Affiliates shall have any liability to the Borrower or any Affiliate thereof or any other Person asserting claims on behalf of or in right of the Borrower or any Affiliate thereof in connection with or as a result of this Agreement or any other Transaction Document or the transactions contemplated hereby or thereby, except to the extent that any losses, claims, damages, liabilities or expenses incurred by the Borrower or any Affiliate thereof result from the breach of contract, gross negligence or willful misconduct of such Credit Party in performing its duties and obligations hereunder and under the other Transaction Documents to which it is a party.

(b) The obligations of the Administrative Agent and each of the other Credit Parties under this Agreement and each of the Transaction Documents are solely the corporate obligations of such Person. No recourse shall be had for any obligation or claim arising out of or based upon this Agreement or any other Transaction Document against any member, director, officer, employee or incorporator of any such Person.

SECTION 13.14. Intent of the Parties. The Borrower has structured this Agreement with the intention that the Loans and the obligations of the Borrower hereunder will be treated under United States federal, and applicable state, local and foreign tax law as debt (the "Intended Tax Treatment"). The Borrower, the Servicer, the Administrative Agent and the other Credit Parties agree to file no tax return, or take any action, inconsistent with the Intended Tax Treatment unless required by law. Each assignee and each Participant acquiring an interest in a Credit Extension, by its acceptance of such assignment or participation, agrees to comply with the immediately preceding sentence.

SECTION 13.15. USA Patriot Act. Each of the Administrative Agent and each of the other Credit Parties hereby notifies the Borrower and the Servicer that pursuant to the requirements of the USA PATRIOT Act, Title III of Pub. L. 107-56 (signed into law October 26, 2001) (the "PATRIOT Act"), the Administrative Agent and the other Credit Parties may be required to obtain, verify and record information that identifies the Borrower, the Performance Guarantor, the Originators and the Servicer, which information includes the name, address, tax identification

number and other information regarding the Borrower, the Performance Guarantor, the Originators and the Servicer that will allow the Administrative Agent and the other Credit Parties to identify the Borrower, the Performance Guarantor, the Originators and the Servicer in accordance with the PATRIOT Act. This notice is given in accordance with the requirements of the PATRIOT Act. Each of the Borrower and the Servicer agrees to provide the Administrative Agent and each other Credit Parties, from time to time, with all documentation and other information required by bank regulatory authorities under "know your customer" and anti-money laundering rules and regulations, including, without limitation, the PATRIOT Act and the Beneficial Ownership Rule.

SECTION 13.16. Right of Setoff. Each Credit Party is hereby authorized (in addition to any other rights it may have), at any time during the continuance of an Event of Default, to setoff, appropriate and apply (without presentment, demand, protest or other notice which are hereby expressly waived) any deposits and any other indebtedness held or owing by such Credit Party (including by any branches or agencies of such Credit Party) to, or for the account of, the Borrower or the Servicer against amounts owing by the Borrower or the Servicer hereunder (even if contingent or unmatured); provided that such Credit Party shall notify the Borrower or the Servicer, as applicable, promptly following such setoff.

SECTION 13.17. Severability. Any provisions of this Agreement which are prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 13.18. Mutual Negotiations. This Agreement and the other Transaction Documents are the product of mutual negotiations by the parties thereto and their counsel, and no party shall be deemed the draftsperson of this Agreement or any other Transaction Document or any provision hereof or thereof or to have provided the same. Accordingly, in the event of any inconsistency or ambiguity of any provision of this Agreement or any other Transaction Document, such inconsistency or ambiguity shall not be interpreted against any party because of such party's involvement in the drafting thereof.

SECTION 13.19. Captions and Cross References. The various captions (including the table of contents) in this Agreement are provided solely for convenience of reference and shall not affect the meaning or interpretation of any provision of this Agreement. Unless otherwise indicated, references in this Agreement to any Section, Schedule or Exhibit are to such Section Schedule or Exhibit to this Agreement, as the case may be, and references in any Section, subsection, or clause to any subsection, clause or subclause are to such subsection, clause or subclause of such Section, subsection or clause.

(b) The parties hereto hereby acknowledge and agree that (i) pursuant to Section 9-204 of the UCC, a security interest (as defined in the UCC, which expressly includes the interest of a buyer of accounts or payment intangibles) may include an interest in after-acquired property and (ii) notwithstanding anything to the contrary set forth herein, the Transfer of Receivables and Related Rights on the Closing Date pursuant to Section 2.2(a) of this Agreement is a present Transfer of Receivables and Related Rights existing on the Closing Date or thereafter arising or acquired (including all Receivables and Related Rights originated or acquired after the Closing Date).

SECTION 2.3 Consideration for Transfers: (a) On the terms and subject to the conditions set forth herein, Transferee agrees to pay the Agreed Value (as hereinafter defined) of each Transferred Receivable to the applicable Originator in accordance with the terms hereof as consideration for the Transfer of such Receivable and the Related Rights; *provided* that with respect to any Transfer of Receivables and Related Rights that constitutes a capital contribution by such Originator to the Transferee, such payment of the Agreed Value shall be a distribution by the Transferee to the applicable Originator with respect to the membership interest of such Originator in the Transferee and shall be (i) subject to Applicable Law with respect to distributions by a limited liability company to its members, including, without limitation, Section 18-607 of the Delaware Limited Liability Company Act, and the organizational documents of the Transferee and (ii) payable solely to the extent that such distribution is permitted under the terms of the Receivables Financing Agreement.

(b) In respect of (i) Transfers on the Closing Date by such Originator hereunder, Transferee shall pay the respective Originators the applicable Agreed Value for the Receivables and the Related Rights within five (5) Business Days after such creation in immediately available funds and (ii) Transfers of Receivables and the Related Rights originated on or after the Closing Date, Transferee shall pay the respective Originators the applicable Agreed Value on such day; provided, however, in the case of clause (i) and clause (ii), (x) that with respect to any Transfer of Receivables and the Related Rights that constitutes a capital contribution by the Originator to the Transferee, such payment of the Agreed Value of each such Subject Receivable may be treated as a cash contribution to the capital of the Transferee that is immediately and simultaneously offset by an equal portion of the Agreed Value payable by the Transferee to such Originator, without physical transfer of any funds, (y) if the Transfer of Receivables and the Related Rights does not constitute a capital contribution by the Originator, to the extent that Transferee does not have funds available to pay the Agreed Value due on any day in cash (such cash insufficiency being a "Deferred Payment"), then until such Deferred Payment is made in cash, the Deferred Payment shall be deemed principal, as applicable to each Originator, of the respective Subordinated Notes, subject to the limitation in Section 2.4(d) below and (z) for administrative convenience, a reconciliation of the Agreed Values payable by the Transferee to each Originator shall be effected on each Settlement Date for all Receivables and Related Rights for which the Transfer occurs during the Fiscal Month most recently ended prior to such Settlement Date; *provided*, however, that each Originator shall maintain (or cause the Servicer to maintain) such

books and records as may be reasonably necessary to ensure that such reconciliation, if requested by the Transferee, may be performed on any Business Day (for any Receivable Transferred on or prior to such Business Day) with commercially reasonable prior notice. The Related Rights with respect to each Receivable shall be Transferred at the same time as such Receivable, whether such Related Rights exist at such time or arise, are acquired or are originated thereafter by the respective Originator.

SECTION 2.4 Agreed Value. (a) The consideration ("Agreed Value") for the Receivables and the Related Rights shall equal, in the case of a contribution, the net book value of the Receivables and the Related Rights, and in the case of a sale, a formula consisting of the face amount of such receivables less a discount factor representing the fair market value of the Receivables and the Related Rights as agreed by each Originator and Transferee at the time of purchase or acquisition. The Agreed Value shall not be adjusted or modified after the applicable purchase date.

(b) On the date of the initial Transfer, Traeger shall Transfer Receivables and the Related Rights to Transferee as a capital contribution in the amount set forth in a written notice on the date thereof from Traeger to Transferee and Administrative Agent.

(c) Transferee shall pay the related Originator the Agreed Value (which may take the form of a declared distribution with respect to contributed Receivables and payment of a purchase price in the amount of the Agreed Value with respect to sold Receivables or may be treated as a cash contribution to the capital of the Transferee that is immediately and simultaneously offset by an equal portion of the Agreed Value payable by the Transferee to such Originator, without physical transfer of any funds) with respect to each Transferred Receivable and the Related Rights, created or acquired by such Originator on the date of Transfer thereof as set forth above by transfer of funds, to the extent that Transferee has funds available for that purpose after satisfying Transferee's obligations under the Receivables Financing Agreement and such payment is not prohibited under the Transaction Documents.

(d) In the case of any Originator (including, in this capacity, Traeger), to the extent that Transferee does not have funds available to pay the Agreed Value due on any day in cash, Transferee shall execute and deliver in the form attached to this Agreement as Exhibit 2.3(d), a subordinated promissory note (each, a "Subordinated Note") in a principal amount equal to such Deferred Payment and payable to the order of such Originator, or shall increase the principal amount of any outstanding Subordinated Note to such Originator by the amount of any Deferred Payment; provided, that the aggregate principal amount of the Subordinated Notes shall not at any time exceed or be permitted to exceed (x) the maximum amount on the Subordinated Notes that could be owed without rendering Borrower's Net Worth less than the Required Capital Amount, (y) the maximum amount on the Subordinated Notes permitted under the terms of the First Lien Credit Agreement or (z) an amount equal to 10.00% of the aggregate Outstanding Balance of all Subject Receivables then included in the Receivables Pool. Each Originator is hereby authorized by Transferee to endorse on the schedule attached to its Subordinated Note an appropriate notation evidencing the date and amount of each advance thereunder, as well as the date of each payment with respect thereto, provided that the failure to make such notation shall not affect any obligation of Transferee thereunder.

(e) To the extent (i) Transferee does not have funds available to pay the Agreed Value due on any day in cash and (ii) any Subordinated Note may not be increased as provided in clause (d) above, Traeger, as an Originator hereunder and as sole member of the Transferee, may elect in its sole discretion to treat Receivables and Related Rights allocable to any Deferred Payment to have been transferred by Traeger to Transferee as a capital contribution, in return for an increase in the value of the equity interest in Transferee held by Traeger, and Traeger shall be deemed to have so elected to make such a capital contribution unless and until Traeger notifies the Transferee and the Administrative Agent in writing that it has elected not to make such capital contributions. Traeger may also, at its option in its sole discretion, contribute cash or cash equivalents to Transferee in return for an increase in the value of the equity interest in Transferee held by Traeger. Servicer may evidence Traeger's election to treat all or any portion of a Deferred Payment as a capital contribution by recording it as such on the books and records of Transferee as maintained by the Servicer, and no further notice or acceptance of any such contribution shall be necessary. For the avoidance of doubt, nothing in this Agreement shall be construed to require Traeger to make any capital contribution to the Transferee. Traeger and Transferee shall each record on its respective books and records any capital contribution made by Traeger to Transferee promptly following its occurrence.

It is the current intention of the parties that each Transfer of Receivables and Related Rights hereunder shall be effected by contribution rather than by a sale for which the purchase price (in the amount of the Agreed Value for each Receivable) is paid in cash and/or by an increase in the principal balance of such Originator's Subordinated Note.

SECTION 2.5 No Recourse or Assumption of Obligations. Except as specifically provided in this Agreement, the Transfer of Receivables and Related Rights under this Agreement shall be without recourse to any Originator. Each Originator and Transferee intend the transactions hereunder to constitute absolute and irrevocable true sales and/or valid contributions of Receivables and the Related Rights by each Originator to Transferee, providing Transferee with the full risks and benefits of ownership of the Receivables and Related Rights (such that the Receivables and the Related Rights would not be property of any Originator's estate in the event of such Originator's bankruptcy). Each Originator and the Transferee have structured the transactions contemplated by this Agreement as a sale and/or contribution, and each Originator and the Transferee agree to treat each such transaction as a "true sale" for all purposes under applicable law and accounting principles, including, without limitation, in their respective books, records, computer files, tax returns (federal, state and local), regulatory and governmental filings (and shall reflect such sale in their respective financial statements).

None of Transferee, Administrative Agent, the Lenders or the other Affected Persons shall have any obligation or liability under any Receivables or Related Rights, nor shall Transferee, Administrative Agent, any Lender or the other Affected Persons have any obligation or liability to any Obligor or other customer or client of any Originator (including any obligation to perform any of the obligations of any Originator under any Receivables or Related Rights).

ARTICLE III

ADMINISTRATION AND COLLECTION

SECTION 3.1 Traeger to Act as Servicer, Contracts. (a) Traeger shall be responsible for the servicing, administration and collection of the Receivables and the Related Rights for the benefit of Transferee and for the benefit of Administrative Agent (as Transferee's assignee) on behalf of the Lenders, all on the terms set out in (and subject to any rights to terminate Traeger as Servicer and appoint a successor Servicer pursuant to) the Receivables Financing Agreement.

(b) Each Originator shall cooperate with Transferee and Servicer in collecting amounts due from Obligors in respect of the Receivables.

(c) Transferee and each Originator hereby grant to Servicer an irrevocable power of attorney, with full power of substitution, coupled with an interest, to take or cause to be taken in the name of Transferee or such Originator, as the case may be, any and all steps which are necessary or advisable to endorse, negotiate, enforce, or otherwise realize on any checks, instruments or other proceeds of the Receivables or other right of any kind held or transmitted by Transferee or such Originator or transmitted or received by Transferee or such Originator in connection with any Receivable and any Related Rights (including under the related records).

(d) Each Originator hereby grants to Transferee and to Administrative Agent, as assignee of Transferee, an irrevocable power of attorney, with full power of substitution, coupled with an interest, to take or cause to be taken in the name of Transferee or such Originator, as the case may be, any and all steps which are necessary or advisable to endorse, negotiate, enforce, or otherwise realize on any checks, instruments or other proceeds of the Receivables or other right of any kind held or transmitted by Transferee or such Originator or transmitted or received by Transferee or such Originator in connection with any Receivable and any Related Rights (including under the related records).

(e) Each Originator shall perform all of its obligations under the Records to the same extent as if the Receivables had not been sold or contributed, as applicable, hereunder and the exercise by each of the Transferee, the Servicer, the Administrative Agent or any of their respective designees of its rights hereunder or under the Receivables Financing Agreement shall not relieve such Originator from such obligations.

SECTION 3.2 Deemed Collections. (a) If on any day:

(i) the Unpaid Balance of any Receivable originated by any Originator is: (A) reduced as a result of any defective or rejected goods or services, any discount, dispute, refunds, netting, rebates or any adjustment or otherwise by any Traeger Party or any Affiliate thereof (other than cash Collections on account of the Receivables) or (B) reduced or canceled as a result of a setoff in respect of any claim by any Person (whether such claim arises out of the same or a related transaction or an unrelated transaction) or any netting by any Person; or

(ii) (A) any of the representations or warranties of any Originator set forth in Section 4.2 is not true with respect to any Receivable at the time made or deemed made, or (B) any Receivable included in any Monthly Report or Interim Report as an Eligible Receivable or in any calculation of Net Receivable Pool Balance as an Eligible Receivable fails to be an Eligible Receivable at the time of such inclusion;

then, on such day, the Originator that sold or contributed such Receivable to Transferee hereunder shall be deemed to have received a Collection of such Receivable:

(1) in the case of clause (i) above, in the amount of such reduction or adjustment; or

(2) in the case of clause (ii) above, in the amount of the entire Unpaid Balance of the relevant Receivable (as determined immediately prior to the applicable event) with respect to which such representations or warranties of any Originator were untrue.

Collections deemed received by any Originator under this Section 3.2(a) are herein referred to as "Deemed Collections".

(b) Such Originator shall transfer to a Collection Account immediately available funds within two (2) Business Days after the event giving rise to such Deemed Collection, an amount equal to (x) if such Deemed Collection occurs prior to the Termination Date and no Event of Default has occurred and is continuing, the lesser of (I) the sum of all Deemed Collections with respect to such reduction, adjustment or breach and (II) an amount necessary to eliminate any Borrowing Base Deficit that exists at such time and (y) if such reduction, adjustment or breach occurs on or after the Termination Date or at any time when an Event of Default has occurred and is continuing, the sum of all Deemed Collections with respect to such reduction, adjustment or breach.

SECTION 3.3 Actions Evidencing Transfers. (a) On or prior to the Closing Date, each Originator (or Servicer, on behalf of Originators) shall take all steps reasonably necessary to ensure that there shall be placed on each data processing report that it generates that is provided to a proposed purchaser or lender to evaluate the Receivables, a legend evidencing that the Pool Receivables have been transferred to the Transferee in accordance with this Agreement and none of the Originators or Servicer shall change or remove such legend without the consent of Transferee and the Administrative Agent, as its assignee. In addition, each Originator agrees that from time to time, at its expense, it will promptly execute and deliver all further instruments and documents, and take all further action that Transferee or the Administrative Agent, as its assignee may reasonably request in order to perfect, protect or more fully evidence the Transfer hereunder, or to enable Transferee or the Administrative Agent, as its assignee to exercise or enforce any of their respective rights with respect to the Receivables and the Related Rights.

Without limiting the generality of the foregoing, each Originator will upon the request of Transferee or its designee:

(i) authorize and file such financing or continuation statements, or amendments thereto or assignments thereof, and such other instruments or notices, as may be necessary or appropriate to perfect the interests of Transferee and Administrative Agent, as its assignee in the Receivables and the Related Rights; and (ii) upon and after the occurrence of an Event of Default or an Unmatured Event of Default, mark conspicuously each Contract (or such Originator's records with respect to such Contract) evidencing each Receivable with a legend, acceptable to Transferee and the Administrative Agent, as its assignee, evidencing that the related Receivables have been Transferred in accordance with this Agreement.

(b) Each Originator hereby authorizes Transferee or its designee (i) to file in the name of such Originator one or more financing statements, and amendments thereto, continuations thereof and assignments thereof, relative to all or any of the Receivables and the Related Rights now existing or hereafter arising and (ii) to the extent permitted by the Receivables Financing Agreement, to notify Obligors of the assignment of the Receivables and the Related Rights.

(c) Without limiting the generality of subsection (a), each Originator shall: authorize and deliver and file or cause to be filed appropriate continuation statements, not earlier than six months and not later than the fifth anniversary of the date of filing of the financing statements filed in connection with the Closing Date or any other financing statement filed pursuant to this Agreement, if the Final Payout Date shall not have occurred.

SECTION 3.4 Application of Collections. Any payment by an Obligor in respect of any indebtedness owed by it shall be applied as specified in writing or otherwise by such Obligor or as required by Applicable Law or by the underlying Contract. If the manner of application of any such payment is not specified by the related Obligor and is not required by Applicable Law or by the underlying Contract, such payment shall, unless Transferee instructs otherwise, be applied: first, as a Collection of any Receivable or Receivables then outstanding of such Obligor, with such Receivables being paid in the order of the oldest first, and, second, to any other indebtedness of such Obligor.

Each Originator will, at such Originator's expense, during regular business hours with reasonable prior written notice (i) permit the Transferee, the Administrative Agent and each Group Agent or their respective agents or representatives to (A) examine and make copies of and abstracts from all books and records relating to the Receivables or Related Rights, (B) visit the offices and properties of such Originator for the purpose of examining such books and records and (C) discuss matters relating to the Receivables, the Related Rights or such Originator's performance hereunder or under the other Transaction Documents to which it is a party with any of the officers, directors, employees or independent public accountants of such Originator having knowledge of such matters and (ii) without limiting the provisions of clause (i) above, during regular business hours, at such Originator's expense, upon reasonable prior written notice from the Transferee or Administrative Agent, permit certified public accountants or other auditors acceptable to the Administrative Agent to conduct a review of its books and records with respect to such

(d) Performance and Compliance with Receivables and Contracts. At its expense, timely and fully perform and comply in all material respects with all provisions, covenants and other promises required to be observed by it under the Contracts and the Receivables, to the same extent as if such Originator's Receivables had not been sold or contributed, as applicable, hereunder and the exercise by each of Transferee, Servicer, Administrative Agent or any of their respective designees of its rights hereunder or under the Receivables Financing Agreement shall not relieve such Originator from such obligations.

Account. If any payments on the Receivables or other Collections are received by any Originator, it shall hold such payments in trust for the benefit of the Administrative Agent, the Group Agents and the other Secured Parties and, at any time after the Applicable Date, promptly (but in any event within two (2) Business Days after receipt) remit such funds into a Collection Account; provided, however, that in the event that any such payments on the Receivables or other Collections are not remitted by an Obligor directly into a Collection Account or a Lock-Box, the applicable Originator (or the Servicer on its behalf) shall notify the applicable Obligor of such failure and shall take commercially reasonable action to ensure that future payments on Receivables owing by such Obligor are remitted by such Obligor directly to a Collection Account or a Lock-Box. (l) Anti-Corruption Laws, Anti-Money Laundering Laws and Sanctions. Ensure that policies and procedures are maintained and enforced by or on behalf of each Traeger Party to promote and achieve compliance by the Traeger Parties and each of their Subsidiaries, Affiliates and their respective directors, officers, employees and agents with Anti-Corruption Laws, Anti-Money Laundering Laws and Sanctions.

SECTION 8.2 No Waiver; Remedies. (a) No failure on the part of Transferee or any Originator Indemnified Party to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. SECTION 8.4 Binding Effect; Assignment. Each Originator acknowledges that institutions providing financing (by way of loans or purchases of Receivables or interests therein) pursuant to the Receivables Financing Agreement may rely upon the terms of this Agreement. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns and shall also, to the extent provided herein, inure to the benefit of the parties to the Receivables Financing Agreement. Each Originator acknowledges that Transferee's rights under this Agreement may be assigned to MUFG or a Lender under the Receivables Financing Agreement, consents to such assignment and to the exercise of those rights directly by MUFG or a Lender to the extent permitted by the Receivables Financing Agreement and acknowledges and agrees that MUFG, individually and as Administrative Agent, a Lender and the other Affected Persons and each of their respective successors and assigns are express third party beneficiaries of this Agreement.

The rights and remedies with respect to any breach of any representation and warranty made by any Originator or Transferee pursuant to Section 3.2, Article IV, the indemnification provisions of Article VII, and the provisions of Sections 8.4, 8.5, 8.6, 8.8, 8.9, 8.10, 8.11, 8.12 and 8.14 shall survive any termination of this Agreement.

SECTION 8.6 Costs and Expenses. In addition to its obligations under Section 7, each Originator, jointly and severally, agrees to pay on demand:

(a) all reasonable out-of-pocket costs and expenses in connection with the preparation, negotiation, execution, delivery and administration of this Agreement and the other Transaction Documents (together with all amendments, restatements, supplements, consents and waivers, if any, from time to time hereto and thereto), including, without limitation, (i) the reasonable Attorney Costs for the Administrative Agent and the other Secured Parties and any of their respective Affiliates with respect thereto and with respect to advising the Administrative Agent and the other Secured Parties and their respective Affiliates as to their rights and remedies under this Agreement and the other Transaction Documents and (ii) reasonable accountants', auditors' and consultants' fees and expenses for the Administrative Agent and the other Secured Parties and any of their respective Affiliates and the fees and charges of any nationally recognized statistical rating agency incurred in connection with the administration and maintenance of this Agreement or advising the Administrative Agent or any other Secured Party as to their rights and remedies under this Agreement or as to any actual or reasonably claimed breach of this Agreement or any other Transaction Document;

(b) Other Taxes, and agrees to indemnify each Originator Indemnified Party and their respective Affiliates against any liabilities for, or resulting from any delay in paying (or failure to pay), such Taxes; and

(c) all out-of-pocket costs and expenses (including Attorney Costs), of the Administrative Agent and the other Secured Parties and their respective Affiliates, incurred in connection with the enforcement of any of their respective rights or remedies under the provisions of this Agreement and the other Transaction Documents.

SECTION 8.7 Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same Agreement. Delivery of an executed signature page of this Agreement by facsimile transmission, emailed pdf. or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of an original executed counterpart hereof. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include an electronic sound, symbol, or process attached to, or associated with, a contract or other record and adopted by a Person with the intent to sign, authenticate or accept such contract or record, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 8.8 Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK (INCLUDING SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW, BUT WITHOUT REGARD TO ANY OTHER CONFLICTS OF LAW PROVISIONS THEREOF, EXCEPT TO THE EXTENT THAT THE PERFECTION, EFFECT OF PERFECTION OR PRIORITY OF THE INTERESTS OF TRANSFEREE IN THE RECEIVABLES OR RELATED RIGHTS IS GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK).

SECTION 8.9 Waiver of Jury Trial. EACH ORIGINATOR AND TRANSFEREE HEREBY EXPRESSLY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS UNDER THIS AGREEMENT, ANY OTHER TRANSACTION DOCUMENT OR UNDER ANY AMENDMENT, INSTRUMENT OR DOCUMENT DELIVERED OR WHICH MAY IN THE FUTURE BE DELIVERED IN CONNECTION HEREWITH OR ARISING FROM ANY BANKING OR OTHER RELATIONSHIP EXISTING IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENT AND AGREES THAT ANY SUCH ACTION OR PROCEEDING SHALL BE TRIED BEFORE A COURT AND NOT A JURY.

SECTION 8.10 Consent to Jurisdiction; Waiver of Immunities. EACH ORIGINATOR AND TRANSFEREE HEREBY ACKNOWLEDGES AND AGREES THAT:

(a) IT IRREVOCABLY (i) SUBMITS TO THE EXCLUSIVE JURISDICTION, FIRST, OF ANY UNITED STATES FEDERAL COURT, AND SECOND, IF FEDERAL JURISDICTION IS NOT AVAILABLE, OF ANY NEW YORK STATE COURT, IN EITHER CASE SITTING IN NEW YORK CITY, NEW

YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENT, (ii) AGREES THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED ONLY IN SUCH NEW YORK STATE OR FEDERAL COURT AND NOT IN ANY OTHER COURT, AND (iii) WAIVES, TO THE FULLEST EXTENT IT MAY EFFECTIVELY DO SO, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING.

(b) TO THE EXTENT THAT IT HAS OR HEREAFTER MAY ACQUIRE ANY IMMUNITY FROM THE JURISDICTION OF ANY COURT OR FROM ANY LEGAL PROCESS (WHETHER THROUGH SERVICE OR NOTICE, ATTACHMENT PRIOR TO JUDGMENT, ATTACHMENT IN AID TO EXECUTION, EXECUTION OR OTHERWISE) WITH RESPECT TO ITSELF OR ITS PROPERTY, IT HEREBY IRREVOCABLY WAIVES SUCH IMMUNITY IN RESPECT OF ITS OBLIGATIONS UNDER OR IN CONNECTION WITH THIS AGREEMENT.

SECTION 8.11 Confidentiality. Each party hereto agrees to comply with, and be bound by, the confidentiality provisions of Section 13.06 of the Receivables Financing Agreement as if they were set forth herein mutatis mutandis.

SECTION 8.12 No Proceedings. Each Originator agrees, for the benefit of the parties to the Receivables Financing Agreement, that it will not institute against Transferee, or join any other Person in instituting against Transferee, any proceeding of a type referred to in the definition of Event of Bankruptcy from the Closing Date until one year and one day after the Final Payout Date. In addition, all amounts payable by Transferee to any Originator pursuant to this Agreement shall be payable solely from funds available for that purpose (after Transferee has satisfied all obligations then due and owing under the Receivables Financing Agreement).

SECTION 8.13 No Recourse Against Other Parties. No recourse under any obligation, covenant or agreement of Transferee contained in this Agreement shall be had against any stockholder, employee, officer, director, member, manager incorporator or organizer of Transferee.

SECTION 8.14 Intention of the Parties.

(a) Absolute Conveyance. It is the intention of the parties to this Agreement that the Transfer of each Originator's right, title and interest in and to the Receivables, the Related Rights and all the proceeds of all of the foregoing to Transferee pursuant to this Agreement shall constitute an absolute and irrevocable purchase and sale and/or capital contribution, as applicable, and not a loan or pledge. Each Originator and the Transferee have structured the transactions contemplated by this Agreement as a sale and/or contribution, and each Originator and the Transferee agree to treat each such transaction as "true sale" for all purposes under applicable law and accounting principles for all purposes under applicable law and accounting principles, including, without limitation, in their respective books, records, computer files, tax returns (federal, state and local), regulatory and governmental filings (and shall reflect such sale in their respective financial statements)

(b) Security Agreement. The parties hereto acknowledge and agree that pursuant to Section 1-201 of the UCC, a "security interest" includes both an interest in personal property that secures an obligation and the interest of a "buyer" of accounts and payment intangibles. Accordingly, (i) if the Transfer is characterized in a manner consistent with the intention of the parties, with respect to the interests of the Transferee as the "buyer" of accounts or payment intangibles constituting part of the Receivables and Related Rights (and all proceeds thereof) and (ii) in the event of any recharacterization by a court of competent jurisdiction under Applicable Law of the Transfer of all or any portion of the Receivables and Related Rights as a lien thereon rather than a sale or absolute contribution thereof, with respect to the lien on the Receivables and Related Rights granted to the Transferee hereunder, this Agreement is a "security agreement" (as defined in Section 9-102 of the UCC) for purposes of Article 9 of the UCC.

SECTION 8.15 Binding Terms in Other Transaction Documents. Each Originator hereby makes for the benefit of Program Support Provider, Administrative Agent, each Lender, each other Secured Party, each of the representations, warranties, covenants, and agreements, and accepts all other binding terms, including the waiver of any rights, which are made applicable to any Originator in any other Transaction Document, each as if the same (together with any provisions incorporated therein by reference) were set forth in full herein.

SECTION 8.16 Joint and Several Liability. Each of the representations, warranties, covenants, obligations, indemnities and other undertakings of any Originator hereunder shall be made jointly and severally, and are joint and several liabilities of each of the Originators hereunder.

SECTION 8.17 Severability. Any provisions of this Agreement which are prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

FORM OF SUBORDINATED NOTE

NON-NEGOTIABLE SUBORDINATED NOTE

as of [ ], 20

FOR VALUE RECEIVED, the undersigned, Traeger SPE LLC, a Delaware limited liability company ("Transferee"), promises to pay to [, a] ("Company"), on the terms and subject to the conditions set forth herein and in the Purchase and Contribution Agreement referred to below, the aggregate unpaid amount of the Agreed Value of all Receivables and Related Rights Transferred and to be Transferred by Transferee pursuant to the Receivables Sale Agreement. Such amount as shown in the records of the Servicer shall be rebuttable presumptive evidence of the principal amount owing under this note (this "Note").

1. Purchase and Contribution Agreement. This note (this "Note") is one of the Subordinated Notes described in Section 2.3(d) of, and is subject to the terms and conditions set forth in, the Purchase and Contribution Agreement, dated as of November 2, 2020 (as the same may be amended, supplemented, or otherwise modified in accordance with its terms, the "Purchase and Contribution Agreement"), among Transferee, as Originator, the Originators party thereto, the Servicer and Transferee. Reference is hereby made to the Purchase and Contribution Agreement for a statement of certain other rights and obligations of Transferee and Company. In the case of any conflict between the terms of this Note and the terms of the Purchase and Contribution Agreement, the terms of the Purchase and Contribution Agreement shall control.

2. Definitions; Interpretation. Capitalized terms used (but not defined) herein have the meanings ascribed thereto in (or by reference in) the Purchase and Contribution Agreement, and this Note shall be interpreted in accordance with Section 1.2 of the Purchase and Contribution Agreement. In addition, as used herein, the following terms have the following meanings:

"Bankruptcy Proceedings" is defined in Section 7 hereof.

"Final Maturity Date" means the date that falls a year and a day after the later of (a) the related Transfer Termination Date and (b) the Final Payout Date (as defined in the Receivables Financing Agreement).

"Junior Liabilities" means all obligations of Transferee under this Note or under any other Subordinated Notes described in Section 2.3(d) of the Purchase and Contribution Agreement.

"Senior Interests" means (a) the security interest granted to Administrative Agent in the Collateral for the benefit of the Secured Parties pursuant to the Receivables Financing Agreement, (b) the Aggregate Capital, (c) all Borrower Obligations and (d) all other obligations of Transferee to the Senior Interest Holders, howsoever created, arising or evidenced, whether direct or indirect, absolute or contingent, now or hereafter existing, or due or to become due on or before the Final Maturity Date.

"Senior Interest Holders" means, collectively, each Lender, each Group Agent, the Administrative Agent and the other Affected Persons (each as defined in the Receivables Financing Agreement) and their permitted assigns.

"Subordination Provisions" is defined in Section 7 hereof.

3. Interest. Subject to the Subordination Provisions, Transferee promises to pay interest on the aggregate unpaid principal amount of this Note outstanding on each day at a variable rate determined to be a fair market rate from time to time by and between Transferee and Company, with reference to market conditions, which rate shall in no instance be lower than the sum of 1%, plus one-month Adjusted LIBOR.

4. Interest Payment Dates. Subject to the Subordination Provisions, Transferee shall pay accrued interest on this Note for each Settlement Period on each Settlement Date (or on such earlier date as Transferee may elect from time to time) and on the Final Maturity Date (as defined in the Receivables Financing Agreement) (or, if any such day is not a Business Day, the next succeeding Business Day). Transferee also shall pay accrued interest on the principal amount of each prepayment hereof on the date of each such prepayment.

5. Basis of Computation. Interest accrued hereunder shall be computed for the actual number of days elapsed on the basis of a 360-day year.

6. Principal Payment Dates. Subject to the Subordination Provisions, any unpaid principal of this Note shall be paid on the Final Maturity Date (or, if such date is not a Business Day, the next succeeding Business Day). Subject to the Subordination Provisions, the principal amount of and accrued interest on this Note may be prepaid on any Business Day without premium or penalty.

7. Subordination Provisions. The obligations under this Note are expressly subordinated in right of payment to the payment and performance of the Senior Interests, and any payment hereunder is pari passu in right of payment and performance to all other Junior Liabilities, to the extent and in the manner set forth in the following clauses of this Section 7 (the "Subordination Provisions"). Transferee covenants and agrees, and Company and any other assignee, transferee or pledgee of this Note (collectively, Company and any such other assignee, transferee or pledgee are called the "Holder"), by its acceptance of any sale, assignment, transfer or pledge of this Note, shall be deemed conclusively to have agreed for the benefit of the Senior Interest Holders, to the Subordination Provisions and the Company and each Holder by its acceptance of this Note shall be bound by such provisions:

(a) No payment or other distribution of Transferee's assets of any kind or character, whether in cash, securities, or other rights or property, shall be made on account of this Note except to the extent such payment or other distribution is either (i) permitted under the Receivables Financing Agreement or (ii) made on or after the Final Maturity Date.

(b) (i) In the event of any dissolution, winding up, liquidation, readjustment, reorganization or other similar event relating to Transferee, whether voluntary or involuntary, partial or complete, and whether in bankruptcy, insolvency or receivership proceedings, or upon an assignment for the benefit of creditors, or any other marshalling of the assets and liabilities of

Transferee or any sale of all or substantially all of the assets of Transferee (such proceedings being herein collectively called "Bankruptcy Proceedings"), and (ii) on and after the occurrence of the related Transfer Termination Date, the Senior Interests shall first be indefeasibly paid and performed in full and in cash before the Holder shall be entitled to receive and to retain any payment or distribution in respect of this Note. In order to implement the foregoing: (A) all payments and distributions of any kind or character in respect of this Note to which the Holder would be entitled except for this subsection 7(b) shall be made directly to Administrative Agent (for the benefit of the Senior Interest Holders); (B) if the Holder shall timely file a claim or claims in any Bankruptcy Proceeding for any outstanding amount owed under this Note (and if the Holder does not timely do so, the Administrative Agent may), all payments and other distributions in respect thereof shall be made directly to the Administrative Agent (for the benefit of the Senior Interest Holders) until the Senior Interests shall have been paid and performed in full and in cash and (C) the Holder hereby irrevocably agrees that Administrative Agent, in the name of the Holder or otherwise, may demand, sue for, collect, receive and receipt for any and all such payments or distributions, and file, prove and vote or consent in any such Bankruptcy Proceeding with respect to any and all claims of the Holder relating to this Note, in each case until the Senior Interests shall have been indefeasibly paid and performed in full and in cash. All payments and distributions received by Administrative Agent in respect of this Note, to the extent received in or converted into cash, may be applied by Administrative Agent (for the benefit of the Senior Interest Holders) first, to the payment of any and all expenses (including, without limitation, attorneys' fees and other legal expenses) paid or incurred by Administrative Agent or the Senior Interest Holders in enforcing these Subordination Provisions, or in endeavoring to collect or realize upon the Junior Liabilities, and second, any balance thereof shall, solely as between any Holder (including Company hereunder) and the Senior Interest Holders, be applied by Administrative Agent toward the payment of the Senior Interests in a manner determined by Administrative Agent to be in accordance with the Receivables Financing Agreement; but as between Transferee and its creditors, no such payments or distributions of any kind or character shall be deemed to be payments or distributions in respect of the Senior Interests.

(c) In the event that the Holder receives any payment or other distribution of any kind or character from Transferee or from any other source whatsoever, in respect of this Note, other than as expressly permitted by the terms of this Note, such payment or other distribution shall be received in trust for the Senior Interest Holders and shall immediately be turned over in cash by the Holder to Administrative Agent (for the benefit of the Senior Interest Holders) until the Senior Interests have been indefeasibly paid and performed in full and in cash.

(d) Upon the indefeasible payment and performance in full and in cash of all Senior Interests, the Holder shall be subrogated to the rights of the Senior Interest Holders to receive payments or distributions from Transferee that are applicable to the Senior Interests until this Note is indefeasibly paid and performed in full and in cash.

(e) These Subordination Provisions are intended solely for the purpose of defining the relative rights of the Holder, on the one hand, and the Senior Interest Holders, on the other hand. Nothing contained in the Subordination Provisions or elsewhere in this Note is intended to or shall impair, as between Transferee, its creditors (other than the Senior Interest Holders) and the Holder, Transferee's obligation, which is unconditional and absolute, to pay this Note as and when the same shall become due and payable in accordance with the terms hereof and of the Purchase and Contribution Agreement or to affect the relative rights of the Holder and creditors of Transferee (other than the Senior Interest Holders).

(f) Holder shall not, until the Senior Interests have been indefeasibly paid and performed in full and in cash: (i) cancel, waive, forgive, transfer or assign, or commence legal proceedings to enforce or collect, or subordinate to any obligation of Transferee, howsoever created, arising or evidenced, whether direct or indirect, absolute or contingent, or now or hereafter existing, or due or to become due, other than the Senior Interests, this Note, or any rights in respect thereof or (ii) convert this Note into an equity interest in Transferee, unless, in the case of each of clauses (i) and (ii) above, Holder shall have received the prior written consent of Administrative Agent.

(g) The Holder shall not commence, or join with any other Person in commencing, any Bankruptcy Proceeding with respect to Transferee until at least one year and one day shall have passed since the Senior Interests shall have been indefeasibly paid and performed in full and in cash.

(h) If, at any time, any payment (in whole or in part) made with respect to any Senior Interest is rescinded or must be restored or returned by a Senior Interest Holder (whether in connection with any Bankruptcy Proceeding or otherwise), these Subordination Provisions shall continue to be effective or shall be reinstated, as the case may be, as though such payment had not been made.

(i) Each of the Senior Interest Holders may, from time to time, at its sole discretion, without notice or demand to the Holder, and without waiving any of its rights under these Subordination Provisions, take any or all of the following actions: (i) retain or obtain an interest in any property securing any of the Senior Interests pursuant to, and to the extent set forth in, the Transaction Documents; (ii) retain or obtain the primary or secondary obligations of any other obligor or obligors with respect to any of the Senior Interests; (iii) extend or renew for one or more periods (whether or not longer than the original period), alter or exchange any of the Senior Interests, or release or compromise any obligation of any nature with respect to any of the Senior Interests in accordance with the Transaction Documents; (iv) amend, supplement, or otherwise modify any Transaction Document in accordance with the terms thereof; and (v) release its security interest in, or surrender, release or permit any substitution or exchange for all or any part of any rights or property securing any of the Senior Interests, or extend or renew for one or more periods (whether or not longer than the original period), or release, compromise, alter or exchange any obligations of any nature of any obligor with respect to any such rights or property.

(j) The Holder agrees that this Note shall be pari passu with all other Junior Liabilities.

(k) The Holder hereby waives: (i) notice of acceptance of these Subordination Provisions by any of the Senior Interest Holders; (ii) notice of the existence, creation, non-payment or non-performance of all or any of the Senior Interests; and (iii) all diligence in enforcement, collection or protection of, or realization upon the Senior Interests, or any thereof, or any security therefor.

(l) Each of the Senior Interest Holders may, from time to time, on the terms and subject to the conditions set forth in the Transaction Documents to which such Persons are party, but without notice to the Holder, assign or transfer any or all of the Senior Interests, or any interest therein; and, notwithstanding any such assignment or transfer or any subsequent assignment or transfer thereof, such Senior Interests shall be and remain Senior Interests for the purposes of these Subordination Provisions, and every immediate and successive assignee or transferee of any of the Senior Interests or of any interest of such assignee or transferee in the Senior Interests shall be entitled to the benefits of these Subordination Provisions to the same extent as if such assignee or transferee were the assignor or transferor.

(m) These Subordination Provisions constitute a continuing offer from Transferee to all Persons who become the holders of, or who continue to hold, Senior Interests; and these Subordination Provisions are made for the benefit of the Senior Interest Holders, and Administrative Agent may proceed to enforce such provisions on behalf of each of such Persons.

8. Cumulative Remedies; Amendments, Etc. No failure or delay on the part of the Holder in exercising any power or right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such power or right preclude any other or further exercise thereof or the exercise of any other power or right. No amendment, restatement, modification or waiver of, or consent with respect to, any provision of this Note shall in any event be effective unless (a) the same shall be in writing and signed and delivered by Transferee and the Holder and acknowledged and agreed to by Administrative Agent, and (b) all consents required for such actions under the Transaction Documents shall have been received by the appropriate Persons.

9. Limitation on Interest. Notwithstanding anything in this Note to the contrary, Transferee shall never be required to pay unearned interest on any amount outstanding hereunder, and shall never be required to pay interest on the principal amount outstanding hereunder, at a rate in excess of the maximum interest rate that may be contracted for, charged or received without violating applicable federal or state law.

10. Negotiation. This Note is not negotiable.

11. Governing Law. THIS NOTE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK (INCLUDING SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW, BUT WITHOUT REGARD TO ANY OTHER CONFLICTS OF LAW PROVISIONS THEREOF).

12. Captions. Paragraph captions used in this Note are provided solely for convenience of reference and shall not affect the meaning or interpretation of any provision of this Note.

13. Intent of the Parties. Transferee and Company have structured this Note with the intention that the obligations of Transferee hereunder will be treated under United States federal, and applicable state, local and foreign tax law as debt (the "Intended Tax Treatment"). Transferee and Company agree to file no tax return, or take any action, inconsistent with the Intended Tax Treatment unless required by law.

The term of such revocable license shall be coterminous with this Lease and shall not be revoked or terminated during the Rental Term of this Lease.

SECTION 8.03 AUDIT. Tenant shall have the right, not more frequently than once every two (2) calendar years, to audit Landlord's or Landlord's balance sheet pertaining to Operating Cost Expenses for the prior two (2) Lease Years (the "CAM Audit"). Such insurance may be furnished by Tenant under any blanket policy carried by it or under a separate policy therefor. The insurance shall be with an insurance company approved by Landlord and a copy of the paid-up policy evidencing such insurance or a certificate of insurer certifying to the issuance of such policy shall be delivered to Landlord. If Tenant fails to provide such insurance, Landlord may do so and charge same to Tenant.

SECTION 11.02 FIRE AND CASUALTY INSURANCE.

(a) Subject to the provisions of this Section 11.02, Landlord shall secure, pay for, and at all times during the Rental Term hereof maintain fire and casualty, insurance providing coverage upon the building improvements in an amount equal to the full insurable replacement value thereof (as determined by Landlord). Tenant agrees to pay as Additional Rent the total amount of any increase in the insurance premium of Landlord over that in effect prior to the Rental Term Commencement Date of this Lease to the extent solely resulting from Tenant's unique and particular use of the Leased Premises. If Tenant installs any electrical or other equipment which overloads the lines in the Leased Premises, Tenant shall, at its own expense, make whatever changes are necessary to comply with the requirements of Landlord's insurance.

(d) Tenant shall be responsible for all glass breakage from any cause whatsoever and agrees to immediately replace all glass broken or damaged during the Rental Term with glass of the same quality as that broken or damaged. Landlord may replace, at Tenant's expense, any broken or damaged glass if not replaced by Tenant within five (5) days after such damage.

To the extent Tenant operates hours other than "standard operating hours") as set forth in Section 1.01 (Q) and Section 12.01, Tenant shall pay an extra hourly utility charge pursuant to Section 1.01 (Q) for lighting and electricity and for mechanical/HVAC system use. Tenant shall pay such charges within ten (10) days after invoice therefor. Costs incurred by Landlord for operating "extra-hours" shall not be included in Operating Expenses pursuant to Section 3.03.

SECTION 12.04. LIMITATIONS ON LANDLORDS LIABILITY. Landlord shall not be liable for and Tenant shall not be entitled to terminate this Lease or to effectuate any abatement or reduction of rent by reason of Landlord's failure to provide or furnish any of the foregoing utilities or services if such failure was reasonably beyond the control of Landlord. In no event shall Landlord be liable for loss or injury to persons or property, however, arising or occurring in connection with or attributable to any failure to furnish such utilities or services even if within the control of Landlord.

ARTICLE XIII. OFF-SET STATEMENT, ATTORNMENT AND SUBORDINATION

SECTION 13.01 OFF-SET STATEMENT. Tenant agrees within twenty (20) days after request therefor by Landlord to execute in recordable form and deliver to Landlord a statement in writing, certifying

(a) that this Lease is in full force and effect;
(b) the Rental Term Commencement Date of this Lease;
(c) that rent is paid currently without any off-set or defense thereto;
(d) the amount of rent, if any paid in advance; and
(e) that there are no uncured defaults by Landlord or stating those claimed by Tenant.

SECTION 13.02 ATTORNMENT. Tenant shall, in the event any proceedings are brought for the foreclosure of, or in the event of exercise of the power of sale under any mortgage or deed of trust made by Landlord covering the Leased Premises, attorn to the purchaser upon any such foreclosure or sale and recognize such purchaser as Landlord under this Lease.

SECTION 13.03 SUBORDINATION. Tenant agrees that this Lease shall, at the request of Landlord, be subordinate to any first mortgages or deeds of trust that may hereafter be placed upon the Leased Premises and to any and all advances to be made thereunder, and to the interest thereon, and all Rental Term renewals, replacements and extensions thereof, provided the mortgagees or trustees named in such mortgages or deeds of trust shall agree to recognize this Lease of Tenant in the event of foreclosure, if Tenant is not in default beyond any applicable notice and cure period.

SECTION 13.04 MORTGAGEE SUBORDINATION. Tenant hereby agrees that this Lease shall, if at any time requested by Landlord or any lender in respect to Landlord's financing of the Building or the Project in which the Leased Premises are located or any portion hereof, be made superior to any mortgage or deed of trust that may have preceded this Lease.

SECTION 13.05 REMEDIES. Tenant hereby irrevocably appoints Landlord as attorney-in-fact for Tenant with full power and authority to execute and deliver in the name of Tenant any such instruments described in this Article XIII upon failure of Tenant to execute and deliver any of the above instruments within fifteen (15) days after written request to do so by Landlord; and such failure shall constitute a breach of this Lease entitling Landlord, at its option, to cancel this Lease and terminate Tenant's interest therein.

ARTICLE XIV. ASSIGNMENT

SECTION 14.01 ASSIGNMENT. Except as set forth below in this Section 14.01, Tenant shall not assign this Lease or sublet the Leased Premises, or any part thereof, without first obtaining the written consent of the Landlord, which consent shall not be unreasonably withheld. The consent of Landlord shall not relieve Tenant from continuing liability for all obligations under this Lease. Any Assignment by operation of law or if Tenant is a corporation, unincorporated association or partnership, the transfer, assignment or hypothecation of any stock or interest in such corporation, association or partnership in the aggregate in excess of fifty percent (50%) shall be deemed an "Assignment" within the meaning of this Section 14.01.

Notwithstanding anything to the contrary contained herein, provided that Tenant is not then in default under this Lease beyond any applicable notice and cure period, upon not less than twenty (20) days prior written notice to Landlord, Tenant may assign or sublet the Leased Premises or any part thereof to a corporation, person or other entity which: (i) is Tenant's parent or affiliate; (ii) is a wholly-owned subsidiary of Tenant; (iii) is a corporation, person or other entity of which Tenant, Tenant's parent or an affiliate of Tenant owns a majority of the capital stock or a controlling ownership interest; (iv) as a result of a consolidation, merger, reorganization or other transaction with Tenant or Tenant's parent shall own all the capital stock of Tenant or Tenant's parent; (v) as a result of a change of the domicile of Tenant or the reincorporation of Tenant in another jurisdiction; or (vi) acquires or is acquiring all or substantially all of the assets of Tenant or Tenant's parent(each of the transactions referenced in the above subparagraphs (i) - (vi) are hereinafter referred to as a "Permitted Transfer," and each surviving entity shall hereinafter be referred to as a "Permitted Transferee") without the prior written consent of Landlord.

ARTICLE XV. WASTE OR NUISANCE

SECTION 15.01 WASTE OR NUISANCE. Tenant shall not commit or suffer to be committed any waste upon the Leased Premises, or any nuisance or other act or thing which may disturb the quiet enjoyment of any other tenant in the Building in which the Leased Premises may be located, or elsewhere within the Building.

ARTICLE XVI. NOTICES

SECTION 16.01 NOTICES. Except as provided in Section 19.01, any notice required or permitted hereunder to be given or transmitted between the parties shall be either 1) personally delivered, or 2) mailed postage prepaid by registered mail, return receipt requested, or mailed by express carrier addressed if to Tenant at the address set forth in Section 1.01(E), and if to Landlord at the address set forth in Section 1.01(C). Either party may, by notice to the other given as prescribed in this Section 16.01, change its above address for any future notices which are mailed under this Lease.

ARTICLE XVII. DESTRUCTION OF THE LEASED PREMISES

SECTION 17.01 DESTRUCTION.

(a) If the Leased Premises are partially or totally destroyed by fire or other casualty insurable under standard fire insurance policies with extended coverage endorsement so as to become partially or totally untenantable, the same shall be repaired or rebuilt as speedily as practical under the circumstances at the expense of Landlord, unless Landlord elects not to repair or rebuild as provided in Section 17.01(b). During the period required for restoration, a just and proportionate part of Base Monthly Rent, Additional Rent and other charges payable by Tenant hereunder shall be abated until the Leased Premises are repaired or rebuilt.

(b) If the Leased Premises are (I) rendered totally untenantable by reason of an occurrence described in Section 17.01(a), or (II) damaged or destroyed as a result of a risk which is not insured under Landlord's fire insurance policies, or (III) at least twenty percent (20%) damaged or destroyed during the last year of the Rental Term, or (IV) if the Building is damaged in whole or in part (whether or not the Leased Premises are damaged), to such an extent that Tenant cannot practically use the Leased Premises for its intended purpose, then and in any such events Landlord may at its option terminate this Lease by notice in writing to Tenant within sixty (60) days after the date of such occurrence. Unless Landlord gives such notice, this Lease shall remain in full force and effect and Landlord shall repair such damage at its expense as expeditiously as possible under the circumstances.

(c) If Landlord should elect or be obligated pursuant to Section 17.01(a) above to repair or rebuild because of any damage or destruction, Landlord's obligation shall be limited to the original Building and any other work or improvements which may have been originally performed or installed at Landlord's expense. If the cost of performing Landlord's obligation exceeds the actual proceeds of insurance paid or payable to Landlord on account of such casualty, Landlord may terminate this Lease unless Tenant, within fifteen (15) days after demand therefor, deposits with Landlord a sum of money sufficient to pay the difference between the cost of repair and the proceeds of the insurance available for such purpose. Tenant shall replace all work and improvements not originally installed or performed by Landlord at its expense.

(d) Except as stated in this Article XVII, Landlord shall not be liable for any loss or damage sustained by Tenant by reason of casualties mentioned hereinabove or any other accidental casualty.

ARTICLE XVIII. CONDEMNATION

SECTION 18.01 CONDEMNATION. As used in this Section 18.01 the term "Condemnation Proceeding" means any action or proceeding in which any interest in the Leased Premises or Building is taken for any public or quasi-public purpose by any lawful authority through exercise of the power of eminent domain or right of condemnation or by purchase or otherwise in lieu thereof. If the whole of the Leased Premises is taken through Condemnation Proceedings, this Lease shall automatically terminate as of the date possession is taken by the

condemning authority. If in excess of twenty-five (25%) percent of the Leased Premises is taken, then either party hereto shall have the option to terminate this Lease by giving the other written notice of such election at any time within thirty (30) days after the date of taking. If less than twenty-five (25%) percent of the space is taken and Landlord determines, in Landlord's sole discretion, that a reasonable amount of reconstruction thereof shall not result in the Leased Premises or the Building becoming a practical improvement reasonably suitable for use for the purpose for which it is designed, then Landlord may elect to terminate this Lease by giving thirty (30) days written notice as provided hereinabove. In all other cases, or if neither party exercises its option to terminate, this Lease shall remain in effect and the rent payable hereunder from and after the date of taking shall be proportionately reduced in proportion to the ratio of: (1) the area contained in the Leased Premises which is capable of occupancy after the taking; to (2) the total area contained in the Leased Premises which was capable of occupancy prior to the taking. In the event of any termination or rental reduction provided for in this Section 18.01, there shall be a pro-ration of the rent payable under this Lease and Landlord shall refund any excess theretofore paid by Tenant. Whether or not this Lease is terminated as a consequence of Condemnation Proceedings, all damages or compensation awarded for a partial or total taking, including any sums compensating Tenant for diminution in the value of or deprivation of its leasehold estate, shall be the sole and exclusive property of Landlord, except that Tenant shall be entitled to any awards intended to compensate Tenant for expenses of locating and moving Tenant's operations to a new space.

ARTICLE XIX. DEFAULT OF TENANT

SECTION 19.01 DEFAULT - RIGHT TO RE-ENTER. In the event of any failure of Tenant to pay any Base Monthly Rent and/or Additional Rent due hereunder within ten (10) days after written notice that the same is past due shall have been mailed to Tenant, or any failure by Tenant to perform any other of the terms, conditions or covenants required of Tenant by this Lease within thirty (30) days after written notice of such default shall have been mailed to Tenant, or if Tenant shall abandon the Leased Premises, or permit this Lease to be taken under any writ of execution, then Landlord, besides other rights or remedies it may have, shall have the right to declare this Lease terminated and shall have the immediate right of re-entry and may remove all persons and property from the Leased Premises. Such property may be removed and stored in a public warehouse or elsewhere at the cost of and for the account of Tenant, without evidence of notice or resort to legal process and without being deemed guilty of trespass, or becoming liable for any loss or damage which may be occasioned thereby. Tenant hereby waives all compensation for the forfeiture of the Rental Term or its loss of possession of the Leased Premises in the event of the forfeiture of this Lease as provided for above.

SECTION 19.02 DEFAULT - RIGHT TO RE-LET. Should Landlord elect to re-enter, as herein provided, or should it take possession pursuant to legal proceedings or pursuant to any notice provided for by law, it may either terminate this Lease or it may from time to time, without terminating this Lease, make such alterations and repairs as may be necessary in order to re-let the Leased Premises and may re-let the Leased Premises, or any part thereof, for such term or terms (which may be for a term extending beyond the Rental Term of this Lease) and at such rental or rental income and upon such other terms and conditions as Landlord in its sole discretion may deem advisable. Upon each such re-letting, all rental income received by Landlord from such re-letting shall be applied first to the payment of any costs and expenses of such re-letting, including brokerage fees and attorneys' fees and costs of such alterations and repairs; second, to the payment of rent or other unpaid obligations due hereunder; and the residue, if any, shall be held by Landlord and applied in payment of future rent as the same may become due and payable hereunder. If such rental income received from such re-letting during any month be less than that to be paid during that month by Tenant hereunder, Tenant shall pay any such deficiency to Landlord. Such deficiency shall be calculated and paid monthly. No such re-entry or taking possession of the Leased Premises by Landlord shall be construed as an election on its part to terminate this Lease unless a written notice of such intention is given to Tenant or unless the termination thereof is decreed by a court or competent jurisdiction. Notwithstanding any such re-letting without termination, Landlord may at any time elect to terminate this Lease for such previous default. Should Landlord at any time terminate this Lease for any default, in addition to any other remedies it may have, it may recover from Tenant all damages it may incur by reason of such default, including the cost of recovering the Leased Premises, reasonable attorneys' fees, and including the worth at the time of such termination of the excess, if any, of the amount of rent and charges equivalent to rent reserved in this Lease for the remainder of the stated Rental Term over the then reasonable rental value of the Leased Premises for the remainder of the stated Rental Term, all of which amounts shall be immediately due and payable.

SECTION 19.03 LEGAL EXPENSES. In case of default by either party in the performance and obligations under this Lease, the defaulting party shall pay all costs incurred in enforcing this Lease, or any right arising out of such default, whether by suit or otherwise, including reasonable attorneys' fees.

ARTICLE XX. BANKRUPTCY, INSOLVENCY OR RECEIVERSHIP

SECTION 20.01 ACT OF INSOLVENCY, GUARDIANSHIP, ETC. The following shall constitute a default of this Lease by Tenant for which Landlord, at Landlord's option, may immediately terminate this Lease.

(a) The appointment of a receiver to take possession of all or substantially all of the assets of Tenant;

(b) A general assignment by Tenant of its assets for the benefit of creditors;

(c) Any action taken or suffered by or against Tenant under any federal or state insolvency or bankruptcy act;

(d) The appointment of a guardian, conservator, trustee, or other similar officer to take charge of all or any substantial part of Tenant's property.

Neither this Lease, nor any interest therein nor any estate thereby created shall pass to any trustee, guardian, receiver or assignee for the benefit of creditors or otherwise by operation of law.

ARTICLE XXI. LANDLORD ACCESS

SECTION 21.01 LANDLORD ACCESS. Subject to Landlord's obligation to take all commercially reasonable steps to avoid or minimize (to the greatest extent possible) interfere with Tenant's use of the Leased Premises, Landlord or Landlord's agent shall have the right to enter the Leased Premises at all reasonable times to examine the same, or to show them to prospective purchasers or lessees of the Building, or to make all repairs, alterations, improvements or additions as Landlord may deem necessary or desirable, and Landlord shall be allowed to take all material into and upon the Leased Premises that may be required therefor without the same constituting an eviction of Tenant in whole or in part, and rent shall not abate while such repairs, alterations, improvements, or additions are being made, by reason of loss or interruption of business of Tenant, or otherwise. During the ninety (90) days prior to the expiration of the Rental Term of this Lease or any Rental Term renewal, Landlord may exhibit the Leased Premises to prospective tenants and place upon the Leased Premises the usual notices "To Let" or "For Rent" which notices Tenant shall permit to remain thereon with molestation.

ARTICLE XXII. TENANT'S PROPERTY AND LANDLORD'S LIEN

SECTION 22.01. TAXES ON LEASEHOLD. Tenant shall be responsible for and shall pay before delinquency all municipal, county and state taxes assessed during the Rental Term of this Lease against any leasehold interest, improvements, trade fixtures or personal property of any kind, owned by or placed in, upon or about the Leased Premises by Tenant, and taxes, levies or fees assessed on the basis of Tenant's occupancy thereof, including, but not limited to, taxes measured by rents due from Tenant hereunder.

SECTION 22.02. LOSS AND DAMAGE. Landlord shall not be responsible or liable to Tenant for any loss or damage that may be occasioned by or through the acts or omissions of persons occupying adjoining spaces or any part of the spaces adjacent to or connected with the Leased Premises hereby or any part of the building of which the Leased Premises is a part, or for any loss or damage resulting to Tenant or its property from bursting, stoppage or leaking of water, gas, sewer or steam pipes or for any damage or loss of property within the Leased Premises from any cause whatsoever.

SECTION 22.03. NOTICE BY TENANT. Tenant shall give immediate telephone or electronic mail notice to Landlord in case of fire, casualty or accidents in the Leased Premises or in the building of which the Leased Premises are a part or of defects therein or in any fixtures or equipment, and Tenant shall promptly thereafter confirm such notice in writing.

SECTION 22.04. LANDLORD'S LIEN. Tenant is advised that Utah Code Section 38-3-1 and following grants Landlord (Lessor) a lien in regard to unpaid rent.

SECTION 22.05. LANDLORD'S SUBORDINATION. Provided that Tenant is not in default hereunder, Landlord agrees to subordinate its lien on Tenant's personal property to that of any bona fide third party lender providing financing which directly benefits Tenant's operations in the Leased Premises. However, Landlord shall refuse and shall otherwise not be required to subordinate its lien or priority as to Tenant's equipment or trade fixtures, and Landlord shall be entitled to refuse subordination if loans are not directly related to the Project.

ARTICLE XXIII. HOLDING OVER

SECTION 23.01 HOLDING OVER. Any holding over after the expiration of the Rental Term, or any Rental Term extension thereto, shall be construed to be a tenancy at sufferance and all provisions of this Lease shall be and remain in effect except that the Base Monthly Rent shall be one hundred and twenty-five percent (125%) of the amount of Base Monthly Rent and Additional Rent (including any adjustments as provided herein) payable for the last full calendar month of the Rental Term including Rental Term renewals or extensions.

SECTION 23.02 SUCCESSORS. All rights and liabilities herein given to, or imposed upon, the respective parties hereto shall extend to and bind the several respective heirs, executors, administrators, successors and assigns of such parties; and if there shall be more than one (1) tenant, they shall all be bound jointly and severally by the terms, covenants and agreements herein. No rights, however, shall inure to the benefit of any assignee of Tenant unless the assignment to such assignee has been approved by Landlord in writing.

ARTICLE XXIV. RULES AND REGULATIONS

SECTION 24.01 RULES AND REGULATIONS. Tenant shall comply with all reasonable rules and regulations which are now or which may be hereafter prescribed by Landlord and posted in or about the Leased

Premises or otherwise brought to the notice of Tenant, both with regard to the Building and/or Project as a whole and to the Leased Premises including Common Area and Common Facilities.

ARTICLE XXV. QUIET ENJOYMENT

SECTION 25.01 QUIET ENJOYMENT. Upon payment by Tenant of the rents herein provided, and upon the observance and performance of all the covenants, terms and conditions on Tenant's part to be observed and performed, Tenant shall peaceably and quietly hold and enjoy the Leased Premises for the Rental Term hereby demised without hindrance or interruption by Landlord or any other person or persons lawfully or equitably claiming by, through or under Landlord, subject, nevertheless, to the terms and conditions of this Lease and actions resulting from future eminent domain proceedings and casualty losses.

ARTICLE XXVI. SECURITY DEPOSIT

SECTION 26.01 SECURITY DEPOSIT. Landlord herewith acknowledges receipt of the amount set forth in Section 1.01 (U) which it is to retain as security for the faithful performance of all the covenants, conditions and agreements of this Lease, but in no event shall Landlord be obliged to apply the same upon rents or other charges in arrears or upon damages for Tenant's failure to perform the such covenants, conditions and agreements; Landlord may so apply the Security Deposit, at its option; and Landlord's right to the possession of the Leased Premises for non-payment of rents or for other reasons shall not in any event be affected by reason of the fact that Landlord holds the Security Deposit. Such sum, if not applied toward the payment of rents in arrears or toward the payment of damages suffered by Landlord by reason of Tenant's breach of the covenants, conditions and agreements of this Lease, is to be returned to Tenant without interest when this Lease is terminated or expired, according to these terms, and in no event is the Security Deposit to be returned until Tenant has vacated the Leased Premises and delivered possession to Landlord.

In the event that Landlord repossesses the Leased Premises because of Tenant's default or because of Tenant's failure to carry out the covenants, conditions and agreements of this Lease, Landlord may apply the Security Deposit toward damages as may be suffered or shall accrue thereafter by reason of Tenant's default or breach. In the event of bankruptcy or other debtor-creditor proceedings against Tenant as specified in Article XX, the Security Deposit shall be deemed to be applied first to the payment of Base Monthly Rent, Additional Rent and other charges due Landlord for the earliest possible periods prior to the filing of such proceedings. Landlord shall not be obliged to keep the Security Deposit as a separate fund, but may mix the same with its own funds.

ARTICLE XXVII. MISCELLANEOUS PROVISIONS

SECTION 27.01 WAIVER. No failure on the part of Landlord to enforce any covenant or provision of this Lease shall discharge or invalidate such covenant or provision or affect the right of Landlord to enforce the same in the event of any subsequent breach. One (1) or more waivers of any covenant or condition by Landlord shall not be construed as a waiver of a subsequent breach of the same covenant or condition and the consent to or approval of any subsequent similar act by Tenant. No breach of a covenant or condition of this Lease shall be deemed to have been waived by Landlord, unless such waiver is in writing signed by Landlord.

SECTION 27.02 ENTIRE LEASE AGREEMENT. This Lease constitutes the entire Lease and understanding between the parties hereto and supersedes all prior discussions, understandings and agreements. This Lease may not be altered or amended except by a subsequent written agreement executed by all parties.

SECTION 27.03 FORCE MAJEURE. Any failure to perform or delay in performance by either party of any obligation under this Lease, other than Tenant's obligation to pay rent, shall be excused if such failure or delay is caused by any strike, lockout, governmental restriction or any similar cause beyond the control of the party so falling to perform, to the extent and for the period that such continues.

SECTION 27.04 LOSS AND DAMAGE. Landlord shall not be responsible or liable to Tenant for any loss or damage that may be occasioned by or through the acts or omissions of persons occupying all or any part of the Leased Premises adjacent to or connected with the Leased Premises or any part of the Building of which the Leased Premises are a part, or for any loss or damage resulting to Tenant or his property from bursting, stoppage or leaking of water, gas sewer or steam pipes or for any damage or loss of property within the Leased Premises from any cause whatsoever.

SECTION 27.05 ACCORD AND SATISFACTION. No payment by Tenant or receipt by Landlord of a lesser amount than the amount owing hereunder shall be deemed to be other than on account of the earliest stipulated amount receivable from Tenant, nor shall any endorsement or statement on any check or any letter accompanying any check or payment as rent be deemed an accord and satisfaction, and Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such rent or receivable or pursue any other remedy available under this Lease or the law of the state where the Leased Premises are located.

SECTION 27.06 NO OPTION. The submission of this Lease for examination does not constitute a reservation of or option for the Leased Premises and this Lease becomes effective as a lease only upon full execution and delivery thereof by Landlord and Tenant.

SECTION 27.07 ANTI-DISCRIMINATION. Tenant herein covenants by and for itself, its heirs, executors, administrators and assigns and all persons claiming under or through it, and this Lease is made and accepted upon and subject to the following conditions: That there shall be no discrimination against or segregation of any person or group of persons on account of race, sex, marital status, color, creed, national origin or ancestry, in the leasing, subleasing, assigning, use, occupancy, tenure or enjoyment of the Leased Premises, nor shall Tenant itself, or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, sublessees, or subtenants in the Leased Premises.

SECTION 27.08 SEVERABILITY. If any term, covenant or condition of this Lease or the application thereof to any person or circumstance shall be invalid or unenforceable to any extent, the remainder of this Lease, or the application of such term, covenant or condition to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and each term, covenant or condition of this Lease shall be valid and be enforced to the fullest extent permitted by law.

SECTION 27.09 OTHER MISCELLANEOUS PROVISIONS. This instrument shall not be recorded without the prior written consent of Landlord; however, upon the request of either party hereto, the other party shall join in the execution of a memorandum or "short form" lease for recording purposes which memorandum shall describe the parties, the Leased Premises, the Rental Term and shall incorporate this Lease by reference, and may include other special provisions. The captions which precede the Sections of this Lease are for convenience only and shall in no way affect the manner in which any provisions hereof is construed. In the event there is more than one (1) Tenant hereunder, the liability of each shall be joint and several. This instrument shall be governed by and construed in accordance with the laws of the State wherein the Leased Premises are located. Words of any gender used in this Lease shall be held to include any other gender, and words in the singular number shall be held to include the plural when the sense requires. Time is of the essence of this Lease and every term, covenant and condition herein contained.

SECTION 27.10 REPRESENTATION REGARDING AUTHORITY. The persons who have executed this Lease represent and warrant that they are duly authorized to execute this Lease in their individual or representative capacity as indicated.

SECTION 27.11. TENANT CERTIFICATION. For purposes of compliance with Executive Order 13224 and related regulations, Landlord and Tenant hereby state, represent and warrant to each other that:

(a) **Certification.** Landlord and Tenant certify that:

(i) They are not acting, directly or indirectly, for or on behalf of any person, group, entity, or nation named by any Executive Order or the United States Treasury Department as a terrorist, "Specially Designated National and Blocked Person," or other banned or blocked person, entity, nation, or transaction pursuant to any law, order, rule, or regulation that is enforced or administered by the Office of Foreign Assets Control; and

(ii) They have not executed this Lease, directly or indirectly on behalf of, or instigating or facilitating this Lease, directly or indirectly on behalf of, any such person, group, entity, or nation.

(b) **Indemnification.** Tenant and Landlord hereby agree to defend, indemnify, and hold harmless the other party from and against any and all claims, damages, losses, risks, liabilities, and expenses (including attorneys' fees and costs) arising from or related to any breach of the foregoing certification.

ARTICLE XXVIII. ADDITIONAL PROVISIONS

SECTION 28.01. OPTION TO RENEW. Provided Tenant is not, and has not been (more than two (2) times), in default under any of the terms and conditions contained herein, Tenant shall have two (2) additional consecutive five (5) year options to renew and extend the Rental Term as provided herein ("Option"). The Option shall only be exercised by Tenant delivering written notice thereof to Landlord no earlier than the date which is twelve (12) months prior to the expiration of the Rental Term and no later than the date which is nine (9) months prior to the expiration of the Rental Term (the "Option Notice"). The Base Monthly Rent during the first year of each extension periods shall be the lesser of: (i) the then current Fair Market Rate (as defined) for comparable space within the Project, and (ii) the Base Monthly Rent then in effect for the Leased Premises during the last month of the initial Rental Term (increasing each year thereafter by 3%, compounded). "Fair Market Rate" means the market rate for rent chargeable for the Leased Premises based upon the following factors applicable to the Leased Premises or any comparable premises: rent, escalation, term, size, expense stop, tenant allowance, existing tenant finishes, parking availability, and location and proximity to services.

Within thirty (30) days of Option Notice, Tenant shall notify Landlord of Tenant's option of Fair Market Rate for the applicable renewal period. If Landlord disagrees with Tenant's opinion of the Fair Market Rate, Landlord shall notify Tenant of Landlord's opinion of Fair Market Rate within fifteen (15) days after receipt of Tenant's opinion of Fair Market Rate ("Landlord's Value Notice"). If the parties are unable to resolve their differences within thirty (30) days thereafter, Landlord or Tenant, at its sole option, may terminate this Lease, effective as of the last day of the then-current Rental Term. Alternatively, Tenant and Landlord may mutually

agree to submit the determination of Fair Market Rate to a "Market Assessment Process," as provided in *Exhibit "F" – Market Assessment Process.*

SECTION 28.02. RIGHT TO RERMINATE. Provided Tenant is not, and has not been (more than two (2) times), in default beyond any applicable cure period under any of the terms and provisions contained herein, Tenant shall have the right to terminate this Lease on or after the last day of the seventy-eighth (78th) full calendar month of the Rental Term. LEASE AGREEMENT

THIS LEASE AGREEMENT ("**Lease**") is dated as of the Effective Date, by and between Landlord and Tenant. The foregoing summary of Basic Lease Terms are hereby incorporated with the same force and effect as though fully set forth herein. Landlord and Tenant for themselves and their successors and assigns, hereby agree as follows:

1. **Leased Premises**. Landlord, in consideration of the rents to be paid and the covenants and agreements to be performed by Tenant as hereinafter set forth, hereby leases to Tenant, and Tenant hereby leases from Landlord, the Leased Premises for the exclusive use of the Tenant in the Building for the Lease Term and upon the conditions and agreements hereinafter set forth below. Landlord and Tenant stipulate that the rentable square footage of the Leased Premises is approximately as set forth in the Summary of Basic Lease Terms, subject to change pursuant to as-built architectural drawings as set forth in the Basic Lease Terms to be certified to Landlord and Tenant upon completion of the Tenant's Improvements and as memorialized as provided in **Exhibit D**. Notwithstanding the foregoing, Landlord reserves the right from time to time to re-measure the Leased Premises in accordance with the commonly used or current or revised standards promulgated from time to time by the Building Owners and Managers Association (BOMA) or other generally accepted measurement standards utilized by Landlord and reasonably acceptable to Tenant. Following receipt of written notice from Landlord of such re-measurement, the Base Rent, Tenant's Proportionate Share, and all other future amounts payable by Tenant hereunder based upon the rentable or useable area of the Leased Premises shall be adjusted in accordance with the revised measurement of the Leased Premises.

This Lease shall constitute a binding agreement between the parties effective as of the Effective Date. In addition to the use of Leased Premises, Tenant shall have use of all of the driveways, parking areas, plazas, walkways and public and private streets and drive aisles as depicted on **Exhibit A-1**, and all other areas on the Project that are provided from time to time by Landlord for the general nonexclusive use by Tenant and other tenants of the Project or the general public (the "**Common Area**"). Notwithstanding the above, Common Areas may also include a portion of areas that are reserved for a particular tenant's use (such as for reserved parking) but maintained by Landlord with the Common Areas for administrative convenience and efficiency. Access to the portion of the Common Area labeled "**North Lot Restricted Area**" on **Exhibit A-1** shall be made available for the non-exclusive use of Tenant and its employees, customers and invitees, but shall be controlled during Tenant's customary business hours through a method (such as controlled access gates, parking passes, stickers, etc.) that is reasonably determined by Landlord and are reasonably acceptable to Tenant to ensure Tenant has access to the parking stalls required under Sections 14(a) and 14(b). If reasonably agreed to by Landlord and Tenant, such control shall also include the provision for and/or designation of visitor spaces for the Leased Premises. Provisions regarding the remodeling or construction of Tenant's Improvements within the Leased Premises or the completion of the Landlord's Improvements are set forth in the Work Letter. Except as set forth in the Work Letter, Landlord has no obligation for the completion of any finish work or remodeling of the Leased Premises, other than being delivered in broom clean condition.

Tenant understands and agrees that except as otherwise provided in this Lease, the Leased Premises shall be leased by Tenant in its as-is condition without any improvements or alterations by Landlord unless Landlord has expressly agreed to make such improvements or

alterations in the Work Letter. Landlord shall deliver the Leased Premises to Tenant following Landlord's approval of the Approved Working Drawings (as defined in the Work Letter) and subject to Landlord's receipt of the Security Deposit and all of the terms and conditions of this Lease (including, but not limited to, the insurance provisions in the Lease and Work Letter). Except as otherwise expressly provided herein, Landlord shall not be deemed to have made any representations or warranties with respect to the suitability of the Leased Premises for Tenant's use, or otherwise, and shall have no other obligation for the completion of the Leased Premises. By taking possession of the Leased Premises and acceptance of Landlord's Improvements as contemplated in the Work Letter, Tenant shall be deemed to have agreed that the same is in good order, repair, and condition.

Landlord represents, warrants and covenants to Tenant that as of the Effective Date: (a) Landlord has the full right and power to execute and perform under this Lease; (b) Landlord is the sole fee simple owner of the Building, subject only to the Permitted Exceptions; (d) Landlord is not in default under such mortgage or any loan document encumbering the Leased Premises or the Project. The term "**Mortgage**" as used in this Lease will be deemed to include deeds of trust, security assignments, and any other similar encumbrances, and to all renewals, extensions, modifications, consolidations and replacements thereof, and any reference to the "**lienholder**" of a mortgage will be deemed to include the beneficiary under a Mortgage.

On or before the Effective Date, Tenant has applied for certain tax incentive programs with the Utah Governor's Office of Economic Development (the "**GOED Tax Incentives**"). If Tenant has not received approval of the GOED Tax Incentives by November 12, 2020 ("**GOED Deadline**"), Tenant may elect to terminate this Lease by written notice given to Landlord within one (1) business day following the GOED Deadline. Failure by Tenant to deliver the aforementioned termination notice within the period set forth above shall be deemed a waiver of such termination right. In the event Tenant timely exercises the foregoing termination right, this Lease shall automatically terminate and be of no further force or effect, except for any provisions which expressly survive the termination of this Lease, and Landlord shall return the Security Deposit to Tenant, less any amounts necessary to reimburse Landlord for expenses and cost incurred under the Work Letter up to and including the termination date.

2. **Term**.

(a) Lease Term. The term of this Lease shall be for the Lease Term, beginning at 12:00 midnight on the Commencement Date and expiring at 11:59 p.m. on the Expiration Date. Tenant shall promptly notify Landlord following the completion of Tenant's Improvements, and within ten (10) business days following completion of Tenant's Improvements, Landlord and Tenant shall execute a Commencement Date Certificate in the form attached as **Exhibit D** hereto setting forth the exact date of the Commencement Date and the Expiration Date of the Lease Term.

Except as set forth in the Work Letter, Landlord shall not be liable for any damage or loss incurred by Tenant for Landlord's failure for whatever cause to deliver possession of the Leased Premises by any particular date, nor shall this Lease be void or voidable on account of such failure to timely deliver possession of the Premises to Tenant with the Landlord's Improvements substantially completed.

(b) [***]

(c) [***]

(d) [***]

3. **Base Rent**.

(a) Base Rent. The Base Rent shall be payable in monthly installments as set forth in Paragraph 18 of the Summary of Basic Lease Terms, in advance without notice, demand, setoff or deduction except as expressly provided in this Lease. Tenant shall make the first payment of monthly Base Rent on the Effective Date, [***]. Thereafter the monthly installments shall be due on the 1st day of each month, [***]. All other sums or charges as are required to be paid by Tenant under this Lease in addition to Base Rent, including without limitation Operating Expenses (both as defined and determined below), shall be referred to as "**Additional Rent**" and shall be payable in the manner provided for herein and recoverable by Landlord as Rent. The Base Rent and Additional Rent are collectively referred to herein as "**Rent**", and shall be paid to Landlord without notice or demand, deduction or offset except as expressly provided in this Lease to Landlord's Address or to such other person or place as Landlord may from time to time designate in writing.

(b) Fair Market Rental Value. The Base Rent for the sixth (6th) lease year as described in Paragraph 18 of the Summary of Basic Lease Terms (calendar months seventy-nine (79) through ninety (90) or the Lease Term) shall be the greater of (i) the Fair Market Rental Value of the Leased Premises, and (ii) a three percent (3%) increase over the Base Rent owing immediately prior to the sixth (6th) lease year, which Base Rent shall increase by three percent (3%) each lease year thereafter during the Lease Term. Not less than six (6) months prior to the Termination Notice Deadline (which Termination Notice Deadline will be extended for one day for each day that Landlord is late in providing Landlord's Good Faith Determination), Landlord shall provide Tenant with Landlord's good faith determination of the Fair Market Rental Value for the sixth (6th) lease year ("**Landlord's Good Faith Determination**"). If Landlord determines that the Fair Market Rental Value for the sixth (6th) lease year is less than an amount equal to a three percent (3%) increase over the Base Rent owing immediately prior to the sixth (6th) lease year, the Base Rent for the sixth (6th) lease year shall be an amount equal to a three percent (3%) increase over the Base Rent owing immediately prior to the sixth (6th) lease year. If Landlord determines that the Fair Market Rental Value for the sixth (6th) Lease Year is greater than an amount equal to a three percent (3%) increase over the Base Rent owing immediately prior to the sixth (6th) lease year, within thirty (30) days after Tenant's receipt of Landlord's Good Faith Determination, Tenant shall notify Landlord whether Tenant accepts or rejects Landlord's determination. If Tenant fails to notify Landlord within such thirty (30) day period, Tenant shall be deemed to have rejected such determination. If Tenant delivers to Landlord timely notice of its objection to such determination or fails to deliver its approval or objection to Landlord's Good Faith Determination, Landlord and Tenant shall use good faith efforts to agree upon the Fair Market Rental Value within fifteen (15) business days following Landlord's receipt of Tenant's notice of objection (the "**Outside Agreement Date**"). If Landlord and Tenant are unable to so agree by the Outside Agreement Date, the parties shall appoint brokers and the brokers shall determine the Fair Market Rental Value in accordance with the following procedure:

(i) Within fifteen (15) business days following the Outside Agreement Date, Landlord and Tenant shall each appoint a broker who shall be a licensed real estate broker having significant experience in leasing similar office space in the Salt Lake City metropolitan area for at least the immediately preceding ten (10) years prior to such appointment. The two brokers so appointed shall jointly attempt to agree upon the Fair Market Rental Value. If the brokers are unable to agree within thirty (30) days after appointment of the last appointed broker, then within ten (10) business days after expiration of such thirty (30) day period, the brokers shall meet and concurrently deliver to each other their respective written determinations of the Fair Market Rental Value for the sixth (6^{th}) lease year supported by the reasons therefor, and promptly deliver copies of their determinations to Landlord and Tenant. If the higher of such determinations is not more than one hundred five percent (105%) of the lower, then the Fair Market Rental Value shall be the average of the two determinations. Otherwise, the Fair Market Rental Value shall be determined by a third broker as set forth below.

(ii) The two brokers shall appoint a third broker, having the qualifications stated above, and shall notify the parties of the identity of such third broker. If the two brokers are unable to agree upon a third broker within twenty (20) days, either party may, upon not less than five (5) days' written notice to the other party, apply to the American Arbitration Association for the appointment of a third broker meeting the qualifications stated above.

(iii) Within thirty (30) days after submission of the matter to the third broker, the third broker shall select the determination by either Landlord's broker or Tenant's broker as the Fair Market Rental Value and shall notify Landlord and Tenant thereof. The third broker, if he or she so elects, may conduct a hearing, at which Landlord and Tenant and their respective brokers may make supplemental oral and/or written presentations, with an opportunity for rebuttal by the other party and its representatives and for questioning by the third broker. No ex parte communications shall be permitted between the third broker and Landlord or Tenant until after the third broker has made his or her determination. The third broker shall be limited solely to the issue of whether the determination by Landlord's broker or Tenant's broker is closest to the actual Fair Market Rental Value and shall have no right to propose a middle ground or to modify either of the two determinations or the provisions of this Lease. The decision of the third broker shall be final and binding upon Landlord and Tenant, and may be enforced in accordance with the provisions of Utah law.

(iv) If either Landlord or Tenant fails to appoint an broker within the time period specified hereinabove, the broker appointed by one of them shall reach a decision, notify Landlord and Tenant thereof, and such broker's decision shall be binding upon Landlord and Tenant. In the event of the failure, refusal or inability of an broker to act, a successor shall be appointed in the same manner as the original broker.

(v) Each party shall pay the costs and fees of the broker appointed by such party. The costs and fees of the third broker, if applicable, shall be paid one-half by Landlord and one-half by Tenant.

(c) Fair Market Rental Value. The term "Fair Market Rental Value" shall mean the price that a ready and willing tenant would then pay as monthly rent to a ready and willing landlord of property comparable to the Leased Premises if such property were exposed for lease

on the open market for a reasonable period of time and taking into account all of the purposes for which such property may be used.

4. **Other Charges Payable by Tenant**.

(a) Additional Rent.

(i) Operating Expenses. In addition to Base Rent, Tenant shall pay all expenses, costs and disbursements of every kind and nature, including appropriate reserves, which Landlord shall pay or become obligated to pay because of or in connection with the ownership, operation and maintenance of the Building and the Common Area, including but not limited to those described in Subsection 4(b) below ("**Operating Expenses**").

(ii) Operating Expenses are the following:

(1) reasonable wages and salaries actually paid to all employees, to the extent such employees are directly and actually engaged in the operation, repair, replacement, maintenance or security of the Building or Common Area, including taxes, insurance and other benefits actually owing to such employees;

(2) all actual out of pocket expenses for supplies and materials used in the operation and maintenance of the Building or Common Area;

(3) costs of all utilities and maintenance of utility systems for the Building or Common Area, including but not limited to the cost of water, sewer and trash disposal, except for those costs billed directly to Tenant by its suppliers (which under this Lease may include gas and electricity, which, at Tenant's election, shall be separately metered to the Building and Common Area, and which case Tenant shall pay directly to the appropriate supplier);

(4) costs of all third party maintenance and service agreements for the Building and Common Area, including, but not limited to, alarm service, janitorial service, window cleaning, security service, elevator maintenance, grounds maintenance and heating, ventilating and air conditioning systems to the extent such agreements are not separately billed to Tenant;

(5) costs of all insurance relating to the Building and Common Area, as more thoroughly described in Subsection 10(e) below;

(6) costs of any repairs and general maintenance to the Building and Common Area, or any part thereof and the equipment therein (excluding repairs and general maintenance paid by proceeds of insurance, by Tenant or by other third parties, and alterations attributable solely to Tenant);

(7) capital investment items (amortized over the useful life of such item) which are replacements or modifications of structural or nonstructural items located in the Building or the Common Area required to keep the Building or Common Area in good order or condition, or which reduce other Operating Expenses or which are required by any governmental order, including the cost of compliance with any laws affecting the Building or

Common Area, excluding costs of the original construction of the Building or performance of the Landlord's Improvements;

(8) professional management fees to manage the Building and Common Area, limited to four percent (4%) of Base Rent and Operating Expenses;

(9) accounting, inspection, legal and other consultation fees or expenses incurred in the ordinary course of operating the Building including, without limitation, fees charged by consultants retained by Landlord for services that are intended to produce a reduction in Operating Expenses, reduce the rate of increase in Operating Expenses, or reasonably improve the operation, maintenance, or state of repair of the Operating Expenses, and any dues or other assessments charged or imposed as a result of the inclusion of the Building in any metropolitan district or property owners association or sub-association;

(10) costs incurred by Landlord, or its agents, in engaging experts or other consultants to assist them in making the computations required hereunder;

(11) costs for lighting, heating and cooling, painting and cleaning the Building to the extent not directly paid by Tenant;

(12) costs of maintenance, lighting, sanding, paving repairs, restriping and general maintenance of parking areas, snow and ice removal, rubbish removal and landscaping;

(13) costs of licensing, permits, service and usage charges, costs of compliance with all rules and regulations and orders of governmental authorities pertaining to the Building and Common Area; including those related to engineering and environmental issues, air pollution control and monitoring air quality to the extent such costs are incurred or owning due to the occupancy or use of the Leased Premises; and

(14) costs of all association dues or any other fees, payments or dues owed under in any covenants, conditions or restrictions ("**CC&Rs**") applicable to the Building and/or Common Area. Tenant acknowledges that such costs shall include Tenant's Proportionate Share of costs to maintain the North Lot, Gale Street and all other shared access drives in the Project. After Project Stabilization, "**Tenant's Proportionate Share**" of such costs shall be a percentage equal to a fraction, the numerator of which is the rentable square footage of the Building and denominator of which is the rentable square footage of all buildings in the Project for which a certificate of occupancy has been issued, subject to change from time to time; provided that following Project Stabilization, in no event shall Tenant's Proportionate Share be greater than thirty percent (30%).

Notwithstanding anything to the contrary in this Section 4, until a certificate of occupancy has been issued for at least 300,000 square feet of improvements in the Project and the owner of such improvements is required to contribute of Common Area expenses under any CC&Rs applicable to the Project (which occurrence is hereinafter referred to as "**Project Stabilization**"), Tenant's Proportionate Share shall equal, and Tenant shall be required to pay, all Operating Expenses which Landlord shall pay or become obligated to pay because of or in connection with the ownership, operation and maintenance of the North Lot, but Tenant shall not be required to contribute to such

costs for any portion of the Common Area other than the North Lot until Project Stabilization is achieved.

(iii) Operating Expenses shall not include (i) replacement of or structural repairs to the roof, exterior walls or foundations of the Building, except as described in Section 4(a)(ii)(7) above; (ii) repairs to the extent covered by insurance proceeds, or paid by Tenant or other third parties; (iii) marketing expenses; (iv) any refunds received by Landlord that would reduce the net effective Operating Expenses payable by Landlord; and (v) any cost or expense associated with compliance with any Applicable Laws or Environmental Laws regarding any condition existing in the Leased Premises or Common Areas if such condition existed prior to the Commencement Date, including, but not limited to removal of any and all Hazardous Substances located in the Premises prior to the Commencement Date.

Landlord shall use reasonable commercial efforts to not pay more than market rates and otherwise minimize Operating Expenses.

(iv) Payment of Operating Expenses. For each calendar year during the Lease Term, Landlord shall provide Tenant with Landlord's reasonable estimate of the Operating Expenses for the following calendar year (the "**Estimate Statement**"). Tenant shall thereafter pay in advance in monthly installments, with the Base Rent, the estimated amount of the Operating Expenses. Such Estimate Statement may be revised from time to time by Landlord, but no more than one time for every calendar quarter under the Lease. Landlord shall within the period of 120 calendar days (or as soon thereafter as possible) after the close of each calendar year give Tenant a statement of such year's actual Operating Expenses and, together with a reconciliation statement comparing the actual costs with the costs set forth in the Estimate Statement (an "**Expense Reconciliation**"). In the event such reconciliation statement reveals an underpayment by Tenant, Tenant shall, within thirty (30) days, pay to Landlord the amount of such underpayment. If, on the other hand, the reconciliation statement reveals an overpayment Landlord shall promptly refund to Tenant the amount of such overpayment or, at Landlord's election, credit such amount to the succeeding monthly installments of Additional Rent; provided, however, no refunds of Additional Rent, or amounts escrowed hereunder, shall be paid to Tenant until Tenant has cured any default of any of its obligations under the Lease. The failure of Landlord to submit statements provided for herein shall not relieve Tenant of its obligation to pay the Operating Expenses.

(v) Cap on Operating Expense Increases. Notwithstanding anything to the contrary contained in this Section 4, the aggregate "Controllable Expenses" (as hereinafter defined) included in Operating Expenses in any calendar year after the first year following the Commencement Date shall not increase by more than [***] on a cumulative, compounded annual basis, over the actual aggregate Controllable Expenses included in Operating Expenses for any preceding calendar year. For purposes of this Subsection, "**Controllable Expenses**" shall mean all Operating Expenses except: (i) insurance carried by Landlord with respect to the Building and Land and/or the operation thereof; (ii) costs of capital expenditures which constitute Operating Expenses; (iii) utility expenses relating to the Building or Common Areas; (iv) taxes and assessments; (v) expenses relating to licensing, permits, service and usage charges and costs of compliance with governmental rules and regulations relating to the Building or Common Areas; and (vi) snow removal costs.

(b) Property Taxes.

(i) Real Estate Taxes. Tenant shall pay all real estate taxes and assessments (including any fees, taxes or assessments against, or as a result of, any tenant improvements installed on the Land by or for the benefit of Tenant), including without limitation an amortized portion of any special assessments, imposed upon the Land and Building by any governmental bodies or authorities, and all charges specifically imposed in lieu of such taxes and any costs incurred in connection with appealing or contesting such assessments (the "**Real Property Taxes**"). Subject to Section 4(d) below, such payment shall be made at least ten (10) days prior to the delinquency date of such taxes. Within such ten (10)-day period, Tenant shall furnish Landlord with satisfactory evidence that the Real Property Taxes have been paid. Landlord shall reimburse Tenant for any Real Property Taxes paid by Tenant covering any period of time before or after the Lease Term. Alternatively, Landlord may elect to bill Tenant in advance for such taxes and Tenant shall pay Landlord the amount of such taxes, as Additional Rent, at least ten (10) days prior to the delinquency date of such taxes. Landlord shall pay such taxes prior to such delinquency date, provided Tenant has timely made payment to Landlord. Any penalty caused by Tenant's failure to timely make such payments shall also be Additional Rent owed by Tenant immediately upon demand. Real Property Taxes shall not include state, local or federal personal and corporate income taxes measured by the income of Landlord; estate and inheritance taxes, franchise, succession and transfer taxes; and ad valorem taxes on Landlord's personal furniture and furnishings.

(ii) Personal Property Taxes.

(1) Tenant shall pay all taxes charged against trade fixtures, furnishings, equipment or any other personal property belonging to Tenant. Tenant shall diligently pursue the separate assessment of such personal property, so that it is taxed separately from the Property.

(2) If any of Tenant's personal property is taxed with the Property, Tenant shall pay Landlord the taxes for the personal property within fifteen (15) business days after Tenant receives a written statement from Landlord for such personal property taxes.

(c) Tenant Audit Right. If Tenant disputes the amount of Operating Expenses set forth in a given Expense Reconciliation, Tenant shall have the right, at Tenant's sole expense, to cause Landlord's books and records with respect to the particular Expense Reconciliation to be audited (the "**Audit**"), provided Tenant (i) has not defaulted under this Lease and failed to cure such default within the time period specified in this Lease and (ii) delivers written notice (an "**Audit Notice**") to Landlord on or prior to the date that is ninety (90) days after Landlord delivers the Expense Reconciliation in question to Tenant (such 90-day period, the "**Response Period**"). If Tenant fails to timely deliver an Audit Notice with respect to a given Expense Reconciliation, then Tenant's right to undertake an Audit with respect to that Expense Reconciliation shall automatically and irrevocably be waived. Any Expense Reconciliation shall be final and binding upon Tenant and shall, as between the parties, be conclusively deemed correct, at the end of the applicable Response Period, unless prior thereto, Tenant timely delivers an Audit Notice with respect to the then-applicable Expense Reconciliation. If Tenant timely delivers an Audit Notice, Tenant must commence such Audit within sixty (60) days after the Audit Notice is delivered to

Landlord, and the Audit must be completed within thirty (30) days of the date on which it is begun. If Tenant fails, for any reason, to commence and complete the Audit within such periods, the Expense Reconciliation that Tenant elected to Audit shall be deemed final and binding upon Tenant and shall, as between the parties, be conclusively deemed correct. The Audit shall take place at the offices of Landlord where its books and records are located, at a mutually convenient time during Landlord's regular business hours. Tenant hereby covenants and agrees that any person or entity engaged by Tenant to conduct the Audit shall be compensated on an hourly basis and shall not be compensated based upon a commission or contingency fee basis. Accordingly, any representative of Tenant conducting, assisting, or having any involvement with the audit shall not be permitted to have a financial stake in the outcome of the audit and Landlord shall be entitled to receive credible evidence of the same and Landlord may refuse to allow the audit in the absence of such evidence. Additionally, any representative of Tenant conducting an audit shall first sign a confidentiality agreement that provides that it will not disclose the audit, its conclusions or any information obtained in the course of conducting the audit to anyone other than Tenant and Landlord.

If the results of the Audit reveal that the Tenant's ultimate liability for Operating Expenses does not equal the amount set forth in the Expense Reconciliation with respect to the Expense Reconciliation that is the subject of the Audit, the appropriate adjustment shall be made between Landlord and Tenant, and any payment required to be made by Tenant to Landlord shall be made within thirty (30) days after the date of the Audit, and any amount owing by Landlord to Tenant shall be credited against the next maturing installments due from Tenant to Landlord for Tenant's Proportionate Share of Operating Expenses. Notwithstanding the foregoing, Landlord shall have the right to challenge Tenant's Audit, in which event the matter shall be submitted to an independent certified public accountant mutually acceptable to both parties, whose certification as to the proper amount shall be final and binding as between Landlord and Tenant. Tenant shall pay the cost of such certification unless such certification determines that Tenant was overbilled by at least 2% in which event Landlord shall pay the cost of such certification. Pending resolution of the matter, Tenant shall pay the amounts as determined by Landlord, subject to retroactive adjustment after the matter is resolved. Tenant shall keep the results of all Tenant audits confidential. In no event shall this Lease be terminable nor shall Landlord be liable for damages based upon any disagreement regarding an adjustment of Operating Expenses; provided, in the event that the Audit it undisputed by Landlord and reveals that any of the Operating Expenses are overstated by four percent (4%) or more in any Expense Reconciliation, Landlord shall be responsible to reimburse Tenant the reasonable cost of the Audit within thirty (30) days after the date of the Audit. Tenant agrees that the results of any Audit shall be kept strictly confidential by Tenant and shall not be disclosed to any other person or entity.

(d) Impounds for Real Property Taxes. If requested by any Mortgage lienholder to whom Landlord has granted a security interest in the Land or Building, or if Tenant is more than ten (10) days late in the payment of Rent more than once in any consecutive twelve (12) month period, Tenant shall pay Landlord a sum equal to one-twelfth (l/12) of the annual Real Property Taxes payable by Tenant under this Lease, together with each payment of Base Rent. Landlord shall hold such payments in a non-interest bearing impound account. If unknown, Landlord shall reasonably estimate the amount of Real Property Taxes. Tenant shall pay any deficiency of funds in the impound account to Landlord upon written request. If Tenant defaults

under this Lease, Landlord may apply any funds in the impound account to any obligation then due under this Lease.

5. **Security Deposit**. On the Effective Date, Tenant shall deposit with Landlord the Security Deposit as set forth in Paragraph 16 of the Summary of Basic Lease Terms as security for the full and faithful performance by Tenant of all Tenant's obligations hereunder. No interest shall be paid upon the Security Deposit nor shall Landlord be required to maintain the deposit in a segregated account. The Security Deposit shall not be construed as prepaid Rent. In the event that Tenant shall fail to cure a default under this Lease within the time allowed for cure, then Landlord may retain the Security Deposit, or a portion thereof, and apply it toward any damages sustained by Landlord, including but not limited to actual damages sustained by the Landlord by reason of the default of Tenant, including any past due Rent. Upon each such application, Tenant shall, on demand, pay to Landlord the sum so applied, which shall be added to the Security Deposit so that the same shall be restored to the amount first set forth above. In the event of bankruptcy or other debtor-creditor proceedings, either voluntarily or involuntarily instituted by or against Tenant, the Security Deposit shall be deemed to be applied in the following order: to actual damages caused by Tenant beyond ordinary wear and tear, obligations and other charges, including any damages sustained by Landlord, other than unpaid Rent, due to Landlord for all periods prior to the filing of such proceedings; to accrued and unpaid Rent prior to the filing of such proceeding, and thereafter to actual damages, obligations, other charges and damages sustained by Landlord and Rent due the Landlord for all periods subsequent to such filing. In the event of a sale of the Building, Landlord shall have the right to transfer the Security Deposit to the buyer, and, assuming the buyer assumes all of Landlord's obligations under this Lease and with respect to the Security Deposit, Landlord shall have no further obligation regarding the Security Deposit. If Tenant is not then in default under this Lease, the Security Deposit or any balance thereof shall be returned to Tenant within forty-five (45) days after expiration of the Lease Term or forty-five (45) days after the final day Tenant occupies the Leased Premises.

6. **Project Development.**

Tenant acknowledges there may be noise and interruptions on account of Landlord building out improvements for other tenants in the Project. Landlord shall use commercially reasonable efforts to mitigate inconveniences to all tenants during the period following opening of the Building– but shall not be liable to Tenant for occasional noise.

7. **Use of Leased Premises**.

(a) The Leased Premises shall be used for the Permitted Use and for no other purpose without the prior written consent of Landlord, in its reasonable discretion. In the event that Tenant determines to alter any locks or install any new or additional lock or bolt on any door of the Building or change the entry system for the Building, Tenant will provide Landlord with a key for any such new or altered lock or means to access the Building through such entry system. Notwithstanding the foregoing, but only following receipt of Landlord's written consent, which will not be unreasonably withheld, Tenant shall be entitled to create limited secure areas within the Leased Premises that access is only available to Tenant. On the termination of the Lease, Tenant will deliver all keys and access cards to any locks or doors in the Building which have been obtained by Tenant. Tenant shall have access to the Building 24 hours per day, 7 days per week.

(b) Landlord may not, without Tenant's prior written consent (not to be unreasonably withheld, conditioned or delayed), amend the zoning of the Building or the Project or record any declaration encumbering the Building or Project, which materially interferes with Tenant's Permitted Use, materially increases Tenant's obligations under this Lease or decreases Tenant's rights under this Lease, or violates any provision in this Lease in a material manner, and Landlord shall provide a copy of such agreement to Tenant; provided, however, that Landlord shall be permitted to record any declaration irrespective of the foregoing impact so long as Tenant's non-compliance shall be permitted as to the portions of any such provisions that cause the aforementioned material interference.

(c) Tenant shall act in accordance with and not violate any restrictions or covenants of record affecting the Leased Premises or the Building which have been recorded against the Building and/or the Project in compliance with Section 7(b) above and of which Tenant has been provided written notice (which notice shall include a copy of such restriction or covenant). Tenant shall not use or occupy the Leased Premises or Common Area in violation of any applicable law, code, regulation or ordinance, and shall immediately discontinue any use of the Leased Premises or Common Area which is a violation of any such law, code, regulation or ordinance.

(d) Except for the Permitted Uses, Tenant shall not do nor permit to be done anything which will increase the cost of any casualty and extended coverage insurance policy covering the Building and/or property located therein and shall comply with all rules, orders, regulations and requirements of the appropriate Fire Rating Bureau or any other organization performing a similar function. Tenant shall not do nor permit to be done anything which will invalidate any casualty and extended coverage insurance policy covering the Building and/or property located therein. Tenant shall promptly upon written demand and a reasonable opportunity to cure any problem which results in an invalidation or increase in the cost of any casualty and extended coverage insurance policy, reimburse Landlord, as Additional Rent, for any additional premium charged for such policy by reason of Tenant's failure to comply with the provisions of this Section 7. Except for the Permitted Uses, Tenant shall not do or permit anything to be done in, on or about the Leased Premises or Common Area which would in any way obstruct or interfere with the rights of other tenants of Landlord, or use or allow the Leased Premises or Common Area to be used for any immoral, unlawful or objectionable purpose, nor shall Tenant maintain or permit any nuisance or commit or suffer to be committed any waste in, on or about the Building or Common Area.

8. **Building Services, Maintenance**.

(a) Landlord shall maintain in good repair the Building and Common Area, and any structural (including the foundation, footings, roof, gutters, flashings, downspouts, floor slab, columns, beams, shafts and walls) mechanical, plumbing and electrical systems serving the Building and Common Area (the cost of which may be included in the Operating Expenses as described in Subsection 4(b) above). In the event Tenant elects to have Landlord provide janitorial services for the Leased Premises, Tenant shall remain responsible for its own janitorial services in the Leased Premises beyond the normal cleaning services provided by Landlord. With respect to any work performed by or on behalf of Landlord pursuant to this Section 8, Landlord shall be liable to Tenant only for damage caused to Tenant's personal property located within the Premises

to the extent such damage is caused by Landlord's or its property manager's willful misconduct or gross negligence. In no event shall Landlord have any liability to Tenant for any other damages, or for any inconvenience or interference with the use of the Leased Premises by Tenant, or for any consequential damages, including lost profits, as a result of performing any such work. Landlord reserves the right to interrupt any or all utility services in case of accident or breakdown, or for the purpose of making alterations, repairs or improvements, and shall not be liable for the failure to furnish or delay in furnishing any or all of such services when same is caused by a Force Majeure Event (as defined in Subsection 24(t) below); and the failure to furnish any of such services in such event shall not be deemed or construed as an eviction or relieve Tenant from the performance of any of the obligations imposed upon Tenant by this Lease. Whenever possible, Landlord shall provide reasonable advance notice to Tenant in the event of Landlord's stopping any or all utility services, or otherwise Landlord shall coordinate repairs to such utility services with Tenant. Notwithstanding any other provision of this Lease, in no event shall Landlord have any liability for loss of business (including, without limitation, lost profits) by Tenant. Tenant shall be solely responsible for and shall promptly pay all charges for IT, telephone, internet and other communication services attributable to Tenant's Permitted Use.

(b) Tenant shall maintain the Leased Premises in good repair and condition and shall make all repairs and perform all maintenance necessary to keep the Leased Premises in good condition, damage by casualty and reasonable wear and tear excepted; provided that Landlord shall be responsible for repairing, replacing and maintaining the structural components of the Building (including the foundation, roof, and walls) as described in Subsection 8(a) above. In addition, Tenant shall promptly repair, in a good and workmanlike manner, any damage to the Leased Premises or other part of the Building caused by any breach by Tenant of this Lease, including Tenant's maintenance obligations set forth herein, or by any act or omission of Tenant, or of any employee, agent or invitee of Tenant. If Tenant fails to do so, after written notice thereof by Landlord, and an opportunity to cure or make repairs within ten (10) calendar days, Landlord shall have the right to repair any such damage and Tenant shall pay Landlord for the cost of all such repairs, plus interest at the Interest Rate (as defined below).

(c) Tenant shall not permit undue accumulations of garbage, trash, rubbish or other refuse within the Leased Premises or Common Area and shall keep all refuse in proper containers until disposal of such refuse.

9. **Alterations**. After completion of the Tenant's Improvements pursuant to the terms of the Work Letter, Tenant shall not make any changes, additions, alterations, improvements or additions (collectively, "**Alterations**") to the Leased Premises or attach or affix any articles thereto without Landlord's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed, except for non-structural interior alterations that (i) do not exceed [***] in cost; (ii) are not visible from the outside of the Building; and (iii) do not alter or penetrate the floor slab or the roof membrane. Landlord may require Tenant to provide demolition and/or lien and completion bonds in form and amount satisfactory to Landlord. Tenant shall promptly remove any Tenant's Alterations constructed in violation of this Section 9 upon Landlord's written request. Prior to making any Alteration that requires Landlord's prior written consent, Tenant shall send Landlord a written notice, pursuant to the terms of Section 23 below, together with all plans for such Alterations reasonably required by Landlord, requesting Landlord's approval of such plans (each a "**Tenant Alteration Request**"). If Landlord fails to respond to Tenant's Alteration

Request within fifteen (15) business days after Landlord's receipt of such Tenant Alteration Request, then Landlord shall be deemed to have agreed to permit Tenant to make such Alterations described in Tenant's Alteration Request. All Alterations shall be done only by Landlord or contractors or mechanics reasonably approved by Landlord, and shall be subject to all other terms and conditions described in this Section 9 and done at Tenant's sole expense. Any mechanics or materialman's lien for which Landlord has received a notice of intent to file or which has been filed against the Leased Premises, Building or Common Areas arising out of work done for, or materials furnished to or on behalf of Tenant, its contractors or subcontractors shall be discharged, bonded over, or otherwise satisfied by Tenant within ten (10) calendar days following the earlier of the date Landlord receives (a) notice of intent to file a lien or (b) notice that the lien has been filed. If Tenant fails to discharge, bond over, or otherwise satisfy any such lien, Landlord may do so at Tenant's expense, and the amount expended by Landlord, including reasonable attorneys' fees, shall be paid by Tenant within ten (10) calendar days following Tenant's receipt of a bill from Landlord. All Alterations, whether temporary or permanent in character, made by Landlord or Tenant in or upon the Leased Premises shall become Landlord's property and shall remain upon the Leased Premises at the termination of this Lease by lapse of time or otherwise, without compensation to Tenant (excepting only the following defined "**Tenant's Property**": Tenant's movable office furniture, machinery and tooling (regardless of whether attached to the Building), trade fixtures, office and professional equipment (regardless of whether attached to the Building), and any network-powered broadband, communication and/or coaxial cables installed by or for the benefit of Tenant, hereunder "cabling"). All of Tenant's Property and, notwithstanding the foregoing, at Landlord's election, any such other alteration, improvement, or addition made by Tenant which is designated for Tenant's removal pursuant to a written notice thereof from Landlord shall, at Tenant's sole cost be removed upon the termination of this Lease. Tenant shall also, at Tenant's sole cost, repair any damage caused to the Leased Premises or the Building as a result of any such removal and restore the Leased Premises to its condition prior to the installation of Tenant's Property or any other such other alteration, improvement or addition, reasonable wear and tear excepted. In the event Tenant fails to perform the repairs required hereunder, Landlord shall be entitled to perform the same and recover from Tenant all costs and expenses thereof, including attorney fees. In the event that Landlord incurs any expenses in the removal of trash, or the cleaning of elevators, public corridors, or loading areas as a result of Tenant's contractors' work, then Tenant agrees it shall reimburse Landlord within ten (10) calendar days of the date of billing.

10. **Liability Insurance; Indemnity**.

(a) Tenant shall and hereby does indemnify and hold Landlord harmless from and against any and all claims brought against Landlord by a third party arising from: (i) Tenant's use of the Leased Premises or the conduct of Tenant's business or profession; (ii) any activity, work, or thing done, permitted or suffered by the Tenant in or about the Building or Common Area; (iii) any breach or default in the performance of any obligation on Tenant's part to be performed under the terms of this Lease; or (iv) any negligent acts or omissions of Tenant, or of Tenant's agents, employees or contractors. Tenant shall and hereby does further indemnify, defend and hold Landlord harmless from and against all costs, attorney fees, expenses and liabilities incurred in connection with any such claim or any action or proceeding brought thereon. In case any action or proceeding is brought against Landlord by reason of any such claim, Tenant upon notice from Landlord, shall defend same at Tenant's expense by counsel reasonably satisfactory

to Landlord. Tenant, as a material part of the consideration to Landlord, hereby assumes all risk of damage to property or injury to persons in, upon or about the Leased Premises from any cause other than the gross negligence or intentional misconduct of Landlord or its representatives, employees or agents. Landlord shall and hereby does indemnify and hold Tenant harmless from and against any and all claims and costs, reasonable attorneys' fees or other liabilities incurred as a direct result of any claim or action or proceedings by a third party and directly arising from the following, exception to the extent of Tenant's acts or omissions: (i) any breach or default in the performance of any obligation on Landlord's part to be performed under the terms of this Lease; or (ii) any grossly negligent or willful acts or omissions of Landlord. In case any action or proceeding is brought against Tenant by reason of any such claim, Landlord upon notice from Tenant, shall defend same at Landlord's expense by counsel reasonably satisfactory to Tenant. The indemnities herein shall survive the termination of this Lease and shall continue in effect until any and all claims, actions or causes of action with respect to any of the matters indemnified against are fully and finally barred by the applicable statute of limitations. In no event shall any of the insurance provisions set forth in this Lease be construed as a limitation on the scope of indemnification set forth herein.

(b) Tenant, at Tenant's expense, agrees to keep in force during the Lease Term:

(i) Commercial general liability insurance shall be maintained on an occurrence basis, which insures against claims for premises/operations, bodily injury including death, personal and advertising injury and mental anguish, property damage, products-completed operations, tenant's legal liability and contractual liability, based upon, involving, or arising out of the Tenant's use, occupancy, or maintenance of the Premises and the Property. Such insurance shall afford, at a minimum, the following limits:

Each Occurrence	$1,000,000
General Aggregate	$2,000,000
Products/Completed Operations Aggregate	$2,000,000
Personal and Advertising Injury Liability	$1,000,000

Medical Payments	$5,000

Any general aggregate limit shall apply on a per-location basis. Tenant's commercial general liability insurance shall include Landlord (including its trustees, lenders, officers, directors, members, agents, and employees) and Landlord's mortgagees as additional insureds on a primary and non-contributory basis, without privity of contract requirement, for claims arising out of Tenant's use or occupancy in and about the Premises. This coverage shall be written on the most current ISO CGL form (or its equivalent), shall include contractual liability, premises-operations and products-completed operations and shall contain an exception to any pollution exclusion which insures damage or injury arising out of heat, smoke, or fumes from a hostile fire. Such insurance shall a standard separation of insureds provision.

(ii) Business automobile liability insurance covering any and all vehicles with minimum limits of $1,000,000 combined single limit per occurrence/per accident covering all owned, hired and non-owned automobiles naming Landlord and its entities as

(iii) Employer's liability insurance in an amount not less than $1,000,000 each accident and $1,000,000 bodily injury by disease per employee, and $1,000,000 bodily injury by disease policy limit, or such other limit as is acceptable to Tenant's umbrella/excess carrier.

(iv) Workers' compensation insurance in accordance with Utah law.

(v) Umbrella/excess liability insurance, on a per occurrence basis and in the aggregate on a per location basis, that applies excess of the required commercial general liability, business automobile liability, and employer's liability policies with forms no more restrictive than the underlying policies and with the following minimum limits:

Each Occurrence	$5,000,000
Annual Aggregate	$5,000,000

Umbrella/Excess liability policies shall contain an endorsement stating that any entity qualifying as an additional insured on the insurance stated in the Schedule of Underlying Insurance shall be an additional insured on the umbrella/excess liability policies or that coverage is specifically follow form and no more restrictive than the underlying policies, and that they apply immediately upon exhaustion of the insurance stated in the Schedule of Underlying Insurance as respects the coverage afforded to any additional insured. The umbrella/excess liability policies shall also provide that they apply before any other insurance, whether primary, excess, contingent or on any other basis, available to an additional insured on which the additional insured is a named insured (which shall include any self-insurance), and that the insurer will not seek contribution from such insurance.

(vi) Other insurance shall be maintained as Landlord may reasonably require from time to time as is standard and reasonable for such assets located in similar geographic locations with similar operations and exposures.

(vii) Coverage under blanket or master policies may be approved by Landlord, provided coverage applies on the same basis as if the coverage was written outside of a blanket program and does not affect or lessen coverage available to the Premises herein, and otherwise meets the requirements set forth in this agreement unless otherwise approved by Landlord.

(viii) Property insurance "the equivalent of causes of loss – special form" including flood, earthquake, windstorm, theft, sprinkler leakage and boiler and machinery coverage on all of Tenant's trade fixtures, furniture, inventory and other personal property in the Leased Premises, and on any alterations, additions, or improvements made by Tenant upon the Leased Premises all for the full replacement cost thereof. Tenant shall use the proceeds from such insurance for the replacement of trade fixtures, furniture, inventory and other personal property and for the restoration of Tenant's improvements, alterations, and additions to the Leased Premises. Landlord shall be named as loss payee as its interests may appear with respect to

alterations, additions, or improvements of the Leased Premises where Tenant cannot remove at the end of the Lease Term wherein ownership then reverts to Landlord.

(ix) Property insurance required herein shall include business income and extra expense insurance with limits not less than 100% of all income and charges payable by Tenant under this Lease for a period of twelve (12) months.

(c) All policies required to be carried by Tenant hereunder shall be issued by an insurance company licensed or authorized to do business in Utah with a rating of at least "A-: VIII" or better as set forth in the most current issue of Best's Insurance Reports, unless otherwise approved by Landlord. Tenant shall not do or permit anything to be done that would invalidate the insurance policies required herein. Liability insurance maintained by Tenant shall name Landlord and Landlord's Mortgagee as Additional Insured with no privity of contract requirement and be primary coverage on behalf of Landlord, its trustees, officers, directors, members, agents, and employees, Landlord's mortgagees, and Landlord's representatives and any policies of Landlord, its trustees, officers, directors, members, agents, and employees, Landlord's mortgagees, and Landlord's representatives shall be non-contributory. A waiver of subrogation, in favor of Landlord and Landlord's Mortgagee, shall apply. Certificates of insurance, acceptable to Landlord, evidencing the existence and amount of each insurance policy required hereunder shall be delivered to Landlord prior to delivery or possession of the Premises and ten (10) days following each renewal date. Certificates of insurance shall evidence that Landlord and Landlord's mortgagees are included as additional insureds on liability policies and that Landlord is included as loss payee on the property insurance as stated in Subsection 10(b)(vi) above. Further, each policy shall contain provisions giving Landlord and each of the other additional insureds at least thirty (30) days' prior written notice of cancellation, non-renewal or material change in coverage. In the event that Tenant fails to provide evidence of insurance required to be provided by Tenant in this Lease, prior to the Commencement Date and thereafter during the Term, within ten (10) days following Landlord's request thereof, and thirty (30) days prior to the expiration of any such coverage, Landlord shall be authorized (but not required) to procure such coverage in the amount stated with all costs thereof to be chargeable to Tenant and payable upon written invoice thereof. The limits of insurance required by this Lease, or as carried by Tenant, shall not limit the liability of Tenant or relieve Tenant of any obligation thereunder, except to the extent otherwise provided for herein. Any deductibles selected by Tenant shall be the sole responsibility of Tenant. Tenant insurance requirements stipulated in this Section 10 are based upon current industry standards and shall be reasonably adjusted or supplemented from time to time, upon Landlord's request, to conform to then-current industry standards. In addition to the insurance Tenant is required to carry under this Lease, should Tenant engage the services of any contractor or subcontractor of any type or tier to perform work in the Premises, Tenant shall ensure, via written and executed contract, that such party complies with the requirements of this Section 10 and carries commercial general liability, business automobile liability, umbrella/excess liability, worker's compensation and employer's liability coverages in substantially the same forms as required of the Tenant under this Lease and in amounts approved by landlord and/or landlord's property manager. Umbrella coverage shall be commensurate with their scope of risk and work performed but in no case less than $1,000,000 per occurrence. Contractor policies shall have zero restrictions for injuries to employees, or for the scope of work contemplated within their agreement. Certificates of insurance shall be made available to Landlord prior to work commencing on site evidencing all insurances as required herein, and include Tenant, Landlord and Landlord entities as additional insured for

ongoing and completed operations on a primary and non-contributory basis. The required limits listed above are minimum limits established by Landlord and nothing contained herein shall be construed to mean the required limits are adequate or appropriate to protect Tenant or contractors of any type from greater loss.

(d) Landlord shall procure and maintain the following, the cost of which shall be included in the Operating Expenses:

(i) Property insurance with insured limits no less than 100% of the current replacement cost of the Building, including Landlord Furnished Tenant Improvements, on the "All Risk" or Special Form, and any other perils which Landlord or Landlord's lender deems reasonably necessary, including Loss of Rental Income coverage. Landlord shall not be obligated to insure any of Tenant's furniture, equipment, trade fixtures, machinery, stock, inventory, goods or supplies which Tenant may keep or maintain in or upon the Leased Premises or any alteration, addition, or improvement which Tenant may make to the Leased Premises.

(ii) Commercial general liability insurance, which shall be in addition to, and not in lieu of, insurance required to be maintained by Tenant. Tenant shall not be included as an additional insured on any policy of liability insurance maintained by Landlord.

(e) Landlord waives any and all rights of recovery against Tenant for or arising out of damage to, or destruction of the Leased Premises to the extent that Landlord's property insurance policies then in force insure or the policies required by this Lease, whichever is broader, insure against such damage or destruction and permit such waiver. Tenant waives any and all rights of recovery against Landlord for or arising out of damage to or destruction of any property of Tenant to the extent that Tenant's property insurance policies then in force or the policies required by this Lease, whichever is broader, insure against such damage or destruction and permit such waiver.

(f) Neither Landlord nor its agents shall be responsible for or liable to Tenant for any loss or damage that may be occasioned by or through the acts or omissions of persons occupying adjoining premises or any part of the premises adjacent to or connected with the Leased Premises or any part of the Building, nor shall Landlord or its agents be liable for any damage to property entrusted to employees of the Building, nor for loss of or damage to any property by theft or otherwise, nor for any injury or damage to persons or property resulting from fire, explosion, falling plaster, steam, gas, electricity, water or rain which may leak from any part of the Building or from the pipes, appliances or plumbing works therein or from the roof, street or subsurface, or from any other place or resulting from dampness or any other cause whatsoever, except as a result of the intentional misconduct of Landlord, its agents, servants or employees. Neither of Landlord or Tenant will be liable under any circumstances to the other party for any incidental or consequential damages. Tenant shall give prompt notice to Landlord in case of fire or accident in the Leased Premises or in the Building or of defects therein or in the fixtures or equipment.

(g) Any and all "the equivalent of causes of loss – special form" insurance which is required to be carried by Tenant or Landlord shall be endorsed with a subrogation clause, substantially as follows: "This insurance shall not be invalidated should the insured waive, in writing, prior to a loss, any and all right of recovery against any party for loss occurring to the

property described herein"; and each of Tenant and Landlord waives all claims for recovery from the other party, its officers, agents or employees for any loss or damage (whether or not such loss or damage is caused by negligence of the other party, its officers, agents or employees, and notwithstanding any provisions contained in this Lease to the contrary) to any of its real or personal property insured under valid and collectible insurance policies to the extent of the collectible recovery under such insurance.

11. **Damage or Destruction**. In the event the Leased Premises or the Building are damaged by fire or other insured casualty, the insurance proceeds shall be made available therefor by the holder or holders of any Mortgage covering the Building and the damage shall be repaired by and at the expense of Landlord to the extent of such insurance proceeds available therefor, provided such repairs can, in Landlord's reasonable opinion, be completed within 180 calendar days after the occurrence of such damage, without the payment of overtime or other premiums. Notwithstanding the foregoing, in the event that as a condition to obtaining construction or permanent financing, and notwithstanding the reasonable commercial efforts of Landlord to provide otherwise, the holder of any first priority Mortgage requires that such Mortgage (or its related documents governing such loan) govern the disposition of insurance proceeds in the event of an fire or insured casualty, Tenant shall acknowledge in an SNDA (defined below) that such Mortgage (or its related documents governing such loan) shall control such disposition instead of this Lease. Until such repairs are completed, the Rent shall be abated in proportion to the part of the Leased Premises which is unusable by Tenant in the conduct of its business; provided, however, if the damage is due to a material default by Tenant under this Lease or the gross negligence of Tenant or its employees, agents, or invitees, there shall be no abatement of Rent. If repairs cannot, in Landlord's reasonable opinion, be made within said 180 calendar day period, Landlord shall notify Tenant within thirty (30) calendar days of the date of occurrence of such damage as to whether or not Landlord shall have elected to make such repairs. If Landlord elects not to make such repairs which cannot be completed within 180 calendar days, then either party may, by written notice to the other, terminate this Lease effective as of the date of the occurrence of such damage; provided, however, Tenant shall not have the right to terminate this Lease if the damage is due to a material default by Tenant under this Lease or the gross negligence of Tenant or its employees, agents or invitees. If Landlord has maintained the insurance required to be maintained by Landlord under this Lease and insurance proceeds are insufficient or unavailable to repair the damage, Landlord may, at its sole option, terminate this Lease by written notice to Tenant given not more than thirty (30) days after the occurrence of the damage. Except as provided in this Section 11, there shall be no abatement of Rent and no liability of Landlord by reason of any injury, inconvenience, temporary limitation of access or interference to or with Tenant's business or property arising from the making of any necessary repairs, or any alterations or improvements in or to any portion of the Building or the Leased Premises, or in or to fixtures, appurtenances, and equipment therein, in each event to the extent necessitated by such damage.

12. **Eminent Domain**. If the Building or a material part thereof, or more than thirty percent (30%) of the Parking Spaces that Landlord is obligated to make available to Tenant in the North Lot pursuant to Section 14 below, be taken by any authorized entity by eminent domain or by negotiated purchase under threat thereof, so that the Leased Premises shall become totally untenantable, this Lease shall terminate as of the earlier of the date when title or possession thereof is acquired or taken by the condemning authority. Tenant waives any claim to any part of the award payable to Landlord by the condemning authority for such taking and all rights of Tenant

in this Lease shall immediately cease and terminate. If allowed under applicable law, Tenant may separately pursue a claim against the condemnor for (a) the value of Tenant's Property; (b) Tenant's moving costs; and/or (c) Tenant's loss of business; so long as such claims do not reduce the amount of the condemnation award otherwise payable to Landlord. If fifteen percent (15%) or more of the Building shall be taken such that the Leased Premises becomes only partially untenantable, or such partial condemnation materially impairs Tenant's ability to use the Leased Premises for the Permitted Uses, Tenant may upon thirty (30) days' notice to Landlord terminate this Lease. Absent such termination, this Lease shall continue in full force and effect as to the portion of the Leased Premises which is not taken and Base Rent shall be proportionately abated. Landlord may without any obligation or liability to Tenant stipulate with any condemning authority for a judgment of condemnation without the necessity of a formal suit or judgment of condemnation, and the date of taking under this clause shall then be deemed the date agreed to under the terms of such agreement or stipulation; provided, however, that Landlord will promptly notify Tenant of any condemnation threatened to Landlord in writing and allow Tenant to participate in such negotiations if it is customary in such jurisdiction. In the event that less than thirty percent (30%) of the Parking Spaces that Landlord is obligated to make available to Tenant in the North Lot pursuant to Section 14 below are taken by any authorized entity by eminent domain or by negotiated purchase under threat thereof, Landlord may replace such Parking Spaces by providing surface or structured parking located within one (1) city block of the block of the Building in the amount of the taken Parking Spaces. In the event Landlord is unable to provide alternative parking arrangements replacing all or substantially all of the taken Parking Spaces, Tenant shall have the option to terminate this Lease as of the earlier of the date when title or possession thereof is acquired or taken by the condemning authority.

13. **Assignment and Subletting**.

(a) Tenant shall not, either voluntarily or by operation of law, directly or indirectly, sell, assign or transfer this Lease, in whole or in part, or sublet the Leased Premises or any part thereof, or permit the Leased Premises or Common Area or any part thereof to be occupied by any person, corporation, partnership, or other entity except Tenant or Tenant's employees (all of the foregoing are hereinafter sometimes referred to collectively as "**Transfers**"), without the prior written consent of Landlord in each instance, which consent shall not be unreasonably withheld, delayed or conditioned.

(b) Notwithstanding anything to the contrary in Section 13(a) above, the consent of Landlord shall not be required in the event of an assignment by Tenant to (i) any entity directly or indirectly through one or more intermediaries that is controlling, controlled by, or under common control with Tenant and of equal or better financial strength (and Landlord may require the delivery of financial statements and any other information concerning such proposed assignment or sublease which Landlord may reasonably request) (an "**Affiliated Entity**"); (ii) any entity resulting from the merger or consolidation of or with Tenant or an Affiliated Entity; (iii) any person or entity that acquires all (or substantially all) of the assets, stock or membership interests of Tenant or an Affiliated Entity; or (iv) any successor of Tenant or an Affiliated Entity by reason of a public offering (each of the scenarios described in clauses (i)–(iv) above, a "**Tenant Affiliate**"); (collectively, "**Permitted Transferees**"). Any sale, assignment, mortgage, transfer or subletting of this Lease or the Leased Premises or Common Area which is not to a Permitted Transferee or not otherwise in compliance with the provision of this Section 13 shall be void. The

consent by Landlord to any assignment or subletting shall not relieve Tenant from the obligation to obtain the express prior written consent of Landlord to any further assignment or subletting, or relieve Tenant from any liability or obligation hereunder, whether or not then accrued. The terms of this Section 13(b) are only applicable provided that: (i) Tenant immediately notifies Landlord of any such Transfer; (ii) promptly supplies Landlord with any documents or information reasonably requested by Landlord regarding such Transfer; (iii) if reasonably requested by Landlord as a result of the financial status of the Tenant Affiliate assuming Tenant's obligations under the Lease, have an affiliate of such Tenant Affiliate guarantee this Lease using Landlord's standard guaranty form; (iv) if such Transfer is an assignment, Tenant Affiliate assumes in writing all of Tenant's obligations under this Lease; and (v) such Transfer is not a subterfuge by Tenant to avoid its obligations under this Lease. "**Control**," as used herein, shall mean the ownership, directly or indirectly, of at least fifty-one percent (51%) of the voting securities of, or possession of the right to vote, in the ordinary direction of its affairs, of at least fifty-one percent (51%) of the voting interest in, any person or entity.

(c) If Landlord consents to any assignment or sublease by Tenant, Tenant shall not be relieved of its obligations under this Lease and Tenant shall remain liable, jointly and severally and as a principal, and not as a guarantor or surety, under this Lease, to the same extent as though no assignment or sublease by Tenant had been made.

(d) Every sublease approved by Landlord or otherwise permitted under the terms of this Lease shall be evidenced by a written sublease (the "**Sublease**") between Tenant and the subtenant ("**Subtenant**"). The Sublease shall comply with the following requirements: (i) the Sublease shall be subject to, and shall incorporate by reference, all of the terms and conditions of this Lease, except those terms and conditions relating to Base Rent, Additional Rent, and any other amount due under this Lease, and Subtenant shall acknowledge in the Sublease that it has reviewed and agreed to all of the terms and conditions of this Lease; (ii) Subtenant shall agree in the Sublease not to do, or fail to do, anything that would cause Tenant to violate any of its obligations under this Lease; (iii) Subtenant shall have no right to exercise any option to extend the Lease Term or any right of first refusal (or similar right) granted to Tenant in this Lease or any amendment hereto, and the Sublease shall require Tenant to agree that it shall neither exercise on behalf of, nor assign to, Subtenant any such option or right; (iv) the Subtenant shall be subject to any rules and regulations that affect this Lease, and shall not be permitted to use the Premises for any purpose not permitted by applicable law or which would subject the Property to increased risk of damage to property, injury to persons, or exposure to Hazardous Materials in, on or about the Leased Premises; and (v) the Sublease shall prohibit a sub-subletting of the Property or the assignment of the Sublease by Subtenant, without first obtaining Landlord's consent, which consent may be granted or withheld in Landlord's sole and absolute discretion. Any sub-Sublease shall also be subject to the provisions of this Section 13.

(e) Other than an assignment to a Permitted Transferee pursuant to the terms of Section 13(b) above (in which event, this subparagraph (e) shall not be applicable), if an assignment or sublease is consented to by Landlord and the rental due and payable by an assignee or subtenant (or a combination of rent payable thereunder plus any other consideration directly or indirectly incident to the assignment or sublease) exceeds the Rent payable under this Lease, then Tenant shall pay to Landlord, as Additional Rent, 100% of such excess rental within ten (10) days following receipt thereof by Tenant from the assignee or subtenant, as the case may be. In such

event, any rent received by Tenant from an assignee or subtenant and due to Landlord under this Subsection shall be held by Tenant in trust for Landlord, to be forwarded immediately to Landlord without offset or reduction at any time, and, upon election by Landlord, such rental shall be paid directly to Landlord and credited to any amounts owed by Tenant hereunder.

(f) If Tenant assigns or subleases this Lease, any option to renew this Lease or right to extend the Lease Term shall automatically terminate unless otherwise agreed to in writing by Landlord. Any request for an assignment or sublease shall be accompanied by a minimum fee of [***] for Landlord's administrative costs in connection with the processing of the request. In addition, Tenant shall pay to Landlord, within ten (10) days after demand by Landlord, the reasonable out-of-pocket costs and expenses incurred by Landlord in connection with any request by Tenant for consent to an assignment or sublease by Tenant, including reasonable attorney fees, regardless of whether consent of Landlord is given to the assignment or sublease by Tenant.

14. **Parking**. Beginning on the Commencement Date and continuing until the expiration of the Lease Term, Tenant shall be entitled to 210 parking stalls (the "**Parking Spaces**"), 24 hours per day, 7 days per week, allocated as follows:

(a) Initial Parking Spaces. Beginning on the Commencement Date and continuing until the completion of the Parking Structure (as defined below), the Parking Spaces will be allocated as follows: Landlord shall make available to Tenant [***] parking stalls in the surface parking lot to the north of the Building (the "**North Lot**"), and [***] parking stalls in the North Lot and/or on surface parking lots located within one (1) city block of the block the Building is located on.

(b) Structured Parking. Landlord plans to build a parking structure adjacent to the Building in the location depicted on **Exhibit E** attached hereto (the "**Parking Structure**"). Subject to extension for delays caused by Force Majeure Event, Landlord shall commence construction of the Parking Structure no later than October 1, 2020, and shall substantially complete the Parking Structure (to a condition to allow use of the same by Tenant and its employees) no later than December 31, 2022 (the "**Parking Structure Outside Delivery Date**"). Upon completion of the Parking Structure, Landlord shall make available to Tenant (i) 130 parking stalls in the Parking Structure, [***] and for the remainder of the Lease Term at a monthly rate of [***] for such stalls (such rate shall increase to the full market rate for such stall during any extension of the Lease Term); and (ii) [***] parking stalls in the North Lot at [***] during the initial Lease Term or any extension thereof.

(c) Parking Terms and Conditions. Tenant agrees to comply with such reasonable rules and regulations as may be made by Landlord from time to time in order to insure the proper operation of the Parking Structure and surface parking lots (collectively, the "**parking facilities**"), provided, that such rules and regulations shall be enforced in a non-discriminatory manner. Tenant agrees to cooperate with Landlord and other neighboring tenants in the use of parking facilities. Landlord shall use commercially reasonable efforts to mark or otherwise ensure that Tenant has access to, and availability of, during Normal Business Hours, the parking stalls to which Tenant is entitled under this Lease. All vehicles parked in the parking facilities and the personal property therein shall be at the sole risk of Tenant, Tenant's employees, agents, contractors, invitees and the users of such spaces and Landlord shall not be responsible for any

injuries to any person nor any damage to any automobile, vehicle or other property that occurs in or about the parking areas. In addition to all other rights and remedies of Landlord hereunder in the event of a default by Tenant, Landlord shall have the right to take such steps necessary to correct any failure to comply with the rules and regulations or the terms of this Section 14, including but not limited to policing and towing, and if Tenant, its agents, officers, employees, contractors, licensees or invitees are deemed by Landlord to be in breach of this Section 14 or such applicable rules and regulations set by Landlord in accordance with this Section 14, to charge to Tenant as Additional Rent that portion of the cost thereof which Landlord reasonably determines to be caused thereby. Notwithstanding the foregoing, the rights granted to Tenant to use any parking spaces is a license only and Landlord's inability to make spaces available at any time due to a Force Majeure Event (so long as Landlord is using commercially reasonable efforts to remedy such Force Majeure Event) is not a breach by Landlord of its obligations hereunder.

(d) Failure to Deliver Parking Structure, In the event that Landlord fails to substantially complete and make the Parking Structure available to Tenant for Tenant's use on or before the Parking Structure Outside Deliver Date (which shall be extended in the event of a Force Majeure Event), Tenant, as Tenant's sole and exclusive remedy, shall be entitled to an abatement of Base Rent in an amount equal to the sum of [***] of monthly Base Rent due for each subsequent month thereafter until the Parking Structure is substantially completed and made available to Tenant for Tenant's use (so, for example, if Tenant substantially completes and makes the Parking Structure available to Tenant for Tenant's use on February 10, 2022, Tenant shall be entitled to abate [***] of the Base Rent due the months of January and February, 2022). In addition, during any such period of delay in substantially completing and making the Parking Structure available to Tenant for Tenant's use, Landlord shall continue to provide Tenant with parking at no expense to Tenant in accordance with Section 14(a).

15. **Default**.

(a) The occurrence of any of the following shall constitute a material default and breach of the Lease by Tenant:

(i) the abandonment of the Leased Premises by Tenant for a period of thirty (30) consecutive days (other than as a result of a Force Majeure Event or a remodel of the Leased Premises, which shall not exceed ninety (90) days every five (5) years);

(ii) any failure by Tenant to pay Rent or to make any other payment required to be made by Tenant hereunder, if the failure continues for five (5) days after written notice to Tenant, provided Landlord shall not be required to provide such notice more than one (1) time in any consecutive 12-month period;

(iii) any failure of Tenant to maintain the insurance as required in this Lease;

(iv) any failure to provide any document or instrument described in Section 22 of this Lease within the time period set forth in such Section;

(v) Tenant shall cause or allow any lien or other encumbrance of title to be filed or recorded against the Building and such lien or encumbrance is not removed or bonded

within ten (10) days after Landlord has delivered written notice to Tenant of such lien or encumbrance;

(vi) any other failure by Tenant to observe and perform any other obligation under this Lease to be observed or performed by Tenant, other than payment of any Rent, within thirty (30) days after written notice by Landlord to Tenant specifying wherein Tenant has failed to perform such obligation; provided, however, if the nature of the failure is such that more than thirty (30) days are reasonably required for its cure, Tenant shall not be deemed to be in default if Tenant commences the cure within said period and diligently and continuously prosecutes such cure to completion; or

(vii) the making by Tenant or any guarantor of this Lease of any general assignment for the benefit of creditors; the filing by or against Tenant or such guarantor of a petition to have Tenant or such guarantor adjudged a bankrupt or the filing of a petition for reorganization or arrangement under any law relating to bankruptcy (unless, in the case of a petition filed against Tenant or such guarantor, the same is dismissed within sixty (60) days); the appointment of a trustee or receiver to take possession of substantially all of Tenant's assets located at the Leased Premises or of Tenant's interest in this Lease, where possession is not restored to Tenant within thirty (30) days; or the attachment, execution or other judicial seizure of substantially all of Tenant's assets located at the Leased Premises or of Tenant's interest in this Lease, where such seizure is not discharged within thirty (30) days.

(b) Landlord shall not be deemed to be in default in the performance of any obligation required to be performed by it hereunder unless and until it has failed to perform such obligation within thirty (30) days after written notice by Tenant to Landlord specifying wherein Landlord has failed to perform such obligation (provided, however, that if the nature of Landlord's obligation is such that more than thirty (30) days are required for its performance, then Landlord shall not be deemed to be in default if it shall commence such performance within such 30 day period and thereafter diligently prosecute the same to completion).

(c) Notwithstanding any term or provision herein to the contrary, if (i) Tenant is not in default material default of this Lease beyond any applicable cure period, (ii) Tenant strictly complies with the terms of this Section, and (iii) except in the event of actions required to be undertaken by Tenant in an emergency situation relating to Tenant's business operations within the Leased Premises or that otherwise presents an immediate threat to the health or safety of Tenant or its employees or occupants, in which event no cure period shall exist, such default has not been cured by Landlord (or Landlord has not commenced the cure) within the time specified in Section 15 above (following the initial written notice from Tenant) or within fifteen (15) business days following a second written notice from Tenant to Landlord specifying the nature of the default, then Tenant shall have the right, at any time thereafter, to cure such default for the account of the Landlord, and Landlord shall reimburse Tenant within thirty (30) days of receipt of Tenant's invoice for any and all actual, reasonable and necessary out-of-pocket expenses paid to cure such default. If the above conditions are satisfied, in the event of emergencies (i.e., where necessary to prevent injury to persons or material damage to property or to mitigate damages), Tenant may cure a default by Landlord before the expiration of the waiting period, but only after giving such written notice to Landlord (including notice by e-mail) as is practical under all of the circumstances. Notwithstanding the above, in the event Tenant has entered into a Subordination, Non-Disturbance

and Attornment Agreement (or like instrument) (the "**SNDA**") with the holder of a mortgage or deed of trust encumbering the Property, Tenant shall not exercise any self-help right or any of the other remedies provided above without first providing to such holder notice and an opportunity to cure as provided in the SNDA.

16. **Remedies**. In the event Tenant commits an act of default as set forth in Subsection 15(a) above beyond any applicable cure period, Landlord may exercise one or more of the following described remedies, in addition to all other rights and remedies available at law or in equity, whether or not stated in this Lease.

(a) Landlord may continue this Lease in full force and effect and shall have the right to collect Rent when due. During the period Tenant is in default, Landlord may re-enter the Leased Premises with or without legal process and relet them, or any part of them, to third parties for Tenant's account, and Tenant hereby expressly waives any and all claims for damages by reason of such re-entry, as well as any and all claims for damages by reason of any distress warrants or proceedings by way of sequestration which Landlord may employ to recover said Rents. Tenant shall be liable immediately to Landlord for any brokers' commissions, expenses of repairing and/or the cost of tenant improvements to the Leased Premises required by the reletting, attorney fees and costs and like costs. Reletting can be for a period shorter or longer than the remaining Lease Term, and in no event shall Landlord be under any obligation to relet the Leased Premises; provided that Landlord shall use commercially reasonable efforts to do so. On the dates such Rent is due, Tenant shall pay to Landlord a sum equal to the Rent due under this Lease, less the rent Landlord receives from any reletting. No act by Landlord allowed by this Section 16 shall terminate the Lease unless Landlord notifies Tenant in writing that Landlord elects to terminate this Lease.

(b) Landlord may terminate this Lease. Upon termination, Landlord shall have the right to collect an amount equal to: reasonable attorney fees and costs in connection with recovering the Leased Premises; all reasonable costs and charges for the care of the Leased Premises while vacant; all repair and tenant improvement costs incurred in connection with the preparation of the Leased Premises for a new tenant; all past due Rent which is unpaid, plus interest thereon at the Interest Rate (as defined below) [***]. Notwithstanding any provision of this Lease to the contrary, Tenant's sole remedy for a default of this Lease by Landlord shall be an action for damages, injunction or specific performance; Tenant shall have no right to terminate this Lease on account of any breach or default by Landlord.

Landlord may avail itself of these as well as any other remedies or damages allowed by law. All rights, options and remedies of Landlord provided herein or elsewhere by law or in equity shall be deemed cumulative and not exclusive of one another. Should any of these remedies, or any portion thereof, not be permitted by applicable law, then such remedy or portion thereof shall be considered deleted and unenforceable, and the remaining remedies or portions thereof shall be and remain in full force and effect.

17. **Rules and Regulations**. Tenant shall observe faithfully and comply with the rules and regulations set forth on **Addendum "A"** attached to this Lease and made a part hereof, and such other rules and regulations as Landlord may from time to time reasonably adopt, provided that all such rules and regulations shall apply equally to all similarly situated tenants and enforced

in a non-discriminatory manner. By the signing of this Lease, Tenant acknowledges that Tenant has read and has agreed to comply with such rules and regulations.

18. **Right of Access**. Subject to Section 7(a) above, Landlord and its agents shall, upon reasonable advance notice to Tenant, have free access to the Leased Premises during all reasonable hours for the purpose of inspection, to make reasonable repairs as required hereunder (provided, however, Landlord shall have no obligation as a result of such examination to make any repairs other than expressly set forth herein), and to exhibit the same to prospective purchasers, lenders, investors or during the last nine (9) month of the Lease Term, other prospective tenants.

19. **End of Term**.

(a) At the termination or expiration of the Lease Term, Tenant shall surrender the Leased Premises to Landlord in as good condition and repair as at the Commencement Date, reasonable wear and tear excepted, and will leave the Leased Premises broom-clean.

(b) If Tenant remains in possession of the Leased Premises after the expiration of this Lease without the written permission of Landlord, such holding over shall be construed to be a tenancy at sufferance, and shall not constitute a renewal hereof or an extension for any further term, and in such case Tenant shall pay Landlord Base Rent for the period of its old over in an amount equal to 125% of Base Rent in effect immediately prior to the expiration of this Lease together with Additional Rent. Such tenancy at sufferance shall be subject to every other term, covenant and agreement contained herein; provided, however, in no event shall any renewal or expansion option, option to purchase, or other similar right or option contained in this Lease or any amendment hereto be deemed applicable to any such tenancy at sufferance. Nothing contained in this Section 19(b) shall be construed as consent by Landlord to any holding over by Tenant, and Landlord expressly reserves the right to require Tenant to surrender possession of the Leased Premises to Landlord as provided in this Lease upon the expiration or other termination of this Lease. The provisions of this Section 19(c) shall not be deemed to limit or constitute a waiver of any other rights or remedies of Landlord provided herein or at law. If Tenant fails to surrender the Leased Premises upon the termination or expiration of this Lease, in addition to any other liabilities to Landlord accruing therefrom, Tenant shall protect, defend, indemnify and hold Landlord harmless from all loss, costs (including reasonable attorney fees) and liability resulting from such failure, including, without limiting the generality of the foregoing, any claims made by any succeeding tenant founded upon such failure to surrender, and any lost profits to Landlord resulting therefrom.

20. **Transfer of Landlord's Interest.** In the event of any transfer or transfers of Landlord's interest in the Leased Premises or in the real property of which the Leased Premises are a part, the transferor shall be automatically relieved of any and all obligations and liabilities on the part of Landlord accruing from and after the date of such transfer.

21. **Estoppel Certificates; Attornment and Non-Disturbance**.

(a) Within fifteen (15) business days following receipt of Landlord's written request, Tenant shall deliver, executed in recordable form, a declaration to any person designated by Landlord stating the Commencement Date and Expiration Date of this Lease and certifying that

(i) this Lease is in full force and effect and has not been assigned, modified, supplemented or amended (except by such writings as shall be stated); (ii) all conditions under this Lease to be performed by Landlord have been satisfied (stating exceptions, if any); (iii) no defenses, credits or offsets against the enforcement of this Lease by Landlord exist (or stating those claimed); (iv) the sum of advance Rent, if any, paid by Tenant; (v) the date to which Rent has been paid; (vi) the amount of the Security Deposit held by Landlord; and (vii) such other information as Landlord reasonably requires. Persons receiving such statements of Tenant shall be entitled to rely upon them. If Tenant does not deliver such statement to Landlord within such fifteen (15) business day period, Landlord, and any prospective purchaser or encumbrancer, may conclusively presume and rely upon the following facts: (i) that the terms and provisions of this Lease have not been changed except as otherwise represented by Landlord; (ii) that this Lease has not been canceled or terminated except as otherwise represented by Landlord; (iii) that not more than one month's Base Rent or other charges have been paid in advance; and (iv) that Landlord is not in default under this Lease. In such event, Tenant shall be estopped from denying the truth of such facts.

(b) This Lease is and shall continue to be subordinate to any Mortgage now existing or hereafter placed on the Landlord's interest in the Property by a lienholder; provided, however, such subordination is subject to and conditioned upon Landlord delivering an SNDA to Tenant. Within fifteen (15) business days of a request from Landlord, Tenant shall execute an SNDA in form and substance reasonably acceptable to Tenant and the holder of the Mortgage, from time to time, in favor of such holder of the Mortgage. If elected by the holder of a Mortgage, this Lease shall be superior to such Mortgage, in which case Tenant shall execute and deliver an instrument confirming the same. Tenant's obligation to subordinate this Lease to the lien of any future loan or ground lease will be conditioned on receipt of an SNDA.

(c) Any sale, assignment, or transfer of Landlord's interest under this Lease or in the Premises including any such disposition resulting from Landlord's default under a Mortgage, shall be subject to this Lease. Tenant shall attorn to Landlord's successor and assigns, including a lender or its nominee, and shall recognize such successor or assigns as Landlord under this Lease, regardless of any rule of law to the contrary or absence of privity of contract.

(d) In the event of any act or omission by Landlord under this Lease which would give Tenant the right to terminate this Lease or to claim a partial or total eviction, if any, Tenant will not exercise any such right until: (A) it has given written notice (by United States certified or registered mail, postage prepaid) of such act or omission to the holder of any mortgage or deed of trust on the Land (whose names and addresses Landlord agrees will be furnished to Tenant on request); and (B) any such holder of any mortgage or deed of trust on the Property shall, following the giving of such notice, have failed with reasonable diligence to commence and to pursue reasonable action to remedy such act or omission.

22. **Notices**. Any notice required or permitted to be given hereunder shall be in writing and may be given by: (1) hand delivery and shall be deemed given on the date of delivery; (2) registered or certified mail and shall be deemed given the third day following the date of mailing; or (3) overnight delivery by a nationally recognized courier service and shall be deemed given the following day. All notices to Tenant shall be addressed to Tenant at the Leased Premises, with a copy to the following:

23. **Environmental Covenants**.

(a) Definitions.

(i) As used in this Lease, the term "**Hazardous Materials**" means (i) any substance or material that is included within the definitions of "hazardous substances," "hazardous materials," "toxic substances," "pollutant," "contaminant," "hazardous waste," or "solid waste" in any Environmental Law; (ii) petroleum or petroleum derivatives, including crude oil or any fraction thereof, all forms of natural gas, and petroleum products or by-products or waste; (iii) polychlorinated biphenyls (PCB's); (iv) asbestos and asbestos containing materials (whether friable or non-friable); (v) lead and lead based paint or other lead containing materials (whether friable or non-friable); (vi) urea formaldehyde; (vii) microbiological pollutants; (viii) batteries or liquid solvents or similar chemicals; (ix) radon gas; and (x) mildew, fungus, mold, bacteria and/or other organic spore material.

(ii) As used in this Lease, the term "**Environmental Laws**" means all statutes, terms, conditions, limitations, restrictions, standards, prohibitions, obligations, schedules, plans and timetables that are contained in or promulgated pursuant to any federal, state or local laws (including rules, regulations, ordinances, codes, judgments, orders, decrees, contracts, permits, stipulations, injunctions, the common law, court opinions, and demand or notice letters issued, entered, promulgated or approved thereunder), relating to pollution or the protection of the

environment, including laws relating to emissions, discharges, releases or threatened releases of Hazardous Materials into ambient air, surface water, ground water or lands or otherwise relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Materials, including, but not limited to, the: Comprehensive Environmental Response Compensation and Liability Act of 1980 (CERCLA), as amended by the Superfund Amendments and Reauthorization Act of 1986 (SARA), 42 U.S.C. 9601 et seq.; Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976 (RCRA), 42 U.S.C. 6901 et seq.; Federal Water Pollution Control Act, 33 U.S.C. 1251 et seq.; Toxic Substances Control Act, 15 U.S.C. 2601 et seq.; Clean Air Act, 42 U.S.C. 7401 et seq.; and the Safe Drinking Water Act, 42 U.S.C. § 300f et seq. "Environmental Laws" shall include any statutory or common law that has developed or develops in the future regarding mold, fungus, microbiological pollutants, mildew, bacteria and/or other organic spore material. "Environmental Laws" shall not include laws relating to industrial hygiene or worker safety, except to the extent that such laws address asbestos and asbestos containing materials (whether friable or non-friable) or lead and lead based paint or other lead containing materials.

(b) Tenant will not permit Hazardous Materials to be present in, on or about the Leased Premises or Project, except for normal quantities of cleaning and other business supplies customarily used and stored in an office and will comply with all Environmental Laws relating to the use, storage or disposal of any such Hazardous Materials. Landlord acknowledges and agrees that so long as the same complies with all applicable laws, codes, regulations or ordinances, including, without limitation, all Environmental Laws, Tenant's testing of products, including wood fired grills and resulting smoke emissions therefrom, will not constitute a violation of this Section or this Lease. Notwithstanding anything to the contrary in this Lease, in the event Landlord or Tenant receive reasonable complaints from other tenants or occupants of the Project concerning Tenant's product testing, including, without limitation, the smoke emissions, noise or other consequences thereof, Tenant agrees to take commercially reasonable steps to address such complaints, including, without limitation, coordinating future product testing with Landlord in an effort to address such complaints and minimize any nuisance resulting from such product testing. Landlord shall have no duty or obligation to remove any hazardous substances, wastes or materials brought into the Leased Premises by Tenant. If Tenant breaches the foregoing, Tenant shall give Landlord written notice of such breach and shall immediately, at Tenant's sole cost and expense, undertake remedial action in accordance with all Environmental Laws; provided, however, Landlord may properly require its consent to the selection of the contractors and other professionals involved in the inspection, testing and removal or remediation activities, the manner and method for performance of such activities and such other matters as may be reasonably required or requested by Landlord for the safety of and continued use of the Building and the visitors thereof.

(c) If Tenant's use of Hazardous Materials in, on or about the Leased Premises or Common Area results in a release, discharge or disposal of Hazardous Materials in, on, at, under, or emanating from, the Building or Common Area, Tenant shall promptly investigate, clean up, remove or remediate such Hazardous Materials in full compliance with the requirements of (A) all Environmental Laws and (B) any governmental agency or authority responsible for the enforcement of any Environmental Laws.

(d) Upon reasonable notice to Tenant, Landlord may enter the Leased Premises for the purposes of inspection and testing to determine whether there exists on the Leased Premises any Hazardous Materials or other condition or activity that is in violation of the requirements of this Lease or of any Environmental Laws. The right granted to Landlord herein shall not create a duty on Landlord's part to inspect the Leased Premises, or liability on the part of Landlord for Tenant's use, storage or disposal of Hazardous Materials, it being understood that Tenant shall be solely responsible for all liability in connection therewith.

(e) Tenant shall surrender the Leased Premises to Landlord upon the expiration or earlier termination of this Lease free of Hazardous Materials due to Tenant's use of the Leased Premises. Tenant's obligations and liabilities pursuant to this Section 23 shall be in addition to any other surrender requirements in this Lease and shall survive the expiration or earlier termination of this Lease. If Landlord determines that the condition of all or any portion of the Building is not in compliance with this Section 23 at the expiration or earlier termination of this Lease due to the business or activities of Tenant, or Tenant's agents, then, at Landlord's election, Landlord may require Tenant to hold over possession of the Leased Premises until Tenant has satisfied its obligations pursuant to this Section 23. The burden of proof hereunder shall be upon Tenant. For purposes hereof, the term "normal wear and tear" shall not include any deterioration in the condition or diminution in value of any portion of the Leased Premises or the Building in any manner whatsoever related directly or indirectly, to Hazardous Materials. Any such holdover by Tenant will not be terminable by Tenant prior to Landlord's determination that Tenant has satisfied its obligations pursuant to this Section 23.

(f) Tenant shall indemnify and hold harmless Landlord from and against any and all claims, damages, fines, judgments, penalties, costs, losses (including loss in value of the Leased Premises, Building or Common Area, damages due to loss or restriction of rentable or usable space, and damages due to any adverse impact on marketing of the Leased Premises or the Building, and any and all sums paid for settlement of claims), liabilities and expenses (including, but not limited to, attorneys', consultants', and experts' fees) incurred by Landlord during or after the Lease Term and attributable to (i) any Hazardous Materials introduced, in, on, under or about the Leased Premises, Building or Common Area by Tenant or Tenant's agents, or (ii) Tenant's breach of any provision of this Section 23. This indemnification includes, without limitation, any and all costs incurred by Landlord due to any investigation of the site or any cleanup, removal or restoration mandated by a federal, state or local agency or political subdivision.

(g) Landlord represents and warrants to Tenant that upon the delivery of the Leased Premises to Tenant with Landlord's Improvements completed, to Landlord's then actual knowledge, the Leased Premises will be free of any Hazardous Materials. For purposes of this Lease, "Landlord's actual knowledge" shall be deemed to mean the actual knowledge (as opposed to implied, constructive or imputed) of the officers of Landlord having direct operational responsibility for the Project, with the express limitations and qualifications that the knowledge of any contractor or consultant shall not be imputed to Landlord and none of such officers has made any special investigation or inquiry, and none of such officers has any duty or obligation of diligent investigations or inquiry, or any other duty or obligation, to acquire or to attempt to acquire information beyond or in addition to the current actual knowledge of such persons.

(h) Landlord shall indemnify and hold harmless Tenant from and against any and all claims, damages, fines, judgments, penalties, costs, losses (including any and all sums paid for settlement of claims), liabilities and expenses (including, but not limited to, attorneys', consultants', and experts' fees) incurred by Tenant during or after the Lease Term as a result (directly or indirectly) of any breach of Landlord's representation set forth in Section 23(g) above. This indemnity shall include, without limitation, the cost of any required or necessary repair, cleanup or detoxification, and the preparation and implementation of any closure, monitoring or other required plans, whether such action is required or necessary prior to or following the termination of this Lease.

(i) Notwithstanding anything to the contrary in this Section, Tenant shall have no liability of any kind to Landlord (including any remediation costs) for (a) any pre-existing Hazardous Materials located at the Leased Premises as of the date of this Lease (a "**Pre-Existing Environmental Condition**"), and (b) Hazardous Materials at the Leased Premises resulting from the activities or negligence of Landlord or its successors, assigns, officers, members, managers, employees, agents, contractors, or other parties under the supervision or control of Landlord (collectively, the "**Landlord Group**") during the Lease Term.

(j) The provisions of this Section 23 shall survive the expiration or earlier termination of this Lease.

24. **Miscellaneous Provisions**.

(a) As the operation and creation of the Building and Landlord's business model contains significant intellectual property and because the ongoing methods of Landlord's operation are not typical, it is crucial that all parties adhere to a strict policy of non-disclosure and confidentiality. Furthermore, it is understood that terms of leases differ based on need, use, etc. As such, Tenant agrees to keep confidential the terms of this Lease, and shall not disclose such confidential information to any person or entity other than its financial, legal and space planning consultants and any proposed lenders, assignees or subtenants, provided that Tenant shall inform such persons of the confidentiality of the terms of this Lease and shall obtain their agreement to abide by the confidentiality provisions of this Section prior to such disclosure. This includes, but is not limited to the Lease Term, Base Rent rates, special provisions, practices, allowances, etc.

(b) This Lease shall be subject and subordinate to any and all future covenants, conditions or restrictions currently or hereafter recorded against the property by Landlord or its successors or assigns.

(c) In the event of any legal proceeding between Tenant and Landlord to enforce any provision of this Lease or any right of either party hereto, the unsuccessful party to such legal proceeding shall pay to the successful party all costs and expenses, including reasonable attorney fees, incurred therein. To the extent permitted by law, Landlord and Tenant hereby waive the right to a jury trial in any legal action or proceeding relating to this Lease.

(d) Time is of the essence with respect to the performance of every provision of this Lease.

(e) The captions contained in this Lease are for convenience only and shall not be considered in the construction or interpretation of any provision hereof. The word "Landlord" means the owner of the Building from time to time, and in the event of any sale, conveyance or lease of the Building, the transferring Landlord shall be released from all covenants and conditions as Landlord hereunder and without further agreement between the parties.

(f) This Lease, any Addenda and the Exhibits attached hereto and incorporated herein contain all of the agreements of the parties hereto with respect to any matter covered or mentioned in this Lease, and no prior agreement or understanding pertaining to any such matter shall be effective for any purpose. No provision of this Lease may be amended or added to except by an agreement in writing signed by the parties hereto or their respective successors in interest.

(g) So long as Tenant is not in default under this Lease after the expiration of any notice and cure period provided in this Lease, Tenant shall have quiet possession of the Leased Premises for the entire Lease Term hereof, subject to all the provisions of this Lease, as against persons claiming by, through, or under Landlord.

(h) No waiver by a party of any provision of this Lease shall be deemed to be a waiver of any other provision hereof or of any subsequent breach by a party of the same or any other provision. Landlord's consent to or approval of any act by Tenant requiring Landlord's consent or approval shall not be deemed to render unnecessary the obtaining of Landlord's consent to or approval of any subsequent act of Tenant, whether or not similar to the act so consented to or approved. No act or thing done by Landlord or Landlord's agents during the Lease Term shall be deemed an acceptance of a surrender of the Leased Premises, and no agreement to accept such a surrender shall be valid unless in writing and signed by Landlord. The subsequent acceptance of Rent shall not be deemed a waiver of any preceding breach by Tenant of any term, covenant or condition of the Lease, other than the failure of Tenant to pay the particular Rent so accepted.

(i) If any monthly installment of Base Rent or any payment of Additional Rent is not paid by the fifth (5th) day of the month in which it is due, Tenant shall, upon demand, pay Landlord a late charge of five percent (5%) of the amount of such installment or payment. Such late charge is to defray the administrative costs and inconvenience and other expenses which Landlord will incur on account of such delinquency. In addition, any amounts payable to Landlord under this Lease, if not paid in full on or before the due date thereof, shall bear interest on the unpaid balance at an interest rate (the "**Interest Ra**te") equal to the lesser of (a) the maximum interest rate permitted by law or (b) five percent (5%) above the rate publicly announced by Wells Fargo Bank, N.A. (or if Wells Fargo Bank, N.A. ceases to exist, the largest bank, by deposit, with branch operations in the State of Utah) ("Bank") as its "Reference Rate". If the use of the announced Reference Rate is discontinued by the Bank, then the term Reference Rate shall mean the announced rate charged by the Bank which is, from time to time, substituted for the Reference Rate. Landlord shall execute a 'zero tolerance' policy and recommends early payment or payment by regularly scheduled electronic method to avoid such situations.

(j) No consent of Tenant shall be required in the event of any such sale, conveyance, or lease of the Building or Land which is made subject to this Lease, or to any sale or conveyance of the Building or Land pursuant to which Landlord leases the Building back from

such purchaser or other transferee, in which case this Lease shall remain in full force and effect as a sublease between Landlord, as sublessor and Tenant, as sublessee.

(k) This Lease shall be binding upon, and inure to the benefit of the parties hereto, their heirs, successors, assigns, executors and administrators.

(l) This Lease shall be governed by the laws of the state of Utah.

(m) Tenant shall not operate on the Leased Premises, and shall not permit any other person to operate on the Leased Premises, any trade or business consisting (1) the operation of any private or commercial golf course, country club, massage parlor, hot tub facility, suntan facility, racetrack or other facility used for gambling, or any store the principal business of which is the sale of alcoholic beverages for consumption off premises, or (2) farming, as that term is defined in Section 2032A(e)(5)(A) or (B) and Section 45D of the Internal Revenue Code, nor shall it enter into any sublease with a tenant which intends to operate any such trade or business on the Leased Premises. Further, no recreational or medical marijuana may be grown or consumed on the Leased Premises or in the Building by Tenant or its employees, guests or invitees.

(n) If Tenant is a corporation or other legal entity, each individual executing this Lease on behalf of said entity represents and warrants that (i) he/she is duly authorized to execute and deliver this Lease on behalf of said entity in accordance with its bylaws or operating agreements; (ii) this Lease is binding upon said corporation or entity; and (iii) a resolution to that effect in a form reasonably acceptable to Landlord shall be provided promptly upon request.

(o) Landlord's partners, shareholders, or members, as the case may be, shall have no personal liability with respect to any provision of this Lease, or any obligation or liability arising in connection therewith. Tenant shall look solely to Landlord's equity in the Building and Land in which the Leased Premises is located, for the satisfaction of any remedies of Tenant in the event of a breach by the Landlord of any of its obligations.

(p) Tenant shall be solely responsible for the cost of installation and maintenance of any high speed cable or fiber optic that Tenant requires in the Leased Premises; provided, however, that Tenant shall be entitled to use the Tenant Allowance towards the cost of the same. Landlord shall provide reasonable access to the Building's electrical lines, feeders, risers, wiring and other machinery to enable Tenant to install high speed cable or fiber optic to serve its intended purpose, if any. All such cabling installed by Tenant shall be subject to Landlord's prior written approval and shall be tagged by Tenant at their point of entry into the Building, at the terminal end of the cable and in the riser closet indicating the type of cable, the Tenant's name and the service provided. Installation of cabling and/or low voltage wiring shall be performed by vendors reasonably approved by Landlord in advance of working in the Building. Tenant shall be responsible for the removal of such cabling and fiber optic at the termination or expiration of the Lease Term or the early termination of the Tenant's right to occupy the Leased Premises. In the event Tenant fails to remove such cabling as set forth herein, Landlord may, but shall not be obligated to, remove such cabling, all at Tenant's sole cost and expense.

(q) [***]

(r) Within fifteen (15) business days after Landlord's request (but not more often than once per each calendar year except in the event of a refinance or sale of the Building), Tenant shall deliver to Landlord the then-current financial statements of Tenant (including interim periods following the end of the last fiscal year for which annual statements are available), including a balance sheet and profit and loss statement for the most recent prior year, all prepared in accordance with generally accepted accounting principles consistently applied, except as otherwise specifically noted in such financial statements.

(s) Whenever a period of time is herein prescribed for action to be taken by Landlord or Tenant, Landlord or Tenant, as the case may be, shall not be liable or responsible for, and there shall be excluded from the computation of any such period of time, any delays due to any of the following (each, a "**Force Majeure Event**"): strikes, labor disputes, fuel or material scarcity, riots, acts of God, war, governmental laws, regulations or restrictions, shortages of labor or materials, or other non-financial causes beyond the reasonable control of Landlord or Tenant, including, without limitation, inclement climatic conditions and governmental actions or inaction (including, without limitation, delay in issuance of permits and approvals) and action or inaction by the other party or any party claiming by, through or under such other party. The preceding sentence shall not excuse the failure of Tenant to pay Rent or other sums payable hereunder. It is expressly agreed that the party claiming a Force Majeure Event shall use commercially practicable efforts to eliminate or reduce the effect of such adverse condition on the covenants of such party contained herein.

25. **Landlord Reservations**. Landlord reserves the following rights, exercisable without notice and without liability to Tenant for damage or injury to property, person, or business, and without effecting an eviction, constructive or actual, or disturbance of Tenant's use or possession, or giving rise to any claim for set off or abatement of Rent:

(a) to change the Building's name or street address;

(b) to install, affix, and maintain sign(s) on the exterior of the Building or the Land identifying the name of the Building;

(c) to designate and approve, prior to installation, all types of window shades, blinds, drapes, awnings, window ventilators, and other similar equipment, and to control all internal lighting that may be visible from the exterior of the Building;

(d) to retain at all times, and to use in appropriate instances, keys to all doors within and into the Leased Premises. No locks or bolts shall be altered, changed, or added without the prior written consent of Landlord;

(e) to make repairs or improvements, whether structural or otherwise, in and about the Building not otherwise inconsistent with Tenant's rights under this Lease with respect to use of the Building and the Leased Premises, or any part thereof, and for such purposes to enter upon the Leased Premises, and during the continuance of said work to temporarily close doors, entryways, public spaces, and corridors in the Building, and to interrupt or temporarily suspend Building services and facilities, Landlord to use reasonable efforts to minimize any interruption or interference with Tenant's use or occupancy of the Leased Premises when performing such work;

(f) to have and retain a paramount title to the Leased Premises, free and clear of any act of Tenant; and

(g) to approve the weight, size, and location of safes and other heavy equipment and articles in and about the Leased Premises and the Building. Movement of Tenant's property into or out of the Building, and within the Building is solely at the risk and responsibility of Tenant.

26. **Brokerage**. Landlord and Tenant each warrant to the other that they have had no dealings with any real estate broker or agent in connection with the negotiation of this Lease. Each party agrees to indemnify the other party against any loss, expense (including reasonable attorney fees), cost or liability incurred by the other party as a result of a claim by any broker or finder against the indemnifying party.

27. **Security**. Landlord, in the exercise of its reasonable discretion, shall provide one (1) or more of the following security measures for the Building, Common Area or Project: (i)a security system involving any one (1) or a combination of cameras on the exterior of the Building and on Common Areas, monitoring devices, or guards; (ii) electro-magnetic locks on all exterior doors to the Building to be controlled by readers and an fob access for Tenant and its employees at Landlord's sole cost. In addition, until Project Stabilization is achieved, Landlord shall provide an on-site Project security presence (such a guard or similar security person) with a contact number available to Tenant's employees and invitees every non-holiday business day during the hours from 5 p.m. to midnight, the cost of which shall be included in Operating Expenses for the Project and allocated on among Tenant and other buildings in the Project for which a certificate of occupancy has been issued on a pro-rata basis, which pro-rata share shall be a percentage equal to a fraction, the numerator of which is the rentable square footage of the Building and denominator of which is the rentable square footage of all buildings in the Project for which a certificate of occupancy has been issued. Except as expressly stated herein, Landlord may, but is not obligated to, provide any security services with respect to the Leased Premises or Common Area and Landlord shall not be liable to Tenant for, and Tenant waives any claim against Landlord with respect to, any bodily injury, loss by theft or any other damage suffered or incurred by Tenant or Tenant's agents in connection with any unauthorized entry into the Leased Premises or any other breach of security with respect to the Leased Premises or the Building. With Landlord's prior written consent, Tenant may provide its own security system for the Leased Premises, subject to the terms of this Lease.

28. **Patriot Act Certification**. Tenant certifies that neither Tenant, nor any of its constituent partners, managers, members or shareholders, nor any beneficial owner of Tenant or any such partner, manager, member or shareholder, nor any other representative or affiliate of Tenant is a "Prohibited Person," defined as (a) a person, entity or nation named as a terrorist, "Specially Designated National or Blocked Person," or other banned or blocked person pursuant to any law, order, rule or regulation that is enforced or administered by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC"), including, but not limited to, Executive Order No. 13224 on Terrorist Financing, effective September 24, 2001 (the "Executive Order"), and the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (Public Law 107-56, the "Patriot Act"); (b) a person, entity or nation owned or controlled by, or acting on behalf of, any person, entity or nation named as a terrorist, "Specially Designated National or Blocked Person," or other banned or blocked person

pursuant to any law, order, rule or regulation that is enforced or administered by OFAC, including, but not limited to, the Executive Order and the Patriot Act; (c) a person, entity or nation engaged directly or indirectly in any activity prohibited by any law, order, rule or regulation that is enforced or administered by OFAC, including, but not limited to, the Executive Order and the Patriot Act; (d) a person, entity or nation with whom the Landlord is prohibited from dealing or otherwise engaging in any transaction pursuant to any terrorism or money laundering law, including, but not limited to, the Executive Order and the Patriot Act; (e) a person, entity or nation that has been convicted, pleaded nolo contendere, indicted, arraigned or custodially detained on charges involving money laundering or predicate crimes to money laundering; or (f) a person, entity or nation who is affiliated with any person, entity or nation who is described above in Subsections (a) through (e) above. Tenant agrees to indemnify and save Landlord, Landlord's representatives and Landlord's managing agent and mortgagee harmless against and from any and all claims, damages, losses, risks, liabilities and expenses, including attorney fees and costs, arising from or related to any breach of the foregoing certification.

29. **Signage**. Tenant, at Tenant's sole cost and expense, shall have the right to install such signage on the exterior of the Building in locations approved in writing by Landlord, such consent not to be unreasonably withheld, conditioned or delayed, and in accordance with the criteria set forth by Landlord, and subject to approval by local governmental authorities and compliance with zoning ordinances affecting the Building. Except as otherwise stated in this Section 29, Tenant shall not place or permit to be placed in, upon, or about the Building any exterior lights, or any decorations, balloons, flags, pennants, banners, advertisements or notices, without obtaining Landlord's prior written consent. Notwithstanding the foregoing, Tenant may temporarily affix customary banners and decorations on the exterior of the Building in conjunction with events held at the Leased Premises, provided such banners and decorations comply with sign criteria set by Landlord for the Project from time to time and all applicable laws and regulations, and are tastefully and professionally done and in keeping with the quality and appearance of the Project as a whole. Tenant shall remove any sign, advertisement or notice placed on the Leased Premises or the Building by Tenant upon the expiration of the Lease Term or sooner termination of this Lease, and Tenant shall repair any damage or injury to the Leased Premises or the Building caused thereby, all at Tenant's expense. If any signs are not removed, or necessary repairs not made, Landlord shall have the right to remove the signs and repair any damage or injury to the Leased Premises or the Building at Tenant's sole cost and expense. In addition to any other rights or remedies available to Landlord, in the event that Tenant erects or installs any sign in violation of this Section 29, and Tenant fails to remove same within ten (10) business days after notice from Landlord or erects or installs a similar sign in the future, Landlord shall have the right to charge Tenant a signage fee equal to One Hundred Dollars ($100.00) per day for each day thereafter that such sign is not removed or a similar sign is installed or erected in the future. Landlord's election to charge such fee shall not be deemed consent by Landlord to such sign and Tenant shall remain obligated to remove such sign in accordance with Landlord's notice. Tenant shall be solely responsible for any cleanup, damage or other mishaps that may occur during the installation or removal of the signage or other items described in this Section 29 by Tenant and agrees to fully indemnify Landlord for any and all injuries to persons or damage to property related thereto.

This Tenant Work Letter shall set forth the terms and conditions relating to the construction of the Tenant Improvements (defined below). All references in this Tenant Work Letter to the "Lease" shall mean the relevant portions of that certain Lease Agreement to which this Tenant Work Letter is attached as Exhibit "C", and all references in this Tenant Work Letter to Sections of "this Tenant Work Letter" shall mean the relevant portions of this Tenant Work Letter. As used in this Tenant Work Letter, the "**Tenant Improvements**" shall be those improvements to the Property described in the Construction Drawings (as defined in Section 3.1 of this Tenant Work Letter) approved by Landlord pursuant to Section 3 of this Tenant Work Letter. As used in this Tenant Work Letter, "**Tenant's Work**" refers to the construction of the Tenant Improvements.

SECTION 1

DELIVERY OF THE PROPERTY

Tenant acknowledges that Tenant has thoroughly examined or has had the opportunity to thoroughly examine the Building and the North Lot as defined in the Lease (collectively, the "**Property**"). Upon the full execution and delivery of this Lease by Landlord and Tenant and satisfaction of the conditions set forth in Section 1 of this Lease, Landlord shall deliver the Property to Tenant with all wet and dry utilities stubbed to the existing building on the Property, and except as stated in the Lease and as provided in Section 4.2.8 below, Tenant shall accept the Property from Landlord in its presently existing "as-is" condition as of the date of this Lease, and Landlord shall have no liability or obligation to make improvements of any kind in or about the Property. Except as specifically provided otherwise in the Lease, Tenant shall assume all risk of loss to Tenant's personal property.

SECTION 2

IMPROVEMENT ALLOWANCE

2.1. Improvement Allowance. Tenant shall be entitled to an improvement allowance in the amount of [***] (the "**Improvement Allowance**") for the costs relating to the initial design and construction of the Tenant Improvements. In no event shall Landlord be obligated to make disbursements pursuant to this Work Letter in a total amount which exceeds the Improvement Allowance.

2.2. Use of the Improvement Allowance.

2.2.1. Permissible Improvement Allowance Items. Except as otherwise set forth in this Tenant Work Letter, the Improvement Allowance shall be disbursed by Landlord only for the following items and costs (collectively the "**Improvement Allowance Items**"):

2.2.1.1. Payment of the fees of the "Architect" and the "Engineers," as those terms are defined in Section 3.1 of this Tenant Work Letter, and payment of the fees incurred by, and the cost of documents and materials supplied by, Landlord and Landlord's consultants in connection with (i) the review of the Construction Drawings; and (ii) the supervision of Tenant's Work, in an amount equal to two percent (2%) of the total cost of Tenant's Work ("**Landlord's Supervision Fee**");

2.2.1.2. The payment of plan check, permit and license fees relating to construction of the Tenant Improvements;

2.2.1.3. The cost of construction of the Tenant Improvements, including, without limitation, testing and inspection costs, trash removal costs, after-hours utilities usage, and contractors' fees and general conditions;

2.2.1.4. The cost of any changes in the base building components of the Property when such changes are required by the Construction Drawings or required to comply with applicable governmental regulations or building codes (collectively, the "**Code**"), including all direct architectural and/or engineering fees and expenses incurred in connection therewith;

2.2.1.5. The cost of any changes to the Construction Drawings or Tenant Improvements required by the Code;

2.2.1.6. Sales and use taxes;

2.2.1.8. All other costs approved by Landlord in connection with the construction of the Tenant Improvements.

2.2.2. Disbursement of Improvement Allowance. During the construction of the Tenant Improvements, Landlord shall make monthly disbursements of the Improvement Allowance for Improvement Allowance Items for the benefit of Tenant follows.

2.2.2.1. Monthly Disbursements. On or before the occurrence of a uniform date designated by Landlord (the "**Submittal Date**") for each calendar month during the construction of the Tenant Improvements (or such other date as Landlord may designate), Tenant shall deliver to Landlord: (i) a request for payment of the "Contractor," as that term is defined in Section 4.1 of this Tenant Work Letter, approved by Tenant, in a form to be provided by Landlord, showing the schedule, by trade, of percentage of completion of the Tenant Improvements, detailing the portion of Tenant's Work completed and the portion not completed and demonstrating that the relationship between the cost of Tenant's Work completed and the cost of Tenant's Work to be completed complies with the terms of the "Final Costs," as that term is defined in Section 4.2.1 of this Tenant Work Letter; (ii) invoices from all of "Tenant's Agents," as that term is defined in Section 4.2.2.1 of this Tenant Work Letter, for labor rendered and materials delivered to the Property; (iii) executed mechanic's lien releases from all of Tenant's Agents performing or providing services or materials, which shall comply with the appropriate provisions, as reasonably determined by Landlord, of applicable Utah law; provided, in the event Tenant fails to obtain an executed mechanic's lien release from any of Tenant's Agents providing services or materials with a cost of $50,000 or less (each, a "**Missing Lien Release**"), Landlord will pay such draw request less the amount of the any such Missing Lien Releases; and (iv) all other information reasonably requested by Landlord. Tenant's request for payment shall be deemed Tenant's acceptance and approval of Tenant's Work furnished and/or the materials supplied as set forth in Tenant's payment request. On or before the date occurring thirty (30) days after the Submittal Date, and assuming Landlord receives all of the information described in items (i) through (iv), above, Landlord shall deliver a check to Tenant made jointly payable to Contractor and Tenant in payment of the lesser of: (A) the amounts so requested by Tenant, as set forth in this Section 2.2.2.1, above, less a five percent (5%) retention (the aggregate amount of such retentions to be known as the "**Final Retention**"), and (B) the balance of any remaining available portion of the Improvement Allowance (not including the Final Retention), provided that Landlord does not dispute any request for payment based on non-compliance of any work with the "Approved Working Drawings," as that term is defined in Section 3.4 below, or due to any substandard work, or for any other reasons. Landlord's payment of such amounts shall not be deemed Landlord's approval or acceptance of the work furnished or materials supplied as set forth in Tenant's payment request.

2.2.2.2. Final Retention. Subject to the provisions of this Tenant Work Letter, a check for the Final Retention payable jointly to Tenant and Contractor shall be delivered by Landlord to Tenant following the completion of construction of the Tenant Improvements in a good and workmanlike manner in full compliance with the terms and conditions of this Tenant Work Letter, provided that (i) Tenant delivers to Landlord properly executed mechanics lien releases from all of Tenant's Agents performing or providing services or materials in compliance with applicable Utah law; provided, in the event any Missing Lien Releases exist as of such date, Landlord will pay the Final Retention less an amount equal to two hundred percent (200%) of the amount claimed in relation to such Missing Lien Releases, (ii) Landlord has determined that no substandard work exists which adversely affects the mechanical, electrical, plumbing,

2.2.2.3. Other Terms. Landlord shall only be obligated to make disbursements from the Improvement Allowance to the extent costs are incurred by Tenant for Improvement Allowance Items. All Tenant Improvements incorporated into the Property for which the Improvement Allowance has been made available shall be deemed Landlord's property under the terms of the Lease. If the total cost of the Improvement Allowance Items (including Landlord's Supervision Fee) is less than the amount of the Improvement Allowance, any such excess may be applied by Tenant to an abatement of Base Rent (as defined in the Lease), in the full amount of such excess.

2.3 Finishes**.** The Tenant Improvements shall incorporate building materials and construction standards as described in the Construction Drawings and shall be performed substantially in accordance with the Construction Drawings.

SECTION 3

CONSTRUCTION DRAWINGS

3.1. Selection of Architect/Construction Drawings. Tenant shall retain Method Studio, Inc. ("**Architect**") and ARW Engineers, a Utah corporation ("**Engineer**") to prepare the plans and drawings for the Tenant Improvements. On behalf of Tenant, Architect shall prepare all plans and working drawings relating to the structural and architectural elements of the Tenant Improvements, and Engineer and other approved sub-consultants and professionally licensed subcontractors shall prepare all plans and engineering working drawings relating to mechanical, electrical, plumbing, HVAC, life safety, and interior sprinkler work with respect to the Tenant Improvements, to the extent such work is not part of the existing base building. The plans and drawings to be prepared by Architect and Engineer, whether preliminary or working and including the Final Space Plan (defined below) and the Final Working Drawings (defined below), are sometimes collectively referred to below as the "**Construction Drawings**." All Construction Drawings shall comply with Landlord's drawing format and specifications, and shall be subject to Landlord's approval, which approval shall not be unreasonably withheld or delayed. Tenant and Architect shall verify, in the field, the dimensions and conditions as shown on the relevant portions of the base building plans, and Tenant and Architect (and not Landlord) shall be solely responsible for such verification. Landlord's review or approval of the Construction Drawings, as set forth in this Section 3, shall be for its sole purpose and shall not be deemed or imply Landlord's review or approval of the same, or otherwise obligate Landlord to review or approve the same, for adequacy, fitness for a particular purpose, quality, design, Code compliance or other like matters. Moreover, Landlord's review shall not make Landlord responsible for any construction means, methods, techniques, sequences, or procedures, or of any safety methods or precautions, all of which shall remain solely Tenant's responsibility. Accordingly, notwithstanding that any Construction Drawings are reviewed and approved by Landlord or its space planner, architect, engineers and consultants, and notwithstanding any advice or assistance which may be rendered to Tenant by Landlord or Landlord's space planner, architect, engineers, and consultants, Landlord shall have no liability whatsoever in connection therewith and shall not be responsible for any omissions or errors contained in the Construction Drawings, and Tenant's waiver and indemnity set forth in the Lease shall specifically apply to the Construction Drawings.

3.2. Final Space Plan. Tenant shall supply Landlord with an electronic copy and two (2) hard copies signed by Tenant of its final space plan for the Tenant Improvements (the "**Final Space Plan**") for Landlord's review. The Final Space Plan shall include a layout and designation of all offices, rooms and other partitioning, their intended use, and equipment to be contained therein. Landlord may request clarification or more specific drawings for special use items not included in the Final Space Plan. Landlord shall advise Tenant within ten (10) business days after Landlord's receipt of the Final Space Plan (and any supplemental information requested by Landlord) for the Tenant Improvements if the same is unsatisfactory or incomplete in any respect (and therefore disapproved). If Tenant is so advised, Tenant shall promptly cause the Final Space Plan to be revised to correct any deficiencies or address other

matters Landlord may reasonably require. The Final Space Plan must be approved by Landlord, which approval shall not be unreasonably withheld or delayed, before Tenant prepares any architectural working drawings or engineering drawings.

3.3. Final Working Drawings. Upon written approval of the Final Space Plan by Landlord, Tenant shall promptly cause Architect and Engineers to complete the architectural and engineering drawings for the Tenant Improvements, and Architect shall compile a fully coordinated set of architectural, structural, mechanical, electrical and plumbing working drawings in a form which is complete to allow subcontractors to bid on Tenant's Work and to obtain all applicable building permits (collectively, the "**Final Working Drawings**") and shall submit the same to Landlord for Landlord's approval, which approval shall not be unreasonably withheld or delayed. Tenant shall supply Landlord with an electronic copy and two (2) hard copies signed by Tenant of such Final Working Drawings. Landlord shall advise Tenant within five (5) business days after Landlord's receipt of the Final Working Drawings if the same are unsatisfactory or incomplete in any respect and therefore disapproved. If Tenant is so advised, Tenant shall immediately revise the Final Working Drawings in accordance with such review and any disapproval of Landlord.

3.4. Approved Working Drawings. The Final Working Drawings shall be approved by Landlord prior to the commencement of construction of the Tenant Improvements by Tenant. After approval by Landlord of the Final Working Drawings they shall be known as the "**Approved Working Drawings**," and Architect shall submit them and all other required documents to the applicable governmental authority for all applicable permits, submittals, authorizations and approvals applicable to the Approved Working Drawings and Tenant Improvements (the "Approvals"). Tenant hereby agrees that neither Landlord nor Landlord's consultants shall be responsible for obtaining any Approvals, including, without limitation, any building permit or certificate of occupancy for the Property, and that obtaining the same shall be Tenant's sole responsibility; provided, however, that Landlord shall cooperate with Tenant in executing permit applications and performing other ministerial acts reasonably necessary to enable Tenant to obtain any such permit or certificate of occupancy. No changes, modifications or alterations in the Approved Working Drawings may be made without the prior written consent of Landlord, which consent shall not be unreasonably withheld or delayed.

3.5. Change Orders. If Tenant desires any changes, revisions or substitutions to the Tenant Improvements set forth in the Approved Working Drawings ("**Change Orders**"), Tenant shall submit to Landlord's representative the plans and specifications for such Change Orders. In the event such Change Order results in an increase of the Final Costs which is in excess of the Improvement Allowance, Tenant shall supply to Landlord the direct costs of plan revisions, permits, and the net costs of construction resulting from such Change Orders together with its request for a change order ("**Change Order Payment**"), which shall be treated as part of the Over-Allowance Amount, and Landlord's representative will approve or disapprove (and, in case of disapproval, request revisions to the Change Order) a Change Order within three (3) business days following receipt of the required documentation. Landlord's disapproval and request for revisions to Tenant's proposed Change Order may be based on whether the Change Order: (i) affects or is not consistent with the base structural components or systems of the Building, (ii) is visible from outside the Property, (iii) affects safety, (iv) has or could have the effect of increasing the Building's operating expenses, or (v) in Landlord's reasonable judgment, is not consistent with the quality or character of the Building or the Property. If Landlord disapproves the proposed Change Order, it shall promptly return the Change Order Payment to Tenant.

SECTION 4

CONSTRUCTION OF THE TENANT IMPROVEMENTS

4.1. Tenant's Selection of Contractor. Tenant shall retain Layton Construction to construct the Tenant Improvements ("**Contractor**"). Contractor and all subcontractors engaged by Contractor shall be duly licensed in accordance with applicable Utah law. Tenant shall provide Landlord with copies of all written agreements between Tenant and Contractor pertaining to Tenant's Work.

4.2. Construction of Tenant Improvements by Tenant's Agents.

4.2.1. Construction Contract; Final Costs. Prior to Tenant's execution of the proposed construction contract and general conditions with Contractor (the "**Construction Contract**"), Tenant shall submit the

Construction Contract to Landlord for its approval, which approval shall not be unreasonably withheld or delayed. Before commencing Tenant's Work and after Tenant or Contractor has accepted all bids for the Tenant Improvements, Tenant shall provide Landlord with a detailed schedule of values or cost breakdown, by trade, of the final costs to be incurred in connection with the design and construction of the Tenant Improvements, which shall include Landlord's Supervision Fee (the "**Final Costs**"). Except as provided in Section 4.2.9 below, Tenant shall be solely responsible to pay for all costs to complete the Tenant Improvements if the amount of the Final Costs exceeds the Improvement Allowance.

4.2.2. Tenant's Agents.

4.2.2.1. Landlord's General Conditions for Tenant's Agents and Tenant's Work. Tenant, Contractor, all subcontractors of any tier, laborers, materialmen, and suppliers used by Tenant (such Contractor, subcontractors, laborers, materialmen, and suppliers, and Contractor (but specifically excluding Tenant) to be known collectively as "**Tenant's Agents**"), in the performance of Tenant's Work shall comply with the following: (i) the Tenant Improvements shall be constructed in substantial conformance with the Approved Working Drawings; (ii) Tenant and Tenant's Agents shall not, in any way, unreasonably interfere with, unreasonably obstruct, or unreasonably delay, the work of Landlord with respect to any other work in the Project (as defined in the Lease) (iii) Tenant's Agents shall submit and coordinate schedules pertaining to Tenant's Work to Contractor and Contractor shall, within five (5) business days of receipt thereof, inform Tenant's Agents of any changes which are deemed necessary thereto, and Tenant's Agents shall adhere to such corrected schedule; and (iv) Tenant's Agents shall abide by all rules made by Landlord's property manager in connection with this Tenant Work Letter, including, without limitation, the performance of Tenant's Work.

4.2.2.2. Indemnity. To the fullest extent of the law, Tenant's indemnity of Landlord as set forth in Section 10(a) to the Lease shall also apply with respect to any and all claims, costs, losses, damages, injuries and liabilities, including attorneys' fees, arising out of or relating in any way to the Tenant Improvements and attributable, in whole or in part, to any negligent act or omission of Tenant or Tenant's Agents, or any architect, engineer, consultant, representative or agent of any of them, or anyone directly or indirectly employed by any of them, or in connection with Tenant's non-payment of any amount arising out of or relating to the Tenant Improvements and/or Tenant's disapproval of all or any portion of any request for payment. Such indemnity by Tenant shall also apply with respect to any and all costs, losses, damages, injuries and liabilities related in any way to Landlord's performance of any ministerial acts reasonably necessary (i) to permit Tenant to complete the Tenant Improvements, and (ii) to enable Tenant to obtain any building permit or certificate of occupancy for the Property.

4.2.2.3. Requirements of Tenant's Agents. The Construction Contract shall guarantee to Tenant and for the benefit of Landlord that the Tenant Improvements shall be free from any defects in workmanship and materials for a period of not less than one (1) year from the date of completion thereof. All such warranties or guaranties as to materials or workmanship of or with respect to the Tenant Improvements shall be contained in the Construction Contract and shall be written such that such guaranties or warranties shall inure to the benefit of both Landlord and Tenant, as their respective interests may appear, and can be directly enforced by either. At Landlord's request, Tenant shall provide Landlord with any written assignment or other assurances which may be necessary or desirable to provide for such right of direct enforcement.

4.2.2.4. Insurance Requirements.

4.2.2.4.1. General Coverages. Landlord will purchase and maintain, or cause to be maintained, the cost of which will be paid for out of the Improvement Allowance, the following insurance coverage for the Property including Tenant Improvements (the "**Owner's Project Policies**") for the benefit of itself, who will be the First Named Insured, and General Contractor, who will be included as an Additional Named Insured. Unless otherwise specified below, coverage will not apply to any work or operations away from the project site. Tenant shall be included as additional named insured. Owner's Project Policies will provide the following coverage and are intended to be the primary coverage for the Project.

4.2.2.4.1.1. Commercial General Liability insurance. Owner shall maintain coverage written on a current ISO occurrence form, with a combined "per project" limit for bodily injury, personal injury and property damage of no less than One Million Dollars ($1,000,000) per occurrence, Two Million Dollars

($2,000,000) general aggregate, and Two Million Dollars ($2,000,000) products completed operations aggregate. Coverage will include extended products-completed operations for the lesser of the applicable statute of repose of (6) six years or ten (10) years. Coverage shall contain not restrictions or exclusions pertaining to the type of asset nor the type of construction contemplated by this agreement.

4.2.2.4.1.2. Excess Liability / Umbrella insurance. Owner shall maintain coverage consisting of one or more policies with limits of not less than Ten Million Dollars ($10,000,000) each occurrence for bodily injury and property damage, and Ten Million Dollars ($10,000,000) general aggregate and products and completed operations aggregate. Coverage shall be excess and follow form to the underlying commercial general liability coverages.

4.2.2.4.1.3. Property Builders Risk insurance. Owner shall maintain in force and effect, at its sole cost and at all times while the obligations set forth by this agreement remain outstanding, property insurance on an "all risk" form for the building and all equipment and improvements installed per the terms of this agreement including builders risk insurance, with limits and deductibles acceptable to Owner. Such coverage shall list Landlord as Named Insured, and include the interest of the Tenant, General Contractor and subcontractors of every tier. Tenant is responsible for their personal property in accordance with the Lease.

4.2.2.4.1.4. Tenant shall maintain insurance in accordance with the requirements set forth in the Lease, outlined further in Section 10. Liability Insurance; Indemnity.

4.2.2.4.2. General Terms. Certificates of insurance (in form satisfactory to Landlord and Tenant) and endorsements evidencing the insurance required under this Section 4.2.2.4 shall be delivered to Tenant by Landlord before the commencement of construction of the Tenant Improvements and before Contractor's equipment is moved onto the site. All such policies of insurance must contain a provision requiring the insurer to give Tenant thirty (30) days prior written notice of any cancellation or lapse of the effective date or any reduction in the amounts of such insurance. In addition to the insurance Tenant is required to carry under their Lease, should Tenant engage the services of any contractor or subcontractor of any type or tier to perform work in the premises, Tenant shall ensure, via written and executed contract, that such party complies with the requirements of Section 10 of the Lease, including commercial general liability, business automobile liability, umbrella/excess liability, worker's compensation and employer's liability coverages in substantially the same forms as required of the Tenant under the Lease and in amounts approved by landlord and/or landlord's property manager. Umbrella coverage shall be commensurate with their scope of risk and work performed but in no case less than $1,000,000 per occurrence. Contractor policies shall have zero restrictions for injuries to employees, or for the scope of work contemplated within their agreement. Certificates of insurance shall be made available to Landlord prior to work commencing on site evidencing all insurances as required herein, and include Tenant, Landlord and Landlord entities as additional insured for ongoing and completed operations on a primary and non-contributory basis. The required limits listed above are minimum limits established by Landlord and nothing contained herein shall be construed to mean the required limits are adequate or appropriate to protect Tenant or contractors of any type from greater loss. All of the above required insurance maintained by Tenant's Agents shall preclude subrogation claims by the insurer against Landlord or its agents and employees. All of the above required liability insurance is primary insurance as respects Landlord and any other insurance maintained by Landlord is excess and noncontributing with the above required insurance. The above insurance requirements shall not abrogate or diminish in any way Tenant's indemnification obligations under Section 4.2.2.2 of this Tenant Work Letter. All liability insurance shall be provided on an "occurrence" basis. Landlord may, in its discretion, require Tenant or Contractor to obtain payment and performance bonds in form satisfactory to Landlord, issued by sureties satisfactory to Landlord (and naming Landlord as a co-obligee), and having a penal sum in an amount not less than the amount of the Final Costs, or some alternate form of security satisfactory to Landlord in an amount sufficient to ensure the lien-free completion of the Tenant Improvements. If the foregoing payment and performance bonds are required by Landlord, fifty percent (50%) of the cost of such bonds shall be paid by Landlord, and fifty percent (50%) shall be paid by Tenant.

4.2.3. Governmental Compliance, Etc. The Tenant Improvements shall comply in all respects with the following: (i) the Code and all other applicable laws, regulations and ordinances as each may apply according to the rulings of the controlling public official, agent or other person; (ii) applicable standards of the American Insurance Association (formerly, the National Board of Fire Underwriters) and the National Electrical Code; and (iii) building material manufacturer's specifications.

4.2.4. Inspection by Landlord. Landlord shall have the right to inspect the Tenant Improvements at all times; provided, however, that Landlord's failure to inspect the Tenant Improvements shall in no event constitute a waiver of any of Landlord's rights under this Tenant Work Letter or this Lease, nor shall Landlord's inspection of the Tenant Improvements constitute Landlord's approval of the same. Should Landlord disapprove any portion of the Tenant Improvements, Landlord shall notify Tenant in writing of such disapproval and shall specify the items disapproved. Any defects or deviations in, and/or disapproval by Landlord of, the Tenant Improvements shall be rectified by Tenant at no expense to Landlord within thirty (30) days.

4.2.5. Work Rules. Tenant shall keep the Common Areas (as defined in the Lease) of the Project reasonably free of all construction debris and in a broom clean condition (except within approved construction staging areas, which areas will be maintained by the Contractor in a reasonably clean and slightly condition). Tenant agrees that no work by Tenant's Agents shall unreasonably disrupt or cause a slowdown or stoppage of any work conducted by Landlord at the Project.

4.2.6. Construction Delays. As used in this Tenant Work Letter, "**Construction Delay(s)**" shall mean any actual delay in the performance or completion of all or any portion of the Tenant Improvements attributable to the following:

i. any Force Majeure Event (as defined in the Lease);

ii. any delay caused by governmental authorities in obtaining necessary Approvals after Landlord and Tenant have approved the Approved Working Drawings, despite Tenant's best efforts to obtain such Approvals; or

iii. any delay caused by Pre-existing Defects.

4.2.7. Pre-Existing Property Defects. Notwithstanding anything to the contrary, in no event shall Tenant be responsible for the cost of any "**Pre-existing Defects**" with respect to the existing shell building on the Property, except to the extent exacerbated by Tenant or Tenant's Agents, which costs must be paid for by Tenant. As defined herein, "Pre-existing Defects" shall mean any foundational or structural issues relating to the shell building on the Property that: (i) are not readily apparent and contemplated to be addressed as part of Tenant's Work, including, without limitation, abatement of hazardous materials on the Property or within the existing building structure unless the same were brought onto the Property by Tenant or Tenant's Agents; and (ii) which are discovered during the course of the performance of Tenant's Work. Landlord shall be solely responsible for all costs and expenses to remedy any Pre-existing Defects without any charge against the Improvement Allowance.

4.3. Anti-Lien Provisions; Copy of Updated Approved Working Drawing Plans.

4.3.1. Tenant shall use reasonable commercial efforts to prevent any liens from being recorded against the Property or the Project during the four (4) months following completion of Tenant's Work. Tenant, at its sole cost and expense, shall cause a title insurance company of Landlord's choosing to furnish a preliminary title report or commitment for title insurance to Landlord as of the expiration of such four (4) month period, showing that no mechanic's liens have been recorded against the Property in respect to such work. If any notice of mechanic's liens have been recorded, Landlord may withhold from the Improvement Allowance a sum equal to one hundred twenty-five percent (125%) of the amount claimed, and place the same in a separate escrow account, to be disbursed as required to meet the claims under the mechanic's liens, and Tenant shall defend the claims or cause the same to bonded off of the Property pursuant to the following section. If foreclosure of the mechanic's liens is denied or such lien is bonded off of the Property pursuant to the following section, the entire amount placed in the separate account, plus interest earned thereon, shall be disbursed to Tenant.

4.3.2. As an alternative to Landlord's withholding of a portion of the Improvement Allowance (provided in Section 4.3.2 above), Tenant shall have the option to bond-off (through the use of a surety bond, for the sole benefit of Landlord, in form and amount reasonably satisfactory to Landlord) or otherwise cause the dissolution, transfer, or satisfaction of any lien, claim, security interest, or encumbrance (an "**Imposition**") recorded by Contractor

or other Tenant's Agent or any architect, engineer, or consultant or subcontractor or supplier of any tier, against the Property (so as to release and discharge any such Imposition pursuant to Utah law).

4.3.3. To the fullest extent of the law, Tenant shall defend, indemnify, and hold harmless Landlord from and against any and all liens, claims, claims of lien, security interests, and encumbrance by Contractor or any architect, engineer, consultant, or subcontractor or supplier of any tier that arises out or relates in any way to the Tenant Improvements.

4.3.4. At the conclusion of construction, (i) Tenant shall cause Contractor (A) to update the Approved Working Drawings through annotated changes, as necessary, to reflect all changes made to the Approved Working Drawings during the course of construction pursuant to Change Orders, (B) to certify to the best of Contractor's knowledge that such updated Approved Working Drawings are true and correct, which certification shall survive the expiration or termination of this Lease, (C) to deliver to Landlord an electronic copy and two (2) sets of hard copies of such updated Approved Work Drawings and (D) to deliver to Landlord any permits or similar documents issued by governmental agencies in connection with the construction of the Tenant Improvements, within thirty (30) days following issuance of a certificate of occupancy for the Property, and (ii) Tenant shall deliver to Landlord a copy of all warranties, guaranties, and operating manuals and information relating to the improvements, equipment, and systems in the Property.

4.3.5. Tenant shall have reimbursed Landlord for any cost or expense incurred by Landlord as a result of any damage to Landlord's property caused by Tenant or Tenant's Agents performance of Tenant's Work.

4.3.6. Tenant shall have reimbursed Landlord for any cost or expense incurred by Landlord in defending against any recorded mechanic's liens affecting the Property, including attorney's fees, court costs, and litigation expenses.

Sections 4.3.1, 4.3.2, 4.3.3, 4.3.4, 4.3.5 and 4.3.6 above shall be collectively referred to as "**Tenant's Completion Requirements**."

SECTION 5

5.2. Landlord's Representative. Landlord has designated Vinny English as its sole representative with respect to the matters set forth in this Tenant Work Letter, who, until further notice to Tenant, shall have full authority and responsibility to act on behalf of Landlord as required in this Tenant Work Letter.

If any item requiring approval is timely disapproved by Landlord, the procedure for preparation of the document and approval thereof shall be repeated until the document is approved by Landlord.

5.4. Tenant's Lease Default. Notwithstanding any provision to the contrary contained in this Lease, if an event of default as described in this Lease or this Tenant Work Letter has occurred at any time on or before the completion of the Tenant Improvements, then (i) in addition to all other rights and remedies granted to Landlord pursuant to the Lease, Landlord shall have the right to withhold payment of all or any portion of the Improvement Allowance, and (ii) the performance of all other obligations of Landlord under the terms of this Tenant Work Letter shall be excused until such time as such default is cured pursuant to the terms of this Lease (in which case, Tenant shall be responsible for any delay in the completion of the Tenant Improvements caused by such inaction by Landlord).

5.5 Tenant Work Default. If Tenant or Tenant's Contractor does not prosecute Tenant's Work properly in accordance with the Approved Working Drawings and Work Schedule, Landlord, after fifteen (15) days' written notice to Tenant, and without prejudice to any other right or remedy Landlord may have, may remedy the default or

make good any deficiencies, and recover the costs incurred therein from Tenant. If Landlord performs any of Tenant's Work hereunder, Tenant shall pay to Landlord the direct cost thereof to Landlord plus ten percent (10%) of such cost in respect of coordination by Landlord not more than thirty (30) days after receipt of invoice therefor, provided that if requested by Landlord, Tenant shall pay to Landlord one hundred twenty percent (120%) of the estimated amount thereof as a deposit against the actual cost to perform such work (with any excess being refunded to Tenant) at the time Landlord commences such work or orders materials or equipment for such work and shall make progress payments to Landlord as the work proceeds in such amounts as Landlord may reasonably require.
